MEETING OF THE BOARD OF DIRECTORS

HELD ON THURSDAY, JUNE 19th, 1941

The regular monthly meeting of the Board of Directors of The Canadian Kennel Club was held in the Board Room of the Club's offices, 25 Melinda Street, Toronto, on Thursday June 19th, 1941, commencing at 6.30 P.M. The President, W. J. Risewick, presided. Officers and Directors present included: Walter H. Reeves, Mrs. E. Brown, W. P. Gudgeon, Wm. McDermont and Capt. H. Dudley-Waters.

The Assistant Secretary reported that he had been in touch with the Western Hospital earlier in the day and had been advised that Director B. W. Essery's condition was good but that he was not permitted any visitors. The Assistant Secretary also advised that acknowledgement had been received from Mrs. Eccles and family for the flowers sent at the direction of the Board; and that a new book-keeper had been employed.

The President advised that because of a prior engagement it would be necessary for him to leave the meeting at 8.00 o'clock and he therefore requested that the important matters on the Agenda be dealt with prior to that time to which request the Board unanimously agreed.

ADOPTION OF MINUTES OF MEETINGS HELD MAY 15th.

It was regularly moved by Mr. Reeves, seconded by Captain Waters, and carried: "That, the minutes of the meeting of the Board of Directors held on Thursday, May 15th, be adopted as read."

DIRECTOR WILLIAMS' REPORT ON VICTORIA SHOW

The Assistant Secretary read a letter from Director V. W. Williams in respect to alleged infractions of Dog Show Regulation 6(a) and Dog Show Rule 11(c) at the show held by the Vancouver Island Dog Fanciers' Association at Victoria on May 17th. After discussion the Assistant Secretary was instructed to communicate with the Show Secretary, there being no Show Superintendent named in the catalogue, and seek confirmation or denial of the alleged infractions, a copy of this letter to be sent to Director Williams.

APPOINTMENT OF SECRETARY-TREASURER

The Assistant Secretary having been excused from the Board Room, the President read letters received from the Officers and Directors residing outside of Ontario in respect to the appointment of a new Secretary-Treasurer and also concerning the recognition to be accorded the late Secretary-Treasurer's services to the Club. After discussion the following motion was regularly moved by Mr. Reeves, seconded by Mr. Gudgeon and carried:

"That Norman F. Brown be appointed Secretary-Treasurer pro-tem and that his salary be increased to \$40.00 per week."

Director Mrs. E. Brown asked to be recorded as having taken no part in the discussion or voting.

It was regularly moved by Mr. Reeves, seconded by Mrs. Brown and unanimously carried:

"That at the next Annual General Meeting of The Canadian Kennel Club, Mr. James D. Strachan be recommended for honorary life membership."

PRINTING DOGS IN CANADA

Quotations on the printing of Dogs In Canada were submitted for the considera-

tion of the Board. After consideration of the quotations and in view of the change of policy in respect to the material appearing in the magazine, it was regularly moved by Mr. Reeves, seconded by Mr. Gudgeon and carried:

"That arrangements be made to turn the magazine over to Stone and Cox for printing purposes."

It was agreed that the magazine would be turned over to Stone and Cox on a monthly basis and that the change of printers would commence with the August issue.

PRESIDENT'S SEMI-ANNUAL REPORT

The President reported that it was his intention to make a semi-annual report on the activities of the Board in the forthcoming issue of the magazine and at the same time furnish comparative figures for the information of the members. The Board unanimously endorsed the President's intention.

Registration of Braddick's Toby

The Assistant Secretary read Dr. Barton's reply to the President's letter in respect to the registration of the Cocker Spaniel, "Braddicks Toby". It was agreed that the President would again communicate with Dr. Barton in an endeavour to accomplish registration of the dog in question.

Amendments to the Constitution

The Assistant Secretary reported that the Department of Agriculture had approved of the amendments to the Constitution adopted at the last Annual General Meeting and that certificate of ministerial approval was now at hand.

JUDGING BOOKS

The Assistant Secretary reported that according to advice received from Mr. Langley of Langley, Harris & Company, the new style judging books would be delivered on Monday, June 23rd.

At this point the President left the meeting and the Vice-President occupied the chair.

REPORT ON COMMITTEE

REDRAFTING DOG SHOW RULES

Director William McDermont, Chairman of the Committee appointed to redraft the Dog Show Rules and Regulations, reported that the Committee had held two meetings and considerable progress had been made, and further that every officer and director outside the province of Ontario had been requested to forward any suggestions or recommendations that they or their constituents may care to make.

PUBLICATION OF CONSTITUTION IN STUD BOOK 44

A letter from Mr. R. G. T. Hitchman in respect to the inclusion of Section 2 of Article 17 in the Constitution when it is published in Stud Book Volume 44 was read. After discussion it was agreed that this section would appear at the end of the Constitution with an explanatory note.

LETTER FROM THE CANADIAN COCKER SPANIEL ASSOCIATION

A letter from the Secretary of the Canadian Cocker Spaniel Association was read in respect to the failure of some exhibitors or their agents to bench their dogs at the recent London, Windsor and Hamilton shows. The Assistant Secretary was instructed to advise the Canadian Cocker Spaniel Association that in the absence of any Canadian Kennel Club Dog Show Rule or Regulation covering

the point in question, exhibitors at licensed shows had the right to protest to the Show Superintendent under Canadian Kennel Club Dog Show Rule 18 the non-observance of any such benching rule laid down by a show-giving club in its premium list or catalogue.

LETTER FROM MR. WILLIAM H. PYM

A letter from Mr. William H. Pym was read by the Assistant Secretary and press clippings of the shows run by the Vancouver Exhibition Association on April 25th and 26th were tabled for the examination of the Directors.

Cost of Canadian Kennel Club Trophies

A letter from Kents Limited in respect to the increased cost of Canadian Kennel Club trophies from \$10.00 to \$11.75 was read. It was regularly moved by Captain Waters, seconded by Mrs. Brown and carried:

"That the Assistant Secretary be instructed to purchase the Canadian Kennel Club trophies from Kents Limited."

LETTER FROM THE CANADIAN NATIONAL EXHIBITION

A letter from the Canadian National Exhibition requesting a ruling on the dogs eligible to compete for any specials offered for "The Best Canadian-bred dog in Show" was read and after discussion the Assistant Secretary was instructed to advise the Canadian National Exhibition that:

The competition for any prize or prizes offered for best Canadian-bred in show shall be confirmed to those Canadian-bred dogs which have not been directly or indirectly defeated by another Canadian-bred dog either in breed or group competition. The term, Canadian-bred, shall apply to all dogs born in the Dominion of Canada and champions shall be eligible to compete for any specials offered for such an award.

The Assistant Secretary reported on correspondence with the Staffordshire Terrier Club of America in respect to the registration of Staffordshire Terriers in Canada and also that copies of the pedigrees of dogs believed to be Staffordshire Terriers had been forwarded to the President of the Staffordshire Terrier Club of America, who advised that at the earliest opportunity he would take the matter up with the Secretary of the American Kennel Club.

Mr. McDerment raised the question of the registration of Bull Terriers resulting from the breeding of a white Bull Terrier with a Coloured Bull Terrier and it was agreed that in view of the separation of the two colours it would not be possible to do so until such time as an amendment had been carried at a general meeting.

The Assistant Secretary asked for an instruction in respect to the entries in classes for English Cocker Spaniels of those Cocker Spaniels, which, by reason of their breeding and of the resolution adopted at the Annual General Meeting of 1939, are not considered English Cocker Spaniels. The Assistant Secretary was instructed to cancel the wins of Cocker Spaniels incorrectly entered according to the resolution referred to above.

It was moved by Mr. Gudgeon, "That, this meeting do now adjourn".

SEMI-ANNUAL REPORT

On behalf of the Officers and Directors of the Canadian Kennel Club, may I submit our report on our administration during the first six months of this year.

BRITISH WAR VICTIMS FUND

At the annual general meeting the members directed that the sum of \$5,000 be sent to the Lord Mayor of London's War Victims Fund. This has been done and acknowledgement has been received from the Earl of Athlone and from the Lord Mayor of London.

DOGS IN CANADA

Inasmuch as the members at the annual general meeting expressed the wish that the official organ carry only reports of the Directors' meetings and show awards, the Directors have not seen fit to implement certain suggestions we have prepared for the improvement of the publication. It is our belief that we do not possess the authority to supersede the wishes of the membership as expressed in the amendment to the constitution; and therefore, the magazine will continue in its present form until a general meeting makes a further amendment.

SECRETARY-TREASURER

At our monthly meeting last March, Mr. Strachan indicated his desire to retire from the office of Secretary-Treasurer after twenty-two years in office; and at the April meeting the Directors regretfully accepted his resignation. Following this action, I asked for and received an expression of opinion from all other Officers and Directors throughout Canada, as to what action we should take to express our appreciation of Mr. Strachan's long service; after considering these opinions the Ontario Board decided to recommend to the annual meeting that Mr. Strachan be made a life member of the Canadian Kennel Club. In considering an appointment to fill the vacancy left by Mr. Strachan's resignation, I personally sought the opinions of all Officers and Directors outside the Province of Ontario. I relayed these opinions to the Board at their June meeting and we felt that Mr. Norman Brown, Assistant Secretary-Treasurer should be given an opportunity to prove his ability to fill the senior office. Accordingly, he has been appointed Secretary-Treasurer "pro tem". Since it is my desire that a permanent appointment be made only at a meeting of the Dominion-wide Board, and as this Board will not meet again until February, 1942, it is felt that Mr. Brown will have given sufficient indication of his ability to allow the Directors to either confirm or revise this appointment.

STUD BOOKS

The Board of Directors agreed at our February meeting that certain changes could be made in the printing of our Stud Book, and investigation revealed that these changes would effect a considerable saving. Unfortunately, two months records had been kept in the old style at the time of his decision, and the cost of their revision would more than offset the saving. Hence, the changes will not be put into effect until the 1942 editions.

JUDGING BOOKS

The Board of Directors have agreed on a new style of judging book which we believe will be a decided improvement over those now in use. These books will be supplied free of charge to show-giving clubs through the kind co-operation of Spratts Patent Limited, London, England, and will be available in July.

REBATES AND DONATIONS

We have reason to believe that some show-giving clubs may be under the impression that the system of rebates and donations has been discontinued. This is not the case. The rebate, determined on the number of dogs entered, is still being paid in accordance with Dog Show Regulation No. 2, and the Board of Directors have made provision for the \$25.00 donation for returns received on time or as an alternate, a show-giving club may offer the Canadian Kennel Club trophy in which case the donation shall be \$15.00.

APPROVAL OF JUDGES

The Board of Directors have agreed with the practice of referring the selection of judges for a show in any province to the Provincial Director and Committee for that province, for approval.

DOG SHOW RULES COMMITTEE

The Committee appointed to redraft the Dog Show Rules has had three meetings in the past three weeks. Their progress has been reported to the Board of Directors and each Provincial Director has been requested to communicate to this office any suggestions or recommendations he may have concerning these Rules. If any of our individual members have anything in mind that they believe should be incorporated in these Rules or will be an improvement, please do not hesitate to communicate with your Provincial Director.

The Rules for Children's Classes which have been previously adopted by the Board have now been rescinded and show-giving clubs are now free to draft their own rules for such Classes.

REGIONAL REPRESENTATIVES

At my suggestion the Board of Directors appointed representatives of the Canadian Kennel Club in five points in Ontario believing that in doing so the members of the Club may have someone to turn to in their district for help and information. These representatives are as follows: London—G. McFadden; Ottawa—E. A. Runions; Windsor—George H. Hewson; Kingston—C. L. Bowen; Huntsville—C. J. Christenson. They have power to assist members and non-members and are expected to make recommendations to the Board designed to improve conditions in their district. In this capacity their function will be similar to that of the Provincial Committees in other provinces.

REGISTRATIONS

For the immediate information of our members, I am able to report the following figures showing the number of mem-

bers, registrations—litter and individual, transfers of ownership as well as the figures for the same period last year:

	Five months ending May 31st.	1940	1941
Members	993	929	
Registrations	2013	2445	
Transfers	2165	2556	

While it is encouraging to notice the increase in registrations and transfers, the Board is keenly interested in increasing the membership. It has been my opinion that membership in the Canadian Kennel Club must be made more attractive to induce new members and maintain old members. Such a plan is under consideration and will be proposed to the members when its advantages have been verified.

MEMBERSHIP CARDS

As reported in the recent issue of Dogs in Canada, a new system of membership card has been adopted. The membership receipt, which has hitherto been issued from the Live Stock Records office has been discontinued. Official membership cards will be mailed from the Canadian Kennel Club office to all members renewing their membership. In the case of new members, an interim receipt will be issued after which the applicant will be mailed a membership card should his application for membership be approved by the Board of Directors.

AFFILIATION

Members at the annual general meeting adopted a memorandum tabled by our Second Vice-President, Mr. William H. Pym, in which certain instructions were given to the Board of Directors in respect to our affiliation with the Canadian Live Stock Records. The representatives of the Canadian Kennel Club attended the annual meeting of the Live Stock Records Board and subsequently reported to our Board that no amendments to the Live Stock Pedigree Act were to be made until after the conclusion of the war; that in the meantime the other Associations were prepared to continue the present arrangement on the pro rata basis and when the time arrives when the Department of Agriculture will deal with the amending of the Act all Associations operating under that Act will be invited to sit in and discuss all proposed changes. In view of this the Board of Directors feel that that this is not a proper time to take action in respect to the matter of affiliation.

FINANCIAL STATEMENT

For the information of the Directors, financial statements showing the profit and loss for each month and for the same month in the previous year are tabled at the Board meeting and copies sent to all Directors unable to be present. In this way the Board as a whole is familiar with our financial position from month to month. Obituary

JAMES ECCLES

Little did the exhibitors at the Hamilton Kennel Club show held on May 3rd realize that they were seeing for the last time in action as Show Secretary one whom they had come to respect and admire for his sportsmanship and sense of fair play. On May 15th, James Eccles, known to his innumerable friends as "Jimmie", passed away.

The late Mr. Eccles was born in Darwen, Lancashire, England, in 1882, and came to Canada some thirty-five years ago at the age of 21 and since that time had resided at Hamilton.

In 1914, he joined the 120th Regiment and was transferred at a later date to the Third Battalion. He went overseas with the latter in 1915, and saw service in the thick of the fighting until October, 1917, when he severely wounded and sent to hospital in England. After two years hospitalization for treatment of his wounds he was invalided home to Canada in 1919.

Because of his health he took up dogs as a hobby, was one of the founders of the Hamilton Kennel Club, a member since its inception and for the past fifteen years has been Secretary Treasurer of the Club. He officially managed and arranged for all the Hamilton Kennel Club shows and year after year these have become more popular under his guidance.

Mr. Eccles served on the Board of Directors of the Canadian Kennel Club for the years 1935 and 1936 as Director for the Province of Ontario.

He was a strong advocate of the smooth-hair Fox Terrier and was well and favourably known both as an exhibitor and a breeder. Amongst many outstanding specimens of the breed bred by Mr. Eccles were "Ch. Black Tony" and "Ch. Danby Maida".

Left to mourn the passing of this genial personality besides his wife are two sons, Albert and Wm. Henry; three daughters, Misses Gladys Warren and May at home and Mrs. Alex Bowman; two brothers, Wm. Henry and Andrew; also two sisters, Mrs. James Wright and Mrs. James Langton in England and one grandchild. The sympathy of the entire fancy is extended especially of those who have come to regard their visits to the Hamilton shows as incomplete without a word or two with the cheerful "Jimmie".

ALLAN C. A. CHISHOLM

"Passing by, Passing by" or a characterization of Sir Harry Lauder "Roaming in the Gloaming" will no doubt bring back to the minds of our older fanciers in and around Montreal of the lighter but by no means insincere moments of the one and only Allan C. A. Chisholm of Lorne Bulldog Kennel fame.

The news of his passing came as no surprise to those of us who knew him. Allan had battled with a painful and tiresome illness for some years and with the courage of a true sport.

He was an admirer of all dogs but his fancy fell as he christened them, the sour mugs, the English Bull dog. Any colour but he must be a good one for Allan to own. Among the best he ever owned in the writer's time was American

Champion "Lorne's Latest". This dog may be seen today in the New York Zoological Museum. Others were "Strathray Supreme" and "Lorne Lady Pugilist". Some years ago he owned the Irish Water Spaniel called "Champion Spud Murphy". Allan tried to popularize this breed in Canada and in passing may I say that stories told by Allan himself of these dogs while he owned them are masterpieces in themselves. Allan first showed Bulldogs in Scotland in 1904 when he won the gold medal for the best pup in the show.

He came to Canada in 1908, and soon allied himself with all that pertains to dogs in Canada. He soon made friends. He became active almost at once and he started the now well known kennel with the prefix of "Lorne". No show was complete without Allan and some of his friends such as the late Mr. Thomas, Bob Mills, Bill Ogden, Elmer Ferguson, Wm. Aiken, Sam Alman, Harry Silver and W. Warren and later Ed. Wright. The two last mentioned were with him to the last.

Allan founded the Bull Dog Club of Canada and while he was President ran three C.K.C. Specialty Shows in Montreal. I believe it is right to say that through his initiative Montreal became famous as a Bull dog city and today a Bull dog from Montreal carries a pleasant stigma.

Allan was the Director for the Province of Quebec along with the late Wm. Aitken when this province merited two Directors.

A forceful speaker with a command of the King's English that was the envy of all who heard him, he loved to speak and always straight from the shoulder and, as is often the case, not always in his own best interest. (Allan wanted to know).

He was called to judge in Toronto and in Montreal. A master in that capacity when he acted the breed was advanced. He was serious and conscientious of the task he undertook and acted accordingly. As a winner he was humble, as a loser he would set his tight square jaw, shake the hand of the winner and with a disturbed look on his face that says "I'll be back with one to beat him next show".

Before coming to Canada he was an amateur wrestler. During the last war he was a member of the C.O.T.C. McGill. Allan had an eye for art and when he made comments they were worth while. He owned and showed Poms, and Bedlington Terriers in the United Kingdom.

At the time of his death he was on pension in his Ville Ste. Pierre home with Mrs. Chisholm, Flo, as we had all learned to know her best. This gentle lady was always the Lady of the Lorne Establishment and to her goes our sympathy. We trust that many years are spared to her in the beautiful St. Margaret's home where her friends will be able to visit her. With Mrs. Chisholm are two daughters, Helen and Marjorie and one granddaughter, Marjorie.

CANADIAN DOGS AT THE MORRIS & ESSEX

The fifteenth annual show of the Morris and Essex Kennel Club at Madison, New Jersey, has come and gone. While this year's show with 3,883 dogs entered was not its largest, nevertheless, the show lost none of the colour for which it is justly famous and which makes it one of the shows many Canadian exhibitors look forward each year to attending with keen anticipation. Good weather prevailed throughout the day. The Smooth Fox Terrier "Ch. Nornay Saddler" was Best in Show.

Probably there were not as many Canadian dogs as usual at the show, however, in some breeds their presence was felt and nowhere more than in certain of the Terrier breeds.

AIREDALE TERRIERS

In Airedale Terriers, American Champion Rockley Riot Act, bred by the well known Sid Perkins of Toronto, was awarded Best of Breed.

CAIRN TERRIERS

In Cairn Terriers, Mrs. G. W. Hyslop of Brockville, Ontario, had five entered. Her Can. Ch. "Crock of Cairndania", was first in Open Dogs, Winners dogs and Best of Winners. Incidentally "Crock" is believed to have finished his American championship at Syracuse on June 20th. In the female classes "Baby of Cairndania" was first in Limit Bitches (5 entries). "Belpie of Cairndania" and "Blen-cathra Riskit" were second and third in the Open Class respectively. In addition "Belpie" was Reserve Winners bitches. All of these dogs were bred by Mrs. Hyslop. At Syracuse, "Baby of Cairndania" was awarded Best of Breed.

FOX TERRIERS (SMOOTH)

Mr. and Mrs. Frank Beer of Toronto had several entries at the Morris and Essex as well as at the American Specialty Show. At the latter show, "The Bard of Fairport" was first in Puppy Dogs; "Quality Lady of Fairport" was second in Puppy Bitches; "Fashion Plate of Fairport" was third in American-bred bitches and American Champion "Glamour Girl", whose sire is "Champion Nornay Saddler", was first in Open Bitches and Winners. At the Morris and Essex the following day the "Bard of Fairport" was first in Senior Puppy Dogs (3 entries); "Quality Lady of Fairport" was second in Senior Puppy Bitches (4 entries); "Fashion Plate of Fairport" was second in American-bred bitches (7 en-

tries) and "Glamour Girl" was second in Open Bitches (4 entries). All of the above dogs were bred and owned by Mr. and Mrs. Beer. Mr. Beer was recently appointed to the Board of Governors of the American Fox Terrier Club—an honour indeed.

FOX TERRIERS (WIRE)

"Wire Boy of Rockley", bred and owned by Sid Perkins and claiming for sire Robert McAdam's "Vivadora Jupiter Ace High", was first in Senior Puppy Class at the Morris and Essex (7 entries). This same puppy was first and Reserve Winners at the Garden City, Long Island, and at the American Fox Terrier Specialty Show was awarded Winners Dogs.

KERRY BLUE TERRIERS

There were a number of Canadian Kerry Blues at the Morris and Essex, and they fared as follows:

"Michael of Kindon", bred by George Davies and owned by Miss J. Murray, Toronto—second in Senior Puppy Dogs, (8 entries).

"Garry of Kindon", bred by George Davies and owned by Al. Stock, Toronto—Fourth in Novice Dogs, (8 entries).

CHESAPEAKE BAY RETRIEVERS

Two males, three females, whelped October 4th, 1940. Will work this fall, partly trained. "Ch. Bud Parker" strain. Light and medium sedge.

In Lakeland Terriers, "Breechy's Leap Year" bred and owned by Mrs. W. J. Northgrave of Toronto was first in Open Bitches, Winners Bitches and Best of opposite sex.

SKYE TERRIERS

Skye Terriers from Canada were represented by the well known Talisker Kennels of Mrs. R. P. Adams of Montreal. Her Canadian Champion, "George of Merrymount", was first in Open Dogs (7 entries), Winners Dogs and Best of Winners. "Lord Roland of Talisker" was first in Novice Dogs (5 entries). "Rag-gedy Lady of Talisker" was second in Open Bitches (5 entries), Reserve Winners Bitches and Best bred by exhibitor. "Astonishing Lady of Talisker", bred by Mrs. Adams, was third in Open Bitches class.

PUGS

Pugs from the Winna Kennels of Miss W. M. Steggall of Montreal, more or less monopolized the major awards in this breed at the Morris and Essex. "Winna John Peel", bred and owned by Miss Steggall, was first in Novice Dogs, Winners and Best of Winners. Can. Ch. "Capers of Swainston", imported and owned by Miss Steggall, was first in Limit Dogs (4 entries); first in Open Dogs (3 entries) and Reserve Winners. "Winna Treasure O-Mi-K", bred by Miss Steggall but now owned by Mrs. H. B. Kerner, was first in Open Bitches and Winners and this dog is now believed to have completed her American championship at nine months of age. Incidentally, the Reserve Winners Bitches was sired by Miss Steggall's "Ch. Capers of Swainston".

There were other Canadian dogs in competition at the Morris and Essex show, however, at the time of going to press no information is to hand as to their wins, if any.

John C. Mayerhofer of Chicago, Ill., reports:

Larger Litters

OF TYPIER AND HEALTHIER PUPS
SINCE HE BEGAN USING GAINES!

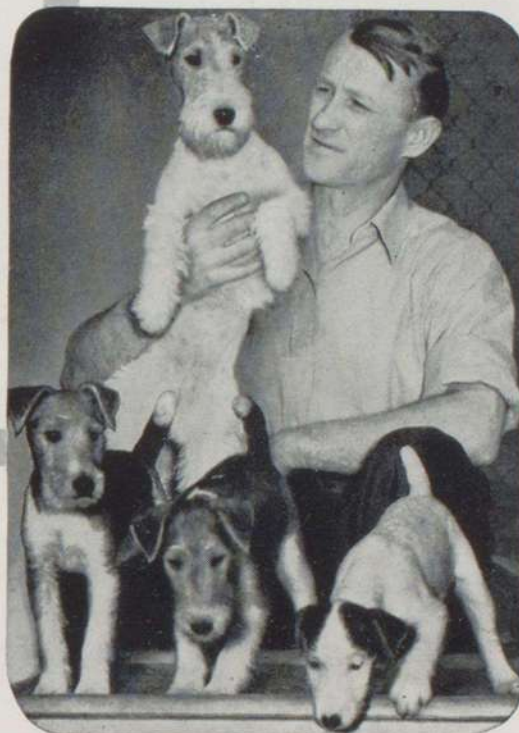

Choice of the U. S. Antarctic Expedition

● "I can't find words enough to express my enthusiasm for your dog food," Mr. Mayerhofer, breeder of some of the better Wire Fox Terriers being shown today, writes. "In the two years I've been feeding Gaines Meal and Gaines Krunchon I've found my litters have increased and the pups are much typier and healthier."

IT'S SCIENTIFICALLY BALANCED

● Gaines plays a vital role in conditioning dogs for outstanding breeding-results, because it actually delivers Vitamins A, B, D, E, G and other food factors known to be needed—in the feeding pan. That's why more and more breeders like Mr. Mayerhofer are relying completely on this bio-balanced food. They have learned from experience that they can depend on Gaines to help develop show-glow coats, clear eyes, healthy skin, sound teeth and gums, straight gait, firm muscles, plenty of pep.

See for yourself how those Gaines nutritional extras—so thoroughly proved in Antarctica and in many leading kennels—can bring benefits to your kennels. Test Gaines for

Four of the outstanding puppies that Mr. Mayerhofer is raising on Gaines

30 days in your own kennels WITHOUT RISKING A SINGLE CENT.

MAKE THIS HALF-KENNEL TEST

● Feed Gaines Meal or Gaines Krunchon (meal in pellet form) to HALF of your dogs for one month to see how effective and efficient it is. Keep track of its cost, too, comparing it with that of any other food you may choose to feed your other dogs. Unless Gaines actually costs less, a price adjustment will be made that will represent a saving. More than that, unless you are completely satisfied with Gaines in every respect—and you're to be sole judge—Gaines will refund every cent you may have paid! Try this half-kennel test now. See for yourself how much you'll gain by feeding Gaines!

*As good
as gold*

**and he'll stay
that way...**

Thanks to Spratt's he's as good as gold, because the dog that's happy about his food is naturally well-behaved. Again, thanks to Spratt's, he's the good-type dog that Spratt's have helped, in no small measure, to popularise. Now, in spite of all obstacles, Spratt's are remitting none of their efforts to maintain the interests of dogdom generally, and of the good-type dog in particular.

We believe dog owners will have every reason to be thankful that Spratt's remained, as ever, at their service.
