# Will Your Champions Produce Champions?

nutrition

may make the difference

in breeding

champions

Better Nourished  
Better Developed  
Stronger Dogs

Supplementary minerals and vitamins, as available in PERVINAL, when added to the regular diet may give that *extra* nutritional impetus which makes the difference between an average dog and a champion.

- full, glossy coat
  - good digestion and elimination
  - sound teeth and bones
  - clean skin, clear eyes
  - normal growth and reproductive function
  - better nerve and muscular coordination
- are often the rewards of good nutrition in the dog, when impairment is due to prolonged nutritional deficiencies.

pervinal

may make the difference

PERVINAL concentrates all essential vitamins and minerals known to be necessary to canine health in one specially balanced-for-dogs, palatable syrup formula. No fuss, no mess, just add once daily to dog's food. Especially valuable in pregnant and nursing bitches, and growing pups—as well as full-grown dogs.

9 vitamins	A, B <sub>1</sub> , B <sub>2</sub> , B <sub>6</sub> , D, E, Niacin, B Complex (Yeast and Liver Extracts).
10 minerals	Calcium, Phosphorus, Iron, Sodium, Manganese, Magnesium, Potassium, Iodine, Copper, Zinc.

Bottles of 10 oz., 19 oz., Quarts and Gallons  
Write for sample and detailed literature.

## OUR COVER

Our cover this month depicts the lovely Miss Mildred Beatty with the sensational Great Dane, Findard's Count. This dog was shown at the Sportsmen's Kennel Club Show on March 26th, 1949. In what is believed to be the largest entry of top quality Great Danes at any show in the Dominion of Canada, Findard's Count won first Open, Winners Dogs, Best of Winners and Best of Breed.

This dog bids fair to equal the enviable show record of his litter brothers and sisters which came from the record litter of eighteen puppies, eight of which were kept and four of which made show history. They are Champion Findard's King, Champion Findard's Heide, Champion Findard's Honey and Champion Findard's Odin.

That Findard's Count comes from a line of illustrious champions is borne out by his sire's pedigree, which includes Champion Duke of Roxdane (Best of Breed at Madison Square Gardens, New York City, in 1940), Champion Steinbachers King, Champion Wiskow Kadow of Brae Tarn, and Champion Peer Gynt's Erl-king.

His dam is Findard's Champion Wischers Dulcy. Not only was she a great winner, herself, in the show ring, but she comes from such noted breeding as Champion Muldoon (Best of Breed at Madison Square Gardens, New York City, 1942), Champion Randolph Hexengold, Champion Nero Hexengold, Champion Gunar Von Hollergarten of Walnut Hall, Champion Allure of Brae Tarn, one of the greatest of the great producers in Great Dane history, and that outstanding pillar of the breed from Germany, Champion Odin Von Birkenhof, the sire of Champion King Von Loenhart, who holds the world's record for awards in the show ring for the breed.

Findard's Count was bred and is owned by David Findard, who is believed to have bred more Great Dane Champions who in turn have produced champions, than any other breeder of Great Danes in Canada. The judge at the Sportsmen's Show where Findard's Count made his sensational win was Mrs. Marie Meyer Nolan, who is considered one of the outstanding authorities on the working breed, and particularly Great Danes, of which she has bred many champions.

# Through the Looking Glass

By Alva McColl

HAVE you ever sat at a ringside and listened to the comments of spectators and exhibitors? It is quite an experience, and for the first time in many years the writer was able to do just that. Beside me and around me were many people who were seeing a dog show for the first time. They were there because they liked dogs and most probably were interested in the purchase of a purebred dog, which ultimately would lead them into joining the Canadian Kennel Club and showing dogs of their own.

The question arises, What are we doing to interest these people? Do our actions at the dog show lead to the good and welfare of the dog industry? Or do we, unwittingly, say and do things which would lead a prospective purchaser to walk away and spend his time and money elsewhere?

Much has been written on this subject, and an article by John Franklin Bible in "The American Field" some twenty years ago might well apply today. Mr. Bible wrote under the heading "The True Sportsman" as follows:

"There is nothing else in all the world one-half so sweet as the memories of the true sportsman, whose record is unmarred and honor bright through all the ups and downs of a long and varied experience running back to the days of childhood. Every word uttered and every deed performed in the name of true sportsmanship become the most precious jewels in memory's storehouse, and they are always recalled with the most thrilling delight.

"It has been my privilege to wine and dine with the multi-millionaire in his gilded mansion beside the roaring sea; and also to sojourn with the red man in his native and primitive wigwam

and tepee, and often I have been constrained to envy the red man rather than the rich man. Of necessity, the rich man is more or less a slave to the wealth he has amassed and has physical ills of which the red man knows nothing. If wealth brings not strength of limb, contentment of heart, a keen appetite and a stomach with a perfect digestive system it may have been a curse, rather than a blessing. Who would exchange freedom of action, contentment of heart, a strong and healthy body and a keen appetite for all the mansions in the world?

"The true sportsman is always a well-rounded man, a loyal patriot, a lover of his fellow man and believes in doing unto others as he would that they do unto him. He realizes that it is the little deeds of truth, kindness, sympathy and hospitality that make life worth living and the only things that justify his existence on this earth. Some day, somewhere, perhaps, we shall learn that the little deeds of love and kindness, wrought unostentatiously and perhaps even unconsciously as we journey through this world, will be greater in their helpfulness and will shine more brightly in the "eventide" of our lives than deeds of great renown with which we sought so strenuously and perhaps covetously to crown our careers."

What has this to do with the showing of our dogs today? It has been said that a writer who is unafraid to air his views in cold print when he realizes he is right, can do more to bring about clean sportsmanship in the dog game than in any other way.

Delving back into the past again, we find an editorial written in "Dogdom", December, 1937, which did much to create interest in making the dog shows more of a sporting venture. It was

written at Christmas time, but the message is good at any time of the year.

"Good will toward men. That phrase, coined centuries ago, is exactly as significant today, for it stands for nothing less than the modern spirit of co-operation. Without it, no project, large or small, no work of any kind, no play, no sport can be thoroughly satisfactory or reach an even moderately successful culmination.

"Whatever our sphere of activity, good will toward men is needed for comfort and a measure of enjoyment, as well as for accomplishment in any type of endeavor. In an extremely complicated civilization, our work must depend upon the work of others; our play, upon the play of others, and no matter how well we order our lives we can rarely go far without the co-operation of those around us.

"No exception to the rule is the sport of purebred dogs, in which all must stand together if this steadily rising game is not to be a house of cards that will fall of its own weight. Rivalry and competition are splendid spurs to achievement, but in them lies the danger of rending asunder what should be welded with the spirit of good will. The arrogant winner who loses his friends in his journey up has a far more difficult time, a less enjoyable time, as henceforth he climbs alone. The whining, the malicious loser, too, cuts himself off from the association of friends who might have been glad to help him on his way.

"Malicious talk is in many instances careless talk, voiced not to offend but, oftentimes, merely to rationalize a weakness. That is why so many times we find the unsuccessful breeder broadcasting whatever gossip he has heard. He hopes to attract attention to himself, perhaps, as a bearer of tidings. He does not stop to verify his facts, but spreads them around without regard to the injury he may be doing to

his fellows and to the game. You can stop him anytime by saying suddenly: "Can you prove that?" "Well, So-and-so told me, and "Such-and-such told him," is the answer.

# The Dog Tax and Live Stock Protection Act

Revised Statutes of Ontario, 1937

## CHAPTER 335

As amended by 1942, Chapter 12; 1945, Chapter 6; and The Dog Tax and Live Stock Protection Amendment Act, 1947.

### INTERPRETATION.

1. In this Act,—

- (a) "Dog" shall mean any dog, male or female;
- (b) "Live Stock" shall mean and include any head of cattle or sheep, and the young of either of them;
- (c) "Minister" shall mean Minister of Agriculture;
- (d) "Owner" of a dog shall include any person who possesses or harbours a dog. R.S.O. 1937, c. 335, s. 1.
- (e) "Poultry" shall mean domestic chickens, ducks, geese and turkeys and the young of any of them; 1942, c. 12, s. 1.

### PART I.

#### DOG TAX, ETC.

2.—(1) **Levy of dog tax**—Subject to the provisions of section 5, an annual dog tax shall be levied in every local municipality upon every person who is assessed as owner or tenant of any land and who is in occupation thereof, in respect of every dog which he owns within the municipality or which is habitually kept upon the premises for which he is assessed although such dog may be owned by some other person.

(2) **Amount of tax**—The amount of the tax payable where no by-law increasing the tax has been passed by the municipality shall be,—

for a male dog, if only one is kept	\$2.00
for each additional male dog	4.00
for a female dog, if only one is kept	4.00
for each additional female dog	6.00

(3) **Spayed bitch**—Where a certificate in writing by a veterinary surgeon is produced showing that a bitch has been spayed, she shall be taxed at the same rate as a male dog.

(4) **Increase of tax**—Any municipality may pass a by-law increasing the tax to be paid.

(5) **Tax on kennel of pure bred dogs**—The owner of a kennel of pure bred dogs registered in the register of The Canadian Kennel Club, Incorporated, shall pay an annual tax of \$10 to the treasurer of the municipality as a tax upon the kennel and he shall not be liable to pay any further tax in respect of such pure bred dogs. R.S.O. 1937, c. 335, s. 2.

Editor's Note—For further information see page—

#### COLLECTION OF DOG TAX.

3.—(1) **Entry on assessment roll of number of dogs**—The assessor shall enter upon the assessment roll opposite the name of every person assessed the number of dogs, bitches and spayed bitches respectively for which he is liable to be taxed.

(2) **Statement by owner of dogs**—Any person when so required by the assessor shall forthwith deliver to him a statement in writing of the number

of dogs owned by him or which are habitually kept upon the premises for which he is assessed by whomsoever owned.

(3) **Penalty**—Any assessor who fails to make all due inquiry and to assess all dogs reported to him and any person who neglects or refuses to furnish the statement required by subsection 2 or who makes a false statement shall be liable to a penalty not exceeding \$10.

(4) **Collection of tax**—The amount payable for dog tax shall be entered upon the collector's roll and the collector shall proceed to collect the same in the same manner as other municipal taxes.

(5) **Killing of dogs on failure to pay tax**—When the tax is demanded and is not paid, the person assessed may be summoned before a magistrate who may direct the dog to be destroyed unless the tax and costs shall be paid before a time named.

(6) **Powers of constable**—For the purpose of carrying out such order, a constable may enter upon the premises of the owner and destroy the dog.

(7) **Penalty on collector**—A collector who neglects to collect the tax or take the proceedings provided by this section before the time fixed for the return of his roll to the treasurer shall incur a penalty not exceeding \$10. R.S.O. 1937, c. 335, s. 3.

#### DOG TAGS.

4.—(1) **Owner required to secure dog tag**—In a municipality in which the dog tax is levied every person in each year on or before the 15th day of February or on or before such earlier or later date as may be fixed by by-law of the council shall procure from the clerk or the assessor a tag for each dog owned by him and shall keep the tag securely fixed on the dog at all times during the year and until he procures a tag for the following year excepting that the tag may be removed while the dog is being lawfully used for hunting deer in the bush.

(2) **Fee for tag**—A fee not exceeding twenty-five cents may be charged for each tag.

(3) **Serial number on tag**—The tag shall bear a serial number and the year in which it was issued and a record shall be kept by the clerk or other officer designated for that purpose showing the name and address of the owner and the serial number of the tag.

(4) **Penalty**—Every owner of a dog who neglects to obtain a tag and keep it securely fixed on his dog or who uses a tag upon a dog other than that for which it was issued shall be liable to a penalty not exceeding \$10.

(5) **Killing dog found without tag**—Every dog which is found off the premises upon which it is habitually kept without a tag and not under the control of any person, may be killed.

NOTE.—As to dogs at large pursuing deer in the closed season, see *Game and Fisheries Act*, 1946, c. 33, ss. 30, 31.

(6) **Duties of clerk where owner of dog has not been assessed**—Where an owner of a dog applies to the clerk for

ENGLISH MASTIFFS

These fine young mastiff puppies bred by Mrs. H. W. Mellish of Royal Oak, B.C., are seen leaving Patricia Bay Airport for England where they will be used by the Mastiff Club in England to replenish their stock.

a tag after the assessment roll has been returned and before the collector's roll has been delivered to the collector and the clerk finds that such owner has not been assessed for the dog the owner shall forthwith make and deliver to the clerk the statement mentioned in subsection 2 of section 3 and the clerk shall make the necessary entries in the assessment and collector's roll, but where the owner acquired ownership of the dog after the expiration of six months of the year he shall only be charged on the collector's roll with one-half of the dog tax. R.S.O. 1937, c. 335, s. 4.

5.—(1) **Licensing and registration of dogs**—By-laws may be passed by the councils of local municipalities for licensing and requiring the registration of dogs and for imposing a licence fee on the owners of them with the right to impose a larger fee in the case of bitches or for each additional dog or bitch where more than one is owned by any one person or in any one household.

(2) **Non-application of sections 2 and 3**—Where the licence fee is equal to or exceeds the dog tax required to be levied by this Act, sections 2 and 3 shall not apply while the by-law remains in force.

(3) **Application of subss. 1-5 of Section 4**—On payment of the licence fee the owner shall be furnished with a dog tag and the provisions of subsections 1 and 4 as to keeping the tag securely fixed on the dog, and subsections 2, 3 and 5 of section 4 shall apply. R.S.O. 1937, c. 335, s. 5.

6.—(1) **Prohibiting and regulating the running at large of dogs**—By-laws may be passed by the councils of towns, townships, villages and cities having a population of less than 100,000 and by boards of commissioners of police in cities having a population of not less than 100,000 for prohibiting or regulating the running at large of dogs within the municipality or within any defined area thereof; for seizing and impounding and for killing, whether before or after impounding dogs running at large contrary to the by-law, and for selling

# Trimming the Terriers

DOGS known today as terriers constitute one of the largest of our canine classifications or groups, comprising 23 different breeds or nearly 20 per cent. of our pure-bred dog population now recognized by the American Kennel Club. Time was, when dogs were considered either as *hounds* or *terriers*, these being the two fairly early main roots from which our present dogs have come. This division, of course, was in vogue only in that hazy period of long ago when little if any thought was given to the division of dogs into specific breeds. But that time has long since passed, and today we find that under domestication and modern development the terriers constitute one of six classifications, grouped more or less accurately according to probable heritage and original usage.

The chief office of the terrier was to dig in the earth. That is where he got his name, from *terra*. Old time hunting found both hounds and terriers in pursuit of small game; the former to trail by scent, the latter to "go to earth" and dig it out of the ground when perchance it holed into hiding. The terrier, therefore, is not as conspicuous for trailing ability as it is for persistence in finding vermin within a comparatively small area, and in quickly snapping it dead or, if need be, of drawing it out of the ground.

And so we find the terriers as a class the veritable "live wires" of dogdom; inquisitive and exceedingly intelligent; determined but amenable to control; adapted to almost any climate and habited surely to any weather. It is this unique dress of theirs, the wire coat with which so many of them are clothed, that under modern conditions has been their fortune and their misfortune. For a terrier of the wire-coated variety looks groomed or frowsy according to the care given his natural habiliments.

It should be explained here for the benefit of those who keep terriers only as companions in the home that they should be trimmed occasionally for the sake of comfort and appearance. The wire coat, left to grow its full length, becomes a shaggy tangle, destroying whatever good lines the dog may possess, and lending the air of a rather unsightly nightgown. Judicious trimming of the long hair gives the skin its rightful chance to breathe; it preserves the wiriness of the coat, moreover, enabling it to shed water and better stand the rigors of the elements. And as for the dog to be exhibited in the ring, trimming and stripping enhances the outline of head and body, to make a really aristocratic appearing animal, graceful, racy, and proud of bearing.

Proper stripping of a terrier is an art that can be learned by patient practise. One must know, to be sure, what the best accepted contour of a terrier is before he can hope to approximate it by means of trimming. But models may be obtained for study easily enough. The show room provides many, while pictures of show-groomed specimens serve as well. Then there are first rate guides published in the form of charts which explain exactly what to take off, what to leave on and how the finished specimen should look. Fortu-

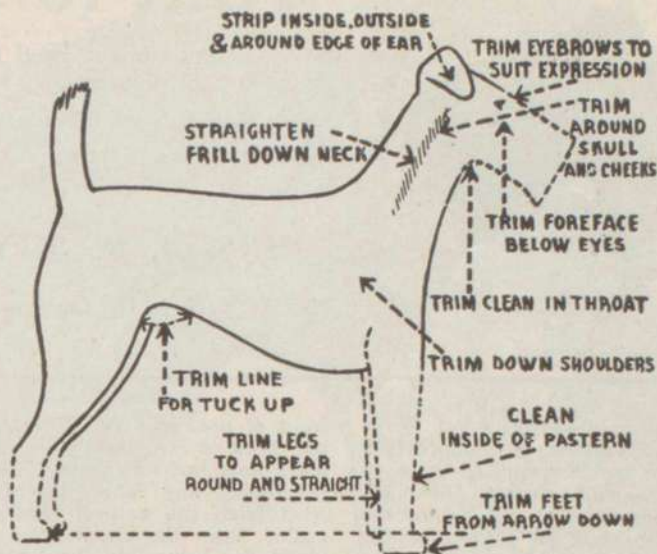

nate is the novice who has access to all three types of study!

## The Tools We Need

The tools needed for stripping, and other details for obtaining correct terrier dress, are inexpensive and easily procured. A good stiff brush, a comb, a "dresser" or stripping knife, some whiting and a turkish towelling coat. The whiting or chalk serves merely to give a grip on the hair to be stripped: it is sprinkled into the hair at the start of operations, while the towelling jacket will prove of assistance after the trimmed dog has been washed. It is the dog's "hair net" that sets the hair close to the body, training it to lie flat.

If you will study these pictures you will see how different dogs of various terrier breeds appear when properly trimmed. All shagginess is removed, and replaced with clean lines except in those places where length of hair is left on, even encouraged, for the purpose of accentuating desired characteristics. The average terrier head, for instance, is long; his jaw punishing and powerful, so we carry out this idea by leaving on the foreface whisker and eyebrow growths. Terrier bone must be fairly heavy, and strong, so we enhance this characteristic by leaving on a certain proportion of the leg hair. That is the idea behind the entire trimming job: to take off, where the lines must be neat, flat or clean, and to leave on for facial expression, head modelling, and particulars of body and running gear, such as, for example, lowness, height or breadth.

The infancy of the stripping vogue found the aspiring kennelman equipped merely with a razor or ordinary knife, plus an extra strong thumb and forefinger. The too-long, offending hairs he grasped tenaciously, and with a quick, sharp jerk pulled them out. But this was a most tedious and time consuming job, requiring days of close work which irked the dog and tried the patience of the operator alike. So the stripping knife was born, and this made the work easier, shorter for man and dog, to say nothing of turning out a better job.

The up-to-date stripping knife, today's modern dog dresser, removes the hair in such a way as to prevent any slightest "manipulated" look, and it obviates that persistent need for exerting real strength. Made on the principle of a safety razor, it carries a blade sheathed in a steel-toothed protector, so that no harm can come to the dog from the razor edge, and so that no clearly defined cut edge can appear on the outline of the well stripped dog. The knife is run over the subject much as an ordinary comb would be, and with its blade held safely higher than the teeth of its comb-like sheath the too-long hairs are neatly removed without pain or discomfort to the dog.

And now, let us see how to make a few of these wire-coated dogs presentable for street or show ring.

## Schnauzer

Trim the neck down evenly into the back and take off the hair along the back so that the backline looks even, but do not attempt to trim this portion of the back down too closely. Trim the neck and brisket closely, working down into just a shade more hair at that spot where the forelegs join the body. Clean the shoulders down closely, and trim the front legs so they appear straight, working mainly on their back line. Clean up the sides of the feet and between the toes.

From backline down over the ribs trim carefully, so as to blend into slightly longer and heavier growth on the underpart of ribs and chest, cleaning the underline of the chest to the natural body line. Trim out the loin region more closely than the chest, and make the loin's underline emphasize the tuck-up.

From the back to the middle of the thigh, the back legs should be trimmed fairly close, while from the middle of the thigh to the hock all shagginess should be removed. The backline of hocks must be trimmed straight, and the sides of the feet deprived of superfluous hairs. Then trim inside of hind-legs clean. The tail must be made devoid of shagginess, but do not trim down too closely. Take off stern hair evenly.

# Want to Buy a Kerry?

If you want to buy a good Kerry pup, phone or write the Secretary of the Kerry Blue Terrier Club of Canada. The majority of good Kerry Breeders are members of the Club, and by writing or phoning the Secretary a current list of puppies and young stock for sale may be had.

**MRS. A. R. WINTER, Secretary-Treasurer**

R.R. 1, York Mills, Ontario

Phone: Zone 8-254

Trim skull quite close, but leave fairly heavy eyebrow, with more hair left on at the inside corner of the eyes than at the outside corner. Clean off the cheeks closely from just behind the eye to just behind the corner of the mouth. Muzzle and chin whiskers are not trimmed to any extent except to shorten and blend the hairs into the cleanly trimmed cheeks. And trim the underjaw from just behind the mouth's corner back into the neck. Make the ears clean inside and outside and straighten the ear edges with scissors.

## Sealyham Terrier

Begin at the neck and trim from behind the ears down to the back, taking the hair off especially close at the withers. Trim the back level. Take off the hair quite close at front of neck, leaving it long, however, when working down toward the brisket. Like the Scottie, the Sealy is a low-to-ground built dog, so avoid any shortening that might detract from this appearance.

Front legs are not trimmed, the hair being combed smooth to enhance the straight look, and the superfluous hairs taken off the edges of the feet and between the toes. Blend the body hair from the finely trimmed back to a full coat on the under portion of the ribs, leaving a rather full contour as viewed from the front but not bulgy or shaggy.

Clean off the shaggy hairs from the thighs, and clean up the hindfeet like the forefeet, using scissors if necessary to round up the feet themselves.

Trim the tail fine and a bit pointed toward the head. Trim the stern close where the tail joins it, but work right into the long hairs, which give the naturally heavy, low-to-ground appearance.

Trim the skull quite clean but leave on most of the eyebrow. Trim the cheeks fine from outside corner of eyes to just behind the corner of the mouth, blending the long hairs of the whiskers into the cleaned off cheek. Take off the hair of the ears outside and inside, nipping the hairs from the edges with the scissors if necessary. The top of the muzzle must be neatened up by taking off just the shaggiest hairs. And leave chin whiskers on, but clean out the hair slightly from just behind the corner of the mouth back into the neck.

## Scottish Terrier

Trim the neck and back evenly, with the back level but not too fine. Trim

front of neck closely, but upon working down toward the brisket, leave the hairs long but not shaggy. Beware of shortening any hairs that might detract from the natural low-to-ground build. Trim the shoulders enough to blend the body into the forelegs in a clean, even line. Do not trim the forelegs but comb the hair so as to make them appear straight from front and side view. Take off superfluous hair from the feet and between the toes, and shape the foot round.

From the well trimmed backline, trim carefully down over the ribs to an absolutely full coat on the underpart of ribs and chest. When viewed from the front the body should not look bulged or shaggy, but at the same time not so much should be taken off as to detract from an appearance of breadth and substance.

Take off just enough from the thighs to prevent shagginess; trim back line of hock straight, and clean up the hind feet in the same manner as the forefeet. Trim the tail to a point, leaving it heavier at the base. Trim the stern fairly close where it joins the tail, but don't trim down too far, as the rear view of the dog should disclose a heavy, low-to-ground appearance.

Trim the skull very closely, leaving most of the eyebrow hair on, then clean off the cheeks from the outer corner of the eye to the corner of the mouth. The line from the inside corners of the eyes down to the corner of the mouth is taken off but slightly. The back and edges of the ears are trimmed fine, but the hair on the inside of the ears is left to blend into the skull. Trim between the eyebrows, parting the hair over the muzzle and combing this downward and forward. Leave chin whiskers on, but take off the hair on the under portion of the jaw from the mouth's corner back into the neck.

## The Wire Foxterrier

The neck is trimmed closely and evenly down into the back, the back being made level and fine but not taken down as closely as the neck. The front section of the neck and the brisket are trimmed quite close, with just a trifle more hair left on down toward the spot where front legs and body join. The shoulders must be very neat and trim, so the hair at that point must be taken off closely. The forelegs must look as straight as pipe-

stems—the line from the top of the shoulders down to the feet, and from the brisket down to the tip of the toes must be as straight as it can be made. Trim off the superfluous hair from the edges of the feet and between the toes, shaping the feet round.

Hair on the ribs should be shaped to follow body conformation. This means that the trimming must be adroitly done from the clean backline down over the ribs toward the underbody, where a fairly heavy coat is left on the under part of the chest, and beyond and beneath the ribs themselves. On the under part of the chest remove just enough hair to prevent shagginess, of course following the body line of the chest.

The hair in the region of the loin is taken off rather close, and the underline at this point on both sides cleared to enhance the natural tuck-up, sometimes designated as waist-line. Hair on the belly is made to follow the natural body line, but is not trimmed off too closely. The flanks must be nicely smoothed off, but at the same time a fairly heavy-coated thigh is desirable. Even up the hair from the middle of the thigh down toward the hock, but avoid taking off very much here. The backline of the hock down to the toes must be trimmed straight, then the superfluous hairs taken from the feet and between the toes, and the feet rounded. Trim the insides of the hindlegs down to the hock joint, so that when viewed from the rear a clean, even line is observed.

Now the stern and tail. Trim the stern very closely where it is joined by the tail, allowing it to be slightly heavier in its growth as it approaches the hind-legs. Trim the tail evenly, but not too close, to a tip toward the head.

Trim the skull down closely, leaving the eyebrows fairly heavy over the inner corner of the eyes but taking off all but a little of the eyebrows at the outer corners. Trim off the cheeks quite close from the outer corner of the eyes down to the corner of the mouth, trimming slightly from each eye's inner corner down toward the mouth. Now, trim to a straight line the top of the muzzle from between the eyebrows to the nose. Chin whiskers should be left on and brushed forward, but clean off that portion of the underjaw from the corners of the mouth back to the neck. The ears are taken down closely, inside and out, and their edges straightened.

## Know Your Breed...

*By Alva McColl*

*W. Ferrier*

### THE KERRY BLUE

THE Kerry Blue Terrier originated in Ireland having been first noticed in the mountainous regions of the County Kerry, hence the name. They had been pure bred in this section for many years. Gentle, lovable and extremely intelligent, he is an allround working and utility terrier, used in Ireland and England for hunting all manner of small game and birds. Excellent retrievers, from both land and water. Are used quite successfully for herding sheep and cattle and are without a peer as a watchdog and companion for children. The Kerry first came into the public eye when they were adopted as The National Dog of the Irish Republic. The Kerry is endowed with a remarkable nose and has an instinctive trailing ability. He retrieves equally as well from water as from land and is tireless on the trail of his quarry. He has remarkable endurance and will fight unto death when in combat. The Kerry is adaptable to all manner of farm work, especially in the capacities of the average shepherd dog. He is a willing worker, is easily trained and enters into the spirit of his environs and his work in a whole-hearted manner. Game to the utmost degree, faithful to an unbelievable end, he is the most alert of all terriers. He has an instinctive air of watchful waiting and is quick to discern right from wrong. He is an indomitable foe, to wrong doers, and cannot be beaten as a watch dog and companion. In some instances he has been used in England for police work. Owing to their high degree of intelligence they are most easily trained for all the utility purposes for which they are used.

Height—Dogs about 18 inches at the shoulder, bitches slightly less.

Weight—Dogs about 33 to 38 pounds. Bitches 32 to 36 pounds.

# Presenting Our Twelfth Kenmare Bred Best in Show Winner

CH. KENMARE LISNALIA

Shown winning Best in Show All Breeds at the Sportsmen's Kennel Club Show March 26th, 1949.

## Ch. Kenmare Lisnalia

bred by us, is a full brother to Int. Ch. Kenmare Masterpiece, TEN TIMES BEST IN SHOW, and Int. Ch. Kenmare Tailtean, SIX TIMES BEST IN SHOW. CH. KENMARE LISNALIA is the correct size, 18½ inches, bred to produce coats of quality and colour. Records prove that these line bred Kenmare Kerry Blue sires are the top producers in the breed today.

At the Westminster Kennel Club Show held in Madison Square Gardens, New York City, in February, 1949, Kenmare Sires produced the 1st Senior puppy dog, 1st Senior puppy bitch, 1st Open Dogs and Best of Winners.

## PROVINCIAL NOTES

### B.C. Mainland News

By Jean Fletcher

WE REGRET to report the death of Mrs. Gertrude Jarvis, a well-known German Shepherd fancier of years gone by. Two other fanciers of this breed to pass away are Captain Zingler of Everett, well-known for his Obedience work, and Dr. Held of Portland, who with "Duke" was known all over British Columbia. Our deepest sympathies to the families of these three.

We hear rumours of a show in Nanaimo come September. We're keeping our fingers crossed, Miss Hickling!

Dan Hargreaves judged the Pacific Northwest Airedale Sanction Show at Seattle. Mrs. A. K. Hedley-Peek has moved her Widbrook Kennels to 826 Jones Road, Lulu Island.

Sorry to learn of the death of that all-rounder judge, Dr. Rae Evan Smith. Our sympathies to Mrs. Smith.

March 19th, the Victoria City Kennel Club held their Spring show; a good entry awaited all-rounder Dan Shuttleworth of California. Grant Mahood is proud of the honours his

Labrador brought home. "Rip of Holly Hill", handled by Ray Gonia, won the open-age stake at Klamath Falls Retriever Trial.

Our sympathies to Mrs. Thora Doan and Mrs. Phyllis Tjebbes of Grand Forks, who recently lost their father.

The Lions Club held a Sanction Show on March 26th, the proceeds going to the crippled children. Owing to the death of Bill Dawson's dad Bill was unable to judge. Other judges were Ena Anderson, Joe Dodds, Ted Cargill. I was the happiest guy there! My Dachsie "Black Berry" won Best in Show.

Word comes that our well-known Boston breeder, Pat Brennan of Mountview Kennels, has been in the receiving line for honours at our University. He has been awarded a \$500.00 National Research Council Bursary for research in Genetics. He also won the coveted "Lady Jane" Trophy, U.B.C. for the Grand Championship judging in livestock, comprising Horses, Cattle, Sheep, Swine, Horticulture, Agronomy, Dairy, Agriculture, Mechanics and Poultry. This award has never been won by anyone outside of the Animal Husbandry classes. Well done, Pat!

Pat is grooming a nice Boston pup by Ch. Brennan's Fascinating Regards ex Brennan's Dawn.

Nice to hear Clyde Ritchie is again up and home from hospital; also Claude Foster is improving in hospital. Mrs. Tommy Hughes writes to say her Cocker, Champion Jet, died from whelping—we know what that means.

Know the fanciers back in Winnipeg will welcome the news that Tom Donald is feeling better after a serious operation at the Military Hospital in Victoria. Was nice to see "Pop" at the show in Victoria. Doris Hayes is singing "That Wonderful one of Mine". Sue came through with one pup after her California trip to be bred.

At the Portland, Oregon, Retriever Trial, Oakwood Jack owned and handled by A. E. Jolivet of Victoria placed fourth in Amateur Handlers' stake.

Mr. Chas. Bunker and his handler, Jack Smyth, were thrilled to win a Certificate of Merit with the Golden Retriever, Oakcreek's Van Cleve, who was one of the 13 who completed out of an entry of 53 in Open all age stake.

Jack and his charge also won the Mrs. James Malarky Dual Purpose Trophy for Best Working and Best looking dog in this stake. Congratulations, Jack. Congratulations, also, to Grant Mahood, who handled "Rip of Holly Hill" in this event to get a Certificate of Merit. In the Junior stake, "Rip Tide of High Peak", owned by Dr. Hugh Sproston and Oliver Krog, won a Certificate of Merit.

**AN OPPORTUNITY TO MAKE A CHAMPION**

### Manitoba Notes

*By Suzanne Borse*

THE banquet and dance held at the St. Charles Hotel by the Cocker Spaniel Club, on March 17th, was definitely a success. Alderman George Sharpe, representing Mayor Garnet Coulter, urged the club to continue work amongst breeders and fanciers. Dr. J. L. Anderson, President of the Fort Garry Kennel Club, Mr. C. G. Biggar, our Manitoba Director and Mr. John Milner, Vice-President of Greater Winnipeg Kennel Club, brought greetings from their organizations. Mr. W. H. Baker very suitably entertained with Irish songs at intervals during the dancing.

All who attended the Sanction Show on April 2nd held by the Cocker Spaniel Club, will know that it, too, was a huge success. Judging by the large entry of dogs, and the crowd which filled the auditorium of the Army and Navy Building, it appears that the club has gone a long way towards achieving its objective of encouraging the novice breeder to become an exhibitor. The big feature of the evening was the competition in the "Any variety Open", where 28 dogs came before Mr. Ralph Orge. This is the largest number of dogs ever entered in one class in a Sanction Show in Western Canada.

I am hoping to hear from outside points, now that you are no longer snowed in. How's about it?

### Notes From the Province of Quebec

*By Pamela B. Mack*

HERE we are well on the way to spring. Breeders and exhibitors are grooming their dogs for the spring shows, and many puppies are booked to go to new homes and increase the ever-widening circle of dog owners—some future exhibitors amongst them, we trust. There is nothing like a good-looking, purebred pup to give people the dog show bug. Every spring sees a goodly number of novices in the rings, and we wish them every luck for the future.

News comes from the Mitchells of Laurentine Cocker Kennels, that they have imported two nice, young Cocker bitches from the United States. This will add to their good foundation stock and help this progressive young kennel to maintain its high quality.

Mrs. Joan Crombie has recently returned from the Seeing Eye Foundation at Morristown, New Jersey, with her new Seeing Eye guide dog presented to her by the Ladies' Kennel Club of Canada. Mrs. Crombie is a young war widow, and a qualified Home Braille Teacher for the Canadian National Institute for the Blind. In carrying out her duties as a teacher and visiting other blind people Mrs. Crombie will find her new "eyes" a great asset to

her work, and also have the love and devotion of a beautiful registered dog.

It is with deep regret that we learn of the sudden death from a heart attack of the noted Pembroke Welsh Corgi Int. Champion Lisaye Jack's the Boy, owned by Upperton Kennels at Ste. Anne de Bellevue. Johnny was one of their original dogs brought from England when the kennel was founded, and was also the beloved house pet and king of Upperton, so his loss is very keenly felt. However, he leaves some good stock to carry on his name, both here and in the United States.

Well, that is all for now. Hope you are all getting ready for the spring shows. Next month, if our kindly Editor will allow me the space, I will give you the highlights of the coming shows. Here's hoping you all go home with blue ribbons, and that many new champions will be made from this Province, as we have many fine dogs here. So try to attend as many shows as possible, and help put Quebec dogs on the map.

### APPLICATION FOR REGISTRATION OF CLUB NAME

The MONTREAL DOG OBEDIENCE TRAINING CLUB (Mrs. Nita M. Frye, 1944 Desmarchais Blvd., Montreal 20, P.Q.) has applied for the registration of its Club name. Any objection to this application must reach the Secretary of The Canadian Kennel Club Inc., 667 Yonge St., Toronto, before May 18th, 1949.

## Saskatchewan Notes

By Burnice Heaven

APPARENTLY the dogs around this part of the country have all run off with their owners, as the lack of dog news lately has finally hit a record of an all-time low. Why sure, I can go to the dogs BUT it would be far more fun to have the dogs come to me—so-o-o come on gang, please send in your news or we shall have to call it quits!

Bill and Beulah Dawson (Beudaw Kennels) Vancouver called on their way to Prince Albert to attend the funeral of Bill's father. We were also sorry to learn of the sudden passing of Dr. Rae Evans Smith, well-known Judge of Portland, Oregon, and wish to extend our sympathies to both families in their recent bereavement.

Received a letter a few days ago from Eileen Benson saying how much she likes Saskatoon. Evidently, she and Frances are taking a very active interest in the Clubs and have completely gone to the dogs, as they now own the Brittany Ch. Vic's Winsome Whirlwind.

Sorry to hear that the Jack Flynn's of Moose Jaw have temporarily gone out of dogs due to poor health, and hope they will soon be back with us when Mrs. Flynn is feeling better.

Mrs. Baumber the Club's Boston breeder has recently added a new matron to her kennels "Royal Acre's Aces Miss Valentine". Enjoyed a very pleasant visit with Jack Dudley (Was-canna Kennels). Although a cocker breeder Jack tells me he has always had a hankering for a Beagle and has just brought in a couple of Swingalong Hounds, a male and female.

Have you seen the newspaper article on a bill being introduced into the English Parliament advising that the licencing of pets be replaced by the licencing of pet owners as a means of preventing unnecessary suffering to animals. Strikes me as being a bit of all right.

Thought this might be as good a time as any to give you a thumb nail sketch of that man behind the dog scenes, your veterinarian. Dr. L. L. Hewitt, the Regina Kennel Club's official veterinarian, was born in Nodaway, Iowa, U.S.A. He graduated from the Kansas City State College March 30th, 1909, and came to Regina in 1913 where he is still practising both in the city and country. The Doctor, who celebrated his seventieth birthday last November 30th, still dashes about the country like a two year old.

His years of college training were succoured on large animal practice, and in the city were adaptable to the treatment and care of small animals which he felt he could not forsake the need being great. As a result the Doctor has gained a degree of proficiency in

## BONACRES PICKWICK

sired by Beulah's Golden Victory

### BEST OF BREED — SPORTSMEN'S SHOW

At 11 months of age Pickwick at the Sportsmen's shows (1125 entries) went from Senior Puppy right through to Best of Breed, winning over 5 champions; second in the working group (an International Champion Doberman going over him). He was also Best Canadian Puppy in the show all breeds.

In last month's Dogs in Canada, John Low of Winnipeg advertised Bonacres Victoria, also sired by Golden Victory. She went 2nd in the working group on two occasions. Splendid reports are coming in from his sons and daughters in the United States. When I imported Golden Victory from England, my object was to secure a stud dog from the No. 1 reproducing strain. His sire Nightvictorious was Britain's leading post-war sire in producing champions and now I can state that Victory in each of his litters has sired a collie sound and typey enough to be placed in the working groups in hot competition.

### 1949 MATINGS

This year I am mating Pickwick to Blue Suzette (imported from England). This will be a double mating to England's greatest blue—Ch. Silver Merienda and Am. Ch. Silver, the Merrick.

Golden Victory to Wooley's Lane Flora, a line bred Beulah and daughter of Best of Breed at the Collie Club Specialty (Buffalo, 1948).

Sir Echo of Spearmist (Ch. Spearhead and Starmist) to Seaforth Queen, my winner of the Futurity at Detroit and Best of Breed Royal Winter Fair specialty.

These three bitches will be entered in the Collie Club of America Futurity.

### At Stud to Approved Bitches

BONACRES PICKWICK (tri-colour)

SIR ECHO OF SPEARMIST (sable and white)

Pups from above matings in July. Brood matrons for sale.

R.R. No. 2  
Scarborough Junction, Ontario

his work along these lines. Although he does not claim to specialize in small animals he has applied himself wholeheartedly to this work and has always kept abreast of the latest developments in the canine sciences.

During the war years when certain drugs were difficult to obtain, Dr. Hewitt not being a man to sit down on the job used such means as were available for the treatment of small animals with a great degree of success. He has given freely of his time and services not only to the local dog shows, where he can always be relied upon at any hour of the day or night, but has devoted himself to working for the S.P.C.A. Anyone knowing the workings of this organization can well realize what a big order this is in itself. His many letters and articles in the newspapers pointing out to the public at large the untold sufferings caused to many pets through the careless and thoughtless use of poisons have gone a long way towards making this city of ours a much better place for dogs and their owners.

The Doctor has been assisted a great deal in his work by his daughter Ruth, who although not qualified in the veterinary sciences has shown a remarkable knowledge far beyond the average person in the practical nursing and care of animals. All of us who know this friendly girl who will be married in a few days wish her a long and happy life.

## The German Shepherd Dog Breeders Association

*By Beth Hendry*

THE first Specialty Show of our club will be held at Guelph on May 24th. We are endeavouring to make this the largest entry of the year, not only in the breed but also in the Obedience classes. Anyone interested and needing assistance in their entry is requested to contact the club. All particulars of this show are contained in our advertisement in this issue of DOGS IN CANADA.

From coast to coast our dogs are winning major awards. From Vancouver, B.C., comes word that Victoria of Sandorea has completed her championship. She is owned by Mr. J. Lightfoot of Vancouver. Mr. M. Francis of Rutledge, Manitoba, visited us and was given a hearty welcome by the members of the club. Mr. Francis became so enamoured with Ch. Steel of Barri-mor that he sent his Sandra of Sandorea to pay court.

Highways are dangerous romping grounds for dogs. Although Karen of Glenhaven, C.D., was well trained in Obedience work she could not be expected to gauge the speed of an automobile. The result is that Mr. and Mrs. J. Alderdice have lost Karen, and the highway has claimed another victim.

## The Eastern Ontario Collie Club

*By Alma Harwood*

THE Eastern Ontario Collie Club got over the hump with reorganization elections, and its social annual dinner which was attended by fifty-seven members and friends. Champion Gai Har Commander, attended and bowed to the Toast to the Collie, which was given by the Chairman. The following General meetings were given over to the topic lecture considering the Standard of the Collie, which was presented by the President. This was the first in our proposed studies of the year. This month Mr. J. J. Farmer will present Nutrition for the Collie. This particular lecture was given last year and has been in such demand that we are pleased to find it second on our list. The Club's first Secretary Treasurer, Mrs. Eileen Macdonald has just returned from England, after four months of looking over the breed over there, and has some very interesting things to tell the members regarding the high calibre of the collie in that country.

In attending your Sportsmen Shows last week the writer would like to congratulate the Toronto owners and breeders, who so kindly showed interest in this new Club and extended hospitality and time so ungrudgingly when showing me their kennels and dogs. I was much impressed with the advanced

thinking collie owners are promoting and I think the breed has a much better chance to acquire the interest of the public providing this continues.

The Ottawa Collie Club hopes it will have the pleasure of returning the interest and hospitality that was shown us, in the very near future, when those collies are on our local show benches.

### The Kerry Blue Terrier Club of Canada

By Mrs. A. R. Winter

THE Kerry Blue Terrier Club of Canada held a most successful Specialty Show on March 25th, with Mr. John Harding of Oriole, Ontario, as judge. The entry of thirty-three top quality dogs, of which the greater percentage were owned by members, has given the club much satisfaction. That the majority of the awards were won by members proves that a club can, by teamwork, improve the quality of their dogs.

At the Annual Meeting held on Wednesday, April 13th, the following officers were elected for the 1949-1950 season: President, George P. Davies; First Vice-President, W. R. D'Eath; Secretary-Treasurer, Mrs. A. R. Winters; Trophy Secretary, Mrs. Gladys Davies; Show Secretary, Mrs. W. R. D'Eath; Executive, Messrs. T. Black, A. Scott and K. Hertz.

### The Forum

The Dog Tax and Live Stock Protection Act (revised Statutes, Ontario 1937), Part 1, Section 5, provides that only the owner of a kennel of pure bred dogs registered in the register of the Canadian Kennel Club Inc. may obtain a kennel license. The term "registered in the register of the C.K.C. Inc." is interpreted in various ways by municipalities in Ontario. Some regard this section to mean that the owner of the kennel must be a member in good standing of the C.K.C. Other municipalities insist that not only must the owner of the kennel be a member of the C.K.C. but his kennel name must also be registered by the C.K.C. In the City of Toronto a kennel owner cannot obtain a kennel license until he first obtains from the C.K.C. (and he must do this annually when he renews his kennel license each year) a certificate certifying that he is the registered owner of not less than three pure bred dogs whose names and registered numbers are stated on the certificate.

Since the constitution of the C.K.C. provides that a person cannot become a member nor remain a member if he engages in the breeding and/or buying and selling of other than pure bred dogs, it is obvious that a kennel license cannot be obtained by a person who, operating in a municipality where the kennel owner is required to be a member of the C.K.C. breeds, buys and sells other than pure bred dogs.

Under Section 3, Collection of Dog Tax it states: that a person who neglects to furnish a complete statement of all dogs owned or kennelled by him is liable to a penalty. All dogs kept in a kennel come under Section 2 (1) of Part I which states "In respect of every dog which he owns within the municipality or which is habitually kept upon the premises for which he is assessed although such dog may be owned by some other person."

While on the subject, may we once more draw attention to that part of the constitution which stresses that, "if a person represents a dog as a specimen of a breed recognized by the C.K.C., he will automatically be considered as having represented the dog as being one already registered in, or eligible for registration in, the C.K.C. Stud Book. In other words, if John Doe sells a dog as a Dalmatian, then he will by such act be deemed to have sold a dog that is registered in the C.K.C. Stud Book as a Dalmatian, or one that can be registered in the C.K.C. Stud Book as a Dalmatian. Do not jeopardize your status as a member of the Club by representing a dog as a specimen of a breed recognized by the C.K.C. if such dog is not eligible (or already registered) as a specimen of that breed."

Persons can materially assist the assessor in their community by reporting infractions of the law regarding the collection of dog tax.

# ... DOTS AND DASHES - - -

Thanks to the veterinarians of the Health of Animals Division, Dominion Department of Agriculture, and those in private practice, Canada is free of serious animal diseases. Since 1868, this Division has been on watch and guard protecting the health of Canada's animals. But Canada can only be kept free of animal diseases—and particularly from invasion by disease from abroad—by constant vigilance by all in the interests of the whole livestock industry.

Members of the Canadian Kennel Club can assist greatly in this work by reporting any outbreak of disease which is not being controlled by proper supervision. Send a letter to the Health of Animals Division, Department of Agriculture, Ottawa, Ontario, who will take care of it.

Rabies, also, has been controlled, the only known cases in Canada being amongst the foxes and sled dogs. There have been no cases of rabies in England, outside of the quarantine kennels, for 27 years. In November 1948 there was the case of the Fox Terrier from India which was destroyed while in the quarantine kennels. The dog, however, did not show rabies until seven months after leaving India.

There were 6,949 cases of rabies in the United States, last year, yet strangely enough with the freedom of dogs crossing the thousands of miles of border between the two countries, there was no outbreak amongst Canadian dogs living at or near the border. All dogs coming to Canada from the United States must be inoculated with the serum against rabies and must carry a health certificate.

Miss Jean Grant has arrived back in Canada and has purchased a home in Richmond Hill, where a Kennel will be erected for the English importations she brought with her. Among them are a Pekingese, Labrador Retrievers and Wire haired fox Terriers. The rapid transit now available was evidenced when the Wire fox Terrier, Tully Trooper, arrived at Malton Airport early Tuesday morning, having left Dublin, Ireland, on Sunday afternoon. Tully Trooper is an Irish bred dog. It seems the Irish are breeding top specimens of all breeds, now.

The writer was privileged to attend the dinner of the Western New York Collie Club in Buffalo, recently, and was impressed with the magnificent work being done by this club for the novice. At their regular meetings, experienced Collie fanciers teach the young people how to care for their dogs and prepare them for the show ring. This is conducted like a school. The pupils pass examinations and, on graduation, receive diplomas from the club attesting to their qualifications. From these classes emanate future handlers for the Collie breed.

Indications are that the All Breed Shows held by the Ottawa and Hull Kennel Clubs on May 6, 7 and 8th will have a bumper entry from the United States. Several letters have reached this office from American fanciers stating that they had received an invitation from the Government Travel Bureau to see Canada while visiting the above-mentioned Dog Shows. It is our belief that other show-giving clubs can avail themselves of this service. However, might we suggest that the clubs give

their names and addresses to be sent out with the Government circulars in order to avoid the delay occasioned in ascertaining where the dog shows are going to be held and to whom entries should be addressed.

## FRANK H. BOYD

**The Boydox Kennels of Cocker Spaniels**

912 HURON STREET

NIAGARA FALLS, CANADA

Phone 2567

It is with deep regret that we announce the death of George Thomas Boyd, son of Mr. and Mrs. Frank Boyd of Niagara Falls, Ontario. Although but twenty-three years of age, George had become one of the leading professional handlers of Cocker Spaniels, having many Best in Show at All Breed shows and Cocker Spaniel Specialty shows to his credit. He was driving from Baltimore, Maryland, on Friday, April 15th, with his dogs for the Southern Circuit, when the collision occurred which resulted in his immediate death. The dogs were unhurt.

His father, Frank Boyd, was showing at the Cocker Spaniel Club of Central Ontario's Specialty show in Toronto when the message came of the accident, and all who knew his son were deeply shocked, as George was held in high esteem in the dog world.

The sympathy of the dog fancy is extended to his bereaved parents.

## DEEPEST SYMPATHY

to Mr. and Mrs. Frank Boyd  
of Niagara Falls, Ontario  
in the loss of their loving son  
and our friend, George.

**Professional Handlers  
Association**  
of Canada

## Questions and Answers

Can a purebred dog be sold without a certificate of registration?

Answer: Yes. According to Chapter 20, Section 1 of the Constitution of the Canadian Kennel Club which reads as follows:

*"A pure-bred dog may be sold on the understanding that a certificate of registration will not be provided by the seller or otherwise obtained from the Canadian Kennel Club providing the seller and purchaser enter into such agreement at the time of sale and purchase and that such understanding is set forth in writing on forms made available by this Club at the time of sale and a copy of the agreement deposited with the recording office of the Club by the seller within thirty days of the sale of the dog. This agreement may be cancelled by mutual consent of the parties to the agreement. This agreement shall be binding on all parties to the agreement and any subsequent person, partnership or company which may purchase the dog while the agreement is in effect. Notification of a cancellation of such agreement must be made in writing and sent by all parties to the agreement to the recording office."*

In "The Forum" in the April issue of DOGS IN CANADA it stated that "dogs not registered with the Canadian National Live Stock Records" etc. Is this correct?

Answer: No. It should have read "dogs not registered with The Canadian Kennel Club". The Live Stock Records process our registration papers, but purebred dogs in Canada are registered by The Canadian Kennel Club.

What is the difference between the requirements of the eligibility for cham-

pionship status in Canada and the American requirements published in "The Forum" of your April issue?

Answer: The Canadian Kennel Club rule is different in this respect, and we quote from Section 7 of Chapter 21—

"(a) In order for a dog to be recognized as champion it must: (a) Earn at least ten championship points under at least three different judges; and (b) Be registered in The Canadian Kennel Club Stud Book; and (c) Defeat at least one dog in its own breed or be placed in its group. Only when these requirements have been met may a dog be recognized as a Champion and its owner at the time of the dog completing its championship be provided with a championship certificate."

### Through the Looking Glass

*(Continued from page 2)*

"Possibly if everyone with whom this fancier talked would ask: 'Can you prove that?' the scandal-monger would grow so discouraged that he would cease his huckstering of unsavory tales. But the pity of it is that there are willing listeners as well as plausible talkers, and these take up the tales which become an endless chain of unsupported evidence against some poor, unoffending mortal.

"But more serious even than this is the harm done by the mud slinger to the breed he represents. To greater extent than our acts are we judged by our attitude, and an attitude of tolerance and good will toward the other fellow, whoever he may be, reflects the light of dignity and poise directly back upon us. As each one of us represents a breed, then does it not follow as a natural consequence that our dog is harmed or benefited by our conduct. Can we afford, with this in mind, to do or to say anything that will militate against his interests! We cannot, for we represent our breed to the public.

"This fact we might do well to keep in mind whenever we walk abroad, whether our steps lead into the show room, into the competitive ring, or along the highways of the world, is that the chief reason for our affiliation with this game is love of a dog, a

breed. Our club has signed up to promote its interests, and as members we are obligated to help carry out the precepts of our club. Whether we are in the game for profit, for sport, or for recreation, the same truth holds—that the foundation stone upon which the game is built is the promotion of a breed whose interests must come first.

"And so, when the dress parade is over, let us ask ourselves each night as we look in the glass: 'Have I done anything today that has harmed my breed? Have I, perhaps, done something to serve it? Have I carried tales: have I offended? Have I failed to give a hand to someone who has needed my assistance? Have I betrayed my dog, or have I been loyal to him and all that he represents?'"

Having read this, let us remember when next we go to a dog show, that a little tolerance on our part will make the task much easier for the officials of the show-giving club. Judging dogs is not as simple and easy as it appears. It is hard work, mentally and physically. Have you ever judged a large entry of small dogs such as Cocker Spaniels? Stooping over dog after dog, conscientiously examining each one with a cheery word for each exhibitor, one could be forgiven if after it is all over, the judge longs to retire for a rest. However, he must stay, and if necessary, explain his placings to all who may ask, at the same time maintaining a cheerful attitude. A kind word and a smile from the exhibitor as he leaves the ring will do much to make the judge feel that his work has been worth while, and a letter of encouragement to the show-giving club officials thanking them for giving you the opportunity to exhibit your dog will do much to promote goodwill all around.

### MEETINGS

The regular monthly meeting of the Board of Directors will be held on the third Wednesday of each month.

1275. The regular monthly meeting of the Board of Directors of The Canadian Kennel Club Inc. was held in the Club's offices, 667 Yonge Street, Toronto, on March 16th, 1949, commencing at 5.00 p.m. The President, W. J. Risewick, presided. Officers and Directors present included Walter Brown, Paddy Boughs, George P. Davies, Douglas Riedel, A. Roberts and J. Thorndike Jr.

#### 1276 (1254). "DOGS IN CANADA"

REPORT: The President reported that the Editor had requested an opportunity to appear before the Board to clarify several points regarding the magazine.

DISCUSSION: Mrs. McColl entered the meeting and then referred to the following matters:

1. **PROVINCIAL CORRESPONDENTS:** The minutes of the meeting of the Board held February 11th (item No. 1252) indicated that the selection of provincial correspondents rested with the provincial Directors, yet she had been given to understand that the Editor would appoint such correspondents.

The President stated that the Editor, being in complete charge of the publication, had the right to make her own appointments without reference to the Directors. The Board endorsed the President's reply to the Editor's question.

2. **NEWSSTAND DISTRIBUTION:** The Editor referred to the Board's suggestion regarding the printing of an extra 500 copies monthly for distribution on selected newsstands, and asked whether the number of extra copies could be increased or lowered at the Editor's discretion.

The President stated that the Editor was at liberty to vary the figure according to her own wishes. The Board endorsed the President's reply to the Editor's question.

3. **LISTS OF BREEDS:** The Editor asked whether the policy of distributing free copies of the magazine to those requesting lists of breeders was to be continued or could she refer such enquiries to newsstands where the magazine is sold.

The President suggested that henceforth such enquiries should be referred to the Editor and it would be up to the Editor to decide whether copies are to be provided without charge, or other arrangements made in that regard.

4. **DICTAPHONE EQUIPMENT:** The Editor asked whether or not the Board would authorize the purchase of a mail-o-voice machine for dictation purposes.

The President stated that the Editor, being in complete charge of the publication and all arrangements regarding its publication, should decide whether or not she required such equipment and be governed accordingly.

The Editor then left the meeting.

**DISCUSSION:** The Secretary referred to the Board's decision regarding monthly statements of revenue and expenditures, and asked for an instruction regarding the allowance, out of membership fees, for magazines distributed to members.

**ACTION:** The Secretary was directed to allocate \$1.00 per member to the magazine, and to also allow as a credit to the magazine such charges as are made by the printer for author's corrections and unused material set in type.

### 1277 (1228). MINUTES

**SUBJECT:** The Secretary tabled the minutes of the meetings of the Board of Directors held on January 24th (completed February 3rd), February 9th and February 11th, 1949, copies of which had been sent to each member of the Board.

**RESOLUTION:** It was regularly moved by Vice-President Brown, seconded by Director Davies:

"THAT, the minutes of the meetings of the Board of Directors held on January 24th, February 9th and February 11th, 1949, be adopted." Motion carried.

**SUBJECT:** Director Riedel referred to the resolution adopted on February 9th (item No. 1232) empowering the Secretary to grant show dates, and suggested that in order to eliminate possible criticism of the Secretary, all applications for shows of more than one day's duration should be referred to the Board for decision.

**ACTION:** Director Riedel's suggestion was endorsed and the Secretary was directed to refer such applications to the Board for consideration.

### 1278 (1271). IDENTIFICATION

**REPORT:** The President reported that in accordance with the wishes of the members, as indicated at the annual general meeting held on February 10th, and the Board of Directors as indicated at its meeting held on February 11th, representatives of the Club had met with officials of the Department of Agriculture with a view to eliminating difficulties being experienced by breeders in obtaining certificates of registration.

The President then read his written report which reviewed all details and developments up to and including the recent annual meetings, and continued as follows:

"The Board having named Mr. William H. Pym of Vancouver as a member of the Committee to meet with officials of the Department, the writer immediately contacted Mr. Pym by telegraph and asked when he would be in Toronto either on his way to or between his judging engagements in the eastern United States. Mr. Pym reached Toronto on February 25th and we immediately made arrangements to meet with officials of the Department of Agriculture and that meeting materialized on March 2nd. At that time we were privileged to meet the new Deputy Minister of Agriculture, Mr. J. G. Taggart, the conference being attended also by Mr. R. S. Hamer, Director of Production Services in the Live Stock and Poultry Division of the Department of Agriculture, Mr. A. P. MacVannel and Mr. A. T. Steele together with Mr. Pym, the Secretary-Treasurer and myself.

During the course of the conference your representatives brought the following points to the attention of the Deputy Minister and his colleagues:

1. The withholding of Departmental approval on certificates of registration prepared by the Canadian National Live Stock Records had been without any prior notice direct to the Canadian Kennel Club;

2. To date officials and members of the Club had been unable to obtain a clear picture of the Department's wishes in respect to identification;

3. There appeared to be no consistency in determining what certificates of registration would be issued or would not be issued (several examples of certificates issued for solid coloured dogs were referred to as well as examples of applications for registration of solid coloured dogs returned to breeders);

4. Members of the Club and many other breeders had been caused considerable inconvenience and embarrassment by being unable to promptly deliver certificates of registration to purchasers of dogs who, experiencing long delays in receiving certificates, were concluding that such sellers of dogs were not fulfilling their proper obligations in respect to the delivery of certificates.

5. That these developments were discouraging the breeding and sale of pure-bred dogs;

6. The inevitable loss of revenue to the Canadian Kennel Club through withholding of certificates of registration would most definitely hurt the financial position of the Club, particularly when it is trying to overcome the substantial financial deficit realized on its 1948 operations;

7. That regardless of any means of identification practised by breeders, the accuracy of live stock records depended largely on the honesty and integrity of the breeders.

The discussions revealed that in the opinion of the Department, identification means the ability to match a certificate of registration with the particular animal for which it was issued. It seems that the Department considers that the requirements of the Live Stock Pedigree Act, which calls for "a practical and effective system of identification", have precedence over the provisions of the Club's Constitution regarding identification.

The Deputy Minister made it quite clear that the Department had no desire to inconvenience breeders and sellers of pure-bred dogs, and it was finally agreed that providing breeders accurately described the colour or colours of dogs, certificates would be issued and that in the meantime the Club would undertake to educate breeders generally as to what the Department means when it refers to identification.

In my message to the Board, which was published in the March issue of DOGS IN CANADA, I gave two specific examples of how Collies and Boston Terriers could be better described so that certificates of registration could be issued. For example the following Collie would have been registered, in the past, as "black, white and tan". You will now note that the dog is described as follows, "Black, white collar, breast, front paws, tan on part of face".

Again we would furnish an example of the following Collie which in the past would have been described as black, white and tan. In order to register this dog the breeder described it as follows, "Black, white on right side of collar and lower part of front feet, tan above knees and on cheeks".

As a result of our conversations with officials of the Department, and on behalf of the Committee I would recommend as follows:

1. Breeders of solid coloured dogs be asked to forward their applications for registration as they have in the past;
2. Breeders of dogs having more than one colour should clearly indicate the location of the subsidiary colours, such as I have indicated in the examples of registered Collies referred to above;
3. The Club should undertake to publish a booklet furnishing detailed information to all members and others interested concerning identification of animals, the necessity for keeping private breeding records, and information regarding memberships, registrations, and so on. This educational programme to continue indefinitely so that newcomers in the game can be thoroughly acquainted with what is expected of them by the Department and the Club.

I cannot conclude this report without paying tribute to Mr. Taggart, the new Deputy Minister of Agriculture, and to Mr. R. S. Hamer, Director of Production Services, for the courtesy and consideration shown your representatives, particularly when it is realized that we saw Mr. Taggart on his first day in office as Deputy Minister of Agriculture while the House was in session. This, I consider an indication of Mr. Taggart's interest in our problems, and his desire to co-operate with us in seeing that our affairs are properly conducted so that progress may prevail."

**RESOLUTION:** It was regularly moved by Vice-President Brown, seconded by Director Riedel:

"THAT, the President's report be received, and a copy of the report be sent to all members of the Board outside Ontario." Motion carried.

**DISCUSSION:** The Board discussed the recommendations made by the President in his report.

**ACTION:** The Secretary was directed to:

- (1) Publish a notice in the April issue of DOGS IN CANADA informing breeders of the information required on applications for registration regarding colour or colours;
- (2) Prepare, for the Board's consideration, a booklet along the lines recommended by the President.

**SUBJECT:** The Secretary read a letter from Mr. J. A. Steele, Associate Chief Registration Officer of the Department of Agriculture, and a brief article on identification as prepared by Mr. Steele.

**ACTION:** The Secretary was directed to thank Mr. Steele for the article, and inform him of the action being taken to prepare and distribute a booklet dealing with identification, private breeding records, etc.

#### 1279 (1264). REGISTRATION COMMITTEE MATTERS

**REPORT:** The Secretary reported that Mrs. Patricia F. Richardson, Vancouver, had made application for registration, under Article 33, Section 7 of the Constitution, of a Rhodesian Ridgeback IMPI OF PENWICK.

**ACTION:** The Secretary was directed to request of Second Vice-President Williams that he inspect and report on this dog, the file to be then referred to the Registration Committee for consideration.

#### 1280 (1233). FIELD TRIAL RULES (SPANIELS)

**SUBJECT:** The Secretary reported that the Niagara Bird Dog Association had, by letter, asked that the present field trial championship requirements for Spaniels (except Irish Water Spaniels) be repealed and the field trial championship requirements in effect in 1947 be re-adopted.

The Secretary reported that officials of the English Springer Spaniel Club of Canada had made a similar suggestion, and that while the Alberta Field Trials Club had been consulted regarding the proposed change, no support or objection to the proposed change had been received.

**RESOLUTION:** It was regularly moved by Director Riedel, seconded by Director Boughs:

"THAT, Section 25 of Chapter 11 of the Field Trial Rules be repealed, and be replaced by the provisions of Sections 8 and 9 of the Rules of Purpose and Performance for Spaniels (except Irish Water Spaniels) as set forth in the 1947 Book of Rules." Motion carried.

#### 1281 (1258). C.K.C. PRIZES

**SUBJECT:** The Secretary read a letter from Second Vice-President V. W. Williams suggesting that the Board of Directors consider supplying each championship show with rosettes, bearing the official CKC crest, for the awards of Best Canadian-bred in Show and Best Canadian-bred Puppy in Show.

**DISCUSSION:** In discussing this suggestion the Board agreed that since show-giving clubs already provide rosettes for such awards, and in view of the necessity for economies, no action should be taken.

#### 1282 (1273). FINANCIAL MATTERS

**REPORT:** The Secretary reported on the following expenditures made in February:

Book .....	.26
	\$1319.69

**RESOLUTION:** It was regularly moved by Director Riedel, seconded by Director Roberts:

"THAT, the accounts reported by the Secretary-Treasurer be paid." Motion carried.

**REPORT:** The Secretary reported that:

- (1) Expenditures on 1948 accounts payable had amounted to \$9570.76;
- (2) January and February 1949 expenditures had amounted to \$15609.77;
- (3) Revenue for January and February totalled \$19980.69.

**REPORT:** The Secretary reported that arrangements had been made with the bank to obtain on loan the amount of \$7000.00 at 3½% per annum, and these funds had been applied to accounts payable for 1948, and that as soon as cash reserves permitted repayment of this loan would be made.

**RESOLUTION:** It was regularly moved by Director Thorn-dike, seconded by Director Boughs:

"THAT, we endorse the action taken by the President and Secretary in respect to obtaining a loan for the purpose of meeting outstanding liabilities incurred in 1948." Motion carried.

**DISCUSSION:** The Board discussed the advisability of taking action to obtain payment of all outstanding advertising accounts of DOGS IN CANADA.

**RESOLUTION:** It was regularly moved by Vice-President Brown, seconded by Director Roberts:

"THAT, the Editor be requested to furnish the Board with the names, addresses and amounts of all outstanding accounts as at April 19th, 1949." Motion carried.

**ACTION:** It was agreed that it be suggested to the Editor that a letter be addressed to all those with overdue accounts

pointing out that the Board would review such accounts at its next meeting on April 20th.

SUBJECT: The Secretary reported that Second Vice-President Williams had submitted the following statement of expenses incurred in 1948:

Postage on correspondence with Club and members	
(January 1st to December 31st, 1948)	\$ 36.30
Telephone and telegrams	11.92
	<b>\$48.22</b>

ACTION: The Secretary was directed to pay the account.  
RESOLUTION: It was regularly moved by Director Boughs, seconded by Director Roberts:  
"THAT, all Officers and Directors be asked to submit their expense accounts (if any) monthly so that accurate estimates of the financial position of the Club can be calculated from month to month." Motion carried.

#### 1283 (1230). APPLICATIONS FOR MEMBERSHIP

No. 1, Cooksville, Ont.; Simmons, James Gordon, Box 177, Wingham, Ont.; Watson, Russell D., 88 Carling Ave., Ottawa, Ont.

RESOLUTION: It was regularly moved by Director Boughs, seconded by Director Thorndike:  
"THAT, we endorse the Secretary's action in approving the applications for membership reported on by the Secretary." Motion carried.

#### 1284 (1213). APPLICATIONS FOR REGISTRATION OF KENNEL NAMES

REPORT: The Secretary reported that he had, on behalf of the Board of Directors, approved of the following applications for registration of kennel names, these names having been published in DOGS IN CANADA, and no objection thereto having been received by the Club's offices:

CLASSICAL—Albert M. White, Montreal, Que.; COLDWATER—Mrs. Eva Shaler, Merritt, B.C.; FRAZERBRUCK—Fred W. K. Blakely, Drummondville, Que.; GORMCOLI—N. T. Baxter, Mt. Hamilton, Ont.; MALCOLM—Mrs. J. N. Malcolm, Hamilton, Ont.; MURPHALTA—Joseph Murray, St. Paul, Alta.; TAMBRUK—J. E. Burns, Halifax Co., N.S.; TRESCO—C. G. Monk and E. A. Moule, Ottawa, Ont.; WEST WINDS—Margaret D. Poupart, Beaconsfield, W., P.Q.

RESOLUTION: It was regularly moved by Director Davies, seconded by Director Roberts:

"THAT, we endorse the Secretary's action in approving of these applications for registration of kennel names on behalf of the Board of Directors." Motion carried.

REPORT: The Secretary reported that Mr. and Mrs. J. H. Daniell-Jenkins, Pickering, Ont., had applied for the registration of the kennel name OF THE ROUGE (alternative selections—ROUGE or ROUGE HILL), and then read a letter from Miss A. E. Mayhew, Markham, Ont. (registered kennel name GLEN ROUGE) objecting to the registration of a kennel name containing the word ROUGE if such name is used for registering Cocker Spaniels.

RESOLUTION: It was regularly moved by Vice-President Brown, seconded by Director Thorndike:

"THAT, the applicants for registration of the kennel name OF THE ROUGE be asked to make another selection of kennel name." Motion carried.

#### 1285 (1256). APPLICATIONS FOR HANDLERS' LICENSES

REPORT: The Secretary reported that he had, on behalf of the Board, approved of the following applications for handlers' licenses and had issued such licenses:

Jack Fry, Clarkson, Ont.—All breeds; J. T. Brown, Port Nelson, Ont.—All breeds; Paddy Boughs, Toronto, Ont.—All breeds; J. E. Britt, St. Stephen, N.B.—All breeds; James Haig, Cooksville, Ont.—All breeds; Mrs. Lorna Jackson, Toronto, Ont.—All breeds; Walter J. Martin, London, Ont.—All breeds; Mrs. Andrew L. Minet, Vancouver, B.C.—All breeds; Mrs. G. O. Alsen, New Westminster, B.C.—All breeds; Ted Cheetham, Hamilton, Ont.—All breeds; George T. Boyd, Niagara Falls, Ont.—All breeds.

ACTION: The Board endorsed the Secretary's action in issuing licenses to the above named persons.

REPORT: The Secretary reported that the following had made application for handlers' licenses (or renewals of previous licenses):

Pearle Fix, St. Clair Shores, Mich.—Dachshunds, All Toys and All Non-Sporting breeds; Hazel B. Liptak, Plymouth, Mich.—All breeds; James Kilgannon, Edmonton, Alta.—All breeds; Lawrence Mayer, Wheatley, Ont.—All breeds; C. J. McGarry, Toronto, Ont.—All breeds; Horace Hollands, Port Huron, Mich.—All breeds; Hollis Wilson, Amherst, Wis.—All breeds; Irene Burden, Toronto, Ont.—All breeds; A. Burden, Toronto, Ont.—All breeds; Patricia Taylor, Billings Bridge, Ont.—All breeds; Robert Blyth, Streetsville, Ont.—All breeds; Emily Shire, Feeding Hills, Mass.—All breeds; Bob Wilson, Tacoma, Wash.—All breeds.

ACTION: The Secretary was directed to issue licenses to these applicants providing:

- (1) Their applications complied with the Dog Show Rules;
- (2) The residents of the United States are licensed as professional handlers by the American Kennel Club;
- (3) Residents of Canada (other than Ontario) are approved by the local Provincial Director.

REPORT: The Secretary reported that information received from the American Kennel Club indicated that Mr. William Ake was licensed as a professional handler by the American Kennel Club.

DISCUSSION: Reference was made to Mr. Ake's alleged failure to comply with the Dog Show Rules at previous championship

shows held in Canada, particularly with regard to the benching of dogs.

**ACTION:** The Secretary was directed to issue a handler's license to Mr. Ake, and at the same time inform him that the Board of Directors will not tolerate any contraventions of the Dog Show Rules, particularly with regard to the benching of dogs.

**SUBJECT:** Director Thorndike recommended that the Board consider using the same type of application for handler's license form as is presently used by the American Kennel Club.

**ACTION:** The Secretary was directed to communicate with the American Kennel Club and request that they provide us with a copy of their present application for handler's license form.

**SUBJECT:** The Secretary read a letter from Mrs. Susie M. Weir requesting the addition of another breed to her present handling license.

**ACTION:** The Secretary was directed to extend existing licenses on application, and report to the Board such extensions as are made on request of those to whom limited licenses are issued.

**SUBJECT:** The Secretary referred to the handler's license fee paid by Miss Shirley Stone, Detroit, to whom a license was not issued (not being licensed by the American Kennel Club).

**ACTION:** The Secretary was directed to refund the fee.

**DISCUSSION:** Director Boughs referred to the present policy of requiring that applicants for handler's licenses be members in good standing of the Club before licenses are issued.

**ACTION:** No action was taken following discussion as to whether or not this policy should be continued.

#### 1286 (1257). DATES AND JUDGES

**REPORT:** The Secretary reported that he had, on behalf of the Board of Directors, approved of the following applications for dates:

April 21st and 22nd—Alberta Kennel Club (championship shows) (changed from April 20th and 21st); May 28th and 29th—Quebec Kennel Club (championship shows); July 9th—Greater Winnipeg Kennel Club (championship show); June 20th—Truro Kennel Club (championship show); October 1st and 2nd—Central Ontario Beagle Club (Beagle field trial); June 12th—Central Ontario Beagle Club (Specialty show for Beagles and American Foxhounds); September 10th—Gatineau County Agricultural Society (sanction show).

The Secretary reported that applications for the following dates had been received:

May 20th—Ponoka Sporting Dog Club (Retriever and Irish Water Spaniel trial); June 26th—Alberta Field Trials Club (Retriever and I.W. Spaniel trial); Sept. 2nd and 3rd—Moose Jaw Kennel Club (championship shows); April 29th and 30th—Annapolis Valley Beagle Club (Beagle trial); April 26th and 27th—Atlantic Beagle Club (Beagle trial); April 3rd and 24th—Thames Valley Beagle Club (two sanction Beagle trials); May 21st and 22nd—Canadian Association of Beagle Clubs (sanction field trial).

**RESOLUTION:** It was regularly moved by Director Boughs, seconded by Director Roberts:

"THAT, we endorse the Secretary's action in approving of dates reported on be approved, and the balance of dates applied for be granted subject to their conforming to the requirements of the Dog Show Rules and the policies now in force regarding applications for dates." Motion carried.

**REPORT:** The Secretary reported that the Norfolk County Agricultural Society had cancelled its application for permission to hold a championship show on October 8th and requested return of its date fee.

**ACTION:** The Secretary was directed to refund the date fee to the Norfolk County Agricultural Society, and to grant that date (October 8th) to the London Canine Association.

**SUBJECT:** The Secretary read a letter from the Canine Breeders' and Exhibitors' Association of Canada requesting permission to hold a single championship show on September 8th and 9th in conjunction with the Canadian National Exhibition. The latter stated that the request for a two-day show was made because of the anticipated large entry and the desirability of completing judging at an hour satisfactory to all concerned.

The Secretary reported that the Toronto Kennel Club had made application for permission to hold a single championship show on September 2nd and 3rd in conjunction with the Canadian National Exhibition.

**DISCUSSION:** In discussing these applications the Board agreed that the members, in amending Section 8 Chapter 3 of the Dog Show Rules, had intended that the Board would exercise its powers to grant applications for shows of more than one day's duration in eastern Ontario when such applications were received from Class "A" fairs or exhibitions, but that it would not endorse applications for shows of more than one day's duration for individual show giving clubs, even if such clubs intended holding their shows in conjunction with Class "A" fairs or exhibitions.

**ACTION:** The Secretary was directed to inform both the Toronto Kennel Club and the Canine Breeders' and Exhibitors' Association of Canada of its interpretation of the amended rule, and to point out that it would approve of an application from the Toronto Kennel Club to hold a championship show September 3rd and application from the Canine Breeders' and Exhibitors' Association of Canada for permission to hold a championship show on September 8th.

**SUBJECT:** The Secretary read letters received from the Central Canada Exhibition Association, Ottawa, requesting permission to hold a championship show on August 23rd and 24th, and stating that provided satisfactory arrangements could be made with the Ottawa Kennel Club, a further show would be held on August 25th and 26th.

**RESOLUTION:** It was regularly moved by Director Thorndike, seconded by Director Roberts:

"THAT, the Central Canada Exhibition Association be granted permission to hold a two-day championship show on August 23rd and 24th, and if the Ottawa Kennel Club applies, permission be granted to the Ottawa Kennel Club to hold a championship show on August 25th in conjunction with the Central Canada Exhibition." Motion carried.

**SUBJECT:** The Secretary reported that the B.C. Interior Kennel Club wished to hold championship shows at Kelowna, B.C.,

on August 16th and 17th, and the South Okanagan Kennel Club wished to hold championship shows at Penticton, B.C., on August 19th and 20th.

**DISCUSSION:** The Board discussed a resolution, adopted some years ago, regarding the protection afforded shows held by the Pacific National Exhibition Association by requiring that other shows be not held within a thirty day period immediately prior to the Exhibition shows. The Board agreed that this resolution was not binding on the present Board, and in view of the greater number of shows now being held, it could not subscribe to a continuation of this policy without considering the application of this policy to other shows.

**ACTION:** The Board directed the Secretary to approve of the applications provided they conform to the Dog Show Rules.

**SUBJECT:** The Board reviewed correspondence received regarding the applications of the Vancouver Island Dog Fanciers' Association for permission to hold championship shows on May 27th and 28th. The President reported on an exchange of telegrams between himself and the President of the Victoria Lions Club which indicated that the Lions Club was prepared to run its own shows on May 27th and 28th in order that charitable purposes, sponsored by the Lions Club, could benefit from these activities.

**ACTION:** The Board agreed that it was not prepared to alter its decision in respect to the application for those dates as submitted by the Vancouver Island Dog Fanciers' Association, and authorized the Secretary to grant these dates to the Victoria Lions Club provided its applications for dates conformed to the Dog Show Rules.

**SUBJECT:** The Secretary asked for an instruction regarding the application of that section of the Dog Show Rules requiring that the "officers" of an organization holding a championship show must be members of the Canadian Kennel Club.

**DISCUSSION:** Following discussion the Board agreed that the following officers must be members:

- (1) The President, Show Superintendent and Manager of the Dog Show Department where the show is held by an exhibition association or fair.
- (2) The President and Secretary of the service club where the show is being held by a service club.
- (3) The President, all Vice-Presidents, Secretary and Treasurer where the show is held by a show-giving club.

**REPORT:** The Secretary reported on the following applications for approval of selected judges:

**THE LADIES' KENNEL CLUB OF CANADA—April 30th, 1949—**

- (a) Mr. Alfred Mitchell, Philadelphia, Pa.—All breeds in Groups 5 and 6; Groups 5 and 6.

(a) Mrs. C. A. Temple, Unionville, Ont.—Cocker Spaniels.

(b) Mr. Peter Smith, Hamilton, Ont.—All breeds in Group 3; Group 3.

(c) Mr. Walter H. Reeves, Oakville, Ont.—All breeds in Groups 2, 4 and 6; Groups 2, 4 and 6; Best in Show, Best Canadian-bred in Show, Best Canadian-bred Puppy in Show and General Specials.

(d) Mr. Jack Waggett, Toronto, Ont.—All breeds in Groups 1 (except Cockers) and 5, Groups 1 and 5.

**RESOLUTION:** It was regularly moved by Director Davies, seconded by Director Roberts:

"THAT, the lists of proposed judges be approved conditional that said applications for approval of selected judges conform to the requirements of the Dog Show Rules." Motion carried.

**SUBJECT:** The Secretary read a letter from the Guelph Kennel Club requesting permission to present a precision trial, occupying about twenty minutes time, between the judging of Groups 3 and 4.

**DISCUSSION:** The Board agreed that it would be inadvisable to authorize any form of activity which would interfere with the judging of Groups and Best in Show, and therefore directed the Secretary to inform the Guelph Kennel Club that permission to present the precision trial was granted provided it took place before judging of groups commenced or after the judging of the show was completed.

Permission was also given to the Ladies' Kennel Club of Canada Inc. to hold an Obedience Demonstration.

**SUBJECT:** The Secretary read a letter from the Alberta Kennel Club requesting permission to allow three purebred American Cocker Spaniel puppies, under the age of six months, to enter its coming Championship Shows since these puppies were being donated as door prizes.

**ACTION:** The Secretary was directed to inform the Alberta Kennel Club that its request was granted, providing the puppies were kept as far as possible from the dogs entered at the Show, providing such puppies were temporarily inoculated against distemper, and had the usual veterinary examination prior to entry into the show building.

**1287 (1250). APPOINTMENT OF PROVINCIAL COMMITTEES**

**SUBJECT:** The Secretary reported that Director Mrs. Alsen had recommended the appointment of the following as the personnel of the B.C. (Island) Provincial Committee: Miss Lillian

Hickling, Nanaimo, Harry Dodds, Victoria and Frank Creasey, Victoria.

**RESOLUTION:** It was regularly moved by Vice-President Brown, seconded by Director Riedel:

"THAT, Miss Lillian Hickling, Harry Dodds and Frank Creasey be appointed the B.C. (Island) Provincial Committee for 1949." Motion carried.

**1288 (1236). NEW LIVE STOCK PEDIGREE ACT**

**REPORT:** The President reported that the Club had obtained a copy of the new proposed Live Stock Pedigree Act and this, in his opinion, did not differ materially from the present Act.

**ACTION:** It was agreed that no action be taken until the Bill is tabled in the House.

**1289 (1246). ENTRY FORMS**

**REPORT:** The Secretary reviewed the discussion at the annual general meeting and at the Board meeting on February 11th regarding the simplification of entry forms and recommended the continuation of the single entry form per dog except that, instead of four entry forms containing extracts from the Dog Show Rules, on the reverse side of each entry form extracts only from Chapter 4 (classes) and Chapter 16 (Entries and entry fees) be printed, thus removing the necessity for a show-giving club to send out not less than four entry forms with each premium list.

**ACTION:** The Secretary's recommendation was endorsed and it was left in the Secretary's hands to make the necessary arrangements with firms supplying entry forms.

**1290 (1237). PRINTING OF STUD BOOKS**

**SUBJECT:** The Secretary referred to the Board's earlier discussions regarding the printing of a stud book for 1948.

**ACTION:** The matter was ordered held over for consideration at the next meeting of the Board.

**1291 (1248). LEASE OF OFFICE AND PROVISION FOR BOARD ROOM**

**SUBJECT:** The Secretary referred to the Board's earlier discussions regarding sub-letting the present office, and provision for a Board Room.

**ACTION:** The matter was ordered held over for consideration at the next meeting of the Board.

**1292 (1270). MINUTES OF ANNUAL GENERAL MEETING**

**SUBJECT:** The Secretary reported that on March 11th he had received a copy of the stenographer's report of the proceedings of the Club's annual general meeting held on February 10th, and referred to the Board's earlier discussions regarding publication of these minutes.

**ACTION:** The Secretary was directed to prepare a summary of the minutes for the Board's consideration.

**1293 (1265). APPOINTMENT OF REPRESENTATIVES TO LIVE STOCK RECORDS BOARD**

**SUBJECT:** The President reported that the deadline for the appointment of representatives to the Live Stock Records Board was approximately a week before this meeting of the Board, and that he had directed the Secretary to notify the Canadian National Live Stock Records that the following members of the Board had been named as the Club's representatives to the Canadian National Live Stock Records Board: Mr. W. J. Risewick, Mr. Walter Brown, Mr. A. Roberts, Mr. J. S. Thorndike, Jr., and Mr. Paddy Boughs.

**ACTION:** The Board endorsed the action taken by the President.

**1295. ACKNOWLEDGMENT OF APPLICATIONS FOR REGISTRATION**

**SUBJECT:** The Secretary referred to a suggestion made by Mr. Fred Dodsworth, Victoria, to the effect that a post card acknowledgment by the Canadian National Live Stock Records of receipt of applications and fees would remove concern often experienced by members and non-members over the delays experienced in issuing such certificates.

**DISCUSSION:** The Board discussed the suggestion made by Mr. Dodsworth and agreed that provided it did not add to costs in handling, the Club would be prepared to provide the Canadian National Live Stock Records with acknowledgment cards for this purpose.

**ACTION:** The Secretary was directed to take the matter up with the Director of the Canadian National Live Stock Records and report to the Board at its next meeting.

**1296. STAFF**

**REPORT:** The Secretary reported that he had found it necessary to consider the appointment of replacements on the staff but had, at the President's direction, deferred action so that the matter could be discussed at this meeting of the Board.

**DISCUSSION:** The President recommended that the practice, in force for some years, of concentrating all responsibility for all phases (except the magazine) of the office's operations in the Secretary's hands should be replaced by a system of assigning work and responsibility for that work to various members of the staff, thus leaving the Secretary in a better position to handle the work requiring the attention of a more responsible member of the staff. He suggested that if the Board maintained its present policy in respect to the C.K.C. Representative, it might well consider the possibility of setting up a dog show department under the Representative's jurisdiction to handle all the correspondence and office work involved in connection with shows.

**ACTION:** The matter was left in the hands of the President and Secretary to make arrangements for the most efficient organization of the staff, its duties and responsibilities.

**1297. ADJOURNMENT**

On motion by Director Davies, duly seconded and carried, this meeting of the Board of Directors adjourned at 11.22 p.m.

# FINANCIAL STATEMENTS

(As prepared by the Secretary-Treasurer)  
(THREE-MONTH PERIOD ENDING MARCH 31st, 1949)

## Canadian Kennel Club

### REVENUE

	<b>\$ 4,653.04</b>

EST. EXCESS OF EXPENDITURES OVER  
REVENUE \$ 280.99

\*Estimated pro rata for three months.

### CHANGE OF ADDRESS

Please give change of address before the 5th of each month to ensure receiving the current issue of Dogs in Canada

# NOTICE

As a result of difficulties being experienced by members, since early December, 1948, in obtaining certificates of registration for dogs, a delegation from The Canadian Kennel Club met with officials of the Department of Agriculture on March 2nd. The discussion with Departmental officials revealed that, in the opinion of the Department of Agriculture, identification means the ability to match a certificate of registration with the particular animal for which it was issued. It seems that the Department considers that the requirements of the Live Stock Pedigree Act, which calls for "a practical and effective system of identification", have precedence over the provisions of the Club's Constitution regarding identification.

There is now being prepared a booklet which is intended to provide members and non-members of the Club with much useful information in respect to membership, registration, private breeding records, identification of dogs, etc., but in the meantime we are taking this opportunity of indicating to those registering dogs what they should do when completing that section of the application for registration calling for the colour or colours of the dog for which registration is desired.

## SOLID COLOURED DOGS

If a dog is solid colour then the application should indicate that fact. For example if a dog is solid black and has no markings, then the application should state "solid black". The same applies to any other solid coloured dog.

## DOGS OF MORE THAN ONE COLOUR

In the past it has been sufficient to state the colours of a parti-coloured dog without indicating the location of the colours. For example a sable and white Collie would, in the past, be registered as "sable and white". It is now, however, necessary for the location of the markings to be clearly indicated on the application for registration form. The following examples will furnish an indication of what is now required for registration purposes:

1. "Sable, white color, white on chest, muzzle, front legs and tail tip, black spot on tail" (Collie);
2. "Black, tan on lower jaw and over eyes, white ruff, throat, chest and feet shading into tan" (Collie);
3. "Seal brindle, white blaze, muzzle, collar, chest, front toes and extending over left eye and ear" (Boston Terrier).

It is suggested that the application for registration form clearly set out any features which would establish positive identification.

N. F. BROWN,

Secretary-Treasurer.

## Members of the Canadian Kennel Club

As you will see on the bottom half of this page, members of the Canadian Kennel Club will continue to enjoy the lowest rate of advertising possible in a magazine of the quality of DOGS IN CANADA. The continuance of this rate depends upon the support which our magazine receives in its advertising columns.

With a distinctive cover, and placement on newsstands, we feel that we are justified in saying that we offer you an outstanding advertising opportunity.

### *The Sporting and the Hound Group will be featured next month*

In our endeavour to supply interesting, educational and informative reading to the public, we are instituting many new features, such as the Forum on page 14 where discussions on the rules and regulations of Kennel Clubs will be held. The Question and Answer column can be made much more interesting, so communicate your thoughts and ideas to the Editor.

**IN OUR ENDEAVOUR TO MAKE DOGS IN CANADA THE MAGAZINE YOU WANT IT TO BE WE NEED YOUR SUPPORT. LET US MAKE THE JUNE ISSUE THE BEST OF THE YEAR.**

Forms to assist you in the making up of your advertisement will be mailed on request.

## DOGS IN CANADA

## A happy puppy? Nothing to it Sergeant's shows you how to do it!

For every minute of care, he'll repay you in hours of devotion! And it's so easy to give him the care he deserves. Safe and quick-acting Sergeant's Dog Care Products help you do it. There's one for almost every common trouble. Each product is the result of scientific research and careful veterinary testing. They are founded upon a love of dogs and an understanding of their needs that has made Sergeant's the leader in this field for 74 years. Following are items to keep on hand. You can get them at drug or pet store.

**FOR CONDITIONING** . . . after worming or illness—Sergeant's VITAPETS (Vitamin Capsules) and Sergeant's Condition Pills.

**FOR FLEAS**—Sergeant's SKIP-FLEA Soap for the bath—Sergeant's SKIP-FLEA Powder dusted on regularly between baths. Both kill and repel fleas.

**FREE:** Expert advice on how to feed, train and care for your dog. Ask for your copy of Sergeant's Dog Book at drug or pet store. Or write Sergeant's Dog Medicines, Ltd., 70 Mutual Street, Toronto, Ont.

## Sergeant's DOG CARE PRODUCTS

# EATON'S

## "ACME SILENT" DOG WHISTLES

Remarkably efficient whistles constructed to produce notes of a frequency higher than those heard by most humans... can be heard at considerable distances by any type of dog, from a lap-dog to a St. Bernard! They are well made in England of nickel-plated brass and feature an adjustable sleeve for variations and pitch. Order yours now, from the Kennel Shop at EATON'S, each 1.25.

WONDERLEA—L. A. Byer, Port Colborne, Ont.

PURINA DOG CHOW VISITS HOMES OF FINE DOGS

# NODNOL KENNELS

The Lerch family in the living-room of their home, with Ch. Nodnol Bombardier . . . Best in Show, all breeds, 3 times; Best Canadian-bred, 6; Best of Breed, 30.

View of the trophy room in the Lerch home. Many trophies and ribbons attest to the standing of Nodnol dogs in the show ring on both sides of the border.

Jean Lerch with two typically fine Nodnol Springers — left, Ch. Mi Donna of Hampton, daughter of Bombardier; right, Ch. Nodnol Band-leader, half-brother of Bombardier.

## PURINA DOG CHOW IS THEIR CHOICE

Mr. and Mrs. D. J. Lerch, London, Ont., began Nodnol Kennels as a hobby, about 15 years ago. It is still a hobby, but is now a business, too.

Mr. and Mrs. Lerch have owned 18 champions—most of them home-bred and developed; all Purina-fed. Good breeding, sanitation, management, and feeding have proved a winning combination.

In feeding, the successful professional breeder seeks two things: Complete and balanced nutrition, and economy. He finds both in Purina Dog Chow.

Because there's so much research behind it, and because it is the choice of so many "big" breeders, many people think Dog Chow must be expensive. It isn't. Both Checkers and Kibbled Meal are very reasonably priced . . . even more so if you can qualify under the Purina Courtesy Card plan. Ask your Purina dealer, at his Store with the Checker-board Sign. He'll be able to give you the details.

**RALSTON PURINA COMPANY**

WOODSTOCK - TORONTO - MONTREAL

"Did somebody mention —  
**dinner?**"

Feed your dog  
**GAINES—**  
Nourish every inch  
of him!

WHEN the day's work is done, your dog looks for his dinner. Then is the time to reward his faithfulness! Feed him the essential foods—nourish *every inch*—with Gaines!

### Each pound contains true nutrition!

For strong bodies — proteins as in 1½ lbs. beef.  
For energy — carbohydrates as in 1½ qts. cooked oatmeal.  
For appearance — fats as in 1 oz. butter.  
For bones and teeth — minerals as in 1¾ lbs. cheese.  
For vitality — iron as in ¾ lb. beef liver.  
Plus extra vitamins and key minerals.

• Costs less to feed — than any other type. A 5-lb. bag makes 10 to 12 lbs. of ready-to-eat food.

Easy to feed — just mix with water (soup, milk or gravy).  
For variety — feed GAINES KRUNCHON, which is Gaines Meal compressed into crunchy bite-size pellets.

Gaines is a scientifically prepared mixture of ingredients your dog requires for health. It has been proven (by biologists) to be *nutritionally complete*. Then, too, it is kennel-tested. This care in manufacturing your dog's food ensures well-balanced feedings—all the food elements he would instinctively try to find if left to care for himself.

For your dog's health and happiness — start feeding Gaines today!

Wherever dog foods are sold  
2-lb., 5-lb., and 25-lb. bags
