The Miniature Schnauzer
INTERNATIONAL CHAMPION
BENROOK BEAU-BRUMMELL
Owned by Mr. and Mrs. W. Gottschalk
863 Cosburn Ave., Toronto, Ont.

Doberman Pinscher, Star V. Keeloak, with her litter of *fourteen* puppies sired by Int. Ch. Clipper V. Glenhugel, C. D. Owners, Guswin R. and Isabel Joan Kehl, the Keeloak Kennels, San Diego, report: "This record-breaking litter are all uniform healthy puppies. Their mother is an old timer at Rex Oil and it has contributed not only to her productiveness but to her superb physical condition. When "Star" was bred she weighed 70 lbs. When the pups were four weeks old she weighed 68 lbs."

Are your matrons thin and shabby after whelping?

Read these reports from breeders feeding Rex Oil.

OTHER BREEDERS PRAISE REX OIL FOR MAINTAINING THEIR BROOD MATRONS.

Mr. and Mrs. Albert Kanan, Ka-nan Kennels, Van Wert, Ohio, report: "We had one female Cocker that shed so profusely after whelping her first litter that she had many bare spots as large as a quarter, and lost most of her feathers. Soon after receiving Rex Oil she regained her coat and at the next whelping shed very little."

Mrs. Alexander W. Rich, Hingham, Mass. reports: "... my Idahurst Aldredwing has kept her nice coat after whelping—thanks

to Rex Wheat Germ Oil. . . . Another female, an eleven year Cocker, now is in excellent coat—no more eczema since she receives Rex Oil in her meal once a day."

Mrs. G. J. Smith, Phoebus, Va., writes: "I persuaded a friend of mine to use your Rex Oil on a seven year old Cocker bitch because she had lost practically all her hair. The dog regained her beautiful coat. She was bred again this year. The resulting litter was the largest she had ever whelped and

the only litter in which all puppies survived and were strong."

Mrs. A. C. Jaroski, Saint Lane Kennels, Horicon, Wis. says: "I have a five year old Saint bitch that would always miss or lose puppies at whelping. She had a litter last fall, lost four and raised four. I thought she would never pull out again; she became extremely thin and lost her coat almost entirely. . . . I started her on Rex Oil and in three weeks her new coat was coming in and she was putting on weight. I bred her again in April and on June 23rd she whelped 13 puppies, all beauties, and raised them all—staying in good condition throughout the experience."

Rex Wheat Germ Oil is rich in factors which are absolutely necessary to the best breeding practice, to skin health and "show condition." Rex is so pure you can take it yourself. We guarantee it *unconditionally*. At drug and pet stores, or direct from us, prices are: 1 oz. 50c; 4 oz. \$1.25; 20 oz. \$5.00.

OUR COVER

We take pleasure this month in depicting, for our Terrier Issue, a head-study of the beautiful Miniature Schnauzer, International Champion Benrook Beau-Brummell. This outstanding young dog has compiled a sensational show record in both Canada and the United States. In his short Canadian show career he has twice been placed Reserve Best in Show and while gaining his American title obtained wins at the Specialty Show of the Miniature Schnauzer Club of America as well as Group Placings at All-Breed Shows.

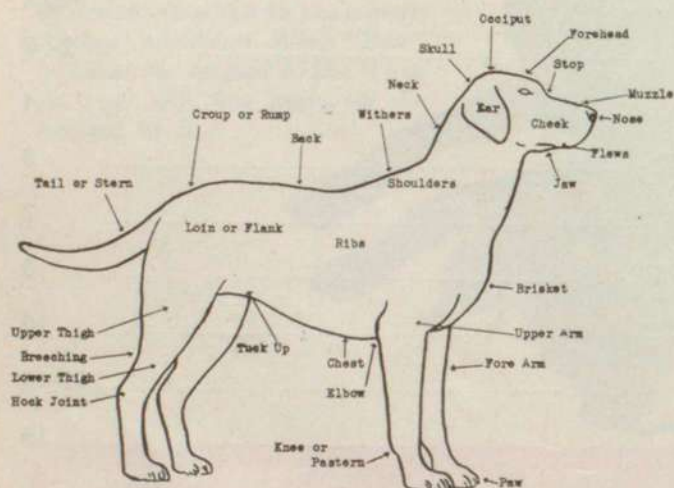

His breeding combines the finest modern producing blood-lines in Miniature Schnauzers, his sire being the famous Ch. Dorem Display and his dam being Ch. Karen of Marienhof II. Among his kennel mates at the Cosburn Kennels is Yankee-Pride Kandy (Ch. Sandman of Sharvogue ex Ch. Meldon's Medley) who will shortly be bred to "Beau".

He is owned by Mr. and Mrs. W. Gottschalk who are also well known for their splendid Boston Terriers. He was handled in Canada by Mr. Ted Ward of Clarkson and in the United States by his son, Mr. George Ward of Birmingham, Michigan.

IDENTIFICATION...

As our members and other breeders have been informed, positive identification of a dog will be required before registration of that dog will be possible. The Club's Constitution presently provides for two methods of identification, i.e.: a statement of colours and markings, and tattooing. Information about these methods appears hereunder and breeders wishing further information may address inquiries to the Canadian Kennel Club, Toronto.

COLORS AND MARKINGS

For many years it has been sufficient for a breeder, when completing an application for registration of an individual dog, to merely state the colours briefly, such as "black, white and tan". This brief description is no longer acceptable for registration purposes. A statement of colour and markings will be acceptable for registration purposes providing such description will establish positive identification. The following descriptions will serve as a guide to those using this method:

White; spotted black ears and jaws, black patch on right shoulder and back, two black spots on right side and black spot on left ribs, black spot on base of tail; ticked.

Liver and white; white stripe on forehead; liver on right side of head extending over ear and eye, liver patch on left side of neck, over left shoulder, on top of rump and left flank; tail liver, tail tip and parts of body ticked.

In describing the location of markings the correct canine terminology should be used, and to assist breeders towards that end, the illustration at the left is published.

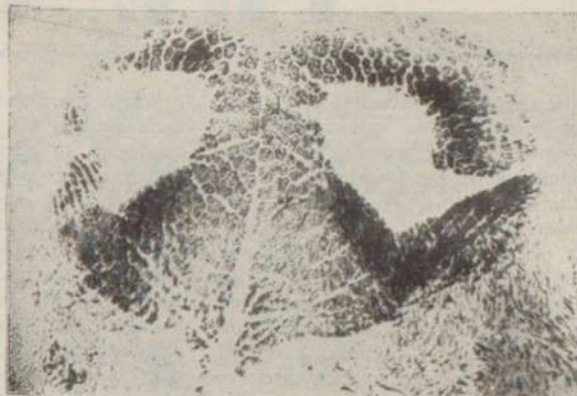

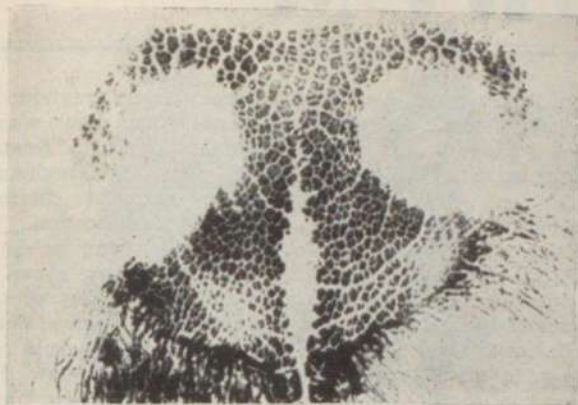

TATTOOING

Tattooing is a method of identification presently provided for in the Club's Constitution. A dog may be tattooed on its ear or ears, belly, flank or lips. The required markings consist of the identification letters allotted the breeder or owners by the recording office, a serial number, and a yearly identification letter which denotes the year in which the dog was born. The tattoo markings shown in the illustration at the left were made in 1938, but had the dog been tattooed under the existing tattoo regulations, the markings would have appeared as AES5 rather than AES5 as shown in the illustration. The letters AE indicate the breeder or owner of the dog, the numeral 5 indicates that it was the fifth dog tattooed by the breeder or owner in that year, and the letter S indicates that the dog was born in 1938. Information on tattooing appeared in a printed pamphlet distributed to members early in November. Additional copies of this pamphlet are available without charge to members or other breeders desirous of obtaining a copy. Write the Club's Toronto office. Instructions on tattooing may be obtained by writing manufacturers of tattooing equipment.

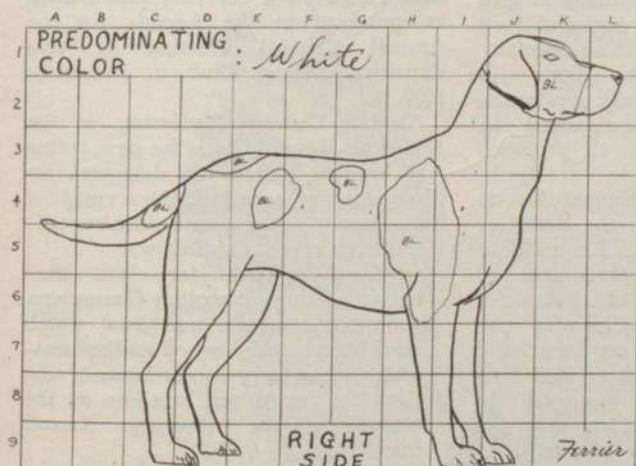

Other methods of identification have been suggested and so that the practicability of these methods can be considered by the members for possible inclusion with the presently permitted methods, information about these methods (noseprinting, charting and photography) follows. As will be noted elsewhere in this issue, a proposed amendment in respect to identification has been submitted for the consideration of the members attending the next Annual General Meeting to be held on February 8th, 1950.

NOSE PRINTING

In 1939 the Club's Constitution provided for nose printing as a method of identification. The enlarged illustration at the above left is that of a six-year-old Wire Fox Terrier's nose print. The enlarged illustration on the above right is that of a three-month-old Great Dane. In principle, nose printing is the same as fingerprinting. Fingerprinting is the most dependable method of identifying humans.

CHARTING

A suggested method of identification known as "charting" is well known to breeders of racing and coursing Greyhounds and is also used by at least one other live stock association in Canada. The illustration at the left indicates an outline of a dog on which markings have been drawn. The right side only of the dog has been shown, but the same procedure would be followed in indicating the markings on the left side of the dog. When used some years ago by breeders of dogs, the method required the breeder to provide two charts of each side. One chart of each side was adhered to the certificate of registration, the second copy being retained in the recording office.

The grid lines are used by the breeder to assist him in the correct placement of the markings that run from one side of the dog to the other side.

PHOTOGRAPHS

Photography is a method used by at least one cattle association in Canada but, like charting, it has its limitations in that it can only be used where photographs will establish positive identification, i.e. where a dog has definite markings which

will show up in photographs. Such photographs need not be of the expensive variety, but can be snapshots taken with an ordinary camera. The method as used elsewhere requires the applicant to provide four photographs of the animal about to be registered (two of each side). One photograph of each side is adhered to the reverse side of the certificate, the second copies being retained at the recording office.

The illustrations of the right and left sides of the Pointer shown under this heading would undoubtedly serve to identify the particular dog represented.

THE FORUM

This is the first of a series of articles dealing with canine government in other countries. As we are so closely interested in the American Kennel Club the following brief outline of their procedure is given.

At one time, dogdom on the North American continent was controlled by one organization, the National American Kennel Club, and some of our show-giving clubs in Canada were members of that organization. The American Kennel Club was organized in 1884 with representation from Canada on the Board. It was not until 1887 that the Canadian breeders decided there were sufficient of their number to form a club of their own. Thus the Canadian Kennel Club had its beginning as a member organization, just as it is today.

As reported in the October, 1948, issue of *Dogs in Canada*, three of the men who voted the American Kennel Club into being on September 17th, 1884, were from Canada. They were representatives of the Montreal Kennel Club, the New Brunswick Kennel Club and the London Kennel Club.

These organizers were the first actual members of the American Kennel Club. Individual membership was not considered feasible and in place of this established Kennel Clubs and Breed Clubs were accepted as members, with the right to appoint a delegate as a representative to attend the meetings and assist with the business affairs of the Club.

The first Specialty Club of a breed becomes designated as the parent Club and from this parent Club various other Specialty Clubs of that breed receive guidance. There are also the All Breed Clubs which appoint a delegate to represent them at the meetings of the American Kennel Club. Once these delegates of the member clubs are appointed they act on behalf of not only their own individual clubs but all prospective clubs which wish to become members of the organization. From these elected delegates, a Board of Directors is formed to conduct the affairs of the American Kennel Club. There are twelve members on this Board and each year three members are elected for a four-year term. As only three are elected each year it can readily be seen that there is little change in the actual Board from year to year, and as the Directors are elected in advance one knows who will be on, say three years from now.

This Board of twelve persons elects the Executive Vice-President, the Executive Secretary, the Secretary and the Treasurer. The President is selected from one of the Board of Directors.

While the Board of Directors meets each month, the club delegates meet quarterly to adopt needed legislation which is prepared for submission by the Board of Directors.

Notice of any change in legislation is published in the American Kennel Gazette three months before it is considered by the delegates, in order that a cross section of the opinions of the dog fanciers across the United States may be considered. This is in direct contrast to the Canadian method where changes can only be made once a year at the Annual meeting.

A Club or Association must have held at least three Dog Shows or Field Trials in consecutive years under the rules of the American Kennel Club before its application for membership can be considered by the Board of Directors and by the delegates at the quarterly meeting. Specialty Clubs must have been formed for the improvement of their breed and the parent club of that breed must consider the application and give their consent before the said club may apply for membership. These Specialty Clubs, working in conjunction with their parent club, may make application for changes in the breed standard. In order to be democratic, all proposed changes, applications, etc., are published in the American Kennel Gazette before being referred to the Board of Directors of the American Kennel Club for approval or disapproval and all letters sent to the Board of Directors of the American Kennel Club for and against candidates, etc., are considered privileged communications, the contents of which are not disclosed. In this way, it will be seen that the breeders and exhibitors of pure-bred dogs in the United States are an integral part of that organization. Any proposed amendments or changes can be discussed at the individual club meetings and the delegate then goes to the American Kennel Club meeting to express the views of those he represents.

An admission fee is charged to all new clubs applying for membership and Annual Dues are paid by the member clubs each year. The American Kennel Club is the governing body for registrations and bench shows. All pure-bred dogs born in the United States must be registered in the American Kennel Club before they can be accepted for registration in the Canadian Kennel Club. There are, however, other organizations in the United States which register pure-bred dogs, the most prominent of which is the American Field which registers sporting dogs and publishes a Stud Book which not only gives the pedigree of the dogs, but also their performance in the field. The National Coursing

Association which registers greyhounds, also has an authentic Stud Book which is accepted by the American Kennel Club. For many years, the Greyhound Associations have used the charting system as a means of identification.

The procedure for applying for dates under which to hold a dog show or Field Trial is similar to that of the Canadian Kennel Club. Member clubs or associations are entitled to hold one show and one Field Trial a year without payment of a fee, but non-member clubs or associations pay a license fee for each show which is held.

Bench show rules are similar to those in our country and we endeavour to publish any changes of importance to Canadian exhibitors in the *Forum of Dogs in Canada*.

Sometime ago we mentioned that the American Kennel Club had proposed the abolition of the "limit class" and the substitution of a "bred by exhibitor class". A motion covering this change is contained in the Agenda for the Annual General Meeting of the Canadian Kennel Club in February, 1950.

At the December meeting of the American Kennel Club, the new ruling was brought before the delegates for discussion and approval. As a result of that discussion, the new ruling regarding this class reads as follows:

"Bred by exhibitor class" shall be for all dogs excepting Champions, six months of age and over which shall be presently owned and exhibited by the same person or kennels who were the recognized breeders on the records of the American Kennel Club".

The change from the original proposed ruling is that the sentence requiring that the dog be shown by a breeder or a member of his family has now been deleted. All that is necessary for a dog to qualify for the "bred by exhibitor" class is that the dog is owned and exhibited by the breeder. It is immaterial who handles the dog in the ring.

Another ruling which should be of interest to the exhibitors at the dog shows is the number of dogs to be judged by one person during a show. The ruling now reads as follows:

"This schedule shall be based on the judging of not more than an average of 25 dogs per hour by each judge, during the advertised hours of the duration of the show, with a total assignment in the breed classes for any one judge of not over 150 dogs in one day".

The above information is passed on to our readers in order that they may be kept up to date on the changes which are made at the American Kennel Club shows.

Know Your Breed...

WEST HIGHLAND
WHITE TERRIER

WEST HIGHLAND WHITE TERRIERS

Height: From 8" to 12" at shoulders.

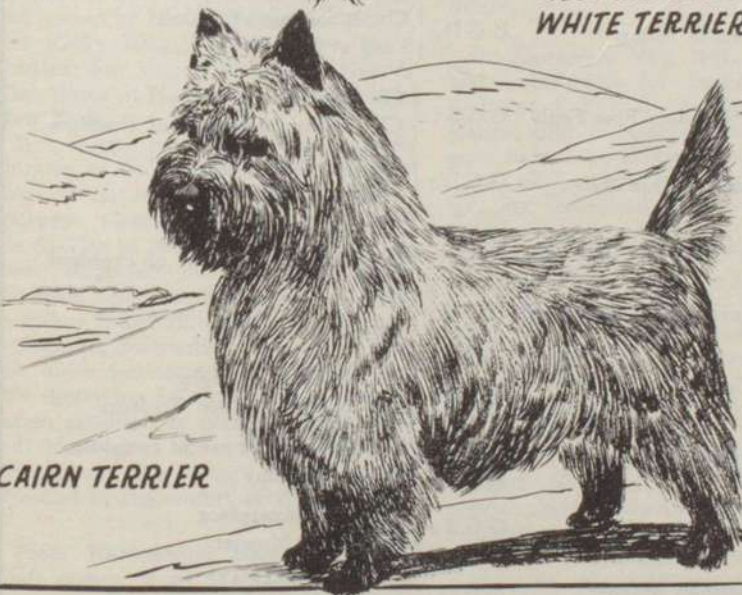

Weight: Dogs, from 15 to 19 pounds.
Females, from 13 to 17 pounds.

CAIRN TERRIERS

Height: Dogs, 10" at shoulders.
Females, 9½" at shoulders.

Weight: Dogs, 14 pounds.
Females, 13 pounds.

CAIRN TERRIER

Walter Ferrier

As the Cairn Terriers and the West Highland White Terriers are so closely allied in origin and characteristics, we are featuring them both under the one heading.

The Cairn Terrier was known for years as the short-haired Skye Terrier, but there the similarity ends, as the Cairn is definitely a dog whose history is so steeped in antiquity that the historians become confused when they endeavour to link it too closely to the Skye Terrier, also a native of the Isle of Skye.

The earliest mention of the Cairn Terrier is that it was introduced into England at the time of the Battle of the Spanish Armada.

This breed had been used by the Scots to prey upon the otter and rodents. Developed by selection for the "bolting" of otters, foxes or badgers, it was not intended for actual combat with them, but merely for expelling these animals from their homes. As most of the wild animals referred to were considerably heavier in weight than the Cairn Terriers, it was necessary that the dogs should have sufficient pluck to hold their own in case it was necessary to enter into conflict. From these requirements necessary for a working Terrier, there developed the smart dog of today which has endeared itself to the public without becoming a lap dog.

Its general appearance is that of an active, game, hardy, small working Terrier of the short-legged class; built with a medium length

of back, having a hard weather resisting coat; head shorter and wider than any other terrier and well furnished with hair giving a general foxy expression.

THE WEST HIGHLAND WHITE TERRIER

As with all breeds of dogs, the fanciers in their efforts to set a standard, make rules and regulations which must be followed, so when occasionally white puppies were born in litters of the old-fashioned Cairn Terriers, they were given away as pets. However, the white puppies, having all the characteristics of their coloured brothers and sisters, met with a friendly reception until the idea came about of collecting them and propagating a breed distinct unto itself. At first they were known as the Roseneath Poltalloch, but later as they became more popular, they were named West Highland White Terriers. Possessing all the characteristics of the Cairn Terrier, they are becoming extremely popular, both as pets and as good, sporty hunters in the woods.

The general appearance of the West Highland White Terrier is that of a small, game, hardy-looking Terrier, possessed with no small amount of self-esteem.

The coat is very important. The outer one consists of hard hair, about 2 inches long, and free from any curl. The under one, which resembles fur, is short, soft and close.

NORCANADA KENNELS REG'D

P.O. BOX 135

JOHN PRICE, Prop.

SMITHERS, B.C.

... DOTS AND DASHES - - -

Congratulations to Mr. William Semple of Regina, Saskatchewan, and Mrs. F. Yeigh McEachren of Caulfield, B.C., whose dogs have been awarded the W. H. Pym Medal and the James D. Strachan Memorial Medal respectively as the dogs of the year.

The W. H. Pym Medal is awarded to the Wire Fox Terrier, Champion Stra'ven's Simon as the dog winning the most Best in Show awards during 1949. Bred and owned by Mr. William Semple, this dog won four Best in Show All Breeds. This award was open to all dogs whether Canadian-bred or imported, and we are indeed pleased to note that Ch. Stra'ven's Simon is a Canadian-bred dog.

The James D. Strachan Memorial Medal is for the dog winning the most Best Canadian-bred in Show All Breeds during the year. This was won by the Kerry Blue Terrier, Int. Ch. Kenmare Masterpiece with seven Best Canadian-bred in Shows during the year. Bred by Mrs. S. Spiker of Hamilton, Ontario, and owned by Mrs. F. Yeigh McEachren, this Kerry Blue Terrier is now being readied for the Westminster Kennel Club Show at Madison Square Gardens, New York.

It is a long jump from Newtonbrook, Ontario, to South America, but in these days of air travel it is but a short journey. George Getty has sent six of his Collies to the Minister of Agriculture, Republic of Columbia, South America. Another female Collie is due to follow later after she has been bred.

Shipping instructions for these dogs are quite interesting, in view of the fact that what is required for identification purposes is photographs of each individual dog, these photographs to accompany the dogs and also be attached to the export certificates.

From Westminster Beach, Long Island, comes word that the Labrador Retriever, Field Trial Champion Marvadale Black Gum, owned by Paul Bakewell III, won the National Retriever Trials. It was necessary to run extra series after the ten regulation classes before the winner could be selected. The closest performances to the win were made by Field Trial Champion Spider of Kingswre and Field Trial Champion Ready Always of Marienhill. The latter won its Canadian Field Trial Championship at the York Retriever Trials last summer.

We are quite interested in the achievement of F.T. Ch. Marvadale Black Gum, as one of his sons, Deer Creek's North Wind II, now owned by Mr. H. V. P. Lewis of Toronto, Ontario, won the Derby Stake at the Illinois River Field Club at Dundee, Ill. Amongst those he defeated was the winner of the Country Life Trophy, also one of

CHUNK'S BEAUTY OF CAIRNDANIA
Cairn Terrier bred by Mrs. G. W. Hyslop and owned by Mrs. Phillip Thompson of Amsterdam, N.Y., completed its American Championship recently. Beauty has but one point to gain for her International title.

the top Derby winners in the United States.

On November 30th, 1949, a new Act was substituted for the Live Stock Pedigree Act, 1932. As the Canadian Kennel Club is incorporated under the pure-bred Live Stock Records Association, the readers of Dogs in Canada will be interested to know of any changes which were made.

Primarily, the intention of the new Act was to simplify the procedure for incorporation and affiliation of Associations; to clarify the authority of affiliated Associations in their relationship with the Canadian National Live Stock Records, and we will endeavour to explain what changes were made between the old Act and the new Act without becoming too technical as regards the Canadian Kennel Club.

A new provision was made regarding the rights of the Associations in their disciplinary actions against members. under the new Act,

"Notwithstanding anything in the by-laws of an association incorporated under this or any other Act mentioned in paragraph (b) of section two, no person shall be deprived of the right to register or transfer pure-bred live stock unless he has violated or is reasonably suspected by an association to have violated

- (a) a by-law of an association relating to eligibility for registration, establishment of production credentials or payment of fees,
- (b) section sixteen or section seventeen of this Act, or
- (b) any provision of the Animal Contagious Diseases Act or the regulations thereunder relating to the identification, marking or testing of animals."

Section sixteen mentioned above was previously sub-section two of Section 4 in the old Act, and section seventeen

is a revision of the same section in the old Act.

Under section ten the authority of the Minister of Agriculture is enlarged in that,

3. "The Minister may at any time conduct an inspection of private breeding records, of the adequacy of the system of identification practised by an association and of the manner in which the system of identification is being practised.

4. "The Minister may authorize an officer in the Department of Agriculture, who shall be known as the Chief Registration Officer, to approve certificates of registration under this section on behalf of the Minister."

Section fourteen makes provision for registrations by unincorporated Associations. Once the Associations have become incorporated, they may apply for transfer of their property and funds.

As stated before, the above is but a brief résumé of the important changes made. If the members have a copy of the Constitution which was sent to each one in 1947, they will find therein a copy of the Live Stock Pedigree Act to which they may refer when noting the above changes.

Montreal dog fanciers lost a loyal supporter with the death of Mr. F. I. Spielman. Mr. Spielman joined the Canadian Kennel Club in 1936 and was active in the breeding of Cocker Spaniels.

The sudden death of Mr. Harry McDowell of Toronto, shocked his many friends in the German Shepherd Dog breed. Mr. McDowell was one of the original members of the German Shepherd Dog Club of Canada and was active in the breeding and exhibiting of this fine breed up to the time of his death.

PROVINCIAL NOTES

B.C. Mainland News

By Jean Fletcher

THE Victoria City Kennel Club held a very successful pair of shows on October 28th and 29th. The building was decked out with flags by the Navy, using only half of the big floor space in the Armoury. Both shows were over by 10.30 P.M. Brand new benching was much admired. Judges were Bob Cross, Bob Waters, Mr. F. Dodsworth and Zara Smith. Best in Show, both days, went to a Carnation Farms Scottie.

Received a nice out-of-town letter from Phyllis Wilbee of Vernon, B.C. Once a month the Vernon and District Kennel Club meet. At each meeting they discuss a different breed of dog. At the November meeting, it was Cocker and one on display was trimmed by Mr. LaLonde and judged by the members. I think this is an excellent idea. We hope Vernon increases its membership and holds a point show in the near future.

Mrs. Clyde Ritchie of Kelowna, writes me that the new officers of the B.C. Interior Kennel Club are as follows: Honorary President, Vic. Williams; Hon. First Vice-President, Mr. W. Hatson; Hon. Second Vice-President, Mr. A. K. Lloyd; President, Clyde Ritchie; 1st Vice-President, General Keller, O.B.E., D.S.O.; 2nd Vice-President, Mr. Clarence Harris; Secretary-Treasurer, Mrs. V. How. Plans are being made for Spring shows.

Mr. Art. Britton tells me he has purchased from Peke breeder Florence Clarke, Tinker Toi's Sun Toi's Mischief-Maker, the youngster I wrote about. Mr. Britton has also completed the Championship of Tinker Toi Golden Toi. Sorry to hear Florence isn't feeling up to scratch and hope she will be better soon.

A gathering of C.K.C. members and

their friends spent an enjoyable evening dancing, singing and playing games. Although it was a wet night, the pot-bellied stoves in the hall really kept things snug and warm. Refreshments were served. Mrs. Jones kept things going on the piano and she really can play. Uncle Billy Hassell of Collie fame told a few funny ones.

Jack Smyth, his wife and daughters, had their troubles when the Seymour River overflowed its banks. They had quite a time wading in water up to their waists to get the dogs on higher ground without loss. Jack is a dog trainer and his place is a meeting place for all interested in field trials, or just dogs. Part of his kennel was swept away in the rushing river. Many residents lost their homes and/or their belongings when the Capilano and Seymour Rivers went on the rampage.

Bob Waters is hospitalized pending an operation on his leg. Good luck, Bob.

The B.C. Gun Dog Club held a Trial at Still Creek recently for the Joe Meraw fund. The proceeds were \$260.00. We have nothing but admiration for Joe for the manner in which he takes the loss of his arm and Joe tells me he still loves the dog which caused the accident.

The Pacific Coast Retriever Association, C.K.C. licensed Retriever Trials will be held at Pitt River. There will be a puppy draw, the proceeds to go to Joe. Judges will be Arnie Home-wood, Dan Kneale, Henry Castillon, Frank Andrews, Jack Anderson and Jimmy Washington.

Derby Stake to Mrs. Abernathy's Labrador Marquita, handled by Henry Christenson. Second went to Willaway Trab, owned by Bart Spellman of Seattle, handled and trained by Joe Meraw. Novelty Stake: 1st, Springer, Flashy Pride, owned by Ray Brown, handler Mrs. Brown; 2nd, Jess Brown's Lady Flash. Amateur Open Stake: 1st, Oak Creek's Van Cleve, owned by Charles Bunker, handled by Oliver Krog; 2nd, Shorty, owned and handled

by Ella Furrie. Billy Oates and Frank Andrews donated Cocker and Pointer puppies which were raffled.

Here's wishing you and yours all the good things for 1950 and a Happy New Year to all who have kept this column going, not forgetting our Editor.

Saskatchewan Notes

By Burnice Heaven

UNFORTUNATELY there seems to be very little news for the column this month. However, it might be just as well to inform those who may be interested of the new slate of officers in the Regina Kennel Club for the year 1950.

President, H. G. Brown; Vice-President, A. G. Seabrook; 2nd Vice-President, C. Shawcross; Secretary, K. Senior; Treasurer, Miss Marjorie Barnard; Executive, W. Semple, J. Dudley, J. Nichol, G. Middleton and Mrs. Simpson.

Mrs. Pat Randall was guest of honor at a meeting held at the home of Mrs. William Semple to discuss CKC matters. It is to be regretted that so many of the C.K.C. Members were overlooked as a meeting of this kind only takes place once a year and the Members like to air their views on doggie doings.

A couple of months ago Ralph MacDonald of Lake Valley, Sask., lost his little Sheltie through an unavoidable accident. This was rather a shock as the MacDonalds were planning on showing quite a lot, this year. However, not to be set back with plans, they have imported one from the States answering to the name of Int. Ch. Dempsay's Wee Son of Arbon. A brood bitch is expected to arrive most any day now and so it seems we will be seeing more of these grand little dogs in the ring again.

This just about does it for this time as I am very late getting this news in, but let us remember this coming year that there is a great deal more to sport than winning at any cost!

START THE NEW YEAR WITH A QUARRYBRAE PUP

Litter expected end of December, 1949, sired by our Ch. GRAHAM FARM'S PARADER, Imp. This dog is sire of the Best in Show Collie at Ottawa, Oct. 15, 1949. We will accept a few reservations for this litter.

Champion Collies At Stud, \$50.00 and up

Champion Shetland Sheep Dogs at Stud, \$25.00 and up

NEWTONBROOK, ONTARIO

Manitoba Notes

By Suzanne Borse

THE Greater Winnipeg Kennel Club held its Annual Banquet at the Marlborough Hotel, on November 25th. Mrs. G. Morrison, Social Convener, deserves much credit for the efficient way in which she took care of all arrangements to make the evening a success. I must say "Agnes" always does her utmost in any job she undertakes. Those who did not attend missed a delicious dinner, good music and a very sociable evening.

The new slate of officers for our Club for 1950 is as follows: President, Mr. T. A. Smith; 1st Vice-President, Mrs. C. B. Simpson; 2nd Vice-President, Mr. John Low; Secretary, Mrs. J. F. Kerr; Assistant Secretary, Mrs. T. Eamens.

The new officers for the Ladies' Auxiliary of the Club were as follows: President, Mrs. J. Low; 1st Vice-President, Mrs. D. Toon; 2nd Vice-President, Mrs. C. Kirton; Secretary, Mrs. D. Hough; Social Convener, Mrs. C. Jopling; Sick Committee, Mrs. D. Simpson and Mrs. J. Crombie.

I am happy to report that the three clubs in Winnipeg have finally got the ball rolling and plans are under way for the Tri-club Dog Show to be held this spring. The Committee consists of eight members—Chairman, Mr. C. G. Biggar; Secretary, Mr. A. Gostick; Treasurer, Mr. T. A. Smith. Each club has two representatives on this Joint Committee—Dr. J. L. S. Anderson and Mr. Roy Borse for the Fort Garry Kennel Club; Mr. T. A. Smith and Mr. H. Baker for the Greater Winnipeg Kennel Club; Mr. G. Sutherland and Mr. W. Sylvester for the Cocker Spaniel Specialty Club. Did I hear someone say, "Heap big smoke but no fire"? Well, you are only half right. There is "heap big smoke" but it will be a big fire. This Committee has a big job ahead of them and they ask the co-operation of all who are interested in making it the biggest all breed point

show Winnipeg has ever had. I am not at liberty to give you any details but you will have the show dates in the near future. Watch for them.

Was very sorry to hear that Bill McAuley lost Champion Claythorn Carry-on, a black Cocker Spaniel ten years old, better known as "Joey". He was imported from the United States by the late George Boyd from whom Bill bought him, and was a direct son of that sensational International Champion My Own Brucie, now also gone. Joey was well known to the public as he spent considerable time at the "Bay" with the ladies of the Cocker Spaniel Specialty Club. He posed on a table for as long as twenty minutes at a time without moving, while the ladies sold tickets for the Dog Show to the gathered audience, thus doing his bit in enabling the Club to donate \$700.00 to the Shriners' Hospital for Crippled Children.

Notes From the Province of Quebec

By Pamela B. Mack

WELL, members, here we go again with the year nearly over. I think the majority of members in this province have had a good year with their dogs. Looking back over the magazine for this past year, it seems that Quebec dogs have done some nice winning both at home and in other provinces, also below the Border. This is the type of publicity that helps the breeders to put Quebec dogs on the map, so to speak. Keep it up, members. I know it often seems a drag to travel a distance to a dog show, and the expenses are often out of all proportion to the prize money, but the time and effort spent is well worth while in the added publicity it brings to your own kennel and your breed. Personally, I have always found that out-of-town exhibitors are made so welcome by the show-giving club, meet such pleasant new friends and keep in touch with

old ones, that looking back, the trip and show make a very pleasant memory. So, if any of you newer members have not ventured to an out-of-town show with your dogs, do so by all means and you will enjoy the experience. I am looking forward to the next opportunity of repeating it. It is very good experience for your dogs, particularly the younger ones that tend to feel strange away from home; it helps to overcome shyness and gives your dog that much needed confidence in the ring which so often makes the difference between the first and second ribbon. Your breed becomes more widely known and it certainly helps to boost and sell your own stock. So, for the coming year, may I wish you lots of shows both at home and away. Don't keep that good young dog or puppy you have such hopes for in your own garden, but get him out where others can see him and admire his good points.

News is scarce around these parts. Everyone seems busy with holiday preparations, and I hear puppies will be in good demand again for the traditional Christmas gift. I do hope all owners and breeders who are selling Christmas puppies either as pets or as show prospects will include a schedule of feeding. This is so important to keep the young puppy on the diet to which he has become accustomed. The change of home and all the extra petting and handling he will be getting is enough, without feeding him on a strange diet, and do remind the new owners of the importance of cod liver oil to make up for our lack of sunshine in this chilly climate! Remember, the pup that turns into a good husky, strong-boned dog is always a good advertisement for your kennel, but a weedy animal will never encourage the folks who see it to beat a path to your door. So please, for your own sake and the sake of the little fellow's tummy, give the new owner a diet sheet that is clear and easy to follow.

DOG OWNERS' TRAINING CLASSES

Reservations now being accepted for the Winter course of
TRAINING YOU TO TRAIN YOUR DOG

Commencing January 10th

Charges \$10.00 for Ten Weeks

Classes held one night weekly

For full information call (evenings only) or write

MISS BAY MEYERS

72 Heath Street West

HYland 3965

Toronto, Ont.

Hear from the A. S. Wells' that they intend importing a Champion Wire from Ireland. This should be good for the breed locally and will start the Wells on their second breed, as they already have some nice Irish Terriers, including an International Champion. So, let's all wish them luck.

It was a pleasure to see Mr. Ormiston Roy at the recent Collie Show in Ottawa. He had some nice dogs there and, as usual, Mrs. Eccles was in charge. She tells me that their Coila Merlin Misty, which did such sensational winning as a puppy, has been awarded the Dogdom Award of Merit. Misty certainly is a lovely Collie and a great credit to the breed, and with her lovely colouring and disposition will always make friends and admirers for the Collie.

Well, members, this about finishes out the old year. May I wish you everything that is good for the coming one. I would like to take this opportunity to thank the members for their encouragement and help during my first year as your Director. Your many good wishes have made this year a pleasant one, and I am sure whoever is Director for next year will find as I have done that the members of the Province of Quebec are most helpful and considerate in every way. And so good-bye for now and good luck for 1950.

Hull and District (Quebec) News

By Fred Blatch

HERE we are heading into another year of activities, so a Very Happy New Year to everybody! It is very gratifying to note in the last issue that this writer's previous suggestions in regard to more Classes for Collies is being taken notice of. Thanks to Mrs. Alma Harwood, President of the Eastern Ontario Collie Club, for going to the trouble of writing the question up so seriously. Twenty years ago we Old Timers tried to do it, but unfortunately lacked support in our effort and got nowhere. Let's hope this trip will be more successful! I wonder!

Now, too, is the time to take up that question of an "All Quebec Circuit of

Dog Shows" we spoke of about this time last year. Can't you just imagine what a great circuit of shows we could have if we all got together and went after it? With the Ladies' Kennel Club, Inc. and the Province of Quebec Kennel Club in Montreal, the Quebec Kennel Club in Quebec City, the Hull & District Kennel Club and the possibilities of another, in Hull and then rejuvenate the dog fanciers in Sherbrooke and get them to organize what could be known as the "Sherbrooke Kennel Club, Boy, O Boy! could we go places! Well, there's some food for thought and your kind suggestions and co-operation will be much appreciated. Address them to your Provincial Director or to myself and let's all get together. Now is the time to arrange the Fall Circuit for 1950.

By invitation I had the pleasure of a trip out to the new Collie Kennels in this district, the "Ballangiech Collie Kennels" owned by Mr. and Mrs. W. (Bill) Samardak, situated on the Heron Road, Billings Bridge. It is the intention of Bill and Helen to operate a small but select kennel of Collies, so let us welcome these two grand folks into the good old dog game and may all their efforts be crowned with every success.

I like nothing more for reading matter than a good dog magazine. If all our Kennel Clubs will sponsor the idea created by our Editor in the December 1948 issue of DOGS IN CANADA by taking each month or so a full page of advertisements divided among their member breeders, it would mean a two-fold benefit to all concerned. It would not only help our Editor to build up the magazine, but would also be the means of keeping before the public the various breeders and help them sell their stock. Remember, advertising pays dividends and without it you cannot make the success of your kennels you would like to; neither can your Editor provide all the space you would like her to do for interesting reading matter.

Well, I guess that does it for this time. Things are pretty quiet in dogdom around these parts just at the moment, but you'll be hearing from me again—pretty soon. In the meantime, Cheerio and Good Luck!

CLUB NOTES

The Toy Dog Breeders' Association of Canada

By Irma Robertson

THE Toy Dog Breeders' Association of Canada held its Annual Meeting at the Hotel Selby on December 6th and the following officers were elected for the ensuing year: President, Miss Faye Fox; 1st Vice-President, Mr. W. H. Glenney; 2nd Vice-President, Mr. P. Sawyer; Secretary, Mrs. Irma Robertson; Treasurer, Mr. Harford Robertson; Trophy Secretaries, Mrs. Holiday, Mrs. F. Sawyer, Mr. W. H. Glenney.

Plans for forthcoming shows were discussed, and with everyone pulling together there is every reason to believe that the Toy Dog Breeders' Association will be able to sponsor a show as big as those they have had in the past.

The London Kennel Club

By Sam Taylor

THE Annual Meeting of the London Kennel Club was held on November 11th with President Bill Hammerton in the chair.

The following officers were elected for the coming year. Honorary Presidents, Mr. J. B. Hay and Mr. C. L. Evans; President, Mr. A. T. Steels; Vice-President, Mr. Fred Hammerton; Secretary-Treasurer, Mrs. Wm. Nevin; Recording Secretary, Mr. Sam. Taylor; Public Relations, Mr. Jack Struthers; Social Convener, Mrs. Sam. Taylor; Western Fair Board Representative, Mr. E. O. Boug. Directors: Mrs. Wm. Nevin, Mrs. Sam. Taylor, Messrs. George Carpenter, Frank Millar, Ralph Lane, Don Seabrook, Jack Struthers, Sam. Taylor. Mr. Frank Millar very effectively expressed the Club's gratitude for the excellent leadership given for the past two years by the retiring President, Mr. Bill Hammerton.

After the meeting, refreshments were served by the Social Convener, Mrs. Sam. Taylor.

MINUTES OF BOARD MEETINGS

THE CANADIAN KENNEL CLUB, INC.

PATRON

His Excellency Viscount Alexander of Tunis, C.C.B., C.S.I., G.C.M.G., D.S.O., M.C., Governor-General of Canada

HONORARY PRESIDENT

The Hon. Mr. Justice McFarland, Toronto

OFFICERS—1949

PRESIDENT: W. J. Risewick, Toronto; VICE-PRESIDENT: Walter Brown, Toronto; SECOND VICE-PRES.: V. W. Williams, Vancouver.

DIRECTORS—1949

ALBERTA: W. W. Pratt, Calgary; BRITISH COLUMBIA: Mrs. G. O. Alsen, New Westminster; MANITOBA: C. G. Biggar, Winnipeg; MARITIMES: W. P. Moore, Shubenacadie, N.S.; ONTARIO: Paddy Boughs, Toronto; G. P. Davies, York Mills, Ont.; Douglas Riedel, Preston; A. Roberts, Toronto; J. S. Thorndike, Jr., Toronto; QUEBEC: Mrs. Pamela B. Mack, Ste. Anne de Bellevue; SASKATCHEWAN: Walter W. Riome, Moose Jaw.

1459. The meeting of the Board of Directors which adjourned on October 21st, 1949, to reconvene at the call of the President, reconvened on November 23rd, 1949, in the Club's offices, 667 Yonge Street, Toronto, Ontario, at 4.00 P.M. The President, W. J. Risewick, presided. Directors present included: Paddy Boughs, G. P. Davies, Douglas Riedel, A. Roberts and J. Thorndike Jr. Vice-President Walter Brown was absent because of illness.

1460 (1443). IDENTIFICATION

REPORT: The President reported that:

- (a) Pursuant to the decision of the Board, an effort had been made to obtain an interview with the Minister of Agriculture re the situation in respect to identification and the stoppage in the issuance of certificates of registration;
- (b) He had been informed that the Minister was in western Canada and the Deputy Minister, being overseas, was likewise not available;
- (c) He had therefore arranged for representatives of the Club to meet with Mr. N. Young, Director of Production Services, the division of the Department of Agriculture most concerned with the duties and responsibilities of the Chief Registration Officer and his staff;
- (d) A Club delegation consisting of Vice-President Walter Brown, the Secretary-Treasurer and himself had met with Mr. Young, Mr. MacVannel, the Chief Registration Officer, and Mr. Steele, the Associate Chief Registration Officer in Ottawa on October 31st.
- (e) The Club's representatives had stressed the inconvenience and embarrassment which many breeders were experiencing because of their inability to obtain certificates of registration, particularly for dogs which had been sold and delivered;
- (f) Mr. Young had, on behalf of the Department, clearly indicated that a simple statement of color or color and markings was not suitable identification, within the meaning of the Live Stock Pedigree Act, unless that description made it possible to definitely identify the dog being registered from other dogs of the same breed, and some other method or methods of positive identification would have to be practiced (where a clearly stated description of color and markings would not establish positive identification) in order that the provisions of the Act, a federal law, would be complied with;
- (g) The Club's representatives had pointed out that on two occasions registrations were stopped without warning to breeders, and that if breeders were to be expected to identify their dogs in a way different to that to which they had been accustomed, reasonable notice of any new identification regulations should be given all breeders so that they could take such action as they saw fit;
- (h) Under the chairmanship of Mr. Young the situation was discussed under the following main headings:
 - (i) The principle of identification as referred to in the Act, and the meaning of "identification" as interpreted by the Department;
 - (ii) What should be done with all those applications being held in abeyance in the Live Stock Records office;
 - (iii) What are to be the identification requirements of the future;
- (i) The Department's intention to require that its interpretation of "identification" be observed being clear, the Club's representatives had suggested that all applications on file should be dealt with as before, that reasonable advance notice of the new regulations should be given all breeders, and the new regulations apply to all dogs whose applications for registration are received at the Live Stock Records office after January 1st, 1950;
- (j) The Department's representatives did not indicate any intention to compel the practice of any specific method or methods of identification, nor was there any discussion which would serve to indicate that the Department would not approve any methods of positive identification that would enable compliance with the law;
- (k) The discussion ended on the understanding that Mr. Young would discuss the matter further with Mr. J. G. Taggart, the Deputy Minister of Agriculture (who was then on his way back to Ottawa from overseas), and if

Mr. Taggart approved the Department would make possible the issuance of certificates for all applications being held in the Live Stock Records office, the existing method of identification as practiced by breeders would continue to the end of the year, and the new identification requirements would become effective on January 1st, 1950, for applications for registration reaching the Records office after that date;

- (l) After leaving Mr. Young's office but before leaving Ottawa he had suggested to Mr. Young by telephone, that the new regulations apply to dogs BORN after January 1st, 1950, and Mr. Young had agreed to refer this suggestion to the Deputy Minister;
- (m) Immediately on his return to Toronto he had arranged for a message (dated November 2nd) to be addressed to the members indicating what had been done to remedy the situation in respect to identification;
- (n) After his message to the members had been prepared and mimeographed a telephone call from Mr. Young had indicated that the Deputy Minister had approved of the suggestions advanced by the Club's representatives, with the result that he had addressed a further message (dated November 3rd) to the members, both messages (dated November 2nd and November 3rd) having been mailed at the same time;

The Secretary then read a letter from Mr. Young dated November 5th in which Mr. Young:

- (a) Stated that "on the assumption that the applicants for registration had had insufficient warning and that hardship may follow, especially in cases where the dog had been sold and delivered, the Department agrees that the Chief Registration Officer will comply with the request of your delegation to approve certificates issued for applications for registration on hand and in the hands of the Records Office which would have met the description of colour identification previously existing or in practice prior to September 13th, 1949";
- (b) Stated that in meeting the delegation's request "it is understood that your organization will immediately advise your members and anyone interested in seeking approval of applications for registration of dogs, that beginning January 1st, 1950, all dogs must be identified in such a way that makes it possible to distinguish it from any other dog of the same litter or breed;
- (c) Stated that in most cases colour description only will not be acceptable for identification and where description of color and markings will not establish positive identification, it would be necessary for the other method of identification (tattooing) presently provided for in the Constitution to be used;
- (d) Stated that a review of the Club's Constitution "suggests" that a general revision may be necessary so as to bring the Constitution into "harmony with the Live Stock Pedigree Act".

The President reported that since Mr. Young's letter of November 5th did not confirm his understanding of his telephone conversation with Mr. Young of November 3rd (i.e., it did not confirm his understanding that the new identification requirements would apply only to dogs BORN after January 1st, 1950), the matter was discussed further by telephone with Mr. Young who, while expressing regret that any misunderstanding had developed on that point, nevertheless indicated that the Department felt it was taking the proper stand in making the new identification regulations effective in all respects as from January 1st, 1950.

The Secretary read a letter, dated November 10th, addressed to the President by Mr. N. Young, in which Mr. Young:

- (a) Stated "I also appreciated your telephone call, during which you read me your message to your membership, copy of which I now have. Your memorandum is very fair to all concerned.";
- (b) Stated: "As stated on the phone, we believe we are taking the proper stand in making the new regulations effective in all respects as from the 1st of January next. We hold this view, believing that the greatest good can be obtained by tackling this problem promptly and forcefully now, and not permitting it to drag on too long. We can, of course, anticipate problem cases, the prompt handling of which is basic to the successful administration to our present plans. Rest assured that I shall do everything possible to see that such cases are cleared quickly at this end and referred immediately to your Registration Committee, which I understand is made up of yourself, George Davies and Jack Thorndike Jr., Directors, and N. F. Brown, Secretary. It is believed that if all parties concerned take a co-operative attitude and apply good common sense in considering these special cases, there will be few problems that can't be dealt with promptly. Furthermore, such procedure should develop confidence and support for our administration."

The Secretary read a letter, dated November 10th, addressed to the President by Mr. J. G. Taggart, Deputy Minister of Agriculture, in which Mr. Taggart indicated that Mr. Young's letter of November 5th was in general agreement with his own ideas on the subject of identification, and stating that he thought that dog breeders would find it a decided advantage from both a breeding and selling standpoint when all pure-bred dogs are identified in accordance with regulations.

DISCUSSION: The President pointed out that there appeared to be a misunderstanding prevalent amongst the Club's members to the effect tattooing will be the only system of identification available to dog breeders after January 1st, and expressed a view that a message should be addressed to the members correcting that belief. The President read a short message which he suggested be sent to members as soon as possible.

RESOLUTION: It was regularly moved by Director Riedel, seconded by Director Boughs:

"THAT, a copy of the proposed message read by the President be sent to all members." Motion carried.

DISCUSSION: The President suggested that with the general meeting but a short time away, steps should be taken to make it possible for the members attending that meeting to increase the number of methods of identification available to breeders and owners. He expressed the view that the prompt submission of a proposed amendment calling for a revision of the section dealing with identification would enable the Board and the members to give consideration to other methods of positive identification so that at the general meeting the members could reach a definite decision on a variety of methods which they believed would enable compliance with identification requirements.

ACTION: The Secretary was directed to draft a proposed amendment to Chapter 24, IDENTIFICATION, and Directors Boughs and Thorndike agreed to sponsor the proposed amendment so that it could be included on the agenda of the next general meeting.

SUBJECT: The Secretary read a letter from Second Vice-President V. W. Williams who recommended: "That if and when tattooing becomes compulsory the Canadian Kennel Club be the sole purveyors of all necessary equipment and that the members receive the best possible price on all purchases".

SUBJECT: The Secretary read a letter from the Secretary of the Hamilton Kennel Club who reported that the following resolution was adopted at a meeting of the Hamilton Kennel Club:

"That the Officers and Members of the Hamilton Kennel protest the recent stand taken by the Canadian National Live Stock Records in connection to the registration of pure bred dogs and if the drastic measures as suggested by the Canadian National Live Stock Records namely Tattooing are to be enforced in 1950, then the Canadian Kennel Club Incorporated remove the registration of pure bred dogs from Ottawa and be handled by the Canadian Kennel Club, similar to the American Kennel Club and the English Kennel Club".

DISCUSSION: In discussing this communication it was pointed out that:

(a) The Canadian National Live Stock Records had nothing to do with the situation in respect to identification, it being solely a matter between the Club and the Department of Agriculture;

(b) The principle in respect to identification applies to all associations incorporated under the Live Stock Pedigree Act regardless of where or how their registration records are maintained.

ACTION: No action was taken.

1461. LETTER FROM MRS. LORNA JACKSON

SUBJECT: The Secretary read letters from Mrs. Lorna Jackson, Toronto, requesting an opportunity to appear before the Board with regard to her desire to obtain registration of three dogs, said to be Alaskan Malamutes, which she imported from the United States. Mrs. Jackson's request having been ordered granted by the President, Mrs. Jackson entered the meeting at this stage.

DISCUSSION: Mrs. Jackson explained that she had imported three dogs from the United States, one of which had been extensively shown at Canadian shows, but because the parents of these dogs were not registered with the American Kennel Club she had been unable to obtain A.K.C. registration so that their registration in Canada would be possible. She read a letter from the American Kennel Club, which stated that although the parents of her dogs were not A.K.C. registered, the registration of the individual dogs would be possible providing three complete generations of known pedigree were

available for each dog and providing each dog was credited with ten or more championship points in its show records. Mrs. Jackson stated that because of the expense involved it was not her wish to campaign these dogs at American shows, and enquired whether or not the Board or the Registration Committee could take any action which would make registration of her dogs in Canada possible.

ACTION: After discussion it was suggested that Mrs. Jackson turn over to the Secretary all documents, printed matter and photographs for review, and that in the meantime arrangements be made for the inspection of the three dogs.

Mrs. Jackson then left the meeting.

1462 (1432). REVISION OF CONSTITUTION

SUBJECT: The President referred to that section of the letter dated November 5th from Mr. N. Young, Director of Production Services in the Department of Agriculture, who stated that a review of the Club's Constitution suggested that a general revision may be necessary and recommending that the Club give consideration to a revision of the Constitution "at the earliest convenience in order to bring it into harmony with the Live Stock Pedigree Act." The President reminded the Board of the two letters, received from the Department since the Constitution, adopted by the members at the Annual General Meeting in February 1948, had been submitted to the Department for approval, which stated that in order to receive ministerial approval it would be necessary for the Club to remove from its Constitution and By-laws all reference to Dog Shows, Field Trials and the buying and selling of dogs. The President pointed out that registering dogs was only part of the activities and responsibilities customarily dealt with by national kennel clubs, such as the American Kennel Club, Kennel Club (England) and the Canadian Kennel Club, and then read a letter which he proposed sending to Mr. J. G. Taggart, Deputy Minister of Agriculture, pointing out the historic role of national kennel clubs and seeking an indication as to what sections of the Constitution and By-laws of the Club most required revision.

RESOLUTION: It was regularly moved by Director Boughs, seconded by Director Thorndike:

"THAT, the letter prepared by the President be forwarded to Mr. Taggart." Motion carried.

1463 (1168). CONTRACT WITH MANAGING EDITOR

SUBJECT: The President pointed out that the Club's contract of employment with the Managing Editor of DOGS IN CANADA would expire on December 31st, 1949. He expressed the view that it would not be fair to renew or make any new contracts which would be binding on the incoming Board of Directors, and suggested that after the expiration of the Editor's present contract, her employment be continued on a week to week basis until the matter could be dealt with by the incoming Board of Directors.

ACTION: It was agreed that the Secretary remind the Managing Editor that her contract of employment expires on December 31st, 1949, and to state that it is the wish of the present Board of Directors that she continue on as Managing Editor on a week to week basis at the same salary and car allowance until the matter can be dealt with by the Board of Directors elected for 1950.

1464. ADJOURNMENT

The President suggested that this meeting of the Board adjourn to reconvene at his call should an early meeting be required to deal with any developments in respect to identification or revision of the Club's Constitution.

RESOLUTION: At 6.20 P.M. it was regularly moved by Director Riedel, seconded by Director Davies:

"THAT, this meeting of the Board adjourn to be reconvened by the President if considered necessary." Motion carried.

PROPOSED AMENDMENTS

PROPOSED AMENDMENTS TO THE CONSTITUTION

The following proposed amendments to the Constitution of The Canadian Kennel Club Incorporated, having been received by me in my capacity of Secretary-Treasurer in conformity with all essential requirements of Chapter 37 of the Constitution, will appear on the agenda of the next general meeting of the Club for the consideration of the members attending said meeting.

Norman F. Brown,
Secretary-Treasurer.

IT IS PROPOSED THAT Chapter 8, Section 3 of the Constitution be amended by the addition of the following words:

"No member holding a handler's license shall be eligible for nomination, stand for election and/or be elected as an Officer or Director."

Proposed by Alroy K. Butler
Seconded by Alex Kelman

IT IS PROPOSED THAT: Chapter 8, Section 3 of the Constitution be amended by the addition of the following:

"A Professional Handler shall not be elected to the Board of Directors and

only those members who are both breeders and owners of at least one dog shall be eligible for election to the Board of Directors."

Proposed by Henry H. Preston.
Seconded by H. L. Watson.

IT IS PROPOSED THAT Chapter 24 be deleted in its entirety and the following substituted therefor:

24. IDENTIFICATION

1. In order to obtain registration of an individual dog the breeder or owner must positively identify the dog by any one of the methods outlined in section 2 of this Chapter, so that the certificate of registration issued for the dog will make it possible to distinguish it from any other dog of the same breed. A breeder or owner shall have the choice of the methods outlined in this Chapter but it must be distinctly understood that the Club and/or the federal Department of Agriculture has the right to decide whether or not positive identification in each instance has been sufficiently well established to justify the issuance of a certificate of registration.

2. METHODS OF IDENTIFICATION:

(a) **COLORS AND MARKINGS.** A complete statement of the colors and

markings of a dog will be accepted as a means of identification providing the statement will establish positive identification and identify that dog from others of the same breed. All colors and the location of markings must be stated on the application for registration form.

(b) **TATTOO MARKINGS.** On application to the recording office a breeder or owner will be allotted identification letters for his exclusive use in tattoo marking dogs for registration purposes. Tattoo markings will be accepted as a means of identification only if regulations in respect to tattoo markings, as adopted by the Board of Directors, are fully observed. Each application for registration must show, in the space provided for that purpose, the tattoo identification letters allotted to the breeder or owner, the serial number and designating year letter. The location of the tattoo markings on a dog shall be of the breeder's or owner's selection.

(c) **NOSE-PRINTS.** On application to the recording office a breeder or owner may obtain nose-print paper and fingerprint ink, as approved by the Club, for the purpose of identifying dogs by the nose-print method. Two nose-prints, on regulation forms, must

accompany the application for registration of the dog. To be acceptable each nose-print should be clear and distinct.

(d) PHOTOGRAPHS. A breeder or owner may submit, along with the application for registration of a dog, two photographs of each side of the dog. This method will only apply to dogs having markings where the use of a photograph will establish positive identification. The reverse side of each photograph must state the name of the dog as shown on the application for registration, the date of birth, name of the sire and dam, and the signature of the person making application for registration.

Proposed by J. S. Thorndike Jr.
Seconded by Paddy Boughs.

PROPOSED AMENDMENTS TO THE DOG SHOW RULES

The following proposed amendments to the Dog Show Rules of The Canadian Kennel Club Incorporated, having been received by me in my capacity of Secretary-Treasurer in conformity with all essential requirements of Chapter 28 of the Dog Show Rules, will appear on the agenda of the next annual general meeting for the consideration of the members attending said meeting.

Norman F. Brown,
Secretary-Treasurer.

IT IS PROPOSED THAT The Canadian Kennel Club Inc. adopt the American Kennel Club Dog Show Rules and Regulations in their entirety.

Proposed by Mrs. Burnice Heaven.
Seconded by Miss Marjorie Barnard.

IT IS PROPOSED THAT Chapter 3, Section 2, be amended so that any Specialty Club may hold an indoor unbenched Specialty Point Show.

Proposed by John Devlin.
Seconded by Bruce McRae.

IT IS PROPOSED THAT Chapter 4, Section 2 (g) be amended by the deletion of the present rule relating to the Limit Class and substitution thereof of the following new class:

BRED BY EXHIBITOR CLASS shall be for all dogs excepting Champions, six months of age and over which shall be presently owned and exhibited by the same person or kennel who were the recognized breeders on the records of the Canadian Kennel Club. The dog must be handled in the ring by the recorded owner and breeder or by a member of his or her immediate family.

Proposed by Hedley E. Hull.
Seconded by Capt. F. D. Millar.

IT IS PROPOSED THAT Chapter 4, Section 2 (g) be amended as follows:

The Limit Class to be abolished and replaced by **BRED BY EXHIBITOR CLASS** which shall be for all dogs, except Champions, the said dogs to have been whelped the property of the exhibitor. This class must be divided by sex.

Proposed by Mr. & Mrs. Tom Wells.
Seconded by Mrs. Alvera Molin.

IT IS PROPOSED THAT Chapter 4, Section 3, Note 1, be amended by the addition of the following:

COLLIES (Rough) Sable & White.

COLLIES (Rough) Any other Colour.
Proposed by Alma M. Harwood.
Seconded by D. M. Franschke.

IT IS PROPOSED THAT Chapter 4, Section 3 (f), be amended by the addition of the following:

COLLIES (Rough)—Best of Winners—Sable and White.

COLLIES (Rough)—Best of Winners—Any other Colour.

Proposed by Alma M. Harwood.
Seconded by D. M. Franschke.

IT IS PROPOSED THAT Chapter 4, Section 3 (i), be deleted in its entirety, and the following substituted therefor:

(i) **GROUP CLASSES.** At Championship all-breed shows, where Group Classes have been provided for in the Premium Lists, there shall be group awards made in each of the six groups, to be arranged in the same order and to comprise of the same breeds, as set forth in Chapter 4, Section 1, of these Rules. Only dogs designated **BEST OF BREED** by the judge, as already set forth, shall be eligible to compete in the Group to which they belong according to this grouping. Participation in these Group Classes by dogs eligible to compete shall be **OPTIONAL** but all dogs competing in the Group Classes must compete for all further awards for which they may become eligible. In the event that a **BEST OF BREED** winner does not compete in the Group Class for which it is eligible, no other dog of the same breed may be allowed to compete. In each of the six Group Classes the judge shall make awards of first, second, third and fourth, such awards are to be marked in the judge's book by the judge. The dogs placing first, in each Group, shall be designated **BEST IN GROUP**.

If the **BEST IN GROUP** winner is a Canadian-bred dog it automatically becomes **BEST CANADIAN-BRED IN GROUP**. Where a dog designated **BEST IN GROUP** is not a Canadian-bred dog, all designated **BEST CANADIAN-BRED** in their respective breeds in that group (except those defeated in the group by a **BEST OF BREED** winner which is Canadian-bred) shall be brought before the judge who shall select the best Canadian-bred dog in that group. Such selection shall be marked in the judge's book but this procedure does not represent an official award and is followed solely for the purpose of facilitating the subsequent selection of **BEST CANADIAN-BRED IN SHOW**.

If the **BEST IN GROUP** winner is a Canadian-bred puppy it automatically becomes **BEST CANADIAN-BRED PUPPY IN GROUP**. Where a dog designated **BEST IN GROUP** is not a Canadian-bred puppy, all designated **BEST CANADIAN-BRED PUPPY** in their respective breeds in that group (except those defeated in the group by a puppy which is Canadian-bred) shall be brought before the judge who shall select the best Canadian-bred puppy in that group. Such selection shall be marked in the judge's book but this procedure does not represent an official award and is followed solely for the purpose of facilitating the subsequent selection of **BEST CANADIAN-BRED PUPPY IN SHOW**.

Proposed by Robert N. Phillips.
Seconded by Mrs. Marjorie E. Lawton.

IT IS PROPOSED THAT Chapter 4, Section 3 (k), be deleted in its entirety and the following substituted therefor:

(k) **BEST IN SHOW.** Where group awards have been provided for in the Premium List, there must be a **BEST IN SHOW** award. The six dogs designated **BEST IN GROUP** must compete for this award, except those that may be excused by the veterinarian in charge. Failure to do so automatically cancels all awards, prizes and championship points earned by the dog withheld from competition except when the judging of **BEST IN SHOW** does not commence by one hour following the official closing hour of the show as indicated in the premium list or ten P.M. whichever shall first occur. Cancellation of awards shall apply only to those won at the show where violation of this rule occurs.

Proposed by Robert N. Phillips.
Seconded by Mrs. Marjorie E. Lawton.

IT IS PROPOSED THAT Chapter 6, Section 3, be amended by the elimination of the last sentence which reads:

"All prize money must be paid and awarded to the person showing the dog in the ring," and replaced by the following words:

"All trophies and/or prize money shall be awarded to and become the rightful property of the registered owner of the dog."

Proposed by Mr. & Mrs. Tom Wells.
Seconded by E. C. Richards.

IT IS PROPOSED THAT Chapter 4, Section 3, be amended so far as it concerns awards to American Cocker Spaniels. It is proposed that the three Best of Winners awards be deleted and replaced by three Best of Variety awards (in the same colour divisions), dogs entered for "Specials Only" competing for Best of Variety in their own colour division. From the three Best of Variety winners there will be selected a Best of Breed.

Proposed by R. T. Lawrence.
Seconded by A. Burden.

IT IS PROPOSED THAT Chapter 4, Section 3, be amended so that awards to American Cocker Spaniels will be the same as in the United States, namely that there will be a Best of Variety in the three divisions (black, any solid colour other than black, and parti-colour), which dogs will compete in Group 1; Best of Breed to be discontinued.

Proposed by Sam G. Ritchie.
Seconded by Harry Story.

IT IS PROPOSED THAT Chapter 7, SELECTION AND APPROVAL OF JUDGES, Section 5, be amended by the insertion of the following words after the words "under any circumstances":

"Nor will they approve of any member of the Club sponsoring a show, officiating as judge at that show."

Proposed by Mrs. Alvera Molin.
Seconded by Mrs. Laura M. Young.

IT IS PROPOSED THAT Chapter 7 be amended by the addition of a new section to read as follows:

"SECTION 5a. No person holding any official position in the Canadian Kennel Club may officiate as judge, in any province, during his term of office."

Proposed by Mrs. Alvera Molin.
Seconded by Mrs. Laura M. Young.

IT IS PROPOSED THAT Chapter 8, Section 1 of the Dog Show Rules be amended to provide that no Professional Handler is allowed to judge any show other than a sanction show.

Proposed by Henry H. Preston.

IT IS PROPOSED THAT Chapter 8, JUDGES, Section 1, be amended by the insertion of the following words after the words "and experience to pass upon":

"Except that no person who has been granted a professional handlers license shall be permitted to judge at any championship show held under the Kennel Club Rules, until three months have elapsed after the cancellation of the handlers license has been accepted by the Canadian Kennel Club."

Proposed by Mr. & Mrs. Tom Wells.
Seconded by E. C. Richards.

IT IS PROPOSED THAT Chapter 9, Section 1, be amended by the addition of the following:

"No member elected as an officer or director be granted a handler's license."

Proposed by Alroy K. Butler.
Seconded by Alex Kelman.

IT IS PROPOSED THAT Chapter 16, ENTRIES AND ENTRY FEES, Section 2 (b) be amended as follows:

Delete the words "which shall be retained by the show giving club."

Proposed by Mrs. D. T. Weir.

IT IS PROPOSED THAT Chapter 16 be amended by the addition of a new paragraph as follows:

ANNUAL GENERAL MEETING

Notice is hereby given all members of

The Canadian Kennel Club Inc. that the ANNUAL GENERAL MEETING of the Club will be held in Private Dining Room No. 10, Royal York Hotel at Toronto.

WEDNESDAY, FEBRUARY 8th, 1950

Commencing at 10 a.m.

Toronto,
December 15th, 1949

N. F. BROWN,
Secretary-Treasurer

"SECTION 17. The representative of the Canadian Kennel Club Inc. be present at each Dog Show to assist the show officials and to ensure as far as possible that uniformity in procedure be obtained with reference to all matters relating to Dog Shows. Each exhibitor at any official Dog Show shall pay a Supervisory fee of twenty-five cents (25c) on each entry. These fees to be appropriated to the account of The Canadian Kennel Club Inc. to provide specifically for the expense of the attendance of its representative, or his deputy where show dates conflict, at Dog Shows throughout the country."

Proposed by Mrs. D. T. Weir.

IT IS PROPOSED THAT Chapter 17, Section 2(a) be amended by the deletion of the words "Toy Manchester Terrier" from this section. (Note the proposer intends that Toy Manchester Terriers with cropped and cut ears shall be disqualified).

Proposed by Mrs. Bernice Paine.

IT IS PROPOSED THAT Chapter 17, Section 2(a) be amended by the deletion of the words "Toy Manchester Terrier" from this section. (Note the proposer intends that Toy Manchester Terriers with cropped and cut ears shall be disqualified).

Proposed by Mr. & Mrs. W. H. Glenney.

IT IS PROPOSED THAT Chapter 21, CHAMPIONS AND CHAMPIONSHIP POINTS, be amended as follows:

SECTION 1. The scale of points to be changed to read one point for two entries throughout all breeds.

SECTION 2. To be amended to read: "BEST OF WINNERS. The Winners Dog and the Winners Bitch shall compete for the Best of Winners, and the winner of this class shall receive one point or the highest point rating of the breed."

Add new section to read as follows: "SECTION 2a. BEST OF BREED. If the dog or dogs entered for Specials Only shall be defeated then the winner of Best of Breed shall receive one point or the highest point rating of the breed."

Proposed by Mr. & Mrs. Tom Wells.
Seconded by E. C. Richards.

IT IS PROPOSED THAT Chapter 21, CHAMPIONS, Section 7 (a) be amended to read:

"In order for a dog to be recognized as a Champion it must:

(a) Earn at least ten Championship Points under at least three different judges.

(b) Be registered in the Canadian Kennel Club Stud Book.

(c) Win at least one three point show or place in a group.

Only when these requirements have been met may a dog be recognized as a Champion and its owner at the time of the dog completing its Championship be provided with a Championship Certificate."

Proposed by George Shillinglaw.
Seconded by Mrs. G. Shillinglaw.

IT IS PROPOSED THAT Chapter 21, Section 6, be deleted in its entirety, and the following substituted therefor:

All dogs entered must compete in all their Breed Classes for which they are eligible. Participation in the Group Classes shall be optional but all dogs competing in the Group Classes must compete for all further awards for which they are eligible except those that may

be excused by the veterinarian in charge. Penalty for non-compliance cancels all awards, prizes and championship points earned by the dog withheld from competition. This applies only to awards won at the show where violation of this rule occurs.

Proposed by Robert N. Phillips.

Seconded by Mrs. Marjorie E. Lawton.

IT IS PROPOSED THAT Chapter 27, END OF SHOW, Section 3, be amended by the deletion of the word "recording."

Proposed by Mrs. D. T. Weir.

PROPOSED AMENDMENTS TO THE OBEDIENCE TRIAL REGULATIONS

The following proposed amendment to the Obedience Trial Regulations of The Canadian Kennel Club Incorporated, having been received by me in my capacity of Secretary-Treasurer in conformity with all essential requirements of Chapter 14, AMENDMENTS, will appear on the agenda of the next general meeting.

Norman F. Brown,
Secretary-Treasurer.

IT IS PROPOSED THAT Chapter 6 be amended by the addition of the following new section:

SECTION 15. A castrated dog or a spayed bitch cannot be entered at an Obedience Trial. If entered, any scores earned shall be cancelled when it is established to the satisfaction of the Board of Directors of The Canadian Kennel Club Inc. that a dog or bitch has been entered in contravention of this rule.

Proposed by Mrs. Audrey E. Wallis.

PROPOSED AMENDMENTS TO THE BEAGLE FIELD TRIAL RULES

The following proposed amendments to the Field Trial Rules (Beagles), having been received by me in my capacity of Secretary-Treasurer, will appear on the agenda of the next general meeting of the Club for the consideration of the members attending said meeting.

IT IS PROPOSED THAT Rule 4 be amended by the addition of the following:

"A Derby must be whelped on or after January 1st of the previous year, and is a Derby until December 31st of the year following birth. For example: A puppy whelped January 1st, 1949, is a derby until December 31st, 1950."

Proposed by Arthur Biedermann.
Seconded by James E. Reader.

IT IS PROPOSED THAT Rule 20 be amended by the addition of the following:

"Section 2. After the first series all placed hounds must be defeated by the hound placing above it, providing there is enough time left before dark to do this."

Proposed by James E. Reader.
Seconded by Edward J. Dausett.

IT IS PROPOSED THAT Rule 28 be amended by the addition of the following:

Section 2. All hounds must be inspected and passed by a Veterinary at every Field Trial."

Proposed by Joe Tiede.
Seconded by Arthur Biedermann.

It is proposed that the following new sections be added: HARE TRIALS—INSTRUCTIONS TO JUDGES.

1. Should the pack split, hounds going away on different hares, the Judges shall either order the handlers to get their hounds into the largest running pack or pick up all hounds and get a new start on fresh game. Any hound not in the pack within thirty minutes shall be declared out of the stake. This thirty minutes does not apply to a hound that quits the pack while running and goes out to its owner or handler. If too many splits occur in one locality all hounds shall be ordered up and moved to different grounds for a new start.

2. (a) After all dogs are away on the trail, all persons, except the Judges and marshals, must go to an advantageous point where they best can observe the race, and may change positions at the discretion of the marshal only.

(b) When hounds have been laid on a line, or have harked into the pack, the duties of the handlers shall cease until further instructions are received from the Judges or Marshals.

3. The hounds entered in each stake shall have affixed to their sides a number with a durable paint to be clearly visible and to be at least 3½ inches in height, starting with the number one (1), in no case shall a letter or the number zero (0) be used. The secretary of the club to be the only person to record these numbers and have them correspond with the name of each hound entered. Judges and marshals not to be present when the painting and recording of hounds is taking place. Ten minutes to elapse after the last hound has been painted before casting hounds. Hounds to be painted in the field if possible. From this time on, every hound is to lose his identity and only to be spoken of by his number.

4. Two judges shall be used to judge classes up to 25 entries and one additional judge is to be required for each additional 10 entries or fraction thereof. This means three judges would be required for from 26 to 35 entries; four for from 36 to 45 entries, etc.). These additional judges may be appointed after closing of entries if necessary.

5. Undue credit shall not be given a hound with an outstanding voice, when not seen by the judges, nor for speed or flashy driving if the trail is not clearly followed. Accuracy in trailing, proper use of mouth, endurance, good pack qualities, should be the principal points of merit.

6. The judges shall and must order out of the race any hound that is found to disorganize the smooth running of the pack, back-tracking, over-running and giving tongue, stealing a line, ghost trailing, running mute, rioting, failing to pack, pulling out of the race and failing to get back in when pack is in hearing for a period of five minutes. Ample proof of any or all of these faults in the minds of the judges is reason enough. This rule must be strictly adhered to. Pottering, swinging wide, skirting, babbling, leaving checks, racing, running in hit or miss style, shall be considered faults and demerited.

Proposed by Hardie R. Brown.
Seconded by Joe Tiede.

Collie Club News

By Wm. L. Powell

IT is strange how few see the good points in a dog. The majority always emphasize the faults. Dr. McCain and his wife stayed with us on their way to Eastern Ontario Collie show and he was one that could see the good points that he wanted to incorporate in his breeding. This is the way of a great breeder.

Eastern Ontario Collie Club want separate points for colour and to make it more difficult to make cheap champions. One way is to compel them to have at least two three-point wins. That is all right in Ontario and Quebec but then when we go to the far west or the far east, we have to consider their smaller entries. As far as separate points for colour—a good collie is a good collie, no matter what his colour.

"Stepping out of my character," as the actor on the stage says, and mentioning my own dogs. I am going to refer to the tail pedigree published in the last issue of Dogs in Canada of one of our collies. Many people have phoned me to explain. Starting at the bottom that is why it is called "tail." Charlemagne and Madge begat Sefton. Sefton and Minnie begat Metchley Wonder. Etc., etc. Half way up you will notice Ch. Squire of Tytton imported to the United States for \$4,000. Further up Ch. Poplar Perfection. In his prime about 1919, this dog was the greatest influence on the modern pattern and he was the grandsire of ElTroubedour of Arken. I am safe in saying that 90% of our collies to-day have this blood. Then on to Magnet—great prices were paid for his sons and daughters. Dr. Bennett said that a mut by Magnet is no better than a mut by any other champion.

In the passing of Walter Pye of Windsor, we have lost a very enthusiastic breeder. He will best be remembered as having the winning pup in the Sweepstakes at Guelph last spring.

Don't let any person tell you we are not breeding as good collies in Canada as anywhere. This is somewhat of a record. George Getty sold two females and four dogs to the Minister of Agriculture of Colombo, South America for \$1,565. This is not "eye wash."

Hedley Hull wants to eliminate the limit class. I could never see any advantage in having so many classes. I would suggest two puppy classes, Novice, Canadian bred, Open sable or sable and white, open tri-colour, open blue merle and any other colour. It will save the clubs buying so many ribbons and as we said before save the judges a lot of time.

Join the COLLIE AND SHETLAND SHEEP DOG CLUB OF CANADA

\$2.00 per year will give you a copy of the American and English standards and a monthly bulletin with hints on care, showing and show results.

Guelph Kennel Club

By Florence Purves

GREETINGS from the Guelph Kennel Club! We held our Annual Meeting in November at which time the following officers were elected:

Honorary President, His Worship the Mayor. President, Earle Rudd. Vice-President, Frank Courtney. Secretary-Treasurer, Mrs. Ivan Felker. Directors, Miss Mary Lawless, Ivan Felker. Auditors, A. E. Brown, Hugh Guthrie. Press Representative, Mrs. Frank Purves.

The 1950 Show Committee will have to carry on without the leadership of Dr. Ralph Mutrie who has been our untiring Show Secretary. Dr. Mutrie has been transferred to another territory and while we do congratulate him most heartily and wish him every success, his place in our Club will be very difficult to fill. Following a most enjoyable evening at the home of Mr. and Mrs. Ivan Felker, Dr. Mutrie was presented with a lovely table lamp by the members of the Club.

Santa Claus has already paid our Club a visit and left a P.A. System at the foot of our tree. Thank you, Santa, for such a lovely gift.

We shall be giving you some information soon regarding our 1950 Show. Watch for it!

In the meantime, we think Bernice Heaven passed on some excellent ideas on how not to work in the best interests of a Club. These thoughts are worthy of absorption by many members.

Cheerio!

KENNEL NAMES APPLIED FOR

Applications for registration of the following kennel names have been received by The Canadian Kennel Club Inc. Anyone having objection to any of the following names should submit their objection to The Canadian Kennel Club Inc., 667 Yonge St., Toronto, Ontario, not later than January 21st, 1950:

AMBER—F. G. Harrington, Vermilion, Alta.

CE-GREN—Annie R. Winter, York Mills, Ont.

CLAMIR (BROWNS or HAMPTON)—Clarke Brown, Southampton, Ont.

DACHSAMAR—Marjorie McDougall, Chelsea, Que.

DAYSRING (BEKANON or GLEN-FERN)—Jane D. Holton, Hamilton, Ont.

EMDEN—John & Day Laban, Fort William, Ont.

EMJAY—M. J. Davies, Calvin P.O., Alta.

FAIRMONT—Edward Dausett, London, Ont.

HAMISHCROFT—J. D. Hamilton, South Bolton, Que.

JACK PINE (LARCHMONT or PINE GLEN)—C. A. Blakney, Lewisville, N.B.

KILMAROCK (GALASHIELDS, KILBRIDE or KILBURN)—E. K. Dallimore, Toronto, Ont.

LEECOYS—M. G. McCoy, Ponoka, Alta.

MT. TACOMA (MINDAN)—Norman H. Smith, Toronto, Ont.

PATCYPEG (KETCHEKAN, CHUCK-CHEE or LARH-KALE)—W. C. Rendall, Ilderton, Ont.

ROXBOROUGH—Geo. Smillie, Toronto, Ont.

TOY-TOWN (SUN KISSED or SUN VALLEY)—Mrs. Arthur Landry, Kentville, N.S.

YORKDALE (BROOKDALE or ASH-DALE)—S. A. Renouf, Toronto, Ont.

The German Shepherd Dog Breeders' Association

By Reg. Scott

THE Club held its annual meeting and election of officers in the Danforth Hotel, Tuesday evening, Dec. 6th. The large dining room was filled to capacity and five new members were added to our roll. Practically the same officers and committees were returned on the 1950 slate, and all are looking forward to a better year ahead.

President—H. Weller; Vice-President—P. Firman; Second Vice-President—R. Scott. Secretary-Treasurer—Mrs. A. Wallis; Recording Secretary—Mrs. E. Barber; Show Secretary—Mrs. E. Gibbs; Membership Committee Chairman—Mrs. S. Scott; Trophy Committee Chairman—Mrs. M. Weller; Training Master—G. Taylor; Social Committee Chairman—Mrs. V. Johnstone. Social Convener—Mrs. L. Back; Correspondent—R. Scott.

The members were treated to the showing of the colour movies taken by Grant Mann of the great 1949 Altenbach Shepherd Dog Show in Germany. It was good to see so many fine dogs in action and interesting to see the methods used in temperament tests. Another film was shown of Mr. Stan Bowman's visit to the Liebestraum Kennels and there again we saw some fine dogs in action, with particular interest in the imports "Lew" and "Brands," two very fine dogs. The last picture showed Lloyd Brackett's dogs and kennels and was a very fine and instructive display.

After the pictures we were able to mingle with our friends from Buffalo, Mr. and Mrs. Stan Bowman who brought the pictures and showed them and Mr. and Mrs. Fred Sponholz who drove them over. Before closing a lunch was served and so a very enjoyable evening came to a close.

MILROY'S AIREDALES

REG'D

We have at the present time some very sharp youngsters that we think should do well during the 1950 show season, if properly presented, etc.

If interested in a high quality Airedale of excellent breeding at a price within keeping with quality, we may have what you require.

We are proud of our 1949 Show record.

Milroy's Airedales were 8 times Best of Breed in Ontario, 7 times Best of Breed in the U.S.A. These wins include the Morris and Essex Show in the U.S.A. and the C.N.E. at Toronto on Labor Day. We also bred the Dam of two 1949 Champions.

The Airedale Terrier Club of Canada

By Roy N. Black

THE Annual Meeting of our Club was held on Saturday, December 3rd, at the Bloor Hotel, 1313 Bloor St., West, Toronto. The following officers were appointed for the coming year. President, Mr. Joseph Perkins; Vice-President, Mr. Thomas Hilton; Secretary-Treasurer, Mr. Roy N. Black. The following Committee was appointed: Messrs. W. A. Griffin, T. C. Wilson, George Ellis, E. C. Cobley, F. L. Coleman, Thomas Hilton.

Future activities of the Club were discussed, including breeding, showing, and a Specialty Show for the coming year. The President, Mr. Joseph Perkins, very kindly donated a trophy to be known as the President's Cup. Dogs or females of any age bred, owned and shown by exhibitor or a member of his immediate family are eligible to compete for this. The Club is also planning several outdoor events for the summer, including a Puppy Match, Sanction Show and classes of instruction, and are very anxious to contact anyone interested in the Airedale (the King of Terriers). The Club believes it has something to offer, not only to the individual breeder, but for the welfare of the breed in general.

COMING SANCTION SHOWS

Jan. 9th—Boston Terrier Club of Toronto, at Toronto, Ont. Miss Faye Fox, 16 St. Joseph St., Toronto, Ont.

Jan. 17th—Toronto Doberman Pinscher Club, at Toronto, Ont. Miss Nellie A. Potter, 33 Frater Ave., Toronto 6, Ont.

Jan. 23rd—The Toy Dog Breeders Association of Canada, at Toronto, Ont. Miss Irma Robertson, 94 Ashburnham Rd., Toronto, Ont.

*Those who know
dogs - and
love dogs ...*

... are consistent users of Bob Martin's Condition Tablets. They know these tablets provide many of the essential vitamins and mineral elements which a dog must have to be healthy. Included in Bob Martin's are the Vitamins D₂, B₁, and niacin, plus calcium, iron and other substances to supplement a dog's diet. Condition your dog with one tasteless, easy-to-give Bob Martin's Condition Tablet each day — see the difference in his health, his coat, his disposition.

for doggy good health— **BOB MARTIN'S**

CONDITION TABLETS

Now obtainable in a new blue-and-yellow box containing 21 tablets, only 50¢. From your druggist, department store or pet shop.

POODLES (Standard), FEMALES, Open, WINNERS and Best of Breed—Mrs. D. Smart's Evorglens Gay Miranda (1 female, 1 point).

TOPNOTCH KENNELS

George and Ivy Sisson, Islington, Ont., bought a pet dog in 1943; became so interested they went into breeding Bostons; and they're rapidly making a real name for themselves.

Their Topnotch's Tantalizing Tid-Bit, for example, qualified as a Champion in just four shows — and against stiff competition. And Tid-Bit's dam (right) has helped the good work with a production record of 31 pups in five litters!

In addition to breeding and showing their own dogs, Mr. and Mrs. Sisson board 40 dogs or more. They come from as far as Montreal and New Liskeard.

PURINA IS THEIR CHOICE

"Trying to get 40 dogs of different breeds and backgrounds to eat the same food is really a problem," says Mrs. Sisson. "One owner assured us that her dog was used to bacon and eggs for breakfast! Liking the food is not enough — nutrition value must be high. Purina is the only one I have ever used that works both ways."

Yes, at Topnotch Kennels they all eat Dog Chow, and thrive on it. "Owners of the boarding dogs never fail to ask us what we have been feeding, and remark that they never looked better."

Professional dog people demand four things of a ration: Nutrition . . . Economy . . . Palatability . . . Easy Feeding. Check a few professionals on this — Chances are you'll find Purina is their choice. Make it your choice, too. You'll find Dog Chow at your local Purina dealer's Store with the Checker-board Sign.

RALSTON PURINA COMPANY, LIMITED

WOODSTOCK - TORONTO - MONTREAL

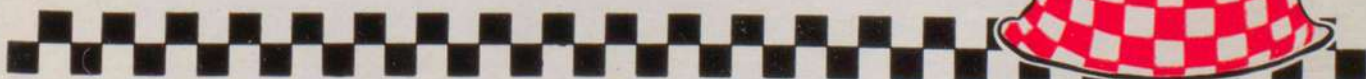

THE TELEGRAM

Little Miss Muffet 5th, shown above with a litter of 7, has produced 31 pups in 5 litters in less than 4 years. Is this a record for Bostons?

Mr. and Mrs. Sisson (and two of their favorites) relax in their home at Topnotch Kennels. Relaxation is not typical — they're busy expanding their business.

★ Have you entered the Purina Dog Judging Contest? Closing date has been extended to Jan. 15. Your Purina dealer can supply you with a folder giving all the details. Ask him for a copy — have a shot at it. (Incidentally, there are 87 prizes.)

for true type and character

EVERY INCH MUST BE NOURISHED!

For true expression your dog needs sound feeding! Give him GAINES — nourish *every inch* of him! GAINES is kennel-tested — contains the food elements a good dog needs *every day* — it's biologically proved to be *nutritionally complete*.

You'll Save Money—GAINES costs less to feed than any other type of dog food. It's all food. Some other types of dog food contain 70% moisture. Why pay for water? Buy nourishment! Buy GAINES! A 5 lb. bag makes 10 to 12 lbs. of ready-to-eat food.

EASY TO FEED — just add water (soup, milk or gravy).

FOR VARIETY — try GAINES KRUNCHON, which is GAINES Meal compressed into crunchy bite-size pellets.

Here's what your dog gets in every pound!

Proteins as in 1½ lbs. beef; carbohydrates as in 1½ qts. cooked oatmeal; fats as in 1 oz. butter; minerals as in 1¾ lbs. cheese; iron as in ¾ lb. beef liver.

Wherever dog foods are sold — 2 lb. 5 lb. and 25 lb. bags
