## AMPLE PROOF!

The results of the 1941  
Spring Show Circuit, at  
London, Chatham, Wind-  
sor, Hamilton, and Mon-  
treal, place Saints Rest  
Bloodlines well on top.

The record-breaking  
Int. Ch. Saints Rest Double Ace

★ Best of Breed at all five shows were rich in the heritage of those famous bloodlines which predominate at Saints Rest.

★ These same bloodlines were awarded a total of 21 championship points, out of a possible 25 points that were available in Bostons at these five shows.

★ Saints Rest competed fearlessly at ALL five shows, and benched a total number of entries almost double that of any other exhibitor.

★ Even the most skeptical must admit that TOMORROW'S winners must come from TODAY'S winning bloodlines, and that

*"Saints Rest Bloodlines ARE Winning Bloodlines"*

★ We ARE in a position to help YOU. (Stud cards on request.)

## OUR FRONTISPIECE

A little over a year ago, our April issue to be exact, we had the pleasure of bringing to the readers of Dogs in Canada via the front page an illustration of the noted Dachshund, Ch. Helmar Flottenberg, the property of Mr. and Mrs. Herbert Bertrand, owners of the famed Ellenbert Farm Kennels located at Greenwich, Conn. The front cover of this issue illustrates another very successful inmate of the Ellenbert Kennels, "Dimas Earthstopper", who recently completed his Canadian championship and is now a tri-international Champion through previous championships earned in England and the United States. Dimas Earthstopper's show career in Canada was limited to the recent London, Chatham, Windsor and Hamilton shows and at all four of these he was awarded Best of Breed and was twice placed Best in the Hound Group. Included in his wins in the United States are two Best in Show wins at the Lennox Kennel Club and Westchester Kennel Club shows last fall. Incidentally, Mr. Bertrand's home-bred bitch, "Helka Ellenbert", also completed her Canadian championship at the recent Hamilton Kennel Club show.

It is believed that Dimas Earthstopper is the first Dachshund to hold three national championships, although the Ellenbert Kennels have had several Dachshunds that have had two championships, American and German. Dogs from this Kennel have been declared best Dachshund at the Westminster Kennel Club show for the years 1933, 1935, 1936 and 1940. For the information of Dachshund breeders the pedigree of Dimas Earthstopper, who was born in England on July 12th, 1937, is recorded below:

## Obituary

DR. H. E. BATT

The dog world in general and the Scottish Terrier fancy in particular lost a good friend and an ardent and sincere supporter by the passing at Guelph on May 11th of Dr. Henry Edward Batt, B.V.Sc., eldest son of the late Captain Henry Ellis Batt, "Salutary Mount", Devon, England. Educated at an English boarding school after voyaging with his father to China and Japan, Dr. Batt came to Canada and pioneered in the West before returning to England in 1907 where he married Winifred Pyne, only daughter of George Pyne, F.R.H.S., "Denver House", Devon. Dr. and Mrs. Batt came to Canada and experienced the pioneering life of early settlers in the North Battleford district of Saskatchewan.

In 1912 they came East where Dr. Batt entered the Ontario Veterinary College, graduating in 1915. Owing to a disability Dr. Batt was rejected for overseas service in the Great War and took an appointment as Veterinary Inspector in the City Health Department, Toronto, until 1919 when he became a member of the Faculty of the Ontario Veterinary College, Guelph, lecturing in Zoology, Histology, Government Meat Inspection and demonstrating in Parasitology.

Dr. Batt first became a member of the Canadian Kennel Club in 1924 and while the Haldon Kennels in the past few years have been devoted exclusively to Scottish Terriers, Fox Terriers as well as Scottish Terriers were their early favourites. "Haldon", the name of his residence and kennels, originates with his beloved "Haldon" Hills in Devon where he roamed as a boy amidst the bracken, fern and heather. More than a score of Scottish Terriers bearing the Haldon prefix are recorded as having attained championship status. Dr. Batt represented the Province of Ontario on the Board of Directors for the years 1934, 1935, 1937, 1938, 1939 and 1940.

Besides dogs, his other hobbies were gardening and reading and if any proof of this was required, one had only to have a glimpse of the grounds at Haldon and the hundreds of books, chiefly of a historical nature, lining the walls of the Haldon living room.

Dr. Batt is survived by his widow, who is very well known to dog fanciers on this Continent, particularly in Ontario; by a son, Dr. H. T. Batt, who, to his father's delight, graduated from his own College, obtained his degree in France and recently his Ph.D. at Cornell University. Dr. Batt also leaves in England two sisters, Misses A. and M. Batt and two brothers, Lieut. Colonel Batt, C.M.G., and Professor F. Raleigh-Batt of Liverpool University; to all of whom we extend our deepest sympathy.

### CHARLES T. INGLEE

It is with deep regret that the dog world will learn of the death of Charles Topping Inglee, dog breeder and executive vice-present of the American Kennel Club, and a retired real estate dealer. Mr. Inglee, who was 62 years old, died at his home in Dunellen, N.J. on April 3rd, after a long illness.

Mr. Inglee, who was born in Brooklyn, became interested in dogs in his youth, when, because of poor health, he was forced to give up school and spend a great deal of time in the country. The first dogs he exhibited were English Setters, however, it was his success in breed-

THE LATE DR. H. E. BATT

ing and exhibiting Gordon Setters that brought him his greatest fame, and he became known as the "father of the American Gordon". Though his Inglehurst Kennels have long been inactive in the breed, there are many Gordons of his breeding still exhibited in all parts of the country. Many of his Champion Setters became nationally famous.

In 1921, he organized the Gordon Setter Club, and was selected as its delegate to the American Kennel Club. In 1928, he was elected second vice-president of the American Kennel Club, and in 1932, he became first vice-president. On September 6, 1932, he was elected president of the organization, however, five months later, when the club was reorganized, he resigned the presidency to take the newly created post of executive vice-president. At the time he undertook this job the affairs of the A.K.C. were in very poor condition and a great deal of the credit for the tremendous progress and advances in recent years belongs to him.

Mr. Inglee, whose wife, the former Eunice Hobby Baker, died on June 23, 1939, leaves a daughter, Mrs. Jean Megargee, and three sisters, Mrs. Winfield S. Lemon, Mrs. W. Herbert Stetson, and Miss Emma Inglee.

*Gaines Formula 107-A*

**HELPS IN TWO WAYS TO  
PRODUCE BETTER PUPS**

These 7 thriving Beagle pups, sired by  
Fd. Ch. Bluray Nifty, give pictorial proof  
that dogs thoroughly enjoy Gaines!

**Used by U. S. Antarctic Expedition**

● "I add Gaines Formula 107-A to Gaines Meal to condition my bitches from the day they are bred until after they've weaned their pups." So writes the owner of that great Field Champion, Bluray Nifty, and 18 other distinguished Beagles. "Then," he continues, "I add Formula 107-A to the Gaines Meal I feed the puppies. I've found it pays to use Formula 107-A this way, for now I'm getting the finest, healthiest, sleek-coated litters I've ever had."

**Particularly Rich in Vitamins A, B, D, G**

● Important breeders in ever-increasing numbers are endorsing this modern method of puppy-raising. They know that while Gaines Meal provides more than ample nutrition under ordinary circumstances, the

concentrated nutrition of Gaines Formula 107-A pays big dividends throughout puppy-season. It's more than an invaluable supplementary food, too. IT HAS REPEATEDLY PROVED COMPLETELY SATISFACTORY AS AN EXCLUSIVE DIET FOR ORPHANED PUPS—FROM THE DAY OF BIRTH TO WEANING TIME!

**Money-Back Guarantee!**

● Decide today to enjoy the extra benefits—and the extra profits—that can come from your use of Gaines Formula 107-A. You needn't risk a single cent in order to try this great food product! Like Gaines Meal and Gaines Krunchon (meal in pellet form), Gaines Formula 107-A carries a money-back guarantee. Try a tin or two, and see for yourself what wonders it can work for growing puppies and adult dogs during trying times. Remember, unless you are completely satisfied with Gaines Formula 107-A in every respect—and you're to be sole judge—your money will be refunded. Send in the coupon below, now!

**FACTS ABOUT GAINES FORMULA 107A**

Gaines Formula 107-A is a simulated bitch's milk with characteristics virtually identical to those of natural bitch's milk. Consequently, it produces practically the same feeding results. Packed in hermetically-sealed half-pound tins, Gaines Formula 107-A is a particularly rich source of vitamins, minerals, and other food factors known to be needed. It can be fed dry or mixed with water as directed.

*As good  
as gold*

**and he'll stay  
that way...**

Thanks to Spratt's he's as good as gold, because the dog that's happy about his food is naturally well-behaved. Again, thanks to Spratt's, he's the good-type dog that Spratt's have helped, in no small measure, to popularise. Now, in spite of all obstacles, Spratt's are remitting none of their efforts to maintain the interests of dogdom generally, and of the good-type dog in particular.

We believe dog owners will have every reason to be thankful that Spratt's remained, as ever, at their service.
