**INTERNATIONAL  
CHAMPION**

#### CHAMPION Can. Ch. Ravager Majfern of the Rouge

(Owned by Kennels of the Rouge, Regd.)

#### WINNER Majfern Ambassador

(Owned by Rodney Hull, Toronto, Ont.)

(Owing to the large demand for this exclusive breed, once only to be seen on the jealously-guarded estates of old England, orders for puppies can only be filled in strict rotation. These orders should be made in writing, when they will be acknowledged promptly and fulfilled as stock becomes available).

With 9 Bull-Mastiffs benched in 1950 at the Madison Square Garden, Robin of the Rouge and two of his sons (out of Mrs. M. E. Lawton's Mimico Marionette) made almost a clean sweep of breed awards as follows:

#### INT. CH. ROBIN OF THE ROUGE — BEST OF BREED

**MAJFERN AMBASSADOR**—Winners Dogs and Bitches. 5 points.

(Best of Breed at Canine Breeders' Association Show, 1949)

**CH. RAVAGER MAJFERN OF THE ROUGE**—Reserve Winners Dogs and Bitches

(Best of Breed at Canadian National Exhibition Show, 1949)

(This dog finished his Canadian title at 8½ months of age in 6 shows)

Apply to the Bull-Mastiff Club of America for latest information of the breed, advice in buying puppies, available stud service and membership, when you get your dog.

In U.S.A., contact R. LEE TWITTY (Sec.-Treas.), Foggintown Road, Brewster, N.Y.

## THE SPORTSMEN'S KENNEL CLUB, Inc.

The President of the above Club regrets having to announce his resignation for reasons of policy and health.

He feels sure that the following shows will fully justify that confidence which obtained your generous and loyal support in the past.

His past fellow Directors feel anxious to merit that same support by using every effort possible to obtain its continuance, as their most practical expression of thanks.

**NOURISHMENT!**

GRO-PUP is a solid food—not 70% water like most canned dog foods. You add the water.

- 1 Crunchy bite-size Gro-Pup cubes are the kind of chewing food dogs go for at once. They help to keep teeth clean—gums firm and strong.
- 2 Many famous breeders feed Gro-Pup. It's a hearty, nourishing diet that contains every vitamin and mineral dogs are known to need. Easy to digest, too.
- 3 And Gro-Pup is thrifty to feed—you save more than half over most canned dog foods! Your grocer has Gro-Pup now in both cubes and meal form. Feed both for variety.

In cube form: 2 lb. and 25 lb. sizes  
In meal form: 2 lb., 5 lb. and 25 lb. sizes

*Those who know  
dogs — and  
love dogs ...*

... are consistent users of Bob Martin's Condition Tablets. They know these tablets provide many of the essential vitamins and mineral elements which a dog must have to be healthy. Included in Bob Martin's are the Vitamins D<sub>2</sub>, B<sub>1</sub>, and niacin, plus calcium, iron and other substances to supplement a dog's diet. Condition your dog with one tasteless, easy-to-give Bob Martin's Condition Tablet each day — see the difference in his health, his coat, his disposition.

# PET-PEPS

A meat flavoured diet supplement for Dogs containing a balanced formula of Vitamins and Minerals necessary for good health.

**Every Dog Should Have  
this 15 Day Treatment**

IMPROVES TEMPERAMENT • STOPS NERVOUSNESS  
STIMULATES APPETITE • REDUCES SHEDDING  
BUILDS RESISTANCE TO INFECTION AND SKIN  
CONDITIONS • INCREASES VIGOR AND VITALITY

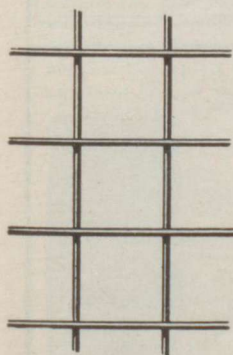

One PET-PEP tablet crushed and mixed with the daily meal during a 15-day period will show a decided improvement in your dog's health and temperament. PET-PEPS supply all the important minerals and vitamins not always available in the dog's regular feed, yet so necessary to round out a completely balanced diet.

The regular use of PET-PEPS is as essential to your dog's good health and vitality as any other ingredient in the dog's feed. Overcome canine food deficiencies by supplementing with PET-PEPS — the proven, clinical and kennel tested diet supplement.

## OUR COVER

The charming lady with the Great Danes on our Front Cover, this month, is Mrs. David Fingard, formerly Mildred Blanche Beattie of Detroit.

The dogs shown are: Champion Fingard's Odin, bred by Mr. Fingard, which was adjudged Best of Breed at Buffalo Great Dane Specialty Show in what was considered the largest entry of Danes in the history of Western New York State. He is the grandsire of many of Canada's Great Dane Champions including Ch. Kindon Chloe, a Best in Show All Breeds winner.

The dog next to Odin is Champion Fingard's Joe L, which is the sire and grandsire of many Great Dane Champions. Looking at Champion Joe L. is Champion Fingard's Duchess II, which won Best of Breed at the International Kennel Club of Chicago Show. Duchess has also won many Working Groups and Reserve Best in Show All Breeds. Recently, she whelped a litter of puppies sired by Champion Fingard's Count, the double Best in Show All Breeds Winner featured on last November's Cover of Dogs in Canada.

The two puppies shown on our Front Cover are now living in Johannesburg, Transvaal, South Africa, where they are giving a good account of themselves at the dog shows.

Mr. Fingard, who is believed to have bred more Great Dane Champions which in turn have produced Champions than any other breeder of Great Danes in Canada, has several promising puppies which will be ready for the show ring this year.

# The Westminster Kennel Club Show 1950

THE 74th Annual Dog Show of the Westminster Kennel Club, held at the Madison Square Garden, New York City, was enjoyed to the utmost by a party of thirty Ontarians who flew to New York via T.C.A. on Sunday morning, February 12th. The weather was ideal and the trip, which took less than two hours, was thoroughly enjoyed by all aboard the "North Star".

The Specialty Shows were the first points of interest. After seeing the Boxer and All Terrier Show, we left for the Henry Hudson Hotel, where the Boston Terrier Club of New York was holding its annual Show. The Canadians found that no make-up of any kind was allowed on the dogs according to A.K.C. ruling so were able to relax and enjoy the show.

The Boston Terrier, Paddy's Flashy Ace, owned by Mrs. Paddy Boughs of Toronto, won First Puppy, First Novice, and Reserve Winners Dogs. International Champion Sovereign's Escort, owned by Mrs. M. H. A. Drury, of Oakville, Ontario, won Best of Opposite Sex to the Best in Show, a nice win for the Canadians.

On Monday morning, we were off bright and early to Madison Square Garden, where we met a host of Americans who were insistent that we send their good wishes back to their friends in Canada. As they were so numerous, we decided that it would be easier to publish their names in the magazine as a goodwill gesture. These we remember: Mr. Paul Quay, Cleveland, Ohio, Judge at this show and breeder of English Springers; Mr. and Mrs. Arnold Brock, Boston Terrier Breeders, will be seen in Canada this year. Mr. and Mrs. McConaha, Great Neck, L.I., N.Y., Judge, and breeder of Afghans; Mr. Paul Palmer, New York, Judge and breeder of Pointers; Mr. Geo. S. West, Chestnut Hill, Mass., Greyhound breeder; Mr. Joseph Sims, Chestnut Hill, Philadelphia, a Judge at this show; Mrs. Charles Baiter, Madison, N.J., Judge, and breeder of German Shepherds; Mrs. H. A. Gogarty, New York, breeder of Bull Terriers; Mr. Jack Speers, Iowa, a Judge, and breeder of Irish Setters, will be seen in Canada this year; Mrs. H. L. Woehling, R.R. 2, Morristown, Pa., a Judge, and authority on Schnauzers; Mr. and Mrs. Frank Foster Davis, All Breed Judge; Mr. and Mrs. Howard Newman, German Shepherd Dog Breeders, and winners of the Working Dog Group; Dr. A. A. Mitten, English Setter breeder. Dr. Mitten will be seen judging in Canada, this year; Mr. Ernest E. Ferguson, Hollywood, California, breeder of Poodles; Mr. and Mrs. Wm. Bagshaw, Beverley Hills, California, breeders of Greyhounds and Manchester Terriers. Mrs. Bagshaw judged Pekingese at the Garden. Mrs. Sherman Hoyt, breeder of French Poodles, who handled the Television for the show. Mr. and Mrs. F. Downing of

Towson, Maryland, All Breed Judge. Dr. Charles McAnulty, Ventnor, N.J., All Breed Judge and Head Veterinarian for all race tracks in New Jersey; Mrs. Laura F. Delano, Judge, and Irish Setter breeder; Mr. and Mrs. Joe Quirk, Judge, and breeder of English Springer Spaniels; Mrs. Violet Baird, Dover Plains, N.Y., Judge, and breeder of German Shepherds; Mr. Glen Staines, Detroit, Mich., Judge, and breeder of Doberman Pinschers; Mr. T. H. Caruthers, 111 Glendale, Ohio, Judge, on the Board of Governors of the A.K.C., and breeder of Wire Fox Terriers; Mr. Harry Lumb, Judge, and Wire Fox Terrier breeder; Thomas Keater, Hamburg, N.Y., Judge, and breeder of Wire Fox Terriers; Mr. Ross Proctor, New York, President of the Westminster Kennel Club; Mrs. James Austin, Old Westbury, N.Y., breeder of Pokes and Poodles; Mr. John B. Royce, Brookline, Mass., breeder of Pokes; Mr. Harry Brogan, Buffalo, Y., Judge of the Non-Sporting Group at this show, and breeder of Boston Terriers; Mr. Harry T. Petters, Junior, Judge of Whippets at this show; Misses Julia and Judith Dale, Virginia, breeders of Whippets and horses; Mr. and Mrs. Davis H. Tuck, Judges, and English Setter breeders; Dr. Samuel Millbank, New York, Redding Ridge, Conn., Judge, and breeder of Labrador Retrievers; Mr. and Mrs. David Wagstaff, Judges, and breeders of Chows; Mr. Richard Fried, New York, N.Y., Judge, and breeder of Pointers; Mr. Fred Hunt, Detroit, Mich., Judge, and breeder of English Springers; Mrs. M. Churchman, Chestnut Hill, Pa., judged Cocker Spaniels at this show; Mr. Andrew H. Hodges, Rockville Centre, L.I., N.Y., Judge, and breeder of Cocker Spaniels. Will be seen in Canada this year.

Friends of Charles G. Hopton, New York City, the dean of all judges and whose activities in the dog world date back to 1887, will be glad to hear that he is keeping well and wished to be remembered to his friends in Canada.

Mrs. Catharine Quereaux, President of the Samoyed Club of America, Mrs. Marie Grillo, Mrs. A. L. MacBain, Mrs. Van Eyck, and Mr. Bill Powell, all Samoyed breeders, were a welcoming committee for Dr. and Mrs. C. Seldon Bezanson and their Canadian entry of Samoyeds. We spent a very pleasant hour with Mr. Raymond Patterson, Manager of the Giralda Farms, chatting about the German Shepherds of bygone days.

On Tuesday morning we were the guests of the Gaines Dog Research Center at a breakfast in the Hotel Taft, when the results were announced of the nation-wide poll to determine dogdom's most outstanding Man and Woman of the Half Century. Mr. George F. Foley, of Philadelphia, and Mrs. Geraldine R. Dodge, of Madison, N.J., were awarded the honours.

Mr. Foley, America's veteran dog show superintendent, was voted the honor because of his earnest and consistent efforts in elevating dog shows to their present high standard of efficiency, importance and organization, and for his contributions to the betterment of all dog interests and in promoting the purebred dog. He has been managing shows since 1902, and as spectator and exhibitor he has been at every Westminster Kennel Club show—of which he has been manager since 1928—for more than 50 years.

Mrs. Dodge, famed as "the first lady of American dogdom," has long been the great friend of dogs and dog folk in many fields of activity. She has helped incomparably in popularizing many breeds and in promoting dog welfare in general, and by her sponsorship of the Morris & Essex Show has made possible the world's most important outdoor dog event.

In this poll Mrs. Dodge was also voted Dogdom's Woman of the Year 1949—this is the second year in succession she has won the honor—while the Dogdom's Man of the Year honour fell on the shoulders of Capt. Will Judy, of Chicago, editor of "Dog World" magazine and founder of National Dog Week, for his sincere, continuous and helpful work on behalf of purebred dogs and "the dog game" as a whole.

John P. Wagner, of Milwaukee, who last year won the Dog Breeder of the Year award, won the same honor this year, as did Phil Marsh, of Fort Wayne, Ind., who repeated on the Dog Handler of the Year title. The former is the owner, and the latter the handler, of Ch. Mazelaine's Zazarac Brandy, who went best in show at the 1949 Westminster. Under the rules of the poll, any person who wins a poll title three times is automatically ineligible for future awards in his category.

Other winners in the poll to determine the outstanding personalities in various branches of American dogdom in 1949 were the following:

Dog Judge of the Year: Mrs. Beatrice H. Godsol, of Canoga Park, Calif., for her knowledge of the breeds, her careful judging and gracious and charming manner in the show ring.

Dog Writer of the Year: Henry P. Davis, of Bridgeport, Conn., because of his successful completion of the mammoth work "The Modern Dog Encyclopaedia," and for his keen interest in and fine magazine writing on bench show and field dogs.

On Tuesday, we visited the American Kennel Club, where we met Mr. John Neff, the Executive Secretary, and Miss Phyllis B. Everett, Secretary. We then went to the Garden to chat with Mr. W. P. Rogers, President of the Club. In the foyer we met Bill Pym, Bill Price and Frank Beer, who had just completed their judging assignments. Jake Irving, of Vancouver, and J. H. Gray,

of Calgary, were comparing the New York weather with that of Western Canada and by all accounts New York was winning, as it was pouring with rain.

Dr. J. A. Campbell, who is most interested in our identification problems, was looking at the identacode method of identification as used by Blanche Saunders of Obedience Trial fame, on her French Poodles. Mr. H. L. Walley was seen renewing acquaintance with the beautiful Scottish Terrier which he had sold to Mrs. John Winant. Incidentally, the sire of Mr. Walley's dog was the winner of Best in Show at the Garden. Sam Foster, of the Canadian National Exhibition, was looking for judging talent for the next big dog show. Mrs. Eileen McEachren flew in from Vancouver.

Other Canadians who visited the show, but who did not show dogs, were Mr. W. J. Risewick, Mr. Alf. Loveridge, Mr. and Mrs. George Getty, Mr. A. Palmer, Mr. Ed. Williams, Mr. George Kennedy, Mr. and Mrs. Jack Kennedy, Colonel M. H. A. Drury, Mr. Stanley Jones, Mr. Arthur Burden, Mr. and Mrs. Jack Thorndike, Mrs. E. Hendry, Miss Dorothy Hendry, Mr. and Mrs. George Boughs, Mr. Murray Sugar, Miss F. James, Mrs. F. Skinner, Mr. W. Gottschalk, Mr. W. Harris, Mr. and Mrs. J. Edwards and Mr. and Mrs. David Fingard, Toronto.

Mr. and Mrs. William Brown, of Long Island, New York, were busy photographing the dogs, but took time off to say how much they enjoyed their visit to Canada last year. They hope they will be able to attend some Canadian Shows, this year. The indefatigable Will Judy was here, there and everywhere, but stopped long enough to say that the Canadian Shows are definitely on his itinerary for this year.

While watching the Best in Show on Tuesday evening, word came through that our plane was grounded and that it was doubtful if we could leave New York until Wednesday evening. When Mrs. Marion Florsheim heard that we probably would be in New York on Wednesday, she very graciously secured matinee tickets for us to see the play "South Pacific". However, the T.C.A. telephoned us in the morning, and work coming before pleasure, we reluctantly turned our backs on this treat and were on our way back to Toronto at Matinee time.

# THE ENGLISH SPRINGER SPANIEL

## Description and Standard of Points

**FOREFACE**—Nostrils well developed, soft, liver color or black, according to color of coat. Muzzle deep, with plenty of upper lip and flew. Jaws good length, straight, fairly square, neither under nor overshot. Nicely chiseled below eyes.

**Skull**—Should rise from foreface without a pronounced stop. Skull of medium length and fairly broad. From the stop the median line, or groove, continues backward to the front of the sagittal crest (forehead) forming two slightly rounded halves above the eyes. Eyebrows and temples well developed, not thick in cheeks. Top of skull flat from forehead to occiput and slightly rounded on sides and back; occiput not domed; the top of occiput bone should be rounded, not pointed or angular in contour.

The resulting appearance is the head of medium length, fairly broad and slightly rounded, with a well defined stop effect—well chiseled under the eyes and free of cheekiness—with a strong, lean, fairly square jaw and well muzzled with plenty of lip, but not too thick or pendulous as in the hound, even set teeth, and well developed nostrils—an impressive head without being heavy. A ponderous head is objectionable.

**Faults**—Oval skull; cheekiness; too much stop which gives Clumber expression. Too heavy appearing head.

**Eyes**—Neither too full nor too small; medium size; not prominent or sunken but well set in, not showing haw, of an alert and kindly expression. In color dark hazel, brown or nearly black, harmonizing with the coat.

**Note**: Seldom darker than dark hazel in the liver and white.

**Faults**—Light yellow eyes, or eyes showing much haw, should be penalized.

**Ears**—Lobular, long and wide, set on not higher than in line with level of eye, flaps hanging close to cheeks, well covered both inside and outside with fine feather, which should not be curly. The leather should not be longer than to reach to the tip of the nose.

**Faults**—Ears off line of level of eyes, or set too far back on head.

**Neck**—Moderately long, strong and muscular coming out of shoulders rather full and tapering to the head, slightly arched and free from throatiness. "A springer grasps with the teeth, but weight is borne by the neck."

**Faults**—Too short, or ewe-like; set into head too heavily, causing throatiness.

**Brisket**—Not too wide so as to interfere with the free action of the forelegs, but well developed and nicely rounded.

**Shoulders**—The blades wide, strong and sloping, well set back forming a strong and powerful upper arm, muscular without being mutton shouldered.

**Faults**—Straight shoulders or mutton shoulders, which cause the dog to be paddle gaited.

**Body**—The chest deep and well developed, with plenty of heart and lung room, but not too round or wide. Walls of chest deep with well sprung ribs. Back from withers to root of tail equal height at shoulder. Back should be strong, straight—never sway-backed. Strong loins, with hips nicely rounded, slight arch over loin and hip joints, thighs broad, well developed and muscular. The hind quarters giving the appearance of great driving power. Rump slightly sloping to base of tail, belly nicely curved from chest to flank, but not in any way "tucked up".

**Faults**—Sway back. Ribs too round, too flat or too shallow. Too long body or loosely coupled body. Too high rump.

**Legs**—Forelegs, elbows well let down, setting close to the body, with free action from the shoulder. Forearm straight, with the same degree of size to toes, with slightly flattened bone and muscle. Wrist, sometimes called the "knee", straight and almost flat. Pastern short and strong. Feet strong and compact, with good strong, round pads, well feathered between toes. Wavy feathering of moderate heaviness down to pastern.

**Note**: When viewed from the front, Springer should be straight from shoulder to foot, elbow close to body and knee bending neither in nor out.

**Faults**—Crooked legs. Too light bones. Splay or hare feet.

**Hindlegs**—From hip to hock, long and sinewy; hock to heel, short and strong. Stifles and hock moderately bent and not inclining either in or out, firm on feet, feet round and not too small, with strong, thick close pads. Well feathered between toes. Moderately feathered down to hock. Profuse feathering objectionable.

**Stern**—Set on low, well fringed with wavy feather. Preferably never carried above the level of the back. Of lively motion when dog is excited.

**Coat**—On head, front of forelegs and below hock on front of hindlegs, short and fine; on other parts of body, flat or wavy (never curly) of medium length but

of sufficient density to be waterproof, weatherproof and thornproof, glossy and refined in texture. A nice fringe of wavy hair on throat, brisket, chest and belly.

(Close trimming or treatment of coat to give artificial appearance should be severely penalized.)

**Height**—Dogs, 18½ inches at shoulder. Should not vary more than ½ inch either way therefrom. Bitches—18 inches at shoulder. Should not vary more than ½ inch either way therefrom.

**Weight**—Dogs about 45 lbs.—should not exceed 50 lbs. Bitches about 42 lbs.—should not exceed 47 lbs.

**Note**: It is desirable that proper balance and proportion shall always be considered more important than mere weight. The dog or bitch possessing true Springer type which is balanced in both vertical and horizontal dimensions and possesses bone and substance in keeping with its size, should, even though under or over the weight and dimension limits set down, always be considered preferable to one which is ill-proportioned and attains the weight limit through excess or lack of height, length, width or substance.

**Color**—Liver and white, black and white, liver and tan, black and tan, tan and white; black, white and tan; liver, black, roan, etc.—anything except red and white, and lemon and white, which should be penalized.

**Gait**—The Springer gait is strictly his own. His forelegs should swing straight forward from the shoulder, throwing the foot well forward in an easy and free manner, not a paddle or with a choppy or Terrier stride. In the rear his hocks must drive well under his body following on a line with the forelegs.

**Note**: At slow movement many Springers have a pacing stride which is also acceptable for Springer gait.

**General Appearance and Type**—The Springer Spaniel is a hunting dog of all work. His qualities, stated in this standard, will give him speed, agility and endurance to cope with the most difficult field trial and hunting conditions. He is a medium size variety of Spaniel, active, symmetrical, upstanding, strong, built for endurance, but not in any way coarse or ponderous. A well-balanced sporting dog of distinct Spaniel character, combining beauty and utility. Excessive lowness or length should be penalized as interfering with the dog's activity.

## THE ENGLISH SPRINGER SPANIEL

OF ALL the breeds in dogdom, there is none which has so many sub-varieties as that of the Spaniel family. The Springer, or Springing Spaniel as the name denotes, is probably the animal most used for sporting purposes by the one-dog man, for it can do every kind of work—hunt, retrieve and go to water—making itself exceedingly useful.

Early historians tell how this breed was used for springing game for the net, the hawk, the greyhound or the gun. Both France and Spain claim that this popular breed originated there, and this could be borne out by the fact that paintings by the Old Masters of the 17th century seen in the picture galleries on the Continent depict beautiful Springer Spaniels so typical of the present dog that they could hold their own in the show ring today.

The popularity of the breed also lies in the fact that the show dog has not lost its working capabilities. In the evolutionary process the breeders have kept the beautiful, true form of the Springer Spaniel with the build and anatomy necessary for agility to do a hard day's work. Field Trials for Springer Spaniels are held in almost every country in the world where Field Trials are known.

In addition to the qualities of a good hunting and show dog, the Springer Spaniel

has a sweet disposition which makes it an ideal home companion, and a possessive spirit which is the first requisite of a good watch dog.

Its gait is strictly its own. The forelegs swing straight from the shoulder, throwing the foot well forward in an easy and free manner, not a paddle or with a choppy or Terrier stride. In the rear, the hocks must drive well under the body following on a line with the forelegs. The Springer is a medium size variety of the Spaniel breed, active, symmetrical, upstanding, strong, built for endurance, but not in any way coarse or ponderous. It is a well balanced dog, combining beauty with utility.

The colours which are recognized in the Standard of the Breed are liver and white, black and white, liver and tan, black and tan, tan and white, black, white and tan, liver, roan, etc.,—anything except red and white and lemon which should be penalized.

Height—Dogs 18½ inches at shoulder. Females, 18 inches at shoulder. Both dogs and females should not vary more than one-half inch either way.

Weight—Dogs about 45 pounds—should not exceed 50 pounds. Females, about 42 pounds—should not exceed 47 pounds.

N. F. BROWN,  
Secretary-Treasurer.

\*We, the undersigned members of the Canadian Kennel Club Incorporated, do hereby propose that the Constitution adopted by the Canadian Kennel Club Incorporated on February 6th, 1942, and all adopted the proposed By-laws appearing hereunder be adopted in their stead. and approved amendments thereto, be repealed in their entirety, and the proposed By-laws appearing hereunder be adopted in their stead.

Proposed by: C. S. SPRATT.  
Seconded by: PADDY BOUGHS.

## PROPOSED BY-LAWS

### Article I. NAME

The name of the Club shall be The Canadian Kennel Club.

### Article II. HEAD OFFICE

The head office of the Club shall be in Toronto, Ontario.

### Article III. RECORDING OFFICE

The recording office of the Club shall be at such place as may be determined from time to time by the Board of Directors.

### Article IV. CORPORATE SEAL

The seal, an impression of which is stamped in the margin hereof, shall be the corporate seal of the Club.

### Article V. OBJECTS

The objects of the Club are:

- (a) To keep a record of the pedigrees of all breeds of dogs;
- (b) To collect, preserve and publish data, information and documents relating to dogs;
- (c) To encourage the breeding of pure-bred dogs in Canada and to protect the interests of owners and breeders, to make grants to dog shows and field trial competitions, and in such other ways as it may seem fit, encourage, guide and advance the welfare of dogs and their owners.

### Article VI. PRIVILEGES

1. The privileges of the Club as they apply to all persons and organizations shall mean:

(a) The use of the services of the recording office as they concern the records of this Club;

(b) The use of the services rendered by the publications of this Club.

2. The privileges of the Club as they apply to all members shall mean:

(a) All those privileges set forth in section 1 of this article;

(b) All those privileges accorded members of the Club as set forth in these by-laws and any privileges extended to members by order of the Board of Directors.

3. Any person, partnership, company or organization availing themselves of the privileges of this Club as set forth in this article shall by such act be deemed to have agreed to the authority of the Club and its Board of Directors, as conferred on the Club by these by-laws.

4. Except as otherwise provided in Section 6, sub-section 5 of the Live Stock Pedigree Act (1949), no person, partnership, company or organization suspended or expelled by this Club, the Kennel Club (England), The American Kennel Club or any association incorporated under The Live Stock Pedigree Act shall be entitled to any of the rights and privileges set forth above unless reinstated by the suspending or expelling organization.

5. Any partnership or company that is a member of this Club may exercise any of the foregoing privileges to which it is entitled only through its authorized representative named in such partnership's or company's application or through his successor duly appointed by such partnership or company, written notification of which appointment has been delivered to the Secretary. Partnership or company membership shall not entitle members of such to membership privileges, and individual membership of each and all of the members of a partnership or of a company shall not entitle a partnership or a company to membership privileges.

6. The privileges accorded members by these by-laws may be accorded only those of the original incorporators of the Club who remain members in good standing but such privileges shall not exceed those accorded members presently in good standing.

### Article VII. MEMBERS

CLASSES. There shall be three classes of members as follows:

(a) **LIFE MEMBERS:**—Life members shall be those persons who may from time to time be elected to such membership by the unanimous vote of the members

# NOTICE

## Annual General Meeting

Notice is hereby given to all members of The Canadian Kennel Club Incorporated that the Annual General Meeting of the Club will be held in Hall "A" in the King Edward Hotel, Toronto, Ontario, on Wednesday, March 29th, 1950, commencing at 10.00 a.m.

The business to be transacted will be the usual business of the Annual General Meeting and in addition the following matters.

On the following pages may be found proposed By-laws intended to replace the existing Constitution of the Club. These By-laws, which will be presented for the consideration of the members attending the Annual General Meeting, have been drafted with a view to conforming to the provisions of The Live Stock Pedigree Act 1949.

The new Live Stock Pedigree Act provides for the affiliation of associations forming the Canadian National Live Stock Records. Articles of Affiliation, as prescribed by the Minister of Agriculture, will be presented for the consideration of the members attending the meeting.

The Board of Directors will present, for the consideration of the members attending the meeting, suggested arrangements intended to provide for continuation of the services which have been rendered by the Club but which services, in the opinion of the Department of Agriculture, do not come within the jurisdiction of The Live Stock Pedigree Act 1949.

In addition, the proposed amendments published in the January (1950) issue of DOGS IN CANADA will be on the agenda of the meeting.

By order of the  
Board of Directors,

N. F. BROWN,  
Secretary-Treasurer.

Toronto, Ontario,  
February 17th, 1950.

of an election of officers or other Directors by the Board of Directors the Chairman shall be entitled to vote and in the case of a tie he shall have the second or casting vote.

6. Following each meeting of the Board of Directors the Secretary shall cause to be published in the next issue of "Dogs in Canada" a resumé of the business transacted at such meeting with specific mention of the motions before the meeting, the movers and seconders thereof and except in the case of votes by secret ballot as required in these By-laws the names of those voting pro or con. Such resumé shall before publication be approved by each Director present at such meeting. The scope of the resumé shall be such as to enable the members to follow intelligently the entire business of the Club provided, however, that if the Club's solicitor shall give his opinion that the publication of any information need not be published. If for any reason, the resumé cannot be published in the issue provided for above, it will be published in the following issue of "Dogs in Canada".

#### Article XI. DUTIES, OFFICERS AND DIRECTORS

1. **PRESIDENT.** The President shall be the chief executive officer of the Club and shall have the general powers and duties of supervision and management usually vested in the office of President of similar organizations. He shall be ex officio a member of all committees and Chairman of all meetings of the Board of Directors and of the members.

2. **VICE-PRESIDENT:** If the President is absent or unable to act, his duties and powers may be exercised by the Vice-President.

3. **SECOND VICE-PRESIDENT.** If the President and Vice-President are absent or unable to act, the Second Vice-President may exercise the duties and powers of the President.

4. No officer or Director may pledge the credit of the Club except as authorized by a two-third majority vote of the ordinary members of the Club at a general meeting.

5. The individual officers and Directors of this Club shall have such further duties and powers as may be delegated to them by the Board of Directors providing the said duties and powers are not contrary to the provisions of these By-laws.

#### Article XII. ELECTIONS

1. The President, Vice-President, Second Vice-President and all other Directors shall be elected annually all in the manner hereinafter provided. The President, Vice-President and Second Vice-President shall be elected on the vote of the members at large and other Directors shall be elected by each electoral zone. For the purpose of an election only those ordinary members in good standing as of June 30th in the election year shall be eligible to move or second a nomination, be nominated, vote, stand for election and/or be elected as an officer or other Director.

2. (a) **NUMBER OF DIRECTORS.** For the purpose of election of Directors and of effecting proportional representation as well as may be, the membership shall be divided into electoral zones of which the initial zones shall consist of members residing in each of the following provinces or aggregation of provinces:

1. Alberta.
2. British Columbia.
3. Manitoba.
4. Nova Scotia, New Brunswick, Prince Edward Island and Newfoundland (Maritime Provinces).
5. Ontario.
6. Quebec.
7. Saskatchewan.

(b) **QUINQUENNIAL ADJUSTMENT.** The number of Directors to be elected for the electoral zones set forth in (a) above shall be determined and adjusted every five years. There shall be an adjustment in the year 1950 to govern the year 1951 and the following shall be the manner of the determination of the number of Directors to be elected for 1951 and the years that follow until a further adjustment is made as provided for by this article. To the total number of members of the Club for the year preceding the year in which the adjustment is made shall be added the total number of registrations of individual dogs for year preceding the year in which the adjustment is to be made and the sum thereof divided by the total number of provinces (nine for this purpose). The number so resulting shall be the unit of representation by provinces. The number forming said unit shall be divided into the sum total of the membership of the given zone for the year preceding the year in which the adjustment is to be made, and the registrations of individual dogs for such zone for the year preceding the year in which the adjustment is to be made, and the quotient shall be the number of Directors for such zone. If such quotient includes a fraction, such fraction shall be ignored if one-half or less and treated as an added integer if more than one half, but every province or aggregation of provinces as set forth in (a) above shall be entitled to elect at least one Director.

(c) Whenever as a result of a quinquennial adjustment, a province included in an aggregate group shall in respect of membership and registration, have attained to the unit of representation computed aforesaid, such province shall thereupon withdraw from its former group and shall constitute a separate electoral zone, and be entitled, as such, to separate representation, and subject to the change thereby resulting the grouping shall be as heretofore:

out that the Deputy Minister had suggested that they be consulted regarding the revision of the Club's Constitution, and they had been invited to attend the meeting so that some understanding could be reached and guidance obtained in respect to the revision of the Club's Constitution, particularly with regard to the Club's powers and objects.

Mr. MacVannel indicated that representatives of the Department were pleased to accept the invitation, that they believed that the right course had been followed and that they would endeavor to be as helpful as possible. Mr. MacVannel explained that the Act was primarily intended to provide for the incorporation of Live Stock Associations as registration bodies and that it was the feeling of the Department that the activities of such associations should be largely confined to matters concerning registration or closely related to registration.

Mr. MacVannel went on to state that:

- (a) As Chief Registration Officer of the Department he was in some measure responsible for the Club's Constitution making reference to the Club having objects and powers relating to dog shows and trials;
- (b) When the question was raised as to the Club's authority in respect to shows and trials the matter had been referred to the Department of Justice which had indicated that an error had been made in allowing the Club to exercise powers beyond those permitted by the Act;
- (c) In view of the opinion given by the Department of Justice, instructions had been given that steps be taken as soon as possible to amend the Constitution;
- (d) The Department had since, on a number of occasions, indicated that revision of the Club's Constitution should be undertaken at the earliest possible date;
- (e) The new Act did not differ to any great extent from the previous Act, but officials of the Department felt that revision of the Club's Constitution should be taken as soon as possible and not left over until 1951.

The President pointed out that the annual general meeting had been called for February 8th, and asked since no specific notice had been given members that a general revision of the Constitution was necessary or contemplated, what procedure should now be followed in order to eliminate the necessity and expense of two general meetings in 1950.

Mr. MacVannel expressed the opinion that the Department would feel that the Club was acting properly in all respects if the Board gave the members thirty days' clear notice that the Directors were presenting new by-laws at the annual general meeting in order to comply with the new Act.

The President stated that the preparation of new by-laws would be greatly facilitated if Mr. MacVannel would suggest where revisions were most necessary. Mr. MacVannel stated that the Department would prefer that the Club draft by-laws which it considered to be best from its point of view after which they could be considered by the Department in the regular way. Acting on the President's suggestion that he indicate possible amendments, Mr. MacVannel suggested:

- (a) Deletion of the word "incorporated" from the Club's name for that word was not a part of the Club's name in its original application for incorporation;
- (b) Deletion of reference to shows, trials, racing and coursing in the Club's objects and powers;
- (c) That the Club's solicitor redraft the objects so as to conform to the Club's charter;
- (d) Tightening up of the section referring to audits and reports;
- (e) That the section referring to agreements be condensed;
- (f) That the referendum ballots be deleted;
- (g) That trial boards be deleted;
- (h) That wherever possible all sections be condensed as much as possible.

The President asked Mr. MacVannel what action should be taken so that some central organization could carry on the functions heretofore exercised by the Club in respect to shows and trials. Mr. MacVannel suggested that consideration be given to the setting up of an organization, distinct from the Canadian Kennel Club, which would serve the same purpose, where shows and trials are concerned, as the Canadian Kennel Club had in the past.

3. On or before October 1st in each year there shall be mailed postage prepaid to the members entitled to vote:

(a) A complete list of all such members in good standing as of June 30th in such year.

(b) The nomination paper in such form as may be approved by the Board of Directors.

If through mistake, inadvertence, accident or other cause the list of members and nomination papers are not mailed on or before October 1st they shall be mailed as soon as possible thereafter. Military, civil or courtesy titles or decorations and/or abbreviations thereof are not to be shown on the membership list.

4. Any member entitled to vote and in good standing as of June 30th in the election year may move or second a nomination for:

(a) President and/or

(b) Vice-President and/or

(c) Second Vice-President and/or

(d) One Director for the electoral zone in which such member resides save that any such member resident in Ontario may move or second nominations for five (5) Directors.

5. Completed nomination papers shall be mailed (registered) postage prepaid to the Secretary so as to be received by him on or before 5 p.m. on the 1st day of November and no nominations received thereafter may be considered in the election provided that if the 1st of November falls on a Sunday the time limit shall be extended to 5 p.m. on November 2nd. All nomination papers must be signed by two members whose names appear in the list of members referred to above.

6. The Secretary of this Club shall upon receipt of a nomination paper in the proper form acknowledge same to the mover of the nomination and advise by postage prepaid or telegraph those nominated of their nomination specifically naming the office(s) for which they have been nominated.

7. A member, nominated for election to an office, and desirous of standing for election to that office, must advise the Secretary in writing or by telegraph of his acceptance of the nomination and such acceptance must reach the office of the Club not later than 5.00 p.m. on November 15th; a member whose acceptance of a nomination does not reach the office of the club by 5.00 p.m. on November 15th shall be deemed to have refused the nomination. An ordinary member may only stand for election and be elected to one office.

8. Ballots shall be in such form as may be approved by the Board of Directors. Military, civil or courtesy titles or decorations and/or abbreviations thereof shall not be shown in connection with names appearing on the ballots.

9. Between the 16th day of November and the 29th day of November, the Secretary shall deliver to the election commission:

(a) A certified list of the members entitled to vote and in good standing as of June 30th in the current year;

(b) A ballot bearing the corporate seal of the Club for each of such members;

(c) Envelopes stamped and addressed to the address of each such member last known to the Secretary;

(d) Return envelopes stamped and addressed to the election commission and marked "Ballot", one for each such member;

(e) A certified list of all those who have been elected by acclamation as well as a list of all offices for which no nominations have been received.

Upon receipt of the foregoing the election commission shall mark each ballot for the purposes of identification and in the counting of votes no other ballots may be taken into account.

10. On or before November 29th the election commission shall mail to every member entitled to vote in the envelope provided:

(a) A ballot;

(b) A return envelope stamped and addressed to the election commission and marked "Ballot".

If through mistake, inadvertence, accident or other cause the voting papers are not mailed on or before November 29th, they shall be sent out as soon as possible thereafter.

11. Default in supplying a ballot and/or a return envelope to any member or the non-receipt of either of such papers by any member within the prescribed time shall not invalidate any election held in the manner herein provided.

12. Only those ballots shall be counted that are in the hands of the election commission by 12 o'clock noon on the 22nd day of December following the mailing of the ballots provided that if the 22nd of December is a Sunday the time for the receipt of the ballots by the election commission shall be extended to the 23rd of December and provided further that the date for receiving ballots shall be extended one day for each day's delay starting from November 29th in the mailing of the ballots by the election commission.

13. The election commission shall forthwith after the last day for receiving ballots open the envelopes and proceed to count the votes.

14. The election commission shall on or before the 28th day of December or as soon thereafter as possible furnish the Secretary with a report of the election certified by the affidavit of a member of the election commission setting forth:

(a) The number of votes cast for each candidate for office;

(b) The names of all persons elected by acclamation as previously advised by the Secretary;

He expressed the view that application for the incorporation of such a body should be made to the Secretary of State for Canada.

**RESOLUTION:** The President expressed to Mr. MacVannel and Mr. Steele the Board's appreciation for their helpful suggestions and it was regularly moved by Director Farmer, seconded by Director Boughs:

"THAT, a vote of thanks be extended to Mr. MacVannel and to Mr. Steele for the information and assistance that they have given us this afternoon."

Motion carried.

—Mr. MacVannel and Mr. Steele then left the meeting.

**DISCUSSION:** The President suggested that the Club's solicitor should be immediately contacted with a view to preparation of new by-laws and the preparation of an application, to the Secretary of State, for incorporation of a body which would have authority to deal with competitive events for pure-bred dogs. The matter was left over for further discussion.

#### 1487. REPORT OF THE ELECTION COMMISSION AND RELATED MATTERS

**REPORT:** The Secretary tabled the report of the Election Commission on the election of Officers, Directors, Field Trial Representatives and Provincial Committees for 1950.

**ACTION:** The Secretary was directed to refer the report to the next annual general meeting.

**SUBJECT:** The Secretary tabled correspondence in respect to alleged irregularities in the election of Officers, Directors, etc., for 1950.

**RESOLUTION:** Following consideration the following resolution was regularly moved by Director Farmer, seconded by Director Mrs. Brown:

"THAT, in view of the report of the election commission the Board is not in a position to deal with any alleged irregularity unless such allegations are supported by affidavits or sworn testimony."

Motion carried.

#### 1489. LETTER FROM MR. PETER HOPKINSON

**SUBJECT:** The Secretary read a letter from Mr. Peter Hopkinson, MacDonald's Corners, Ontario, in which Mr. Hopkinson referred to general "dissatisfaction over the uncertainty of new identification procedures", and the fear on the part of some members that tattooing would be the only method of identification allowed. Mr. Hopkinson referred also to shows of two days' duration and suggested that permits for two day shows be not extended.

**DISCUSSION:** The Board agreed that since identification would be a matter considered by the members attending the annual general meeting no necessity existed for making any statement on the subject. It was further agreed that in view of the Club's position regarding shows and trials, Mr. Hopkinson's letter should be tabled.

**RESOLUTION:** It was regularly moved by Director Farmer, seconded by Director McRae:

"THAT, Mr. Hopkinson's letter be tabled and he be informed that it would be his privilege to air his views, at the annual general meeting, on the subjects referred to in his communication."

Motion carried.

#### 1491 (1466). ADOPTION OF MINUTES

**SUBJECT:** The Secretary presented for adoption the minutes of the meeting of the Board of Directors held on December 14th, 1949.

**RESOLUTION:** It was regularly moved by Vice-President Riedel, seconded by Director Boughs:

"THAT, the minutes of the meeting of the Board of Directors held on December 14th, 1949, be adopted."

Motion carried.

#### 1492 (1467). FINANCIAL REPORT

**REPORT:** The Secretary reported that:

(c) All those offices for which no nominations had been received as previously advised by the Secretary.

Upon receipt of the election commission's report the Secretary shall forthwith send a copy of the said report to each candidate for office. The election commission shall seal the counted ballots in packages and deposit the same with the Secretary who shall preserve the same until the 1st day of April next following, after which date they shall be destroyed.

15. In the event of a tie in the voting for the office of President, the Vice-President shown to have been elected by the report shall cast the deciding ballot. The member shown to have been elected as President shall cast the deciding ballot in event of ties for the offices of Vice-President, Second Vice-President or other Director.

16. In the event that no nomination has been received for any office the person holding that office shall continue in such office until his successor shall have been duly elected as hereinbefore provided or until he shall have resigned or shall have been otherwise disqualified provided that if less than five (5) qualified members have been nominated for the office of Directors for the Province of Ontario the members so nominated shall be declared elected by acclamation and the Board of Directors shall fill the vacancy(s) from members entitled to vote and resident in Ontario.

17. The officers and other Directors elected in each annual election shall take office on January 1st of the year for which they were elected. The report and proceedings of the election commission shall be subject to review at the annual general meeting next following the publication of the report.

### Article XIII. COMMITTEES, REPRESENTATIVES AND APPOINTMENTS

1. REGISTRATION COMMITTEE. (a) This committee shall consist of the President, or one of the Vice-Presidents, who shall be Chairman, and two or more Directors as may be determined from time to time by the Board of Directors. The Secretary shall be the Secretary of this committee.

(b) The committee shall have the power to:

(i) Authorize registration of change of ownership and registration of dogs where signatures or other information is unobtainable;

(ii) Authorize registration of a dog imported from any British or foreign country not listed in Article XXVIII, Section 2;

(iii) Authorize the registration of a dog as provided for in Article XXVIII, Section 6.

(iv) Do such other acts and things as provided for by the By-laws.

(c) The findings of this committee shall be presented in writing and be incorporated in the minutes of the next succeeding meeting of the Board of Directors.

2. SPECIAL COMMITTEES. The Board of Directors or the members in general meeting assembled, may appoint from their number or from the other members of the Club, special committees, but must in all cases name the member who shall be the presiding officer. The duties of each such committee shall be such as may be delegated to it by the Board of Directors or the members in general meeting assembled. The action of any special committee is subject to the approval of the Board of Directors.

3. REPRESENTATIVES. Representatives to other organizations shall be appointed by the Club at its annual general meeting. Any such representatives not so appointed may be appointed by the Board of Directors. The Board of Directors may direct the representatives in the carrying out of their functions as representatives of the Club.

4. APPOINTMENTS. (a) The Board of Directors may appoint Honorary Presidents and Honorary Vice-Presidents. They shall hold office during the pleasure of the Board. Their position shall be purely honorary;

(b) The Board of Directors may appoint a Solicitor and an Honorary Veterinary-Surgeon. They shall hold office during the pleasure of the Board.

(c) A Director may, with the permission of the Board, appoint members in an advisory capacity.

5. REGISTRAR. The recording office shall assign to the Club a person to act as Registrar. The duties of the Registrar shall be those assigned to him by the Director of the recording office.

6. EXAMINING COMMITTEES. The Board of Directors may from time to time as occasion requires, appoint an examining committee, composed of one or more members, to examine and report on a dog for which application for registration has been received. The procedure to be followed and the report to be made by each examining committee shall be as prescribed by the Board of Directors.

7. AUDITOR. The members at the annual general meeting shall appoint a firm of chartered accountants to be the auditors of the Club. They shall examine the books of account of the Club, vouchers for all payments and certify the usual statements of assets and liabilities and receipts and expenditures for the year for presentation to the next annual general meeting, and shall perform such other duties as may be assigned by the Board of Directors.

8. ELECTION COMMISSION. The auditors of the Club shall be the election commission. Their duties shall be such as are assigned by Article XII.

### Article XIV. STAFF

1. The staff of the Club shall consist of the Secretary, Treasurer or Secretary-Treasurer and such other persons as may be authorized by the Board of Directors to serve on the staff.

(1) The audited financial statements for the past year had not yet been received but that present indications were that the Club had operated without financial loss during 1949.

(2) Financial statements for 1949 had been received from the Canadian National Live Stock Records and the report indicated that:

(a) Receipts for the Club memberships, registrations, etc., during 1949, totalled \$66,103.18 as compared with \$63,562.30 in 1948;

(b) Memberships in 1949 totalled 3,616 as compared with 3,445 in 1948;

(c) Registrations had increased from 17,831 in 1948 to 18,602 in 1949;

(d) Transfers had increased from 18,209 in 1948 to 18,882 in 1949;

(e) Exports had increased from 1,287 in 1948 to 1,443 in 1949;

(f) Litter registrations had decreased from 6,569 in 1948 to 6,167 in 1949;

(g) Membership fees had increased from \$14,544.00 in 1948 to \$15,427.00 in 1949;

(h) Operational items handled by the Live Stock Records had increased from 58,010 in 1948 to 58,765 in 1949;

(i) That costs for the Records Office handling the Club's business had increased from \$21,626.66 in 1948 to \$25,679.01 in 1949.

DISCUSSION: The Secretary pointed out that when the Board last reviewed financial statements indicating the Club's financial progress during 1949 it had estimated that funds which had been sent to the Live Stock Records on account would be sufficient to meet operational costs of the Records Office during 1949, and although the number of transactions handled by the Live Stock Records Office had increased slightly over 1948, the Records Office costs had increased by over \$4,000.00, there being no intimation to the Board during the year that such a decided increase was expected. Director Farmer suggested that the Club's monthly cheque to the Records Office should be sent promptly and that efforts be made to obtain a quarterly statement from the Records Office so that the Board would have some idea as to whether or not costs were the same as the previous year so that it would be in a better position to calculate the Club's financial position during the year. The President suggested that some consideration should be given to the setting up of the Club's own Recording Office for while the Records Office costs for the handling of the Club's business during 1948 represented 32.8% of the revenue deposited during 1948, this percentage had increased to 39% during 1949.

The Secretary pointed out that there was a balance due the Records Office on the Club's 1949 operations of \$2,924.53 to which should be added other accounts payable bringing the total to approximately \$5,000.00 and that at the end of the year bank deposits available to cover these accounts amounted to \$2,004.88. The Secretary sought an instruction as to funds necessary to pay these accounts. Director Farmer suggested that if the yield on bonds held by the Club was materially less than 3% then it would be preferable to dispose of bonds rather than raise the required funds by bank loan.

RESOLUTION: It was regularly moved by Director Farmer, seconded by Director Spratt:

"THAT, the Secretary determine the yield on bonds now held by the Club, and if the yield is less than 3% bonds be sold to raise the \$5,000.00 required to liquidate accounts payable at the end of 1949."

#### 1493 (1469). COMPLAINTS

DISCUSSION: The President recommended that a Complaints Committee be set up to review all complaints requiring the attention of the Board of Directors and that the report of the Complaints Committee be presented at each meeting of the Board for consideration. The President expressed the view that this procedure would expedite consideration of complaints by the Board at its meetings.

RESOLUTION: It was regularly moved by Vice-President Riedel, seconded by Director Farmer:

"THAT, the Complaints Committee be composed of Directors Boughs, Mrs. Brown and Spratt, who shall review all complaints and present a resume and their recommendations to the Board of Directors for consideration."

Motion carried.

#### 1494. AFFILIATION

REPORT: The Secretary read a letter received from Mr. A. P. MacVannel, dated

2. The Secretary shall be ex officio clerk of the Board of Directors. He shall attend all meetings of the Board and of the members and record all facts and minutes of all proceedings in the books kept for that purpose. He shall give all notices required to be given to members and to Directors. He shall be custodian of the seal of the Club and of all books, papers, records, correspondence, contracts and other documents belonging to the Club, save as otherwise provided in these by-laws, and he shall perform such other duties as are set forth in these by-laws or as may be from time to time determined by the Board of Directors. The Secretary shall keep at the head office of the Club and at such time as the recording office is under the control of the Board of Directors, the Registrar shall keep at such recording office a book wherein shall be typed or printed a copy of these by-laws, with all amendments thereof, which books shall at all reasonable times be open to the inspection of the members of the Club who may make copies thereof.

3. The Treasurer shall keep full and accurate accounts of all receipts and disbursements of the Club in proper books of account, and shall deposit all moneys or other valuable effects in the name and to the credit of the Club in such bank or banks as may from time to time be designated by the Board; shall disburse the funds of the Club under the direction of the Board of Directors, taking proper vouchers therefor; and shall render to the Board of Directors at the regular meetings thereof or whenever required of him, an account of his transactions as Treasurer and of the financial position of the Club. He shall also perform such other duties as may from time to time be determined by the Board of Directors.

4. Any person occupying the position of Secretary-Treasurer shall perform the duties of the Secretary and the Treasurer set out above.

5. The duties of the other members of the staff shall be such as are delegated by the Board of Directors or by some member of the staff authorized to delegate such duties.

6. The Board of Directors may delegate such of its powers and duties to one or more members of the staff as it sees fit and necessary.

7. The Board of Directors may require that any or all members of the staff be bonded for an amount fixed by the Board of Directors.

#### Article XV. DISCIPLINE

1. The Board of Directors shall have the power to suspend, to expel or reprimand any member, or deprive any non-member of the privileges of the Club, if in the opinion of the Board of Directors he has violated:

- A by-law of the Club relating to eligibility for registration, establishment of production credentials or payment of fees;
- section sixteen or section seventeen of the Live Stock Pedigree Act, 1949; or
- any provisions of the Animal Contagious Diseases Act or the regulations thereunder relating to the identification, marking or testing of pure-bred dogs.

2. The Board of Directors shall have the power to terminate the membership of a member who, in the opinion of the Board of Directors, has committed an act which is considered to be prejudicial to the objects or interests of the Club, or to the interests of its members or their dogs.

3. On report to the Board of Directors in writing of a charge or complaint against any person which may result in suspension, or expulsion or termination of membership, or deprivation of privileges, the charge or complaint shall be laid before a meeting of the Board of Directors who shall, if they decide to entertain the charge or complaint, designate the time and place at which the hearing of the charge or complaint will be conducted.

4. A member, person, partnership or company against whom a charge or complaint has been laid shall have fifteen days notice in writing by registered mail of the charge or complaint that has been preferred and the time and place where a hearing shall be conducted. All persons affected by the charge or complaint shall have the right to be heard in person and may produce such evidence and witnesses as they may desire.

5. Any person so suspended, expelled, or deprived the privileges of the Club shall have the right to apply to the Board of Directors for reinstatement. Should the Board not grant the application for reinstatement such person shall have the right to apply for reinstatement by the next succeeding annual general meeting, but reinstatement by an annual general meeting shall be only by a majority vote of the members thereat.

6. (a) "Expulsion," when imposed, automatically terminates membership in the Club and deprives the person so expelled from privileges accorded members and non-members of the Club;

(b) "Suspension," when imposed, automatically deprives a member of the privileges of membership for the period ordered when the suspension is imposed and all other privileges which may be accorded non-members of the Club for a like period;

(c) "Deprivation of privileges," when imposed, automatically deprives a non-member of all privileges accorded non-members of the Club.

(d) "Termination of membership in the Club," when imposed, automatically deprives a person of the privileges of membership but permits of his receiving the privileges accorded non-members of the Club.

7. Upon receipt by the Board of Directors of a certificate of conviction issued by the clerk of any Court, certifying as to the conviction of any person, partner-

December 30th, in which Mr. MacVannel reported that the new Live Stock Pedigree Act had received Royal assent on December 10th and that the new Act provided that each association may sign Articles of Affiliation within a year. Mr. MacVannel's letter went on to state that it would be advisable to state in the notice calling the annual general meeting that the Articles of Affiliation would be presented for the consideration of the Club by the Department of Agriculture.

ACTION: The matter was ordered held in abeyance for further consideration.

#### 1495 (1475). ACCOUNTS

\$4,066.45

RESOLUTION: It was regularly moved by Vice-President Riedel, seconded by Director Boughs:

"THAT, the expenditures made during December, 1949, be approved."

Motion carried.

DISCUSSION: The Secretary suggested in order to make it easier for the members to follow the disbursement of funds for operating expenses, it might be preferable to show the expenditures under the headings that appeared in the annual financial statement rather than by firms and individuals to whom the payments were made.

ACTION: The Board endorsed the Secretary's suggestion and directed that the expenditures be reported in that fashion.

#### 1496 (1476). APPLICATIONS FOR MEMBERSHIP

REPORT: The Secretary reported that the following had made application for membership:

ship or company of any of the offences set out in Section 16 or Live Stock Pedigree Act, 1949, by such Court, being a Court of diction, the Board of Directors may by the simple adoption accordingly impose upon such person, partnership or company, penalties set out in this Article.

#### **Article XVI. RECIPROCAL AND OTHER AGREEMENTS**

1. It shall be the duty of the Board of Directors to enter with any club or organization conducting registration records for or clubs, associations and companies when, in the opinion of the Directors, such agreements will further dog breeding in Canada.

2. All agreements entered into, as provided in this Article, must comply with the Live Stock Pedigree Act, 1949.

3. A copy of all such agreements shall be deposited with the Minister of Agriculture.

#### **Article XVII. ORDER AND CONDUCT OF BUSINESS**

1. The order of business at all general and Board of Directors meetings shall be as follows:

- (a) Identification of members;
- (b) Reading minutes of previous meeting;
- (c) Report of officers, Directors and committees;
- (d) Correspondence;
- (e) Unfinished Business;
- (f) If annual meeting, report of election of Directors and appointment of representatives;
- (g) New Business;
- (h) Adjournment.

The above order, with the exception of (a), identification of members, may be changed at the pleasure of the meeting assembled.

2. Rules of Order, as found in "How to Conduct Public Meetings" by H. G. MacGill, shall govern meetings of the Club and Board of Directors insofar as they are applicable and not inconsistent with the provisions of the By-laws.

#### **Article XVIII. AUDIT AND ANNUAL REPORT**

1. The Board of Directors at each annual general meeting shall submit the following:

- (a) A complete report of the affairs of the Club;
- (b) A detailed statement duly audited of the receipts and disbursements of the preceding year and of the assets and liabilities of the Club.

2. A copy of this report, a list of the officers elected and those appointed, also general information on the affairs of the Club, shall be submitted to the Minister of Agriculture for Canada within twenty days of the meeting.

3. The fiscal year shall correspond to the calendar year.

4. At the end of each quarter there shall be prepared and submitted to the Minister of Agriculture a financial statement indicating the financial position of the Club.

#### **Article XIX. EXPENSES, INCOME AND PROPERTY**

The income and property of the Club from whatever source shall be applied by the Board of Directors solely towards the promotion of the objects of the Club and no part thereof shall be paid directly or indirectly by way of bonus or otherwise as profit or dividend to any member of the Club, past, present or future, or to any person claiming to be a member, provided, however, that nothing herein contained shall prevent the payment of remuneration to any Secretary, Treasurer, Officer, Clerk, Servant or other person or persons or organization actually rendered the Club whether such are members of the Club or not, and the expenses of the Directors or other officers incurred in doing the business of the Club save as otherwise provided in these by-laws.

#### **Article XX. PUBLICATIONS**

The Club may publish an official organ and such other publications as may be deemed necessary.

#### **Article XXI. STUD BOOKS**

1. The Board of Directors may from time to time cause to be published extracts from the Club's registration records which shall be in such form and contain such information as may be decided by the Board of Directors. The extracts published for any given year shall be known as "The Club Stud Book" for that year.

2. If necessary the charge for the current volume (or part thereof) and back volumes, shall be fixed by the Board of Directors.

#### **Article XXII. PRIVATE BREEDING AND IDENTIFICATION**

1. There shall be kept by each breeder a private record which shall contain full particulars of his breeding operations and identification of the dogs in his possession by reason of ownership, lease or agreement. These records shall be kept in the form as set forth in "Canadian Kennel Club Private Breeding Record".

2. When and if, as a result of any charge or complaint laid against a breeder, the Board of Directors has occasion to doubt the authenticity of the records, it may require the breeder to produce the original records.

RESOLUTION: It was regularly moved  
by Vice-President Riedel, seconded by  
Director Mrs. Brown:

"THAT, the applications for member-  
ship reported by the Secretary, be  
approved."

Motion carried.

DISCUSSION: The Secretary sought an  
instruction regarding the handling of  
applications for membership.

ACTION: It was agreed that the same  
procedure be followed as was followed in  
1949 in that the Secretary would approve  
applications for membership and promptly  
return them to the Canadian National  
Live Stock Records and later report to  
the Board on those applications which he  
had approved on the Board's behalf. It  
was further agreed that the Secretary  
would not follow this procedure in re-  
spect to any applications which he  
believed the Board would wish to deal  
with.

DISCUSSION: The Board discussed the  
action that should be taken on renewals  
of membership of those members having  
overdue advertising accounts with DOGS  
IN CANADA.

RESOLUTION: It was regularly moved  
by Director Farmer, seconded by Direc-  
tor Boughs:

"THAT, renewal of membership fees of  
those members having advertising ac-  
counts more than six months overdue be  
not accepted until the overdue accounts  
are paid or an explanation satisfactory to  
the Board is received as to why any  
individual account should not be paid."

Motion carried.

ACTION: The Secretary was directed  
to send out notices reminding the mem-  
bers that renewal fees are now due.

## 1497 (1477). REGISTRATION OF KENNEL NAMES

REPORT: The Secretary reported that  
applications for registration of the follow-  
ing kennel names had been received:

AMBER—F. G. Harrington, Vermillion,  
Alta.

CE-GREN—Annie R. Winter, York  
Mills, Ont.

RESOLUTION: It was regularly moved by Director Boughs, seconded by Director Mrs. Brown:

"THAT, the lists of proposed judges be approved conditional that the applications meet the requirements of the Dog Show Rules, that the residents of the United States listed are licensed by the American Kennel Club to judge the breeds named, and the local Provincial Director has approved the lists for shows in his or her respective province."

Motion carried.

SUBJECT: The Secretary read a letter from the Secretary of the Ottawa Kennel Club indicating that in addition to Mr. W. C. Baldwin, Mr. Harry Fraser and Mr. Mac MacLean, they proposed utilizing the services of novice judges to judge the breeds at its sanction show on February 11th, the aforementioned judges to take over for Best of Breed, Groups and Best in Show.

ACTION: Following discussion the Secretary was directed to inform the Ottawa Kennel Club that while the Board looked with favour upon their attempt to advance the judging situation in Canada, it was the Board's suggestion that the actual judging be done by recognized judges to whom the novice judges could be considered apprentice.

REPORT: The Secretary reported on correspondence with the Fredericton Kennel Club and Director W. P. Moore, regarding the Fredericton Kennel Club's wish to select Mrs. William Constable, of Boston, Mass., as judge of all breeds at a championship show which it proposes holding in September.

DISCUSSION: The Board agreed that unless Mrs. Constable is licensed as an all breed judge by the American Kennel Club, it could not approve of the selection in view of the requirements of Chapter 7, Section 4, of the Dog Show Rules.

SUBJECT: Director Farmer suggested that when judges are approved each

5. The Board of Directors may, from time to time as it deems advisable for registration purposes, divide any recognized breed into two or more distinct breeds, and shall have the authority to prescribe regulations governing any such division which it may order or has, in the past, been ordered by the members or a previous Board. Such regulations shall not, however, be effective until approved by the Department of Agriculture. No claim may be made against the Club or its Board of Directors by reason of any loss or damage resulting from such divisions and/or re-classification of registered dogs in the breed so divided.

#### Article XXVII. IDENTIFICATION

1. In order to be eligible for registration a dog must be identified by any one of the methods outlined in section 2 of this article, so that the certificate of registration issued for the dog will make it possible to distinguish it from any other dog of the same breed. A breeder or owner shall have the choice of the methods outlined in this article but it is the privilege of the Chief Registration Officer to decide whether or not positive identification, in each instance, has been sufficiently well established.

##### 2. METHODS OF IDENTIFICATION

(a) **COLORS AND MARKINGS.** A complete statement of the colors and conspicuous markings of a dog will be accepted as a means of identification providing such color and markings identify that dog from any other of the same breed.

(b) **TATTOO MARKINGS.** On application to the recording office a breeder or owner will be allotted identification letters for his exclusive use in tattoo marking dogs for registration purposes. Tattoo markings will be accepted as a means of identification only if regulations in respect to tattoo markings, as adopted by the members, are fully observed.

##### 3. IDENTIFICATION RECORDS:

Each breeders' private breeding records\* shall also contain full particulars of the identification of each dog in his possession by reason of ownership, lease or agreement.

(\*see Article XXII).

#### Article XXVIII. RULES OF ELIGIBILITY

1. The following dogs are eligible for registration providing that, in each instance application for registration is acceptable to the Club's Registrar and to the Chief Registration Officer and is in accordance with the terms of these By-laws, and is accompanied by the required fees, documents and evidence as may be required elsewhere in these By-laws:

(a) A dog born in Canada of a litter registered with the Canadian Kennel Club.

(b) A dog registered in any of the following Stud Books or records:

- (1) The Kennel Club, England;
- (2) The American Kennel Club;
- (3) The Association of Masters of Harriers and Beagles;
- (4) The Association of Masters of Foxhounds;
- (5) The National Coursing Club, England;
- (6) The Irish Kennel Club;
- (7) The Irish Coursing Club;
- (8) Newfoundland Live Stock Register.

(c) A dog born in Canada and registered in the National Coursing Association Stud Book, The Field Dog Stud Book, or The International Fox Hunters Stud Book, provided the certificate of registration as issued by an organization above stated with certified three generation pedigree accompanies the application for registration. A copy of the three generation pedigree may be made by the recording office but the original certificate and pedigree certificate shall be returned to the applicant. If official three generation pedigree is not obtainable, evidence of authentic ancestry for three generations must be filed with the Club.

(d) A dog registered in any British or foreign record or stud book not listed in Section 1(b) of this article may be inspected by an examining committee, and if registration is authorized by the Registration Committee, it will be eligible for registration the same as if the dog had been registered in any of the records listed in section 1(b) of this article.

(e) A dog of a recognized breed for which no foreign record has been established in the country of their origin, may be inspected by an examining committee, and if approved by the Registration Committee it shall be recorded in the Canadian Kennel Club Stud Book.

(f) A dog the application for registration of which is accompanied by a three generation statement of breeding with particulars as to breeder, owner, date and place of birth, and colour or colours, all of which must be set forth in the form of an affidavit, but no dog whose application for registration is made in accordance with this section may be registered until examined by an examining committee and registration has been authorized by the Registration Committee.

2. Where inspection of a dog is a requisite before eligibility for registration can be established, the Board of Directors may appoint an examining committee, as occasion may require, to inspect the dog or dogs involved. Following inspection the examining committee shall submit an inspection report and its recommendations to the Registration Committee.

3. The foregoing Rules of Eligibility shall in every respect be subject to the provisions of Article XXVI, Section 5, of these By-laws.

judge should be provided with a copy of the Dog Show Rules and informed that he is expected to follow the Rules in all respects and to judge according to the standards laid down by the Canadian Kennel Club which are identical to those adopted by the American Kennel Club.

**ACTION:** The suggestion was let over for further consideration.

**SUBJECT:** The Secretary referred to Section 6, Part 5 of the new Live Stock Pedigree Act which provides that no person may be deprived of the right to register and transfer pure-bred dogs unless he had committed offences referred to in that Section, and sought instruction regarding future distribution of lists of persons denied the privileges of the Club.

**ACTION:** The matter was held for further consideration at the next meeting of the Board.

**SUBJECT:** The Secretary referred to the new identification requirements and the effect it may have, for a time, on the registration of dogs referred to in Chapter 16, Section 2, of the Dog Show Rules. The Secretary pointed out that a proposed amendment to this Section was included in the amendments published in the January issue of DOGS IN CANADA and the Board may wish to make a recommendation to the members attending the annual general meeting when the proposed amendment in question came before the meeting.

**ACTION:** The matter was left over for consideration at the annual general meeting.

**SUBJECT:** The Secretary read a letter from the Fredericton Kennel Club suggesting that a representative of the Humane Society should attend each dog show, the arrangement to be made by the show giving club.

**RESOLUTION:** It was regularly moved by Director Farmer, seconded by Director Spratt:

"THAT, the letter be tabled."

Motion carried.

**SUBJECT:** Vice-President Riedel referred to the arrangement put into effect by the American Kennel Club whereby a dog meeting certain registration requirements could be registered providing it earned a specified number of championship points at shows held under its Rules, and suggested that the Board give consideration to adoption of a similar arrangement in Canada.

**ACTION:** It was agreed that this suggestion be considered when the proposed by-laws are placed before the members attending the annual general meeting.

**SUBJECT:** The Secretary read a letter from the Secretary of the Canadian Association of Exhibitions, reporting that at the convention of their association last November a resolution had been adopted regarding the standardization of colours for ribbons used at all live stock shows in Canada. The colour for first prize was indicated as red, second prize blue, which reversed the colours set out in Chapter 5, of the Dog Show Rules.

**ACTION:** The letter was ordered tabled for the Board agreed that it had no authority to amend the Dog Show Rules.

**SUBJECT:** The Secretary asked for an instruction on informing show-giving clubs regarding the order of breed judging at coming shows. He enquired whether the order should carry on from where it left off in 1949 or whether, in each Province, the first show should start with Group 1.

**ACTION:** It was agreed that in each instance each Province should start with Group 1.

**SUBJECT:** The Secretary tabled a detailed report from Director W. P. Moore reporting on the proceedings of the annual meeting of the "Association of Maritime Kennel Clubs", held at Amherst, N.S., on November 6th. The meeting largely dealt with arrangements for proposed show circuits during 1950 and other matters relative to the holding of championship shows.

**ACTION:** The report was held over for consideration at the annual meeting.

**SUBJECT:** The Secretary read letters received from Mr. C. A. Lessard in answer to letters addressed to Mrs. Yolanda Lessard regarding the absence of The Great Danes FINGARD'S KING OF MONT CLAIRE and FINGARD'S PRINCE OF MONTCLAIR from the second day of the Canine Breeders' and Exhibitors' Association championship show held on September 8th and 9th, 1949.

A discussion followed.

## Article XXIX. REGISTRATION OF LITTERS

1. **APPLICATION FOR REGISTRATION.** The owner at the time of the birth may make application, on a form supplied by the Club for that purpose, for registration of a litter born in the Dominion of Canada. All blank spaces on the form must be filled in, in ink or typewritten except signatures which must be signed in ink.

2. **DAM OF THE LITTER.** The dam must be registered with the Canadian Kennel Club in the name of the person signing the application for registration as owner or lessee at the time of the birth of the litter.

3. **SIRE OF THE LITTER.** (a) If owned or leased by a resident of the Dominion of Canada, the sire must be registered with the Canadian Kennel Club in the name of the person certifying the service;

(b) If owned by a resident of the United States, the sire must be registered with the American Kennel Club in the name of the person certifying the service. In such cases the certification of the Secretary of the American Kennel Club will be required to the effect that the dog is recorded with the American Kennel Club as being the property of the person signing as owner of the sire at the time of the service;

(c) If owned by a resident of a country other than Canada or the United States, a certificate of service issued by the recognized British or foreign Stud Book shall be required as well as a certified copy of the known pedigree of the sire to the minimum of three generations.

(d) If the owner or lessee of the sire of a litter shall refuse, fail or neglect to sign where required, an application for registration of a litter when requested to do so by the owner of the dam at time of birth of the litter, the Board of Directorate shall have the power to authorize registration of the litter, through the Registration Committee, if it is satisfied that the owner of the sire has no justifiable reason for withholding his signature.

4. **SIGNATURES.** (a) If owned or leased by a resident of Canada or the United States the signature in ink of the owner or lessee of the sire will be required certifying to the date(s) of service;

(b) The signature in ink of the owner or lessee of the dam at the time of the service will be required certifying as to the service of the dam to the sire named on the application on the date(s) set forth on the application.

(c) The signature in ink of the owner or lessee of the dam at the time of birth of the litter will be required certifying the date of birth of the litter and the number of males and females alive at the time of the application for registration of the litter.

5. **BREEDER.** The breeder of a litter is the owner or lessee of the dam at the time of service. The first owner is the owner or lessee of the dam at the time the litter was born.

6. **AGE.** No litter out of a dam under six months or over twelve years of age at the time of mating, or by a sire under six months or over twelve years of age at the time of mating will be registered unless the application for registration is accompanied by an affidavit or evidence which shall prove the facts, set out in the application for registration of a litter, to the satisfaction of the recording office.

7. **ARTIFICIAL INSEMINATION.** Artificial insemination as a means of producing conception shall not be recognized and the submission of an application for registration of litter to the recording office shall be taken to mean that the litter is a result of conception brought about by a natural mating.

8. **MATINGS.** Notwithstanding any other provisions of these By-laws, no litter is eligible for registration if the dam of the litter was mated to two or more stud dogs during the period of three months immediately preceding the birth of the litter.

## Article XXX. REGISTRATION OF INDIVIDUAL DOGS

1. **APPLICATION FOR REGISTRATION.** The application for registration of a dog must be on the form supplied by the Club for that purpose. All blank spaces on the form must be filled in, in ink or by typewriter except signature which must be signed in ink.

2. **PLACE OF BIRTH.** (a) The owner at the time of birth may make application for registration of a dog born in Canada provided the litter of which the dog is part (or whole) has first been registered with the Canadian Kennel Club with the exception of dogs eligible for registration under Sections, 2, 3, 5 and 6 of Article XXVIII.

(b) A person resident in Canada may make application for registration of a dog registered with the American Kennel Club providing the American Kennel Club certificate of registration showing the applicant's ownership accompanies the application for registration.

Note: An arrangement exists with the American Kennel Club whereby all dogs born in Canada must be registered with the Canadian Kennel Club before being eligible for registration with the American Kennel Club and vice versa.

(c) A person resident in the United States may make application for registration of a dog registered with the American Kennel Club provided the American Kennel Club certificate of registration showing the applicant's ownership accompanies the application for registration.

(d) A person resident in Canada may make application for registration of a dog imported to Canada from a country other than the United States, providing the application for registration is accompanied by an export certificate (or official certificate of registration with satisfactory evidence that the dog has been im-

**ACTION:** The Secretary was directed to inform Mrs. Lessard that a dog may only be removed from a championship show after written permission is obtained, as provided in Chapter 19, Section 1, of the Dog Show Rules. The Secretary was further directed to cancel the wins earned by FINGARD'S KING OF MONTCLAIR and FINGARD'S PRINCE OF MONTCLAIR at this show and to make the necessary adjustments in the Club's records.

### 1499 (1452). APPLICATIONS FOR HANDLERS' LICENSES

**REPORT:** The Secretary reported that the following had submitted applications for Handlers' Licenses:

Miss Shirley Stone, Detroit, Mich.—All Toy Breeds and Brittany Spaniels.  
Lee S. Wade, Cleveland, Ohio — All Breeds.

Mrs. Joy Osterdahl, Highland Creek, Ont.—All Breeds.

Leo Bodemer, Stratford, Ont. — All Breeds.

The Secretary reported that a completed application had been received from Mr. Charles Morgan, Sr., whose 1949 Handler's License fee had been received last August.

**RESOLUTION:** It was regularly moved by Director Boughs, seconded by Director Mrs. Brown:

"THAT, the applications reported by the Secretary be approved on the condition that such applications meet the requirements of the Dog Show Rules and that the applicants residing in the United States are licensed as professional handlers by the American Kennel Club." Motion carried.

### 1500 (1470). APPOINTMENT OF REGISTRATION COMMITTEE

**REPORT:** The Secretary reported that while it was customary for the Board at its annual meeting to appoint a Registration Committee, there were a number of files presently awaiting the attention of the Committee when it is appointed.

**DISCUSSION:** It was agreed since the need of appointing the Committee was immediate and the members of the Committee usually were local members of the Board, the Committee should be appointed at this meeting.

**RESOLUTION:** It was regularly moved by Vice-President Riedel, seconded by Director Farmer:

"THAT, the President and Directors Boughs and Spratt be appointed the Registration Committee for 1950." Motion carried.

### 1501 (1482). FOXHOUND FIELD TRIALS

**REPORT:** Director Farmer reported on his discussion with the President of the All-Canadian Foxhunters' Association regarding foxhound trials and expressed the view that because of the nature of the foxhound trial it would be unwise to permit of a foxhound earning a Field Trial Championship as a result of a win made at a single trial. The President pointed out that until Foxhound Field Trial enthusiasts had indicated their wishes with respect to Foxhound Field Trial Rules there was no reason to make any decision at this point.

**ACTION:** No further action was taken at this time.

Director Farmer left the meeting at this time in order catch the night train to Ottawa.

### 1502 (1486). ANNUAL MEETINGS REVISION OF CONSTITUTION

**DISCUSSION:** In discussing whether to postpone the annual general meeting until the new by-laws are available for the consideration of the members, the Board agreed that it would be preferable to postpone the annual meeting for the following reasons:

1. A general meeting with all members of the Board present would cost the Club in excess of \$2,500.00 and there was little point in putting the Club to the expense of two general meetings in the space of two or three months;

2. Members should be given an opportunity of dealing with the adoption of the new by-laws;

**ACTION:** Following further discussion the following steps were agreed upon:

1. The members of the Board outside Ontario would be promptly notified of the postponement of the annual general meeting and the reasons for the postponement;

2. The following post card notice would be sent to all members as soon as possible:

"The Board of Directors regrets that it is necessary to postpone the Annual

ported to Canada) issued by the Secretary of a recognized Stud Book or foreign record specifying the breeder, colour and markings, date of birth, intermediate owners (if any), Canadian importer with date of purchase and the known pedigree of the dog to the minimum of three generations;

(e) The owner of a dog may make application for registration of a dog, the registration of which is not otherwise provided for in sub-sections (a), (b), (c), (d) or (e) of this section but such application must be consistent with sub-section (b), (c), (d), (e), or (g) of Section 1 of Article XXVIII.

3. SIGNATURES. (a) If born in Canada the signature in ink of the owner at the time of birth must appear on the application for registration form in the space provided for that purpose;

(b) If imported to Canada, the signature in ink of the importer must appear on the application for registration form in the space provided for that purpose;

(c) If owned by a resident of the United States the signature in ink of the owner as recorded with the American Kennel Club must appear on the application for registration form in the space provided for that purpose.

4. NAME. (a) No two dogs of the same breed shall have the same name, however, no change may be made in the name of an imported dog. The recording office may add numeral affix to a dog's name for the purpose of distinguishing between dogs which otherwise have the same name;

(b) The right is reserved to change any name when necessary, preserving, however, as far as possible some characteristics of the name given on the application;

(c) The name of a dog will not be accepted if containing more than thirty letter spaces or characters including numeral affix;

(d) Only the owner at time of birth may request a change of name of a dog after it has been registered but no change shall be permissible after a dog has been registered sixty days;

(e) The name of an imported dog may not be changed, and no claim may be made against this Club should the name of an imported dog infringe the rights of any person, partnership or company whose kennel name has been registered by this club;

(f) Notwithstanding any other provisions of these by-laws or agreements entered into by this club, the names of members of the Royal Family and national leaders shall not be permitted in connection with the naming of dogs for registration purposes.

5. AGE. Application for registration of a dog born in Canada five years of age or over, that was not identified when less than one year old, shall not be considered unless an affidavit by the first owner accompanies the application. Such affidavit shall set forth the reasons why the dog was not registered at an earlier date and must be satisfactory to the recording office. If the dog is not then in possession of the first owner, identity must be established by the first owner and the owner shall also furnish the affidavit which must be satisfactory to the Registration Committee.

6. If an unidentified dog, whether registered or not, is lost to its registered or reputed owner, through any cause whatsoever, it shall be declared non-existent, unless subsequent representations are made to the Board of Directors which indicate reasonable grounds that the identity of the dog can be established, in which case, the matter shall be referred to the Board of Directors for their consideration.

7. Notwithstanding any other provisions of these by-laws or agreements entered into by this club, no individual dog is eligible for registration if its dam was mated to two or more stud dogs in the three month's period immediately preceding the birth of the dog.

8. Notwithstanding any other provisions of these By-laws or agreements entered into by this club, no individual dog is eligible for registration if the litter of which it is part or whole was the result of artificial insemination.

#### Article XXXI. REGISTRATION OF TRANSFERS OF OWNERSHIP

1. Where a dog is sold or otherwise disposed of the person disposing of the dog must immediately take the necessary action to provide the new owner with a Canadian Kennel Club certificate of registration showing the change of ownership. Failure to provide a certificate as herein required shall subject a member so in default to expulsion or suspension, and if a non-member to deprivation of the privilege of the Club. Where disciplinary action has been taken the Board of Directors shall have the power to authorize the issuance of a certificate of registration to the new owner.

2. An application for registration of change of ownership must be made in ink or typewritten on a form supplied by the Club for that purpose. The certificate may be returned by the recording office to either the applicant or the new owner.

3. If a resident of Canada should purchase a dog exported to the United States, the dog must be registered with the American Kennel Club in the name of the new Canadian owner. The Canadian certificate of registration together with the American Kennel Club certificate must be forwarded to the recording office. No signed application for transfer is required.

4. Every transfer of ownership must be recorded on the records of this Club, and if it is proven to the satisfaction of the Board of Directors that a transfer of ownership has been, by accident or otherwise, left unrecorded they may take disciplinary action as provided for in Article XV.

#### Article XXXII. CERTIFIED PEDIGREES

1. A certified pedigree is a certified genealogical table showing the ancestral line of descent of a dog as indicated by the Club's registration records and such

General Meeting, scheduled for February 8th, 1950. This postponement is considered advisable for the reason that it is now necessary for the Club to prepare and present, for the consideration of the members, by-laws and regulations that will conform to the new Live Stock Pedigree Act which received Royal assent on December 10th, 1949.

"The by-laws and regulations, when prepared, together with the amendments published in the January (1950) issue of DOGS IN CANADA, will come before the Annual General Meeting, the date of which will be announced as soon as possible."

3. The Club's Solicitor be consulted immediately regarding the drafting of new by-laws to conform to the new Live Stock Pedigree Act;

4. The Club's Solicitor be consulted immediately regarding steps to be taken to set up an organization which would continue the functions of the Canadian Kennel Club as far as it concerned competitive events for pure-bred dogs;

5. This meeting would be adjourned to reconvene at the call of the President as soon as new by-laws had been prepared and the advice of the Club's Solicitor had been obtained on the proposed new organization.

#### 1503 (1468). IDENTIFICATION

ACTION: This matter was left over for further discussion at the next meeting of the Board.

#### 1504 (1471). LETTER FROM THE PROFESSIONAL HANDLERS' ASSOCIATION

SUBJECT: The Secretary read a letter received from the Professional Handlers' Association regarding cancellation of entries at championship shows.

ACTION: The matter was ordered held over for further consideration at the next meeting of the Board.

#### 1505 (1473). LETTER FROM J. BROOKS (1478). LETTER FROM MRS. M. GIBSON

SUBJECT: The Secretary read letters from Mr. J. Brooks, Calgary, Alberta, and Mrs. Mercedes Gibson, Cowichan Station, B.C., regarding judging at championship shows.

ACTION: Both letters were ordered held over for consideration at the next meeting of the Board.

#### 1506 (1375). C.K.C. MEDALS

REPORT: The Secretary reported that: (a) Mr. William Semple, Regina, Sask., was the winner of the Wm. H. Pym Medal offered by the Club to the member whose dog won the most Best in Show awards at championship shows held under the Club's Rules during 1949.

(b) Mrs. F. Yeigh McEachren, Caulfield, B.C., was the winner of the James D. Strachan Memorial Medal offered by the Club to the member whose dog won the most Best Canadian Bred in Show awards at championship shows held under the Club's Rules during 1949.

The Secretary exhibited a sample medal.

ACTION: The Secretary was directed to arrange for medals as per the sample exhibited, these medals to be distributed to the winners as soon as possible along with the congratulations of the Board.

#### 1507. LIGHTING SYSTEM

REPORT: The Secretary reported that the lighting system in the Club's office had required much attention and maintenance during 1949, and that the Board had considered the possibility of replacing the fluorescent fixtures with the incandescent variety.

ACTION: The matter was left in the hands of the Secretary for further attention and report.

#### 1508. ADJOURNMENT

At 11.15 p.m., on motion by Vice-President Riedel, duly seconded and carried, this meeting of the Board of Directors adjourned to reconvene at the call of the President.

#### FEBRUARY 9th, 1950

1509. The meeting of the Board of Directors which commenced on January 18th, 1950, reconvened, at the call of the President, in the Club's offices, 667 Yonge Street, Toronto, at 2.00 p.m., on February 9th, 1950. The President, W. J. Risewick, presided. Officers and Directors present were D. Riedel, Paddy Boughs, Mrs. Ellen Brown, J. J. Farmer, and C. S. Spratt. Director T. B. McRae was absent, being out of town.

#### 1510. REVISION OF CONSTITUTION

British or foreign stud books as may be in the Club's files. It is certified as being correct only to the extent that it reflects the ancestral line of descent as shown in the records and stud books available to the Club, and no claim may be entered against the Club or its recording office in the event the information shown thereon is incorrect.

2. A "three-generation pedigree" is one which shows the name of the sire and dam, all grandparents, and all great grandparents of a particular dog.

3. The Club may decline to provide a certified pedigree for any reason which it deems sufficient.

#### Article XXXIII. DUPLICATE CERTIFICATES

1. A duplicate certificate may be issued if the registered owner or his authorized agent files a statutory declaration on a form supplied by the Club for the purpose of showing in a satisfactory manner that the original is lost, destroyed or unobtainable.

2. Once a duplicate certificate has been issued the original is void and if found must be returned to the recording office to be filed.

#### Article XXXIV. REGISTRATION OF LEASES

In case a male or female is leased or loaned for any purpose the form of lease supplied by the Club for that purpose must be filled in, signed by the lessee and lessor and forwarded with the certificate of registration and the required fees to the recording office so that the lease may be recorded. The lease of a dog shall not be recorded on the certificate of registration. The terms, conditions or arrangements agreed on by the lessee and lessor shall be fully disclosed on the application for registration of lease or a copy of the agreement signed by the lessee and lessor shall be attached to the application for registration of the lease.

#### Article XXXV. FEES

1. All fees for transactions requiring the services of the recording office shall be made payable to the Canadian Kennel Club, Inc., and should be sent direct to the recording office. They may be in the form of a postal note, post office money order, express money order, bank money order or certified bank cheque payable at par at the office of the records.

2. On receipt of fees the recording office shall forthwith deposit the same to the credit of the Club in a chartered bank selected by the Board of Directors.

3. Initial Membership ..... \$6.00      Renewal of Membership ..... \$5.00

Registration of dogs recorded in any recognized British or foreign record is chargeable at the same rate as for Canadian-born dogs. If a dog is sold before being registered, each change of ownership is charged for at regular rate of transfer, but only if such transfers take place in Canada. Also, with an imported dog, the increasing schedule of fees shall take effect from the date upon which it becomes possible to make registration in Canada, without respect to the actual age of the dog, and the fees so charged will be according to the Canadian Kennel Club status of the new owner.

4. The Board of Directors shall have the power, by an affirmative majority vote of the entire Board, to make changes in the above stated schedule of fees. Such changes must, however, be endorsed by the Minister of Agriculture and shall only be effective when endorsed by the Minister. Thirty days' notice of any and all changes made by the Board of Directors shall be given all members of the Club in good standing either in the official organ of the Club or by mail, postage prepaid, before such changes become effective. The members attending any general meeting of the Club shall have the power to, without prior notice of intention to do so, instruct the Board of Directors to make no changes in the schedule of fees during the balance of the calendar year in which it is in office.

REPORT: The President reported that preparation of the new by-laws had been completed on February 7th and he had therefore re-convened the meeting of the Board which commenced on January 18th so that the Board could review the proposed by-laws.

DISCUSSION: The Board reviewed the proposed by-laws section by section, and made a number of alterations.

The President suggested that before the proposed by-laws are set in type and distributed to the members along with the notice calling the annual general meeting, it would be advisable to ascertain, if possible, whether or not the by-laws as drafted would be acceptable to the Department of Agriculture. Director Farmer indicated that he would be prepared to take the proposed by-laws to officials of the Department and obtain their reaction so that if major alterations, additions or deletions were indicated, the Board could take such action as it deemed advisable under the circumstances.

ACTION: It was agreed that Director Farmer would take the proposed by-laws and would obtain the reaction of officials of the Department as soon as possible.

SUBJECT: The Secretary read a memorandum received from the Club's solicitor regarding proposed arrangements intended to provide for continuation of such of the Club's activities as are not authorized under the Live Stock Pedigree Act, 1949.

ACTION: It was agreed that Director Farmer would consult with officials of the Department of Agriculture on provisions of this memorandum and obtain their reaction for the Board of Directors. It was unanimously agreed that as soon as the reaction of the Department had been obtained to the proposed by-laws, the President would, on behalf of the Board of Directors, set the dates of the annual meetings so that notice could go forward to the Board and the members at the earliest possible date.

#### 1511. ADJOURNMENT

On motion by Director Spratt, duly seconded and carried, this meeting adjourned at 10.20 p.m. to reconvene in the Club's offices, 667 Yonge Street, Toronto, on February 22nd, 1950, at 10.00 a.m.

# Nose Prints for Practical and Effective Identification

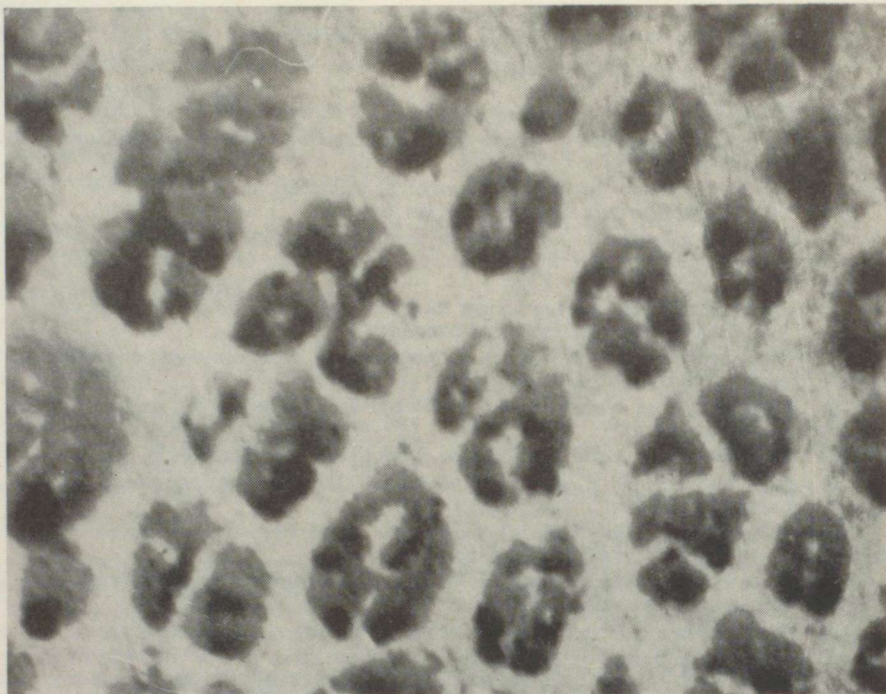

By ALVA McCOLL

AT the Annual Meeting of the members of the Canadian Kennel Club to be held in March, the question of identification will come under discussion. Information has already been sent to the members stating the requirements that are necessary for positive identification and in order to acquaint the members with the method of identification known as "nose printing" the following information has been secured. As stated in the pamphlet which was mailed to all members last December identification has always been regarded as a very important requirement for the registration of purebred live stock, the revision of the Live Stock Pedigree Act in 1927 was the first time it was made a definite statutory requirement for all breed associations registering pure-bred live stock in Canada. It required each Association to provide "a practical and effective system of identification". It has been sufficient, for many years, for breeders to briefly state the color or colors of a dog, but it must be borne in mind that a dog is satisfactorily and adequately identified by the color marking method only when the description in respect to color or alternative markings noted on the certificate makes it possible to distinguish it from any other dog of the same breed. This means that solid coloured dogs, or dogs of breeds with uniform colour markings, will require identification as well as description.

The Constitution of the Canadian Kennel Club presently provides for two systems of identification either or both of which can be practiced by breeders. These are: 1, Colour or colours; 2, Tattooing.

An alternative method is proposed for consideration at the Annual Meeting. Nose printing as a means of identification is not clearly understood by those who have recently become members of the Canadian Kennel Club. The Department accepted nose printing as a means of identification in 1939, but the methods used then were not very satisfactory and in March, 1941, it was decided to revert to the colour and markings as a means of identification for the time being. Since that time research work has been done which makes the nose printing of dogs an infallible means of identification.

Many people are acquainted with fingerprints. Also that fingerprints are a means of establishing positive identification because of the fact that no two prints are alike, and that they do not change from birth until decomposition takes place after death. This simplified method for the identification of people is of considerable importance both for civilian as well as for law-enforcement purposes, and is a recognized practice now in use throughout the civilized world. Dogs have become an integral part of the household of millions of families in cities, towns,

The pores of a dog's nose. No two are alike and can be distinguished by many different methods, i.e., shape—sequence—distance apart, number in an area, etc. The smallest clear portion can be read by an ordinary magnifying glass. This method is so simple that any person can print and read it.

villages and hamlets. Many of the dogs are pedigreed, others are mixtures of countless combinations of breeds. To the owner, however, a dog, pedigreed or otherwise, has intrinsic value, whether it be for breeding or sporting purposes, or because of its close attachment to a person or family.

It is, therefore, only natural that with the extensive use of dogs a positive means of identification is much desired, in fact, sorely needed. In this connection, John A. Dondero, Chemist and Scientific Director of Faurot, Inc., of New York City, a firm devoted to the advancement of identification technique, noseprinted hundreds of dogs of all ages, breeds and mix breeds. This research work covered several years and showed unmistakably that each noseprint is different and, like a fingerprint, does not change during the dog's life. A dog's nose is undoubtedly the most sensitive part of its body, and generally receives the least amount of abuse. Because of this fact it becomes an ideal medium as a focal point for positive identification. A superficial examination of a dog's nose reveals that the skin is uneven in texture. The sizes and even the shapes of the noses of different breeds vary appreciably. But, like a fingerprint, it is the details that enables one to distinguish whether two noseprints are the same or are different. When a dog's nose is viewed with a powerful magnifying glass it can be seen that the skin is made up of tiny islands surrounded by comparatively deep grooves or furrows. The central

part of each island is somewhat depressed though the depth never reaches that of the surrounding furrow. These islands form individual designs by means of which comparisons can be made for identification purposes.

Another achievement by Faurot, Inc. is their development of a clean method by which noseprints can be taken. It is known as the Faurot Inkless Method, which requires the use of an Inkless Pad and sensitized noseprint cards. The procedure is very simple. The nose is first touched with the Inkless Pad, then to the sensitized noseprint card. The contact will immediately produce a permanent black print which will not smudge. The nose remains perfectly clean, and the dog is at ease during the taking of the print, which requires but a few seconds. The Faurot Inkless Method is now used by hundreds of maternity hospitals throughout the country for foot printing of new-born babies to prevent mixups and for positive identification.

The importance of nose prints as the infallible method for the identification of dogs can best be judged by the large number of dogs that have been returned to their owners when nose prints have proved their identity.

So much for the Faurot inkless method. The cost of their inkless pad is quite reasonable and if only one or two dogs are to be nose printed it is not necessary for the breeder to acquire a large pad. A smaller pad, costing but a few cents, can be supplied which

Bulldog fanciers will regret to learn of the death of George Elgey, who bred and exhibited bulldogs for many years. A trip was taken to England with the hope that the climate might restore him to better health, but he returned to Canada so that he could be with his good friends for the short time he had to live.

The Airedale is coming back into popularity again, so it is with regret we hear that John Price of the famous Norcanada Kennels in Smithers, B.C., is being forced through failing health to give up his good dogs. The strain of keeping a large kennel of dogs in the pink of condition has become too much for Mr. Price in his advancing years.

While we are basking in the sunshine and the crocuses are beginning to bloom in Toronto, we feel sorry for our Western fanciers who are undergoing the rigours of winter such as we had learned to expect in Ontario. The snow remained in Ottawa, however, long enough for the Dog Derby race. At the time of going to press, five of the six Canadian entrants are leading their United States rivals. The race is run in thirty-mile heats and the only worry appears to be whether the snow will remain long enough for the heats to be completed.

Owners of Sporting dogs made their presence felt before the Federation of Anglers and Hunters of Ontario at a meeting held at Sudbury, recently. The Federation called The Sportsmen's Parliament represents one hundred thousand sportsmen in the Province of Ontario. The question before the house was a suggested banning of dogs for hunting deer. This would have forced hunters to stalk or still hunt deer, or use guides or hunters to flush the deer to waiting marksmen. A full dress

debate was held, and prominent amongst the defenders of the dogs was Dr. Alan Secord, well-known veterinarian and a Director of the Toronto Anglers' and Hunters' Association. Hundreds of telegrams were received from all parts of the Province, and practically every Sporting Dog club was represented. On a vote being taken, the dogs won overwhelmingly. It is a significant fact, and one to be proud of, that the only two who voted against the dogs were the mover and seconder of the motion. With such support, it is extremely doubtful if the value of dogs for hunting will ever be questioned again in the Province of Ontario.

Dog fanciers in Toronto, working with outstanding chemists, have developed a deodorizer and germ killing cleanser that appears to be an answer to many of our problems. Not only will it clear the animal, the Kennels and the house of doggie odours, but it will remove stains caused by dogs which are not completely house trained. The manufacturers do not state that this product will chase fleas away, but they do feel that it is effective against virulent organisms. An advertisement regarding this product is appearing in this issue of Dogs in Canada.

A well-known figure in the Canadian Kennel Club passed away recently in the person of Group Captain W. E. Baker. Group Captain Baker was a Director of the Canadian Kennel Club for three years—1946-1948 inclusive. As a member of the permanent Army and Air Force for thirty-three years, he travelled extensively and was well known from coast to coast. He was one of the original personnel of the R.C.A.F. Cairn Terriers were his favourite breed, and these were bred at Happyhill Kennels which were run under the guidance of Mrs. Mollie

Baker, his wife. At the time of his death, he was organizing an All Breed Club with plans for a Championship Show in the near future in his home town of Cobourg, Ontario. We hope that his wife and son, Tom, who are also members of the Canadian Kennel Club, will continue to carry on the good work.

In our summary of the major events at the shows in 1949 an error was made in the All Toy and Boston Terrier Association Show held on July 7th. The Reserve Best in Show was the Pekingese "Captain Tiny Mite of Honan", owned by Mrs. Lone Reynolds, of Seattle, Wash. We regret if any embarrassment was caused to Mrs. Reynolds through our error.

You can brush your dog's teeth with one of those new anti-decay pastes if you like, but a piece of raw meat or a succulent bone will do him more good, according to John Lewis, research director of Ammident, Inc. Lewis was not being facetious. He was answering a serious letter from the Flood Gate Kennels of Palmetto, Florida, about a well established practice with show dogs.

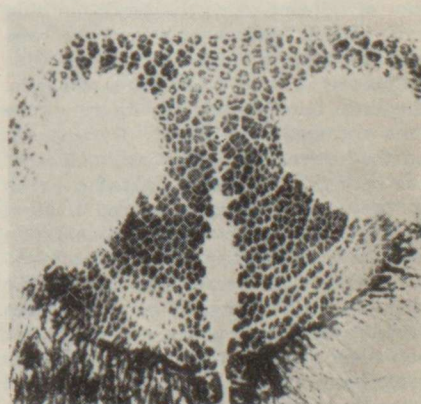

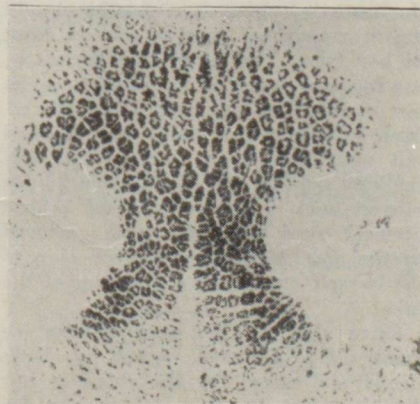

Dogs, according to Lewis, like all other animals with the one exception—homo sapiens or man—appear to be immune to tooth decay. Whether the reason is to be found in diet or in some still undiscovered factor, man alone has teeth that develop cavities. There is, therefore, little point in scrubbing your dog's teeth with an anti-decay dentifrice. He cleans them adequately himself when he chews on a bone—but, says Lewis, "if you must bedevil him with a tooth brush and you want to delight him with the flavor of your favorite dentifrice, Amm-i-dent probably won't hurt him."

will do at least ten prints. Another pad which is known as the "Wheel Ink Plate" will take clear prints indefinitely and the print can be applied to any type of paper without smudging. It is not necessary to have an experienced person read nose prints. It is quite possible to read and separate any print with ordinary eyesight, but should a controversy arise it is quite easy to determine one print from another by the use of an ordinary magnifying glass. It would be advisable however, for the members to determine a definite system to be used in order that all prints be clear and distinct and so make this method of identification as simple as possible.

Nose prints taken with ordinary ink. Note the grooves running through and around the pores. These grooves are as distinctly different as the pores themselves and can be read by ordinary eyesight. Puppies can be nose printed at any time after birth and the prints remain the same throughout their lifetime.

## "Scotty's" Paw Saves Woman

By Robert Tyre

"SCOTTY", a much-maligned nine-month-old collie with a bad reputation for knocking over the neighbors' garbage cans in Arnheim Place, was a hero Sunday (December 18) to the very people who were wont to view him with jaundiced eye and aver that "something's got to be done about that dog." Scotty is a hero because he saved the life of Mrs. Ray Johnson, 2609 Edgar Street (Regina), when that plucky woman imperilled her own life in a vain effort to save Linda Gayle Donaldson, two and one-half-year-old daughter of Mr. and Mrs. Ted Donaldson, 2607 Edgar Street, who perished in the waters of Wascana Creek last Thursday.

Scotty's heroic part in the lake tragedy only came to light Monday when Mrs. Johnson, home from the hospital where she was taken Thursday (December 15) suffering shock and frostbite, quietly recounted the details of her harrowing experience and disclosed the unsuspected role played by Scotty.

When Linda and her son, Calvin, who is not yet three, were missing Thursday morning, Mrs. Johnson set out in the direction of the creek to look for them. She found Calvin sitting half way up the high bank at the foot of Edgar Street; the boy's clothing was soaked with water and he was crying bitterly. Questioned by his mother as to the whereabouts of Linda, the little boy levelled his finger at the lake and said "out there". Darting out on to the treacherously thin surface of the lake, Mrs. Johnson sighted a break in the ice and something red floating in the open water. Aware that Linda was wearing a red snowsuit, Mrs. Johnson fairly flew across the intervening distance and dropped on her knees beside the open water to reach for the little girl. At that moment the ice gave way under her and she found herself standing neck deep in the numbing waters of the lake. Standing that way she was able to locate the body of the child and lift it out of the water to the ice.

Then Mrs. Johnson attempted to get out herself. A slight woman and none too robust, she tried to lift herself out of the water by gripping the thin crust of ice. But the brittle ice broke under her weight and repeated efforts to save herself grew weaker as the winter waters of the lake sapped her strength. Helpless, she tried to shout for help but the sound that issued from her lips was little more than a whisper. Then she saw Scotty.

She remembered seeing the black and white collie playing on the shore with her own dog Ginger, a small cocker spaniel, when she first reached the lake but she hadn't paid much attention to the dogs. But Scotty had followed her out on the ice and was standing a few feet away from the open water watching her struggles with a puzzled and intent look. "I remember putting out one hand to him and saying, 'My God, Scotty, please help me.'" The big collie's help was prompt. He bellied down on the ice and inched his way to the open water. Mrs. Johnson remembers that the dog lifted one paw and extended it to her as a human being would extend a helping hand, but in her panic and weakness she almost missed this life-saving gesture. Her mind failed to understand what the collie was telling her to do—take a grip on his paw.

With her strength ebbing fast, she was very close to losing her hold on the ice when her blurred eyes caught the movement of Scotty's paw in front of her face. The collie was brandishing his paw at her in an effort to make her realize that help was being offered. Mrs. Johnson got it then. She reached out and desperately gripped the extended paw. Then Scotty cautiously moved back a few inches and braced himself. And with one hand anchored to the dog, Mrs. Johnson was able to lift herself out of the icy waters of the lake.

Once she had her feet on the ice again, Mrs. Johnson picked up little Linda and raced for the shore in her dripping, fast-freezing clothes. On the bank of the lake she paused to pick up Calvin and with both children in her arms she ran across the empty stretch of ground that lies between the lake

and the first house on Edgar Street.

Near exhaustion, she was forced to put the boy down and run on with Linda in her arms. Her cries for help had gone unheard and she was at the door of the first house on Edgar Street before others came to her assistance.

Linda was rushed to the hospital where doctors worked in vain to restore life.

Mrs. Johnson said, simply, "Scotty saved my life."

There is a possibility that the intelligent collie, property of Mr. and Mrs. T. J. Thompson, 2602 Edgar Street, is a double hero. Contrary to first reports, young Calvin Johnson did not break through the ice after his mother reached the lake. The condition of the lad's clothes indicated that he had been in the water but somehow got out before his mother arrived, and the possibility is seen that his rescuer may also have been Scotty. It is known that the dog accompanied the children to the lake.

But if Scotty knows the answer to the mystery he had nothing to say about it Sunday. He was too busy pushing over garbage cans and perhaps wondering why the neighbors were viewing this bad behaviour with fond indulgence and not heaving the usual barrage of hard words and other things.

The amiable pet of three-year-old Angela Thompson comes from a line of famous dogs. He can claim kinship with the Martin sheep dogs of Maple Creek who have performed for crowds at Regina, Toronto, New York and other centres. Apprised of his dog's conduct, Mr. Thompson suggested to his wife that perhaps Scotty should get an extra helping of roast beef. Said Mrs. Thompson, "I suppose we'll have to let him sleep on the chesterfield now."

Just the same, the Thompsons are mighty proud of Scotty.

I HAVE fallen down badly in the last few months by not sending in a few notes so will try to make up for it in the future. Made a few trips to the Coast via Calgary. While there I visited Joe Fleming. If you ever visit him Joe is very obliging. He will drive you around and if you are good with a coin he will even buy your lunch. He is very unlucky. I spent three weeks at Vancouver before Christmas, so I had a chance to visit a few friends. I spent a pleasant evening with the Dawsons of BEADAW Kennels, also Vic Williams. To those who were not home when I called, a pleasant Hello. From the weather that has prevailed at the Coast has come Vancouver's new slogan, "Canada's Snow White Playground".

Among the latest to enter the canine circle in Northern Alberta are Mr. and Mrs. Lloyd Newcombe. They have started a kennel at Clyde, Alberta. Best of luck to you in your venture, Mr.

DESPITE the forty below weather, a goodly number of members of the Saskatoon Kennel Club and their friends turned out to a meeting in the King George Hotel on Jan. 20th, to hear Arthur Goddard give a talk on "How to Breed Pure-bred Dogs and Some Random Thoughts." Mr. Goddard gave us the benefit of his knowledge and experience of a great number of years. He used diagrams and charts to explain line-breeding and advised us to "make haste slowly". One member who can qualify as a long time breeder said it was the best talk on breeding that had been given in many years.

Friends of Ethel Hoard will sympathize with her in the death of Ch. Tequila Chiquita. This Chihuahua finished her championship on the Prairie Circuit last fall. Her loss will be felt greatly at Eclair Kennels.

Our new Director, Pat Randall, is right on the job and has already made her first tour of the province. Pat called the clan together in the Bessborough Hotel for her Saskatoon meeting on Jan. 21st. The meeting was well attended and several items of Club and doggy business were thoroughly discussed. The members in this area really seem to know what they want and our Director is not at a loss to know what action to take on the proposed rule changes and identification. Indications from the whole province are that members want this question cleared up promptly and have decided that there should be three methods allowed for identification: (1) Nose Printing for those who are able to perform this feat successfully, (2) Color Markings where they are suitable and permanent, and (3) Tattooing. Tattooing was by far the

hound to help find a lost child. It was the hound's first experience of real work and she did an excellent job. He says if you want a rough half hour, try running with a hound on a pitch black night down a ditch at the side of the railway!

In spite of all the trials and tribulations of moving, Mr. and Mrs. Poole are quite happy in their new surroundings, and if you should visit them this spring you will probably find them knee deep in pups.

I am very sorry to report the sudden death of Dr. Hugh James Tingely, B.V.S., who served the canines of Manitoba for the past 20 years. He was born in Rapid City, Manitoba, where he received his education. During World War I, he served with the R.C.A.M.C. Following his discharge, he attended Guelph Veterinary College where he received his D.V.S. degree. For some time he practised in Grenfell, Saskatchewan, moving to Winnipeg in 1929.

Now to sum things up for this time, here's a bit of choice advice we could all use some time. "Before you flare up at anyone's faults (and we all have them), count ten—ten of your own."

## Notes from the Province of Quebec

*By Pamela B. Black*

HELLO, everybody! Hope you and your dogs are all well, and that you have some nice spring litters on the way. This is such a good time to breed your bitches and have the puppies the right age to get outside and enjoy the good weather that will be coming soon.

We were all very disappointed to hear that the Annual Meeting had been postponed and hope it will not be for long. All the members are anxious to see the matter of identification, etc., cleared up and this year there seem so many important questions to bring up that we trust the meeting will be held soon and give us all a chance to get the answers.

By the time these notes are read Westminster will be over for another year, and I do hope the entries from Quebec will carry off some nice major

awards. Among t

Have had several letters recently  
from Mr. Blatch in Hull, who is so  
ably looking after his section of the  
province as a member of the Provincial  
Committee for Quebec and is always  
so ready to help any breeder or novice  
looking for advice or encouragement.

Welcome to a new breeder in our  
midst. Received a letter recently from  
Mr. Hamilton, of South Bolton, who  
is breeding Irish Terriers, and I under-  
stand has started with some very good  
stock. Good luck to you, Mr. Hamilton,  
and hope to hear that all goes well.

Was very sorry to hear of the death  
of Mrs. A. Hird, who had the Deveron

Many good dogs carry her bloodlines  
and some fine dogs came from her  
kennel.

Don't forget to start getting your  
dogs ready for the coming spring  
shows, which are not so far away. To  
have your dogs look and act their  
best, do give them a little ring training  
every day and get them in top con-  
dition in plenty of time, as this is one  
job that cannot be done overnight  
and certainly pays dividends in the  
ring for the time and attention you  
give your dogs now.

Hope to hear from you all soon.  
Don't forget to let me have any news  
you think would fit in this column  
and interest our readers. Good-bye  
for now and keep up the ring work  
and grooming to give your dogs their  
best chance at the shows.

outstanding specimen of his breed, which he proved when he took Winners Dogs at Madison Square Gardens last year. He finished his Canadian Championship at the Toronto Exhibition last fall, and only needed three points to complete his American Championship. His untimely death has not only dealt a great blow to the Willowdale Kennels, but also to the fancy in general. It is to be hoped that Mac will soon have another to take his place.

On the sunny side of the books is the news that the folks in Hull are getting more interested in pure-bred dogs all the time. The latest additions to the dog game around here are Mr. O. Coté, who has purchased a dandy little Toy Manchester from Mac McLean, and Mayor Moussette, who has secured a good Collie, particulars of which I'll give you later. Then Gene Decosse has commissioned this writer to secure hi ma young Collie male for his daughter, so there should be three new exhibitors at the forthcoming shows. In the meantime, let's all welcome Mr. Coté, Mayor Moussette and Gene Decosse into the good old dog game!

It has just been announced that the Hull & District Kennel Club will hold its first Sanction Show for 1950 on Sunday, February 19th, at the Fairmount Country Club, Hull. The judges will be Mrs. M. Girouard, Fred Coleman and Director J. J. Farmer. All being well, I shall be 'on deck' to get you some more news for the next issue.

And do you know that Olde Maestro of Airedaledom, Fred Coleman, passed his 73rd birthday, just recently, and is still going strong? He tells me he has another mighty good Airedale bitch coming along, but just how long it will remain in the Wrightville Kennels is a matter of conjecture. Like the other good ones, somebody will be along and kid him to sell it. Anyway, congratulations, Fred, and may you be with us to celebrate many more birthdays.

Next month I am going to have something to say about advertising in "DOGS IN CANADA", because I honestly believe if all the various clubs and their members in Canada follow

up the suggestion made by our Editor in a previous issue, something really

on the practical side, beneficial to all concerned, can be done to help build up a first class magazine at very little cost to each member monthly. Let's go!

Well, there it is for this issue, I'll be back again with the news while it's news—pretty soon! Cheerio for now!

### Maritime News

By Robert B. Laskey

THIS could be a trial balloon for a news column, depending how it serves our breeders and exhibitors.

A few months ago a Saint John daily newspaper showed a photo of a four-week-old Cocker that looked all white. The owner and copy writer alluded to this as an unusual colour. Many so-called white puppies are really cream, buff or golden, though they looked white the first two or three weeks.

The question of colour in very young puppies before registration is often a problem or considerable guess work, not only for the novice but also for the experienced breeder. One is penalized a dollar for each one of the litter if not registered before three months, sold or unsold, yet the breeder is asked to name the colour or colours, even though many breeds do not develop a true colour until six or nine months of age, and older. This not only applies to Cockers, but to several Toy breeds and Terrier varieties.

The Maritime outlook for 1950 is a bright one with plenty of Dog Shows for all breeds to meet the judges in or near their own home town. Breeding activities have been stepped up during the past two seasons, thus a lot of good home bred dogs and senior puppies will be shown.

While visiting Fredericton, I saw the new Polira Kennels of Paul C. Burden. These replaced his first kennels which were so disastrously destroyed by fire on January 13, 1949. The kennel house is of circular design with runs fanning out from the centre buildings making spacious runs.

These kennels are fortunate in that they have a full-time kennel maid and a roomy, up-to-date laboratory in the basement with provincial veter-

Canadian Terrier exhibitors, especially those in the Maritimes, will learn with keen regret of the sudden death of Miss Eleanor Brigham on January 1st, in Boston, Mass.

Miss Brigham visited or exhibited Scottish Terriers in New Brunswick, Nova Scotia and occasionally in Montreal and Toronto, for many years, in the company of her life-long and dear friend, Mrs. William Constable, also of Boston. As President of the New England Scottish Terrier Club, she was well known among the Scottish Terrier Breeders of the Eastern States and the Maritimes; also among the Schnauzer exhibitors and many other breeds. On two occasions when Mrs. Constable judged at C.K.C. Shows in New Brunswick, her friend, Miss Brigham, acted as an efficient and able Ring Steward. A gifted woman of genial, quiet manner with a knowledge of dogs and show experience, she made many friends among the fancy during the shows and after.

In her contributions to the New England Dog Magazine, she wrote very complimentarily of the Maritime dogs and their exhibitors. She will be long remembered for the advice and timely help she gave to youthful exhibitors here in the three provinces.

We extend our sympathy to Mrs. Constable in her loss of such a good companion.

At the Fredericton Kennel Club Annual Meeting, the newly elected officers were: Honorary President, Hon. J. B. McNair, New Brunswick Premier; President, Mr. Robert Little; Vice-President, Mr. James Campbell; Secretary, Mr. Allan Theriault; Treasurer, Mr. Vernon Saunders; Directors: Messrs. Melvin Moore and W. Laskey. The retiring President, Mrs. A. A. Rowan, gave a splendid report to the well attended meeting. The two Dog Shows of the past season each had a generous surplus after paying in full the balance due on the new benching purchased during 1948.

An echo of the Fredericton Kennel Club 1949 shows were the Season's Greetings cards. For those who were

## CLUB NOTES

### The Eastern Ontario Collie Club

*By Alma Harwood*

THE first Executive meeting of the Eastern Ontario Collie Club was held at the home of the Vice-President, Col. R. E. Denison, on Thursday evening. The entire new Executive body attended following the elections and are as follows: President, Alma M. Harwood; Vice-President, Col. R. E. Denison. These two offices were filled by acclamation. Returned by appointment, Secretary, Miss D. M. Pranschke, Directors by election: Mrs. R. A. Savage, Mrs. S. E. Carvish, Miss D. M. Pranschke, Col. P. A. Hannaford, Mrs. F. Fleming, Mrs. G. Macdonald. Director by appointment, Mrs. A. Sarazin.

The organization considered the forming of a Junior Group within the Club so that younger members could make known to the lecture classes the topics they would like to hear from adult lecturers. When fully formed, the Junior Group would have their own officers and meeting times set by their own schedule. It is planned to open their formation with a planned visit to Collie kennels and afterward an open fireplace and hotdogs with soft drinks. The Club's Vice-President will guide the group into its first steps for their organization.

Mrs. Sarazin is busily forming basic work for her work on the membership drive. The Club hopes to acquire more members than formerly and plans to hold interest at a top peak.

Mrs. Wilson outlined plans for the Annual dinner which has become an innovation each year. This year, on February 9th, the Club is officially two years old.

Collie promotion seems advanced this year. Whether or not the weather denotes its knowledge of the seasons it is very certain that spring will soon be here when the premium lists start reaching the hands of Collie owners.

Kennel Club, gigantic annual event. It is understood they top the one hundred mark. The Detroit Kennel Club, Inc., under whose roof the Collie Club of America are holding their Specialty this year, offers one of the most imposing prize lists that has ever been seen. According to all reports and personal correspondence received from our friends in Toronto their Specialty being held with the Guelph Kennel Club all breed should top last year's entry with the concentrated effort going into it from the Club officers and members. We will certainly assist this great Canadian Collie effort, as it is considered from this section that Canadian Collie efforts are in the right hands for the advancement of the breed.

The writer and Miss Pranschke had the pleasure of lunching with our two good friends recently, Mrs. R. Savage, and Mr. J. J. Farmer, C.K.C. Director. Food was quite secondary when the subject switched to Collie character and from that to head formation and eye placement. Synonymous with this comes to the writer's desk this morning the long discussed and highly concentrated work that has been done on the Collie Clarification Committee in reference to the Collie Standard. This document is now in the hands of Collie Club of America members for the official vote. Canadian consideration would be well centred on this work, not from the point of following the leader but from the advantageous point of concentrated study and comparison. Canadian Collie fanciers have said for years that the Standard isn't adequate, or it is worded badly, or it is too hard for the novice to understand. It is our very frank opinion that a great deal of our difficulty rests with the interpretation of this yardstick, not with the actual content of it. But to meet this need this committee has clarified and amended, point by point. As an overall comment on this work I am being conservative when I say it is one of the greatest steps that has been taken to promote and advance the breed. Breeders, who are after all the backbone of the Collie world, will have much to say in its favour.

By Florence Purves

IN place of the regular monthly meeting, The Guelph Kennel Club held their Annual Banquet on January 19th in the Windsor Room of the Royal Hotel. The head table was centred with pale mauve 'mums and decorated with the Club colours of royal purple and gold.

Chairman for the evening was our President, Mr. Earl Rudd. Guest speakers were Mr. W. J. Risewick, President of the Canadian Kennel Club, who was introduced by Mr. Douglas Riedel, 1st Vice-President, and Mr. E. L. A. Whitaker, of the Guelph Board of Trade, with his assistant, Prof. Dr. James Archibald, of the Ontario Veterinary College. Mr. W. James brought greetings from the Kitchener-Waterloo Club.

Mr. Bill McCart led community singing, and Mr. George Nuccolo supplied music throughout the evening. Guests were present from Stratford, Kitchener, Galt, Hespeler and Toronto.

## The Labrador Retriever Association of Ontario

By Jeanne White

THE annual election of officers of The Labrador Retriever Association of Ontario was held recently. Those who were elected for the year 1950 are as follows: President, Mr. Frank M. Fallis; 1st Vice-President, Mr. Robert Blyth; Secretary-Treasurer, Mr. W. Richard White; Advisory Committee, Mr. Howard Sale, Mrs. Jeanne White, Mr. Vincent Vaughan; Honorary Veterinarian, Dr. J. A. Campbell.

Although this Association was formed only a few months ago, we are already planning our first Specialty Show. This will take place at the Sportsmen's Show, Toronto, on March 24th and 25th in conjunction with The Sportsmen's Kennel Club. Our prize list is large and definitely worthwhile winning as it contains several expensive trophies. So, please enter as many Labradors as you possibly can. We are sure that you will enjoy yourselves at our Specialty Show.

We are pleased to announce that Mr. Amos Cowan, a Charter Member, recently sold his home-bred "Blackover Judy" (9 points to Canadian title), to an American fancier for a figure just under the \$1,000.00 mark. "Judy" can be seen at the Westminster Show. Mr. Vincent Vaughan, also a Charter Member, will be showing several of his Labradors, including one of his champions, at the same show.

Membership in The Labrador Retriever Association of Ontario is open to all owners in this country of at least one registered Labrador Retriever. We are vitally interested in conservation, Field Trials, Dog Shows, etc., and the general promotion and betterment of the breed. We feel we can offer many advantages to all owners of Labrador Retrievers, which today are one of the top-ranking breeds in the country.

Again may we say that we are hoping to see you and your Labradors at our Specialty Show in March.

# CHAMPIONS

**J. T. BROWN, Port Nelson, Ont.**

**"Finished" 3 Championships  
in 1949 — More coming!**

J. T. Brown of Port Nelson, Ont., first became interested in Springers when he lived in Nova Scotia. Now that he lives in Ontario, he has expanded his interest to include Cockers, and now has a kennel of 30, both breeds.

Last year he completed 3 championships. Mi Dawn of Hampton, winner in the Springer Specialty Show at Bronte in 1948, made her championship in four straight shows in 1949 . . . no defeats. And the two at the right "came through", too.

Mr. Brown has been breeding for 8 years, showing for 6 years, feeding Dog Chow for 2 years. He likes Dog Chow — and so do his dogs, in another sense of the word!

## Purina is Their Choice

Many top-ranking breeders, handlers and trainers endorse Purina Dog Chow. You may profitably take a tip from these men, for they insist on a ration that not only feeds well but feeds economically. They're shrewd businessmen — and when they choose Dog Chow it means something!

Make Purina your choice, too. You'll find it fills the bill for you in 4 ways: It's really nutritious. It's really palatable. It's really easy to feed. And it's really economical.

When you get all 4 of those advantages in one bag, you're getting a real feed!

## RALSTON PURINA COMPANY

**WOODSTOCK - TORONTO - MONTREAL**

(If you live in or near Toronto, phone Topnotch Kennels,  
New Toronto 181 J. 3)

Sim Loch Big Town,  
Canadian-bred Cocker . . .  
completed championship  
requirements in 1949. Isn't  
he a "shining" example  
of fine condition?

Ebony Ace of Hampton,  
imported Springer . . .  
another of Mr. Brown's  
champions. Second in  
Sporting Group at  
Winnipeg.

## FUTURE SHOW DOGS RAISED ON PURINA

The dogs to which Mr. Brown looks for future championships, and reputation, are all being raised on Purina Dog Chow. "They're shaping up to be the best in the kennel," he told us, "better than some raised on other feeds but brought to championship standing on Purina." If you meet Mr. Brown at the shows, or visit his kennel, have a chat with him about feeding for condition.

If you are a kennel owner, it will be to your advantage to find out about the Purina "Courtesy Card". Ask your Purina territory manager, or your dealer at his Store with the Checkerboard Sign.

**I**f you nourish  
Every Inch of  
me, with **GAINES**

Feed your dog *every*  
type of nourishment he  
needs! That means give  
him Gaines — fill his  
paws full of play and his  
heart full of happiness  
with a *balanced* diet.

**THIS MUCH NOURISHMENT in each pound of Gaines!**

for strength — *proteins* as in  
1½ lbs. beef.

for strong bones and teeth —  
*minerals* as in 1¾ lbs. cheese.

for energy — *carbohydrates* as  
in 1½ qts. cooked oatmeal.

for *vitality* — *iron* as in ¾ lb.  
beef liver.

for appearance — *fats* as in  
1 oz. butter.

Plenty of the MEAT MEAL dogs love!

For variety, give your dog GAINES KRUNCHON which is Gaines Meal compressed  
into tasty bite-sized pellets.
