Postwar Poodles in Canada

By V. E. Meyers

DOG breeding is always an engrossing occupation. But in these troublous times it is also a soothing one to look at the cheerful picture presented by the steady improvement of the poodle breed. It seems a strange thing that any breed whose ancestry goes back almost to the dim ages should have such difficulty getting a foothold in a doggy country like Canada, but it is an incontrovertible fact that until recent years only a few individuals have had poodles as pets and fewer still have thought of breeding or showing them. In 1946 no Miniatures were registered and only 21 Standards. In 1947 the figures rose to 2 Miniatures and 27 Standards. In 1948 there were 19 Miniatures and 51 Standards. Over these three years there was only one Toy registered and that in 1946. But these figures tell an interesting story in the two larger varieties of the breed and the show reports bear witness to the fact that poodles are becoming serious contenders for Group awards.

The honor of breeding the first Canadian Bred Champion goes to Mr. J. E. R. Wood of Vancouver who became captivated by Miniatures when overseas and brought two black Nunsoe puppies home to Canada with him. Breeding these two together produced in the first litter Ch. Linwood Countess Susan, an outstanding brown now owned by Mrs. G. O. Alsen of New Westminster. Susan has not only won several Groups but has many times been Best Canadian Bred in Show—a fine record and one which the rest of the poodle breeders would do well to emulate! British Columbia has two other Miniature breeders in Major and Mrs. A. E. Frisby of Vancouver and Mrs. D. I. Smart of Langford Station, as well as a breeder of Standards in Mr. Jasper M. Daniels. Like Mr. Wood, Major Frisby brought his first Miniatures back from England with him, but he chose Toytown and Tarrywood bloodlines and is breeding only blacks. Mrs. Smart brought out the Vendas line when she came over from England and is doing some very interesting line breeding to top American dogs of English descent, both in silvers and in browns. She also brought out a Standard bitch of which I do not have the breeding. Mr. Daniels is well known for his white Standards which are steady winners in the Western show rings.

From British Columbia we have to jump all the way to Ontario to find another breeder. Mr. and Mrs. Gordon Grahame have bred Standards for some years and have recently added Miniatures to their Barlanark Kennels. In the past they have bred poodles only for pleasure but this Fall they hope to start showing their dogs. They have every hope of doing well as their kennels are based on the firm foundation of Misty Isles and Puttencove bloodlines. The writer's Paragon Kennels (registered) of silver Miniatures were founded on the American silver line of Hollycourt Kennels, and the English one of Firebrave. Shown for the first time this spring, Paragon silvers have been consistently doing well in Groups in the East.

17th Century German print.

Moving on to Quebec province we find probably the oldest breeder of poodles in Canada, Mrs. Lallemand of Senneville. For years, Mrs. Lallemand was the only consistent poodle breeder in Canada and great credit must go to her for popularizing the Standards. Her kennel, based originally on Blakeen and Puttencove breeding, is well known in Quebec show rings and her dogs are always strong contenders for Group honors.

Still moving East we come to Halifax and the small but select kennel of Lt. Cmdr. E. C. St. John Green. Lt. Cmdr. Green started off with Standards, importing a bitch of Rockvale breeding from England, and later on another bitch from the States, but he has now decided to go in for Miniatures as well and it is in this field that he has done particularly well. He started his kennel of blacks with a bitch from the Hollycourt Kennels, with whom he won the Group and was a strong contender for Best in Show, the first time she appeared.

In Obedience there has been a depressing lack of poodles of any variety. There has only been one dog to win a degree, and that is Ch. Paul Roger, a Canadian bred Standard owned, trained and shown by Mrs. Layton J. Sheather of Port Credit, Ontario. Mrs. Sheather has shown Roger against all comers both on the bench and in Obedience, and he quickly won his Championship and C. D., and now has his first leg on his C.D.X. The only other poodle seen in the Obedience ring is the writer's Miniature Firebrave Aurelia (imp) who has just started her Obedience career and has one leg on her C.D. But Lt. Cmdr. Green and Mr. and Mrs. Grahame are both starting to train their dogs so as time goes by we will surely be stronger in this field.

This handful of poodle-lovers is what the breed is dependent upon for its future in Canada. We have the finest bloodlines in the world here in our own kennels — Hollycourt, Firebrave, Blakeen, Puttencove and Nunsoe, to name only a few. We have the interest. Have we the ambition and determination to bring our homebreds to the high level necessary to make our breed something to beat for Best in Show? It is up to us—let us see what we can do in 1950!

Brief Resume of American Poodles Through 1948

By Hayes Blake Hoyt

POODLES are becoming increasingly popular in the States, and now in New York City a Poodle is more frequently seen than any other dog. Before the war, it used to be Cockers and Terriers but today the Poodle, both Standard and Miniature, is one of the leading favorites in the Eastern part of the States. They are also extremely popular in California, particularly in the movie world, and are now beginning to gain in popularity in the middle West. Part of this is due to the fact that many prominent people, such as writers, actors, and just plain "characters" took to the Poodle at once, and it has been their descriptions of this fascinating dog through articles, over the radio, and in lectures that has made America extremely Poodle conscious.

However, the lasting popularity of this breed is due to the temperament of the dog itself. Poodles are very lovable and intelligent companions and have some especially endearing characteristics. First of all, they do not roam and this is helpful in a suburban neighborhood where one does not wish to disturb the neighbors. Then they are good watch dogs without being vicious—a Poodle barks at any stranger but rarely bites. Thirdly, Poodles seem to prefer human companionship to that of other dogs. Perhaps this is because they have been used so long as companions of man, but at any rate Poodles do love people.

Know Your Breed ...

THE POODLE ..

The Poodle has been an aristocrat of dogdom through the ages—there is a dog to be seen on old Roman coins which appears to be almost identical with the modern poodle. He is the progenitor of many other breeds such as the Irish Water Spaniel and various Retrievers. His outstanding intelligence makes for varying attributes, thus we find he is an excellent water dog (his name comes from the German word Pudeln meaning to splash in water), a great truffle hunter (he has the delicate nose to find this underground fungus), a sweet and gentle companion for children, yet a fine guard. In the 18th century French courtiers used to clip hearts and arrows on poodles and give them to their lady loves—on the other hand, during the Peninsula War a poodle carried the French colors to safety when the standard bearer had been mortally wounded, and thus the breed became the typical hero dog of the first French Republic. Clipped down for working he is the ideal companion for the sportsman, with his courage, keen nose, hardiness and ability to think for himself. Clipped in the height of fashion he is the perfect complement to milady's new fall outfit. Wise, clever, gay and delightful he is a dog for the discerning.

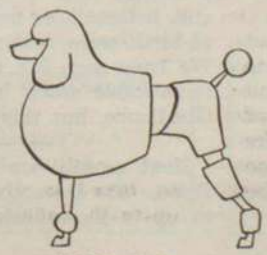

In three different sizes—Toys 10" and under, Miniatures over 10" and under 15", and Standards 15" and over—and all solid colors, the poodle caters to all tastes and requirements. He gives the impression of squareness and perfect balance, elegance and distinction. Alert, he carries himself proudly and when clipped in the traditional style he has a dignity all his own.

At the Canine Breeders' and Exhibitors' Association Dog Show held at the Canadian National Exhibition, the members of the Association presented M. B. "Dick" Zwicker with a beautiful statue as a mark of appreciation for the wonderful work he is doing for the young people of Halifax.

For many years, Mr. Zwicker bred and exhibited the continent's outstanding Borzoi, but today, he is the instructor of the famous group known as The Halifax Junior Bengal Lancers with their musical ride on hackney ponies who won the hearts of thousands of persons at the National Horse Show at the C.N.E. Dressed in the scarlet tunics and white helmets of the famous Indian cavalry regiment, the youngsters, ranging from seven to fourteen years, performed a drill more complicated than the ride of the RCMP. To the toot of a whistle, they formed circles, backed up, pointed lances, galloped into a mock charge, and swung into a spinning line, straighter than a group of chorines.

Mr. Zwicker believes that these children, who care for their own ponies and ride them, are getting ideal training for future leadership. His Equestrian School is the only one of its kind recognized in Canada and approved by the Department of Technical Education. The course given equals a two year University Course.

A sample of their confidence and courage is shown by their conduct when a fire destroyed their stables last July. Three of the best ponies and all their equipment was lost. Twelve hours later, eight of the children mounted their ponies and rode to the Children's Hospital, where Lord Cornwallis of the House of Lords, England, presented them with new troop colours and words of cheer.

The twenty-four children ride an average of twenty miles each night in their musical drill and it is amazing to watch each child use his or her own judgment in gauging time and distance without a slackening of speed or break of rhythm, so that they don't vary more than 6 inches in passing one another.

We would like to add our congratulations to the many already showered on Mr. Zwicker for the marvellous work he is doing. The Bengal Lancers are now becoming as famous as the Royal Canadian Dragoons and RCMP with their musical ride.

For those who are squeamish about killing the fish they catch, let me recommend a Best in Show Dachshund —namely, Ch. Dach's Haven Mardi of Car-Vin-Rob. While fishing at Lake Rosseau, recently, I was amazed to see this Dachshund swimming out to the boat.

BARBARA ANN SCOTT
Olympic Skating Champion
with her Miniature Poodle, BLAKEEN INNOCENCE ABROAD, more familiarly known as "Scoop". The dog was presented to Miss Scott by the Toronto Men's and Women's Press Club on the occasion of her twenty-first birthday.

"Mardi" as she is familiarly known, was quite nonchalant, however, even though I was quite a stranger to her, as she placed her two small feet on the side of the boat and watched the float on the water. As soon as it began to bubble, she began to bark, and when the fish was finally landed in the boat she immediately killed it. Then she took up her post again awaiting the next fish. Her look of disgust when a fish got away was the most amusing part of that evening's fishing. On returning to the cottage, she sat and waited patiently until the fish was cleaned and cooked, then enjoyed her fish supper. The fishermen will have a lot of fun with "Mardi" next season, as her owner, Irene Burden, has purchased a group of cabins at Port Carling and "Mardi" will be able to enjoy fishing to her heart's content.

Ed. O'Brien, trainer and owner of the Cocker Spaniel "Dun Rovins Eve O", the first Cocker Spaniel to win the Utility Dog title, in addition to many others, informed us at the Obedience Trials the other day that "Eve O" had presented him with a litter of puppies and, believe it or not, within two weeks of birth were doing the "sit and stay". We have seen Mr. O'Brien doing some remarkable work in training dogs for Obedience, but this tops them all!

Next month we feature the Great Dane. The December issue, in addition to up-to-the-minute news and articles will feature the Collie. We have received little response for the Champion Parade, so send along your photographs as quickly as possible if they are to be in this feature article.

We welcome John Miller, The Magazine Man, to our advertising ranks. Mr. Miller enjoys the companionship of his dogs in a very real sense. For the past twenty years he has been confined to bed, a paralysis victim with the use only of his hands, arms and head. To meet Mr. Miller and hear his cheerful voice in the face of such adversities is a tonic, and we like to think that dogs have played such an important part in making life more bearable.

FLASH

From St. John, N.B., comes the news flash that Champion Fingard's Odin, the Great Dane bred and owned by David Fingard of Toronto, won Best in Show All Breeds, at the New Brunswick Kennel Club Show held on September 12th, under Judge George Kane.

Following the recent award of Best in Show All Breeds at Brantford, Ontario, this win creates a new record for Great Danes and marks the fourth occasion that a Canadian bred Great Dane has won Best in Show. Two of these wins were made by Champion Fingard's Count; a third winner was a daughter of his litter brother, Champion Fingard's Odin.

PROVINCIAL NOTES

Vancouver Island Notes

By Gladys McGee

I PREFACE my notes, this month, with a word of praise for a group of dog fanciers who have banded themselves together under the name of The Greater Victoria Dog Obedience Training Club and have already put on two demonstrations. They meet weekly as a class and have quite a membership amongst Canadian Kennel Club members. At the recent Sanction Show put on by the Vancouver Island Dog Fanciers, an exhibition of the work learned was demonstrated by the following members and their dogs: Mrs. Gay handled Standard Poodle owned by Mr. Kennedy, Mrs. McCallum with her Keeshond, Mr. G. Donaldson, Boxer, Mrs. Hammond, Miniature Husky, and Mrs. W. B. Hudson with her Keeshond, Ch. Oakcrest Pantoffel. It was most interesting and will, I am sure, be of great help to those fanciers who intend entering for Obedience tests next year.

Mr. P. K. Nichols of Pasadena, California, was a recent visitor to Victoria.

Saw some very nice Poodles owned by Mr. and Mrs. Smart of Langford, at the recent show, both miniature and standards. These two good fanciers have promised me more details later.

Four new German Shepherds have arrived at Buccleuch Kennels, one male and three females.

We have a new fancier from England in Mrs. J. Gurr of Langford, V.I., who has brought out a lovely golden female English Cocker Spaniel with her.

Recent visitors to Langford were Mr. and Mrs. Jack Kearsy, who formerly owned Westmount Kennels and who have been in California for the past year. The Kearsys and daughter left for the East last week.

Come on, fanciers. Get those youngsters advertised. Send your Kennel advertisement in to the Editor and keep our Island doings before the public eye.

Two very successful shows were held at Kelowna in the Memorial Arena—which, I might add, is a beautiful building with plenty of space. Crates of peaches were donated and were enjoyed. President Clyde Ritchie has even better plans for next year's shows.

The building was spotlessly clean; all small breeds were in covered-in benches, which we like better than tying the dogs.

Mr. Bob Waters of Vancouver did the first show. His Best in Show was the black Cocker, Stockdale Signature, owned by Mr. and Mrs. R. Bailey of Portland and ably handled by Johnny Long. Mrs. Waters and son, Bobbie, made the trip with Bob and spent a few days holidaying in the Okanagan.

The second show, judged by Vic. Williams of Vancouver, found his Best in Show in the Doberman Pinscher, Princess Patricia Spegel, owned by Gertrude Hall of Portland, and nicely handled by Sonny Reynolds. Jean and Donnie went along with Vic. and thoroughly enjoyed the holiday. Some who went by the Canadian route were delayed at detours. Hats off to Ruth Halperin, who made the journey alone in a little Morris, ran out of gas and had to be towed fifty miles. Needless to say, Ruth came home the U.S. route. However, next year, when the new highway is open, it will be really wonderful, as the scenery is breath-taking. In fact, for me, too much so in places.

The show had a good entry from the United States and other parts of Canada. We were happy to meet Agness Hammond with whom we had been corresponding. Agness is not only a Dachsie breeder, but a breeder and exhibitor of horses from Cochrane, Alberta.

Pat Randall and Hilda Balshaw did a good job of Superintendent and Ring Steward.

After the second show, Mr. and Mrs. Purvis Ritchie gave a party at their lovely lakeshore home. Clyde is a crackerjack at making spaghetti. She has also dreamed up and has built the coziest little guest house which my better half and I were lucky enough to see through. It is called the Doll's House, and it is lovely.

It is wedding bells for Pat. Brennan and Jean Small on September 7th. Congratulations to you both, and may your life be a happy one.

The P.N.E. dog shows have come and gone. For once, we had wonderful hot weather and no rain. At the P.N.E. you meet just about everyone and have a grand opportunity to sell your stock. Two grand shows, the first being a two-day affair judged by Mr. Kruger of California. Everyone spoke well of him; he was fast and gentle with the dogs, which means a lot—especially to the novice exhibitor.

As Superintendent, W. H. Pym did a fine job, and unless a person has filled that position they have no idea of all the work that is attached to it, nor all the worries one has. Mrs. Alsen on the mike, John Hutton as busy as a bee, Velma Trump from Vernon R[illegible]g

Preddy had this job, superintended by Mrs. Hargreaves and someone whose name I didn't get. Indoor and outdoor exercising pens were kept clean; judging was on schedule. Best in Show went to the Peke, Tinker Toi's Son Toi, owned by Florence Clarke.

The second show was ably judged by the well-known Harry Saunders of Calgary, who found his Best in Show in Mr. Williams' black Cocker, American and Canadian Champion, Lodestar Country Gentleman.

Lillian Hickling, of Nanaimo, judged all Toys. Lillian is an old-time Toy breeder and well-known everywhere.

Alberta Notes

By G. Wells

AN OLD friend came over to the house the other night, and when the talk turned to dogs, as it usually does, he gave me an old formula for distemper. If any reader has heard of it or used it, I would like to know. The treatment is as follows: For Cockers up to Springers, four tablespoons plain salt (not iodized); for dogs larger than Springers, one handful. The amount to be given is poured down the throat and no food or water for eighteen hours after. The dog will be very ill and vomit, but this action will clear all the mucus from the intestines. Very little water and food should be given at the end of the eighteen hours. My friend claims that this has worked for him on dogs that were so far gone that the eyes were swollen shut and the dog too weak to stand, although he admitted that in bad cases two treatments were necessary. One thing he did stress was that the dog be kept warm.

Went down to visit one of our Vets, James Rattray, the other day. While there, I saw his star patient. For two years he has been treating a mongrel dog for chronic ear trouble. Finally, the ear became so bad that he decided to operate. Every morning the young owner of the dog would bring his pet into the hospital for a change of dressing. Now that the ear is healed, the dog still comes over to the hospital for a check-up. He stands by the door until someone lets him in, and barks if no one does come. Once inside, he runs over to the operating table, jumps up, lies down and waits for the inspection. Once his ear is looked at he is off for home. It could be that due to his "Scotch" (Collie) descent he knows he is getting something for nothing!

Noticed a dark brindle bulldog going by air to Dallas, Texas, the other day. It seems the Lone Star Bulldog Club is holding a barbecue and raffle in the near future. The crate didn't say whether Beechey's Kennels were sending the dog for the raffle. Do you think the fanciers would go so far as to use one for a barbecue? All joking aside, it sounds like a good idea to get the fancy together. A barbecue is always interesting, especially if the chef doesn't rely on the darkness to hide the shape of the meat. One such event I attended had a wizard for a chef, the meat being two-toned, red on one side and black on the other.

Not much else to write about as everyone is too busy getting ready for the show. A good entry is expected, plus a lot of friends we see twice a year.

IT SEEMS as if I am always in a perpetual race with time and it is very hard for this correspondent to realize how quickly the fifth of the month rolls around.

The Moose Jaw Kennel Club is to be congratulated upon the successful show held this year both for large entry and the number of good dogs from the States, West Coast and Prairies. We have good ones out here, too!

Mr. Walter J. Pym judging the opening show on Friday, Sept. 2nd gave the nod to the very lovely and regal Afghan Ch. Maharajah of Wyndhaven for the Best in Show spot ably handled by Pat Randall of Saskatoon. The Maharajah being Canadian-bred automatically took Best Canadian Bred in Show. Reserve Best in Show went to the Miniature Poodle Ch. Lenwood Countess Susan owned by Mrs. G. O. Alson.

William Semple's homebred Wire Fox Terrier Ch. Stra'ven Simon captured the Best in Show spotlight second day under the hand of Judge Arthur Goddard. Simon also took a Best in Show at Saskatoon a few days previously, plus the Best Canadian Bred award.

Am unable to report on wins of second day, not being present. However, of particular interest to yours truly were the California Dachsies being handled by E. C. Gamble, Charlotte Sibley's "Forever Gunther" and her very famous long hair Am. Ch. Antonio of Gipsy Barn". Believe Tony is the first long-hair ever to be exhibited on the Prairies. All I can say is "That's for me, that's for me!" Personality, gracefulness and dignity plus, with beautiful showmanship on the part of both the handler and Dachsies. Virgilio and Isobella Chedda's Am. Ch. Red Jade v. Redmond was awarded Best of Breed by Walter Pym. Sorry no details on second show.

Seen around the show building were Bill and Beulah Dawson of New Westminster; Suzane Borse and daughter of Winnipeg, E. C. Gamble and Mr. Davis of California who were up for the Fall Circuit. Good to see Bob Wilson back with a string of dogs, looking very fit since his recovery from that most unfortunate accident.

Northern Saskatchewan Notes

By Eileen Benson

SINCE you last heard from this column a lot of water has gone under the bridge. People are back from their holidays, our children are all back at school, the Saskatoon Kennel Club Dog Show is over and we can all settle down, now, for a nice, long winter.

The Saskatoon Kennel Club has lost two of its long-time workers and members. Mrs. Arthur Goddard, wife of Arthur G. Goddard of Lynn Springer Kennels, passed away shortly after the Ladies' Kennel Club Show this spring. Mr. W. F. Brown, who for many years was Secretary of the Saskatoon Kennel Club, passed away a few months ago. They are both greatly missed by everyone.

My daughter and I and her Brittany journeyed to the Regina Kennel Club Exhibition show and enjoyed meeting old friends, making new ones and taking part in their well run show. May they have many more of them. Miss Bernice Brown had the misfortune to lose her Ch. Jai-Boi of H'in San about three months ago and has sold her Ah-Soon of Ghengis Khan to Mrs. Robinson of Grand Forks, B.C. This leaves Bernice with only two Pekingese.

Mr. James R. T. Forbes of the Gordon Setter Kennels here shipped a lovely male down to Toronto. We understand he is to be shown so we will all hear more of this dog via the Dog Show results.

The Saskatoon Field Trial Club held their annual All Pointing Breed Trials recently. This is the first attempt at a show on the Fall Circuit for this Club and from all reports it was a great success. The hard-worked executive is to be congratulated on the work accomplished. Mr. George Kynoch of Winnipeg judged the first show. He picked for his Best in Show the American Black Cocker, Swan-ee Don Juan, owned by Mr. and Mrs. Roy F. Swan of Eagle Pass, Oregon, and handled by Walter Ritchie. The second show was judged by Mr. Tom Quilley of Edmonton, who took for his Best in Show the Wire-haired Terrier, Ch. Stra'ven Simon, owned and handled by Bill Semple of Regina. He also took Best Canadian Bred in Show.

There was quite a gathering at our house after the first show where exhibitors and friends met to pass a couple of hours in talk and singing before dispersing to make ready for the show in the morning. Now that the shows are almost all over in this part of the country until next spring I don't expect we will have much news for this column. If anyone has news of interest, however, please send it along to 1012 Lansdowne Avenue, Saskatoon, and we will try to keep the column going through the winter.

HELLO again, friends! Since you last heard from me I have covered quite a lot of territory and was lucky to get this news in just under the wire. We took in the Regina shows, motored down with Mr. and Mrs. Biggar, and stopped at Brandon to say "Hello" to Mr. and Mrs. Reg. Poole. They are a busy couple, having fifty or more dogs in their kennels.

The first day at Regina, Roy and I had the thrill of our lives when our black and tan female Peke, Ch Su Roi's Wee Tykee, was placed Best in Show by Mr. Frank Creasey of Victoria, B.C. Cliff Biggar's Boston, Int. Ch. Personality's I'm the Emperor, was placed Reserve Best in Show, both days.

We took in the shows at the Lakehead, Saskatoon and Moose Jaw, also, coming home with seven Toy Groups and finishing two more Peke Champs. The friendly atmosphere and hospitality shown to outside exhibitors at every one of these shows is enough to make one look forward to a future visit.

While at the Lakehead shows, I had the pleasure of meeting Mr. Stan. Portch, Sales Manager for Dr. Ballard's Dog Foods. He expressed the desire on the part of his firm to co-operate and assist any of the clubs sponsoring a show. He tells me they have a stock of entry forms, arm bands, bench tags, etc.—in short, all the necessary material

While at Moose Jaw, Connie, our daughter, walked off with a trophy each day for best lady handler.

Mr. W. J. Monaghan, President of the Cocker Spaniel Specialty Club, is on the move again. He is transferred to Ottawa, much to the sorrow of the many friends he has made in Manitoba. A farewell party was held in honour of Mr. and Mrs. Monaghan, and they were presented with a beautiful writing desk. Mr. Ralph Orge, also, has waved farewell to Manitoba and moved to Ottawa. These two gentlemen have done much to stimulate interest in the breeding of pure-bred dogs. We sincerely hope to see them back with us again in the not too distant future. Our loss is Ottawa's gain.

St. Vital Sanction Show was a big success, as usual. Mr. H. Bentley, however, was unable to do the judging due to the fact that he was confined to bed for several weeks. Mr. George Kynoch obliged by taking his place. He placed Mrs. A. R. Caruso's Peke Best in Show; Reserve went to Mrs. Mill's Dachsie.

Mr. and Mrs. H. Allen enjoyed a trip to the East. They stopped off at Toronto to visit their son and admire their new grandson; then on to Chicago and Duluth, where Mr. Allen had a judging assignment on September 11th.

Am very sorry to have to report the sudden death of Mrs. C. Tangstad, beloved wife of Mr. Carl Tangstad. I am sure all C.K.C. members and others who know Carl will join the members of the Fort Garry Kennel Club in extending their deepest sympathy.

Hull & District (Quebec) News

By Fred Blatch

WELL, here we are again with the news from this end of the province after an absence of a few months. Due to an excessive amount of work over that period it was impossible to find time to write a personal letter, let alone the news. However, I am free again now and can say that you will be able to read your Hull & District News regularly every month from now on. That is providing, of course, our Editor can find me the space. So, please, no more letters asking why I am not writing.

Had a swell visit from my good friend Mr. L. B. (Kruger) Sequin, well-known Boston breeder of Montreal. It was really grand to see him again and I guess we talked about everything in the "World of Dogdom", especially the welfare of the game in this province. One of the topics brought up was the question of an increase in the number of C.K.C. Directors provided for the Province of Quebec. It seems only reasonable when one considers the great increase in doggy activities during the past four or five years within the province that this should be an easy thing to accomplish, especially as there are no Territorial Advisors to the only one Director we have in this large province at present. However, the matter is being considered further and, in all probability, overtures will be made to the Board of Directors later this year, with a view to having some action taken to bring about the desired results. From our point of view and in the interests of all the members throughout this province, it seems that the huge expanse of territory covered by Quebec is really too much for one lone Director to be responsible for, no matter how hard that Director may work. Like our genial Director, Mr.

Sequin and I are most interested in promoting the welfare of C.K.C., its members and the dog game in general throughout the Province of Quebec, and thereby doing our little bit towards making the C.K.C. and Dogs in Canada second to none in the world.

Another newcomer to the dog game is Mr. Charlie Cameron of Hull. Charlie has secured himself one of the nicest Collie pups I've seen. He is from imported stock, just ten months old, perfect ear carriage, a fearless exhibitor, developing nicely, and if I know anything about Collies will have no difficulty making his Championship when finished. Charlie secured his application form from me today and is going to join the C.K.C. Good luck to you, Charlie!

Everybody around here who is interested in Collies is talking about the All Collie Specialty Show the Eastern Ontario Collie Club is putting on just across the creek in Ottawa. From what this writer knows, this show is going to be a real humdinger, so I guess new Collie history will be made on October 15th. But more about this another time.

Am going out to the Aylmer show next Saturday, where Mr. Rowe of Montreal is judging, and will tell you all about it in our next issue. So-o-o, until then, so-long everybdy and good luck.

THE FORUM

THE art of preparing a dog for the ring has gone to such an extreme that crowds of spectators gather around handlers' boxes to watch the interesting sight of dogs being made up as if they were contestants for a beauty show. The American Kennel Club is now taking steps to enforce the rule which allows an exhibitor or handler to protest when he has reason to believe that the natural appearance of a dog in the ring has been altered by artificial means. They also allow a judge to use his own discretion, and if after consultation with the official show Veterinarian he is confident that the dog in question has had his appearance altered contrary to the rules, he may disqualify the dog. These protests, however, must be made in the ring at the time of judging. There is under Chapter 17, Section 1 of the Dog Show Rules of the Canadian Kennel Club, the ruling that a dog whose appearance has been changed by artificial means other than those recognized by the standard of its breed, shall be ineligible to compete at any show. It does not, however, qualify the ruling as clearly as does the American Kennel Club. Therefore, the interpretation of the ruling has been that it comes under the term "the physical condition of the dog" and only the official Veterinarian has power to render a decision. In view of this, any protests in order to be considered must be made in the ring at the time the dogs are being judged when all parties are present. For the benefit of Canadians who intend to show at future American shows, the following ruling has been adopted by the A.K.C., and this rule will be rigidly enforced.

"Any competing exhibitor or handler may protest a dog being shown, that is alleged to be blind, deaf, lame, castrated, spayed or whose natural colour or shade of natural colour, or natural markings are alleged to have been altered or changed by the use of any substances, or whose appearance has been changed by artificial means, other than those recognized by the standard of the breed, or a dog alleged to have a disqualifying fault under the standard of its breed, either apparent or disguised by artificial means. However, the protest must be made in the ring to the judge and prior to the completion of the judging of the breed class in which the dog is being shown. In the event such a protest is made, it is mandatory that the judge immediately call an official show veterinarian for an opinion in writing before rendering his decision. He shall record the same in the judge's book, disqualifying the dog if disqualification is called for under the rules of the American Kennel Club or the breed standard. In such instance, all prior awards at that show shall be cancelled by the American Kennel Club. If after obtaining the veterinarian's opinion, it is the judge's opinion that the natural color, or shade of natural color, or natural markings of the dog have been altered or changed by the use of any substances, in such instance, he shall not consider the dog in making his awards.

"Such a protest need not be in writing nor is any deposit required. Should a dog be adjudged to have had its natural color, or shade of natural color, or natural markings altered or changed by the use of any substances the dog may not again be shown until an official record has been made by the American Kennel Club of its true color and markings. In the event that the color and markings of the dog as recorded are such as to not be a disqualification under the standard of its breed, the dog may again be entered in shows. The cost of the examination must be paid by the owner. Should the dog be shown again in other than its recorded color and markings, its owner, handler or agent will be subject to an indefinite suspension from all privileges of the American Kennel Club. Should a dog be disqualified under the breed standard or under Chapter 16, Section 8 it may not again be shown until an official determination of its status has been made by the American Kennel Club. The request for such determination must be made in writing by the owner or agent o fthe dog within thirty days from the close of the show at which the dog was disqualified. The cost of the examination must be paid by the owner.

POODLES IN THE U.S.A.

(*Continued from page 2*)

At this present writing in the summer of 1949 the miniatures are a little more popular than the standards, and the best liked color in the miniatures is gray. The best liked color in the standards is black. However, the writer, who specializes almost entirely in white, has had no difficulty in selling both standard white and miniature puppies.

In the show ring Poodles have more than held their own, accounting for many important Bests in Show, and they are always serious contenders in any Non-Sporting group. Another healthy sign is that a number of different Poodles are winning Groups and Best in Show, and that no one kennel can be said to entirely dominate the breed. The only pessimistic note is that the standards seem to be becoming scarcer, and at many of the shows the miniature entry is far larger than that of the big fellows. It is to be hoped that in another year this situation will change. Here in America we breeders hope that perhaps Canada will take to the standard Poodle as it would be so perfectly adaptable to the Canadian climate and outdoor life. At any rate the breed is in an enviable and solid position in America.

Skin condition hopeless, given up as a show dog, Athos comes back, wins Best in Show all breeds

Read Mrs. Z. W. Feller's own words about Athos' miraculous 'come back'.

"We acquired Ch. Four-In-Hand Athos on May 3, 1947 for use at stud. We had no intention of showing Athos because of his age and condition. He was then seven years of age, a mass of fatty bumps, hairless on the end of his back and rear, and had sores and abscesses 'galore'. His condition was checked by two veterinarians as *senile eczema* for which, it is supposed, little can be done.

"We always give our dogs a daily ration of Rex Oil and we began giving Athos *lots* of it. *It worked a miracle.* He stopped shedding and considering the summer heat of Sacramento Valley that in itself was remarkable—the abscesses healed and he improved rapidly.

"On September 14th we entered him in the Redwood Empire K. C., all breed Show at Petaluma, California—hopeful that he might get Best of Breed. It was the thrill of our lives when he went Best in Show.

"We certainly thank you for a fine product. We *know* what it will do."

Athos going Best of Breed at the Golden Gate Show in San Francisco, January 31, 1948 with 34 Dals entered. Judge: David Richardson. Handler: Geo. Sangster.

Champion Four-In-Hand Athos, bred by Leo. Meeker, whelped April 12, 1940, and owned by Mr. & Mrs. Zane W. Feller of 'Hackney Way', Roseville, California, is believed to be the oldest Dalmatian ever to go Best in Show at an all breed show in America.

"It worked a miracle"

Mrs. Zane W. Feller

We are proud of this unsolicited letter about a great dog that came back in show condition with the help of Rex Wheat Germ Oil. We get wonderful letters like this day after day telling us about other dogs that were helped by Rex Oil. Some are champions like Athos, some are just pets—but they are all good dogs, friends of man, and we are thrilled that we can help them.

Keep your dogs in 'show coat' and in top breeding condition with Rex Oil. Rex Oil is different, it is so pure you can take it yourself, it won't get rancid, it contains 'fresh factors' not found in most dog foods. Insist on REX. We guarantee it unconditionally.

Prices: 4 oz. $1.25; Pt. $5.00; Qt. $8.00; Gal. $29.00 from your dealer or direct.

MINUTES OF BOARD MEETINGS

THE CANADIAN KENNEL CLUB, INC.

PATRON

His Excellency Viscount Alexander of Tunis, C.C.B., C.S.I., G.C.M.G., D.S.O., M.C., Governor-General of Canada

HONORARY PRESIDENT

The Hon. Mr. Justice McFarland, Toronto

OFFICERS—1949

PRESIDENT: W. J. Risewick, Toronto; VICE-PRESIDENT: Walter Brown, Toronto; SECOND VICE-PRES.: V. W. Williams, Vancouver.

DIRECTORS—1949

ALBERTA: W. W. Pratt, Calgary; BRITISH COLUMBIA: Mrs. G. O. Alsen, New Westminster; MANITOBA: C. G. Biggar, Winnipeg; MARITIMES: W. P. Moore, Shubenacadie, N.S.; ONTARIO: Paddy Boughs, Toronto; G. P. Davies, York Mills, Ont.; Douglas Riedel, Preston; A. Roberts, Toronto; J. S. Thorndike, Jr., Toronto; QUEBEC: Mrs. Pamela B. Mack, Ste. Anne de Bellevue; SASKATCHEWAN: Walter W. Riome, Moose Jaw.

1399. A special meeting of the Board of Directors, called by the President, was held in the Club's offices, 667 Yonge Street, Toronto, Ontario, on Wednesday, August 24th, 1949, commencing at 6.00 p.m. The President, W. J. Risewick, presided. Officers and Directors present included: Walter Brown, Paddy Boughs, George P. Davies, Douglas Riedel, A. Roberts and Jack Thorndike, Jr.

At the President's suggestion the Board dealt with the following matters in the order hereinafter recorded.

1401. CONSTITUTION AND AMENDMENT THERETO ADOPTED AT GENERAL MEETING (1948 and 1949)

SUBJECT: The Secretary asked for an instruction regarding the re-submission to the Department of Agriculture, for Ministerial approval, of the Constitution, by-laws and Rules adopted at the annual general meeting of the Club in 1948, and the single amendment to the Constitution adopted at the annual general meeting of the Club in 1949.

ACTION: The Secretary was directed to submit these to the Department of Agriculture for Ministerial approval.

1402 (1328). FINANCIAL MATTERS

SUBJECT: The Secretary reported that following the publication of the President's message in respect to the Club's finances, he received the following letters bearing on points referred to in that message:

(a) A letter from Mr. W. H. Pym, Vancouver, who suggested that the entire country be zoned "in regard to its dog show potentialities", and "charter bona-fide clubs at a fee of $200.00 per charter, plus the present license fee per show";

(b) A letter from Mr. Harold D. Armstrong, Toronto, suggesting that a charge be made for future championship certificates that are issued;

(c) A letter from Mr. A. P. C. Hopkinson, McDonald's Corners, Ont., who suggested "a straight increase of 50c on all entry fees, this increase to accrue to the C.K.C.".

ACTION: These suggestions were ordered held over for further consideration.

REPORT: The Secretary reported that a statement had been received from the Canadian National Live Stock Records indicating that costs in respect to the preparation of copy for Volume 52 of the stud books (up to the time further preparations were halted) amounted to $325.84.

DISCUSSION: In discussing whether preparations for this Volume should be continued, the Board noted that the cost to print and distribute Volume 51 amounted to approximately $3,000.00 yet out of 3,445 members in 1948 less than 250 copies of Volume 51 had been ordered. It agreed that in view of the Club's present financial position at this time no further action should be taken, during 1949, to arrange for the printing of Volume 52.

RESOLUTION: It was regularly moved by Vice-President Brown, seconded by Director Riedel:

"THAT, in view of the lack of interest by members in recent stud books published, the Board will not authorize the publication of a stud book in 1949." Motion carried.

ACTION: The Secretary was directed to pay the account rendered by the Canadian National Live Stock Records.

1405. LETTER FROM AMERICAN KENNEL CLUB RE KENNEL NAMES AND REGISTRATION

SUBJECT: The Secretary read a letter from the American Kennel Club, addressed to the Canadian National Live Stock Records, seeking an opinion as to whether or not the addition of a kennel name (registered with the American Kennel Club) as a suffix to the name of a dog imported to the United States from Canada would violate paragraph 10 of the reciprocal agreement, dated September 3rd, 1926, between the American Kennel Club and Canadian Kennel Club.

DISCUSSION: In discussing the request outlined in the letter received from the American Kennel Club the Board agreed that any addition to the name of a dog registered by either Club would represent a violation of the agreement, but that the situation, so far as it concerned registration in the United States, could be overcome by the approval, by both Clubs, of an amendment to the existing agreement. While the present Constitution of the Club would not permit of a Canadian importer adding his registered kennel name to the name of a dog imported from the United States and already registered with the American Kennel Club, nevertheless any change in the existing agreement should make it possible for Canadian importers to have the same privilege in the event the Club's constitution is amended accordingly at some future date.

RESOLUTION: It was regularly moved by Director Riedel, seconded by Vice-President Brown:

"THAT, the American Kennel Club be informed that the Board of Directors of The Canadian Kennel Club Inc. is prepared to authorize an amendment to the existing reciprocity agreement which would permit of the arrangement sought by their letter of June 27th, 1949". Motion carried.

1406 (1308). LETTER FROM MRS. L. M. HAMILTON

SUBJECT: The Secretary read a letter from Mrs. L. M. Hamilton, Aurora, Ont., who indicated her willingness to provide, in memory of her father, the sum of $500.00 "as a start of an annual bursary" for research into distemper. Mrs. Hamilton suggested that the balance of $500.00 be obtained by subscription from members of the Club.

ACTION: Following discussion the Secretary was directed to express the Board's appreciation of her generous offer and to indicate that the Board is prepared to authorize the Editor to provide space in DOGS IN CANADA to publicize the appeal for the additional funds required.

RESOLUTION: It was regularly moved by Director Thorndike, seconded by Director Roberts:

"THAT, the accounts reported by the Secretary be paid."

Motion carried.

REPORT: The Secretary reported that Director W. W. Pratt had submitted a statement indicating Trial Board expenditures totalling $63.25, plus postage costs for six months of $5.00. The Secretary reported that Director W. P. Moore submitted a statement indicating postage cost of $6.70, telegrams of $2.73, and telephone (long distance) of $14.35.

ACTION: The Secretary was directed to pay these accounts.

REPORT: The Secretary reported that receipts from membership fees in the first six months of the year, and the loan earlier authorized by the Board, it had been possible to almost entirely liquidate the Accounts Payable and other Liabilities (amounting to approximately $15,000.00) shown in the 1948 Financial Statements, but that the present income of the Club was not sufficient to take care of current expenditures unless arrangements are made to replace the funds that we used to liquidate Liabilities and Accounts Payable carried over from 1948.

The Secretary also reported that two $1,000.00 bonds held by the Club were due to be redeemed on October 1st of this year.

DISCUSSION: In discussing the course of action which should be followed, the Board agreed that it would be far better to increase the loan obtained from the bank rather than to cash any of the bonds held by the Club, for the following reasons:

1. The majority of the bonds held by the Club pay interest in excess of that which the Club would pay on a loan;
2. The cashing of bonds might indicate that no prospect exists, within a reasonable time, that the Club could retire the loan from its current income without the necessity of surrenderng bonds which it has held for many years.

RESOLUTION: It was regularly moved by Director Thorndike, seconded by Director Boughs:

"THAT, an additional $3,000.00 be obtained on loan from the bank and that when the $2,000.00 bonds due to be redeemed on October 1st are cashed, the Secretary be empowered to apply this amount toward the loan that has been obtained."

Motion carried.

ACTION: The Secretary was directed to obtain the President's approval of this arrangement before carrying out the instructions contained in the resolution.

1410. (1394). APPLICATIONS FOR MEMBERSHIP

SUBJECT: The Secretary reported that on behalf of the Board of Directors he had approved of the following applications for membership:

(SECRETARY'S NOTE: The names of those whose applications for membership were approved at this meeting are included in the list of members published elsewhere in this issue.)

RESOLUTION: It was regularly moved by Director Riedel, seconded by Director Roberts:

"THAT, we endorse the action of the Secretary-Treasurer in approving of the applications for membership reported on by the Secretary."

Motion carried.

RESOLUTION: It was regularly moved by Director Riedel, seconded by Director Davies:

'THAT, the applications for registration of kennel names, reported on by the Secretary, be approved."

Motion carried.

REPORT: The Secretary reported that Mrs. F. M. Hargreaves of New Westminster, B.C. (registered kennel name FRASERHOLM) had submitted an objection to the applications for registration of the kennel names, SWANHOLM (as applied for by Mr. and Mrs. K. V. Svanefelt of Richmond Hill, Ontario) and FRASER VIEW (as applied for by Donald F. McKay of Vancouver).

DISCUSSION: In discussing the objection which was made on the ground of similarity, the Board felt that there was sufficient difference to justify approval of the applications for the names SWANHOLM and FRASER VIEW.

ACTION: The Secretary was directed to include the names SWANHOLM and FRASER VIEW with the list of kennel names approved at this meeting.

SUBJECT: The Secretary read a letter from Mrs. J. H. Daniell-Jenkins requesting the Board's reconsideration of its previous decision in respect to her application for registration of the kennel name OF THE ROUGE.

DISCUSSION: Following discussion, the Board agreed to approve of the application received from Mrs. Daniell-Jenkins conditional that the name is not at any time used by Mrs. Daniell-Jenkins in connection with the registration of Cocker Spaniels (English) and Cocker Spaniels (American).

ACTION: On receipt of assurance from Mrs. Daniell-Jenkins that she will not use the name OF THE ROUGE in registering Cocker Spaniels, the Secretary was directed to approve of the application and return it to the Canadian National Live Stock Records.

SUBJECT: The Secretary read a letter from Mr. Jack M. Crabb, Simcoe, Ontario, requesting the Board's consideration of a decision reached by the Board of Directors last year in respect to his application for registration of the kennel name HAPPY HOLME, an application that was not previously approved because of an objection from the recorded owner of the kennel name HAPPYHILL.

DISCUSSION: In view of the geographical location of the persons concerned, the fact that they are interested in different breeds, and that there is a recognizable difference between the names, the Board ordered Mr. Crabb's application approved and included with the list approved earlier at this meeting.

REPORT: The Secretary reported that the Progressive Kennel Club of Canada had applied for permission to hold a championship show on June 10th, 1950.

ACTION: The Board approved this application conditional that the application meets the requirements of the Dog Show Rules and subject to the rules, regulations and conditions in force at the time of the show.

ACTION: The Board authorized refund of the date fee.

SUBJECT: The Secretary read a telegram received from the President of the New Westminster Kennel Association indicating cancellation of its championship shows which were to have been held on September 6th and 7th.

RESOLUTION: It was regularly moved by Director Roberts, seconded by Director Boughs:

"THAT, the list of proposed judges be approved, conditional that the applications for approval of these judges conform to the requirements of the Dog Show Rules or Field Trial Rules (whichever applies)." Motion carried.

REPORT: The Secretary reported that the official returns for the Field Trial held by the Parksville Fish and Game Association last April had only recently been received at the Club's office.

RESOLUTION: It was regularly moved by Director Thorndike, seconded by Director Roberts:

"THAT, since the official returns for the Trial held by the Parksville Fish & Game Association on April 9th and 10th, 1949, was not submitted to the Canadian Kennel Club within the time limit referred to in Chapter 13 of the Field Trial Rules and Regulations, the date fee posted in connection with this trial be declared forfeit." Motion carried.

SUBJECT: The Secretary read a letter from the Canadian National Exhibition Association seeking permission to bench, in the Dog Show building, 16 German Shepherd dogs taking part in precision drill at its Dog Show on September 5, 6 and 7.

ACTION: The Board directed that the Exhibition's request be granted, conditional that such dogs receive and pass the ususal veterinary inspection referred to in the Dog Show Rules.

REPORT: The Secretary reported on applications for permission to hold Championship Shows in Winnipeg in 1950, and further reported that information received from Director Biggar indicated that discussions were taking place in respect to the joint holding of shows in Winnipeg in 1950 by the three Clubs operating in Winnipeg.

ACTION: It was decided that these applications should be held in abeyance pending a report from Director Biggar on the discussions referred to by the Secretary.

SUBJECT: The Secretary reported that the question had been asked whether or not dogs entered at a Show of more than one day's duration could be removed from the Show at 9 p.m. on the day or days when Group judging is not to take place.

DISCUSSION: In discussing this question, the Board agreed that dogs not required for Group judging can be removed at 9 p.m. on any day, but that a Show-giving Club could schedule judging till 10 p.m. of each day.

SUBJECT: The Secretary sought an interpretation of the practical application of that section of the Dog Show Rules, which states "Entry shall not be received less than 10 days prior to the first day of the show".

DISCUSSION: In discussing this question, the Board agreed that this rule meant that if a show was scheduled to be held on July 21st, the show-giving club could accept entries up to and including July 11th.

SUBJECT: The Secretary reported that an enquiry had been received asking whether or not it would be permissible to have the judging of the Canadian-bred Puppy groups precede the judging of the regular Groups.

DISCUSSION: In discussing this question, the Board agreed that it would be inadvisable to permit of this arrangement for the following reasons:

(a) The arrangement might result in reversals of judgment;
(b) The appearance of dogs in the Puppy groups would likely acquaint the presiding judge with the approximate age of such dogs, when some of these dogs later appear in the regular groups.

SUBJECT: The Secretary reported that the Eastern Collie Club of Ontario had applied for permission to hold a Fashion parade and a demonstration by a trained Collie in connection with its Specialty Show to be held on October 15th. The Secretary reported that information received from the Show Secretary indicated these activities would not interfere nor unnecessarily delay the judging of the show.

ACTION: The Secretary was directed to inform the Club of the Board's approval of its requests in this connection.

SUBJECT: The Secretary read a letter from Mr. Hedley E. Hull, Dorchester, Ontario, regarding the American Kennel Club's consideration of a possible change in its Dog Show Rules which would serve to delete the present "Limit" class and substitute therefore a "Bred-by-Exhibitor Class".

ACTION: Following discussion, the Board agreed that this matter could be deferred for consideration to the Annual General Meeting, and that Mr. Hull be informed that as a member it would be his privilege to submit a proposed amendment along these lines if he so desired.

SUBJECT: The Secretary reported on correspondence with the Show Secretary of the Niagara Frontier Kennel Club regarding a protest involving the alleged unauthorized removal of two dogs from its Championship Show held on June 18th. The Secretary reported that he had sought information as to whether or not the Show Committee of the Niagara Frontier Kennel Club had reached a decision in respect to this protest, but no information has been forthcoming.

ACTION: Following discussion, the Secretary was directed to inform the Niagara Frontier Kennel Club that the protest should be dealt with by its Show Committee and a decision reached, and when that decision has been reached it should be communicated to the parties concerned with a report to the Canadian Kennel Club.

SUBJECT: The Secretary referred to correspondence with the Halifax Kennel Club regarding a "challenge" submitted in respect to the height of a Beagle entered at its Championship Show on July 16th, 1949. The Secretary reported that the dog had been measured, but was found to exceed 15 inches, and had therefore been disqualified.

DISCUSSION: In discussing the correspondence the Board agreed that the protest fee submitted to the Canadian Kennel Club should be refunded to the Halifax Kennel Club for disposition as required by the Dog Show Rules, and that before the dog in question could be recognized as a Canadian champion, the requirements of Chapter 21, section 7(b) of the Dog Show Rules must be carried out.

1413 (1396). APPLICATIONS FOR HANDLERS' LICENSES

REPORT: The Secretary reported that applications for handlers' licenses had been received from the following persons:

Kamp, Miss Jean F., Brookline, Mass.—All breeds;
Southcott, Mrs. Mary E., Cooksville, Ont.—All breeds;
Stone, Miss Shirley, Detroit, Mich.—Brittany Spaniels and All Toy Breeds.

RESOLUTION: It was regularly moved by Director Boughs, seconded by Director Davies:

"THAT, the applications for handlers' licenses reported by the Secretary be approved." Motion carried.

1414 (1333). REGISTRATION OF CLUB NAME

REPORT: The Secretary reported that Mr. Hugh Crozier, Winnipeg, had accepted the appointment as Field Trial Representative for the Province of Manitoba for the current year.

The Secretary reported that a letter from Mrs. G. O. Alsen, Director for the Province of British Columbia, had been received indicating that Mr. Frank Creasey, a member of the British Columbia (Island) Provincial Committee, had moved from the Island, and that Mrs. Alsen had recommended the appointment of Mrs. F. Clark to the Provincial Committee (Island).

RESOLUTION: It was regularly moved by Director Roberts, seconded by Director Davies:

"THAT, in accordance with Mrs. Alsen's recommendation, Mrs. F. Clark be appointed a member of the British Columbia (Island) Provincial Committee for the balance of 1949." Motion carried.

1416 (1341). NATIONAL RETRIEVER STAKE

REPORT: The Secretary reported that the Edmonton Sporting Dog Club had withdrawn its application for permission to hold a National Championship Retriever Stake in 1949.

The Secretary then read a night letter from Mr. Grant Mahood, President of the National Retriever Club (Canada) Limited, who reported that the National Retriever Club (Canada) Limited had organized and obtained a charter in British Columbia with a view to running a National Retriever Trial in Canada under the jurisdiction of the Canadian Kennel Club, in accordance with Section 21 of the C.K.C. Field Trial Rules and Regulations. Mr. Mahood's message included an application for license to hold such a Stake under the Club's rules.

ACTION: Following discussion, the Secretary was directed to inform the Field Trial Clubs accustomed to holding Retriever Trials under the Club's rules of the message received from Mr. Mahood, and to seek their views in respect to the National Retriever Club's application for permission to hold a National Championship Retriever Stake.

1417 (1389). BULLDOG LITTER REGISTRATION CANCELLED

REPORT: The Secretary reported that he had, in accordance with the instruction given by the Board of Directors on July 4th, asked Mrs. G. O. Alsen, Director for the Province of British Columbia, to inspect and report on the puppies in a litter whelped by the bulldog LADY TUFFY (193024) on April 16, 1949. The Secretary then read a letter addressed to Mrs. Alsen by Mr. J. P. Bultitude on July 27th, stating that the puppies in this litter were not pure-bred, and requesting the cancellation of the registration of this litter.

RESOLUTION: It was regularly moved by Director Roberts, seconded by Director Riedel:

"THAT, the registration of the litter whelped by the Bulldog, LADY TUFFY (193024) on April 16th, 1949, be cancelled." Motion carried.

1418. MINIATURE DASCHUNDS

REPORT: The Secretary reported that he had communicated with the Kennel Club (England), seeking information in respect to its policies regarding the registration and showing of Miniature Dachshunds. The Secretary read the reply received, which indicated that under Kennel Club rules the "breed" of Dachshund is subdivided into five varieties, as follows:

Dachshunds (Smooth-Haired)
Dachshunds (Long-Haired)
Dachshunds (Wire-Haired)
Dachshunds Miniature (Smooth-Haired)
Dachshunds Miniature (Long-Haired)

The letter also indicated that inter-breeding between the various varieties is permissible and the progeny can be registered "in the Register of the Variety they most resemble"; that separate classes are provided for at championship shows in which the varieties can be entered according to the description given in each case at the time of registration. The letter further indicated that at the time of the recognition of the two Miniature varieties, the Kennel Club Committee made provision for any owner to declare his stock as Miniatures and on receipt of his declaration, the registrations of his dogs were transferred to the new Registers.

DISCUSSION: Director Riedel stated that there appeared to be an increasing interest in the Miniatures, with the likelihood that if the Canadian Kennel Club made provision for their registration, as well as for separate classes at championship shows, specimens would be brought to Canada, both for breeding and show purposes. He recommended that the Smooth Miniature be added to the list of recognized breeds both for registration and show purpose.

RESOLUTION' It was regularly moved by Director Riedel, seconded by Director Davies:

"THAT, for show and registration purposes, the Smooth-Haired Miniature Dachshund be added to the list of recognized breeds, but in order to be registered and/or shown as a Smooth-Haired Miniature Dachshund, a dog must be sired by a Smooth-Haired Miniature Dachshund and out of a Smooth-Haired Miniature Dachshund, and weight must not exceed 10 pounds, the standard of the breed to be otherwise the same as that of the standard Smooth-Haired Dachshund." Motion carried.

PURINA DOG CHOW is their choice

These Toy Manchester Terriers, Roselawn Betty Lou and Roselawn Tiny Tim, topped their classes at the London Show last fall; and Tiny Tim was judged Male Best of Breed and Best Canadian Bred Toy. Breeders and owners, Mr. and Mrs. F. P. Bannister, Roselawn Kennels, Brantford, Ont.

Top breeders and handlers keep two main points in mind regarding feeding — economy on the one hand, balanced and complete nutrition on the other.

You'll find a great many of them feeding Dog Chow, because they have found it highly satisfactory on both these counts.

The reason? Because Purina has really studied the feed requirements of dogs. It has put over 22 years of steady scientific research behind the Dog Chow formula . . . employed well over 2,000 dogs, over those years, in practical testing at the Purina Research Farm.

When you feed Dog Chow, you're not experimenting. The experimenting has all been done for you, already.

These facts are your assurance that Purina Dog Chow is made right to help you feed right!

Mr. and Mrs. Bannister ha bred American Cockers years . . . recently turn their attention to Toy Ma chesters. They have a more ribbons than th they brought home fr London! "Exclusively Dog Chow — perfectly sat fied," says Mr. Bannister.

Because it is the choice of so many "big" breeders, and because it has such a reputation for controlled, consistent quality, many people feel that Dog Chow must be expensive. Actually, it's not. Made by a full-line feed firm (of 55 years' experience) and distributed through feed stores, it's very reasonably priced.

IF YOU'RE A KENNEL OWNER, INQUIRE ABOUT OUR "COURTESY CARD"

If you buy dog food in substantial quantity, the Purina Courtesy Card plan provides a substantial saving. See your Purina dealer, at his Store with the Checkerboard Sign.

How to repay your dog's loyalty

Feed him Gaines . . .
Nourish *Every Inch*

WHAT wonders you can perform for your dog — by *sound feeding!* That means giving your dog Gaines — nourishing *every inch* of him.

When you feed Gaines, your dog's system receives the scientifically balanced mixture essential to his health. Biologists have proved that kennel-tested Gaines is *nutritionally complete* — contains all the food elements dogs have craved since their earliest times.

Start feeding Gaines today! — 9 out of 10 dogs take to Gaines *immediately* — because it is 'natural' food.

Each pound contains all this NOURISHMENT

For strong bodies — proteins as in 1½ lbs. beef.

For energy — carbohydrates as in 1½ qts. cooked oatmeal.

For appearance — fats as in 1 oz. butter.

For bones and teeth — minerals as in 1¾ lbs. cheese.

For vitality — iron as in ¾ lb. beef liver.

Plus extra vitamins and key minerals.

. . . *Saves you money too!*

Gaines costs you less to feed than any other type of dog food — a 5-lb. bag makes 10 to 12 lbs. of ready-to-eat food. Easy to feed — all you do is add water (soup, milk or gravy). Then, for variety, you can give him GAINES KRUNCHON, which is Gaines Meal compressed into crunchy bite-size pellets.
