## KEEP DOGS WELL!

When your dog is listless—doesn't want to eat or play—he's out of condition and needs DISTEMPOUT (On-The-Nose). Just a dab on his nose—he licks it all off, and soon (often the same day) is all set to go again. Dog and cat lovers have used Distempout (On-The-Nose) successfully for over 23 years. Don't be without it. A large tube costs only \$1.00 and lasts a long time. It's a true friend when danger strikes.

#### OTHER "TESTED" PRODUCTS

NOSE LAX—a companion product, is a mild Laxative given by the famous On-The-Nose method. Avoid muss and bother of giving oils, powders or pills. In handy tube, only 50c.

BALSA-PERU aids healing, either fresh, or old stubborn cuts or bites. Made of Balsam of Peru, Lanolin, etc. It soothes, relieves pain and smarting, and starts nature's healing processes. Also good for Humans. In handy tubes, only 50c. Ask your Dealer or order direct.

# British Columbia Gun Dog Retriever Trials

By W. H. Pym

What may be properly called the first orthodox Championship Retriever Trials ever held on this coast were staged adjacent to Vancouver on September 24th-25th, under the auspices of the B.C. Gun Dog Club, and Canadian Kennel Club rules. Mr. Bert Blair was the organizing genius in charge of events and he conducted them in his usual brilliant manner. He was assisted by Hal Straight, Managing Editor of the Vancouver Sun as steward, and President McLaren, Secy. Krogg, Ben Furey, Dan Neal, and members of the Club.

The venue was of the story book variety, the land courses faced the coast range of mountains in the north and west, the mighty Fraser River flowing towards the sea to the south, and the Pitt River on the east. All in a country where fur, feather, and fish abound in their natural state. The Wild Duck Inn was the headquarters with the hosts Routley and Shaw serving everything sporting men could desire on such a day.

The event had a decidedly International flavor with the entries of Lieut. Paul Bakewell 3d. U.S.N., home town St. Louis, Mo.; Mr. Bishopric and party who came all the way from Cincinnati, Ohio; Claude Bekings, Seattle; Dr. McLean, Kelowna; A. E. Jolivet, Victoria, and they gave the local entries fine competition.

The weather was ideal for the spectators but a trifle too hot for good scenting conditions on the first day of the land trials. It was on the first day's land trials that Lieut. Bakewell gave so many of our handlers a post-graduate course in handling retrieving dogs afield when the going is tough. Lieut. Bakewell is an amateur handler in every sense of the word. He is also big enough to lend a helping hand to others not so experienced. It should not be assumed that trick handling counts in Retriever trials, but there is simply no substitute for competency. When Lieut. Bakewell's dog is on the course every mental attribute of man and dog are in complete co-ordination to an extent quite beyond the belief of the uninitiated. Every sound of the whistle, the duration of the note, and the quality of the tone carried its own specific message from handler to dog. As one wag remarked Lieut. Bakewell could hup or turn his dog on a dime at any given point.

Another outstanding performance of finished handling was turned in by the veteran E. J. Cameron when handling the entry of his son, Flight Lieut. Bill Cameron's "Sky Pilot Judy". Mr. Cameron, Sr., being a former harness horse man, understands the necessity for speed in the stretch and evidently trained Judy accordingly.

Keith Cogan, Henry Christensen, A. E. Jolivet, Tyke Abernethy, Claude Bekins and others turned in good handling performances and it appears

to this recorder that good handling is not the difference between amateur and professional, but rather the difference between major and minor league competition.

The Club was very fortunate in their selection of judges. For the first trial Dan Neal and Fred Spencer officiated. For the second event Henry Castillou, K.C. James Washington and O. B. Harrison donned the ermine. We thought each judge turned in an excellent performance with dignity and authority. The well known Billy Oates was the official gun. As he did have a "miss" in two days, he must be quite a fellow with a gun.

We hear so much about the difference between the so-called show dog and hunting dog that this subject is worth review. At these trials the work for the dogs consisted of retrieving three pheasants on land, and three mallard ducks in the water trial. The "planted" pheasant was situated about seventy-five yards from the starting point with the remaining two pheasants shot approximately seventy-five yards on each side of the planted bird. The water trial was so situated that it was necessary for the dogs to travel about seventy-five yards through a mud flat and retrieve his ducks from the marsh reeds and out of the fast moving river. On the river the dog was required to swim through decoys in order to reach his bird.

At this trial I did not see a single dog that did not have a right to compete at a first class dog show. If a dog is not built right he simply has not the physical endurance to competently perform his duties afield in such a trial. In addition to being built right, a dog must be conditioned for such a task and I believe lack of work was responsible for a few dogs slowing down after retrieving a couple of birds.

The winner of both trials was Lieut. Bakewell's Internationally known dual (now triple) Champion "Shed of Arden". On the first major day Major Austin C. Taylor's "Taylors Topper" was the runner-up. This dog, handled by Henry Christensen, is definitely of major league calibre and will be heard from again. At the second trial "Shed of Arden" again turned in a magnificent performance to catch the judges eye. The runner-up was Lieut. Cameron's "Sky Pilot Judy" who must have just missed by a whisker. Some of the other contestants which impressed the gallery of approximately a thousand spectators were Dr. McLean's "Sky Pilot Penwell"; Bert Blair's "Bracken Sweep"; Claude Bekins' "Scoronine"; Tyke Abernethy's "Sky Pilot Tupper" (placed third); A. E. Jolivet's "Brackens Jill" (evidently not at her best on account of maternal duties). The lone Chesapeake, "Cariboo Mick", while not

fortunate on pheasants certainly was the answer to the duck hunter's prayer. A strong going dog that gave the impression he could work all day. But probably the sweetheart of the trials was Lieut. Bakewell's Golden Retriever "Stillrover Superspeed". She possesses super speed plus, with brains to spare. In one of the land trials she retrieved her first two birds in 20 seconds and 32 seconds respectively. All she requires is the opportunity and she will win a championship in a hurry in any competition.

In conversation with Lieut. Bakewell after the trials he offered the following suggestions, which coming from one who has enjoyed such outstanding success in the world's best trials, his comments should be accepted without question: (I quote) First, I want to tell you how pleasantly surprised at the quality of most of the dogs and their work. The water tests were different than anything we had seen in the States. Invariably the blind from which the dog works is within ten yards of the water's edge. You had yours fifty yards from the shore so the dogs had to cover fifty yards of marsh and then enter the water. That was excellent and a fine test. However, the duck was so close to the shore it was not necessary to direct the dog once he was in the water for he only had a few yards to swim. I think one of the most important qualities of a finished dog is his ability to swim boldly for a good long distance and take directions in the water. To test this, a combination of your test with a hidden bird about one hundred yards over water will really boost up a top dog and chop the poor one to his own size.

The cover where the blind retrieve on land was held, hid the dogs from view of the handlers and the judges. A dog's hunting ability is determined by his work on marked birds. A blind retrieve is to test a dog's handling ability and to test this it is necessary that the dog and handler be in a position to see one another so the dog can be given directions. And if the judges can't see the dog, how does he know whether or not the dog is running wild or handling properly? We suggest a little lighter cover for the blind retrieves.

If at all possible, it is desirable to move to a fresh piece of ground for each dog, as remaining in one place produces a definite hardship on the later dog's run due to the fouling of the ground by the previous falls.

The dogs who failed completely on land were brought back for water work. This seemed to be nothing but a waste of valuable time for obviously they could not be placed. How much better it would be to weed out the failing dogs then use the time saved to run additional series for the better dogs. In that way they would be given

more opportunities to show exactly what they had and what they lacked.

In hunting pheasant it is customary to have your Retriever at heel. He then sits when the game rises. Rather than have them sit in a given spot with the handler behind (which is not as it is done on a day's shoot).

Wouldn't it be better to have the dogs walking at heel until the game is shot than have them sit behind the handler?

Please be assured none of this is said in criticism. It was an excellent trial and my comments are submitted on request and in the interests of a better trial and the development of the game in your section. I know of no location where the natural interest could be better developed and I hope some day to have the pleasure of being with you again. Unquote.

It is a very great pleasure to receive such constructive criticism. This writer has advocated the "walk up trial" for pheasant, and would like to see a universal schedule of work so that international competition could be developed and operated under rules and regulations drafted by an international organization.

The absence of the Rockhaven Kennels Golden Retrievers, owned by Col. S. S. Magoffin was conspicuous. We have missed the entries from this kennel due to the fact that there was no proper competition for them here. However, dogs from this kennel and their

progeny have enjoyed tremendous success at the major trials held in the United States, and it is hoped that now we are finally getting this Retriever trial business on a sound basis, we will see many of the Rockhaven Golden Retrievers in future trials.

#### WHY CAN'T WE HAVE MORE JUDGES?

By Dollie Wall

Much could be learned and much pleasure and knowledge derived, if all those interested in animals, especially dog breeders could attend a function such as the Chilliwack fair, to see how the boys and girls are taught and trained to handle and judge the cattle, horses, swine and poultry.

At such a judging contest each contestant judges the animal in accordance with his or her interpretation of the breed standard, the examiner in turn after making the awards gives an oral illustration of the work required.

To thoroughly familiarize the pupils with all points of the animals, showmanship classes are held, and the judges of these classes after making their awards again orally describe the requirements of the work.

At this fair one could see youngsters in their early 'teens exhibiting draft horses, light horses, cows and calves in the various judging rings. These children are taught the principals of livestock breeding and exhibiting which is a tremendous contribution to the livestock industry.

Among the many fine trophies offered was the W. H. Pym trophy, awarded to the boy or girl for the grand aggregate total and when presenting this trophy the donor said: "You have been the winner of this trophy by feature of having secured the highest aggregate of points in the judging contest just concluded, you have demonstrated that education with application fits one to be a genuine authority on any chosen subject."

Here we are dog exhibitors knowing what is taking place in the other breeds of livestock and make no effort whatsoever to educate our young exhibitors, so that they may in time become competent judges. All this goes to show that the old saying "judges are born not made" is just a silly myth.

# Alberta Field Trials

By H. P. Saunders

The second Annual Retriever trials were run off September 10th, sponsored by the Alberta Field Trial Club and under the jurisdiction of the Canadian Kennel Club. Mr. Bill Fisher and J. M. Miller of Calgary officiated as judges and convinced the crowd turned out to see the different events, that they well knew how to pick out the winners. Both have had a lot of practical experience along that line.

The large crowd that turned out were all of the opinion that the different dogs covered themselves with glory.

It has now been agreed that the trials for 1945 would be run a little later in the year so that the pheasants could be used.

The winner of the open all age Retriever stake was the black Labrador, "Black Nights Belle", bred by that outstanding Labrador specialist, Sgt. Joe Murphy of the R.C.M.P. Trochu, Alberta, and owned by Chevrier & Coltart of the Avondale Kennels. This dog was handled by Jim Lowther of Glenmore Kennels and gave a marvellous performance. She is sired by Ch. Dusky of Wetmore, a real producer of show and working Labradors. Chevrier & Coltart have many dogs to draw from and they are breaking a lot of well bred dogs, both at Calgary and also at Brooks, Alberta.

## Registered Beagles FOR SALE

13" male, Harkaway Rocky Larkspur, 3 years old. Sire—Arcadian Actor, Dam—F.T. Ch. Harkaway Fan. All day hunter, loves the gun, voice like a lion, fine looker. Two seconds at Annapolis Valley Dog Show 1944. Priced to sell \$100.00

Registered litter, 3 males, 2 females, whelped June 27th, 1944. Ready to start this fall. Sire, above dog. Dam, 13" stylish true gun bitch, a hunting fool imported from Masterly Beagles, Wisconsin. 10 champions in four generation pedigree. A good buy at \$35.00 each.

Also registered litter of only two males whelped August 26th, 1944. Sire—Dual Champion Seibold's Na-Bob. Dam—Quinter's Gertie, 13" Rob Roy bitch. Took two firsts at show. Two years old and has three places at A.K.C. Sanctioned trials. 4 generation pedigree of these pups shows 4 dual champions, 10 fd. champions, and 2 show champions. Here's your chance to buy a high pedigree male at only \$60.00. It is rare that stock of this breeding is offered for sale, had they been females I wouldn't sell at any price.

Middleton, N.S.

Second prize in this event went to "High Peak Barndale" a Labrador, owned by Dr. Maxwell of Calgary. This dog was handled by Jim Lowther, and he also gave a great account of himself. He is a grandson of Ch. Dusky. Third prize was captured by that consistent winner, a golden Labrador named "Chum" and handled by the renowned sportsman, Frank Harvie of Calgary. This dog was bred by Dave Blacklock of Turner Valley. Chum is a credit to his breeder and owner. He is the kind of dog that never misses a wounded or running bird. He proved a very popular dog with the gallery.

A Chesapeake female, owned by Bill Hedley, did some marvellous work. Her name is "Blondie" and she will be heard from again.

The puppy class proved a very interesting event and was won by a yellow Labrador bred by Dave Blacklock, and handled by Mr. Connacher of Calgary. This pup is a good one and if I don't miss my guess, she is top timber when she matures. That man Connacher certainly is a wonder with Retrievers, but he also had grand material to work with—her name is "Golden Gift".

Second prize was won by a golden Retriever, "Jennie", owned by Fred Currie. He also had the honor of breeding this one. She is a beautiful dog and a born Retriever. Her owner had her working at a very early age.

Third prize was won by "Jeff", a golden Retriever owned by Them Kjar. Jeff is a little brother to the second prize winner. Both owner and breeder are very proud of the performance put up by their dogs. All the pups in the contest gave a good account of themselves, and it is to be hoped that when another trial rolls around they will be on hand to make the contest very interesting.

In the open Spaniel class, Don Kenny captured the high honors with "Flash", a daughter of "Jimmie of Inver". Flash has everything required. She has style and, as her name indicates, flash all over. Watch this one next year.

Second was "Birkley Tex", owned by Mr. Ferguson. This one captured the puppy stake and made a great performance.

Third was awarded to "Ness of Avondale", owned by Vic. Grainger. Vic. has won more field trials than most people and he always puts his dogs down in the very best of shape. Ness has just raised a big litter of pups sired by "Jimmie of Inver" so keep your eye on her for another year. Also remember this, the sire by her litter is a producer as well as a worker so the

issue will be well worth while taking into account next year.

The puppy class was won by Ferguson's "Birkley Tex" with a sensational performance.

Second prize was won by Bill Headley's "Betty of Rockyview". She is a sweet worker and will be a top-notch. Bill knows how to handle and develop them.

Third prize was won by "Gladholm Princess", owned by Doral Pilling of Calgary and handled by her owner. She is a good one and did her work really well. All the Cockers pleased the gallery and everyone is looking ahead for the next contest.

Mr. and Mrs. Roe of Red Deer, Alberta, brought out a marvellous Golden Retriever. Their dogs are contesting events all over the continent and are winning everywhere they go.

The Retriever section of the club are to be congratulated on the manner the different events were handled. The contests were very keen and each dog worked very well indeed.

The judges were very accurate in all their decisions.

I do hope that Edmonton and other places will soon put on a Retriever and Spaniel trial for there are a great many dogs that would be there to assist them and a great many owners express their willingness to take part.

I know that next year we can count on a great many outside entries.

Your scribe has been under the weather for five weeks and has been compelled to leave the writing of the Medicine Hat, Calgary and Edmonton shows until next month, so with your kind permission I will be on hand then with full particulars. I do so want to tell you of the grand win made by Dave Quilley with his English Cocker bred by Seafeld Grants of Edmonton.

# Saskatoon Field Trials

By Arthur G. Goddard

The second Annual Field Trial for Setters and Pointers staged by the Field Trial Branch of the Saskatoon Kennel Club on September 3rd and 4th proved to be the most colorful and successful event of its kind ever held in this part of Saskatchewan. The trials were run under the C.K.C. rules and it was interesting to note that the majority of the dogs competing were registered in the C.K.C. Stud Book.

R. L. Orge, the President; Newton C. McGregor, Secretary, together with members of the various committees, had everything running like clockwork. Not a hitch occurred during the two days of continuous action.

Judges were Ernie Howe of Baldwin-ton, Saskatchewan, known internationally as an authority on bird dogs and game birds, working with E. L. Usher and Arthur Goddard of Saskatoon.

Mrs. Pat Randall, probably the most versatile member of the fair sex connected with the sport in Canada, occupied the Field Marshal's saddle and was complimented by the judges for the efficient manner in which her duties were carried out. Pat was a few jumps ahead of the gallery throughout the trial.

The many friends of Dr. Margaret French will be pleased to learn that this good fancier is still as full of enthusiasm as ever. Wherever doggy folks congregate around these parts there you will find this "life-long friend of man's best friend". We noticed her at the Field Trial joining in the fun and really "riding to hounds".

Yellow stubble, dotted with stooked grain, carpeted the courses. Game birds were plentiful, especially prairie chicken and Hungarian partridge, while a few crafty rink-neck pheasants were also encountered.

We arrived at headquarters early Sunday morning to find a scene of much activity. Automobiles, dog wagons and saddle horses filled the farm yard. An office, established in a tent under the maple trees, was in charge of Mrs. H. Beavis, who, it was rumored, told fortunes on the side.

A model "T" Ford, open to the four winds, came rattling up the trail, coming to a stop close by. A lightly built Pointer was observed sitting in the front seat alongside the driver whom I recognized as Albert Uebele and whom I had met at the trials a year ago. "You stay there Lightning" I heard him command the dog as he stepped from the car. "Lightning?" I said to myself, "I wonder".

The tang of fall was in the air and the sun, still low, cast long shadows behind the stooks as we rode along the trail to the starting point.

## Puppy Stake

"Paddy of Ardee", an Irish Setter, sire "Elmcroft Red Ace" ex "Gallant

Lady of Ardee", owned by G. H. Huckle and handled by H. Dean, was placed first in an entry of ten puppies. This rangy youngster showed plenty of promise. "Ermac's Freckled Nell", C.K.C. 188165, English Setter, owned and handled by N. C. McGregor, won second place. Not as wide-going as the red pup, she was just a baby that really went bird hunting. Third to another English Setter, "Lansdowne Chip", owned and handled by J. H. Mahoney. Another puppy that showed promise.

## Shooting Dog Stake—Twelve Entries

First, "Rap's Saskatoon Duchess", C.K.C. 184496, a flashy, liver and white Pointer bitch, owned by Mrs. R. L. Orge and handled by Ralph Orge. Duchess excelled as a bird-finder, having four finds in the thirty minutes she was down. Steady to flush and shot and under perfect control at all times. Her points were made with snap and style that left little to be desired. In second place, "Mendels Soda", liver and white Pointer, little sister to the first placed dog. "Soda" carried a little too much weight. Had two finds, one on pheasant and another on Hungarian partridge. Handled by F. Van Impe, she was steady to flush and shot. Third to "Topsy", English Setter bitch, owned and handled by E. H. Butterfield. A fast stylish going dog.

## Amateur All Age Stake—Eight Entries

Another liver and white Pointer, "Rip Rap's Michey", C.K.C. 184495, took top honors in this event, Charles Watt owner-handler. A bird-wise dog if ever there was one, his handling of a covey of Huns on the edge of the stubble was somewhat of a revelation to many in the gallery. "Mickey" had four finds in all and displayed perfect manners when the gun was fired. In second place, "Ab's Lightning", C.K.C. 185219, liver and white bitch, owned and handled by A. W. Uebele. "Lightning" took in all the territory, had one find, a covey of Huns and was steady. "Hansom", English Setter male, owned by Brigadier Trudeau and handled by Sgt. Major Roy, placed third. This dog demonstrated that he possessed a choke-bore onse, had several finds on both chickens and partridges, was steady under fire. Lacking in pace to the dogs placed above him.

## Derby—Eleven Entries

A classy, lightly marked, liver and white Pointer bitch, "Nu-Jene's Lindy", C.K.C. 185332, owned and handled by T. M. Guytar, led the parade in this event. Sent away in the first brace, "Lindy" really reached out, showed excellent pace and was bird hunting all the way. With seconds to go she made her find, snapping into point on a

covey of Huns. The birds were in short grass on the top of the knoll. "Lindy" really styled up on this one. "Rap's Saskatoon Duchess" ran another good race and was a worthy winner of second place, "Ab's Lightning" being placed third.

## Open All Age

With thirteen entries, the running of this stake saw some of the best run and most hotly contested heats of the trial. Sunday the weather had been really hot with brilliant sunshine all day. On Monday, however, long hanging clouds appeared rather foreboding and just as the first brace of dogs was sent away rain started to fall. For two hours it continued and birds proved difficult to find. Then a break appeared in the clouds, the sun broke through and conditions were ideal for the remainder of the day.

"Ab's Lightning" down in the first heat had created a most favorable impression. Covering the course with speed and purpose, she "nailed" a covey of Huns in a weed patch on the open prairie and had really shown class. So this dog was called back to run a second series, braced with the bye dog, the English Setter "Topsy".

The course for this heat started near the farm house, running directly south on open prairie over a valley stretching for a mile or more to the banks of the Saskatchewan River. Here it turned westward across a gully, dotted with popular and willow bluffs, to the stubble beyond.

A large gallery was on hand as the dogs got away like greyhounds from the slips. As they separated the Setter swung to the west with the Pointer making a wide cast to the east. The pace was really HOT. Butterfield was handling the Setter to perfection and "Topsy" moved with style as she crossed in front, head high and tail batting the breeze. "Lightning" now appeared in front, then reached out to the west with "Topsy" far to the east. Again they crossed in front. The little Pointer was really bird hunting. Every likely spot was given the "once-over" Uebele, mounted on a raw-boned broncho, was carrying a long stick, this he used alternately to urge his steed to greater efforts and to wave it high above his head as a signal for his dog to turn. "Lightning" never once failed to respond. Some of the gallery were now far behind. Uebele appeared to be in trouble, one of his stirrups was seen to be dangling, the tail of his blue shirt was fluttering in the breeze. Still he managed to raise his stick as a turn in the course was reached. Down into the gully now. "Topsy" stylish as ever in action, made a cast to the north racing up to a bluff directly in front. Horses were reined up as a point seemed eminent. For seconds the Setter hesitated, fateful moments they were

too, as "Lightning" came streaking in from nowhere, on past the doubting "Topsy" and "Bingo" she had 'em, the Setter failing to honor. Leading the broncho, Uebele entered the bush ahead of his dog and one after another five prairie chicken fluttered out through the trees, his "whoa Lightning" seemed entirely unnecessary as the Pointer never moved. On across the fully, "Lightning" was dynamite. "Point" called Uebele. The gallery had caught up and all rode in close to see the Pointer again locked up tight by a small clump of willows. Then something unusual occurred. A lone prairie chicken was seen flying straight towards the spot where the dog was pointing, passed within inches of "Lightning's" head and landed within three feet of her nose, from whence it strutted sedately into the underbrush. "Lightning" never batted an eyelid. Butterfield was on foot now endeavoring to inspire confidence into his Setter as several chickens flushed from the stubble ahead. Then Uebele and his broncho walked in again. This time eight chickens arose from the willows while the Pointer again behaved perfectly. Uebele had barely climbed back into the saddle before "Lightning" had again found game. This time a single chicken and thus a story-book ending to a well contested race. "Ab's Lightning" was placed first.

Second place went to "Saskatoon Lady", C.K.C. 183590, liver and white Pointer, owned by Mrs. R. L. Orge and handled by Ralph Orge. "Lady" ran one of her best races, covered the course well despite the sticky going. With two minutes to go she made a stylish point on a covey of partridge, with "Buster" her brace-mate, backing the find. Both dogs proved to be steady to the shot. "Lady" then had a "stop to flush" on another covey of Huns that flushed wild. "Topsy", the English Setter, won third place for her owner, E. H. Butterfield.

### AMERICAN SPANIEL CLUB SPECIALTY SHOW

To Be Held January 6th-7th, 1945

The judges for the twenty-eighth Annual Specialty Show of the American Spaniel Club to be held on January 6th-7th, at the Hotel Roosevelt, New York City, were announced by Mrs. Waln Morgan Churchman, Chairman of the Show Committee, today. In making the announcement, it was also pointed out that for the greater convenience of exhibitors the 1945 dates have been scheduled on a Saturday and Sunday. This is a departure from previous years when the Club held its shows on a consecutive Sunday and Monday.

Mr. William A. Price of Toronto, Canada, will judge the American Cocker Spaniels, as well as the Puppy Futurity Stake. Mr. Robert McCandles of New York City, will judge English Cocker Spaniels. Mr. Maxwell Riddle of Cleveland, Ohio, will judge Springer and all other Spaniels, and the Hon. Townsend Scudder will select Best in Show. Due to the popularity and success of the Obedience Classes and the Children's Handling Class, which were held for the first time last year, they will be repeated at the 1945 show. Mr. Katherine E. Wellman of Topsfield, Mass., will judge the Obedience Classes and Mrs. Allan A. Ryan of Rhinebeck, N.Y., will judge the Children's Handling Class.

The Show Committee is working on an interesting program which will be of special interest not only to owners of Spaniels but to anyone interested in dogs of other breeds.

# INT. CH. DOWNSVIEW DOLPHIN

Kerry Blue Terrier imported from the famous Downsview kennels in England by Cliff Tushingham, has been purchased by Mrs. D. S. Macnab of Calgary. Dolphin has made some phenomenal show wins in Canada and the United States, holding the record for Canada's outstanding Terrier of the year. In addition to many Best in Show awards, Dolphin has sired champions, including Ken Robin of Killalla. In addition to Dolphin, Mrs. Macnab purchased some young Kerry Blue Terriers from the Kindon Kennels and the Kenmare Kennels. While these purchases are a great loss to the Ontario breeders, they will enrich the Alberta field, as these Kerries represent the cream of the Kerry breeding of today. Mrs. Macnab has bred many good Kerries, and owned Camargh O'Shoorn, the only Kerry to place over the Dolphin on the Western circuit last Spring. The addition of Downsview Dolphin as a stud force will prove of benefit to the Western breeders, where distance is so great a handicap.

## ALBERTA NOTES

By H. P. Saunders

That well-known black bitch, "Sweet Molly O'Windsor", whose name has so often been in the Saskatchewan notes column, will in future appear in this column, she having been purchased from Mr. W. A. Childs (Rockcroft K's) of Saskatoon, by County Clare Kennels (Reg'd.) of Calgary, Alberta, Canada (Cockers ONLY).

These recently-registered kennels are operated by ex-Staff-Sergeant C. P. O'Brien and his wife. "Staff" O'Brien, recently discharged from the Canadian Active Army after 56 months service in this war, is also a veteran of France and Belgium in the last

He candidly admits that both he and his wife are novices in the dog-game, but they are willing to learn from anybody, anytime, anywhere. They have set themselves a standard of achievement which might have been based on a recent utterance of the Hon. Townsend Scudder who said: "There is joy and satisfaction in producing a good dog." Their aim (as expressed to me) is "to do anything in our power toward the betterment of the American Cocker Spaniel breed in Canada."

I must say they are moving in the right direction. This week they shipped their first export-puppy to Oak Park, Illinois, and they recently purchased in the U.S. a solid black granddaughter of that famous Dual Ch. Miller's Esquire, C.D.X., and are having her bred back to that grand-sire before importing her to Canada.

Should this mating result in a litter—and here again they are not "counting their chickens before they are hatched"—the progeny would, on a five generation pedigree-form, show no less than 33 of the 62 names which appear as being prefixed by Ch. or Dual Ch., there being two of the latter, Miller's Esquire and My Own High Time. Esquire, as is probably known to most students of Cocker pedigrees has an UNBROKEN string of EIGHT successive Champion sires directly back of him.

The dam is by Miller's O'Henry, a 13-point dog and a son of Esquire.

I am convinced of the sincerity of purpose of these self-styled "Novices", not only by the foregoing moves, but by the fact that they have pledged that (with the exception of one puppy which they would keep for their own future use) every puppy of this litter, if it materializes, will be publicly offered FIRST to registered Canadian Kennels ONLY for a period of 30 days from date of advertising, and not more than one pup will be sold to any one Province. Positively no offers from out-of-Canada breeders will be considered during that 30-day period. This appears to me not only a sincere effort toward the betterment of the breed in Canada, but a wisely-thought-out effort to spread any such benefits across the Dominion.

They already own "Brian Boru of Rockcroft", a ery typey 18-months'-old solid black male sired by Ch. Chimney Sweep's Roamer (He B.I.S. Toronto in 1942). This young dog has very massive bone, a nice, bright, flat coat and loads of feathering, a marvelous gait with the unusual faculty of always coming to rest in the "posed" position so much sought after by dog-photographers. He is bold and fearless, utterly oblivious to gun-fire-noises and has an excellent nose, retrieving to hand consistently.

I am certainly going to keep an eye on the success or otherwise of this new venture. Nor would I advise anyone to be too hasty in discounting these beginners, for the day the King and Queen visited Calgary (May, 1939) Staff O'Brien began a hobby of collecting Postal Cancellation Marks. Began it from Zero, with one Royal Visit cover. To-day he is reputed to possess Canada's largest and most completely mounted, classified and indexed collection of over 50,000 specimens from over 15,000 places all over the world. He tells me, and I quote: "I always aim to do Any job just a little bit better than it was done before." Personally, I wish them success.

## MARITIME NOTES

By Geoff Ryder

Last month, in an effort to give you as full a report of the Maritime Circuit, I am afraid that I left unsaid many things that I should have said had space permitted me to do so, and so this month I propose to speak briefly of the performances of some of our Maritime dogs, and I trust that the owners of those dogs will understand why I couldn't give them the notice I would have wished to give them before.

There were many outstanding wins at the Halifax Show, but none more so than the brilliant showing of Mrs. Detmold's English Setters. "Spruce Kennels" invariably have a string of top ranking dogs that are always fearlessly shown and this year Mrs. Detmold carried all before her, taking Winners Dog with Heathermedes Golden Dawn, a beautiful dog bred by Jim Hamilton-Catty, and Winners Bitch with one of her own breeding, Spruce Sunmaid, another beauty. But I really think Mrs. Detmold got the most satisfaction when Jim Hamilton-Catty took the Best of Breed ribbon with his glorious bitch Ch. Spruce Solace, bred by Mrs. Detmold. Mrs. Detmold also created much interest with her Brittany Spaniel, Nanette of Loufel, and the last one of a recent litter out of this sweet little bitch was sold at the show to Dr. Clyde Marshall of Halifax. Another very notable win was by W. R. Chidley's recent acquisition, a very outstanding Wire Haired Fox Terrier bitch, Edswyre Tip Toes. This youngster, bred by Ed. Thompson and superbly handled by George Ward (Ted's soldier son), went through from Senior Puppy to Best of Winners, beating some real good ones on the way—we shall hear more, much more of this one, and I am told that a very interesting mating is contemplated for her. I have not the official return of those dogs that completed their championships on the circuit as yet, but here are a few of them. A. T. Johnson's Saint's Rest Righto; Mrs. Johnson's Hagerty's Fascinating Lady; the Hon. L. D. Currie's Welsh Terrier; Strathglass Craig's Busty; Mrs. Madden's Welshie; Tidal River's Ajax; Jack Sheridan's grand Parti-Color, Bobb's Chief Glooscap; and Leo Driscoll's Solid Black bitch, Sheridan's Blackout. It was a very pleasant sight to see "Ike" Miller's son following in his father's footsteps, and handling his own nice little Cocker bitch, Miller's Roxana, like a veteran. It was also very gratifying to see such a nice class in Manchester Terriers, the interest in this attractive breed has apparently lagged during recent years and it is good to see that it is being revived. A recent importation by Maj. C. V. Colwell, Grenadier Epauette Again, cleverly handled by Jack Burns, took the breed ribbon. Before I tell you of some interesting sales and arrivals during the month there are a few words of thanks that are very decidedly due that were left out last month and so may I now offer the Club's very sincere

MY SKIN IS SORE - MY COAT IS BAD AND I FEEL TERRIBLE - HOW DO YOU KEEP SO SLEEK, COCKER?

I HAD MY DAYS OF SKIN TORMENT, TOO - BUT NO MORE - I GET REX OIL IN MY FOOD NOW

## REX OIL SUPPLIES UNSATURATED FATS ESSENTIAL TO SKIN HEALTH

Don't let your dog suffer the agonies of eczema and the torture of itchy, scaly skin that comes with this disease. Instead, add a few drops of REX Wheat Germ Oil to his food daily. REX Oil is over 50% unsaturated fats, the skin vitamins that promote healthy skin and

coats of excellent bloom, sleek, glossy and free of dandruff or scale. Dog foods are apt to lack unsaturated fats, so take no chances. Add it yourself by dropping a few drops of REX Oil on the food each day. It tastes good to dogs and results show quickly.

## REX OIL ENDS BREEDING TROUBLES

For more than ten years Rex Wheat Germ Oil has been proving its value in helping organically right dogs overcome slowness to mate, absence of heat and similar breeding troubles. Rex Oil feeding results in bigger and stronger litters.

A four ounce bottle costs only \$1.25 and will last six months. Try it today.

thanks to the energetic Trophy Committee, Ed. Turner and Bill Chidley, who worked long and hard in getting together the very beautiful trophies that were awarded to the winners; to Jim Whiteley, the Show Superintendent, who overcame many difficulties in arranging and improvising benching for 180 dogs, and also for his generous gift of cut flowers; and also to Jack Burns for making the attractive breed card you noticed on the pens. And now to the new arrivals. First of all I have an item that has a double interest. We have not seen the one and only Roy McKay at the shows with his favorite Bostons for sometime. True we saw him in the ring with a Cocker this year but somehow he didn't look right, now did he? Well I hear that his good bitch, Saint's Rest Highland Missy, has recently presented him with a very nice litter sired by Ches. Gregory's Ch. Lipe's Royal Kaye, three males and one bitch. Let us hope to see him with one or more of them in the ring next year. Another of the old Boston guard has also got a nice litter: Jack Higgins has in his kennel one male and three bitches out of a bitch he acquired from Ches. Gregory, sired by his own Jack's Sigournay King. Fred Baker of Dartmouth has also got a litter out of one of his good bitches, three males and one bitch. I'll give you particulars of them another time. Anyway there is no shortage of classy Bostons for prospective fans to choose from. Tom Currie tells me that he has just got one of

the litter I spoke of last issue left for sale. He is keeping a dog for himself. Tom says that he is a "Corker". Three of the dogs have gone to new homes, one to Bruce McCrae and Stan Jones of Marbruken Kennels, Toronto, one to Lieut. Park, R.C.N., and one to Mr. L. W. Currie of Annapolis Royal, and a female to E. S. Tracey of this city. Just as I was going to close down for this time I hear that there are two more Miniature Pinschers coming to town. So long for now.

### A Memory

Several of the old hands remarked to me during that show that, "It seems funny not to see old Fred O'Connell at our show, doesn't it?" and I feel that there would be many who had that thought, but did not voice it, for we all miss him and thought of him. He would have been glad to know that the last dog he bought did so well throughout the circuit, winning his group in Charlottetown. He is now owned by that up and coming partnership of the Sawler Bros., Owen and Harold, and was handled all through most effectively by Jack Fry.

## MANITOBA GOSSIP

By Alex Gostick

Looks like we have to start our column on a sad note this month. Charlie and Bobbie Jopling lost their black Cocker, Rokerside Marvellous, through an accident right after the recent Fort Garry show. This was a smart little dog with a career already started and we have a slight idea of what this loss means to these folks, both are ardent dog lovers and we are sincerely sorry.

Remember we told you in the spring, about the Cocker, Manitoba Masterkey, going into training and the great strides he was making, this little dog non-deplumed "Gunner", absorbed about all the training any dog could in one summer and loved every minute of it. He had the heart, the brains and the energy of a dog five times his size. He died the other day and we sustained something of a personal loss as a result, we had been associated with him throughout his training period and had enjoyed every moment of the contact.

### "GUNNER"

A pal of ours has beat the gun and drifted out of sight,  
We'd planned to have him work close in and thought we'd trained him right,  
But he must have somehow missed the course or gone too far afield,  
He'd always heed the whistle and come when he was heeled.  
Maybe there wasn't game enough to have him stick around,  
Maybe he'd heard them tell about another hunting ground.  
No matter what his reasons were, no matter where he went,  
We know he'll find good hunting and covies full of scent.

We said last month that we'd like to chat a bit about representation. In February, through the medium of collective effort and at the instigation of our Western Vice-President, Bill Pym, we were successful in getting more say in the Government of the Kennel Club for our Western members by the process of having mailed to each Director an advance agenda on matters coming up for discussion. This has proved to be a step in the right direction, although it has not been to our idea, a complete answer to improved Government.

All of you have heard and read about the "Swan Song", the tabooed Farewell Party, the Publications Committee and its resignation and latterly an attempted explanation by Mrs. Brown and finally hot off the griddle another overnight resignation. These matters are all of Ontario origin. Maybe they originated in the interests of sincere government, maybe they had a political angle, in any case they were not of your Western Directors making or condoned by them and yet outside Provinces with no knowledge of the reason but an interest in the result are never the less affected by whatever political friction takes place at the seat of Government.

### CHAMPION MERRYMAN OF WARWICK

Best in Show, Cocker Spaniel Club of Central Ontario Specialty Show, held in Toronto, October 7th, 1944.

What's the answer . . . We're not too sure ourselves . . .

Your Western Directors have high regard for Vice-President Pym's executive ability. We have found him clear minded, well informed, definitely unbiased and above all progressive, but we doubt if full use is being made of these accomplishments so far as matters pertaining to the Kennel Club are concerned. We would be far happier had we the knowledge that he was being fully consulted on ALL matters which might have a bearing on our interests in the Canadian Kennel Club, INCLUDING OUR OFFICIAL ORGAN. We are deprived of QUANTITY representation by present legislation, we should not be further penalized by failure to make full use of the existing QUALITY representation at our disposal.

### FLASH

Saint's Rest Easter Bunny Wins  
Best in Show

Mrs. Dorothy Schelling added another victory for the Saint's Rest Kennels when her smart female "Saint's Rest Easter Bunny" was placed Best in Show at the Boston Terrier Club of Toronto Specialty Show in Toronto on

October 7th. Mrs. Crawford Massey, of Richmond, Virginia, was the judge and her impressions were as follows: "It has always been my impression that one could slip over to Canada and put over a champion very easily. After judging this show, I would like to say that at no other show over here have I seen finer quality than I did at Toronto. So—this was a very wrong impression. The one thing that was most evident to me as the day went along was the fact that Canadian breeders are getting good feet and limbs on their Bostons. That has been sadly lacking in this breed.

I would like to give an orchid to Mrs. Firman as President of this fine club. All through the day, the nice banquet and to the end she lent an air of dignity. It was most obvious that that she would be hard to replace."

### CANADIAN AND AMERICAN CHAMPION AFGHAN WINS BEST IN SHOW

Int. Ch. Rudiki of Prides Hill won his 11th Best-in-Show at the Quebec City event Saturday, Oct. 14th, Mr. W. W. Rooney of Montreal judging.

This leading Afghan's wins to date include: 74 Best of Breed, 70 times placed Group, 40 Best Hound and 11 Best-in-Show.

Other news items from this kennel include the fact that Rudiki's son, Ch. El Mio Zabu of Five Mile (subject to A.K.C. approval) has completed his championship and that Ch. Maharanee Kohibaba trained this summer in obedience by Mr. Harry Gromer, has been awarded her C.D. Degree as Companion Dog and has been doing brilliant work. Ch. Maharanee Kohibaba's qualifying scores were completed in two weekends with the following: 96%, 93%, 89½% and 89%.

Ch. Yenghiz Khan of Five Mile, being shown on the midwest U.S. circuit by Wm. Adair won 6 hound groups in September and in early October was best Hound Milwaukee where he was seriously considered for Best in Show; also best Hound both Columbus, Ohio events October 14th and 15th. Khan, litter brother of Ch. Asri Havid II of Five Mile, has annexed two Best in Shows so far in 1944.

### PACIFIC NOTES

By Dollie Wall

Sandy Robertson of Edmonton, a well known breeder of dogs, was a visitor to the Chilliwack livestock show.

Pat Brennan of the R.C.A.F. and a well known breeder of Bostons was in Vancouver for a few days spending his leave and visiting with his mother. Pat was looking very well and we enjoyed our all too short visit with him.

Mr. Harry Saunders, C.K.C. Director of Alberta, passed through Vancouver on his way to judge a show in Sacramento, California.

A new association has been formed under the name of "Capilano Dog Breeders Association" and are now making plans for a show in January. We wish them success and good luck.

Many new dogs have found their way to the Pacific Coast in recent months. A new breed for here is the Brittany Spaniel. Western Higbie has already imported five with more to come, he informs me they are a marvellous dog to shoot over and an all around good hunting dog. Grant Mahood also has one of these Brittans and acquired another young one from Mr. Higbie. Mr. Mahood has a very beautiful Boxer he imported, "Maizelaines Frong Page", and in his kennel will be found a Golden Retriever. She is only a youngster and just appeared at her first show at the coast. W. R. Willgress, well known breeder of English Setters, also has some of these Brittans, he was one of the first to bring them in. Vic. W. Williams too has one which came from the east. These dogs are gaining very rapidly in popularity for hunting and the show ring.

Alberto Principe is another fancier for this ever growing popular Spaniel, he has at the present time several of both sexes. I believe he was about the first fancier to bring these dogs into British Columbia.

Another of our well known sportsmen of Vancouver, W. T. Billy Oates, has brought in many fine Cockers of the leading U.S.A. bloodlines also some from Eastern Canada, he tells me he too is bringing in a Brittany. Mr. Oates has recently purchased a beautiful new

home and ten acres of land just outside the city limits and plans are now complete for the most modern boarding kennel in Canada.

Next month we will resume our report on new dogs imported into this Province by our ever growing list of breeders and fanciers.

Vancouver dogs gave a good account of themselves at the prairie shows. Mr. Vic. Williams of this city judged the Medicine Hat show and returning to Calgary picked up a string of dogs shipped from here. The ever popular handler piloted most of these dogs to positions of honor. Mrs. Jean Williams Kerry Blue "Kilderry Dolphinet" went best Terrier and Reserve Best in show at Calgary and went to winners at Edmonton the following week. Her English Setter, Ch. Shiplake Navigator, was Best of Breed and placed in the sporting groups at both shows at Calgary and Edmonton. Grant Mahood's Boxer went Best of Breed at both shows and created quite a sensation, being the first Boxer to be shown on the prairies.

### OCTOBER COVER

Last month we presented with pleasure Mrs. Wm. Constable of Boston, Mass., with her Scottish Terriers, International Champion Bothkennar Royal Scot and Ch. Murray Red Woodchuck, winning Best Scottish Terrier brace at the Ladies' Dog Club, Longwood, Mass., in 1943. Bothkennar Royal Scot was awarded Best Dog in Show all breeds at the New Brunswick Kennel Club Show, St. John, N.B., recently, under the judge, Louis J. Murr of Spring Valley, N.Y. He is a son of the imported Ortleby Ambassador and Ch. Bothkennar, and has the true characteristics of the breed.

Mrs. Constable is a well-known judge of all breeds and officiated at the Moncton Kennel Club Show, the day previous to the New Brunswick show. Having judged since 1907, Mrs. Constable has a thorough knowledge of pure-bred dogs gained from watching the breeds develop into the show dog of today. Perhaps her greatest thrill was as judge at the Scottish Terrier Specialty Show, Rye, N.Y., when she was presented with a record entry.

Wes. Higbie's brace of Brittany Spaniel also won all their classes. Miss P. Powles' black Cocker went winners female at both shows. Mrs. Dainard's English Cocker, Ch. Flashy Model, was placed Best of Breed, this dog was placed Best Sporting last fall at Edmonton and tried hard to again capture this position.

On the evening of October the 10th we again picked up our dogs and caught the good old steamer for Victoria to attend the show of the Victoria City Kennel Club. This show as usual drew a large entry, with a full house of spectators most of the day and especially so in the evening. Mervin Rosenbaum of San Francisco judging all breeds. Many of our older breeders and fanciers turned out for this show. Mrs. G. O. Alson, one of the oldest and longest in the dog game on the Pacific Coast, as usual turned up with a large string of beautiful canine specimens. This clever handler has attended most if not all shows out on the coast for many years.

## To the Members of the Canadian Kennel Club:—

Re: Mrs. Brown's letter to the Board which appeared in the minutes of the August 10th meeting. There are a number of what Mr. Winston Churchill calls "terminological inexactitudes", so I trust you will accord me the same courtesy and publish my reply.

1. The Palmer affair. I was under the impression *Dogs In Canada* was the property of the members of the Canadian K.C. and not the Directors and was to be run by the members for the members and not merely to voice opinions held by certain Directors who only permitted to be published what they thought was good for the members to know. In England we like to give both sides of every question and I merely acted in the tradition in which I was trained by giving Miss Stegall's opinion on "Lotteries for Dogs" as well as Mr. Palmers.

2. Mrs. Brown is very wrong in her facts when she says I called upon the President "many times previously to being engaged". When I came to Canada I thought *Dogs In Canada* about the poorest dog publication I have ever seen, and suggested to Mr. Brown I might be of use collecting news, etc. This was no reflection on Mr. Brown, whose hands were full as Secretary of the Club, and I suggested a nominal sum of \$10.00 or \$15.00, intending to be a free lance. I had previously been told that there was no chance of Mr. Brown going into the Service owing to some slight sinus trouble—information which turned out to be incorrect. No one could want a better colleague than Mr. Brown and during the few months we worked together everything was harmonious. To run the club and the magazine are two jobs.

3. I never offered to become editor at \$15.00 a week, such a suggestion after my long experience would be fantastic, it was as part-time assistant I named this sum and when Mr. Risewick said they would pay me \$25.00 plus 10% commission as editor I knew nothing about the tax reductions and thought \$25.00 meant that sum and not \$19.45. With reference to the commission, I said I would use this to go to American shows, my ambition being to make the paper an international one—and Mr. Risewick replied "that's splendid, you go at your own expense and we get the benefit". Incidentally, I spent much more than I got on my trips to the States and the paper did benefit as was shown by the Christmas number.

Perhaps if Mrs. Brown had to suffer the monetary troubles we English exiles—her compatriots—have had to endure, she would be a little more understanding over the financial question.

4. Mrs. Brown wonders how I put in so many long hours when I did not "have secretarial duties to perform". This remark savours of maternal jealousy as the mother of the last Editor and because the magazine made such progress. Frankly, the business side of the paper got me down. I've always been accustomed to having managers to attend to advertisements and all business matters and not being good at figures, the contracts, etc., were a great difficulty and made me put in many more hours work than someone differently trained would have needed. I was glad to know that after I left, the directors recognized the inadequate salary that I received and raised my successor to \$40.00 a week—thereby showing their knowledge of the amount of work required.

5. With regard to the libellous letter, it is immaterial to whom it was addressed, the Board ordered me to publish it. When it was handed to me I at once saw it contained a libel by innuendo and pointed this out to Mr. Strachan who was in the office, he rang up the club's lawyer to come across. Mr. Wilkinson did so and immediately said the letter was unsuitable for publication and actionable—I therefore did not publish it, with Mr. Strachan's full approbation.

6. With reference to Mrs. Brown's statement Mr. Strachan said he did not approve of my letter re Mr. Palmer in the December issue, I found on several occasions in the last few weeks of his life, my friend, Mr. Strachan's memory was not too good, for he was a very sick man. Not only did he never advise me to publish the letter or say if I did so there would only be one course left for me to do, i.e. resign, but he made considerable alterations to it. Happily, the original letter and his written corrections prove my statement.

7. With reference to Captain Waters' statement anent the non-publication of any report of the banquet given in my honor by members of the Canadian K.C., "... I want it understood beyond question I have never even seen ... the article in question", he and others will be interested in the following explanation: After the banquet the Acting Editor asked me if I would write my impressions of it, this I did, and the copy

was typed in the office. When Mr. Risewick rang me up that the Swan Song was not to be published, he suggested I fill up the page instead with the report of my banquet. I preferred to print Mr. W. J. Pym's article, feeling I would rather have the account of the honor accorded me in the first issue after I had left. Before leaving Canada on May 8th, I asked Mrs. McColl if she would send me a number of copies of the June issue as I wished to send them to England to show how the Canadians had honored me. Judge then of my surprise to receive a letter from her dated May 30 (not marked private) as follows, "You are going to be disappointed and I feel very keenly about it. The Publication Committee is Captain Waters and Mrs. Brown. Need I say More? The story of your banquet is out, the reason being that you thanked everyone in the May issue. You will note several complimentary remarks about you in the Provincial Notes. These were not censored, only the leading editorials."

8. I am at a loss to understand when in reference to my letter of resignation as a member of the Canadian K.C. it is stated, "it was agreed that the letter be acknowledged and that Mrs. Robson be advised that no monies are refunded in respect to membership". I made no request for any money to be refunded, I merely asked that my resignation be accepted as I did not feel that it was any honor to belong to a club controlled by certain Ontario Directors who had so little sense of the British idea of fair play as to order me to publish a letter which their own lawyer advised was libellous.

I hope soon to return to England, I want to forget the actions of those certain Directors and only take with me the happy memories of the many friends I have made in Canada and the good sports I have met. I believe there is a great future for Canadian dogdom. Canada is a grand country—full of grand people, and if I can be of any assistance to any of the Canadian doggy folk I hope they will let me know. As Mrs. Brown says, "hoping better spirits may prevail amongst us", after all, we have a great bond in common—our love of dogs.

Yours sincerely,

Sg'd "Phyllis Robson".

It was moved by Miss Mayhew, seconded by Mr. Reeves, and unanimously carried:

"That the applicants be received as members".

## Passing on Applications for Kennel Names

The following applications for Kennel Names were considered:

Alberta—J. H. and Mrs. Tanton, Edmonton, Alberta.

Archdale—David Arch, Ottawa, Ontario.

Dunbrae—Mrs. John J. MacDonald, Dunnville, Ontario.

Eden—Maude L. Jodrey, Bridgetown 4, Nova Scotia.

Elm Grove—John J. Chernick, Elm Creek, Manitoba.

Kayo—S—J. C. Ingersoll, Aldergrove, British Columbia.

Keneva—K. A. Ross, Fort William, Ontario.

Kenton—Wm. and Blanch Smith, Naseby, Saskatchewan.

O'Shoorn—A. L. and Mrs. Minet, Vancouver, British Columbia.

Thunder Bay—Thomas Wilfred Wright, Fort William, Ontario.

Traymore—Alice G. Hunt, Toronto, Ontario.

It was moved by Mr. Gudgeon, seconded by Captain Waters, and unanimously carried:

"That the kennel names applied for be granted".

## Passing on Applications for Show and Trial Dates and Judges

October 11th—Victoria City Kennel Club.

October 14th and 15th—Hamilton Beagle Club.

It was moved by Mr. Gudgeon, seconded by Mr. Reeves, and unanimously carried:

"That the applications for Show and Trial Dates be granted, and the list of Judges approved".

The Secretary read a letter from Mr. Bruce McRae on behalf of his partner, Mr. Stan. Jones, and which he asked be shown to the Ontario Directors. Mr. McRae suggested that in view of the cancellation of the wins of the Winners Dog (solid color) in Cocker Spaniels following a protest lodged with the Progressive Kennel Club, their dog which had been placed Reserve would

receive the points allocated to the Winners Dog. They felt that their dog was not entitled to these points and would be looked upon as a cheap champion. The Board, however, agreed that in accordance with the Dog Show Rules, chapter 15, section 11, the Canadian Kennel Club had no alternative but to declare the Reserve Winners Dogs now Winners Dogs.

The meeting adjourned at 9.30 p.m.

#### THURSDAY, OCTOBER 12th, 1944

The regular monthly meeting of the Board of Directors of the Canadian Kennel Club, Inc., was held in the Board Room of the Club's Offices, 25 Melinda Street, Toronto, on Thursday, October 12th, 1944, at 6.00 p.m. The President, W. J. Risewick, presided. Officers and Directors present included: Walter H. Reeves, Mrs. E. Brown, Miss A. Elsie Mayhew, W. P. Gudgeon, and Captain H. Dudley-Waters, M.C.

#### Adoption of Minutes

The adoption of the minutes were then proposed by Captain Dudley Waters, and seconded by Mr. W. P. Gudgeon, and unanimously carried:

"That the minutes of the meetings held on September 14th and 25th be approved."

#### Editor

The following telegrams have been received:

"Many members East and West demand Mrs. McColl be retained as Editor pending review of entire situation by complete Board and I urge this action.

W. H. Pym."

"In view of facts at hand regarding Editorial situation suggest McColl be retained as Editor until such time as facts are reviewed by Board.

William Semple."

"Maritime members strongly protest any change of Editor at this time demand that the matter be held in abeyance until a full meeting of the Board shall decide what action be taken regarding resignation of Mrs. McColl.

Ryder Maritime."

"Must insist Editors resignation be denied pending complete investigation. Alec Gostick."

After the above telegrams were read, Mrs. McColl was called to the Board Room, and the President asked her "if she had resigned or whether she was dismissed," and she replied that "I resigned orally, but not in writing."

Captain Dudley Waters then asked Mrs. McColl whether she still denied writing to Mrs. Phyllis Robson stating that he and Mrs. Brown had kept out the report of the Banquet. Mrs. McColl said that she had not written Mrs. Robson stating that Capt. Waters and Mrs. Brown kept the report of Mrs. Robson's banquet out of the magazine. Capt. Waters then produced photostatic copy of a letter written by Mrs. McColl to Mrs. Robson which reads as follows:

"You are going to be disappointed and I feel very keenly about it. The Publication Committee is Captain

Waters and Mrs. Brown. Need I say more! The story of your Banquet is out, the reason being that you thanked everyone in the May issue. You will note several complimentary remarks about you in the Provincial Notes. These were not censored, only the leading editorials."

Mrs. McColl admitted the letter was written by her, but refused to explain what she meant by the "Publication Committee is Captain Waters and Mrs. Brown, need I say more."

As the time was very late Capt. Waters and Mr. Gudgeon left and the President adjourned the meeting until Tuesday, October 17th. The Board agreed that Mr. Reeves should be paid an honorarium of \$100.00 for his assistance in the office for two weeks during Miss Corley's absence and also extended to Mr. Reeves their thanks.

#### TUESDAY, OCTOBER 17th, 1944

The meeting of the Board of Directors of the Canadian Kennel Club, Inc., held on Tuesday, October 12th, 1944 and reconvened on Tuesday, October 17th, 1944, at 6.00 p.m. in the Club's offices, 25 Melinda Street, Toronto. The President, W. J. Risewick, presided. Officers and Directors present included: W. H. Reeves, Mrs. E. Brown and Miss A. Elsie Mayhew.

The Secretary reported that a wire had been received from Director Wm. McDerment to the effect that it was impossible for him to be in attendance at the meeting.

Vice-President Walter H. Reeves reported on the progress which had been made in respect to the Memorial for the late J. D. Strachan.

Director Mrs. Brown submitted a letter in respect to an omission in the minutes of the meeting of the Board of Directors held on September 25th, which reads in part as follows:

"Mrs. McColl made the following statement when asked by myself at a previous Board Meeting, in reference to 'dissension in the Editorial Department'. Mrs. McColl's answer was 'that there was none whatever', therefore no further questions were necessary. Now Mrs. McColl wishes to deny having used these words, and wants to say—'Not now'. Mr. Reeves, Miss Mayhew, Mr. Gudgeon and myself heard the first statement."

#### Letter from Miss A. Elsie Mayhew

A letter from Miss A. Elsie Mayhew was read in respect to the amendment regarding the separation of Spaniels (Cocker) and Spaniels (English Cocker) as adopted at the last Annual General Meeting, and which amendment prompted a visit to the office from Messrs. McVannel and McCallum who explained that according to the rule of eligibility it was impossible to carry out the passed amendment.

Comments from Directors Rooney and Ryder were read and after discussion it was agreed that a copy of Miss Mayhew's letter be sent to Messrs. McVannel and McCallum requesting their reaction.

#### Letter from Mr. Robert F. Schelling

The Secretary read a letter from Mr. Robert F. Schelling in respect to the report appearing in the September issue of *Dogs in Canada* in connection with his appeal from the decision of the Progressive Kennel Club following his appeal from the decision of the Progressive Kennel Club following his protest. Directors Ryder's and Rooney's remarks in respect to this letter were also read. Mr. Schelling stated he was not objecting to the award of the Reserve Winners Bitch at the Progressive Kennel Club Show, but he was objecting to the action of the Judge in making his Reserve Award prior to making his Winners Award. While the Judge awarded the ribbons simultaneously, apparently from Mr. Schelling's observation the owner of the Reserve Winners Bitch received the Reserve Winners ribbon first. It is to be regretted that in the previous minutes in the Judge's remarks, in which he said that he made the awards having full knowledge of the dogs competing, the word "quality" was omitted.

#### Letter from Mr. A. K. Butler

A letter was read from Mr. A. K. Butler, and which he requested be published in the minutes of the next meeting. Directors Rooney's and Ryder's remarks in respect to this correspondence were also read and after discussion it was agreed that the letter be included in the minutes. This particular letter reads as follows:

"September 14th, 1944.

Secretary,  
Canadian Kennel Club, Inc.,  
25 Melinda Street,  
Toronto.

Dear Sirs:

On page 47 of the September Issue of *Dogs in Canada* there appears in the Minutes of Meeting held by the Directors of The Canadian Kennel Club, Inc., an item headed Policy of "Dogs in Canada." This Policy on reading it over I am greatly in favor of and wish here to go on record as such.

Capt. Waters and Mrs. Brown are to be complimented on moving and seconding such a Policy.

I deeply regret that Item No. 1, has not been carried out by the publication of a letter on page 49 which I feel the space could have been used for some better purpose.

I must ask that this letter be published in the minutes of your next meeting.

Yours very truly,  
Alroy K. Butler."

#### Letter from Messrs. E. S. McKay and A. K. Butler

A letter was read from Messrs. E. S. McKay and A. K. Butler having reference to their visit to the meeting of the Board of Directors held on August 10th, when they were asked for a definite instance where portions of the minutes of the meetings of the Board of Directors had been purposely omitted from publication, and at that time mentioned a

leter which had been received from Mr. Francis Dagger, President of the Canadian Cocker Spaniel Association, and which letter appears below, together with the reply sent from this office:

"May 9th, 1944.

Miss K. Corley,  
Acting Secretary-Treasurer,  
The Canadian Kennel Club,  
Toronto, Ont.

Dear Miss Corley:

I have been requested by several members of this Association to direct your attention to what appears to be the discriminative method adopted by your office, of passing on enquiries relative to the purchase of puppies and dogs, to various breeders.

It is within the knowledge of the writer that enquiries are passed on to certain breeders, or that the names of such breeders are furnished to prospective purchasers, without regard as to whether such breeders are advertisers or listed in the *Breders' Registrar in Dogs In Canada*. Other breeders are entirely overlooked.

May I suggest that your Directors enquire into this matter and take whatever action they may consider necessary to ensure that the discrimination complained of shall be discontinued.

Kindly understand that this letter is written in the interest of all breeders and not on personal grounds.

Yours sincerely,

F. Dagger, President,  
Unionville, Ont."

"May 19th, 1944.

Mr. F. Dagger  
President,  
Canadian Cocker Spaniel Assoc.,  
Unionville, Ontario.  
Dear Mr. Dagger:

This will acknowledge receipt of your letter of May 9th which was referred to the Board of Directors for attention at its meeting held on Thursday, May 11th.

After discussion it was agreed that the office of the Canadian Kennel Club would discontinue the practice of recommending the names of breeders to enquirers for puppies and in place of this service sample copies of the magazine would be mailed to those enquiring, from which the prospective purchasers may secure the names and addresses of breeders and communicate with them.

Yours faithfully,  
K. Corley,  
Secretary-Treasurer."

At this time Vice-President W. H. Reeves suggested that while he was in the office during Miss Corley's absence he was amazed at the number of inquiries for dogs, and suggested that a breeders' register be established in which breeders would be registered under breed headings, and upon inquiry for names of breeders of a certain breed a list would be supplied to the prospective purchaser. The cost of maintaining such a register would be 50c per annum,

and would be a service to members only. To this the Board agreed.

#### Letter from Mr. W. H. Pym

The original copy of a circular letter addressed to the members of the Canadian Kennel Club from Second Vice-President, W. H. Pym, and which had been forwarded to the office, was referred to the Board. After discussion this letter was ordered filed.

It was moved by Mrs. Brown, seconded by Miss Mayhew, and unanimously carried:

"That the applicants be received as members."

#### Passing on Applications for Kennel Names

The following applications for kennel names were considered:

Abbadaba—John J. Clemens, Sudbury, Ontario.  
Cariboo—Agnes Bayley, Vancouver, B.C.  
Dunoon—Andrew Dunn, Port Credit, Ontario.  
Glenmore—James Lowther, Calgary, Alberta.

It was moved by Mrs. Brown, seconded by Mr. Reeves, and unanimously carried:

"That the kennel names applied for be granted."

#### Passing on Applications for Show Dates

The following applications for Sanction Show Dates were considered:

November 3rd—The Supreme Boston Terrier Fanciers.  
December 8th—Progressive Kennel Club.

It was moved by Mr. Reeves, seconded by Miss Mayhew, and unanimously carried:

"That the dates applied for be granted."

Director Mrs. Brown requested information at this time on behalf of the Canine Breeders and Exhibitors Association in respect to the rules and regulations drawn up by the Canadian Kennel Club regarding Obedience Trials.

After discussion it was moved by Mrs. Brown, seconded by Miss Mayhew, and unanimously carried:

"That on all ribbons awarded at Obedience Trials must appear the words, 'Obedience Trials, the class, year and the name of the organization holding the Trials.'"

The selection of Mr. B. Stitt as Judge for these particular Trials was also approved.

#### Resignation of Director, Mr. W. P. Gudgeon

The following wire addressed to the President from Director W. P. Gudgeon was read advising of his resignation as a Director of the Canadian Kennel Club:

"Re Pym letter cannot concur with remarks have considered leadership

of CKC pitifully bad for several months cannot be even remotely associated with such tactics consequently I herewith tender to you my resignation."

The president replied as follows:

"I am not surprised at the contents of Mr. Gudgeon's wire at this time. I have felt ever since last January when Mr. Gudgeon and Mr. Reeves objected to the president's message in the Christmas issue, pointing out that it should be a New Year's message, and should appear in the January issue, that this was not an expression of confidence. The Christmas precedent was started in the days of the Honourable Mr. Justice McFarland and carried on since. I make no apologies for my actions as President of the Canadian Kennel Club. Further, my actions at all times since becoming officially connected with the Canadian Kennel Club have always been in keeping with the position entrusted in me. As to the quality of leadership, that is one of the few privileges that the members throughout Canada still control."

After discussion, it was moved by Miss Mayhew, seconded by Mrs. Brown, and unanimously carried:

"That Mr. Gudgeon's resignation be accepted."

The matter of the appointment of a Director to fill the vacancy occasioned by the resignation of Mr. W. P. Gudgeon was considered, and after discussion it was moved by Mrs. Brown, seconded by Mr. Reeves, and unanimously carried:

"That Dr. W. E. Shute be invited to fill the vacancy of Director for the Province of Ontario caused by the resignation of Mr. W. P. Gudgeon."

#### Re Editor

After further discussion in respect to the Acting Editor, it was agreed that as Mrs. McColl had stated that after the October issue came off the press she would be through, the Secretary was instructed to obtain the necessary form from Selective Service for Mrs. McColl's release.

The meeting adjourned at 10.20 p.m.

##### Cocker Spaniel Stockdale Ritzie Wins Best in Show

Recently imported from California the black cocker spaniel Stockdale Ritzie made his debut in the Canadian show ring by winning Best in Show all breeds at the Norfolk County Agricultural Fair, at Simcoe, Ont., on Sept. 5th. A lovely solid black male, Stockdale Ritzie is but one of the many fine cocker spaniels owned by Mr. and Mrs. G. Sanborn of Guelph, Ont. He is a son of Champion Stockdale Town Talk, who has an enviable record at the American shows. Congratulations to Mr. and Mrs. Sanborn on this their first major win.

## NOW I'M A GLAMOUR GIRL AGAIN

• I felt sick, and I know I looked it. I knew what was the matter—worms! I had them before and knew the signs.

Fortunately, my Master did, too. Before they'd had a chance to make me really sick, he got rid of them in a hurry—with Sergeant's SURE SHOT Capsules. (Puppy Capsules for young dogs.) Then he gave me Sergeant's Condition Pills, and now I feel fit.

My Master got the low-down on taking care of me from Sergeant's Dog Book. It's a great help to dog owners—and free at drug and pet stores, or with this coupon.

# Every Inch... A Purebred

... and every inch  
nourished by **GAINES**

● If you're breeding "winners," use the "winning" dog food—GAINES, the Complete Meal. It's America's largest-selling dog food because, for 15 years, it has helped proper breeding pay off in glossy coats, clear eyes, strong-boned vigor and winning condition.

Like a pedigreed champion, GAINES is the result of careful selection. It's a balanced diet of fine ingredients—*meat meal*, cereals, milk nutrients, vegetables, minerals, and vitamins A, B<sub>1</sub>, B<sub>2</sub>, B<sub>6</sub>, D, E, niacin and pantothenate. 9 out of 10 dogs like GAINES from the start. And they don't tire of it. GAINES is convenient—quick to prepare. Economical, too. Every inch a "purebred," GAINES will nourish every inch of your purebreds! Available in 25-lb. and 50-lb. bags as well as smaller sizes. *Gaines Food Co., Inc., Sherburne, N. Y. Canadian Representative: General Foods, Ltd., Sterling Tower, 372 Bay St., Toronto 1, Ont.*

## How EVERY INCH is nourished by GAINES!

In terms of everyday foods, here are the equivalent food values your dog receives in *every pound* of GAINES:

-  **Proteins** in 1½ lbs. fresh raw beef.
-  **Carbohydrates** in 2 qts. cooked oatmeal.
-  **Fats** in 1 oz. butter.
-  **Minerals** in 1¼ lbs. cheese.
-  **Iron** in ¼ lb. beef liver.
-  **Vitamin A** in 5 eggs.
-  **Thiamin (B<sub>1</sub>)** in 1 lb. whole-wheat bread.
-  **Riboflavin (B<sub>2</sub>)** in 1 qt. milk.
-  **Niacin** in ½ lb. fresh mackerel.

... and all other members of the B-complex which normally accompany thiamin, riboflavin and niacin.

FOR  
ALL DOGS  
**GAINES**

**THE COMPLETE MEAL  
FOR ALL BREEDS**
