OUR COVER

Mrs. R. Percy Adams has been the fortunate owner of this beautiful breed of Terrier since 1904. This Skye Kennel is now known to be the oldest in the world, The Lady Marcia Miles in England being next, having owned Skyes since 1906.

Continuing with the same strain through all these years, Mrs. Adams feels, has meant the success of her Kennel. Although her own Taliskers are shown only a few times a year, puppies she has sold have met with wonderful success all over America.

This Kennel has bred 3 Canadian Champions and 6 American Champions and 1 International Champion with two others very near their Title and others on the way. 8 imported Skyes from the Kennel have won their Canadian Championships as well as one its International Championship. Many have been Group Winners or Group Placers.

The American Judges never fail to compliment the Taliskers on their wonderful true type and beautiful condition.

The new Kennels are situated at Ste. Agathe des Monts, and visitors are always welcome.

Talisker Skyes have gone to homes all over America, and during the past year enquiries have come from many European countries. Unfortunately world conditions make it impossible to send the Skye abroad.

THE IMPORTANCE OF THE JUDGE

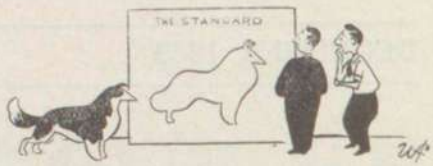

By L. Lymburner. Illustrated by W. Ferrier

WITH exhibitors growing more rhetorical on the vagaries of dog show judging and publications devoted to the interests of breeders and exhibitors carrying the opinions of those most affected, even to the point of carrying on a nation-wide poll of comment, it would seem that those who are responsible for the running of dog shows will soon be hard put to find a judging panel which will come anywhere close to satisfying the average exhibitor of dogs.

The day when everyone is satisfied with the placings in a dog show will usher in the millenium, but it would seem that with so many interested in showing their dogs, the number of shows being held annually with the resulting importance of the breeding and showing of dogs, it might be that we have arrived at the place where a serious survey of the manner of permitting anyone to decide which of a given number of dogs is the best one should be made, and that very possibly the methods employed for arriving at those decisions on the part of the judges might be made more uniform in character. Achievement of any one of the changes which have been put forth as being desirable lies with exhibitors themselves who make the shows possible.

Actually, it lies with exhibitors themselves to bring about changes if they are needed and while it may take time, and here and there show-giving clubs will find themselves with very small entries in the meantime, it should not take too long to arrive at the place where a more satisfactory state of affairs would exist. Honesty on the part of the exhibitor to the extent that he admits to himself that a dog just as good as his, or better, was put over his own would, of course, be the first requisite. While every breeder has in his mind's eye the ideal specimen of his breed, knowing the standard for his breed and using a scientific program of breeding to attain that end, if he is truly honest, he must admit that few specimens of perfection have ever been produced and the best he can hope for is to come somewhere near to the standard and the best dog today can have a fault or two and still be a consistent winner; the important thing to remember is whether they are of major or minor proportions.

There have been dogs in the show ring, making excellent progress toward a coveted championship and suddenly, one finds that dog put down in a class, large or small, to dogs over which it has been placed time and time again. What conclusion is the exhibitor to draw? Is he to be considered a trouble-maker if he seeks out the judge later on and asks for an explanation? Should he decide that there is something amiss, or should he just be a good sport and feel that it is only one man's opinion and continue on his way? All of these have been tried, sometimes with good results and often with the opposite. It does not "set well" with an exhibitor to have a good dog put down to one that he honestly feels is inferior. He never knows when another breeder may have come to that particular show just to get a good look at what has been talked of as a very promising dog and one which will eventually make a very real contribution to the breed. What is to be his reaction? The man who has the responsibility of placing the dogs not only has to discharge a duty to the exhibitor but also to the ring-side for there are enough onlookers at every show who are well enough acquainted with the various breeds to see a fault or to pick out a dog with outstanding quality. As evidence we have in mind a show where the beginning of the judging of a breed with more than seventy-five entries, saw a ring-side packed six and eight deep. By the time the judging had progressed to the open bitches, the ring-side had almost evaporated and when the best of breed was chosen, where the specials included dogs which had made spectacular wins consistently, only a handful of interested persons remained. It was an instance where winners were embarassed with their honors.

There is that other "bone of contention"—the professional handler—which one hears being discussed wherever dog folk get together. There are those who really believe that some judges favor certain handlers, and that if they and their dogs are at a show, others in the same breed may hope for no consideration. Most handlers are known to judges who have had any experience at all. It is also known that handlers have opportunity to show only dogs of top quality, since it is their business, and to be considered successful they must win consistently. They, more than anyone else, can look at the owner's "show prospect" with a coldly critical eye and decide whether or not the prospect is a potential winner. However, there are certain ethics which judges should bear in mind in their relations with handlers. Recently, at a very well managed show we sat at the ringside when seven dogs came in for the open class. All but two were handled by professional handlers. One of these two was handled by the owner who had at least a speaking acquaintance with several of the handlers, and the other handled by the owner who was showing her dog for the first time at its first show. It must have been something of a set-back for her to hear the judge address every one of the handlers by his or her given name when instructing them as to how and where to put their dogs. The expression on her face was by turns comic and tragic. Her dog was not quite ready for the company in which he found himself that day and as a result, did not place; it was, however, an unhappy experience for the exhibitor for she was confused

in her reactions. Naturally, she felt an outsider in a tight little group of people who were on such good terms that they addressed each other in the ring as old friends, and her whole attitude was summed up in her expression to her friends, "What's the use?" The judge, if he had wanted to be kind, could have told her that the dog only needed maturity to make him a winner, and instead of seeming to cater to the old hands, might have given a novice in the game a helping hand, instead of making her feel unwanted. It is indeed, the new exhibitor with a new dog or dogs who keeps the judge in assignments coupled with the unassailable fact that "hope springs eternal in the human heart." How long that hope may be cherished before it develops into distrust is problematical, but for every such development, there probably are sufficient converts to make for balance!

And there is the exhibitor himself who should keep in mind that this is a sporting business and treat other exhibitors in sporting fashion. Quite by accident we fell into conversation with a woman who was a perfect stranger, because she had that open sesame for all dog lovers—a trio of lovely dogs which she was watching while they played about in a small park. Asked if she showed her dogs, she indignantly replied that she had—"once, only once and never again." She then launched into an account of her first experience in the show ring and the treatment she had received at the hands of older exhibitors. She was able to laugh about it but she admitted to tears shed all over her dog and the bench for the shabby treatment she had received, "because her dog had won." And as she related the episode, we thought it significant that the dog involved, looking every bit a champion, gambolled about on the grass, completely oblivious of "man's inhumanity to man."

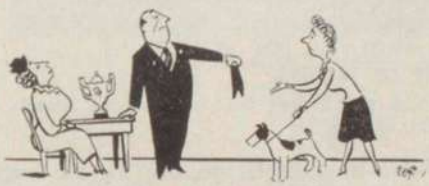

Through a recent poll, it would seem that while there are literally thousands of persons licensed to judge dogs, the exhibitor is of the opinion that there are not enough "good ones." Human nature being what it is, this is understandable to some degree, but as was pointed out at the outset, there must be some basis for the verbiage thrown about at, around, near and after every dog show in connection with placings. There is almost unanimous agreement that licenses are granted too freely and too easily—simply on the sponsorship of a given number of persons. It is only reasonable that the person applying would see to it that he had either approached his "proposed sponsors" as to their attitude toward his application, or that he was reasonably certain they would give approval before submitting their names to the powers that be. The fact that a man or woman is a breeder of some years experience is no guarantee that he is going to do the best possible judging, for often one hears the remark, "I wouldn't enter a dog under him—look at the type he breeds or shows—it's nothing like mine." Who is right? And then there is the final broadside—"So-and So's dogs will all be there and will win everything because he has the same type of dogs." And more often than not, that is exactly what happens. Some place along the way, the standard has been passed up for something one or two individuals preferred whether to the detriment of the breed or for its improvement.

There are those who suggest that all judging should be done on a point system with the judge marking his book in that fashion, with one copy to be posted following the judging in order that exhibitors might know how their dog had rated in the opinion of the judge. The chief objection is the matter of time. This procedure probably would necessitate more judges for each show, a financial matter which would create difficulties for some clubs. This would also eliminate from judging not a few judges who have not troubled themselves over-much to study the standards of all the breeds for which they are willing to accept judging assignments.

The argument wages pro and con in connection with showing under "all-rounders." Those who are against showing under an all rounder put forth the argument that it is humanly impossible for any one person to know the standard for some two hundred recognized breeds and mistakes in judgement are bound to be made. On the other hand, those who take the opposite view will contend that "at least he will pick out a sound dog."

After much serious discussion of the situation with breeders and exhibitors, one is forced to conclude that they put judges in three distinct categories, the first and their names are anathema to exhibitors, are those who accept any

and all assignments for the glory (supposedly) they get from sitting in high places, doling out of their wisdom to the exhibitor; the second group includes those who have had much experience, learn to know too many people and forget where friendship ceases and business begins, and the third for whom every honest exhibitor has the greatest respect and honor, the serious person who accepts assignments to judge only those breeds which he knows, who places the dogs which in his honest opinion rate placing in certain order and who will either by word or action convey to the exhibitor why he has put a dog up in the class, or down. Every exhibitor knows (or should know) his dog's fault. If the judge wants to do a good job, he can, without embarrassment to the handler of a dog, point out why the dog is being faulted. The thing that irks the exhibitor is when a judge looks vaguely at his dog, seemingly is oblivious of the important essentials of his breed, and then, in a great burst of enthusiasm marks his book, waves the ribbons under the noses of the handlers of dogs without much to recommend them to anyone and then turns his back on the ring in order to evade any conversation with exhibitors. No one feels that the show ring is the place for a social call, but an attitude on the part of the judge which conveys to everyone that he is

quite willing to give honest reasons for his placings is to be desired.

After sifting through the suggestions made for improving the situation, it would seem that most exhibitors do not feel a license should be granted to anyone unless he has first judged at least twice at sanction shows and following that, has judged at least three point shows, where his work will be reported on by a competent person or persons. It was also felt that the granting of a license should mean the holder has it only so long as he continues to carry out his assignments satisfactorily. There is also strong feeling that the Canadian Kennel Club should see to it that competent persons are appointed to periodically attend shows in order to watch the judging as it progresses. It has been more than once suggested that a limit, such as three years, be placed on licenses, at which time a renewal would have to be applied for. Too many complaints from exhibitors in the meantime, would obviously eliminate the granting of further license.

There is another group which favors the placing of would-be judges as stewards under competent judges. The steward, while carrying out his duties as steward would mark his own book as he would place the dogs. He would have no opportunity of going over the dogs, but would be able to judge general conformation and the gaiting of the dogs. The judge under whom he was working, would mark the steward's book, making any comments he deemed necessary. With this first stage of training over, the applicant then might accept assignments at member matches or sanction shows.

It was felt by some that breed clubs could do much to eliminate inefficiency with what practically amounts to a boycott. The greatest number of exhibitors consulted felt that in the final analysis changing the situation lies within their power. Instead of complaining, they should keep their dogs home when they feel a judge is not competent to judge their breed with the result that lack of entries would certainly not be cause for a second invitation to judge. It was pointed out by another exhibitor that it would probably take years before everyone had learned not to show under a given person and by the time he got back to the first place (being something of a wag) he assumed that the exhibitors who first complained might have got around to showing the type of dog the judge had preferred in the first instance!

Some of the most seasoned exhibitors have suggested that no first assignments should be allowed within several

The Revival of Cruft's

By Phyllis Robson

(Consulting Editor, Dog World, England)

TRACEY WITCH OF WARE

English Cocker Spaniel owned by H. S. Lloyd, which won Best in Show All Breeds at Cruft's Dog Show.

AFTER a lapse of nine years — during which time the great Charles Cruft passed over the Great Divide — our Kennel Club decided to revive the show which will ever keep this man's memory green. The Kennel Club most generously agreed that though they would run the show the name would not be changed — a policy greatly appreciated by all British dogdom. And what a success it was. The entry totalled 9,412 — unfortunately, some 600 had to be returned — and comprised 4,273 dogs.

It was in 1886 that Mr. Cruft started what was to become the greatest dog show in the world, and which has been the Mecca of dogdom for fanciers in every country where man's best friend lived. We were all delighted that Mrs. Cruft was able to grace the proceedings, and it must have been a great joy to her to see her beloved husband's memory so honoured.

The location was Olympia, quite the finest we have in London and somewhat akin to Madison Square Gardens in New York. And when I say that over 60,000 people attended the two days' event it will be seen how very popular was this Cruft's revival. Indeed, on the evening of the second day, so vast was the queue waiting for admittance at 6.30 p.m. that as the show was due to close at 8 p.m. the doors were opened to the public gratis. This was a generous gesture on the part of the Kennel Club, and one likely to make even more doggy adherents.

On the first day were the Hounds, with 1,237 entries and 600 exhibits; the Terriers, with 2,399 entries and 1,080 exhibits and Toys, 804 entries and 439 exhibits. The second day was for Non Sporting, with 2,980 entries and 1,319 exhibits, and gun dogs with 1,992 entries and 835 exhibits.

Marvellous! stupendous! magnificent! the greatest ever! were some of the descriptions I heard of the show as I wandered about all the two days from 10 a.m. until after 8 p.m., and I got what became quite a common term "Cruft's feet". Visitors had come from all over Europe. There were a number from the States. One very popular one from the U.S.A. was Mrs. Marion Florsheim, so well known in Afghans, and who has many friends in Canada.

The show was supported by H.R.H. the Princess Royal, who entered a smooth Dachshund in two classes. We were all sorry Silvac Lustrious, bred by Mrs. Grosvenor-Workman, was an absentee. A novelty was a Leonberger from Hungary — not for competition of course, His owner, Gunner Gowes Wilson told us the dog weighed 220 pounds. His bench was apart from the others, and there was always a big crowd around it.

I noticed how smart so many of my sex were in their "New Look" gowns. Mink and pearls mingled with pullovers and slacks. Even the "New Look" was to be seen in some of the dogs' coats; one with three pale blue satin bows on was quite a star turn.

The evening of the first day the attendance grew to immense proportions. The anti-climax came when the judging took place for Best in Show. This was judged by Mrs. H. Barber, Mr. J. W. H. Benyon and Mr. H. G. Sanders, who evenually awarded Mr. E. Sharpe's eleven months' old Wire Fox Terrier bitch Drakehall Dairymaid the supreme honour, Reserve going to Miss De Pledge and Mrs. Dunham's well-known Pekingese dog Ch. "Ku-Chi of Cuversham".

The scene on the evening of the second day almost defies description. So dense was the crowd the huge ring was lined 15 deep with spectators. I tried in vain to see over their heads, and in the end induced a flinty-hearted policeman to let me see the scene from the balcony where spectators were forbidden owing to some London County Council ruling about fear of anyone throwing something down upon the masses below — such as lighted cigarettes, etc. As I don't smoke, I assured the guardian I was no danger.

What a scene I looked down upon. The two contestants from the first day's final had to meet Mr. H. S. Lloyd's Blue roan Cocker bitch "Tracey Witch of Ware" aged 3 years and Mr. J. V. Rank's 18 months' old Great Dane bitch "Ract of Onborough". The two judges were Mrs. C. Pacey and Mr. A. Croxton Smith, the ex-Chairman of the Kennel Club. Every dog had its supporters, and both judges gave each a thorough overhauling. Finally, amidst deafening applause, the award of Best in Show went to the Cocker, with the Wire Fox Terrier, reserve. The trophy to celebrate the win was a magnificent £400 silver cup, and this was gracefully presented to Mr. Lloyd by Mrs. Charles Cruft, who looked the personification of happiness and pride, and no doubt felt the occasion was a great tribute to her husband's memory. Mr. Lloyd has been an exhibitor at Cruft's for over 50 years,—I think he must have started in his cradle—and after the presentation he said, "I have won five supreme awards at Cruft's, all with the same breed, which has been in the family 80 or 100 years". "Tracev Witch" is a very lovely bitch, who showed for all she was worth, and is carrying on the "Ware" tradition, and her owner is a grand sportsman.

So ended a magnificent event which will ever be remembered in the annals of dogdom, and the Kennel Club is to be congratulated upon its magnificent gesture and noble effort. Truly Cruft's will live for ever and commemorate a great man.

Know Your Breed ...

by Walter Ferrier

THE ENGLISH COCKER SPANIEL

The modern English Cocker is an attractive, active, sporting dog—though an ideal house dog and children's pet, has remained a true hunter with great intelligence, courage and energy in the field.

Originally known as the Cocking Spaniel, through its ability to hunt the woodcock, its history may be traced back a thousand years to the spaniels used by falconers and coursers to flush the wild fowl for the falcons. Known as the merriest of hunting dogs he is a pleasure to watch in the field. His tail, that never stops, goes faster and faster as he strikes the scent, and watching him one knows that here is a dog that really loves and enjoys his work.

His head imparts an individual stamp peculiar to him alone.

Larger and hardier than the American Cocker Spaniel, with the same faithful affectionate disposition, it is little wonder that his popularity is gaining so rapidly in both the field trials and the home.

Weight for dogs 28 to 34 lbs. Bitches 26 to 32 lbs.

English Springer Spaniel Club of Canada Field Trial

By L. Lymberner

F. T. CH. CHALTHA'S CORDITE JON

Springer Spaniel owned by Althea Horvath, Cleveland, Ohio. Finished his championship points in two field trials, those run by the English Springer Spaniel Club of Canada in 1947 and 1948 at Cook's Mills, Crowland Township, Ont., taking the Open Stake both times. Sired by Ch. Roderique of Sandblown Acre, the greatest living sire of champions and out of Chaltha's Hope, he has shown that dogs bred of bench stock can make their way in the field as well.

THE second annual Field Trial run by the English Springer Spaniel Club of Canada at Cook's Mills on October 30th attracted entries from as far away as Rocky River, Ohio, and New York State with twenty-eight entries altogether, creating something of a record for an all Spaniel trial.

Heavy fogs rolling over the fields held up the starting of the first stake, but by 11 o'clock the Puppy Stake was being run and there was promise that the day would be excellent, a promise which was was more than kept as the day wore on.

Dr. John Barnes of Williamsville, N.Y. and Julian T. Collins of Ravenna, Ohio, were the judges. Both commented on the excellent performances turned in by the dogs, and many were the comments on the fine spirit of sportsmanship which pervaded the entire day. Captain of the guns was Dr. J. A. Meek of Welland, and J. P. Tompkins of Welland was chairman of the committee assisted by Edgar Langlois of Thorold South.

Meriting particular comment was the fact that dogs were never worked over ground which had previously been worked in a stake. Arrangement had been made for grounds which gave fresh ground for every brace of dogs sent into the trial and particularly large birds were provided for the trial through the cooperation of the Department of Lands and Forests, all of which added to the interest both on the part of handlers and the gallery, which in the afternoon grew to large proportions. It was significant that though the day was cold and damp, the gallery stayed on until the last dog had been run.

Chaltha's Cordite Jon owned by Althea Horvath of Cleveland, Ohio and handled by Calvin Barry won the Open All Age Stake, finishing the points for his Field Trial Championship. In order to comply with the Field Trial regulations, the dog was given a water test on Sunday morning coming through with flying colors, to the complete satisfaction of the judges The dog worked beautifully, always under control and at the same time giving an impression of eagerness to work no matter how heavy the going. "Johnny" as he is affectionately known to his handler, also won the Gun Dog Stake.

In the Novice Stake there was an excellent entry. Edgar Langlois' Ridgecroft Rosa, a daughter of the Int. Ch. Frejax Royal Salute bred by G. Fred Stickel was the winning dog. This young dog also won the Puppy Stake, and another of Royal Salute's sons also bred by Mr. Stickel placed second in this Stake. He is owned by Dr. J. A. Meek.

Following the Trials, a dinner party followed at the Barclay Hotel in Welland where the presentation of awards and certificates was made by the president of the club, G. Fred Stickel of Welland. At the dinner, congratulations were expressed to the winning dogs and their handlers and Mr. Stickel also extended the club's appreciation to all the owners who had entered their dogs. A welcome was expressed by Mr. Stickel, also to Alf Loveridge representing the Canadian Kennel Club, Inc., Stewart Walton, president of the Ontario Bird Dog Association, St. Catharines, and Henry P. Nicholson of Rod and Gun Magazine.

Results for the trial were as follows: Puppy Stake, Hampton Acres Trophy, First, Ridgecroft Rosa owned by Edgar Langlois; second, Ridgecroft Royal Rebel, owned by Dr. J. A. Meek; third, Barilla Park Gun Boy owned by Andrew Dunn.

Novice Stake, J. P. Tompkins Trophy, First, Ridgecroft Rosa; second, Little Pat owned by H. T. Richardson; third, Sunny Acres Big Boy owned by T. Thorpe of St. Catharines; fourth, Dainty Dolly of Hampton owned by J. Husband.

Gun Dog Stake, Les Lambert Trophy, First, Chalta's Cordite Jon; second, Ridgecroft Gayety owned by Thomas Langman; third, Dunoon Bracken owned by Andrew Dunn; fourth, Dark Boy of Beechdale owned by S. Walton.

Open all Age Stake, Silver Trophy, First, Chalta's Cordite Jon; second, Ryedale Ann owned by Maxwell Riddle; third, Little Pat, owned by H. T. Richardson; Dark Boy of Beechdale, owned by S. Walton.

Jean and the Duke of Barrimor

By THE EDITOR

WHEN you were a child, did you ever have a wish to such an extent that you would say "When I grow up I am going to have lots and lots" of whatever it was you wished for most. For instance, while talking to Mr. John Webb of the Bressay Kennels the other day, he mentioned that it had been his boyhood ambition to own a good Blenheim Toy Spaniel, and how thrilled he was when he went to the Airport recently and his wish was fulfilled by the arrival of a beautiful Blenheim Toy Spaniel on the plane.

Many of us have not seen the fulfillment of our dreams for many years, but Jean Bradd of Toronto saw her wish come true while still a young girl. Jean had seen the Obedience Trials and became enamoured of the German Shepherd Dog breed. Enquiring amongst the breeders, she found that the price was beyond her reach, so thought of ways and means whereby a girl of thirteen could earn sufficient funds to buy one of these beautiful dogs possessing also the intelligence for Obedience work. Rushing home from school, she would do her home-work and then contact people, offering her services as a baby sitter, or anything which would help towards the purchase price of a dog. Slowly but surely the bank account grew until finally she had sufficient to approach a breeder and ask if a dog which would be the answer to her every desire was available.

Finally, after much studying and negotiating, Jean secured a two months' old puppy named "Duke of Barrimor". Then began the task of caring for the puppy so that he could grow up to be as good as the other dogs. There were many hardships in raising the puppy. He didn't like streetcars, and it was necessary to go a few blocks with him, then get off and walk, then on again, until such time as they reached the Sandorea Kennels away off in Scarborough where the dogs were being given instructions in Obedience work by George Taylor.

As was natural, Jean and her dog were inseparable. He accompanied her wherever she went. In the hot weather they swam together at the beach. Duke loved the water and became so adept at swimming a long distance that Jean entered him in the Toronto Star Dog Derby which is run in conjunction with the Canadian National Exhibition. This Dog Derby is conducted very much like that of the marathon swim. For instance, the dogs leave the starting barge on the "Go" signal and are directed around the course by their owners in a boat which precedes them some hundred yards. The first dog to cross the finishing line receives a handsome trophy.

DUKE OF BARRIMOR, C.D. - C.D.X.

German Shepherd trained and owned by Miss Jean Bradd of Toronto. Duke has won the famous Dog Swim Derby held at the Canadian National Exhibition for 1947-1948.

Duke won the Championship in 1947, and was presented with the trophy by Lieutenant-Governor Ray Lawson. By this time, Duke and his little companion had become celebrities and Duke was chosen by the photographers to act as a representative of his breed at the Royal Winter Fair in 1947. Entering Duke again in the dogs' swim at the Canadian National Exhibition in 1948, Duke swam the fastest race of the series and was presented with the swimming trophy by Barbara Ann Scott, the Olympic Skating Champion.

To travel to the various dog shows with the dog to compete in the Obedience Trials was a great expense, and Jean found that her earnings made in spare time were quickly absorbed in the high cost of food, etc. The members of the German Shepherd Dog Breeders Association made arrangements therefore, for them to travel to the shows. As a result Duke now carries the proud title of Companion Dog and Companion Dog Excellent.

Here, then, is the story of a brave little girl who has not only watched her dream come true, but in doing so has added greatly to the promotion of the Purebred German Shepherd dog.

Owing to lack of dollars, Mrs. Garnett cannot show much, but her stock is well known and her puppies well reared in ideal surroundings. Both stud dogs are half brothers of the two English Champions owned by Miss Bengough of the Twobees Kennel, Devon, England.

PROVINCIAL NOTES

B. C. Mainland News

By Jean Fletcher

HERE it is the first of November, and when you read this it will be December. The air has a frosty feeling, though our dahlias and chrysanthemums and many other flowers are still blooming gaily. In fact, lots of gardens can still boast of roses in bloom. Grand Forks has had its first fall in snow, according to Mrs. Phyllis Tjebbes. Br-r! We don't much care to think of snow yet.

The lovely portrait of Mrs. G. O. Alsen (better known as "A") was taken by a young artist in Kelowna, Mrs. Christine McKenzie. You will remember it in your October issue. Christine also does dog photography and sketches.

Congratulations to Mrs. F. Y. McEachren, whose Kerry, Tailteann Prince Robert was Best of Breed and 4th in Group at both Genosee Valley and Rochester, handled by Ted Ward. At the recent Portland Show, Ch. Kenmare Tailteann was Winners Male. Mrs. McEachren must be like the cat with nine lives, or else she drives with her fingers crossed, as the accident she had on the trip home did damage to the car only. Some of the Tailteann Kerrys are expected to be shown at the show of shows, Westminster, N.Y.

Those lucky Shillinghams have done it again — took a trip to Sacramento, California, and Ch. Glenwood Sparkling Sal took 1st open and Ch. Mar-jo Brigadier went Best of Winners. What's more, they had a real good time, made friends and new sales.

Barbara Vipon's Cocker, Sandon Star Mist, is pup-ticipating, these days, having made a trip south of the border and mated with Flo-Bob Kennels' Golden Rocket of Stockdale. Doris Hayes and Barbara made the trip together, and had a visit also with Arline Swalmell at her lovely Windridge Kennels which they greatly praised. They were also pretty keen about Johnnie Long's Dog Lodge in Tacoma.

Visitors to our city lately were Mr. and Mrs. Gudgeon of Toronto. Mr. Gudgeon spoke to a hundred Canadian Kennel Club members on his recent trip to far away places, which was very interesting.

At the forthcoming Victoria shows, Walter Pym and Frank Creasey are judging, and both judges are well known and popular. Mr. Creasey recently did the Toy Specialty across the border, and is slated for more shows south, soon. Another Victoria man who has had a judging assignment recently in the United States is Bob Cross, a terrier breeder.

The Victoria City Kennel Club held its Diamond Jubilee on October 9th. An All breed Show was judged by Anton Korbel of California (a German Shepherd and Miniature Pinscher breeder). The Best in Show went to the Great Dane, Lorelei handled by Mrs. J. Long. In conjunction with this show was the Terrier Specialty sponsored by the Island Terrier Club and judged by Joe Dodds of Vancouver. Best in Show went to Shillingham's Scottie Ch. Mar-jo Brigadier. Both shows had a nice entry, and the shows were nicely run by those hard working members.

My better half and I took time off to visit our friends of many years, and I hope many, many more, Mrs. Hedley-Peek of the Midbrook Kennels. Besides her Dachshunds, she still has a Dandie Dinmont, a breed she specialized in for years. Kathy has the most glorious collection of Cacti and odd plants, and beautiful antiques.

Enjoyed a talk with J. A. H. Irving, who is not long home from a trip to England. English breeders don't get down and pose their dogs, but let the dog show himself. Sounds like a good deal for the girls. The shows are magnificently handled. The ring steward does far more than the ring stewards here at Canadian shows. At Blackpool, 6,200 entries were run in three sections.

At our shows we take only Best of Breed into the group, while in England they also take their reserve to that title, their contention being that the reserve to the winner of the group might be better than the Best of Breed dog we would, in our method, place second. Wish I had space to tell more.

A breed that at last is catching the public eye is the lovely Maltese — a small breed with a long, straight coat (the new look). Betty Fraser, who owns and breeds Maltese, has sold three females to a breeder in Idaho. Another has gone to Champaign, Ill. Betty is looking forward to a new male she hopes to get from Ireland. Sales are good, and we hope they increase in popularity. Another Maltese breeder of fame is Mat. Smith, whose foundation stock came from "Invicta" Kennels' England, Can. Ch. Invicta Demetrius and Ch. (C.K.C. confirmation) Invicta Leckhampton. Recently a young male from this pair completed his title. Congratulations, Mr. Smith.

Mrs. Kelly (daughter of Mr. Smith) is also a Maltese breeder. She and her hubby imported Invicta Periwinkle from the Invicta Kennels in England, owned by Miss M. Neames. She was bred to a small stud, Invicta Phoebus, and had four lovely puppies. Periwinkle has made her Can. Championship now, has placed second several times in Groups, and at present has four youngsters sired by Ch. Invicta Demetrius. I am sure the breed will make a comeback with such dog fanciers as Mrs. Fraser, Mrs. Kelly and Mr. Smith working at it.

Congratulations to Mr. and Mrs. J. Roberts of Abbotsford Cocker Kennels, and to Bob Wilson of Tacoma for handling the English Cockers on the Salt Lake circuit. Can. Ch. Exvale Sunflare of Kassonmere went Best of Breed at Nampa, Idaho, Ogden, Utah, and Salt Lake City. Freckles needs but 1 point for his American title.

Can. Ch. Prunella of Abbotsford (a dau. of Exvale) (and Int. Ch. Jane of Ard-Reigh) won 2—3 point shows at Nampa and Ogden, and reserve at Salt Lake City.

The Toy and Boston Terrier Club held a very successful sanction show. The Judges were Billy Oates and Jerry Stocks.

Well, folks, this will be the last time you will read this column for 1948, and Herb., Gary and I take this opportunity of saying, "Merry Christmas to you all". How about starting the new year off with some news from you and you and you? And a very Merry Christmas to our Editor, the staff of the Canadian Kennel Club and the Canadian National Live Stock Records.

This year we exhibited in Canada for the first time, with most pleasant results. The fine impression made upon us by the British Columbia breeders and exhibitors has created a desire to visit more Canadian shows and other Canadian provinces. As the years go by we hope to fulfill this desire.

In an effort to improve the breeds in which we are interested, particularly Greyhounds, Miniature Pinschers and Manchester Terriers, we breed extensively. We usually have some worthy young stock available. It is our policy to offer only the better ones to breeders who share our interest.

Alberta Notes

By H. P. Saunders

MISS Amy Thew, the good looking and popular young lady at the Calgary airport is most enthusiastic over her Labradors and English and American Cocker Spaniels.

At the last meeting of the Alberta Kennel Club, a resolution was adopted requesting the Government to require that any person purchasing any kind of poison be compelled to sign and give their address.

Jack Brooks has brought in a grand wire pup from Bill Scarpa of the Malabar Kennels, Point Fortune, Que. This pup was selected by Mac Bell, the genial President of the Canadian Handlers' Association. Jack will have this youngster on the circuit this next spring. Watch him go.

Now for a few highlights on the Edmonton shows. It was a battle royal to watch Mac Bell and Billy Quilley take the spotlight under Walter J. Pym. Mac was showing Bill Scarpa's Wire female Ch. Caress of Shawhaven, and Billy was handling the sensational Beagle Int. Ch. Altopa Atom. It was nip and tuck between these dogs, and the handlers gave a performance very rarely seen. Both are expert. The gallery were in a high state of tension all the while these dogs were being judged, and the handlers certainly left nothing undone. It was well worth going miles to see. After being tested in every conceivable way, the judge finally made the award to the Wire.

The Best in Sporting Group was the English Setter female Int. Ch. Freckles of Julwa, owned by Dr. W. Jordon Sturdy of Vancouver; Breeder, Jack Leitch, and ably handled by Bob Wilson of Tacoma, Washington. This was also a grand headlight of the show. Second in this group was a very fine Labrador owned and shown by Sergt. Joe Murphy of St. Paul, Alberta. The Labrador won the Best Canadian Bred Puppy at this show. This pup, when developed, will be a real contender in any show, and he is bred right to make a name for himself in the trials. Mrs. John S. Grant presented the trophy for this award. The Best Canadian bred in the show was the Wire mentioned above, and the presentation of the trophy was made by Mary D. Gardner.

The Toy group was won by a lovely Pomeranian owned and shown by Mrs. A. C. Walkington of Los Angeles. The presentation was made by Mrs. Austin.

The second show was judged by Mr. Arthur Wright of Vancouver. He chose for Best in Show the Wire mentioned above, and the presentation was made by Mrs. Grant.

Best Canadian Bred puppy was the English Bulldog. Alcan Chief Envoy, owned by Marie Glover; breeder, Mrs. F. H. White. The presentation was made by Mr. Tanton of Edmonton.

TWO SCOTTISH TERRIER CHAMPIONS

Gleniffer Shining Satin and Kinclaven Can Do owned by Miss A. E. Beggs of Calgary, Alberta.

Both these shows were a decided success, and we hope to see more like them.

I have only space to mention that in the show judged by Mr. Wright, my smiling friend, E. P. Tuson, won the Non-Sporting group with his Bulldog I was particularly pleased to meet two friends from Saskatoon, Mr. Don Sampson and Jack Aires, both ardent dog-fanciers; also Burnice Heaven, a former resident of Calgary, and now of Regina; and Mrs. Churchward of Lloydminster, Saskatchewan, the latter a very prominent Cocker fancier. She has a very up-to-date kennel, and takes in all shows.

Albertans have been granted an extension of time to complete their hunting season, as far as pheasants are concerned. Those who have not been so fortunate as to have bagged their limit previous to this will appreciate this gesture on the part of the Provincial Government.

You, know, we in these Western Provinces, really do appreciate to the full the marvellous possibilities we have, as far as game is concerned. Our perspective is altogether too close up, for all we have to do is to go only a few miles from our front door to get right into the grandest shooting of any place in the world. Imagine, if you will, leaving your home after four in the afternoon and taking along a pair of English cockers; running out ten miles, parking your car and entering a stubble field just before the sun goes down, then making a blind and watching the night flight coming in this field to feed. Some stay right close and keep quiet. Soon a long line can be spotted on the horizon. They are not in formation, just coming in from some slough a few miles away. They circle the field, and the dogs have a few impatient moments. Soon they begin to lose altitude, and in a few moments they are in gunshot and the fun starts. The dogs wait for orders, and the bunch of mallards get going plenty fast. If your aim is true the dogs are commanded to "fetch" and they do just that. You can bet your bottom dollar that bunch of ducks will leave that field. Soon another thin line appears, and you make a repetition of your former actions until you have your limit, or until darkness falls.

About decoys, we have a genius in our club in Calgary who is one of the high officials in the Bank of Montreal. He has something that really stumped me, the first time I went shooting with him. He uses for decoys, squares of black sateen about the size of the lining in a hat. These, placed around on the stubble, will attract ducks just as good as if you used the best imitation decoys obtainable, and they are so easily carried around from place to place or from field to field, and they pack into such a small bundle that they take up very little room in your car. Of course, they can only be used in the stubble fields.

Now, you Dachshund breeders, what dog you think of this. Henry Christensen and his wife from Vancouver hunted pheasants in the Brooks area, this fall, and they used two Dachshunds, and they worked marvellously. They could get right down in the buckbrush and root the birds out. The only complaint Henry had was they could not tell the cocks from the hens, which some of the other breeds are said to do.

Next season, we will again have our Pointers and Setters working, for the Hungarian partridge and prairie chicken are again getting numerous after having almost entirely disappeared for the past two years. I would suggest that we maintain another close season for 1949, but the Game Clubs have decreed otherwise, and the Game Department of the Provincial Government is usually governed by their wishes.

Dog fanciers all over Alberta extend their Xmas Greeting to fellow fanciers everywhere, and may 1949 contain nothing but the very best for all.

Saskatchewan Notes

By Burnice Heaven

THE regular monthly meeting of the Regina Kennel Club was held at the Drake Hotel with the President, Mr. Walter Pym, in the chair. After the official club business was dealt with, a Scottish Terrier stepped into the spotlight as the main feature of a lecture on the breed given by the President. Similar lectures on various breeds are scheduled for the next six months. Mrs. William Semple will give an address on wire-haired Fox Terriers at the next meeting.

Two new members were welcomed into the club—Mr. J. Nichol, of Regina, a breeder of German Short-haired Pointers, and Mrs. Mary Miller, of Moose Jaw, who goes in for Pekingese and Pomeranians. With the advent of the New Year looming just around the corner, the club plans on holding a membership drive, and it is to be hoped that all will do their part to make this drive a great success. Please, do not forget to turn out for the election of officers for the coming year.

Mr. T. K. McKenzie, well-known, old-time breeder and judge, of Winnipeg, who was in town visiting his son, dropped in at our meeting and was most welcome. Special guests of the evening were Mr. and Mrs. W. P. Gudgeon, of Bronte, Ontario, who later entertained the members at their suite in the Hotel Saskatchewan. We particularly enjoyed the story of their trip to Mexico and the visit with the Kennel Club down there. Imagine, an English Bulldog being used for retrieving—now I've done heard everything!

The F. W. Bensons and daughter, Lynn, plus their Springers and Brittany, have left for Saskatoon where they will take up residence. We are indeed sorry to lose them as both are very active members of our club and will most certainly be missed.

Early this spring Mrs. Winifred M. King, Kingwin Kennels, Regina, purchased a very nice Pekingese female, "BOND HILL PROM GIRL", bred by Mrs. Nathan S. Wise of Bond Hill Kennels, Cincinnati. To date, "PROM GIRL" has nine points to her credit. She has just recently returned from a wedding with Ch. Major Mite of Honan. Incidentally, Major Mite has more group wins to his credit this year than any other Peke in the States, and is well out in front for the greatest number of group wins for all Toys. If bloodlines mean anything, there should be a super litter expected from this combination.

The first air expressed dog out of the Kingwin Kennels was a lovely Pekingese pup shipped to Mrs. G. Moore, Vancouver.

Cheerio for now, and in closing, my sincere wishes to You and You and Especially You for "A Very Merry Christmas and the Happiest of New Years."

Manitoba Notes

By Suzanne Borse

I AM sorry to report that Mr. A. Gostick is not able to carry on writing Manitoba news.

Our Fort Garry Kennel Club's Twenty-ninth Annual All Breed Championship Dog Show, held at the Carpiquet Barracks, Winnipeg, on November 5th and 6th has been a great success. Thanks are mainly due to Mrs. J. Gove, our Secretary Treasurer, who worked so hard to put it over, and also to Mrs. John Low who is responsible for our excellent prize list and who made by hand our twenty rosettes which received so favorable comment.

Mr. Robert Watters of Haney, B.C., judged the first day, and H. H. Allen of Winnipeg, judged the second day. These gentlemen had the privilege of handing out ribbons to really good entries.

Best in Show the first day was awarded to a Springer Spaniel, Int. Ch. Nodol Bombardier, owned by D. J. and Mrs. Lerch of London, Ontario, and handled by Walter Martin. Reserve went to Mrs. I. H. Lampman of Port Colborne, Ontario. Second day top honors went to Ch. Black Glow of Brookdale, American Cocker Spaniel owned by J. Kissell of Winnipeg. The same lovely Wire Fox Terrier took reserve place again.

A Pekingese, Ch. Su-Roi's Fu-Ling, took Best Toy both days. He is owned by Roy Borse of Winnipeg, and recently finished his championship at the Canadian National Exhibition, Toronto.

We were very pleased to see again such well-known exhibitors as Mr. R. G. Boughton, President of the Moose Jaw Kennel Club, with his Bostons; also Mrs. Pat Randal of Saskatoon, with a Bulldog and English Cocker Spaniel, owned by Mrs. Glover of Edmonton. Reg. Pooles, secretary of the Brandon Kennel Club, also made his appearance. Mac Bel and W. Martin from the East, were exhibiting dogs from New York, Chicago and other large eastern cities. Mrs. Burnice Heaven, Saskatchewan's correspondent, was here with her dachshunds. Walter Pym, director for Saskatchewan, acted as ring steward whenever he was called upon (most of the time). Our only regret was that he did not give us one of his favourite songs. Mr. and Mrs. W. P. Gudgeon from Hamilton, Ontario, favoured us with their presence the first day of the show.

Our sincere sympathy goes to two of our new exhibitors, Irene Hiscock and J. Wood from the Lakehead, in the tragic loss of their dogs. We hope that their next visit to us will have a much happier sequel.

These are brief notes dashed off to catch the deadline. The officers and members of the Fort Garry Kennel Club wish to thank each and every exhibitor, too numerous to mention, who supported us so generously, and hope they will be with us when we put on our 30th Annual Dog Show in 1949.

In the meantime, Merry Christmas and a Happy New Year to all.

Maritime Notes

THE month of October brought to the Maritimes an opportunity for Field Trial enthusiasts to have an innings, for early in the month the newly-formed Atlantic Beagle Club in Halifax staged a most successful two day meet. This event, in conjunction with an equally successful two day meet held by the Annapolis Valley Beagle Club at Middleton, N.S., has done much to popularize this grand sport in the province, and I understand that many new and enthusiastic beaglers have been gathered into the fold.

In Charlottetown, P.E.I., the dual purpose Charlottetown Kennel Club, Inc. held its second Field Trials open to all pointing breeds, and this year again this progressive Club staged trials that evoked the highest commendation from the many visiting sportsmen from the U.S.A. who make a point of making the P.E.I. Trials a *must* on their programme. Entries were slightly down from last year, but what they lacked in quantity, they made up in quality, the work of the dogs in the field being far in advance of that of last year.

The first day, when the Puppy Stakes and the Shooting Dog Stakes were run off, was marred by showery weather, but birds were plentiful and scent was good. Local entries were well to the fore, the first day, and special mention must be made of the wonderful showing of an English Pointer, owned and handled by Ollie Harper. This dog won the Puppy Stakes in splendid style, and his proud owner was the recipient of many congratulations, the American visitors being particularly loud in their praises of this youngster. In the Shooting Dog Stakes the local boys again did very well, Wally Rodd and Frank Acorn placing second and third respectively with their English Setters, while Stewart Jones placed fourth, with his Brittany, "Barbette de Sapine."

On the second day, when the weatherman was in a far better mood, scent was again good and birds were again plentiful, and most excellent sport was enjoyed. This day, when the Derby Stakes and the Open All Age Stakes were held, the American sportsmen had a real field day, and their Brittanies captured all the placings with one exception, and that was fourth place in the All Age Stakes gained by Dr. Gil Huston's English Setter "Stagboro Gentleman". All who were present were most enthusiastic over the excellent arrangement, and they were particularly so over the excellent lunch provided each day by the Women's Institutes of Harrington one day and Winsloe the second day. This service was greatly appreciated, and this, together with the fact that the farmers of those two districts had made their lands available to the Club, made the holding of these Trials possible.

Great credit is due, both to Stewart G. Ives, the genial President of the Club who acted as Field Marshal, and to Stewart Jones, the Field Trial Representative of the Maritime Zone for the C.K.C. The efforts of these gentlemen and their band of willing workers who seemed as if they couldn't do enough for competitors and "gallery" alike, ensured the success of the Meet, but in the final analysis it was the very satisfactory numbers of Hungarian partridge that topped off everything and made the Trials the success they undoubtedly were.

The Island Trials were followed immediately by the Annual Meet of the New Brunswick Brittany Club. These, again, were open to all pointing breeds, and thanks to the energy and enterprise of Jack Mayer of Moncton, N.B. who most successfully pioneered Field Trial work in New Brunswick, and to the fact that they were supported by the majority of the sportsmen who attended the Island, these, too, were a great success, and I understand that there is likely to be an additional Meet next season at Sussex. Before leaving the subject of Field Trials, may I put in a word, in fact a plea, for greater support for this great sport from the Sportsmen on the mainland. We only get a very small portion of the entries that we should have.

I very much regret to say I have to speak of the passing of two grand dogs, "Ch. Danny Boy", a Labrador Retriever owned by Mrs. W. P. Moore, the wife of our Provincial Director. "Danny" was a familiar figure at all Maritime Shows, and he did a lot of very good winning. He made his Championship in 1942. He was bred in Nova Scotia by J. Somers of Amherst, Nova Scotia, but it was in the field that "Danny" was in his element for he was a grand gun-dog; he also was a most successful sire. The second dog of whose untimely death I must speak is that very fine Standard Poodle owned by Mr. E. St. John Green, of Canning, Nova Scotia. This beautiful bitch, "Rockvale Carmen", was imported from England from the Rockvale Kennels of Mrs. G. M. Edwards at Uppermill, Lancashire. This bitch was being returned to Mr. Green after being exhibited at the Poodle Specialty Show at Rochester, N.Y. where she had placed first in the Limit Class, and was in Montreal enroute for the kennels of Mrs. Lallemand at Senneville, Que. where she was to be bred. While waiting in Montreal she was allowed to escape from her crate and couldn't be rounded up. She was seen several times during the next few days but no stranger could get near her. Finally, she was run down by a car and killed. Naturally, Mr. Green feels very badly about this, and I am sure all Maritime fanciers will sympathize with him in his loss.

This writer had the very great pleasure of talking with that Dean of Collie breeders, W. Ormiston Roy, at the recent Halifax Show and at the

Truro Show. It was indeed a very great pleasure to again meet that Great Dane enthusiast, Alvin M. Litchfield of Winchester, Mass., and his very charming wife. They had returned to the Maritimes to collect that elusive last point on their Am. Ch. "Joralsted Prince Pierre". This they accomplished with no half measures, for they won the Working Group in Sydney, and Best in Show at the Pictou County Show.

It seems difficult to realize that by the time these Notes are printed 1948 will be on its last legs. We in the Maritimes have, I think, reason to be satisfied with our accomplishments during the year that is nearly over, for we have a record of 12 Championship Shows, two Field Trials for all pointing breeds, and three Beagle Trials. A satisfying record, I would suggest, and by far the most pleasing feature of that record is the three excellent Shows staged by the newly-formed Clubs at Fredericton, Sydney and Truro, N.S. But we must not be too pleased with ourselves, there is plenty of room for improvement. We would do well to remember that quantity is not the only thing that counts, quality is a big factor.

I was on the point of closing my Notes for this month when I received the sad new that the "Lady of Cedarcrest", Mrs. P. A. Margeson of Kentville, N.S. has suffered a sad bereavement in the passing of her mother. I feel quite sure that I may tender her the very sincere sympathy of all who are privileged to know her.

In a very short time we shall be called upon to vote in the annual Election of Officers in the Canadian Kennel Club for 1949. May I, most earnestly, ask all members to exercise their franchise and VOTE.

And now, may I extend to you all, whoever you are and wherever you be, the old, old wish, of a truly Merry and Joyous Xmas. May the New Year be all that you wish for yourselves. Cheerio, and all the best.

THE STANDARD BOOK OF HOUSEHOLD PETS

Price $2.50.

By Jack Baird, Halycon House, N.Y.

IT is rare, indeed, to find a home which has a dog for a pet without some other animal or bird as a companion. A book giving expert and detailed information about all household pets will be an asset in any home.

Jack Baird has filled a long felt want by writing one of the most comprehensive books on dogs, cats, small domestic animals, birds and fish. He is well known to the dog fancy, having had practical experience in the breeding and exhibiting of purebred dogs, judging not only at All Breed Dog Shows, but also Obedience Trials.

A noted writer on dogs for many years, he is a Past President of the Dog Writers' Association, and is a member of the Board of Governors at the present time.

If you have a canary, or a budgie, white mice or tropical fish, you will find a wealth of information written in such a style that it is easily followed by the veriest novice. In the dog section, Mr. Baird deals with the dog from the day of whelping through his early training and into the show ring. Greyhound racing, sledgedog races, field trials and Obedience work is carefully explained and easily understood. It is one of the most constructive books I have read, and an invaluable reference for all pet owners.

The illustrations throughout are by Paul Brown, and are a perfect complement to the explanatory text.

We have no hesitation in recommending this book to you. It can be secured through your local book dealer, or direct from the Garden City Publishing Co., New York.

CLUB ACTIVITIES

Notes From the Province of Quebec

By Mrs. G. S. B. Mack

HELLO, members, here we go for another month. The main news around Quebec this month was about the two shows held in Quebec City on October 9th and 10th. These were both very good shows, and I am sure greatly enjoyed by all who attended them. Quebec certainly has a charm all its own, and it is always a pleasure to visit the old city where the accommodation is so good and there is such an air of friendship among the Exhibitors and spectators.

The first day's Best in Show ably judged by Mr. Sheehan, was the beautiful English Setter bitch Champion Spruce Sunmaid, owned by Miss Patricia Detmold, and as the prefix denotes, bred by her mother. This was certainly an exciting win for a young girl, and we all congratulate Patricia and hope to see her repeat this very soon.

The second day's Best in Show went to the lovely little Miniature Schnauzer, Am. Champion Sorceress of Ledahof. It was a pleasure to see the delight of her owner, Mrs. M. C. Evashwick, over this popular win. It was also a great pleasure to meet Mr. Wylie from Glencoe, who judged Best in Show on the final day.

Several local dogs finished their championships, or added points to their wins. Among them were Mr. Massicotte's Irish Setter, Deverons Golden Arrow, and Mr. Warner's Collie, Kelmgroves Ormstown Ladd. Another local win to delight the owners was that of the Doberman Pinscher bitch, Mona von Hirshsprung, who also won the working group on the first day, much to the joy of Mr. and Mrs. Rene Duranleau. In Dachshunds, Mr. Vigneault, of Montreal, came home with a second in a strong class with his little bitch Coony, and Mrs. Hope won winner's dog with her imported longhaired Primrose Patch Lord Black. Best of Breed in Welsh Corgis went to the nice little Int. Ch. Lisaye Jacks the Boy, owned by Upperton Kennels, and fresh from finishing his title in the United States. In the Bedlingtons, Mrs. Everett of Acadia Lodge, took Best of Breed both days with Int. Ch. Canis Prior, who placed 2nd and 3rd in the terrier groups. Mrs. Everett's bitches took the points each day, and Winner's dog and Best of Winners for two days was M. G. Clarke's Acadia Lodge's Blue Topper, which now lacks only one point to finish.

Scottish Terriers were well represented by Mr. G. M. Howard, of Beaupre, whose Ch. Merlin Black Abess was Best of Breed both days, and 4th in the group. His bitch, Tarbolton Pixie, was Best of Winners for the two days, and finished her championship. In the Skye Terriers, the little bitch Talisker's Bright Star was Best of Breed for the two days, and now has five points, much to the delight of her young owners, Nicholas and Sean Mack. The Winna Pug Kennels took Winners bitch the first day, and Winners, Best of Winners, Best of Breed and 2nd in the Toy group with Winna Jo-NAN on second day, which was nice for her first show. Unfortunately, I do not have the results in Pekingese, so will have to refer you to the official results. Mrs. Dempster, of Hudson Heights, did very well with her standard Poodle, Carillon Jaillir, going Best of Breed both days, and winning the Non-Sporting group on the second day to finish her championship. Mrs. Dempster has a little sister of Jaillir at home which she now intends to bring out.

That's about all the news from the Quebec show, except to add how much we all enjoyed the two days. My apologies for any dogs I have left out, but if you will all send me your news I will include it in the next issue.

Word comes from Miss Steggal of Winna Pugs, that at the recent show on October 31st, in the Bronx, New York, her home breds Ch. Winna Dixie Belle won the open bitch class, and Ch. Winna Prince Charming won open dogs, Winners, and Best of Winners for four points, giving him six points towards his American title. Incidentally, Prince Charming won the trophy offered by the C.K.C. for the best Canadian Bred Puppy in show three times, and it would be interesting to hear from fellow members if any other toy puppy has beaten this, as I think it must be a record.

My apologies to Bill Taylor for calling his Pekingese STAR-LETTS AH-ME-GO a bitch in the column in the October issue. This is a male, and in the rush or sending in the wins after the Toronto shows I mixed him up. Also, his puppy Simba Lee of

This is a very important month for the members of the C.K.C. as we shall be receiving the ballot sheets shortly. Remember, the ballots are no place for personal friendships or prejudices, and our one thought when casting our vote should be to try to elect whoever will help us most in an official capacity in the C.K.C. It is a good idea before voting to take a little time to think over the past year, before deciding who can help us most in the future and be of greatest service to the members. Remember, no one can make you vote against your better judgment, and we are indeed fortunate to live in a country where the privileges of voting are still open to us all, and fair play is the governing rule. Goodbye, for now. Hope to hear from you all with any news you care to send me before next month.

Hull & District (Quebec) News

By Fred Blatch

IT must have been pleasing to many Quebec exhibitors to read in last month's issue Mrs. Mack's comments with reference to all the clubs in the Province of Quebec getting together with a view to organizing a first class circuit of dog shows throughout the province. This is in line with the ideas we had in mind, when I said in a previous issue this year that it had long been the ambition of our Provincial Director, Mr. W. W. Rooney, to bring such a circuit into a reality. It is quite apparent nothing has been done about it to date, although it is very obvious something must be done very soon if we are to bring about the desired results. Definitely, one or two clubs cannot do it alone. We must have more clubs within the province, with each one giving its fullest co-operation to a collective, well-organized system of operations. It can be done, and done properly, if what clubs we now have will get together and get organized. Therefore, I do not hesitate to support the idea, and if I may make a suggestion it is this: Why not each club in the Province of Quebec appoint one or two representatives with authority to form themselves into a Provincial Club Committee to meet, on appropriate occasions, with the C.K.C. Provincial Director and the members of the C.K.C. Provincial Committee to discuss the various matters pertaining to the clubs, and to formulate plans for each season's activities, together with the organization of a complete provincial circuit. This committee could be the means of bringing about a better understanding between the clubs—the arrangement of show dates so that they would knit in one with the other, and it would provide the Director with a clearer picture of what is doing, and what is wanted, within the province, so that when attending the Board meetings in Toronto they would have authentic information, supported by all the clubs, on which to present the various problems to the Board. Yes, and many other little things, so essential yet too numerous to mention here, that would prove most beneficial to all the clubs concerned. Suffice it to say for now, that it is high time something constructive was done along the lines suggested. So-o-o, in leaving the matter at that for this time I am just going to say to all our good doggy friends in the province: "What about it, folks? Let's go!! And make 1949 a bumper year in the history of "Dogdom" in the Province of Quebec."

Had another nice letter from Miss Nancy Brown, in which she tells me that the "Hong Kong Kennels", formerly owned by her father, have now been transferred to her at Morin Heights, Que. Nancy says she has been showing Pekes since she was 13 months old. The story is that a pair of Peke pups were shown under her name at that age, under Judge Mme. A. Trudeau, of Longueuil, Que., some 23 years ago, and she has been showing on and off ever since. Well, it's the old saying again, "it was born in the blood and you just can't get it out." No doubt when she gets settled down in her new quarters you will be reading some of her messages in the advertising space of "DOGS IN CANADA" In the meantime, good luck to you, Nancy, in all your future endeavours!

It was nice to hear from our local fanciers on their return from the Quebec Kennel Club shows. Mrs. W. S. Fenton had completed the Championship of her fine Dachshund, "Timmy"—"Ch. Dachsamar Timoshenko" to you now. It is quite probable that "Timmy" will now be retired from the show ring, which will give Mrs. Fenton more time to bring along that beautiful pair of Collies she has. And when I say they will eventually go to their championship, I mean just that. It is no "wild" statement. They are really good, but I'll tell you more about them later.

Mrs. J. Cryderman, who took her Peke along just to see what it could do away from home found it did remarkably well, going Reserve Winners the first day, and sweeping the boards right through to Best Toy in Show the second day. Truly a very fine win for her "Wu-Fuh of Wu-San" in plenty of keen competition. Congratulations to you, ladies!

It is rumoured that the Hull & District Kennel Club contemplate a Sanction Show in January next, to be followed by its first Point Show in May. I have nothing very definite on the proposal at the time of going to press, but if it matures, you can bet these shows will be real good ones.

I forgot to tell you last month, that Mrs. F. L. Coleman, of Hull, won the Ladies' Handling Class at the Aylmer show and then beat the Best Gentleman Handler to capture top honours—Best Handler in Show.

And now to round out the year's activities, may I extend to our President, Board of Directors and our genial Editor, Mrs. Alva McColl, and to all our members, my most sincere good wishes for a Merry Christmas and a very Bright, Happy and Prosperous New Year in 1949. Cheerio, and good luck.

The Eastern Ontario Collie Club

By Alma M. Harwood

ON October 13th, at 8 p.m., the members of the Eastern Ontario Collie Club held their opening Fall meeting for the season. The resume of the club's summer activities was presented by the Chairman, including reports on contacts which have been made concerning the formation of branch clubs in other cities. The officers and executive members were made known to the general members as there had been some vacancies throughout the summer months. The positions held are as follows: President, Alma M. Harwood; Vice-President, Colonel R. E. Denison; Secretary-Treasurer, Mrs. Eileen Macdonald; Acting Secretary-Treasurer, Miss D. M. Pranschke; Executive members, Mr. and Mrs. W. J. Callaghan; Mr. Geo Macdonald, Mr. W. G. Mundiner, Mrs. Ruth Savage, Mrs. A. Carvish.

Motion films were shown which had been taken at the club's summer picnics, and their summer colouring was much enjoyed. The educative programme was carried by a lecture delivered by Mr. J. J. Farmer, President of the Ottawa Kennel Club, who spoke on "Showing Your Collie to Best Advantage." For Mr. Farmer's aid in the lecture, two Collies were used for demonstration purposes. One was experienced in ring manners, and one has not yet been shown. Mrs. Pat Taylor, professional handler, ably demonstrated Mr. Farmer's suggestions. At the close of the lecture some time was spent answering questions which were pertinent to the show ring.

This lecture was the first of those planned for the Fall season. It is intended to present one next month, on "Practical First Aid for the Collie". So we are off to a busy Fall season. Unfortunately for us, we will be minus the helpful attendance of our Secretary-Treasurer, Mrs. Eileen Macdonald, who has been called to England for personal reasons and will not be returning until after the New Year. We trust she will have a vacation while there and return with some new ideas which can be inaugurated into our club after her intended visit to the amous Beulah Collie kennels there.

The German Shepherd Dog Club of Canada

By W. O. Flink, Secretary
130 Heward Ave., Toronto 8

THE German Shepherd Dog Club of Canada held their Annual All Breed Obedience Trials at Manor Farms, Clarkson, Ontario, on October 24th. They were most fortunate in securing the services of Captain Herman Schendel, of Manchester, Conn., as their judge. He is one of the foremost judges and trainers in the United States. Capt. Schendel had much to do with the success of War Dogs trained in the U.S. for the Army, Coast Guards, and Marines.

The day was quite overcast, but all classes were run off without rain falling to spoil the trials. There were 21 dogs of various breeds entered, with German Shepherds predominating.

Most of the dogs worked very well, although it was easy to see some were novices, and although not getting a passing mark, performed quite creditably. Scores of qualifying dogs in the various classes were as follows:

Novice A: DUKE OF BARRIMOR 2nd; owner, J. W. Hooker, 188 plus; ZELDA OF SANDOREA; owner, Mr. and Mrs. W. Hendry, 188; BONNIE OF CARA MIA; owner, Mrs. M. Noble, 185½; CH. HEXE OF BRIARDALE; owner, Mrs. H. S. Weller, 185; KAREN OF GLENHAVEN; owner, Mrs. Alderdice, 181; TONY OF SANDOREA; owner, D. Martorino, 178; TRINKET OF VALLE VERDE; owner, A. DeGalatoff, 173.

Open A: SULTAN OF NEBRIC; owner, E. Hayman, 175. These were all German Shepherd dogs.

Next year we hope to make these Obedience Trials really international, and they should be the Show of the Year.

Our Kingston member, Mrs. Mary MacMorine, has been at Toronto St. Mary's Hospital during the past few weeks for an eye operation, and we wish her a most speedy recovery. Mrs. MacMorine has written a book which we are sure will be a huge success, the subject, of course, being about DOGS.

It has been the policy of this club to bring to Toronto the best judges possible for both Bench Shows and Obedience Trials, and we sincerely believe we have upheld our aim this year with Mr. Reg. Cleveland for Bench Show and Capt. Herman Schendel for the Obedience.

Anyone desiring to obtain further information regarding German Shepherd Dogs, or Obedience, can do so by writing to the Secretary, Walter O. Flink.

The German Shepherd Dog Breeders Association Toronto

By Beth Hendry

OCTOBER was a very busy month for the Club members, commencing with the Obedience Trials, which were so ably reported in the last issue of DOGS IN CANADA by our Judge, Mrs. Alva McColl.

On October 17th, we travelled to the Genosee Valley Kennel Club Show, at Rochester, N.Y., where our group of German Shepherds put on an exhibition of precision drill. We believe this is the first time such a display of intelligence of our breed has been shown to the public. With only two weeks' drilling, the members and their dogs paraded into the ring at Rochester and proceeded to do a precision drill embodying the highlights of Obedience work, together with an interpretation of co-ordination between dogs and their handlers. That this exhibition was a success became apparent when, on its completion, we were deluged with invitations to appear at dog shows in various parts of the United States.

The drill was led by Bill Cairns carrying a large Union Jack and Bill Hendry with the Star Spangled Banner, followed by our drill master, George Taylor, while the band played the "Colonel Bogie" March.

Once again our Club has shown what enthusiasm and cooperation can do, and we wish to express our appreciation to the following members and their dogs who made this remarkable venture so succesful:

Mr. R. Scott with Rickey of Huntingdale; Miss J. Bradd, Duke of Barrimor, CD. CDX; Miss E. Scott, Gelda of Huntingdale; Mr. J. Hooker, Duke 2nd of Barrimor; Mr. F. Dehnhert, with Count; Mrs. Weller, Ch. Hexe of Briardale; Mr. Martorino, Tony of Sandorea, CD; Mrs. Cairns, Tex of Sandorea; Miss L. Hansen, Soran of Sandorea; Dot. Hendry, Voltair of Sandorea, Beth Hendry, Zelda of Sandorea, CD; Geo. Taylor, Starlight of Barrimor, Int. CD.

The members of the Club extend cordial greetings to those fanciers who would be interested in joining our organization.

BEST IN SHOW

For the second consecutive year at the BOSTON TERRIER CLUB OF TORONTO SPECIALTY SHOW

The Boston Terrier Club of Toronto (Reg'd)

By Ivy Sisson

THE Boston Terrier Club of Toronto held their 30th Annual Specialty Show on October 11th, 1948. There were 40 Bostons.

The show was opened by Mr. H. W. "Larry" Cowan, who gave a short but well put speech. Judging was ably handled by Mr. J. Faigel, with Mr. C. J. McGarry doing his usual good job as ring steward.

Best of Breed went to that outstanding Boston Ch. Sylvan Glens Lady Valentine, owned by Paddy Boughs. Am. Ch. Globe Glowing Perfection, owned by Mr. and Mrs. V. G. Perry, was Best Opp. Sex. He was also Winners Male. Winners Female went to Mrs. G. A. Allen's Piehlers Pin Up Girl.

There were five Champions in to compete for Best of Breed. Nine Champions went into the ring for the Champion Parade, and each one received a rosette made up specially for the occasion. The Charles B. Firman Memorial Trophy donated by the Boston Terrier Club had to be won outright, this year, and Paddy Boughs won it again for the third or fourth time. He, in turn, presented it to Mrs. M. Firman.

It was nice to see the out of town exhibitors at the show—Mr. and Mrs. G. A. Allen, from Niagara Falls, N.Y.; Mr. Bolton, from Guelph, Ont.; Mr. and Mrs. Drury, from Oakville; Mr. and Mrs. Lane, from London, Ontario.

A pleasant surprise was a visit by Ida Mae Cohan, Editor of The Boston Terrier Magazine, Chicago, Ill.

The show was recessed at 5.30 p.m. until 7.30 p.m. so that those who wished could attend our Banquet held at the Prince Geoge Hotel, where the service and dinner left nothing to be desired.

The Boston Terrier Club of Toronto Specialty Show

By Joseph Faigel

MRS. Idamae Cohen, editor of the Boston Terrier Magazine, Mrs. Faigel and I left Detroit after the Progressive All Breed Show, Sunday, October 10th, arriving in Toronto on Monday morning in a driving rain storm. We tried to register at the Royal York Hotel, but due to a convention and the Thanksgiving holiday were advised that there were no rooms available until evening. We then tried several other hotels in the downtown area, with negative results. Then, thinking of my good friend, Reggie Sparkes, I hailed a cab and said, "Bloor Hotel". The cabby replied, "And where is that?" Luckily, Mrs. Faigel had noted the address and gave it to the cabby.

Upon entering the "Bloor" we couldn't tell if the walls were papered or painted, for the picture of Reggie, his dogs and horses which adorned them. Mr. Sparkes was out of town, but Mr. Nichols extended us every courtesy. We went to our room, relaxed for a few hours, had a very good luncheon in the dining room. It was still raining, so we called a cab and went to the hall where the show was to be held. We met all the officers of the Club, and renewed acquaintances with old friends.

The atmosphere was very cordial, and everyone was in a sporting mood. About 2 o'clock, I started in judging the dogs. Contrary to the common belief in the States, I found that the dogs were of a high and exceptional quality, and when one thinks that they can go to Canada, particularly in the Toronto area, to acquire easy Canadian championships, they are due to a rude awakening.

I saw some promising puppies, particularly in the females. There were at least half a dozen of championship caliber. The Specials class for Best of Breed was something to behold, and any of them could give our top dogs in the States a real battle.

My Best of Breed, Ch. Sylvan Glen's Lady Valentine, owned by Mr. and Mrs. Paddy Boughs, is really an outstanding specimen that can favourably compare with any top dog of any breed.

The banquet, held during the intermission before the finals, reminded me of the New York Specialty Club annual party. Everyone was in a festive mood, and many nice things were said. The Club is to be complimented for its unity and good fellowship.

The Great Dane Club of Canada

By J. Keen

WE are pleased to announce that the Great Dane Club of Canada has accepted the invitation of the Guelph Kennel Club to hold our Specialty Show at their All-Breed Show on May 24th, 1949.

The Guelph Show promises to be one of the best for 1949, with ample benching space and special rings set aside for the "Specialties".

We are counting on a very large enry of fine Danes, and hope that all members of the Club and owners of purebred Danes will plan on entering. This is a wonderful opportunity to bring the "Great Dane" before the public eye, and to show them under the best conditions and to the greatest advantage.

Our Trophy Committee, headed by Mr. C. Spratt ,is planning on a fine array of trophies, and everything is being done to make this, our first Specialty Show, a great success. So don't forget the date, will you! May 24th, at Guelph.

We would be very pleased to hear from any readers who would like to join our Club. We are a young Club, but most enthusiastic, and would welcome new members. Just drop a line to the Secretary, Suite 16A, 58 Wellington Street, West, Toronto. Our next meeting is being held on Wednesday, December 1st, at the Bloor Hotel, 1313 Bloor Street, West, Toronto. at 8 p.m., so why don't you drop in! You would be most welcome.

The Importance of the Judge

(*Continued from page* 11)

hundred miles of their home; the assignment should be far enough away that most of the dogs would never have been seen before.

Having made their decision as to the judges who will preside at their shows, the clubs must abide by that decision. The suggestion, however, of one person with many years of experience, that the Canadian Kennel Club representative at shows report to the Board of Directors any glaring errors in judging seems a good one, particularly since the further suggestion was made that following such complaints, the judge be requested to meet with the Board or anyone appointed by that body to carry out the work, in order that he may make an explanation of his decision, this to be done as soon as possible after the show which has been reported. It was felt that this procedure would serve as a check on anyone wanting judging assignments and would help greatly to eliminate a half-hearted job being done by any judge.

A very Merry Christmas to Mrs. George Ward of Oakville, Ontario, who is in her 89th year, and to Mrs. M. A. Purvess, of Toronto, who is in her 88th year. These two young ladies attended the Canadian National Exhibition Dog Shows, and it is our earnest wish that we will have them with us for many more years to come.

Christmas Greetings, also, to Mr. Fred C. Hessell, of London, Ontario, who is now in his 81st year and still maintains a large Kennel of Cocker Spaniels, this being his 52nd year in the breed. We believe Mr. Hessel is the only member of the Canadian Kennel Club living who attended the meeting in the Tecumseh Hotel in London when the Canadian Kennel Club was formed on September 27th, 1888.

• • •

Mrs. M. H. Page had a nice weekend at Detroit with her Welsh Corgi Champion Windrush Redwing, which is the first dog of any breed in the world to have attained the rating of International Champion Obedience dog. Redwing went through from Open Dogs to take second in the Working Group, which is certainly setting a record for the breed. According to the winners' ribbons Redwing is bringing back from the United States he will be able to add "International" to his Bench Show title, thereby breaking all records again.

• • •

A famous dog passed away last month, and we mention his passing because he was such a familiar figure at our Ontario Shows for the last fourteen years. He was the beautiful white Samoyed Ch. Nicholas, and was shown consistently through the years. He was beaten only once.

His owner, Mrs. Gladys Davies, took him to Chicago with her for the big Samoyed Specialty Show where he placed first in his class, although twelve years of age. Mat. Korshin was judging, and after he had placed the dogs he remarked to me that it would not surprise him if this particular dog did not live in a Kennel where there were Terriers, for the dog came into the ring prancing as if he owned the show, and with that Terrier air of knowing he was the best dog in there. Later, when the judging was over, I explained to Mr. Korshin that Nicholas lived in a Kennel which specialized in Kerry Blue Terriers and he had no doubt assumed many of their habits. The familiar sight of seeing Nicholas shepherd the other dogs into the show will be missed when the Spring shows come around.

"The Doggonedest Facts"

The cost of sending two Great Danes from San Francisco to the Philippine Islands was $1,654.00. The Danes in question were the pair sold by Colonel J. De B. Cowan of Crystal Creek Ranch, Kaslo. British Columbia.

The purchaser, Mr. Fermin del Rosario of the Philippine Islands, was not the least bit perturbed when told of the cost of shipping by air. It is unlikely that there will be a rush of Great Danes to the Islands with such a rate charge for air shipping.

Somewhere in the back of our mind lay the suspicion that somewhere, sometime, a Cairn Terrier had won Best in Show All Breeds, and on searching the records we found that in 1935 the first Grand Champion Cairn Terrier in Canada, namely, Bonshaw Zur, owned by J. A. C. Irving of Vancouver, was Best in Show All Breeds at the Vancouver Junior League Show. This fine little Cairn had several Group wins to his credit, and he did much to promote the breed in Western Canada. He was bred in England and imported in dam.

Congratulations are in order to the publisher and editor of "Dog World" England, for "Dog World" has also adopted the "new look". The double page spread of the pictures of the winners at "Crufts", and the comprehensive review of all dog activities in the British Isles, makes this English publication a joy to read. Much of it is due to the acquisition of the new model Rotary Press, a triumph of British engineering. This machine is capable of printing, stitching and trimming a journal in one operation at high speed, and at the same time of adding clarity to both type and picture.

"The Doggonedest Facts"

From Chicago comes the story of a Pure Bred Dalmatian — Duchess of Tudette — which has whelped a litter of 11 puppies. There isn't anything very unusual in a Dalmatian having a

litter of 11 puppies — but there is when every puppy in the litter is a MALE. The odds for this happening is — one chance in a million.

At a recent meeting of the Board of Directors of the English Kennel Club, Miss J. O. Joshua, M.R.C.V.S. asked permission to mate one of her Chow Chow bitches by artificial insemination with a stud dog owned by Mrs. L. W. Bonney of the United States. Miss Joshua stated that the insemination would be an experiment, but if it was successful would be of great advantage to dog breeding in all countries and a stimulus to the export trade.

The Committee agreed to the experiment being carried out, provided the necessary Veterinary Surgeon's Certificates were obtained in both countries, and instructed the Assistant Secretary to notify the American Kennel Club of their decision. Should this experiment be successful, we will be enabled to breed our dogs in any country without the expense and red tape which is involved through quarantine laws, etc. An article on this subject will be published in DOGS IN CANADA shortly.

Background

By A. Gostick

WE were spending a pleasant evening recently, scanning The Scottish Farmers' Annual. Reading for probably the hundredth time about such great horses as Darnley, Hiawatha, Barons Pride and other notable winners of the Cawdor Cup, the top trophy in the draft horse world since 1892.

We read, too, how James Kilpatrick, of Cragie Mains, had won this trophy on thirteen separate occasions, the first being in 1901, the most recent 1942. We recalled that another Kilpatrick, uncle of James, had been an early winner before the turn of the century.

We wouldn't feel that this "horse talk" would strike a receptive note among dog people, except that word recently came to hand that Herbert Lloyd of "Ware" Cocker fame, had just won his fifth supreme award at Cruft's against an entry of over 4,000 dogs, with his female Tracey Witch. Mr. Lloyd has exhibited at Cruft's consistently for fifty years. The Lloyd family have bred and shown Cockers in Great Britain for close to one hundred years.

The conclusions we draw from such citations are the important part that background, experience and heredity play in the life of a successful breeder.

BOARD OF DIRECTORS — MEETING

FROM THE OFFICE OF THE SECRETARY-TREASURER

1125. The regular monthly meeting of the Board of Directors of the Canadian Kennel Club Inc., was held in the Club's offices, 667 Yonge Street, Toronto, Ontario, on October 1st, 1948, commencing at 10.30 a.m. The President, Reg. P. Sparkes, presided. Officers and Directors present at the commencement of the meeting included: Walter Brown, D. J. Lerch, George P. Davies and Douglas Riedel.

1126. (1116). DATES AND JUDGES

SUBJECT: The Secretary reported that Mr. A. M. Fitzgerald, Secretary-Treasurer of the Sportsmen's Kennel Club, indicated a desire to appear before the Board of Directors to speak on the matter of the Sportsmen's Kennel Club's application for permission to hold championship shows on March 25th and 26th, 1949.

DISCUSSION: Mr. Fitzgerald entered the meeting. He assured the Board that in the event the Board approved of the applications for dates submitted by the Sportsmen't Kennel Club, then the Club would provide the required passes for exhibitors as well as car passes but no such assurance could be given in respect to the admittance of spectators, and he saw no reason why any special arrangements should be made in that connection since spectators attending dog shows held in conjunction with exhibitions or fairs do not receive free entry into the exhibitions or fairs in order to attend dog shows.

The President assured Mr. Fitzgerald that the Board would consider his representations and assurances made on behalf of the Sportsmen's Kennel Club. Mr. Fitzgerald then left the meeting.

1127 (1110). MINUTES

SUBJECT: The Secretary presented the minutes of the meeting of the Board of Directors held at Toronto on September 1st, 1948.

RESOLUTION: It was regularly moved by Director Riedel, seconded seconded by Director Davies:

"THAT, the minutes of the meeting of the Board of Directors held on September 1st, 1948, as prepared by the Secretary, be adopted." Motion carried.

1128 (1074). REPORTS AND CORRESPONDENCE RE SHOWS

SUBJECT: The Secretary read a letter received from W. F. Fahey and Albert Weber, President and Show Superintendent respectively of the Kitchener—Waterloo Kennel Club, in reply to the letter addressed to the Club at the order of the Board of Directors.

The letter stated that:

(a) The Fashion Show did not delay the closing hour of the show more than twenty minutes;

(b) The late closing hour was caused by the extra judging for the selection of Best Canadian-bred Puppy;

(c) The van parked at the rear entrance was a sufficient distance from the door to permit the removal of the largest crates.

(d) The duties of the C.K.C. Representative should be clarified so that all concerned may work in harmony.

RESOLUTION: It was regularly moved by Director Riedel, seconded by Vice-President Brown:

"THAT, the Kitchener—Waterloo Kennel Club be informed that their letter has been received, that we are accepting their explanations in respect to the matters referred to in our letter of June 29th, that the Canadian Kennel Club is at all times "desirous" of cooperating with Clubs holding shows under our Rules, and that we trust we may continue to have the cooperation of the Kitchener—Waterloo Kennel Club in that regard." Motion carried.

Director H. S. Weller entered the meeting

SUBJECT: The Secretary read a letter from Mr. Cliff Tushingham who state dthat he did not remove Dog No. 247 from the Progressive Kennel Club Show held on June 28th but that he did remove dog No. 249. The Secretary read a letter from Mr. James Beattie, listed in the catalogue of the Progressive Kennel Club Show as "Superintendent of the Show", who reported that he did not attend the show because of a business appointment in Toronto. The Secretary reported that a letter addressed to Mr. L. Mackay, at the order of the Board of Directors, had been returned by the post office.

RESOLUTION: It was regularly moved by Second Vice-President Lerch, seconded by Director Riedel:

"THAT, Mr. Cliff Tughingham be informed the re-occurrence of the unauthorized removal of a dog from a championship show would not be tolerated." Motion carried.

REPORT: The Secretary reported that while Mr. Ted Ward had spoken to him at the Canadian National Exhibition in respect to his alleged failure to bench an English Springer Spaniel at the Fredericton Kennel Club Show held on June 29th, no reply had been received to the letter addressed to Mr. Ward in this regard a tthe order of the Board of Directors.

RESOLUTION: It was regularly moved by Vice-President Brown, seconded by Director Davies:

"THAT, this matter be held over for the consideration of the Board of Directors at its next meeting, and that Mr. Ward be given an opportunity to either answer the letter addressed to him a tthe Board's direction or appear before the Board of Directors to speak on the subject." Motion carried.

MEETINGS

The regular monthly meeting of the Board of Directors will be held on the 1st and 15th of each month.

DISCUSSION: Director Riedel suggested that notice should appear in DOGS IN CANADA informing professional handlers that their failure to comply with the Dog Show Rules regarding the benching of dogs would be considered when they applied for the renewal of their handlers' licenses. Mr. Riedel also suggested that the C.K.C. Representative should report on those who fail to bench their dogs as required by the Dog Show Rules.

SUBJECT: The Secretary read a letter addressed to the Board of Director by Mrs. Joy Osterdahl, Highland Creek, Ontario, who complained that the judge of Dachshunds at the Canine Breeders' and Exhibitors' Association Show held on September 9th, 1948 "did not in any way even attempt to judge" two dogs entered for Specials Only. The C.K.C. Representative's report on the judging at the above mentioned show was read by the Secretary.

DISCUSSION: Vice President Brown expressed the view that the C.K.C. Representative's report on judging should be available for the guidance of show-giving clubs. The President suggested that the judge be informed of the complaint and advise that when judging dogs at championsip shows held under the rules of this Club every dog coming before him must be examined and moved before decisions are made.

RESOLUTION: It was regularly moved by Director Weller, seconded by Second Vice-President Lerch:

"THAT, a letter sent to the judge informing that the Board of Directors takes a very serious view of his judging or dogs at the Canine Breeders' and Exhibitors' Association show held on September 9tt, 1948, and that in the event he again judges a championship show held under the Rules of this Club, it is expected that he will carefully examine and move every dog in the ring before making his decisions." Motion carried.

ACTION: The Secretary was directed to inform Mrs. Osterdahl that the matter had been taken up with the judge.

SUBJECT: The Secretary read a letter from Mr. W. H. Pym, Vancouver, who suggested that an explanation should accompany the Dog Show Rules relating to the selection of Best Canadian-bred in Show, particularly to indicate to exhibitors circumstances under which a Canadian-bred dog, not directly defeated by another Canadian-bred dog, would not be eligible for this award.

DISCUSSION: Mr Pym's letter indicaetd that the subject matter of the letter might very well receive the consideration of the Dog Show Rules Committee, but the Board agreed that since the Dog Show Rules Committee was no longer in existence it would be perfectly in order for Mr. Pym to submit a proposed amendment to the Dog Show Rules clarifying the rule in question.

RESOLUTION: It was regularly moved by Second Vice-President Lerch, seconded by Director Davies: "THAT,Mr. Pym be informed that it would be quite in order for him to submit a proposed amendment clarifying the Rules relating to the selection of Best Canadian-bred in Show." Motion carried.

SUBJECT: The Secretary read a letter from Mr. John R. Kennedy, Toronto, in which Mr. Kennedy made observations in respect to the difficulty of holding a large show in one day, the assistance rendered by Mr. Alf. Loveridge, the C.K.C. Representative at the shows held in conjunction with the Canadian National Exhibition, of the excellent organization of the Canadian National Exhibition office staff, of the excellent work of the Superintendent, Mr. John McNaughton, and Ring Stewards at the Exhibition Dog Show, of the advisability of so arranging a show that the Group judging might well start at 7.00 in order that the Best in Show could commence at approximately 9.30 p.m.

RESOLUTION: It was regularly moved by Second Vice-President Lerch, seconded by Director Davies:

"THAT, Mr. Kennedy be thanked for his communication and informed that it is very likely that the matters referred to in his letter would be discussed at the next annual general meetin gof the Club." Motion carried.

Director W. E. Baker entered the meeting.

SUBJECT: The Secretary read a letter from Mrs. A. Molin President of the All Toy and Boston Terrier Association, Vancouver, in respect to an alleged contravention of Chapter 19, Section 1 of the Dog Show Rules at the Pacific National Exhibition Show held on September 3rd and 4th, 1948. The Secretry read a letter from Mr. William H. Pym, Show Superintendent of the Pacific National Exhibition Shows, who reported that the dog referred to in Mrs. Molin's letter was given official permission to be removed from the bench for a period of one hour and that the dog was returned to the bench within that period.

RESOLUTION: It was regularly moved by Dr. Weller, seconded by Director Davies:

"THAT, Mrs. Molin be informed that we have received a report on this matter from the Show Superintendent, that this Board accepts the report of the Show Superintendent and that no other action be taken in respect of this matter." Motion carried.

REPORT: The Secretary placed the following reports before the Board:

(1) C.K.C. Representative's reports on the Toronto Kennel Club Show held on September 4th. The Canadian National Exhibition Dog Shows held on September 6th, 7th and 8th, the Canine Breeders' and Exhibitors' Association Show held on September 9th, the German Shepherd Dog Club of Canada Specialty Show held on September 18th, and the Niagara Frontier Kennel Club Show held on September 25th;

(2) Director Rooneys Report on the Sanction Show held by the Hull and District Kennel Club on August 22nd;

(3) Director Saunders' reports on the Medicine Hat Kennel Club Shows held on September 6th and 7th, the Alberta Kennel Club Shows held on September 8th nd 9th, and the Edmonton Kennel Club Shows held on September 13th and 14th.

RESOLUTION: It was regularly moved by Second Vice-President Lerch, seconded by Director Riedel:

"THAT, the reports on Shows as received from the C.K.C. Representative and Directors Rooney and Saunders be filed for reference purposes." Motion carried.

REPORT: The Secretary reported that information received from Mr. John S. Grant of Edmonton and Director Saunders indicated tht Mrs. M. D. Gardner, Secretary of the Edmonton Kennel Club, was seriously ill, and that the Edmonton Kennel Club could not therefore submit its official returns for shows held on September 13th and 14th within the time limit set by the Dog Show Rules. The Secretary reported that after consultation with the President, permission had been given to send the returns in at a later date.

RESOLUTION: It was regularly moved by Vice-President Brown, seconded by Director Davies:

"THAT, the action taken by the President and Secretary in respect to the returns for the Edmonton Kennel Club Shows be endorsed." Motion carried.

SUBJECT: The Secretary read a letter from Sergeant Roy Montague, Secretary of the Halifax Kennel Club, who reported that the ribbon manufacturer, from whom they had ordered ribbons for their Championship Show held on September 6th, had failed to provide the correct ribbons as ordered, and since the order had not been received by the Halifax Kennel Club until shortly before the Show, it was impossible for them to supply the correct ribbons at their show.

ACTION: It was decided that no action would be taken in respect to this matter unless any complaints are received from exhibitors at the Halifax Kennel Club Show.

1132. DOGS IN CANADA

SUBJECT: The Secretary read a night letter from Director V. W. Williams who strongly recommended that favourable consideration be given to immediate revision of the salary now being paid the Editor of DOGS IN CANADA. Director Williams stated that her "latest achievement is a masterpiece and surely warrants recognition at this time." The Secretary read a letter from Director Kenyon who referred to the Diamond Jubilee issue and who was of the opinion that the Managing Director is deserving of sincere congratulations from the Board for her splendid efforts.

DISCUSSION: In discussing the matter the Board agreed that the matter of the Editor's lasary should be considered by the DOGS IN CANADA Committee. Second Vice-President Lerch recommended that the Editor be given a bonus for her

efforts in connection with the Jubilee issue. Director Baker stated that the Board should have a financial statement showing the standing of the mgazine before making a decision on the recommendation advanced by Director Williams.

ACTION: The matter was ordered referred to the DOGS IN CANADA Committee for consideration and report.

Vice-President Brown took the chair while the President was temporarily absent from the meeting.

1133. LETTER FROM MRS. JOHN N. NELLES

SUBJECT: The Secretary read a letter from Mrs. John H. Nelles, Fort Churchill, Manitoba, with regard to the registration of a litter of Airedales, whelped in Canada, which Mrs. Nelles wished to register directly with the American Kennel Club without previous Canadian registration.

DISCUSSION: In discussing Mrs. Nelles' request, the Board noted that while a number of these puppies would be returned to the United States, some had been sold in Canada, and it was felt that it would be preferable for the litter and the individual puppies sold in Canada to be registered in the Canadian Kennel Club Stud Book.

ACTION: The Secretary was directed to inform Mrs. Nelles that the Board was of the opinion that the litter and individual puppies should be registered in Canada since some of the puppies had been sold in Canada, and by following this arrangement, it would enable her to provide Canadian certificates for the puppies which had been sold earlier than would otherwise be possible and at less expense.

The President resumed the Chair.

The Secretary reported that Mr. Shaw and Mr. Cobb were licensed by the American Kennel Club for the breeds for which they sought handler's licenses, and that the American Kennel Club had been written regarding Miss Stone's handling privileges in the United States.

RESOLUTION: It was regularly moved by Director Weller, seconded by Director Baker:

"THAT, the applications for handlers' licenses as received from Mr. Shaw and Mr. Cobb be approved, and that the application of Miss Stone be held in abeyance for the further consideration of the Board at its next meeting." Motion carried.

1137 (1115). APPLICATIONS FOR KENNEL NAMES

REPORT: The Secretary reported the list of kennel names for which applications for registration had been received, and read the following letters:

(1) Letter from Miss Blanche Saunders, who had registered the kennel name CARILLON with the American Kennel Club and who wished to register that kennel name in Canada;

(2) Letter from M.r and Mrs. George Duncan, Cobourg, Ontario, who objected to the kennel name BESSBORO being granted in view of the Board's earlier refusal to approve of their application for registration of that name, and who also objected to the application for the kennel name LITTLE GATE in view of their registered kennel name, MAPLE GATE.

RESOLUTION: It was regularly moved by Director Riedel, seconded by Director Weller,

"THAT the applications for registration of the following kennel names be approved:

ARNEM—Arnie M. Johnson, Toronto, Ontario.

ECLAIRE—Ethel C. Hoard, Saskatoon, Sask.

FAIRWOOD—Mrs. A. P. Griffiths, Rockcliffe, Ont.

ACTION: The Secretary was directed to ask Mrs. L. F. Nicholl and E. L. Nundall (applicants for the kennel name CARILLON), to submit an application for registration of another kennel name; and to inform Mr. and Mrs. Duncan that while the Board was not prepared to approve of the kennel name, BESSBORO, it did feel that there was sufficient difference between the kennel names, MAPLE GATE and LITTLE GATE, to justify approval of the kennel name LITTLE GATE.

REPORT: The Secretary reported on correspondence with Mr. and Mrs. John Low of Winnipeg (applicants for the kennel name, KILLORAN), and with Mr. John J. Shaw of Coteau Rouge, Quebec, who had earlier objected to the kennel name, KILORAN, but who had indicated no objection to Mr. and Mrs. Low using the kennel name, O'KILORAN.

O'KILORAN, in the above list of approved kennel names and at the same time to express to Mr. Shaw its appreciation of his sporting attitude in respect to Mr. and Mrs. Low's application for kennel name.

RESOLUTION: It was regularly moved by Vice-President Brown, seconded by Director Baker:

Motion carried.

SUBJECT: The Secretary read a letter from Mr. Peter Hopkinson, McDonald's Corners, Ontario, who reported that he had received an invitation to judge Welsh Corgis in the United States and who wished to be approved by the Canadian Kennel Club as a judge of Welsh Corgis in order that he could obtain an American Kennel Club judging license.

ACTION: The Secretary was directed to inform Mr. Hopkinson that in the event a communication is received from the American Kennel Club regarding his selection as judge of Welsh Corgis in the United States, the American Kennel Club would be informed that he has the approval of the Board of Directors as a judge of Welsh Corgis.

1139 (1063). APPLICATION FOR REGISTRATION OF CLUB NAME

SUBJECT: The Secretary reported that the Truro Kennel Club had applied for registration of its Club name, that notice that the application had been received had been published in DOGS IN CANADA, and no objection to the application had been received.

RESOLUTION: It was regularly moved by Director Weller, seconded by Vice-President Lerch,

"THAT, the application of the Truro Kennel Club for approval of its Club name be approved." Motion carried.

1140 (1118). NEW CONSTITUTION AND BYLAWS

REPORT: The President reported that shortly after the meeting of the Board of Directors held on September 1st, he had discussed with Mr. A. P. MacVannel, Chief Registration Officer of the Department of Agriculture, and with Mr. A. Steele, Associate Chief Registration Officer, the matter of the Club's application for approval of the amended Constitution and By-laws adopted at the last annual general meeting. He informed the Board that it was quite apparent from the discussion that the Club could not anticipate approval of the amended Constitution and By-laws as forwarded to the Minister of Agriculture for his approval.

ACTION: Following discussion, it was agreed that no action be taken at this time and the matter held in abeyance for the Board's further consideration.

1141 (1120). OBEDIENCE TRIAL MATTERS

SUBJECT: The Secretary reported that he had communicated with Mr. Alex. L. Gooderham, judge of Obedience Trial Classes held in conjunction with the London Kennel Club Show on June 5th, regarding alterations made in the judge's book on the scores earned by a dog competing in the Obedience Trial, and a letter had been received from Mr. Gooderham, who stated that he had altered the judge's book for the reason that the dog in question had "mouthed the dumb bell on each occasion", and he found it necessary to correct his first judgment on this account.

RESOLUTION: It was regularly moved by Second Vice-President Lerch, seconded by Director Davies:

"THAT, we eccept Mr. Gooderham's explanation regarding the change in the judge's book, and that no further action be taken in connection with this matter." Motion carried.

SUBJECT: The Secretary read a letter from Director H. S. Weller, who requested that the matter of proposed changes in the Obedience Trial Rules, as dealt with at the last meeting of the Board of Directors, be again placed on the agenda for further consideration.

DISCUSSION: Director Weller stated that when this matter was considered by the Board at its last meeting, he had not been disposed to endorse alterations in the Obedience Trial Rules, but following discussion on the matter with many Field Trial enthusiasts, he had come to the conclusion that the present rules, if continued in force, would ultimately discourage entries in Obedience Trials. He recommended that the following changes be made in the Obedience Trial Rules:

(1) Delete from the second paragraph of Section 9, the words, "in which the combined number of competitors in Novice Class A and Novice Class B at each trial shall be six or more dogs."

(2) Delete from the second paragraph of Section 15, the following words: "in which the combined number of competitors in Open Class A and Open Class B at each trial shall be six or more dogs."

Director Weller pointed out that if the rules retain the sections which he recommends be deleted, then owners could hardly be expected to attend Obedience Trials, particularly those held out of town, when such competition could mean nothing towards earning an Obedience Trial title.

RESOLUTION It was regularly moved by Vice-President Brown, seconded by Director Davies:

"THAT, the deletions from the second paragraphs of Sections 9 and 15, as recommended by Director Weller, be made effective as from February 5, 1948." Motion carried.

1142 (1090). APPLICATION FOR REINSTATEMENT OF MRS. C. BLOOMFIELD

SUBJECT: The Secretary referred to the Board's earlier direction that the application for reinstatement of Mrs. C. Bloomfield be held in abeyance for further consideration.

RESOLUTION: It was regularly moved by Director Weller, seconded by Director Baker,

"THAT, Mrs. C. Bloomfield be reinstated, the reinstatement to be effective as of this date." Motion carried.

1144 (1088). ARRANGEMENTS FOR ANNUAL MEETING

REPORT: The Secretary reported that he had been unable to obtain suitable accommodation at the King Edward Hotel in connection with the annual meetings scheduled for February 9th, 10th and 11th, 1949, and that while tentative arrangements had been made to obtain meeting room accommodation at the Royal York Hotel for these dates, accommodation for the individual officers and directors could not be secured.

DISCUSSION: The Board, in discussing these arrangements, felt that it would be preferable to hold the meeting on February 9th, 10 and 11th, rather than the week previous to these dates, and agreed that definite arrangements should be made for the meeting rooms at the Royal York Hotel on those dates.

RESOLUTION: It was regularly moved by Director Weller, seconded by Second Vice-President Lerch:

"THAT, the Secretary obtain meeting room accommodation at the Royal York Hotel, Toronto, for February 9th, 10th and 11th, 1949." Motion carried.

1145 (1111). REGISTRATION COMMITTEE MATTERS

SUBJECT: The Secretary reported that an application for registration of an American Foxhound, owned by Miss N. E. Pegg, Lombardy, Ontario, had been received, and since this was an application for registration under Article 33, Section 7, of the Constitution, it would be necessary for the Board to appoint someone to inspect and report on the dog.

ACTION: The Secretary was directed to ask Mr. E. D. Bonyman to inspect and report on this dog.

REPORT: The Secretary reported that Mr. J. H. Gray of Royal Oak, B.C., had submitted an application for registration of a Pointer, the application for registration being in accordance with Article 33, Section 7, of the Constitution.

ACTION: The Secretary was directed to ask Mr. A. H. Dodds, of Victoria, B.C., to inspect and report on this dog.

1146. ALLOCATION OF REVENUE AND EXPENDITURES TO DOGS IN CANADA

SUBJECT: The Secretary stated that it was customary for the Board each year to determine the allocation of revenue and expenditure to DOGS IN CANADA, so that the auditors could prepare the annual financial statements.

ACTION: The matter was ordered referred to the DOGS IN CANADA Committee for consideration and recommendation.

1147 (1094). PRINTING OF STUD BOOK

REPORT: The Secretary reported that Richardson, Bond and Wright had submitted a quotation of $1,725 (plus tax), on the printing of 350 copies of Volume 51.

RESOLUTION: It was regularly moved by Second Vice-President Lerch, seconded by Director Davies:

"THAT, the printing of Volume 51 be placed with Richardson, Bond and Wright, Limited, on the basis of the quotation set forth in their letter of September 13, 1948, and that 350 copies of the Volume be ordered." Motion carried."

SUBJECT: The Secretary reported that an invoice from the Canadian National Live Stock Records office had been received indicating that the cost of preparing the typewritten copy for Volume 51 of the Stud Books amounted to $985.50.

ACTION: The Secretary was directed to include this invoice in the list of accounts previously approved at this meeting.

1148 (999). BENCHING

REPORT: The Secretary reported that efforts had been made to sell the model benching acquired earlier in the year when the Benching Committee was obtaining quotations from building contractors. He informed the Board that an offer of $75 had been received from the Hamilton Kennel Club.

RESOLUTION: It was regularly moved by Vice-President Brown, seconded by Director Weller:

"THAT, the benching be sold to the Hamilton Kennel Club for $75." Motion carried.

1149. STATISTICS

SUBJECT: The Secretary reported that the information received from Mr. T. E. Gundersen, the Club's Registrar at the Live Stock Records office, indicated that in the month of September 2,016 individual dogs had been registered as compared with 1,630 for September, 1947; also that in September cash receipts totalled $5,869.80 as compared with $4,926.18 for September, 1947.

1150. PUBLICATION OF MINUTES

SUBJECT: Director Baker referred to the published minutes of the meeting of the Board of Directors held at Regina on August 20th, and expressed the opinion that since there was nothing libelous about the letters which he and Directors Kenyon and Rooney addressed to that meeting of the Board regarding the reinstatement of Mr. George Kynock, there was no justification for the deletion of that section of the minutes from the published minutes that appeared in DOGS IN CANADA. Director Baker stated also that the minutes in respect to the correspondence with Mr. Lee Streight should have been published.

DISCUSSION: The President stated that it was the policy of the Club's solicitor to delete from the minutes to be published anything that could result in litigation involving the Club; furthermore other deletions could be justified if they in any way reflected on the Club, its members or the dog game in general or could result in controversies detrimental to the interests of the Club and its members. Vice-President Brown stated that everything should be published except libelous matter deleted by the Club's solicitor.

RESOLUTION: It was regularly moved by Director Baker, seconded by Vice-President Brown:

"THAT, nothing except that which makes us liable to civil action will be deleted from the published minutes."

FOR THE RESOLUTION: Vice-President Brown, Directors Baker and Riedel.

AGAINST THE RESOLUTION: Second Vice-President Lerch, Directors Davies and Weller.

The President cast the deciding vote against the resolution and it was declared lost.

DISCUSSION: Second Vice-President Lerch suggested that the deleted sections be referred to the solicitor for advice as to suitability for later publications.

ACTION: No further action was ordered taken.

1151. PICTURES

SUBJECT: Vice-President Brown referred to the instructions given at the last annual general meeting, regarding the inclusion of a picture of Mr. W. H. Pym with the pictures of the Past Presidents and Secretaries customarily placed in the Club's offices, and pointed out that a picture of Past President Risewick should be obtained also. The President reported that while at the coast in August he had personally asked Mr. Pym to send in his picture as soon as possible, and that as soon as the collection of pictures is complete, the entire collection would be set up in the Club's office.

RESOLUTION: It was regularly moved by Vice-President Brown, seconded by Director Baker:

"THAT, the Secretary be instructed to follow out the instructions of the Annual General Meeting in respect to pictures of Mr. W. H. Pym and Mr. W. J. Risewick." Motion carried.

ACTION: The Secretary was directed to communicate with Mr. Pym and Mr. Risewick and to arrange for the hanging of the pictures of past officers of the Club.

1152. ADJOURNMENT

On motion by Director Baker, duly seconded and carried, this meeting of the Board of Directors adjourned at 2.32 p.m.

Greetings

As we write "30" to this the last issue of the year 1948, our Christmas message is one of Goodwill to every individual member of the CANADIAN KENNEL CLUB, to our advertisers and our subscribers. May we take this opportunity of extending our sincere thanks to them all for the loyalty shown to our magazine.

DOGS IN CANADA

HIS NOSE KNOWS! His Tail Tells!

EVERY INCH of him is NOURISHED BY GAINES!

WHAT a lively companionable little fellow he is! That's because he's fed GAINES—the balanced diet — kennel-tested and biologically proved to be nutritionally *complete.*

Feed your dog GAINES—the Meal that contains as much PROTEINS for *muscles* as in 1½ lbs. beef — as much CARBOHYDRATES for *energy* as in 1½ qts. cooked oatmeal — as much FATS for *looks* as in 1 oz. butter — as much MINERALS for *bones* and *teeth* as in 1¾ lbs. cheese—as much IRON for *vitality* as in ¾ lb. beef liver.

GAINES

Complete Meal for *ALL* Breeds

"IT COSTS ME LESS TO FEED GAINES MEAL THAN ANY OTHER TYPE OF DOG FOOD!"

GAINES Meal is a scientifically balanced food with the vitamins, minerals, ALL the food factors science says dogs should have. Some other types of dog food have as much as 70% water . . . but not GAINES. Why pay for moisture? You yourself add the liquid to GAINES at no extra cost. Buy nourishment! Buy GAINES!

For variety, try GAINES KRUNCHON, which is GAINES Meal compressed into crunchy bite-size pellets.
