*For the "Best of Breed"
- the Best of Feed!*

SPRATT'S "CRISP-BAKED" DOG FOODS

Mr. Breeder, you will be richly rewarded in healthier, more uniformly developed dogs that show better and command a better price, when you use Spratt's "Crisp-Baked" Dog Foods. For over eighty years Spratt's dietitians have worked to develop these superlative dry dog foods to help owners and breeders build finer lines and better kennels. Our foods are not a by-product, but the most natural and complete dog food obtainable, Spratt's is "Crisp-Baked". This special patented process provides the proper digestive stimulation and the eating exercise that is needed to build powerful, close-set teeth, sound bones and strong, plastic muscles. Spratt's Dog Meal, too, is excellent for breeders. It has been produced through many years of experience for which Spratt's are famous.

SPRATT'S REGULAR OVALS

Contain Spratt's famous Meat Fibrine. Wonderful for all dogs, especially the smaller breeds. Unrivalled as a regular diet.

SPRATT'S MIXED OVALS

An assortment of Standard Ovals, Cod Liver Ovals, Liver Ovals, Spice Ovals and Charcoal Ovals. A grand, healthful change.

SPRATT'S DOG BISCUITS

The world's standard dog food for 75 years. Appetizing aroma. Contain no artificial flavourings or preservatives of any kind.

SPRATT'S BONIO

A home size biscuit. Ideal for all breeds. High food value. Convenient in shape. Easy for dog to grasp. A favourite Spratt's product.

SPRATT'S WEETMEET No. 1

Ideal food for puppies six weeks to three months. Granulated. Contains Meat Fibrine, Wheatmeal Flour and pure Cod Liver Oil.

SPRATT'S WEETMEET No. 2

Made expressly for puppies three months onwards. Rich in all essentials for the development of sturdy limbs and thick, glossy coats.

Spratt's famous dog meal available in 50-lb. sacks

SPECIAL FREE OFFER to owners and breeders. Write for your sample of Spratt's Weetmeet #1 for puppies up to 3 months. You'll be pleased with the results. Don't forget to ask for a free copy of the new edition of Spratt's excellent booklet (100 pages) "Guide to Dog Management".

Our Cover

Our cover this month is graced by American Champion Lancelot of Blue Bar owned by Mr. and Mrs. Jack Thorndike's Lucky Strike Kennels of Oakville, Ontario. This illustrious Best in Show winner has been brought to Canada to carry on in the place of the many times Best in Show winner Int. Ch. Prune's Own Blue Moon who is now retired.

Lancelot has done much winning in the Eastern States and recently has been most successful in the Midwestern States. He was Best in Show at Waukegan, Illinois, and has several group wins to his credit.

At the present time there are several promising youngsters at the Lucky Strike Kennels, one being an outstanding son of Am. Ch. Rip of Rockboro ex Am. Ch. Manlove's Goldie, who will make his debut in 1952. In addition there are two litters, one by Int. Ch. Prune's Own Blue Moon ex English import, Shiplake Starlet, and the other litter is by Rock Falls Blue Baron ex Manlove's Orange Blossom.

"Sixth Sense" a Unique Possession

by Gertrude W. Drew

IT is of course, merely a play of fancy to attribute to the dog the thoughts of the human mind and yet when one considers the intelligence, the ready apprehension, the quick discernment and discriminative practical judgment displayed by it in times of need one cannot help believing that its intellectual capacity is more than ordinary canine understanding.

It is a mystery to us to know what is going on in the mind of the dog. We have no idea of its conception of time, space, sound or colour nor do we know with what perspective it considers them. Neither do we know the exact effect they have on its faculties. We do know, however, that some of the things that please us humans are painfully distressing to the dog but since we cannot talk things over with it and compare notes, dog and man can never be quite sure that their separate worlds are similar to one another.

We also know and can understand the feelings and emotions of the dog and we know that it has a conscience and is sorry for its sins and we know too that such sins are usually committed because of lack of understanding and training. To the dog, anything that displeases its master is a sin.

But quite aside from these observations and granted the dog's intellect to be in no way human, I maintain that it has yet another phase of intelligence distinctively its own. The fact that it has a highly sensitive instinct is well known to all who observe its actions but I truly believe there exists also in its nature in quite ample proportions, a psychic element, the essential nature of which is hidden to us but which automatically comes into play when occasion demands it.

It is perhaps on account of this phenomenal intuition or "sixth sense" that "Man's Best Friend" holds an honored place among the heroes of the world. It is probably for the same reason that it has been immortalized in literature. Literally thousands upon thousands of stories have been written about dogs, most of them having been founded on fact and each containing some striking instance of intelligence and courage.

Of course there are cases of viciousness and bad behaviour recorded against the dog, many of them unmerited, some true. Since it cannot offer any verbal defence for itself the charge is usually upheld and the whole dog fraternity suffers seriously from the resultant propaganda.

But there are more serious indictments against the human race in this respect. It is not so many years ago that a man threw a dog into the hot furnace because it bit his child; another smashed his four-month-old puppy to death against a cement floor for a similar offence. Then there is the case of a well known surgeon who followed a dog for more than two miles one night for the purpose of cutting its throat because it barked too much; another man beat his Irish Setter with a piece of lead pipe until it could not rise from the ground because it snarled at him. In all probability you have heard about these for they happened right here in the City of Toronto.

I sometimes wonder why some people have dogs at all. It is not because they had any need of them or any love for them and judging from the way they abuse them I am inclined to think that they have them for the purpose of appeasing their sadistic tendencies.

As I said before the dog commits a crime because of lack of understanding and ignorance but what justification has man to offer for his cruelty?

It is a tragedy for the dogs whose misfortune it is to fall into the diabolical clutches of such a person but thanks to our humane laws these offences are on the wane.

Returning to the subject of brave and heroic dogs, the following stories illustrate the presence of that unique possession which individualizes it and lends credence to the theory that its reasoning powers border on the psychic.

BOB O'NEW PITSLIGO

(Condensed from Paddy Slater's original story in *The Yellow Briar*)

In the Spring of 1850 there arrived in Canada a young Scotsman by the name of James Duffus and accompanying him was a young Collie pup. The two travellers were destined for the farm of Wm. Marshall, in Mono, where Duffus was to learn art of Colonial farming and the dog was to make itself generally useful.

Little can be said about James Duffus for he soon tired of conditions in Canada and in the fall returned to Scotland leaving the dog to Wm. Marshall's only son Charlie.

Bob O'New Pitsligo, better known as "Bob" was a collie pup of high degree. The best blood of Scotland's dogs flowed in its veins. Its body was strongly built, the ears were small and erect, save at the tips, eyes small, keen and sharp, were set slightly oblique in a long pointed skull. The legs were strong and muscular. It was fleet and swift as a flash. In colour it was black and tan with a great white collar around its neck.

Charlie Marshall, a quiet spoken, barefoot boy of ten was thrilled to have as his first and very own, a big, fun loving, purebred dog like Bob. The warm attachment which had grown up between them soon developed into a fast friendship that lasted till death parted them. The two were chums who knew no quarrelling; there was never anything between them to forgive or forget.

The only sad part of Bob's coming to the Marshall farm was that it stole from Paddy Slater the heart of young Charlie. Paddy Slater was a young Irishman who had lived with the Marshalls since the death of his mother, his father having died in Ireland. Mrs. Marshall was as kind as a mother to Paddy and Paddy in turn was greatly taken with little Charlie who was seven months his junior.

Time kept flying by on that Mono farm and by the Spring 1854 plenty of changes had taken place. Meanwhile Bob O'New Pitsligo had grown into a quiet-sensible dog. Charlie was now a sturdy lad of fourteen and much to his father's joy, a thorough young

farmer and Paddy was "one of the family" old beyond his years and very helpful to both Mr. and Mrs. Marshall.

The Marshalls always kept a hired man and wife who always lived in; and in the Fall of 1854 Wm. Edwards and his wife were completing their second year of service on the farm. They had come from down in New York state; and when their time was up that Fall they decided to go down home for the Winter.

As Paddy Slater relates, "One gets to know people well after living on the same farm with them for two years. Edwards was a quiet spoken man, clean and tidy in his personal habits, and gentle with every creature about the place. Mrs. Edwards was a bit scatterbrained but a great worker. Edwards was religiously minded in an emotional sort of way and made a practise of praying aloud.

The leaves were beginning to turn red when Edwards was paid off and the couple prepared to go on their way. Everybody about the place felt sorry they were leaving and the night before their departure the neighbours dropped in to wish them God-speed. The men cracked butternuts before the big fireplace and the womenfolk amused themselves in their simple way. Hymns were sung and victuals were served before the party broke up. Mrs. Edwards promised to write and tell them about their trip.

It had been arranged that Charlie Marshall would take the wagon and team and give the Edwards a lift as far as Toronto and to quote Paddy Slater "I wish you to know that this was a mighty important affair in the eyes of Young Charlie. He was being trusted with that valuable team of bays—all on his own."

There was great excitement around the Marshall farm in preparation for the trip and Charlie was all "spruced up" for the occasion. His shoes were shined to perfection and Edwards had given him a dandy haircut. The harness had been oiled and the wagon wheels greased. He was taking some produce down to his grandmother in Toronto with whom he intended to stay for a day or two.

The party set off bright and early the following morning with everyone in the best of spirits except Bob O'New Pitsligo. The dog had planned, of course, to go along but Mrs. Marshall had tied him up at the last minute. He was inconsolable but every wise dog knows it's a long lane that has no turning.

The time came for bringing the cows home for the evening milking and Bob was let loose. But the dog's mind was not on the cows and it had to be scolded into doing its errand. It quietly trotted down the lane then took the first turning to the left and was not seen again that night. Next morning at daybreak it was back at the kitchen door. It looked travel-worn; and its muzzle was stained. Marshall scolded the dog hastily. "Oh! let poor Bobbie be," said Mrs. Marshall, "he is lonesome for his lad."

Bob's pan of porridge was brought to him but he had no appetite, he

stood back acting strange and nervous. He had no intention of being tied up again.

"Well, Bob, you scoundrel, be off after the cows," said Marshall as he came into the house for breakfast.

The dog whined in a fretful, bothered sort of way; then trotted off round the front of the house.

Late that afternoon it was seen again standing out in the lane. His coat was soiled and he had a queer, strange look in his big brown eyes.

The Marshalls talked about it at the supper table and Mr. Marshall wondered if the dog might have been out with other dogs worrying sheep. It was an ugly thought. "Oh! no, indeed no—Bob would not be doing the like of that," Mrs. Marshall objected.

It became apparent that evening that the Collie was labouring under distress of some kind. It was whining and whimpering and running up and down the lane.

"That dog has gone clean out of his head," said Mrs. Marshall. "Not a spark of sense has he, you better tie him up, William." "Just catch him for me and I will," her husband told her; and he swung into the saddle on old Gunpowder to ride back to see what was keeping Paddy and the cows.

That was too much for the worried dog. As Marshall turned the mare's head toward the bush, Bob's shoulder hair bristled. Its long slim head went up in the air; and it gave a long high-pitched cry the hills of Mono had often heard. It was the wild, weird howl of the wolf dog calling its mates. Then Bob wheeled and ran toward the road.

"I think, Nancy, the dog wants me," said Marshall. "I'll be back for the milking."

Wm. Marshall trotted the mare down the lane after the excited dog.

With every evidence of relief, Bob waited for the horseman at the lane gate and the two of them trotted off down the road together. On and on they went till they came to a rough corduroy bridge crossing a trout creek; and just beyond the point the dog turned aside from the roadway and followed a snake rail fence that climbed up through heavy wooded knolls. Marshall threw the reins over the mare's head and followed the dog. It was the late afternoon of a beautiful autumn day.

Marshall found the dog pulling and whining at some object hidden behind a great pile of decaying logs. For yards around the dog's feet had padded down the black mould and packed it flat and firm as a beaten path.

Yes, Bobbie had found his lad, but he had found him sleeping in a twilight that does not rise or set.

It was another crime committed on the impulse of the moment. Charlie had seen a fat, black squirrel on the snake fence and grabbing one of the guns had run over to take a shot at him. With the other gun, Edwards had followed. And there being no one by, the devil tempted him with the team of horses. As young Charlie knelt to take aim, the man shot the boy's brains out.

Edwards had pushed on quickly by way of Hamilton, and he was arrested at the border. Another day would have taken him fifty miles south to practical safety.

They hanged Edwards for his atrocious crime, but the truth is he had destroyed two lives, that of the only son and that of his sire, for Wm. Marshall's heart was broken.

Bob O'New Pitsligo had his favourites but Edwards had never been one of them. On that fateful day the dog sensed something wrong and its intuition had led to the finding of the boy's body and the timely arrest of the murderer before he crossed the border.

Five years have passed since that day and now in the middle of the night we find Paddy Slater packing his clothes in a clean grain sack preparatory to leaving the Marshall farm.

He had fallen in love with Betty Marshall and he knew that that love could never bring anything but unhappiness to the family who had given him a home.

As he came downstairs Bob was waiting for him at the kitchen door. He was a crippled dog, worn out with the weight of his years. He knelt beside him to try and explain matters.

"I'm off on a long journey, Bob, my friend." The dog stuck its long snout into his face and whined, "and Bobby old man, some of these days you may be going on a long journey, too." He felt heartbroken at leaving him, and after long thought he slipped round to the woodshed to get a long-nosed shovel.

They strolled slowly back to the bush, conversing about old times, yet the conversation did not shorten the journey.

"I've always had a notion, Bob, that the little ground folks have their living quarters under the trees somewhere hereabouts, and I'm going to dig down and see if you can find them."

The old dog lay down by the side of the little pit he was digging and watched him with fitful interest.

"Now just look down there carefully, Bobbie, with those old eyes of yours and you may find out the wonder of the world."

Bob O'New Pitsligo never knew in this world what happened to him; and if he awoke in another, his loving old heart forgave the man who shot him.

Paddy choked at the thought of shovelling the moist cold earth over the quivering body. A silly notion of course it was, and away back he slipped to the house to pilfer a fine new checkerboard quilt made from the bright scarlet squares cut from a soldier's tunic. So he gave Bob a decent burial with a martial cloak around him.

ON THE NOTTAWASAGA

THE grain had ripened quickly on the farm of Wellington Harris at the back of which flowed the swift and treacherous Nottawasaga River.

Help was always scarce in that district, despite the fertility of the rolling countryside. When the young farmer was fortunate enough to secure the services of a hired man he was naturally anxious to garner in the harvest without delay during a spell of ideal weather. Besides that, the crop was particularly heavy that year and Mr. Harris had found it necessary to thresh twice. He was expecting the threshers any day which only added to his anxiety to get the ready crop in.

At the noonday meal he spoke of their intention to work in the big back field until dark and he had asked his wife to bring their supper to the field in order that as little time as possible be wasted.

Mrs. Harris was happy at the thought of a little picnic back by the river; it would be a change for her and she fairly beamed at the thought of no dishwashing that evening. Little Elise, their five year old daughter, was equally happy as she explained over and over to her big playmate, Prince, the treat they were all to have that evening. "Just think, mamma," she said, "maybe Prince can have a bath in the river."

It was a happy picnic enlivened by the child's delight at this new way of having supper. Here was a veritable paradise with myriad birds singing their evening songs, crows cawing in the distant trees, peculiar animal sounds echoing from afar and the never-ending swish of the river as it sped recklessly on.

Prince lay close to the side of Elise and audibly begged for crusts. At length the meal ended and the men stretched out beneath the trees for a few minutes' well-earned rest while Mrs. Harris packed the dishes back into the basket.

Elise was playing around with the big woolly Airedale, suddenly a thought struck her to throw a stone into the river, and picking one from the ground, she ran quickly to the steep bank. Little did she realize that she was on the very edge; she raised her hand to throw the stone, lost her balance, and rolled into the deep and fast flowing water below.

There was a scream and a sharp bark and the horror-stricken parents knew in an instant what had happened. They rushed to the bank only to see her little form being carried swiftly far beyond their reach.

But no seconds were lost by the noble Airedale. No reaction period which we humans require did it need. Like an arrow it sped along the bank, making no futile attempts to get to the water's edge until a path was reached one hundred and fifty yards down stream. Down this it flashed, nor did it pause to make sure the child was still being carried towards him. Farther down it sped for several more yards, then turned onto a narrow promontory which jutted out for twenty feet. Here it took to the water and swam to a big rock which divided the river at that point. Scarcely had it reached it when the child's body swept into a little whirlpool, swirled around a couple of times and then struck the rock. In an instant Prince seized her dress in his teeth, held her for a second, and then started back to shore.

It was an arduous task that faced him in mid-stream and at times it looked as though both dog and child would be carried away by the mad waters. Prince strained every muscle in his powerful body to bring his precious burden to safety and if he slipped a few feet down stream he never once relinquished his hold on the child.

Finally, after what seemed like endless hours, he reached the bank and the frantic father took Elise from the

Dogs and Fishing

MANY curious methods of catching fish are in vogue, but it will be news to many people to learn that there is at least one place in England where fish are regularly hunted with dogs, and hunted on dry land, not in the water. This is on the shore at the seaward end of the Quantock Hills, where the beach consists of muddy sands broken up by seaweed-covered rocks. Under certain conditions the sea retreats even further than usual, leaving great stretches of the shore exposed. Under the lee of many of the rocks there are little pools, in which great congers lurk until the sea returns. This is the time for hunting them. Clad in old clothes and good, stout boots, the hunters proceed to shore, carrying six-foot ash saplings, pointed at the end, and a roughly-shaped iron pole, called a "glad-hook".

A terrier or spaniel trained to the work accompanies the sportsmen. Down the shore the party of "fish-hunters" proceed, the dogs nosing at all the pools and digging under the rocks. When a favorable place is reached, the poles are brought into play, lifting up the rocks so that the dogs can get under them and drive out any congers that are lurking there. When disturbed, the ugly-looking fish makes a bee-line for shore, lashing its tail and snapping its powerful jaws. Those taking part in the sport for the first time get quite alarmed when a huge conger apparently makes straight for them, eager to take a succulent piece out of their legs; but the dogs soon make a dart for it, and the poles and iron are brought down on it until a well-directed blow stretches it out dead. It is quite an exciting sport while it lasts, for in the hurry to capture the fish one of the party may get the blow, and now and again the terrier utters an agonizing yelp as a too eager fisherman misses the conger and whacks him on the back. The novice soon learns why old clothes are worn, for the mud flies about everywhere as the sticks are slammed into the sand, and occasionally one of the sportsmen trips over a rock or slips on the mud. It is very seldom that no fish are captured, and sometimes some regular monsters are caught, these big 'uns naturally providing the best and most exciting sport.

The Portuguese Water Dog is famous for his fishing prowess and without this dog the fisherman of Portugal would be at a disadvantage. The dog has a strange duty, and its appearance is almost as weird. Its tail is clipped close, yet the tip which is invariably curled over its back wears a long tuft like that of a male lion. In fact the complete dog is leonine in semblance and spirit, for it brooks no nonsense from those other than its owners. It is best left alone by the non-fisherfolk, because it has, for centuries, been accustomed to the rough environment of the fish hunters, and in consequence intensely dislikes the "coddling" of people employed in less hardy vocations.

For thousands of years the Portuguese Water Dog, or Cao d'Agua as the native name goes, has been the ally of the native fisherman, and at one time was common to the complete length of the Portuguese coast.

Hardworking fisherfolk utilize it in several ways. Should one of their nets break, the dog will jump overboard, and swimming strongly, will quickly retrieve the broken part. If a fish worth "saving" happens successfully to slip the net or hook, the dog, voluntarily dives for it, seldom missing his piscine quarry.

Like all fishermen, the Portuguese have their means of communicating by signalling, but under circumstances where the means usually employed are not satisfactory, they attach their messages to dogs of the Cao d'Agua breed and these canine couriers make the necessary contacts from one craft to another, or from the boat to the mainland.

It is no wonder that the Portuguese highly value this breed that they have been training for generations.

There seems, as a matter of fact, no particular reason why a taste for fishing should not be cultivated in a dog. Some years ago there was a Newfoundland dog at the sea-weir at Llandillo-Rhos, belonging to the weir-keeper, which achieved some local publicity. The weir, composed of wattled hurdles on a rocky headland running out into the sea, not far from the Little Ormo, was filled by the tide. As, during the ebb, the water drained off, fish of all sorts were, of course, trapped in the weir, and some fine catches of herrings, codlings, sea trout, and other fish, not to mention bucketsful of whitebait, were often made. At a word from his master the dog would plunge into the weir and return with a sizeable fish, which would immediately bring to his master.

One of the best stories we have read on dogs and fishing is contained in *Dogs and Their History* by E. C. Ash, who tells of the poodles who were used in the year 1784 to assist fishermen. Apparently when the fish feel the net they endeavor to escape directly out to sea and it was the dogs' duty to wait in shallow water for the escaping fish. As soon as the school of fish appeared the dog would race up and down in the shallow water turning them back towards the net. If some of the fish escaped, the dog would not attempt to swim after him, but would return to land and race down the banks of the river until it was sure of again being sea-ward of the salmon where it took its post again ready to divert the fish from escaping to the sea.

The Stewards Club of America

by Helen Hover

IT was in 1948 that a group of interested people from the Union County (New Jersey) Kennel Club headed by Robert B. Griffing, met to discuss the need of more efficient stewarding in the dog show ring. It was felt by this live group of dog fanciers that better stewarding would facilitate the judging procedure by relieving the judge of responsibility of numbers, ribbons, prizes, trophies, et cetera, the better for him to devote all his attention to his one duty in the ring, namely, to judge the dogs whose owners paid their entry fees to receive his decision as to the merits of their dogs. An organization to study the problems and train stewards in proper ring procedure would improve conditions. Thus the

Stewards Club of America was born. Interested people from other clubs joined the parent club until now membership numbers 192. Two affiliated clubs have been formed with the same objective, i.e., to train and provide better stewards for the shows in their sections of the country; the Stewards Club of Northern California and the Eastern Pennsylvania Stewards Club. Several other clubs are in the process of formation.

Club members are from twelve states, the District of Columbia and Nova Scotia. New Jersey leads with 11, New York State with 53; Connecticut, 7; Pennsylvania, 6; Ohio, 4; California and Virginia, 2 each; one each from Kentucky, Arizona, Texas, Illinois, Washington, D.C., Washington State, Nova Scotia. (The Canadian member is Miss Phyllis A. Fulton, of Truro, Nova Scotia, Canada). Of the 111 members, 108 are women, 84 men. Among the members are 39 approved American Kennel Club judges; nine presidents of other dog clubs; six delegates to the American Club; four licensed professional handlers; five bench show chairmen—thus giving a mand-sided approach to all problems of stewarding.

The club meets every fourth Thursday at Newark, New Jersey. Here members have discussions as to the duties of the stewards in the ring, explanations of new rules and regulations of the American Kennel Club, the correct procedure during unusual occurrences in the ring. Classes are held from time to time to illustrate and clarify stewards' duties. A booklet of approved rules and regulations and instructions for the steward has been assembled and distributed to members and anyone requesting it. The interest of true dog fanciers in better-run show conditions has been proved by requests from individuals and kennel clubs from many states, Canada, Honolulu and Norway.

It is the policy of the club to appoint a chief steward to serve at the show given by the requesting kennel club. The chief steward assumes responsibility for the smooth running of the show as regards ring procedure. He or she, as the case may be, takes the list of volunteers sent to him of her by the secretary, arranges the stewarding program to suit the judging schedule and mails out the assignments about a week before the show. On the day of the show, the chief steward arrives early to check in the stewards, give out badges, luncheon tickets, answer questions and all day supervise the stewarding in all rings until all breeds, groups and finally Best in Show have been judged. Stewards are assigned to work with experienced stewards until they feel qualified to handle a ring alone without error, and to avoid unjust and unjustified criticism by disgruntled exhibitors, a steward does not work in a ring where his own breed is being judged if it can be avoided.

Stewards receive no compensation for their services other than the knowledge that they have done their work well and shared in a better run show while upholding the honor and reputation of the Stewards Club of America and promoting better relations between all factions of the dog show sport.

Know Your Breed

by Alva McColl ...

The Irish Setter

Of all breeds of dogs, the one which is most typical of the people of the country from which it originated is the Irish Setter. The happy-go-lucky air, which no amount of training can change, remains with the dog from the puppy stage into old age. The burnished mahogany coat is a colour which nature has endowed on but one breed of dog and despite years of experimentation, the colour cannot be developed in any other breed. Four centuries ago the red and white Irish Setter was preferred because it was more easily discernible when hunting as the red Setter colour blends with the background. The original red and white Setter was heavier and more powerfully built, and when a self-coloured dog was born, it most likely was inbred to other self-coloured dogs in a desire to keep the colour, thus developing a finer and more beautiful type of dog. The mahogany colour became a matter of national pride in Ireland, and by careful selection and breeding the self-coloured dog became established without losing its identity. For a time it appeared that because of the demand for the beautiful dog with a happy disposition, it would be used for show and companionship only but wise sportsmen insisted on retaining the dog's natural ability to work in the field and today the Irish Setter is an outstanding field trial dog. Like most breeds of Irish origin, the Irish Setter can be tough when necessary yet wonderfully gentle and loyal around the home. While slow to learn, once the dog masters its lessons it never forgets and does not need retraining. Being strong and sturdy, it makes an ideal companion in the field and home, and being blessed with the stamina to live to an active old age, is most desired as a member of the family.

When autumn smiles, all-beauteous in decay,
And points each chequer'd grove with various hues,
My setter ranges in the new-shorn fields,
His nose in air erect; from ridge to ridge
Panting he bounds, his quarter'd ground divides,
In equal intervals, nor careless leaves

One inch untry'd. At length the tainted gales
His nostrils wide inhale; quick joy elates
His beating heart, which, aw'd by discipline
Severe, he dares not own, but cautious creeps,
Low-cow'ring step by step; at last attains
His proper distance; there he stops at once,
And points with his instructive nose upon
The trembling prey."

The quotation above is from Somerville written in the 17th century.

Dog Show Ethics

IT may not be untimely to say something on "The Ethics of the Show Ring" and possibly to digress sufficiently to include the whole show generally.

As a foundation ethic nothing could be more substantial than this one: "Let the best dog win no matter to whom he belongs." Worthy building material might easily be "rectitude and common honesty"; material to be rejected might be "selfishness, jealousy and bickering."

Everyone ought to be content to start the race from scratch and to be satisfied with their placing when they reach the finishing tape. The duty of each exhibitor is to secure the best specimen of the breed of his choice that it is possible for him to obtain, and having done so, his constant concern should be for its general welfare. Well balanced diet, plenty of clean drinking water, comfortable kennel quarters, generous exercising facilities, sufficient grooming and preparation for the show, and then you may have every right to expect your dog to be ready for the judge to inspect in the ring.

The dog that is or has been wormy, the dog that is or has been constipated, the dog that is or has been neglected more or less, may well be in the ring with you, but he will very often be beaten at the very outset and very often the joy of the show will be lost at this point. The loser may easily becloud the atmosphere by semi-secretly inferring that he "knew all the time that he was going to lose," that he "had been tipped off" that so and so dog had to win. Nothing is so detrimental to dog showing than the methods of the unethical and insinuating loser.

After many years of association with judges I am thoroughly convinced that 99 per cent of our judges are honest. It is quite true that I would not say, could not say in fact, that 99 per cent of our judges were competent, but honesty and competency are two widely separated virtues, and the 99 per cent of judges who are honest are entitled to our utmost respect, as the 100 per cent mark represents perfection and perfection calls for wings and harp and one-way transportation to the realms above. If it is human to err remember that judges and exhibitors alike are human. Most of us are more or less selfish in many things and selfishness amongst civilized people is simply a throw-back to savagery.

A lot of ink has been spilled on the matter of faking and breed representatives of Canadian National Live Stock Record annual meetings have made it quite clear that dog fanciers are really novices in the art of clever faking. Exhibitors are no doubt justified in doing everything within their power to win in a legitimate way, but by the same token they are not justified in trying to win by unlawful means, such as trying to influence a judge, making a dog look what he is not, etc. Novice fanciers are quite liable to consider their geese to be all swans. The novice hears so much talk about "favoritism" that he is apt to get harmful impressions which he will never be able to properly unload and this in itself should induce experienced exhibitors to play the game fairly. To fool the

Photo by Lewis D. Roberts

BEST IN THE WORKING GROUP

The Boxer, Can. Ch. Edmar's Caesar Augustus, owned by Miss Mary Jane Campbell is shown winning the Working Group at the Lewis and Clark Kennel Club Show held at Lewiston, Idaho, U.S.A. Presenting the trophy is Mr. Lloyd L. Moody, President of the Club; the judge is Mr. Geo. Kallish and the handler is Mrs. Pat Tripp. Caesar won this group at the young age of a year and two months. It now has 10 points towards its American championship which were all won at major shows.

novice is a practice that no self-respecting fancier should tolerate or indulge in. To have a novice exhibit his dog on unreliable advice, and when he loses, to suggest that favoritism beat him and not quality is a crime against the sport of exhibiting to say the least. To raise hope in the mind of the novice and to see that hope cruelly dashed to the ground is a terrible thing, but to place the failure to favoritism or to lack of knowledge on the part of the judge is likely to drive the novice right out of the game, and is quite contrary to the ethics of the show ring.

It is true that there is a wide range of diversity of opinion as to the merits and demerits of dogs, and perhaps this is caused by the study and education of the modern dog and the interpretation of standards and this difference of opinion, when legitimate, although it may hurt plenty when it clashes with the opinion of one's self or with the opinions of others, it is really a blessing in disguise since it furnishes that great uncertainty in showing dogs which gives a piquancy to the sport that is relished by all true sportsmen and sportswomen everywhere.

Then there is the exhibitor that must win at any price—or so some folks say—whether their dog is good enough or not. Such fanciers are unethical and sportsmanship is quite an unknown quality with them. Then there is the exhibitor who may be willing to pay a price to get certain dogs removed out of a show before the judging starts, because certain other dogs have been entered or are present. Can anyone say that such a type of sportsman is any advantage to dog showing? To offset this type of exhibitor we happily have fanciers who could never appre-

ciate any win that was not fully deserved. Such fanciers are always the best and most gracious winners.

An exhibitor knows when he looks at his premium list before he makes out his entries everything about a show—the show-giving Club, the place, the judges, the prizes—and so he has the privilege of confidently writing out his cheque and signing the entry form on the dotted line. He also has the privilege of placing the premium list in the wastepaper basket if he is not interested, but once he agrees to the terms of the contract by signing the entry form, then he should be satisfied to win or to lose as the judge may decide on the day.

A good judge is born, not made, and such a judge is capable of quickly comparing degrees of merit. He has studied the anatomy of the dog, and the sense of feeling tells him of structural faults when they are present. His eye quickly appraises proportion of quality. His method of handling and placing his dogs all show his knowledge and ability, and as he finally arranges the placings and hands out his degrees of favor he is justly entitled to your approval of his work. The chances are mostly all in favor of his having been honest, that he knows more about the dogs than you do—therefore, show him that you entered your dog to get his opinion and now that you have it, first one in ten, or last one in ten, show him that you acknowledge his judgment.

It is good to be a winner.

It is much better to be a good loser.

Anyway, it is unethical to be "in the game" and not to "play it".

Some Ancient Facts on Inbreeding

by Alfred Putnam

BY no stretch of the imagination should this article be considered as one intended to be authoritative. I have nothing to sell, no point of view that I would like to put across. But I hope that the subject of inbreeding may be sufficiently provocative to induce some comment from experts.

Line breeding, as everyone knows, is considered desirable; it has been long employed in dogs of all breeds, horses, cows, cats, pigs, sheep, and other animals. Generally speaking, line breeding may be defined as matings between grandparents and grandchildren or cousins. Inbreeding is loosely thought of as the mating between parents and children or brothers and sisters. This is not completely accurate because although matings between parents and children represent exceedingly close breeding they are not true inbreeding. The blood line of the parent is not identical with the blood line of the child. True inbreeding is between brother and sister.

It is accepted that inbreeding accentuates dominant traits. In other words if faults are dominant the breeding of brother and sister emphasizes them, if virtues are dominant brother and sister breeding gives the same emphasis. But there are a number of other ideas on the subject, many of which have little root in fact. For example, offspring of inbreeding are supposed always to tend towards weakness, to be always the bearer of congenital defects, to bring about always feebleness of mind, deaf mutism, and, insofar as dogs are concerned, to produce off-spring that are either excessively sharp or lacking in stability of temperament. As far as I have been able to find out these things are not so. It has been said that it took five generations of brother and sister breeding to produce the well known strain of Laverack Setters, and if any memory is correct, this was accomplished about a century ago; setter men have told me that the influence of the Laverack can be seen today. All students of Boxer genealogy will remember that Zorn v Dom and Esta v d Wurm were both sired by Sigurd and were, therefore, half brother and half sister. They will also remember that this pair when mated produced, in different litters, Lustig and Utz; and almost anyone who reads this article can recall many other successful litters that have come as the result of half brother and half sister. True this is not inbreeding. I mentioned it because it represents about as close breeding as can easily be found in the history of Boxers.

Prepare yourself for an enormous jump—all the way from Boxers in 1951 to kings and queens who lived about 2000 years ago, because strangely enough it is from humans that we can learn much about inbreeding, particularly from a study of the Ptolemaic kings, four of whom were from non-consanguineous marriages, and nine of whom came from consanguineous, i.e., brother and sister, marriages. As you know, these people flourished not very many years before Christ, and the most famous of the line, at the end of the thirteenth generation, was Cleopatra. Neither their existence nor their his-

tory will settle the matter of inbreeding but, if you study who they were, what they were, what they accomplished, their physiques, their mentalities, the question of the effect on the offspring of marriages between brothers and sisters certainly must remain open. There is no evidence that idiocy, deaf mutism, or any of the other unfortunate things generally attributed to consanguineous marriages, ever occurred among the Ptolemies, and insofar as could be ascertained from mummies, masks, and statues, their features, both kings and queens, were distinguished and handsome. As a matter of fact, even before the Ptolemies, a study of the 18th Dynasty kings, a royal family in which consanguineous marriages was the custom, nine great rulers were produced, among whom were Ahmose, the liberator of his country; Thutmose III, one of the great conquerors and administrators the world has known; Amenhotep IV, fearless religious reformer; Queen Nefer-tari, so beloved that she was worshipped for six hundred years after her death; and Hatshepsut, considered to be the greatest queen of Egypt. Generally speaking the 19th Dynasty kings and queens, the 21st Dynasty kings and queens, and the Ethiopian kings and queens, had a distinct bent toward brother and sister marriages, and again generally speaking, were able people.

But it is the case of the Ptolemies that is most interesting in this connection because, as I have said, the first four generations of this family were the issue of non-consanguineous, i.e., perfectly ordinary marriages, not from brother and sister matings. The nine generations that followed the first four were all the result of brother and sister marriages. The first four Ptolemaic kings suffered to a certain extent from gout and from obesity. They were intelligent. They were cruel. The next nine Ptolemaic kings, the ones that were born from brother and sister unions, were neither better nor worse from a health standpoint than the four from the non-consanguineous matings. They had the same general characteristics. They had gout and obesity to contend with but no more than had their forebears. They were able in foreign affairs because at the time Egypt was an exceedingly powerful country and had they not been able Egypt would have lost its power. Their administration of internal affairs were energetic and in many cases remarkable. They were popular within the country and their people followed them eagerly during the Roman wars. They were mentally sound, and both men and women were equally strong in body. The dominant traits of the first four kings seem to be intelligence and cruelty because the last nine kings were perhaps just a shade smarter and perhaps a little more cruel than the first four. There was no sterility, no case of idiocy or deaf mutism, and if these kings and queens had suffered from any hereditary disease the satirist of the day would probably have made capital of and exaggerated it. The fact that they maintained silence is of the utmost importance. Five of the thirteen Ptolemies were murdered, but not

before they had children. There isn't any record of how Ptolemies VI, whose name was Eupator, died. The remaining seven had an average life of 64 years, an unusual figure even today and truly amazing when one considers the medicine of the era before Christ. The times in which the Ptolemies lived, like our own times, were outstanding because of intrigues, murders, wars, and debauchery.

I imagine there are many books which discuss the Ptolemies but I have only read one and I will tell you about it because I think it is a good one. It was published in 1921 by the University of Chicago Press and was written by Sir Marc Armand Ruffer, Kt., C.M.G., M.D., who had been President of the Quarantine of Egypt, a Director of the British Institute of Preventive Medicine, Professor of Bacteriology in the Cairo Medical School, and a member of the Indian Plague Commission. The book was edited by Roy L. Moodie, Ph.D., at a time when Dr. Moodie was Associate Professor of Anatomy in the University of Illinois. The book's title is the *Palaeopathology of Egypt*, and one of the chapters which was made a part of the proceedings of the Royal Society of Medicine, carries the title "On The Physical Effects of Consanguineous Marriages in the Royal Families of Ancient Egypt." It will be difficult to get this book although some medical school libraries will probably have it. My son, Dr. Richard C. Putnam, borrowed it for me from the library at Temple University. If you want to go to the trouble to find it, it is well worth reading. I was amazed at the intellectual, political, and physical abilities of some of the kings and queens who lived so long ago and did so much to shape the world. Cleopatra, the last offspring of many consanguineous marriages, is a particularly startling example of inbreeding. She was a musician, an artist, a patron of science. She was good natured, well educated, spoke many languages. Admittedly she was cruel—she had a right to be because that was her heritage. She murdered her sister Arsinoe IV and was supposed to have murdered her brother Ptolemy XV. But if she hadn't murdered her sister, Arsinoe would certainly have murdered her because they were at war. She had, as you remember, quite an affair with Julius Caesar. If poor old Julius hadn't been stabbed by Brutus, Cleopatra might have been Empress of the World.

Whether you like the Ptolemies or not, or whether you are interested in them or not, you have to admit that they were extraordinary people. And they were inbred. The point as applied to Boxers is a simple one. What Boxer, everything considered, came closest to perfection? Think of the finest male. Think of the finest female. Suppose that Dorian had had a full sister that was just as good or better than he was. Or suppose that Sigurd had had a sister just as good or better than he was. Or that Serenade, or Wendie, had had a brother equal in conformation. What would have happened if brother and sister matings had been arranged?

(continued on page 22)

... Dots and Dashes - - -

Searching for a Christmas story for this issue, the one which remained in our memory was that written under the pen name of "The Little Black Bag", in the December issue of *Popular Dogs* in 1935. By the late Wm. Z. Breed who was well known in Boxer circles and whose widow continues the famous Barmere Boxer kennels in California, the story appears elsewhere in this issue. We think you will agree with us that the message is just as applicable in the dog world today.

On the walls of the Canadian Kennel Club hangs a scroll which reads as follows: "In grateful and loving memory of James Diffin Strachan. As Secretary-Treasurer, he guided the Canadian Kennel Club through twenty-two critical and strenuous years, and won the universal respect and esteem of its members. His contribution to the welfare of the Club was beyond computation. Staunch friend, tireless worker, efficient executive, true sportsman, and superb diplomat, he was an inspiration to all with whom he came into contact. His life was gentle, and the elements in him so mixed, that Nature might stand up and say to all the world—This was a man; we shall see him no more, but who can say that he is not here?"

With the subject of judging so prominent today the story "Dog Show Ethics" written by the late Mr. Strachan many years ago, is worth repeating. Known to many of us as just "Jimmy", he did all that the scroll implies and much more. We are passing through a critical period—we have been through them before, we will go through them again, and somehow your Editor feels that "Jimmy" still will be with us.

A few days ago an oldtimer in the dog fancy brought to the office a trophy on which is inscribed "Ontario Collie Club — President's Cup — Donated by James D. Strachan". Have any of our readers a suggestion to offer regarding the disposition of this trophy?

A very good resumé of Field Trials in Alberta is published elsewhere in this issue. The writer, Vic Grainger, is the Field Trial Representative for Alberta, and his thorough treatment of field work in that province might well be undertaken by the other provincial representatives. Not everyone has the gift of writing in journalistic style, but there are many in Canada whose knowledge of dogs is so varied and extensive that, given an opportunity, they could provide much valuable reading material which, if necessary, could be edited before publication.

To Mrs. Gertrude Drew, of Irish Setter fancy, our grateful thanks for her story "Sixth Sense". The recent death of Paddy Slater who wrote "The Yellow Briar", brought many regrets, for Mr. Slater's stories were true. The country of which he wrote is not far from Toronto, and it was there that Mrs. Drew spent her childhood days. It is natural that Mrs. Drew should love the Irish Setter for what dog has

As we write "30" to this last issue of the year 1951, our Christmas message is one of Goodwill to every individual member of The Canadian Kennel Club, to our advertisers and to our subscribers. May we take this opportunity of extending our sincere thanks to them all for the loyalty shown to our magazine, *Dogs in Canada*.

such colouring to blend with the woods around Mono in the autumn.

Dogs are becoming more useful in every way as they learn how to please their owners. While writing "Dogs and Fishing" your editor kept thinking of the little dog owned by Miss Ruth Springford, one of Canada's outstanding radio actresses. In the cold, clear waters of Silver Lake in Muskoka it is possible to see for a considerable depth. Fish travel in "schools" and the little dog "Miffy" sits in the bow of the boat watching for fish while Ruth rows quietly around the lake. As soon as fish are seen swimming below, Miffy tenses and by her actions, signals that fish are sighted. When the fish are gone, she jumps around excitedly until the anchor is lifted and then resumes her intent watchfulness. Miffy has also starred on the CBC network. When Maurice Boddington reads poems about dogs on "Bods' Scrapbook" Miffy gives the sharp bark, which many have credited to Mr. Boddington. In a year of broadcasting Miffy has not been known to miss a "cue".

"Know Your Breed" has been a feature of this magazine for the past three years and the art work by Walter Ferrier has been his donation to "Dogs in Canada". Each month regardless of rush work, the artist sent along the drawing which required many hours of study and concentration. The one appearing in this issue of the Irish Setter stands out, in that Mr. Ferrier had a bereavement in his family which ordinarily would have excused any man from carrying on. Rather than disappoint the Irish Setter fanciers who had waited so long for their breed, the drawing was done. We would like to say "Thank you" and hope that the New Year will be much brighter for Mr. Ferrier and his sister, Mrs. Margaret Wilson, of Montreal.

The Royal Winter Fair dog shows were one of the glorious features of that great show "The Royal". Judges of the highest calibre selected the winners and the trophies and prizes were in keeping with the Royal tradition. Shortage of steel has prevented the erection of a building to bench the dogs in, and with no relief in sight the officers and members of the National Kennel Club which sponsored the "Royal" shows have joined with the Canadian National Sportsmen's Show to give the same outstanding service to the dog show exhibitors. Next March two all breed championship shows will be held in

the Coliseum during the Sportsmen's Show and those specialty clubs which would like to sponsor shows within the show, should contact the officials now for choice booking. The Toronto Humane Society will be the headquarters and once again, this Society "which Speaks for Those who cannot Speak for Themselves" will be the beneficiary.

A. B. Van Mourick of the Highcroft Veterans Home, British Columbia, and a breeder of Welsh terriers for many years, was made quite happy during the Royal visit, for he presented to the Princess his own creation, a large "Puss in Boots" with high leather boots and grey velvet jacket and trousers, to be given to Prince Charlie, and Princess Ann.

Canadian owned Boston Terriers have been making their rounds of the American shows. Int. Ch. Sovereign Escort owned by Lt.-Col. M. H. A. Drury, of Oakville, Ont., took Best in Show at the Specialty show for Boston Terriers at Toledo. Dr. Roy Davis, of Hamilton, Ont., has covered practically every Southern State in the U.S.A. with his three Boston Terriers. It was quite exciting for the popular dentist who calls the dogs Queenie, Cookie and Tommy. Some days Queenie would be winning up here, and Cookie down south, and later Queenie down south and Tommy up here. It has been a wonderful boost for Canadian owned dogs as Mr. Davis has some twenty or more Best of Breeds, ten Groups and many other wins to the credit of Showman's Finale's Tommy Canuck, Honey's Kewpie Doll and Finale's Show Girl, all three have now attained their Canadian and American championships completing a successful year. To shatter that old bogey "never buy a dog unseen" Dr. Davis purchased his dogs "sight unseen" and has the utmost respect for the Boston Terrier breeders who have shown only honesty and integrity in their dealings with him.

Last year we attended the Labrador Field Trials and later enjoyed a dinner provided by the good shooting of His Excellency the Governor-General of Canada, Viscount Alexander, at the home of Bob Blyth, in Streetsville. Mr. Blyth accompanied His Excellency again this year and reports great success. As usual the Labrador Retrievers were used.

Now we come to the end of another year, and we cannot let it pass without giving a vote of thanks to the President, Mr. H. L. Walley, who has at considerable personal expense made the office a much pleasanter place to work in. If hot, electric fans were provided, an air conditioner installed, when it became cool electric heaters arrived, and many other improvements were made for the benefit of the office staff. Mr. Walley's services to the Canadian Kennel Club during the past year cannot be estimated moneywise, he has given so much with modesty, which bodes well for the future of our Club if we continue to have such fanciers to assist us.

Peace on Earth

by the Little Black Bag

Greetings

TO our many friends in all parts of the dog loving world, a Merry Christmas and a Happy New Year! May this holiday season warm us with its spirit of friendliness and good cheer; may it hearten us to cherish more closely the ideals that every fancier carries in his heart.

IT IS the afternoon of December 24th and surely no time for work. Won't you come up in the studio with us for a chat? Here—try that deep leather chair; there you'll find matches for your pipe, a hassock for your heels and a bit of good cheer in the decanter.

Beautiful pageantry and charming legends are associated with the world's most beloved holiday. But did you know that many of the outward symbols of Christmas date back to the pre-Christmas era? Pagan nations of old worshipped the sun as the giver of light and life. When the winter solstice came (our December 21st) they completed the shortest day of the year and there was great celebrating because the sun began its upward course, thrilling men with the first distant promise of spring. They called it Saturnalia and indulged in merriment, feasting, exchanging of gifts, while the houses were hung with evergreens and maidens wore mistletoe in their hair. Doesn't it all sound familiar?

They likened the spreading fir tree to the sun riding higher and higher in the heavens. The tree was gloriously decked with candle lights to represent the flashes of lighting overhead. Golden and silver apples, balls and nuts were hung on the boughs simulating the sun, moon and stars. The little animals affixed to branches betoken, alas, those real animals consigned to the sacrificial fires. And from these fires we inherit tradition of the Yule Log.

Then came the silent night, holy night when the birth at the little town of Bethlehem became a link with the past. Henceforward Christians, in the tolerant spirit of their Master, adopted these beautiful old customs, rebaptized them and changed their significance. Soon they added new symbols of their own. The Epiphany Star atop your festive tree still guides wise men and children to happiness. The mince pie represents spices and preserved fruits brought to the manger by the three gentle Kings of the Orient. Hanging up your stocking comes from old Roman days when at this season the fairy Befana was supposed to distribute gifts to children according to their deserts. On Christmas Eve tramping youngsters sing their joyous carols outside your door to commemorate the heavenly chorus which brought glad tidings to shepherds in the hills and to all men.

The ages have handed down many delightful legends and superstitions about this glorious night. Cattle resting in the fields are said to kneel in honor of the manger. Bees in the

hives sing while sheep in the pasture go in single procession to their highest hillock in memory of the angelic revelation to their herders. These are all outward and visible signs of an inward and spiritual grace.

Turkey and flaming plum pudding must have a deep inner meaning which is clearer to the palate than to a pedantic brain. There is an old legend that tonight the Christ-child wanders all over the world bearing on His shoulders a bundle of holly, and under the guise of alms-craving tests your benevolence. Those who would invite Him, place a lighted candle in the window. Many old German families set one extra place at their Christmas table, hoping that some day He will come. Selfishness is rebuked. Families are reunited. The eternal spirit of jolly Santa Claus is in the air. A wholesome and joyous current of religious feeling flows through the entire season to temper its extravagance and regulate its mirth.

But come, my guest. The twilight has faded. Cheery lights are coming on and we should join the family at this hour. This is my mother and father and a few fine friends who join our circle. The blazing Yule Logs are cracking merrily. Let us pull chairs around the fire. Yes, that is a volume

of Dickens under Father's arm. Presently he will read aloud for you Pickwickians "Christmas Eve at Mr. Wardle's" and top it off with the appetizing "Christmas Goose at the Cratchits". I still believe with Bob Cratchit that there never was such a goose and often long for a Tiny Tim of my own, the least of them all. Now our dinner is served and Mother wants you to sit by her.

The repast over with and we will rake up the fire and add a birch log or two to brighten the comfortable hour of coffee and cigars. All too soon it seems time for Father to start to church. For 40 years he has held a late Christmas Eve service. Off he goes with head high, a spring in his step and a song in his heart. Do join us. We will follow in the next car. Don't you like to hear the crunch of snow under the wheels? See there in the distance! That's the lofty tower of St. Paul's, resplendent in her beautiful illumination in this starlit night. Turn down the window a bit and we can better hear the carillon of bells ringing out familiar carols. Fir trees on the snow-blanketed lawn are twinkling with multi-colored lights. Through cathedral windows the long nave appears a blaze of warmth and welcome. Now to scurry around for the few remaining seats. We should have come earlier. What a heterogeneous congregation! Perhaps the chimes and the lights and the very contagious spirit of good-will have drawn all sorts and conditions of men, saint and sinner alike to join in singing glory to God in the highest. Even our own off-key baritone echoes lustily to the surpliced choristers. Next a brief talk from the Father about the loveliest story ever told; but always with new vision and larger hope.

Now, back home again and they have all turned in but you and I up here in the studio. 'Tis the night before Christmas and all through the house, not a creature is stirring, not even a mouse. The dogs are all nestled snug in their beds, while visions of rosettes dance o'er their heads. Try a beaker of eggnog to warm the cockles of your heart. What's that we hear? The deep bell of St. Paul's is booming out the hour of twelve. See there—the great light in the heavens and

*Hark! the herald angels sing
Glory to the new-born King!*

It's Christmas Day! A very happy one to you, my guest. God rest ye merry gentlemen. Peace on earth to men of good will and God bless you all. Good night.

The Montreal Dog Fanciers' Club First and Second Championship Shows

by A. Greenwood

WHEN the Club decided to run its first point shows so late in the year, two deliberate gambles were taken. The first was the risk that the date would be too late in the season to attract a good entry, and the second was the risk of the weather at such a late date. So there was a great sigh of relief when the closing of entries assured us that one gamble had come off successfully, with the excellent entry of 300 dogs per day for the two days — and at that the entries for 17 dogs had to be returned as received too late.

Collies topped the list of entries with the splendid total of 29 and 28 dogs, closely followed by American Cocker with 27 each day. Other breeds providing over 10 dogs per day were Labradors (13) Dachshunds (16) Boxers (17) Great Danes (15) and Wire Fox Terriers (11).

Geographically, the entry was very pleasing in its results, including dogs from as far West as Vancouver, B.C., and from as far East as Sydney, N.S., and St. John, N.B., and good representation by our friends from Ontario, and a splendid crop of over 70 entries from the USA, which gave the events a really international flavour. Nor have we forgotten the very excellent local support which was given to us. The Club thanks every exhibitor.

With regard to our second gamble, with the weather—Phew! It “blew and blew and snow and snow, and also it did friz” and if I say it was raining at the same time I don’t expect you to believe me but it will give you an idea of what the weather felt like! That was the first day, and what it did to our gate certainly shouldn’t happen to a dog show! The second day was somewhat better in both weather and gate, which was at least a tempering of the wind to the shorn lamb for which we were grateful. However, the two gambles averaged out into a successful show all the same, and the organizing officials were encouraged by the receipt of a large measure of compliments, and very few complaints. Most of the latter were on the score of the late finish on the first day. In reply to this, we would point out that it was largely due to a late start in judging. This was not due to bad organization — judges and officials were all ready for a prompt start at 10.00 a.m.—but due to consideration for those exhibitors who had arrived late due to the inclement weather. Judges and officials worked through without a supper break to catch up the arrears, and we considered the finish not too bad when all things were considered—and particularly when winners of early breed classes who wander away from the ring when required for further consideration for “winners” are considered. This fault on the part of exhibitors is one of the most consistent causes of judging delays at all shows.

In conjunction with us, but organized and run as their own separate event, the Montreal Dog Obedience Training Club ran a very successful Obedience Trial on the Saturday, and

Obedience Demonstration on the Sunday, in the annexe, and as always, these Obedience events were a very popular spectacle to the “gate”, and the combination of these events with a series of well filled breed classes of excellent quality dogs rewarded those who had braved the weather to see the show with an interesting day in a warm and well ordered Hall.

Seeing the excellent lay-out of benching and rings, few exhibitors or spectators could realize the difficulties which had been overcome to get the show ship-shape in time for a prompt start. At 2.30 a.m. on the Saturday morning, a large “fair” occupied the hall, and we could not start with the erection of benching, rings, etc., until all this had been struck and cleared. Which accounted for the presence in the centre aisle for a large part of Saturday of a shiny new Chevrolet sedan! We would have loved to raffle it off! No report of this show can be fairly completed then without great credit being paid to Mr. David Arch of Ottawa who was in charge of the erection, and to our own Mr. Walter Ferrier who worked all night with Mr. Arch and carried on well into Saturday with his ring-stewarding. In singling this out as the exceptional performance, I must also say that entire team of officials worked with an excellent will, did their jobs excellently, and so gave us a pleasant spirited and smooth running show. The Club extends its

thanks and appreciation to Mrs. Alva McColl for the very able help she gave us as full time ring steward for two days, and for her helpful advice as guide, mentor and friend on matters of protocol. To Mrs. Pamela Mack, and her son Mr. H. Mack, we also owe sincere thanks for their voluntary and helpful aid as stewards.

As a separate list of the awards will be published, I do not propose to detail them in this report, apart from the major awards.

The Best in Show award on both days went to Mr. & Mrs. H. L. Walley's Eng. Ch. Glendoune Gauntlet. This imported Scottie was, I believe, making his debut at Canadian Shows, and he certainly made an impressive start. I had seen and “gone over” this dog in England two years ago. He was a magnificent specimen then, as his career there since proved. I can only say that in my opinion the years have not cheated on him since I saw him there, and he should have a great winning career on this side in his present form. Reserve for Best in Show also went to the same dog on both days, this time to a Canadian bred in the well-known German Shepherd Ch. Shoes of de Grassi, owned by Mr. Samuel Back. Ch. Shoes was also Best Canadian Bred Dog in Shows. Best Canadian bred puppy was taken by Mr. J. A. H. Irving's Smooth Dachshund Bonshaw Dactyl, both days.

I was very pleased to see competition in the majority of the breeds, with the result that the group classes brought forth some really strong competition for the honour of going towards the Best in Show class, with the result that particularly in the Terrier and Working Dog Groups, some really excellent specimens had to go unplaced.

It is good to report that the weather relented on Sunday eve and Monday, so that our long-distance exhibitors who were returning by road would not fare too badly for travelling conditions. We are glad to report a successful show, thanks largely to the excellent support given in the way of entries, and in spite of the worst of the weather. We are encouraged to try again, we hope that the next one will be bigger and we can promise that new arrangements are already in hand to make it even better from the Exhibitors viewpoint.

So ends this report on a good show. To our Secretary Mr. Vic Tritton and his family, who worked hard before, during, and after the show, to our Show Secretary Mr. Paul Paquin who did likewise, to Mr. Ferrier and Mr. Campbell, our appointed ring stewards, to Mr. Roberston and Mr. Tuyl Show Superintendent and assistant, to Mr. R. Quezel and Mr. C. Morgan, stewards at large who continually and ably helped wherever help was wanted, to our President, Mr. A. J. Oldfield who kept an eye on everything and doubled on the loud-speaker, to the Hon. Vets Dr. Harper and Dr. Baker, Dr. Leatherdale and Dr. Jasmin, to the Hon. J. H. Delisle, Minister of State, who so kindly opened the Show with an able speech, to my co-judge Mr. A. Collins, and to all who did so much to help us through, on behalf of the Club I say “Our Thanks and Appreciation” for a good job well done. To the Exhibitors too, we say “Thank you and we hope to see you again”.

Retriever Trials on the Prairies

by Vic. Grainger

WELL, here we are again, after attending eight trials and two shows. Along with me on most of the trips was our Alberta Director of the C.K.C., Mr. Wm. W. (Bill) Pratt. The way Bill has become educated along field trial lines is very encouraging. He has always been a real Dog Show enthusiast, and still is; but we had to get him on another track as well, so that he will know what he is talking about when field trial matters come up in the Canadian Kennel Club. Bill and I have nothing else to do now, and we cannot help being nuts about his Dog hobby.

The two Bench Shows were held in Calgary on Sept. 5th and 6th, and were very successful events financially, as well as a good time being enjoyed by all. Again the Retriever Labradors were the largest class, which naturally made me feel good. Better still is the fact that these show labradors are also top notch hunting and field trial stock, and closely related to Field Trial Champions. Our Alberta Dual Champions have proved this.

At one of these Shows the best of breed went to Calders Golden Gypsy, owned by W. H. Gault, of Calgary. This fine golden colored female also took first prize in the Sporting group. The other Show gave best of breed in Labradors to Duke of Grainger's, a black owned by H. L. Robertson, of Huxley, Alberta. This good black Labrador also won second place in the Sporting group.

Now for the Field Trials. The Alberta Amateur Trial was held by the Alberta Field Trials Club. This is usually a good build up for the other trials, and is held well ahead of the point trials to give them a chance. The Amateur Championship Trophy was won by Golden Alamo Ariel, owned by Charles Pritchard, Calgary. Runner up was Ethel of Grainger's, owned by A. C. Maines, Calgary. In third place was Prince of Drumheller, owned by R. Defoor, of Drumheller, and in fourth place, Saunders' Duke, owned by C. A. Lindquist, of Calgary.

The Lady Handler Stake is growing rapidly and has always been a very interesting event at these Amateur Trials. The Ladies deserve a lot of credit for helping all they can, and I hope our next year's executive will do all they can to encourage and welcome the work the ladies are willing to do to make these trials a success. First in this Stake was won by Mrs. Richard Defoor, handling Prince of Drumheller. Second went to Mrs. F. W. Mitchell with Elboya Rickey. In third place was Mrs. J. Bell, handling Mike's Little Imp, and fourth to Vi. Coodrich who handled Benjamin's Belle of Grainger's. This was a real contest, and the many ladies who failed to get in the money are determined to win next year.

The Junior Stake brought out many more new handlers, all set for another contest. First place was awarded to Candy of Riverdale, owned and handled by Jim Currie, of Calgary. Second was won by Mike's Little Imp, owned and handled by J. Bell, of Calgary. Third went to Golden Alamo Ariel, owned and handled by C. Pritchard, Calgary and fourth to Prince of Drumheller, owned and handled by Richard Defoor,

F.T. Ch. Mah's Golden Sandy, with his owner handler, Linc Phillips, Calgary. The first Labrador other than black to win Field Trial Championship.

of Drumheller. Notice how well these winners are doing in the open Championship Trials.

The Puppy Stake was contested by all new owners, and the winner of First has placed in many of our Alberta Open Trials. This pup is owned by Mrs. Ruby Hastie, of Drumheller, who unfortunately was stricken with polio the day following this, her first trial and was placed in hospital in Edmonton. We are all looking forward to seeing her continue in the Trials next spring. I have been informed that she is coming along nicely. 'Best of luck and a speedy recovery Ruby' is the sincere wish of all of us. This pup is a black Labrador named Trixie and since this trial has been well cared for and handled by Ray Lemay. Second place in this stake was won by Tim, owned by Dr. J. Gordon Anderson, and handled by Don Brooks, a young handler coming nicely. Third went to A. Zimmer, with a pup named Tex, and fourth to Taffy, owned and handled by Geo. E. Wilson.

Judges for this trial were Walter Corey, our Calgary president, Glenn Williams and Vic. Grainger, with Dave Blacklock and C. A. Lindquist as alternate judges, who were kept busy relieving the other judges, who were all willing to give them a turn.

We owe a lot of credit to Dick Foulds and his little wife Evelyn, for the wonderful rehearsal for which they were responsible, and which was held two weeks in advance of this Amateur trial. It brought out many new entrants and new members for our Calgary Club. Let's hope this good work is kept up. Remember Dick and Evelyn are willing to accept any kind of help.

The Edmonton Sporting Dog Club was next to run their Trials near Edmonton. This was held on Sept. 9th and what an improvement took place since last spring. It appears that Pat. St. Peter had plenty to do with this. The new Field Marshall, Bob Shaw, was right in there doing his stuff, and of course, the President, Bill Brownlee always tries to do a good job, the Secretary, John Phillips, co-operating with them all and apparently making a

grand job of his work. The first improvement was discontinuing the two championship trials in one day and a half. Second, the tests were set and a copy sent to all prospective contenders well in advance of the trial, and not a trick test in the lot. The gun was placed near the dog and slightly forward, giving every dog a natural chance to mark his birds by watching the pointing and firing at each bird while in the air. Looks like the Edmonton boys are out to resemble natural hunting conditions for their trials. There were about forty entries in the one day trial, which is good proof that the contestants are seeing things differently.

The next trial was Missoula, Montana, U.S.A. Seven of us from Alberta made this trip, Mr. and Mrs. Linc Phillips, Mr. and Mrs. Bill Pratt, Marion McCoy, Ruth Lowe, and myself. The greatest difference from our trials is that they shoot live birds, and it is interesting. The tests were not long and there was nothing tricky; in fact the only stake having a blind or direction test was the Open-All-Age. We noticed that in the handling test, a dog not responding to the signals was severely penalized, and in all the marking tests, dogs that were over handled were out. I was surprised not to see the marking better on account of the live birds shot out in front. I talked with the Judges, and they remarked that the marking was not so hot. We did see some marvelous handling when it came to the blind retrievers, especially in the water, where the idea was to have the dog take direction to a little island up a narrow strip of water and without taking to the bank. Mr. and Mrs. Phillips took along their F.T.Ch. Mah's Golden Sandy, and he had the honor of being braced with the famous Int. F.T.Ch. Oakcreek Van Cleve, sold for \$5,500.00. Can. F.T.Ch. Crailing Dick, trained by Mel McCoy and under his new handler from Portland, was a contender. This was very exciting, but unfortunately none of these three good dogs made the money. Seventy-seven entries were run in two days, consisting of Derby, Non-Win-

ners, Amateur All-Age, and Open All-Age. We saw over 250 pigeons and pheasants shot.

Back to Alberta again. Drumheller Trial was held on Sept. 23rd and as usual they put on a real trial, in spite of a cold miserable day. We had the pleasure of a visit by Dr. Sproston, President of the National Field Trial Association of B.C., and Mr. Irving C.K.C. Director for B.C. A meeting was held attended by members from the various Field Trial Clubs in Alberta and Saskatchewan, where Dr. Sproston ably explained the details of the National Association, and urged the support of the Prairie Clubs in putting on the National Trial, which is to be held on Nov. 23rd, 24th and 25th. The Calgary club has already voted \$25.00 for five shares, and I feel sure that the other Clubs have supported them financially. The next thing to do now is get the entries from the Prairies. We have fifteen dogs eligible here on the Prairies, but the deep snow and winter coming on soon will make it very difficult to train for the big event. We are looking forward to holding the National in Alberta next year.

It was very nice to see so many from Saskatchewan attending this Drumheller Trial. I believe there were ten, and next year they say there will be at least twenty. I would not be surprised to see several Field Trials going strong in Saskatchewan and Manitoba before very long. Then a big Prairie circuit with a Prairie Championship would be one grand thing for the hunting-dog men to look forward to, if conducted to suit conditions here, as hunting conditions are so different and I think so much better.

The tests at Drumheller were very practical, except for a few too many long water swims, which slowed up the trial a little. The final test was a blind bird over a little hill, about 75 yds. away. I heard some criticism saying that when out of sight of the handler, the dog may loaf, and the handler could not guide him to the bird. How could he loaf much, as there was a short time limit, and the dog had to return in a hurry, or out. I personally think this test is one that happens on many shooting trips, where a bird will soar and fall over a hill or behind trees, and a dog that can be directed to the general area and then hunt on his own and find the bird is of great value. It was nice to see every dog in this test come over the hill with the bird and on time. I do think the gunning was a bit sloppy at first almost behind the dog, but it was better for the All-Age. However, we were sure there were no gun-shy dogs performing, and their marking was good. To add to this Club's wonderful hospitality a beautiful banquet was ready for us which was enjoyed by all.

I will not give the winnings of these trials, as they would have already been published. I was glad to see new blood brought into the judging. They are all practical dog men, and apparently have made a study of and are familiar with the C.K.C. rules and Standard of Procedure. We must have more of this. They were J. H. Van Impe, of Saskatoon; A. Goddard, Saskatoon; Earl Parsons, Drumheller; and R. Nibbles, East Coulee, Alberta.

The Ponoka Sporting Dog Club held their usual good trial on Sept. 30th,

near Ponoka. These boys have a real natural set up, with lots of water, good cover, and always able to put on a stubble shoot and a walk-up test. Their President, Secretary, Field Marshall and Field Trial Committee strike me as a very capable lot, with plenty of executive ability and always working as a team and right on their toes. Everything seems to be done with an aim for natural conditions, and a thorough knowledge of all rules and regulations. What might have proved serious were the two cases of dogs breaking. A dog made a slight break in his first test in the JUNIOR stake but was immediately brought under control; and this dog was being eliminated and ordered to be picked up. The owner and handler put up an argument and the rule book was produced, which proved that the dog should not be eliminated and given another chance. He was placed third. Then again in the ALL-AGE stake a dog did the same thing and one of the judges seemed to insist on keeping that dog in this time. One of our new Alberta judges lost no time in getting his ruling confirmed by consulting the rules which eliminated this dog. It beats me why any judge who has judged many times does not yet know the difference between the various kinds of breaking and how they should be applied and in which stakes. However, if the majority of the judges know their stuff and the Field Committee is on their toes, nothing serious can happen, but this kind of thing does make it a bit unpleasant.

The highlight of the Ponoka Trial was the winning of second place by Mah's Golden Sandy. This made Sandy a Field Trial Champion, and the first golden colored Labrador to be honored with this title. He is owned by Mr. and Mrs. Linc Phillips, of Calgary, who have made this their hobby and have both worked hard for these points. I know the little woman did the strong-arm work by throwing birds for training. He is a real hunting dog, and I feel safe in saying that Sandy has retrieved more ducks for Linc and his friends than any dog I know of. Another golden Labrador came near this honor by winning First place at this Ponoka trial. He is Sommers' Rusty Boy, owned by Frank Sommers, Regina, formerly of Saskatoon. This fellow is only two points from his championship, and if he had been able to make the Brooks and Calgary trials and in his usual form, I feel sure he would have made it.

Judges for this Ponoka trial were Mr. H. C. Lowes, Vegreville, Mr. R. V. Siddon, Drumheller, and Mr. C. C. Stowell, Ponoka.

Brooks Field Trial was next on Oct. 7th. The weather and roads just previous made this trial look impossible right up to the day before. However entries came from Edmonton, over 300 miles, Ponoka, Drumheller, Magrath, Calgary, and even over the Rockies from British Columbia. Some were stuck on the roads and were a little late, but the weather turned out to be perfect for a real good trial. The tests were set and mailed out labeled 'proposed tests'. The judges checked the grounds and the tests with the committee before the trial and approved them. This system worked out well, and the proper common-sense tests

brought nine of the dogs right up to the final. The judges placed four winners and one Certificate of Merit, and this was a unanimous decision. They had a Derby stake which brought puppies and juniors into one and deserving of mention was a young pup competing in this strong class. He is owned and handled by a boy of fourteen years, Buddy Watson, of Ponoka, and he finished third. Buddy is going to make it tough for his Dad, Harold Watson, who is bringing his dog, Lecoy's Bob, up in a hurry to a Field Trial Championship. There will be real rivalry in that family when Buddy gets some age on his dog. The boys in the Brooks club deserve a lot of praise for putting on such a nice trial, in spite of the fact that they could not expect entries from the U.S., and not many from B.C., on account of the closed season on pheasant shooting.

The judges for this trial were David L. (Dick) Foulds, C. A. Lindquist, and Vic Grainger.

The Calgary Club held the biggest trial of the circuit on Oct. 13 and 14th. Our regular date was not applied for and then Oct. 7th and 8th was to be applied for but we also missed that, and had to take the late date. The first day was cold enough but was carried out nicely with the Junior and Non-Winners. The second day was free for the All-Age only, and turned out to be a very cold disagreeable day. The tests were to have been mailed as before, but this was not done and the next best thing was to have them printed in the program. These tests were nicely conducted as printed, and most of the dogs showed some mighty nice work until the fifth test, which was supposed to be a blind retrieve, with a diversion shot. This was changed to a combination across water marked retrieve and a long blind retrieve to an island in the lake. This was far too much for one test, considering the weather, with the result that only three out of the thirteen dogs trying this made it, and the judges had little left to do. If the Club officers or the Judges had been consulted, this would not have happened. It was what promised to be the best trial of the circuit, but simply ruined. This is where team work and co-operation comes in useful. Judges were Dick Foulds, Dave Blacklock and Jack Miller, with H. Christianson and K. J. Morgan as alternate judges.

I have noticed on several occasions where handlers have made a big mistake by being afraid of making a little mistake. In a marking test, where the handler knows his dog will be penalized if he directs him, it looks better to me to see a handler direct his dog once or twice if needed before it is too late, than to wait and then have to handle many times and receive a heavy penalty. Better take a slight penalty and keep your dog in than take the risk of a severe penalty and having him put out.

In a handling test you know your dog will be penalized each time he fails to respond to direction, so be careful that your dog is in a good position to take the signal, rather than whistling, waving and hollering your head off for no results.

I have mentioned the new judges at the Drumheller trial, and I want to

(continued on page 22)

Retriever Trials on the Prairies

by Vic. Grainger

WELL, here we are again, after attending eight trials and two shows. Along with me on most of the trips was our Alberta Director of the C.K.C., Mr. Wm. W. (Bill) Pratt. The way Bill has become educated along field trial lines is very encouraging. He has always been a real Dog Show enthusiast, and still is; but we had to get him on another track as well, so that he will know what he is talking about when field trial matters come up in the Canadian Kennel Club. Bill and I have nothing else to do now, and we cannot help being nuts about his Dog hobby.

The two Bench Shows were held in Calgary on Sept. 5th and 6th, and were very successful events financially, as well as a good time being enjoyed by all. Again the Retriever Labradors were the largest class, which naturally made me feel good. Better still is the fact that these show labradors are also top notch hunting and field trial stock, and closely related to Field Trial Champions. Our Alberta Dual Champions have proved this.

At one of these Shows the best of breed went to Calders Golden Gypsy, owned by W. H. Gault, of Calgary. This fine golden colored female also took first prize in the Sporting group. The other Show gave best of breed in Labradors to Duke of Grainger's, a black owned by H. L. Robertson, of Huxley, Alberta. This good black Labrador also won second place in the Sporting group.

Now for the Field Trials. The Alberta Amateur Trial was held by the Alberta Field Trials Club. This is usually a good build up for the other trials, and is held well ahead of the point trials to give them a chance. The Amateur Championship Trophy was won by Golden Alamo Ariel, owned by Charles Pritchard, Calgary. Runner up was Ethel of Grainger's, owned by A. C. Maines, Calgary. In third place was Prince of Drumheller, owned by R. Defoor, of Drumheller, and in fourth place, Saunders' Duke, owned by C. A. Lindquist, of Calgary.

The Lady Handler Stake is growing rapidly and has always been a very interesting event at these Amateur Trials. The Ladies deserve a lot of credit for helping all they can, and I hope our next year's executive will do all they can to encourage and welcome the work the ladies are willing to do to make these trials a success. First in this Stake was won by Mrs. Richard Defoor, handling Prince of Drumheller. Second went to Mrs. F. W. Mitchell with Elboya Rickey. In third place was Mrs. J. Bell, handling Mike's Little Imp, and fourth to Vi. Coodrich who handled Benjamin's Belle of Grainger's. This was a real contest, and the many ladies who failed to get in the money are determined to win next year.

The Junior Stake brought out many more new handlers, all set for another contest. First place was awarded to Candy of Riverdale, owned and handled by Jim Currie, of Calgary. Second was won by Mike's Little Imp, owned and handled by J. Bell, of Calgary. Third went to Golden Alamo Ariel, owned and handled by C. Pritchard, Calgary and fourth to Prince of Drumheller, owned and handled by Richard Defoor,

F.T. Ch. Mah's Golden Sandy, with his owner handler, Linc Phillips, Calgary. The first Labrador other than black to win Field Trial Championship.

of Drumheller. Notice how well these winners are doing in the open Championship Trials.

The Puppy Stake was contested by all new owners, and the winner of First has placed in many of our Alberta Open Trials. This pup is owned by Mrs. Ruby Hastie, of Drumheller, who unfortunately was stricken with polio the day following this, her first trial and was placed in hospital in Edmonton. We are all looking forward to seeing her continue in the Trials next spring. I have been informed that she is coming along nicely. 'Best of luck and a speedy recovery Ruby' is the sincere wish of all of us. This pup is a black Labrador named Trixie and since this trial has been well cared for and handled by Ray Lemay. Second place in this stake was won by Tim, owned by Dr. J. Gordon Anderson, and handled by Don Brooks, a young handler coming nicely. Third went to A. Zimmer, with a pup named Tex, and fourth to Taffy, owned and handled by Geo. E. Wilson.

Judges for this trial were Walter Corey, our Calgary president, Glenn Williams and Vic. Grainger, with Dave Blacklock and C. A. Lindquist as alternate judges, who were kept busy relieving the other judges, who were all willing to give them a turn.

We owe a lot of credit to Dick Foulds and his little wife Evelyn, for the wonderful rehearsal for which they were responsible, and which was held two weeks in advance of this Amateur trial. It brought out many new entrants and new members for our Calgary Club. Let's hope this good work is kept up. Remember Dick and Evelyn are willing to accept any kind of help.

The Edmonton Sporting Dog Club was next to run their Trials near Edmonton. This was held on Sept. 9th and what an improvement took place since last spring. It appears that Pat. St. Peter had plenty to do with this. The new Field Marshall, Bob Shaw, was right in there doing his stuff, and of course, the President, Bill Brownlee always tries to do a good job, the Secretary, John Phillips, co-operating with them all and apparently making a

grand job of his work. The first improvement was discontinuing the two championship trials in one day and a half. Second, the tests were set and a copy sent to all prospective contenders well in advance of the trial, and not a trick test in the lot. The gun was placed near the dog and slightly forward, giving every dog a natural chance to mark his birds by watching the pointing and firing at each bird while in the air. Looks like the Edmonton boys are out to resemble natural hunting conditions for their trials. There were about forty entries in the one day trial, which is good proof that the contestants are seeing things differently.

The next trial was Missoula, Montana, U.S.A. Seven of us from Alberta made this trip, Mr. and Mrs. Linc Phillips, Mr. and Mrs. Bill Pratt, Marion McCoy, Ruth Lowe, and myself. The greatest difference from our trials is that they shoot live birds, and it is interesting. CHAMPIONSHIP SHOWS

(Dates applied for or granted; all breed shows unless otherwise indicated)
 March 19-20—Canadian National Sportsmen's Show.
 March 21-22—Canadian National Sportsmen's Show.
 April 11—Cocker Spaniel Club of Central Ontario (Specialty show).
 April 19—Guelph Kennel Club.
 April 27—Ladies' Kennel Club of Canada Inc.
 May 3—German Shepherd Dog Breeders Assoc. of Canada.
 May 10—Sarnia Kennel Club.
 May 17—Aurora & District Kennel Club.
 May 24—Toy Dog Breeders Association of Canada.
 May 31—Ontario County Kennel Club.
 June 7—Barrie Kennel Club.
 June 14—Progressive Kennel Club of Canada.
 July 26—Streetsville & District Kennel Club.

SIXTH SENSE

continued from page 6

dog. The hired man helped Prince up the bank.

Mrs. Harris had been a nurse and she knew exactly what to do. In fifteen minutes the child was resuscitated. In fact, she suffered no ill-effects from her close call.

The news of Prince's intelligence and courage soon spread around the country and many visitors came to pay homage to a great hero.

But Prince was happiest when he and Elise romped and played.

In conclusion I would like to point out that all the laurels are not won on the field of battle nor in the performance of some act of bravery. I wish to draw special attention to another type of hero, those dogs whose lives are a living sacrifice from beginning to end. I refer specifically to "the poor man's dog", those companions of poverty who by virtue of their unselfishness and faithful courage have given to the less fortunate of mankind companionship, friendship, love, devotion and protection unexcelled.

These dogs are heroes too for it takes fortitude and courage to endure the suffering of adversity. So when we pay tribute to our canine heroes, let us not forget those brave fellows whose luck it is to live and die ingloriously but who nevertheless "play the game."

RETRIEVER TRIALS

continued from page 21

say more in favor of a new blood in our judging. We have experienced the work of five other men who are new to judging, but every one of them has had practical experience with hunting retrievers and field trials. I am also sure that they have made a study of the requirements, and a thorough knowledge of the Standard of Procedure and the rules of the C.K.C. before accepting the honor of being a judge. These are R. V. Siddon, Drumheller; C. C. Stowell, Ponoka; B. Faulkner, Edmonton; C. A. Lindquist and David L. Foulds, Calgary.

The following is a list of the dogs eligible to compete in the National Retriever Trial of Canada, by reason of their winning points in the year 1951 Alberta Trials. Dual Ch. Ebb of Wetmore, F.T.Ch. Crailing Dan 2nd, F.T.Ch. Mah's Rocky Mountain Boy, Conroy's Golden Arrow, How Hi Curlew, F.T.Ch. Crailing Dick, Leecoy's Bob, Sunwapta Jo Jo, Lady Cyndi Sue, Harvey of

Merry Christmas from

CH. MAID OF CROPTHORNE

and her owner, Mrs. F. Hartley, 713 Merton St., Toronto. "Bonnie D", as this beautiful dog is more familiarly known, continues to win at the shows. In addition to winning the Canadian National Exhibition where it also placed second in the Toy Group, "Bonnie D" won winners at the two Sportsmen's Kennel Club shows and at Hamilton and the Toronto Kennel Club won Best of Breed, also placed in group at the latter. On the first venture into the United States "Bonnie D" won the open class.

Avondale 2nd, Murphalta Lou, Sommers' Rusty Boy, Thurslain's Buckshot, Flame of Avondale, and F.T.Ch. Mah's Golden Sandy.

I may have appeared a little rough at times during this article, but everything I have said is meant as just criticism and aimed only as a guide to improve our trials.

SOME ANCIENT FACTS

continued from page 13

These questions may interest some of the more erudite readers of Boxer Briefs and may produce examples to buttress one side of the question or the other. Don't finish this article with the idea that it is a recommendation for inbreeding. I said at the beginning that it wasn't and I say it again. But I would be delighted to breed my Ch. Ludan of May-Will to his sister Ch. Brianel of Briarnole. I would be delighted to see Ch. Bank Away of Sirrah Crest bred to one of his full sisters if one exists that has approximately the same quality that Bang Away has. I would like to see Ch. Southdown's Veto bred to a full sister if a full sister exists that is good enough for him. What is there to lose? One litter. What is there to gain? The answer to that is difficult because nobody knows. But if over a period of five or ten years, five or ten first class—really first class—brother and sister matings could be arranged I think the experiment might have great results.

I hope that if any intellectuals care to dilate upon this subject they will do so, and I respectfully suggest that they use as little algebraic formulae as is possible in order that those of us whose powers of concentration are merely average will know what they are talking about.

As I come to the end of this inconclusive treatise I can't help wonder-

ing what the Ptolemies would think if they knew that their rather peculiar methods of marriage would some day be presented to the readers of Boxer Briefs.—Courtesy Boxer Briefs.

THE STEWARDS CLUB

continued from page 8

The club puts out each month a bulletin called "The Ring Steward" that goes to the membership to keep everyone informed about club activities and any new problems that come up at different shows and are solved at the meetings. When necessary, an official decision is secured from the American Kennel Club in writing and the membership informed. Thus members at a distance that are unable to attend meetings are prepared for their duties when they serve as stewards.

Twice a year, the members get together during slack time for shows and play just as efficiently as they have stewarded all year at all the shows in the Metropolitan area (23 big shows for 1950). During the Summer, usually on July 4th, Independence Day, a picnic is held on the Griffing estate in Mountainside, N.J., where the members fun and frolic and picnic to their hearts' content. In the Winter, a Christmas party or dinner-dance brings the club members and their friends together for an evening of fun.

The Stewards Club of America is a friendly, informal group of true dog fanciers who work in harmony for the general good and welfare of the dogs and better run dog shows. The membership is entirely free of the petty rivalries and jealousies sometimes found in clubs—each person does willingly the assignment he receives and that he is best qualified to do. It is a democratic club governed by the officers and board of governors who formulate the policy that is decided by vote of the whole membership at the meetings.

President of the club is Robert B. Griffing, Route 29, Mountainside, N.J.; vice-president, Charles Gashlin, North Arlington, N.J.; treasurer, Edward White, Belle Mead, N.J.; secretary, Richard Hover, 483 Central Boulevard, Palisade, N.Y. Board of governors is Mrs. Mary Payson, Menlo Park, N.J.; Hugh L. Hopper, Madison, N.J.; Adolph Kramer, Jr., Beechhurst, L.I., N.Y.; Frank Thrall, Bound Brook, N.J.; Fred Spinelli, Brooklyn, N.Y.

Booklets on stewarding may be secured from the club secretary. Further information may be had from the secretary or the club president. Visitors are always welcome at the meetings or at the classes for stewarding in breed classes or obedience trials. It has been felt, since the Stewards Club came into existence, that the smooth running of the shows, the fact that shows are over earlier, that judges are unharried by details that a good steward attends to in the ring, that spectators are able to follow the judging procedure and are kept informed of absentees, that there are fewer mistakes in judges book markings and that the superintendent is relieved of stewarding worries the better to superintend, is all due in no small way to the efficient work of the members of the Stewards Club of America.

New Champion

CH. MICHAEL OF BLARNEY STONE

Cairn Terrier owned by Mrs. L. M. Wood, Melita Kennels, 4028 Raymond Rd., Victoria, B.C., won Challenge Certificate in England and the Green Star in Ireland. Is heavy in Beechacre breeding. He is at stud — fee \$40.

Companion Dog

RED PRINCESS C.D.

Welsh Corgi (Pembroke) who completed her Obedience title recently, is owned by Mrs. A. E. Thompson, 226 High Park Ave., Toronto, Ont., and was a pupil of the Bay Meyers School. Known as Cappy, this courageous little Corgi has recently recovered from two years' illness which baffled Veterinary Science. Under the care of Dr. Edith Williams and the Ontario Veterinary College, it now has every chance of enjoying life. As an obedience dog the intelligence is natural, her grandsire Ch. Alva Kidwillie C.D. and her grandam Ch. Libbear Dalmally C.D., C.D.X., were both well known Obedience Dogs.

New Champion

CH. SON O'JIM OF AYR

Black and Tan Cocker Spaniel bred by John Devlin, 160 Kenwood Ave., Toronto. "Sonny" is sired by Int. Ch. Condore Cervical who was the first Black and Tan Cocker on record to attain his Int. Championship. His Dam is Ch. Miss Personality of Ayr, the Puppy Sweepstake Winner at the Cocker Spaniel Club of Central Ontario Specialty Show 1948. Son O'Jim has 10 Best of Varieties and one Best Canadian Bred to his credit, going Best of Variety at London, Aurora, Kingston, Cobourg, Streetsville, Jarvis, C.N.E., Oakville, and Dixie Spring and Fall shows. Sonny was ably handled to his Championship by Mr. Bruce McRae.

**MASTER
DOG FOOD**

*"Every dog
loves its Master"*

You can feed dogs well — and at low cost — if you feed MASTER. These quality dog foods, made according to a veterinarian's formula, contain the proteins, vitamins and minerals that build bone and muscle and keep dogs in good coat. Master Dog Foods are prepared by people who are specialists in the preparation of animal feeds.

Master Makes
KIBBLE • BISCUITS • MEAL • CUBES • PELLETS
and Tinned Dog Food

Send for the FREE BOOK "The Dog's Life".
It has helpful suggestions for dog owners.

Master Tinned Dog Food contains MEAT — fortified with liver, added cereals, bone meal, essential vitamins and minerals.

Master K-9 MEAL is a balanced dog food, good for dogs of all ages . . . breeders recommend it as starting food for puppies.

MEAL, CUBES & PELLETS
in 25 and 50 lb. Bags

Prepared by TORONTO ELEVATORS LIMITED — Box 370, Postal Station A — TORONTO
Makers of Master Feeds for Cattle, Calves, Pigs, Poultry, Foxes and Mink

"WILDAIR" REGISTERED IRISH SETTERS

A Merry Christmas and a Happy New Year to All

Twenty Years of Selective Breeding

AT STUD

CH. SIR MICHAEL OF DEVON (Son of CH. KLEIGHT OF ARAGON). One of the best dogs ever to come to Canada. Has produced a high percentage of standout puppies.

When breeding, consider a dog's background. Sir Michael comes from an impressive line of top producers. We are extremely proud of his record as a sire.

ALSO

ACE FLYER OF ARAGON (Grandson of CH. KLEIGHT OF ARAGON. Son of CH. KNIGHT-CROFT DANNY O'BOY. Half-brother to CH. ROSECROFT PREMIER).

A very sound, young dog, as yet not fully mature. Ace shown only once, was B.O. Winners at Joliet, Ill., at 13 months in a good entry. He is an excellent cross for all Sir Michael daughters and granddaughters.

Breed "WILDAIR" and be assured of the best

Information on request: GERTRUDE W. DREW, 120 Ranleigh Avenue, Toronto

THE IRISH SETTER

Description and Standard of Points

Head.—Should be long and lean. The skull oval (from ear to ear), having plenty of brain room and with well-defined occipital protuberance. Brows raised, showing stop. The muzzle moderately deep and fairly square at end. From the stop to the point of the nose should be long, the nostrils wide and the jaws of nearly equal length, flews not to be pendulous. The color of the nose dark mahogany or dark chocolate and that of the eyes (which ought not to be too large) rich hazel or brown. The ears to be of moderate size, fine in texture, set on low, well back and hanging in a neat fold close to the head.

Neck.—Should be moderately long, very muscular but not too thick, slightly arched, free from all tendency to throatiness.

Body.—Should be proportionately long, shoulders fine at the points, deep and sloping well back. The chest deep, rather narrow in front. The ribs well sprung, leaving plenty of lung room. The loins muscular and slightly arched. The hind quarter wide and powerful.

Legs and Feet.—The hindlegs from tip to hock should be long and muscular, from hock to heel short and strong. The stifle and hock joints well bent, and not inclined either in or out. The forelegs should be strong and sinewy, having plenty of bone, with elbows free, well let down and like the hock not inclined either out or in. The feet rather small, very firm, toes strong, close together and arched.

Tail.—Should be of moderate length, set on rather low, strong at root and tapering to a fine point; to be carried in a slight scimitar-like curve or straight, nearly level with the back.

Coat.—On the head, front of legs and tips of ears should be short and fine, but on all other parts of the body it should be of moderate length, flat and as free as possible from curl or wave.

Feathering.—The feather on the upper portion of the ears should be long and silky, on the back of fore and hindlegs long and fine, a fair amount of hair on belly, forming a nice fringe, which may extend on chest and throat. Feet to be well feathered between the toes. Tail to have a nice fringe of moderately long hair, decreasing in length as it approaches the point. All feathering to be as straight and as flat as possible.

Color and Markings.—The color should be a rich golden chestnut or mahogany red, with no trace whatever of black; white on chest, throat or toes, or a small star on the forehead, or a narrow streak, or a blaze on the nose or face not to disqualify.

OBEDIENCE TITLES

Doberman Pinscher, Trollhattan's Favorito (289221) C.D.

Dachshund (Smooth), Egypt's Merrie Christmas of Joyce (242194) C.D.

Irish Setter, Carriere's Tipperary Countess (283039) C.D.

Doberman Pinscher, Mazie of Morrell, C.D., C.D.X.

German Shepherder, Soran of Sandorea, C.D., C.D.X.

Obedience

Did you see the new breed being advertised in this issue? It is the Llasso Apsos which Mrs. Karl Haas has adopted in place of the scottish terriers which held her fancy for so long. There is one of these dogs in Montreal though which has won its Companion Dog Title, it is Peter Robin owned by Mrs. J. J. Meagher, for intelligence is really high in this, one of the oldest known breeds in the world, and whose habitat is Tibet where it has worked as an aid to man for centuries.

• • •

Obedience is growing by leaps and bounds, in Montreal the dense crowd around the judging rings quickly dispersed to the other hall when it was announced that Obedience Trials would be held there. There was an Obedience Club in Toronto known as The Canadian Dog Training Club which was quite active for awhile. Anyone interested in reviving this All Breed Obedience Club should contact the President, E. S. McKay, Toronto.

CORRECTIONS

Toronto Kennel Club, Sept. 7th & 8th, 1951, 2nd in Group 6, should be English Bulldog, HEFTY RED DUCHESS, and not LAKELAND LADY ACE, as reported in the November Issue of Dogs in Canada.

Toronto Kennel Club, Sept. 7th, 8th, 1951, Mrs. T. S. Adams, West Highland White Terrier, BENCURACHAN PUNCH JR., 4th, in Group, and not BENCURACHAN SNOW FLAKE 2nd, as reported in the November Issue of Dogs in Canada.

American Foxhound, BALDWIN'S HAYWIN, shown at Ottawa on May 5th, 1951, wins made at this Show for said dog are now cancelled.

BEST IN SHOW, in the November issue of Dogs in Canada, was shown as a German Shepherd, should read Great Dane, CH. BORNHOLM'S CASANOVA.

In the August issue of Dogs in Canada, Ch. Zep V. D. Daniels (295566) appeared under Group 3 (Working Dogs) instead of under Group 2, for its Championship award.

CANCELLATION

At the Central Ontario Beagle Club Show, held on June 10th, 1951, the American Foxhound, BALDWIN'S HAYWIN, all wins cancelled at this Show, Best in Show, now is Beagle, Ch. Sir Echo of Altopa.

AT STUD

12¾" F.T.CH. SYLVAN SPORTSMAN

Sire: Sylvan Speck Dam: Sunnybranch Stepahead

His first youngsters have just finished their first all-age year. Two completed their championship. Silvertone Sammy and Silvertone Queenie.

Every pup out of Sport that went to the trials won a ribbon. His pups have something on the ball. Breed that good bitch to Sport.

13" F.T.CH. SILVERTONE SAMMY

(subject to C.K.C. approval)

Sire: F.T.CH. Sylvan Sportsman Dam: F.T.CH. Silvertone Goldie

Sam's record this year: 3 firsts, 1 second, 1 reserve in six starts. Two wins on cottontail, and one on hare, defeating the country's best, prove he is an all around dog.

12¾" FD. WINNER CLEAR CREEK LECTURER

Sire: Clear Creek Factor Dam: Clear Creek Label III.

This hound was imported direct from the Clear Creek Kennels in Kentucky at which we spent seven never to-be-forgotten days. Strictly a pack hound that will place with the best. He is very well typed having been successfully shown at Central Ontario Beagle Specialty Show.

Breed those slow methodical bitches to Lecturer and get drive and desire behind those pups.

We have 1952 derbies available and bitches bred for 1953 derbies

Extended pedigrees upon request.

B.C. Mainland News

by Jean Fletcher

WELL folks, by the time you read this it will be the Christmas Season once again although and here in B.C. it still feels far away—the weather is swell, flowers a blooming, the trees are in in Autumn dress and we hope Winter is far away, optimistic aren't I?

Miss Dorchester tells me her German Shepherd "Ch. Doctor of Longworth" is well on his way to his American Title. At Spokane, Wash., he was Best of Winners and at Lewiston, Idaho, he got the nod for Best of Breed and 2nd in the Group.

Also at Lewiston, Idaho, Pat Tripp showed the Boxer "Ch. Ewar's Caesar Augustus" to Best Working Dog. "Caesar" is owned by Miss Mary Jane Campbell and besides his outstanding wins in Canada he now has most of his Am. Pts. besides his two major shows.

Helen and Reg Bristowe are awaiting a visit from the stork.

Mrs. McEachren's Kerry Bitch "Int. Ch. Miss Show Off of Cognewaugh" took the group at Spokane, and Reno, and 2nd in group at Lewiston, Idaho. In 4½ years 48 Best in Shows and 118 Groups have gone to this breeder who exhibits from Coast to Coast.

Heard that Mrs. James Roberts took some groups while on the Cal-Oregon circuit but didn't get particulars — Shame on you "Robbie" not sending me the dope.

Mrs. G. O. Alsen is sure having fun with her Television Set.

Well folks that's it for 1951 — A Merry, Merry Christmas to you all and bless you all.

Vancouver Island Notes

by Gladys McGee

IMUST begin my news this month on a tragic note. The home of Mr. and Mrs. H. W. Mellish of Heatherbell Mastiff Kennels was totally destroyed by fire recently. The Mellishes managed to save all the dogs of which there were several with puppies in the house, but lost everything else, even their clothing and all personal belongings. As usual, as soon as the members of the three clubs heard of it they went out to see of what help they could be, and a most disheartening sight met them. As soon as it was seen that they had not even clothing left friends and neighbors began arriving with much needed articles. Then the three dog clubs got together and appointed a chairman from each club to get donations from fanciers which were used to purchase bedding and food for the dogs etc. A friend has loaned a house trailer until a new home is built. Mr. and Mrs. Mellish have asked me on their behalf to thank all those fanciers and the dog lovers who so kindly came to their assistance when they needed it so badly and that I do through the medium of our magazine.

Our first news item from Dr. and Mrs. Lott of Duncan, B.C. Welcome to your Dogs in Canada column. They

PINECREST KENNELS Reg'd

Breeders of Top Quality Cocker Spaniels Since 1922

*Extend Greetings for the Merriest Christmas
and a most Successful year in 1952*

R. G. Dudley

92 Pinecrest Road, Toronto 9, Ontario

write that subject to C.K.C. approval their imported Rhodesian Ridgeback Starlight of Emasne gathered the required number of points at the last Victoria shows and to tell of the arrival of a lovely miniature Pinscher Eldomas Crown Jewel by name from the Eldomas Kennels, California. She arrives in whelp to Ch. King Allah V Siegelburg. Incidentally this was the dog chosen to represent the breed when the standard was last published. Good luck folks and let us hear of the litter.

Mrs. M. Gibson of Duncan, V.I., writes me that she has imported a black Newfoundland a Landseer from the Harlingen Kennels in England, Harlingen Commodore by name. He is sired by the only Landseer in England I am told.

As this will be my last effort on your behalf before the Holiday Season, may I take this opportunity to wish all officers and members of our C.K.C. family a very Happy Christmas and a Prosperous New Year. To those of you who have sent me your news, very many thanks, to those who haven't, why not start the New Year by resolving to send to your correspondent whoever he or she is, news of your dogs. This is your space, why not use it.

Manitoba Notes

by Suzanne Borse

THE Fort Garry Kennel Club held its All Breed Championship Dog Show Oct. 16, 17 as per schedule in spite of a few obstacles. We had two very cold windy days, which made it bad to start with. Photographers were at a premium due to the Royal Visit on the 16th; that left us without pictures of our show. However, the entries were very good with many top-notch dogs from as far as Portland, Oregon, Des Moines, Iowa and Duluth, Minn. We were also well supported by our friends from Port Arthur and Fort William, as well as Moose Jaw and Regina, etc., and last but not least, the usual exhibitors from various parts of Manitoba.

The Trophy table was beautifully decorated in Autumn shades on which gorgeous bouquets of flowers mingled with the interesting display of trophies. In the centre of the wall behind the table was a picture of the "Royal Couple" with a grand display of rosettes arranged on either side. Red, white and blue bunting was draped low across the wall. This colorful scene gave the "ring" a festive effect.

Wishing a Happy Christmas to all dog lovers

MRS. EVELYN CHURCHWARD
Lloydminster, Saskatchewan

As usual we have Mrs. J. Low to thank for the perfect Rosettes and the decorating.

Mr. Frank Creasey of Vancouver, B.C. judged the show the first day, presenting Best in Show to "Hit Parade's Lamplighter" a miniature schnauzer owned by Mr. & Mrs. Alfred E. Dorsch of Minneapolis. Reserve Best in Show went to our red pekingese, Ch. Su Roi's Fu Ling, who also took the trophy for Best Canadian Bred Dog in show and the Toy Group. The schnauzer took the Terrier Group. The other four groups were as follows: Non Sporting Group, Mrs. Ruth Dille's Boston Ch. Show Boy's Legacy. Sporting Group, Mrs. O. A. McIntyre's Weiramaraner, Per Arduas Aurmisty v. Elmatrandy. Sporting Hound Group, Bernard B. Nelson's Dachshund, Kelvindale H. Earthslopper. Working Group, Albert Lunney's Boxer, Capri Est Glory Guy. Awards for Best Canadian Bred puppy went to a Pointer, Gaytime Velvet, owned by Irene Brooks.

The second day Mr. A. J. Milne of Cainsville, Ontario presented the Trophy for Best in Show to Mrs. J. Low's Collie Ch. Bonacres Victoria of Kiloran, also Best Canadian Bred in Show. Reserve Best in Show once again went to our red peke, Ch. Su Roi's Fu Ling, who also took the Toy Group. The Collie took the Working Group. The Non Sporting and Sporting Hound Groups were won by same dogs as the first day. The Sporting Group this day was won by a parti-color cocker, Poplar Lane's Ruffling Cloud owned by Helen J. Ostram, and the Terrier Group Trophy went to a Wire Fox Terrier, Ch. Bonny of Thunder Bay owned by Mr. T. W. Wright of Fort William. Best Canadian Bred puppy in show was won by a Boxer, Drum Major of Derryhard, owned by W. H. McWilliams.

At the close of the show Mrs. Low was presented with a bouquet of beautiful roses as a token of appreciation from the Fort Garry Kennel Club.

Someone caught wind of the fact that

CAN YOU BEAT THIS?

5 Champions this season, 4 Champions from
BIGGS SILVER QUEEN ("Queenie") very first
litter sired by Ch. TOPSIDE TOM-A-HAWK

Proudly introducing them all

Ch. Carroll Sally (black female) Best of Winners at Guelph May 12/51
Ch. Carroll Cover Charge (red male) Best Variety Quebec Oct. 7/51
Ch. Carroll Silver n'Gold (Silver buff) Best Variety Oakville Oct. 13/51
Ch. Carroll Pride's Fancy (silver) Best opposite sex Montreal Nov. 4/51

In Queenie's second litter sired by Ch. Kobby Town Companion come the sensational black female Ch. Carroll Coquette who won 3 Best Canadian Bred puppy in show (all breed) — Finished at Montreal by going Best of Winners — her little sister Carroll Donna owned by Mrs. W. C. Roadhouse, won Best Canadian Bred puppy in show all breed at C.N.E. Carroll Black Orchid to be campaigned next year. These dogs finished at 18 months all but Sally and Coquette finished at year old. Quite a record for Queenie who has proven herself to be an outstanding producing female in U.S. and Canada — not many have produced 4 champions in one litter.

My winning black Pett's Happy Talk (with American pts.) only shown twice here has 17 pts. toward championship a 3 direct line grandson of Ch. Stockdale Town Talk, the world's sensational cocker, 66 champions to date. Many others with pts. Former home of Ch. Laytonia Steppin' High now making his home at Mrs. L. Halvorsen of Montreal.

Have some gorgeous puppies by these champions. These are bred for real true cocker type, beautiful heads, cobby body, heavy bone, plenty of coat and happy gay disposition, with personality plus. These bloodlines are producing winners today, fairly priced for such quality. Enquiries invited. Make your reservation now. Be wise, invest in the best.

Our most sincere thanks goes to A. Burden for handling all our dogs to their title.

it was Mrs. Gove's birthday, the second day of the show—21st (?) I believe—and there she was 'pluggin' away' as usual with dog show chores. Sooo! What happens? Mr. Creasey presented Mrs. Gove with an enormous bouquet of gorgeous mums very much to her surprise and delight. This show seemed to be a flowery one all around, what with bouquets of roses and mums and corsages, not to mention the Orchid corsages that were floating around and much appreciated.

Exhibitors and friends gathered together for refreshments after the show which gave all a chance to relax and to say their goodbyes and promise to be back again for the next show.

Heard around the dog show—

That, the Low's have a new male collie pup, "Kitty" from Coila Kennels out East.

That, Mrs. Morrison lost her little Chihuahua shortly after making her championship. She has since acquired another "Chi" and a cocker.

That, Reg Poole of Brandon was made curator of the new Kinsmen Zoological Gardens. He is housing in his Kennel at present two timber wolves, hawks and raccoons till accommodation is made for them in the new home at the gardens in Brandon.

That, Mrs. Lloyd McCreary, whom you see in the ring with collies and dachsies, has lost her 11 year old dachshund.

I hope I have succeeded in making this column interesting to you in the past. Can I have your co-operation in the future? Merry Xmas and Happy New Year.

Kobbystown's Xmas Message

*'Twas a month before Xmas, when we
thought by gad,
We haven't sent in our Xmas Ad.
We thought and thought, discussed this
and that,
And decided to write some Kobbystown
chat:*

*"We're seven black cockers all in a row,
Lad, Doc, Shoes, Oni, Nancy, Toney
and Moe.*

*Lad was the first in this kennel so fine,
Bred by the Try-Cob, Nonquitt Lines.
His winning young son is Mr. Moe,
Who at seven months had a Best in
Show.*

*Oh, Nancy's the baby from 'across the
way',*

*But she's quite at home in the U.S.A.
Never a dull moment, with Shoes, our
pal,*

*She can be a proud mother, or a Best
in Show Gal.*

*Then there's Country Doctor, how
could we forget it?*

*For he has a Best in Show and points
to his credit.*

*Now Oni and Toney wear the crowns,
For they're the Champs at Kobbystown.
There's another great cocker, who's
really tops,*

*In the catalogue he's Companion,
But the Burdens call him 'Chops'.*

*We can mention others who've gone
their way,*

*Commencement, Commando, Katrinka,
You'll hear from them all some day.*

So until we see you in '52,

*HOLIDAY GREETINGS to all of
you!"*

Maritime Notes

ONCE again, it is my painful duty to begin my "Notes" by paying tribute to the memory of a great lover of dogs, and an ardent Cocker enthusiast, who has recently passed away, Margaret M. Daly, the wife of Gregory J. Daly, of Halifax, N.S. Both Greg and his wife have been familiar figures at all Maritime Shows for some years now, in fact it was at the Fredericton Show in 1948 that Mrs. Daly was stricken with the malady which, after three years of intense suffering, bravely and patiently born, resulted in her death on Nov. 2nd. Margaret Daly was a most charming young woman, and all through her long and painful illness she insisted on accompanying her husband whenever he went to a Dog Show and as recently as Sept. 29th last, I was talking with her at the Truro Show, and there she put on her usual brave and cheery front, and I little thought that the end was so rapidly drawing nigh, our most sincere and heartfelt sympathy goes out to her bereaved husband in his grievous and irreparable loss.

The Atlantic Beagle Club of Halifax held most successful Beagle Trials, at Mount Uniacke, N.S., on Sept. 9th and 10th. On the first day, scent was only fair. Game was none, too plentiful but on the second day conditions were ideal, scent was good and there was a sufficiency of game that satisfied the most hard to please "Beagler", that is if such a thing exists. The Judge, on both days, was Wayne Fitzgibbon, of Northwood, Mass. First placing were as follows, but a complete list will be

published later. In 13 inch Bitches, Bill Wilson's "Burnside Beauty" was first, in 15 inch Bitches the winner was Cliffords "Burnside Princess", and in 15 inch Dogs, Olaf Larsen's "Middlestone Findy" won out. Charlottetown K.C. and Moncton K.C. held, what I am told, were most successful Trials for pointing breeds recently, but I have not, as yet, received any reports of these meetings. I did hear, however, that "Al" Gray of Moncton, was able to make his Brittany Spaniel, "Lady Mitz-Mac", a Field Trial Champion (subject to C.K.C. confirmation).

The circuits arranged for the Maritimes this season are now completed, and I thought that it might prove interesting, to consider a few of the outstanding features of the several different Shows, one of them in particular impressed this writer, and that was the coming into the limelight of a very old, and once very popular breed, but of late years, not so popular, but if one might be permitted to coin a phrase, one might almost call our recent circuit the "Renaissance of the Pug" for after years of just an occasional Pug being seen at our Shows, they came back this year with a bang, and two representatives of the breed made a most unusual and impressive record on our Maritime circuit. Commencing with the two Shows in Halifax, the Pug "Winna Chip O'Gold" owned by Mrs. J. L. Illsley, was best of all breeds at one Show, and Best Canadian Bred, and the next day he was Reserve Best in Show, after winning the Toy Group at Moncton, he decided to go home. However, moving on to Saint John, another Pug took over, Am. Ch. Mighty Jim, owned by Pugsville Kennels of New Jersey was awarded Best in Show; the next day he won the Toy Group, the next day he copped another Toy Group, and at the final Show he took Best in Show, in all then, the breed in seven Shows took 3 Supreme Bests, 1 Reserve Best, 1 Best Canadian Bred, and 7 Groups, which is, I venture to say, a most outstanding record for any breed.

Another dog that stole the limelight, this time a Bulldog Puppy, "Canning Town's Playboy", owned by Roland Wasson of Saint John, N.B., this young hopeful appeared at all Maritime Shows save one, and he walked off with 3 Groups and was seven times Best Canadian Bred Puppy. This "Playboy" will have a career. "Playboys", as a rule, do not. A very beautiful 15 inch Beagle Bitch has made Beagle history, not only

PRESIDENT'S REPORT

THE Auditor's Financial Statements dated Sept. 30-51, as published in this issue, supply their picture of the Club's book position at the end of the first nine months of the year.

FINANCIAL POSITION

Operating Profit June 30/51—\$2921.54.

Operating Profit Sept. 30/51—\$1985.06.

This shows an operating Net Profit decline of \$936.48 in comparison with the statements of June 30/51. In our monthly assessment remittances to Ottawa, it would seem that we were considerably overpaid on our charged costs there. The Records Office have provided us with their total cost for the first nine months of this year. They are unable to supply distribution figures on this total and thereby provide us the total of our costs for this period. We can estimate by way of comparison and estimated figures, that we could have at Sept. 30th last, a possible overpayment or credit balance there of approximately \$4,000.00. This is not just a guess, but is done from figures that can in no way be definitely determined at this time. We feel it would be fair to state that we should have an overpayment at Ottawa of at least \$2500.00 on Sept. 30/51, as applied to our Club's proper share of costs on work done, for this Club up to that date this year. If this should be correct, our operating net profit on Sept. 30/51 would show a figure of approximately \$4500.00. In view however, of the inability to determine our actual Records Office Costs for the first nine months and the fluctuation of balance position that may yet take place in the year, we suggest that any present apparent favourable position not lead us towards too much optimism in respect to what the year end results may show. Our Bond Investment and Bank Loan position is unchanged. Accrued Accounts and reserve for Doubtful Accounts are included. Allowed depreciation on Fixed Assets for this portion of the year has been absorbed. Readily Liquid Assets of Cash in Banks and Accounts Receivable (Less Reserve) total \$8,327.81.

REVENUE

The income at Ottawa, shows an increase of \$3,009.82 over the same period last year. The income from Recording Fees shows an increase of \$3,750.25. (The 50c Recording fee was not materially in effect during the first six months of last year). Date fees and Listing fees show an increase of \$564.25. This income represents largely Listing Fees and indicates a larger number of unregistered dogs exhibited, and is also probably favourably affected by the greater number of Shows that took place in comparison with the same period last year. To determine the actual number of Members at any specified date, requires checking with Ottawa, etc. but it would seem that our total Membership on Sept. 30/51 is about 250 less than it was on Sept. 30/50.

EXPENDITURES

The \$16,650.00 is the amount we have paid Ottawa for the nine months period, under our set monthly Assessment. The Salaries plus Janitor service total \$13,602.91. This exceeds the amount for the same period of last year by \$521.22. The cost for Rent, Light, Telephone, is \$422.23 less than for this period last year. (This decrease in cost is largely revenue from subletting part of the Office space, at a saving of \$1200.00 per annum). Travelling expenses are \$762.58 less than for the same period last year.

DOGS IN CANADA

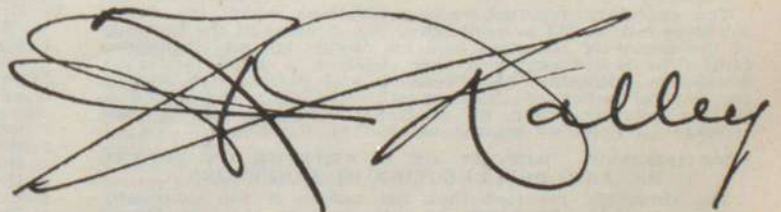

The Revenue from Advertising, shows an increase of approximately \$60.00 over the same period of last year.

In Expenditures, salaries of the Editor and Assistant, show a decrease of \$170.10 in comparison with this period of last year. The cost of printing the Magazine for the nine months, shows an increase of \$848.78. This increase results from publishing fuller Show reports, and increased printing costs.

GENERAL COMMENT

The month of October shows some slight increase in income at Ottawa in comparison with the same month in 1950. The last quarter of the year is however, normally a period of lesser income. The months of November and December are also subject to some extra expenses. The rather heavy expense of printing New By-laws, Dog Show Rules, more complete Show reports, etc. have been absorbed in the enclosed statement. The extra expense of publishing the more extensive dog show reports will continue into December, and we will in the last quarter of this year, be subject to considerable additional printing costs in supplying the Election Commission with mail referendum ballots representing proposed amendments etc., to our existing legislation. There is also the important and material extra expense of the increase in postal rates to be absorbed. It would appear that the net profit shown by the enclosed statement, may be wiped out by the end of the year. It is probable however, that the December 31st next statement will show profit figures. If so, this will represent largely overpayment to Ottawa in comparison with their charge of costs on Dec. 31/51 for work done for the Club during the year. We feel there may be an actual net Operating Profit on the year, but to arrive at any given year's results the cost of processing of all Registrations, etc. received by December 31st should be determined, i.e. we are credited with income from Registrations etc. as received, but not charged with the cost of processing until the work of doing so is completed. If for example it takes the Record Office an average of one month to put through these transactions, the month of December 1950 would receive the benefit of this income and the month of January 1951 would be charged with the cost of processing them. If it takes the Record Office an average of two months to do this the months of Nov. and Dec. 1951 would receive the benefit of the income and the months of Jan. and Feb. 1952 would absorb the cost of the work. This is something that may not have been made clear to the Membership, but we feel should be. The operation of the Record Office is presently under what may be termed a process of investigation, to determine ways and means to ensure required service and accurate delegation of cost of work done for each affiliated Club: also any acceptable standardizing of work to lessen total cost and thereby individual Clubs costs. We suggest that the Records Office be required in future to supply each Club, quarterly statements of their respective costs. This would provide information from which a Club could estimate accrued costs applicable to revenue already in hand. This could be more accurately done if the cost at Ottawa of processing each type of transaction can be reasonably well determined, and supplied.

Yours very truly,

President.

Secretary-Treasurer

NORMAN F. BROWN
667 Yonge Street, Toronto, Ont.

The Committee's report indicated that it had found:

- (1) That there are approximately 1,750 members in Ontario; with five directors for the province, this would make 350 the unit figure.
- (2) That there are 352 members in the counties of Essex, Kent, Lambton, Middlesex, Elgin, Oxford, Norfolk, Brant, Halimand, Welland, and Lincoln.
- (3) That there are 350 members in the counties of Huron, Bruce, Perth, Grey, Wellington, Waterloo, Wentworth, Halton, Peel, and Dufferin.
- (4) That there are 712 members in the Counties of York, Simcoe, Ontario, Durham, Victoria, Muskoka, and Parry Sound.
- (5) That there are 273 members in that portion of Ontario east of a line running from Cobourg to North Bay; and 80 members in what is usually referred to as north-western Ontario, a total of 353.
- (6) That, at the present time, there are two directors from the Toronto area; two from the Ottawa area and one from west of Toronto (Oakville).
- (7) That although a request for suggestions was published in "Dogs in Canada" no suggestion of any kind was received from any member.

The Committee's report included the following recommendations:

- (1) That the question be referred to the national membership by referendum ballot.
- (2) That the attached map showing proposed zones be photographed and a print attached to each ballot.
- (3) That the committee report, in full, be published in the December issue of "Dogs in Canada".
- (4) That the question on the ballot be: "Are you in favour of Ontario being zoned as per attached map?"

Following discussion, it was regularly moved by Mr. Farmer, seconded by Mr. MacKendrick:

"That, the report of the Committee be received, and filed, and read at the next Annual General Meeting."

Motion carried.
The Secretary was directed to convey to each member of the Committee the Board's appreciation of their work in considering and reporting on the matter referred to them.

2040 (2022). STUD BOOKS

The President reported that he had not received any reply to his further representations to the United States Bureau of Animal Industry in respect to acceptance of microfilm records in lieu of printed stud books, and suggested that the matter be held over for further attention pending a follow-up of his latest representations on this subject.

The matter was ordered held over pending receipt of a further report from the President.

2041.

The Board then considered a B.C. claim for certificates of registration.

2042. LETTER FROM JAMES H. GRAY

The Secretary read a letter from James H. Gray, Calgary, with regard to judging at championship shows. The matter was left in the hands of the President and Secretary for suitable reply.

2043 (2026). RECORDS OFFICE SERVICE AND COSTS

The Secretary read a letter received from Dr. J. G. Taggart, Deputy Minister of Agriculture, Ottawa, who stated that the Department had received a request from the Record Committee of Canadian National Live Stock Records to call a meeting of representatives of each breed organization affiliated under the Canadian National Live Stock Records, for the purpose of discussing and formulating procedure for simplifying the recording of livestock and for the discussion of other matters of importance relating to the welfare of the organization; that the Department was glad to comply with the request of the Record Committee, and accordingly a meeting would be held on November 9th and 10th in the Confederation Building, Ottawa.

It was regularly moved by Mrs. McColl, seconded by Mr. Farmer:

"THAT, the President and Secretary-Treasurer be and are hereby appointed the representatives of the Canadian Kennel Club Inc. at the meeting, called by the Department of Agriculture, of representatives of breed organizations affiliated under the Canadian National Live Stock Records, to be held at Ottawa on November 9th and 10th, 1951."

Motion carried.

2044 (2027). APPLICATION FOR REINSTATEMENT OF H. P. SAUNDERS

The President reported that in accordance with the Board's direction, the entire Board of Directors had been polled on H. P. Saunders' application for reinstatement. The necessary number of members of the Board having voted in favour of reinstatement, the Board by resolution directed that Mr. Saunders be reinstated.

2046.

The Board considered a complaint which had been referred to the entire Board, and appointed a Special Committee to consider the matter.

2047 (2008-1839). COMPLAINTS AND CHARGES

Mr. Irving suggested that some simplified system should be set up and followed in order to expedite clearance of complaints and charges. Following discussion, it was regularly moved by Mr. Irving, seconded by Mr. Farmer:

"THAT, on receipt of a complaint the Secretary inform the complainant that consideration cannot be given to any complaint or charge unless submitted in the form of a sworn declaration accompanied by the complainant's permission that a copy of his complaint or charge may be forwarded to the defendant; that on receipt of a charge or complaint in the form of a sworn declaration the Secretary promptly forward copy of such complaint or charge direct to the defendant and inform him that following the expiration of thirty days the charge or complaint will be referred to the Board of Directors and that any statement of defence, in the form of a sworn declaration, must be submitted within that thirty day period; the Secretary to place the complaint or charge before the Board after the expiration of thirty days following notice to the defendant."

Motion carried.

Meetings of the Board of Directors

October 18th, 1951

2037. A regular monthly meeting of the Board of Directors of the Canadian Kennel Club Inc. was held in the Club's offices, 667 Yonge Street, Toronto, Ontario, on Thursday, October 18th, 1951, commencing at 10.00 a.m. The President, H. L. Walley, presided. Directors present at the commencement of the meeting included Mrs. Ellen Brown, J. J. Farmer, J. A. H. Irving, W. H. MacKendrick, and Mrs. Alva McColl.

2038 (2021) MINUTES

The Secretary presented for adoption the minutes of the meeting of the Board of Directors held on September 13th, 1951. It was regularly moved by Mr. MacKendrick, seconded by Mrs. Brown:

"THAT, the minutes of the meeting of the Board of Directors held on September 13th, 1951, be adopted."

Motion carried.

The Secretary reported on the deletions which the Club's solicitors felt should be made from the minutes of the meetings of the Board of Directors held on August 9th and September 13th. The Board examined each deletion in detail, and after discussion, authorized the President and Secretary to discuss the general policy of deletions with the Club's solicitors so that, wherever possible, the published minutes would at least refer to all items of business handled by the Board.

2039 (1994-1978). REPORT OF COMMITTEE ON ZONING OTTAWA FOR ELECTION OF DIRECTORS

The Secretary reported that the report of the Committee appointed by the President, as authorized by the last Annual General Meeting, to investigate and report on the desirability of zoning the Province of Ontario for election (of Directors) purposes had been received and a copy of the report had been forwarded to all members of the Board.

Mrs. McColl suggested that in order to overcome the costs to the Club when dealing with frivolous or unsustained protests or complaints, the person who submitted the protest or complaint should be required to pay the costs sustained by the Club. It was regularly moved by Mrs. McColl, seconded by Mr. Irving:

"THAT, in the case of a complaint, protest or charge where the complainant is unable to sustain his complaint, protest or charge, the cost of handling the case by the Club shall be borne by the complainant if the Board of Directors considers this advisable." Motion unanimously carried.

2048. COMMITTEE ON DRAFTING OF SPECIAL FIELD TRIAL RULES FOR POINTING BREEDS

The Secretary reported on October 7th, Mr. J. T. Mayer, Moncton, N.B., had submitted a proposed set of field trial rules for pointing breeds, and that on October 11 Mr. Harry Dean, Dalmeny, Sask., had advised that because of summer and fall months activities he had found no opportunity to proceed with the work entrusted to the committee of which he was appointed a member, and suggested that this important matter be held in abeyance.

The Secretary reported that following a discussion with the President, he had advised these members of the Committee that it would be preferable for the Committee to continue to work on the drafting of proposed rules which it felt would be acceptable to the majority of persons and clubs interested in field trials for the pointing breeds, and when such proposed rules had been drafted notice of proposed change in the Field Trial Rules be submitted for balloting in conjunction with the election of Officers and Directors for 1953, there being now no opportunity for this work to be completed before the balloting on proposed amendments going forward with the ballot in connection with the election of Officers and Directors for 1952.

Following discussion, it was agreed to leave the matter in the hands of the special committee appointed by the Board of Directors.

2049 (1979). COMMITTEE ON TERM OF OFFICE FOR BOARD OF DIRECTORS

The Secretary reported that a report had not been received from the special committee, appointed by the President as authorized at the last annual general meeting, to consider and report on the advisability of lengthening the term of office of part or all of the Board of Directors.

It was agreed that any report received on this matter should be referred to the next annual general meeting.

2050.

The Board considered a B.C. complaint which had been sent to the entire Board, and referred the complaint to the British Columbia (Mainland) Provincial Committee.

2051 (2028). DOGS IN CANADA

The President reported that all members of the Board of Directors had been asked to vote "YES" or "NO" on the following resolution (see Item No. 1994):

"THAT, articles submitted to the Managing Editor for publication in DOGS IN CANADA which, in the opinion of the Managing Editor, constitute a recommended change in policy of the Canadian Kennel Club, be not published until such time as such articles have been reviewed by the entire Board of Directors."

The President reported that members of the Board had voted as follows on this resolution:

FOR THE RESOLUTION: V. W. Williams, J. A. H. Irving, W. W. Pratt, Mrs. Pat Randall, Mrs. Ellen Brown, J. J. Farmer, W. H. MacKendrick, Mrs. P. Mack, and Mrs. P. Margeson.

AGAINST THE RESOLUTION: C. G. Biggar, E. B. Reid. ABSTAINED FROM VOTING: W. H. Pym, Mrs. Alva McColl. The President declared the motion carried.

The President reported that he had heard from most of the members of the Board with regard to his questionnaire on general policy in connection with the Club's official organ, that he had collated the views expressed and had prepared a further communication which was about to be mailed to members of the Board. He therefore suggested that consideration be deferred until members of the Board had received his further communication in this connection. The matter was ordered held over for further consideration.

The Secretary reported that he had prepared and forwarded to Ontario members of the Board a review of the discussion which had taken place at the last meeting of the Board on the subject of exchange of letters between Director Mr. Farmer and the Managing Editor regarding photographs taken at the Ottawa Kennel Club shows held on May 4th and 5th.

Following discussion, the Board approved the review prepared by the Secretary, and directed that a copy of the review and copy of the exchange of letters between Mr. Farmer and Mrs. McColl be forwarded to all members of the Board.

Mr. Farmer read and then delivered to Mrs. McColl, a letter which Mrs. Walters, President of the Ottawa Kennel Club, had addressed to Mrs. McColl, the letter being dated October 16th. In the communication Mrs. Walters enquired whether DOGS IN CANADA had received photographs taken at the Ottawa Kennel Club shows held on May 4th-5th. Mrs. McColl reiterated her previous report to the Board that the photographs in question had not been received, and stated that she would answer the letter addressed to her by Mrs. Walters.

The Secretary read a letter addressed to the Board by Director Mrs. Mack with regard to Mrs. Mack's letter to the Board dated July 2nd, and a reply which Mrs. McColl addressed to Mrs. Mack on July 6th. Mrs. Mack stated that "Mrs. McColl seems to feel a personal slight at not receiving an official invitation to attend the Ladies Kennel Club show" although she was sure "that no discourtesy was intended to Mrs. McColl." Mrs. Mack pointed out that while Mrs. McColl had stated that Mr. Greenwood's notes had been read by the President and that the Board, at two previous meetings, had endorsed these notes, no record appears in minutes of earlier meetings regarding "endorsement". Following discussion, Mrs. McColl agreed to advise Mrs. Mack that her letter of July 6th was not intended to convey the impression of any feeling that she felt any slight, and to advise Mrs. Mack that the word "discussed" should have appeared in place of the word "endorsed".

2052 (1883). STANDARD FOR RHODESIAN RIDGEBACKS

The Secretary reported that a copy of the standard of the Rhodesian Ridgeback, as published in a brochure issued by the South African Rhodesian Ridgeback Club, had been obtained, that copies of the standard had been forwarded to Director Mr. Irving, that through the efforts of Mr. Irving and Mrs. F. W. Richardson (Vancouver) all known Rhodesian Ridgeback fanciers in Canada had been provided with a copy of this standard, and almost all such fanciers had approved the proposed standard without change of any kind.

It was regularly moved by Mr. Irving, seconded by Mr. Farmer:

"THAT, the standard for the Rhodesian Ridgeback, as adopted by the South African Rhodesian Ridgeback Club, be adopted as the standard of the breed for Canada, and the American Kennel Club be notified accordingly." Motion carried.

2053 (1996-1878). JUDGING LICENSE PROCEDURE, RECORDING FEES, LEGISLATION, ETC.

The President reported that in a letter to the Board of Directors dated October 3rd he had expressed the following views:

- The 1950 Board of Directors had imposed a 50c recording fee. In the absence of any direction or decision at the Annual General Meeting, the 1951 Board of Directors, at its meeting following the Annual General Meeting, had decided that this fee must be continued.
- The 1951 Board, following study and correspondence extending over several months, had agreed on a new method of licensing judges and on a fee which it felt should be imposed for each judge's license.
- Stability of plan and tenacity of purpose was essential to the successful administration of the Club's affairs, and in the interests of the Club an effort should be made to make its legislation as permanent as deemed advisable.
- Any new policies which a Board may enact during its term of office should be presented to the members to be balloted upon by the referendum machinery now provided in the Club's By-laws so that the members may have the privilege and responsibility of determining whether such policies are to continue in effect.

The President explained that his views in this connection were in no way to be construed as implying that the Board's acts were unconstitutional, and he then reported that no objections had been received from any member of the Board on his proposal that these subjects be referred to the members to be balloted upon concurrent with the election of Officers and Directors for 1952.

The President reported that in a letter to the Board dated October 2nd he had recommended that instead of the judge's license fee to cover a period of one year following approval of judge's application, the following term modification apply:

"If a person granted a judging license has only one judging engagement within a year from date of approval of their application, the period be extended to include two judging engagements that must take place within a period of two years following date of approval of application; renewal fee to become payable immediately following the second judging engagement and renewal fee to be payable at the end of two years in any event."

The Secretary tabled printer's proofs of the new application for judging license form approved by the Board, and sought an instruction with regard to reference to judge's license fee on the application. Mr. Irving referred to a practice that had previously been in effect when the applicant for judge's license was required to appear before a committee to answer questions on standards and otherwise demonstrate his knowledge (or otherwise) of the standards of the breeds for which applicant was seeking a judge's license. Following discussion, it was agreed that the following question be inserted on the application: "If required to do so, do you agree to give a demonstration of your knowledge of the standards of the breed or breeds for which you are applying for judge's license?"

It was also agreed that the following reference to fee would appear on the application: "Any fee prescribed by the Board of Directors, from time to time, must accompany this application."

The Secretary was directed to proceed with the printing of the form as amended.

2054 (2031). EXPENDITURES

The Secretary reported on the following expenditures during the month of September:

| | |
|---|------------------|
| Salaries | \$1454.70 |
| Identification | 117.15 |
| Addressograph Plates | 5.05 |
| Printing and Engraving Ch. Certificates | 25.30 |
| Printing (Misc. C.K.C.) | 47.85 |
| Travelling Expenses | 44.50 |
| General Expense | 34.89 |
| Postage | 108.15 |
| Office Supplies | 159.88 |
| Exchange on Cheques | 7.29 |
| Rent | 365.00 |
| Levy (Records Office) | 1850.00 |
| Light | 15.15 |
| Maintenance | 22.03 |
| Telegraphs | 16.67 |
| Prizes (Medals) | 129.45 |
| Postage on Magazines to Members | 86.41 |
| Insurance | 4.65 |
| Telephone | 44.70 |
| Interest on Loan | 48.41 |
| | \$4586.63 |

DOGS IN CANADA

| | |
|--|---------|
| Rent | \$35.00 |
| Salaries | 249.00 |
| Light | 1.68 |
| Telegraphs | 4.11 |
| Office Supplies | 2.75 |
| Postage on Magazines | .06 |
| Postage | 17.80 |
| General Expense | 1.46 |
| Customs Duties | .99 |
| Editor's Car Allowance | 20.00 |
| Engraving Half-tones | 107.40 |
| Telephone | 19.60 |
| Printing—Dogs in Canada Magazine | 1133.59 |
| Printing (Misc.) | 13.75 |

\$1607.79

It was regularly moved by Mrs. Brown, seconded by Mr. Farmer:

"THAT, the expenditures reported by the Secretary be approved."

The Secretary sought a ruling on whether travelling expenses could be paid to any member of the Board attending a show or trial solely as a representative of the Canadian Kennel Club. Following discussion, it was agreed that payment of expenses of this kind could not be undertaken by the Club at this time.

Mr. Irving suggested that the schedule of expenses allowed in connection with members of the Board or staff travelling on the Club's business (particularly in connection with the annual meetings) should be revised so as to provide a set allowance for each day of travelling to and from meetings and a set allowance for each day (or fraction thereof) that meetings are in session, there to be no overlapping of travelling time and time attending meetings. Following discussion of Mr. Irving's recommendations, it was regularly moved by Mr. Irving, seconded by Mr. Farmer:

"THAT, until otherwise ordered by the Board of Directors, travelling and other expenses incurred while acting on behalf of the Club shall be payable as follows:

- (a) First class railway fare to and from place of residence;
- (b) Lower berth accommodation when travelling at night required or advisable;
- (c) Allowance of \$6.50 per day while travelling for each day that three meals required (to be adjusted pro rata when less than three meals required);
- (d) Allowance of \$12.50 per working day (or fraction thereof);
- (e) Higher daily allowance to apply when travelling time and working time lap (example: part of day spent travelling and other part in attending a meeting—Board of General).

Motion carried.
It was agreed that advance made to members of Board attending annual meetings should include full costs of railway ticket (including berth accommodation) and daily travelling allowance to point at which meeting to be held, balance of expenses to be paid during course of annual meetings.

2055 (2032). APPLICATIONS FOR MEMBERSHIP

The Secretary reported that the following had made application for membership:

It was regularly moved by Mr. Irving, seconded by Mrs. Brown:

"THAT, the applications for membership reported by the Secretary be approved."

Motion carried.

2056 (2033). APPLICATIONS FOR REGISTRATION OF KENNEL NAMES

The Secretary reported that applications for registration of the following kennel names had been received, notice of such applications had been included in the September issue of DOGS IN CANADA and no objection to any of these applications had been received:

- BITTERSWEET—H. A. Robinson, Carp, Ont.
CAIRNGLEN—G. W. Erichsen, Silvery, Que.
DALMALLY—Mr. and Mrs. Alfred Thompson, Toronto, Ont.
FOXBAK—J. B. Fuller, Toronto, Ont.
SAXONHURST—James Ainscough, Montreal, Que.
NASHVILLE—L. M. Krause, Willowdale, Ont.
SAXONY—Wm. B. Van Ark, Brown's Line, Ont.
UNEEDA CHESAPEAKE—H. A. Whaley, Gadsby, Alta.
WAYNE-DORA—Nick Ellis, Lakeview, Ont.
WILLOW-BANK—Mr. and Mrs. J. W. Beedell, Battersea, Ont.
WYEBRIDGE—E. McWatters, Wyebidge, Ont.

It was regularly moved by Mrs. Brown, seconded by Mr. Farmer:

"THAT, the applications for registration of kennel names reported by the Secretary be approved."

Motion carried.

The Secretary reported that Cecil E. Samwell, Scotland, Ont., had applied for registration of the kennel name, PINE KNOLL, and objection had been received from Mrs. N. T. Smith (kennel name PINE COVE), Port Nelson, Ont. After discussion, the Board agreed that there was sufficient difference between the two names to justify approval of Mr. Samwell's application, and directed the Secretary to include Mr. Samwell's application with those approved by the foregoing resolution.

2057 (2034). DATES, JUDGES, SHOW AND TRIAL MATTERS

The Secretary reported that the "Dates and Judges Committee" had approved the following applications for dates:

- Nov. 3rd—Montreal Dog Obedience Training Club (licensed Obed. trial).
Nov. 17th-18th—B.C. Gun Dog Club Inc. (two trials for Retrievers and Irish Water Spaniels);
Nov. 23rd—Ontario County Kennel Club (Sanction show—changed from November 16th);
Nov. 23rd-24th-25th—National Retriever Club (Canada) Ltd. (Change of dates for National Championship Stake from November 16th-17th-18th);
Nov. 30th—Boston Terrier Club of Hamilton (Sanction show).
Dec. 3rd—Boston Terrier Breeders of Canada (Sanction show).
It was regularly moved by Mr. Farmer, seconded by Mrs. Brown:

"THAT, the applications for dates reported by the Secretary be approved subject to the rules, regulations and conditions in effect at the time of each event."

Motion carried.

The Secretary reported that the "Dates and Judges Committee" had approved the following lists of proposed judges:

- PETERBORO BEAGLE CLUB—Beagle Trial—Oct. 20th-21st.
(a) H. Armstrong, Peterboro, Ont.—13' Male and Female Stakes.
(b) J. Shewchuck, Oshawa, Ont.—13' Male and Female Stakes.
(c) J. Tiede, London, Ont.—15' Male and Female Stakes.
(d) A. Lacey, Peterboro, Ont.—15' Female Stake.
(e) H. Heslip, Peterboro, Ont.—15' Female Stake.
GERMAN SHEPHERD DOG BREEDERS ASSOC.—Sanction show—Oct. 3.
(a) Bruce McRae, Toronto, Ont.—Breeds in Groups 1 and 2 except Cocker Spaniels; Best in Show.
(b) Mrs. Bruce McRae—Cocker Spaniels.
(c) Dr. W. E. Shute, London, Ont.—Breeds in Group 3 except Doberman Pinschers and German Shepherd Dogs; Best Puppy in Show.

(b) T. K. Coughlan, Vancouver—Nat. Ch. Stake.
(c) H. B. Christian, White Bear Lake, Minn.—Nat. Ch. Stake.

It was regularly moved by Mrs. McColl, seconded by Mr. Irving:

"THAT, the lists of proposed judges reported by the Secretary be approved conditional that (1) the applications submitted conform to the applicable rules, and (2) for shows and trials to be held outside the province of Ontario approval is given by the local provincial Director."

Motion carried.

The Secretary reported that applications had been received for the following 1952 show dates (identical dates listed in order of application received):

- March 8th—Victoria City Kennel Club (Ch. Show).
March 19th-20th—Canadian National Sportsmen's Show (Ch. Show).
March 21st-22nd—Canadian National Sportsmen's Show (Ch. Show).
April 11th—Cocker Spaniel Club of Central Ontario (Specialty show).
April 22nd-23rd-24th—Atlantic Beagle Club Inc. (Beagle Trial).
April 27th—Ladies' Kennel Club of Canada, Inc. (Ch. Show).
May 3rd—German Shepherd Dog Breeders' Assoc. (Unbenched Ch. Show).
May 10th—Sarnia Kennel Club (Ch. Show).
May 10th—Guelph Kennel Club (Ch. Show).
May 17th—Aurora and District Kennel Club (Ch. Show).
May 17th—Progressive Kennel Club of Canada (Ch. Show).
May 17th—Barrie Kennel Club (Ch. Show).
May 24th—Toy Dog Breeders' Assoc. of Canada (Ch. Show).
May 24th—Ontario County Kennel Club (Ch. Show).
July 26th—Streetsville and District Kennel Club (Ch. Show).
Oct. 4th—Victoria City Kennel Club (Ch. Show).

The Secretary reported on the following applications for priority rights to show dates (identical first choice of dates listed in order of application for priority rights received):

- Canadian National Sportsmen's Show—Wednesday and Thursday following March 17th except that if such days are in Holy Week, Wednesday and Thursday preceding Holy Week.
Canadian National Sportsmen's Show—Friday and Saturday following March 17th, except that if such days are in Holy Week, Friday and Saturday preceding Holy Week.
Cocker Spaniel Club of Central Ontario—Good Friday.
Sarnia Kennel Club—Second Saturday in May.
Progressive Kennel Club of Canada—Third Saturday in May each year.
Barrie Kennel Club—Third Saturday in May each year.
Aurora and District Kennel Club—Saturday immediately preceding May 24th.
Toy Dog Breeders Association of Canada—May 24th.
Ontario County Kennel Club—May 24th.
Canine Breeders and Exhibitors Association of Canada—Saturday immediately preceding Thanksgiving Day.
Boston Terrier Club of Canada—Thanksgiving Day.

In discussing the action to be taken on applications for 1952 show dates and on applications for priority rights (first choice) reported by the Secretary, it was agreed to approve applications on the basis of those first received by the Secretary.

It was regularly moved by Mr. Irving, seconded by Mrs. McColl:

"THAT, the applications for 1952 show dates submitted by the Victoria City Kennel Club Inc., Canadian National Sportsmen's Shows, Cocker Spaniel Club of Central Ontario, Ladies' Kennel Club of Canada Inc., German Shepherd Dog Breeders Association, Sarnia Kennel Club, Aurora and District Kennel Club, Toy Dog Breeders Association of Canada, Streetsville and District Kennel Club, Atlantic Beagle Club (as reported by the Secretary), be approved subject to the rules, regulations and conditions in effect at the time of each event, and conditional that: (1) for shows and trials to be held outside the Province of Ontario approval is given by the local Provincial Director; (2) Formal application and required date fee is received by the Secretary as required by the applicable rules."

Motion unanimously carried.

It was agreed that the following applications for priority rights would be approved by the Board providing the dates covered by such applications do not conflict with each other during the next five years:

- (1) Canadian National Sportsmen's Shows (two applications).

- (2) Cocker Spaniel Club of Central Ontario.
- (3) Sarnia Kennel Club.
- (4) Progressive Kennel Club of Canada (starting with 1953-1952 show date granted to Aurora and District Kennel Club).
- (5) Toy Dog Breeders Association of Canada.
- (6) Canine Breeders' and Exhibitors Association of Canada.
- (7) Boston Terrier Club of Canada.

The Secretary was directed to communicate with each of these associations and request that they supply list of actual calendar dates, covered by their respective applications, for the next five years.

The Board considered two protests in connection with a recent Ontario show and imposed a fine of \$10.00 for contravention of Section 3 of Chapter 16 of the Dog Show Rules relating to late entry and reprimanded the showgiving club for not permitting all dogs eligible for Reserve Best in Show to compete for this award.

The Secretary read a letter from M. Ellames, West Hill, Ont., who expressed his dissatisfaction with the judging of Terriers at the Oakville District Kennel Club show held on October 13th, pointing out that the judge of Terriers was changed without notification to the exhibitors.

The Board discussed the change of judge of Terriers at the Oakville and District Kennel Club show although the approved and advertised judge of Terriers fulfilled the balance of his approved and advertised assignment at that show. The Secretary was directed to obtain information regarding the substitution made in the judge of Terriers, and directed the Secretary to inform Mr. Ellames that while enquiries were being made regarding the change of judge of Terrier breeds, all exhibitors were apparently given the opportunity of withdrawing their entries with refund of entry fees.

The Secretary referred to an earlier discussion at a meeting of the Board regarding the listing of sanction show and trial dates in DOGS IN CANADA. The Board agreed that the list of coming shows and trials should include only shows and trials having championship or licensed status, and directed the Secretary to be governed accordingly when preparing future lists for publication in DOGS IN CANADA.

The Secretary reported that information received from the Live Stock Records office indicated that application for registration of the Foxhound, BALDWIN'S HAYWIN, had been received by that office on September 18th with the A.K.C. certificate of registration, and the Records office were in the process of registering the dog. In discussing this file, the Board noted that a letter from Mr. Baldwin had been received by the Secretary on May 4th seeking permission to exhibit this dog as a listed dog at the shows held at Ottawa May 4th and 5th. The Board noted also that this dog had been shown as a listed dog at a specialty show held by the Central Ontario Beagle Club on June 10th, but that no request had been received by the Secretary for permission to exhibit this dog as a listed dog at that particular show. The Board noted Mr. Baldwin's reference to an earlier application for registration submitted to the A.K.C. for the dam of BALDWIN'S HAYWIN had been refused and that Mr. Baldwin "was a bit dubious about making an application" for the registration of Baldwin's Haywin. The Board further noted that application for registration of this dog had not been received by the A.K.C. until after the shows held at Ottawa on May 4th and 5th and at Streetsville on June 10th.

Following discussion, it was regularly moved by Mr. Irving, seconded by Mrs. Brown:

"THAT, inasmuch as this dog was exhibited as a listed dog at more than the three shows referred to in Chapter 16, Section 2, of the Dog Show Rules, when this Club had no assurance that this dog was eligible for registration in its records, the wins earned by this dog at the 4th and 5th shows at which it appeared as a listed dog be cancelled and the necessary adjustments made in our records." Motion unanimously carried.

The Secretary read a letter received from W. C. Baldwin, who reported that he had proceeded to judge Reserve Winners in Beagles at the C.N.E. championship show held on September 3rd and 4th without the dog placed second in the open class in the ring for the reason that judging of this award had been delayed and was finally proceeded with after the handler of the dog was asked to bring in the dog and the dog did not appear in the ring within a reasonable time.

The Secretary was directed to obtain further information in this connection from the Superintendent of the show and from the ring steward during the judging of this breed.

The Board considered the Secretary's report in connection with a protest having to do with a Saskatchewan show, and directed the Secretary to secure additional information from the owner of the protested dog.

Mr. Irving referred to the Board's earlier discussion on whether a dog, born in Canada out of a female owned by a person who, while residing in Canada, is not a "Canadian" by birth, residence, or naturalization.

Following discussion, it was regularly moved by Mr. Irving, seconded by Mr. Farmer:

"THAT, for dog show purposes a Canadian-bred dog shall be considered a dog the progeny of a female owned by a person residing in Canada at the time of service." Motion carried.

At this point Mr. Irving asked for a ruling on whether or not a dog regarded as Canadian-bred, but which earned championship status in another country before being exhibited in Canada or earning a championship title as a result of wins at shows in Canada, could be properly exhibited in the Canadian-bred class.

Following discussion, it was regularly moved by Mrs. McColl, seconded by Mr. Irving:

"THAT, hereafter the words 'champions excluded', as referred to in Chapter 4, Section 2(f), be recognized to mean a champion in any country." Motion carried.

It was agreed that an announcement to this effect be placed in DOGS IN CANADA.

The Board discussed correspondence relating to the awards of Best Canadian-bred in Show and Best Canadian-bred Puppy in Show at the Kingston and District championship show, at which show a Canadian-bred Puppy (PARAGON DORINDA) had been awarded Reserve Best in Show.

It was regularly moved by Mrs. McColl, seconded by Mr. Irving:

"THAT the awards of Best Canadian Bred in Show and Best Canadian Bred Puppy in Show, as shown in the Judge's book

for the Kingston and District Kennel Club Championship Show held on June 23rd, 1951, be cancelled, and the records be amended to read that these awards were made to the Toy Poodle, PARAGON DORINDA." Motion unanimously carried.

The Secretary reported that the Show Records Section had requested a ruling in connection with the award of Best Canadian-Bred in Show to an American Cocker Spaniel at the Northumberland and Durham Kennel Club Show held on August 4th. The Secretary reported that at this show, the winner of the Sporting Group was an imported English Setter, second in the Sporting Group was a Canadian Bred English Springer Spaniel and third in the Sporting Group was an imported American Cocker Spaniel. In discussing the matter, the Board agreed that whether or not the Canadian-bred English Springer Spaniel competed for Best Canadian-Bred in Show, no American Cocker Spaniel was eligible to compete for the award because of the higher award in the Sporting Group given to the Canadian-Bred English Springer Spaniel over the imported American Cocker Spaniel.

It was regularly moved by Mr. Irving, seconded by Mrs. Brown:

"THAT, inasmuch as the dog awarded Best Canadian-Bred in Show at the Northumberland and Durham Kennel Club Championship Show held on August 4th, 1951, was not eligible to compete for that award, the award of Best Canadian-Bred in Show be cancelled." Motion unanimously carried.

The Secretary reported on correspondence with Director Mrs. Margeson, who suggested that provision should be made for "standard size for show rings". In discussing Mrs. Margeson's proposal, the Board agreed that it would be difficult to set the minimum and maximum ring sizes for the various breeds, and it was felt that the present provision of the Dog Show Rules (Chapter 20, Section 5) covered the situation until such time as a proposed amendment to the Dog Show Rules was submitted to be balloted upon by the members.

The Secretary reported that the Quebec Kennel Club had sought to adjust the breeds to be judged by each of the two judges selected to officiate at their shows, held on October 6th and 7th, so that each judge would have approximately an equal number of dogs to judge each day (each judge scheduled to judge the breeds in three groups each day). The Secretary reported that he had advised the Quebec Kennel Club that changing the assignments of each judge, after closing of entries, was not permissible. The Board endorsed the action taken by the Secretary.

The Secretary read a letter from Harry Draper, Holland Landing, Ont., who enquired regarding the awards received by a dog exhibited as a "Toy" Poodle, whose sire and dam were registered as "Miniature" Poodles. The Board discussed the action taken at the last annual general meeting at which time the members decided that all Poodles would, following approval of the new By-laws, be registered as Poodles without designation as "Toy", "Miniature" or "Standard". Poodles to be exhibited according to height called for in the standard of each of the three varieties.

The Secretary reported that on the recommendation of Director Irving, the applications of the B.C. Gun Dog Club Inc. for permission to hold licensed trials for Retrievers and Irish Water Spaniels on November 16th and 17th, 1951, had been approved and the dates for the National Championship Stake for Retrievers and Irish Water Spaniels, to be staged by the National Retriever Club (Canada) Ltd., had been changed from November 16th, 17th, 18th, to November 23rd, 24th and 25th, and this change of dates necessitated changes in the Special Regulations applying to the National Championship Stake if dogs placing in the All-Age Stakes at the B.C. Gun Dog Club trials on November 16th and 17th were to be considered as eligible to compete in the "National Championship Stake" to be held the following week.

Director Irving recommended the following changes in the Special Regulations approved by the Board in 1950:

- (a) Present Section 7 amended by the addition of the words "Except as provided in paragraph two of this section" to precede the words "Owners invited to enter qualifying dogs are to have not less than two weeks"
- (b) Present Section 7 to be amended by the addition of a second paragraph to this section, the new paragraph to read as follows:

"Dogs qualifying in trials which may be held in the two week period immediately preceding the National Championship Stake and before the draw for said stake may be invited, such invitation to be made in writing and delivered or mailed to the owner or agent of owner, such invitation to be accepted by the owner or agent in writing and duly forwarded to the Canadian Kennel Club. Any dogs invited under this clause and invitation accepted are at the owner's or agent's risk as to qualification."

It was regularly moved by Mr. Irving, seconded by Mr. Farmer:

"THAT, these proposed changes be now made in the Special Regulations applying to the National Championship Retriever Stake, and be effective immediately." Motion carried.

The Board considered a Quebec complaint, and sought a further explanation.

2058 (2035). APPLICATIONS FOR HANDLER'S LICENSES

The Secretary reported on the following applications for handler's licenses:

Miss Pat Taylor, Toronto, Ontario—All Breeds (license in effect from January).

Edmund J. Carver, New Canaan, Conn.—All Breeds.

It was regularly moved by Mr. Irving, seconded by Mrs. Brown:

"THAT, the applications for handler's licenses reported by the Secretary be approved." Motion carried.

2059. PROPOSED AMENDMENTS

The Secretary tabled the proposed amendments received on or before October 15th to be balloted upon at the same time as the election of Officers and Directors, and sought instruction with regard to the handling of two proposed amendment forms received, one proposing that "the \$25.00 fee to license judges be discontinued", the other proposing an amendment to the Dog Show Rules to read "no person while intoxicated shall handle a dog, or officiate in any capacity in the ring." The Board considered the President's earlier report to the effect that he had arranged for a proposed amendment to be sub-

mitted in connection with the proposed new license fee on judges' licenses, this proposed amendment to be balloted upon by the members. The Secretary was directed to advise the persons who had submitted the proposed amendment regarding "discontinuing the judge's license fee", that no rule existed regarding this fee at this time, and to advise them of the fact the members would have an opportunity to vote on this proposed fee, the Board feeling that in view of this, those who submitted the proposed "amendment" would be satisfied that no action is being taken on their proposal.

The Secretary placed before the Board a draft layout of a suggested form of referendum ballot on the proposed amendments along with general information which he felt should accompany the ballot. The President suggested that in order that the members would be better informed and in a better position to mark their ballot on each proposed amendment, that each proposed amendment should be accompanied by the existing By-law, rule or regulation that is concerned with each proposed amendment. The Board endorsed the President's suggestion, made a number of changes in the general information read by the Secretary, and directed that in connection with each proposed amendment the question would be asked, "Are you in favour of this amendment," after which there would

appear two squares identified "Yes" and "No" in which each member could indicate his vote. It was agreed that the proposed amendments should be in booklet form for the convenience of the Election Commission and voting members.

2060. ELECTION MATTERS

The Secretary reported that the following question had been raised in connection with the forthcoming election of officers and directors for 1952:

(1) Whether any notification would be forwarded by the Election Commission to members submitting a nomination form and to the person nominated for an accepting a nomination for a given office.

Following discussion, it was regularly moved by Mrs. McColl seconded by Mrs. Brown:

"THAT, the Election Commission be requested to notify person nominated and accepting a nomination for a given office as soon as possible after receipt of the nomination paper in the proper form, and that such nomination has been received."

Motion carried.

2061. ADJOURNMENT

At 10.10 p.m. a motion by Mr. Irving, duly seconded and carried, this meeting of the Board of Directors adjourned.

Notice

On November 12th the President addressed a personal message to the members of the Canadian Kennel Club and made reference to amendments requiring the majority affirmative vote of the entire membership. So that there may be no misunderstanding the President has requested insertion in this issue of an explanation. According to the Club's By-laws adoption of a proposed amendment depends on a majority affirmative vote of those members who vote on a proposed amendment.

Notice Regarding Ballots

The Election Commission has mailed to all members in good standing as of June 30, 1951, an envelope in which was enclosed a ballot in connection with the election of officers and directors of 1952, a referendum ballot in connection with proposed amendments to By-laws, Rules, etc., and a stamped and addressed envelope in which members may return either or both of the above mentioned ballots to the Election Commission.

A member wishing only to cast a ballot in connection with the election of officers and directors need only return the marked ballot in that connection. A member not wishing to vote in connection with the election of officers and directors but wishing to vote on one or more of the proposed amendments, need return the referendum ballot only. A member wishing to vote in connection with the election and on one or more proposed amendments should return both ballots in the same envelope.

Ballots, whether election or referendum, must be mailed direct to the Election Commission of the Canadian Kennel Club, Trafford & Co., 665 Yonge Street, Toronto 5, Ontario.

Only those ballots (the election and referendum) which are received by the Election Commission on or before 12 o'clock noon of December 22nd, 1951, will be counted. Ballots received after that date will not be counted.

Norman F. Brown,

Secretary-Treasurer.

Notice

Orders for nose-printing supplies must be addressed direct to the Canadian Kennel Club, 667 Yonge Street, Toronto, Ont., and NOT to the Canadian National Live Stock Records office at Ottawa. Please do not include payment for nose-printing supplies with any remittance to the Live Stock Records office for to do so means that the remittance must be deposited at Ottawa and a money order then issued to the Club's office at Toronto.

Please do not send cash remittances to the Canadian Kennel Club or Canadian National Live Stock Records office unless registered mail is used.

in the Maritimes, but on the American continent. She is "Lynwoods Sweet Sue", bred by C. W. Carnell of Halifax, N.S. and owned and cleverly handled by Charlie Stewart, of Halifax, N.S., on the Circuit she collared 1 Best in Show, 1 Best Canadian Bred, 5 Groups, twice placed in Group, and 8 times B. of B.; in addition she is awaiting C.K.C. confirmation of her Field Trial Championship as well as similar confirmation of her Bench Championship, on receipt of these she will become a Dual-Champion (Bench & Field), the first of her sex to attain that honor, and the first of her breed to attain it in 17 years, she has indeed brought fame to her native province. Ch. Ambition of Brookside, owned by Percy Sawler of Dartmouth, N.S., won two Best in Show awards, bringing more honors to her popular breeder, Owen Sawler, of Brookside Kennels, while everyone was delighted to see our popular Director, Mrs. P. A. Margeson take Best in Show at New Glasgow, with her outstanding Red Cocker, Ch. Bigg's Red Cedar.

We have all been anxiously looking for the debut of several of this year's British importations that have come to the Maritimes recently, one, a sweet little Sealyham Bitch, "Jacdor Judett" brought out by Miss Alice O'Brien of Halifax, N.S. This beautiful bitch won the Group at Truro and placed on two other occasions. And there is too, a very classy Wire, a dog, "Whitwyre Monopoly" brought out by that veteran Terrier man, Billy Smith of Halifax, N.S. This is a classy dog and will be heard from when he shakes down. The Laskey Bros. of Fredericton, N.B., have

recently received from his breeder, Miss F. J. Henshaw, of the Sealand Kennels, England, this dog is really bred in the purple. He was brought out for his first time in this country, at Truro. He had not recovered from his trip at that time, but since that day has won one Toy Group at Quebec, and was second the next day, so I think that we shall very definitely hear more from that quarter. His name, by the way, is "Sealand Tinderbox", watch him!!!

One of the most pleasing and novel attractions on the Circuit were the really thrilling exhibitions of Obedience Work given by the brace of Weimar-ners shown by Mr. and Mrs. Helms Crutchfield of Richmond, Va. This was the first time we had seen this breed in the Maritimes, and I am not a bit

surprised to learn that the missionary work of the Crutchfields is bearing fruit, for they gave unsparingly of their time and talents, and I understand that Frank Shute of Fredericton, whom we have previously associated with Springers, has brought one to Fredericton, a bitch, "Cly-il-Don's Sweet Sue", so I have little doubt that we shall, in the future, see many of the "Grey Ghosts" at our Maritime Shows.

It has just occurred to me that this is the last time I shall be talking to you before Xmas, and so to you all may I say, A very Merry Xmas, and a bright and prosperous New Year, and so, until 1952, and all through 1952, to you all, whoever you are, and wherever you may be, "Cheerio and all the best",
"MEYNELL".

Notes from the Province of Quebec

by Pamela Mack

HELLO members, I hope you had a good month with your dogs and were able to attend the recent shows. At the T-I-O Beagle Club Trials held last month at St. John which, I believe, were this club's 28th field trials there was a good turn out and everyone—competitors, spectators, and most of all the Beagles themselves—had a grand week-end, climaxed by a sumptuous banquet and evening's entertainment. Dr. Geoffrion, the Club President, is truly a most charming host and kindly invited Jake Irving, Jack Farmer and myself to be his guests, which was a very gracious courtesy to the C.K.C. We greatly enjoyed our visit and meeting the many members and their friends. Other clubs could take a tip from the go ahead members of the Ta-I-O Club who combine the business activities of their club with many enjoyable social functions.

News comes from Mrs. Bryson that her Poodle Bonzer, C.D.X. and Miss Dorothy Budge's cocker Pal, C.D.X. have now completed their American C.D.'s at the recent Rochester show on Oct. 14th. In a large entry Bonzer gained highest score in all classes and Pal came second. This is a nice boost for Canadian Obedience and shows our standards here are high and I hope will encourage other obedience enthusiasts to go south of the border and compete for the coveted International Title.

My apologies to Mr. Ian Breakey for omitting his nice wins at the recent

Quebec City shows, when his Smooth Fox Terrier puppy took Best Canadian Bred Puppy in Show both days. As Breakyton Kip is home-bred this makes it a specially nice win.

The two first point shows put on by the Montreal Dog Fanciers Club at the beginning of November were very good shows. There was an excellent entry of over three hundred dogs, the benching and rings were well laid out and

Tony of Sandorea C.D. Sonia of Sandorea C.D., C.D.X.

Tex of Sandorea C.D. Pilot of Sandorea C.D., C.D.X.

Soran of Sandorea C.D., C.D.X.

APPLICATIONS FOR REGISTRATION OF KENNEL NAMES

The following applications for registration of kennel names have been submitted to the Canadian Kennel Club. Any objections to same must be received by the Secretary of The Canadian Kennel Club Inc., 667 Yonge St., Toronto, Ont., on or prior to December 20th, 1951.

BLACKGOLD (TOWN AND COUNTRY, EBONY GOLD)—Camilla E. Harvey, Hampstead, Que.

CRAIGENGOWER—W. M. McIlwraith, Charleswood, Man.

DEL MEYER—Mr. and Mrs. W. Cox, Roseland, Ont.

HER-DO—Mr. and Mrs. H. J. Lovejoy, Hamilton, Ont.

ISKA—H. A. Phelps, Richmond Hill, Ont.

LONGHURST (HAVEN HURST)—Mr. and Mrs. S. Longhurst, Byron, Ont.

LYNNHAVEN—R. J. Thomas, Toronto, Ont.

WAG'N WOOF (MELBURN, GAY-HEART)—Mrs. Percy G. Burns, Middleton, N.S.

the judges were kept on their toes all day as nearly every major kennel in Quebec and Ontario were represented and many from the U.S.A. The quality in most breeds was high and the judges had some tough decisions but everyone seemed well satisfied. Best in Show both days was the Walleys newly imported Scottie, English Champion Glenborne Gauntlet, whose record for Best in Shows is steadily mounting. It was very nice to see the Walleys personally at the show. Mr. Walley has certainly been an ambassador at large during his first year of office. It was also nice to see several other Directors attending the shows as exhibitors. The wins on both days were repeats, Reserve Best in Show and Best Canadian Bred was Sam Back's German Shepherd Ch. Shoes de Grassi. Best Canadian Bred Puppy both days, Mr. Jake Irving's Smooth Dachshund Bonshaw Dactyl. Best Brace and Team both days was won by Miss Steggall's beautiful fawn pugs, all home breeds. They were so well matched it would indeed be hard to tell them apart.

The Montreal Dog Training Obedience Club ran an obedience trial on the Saturday with Miss Blanche Saunders of New York as judge. There was a good entry and I understand at least four dogs completed their C.D. title. I do not know the results of the open classes. On the Sunday the same club put on a very well trained obedience demonstration which proves that dogs of all breeds are suitable for obedience work if the owners have the patience to develop their natural intelligence—and do the dogs love to show off!

Applications For Priority Rights To Show Dates

Show-giving clubs which have submitted or are about to submit applications for priority rights on one or more show dates are asked to provide, with the application, a list of the exact calendar dates on which their shows, if held in accordance with the application for priority rights, would be held during the next five years. Applications for priority rights on show dates may be obtained by writing The Canadian Kennel Club, 667 Yonge Street, Toronto, Ontario.

The German Shepherd Dog Breeders Association

by Mrs. R. Wilson

OUR regular monthly meeting was well attended at the gracious home of our members, Mr. and Mrs. Paul Firman. It was a wonderful turn out considering the very bad weather that hit us so suddenly.

All committees are to be congratulated on the wonderful work, trophies and arrangements they have made for our Sanction Show at Veterans Hall on Nov. 27. All members, on committees or not, have really gone all out to make this show a success.

Plans are being made for having a dinner and dance after our election meeting. We still remember the grand time we all had at our last dinner and dance, a short time ago. So what better time could there be to celebrate in this manner, than after our election of officers.

It was decided to have a Valentine dance in February to get into the swing of things before the Spring shows come along.

Congratulations go to our members, Mrs. Mary Hart and Mr. Sam Back, for the beautiful litters they were presented with. They look like they are all future champions.

Plans were also made, with much enthusiasm, for our annual Christmas hampers for the Old Age Pensioners. This is a pet project of our Club. It is the most looked forward to and most satisfying project we have.

Would you like a mailing list for your forthcoming shows? The German Shepherd Dog Breeders' Association have brought forth a bright idea which will help materially. In the announcements sent out for their Sanction show a mimeographed entry blank was enclosed which allowed for entries to be made out at home, then given to the committee at the door of the hall. Space for name and address of the exhibitor

allows for information which can be used to advantage for many novices attend these small shows, and with a little encouragement they can be made steady exhibitors.

NOTES FROM THE KENT KENNEL CLUB

by Hilda MacGregor

THE Kent Kennel Club has resumed its meetings after the summer recess. During the summer we had obedience training classes, which members and their dogs enjoyed immensely.

We met each Sunday morning at the home of Mr. and Mrs. C. D. MacGregor with Mr. Harold Smith one of our very capable members as our instructor. We are still getting reports of how enjoyable our 1951 All Breed Dog Show was.

The only adverse criticism we received was that we had no obedience trials and the fact that the Armory was not large enough. Well, this year we are planning to hold our 1952 show in the fine new Chatham Memorial Arena. We are also having obedience trials. Our club is very proud of the way our members have done their part to make our organization the success it has become. We recently purchased the benching that the Elgin Kennel Club had for sale and this winter the members are planning on having fun making any necessary repairs and painting it.

We were happy to be able to give a substantial cheque to the Chatham Kinsmen to help buy a Pathfinder Dog for a local blind veteran whose dog had died.

At the present time we are holding a drive for new members which promises to be successful. This year we are making our meetings more sociable in that after the business part of the meeting, we have a few games of bridge and the hostess serves lunch. We find that it brings the ladies out more often.

Sudbury and District Kennel Club

by G. M. Burch

SINCE our last chat with the Editor and readers, the Sudbury and District Kennel Club has had a very busy summer holding Sanction Shows and Trials.

As a means of raising money for future activities, we would like to pass on this information for what it's worth. On July 2nd, the Lion's Club held their annual field day and were kind enough to give us the puppy booth raffle concession. The tickets sold for a quarter on a chance to win one of five purebred puppies. As you can imagine, this was a very popular booth with the children and many a Pop who had never thought of owning a dog had to dig down for a quarter for Junior. The adults were very interested also and this project had the added benefit of bringing the Club's name before thousands, some of whom hadn't known we existed prior to that day. It was a huge success.

Following this, plans went ahead for a Sanction Show on September 23rd. We had a good turn-out and a lot of fun. Mr. Peter Smith, who did the judging, was very pleased with the quality and variety of dogs shown.

Close on the heels of the Sanction Show, was the Sanction Field Trial on October 7th, judges: Mr. Donald Rose, of Aurora, and Mr. Bert Robinson, of Sudbury. This Trial was a morale booster for the members of the Club with entries coming from all over Ontario.

At the turkey dinner in the evening, enjoyed by members and their out of town guests, it was decided we had made some good friends after a successful day, even if it did rain.

The Club is now settling down for its winter activities and socials with plans for bigger and better shows and Trials next year.

The Irish Setter Club of Canada

by the President, Gertrude W. Drew

IF one were to take time to study the background of dog clubs, one would find great similarity in their origin. Some clubs were born as one man's dream; some clubs were born to create program in dogdom; and some were born for financial reasons.

But in most cases dog clubs are born through the spontaneous desire of groups of interested individuals to better acquaint themselves and the general, dog-loving public with the breed of their choice. Such is the heritage of the Irish Setter Club of Canada.

Just WHERE dog clubs are born seems a matter of supreme indifference to the casual club member. The history of such apparent trivialities soon passes in this day and age where such events are remembered today and forgotten tomorrow. While many may visualize the older and more successful clubs as having a pretentious background, the fact is that most dog clubs found their origin in someone's home. The Irish Setter Club of Canada is no exception.

It all started about a year ago when several Irish Setter fanciers met socially to discuss the feasibility of forming a club. Previous thinking along these lines had been rather nebulous. But it was soon evident to those present that if they provided the leadership widespread interest could soon be stimulated throughout Canada.

Midnight was long past when the aforementioned friends finally said goodnight. However, it was not before an amazing amount of groundwork had been laid, for the formation of an organization with an obviously interesting future. Yes, the evening's discussion had resulted in the election of some executive officers, planned publicity, planned future meetings, etc. A creditable night's work.

The first General Meeting was held on the 25th January, 1951, and a heart-warming attendance of close to thirty Irish Setter breeders and fanciers greeted the founders of the club. Since that date monthly meetings have been held and much good work has been done. True, a considerable amount of time was spent on the frustrating, mechanical problems that greet any new club. But this time is easily counter-balanced when one considers the Club's accomplishments for the past year.

The club immediately realized they must secure funds, other than club subscriptions, for operational expenses and they just as quickly did something about it. They held a euchre party that proved to be a social and financial success as well as providing a lot of fun and experience for those who planned the function.

And yet a touch of sadness must enter the hearts of many as they reminisce about that euchre party. For the gentleman who so readily made available his premises for the affair and who was also one of the club's most enthusiastic and conscientious members is no longer with us. The gentlemen referred to, of course, is Mr. James Robertson.

Despite heavy agendas, the club found time to include in their schedule lectures for the benefit of the members. In the spring a well-known handler lectured and demonstrated on the art of trimming the Irish Setter. In November a prominent veterinarian gave a very interesting address on breeding. Both were well received and more emphasis on this type of program is planned for next year.

All the regular meetings were held in St. Clair Y.M.C.A. and for this privilege the club is indebted to one of its members, Mr. James Crang who also serves on the Board of Directors of the "Y" Branch. The club hopes to reciprocate by making a cash donation to the "Y" to help further their fine Boys' Work program.

One informal picnic meeting was held at the home of Mr. and Mrs. Ken Honsberger of Streetsville. It took place on a Sunday in June and all who were there had a grand time.

The crown achievement of the club for the year was the Irish Setter Specialty Show held in cooperation with the Canadian National Exhibition. No less than twenty-seven Irishmen were entered and when all were accommodated on the benches it was a truly impressive sight. The club members decorated all the benching in the official club colours of paddy green and white to make the setting more colourful and perhaps a bit more Irish. No one need ask what breed of dog attracted the largest gallery that day.

On the Sunday following the show, the picturesque surroundings of "The Honsbergers" were once more made

Our Bostons handled exclusively by **FAY-DON KENNELS**

Hoping you will be **MERRY** at **CHRISTMAS** and **HAPPY** the New Year through—from

Ch. FINALE'S OWN REGARDLESS

("Shorty") — 14 lbs. (The Daddy of them all!!!)

now sire of

CH. HAGERTY'S SUNSHINE REGARDLESS
CH. HAGERTY'S ACE REGARDLESS
CH. HAGERTY'S REGARDLESS
CH. BOUGHTON'S HAGERTY'S SPECIALTY
FINALE'S GAY STARLET (6 points)

"SHORTY" is one of the most dominant studs of the present day, and experts have predicted a truly great future for this wonderful little producer. His sire is the great little INT. CH. SHOWMAN'S FINALE (sire of 14 Champions and more with points), and his Grandsire is the one and only AM. CH. REGARDLESS (sire of 27 Champions and more with points). "SHORTY'S" dam, too, has points, his litter sister is a Canadian Champion, and still another litter sister is well on her way. OF THE 30 DOGS ON "SHORTY'S" 4-GENERATION PEDIGREE, AT LEAST 28 HAVE PRODUCED ONE OR MORE CHAMPIONS.

"SHORTY'S" two sensational puppies, CH. HAGERTY'S ACE REGARDLESS and CH. BOUGHTON'S HAGERTY'S SPECIALTY, have made history this fall in Canada. "ACE" finished his Championship in only 12 DAYS, winning TWO NON-SPORTING GROUPS, ONE SECOND IN GROUP, THREE BEST OF BREEDS, FOUR BEST OF WINNERS, FOUR WINNERS RIBBONS, AND WAS THREE TIMES AWARDED BEST CANADIAN-BRED PUPPY IN SHOW ALL BREEDS, finishing his Championship as a JUNIOR PUPPY, while his litter brother, "SPECIALTY", finished his Championship winning BEST OF WINNERS at the GREAT ANNUAL TORONTO SPECIALTY SHOW, taking 5 POINTS, and was also awarded BEST CANADIAN-BRED PUPPY IN SHOW, at the tender age of only 9½ months — also their half-sister "SUNSHINE" placed WINNERS OR BETTER at three shows during June 1951, finishing her Championship at Jarvis, June 30th, and her full brother CH. HAGERTY'S REGARDLESS finished his Championship at Saint John, N.B., Sept. 11th. Watch for "SHORTY'S" 1952 "Spring Circuit". There are many more of his beautiful puppies coming along.

THIS IS NOT WISHFUL THINKING, FOLKS — THIS IS "THE REAL McCOY!!!"

HAMILTON, ONTARIO

Six of our home-bred Bostons finished their Championships during 1951

available for the purpose of entertaining all the out-of-town exhibitors. A delicious luncheon was served and everyone there thoroughly enjoyed themselves. It would indeed be difficult to estimate value received in new friends as a result of the Specialty Show.

No mention has been made to date of the total club membership. But aside from the thirty members in Toronto and District there are another thirty scattered across Canada and United States. These supporters have been perforce of a fraternal nature to date. But the executive are considering methods of integration by mail for the coming year so the out-of-towner can derive more benefit from his membership.

What the club's activities will be in 1952 are not yet determined. However, the reader is assured that as the Irish Setter Club of Canada continues to make progress in numbers and program, the Irish Setter will more and more make his presence felt at the Shows and in other sporting activities in no uncertain terms.

As the year draws to a close so also concludes the business and social functions of the club. The December meeting features the annual election of officers while "The Yellow Briar" on

No. 10 Highway will be the scene of the first annual club dinner on December 7th.

The Irish Setter Club of Canada extends the Season's Greetings to all Irish Setter fanciers and dog-lovers everywhere.

(The Irish Setter that went B.O.S. at C.N.E. Specialty Show was Ch. Melody of Kil-Eire, owned by Mr. John Shaw of Montreal and not Sir Michael's Molly as previously reported in this column. An apology is due Mr. Shaw for this oversight.)

The Boston Terrier Club of Hamilton

ON Saturday, October 27th, a very enjoyable Hallowe'en party was held by The Boston Terrier Club of Hamilton, in the auditorium of St. Andrew's Church at Hamilton, Beach. The party was well attended, and we were very pleased to see representatives present from our neighbouring Club, The Boston Terrier Breeders of Canada, from Toronto. These folks have a really nice time when they attend our Club parties, and we only hope, that when our next party rolls around, that we may have the pleasure of seeing representatives present from our other grand neighbouring Club, the Boston Terrier Club of Toronto.

Some of the costumes worn were really amusing, and at the end of the evening, everybody made short work of the splendid dinner which was served by Mr. Harry Smallman, Mr. Wm. Ryan and Mr. John Duckett. Great credit goes to these hard-working members, who, as in the past, gave so much of their time to making this party a success.

London Kennel Club Notes

by Mrs. W. A. Nevin

THE annual meeting of the London Kennel Club was held at the home of Bill and Kit Hammerton, Moore Street, London, on October 9th, 1951.

The following officers were appointed for the ensuing year—President, Duke Hammerton; 1st Vice-President, Don Seabrook; 2nd Vice-President, W. A. Nevin; Secretary-Treasurer, Mrs. W. A. Nevin; Recording Secretary, Miss Lena Shortt; Show Committee Chairman, A. T. Steels; Public Relations Chairman, A. L. Hill; Advertising Manager, Bill Hammerton; Directors, Miss Lena Shortt, Mrs. W. Rowe, Mrs. S. Taylor, Mrs. A. L. Hill, Mrs. Roy Boug, Mr. Roy Boug, Mr. A. L. Hill. The members received the reports from the various committee heads and made plans for a 1952 show. In September the members

Season's Greetings

Three International Champions in one year—1951

enjoyed a fishing trip to Port Rowan. All reported a very good time. Betty Ann Boug, daughter of Mr. and Mrs. Roy Boug, has had splendid luck recently showing her Cocker Spaniel. "Congratulations Betty Ann". A. L. Hill reports he is the proud possessor of a lovely new litter of Boxers. Good luck "Bud".

Streetsville and District Kennel Club

by Helen Sinclair

OUR first dog show is now a thing of the past and plans for next year's show are well advanced.

We plan the same type of show held expressly for exhibitors but expect it will be much better. Class money prizes will be given next year. There will be a much larger grooming tent, full course meals and a supper for exhibitors after the show with entertainment.

Our show this year was a financial success so we are able to give the exhibitors next year the show of the year. We have had many letters regarding the show and below you will see one from Mr. Fess of Taraledge Kennels, Clarence, N.Y.

"I attended your Dog show at Streetsville on July 28th. The show started at noon and was all over at 6 p.m. This to my perhaps limited experience with shows north of the border, is a bit of a history-making event.

How did you do it? I am sure more exhibitors from this side would enter Canadian shows if they were not such long, drawn-out affairs.

Would appreciate very much hearing from you . . . how your club made out financially with an unbentched show . . . if you plan to keep it up, etc. Seems to me you folks have the answer to dog shows everywhere . . . get there, get judged and get home."

To our friends we extend heartfelt thanks and wish them every joy during the festive season.

Show Results

These official awards are compiled by the Show, Field and Obedience Trial Departments of The Canadian Kennel Club. All correspondence relating thereto must be addressed to Mr. Alf Loveridge, 667 Yonge St., Toronto, Ont.

Prize-Winning Boston at Stud

This Dog nearly approaches perfection as the IDEAL Boston Terrier. What we mean is color, weight, markings, and particularly DISPOSITION. Read the Standard and then compare it with many Bostons out today. Get away from over-shy, under-sexed, some over-sexed specimens and BREED to a dog who has never sired one MENTALLY wrong yet.

He is a TOP WINNER in the U.S.A. Canadian dogs are too good for him, although he did win the Open at Oakville and the Ted Davy Trophy. What happened?

Wanted: Some good females to Breed to this fellow. Also, other mature stock. What have you got?

For Sale: Female pup by Watchie, hand-painted, has everything possible at 10 weeks. Reasonable. Also, a Male, C.N.E. Reserve Winner. This Dog can finish in the West. Reg., trimmed, 13½ lbs.

JUBILEE KENNELS REG.

Famous for Boston Terriers

*Wish All Friends and Fanciers
a Very Merry Xmas and a
Prosperous '52*

The above cut is one of Canada's outstanding Stud Dogs Ch. Jubilee's Kiddie Boots. The sire of quality puppies, including two of his latest champions, being that grand young female out of Ch. Gypsy Lass, Champion Jubilee's Gypsy Play Girl, who at the age of only eleven months won her championship in four consecutive shows under the following well known judges: Mr. Louis Murr, Mr. Walter Reeves, Mr. Anton Rhost, and Mr. George A. Moen, also that lovely little female Parkers Dusty Boots owned by Mr. J. H. Parker who completed her title just 12 days later under one of America's top rated judges Col. E. D. McQuown, at The Progressive Kennel Club of Canada Inc., Dixie Show, Sept., 15th, 1951.

Jubilee Kennels are proud of their record which we consider only a hobby, having just completed our 30th Championship in twenty-eight years as Boston Terrier Breeders. To make it more interesting these dogs were exhibited and handled throughout their entire career by their owner, Mrs. Martha Stevens, and in all those years we have bred only to our own kennel stock.

We might state we are taking a rest for the winter months but all's well, we will be out in '52 with new prospects.

Very Truly Yours,

Clarence and Martha Stevens

See You Next Spring

CAIRN TERRIERS

Mr. and Mrs. J. T. Shirkie of Balkaren Kennels, R.R. 1, Claremont, Ontario, are proud to announce the Canadian and American Championship of

GOLDEN DAWN OF KINDON

Owned by us and bred by George Davies, York Mills, Ont. Made American debut at Renton, Wash, August 11, 1951 — 2 pts.; Eureka, California, Aug. 30, 1951—Best of Breed, 3rd Terrier Group—5 pts.; Anderson, California, Aug. 31, 1951—Best of Breed, 3rd Terrier Group—5 pts.; Medford, Oregon, Sept. 2, 1951—Best of Breed, 4th Terrier Group—3 pts. with 2 International Champions entered in Specials. Made American Championship in 4 straight shows undefeated.

We are also proud of her daughter, American and Canadian Champion

BONNIE OF KILMARNOCK

Owned by Mr. and Mrs. L. Wilkins, Rt. 3, Box 202, Portland, Oregon. Best of Breed Vancouver Kennel Club Inc., Vancouver, Washington, July 22, 1951 — 2 Specials entered.

Bonnie has been Best of Breed seven straight shows at Victoria, B.C. as of 6-2-51, her only Western Canadian shows. She, like her mother, completed her Am. and Can. Championships in straight shows, finishing for both titles at the age of 13 months. Both dogs handled exclusively by Johnny Long, Tacoma, Washington.

Puppies available from both these females in February at

ENG. CH. CASFALA COPYRIGHT

The Great English Champion CASFALA COPYRIGHT

We think this superlatively bred dog is, without doubt the greatest wire fox terrier ever imported and made available to breeders in this country.

We consider ourselves fortunate to have been able to secure him and invite serious breeders to share in our good fortune by booking reservations now for their best bitches.

This great dog is a proven sire and stamps his progeny with his own teeming quality — (English Champion, Casfala Kepple Nobleman, etc. etc.)

For a limited time only we are offering him at the low introductory fee of \$50.00. There is no extra charge for pick up and delivery at the Vancouver International Airport.

THE BRISTOWE KENNELS

Mr. and Mrs. W. R. Morrison, R.R. 1, Billing's Bridge, Ont., breed and show English Springers, and have done well in both ends of the business.

Raintree Sherry Flip, for instance, was named Best Canadian-bred Puppy in Show at the 1949 C.N.E. on first appearance in a show at 9½ months old, and reached Championship rating with Best in Show at Hamilton, 1950, aged only 18 months. Raintree Sunday Punch is also a consistent winner, and a Champion.

Mr. and Mrs. Morrison have emphasized breeding. Sherry and Punch were sired by an International Champion, Frejax Royal Salute, and Sherry's first litter (of 12!) was sired by another International Champion, Frejax Royal Minstrel.

PURINA DOG CHOW

You'll find if you look into the matter that a remarkably high percentage of such leading kennels have settled on Purina Dog Chow as the basis of their ration.

There are a number of reasons; but the "clinchers" in most cases are that Dog Chow is tops nutritionally, and economical. It's backed by a combination of long experience and extended research which result in balanced food value, palatability and conditioning power;

MOST COMPLETELY BALANCED DOG FOOD YOUR MONEY CAN BUY!

-when Gaines nourishes
every inch of your dog

Health-building food your dog dreams about—that's Gaines Meal! It's *completely balanced* nutrition—Keeps your dog happy, strong and lively every day of his life. Each pound contains:

for strength — proteins as in 1 1/2 lbs. beef.

for energy — carbohydrates as in 2 qts. cooked oatmeal.

for appearance — fats as in 1 1/5 oz. butter.

for bones and teeth — minerals as in 2 1/2 lbs. cheese.

for blood — iron as in 5 lbs. beef liver.

Plenty of MEAT MEAL!

PLUS all vitamins dogs are known to need . . . in more than required quantities.

For variety, give your dog GAINES KRUNCHON, which is Gaines Meal compressed into tasty bite-sized pellets.

GAINES COSTS LESS TO FEED than any other type! Gaines is *concentrated* — a 5 lb. bag makes 10 to 12 lbs. of ready-to-eat dog food. *All you do is add water!* Available wherever dog foods are sold, 2 lb., 5 lb. and 25 lb. bags.
