It is believed the Best in Show award at London, Ontario, September, 1947, marks the first occasion a Canadian Bred Chow Chow has won that high award.

Champion Winnitoba's Rusty Waun is well on his way to his International Championship. His latest award being BEST OF BREED and BEST NON-SPORTING GROUP at Jaxon Kennel Club, Jackson, Michigan, August 1st, 1948.

Joyce Kennels' Smooth Dachshunds

DIS'N AND DAT'N OF JOYCE

Sincere thanks to Charles F. Shafer, Mayndale Kennels, for a good start with top stock, and to Handlers Alf. Loveridge and recently Mac Bell who made it possible for many of the below mentioned Dach's to fulfil their destiny while the owner, through lack of Kennel help, remained at home to care for the Sires and Dams producing future Champions.

Joyce Dachshunds are noted for intelligence, disposition and faults that are minor—*not major*—No dog or bitch has made a win of which it was not deserving. With such a background, how can our future litters be anything but TOPS?

We Are Booking Space For Dogs In Canada Christmas Number

CHRISTMAS DAY is still many weeks away, but we are already busy in making preparations for our Christmas Number which we hope will surpass all our previous efforts.

NOW that the Dog Shows are practically over, DOGS IN CANADA becomes the chief dog market, and with our ever increasing circulation it is THE medium for putting your dogs before the public. The strides made in this magazine during the last six months, when its policy was changed, is reflected in the magnificent support given to this issue.

THERE will be no increase in our Advertising Rates for the Christmas Number. Send us your copy and cuts or photographs. Space will be allocated without favour as reservations are made. Forms MUST close on November 5th, if the magazine is to keep up the record of an early publication date. Half-tone cuts will be prepared by us and sold to our Advertisers at cost price.

ADVERTISING RATES

For $3 we give you One Inch to send Christmas Greetings to your friends.

Editorial Comment

To the Officers, Directors and Members of the Canadian Kennel Club, the contributors and the Advertisers who have made this Jubilee issue of DOGS IN CANADA a success, we offer our humble gratitude.

We wish to acknowledge our indebtedness to Mr. Walter Ferrier, 1960 Dorchester Street West, Montreal, Quebec, (who breeds and owns English Cocker Spaniels) for his timely assistance in making DOGS IN CANADA an attractive magazine.

Mr. Ferrier is the clever artist who designed and illustrated the page "Know Your Breed" and also "Doggonedest Facts". We hope his interest in the Canadian Kennel Club and DOGS IN CANADA will continue in order that we may enjoy his work.

The Editor was privileged to attend, as a Director of the Canadian Kennel Club, the banquet which commemorated the Golden Jubilee of this organization. The late James D. Strachan quoted the following lines and we would like to take the liberty of quoting them in this — Diamond Jubilee issue:

"Inch by inch and a foot is gained,
Two feet more and a yard is made.
Little by little is much attained.
Ounce by ounce and a pound is weighed.
Day by day and a week has passed.
Four full weeks and a month has flown,
Twelve brief months and we find at last
Out of them all a year has grown.

"A day seems long and a mile seems far,
And you scarcely notice the yard you've gained,
But by that much nearer the goal posts are,
And nearer still when the mile's attained.
Oh, the hills seem steep when you start to climb
But upwards struggle and don't you stop,
As the acorn grows to an oak in time,
Little by little you'll reach the top.

"Ounce by ounce and a pound is weighed,
And by and by are the pounds a ton;
Though swift or slow was the progress made,
It is all the same when the goal is won.
For whether you leap or whether you crawl,
You'll find this truth — and it's ages old!
That success is merely the sum of all
The tedious inches in miles retold."

OUR COVER

It is with pleasure that we present this month the beautiful Kerry Blue Terrier, Champion Kenmare Tailteann, owned by Mrs. F. Yeigh McEachren of Caulfield, British Columbia.

This dog has won six Best in Shows, two Reserve Best in Show and eight Best Canadian Bred in Show All Breeds at his last eight shows. In the United States he won Best of Winners at San Mateo, California and Reserve Best in Show All Breeds at Yakima, Washington. Together with his Kennel-mate, International Champion Kenmare Masterpiece, these Kerry Blues have won fourteen Best in Shows, eleven Reserve Best in Show, thirty-three Best Canadian Bred in Show and thirty-five Terrier Groups.

The sensational puppy, Danny's Michael of Tailteann, son of International Champion Kenmare Masterpiece and Champion Tailteann's Molly Ranee, broke what we believe to be a world's record when he completed his championship at the age of six months and nine days.

The phenomenal successes of the Tailteann Kerry Blues are making history. Congratulations to their owner and breeder Mrs. F. Yeigh McEachren, who prepares and shows these dogs and to the breeder of the dogs carrying the Kenmare prefix, Mrs. Sadie Spiker of Hamilton, Ontario.

OUR REGISTRAR REPORTS

By TED GUNDERSEN

"How Do I Register My Dog?"

People often ask—"How do I register my pure bred dog? Where do I go- What do I do?"

Assuming that the sire and dam are "registered" dogs, the breeder of the litter would be required to register that litter. This may be done by completing a regular application form. After the litter has been recorded, then individual application may be made on additional forms for the puppies.

Please bear in mind that the litter must be registered—regardless of the number of puppies that are alive at time application is filed.

Breeders are privileged to file applications for any number of puppies in that litter without waiting for the return of the litter certificate. In other words, you may file applications to register the puppies when presenting the litter application.

All applications should be obtained from and forwarded to The Canadian National Live Stock Records, Ottawa, which is the Recording Office for The Canadian Kennel Club Incorporated.

Preparation of the Certificate

When applications for litters, individual puppies, transfers, memberships are filed with the Record Office, all remittances are removed in the Accounting Department, who at the end of the day prepare the deposit for banking to the credit of the Canadian Kennel Club. Each lot of applications, which comprise eight in number are placed in a voucher which contains a serial number, and a machine stamps the same voucher number on each application. All vouchers are entered in a daily cash book and each entry is also posted on cards which are contained in steel cabinets, thus a complete check is on record for each lot of work received. The average daily deposit for the Canadian Kennel Club is slightly above $200.00.

The next step is the transferring of vouchers to the Registrar's assistant, who removes the contents, checks the name of the breeder with membership roll—to ascertain if applicants are members or non-members. The copies for the sires and dams are then removed from the files for posting and the checking of the ownership of the sire is the first step, also gestation period.

The applications are then ready for the Registrar, who checks proper breed heading, animal's name (Kennel), sex length of name (the name should not contain more than thirty letters including a space between each, otherwise the name is shortened). The birth reported must correspond with the birth reported on the litter application, which in many cases has already been reported previously.

OUR REGISTRAR

Ted Gundersen was born and educated in Canada's Capitol. Upon leaving business college he was offered a position as stenographer with either The Central Canada Exhibition Office or The Canadian National Live Stock Records, and chose the latter, serving in various posts in the Record Office for the past thirty-two years.

In 1937, when the office was re-organized after the death of the late John W. Brant, a request was made by the then President of the Canadian Kennel Club, Colonel J. N. MacRae to the new Director, Mr. R. G. T. Hitchman, that T. E. Gundersen be appointed the C. K. C. Registrar.

As a boy, Ted Gundersen was interested in dogs and for many years before he became Registrar, was breeding English Bulldogs, then taking on the Wire Fox Terrier, Scottie, turning to The German Shepherds in 1927, and for some years now has had Cockers.

His interests in dog activities resulted in his appointment as secretary to The Ottawa Kennel Club, a position he held for four years. In addition to his continued membership in the Club, he holds membership in the Hull and District Kennel Club. The Master Foxhunters Association and during the war, was honoured by The Peel County Kennel Club with an Honourary Life Membership for his contribution in assisting their shows for war causes. He also acted as Superintendent for some years to The Central Canada Exhibition Dog Show.

Outside of his canine activity, he has been active for some years as a Director of The Ottawa Humane Society, and for the past three years has acted as President.

In sports, he was active as a track man in the "five miler" pace. He is still an ardent skier, and has been a member of the Ottawa Ski Club for many years. He held the Presidency of The Paramount Swimming Club for four years.

In addition, all names are checked for correct spelling, date of sales; if dog has been sold, proper postal address; and finally, a check is made on the signature which is signed at the bottom which must correspond with ownership on record for the dam at time of birth. The application then receives the registration number opposite the name of animal given by the breeder, thus completing that transaction.

The assistant prepares for the master index, a card for all animals registered, and this is filed. (No two dogs have the same name.) The voucher is then transferred to the typing department, where we find a number of girls who type all forms of certificates. The typist prepares two copies of the dog's pedigree in addition to the certificate, one of which is forwarded to the Secretary's office, and the others for our records. All certificates are then read and checked by two readers for errors and omissions. then forwarded to the Chief Registration Officers for the Department, where they are again read and checked, finally signed and sealed on behalf of The Department of Agriculture for Canada. The vouchers are then returned to the Record Office for mailing purposes.

Time of Service

All of three weeks is required to issue certificates, due to thousands of certificates being processed for all breeds of live stock. Slight delays sometime occur due to holiday season and sickness. We always endeavour to maintain full employment if possible. However, our chief concern is to give a quick and efficient service at all times. One day service in issuing certificates covering dogs sold for export still prevails so that our Exporter will not be seriously inconvenienced.

Why Delays are Caused

It is estimated about thirty per cent of all applications are returned to the sender, due to many causes—some of which are: lack of fees; incomplete information; omitting signatures; dates of birth; colour or colours; initials or christian names of the purchasers. By these constant errors made every day —your Registrar is obliged to remove the applications from the vouchers, and return the forms with a letter. This causes many delays, not only to the Registrar, but to the applicant as well, because all of two or three weeks is lost when errors occur—particularly to provinces outside of Ontario. Should the dog have found a new home, the new owner very often writes our office inquiring what is holding up his certificate. WILL ALL THOSE

How Good is a Pedigree?

How often has this question been asked! The answer is simple—"A pedigree of any pure bred animal is only as good as the man behind it!" How often do we hear that so and so is a crook, and litters have been switched. When such statements are made, we immediately secure sworn statements. If the information established warrants an investigation, they are immediately submitted to the proper authorities for the necessary action. Prosecutions have not been numerous in the past twenty-five years, which speaks well for the honesty and integrity of our Canadian Dog Breeders.

What is Our Future?

During the last three or four years one has wondered in this fast moving age of the future of The Canadian Kennel Club Incorporated. Your guess is as good as mine, but in my opinion, one should expect continued progress in the dog game, provided we have full employment, and our immigration policy remains open. Canada, with her great expanses and opportunities, is most suitable to those who will work, and work hard, thereby bringing to those the field of endeavour that they are seeking. It is interesting to glance back many years before my time, when others asked the same questions as to the future of The Canadian Kennel Club.

Here in a very humble beginning of 1897 the Club boasted of ninety-two members, and five shows. In 1899 we saw the first year of $1,000 income—what a victory! In 1902 the first $1,000 expenditure was reached and in 1907 we passed our first income of $2,000. At that time, of course, we had 265 members and held nine shows.

In the years 1889 to 1891 we recorded 1,704 dogs and during the Presidency of Mr. John G. Kent in 1910, he witnessed the high peak in registrations of 3,000 dogs. The record of 4,423 was reached in 1920; 8,100 in 1930, and 1947 saw 18,816. We still enjoy a good export trade to the U.S.A. In 1940 we exported 834 dogs, and 1947, 1,336. Our membership climbs steadily. It is reported that the life of a dog breeder is five years, but in spite of those going and coming the increase is notable and in 1940 the record stood at 1,221, and 1947—the all time high of 2,945.

We, in Canada, still have the desire to import new blood of all different breeds and here we find a remarkable increase all along the line. In 1940 the importations stood at 239, and at the end of 1947, 594.

Our cash receipts are most encouraging, and from a very humble beginning of a few thousand dollars as a total year's income, we have finally crept along until we reached a high figure of $14,807.83. But our big jump came each succeeding year to the end of last year, when the all time high for registrations, litters, transfers, and memberships touched $62,253.46.

It is interesting to note in checking the large membership roll at this time to find many with twenty-five years or more of a continuous membership. Five of these hold thirty-four years, and eight at thirty-three years. In all fifty-nine of the membership roll hold continuous membership for twenty-five years or more, and they are as follows:

Ontario, 31; British Columbia, 11; Quebec, 7; Alberta, 3; Manitoba,3; New Brunswick, 2; Nova Scotia, 2; Saskatchewan and Prince Edward Island are not in the charmed circle as yet.

However, there may be those who were members prior to The Canadian Kennel Club coming under the Live Stock Record System, but as no records are available in the Ottawa or Toronto offices, we have no record at this time.

In conclusion, I wish to say again that the future of The Canadian Kennel Club has tremendous possibilities, if we as breeders will go forward with a definite breeding program well established in our Kennels, and coupled with this, sound business administration in the Club's affairs. We should see Canadian Dog Breeding and Exhibiting rank high as part of this great Commonwealth to a sport founded for thousands of years.

THE COLLIE FORUM

By WM. L POWELL

A new idea in club educational work conducted by the Western New York Collie Club. Five outstanding American Collie Specialty Judges were allowed five minutes each to address the audience, after that their listeners were permitted to ask questions.

FROM left to right—Moderator, Mr. Ben Rikert, secretary of Collie Club of America; Dr. McCain, successful breeder and judge; Mr. Sam Sloan, judge of Collies Morris and Essex this year; Miss Foster, past treasurer of American Sheltie Club and judge; Mr. Roy Mitchell, specialty judge at the large Pacific Collie specialty show; also Mr. Wm. Schwinger, judge of Westminster, New York, this year (not shown in picture). Each person was presented with a copy of the present standard and the new proposed clarification of the standard.

Dr. McCain was the first speaker. Breeder of Ch. Clear Call who holds the world's record for producing champions and other sensational winners. His address was very interesting and centered on collie expression. His opening remark was "a collie is no better than his ears". "Bring a pricked ear dog in the ring and no matter how good he is elsewhere, he will get nowhere. Now the standard says a pricked ear dog should be penalized, not faulted, yet no judge would put one up for fear of ringside criticism. I have put them first in their class because the other dogs were so inferior. A great many of our stud dogs are pricked eared, yet when they come into the show their ears have a tulip shape with bend-over one-third down." The question was asked why are the ears so important and he said "ears up on top of the head breaking over the dog's flat skull and combining a medium sized dark eye, correctly placed on a nice round muzzle gives that intelligent look that we call expression". Good eyes in collies are not common and should be almond or like those in the Chinese race. Mention was made of Anfield Model who was considered a model for expression thirty years ago and still holds first place for that characteristic. We reproduce this dog's head as a Chinese proverb says one picture worth one thousand words.

Second speaker on the agenda was Mr. Sam Sloan, who has judged all the large shows in America as well as importing some great dogs from England. Mr. Sloan centered his talk on conformation. Why the brisket or spring of ribs should be deep and well rounded. He said that with a deep body to support the shoulders, the chances of a dog being out at the shoulders was very small, also this gives room for heart and lung space necessary for a collie's work. He also said first impressions are lasting and as a dog is led around the ring, there will be some who catch the judge's eye. While this may not be his final choice, yet a dog in nice coat and trotting along with a nice fairly long stride will demand that a judge give him lots of consideration. We picture here a dog with Dr. McCain and Mr. Sloan showing exactly what they meant by depth of body afterwards the dog was gaited. Mr. Sloan explained that the width between the dog's hind feet when trotting depended on the width of the dog over the hips.

Dr. McCain rose to his feet at this point to say "I can get coats in one generation but it takes *ten generations to breed out bad hind quarters.*" Being an authority on bone structure, he explained that this was decidedly a hereditary fault and was caused by using stud dogs in the past that were noted for this defect and he also said that this was on reason why collies did not go further in the working groups.

The third speaker was Miss Foster who centered her talk on angulation and single tracking. She proves her own dogs by placing their feet in water, then trotting them on concrete to study their tracking. A good sound dog when standing still neither toe in nor toe out and when he trots his feet on his left

side will be off the ground and his right two feet will be on the ground and vice-versa. She has proven cow hocked dogs this way and is amazing what one can see in their foot prints.

Mr. Roy Mitchell was the last speaker, he said I can hardly add anything to what the other speakers have already said but summing up the whole, I would caution a breeder to concentrate on his dog's angulation, next his coat and finally expression, study the following standard as adopted by the Collie Club of America.

1. HEAD—Skull flat, moderately wide between the ears and gradually tapering to the eyes. There should be but a very slight prominence of the eyebrows, and a very slight depression at the stop. The proper width of skull necessarily depends upon the combined length of skull and muzzle, for what would be a thick or too broad a skull in one dog is not necessarily so in another of the same actual girth, but better supported by length of muzzle. It must also be considered in conjunction with the size of the dog and should incline to lightness, accompanied by cleanness of outline of cheeks and jaws. A heavy headed dog lacks the bright, alert and full-of-sense look so much to be desired. On the other hand, the attenuated head is most frequently seen with small Terrier eyes, which show no character. Muzzle should be of fair length and tapering to the nose, which should be black; it must not show weakness or appear snipey. The teeth of good size and even. English standard says, "Mouth the least bit overshot", but this is by no means desirable, and if at all exaggerated should be treated as malformation.

2. EYES—There being no "brow" in which to set the eyes, they are necessarily placed obliquely, the upper portion of the muzzle being dropped or chiseled to give them the necessary forward lookout. They should be of medium size, never showing too light in comparison with the color of coat, nor with a yellow ring. Expression full of intelligence, with a bright and "What is it?" look when on the alert or listening to orders; this is of course largely contributed to by the throwing up of the ears which accompanies the "qui vive" attitude.

3. EARS—The ears can hardly be too small if carried properly; if too small they are apt to be drawn quite erect or prick-eared; and if large they show out of proportion. When in repose the ears are folded lengthwise and thrown back into the frill; on the alert they are thrown up and drawn close together on the top of the skull. They should be carried about three-quarters erect. A prick-eared dog should be penalized. So much attention of late having been given to securing very high carriage of ears it has resulted in reaching the other extremes in some cases, and that is now necessary to guard against.

4. NECK—Should be muscular and of sufficient length to give the dog a fine upstanding appearance, and show off the frill, which should be very full.

5. BODY—Rather long, ribs well rounded, chest deep, but of fair breadth behind the shoulders, which should have a good slope. Loin slightly arched, showing power.

6. LEGS—Forelegs straight and muscular, with a fair amount of bone, the forearm moderately fleshy; pasterns showing flexibility without weakness; the hind legs less fleshy, very sinewy, and hocks and stifles well bent. Feet oval in shape, soles well padded and the toes well arched and close together.

7. TAIL—Moderately long, carried low when the dog is quiet, the end having an upward twist or "swirl"; gaily carried when excited, but not carried over the back.

8. COAT—This is a very important point. The coat, except on the head and legs, should be abundant, the outer coat harsh to the touch, the inner coat soft and furry and very close; so close that it is difficult on parting the hair to see the skin. The mane and frill should be very abundant. The mask or face smooth, the forelegs slightly feathered, the hind legs below the hocks smooth. Hair on tail very profuse, and on the hips long and bushy.

9. COLOR—Immaterial, although a richly colored or nicely marked dog has undoubtedly a considerable amount of weight with judges—the black and tan with white frill and collar, or the still more showy sable with perfect white markings, will generally win, other things being equal.

10. SIZE—Dogs, about 24 inches at the shoulder; bitches about 22 inches. Weight, dogs, about 60 pounds; bitches, about 50.

11. EXPRESSION—This is one of the most important points in considering the relative value of Collies. "Expression", like the term "character", is difficult to define in words. It is not a fixed point as in color, weight or height, and is something the uninitiated can only properly understand by optical illustration. It is the combined product of the shape of the skull muzzle, the set, size, shape and color of the eyes, and the position and carriage of the ears.

12. GENERAL CHARACTER — A lithe, active dog, with no useless timber about him, his deep chest showing strength, his sloping shoulders and well-bent hocks indicating speed and his face high intelligence. As a whole he should present an elegant and pleasing outline, quite distinct from any other breed, and show great strength and activity.

FAULTS—Domed skull, high peaked occipital bone, heavy pendulous ears, or the other extreme, prick ears; short tail, or tail curled over back.

CONGRATULATIONS

On this occasion we pay tribute to our active members, who have had continuous membership for twenty five years or more in the Canadian Kennel Club Inc.

Collie Character Type and Expression

By W. G. HASSELL

THOSE of us who know what a collie should be, should spare no effort to impart this knowledge to others, in order that the great beauty of collie character, type, and expression may be recognized and appreciated, and uniformity of effort and purpose may be brought about for the betterment of the breed.

Over a period of many years I have talked and corresponded with many of the great collie authorities. Because what I shall say in this article is agreed on by every great collie authority with whom I have ever discussed the matter, I feel I am imparting actual knowledge, not just expressing a personal opinion.

After most searching inquiry, I have found them in surprisingly close agreement on what a collie should be. They practically all agree that the difficulty lies in expressing in words, the intangible qualities of collie character, type and expression, so that ALL breeders may appreciate the exquisite beauty and sweetness of the ideal collie. If you will give me close attention I will endeavour to give you a word picture of true collie character, type and expression. Only when we all really see this can we aim at breeding collies of the same ideal type.

Every judge pledges himself to judge according to the official standards of the breeds he judges. Unfortunately the collie standard is NOT so efficiently and clearly worded that it leaves no doubt as to its meaning. Dog shows are the biggest incentive to the breeding and sale of registered dogs, and we all owe a great deal of gratitude to those who promote and handle them. Canada is so thinly populated that a specialty judge for every breed is absolutely out of the question. Attending dog shows, I am constantly amazed at how correctly the majority of our all-round judges place the different entries. Only ability amounting to genius could enable them to do this.

I put excellent character as the FIRST requisite of any good collie. Why? Because a collie of poor or bad character always does harm to the breed from every angle.

A collie inherits his TEMPERAMENT and INTELLIGENCE. They are developed by ENVIRONMENT and EXPERIENCE to form CHARACTER. A good collie is high strung, very sensitive, and highly intelligent. He possesses so much love for human beings that he is like a fine violin. He needs to be handled by a real artist to bring out the beauty that can express itself only through a sensitive spirit feeling the freedom created by mutual confidence. After 29 years of owning anywhere from one to 80 collies, I am constantly amazed at their beauty, character, sensitivity, and intelligence . . . and today I am convinced that their minds need as much nurture as their bodies.

In spite of the sometimes trying complications of a large kennel, I like my collie better every day. I am daily inspired by his fine spirit. Here at Alandale we all, from my 65-year-old kennel-man to my eighteen-month-old grandson never tire of him. We constantly rave about the continual demonstrations of his affection, reliability, courage, high intelligence, sensitivity, and perception — all of which are superior to many humans . . . who can learn a worth-while lesson from the collie's alert inquiry and keen enjoyment of fun and interest in life. These qualities, together with his "type" form "Collie expression" — into which we shall go later.

First, let us discuss collie type. The large number of fanciers who visit Alandale run the gamut from the most experienced breeder to the greenest novice. Many of the latter are charming, intelligent people who admit quite frankly they are beginners, and come back again and again to study the dogs and ask questions. Surprisingly, they one and all appreciate true collie expression when they see it.

I study these enthusiasts very carefully to find where I can be most helpful to them and the collie breed. Many of them are surprised at the

amount of substance, bone, coat, and solid collie type they find at Alandale, evidently having thought a longer, lighter-bodied, flatter-sided dog to be correct. Some even rave about the EXTREME length of their collie's head. Going to EXTREME in any direction is the very thing which destroys the IDEAL collie type—which depends on BALANCE.

Some are so carried away by the marvellous beauty always evident when a collie expresses his fine spirit that they do not attach nearly enough importance to detail of type. Others become so absorbed in the technical details—that is the shape of the skull, etc.—that for them the beauty of balance and expression are obscured. A show collie should be able to stand minute inspection both at a distance and close to. That is what judging amounts to . . . evaluating detail, balance, and expression in any given dog of correct type. Anyone judging collies should first let his eye feast on the dog at a distance to get the general overall impression and beauty of collie type and expression. Then he should bring the dog closer and go over him in detail. Any man who lacks an "eye" for beauty, refinement, grandeur, quality, style, stance, and true collie type and expression should not judge.

We do not want an extremely long head—nor do we want an extremely short one. The same applies to legs, body—and, in fact, all parts of the dog. We must allow, of course, a certain variation—no two collies can be exactly alike, just as no collie yet has been perfect. We should restrict our variation with comparatively narrow limits, never allowing ourselves to seriously approach the extreme in either direction. NOTHING about a collie should be too long or too short, too heavy or too light.

We will use the horse for comparison. We do not want the extreme weight and chunkiness of the Percheron, the shortness of the Cob or the raciness of a lightly-constructed thoroughbred. Rather, we want the happy medium of a beautifully-balanced hunter, with his short back, depth of chest, spring of rib, long sloping shoulder, and powerful quarters with good length and medium slope of croup. This enables him to stand over lots of ground, with ample room for stride, and to have a very strong back, well supported by ribs which extend far enough back to shorten the loin. Our collie should have good breadth of chest and quarters, with a leg set on each of the four corners of his body.

The forelegs should taper as they descend, but only sufficient to give an impression of gracefulness, without destroying the effect of substance and clean strength. They should be straight as a lance in shoulder, elbow, forearm and pastern. The back legs descending, sweep first forward under the flank in a big sickle curve, forming stifles that swing back to low-set hocks from which the pasterns descend, straight and strong. Both front and back legs should be parallel and definitely sound.

The collie's feet should be oval in shape, of medium length, well-filled, close-knit, and neat.

All the truly great collies I have ever seen have been beautifully dressed. It is difficult to imagine a collie with too much coat—yet even here it is possible to have such length of coat and such showy white markings that they detract from the beauty of balance and expression of the dog. At that, a show collie (rough) should have lots of coat—and I mean plenty! No dog or bitch can be truly without this crowning glory. The under-coat should be so thick as to make it difficult to find the skin. The outer coat should be long, dense, and of definitely hard texture. There should be plenty of long feathering on the back of the front legs, and flowing britching behind. To be ideal, the coat should fit the body of the dog reasonably well, but stand out around the neck, forming the magnificent ruff, which in front joins the long, flowing frill. Few people realize the importance of a good neck on a collie. Only when it comes from a deep shoulder can it have the strength, length, and grace to give it the required nobility. Only when the shoulder slopes is it possible for the neck to rise, giving the beautiful high carriage of the head. Only when it is adorned with the glorious ruff and flowing front frill can it form the setting from which the classical head emerges in straight-line effect, creating an impression of grandeur so typical of outstanding specimens of the breed . . . a combination of beauty and grandeur that knows no peer.

The top of a collie's head should distinctly give the impression of being flat and straight—this in spite of the fact that the slight stop actually places the straight line of the fore-face on a slightly lower, parallel plane to the skull. The head itself should give an impression of classical strength, and have just sufficient length to definitely

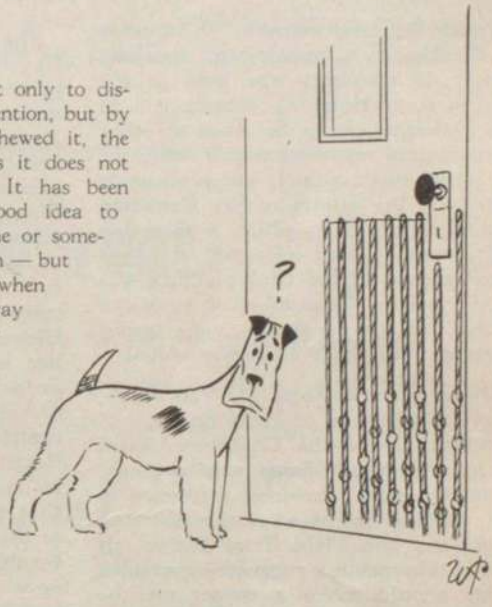
"The Doggonedest Facts ..."

TO PREVENT a dog from chewing the door-jambs, try this method — make a fringe using several lengths of coarse twine—or if possible large beads — hanging on the door jamb as high as the dog can reach.

Some dogs will show displeasure when being left behind by chewing that portion of the door jamb closest to the exit. The purpose of the twine is not only to distract the dog's attention, but by the time he has chewed it, the dog usually decides it does not taste very good. It has been found to be a good idea to give the dog a bone or something to chew on — but only those times when you plan on being away for a prolonged stay — thus giving the impression that this is a special treat.



The President Visits Western Canada

By Reg. P. Sparkes

IT IS my privilege and pleasure in this issue of "DOGS IN CANADA", published to commemorate the Diamond Jubilee of The Canadian Kennel Club Incorporated, to give you a report on my trip to Western Canada.

Arrangements were made for me to meet members in Fort William but, due to weather conditions, the plane continued on to Winnipeg and I was, therefore, unable to fulfil the engagement made to meet members in the Twin Cities. It is my persent intention to visit Fort William and Port Arthur before the end of the year.

Under the chairmanship of Director C. G. Biggar, a meeting of approximately 40 members was held at the Marlborough Hotel at Winnipeg. At this gathering, as in the case of other gatherings of members which followed, the writer made a fairly comprehensive report on the affairs of the Canadian Kennel Club, after which a Question and Answer period followed. The interest shown in the Club's affairs was manifested by the number of questions asked, and I feel that a very useful meeting with the members resulted.

My next stop was at Vancouver, where a gathering of approximately 65 members, under the Chairmanship of Director V. W. Williams, was on hand. Questions asked included reference to the publication of our annual Stud Book and the Field Trial Rules. It was at this meeting suggested that each judge should make a report on the work similar to the Critiques which are found in the English dog publications.

From Vancouver the writer proceeded to Victoria where it was my privilege to meet the members in the Empress Hotel. Prior to the meeting a social gathering took place in the home of Mr. Tommy Dixon, where I was pleased to meet such fanciers as Mr. and Mrs. Frank Creasey, Mrs. L. M. Wood, Mr. and Mrs. F. H. Webb, Mrs. George Skuce, and the genial secretary of the Victoria City Kennel Club, Mrs. F. Clark. During the meeting of the members at the Empress Hotel reference was made to the holding of Special Shows in conjunction with Championship Shows, a procedure evidently regarded favourably in the Western Provinces. The writer returned by boat to Vancouver on Sunday and left for Calgary by plane the same day.

The writer was met at the Calgary airport by a committee composed of Bobbie Thomson, Jack Anderson and Joe Fleming. A meeting was held on Monday night in the Board Room at the Exhibition grounds. It was at this meeting that the suggestion was made that C. K. C. prizes, heretofore delivered to the winners after the shows, be delivered to the winners at the shows, thus creating more interest in the wins. The suggestion was confirmed at the subsequent meeting of the Board held in Regina. This meeting, which was under the Chairmanship of Mr. Fleming in the absence of Director H. P. Saunders, who had a judging engagement in British Columbia, also went into the matter of Field Trial Rules. Following the meeting, a social gathering took place.

The following morning the writer travelled to Edmonton by plane, and a gathering of the members took place under the capable Chairmanship of Mr. Harry Nash. At a meeting of the Board held earlier this year, the writer was appointed to inspect a number of Rhodesian Ridgebacks for which application for registration under Article 33, Section 7, of our Constitution had been made, and it was through the splendid co-operation of Mrs. Marie Glover, at whose home a social gathering was held following the meeting proper, that I was able to see a number of these dogs. Incidentally, I had no hesitation in later recommending to the Registration Committee that these dogs be registered, and I sincerely believe that they will be a valuable addition to the list of breeds already recognized by this organization. The dogs have a very distinctive feature, which their breed-name recognizes, and the ridge on the back will be a positive identification of the breed in the event they appear at shows in your area.

On August 18th the writer arrived by plane at Saskatoon where a delegation headed by Mrs. Pat Randall, Miss Bernice Brown and Mrs. Lillian Beavis, met the writer at the airport. A profitable meeting of the members was held in the evening, and the Field Trial Rules for Pointers and Setters came in for a lot of discussion, and as a result of that discussion, was a major item on which the Board acted at its meeting in Regina two days later.

Thus ended my unofficial visit to the cities in Western Canada, and from Saskatoon I travelled to Regina to attend the official rally of members to be held in the Canadian Room of the Saskatchewan Hotel, as well as the regular meeting of the Board of Directors.

The Members' Rally at Regina followed the same pattern as the other gatherings held earlier in my Western trip.

As I look back now, I feel that the trip was most beneficial—to myself personally, in that it afforded me an opportunity of meeting many members, and of learning at first hand of their problems and of matters which were either causing dissatisfaction or were controversial, in that there was no unanimity of opinion. It is my sincere hope that the members attending these meetings benefitted to some extent and will, as a result, feel that those who are charged with the administration of the affairs of our national organization will feel that the Board and the staff are doing their utmost to give satisfaction to all concerned.

I can assure you that I will look forward to a further visit to Western Canada.

I would like to take this opportunity, in this brief report, to express my appreciation to those who made the trip so pleasant and who made the necessary arrangements in order that I could meet the members in the various Western cities.

Sincere Congratulations

THE AMERICAN KENNEL CLUB

By HENRY D. BIXBY, *Executive Vice-President*

IT IS a source of great satisfaction to salute the Canadian Kennel Club on the occasion of its Diamond Jubilee—on sixty years of effort in the behalf of the pure-bred dog and those splendid breeders and exhibitors "north of the border."

There has always been a strong bond of friendship between Canadian and American fanciers, and likewise between the two organizations which make and administer the rules under which pure-bred dogs are bred and exhibited and worked in the field. In fact, it goes a little farther than friendship since the affairs of the two Kennel Clubs, and the dogs to be found in the kennels on both sides of the border, are very closely connected.

What few present-day fanciers in either country may know is that in the very beginning of organized dogdom on the North American continent there was no line of demarcation whatever between "Canadian" and "American." As an example, when the representatives of ten show-giving clubs met at Philadelphia on Sept. 17, 1884, three of the men who voted the American Kennel Club into being were from clubs outside the borders of the United States. The club represented were the Montreal Kennel Club, the New Brunswick Kennel Club, and the London Kennel Club. Later a fourth club, the Manitoba Kennel Club, became a member of the American Kennel Club.

Canadian and American pure-bred dog affairs have always been carried on with a minimum of the so-called "international" adjustments. In the main, whatever has been accepted in one country has been duplicated in the other. The rules of the two Kennel Clubs have always been fairly close counterparts—much closer than between any other two countries in the world.

To be sure, there have been differences of opinion. It would not be normal if there were not. However, whenever problems have arisen between the two bodies they have been ironed out with a minimum of stress and strain—the way problems are always settled within an intelligent family. In fact, there always has been, and, we hope, always will be that "family feeling" existing in any situation that involves negotiations of officials and fanciers of the Canadian and American pure-bred dog worlds.

Do You Remember?

By John Milner
Winnipeg, Man.

JOHN MILNER

John Milner was born in Leeds, Yorkshire, England, 74 years ago and recalls quite vividly the Good Queen, Victoria, riding in state there in 1883—also that grand old man—W. E. Gladstone, addressing a huge crowd on Woodhouse Moor in 1884.

In 1889 he went to reside in Lancashire, close to the Southport Ormskirk and Parbold Collie Kennels. There his love for a Collie was born—and it has never left him. He never dreamed that the day would come when he would beat the best of these famous Kennels of England with Collies of his own breeding in far away Canada.

Coming to Canada in 1906, he with his brother, Tom Milner, and Harry St. Lawrence were the founders—that later started the Western Canada Kennel Club—the first All Breed Club—in Manitoba in 1907. The West sought control of Kennel Club affairs in all Canada and got behind the newly formed Dominion Kennel Club in Winnipeg 98% strong; the remaining 2% consisted of Sam Taylor, John Milner, Jack Ayres, Dr. Kenney and the odd one here and there. T. Kay MacKenzie, just out from Scotland, joined them. John Milner was appointed Director for Manitoba and the tense struggle lasted over two years and finished very abruptly with the victory in favour of the Canadian Kennel Club in 1915. A telegram from John Milner to the Secretary, Dr. A. Boultbee, brought an end to the long-drawn out dispute.

On coming to reside in the East, John Milner was a valuable assistant to Dr. Boultbee and James D. Strachan when they were the Secretaries of the Canadian Kennel Club.

John enlisted, saw front line service in France and Belgium with the 107th Battalion, and was with the Army of Occupation in Germany and returned to Canada in 1919. Here he formed the Ottawa Valley Collie Club and was elected President. He was also responsible for the formation of the Toy Breeders Association in 1945. Numerous articles on Breeding and short stories by him have been published in Kennel Magazines and Newspapers throughout the years. He can take his place as one of the most successful breeders Canada has known.

LIKE ole man river the C.K.C. still keeps rolling along, rolling smoother and better than at any period since the formation sixty years ago; and that is a long time ago. Some of you remember, those days when streets cars were pulled along by horses and homes were lighted by coal oil lamps, mostly, back in the Victorian era, when ladies wore highnecks and bustles, and the men wore bowler hats and moustaches.

Old fashioned days, maybe, but to me good old days, peaceful days, no Hitlers, no Stalins, no devastating World Wars, followed by chaos, and unbearable high prices, causing world-wide miseries.

During the gay nineties the C.K.C. moved along slowly.

The early part of the century saw John G. Kent as President and H. B. Donovan as Secretary. The little office on Yonge Street had a staff of one. The C.K.C. then appeared to me to be at low ebb, and finances were just about nil.

Western Canada was then undeveloped territory in Canadian Dogdom. But the West came to life with a bang about 1907. Actually going Show-Dog crazy. Hardly a week passed, but what one or more dogs arrived from Great Britain and was gone over by the would-be experts. And we listened eagerly to the words of wisdom that came from such noted judges as—Frank Dole, Jim Mortimer, Charlie Mason and later to Theo Marples, the editor of our Dogs in England, Sam Crabtree, Baillie Dalgleish from Scotland and others.

The West developed fast, and 300 dogs or more at a show was a regular occurrence. Bert Swann brought a box-car load from Toronto. Bob Ross arrived with several St. Bernards owned by a *Mr. Stuart of Montreal* to compete at the Winnipeg Exhibition.

How many of you remember Humphrey Elliotts, Champion Haymarket Faultless the great Canadian Bred Bull-Terrier that won Best Dog in Show at Madison Square Gardens in 1923. Or Mr. MacKenzie of Regina owning the great Airedale Champion Polam Maxim around 1913 and 1914 that won Best Airedale in Show also at the Gardens, or Sid Perkins, Grand Kennel of Airedales, bearing the Rockley Prefix.

During the years 1910 to 1920 such noted breeders of Cockers as Andy Armstrong of Ottawa, Lance Farwell of Toronto, competed in friendly rivalry, and had large entries at the different shows, but the Cockers of this period could not be compared with the Cockers of to-day. The Winnipeg Cocker Champion Stockdale Night Pilot owned by Wm. McAuley, and several others I have seen at the shows around Toronto, would have created a sensation in the minds of the old-time breeders of days gone by.

Remember the great Springer Spaniel Champion Marvel of Avondale bred by E. Chevrier of Winnipeg, and handled by Geo. Kynock, the winners of 27 Best in Shows, including the C.N.E. and the Royal Winter Fair.

Fox Terriers, Wire and Smooth, were very popular in the early days. Noted breeders of the early period were those grand old fanciers Geo. Ward, J. F. Strachan of Montreal, owner of the Ormsby Kennels, Dr. Webster of Ottawa and Charlie Linden.

A great deal of rivalry and goodfellowship were evident amongst the Bull-Dog breeders in the early days. I recall that Grand-Bull Dog, Champion Prince of Wales, a brindle-pied, owned by C. Webber of London, Ont., and later sold to Tommy Grisdale of the Gotham Kennels, N.Y. The Prince ran out of competition on this side of the water and was shipped to England to try his luck there. The English didn't like his naming after Royalty and he was renamed Dominian Fortitude, then he continued his winning ways.

Collies were in great favour here in Canada for many years preceding the great war in 1914. Collie history was made by Joe Reid of Montreal, Col. McEwen of Byron, Ont., Harry Hungerford, Dr. C. Y. Ford and Ormiston Roy. All these breeders mentioned above were called upon to judge Collies at the New York Show, and I consider Ormiston Roy the highest authority we have on the breed living today.

Toronto was the home of the King Edward Collie Kennels owned by Mrs. Gordon. I saw Champion King Edward Prunella in 1913, a rare good one. She later became the property of Mr. Bowsfield now of Winnipeg, and still showing Collies. Another grand female I saw in 1919, was Champion Quarrybrae Colleen bred by our great friend the late Jimmy Strachan and sold as a puppy to Geo. Getty. Fred Blatch, owner of the Majestic Kennels, Ottawa, had outstanding Collies over thirty years ago.

In the West many noted Collies were owned and bred at the Kennels of my brother Tom Milner, his Champion Weston Queen of Quality was one of the best I have ever seen or expect to see.

Winnipeg was a great Collie centre long before the Great War. The Imera's and my Corona's being shown from Coast to Coast. Dr. Cooper bought his first Collie, a Corona over thirty-five

years ago from the writer. One of the present-day Collies, the picture dog, owned by Billy Hassall, now 12 years old, bred by Dr. Cooper and sold to Mr. Hassall by Geo. Kynoch has the perfect head, comparable with the world-famous head study of Champion Anfield Model. If Ronnie had been as good behind as he was in front, I doubt very much if any Collie in America could have taken his number in his younger days.

The Fanciers of Canada have bred and owned many noted Bulldogs in the early days—around 1909. Harry St. Lawrence of Winnipeg, owned two of the best seen in Canada in Ch. Trafford Bullacity and Ch. Kitty Carnation.

About the same time, Jack Adams of Winnipeg, started the Mersey Bulldog Kennels and did considerable winning both East and West. The most notable performer being Ch. Mersey Pilot, one of the lightweights of all time here in Canada.

To Reg. P. Sparkes of Toronto, our President, belongs the title of being, easily, the Number ONE breeder and importer of this breed in Canada, and today, is regarded as one of the world's most noted authorities, and as a judge, most sought after.

Few people probably know that Reg was an exhibitor of Yorkshire Terriers in his early days—before Bulldogs became his specialty. His first Bulldog of note was Karnel Princess Mary by that great sire, Champion Kilburn Banker. Since that day—in 1917—his name has become a by-word, as one of the reliable authorities where ever Bulldogs are shown.

Nor can we leave out of our records of days gone by, that oldtimer, E. P. Tuson, one of the old school, who has been to the fore for more years than I care to remember.

Looking back through the years—something seems to have gone out of the Show Game. One misses the old comradeship, the greetings and handshakes that were much in evidence in the days of long ago. But times have changed and we change with them. Perhaps there are some who will remember the happy smile of John Miles when his great Champion Bull Terrier "Inferno" walked out of the ring with the highest honours and the silverware.

And then there was that grand old Fancier—John Kenyon—with his Yorkshire dialect—and his Yorkshire Terriers. John's quaint sayings were always good for a hearty laugh.

In my writings of the good old days, it has been with a view to bringing to the present day breeders and exhibitors those "Old-time Breeders" who have done so much to build up the splendid organization that the Canadian Kennel Club has become. In the days to come—the breeders of today will become the "Old-timers" tomorrow, and will be the "Backbone" which will lead the Canadian Kennel Club to still greater achievement.

No record of 60 years ago can be considered complete that does not take into consideration the part played by the real old-timers of Ottawa. It is likely that one or more were Charter Members in 1888—Fred McLean, now 80 years old, has stayed with his breed for half a century. He was President of the Manchester Terrier Association of America in the "Gay Nineties". George Robertson, also of Ottawa, is another of the old school who was an exhibitor as far back as 1880. Remember Billy Newton? The breeder of some of the best Smooth Fox Terriers Canada and the United States have ever known. Probably the best he bred was the International Champion Gallant Fox. Billy died a few months ago at the great age of 92 and was a staunch supporter of the Canadian Kennel Club from the very beginning. There are many others, some of whom are Jack Ferguson, Dude Baldwin, Harold Stothers, these three were active members of the Canadian Kennel Club before the beginning of this century.

Out there in the West lived Dr. M. C. O'Brien, who bred the two best Russian Wolfhounds that Canada has ever known in Champion Gerrest of Rosseau and Champion Odin of Rosseau in 1909. Shown extensively throughout Canada and United States—they were never beaten—either singly or as a brace. At a later period came Janet Patterson of Brantford, Ontario. She repeated Dr. O'Brien's conquests, finally winning Best of Breed at the Gardens.

Remember the wonderful Champion Ideal Weather, owned by Leonard Collins of Toronto? Though it is many years ago, I can still see him as he was the day he won the award as "Best in Show" at the Canadian National Exhibition. He went on to win the best of his breed at the New York Show—truly one of the best dogs of any breed ever bred in Canada.

Several grand specimens of this breed have been owned and bred by the Cluff sisters of Caledon, Ontario, throughout the years.

Going back to over thirty years ago, a great display of Miniature Poodles, owned by Mr. and Mrs. R. T. Stephens of Ottawa drew a deal of interest at the shows throughout Ontario. Oldtimers can remember the sensation they caused. Fingalese was a Carded Poodle with long ringlets trailing on the ground.

I can recall a hundred great breeders of the past, Colonel McRae, Colonel McFarland, Gooderham, Dyment, Mrs. Bruce, Mrs. Wylie, your Editor—Mrs. Alva McColl, Frank Garth, Wm. Pym, Alex Donaldson, Mrs. M. Purvess, Mr. and Mrs. John Kennedy and many others, have been of great help in building the Canadian Kennel Club into the organization it is today. Our new offices are befiting the dignity of our organization, our magazine is now one of the finest in the world. We have builded well, let us continue to carry on.

The Seeing Eye Dog in Montreal

By Mrs. G. S. B. Mack

THE Seeing Eye Guide Dogs in Canada are all Pure Bred Registered specimens of different large breeds, and all are selected to suit the individual trainee and also the best breed for the climatic conditions they will be required to work under.

Most of the dogs used are German Shepherds, as their heavy coats and strong feet make them ideal for our cold weather and give them good footing on the icy streets. These dogs are first selected for their individual temperament—which must be suitable to their new owner.

After two months training with the trainer—and when they are sufficiently advanced—the dogs then do a third month of training with their new blind owner. During this third month the dog is constantly with their blind owner—both of them living as a "unit" at the Seeing Eye Foundation Inc., Morristown, New Jersey.

The owner is taught—not only how to work with his dog—but also how to groom and feed it,—as he must be able to entirely care for his dog. For many of the blind, this is their first dog, and they must learn the rules of good condition, to enable the dog to give the utmost in service to its master.

The Guide Dogs are trained to lead their masters in the busiest cities; take them safely across crowded intersections—on and off street cars, on which they have a special pass; around all hazards, and to absolutely ignore people and other dogs while in their working harness. And, generally, to do all in their power to safely conduct their masters wherever they may wish to go.

Many of the blind owners operate canteens and newsstands in hospitals and large industrial organizations. The dogs, by their good manners and behaviour, have won the respect and admiration of all who see them doing this splendid work. Certainly this is one of the highest forms of devotion to duty and love of service that a dog can exhibit.

It is a proud moment for the owner and his new guide dog when they graduate and leave for home; to start a new life of companionship together with a faithful, healthy dog to love and guide him.

The Ladies' Kennel Club of Canada, Inc., were the pioneers in this country to hold their All Breed Dog Shows to raise funds for the purchase of Seeing Eye Dogs for blind Canadians. In 1938 this Club decided to hold its Annual Championship Dog Show in aid of the Canadian National Institute for the Blind "Seeing Eye Service"; and from the proceeds, a Guide Dog was donated to Miss Senkeivitz of Montreal, who now has a second dog—her first having served her faithfully for nearly ten years. Since then, six more Guide Dogs have been given to the blind of Montreal, and additional funds raised for the purchase of six more when they are available. Unfortunately, there is a long waiting list of applicants for these dogs, and naturally, at the present time the needs of the blind U.S. war veterans takes precedence.

The newest Guide Dog given by the Ladies' Kennel Club of Canada was to Mr. William Perrett. This is also his second replacement dog. With his first dog, Duchess, he toured all over Quebec Province and Ontario helping to acquaint the public with the value and aid of a Guide Dog to the blind. This year, he attended the Moncton, New Brunswick, Dog Show to help them put on an appeal for funds for the purchase of a Guide Dog for a local resident. Mr. Perrett, although completely blind for many years, travelled from Montreal to the Maritimes alone, and he is often seen on Montreal's busiest streets walking along without fear, knowing that he can put his complete trust in his new "eyes"—Beauty, a very aptly named German Shepherd.

Unfortunately, the cost of these dogs is $550.00 each, exclusive of the ap-

The Feeding of Dogs

By D. M. ALLAN, B.Sc.

IN this article on "The Feeding of Dogs", the subject is approached mainly from the biological point of view. Every dog represents an organism that is the result of millions of years of biological conditioning and developmental adaptation to the world in which he finds himself.

The period through which the dog has become domesticated is relatively so short that it is like the flash of an electric spark in a lifetime of growth and development. Blended with this biological background to the Genesis of the dog, is the philosophical attitude that many tend to scoff at—the dog is a product of creation. While the story of creation gives no scientific details, it leaves no doubt about the proper attitudes that should dominate the mind of man as he contemplates the handiwork of an all-powerful and omniscient Creator.

The dog, as turned out and surveyed by his Creator, was pronounced GOOD—that means perfect!! All the details of his conception, gestation and birth have been perfectly arranged for, as well as a destiny that shapes his daily activity and his final end. If man would be as responsive as his dog to the moulding influences of Destiny, this world could be a much happier place.

The ideas here expressed are not necessarily original. A great many people with a background of experience will no doubt be in agreement with most of the data presented. The author has expounded at length many times to the new owner of a new puppy on the principles and details of dog husbandry, knowing full well that it was going in one ear and straight out the other.

With a cuddly puppy in one's arms, reaching a tentative tongue for one's chin or ear—who, that is human, could feel otherwise than a heart so filled with emotion that intellectual concepts could find no entré.

In maintaining good health in any animal, dog or man, no set of rules or dietary proceedure can be depended upon as a panacea. One has to be prepared to recognize health when he sees it and to diagnose correctly deviations from the normal, and to deal adequately with exigencies which may arise at any time. A lifetime of study is barely sufficient to get started. If we can start off with some fundamental principles with which to weigh the experience of others, a great deal more may be accomplished.

So, in a desperate effort to prevent every puppy from being either killed with kindnss or blighted in the hot sun of adoration, the thought occurred that resulted in the compilation of the following summary:

D. M. ALLAN, B.Sc.

Spent two years study at Toronto and Queen's University before enlisting in 1915; returning to Canada, after four years' service with the Canadian Field Artillery.

During the first years in college the Author majored in mathematics and science at Toronto and Queen's Universities. Later majoring in biological studies combined with social sciences at the University of Pittsburgh.

The Author's present activities centre around the presentation of microscopic anatomy (embryology and history) to college students who hope to enter the field of Therapeutics and minister to the health needs of the nation.

1. The natural food for dogs is meat, eaten raw and swallowed in chunks. All carnivores prefer "offal" (the internal organs) to ordinary flesh.
2. The digestive apparatus designed and perfected through millions of years for a carnivorous diet, does not function so well on anything different.
3. If the meat is cooked—its natural content of vitamins and health elements is more or less destroyed. The dog gets energy or strength from the cooked meat but does not stay healthy for long—unless the destroyed elements are obtained in other ways. Cereal products made from whole grain, fish oils and grasses assist in providing the missing elements.
4. If the diet consists mainly of a prepared dog meal or biscuit—it would be well to add a daily portion of wheat germ oil, cod liver oil and dehydrated alphalpha or cereal grass in suitable dosage.
5. If meal or biscuit is the main food, care must be used in regard to drinking water. A dog should have water to drink if desired, some time before eating, but not be allowed access to water for an hour or longer after eating. The cereal products in the dog's stomach call for a kind of secretion that differs from that required for meats. The dog develops a thirst right after eating. However, if not given water this thirst passes off and many hours afterwards the dog has no desire or little desire for water. If the dog should fill up on water soon after eating, it has the effect of liquifying the contents of the stomach too soon, which pass on into the intestines and are soon voided as feces of a soft mushy consistency and from which little, if any, nourishment has been absorbed.
6. If the meat fed to a dog is ground up, instead of being in chunks, this too has a tendency to liquify and pass through too quickly without giving up its food values.
7. In feeding either dog-meal or ground meat the problem is to slow up the process of digestion. The best way of doing this is by a judicious use of bone. Whatever else a dog eats, he needs bone daily. This bone can be taken in any way, raw or cooked, ground or unground, so long as it gets into the dog's stomach and these slow up the digestion of whatever food has been eaten.

   Cartilage is also of value if bone is not available. The best source of calcium and related minerals is that found in bone. More than enough bone may result in stools that are chalky. That does no harm except to waste bone. If the bone used is in this form of bone flour or bone meal it should be mixed with other feed (dog-meal or ground meat.) The only thing to guard against is that the dog does not get hold of bones that form splinters, like the leg bones and long wing bones of fowl.
8. FREQUENCY OF FEEDING:

   Weaned pups may require three feedings or more a day. This is gradually reduced from two feedings daily to once a day for the adult dog.
9. The food given should be carefully measured to give uniform quantities at regular intervals. A dog should not be allowed to gorge himself. It tends to stretch the stomach and create an abnormal apetite that knows no satisfying. Judge the amount of food by the dog's condition, exercise, etc., and keep on the thin side.
10. If a dog is given table scraps at all, their food content should be carefully considered, so that he does not get over fed or eat a lot of stuff that upsets his digestion. Unless the scraps are really suitable dog food, better put in the garbage. In any case a dog should get one regular meal of foods specially prepared for him.

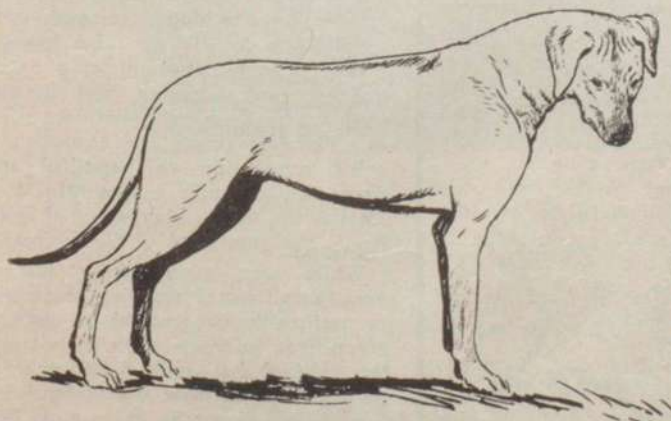
THE RHODESIAN RIDGEBACK

WHEN the Evolution of the Dog is written the Rhodesian Ridgeback will be prominently mentioned. For here is a unique form of animal life in that its peculiarity is a ridge of hair on the spine which grows backwards to that of the rest of the coat. The only other breed of dog which possesses this abnormality is the Phu Quoc, and it is believed that the Rhodesian Ridgeback is the result of the infusion of the blood of the retriever family, and possibly the Great Dane with the Phu Quoc.

The height of 26 inches, weight 80 lbs., the coat of a Chesapeake retriever, the head of a Labrador, the red fawn colour together with the limbs and feet of a Dane, lead one to believe that this dog was evolved by the South African people with one purpose in mind. To produce a dog to assist in the hunting of lions, a dog which would circle the prey, give tongue when sighted, but not attack. In the Rhodesian Ridgeback the answer has been found. A team of these dogs will go forward, scenting for the lions, on finding their quarry they will circle quietly, then as the circle grows smaller they give tongue, bouncing around the lion at a safe distance, distracting its attention until the hunters arrive and dispatch the prey.

As a hunting dog in Canada they are proving themselves capable of doing all that is required of a retriever, plus the stamina and endurance of a dane. A pleasant disposition makes them a good companion in the home, and their instinctive desire to guard their owners makes them invaluable in the lonely homes of Western Canada. The inclination to serve only one master is an inherent trait, as they have very retentive memories, and are individualists.



In Canada the first Rhodesian Ridgebacks were brought over by Flying Officer Cy Crawford of Edmonton, Alberta, who became enamoured with these dogs while on duty in South Africa with the R.C.A.F. in the recent conflict. Errol Flynn of Hollywood imported one, and later sold it to Mr. Crawford who has taken up the breeding of these dogs as a hobby. Two of his Canadian born Rhodesian Ridgebacks, Patsy and Peter, are proving their worth in the field, while in the North West Territories Bruce Fraser of Fort Smith uses one as a guard dog. The short, harsh weather-proof coat and stamina makes his Rhodesian Ridgeback an ideal dog for the climatic conditions of that country.

COLLIE CHARACTER TYPE and EXPRESSION

(*Continued from page* 10)

remove it from the ordinary or common. The skull should be flat, particularly over and between the eyes, and should not fall away to the left, right, or rear. The cheeks should not bulge and upset the straight line of the sides of our very blunt wedge. Cheeks and skull should join at right angles, the corners, of course, being slightly rounded to give a graceful and natural effect.

The fore-face should be round and well-filled—straight on top. It must not taper too sharply or appear pointed—this gives a definitely undesirable, foxy appearance to the head. Only when the fore-face from the front of the eye forward is the same length as is the skull from the same point back to the occipital bone can we get the exquisite effect that is sweet collie. To say that the fore-face can be longer than the skull is simply to admit that we do not recognize a sweet ideal collie head when we see one. The under-jaw should come well out to the end of the head, enhancing the effect of a very blunt wedge—the lower teeth actually touching the back of the top ones, forming an excellent bite. The ears should be placed on the end of the head, coming well up on top, quite close together, and with about one-third of the length of the ear falling to the front when the dog is at attenion. They should appear sufficiently small to give an impression of alert smartness.

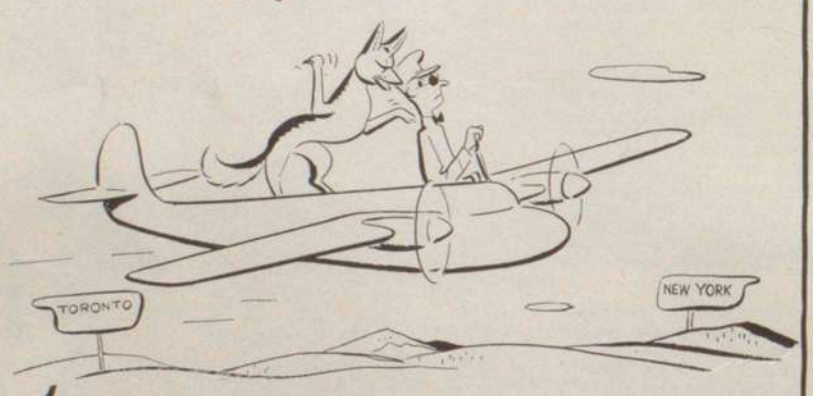
The eye of the collie is of great importance. The- standard states it must not appear light with relation to the colour of the dog. Every expert I have ever met strongly prefers an eye of a beautiful, dark, solid, soft brown. The eye should be medium to small in size, shaped like an elipse, pointed at both ends, and slipped into the top side of the head where the foreface meets the skull, to leave undisturbed the very smooth, straight-line effect of the head. The collie eye should give the effect of a very beautiful but unobtrusive slit in the top of the side of the head, and should definitely not appear as though it looks straight forward from under a pronounced brow. The colour, size, shape, and setting of the eye are extremely important. The eye gives expression to the soul. And so we come to expression.

Many people never understand collie expression because they mistakenly think it a relatively simple thing. It is not. Collie expression depends upon many, many qualities. It is so intangible and amazingly beautiful that only the Great Architect could possibly make it. Expression is evidence of life. Life cannot be expressed without a physical medium. There is expression of the eye, of the head, and of the whole dog. Here we speak of the latter. When we see a collie of inherently excellent temperament and intelligence, developed through the very best of experience and environment by a master who loves him, into a dog of grand character—expressed through a nearly perfect medium, or type, we see BEAUTY. A grand spirit expressed through a grand body—that is expression! That is why it is the most important of all to understand the work for in a collie.

We humans are inclined to say that beauty is only skin deep. The saying has come from men who could only see—or at least only referred to—the atractiveness of regular physical features. Some married on the strength of them, and regretted it. When we see a young lady and she has features that are approaching perfection—when she is beautifully dressed with line and elegance and style—when she herself possesses that gracefulness that always denotes hidden strength—when in **addition** to this she also has very beautiful eyes that express intelligence, deep character, and beautiful soul, we really have something to look at. Then we have the equivalent of collie expression — a beautiful spirit expressed through a beautiful body. That is the very embodiment of beauty itself—the sum total of God's creation.

While man undoubtedly has the great privilege of working to improve on nature in the rough, in his God-given urge to create, man cannot make the finished dog—only the Creator can do that. That man was intended to —and does—improve on nature there is no doubt—as evidenced by the great improvement in live-stock seen on every hand. The Great Architect has a more delicate hand and a finer appreciation of beauty than you or I will ever have.

"The Doggonedest Facts ..."



AT THE C.N.E. Dog Show last month a German Shepherd proved her versatility by forcing a T. C. A. plane to turn back in its flight to New York and return her to the Dog Show.

Completing her Championship on the Monday, she was shipped via Air Cargo to her home on Long Island in a crate of apparently the desired strength and dimensions. "Lona" had other ideas, and halfway to New York she walked out of her crate, having successfully chewed through plywood, steel mesh, etc., to gain her freedom. Lona was bleeding profusely from the mouth, so the crew flew the plane back to Malton.

A telephone call to the Dog Show stressed the necessity for a veterinarian, and your Editor immediately contacted the nearest available Veterinary and sped to Malton in record time, with visions of a dog slowly bleeding to death from severed arteries, etc. Dr. J. E. Leeson equipped with rolls of bandages, ether, sutures, etc., was picked up and given the fastest ride of his life. On arrival, we found a happy frolicking dog, with a few cuts on her lips, which were superfluous, and a completely destroyed dog-crate. Taken back to the Dog Show, Lona greeted her mistress with that "You CAN'T DO THAT TO ME" attitude, and spent the next three days in a luxurious hotel suite, meditating on the effect that her burst for freedom had on the schedules, Toronto to New York flight, of that eventful afternoon.

Tribute is hereby paid to the T.C.A. for the consideration given to the dog, their thoughtfulness in returning to base, and thereby avoiding any harmful affects to the dog from her escapade.

PROVINCIAL NOTES

B. C. Mainland News

By Jean Fletcher

EVERYTHING is going up, except the rain, and it is still coming down—have had our "wettest" summer in years.

A large gathering of friends were on hand to welcome our President, Mr. Reg. P. Sparkes, of Toronto, when he paid his visit. Mr. Sparkes gave us some interesting facts regarding the Canadian Kennel Club's new home—even it has that "new look". The usual topics were discussed, and last but not least, the Field Trial boys had their say—and made a very good impression. The evening ended when the big International Kennel Club's cake was cut by the President and refreshments were served by the ladies.

Two new C. K. C. members, Dr. E. L. Nundall and Mr. L. S. Nickoll of Milner, B.C., are starting kennels of Coonhounds and Airedales. Their sole purpose being to work these two breeds together, tracking down bob cat, bear and Cougar.

Lady Kamlan, an Airedale female, is the proud mother of a litter by Murraysgate Monty. She is a first-class hunter of game, as well as the two Coonhounds, Justamore Musical Girl and Homestead Black Flash. Good luck and good hunting to you two!

Mrs. G. O. Alsen has purchased two female Chihuahuas that should make smoke when they hit the ring. Incidentally, Mrs. "A" has gone to the "CATS" being Superintendent of the P. N. E. Cat Show this year.

A covey of dogs and fanciers headed for the Okanagan Valley on August 15th. Some drove, others entrained,—and it was a pretty rough ride—as this is through the flooded area and mostly through mountains. The Okanagan Valley is beautiful country—very similar to California in scenery and climate.

The Kelowna Shows were judged by Harry Saunders, well known breeder and all rounder from Calgary, and Dan Shuttleworth of California, who did his first show 'way back in 1920.

Mr. and Mrs. Purvis Ritchie gave a party in their lovely home the day after the second show. Bill Dawson and Dr. Held almost caused a "riot" doing Scotch dances—dressed in Clyde's Tartan shirt. Clyde Ritchie sang and played the piano and a sing-song was led by Mrs. Held. Later we left for Penticton — a lovely drive along the lake shore.

We gathered at the fair grounds where the peach festival was in evidence—complete with rodeo and everything that makes for fun.

Bob Wilson, a handler from Tacoma, Washington, took that 24-hour 'flu and spent the rest of the day and night wishing he were home in bed.

THE FAMOUS CHAMPIONS

Kerry Blue Terriers owned by Mrs. F. Yeigh McEachren, Caulfield, B.C. They are Ch. Tailtenns Molly Ranee, Int. Ch. Kenmare Masterpiece, Int. Ch. Kenmare Dancing Daughter, Ch. Tailteann's Prince Robert and Ch. Kenmare Dianne.

The Vic Reynolds, Senior and Junior (handlers from Portland) went fishing and caught some lovely rainbow trout and we all enjoyed a real fish fry. During the early hours of the morning it started to rain and Ena Dodds, Mrs. Ritchie, Mrs. "A" and I were running around getting our crates under shelter—and so to bed at daylight.

Harry Saunders had to leave late Wednesday and could not take in Penticton. However, Mr. Shuttleworth was able to take in the shows. Mr. Vic Williams the director for British Columbia, and Mr. Van Meter, the well known owner and breeder of "Stockdale" Cockers, California, were judges. Miss Cora Enlow and Miss Myrtle Smith (well known breeder of fine Cockers and co-worker with Mr. Van Meter) made the trip north also. Miss Enlow is really a gift from the gods, as a ring steward and in great demand in California.

Think the Okanagan Kennel Club have ample reason to be proud of their show. It went off nicely—and everyone had fun. The weatherman acted up the second day—and later on it rained. This was an outdoor show (the most popular kind). However, it takes more than a little rain to dampen our ardour—or to scare Vic Williams, Van Meter and the enthusiastic exhibitors—and so the circuit ended.

A little girl stood admiring my Dacksie in the rain and said, "he doesn't like the rain does he?" I said, "Oh, he doesn't mind the rain at all." "Oh," she said, "then, he must be from Vancouver!!"

Our sympathy goes to the owners of the Brittany which was found smothered as we landed in Kelowna. We know how dreadful this was for Mr. and Mrs. Foster. The train crew are not supposed to pile express too closely to a crate, but here is one time when someone was careless.

It was nice to renew acquaintance with Mr. Pratt of Calgary, who is holidaying here in a doggy way.

That well known wire haired Terrier, "Defiance of Tynedale", formerly owned by Breeder Joe Dodds has been sold to Mr. E. Calbert of Tacoma, Washington. "Billy" has some nice wins to his credit and has always been in the money.

The latest figure realized from the Flood Relief Fund Dog Show and Field Trial was $1,025.00. The Field Trial was held at the home of Jack and Helen Smyth's.

Mrs. Clyde Ritchie now owns the lovely Borzoi, Vesta Victoria, bred by Helen Mahood.

Alberta Notes

By H. P. Saunders

MRS. THEM KJAR has returned to Calgary after a very pleasant visit with her son in California. Mrs. Kjar hopes to bring in an outstanding "Min-Pin" in the very near future.

We are very sorry to report the recent illness of Mrs. Gordon Rodgers, President of the Alberta Kennel Club. We all wish her a very speedy recovery—for we certainly miss her charming smile at our kennel club meetings.

Them Kjar, our Chief Game Warden, announces that there will be a short season on Hungarian Partridge this fall. So-o-o, get your Pointers and Setters out in lots of time to get them well "muscled-up" and hardened so they can work more effectively over those stubble fields!! Remember, this fall, the cover is heavy and the going will be harder than it has been for years!

We are glad to report that Charlie Crist is well on the way to recovery. This is grand news!! Charlie went to a lot of trouble and expense in getting the best bloodlines in both Pointers and Setters and they certainly left their "stamp" on the local hunting dogs (and Field Trial Enthusiasts).

Statistics show that this year's importations in dogs alone from Britain to this continent was $800,000, almost all "Show" dogs and almost every breed represented. Some of these no doubt will be shown pretty soon. So, be on the alert!

E. P. AND MRS. TUSON

9920 - 159th Street, Edmonton, Alta. Their first imported bulldog, Lady Valeria, travelled alone from Lethbridge, Alberta, to Eastern Canada in 1912 to take in four leading shows with results—4 firsts and two Reserve winners.

AT YOUR SERVICE

"E. P." conceded a top Bulldog man but has handled most breeds "doing" a lot of shows in the 1920's from Winnipeg to Vancouver and finished numerous champions. Bulldogs for Sale By profession, an Accredited Public Accountant.

THEY FLEW TO THE PHILIPPINES

Ch. Rungmook Rollo and Ch. Rungmook Roona, two blue Great Dane champions bred by Col. J. DeB. Cowan of Kaslo, B.C., who were recently purchased by Mr. Ferman del Rosario of the Philippine Islands. Rollo won the Working Group at both Alberta Kennel Club shows this year.

Yesterday a devastating fire destroyed part of the Avandale Kennels at Cassils, Alberta, owned by Chevrier and Lowther and five of their Retrievers were killed. This is a great loss to any Kennel, and we wish more people would develop some sound "Dog sense" and be MORE CAREFUL AND CONSIDERATE!!

A big offer has been made to Vic Grainger for a Labrador Pup, sired by Little Benjamin. This is one puppy that I would like to have remain in our midst.

Jack Tanton of Edmonton, Alberta, sold a very promising young black Cocker male to Percy Morris of British Columbia. This dog was awarded "Winners Male" at the Penticton Show by Mr. Vanmeter. Nice going, Percy!! Jack has a nice bunch left and they in turn will bring considerable fame to their breeder.

All Shows on the circuit this fall have big entries and the quality is such that will attract a big attendance. . . . Medicine Hat, Moose Jaw, Calgary and Edmonton never had better entries—so,—a good time is in prospect. Come early, stay as late as you like, and make your reservations EARLY.

The big "International Field Trials" are being run in Manitoba and Saskatchewan. There are a lot of contenders expected this year.

Mrs. Eleanor Kadlec of Falum. Alberta, is doing an "international business" in dogs and is happy to report many sales.

We were indeed pleased to have the President of the Canadian Kennel Club, Mr. Reg. P. Sparkes, visit the different provinces, and he has promised to visit the same places again.

Margaret Maine has now decided to remain in Vancouver. We are sorry to lose her and I know that she will be much appreciated in her new surroundings. Her dogs are an asset to any show. She is a very popular exhibitor where ever she goes. I hope she will come back often and show her dogs at our shows. Good Luck, Mrs. Maine!

Mary D. Gardner is very much improved in health and back on the job doing her secretarial work at the Edmonton Show.

GREETINGS

Saskatchewan Notes

THE Regina Kennel Club's All Breed Show took off to a flying start under the capable judging of Mr. Tom Quilley, of Edmonton, Alberta.

An infectious note of gaiety which, even the dogs seem to sense, filled the air, and everyone "showed" like mad!!

Mr. Arthur Wright of Vancouver, B.C., gave out the honours at the second show.

Mr. William Semple may well be proud of himself for being the breeder and owner of the wire-haired Fox Terrier, Ch. Straven Simon, which was awarded Best in Show and Best Canadian Bred in Show under both Judges. Adding to his laurels, the female—Stra'ven Stylist—was adjudged Best Canadian Bred Puppy in Show under Mr. Wright, and to our delight, we ran off with this coveted honour in the first show with our little red Dachshund "Egypian Phooeytou of Joyce". All in all, the show was a great success!

The first meeting of the Board of Directors of the Canadian Kennel Club ever to be held in Saskatchewan took place on Friday, August 20th, in the Canadian Room of the Hotel Saskatchewan, Regina, with members from points as far removed as Toronto and Vancouver being present. Although not as many members as we expected turned out for the rally held in the evening, the meeting was a huge success and many problems confronting the Western members were discussed and brought to a satisfactory conclusion.

I, for one, think our President, Mr. Reg P. Sparkes, is to be congratulated on his forethought in bringing the East and the West together, so that we may have a better understanding and appreciation for the problems of each other. (The Westerners would like to see more Easterners make the "trek" West—times are much more comfortable than they were in the "covered wagon days", but we know they would love it, once they got here.)

And now, I wish to congratulate the Canadian Kennel Club on the celebration of their Diamond Jubilee. Hope to be seeing you—forty years hence—somewhat older—but not in spirit—perhaps a bit wiser—that's a promise!

Manitoba Notes

By A. Gostick

THE October number of our Magazine commemorates the celebration of the Sixtieth Anniversary of the Canadian Kennel Club, and a lot of folks will be exercising their memories recalling people and events of historic interest; glorying in the growth of what once was little more than a small band of enthusiastic hobbyists.

Out here on the Prairies, we, too, can look back on yesteryear, recalling old timers who have passed on, and dogs that have given us good reason to feel proud. But with it all, we do not seem to have grown much older—older members have dropped out of the race and new faces appear to take their places, but the membership remains much about the same.

It was great to have Reg. Sparkes drop in for a meeting a couple of weeks ago, and we had some lively "round table conversation" on bigger and better shows and things. There will be a meeting in Regina, too, before you get reading this; and it may be that when the variety of suggestions are sifted out, there will be something "concrete" develop for the good of the Prairie Clubs and their shows, which in turn would—of course—be to the benefit of the Canadian Kennel Club and contribute toward its further expansion.

Since writing our last column, Bob Simpson has passed on. Bob had been in ill health for the last few years, so that we knew that we were going to lose him one of these days—although this in no way lessens the loss. Bob Simpson was one of those solid chaps whose kindly advice was worth taking, and whose suggestions were always worth thinking about. I have personally benefitted greatly from his association over the years and we shall miss him.

There is a Peke in town that has been making quite a name for himself at recent shows. He is Mrs. Caruso's "Changs Tony Peter St. Pierre." He won the Group in Winnipeg, Brandon, Regina and Fort William, and in addition, he was Reserve Best in Show and Best Canadian Bred at the latter. This little fellow is quite a "show-man" and is always asking for top billing. Mrs. Caruso knows her toy breeds and turned in a nice Judging job at a recent Sanction Show here. Those of us who aspire to be "allrounders" usually go over her dogs with our tongue in our cheek. It's a bit like telling a Blue-Nose" what a fish net looks like.

Dates for the Fort Garry Kennel Club's Fall Show are definitely Nov. 5th-6th. Judges, H. H. Allen and Robt. Waters.

Maritime Notes

FOUR Championship Shows in Nova Scotia in the month of September seem to monopolize the news this month. The Halifax K.C. Inc., are holding their Annual Show on Labour Day, with Mr. Earl T. Adair judging. This Show will be followed later in the month by Shows staged by the two new Clubs, the Cape Breton Club at Sydney, on September 20th with Mr. Louis Murr as judge; and at Truro, N.S., on the 23rd, with the Veteran—Mr. G. V. Glebe, as judge of all breeds. Sandwiched between these two, is the Pictou County Show, where Mrs. Drury L. Shereton and Dr. Frost will officiate.

Feverish last minute preparations are the order of the day in all these centres. The two new Clubs are going "all out" to make their first Shows something for the senior hands to talk about.

As these Notes will appear in the special Diamond Jubilee issue, I feel that it would be not only appropriate—but possibly interesting, if we were to take a brief look backward and study for a few moments the growth in our midst since its inauguration in 1888, and consider just what the C. K. C. has meant to these Maritime provinces.

Unfortunately, the record of the number of members in the Maritimes, in the earliest years of the Club's activities, is somewhat inadequate, but through the courtesy of three members of Nova Scotia—all of whom have a quarter century continuous membership to their credit—I have been able to compile a record of our numerical strength during the last 27 years. The three members to whom I am so greatly indebted are—Mrs. P. A. Margeson of "Cedarcrest" Kennels, Kentville; Mr. A. V. (Bert) Martin of "Oakland" Kennels, at Bedford, (one of the leading Collie Kennels in the Dominion), and Mr. Roy F. McKay of Halifax, N.S., a Boston Terrier enthusiast.

All of these members are still very active in canine circles in the Maritimes. There are several members in the province of New Brunswick who have equally impressive records, and three which come to my mind are—the Laskey Brothers, R. B. and W. T., and Ralph Preston of Saint John.

Statistics are generally pretty wearisome, but I hope the following will be both interesting and informative.

Going back to the year "1921", we found that New Brunswick had 26 members of the C. K. C., while Nova Scotia had only 13. In 1927 and 1928

Mrs. P. A. Margeson - **Kentville, Nova Scotia**

Nova Scotia had 27 and New Brunswick 25—but that was only some twenty years ago . . . the last available figures being for 1947. In 1932 and 1933 we found Nova Scotia had 24 and New Brunswick had 22 with Prince Edward Island coming into the picture with 3 members.

Ten years ago, 1937 and 1938, both provinces showed a slight improvement—Nova Scotia with 31 members, New Brunswick 29, and Prince Edward Island 1. Five years ago—1943—Nova Scotia stood at 49, New Brunswick at 32; and the following year (1944) Nova Scotia nearly doubled her membership having grown to 91—while New Brunswick had 49 and Prince Edward Island had 9. Since that year, Nova Scotia has shown a very substantial increase each year—having topped 104 in 1945 while New Brunswick had 62 members and Prince Edward Island 10.

In 1946, Nova Scotia showed greater strength, having 127 members, New Brunswick had risen to 78 and Prince Edward Island had grown to her greatest numerical strength of 16. In 1947—Nova Scotia was stronger than ever before in her history, having gone on to a membership of 150—thus making herself fifth—in numerical strength in the whole Dominion; New Brunswick had 79 and Prince Edward Island had 13. Nova Scotia has shown by a very wide margin a greater and steadier growth in membership than any of the other provinces that go to make up the Group of Provinces that are officially known in the C.K.C. as "The Maritimes", a fact, I suggest, that gives Nova Scotia reason for pardonable pride.

Those of us in the Maritimes who have the best interests of the Club at heart, are prone to wonder how long we shall have to remain a "Group of Provinces", and whether the time will ever come when each of these provinces will have its own representation on the Dominion Board. There are many who feel that it would be more satisfactory for all concerned, if our National Club were administered on similar lines to that of the Federal Government—where the smallest Province has its own representative. Although its population and area are very much smaller than other Provinces, one day we hope to see that happy state of affairs prevail—especially now that Newfoundland is contemplating confederation with Canada. A readjustment will then be necessary—and it is the hope of many that, each of the then ten provinces will have at least one representative on the Dominion Board. We do not aim to deprive any one Province of a single representative, but we do hope that "Minorities" will be given an independent voice in the Club's affairs. This may seem like that of a visionary, but less than ten years ago the atomic bomb was—just an idea.

While compiling these statistics. I was given the opportunity—through the kindness of Bert Martin—of reading through the first C.K.C. Stud Book. For the purpose of comparison, I would suggest that all who can obtain a copy, should do so. The first Stud Book covers the years from 1889 to 1891 and includes Registration Numbers from 1 to 1704. In these days of six figure numbers, it is interesting to know who was No. 1. Just by way of information for any who might be interested, I

may tell you that No. 1 was an English Setter, Female—"Forest Fern", bred and owned by that grand old gun-dog breeder, the late C. A. Stone of Toronto, who died, I believe, a few years ago. This Setter was whelped in 1884, a blue belton, by "Prince Royal" out of "Forest Ruby".

I was more particularly interested in early registrations from these Maritime provinces, and the earliest one that I could find was from Nova Scotia—an Irish Setter dog, apparently the first Irishman registered. He was "Bones" by "Oscar" out of "Nellie" and whelped February 28, 1884. He was bred by Thomas J. Egan of Halifax, N.S. The earliest New Brunswick registration that I could trace was that of a Collie, "Laddie", No. 1476, whelped in 1889 and bred by R. M. Mager of Saint John, N.B. While the first registration from Prince Edward Island was also a Collie, owned by Edward Manson of Summerside, his name was "Blair", No. 616. He was by "Red Gauntlet" out of "Madge" and whelped in January, 1890.

There are many entries that will be of interest to Maritimes. For example, I noted that No. 738 was a Skye Terrier, bred by John Peters of Halifax; while Nos. 761 and 768 were also Skye Terriers bred by P. & H. Smith of St. Stephen, N.B.

It is also interesting to note that the "Clumber Spaniel" was a favourite breed in Nova Scotia, for we find that Nos. 47, 48 and 49—as well as six other Clumbers, of a little later date, were registered by F. H. D. Veith who was an Officer in the Imperial Army, and made his home in Halifax.

It is rather interesting to note that one of the most popular breeds in those early days was "Cockers", and were far in advance of other breeds. In those first years, there were 395 registrations, 146 more than the next breed in popularity, which were "Saint Bernards" with 249. One of these, by the way, was bred and registered by R. H. R. Princess Louise.

We find Smooth Fox Terriers next in popularity, with 176; followed by English Setters with 157 dogs registered . . . there were 43 Irish and 31 Gordon Setters. There were 123 Rough Collies, and in addition to all these, we find that Pugs were very popular with 45, and Mastiffs had 39, but there were only 14 Wires. And so we can form some idea of the breeds which were popular in those early days—around 57 years ago.

I trust that our readers will find much interest in these statistics and that this retrospect into the early history of the Club may be instructive to new Members.

And now, in closing these Notes for this Diamond Jubilee issue, may I express the sincere hope that many of you will carry off one of the Silver Platters being offered by the Club to commemorate this milestone in her history.

Provincial News is somewhat scarce this month. The most outstanding item being that the Black Cocker, which made such sensational wins on the recent Circuit — International Champion Dream Boy of Chalburn, has now 4 Sons and 2 Daughters in Nova Scotia. These youngsters having arrived at "Cedarcrest Kennels" and Mrs. Margeson tells me they look very good. I shall give you their progress report later on.

So . . . now, until the November issue, to doggy people everywhere, Cheerio, and all the best.

"Meynell."

ONE of the most noticeable points in a Chihuahua is the apple-domed skull. It is said that the Mexican Indians bound into position a small hard bolus in the frontal depression in order to prevent development.

Centuries of being used for hunting snakes developed a peculiar spring-like jump into the air which is noticed even today. If a true-type Chihuahua is suddenly frightened it will spring into the air, making a half turn as if it were avoiding a snake on the ground.

Hull & District (Quebec) News

By Fred Blatch

WELL, here we are again, this time with the great Souvenir Number of "DOGS IN CANADA" and, before proceeding with the regular news, I would like as a writer to this publication to take this opportunity to express my sincere thanks and congratulations to the President and Board of Directors of The Canadian Kennel Club, also to our congenial Editor, Mrs. Alva McColl, for the splendid work they have done during 1948.

It would appear quite obvious that—with the same spirit of co-operation existing, there can be no doubts that the Canadian Kennel Club and its Official Organ, "DOGS IN CANADA", will rank second to none in the "World of Dogdom" for all time to come.

The newly formed Hull and District Kennel Club sponsored the first dog show ever to be held in the history of the City of Hull on Sunday, August 22nd. True, it was a Sanction Show, but the number of entries and the array of prizes surpassed many seen at numerous Championship point shows. The show was held in the large Drill Hall of the Hull Armouries—the most modern and spacious building for miles around these parts—and even in the heat of our August weather the building was delightfully cool.

The Show was held in aid of the Hull Rotary Club Crippled Childrens' Fund, and firmly established its popularity in Hull, when more than 1,000 persons witnessed keen competition among the 100 dogs entered. Indicative of the interest shown in the Show and the difficulty of the judges in picking winners, was the time it took the three judges to choose the best entries in the various classes. Judging commenced at 2.00 p.m., and ended at 11.30 p.m., with three rings going all the time.

M. C. (Mac) McLean of Hull, whose dogs have won him a near record of major awards in the United States as well as Canada, experienced a great "personal triumph" when his entry copped Best in Show at the first show held in his home town. The prize, a Silver Cup donated by the Province of Quebec Kennel Club, Montreal, was awarded to "Ida", a three year old Manchester Terrier and was presented to Mr. McLean by Mayor R. Brunet, O.B.E., of Hull.

In all, more than $225 in prizes were awarded, including 18 silver cups and 50 engraved silver spoons, ribbons and dog foods. Among the main prize winners were the following: Mac McLean—Best Dog; Lorne Moore—Best Sporting Dog; C. Monk—Best Sporting Dog (Hounds); Mac McLean—Best Working Dog; Mac McLean—Best Terrier; Mrs. J. A. Cryderman—Best Toy; T. M. Girouard—Best Non-Sporting.

FRED BLATCH

Secretary-Treasurer The Hull & District Kennel Club, Hull, Quebec.

Winners in the Childrens' Handling Classes were Roxy Smith, Madeleine Pilon, Noreen Abernathy and Laurence Lovett.

The judges—who did such a splendid job leaving no room for complaint, were W. C. Baldwin, Hull; David Arch, Westboro; John Barlow, Ottawa, and the ever popular Paddy Boughs, Toronto; who was visiting friends in Ottawa, kindly consented to judge the Childrens' and Ladies' Handling Classes.

Among the many well known dog fanciers present were Mayor Max Miller of Ogdensburg, New York; who addressed the exhibitors over the P.A. System; Mayor R. Brunet, O.B.E., of Hull; President Donat Vein, Rotary Club, Hull; Paddy Boughs, Toronto, and President W. Bertrand, Province of Quebec Kennel Club, Montreal. Mr. W. W. Rooney, our Provincial Director, also made the trip from Montreal, received a great ovation when he extended a warm welcome to the new club into the circuit and felicitations from the President and Board of Directors of the Canadian Kennel Club.

All in all, it was a very successful event and, President J. W. Dockrill, Hull and District Kennel Club, was overheard remarking "that the results were very gratifying and beyond expectations". Lionel Emond, spokesman for the Rotary Club, voiced his opinion as "the show was a huge success and more will surely follow". Now, watch for this Club's first Championship point show, it won't be long now! For a Club that has only been organized less than three months, we say "good going, and with that kind of steam—you'll surely go places!"

Had a surprise visit from my good old friend, that famous little Cocker Breeder, Johnny Milner from Winnipeg. Having been associated with Johnny for the last thirty years, it was a real pleasure to be able to sit down and talk Collies again with him. What he doesn't know about Collies, isn't worth knowing! Like all visits at this time of the year, it was all too short—as Johnny, like the rest of the boys, was heading for Toronto and the Canadian National Dog Shows. Incidentally, Mr. Milner brought along with him a very nice Silver Cup, engraved "The John Milner Cup" which he wants me to place for the Collies. Well, thanks a million, Johnny, for such a nice gesture. I'll see to it that the Cup is placed in accordance with your wishes.

Also received a long distance call from Charlie Taylor of Falconbridge, Ontario. He has received his new addition to his kennels, imported from England. Charlie had previously sent this writer a copy of the pedigree, and unless I miss my guess—after some 35 years' breeding and living with these beautiful creatures—this youngster will make his presence known in Canada as soon as he is ready to go. He is just over five months old now, sired by "Beulah's Golden Game" ex "Golden Rod of Wooden" and boasts of 16 English Champions behind him—the bloodlines that produced that famous undefeatable Collie, "Champion Breagate Model"—now owned by Mrs. Ilch of the Bellhaven Kennels in the United States. Get the best ground stock possible, it will pay in the long run. For future reference, remembr this youngster's name is "Golden Courier of Ugony". . . . That's the way to start a real kennel! Good luck to you, Charlie!

So-o-o that does it for this issue. Will be back with more interesting facts about interesting people in dogdom, in the meantime, Cheerio and happy landings!

CONGRATULATIONS
and GOOD WISHES to the

The German Shepherd Dog Club of Canada

By W. O. Flink

ON the evening of August 8th, 1922, a few fanciers of the German Shepherd Dog, (then known as the Alsation), held a meeting at which the late James D. (Jimmy) Strachan, moved that a Shepherd Club be formed.

The Motion was unanimously adopted, and under its first President, Dr. J. M. MacRae, the Alsation Shepherd Dog Club of Canada, became a going concern.

In 1930 the name was changed to the German Shepherd Dog Club of Canada, acknowledging the correct origin of the Breed, and coinciding with the breed name as recognized by The Canadian Live Stock Records in Ottawa.

The sole aim of the Club was to promote the good interests of the German Shepherd Dog, its Owners and Breeders, and the same spirit prevails today, 26 years later.

During these years, the Club has continually sponsored and regularly encouraged Bench Shows and Field Trials. Under the excellent leadership of Dr. J. N. MacRae, Alf Loveridge, Dr. H. H. Hodgson, Alec Gooderham, Zina Joyce, Basil W. Essery, K.C., M. C. Cameron Chisholm, the late Raymond A. Moll, Edison Hayman and our President of 1948—Gordon Coles, the Club has made good progress.

Members have been keenly interested in affording support in every effort and it is to be hoped that their continued help and co-operation will make the German Shepherd Dog Club of Canada worthy of the challenge of its founders, namely to foster the Breeding of Better Shepherd Dogs.

The Ladies Kennel Club of Saskatoon

By Mary A. Bottomley

THE Ladies' Kennel Club of Saskatoon was originally known as "The Ladies' Auxiliary to the Saskatoon Kennel Club". Its main object being to assist the parent Club in any way possible.

Later, the Ladies decided to form a Club of their own and a constitution was drawn up with the approval of the Canadian Kennel Club.

Our Club has steadily increased its membership, and each year we hold two one-day Championship Shows which draw entries from all parts of Canada with an increasing number from the United States.

During the war years, most of our proceeds from these shows were turned over to War Services.

The Canadian Kennel Club also sponsored the forming of a Junior Kennel Club, which has been quite a success among the younger members.

AT THE monthly meeting of our Club, plans were formulated for an Obedience Trial under C. K. C. Rules to be held at the home of Mr. and Mrs. William Hendry, 44 Atlee Avenue, Scarborough Bluffs, Ontario—the home of the famous "Sandorea Kennels".

We have been very fortunate in securing the well-known trainer and obedience judge—Mrs. Alva McColl to judge this Obedience Trial.

A sincere invitation is extended to those interested in training. Please read our advertisement in this Diamond Jubilee issue of DOGS IN CANADA for date, time and direction to location.

The Prize List of Specials is an outstanding one. Remember the date—3rd October, 1948.

Refreshments will be served with the compliments of our Club Members.

We would like to congratulate our most efficient secretary, Miss Audrey Johnstone, who has just announced her engagement to be married. Congratulations are also extended to Mr. and Mrs. Short who have been presented with a bundle from heaven. We wish to include in our congratulations, our treasurer, Blake Hunt and his bride on the occasion of their recent marriage. We wish them the best of luck—and much joy.

We were glad to see so many of our members at the Brantford show. "Sheila of Sandorea", owned by Mr. and Mrs. Hendry, went Winner's Bitch. Rudt of Barrimore, owned by Mrs. Ireland, went "Reserve". Sheila of Sandorea won the Best Shepherd Puppy and First in the Puppy Group—Nice going! Winners and Best of Breed went to the American Champion Drums of Longworth owned by Mrs. McCoy while "Reserve" went to Van of Braecliffe owned by Mr. Carpenter.

The Boxer Club of Canada

By Spencer Weller

ON a bench at the Hamilton Kennel Club show in September of 1946 a small group of enthusiastic Boxer owners decided they would form an association for furthering the interests of their favourite breed of dogs. Although the place chosen was somewhat inadequate for a venture of that kind, they had their initial meeting, and officers were elected.

Since the beginning the Club has had a phenomenal growth in membership and activities. Their first venture under the sponsorship the Club was an all-breed C. K. C. Sanction which was held at Hamilton last fall. The show was a huge success and attracted a large entry.

Their next venture was their first Specialty Show at which they had Mr. Charles W. Spannau of New York as their judge. Entries came from all over the Province and many from the U.S.A.

Following the show a successful banquet was held for members and guests. There is a membership of over fifty people in this progressive club which speaks well for the future.

The Ladies Kennel Club of Canada

By W. M. Steggall

THE Ladies' Kennel Club of Canada was founded in 1917 by a group of enthusiastic fanciers to promote the breeding and showing of Pure Bred Dogs by ladies. This is the oldest active Dog Club in Quebec and sponsors at least one Championship Dog Show annually. In 1929 the Club was granted a Federal Charter under which it still operates.

In addition to its annual Dog Show, which is considered one of the most atractive in the Dominion, the ladies have sponsored Obedience Trials and a demonstration of Obedience work by members of the New England Dog Training Club. This latter proved to be a popular innovation, and was the means of interesting many fanciers in Obedience work.

Since its inception, the Club has contributed handsomely to various charities. Since 1937 the shows have been given in aid of the Canadian National Institute for the Blind (Seeing Eye Service), to provide Guide Dogs for the sightless. To date (in spite of a period during the war when no shows were held) twelve dogs have been either bought or guaranteed from the proceeds of the shows.

Early in 1948 a Junior Group was organized, open to young people up to 20 years of age. The object being to initiate the younger dog fanciers into the finer points of running a Dog Show and the correct preparation and handling of their dogs. From the enthusiasm shown by this group at the meetings, it seems that Montreal can look forward to renewed "doggie" activity in the near future.

The Lakehead Kennel Club

THIS Club was first conceived in the mind of Tom Grimshaw, Proprietor of Shawhaven Kennels, Port Arthur, Ontario, who, noting that Pure Bred Dogs were gradually obtaining a foothold in the Lakehead Cities—though still in the pioneering stage—believed that the dog fancy at the Lakehead could be furthered by the establishment of a dog club.

In the Fall of 1943, Mr. Grimshaw contacted a few lakehead dog-fanciers and arranged for a preliminary meeting. The following Sunday afternoon seven men met in a room at the Port Arthur Armouries arranged for by Mr. Grimshaw, and proceeded to discuss the pros and cons for the formation of a dog club. The men in attendance at this informal meeting were C. J. Boyle, Wilfred Wright, Richard (Dick) Manning, Jack Irving, Reginald Laker (deceased), W. L. Olsson and Tom Grimshaw. A pro-tem Chairman and Secretary were appointed at this meeting. Inquiries were despatched to the London Kennel Club and the Greater Winnipeg Kennel Club asking for information and suggestions pertaining to the formation of a Club. The group held several meetings, laying the foundation for the formation of a Club, and finally felt they were prepared to make a public announcement.

A public meeting of those interested in Pure Bred Dogs was advertised and resulted in an attendance of about twenty-five. This first regular meeting was presided over by T. Grimshaw who explained the aims and objects of the proposed Club, and the following officers were elected: President, C. J. Boyle; Vice-President, T. Grimshaw; Secretary-Treasurer, Reg. Laker and an executive of six. The name "Lakehead Kennel Club" was decided upon at this meeting. Mr. Boyle was succeeded as President by Jim Booth, who has held the office ever since. Mr. Boyle has continued to act as a mainstay to the Club, putting his shoulder to the wheel whenever required. The young Club struggled along without a single member having had previous experience with dogs clubs or shows, with the exception of "Bill" Williams, an old-timer with considerable experience in England. Mr. Williams was of considerable value to the club at this stage, in keeping it along a proper course. By the spring of 1944 the club felt sufficiently on its feet to think of staking its first All-Breed Show, and at this stage Mrs. Pat Randall of Saskatoon was called upon to give the young club a great deal of guidance in show-procedure Mrs. Randall was untiring in her efforts to help, and despatched by mail voluminous instructions in show-procedure. She was eventually appointed All Breed Judge of the club's first show which was held in August 1944, in conjunction with the Canadian Lakehead Exhibition. In 1945 the All Breed Judge was Captain Will Judy of Chicago.

In 1946 the Club expanded its efforts to a double show, this feature having been maintained regularly since. The 1946 All Breed Judges were Mrs. Alva McColl of Toronto and Mr. H. P. Saunders of Calgary. In 1947 the Club had the services of Reg P. Sparkes, Toronto, and J. J. Duncan of Atlanta, Georgia. This year's double show was judged by Bobby Thompson, Calgary, and Hugh H. Allen, Winnipeg.

The Club's show arrangements have remained the same since inception, but a definite change is planned for 1949, when the Club hope to stage their Annual Show in a new building contemplated by the Lakehead Exhibition. Should there be a delay in the erection of this building, then the Club may stage a show under an entirely different venue.

The Club has adopted the slogan "Where East Meets West", and the origin of this slogan might be of some interest. In the fall of 1944 Mr. Grimshaw was visiting the east, interviewing various breeders and called upon Mrs. Alva McColl, now Editor of DOGS IN CANADA. In conversation, Mrs. McColl—inquiring as to the welfare of the infant club—casually remarked that the Lakehead Show might in time come to be recognized as the Show where Eastern Fanciers could meet those of the West. The thought persisted in the mind of Mr. Grimshaw, and eventually the phrase "Where East Meets West" was evolved.

The Lakehead Kennel Club is still a young Club, but its membership is growing fast, and each year sees new people taking up dog-breeding.

Kawartha Kennel Club News

By Robin Runnett

Peterborough Kennel Club was our city's first Dog Fanciers' Club. It flourished between 1926—1929 which held several shows, drawing large entries and attendance. Unfortunately, through lack of proper accommodation for handling the shows, the Club disbanded. Old-timers recall an overly exuberant local dog working off some of his steam during the night by wrecking the tent in which the show was being held (to the extent of some $200). This, you can well imagine, has been a great deterrent on the Club's activities. It is hoped that the "spell" will soon wear off, and that the Club will have much bigger and brighter prospects.

At present there are five of the "Old Club" members active in our new Club —Mr. & Mrs. H. Routley, Mr. & Mrs. William Thompson, Robin Runnett and Bert Lacey.

The new Club has held one Sanction Show and one exhibition of dogs to date, and are planning to have a Beagle Field Trial on September 18 and 19. The Field Trial is a product of our "Outdoor Committee" which hopes to have a "Fox Hound Trial" sometime this winter.

It is the desire of the Club to hold a Point Show in 1949 and we are looking for suitable buildings now.

A list of our Club's Officers and Committees appeared in an earlier issue.

The Eastern Ontario Collie Club

By Alma M. Harwood

THE Eastern Ontario Collie Club was inaugurated into being February 9th, 1948, with the interested efforts of some forty owners of Pure Bred Collies. In six months we have a membership of seventy owners and breeders, and trust it will be well over the hundred mark before the New Year comes into date.

Our purpose is at this time purely an educative one. The Care of the Puppy, Feeding, Grooming, Handling Everyday First Aid, and Studied Nutrition Plans are our main keynote. For the summer months we obtain boarding facilities for collie owners among our collie members. We help solve their problems at a telephone call, and we are always at our members' call when needed. We have entertained our members with a film night, two summer picnics, and lectures on Nutrition and Handling of the Pure Bred Collie.

During all business meetings we set apart a separate time for lectures and discussion. While our organization is being cemented for a bigger and better Club, so is our educative plans pushed to aid our members. Our last picnic, held August 15th, was attended by over a hundred and sixty members and friends, and forty collies were the subject of motion picture film. We intend using these later to be shown as an added interest for our members. We have extensive plans in store for this Club, with a future outlook to Specialty Shows but in the meantime we wish to train our members to know their Collie, to promote their Collie, and above all, to love their Collie for just what he is to them.

MEMBERSHIP INVITED

The Great Dane Club of Canada

THE Great Dane Club of Canada was formed on July 18th, 1948, by an active group of Dane lovers who felt that an organization of this kind was necessary to further the interests of all Great Dane Breeders in general.

Mr. George Wilkinson and Mr. Art Gray were the instigators of this movement who felt that while the efforts of individuals were of benefit to the breed, the unified effort of all Dane Owners would be even more beneficial.

At the first regular meeting the following Executive Officers were elected; President — Mr. George Wilkinson; Vice-President—Mr. Art Gray; Secretary—Miss June Keen; Treasurer—Mrs. Ella Malcolm, with an attendance of 28 interested person.

By our second meeting held August 14th, our membership had increased to 52 members, with representation across Canada and the United States.

The objectives of the Club are to promote the breeding, training and exhibiting of Pure Bred Dane Dogs, and every Member is expected to observe at all times, and under all circumstances, in the exhibition of his own or another's dog "GOOD SPORTSMANSHIP".

The last part of this pledge was exemplified at the recent five one-day shows held at the Canadian National Exhibition where certain Members having entries who completed their championships withdrew from competition on the remaining days to allow other exhibitors to further the points of their entries.

This seems to typify the feeling of all Members of this group and augurs well for the continued growth and success of this new and vigorous Club.

All Dane Owners are cordially invited to come along and boost this majestic Breed. All inquiries should be addressed to:

The Great Dane Club of Canada, 58 Wellington Street East—Suite 16-A, Toronto, Ontario.

Capitol City Kennel Club

By Mrs. Mary D. Gardner

THE Lord Mayor's Stork Club was organized in 1942—with the objective of providing layettes for expectant mothers and clothing for the bombed-out victims in England. The original members were Mesdames R. E. Austin, Ellen D. Grant, Alice Marr, Gladys Morton and Mary D. Gardner who made the clothing which was sent to the Lady Mayoress of Portsmouth, England. Her Majesty, the Queen,—on the occasion of one of her visits to Portsmouth, after an exceptionally heavy straffing,—saw some of the clothing made by these ladies and very much admired their handiwork.

As the war progressed, the ladies realized the necessity of supporting other charities and deemed it necessary to enlist the services of charming stalwart Messrs. J. S. Grant, A. E. Figg and J. G. Young, whose able assistance has been greatly appreciated.

In addition to accomplishing their original objective, the Club has been instrumental in assisting in raising thousands of dollars for many war charities including—the Kinsmen's Milk for Britain Fund, Chinese War Relief, I.O.D.E., Navy, Army and Air Force Mothers, 49th Battalion Association and many others.

For the past few years their activities have been confined to providing additional comforts for hospitalized veterans in the local military hospitals, as well as special equipment for the Therapeutic Ward of the Colonel Mewburn Military Hospital in Edmonton, in the form of a theracycle and a therapeutic precision lathe—the only one of its kind in Canada. The hospital authorities tell us the assistance from this Club has been of inestimable value in assisting disabled veterans to regain the normal use of their injured limbs.

The present officers of the Club are: Honourary President—Mr. H. P. Saunders; President—Mr. John S. Grant; Vice-President—Mrs. R. E. Austin; Secretary-Treasurer — Mrs. Mary D. Gardner; Executive Committee—J. G. Young; Chairman—Mesdames J. S. Grant, Christina Clarke, Alice Marr, and Mr. A. E. Figg.

Greetings!

The Officers and Members of THE ELGIN KENNEL CLUB join with other Kennel Clubs across Canada in extending sincere greetings and congratulations to The Canadian Kennel Club on the occasion of its Diamond Jubilee.

We recognize the leadership of this great organization down through the years, and look forward to continued pleasant associations in future years.

The English Cocker Spaniel Club of America

By Mrs. Mary D. Gardner

TO PROMOTE interest in Sporting Dogs, and because of increased popularity of the breed—English Cocker Spaniels—a Club was formed on January 27th, 1943, known as the English Cocker Spaniel Club of Alberta. The original Officers of the Club were: President, Mr. R. C. Macpherson; First Vice-President, Mr. George Watts; Second Vice-President, Mr. Charles Haggith; Secretary, Mr. John S. Grant; Assistant Secretary, Mrs. John S. Grant; Treasurer, Mrs. M. B. McColl.

The primary objectives of the Club were to encourage the breeding and exhibiting of high-class specimens of the breed—as well as to instruct junior members in the art of showing and judging their dogs. From the number of champions that have emanated from the kennels in this district, and the success of the junior members—who are now recognized judges by the Canadian Kennel Club—we feel we have made some progress and it is most encouraging to continue in the work we have undertaken.

The first Specialty Show of the Club was held in 1943 when Mrs. Pat Randall of Saskatoon officiated as Judge of the largest entry of English Cockers benched for a considerable number of years—which exceeded the entry of the breed at the Westminster Kennel Club Show that year.

Due to the rapid growth and popularity of the breed and the aggressiveness of the Club Members, they decided to hold their first All-Breed Show this Spring, which had a bumper entry with Mr. Sam Saidman of Winnipeg making the awards.

The Officers of the Club for 1948 are: Honourary President, The Honourable E. C. Manning, Premier of Alberta; President, Mrs. Ellen D. Grant; First Vice-President, Mr. C. A. Schickle; Second Vice-President, Mr. H. P. Saunders; Secretary-Treasurer, Mr. John S. Grant; Executive Committee, Mr. J. C. Young, Chairman; Mesdames Mary D. Gardner, Christina Clarke, W. The Emonton Kennel Club

By Mrs. Mary D. Gardner

City of Edmonton has been in existence for over forty years and is the Parent Club of this City. However, during World War I it was dormant, and, after the boys started to return from overseas in the Fall of 1918, a re-organization meeting was held in the office of Mr. Harry Nash for the purpose of again resuming doggy activities in this city. At this meeting, Mr. Nash was elected President of the Edmonton Dog Fanciers Club, who held the office of President for quite a considerable number of years.

In attendance at the re-organization meeting such well-known "old-timers" were present — Mr. Harry Nash, Mr. A. E. Figg, Mr. Jack Tanton, Mr. Joe Caswell, Mr. Billy Quilley, Mr. Jack Rawlings, Mr. Jack Richards, Mr. Bill Irwin and Mr. W. C. Burns, and many others whose names, unfortunately, have escaped our memory. It is a delight to mention that all the foregoing are still actively engaged in the dog game they love so well.

The Club held its annual Dog Shows in conjunction with the Edmonton Exhibition until the Exhibition was discontinued during World War II. During the years of the last War (II), they combined their activities with other Edmonton Dog Clubs—raising money for various War Charities. If memory serves correctly, the combined efforts of the Dog Clubs in Edmonton provided over $8,000 for these charities. Since the cessation of hostilities the efforts have been enjoined with the other Clubs in our city in providing additional comforts for hospitalized veterans in local military hospitals, as well as special equipment for the veterans' section of the Colonel Mewburn Military Hospital in Edmonton.

A few years ago it was considered that the name—"Edmonton Dog Fanciers' Club"—did not convey the proper nomenclature to the novice and the name of the Club was changed to "The Edmonton Kennel Club, whose object is still the "breeding and exhibiting of registered dogs"—the same as it was originally, some forty years ago.

The officers of the Club for 1948 are: President: Mr. A. E. Figg; Vice-President — Mr. James Kilgannon; Second Vice-President—Mr. E. P. Tusan; Secretary-Treasurer—Mr. Joe Caswell (a son of one of the original organizers of the Club); Executive Committee—Mr. J. G. Young; Chairman—Mrs. S. C. Arno, Messrs. J. Adamson, A. Farmer, J. J. Horne, R. Brown and S. Olsen.

The English Bulldog Club of Western Canada

By Mary D. Gardner

THE English Bulldog Club of Western Canada was formed in September, 1944 and held its first Specialty Show on Easter Monday, April 2nd, 1945, at the Palace Gardens in Edmonton, Alberta, with Mr. Reg. P. Sparkes officiating as judge.

With success attendance upon their first attempt—a second Specialty Show was held on April 2nd, 1946, and the Club decided to sponsor an All-Breed Show which was held on September 9th, 1946.

In 1947 the Club branched out, holding two All-Breed Shows on September 8th and 9th—in which case 50% or more of the proceeds of the shows were contributed to benevolent purposes.

The officers at that time were: Honourary President—Mr. Reg P. Sparkes; President — Mrs. Marie M. Glover; Vice-President — Mrs. Verna Barnett; Second Vice-President — Mrs. F. B. White; Secretary - Treasurer — Mrs. Margaret Maine; Show Committee—Mrs. R. E. Jones, Mrs. O. J. Thibert; Mrs. T. G. Darrington; Mr. C. E. White; Mrs. Verna Barnett; Mrs. E. M. Gordon; Mrs. F. B. White; Mrs. Margaret Maine; Mrs. Marie M. Glover and Mrs. N. B. Litz.

With such success in the past, the future of this Club is assured.

Nanaimo Kennel Club

By Lillian A. Hickling

NANAIMO KENNEL CLUB is Canada's most westernly Club and the second oldest in British Columbia, being formed in February, 1914. The officers elected being: President, R. Watson; Secretary, J. J. Cottle and Treasurer, C. Martin.

Mr. Jack Cottle is the only Charter Member who is still an active member of the Club.

A Matinee Show was held in April, 1914, and a second one in June, followed by a Point Show in August with Mr. Hickford of Victoria, B.C., judging all breeds.

During the war both Point and Matinee Shows were suspended, the last Point Show being held in 1942. Now, with several new fanciers—both from eastern Canada and Overseas—coming to make their homes in the city district, Nanaimo may again take her place amongst the Show-giving Clubs of British Columbia.

The present Officers of the Club have all held office for terms ranging from eleven years for the President, Mr. J. Galloway, to twenty-six for myself.

In conclusion, may I extend to the Canadian Kennel Club the best wishes of all our Members for the years that lie ahead.

The First "Field Trials" in Canada

By H. P. Saunders

THERE seems to be some difference of opinion as to the location of the first Field Trial held in Alberta. To clear the air, I had a talk with Joe Robinson of Pirmez Creek, Alberta, who produced the Cup won by the male English Setter, Ranger, owned by the late R. G. Robinson—one of Alberta's leading early ranchers — at the Field Trials held in Springbank, Alberta, adjoining the beautiful city of Calgary, Alberta.

The Cup can be seen any day at Joe Robinson's Ranch, Pirmez Creek, Alberta. It is a silver trophy with a prairie chicken on the top, and an English Setter between three guns, mounted on a silver base. It is a lovely thing!

To back up the proof of the win, Mr. Robinson and I went to see a picture of the trial, which was owned by Mr. Harris Wallis of the Carscallen Block, Sunnyside, Calgary, Alberta.

Mr. Wallis and his Father were the leading breeders and handlers of English Setters around the Calgary District, and Harry very graciously allowed us to have a cut made of the picture of the competitors and their dogs. The Winners were, Ranger, and the second and third, were owned by Hodder and Stuart.

Mr. Johnnie Hamilton was the Official Teamster of the day and he drove a buckboard drawn by two horses.

The date of this event was the fall of 1891.

I think I am safe in saying that the first Field Trials in Canada were held in the vicinity of Winnipeg, Manitoba, in the year 1885—by the North West Field Trial Club.

Mr. Thomas Johnson of Winnipeg, Manitoba, was the Dean of all Field Trialers at that time. He owned and campaigned Manitoba Rap, a consistent winner. He also owned the noted and famous Frank and May, great Field Trial dogs of the day, which left their stamp on many of the more prominent dogs of that time. Mr. Johnson imported most of his early dogs from the kennel of Major Lonsdale. He also ran dogs in Chatham, Ontario, on quail.

CH. ALBERSTAN INVADER

English Cocker Spaniel owned by Walter Ferrier of Montreal, P.Q. Bred by Mr. and Mrs. Dainard of New Westminster, B.C., this splendid dog finished his championship at Guelph Kennel Club Show with a three point win. He is seen here with his handler, Mr. Paddy Boughs of Toronto.

This same Johnson was the main man in the many events that followed, for later he brought out Alberta Joe and many others. Frank Walsh was the secretary for years. At these events, Colonel Jim Avant, of the noted firm of Avant and Jury, brought out Mohawk, handled by that grand and well-known handler, Charlie Murray, now of Ladner, British Columbia.

Mr. W. B. Wells of Chatham, Ontario, was an early owner and importer. In 1880 Mr. Smith of London, Ontario, imported from Purcell the Llewellyn Setter, Ch. Paris, who turned out to be a big winner. The late Frank Simpson of Winnipeg, Manitoba, was present when $5,000 was refused for Ch. Paris.

Professor Eric Hamber and Mr. A. Cold owned St. John Kennels, and who bred that famous black and white English Setter, Bang 3rd. They refused $800 for this dog.

Mr. E. Chevrier of Winnipeg had the pleasure of watching the great Pointers, Fisher's Frank and Hard Cash, run in Manitoba.

Manitoba was the cradle of Field Trials.

The Dogs of Britain

By A. Croxton Smith

THE people of Britain have been addicted to dogs from the earliest times. When Julius Caesar invaded the country in 55 B.C. he found there Mastiffs so courageous and of such great size that he sent many to Rome to fight in the arena. How they came into England is a matter for conjecture, for it is generally agreed that they were of Asiatic origin. Huge animals of a similar type are shown on *bas reliefs* in the Assyrian Gallery of the British Museum in London.

As the years went on, English monarchs presented Mastiffs to Continental Monarchs, who used them for fighting with their armies. Under the influence of breeding for shows they changed very much in type, becoming shorter in the face and more wrinkled, instead of being somewhat similar to Great Danes.

Next in order of seniority are Greyhounds, which were used for coursing deer and hares. After the reign of Elizabeth (1558 A.D. to 1603 A.D.) they coursed hare alone, a sport that has continued ever since. Many coursing meetings are held in Britain during the winter season, culminating in what is known as the Waterloo Cup, for which 64 dogs compete. In 1926 Greyhound racing was introduced from America, and has proved so popular that thousands of people frequent the tracks weekly and considerable fortunes have been made by promoters. A really first-class dog may be worth as much as £5,000. A third class of Greyhounds consists of show dogs, which are not chosen for cleverness or speed but simply for looks.

The Foxhound

When William I, conquered England in 1066, he brought with him the black-and-tan Bloodhounds that had been hunted in the Ardennes. By crossing them with the Talbot, a white hound marked with black and tan, the Foxhound was produced, a hound that has had great influence upon English country life for more than two centuries. Foxhounds have been bred to a high degree of perfection. Another form of hunting is the chase of the hare with Harriers, many of which are now merely small Foxhounds, though there are still packs of old-fashioned Harriers, which probably had their origin in French hounds of a similar character. Beagles, old British hounds measuring from 10 inches to 16 inches in height, are also used for hare hunting, the followers running on foot instead of riding.

We cannot say when Spaniels were first introduced into England, though it is certain that they were there in the 15th century, when every gentleman followed the sport of hawking. There were then two kinds, one of which flushed the game birds for the hawks. This ultimately developed into what is now called the English Springer, one of the most useful sporting dogs we have, for he is able to hunt the game out of rough stuff and retrieve it after it has been shot.

As firearms came into use these Spaniels were developed into Setters, their duty being to quarter the ground a little in advance of the shooters, and to remain transfixed until the game had been disturbed and shot. These dogs are bred to a large extent for shows, the favourite being the Irish Setter, whose red colouring appeals to the public.

Pointers appeared at the opening of the 18th century, presumably from Spain, and soon shared the favours of huntsmen with the Setters, their duties being similar. Then shooting men thought it would be more convenient to have another dog specially for this purpose, and they made Retrievers by crossing an English Setter or water Spaniel with the Labrador, that had been imported from Newfoundland. Since then we had another variety, the Golden Retriever, which has increased much in numbers, especially at shows.

"Now they call me the Eager Beagle!"

Looking at this little bundle of mischief and energy, you'd never guess he'd had a recent battle with worms. He can thank his master for those high spirits.

When the first symptoms appeared, his owner used Sergeant's SURE SHOT Capsules. Simple to administer, safe and gentle on the dog, they are sudden death for worms. Follow-up treatments with Sergeant's Vitamin Capsules helped to bring him up to his present high spirits and rollicking good health.

Sergeant's Puppy Capsules, specially developed for pups and small dogs weighing less than ten pounds, offer the same effective means for worming from puppyhood on.

Sergeant's leadership in the dog care field is based upon a real love for dogs, backed by careful research and testing by consulting veterinarians. You can depend on each of Sergeant's 19 Dog Care Products for purity, dependability and complete safety. They can help you give your dog the care he deserves.

Toronto Kennel Club, Sept. 4 ..... Best of Winners—3 points
Canadian National Exhibition, Sept. 6 .... Best of Winners—5 points
Canadian National Exhibition, Sept. 8 .... Best of Winners—3 points

CH. COSBURN'S GALLANT CHUM acquired his title when barely ten months of age in the minimum time possible against the hottest competition, being undefeated by any other male. He is a light-weight dark seal with perfect snow-white markings, a compact, short body with exceptionally well-knit, clean straight limbs giving him a perfect carriage and gait. His dark eyes, erect ears, short muzzle and perfect markings combine to give him that beautifully alert, intelligent and benevolent expression so much sought after. His breeding combines blood lines of today's greatest producing strains of Boston Terriers. He is a son of Ch. Visitor's Gallant Flash and a grandson of Ch. Bigg's Royal Visitor. He is a grandson of Canada's greatest Boston sire, the late Ch. Regard's Wee Model and his mother is a full sister of the celebrated Ch. Sylvan Glen's Lady Valentine.

CH. COSBURN'S GOLDEN GIRL finished at seventeen months, having been shown fearlessly since reaching twelve months of age. Her wins include Two Non-Sporting Groups. She is a beautifully marked golden brindle, having a perfect head and expressive dark eyes. She has a short, sturdy body and good station and carriage. weighing 13½ lbs. She is a daughter of the late Ch. Regard's Wee Model, her mother being a grand-daughter of Ch. High Hat Ringside Show Boy. She has been retired to our breeding kennels and will shortly be mated with an outstanding stud.

Dogs of Britain

(*Continued from page* 46)

Terriers are much liked as companions by all sections of the community on account of their convenient size, their hardy constitutions, and their quick intelligence. There the 21 kinds in Britain, all of which are ready to kill rats and any sort of vermin. Those most in demand for shows are the Wire Fox Terriers, some of which have been sold to America for £2,000. Airedales are too big to go to ground, but they serve well for police dogs, guards and companions. Bull Terriers, which came from a cross between Bulldog and Terrier, are of incomparable courage. At one time whites only were seen at shows, but we now have brindles, red-and-white, and other colours.

Giants among all dogs are Irish Wolfhounds, some of which weigh 200 lbs. They are rough coated, grey, fawn, brindle, red, or dark-blue grey in colour. Most in demand of the big dogs, however, are Great Danes, which have been bred with much care. Bloodhounds, more often than not black-and-tan in colour, but sometimes red, are supposed to have the finest nose of any hound, and one that is well trained is able to hunt the trail of a man 24 hours after it has been laid.

The Bulldog

After Mastiffs, the most characteristically English is the Bulldog, a powerful animal standing on moderately short legs set wide apart. His head is very characteristic, being wide in skull, heavily wrinkled, and so short in face that the nose is set right back, while the broad underjaw has an upward sweep. This type has been used in extensively for infusing courage into other breeds.

England has several sheepdogs, the best workers being the small black-and-white, long coated Border Collies. The show Collie, which comes from the same stock, is taller and really beautiful in his long coat. The Old English Sheepdog is also blessed with good looks. More heavily constructed than the Collie, he has a profuse shaggy coat of various colours.

BOARD OF DIRECTORS — MEETING

FROM THE OFFICE OF THE SECRETARY-TREASURER

1073. The regular monthly meeting of the Board of Directors of the Canadian Kennel Club Inc., was held in the Canadian Room, Saskatchewan Hotel, Regina, Sask., on Friday, August 20th, 1948, commencing at 11.30 a.m. The President, Reg. P. Sparkes, presided. Directors present included: C. C. Biggar, Walter J. Pym and H. P. Saunders.

The Secretary read letters from Directors present included: C. G. Biging best wishes for a successful meeting and rally in Regina and felicitations to the members in the western provinces.

1073A. MINUTES OF PREVIOUS BOARD MEETING

SUBJECT: The Secretary presented the minutes of the meeting of the Board of Directors held on July 6th, 1948.

RESOLUTION: It was regularly moved by Director Saunders, seconded by Director Pym:

"THAT, the minutes of the meeting of the Board of Directors held on July 6th, 1948, as prepared by the Secretary, be adopted." Motion carried.

1074 (1054) REPORTS AND CORRESPONDENCE RE SHOWS

REPORTS: The Secretary presented the following reports:

(a) Director W. P. Moore's reports on the shows held in the Maritime Provinces in June;

(b) The C.K.C. Representative's reports on the following shows:

The Greater Winnipeg Kennel Club shows held on June 25th and 26th; the Brandon Kennel Club show held on June 30th; the New Westminster Kennel Association shows held on July 2nd and 3rd; the Kiwanis Club of Point Grey Kennel Club shows held on July 6th and 7th; the Brant Kennel Club show held on August 7th; and the Lakehead Kennel Club shows held on August 10th and 11th.

RESOLUTION: It was regularly moved by Director Pym, seconded by Director Biggar:

"THAT, the reports be received and filed for possible further reference." Motion carried.

REPORT: The Secretary reported that part of the official returns for the shows held at Brandon on June 30th and July 1st was received on July 21st but the balance of the returns (including the judges' books and entry forms) did not reach the office until August 13th.

RESOLUTION: It was regularly moved by Director Saunders, seconded by Director Pym:

"THAT, the Brandon Kennel Club be informed that if the failure to promptly send in the required returns for a championship show is repeated, the Board of Directors will instruct that the date fee be forfeited." Motion carried.

ACTION: The Secretary was directed to send to Mr. S. C. McLennan of the Manitoba Provincial Exhibition, a copy of the letter being forwarded to the Brandon Kennel Club.

The Secretary was also directed to inform Mr. McLennan that the C.K.C. Representative's report indicated that the building in which the shows were held on June 30th and July 1st was not as satisfactory as it might have been, and it is anticipated that if the Exhibition contemplates the holding of further championship shows, arrangements will be made to provide a suitable building.

SUBJECT: The Secretary read a letter from the Hamilton Kennel Club which indicated that in handling the protest submitted by Mrs. A. McEnery, the Club had not entirely followed the procedure outlined in Chapter 23, Section 3 of the Dog Show Rules.

RESOLUTION: It was regularly moved by Director Pym, seconded by Director Biggar:

"THAT, since the Hamilton Kennel Club did not deal with this protest in the manner required by the Dog Show Rules, the Board of Directors is of the opinion that no action should be taken with regard to the protest." Motion carried.

SUBJECT: The Secretary read a letter from the Secretary of the Fredericton Kennel Club which indicated that following investigation of a protest submitted by Mrs. E. P. Howes, East Bridgewater, Mass., it was found that the English Springer Spaniel DUNOON LADY WNALOT, was not benched prior to the judging on Tuesday, June 29th.

RESOLUTION: It was regularly moved by Director Saunders, seconded by Director Biggar:

"THAT, the Secretary communicate with Mr. Ted Ward, the handler of this dog, and obtain his views with regard to the finding of the Fredericton Kennel Club." Motion Carried.

SUBJECT: The Secretary read a letter, addressed to the Board of Directors, by Mr. Ralph Barrie, Maplewood, B.C., who referred to the standard of the Welsh Corgi (Pembroke) so far as it related to weight. Mr. Barrie was of the opinion that there should be a limit as to "how far one may stretch this weight re dog or bitch otherwise there is no point in showing dogs or breeding to a standard."

DISCUSSION: The Board agreed, and so directed the Secretary to inform Mr. Barrie, that the standard did not fix any definite weight limits below which or above which automatic disqualification would take place, and since this was so, it rested with the judges to determine the extent by which they would penalize any dog not within the weights "preferred" by the standards for the breed.

SUBJECT: The Secretary read letters from Director V. W. Williams; Mrs. T. P. Murray of Vancouver; Mr. O. Balshaw, Show Secretary for the Kiwanis Shows held at Vancouver on July 6th and 7th; Mrs. R. Simpson, Secretary of the Greater Winnipeg Kennel Club, all of which commented favorably on the results of Mr. Loveridge's attendance at shows held at Winnipeg, New Westminster and Vancouver.

SUBJECT: The Secretary read a letter from Director Rooney, commenting on the Representative's report on the Kitchener-Waterloo Kennel Club Show

held on July 5th. Mr. Rooney suggested that no action should be taken on the report until the facts from all sides had been obtained.

ACTION: No action was taken, since the matter of the Kitchener-Waterloo Kennel Club Show is still receiving the attention of the Ontario Board.

1076 (1055) REGISTRATION

REPORT: The Secretary reported that Mr. T. E. Gundersen had inspected the ten American Cocker Spaniels for which Mrs. Allan C. Bate of Aylmer East, Quebec, had made application for registration under Article 33, Section 7, of the Constitution. Mr. Gundersen's report recommended the registration of the dogs.

The Secretary submitted a file in respect to Mrs. H. H. Ross' request that the Collie, PAT'S OWN ABERDEEN (234483) be transferred to her, although she was unable to obtain the signature of Mr. B. Barnes from whom she purchased the dog. Director Saunders reported on this rile and recommended that the Registration Committee authorize the transfer.

The Secretary reported that Mr. T. E. Gundersen had inspected three Australian Terriers imported from Australia by Mr. W. R. Morrison of Billings Bridge, Ontario. Mr. Gundersen's report recommended registration of three dogs.

The President reported that he had, while in Edmonton, inspected a number of Rhodesian Ridgebacks owned by Mr. C. A. Crawford. The President recommended that the Registration Committee authorize the registration of of these dogs.

RESOLUTION: It was regularly moved by Director Saunders, seconded by Director Pym:

"THAT, these files be referred to the Registration Committee for their attention." Motion carried.

1077 LETTER FROM FOXHOUND KENNEL STUD BOOK OF AMERICA

SUBJECT: The Secretary reviewed a letter received by Mr. R. G. T. Hitchman, Director of the Canadian National Live Stock Records, from Mr. Joseph J. Jones, Keeper of the Foxhound Kennel Stud Book of America, in which Mr. Jones requested recognition of their Stud Book.

DISCUSSION: The Board discussed this request and agreed that in view of the Club's reciprocity agreement with the American Kennel Club, no action should be taken.

1078 A LETTER FROM GEORGE KYNOCH

SUBJECT: The Secretary read a letter, addressed to the Directors, from Mr. George Kynoch, in which Mr. Kynoch made application for reinstatement, stated that the "three years suspension" had greatly impaired his livelihood, that the breeding, selling and showing of dogs had been his only means of support for many years, and that if the suspension is lifted, "the dignity of the Canadian Kennel Club will be upheld and all rules and regulations of the Club complied with."

RESOLUTION: It was regularly moved by Director Saunders, seconded by Director Pym:

"THAT, Mr. George Kynoch's application for reinstatement be granted and that his suspension be lifted." Motion carried.

1080 (1043) LETTER FROM DIRECTOR W. W. ROONEY

SUBJECT: The Secretary read a letter from Director Rooney who stated that the Minutes of the Meeting of the Board of Directors held on June 10th (Item 1043) did not correctly indicate the contents of his letter, and since "there is nothing of a libelous nature" in the letter it should have been inserted into the Minutes in its entirety. He further stated that since the Resolution of the Board was published, he felt that his reply in full should have been published through the same medium.

A letter from Director Kenyon was read which expressed the view that Mr. Rooney's letter should be filed.

RESOLUTION: Following discussion, it was regularly moved by Director Pym, seconded by Director Biggar:

"THAT, Director W. W. Rooney's letter be filed." Motion carried.

1081 LETTER FROM T. C. WYLIE

SUBJECT: The Secretary read a letter from Mr. T. C. Wylie marked for the attention of the Board of Directors, and also copy of a letter which Mr. Wylie had addressed to the Editor of DOGS IN CANADA. In both letters Mr. Wylie referred to the recent death of Mrs. C. M. Wellwood, Riverside, Ontario, and paid glowing tribute to the work of both Mrs. Wellwood and the late Mr. Wellwood, particularly in respect to their duties as officials at shows held by the Windsor Kennel Club.

DISCUSSION: Director Biggar drew the attention of the Board to the fact that Mr. Robert Simpson of Winnipeg had recently passed away.

ACTION: The Secretary was directed to convey to Mrs. Robert Simpson and to the daughter and son of the late Mrs. Wellwood the Board's deepest sympathy.

1082 LETTER FROM MRS. E. BARNES

SUBJECT: The Secretary read a letter, addressed to the President and Directors, from Mrs. Barnes, Toronto, in which Mrs. Barnes commended the Editor of DOGS IN CANADA on the recent issues of the publication.

ACTION: No action was considered necessary.

1085 (1061). REGISTRATION OF KENNEL NAMES

REPORT: The Secretary reported on the list of kennel names for which applications for registration had been made, and read a letter from J. S. Roy, Cooksville, Ont. (registered kennel name FAIROY) objecting to the application for the kennel name FAIRWAY.

RESOLUTION: It was regularly moved by Director Saunders, seconded "THAT, the applications for registration of the following kennel names be approved:

CHRISTIMERE—Mrs. Susan K. Davis, Youbou, B.C.; ELLASDALE—V. E. Sacre, Brussels, Ont.; ERITH—William Hayden, North Mount, Ont.; FIR SONG—W. H. & Vera Gibson, Colwood, B.C.; HALLAU—Mrs. Mary C. ACTION: The Secretary was directed to request that the applicant for the kennel name FAIRWAY select another kennel name.

REPORT: The President reported on his conversation with Mr. and Mrs. John Low of Winnipeg in respect to their application for registration of the kennel name KILORAN.

ACTION: The Secretary was directed to communicate with the person who had objected to KILORAN and see if he is prepared to withdraw his objection.

SUBJECT: The Secretary read a letter from Mr. and Mrs. Thos. Wardle of Port Arthur, Ont., requesting the Board's further consideration regarding their application for the kennel name ELDRAW.

ACTION: The Board discussed whether or not the Board's earlier decision in respect to this application should be sustained. It was agreed that in view of the objection received by the Secretary, it would not be advisable to alter the Board's earlier decision, and the Secretary was therefore directed to request Mr. and Mrs. Wardle to select another kennel name.

SUBJECT: The Secretary reviewed correspondence with Mr. E. J. Zadow, Eganville, Ont. (registered kennel name BONNE CHERE) regarding Mr Zadow's objection to the kennel name BONNEVILLE).

ACTION: Following discussion it was felt that no action should be taken to alter the Board's earlier decision granting the kennel name BONNEVILLE for it was felt that there was sufficient difference to warrant the approval of the application for the name BONNEVILLE.

The Board adjourned for lunch at 1:30 p.m. and reconvened at 2:30 p.m.

May 24th—Guelph Kennel Club, Championship show at Guelph.
June 11th—Progressive Kennel Club, Championship show at Unionville, Ont.

The President reported that the Fort Garry Kennel Club had indicated its wish to move its scheduled championship shows from September to November 5th and 6th.

RESOLUTION: It was regularly moved by Director Pym, seconded by Director Biggar:

"THAT, the change of dates for the Fort Garry Kennel Club shows be approved; that the Brant County Beagle Club be asked to select other dates; that the applications for 1949 dates be referred to the Ontario Board; that the applications for dates as received from the Vancouver Island Dog Fanciers Association be held in abeyance, and the balance of applications for dates, as reported on by the Secretary be approved conditional that: (1) Proper applications are received by the Secretary; (2) Approval is given by the appropriate date committee or provincial director concerned; (3) That the requirements of Chapter 3, Section 1 of the Dog Show Rules are observed so far as it concerns championship shows." Motion carried.

SUBJECT: The Secretary read a letter from the Saskatoon Kennel Club which indicated that the Saskatoon Kennel Club was obliged to cancel its proposed summer shows due to difficulty in obtaining a suitable building at a reasonable rental fee.

ACTION: The Secretary was directed to refund the date fees which accompanied the applications for the dates—July 21-22, 1948—as received from the Saskatoon Kennel Club.

REPORT: The Secretary reported that the members of the Board in Ontario had by mail:

(1) Approved of the addition of Mr. Elwood E. Doyle, Staten Island, N.Y., as judge of all Cocker Spaniels to the previously approved list of judges for the Toronto Kennel Club show to be held on Sept. 4th;

(2) Approved of the request, submitted by the Niagara Frontier Kennel Club to alter its previously approved list of judges for its championship show to be held on September 25th to the extent that Mr. Hans Oberhammer would judge all breeds in Group 5 instead of Mr. L. J. Murr.

ACTION: The Board confirmed the action taken by the Secretary in respect to these items.

SUBJECT: The President reported that in his conversations with officials of show-giving clubs it had been suggested that show-giving clubs should not be required to see that persons selected to judge at championship shows complete the required application for judge's license forms.

ACTION: After discussion it was agreed that henceforth the Secretary would send the forms direct to those selected as judges and request that they complete the forms and return them direct to the Club's office in Toronto.

1087 (1064). APPLICATIONS FOR HANDLER'S LICENSES

REPORT: The Secretary reported that the following persons had made application for handler's licenses to handle the breeds enumerated hereunder:

(1) Johnnie D. Long, Tacoma, Washington—All breeds.

(20) Mrs. Marie M. Glover, Edmonton, alta.—All breeds.

(21) Joseph Fleming, Calgary, Alta.—All breeds.

(22) Bart W. Foster, Winona, Minn.—All breeds.

(23) William Quilley, Edmonton, Alta. —All breeds.

(24) M. B. Zwicker, Halifax, N.S.—All breeds in Groups 1, 2, 3, 4 and 6; Miniature Pinschers.

(25) Richard Frams, El Monte, Cal.—All breeds.

(26) August R. Hill, Roscoe, Cal.—All breeds.

The Secretary read a letter from the American Kennel Club which indicated that:

(1) Mrs. L. A. Thompson had not submitted an application for handler's license to the American Kennel Club.

(2) Victor Reynolds Jr., was the holder of an Assistant Handler's License.

(3) C. R. Norton had submitted an application for handler's license to the American Kennel Club.

RESOLUTION: It was regularly moved by Director Pym, seconded by Director Biggar:

"That, the applications submitted by Mrs. L. A. Thompson and C. R. Norton be held in abeyance pending receipt of information from the American Kennel

(4) The residents of the United States listed are licensed and approved by the American Kennel Club as a handler." Motion carried.

1088. ARRANGEMENTS FOR ANNUAL MEETINGS—1949

REPORT: The Secretary reported that in order to ensure the availability of suitable accommodation for the annual meetings in 1949, tentative arrangements had been made with the King Edward Hotel, but in order to confirm these arrangements it would be advisable for the Board to set the dates of the annual general meeting and the annual meeting of the Board of Directors.

RESOLUTION: It was regularly moved by Director Biggar, seconded by Director Pym:

"That, the Secretary be authorized to make arrangements with the King Edward Hotel for the holding of the annual general meeting on February 10th, 1949, and the annual meeting of the Board of Directors on February 9th and 11th, 1949, and the Secretary be authorized to send out notices calling these meetings at the appropriate time." Motion carried.

1089 (1049. B.C. FLOOD RELIEF

SUBJECT: The Secretary read a report submitted by Director V. W. Williams to the effect that a meeting of the B.C. members of the Canadian Kennel Club was held on June 12th with a view to determining the procedure to be followed in raising funds for the Emergency Relief Fund; that a committee had been appointed and that a Sanction Show was held on June 23rd at Vancouver and also a Sanction Springer Spaniel Trial on the grounds of Mr. and Mrs. Jack Smyth at Lynmour. B.C., on June 27th. As a result of these activities the sum of $864.84 was turned over to the custodians of the Relief Fund and this, together with the $200 contributed by the Canadian Kennel Club made a total of $1,064.84.

The Secretary read a letter of thanks from the Royal Trust Company, custodian of the Emergency Fund, expressing appreciation for the contribution made direct by the Canadian Kennel Club.

RESOLUTION: It was regularly moved by Director Saunders, seconded by Director Biggar:

"THAT, a vote of thanks be conveyed to the B.C. Director and the Committees and individual members, who so kindly gave of their time and efforts in raising the substantial sum contributed to the Emergency Relief Fund." Motion carried.

RESOLUTION: It was regularly moved by Director Saunders, seconded by Director Pym:

"THAT, Mrs. G. McGee be reinstated and the application for reinstatement of Mrs. C. Bloomfield be held in abeyance." Motion carried.

1091 (1048). FIELD TRIAL REPRESENTATIVE (QUEBEC)

SUBJECT: The Secretary read a letter from Mr. W. F. Brennan, of Noranda, Que., who stated that he was not able to give the position of Field Trial Representative the time and attention it requires, and that he therefore did not wish to accept the appointment as Field Trial Representative for the Province of Quebec for the balance of 1948.

ACTION: No action was considered necessary.

1092 (1065). NEW CONSTITUTION AND BY-LAWS

SUBJECT: The Secretary read a letter which Mr. Frank Wilkinson, K.C., the Club's solicitor, had addressed to the Department of Agriculture in reply to the communication received from the Department relative to the Club's application for approval of the Constitution and By-laws adopted by the members at the last Annual General Meeting.

ACTION: It was felt that no action was necessary pending receipt of further word from the Department of Agriculture in reply to the communication addressed to the Department by Mr. Wilkinson.

1093. BALLOTS

DISCUSSION: The matter of the Election Commission identifying the ballots in a more specific form was discussed.

RESOLUTIONS: It was regularly moved by Director Saunders, seconded by Director Biggar:

"THAT, the Election Commission be contacted with a view to arranging for some special method of identification which only the Election Board could

It was regularly moved by Director Biggar, seconded by Director Pym:

"THAT, the Secretary arrange for the printed ballots to be delivered direct by the printers to the Election Commission and not to the office of the Canadian Kennel Club." Motion carried.

1094 (991). PRINTING OF STUD BOOK—VOLUME 51

REPORT: The Secretary reported that information received from the Canadian National Live Stock Records indicated that only 205 copies of Volume 51 had been ordered by members of the Club. He asked for instruction regarding the number of copies of this Volume to be printed.

RESOLUTION: It was regularly moved by Director Biggar, seconded by Director Pym:

"THAT, 350 copies of Volume 51 be ordered from the printers." Motion carried.

1096. OBEDIENCE TRIAL RULES

SUBJECT: The Secretary read a letter from Miss V. E. Meyers of Toronto who recommended alterations in the Obedience Trial Rules so far as the rules concerned the requirements for C.D. and C.D.X. titles.

ACTION: Since most Obedience Trials are held in the Province of Ontario, the Board agreed that this matter should be referred to the Ontario members of the Board for consideration.

1097. PURCHASE OF SAFE

REPORT: The President reported that in moving the Club's offices it was found very difficult to make arrangements for moving the safe then located in the Melinda Street office. In consulting safe specialists it was found the safe was absolutely valueless for safe-keeping purposes, and was in fact not worth the expense involved in its removal. He therefore asked that the Board confirm the purchase of a new safe.

RESOLUTION: It was regularly moved by Director Pym, seconded by Director Saunders:

"THAT, the order for a new safe as placed with J. & J. Taylor Ltd., be confirmed." Motion carried.

1098. PURCHASE OF POSTAGE METER MACHINE

DISCUSSION: Director Biggar voiced the opinion that the Club should use a postage meter machine rather than follow the present method of handling the mailing of the Club's correspondence.

RESOLUTION: It was regularly moved by Director Pym, seconded by Director Biggar:

"THAT, the Secretary be authorized to purchase a Postage Meter Machine." Motion carried.

1099. PRIZES AND FIELD TRIALS

SUBJECT: The Secretary read a night letter dated August 20th as received from Mr. N. F. Lee, Secretary of the Edmonton Sporting Dog Club, in which Mr. Lee referred to discussions at Edmonton regarding the Canadian Kennel Club providing a prize for the Edmonton Field Trial.

DISCUSSION: In discussing this matter, the Board felt that if the request of the Edmonton Sporting Dog Club is granted, then it would be necessary for the Canadian Kennel Club to provide such prizes at all Championship Field Trials held under its rules. The Secretary was therefore directed to inform Mr. Lee that the Canadian Kennel Club could not accede to the request of the Edmonton Sporting Dog Club at this time.

1101. FIELD TRIAL RULES

REPORT: The President reported that in the course of his conversations with the followers of field trials for the Pointing breeds, it was apparent that these enthusiasts felt that the field trial rules for the Pointing breeds, as adopted last February, were inadequate. The Secretary reported that letters received from Mr. F. A. S. Jones, Charlottetown, Field Trial Representative for the Maritime Provinces, indicated a similar feeling on the part of Mr. Jones.

DISCUSSION: In discussing this matter, the Board agreed that it was inadvisable to continue amending the field trial rules periodically but that some temporary arrangements should be made pending the next annual meeting when the Board could decide on a comprehensive set of Rules after obtaining the views of those interested in field trials for the Pointing breeds. It was suggested that the Rules of Purpose and Performance for Pointers and Setters, as adopted in February, 1947, be reinstated and to govern any trials for the Pointing breeds held before December 31st, 1948.

CHESTNUT KENNELS

WM. RUSHTON — Wires Since 1908 — R.R. No. 3, GUELPH, ONT.

RESOLUTION: It was regularly moved by Director Saunders, seconded by Director Pym:

"THAT, the clubs holding field trials for the Pointing breeds before December 31st, 1948, be advised that they are to be governed by the Rules of Purpose and Performance for Pointers and Setters as set forth on page 48 of the 1947 Book of Rules, and every effort be made to obtain their views with regard to more comprehensive rules regarding the Pointing breeds for the consideration of the Board of Directors at its Annual Meeting in February, 1949." Motion carried.

SUBJECT: The Secretary referred to the invitation, published in DOGS IN CANADA, to Retriever field trial enthusiasts to submit their views in respect to compulsory land and water tests, and reported that only three letters had been received in response to the invitation and these indicated divided views on the subject.

ACTION: Since there appeared to be little interest in respect to this requirement of the Field Trial Rules, it was agreed that, for the time being at least, no action should be taken.

1102. ADVERTISEMENTS RE DOGS

SUBJECT: The President reported that while in Victoria his attention was drawn to an advertisement which offered dogs for sale "with papers, $35; without $25."

DISCUSSION: Reference was made to an article which appeared in the November (1947) issue of DOGS IN CANADA which pointed out that the Board of Directors regarded this form of advertising and selling of dogs as prejudicial to the interests of the Club.

ACTION: The Secretary was directed to ascertain the source of the advertisement drawn to the President's attention and inform the advertiser of the Board's views with regard to such advertising.

1105. CERTIFICATE OF MERIT—

SUBJECT: The President reported that during the course of his trip through Western Canada, it was suggested that the Canadian Kennel Club, rather than the field trial clubs, provide Certificates of Merit for dogs which, while not placed in the scheduled stakes, were nevertheless highly regarded, by the judges, for meritorious work. It was pointed out to him that such an arrangement would lend greater respect for such certificates and be an encouragement to field trial enthusiasts. The President recommended that the Board authorize the procurement and distribution of such certificates.

RESOLUTION: It was regularly moved by Director Saunders, seconded by Director Pym:

"That, the President and Secretary arrange for Certificates of Merit." Motion carried.

1106. C.K.C. PRIZES

SUBJECT: The President reported that officials of show-giving clubs had suggested to him that it would be highly desirable to have the C.K.C. silver platters available for presentation at the shows.

RESOLUTION: It was regularly moved by Director Biggar, seconded by Director Pym:

"THAT, the C.K.C. trophies be delivered to the Club or Show Secretary before each show in order that such prizes can be delivered to the winners (if indicated) at each show" Motion carried.

1107. WESTERN MEETING AND RALLIES

SUBJECT: Director Saunders referred to the President's trip through the western provinces and stated that the western members appreciated the consideration shown by the meeting at Regina as well as the President's visit to the major centres in Western Canada.

RESOLUTION: It was regularly moved by Director Saunders, seconded by Director Pym:

"THAT, a hearty vote of thanks be extended to the President and to those responsible for the Western rallies. Motion carried.

DISCUSSION: The President and Secretary voiced their appreciation of the splendid arrangements made by Director Pym for this meeting of the Board of Directors and the Members' Rally to follow.

1108. ADJOURNMENT

On motion by Director Saunders, duly seconded and carried, this meeting of the Board of Directors adjourned at 5.40 p.m., to reconvene in the same place immediately following the Members' Rally to be held the same evening.

The Board of Directors reconvened following the Members' Rally held in the Canadian Room of the Hotel Saskatchewan, but since matters discussed at the Members' Rally did not require the further attention of the Board of Directors, it was regularly moved by Director Biggar, duly seconded and carried, THAT this meeting of the Board of Directors adjourn.

NOMINATION INFORMATION

Chapter 11, Section 2 of the Constitution states:

"PROVINCIAL COMMITTEES. There shall be an annual election of Provincial Committees for each of the following zones:

(a) Vancouver Island;
(b) British Columbia (Mainland);
(c) Alberta;
(d) Saskatchewan;
(e) Manitoba;
(f) Quebec;
(g) New Brunswick and Prince Edward Island;
(h) Nova Scotia;
(i) Ontario.

Each provincial committee shall consist of five members of the Club in good standing, including the field trial representatives for the province, and the local Director who shall be Chairman of the Committee.

Five members shall be elected to serve on the provincial committee in the same manner and at the same time as the election of Officers and Directors. The duties of each such committee shall be assigned by the Board of Directors. The action of any Provincial Committee is subject to the approval of the Board of Directors."

"There shall be an annual election of Field Trial Representatives for each of the following zones:

(a) British Columbia;
(b) Alberta;
(c) Saskatchewan;
(d) Manitoba;
(e) Ontario;
(f) Quebec;
(g) Maritime Provinces;

There shall be one Field Trial Representative for each of the above mentioned zones, and these Representatives shall be elected at the same time and in the same manner as the election of officers and directors. These Field Trial Representatives shall collectively be known as the "Field Trial Council" and it shall be the duty of the council to advise the Board of Directors on matters relating to field trial dogs and field trials. The Field Trial Representatives residing in a zone where a meeting of the Board of Directors is to be held may attend such meeting of the Board of Directors for the purpose, and for that purpose only, of participating in any discussion on matters relating to field trial and field trial dogs. All members, in good standing as of September 15th of the current year, may nominate, be nominated, stand for election, be elected, and/or cast a ballot in the election of Field Trial Representatives."

"I find Gro-Pup most satisfactory"

"I should like to say that I find Gro-Pup dog food most satisfactory, and use it as a regular part of the daily diet in our kennels. Our Setters have won major honors at many shows, and I have always been complimented on their wonderful condition and coats." (*Signed*) Mrs. Joan Detmold, *Spruce Kennels, 130 Monte Sanche, Ste. Therese, Quebec.*

Why breeders feed Gro-Pup

BREEDERS KNOW it is not safe to try to raise dogs on "table scraps." Dogs need a properly *balanced* diet that gives them everything they must have for strong bones, sound teeth, and a beautiful coat. That's why breeders feed Gro-Pup.

GRO-PUP IS A PROPERLY BALANCED DIET to keep dogs of all ages, sizes and breeds at their natural best. Not only do dogs like it but it contains every vitamin and mineral they are known to need.

GRO-PUP SAVES YOU MONEY. It costs *only 5¢ a day* to feed a good-sized dog. It is all *dry* solid food. That is why Gro-Pup is *so economical.* A 2-lb. package actually contains as much solid food (*dry weight*) as your dog could get in *five* 1-lb. *cans* of ordinary dog food.

Feed your dog as famous kennels do. Buy him Gro-Pup. Your grocer has it in both *cubes* and *meal* form—*for variety.*

JUBILEE KENNELS REG'D

CHAMPION JUBILEE KIDDIE BOOTS is a remarkable little Stud bred in the Jubilee Kennels and campaigned through to his Championship by his proud owner, Mrs. Martha Stevens.

CHAMPION JUBILEE KIDDIE BOOTS is the sire of the highest quality puppies, among them being: AMERICAN CHAMPION HEATHER ANN, CHAMPION OUR WEE BONNIE (won her title in six weeks), and last but not least, CHAMPION HI-HO-SEE-ME-GO, who won her last four shows without defeat, and finished her championship with TWENTY-ONE POINTS to her title. This little lady was shown fearlessly by her owner.

JUBILEE KENNELS have added another lovely young dog, imported from the United States, weighing just twelve pounds. Sired by CHAMPION FOUR ACES and grand son of ROYAL KID.

HIS NAME WILL BE REMEMBERED!

"KID HAGERTY'S JR." C.K.C. # 171978 A.K.C. # N 7792

Sire of—Int. Ch. Hagerty's Tiny Ace
—(Int. Ch.) Hagerty's Royal Kid Timmie
(awaiting confirmation)
—Hagerty's Little Princess (with points)

Also the outstanding Hagerty's Easter Progress, Rockabye Captain Flash, Hagerty's Royal Kid Regards, Rockabye Sweet Perfection, First Lady's Hagerty's Star (ready to start), and dozens of other fast ones too numerous to mention. "GEORGE" was one of the most dominant sires ever to be offered at public stud, and his name will live on in Boston Terrier history. Sons and daughters of this splendid stud have travelled far and wide, making show records and producing records of which we are justly proud. "GEORGE" was bred and raised by us, and represents the 4th of the "8" consecutive generations of splendid Bostons bred and raised by us to date! CAN YOU TOP THIS?

THE SCIENTIFIC EXPLANATION WHY

Rex Wheat Germ Oil is so effective as a coat and skin conditioner for dogs!

We believe the dog owner has the right to know the scientific facts about any product recommended for the treatment of his dog. He should have the references so that he can go to the library and look up the research work himself if he wants to do so. Therefore, in writing this brief review of the scientific proof of the value of Rex Oil in the treatment of non-specific skin disorders of dogs, we have listed the references in bold type so that this evidence can be checked in detail by the readers of this magazine.

Every kennel owner knows that food has a pronounced effect on the condition of the animal's skin and coat. This fact has been known by scientists for a long time.

In 1929 George and Mildred Burr published their first studies on a disease in animals caused by the removal of fat from the diet. **G. O. Burr and M. M. Burr, in Journal of Biological Chemistry, Vol. 82, page 345. 1929.** They showed that rats given a diet without fat developed an abnormal, scaly skin condition, tails were inflamed with heavy scale and ridges, the hair on the back became filled with dandruff and there was a loss of hair around the face, back and throat. The animals stopped growing about the fifth month, dying several months later. The Burrs showed that with the addition of fat to the diet the animals made striking recoveries and within ten weeks complete cures were realized . . .

In their next study the Burrs show that the element in the fat that cured the skin disease was a fat substance called *linoleic acid.* **G. O. Burr and M. M. Burr, in Journal of Biological Chemistry, Vol. 86, page 587. 1930.** *Because it could not be made in the body, but had to be taken into the body as food,* the Burrs called linoleic acid the ESSENTIAL fatty acid.

In another experiment the Burrs show that not all fats were effective in curing the skin disorder. **G. O. Burr, M. M. Burr, and W. R. Brown, in Proceedings Society of Experimental Biology and Medicine, Vol. 28, page 905. 1931.** For example it was shown that cod liver oil was not effective. In fact it was shown by other workers that rancid cod liver oil could have undesirable effect by destroying the important Vitamin E in the diet. **C. G. Mackenzie, J. B. Mackenzie, and E. V. McCollum, in Journal of Nutrition, Vol. 21, page 225. 1941.**

In 1940 Burr and associates showed that oils highest in linoleic acid, one of which was wheat germ oil, were most effective in curing the skin disease. **G. O. Burr, J. B. Brown, J. P. Kass and W. O. Landberg, in Proceedings Society Experimental Biology and Medicine, Vol. 44, page 242. 1940.** The study showed again that cod liver oil was not effective, as neither was linseed oil.

A study with dogs, by A. E. Hansen and H. F. Weise showed that puppies on a low fat diet developed typical eczema symptoms. **A. E. Hansen and H. F. Wiese, in Proceedings Society Experimental Biology and Medicine, Vol. 52, page 205. 1943.** At first the skin became dry, the hair dull and coarse. Later scales and scurfy specks appeared over the entire body.

Dr. Burr summed up his studies in a lecture in 1941 at Boston to a meeting of biological research workers. **G. O. Burr, in Federation Proceedings, Vol. 1, page 224. 1942.** He stated that canned and dried dog foods are often deficient in the essential fatty acids, for exposure to air and heat destroy these valuable substances. Dr. Burr stated that wheat germ oil, containing 60% linoleic acid *was very effective in preventing summer eczema, rashes, dandruff, scale and other skin diseases of dogs* which he had proved to be the result of lack of essential fatty acids. He further stated that wheat germ oil was actually more effective than pure linoleic acid in controlling the disease. He suggested that there were *other factors in wheat germ oil* besides the linoleic acid to make it so effective in maintaining a healthy coat and skin . . . Recent studies have now thrown light on these factors.

In 1944 C. R. Thompson and H. Steenbock proved that vitamin E was necessary for the animal to get the benefit of the essential fatty acid. **C. R. Thompson and H. Steenbock, in Archives of Biochemistry, Vol. 4, page 15. 1944.** In 1946 E. L. Hove and P. L. Harris confirmed this in another study. **E. L. Hove and P. L. Harris, in Journal of Nutrition, Vol. 31, page 699. 1946.**

Therefore, since Wheat Germ Oil is not only the richest natural source of linoleic acid, and also the richest natural source of vitamin E, we have in wheat germ oil a very fortunate natural combination. But additional experiments were to follow and science was to learn that *the wheat germ oil must be stable—"FRESH"—if it is to be effective.*

In 1932, D. V. Whipple conducted an experiment with eight dogs. **D. V. Whipple, in Proceedings Society Experimental Biology and Medicine, Vol. 30, page 319. 1932.** These dogs were all given a complete diet including the essential unsaturated fat. The fat fed four of the dogs was rancid, while the fat fed the other group was fresh. *The dogs on the rancid fats developed typical summer eczema.* They became ill, lost their hair, developed a rash and finally broke out in ulcers. The animals receiving the fresh fats grew normally and had healthy skins.

Schneider did a similar experiment. **H. A. Schneider, Proceedings Society Experimental Biology and Medicine, Vol. 44, page 266. 1940.** Feeding a complete diet, he gave one group of animals fresh butter and rancid butter to the other. The group receiving the rancid butter developed skin disorders, including a rash, while the group on the fresh butter grew normally.

It should be emphasized that any fats the kennel owner feeds must be fresh—this applies to the fats contained in the ration as well as to the feeding of oils which he adds to the ration. Rex Wheat Germ Oil is *permanently fresh*—you can depend on it.

The Reasons Summarized.

Rex Oil is effective as a coat and skin conditioner for dogs because: (1) Rex Oil is rich (60%) in the "skin vitamin", ESSENTIAL linoleic acid. (2) Rex Oil is rich in vitamin E that makes it possible for the body to use linoleic acid effectively. (3) Rex Oil is PERMANENTLY FRESH, providing your dog the factors destroyed in the oxidation and deterioration of fats. Rex Oil requires no refrigeration.

We guarantee Rex Oil unconditionally. Prices: 4-oz. $1.25; Pint $5.00; Quart $8.00; Gallon $29.00.

OVER and OVER AGAIN

It pays to nourish *EVERY INCH* of your dog with GAINES

OVER and over again your dog will tell you—in as many ways as he can—that GAINES Meal is the *balanced* diet that keeps him at the top of his form. For GAINES is kennel-tested – biologically proved to be nutritionally *complete*. Contains as much PROTEINS as in 1½ lbs. beef—as much CARBOHYDRATES as in 1½ qts. cooked oatmeal—as much FATS as in 1 oz. butter—as much MINERALS as in 1¾ lbs. cheese—as much IRON as in ¾ lb. beef liver.

"IT COSTS ME LESS TO FEED GAINES MEAL THAN ANY OTHER TYPE OF DOG FOOD!"

GAINES Meal is a scientifically balanced food, with the vitamins, minerals, ALL the food factors science says dogs should have. Some other types of dog food have as much as 70% water . . . but not GAINES. Why pay for moisture? You yourself add the liquid to GAINES at no extra cost. Buy nourishment. Buy GAINES!

For variety, try GAINES KRUNCH-ON, which is GAINES Meal compressed into crunchy bite-size pellets.
