to purchasers of dogs from BIRCHWOOD KENNELS . . .

The famous dogs of Birchwood Kennels—owned by Mr. and Mrs. W. P. Gurgeon, Birchwood Hall, Bronte—are shown and known throughout Canada. The impressive record of one of them, Int'l. Ch. Asri-Havid, is printed at the left. And the makers of Master Dog Foods are most grateful to show the following letter, recently received from (Mrs.) Eva Gudgeon:

"For the past several years both the Afghan Hounds and the English Springer Spaniels at Birchwood Kennels have been fed on Master Dog Foods. During this period our dogs have been in excellent condition as their show wins will prove.

"We have had, over a period of years, several International Champions of both breeds and we feel that the excellence of their condition at all times has been due to the feeding programme at Birchwood Kennels which has been based on Master Foods entirely.

"Master Dog Foods are always recommended to purchasers of dogs from Birchwood Kennels"

OUR COVER

About eight years ago the FitzGeralds began the breeding of Cocker Spaniels, with two females, a black and a red, neither being show dogs, but having back of them the best foundation stock available. For four years, during which time the name "Don Marco" was adopted for the Kennel, and registered, many litters were raised and sold, but the Kennel did not exhibit any dogs. Friends suggested that Don Marco dogs were well worthy of the show ring, and in June of 1945 the first entry was made. Before a year had elapsed Dainty Maid and one of her sons had finished, and three more have completed their championship since. Several others have secured points, with Don Marco's Honey needing only another win to finish. All these dogs have been bred and raised by Don Marco Kennels, a fact of which they are justly proud.

On the cover are shown five generations of the dogs in the Kennels—no pictures being available of two other generations. "Freckles", now retired to a life of ease, was one of the originals, and she is the dam of Ch. Dainty Maid. From Dainty's litter sister came Ch. Arleta, who in turn gave Ch. Myrna, and Chummy is a son of Myrna and Ch. Trycobb's Postman.

The Importance of the Ring Steward

By Lilah S. Lymburner

DOG Shows and the showing of dogs have become "big business" in the past several years in Canada, just as they have long been in that category across the border and it would seem that if they are to be put in that class, then in order to be successful, they should be managed in a business-like fashion. To our mind, one thing which will contribute toward achieving this end, possibly more than any other factor, is the work of competent stewards.

There was a time when stewards were picked up at random almost as late as the morning of the show, and not so long ago persons were casually asked if they would act as stewards, with the result that many of them forgot entirely that they had a duty to perform, either arriving late at the show or sometimes not at all. That there are some show-giving Clubs who realize the importance of the stewards is evidenced in the fact that they invite them well in advance of the show, and in these cases invariably include their names in their Premium Lists and later, in the show catalogues.

The duties of the steward are specific and simple. He is to assist the presiding judge; he is never expected to advise him and it is presumptuous on his part to even venture any comment whatever on any dog or dogs in the ring or about to be brought into the ring. The new regulation that stewards are to be supplied with a book which is a copy of that used by the judge, instead of using the catalogue eliminates many possibilities toward this end which formerly existed and is definitely a move in the right direction, since it also precludes the possibility that a judge might inadvertently see the listings in the catalogue while used by the steward.

The senior steward — that is, the steward inside the ring—should keep his own book properly marked throughout the classes in order that he may inform his assistant who brings the dogs to the ringside, which dogs will be required as the judging of the breed progresses; when the judge has made his placements, he will see to it that the book is ready for marking and will have the envelopes containing the ribbons, class cash and any other cards for special awards in their proper order and hand them to the judge for presentation. It must be remembered always that the steward has no authority to present ribbons to winners — this is the duty of the judge alone. If specials are presented in the ring, as is done in the groups and for Best in Show, the steward or any other person designated by the Club, may make the presentation.

The outside steward, who is responsible for bringing the dogs to the ringside also has an important piece of work to carry out, since much of the despatch with which the judging is done will depend upon the manner in which he keeps the dogs moving to and from the ringside.

MRS. LILA LYMBURNER

Secretary for the Niagara Frontier Kennel Club and Secretary-Treasurer of the English Springer Spaniel Club of Canada since its organization.

In addition to breeding and owning English Springer Spaniels, Mrs. Lymburner is well-known in the music world, being a graduate of the Royal Conservatory of Music. As a vocalist of note, her connection with the musical festivals in Port Colborne and Humberstone districts since their inception, has brought success to the festival, which is one of the most unique in the country for its competition in ensemble work.

In addition to the above, Mrs. Lymburner has done extensive writing for newspapers and magazines for the past eighteen years, and is the Federation Representative from the Welland district for the Federated Women's Institutes of Ontario.

He should, before the judging begins, ascertain the numbers of any absentees and report them immediately to the inside steward in order that he may give this information to the judge who must mark all absentees in his book. There are always those laggards, who for some reason or other, like to "make an entrance" with their dog. Firmness combined with tact often is required to deal with these people. Here, we feel, the notification contained in judging schedules to the effect that not more than a ten minute wait will be observed for any dog, might be enforced to good effect. No doubt this ruling enforced a few times would work the necessary miracle which many exhibitors would like to see some day.

The Senior steward will provide the outside steward with the arm-bands and he will see that they are given to exhibitors before they enter the ring. He will also remove the arm-bands for those dogs who will have to be judged in the group later on, in order that they may be returned to the steward's envelope in readiness for the group judging.

In order to ensure that stewards will be on hand at the proper time, the Show Secretary, after setting up the judging schedule with the Show Superintendent, should inform all stewards and their assistants of their assignments, including the breeds, the time of the judging, the name of the judge with whom they will work and the number of the ring in which judging will take place. Stewards should be informed as to the time at which they should report to the Show Secretary and it has been the experience of many that a short conference of stewards, assistants and judges before the judging begins makes for a better show all along the way. The Superintendent should be on hand to give any instructions he may deem necessary. Senior stewards will receive the judge's book and their own books, the assistant a copy of the catalogue for his work. The envelopes containing ribbons and cash should be delivered into the keeping of the Senior steward who will take them to the table in the ring and see that everything is in order so that the moment the judge enters the ring, the judging may begin.

It is the final duty of the steward to deliver to the Show Secretary all void envelopes with ribbons and cash and to turn over the judge's book which he will see has been properly signed.

To the experienced exhibitor the business of showing a dog is something which he takes in his stride, no matter how confused others may be, but to the novice who is depending on those who are responsible for the running of the show for guidance, the first time in the ring is a nerve wrenching experience and if those who are looked to for encouragement seem totally oblivious to his need it becomes a heart-breaking affair. Knowing his job, a thorough knowledge of ring deportment combined with a tactful but impersonal manner toward everyone with whom he comes in contact during his work should be the ideal of everyone who would like to receive the commendation of the judge under whom he has worked, the exhibitors with whom he has contact and the club which placed sufficient confidence in him to invite him to do an important piece of work.

The German Shepherd Dog Breeders' Association Obedience Trial

By Alva McColl

ACCORDING to the American Press, obedience Trials are headed for a record breaking year in the United States. Obedience Trials and all breed shows have become so much a part of each other that it is probable the two will combine as a unit for all shows in the future.

It is many years since the writer attended the first obedience Trial in Toronto, in 1936. We had an entry of some twenty dogs of all breeds, and if my memory serves me right the most popular obedience trained dog of the day, the German Shepherd, was in the minority. It was not until 1941 that the true obedience Trials were brought forth (by Jasper Daniels of British Columbia) making them applicable to all breeds.

Progress was slow until 1944, when the Canadian Dog Training Club was formed and obedience Trials became part of our dog shows. The German Shepherd dog breeders had for many years held similar Trials, perhaps a little more severe in requirements, but only one dog could attain the title of Champion in the one year and it was designated "Field Trial Champion." These Trials, held on the estate of Alex Gooderham, brought such response that owners of other breeds were quick to grasp the sales value of a trained dog.

At the Annual meeting of the Canadian Kennel Club, in 1947, all obedience work was brought under the one heading which included all breeds of pure bred dogs. It was a pleasure, therefore, to be invited to judge the first all breed obedience Trials under the sponsorship of the German Shepherd Dog Breeders' Association. As a judge, trainer and exhibitor in both breed and obedience I would like to give a brief resume of the work which was done by the dogs at this particular trial, which was held on October 2nd this year.

Although there were various breeds of dogs, top honors for the day were won by the German Shepherd, the most outstanding dog being STARLIGHT OF BARRIMOR, trained and owned by George Taylor, of Toronto. Perhaps the onlookers thought I was being harsh with this dog, but the moment she entered the ring there was definite proof that she knew her business, as did her owner. It was one of the finest performances of harmony between trainer and dog that I have ever seen, and the only exercise where she dropped a point was on the recall when she could have dropped a little faster. Otherwise, it was a perfect performance.

OBEDIENCE TRAINING

An enthusiastic group of the members of The German Shepherd Dog Breeders Association of Toronto at the Training Class conducted by George Taylor. Many of the dogs in this class have competed successfully not only for their Obedience championships but also their Bench championships. It is the largest class from one club in Canada.

In the utility class, another well-trained Shepherd showed her knowledge when entering the ring, but, unfortunately, her trainer and owner insisted on doing things her own way. For instance, in the hurdle and bar jump two commands should be given but the owner decided that only one was necessary, with the result that the dog faltered on the second jump. When the obedience Trials rules were written and revised it was with the thought in mind not to cause confusion, for a dog trained to jump on signal all the way through the Junior classes cannot be expected to understand that a signal for each jump is not necessary in the Finals. Hence the rule that there should be two signals.

In Open Class "A", the German Shepherd DUKE OF BARRIMOR trained and owned by Miss Jean Bradd, ran a close race with the Cocker Spaniel DUN ROVIN'S SONATINA, trained and owned by Douglas Hurl, of Oshawa, which caused a run-off for first place. This was won by the Shepherd.

In the Novice Class "A" four dogs dropped fifteen points on the long sit, leaving but a margin of five points on the balance of their exercise if they were to make qualifying points. The winner, KAREN OF GLENHAVEN, owned by Mrs. J. A. Alderdice, of Pickering, Ontario, gave a very steady performance, losing only on the heeling exercise where her love for her mistress was clearly shown as she insisted on snuggling up to her after the sit at heel.

The second was a beautifully trained female, BONNIE OF CARA MIA, owned by Mrs. Mabel Noble and shown by Mr. Noble, of Cooksville, Ontario. Her only mistake was in the recall, when she dropped five points for not coming to the sitting position. Otherwise, her performance was flawless.

Third, another German Shepherd, TONY OF SANDOREA, trained and owned by Nick Martorino. It was plainly to be seen that the dog resented the intrusion of the other male dogs on his home ground, as he looked backward while heeling, although, otherwise, his performance was good.

Fourth, the German Shepherd DUKE OF BARRIMOR 2nd., trained and owned by Mr. Joseph Hooker, of Toronto. Mr. Hooker dropped points for his dog because he clicked his heels on the "Halt" command. While I satisfied myself that the dog knew his work and would have halted and sat without any signal, it is necessary to penalize the owners even though they give signals unconsciously.

I will not endeavour to place the balance of the dogs, but for the guidance of their future training will dwell briefly on their failures.

CHAMPION HEXE OF BRIARDALE trained and owned by Mrs. H. S. Weller, dropped fifteen points on the long sit, hesitated in sitting in the Figure 8 and did not wait for the signal on the recall.

SORAN OF SANDOREA trained and owned by Lenora Hansen, also lost points on the long sit and other points because she was too eager, running wide on the heel exercises.

ZELDA OF SANDOREA trained and owned by William Hendry also lost on the long sit and was hesitant in the sit at heel exercises. SONIA OF SANDOREA trained and owned by Miss Marjorie Hendry was slow on the recall and hesitated in the heeling. Here again, it may have been due to the fact that the SANDOREA dogs,

CANADIAN DOGS AT THE C. N. E.

By Beatrice Hopkins Godsol

ON September 6th, 7th and 8th, it was my great pleasure to judge the three shows held by the Canadian National Exhibition in Toronto, together with Mr. Lewis S. Warden and Mr. Lewis H. Starkey.

The overall quality of dogs shown was good, and the final line-up each night equalled that of any top show in the United States.

Your Editor, Mrs. McColl, has asked me to comment on the Canadian Bred Dogs shown under me at these shows. Before doing so, I would like to state that there were quite a few dogs that might have placed higher had they not obviously been tired out or out of coat on the day.

The thing that impressed me most was the sportsmanship of the exhibitors. Naturally, they could not have all agreed with my placements, but through three long days of judging, in extreme heat, under what must have been trying conditions for man and beast, everyone was extremely gracious. I would like to take this opportunity to express my appreciation to all exhibitors.

The greatest overall strength was in the Working and Sporting Groups, although individual dogs from each Group stood out.

On checking over the catalogues I find the following interesting statistics:

	Winners Dog	Reserve Winners Dog	Winners Bitch	Reserve Winners Bitch	Best of Breed or Variety
Canadian Bred	31	21	32	24	37
Bred Elsewhere	29	17	19	10	32
Absent or None Entered in Sex	9	31	18	35	—
Total Breeds or Varieties	— 69	— 69	— 69	— 69	— 69

Total Number of dogs entered — 442.

It is quite evident from the above table that I thought quite highly of Canadian Bred Dogs.

Although there were many good ones there, the only American Dog I will mention is the English Setter, "Ch. Sir Guy's Stag of Five Mile", which I placed Best in Show. I mention him because while he was bred in the United States he is owned by the Lucky Strike Kennels of Toronto. A beautiful, free moving dog of aristocratic appearance, he was shown in lovely bloom. Unfortunately by the third night, he lacked the lively tail and high head carriage that he displayed so beautifully that first night.

CHAMPION SIR GUY'S STAG OF FIVE MILE

English Setter owned by Mr. Jack Thorndyke of Toronto, being presented with the trophy for Best in Show all breeds at the Canadian National Exhibition. The judge is Mrs. Beatrice Godsol, author of this article. The presentation is being made by Mr. S. Foster, Manager, Department of Agriculture, C.N.E.

He reminds me of his sire, "Ch. Sir Guy of Delwed", a great winning dog in his day. Stag does his sire proud.

Third in the Group and Best Canadian Bred Sporting Dog to the Springer Spaniel "Ch. Nodnol Bombardier". Bombardier is on the big side but balanced and in proportion. He was shown in wonderful condition, is a good sound mover and really looked as if he could do a day's work in the field as well as holding his own at a Bench Show.

I was disappointed to find only one English Cocker, and this one bred in the United States.

In American Cockers, which I did the third day, there were a number of absentees. In Blacks, my Winner's Dog "Sim Lock of Boydox" I found particularly pleasing in head and type. He could have gone all the way had he not shown a certain softness in back on the day. My Winner's Bitch "Treehaven Gypsy Princess", which I carried to Best of Winners and also to Best Canadian Bred Puppy in Show came from the Canadian Bred Class. Teeming with quality and a great little mover, she lacks only time and maturity. Her litter sister, "Treehaven All Blue", much the same type, came from Senior Puppies to go to Reserve.

In A.S.C.O.B.S., I particularly remember the lovely head and soulful Cocker expression of my Winners Bitch "Martindales Sun Glow".

In Parti Colors, the Specials Dog, "Ch. Graystone's Gendarme" went on to Best American Cocker. For this win he beat some nice ones. Gendarme is a flashy dog of correct size and nice balance. He stands well up at the shoulder and showed in a free and merry manner.

In Hounds, Third in the Group went to the Afghan "Birchwood Riffle El Mio". If I might offer a constructive

INT. CH. HIGHLAND URSA MAJOR

West Highland White Terrier, bred in Canada, who has surpassed all records for his breed. Owned by Perry M. Chadwick of Chicago, Illinois, this beautiful dog is the one mentioned in Mrs. B. Godsol's article. In less than two years he has won 8 Best in Show All Breeds, 17 times best in the terrier group, and Best of Breed at all Specialty Shows held in the United States for his breed. Arriving back in Canada in August he made his Canadian championship at three straight shows, ending with Best in Show honours at the C.N.E.

suggestion, many of these gaze hounds were shown much too fat, completely hiding the unique hip bones so important in this breed. My Winners Bitch, Taj Marie of Charman was very pleasing in her leanness of skull and real Oriental Afghan expression.

Best Canadian Bred Hound was the Beagle, "Ch. Glovers Lucky Sweep", and although he lost out on Best of Breed to an American Hound, Lucky Sweep is a quality Beagle. A useful looking Hound possessed of good bone and running gear and pleasing in expression.

My Best of Breed Dachshund, "Adoration of Odenbach" came from Open Bitches. I would like to see her a little heavier in bone but to me she stood out in quality, refinement, type and top line on the day.

In Group III, there were many good Working Dogs. The Harlequin Great Dane, "Graf Dane's Coquette" is one of the soundest moving Danes I have ever had the pleasure of judging. She has excellent bone and is particularly good in legs and feet. Her gait shows reach in front and drive behind, is good and springy and denotes lots of power. She was not shown after the first day and I understand it was because she finished her title that day and was sportingly withdrawn from competition to give some one else a chance at the points.

Third in the Group to a top little Pembroke Welsh Corgi, sound, well marked, foxy in expression and with the correct texture of coat. He appeared a trifle long in loin and a bit high on leg but as I note by the catalogue "Uxmore Lucky Prince" was only seven months old at this show. Seven months is a very trying age in this breed, as in many others. I placed him Best Canadian Bred Working Dog Puppy. If he continues to develop as he should, I predict quite a future for this young fellow.

There were a number of other good Working Dogs but space prevents me from mentioning them all. I particularly remember a young Collie which I carried from Jr. Puppies to Winners Dog, several good Dobermans and German Shepherds and a young male Newfoundland. This "Newf" I note is a grand-son of the late "Ch. Laurel Brae's Lifeguard", bred by the Emmets of Islington, Ontario. In 1939 I had the pleasure of placing this dog Best of Winners, in a big entry at Westminster.

Best Canadian Bred Terrier in Show was the West Highland White, "Ch. Highland Ursa Major". A small hardy looking terrier, excelling in ears, gait and the all important Westie coat. His

NEWFOUNDLAND CHAMPIONS

litter sister, "Highland Venus" won Best of Winners readily. Ursa Major was not shown the third night, when I judged the Terrier Group. Heading this Group in the number one spot was a perky little Cairn Terrier Bitch, "Kindon Saucy Sue". Shown somewhat out of coat she nevertheless had a great advantage over the other Terriers as she had not been shown the two days previously and she was fresh and full of Terrier spirit and outmoved all the others on that night. She was also Best Canadian Bred Terrier. An attractive Bedlington puppy, "Arcadia Lodge's Blue Gigilio", went Best Canadian Bred Puppy in this Group.

The quality of the Skye Terriers was particularly high. Several promising youngsters were shown. The bitch "Talisker's Bit O'Heaven" placed third in the Group, and this same kennel showed a very attractive Brace.

Fourth to the Irish Terrier "Ballycliff Blizzard", a good coated one, and Irish all the way.

A well trimmed Kerry Blue, "Ch. Tailteann's Prince Robert" easily topped his breed.

Only one Canadian Bred Toy placed in Group V — The Toy Manchester, "Wee Penny Ann". She was also Best Canadian Bred Toy.

Best in Group VI and also Best Canadian Bred Non-Sporting Dog to the Bulldog, "Ch. Lakeland Lucy Ace". A nice typical one.

A good colored Keeshond "Conwood Kloos" placed fourth.

Among the Bostons there were a number of really good ones. Winners Dog and Best of Winners went to the stylish "Cosburn's Gallant Chum" and for Winners Bitch I found a lovely little Boston in the Limit Class, "Sally Darling of Mono Rock". The Jr. Puppy "Larry's Lucky Day" I carried to Reserve over his older competitors and Best Non-Sporting Puppy went to "Regard's Romance". This attractive headed youngster should go a long way if she continues to show the promise she did on this day. Best of Breed, "Ch. Sylvanglen's Valentine" is one of the soundest moving Bostons I have ever seen. Possessed of good feet and legs she knows how to use them. She excels in other respects too, and if this bitch would show with more animation, she should do very well. I imagine she was tired, she certainly looked it. I did not have the pleasure of judging her in the Group.

Before closing I would like to thank my excellent and hard working Ring Stewards as well as all those in charge for their many courtesies during my stay in Toronto. I enjoyed every minute of it and was greatly impressed with the whole Exhibition.

INT. CH. KINDON SAUCY SUE

Cairn Terrier who made history for her breed when he won Best in Show all breeds at the C.N.E. Owned by Mrs. G. Hyslop of Brockville, Ont., and bred by G. P. Davies of York Mills, this fine dog is the one featured in this article. We believe this is the first occasion that a Cairn Terrier has won Best in Show in Canada.

SASKATOON FIELD TRIALS

By M. E. Forbes

"A GOOD selection of bird dogs on perfect trial grounds" would have been the comment of the severest critic of the sixth annual field trials, under the C.K.C. rules, held by the Saskatoon Field Trial Club September 4, 5 and 6, 1948.

The location was some twenty miles east of Saskatoon, on the farms of Mr. Peter Hamm, Mr. Louis Martin and their neighbors, whose hospitality and co-operation were again much appreciated. Mr. Baycroft of Aberdeen provided saddle horses for the judges, handlers, and press.

The grounds were spacious, the birds plentiful, and although scenting conditions were bad, due to a long period of heat and drought and a strong wind, there was a good exhibition of excellent bird work. Speed, range, response to handling, ability to find and handle birds, coupled with style and endurance, truly made a grand race to watch.

Pointers, English, Irish, and Gordon setters were well represented. Their performances were a credit to their trainers, and a thrill to veteran sportsmen, amateurs and curious spectators alike. One feature of special interest is the fact that many of these dogs are bench show champions. Entries were received from several outside points, including Biggar, Regina, Birsay, Detroit, Highland Park, Mich., and Maumee, Ohio.

Official veterinarian for the trials was Miss Jean Morgan, B.Sc., D.V.M., whose kind co-operation was greatly appreciated. Three competent field trial men acted as judges, namely, Mr. Ralph L. Orge, Mr. Arthur Goddard, and Mr. John H. Van Impe. To Mr. Alex Randall as Field Marshall goes credit for a well conducted meet.

The first event Saturday afternoon was the Puppy Stake with five entries. These pups showed some wonderful material for future trials and hunting. The stake was won by "Lizza", an English Setter, fourteen months old, who outclassed the field. She was handled by Mr. E. A. Carroll, and is owned by Dr. C. M. Morre of Detroit. Second place went to "Buster's White Lady", also an English Setter, owned by G. W. Miller, Detroit, and handled by E. A. Carroll. Third place was taken by a Gordon Setter, "Vagabond Jean of Glentanar", owned and handled by James Forbes, Saskatoon. "Ermac's Gypsy Queen", an English Setter owned and handled by N. C. MacGregor, of Saskatoon, took the fourth spot.

The Derby entry was small — only three dogs. "Mutual's Majestic Consort", a pointer owned by A. D. Geiger, Regina, and handled by E. A. Carroll, captured first place. He was followed closely by his litter sister, "Victoria's Regal Lady", who placed second. She is owned by A. D. Geiger, Regina, and was handled by E. A. Carroll. Third place went to "Ermac's Duke of Grail", an English Setter owned and handled by John Kain, of Birsay, Sask.

Sunday morning saw an early start of the qualifying runs of the Open All Age Stake, with ten entries. This was a very good stake, and as if the dogs knew they had only 30 minutes to show their merits, they were keen. Only four could get into the final runs, but several others deserved honourable mention. The four selected by the judges were re-run for one hour later in the afternoon. These four really showed what "open" means in the Open All Age Stake. "Spunky's Shoals Pilot", a pointer owned by L. Bingham, Highland Park, Mich., and handled by E. A. Carroll, came in for first honors. Second place went to "Ch. Nellie's Queeen", an English Setter owned and handled by N. C. MacGregor, Saskatoon. "Lightning", a pointer owned and handled by A. Uebele, Saskatoon, took third place. Fourth spot went to "Ch. Elmcroft Mahogany Sue", an Irish Setter owned and handled by Harry Dean, Dalmeny, Sask.

Between the qualifying and the final runs of the Open All Age, the Amateur Stake was held. The entry in this stake was only five dogs. The stake proved a rather disappointing one to the large Sunday afternoon gallery. The entries were not up to their usual form, due to the excessively hot period of the day and a practically birdless course at that particular time. Miss Lois Dean, the only lady handler in the meet, took first place with "Red Lady of Ardee, an Irish Setter, owned by Harry Dean, Dalmeny. "Ch. Red Echo" of Ardee", an Irish Setter, walked into second spot; his owner and handler was Harry Dean, of Dalmeny. Third place was taken by "Glentanar Birdie", a Gordon Setter owned and handled by James Forbes, Saskatoon. "Glentanar Kelpie", another Gordon owned and handled by James Forbes, came in for fourth place.

On Monday morning the Shooting Dog Stake got under way, with each of the eleven entries definitely out to win a place in the finals. Elimination was difficult for the judges, and several dogs rated honorable mention. During the thirty minute runs there were many fine exhibitions of ranging, pointing, backing, steadiness, style, and bird sense. The re-run, in forty-five minute heats, took place later in the day. A note of interest is that each of the pointing breeds was represented in the finals. First place was awarded to "Ch. Nellie's Queen", an English Setter owned and handled by N. C. MacGregor, Saskatoon. "Lightning", a pointer owned and handled by A. Uebele, Saskatoon, captured second place. A Gordon Setter, "Glentanar Birdie", owned and handled by James Forbes, Saskatoon, was selected for third place. Fourth spot went to an Irish Setter, "Ch. Elmcroft Mahogany Sue", owned and handled by Harry Dean, Dalmeny. It was regrettable that Monday was so cold there was practically no gallery to see these dogs in action.

Local and visiting exhibitors gathered later in the evening for the usual open discussion of the trials and the inevitable re-running of the various stakes. Trophies and ribbons were distributed, and Miss Lois Dean was pleasantly surprised by the presentation of an appropriate gift in honor of her being the only lady handler. The general verdict was that these trials had been the most successful the club had ever sponsored.

IMPORTANT NOTICE

For the attention of Cocker Spaniel (American) and Cocker Spaniel (English) fanciers.

It has been drawn to the attention of the Board of Directors that breeders of American Cocker Spaniels and/or English Cocker Spaniels do not always indicate, on applications for registration of litters and individual dogs being forwarded to the Canadian National Live Stock Records office, whether such litters or individual dogs are American Cocker Spaniels or English Cocker Spaniels. It is felt by the Board that by drawing this matter to your attention, the oversight will be corrected where future applications are concerned. Your co-operation will facilitate the Records office dealing with such applications.

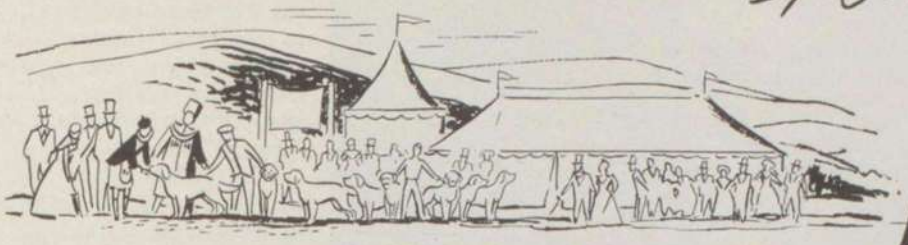
Know Your Breed ...

By Alva McColl



THE GOLDEN RETRIEVER

Few breeds of dogs can claim as pure an ancestry as the Golden Retriever. He originated in Russia, where for centuries he had been used in pursuit and capture of bears and wolves and as guardian of sheep. It is said that the dog could be left in sole charge of a herd of sheep for months, securing his food from a cache which had been provided by his master.

Extremely intelligent, they were also used as performing dogs, and it was at a travelling circus in Brighton, England, that Lord Tweedmouth saw the breed, becoming so enamoured by the astonishing feats of this troupe of dogs that he purchased them.

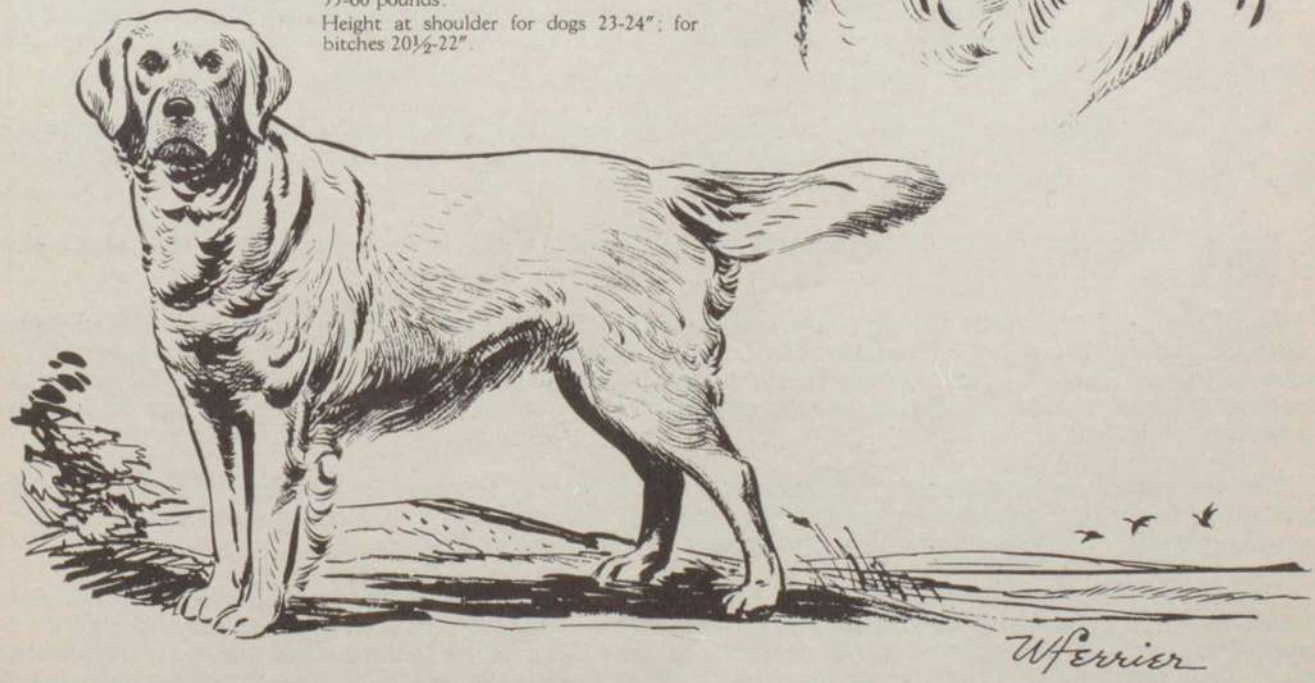
Later, as the dogs proved too heavy and cumbersome for practical use in the Highland country, Lord Tweedmouth introduced a pure bloodhound cross, and this is the only occasion that such a cross was used. Considered one of the handsomest of gun dogs, it is most symmetrical, yet active and beautiful. From his bloodhound ancestors he derived the ideal temperament and scenting powers, and the rich golden shade which gives him his name.

The dense undercoat is an asset for retrieving in water, and his well-balanced, short-coupled body deep through the heart, together with strong loins and well-sprung lips, make him ideal both as a hunting and working dog.

There is but one standard for the Golden Retriever, and all must conform to the standard as laid down by the British Golden Retriever Club and the Golden Retriever Club of America.

Weight for dogs 65-68 pounds; for bitches 55-60 pounds:

Height at shoulder for dogs 23-24"; for bitches 20½-22".



The President Reports to the Members

IN MY report as it appeared in the October issue of DOGS IN CANADA *I briefly reviewed my visit to Western Canada. At each of these meetings I was aware of the great interest shown by the members in the affairs of the Canadian Kennel Club. It is, therefore, my purpose to give you, through the medium of* DOGS IN CANADA, *a resume of the work done in the Canadian Kennel Club up to the present date.*

One must remember that your President cannot take it upon himself to make changes in your organization without the support of the Board of Directors. This year, the Board of Directors from coast to coast has been contacted individually upon any important question which has arisen, and the opinions expressed have been carefully considered before any action has been taken. This is as it should be in an organization which is to function for the good and welfare of pure bred dogs. So, any reference to what has been accomplished must of necessity mean that all this has been done through your Board of Directors, and not by me, personally.

It is with pardonable pride, then, that I point out the progress that has been made in 1948. At the Annual General Meeting, we were faced with the task of a complete revision of the Constitution and the Dog Show Rules. The meeting was extended to two days in order that a fair and impartial analysis could be made of each question that arose in these revisions. As you are no doubt aware, it is necessary for our Constitution to be endorsed by the Minister of Agriculture before becoming official. As this has not been done at the time of writing you this letter, we are still operating under the 1947 Constitution.

It was also agreed at the General Meeting that the premium lists, catalogues, and entry forms be standardized, and while this may have caused some inconvenience to the Show Giving Clubs the fact is that it has speeded up the results not only of the Show Awards but the confirmation of Championships.

There was a definite increase in the number of Championships Shows and Field Trials, and although much added work was necessary to compile results in order that the reports might reach you at the earliest possible moment, this has been done without employing extra personnel in the office.

This will mean that practically all business will be cleared through the books and we will then have a new start in 1949.

In order to assist the Show Giving Clubs, our Canadian Kennel Club Representative attended Dog Shows in Ontario and in Winnipeg, Manitoba; Brandon, Manitoba; New Westminster, B.C. Vancouver, B.C.; Quebec City and Montreal, Quebec; giving beneficial help to those charged with the responsibility of handling the operations of the show. It is a pity that time did not allow his attendance on the Eastern circuit, but this we hope will be remedied at a later date.

The next concern of your Board of Directors was the purchase of benching for 400 dogs. You have read the report submitted by the Committee in which it was explained that owing to the high cost of materials, storage, etc., it was thought wiser to lay this matter over to your next Annual General Meeting.

Due to representations which were made by Directors from Western Canada, your Board of Directors repealed the Field Trial Rules for gun dogs which were then in effect, and in their place substituted with a few minor alterations, the rules adopted by the American Kennel Club. Since that time and due to representations made by those interested in Trials for the Retrieving and the Pointing breeds, alterations have been made which have made these rules more workable relating to Championship requirements. This will bear out the assertions made earlier in the year that your Board of Directors is always anxious to obtain your views and remedy any situation which will retard the advancement of any activities.

DOGS IN CANADA *was the next matter of importance, and your Board of Directors advocated a complete change. I believe you will agree with me that the results have exceeded our expectations. Revitalized as it is, it has brought Canadian Dogdom to its proper level. From all parts of the world letters and telegrams are now being received congratulating the Canadian Kennel Club on their official organ.*

It has been proven that our magazine is the show window for pure bred dogs in this country, and we are now displaying the fact that pure bred dogs in Canada are of the highest rating. I should like to take this opportunity on behalf of the Directors to thank the members of the Canadian Kennel Club for the magnificant support given to the Managing Editor, and I hope you will continue to use the magazine as your means of promoting pure bred dogs.

I have already reviewed the necessity for a change in the office and office equipment. Anyone familiar with business operations over the period of the past few years, and every individual running his own home, realizes that when necessity arises changes must be made. Your Board was faced with the fact that the ceiling on office rentals had been lifted, and in order to secure adequate space it was necessary to move quickly.

What advantages have been gained by our moving into the new office at 667 Yonge Street? It has meant faster service and a happier working personnel. Absenteeism is at a minimum, and the equipment secured, such as a dictaphone, adding machine and addressograph, have justified their purchase in the amount of time and money saved. It is not necessary, now, to borrow equipment from another office in order to do our work.

Might I digress for a moment to tell you that on October 14th and 15th, 1948, Cruft's Show in England held at Olympia, London, with over 2,000 entries tested the One Day rule that followed a pattern similar to that of Norfolk County Show held at Simcoe, Ontario, each year, where dogs judged on the first day were allowed to go home and only the winners of the groups judged on the first day were required to attend on the second day. I mention this so that you can assist your Directors in finding a solution which will bring back all those shows which were lost this year through the One Day rule.

As this is being written in the early part of November, I can only quote the figures for the first nine months of 1948, which shows a definite advancement—for instance, the membership for the twelve months of 1947 was 2,945, and the membership for the first nine months of 1948 is 3,135. There is every belief that the balance of the figures such as registrations, transfers, etc. will also show a marked increase. DOGS IN CANADA *has also advanced in revenue, the October issue exceeding all previous records in the amount of paid advertisements; subscriptions have also kept pace with the improved magazine.*

The Canadian Kennel Club is going forward, and the acquisition of necessary equipment will benefit our organization not only this year but in many years to come.

It has been the cause of much gratification to me that the attendance at the Board of Directors Meetings, this year, has been higher than in any previous year. As your President, I have attended every meeting, and if you will look back at the meetings held by the Board of Directors you will find that not only has your Board been most conscientious in its work, but also in attendance at meetings.

These are but a few of the advancements made this year. The financial standing of the Canadian Kennel Club is as sound as before. Efficiency, such as is practised in all successful business enterprises, is now established, and greater advancements can be made without creating a financial hardship on the members who are, after all, the shareholders of this our Canadian Kennel Club.

PROVINCIAL NOTES

B. C. Mainland News

By Jean Fletcher

ONCE again the Pacific National Exhibition Shows have come and gone. It is a show always looked forward to although the dog building is not large enough to accommodate the entry it could have, but Superintendent W. H. Pym is still fighting for a modern building such as the other livestock has—maybe next year! To me, it is a slap-happy time of the year as the P. N. E. is a very large affair. The dog show is visited by thousands and you seem to meet everyone.

Much credit to Mr. W. H. Pym, who with his staff, had the shows running like a Swiss watch. Was kept clean too. Mrs. G. Alsen did a fine job on the "Mike". We liked the trophies, the snug-fitting arm bands that can't fall off; also the large judging ring, the ring steward (and his smile) who put them on; the way the indoor exercising pens were kept clean, in fact, you couldn't drop a cigarette without the boys sweeping it up. We also liked meeting the P. N. E. President, Prof. King and his staff, and the old timers of the dog game. Some I met were: Mrs. Sweeney (Cairns); Mrs. Evan Gravel (English Setters); Mrs. J. J. Jackson, Horace Wilkinson (Terriers); Mabel Natalie and Gertrude Janies, both of German Shepherd fame; Jerry Stock (Toys); Jasper Daniels (Dorn Dog School); Gladys Peers (Kerrys); The Clarke Simpkins (Collies); and many more. I have unintentionally missed and last but far from least our P. N. E. Judges—Chris Shuttleworth, of California. Mr. Shuttleworth judged the first show September 3rd and 4th. It has been several years since he did a show here and we hope he comes again.

The second show was judged by the ever popular Harry Dodds, of Victoria, and Mervin Rosenbaum, of California, both well known and well liked judges.

A new Chow fancier is Jessie Watson who brought from Edinburgh, Scotland with her—Chow Thow Fang Tu, and recently imported a female, Lackawanna Lulu—both are bred by Mr. Wm. Robb, of Edinburgh, Scotland.

Sorry to hear Mr. Clive is ill and hope he is better very soon; also hear the Clive's have a nice Collie—"Quarrybrae Rose Mary" bred by George Getty of Quarrybrae Kennels of Newtonbrook, Ontario.

Betty Fraser is expecting a bred Pomeranian from Idaho. How about that Maltese news, Betty?

Mrs. W. Brown, who came from England in April, brought her Welsh Corgi—Rozavel Sugar Ration, who has since made her Canadian title. This female is bred the same way as the original Corgis owned by His Majesty, The King and Princess Elizabeth—has been best female all breeds at English shows and also runner up for Best in Show. Mrs. Brown also brought her Cairn—"Ailish of Darwencote"—now a Canadian champion and also a winner in England.

Nice to again have Mrs. W. C. Woodward showing her dogs. Several lately have been imported from England including Newmaidley Venus by N. V. Rex ex Wireavon Fair Lady, Venus was bred to Newmaidley Ceaser and Mrs. Woodward has kept one female and one male from this English breeding.

Congratulations to Mrs. McEachren who has just had word that her Kerry, Ch. Tailteann Prince Robert, has added another Best in Show to his credit at London, Ontario, handled by Ted Ward—his first Best in Show was at Brantford.

Mr. W. H. Pym is back from his California trip where he judged at Santa Monica. Just before this show he judged at San Mateo, California.

Nice to hear that Mrs. W. T. Oates is feeling better. We're pulling for you, Mrs. Oates.

Mr. and Mrs. Harry Kolthammer, of Eagle Harbour, have possibly the first Weimeraners in Canada. This breed although very old—bred first in 1810 A.D., are new to America. There are 200 to 300 in U. S. A. today . . . also known as the Grey-Ghost. The Weimeraner is a soft pale grey, matures around 85 lbs. They are very easily trained, will retrieve land or water, will hunt any kind of game and do anything called upon in the hunting field. They have particularly soft mouths, lots of brain; for a large dog they are very gentle. I saw a bitch living in a very swish apartment in California that was just as quiet as a mouse but is a great hunter. To own a Weimeraner you join a club that has strings on it—that is, you have to adhere to certain rules—you can't sell cheap pups or pups wrongly marked, etc., etc. It is too bad all breeds weren't raised this way, for it would surely help the breed.

Congratulations to Mr. Samson, whose Alandale Gallant of Golden Oak went best in Show at Calgary, September 8th, handled by Bill Dawson, of Westminster, and judged by Vic Williams, of Vancouver.

Alberta Notes

By H. P. Saunders

I AM very sorry to report the serious illness of Mary D. Gardner of Edmonton, Alberta. Mrs. Gardner is the kind that overworks. Everybody hopes for a speedy recovery.

The duck season opened on October 2nd and many good bags are reported. When the northern ducks come down then is the time the real sport begins, and from all accounts it will not be long now, for many geese are already coming in on the wheat fields at Castor and other places.

I am sorry that the Provincial Government saw fit to open the season for Hungarian Partridge and Prairie Chicken for they have been pretty scarce for the past two or three years and had only lately been showing up again in the old breeding grounds.

Bill Fisher has been laid up with a bad back for over a year now and I trust he will soon be on the mend and taking his place at the Retriever Trials for we have missed him and his good dogs.

My friends, George Hope, from Seebe, Alberta, and Maynard Davies, had the winning Labrador at the recent shows; one made tops the first day and the other the second day. George Hope has certainly an outstanding yellow female and Maynard has a beautiful young male that will go right on winning.

R. G. Christie of Calgary brought in some excellent Labradors that are bred in the purple. Mr. Christie had some wonderful Irish Setters a few weeks ago, but for years has had a good Lab, and now is using the Labs for duck and goose shooting.

Dave Blacklock from Turner Valley was in Calgary for the Retriever Trials, Dave has some young Yellow Labs that will be ready for the spring contests. I think I am safe in saying that Dave and Joe Randolph brought in their first yellow Labradors from Scotland.

Medicine Hat, Calgary and Edmonton put on very nice shows this fall, and a lot of interest is being manifested at the various points. I hope a lot of the younger members can find time to assist from now on as altogether too much work has been left to the old standbys.

Don Samson from Saskatoon took in the Vancouver and Edmonton shows, in fact he is always ready to assist, he has had many years experience

and when he arrives at a show he just knows where his help will be the most needed.

Jack Aires of Saskatoon is another who follows the dog shows and is always ready and willing to help out where needed.

Mrs. Rod Gilbert, Heathmear Kennels, Bellevue, Alberta, writes about her cockers, springers and pointers. She has Spunky Creek strain of pointers that should get right out and find the birds.

Harold Oland of Lethbridge also has some outstanding pointers and springers . . . ready for bench or field, his pointers strain back to Air Pilot.

We are enjoying wonderful weather this fall and the zip in the air makes a person anxious to take in all the hunting possible before the cold weather sets in.

Mrs. Bennet from Balzac, Alberta, is off the sick leave and was well enough to bring junior and take in the retriever trials. When Mrs. Bennet wants to come to Calgary she jumps in the truck and in no time reaches the city. Her collies are nearing their championship and would have been finished had she not been taken to the hospital.

Our magazines are evidently read far afield for Mr. V. E. Shield of Channel Islands, Jersey, wrote asking me to locate him a job and I did and wrote him right back only to find that he had moved on. He had read my articles in one of our magazines.

Saskatchewan Notes

THEY (the unknown race) say: "There is no business like show business"—but it's rugged!

The Moose Jaw Kennel Club held two very successful shows with an entry of 126 dogs from various points throughout Canada and the United States. Both Mr. Hugh Allen, Winnipeg, and Mr. Robert Thomson, Calgary, handed out top honors to a perky wire-haired terrier, Caress of Shawhaven of the Malabar Kennels, Port Fortune, Quebec, owned by W. Scarpa and handled by Mac Bell of Hamilton, Ontario. This same little wire under the guidance of her handler romped in for six Best in Shows on the prairie circuit. Reserve Best in Show on the first day went to a very lovely Pomeranian, Sensation of Dara, owned by Mrs. Allan C. Walkington of Los Angeles, Calif., while an English Setter, Freckles of Juliva, handled by Bob Wilson of Tacoma, Wash., was judged RBS the following day.

The Jack Flynn's of Moose Jaw have mated their Brittany Ch. Vic's Winsome Whirlwind to the outstanding field and bench Sire, Spectre De Conquete, owned by Mr. F. M. Findley of Charleston, W. Virginia, and should have a wonderful litter of puppies. The blessed event is expected sometime in October.

Mrs. Evelyn Churchward, Cumberdale Cocker Kennels, Lloydminister, Sask., has purchased a buff American Cocker stud, Ch. Beudaw's Clipper, son of Int. Ch. Essondales Bobb.

At the sixth annual field trials held over the Labor Day week-end under the auspices of the Ladies' Auxiliary of the Saskatoon Kennel Club, Mutual's Majestic Consort and Victoria's Regal Lady, Pointers owned by A. D. Geiger of Regina placed 1st and 2nd in the Derby. A reception was held at the home of Mrs. Forbes, Secretary, where cups and ribbons were presented to the winners.

Northern Saskatchewan News

By Joan Cumming

SASKATOON field trialers were pleased to have four American dogs participating for the first time in local field trials here Labour day week-end. They did well for themselves too, taking back three trophies. However, they did not win everything. Newton McGregor's well known Ch. Nellie's Queen, English Setter, carried off top honors for the Shooting Dog Stake and the Ardee Kennels entry won the Amateur Stake.

Mrs. R. L. Orge has left Saskatoon to live in B.C. Sorry to lose you, Mrs. Orge, but maybe you will be back before long.

Was out at Watrous, Sask., last week-end and at long last had the opportunity of calling at the Manitou Kennels, owned by Mrs. N. L. Mollard. I was so interested in seeing the kennel that I did not think to get actual figures on the number of dogs and puppies. However, I would imagine there were close to forty grown St. Bernards and twenty-five or thirty puppies between six and eight weeks of age. All the dogs were in wonderful condition and had very large runs. Instead of a main kennel building there are large boxes in each run and the dogs live in these the year round. Where there are so many dogs this plan works well. I hope to be able to call again on Mr. and Mrs. Mollard and have a longer talk with them.

Bernlee Kennels owned by Miss Bernice Brown, and Genghis Khan Kennels have again joined forces in the mating of Bernice Brown's Sun Dah of Orchid to M. J. Gagan's Ch. Jai Tai Pan of Genghis Khan. This combination should produce something special.

There is a black cocker in Saskatoon that has been making his presence known on the Alberta circuit this fall, by completing his championship (subject to C.K.C. confirmation) in just four shows. His name is Twinstone Jeanie's Beau. This was the first time he had been shown so we think it was really nice going. He was bred and is owned by Maurice and Mervyn Covish, seventeen - year - old owners of the Twinstone Kennels. Beau was handled by Mrs. Pat Randall. He is sired by American Champion Benbow's Beau.

Maurice and Mervyn started the Twinstone Kennels in earnest when they purchased a black cocker bitch, Ch. Glendewar Wee Sean from Mrs. Randall in 1945. Wee Sean is known as Jeanie to most people and is the dam of Beau. It was a year ago last spring that the boys decided to send Jeanie to Ch. Benbow's Beau. It is believed that this may be the only litter sired by Benbow's Beau in Canada and certainly the only champion. There is also a sister of Jeanie's Beau that will be shown later.

Field Trials in Nova Scotia

By B. E. Finigan

USUALLY when a Club is successful several times in succession it is common for the Members to say "It's bigger and better!" and the Annapolis Valley Beagle Club is no exception. However, it can be truthfully said that our trials are bigger and better without fear of contradiction.

During the last four years the Annapolis Valley Beagle Club has staged seven Beagle Field Trials, and the latest held on September 24th and 25th far surpassed any of the previous ones. Not only in number of entries and superb judging, but the quality of Beagles has improved tremendously.

All reports indicate that conditions were excellent, but plentiful — and the competition was the keenest yet in Eastern Canada.

Competitors were from all parts of Nova Scotia.

The Judge for the Trial was Alexander Maioichi of Woburn, Mass., who has judged numerous trials across the Border, but this was his initial appearance in Nova Scotia. He is to be complimented on his fine effort to place the dogs as he saw them. The Beaglers of Nova Scotia appreciated his friendly talks at the banquet table. He was most interesting and helpful.

Officers of the Annapolis Valley Beagle Club are: President, H. L. Ritcey, Middleton; Vice - President, A. M. Dodge, Middleton; Secretary, B. E. Finigan, Lawrencetown; Assistant-Secretary, D. E. Clayton, Lawrencetown, N.S.

Maritime Notes

THE month of September has indeed been a month of Shows for fanciers in the Maritimes, especially in the province of Nova Scotia. Commencing on Labor Day with the annual show of the Halifax Kennel Club Inc., which show was followed, later in the month, by the newly inaugurated Fall Circuit, with Shows at Sydney, C. B., the Pictou County Show, held this year at Stellarton and the Truro Kennel Club's Show, at Truro to close the Circuit. This Fall Circuit proved an unqualified success, attracting as it did, a far larger entry than the one held in the early summer.

The Halifax Show was the usual brilliant affair staged by this club, and from every point of view, the officers and members are to be congratulated upon their efforts. This year the Show was sponsored by the Junior League of Halifax, and these ladies, in this, a new field of endeavour on their part, did a splendid job of work. The chosen Judge was Earl T. Adair, of Pittsburgh, Penn., the Show ran smoothly from start to finish, and great credit must be given to the President of the club, Sam Ritchie, and his merry men, but we always look for something rather "super" from this club, and they lived up to their reputation. There were many outstanding features to the Show. The Fashion Parade of Fur Coats was repeated again this year, sponsored by the Edwards Fur Company of Halifax, the models being members of the Junior League, each one leading a Champion dog, proved most effective and entertaining. Another most outstanding feature being the special display of the newly formed Atlantic Beagle Club, about which you will read in another part of this issue, and still one other particularly noticeable fact about this Show, was that, every dog of the 165 entries, was a Maritime dog. Another pleasing feature was the fact that the Judge found for his Best in Show, a locally owned dog, a grand little solid black Cocker, owned by Greg Daly of Halifax. This award was very popular as we have all admired the struggle that Greg has made for the recognition that finally came. His dog "Brookside Little John", bred by Owen Sawler, is a grand little showman, and asked for it all the way.

It was a grand Show, and everyone went home happy, everyone of a very large crowd of interested spectators who thronged the Show all day.

The actual Circuit got away to a bang up start at Sydney on the 20th of the month, and what a start it was. This new club whose progressive spirit and enterprise it has been my pleasure to mention on several occasions, really went to town. From all sides I hear of the splendid arrangements that had

been made, both for the dogs and the exhibitors. In fact everything that can be done to make a show an outstanding success, had been done, and it would appear that the genial President of the Club, Dr. M. J. Macaulay and his band of willing workers succeeded in living up to the Club's Gallic slogan, "CAID MILE FAILTE", which I am told means "A Thousand Welcomes". To quote the words of a local scribe, who captioned his report of the Show, with the statement, "This City Actually Went to the Dogs Yesterday". A large and enthusiastic crowd keenly watched proceedings at each session, while in the evening a capacity crowd, estimated at more than 4,000, followed the work of Louis J. Murr, Esq., of Spring Valley, N.Y. The proceedings at the evening session got away to the skirl of pipes played by Pipe Major McKinnon and a brilliant exhibition of Highland dancing by Miss Donna MacLeod, of Baddeck and Winnipeg. This of course gave the typical Cape Breton Scotch touch so dear to the hearts of all who live in Cape Breton, a very clever thought on the part of the Show Management that gave to their first Show that final touch which I feel will ensure this club going on to greater triumphs. They have the heartiest congratulations and good wishes of all Show-giving clubs in these Maritime Provinces. Mr. Murr awarded the supreme award to that gallant little Black Cocker, owned by Mrs. Edison McNeill of Dartmouth, N.S. Some of you may remember how this dog, when but a seven-month-old puppy, upset all calculations by beating out three champions and going Best of Breed at Charlottetown on Thanksgiving Day last year. He was bred by Owen Sawler of Brookside Kennels, that is two Best in Show awards at consecutive Shows. Watch this kennel, it is truly going places.

Great credit is due to this club for staging a marvellous Show, and special mention must be made of the Show Superintendent, Mr. L. C. Trivett, the charming editor of the Club's Bulletin, who furnished me with a most comprehensive report of the Show, which, much to my regret, I was unable to attend. Following the Truro, was the Pictou County Show, which was, from all reports, a most successful affair. The Judges were Mrs. Drury L. Shereton, of Higham, Mass., and Dr. Frost, of Halifax.

It was a very nice Show with a good entry, and good local support. It is almost entirely due to the efforts of such sportsmen as Chester Gregory, the President; Clarrie Wadden, Show Secretary; Preston Fraser and M. K Kilburn, that they are able to function at all. At this Show, Am. Ch. Joralsted Prince Pierre was judged Best in Show by Mrs. Shereton, who did all Groups and Best in Show with that grand old war-horse, the solid black Cocker, owned by Mrs. J. P. Sheridan, Ch. Hiawatha, showing that he is still able to hold his own among the best of them, winning the Sporting Group and Reserve Best in Show.

In more ways than one, history was made in the busy town of Truro on September 23rd, for this was not only their first Show given by their new Kennel Club, but it was an example of what a new and small club can do when they really get down to it. It was an outstanding effort and they are to be most heartily commended for the excellence of their arrangements and the smoothly run Show. The President, Mr. R. H. Doane, and Ken MacKenzie, the Vice-President, had everything in apple-pie order, the Show got away on time and finished on time and the most punctillious exhibitor had no room for the slightest complaint. I should like to offer a special word of commendation for the excellent work of the Show Secretary, Miss Phyllis Fulton—it is most gratifying to see a young enthusiast take hold and carry out the work in a manner that should make some of the veterans green with envy, also it should make them think. The Judge was veteran G. V. Glebe. I mentioned before that history was made at this Show, and in Best in Show award Mr. Glebe created Dog Show history in Canada, for he found the winner in a beautiful Great Pyrenees, of Basquaerie blood-lines, owned and shown by Wilfred E. Hillis of Armdale, Halifax. This dog "Basquaerie Edgemere's Rex" is, I believe I am correct in saying, the first of his breed to attain the Best in Show award, at any Show held in the Dominion.

A large and enthusiastic crowd of over 3,000 watched the proceedings with intense interest, and I do not think there can be any doubt about Dog Shows having come to stay in Truro.

I have had to leave highlights of the Circuit until next month, as I dare not trespass upon the good nature of our long-suffering editor any further this month, and so until then, to doggy folk, wherever they may be—Cheerio, and all the best.

CLUB ACTIVITIES

Hull & District (Quebec) News

By Fred Blatch

AFTER having read through the splendid Jubilee number of "DOGS IN CANADA", I think everybody will agree the huge amount of work involved in making it such a success is quite obvious; therefore, congratulations to our genial managing editor are in order, and I have no hesitancy in saying, on behalf of all the fanciers around these parts—"Well done, Alva McColl!" Now let's all get together and help make the Christmas number of "DOGS IN CANADA" equally as good, if not better, if such a thing is possible.

The Hull & District Kennel Club was well represented at the Canadian National Exhibition dog shows this year with the following members bringing home the bacon: M. C. (Mac) McLean did nicely with standard and toy Manchester Terriers, completing four Championships; Mrs. G. F. Lovett cleaned up with her Shelties, taking four Best of Breeds out of five with her Int. Champion and completing two more Championships; Frank Florence did exceptionally well with his Cocker puppy, a very nice one by the way, and Fred Coleman captured Best of Winners with his beautiful Airedale bitch puppy, but unfortunately she was taken sick with the terrific heat and failed the other two days she was entered for. Tough luck Fred, but, there's another day coming.

I wandered out to the Aylmer Fair to see the Sanction Show there, where Mr. John Sheehan, of Montreal, was judging. The show was held out of doors which would have been all right had it not been for the continual rain. However, I did have the chance to chat with some of our leading fanciers —David Arch, well-known Cocker breeder and judge, and who, by the way, designed that fine benching the Ottawa Kennel Club purchased recently, gave me some good advice on the building of benching. Fred C. (Dad) McLean was there, smiling and taking in the sights. Now over 80 years old, "Dad" seldom misses a show in spite of his years. Lt.-Col. Harold Stothers was telling me about his good Scotties, and to make a good day out of bad one for him, one of his Scotties walked away with Best in Show. Mrs. T. Harold Dell had some very nice white collies with her which she asked me to look over, and I was much impressed by her bitch—beautiful conformation, good coat and as solid as a rock on all fours. Hope to see them again when I have more time. J. W. (Doc.) Dockrill and his good-natured wife had their hands full, the one as Show Superintendent and the other as Assistant Secretary, and Johnny MacLennan was doing his usual job on the P.A. System, keeping the folks in a good humour with some of his humourous remarks.

Three of our club members are on their way to the Quebec shows at the time of going to press—Mrs. W. S. Fenton with her fine Dachshund, "Dachamar Timoschenko", who needs only one point to complete his Championship, and John and Mrs. Cryderman have taken along their very nice Pekingese just to see what he can do away from home. Here's hoping! Keep your fingers crossed, Colonel!

And to wind up this month's news, have just received a flash to say that Mr. and Mrs. Peter Hopkinson of the Uxmore Kennels, did remarkably well with those dandy Corgis of theirs, being placed in the Working Group on three occasions, at the Toronto Shows.

Also have received a very interesting letter from Miss Nancy Brown, daughter of Walter Brown, who was a member of the C.K.C. for over 25 years and well known as a breeder and judge of Pekingese. Nancy wants me to tell all her father's friends that he has been in ill-health for the past nine years and that she would be pleased to hear from them. Nancy has moved the kennels to Morin Heights, Que., Box 435, where she is going to carry-on from where her father left off, with some lovely specimens she purchased from the States, but I'll tell you more about them in our next issue. So long for now!

Notes From the Province of Quebec

By Mrs. G. S. B. Mack

WELL, here we are with the Labor Day week-end over and summer officially a thing of the past, and from all accounts many new litters are well on their feet and ready to stand the cold months that lie ahead. I understand this has been a good summer with the breeders in this province and many new puppies will be stepping out into the show rings soon.

The highlight of this month has been the five Toronto shows held in connection with the Canadian National Exhibition. I will not dwell on the best in show winners, etc., as the general reports of these shows appear elsewhere in this issue. I was fortunate enough to attend the shows and would like to say that they were all very well run, and that obviously a great deal of forethought had gone into them for the comfort and convenience of dogs, exhibitors and general public, and I am sure were greatly enjoyed by all present.

Our local entries acquitted themselves well, and although it would have been nice to have seen a larger number representing this province the quality of the dogs was very good.

Among the winners were the following: Mrs. Everett of Acadia Lodge Kennels, whose Bedlington International Champion Canis Prior was best of breed on September 6, 7, 8 and 9th. (They did not attend on the 4th). Mrs. Everett's home bred puppy bitch, Blue Gigolette was best Bedlington puppy on four days, Winners Bitch twice and Best Terrier puppy (Canadian Bred) on the 8th. Blue Gigolo, a litter brother, was reserve winners dog on the 8th and 9th. Prior was the sire of four puppies in the show belonging to the three different owners. Another local Bedlington fancier was Mrs. S. Clarke, took reserve Winners dog on the 6th and 7th, and Winners on the 8th with Acadia Lodge's Blue Topper which was a nice win for a puppy.

The English Setter, Spruce Sailor's Son owned by Mrs. McCutcheon took Best of Breed on the 4th, Winners dog on the 6th and 7th, Reserve Winners on the 8th and Best of Breed on the 9th.

Russell Haire's Pointer, Rose O'Browich, finished her championship by going Best of Breed and fourth in the group on the 9th which greatly pleased her owner as she won over some very stiff competition.

Mrs. Dempster had a nice win with her standard Poodle which is still a puppy, Carrillon Jailler going best of Breed on the 4th, 6th, 7th and 8th and Winners Bitch on the 9th.

R. W. Taylor of Valois finished his Pekingese bitch, Ster-Letts Ah-Me-Go of Jalna, by winning Best of Breed on the 6th for five points, Reserve Winners on the 8th, and again Best of Breed on the 9th. His home bred puppy Simba Lee of Elsdon won reserve winners bitch on the 9th beating three champions and going best Canadian bred toy puppy at seven months of age.

The Talisker Skyes were well represented and made a beautiful picture on the bench and in the ring. Mrs. Adams was very pleased to finish two

of her dogs, Kirkby Lonago of Talisker and a lovely little home bred Talisker's Bit O'Heaven who also is the first champion offspring of her imported dog Ch. Turk of Merrymount. Kirkby Lonago was best of breed on four days and fourth and second in a very strong terrier group. Bit O'Heaven took best of breed on the 8th, and went up to third in the group. Mrs. Adams' home bred puppy Talisker's Silver Lady was best Terrier puppy on the 6th, and the Talisker Skye brace were best brace in show at four of the five shows which made a very nice win for this kennel. Unfortunately, there were no other Skyes present so the competition was not exciting, but perhaps next year other dogs will attend.

It was unfortunate that Mrs. Mary Hope, who had entered her recently imported long haired Dachshund and was keenly anticipating the show, was unable to attend on account of illness. We all wish her a speedy recovery and shall look forward to seeing her at the next shows.

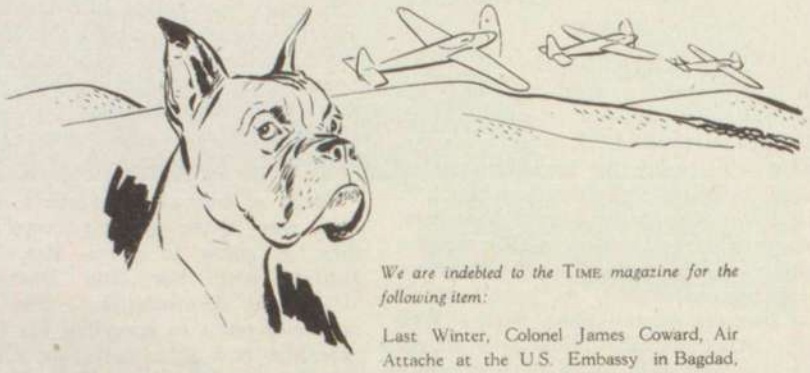
If any local winners have been omitted please accept my humble apologies, but it was hard in the rush and confusion of departure to try and contact all the local exhibitors. Please send on any news you have so that this province may be represented in our official magazine which is always so ready to give space for all doggy news of interest to the other members.

On behalf of the members of this province may I offer sincere congratulations to Mrs. McColl, her staff and all who contributed to the Jubilee issue of DOGS IN CANADA for a splendid job far exceeding the hopes and expectations of us all. This issue undoubtedly will be read and treasured by all the members and anyone who is lucky enough to secure a copy.

Since the Toronto shows the dog news of the province has been very quiet. However I hear from Russell Haire of Montreal that he has just purchased from Mr. A. Attridge of Ontario two English Pointers to be forwarded to Senor ulio Ohrens of Valparaiso, Chile. Senor Ohrens is a Director of the Chilean Kennel Club and on a recent visit to Canada asked Mr. Haire to find him a young dog and bitch suitable for showing and breeding and also to be trained for hunting which is I understand very popular in Chile. It will be interesting to hear how these two Canadian dogs do in their new country, and as they are very promising youngsters we shall hope to hear more of them.

Word comes from Messrs. Foster and Baxter of Upperton Kennels that their Welsh Corgi, Ch. Lisaye Jack's the Boy has just completed his American Championship. This gives this go ahead young kennel their first International Champion, and judging from their young stock, there should be more to follow.

The Doggonedest Facts ...

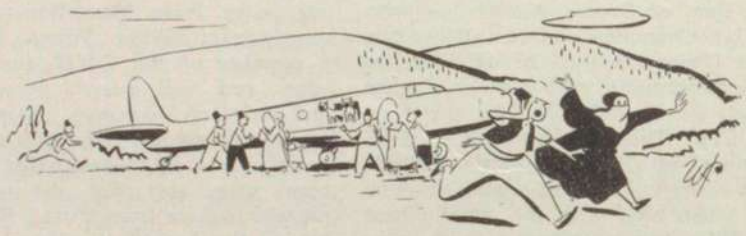


We are indebted to the TIME *magazine for the following item:*

Last Winter, Colonel James Coward, Air Attache at the U.S. Embassy in Bagdad, took off from Frankfurt in a C-47 to fly back to his post. Aboard were three crew members and two boxer dogs that Coward had bought. Coward wanted to refuel in Athens, but the field was fogged in. Istanbul and Ankara, when he approached, were also fogged in. His gas gone, he set the plane's automatic pilot and bailed out with his crew. Lacking parachutes for the dogs, he left them in the plane.

Anatolian peasants saw an airplane come through a narrow opening in the hills, soar down a long valley until it approached a mountain closing the end, making an 180-degree turn and glide back up the valley until it landed in a flat field. When the peasants reached the plane, they found only two dogs inside.

The word was spread through the hills of Anatolia. Turks stride with new confidence along the banks of the swift Kizil Irmak. They know now that the Russians cannot win. Have not the incredible Americans trained dogs to fly airplanes?



Mr. E. Vigneault of Montreal has recently imported from the States two young miniature Dachshunds and intends specializing in this variety, which should add interest to the spring shows.

On October 9th and 10th, the Quebec Kennel Club are holding two point shows in the old city. In the next issue, if our editor is kind enough to allow me the space, I will try to give you the highlights as these will be the last shows in the province this year and we hope will be very well attended. The Quebec Kennel Club of Quebec City have put on four Championship shows this year, which is a splendid effort and has helped greatly to encourage the breeders and exhibitors of Quebec who find it difficult to spare the time to journey outside the province to other shows. Let us hope that next year some amicable agreement can be reached between all the kennel clubs in Quebec Province and that we can arrange a circuit of dog shows to encourage exhibitors from out of town to visit our shows.

Until next month, goodbye for now and good luck with your dogs.

Niagara Frontier Kennel Club Show

By L. S. Lymburner

THE fourth international all breed show, sponsored by the Niagara Frontier Kennel Club, saw some of the top-winning dogs at shows in both the United States and Canada entered for competition and the American and Canadian Champion, Walpride Sandeman, an English Springer Spaniel, owned by Robert Walgate of Buffalo, N.Y., taking the top award for the second time at this show. Louis J Murr of New York made the award as well as the Best Canadian Bred in Show which went to the Boston Terrier, Ch. Sylvanglen's Lady Valentine, owned by Paddy Boughs of To-

ronto. The Best Canadian Bred puppy award went to Stanley Wells' Great Dane, Lady Margaret Reay, Strathroy, Ont.

The club took its new benching out of its wrappings for this show and many were the complimentary remarks made to members on the appearance of the show. Built entirely of plywood the benching is finished with clear varnish and accommodates 300 dogs. However, at this show with an entry of thirty-three Great Danes and eighteen Doberman Pinschers along with thirteen German Shepherds, superintendent Fred Stickel was hard put to manage suitable accommodation for all the dogs entered. For the first time in many a show the entry included eleven Pointers.

Judges for the show included Mr. Louis J. Murr and Mr. Hans Oberhammer of New York, and Mr. Raymond H. Beale of Buffalo, N.Y. Mr. Alex. Gooderham of Toronto judged the Obedience Trials.

Robert A. Heussler, president of the Buffalo Kennel Club, Inc., was Chief Ring Steward, assisted by Mrs. Justin C. Morgan, Kenmore, N.Y.; Mrs. Raymond H. Beale and Miss Marjorie Beale, Buffalo, N.Y.; George Lawless, Hamilton; Mrs. Bruce McRae, Toronto; J. P. Tompkins, Welland; Robert Morrison, Fort Erie; Miss June Smith, Niagara Falls; Miss Shirley Stickel, Welland; George Jerman, St. Davids.

Following the show, the club entertained at a buffet supper at Rathfon Inn when the judges for the show and other visiting officials were guests of the club along with Mr. and Mrs. Walgate, owners of the Best in Show dog. During the party, Ralph Hall who recently assumed the presidency of the club, made the presentation of a handsome travelling bag to W. G. Pietz, retiring president.

The Boxer Club of Canada

By B. E. Hewitson

AT the Bus Terminal Building, the Hamilton headquarters for the Boxer Club of Canada, on September 12th, the Club conducted their September meeting.

In the absence of President Spencer Weller, Vice-President Peter Smith took over the chair. After a short, yet important business session, the members were treated to a splendid address given by Dr. W. J. Rumney, Veterinary Surgeon. This talk dealt with the various types of parasites affecting the canine, and some very important information was given regarding the latest developments and experimental work now being carried on to control these pests.

An open meeting discussion followed Dr. Rumney's address in which he answered and gave his opinion on several kennel problems which some of the members were experiencing. The talk and the discussion which followed, were thoroughly enjoyed by every member of the Club who attended this meeting.

The Collie and Shetland Sheep-Dog Club of Canada

By Mrs. Y. Tomlin

THE Annual meeting of the Collie and Shetland Sheep-dog Club of Canada was held on Thursday, September 30th. Mr. George Getty was elected President and Mr. Ivan Lindsay, Vice-President. Mrs. Yvonne Tomlin is Secretary for the seventh consecutive year. Ross Chapman, our very efficient Treasurer, was re-elected to that office.

With the aid of the above officers and the various committees, we anticipate a very interesting and successful year. Our future activities include a Show and some of those good old euchre socials, like we used to have. Of course, we don't intend to forget our main purpose—"To further interest in the beautiful Collie and Sheltie", and try to educate the novice fancier to "True Collie and Sheltie Type".

To those members who have done so well at recent Shows—Congratulations and "good showing" in the future!

We have a substantial membership but we are always ready to welcome new members, and new ideas so, if you are interested, come and join us at 233 College Street (at Huron Street) on Thursday, October 28th, at 8.30 p.m., or call Mrs. Tomlin at MElrose 3116.

JO HAN JO

Best in Show at the Chow Chow Club Specialty Show. Imported by Mrs. W. Lewis of Long Branch, Ont., this fine dog will bring added prestige to our Canadian Chows, who now rank as "Tops" in the world.

The Chow Chow Club

FORTUNATELY, the Chow Chow Club engaged the Veterans' Hall at Long Branch for its Fifth Annual Specialty Show on October 9th, so although it rained intermittently during the day the dogs and the crowd were quite comfortable.

The big surprise of the day was the entrance of JO HAN JO, an importation from Texas, a beautiful son of the famous JO JO HANSEN. Mrs. W. Lewis, of Long Branch, imported this dog, which is really beautiful. In fact, the judge, Mr. Ralph Spike, of Detroit, Michigan, did not hesitate in placing him best over an excellent entry for best in show honours.

A little short of coat due no doubt, to the Southern climate, there is little else one could find to criticize, and once the Canadian weather has brought this dog into full bloom he will be very difficult to overlook for top honours at the all-breed shows.

It was good to see Joseph Long back in the ring again with a nice entry of dogs and the reserve best in show with his BLACK BEAUTY OF MAGIC.

G. Chater won best Canadian bred in show with CHAMPION KAE WAE CHAN who has matured nicely and can now offer stiff competition.

After the judging there was a parade of champions, each being presented with a rosette made especially for this occasion. There were a lot of new faces among the exhibitors, and it was pleasing to note how many sought membership in the Club.

A buffet supper was served, and one of the most successful specialty shows held by the Club marked the closing of the show season for 1948.

One Day Dog Shows in England

THERE is a most important change in the arrangements for the great dog-show known as Cruft's taking place at Olympia, London, on October 14th and 15th, 1948.

This change is the most drastic revolution in a century of Dog-show annals, and is being carefully scrutinized as a test for future shows to be held on the grand scale. It means that most of the dogs need be at the show for only one day instead of two. They will be judged on the day of arrival and can be taken away the same night. The show will last for two days; but the dogs and their exhibitors will have to endure the strain of the bench and ring for only eight or ten hours instead of thirty-six.

How Will it work ?

It is to be hoped that when all is over, the Kennel Club (new sponsors to Cruft's) will be warmly congratulated by exhibitors and dog-lovers on their enterprise in introducing this new plan.

The National Canine Defence League has a deep interest in the outcome, for it was the League which fought the battle that gave what we hope is the mortal blow to the tradition of making dogs and their exhibitors endure the long ordeal of the old-style show. Looking over our pre-war records we find that our suggestion for reform was savagely attacked and ridiculed; we were advised to leave these things to people better qualified; in fact, we were told that it was no business of ours to suggest how pedigree dogs and their owners should be allowed to compete at the great shows in Britain. People who considered themselves authorities declared that the Canine Defence idea of sectionalisation would not work; the old-style show (they said) was the only kind that was possible. They gave no reasoned reply to our revolutionary suggestion, they just damned it as impertinent and ignorant. But in Blackpool, where ideas are not considered to be bad just because they are new, the promoters of a great two-day show gave the suggestion a trial in June, 1939, and it was found to be thoroughly successful, the entries increasing from 2,400 to 3,200. Everyone joined in praising the new system and all doggy people wanted to see what would happen in London. But the war came and we had to wait nearly ten years to find out.

Advantages of new method

Apart from the boon to dogs and exhibitors, attention will be given to the financial results of this experiment at Cruft's. Will it pay?

There will be far less benching to provide, fewer attendants to pay because the same benches and attendants can be used twice over. Floor space (a most expensive item) need not be so large; the public will be able to see the dogs in which they are specially interested far better; there should be less noise and hustle. Those who want to see all the dogs will need to attend on both days and will pay twice. Altogether, Cruft's show this year should be a much more pleasurable experience for all concerned. If it proves to be so, we of Canine Defence will feel that our demand "Reform The Two Day Dog Shows", has made dog-show history of such a satisfying character that no-one in future will pour scorn on our efforts to make showing more pleasant and healthy for dogs and exhibitors.

First-hand impressions from exhibitors and visitors will be welcome.

The German Shepherd Obedience Trials

(*Conntinued from page* 4)

being shown on their own grounds, were curious as to what was going on.

GRAF WOLFGANG VON BOCHUN trained and owned by Mrs. F. Dehnhardt lost on the long sit and dropped points on his other exercises for being too exuberant. He was so friendly in the "stand for examination" exercises that he washed the judge's neck and face and would willingly have done anything to prove that he was a real friendly Shepherd.

The balance of the dogs failed to make a qualifying score, which was a pity, as much of it was due to the fault of the handler rather than the dog. It is only by watching other handlers and noticing how quick they are to pick up a fault that the novice can learn the fundamentals of obedience Trials.

Having trained various breeds from Great Danes to Pekingese the writer believes that no two dogs are alike and the method of training a large dog is useless when tried on a small dog. It is necessary to observe the dog, gain his confidence and study his reaction to every move you make. Large dogs are much easier trained because they can be kept close to the hip, whereas a small dog, such as the Cocker Spaniel or a Corgi, must necessarily not crowd too close to the leg, and they often wonder why when they snuggle up they are doing wrong. There is no doubt that as these obedience Trials progress a potential buyer's mind will be made up much quicker if he sees the breed he favors working in the obedience ring.

The atmosphree of this particular obedience Trial was such as to give the judge great confidence. It is impossible to play favorites in these Trials as the Score Sheet is added up by the Ring Steward and should the judge not fault a dog when it is obvious to the ringside that there is a fault, then he or she is not invited back again, for the trainers and owners of obedience Trained dogs take their work very seriously.

The report of the Annapolis Valley Club Show held on June 17, 1948, indicated that 79 dogs were benched instead of 72 as previously reported. In addition it should be noted that the Black Cocker Spaniel awarded Winners at that show earned four points as a result of defeating a dog entered for Specials Only.

The following represent the correct awards to German Shepherd Dogs at the Ladies' Kennel Club of Saskatoon show held on March 27, 1948: MALES, Novice—1, H. B. Lloyd's Lloydalta's Flt. Commander Gail. Limit—1, H. B. Lloyd's Lloydalta's Flt. Gunner Gail. WINNERS—Lloydalta's Flt. Commander Gail (2 males, 1 point); Res.—Lloydalta's Flt. Gunner Gail. FEMALES, Novice—1, H. B. Lloyd's Lloydalta's Lucky Geisha. Canadian-bred—1, H. B. Lloyd's Gail of Briardale. WINNERS—Gail of Briardale (2 females, 1 point); Res.—Lloydalta's Lucky Geisha. Best of Winners and Best of Breed—Lloydalta's Flt. Commander Gail.

The report of the Progressive Kennel Club Show (page 37 of September issue of DOGS IN CANADA) should have indicated that in Great Danes Mr. C. S. Spratt's female LADY GUERA OF BALLYDON was awarded Winners and in so doing earned four championship points.

The report of the London Kennel Club show held on June 5th, 1948, as published in the August issue of *Dogs in Canada*, should have indicated that the Doberman Pinscher BETTY LOU SCHEFTERHIEM was awarded Winners, Best of Winners, Best of Breed and 2nd in the Working Group. The report as previously published erred in crediting AURORA VON HEIMDALLER with the awards.

The report of the International Kennell Club Show held on May 24th, 1948, should have indicated that the English Spaniel MISS FLASH OF WESTMOUNT, owned by Morris W. Hayward of Vancouver, was awarded Best of Winners at that Show.

The report of the Barrie Kennel Club show held on May 15th, 1948, indicated that in Irish Setters TIMOTHY OF WASAGH was second in the Open Dogs Class and Reserve winners with third in the Open Class to TYRONNE OF FAIR GLEN. The report should have indicated that TYRONNE OF FAIR GLEN was second in Open and Reserve Winners and that TIMOTHY OF WASAGH was third in Open.

PHOTO FINISH has become a regular feature of race track decisions, and unless great improvements are made, it will soon become a feature of the dog shows. The photographs of the group winners and finalists as inaugurated by us four years ago and brought back again when we became the editor this year, has proven beneficial not only in revenue and increased circulation for DOGS IN CANADA but as a valuable assistant in the compilation of the dog show results. For instance when writing the captions for an Eastern show appearing in this issue we found that according to the judges' book, the winner of the sporting group hounds, reserve Best in Show and Best Canadian Bred in Show, was a Cocker Spaniel. The photograph, however, shows a Beagle winning these honors, and a grave error was immediately remedied. This is but one of many such occurrences during the past six months and on more than one occasion the photographs have been certain proof, avoiding the delay of months of contacting judges, exhibitors, etc., to correct errors.

Where possible and time allows each show record is screened thoroughly before captions are made for the page layouts. It takes time, and as many of our readers are aware the only assistance given DOGS IN CANADA is from our willing contributors, and one lone stenographer It is with regret that we find the wrong name was given in the awards in the Toy group at the Toronto Kennel Club Show on September 4th, page 29, of the October issue. The winner of this group, and Reserve Best in Show all breeds was the Pekingese Champion Chang's Tony Peter St. Pierre, owned and shown by Mrs. A. R. Caruso of Winnipeg, Manitoba.

Perhaps the show secretaries will now understand the reason for many of the rules which seem unnecessary when requested. Marked catalogues showing the correct wins of the dogs are rarely in accord with the judges' books and strange as it seems the catalogues are often more accurate than the judges' books. There were at least twenty additional shows this year, and when the year ends it will not be a surprise to learn that 1948 hit the all-time high record for every department of the Canadian Kennel Club.

Good dogs pass away every day, but the passing of a Boston Terrier — Champion Regards Wee Model, owned and bred by Miss Faye Fox, was most regrettable. Although only a young dog, he had sired seven champions —

6 males and one female. His loss will be keenly felt by the Boston Terrier breeders.

While we receive mail from all parts of the world, we were quite surprised to receive a card from the Riverdale Isolation Hospital in Toronto. This card arrived on September 7th, 1948, and informed us that Mrs. M. Hope was a patient there. Knowing that Mrs. Hope had intended showing her very good Long Haired Dachshund at the Canadian National Exhibition Shows, we made inquiries and found that Mrs. Hope and her dog had arrived in Toronto, — accompanied by that old time malady the "Chickenpox". Many Breeders and Exhibitors will remember when Mrs. Hope had those beautiful Long Haired Dachshunds in by-gone days, and after the absence of a decade, we were looking forward to seeing her back with us again. Caution, howeever, forbade us from paying her a personal visit so our greetings must necessarily await until next year.

From the mail bag we glean the following:

A letter received from Alexander Dalzell, O.B.E., J.J. of Belfast, Ireland. We quote as follows—

"I am deeply anxious that our love of dogs and activity associated with them in connection with breeding and exhibiting should be more widely known to each other. Now that the world is coming closer together by means of speedy air travel I feel that we should really know each other better through some publicity in the Journals of each country, also by an interchange of judges and possibly international competition, but the quarantine restrictions here affecting the latter is a great obstacle. It is also a matter of regret that we are hampered by the paper shortage from developing our Canine Journals as the Dog World (England), is anxious to do so. Your official magazine is full of interest and so well put together and illustrated that it makes one envious."

From England comes a letter which made the Editor very happy for when the history of the pure-bred dog is compiled the name of Miss W. Llewellys Puxley will be among the "greats". Miss Puxley's home was the rendezvous for the founders of many breeds and her knowledge of dogs is such that her book "The Samoyed" is still revered. Fortunately a reprint has been made and copies are once more obtainable. One of her dogs, Champion Siberian Keeno, is mounted and shown in the Museum of Natural History, Kensington, England. Miss Puxley writes the nicest things about a recent issue of DOGS IN CANADA and mentions that some of her dogs were sent to Canada. We hope to have an interesting article by Miss Puxley very soon for DOGS IN CANADA.

An old and valued friend and one whom we hope will be back again with us soon is Wm. H. Pym, of Vancouver. Mr. Pym writes as follows: "The Centennial issue of the Official Magazine came to hand today. Undoubtedly this is the finest issue ever produced by the Canadian Kennel Club, and reflects great credit on yourself as Editor, the Board of Directors and your other associates."

While on the subject here is a letter from Miss Alice Rosenthal, Editor, Dog News, Cincinnati, Ohio: "Before this thought gets filed away with a lot of other good intentions I'm dropping you this note. Just finished going through your Diamond Jubilee issue of DOGS IN CANADA and it's just tremendous. The cover is beautiful and the entire issue something you should be mighty proud of. Am glad you got such splendid advertising support, and shudder to think of the mid-night oil you must have burned in getting this baby ready for press. It certainly was a swell job." Not often the editor of a rival magazine writes such nice letters—shows what a grand crowd of sports there are in the dog writing field.

From Johnny Milner comes a letter which says the October issue is the best ever produced since he became connected with Canadian Kennel Club affairs in 1907. Many thanks, Johnny, for here is my opportunity to correct one little mistake in the fine report you wrote. Champion Quarrybrare Colleen mentioned in the article "Do You Remember?", was bred by George Getty of the Quarrybrae Kennels. Her dam was Quarrybrae Mary who was purchased from the late J. D. Strachan and bred to Ch. Wishaw Rival.

Mrs. Winifred Batt, of Guelph, whose Haldon Scottish Terriers have been world famous for many years shipped a puppy to Guatamala, South America, recently. The puppy, known as Haldon Highlander of Guatamala, is sired by Champion Haldon Sovereign, and the dam is none other than Champion Haldon Emblem, the Madison Square Gardens winner. When this puppy enters the show ring in South America he will be a credit to Canada and to his breeder who has perhaps the highest record for producing Scottie champions in Canada.

Mr. Fred Wardle of 344 Birchmount Road, Toronto, would like to contact Newfoundland breeders with the thought of forming a specialty club for this breed. Mr. Wardle will donate a large room for the meetings and do all possible to assist in promoting this breed which has done so well in Canada. Mr. Wardle writes: "You can do more in one issue of your fine magazine than we have been able to do for years, so we enlist your help to not only assist the Newfoundland breed but bring more members into the Canadian Kennel Club." The writer remembers the night at Madison Square Gardens, New York, when Mrs. Beatrice Godsol judged a large entry of Newfoundlands. Winners dogs was won by Ch. Laurel Brae's Lifeguard, bred and owned by E. Emmett, of Islington, Ont. It was a great day for the Canadians. Why not bring the breed back and show that we can do it again?

Mr. C. B. Smith, Chine Drive, Scarboro Bluffs, Ontario, writes as follows: Is there an organization in Ontario interested in promoting Retrievers? Every fall many hunters go to the marshes and lakes for a few days' duck shooting. Some are fortunate enough to possess a trained retriever and so enjoy the sport more fully as a lot of crippled birds are retrieved which would otherwise have been left to die. I know we have bird dog associations but they seem interested only in Pointers and Setters. There must be a lot of Retriever owners like myself who would be glad to get out with others who have some experience in the proper training and handling of these dogs in the field and then later on take their place in a Field Trial.

FROM THE OFFICE OF THE SECRETARY-TREASURER

1109. The regular monthly meeting of the Board of Directors of the Canadian Kennel Club Inc., was held in the Club's offices, 667 Yonge Street, Toronto, Ontario, on September 1st, 1948, commencing at 10.30 a.m. The President, Reg. P. Sparkes, presided. Officers and Directors present at the commencement of the meeting included: Walter Brown, Group Captain W. E. Baker, George P. Davies, W. G. Kenyon and Douglas Riedel.

1110. MINUTES OF BOARD MEETING HELD AUGUST 20th

SUBJECT: The Secretary presented the minutes of the meeting of the Board of Directors held at Regina on August 20th, 1948.

RESOLUTION: It was regularly moved by Director Baker, seconded by Director Davies:

"THAT, The minutes of the meeting of the Board of Directors held at Regina on August 20th, 1948, be adopted, subject to any corrections which may be ordered after the members of the Board attending that meeting have had an opportunity of examining the minutes as prepared by the Secretary." Motion carried.

1111. (1076). REGISTRATION COMMITTEE CASES

REPORT: The Secretary reported that Mr. H. A. Wattie of Agincourt, Ontario, had been in touch with him regarding the registration of two English Cocker Spaniels, registered with the Indian Kennel Club, imported from India by Mr. Wattie. The Secretary further reported that these dogs had been inspected by the C.K.C. representative, who found them to be good specimens of the breed.

ACTION: The Secretary was directed to refer the file to the Registration Committee for attention.

REPORT: The Secretary reported on correspondence with Mr. Rudolf Funke of Morrisburg, Ontario, which indicated that Mr. Funke had not been successful in obtaining information in respect to the ancestry of the dam of a Longlhaired Dachshund which he had imported from Germany.

DISCUSSION: The Board discussed the matter but agreed that since the Club's certificates of registration provided three generations of breeding, no action should be taken in respect to the registration of this dog until such time as a full three-generation pedigree is available.

ACTION: The Secretary was directed to inform Mr. Funke of the Club's requirements before registration could be considered.

REPORT: The Secretary reported that the Registration Committee had:

(1) Authorized the registration, under Article 33, Section 7 of the Constitution, of the following American Cocker Spaniels owned by Mrs. Alan C. Bate of Aylmer East, Quebec: ROCKHURST MIGHTY MITE, ROCKHURST BOB WHITE, ROCKHURST TINY TIM, ROCKHURST MR. 1112. (1075). COMPLAINTS WITH REGARD TO REGISTRATION, ETC.

REPORT: The Secretary reported on a file indicating that Mr. S. J. Lea of Vancouver, B.C., was desirous of obtaining a certificate of registration for a Wire Fox Terrier purporting to have been purchased from Mrs. Mary Eckersley of Woodfibre, B.C., in 1942. The Secretary reported that this file had been referred to Director Williams for investigation, and Director Williams' report was read in which he stated that in view of methods used by Mr. Lea to obtain information in respect to this dog, and until it was definitely proven that the dog was of the ancestry claimed by Mr. Lea, that he would not recommend the issuance of a certificate of registration for the dog in question.

RESOLUTION: It was regularly moved by Vice President Brown, seconded by Director Davies:

"THAT, the finding of Director Williams be confirmed and no action taken in respect of this case". Motion carried.

Director H. S. Weller entered the meeting.

SUBJECT: The Secretary read letters received from Mr. H. W. Hunter, Picton, Ontario, who reported that he had not obtained the certificate of registration for a Boston Terrier which he claimed to have purchased from Mrs. Clement, Strathroy, Ontario, in October 1945. Mr. Hunter's letter indicated that at the time of purchase he had stated that he did not wish to obtain the certificate of registration for the dog.

MEETINGS

The regular monthly meeting of the Board of Directors will be held on the 1st and 15th of each month.

ACTION: It was agreed that no action be taken in respect to this matter in view of the statement made by Mr. Hunter when he purchased the dog from Mrs. Clement.

Second Vice President D. J. Lerch entered the meeting.

SUBJECT: The Secretary read a letter from Mrs. Maude L. Jodrey, Bridgetown, N.S., in which Mrs. Jodrey reviewed in detail the developments alleged to have occurred in respect to a female Collie said to have been leased to Mr. William Powell, Toronto, Ontario. Mrs. Jodrey reported that through ignorance of procedure in leasing the dog, she had transferred the dog to Mr. Powell, and while the dog had been returned to her, she had been unable to obtain Mr. Powell's co-operation in returning the certificate with transfer to her name.

RESOLUTION: It was regularly moved by Director Weller, seconded by Director Kenyon:

"THAT, a letter be sent to Mr. William Powell, informing him that a complaint had been received from Mrs. Maude L. Jodrey and requesting that he forward the certificate of registration to the Canadian Kennel Club office with a signed application for transfer of ownership and the transfer of ownership fee." Motion carried.

1113. MEETINGS OF PROVINCIAL COMMITTEE, ETC.

SUBJECT: The Secretary read a letter from Director V. W. Williams, requesting copy of a letter addressed to him in 1946 in respect to when, where and under what circumstances a meeting of the Provincial Committee could be called. The President reported that he had directed this matter to be referred to the Board of Directors, for while on his trip through Western Canada this point had been discussed at various gatherings of the members and he was of the opinion that the Provincial Director should have the authority to call a meeting of the Provincial Committee or consult the local Field Trial Representative whenever he felt it necessary or desirable to do so, and a report could later be made to the Board of Directors if such a meeting or consultation was held.

RESOLUTION: It was regularly moved by Vice President Brown, seconded by Second Vice President Lerch:

"THAT, the Director in each Province (Ontario excepted) be empowered to call a meeting of the Provincial Committee and/or Field Trial Representative at his discretion." Motion carried.

REPORT: The Secretary reported that while he was absent attending meetings at Regina an objection had been received from Major L. E. Cuttle (recorded owner of kennel name OLD KINSALE) who had objected to the application for the kennel name Kin TAIL, and that he had accordingly held that application for that kennel name over for the further consideration of the Board of Directors.

DISCUSSION: Discussing Major Cuttles' objection the Board felt that there was sufficient difference between the two kennel names to justify approving of the application for the name KINTAIL.

RESOLUTION: It was regularly moved by Director Kenyon, seconded by Director Davies:

"THAT, Allen MacKenzie's application for registration of the kennel name be approved." Motion carried.

ronto. The Best Canadian Bred puppy award went to Stanley Wells' Great Dane, Lady Margaret Reay, Strathroy, Ont.

The club took its new benching out of its wrappings for this show and many were the complimentary remarks made to members on the appearance of the show. Built entirely of plywood the benching is finished with clear varnish and accommodates 300 dogs. However, at this show with an entry of thirty-three Great Danes and eighteen Doberman Pinschers along with thirteen German Shepherds, superintendent Fred Stickel was hard put to manage suitable accommodation for all the dogs entered. For the first time in many a show the entry included eleven Pointers.

Judges for the show included Mr. Louis J. Murr and Mr. Hans Oberhammer of New York, and Mr. Raymond H. Beale of Buffalo, N.Y. Mr. Alex. Gooderham of Toronto judged the Obedience Trials.

Robert A. Heussler, president of the Buffalo Kennel Club, Inc., was Chief Ring Steward, assisted by Mrs. Justin C. Morgan, Kenmore, N.Y.; Mrs. Raymond H. Beale and Miss Marjorie Beale, Buffalo, N.Y.; George Lawless, Hamilton; Mrs. Bruce McRae, Toronto; J. P. Tompkins, Welland; Robert Morrison, Fort Erie; Miss June Smith, Niagara Falls; Miss Shirley Stickel, Welland; George Jerman, St. Davids.

Following the show, the club entertained at a buffet supper at Rathfon Inn when the judges for the show and other visiting officials were guests of the club along with Mr. and Mrs. Walgate, owners of the Best in Show dog. During the party, Ralph Hall who recently assumed the presidency of the club, made the presentation of a handsome travelling bag to W. G. Pietz, retiring president.

The Boxer Club of Canada

By B. E. Hewitson

AT the Bus Terminal Building, the Hamilton headquarters for the Boxer Club of Canada, on September 12th, the Club conducted their September meeting.

In the absence of President Spencer Weller, Vice-President Peter Smith took over the chair. After a short, yet important business session, the members were treated to a splendid address given by Dr. W. J. Rumney, Veterinary Surgeon. This talk dealt with the various types of parasites affecting the canine, and some very important information was given regarding the latest developments and experimental work now being carried on to control these pests.

An open meeting discussion followed Dr. Rumney's address in which he answered and gave his opinion on several kennel problems which some of the members were experiencing. The talk and the discussion which followed, were thoroughly enjoyed by every member of the Club who attended this meeting.

The Collie and Shetland Sheep-Dog Club of Canada

By Mrs. Y. Tomlin

THE Annual meeting of the Collie and Shetland Sheep-dog Club of Canada was held on Thursday, September 30th. Mr. George Getty was elected President and Mr. Ivan Lindsay, Vice-President. Mrs. Yvonne Tomlin is Secretary for the seventh consecutive year. Ross Chapman, our very efficient Treasurer, was re-elected to that office.

With the aid of the above officers and the various committees, we anticipate a very interesting and successful year. Our future activities include a Show and some of those good old euchre socials, like we used to have. Of course, we don't intend to forget our main purpose—"To further interest in the beautiful Collie and Sheltie", and try to educate the novice fancier to "True Collie and Sheltie Type".

To those members who have done so well at recent Shows—Congratulations and "good showing" in the future!

We have a substantial membership but we are always ready to welcome new members, and new ideas so, if you are interested, come and join us at 233 College Street (at Huron Street) on Thursday, October 28th, at 8.30 p.m., or call Mrs. Tomlin at MElrose 3116.

JO HAN JO

Best in Show at the Chow Chow Club Specialty Show. Imported by Mrs. W. Lewis of Long Branch, Ont., this fine dog will bring added prestige to our Canadian Chows, who now rank as "Tops" in the world.

The Chow Chow Club

FORTUNATELY, the Chow Chow Club engaged the Veterans' Hall at Long Branch for its Fifth Annual Specialty Show on October 9th, so although it rained intermittently during the day the dogs and the crowd were quite comfortable.

The big surprise of the day was the entrance of JO HAN JO, an importation from Texas, a beautiful son of the famous JO JO HANSEN. Mrs. W. Lewis, of Long Branch, imported this dog, which is really beautiful. In fact, the judge, Mr. Ralph Spike, of Detroit, Michigan, did not hesitate in placing him best over an excellent entry for best in show honours.

A little short of coat due no doubt, to the Southern climate, there is little else one could find to criticize, and once the Canadian weather has brought this dog into full bloom he will be very difficult to overlook for top honours at the all-breed shows.

It was good to see Joseph Long back in the ring again with a nice entry of dogs and the reserve best in show with his BLACK BEAUTY OF MAGIC.

G. Chater won best Canadian bred in show with CHAMPION KAE WAE CHAN who has matured nicely and can now offer stiff competition.

After the judging there was a parade of champions, each being presented with a rosette made especially for this occasion. There were a lot of new faces among the exhibitors, and it was pleasing to note how many sought membership in the Club.

A buffet supper was served, and one of the most successful specialty shows held by the Club marked the closing of the show season for 1948.

One Day Dog Shows in England

THERE is a most important change in the arrangements for the great dog-show known as Cruft's taking place at Olympia, London, on October 14th and 15th, 1948.

This change is the most drastic revolution in a century of Dog-show annals, and is being carefully scrutinized as a test for future shows to be held on the grand scale. It means that most of the dogs need be at the show for only one day instead of two. They will be judged on the day of arrival and can be taken away the same night. The show will last for two days; but the dogs and their exhibitors will have to endure the strain of the bench and ring for only eight or ten hours instead of thirty-six.

How Will it work ?

It is to be hoped that when all is over, the Kennel Club (new sponsors to Cruft's) will be warmly congratulated by exhibitors and dog-lovers on their enterprise in introducing this new plan.

The National Canine Defence League has a deep interest in the outcome, for it was the League which fought the battle that gave what we hope is the mortal blow to the tradition of making dogs and their exhibitors endure the long ordeal of the old-style show. Looking over our pre-war records we find that our suggestion for reform was savagely attacked and ridiculed; we were advised to leave these things to people better qualified; in fact, we were told that it was no business of ours to suggest how pedigree dogs and their owners should be allowed to compete at the great shows in Britain. People who considered themselves authorities declared that the Canine Defence idea of sectionalisation would not work; the old-style show (they said) was the only kind that was possible. They gave no reasoned reply to our revolutionary suggestion, they just damned it as impertinent and ignorant. But in Blackpool, where ideas are not considered to be bad just because they are new, the promoters of a great two-day show gave the suggestion a trial in June, 1939, and it was found to be thoroughly successful, the entries increasing from 2,400 to 3,200. Everyone joined in praising the new system and all doggy people wanted to see what would happen in London. But the war came and we had to wait nearly ten years to find out.

Advantages of new method

Apart from the boon to dogs and exhibitors, attention will be given to the financial results of this experiment at Cruft's. Will it pay?

There will be far less benching to provide, fewer attendants to pay because the same benches and attendants can be used twice over. Floor space (a most expensive item) need not be so large; the public will be able to see the dogs in which they are specially interested far better; there should be less noise and hustle. Those who want to see all the dogs will need to attend on both days and will pay twice. Altogether, Cruft's show this year should be a much more pleasurable experience for all concerned. If it proves to be so, we of Canine Defence will feel that our demand "Reform The Two Day Dog Shows", has made dog-show history of such a satisfying character that no-one in future will pour scorn on our efforts to make showing more pleasant and healthy for dogs and exhibitors.

First-hand impressions from exhibitors and visitors will be welcome.

The German Shepherd Obedience Trials

(*Conntinued from page* 4)

being shown on their own grounds, were curious as to what was going on.

GRAF WOLFGANG VON BOCHUN trained and owned by Mrs. F. Dehnhardt lost on the long sit and dropped points on his other exercises for being too exuberant. He was so friendly in the "stand for examination" exercises that he washed the judge's neck and face and would willingly have done anything to prove that he was a real friendly Shepherd.

The balance of the dogs failed to make a qualifying score, which was a pity, as much of it was due to the fault of the handler rather than the dog. It is only by watching other handlers and noticing how quick they are to pick up a fault that the novice can learn the fundamentals of obedience Trials.

Having trained various breeds from Great Danes to Pekingese the writer believes that no two dogs are alike and the method of training a large dog is useless when tried on a small dog. It is necessary to observe the dog, gain his confidence and study his reaction to every move you make. Large dogs are much easier trained because they can be kept close to the hip, whereas a small dog, such as the Cocker Spaniel or a Corgi, must necessarily not crowd too close to the leg, and they often wonder why when they snuggle up they are doing wrong. There is no doubt that as these obedience Trials progress a potential buyer's mind will be made up much quicker if he sees the breed he favors working in the obedience ring.

The atmosphree of this particular obedience Trial was such as to give the judge great confidence. It is impossible to play favorites in these Trials as the Score Sheet is added up by the Ring Steward and should the judge not fault a dog when it is obvious to the ringside that there is a fault, then he or she is not invited back again, for the trainers and owners of obedience Trained dogs take their work very seriously.

Corrections

The report of the Annapolis Valley Club Show held on June 17, 1948, indicated that 79 dogs were benched instead of 72 as previously reported. In addition it should be noted that the Black Cocker Spaniel awarded Winners at that show earned four points as a result of defeating a dog entered for Specials Only.

The following represent the correct awards to German Shepherd Dogs at the Ladies' Kennel Club of Saskatoon show held on March 26, 1948: MALES, Novice—1, H. B. Lloyd's Lloydalta's Flt. Commander Gail. The report of the Progressive Kennel Club Show (page 37 of September issue of DOGS IN CANADA) should have indicated that in Great Danes Mr. C. S. Spratt's female LADY GUERA OF BALLYDON was awarded Winners and in so doing earned four championship points.

The report of the London Kennel Club show held on June 5th, 1948, as published in the August issue of *Dogs in Canada*, should have indicated that the Doberman Pinscher BETTY LOU SCHEFTERHIEM was awarded Winners, Best of Winners, Best of Breed and 2nd in the Working Group. The report as previously published erred in crediting AURORA VON HEIMDALLER with the awards.

The report of the International Kennell Club Show held on May 24th, 1948, should have indicated that the English Spaniel MISS FLASH OF WESTMOUNT, owned by Morris W. Hayward of Vancouver, was awarded Best of Winners at that Show.

The report of the Barrie Kennel Club show held on May 15th, 1948, indicated that in Irish Setters TIMOTHY OF WASAGH was second in the Open Dogs Class and Reserve winners with third in the Open Class to TYRONNE OF FAIR GLEN. The report should have indicated that TYRONNE OF FAIR GLEN was second in Open and Reserve Winners and that TIMOTHY OF WASAGH was third in Open.

. . . DOTS AND DASHES - - -

PHOTO FINISH has become a regular feature of race track decisions, and unless great improvements are made, it will soon become a feature of the dog shows. The photographs of the group winners and finalists as inaugurated by us four years ago and brought back again when we became the editor this year, has proven beneficial not only in revenue and increased circulation for DOGS IN CANADA but as a valuable assistant in the compilation of the dog show results. For instance when writing the captions for an Eastern show appearing in this issue we found that according to the judges' book, the winner of the sporting group hounds, reserve Best in Show and Best Canadian Bred in Show, was a Cocker Spaniel. The photograph, however, shows a Beagle winning these honors, and a grave error was immediately remedied. This is but one of many such occurrences during the past six months and on more than one occasion the photographs have been certain proof, avoiding the delay of months of contacting judges, exhibitors, etc., to correct errors.

Where possible and time allows each show record is screened thoroughly before captions are made for the page layouts. It takes time, and as many of our readers are aware the only assistance given DOGS IN CANADA is from our willing contributors, and one lone stenographer It is with regret that we find the wrong name was given in the awards in the Toy group at the Toronto Kennel Club Show on September 4th, page 29, of the October issue. The winner of this group, and Reserve Best in Show all breeds was the Pekingese Champion Chang's Tony Peter St. Pierre, owned and shown by Mrs. A. R. Caruso of Winnipeg, Manitoba.

Perhaps the show secretaries will now understand the reason for many of the rules which seem unnecessary when requested. Marked catalogues showing the correct wins of the dogs are rarely in accord with the judges' books and strange as it seems the catalogues are often more accurate than the judges' books. There were at least twenty additional shows this year, and when the year ends it will not be a surprise to learn that 1948 hit the all-time high record for every department of the Canadian Kennel Club.

Good dogs pass away every day, but the passing of a Boston Terrier — Champion Regards Wee Model, owned and bred by Miss Faye Fox, was most regrettable. Although only a young dog, he had sired seven champions —

6 males and one female. His loss will be keenly felt by the Boston Terrier breeders.

While we receive mail from all parts of the world, we were quite surprised to receive a card from the Riverdale Isolation Hospital in Toronto. This card arrived on September 7th, 1948, and informed us that Mrs. M. Hope was a patient there. Knowing that Mrs. Hope had intended showing her very good Long Haired Dachshund at the Canadian National Exhibition Shows, we made inquiries and found that Mrs. Hope and her dog had arrived in Toronto, — accompanied by that old time malady the "Chickenpox". Many Breeders and Exhibitors will remember when Mrs. Hope had those beautiful Long Haired Dachshunds in by-gone days, and after the absence of a decade, we were looking forward to seeing her back with us again. Caution, howeever, forbade us from paying her a personal visit so our greetings must necessarily await until next year.

From the mail bag we glean the following:

A letter received from Alexander Dalzell, O.B.E., J.J. of Belfast, Ireland. We quote as follows—

"I am deeply anxious that our love of dogs and activity associated with them in connection with breeding and exhibiting should be more widely known to each other. Now that the world is coming closer together by means of speedy air travel I feel that we should really know each other better through some publicity in the Journals of each country, also by an interchange of judges and possibly international competition, but the quarantine restrictions here affecting the latter is a great obstacle. It is also a matter of regret that we are hampered by the paper shortage from developing our Canine Journals as the Dog World (England), is anxious to do so. Your official magazine is full of interest and so well put together and illustrated that it makes one envious."

From England comes a letter which made the Editor very happy for when the history of the pure-bred dog is compiled the name of Miss W. Llewellys Puxley will be among the "greats". Miss Puxley's home was the rendezvous for the founders of many breeds and her knowledge of dogs is such that her book "The Samoyed" is still revered. Fortunately a reprint has been made and copies are once more obtainable. One of her dogs, Champion Siberian Keeno, is mounted and shown in the Museum of Natural History, Kensington, England. Miss Puxley writes the nicest things about a recent issue of DOGS IN CANADA and mentions that some of her dogs were sent to Canada. We hope to have an interesting article by Miss Puxley very soon for DOGS IN CANADA.

An old and valued friend and one whom we hope will be back again with us soon is Wm. H. Pym, of Vancouver. Mr. Pym writes as follows: "The Centennial issue of the Official Magazine came to hand today. Undoubtedly this is the finest issue ever produced by the Canadian Kennel Club, and reflects great credit on yourself as Editor, the Board of Directors and your other associates."

While on the subject here is a letter from Miss Alice Rosenthal, Editor, Dog News, Cincinnati, Ohio: "Before this thought gets filed away with a lot of other good intentions I'm dropping you this note. Just finished going through your Diamond Jubilee issue of DOGS IN CANADA and it's just tremendous. The cover is beautiful and the entire issue something you should be mighty proud of. Am glad you got such splendid advertising support, and shudder to think of the mid-night oil you must have burned in getting this baby ready for press. It certainly was a swell job." Not often the editor of a rival magazine writes such nice letters—shows what a grand crowd of sports there are in the dog writing field.

From Johnny Milner comes a letter which says the October issue is the best ever produced since he became connected with Canadian Kennel Club affairs in 1907. Many thanks, Johnny, for here is my opportunity to correct one little mistake in the fine report you wrote. Champion Quarrybrare Colleen mentioned in the article "Do You Remember?", was bred by George Getty of the Quarrybrae Kennels. Her dam was Quarrybrae Mary who was purchased from the late J. D. Strachan and bred to Ch. Wishaw Rival.

Mrs. Winifred Batt, of Guelph, whose Haldon Scottish Terriers have been world famous for many years shipped a puppy to Guatamala, South America, recently. The puppy, known as Haldon Highlander of Guatamala, is sired by Champion Haldon Sovereign, and the dam is none other than Champion Haldon Emblem, the Madison Square Gardens winner. When this puppy enters the show ring in South America he will be a credit to Canada and to his breeder who has perhaps the highest record for producing Scottie champions in Canada.

Mr. Fred Wardle of 344 Birchmount Road, Toronto, would like to contact Newfoundland breeders with the thought of forming a specialty club for this breed. Mr. Wardle will donate a large room for the meetings and do all possible to assist in promoting this breed which has done so well in Canada. Mr. Wardle writes: "You can do more in one issue of your fine magazine than we have been able to do for years, so we enlist your help to not only assist the Newfoundland breed but bring more members into the Canadian Kennel Club." The writer remembers the night at Madison Square Gardens, New York, when Mrs. Beatrice Godsol judged a large entry of Newfoundlands. Winners dogs was won by Ch. Laurel Brae's Lifeguard, bred and owned by E. Emmett, of Islington, Ont. It was a great day for the Canadians. Why not bring the breed back and show that we can do it again?

Mr. C. B. Smith, Chine Drive, Scarboro Bluffs, Ontario, writes as follows: Is there an organization in Ontario interested in promoting Retrievers? Every fall many hunters go to the marshes and lakes for a few days' duck shooting. Some are fortunate enough to possess a trained retriever and so enjoy the sport more fully as a lot of crippled birds are retrieved which would otherwise have been left to die. I know we have bird dog associations but they seem interested only in Pointers and Setters. There must be a lot of Retriever owners like myself who would be glad to get out with others who have some experience in the proper training and handling of these dogs in the field and then later on take their place in a Field Trial.

BOARD OF DIRECTORS — MEETING

FROM THE OFFICE OF THE SECRETARY-TREASURER

1109. The regular monthly meeting of the Board of Directors of the Canadian Kennel Club Inc., was held in the Club's offices, 667 Yonge Street, Toronto, Ontario, on September 1st, 1948, commencing at 10.30 a.m. The President, Reg. P. Sparkes, presided. Officers and Directors present at the commencement of the meeting included: Walter Brown, Group Captain W. E. Baker, George P. Davies, W. G. Kenyon and Douglas Riedel.

1110. MINUTES OF BOARD MEETING HELD AUGUST 20th

SUBJECT: The Secretary presented the minutes of the meeting of the Board of Directors held at Regina on August 20th, 1948.

RESOLUTION: It was regularly moved by Director Baker, seconded by Director Davies:

"THAT, The minutes of the meeting of the Board of Directors held at Regina on August 20th, 1948, be adopted, subject to any corrections which may be ordered after the members of the Board attending that meeting have had an opportunity of examining the minutes as prepared by the Secretary." Motion carried.

1111. (1076). REGISTRATION COMMITTEE CASES

REPORT: The Secretary reported that Mr. H. A. Wattie of Agincourt, Ontario, had been in touch with him regarding the registration of two English Cocker Spaniels, registered with the Indian Kennel Club, imported from India by Mr. Wattie. The Secretary further reported that these dogs had been inspected by the C.K.C. representative, who found them to be good specimens of the breed.

ACTION: The Secretary was directed to refer the file to the Registration Committee for attention.

REPORT: The Secretary reported on correspondence with Mr. Rudolf Funke of Morrisburg, Ontario, which indicated that Mr. Funke had not been successful in obtaining information in respect to the ancestry of the dam of a Longlhaired Dachshund which he had imported from Germany.

DISCUSSION: The Board discussed the matter but agreed that since the Club's certificates of registration provided three generations of breeding, no action should be taken in respect to the registration of this dog until such time as a full three-generation pedigree is available.

ACTION: The Secretary was directed to inform Mr. Funke of the Club's requirements before registration could be considered.

REPORT: The Secretary reported that the Registration Committee had:

(1) Authorized the registration, under Article 33, Section 7 of the Constitution, of the following American Cocker Spaniels owned by Mrs. Alan C. Bate of Aylmer East, Quebec: ROCKHURST MIGHTY MITE, ROCKHURST BOB WHITE, ROCKHURST TINY TIM, ROCKHURST MR. 1112. (1075). COMPLAINTS WITH REGARD TO REGISTRATION, ETC.

REPORT: The Secretary reported on a file indicating that Mr. S. J. Lea of Vancouver, B.C., was desirous of obtaining a certificate of registration for a Wire Fox Terrier purporting to have been purchased from Mrs. Mary Eckersley of Woodfibre, B.C., in 1942. The Secretary reported that this file had been referred to Director Williams for investigation, and Director Williams' report was read in which he stated that in view of methods used by Mr. Lea to obtain information in respect to this dog, and until it was definitely proven that the dog was of the ancestry claimed by Mr. Lea, that he would not recommend the issuance of a certificate of registration for the dog in question.

RESOLUTION: It was regularly moved by Vice President Brown, seconded by Director Davies:

"THAT, the finding of Director Williams be confirmed and no action taken in respect of this case". Motion carried.

Director H. S. Weller entered the meeting.

SUBJECT: The Secretary read letters received from Mr. H. W. Hunter, Picton, Ontario, who reported that he had not obtained the certificate of registration for a Boston Terrier which he claimed to have purchased from Mrs. Clement, Strathroy, Ontario, in October 1945. Mr. Hunter's letter indicated that at the time of purchase he had stated that he did not wish to obtain the certificate of registration for the dog.

MEETINGS

The regular monthly meeting of the Board of Directors will be held on the 1st and 15th of each month.

ACTION: It was agreed that no action be taken in respect to this matter in view of the statement made by Mr. Hunter when he purchased the dog from Mrs. Clement.

Second Vice President D. J. Lerch entered the meeting.

SUBJECT: The Secretary read a letter from Mrs. Maude L. Jodrey, Bridgetown, N.S., in which Mrs. Jodrey reviewed in detail the developments alleged to have occurred in respect to a female Collie said to have been leased to Mr. William Powell, Toronto, Ontario. Mrs. Jodrey reported that through ignorance of procedure in leasing the dog, she had transferred the dog to Mr. Powell, and while the dog had been returned to her, she had been unable to obtain Mr. Powell's co-operation in returning the certificate with transfer to her name.

RESOLUTION: It was regularly moved by Director Weller, seconded by Director Kenyon:

"THAT, a letter be sent to Mr. William Powell, informing him that a complaint had been received from Mrs. Maude L. Jodrey and requesting that he forward the certificate of registration to the Canadian Kennel Club office with a signed application for transfer of ownership and the transfer of ownership fee." Motion carried.

RESOLUTION: It was regularly moved by Vice President Brown, seconded by Second Vice President Lerch:

"Results from Gro-Pup convinced me!"

This fine Pointer, Kit of Howland, has won many Best of Breeds. Louis L. Howe, of Howland Kennels, Stratford, Ont., writes: "*Kit is a splendid example of what Gro-Pup can do. Results from Gro-Pup convinced me it contributes greatly to growth, stamina, and bone structure. Gro-Pup keeps all my dogs in top condition.*"

Why breeders feed Gro-Pup

BREEDERS KNOW it is not safe to try to raise dogs on "table scraps." Dogs need a properly *balanced* diet that gives them everything they must have for strong bones, sound teeth, and a beautiful coat. That's why breeders feed Gro-Pup.

GRO-PUP IS A PROPERLY BALANCED DIET to keep dogs of all ages, sizes and breeds at their natural best. Not only do dogs like it but it contains every vitamin and mineral they are known to need.

GRO-PUP SAVES YOU MONEY. It costs *only 5¢ a day* to feed a good-sized dog. It is all *dry* solid food. That is why Gro-Pup is *so economical*. A 2-lb. package actually contains as much solid food (*dry weight*) as your dog could get in *five* 1-lb. *cans* of ordinary dog food.

Feed your dog as famous kennels do. Buy him Gro-Pup. Your grocer has it in both *cubes* and *meal* form—*for variety.*

"EVERY INCH" a Winner!

...and every inch nourished by GAINES

HE'S A top-notcher—and he gets the food a winner deserves. That's GAINES—the balanced diet—kennel-tested and biologically proved to be nutritionally *complete*. Contains as much PROTEINS as in 1½ lbs. beef—as much CARBOHYDRATES as in 1½ qts. cooked oatmeal—as much FATS as in 1 oz. butter—as much MINERALS as in 1¾ lbs. cheese—as much IRON as in ¾ lb. beef liver.

"IT COSTS ME LESS TO FEED GAINES MEAL THAN ANY OTHER TYPE OF DOG FOOD!"

GAINES Meal is a scientifically balanced food, with the vitamins, minerals, ALL the food factors science says dogs should have. Some other types of dog food have as much as 70% water . . . but not GAINES. Why pay for moisture? You yourself add the liquid to GAINES at no extra cost. Buy nourishment! Buy GAINES!

For variety, try GAINES KRUNCHON, which is GAINES Meal compressed into crunchy bite-size pellets.
