Our Cover

Our cover dog this month, the Scottish Terrier, Eng. Ch. Glendoune Gauntlet, was imported from Scotland, recently by "The H. L. Walleys".

This dog has made some very notable Show Wins in the British Isles, and is considered by many the best specimen of the breed they have ever seen.

Mr. Walley is conceded to possess a good knowledge of, and "eye for a dog" in this breed. He purchased "Gauntlet" while in Scotland in July.

Mr. and Mrs. Walley breed and show "Scotties" as a "hobby". They have won 6 Best in Show, with 4 different dogs, in Canada during the past 4 years. Their dogs have also won high awards in the largest all breed and breed Specialty Shows in the United States.

Their interest at present is centred mainly in breeding.

The Dogs in the Maritimes

by Alva McColl

A VISITOR to the Maritimes cannot help but be impressed by the quality of the dogs shown by the local breeders. Truro coming along at the end of the month of a big circuit of shows was strictly a "Maritime" show, there being no entries from outside and most of the professional handlers had returned home with their dogs some two weeks before Truro opened. It was a risk to sponsor a show that late in the season, but the Truro Kennel Club and the Truro Kiwanis Club were quite happy with the outcome, as they had the largest entry and the Maritime dogs took home the many beautiful trophies offered in competition.

To one who has travelled extensively all over the rest of the continent for some thirty years attending dog shows, it was indeed a pleasure to meet such enthusiastic and energetic dog fanciers, representing all the clubs in the Maritimes. The day before the show was spent in visiting adjoining towns such as Stellarton, Pictou, New Glasgow, etc., enjoying the scenery and rummaging around the antique shops. It is amazing when one considers the distance between shows and the size of the population that such a large group of shows can be sponsored each year. It makes the clubs in the large cities who hesitate to take a chance appear faint-hearted, for only those with more than the usual amount of courage and determination could face the odds that confront the Maritime fanciers.

Perhaps it is the same indomitable courage which was so exemplified by those who designed, built and sailed the "Bluenose" through a long and successful career. By chance I located a beautiful scale model of the "Bluenose" and the four foot square package caused some concern on the T.C.A. when I insisted on its being carefully carried along with me on the return flight. It arrived unscathed and now has a place of honour, a fitting reminder of the grand people in that part of Canada.

Truro has such a friendly atmosphere, and not a flaw to upset a smoothly conducted show. The Kiwanis Club of Truro presented the secretary, the ring steward and myself with beautiful brooches, in which was mounted a famed Nova Scotia amethyst stone as a tribute from their organization.

To get back to the dogs it was a keenly contested show, and many of the dogs could, may have, and probably will appear as final contestants at such large shows as Madison Square Gardens or Morris and Essex. The exhibitors and breeders have a complete knowledge of show types and bloodlines and take their dogs very seriously. In my judging I tried to emphasize the importance of balance, marked breed characteristics and a natural pose. The six group finalists were all top quality, any one of which could win Best in Show, so the task was not easy.

The cocker spaniel Ch. Ambition of Brookside, which led a remarkably good class in its breed, had that reach and stride in a smooth, rhythmic gait so necessary in field work, and to move right a dog must be formed right or

it would show in its gait. Granted the American cocker spaniel is shown with heavy furnishings, it does not prevent a judge from finding the bone, depth of pad, or the quality of the dog. Reserve Best in Show and winner of a large working group was the beautiful snow white Samoyed Ch. Spark of Altai. Here again was a dog typical of the purpose for which the breed originated, with the gait so necessary for an effortless trot, pushing forward and quite fast. The clearly defined black points contrasted sharply with the white dense coat, a really lovely dog and a credit to its breeder and owner.

The winner of the non-sporting group and apparently the sensation of the circuit was the English Bulldog puppy Canning Town's Playboy, later I was told this was its sixth Best Puppy in Show All Breeds and small wonder. Sound as possible with a real "rolling" gait, beautifully turned shoulders and heavy boned legs, with the wrinkle and sour expression so necessary, shown in a natural pose the dog just couldn't stand "wrong". The runner up for best puppy had the most personality ever contained in one little dog, in the Miniature Schnauzer Cosburn's Pretty Coquette, and like others, its owner will become so enamoured of the breed that the puppy will outshine all others in the kennel.

To go back to the groups, second to the cocker spaniel was the Weimaraner Helmanhof's Storm Cloud, who with its kennel mate won best brace in show, this pair of dogs also enlisted many adherents to the Obedience work, by their demonstration at each show on the circuit. It was closely pressed by the English Springer Spaniel Chaltha's Cordite Speaker, a typical show and field dog, nice dry lip, of good size but then the standard of the breed emphasizes that proper balance and proportion shall always be considered more important than weight or height. The springer entry was very good in type, being more than evenly balanced. Was very disappointed in seeing no retrievers, this being one of my favorite breeds and knowing full well that there are some excellent specimens in the Maritimes.

Only two hounds to choose from in the group, the beagle Lynwood's Sweet Sue had obviously been bred for both show and field work, and was a remarkably good specimen of its breed, the dachshund Jubilo von Atlantis was also good but sluggish on the day.

Second to the samoyed in a strong working group was the boxer Kuhn Von Clakroft, who headed an extra large class of this breed. Soundness of movement, top line, condition and gait was stressed here for this is a working dog, and if the breeders are not careful the body and gait of the boxer will be sacrificed to attain head qualities.

Third, the collie St. Adrian's Sultan's Favor, blown in coat, but the quality was there, beautiful expression, nicely carried ears, and of sensible size. The Doberman Pinscher Trollhattan's Christina Contralto, a very sound, well conditioned dog. While on this group I

would like to mention an exceptionally nice German Shepherd which was placed third because of its uncertain temperament at the time of judging. It might have been upset going into the ring, but a shepherd must of all breeds possess a steady temperament and it was most unfortunate that we did not have time to allow it to settle down.

The sealyham terrier Jacdor Judett and the miniature Schnauzer Cosburn's Pretty Coquette were difficult to separate in the terrier group, the sealyham scored though in texture and density of coat, both are top quality terriers, sound in gait and posed perfectly on a loose lead. Of all the terriers the one which defeated itself was the bull terrier which insisted on gamboling all over the ring, jumping with all feet off the ground and refusing to gait or walk. This terrier, Coolyn Nova Queen, is a good one if she will only settle down to business.

Second to the bulldog in the non-sporting group was a nicely balanced Boston Terrier puppy, Dinah Mites Little Piffer, who will continue to hold her type, particularly her sweet head and expression.

The miniature pinscher, Micky Finn of Geddesburg, was another top quality dog, one of the nicest of its breed seen by me this year; there was no denying it the first in the group. Second, the pekingese Chang Ho, nice headed dog but loose in coat.

Third, the pomeranian Sealand Tinderbox, a richly coloured orange, nice ears and expression, will look much better when the coat is in bloom. I understand it had just arrived from England and had not time to become acclimatized. Fourth, a very typical chihuahua, Drabik's Goldie, very small and compact with a well defined head.

My grateful thanks to those who so kindly assisted in making this keenly contested show a happy occasion. To those who did not win, my thanks for taking your losses in such good spirit.

Bullmastiff Specialty

by H. Daniell-Jenkins

IT was most fitting that the first Bullmastiff Specialty on this continent should take place in Canada. This country has at last taken the lead in establishing a new breed at the show rings and in the homes of North America. The popularity which the Bullmastiff now enjoys in the United States was sparked rather from Canada than from the few existing specimens remaining across the line after the Second World War. The ground was long prepared by the efforts of Parkhurst and Majferm Kennels in Ontario, by Polira Kennels in New Brunswick and Heatherbelle in British Columbia. We, at Kennels of the Rouge, then came in and possibly gave the final shove which sent the ball rolling.

These efforts bore fruit at the Honourable Company of Bullmastiff Fanciers' specialty show which was featured at the Progressive Kennel Club's all-breed event in Dixie, Ont., on Sept. 15th, 1951. Rodney Hull, president of the Company, and his show committee under J. Neil Malcolm, were responsible for the smooth-running of the classes and the impressive entry, the largest the breed has ever had in North America. Out of 24 dogs entered 22 were benched—all these except four were Canadian-owned and 14 were Canadian-bred as well.

The Fanciers said they were most favorably impressed by the thorough, patient and expert examination of their dogs by the judge, Col. E. D. McQuown, Dayton, Ohio, towards the end of what must have been a long and tiring day. From the spectator's point of view it was an education to watch the Colonel going over the entry and steering his way through a large and complicated array of classes. Able assistance was given by his ring steward to exhibitors and officials—the Fanciers were lucky to have someone like Don Seabrook of London, Ont., for their first Specialty.

On analysis of the dogs present, certain general considerations seem to arise. One comment that seemed to require an answer was that there was too much variation of type. Actually they were very close—for Bullmastiffs. Now this is not primarily a show breed and, it is to be hoped, never will be made into one; but a real Working Dog. Most of the dogs benched are either guards or attack dogs when at home and the Montreal entry draws a sled! Breeders, with these objects in view, must therefore rank soundness, condition and personality above all else.

Most fanciers claim that any attempt to impose upon the Bullmastiff a limited type of dog will only end, if successful, as it has in some other breeds, with debility, degeneration and uselessness for any purpose outside the shows. The new World Standard deliberately leaves great latitude on minor points and stresses the general picture by putting first the following requirements:

"(1) The temperament of the Bullmastiff combines high spirits, reliability, activity, endurance and alertness.
"(2) The Bullmastiff is a powerfully built, symmetrical dog, showing great strength, but not cumbersome."

It seemed to most onlookers that the Dixie entry summed up these charac-

Mr. and Mrs. R. Lee Twitty of Brewster, N.Y., with their entry at the Bullmastiff Specialty. Mrs. Twitty is handling Binagain of Bulmas who won winners female. On the right the Best of Breed and Best in Show all breeds is Int. Ch. Robin of the Rouge, owned and shown by Mrs. J. H. Daniell-Jenkins. The judge is E. D. McQuown. Making the presentation is Mr. M. Stevens, and holding the trophy is Mr. H. Daniell-Jenkins.

adian stock is such that when it matures, it will probably push some imports from their pedestals. Bullmastiffs are essentially suited to a land like Canada—perhaps by now more so than to England. For we have here wild country, lonely homes and in places pioneer conditions under which what a dog can do is more important than how he looks, and hardiness is an essential. There is plenty of room for more kennels in the breed and the Fanciers do not want to create a monopoly but will gladly assist others to establish themselves in this interesting and rewarding field. All must now concentrate on gaining experience and know-how in the science of breeding the best from available stock—something which cannot be learned in a hurry.

A quick run over some of the Specialty's dogs may be useful. This writer is diffident in commenting on the Winner of the Specialty, because he owns the dog. However, here is the bare record. Int. Ch. Robin of the Rouge went Best of Breed, Best in Group and Best in Show. The first Bullmastiff to win BIS all-breeds in North America. He is an imported dog from England (Ch. Robin Hood of Le Tassyl ex Betty of Stanfell). He is the first Bullmastiff to hold both U.S. and Canadian titles. He has sired five Champions including two Internationals. After 47 Best of Breeds and 12 group placings in Canada and the U.S., he has been retired from the show ring in his fifth year.

Best Opposite Sex, Winners Females and Best of Winners was the well-known Am. Ch. Binagain of Bulmas, this year's Madison Square Breed winner. It is owned by Mr. and Mrs. Lee Twitty of Brewster, N.Y., who were the only U.S. visitors to the Specialty. The Fanciers were all enthusiastic about the good sportsmanship of these exhibitors who not only brought up some of their best dogs to help their Canadian friends but even turned to the day before the show and assisted with the benching! Binagain is generally regarded as one of the best proportioned and most solid females on teristics completely.

Another point of importance is that Canadian-bred dogs are now coming into their own. The proportion in the

entry was encouraging, and, although the top wins at Dixie rightly went to imports, the quality of the young Canadian side of the Atlantic. Is a deep red in color, and very hard to fault. It should make an outstanding contribution to the breed over here in her progeny. Binagain is also an English import.

Winners Dog was an import of Dr. Richard Kelso's recently acquired by the Twitty's, Dandy of the Hickathrift, a dog with outstanding ring personality and all the characteristics of an alert and watchful guard dog. It again is red and was represented on the bench by two of its puppies, both of which indicate its capabilities as a sire.

Outstanding among the Canadian-bred specials was Rodney Hull's Int. Ch. Maifern Ambassador, who won a hotly contested members' class. This dog is still young but when matured a little, should become one of the leading bullmastiffs on the continent. In passing I would mention Ch. Mimico Marionette, now no longer in first youth but a noted brood female in Canada, the mother of four champions, bred by Mrs. Mullin of Mulorna fame and originally imported from England by Mrs. M. E. Lawton of Majferm Kennels.

In the classes a quality dog was Rae Bruce's Maifern Ironside of Bruce, while a dog with a particularly fine head was Mr. Hull's Preston Bruce of Polira. In females Don Stevenson did very well with Lady Jane of Eldona, who took the Reserve ribbon, which only goes to prove that a good sled dog can also win in the show ring. R. P. Ramsey of Guelph exhibited an outstanding puppy, Monarch of the Rouge, who won the Canadian-bred class over adult competition.

This article cannot be closed without a tribute being paid to the Progressive Kennel Club of Canada for unfailing kindness and cooperation in featuring this Specialty at its All-breed show.

Handling and Showmanship

by Vic W. Williams, Vancouver, B.C.

THIS short article is written with the sincere purpose of offering some helpful advice to the novice exhibitors who, after all, are the real mainspring of the dog fancy and if it were not for the ever flowing interest in the fancy by the novices, the grim reaper, "Father Time", would thin down our ranks so speedily that it would be a catastrophe to the dog game the world over. The art or knack of presenting a dog to its best advantage in the show ring can only culminate from a careful study of the requirements, based on experience, combined with common sense, observation, patience, and last but by no means least, kindness, shown to the dog by its handler. Assuming that your dog is in the best of health and is clean, the first primary step is to prepare him for the show, not a day or so before the show but several weeks before, and this step includes coat conditioning and road work for the majority of breeds, excepting only those breeds, which, due to their coats become damaged or worn through contact with dirt, etc. Just one word at this point in connection with those breeds which require stripping and trimming, and it must be thoroughly understood that there is a distinct difference between stripping and trimming. Those breeds requiring stripping should be "worked on" many weeks before the actual show date and the process of trimming should only be used as a final act of outlining or pulling out straggly hairs so as to present the finished picture for inspection and judgment in the ring. It should, however, be borne in mind that stripping and trimming are not carried out with the object of deceiving a judge, because any good judge, who is thoroughly acquainted with the requirements of the particular breeds, cannot be deceived in this way. On the other hand good trimming can accentuate the good points and at the same time, to some small extent, minimize the undesirable ones.

The art of handling a dog to its best advantage can only be acquired through a common understanding and a complete confidence between the handler and the dog. Training of course is also essential and the best performers are those which have been schooled by patient instructors on a practical basis and experience in the actual show ring, therefore, having acquired the confidence of your dog you must also be endowed with sympathetic understanding yourself, as strange to say, a dog, like a horse, reacts through instinct the mental condition of its handler and so one must avoid or guard against this obstacle and so lessen one's chance of winning through this handicap. Showmanship on the part of the handler and the dog may be a natural accomplishment or the result of careful observation of others plus personal experience. That does not mean to say that a professional handler has much advantage over an amateur, as we have amateurs in all other sports such as Tennis, Golf, Racing, Boxing, frequently gaining the highest honors in their respective sports through sheer ability, and the

old theory of "Practice makes perfect" is equally applicable to the handling of dogs as to any other achievement in sport. So that to you Mr. Novice Exhibitor I would say, if you do not meet with success at first, stay with it and try again, attend more and larger dog shows, gain your knowledge through enquiry from those who have been successful and there are many good sports in this department who are always only too glad to give good friendly advice, but be on your guard against the "fifth column" sympathizers who delight in going out of their way to undermine the novice's enthusiasm with disparaging remarks about the dog fancy in general, about the club, its officers and the judges in particular.

When showing your dog you should always bear in mind that each exhibitor has paid the same entrance fee to secure the judge's opinion and is therefore entitled to the same amount of consideration from the judge and further, that the actual time the judge can afford to spend going over your individual dog is but a very few minutes so that every second of your stay in that ring counts. By that, I do not mean that you should tire your dog out with continuous posing. The well trained army does not stand at attention all the time during an inspection or parade and so it is with your dog. There must be rest periods so that when he is called upon to show his best he is full of spirit and attention ready to react your demands of him. Make those precious minutes or seconds that the judge is devoting to your dog count. Use every one of them to bring out your dog's best points and minimizing, as far as possible, your dog's legitimate faults. This type of sportsmanship will give you and your dog your just rewards and remember that if you lose today there will be other shows and other judges tomorrow whose opinion may differ from that judge under whom you lost.

The handler, whether he be amateur or professional, who comes out of the ring with the second or third ribbon with a smile on his face and an outward appearance of cheerfulness will in the long run generally get his fair share of the winnings and the general public will voice their admiration with those desirable words: "There's a grand loser and a good sport"—and, better luck next time.

Dog's Hotel

by Janet Holyoake

THERE was once a man called Mr. Smith, who bred Great Danes. Now Mr. Smith's Great Danes were quite exceptional dogs because they were impossible to fault. Indeed Mr. Smith spent a great deal of his time in actually ASKING people to find fault with his dogs; and not only asking people to find fault with them but offering, if they could, to stand them a drink. As very few people were able to point out any defects in his Great Danes, Mr.

Smith seldom had to buy himself a drink.

Which was a very satisfactory state of affairs.

Sometimes, Mr. Smith won prizes with his dogs. But not often, because most of the judges under whom he had the misfortune to exhibit, invariably turned out to be rogues. Either they took an instant dislike to Mr. Smith's face as he walked into the ring, or they disapproved of the cut of his clothes; or they may have noticed that he had a hole in his sock and out of sheer prejudice they never so much as took one glance at his dogs.

Which just shows that the majority of judges are NOT SPORTSMEN.

But worse—sometimes, out of the kindness of his heart, Mr. Smith would offer these judges a drink beforehand; though he, a poor working man who bred dogs just for the love of the game and not for what was to be got out of it, could ill afford such lavish hospitality. But did these drinks make a difference? Not likely! When richer men could offer five course dinners washed down with champagne.

Which just shows that the majority of judges are nothing but a set of hide-bound CAPITALISTS.

The gross injustice of it all was, that many other breeders, who had been literally tumbling over one another before the show began, to purchase some of Mr. Smith's unfaultable stock, seldom re-appeared when the show was over to clinch the deal.

Which just shows a lot of things about the majority of judges.

But was Mr. Smith's indomitable will to be conquered? Never! Could he be blackmailed or badgered into giving up the game? Never! Would he courageously carry on breeding his superb Great Danes? Forever! Or at all events until an honest judge made an appearance at last and recognized their qualities.

Which just shows what a sportsman, what a gentleman, what a tough guy, what a fighter was Mr. Smith.

But unfortunately, while waiting for this miracle to come to pass, Mr. Smith was obliged to go on feeding his Great Danes at great expense. And to allow large dogs, with large stomachs and large appetites to loaf about eating their heads off, is no joke. So Mr. Smith had to think something out. But an idea quickly presented itself. It struck him that to feed his large dogs, all he had to do was to acquire a few small dogs likely to produce a quicker turnover, and make use of the profits to buy more food.

Which just shows that if choice had not directed Mr. Smith's feet along the path of dog-breeder, fate would undoubtedly have offered him the role of successful financier.

He went one better, he decided not to go to the unnecessary expense of buying small dogs but of offering instead, to take in other people's. It was an inspiration. He would take in boarders.

Now Mr. Smith was not a man to let the grass grow under his feet, no sooner had this excellent idea presented itself than he was determined to put it into practice. So the very next morning he knocked the bottom out of a soap box; painted it white; wrote "Dogs Hotel" on it in large black letters; hoisted up the post that sup-

ported Mrs. Smith's washing line; nailed the notice on top of the post; and stuck it outside the front gate. During the night, a gale of wind blew the post lobsided. But if the owner of a worthless-nondescript-mongrel-dog could not read a notice unless it was dead straight, heaven help him! And Mr. Smith left the notice skew-wiff and went off to have a drink and court custom.

Thanks to his natural loquacity, and to the fact that he made a special point of opening negotiations with husbands in a suitable environment, and discouraged wives from visiting his kennels like the plague, Mr. Smith soon collected quite a lot of customers. The "Dogs Hotel" began to flourish and the best of it was, it was really no trouble to run at all.

As soon as the dogs arrived—and their owners had gone—Mr. Smith just shoved them into an empty kennel at the bottom of the garden. Now and then, for the sake of their health, he hauled them out by the scruffs of their necks and chained them up in the back yard for an airing. Couldn't let the little blighters loose in the chicken run where the Great Danes were exercised, because they were such devils for escaping. Some of the pampered little beggars brought baskets and cushions with them—barmy! But nevertheless, Mrs. Smith wrapped up these things most carefully in pieces of newspaper and stored them in the cupboard under the stairs.

Which just shows what conscientious observers of other people's property

were Mr. and Mrs. Smith.

Food presented few problems either, for weren't these little Fidos fed on scraps at home? So why change their diet and upset their digestions? Some of the more bloated ones brought lumps of meat with them which the Great Danes enjoyed immensely. Of course most of them howled the place down, which was only to be expected in strange surroundings, and when the neighbours objected, Mr. Smith was soon able to gauge to a nicety just how much stimulating refreshment was required to quell their nerves and take their minds off the disturbance. And Mr. Smith could afford, now, to be generous.

Which just shows that keeping a "Dogs Hotel" is simply money for jam.

Naturally, there were drawbacks. The less pleasant customers, for instance, had a habit of turning a bit "crusty" at times. Some of them complained that their dogs looked thin when they came to fetch them, and it often took Mr. Smith quite a time to convince them that on the contrary, when the dog arrived, it had been upon the point of collapsing from apoplexy caused by gross over-eating and it was only due to Mr. Smith's careful and judicious dieting that its life had undoubtedly been prolonged.

Others actually complained that their dogs smelt. And what dog does not smell one would like to know? Did his customers expect Mr. Smith to wash the little devils in eau-de-cologne and dust them all over with talcum powder?

One particularly offensive little man even threatened to SUMMONS him! Just because his nasty little tyke had gnawed a hole right through Mr. Smith's valuable and unreplaceable kennel door and bolted in the night. Good riddance, was Mr. Smith's private opinion of the catastrophe. Why people wanted to keep these splay-footed, soft-coated, undershot, lob-eared monstrosities, much less pay through the nose to board them out, was past his comprehension. But that was their own business, and out of sheer good heartedness, Mr. Smith had actually offered, on this particular occasion, to put the matter right by selling the man one of his faultless Great Danes—at an absurdly reduced figure—to replace his lost dog. And the offer had been turned down! Not only turned down, but the owner of this miserable little kennel-eating mongrel had had the audacity to retire in a positive frenzy and refuse to pay his bill.

As a compensation, there were a few people who never questioned Mr. Smith's methods, and who did not seem to mind in the very least what happened to their dogs.

Which just shows that there are a few sensible people about after all.

But did any judges, show secretaries, other members of the great dog fraternity, or a single fellow breeder ever recommend one boarder to Mr. Smith's "Dogs Hotel"? Not one!

Which just shows what a scandalous, trade-destroying handicap is PROFESSIONAL JEALOUSY.

Vancouver Island Notes

THE Victoria City Kennel Club put on their sixty-fourth championship show with Mrs. M. Bowden and Walter J. Pym both of Victoria handing out the awards on successive days. Both turned in a very good job and the majority of exhibitors were pleased with their placings. At the end of the evening on Friday a pleasing incident took place with the presentation to Harry Dodds, well-known to us all here on the coast, with the following few words: "Ladies and gentlemen, tonight we honor a gentleman who has done so much for dogs and dog shows and fanciers. His quiet nature and his uncanny knowledge of dogs has been of great help to many over a number of years, so on behalf of all dogs and dog lovers I present this trophy."

The trophy, presented by T. Doffin, was a lovely dog standing on top of a black pedestal and I would like to say it took Harry by complete surprise and touched him deeply. He does not know how many friends he really has and this gesture is just a little unsought appreciation of Harry's many kindnesses to us all.

Next high spot was the Vancouver Island Dog Fanciers Association. A nice entry greeted the judges, Mr. R. H. Livesy of Milwaukie, Oregon, U.S.A., and Mr. R. Waters of Haney, B.C., both of whom seemed to give general satisfaction. An obedience trial was held in conjunction both days. I have not the scores at hand, twelve dogs competed. After the show was over the usual social time was held

for exhibitors and their friends and a good time was enjoyed by all. An unusual entry for here of Great Danes, ten in number, greeted the judges.

We are happy to welcome two new Great Dane fanciers to our midst. Mr. and Mrs. Desmond R. Morrison who with their Great Danes have arrived from England. They will be an asset to our B.C. shows.

It is nice to see Mrs. A. Wilkie back in the show ring again. Her health is improved and she looks like her old self again. Keep it up Agnes.

This is all for now. Send in your news folks.

Our President Mrs. Ida Garfin would like to extend her thanks to all those who helped make our Fall Dog Show a success.

Our thanks to Mrs. Irene Hanson and those who gave her a helping hand to make our Exhibitors party such an enjoyable affair. Understand Mr. Pratt won the prize which is usually donated for the party. A beautiful silver tray was presented to Mr. and Mrs. Albert Hoving of High River for all the good work they have done for our Club. Bobbie Thomson left Calgary on the 22nd of Sept. to start on his journey to his native home in Scotland. I know that all Bobbie's friends will be wishing him a pleasant journey.

Congratulations to Mrs. Bert Forrest on the arrival of a son which they are calling Robert Thomas.

Mr. and Mrs. W. E. Moore formerly of Halifax are now living in Calgary, they managed to get down to our Show for awhile and we hope that they will soon become active members in our Club as soon as they are settled. Hope all our members will turn out for our November meeting as Dr. J. Gordon Anderson will be speaking on Serums and Diseases of Dogs. I am sure many will find this very interesting. Cheerio until next time.

ing a portion of our magazine to be set aside for expressions of opinions from members on various subjects. So far there has been no more said about it. I hope some of our "stronger personalities" found time to write C.K.C. on this subject.

Have heard many comments in appreciation of the article by Dr. H. L. Watson under Saskatchewan notes. It is well for us to take note of the suggestion of leadership. Our Western C.K.C. officers should follow up on Saskatchewan's ideas pointing toward an all Western circuit. Permit me to "ditto" the doctor—"and don't think it can't be done—It can!"

Wedding bells rang out for Ray Gostick early in September. Ray is probably not as well known to the fanciers as some of the other Gosticks due to the fact that most of his doggy activities have been confined to field dogs and training. Ray is on the lookout for a small holding where he hopes to set up his own training establishment. Congratulations Ray and good luck.

We wish to welcome to our midst Mrs. Olive Montgomery from Dublin, Ireland, a dachshund fancier. She has made her home in Middlechurch. Mrs. Montgomery believes in starting at the top—she bought Ch. Four Winds Annette from Mrs. Glenora Mills. This grand little female dachsie whelped three puppies shortly after settling in her new home.

Mr. Walter Sylvester and family are now residing in Portage la Prairie where Walter has taken over the management of a large shoe store. Be sure to come in for our banquet folks.

Mr. and Mrs. Bill Nixon had a grand five weeks' vacation at the West coast after Bill returned from his judging assignment at the Lakehead. They travelled all through the Okanagan Valley, Kamloops, Bemerton, Washington, spending three glorious weeks at Seattle. Bill said he was sorry they didn't run into any dog shows while out West, but the good time they had at the Lakehead Shows made up for that.

Mrs. Peggy Crombie is thrilled at having completed the championship title for her female cocker while at the Lakehead Shows.

The following report, very much appreciated was sent to me by Mrs. H. Baker, President of the Cocker Club:—

The Cocker Spaniel Specialty Club of Winnipeg, Man., held a Silver Tea, September 15th, at the home of Mrs. J. Crombie the enterprising and resourceful secretary, whose enthusiasm is almost without limitation. Ladies of the Fort Garry K.C. and Greater Winnipeg Ladies K.C. poured tea.

The proceedings were opened by Mr. Cliff Biggar, director for Manitoba, who stressed the success that had attended the previous efforts of this vigorous six year old club. One innovation was a table of beautifully decorated parcels, each containing value for money expended; this was designated as "The Pig in the Poke", with Mrs. Joseph Kissel presiding.

A plentiful supply of delicious home cooking displayed on a table tastefully decorated with flowers, was in the capable hands of Mrs. F. White.

Mrs. John Low, an expert in the culinary arts, was responsible for the

delicious tea served throughout the afternoon.

Mrs. Gordon Morrison in the role of convener, made her usual splendid contribution to a very successful and encouraging effort. I might mention that I was there too! Mrs. H. Baker, President.

In closing I would like to remind folks that elections are not too far away. In order to have the best "C.K.C. Government" possible it might be a good idea to put on our thinking caps and before making a decision, make sure that our hobby, "Breeding Better Dogs" comes first!

Maritime Notes

THE Maritime circuit of shows proved conclusively that the general public are becoming more dog-show conscious for although there was a slight decrease in entries at some of the shows this was offset by the capacity crowds which broke all previous attendance records.

The Halifax shows were reviewed last month so we will go on to Moncton, N.B., where the Moncton Kennel Club staged their usual first-class show. Moncton is most fortunate in that they have a spacious and airy stadium in which to lay out their benching and judging rings. This year a first-aid post in charge of a trained St. John Ambulance Corps was added to the show. The show was judged by Ronald C. Vaughan of Rothesay, N.B., who awarded Best in Show to the Great Dane Ch. Bornholm's Casanova, owned by Mrs. C. C. McGill of Johnson City.

N.Y. Reserve Best in Show was won by the Wire Haired Terrier, Tophill Token of Harem, owned by Ted Ward of Clarkson, Ontario. The Boston Terrier Ch. Eylvanglen's Ace of Hearts, owned by Alpha P. Shute of York Village, Me., won Best Canadian-Bred in Show, while Best Canadian-Bred Puppy also went to a Boston Terrier, Hagerty's Ace Regardless, owned by Mr. and Mrs. J. W. Duckett of Hamilton, Ontario.

Saint John, N.B., staged two one-day shows. The judge on the first day was Mrs. P. A. Margeson of Kentville, N.S., who awarded Best in Show to the Pug, Pugville's Mighty Jim, owned by the Pugville Kennels of Croton-on-Hudson, N.Y. Reserve Best in Show was won by the Great Dane, Ch. Bornholm's Casanova, while Best Canadian-Bred was won by the Scottish Terrier, Hal-don Cinaria, owned by Mr. and Mrs. J. D. Cameron of Fredericton, N.B., and Best Canadian-Bred Puppy was won by the English Bulldog, Canning Town's Playboy, owned by Roland Wasson of Saint John, N.B. Mr. Frank Foster Davis of Ventnor, N.Y., judged the second show and he awarded Best in Show to the 15" Johnson's Fancy, owned by Edward J. Johnson of Lyndhurst, N.J. Reserve Best in Show was won by the Weimaraner, Ch. Helman-hof's Storm Cloud, owned by Mr. and Mrs. Helms Crutchfield of Richmond, Va. This was one of the brace of dogs who gave such interesting exhibitions of obedience work at all the shows on the Maritime circuit. The Boston Terrier, Ch. Sylvanglen's Ace of Hearts, duplicated its win of the day before by the award of Best Canadian-Bred

in Show. Canadian-Bred Puppy was also a duplication, being won by the English Bulldog, Canning Town's Playboy.

The Fredericton, N.B., show was judged by A. J. Milne of Cainsville, Ontario, who placed the Boston Terrier, Ch. Sylvanglen's Ace of Hearts, Best in Show and also Best Canadian-bred in Show. The Great Dane, Ch. Bornholm's Casanova, was awarded Reserve Best in Show and the English Bulldog, Canning Town's Playboy, won Best Canadian-bred Puppy in Show again. The second Fredericton show was judged by Jack Waggitt of Toronto, who awarded Best in Show to the Pug, Pugville's Mighty Jim, owned by Mrs. Filomena Doherty of Croton-on-Hudson, N.Y. The Great Dane, Ch. Cornholm's Casanova, was again awarded Reserve Best in Show, while the Boston Terrier, Ch. Sylvanglen's Ace of Hearts, duplicated its earlier win of Best Canadian-bred in Show, and once again the Bulldog, Canning Town's Playboy, won the Best Canadian-bred Puppy award.

The Pictou County Kennel Club show was held in New Glasgow, N.S., and was judged by George Kane of Saint John, N.B., who awarded Best in Show to the A. S. C. O. B. Cocker Spaniel, Ch. Bigg's Red Cedar, owned by Mrs. P. A. Margeson of Kentville, N.S. Reserve Best in Show was won by the Boston Terrier, Gregory's Flash Boy, owned by Stanley Kowalski of Stellarton, and for the fifth time the English Bulldog, Canning Town's Playboy, won Best Canadian-bred Puppy in Show.

This ended the Maritime circuit of ten shows, as Truro came in at a later date, and there is no doubt that their

success will mean a great deal to the hard-working club members throughout the Maritimes.

The Truro County Kennel Club show held at Truro was judged by Alva McColl of Toronto, who awarded Best in Show to the American Cocker Spaniel Ch. Ambition of Brookside, owned by Percy S. Sawler of Dartmouth, N.S. This dog was also Best Canadian-bred in Show. Reserve Best in Show was won by the Samoyed Ch. Spark of Altai, owned by Mr. C. S. Bezanson of Aylesford, N.S., and for the sixth time the English Bulldog Canning Town's Playboy won Best Canadian-bred Puppy in Show.

Notes from the Province of Quebec

by Mrs. Pamela B. Mack

HELLO members. Was recently at some of the Maritime shows and was delighted to see several Quebec breeders and their dogs who did some very nice winning. Among them was Mr. Ian Breakey whose imported smooth fox terrier Lavish Warpaint won two groups while I was there.

At the Halifax shows the week before Mrs. J. L. Ilsley handled her pug "Winna Chip O'Gold" to Reserve Best in Show the first day and Best in Show the second day. This was a lovely win for an almost novice exhibitor and again proves that breeding will tell.

At one of the recent Toronto Exhibition shows Mrs. P. Adams again came through with a lovely win. Her beautiful cream skye International Champion "Talisker Don-Karin Lady Too" going Reserve Best in Show.

News from Mrs. Everett of Acadia Lodge Kennels that she has now branched into Kerry Blue Terriers and has recently imported five from the U.S.A., so Mrs. Everett will be an even more formidable contender in the terrier groups.

At the Quebec shows on Oct. 6 and 7 many exhibitors from our province came away with major honors. Mr. Howard Lees won Reserve Best in Show the first night with his beautiful black Chow from California. This dog came from the classes and has been raised by Mr. Lees since six weeks of age. Congratulations to Mr. Lees and An-Dee of Ferg-Sun. Let's hope that he continues his winning ways and helps to publicize the Chow-Chow which unfortunately is not seen often enough at the shows.

Mr. Mac McLean, President of the Hull and District Kennel Club, had two fine Manchester terriers with him, a Toy and standard and did well in the group with his dogs.

Mr. Younger won the sporting group with his beautiful Golden Retriever "Golden Guns Trigger", very nicely shown by his owner.

Another nice win for Quebec was Mrs. R. Short's Samoyed Igloo's Aoojo, who placed third in the group both days much to his owner's delight, as this dog is just a year old and the working group had a large entry of excellent dogs.

Guess that is all the news for now. Do send me any items of interest you have about your dogs and hope you are all able to attend the Montreal Dog Fanciers Shows on November 3rd and 4th, the last show for the year in these parts and good luck with your dogs.

Windsor Kennel Club

by Harold Wellwood Jr.

WELCOME news to everyone! But first make sure you're sitting down when you read this for the shock may be too great. Here it is—Windsor is moving its 1952 show from the Market Building to the spacious more attractive and of course cleaner, Windsor Arena. That's right and "grandma" your eyes don't need examining. The Windsor show really promises to be something this year, and as the saying goes "will be done up brown", thus the first bit of cooking to be done was the booking of the Arena.

As usual Sunday will be the Show date and the date either April 13 or 27, subject to approval by the C.K.C. All this passed at one of the largest general membership meetings to be held by the Club in years. Held as usual at the Norton Palmer Hotel, this correspondent possibly affected by October's 85 degrees heat, saw his motion for increasing the entry fee defeated by a one vote margin. So it can be said that Windsor is holding the price line and not helping to boost the Dog cost of living index. However, our motion for a fifty cent admission for adults and fifteen cents for children over six years of age was unanimously approved, and that's where we "keeled over".

Plans were completed to have several topnotchers in the dog kingdom to address the members each month and to have shown, when available, some doggy pictures. To just a fledgling in this sport, we must inject here that little did we realize the time, work and effort that goes into putting on a show. Little did we realize preparations began so soon and took up practically all of one season. Still speaking in the vain of the raw, popeyed freshman we don't wish to bore you, however, along with the good wife and three little daughters, we can't help but wax enthusiastic over our first ventures in dog shows with our collie "Belle" whom we have been bold enough to mention before. Perhaps, however, you can feel the emotions we did when on Sunday, September 23rd "Belle" went all the way up to finish second for Best in Show in the Oakland County Puppy match in Detroit with an entry of over 200 pups. We sure hope this isn't all just beginner's luck.

With precision like clockwork, the meeting, what with the amount of business discussed, was closed at 10:03 p.m. Then as usual, little groups formed here and there and the "fat" began to get a chewing that not even a pack of starved Huskies could even hope to equal. Hopping from group to group was Mrs. Walter Taylor (Shipperke) owner of Ch. Mickey of Fairdale Jr., who was proudly waving around a couple of copies of Dogs in Canada, so that all could see how Ch. Buster's Bruin of Fairdale was making the West sit up and howl. Mrs. Taylor's sudden interest stems naturally from the fact that Buster's Bruin is the daddy of the Taylor's pride, joy and hopes, Cleone of Fair-

dale. We stopped around at Mrs. Taylor's after the meeting, and were introduced to three cute little three weeks old "Skips", who were just as bright eyed as could be.

Last but not least, in the centre of one group, were the McTigues proudly extolling the virtues of their new kennels out at La Salle, Ont., where recently they sold three litters of their Shelties at the average rate of on dog per day. Sounds pretty good. Guess we'll have to make the La Salle Shelties our next visit before the November meeting. Gosh "taint" it awful the way time flies? Why before you know it, it will be April and the City of Windsor will be hosting the truly-International Dog Show in Canada.

The German Shepherd Dog Club of Canada

by Sheilah Snell

SATURDAY, September 29, the day of our annual Specialty Show, dawned crisp and clear, which is exactly the kind of weather you usually associate with our show. We had one of the largest entries in our history—ninety-five dogs, with very few absent, as our trophies are something you dislike to pass up the chance to win. Mr. Anthony Natoli, from New York, did an excellent job of the judging, as even those seated at the ring-side found little to complain about in his decisions.

Best of Breed was Rolf von Hoheluft, owned by Mr. Bernard Daku, who automatically won the Grand Victor trophy as well. Mr. David McCahill, who has three times in succession carried off the Grand Victor trophy, this year decided to aim his sights at the grand Victrix, instead. Of course, he was successful, this time with Courageous Walk von Da-Rie-Mar-Hill. George Taylor's Gleam of Volstar, was best pup in show.

Following the show, about seventy-five members and their friends gathered at the Royal York for dinner, where the magnificent McCahill trophy was presented to Mrs. Robert Gibbs, whose Steel of Barrimor was the best Canadian Bred in Show.

Our matinee shows are over for the season, the last one being held at the home of Mr. and Mrs. Max Frohle on the Humber, with a goodly number of people and dogs present. Everyone

THE Sarnia Kennel Club held their monthly meeting at the Canadian Corp Hall on Thursday, September 20, 1951, for the purpose of electing their officers for the coming year.

Mr. Charles Fischer was elected secretary by acclamation. The other members are as follows:

President—Mr. Fred Kilbreath re-elected, Vice-President, Mrs. G. W. D. Barge; Treasurer, Mr. H. B. Wright. The Directors were—Mr. G. W. D. Sarge, Mr. Ernest Greaves, Mrs. Fred Kilbreath and Mrs. G. A. Kennedy.

The guest speaker for the evening was Mr. Edward O'Brien of Edlyn Training Kennels of Canfield. He gave a very interesting talk and demonstration with his Doberman Pinscher on Obedience. Mr. O'Brien will be conducting classes here in the near future in Obedience Training of Dogs.

The Progressive Kennel Club of Canada Inc.

by Gertrude W. Drew

A SUPERB entry of over four hundred and fifty dogs indicates the Progressive Kennel Club Fall Dixie show can now be ranked with the top shows in Canada and United States. An increase of one hundred entries over last year's show placed a heavy responsibility on the judges and made the closing hour much later than anticipated. But the club will benefit by the experience and a complete roster of judges will eliminate a future occurrence.

The weather played no inconsiderable part in the overall success of the show; it was a beautiful, warm, sunny day and the Club was well rewarded by the happy people who thronged through the turnstiles.

The Honourable Company of Bull Mastiff fanciers made Dixie the site of their first specialty show. Not only did this ebullient, new organization attract a record entry of twenty-four Bull Mastiffs but one of the twenty-four walked off with Best in Show honors.

Perhaps the stiffest competition of the day in the American Cocker Spaniels; forty-four in all were exhibited including some of today's topnotchers.

It was heartening to see so many American visitors at Dixie. Mayhaps our Canadian Title is becoming more desirable? However, it is only fair to note the increase is Ontario wide.

All in all, it was a good day and the combined efforts of the Club and Mr. Alf. Loveridge augurs well for the future Fall Dixie Shows.

AN enjoyable club meeting was held at the home of Mary and Spencer Weller. It was well attended and we believe our club has really gained an asset by the presence of our three new members, Mr. and Mrs. H. Wirsching and Mr. Lee Cappallezo.

All our sick members are with us once again and it is wonderful to see them all back again.

I am sure that none of us will soon forget the wonderful time we had at Wasaga Beach. Grace and Frank really are a congenial host and hostess. Mr. Johnston's brother and his son put extra life into the party by their banjo playing. The only thing you could possibly see wrong with the evening was that it ended all too soon.

Mr. Toye has a lovely little female pup which should go far as she grows older, she really looked nice at Wasaga.

Mr. and Mrs. Wirsching are also to be congratulated on their little puppy too.

THE SCOTTISH TERRIER

Description and Standard of Points

(Adopted April 1947, by The Scottish Terrier Club of America).

SKULL—(5 Points): Long, of medium width, slightly domed and covered with short hard hair. It should be quite flat, as there should be a slight stop or drop between the eyes.

MUZZLE—(5 Points): In proportion to the length of skull, with not too much taper toward the nose. Nose should be black and of good size. The jaws should be level and square. The nose projects somewhat over the mouth, giving the impression that the upper jaw is longer than the lower. The teeth should be evenly placed, having a scissors or level bite, with the former being preferable.

EYES—(5 Points): Set wide apart, small and of almond shape, not round. Color to be dark brown or nearly black. To be bright, piercing and set well under the brow.

EARS—(10 Points): Small, prick, set well up on the skull, rather pointed but not cut. The hair on them should be short and velvety.

NECK—(5 Points): Moderately short, thick and muscular, strongly set on sloping shoulders, but not so short as to appear clumsy.

CHEST—(5 Points): Broad and very deep, well let down between the forelegs.

BODY—(15 Points): Moderately short and well ribbed up with strong loin, deep flanks and very muscular hindquarters.

LEGS AND FEET—(10 Points): Both fore and hind legs should be short and very heavy in bone in proportion to the size of the dog. Fore legs straight or slightly bent with elbows close to the body. Scottish Terriers should not be out at the elbows. Thighs very muscular. Feet round and thick with strong nails, fore feet larger than the hind feet.

NOTE: The gait of the Scottish Terrier is peculiarly its own and is very characteristic of the breed. It is not the square trot or walk that is desirable in the long-legged breeds. The fore legs do not move in exact parallel planes—rather in reaching out incline slightly inward. This is due to the shortness of leg and width of chest. The action of the rear legs should be square and true and at the trot both the hocks and stifles should be flexed with a vigorous motion.

TAIL—(2½ Points): Never cut and about seven inches long, carried with a slight curve but not over the back.

COAT—(15 Points): Rather short, about two inches, dense undercoat with outercoat intensely hard and wiry.

SIZE AND WEIGHT—(10 Points): Equal consideration must be given to height, length of back and weight. Height at shoulder for either sex, should be about 10". Generally, a well balanced Scottish Terrier dog of correct size should weigh from 19 to 22 lbs. and a bitch from 18 to 21 lbs. The principal objective must be symmetry and balance.

COLOR—(2½ Points): Steel or iron grey, brindled or grizzled, black, sandy or wheaten. White markings are objectionable and can be allowed only on the chest and that to a slight extent only.

GENERAL APPEARANCE—(10 Points): The face should wear a keen, sharp and active expression. Both head and tail should be carried well up. The dog should look very compact, well muscled and powerful, giving the impression of immense power in a small size.

PENALTIES: Soft coat, round or very light eye, over or undershot jaw, obviously over or under size, shyness, timidity or failure to show with head and tail up are faults to be penalized. No judge should put to Winners or Best of Breed any Scottish Terrier not showing real Terrier character in the ring.

CORRECTIONS

In the September Issue of Dogs In Canada, Cocker Spaniel, WIN-HAR'S TEDSON (A.S.C.O.B.) was Best of Variety instead of BLONDE COLLEEN, thus entitling WIN-HAR'S TEDSON to 3 points. This was a mistake in the Judge's Book.

In the Hamilton Show recorded in the September Issue of Dogs In Canada, West Highland White Terrier, MALCOLM'S MINSTREL was shown as the Best Canadian Bred and Reserve Winners, but this dog was absent at the Show.

Meetings of the Board of Directors

SEPTEMBER 13th, 1951

2020. A regular meeting of the Board of Directors of the Canadian Kennel Club Inc. was held in the Club's offices, 667 Yonge Street, Toronto, Ontario, on Thursday, September 13th, 1951, commencing at 10.30 a.m. The President, H. L. Walley, presided. Directors present included Mrs. Ellen Brown, J. J. Farmer, W. H. MacKendrick, and Mrs. Alva McColl.

The Secretary read a letter from Col. J. N. MacRae, Galt, Ontario, indicating his acceptance and appreciation of appointment as an Honorary President of the Club.

2021 (1994). MINUTES

The Secretary presented for adoption the minutes of the meeting of the Board of Directors held on August 9th. It was regularly moved by Mrs. Brown, seconded by Mr. MacKendrick:

"THAT, the minutes of the meeting of the Board of Directors held on August 9th, 1951, be adopted."

Motion carried unanimously.

2022 (1998). STUD BOOKS

The President reported that:
(1) He had forwarded to each member of the Board copy of letter he had received from the Bureau of Animal Industry, Washington, advising that "because of the varied systems used by registry organizations in recording of pure bred dogs", of which the numerical system employed by The Canadian Kennel Club is only one, the Bureau is not "wholly convinced that a micro-film tabulation of registrations could be employed satisfactorily by all of them", and that while the Bureau was not "finally closing the door to this issue", it nevertheless felt that "the problem presented is so revolutionary and of such a wide departure from the book method", that it must have more time to give the question serious study before making a decision;
(2) He had forwarded to all members of the Board copy of letter to the Bureau making further representations.

The President suggested that the matter be held in abeyance pending further report to the Board. With this recommendation, the Board agreed.

2023 (1921). REGISTRATION COMMITTEE MATTERS

The Secretary reported that the Registration Committee had:

(1) Authorized the registration of the German Shepherd Dog ACT VOM HAUS TEPLAR on the basis of German documents presented by the importer, Wilhel mKellar, Toronto, Ontario;
(2) Authorized the registration of the Boxer MARS VON MONACHIA on the basis of German documents presented by the importer, Mrs. E. E. Eames, Montreal, Quebec;

(3) Authorized the recording of the transfer of ownership of the Boston Terrier LADY BONNIE 3rd (203999) from the name of A. C. Gardener, Toronto, Ontario, to the name of H. D. Mackey (date of transfer, February 23rd, 1946), conditional that statutory declaration is filed by Mr. Mackey;

(4) Authorized the registration of the Rhodesian Ridgebacks CLEO OF RIDGEWOOD and EVON OF RIDGEWOOD, under Article 33, section 5 of Constitution;

(5) Authorized the registration of the Schnauzer (Standard) PIA V. GROSS AUGSBURG on basis of German documents presented by importer, Mrs. Joseph Rainer, Toronto, Ontario;

(6) Authorized the recording of transfer of ownership of the Pekingese WEE RED RASCAL (248020) from the name of L. Bravington, Toronto, Ontario, to the name of Mrs. Gertrude Fletcher, Toronto, Ontario; date of transfer, February 5th, 1951;

(7) Authorized the recording of the transfer of ownership of the Alredale Terrier ROCKET 2nd (207860) from the name of F. H. Chambers, London, Ontario, to the name of Arthur R. Neil, London, Ontario; date of transfer, August 15th, 1946;

(8) Authorized the recording of the transfer of ownership of the German Shepherd Dog FILOU (259146) from the name of William Alfred Nanson, Edmonton, Alberta, to the name of Howard Irvin Cleaver, Toronto, Ontario; date of transfer, February 10th, 1949;

(9) Authorized the registration, under Article XXVIII, Section 1(f) of the By-laws, of the American Foxhounds ARMSTRONG'S HI DOCTOR, ARMSTRONG'S MERVIN, ARMSTRONG'S LADY, ARMSTRONG'S HI QUEEN, ARMSTRONG'S PATSY, ARMSTRONG'S QUEEN, ARMSTRONG'S HI RANGER 2nd, ARMSTRONG'S HI RANGER;

(10) Authorized the registration of the Boxer BENNO V. SCHLEUSENKRUG on the basis of German documents presented by M. A. W. Goodyear, Toronto, Ontario.

It was regularly moved by Mr. Farmer, seconded by Mr. MacKendrick:

"THAT, the Registration Committee's report be received and recorded." Motion carried.

2025 (1994). BEST CANADIAN BRED IN SHOW AND BEST CANADIAN BRED PUPPY IN SHOW

The Secretary reported that in accordance with the Board's direction (Item No. 1968) he had taken up with the Club's Solicitor and members of the Board resident outside of Ontario the matter of the interpretation to be placed on the decisions reached at the Annual General Meeting regarding proposed amendments in connection with the awards of Best Canadian Bred in Show and Best Canadian Bred Puppy in Show, and of procedure to be followed in connection with these awards.

The Secretary read a letter from the Club's Solicitors who were of the opinion that:

(1) The members at the Annual General Meeting had adopted amendments to those sections of the rules relating to the awards of Best Canadian Bred in Show and Best Canadian Bred Puppy in Show.

(2) Dr. Shute's amendment to the original proposed amendments in connection with these awards was not, in their opinion, an original proposed amendment requiring notice in a manner set out in chapter 28 of the Dog Show Rules and it was, in their view, properly put to the meeting by the Chairman as an amendment to the motion which was a motion to adopt the notified amendments originally proposed.

(3) That, in their view, there was power in the Annual General Meeting under the constitution and Dog Show Rules then in force to amend the proposed amendments at the meeting.

The Secretary read letters received from Directors Mrs. Margeson, Mr. Irving, Mr. Pratt, and Mrs. Randall, in connection with their interpretation and the decisions reached by the Annual General Meeting in connection with proposed amendments re these awards.

The President expressed the view that regardless of the personal opinion of individual members of the Board as to the wisdom of the procedures laid down at the Annual General Meeting in connection with these awards, the Board was bound to observe the actions of the Annual General Meeting which, in his opinion, were confirmed by the written opinion of the Club's Solicitors.

It was regularly moved by Mrs. Brown, seconded by Mrs. McColl:

"THAT, the procedure regarding judging of Best Canadian Bred in Show and Best Canadian Bred Puppy in Show as provided for in the printed Dog Show Rules dated May 29th, 1951, and as outlined in the July, 1951 issue of DOGS IN CANADA be considered the proper interpretation of the minutes of the Annual General Meeting held on March 30th, 1951."

Motion carried.

2026 (1997). RECORDS OFFICE SERVICES AND COSTS

The President reported that the service, timewise, now being provided by the Canadian National Live Stock Records in the issuance of certificates of registration, etc. was receiving the attention of the Live Stock Records Committee and the Department of Agriculture, and he expected that in due course he would be able to report what action was being taken to bring about improved service in that connection.

The President reported that the Secretary and himself were continuing to seek additional information on a proposed redistribution of charges, to associations operating through the Live Stock Records office, as recommended to the Live Stock Records Committee by Messrs. Brock, Davis and Dunn, chartered accountants, and the results of their present efforts would be reported to the Board before any further action is taken.

Mr. Farmer pointed out that under the per transaction system of charges in effect, at the Live Stock Records office, for many years, there was no incentive to an association to consider

issuing a certificate of registration which included a one or two-generation pedigree, as contrasted with the present three-generation certificate, for the charge made to the association was the same whether the certificate included one, two or three-generation of ancestry. Mr. Farmer expressed the view that production costs at the Records office would continue to rise, and suggested that in order to overcome increased costs, the Board and the members consider the advisability of arranging for certificates of registration for individual dogs to include one or two-generation pedigree, instead of present three, providing this change would be entirely to the Club's advantage financially.

The Secretary was directed to communicate with Canadian National Live Stock Records and ascertain whether a lower charge would be made to the Club should its membership authorize the issuance of certificates of registration with one (or two) generation pedigree instead of the present three generations.

The Board recessed for lunch and reconvened with the same members of the Board present.

2028 (1994-1998). DOGS IN CANADA

The Secretary reported that in accordance with the Board's direction (Item No. 1968) he had written the Club's Solicitors. The Secretary read a letter from the Solicitors dated September 5th who were of the opinion that:

(1) Under the conditions reported to them by the Secretary, Mrs. McColl continues to be employed on the same terms as set out in the resolution adopted by the Board of Directors on March 30th, 1950;

(2) The Board of Directors at its annual meeting this year need not have taken any specific action to regularize the continued employment of the Managing Editor, but it is desirable that the matter be reconsidered and reconfirmed from time to time in accordance with the previous practice;

(3) The only powers given to the President by the resolution adopted by the Board on March 31st, 1951, were to study and recommend with regard to matters relating to the magazine, and it is for the Board of Directors to deal with the employment of the Managing Editor;

(4) It is for the Board to decide what it meant when the words "except for official business" were included in the resolution adopted by the Board on June 7th, 1951.

The President reported that it had not been possible for him to give his attention, at an earlier date, to the matter of the magazine, but he had recently addressed a communication to all members of the Board seeking their views regarding the magazine, and in due course he would collate all the opinions and suggestions advanced by members of the Board and would then submit recommendations to the Board both in respect to the magazine and the Managing Editor.

The Secretary reported that in accordance with the Board's direction (Item 1994), a review of the discussion at the meeting of the Board on August 9th regarding the action to be taken by the Editor on articles or opinions, relating to the official business of the Club, had been prepared and forwarded to members of the Board present at the meeting. The Secretary further reported that mailing of the review to the entire Board had been deferred until the Board had approved the review of discussion which he had prepared.

Following discussion the Board approved the review prepared by the Secretary and directed the Secretary to proceed to forward copy of the review to all members of the Board in order that a vote may be taken on the resolution adopted by the Board. (see Item No. 1994).

Mr. Farmer read an exchange of letters between himself and the Managing Editor of DOGS IN CANADA, and claimed that the Editor had not answered the questions which he had submitted, these in connection with pictures taken at the Ottawa Kennel Club shows held in May.

Following discussion it was regularly moved by Mr. Farmer, seconded by Mr. MacKendrick:

"THAT, inasmuch as this matter has been referred to this Board and a satisfactory answer has not been received, the matter be referred to the entire Board of Directors along with copy of this correspondence." Motion carried.

2029 (2014). RECIPROCITY AGREEMENT WITH THE AMERICAN KENNEL CLUB

The President reported that he was still awaiting clarification on some major points involved in connection with the Club's reciprocity agreement with the American Kennel Club, but before taking any action on the matter he would again place recommendations before the Board.

The matter was left in abeyance pending further report from the President.

2030 (2015). ARRANGEMENTS FOR ANNUAL MEETINGS (1952)

The Secretary reported that in accordance with the Board's direction he had written members of the Board seeking their views with regard to the setting of the 1952 annual meeting. The Secretary read a letter from Mrs. Margeson indicating her willingness to leave the matter in the hands of the Ontario Members of the Board, but expressing the view that if there is the same amount of business to be handled in 1952 as at the last Annual Meeting, then an additional day would be advisable.

Following discussion, it was regularly moved by Mrs. McColl, seconded by Mr. MacKendrick:

"THAT, the next Annual General Meeting of the Club be held at Toronto on Wednesday, February 6th, 1952, commencing at 10.00 a.m., and notice to this effect be published in the December, 1951 and January, 1952 issues of DOGS IN CANADA along with an explanation as to why this Board has set the date for the 1952 Annual General Meeting." Motion carried.

The Board then discussed what action should be taken with regard to setting dates for the Annual Meeting of the Board. It was agreed to leave the matter of setting the dates to the incoming Board of Directors, but it would be advisable to make tentative reservations for hotel accommodation plus an extra day if required by the new Board.

It was therefore regularly moved by Mr. Farmer, seconded by Mrs. Brown:

"THAT, the Secretary be instructed to reserve suitable accommodation for the Annual General Meeting and accommodation for meetings of the Board on February 5th, 7th and 8th, 1952, but it be left to the Board elected for 1952 to specifically set the date of its annual meeting." Motion carried.

- (4) completed applications are submitted by the Clubs and persons concerned." Motion carried. (1A).

The Secretary read a letter from Mr. Percy Roberts acknowledging receipt of letter addressed to him by order of the Board, and advising that should he judge at another Canadian Show, he would be most careful to see that the Dog Show Rules of the Canadian Kennel Club are fully carried out.

The Secretary reported that information received from the New Brunswick Kennel Club indicated that it would not be able to hold its championship dog shows, scheduled for September 10th and 11th, in the form at St. John's as originally planned and advertised, but found it necessary to hold the show in another building where it would not be possible to erect benches for all dogs. The Secretary reported that following consultation with the President, approval of change of location had been given on the condition that exhibitors bringing dogs to the show would be allowed to remove their dogs when not required for further judging if they so desired, and that a person was posted at the forum to direct all exhibitors to the new location of the show, and that the limited benching that would be erected would be made available, where possible, to exhibitors who had not brought their dogs in crates or boxes. The action of the President and Secretary was endorsed.

The Secretary read a letter from the Hamilton Kennel Club, who reported that the Club had disallowed a protest submitted by Mrs. D. T. Wier in connection with the award of Best Canadian Bred in Show at its championship show held on June 30th. It was agreed that no action be taken in this matter unless or until an appeal is submitted by Mrs. D. T. Wier as provided in the Dog Show Rules.

The Secretary read a letter from the Secretary-Treasurer of the Toy Dog Breeders' Association of Canada in which letter was incorporated, copy of the Minutes of the Meeting of that Association held on June 21st, 1951, in respect of the change of officials in that Association. It was agreed that no further action be taken in this matter.

The Secretary reported on a conversation with the President of the Toronto Branch of the Ontario Bird Dog Association with regard to the recording of the awards made at a trial for Pointing breeds held by the Toronto Branch of the Ontario Bird Dog Association at Ajax, Ontario, on April 22nd, the official reports of which had not been submitted in the usual way, nor had the pre-trial arrangements been completed as required by the rules. Following discussion, the Board agreed that on this occasion the recording of the awards at this trial would be proceeded with providing all recording fees are paid and providing the usual returns are submitted to the Recording Department.

2033 (1983). APPLICATIONS FOR HANDLERS' LICENSES

The Secretary reported on the following applications for handlers' licenses:

- J. O. Brooks, Calgary, Alta.—All breeds.

It was regularly moved by Mrs. Brown, seconded by Mr. MacKendrick:

"THAT, the applications for handlers' licenses reported by the Secretary be approved." Motion carried. (1A).

The Board considered an application for handler's license for all breeds as submitted by Gordon Cunningham, Mt. Hamilton, Ontario, the application having been accompanied by letters of recommendation from Mrs. T. H. McGuire, Mrs. J. Neill Malcolm, and P. B. Marshall. The Secretary read a letter from the President of the Professional Handlers' Association of Canada who advised that the Association objected to the granting of a license to Mr. Cunningham, their objection being based on Mr. Cunningham's age (17).

Following discussion, it was regularly moved by Mrs. McColl, seconded by Mrs. Brown:

"THAT, this application be not approved because of the applicant's age, and in future we do not grant a handler's license to any person who is a minor." Motion carried.

It was regularly moved by Mr. Farmer, seconded by Mrs. Brown:

"THAT, the Professional Handlers' Association of Canada be informed that while the practice of referring new applications to the Association for opinion will be resumed providing full co-operation is assured by the Association, past records indicate that full and prompt co-operation was not secured when this practice was previously in effect." Motion carried.

The Secretary was directed to inform the Professional Handlers' Association of Canada of the Board's decision regarding the granting of licenses to minors.

The Secretary was directed to arrange for notice to appear in the December and January issues of DOGS IN CANADA regarding renewal of handlers' licenses for 1952.

2036. ADJOURNMENT

At 6:20 p.m., on motion by Mrs. McColl, duly seconded and carried, this meeting of the Board adjourned.

PURINA DOG CHOW IS THEIR CHOICE . . .

If you're a steady reader of *Dogs In Canada*, you have noticed how, month after month, we have quoted the experience of leading breeders and handlers with Purina Dog Chow . . . quoted what they tell us about their results — thrifty growth, fine general condition, excellent bowel condition, exceptional coats, and so on.

Like yourself, these people in the top grouping want a ration that consistently gives them balanced and complete nutrition, palatability and economy. That's why, with so many of them, "Purina Dog Chow is their choice." It supplies the feeding values to bring out what breeding has put in.

There's a lot behind Dog Chow — over 55 years of feed manufacturing experience, and experience in selecting ingredients; over 23 years of practical Purina Research, including repeated feeding tests on well over 2,000 dogs. When you feed Dog Chow, you are not experimenting — that's been done already!

Many people have the impression that because it is a high-quality feed Dog Chow must be expensive. Actually, it's not. Made by a full-line feed manufacturing firm, and distributed through feed stores, it does not have to carry a high overhead and is very reasonably priced. Check with your local Purina dealer, at his Store with the Checkerboard Sign.

WHICH Book Would You Like to Have?

Purina publishes 4 books on training dogs — *Hounds*, *Gun Dogs*, *Pets*, and *Farm Dogs*. Write your name and address in the margin of this ad . . . attach the Seal of Quality clipped from a bag of Purina Dog Chow . . . hand it to your Purina dealer . . . tell him which book you want . . . and he'll see that you get it. (This offer is good for a limited time only — do it now!)
