OUR COVER

Our cover this month is of the lovely Borzoi "Champion Pat-Mer's Czar of Wyndhaven" owned by Mrs. Clyde Ritchie of Okanagan, British Columbia.

Bred by Mrs. M. P. A. Tripp, he was presented to Mrs. Clyde Ritchie by Mrs. Tripp during the Pacific National Exhibition at Vancouver, last year, to compensate for the loss sustained by Mrs. Ritchie when her good Borzoi was killed in a traffic accident while on the Prairie Circuit.

"Champion Pat-Mer's Czar of Wyndhaven" campaigned at the Western Shows this year and created a sensation. He commenced his winning record at the Ladies' Kennel Club of Saskatoon on April 15, and when he won his breed was placed second in the Hound Group, and Best Canadian Bred in Show, all breeds. Then on April 16th, also at Saskatoon, he won first in the Hound Group and Best Canadian Bred Puppy in Show all breeds.

From there, he went to the Capital City Kennel Club of Alberta held at Edmonton, where he won the Hound Group again and Best Canadian bred Puppy in Show all breeds. At the Alberta Kennel Club Show, Calgary, Alberta, on April 21st, he was second in the Hound Group and Best Canadian bred Puppy in Show all breeds.

At the International Kennel Club Show, Vancouver, on May 23rd, he again placed in the Hound Group, was Best Canadian Bred Puppy and Best Canadian Bred in Show all breeds. On May 24th, he again was Best Canadian Bred Puppy in Show and completed his Championship at the age of eleven months. With such an auspicious start, the future looks good for this remarkable young dog.

"Bottle Babies"

By Dr. Charles E. Crowe

ONE certainly has a herculean task on his hands if on his arrival at the kennel some fine cold morning he finds that his best brood bitch has given birth to a large litter of puppies and for one reason or another she is unable to care for them. Ways and means must be found immediately to care for the litter. We have on several occasions had the experience of rearing motherless puppies, but the one incident in our experience that will be of most interest to our readers, we believe, was the raising of a litter of puppies whelped by a pointer a few years ago.

Old Rose was a kind, intelligent, affectionate bitch to those she knew, but rather hard to make up with and more or less resentful of those she did not know. She had successfully raised several litters of puppies, was an exceptionally fine mother and on previous occasions had raised from six to nine puppies per litter. During her pregnancy we saw to it that she was fed a good, mixed diet, with plenty of fresh raw beef, bones to gnaw upon, some cod liver oil daily and that she was given exercise daily, though hardly enough to prevent her from putting on considerable fat. A few days before parturition was due, she, like most matrons, fussed around making a bed, tearing up papers and pushing them into small piles, acting more or less restless and seeming to anticipate the coming event, and by her expression wishing it would hurry along and be over with.

About the second day after she was noticed to be making a bed, the first slight labor pains were noted, there being just a hardly noticeable contraction of the abdominal walls. At this time the bitch was placed in a clear large room, in the corner of which was placed several large, washed burlap sacks which had been ripped open so as to cover more floor space. The labor pains increased in frequency and intensity during the next one and one-half to two hours, during which time the bitch was only casually observed so as not to distract her. After several hard contractions of the abdominal muscles the first puppy was expelled hanging to the umbilical cord, which connected the puppy to the, as yet, undischarged afterbirth. We gently took hold of the umbilical cord and in a few moments, with slight traction and some help from the bitch, the afterbirth was expelled and placed out of reach of the bitch. While the eating of the afterbirths appears to be a quite natural procedure with carnivora, we do not approve of it when it can be helped, as in our opinion there will be less bowel disturbance if a large quantity of this tissue is not allowed to be eaten by the bitch. Especially is this so if parturition has been delayed and there is advanced decomposition of the afterbirth. Another reason for preventing the bitch from eating afterbirths is, in the case of large litters, the tendency of the bitch—especially towards the end of parturition—to overload her stomach, causing her to become lazy in her efforts to expel the remaining puppies.

After the first puppy of this litter was born and the afterbirth removed, the umbilical cord was severed about an inch and a half from its attachment to the puppy. The puppy was carefully wiped and dried and placed in a small box, away from the bitch, in another room where she could not hear it if it cried. Several flat quart bottles were filled with warm water and placed in the bottom of the box and then covered with a heavy bath towel to help retain the heat in the bottles and to keep the puppies warm. These puppies were born in January and the temperature at the time was below zero.

We just about had things arranged for the comfort of the first puppy when No. 2 puppy arrived; the same procedure was gone through as with the first puppy. As it was nearly midnight we became a little sleepy and dozed off for about half an hour, only to awake and find that two more puppies had been born. The bitch was licking and drying them off the best she could. The little fellows had lots of life, but were somewhat cold. After the birth of these two puppies we were not sure whether the afterbirths had been eaten or retained; however, as more puppies were to be born we felt that the afterbirths belonging to the newly-born puppies, if retained, would be expelled when the next puppy, from that horn of the uterus, was expelled. This is usually the case, but exceptions are common. We were up about all night assisting in the birth of these puppies and along about 8 o'clock the next morning the last of ten puppies was born. We felt that the bitch had done a fine job of delivering the puppies, as well as being in excellent condition at the end of it all, and had acted most kindly towards interference from us. After the last puppy was born she was allowed to go out for a few minutes and while she was out all of the puppies were placed in a nice clean bed to greet her upon her return. She nosed them over, licked them a little and cuddled up to them, accepting one and all. We helped the little fellows, which weighed about one pound apiece when born, to find a teat and get them started nursing, but their dam seemed shortly to lose interest and left the corner and the puppies, lying down in another part of the room. This leaving the puppies seemed strange, especially so soon after the birth of the litter, but we thought little of it. We saw to it that the puppies were covered and allowed the bitch to be alone.

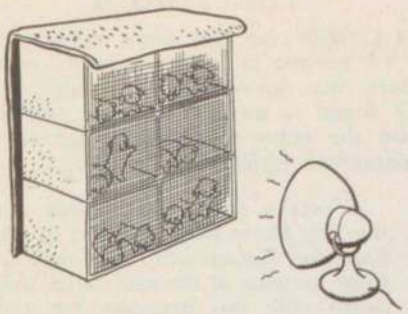

We lay down for several hours in the afternoon and upon arising and going in to see the newly-arrived family, found the bitch not looking so good. Wanting to be sure that she was not retaining any afterbirths that might possibly be having some effect on her health, we washed out the uterus and, to our surprise, five afterbirths were removed. Feeling that she surely would be all right now we left her with the puppies for about four hours. On our return we found her definitely sick, she was vomiting, had a dejected expression and some dilation of the pupils. She would not touch food and ignored the puppies entirely. We felt that she had a streptococcus infection and treated her as best we could, but after a most rapid decline, during which time she became extremely toxic, after another all-night vigil of watching and treatment she passed into a coma, dying during the forenoon. I thought about as much of this bitch as a man could about a dog. We worked hard to save her and her passing was a decided shock and loss.

In order to determine, if possible, the cause of her sudden demise, an autopsy was held and the report furnished the information that this bitch had a ruptured urinary bladder and a generalized peritonitis, a sequel to the rupture.

This bitch did not have a difficult parturition, her puppies were not large and everything moved along during the birth of the puppies about as smoothly as the most uncomplicated natural whelping could be expected to. Just why the bladder ruptured we do not know; we do know that the walls of her urinary bladder were very thin, unnaturally thin, and suspect that along towards the end of parturition the bladder filled with urine and ruptured during the contractions of the abdominal muscles which took place during the birth of one of the puppies.

At the time the bitch died these puppies were from twenty-four to thirty-six hours old and except for the very little milk one or two of the puppies had obtained from the bitch, an hour or so after their birth, they had had nothing to eat. We have always felt that it was not necessary for puppies to nurse immediately after birth and this experiment seems to prove our contention. The puppies, during this fasting period, were kept very warm and comfortable and had but little to grumble about, apparently, until they were about twenty-four hours old. After this time they became restless and did considerable crying. When we looked the little fellows over and failed to find a foster mother for them, we realized what a task confronted us in order to successfully care for ten one-pound hungry puppies.

In caring for these puppies and feeding them no fancy apparatus of any

kind was used, except that we supplied heat with an electric reflector heater. At first we procured three of those large egg crates, such as hold a dozen cartons of eggs. The top was left open, one side removed and ordinary fly screening tacked on in place of the wood. Some clean burlap was cut to fit the bottom of the boxes. One box was placed on top of the other, making them three high, with two puppies on each side of a center board in each box. A clean bag was placed over the top of the upper box and down the back of the boxes to prevent a draft. An electric heater was placed on the floor at the proper distance and directed towards the open-sided boxes to supply heat. This system worked very well, the puppies were kept warm and soon, when not more than four or five days old, they were fastening their sharp little toe nails into the wire, pulling themselves up the screen and sliding down the wire. In fact, they proceeded to do this so often that they wore the skin off their tender little noses. Because of this the wire was removed and thin wood slats substituted. After these puppies were ten days old, as they were growing so rapidly, one egg crate was used for two puppies. Each puppy was placed by itself in on-half of the crate, which was already partitioned. We separated them into individual compartments so as to be able to watch their bowel movements. When two or more puppies were together, one could not know which of the puppies was having bowel movements. Placing each puppy in single compartments enabled us to make sure that each puppy had at least one bowel movement daily. If not, three or four drops of castor oil were given. Most of the puppies had regular bowel movements and only two or three required oil.

In feeding these puppies we used an ordinary baby nursing bottle and regulation nipple; we fed nothing but pasteurized cow's milk, to which we added about four ounces of ordinary cream per quart of milk. No lime water, egg, prepared baby food or other substance was added. We got the puppies to nurse, at first, by opening their mouths and placing the nipple therein. Then, by gently pressing the jaws together, a small amount of milk would be released and as soon as each puppy tasted the milk it would attempt to suck the nipple. Some were a little slower than others, but all soon learned to suck, but not to open their mouths.

At first we tried to feed them every three hours and it took about all of our time. The ten puppies could be fed in about half an hour and each consumed about half an ounce of milk at each feeding. The milk was warmed to just a few degrees over body temperature, and the bottles and nipples were boiled several times daily. One night we noticed that the puppies were not taking the milk as usual, they would suck the nipple a few times and then spit it out. The thought came that perhaps we were going to have some sick or dead puppies in a few days, but upon examining the milk bottle we noticed that the milk was somewhat cold. We warmed the milk above body temperature and these puppies, which had been accustomed to drinking warm milk, started immediately to nurse as of old.

As the puppies grew older they, of course, consumed more milk, about one and a half ounces at each feeding when about eighteen days old. After the first ten days we fed them as often as we could, about three or four times daily, although we will admit that it was not often enough, judging by their voracious appetites at each feeding. They were so hungry and vigorous that it was difficult to keep the nipples in the mouths of some of them and some would suck the milk so fast, despite small holes in the nipple, that the milk would run out of their noses and choke them. We tried using a rack to hold the bottles, with the hope of saving time. It took about one and a half hours to feed them when two weeks old, but we never succeeded in holding more than two puppies at one time to the bottle and then it was a man-sized job to hold two and keep the nipples in their mouths.

When these puppies were about twenty days old we started them to lapping milk. Some began lapping about as soon as their noses were placed in the milk, while others took several days to learn, but every one of them took raw beef without rehearsal at the very first offer. This beef was obtained by scraping a piece of meat with a teaspoon and they would take it with avidity. (One would have thought that the puppies had been eating meat from the day they were born.) Some of the puppies that could not lap when twenty days old, took meat without hesitancy as soon as it was placed within reach of their mouths. These puppies grew splendidly and gained about a pound or more a week after the first week for about three weeks, then about a pound and a half a week. After they started to lap, they were fed milk and, once daily, for a few days, a little scraped beef. After a few days the frequency of feeding and the amount of food were increased and cooked oatmeal, meat and milk were introduced, as well as some cod liver oil daily. We examined the fecal matter of these puppies several times after they were two weeks old, but could not find a single worm ova of any kind and none was found until the puppies were seven weeks of age, at which time we disposed of them.

These puppies were not born with worm larva in their bodies because the bitch during her pregnancy was free of intestinal worms and was kept in a worm-egg and worm-larva free enclosure. The puppies were not placed in a worm producing environment until after they had passed from our hands. During her pregnancy the bitch was fed a lot of fresh raw beef and bones and no doubt the good feeding was reflected in the splendid condition of the puppies during the first weeks of their lives. The diet of the bitch was not changed in any way during her entire pregnancy; she was fed mostly on fresh raw meat; the puppies were normal physically, with no hernias, goiters, cleft palates or harelips. The dewclaws of the puppies that had them were removed when they were two days old. Their eyes opened when they were fourteen to sixteen days of age, the blue opacity of the cornea remaining for several days and gradually disappearing.

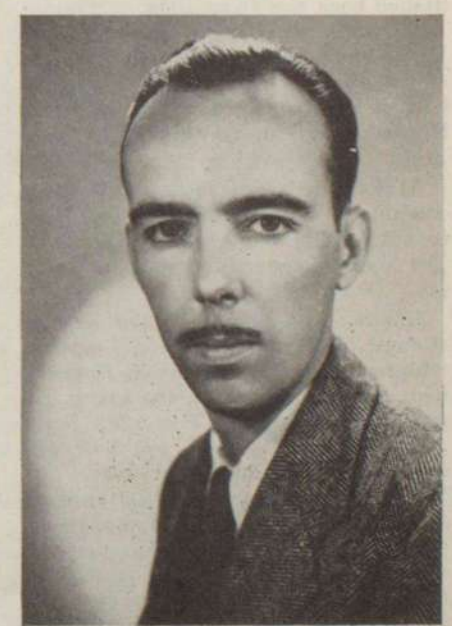

We learned from this experiment that puppies can be raised until at least weaning time without becoming infected with intestinal worms; that strong puppies need not nurse for a number of hours after birth, provided they are kept warm and thoroughly dry; that it is good practice to watch the bitch during parturition in order to know something about the afterbirths; that no special formulas are, on the whole, required to feed puppies; that warmth is an essential, in our opinion, in rearing puppies, and that time and patience are invaluable to a "foster parent."

It was rather a trying, exasperating task, at times, to hand-raise this number of puppies along with other duties, but it was truly a worth-while and useful experience.

It is nothing unusual for puppies to be hand-raised on a bottle. In fact, we quoted the title for this article because the inimitable A. F. Hochwalt dubbed the litter by Kremlin—Myers Ruth "Bottle Babies," for Mrs. Chesley H. Harris reared Worry Wart, Norias Kremlin, Alabama Scrambles and the other puppies on a bottle—and their deeds have made bird dog history. In fact, Clyde Morton has used a foster mother and resorted to bottle-feeding for the puppies in the three litters out of the immortal Lullaby.

The Saga of Mungo

By F. Fraser Bond

ANY old dog can have his day. Mungo, as it happens, is not just any old dog and his adventures hardly fall into the conventional category. Mungo has wagged his tail at so many celebrities — diplomats, statesmen, authors, actors, generals and admirals— that his tail has become blasé. He has chased submarines in the North Atlantic, high in a plane. He has experienced internment . . . and then . . . well, we'll come to that later.

He has taken all these things with aristocratic nonchalance for in his veins runs the best blood of his Newfoundland breed. His grandfather, Siegar, even had his picture on a postage stamp.

Newfoundland's 1931 stamp portraying Champion Westerland Siegar.

I met Mungo first at his birthplace, Westerland, a lovely estate near St. John's, the capital city of Newfoundland. Here, Mungo's first master, Hon. Harold Macpherson, has safeguarded the race of purebred Newfoundland dogs. I had promised to bring a present back to Hendrik Willem van Loon. Would he like Mungo? Hendrik flashed back the green light.

At that time Mungo had no name. We thought Saga would suit this dog of the North, about to join a literary household, so as Saga he set sail. Hendrik met him at the dock in New York.

"I shall call him Mungo," Hendrik announced. Sir Walter Scott's Newfoundland dog had gone by this name. The puppy wagged his tail, as if to say, "Okay."

Mungo on his home island was never allowed indoors. At the van Loon establishment in Old Greenwich, Connecticut, he had the run of the house. He soon discovered that Hendrik's heart was as big as his body, and took advantage of that heart's immensity. As Mungo's weight increased, he enjoyed throwing that weight around. Noodle, the van Loon dachshund, disapproved but could do nothing about it. As Mungo grew apace in size and strength, few disputed his right to do what he wanted. He developed a passion for sprawling full length across the direct route between living room and dining room. One had either to step over Mungo or circumnavigate. At Hendrik's sixtieth birthday party I recall seeing Van Wyck Brooks tip-toeing around Mungo's tail, while H. V. Kaltenborn gingerly skirted his head. A moment or two later, Mungo similarly divorced Simon from Schuster.

As Mungo neared 200 pounds, and food began to be rationed, I suggested shipping him back. The officials at the Custom House agreed but looked glum at the thought of permitting 200 pounds of any type of meat to leave.

Mungo Takes to the Air

Back in Newfoundland, Lieut. Nick Robson, U.S. Air Force, saw Mungo and fell for him. Lieut. Nick and his confreres in wings had the job of flying a bomber over the North Atlantic to spot and destroy German U-boats, a bomber they dubbed the Sub-Conscious. Mungo joined the crew. They fitted him out with his own personal oxygen mask and parachute. He shared their trips and shore leaves. At his home base, he met Charlie McCarthy when Edgar Bergen and Charlie dropped in to entertain. Charlie was thrilled and talked of the encounter on the radio.

On stop-overs in England, Mungo got out only at night. The English place all dogs entering the country in quarantine. Accordingly Mungo stayed in the bomber till after dark. Then Lieut. Nick and the crowd would take him off in a jeep for a change of air.

One night in London Mungo disappeared. This was easy. Mungo was as black as the blackout itself. Lieut. Nick Robson failed to find him, but the English did. They popped him in quarantine.

It may have been because the bomber now lacked a mascot . . . the crew is unanimous that it was . . . but on its next mission, this time over Germany, it came to grief. This was on the raid over Bremen on November 13th, 1943. Lieut. Nick and his squadron were flying at 50 degrees below zero and bombing through clouds. Fighter opposition was stiff on that show. The bomber was shot down. Robson and his companions bailed out, landed on the Fatherland and then in a prison camp.

From this camp, up near the Baltic, Nick's thoughts turned to Mungo in London. As soon as he could get mail through he wrote: "I surely hope Mungo is getting along O.K. He most likely won't even know me when he sees me again." He urged that every effort be made to get Mungo back to the United States. A year passed. And then? Mungo again crossed the Atlantic, and finally reached his master's home. Today, on a 1,000 acre farm near Salina, Kansas, Mungo finds he has plenty of room to throw his weight around. And now that the war in Europe is over, he awaits Lieut. Nick's homecoming which may be any day now. As he looks back over his six years to date, he feels that "Saga", his original name, would have fitted him pretty well.

THE FORUM

WHEN the Dog Show rules were revised in 1948, a standard entry form was drawn up in the hopes that it would be as fool proof as possible. On the entry form itself, there is a paragraph which reads as follows:

> "I hereby certify that I have read the Dog Show Rules adopted by The Canadian Kennel Club Inc. including those sections of the said Rules published with this premium list (and particularly the sections relating to distemper, other communicable diseases, and inoculation, also all the rules, regulations, conditions and provisions contained in the premium list of this show, and I understand and agree to abide by the same."

It is imperative that the owner or the agent sign that they agree to abide by the above.

There has been a laxity in this respect, with the result that when complaints or protests are made it is invariably found that the exhibitor or agent has not been familiar with the rules, regulations, conditions and provisions contained in the premium list.

Usually, when one signs their name to any document they read that document carefully before signing. It is hoped, therefore, that the exhibitors will fulfill this requirement when they next enter a dog in a dog show. The Show Secretaries have been instructed not to allow a dog to enter the ring until such time as this form has been signed. To avoid embarrassment and delay at the time of the show, exhibitors are requested, therefore, to attend to this matter at the time of making the entry.

We have received a letter from the Midway-Blackledge Kennels of Port Mouton, Nova Scotia. They find that despite all precautions taken they are having difficulty clearing the dogs through Customs, with the result that the delivery of a puppy may take from one to four days. Prompt delivery will certainly mean the difference between a healthy, normal puppy and a nervous, jittery puppy.

Not only is this trouble arising on the railways, but also when pups are shipped by air express. A sample of this was a puppy which was shipped recently to Charleston, South Carolina, by this latter method. The puppy cleared through Customs at Boston promptly, but was held up seventy-two hours in New York until telephone calls and telegrams convinced the "powers that be" that the pup was not intended "to be used for herding."

If any other breeders are experiencing such difficulties, will they please notify DOGS IN CANADA, in order that we may ascertain the reason for these delays and so help to save young dogs unnecessary suffering.

THE NEWFOUNDLAND ...

Know Your Breed ...

BY Alva McColl

The origin and ancestors of the Newfoundland dog are to some extent clouded in obscurity. It is generally agreed the Pyrenean Sheep Dog, with which the Newfoundland's conformation is identical, was one of the chief ancestors. The theory is held by authorities on the Newfoundland that it is an evolvement of the interbreeding of English, French, Spanish and Portuguese dogs brought to Newfoundland by early fishermen in the 17th century.

In those days, the dogs were a necessary part of every ship. They were taught to leap overboard and swim for shore carrying the end of a rope in their mouth so that they could be used to carry life lines to stricken vessels. They were on the alert instantly when the cry of "Man overboard" was heard and knew instinctively how to swim and keep the victims' heads above water.

There are few stories in canine literature which tell of more brave deeds than those enacted by the Newfoundland dog, not only as life savers on the rocky coast of Newfoundland, but also in the guarding of children while at play. They are still used in Newfoundland and Labrador as Working Dogs, hauling carts or carrying burdens as pack horses in that rugged country. Their powerful hind quarters and lung capacity enable them to swim tirelessly for great distances. The heavy coat protects them from the icy waters.

The Newfoundland possesses an intelligence, loyalty and sweetness of disposition to such an extent that it has never been known to lose any of its sterling traits even under the most trying conditions. As a perfect playmate for children it is a desirable breed in all countries where it is known. Although placid and friendly, its immense size, great strength and thunder-like bark make it so valuable as a watch-dog, that even the most intrepid of night prowlers must fear it.

Newfoundland having become a part of the Dominion of Canada, we now have another breed which is typically Canadian.

Height: Dogs, 28 inches; females, 26 inches.
Weight: Dogs, 150 pounds; females, 120 pounds.

Lord Byron, cynic and misanthrope, wrote the following epitaph for his Newfoundland dog:

Beneath this spot
Are deposited the remains of a being
Who was possessed of beauty without vanity,
Strength without insolence,
Courage without ferocity,
And all the virtues of man without his vices.

This praise would be but empty flattery
Were it inscribed upon the ashes of a human being.
And yet it is only what is due to the memory
Of the dog BOATSWAIN:
Born in Newfoundland, May, 1801.
Died at Windsor, 18th November, 1815.

Glancing through the Stud Book of the Canadian Kennel Club, we are amazed to find that Labrador Retrievers are now amongst the first ten most popular breeds to be registered. This breed has gained so much in popularity that it may be, possibly, amongst the first three next year. Cocker Spaniels still lead the field on a ratio of five to one: Collies are next, with Boston Terriers, Springer Spaniels and then Labrador Retrievers. German Shepherds continue to lead the Working Dogs, and we note that with an entry of seventy-two at the Guelph Kennel Club Show they had the largest entry of any breed.

While looking at records, we wonder if it would be possible to ascertain if Canadian fanciers have created any new world records. It is said that an Irish Setter in Western Canada will soon be the only living one of its breed to have won a dual Championship.

We believe that the Welsh Corgi (Pembroke) owned by Mrs. M. H. Page, of York Mills, is the first dog to win all the Obedience titles in the United States and Canada, in addition to his bench Championships.

Glancing over the advertisements in the June issue of DOGS IN CANADA, we noted that one litter of Great Danes has produced five Champions. We refer to the advertisement of Mr. David Fingard, in which he announced that Ch. Fingard's Count was the fifth Champion bred by him from the one litter.

In the Field Trial Championship awards, we notice, there were two Field Trial Champions from one litter. They are the Labrador Retrievers, Crailing Dick and Crailing Dan, 2nd, bred by Harry Nash of Edmonton, Alta.

If there are any others who feel that they have something to offer so that we may claim world records, will they please write to DOGS IN CANADA.

When Bob Wilson was injured in an automobile accident prior to the Richland and Yakima, Washington, Dog Show he was taken to hospital where he immediately began to worry about the twenty or more dogs which he was to handle at the Show. Johnnie Long, one of his strongest competitors, took the dogs and added them to his own string of almost sixty which he had to prepare and show at the one-day show. The money derived from handling the dogs was then sent to Bob Wilson in hospital. It is thoughtful acts like these which make the sport of showing dogs worth while.

The Red and White Parti-coloured bitch, Greenfield Ginseng (Ch. Honey Creek Harmonizer ex Int. Ch. Honey Creek Pandora) owned and bred by Mrs. E. J. Lockie, Greenfield Kennels, Markham, Ontario, shown at the Cocker Spaniel Club of New Jersey, Plainfield, N.J., on May 27th, went Best of Variety in the parti-colour Division of the Sweepstake, winning a Sterling Silver Trophy and seventy dollars cash. Ginny was shown on the Montreal and Ottawa circuit and went Winners Bitch at four straight shows. She only needs one point for her Canadian Championship and is to be campaigned in the United States.

Mrs. Morris H. A. Drury, of Oakville, Ont., with her two Champions, Hagerty's Mine Alone and Sovereign's Escort. Colonel and Mrs. Drury are lifetime exhibitors of horses and owners of Boston Terriers, but this is their first season at Dog Shows. A highly successful one, be it remarked, as both dogs started and won their titles together within six weeks, Ch. Sovereign's Escort finishing at the age of nine and one-half months. Added interest is the fact that Ch. Hagerty's Mine Alone went through as a Canadian bred, refuting the common belief that dogs in the Open classes have the best chance. She was handled by an amateur, Sgt. George Kennedy, of Central Command, Oakville, who had never before shown a dog. Beginners, take heart!

There has been quite a controversy raging in England regarding awarding Championship certificates to puppies. At the Bi-Annual General Meeting of the English Kennel Club, it was found that in 1947 only seven dogs became champions whlie under the age of twelve months, one of these dogs being eleven and one-half months old.

Out of a total of 427 Champions in 1948, only ten dogs were under the age of twelve months and of these ten, four were over eleven months old. As a result of these figures, the General Committee felt that no alteration should be made to the rules.

Now you can get insurance against damage done by pets and domestic animals. The Society for the Prevention of Cruelty to Animals offers it at the rate of $5.00 per year. The coverage protects against damage done by animals such as horses and cows, kept for use, and dogs or cats, kept as pets. The policy provides for liability up to $10,000 when the animal is at fault.

A man always could insure himself against injuries inflicted on him by animals. The new departure here is that the owner of such creatures can insure himself against suit for harm they may do. The S.P.C.A. assumes the owner's risk when his dog ventures forth.

But the animal must be at fault. People who go around prodding strange dogs with their canes won't be able to collect. Yet here is where there might be a catch. Suppose there is no witness, save the victim. Would not he be hopelessly prejudiced? We can see cases coming up that may rock the country to its foundations — dog-lover versus the rest.

It is to be hoped that pet owners will take advantage of the insurance and obtain it for their animals. There are a number of cases every year of children being mauled by dogs. Horses are not common on city streets any more, but a horse can easily inflict serious injury with its hooves. Besides, the insurance pays for such things as trampled gardens. Protection against financial loss should be well worth the small sum charged.—Cornwall Standard Freeholder, Ont.

It is with regret that we read the announcement of the discontinuance of Ken-L-Bits.

This little magazine, published semi-monthly by the Quaker Oats Company, Chicago, Illinois, and edited by Mr. C. E. Harbison, was considered one of the finest of its type. Its interesting news items, photographs, dog show awards and information about forthcoming shows were read and enjoyed by thousands of dog lovers. The human interest stories written by Mr. Harbison were reprinted in many magazines and newspapers.

Ken-L-Bits had grown to such an extent that the increasing burden of its production became too much for its staff to handle in addition to their all-important activities connected with dog shows, field trials, etc. Therefore, it was found necessary to end its publication with the June 5th issue.

PROVINCIAL NOTES

B. C. Mainland News

By Jean Fletcher

SORRY to hear that Mr. and Mrs. George Busby are on the sick list. Their many friends wish them a speedy recovery. The Busbys are well known for their good Springers, and they were greatly missed at the last four shows.

Mrs. G. McEachren is talking about those five Group wins her Danny's Masterpiece won at Hull, Ottawa, Kitchener and Hamilton; four Best Canadian bred wins and Best in Show at Kitchener, plus two Reserve Best in Shows. Danny is handled by Ted Ward.

Congratulations, Mrs. Kelly, for the fine wins made by your Maltese puppy, completing his Championship in four shows at eight months of age. This is good, not to mention his going Best Canadian bred puppy, all breeds, twice, and second and third in the Toy group in fast company, causing quite a sensation.

Another Toy, this time a Peke, to cause comment is Tinker Toi's Golden Toi owned by Art Britton. This dog was winners at both Victoria shows in a good Peke entry and nicely handled by Betty Fraser, "the gal with the nice new hair do".

Nice going for Florence Clark's Peke, Tinker Toi's San Toi, going from Open to Best in Show at Spokane, Washington, and Best Toy at Portland. He now has twelve points for A.K.C. title.

Vernon "went to the dogs" when a dog fashion show and a Sanction Show were held in conjunction with the annual fair. Mrs. G. O. Alsen judged, and according to all reports "A" had a marvellous time. The hospitality of the Okanagan being pretty high, she was well entertained. Velma Trump (Mrs. Wright) helped to run the show and is now planning a pet parade for Vernon.

Mr. and Mrs. Ralph Barrie, Maplewood, B.C., are thrilled with the nice wins their Welsh Corgi has made. Champion Rador's Golden Harvester has made his American Championship in and around New York and is being looked after by the Andely Kennels and handled by Mr. W. Brumby. Mr. Barrie is importing a female Corgi from these Kennels.

During the showing of "The Sun Comes Up" at the Orpheum Theatre, Vancouver, a Sheltie was drawn for at the Saturday matinee. This was won by young Laurence Haddon, who was "thrilled to pieces". The Sheltie, bred by Haven Kennels, Brighouse, B.C., was on display in a window adjacent to the theatre and attracted considerable interest.

The International Kennel Club have had two very successful shows with an exceedingly good gate. Much credit goes to the hard-working officers, and to Hilda and Oswald Balshaw as Show Secretary and Ring Steward. The shows were over at an early hour, and although the building has seen better days, it is still holding together. After all, it isn't easy to get a place for a show, especially where we have outside exercising room. The judges need no introduction. "Vic." Williams and Sandy Forbes both turned in a good two days' work. Best in Show, the first day, went to Mr. and Mrs. Johnnie Long's Dane, Lorelei. The following day, Best in Show went to Mr. and Mrs. Willet's black Cocker, Willet's Mr. Chips.

The Lions Club in Victoria held two shows after the Vancouver ones, and I understand this is the club's first dog shows under the guidance of Frank Creasey. The trophies were good as well as useful. Victoria is much more "doggie" than Vancouver, and a show is an event not to be missed. The Lions Club entertained the director, Mrs. G. O. Alsen and Mr. "Vic." Williams and the judges at a luncheon. The judges were Mrs. Elsie Murray and Mrs. Lillian Miller, of Seattle.

Mrs. Beulah Sullivan attended the show and will, no doubt, come back to British Columbia. Mrs. Gardiner, of Edmonton, looking very fit after her illness, judged in place of Bill Pym, who couldn't come owing to his mother's illness. Wally Bowden, well known for years as a Terrier breeder, was also on hand; also, breeder judge Freeman Johnson of Vancouver, Wash., who took time and patience with his Cocker entry. Best in Show was Long's Dane, Lorelie, beautifully handled by owner Junior Long. Best in Show on the second day was Sally Cohen's Pomeranian, Golden Glow Dandy, looking like a picture under its owner's capable handling.

When Clyde Ritchie had the misfortune to lose his Borzoi the Pat Tripps gave them Patmer Czar, and Mrs. Ritchie insisted that the dog be jointly owned. Clyde showed it on the Prairie Circuit, and at our May shows the Tripps dissolved the partnership and it is now fully Mrs. Ritchie's. It has won three Groups, seven Best Canadian bred Puppy and two Best Canadian bred. Congratulations to both owner and breeder.

Nice going for Director Mrs. Alsen, winning three Best Canadian bred at the last four shows with her Poodle, Sue. Glad to hear Mrs. Kildetoft has finished her first Airedale Championship handled by Mrs. Alsen.

Vancouver Island Notes

By Gladys McGee

VANCOUVER Island is still talking about the wonderful show sponsored by the Lions Club. This was the first attempt of the Lions Club to put on a Dog Show and I am sure they will be only too happy to do so again, after the marvellous compliments which were paid them by the exhibitors and visitors.

The Superintendent, Mr. Frank Creasey, worked tirelessly to put the show over. All judging was completed by 10.30 p.m. and Vancouver people on the way to their boat.

A nice gesture on the part of the Lions Club was the presentation to each of the lady judges and ring stewards of a lovely gold compact as a souvenir of their participation in the show. It is very rarely that a ring steward receives commendation for the hard work that is done. After all, the success of the show depends a great deal upon the manner and speed with which the dogs are brought into and out of the ring.

We were most impressed with the judging of Mr. Freeman Johnson of Vancouver, Washington; Mrs. W. Bowden of Victoria; Mrs. Elsie Murray of Vancouver, and Mrs. Dorothy Gardiner of Edmonton. We appreciated Mrs. Gardiner's work, more so in view of the fact that she has been very ill and it must have been an effort for her to come to the show when requested to do so as a replacement for Mr. William Pym.

Mr. Byron Mason, well-known English bulldog exhibitor in prewar days who left us to reside in Alberta, is back with us and intends to take up again the breeding of bulldogs. We also saw Mr. and Mrs. J. Galloway, Mrs. B. C. Walker of Duncan, and Miss L. Hickling of Nanaimo who think nothing of making the long trip to our shows.

We hear that Mrs. S. Parry of Duncan brought a Welsh Corgi, Lee's Moonlight of Brow, all the way from England by T.C.A. for the show. Importations are coming in every day to the Island, Mrs. W. Johnson bringing some more Cairn Terriers from California.

From all accounts, the sale of dogs is very brisk on the Island, due, no doubt, to the increased interest being taken and, also, better weather.

Saskatchewan Notes

By Burnice Heaven

WELL, here we are back after a month's absence. No news is supposed to be good news but as far as your correspondent is concerned that is definitely b-a-d — BAD!

Spring is really with us, and we've had many out-of-town callers the past few weeks. Garry Herald stopped by on his way home. Same old Garry carrying the torch high for his beloved Dobs. Enjoyed a very pleasant visit with Pat Randall and Mrs. Beamish who were in town doing a bit of kennel hopping as Pat so aptly terms her infrequent visits to Regina. Biggest surprise of the month was the unexpected but most welcome visit of Reg. Poole and little Bart of Brandon. Heaven wasn't what it should be having just climbed out of bed about half an hour previously after a 2-day bout with the flu. However, we were very happy to see someone radiating good health and cheer. I'm certain that Reg. would be happy if some of us Fanciers in Saskatchewan made an effort to attend

the Brandon Dominion Day Show. I can absolutely guarantee a pleasant time and hearty welcome if the one I received last year was a sample.

News comes from Mrs. Cooper of Gravelbourg saying that she is very confident of raising better Collies with the recent purchase of a new stud "Alandale Aristocrat of Ashford".

Ogden's Fine Cut, a young female Bulldog, has just hopped a plane for Tecumseh, Ontario, where she will take up residence. Cliff Anderson, another Bulldog Fancier, recently joined the Club and we are pleased to welcome him into the Dog House, as it were.

Beagles seem to be taking over in Regina, as Ken. Senior not so very long ago imported a female in whelp. That Hound Group is really beginning to build up in this part of the world. Good!

Mr. Walter Riome informs me he has purchased three Cocker puppies out of Ch. Lancaster Nowanda of Carimor x Ch. Stockdale Town Talk. Early this year the Moose Jaw S.P.C.A. purchased 26 lots on the coast to coast highway which are to be beautified with trees and shrubs. A dwelling, workshop and kennels will be built. Mr. Riome, who is the President of the Moose Jaw S.P.C.A., will be the manager of the new kennels.

Well this is about all for now, but I hope all the Saskatchewan Fanciers will remember the Regina Show coming up the first week in August. Everyone has worked extremely hard and we are confident of holding a splendid show. Plans have been made to have the show officially opened this year. Our Judges will be Mr. Frank Creasy of Victoria and Mr. Robert Waters of Haney, B.C. Do come and renew old friendships as we assure you of a hearty welcome and a pleasant stay.

Manitoba Notes

IT'S July again, with the Brandon Shows and Greater Winnipeg Kennel Club Show just a breath away. The Fort Garry Kennel Club is in the middle of plans for a show in September. We are looking forward to seeing some new exhibitors and new dogs to help make this fascinating game more interesting.

Bert and Pearl Aconley of Ainville Kennels are happy at the return of Mrs. W. (Bill) Aconley from England, where she has spent the last year. By the way, has anyone seen the new Austin Kennel truck the Aconley's are sporting around? I am thinking enviously of that "gallon" of gasoline that lasts them all day while we use unknown gallons with our crate!

Mr. J. Milner, Vice-President of The Greater Winnipeg Kennel Club and our old time Collie fancier, spent a few enjoyable days visiting Mr. and Mrs. Ken. Rayner of Emo, Ontario. Needless to say, the lovely Collies were the main attraction.

I hear the Gosticks have re-opened The Sportsman's Kennels for the summer again. Now that Joan has the "bug" she can't stay out of the game. Good luck, and keep up the good work.

I'm sure members will be glad to know that Mrs. J. Gove is able to give more time to club business now, since her husband, Jim Gove, is back home from hospital after seven tough weeks of it.

Congratulations and the best of luck to Mr. J. C. (Jack) Kerr, former secretary of The Brandon Kennel Club, who was recently called to the bar. He served four years in His Majesty's Navy. Mr. Kerr is following in the footsteps of his uncle, Mr. N. Whitby, K.C., of Brandon.

The Cocker Spaniel Specialty Club was very pleased to have at their May meeting Mr. H. Brock-Smith, a business executive and noted speaker, who took as his subject the intriguing one "Why Bother with a Dog Show?" He said striving for perfection did something for the human spirit; competition brought out the qualities of true sportsmanship in men and women, or indicated the lack of it, and only those who could take intense competition or frequent disappointment stay with the dog game. He ended his address by saying that you couldn't find a cleaner hobby or a more endearing object of attention than dogs.

At the same meeting, Mr. George Kynoch, local dog man, transformed a shaggy black Cocker Spaniel into a handsome show animal. He recommends an old necktie as standard equipment for tonsorial practice. It is wound around the dog's muzzle. Bobby, a good dog, did not require the necktie. He took the whole thing very well, although he did try to sit down on his tail when Mr. Kynoch was trying to shear that appendage. Mr. Kynoch advised clipping black Cockers three weeks before the show, with a final trimming up one week before the show. Red Cockers should be clipped eight weeks before the show. Even Fido looks better with a haircut.

The St. Vital Agricultural Society is holding a Sanction Show at the usual fair grounds. Bring your puppies, folks. It's lots of fun.

Notes From the Province of Quebec

By Pamela B. Mack

THIS month we have indeed been fortunate with so many shows to attend. It is not often that the Quebec exhibitors have the opportunity of seven shows within one month, so I hope that you all did your best to attend as many as possible to help your own dogs to win as many prizes as possible and to encourage the show-giving clubs with a good entry.

To start off, we had the two Ottawa Kennel Club shows on May 6th, and 7th. While these do not strictly come into this province they were very well attended by our members and perhaps the news will interest those who were unable to attend. At the first show, Best in Show went to the beautiful Irish Setter which won the sporting group this year at Westminster, Am. Ch. Knightcroft Symphony. The second day's Best in Show went to Mrs. R. S. Quigley's Pekingese Int. Ch. (Am. and English) Bonraye Fo Yu of Orchard Hill. The presentation of the Best in Show award on the 7th, was made by His Excellency the Viscount Alexander of Tunis, which made a very fitting climax to two very enjoyable shows as usual so well organized by the hard-working executive of the Ottawa Kennel Club. At this time I think special praise should be given to Mr. J. MacLennen whose untiring efforts at the microphone enabled the judging to be conducted so easily with none of the usual annoying waits while exhibitors are located.

At Hull, P.Q., on the Sunday, May 8th, the Hull and District K.C. put on their first championship show. This club is to be very highly congratulated; with an entry of over three hundred dogs and many exhibitors from the United States, their show was a great credit and showed the amount of organization and hard work that had so obviously gone into it. The Prize List was very good and the attendance by the public certainly proved that any large city can undertake three consecutive shows and still have a very good gate on the third day. To get away for a moment from doggy matters—I should like to compliment the Hull Club on the excellent idea of having available a very excellent buffet meal which was such a pleasant change from the eternal dog show sandwiches, and was greatly appreciated by the exhibitors. The Peke again took Best in Show at Hull, thereby finishing his Canadian Championship and giving him the title of English, American and Canadian Champion, which is quite a title for such a little dog. Winna Sir Robin, a Pug puppy owned by Miss W. M. Steggall, won 2nd in the Toy group to the Peke and best Canadian Bred Puppy in Show.

Word comes from Mrs. Everrett that her Bedlington Int. Ch. Canis Prior went Best in Show under Mr. A. Rosenberg at Guelph, recently, much to her delight.

The last of our shows this month in the Province were the two Annual spring shows in Quebec City on May 28th, and 29th. These shows are always most enjoyable and I think this year were better attended by the public than I have ever seen them. Best in Show on the 28th, was Int. Ch. Canis Prior, the lovely little Bedlington owned by Mrs. Everrett of Acadia Lodge. Best Can. Bred Puppy was a nice little wire, Morningside Tinker, owned by Miss B. Gibaut. On the second day Best in Show went to THE boxer, Allison Tally-Ho, owned by Dr. and Mrs. Morgan and bred by E. A. Eaton of Pointe Fortune. Reserve was again the Bedlington Prior, and best Canadian Bred puppy was the English setter, Lucky Strike Cynthia, owned by Mrs. Detmold of Spruce Kennels, whose Setter Ch. Solace 2nd won the Sporting Group.

Mr. G. Howard of Merlin Scottie Kennels, did very well with his new Briard Tahamonts Fantasie, taking 2nd in the Working Group on the second day; also Mr. Baxter of Upperton Kennels went to third place on the first day with his Corgi, Bracken of Ballybentra. Mrs. M. D. Hope's long-haired Dachshund, Primrose Patch Lord Black, was placed third in the Hound Group on both days.

The following Quebec dogs finished for their championships, subject to C.K.C. approval — Mrs. B. Everett's

Bedlingtons, Judy of Idle, Acadia Lodge's Blue Velvet, Sonora of Rownoaks, and the Cocker, Acadia Lodge's Trumpeter. Mrs. C. Doniphan's Pekingese, Sanell Yu Bee Tu, also took best Toy both days at Quebec. Mrs. Branders', Yorkshire Terrier, Judy of Rosevale, Dr. and Mrs. Trenouth's Wire-Haired Fox Terrier, Morningside True Whirlaway, and Nicholas and Sean Mack's, Skye Terrier Talisker's Bright Star which was also third and fourth in the Terrier groups.

Word comes from Miss Steggall that her Pug, Canadian Ch. Winna Prince Charming, has finished his American Championship, going Best of Breed recently in an entry of thirty Pugs. This was the sensational little dog that last year won three Best Canadian Bred puppy in show, and at the age of nine months Reserve Best in Show at Quebec last spring. This gives Miss Steggall five straight generations of home-bred International Champions, which is a wonderful record for any breed. Her puppy, Winna Sir Robin, was second in the Toy Group at Quebec.

It is good to be able to report so many Quebec dogs winning at the shows, and if I have left any names out my sincere apologies. If you will send me in the details I will be delighted to include them in the next notes. So, send me along any news you have and until next month good luck at the shows and with your dogs.

German Shepherd Dog Breeders Association

By Beth Hendry

T is doubtful if the members of any club could be more jubilant than were our members when they arrived at the Guelph Kennel Club Show on May 24th to find that the German Shepherd breed had topped the entry. At this, our first Specialty Show, seventy-two dogs competed. We believe this to be a record for our breed in Canada.

The judge, Mr. Grant Mann, of Detroit, was elated to find such a large entry of high quality dogs and he thoroughly enjoyed judging them, while we, as exhibitors, were more than pleased with his placements.

We would like to pay tribute to the Guelph Kennel Club for staging their dog show in such an ideal building with ample space for benching and large judging rings.

The Obedience Trials sponsored by our club had an entry of twenty-nine, all well-trained dogs which were a credit to their owners. Our precision drill team gave its usual good exhibition which was greeted with prolonged applause from the ring-side. We now have two beautiful silk flags which were presented to the team by Lady Eaton. The entry of the team preceded by two flag bearers, followed by twelve perfectly-trained German Shepherd dogs which marched in unison, accompanied by music played on the Hammond organ, was a sight to be remembered. We should like once again to pay tribute to our trainer, George Taylor, who has done so much to make this attraction a success.

The German Shepherd Dog Breeders Association cordially invites you to write them for information on—

The Eastern Ontario Collie Club

By Alma Harwood

THE members of our club are happily winding up inside General meetings, and after a social evening on June 7th to send our fortunate members to their summer cottages, we will follow the procedure of last year and hold two summer picnics for those of us staying at home. We find this gives our out of town members incentive to visit with us, too. Last year, we started a Collie film and it is the intention of the club to continue it at these picnics this year, so that we can acquire a sufficient amount of material to cut and title and have for the use of Canadian Specialty Clubs. These events draw between forty and fifty Collies, and the beautiful surroundings of Ottawa's Experimental Farm makes it a photographers' paradise.

In my recent tour to Hamilton, Kitchener and Guelph, Collie owners and exhibitors expressed very kind interest in the Club's Specialty Championship Show planned and approved for October 15th of this year. To all who offered helpful suggestions and constructive criticisms, I would like to say "Thank you" through the medium of this article. To Toronto breeders who extended the hospitality of their homes I am very grateful. For those I could not possibly cover due to over-pressure of work, but who had invited me, I can only say that I still look forward to seeing them in the near future.

The Collie and Shetland Sheep Dog Club of Canada is to be congratulated on their foresight in having the eminent Dr. McCain judge their Guelph Specialty Show, and I would like to be recorded as saying that I have never seen so many satisfied exhibitors in one place before. This would seem to be a happy faculty of Dr. McCain's. In conversation with Mrs. McCain, she assured us that it was too much of a happy faculty, because their lives were fast becoming a round of American shows. As an observer, it was heartening to see the high quality of our breed gathered for the judgment of Dr McCain.

The Collie and Shetland Sheep Dog Club of Canada

By Yvonne Tomlin

HELLO again, Collie people! We were glad to see so many of you at our Specialty at Guelph on May 24th. We think it was a wonderful show, and Dr. McCain did a commendable job of judging both Collies and Shelties. Believe it or not, we heard no complaints!

Congratulations, Art Meyer, on that well deserved Best of Breed with Strathaven Symphony of Erith. There is a tri female that will go places! Sweet as they come, and perfect conformation.

Quarrybrae Lucky Clansman, owned by Harold Matthews, topped the dogs; a pretty sable in real show shape.

Quarrybrae came out on top with Redway Lad copping Winners Dog in the Shelties. Bill Pietz' Wil-O'Mels' Scotch Mist took Winners bitch and Best of Breed. She'll hit the top easily!

Our first attempt at a Collie puppy Sweepstakes was a real success. Ed. O'Hara took Best puppy dog with Sir Douglas of Cluny, and Walter Pye with Allandale Alluring (handled by that nice girl from Ottawa) took Best puppy bitch, and also was Grand Sweepstake Winner.

By the way, it was nice to see some Ottawa Collie folk at our show and we hope to return the compliment on October 15th.

The Collie and Shetland Sheep Dog Club of Canada is now adjourned for the summer, but we hope to see you in September. Until then, Happy Holidays, everybody.

The German Shepherd Club Club of Canada

By Walter O. Flink

Secretary, The German Shepherd Dog Club of Canada

ABOUT 40 of our members gathered in our Club Rooms at the Royal York Hotel, Thursday, June 9th, for a General Meeting during the course of which the Carling's Conservation Club Movie "Expedition Moose" was shown. A great deal of our discussion centered around our 27th Annual Specialty Show, to be held on the grounds of the Manufacturer's Life Assurance Building, Bloor St. E., Toronto, on Saturday, Sept. 17th. Dr. Lewis Daniels has agreed to judge our show this year, and we expect it will be the best we have ever held.

Our Training Classes for Shepherds, held each Wednesday and Sunday, are progressing favorably, and shows up in the wins made by dogs of this club at the various shows throughout Ontario.

Congratulations are in order to Ed. Summerfield, who must be very proud indeed, because his dog "ROGER OF LONGWORTH" went Best in Show All Breeds at the recent St. Thomas show.

Classes are being held this summer by our Club for Student Judges for both Bench and Obedience Show.

An invitation has been extended by the Harradines to spend a pleasant Saturday at their Lake Scugog cottage on July 16th. A good time is assured for everyone.

Central Ontario Beagle Club

THE first Annual Specialty Bench Show of the Central Ontario Beagle Club was held at the country estate of Emerson Robertson, at Streetsville, Ontario, on Sunday, June 12th, with an entry of seventy-one Beagles and thirteen Fox Hounds.

Fred McLaughlin, of East Jordan, Michigan, judged the Beagles, and W. C. Baldwin, of Hull, Quebec, judged the American Fox Hounds and the Best Hound in Show. It was an ideal day for an outdoor show, for the judging rings were laid out in the green meadows beside the river and beau-

tifully shaded by a grove of elm trees. A chicken dinner was served at noon, and in the evening Mr. Robertson entertained at a turkey buffet supper.

The quality of the dogs can be noted by the following awards: Best in Show All Breeds was the well-known Beagle, International Champion Thornridge Wrinkles, owned by Samuel Granata of Rochester, N.Y.; Reserve Best in Show, the Fox Hound Stanbury's Bill Sprankle, owned by George Sprankle of Guelph. Best Canadian-bred in Show was Jacobi's Jim Dandy, bred and owned by Philip Jacobi, Toronto. Best Canadian-bred Puppy in Show, Nichols' Jeane, owned by Tom Nichols of Windsor, Ontario.

The reception given this first Beagle and Fox Hound Show was so gratifying that the fanciers of other Hounds in the Hound Groups are anxious to see this made into an annual event embracing all Hounds. As this was the largest entry of Beagles ever shown in Canada, it is quite possible that the members of the Central Ontario Beagle Club might look kindly upon the idea.

The Brant Kennel Club

By Dorothy Gilham

PROFITING from the experience gained when the Brant Kennel Club held its All Breed Show last year, the second Annual Show to be held on August 6 in the Brantford Armouries will be vastly improved. The Show Superintendent, Mr. Norm Duckworth, is anxious to see the show run on schedule and hopes that the exhibitors will co-operate by arriving with their dogs as early as possible on the day of the show so that the judging can be completed at a reasonable hour. This will allow the exhibitors ample time to return home that night.

Mrs. Marie M. Nolan, of Milford, Ohio, heads the list of judges, as you will see by our advertisement in this issue of DOGS IN CANADA.

While the Show Secretary is a newcomer in the Show game, there is plenty of enthusiasm, which will assist in helping to make the Show a success.

The prizes are exceptionally good, and Brantford, known as the birthplace of the Bell Telephone, is a most hospitable city and within easy driving distance of Toronto.

Judging Rings at the Guelph Kennel Club Show.

Guelph Kennel Club Show

ONCE again Guelph came to the fore in offering a new type of show never before attempted in Canada.

The ring set-up and the method of getting dogs to the judges and stewards was unique and new in the annals of dogdom in Canada.

There were four judging rings and a special ring for obedience trials. Two of these rings were devoted to the all-working dog Specialty Shows conducted in conjunction with the All-Breed Show. The remaining two rings took care of the balance of the breeds. In addition to these actual judging rings there were what we choose to call (for want of a better name) bull rings. To each of the main rings there was attached a bull ring into which all the males of a breed were assembled, numbered and held ready to be judged without needless delay. As each class was judged the winner returned to the bull ring to await further competition and the unplaced dogs went directly to their benches. Females followed in the same order.

In breeds where the representation was not too large both males and females were assembled together and handled in the manner outlined above.

Uniformed attendants were on hand to assist owners and handlers with their dogs while in the bull ring and return them to the benches.

The Guelph Kennel Club was confident that with this new and novel innovation the judges would have plenty of time to appraise each dog without the necessity of hurrying and still allow Best in Show to be judged at a respectable hour.

On the Gardens' floor where the rings were located, no person was allowed with the exception of the judges, stewards, officers, and those in charge of the dogs to be judged.

The co-operation of all breeders and exhibitors in adhering to these new ground rules assisted the Guelph Kennel Club greatly in avoiding any confusion.

From reports which have been pouring into DOGS IN CANADA the exhibitors and spectators were more than grateful for the able manner in which the Guelph Kennel Club Show was conducted, and the following letter written to the club Secretary by Judge Anton Rost of New York City speaks for itself.

"I would be negligent, indeed, if I failed to tell you how very much I enjoyed my part in the recent show held by your club.

"I have judged pretty well all over this country, a few times abroad, and as you well know, in Canada, and I can honestly say that your group can take much pride in the manner in which your show was conducted. Not only was your building ideal for the purpose, but the handling of the entries and the promptness with which they were brought into the ring was extremely commendable. The show was beautifully set up—the trophy tables nicer than anything I have seen in some time—and the spirit of your exhibitors and your Committee of the very best.

"My sincere congratulations on a job well done. I am proud to have been a part of it."

And from Alva Rosenberg the following comments also speak for themselves:

"I want to congratulate the Guelph Kennel Club for staging one of the most pleasant and efficiently run shows I have ever attended, either in Canada or the States. The Guelph Memorial Gardens lent itself admirably for a dog show, spacious, light and so arranged that the benching could be held in one part far enough away from the judging rings to prevent unnecessary noise and confusion. Thanks to the efficient management and a steward who really knew his business, there were no delays and everything went off according to schedule.

"Advertising is seldom very successful in the hands of those who don't believe in it—or grudge the money for it—or look on it as a necessary evil. Advertising is one of the great constructive forces in our modern economy. It should be used with disciplined and intelligent enthusiasm. It should be looked on not as an expense but as an investment certain to bring gratifying returns—if wisely used."

The Morris and Essex Show

Held at Madison, New Jersey, May 28th, 1949

By Alf. Loveridge

IT was with great pleasure that I attended this world famous outdoor dog show as the guest of the sponsor, Mrs. Geraldine R. Dodge. As usual, it was "Giralda weather", a term quite often used today because, with the exception of one year since its inception, the weather has been ideal for this big show. Thousands of square feet of canvas are erected on the five-hundred-acre estate each year to be used in the event of rain, but only once has it been necessary to put the show under cover.

When one has attended the show for nineteen years they become used to believing that it is impossible to make any improvements, but each time one finds that after the months of planning necessary to an attraction of this size it has reached a higher peak of perfection.

The warmth of the Show Committee is such that every exhibitor and spectator is made to feel as if he is amongst friends. Mrs. Dodge spent the entire day greeting the dog fanciers who had come from all parts of the United States, England and Canada.

Mr. Raymond L. Patterson, Chairman of the Show Committee, not only had the show running smoothly but also, with the help of Mrs. Charles W. G. Baiter, Secretary-Treasurer of the show, looked after the comforts of the exhibitors and their dogs.

Almost three thousand dogs were benched and ready for the ring on schedule. Hundreds of employees were on hand to help at every turn; before the opening to help with unloading the dogs and at the closing to help load the dogs and assist the exhibitors on their way.

An estimated forty thousand people attended the show as spectators, and as one out of every three came by automobile it speaks well for the organized planning that there was no traffic problem. By following directions, spectators arrived quickly at the parking lot and exhibitors were able to park near the place where their dogs were benched.

There was a large entry of Canadian dogs and it was a pleasure to watch so many of them winning high awards.

The following is the list of Best in Show and Group winners: Judge, Mrs. David Wagstaff of Tuxedo Park, N.Y., chose Ch. Walsing Winning Trick of Edgerstoune, imported Scottish from the New York kennels of Mrs. John Winant as her Best in Show dog then gave the American-bred honors to the second place terrier, the Welsh, Ch. Twin Ponds Belle from the Long Island kennels of Mrs. Edward P. Alker.

Among the Sporting dogs, the Black Cocker, Ch. The Dream Boy of Chalburn took the coveted first place. Mr. and Mrs. W. Chalmers Burns of Ridgefield, Conn. are the owners. The frequently winning Irish Setter bitch, Ch. Knightscroft Symphony, owner Miss Helen Naylor of Blue Bell, Pa., was in the second spot while third went to an English Setter bitch, Ch. Mary of Blue Bar from the kennels of C. N. Myers in Hanover, Pa. Final spot in the group was taken by the ASCOB Cocker Ch. Hi-Home Executive, owned by Frank F. Higham of Panesville, Ohio. Mervin F. Rosenbaum, well-known California all-rounder made the placements.

Hounds, which were judged by Anton Rost of New York City, were topped by the class Longhaired Dachshund, Ali v. Herrenwald owned by Mrs. F. E. Madd of Mission, Kansas. Second place to the Smooth Dachshund, Ch. Aristo von Marienlust, owned by Mrs. Lancaster Andrews of Westbury, L.I., N.Y. A Bloodhound, Ch. Ezra of Clan Dongan owned by Pearl and Edd Armstrong of San Gabriel, Calif., captured third. Fourth place ribbon to the Beagle (over 13) Ch. Hobby Hollow Hunter, owned by Mrs. Ed. S. Bloomberg of Shaker Heights, Ohio.

Ch. Jet v.d. Ravensburg, Doberman, owned by Mr. and Mrs. Walter A. Dencker of Malverne, N.Y., headed the Working breeds. Runner-up was the Great Dane, Ch. Fury, owned by Creighton B. Hayne of Cleveland, Ohio. In the third spot, the class German Shepherd, Cito von Haus Tippersruh, owned by Mr. and Mrs. Michel Kay of Highland Park, Ill. Fourth in the Group to the well-known Boxer, Ch. Merry Monarch from the Claredda Kennels in Old Brockville, L.I., N.Y. The choice was made by judge John W. Cross, Jr., of New York City.

Terriers were led by the Best in Show Scottish, closely followed by the Best American bred Welsh in a large and classy terrier Group. Third place winner was the class Wire bitch, Kirkmoor Anfield Patch Up, owned by Mrs. Cheever Porter of Noroton Heights, Conn. Final spot in the Group to the Sealyham, Ch. Robin Hill Brigand, owned by Mrs. Robert B. Choate of Danvers, Mass. The dogs were chosen by judge W. Ross Proctor of Pittstown, N.J.

Toys, where the judge was George Owen of New York City, had their winner in the Westminster Toy Group winner, the Miniature Pinscher, Ch. Rajah von Siegenburg owned by Mrs. William O. Bagshaw of Beverly Hills, Calif. Second went to the imported Pekingese, Ch. Bonraye Fo Yu of Orchard Hill, owned by Mrs. Richard S. Quigley of Lock Haven, Pa. Ch. Gerogian Gadfly, Pomeranian, owned by Georgie M. Sheppherd of Summit, N.J., captured the third honors while fourth went to the Toy Manchester bitch which came up from the open class, Grenadier Wasp, owned by Janet W. Mack of New York City.

The imported Miniature Poodle, Ch. Snow Boy of Fircot, was the winner in the Non-Sporting Group. The white dog comes from the Blakeen Kennels of Mrs. Sherman R. Hoyt in Stamford, Conn. Second here to the West Coast Boston Terrier, Ch. Payson's Miss Patricia GG, owned by Charles Cline of Roscoe, Calif. Third place honors were taken by the liver Dalmatian which came up from open bitches, Tally-Ho Adastra from the Talley-Ho Kennels of Mrs. L. W. Bonney in Oyster Bay, L. I. A Bulldog, also up from the classes, Marquis of the Hills, owned by Floyd Lanham of Willmette, Ill., captured the fourth spot. Judging here was handled by Dr. Mervin Ross Taylor of Whynnewood, Pa.

A MESSAGE TO THE MEMBERS

WE are pleased to report that in our first three months of operations we have been able to keep within the budget which was agreed upon at the Dominion-wide Board meeting held last February, but in looking above and beyond our term of office we find by examination that the financial structure of your Club is not sound, and we feel it our duty to bring the following pertinent facts to your attention:

1. The present revenue of the Club does not permit of it providing the services expected, particularly where members are concerned. Our actual staff at Toronto is no greater than it has been for the past two years and it is not adequate to perform the services that we would like to provide. To this problem must be added the fact that our other costs have increased proportionately just as everything has increased in the present day market.
2. In only one Department of your Club's operations can it be said that revenue exceeds costs, and that in respect to fees received for registrations and transfers.
3. Your 1949 Board is obliged to honor contracts left by the 1948 Board, these contracts calling for expenditures of not less than $10,000.00 in 1949. One of these contracts has four years more to run; another has nine years.
4. The bulk of the Club's revenue is derived from registrations and transfers and any substantial decrease here would inevitably bring about further curtailment of services and efficiency, to say nothing of the possible disastrous results that could easily occur before remedial action could be taken.
5. Services provided are not in proper ratio to charges made resulting in an unfair distribution of charges, particularly where breeders are concerned.

MEMBERSHIPS

Total membership fees received in 1948 amounted to $14,544.00. The membership roll totalled 3,445, therefore the average membership fee amounted to $4.22.

The average cost of printing and mailing DOGS IN CANADA to each member amounted to $3.99.

To this should be added the following costs per member:

Printing (except of DOGS IN CANADA)	$ .63
Cost of membership record at Ottawa	.38
Percentage of overhead costs	2.30
Plus DOGS IN CANADA (as above)	3.99
Total cost per member	$7.30

DOG SHOWS, FIELD TRIALS AND OBEDIENCE TRIALS

Revenue directly attributable to shows and trials in 1948 amounted to $1,595.85.

But against this small revenue we have the following costs:

Salaries of staff in Toronto whose work is exclusively concerned with shows and trials	$ 7,604.00
Travelling expenses	1,455.81
Cost to obtain duplicate records from Records office (necessary for maintaining show and trial records at Toronto)	3,536.00
Prizes	1,907.02
Engraving certificates	373.80
Printing	1,174.22
General expense	100.00
Percentage of overhead	13,859.75
Total	$30,010.60

REGISTRATION AND TRANSFERS

Fees received from registrations of litters and individual dogs, transfers of ownership, registration of leases, duplicate certificates of registration, etc. (but exclusive of membership fees), amounted to $48,442.76 in 1948. Since the actual cost of handling these items at the Records Office amounted to $16,480.97, it is apparent that the balance of $32,000.00 was used to subsidize costs for membership, shows and trials, publication of stud book, etc. It is also apparent that it is the breeder registering dogs who is subsidizing every branch of the Club's operations to an extent that is neither fair nor just.

CONCLUSIONS

It is obvious from the foregoing paragraphs that this Board and future Boards must devise ways and means of overcoming the present lop-sided methods of obtaining revenue, but the final decision on how this can be achieved must rest with the members.

Without attempting in any way to prejudice, the Board has considered the following possible solutions:

1. A club or organization holding a show to be charged a license fee, this to be based on the importance and duration of the show, as well as number of dogs entered. A set fee to be charged for each field trial and obedience trial.
2. Non-members to be assessed fees for services rendered, particularly in respect of such services as are required in connection with shows and trials.

In conclusion, while the aforestated problems are not confined to your 1949 Board but are the problems of future Boards, the fact is that the destiny of the Club is at stake. We have given this matter careful thought and we feel that we would be remiss in our duties to the members if we did not forcibly bring the foregoing points to your attention so that we may unite in an all-out effort to bring a more equitable distribution of the costs of services so that the member-breeder will not be compelled to subsidize the entire operations of the Club.

W. J. RISEWICK,

President,

On behalf of the Board of Directors.

1332 (1313). DATES, JUDGES, SHOW AND TRIAL MATTERS

REPORT: The Secretary reported on the following applications for dates:

June 11th—Progressive Kennel Club of Canada (Obedience Trial).

July 2nd and 3rd—The York Retriever Field Trial Club (2 Retriever and Irish Water Spaniel Field Trials).

June 17th—Amherst Kennel Club (Championship Show).

August 11th and 12th—Lakehead Kennel Club (2 Championship Shows).

October 1st—Chow Chow Club of Canada (Specialty Show).

September 16th and 17th—Fort Garry Kennel Club (2 Championship Shows).

RESOLUTION: It was regularly moved by Director Riedel, seconded by Director Roberts:

"THAT, the applications for dates reported on by the Secretary be approved conditional that such applications meet the requirements of the Dog Show Rules." Motion carried.

REPORT: The Secretary reported that the Sportsmen's Kennel Club had applied for permission to hold two two-day championship shows on March 22nd and 23rd, and March 24th and 25th, 1950. The Secretary read a letter from Mr. H. W. Cowan, Honorary President of the Sportsmen's Kennel Club Inc., requesting that a decision be made in respect to the Sportsmen's Kennel Club applications for dates in 1950. Amongst other points raised by Mr. Cowan, the letter pointed out that in order to make possible the engagement of the "best panel of judges procurable" it was necessary to correspond with prospective judges months in advance of a show.

DISCUSSION: The President suggested that before granting any dates in 1950 the Board might take into consideration the fact that in 1948 expenditures made by the Club as a result of shows and trials held under its rules amounted to not less than $21,000.00, while revenue directly attributable to shows and trials amounted to less than $1,600.00. The President pointed out that, while membership fees and registrations made these expenditures possible, non-members of the Club enjoyed the same facilities as members so far as it concerned the recording, reporting, etc., of shows and trials of the Club, yet they contributed little or nothing to the Club's revenue. He suggested that some arrangements should be made, at least commencing in 1950, so that members of the Club would not have to bear the high costs of the Club's work in connection with shows and trials.

RESOLUTION: It was regularly moved by Director Thorndike, seconded by Director Roberts:

"THAT, the applications for dates as received from the Sportsmen's Kennel Club, be laid over for further consideration by the Board, and the Sportsmen's Kennel Club be informed that the Board of Directors recognizes the priority of the Sportsmen's Kennel Club for show dates in connection with the Sportsmen's Show, but the Board at this time makes no commitment as to the number of shows or the duration of a show which it may approve." Motion carried.

REPORT: The Secretary reported that the Cocker Spaniel Club of Central Ontario had applied for permission to hold a Sporting Specialty Show on April 7th, 1950.

ACTION: The application was ordered held over for further consideration when the Board next meets.

REPORT: The Secretary read a letter from the Niagara Frontier Kennel Club, indicating a wish on the part of that Club to hold a two-day championship show in connection with the Welland Fair. The letter pointed out that to ensure sufficient accommodation for the dogs entered three Groups only would be judged each day.

RESOLUTION: It was regularly moved by Vice-President Brown, seconded by Director Riedel:

"THAT, the Niagara Frontier Kennel Club be informed that these arrangements will have the approval of the Board of Directors in the event that application for dates is submitted as required by the Dog Show Rules." Motion carried.

SUBJECT: The Secretary reported that the Kawartha Kennel Club has enquired as to whether or not it would be permitted to hold a championship show for Cocker Spaniels and Hounds on or about August 27th.

ACTION: The Secretary was directed to inform the Kawartha Kennel Club that the Board of Directors would permit a championship show to be held confined to these breeds providing the date applied for does not conflict with any already granted.

SUBJECT: The Secretary read a letter from Director C. G. Biggar who stated that the St. Vital Agricultural Society, who annually held a sanction show in conjunction with its Fair, wished to hold a sanction show on August 19th, but if the Society was compelled to hold a championship show, as required by Section 3 of the Sanction Show Rules, then it would have to forego its dog show. Director Biggar stated that the sanction show is held as an attraction at the Fair, is very well managed and seems quite popular with the exhibitors.

ACTION: The Board of Directors directed the Secretary to inform Mr. Biggar that under the circumstances the Board agreed that it would be quite prepared to allow the Society to hold another sanction show.

SUBJECT: The Secretary read a letter from Mr. W. J. Monaghan, President of the Cocker Spaniel Specialty Club of Western Canada, which indicated that the Specialty Club was desirous of holding two specialty shows along with and at the same time as the two championship shows to be held by the Fort Garry Kennel Club on September 16th and 17th.

DISCUSSION: In discussing this arrangement the Board agreed that it was hardly a fair one in that it would make possible a dog earning four sets of championship points in two days. It agreed that it was not prepared to endorse the arrangement since it could not, without resulting in possible charges of discrimination, deny the same privilege to any number of specialty clubs wishing to hold specialty shows along with and at the same time as a single championship show.

ACTION: The Secretary was directed to inform Mr. Monaghan that it would have no objection to a specialty Club recognizing the classes for its breed or breeds at an all-breed championship show as its specialty show providing the club holding the all-breed show was agreeable.

SUBJECT: The Secretary read a letter from Mr. C. M. Butler, Field Trial Representative for the province of British Columbia, who reported that due to the action of the Seattle Club in declining to amend its field trial dates, it was necessary for the Parksville and B. C. Gun Dog Club to change the dates of its trial. The letter further stated that it was the opinion of the B. C. Gun Dog Club that no one club should be allowed to change dates of meets after they have been set without first consulting with the Board of Directors of the Coast Circuit. Mr. Butler requested the matter be referred to the American Kennel Club for consideration.

ACTION: The Secretary was directed to send a copy of the letter to Mr. H. C. Bixby, Executive Vice-President of the American Kennel Club, and to inform Mr. Butler of the action that had been taken.

REPORT: The Secretary reported on the following applications for approval of lists of proposed judges:

SUBJECT: The Secretary read letters from the Guelph Kennel Club and the Hamilton Kennel Club, asking that the C.K.C. Representative attend their shows "at no additional cost" to the show-giving club.

DISCUSSION: Director Riedel referred to the financial statement for the period ending March 31st and expressed the opinion that in view of the apparent satisfactory financial position of the Club, the resolution, adopted at the annual meeting of the Board of Directors, in respect to the Representative's attendance at shows, should be rescinded. The President pointed out that due to the fact that DOGS IN CANADA, following mailing of the February issue, was being mailed only to members in good standing, the renewals of membership up to the end of March were far in excess of normal, which meant that the bulk of membership fees, with the exception of new members admitted from time to time, had already been paid, and that while this had resulted in a satisfactory position at the end of March, he doubted that this condition would be maintained throughout the balance of the year. It was further pointed out that the decision in respect to the Representative's attedance at shows and trials was made at the annual meeting of the Board, and that therefore the entire Board would be consulted before any change is made in the policy indicated by that resolution.

ACTION: It was finally decided that this matter should be held over for further discussion when the Board next meets.

SUBJECT: The Secretary reported that he had been asked whether or not dogs which had participated in training classes would be ineligible for entry at an Obedience Trial at which the judge is a person who assisted in the training classes. Reference was made to the rule which reads "No entry shall be made at any Obedience Trial or Tracking Test under a Judge of any dog which the Judge, or any member of his immediate family, or household, has owned, sold, held under lease, handled in the ring, boarded or trained regularly within one year prior to the date of the trial. This includes Judges who train professionally, or as amateurs, and applies equally to Judges who train individual dogs, and those who train dogs in classes with or through their handlers."

DISCUSSION: It was pointed out that a person assisting at these training classes did not do so continually throughout the season nor could they be considered the sole trainers of the dogs and their owners who received instructions as to training at the classes.

ACTION: The Secretary was directed to notify those interested that the Board interpreted this Rule to mean that a dog would be ineligible to compete at an Obedience Trial the Judge of which is the sole trainer of the dog ineligible for entry by reason of this Rule.

SUBJECT: The Secretary read a letter from Mr. H. V. P. Lewis, Vice-President of the York Retriever Field Trial Club, suggesting that a championship point be allowed for fourth in an all-age stake at a Retriever Trial. Mr. Lewis stated that this arrangement prevailed in connection with American Kennel Club Retriever Trials.

ACTION: No action was taken.

1333 (1314). REGISTRATION OF CLUB NAME

REPORT: The Secretary reported that the MONTREAL DOG OBEDIENCE TRAINING CLUB (Mrs. Nita M. Frye, 1944 Desmarchais Blvd., Montreal 20, P.Q.), had applied for the registration of its club name, notice that the application had been received had been published in DOGS IN CANADA, and no objection to the application had been received.

RESOLUTION: It was regularly moved by Vice-President Brown, seconded by Director Roberts:

"THAT, the application of the Montreal Dog Obedience Training Club for registration of its club name be approved." Motion carried.

1338 (1308). LETTERS FROM MISS V. E. MEYERS

REPORT: The Secretary reported that he had, as instructed by the Board, discussed with Dr. J. A. Campbell, an Honorary Veterinarian of the Club, the matter of the "X" Disease referred to by Miss V. E. Meyers in her correspondence. Information received indicated that a group of Veterinarians maintained that X Disease and Distemper are the same, that owing to the serious losses incurred by breeders it is felt that steps should be taken to thoroughly investigate this problem, that to effectively carry out the project it would be necessary to have the research undertaken under the guidance of Dr. L. A. McNabb, President of the Ontario Veterinary College at Guelph, and the investigation would likely require research for at least three years at an expense of probably over $1,000.00 a year.

DISCUSSION: In discussing these suggestions advanced by Miss Meyers, the Board felt that the Club could not at this time, because of its financial position, undertake to subsidize the research work indicated.

ACTION: No action was taken.

DISCUSSION: While on the subject of distemper and communicable diseases, Director Riedel pointed out that many exhibitors were failing to sign the following declaration on entry forms:

"I hereby certify that I have read the Dog Show Rules adopted by The Canadian Kennel Club Inc., including those sections of the said Rules published with this premium list (and particularly the sections relating to distemper, other communicable diseases, and innoculation; also all the Rules, regulations, conditions and provisions contained in the premium list of this show, and I understand and agree to abide by the same."

He suggested that as a protection for all exhibitors show-giving clubs should be notified that entry forms not properly signed could not be considered as complete, and the dogs improperly entered could not compete until their entry forms are properly completed.

RESOLUTION: It was regularly moved by Director Riedel, seconded by Director Thorndike:

"THAT, show-giving clubs be notified that a dog must not be permitted to compete at a championship show until its entry form for that show has been signed on the line immediately following the certification relating to distemper and other communicable diseases, by its owner or his authorized agent or handler." Motion carried.

ACTION: The Secretary was directed to inform show-giving clubs that the signature could be applied at the show before a dog appears in the ring.

1341. NATIONAL CHAMPIONSHIP RETRIEVER STAKE

SUBJECT: The Secretary reported that The Edmonton Sporting Dog Club had applied for permission to hold a "National Championship Stake" for Retrievers and Irish Water Spaniels this year.

ACTION: The Secretary was directed to:

(a) Obtain information as to the procedure followed in respect of the same stake held in the United States;

(b) Communicate with clubs holding Retriever Trials and ascertain their views on the annual presentation of this stake;

(c) Advise The Edmonton Sporting Dog Club that its application is receiving the Board's consideration.

1342. EXPORT FORMS

REPORT: The Secretary reported that information received had indicated that the Canadian National Live Stock Records had discontinued the issuance of printed forms required by American importers of pure-bred dogs from Canada.

ACTION: The Secretary was directed to request that this service be resumed.

1345 (1315). PROPOSED NEW LIVE STOCK PEDIGREE ACT

REPORT: The Secretary reported the Bill providing for an Act respecting the Incorporation of Pure-bred Live Stock Associations had failed to go through the last session of Parliament before the dissolution of the House, and that therefore the Act of 1932 would remain in effect until such time as Parliament makes a change.

The Secretary further reported that Mr. A. P. MacVannel, Chief Registration Officer of the Department of Agriculture, had indicated that an effort would be made to obtain copies of the proposed Act so that it could be studied by members of the Board.

ACTION: No action was taken.

1346 (1313). LETTER FROM THE CENTRAL CANADA EXHIBITION ASSOCIATION

SUBJECT: The Secretary read a letter from Mr. H. H. McElroy, Manager and Secretary of the Central Canada Exhibition Association, stating that its Dog Show Committee feels that the Canadian Kennel Club is solely responsible for the cancellation of its proposed August Shows.

ACTION: Following discussion, the Secretary was directed to address the following letter to the Central Canada Exhibition Association, with carbon copy to the Ottawa Kennel Club:

"The Board of Directors, at its last meeting, considered your letter of May 6th in which you attributed the cancellation of your proposed August shows to the Canadian Kennel Club's failure to provide you, before April 9th, with a 'satisfactory answer' to your request for permission to hold two two-day shows in conjunction with your annual exhibition, the second show to be held by the Ottawa Kennel Club.

Following discussion the Board of Directors has directed the writer to inform you that it rejects the feeling of your Dog Show Committee that the Canadian Kennel Club is solely responsible for the cancellation of these proposed shows, and to draw the following points to the attention of your Show Committee:

1. While you were notified by letter dated March 18th of the decision of the Board of Directors, nothing further was heard of the matter until April 1st at which time this office received what the Board of Directors considered to be a virtual ultimatum that its decision be altered on or before April 8th.
2. The Constitution of the Canadian Kennel Club provides that a special meeting of the Board of Directors, when called by mail, shall not be of less than seven days' notice, which meant that even if immediate action were taken on April 1st, the meeting could not have been held before April 9th.
3. The Central Canada Exhibition Association has for many years held a three-day show, and no explanation as yet has been forthcoming as to why the Directors of the Exhibition now feel that dog shows held by or in conjunction with the Exhibition should or must be extended to four days.
4. Having in mind the fact that at the Central Canada Exhibition show in 1947, 115 dogs were entered, the Board of Directors does not agree with your contention that your present facilities preclude the holding of a successful one-day show by or in conjunction with the Exhibition.
5. Since the members of this Club in Ontario have indicated a marked preference for one-day shows, the Board is of the opinion that except where the entries of a particular club or exhibition can, regardless of the circumstances, be expected to exceed 300 dogs entered, permission to hold more than a one-day show should not be granted. The Board feels that it had already made one concession in granting permission for Central Canada Exhibition to hold a two-day show.
6. Exhibition dog shows draw above the average in spectators, and the Board is of the opinion that such shows should be of such size (in number of dogs entered) so as to encourage the general public to support other championship shows held in the area. It is felt that if the size of an exhibition show is small in comparison with other championship shows held in the same area, it discourages the attendance of the public at shows held independent of exhibitions, for the public, being likely to assume that other shows will be of the same size (or smaller) than exhibition shows, would likely feel that other shows are not worthy of their attention.

The Board of Directors naturally regrets your decision to cancel its show-giving activities, but feels that the responsibility for the decision must rest with those who insisted that the duration of the shows must not be less than four days."

1348. ADJOURNMENT

On motion by Vice-President Brown, seconded by Director Davies, this meeting of the Board adjourned at 10.25 p.m. to reconvene in the same place at 5.00 p.m. on June 1st, 1949.

PURINA DOG CHOW IS THEIR CHOICE . . .

IF YOU'RE A KENNEL OWNER, INQUIRE ABOUT OUR "COURTESY CARD"

As a dog owner, you want to feed right — right from the start. Here are two steps which will help you decide on the right feed:

1. Find out what the top breeders are feeding. They know "what's what" — and they keep in mind two major points regarding feeding: on the one hand, economy; on the other, balanced and complete nutrition. You'll find a great many of them feeding Dog Chow, because they have found it satisfactory on both these counts.

2. Check the manufacturer's qualifications. Ralston Purina Company has been "proving its wares" in the open competitive market and in practical feeding for 55 years. Well over 2,000 dogs in over 22 years of steady Purina research have contributed toward building the Dog Chow formula. So have the Purina chemical and biological laboratories. When you feed Dog Chow, you're not experimenting. The experimenting has all been done already.

These facts are your assurance that Purina Dog Chow is made right to help you feed right.

Because it is the choice of so many "big" breeders, and because it has such a reputation for controlled, consistent quality, many people have the impression that Dog Chow must be expensive. Actually, it's not. Made by a full-time feed manufacturing firm, and distributed through feed stores, it's very reasonably priced; and if you buy in substantial quantity the Purina Courtesy Card plan provides a substantial saving.

FOR VARIETY — try GAINES KRUNCHON, which is GAINES Meal compressed into crunchy bite-size pellets.

Here's what your dog gets in every pound!

Proteins as in 1½ lbs. beef; *carbohydrates* as in 1½ qts. cooked oatmeal; *fats* as in 1 oz. butter; *minerals* as in 1¾ lbs. cheese; *iron* as in ¾ lb. beef liver.
