SPRATT'S

"CRISP-BAKED" DOG FOODS

Unexcelled for smaller breeds

Convenient bone shape

A healthful change

Ideal for puppies 6 weeks to 3 months

The world's standard for 75 years

For all Dogs

The best is the most economical. Nowhere does this principle apply more completely than in the care and feeding of dogs.

Owners and breeders all over the world, who use Spratt's, find that it pays rich dividends in healthier, more uniformly developed dogs that show better and command a better price.

It's easy to understand why Spratt's DRY dog foods are better, when you consider that Spratt's have the experience of over **eighty years** of infinitely patient work in helping breeders and owners to develop finer lines and finer kennels.

There's a Spratt's for every age and breed. The special patented "Crisp-Baked" process provides the most natural and complete dog food obtainable. Twice as nourishing as meat alone, its crunchy texture and tested ingredients exercise jaws and stimulate digestion to build powerful, close-set teeth, sound bones and strong, uniform muscles.

Spratt's Dog Meal too is excellent for breeders. It has been produced through many years of experience for which Spratt's are famous.

Now is the time to give Spratt's a real test in your kennels. You'll be well repaid in proudly poised, clever, courageous dogs whose coats are thick and shining.

SPECIAL FREE OFFER to owners and breeders. Write for your sample of Spratt's Weetmeet #1 for puppies up to 3 months. You'll be pleased with the results. Don't forget to ask for a free copy of the new edition of Spratt's excellent booklet (100 pages) "Guide to Dog Management".

Our Cover

The cover dog this month is the West Highland White Terrier, Eng., Am. and Can. Ch. Shiningcliff Sprig, owned by Mrs. J. H. Daniell-Jenkins, Kennels of the Rouge Reg'd., R.R. 3, Pickering, Ontario.

Imported from England last fall, Sprig was not shown in Canada until June of this year, when his record was spectacular. At his first show, at Barrie, Ont., he went from open dogs to Best of Breed over a Canadian record bench of 17 Westies, including six Champions, and won the Terrier Group. The next week, at the Progressive Kennel Club show at Dixie, Ont., he went up from open dogs to Best in Show. He completed his Canadian Title at the first of the Lakehead Kennel Club shows at Port Arthur, Ont., on Aug. 9th, and also placed in the Group.

His wins in the United States include third in Group at the Tonawanda Valley K.C. show at Batavia, N.Y., and a 4 point win to Best of Breed at Plairfield, N.J. He completed his U.S. Title at Williamsport, Pa., on July 22nd.

Sprig is noted especially for his magnificent coat, which in texture, quantity and whiteness, many claim is unexcelled by any other Westie on the Continent. He is also one of the generally soundest terriers we have come across. As a Sire he should make a considerable contribution to the North American Westie fancy.

Whelped Aug. 3, 1947, out of Freshney Folly, he was bred by Mrs. J. Finch of the noted Shiningcliff Kennels in England. His Sire is the famous Eng. Ch. Shiningcliff Simon, the only Westie to date in the United Kingdom to win a Best in Show (at Glasgow) and two years ago Reserve Best in Show at Crufts.

Kennels of the Rouge also feature Bullmastiffs, the leading stud dog being Int. Ch. Robin of the Rouge, Sire of 5 Champions, with a Best in Show and 13 Group placings to his credit. Other Bullmastiffs of note include one of his sons, Int. Ch. Rouge of Eldona (2 Group placings) and a young English import, Tudor Queen of Le Tasyll, who before ten months of age has already achieved two group placings.

Kennels of the Rouge are situated on No. 2 Highway, one mile east of the Lansing cut off. Visitors are always welcome.

The Royal Family and Their Dogs

by Macdonald Daly

AS I sat last week in the eyrie from which we televised the International Horse Show, and watched the huge crowd which had gathered on King's Cup night, I reflected on how similar was this public interest in Royalty-attended horse shows to the interest of forty years ago in Royalty-attended dog shows.

For Princess Elizabeth was there, ready to present the King George V Cup and there were hundreds in the White City stand who, it was clear, had come along on this particular night just as much because the Princess was there as because this was a big event night.

Similarly did the Princess's great-grandmother, Queen Alexandra, help to foster public interest in dog shows early in the century.

Both as Princess of Wales and as Queen, Alexandra was an active and enthusiastic exhibitor of Borzois, Basset Hounds, Pekes, and Japanese Spaniels.

When the Ladies' Kennel Association was formed in 1895, the then Princess of Wales not only entered for shows but attended them as well.

There had been considerable opposition, by old fashioned parents, to dog-showing as a hobby for their daughters —but no one could protest against a pastime to which the Princess was not only giving her patronage and support but also her time.

And these days, without doubt, saw the first steps towards what is now the ascendancy of women in the dog-showing game.

As I looked back last week-end, through some old Kennel Club stud books and other relics of that period, I came on some fascinating details of the dog-showing activities, not only of Queen Alexandra but also of King Edward VII and of Queen Victoria.

The first Borzois to arrive in Britain, for instance, were the property of Queen Victoria. She received a brace as a gift from the Czar, and the public hailed them as "Russian Fantailed Greyhounds" or "Siberian Wolfhounds."

Society took them up. They became the dog of the fashionable home. The Czar sent over other specimens as gifts to the Prince and Princess of Wales. Borzois began to be seen at shows, and it had only to be mentioned that a Borzois was on exhibition for great crowds to collect round its bench.

Princess Alexandra made her Borzoi, a tall and beautiful white hound whose only markings were on his head, her constant companion. She named him Alex, and showed him freely at all the championship events. In one of my old stud books, for instance, I note that he was a winner, in 1897, at Leicester, the Crystal Palace, Birmingham and Earl's Court. At Birmingham in that year he won the challenge certificate, and the Princess continued to show him until he became a champion —Champion Alex.

Many pictures have been handed down to us showing the lovely Queen with Alex by her side.

His Majesty King Georges VI with his favourite dog "Crackers"

At Cruft's and other shows of the late nineties, not only the Princess but the Prince also won prizes with Basset Hounds. And the Prince showed an importation of which he was extremely proud—a Siberian sledge-dog named Luska, a big dog with a rough husky's coat, a black head and a white body.

Ten years later, when the Prince had become King Edward VII, Queen Alexandra owned the most successful kennel of Basset Hounds in Britain. All her dogs carried the Sandringham prefix, and Sandringham Bobs, Sandringham Vanity and Sandringham Dido became champions.

Nowadays only half a dozen or so Basset Hounds appear at even a show like Cruft's. But when Queen Alexandra was showing there might be a hundred entries. And many of them, including the Queen's, were rough-coated Bassets, now nearly extinct.

Although Queen Victoria's interest in shows was never as great as that which was to be shown by her daughter-in-law, she nevertheless owned over the years a vast variety of dogs, exhibited many of them, and did much to "make" the popularity of such breeds as Collies, Pekes and Poms.

She became very closely attached to some of these dogs. As a girl of 13 she wrote in her diary that "I dressed dear, sweet little Dash in a scarlet jacket and blue trousers . . ."

At 18, when she had been Queen for just over a year, she recorded that "I sent for Dashy, whom Lord Melbourne accused of having crooked legs, which I would not allow. We put him on the table, and he was much petted and admired by Lord Melbourne. . . . We gave him tea, and Lord Melbourne said, 'I wonder if lapping is a pleasant sensation, for that is a thing we have never felt.' . . ."

Of all Queen Victoria's dogs, surely the one with the most romantic story was the Pekingese, Looty, which lived to the age of twelve and had her likeness passed down to posterity by Landseer and other artists.

Looty was one of the first five Pekingese to come to Britain. He had been one of the hundreds of treasured

dogs of the breed which lived within the walls of the Summer Palace in Peking.

When in 1860, in the first Chinese war, a French-British force marched on Peking, most of the court fled.

The looting British soldiers stormed through the Summer Palace, and found in her apartments the body of the Emperor's aunt, who had committed suicide rather than set eyes on the "foreign devils."

Guarding her, frenziedly barking their grief and defiance, were her five Pekingese dogs.

In other parts of the Palace were found the bodies of others of the royal dogs, which the Chinese had killed to prevent them falling into the invaders' hands.

The five surviving Pekingese were brought to Britain, where the British general presented Looty, a fawn and white, to the Queen.

Much about the same time, Queen Victoria, on one of her visits to Balmoral, became attracted to Collies.

They, till then, had been shepherds' dogs pure and simple, with no pretensions to great value or to appearance in the show ring. But the Queen, watching them at work in the Highlands, was so impressed by their looks, their sagacity and their extreme devotion to their masters, that she took one back to Windsor with her.

Her action drew public attention to the breed, and Collies grew rapidly in public favour. Soon they were leading the way as the most popular and high-priced dogs of the day, and it was a Collie, Southport Perfection, which was (in the eighties) one of the first dogs to be sold for £1,000.

But the most striking instance of what Queen Victoria's interest could do for a dog occurred when, after her visit to Florence in 1888, she decided to have a Pomeranian.

The Pom, on his first arrivel in this country as the sheepdog of Northern Germany, was just ten times as big as the specimens we know today—he weighed 30 lb. and bore strong resemblance to the modern Keeshond.

But it was found that the breed had a habit of producing one or two pups in each litter which remained miniatures, though in coat, shape and expression they retained the characteristics of their parents.

These miniatures proved of more interest to the British dog-lover than had their ragged-looking progenitors, but in spite of this the Pomeranian was very nearly extinct when Queen Victoria adopted one as her particular household pet.

A little later she founded a kennel of Poms—and then she started to exhibit them at shows. She and a Miss Hamilton, from Bath, enjoyed a great rivalry, and it was not uncommon for their exhibits to share all the first and second prizes between them.

The Queen's Pomeranians were at first about 16 lb. in weight, but as public enthusiasm for the breed once again followed the Royal lead, the greatest vogue was enjoyed by the very small Poms—particularly those of the dashing, unusual colours, golden, orange, sable, blue, which the experts began to evolve.

A special pet of Queen Victoria, late in her life, was a Pug named Bully, a very small and cheerful-looking fawn dog which had been a gift from Prince Albert.

Bully, like so many of the dogs at Windsor, lived to a great age, and was accorded at least one special privilege which has been recorded — he was allowed to sleep in his keeper's bed because his smooth, thin-coated skin, made him particularly susceptible to cold!

Favourite shooting dogs of both King Edward VII and King George V were Clumber Spaniels, which were originally introduced at Sandringham because they were so immensely suited to the conditions there—the acres of bracken in which a bird could run long distances in concealment. "A Clumber," King Edward once said, "can do the work of three beaters," and he used them in teams of four to six.

It was King George V., acknowledged one of the six best shots in Britain, who brought show fame to the Sandringham Clumbers. In 1934 he entered a team of them for Cruft's, won the challenge certificate with the beautiful headed Sandringham Spark, and secured first place also in the classes for best brace and best team.

His Clumbers were not allowed to retrieve during shooting outings on the Sandringham estate. Their job was simply to flush the game. Retrieving was left to the yellow Labradors.

Labradors were first introduced at Sandringham in 1911, and were exhibited at various intervals through the years. To-day they have superseded the Clumber as the favourite Royal shooting dog.

It was with a black Labrador, Sandringham Stream, that The King won the cup for best Gundog at King's Lynn just before the war. It was with a yellow Labrador, Windsor Bob, that he won the open stake at the Kennel Club Retriever trials three years ago—first time he had entered a dog for such an event.

The Sandringham kennels have always been run on model lines. They were built as far back as 1879, but they have been kept up-to-date.

The main block consists of 14 self-contained kennels, each with an enclosed run, and there is a large paddock reserved for exercising purposes. The head kennelman's house is close to the main block.

The King's brothers and sister have all shared his enthusiasm for dogs. The Princess Royal has bred and exhibited Dachshunds; the Duke of Gloucester won prizes, just before the war, with a Bullmastiff named Hugo Stingo; and the Duke of Kent made his Great Dane, Midas, a champion.

If anyone thinks that the Royal lead is not followed as much nowadays in the matter of which breed of dog it is best to own, as it was in Victoria and Alexandra's times, I would remind them that the Welsh Corgi, first recognized by the Kennel Club no more than 23 years ago, was by last year the fifth most popular breed in Britain.

And I suggest that this phenomenal progress owed much of its impetus to those pictures which appeared so often throughout the 'thirties, of a small, fair-haired girl accompanied by one or more Corgis—leading them, for instance, down the steps at Glamis railway station, playing with them on the lawns at Windsor.

For that small girl was, of course, Princess Elizabeth.

—Courtesy Dog World, England.

Among the many congratulatory letters received regarding the September issue of Dogs in Canada which featured the Welsh Corgi, is one from the Lady in Waiting to Her Royal Highness Princess Elizabeth, Duchess of Edinburgh, which expresses the Princess's delight with that special issue.

From the B.C. Ladies' Kennel Club of Vancouver, comes a very happy letter. On May 23rd and 24th of this year the B.C. Ladies' Kennel Club held two dog shows. They have now completed the collection of all receipts and paid all expenses in connection with the show, leaving a net balance of $1,112.27. These shows were sponsored on behalf of the Comfort Fund of the 25th Brigade Overseas.

The benching of the show on behalf of our troops, to which approval was received from Ottawa, as well as the loyal support of Army officials in that area calls for some statement to the public, according to the B.C. Ladies' Kennel Club. On their behalf then we not only commend them for their gallant gesture but take pleasure in presenting their statement of accounts.

The Rabbit-Hunting Beagle

by L. E. Eubanks

BIG game hunters, men who have the leisure, means and courage to go into foreign jungles for elephants, lions and tigers, can laugh at the rabbit-hunter all they please; there are too many of the latter for their extinction. Rabbit hunting may be plebian, inexpensive, without risk, too close to home, and all those other things some writers have said; but it is great sport and possibly some of its apparent faults are really virtues.

For the sportsman who gets his keenest enjoyment from his dog's work, trailing and chasing bunny is just as pleasurable as lion-hunting. No man who gets his biggest kick from hearing dog music on the trail can do better than go out with a pack of beagles. The lion-hunting Airedale is a more courageous dog, greater in many ways; but there is no finer voice in the dog world than that of the happy little beagle hound.

For the maximum of sport, you'll want a pack of beagles, six or eight; but you must not train them as a pack. Teach them individually; then each will hunt for the nest or trail, and the whole pack will "open up" and work as a unit when one dog has jumped the game.

The beagle has his height at nine months of age, though complete maturity does not arrive until six or eight months later. There has been a great deal of useless discussion as to the best age at which to begin training. Since even young dogs must have exercise, they might as well be going in the right direction. Your caution should be not to overwork him nor expect too much of him. This is his kindergarten course.

Generally, a beagle will be interested in running rabbits by the time he is six or eight months old, and from then on his training may proceed rapidly.

The practice of training a puppy by working him with an experienced dog has both good and bad points. Nearly always he will learn to find bunny quicker than when alone, simply because the trained beagle finds game more easily than you can for the puppy. But if the older beagle is a fast dog and enthusiastic on his own hook — as most of these dogs are — he will run right away from the youngster. The latter will cry then, because he can't keep up, and the first thing you know he has formed the "constant yap" habit. The dog that barks all the time is as big a fool as the one that won't bark at all. Nearly always the best "mentor" for the puppy is his mother; he will work to better effect with her than with any other dog.

It may seem strange, but experience has proved that chasing (sight running) should be taught before trail-finding. What you want is the chase and the music, and to insure this at its best the dog's greatest interest must be in capturing the rabbit, rather than in the trail itself.

Fortunately, too, in this form of sport the easy capture of a live rabbit, makes it entirely feasible to give the puppy all the sight running lessons he may require. Merely interest him in the rabbit as you hold it, then put it down ahead of him and motion for him to pursue. A few repititions will whet his interest to a keen edge, especially if you arrange for him actually to capture the game.

Training the puppy without others of his kind, you have to make a dog of yourself, as it were. Take him right into the cover and search for a rabbit nest. When the game is scared up, the pupy may surprise you, if he sees it plainly, and give instant chase. But if very young and wholly inexperienced he will, most likely, stay with you unless he has been taught sight running.

The idea now is to teach him to handle the rabbit trail; no rabbit dog, no matter how fast a runner, is thoroughly equipped for business without that knowledge.

Assuming that you have seen the rabbit, take the puppy to that place, get down on your all-fours and pretend to be searching for something. The dog will stay close to you and be much interested. Snapping your fingers, get his head near the ground, and nine times out of ten he will scent the trail. Coach him along with your hand, so that he will sense that the odor runs off over-ground instead of downward. Some puppies, when they first get a scent, want to dig straight down for the animal!

This may not work the first time, but it will not have to be repeated often—not with a beagle pup—until he will catch on. Selection of good trailing days, damp rather than dry and dusty, will help by making the scent easier of detection.

Of course the trail will soon sidetrack and puzzle the youngster. Then if you have seen which way the rabbit went, you can put your pupil right again. But let him work with the problem a while. If he gets the pick-up by his own efforts a big step has been made, for he will never forget it.

If necessary, "circle" with him, keeping his nose down with a coaching hand, as before. Once he re-finds a trail in this way, he will circle of his own accord afterward. The hound's wonderful instinct for trailing seldom needs much instruction.

After the puppy has learned to roust out a rabbit for himself and trail it, another danger confronts the trainer. The youngster will overrun; when he loses the rabbit he will rush right on headlong and in a moment be utterly confused. Some dogs will set about earnestly to find the trail, and they should be permitted to try; but any disposition to loaf and stall, nosing around in a half-hearted way, must be nipped in the bud. Take the little hound up and try him on a new run, giving him some easy job at regaining a trail — this for encouragement.

Some puppies give up immediately when they lose the trail, confess themselves beaten and go back to their masters. The only way to cure this is to increase the dog's interest in his work. The best way is to get him into the actual chase of a sighted rabbit. In the meantime — until this happy event comes off — take him back to his job and work with him. Be careful, however, not to overtire and disgust him. Short daily workouts are more satisfactory than half a day once or twice a week.

On the other extreme, we have the dog that can hardly be made to give up a trail, even a hopeless one. You have to be firm with this type, or he will exhaust himself and you — possibly get into trouble by trespassing on posted territory. Don't whip him, his ambition and grit are commendable, but gently force him to come when you call him off.

In dealing with a beagle, you need not worry over his barking at the right time. His judgment and discretion in this respect are simply marvellous. He knows when to use his voice; he does not tongue when looking for a lost trail. A fox cannot hide out to one side and laugh at a beagle; because this dog makes so little noise when puzzled that he is liable to spring a surprise at any second. Many foxhounds keep Reynard constantly informed as to their exact whereabouts with their ceaseless noise.

And the beagle has other qualities that help to make him a good foxhound; his being the premier rabbit dog doesn't preclude usefulness on other game. He has sufficient speed, can out-

run a fox on open ground, and he has the bottom to keep it up. He will run twenty hours out of twenty-four and keep it up day after day — if his master is foolish enough to permit it. He can navigate the snows and thickets just as well as the fox can, and he can dig "like nobody's business". What's more, he can kill the fox when it is dug out, and do it in quiet, workmanship style.

As one fellow expressed it, a beagle could not track a wood mouse as a weasel does, but he seldom fails to get a nose full of rabbit. Any dog that can take the straight double of a cottontail after bunny has done 200 or 300 feet of it has a good nose, and this any good beagle will do. And he will not often fool you; the music box will not open up until he is off again.

BEST IN SHOW

The Great Dane, Canadian and American Champion Lorelei won her 10th Best in Show All Breeds and 20th Working Group award at the Victoria City Kennel Club Show held at Victoria, B.C., on Sept. 8th. The judge is Walter Pym and the proud owners and handlers are Mr. and Mrs. Johnny Long of the Dollymount Kennels, Rte. 11, Box 82, Tacoma, Washington, U.S.A.

When Your Dog Rides

TWO of my sportsmen friends returned from a day's hunting with very little game but some new information about dogs — new to them.

One of the dogs they took would not ride in the automobile without being held. and because of his desire to stay on the ground the other three, too, were allowed to "foot it".

I warned Fred, one of the hunters, that the distance to the game fields was too great, that the dogs would arrive too tired for work, but he laughed at me. "How about the dogs of the North?" he asked. "They go forty or fifty miles a day on the run and draw a load."

"Go ahead then," I answered; "you'll find out that your setters and pointers are not Eskimo dogs."

The mistake that Fred and Carl made is more common than might be supposed — the belief that dogs possess unlimited endurance. The ability of the northern dogs is no more a measure for dogs in general than the endurance of a bunch of Marathon runners is for men in general. The Eskimo dogs are trained for their work and little or nothing else, and come of an ancestry that has always been so used. Furthermore, they are not asked to do their best work after a long journey—as Fred's dogs were.

Dogs differ extremely in their willingness to ride. Some take great pleasure in it; they will board a train or jump into an auto, sit and look out, or curl up and rest, in perfect contentment. I have seen dogs that loved a canoe like a farmer dog loves the team he follows: there are even aviation dogs, most frequenty small terriers, that guard a hangar or go with the birdman and assist him in several ways during a flight.

But in spite of all this, riding is not quite natural for dogs. Though some enjoy it and seem never to suffer from it in any way, others will never ride willingly. Some, too, who at first find it disagreeable are trained into it, in a measure. It depends somewhat on the breed and size, also on the place. Any of the small house dogs usually ride willingly, whereas a big outdoor dog can hardly be forced to stay aboard. Some hunting dogs will ride when in town, but as soon as the car gets out a ways and a few birds appear, these hunting dogs want to nose about and run.

When a dog dislikes to ride and has to be held or tied, he usually has a reason. And even when he hasn't, the situation has its dangers — when dogs are made extremely nervous and tired by riding. Sportsmen living in a city usually take their guns, fishing rods, dogs, etc., in a car to the hunting grounds, and they are often vexed and mystified to find upon arrival that the dogs are disinclined to hunt. They are too nervous, and often actually sick, much as persons get seasick on a voyage. Car sickness is not at all uncommon on trains.

The dog that does not actually suffer from riding wants out for other reasons. It may be "just a fool notion to tear around and exhaust himself", but you better stop the car and let that dog out or secure him in some way, for he is likely to jump the first time you forget him for a moment. I saw a cocker spaniel jump through the open window of a street car and get almost killed by landing in front of an automobile. Similarly, I once took a shepherd dog into a buggy with me and got him nearly killed. He sat by me, trembling, and the first time I took my hand from his shoulder over the dashboard he went! He landed clumsily, for we were going fast, and the front wheel ran over him before he could recover his legs — though he wasn't seriously hurt.

The injuries are not always to the dog. Many run-aways have been caused by dogs' leaping out of horse-drawn vehicles, and many canoes have been upset, often with dire results, in a similar way. It is best never to take a dog into a small, easily tipped boat of any kind — never a dog that has not shown exceptional adaptation to riding and a high degree of self-control.

Generally, the owner's reason for wanting his dog to ride is commendable. He dislikes to see the animal exhaust himself, especially on a hot day, trying to keep up with the vehicle. Rapid transit has certainly been hard on dogs; but the better way, when riding is injurious or extremely distasteful to your pet, is to slow down your car. Use forethought and if you are going to have to travel at speed that will distress the dog leave him at home for that trip.

When you do take the dog into your car the worst thing you can do, if he is either nervous or subject to car-sickness, is to make him lie down on the floor. Many people in travelling across the ocean have found that they become sick if they remain below in a cabin, but suffer much less when they stay up on deck where they can see the water and the ship's surroundings.

The same principle applies to the riding dog. If he will "stay put", the running board is a good place for him, but when inside he should be allowed to sit where he can see the ground and the objects you are passing. The sway of the car is more pronounced at its rear end, and for that reason the front seat is a somewhat better place for the dog.

With both sides weighed — the injury from too long a journey on foot, and the unnaturalness of riding—what is the right course? Very simple; let the dog ride part of the time, and run occasionally. This is better for both dog and hunter, since the animal will not stiffen in his muscles as he does from a long continuous ride.

Watch the dog's eyes; if they water much when he is riding and he sneezes frequently he may be contracting conjunctivitis or rhinitis. In simple language, these mean inflammation of the eye and of the throat, respectively. Dr. W. J. Lenz, professor of veterinary anatomy, states that these disorders may easily develop in a dog that rides too continuously in an open car.

CORRECTIONS

Cocker Spaniel Specialty Club, held at Winnipeg, reported in the September issue of Dogs in Canada. The German Shepherd, Villa-Carlena Nona-Aventia was given 1 point. Should have read 3 points.

From Pillar to Post

DOG OWNERS ARISE! Too long have you tried to conceal from your dog the fact that he really owns you. Dog books and dog doctors, muttering incoherent statements about Training and Psychology, are no help; you are left holding the bag, one end of which has already been chewed away, like everything else you possess. I am no expert. My house is thoroughly dog-broken. But I do not intend to leave my fellow man with his dog having the upper paw in the household.

I believe my predicament to be a valuable case history. Things started badly when I bought my dog. I didn't select him; he selected me. I had wanted to buy several puppies, but Phyllis, my wife, claimed this was too much for a small apartment, so I decided to get as much dog as possible for my money—a Great Dane. I was looking critically at a batch of puppies when one of them galloped over, sat down heavily on my feet and looked me over carefully. I couldn't move, so I had to look at him, too. He was obviously admiring me. Next he took my trouser leg in his mouth and shook it playfully, possibly to test the quality of the material. Then he gave several pleased wiggles, attempted to climb up on me and washed my hand thoroughly with a salmon-pink tongue. Then he sat down again on my feet and admired me some more.

I had been chosen.

Several months have passed. He weighs roughly 82 pounds at the moment, but he thinks he is a lap dog and as such entitled to climb on my chair whether I am in it or not. His mouth is already large enough to contain my arm and, when I am giving him a bath, does. His voice is a beery sort of baritone.

My training methods seem to lack something. I have found that the very first step must be to Gain His Confidence. To accomplish this, I sit on the floor next to him and say, "Good little dog!" This is a flat lie and he knows it, being well aware that he is neither little nor good. He backs away several feet and turns up his eyes at me with a wary "You-are-up-to-something-tricky-and-I'm- not - going-to-like-it" expression .

I reach out reassuringly and pat his nearest paw. He withdraws the paw and licks it fastidiously.

I attempt now to get his attention by cupping both hands and saying coyly: "Guess what I've got here?"

Showing signs of interest, he nuzzles into my hands. I am caught flat-footed with nothing in them.

When I first got him I called him Gilbert, but the only word he always answers to Food, so I generally call him that. Since I have known Gilbert, or Food, I have had few square meals at home. This is because he is adept at a quiet, effective sort of bullying. When I start to eat, he looks at me tragically. He sighs. Feeling like a heartless gourmand, I move a morsel of food towards my mouth. Gilbert's glance never wavers; he drools slowly. I give the morsel to him cursing.

Sometimes I decide to have a romp with Gilbert. Crouching on all fours, I advance on him, barking several times. He likes to humor me by pretending he thinks I'm a dog. With a happy yelp he skids around a chair and dashes upon me from behind. I am now flat on the floor with him on top of me. He wants to pretend he is shaking me by the neck. This is too difficult unless he actually does shake me by the neck. So he does. I get up and brush myself off. I am through with the romp. But he isn't. He gets my tie in his teeth and hangs from it. It is some time before I get my breath.

He still refuses to stop. It is therefore time for me to Punish Him. I decided to lock him in the bathroom. This consists of the following steps:

1. He instantly senses my purpose and scrambles into the bedroom and under the bed. 2. I rush after him and say, "Come out from under there this minute! 3. He doesn't. 4. I get down on the floor and look under the bed. We face each other silently for a moment, each trying to outstare the other. I blink, which gives him the round. 5. I mutter several dire threats. so does he. 6. I hold out my handkerchief, hoping he will grab it and pull, thereby enabling me to drag him out. 7. He grabs it and pulls. 8. We are now both under the bed. 9. I seize him firmly and wriggle out. 10. I shove and pull him into the bathroom and back out, closing the door and catching my hand in it. I turn on the radio full blast and enter the kitchen singing loudly, hoping that both noises will distract him.

Gilbert who would sleep soundly through a collision with another planet easily detects the noiseless opening of the icebox. No soonor do I reach for a roast-beef bone than Gilbert utters a series of agonized cries giving the entire neighborhood the impression that I am murdering him.

Five, seven times a day, it is Time to Take HIM Out. Gilbert dances with mad joy as I attach his chain and, in a series of chamois-like bounds, he preciptates me to our apartment elevator.

If Gilbert is in luck there will be another passenger, a short, stout, red-faced gentleman who lives on the floor above for whom Gilbert feels warm affection. He at once places both front paws on the little man's carefully groomed shoulders, his tongue quickly and deftly leaves a long moist streak from chin to forehead.

The little man's face becomes even redder. He does not Understand Dogs. I know he doesn't because the first time this occurred, I said reassuringly, "It's all right, he's friendly." To which he replied, "I'M not."

Once outside, Gilbert and I spend a lot of time standing by trees and lamp-posts, while one of us reads a newspaper. It is frequently necessary for me to pretend that I do not know Gilbert, though this is difficult because of the chain which connects us.

I now know all Gilbert's moods and it does me no good, but two of them may forewarn you in case you plan to have a dog.

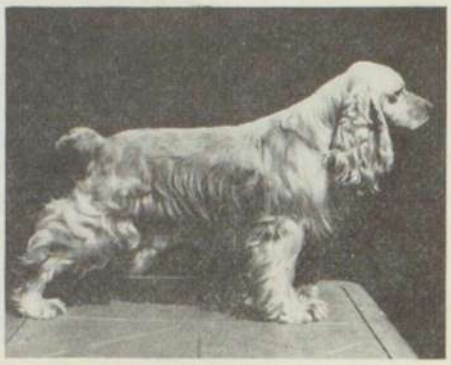
1. The Hooray-Hooray-a-New-Day's Dawning! Mood. This manifest itself twice a day. At 6 a.m. Gilbert lands heavily on my stomach, knocking both breath and sleep out of me. And about midnight, just after he has been bedded down, he insists that I throw his rubber bone for him or take him out with my coat over my pyjamas. There must be some way to stop this.

2. The I - Was - Asleep - and - some - Bad - Man - Must - Have - Come - in - and - Torn - That - Bedspread - to Bits Attitude. This is accompanied by a brazen simulation of overwhelming joy at my entrance and is not convincing because of the large piece of cloth Gilbert unconsciously carries on his dewlap. One method of avoiding this is always to leave your bed bare to the springs until retiring.

The curious may ask why I have a dog at all—but not the wise. The answer, of course, is simple. In Gilbert I have found a being to whom I am superior in many ways. He cannot drive a car. I can. He cannot wash dishes, run errands, or do dozens of other things Phyllis considers necessary. In fact, Gilbert is a living, breathing answer to her contention that I am the most inefficient form of life yet devised.

He is also the finest dog in town, even if he did tear up the best parts of this piece.

New Champion



The Cocker Spaniel Ch. Valley Ridge Rodney, bred and owned by Mrs. Frederick Bee of Islington, Ont., completed its championship at the Progressive Kennel Club held at Dixie under judge Maxwell Riddle. This lovely cocker also won Best of Variety at the same show. His sire is Glen Rouge Rattan and his dam Bucksburn Honey Lassie.

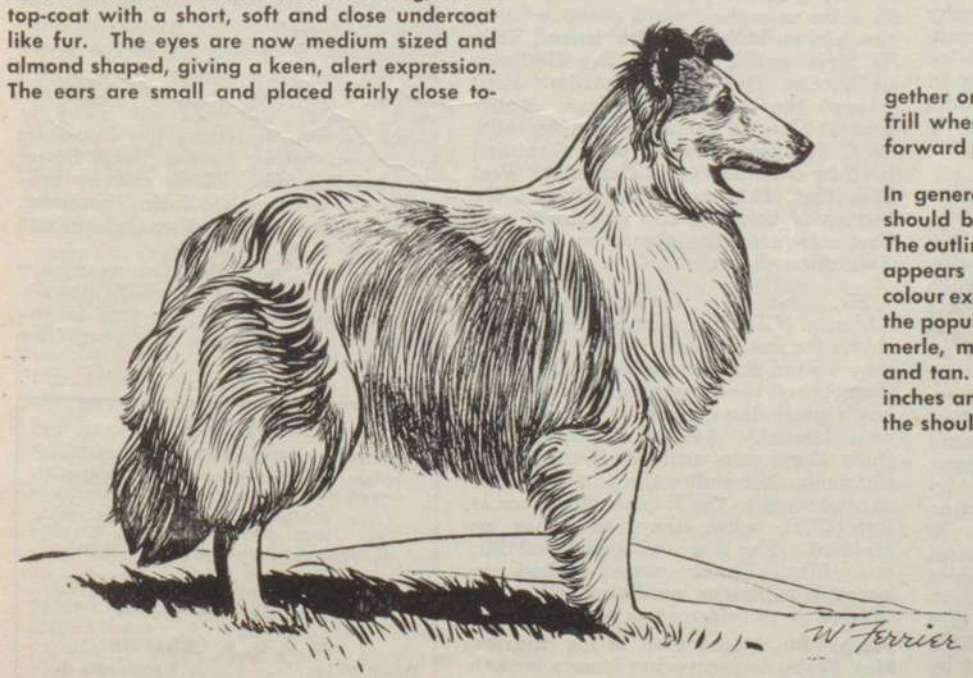
KNOW YOUR BREED

BY ALVA McCOLL

THE SHETLAND SHEEPDOG

Diminutive in size like the other animals of the Shetland Islands the Shetland Sheepdog is often referred to as the "miniature collie". The Shetland pony, Shetland sheep, and Shetland cattle are small and so able to exist on this small Island so important to the fishermen, whalers, and others who sailed the Northern seas. It is difficult to trace the origin, it being the general belief that the Shetland Sheepdog descended from the various breeds of dogs left by the early Greenland whalers and the fishing fleets which touched at the Islands during the summer season. Nature, as usual, provided the required coat and stamina to withstand the rigors of the climate, and the Islanders cannily bred to the working collie from Scotland to evolve an alert, intelligent dog of a size suitable to herd the small domestic animals of their country.

When sheepdog trials became popular as a sport the Shetland Sheepdog, known to the Islanders as the "Toonie" dog, became most popular, their sagacity, speed, and working ability out-rivalling the larger contestants and increasing the demand for the breed. The general appearance and adaptability as a companion also favoured the breed, particularly in the cities and towns where its value as a watchdog made it desirable. For many years the dog resembled the Papillon in facial appearance. The butterfly ears covered with long silky hair and round, soft eyes have now been discarded in favour of a long, harsh top-coat with a short, soft and close undercoat like fur. The eyes are now medium sized and almond shaped, giving a keen, alert expression. The ears are small and placed fairly close together on top of the skull, folding back into the frill when in repose and carried in a semi-erect forward position with the tips drooping forward.



In general appearance the Shetland Sheepdog should be that of the ideal collie in miniature. The outline should be so symmetrical that no part appears out of proportion to the whole. Any colour except brindle or solid white is permissible, the popular colours being sable, black, and blue-merle, marked with varying amounts of white and tan. The height should be no less than 12 inches and no more than 15 inches measured at the shoulder, the ideal height being 13½ inches.

The Canadian National Exhibition and Toronto Kennel Club Shows

FOR the fifty-fifth year the Canadian National Exhibition, Toronto, staged its annual dogs shows. A change in dates moved the first show up to the Saturday preceding Labor Day, and the second show was as usual on Labor Day and the succeeding day.

The entry of four hundred and fifty dogs was an increase over last year with the leading breed being American cocker spaniels with Irish Setters running a close second—there being 27 entered in this breed for their first Specialty Show. Labrador Retrievers showed an increase and there was a nice entry of Beagles all these in the sporting groups, Great Danes led the entry in working dogs with Boxers, Collies and German Shepherds running in that order. As the Toy Breeders' Association considered the classes at the second show as their Specialty show there was a record entry of seventy six in that group. Pekingese led with Chihuahuas, Pomeranians and Yorkshire Terriers tied for second place. The sudden illness of Mrs. Marie Stone who was to have judged terriers, and Len Carey who had the working group assignment necessitated replacements of judges, Mr. J. C. Quirk of Greenwick, Conn., substituted for Mr. Carey and Mrs. Helena Neal of New York judged the terriers for Mrs. Stone. Mr. W. C. Baldwin collapsed after judging the hounds, but recovered in time to do the group. The shows were most successful and crowded with spectators, sales were reported good and the weather while hot was not too humid.

Best in Show on the first dates was the English Bulldog, Stormers Double Draftsman owned by Dr. Edward M. Vardon of Detroit, Mich., and reserve also went to an American entry the Yorkshire Terrier Am. Ch. Little Sir Model owned by Mrs. L. S. Gordon of Willmette, Ill. Best Canadian bred was the Boston Terrier Ch. Paddy's Flashy Ace owned by Wm. Nichols of Toronto and bred by Mrs. Marie Reid of Toronto. Best Canadian bred puppy in show was the black cocker spaniel Carroll Cocquette bred and owned by Mrs. Margaret Carroll of West Hill, Ontario.

At the second show the Canadian breds went to the top, Best in Show being won by the fourteen months old Greyhound, Pretty Polly of Metalfa, owned by Jack Thorndyke of Oakville, Ontario, and bred by Mrs. Meta Loveridge of Toronto. This is the first time that a greyhound has been so honoured since the late John Kent won many such honours with his greyhounds in the early days of the Exhibition dog shows. The greyhound was also Best Canadian bred in show. Reserve best in show was won by another Canadian bred dog the Afghan Hound, Int. Ch. Birchwood Riffie El Myia owned by Mrs. Eva Gudgeon of Bronte and bred by Mrs. M. Matchett of Highland Creek, Ont. Best Canadian bred puppy was won by the Miniature Poodle Paragon Ephah owned by Mrs. D. T. Weir of York Mills and bred by Miss V. E. Meyers of Toronto.

BEST IN SHOW
The Greyhound, Pretty Polly of Metalfa is shown winning Best in Show at the C.N.E., owned and handled by J. Thorndyke.

The Toronto Kennel Club held its forty second annual dog show in the dog show building of the Canadian National Exhibition on the last Friday and Saturday of the big show. Again the show attracted large throngs of spectators and the entry was well up in numbers. Only one incident marred an otherwise brilliant show, the Best Canadian bred in show the week before was taken ill and although it had already won Best of Breed in a large entry was not able to return for the non-sporting group. Last reports are that this dog the Boston Terrier Ch. Paddy's Flashy Ace had recovered and is ready to show again. England took the honours with the English bred cocker spaniel (English) winning Best in Show all Breeds, it was Ch. Cartref Canyon owned by H. Anyon of Cold-Spring-on-Hudson, N.Y. Reserve Best in Show won by the Skye Terrier, Ch. Talisker Don-Karin Lady Too, owned by Mrs. R. P. Adams of St. Agathe des Monts, Quebec. Best Canadian bred in show was the hound group winner, the Afghan Hound Ch. Birchwood Riffie El Myia owned by Mrs. Eva Gudgeon of Bronte, Ont. Best Canadian bred puppy the black American cocker spaniel Carroll Donna owned by Mrs. W. C. Roadhouse, of Toronto, Ont., and bred by Mrs. Margaret Carroll of West Hill, Ont. This gave Mrs. Carroll the honour of breeding two puppies to win that award at the Canadian National Exhibition shows.

Mr. and Mr. George Foster of Absecon, N.J., have been visitors to our shows for many years. While in Canada they visited the various English bulldog kennels and rarely returned home without a good dog or two to add to their own kennel. At the recent C.N.E. show they won with their American Champion Milsande's Cin Cin and were on their way to the Westchester show at Rye, N.Y., when they met with an accident. The dog was killed and Mr. and Mrs. Foster were rushed to hospital in serious condition. We hope to have more information by press time.

Flash: Mr. Foster died of his injuries, Mrs. Foster is recovering from a broken back and cracked pelvis.

The Irish Setter Club of Canada

by Elizabeth W. Svanefelt

WELL, at last the 3 Very Important Days have come and gone, and I think everyone present, both exhibitors and spectators are agreed that the Irish Setter Club of Canada put on a grand Specialty Show.

There was an entry of 27 dogs, and against the white background trimmed with paddy green, the dark red of the Setters made a striking contrast. We certainly heard a great many complimentary remarks from the passers-by.

The trophy table also decorated in white and green with bowls of Gladioli and Roses was quite an attractive sight. Many thanks to Jack Thompson for providing the materials.

A very acceptable lot of Irish Setters graced the benches—Winners Dog, Mrs. Cheever Porter's "Sharee Red Romeo" shown by Mrs. J. L. McAteer of Boston, Mass., although barely out of the puppy stage, shows promise of being an outstanding dog.

All the classes were fairly well filled, and there were three American entries.

The local members were glad to meet Mrs. Blanche Bleeks-Walters of Ottawa, who brought along her fine young "Brian Noel of Huntley" also Mr. J. J. Shaw of Montreal who has done some excellent spade work for our Club in the East. John brought his Champion "Melody of Kil Eire" with him.

Mrs. Phyllis Forrester won best of opposite sex with her lovely young female "Sir Michaels Milly", and "Best of Breed" was won by J. F. Royston's recently acclaimed Champion "Rust of Erin", who also placed third in the group.

Our sincere thanks to Mr. Anton Rost who performed the duty of Judge that day.

Sunday, Sept. 2nd, The Club held a picnic at the home of the Ken Honsburgers out at Streetsville, and about 30 sat down to a sumptuous supper out on the lawn. You can imagine what the topic of conversation was—"Irish Setters—from way back right up to the present day ones", and oh how our tongues wagged. Thanks to the Refreshment Committee—it was a grand picnic.

Shields are now available. They are really smart and will set off your bench as well as letting the spectators know you belong to the "Irish Setter Club of Canada". These can be procured by writing to Jack Thompson, Harborn Road, Cooksville, Ontario and enclosing $1.00.

Let's hope we will have as nice a showing at our next Specialty Show—and that everyone will be just as enthusiastic as they were this year.—See you next month.

Good news indeed is the return to Canada of Benbow's Dog Mixture which has not been available in Canada since 1930. Mr. Benbow, a director of the firm, visited Canada on holidays last summer and was so enthused with the inquiries made for Benbow's Dog Mixture that he commenced on his return to England to make arrangements to export the conditioner to Canada.

The mixture has been used by dog owners for the past 116 years and for varying lengths of time in many countries throughout the world. It was first produced by G. H. Benbow, a chemist, in his pharmacy in a London suburb in 1835. The business gradually developed until it is now the largest private company producing anything of its kind in Great Britain. The company is still under the control of direct descendants of the originator with a qualified chemist in charge of the laboratory.

In World War II the company's premises in the city of London were completely destroyed by enemy action and new offices and factory are now situated in a country suburb site. Sufficient supplies are now on hand at Viobin in St. Thomas, Ont., to supply present needs. It is advisable, however, to get your order in early.

The attention of all our readers is drawn to the splendid article under "Saskatchewan Notes" by Dr. H. L. Watson of Regina, Sask. With Saskatchewan leading the way why not do the same in the other provinces? Your clubs need the support and we would like to be the medium of assisting them to secure it. The same applies to all activities concerning pure bred dogs, make Dogs in Canada your common meeting ground and watch the increased interest accrue therefrom.

We listen with great interest to the programmes featured on "Stage Fifty-One" over the Canadian Broadcasting System on Sunday evenings and were intrigued by the programme "The Man From Number Ten" written by Tommy Tweed of Toronto, insofar that when "The Man From Number Ten" requested information as to the three most important subjects in Canada, this year, the reply was "Dogs," the "Flag," and the "National Anthem."

Could it be that the number of pure-bred dogs seen around the offices of the Broadcasting Studios have created this interest? One dog in particular we have noticed, while driving past the Broadcasting Studio, is a beautiful Sable and White Collie, and enquiries brought forth the fact that the dog is "Kip," owned by Cal Jackson, the famous pianist who is heard regularly over the radio networks. Mr. Jackson became enamoured with the Collie breed while working in the Musical Department of the Motion Picture Studios in Hollywood, Calif. He often saw the dog "Lassie" and purchased a pair of pure-bred Collies from Mrs. Valentine in Los Angeles. Kip is still with Mr. Jackson, but the mate "Sir Lancelot of Arken" was poisoned.

Mr. Jackson was the accompanist to Paul Draper when he appeared at the Eaton Auditorium, in 1948, and as a result of that visit he has decided to make Canada his home.

It is with regret that we heard of the sudden death of Eddie Campbell, well-known handler of Boston Terriers in the United States and Canada. Eddie was well known in Canada having brought his clients' dogs here for the past twenty-five years. At the Sportsmen's shows in Toronto last Spring he spent most of his time buying fishing tackle for an extended holiday he had planned to spend in the Northern part of Ontario this Fall. His death came suddenly although it had been known for the past four years that he was not in good health. Mr. Campbell's and Mr. Paddy Bough's deaths this year have left a void in the Boston Terrier ranks, they were of the "old school" and will be greatly missed.

From Jean Grant comes the news that the Boston Terrier U-Kansee Hagerty's Bit O'Honey sired by Five Star Magic Flash and bred by the Ducketts in Hamilton, exported by Miss Jean Grant to Eveline Countess of Howe has completed her English championship. It won its first Challenge Certificate at Crufts five days after leaving the quarantine kennels. This makes the fourth Boston Terrier sent over by Miss Grant to complete its English title. The boxer female Ozark Jerris of Blossomlea has also been shipped to Calvin Clegg, South Africa by Miss Grant.

Business with the Canning Town Kennels, who are regular advertisers in "Dogs in Canada" is such that they are sold out of puppies and their Champion Canning Town's Tank has been more than busy as a stud force. Mr. Gilham, the owner, states that a great deal of the success of his Kennel can be attributed to his advertising in our magazine.

At the Annual Meeting of the Canadian Kennel Club in 1948, it was brought to our attention that the definition of the word "dog" occupied some eleven pages in the Oxford Dictionary. As a result, in the amended Constitution as presented at that meeting, dogs were referred to as "purebred dogs". The question has been raised again by Mr. Will Judy, Editor of "Dog World", in the October issue, who chides us for not speaking out boldly, and for saying "female" instead of "bitch". According to Mr. Judy, one should not say "winners dog", but "winners male". Webster's International Dictionary defines the word "dog" as follows:

1. "A carnivorous mammal (Canis familiaris) or the family Canidæ, kept in a domesticated state by men since prehistoric times; in a wider sense, any member of the family Canidæ. From long association with man the dog has become the most intelligent of beasts. The domestic dogs are undoubtedly modified descendants of more than one wild species of the genus Canis, among which are the common wolf and the jackal. The numerous artificially produced breeds differ from each other far more than those of any other mammal, and the differences in form, size, colour, length and character of coat, etc., would, if they occurred naturally, cause them to be placed in several distinct genera.

2. "A male dog as distinguished from a female dog, or bitch; hence, used attributively to designate the male or other animals, as dog fox, dog wolf, etc."

There are columns of further interpretations of the word dog as it applies to what is generally meant by the public at large.

Just to be curious, as this appears to be becoming an international question, we looked up the word "canine", and found several interpretations, but "Canidæ" states definitely that it is the dog family, which brings us back to where we started.

On all applications for registration and on our registration certificates "dog" is defined "male" or "female". "Whelp" according to Webster is "to bring forth young-said of the female of the dog or of some beasts of prey".

So, when referring to the dog, we shall say male or female dog, for who are we to question the scholars who compiled the dictionary!

• • •

Through the years, we have studied the critiques which appear in various publications, and invariably we found that only the good points of the dog are mentioned, never the imperfections, leaving little value in the report for a breeder to gain knowledge. Many dogs have been sold as a result of the judge's praise, to the disadvantage of the purchaser who, believing the written word, is disillusioned when the resulting purchase shows faults.

In his desire not to offend, the judge often bends backwards in praise, rather than giving a fair appraisal of values which would help both exhibitor and purchaser alike.

Now Available for YOUR dogs!

BRITAIN'S *century-old* AID TO FITNESS

Established in England in 1835, BENBOW'S is already known to many Canadians. Start *now* to give your dogs this famous remedy with a reputation of 116 years. For skin ailments, disorders due to an unbalanced diet or just being 'out-of-sorts' — BENBOW'S is here to help you. It builds up disease resistance, too. A dose once or twice a week is usually sufficient. Ideal for preparing dogs for exhibition and field events.

Supplied in gallon, ½ gallon and pint cans, and 4oz. and 2oz. bottles, also in jars of capsules.

Minutes of Board of Directors Meetings

Nomination Forms **President's Report**

President's Report

IN January and February I placed before our National Board, subject matter that I considered needed serious and active attention by our Administration in the welfare interest of the Club. This included Legislation revision and suggested changes in Administration policies.

Legislation

Any existing By-Laws seemed questionable and confusing. It was therefore considered important to the Club's technical safety that suitable and acceptable By-Laws be worked through as promptly as possible. The best we had to go along with, were those as revised in 1947. The Live Stock Pedigree Act had been rewritten and became effective in that form on December 10, 1949. This revision of the Act automatically voided part of the 1947 By-Laws. This change was not by way of direct amendment to these By-Laws, and there was some possibility that this nullified them. I felt that we had within our executive and membership, people with the experience and knowledge to compose legislation under which the Club would operate in the welfare interest of pure bred Canadian Dogdom, also people with the ability to have same comply with the requirements of the Act. I was interested that our By-Laws include provision that all Members eligible to vote on any future amendment or changes in our legislation, could do so by way of mail referendum ballot. Suggested Revised By-Laws were placed in the hands of the Board for study, comment and advice. They were later published for the information of the Membership. These By-Laws with some acceptable changes, were passed in the Annual General Meeting of March 30th last. They were approved by the Minister of Agriculture and registered in the Department of Agriculture, Ottawa, on May 5, 1951, and became effective on that date. They are now in print and available to any Member in that form.

Our policy of Approving Judges, required little, if any, check regarding their ability and experience. We decided some means of obtaining more actual information for our consideration in granting approval was advisable. This matter has received considerable serious attention and thought by our National Board. A "Judging Application" form was finalized, passed by the Board, and is now available. The numbered requests for information this form contains, and on a basis of 93% of the Board, represents unanimous agreement on about 30% of the questions. 85% agreement on about 30% of them, about 70% agreement on 35%, or say approximately 85% average agreement by the mentioned per cent of the Board. On applications that are approved, the applicant will be granted a Certificate to Judge, in Canada, the breeds named, for a period of twelve months from date of approval, and upon payment of a required fee. Our aim is to develop and qualify Judges in the welfare interest of the exhibitor. Our ultimate hope is to produce Canadians as Judges who will be equally acceptable in this field, as the citizens of any other Country.

We have developed material from which to publish a booklet representing "Instructions of procedure for Judges, Show Secretaries and Ring Stewards", and be distributed to such persons. This has not been printed, pending legal clarification of the action of the Annual General Meeting on March 30th last relative to the Awards of "Reserve Best in Show", "Best Canadian Bred Dog in Show", and "Best Canadian Bred Puppy in Show". A Committee was appointed to assist the Secretary in deciding changes to be made in our legislation from the Minutes of the Meeting. Their deduction from the Minutes and their presence at the Meeting (the writer was temporarily absent at the time) in regard to these awards was as published in the July issue of our Magazine. This procedure in making these Awards is now being generally followed and we believe meeting with approval. It also permits our Shows to finish at an earlier hour of the day. We hope it may be possible to clear up this matter promptly. If so, the mentioned booklet will be printed and distributed. If not, the matter will need to be left for clear determination, by a later and perhaps different Administration.

Administration

Our office here represented more space than the Club requires, and the rental cost greater than we should pay for this need. We are subject to a 10 year lease. A very technically tight document, permitting of no sub-letting without the consent of the Lessors, etc., who realized the strength of their position and were not inclined to be charitable. We therefore purchased sub-letting privileges covering about one-third of the space and have rented this portion to a firm of Chartered Accountants at a profit. This arrangement reduces our office rental cost by $1,200.00 per annum, and if the arrangement is continued on the same basis, will represent a saving in expense on the unexpired term of the lease of approximately $9,000.00. We have constructed a well-insulated, for sound, partition. The space retained has been remodelled and is liberally sufficient for our present needs. It is also considered sufficient for any reasonable anticipated future requirements.

In office reorganization, and changes in delegation of duties, we have been fortunate in acquiring suitable clerks. The general efficiency and improved coordination in the execution of the work, particularly timewise, is gradually improving. If we do not run into unexpected necessary or disrupting staff turnover, improvement in the operation of this Office will become comparably noticeable in the near future. We are receiving increasing interest and cooperation from our paid executives. This is vital in any improvement objective and beneficial to their own morale.

The Club has not published a "Stud Book" since 1947. Some independent authentic record of this nature is required and important, for export purposes and to preserve breeding records. To publish a book or books covering the three years in similar form as formerly, the estimated present cost would be approximately $7,500.00. Very few of these books are ever purchased by the Membership and their cost therefore practically represents an expenditure from Club funds. Several ideas of producing a Stud Book to lessen the cost were considered by the Board. The modern idea of Microfilm for this purpose came to our attention. By this method a picture record of our Registration Cards (either numerically or breedwise showing the three generation pedigree) covering the three years could be produced at an approximate cost of $315.00. These cards can be quickly viewed, enlarged to about 6" by 8". Each additional complete record made in this way would cost

approximately the same amount. Our most pressing need for this Stud Record is by the American Government. We are handling this matter with the Animal Husbandry Division at Washington. The writer spent two days there, early in June. We received their serious and interested attention. This form of record means a radical change. They have it under study in regard to the overall effect in their live stock field. Their Legislation also contains an Act dated 1930, which mentions a "Book of Record". They have not so far conveyed to us their final decision in the matter. The Committee (of which the writer is a Member) that operates the Canadian Live Stock Records, and our contact gentlemen in the Live Stock Department, seem quite interested in regard to how we may make out in this thing. If adopted this method would also make it feasible costwise, for other Live Stock Clubs to bring their "Stud Records" up to date.

While in Washington I interviewed their Customs Department regarding the "red tape" and delay in refunding deposits, in connection with our exhibitors taking dogs over to and back from American Shows. Their general law regarding export and import of goods, prevents them from supplying a direction to lessen the "red tape". They did state they would check their border-point offices regarding making their refunds in particular, more "snappy". Think they may have done so, as two or three have told me that they have found improvement in this border service. I was also supposed to visit two of their border offices in this connection, but have not as yet found time to do so.

The issues this year of our Magazine "Dogs in Canada" show improvement. We hope the Membership may have found these issues more acceptable. We suggest the Editor has done well, with amount of funds we considered should at present be spent for this purpose. The matter of publishing our magazine, its form and content, etc., is now under serious consideration by the Board.

In the last Meeting of our Canadian National Live Stock Records Committee on August 21st at Ottawa, we made definite complaint regarding the extreme time-drag on processing there our Registrations and Transfers. The delay this is causing our breeders in completing business, and extra cost to show exhibitors, is regrettable. We can assure you, however, that needed material improvement in this service is now receiving the active attention of our Committee, and the Department.

General

The affairs of our Club show improvement. Our financial welfare depends largely on the extent of activity by our people, in dogs. Legislation that has been acquired, provides needed better stability. The goodwill and cooperation of the Department and recognized Clubs in other countries, has improved. We have not yet reached a point of buoyancy, but it is evident that feeling towards, and faith in our C.K.C. structure, is increasing in all regions. Our Club was in a state of "Doldrum". Considerable dangerous disunity between regions and within regions. National unity is vital to the welfare of our Club and its value in encouraging and increasing growth of interest in producing pure bred dogs. Members of the Board reached by mail, have been kept well informed. They have had opportunity and have shared in all important decisions regarding Legislation and Administration. The monthly meetings of the Ontario Board have so far been attended by the full Membership, with three exceptions (one of which was occasioned by the sudden death of the late Mr. Paddy Boughs). You will have noted that motions and resolutions receiving approval, did so unanimously, or by good majority. This indicates the Board had good ability to reach sufficient common ground in decisions. The service of this office to the Membership, etc., is gradually improving, and we suggest that the Club this year, is under diligent Administration. We anticipate the year may show financial gain. Improvement in its service ability is of equal importance.

Yours very truly,

President.

Meetings of the Board of Directors

1993. A regular monthly meeting of the Board of Directors of The Canadian Kennel Club Inc. was held in the Club's offices, 667 Yonge Street, Toronto, Ontario, on Thursday, August 9th, 1951, commencing at 10.00 a.m. The President, H. L. Walley, presided. Directors present included Mrs. Ellen Brown, J. J. Farmer, W. H. MacKendrick, Mrs. Alva McColl, and E. B. Reid.

The President reported that during his recent visit to the British Isles he had an enjoyable and informative visit at the Kennel Club offices in London, and had been requested to convey a message of best wishes and goodwill to The Canadian Kennel Club.

1994 (1968). MINUTES

The Secretary presented for adoption the minutes of the meeting of the Board of Directors held on July 5th, 1951.

It was regularly moved by Mrs. McColl, seconded by Mrs. Brown:

"THAT, the minutes of the meeting of the Board of Directors held on July 5th, 1951, as corrected, be adopted." Motion carried.

BUSINESS ARISING OUT OF MINUTES:

(2) The Secretary reported that the files on the awards of Best Canadian-bred in Show and Best Canadian-bred Puppy in Show, and the employment of the Managing Editor, were not yet ready for the Board's further consideration.

It was regularly moved by Mr. Reid, seconded by Mr. Farmer:

"THAT, these matters be held over for the Board's further consideration after the opinion of the Club's solicitors has been obtained." Motion unanimously carried.

(3) (Item No. 1977). Mrs. McColl referred to this item. Mr. Farmer asked that Mrs. McColl's letter to Mrs. Mack be read. The President then read:

(a) Mrs. Mack's letter to the Board dated July 2nd;
(b) The Secretary's reply to Mrs. Mack dated July 11th;
(c) Mrs. McColl's letter to Mrs. Mack dated July 6th.

It was regularly moved by Mr. Reid, seconded by Mr. Farmer:

"THAT, Mrs. McColl's reply to Mrs. Mack be received." Motion carried.

Discussion took place on whether notes or articles, criticizing or suggesting changes in policies adopted at general meetings or meetings of the Board, be published in DOGS IN CANADA without the prior knowledge of the Board of Directors. Following discussion, it was regularly moved by Mr. Farmer, seconded by Mrs. Brown:

"THAT, the Dominion-wide Board of Directors be consulted and asked to vote by mail on the following resolution to be placed before the Board at its next meeting:

"THAT, articles submitted to the Managing Editor for publication in DOGS IN CANADA which, in the opinion of the Managing Editor, constitute a recommended change in policy of the Canadian Kennel Club, be not published until such time as such articles have been reviewed by the entire Board of Directors",

and that in forwarding copy of this resolution to the entire Board for vote the Secretary prepare a review of the discussion at this meeting concerning fees imposed by this Board and criticism by an individual writing in articles through the medium of the magazine."

FOR THE MOTION: Mr. Farmer, Mrs. Brown, Mr. Reid, Mr. MacKendrick.

ABSTAINED FROM VOTING: Mrs. McColl.

Motion carried. (IA).

(4) (Item No. 1978). Mr. Reid and Mr. Farmer reported that the Chairman of the Committee appointed to consider the advisability of zoning the Province of Ontario for election (of Directors) purposes had requested the insertion of a small notice in DOGS IN CANADA seeking the views of members desirous of submitting ideas on this subject.

It was regularly moved by Mr. Farmer, seconded by Mr. Reid:

"THAT, the request of the Chairman of the Zoning Committee be complied with, and a notice inserted in the September issue of DOGS IN CANADA." Motion unanimously carried. (IA).

It was regularly moved by Mrs. McColl, seconded by Mr. Reid: "THAT, the same privilege be extended to other committees presently working on matters referred to them by the general meeting or Board of Directors."

Motion unanimously carried. (IA).

The Secretary was directed to provide the Zoning Committee with large scale maps of the Province of Ontario (showing divisions by counties), and a list of the members resident in Ontario.

1995 (1969). FINANCIAL MATTERS

The President reported that the Club's auditors had completed auditing of the Club's books for the period ending June 30th, and financial statements had been prepared for the first six months' operations in the current year.

The President then read a message which he proposed addressing to the members through DOGS IN CANADA.

It was regularly moved by Mr. Reid, seconded by Mr. MacKendrick:

"THAT, the financial report submitted by the President be received." Motion carried.

The Secretary was directed to forward a copy of the statements to all members of the Board.

Mrs. Brown expressed the view that some recognition or record should be made of the fact that the Club had not been called upon to pay costs of advertising (run for several weeks in local newspapers), seeking a sub-tenant for part of the Club's office space, and of the alterations necessary when a sub-tenant had been found.

It was regularly moved by Mr. Farmer, seconded by Mrs. McColl:

"THAT, the Board of Directors here record its appreciation to the donor (who wishes to remain anonymous) who has contributed the cost of sub-letting the office (advertising and necessary alterations), and it be here recognized that had the Club to bear these costs its financial statement for the first six months would not have shown such a favourable financial position." Motion unanimously carried.

1996. (1972). JUDGING LICENSE APPLICATIONS

The President reported that following his letter to the Board dated June 22nd (with which he enclosed sample of proposed judging license application) and the Secretary's letter to the Board dated July 11th, only one member of the Board had recommended any changes in the draft form prepared by the President following consultation with the Board. The President reported on changes suggested by Mrs. Randall.

Following discussion it was agreed that no changes be made in the form, and the Secretary was directed to proceed with the printing of the forms.

Discussion then took place as to when it would be most practicable to require that the new forms be used by those selected to judge and when the license fee, ordered by the Board at its annual meeting, should become payable.

It was regularly moved by Mr. Farmer, seconded by Mrs. Brown:

"THAT, those who are invited to judge at a championship show or specialty championship show for which a show date has not yet been approved by the Board of Directors be required to complete and submit the new type of application for judging license form, which application must be accompanied by fee of $25.00, which fee (if application is approved) shall cover period of one year from date on which application is approved)." Motion unanimously carried. (IA)

1997 (1971). RECORDS OFFICE COSTS

The President reported that the Secretary and himself were continuing to seek additional information on the proposed schedule of charges for work handled by the Live Stock Records office on behalf of the various live stock associations recording through the Live Stock Records office, and as soon as the desired information was obtained full particulars would be forwarded to members of the Board before the Board would be asked to vote on the proposed schedule. The President pointed out that before any new schedule of charges could come into effect, at least two-thirds of the associations functioningthrough the Live Stock Records office must approve the proposed new schedule.

It was regularly moved by Mr. Farmer, seconded by Mr. Reid: "THAT, we receive the President's report." Motion carried.

Mr. Farmer suggested that comparative costs for issuing one, two and three generation pedigrees (included in certificate of registration) be obtained.

The matter was left over for further report.

1998 (1974). STUD BOOKS

The President reported that before leaving for overseas, he had telephoned Mr. Lawrence Dean of the United States Bureau of Animal Industry at Washington enquiring whether any decision had been reached on the Club's request that micro-film records be accepted in lieu of printed stud books, and that he had also written Mr. Dean on his return from overseas. The President stated that the matter would continue to receive his attention, and in the event an answer was received before the next meeting of the Board, information would be forwarded to members of the Board by mail.

It was regularly moved by Mr. Farmer, seconded by Mr. Reid: "THAT, we receive the President's report." Motion carried.

2000. LETTERS RE STANDARD FOR SPANIEL (ENGLISH COCKER)

The Secretary read a letter from Mrs. A. R. Sacre, President of The English Cocker Club of Ontario, stating that the American Kennel Club was about to consider the standard of the English Cocker Spaniel, and expressing the hope "that the C.K.C. will not allow any American alteration to go without protest and a request for consultation".

The Secretary read a letter from J. Kemp Waldie, Toronto, Ont., who stated that a committee had been appointed in the United States to change the standard of the English Cocker Spaniel, as approved by the American Kennel Club on February 14th, 1945, and expressing the view that "it must appear to be the duty of the president and directors of The C.K.C. to represent the interests of Canadian breeders, exhibitors and owners before the committee, before th English Cocker Spaniel Club of America and before The American Kennel Club, and most especially to consider the wisdom of changing the English Cocker Spaniel further from the standard of the COCKER SPANIEL approved by the Kennel Club (London)".

The Board noted that while the Club's By-laws presently provide for automatic recognition of standards approved by the American Kennel Club, the By-laws also provide the Board with authority to make changes in standards approved by The American Kennel Club.

It was regularly moved by Mr. Farmer, seconded by Mr. Reid: "THAT, the President of the English Cocker Club of Ontario and Mr. Waldie be informed that the Club has not yet received any official notification of proposed changes in the standard for the English Cocker Spaniel, and this Board of Directors is prepared to deal with the matter when it receives official notification of any changes in the standard presently in effect." Motion carried. (IA).

2003 (1943). FIELD TRIAL REPRESENTATIVES AND PROVINCIAL COMMITTEES

The Secretary reported that he had written field trial clubs, holding trials under C.K.C. rules, requesting recommendations for the Board's consideration, of members to represent each type of field trial activity in each province or zone.

The Secretary read:

(a) A letter from the Central Ontario Beagle Club recommending the appointment of Archie Steels, London, Ont., as representative for Beagle trials;

(b) A letter from The Elgin County Beagle Club recommending the appointment of Archie Steels, London, Ont., as representative for Beagle trials;

(c) A letter from the Thames Valley Beagle Club recommending the appointment of James Reader, London, Ont., as representative for Beagle Trials;

(d) A letter from the London Branch of the Ontario Bird Dog Association nominating John Cooke, Thorndale, Ont., as representative for pointing breeds trials.

It was regularly moved by Mr. Farmer, seconded by Mr. MacKendrick:

"THAT, Mr. Archie Steels be appointed the Field Trial Representative for Beagles for the Province of Ontario for the balance of 1951; that Mr. John Cooke be appointed the Field Trial representative for the Pointing breeds for the Province of Ontario for the balance of 1951; and any Field Trial Representative not able to attend a field trial of the type for which he has been elected or appointed Field Trial Representative may appoint a deputy in his stead."

Motion carried. (IA).

The Secretary read a letter from J. A. H. Irving, Vancouver, recommending the appointment of R. W. Hatley and E. H. Sproston to complete the personnel of the B.C. (Mainland) Provincial Committee and the appointment of A. H. Dodds and Walter J. Pym to complete the personnel of the B.C. (Island) Provincial Committee.

It was regularly moved by Mr. Farmer, seconded by Mrs. Brown:

"THAT, Mr. R. W. Hatley and E. H. Sproston be appointed to the B.C. (Mainland) Provincial Committee for the balance of 1951, and A. H. Dodds and Walter J. Pym be appointed to the B.C. (Island) Provincial Committee for the balance of 1951." Motion carrjed. (IA).

2004 (1973). PROPOSED AMENDMENT FORMS

The Secretary reported that in accordance with the Board's direction he had drafted a proposed form for the use of members wishing to submit proposed amendment to the by-laws, rules or regulations of the Club, and had forwarded a copy of such draft form to all members of the Board, and no communication had been received suggesting any change in the draft form.

Following the discussion the Board approved the form prepared by the Secretary, and directed that the form be printed immediately, and distributed to those requesting such forms. (IA).

2005 (1990). NEW CERTIFICATE OF REGISTRATION FORM (TRANSFERS ATTACHED)

The President read an exchange of correspondence between the Secretary and himself and the Canadian National Live Stock Records and Director Farmer regarding the new type of certificate of registration, approved at last meeting of Board, with application for transfer of ownership forms attached. The correspondence indicated that only the one association was using this type of certificate of registration at the present time, and until the results of the present experiment are known, the general use of the same type of certificate was not recommended.

Following discussion it was regularly moved by Mr. Reid, seconded by Mrs. McColl:

"THAT, the matter be tabled and the Canadian National Live Stock Records be directed to carry on with the present type of certificate of registration until a further direction is given by the Board of Directors." Motion carried (IA).

2006 (1991). MINUTES OF ANNUAL GENERAL MEETING

The Secretary reported on the cost of obtaining typewritten and mimeographed copies of the minutes of the last annual general meeting, the minutes of each general meeting to be made available to members at cost (Article VIII, Section 8, of the Club's By-laws).

The Secretary reported that in the event eight copies were ordered it would be possible to provide a copy for $15.00, the cost decreasing as total orders increased.

As only two members had indicated any interest in obtaining a copy of such minutes, the Secretary was directed to place a notice in DOGS IN CANADA to the effect that if eight copies were ordered (payment to accompany order), a copy could be obtained on payment of $15.00. (IA).

2007 (1989). POLICIES, LIABILITY, PROPERTY DAMAGE, ETC.

The Secretary reported that following the last meeting of the Board, and following further consultation with the President, he had obtained the following policies:

(1) A LIABILITY POLICY providing protection for the property damage to the extent of $5,000; employers' liability protection in the amount of $5,000 for a single employee, $10,000 where more than one employee involved; public liability protection in the amount of $25,000 where single person involved, $50,000 where more than one person involved. Premium for this policy, $36.20 for one year;

(2) A COMPREHENSIVE BURGLARY AND ROBBERY POLICY providing $1,000 protection on each of the following: hold-up outside the Club's premises; hold-up inside the Club's premises; employee compelled to give admittance (or means of admittance) with theft resulting; safe burglary; burglary while funds in care of employee at his residence; theft of merchandise, furniture, fixtures and equipment; damage to property resulting from break-in. Premium, $50.00 a year.

It was regularly moved by Mr. MacKendrick, seconded by Mr. Reid:

"THAT, these policies be approved and premiums paid, except that the Secretary be directed to increase the employers' liability protection from $5,000-$10,000 to $10,000-$20,000.

Motion carried. (IA).

2008 (1922). COMPLAINTS

The Secretary suggested that in order to expedite clearance of files having to do with Complaints, mostly about alleged non-delivery of certificates of registration, that the Complaints Committee be authorized to review the present outstanding files, decide on those on which disciplinary action should be proceeded with by the Board of Directors, and proceed to provide each member of the Board with a review of the files on which it felt that disciplinary proceedings should commence, and request that all members of the Board indicate their views in order that the Board, at its next regular monthly meeting, could formally initiate disciplinary proceedings where sufficient members of the Board feel that such proceedings should take place.

The Board unanimously agreed with the procedure suggested, authorized by the Complaints Committee to prepare and forward to all members of the Board a brief review of all complaints on which it felt that disciplinary proceedings should be initiated, and the replies received from members of the Board be placed before the Board at its next regular monthly meeting. (IA).

2009. DOG SHOW RULES REGARDING DISQUALIFICATIONS (CHAPTER XVII)

Reference was made to the new chapter on Disqualification as set out in Chapter 17 of the Rules printed and distributed since the last annual general meeting of the Club, and the question was raised whether or not the meeting had in effect adopted the rules set out in the new printed Rules or had decided that the earlier chapter on Disqualification remain unchanged. After reviewing the Minutes of the Annual General Meeting, it was agreed that no change had been ordered in Chapter 17, and that the Rule in effect prior to the Annual General Meeting should still be considered in effect.

It was regularly moved by Mr. MacKendrick, seconded by Mr. Reid:

"THAT, a notice be published in DOGS IN CANADA informing Clubs and exhibitors that section 2 of Chapter XVII of the Dog Show Rules in effect prior to the last Annual General Meeting is still in effect." Motion carried (IA).

2010 (1982). EXPENDITURES

It was regularly moved by Mr. Farmer, seconded by Mrs. Brown:

"THAT, the expenditures for the month of July as reported by the Secretary be approved." Motion carried. (IA).

2012 (1984). APPLICATIONS FOR REGISTRATION OF KENNEL NAMES

The Secretary reported on the following applications for registration of kennel names, notice of which had been published in the July issue of DOGS IN CANADA, and against which no objection had been registered:

BROOMHEAD—Mrs. Phyllis E. Forster, Milton, Ont.
CEDAR HALL—Mrs. Wilson Hall, Orillia, Ont.
DEANLEA—Harold Jensen, Waterloo, Ont.
LUCKY MOUNTAIN—E. A. Moore, High River, Alta.
MARSHLAND—Roland T. Marshall, Chatham, Ont.
RAY—Orville H. Ray, Sault Ste. Marie, Ont.
RINGSIDE—Phyllis M. McManus, Oakville, Ont.
THE TWO DUKES—Ross and George Wellington, Forest, Ont.
WARJAN—Keith Seeber, Fort Erie, Ont.

It was regularly moved by Mr. Reid, seconded by Mr. Farmer, "THAT, the applications for registration of kennel names reported on by the Secretary be approved." Motion carried. (IA).

The Secretary reported that Mr. and Mrs. H. R. Hills, Ottawa, Ontario, had applied for registration of the kennel name, HILLSDALE, and an objection had been received from Mr. and Mrs. Frank G. Hill, Moorefield, Ontario, who reported having used the name HILLDALE previously in connection with the individual registration of dogs. Following discussion, the Secretary was directed to inform Mr. and Mrs. H. R. Hills of the objection that had been received, that if it was their wish to do so, they may make application for registration of another kennel name, but if they wished to register the kennel name which they had first selected, their application would be considered approved on receipt of advice that they wish to retain the name, HILLSDALE (IA).

The Secretary read a letter from Mrs. Mary D. Hart, Pickering, Ontario (registered kennel name, MARIMERE), in respect to the action taken by the Board of Directors on Mr. B. M. Ritchie's alternative selection of kennel name, namely MARIBETH. The Secretary's reply to Mrs. Hart, dated August 8th, was read and approved, and no further action was ordered taken.

The Secretary reported that Rev. H. A. Whaley, Gadsby, Alta., had submitted a number of alternative kennel names in lieu of the name which had not been approved by the Board. The Secretary was directed to list these kennel names in DOGS IN CANADA in the usual way. (IA).

The Secretary read a letter from J. S. Roy, Cooksville, Ontario, with regard to the use of a name phonetically identical to his registered kennel name in connection with the entry of an unregistered dog, not bred by Mr. Roy, at the Guelph Kennel Club show held on May 12th. Following discussion, the Board agreed that in registering a kennel name, the Club's sole object is to protect that kennel name in connection with the registration of individual dogs in the Club's records, but directed the Secretary to inform the exhibitor of the dog in question that the name, FAIROY, had been registered as a kennel name by Mr. Roy. (IA).

The Secretary read a letter from Mr. J. R. Galloway, Sardis, B.C., who suggested that a frameable certificate be printed and issued to persons registering kennel names with the Club. Following discussion, it was regularly moved by Mrs. McColl, seconded by Mr. MacKendrick:

"THAT, the Secretary be directed to have printed a suitable type of certificate, which is to be issued in future to those registering kennel names with the Club, and that if any person having already registered a kennel name with the Club wishes to obtain this certificate, a charge of $1.00 be made for each such certificate." Motion carried. (IA).

2013 (1986). DATES, JUDGES, SHOW AND TRIAL MATTERS

The Secretary reported on the following applications for dates:

Sept. 29th-30th—Brant County Beagle Club (Beagle Trial).
Oct. 6th-7th—Oshawa Beagle Club (Beagle Trial).
Sept. 8th-9th—The Elgin County Beagle Club (Beagle Trial).
Sept. 30th—Ponoka Sporting Dog Club (Retriever Trial).
Sept. 23rd—Drumheller Valley Fish & Game Assoc. (Retriever Trial).
Sept. 9th—The Edmonton Sporting Dog Club (Retriever Trial).
Nov. 19th—Progressive Kennel Club of Canada (sanction show).
Sept. 7th-8th—Victoria City Kennel Club (two ch. shows), (change of dates).
Sept. 15th—Progressive Kennel Club of Canada (Obedience Trial).
Oct. 7th—Brooks Field Trials Club (Retriever Trial).
Oct. 6th-7th—Cape Breton Beagle Club (Beagle Trial).

It was regularly moved by Mr. Reid, seconded by Mrs. McColl: "THAT, the applications for dates reported on by the Secretary be approved subject to the rules, regulations and conditions in effect at the time of each event, and conditional that: (1) applications and fees are submitted and the requirements of the applicable rules are complied with; (2) applications for dates originating outside the Province of Ontario, are approved by the local provincial director." Motion carried. (IA).

The Secretary read a day letter from Director C. G. Biggar, who reported that the St. Vital Agricultural Society had applied for permission to hold a sanction show on August 27th. The Secretary reported that this Club had held its quota of sanction shows as provided in section 1 of the Sanction show rules.

Following discussion, the Secretary was directed to inform Mr. Biggar that if he approved of the application of the St. Vital Agricultural Society for permssion to hold sanction show on August 27th, such application had the approval of the Board of Directors providing that the Dog Show Rules of the Canadian Kennel Club are fully complied with, and on the understanding that further sanction shows may not be held under Canadian Kennel Club rules until a championship show has been held, as required by section 1 of the Sanction Show rules (IA).

The Secretary reported that Director Irving and Mr. Grant Mahood, Field Trial Representative for the Province of British Columbia, had approved the application of the National Retriever Club (Canada) Ltd. for permission to stage National Championship Stake for Retrievers and Irish Water Spaniels, near Vancouver, on November 16th, 17th and 18th, and information had been received, through Director W. W. Pratt, that Retriever clubs in Alberta had decided against applyng for permission to stage this stake in 1951. The Board therefore approved the application submitted by the National Retrfever Club (Canada) Ltd., and agreed that the special rules, approved by the Board in 1950, would again apply on this stake. (IA).

The Secretary reported on the following lists of proposed judges:

PROGRESSIVE KENNEL CLUB OF CANADA—Obedience trial—Sept. 15th.

(a) Roy Wilson, Toronto, Ont.—All classes.

It was regularly moved by Mr. Farmer, seconded by Mrs. Brown:

"THAT, the lists of proposed judges, reported by the Secretary, be approved conditional that: (1) the applications submitted conform to the applicable rules; (2) for shows and trials to be held outside the provinces of Ontario, approval is given by the local provincial director; (3) residents of the United States listed as judges for shows are approved by the American Kennel Club to judge the breeds in their respective assignments; (4) completed applications are submitted by the clubs and persons concerned." Motion carried (IA).

The Secretary reviewed the several changes that had taken place in the Obedience Trial Regulations and Rules relating to the number of judges under which a dog must earn qualifying scores in one class before proceeding to the next class, reported that J. H. Green, Victoria, B.C., acting under the provisions of Chapter 6, Section 13, of the Obedience Trial Regulations, had, after his dog had earned three qualifying scores in the Open Class under two different judges, entered his dog in Utility Class, and before Mr. Green had noted the change in regulations from two to three judges, his dog, HI PARK BUDDY, had been injured and was not able, because of the injuries certified to by a veterinarian, to again compete in the Open Class to earn another qualifying score under a third judge.

Following discussion, the Board agreed that under the circumstances allowance should be made, and directed the Secretary to confirm the C.D.X. title for HI PARK BUDDY. (IA)

The Secretary reported that the award of Reserve Best in Show at the Kingston Kennel Club show held on June 23rd had been made to a Canadian-bred puppy, yet other dogs had been awarded Best Canadian-bred in Show and Best Canadian-bred Puppy in Show. It was agreed that no action be taken on this matter until the Board had finalized its earlier discussions in connection with the procedure to be followed in connection with these awards.

The Secretary reported on correspondence with James D. Campbell, Fredericton, N.B., who had enquired whether it would be possible to purchase certificates, normally issued by the Canadian Kennel Club to members of the Club, for the awards of Best Canadian-bred Puppy in Show earned by his dog before he had applied for membership in the Club.

In discussing Mr. Campbell's enquiry the Board agreed that the policy of awarding these certificates had been established in order to encourage membership in the Club, and to make the certificates available, on payment of a fee, to those who had become members after their dogs had received awards which would have entitled them to these certificates had their owners been members at the time of the awards, would have the effect, in some measure, of nullifying the purpose for which the certificates are awarded.

The Secretary read a letter from the Progressive Kennel Club of Canada stating that the Club wished to have the services of the C.K.C. Representative at its championship show to be held at Dixie, Ont., but stating that the Club feels that it could not afford to pay any more "than $15.00 all told", and enquiring whether the C.K.C. Representative's services could be available on that basis.

Following discussion, the Board agreed that the policy in connection with charges for the C.K.C. Representative's attendance at championship shows had been set by the Dominion-wide Board of Directors at its annual meeting, and no exception could be made to that policy. (IA).

The Secretary read a letter from Thomas C. Wylie, Glencoe, Ont., who suggested that a system be devised whereby slips, made out by the Show Secretary or his authorized representative, showing the exact number of championship points won, be handed out with each Winners, Best of Winners, Best of Breed, Best in Group and Best in Show award. Following discussion, the Board agreed that it would be exceedingly difficult to provide an arrangement as suggested. (IA).

The Secretary reported that he had, as directed by the Board, written the Barrie Kennel Club with regard to notice to exhibitors in respect of change of judges for its championship show held on June 2nd, and read reply received from the Barrie Kennel Club and tabled "Order of Judging" copy of which showing substitute judge, had been forwarded to each exhibitor.

The Board agreed that no further action was indicated.

The Secretary reported that he had, as directed by the Board, written the Hamilton Kennel Club in respect to provision for veterinary inspection of dogs entering its championship show held on June 30th. A reply was read stating that "all animals at the show were to be brought in at the rear door of the arena where four vets were in attendance. Due to weather conditions many exhibitors just parked their cars as near to the building as possible and many did manage to get into the building other than the proper entrance for dogs. If any exhibitors benched their dogs before being examined by a vet they did so unlawfully, and without knowledge of show officials."

The Board agreed that no further action was indicated but directed the Secretary to forward copy of the letter to Miss Annand. (IA).

2015. ARRANGEMENTS FOR ANNUAL MEETINGS (1952).

The Secretary reported that it had been customary for the Board, in past years, to decide, about this time, on the dates of the next annual meetings of the Club so that the necessary accommodation could be arranged with the hotel at which the meetings are held and at which members of the Board would require bedroom accommodation, and also in order that a notice calling the meeting could be included in the January issue of the Club's official organ.

The Secretary was directed to communicate with members of the Board outside the Province of Ontario, and refer the matter back to the Board at its next meeting. (IA).

2016. OFFICIAL MEASURERS.

The Secretary referred to the provisions of the new Beagle Field Trial Rules regarding the appointment of Official Measurers, and sought an instruction as to the action to be taken.

The Secretary was directed to communicate with each Beagle club holding Beagle field trials under CKC rules, and seek their recommendations in respect to the appointment of Official Measurers, and of the forms that would be issued when dogs are officially measured. (IA).

The Secretary was directed to proceed with the printing of the official forms that would be used by Official Measurers, and of the forms that would be issued when dogs are officially measured. (IA).

2017. NOMINATION FORMS.

The Secretary reported that changes in the Club's by-laws regarding the procedures to be followed in respect to nominations in the annual election necessitated a change in the form of nomination paper, and placed before the Board a draft of a new type of nomination form. After discussion the Secretary was directed to arrange for the inclusion, on the reverse side of the nomination form, of special sections where those nominated could accept a nomination.

It was regularly moved by Mr. Reid, seconded by Mr. MacKendrick:

"THAT, the names of members who have accepted nominations must not be disclosed until such time as the ballots are mailed, and that their official tabulation of votes cast for each candidate shall also contain a tabulation, by provinces, of spoilt ballots." Motion carried.

2019. ADJOURNMENT.

At 8.00 P.M., on motion by Mrs. Brown, duly seconded and carried, this meeting of the Board of Directors adjourned.

B. C. Mainland News

by Jean Fletcher

HAD a nice visit with Lou and Wally Willgress at their Graner Beach home—that sea air must have something as both looked so fit and tanned like a pair of Indians. Wally had just sold his Eng. Setter "Champion Cedar Hedge King" to Mr. and Mrs. Wm. B. Nickum of Bellevue, Wash. At one time Wally was the biggest breeder and exporter of Eng. Setters and the name "Shiplake" and "Willgress" were known all over America and most of the Winnipeg dogs in U.S. today carry the bloodlines of his dogs, he was no back yard breeder either; he imported at various times the best he could get from England and it was common to see Wally and four or five of his brothers in the ring at one time. He has a fine pair of Brittanys which he is planning breeding as he thinks they are a good hunting dog although his first love will always be an English Setter. Was a tough break for Mabel and Hughie McIntyre when their Dachsie "Fingel" died however he sired a jackpot litter of eleven before going to doggie Valhallo. The proud mama is Mr. Kidd's "Bonshaw Vestige" and although no puppy can take "Fingel's" place in the McIntyres' hearts, I hope the one they pick will help fulfill their loss.

The Pacific National Exhibition has again come and gone First a very successful cat show, again Superintended by Mrs. Alsen and indoor Field Trial and the two Dog Shows were put on by W. H. Pym who deserves a vote of thanks for he spent a great deal of time "for free". The new building is a lot better than the old and plans are in the making for a really great building in the near future. To get back to the hunting Dog Exhibition, it was a lot of fun, very successful and the first of its kind put on indoors. Mr. and Mrs. public really saw something this time and for sure a lot more will "Take in" the next Field Trial. Best in Show under Mr. M. Korshin (his first but we hope not his last show here) was the little Poodle Am. Ch. Jalcit's Pierre De San Pouci owned by Emiline H. Krucker, Arizona, and handled by Roland Muller. The second show was judged by Lillian Hickling and Mervin Rosenbaum, both veterans at the game. We were glad to see Mr. Rosenbaum back after his serious illness. His choice for Best in Show was Mrs. McEachren's Kerry Blue Int. Ch. Michael of Som'set Jr.

Mr. Pearman of the Fir Tree Cocker Kennels put on a demonstration with four of this parti colored Cockers—just how a dog show is judged was truly wonderful to see those dogs line up and stand posed and each go through the stages of being shown, not one made a break was good training on Mr. Pearman's part and he's to be congratulated.

Couldn't make Victoria Show which followed the P.N.E. Mrs. Borden did one show and I'm told made a fine job of it, her Best in Show went to the Wire Haired Terrier "Am. Ch. Knightwire King James"—owned by the congenial Mr. Knight of Seattle, Wash.,

this win must put him near the top for his Can. title.

The Ind. Show judged by well known Mr. Walter Pym saw Johnnie Long's Great Dane Loreli take Best in Show.

I understand that a trio of Basenji were shown, I think the first to be shown in this neck of the woods too. They are owned by Dr. and Mrs. Anderson who have just arrived from Hong Kong. They have a pair they purchased in England also a young male from this pair who was born in Hong Kong. These folks also showed their Greyhound they brought with them. We hope these people like B.C. and especially after all they've been through, we wish you much success. Incidentally the Basenji is the barkless dog.

How about some news—could sure use it—not about litters please unless it is something of a record for that breed.

Vancouver Island Notes

by Gladys McGee

A LITTLE more News Items this time so here goes. Oakville and district kennel club take note Capt. P. L. McLaughlin late chairman of the bench show committee of our Vancouver Island Dog Fanciers' Association here, has been transferred to your city. Mrs. McLaughlin and two children accompanied by their German Shepherd Odin of Dancerwood, the latter has participated in both Championship and obedience trials here so look him up folks.

Had a very nice letter from Mrs. H. Mellish Royal Oak, Vancouver Island, in which she tells me that at the recent Richmond Ch. show in England which incidentally is next to Crufts in size, with an entry of fifty-five old English Mastiffs, their Heatherbelle Bearehills Royal took the best Mastiff in the British Isles and won the Presidents cup, the forty guinea cup and other trophies, also Heatherbelle Priscillas Amelia another of the homebreds from the Canadian Heatherbell kennels took the best mastiff female at Crufts and a forty guinea cup. As neither dog had been shown before and they came down from Scotland especially for these events to my mind these wins should make the breeders feel very proud, nice going folks.

The recent arrival of Mrs. Sheila Anderson in Victoria, with her trio of "Basenji's" who were imported from England will be hailed with interest by the dog fancy in general, their names are Lotus Bud of the Congo and Joss of Glenairly and I understand they will be shown at the Victoria city kennel club show on October 7, 8.

A new arrival at our own kennels is a lovely black and tan female German Shepherd who claims as her sire American Ch. Sultan V Hoheluft C.D. and her dam Gisa Von Wilsona Hof. We are very pleased with her, and as she comes to us in whelp her litter will be advertised in the November issue of Dogs in Canada.

I do hope the fanciers will send me

Saskatchewan News Notes

by Hector L. Watson, M.D., C.M.

OUR Provincial Director has asked me to cover general news notes for this month. That sounds a reasonably easy job. It does, that is, until you start —then you are faced with the difficulty of obtaining any news from any quarter of the province.

It is becoming increasingly clear that we lack communication between the various local kennel clubs and, indeed, between breeders, fanciers and that back-bone of the game, the ordinary dog-owner. So,rather than attempt to give you news which I do not have, I want to try, instead, to impress upon you the importance, the absolute necessity, of greater communication and co-operation among all of us interested in pure-bred registered dogs.

We all appreciate the impossibility of keeping in touch by letter-writing. Any person maintaining even a small kennel needs every minute of every day, and plenty of the nights, to attend to the kennel. Dogs in Canada is, then, our common meeting place. Or should be. Why can we not keep in touch through its columns? One method would be to ask each local kennel club to supply a column a month. In that column each club could let the rest of us know what that particular club was doing. And while we all enjoy hearing that Mr. So-and-so's Dobe whelped twelve pups, and that Mrs. So-and-so was fortunate enough to be able to attend the C.N.E. Show, what we are really waiting to hear is what the Hub City Club did about their problems of non-attendance at meetings—and what the Prince Albert Club does in the way of an educational programme at its meetings —and what the Regina or Moose Jaw Clubs' reactions are to the question of handlers taking judging assignments and judges taking handling assignments.

These are, of course, only examples, and I do not mean to infer that the Hub City Club has a problem of non-attendance—although if it has not, then it has hung up a record for kennel clubs.

What I do want to impress upon you is the utter necessity of each of us letting the other fellow know how we are handling our Club problems. A common meeting ground is going to provide us all with new ideas and new remedies for the evils which presently beset every kennel club, not only in Saskatchewan but elsewhere. A merging of ideas is going to assist us all.

As a beginning I should like to see each Kennel Club in Saskatchewan accept responsibility for getting a Saskatchewan column in Dogs in Canada each month—and then GET IT THERE. Our Director can decide which club is to look after which month and advise our local secretaries. Let us ask her to put us in touch with one another through Dogs in Canada and then let us, as Clubs, see that she gets proper support for her efforts by getting that column in by dead-line date. Let us fill it full of information which is going to be of value to one another. Surely one period of a club meeting can be given over to deciding which local problem needs airing and which will give the most assistance to your fellow-clubs in the Province.

That is only a beginning. When we are really helping one another and getting help from one another we can go into the question of getting Kennel Clubs started in the different centres in Saskatchewan where, as yet, none exist. When we have that well underway we can discuss the matter of a wholly Saskatchewan Dog Show Circuit —and don't think it can't be done. It can.

In a further column, if our Director is kind enough to allow me at some future time, I'd like to try to show you how it can be done. We are making progress—Pat Randall tells me she is moving now to get a club organized in Prince Albert. More power to you P.A. And at their latest meeting Regina Kennel Club introduced seventeen new members. There is a wealth of new material to be drawn into your local Kennel Club. Go after it. Believe me, it won't come to you by itself. And then let's get together and make the local Kennel Clubs of Saskatchewan a really vital force in the affairs of the Canadian Kennel Club.

Manitoba Notes

by Suzanne Borse

JUST a few lines this month to let you know how some of our travelling exhibitors have made out with their dogs.

CH. Bonacres Victoria of Kiloran, the lovely Collie owned by Mr. & Mrs. J. Low has scored again. She was placed B.I.S. and Best Canadian Bred in Show at the Lakehead All Breed Show in Aug. The 1st day by Mr. G. Duncan. The next day she was placed Reserve Best and Best Can. Bred in Show by Mr. W. Nixon. At Moose Jaw she took 2 more Best in Shows under Mr. W. Semple & Mrs. Pat. Randal. This brings the total of wins to 5, Best in Shows and 10 Best Can. Bred in Show to date.

Now a few details about the fortunate few who were able to take in the St. Paul Show (U.S.A.) in Sept.

George Miyake's female Chihuahua "La Oro Pinura De ORO" placed 1st Open. Reserve Winner and Best opposite sex.

Hugh Crozier's Labrador Retriever female "Croziers Mauna Loa" placed 1st open female, Winners female and Best opposite sex. Crozier's Tanda of Treesholme placed 2nd and reserve in open males.

Mr. & Mrs. Dave McIntyre's Weimaraner "Per Arduas Aurmisty V. Elmatrandy" placed 1st in open and winners male with a 5 point win—first time this dog has been shown at a point show.

The Heralds are very pleased with their home bred Min. Pin. who has a somewhat sensational record for a one year old. D'Arcis and J. Garry Herald's Miniature Pinscher "D'Arcis Plumb Beautiful" placed 1st open female, Winners, Best of Breed and 2nd in Toy Group in St. Paul. Her show record to date is 11 Canadian and American Shows. 9 times Best of Breed, 9 times places in group, 4 times Best in Group, finished Canadian title with points to spare, then celebrated her 1st birthday.

Mr. C. Biggar, our Director has been a busy man this summer expanding his freight business but has found a little time to concentrate on dogs too. He tells me his lovely little Boston female has gained enough points for her championship while at the Lakehead, Moose Jaw and Calgary Shows.

I hear that Mr. S. Jackson took in the Moose Jaw and Calgary Shows also finishing a championship for his little Boston Male.

I send my deepest sympathy out east to Mrs. Bea Chappel in her grief at the loss of her Mother, Mrs. Lillian Boam who died suddenly. She will be sadly missed by her many friends and by her pekingese dogs who seemed so much a part of her.

Lakehead Kennel Club

by L. J. Lagimodiere

THE Lakehead Kennel Club held its annual All Breed Championship shows on August 9th and 10th this year. As usual the shows were held in conjunction with the Lakehead Exhibition.

We were fortunate in securing as judges Mr. J. J. Duncan of Atlanta, Ga., who judged all breeds on August 9th, and Mr. W. Nixon of St. James, Man., who judged on August 10th. We were fortunate in that the entry list contained a large percentage of outstanding dogs and these two gentlemen were tried on occasion. Their placements were to the approval of our enthusiastic audience and they are to be complimented on their work.

On August 9th, Mr. Duncan awarded Best In Show and Best Canadian-Bred to Mr. John Low's fine Rough Collie Ch. Bonacres Victoria of Kiloran. Mrs. Smeltzer of St Paul, Minn. took Reserve with her Boston American Champion Miss Wee Patsy Regardless. Best Canadian Bred Puppy was awarded to Lomisi's Gina, a smooth Dachshund, owned and bred by our secretary, L. J. Lagimodiere.

On August 10th Mrs. Buddy J. Blackburn of Detroit, Mich. won Best in Show with American Champion Wynwyres Princess Pam. Reserve and Best Canadian Bred went to the previous day's winner, Ch. Bonacres Victoria of Killoran. Alexander Dobie of Winnipeg took Best Canadian Bred Puppy with his Collie Sable Gift O'Killoran.

One of the highlights of the show was the completion of the Canadian Championship of the English and American Champion Shiningcliff's Sprig owned by Mrs. J. H. Daniell-Jenkins. This fine West Highland dog completed his Tri-Championship under Mr. Duncan on August 9th.

The show closed with our annual dinner and dance at which we were

pleased to welcome practically all our out-of-town exhibitors.

It was the general opinion of all that this was one of our more successful shows. Our American entry accounted for better than a third of the dogs shown and all were of excellent quality. A number of extremely fine dogs were entered from eastern Ontario and of course our Winnipeg entry did very well. Plans are already under way for 1952 when we hope to exceed all previous efforts.

Notes from the Province of Quebec

by Pamela Mack

I HOPE you have all had a good summer and done well with your dogs. Although there have not been many shows actually in Quebec there have been several in nearby provinces so hope you have been able to attend and your dogs have done well. Do let me hear from you if your dogs have done any winning at neighbouring shows.

Our sympathy goes to Ralph Preston Jr. over the sad loss of his father who was one of the grand old men of the Maritime dog fancy and bred and showed in his true way outstanding dogs.

At the recent Ottawa Dog Show on August 25th, Mrs. R. P. Adams of Talisker Skyes copped major honours with her lovely Skyes who never looked better. Her home bred Int. Ch. Talisker's Bit O'Heaven went Best of Breed won the terrier group and finished up Reserve Best in Show and Best Canadian Bred. Also Mrs. Adams had the honour of winning Best brace in Show with two lovely well matched silver skyes a very nice and well deserved win.

Do hope that as many of you as possible are planning to attend the two one day shows on Oct. 5th and 6th at Quebec City. These shows are always a lot of fun for the exhibitors and dogs and not too strenuous or a great distance to travel. Also on Oct. 5th in Ottawa our good friends the Eastern Collie Club of Canada are holding a specialty show for Collies and Shelties and Obedience Trials, for all breeds so hope there will be a good representative from Quebec and you Obedience followers are ready for the trials.

Nearer home on Nov. 3rd and 4th the Montreal Dog Fanciers Club are holding their first point shows. Since this energetic club was formed they have held two very successful sanction shows, and now are really launching out with two one day point shows. A wonderful chance for local exhibitors to finish up dogs needing a few points as these are the last shows for this year. Also an excellent chance to take those orders for Christmas puppies so hope there is a really good turn out.

On Oct. 26th and 27th the Ta-i-o Beagle Club of Montreal are holding a Beagle Trial and get together at St. Johns. This is well worth a visit to anyone interested in the merry little Beagle and I understand visitors are welcome and a wonderful time is always had by all. So try and make a trip to St. Johns and see the fun and also the best Beagles in these parts and many from the eastern U.S. do their stuff. For further information contact the President F. H. L. Geoffrion or Club Secretary J. A. Robitaille 4009 Montana St.

Guess that is all the news this month it was nice to see so many Quebec exhibitors at Cobourg and Ottawa show and to know that our breeders are going further afield to advertise the good name of their dogs and kennels.

Try and let me have some news for next month and good luck at the coming shows.

Maritime Notes

It seems hardly credible that, another year has rolled by and that, once again we are in the midst of another Maritime Circuit of Shows, in these Notes it will be my privilege to touch lightly upon high-lights of the first three Shows of that Circuit. The first one held, was under the auspices of the Cape Breton Kennel Club and was held in Sydney, C.B., on the 1st of September. This year the Cape Bretoners chose a new venue for their 5th Annual Championship Show, and it turned out to be a most pleasing one to Exhibitors and Dogs alike, the new place was the Nelgah Beach Pavilion, an ideal situation, right on the sea-shore, with ample parking facilities and exercising space, with cool Atlantic breezes, making the conditions perfect for both man and his dog. As judge of all breeds, the services of Wm. F. Meyer, of Westfield, N.J., were

procured for this Show, this was this gentleman's first visit to the Maritimes, and he created a most favourable impression, his decisions were well received and his ring deportment much admired. The Judge found his Best in Show in the very sound 15" Beagle, "Lynwood Sweet Sue", owned and handled by her owner, Charlie Stewart, of Halifax, this trappy little lady also copped Best Canadian Bred in Show, while Reserve B.I.S. went to an English Bull Dog puppy, owned by Roland Wasson, of Saint John, N.B., and handled by the veteran Ronny Vaughn of that city, this same youngster was also awarded Best Canadian Bred Puppy. Chatting with the genial Chairman of the Show Committee, Mr. Lionel Trivett, after the Show, he told me that the Club were a little bit disappointed that the entries were on the low side, but that is the same throughout the country, and what they lacked in quantity, they made up for in quality. Mr. Trivett summed up his remarks with a very apt phrase, he said the "Show was a HAPPY SHOW", in that phrase, there was a whole world of meaning.

The Halifax Kennel Club Inc. opened their 9th and 10th All Breed Championship Shows on Labor Day and the day following and, as is the invariable custom of this Club, everything had been done to ensure the success of the Shows, and the ultimate in comfort and convenience for their patrons and their dogs; both Shows were sponsored by the Lions Club of Halifax, and this Club, as they always do, worked like beavers, in conjunction with the members of the Halifax Club, to put the thing over, and under the Chairmanship of "Smiling" Elmer MacDonald, the Lions Show Committee, right well did they succeed. The Show was staged in the Halifax Arena, and the indefatigable Mike Andrews, acting as Show Superintendent, had a perfect layout, a spacious ring and the benching arranged so as to afford both comfort and convenience for both dogs and exhibitors; with such an admirable arrangement, he was able to keep the Show running smoothly throughout the whole of the two-day showing. The President of the Club, the genial Sam Kominsky, who was also the Chairman of the Show Committee, aided by a band of willing workers, of both sexes, kept things going with a bang, all the time, and in this they are to be most highly commended for their efficiency and enthusiasm and for the way they overcame the many set-backs they encountered. First there was the edict of the Board of Health that banned all children under 16 from the show ring to the prevalence of Polio, this naturally prevented many of their parents attending the Show; then the weather man was most unkind for it rained most of the day, but neither the Lions or the dog men allowed these things to dampen their enthusiasm, and they carried on as "Bluenoses" always do. However, all was not gloom for there were many bright spots, one in particular, for history was made that day, at least Canine history was, because for the first time in the more than sixty years of life of the Canadian Kennel Club, a sitting President visited the Club Members in the Maritimes, and attended one of their Shows, and it was with infinite pleasure that the Club welcomed Mr. H. L. Walley, the President of our National Club. I will spare our President's blushes and refrain from commenting upon the many nice things I heard said about him. I think he met a fairly representative cross section of Maritime Dogdom, and he would be able to form a pretty good idea of our worth and our Doggy enthusiasm, suffice it to say we liked him, and hope he will, one day, come and see us again, and we have not the slightest doubt as to his ability to steer the good ship "Canadian Kennel Club" through the turbulent water through which she was sailing when he took over, and on into a calm sea in which all will be plain sailing. Maritimers have been bringing ships through turbulent waters for generations, they can still do it, and our President is a Maritimer.

The Judge chosen for the first Show in Halifax was Louis J. Murr, of Spring Valley, N.Y. Mr. Murr is no stranger to the Maritimes, but this was the first time he has actually officiated in Halifax, and I can only add that the previous high opinion held of his ability as a Judge, by Maritime exhibitors, was greatly enhanced by his work at this Halifax Show.

Best in Show honors went to Percy Sawlor's fine American Cocker Spaniel, "Ambition of Brookside", cleverly jockeyed to his win by his justly proud breeder, Owen Sawlor; he also took the award for Best Canadian Bred in Show. However, "Ambition" was given a sharp tussel for the premier honour by a very beautiful Pug, "Winna Chip

O'Gold," who was shown and handled by his owner, Mrs. J. L. Illsley; he was made Reserve Best in Show, the Best Canadian Bred Puppy went to Mr. and Mrs. Duckett's Boston, "Hagerty's Ace Regardless", who also won the Non-Sporting Group. "Ambition of Brookside's" win was a most popular one, and as Mr. Walley presented the Trophy, presented by the City of Halifax, there was round upon round of vociferous applause. The first appearance of two recent importations was eagerly looked for a this Show, the first a Sealyham bitch recently purchased in England by Miss Alice O'Brien, of Halifax, "Jacdor Judett", a beautiful little animal, teeming with quality, of whom we shall hear more; she placed in her Group at both Shows, the other we were anxious to see, is another recent arrival from England, imported by that veteran breeder of Wires, Billy Smith, this one a glorious headed dog, "Whitwyre Monopoly", of whom we shall also hear in the future.

The second day of the Show showed a great improvement in the weather with a consequent larger attendance all day, while in the evening there was an excellent crowd, for the second Show, the Club engaged the services of Mr. Lewis J. Worden, of Jersey City, N.Y. Mr. Worden is a newcomer to Halifax Shows and his placings were, in the main, well received, with just enough variation from the previous day to make things very interesting, his Ring deportment was most pleasing and the exhibitors appeared to like his decisions. The supreme award of Best in Show, on the second day, went to the gallant little Pug, that put up such a splendid fight on the previous day. Mrs. J. L. Illsley's "Winna CHIP O'-Gold," cleverly handled by his proud owner, would not be denied; it was a most popular award, and I for one would not hazard a guess as to which was the more thrilled, Mrs. Illsley or her distinguished husband. But, as on the previous day, the winner had a real battle on his hands, for he was closely pressed by an outstanding Black Cocker, jointly owned by two Club members, Harry Story and Roy Dauphinee, "Crestline Cavalier", was placed Reserve B.I.S. This dog, a two year old, will take a lot of beating Best Canadian Bred in Show, of course, went to the Pug while Best Puppy was a repetition of the previous day, Mr. and Mrs. Duckett's Boston Terrier, "Hagerty's Ace Regardless".

I cannot help but remark upon the superb handling of the Reserve B.I.S., by Miss Val Dauphinee, the teen aged daughter of one of the joint owners; it was indeed a delight to watch this young girl at work with her Dad's dog, and I was greatly amused by the very dry remark of an "Oldtimer" sitting near to me at the ringside, he eagerly remarked, "That kid has forgotten more about handling a dog in the ring than a lot of the old hands ever THOUGHT they knew."

On the last evening of the Show the audience were treated to a really outstanding display of Obedience Work by a breed of dog that made its initial appearance in the Maritimes at this Show. Mr. and Mrs. Helms Crutchfield, of Richmond, Va., brought out a brace of Weimaraners, specimens of a breed that is rapidly gaining popularity

in the States; one of this brace of dogs is very highly trained in Obedience Work, and Mrs. Crutchfield in the Ring with the dog and her husband at the microphone, put on a display that had a packed audience spell-bound, the intelligence of this dog was well nigh uncanny, and this brilliant performance was received with round after round of most enthusiastic applause, and at its conclusion, round upon round of very lusty Nova Scotian cheers.

And so ended the 1951 Circuit as far as Halifax is concerned, and in spite of difficulties and set-backs, the Shows were just as successful and enjoyable as the Halifax Kennel Club's Shows always have been.

In the meantime, to all Doggy folk, whoever you are, and wherever you may be, CHEERIO AND ALL THE BEST.

Windsor Kennel Club News Release

by Harold Wellwood Jr.

IT was Thursday evening Sept. 6, at Windsor's Norton Palmer Hotel and the members of the local Club were doing there "darndest" to get back into harness, but tales of summer activities kept creeping into the discussions, and business soon became a secondary matter.

Mrs. Kit Nichol owner of Bedford Kennels, was all smiles and justifiably so, for her home bred, parti color cocker Bedford Storm Cloud had finished for his championship since we all last met. Kit though proud of Storm Cloud's new title, was getting more of a kick out of his winning the Sporting Group at Kingston. This fine young dog, although he now has been retired to stud, still loves to sit up on his crate and pose by the hour. We know for we watched him do it when we paid the Nichol's a visit recently.

Bill Cox kept cornering individual members to tell them of his new 12 acre fruit orchard, and home for his German Shepherds. Bill has every reason to be proud, for when we visited the Cox's one cool summer's evening we came away dreaming of the day when we too might have such space and buildings for a fine large kennel as his.

Alex Napier as usual was kept busy almost weekly during the summer with judging assignments, but it looks like Alex still hasn't been bending down far enough to look those terriers over. We should let Alex referee a few Basketball games with us this year so he can pick up that new streamlined look.

Mrs. McCoy, Chairman of our sick committee reported a healthy membership. "No one gets sick in this club", she says, "except my poodle and I; we just get sick and tired of Windsor's sultry heat".

Chief among the bugle blowers though, was this correspondent, a greenhorn in the canine world who along with his quiet and observing wife saw their first Dog Show only this past March in Detroit.

Naturally then were bursting with beginners pride at not only having skippered our Collie, "Petite Belle Fille of Halcath," a Junior puppy bitch, to a first place win the first time we both stepped inside a ring in June at East Detroit, but to four straight wins in as many tries in Michigan shows during the summer. Our big thrill was in Grand Rapids when "Belle" placed third in a winners class of eight, and according to the advice of the fine old timers at the ringside who all are so willing to help us, would have gone winners except for the inexperience of her handler. Oh well! Live and learn they always say and we're having a lot of fun while we're doing it, and meeting some grand people at the same time, especially those in the Windsor Kennel Club, who all are so helpful to the beginner.

Finally around 10 P.M. the first meeting of the new season was brought to a close, but not until the application for membership of Mr. and Mrs. A. Butcher of the Boxer fancy was accepted. We are most pleased to have the Butchers in the fold, and wish them the best of everything with their Boxers.

Treat "Knocked-up toe" and other prolonged cases of lameness with this penetrating liniment—and he'll be fighting fit in no time!

NO PAIN—NO BLISTER —and no damage to the coat.

BONE-RADIOL is the simplest treatment you can give. The procedure is: (1) Work into the skin with a brush; (2) dress once a day for three days; (3) leave for three days; (4) dress again for three days. Any tendency to scurfiness can be counteracted by applying *B.-R. Healing Jelly* during the three day intervals between treatments. From chemists and stores.

RADIOL—For strains, sprains and soft swellings, *Radiol* is recommended. Details on request.

Ed O'Brien,
owner-operator of
Edlyn Training Kennels

Edlyn
TRAINING KENNELS

The mother of these Purina-raised German Shepherd pups, holder of the prized "UD" degree, was shot while tracking on a man hunt.

Ed O'Brien of Edlyn Training Kennels, Canfield, Ont., has won international note as a trainer of dogs in obedience. In the past 4½ years he has trained over 1150 dogs, in addition to his own — dogs from every province in Canada, 17 states in the U.S., even as far away as Ireland and England.

Mr. O'Brien first began training dogs on his own farm in Saskatchewan, because he knew from experience the value (and the lack) of well-trained dogs on farms. First thing he knew, he was so interested that training dogs became his main occupation! Now he has the distinction of having trained 3 dogs right through to the top "UD" degree in obedience . . . and being on call with both the RCMP and Provincial Police for help in trailing wanted men.

PURINA DOG CHOW IS THEIR CHOICE

Like many other top-flight dog specialists, Mr. O'Brien feeds Purina Dog Chow. "In fact," he says, "I've fed it to everything from a 4-lb. Chihuahua to a 175-lb. Great Dane." And after 4 years of experience with it he sums up his impressions this way:

"It keeps dogs in the right condition for working — and they really have to work. There's no trouble getting dogs from 'outside' to eat it. The quality is consistently good. I've real confidence in Purina Research. It's doing the job." About the only thing we can add to that is the fact that Dog Chow is very economical to feed!

WHICH Book Would You Like to Have?

Purina publishes 4 books on training dogs — Hounds, Gun Dogs, Pets, and Farm Dogs. Write your name and address in the margin of this ad . . . attach the Seal of Quality clipped from a bag of Purina Dog Chow . . . hand it to your Purina dealer . . . tell him which book you want . . . and he'll see that you get it. (This offer is good for a limited time only — do it now!)

SO NICE TO COME HOME TO

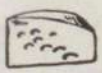
—when Gaines nourishes every inch of your dog

TO COME HOME and see your dog at the top of his form . . . wonderfully happy and healthy . . . that's *just one* of the rewards of feeding Gaines, the *completely balanced* dog meal. Each pound contains:

for strength — **proteins** as in 1 1/2 lbs. beef.

for energy — **carbohydrates** as in 2 qts cooked oatmeal.

for appearance — **fats** as in 1 1/5 oz butter.



for bones and teeth — **minerals** as in 2 1/2 lbs. cheese.

for blood — **iron** as in 5 lbs. beef liver.

GAINES COSTS LESS TO FEED

than any other type! Gaines is *concentrated*. A 5-lb. bag makes 10 to 12 lbs. of ready-to-eat dog food. *All you do is add water! Available wherever dog foods are sold. 2 lb., 5 lb., and 25 lb. bags.*

Plenty of MEAT MEAL!

PLUS all vitamins dogs are known to need . . . in more than required quantities.

For variety, give your dog GAINES KRUNCHON, which is Gaines Meal compressed into tasty bite-sized pellets.

Feed **GAINES MEAL** — start today!
