## Our Cover

**Our front cover this month honours the Welsh Corgi Pembroke "Champion Kaydon's Happy Talk" bred and owned by Mrs. J. D. Duncan, the secretary of the Pembroke Welsh Corgi Club of America. Although this dog did not reach his second birthday until July of this year, he has a most formidable show record, having won three Best in Show all breeds, four Best American Breed in Show all breeds, eight Best in the Working Group, 31 placings in Group and sixty-three Best of Breeds in the United States. We are more than proud of this dog perhaps because his sire is the Canadian bred Int. Ch. Upperton Corncob. His dam is the famous Ch. Rozavel Miss Bobby Sox C.D., imported from England by Mrs. Duncan in 1948. At the time that Rozavel Miss Bobby Sox was imported she was bred to Rozavel Thumbs Up, one of England's most outstanding Corgis and from that mating came Ch. Kaydon's Santa Klaus. Mrs. Duncan's experience in Corgis, however, goes back many years. Her first Corgi was enlisted in the War Department Canine Corps in 1941. He was mascot of the Corps, in which he did commendable work. This small select kennel of Mrs. Duncan now totals nineteen Corgis, six of which are Champions and the other thirteen are their young puppies. In addition to the Best in Show all Breeds this year, Ch. Kaydon's Happy Talk had the distinction of winning Best of Breed at Morris & Essex under the renowned Corgi Specialty Judge Mrs. Davieson David Power of the Waseeka Kennels, who also gave him his first Best of Breed at the Westminster Kennel Club show in 1950 at the age of six months.**

# Is Your Dog Well Nourished?

*by M. I. Lowrie, B.V.S.C.*

MUCH confusion exists in the minds of many owners of sporting dogs as to what constitutes a satisfactory diet for their dogs. This, no doubt, has been brought about as a result of conflicting advertisements representing a great variety of dog food manufacturers who have the sportsmen somewhat bewildered as to what kind of food they should use in order to maintain their dogs in reasonably good health.

Fortunately for dog owners and especially those that are anxious to have their animals well nourished, there has been a lot of detailed research going on quite recently on canine nutrition. Dr. Clive M. McCay ,nutritionist from the department of animal husbandry, Cornell University, Ithaca, N.Y., has devoted considerable time and effort in conducting tests on a great variety of foods in order to determine their value as to nourishing different breeds of dogs. As a result of this extensive investigation, some surprising information has been revealed. Dr. McCay's book on "Nutrition of the Dog", gives complete detail of this work. It is interesting to learn that some foods in the past have been overrated as to their nutritional value, while others have more nourishment than was originally supposed.

The purpose of this discussion at this time is to point out to the outdoorsman the advantages and disadvantages of certain foods, in the hope that by the adjustment of feeding habits, the outdoor dog will be better nourished, have a greater resistance to disease and live longer. Many people feeding dogs have a misconception of what a dog should eat to maintain health. What we have to keep in mind is: dogs are somewhat similar to man in some respects. There are no two exactly alike as far as feeding is concerned. Experience has shown that two dogs, same breed, age, etc., and living under similar conditions, do not eat the same amount of food. Because one eats considerably more than the other, does not necessarily mean that there is something wrong. It simply indicates that one is easier kept than the other and both could be perfectly healthy. To take this further, size of dogs, breed, environment, etc., all play an important part in their food requirements. It is unreasonable to suppose that a small toy breed living in a heated apartment could be compared as far as food intake is concerned with a large setter dog that was kept for hunting purposes, which would naturally consume a much larger amount of food. Or could we hope to compare a racing dog on the tracks in sunny Florida with the food requirements of a small Boston terrier kept as a pet in a middle-class home.

One of the important points for the outdoorsman to keep in mind is: his dog is carniverous by nature. That is, a dog's digestive system can assimilate raw meat just as simply as man can cooked. As a matter of fact, your dog will derive greater benefit from meat when it is fed in its raw state. It may seem strange, but dogs will eat raw meat that is on the point of decomposing and they very often will relish it more than meat that is perfectly fresh. While it is true, many owners feed partially cooked meat and others cook it thoroughly before feeding which does no serious harm, but cooking does detract somewhat for a dog's taste.

Owners of hunting dogs who want the best results in feeding should concentrate on selecting foods that will give the greatest amount of energy and keep the dog in good condition. It is a well established scientific fact that there is a direct relationship between what a dog eats and the condition of its skin. This has been demonstrated in many cases of the different forms of eczema which is so common, especially in the hot weather. In treating and controlling eczema, a correction of the feeding habits bring some surprising results. Nutritionists have found that certain foods will cause a distinct erruption and acute inflammation in different parts of the body. It's only when the proper foods are provided, coupled with suitable local treatment do these cases clear up.

Many owners have become alarmed at the condition of their dog's eyes. The eye ball will often lack lustre and brightness which we now know to be the result of a faulty diet. This information has come as a result of investigations made quite recently on experimental animals. The eye ball becomes quite cloudy and often develops ulcers which frequently rupture and exude the contents of the eye ball down on the lower lid. Very often these cases cause total blindness in that eye. We now find that as soon as such symptoms appear, by stepping up the diet with such foods as: lean meat, pork liver ,and plenty of carrots, corn meal and canned tomatoes, are all excellent foods at this time. Even by feeding these items for only a few days, a marked improvement can be detected in the eyes and also the skin. By adding cod liver oil to the diet at this time is also helpful and will go a long way to bringing your dog back in good condition without the use of any drugs.

In spite of considerable discussion on other foods, meat is still quite important as an item of food for the dog. The cheaper cuts of beef should be an essential, as they provide some of the necessary proteins. Cheek meat from the beef head, the shirt or the muscular portion of the diaphram, and other small pieces of lean meat from the different parts of the beef carcass, provide an economical source of meat that will be a big help in providing the required proteins in a well balanced diet. To add variety to the dog's meals, the cheaper cuts oflamb and pork are desirable. these will relieve the monotony of beef at about equal cost or less. Flanks of lamb and trimmings off roasts are good and quite nourishing too. Small pieces of pork and bits of fat are relished by the outdoor dog and will contribute to a wholesome diet.

The carbohydrate requirements of dogs are along the same line as man. There are quite a few vegetables that the dog can utilize to advantage and they should be well cooked. Potatoes is one that it well digested by the dog and is good if not fed too often. Carrots supply a very necessary vitamin to the dog's diet and are nourishing too. Other vegetables can be eaten by the dog and should be mixed with pieces of meat and broth is desirable and adds flavour to a dog's meal.

In feeding bread to dogs, there is some difference of opinion as to whether this is good practice or not. Whole wheat bread is acceptable in small amounts and should be mixed with the meat and vegetables. They very often will eat it better this way and the average outdoor dog can consume a reeasonable amount, especially if they are getting considerable exercise in the wide open spaces. To make a dog's meal more appetizing, a little molasses spread over the other items of food adds a pleasant taste to the meal. Not only are molasses nourishing, but is considered one of the protective foods owing to its sugar content.

Cereal as part of a dog's diet has always been a controversial subject amongst owners of different breeds of dogs. According to the latest experimental work on them, they are worthy of a place in the diet. Oatmeal, cornmeal, and wheatine, are all excellent foods, but must be thoroughly cooked and are well digested if prepared in this manner. It is reported that oatmeal cooked into a mush, has always been a favourite food for sled dogs in the north country where nourishing food is a pretty important commodity. Toasted corn flakes, shredded wheat, also make good food for a dog. These cereals should be alternated to avoid monotony. Dusted with sugar and fresh milk all tend to make cereals more appealing to dogs and one would be surprised how they will clean up this class of food. Milk is also good, especially for growing dogs as it contains a certain amount of calcium which is always necessary in the diet. When your dog is thirsty, a bowl of fresh cool milk is good feeding practice.

It is only in the last few years that nutritionists have begun to realize the value of liver as a food and as one to feed dogs that are in a run down condition. At one time liver was discarded as it was considered practically worthless. It is now used as an important addition to the diet. There are two kinds of liver that are best adapted for dog feed. Pork liver is desirable as it is plentiful and quite economical to buy and is appetizing mixed with other meats and vegetables. Beef liver is also indicated in the dog's diet. Owing to the fact fresh liver contains considerable blood, this is possibly one of the reasons why it is indicated in anemia both in animals and man. For best results, it should be fed fresh and in a raw state.

Fat as a food for dogs, is definitely indicated. In conducting a series of experiments on dogs with a variety of fats, the nutritionists have arrived at some interesting conclusions. Beef and pork fat, also lard, are all useful protective foods for dogs. Many dogs are in a poor physical condition as a direct result of lack of fat in the diet. The dog that spends a lot of time in the outdoors, should be well supplied with fats. It is recommended that a half a pound of lard could be fed to mature dogs three times a week and it will

help to keep him in good condition. Beef fat is also quite helpful in keeping a dog well nourished. These fats, if fed reasonably, offer a protection against disease as they build up a substantial resistance to inefction. Dogs that receive a diet sufficient in fat, invariably have healthy pliable skin. This is, no doubt, derived from the oil in the fats which have a direct bearing on the condition of the skin. Anyone that is accustomed to feeding commercial canned dog food, will frequently find that this class of food should be supplemented with one of the fats. The reason for this is: that the manufacturer does not include much fat in his product, due to the fact that it has a tendency to go rancid.

There is one part of the dog's diet is often neglected by some owners and can be troublesome; that is the necessary minerals to balance the diet. This is probably more important in growing pups, but is also worthy of attention in mature dogs. It should be kept in mind, that the skeleton during the growing process can absorb a lot of minerals which should be supplied in the form of milk and bone meal. For young dogs up until they reach nine months of age or even older, should have plenty of these elements in their diet. There have been many young dogs that have developed rickets which is nothing short of softening of the bones and is always a direct result of a deficiency of minerals in the diet.

To be sure that a diet contains sufficient calcium and phosphorous, a practical method is to use the powdered bone meal and add plenty of milk which will supply these elements in sufficient quantities. In mature dogs, especially those of the outdoor class, a practical way of feeding minerals is to buy large beef bones at the packing house and they should be fresh. Or they are often available at your local butcher shop. Always select fresh large bones as they often have little bits of lean beef on them and will never cause choking or splinter such as we frequently find in chop bones or from the skeleton of a chicken or other fowl. The exercise the dog gets from gnawing at these bones is of definite benefit and helps to develop the teeth in growing dogs. A large bone thrown to a dog once a week is good feeding practice and your outdoor dog will look forward to this weekly treat.

The writer has listed a great variety of foods that are recommended to nourish dogs; they all have definite benefit and it's up to the owner to feed the amounts his dog will take without wasting any of them. There are a number to choose from and this will give the average owner a chance to change from time to time to avoid monotony and still give wholesome nourishing meals. It's quite natural that pups will be fed as a rule three times a day until they reach the adult stage. From then on, it's best to get your dog into the habit of one good meal a day as this practice has proven to be most satisfactory. They are generally hungry then and will clean up their dishes which gives a great deal of satisfaction to the owner. Just remember that a close study of the various foods is important and if fed intelligently will more than pay off in making you theh owner of a well nourished healthy dog.

## A Few Observations

*by William H. Pym*

DOG show days are right at hand never before have there been so many opportunities for exhibitors to render genuine community service by raising funds for charity purposes, as well as presenting their dogs before the public in open competition in a manner that will bring credit on the "Fancy" as a whole. It cannot be too often repeated that regardless of how serious we may take our dogs, or ourselves, we are still a very small-minority in any community and it behooves us to keep our best foot forward as those opposed to us are not the least bit backward in seeking legislation that would drive every dog from urban communities with excessive taxes, etc., so the following is written merely in the spirit of an exchange of ideas for what it may, or may not be worth. Cleanliness at a dog show is not secondary to even godliness-both are highly essential. Those who cannot provide cleanliness that insures the good health of the animals on exhibition, as well as the comfort of their patrons, have no place in modern dog show management.

The days of sawdust and straw, as well as obnoxious disinfectants are rapidly disappearing. Pleasing disinfectants can be procured if you are willing to pay a fair price for same. That "common exercising plot" outside the show building where proper sanitation cannot be maintained in any kind of weather, and where healthy dogs were exposed to the resultant filth and germs detrimental to the good health of every dog in the show, belongs to the dark ages.

We must have been a careless, if hardy lot, to have tolerated the old conditions so long. At the Vancouver Exhibition Dog Shows we have provided indoor exercising rings that are serviced by a special attendant after every use. We have separate rings for the males and females, with a special ring for the toy breeds. These rings are so handy that disgusting sights in the judging ring are practically eliminated in their entirity.

It should be understood that you cannot introduce such an innovation without opposition from the odd one you are trying to protect. An exhibitor does not take his dog to a dog show to romp and play, or to build muscle on the dog; nor has he a right to permit his dog to foul lawns and sidewalks adjacent to the show building. Our indoor exercising rings are merely a dignified place where your dog can attend to nature's calls without embarrassment to owner or patron. But these rings would not be very dignified if the walls surrounding same were not of sufficient height to obstruct all view from the outside. Let us take a look at the judging ring. If you entered a mercantile establishment you would find the finest articles offered for sale displayed under the most favourable conditions. When you go to a theatre you find that some one has taken great pains to create a pleasant atmosphere; so why ask the exhibitor, or the patron at a dog show to be enthusiastic about a makeshift judging ring. Great care should be exercised when planning the judging ring so that it will be serviceable as well as attractive.

The great majority of judging rings have a rail about three feet from the floor, just high enough to obstruct the view of many spectators, or a makeshift roped off affair. Both are wrong in principle and practice. An eighteen inch solid wall around the ring meets all of the requirements and it is a preventative against an all too prevalent practice of some on the other end of the leach who neglected to take their dog to the exercising ring before bringing him to the judging ring, permitting the animal to use a corner post as so often occurs.

How many times have your friends shuddered when the ring steward called out in a loud voice to bring in some bitch class? You know you do not want your infants to hear this word, so why use it, or tolerate it, when the word female is quite as expressive?

Before some one accuses me of becoming too genteel in connection with dog shows, I hasten to say that if the truth were told it would be admitted that the word "bitch" has driven more ladies and children away from dog shows than any other agency. Why do we make ourselves obnoxious to this vast group of potential exhibitors. Certainly I know that the word is used practically everywhere, and has been since 1856, but it still has not gained any glamour and this is 1951.

Place numbers are very necessary on the walls of the judging rings if the buyers of catalogues are to be given a sporting chance to keep up with the proceedings (blackboards notwithstanding).

Ring stewards are highly essential if carefully chosen. There are two kinds of ring stewards. First the competent lady or gentleman who assists the judge as the judge alone directs. Secondly, the type who are so busy "judging the show" himself that he hasn't the time to attend to his legitimate duties, avoid the latter at all costs.

In this modern age dog shows to be successful must be considered from a modified theatrical point of view. Novelties that are really entertaining can easily be worked into the proceedings. Even the usual Championship Parade can be glorified into an entertaining feature with customer appeal.

At the Vancouver Exhibition Dog Shows we elaborate on our Championship Parade. In addition to the rosette bearing the name of the indviidual dog, we also have a printed card bearing the name of the dog and owner, which is mounted on the pedestal and the whole is photographed.

Practically any breeder can quote pedigrees back to the misty past, but how many of these statisticians have even seen the likeness of the ancestors of their present day "Champions". By our method we have a complete photographic record of our shows for historical purposes. We intend to use these photographs for decorative purposes in our proposed new dog show building so that the exhibitors of ten, twenty or more years hence may view pictures of the great Champions which created dog show history, as well as their owners.

## Prevention of Canine Leptospirosis

*K. F. Meyer, M.D.*

George Williams Hooper Foundation
University of California
San Francisco

THE high rate of infection in dogs by a *Leptospira canicola* and the increasing number of cases of Canicola fever now being recognized in man make canine Leptospirosis a problem of importance to man as a victim of the disease and as an owner and lover of dogs. The knowledge of the means of protecting dogs against serious illness or loss of life through this infection is available, but has not been adequately used.

Leptospirae are shed in the urine of dogs during acute canicola fever, and for variable periods after recovery. An additional underestimated number of dogs act as symptomless carriers and shedders. Broom in England found that 10 of 13 dogs in the neighborhood of human patients with canicola fever were active shedders of leptospirae. This high incidence should serve as a warning that the infection may be shockingly widespread.

Diagnosis and hence treatment are usually delayed because the owner fails to consult a veterinarian and because diagnostic facilities are appallingly limited. When jaundice is present or the dog suffers from hemorrhagic gastroenteritis, chemotherapy with aureomycin and/or streptomycin, although valuable and effective in the early stages of the disease, often comes too late to prevent serious kidney damage and its sequelae. Hence the disease finds greater opportunity and necessity to shift to the alternative host—man himself.

Both the owner of dogs and the veterinarian should join hands in developing a program of prevention. Two steps may be taken: (1) Active immunization at annual intervals with a safe killed antigen vaccine as recommended by Broom and by Brunner and Meyer. Such a vaccine is being distributed by Burroughs Wellcome & Co., London (see Brit. Vet. J., p.i., December, 1950). American manufacturers of veterinary biologics have shown little enthusiasm for the marketing of such a product because of the dog owners' apparent lack of interest in active immunization against canine Leptospirosis. Certainly valuable dogs should not be bred or exposed to infection at shows without having had the benefit of immunization. (2) The next step to be taken, the elimination of carriers, requires laboratory facilities for pointing them out so that they may be treated. Since these are too frequently not available, it is sound preventive veterinary medicine to treat every dog prophylactically with aureomycin and/or streptomycin for three days after breeding or return from a kennel or show. This procedure—effective, but costly and inconvenient—will in time reduce the carrier reservoir in the dog population and thus the chances of infection.

The time is here for dog downers and their veterinary advisers to work out a preventive program against canine Leptospirosis and demand that a suitable vaccine be made available.

## Coming of the Cardigan Corgi

In the hills about old Bronant
  Ruins to this day remain
Of the ancient tawny Celtics
  Who invaded Wales domain
Centuries of untold courage
  Marked their trek to Britain's shore
  Til the tide of valiant warriors
  Conquered all within its core.

Great these people — and their culture
  Left its imprint on the land,
Added richly to its history,
  To the legends and command;
Gave a heritage of beauty—
  Gave a heritage of pride
To the Celtic Welsh descendants
  Who, in blood, are close allied.

But, the centuries slowly passing
  Forced their backs against the wall,
Found the conquerors the conquered—
  Saw their towns and cities fall.
Yet, their refuge was old Bronant
  And the mountains circling round
Still show traces of the breast-works
  On that gallant last-stand ground.

Love of beauty, pride and valor
  Were not all the Celts bestowed,
Many gifts they gave to mankind,
  And by far the most adored
Is the little guardian-canine
  Called the charming Corgi-dog
He, who shared his masters' hardships
  On the march cross plain and bog.

First, the warrior's loved companion
  And the guardian of his home—
Kept the flocks and careless children
  From their tendency to roam,
On occasion, was a hunter
  When his master bade him go—
Vied with any dog for courage
  Beating game and bringing low.
Centuries of toilsome duties
  Built the Corgi's rugged frame—
Tested strength, utmost devotion
  Added prestige to his name.
Stamina, supreme, was needed
  To endure cold, rain, and snow,
Pangs of hunger went unheeded
  With starvation at his door.

So, the Corgi came to Britain—
  Came the slow and workful way—
Earned the keep and prized devotion
  Of his warrior master's pay.
He partook of Celtic courage
  Was imbued with humor too—
He became so like his masters
  In his soul and spirit true.
Folk-lore tells us that the fairies
  Brought the Corgis to the hill
Bade them work and tend their duties
  Give the Welsh their faithful skill
But we won't believe this story
  Since we know it can't be true.
Cardigans are much too human
  To have sipped of fairy-brew!

Genevieve Anderson.

## Coming of the Pembroke Corgi

Would you know where Corgis came from?
How they came to live with mortals?

Harken to the ancient legend,
Harken to the story-teller.

On the mountains of the Welsh-land,
In its green and happy valleys,
Lived the peasant folk of old times,
Lived our fathers and grandfathers;
And they toiled and laboured greatly
With their cattle and the ploughing,
That their women might have plenty.
And their children journeyed daily
With the kine upon the mountain,
Seeing that they did not wander,
Did not come to any mischief,
While their fathers ploughed the valley
And their mothers made the cheese.

'Til one day they found two puppies,
Found them playing in a hollow,
Playing like a pair of fox-cubs.
Burnished gold their coat and colour,
Shining like a piece of satin—
Short and straight and thick their fore-legs,
And their heads were like a fox's
But their eyes were kind and gentle;
Long of body were these dwarf-dogs
And without a tail behind them.

Now the children stayed all day there,
And they learnt to love the dwarf-dogs,
Shared their bread and water with them,
Took them home with them at even.
Made a cosy basket for them,
Made them welcome in the kitchen,
Made them welcome in the homestead.

When the men came home at sunset,—
Saw them lying in the basket,
Heard the tale the children told them,
How they found them on the mountain
Found them playing in a hollow,—
They were filled with joy and wonder
Said it was a fairy present.
Was a present from the wee folk,
For their fathers told a legend
How the fairies kept some dwarf-dogs,
Called the Corgis,—fairy heelers;
Made them work the fairy cattle
Made them pull the fairy coaches,
Made them steeds for fairy riders,
Made them fairy children's playmates;
Kept them hidden in the mountains,
Kept them in the mountain's shadow
Lest the eye of mortal see one

Now the Corgis grew and prospered,
And the fairies' life was in them.
In the lightness of their movement,
In the quickness of their turning,
In their badness and their goodness
And they learnt to work for mortals,
Learnt to love their mortal masters,
Learnt to work their masters' cattle,
Learnt to play with mortal children.

Now in every vale and hamlet,
In the valleys and the mountains,
From the little town of Tenby,
By the Port of Milford Haven,
To St. David's Head and Fishguard,
In the valley of the Cleddau,
On the mountains of Preselly,
Lives the Pembrokeshire Welsh Corgi
Lives the Corgi with his master.

Should you doubt this ancient story,
Laugh and scoff and call it nonesense,
Look and see the saddle markings
Where the fairy warriors rode them,
(As they ride them still at mid-night,
On Midsummer's Eve at mid-night,
When we mortals all are sleeping.)

PEMBROKE

As in many breeds of dogs, the Welsh Corgi traces its ancestry to the ancient days of the Egyptians. Egyptology records that it was the duty of Anubis, Egyptian God of the Setting Sun to escort the spirits of the dead. The dogs depicted on the famous statue of Anubis are definitely Corgis and on the mural decorations of the tombs of Egypt the present day Corgi type can be clearly seen.

The earliest record of the breed in Wales appears in A.D. 900 when the great ruler named "Howell Dha" (sometimes called "Howell the Good" and "Great Law-Giver") drew up a code of laws giving value to the dog commensurable to that of a steer, thus rating the little cattle dog very highly.

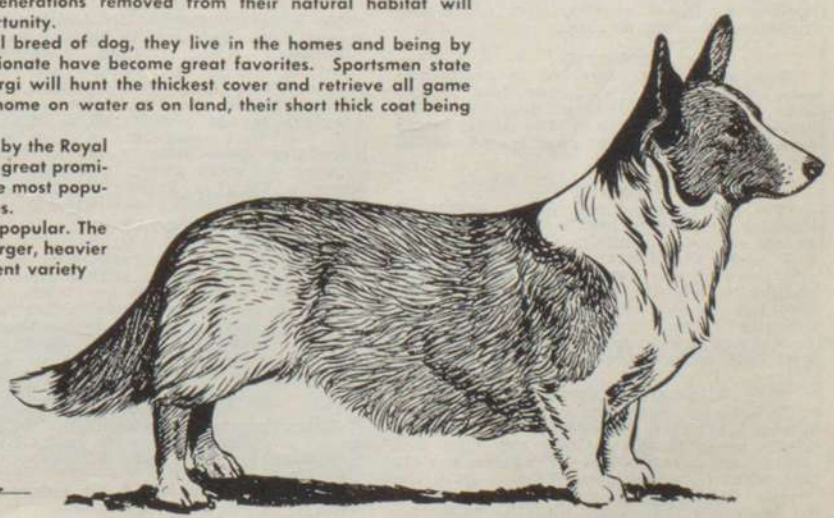

As is to be expected of such an ancient breed, the Corgi has played an important part in Welsh folklore and the stories are told of their gamboling with the fairies, and many superstitions and romances revolve about the breed.

It is as a herding dog that the breed has become distinctive. In the herding of cattle and ponies they have been most adept for many generations providing invaluable aid to the farmers. The herding instinct is so strong that even today the domestic pets which have been generations removed from their natural habitat will instinctively herd if given the opportunity.

As is natural with such a small breed of dog, they live in the homes and being by nature cheerful, obedient and affectionate have become great favorites. Sportsmen state that with very little training the Corgi will hunt the thickest cover and retrieve all game with speed. They are as much at home on water as on land, their short thick coat being ideal for this type of work.

Their adoption as personal pets by the Royal family in England brought them into great prominence until today they are one of the most popular breeds of dogs in the British Isles.

The Pembroke type is the most popular. The Cardigan type differs in that it is a larger, heavier dog with a long tail and of a different variety of colours.

## Description and Standard

Defined by Anne G. Biddlecombe

### GENERAL APPEARANCE

This is the new clause in the standard, and gives for the 1st time a sort of bird's eye view of the Corgi as a whole. The first sentence, 'Low set, strong, sturdily built, alert and active, giving an impression of substance and stamina in a small space, outlook bold, expression intelligent and workmanlike,' should be engraved on every breeder's brain.

The second sentence deals with action, described in much more detail than in the old standards. Bad action is nearly always the result of bad conformation; a sound typical Corgi, well constructed and well put together is bound to move well.

A Corgi should move with a fairly long free stride, a high stepping artion and short stride are not typical of the breed.

Faults are any tendency towards dishing or paddling, i.e., swinging the legs forwards, either ootwards or inwards, in a semi-circular movement instead of bringing them straight forward; moving too wide or too close either in front or behind; moving with the elbows stuck out at an angle to the body, or with the hocks turned in or out.

Movement should be free, with no tendency to being tied or stiff in the shoulder, and the hind feet should come well back and impart plenty of thrust.

### HEAD AND SKULL

The head is very fully described and needs little or no comment, except to explain that the stop is the depression between the eyebrows where the foreface joins the skull; a moderate amount of stop means that there should be a definite, but not exaggerated, drop in the line between skull and foreface. Faults in head are nearly all faults which tend to detract from the foxy expression, such as domed between the ears, too little stop, (giving a rather benevolent but plain appearance); filled out under the eyes (like a bull terrier) too long in foreface; too deep in stop and short in foreface (like a chow); or Roman nosed, too square in the muzzle, etc.

### EYES

A Pembroke's eyes are medium in size, a slightly too large eye being preferable to too small a one. They should be bright, kindly and intelligent. Large round, protruding eyes (pop eyes) and small button eyes are faulty. Colour medium hazel. This allows a fair range of colour. In a red or sable the colour should always blend with the colour of the coat. In a black and tan or tricolour the eye should be dark but a black eye is faulty. A too light eye is a bad fault and gives a rather staring and very unattractive expression.

### EARS

Medium sized, slightly pointed. What is wanted is something between the large rounded bat like ear and the small pointed kittenish ear both of which are faulty. The natural set of the ear should make an angle of 120° to 125° with the flat top of the skull. Other faults are ears set too low or too close together, soft or tipped ears. Soft ears are really bad fault and almost amount to a disqualification in the show ring.

### MOUTH

Here again the standard is very definite, undershot, (i.e. lower jaw longer than the upper one) or overshot, (i.e. upper jaw longer than the lower one) mouths are really bad faults and should not be tolerated.

### NECK

"Fairly" long may seem rather a sketchy definition, but luckily it is rare to see a good shouldered Corgi with a bad neck. The length should be roughly one third of the length of the body, and should be slightly arched to give a correct set to the head. A too short neck gives a rather stuffy appearance. Ewe necks and swan necks, fortunately met with but rarely, are abominations.

### FOREQUARTERS

To achieve soundness a Corgi must have a well laid sloping shoulder. The shoulder blade must lie flat along the ribs and should make an angle of approximately 90° with the upper arm. Viewed from the front, the forearm must curve slightly to fit round the chest, and the pasterns, i.e. that part of the leg immediately below the knee, should be straight.

Legs as straight as possible means literally as straight as soundness and the deep broad chest of a Corgi will permit. **It does not mean terrier straight.** The strong bone of a Corgi should go right down into his feet; no appreciable ankle is wanted, and the pastern, viewed this time from the side should be only very slightly sloping; a sloping pastern is a weakness.

Faults are a too straight or too sloping shoulder, a loaded, i.e. too heavy, shoulder; elbows that stick out instead of fitting neatly by the sides; too bent forearms, bent pasterns, etc.

### BODY

The broad deep chest of a Corgi is one of his main characteristics. He is not built for very great speeds but he is built for endurance and needs plenty of heart room. A narrow chest, no depth of brisket and flat ribs are all really bad faults. Body of medium length — here too is a characteristic that makes the Corgi different from most other breeds. A short-terrier like body is definitely a fault, nor do we want to go to the other extreme and have too long a body, which is a weakness.

Level top-line speaks for itself. A Corgi's back should run level from the base of his neck to the root of his tail. Dipping behind the shoulder is a sign of weakness; running up behind, and sloping quarters, as in the Alsatian, are faulty.

### HINDQUARTERS

Strong and flexible. This cannot be achieved without a well developed second thigh, i.e., that part of the hind leg immediately above the hock, slightly tapering. This means that in viewing the Corgi from behind, the quarters should be very slightly narrower than the shoulders, and, in moving, a sound dog should place his hind feet just, but only just, inside his front ones.

Tapering does not mean sloping quarters. Viewed from behind, the hocks should be straight and not too close together. Any tendency towards cow hocks, (hocks turned inwards) or barrell hocks (hocks turned outwards) is a bad fault.

Viewed from the side—provided the dog is standing square—that part of the leg immediately belo wthe hock should be only slightly sloping — almost straight. If it slopes too much the dogs feet will be carried too far under him and he will not be able to move with sufficient thrust.

### FEET

Although the wording of the present standard differs from the old "inclined to be lame footed," it is not with the intention of attempting in any way to alter the foot of the Corgi but rather to make a more exact description.

A hare can twist and turn more quickly than any other animal—largely due to the shape of its foot. A Corgi must be able to dodge and squat quickly and here again he needs help from his feet. It is anatomically impossible for a dog with strong bone carried right down into his feet to have a true hare foot, but he can have a tendency that way and "feet oval" seems to fit the description best.

A round hound foot or small cat foot should be faulted.

### TAIL

No penalty attaches to docking though we all hope one day to have a naturally bob-tailed breed. When docking one joint is enough to leave. Tail carriage is not defined in the standard and is immaterial in the Pembroke. A gay tail carriage is not a fault; it is the set of the tail that matters. A low set tail generally goes with a goose rump or sloping quarters and a too high set tail gives a Corgi a rather short unfinished appearance.

### COAT

A fair amount of latitude is at present permissible, but the coat must be dense and weather resisting, with a good undercoat, and neither silk nor wiry. A coat in good condition should carry a real gloss. A coat tending to be on the heavy side is preferable to too short a coat but a long soft collie coat or a very fluffy coat are really bad faults.

### COLOUR

There seems to be some confusion as to what Pembroke colours really are, and to what extent mismarkings should be penalized.

Red and fawn cover all colours from sandy, through red to mahogany. Sable is red with black shadings and should not be confused with brindle, a characteristic cardigan colour, giving an almost striped effect.

A black and tan is a black Corgi with tan markings on head, legs and feet. The tan can be little or much but the back should be black. Tricolour is a black and tan marked with white to the same extent as a red.

White markings are correct as set out in the standard. Quite how much white is difficult of exact definition, but roughly, legs, feet and underparts can be wholly or partly white, and white can run round the leg to form a collar; it should not come too high on the thighs. Some white on the head or foreface are permissible, but, except on the nose are not altogether desirable and large white patches on the head should not be encouraged.

Although mismarking is a fault rather than a disqualification, the exhibition of mismarked dogs should not be encouraged as sooner or later, if widely bred from, this mismarking will increase. It may be argued, with some truth, that a whitely bitch may never breed a whitely —but if whitely begin to occur several times in a pedigree, then the chances are that a percentage of puppies will carry too much white.

### WEIGHT AND SIZE

A good deal of latitude is allowed in the standard, and as far as possible show dogs in good condition should come within these limits. My own ideal is a dog weighing 13 to 24 lbs. and a bitch weighing 21 lbs. The ideal height at the shoulder is eleven inches.

### BALANCE

Having studied your Corgi point by point, you next come to looking at him as a whole. However point perfect a dog may be he is no good unless he has balance. The different parts of him must belong together and be in proportion one with another.

### QUALITY

For a 'flyer' one more thing is needful; that indefinable something known as "quality". The sign of good breeding, it gives that fineness of line that just makes all the difference.

## The Walley's Purchase A "Scottie"

THE dog shown on page 9 was purchased from Mr. R. H. McGill of Hurlford, Ayrshire, Scotland (the breeder owner) by Mr .H. L. Walley while overseas recently.

"Gauntlet" was whelped on August 6ht, 1948 and is described by some experienced judges and "Old Timers" in the British Isles as the best of the breed they have ever seen. His most notable win is BIS at Manchester, England Championship show on March 23/50 from a record entry of 6151.

We quote from the Dog World (Scottish Edition) of March 31/50 as follows:

"Walter Hunt, terrier man, horse man, judge of a Scottie, judge of a hackney, one of that old school of Manchester lievstock men whose ranks have thinned, "The best, my boy, I have seen in thirty years."

He is talking of a Scottie. He is talking of Glendoune Gauntlet, which he has seen win (as reported in this column last week) a second certificate at the Northern Counties Club show. "I will lay", declared Walter, "ten to one there is just nothing that can beat him, in the form he's in just now."

CH. GLENDOUNE GAUNTLET is just nineteen months old. His litter sister is also a champion. He is owned, and was bred by burly Bob McGill, of Hurlford, in Ayrshire. Gauntlet made us sit up when, as an eight-months pup, he went through to the ticket at Ayr last year under Alex Murray. An exuberant, long-headed youngster he was that day, but there were plenty, of course, of the "crabbit" ones to ask what the devil Murray was up to, giving certificates to babes just out of the nest. With the pup's coat on the blow soon afterwards, Bob McGill very wisely shoved him into cold storage, letting him mature, and gain in "gas" and timber, in the Hurlford countryside.

GAUNTLET'S succeeding tickets have been won under Bill Berry and Willie Crawford. As stepping-stone to best all breeds at Belle Vue, he had to defeat the Glasgow best in show, the Westie, Ch. Shiningcliff Simon. In the final line-up his closest rival was the heroine of the first day, Joe Braddon's Irish Setter bitch, Ch. Copelia of Ide, and to her, eventually went the Will T. Rylance cup for best opposite sex.

What a delight it was to see a dog as near perfection as any breeder may hope to attain. Mr. W. Crawford evidently endorsed this for he awarded Mr. McGill's Glendoune Gauntlet his third C. C. at Manchester Ch. show. This decision was emphatically endorsed by the three judges who acclaimed him best in show in an entry of over 6,000. His delightful temperament must have made him a joy for Mr. George Barr to handle. His other two certificates were won under Mr. Alex Murray at Ayr last year, and Mr. W. Berry at the northern Counties event last week."

This dog has proven "prepotent". Mr. Walley purchased him as an additional "stud force" in his kennel. "Gauntlet' will be shown when in proper condition. He will later be at public stud to approved females, and will be in the care of Mr. Ted Ward, Albany Kennels, Clarkson, Ontario.

# ATTENTION Show Officials and Exhibitors

Officials of clubs holding championship shows under the Dog Show Rules of The Canadian Kennel Club Inc. and judges and exhibitors at such shows are asked to note that in the printing of the Dog Show Rules identified as becoming effective on May 29th, 1951, an error was made in the printing of Section 2 of Chapter 17 (DISQUALIFICATIONS).

All those concerned are asked to note that Section 2 of Chapter 17 of the Dog Show Rules must be considered as reading as follows (instead of as set out in printed rules):

SECTION 2. A dog shall be disqualified from winning a prize, or from receiving one, if awarded, at any show (except as hereinafter provided) if it be proved to the Committee of the Show or the Directors of The Canadian Kennel Club as the case may be:

(a) If any cutting, except in Boxers, Bull Terriers, Bostons, Great Danes, Manchester Terriers, Schnauzers, Doberman Pinschers, piercing, breaking by force, or any kind of operation or act which destroys tissues of the ears or alters their natural formation or carriage, or shortens the tail or alters the natural formation, or colour of the dog, or any part thereof has been practised, or any other thing has been done calculated in the opinion of the Board of Directors to deceive, except in cases of necessary operation certified to the satisfaction of the Board of Directors. Dew claws may be removed in any breed, except where otherwise required by the breed standard, and shortening of the tails of dogs of the following breeds will not render them liable to disqualification: Airedales, Fox Terriers (wire), Fox Terriers (Smooth), Irish, Kerry Blue, Lakeland, Sealyham, Welsh and Yorkshire Terriers, Welsh Corgis, Spaniels (except Irish Water), Doberman Pinschers, Schnauzers, Old English Sheepdogs, Poodles, Toy Spaniels, Schipperkes, Griffons (Brussels), and such other breeds as the Board of Directors may from time to time determine.

(b) The lining membranes of the mouth, or tongue have been cut or mutilated in any way.

## B.C. Mainland News

*by Jean Fletcher*

BACK to the old grind after a wonderful holiday but good to get home again and find everything shipshape. Had Kurt with us and its funny how a little guy like him can make friends and the number of people you met who are interested in dogs, makes you realize its a small world after all.

At Long Beach, Calif., show Bob Carrier's German Shorthair Can. Ch. Acquilla Lucky won best of breed over an entry of twenty-seven, this puts Lucky almost over the top for the American title.

The sympathy of all fanciers is extended to Bill Dawson well-known handler in the loss of his wife, Beaulah, Bill is terribly broken up, we hope time will help to heal the heartache and that he will be back with us again soon.

At Vancouver, Wash., show Miss W. Dorchester took top honours with her German Shepherd Doctor of Longworth in a large entry. Sorry to hear that Agnes Wilkie, of Victoria, has been seriously ill in hospital, she wishes to thank her many friends for their cards and good wishes. Sorry also to report that Jimmy Woodend, formerly of Winnipeg, is also in Royal Jubilee hospital, his friends in Manitoba will be interested.

Elsie Murray tells me her son Jim was married July 14th to Marjorie Jones. Jack Smith gave her away and Betty Smyth was bridesmaid. Best man was Don Brown, son of Tommy Brown, Sec., B.C. Gun Dog Club. Both Jim and Don are on the Field Trial Committee.

Three more Best in Show awards to Eileen McEachren's Kerries, two at Regina with "Am. Ch. Miss Show Off Cognewaugh" and at Renton, Wash., Am. & Can. Ch. Michael of Som'set Jr. took the nod for Best in Show.

Eileen McEachren must have a bad influence on her friends while Mavis Walker was staying with her to help through a siege of toothache she tripped over Michael and broke her leg now Eileen is looking after her.

Mr. and Mrs. Reg. D. Bristowe are the very proud owners and importers of the sensationally known and shown Wire Haired Terrier English Champion Casfala Copyright who flew from England landing in the pink of condition. Ch. Casfala Copyright came from Mr. Frank Hughes' well-known Casfala Kennels, Natts, England.

His sire is Hotel Traveller, his dam Cawthorne Copyright. Not only is he a Champion but has Champion sons and daughter.

In a recent litter of Dachsee's at the Bristowes is a grey and tan puppy, although this color is very seldom seen and very odd there has been several bred in U.S. in fact, a Kennel in the Mid States specializes in it.

Sorry to learn that Clyde Ritchie is seriously ill at her Kelowna home and we wish her a speedy recovery.

Ena and Tom Stuart are the proud parents of a fine baby boy.

His sire is the famous Best in Show winner, Int. Ch. Frejax Royal Salute, and his dam Lambeth Dubonnet.**

## Alberta Kennel Club News

*by Marion R. Morris*

OUR energetic President, Mrs. Ida Garfin, has been heard to say—that as the Summer Holiday Season is drawing to a close, she trusts each and every member of the club, has enjoyed a change and rest, in some beautiful, sunny, part of the continent and are now back "Full of Pep" to support their Club for the oncoming Fall Show Sept. 5th and 6th. Ida Garfin is an inspiring President, and puts forth untold energy, and efforts, to make the Club a success. As the Fall Show is the only show in the Province of Alberta this Fall, please do not fail your untiring President! Enter all your Dogs and LET'S GO OVER THE TOP! Mr. and Mrs. Jack Brooks; Mr. and Mrs. James Gray; Mr. and Mrs. R. B. Curran, had a very successful trip to Great Falls Dog Show. Jack reports some very thrilling wins. The Curran Boxer "Boss" (Reg. Malabar's Bondsman) came out of the ring—Second Best Boxer in an entry of Fifteen. Jack Brook's own Wirehair (female) went Res. Best in Show. His own Brace of Wirehairs (1 male & 1 female) went "Best Brace in Show" against an approximate entry of 25 Braces. Miss Agnes Hammond's (Canadian Champion Dachshund) also shared top Honors by taking "Winners Female" in a very large entry. Apart from the "Wins' the folks all say they enjoyed their trip and were Royally received by our "Good Friends South of the Border. Our Secretary and Show Superintendent, Mr. and Mrs. Stan Somerville, have returned from a happy holiday on the West Coast. They visited many of our well known Canadian Kennels and also Mrs. Lillian Miller's beautiful Collie Kennel in Seattle, Wash. As you all know—Collie's are their weakness . . . We are pleased and happy, that you had such a nice trip Dot., You have worked hard for the club and given a tremen dous amount to time and energy to your position as Secretary. Mr. and Mrs. Somerville also attended the Jantzen Beach Boxer Specialty Show in Washington. This show was judged by Bob Waters who will be one of our Judges this Fall. Mr. W. W. Pratt, one of our oldest and most helpful members, has not been in the best of Health for some time, however, we are glad to say — Bill had a grand trip and rest in Vancouver and Victoria, where the climate really agrees with him. He is much improved, and we hope his better health will continue on. Our Treasurer, Marion R. Morris and Husband, have returned safely from a very interesting trip East, having spent considerable time in Detroit, Toronto and other points East. While in Toronto, they had the pleasure of a delightful visit in the home of Mrs. Ellen Brown. Mrs. Brown is the Mother of Norman F. Brown our C.K.C. Secretary-Treasurer, and she is also the First Lady to be appointed on the Board of Directors for the C.K.C. She also owns and operates the largest "Schipperke" Kennel in Canada. You can imagine what this did to Marion!!! as to her — there is only one dog in the world — "A Schipperke". We extend our Best Wishes for Good Luck and Good Health to SUCH A DOG LOVER as Mrs. Brown. Mr. & Mrs. Harry Fawcett have been holidaying in the Western States. Margaret is one of our very Hard Workers, and has been in the club many years. They visited a number of the larger centres such as San Francisco, Los Angeles, and Mexico. We are pleased to learn that the change has helped you Margaret, and that you both had such a grand trip. Mrs. Dave Johnston is back home after a 3 months holiday to Auburn, Wash. where she welcomed her First and Only Grandson into the World. Her Grandson is the "son and Heir" of Mr. and Mrs. Bob Wilson. Mr. and Mrs. Win Cook are now living in Vernon, B.C. Mr. Cook doing his bit for the Army. We miss their help and ardent support. We are looking forward to their return. Word has been received that Mr. Albert Hoving was in a car accident and was in the High River Hospital. We understand he is improved and well on the way to recovery again. He is a hard working collector. Our kind thoughts are extended to Mrs. Kay Yardley, our Social Convenor, re the severe illness of her Father. We are all hoping for the Best, Kay. The Executive, and Members of the Club, wish to extend their Deepest Sympathy to Mr. Bill Dawson, in the loss of his wife, Buelah Dawson, who passed away very suddenly last month. We realize that there are a great number of our members who have been holidaying, and whom we have not heard from as yet, we will hope to catch you in our next issue.

MEMBERS of the Fort Garry Kennel Club are "deep in the heart" of another All Breed Championship dog show. This will be held in the Civic Caledonian Rink again, two separate shows on Oct. 16th and 17th. This is an opportunity for you to pick up those needed points to complete another championship title. We anticipate seeing our friends from East and West also those from across the line once again. Send in your entries and help us make this show a success, too. Your support was very much appreciated at the last show in June.

Harold Bentley, one of our well known old time dog fanciers died on August 8th at the age of 68. He was affiliated with the Masons and also was President of the Greater Winnipeg Kennel Club before it became a ladies' club a short while ago.

Mr. Bentley's interest in dogs spread over a variety of breeds. He has owned Bostons, Airedales, Wire haired Fox Terriers; importing from England 7 Pomeranians and 2 Pekingese. One of his Poms, some of you will remember "Ch. Elnor Mite" placed Best in Show several times and was later sold to a party in St. Louis. Mr. Bently has done extensive judging in his time. We of dogdom offer our deepest sympathy and condolences to his wife Mrs. Clara Bentley and his two daughters, Mrs. Fred Haldane and Mrs. Florence Black.

News is scarce this month, most people holidaying, some taking in dog shows—I should have some interesting items for our next issue. I think our editor deserves a vote of thanks for being so generous with space for our column. Don't you think we could reciprocate with the odd ad by way of appreciation?

## Maritime Notes

IN the closing days of June, fanciers in the Maritimes, were saddened by the news of the passing of one, of whom it is safe to say, was the oldest breeder and active exhibitor in New Brunswick, in fact it would be safe to say, in the Maritimes if not in the whole of Canada, not only was he the oldest in years, but it is equally safe to say in experience as well. Ralph Preston, who passed away in Saint John, N.B. at the ripe old age of 87 years, was born in the city of Derby, Eng. and came to this country more than half a century ago, and settled in Saint John N.B. and has been a beloved and familiar figure in all "doggy" activities during that time, he owned nad operated a successful variety Kennel, the "Glen Falls Kennel on the outskirts of the city. From his earliest years, until he came out to this country, he was employed in the famous "of Notts" Kennel, owned and operated by Her Grace the Duchess of Newcastle, this kennel was on the estate of the Duke, situated in that part of Nottinghamshire known as "The Dukeries," hence the origin of the Prefix "of Notts, which was, and still is, famous throughout the world, more than half a century ago the Wire and the Smooth Fox Terriers, and The Borzois bred by the Duchess became famous, and looking over some old records I note where she won the Crystal Palace Show in 1900, with "Cracker of Notts", and I also note that early this year, fifty years after, this grand old lady, was judging her favourite breed at a Championship Show in Britain. With a wealth of experience, gained in this school, Ralph came to Canada and established his Kennel, he then imported direct from some of the top breeders in England several top-ranking dog, perhaps the most outstanding of these was a bitch out of a Cruft's Champion "Wyche Wondrous" which he called "Wyche Wicket", this bitch was considered by many to be the best bitch ever to come to a New Brunswick owner, but unfortunately she died shortly after reaching Canada, this was a tragic loss to a man in Ralphs position, but did he give up? NO!! indeed, he afterwards imported more outstanding Terriers, Ch. Epping Edict and Calyx Caree, outstanding Dogs that left their mark on the breed in the Maritimes, while "Right Away of Glen Falls" and "Glen Falls Balboa" of his own breeding were big winners in the Maritimes. Ralph was a very fine character, and many are the N.B. Fanciers who have him to thank for putting their faltering footsteps on the right path when first they broke into the Dog game. He was known throughout the Maritimes for his kindness and good sportsmanship, his skill in preparing a Terrier for the Show Ring his general expert knowledge and canine "know how" were ever available to the Novice, and his wealth of anecdote made him a most charming man to know and talk to. I am sure that I voice the sentiments of

the whole of the Maritime Fancy when I tender to his daughter and his four sons ,our most sincere sympathy, and in bidding farewell to this grand old character, I am reminded of a quotation from one of the odes of Horace which I feel that Ralph might very well have applied to himself, it reads: "Non omnis moriar"—"I shall never wholly die."

It was with great pleasure that in mid July we hung out the welcome mat for Mrs. "Mike" Andrews on her return from a trip to the old Country, as we predicted, during a hectic five weeks during which she visited many Kennel finally securing from the "Caversham" Kennels of Miss I. M. de Plage and Mrs. J. L. Lunham, a brace of Pekingese puppies of most outstanding blood-lines, that should be a great acquisition to the breed in these Maritime provinces. "There is an eleven months old dog that is really bred in the purple, for he has as his Grand-sire, that wonder dog, Ch. Ku-Ch. Ku-chi, of "Caversham" who has garnered 32 Challenge Certificates, under 31 different Judges, he has already sired two British Champions and also two Swedish ones, and he also has the unique record of, on two consecutive years been one of the final four dogs in the Ring for the Best of all Breeds in Show, at Cruft's, he is called "Wi-ku of Caversham" his sire is Kuki-Kuki of Cavershame, and the best "Caversham" blood runs all through his pedigree, and we feel that we can confidently predict great things of him in the coming years. His stable-mate is "Scylla of Caversham", she is seven months old, Red with white markings, her pedigree too is rich in "Caversham" blood and she is definitely full of promise. We congratulate Mrs. Andrews on acquiring such outstanding stock and also upon her enterprise in bringing to Canada dogs of such high calibre, and we have every reason to hope that, when the time comes for a mating of these two animals, the resultant litters, will be true to Caversham tradition, potential champions all."

"The Hoopers" (Harold & Mary) the owners of the "Atlantis" Kennels of Smooth Dachshunds in Halifax, are receiving the sympathy of their many friends, upon the loss they have sustained by the untimely death of their champion home-bred Stud-dog, Ch, George Von Atlantis at the comparatively early age of four years, he died of some obscure kidney ailment, and

after a short illness and despite devoted nursing one of the finest Dachshunds ever to be bred in the Maritimes went to the happy hunting grounds. This top ranking Black and Tan Hound, left behind him a most distinguished record in the Show Ring, shown fearlessly during the past two and a half years, he had to his credit 21 times best of breed, 9 times Best Hound, he has always placed within the first three in his Group. Shown in the U.S.A. at two Shows he was placed Best of winners, and over four of the five American Champions, that were entered for Specials Only and it was said of him by many experts that he was the finest moving Hound they had ever seen. There is however, a gleam of sunshine shining through this dark cloud, for he has left behind, a most promising litter of 5 males and two females, it is to be hoped that these sons and daughters will inherit many of the attributes of their illustrious Sire.

Again, may I beg of you to send me your news and to all my readers "Bye for now"

Cheerio and all the Best.

## Montreal Dog Fanciers Club

*by A. Greenwood*

ARRANGEMENTS for the Club's first Championship Show in November are being worked into shape at frequent meetings of the Club Directors, and hopes are high for a successful event. It has been decided that an Obedience Section will be added to the programme and arrangements are in hand for this.

There has been an alteration in the judging appointments since my last notes appeared, due to the withdrawal from acceptance of the appointment by Mr. J. Sheehan. It has not yet been decided whether another All Breed judge will be appointed. It is possible that Mr. Collins and myself will share the groups originally allotted to Mr. Sheehan, with possibly a couple of "Specialist" judges to help out. By the time these notes are read, definite decisions will probably have been made.

## The Irish Setter Club of Canada

*by Elizabeth W. Svanefelt*

JUST a brief note at this time. I wonder if all you Irish Setter Breeders and Fanciers are just as busy as we are trying to get in the last minute training and ready for those "V.I.D.s" (Very Important Days). Of course, you know I am referring to the Specialty Show on August 31st and September 1st.

Our poor dogs are beginning to wonder whether we are really O.K. However, they tag along very agreeably. But, oh, if they could only speak.

Seriously speaking though, all our plans are coming along very nicely, and we are looking forward to seeing you all at the show.

Please remember the Picnic on September 2nd. Details and directions will be given you at the show.

Congratulations to "Rusty of Erin" on obtaining his Championship. I am sure Mr. J. Royston is proud of this feat.

The Best of Luck to you all—see you next month.

## Oakville & District Kennel Club

PLANS for the forthcoming Show are now well under way. This will be the first show held in the Oakville District since 1934, so every effort is being made to make it the outstanding show of the season. In addition to the All Breed judging, three Specialty Clubs are going to consider the classes at this Show as their Specialty Show. They are: the Chow Chow Club of Canada, the Miniature Schnauzer Club of Ontario and the Boston Terrier Breeders Association of Canada.

The show will be held in the magnificent new arena, which has ample room for the benching, judging rings and grooming. As the dogs are in the peak of their condition in October, it is expected that an entry of at least five hundred dogs will compete.

Exhibitors are reminded that the entries must be in as advertised in this issue in order that proper arrangements can be made for the Show.

## The Boston Terrier Club of Hamilton

*by The Ducketts*

THE Boston Terrier Club of Hamilton held their 2nd All-Age Puppy Match, on Saturday, July 21st, and as is becoming a habit with this wide-awake Club, it was again a great success.

We were very pleased with the number of folks who attended, and also the number of puppies that were entered. Our first All Age Puppy Match on May 9th, was such a splendid success, that this time we extended an open invitation to The Boston Terrier Club of Toronto, and also to The Boston Breeders of Canada, (also of Toronto), to come along, and bring their puppies too.

There were approximately 100 to 125 people in attendance, and around 30 very high-quality puppies. The Judge of the Match was the highly-respected Mr. Frank P. Walsh, of Rochester, N.Y., who really made a dandy job of his various placings, and everybody seemed to be very well pleased with his decisions. We had good prizes for 1st, 2nd, and 3rd, in every class, and we know that everybody who attended had a really enjoyable time. No doubt there would have been many more people attend, and many more puppies entered, but for the fact that the Match was scheduled to be an outdoor affair, followed by a Weiner Roast, and it was distinctly understood that in the case of rain, that the Match would be automatically cancelled until further notice. All day the weather was very threatening, the skies were dark, and even tho' the sun did try to peek through now and again, the rain finally won out. So we know many more would have attended if it hadn't been for this. However, it was held indoors, and after the Match we adjourned to the fine Beach home of one of our Members, where a very nice lunch was served and we had a little get-together party, which was very much enjoyed by all.

## PRESIDENT'S REPORT

THE Auditor's Financial statements dated June 30th last as published in this issue of "Dogs in Canada" represent the Club's book position at the end of the first six months of this year. We endeavour, as follows, to enlarge the picture by supplying additional information on some items and a comparison of results with the same period of last year. We also make some attempt to forecast possibilities in the last half of the year.

### FINANCIAL POSITION

Operating Profit June 30/51—$2,921.54.

Operating Loss June 30/50—$2,788.23.

This shows an operating improvement of $5,709.77 this year in comparison with same period of last year. Our costs at Ottawa have been checked with the Records Office there, to the extent feasible. It would seem that we have overpaid on our monthly assessment to the extent of approximately $2,000.00. It was considered inadvisable to show this figure in the June 30/51 statement as our position in this may change before the end of the year. If we include this apparent credit at Ottawa, our operating profit for the first six months ending June 30th last would read $4,921.54. Our Investment and Bank Loan position is the same as on December 31/50. In view of the Federal restriction of credit, it is considered advisable that the Bank Loan remain as is, for the present. Reserve for Doubtful Accounts, approximately the same as on December 31/50 and appears ample. Allowed depreciation on Fixed Assets for the period has been properly absorbed.

### REVENUE

The income at Ottawa shows an increase of $2,917.25 over the same period last year. The first six months of last year received benefit from Recording Fees to the extent of $616.75 only. Sale of identification material did not come into the picture during the first half of last year. Date fees and Listings show an increase of $517.25 over the period, and represents largely Listing fees. Evidently a much greater number of dogs exhibited this year than last. Income from Bonds is $110.00 less than for the same period last year. The reinvestment that took place in 1950 was at a lower rate of interest than formerly.

### EXPENDITURES

The $11,100.00 is the amount we have paid Ottawa for the period under our set assessment. We estimate our cost as $9,156.74, an apparent credit of about $2,000.00 at the half way point in the year. The salaries exceed those of last year for the same period by $295.95. Cost of publishing official business exceeds the period last year by $127.48. The cost of extra copies of the magazine exceeds the cost for this purpose in 1950 by $93.77. Rent, Light, Telephone, $89.12 less. Travelling Expenses $634.82 less. Office Supplies and Stationery $134.60 more. Printing $466.03 more. This is largely accounted for by cost of printing new By-Laws and Dog Show Rules which did not take place in 1950. Stenographers Report Annual Meetings $153.10 more. Purchase of Identification Materials $191.10 more. Interest on Bank Loan $80.60 more. This is accountable to increase in Bank Loan about half way through 1950. Maintenance Supplies $161.45 less. Directors Expenses (for postage, telegrams, etc.) $166.05 more. This amount accrued in 1950 and not rendered until this year. Press Clipping $5.00 more. This service now discontinued. Postage, Audit Fees, Legal Fees, Telegraphs, Insurance, Addressograph Plates, Exchange and Interest and General Expenses, approximately the same as for this period last year.

### DOGS IN CANADA

The Revenue from advertising shows an increase of $519.86 over the same period in 1950. The other items of Revenue total approximately the same amount as last yeat.

In expenditures, salaries were $145.90 more. Printing costs $309.31 more. The other items of expense total about the same figure as in 1950. The extent to which the magazine is subsidized from General Funds, is made clear in the Published Statement. On the same basis the Magazine showed a profit of $891.21 on June 30/50.

### GENERAL COMMENT

The Club's financial position on June 30th last is encouraging. We should not be too optimistic in regard to what the year end results may be. This can be better judged when we have the Auditors Statements for Sept. 30th next. Our vital source of revenue is from Registrations, Transfers, etc. and depends entirely on the activity of our people in pure bred dogs. I am somewhat optimistic that this means of revenue may hold up better than it usually does during the latter half of the year. This possibility is based on the record number of Shows that will be held this year and the material increase in Listing Fees during the first six months. The report for the month of July lends encouragement to this probability. Income from Recording Fees should hold up reasonably well as we have a large number of shows in the last half of the year and several of them with usually heavier entries. Our membership

number on June 30/51 was 231 less than on June 30/50. We are unable to forecast what the total or income from this source may be by Dec. 31st next. There will be some benefit at least, from the increase of $1.00 in fees. There may be some recession in the other less material avenues of revenue, during the last half of the year.

In regard to expenditure in the last half, totalwise, this may be somewhat less, as we have absorbed in the first half the quite heavy cost of the Annual Meetings in March last, printing the new By-Laws and Dog Show Rules, and the sum of $482.22 for extra copies of March 1st issue of Dogs in Canada. The President is responsible for the Dec. 31/50 mailing list being continued to include the March issue. I felt this might additionally encourage renewals. Whether it had any beneficial effect in this way, we do not know. We suggest in future, our November, December and January issues carry a notice that the March 1st issue of the magazine will be sent to those only that appear as members on February 15th. There has been some discussion relative to this item of cost for the extra March issues appearing in part in the Dogs in Canada Statement. I do not consider this a matter of importance as we subsidize the magazine picture anyway. Our office rental will be $600.00 less for the last half of the year. Our printing costs will be considerably greater during the last half. Our policy this year of publishing full show reports and the generally higher cost of such work will be responsible for this. These full show reports also entail considerable extra work in our Recording Dept., but think you will agree this extra expenditure is advisable. The total for office salaries will likely be somewhat higher than the figure for the first six months. We seem to be gradually arriving at an improved position regarding suitable stability of staff. We need to go along with the current rate of pay to acquire and maintain this, also to avoid disrupting and costly staff turnover. The other less material items of expense will likely total about the same figure as occurred in the first six months.

Our magazine "Dogs in Canada," shows desirable improvement. Its construction, inclusion of informative and other interesting material to the extent we are able at present to afford, should make it more acceptable to the membership. The Editor deserves to be commended on this improvement and the increase in revenue from advertising that has taken place.

In an early issue we will endeavour to provide a synopsis of the Administration activities of your Board this year to date.

Yours very truly,

President.

## Meetings of the Board of Directors

**JULY 5th, 1951**

1967. A regular monthly meeting of the Board of Directors of The Canadian Kennel Club Inc. was held in the Club's offices, 667 Yonge Street, Toronto, Ontario, on Thursday, July 5th, 1951, commencing at 10.00 a.m. The President, H. L. Walley, presided. Directors present included Mrs. Ellen Brown, J. J. Farmer, W. H. MacKendrick, Mrs. Alva McColl, and E. B. Reid.

**1968 (1947). MINUTES**

The Secretary presented for adoption the minutes of the meeting of the Board of Directors held on June 7th, 1951. Mr. Farmer expressed the view that before the decisions reached at a meeting of the Board are implemented, members of the Board present at a meeting should have an opportunity of pointing out errors or omissions in the minutes, and all members of the Board not present should have an opportunity of expressing their views on matters dealt with by the Board, action to be taken (except for routine business) only when the minutes are adopted.

It was regularly moved by Mr. Reid, seconded by Mrs. Brown:

"THAT, the minutes of the meeting of the Board of Directors held on June 7th, 1951, be approved as a record only."

Motion carried.

The Board then discussed items of business arising out of the minutes of the meeting of the Board of Directors held on June 7th.

Item No. 1954 (reference to letter to Barrie Kennel Club re change of judges)—It was agreed that instead of writing the Barrie Kennel Club as decided on June 7th, the Secretary would ask the Barrie Kennel Club whether it had sent out notice of change of judge as directed by the Board, request a copy of such notice if sent out as directed by the Board, and request an explanation for failure to comply with the Board's order and the Dog Show Rules if no such notice had been mailed to exhibitors.

Item No. 1948 (letter to the Managing Editor from Mrs. Randall)—Mr. Farmer pointed out that at the annual meeting of the Board all matters concerning the publication of the magazine and the Managing Editor had been referred to the President for study and recommendations, and expressed the view that until the President's recommendations are considered by the Board it would be improper for the local Board to set any new policies regarding the magazine and the Managing Editor.

Mr. Farmer also stated that it has been customary for the Board in other years, at its annual meeting, to decide on the future employment of the Managing Editor, salary, etc., that no such decision had been reached at the annual meeting of the Board, and suggested that the President obtain an opinion from the Club's solicitors regarding the present position of the Club so far as it concerned employment of the Managing Editor.

Following discussion the President agreed to obtain the opinion of the Club's solicitors on:

(a) The present status of the Club insofar as it concerns the employment of the Managing Editor;

(b) The right of the local Board to take the action indicated in Item No. 1948 of the minutes;

(c) His present privileges and powers having in mind the decisions of the Board at its annual meeting referring to

him, for study and recommendations, the matter of publication of the magazine and the duties, work, etc., of the Managing Editor.

Mr. Reid suggested that the President, when taking the above listed items up with the Club's solicitors, obtain their views on the provisions of the new By-laws so far as it concerns the duties, powers, etc., of the President.

Item No. 1954 (re material for guidance of judges, show superintendents, ring stewards and show-giving clubs) — Mr. Farmer stated that according to his notes of the annual general meeting, the members had not adopted any amendment calling for any change in the manner of selecting Best Canadian-bred in Show and Best Canadian-bred Puppy in Show, as indicated by material sent to him for his perusal.

(Meeting adjourned (for lunch) and reconvened with the same members of the Board present).

Following a review of the minutes of the annual general meeting on this subject, it was regularly moved by Mr. Reid, seconded by Mrs. McColl:

"THAT, pending clarification of the status and intent of Dr. Shute's motion regarding the awards of Best-Canadian-bred in Show and Best Canadian-bred Puppy in Show, show-giving clubs be instructed to revert to the method in effect prior to 1948 in selecting Best Canadian-bred in Show and Best Canadian-bred Puppy in Show; that the Secretary provide members of the Board across Canada with a copy of the transcript of proceedings at the annual general meeting regarding these awards and request their interpretation of the procedure to be followed; that the Club's solicitors be requested to express an opinion as to whether Dr. Shute's motion regarding these awards represented an amendment to Mrs. Brown's original motion regarding abolition of these awards, or was an original motion, and if the action taken at the annual general meeting was in conformity with regulations on amendments, and the Secretary in referring this matter to the Club's solicitors provide them with a copy of Mrs. Brown's proposed amendment and a transcript of proceedings at the annual general meeting."
Motion carried unanimously.

It was agreed that pending the receipt of the opinion of the Club's solicitors, the procedure to be followed in making these awards would be as set out in the printed rules effective on May 29th, 1951.

Discussion then took place on the cost of printing the material intended for the guidance of judges, show superintendents, ring stewards and show-giving clubs. At the request of the Board, Mrs. McColl asked the printers for a quotation, and Mrs. McColl subsequently informed the Board that the cost for printing four pages (same size as DOGS IN CANADA) of material already held in type, would be $35.50 plus tax for 500 copies.

It was regularly moved by Mrs. Brown, seconded by Mr. Reid:

"THAT, 500 copies of the material intended for the guidance of judges, ring stewards, show superintendents and show-giving clubs be printed." Motion carried.

It was agreed that printing would not proceed until the opinion of the Club's solicitors was received in respect to the awards of Best Canadian-bred in Show and Best Canadian-bred Puppyin Show (as material on these awards is to be included with the material). It was agreed that when the material is printed, a copy would be forwarded to each person approved to judge at a future show to be held under Club rules along with a copy of the Dog Show Rules and a letter, over the President's signature, pointing out the responsibilities of show judges. It was agreed that other copies would be mailed direct to the show-giving club for distribution to show officials (Show superintendent, ring steward, etc.).

Item No. 1963—(re special forms for notice of proposed amendments). It was agreed that draft of special forms for use by members desirous of proposing amendments must be available for the consideration of the Board at its next meeting. Mrs. McColl suggested that a notice be published in the August issue of DOGS IN CANADA drawing attention of the members to the fact that notice of all proposed amendments must reach the Secretary by October 15th, and all such proposed amendments must be on special forms available on receipt of a written request by the Secretary from members desirous of obtaining such forms.

It was regularly moved by Mrs. McColl, seconded by Mrs. Brown:

"THAT, a special notice be published in DOGS IN CANADA calling attention to the closing date for receipt, by the Secretary, of proposed amendments to the By-laws, Rules, etc., and informing the members that special forms, on which proposed amendments must appear, will be available to members."
Motion carried.

The Board then reviewed those items of business dealt with at the meeting of the Board on June 7th which need not be held in abeyance pending further consideration of the Board. It was agreed that all items of business dealt with at that meeting, except items No. 1962 and No. 1964, could be proceeded with before the next meeting of the Board.

It was regularly moved by Mrs. McColl, seconded by Mr. Reid:

"THAT, the minutes of the meeting of the Board of Directors held on June 7th, 1951, with the exception of items No. 1962 and 1964, be approved, and the national Board be consulted with regard to items No. 1962 and No. 1964, and if the Secretary receives no objection to the decisions reached by the Board on items No. 1962 and 1964 are received by the Secretary before July 15th, the decisions reached by the Board as set out in items No. 1962 and 1964 be considered approved."
Motion carried unanimously.

The President reported that he had previously discussed with the Secretary the matter of earlier preparation and distribution of the minutes of each Board meeting, and suggested that the Board decide on a policy to the effect that the minutes must be prepared and mailed to members of the Board within fifteen days after the meeting. The President suggested that if any policy was to be followed in respect to withholding action on decisions reached by the Board pending adoption of minutes, a clear indication should be given to the staff those sections which may be acted upon immediately following a meeting of the Board.

Following discussion it was regularly moved by Mr. Farmer, seconded by Mr. Reid:

"THAT, the minutes of each meeting of the Board of Directors be mailed to the entire Board of Directors, by the Secretary within 15 days after the meeting, and action on decisions reached by the Board be not taken until minutes are adopted at the next meeting of the Board except that the President and Secretary be authorized to take immediate action on the following matters: Applications for membership, applications for registration of kennel names, applications for handlers' licenses, application for dates and approval of selected judges, and on such other matters as the Board may indicate that immediate action be taken; and members of the Board noting errors or omissions in the minutes or having an objection to any decision reached by the Board shall notify the Secretary, before the next meeting of the Board, of such items, for the Board's consideration at the meeting at which the minutes are presented for adoption."
Motion carried unanimously.

(SECRETARY'S NOTE: In these and subsequent minutes the Secretary will denote items on which the Board decided that immediate action could be taken by adding "(IA)" after each resolution or other decision on which the Board indicated that immedate action could be taken).

### 1969 (1950). FINANCIAL REPORT

The President reported that at the end of June the Club's bank balances totalled $8108.19 as compared with $2809.25 at the end of June, 1950, but pointed out that these figures are subject to outstanding cheques and unpaid accounts. The President further reported that the auditors were now at work on the Club's books and expected that an audited statement for the first six months of the year would likely be available for the Board's consideration at its August meeting.

The Board was informed that at the end of June, 1951, receipts at the Live Stock Records office on the Club's account totalled $29,277.66 as compared with $26,360.41 in 1950. Mr. Farmer pointed out that this was still down considerably from the total of $35,144.57 at the end of June, 1949 and great care must be exercised in keeping the Club's expenditures in line with its revenue.

### 1970 (1961). LEASE

The President reported that in accordance with authorization given at the annual meeting of the Board, he had completed arrangements for the sub-letting of approximately one-third of the space presently rented by the Club (that portion facing Yonge Street) to Stern, Sanders & Co. (chartered accountants) for $150.00 per month, and pointed out that this arrangement would mean an annual net saving to the Club of $100.00 monthly (the owners requiring added payment of $50.00 monthly, during the term of the sub-lease, before granting the sub-letting privilege.)

It was regularly moved by Mr. Farmer, seconded by Mrs. Brown, and carried:

"THAT, the action of the President in sub-letting the front portion of the Club's offices to Stern, Sanders & Co. (chartered accountants) for a period of three years commencing July 1st, 1951, at a rental monthly of $150.00, be approved, and the President and Secretary be authorized to sign, on behalf of the Club, a lease, prepared by the Club's solicitors, with Stern, Sanders & Co." Motion carried. (IA).

### 1971 (1898). RECORDS OFFICE COSTS

The President reported that:

(1) At a meeting of representatives of breed associations held at the Royal York Hotel in January (attended by himself and the Secretary) it had been decided that Record Office charges for work done on behalf of the various associations maintaining records at the Live Stock Records office should, as near as possible, be in line with actual costs for work done, and that efforts be made to obtain information as to a proper distribution of charges for each of the various items of work handled by the Live Stock Records office;

(2) At a meeting of the Canadian National Live Stock Records Board held on April 3rd, a proposed schedule of item charges had been presented, discussed and adopted in principle;

(3) The Live Stock Records Committee had employed the firm of Chartered Accountants, Brock, Davis, Dunn & Broughton, to work out a cost plan, and a report by this firm had been presented at a meeting of the Record Committee on June 12th.

(4) The report submitted by Brock, Davis, Dunn & Broughton showed a breakdown of charges to each association, based on calculated costs for handling each item according to each department in the Records Office effected.

(5) The report was based on work handled in 1950, and indicated that had the proposed schedule of charges worked out of Brock, Davis, Dunn & Broughton been in effect during 1950, the total charge to the Club, for work handled on its behalf during 1950, would have been $16,705.02 instead of the actual cost of $18,037.68, a difference of $1,332.66.

(6) Before any change in the existing schedule of charges may become effective agreement must be reached by at least two-thirds of the associations operating thorugh the Live Stock Records office (Section 33 of the Articles of Affiliation and Section 13, sub-section 6 of the Live Stock Pedigree Act).

(7) The Record Committee had, by resolution, accepted the report of Brock, Davis, Dunn & Broughton in principle and had directed that a copy of the letter and report from that firm be forwarded to each breed secretary for the consideration of associations.

The President suggested that before the Board agreed to or made any representations regarding the proposed schedule of charges, the report should be reviewed by the Secretary and the matter considered further at the next meeting of the Board (the next meeting of the Record Committee being scheduled for the week of August 20th).

It was regularly moved by Mr. MacKendrick, seconded by Mrs. McColl:

THAT, the matter be left in the hands of the President and Secretary." Motion carried.

### 1972 (1956). JUDGING LICENSE APPLICATIONS

The President reported that as a result of replies received from members of the Board he had prepared what he believed to be an acceptable application for judge's license form based on the composite views of the members of the Board, and a copy of such application had been forwarded to all members of the Board for final review and suggestions.

Mr. Farmer pointed out that a decision had been reached at the annual meeting of the Board regarding a charge of $25.00 for a judging license, and as yet the fee had not been applied. The President stated that the Board had later decided to withhold implementing a charge for judge's license until the new procedure on licensing had been worked out, and it had been suggested to him that the fee arrangement should not be placed into effect until January 1st. Mrs. Brown stated that when the fee arrangement is placed into effect a flat charge per license should not be charged, rather the fees should be scaled according to the number of breeds covered by a license.

Mr. Reid suggested that question No. 26, in the proposed application, should be revised so that instead of the applicant detailing faults of the breeds for which he is seeking a license, the form would require the applicant to state briefly the necessary requirements of the breeds for which the applicant was seeking a license.

Mrs. McColl suggested that an opinion be obtained from the Club's solicitors regarding the right of the Club to impose a fee in connection with a judge's license.

It was regularly moved by Mrs. McColl, seconded by Mr. Reid:

"THAT, we accept the suggested judging application form subject to the approval of the majority of the Board, and it be sent out in proper form ready for presentation at the next meeting of the Board." Motion carried.

### 1973 (1963). PROPOSED AMENDMENT FORMS AND NOTICE RE AMENDMENTS

Mrs. McColl suggested that in view of the change of date for final receipt of notice, by the Secretary, of proposed amendments to the By-laws and rules, and because all proposed amendments must now be in official forms, notice of these new requirements should be published in the August issue of DOGS IN CANADA for the information of members.

It was agreed that notice of the new requirements regarding proposed amendments be published in the August issue of DOGS IN CANADA. (IA).

### 1974 (1955). STUD BOOKS

The Prseident reported that he had not received any advice from the Bureau of Animal Industry at Washington of any decision reached on his representations regarding the acceptance of microfilm records in lieu of printed stud books, but as soon as such advice had been received, a report would be made to the Board.

### 1975 (1960). LIST OF SUSPENDED PERSONS

The President reported that the special committee appointed by the Board to review the list of suspended persons had met again on June 26th, and following consideration of the letter received from the Club's solicitors, the Department of Agriculture, and members of the Board outside the Province of Ontario, the Committee had decided to recommend to the Board that the Board authorize the removal, from the list of suspended persons, the names of those persons the Committee had recommended be removed in its first report dated April 16th.

———Mr. MacKendrick left the meeting at this time. (6 p.m.).

### 1976 (1959). RECORDING CHAMPIONS AT RECORDS OFFICE

The President reported that a committee composed of Directors Farmer and Reid and himself had discussed the matter of recording champions on certificates of registration and the registration records at Ottawa with Canadian National Live Stock Records office and reported to the Board as follows:

(1) The Club would be charged at the rate of one transaction for each championship recorded on the record of the dog earning a title (show, field trial or obedience trial) when the Records office is notified by the Canadian Kennel Club of a title earned by a registered dog;

(2) The Club would not be called upon to pay a charge when the certificate of registration for the dog is returned to the Live Stock Records office so that the title may be added to the certificate (this being covered by the charge made to the Club as per section No. 1 above);

(3) No charge would be made to the Club where titles appear on the certificate of registration of the progeny of a dog whose title has been recorded prior to the registration of such progeny;

(4) Where the owner of a registered dog or dogs, the progeny of a new champion, returns certificates in order that the title may be added to a certificate or certificates, the charge to be made to the Club by the Records office will be one transaction charge for the first three certificates sent in (at the same time) by the owner of such registered progeny, and one transaction charge for each additional certificate sent in by the same owner.

Following discussion it was regularly moved by Mr. Reid, seconded by Mrs. Brown:

"THAT, the President be authorized to prepare a suitable form letter to be forwarded with the original championship certificate (or field trial championship, or obedience trial title certificate) informing the owner that an engraved certificate, suitable for framing, is available on payment of $2.00; and on payment of an additional 50c the Canadian Kennel Club will authorize the Canadian National Live Stock Records to add the title to the dog's certificate of registration; and upon payment of 50c to the Canadian Kennel Club the Club will authorize the Canadian National Live Stock Records to add the title to the certificates of registration for three of the progeny of a dog earning a title (with payment of additional 50c for each additional certificate to which title is to be added) providing all three certificates are forwarded at the same time and by the same owner;" Motion carried. (IA)

It was regularly moved by Mr. Farmer, seconded by Mr. Reid:

"THAT, the Secretary be directed to furnish the Managing Editor with an article, clarifying the situation in respect to charges for recording of champions, the article to be published in the August issue of DOGS IN CANADA."

Motion carried unanimously. (AI).

### 1977. LETTER FROM DIRECTOR MRS. P. B. MACK

The Secretary read a letter, addressed to the President and Board of Directors, by Mrs. Pamela B. Mack regarding the publication of notes and other material regarding doggy activities in Quebec in DOGS IN CANADA.

Following discussion it was regularly moved by Mr. Farmer, seconded by Mrs. Brown:

"THAT, Mrs. Mack's letter was received and considered." Motion carried.

### 1978 (1939). COMMITTEE ON ZONING ONTARIO FOR DIRECTORS

The Secretary reported that Mr. Bill Hammerton, London, because of business engagements, had declined to accept the appointment as a member of the special committee appointed to consider and make recommendations in respect to the zoning of the Province of Ontario for election (of Directors) purposes.

Following discussion the President appointed Mr. Alex Napier (Windsor), to the Committee, and named Mr. Wm. Monaghan (Ottawa), as Secretary-Chairman of the Committee. The Board endorsed the President's appointments. (IA).

### 1979. COMMITTEE ON BOARD'S TERM OF OFFICE

The President pointed out that at the annual general meeting the members had discussed whether the term of office of the Board should be extended to a period longer than the present calendar year arrangement, and the discussion had concluded with the adoption of a motion authorizing the appointment of a committee to review and make recommendations in this connection.

Following discussion the President nominated Mrs. D. T. Weir (Secretary-Chairman), Mrs. P. A. Margesson and Mrs. T. H. McGuire, a committee of three to review and make recommendations in this connection. (IA).

The Board endorsed the President's appointments and agreed that the work of the Committee be handled by correspondence rather than by a formal meeting, and that the Committee be asked to submit its recommendations direct to the Board for consideration. (IA).

### 1980. BENEFIT SHOWS

The President referred to the discussion at the annual general meeting regarding the holding of shows with a view to assisting the Canadian Kennel Club financially, and of the final decision authorizing the appointment of a committee to deal with the matter.

The President reported that he had discussed the matter with the Club's solicitors from the point of view of other club or groups of members holding shows with profits going to the Canadian Kennel Club, an arrangement to which there was no legal objection providing the Club was under no liability for any loss realized on any shows, or for any liability in connection with accident or other matters resulting in litigation.

Following discussion it was regularly moved by Mr. Reid, seconded by Mrs. McColl:

"THAT, Vice-President W. H. Pym, Second Vice-President V. W. Williams and Director J. A. H. Irving be appointed a committee to investigate and report, to the Board of Directors, on the matter of benefit shows."

Motion carried unanimously. (IA).

### 1981 (1958). MRS. M. H. PAGE FILE

Motion carried. (I.A.).

Mr. Farmer pointed out that although the Board had previously approved of the Eastern Collie Club's selection of Mr. William Schwinger as judge of Collies and Shetland Sheepdogs at the Specialty show to be held on October 6th, the Board had later approved of Mr. Schwinger as judge of Collies at the Progressive Kennel Club show to be held on September 15th. He suggested that the Progressive Kennel Club be contacted with a view to seeing whether or not they would select another judge in place of Mr. Schwinger.

It was moved by Mr. Farmer, seconded by Mrs. Brown:
"THAT, the Secretary-Treasurer communicate with the Progressive Kennel Club, pointing out that while the Board had approved of their selection of Mr. Schwinger, not recollecting their earlier approval of judge of Collies for the Eastern Collie Club show, it would appreciate the Progressive Kennel Club making another selection of judge so that neither show would be adversely affected by having the same judge within such a short period of time". Motion carried. (I.A.).

It was agreed that the Secretary would set up an index system so that the Board could be apprised of similar situations before approval is actually given.

The Secretary reported that according to advice received from Director W. W. Pratt, Retriever Clubs in Alberta had discarded the idea of staging a National Championship Retriever Stake in the current year. Following discussion, the Secretary was directed to communicate with Director Irving, and secure his recommendation in respect to the application received from the National Retriever Club (Canada) Ltd. in connection with a proposed National Championship Retriever Stake in November. (IA).

The Secretary read a letter from the Lakehead Kennel Club, whose premium lists for shows to be held on August 9th & 10th had been printed and distributed, requesting permission to add a trophy "for the Best in Show owned by a resident of the Lakehead". Following discussion, the Secretary was directed to inform the Lakehead Kennel Club that permission had been granted in accordance with this request, conditional that it clearly indicate the geographical area in which exhibitors must reside in order that their dogs may compete for this prize, and conditional that all those in that area to whom premium lists had been forwarded are informed of the additional prize. (IA).

The Secretary read a letter from Director Mrs. Mack, in answer to the enquiry addressed to her at the Board's order, regarding alleged contraventions of the Dog Show Rules at the Ladies' Kennel Club of Canada Inc. show held on April 29th. Following discussion, the Board accepted the explanation given by Mrs. Mack, but directed the Secretary to inform the Club and the Show Superintendent of the Show that entries must not be accepted where all the information required on the entry form is not furnished by the exhibitor. (IA).

The Secretary read a letter addressed to the Board of Directors by the Barrie Kennel Club, whose Show Committee upheld two protests submitted by Mrs. D. T. Weir, York Mills, Ontario, in respect of the awards of Reserve Best in Show and Best Canadian-bred in Show at the Championship Show held by the Barrie Kennel Club on June 2nd, 1951. Following discussion, the Secretary was directed to communicate with the Barrie Kennel Club and ascertain whether these protests were officially made to the Club prior to the awards in question having been made by the judge. (IA).

The Secretary reported on changes in the list of officers for the Toy Breeders Association of Canada in order that its application for permission to hold a sanction show on November 13th could be approved. The Secretary then read a letter from Miss I. G. Robertson, who had previously been listed as Secretary of the Association, wherein Miss Robertson maintained that she was still the Secretary of the Association. The Board agreed that changes in officers of an Association was an internal affair of the Association, but directed the Secretary to communicate with the Association and ask for a copy of the Minutes of the meeting at which the Association decided to make changes in its list of officers. The Secretary was directed, when writing the Association, to provide the Association with a copy of Miss Robertson's communication. (IA).

The Secretary read a letter from Miss M. M. Annand, Toronto, who complained that in judging the Toy Group at the Hamilton Kennel Club show held on June 30th, Mr. F. J. Colehouse had the nine Toys in the Toy Group paraded, lined up for individual inspection, had selected four dogs from the line-up and dismissed the remainder without examining and gaiting each dog in turn. Following discussion, the Secretary was directed to communicate with Mr. Colehouse pointing out that all dogs in all classes, whether Breed or Group, require the same examination, exhibitors having paid entry fees and were entitled to have their dogs judged thoroughly on each occasion that their dogs were required in the judging ring. As Miss Annand's letter had also referred to what appeared to be unsatisfactory arrangements in respect to veterinary inspection, the Secretary was directed to communicate with the Hamilton Kennel Club and ascertain whether the arrangements reported by Miss Annand were a fact and whether all dogs entered in the show were passed by a veterinarian before being benched. (IA).

The Secretary reviewed correspondence with Mr. W. C. Baldwin, The American Kennel Club, and the Chase Publishing Company, regarding the American Foxhound BALDWIN'S HAYMIN, which dog had been entered at five championship shows as a listed dog.

Following discussion the Secretary was directed to communicate with Dr. Harry M. Hayter, breeder of the dog, and request information as to the date on which ownership of the dog was transferred to Mr. Baldwin. The Secretary was also directed to communicate with Mr. Baldwin and ascertain why he had exhibited the dog as a listed dog at more than three championship shows without obtaining permission to do so. (IA).

The Board considered a report on the Kingston Kennel Club's first championship show held on June 23rd.

Following discussion the Secretary was directed to communicate with the Kingston Kennel Club, compliment them on the excellent show which they staged, but drew attention to the fact that only dogs properly entered in a show should have been permitted within the precincts of the show, that the judging ring allocated for obedience trial purposes should not have been previously used in connection with the judging of dogs entered at the bench show, and that entries of dogs should not have been accepted where all the information required on the entry form was not provided. (IA).

Mr. Farmer referred to the desirability of permitting dogs, entered and competing at an unbenched outdoor championship show, to leave the show grounds when not required for further judging.

Following discussion it was regularly moved by Mr. Farmer, seconded by Mr. Reid:

"THAT it be recommended to clubs holding in open air unbenched championship shows that all dogs be allowed to leave the show premises after being judged, provided such dogs are not required for further judging." Motion carried. (IA).

It was agreed, however, that the same penalties should apply should dogs be removed from an unbenched open air show when still required for further judging as would apply in connection with an indoor bench championship show.

Mr. Farmer suggested that where judging rings are in the open air, arrangements should be made by the club holding the show to provide some type of ground covering in judging ring.

Following discussion it was regularly moved by Mr. Reid, seconded by Mr. Farmer:

"THAT, in connection with outdoor shows provision must be made for some suitable type ground covering (such as used pulp felt) for judging rings on which dogs can be set up and gaited without detriment to the dogs." Motion carried. (IA).

### 1987. HONORARY PRESIDENT

The Secretary reported that no appointment had been made by the Board of Directors to fill the post of Honorary President of the Club since the Honorable Mr. Justice G. F. MacFarland, former President and honorary solicitor of the club, had passed away.

It was regularly moved by Mrs. Brown, seconded by Mrs. McColl:

"THAT, Col. J. N. MacRae, former President of the club, be appointed an Honorary President of the Club."
Motion carried. (IA).

### 1988. POSTAGE ON MAGAZINES

Mrs. McColl reported that with the coming into effect of new postal rates, the cost of postage on magazines addressed to members would be increased appreciably and suggested an arrangement which might overcome the increased cost. Following discussion, the Secretary was directed to place the facts before the Club's solicitor, and obtain his advice on how this matter should be dealt with. (IA).

### 1989. THEFT, FIRE AND LIABILITY INSURANCE

The President suggested that arrangements be made to obtain Theft and Liability insurance on behalf of the Club, and reported that he had directed the Secretary to obtain information on Theft insurance. The Secretary reported that a policy could be obtained, on payment of $25.00 annually, which would provide $500.00 protection on each of the following: Hold-up inside the Club's premises; hold-up outside the Club's premises; Safe

Burglary; Mercantile Open Stock Burglary; and Property Damage through Break-in. It was regularly moved by Mrs. Brown, seconded by Mr Farmer:

"THAT, the Secretary obtain a policy providing $1,000 protection on each of the foregoing items providing the premium is not in excess of $50.00." Motion carried. (IA).

The Secretary was directed to obtain particulars on Liability policies as far as it concerned liability in connection with the public and employees.

The President reported that the Club was presently protected against Fire to the extent of $10,000, but expressed the view that this was well in excess of the book value of the Club's office equipment. It was regularly moved by Mr. Farmer, seconded by Mrs. Brown:

"THAT, Fire insurance on the Club's equipment and office furniture be reduced to $5,000 and the rebate be applied to extension of the policies." Motion carried. (IA).

**1990. TRANSFERS OF OWNERSHIP ON CERTIFICATES OF REGISTRATION**

The President tabled for the Board's examination a type of certificate of registration to which was attached three applications for transfer of ownership, and pointed out the advantages of an arrangement whereby the seller of a registered dog could apply for transfer of ownership, on a portion of the certificate, removable by the Canadian National Live Stock Records, rather than completing a separate form of application for transfer.

It was regularly moved by Mrs. Brown, seconded by Mr. Farmer:

"THAT, when the present supply of printed blank certificates of registration is exhausted, the Canadian National Live Stock Records be directed to obtain new blank certificates to which are attached three blank applications for transfer of ownership." Motion carried. (IA).

**1991. MINUTES OF ANNUAL GENERAL MEETING**

The Secretary pointed out that the By-laws now in effect provide that a copy of the Minutes of a General Meeting are to be made available at cost to any member ordering the same, and requested an instruction regarding providing a copy of the Minutes to any member requesting a copy. The Secretary was directed to obtain a quotation on the typing of five copies of the Minutes and a quotation on the mimeographing of copies, and that a notice in this connection be published in DOGS IN CANADA when this information is available (IA).

**1992. ADJOURNMENT**

At 10.00 p.m., on motion by Mrs. McColl, duly seconded and carried, this meeting of the Board adjourned.

## Book Review

**A BOY AND HIS DOG, by Stanley Pashko, Greenburg; Publisher, New York.**

A boy's best friend is his dog; and the best is none too good for such a friend. Stanley Pashko, who knows both boys and dogs well, has written this practical dog handbook to give a boy all he needs to know to take care of his own pet under all sorts of circumstances.

Illustrated with dog-house plans, training techniques, tricks and many other drawings, this is truly a complete book for the young dog lover. It tells him what is the best breed for his specific purpose, where to keep the dog, how to feed and care for him, teach him tricks, groom him for dog shows, train him in obedience and hundreds of other subjects a boy wants to know about raising his friendly pet.

A section on "Living with Your Dog" explains such special problems as taking a dog on a train or in a car, hiking with him, taking him on vacations, boarding him out, caring for him in the city and in the country. For those boys who are interested in breeding dogs to make money, there are many hints on kennel operations.

Every boy who owns a dog or who plans to get one will want this handbook to guide him in making his pet healthy, happy and a true little animal friend.

# FEEDING ECONOMY

## and No Vet Bills

"Why does this sort of thing happen to me?" inquires Gayholme's Keepsake, sire of the fine litter of 6, shown below.

Mr. and Mrs. Paul Davey of Gayholme Kennels, R.R. 2, Islington, Ont., have been breeding dogs for over 6 years, concentrating on Cocker Spaniels. Nearly 3 years ago they began feeding Purina Dog Chow, and their dogs have been getting Dog Chow ever since.

"We started feeding it because we had heard good reports and seen good results," they tell us, "and it promised to give us real feeding economy. Now we find that it gives us economy in another way, too. It keeps the dogs in excellent health and condition . . . no vet bills except for inoculation."

Top — Mr. Davey with Rudy, buff male, 10 months. Below — Mrs. Davey inspects Bucksburn's Good News and her first litter.

## PURINA IS THEIR CHOICE

Whether you're raising one dog or a kennelful, you can use Dog Chow to advantage . . . for its nutritional values, palatability, and **economy.** Produced by a full-line feed manufacturing firm and distributed through feed stores, it is very reasonably priced.

If you use any considerable quantity of feed, be sure to consult your local Purina dealer (at his Store with the Checkerboard Sign) about savings made possible by the Purina Courtesy Card.

# INFORMATION ON NOSE-PRINTING

## The following information is provided for the guidance of those using this method of identification

### How To Take Nose-Prints

For the information of those using this method of identification we would report that the following method of procedure, in taking prints, has proven satisfactory.

1. A small amount of tube ink (see below) is placed on the smooth surface of a piece of wood, glass, or other smooth surfaced material and is spread evenly on such surface.

2. Excessive moisture is removed from the dog's nose by cloth or other absorbent material.

3. Using tip of index finger, a small amount of ink is spread as evenly as possible across area of nose to be nose-printed. The amount of ink to be used and the extent to which the ink is spread by finger-tip can best be determined by experiment.

4. Take an official nose-print form (or plain paper when experimenting) and grasp it firmly, at centre of its outer edges, by the finger-tips of each hand, holding the form in a vertical position.

5. Person taking print (while dog's head is firmly held by another person) takes position directly in front of dog, facing its nose and holding the form (still in vertical position) so that gummed side is toward holder of form.

6. Move form forward till contact is made, at centre of form, with nose, then carry outer edges of form slightly more forward so as to allow for curvature of dog's nose.

7. As soon as print is taken, remove form by quick backward movement of hands.

8. Set print to one side until ink is thoroughly dry.

As a suggestion to those nose-printing such breeds as Boxers, Bulldogs, Pekes, etc., make fold in the form about one-third from bottom of form, and in taking print see that fold is directly opposite the lowest section of the nose to be printed. Straighten out form after print is taken.

Care should be exercised, when folding the form, to see that gummed edge folded back does not adhere to gummed section unto which it is folded.

### General Information

1. TWO nose-prints, on official numbered forms, will be required with the application for registration of a single dog identified, for registration purposes, by this method.
2. New applications for registration are now available. These forms provide a section where the applicant for registration is to insert the numbers appearing on the official nose-print forms accompanying the application for registration of an individual dog.
3. Applicants using the old style application for registration forms should place the following information, IN INK, at the left hand side of the form (turn form on its side to do this):

   "Nose-prints No.—— and No.—— enclosed with this application". This should also be done with applications previously submitted to the Canadian National Live Stock Records, which were returned for further identification, and the registration fee in effect at the time the application was first received at the Records office will apply. It is not necessary to make out new applications for registration providing the originals are in order.
4. The two nose-prints for each dog need not necessarily bear consecutive numbers. For example the nose-prints for a dog may be No. A25 and No. A32. (DO NOT forget to indicate the letter appearing with the numbers on the nose-print form). DO NOT place more than one nose-print on a single nose-print form. It is not necessary to account for unused or spoiled nose-print forms. Spoiled nose-print forms should be promptly destroyed.

   Nose-print forms need not necessarily be used by the person to whom they were sold; there is no objection to such forms being used by other breeders.
5. DO NOT attach or adhere nose-print forms to the application for registration form or to any other enclosure being forwarded to the Live Stock Records office. DO NOT write or typewrite on the nose-print forms.
6. It is strongly recommended that persons using this method of identification experiment, on plain paper, in the taking of prints in order that they may obtain experience before turning to the use of the official forms.

### Other Nose Print Ink Available

It has been found that excellent prints can be obtained by following the method, outlined above, and using the same type of ink that was used, for nose-printing purposes, some years ago. In order to accommodate those who would wish to use such ink, arrangements have been made so that a two-ounce tube of this ink may be obtained from the Canadian Kennel Club, 667 Yonge Street, Toronto, Ont., on payment of 75c. Official nose-print forms (30 for 25c) can be obtained by forwarding order, with covering payment, to the Canadian Kennel Club. No C.O.D. orders please.

July 24th, 1950

1651. A meeting of the Board of Directors of The Canadian Kennel Club Inc. was held in the Club's offices, 667 Yonge Street, Toronto, Ontario, on Monday, July 24th, 1950, commencing at 7.30 p.m. The President, W. J. Risewick, presided. Officers and Directors present included Douglas Riedel, Paddy Boughs, Mrs. Ellen Brown, J. J. Farmer, T. B. McRae and C. S. Spratt.

1653. ATTENDANCE OF C.K.C. REPRESENTATIVE AT SHOWS

SUBJECT: The Board reviewed the discussion which had taken place at the special general meeting held on July 10th regarding the following new addition to the Dog Show Rules adopted at the annual genera meeting held on March 29th, 1950:

"SECTION 17. The representative of the Canadian Kennel Club Inc. be present at each Dog Show to assist the show officials and to ensure as far as possible that uniformity in procedure be obtained with reference to all matters relating to Dog Shows. Each exhibitor at any official Dog Show shall pay a Supervisory fee of twenty-five cents (25c) on each entry. These fees to be appropriated to the account of the Canadian Kennel Club Inc. to provide speciafically for the expense of the attendance of its representative, or his deputy where show dates conflict, at Dog Shows throughout the country."

The president referred to the Board's earlier discussions on this matter when it was agreed that until the identification situation was settled and the Club's financial future was more certain, it was agreed that it would be inadvisable to carry out the amendment adopted at the annual general meeting held in March, a decision that was reached after the Club's solicitor had been consulted. The President said that with settlement of the identification problem the Board could reconsider its previous decision but that if it was decided to fully implement the adopted amendment to the Dog Show Rules, the services called for by the rule should be provided in connection with all Championship shows regardless of where they may be held in Canada.

RESOLUTION: Following further discussion it was regularly moved by Director Spratt, seconded by Director Farmer:

"THAT, now the problem of identification has been solved the Board has decided that it will, as far as the Club's financial position permits, carry out the amendment to the Dog Show Rules (adopted on March 29th, 1950) regarding attendance of the C.K.C. Representative, at championship shows during the balance of 1950, but as most premium lists have been already approved the charge authorized by the amendment be not imposed for the balance of 1950." Motion carried.

DISCUSSION: The Board then discussed the duties of the Representative when attending shows. It was agreed that the Representative would no longer express views on the work of the judges except to report any contraventions of the Rules. Director Farmer suggested that the Representative should periodically check the judge's book to see that they are being properly marked up.

Following discussion it was agreed that the following would be the duties of the C.K.C. Representative when attending championship shows:

(1) Check on all arrangements re benching.
(2) Check on the location of commercial booths (solely for the purpose of seeing that they do not interfere with the efficiency of the show or the comfort of exhibitors and spectators).
(3) Check on arrangements with regard to exercise rings. There must be one exercise ring for each sex. These rings should be as inconspicuous as possible—should be boarded up to a height of 5' if possible and at least 12' by 12' in dimensions.
(4) Check to see that there is only one entrance to the building through which dogs may enter, this to ensure that all dogs entering the show are veterinary inspected.
(5) Check size and layout of judging rings and entrances thereto.
(6) See that there is a section solely for crates and boxes; there must be no crates in the aisles and dogs are not to be prepared in the aisles.
(7) See that all entry forms and judges' books are at the show.
(8) Check to see that judges' books are properly made out before the books are taken to the judging rings.
(9) See that all arrangements are properly completed for veterinary inspection. Advise the veterinary that the cards must be stamped before the dogs enter the show, but the card must be stamped only for the dogs brought before him for inspection.
(10) See that the judging commences at the stated time.
(In company with Superintendent explain nature of his duties at the show—CKC expects an efficient job of judging —dogs are to be lined up in order of merit and ribbons to be handed out in the order in which dogs have been placed—refer to necessity for all dogs eligible to compete for Reserve Winners to be brought into the ring).
(If judging lags Rep. to speak to judge in company of Show Superintendent and suggest in a diplomatic way that judging be speeded up sufficient to bring the show back to a reasonable schedule).
(11) See that all dogs are on the benches. Periodically visit section where crates are located and see what (if any) dogs are not benched. Report to Superintendent and in his presence attach labels to crates. Note time labels are attached and later check to see that dogs are not in crates on expired time.
(12) Endeavour to have all breed judging completed at 6.00 p.m., if possible.
(13) See that there is an attendant to keep the exercise and judging rings clean at all times.
(14) Check on general cleanliness of show.
(15) If more than one judge, see that there is a continuity of judging to maintain interest of exhibitors and spectators.
(16) Report late exhibitors and their reasons for being late. (That is in connection with bringing of dogs into show).
(17) Periodically check to see that judge is properly marking up judge's book. This to be done during intermission periods and outside the judging ring.
(18) Submit report to the Secretary (for presentation to the Board) on all items beginning "General Arrangements" to "Number of Dogs found in crates" inclusive (see old report forms). Report any violations of rules by judges.

When any violation of the rules has taken place (or is believed to have taken place) Representative is to accompany Show Superintendent when Superintendent speaks to whoever is concerned with such violation. Representative is not to give direct instructions to exhibitor but if the instructions of the Show Superintendent are not carried out after person or persons concerned have been notified by the Superintendent (in presence of C.K.C. Representative), then C.K.C. Representative uses his discretion as to the proper course to follow.

Some discretion to be exercised where decorated benches are concerned unless such decorations are detrimental to dogs that ar being shown.

ACTION: The Secretary was directed to arrange for the Representative to attend championship shows scheduled to be held (in 1950) at Cobourg, Ottawa, Guelph, Toronto, London, Dixie and Markham.

It was agreed that the Representative's reports are to be placed before the Board for any further action which it deems advisable.

**1654 (1648). RE-ORGANIZATION**

DISCUSSION: The Board reviewed its earlier discussions and decisions regarding application for a charter to govern dog shows, field trials, obedience trials and other competitive events for pure-bred dogs. The President suggested that if it is decided to apply for such charter, the by-laws adopted at the 1950 annual general meeting should not be submitted to the Department of Agriculture for approval until the new charter is obtained. Director Farmer suggested that application for the Charter be made, that the charter be delivered to the Deputy Minister of Agriculture who would hold the charter until the 1950 by-laws are submitted for aproval after which the new charter and approved 1950 by-laws would be delivered to the Canadian Kennel Club. The President suggested that Director Farmer be authorized to outline such procedure to the Deputy Minister and if he agrees to support the Canadian Kennel Club's application for such Charter, then the Club's solicitor be instructed to proceed with the application.

RESOLUTION: It was regularly moved by Vice-President Riedel, seconded by Director Mrs. Brown:

"THAT, in the event the Deputy Minister of Agriculture informs Director Farmer that the procedure suggested is acceptable and he is prepared to assist the Canadian Kennel Club in obtaining this charter, the Club's solicitor be instructed to make application, to the Secretary of State for Canada, for a charter having all powers set out in the 1947 Constitution except that of maintaining registration records and of issuing certificates of registration, the new corporation to be known as the exhibition division of The Canadian Kennel Club Inc., the new charter to be temporarily deposited with the Deputy Minister of Agriculture until the 1950 By-laws are approved by the Minister."

Motion unanimously carried.

ACTION: It was agreed that all seven local members of the Board would apply for the charter, all other members of the Board of Directors to be admitted as soon as possible after the charter had been obtained.

**1655 (1647). GENERAL MEETING—JULY 10TH**

SUBJECT: The Board reviewed the action at the special general meeting held on July 10th with regard to "Board of Governors" and contract with the Managing Editor of DOGS IN CANADA.

ACTION: The Secretary was directed to submit to the Club's solicitor, the chartered stenographer's report (when received) of the proceedings at the special general meeting held on July 10th and obtain his opinion as to the legality of the action taken, at such meeting, in respect to the "Board of Governors" and contract with the Managing Editor.

Motion carried.

**1658 (1628). IDENTIFICATION**

SUBJECT: The Secretary read a letter from the Deputy Minister of Agriculture confirming the understanding that nose-printing as a means of identification was on a trial basis.

ACTION: As reference to this understandng had been made in the President's message published in the July issue of DOGS IN CANADA, no further action was considered necessary.

SUBJECT: The Secretary reported on correspondence with Mr. R. G. T. Hitchman, Director of Canadian National Live Stock Records, regarding submission of unsatisfactory prints to the Records office.

ACTION: Mr. Fingard's communication was ordered tabled.

SUBJECT: The Secretary read a letter from the Ketchum Manufacturing Company, indicating that for the convenience of those who were writing them regarding nose-printing equipment, they wished to obtain a small supply of such equipment, for resale.

ACTION: The Secretary was directed to make this equipment available to the Ketchum Manufacturing Company at the price advertised in DOGS IN CANADA.

**1659 (1647). TELEGRAM FROM DIRECTOR C. G. BIGGAR**

REPORT: The Secretary reported that no reply had been received to the letter addressed to Director Biggar, as per the Board's direction at its meeting held on July 10th.

Jones, Toronto, was seeking to obtain registration of a German Shepherd Dog, registered by the Kennel Club (England) under the name CHRISTOPHER OF RENNBAHN, the dog being registered in the name of Mrs. D. J. Wright who is said to have brought the dog to Canada. The Secretary reported that Mr. Jones reported that he had obtained the dog through the local Institute for the Blind, when Mrs. Wright was prepared to give the dog away to a blind person. The Secretary reported that the present whereabouts of Mrs. Wright was not known nor had the Kennel Club (England) been successful in reaching her at her previous London address.

ACTION: The Secretary was instructed to refer the matter to the Registration Committee in the event Mr. Jones provides a certified three generation pedigree issued by the Kennel Club (England).

The Secretary reported that Mr. van der Meer had supplied what was purported to be a copy of the standard of the breed and pictures of this dog and these he had forwarded to the Secretary of the Dutch organization which issued the certificate provided by Mr. van der Meer, and the purported standard had been returned with a number of important changes and with an indication that the pictures reveal a dog that was "not an outstanding specimen of the breed".

DISCUSSION: The Board discussed the advisability (or otherwise) of recognizing a new breed when it is likely that no other specimens of the breed will be brought to Canada, or that any activity in connection with any breeding will follow.

ACTION: The Secretary was instructed to inform Mr. van der Meer that until such time as there are five specimens of this breed in Canada awaiting registration, the Board is not prepared to authorize recognition of the breed at this time due to the expense involved in setting up a separate register.

Hitchman, Director of Canadian National Live Stock Records, in which Mr. Hitchman stated that because of limited space for storage purposes it would be necessary to forward to the Club index cards prepared for use when the copy for stud books Volumes 52, 53 and 54 is prepared for printing purposes.

ACTION: It was agreed that such indexes should be forwarded to the Club for storage as should also that section of volume 52 which was prepared before it was decided to temporarily discontinue the publication of stud books. It was agreed that the Records Office should continue to prepare indexes for current registrations so that such indexes would be available when required.

RESOLUTION: It was regularly moved by Director Farmer, seconded by Director Spratt:

"THAT, the expenditures for July, as reported by the Secretary, be approved." Motion carried.

REPORT: The Secretary reported that sufficient funds had been realized on the sale of $7,000 worth of Provincial Bonds to purchase $8,000 worth of Hydro Bonds (guaranteed by Province of Ontario).

ACTION: The action taken in this connection was endorsed.

SUBJECT: The Secretary tabled financial statements for the period ending June 30th. These statements indicated that:

(a) Revenue at the Live Stock Records office had decreased by $8,783.16 in the first six months;
(b) Salaries (exclusive of DOGS IN CANADA) had decreased by $439.19 in the first six months;
(c) There was an estimated profit on DOGS IN CANADA of $835.71 for the first six months.

The Secretary pointed out that it was very difficult to fix a reasonably accurate estimate of loss on the first six months' operations for while, as the statements indicated, the monthly payment of $2,200 per month had been made to the Live Stock Records office (on account), transactions at the Live Stock Records office (registrations and transfers) had decreased considerably during the first six months of the year due to the identification situation.

ACTION: It was agreed that Director Farmer would interview Mr. R. G. T. Hitchman, Director of Canadian National Live Stock Records, with a view to determining the number of transactions for the first six months of the year, the per-transaction cost during that period and an arrangement for lowering the monthly levy so that it would be more consistent with the amount of work being handled for the Club.

The Secretary was directed to segregate travelling costs for all travelling in connection with identification from the regular travelling expenses. The Secretary was also directed to set up a separate account for any expenses in connection with the special general meeting held on July 10th.

REPORT: The Board considered the C.K.C. Representative's report of the show held by the Northumberland and Durham Kennel Club at Cobourg, Ont., on August 5th.

The Board heard Mr. Loveridge's personal report on the show, and agreed that after the Representative's report on any show which he attends in his official capacity has been considered by the Board, the Representative is to write direct to the show-giving clubs making any suggestions or recommendations on improvements for future shows.

DISCUSSION: Director Farmer suggested that the Club should protect itself by stating, somewhere in its rules or correspondence with clubs holding shows and trials, that the Canadian Kennel Club is not to be responsible for or assume any liability in connection with accidents, however caused, at shows and trials held under its Rules.

ACTION: It was agreed that action should be taken along the lines indicated by Director Farmer, and the matter was ordered held over for further attention.

SUBJECT: The Secretary read a letter from Director Mrs. Pat Randall regarding the attendance of the C.K.C. Representative at shows and the supervisory fee of 25c authorized by the amendment adopted at the last annual general meeting.

ACTION: In view of the policy decided by the Board when it last met (since reported to Mrs. Randall), no action was considered necessary.

SUBJECT: The Secretary read a letter from Director Mrs. Alsen who reported on the views of a number of local B.C. show-giving clubs regarding the 50c recording fee and the non-refundable date fee of $15.00 for sanction shows. Mrs. Alsen requested a certified copy of the amendment to the Dog Show Rules authorizing these charges.

ACTION: Following discussion the Secretary was directed to inform Mrs. Alsen that:

(a) At the annual meeting of the Board held in March there was a thorough discussion on the necessity of obtaining revenue through shows and trials; that at that time there was no objection to fees then contemplated except that the question was raised as to when such fees should be placed into effect having in mind those clubs whose premium lists for spring shows had already been printed and distributed;
(b) The Board had deferred definite action on the proposed fees pending results of the visit of the delegation to the Department in respect of our future activities regarding shows and trials;
(c) With the substantial drop in revenue, because of the identification problem, the Board felt that it had no alternative but to carry out, in part, the original plan discussed at the Dominion-wide meeting of the Board of Directors held in March;
(d) The Club's solicitor had expressed the view that the Board had the power to impose such fees;
(e) If Mrs. Alsen had any suggestions to offer as to alternative methods of obtaining revenue so that the Club could remain financially solvent, it would be pleased to receive such suggestions.

SUBJECT: The Secretary read a letter from the Victoria City Kennel Club, to hom permission had been granted to hold championship shows in Victoria on October 6th and 7th, regarding the granting of the dates, September 29th and 30th, to the Capitol City Specialty Dog Club of Victoria, B.C., for championship show purposes.

ACTION: The Secretary was directed to inform the Victoria City Kennel Club that the Capitol City Specialty Dog Club of Victoria, B.C.'s, applications had been approved on the recommendation of Second Vice-President Williams and Director Mrs. Alsen.

SUBJECT: Tne Secretary read letters from the Victoria City Kennel Club and the Alberta Kennel Club regarding the 50c recording fee.

ACTION: The Secretary was directed to inform these clubs that this fee was discussed at the annual meeting of the Board of Directors last March, and information regarding the necessity for such fee could be obtained by discussing the matter with their local Director.

SUBJECT: The Secretary read a letter from the Canadian National Beagle Club regarding the 50c recording fee.

ACTION: The Board agreed that no action should be taken.

SUBJECT: The Secretary reported that the American Kennel Club had enquired whether Hedley S. Weller, Toronto, Ont., is approved as a judge of Boxers, Great Danes, German Shepherd Dogs, Collies and Doberman Pinschers.

ACTION: The Secretary was directed to inform the American Kennel Club that Mr. Weller has our aproval as judge of these breeds.

SUBJECT: The Secretary reported that Director Mrs. Alsen had stated that she had not been consulted regarding a "monster outdoor dog show" held in Victoria in May.

ACTION: The Secretary was directed to obtain return of the newspaper clipping regarding this show, and make enquiries regarding the sponsors of the show.

SUBJECT: The Secretary read:

(a) A further letter from Vic Grainger, Field Representative for Alberta, regarding placement of guns at Retriever trials;
(b) A letter from O. E. Krog, Field Trial Representative for British Columbia, indicating reasons for placement of the guns other than as interpreted by Mr. Grainger.

ACTION: Following discussion the Secretary was directed to suggest to Mr. Grainger that he obtain the opinion of the various clubs in Alberta conducting Retriever trials, and if the majority of such clubs favour the interpretation that he has placed upon the Rules, then it would be quite permissible for him to submit a proposed amendment to the Field Trial Rules for the consideration of the Board of Directors. The Secretary was also directed to inform Mr. Grainger that the Board was of the opinion that while the entire country is concerned with any amendment to the Rules, it is quite permissible for a proposed amendment to be submitted which would call for a particular rule to be effective only in a certain area.

SUBJECT: The Secretary read a letter from James Haig, Cooksville, Ont., who reported that he had received prizes, won by his dogs, the non-delivery of which had prompted his complaint to the Board. The Secretary reported that Mr. Haig recommended that a penalty be set for any member who fails to deliver a prize that has been donated, that a penalty be set for any club failing to deliver a prize offered in its premium list, and that a show-giving club report those who failed to deliver prizes donated and published in a premium list.

ACTION: Mr. Haig's communication was ordered tabled.

SUBJECT: The Secretary again read a letter from Mrs. Mary Southcott, written on behalf of the German Shepherd Dog Club of Canada, regarding the offering of free stud services as prizes at a specialty show to be held by that Club on October 7th.

DISCUSSION: The Board reviewed its earlier discussion of this matter and agreed that it would be inadvisable to approve such prizes.

RESOLUTION: It was regularly moved by Director Farmer, seconded by Director Spratt:

"THAT, this Board cannot entertain this type of prize, in any premium list submitted to the Secretary for approval."

Motion carried.

SUBJECT: The Secretary reported that he had written the Vancouver Is. Dog Fanciers' Association regarding rosettes for group awards in connection with its show held on May 6th, and read a letter from that Club (to which was attached letter from the owner of a group winner at the show) indicating that rosettes were provided for dogs placed first in each group.

ACTION: It was agreed that no further action be taken, except that the Secretary point out the requirements of Chapter 5, Section 3, of the Dog Show Rules.

SUBJECT: Director Farmer raised the question as to what color or colors should be used for ribbons (or rosettes) provided in a "Parade of Champions".

ACTION: Following discussion it was agreed that green would be a satisfactory color.

SUBJECT: The Secretary reported that Director Mrs. Alsen had approved the following changes in list of proposed judges for the Retriever Trials to be held by the Pacific Coast Retriever Association on August 26th and 27th:

August 26th: J. Anderson, Mrs. Pat Knutsen, and Frank Andrews;
August 27th: W. M. Egerton, and Dr. J. A. Folinsbee.

ACTION: The Board endorsed the action taken by Director Mrs. Alsen.

### 1676. REGISTRATION OF CLUB NAMES

REPORT: The Secretary reported that the Cape Beagle Club had applied for the registration of its club name, that notice of such application had been published in DOGS IN CANADA, and no objection to the application had been received.

RESOLUTION: It was regularly moved by Director Mrs. Brown, seconded by Director Farmer, that this application for registration of a club name be approved. Motion carried.

### 1677 (1529). PROVINCIAL COMMITTEES

SUBJECT: The Secretary reported that Director Moore had recommended the following appointments to the New Brunswick-Prince Edward Island Provincial committee: William Laskey, E. W. Ritchie and Major Thomas Rogers.

ACTION: The Board endorsed Director Moore's recommendations and agreed that the committee recommended by Director Moore be appointed the New BrunswickPrin-ce Edward Island Provincial committee for the balance of 1950.

### 1680 (1637). FOXHOUND FIELD TRIAL RULES

REPORT: Director Farmer reported that no meeting with representative of the All Canadian Foxhunters' Association had yet been held regarding Foxhound Field Trial Rules. However, he hoped to present a report when the Board next met.

ACTION: The matter was ordered held over for further consideration.

### 1681 (1647). SPECIAL GENERAL MEETING—JULY 10th

SUBJECT: The Secretary reported that he had, as directed by the Board, written the Club's solicitor seeking his opinion as to the legality of the action taken at the special general meeting, held on July 10th, with regard to the "Board of Governors" and the contract with the Managing Editor. The Secretary reported that the solicitor had been provided with the chartered stenographer's report of the proceedings in respect of these matters.

The Secretary read the solicitor's letter of reply in which Mr. Wilkinson expressed the following opinions:

(a) The proceedings with respect to the appointment or election of a board of governors may be and should be disregarded;
(b) The only means by which a board of governors could be arranged for would be by an amendment to the Constitution of the Club in a formal way after the giving of all proper notice to the members;
(c) No notice was given that the question of a board of governors would even be discussed, and the action taken on this matter cannot be considered binding in any way;
(d) No attempt was made to define the duties or powers of the proposed board of governors;
(e) The motion passed regarding contract with the Managing Editor is not binding on the Club or the Board of Directors; that because of lack of notice that this matter would be brought up it was not a question which was properly before the meeting.

ACTION: The matters were ordered tabled.

### 1682 (1654). RE-ORGANIZATION

REPORT: Director Farmer reported that in accordance with the Board's wishes he had contacted the Department regarding the procedure which the Board contemplated following in respect to submission of the 1950 by-laws and the application for a new charter. The Secretary then read letters addressed to Director Farmer by Dr. J. G. Tagart, Deputy Minister of

Agriculture, and Mr. W. E. Peterson, Assistant Director of Production Services in the Department of Ariculture. These letters indicated that the Department:

(a) Was prepared to accept delivery of the charter when it is issued, and would notify the Club of its issuance.
(b) Felt that the by-laws adopted at the last annual eneral meeting of the Club were in harmony with the Live Stock Pedigree Act while "certain parts of the Constitution under which the Club is at present operating are considered to be at variance with the Act".
(c) Would not initiate any action to disturb the contemplated arrangement whereby the Officers and Directors of the Canadian Kennel Club would also act as Officers and Directors of the new organization:
(d) Felt that the legality of any arrangement between the Canadian Kennel Club and the new organization would have to be assumed by those parties directly involved.

RESOLUTION: It was regularly moved by Director Mrs. Brown, seconded by Director Spratt:

"THAT, we endorse Director Farmer's action in obtaining these letters and the letters be placed in the files of the Canadian Kennel Club". Motion carried.

ACTION: It was agreed that the procedure adopted on July 24th be followed and the Club's solicitor be instructed to apply for the charter forthwith.

**1683. ANNUAL MEETINGS—1951**

SUBJECT: The Secretary suggested that it would be advisable to reserve accommodation now for the Club's annual meetings in 1951.

ACTION: It was agreed that the 1951 annual meetings should be held on Tuesday, Wednesday and Thursday of the first full week in February, 1951, and the Secretary was instructed to seek suitable accommodation for such days.

**1684 (1658). IDENTIFICATION**

SUBJECT: The Secretary reported that a number of nose-prints submitted to the Live Stock Records office with applications for registration were obviously unacceptable and suggested that a notice should appear in the September issue regarding the submission, by applicants, of only nose-prints that could be considered acceptable for identification and registration purposes.

ACTION: The Secretary was instructed to place such a notice in the September issue.

SUBJECT: The Secretary expressed the view that it would be difficult for the person or persons chargedwith the responsibility for determining what constitutes an acceptable nose-print and what is not an acceptable print, to draw the line between those prints which would be accepted and those which would be rejected.

ACTION: It was agreed that Director Farmer should discuss this point with Mr. Hitchman, Director of the Live Stock Records, so that a common understanding of what constitutes an acceptable print would be more clearly understood between the respective offices.

SUBJECT: The Secretary read letters from two members who felt that because of the delay in obtaining approval of nose-printing as a method of identification the minimum registration rates should apply for any applications which were held in abeyance, by applicants, pending settlement of the identification issue.

ACTION: It was agreed that those who voluntarily held applications in abeyance rather than proceed with registration on the basis of the one method of identification that was available did so of their own volition, and that many who had delayed submission of applications for registration for no reason whatsoever would take advantage of any such policy if initiated by the Board.

**1685. OBEDIENCE TRIAL RULES**

SUBJECT: The Secretary reported that by reason of a resolution adopted at the Club's annual general meeting in 1948 the "Regulations and Standards for Obedience Trials" as adopted by The American Kennel Club were effective for Obedience Trials held with the permission of the Canadian Kennel Club. The Secretary sought an instruction regarding deletion of those sections which were not consistent with the Club's present Obedience Trial Regulations and those deletions previously ordered in connection with earlier Obedience Trial Rules.

ACTION: It was agreed that the deletions which applied in connection with the 1947 A.K.C. Rules should apply in connection with the new Rules, these deletions being recognized in the form of amendments adopted at the annual general meeting held in 1948.

**1686. CERTIFICATES**

SUBJECT: The Secretary sought an instruction regarding Certificates for Field Trial Championship and Obedience Trial titles earned at trials held under the Club's Rules.

ACTION: The Secretary was instructed to follow the same policy as set by the Board in connection with Championship Certificates for bench show dogs.

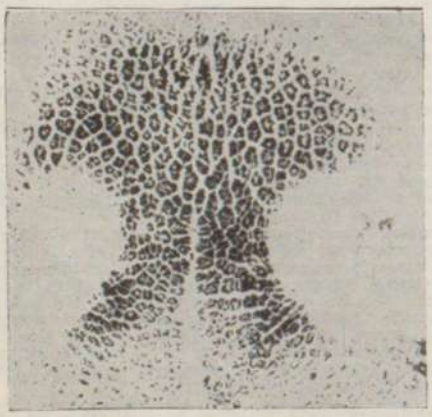

**1689. ADJOURNMENT**

At 6.55 p.m. this meeting of the Board adjourned, on motion by Director Spratt, duly seconded and carried, to reconvene at the call of the President.

(NOTE: The foregoing minutes are subject to correction when presented to the Board for adoption.)

# Notice to Those Using the Nose Print Method of Identification

For the benefit of those who are in some doubt as to what an acceptable nose print looks like, an illustration of a good one is herewith published.

**Note the grooves running through and around the pores. These grooves are as distinctly different as the pores themselves and can be read by ordinary eyesight.**

# REGISTRATION and IDENTIFICATION

Before a dog may be registered individually in the records of the Canadian Kennel Club, the dog must be identified by one of the two recognized methods of identification set forth in the Club's Constitution. The two recognized methods are: (1) Tattoo markings; (2) Nose-prints. A copy of the new regulations on identification is available by writing the Canadian Kennel Club, 667 Yonge St., Toronto, Ont.

These identification requirements apply to ALL unregistered dogs regardless of where or when they were born, or by whom they are owned.

If a dog has been tattoo marked, in accordance with the regulations on tattoo markings, then the application for registration form must clearly indicate the tattoo markings that have been placed on the dog.

If a dog has been nose-printed, in accordance with regulations on nose-printing, then two nose-prints, on official nose-print forms obtainable from the Canadian Kennel Club, must accompany the application for registration.

All applications and fees must be submitted direct to the Canadian National Live Stock Records, Ottawa, Ontario.

Information on tattoo marking or nose-printing of dogs for registration and identification purposes may be obtained by writing the Canadian Kennel Club, 667 Yonge Street, Toronto, Ont.

Dogs that have been registered individually in the records of the Canadian Kennel Club do not have to be re-registered.
