# Championship Food for Champion Dogs!

TAKE MY WORD  
FOR IT. DOGS HAVE  
PREFERRED SPRATT'S  
FOR OVER 80 YEARS!

**SPRATT'S**

The sure way to  
"build up" a dog

For over eighty years  
Spratt's entire efforts have  
been devoted to the  
preparation of better  
foods for healthier, hap-  
pier pets. No other  
organization has done  
more for the breeder . . .  
the owner . . . in this  
important field.

To keep teeth and gums healthy . . . to  
properly stimulate digestion . . . dogs  
need food they can tear, break and crush.  
So always keep their meals as dry as  
possible.

Spratt's IS a "properly prepared" dry  
food. It is CRISP-BAKED so it can't  
be wolfed down. It must be chewed.

Besides being a natural food, SPRATT'S  
is a complete food . . . assures strong  
healthy dogs . . . sturdy limbs, thick  
glossy coats.

Spratt's Dog Meal too is excellent  
for breeders. It has been produced  
through many years of experience  
for which Spratt's are famous.

**BREEDERS!** Send for  
SPRATT'S 100-page "Guide to  
Dog Management" (New  
Edition), and complete details  
on:

- Spratt's Regular Ovals
- Spratt's Mixed Ovals
- Spratt's Dog Biscuits
- Spratt's Bonio
- Spratt's Weetmeet No. 1
- Spratt's Weetmeet No. 2
- Spratt's Dog Meal

## Our Cover

Our front cover this month features the smooth dachshund Canadian and American Champion Egyptian Moe of Joyce, bred and owned by Mrs. Joy Osterdahl of Highland Creek, Ontario. This International Champion marks the highest achievement possible in the breeding of dogs, for to win an American championship in California competition infers only top quality. The point rating there reads as follows: 5-9 dogs 1 point, 10-18 dogs 2 points, 19-28 dogs 3 points, 29-38 dogs 4 points, and it is necessary to win two 3 point shows in the 15 points necessary for a champion.

Int. Ch. Egyptian Moe of Joyce won his points at the following shows: Turlock, Cal., Winners, Best opposite Sex, judge Derek Rayne; Fresno, Cal., Winners dogs, judge Stanley Hansen; San Bernardino, Cal., Winners dogs, Best opposite Sex, judge E. E. Vary; Bakersfield, Cal., Winners dogs, Best of Winners, judge Mrs. Marion R. Mangrum; Tucson, Cal., Winners dogs, Best of Winners, judge Alf. Lepine; Santa Fe, New Mexico, Winners dogs, Best of Winners, judge Mrs. David Dodge; Tacoma, Wash., Winners dogs, Best of Winners, judge Beulah Sullivan; Reno, Nevada, Winners dogs, Best of Winners, judge Derek Rayne.

In Canada there were three firsts in the Hound Group and Best Canadian Bred in Show All Breeds. Moe was handled in Canada by professional handler, Art Burden of Toronto.

The Joyce Kennels have bred at least thirty-two Canadian champions, the majority of these dogs also having won firsts in the Hound Group. In addition, this kennel bred Ch. Egyptian Dream of Joyce who won Best in Show All Breeds. Several of the champion dachshunds have won reserve Best in Show, and several Best Canadian Bred in Show. A wonderful record in the show ring, and now climaxed by another home bred, Ch. Egypt's Merrie Christmas of Joyce, who won her Obedience title in three straight shows.

# Research in the Canine Field

from The North American Veterinarian

## Preliminary Studies on the Problem of Encephalitis in Dogs

by James H. Gillespie, V.M.D.

ALL veterinarians, and especially small-animal practitioners, realize that encephalitis in dogs is one of the most serious animal-disease problems that confront them. In our laboratory we are studying this perplexing entity. All of us here today will agree that the subject of encephalitis in dogs, especially in its relationship to distemper, represents a confusing picture for two main reasons: (1) the vast amount of contradictory information available in the literature and (2) the complications presented by the problem itself.

In studying encephalitis and its relationship to distemper it was felt by us that certain basic experimental studies in dogs must be made under controlled conditions. Some of the results obtained in these studies have been known for many years, on the basis of clinical observations. Yet to place these observations on a scientific basis and remove doubts that exist in the minds of some individuals, exacting experiments must be carried on.

In this paper we have attempted to clarify three points:

1. Whether the three strains of distemper virus (Carre) being studied in our laboratory are immunologically similar.

2. Whether distemper virus is capable of producing encephalitis in dogs by various routes of inoculation or contact.

3. Whether a dog that is immune to distemper virus will develop encephalitis when it is inoculated intracerebrally with a test virus known to produce encephalitis regularly.

To prove these facts the following strains of virus were used in these studies:

1. Fromm Strain: This is an old laboratory strain obtained from Fromm Brothers Laboratories, Grafton, Wisconsin. It is well catalogued, since considerable study of it has been made over a period of years.

2. Snyder Hill Strain: This strain was isolated about 1½ years ago, from an Ithaca dog. The dog showed typical clinical symptoms of catarrhal distemper but no encephalitis was apparent. By intracerebral inoculation with this strain, encephalitis can be produced regularly in the dog.

3. Buffalo Strain: This strain was isolated recently from a dog sent to the laboratory by Dr. R. B. McClelland of Buffalo, New York. Clinically, this dog showed hard pads and encephalitis. Histologically, typical cytoplasmic inclusion bodies of distemper were found in the lungs, urinary bladder, and kidney. Although no inclusion bodies were found in the brain, typical lesions of an encephalitis were noted, which included demyelination, gliosis, perivascular cuffing, meningitis, and necrosis of neurons.

All dogs used in these experiments were large litters of recently weaned puppies, purchased from nearby farms. The puppies were held at least three weeks prior to inoculation, to eliminate the factor of passive immunity.

Except for early studies, dogs placed on experiment were maintained in isolation units to eliminate unplanned infections.

Table I shows the results of cross-immunization studies in dogs with three strains of distemper virus (Carre).

Table II shows the results of attempts to produce encephalitis in dogs with two strains of distemper virus (Carre) by various methods of inoculation. The dogs were observed for 45 days, or longer, after inoculation or exposure.

Table I—Cross-immunization Studies in Dogs with three Strains of Distemper Virus (Carre)

Immunizing Strain	Test Strain		
	Fromm	Snyder Hill	Buffalo
Fromm	0/5	0/5	0/3
Snyder Hill	0/5	0/2	0/2
Buffalo			
Numerator—Number of dogs that showed signs of illness.			
Denominator—Number of dogs tested.			

Table II—Production of Encephalitis in Dogs with two Strains of Distemper Virus (Carre) Inoculated by Various Methods

Strain	Route of Inoculation		Showed Nervous Symptoms
Snyder Hill	Intracerebral		17/20*
	Intravenous		1/7†
	Subcutaneous		1/5
	Contact		1/3
Buffalo	Intravenous		0/4

Numerator—Number of dogs showing convulsions, incoordination, depression, dilated pupils and coma.

Denominator—Number of dogs inoculated.

\*The three dogs that did not show nervous symptoms went into a coma and died.

†Two dogs showed incoordination for two days and recovered.

### Conclusions

Cross-immunization studies in dogs with three strains of distemper virus showed them to be immunologically similar. One strain was isolated from a dog which showed hard pads and encephalitis.

Encephalitis has been produced in 17 of 20 dogs inoculated intracerebrally with the Snyder Hill strain of distemper virus and maintained for 13 serial passages. The three dogs that did not show encephalitis became comatose and died. In the early passages nervous symptoms were delayed considerably longer than in later passages. Dogs with encephalitis showed convulsions, incoordination, depression, dilated pupils, coma and death. In some instances dogs were sacrificed before death occurred.

By intravenous inoculation with the Snyder Hill strain, one of seven dogs showed encephalitis. Two of the other dogs showed incoordination for two days and recovered. By subcutaneous inoculation one of five dogs developed encephalitis. By contact exposure, one of three dogs showed encephalitis. Therefore, by parenteral inoculation or contact, three of 15 dogs developed encephalitis in contrast to 17 of 20 inoculated intracerebrally.

Four dogs that were immunized with the Snyder Hill strain did not develop encephalitis when they were inoculated intracerebrally with the homologous test virus. This test virus regularly produces encephalitis when inoculated intracerebrally. On the basis of this finding it is reasonable to assume that antibodies are present in the blood and tissue fluids of the brain of immune

dogs, and the virus must enter the nerve cells prior to the development of the antibodies.

## An Unusual Type of Food Poisoning in Dogs

by D. S. Elsasser, D.V.M., R. W. Grundish, D.V.M., and J. W. Ralston, D.V.M.

A SERIES of cases of poisoning in dogs has been handled in our hospital recently. A description of the symptoms and unusual circumstances involved seems worthy of publication and investigation.

Symptoms: An acute onset was evidenced within four to 48 hours after feeding a particular brand of dog meal. Early symptoms were stiffness in the legs, inco-ordination and mydriasis. The body temperature was normal in all cases and complete consciousness was evidenced at all times. As the condition progressed, marked symptoms of opisthotonus, vertical nystagmus and complete incoordination was evidenced.

Diagnosis: No satisfactory diagnosis was made immediately. Botulism and atypical strychnine poisoning were ruled out by laboratory findings. Blood serum and stomach contents were injected into week-old baby chicks without any symptoms being produced. Stomach contents were fed to laboratory animals with negative results.

As more cases were presented at the hospital, it became apparent that all of the affected dogs were fed a particular dry-cereal-type dog food. Investigation by the company revealed that equipment used to mix chicken feed with megasul (R) 25 percent (nitrophenide m, m-dinitrodiphenylsulfide) was later used to mix dog food. Megasul 25 percent is ordinarily mixed with chicken feed at the rate of 1 pound per ton of feed, for the prevention of avian coccidiosis. Authorities at Lederle Laboratories have stated that dogs have exhibited symptoms of injury when fed megasul 25 percent at the rate of 15 mg. per Kg. per day for 17 days. It would appear that sufficient megasul had been mixed with the dog food to cause the symptoms described above.

Treatment: Treatment consisted of gastric and intestinal lavage, followed by sedation, accomplished by morphine and pentobarbital sodium. Sedatives were administered as long as was necessary to alleviate the symptoms which, in most cases, persisted for about one week. Body stiffness and nystagmus persisted from one to two weeks. Intravenous and subcutaneous feeding of a 5 percent dextrose solution was carried out during the period of sedation. No fatalities were reported from the 20 cases treated here at our hospital, and no undesirable signs of permanent nerve injury have been manifested to date.

### Summary

A report on 20 cases of an unusual type of food poisoning is presented. Symptoms were somewhat similar to botulism or atypical strychnine poisoning. A diagnosis of poisoning by feeding food contaminated with megasul 25 percent was made. Treatment consisted of lavage, sedation and intravenous feeding. No fatalities occurred.

(continued on page 4)

## Man's Best Friend — and "The Women"

by Gertrude W. Drew

PROBABLY in no other sphere of activity has the advent of the hand of woman played such an important and successful part as that instanced in the realm of dogdom, for, not only does a comprehensive survey of the situation on this continent but in the motherland as well, show that women have become most successful breeders of every kind of dog. To say they are successful would indeed be a modest remark. They are outstanding in this particular venture, and in England they virtually eclipse man's endeavours.

Women's entrance into the breeding of dogs requires neither speculation as to the reason of her interest nor wonder as to the success she has achieved. The ever increasing popularity of our dumb friends answers the former, while, the inherent desire of women to mother anything provided the latter. Woman has always been described as passive, man as active, and that passiveness lends itself to one of the breeding industries most needed qualifications: "patience".

Not only have the fair sex won pre-eminence in this field of industry surpassing waning male competition, but, survey shows that they have in the parlance of the day, consolidated their gains. So firm a position have they captured in England, it is perhaps a natural progression of events that the need of imparting their knowledge to others, took the form of establishing kennel colleges.

At these schools young women known as kennel maids are thoroughly trained in every phase of the work of rearing pure-bred stock. Taught by teachers whose knowledge of modern scientific methods is backed by years of successful results, the peak of attainment is indeed hard to speculate upon, for until the outbreak of the present war the demand for the services of graduates far exceeded the supply.

Although the last few years have witnessed a large increase in the number of women breeders and exhibitors, it is equally true that their added interest and participation is but a natural healthy growth of the love and respect for "Man's Best Friend". Undoubtedly this is due to achievement in attractiveness and intelligence of each and every breed. In this, women can also claim a large share of the credit. It is an entirely erroneous impression that man alone is responsible for all the primary work done in this regard. Throughout history, breeding records show that women have made noteworthy contributions to the evolution of the splendid types of today.

In Great Britain there are numerous titled women who own and operate large kennels and whose interest in the improvement of dogs has widespread influence. In this connection the name of The Countess Howe is synonymous with the celebrated Banchoory gun dogs; that of the Hon. Mrs. Hill-Wood with the Hiwood Kennels of retrievers; that of Lady Edith Wyndham with her famous Soham Kennels

of Yorkshire terriers. Her Grace, the Duchess of Montrose is not only president of the Schnauzer Club of Great Britain but is the owner of the extensive Brodick Kennels. Lady Helen Berry holds the limelight for cockers with her well known Haybury Kennels. The Hon. Mrs. Ionides is not only a director of the Nunsoe Kennels of World-wide reputation for poodles but owns her own Vulcain Kennels.

In Canada as in other countries of the world the breeding of dogs shows no discrimination from a social status. From Newfoundland to the Pacific Coast women vie with male competitors for fame and fortune in this fascinating venture. Every year more and more women are entering into this arena and the profession is no longer confined to masculine predominance. So successful women have become that the exhibiting and handling of dogs leaves little to be desired and one cannot laud the female participant too highly in this connection, for the results of her perseverance and patience speak for themselves in the show ring. In such great numbers have women entered into this field that space obviously does not admit individual mention.

Incidental to the breeding and exhibiting of dogs are other branches necessary to the advancement of these superior animals, and in these capacities women perform a maximum of service. Specialty clubs and sanction shows run co-relatively and in this phase of canine interest there are innumerable women whose efforts, time and ability have wholeheartedly been devoted to the welfare of the dog.

Women's participation at obedience test trials is now becoming the rule rather than the exception and their ability in this regard has been shown to no mean advantage. The field trials can also boast the same feminine representation, and many have gained well merited recognition, although women are somewhat reluctant to make any ostentatious display of their prowess in a field hitherto dominated by man. The board of directors of our own Canadian Kennel Club includes three women members.

In United States, as in Great Britain, women have become so dog conscious that regardless of affluence or fame, their interest in the vast kingdom of "Man's Best Friend" has become an all absorbing hobby in many cases and a fascinating and lucrative profession in others.

With upwards of four hundred dog shows annually, the expansive scope in competition reaches its zenith at the great Westminster and Morris and Essex exhibitions. Here hundreds of women as well as men from all over the Union accompanied by the cream of their kennels, converge with the one great purpose in mind, that of determining the merits of their dogs as against the best in the country and, always with the hope of carrying off some of the honours, and these honours are invariably garnered by women exhibitors.

To many of the great moving picture artists goes praise and tribute for their interest and humanitarian work in the dog domain. Among these benefactors the names of Mary Pickford, Delores Del Rio, Bette Davis, Katherine Hepburn, Mrs. Jack Oakie, and many others are prominent.

Women are acting in the capacity of judges, with the same competence and success that has marked their other activities in this competitive field.

It would be superfluous to expatiate further on the association of women and dogs. Their entrance into the realm has been of inestimable value. The fruits of their efforts are well known, and regardless of conditions, the dog world marches steadily on and a limitless field lies ahead for many more enthusiasts.

This happy association of dogs and humans grows larger and larger, year after year, and if the dog could voice his thanks to his benefactors, in a universal language, his response would be instantaneous, especially to "The Women".

## Salesmanship

By Jack Baird

IT WAS a perfect show in all respects, and when Judge Dumbbunny put up the Boxer for best, the handlers and owners of the other five finalists crowded around the handler to congratulate him and then went over and thanked the judge for putting up the very best dog of them all. P.S.—Mrs. Dumbbunny says that her husband will be let out in a little while, as he is slowly recovering from the shock, but she hopes that never again will he take part in a 'perfect' show.

All of which is by the way of saying that there is nothing perfect in the world, except Mrs. Jones' late husband, and we hope there never will be, because then we can all go home as there will be nothing left for which to compete. Whoinell wants things perfect anyway? However, we would like things a lot better than they are and we should strive to make them better. It's the fun of seeking perfection (not merely winning)—that's half the battle in this dog show racket of ours.

What to improve? Well, if you can't see it in your own kennel, then you better sell your stock, because your eyes are affected with that terrible disease, 'kennel blindness', for which there is little hope. That's where we should make the start, in our own kennels, breeding to better our stock and not doing this convenience breeding or merely breeding to a champion certificate. Heck, I can show you backyard dogs that never saw a show that can beat a lot of those that make titles, and I don't mean merely in Boxers.

We can work harder to better our own kennel output, whether it's something we are selling to someone else, or something we hold with pride for our own personal glory. We can send out the dogs we sell and those we show ourselves in far better condition than I've seen a lot of them in the past 10 years. We should pride ourselves in condition and temperament.

Yes, and while we are working harder, we can talk less and cut down gossip, that belongs to a couple of washerwomen hanging over the back fence with nothing but time to kill.

What did gossip ever do but hurt someone? It's like 'fault' judging, tearing down and doing no constructive good for the breed or for the people involved. It is senseless gossip, more than any other one factor, that causes the extremely high rate of casualties among dog showers. Make you a bet that a full 75 percent of those that get out of dogs do so because of disgust over the gossip route of making and breaking.

Don't talk until you know what you are talking about, and then you'll talk very little and stay out of a lot of trouble, besides saving trouble for others. This buzz-buzz of "it's in the bag because Judge A slept with so and so" and equally dirty stuff is as silly as it is cowardly. In the first place, the chances are that Judge A is too old to sleep with anyone, and in the second place, whose business is it?

I've been around the dog game for almost 50 years now (lacking to Eastern of 1952) and if all the things that were in the bag, really had been, believe me the loot would have been bigger than Stalin and his Red hordes have taken so far. Few things are really in the bag, and if you know that they are, instead of coming around grousing about it, why don't you prove it—put up or shut up, and we'll cure this cancer on what could be a fine sport.

Another way to make the thing better is to answer your mail. If a person is good enough to spend three cents to write you, he's good enough to have an answer, if only a NO. I have been amazed at the increasing number of people that write me or call up and say "I wrote Mrs. Holdemite about her stock, figuring to buy something, but it's harder to get a letter out of her than to get papers back from the Club". YOU, Mrs. H., have lost one friend and maybe a fine booster, if you had anything decent in the first place.

People get mad at being ignored, for that is one of the most discourteous of deeds, and the dog sport (?) has more ignorers per square mile than anything else.

To show you how it can bounce. Recently I have been working to get ads for a worthy yearly publication. Some 30 food and supply companies insulted the Society and me by not replying. Those that wrote and gave any sort of an excuse for saying NO, are still in my good books, but the names of the firms that were guilty of discourtesy will be posted where at least 1000 persons will be able to read them.

It costs a little effort and a three cent stamp to reply to a query of any type, or you can even get away with it on a penny post card (two cents now), and the recipient of said letter or card respects you for courtesy, even if your answer was not what he sought.

Back to gossip and other wrong ideas. Remember it takes two to complete a bargain, and so it takes two to complete a mating. I used to get

amused in a breed other than Boxers, at so many people saying,—"how many puppies does he sire in a litter?" Heck, what has the stud got to do with that? He fertilizes what eggs the bitch has, and there is your answer.

Yet, folks still condemn the dog because the litter is small in numbers or because there are misses. Breeders, look to your own bitches before you condemn, and look at your own self for how you have been feeding and generally caring for the bitch. Once I had a heck of a nice Boxer bitch that was bred four times under expert eyes, and each time she missed. Did I condemn the dog used and buzz around—"don't use him, you never get pups"? Lordy, no—I knew the score and that my bitch was at fault. At a long last her nick was found and she had pups okay.

Let's have done with foolish, uninformed talk that harms other people and their dogs, and in the long run only makes us look like the south end of a horse going north. Let's roll up our sleeves and make our own share of the breed and clubs we are in, the better because we have used our heads and our energy for betterment, not for destruction.

May all your blues be merely in the ribbons that your dogs have earned.—  
Courtesy Boxer Briefs.

## Research in the Canine Field

continued from page 1

### A Postpartum Infection in Puppies Treated with Penicillin

#### Case History

by Robert F. Borgman, D.V.M., M.S.

A 3½-year-old boxer bitch had poor results with two previous litters. The first litter of seven puppies was born when the bitch was 15 months old and the second litter of seven puppies was born when the bitch was two years and three months old. All of the puppies in both litters died suddenly about the seventh day, with convulsions and epistaxis. However, the puppies appeared normal at birth and until the onset of symptoms.

After the bitch was bred the third time, 300,000 units of procaine penicillin-in-oil was given every other day for the last two weeks of pregnancy. There were nine puppies, all of which appeared normal at birth. They were not allowed to nurse, but immediately removed from the mother and bottle-fed. The bitch had no abnormal vaginal discharge, but the milk showed evidence of mastitis. This litter had arrived six days early (gestation period, 57 days), as had the previous litters.

On the seventh day, one of the pups was listless and, on the ninth day, died four hours after the onset of convulsions, marked dyspnea, epistaxis, and raised areas of erythema on the abdomen and legs. Autopsy showed congestion of the intestines and kidneys and red hepatization of the lungs. On the ninth day, another puppy died showing similar symptoms. A laboratory culture of the lungs revealed a beta hemolytic streptococcus.

At this time, the other puppies showed dyspnea, erythema, and mild convulsions. Procaine, penicillin-in-oil treatment was started on the puppies on the ninth day, 300,000 units every other day for a period of eight days. A third puppy, after showing temporary improvement under treatment, died on the tenth day. The remaining six puppies cleared up within two days and are well at this writing (six weeks of age).

It would seem that the bitch had a latent infection of the genital tract which was transmitted to the puppies late in pregnancy or at birth, since the puppies appeared normal when they were born. A streptococcus (*Streptococcus canis*) has been described in dogs (Merchant<sup>1</sup>). It was interesting to note that penicillin therapy was ineffective in the bitch but was most effective in the puppies, where the infection was acute.

(301854)

# Know Your Breed

by Alva McColl

## The Greyhound

The Greyhound can claim a royalty of lineage unmatched by any other canine breed. They appear on the tombs of the most ancient Egyptians and on Assyrian monuments; archaeologists declare they were used as pets and for coursing more than 10,000 years ago. Speed contests are shown as early as 7,000 years ago, and in 63 B.C. Ovid

wrote to great length on their natural sport, coursing. In the earliest days of history their ability to run down and kill game for food was paramount. While the Egyptian kings used the dogs for sport, it was Cleopatra who brought them into prominence, and it was during the reign of Queen Elizabeth of England that coursing reached its greatest height of popularity, being known from then on as the "Sport of Queens". It is without doubt the purest bred of all breeds of dogs, and the Bertillon system of identification, used for registration purposes, is considered one of the best methods of identification for any breed.

There are five distinct branches of the Greyhound family, for in moving to other countries nature endowed them with the necessary protection against the climate. The most distinctive are the Egyptian Saluki, Russian Borzoi, Rampar of India, Afghan Hound, Balearic of Spain, Phyl-Quac of Siam, Ibizia of Crete, and the one most commonly used for racing and coursing, the English Greyhound. Ireland is the best known breeding ground of this type of greyhound, over 100,000 dogs being registered there within a year.

It is not necessary for a greyhound to chase and kill live rabbits in order to do its utmost to catch an electric lure, for these dogs will chase anything that is moving. While the electric lure is usually a camouflaged rabbit, the dogs have been known to chase the sound of the motor after the rabbit has been taken off by one of the faster dogs. The moment the bell rings for the dogs to parade on the track, a complete change takes place in the animal itself. From a docile, quiet animal there emerges on the track some sixty-five pounds of muscular energy, for to chase that electric rabbit is the most desirable thing in the dog's life. It is the one real sport which apparently the Humane Societies do not frown upon. England is the greatest example in this respect, for there cruelty to animals is taken very seriously. Although it meant sacrificing much needed money and years of breeders' efforts, cropped ears are banned on all dogs born in England, yet greyhound racing has flourished in that country with more success than any other sporting venture.

The question arises continuously, are the racing greyhounds the same as those found on the show bench? The answer is, basically, yes, just as the sporting dog in show is also capable of winning a strongly contested field trial. It is quite obvious, however, that the greyhounds found on the show bench are chosen, not for their speed alone, but because they conform more closely to the standard of breed perfection.

The racing dog is usually larger, bigger boned, narrower of chest, so it can better negotiate the short corners, and in action its hind feet go outside the front ones. The show dog is a sturdier looking animal, broad of chest, flatter on the back, more compact, better fleshed and its hind feet track the front ones. In one respect the greyhound is somewhat unusual, that is in colour. There is no mention of color in the standard, the white color seems to be preferred for the show ring, while the brindle color is found to be most common on the racing tracks.

Legalized greyhound racing on the tracks has been in existence for but thirty-one years. In the United States there are some sixteen thousand speed contests a year claiming millions of followers, with wagering at the tracks being close to \$175,000,000. Florida has the largest number of tracks and greyhound racing is the third highest producer of state revenue. In 1947 the tax revenue was \$4,433,914.69. Breeding establishments, valued from ten to one hundred thousand dollars, occupy strategic positions in various States. The American Derby Stake which is run at Taunton, Massachusetts, is worth twenty-five thousand dollars, and a dog has been known to win as much as fifty thousand dollars in prize money during its racing career.

Credit for the first greyhound track on the American continent goes to O. P. Smith, recognized as the pioneer of greyhound racing, who built a circular track in 1906, but the first inanimate lure was invented in England in 1740.

The first legalized racing track for wagering in England was built at Belle Vue, Manchester, some twenty-two years ago and from this beginning grew one of the finest sports the world has known.

## ... Dots and Dashes - - -

Sympathy of all dog fanciers is extended to Mrs. Winnifred Brown of Vancouver, B.C. whose home was destroyed by fire recently. Her son Derek Brown was severely burned, while his wife Magdalen, who was expecting her third child, was burned to death with her two children Philip aged three and Paul eighteen months. Repeated efforts were made to rescue the victims and Mrs. Brown was badly burned trying to rescue them and her prize dogs, a Welsh Corgi (Pembroke) and a Cairn Terrier which also died in the fire.

The Northumberland and Durham Kennel Club of Cobourg, Ontario sponsored a Dog Show last year and as a result of more than the usual endeavours, was able to pay \$300.00 towards buying a seeing-eye dog for an active young business girl in Toronto. This girl lost her dog owing to old age and the Club substituted a perfectly trained dog in its stead.

The Sarnia Kennel Club and the Ladies Kennel Club of Canada (Montreal) also use the proceeds of their Dog Shows to purchase seeing-eye dogs for the blind. It is a worthy project whose value is beyond the description of words.

Among the many lovely Xmas cards received at the office was a painting of a spot on the Saskatchewan River, which is renowned for its fishing. The reason this card is being given particular mention is that it was painted by the Director from Saskatchewan, Mrs. Pat Randall. We were well aware of Mrs. Randall's activities in dogs for many years, which include both bench shows and field trials. We also knew she was an out of the ordinary good shot while hunting and also a past master at bait casting. We now add that as an artist Mrs. Pat Randall is just as accomplished. We notice with regret that Mrs. Randall did not accept the nomination for a Director for Saskatchewan for 1952. Dr. Hector L. Watson of Regina, whose article in the October issue drew so much favorable comment, will represent Saskatchewan on the Board of Directors of the Kennel Club for 1952.

The meeting of the delegates of the American Kennel Club held on Tuesday, December 11th at which representatives of one hundred and five member clubs were present, was probably the shortest on record. The meeting opened at 2 p.m. and adjourned at 2:37 p.m. and twelve minutes of that period was required for the reading and adoption of the minutes of the September meeting. For the first eleven months of 1951 the following figures were given of the American Kennel Club activities.

"During the time from Jan. 1 to Nov. 30, there were 260,823 applications for individual registrations received as compared with 236,056 in the same period of 1950; 121,128 litters as against 112,809; and 69,503 transfers of ownership in comparison to 64,061. These represented gains of 10%, 7% and 8% respectively. All items received in the

period for 1951 were 454,600 compared with 412,926. Individual registrations completed in '51 were 253,575, against 213,145 for '50; litters, 113,505 for 1951, and 104,245 for the same period in 1950; transfers 65,907 for '51 against 58,775 for '50. This meant gains of 19%, 9% and 12% respectively.

In the number of all-breed shows, 366 compared to 361 in '50, but specialty shows dropped from 273 to 257, giving a grand total for 1951 of 623, against 634 in '50. Obedience trials held separately increased from 59 to 69, but trials held with shows dropped from 186 to 182, with tracking tests down from 15 to 14."

An indication of the trend of the Canadian Kennel Club's business can be gained from the following comparative figures for the first eleven months of this year as compared with the same period in 1950.

	1950	1951	Change
Registration of individual dogs .....	10,307	11,668	Up 13%
Members .....	3,299	3,041	Down 7%
Transfers of ownership ..	11,506	12,272	Up 6%
Membership, Registration and other fees received at Live Stock Records Office for CKC .....	\$44,778.90	\$47,581.98	Up 6%
Note: Membership fees were increased by \$1 on and after May 5th this year. In connection with shows and trials the following comparative figures may be of interest.			
	1950	1951	
All breed shows .....	70	78	
Specialty shows .....	7	9	
Field trials .....	39	37	
Obedience Trials .....	17	21	

How important are dog shows and field trials becoming in the press. In Time Magazine the American National Retriever Trials were given top billing on the sporting page. We were more than interested because the winner, a golden retriever named Ready Always of Marianhill, won its Canadian field trial championship in two straight trials at the York Retriever Field Trial Clubs first licensed trial in 1949. In winning the National Retriever Trials at Carnation Farm, Seattle, Washington, "Lucky" as he is more popularly known to his Canadian admirers, duplicated his feat of a year ago.

In the Vancouver Daily Province under date line Tuesday, December 4, 1951, Pintail wrote as follows:

"The National retriever trials, held at Carnation Farm out of Seattle last weekend, was something every dog man in the country should have seen. And some thousands of people did see it, even a few from Vancouver and Victoria.

Not that the dogs worked any differently than they do at our own trials. In fact, some of the tests at the Canadian National held here a week ago were much more difficult. But I noticed that dogs that were away up at the Canadian were eliminated before the trial was half over. I am thinking mostly of the Canadian winner, Eddie Salvino's Ace.

I don't see how the winner, the Golden "Ever Ready of Marianhill"

could have been more perfect. But there were four others, all Labradors that were right in there to the last.

I would say that American trials are much more interesting to watch, and possibly more favorable to the dogs because the birds are shot. I don't know how many pheasants were used at the National, but it must have been well into the hundreds. Twenty-two were used in the final test.

And for the life of me I can't see the difference between shooting a bird and wringing its neck. To see those great roosters soar up and be cleanly killed really makes the trial for the gallery and the dogs. It must be remembered that dogs are our greatest conservers of game, and they deserve a break. It must be most discouraging to have to go out for a soggy dead pigeon that could have been used several times.

I suppose the best judges on the continent were selected for National. There certainly was little criticism on their selection of the winner. And the guns, nine altogether, were good shots, and looked as though they just stepped out of Abercrombie and Fitch. They certainly knew how to dress for the occasion.

Vancouver has produced National winners, and at least two were entered in the big stake. And it is surprising what a place of prominence Vancouver has on the dog map. The retriever trial business will boom here again when we can shoot our birds. We know how to handle trials—that was proved here just a week ago."

It was in the year 1888 that the first meeting of the Canadian Kennel Club was held in the old Tecumseh House in London, Ontario. Amongst those present was Mr. Fred C. Hessel, whose Coverdale Cocker Spaniel Kennels is known from Coast to Coast. Mr. Hessel is probably the only person alive today who attended that historic meeting. On April 26th, 1952, Mr. Hessel will celebrate his 84th birthday, but if you were to meet him on the street, you would not believe that the years could rest so kindly, and many a young man would envy Mr. Hessel his thick head of hair. It is our sincere wish that Mr. Hessel will be with us when we celebrate the 75th anniversary of the Canadian Kennel Club in 1963.

We are more than pleased to hear that Mrs. Ted Gunderson, wife of our popular registrar, is recovering from her recent severe illness. In addition to his many duties as registrar of our dogs, Ted finds time to send us interesting clippings of doggy doings which appear in the Ottawa newspapers. We are indebted to him for the following:

"Is the United States going to the dogs? Statistics point that way. The dog population south of the border has been increasing faster than the human population for 30 years. It has soared 200 percent, for humans the gain has been only 50 percent.

Also to be noted is the fact that the canine standard of living is bordering on the fantastic. All told, the 22,000,000 dogs in the United States represent spending power of about \$590,000,000 a year on such items as food, clothing, shelter, training, recreation and medical attention.

Evidently it is no longer as tough as it used to be to lead a dog's life."

### FIELD TRIAL CHAMPIONS

RETRIEVER (LABRADOR), Beaver-creek Bandit (301609)

BEAGLES, Gold Coast Yankee (267601), Harkaway Fleetfoot (288218), Harkaway Patsy Ann (245270), Model Swampy Toasty (277953), Thames Valley Nellie (196611), Wildlife Snappy (286997), Burnside Buster (261623).

### COMPANION DOG TITLES

BOXERS, Malabar's Arcularis (284803), Shawn of Glocco Morra (301273)

WELSH CORGI (PEMBROKE), Bracken of Ballybentra (230620)

POODLE (MINIATURE), Barlanark La Petite Coquette (275938)

POODLE (STANDARD), Petitecote Boko (284054)

### COMPANION DOG EXCELLENT TITLE

AM. COCKER SPANIEL, Fidalta's Lucky Lady (C.D.) (237685)

Friends of Miss Bay Meyers, whose Obedience School is one of the most popular events in Toronto, will be happy to hear that she is recovering slowly and hopes to be able to open the school again the middle of January. These obedience training classes are becoming a part of the city recreation programs in many parts of the United States. They are known as municipal adult evening recreation projects. An eight weeks course is given for a moderate fee, making the project self-supporting and the results are more than

gratifying. With the dog population increasing in leaps and bounds, control of pets is becoming a necessity.

### CORRECTIONS

(OBEDIENCE TITLES)

In the December issue of Dogs in Canada, the following dogs were listed as Bench Champions, Retriever (Golden) Shadywell Shawnaki (286058) German Shepherd, Gallant Pfefferine of Rosemere (270011), Shetland Sheepdog, Beech Tree Troubadour (266730), Welsh Corgi (Pembroke) Red Princess (274051), Poodle (Standard), Petit Bijl of Mount Rascal (230056), should read as follows: under Obedience Titles—Companion Dogs.

### PAM-LIN KENNELS (Smooth Dachshunds)

## At Stud in Canada

ENG. CH. CASFALA COPYRIGHT

## The Great English Champion CASFALA COPYRIGHT

We think this superlatively bred dog is, without doubt the greatest wire fox terrier ever imported and made available to breeders in this country.

We consider ourselves fortunate to have been able to secure him and invite serious breeders to share in our good fortune by booking reservations now for their best bitches.

This great dog is a proven sire and stamps his progeny with his own teeming quality — (English Champion, Casfala Kepple Nobleman, etc. etc.)

For a limited time only we are offering him at the low introductory fee of \$50.00. There is no extra charge for pick up and delivery at the Vancouver International Airport.

### THE BRISTOWE KENNELS

3206 Buckingham Avenue, South Burnaby, B.C.

## National Retriever Trials

by O. E. Krog

ADRYN'S Ace of Merwalfin, owned, handled, and trained, by amateur Eddie Salvino of Seattle, Washington, was crowned National Retriever Champion of Canada for 1951 at the November 23, 24, and 25th running of the Second Canadian National Retriever Championship Stake at the Alouette River Marshland close to Vancouver, B.C. This three year old black Labrador out of Shed of Ardyn x Cindy of Merwalfin, after running consistently throughout the trial finally drew away from his closest contender, Oak Creek's Van Cleeve, to a well deserved win.

Tough weather and tough tests featured the running of the Stake. The opening test was held up for two hours because of heavy fog, followed by fair weather on the second day, and the dirtiest kind of duck weather on the third and final day.

The judges Henry B. Christian of White Bear Lake, Minnesota, Keith Coughlan and Bill Edgerton of Vancouver carried all dogs who completed the opening days tests. They worked the eighteen starters in every conceivable sort of heavy cover on land, through root and island studded marsh land on the water. That some of the best dropped by the wayside was in some cases no reflection on the merits of the dog, but a combination of unfortunate circumstances which combine to make a "National" three day stake a complete variety of tests run as near as possible under actual hunting conditions. The dogs at all times were judged on sagacity and good bird sense. At no time did the judges resort to that mediaeval weapon the stop watch. Nothing was left to chance. All guns were well within shooting ranges of the thrown birds and fired before the bird was thrown, so as to give all dogs an equal opportunity to mark and remember the fall of the bird, (a prime requisite of modern retriever trials). Hank Christian who has judged American National Stakes and has been a gunner in most of the others was highly enthused over the conduct of our most important trial of the year. His remarks, "British Columbia trials are second to none on the continent," was indeed a tribute to the Field Trial Chairman and his committee.

## Manitoba Notes

by Suzanne Borse

THROUGHOUT 1951 I have endeavoured to tell you month by month what's interesting in the Manitoba Dog Fancy. While I haven't received any very loud boos, I also haven't been submerged by congratulatory fan mail for my efforts. It is therefore logical to ask "Should I carry on or should I divert my efforts towards encouraging "Hubby" to stay home nights?"

The following paragraphs were contributed by Mr. A. Gostick, previous director for Manitoba also our correspondent for this column a few years back.

We have just received our copy of the 1952 ballots and we note, regretfully, that we have no one nominated in the West for 1st Vice-President, also that all Western Directors go back into office by acclamation. Then, just to add fuel to the fire, not one of the proposed amendments to the constitution and the by-laws is endorsed by a Western member.

Maybe we should be complacent and tell ourselves that we are quite happy about our representation in recent years. Also that we are more than satisfied to let the Eastern Fanciers amend the rules and generally direct the affairs of our Club.

However, there are alternatives—if we are sufficiently disinterested in the affairs of C.K.C. that we are members only on a basis of cut-rate registrations, then we would be well advised to invite the Minister of Agriculture to take over and save the additional revenue.

If on the other hand we are willing to give support to the principles upon which our club was founded i.e. the breeding and improvement of pure bred dogs, then we should look for the cause of our apathy. There must be a reason!

We should make sure too, that our present representatives do not become overly complacent. The "Order of Acclamation" doesn't necessarily carry medals with it. Your Provincial Director is Your representative to the C.K.C. not the C.K.C.'s representative to you. We repeat, where do we "Westerners" go from here?

Mr. Gostick has started the ball rolling by expressing his opinions, how about you—Yest You—Create a little active interest and make your Hobby come to life.

Burnaby, Vancouver, B.C.

Perhaps the outstanding feature in this trial was that an amateur handler who worked and trained his own dog was the eventual winner. He had top dogs to contend with and though they were challenging throughout the event, he finally drew away from all challengers on the last day. A week later he ran in the American National, and though he failed to make the finals, a New Yorker offered three thousand dollars for Ace, which Eddie refused. He certainly ran like a five thousand dollar dog.

## "Wildair" Registered Irish Setters

When planning your Spring litters, consider our young dog, ACE FLYER OF ARAGON. He is absolutely sound and typically Irish. His pedigree below speaks for itself:—

Ch. Knightscroft Danny O'Boy	Ch. Milson O'Boy 2nd	Ch. Milson O'Boy
	Ch. Rosecroft Kitty Kelly	Milson Vanda
Ch. Noreen of Aragon	Ch. Kleighlight of Aragon	Ch. Higgins' Red Coat
	Ch. End O'Maine Pigeon	Rosecroft Sarah O'Neil
		Ch. Redwood Russet of Harvale
		Ch. Stardust of Crosshaven
		Ch. Red Sails of Salmagundi
		Ch. End O'Maine Best Wishes

ALSO—Ch. Sir Michael of Devon, a great producer

**GERTRUDE W. DREW** 120 Ranleigh Avenue, Toronto, Ontario

Very sorry to hear that Mr. Harry Griffith, fancier of bostons and cocker spaniels, passed away early in November. He will be sadly missed by his friends.

Will be anticipating some mail at 330 Dumoulin St., St. Boniface.

Reports come from the Gun Dog Club that some six or more dogs have been sold to the United States this Fall for an average sum of better than \$300. This would indicate that Manitoba is not losing ground in the breeding and training of high class gun dogs.

Folks will be interested to know that Bill Nixon has accepted an invitation to judge an All Breed dog show at Guelph, Ont., April 19th. Bill tells me that Mrs. Nixon, who has had a serious operation, is doing fine and will soon be back to normal again.

It is nice to see Mrs. J. T. S. Anderson back in circulation again. After returning home from the East where she underwent a serious operation, Mrs. Anderson has been convalescing at home for the last few months.

### Notes From Province of Quebec

by Mrs. Pamela B. Mack

**G**UESS this is the low month for news, not a nibble from any members, which makes it difficult to write this column, but expect you are all busy with holiday activities.

Heard from Bill Taylor of Elsdon Pekes who is in England that his little home bred Ch. Simba Sal of Elsdon that he took over to England with him has presented him with a litter of five pups from a noted English sire. Good luck Bill with your family. How about sending us some news on the English dog shows.

On Dec. 5th the Montreal Dog Obedience Training Club held their annual club competition for the Racine Trophy. There was a good entry of dogs and about fifty members and guests present. Mr. Allan Sharp, Club President and Quebec Obedience Representative, acted as judge and placed first with highest score in all classes the Doberman Pinscher Ch. Else von Herschprung C.D., handled by her owner, Mrs. Ernst Martinsson. Beautiful teamwork was

shown by this pair and it was a very popular win. Second was Mrs. Bryson, with her Poodle Puttencove Boka. Third, Mrs. Mingie, with her spaniel Skipper, and fourth Mrs. Casgrain's Poodle Petticote Becky. As Mrs. Casgrain is still recovering from an operation, Malcolm MacDougall put Becky through her paces and they did very well together.

Many of you will have new Christmas puppies in your homes. Don't overdo the excitement and petting and above all stick to the diet the breeder gave you and do give him a peaceful corner all his own to relax in. Treat your new puppy as any sensible mother would treat a young child with firm but loving care and in the years to come you will be more than repaid by the love and devotion one small animal will lavish on you and your family.

Goodbye for now—hope to hear from you next month.

### The Irish Setter Club of Canada

by Gertrude W. Drew

**B**Y the time you receive your Dogs In Canada we will have said our sad farewells to the old year and greeted the New Year with all the usual fanfare. Many of you will be struggling with a load of New Year resolutions, those illusive dreams that take form so easily each year and just as easily dissolve into thin air.

But, the tradition is a good one and our intentions are good and somehow or other those resolutions remain as silent partners throughout the year and out of the millions of purposeful decisions comes a multitude of ideas, principles, and ideals that help shape the course of human affairs and help make the world a better place for all of us.

So, in 1952, my wish is that all our resolutions be good ones and may they all bear good fruit.

Our Club news is brief this month but not without importance. Our first annual Club dinner held at the Yellow Briar Inn was pleasingly successful. Twenty-seven members sat down to a sumptuous turkey dinner (with all the frills), thanks to our capable social committee, who made all the arrange-

ments. A few speeches, cards and dancing completed the evening's program. Every one had a most enjoyable time and we are already looking forward to a bigger and better one next year.

December 10th marked our first annual elections. We had a nice turnout and after disposing of the regular business we proceeded to elect our officers for 1952. The following are the results: Hon. President, Dr. J. E. Leeson. President, Mrs. Gertrude Drew. 1st Vice-Pres., A. H. Lake. 2nd Vice-Pres., K. Honsberger. Secy., Mrs. Jean Honsberger. Treas., Mrs. C. A. Fraser. Committees: Membership, A. H. Lake. Program, W. Ionson. Trophy, Jack Thompson, Joyce Ionson. Social, Mary Lake, Aileen Thompson. Publicity, Mrs. Gertrude Drew. Auditors, R. L. Dafoe, C. A. Fraser.

May I take this opportunity of reminding you all that our Club fees are due January 1st, 1952. Please remit to the membership chairman, Mrs. A. H. Lake.

With the many enquiries we are receiving for information about our Club and the several new applications for membership it looks very encouraging for the New Year beginning. We have a heavy agenda for January and it looks as though all departments of the Club will be working overtime.

We will be happy to receive any suggestions for the improvement of our Club from out of town members. Also we would appreciate news items for this column.

### Hamilton Kennel Club

by C. A. Cecil

**A**T the monthly meeting of this club held on Tuesday, the 27th of November the following officers were elected for the year 1952:—President, Mr. J. T. Brown; Vice-President, Mr. Geo. Lawless; Secretary-Treasurer, Mr. C. A. Cecil. Committee: Mr. F. V. Miller, Mr. H. Lovejoy, Mrs. H. Cole, Mrs. F. M. Peacock, Mrs. W. Carr, Mr. H. McNally, Miss B. White. At this meeting it was also decided that our annual all-breed championship show for the year 1952 would be held in the Burlington Arena, Burlington, Ontario, on the 21st of June.

## The Boxer Club of Canada

by John D. Marks

WE are pleased to announce that at the annual general meeting of the Boxer Club of Canada the election of the Club's Officers for 1952 took place.

Mr. W. H. (Harry) McKendrick is our new President.

Mr. Stan Whitmore and Mr. R. L. MacFarlane were elected as first and second Vice-Presidents respectively, while John Marks remained as Secretary-Treasurer for a second year.

The Boxer Club of Canada looks forward to a very progressive 1952 and we have many interesting ideas on the griddle. The highlight of the coming year will no doubt be our Specialty Show, and all "Boxer Enthusiasts" are urged to start now getting those Boxers ready for this big event. It will probably take place some time in May although the location and date have not yet been decided. You are urged to watch the pages of this magazine for further developments.

Also in the embryo stages are plans for several very constructive talks by outstanding authorities on various aspects of the Boxer and Dogs generally. These should be well worth attending.

As a lead-off at our January meeting Mr. Don Starkweather, one of America's most prominent breeders will be our guest speaker. Don no doubt will be remembered by many of you as the owner of Ch. Elixer of Rainey-Lane, the fine boxer that went "Best of Breed" at last year's Specialty Show held in Guelph.

This meeting is to take place at Riverside Lodge, Oakville, at 3 o'clock, Sunday, January 20th. All devotees of the Boxer are cordially invited to attend.

The Boxer Club of Canada would welcome any correspondence from other Boxer Clubs operating in the Dominion of Canada. We know of the excellent job being done by the Boxer Club of Western Canada and we would like very much to hear from them. We are informed that a Boxer Club was recently formed in Eastern Canada. If such is the case we would like to hear from them too.

It has just come to the writer's attention that a Boxer now holds the record for the most "Best in Shows". He is Am. Ch. Zazarac Brandy who recently went "Best in Show" for the fifty-ninth time. Our sincere congratulations to Brandy and his owners Mr. and Mrs. John Phelps-Wagner.

The Boxer Club of Canada takes this opportunity to express to its members and "Boxer Enthusiasts" everywhere across Canada a very happy and successful 1952.

## Sarnia Kennel Club

by Jean Scattergood

THE Sarnia Kennel Club met in the Canadian Corps Hall, Nov. 23, 1951. Mrs. George Sarge gave a very interesting talk on the following topics:—"The Canadian Kennel Club, The National Live Stock Records and How to Register Dogs", a question period following. Plans were made to have the December meeting in the form of a Christmas Party. The meeting adjourned to the home of Mrs. G. A. Kennedy for a farewell party for two of our valued members, Mr. and Mrs. H. Harper, who are leaving shortly for Brazil, South America.

## Guelph Kennel Club Hold Annual Meeting

THE Guelph Kennel Club held their annual meeting on November 27, 1951, in the board room of the Hefferman Motor Car Ltd. A number of the members were present to hear Dr. J. Archibald of the Ontario Veterinary College give an informal, interesting and helpful talk on a few of the diseases of dogs and their possible cure. Mr. Jack Carlton, representative for Dr. Ballard's dog foods, entertained the members for an hour or more with interesting pictures of dogs at former "Mutt Shows" in London and Toronto held by the Dr. Ballard Firm. For variety a comedy was also shown. It being the annual meeting an election of officers was held, the following being voted the executive of the club for the year 1952; President, Mr. Earl Rudd; Vice-President, Mr. Jack Tolton; Secretary-Treasurer, Mr. Milton Downes; Directors: Mr. Frank Courtney, Mr. Hugh Guthrie. Lunch was served and the meeting adjourned.

## English Bulldog Club of Central Canada

by M. L. Wood

ON Tuesday, December 4th, 1951, a goodly gathering of the English Bulldog Fancy met at 311 Brooke Ave., Toronto, and out of this enthusiastic meeting a new club came into being, to be known as "The Bulldog Club of Central Canada".

Officers elected for 1951 were: President: H. M. Gordon; 1st Vice-President, H. Ince; 2nd Vice-President, A. H. Smith; Secretary-Treasurer, M. L. Wood. Executive Committee: Mrs. A. Farrell, Mr. A. Farrell, Mr. W. Brown. Auditors: Mr. A. P. Purse, Mr. T. Wright.

It is hoped that in the near future a programme can be arranged that will be of interest to Bulldogs in general and a stimulus to our membership campaign.

## CORRECTIONS

At The Moncton Brittany Pointer & Setter Field Trials Assoc., held in Moncton, Oct. 13th, 14th, 1951, the Amateur All Age Stake (8 Starters); should read as follows: 1st, A. D. Gray's Brittany Spaniel, Coverdale Lady Mitz-Mac, 5 pts; 2nd, H. O. Whitman's English Pointer, Shawingan Brown Eyed Susan, 2 pts; 3rd, R. D. Kell's English Setter, Breeze of Fairgall, 1 pt. The Points were omitted in the December issue of Dogs in Canada.

## The German Shepherd Dog Breeders' Association

by Mrs. M. Hart

Our December meeting and election of officers for the coming year was a sample of things to come, 1952 promises to be a most happy and prosperous year for the German Shepherd Dog Breeders' Association. The following officers were elected: President, Paul Firman; 1st Vice-President, Reg Scott; 2nd Vice-President, George Taylor; Secretary-Treasurer, Audrey Wallis; Recording Secretary, Edna Barber. Committees: Show Secretary, Reg Scott; Trophy Secretary, Jean Wilson; Membership, Sadie Scott; Social, Mrs. Wirsching; Training Master, George Taylor; Asst. Training Master, Roy Wilson; Lecture Convener, Mary Weller; Editor, Mary Hart; Constitution Chairman, Lee Cappellazzo; Assistants, Hughie Toye, Sid Winton; Auditors, Lee Cappellazzo, Heinz Wirsching; Publicity, Mary Hart.

Plans have been completed for the assembling of the Christmas baskets for the Old Age Pensioners at the home of Mr. and Mrs. Wirsching.

Plans are also well under way for our annual banquet to be held in January, where we hope once again to meet our "Shepherd" friends from elsewhere in Ontario and from across the border.

For February we are planning a Valentine Dance where we will welcome our friends from "All Breeds" and even, we might add, those of our friends who are not dog-minded at all. For the Spring we are planning an unbenched Championship Show. So, it appears that the coming year will be a busy one indeed for all our members, new and old.

## Windsor Kennel Club News & Notes

by Harold Wellwood, Jr.

TO the many folks who have kept an eye on this corner the past six months we wish to extend our sincere wish for a most joyous holiday season and a bountiful 1952.

This will be a good time, while the world is thinking in terms of "goodwill towards men", for many of the old time breeders and exhibitors to drop a note to Mr. and Mrs. John E. Simpson, for 25 years breeders of top quality collies. We know you folks have been missing them at the shows for a few years now without probably realizing that ill health has been the cause for their absence, although in spirit they haven't missed a show anywhere in this province. Back in the early '20's this club got its birth in the Simpson's diningroom and though unable to any longer take an active part in our activities, they still are as much concerned as ever over our welfare. We know that in their long evenings at home they would enjoy nothing more than to reminisce with a letter from any one of their old acquaintances. So what do you say folks, you make a resolution to write 1181 Wigle St. in Windsor at least twice during 1952, for the day may come when you too may be a shut-in.

After our November epistle, we were subjected to a good natured scolding by Mr. and Mrs. Richard Mittag for having misspelled their name. How-

ever, we must confess we didn't misspell it, we just slaughtered it. Naturally there was nothing else left to do, but to pile the wife and daughters into the family chariot and drive out to La Salle on a bleak and cold Sunday in November to make our formal apologies. We always thought the Mittags to be Sheltie people, but before we got to meet these cute little fellows, we were introduced to hundreds of budgies, two, three and a half months old collies, and two fourteen months old borzois which had just been purchased the previous day—honestly, we had to go back outside and check the sign to make sure we weren't at the Detroit Zoo.

While speaking of Shelties, we should add that some time ago the Mittags sold pups to a Mr. and Mrs. Leonard Cobbett, of Tecumseh, Ont., who now are setting themselves up in business on the opposite side of Windsor to the Mittags. Between them, they plan on cornering the city. Well, we're happy to be cornered and to have welcomed the Cobbetts into the Windsor Kennel Club as members at the December meeting which set a forty-five minute record for brevity.

This seems to be a good time, also, to throw a few Christmas bouquets to Louise Standard and Pearl Fix. These two ladies come from way out in Detroit, and not only do they attend every monthly meeting, but as members of the Board of Directors they seldom fail to attend an executive meeting. How's that for team spirit or the good old college try?

## Show Results

These official awards are compiled by the Show, Field and Obedience Trial Departments of The Canadian Kennel Club. All correspondence relating thereto must be addressed to Mr. Alf Loveridge, 667 Yonge St., Toronto, Ont.

direction, the President and himself had discussed, with the Club's solicitors, the matter of deletions from minutes prior to publication of minutes in DOGS IN CANADA. The Secretary then placed before the Board the minutes of the Board of Directors' meeting held on October 18th, and reported on the changes which the Club's solicitors had made for publication purposes. The Board reviewed the alterations and deletions indicated by the Club's solicitors, and directed the Secretary to discuss, with the Club's solicitors, the possibility of the published minutes furnishing definite information so that members reading the minutes could identify such complaint dealt with by the Board (such published information to include the name of the complainant, date and place, nature of complaint, and action taken by the Board).

The Secretary reported that he had consulted the Club's solicitors with regard to the proposed amendment to the Dog Show Rules reading "no person while intoxicated shall handle a dog, or officiate in any capacity in the ring", and had been advised that the proposed amendment, having been properly submitted, could not be withheld from the referendum ballot on account of any doubt on the part of the Board as to its enforceability. In discussing the proposed amendment the Board agreed that it would be extremely difficult to establish whether a person was "intoxicated" or not, and any club attempting to carry out such a rule, if adopted by the Canadian Kennel Club, may be putting their own club and the Canadian Kennel Club in a dangerous position. Following discussion it was regularly moved by Mr. Farmer, seconded by Mrs. Brown:

"THAT, after careful consideration by this Board of Directors on the proposed amendment reading 'no person while intoxicated shall handle a dog, or officiate in any capacity in the ring', this Board strongly recommends, to the members who sponsored this proposed amendment, that it be withdrawn".

FOR THE RESOLUTION: Mr. Farmer, Mrs. Brown, Mr. Irving, Mrs. McColl. Motion carried unanimously.

The Secretary was directed to take the matter up with Director Mrs. Margeson, one of the sponsors, with a view to arranging for the withdrawal of the proposed amendment.

The Secretary reported that he had discussed, with the Club's solicitors, the Board's proposal that persons elected by acclamation (see item No. 2060) be informed of the situation that exists, and reported that in the opinion of the Club's solicitors it would be preferable to inform all candidates of the list of properly submitted nominations. The President pointed out that contrary to the spirit of the resolution of the Board of Directors adopted at its meeting on August 9th (item No. 2057) the Election Commission must notify the Secretary of the names of candidates in order that the Secretary may arrange for the printing of ballots and delivery of ballots to the Election Commission. Following discussion it was regularly moved by Mrs. McColl, seconded by Mrs. Brown:

"THAT, in view of the fact that the motion set out in item No. 2057 of the minutes of the meeting held on August 9th, 1951, is unconstitutional, said motion be rescinded in its entirety".

It was regularly moved by Mrs. Brown, seconded by Mr. Irving: "THAT, the second motion set out in item No. 2060 of the minutes of the meeting of the Board of Directors held on October 18th, 1951, be rescinded in its entirety".

Motion carried unanimously. It was regularly moved by Mr. Farmer, seconded by Mr. Irving: "THAT, the Secretary, having been furnished by the Election Commission with a list of candidates in order that he may arrange for the ballots, be hereby authorized and directed to provide all candidates with a list of candidates and be authorized to furnish such information to any member, in good standing as of June 30th, requesting such information".

Motion carried unanimously.

## 2064 (2060). RECORDED OFFICE SERVICE AND CODES

The President reported that the Secretary and himself had attended a meeting of representatives of associations affiliated with the Canadian National Live Stock Records in Ottawa on November 8th and 10th, that an interim report of matters dealt with at such meeting had been forwarded to all members of the Board, and a copy of the official report of the meeting would be forwarded to all members of the Board as soon as such report is received from the Department of Agriculture.

The Board decided to defer consideration until the official report is received from the Department.

## 2065 (2064). FINANCIAL REPORT

The Board considered financial statements, prepared by the Club's auditors, for the nine-month period ending September 30th, 1951.

Mr. Farmer referred to the Board's earlier request for a review, with comments and criticisms (if any) of the accounting procedures and conditions indicated by the Club's books. The President reported that he had discussed this matter with the auditors, and expected a report for the next meeting of the Board.

The Board then reviewed the accounts receivable (advertising) and discussed the procedure that should be followed in connection with overdue advertising accounts. Following discussion it was regularly moved by Mr. Irving, seconded by Mrs. Brown:

"THAT, in connection with all accounts outstanding at the end of sixty days the Secretary shall send a written request for payment; if, at the end of ninety days, the account is not paid, the Secretary shall forward a written request for verification that the account is in order or an explanation as to why the account has not been paid; that if, at the end of 120 days, the account is still unpaid, the Secretary will bring the account to the attention of the Board of Directors for action; that a list of persons whose accounts are unpaid after 120 days shall be furnished to the Managing Editor with instructions that no business of any kind can be transacted by such persons until such time as their accounts have been brought up-to-date".

Motion carried. The Secretary was directed to enquire of the Club's solicitors whether renewals of membership, submitted by those having overdue accounts, can be refused until overdue account is paid in full. It was agreed that if such refusal is in order, the Secretary would direct the Canadian National Live Stock Records Office to forward renewal fees to the Canadian Kennel Club for

## Meetings of the Board of Directors

### NOVEMBER 18th, 1951

2062. A regular monthly meeting of the Board of Directors of The Canadian Kennel Club Inc. was held in the Club's offices, 667 Yonge Street, Toronto, Ontario, on Thursday, November 15th, 1951, commencing at 10:00 a.m. The President, H. L. Walley, presided. Directors present included Mrs. Ellen Brown, J. J. Farmer, J. A. H. Irving and Mrs. Alva McColl.

The Board discussed the action that should be taken to overcome the possibility of members of the Board coming to the Club's offices for the express purpose of attending a meeting of the Board only to find that because of lack of quorum, a meeting could not be held.

Following discussion it was regularly moved by Mrs. McColl, seconded by Mrs. Brown:

"THAT, if any member of the Board cannot attend any meeting of the Board he must notify the Secretary as far in advance of the meeting as possible, and furthermore, that as a matter of policy and in the interests of the Club, if an elected Officer or Director (Ontario members of the Board) finds that he cannot attend regular meetings of the Board, he or she should tender his or her resignation". Motion carried unanimously.

### 2063 (2058). MINUTES

The Secretary presented for adoption the minutes of the meeting of the Board of Directors held on October 18th, 1951. It was regularly moved by Mr. Farmer, seconded by Mrs. Brown:

"THAT, the minutes of the meeting of the Board of Directors held on October 18th, 1951, be adopted". Motion carried.

The Secretary reported that in accordance with the Board's

attention. It was agreed that the Managing Editor be provided with a list of persons whose unpaid advertising accounts had been "written off". It was also agreed that the Secretary would place before the Board, at its next meeting, a list of unpaid accounts with an indication in each instance of the length of time each account had been owing.

#### 2066 (2040). STUD BOOKS

The President reported that at a meeting of the Record Committee and breed secretaries held at Ottawa on November 10th, it was agreed that Mr. A. W. Peterson, Assistant Director of Production Services in the Department of Agriculture, would take the matter up with the Department with the possibility that representations would be made, through diplomatic channels, to the Bureau of Animal Industry at Washington regarding acceptance of micro-film records of registrations in lieu of printed stud books.

The matter was left over for a further report from the President.

#### 2067 (1975). COMMITTEE ON LIST OF DISCIPLINED PERSONS

The President reported that the Committee appointed by the Board of Directors to review the list of persons presently suspended, expelled or otherwise deprived of the privileges of the Club, had again met. The President read the committee's report, copy of which would be forwarded to all members of the Board as soon as the opinion of the Club's solicitors and the Department of Agriculture had been obtained in respect of the Committee's recommendations. It was regularly moved by Mr. Farmer, seconded by Mr. Irving:

"THAT, the report of the Committee on disciplined persons be received". Motion carried unanimously.

#### 2070 (2051). DOGS IN CANADA

The Secretary reported that all members of the Board had been provided with copy of correspondence passing between Director Farmer and the Managing Editor with regard to pictures of the Ottawa Kennel Club Shows, along with a review of the discussion of the Board of Directors at its meeting on September 13th with regard to this matter. The Secretary then read a letter from Vice-President Pym, who expressed the view that Mr. Farmer did not receive the answers to which he was entitled. The Secretary then read a letter from Mrs. Randall, who expressed the view that the Editor was "within her rights in referring the matter to the Board". No further action was taken in the matter.

The Board discussed suggestions advanced by the President in respect of the publication policy of DOGS IN CANADA. Following discussion it was agreed that it would be inadvisable to consider changes in the present publication policies of the magazine, and the matter was left for the attention of the incoming Board of Directors.

Mr. Irving made reference to a suggestion advanced by the President, who had previously suggested to the Board that unless a fully detailed statement could be provided in connection with the magazine, the known revenues and costs of the magazine should simply be included with the general statement of the Club. Following discussion it was regularly moved by Mr. Irving, seconded by Mr. Farmer:

"THAT, in order that the full Board may intelligently survey and discuss the value to us of our Official Magazine, that a statement be prepared and submitted to all the Directors before the Annual Meeting, having to do with the Cost and Revenue of our Publication, "DOGS IN CANADA". This statement shall show the TOTAL COST FOR THE YEAR ENDING DECEMBER 31st, and the LINEAGE COST PER MONTH, for each of the twelve months, and the total for the Year, for each and every section of the Publication, as follows: Official Business and Announcements (excluding Election and List of Members), Election and List of Members, Show Reports, Provincial notes, Feature Articles and their Illustrations, Amounts paid contributors, Illustrations and cuts; other Media. This statement shall also show all monies received for ADVERTISING, the same to be accounted for in the same manner as that dealing with COSTS, and to be segregated to the various Advertising Groups, viz., Commercial, Shows and Breeders". Motion carried.

It was agreed that no change be made in the set-up of the financial statement for DOGS IN CANADA for the current year.

Mr. Farmer enquired whether or not the Editor had addressed a letter to Director Mrs. Mack as was understood at the last meeting of the Board. Mrs. McColl reported that she had not been able to write the letter in question, but that the letter would go forward within the course of the next week.

#### 2072 (2054). EXPENDITURES

The Secretary reported on the following expenditures during the month of October:

Salaries .....	\$1,513.70

	<hr/>
	\$1,847.07

It was regularly moved by Mrs. Brown, seconded by Mr. Farmer that the expenditures reported by the Secretary be approved. Motion carried.

#### 2073 (2055). APPLICATIONS FOR MEMBERSHIP

The Secretary reported that the following have made application for membership:

It was regularly moved by Mr. Farmer, seconded by Mrs. McColl that applications for membership reported by the Secretary be approved as recommended by the Special Committee reviewing applications for membership. Motion carried.

#### 2074 (2056). APPLICATIONS FOR REGISTRATION OF KENNEL NAMES

Reference was made to the application for registration of the kennel name "UNEEDA CHESAPEAKE" as approved by the Board at its last meeting. During the discussion which followed, it was agreed that it would be inadvisable to permit the use of a breed name in connection with the registration of a kennel name, and the Secretary was directed to communicate with the person whose application for registration of that kennel name had been approved and suggest that another selection be made.

#### 2075 (2057). DATES, JUDGES, SHOW AND TRIAL MATTERS

The Secretary reported that the "Dates and Judges" Committee had approved the following lists of proposed judges for 1951 sanction shows:

TOY DOG BREEDERS ASSOCIATION OF CANADA—Sanction show—Nov. 13th.

(a) Reg. Scott, Toronto, Ont. — All breeds in Group 3. (Change in previously approved list).

BOSTON TERRIER CLUB OF HAMILTON—Boston Terrier sanction show—Nov. 30.

(a) Mrs. Ivy Sisson, Islington, Ont. — Boston Terriers.

ONTARIO COUNTY KENNEL CLUB—sanction show—Nov. 23rd.

(a) R. G. Dudley, Toronto, Ont. — All breeds in Group 1.

(b) George Potts, Toronto, Ont. — All breeds in Groups 2, 5, and 6; Best in Show.

(c) J. N. Malcolm, Scarborough, Ont. — All breeds in Group 4.

(d) R. Lee Twitty, Brewster, N.Y. — All breeds in Group 3.

BOSTON TERRIER BREEDERS OF CANADA—sanction show—Dec. 3rd.

(a) George P. Davies, York Mills, Ont. — All breeds in Group 3; Group 3; Best in Show and All General Specials. (Change in previously approved list).

It was regularly moved by Mrs. McColl, seconded by Mr. Farmer:

"THAT, the approval given by the "Dates and Judges" Committee be confirmed". Motion carried.

The Secretary reported on the following applications for dates (1952):

Feb. 4th—Collie and Shetland Sheep Dog Club of Canada (Sanction Show).

Mar. 3rd—Miniature Schnauzer Club of Canada (Sanction Show).

Apr. 19th—Guelph Kennel Club (Championship Show).

Apr. 26th—Kent Kennel Club (Championship Show).

May 2nd, 3rd—Ottawa Kennel Club (2 Championship Shows).

May 23rd, 24th—Greater Winnipeg Kennel Club (2 Championship Shows).

May 31st—Ontario County Kennel Club (Championship Show).

June 7th—Barrie Kennel Club (Championship Show).

June 14th—Progressive Kennel Club (Championship Show).

Sept. 6th—Victoria City Kennel Club (Championship Show).

It was regularly moved by Mrs. Brown, seconded by Mr. Farmer:

"THAT, the applications for 1952 show dates submitted by the Collie and Shetland Sheepdog Club of Canada, Miniature Schnauzer Club of Canada, Guelph Kennel Club, Greater Winnipeg Kennel Club, Ontario County Kennel Club, Barrie Kennel Club and the Progressive Kennel Club, be approved subject to the rules, regulations and conditions in effect at the time of each event, and conditional that: (1) For shows and trials to be held outside the Province of Ontario, approval is given by the local provincial Director; (2) Formal application and required date fee is received by the Secretary as applied by the applicable rules". Motion carried unanimously.

The Secretary was directed to:

(1) Advise the Kent Kennel Club that permission had already been granted for the holding of a Championship Show at Montreal on April 27th and in the opinion of the Board of Directors, it would be inadvisable for a Club to hold a show at Chatham on the date previous to a show at Montreal.

(2) Advise the Ottawa Kennel Club that permission had already been granted to the German Shepherd Dog Breeders Association in connection with a Championship Show to be held at Toronto on May 3rd, and its application for permission to hold a show in Ottawa on that date could, therefore, not be approved.

(3) Advise the Victoria City Kennel Club that its application for September date would be dealt with by the Board following receipt of a written recommendation from the B. C. Director.

The Secretary reported on applications for priority rights submitted by the Barrie Kennel Club and the Canadian National Exhibition and these applications were held-over for consideration pending the receipt of itemized calendar dates on which shows will be held by those Clubs applying for priority rights on show dates. The Secretary was directed to place an announcement in DOGS IN CANADA requesting that those Clubs which had, or were about to apply for priority rights, to kindly furnish a list of the exact calendar dates on which their shows would be held during the course of the next five years in the event that their applications for priority rights are approved.

The Secretary read a letter from Mrs. A. E. Young, Niagara Falls, Ontario, with regard to removal of her Bedlington Terrier, Catalogue No. 2, from the Canadian National Exhibition Championship Show held on September 3rd and 4th without the permission of the Show Superintendent. Following discussion it was agreed by Mrs. McColl, seconded by Mr. Irving:

"THAT, inasmuch as the dog was removed from the Show without permission of the Show Superintendent that wins earned by this dog at the Canadian National Exhibition Championship Show held on September 3rd and 4th, 1951, be cancelled."

Motion carried.  
The Secretary read a memo from the C.K.C. representative with regard to an award of Best Canadian Bred in Show at the Northumberland and Durham Kennel Club Show held on August 3rd. Following discussion, the Secretary was directed to communicate with the Ring Steward and Show Superintendent, and also the owner of the dog awarded Best Canadian Bred in Show at that show, enquiring why this dog was allowed to compete for this award for which it was not eligible. The Secretary was directed to enquire of the C.K.C. representative whether he had informed the Show Superintendent and Ring Steward that the dog was not eligible to compete for the award of Best Canadian Bred in Show at that show.

The Secretary read a memo from the C.K.C. representative, who reported that the judge's book for the Oakville and District Kennel Club Championship Show held on October 13th indicated that the Great Dane, "BORNHOLM'S CASANOVA", had been disqualified by the Show Superintendent, the dog having been absent from its bench from 10.00 A.M. until 3.00 P.M. (approximately). Following discussion, the Board upheld the decision of the Show Superintendent.

The Secretary read a letter from the Ponoka Sporting Dog Club, which explained the delay in the submission of the official returns for its Field Trial held on September 30th, the returns having been received on November 5th. Following discussion it was agreed that the date fee be forfeited as provided in the Field Trial Rules.

The Secretary read a letter of appreciation from Harold and Hilda Brown of Sarnia, following adjustments which had been made in awards to Boston Terriers at the Windsor Kennel Club Show held on April 15th.

#### 2076. ADJOURNMENT

On Motion by Mr. Irving, duly seconded and carried, this meeting of the Board of Directors adjourned at 8.00 P.M.

## 1952 MEMBERSHIP FEES

### ARE NOW DUE

## NOTICE

### Annual General Meeting

NOTICE is hereby given to all members of The Canadian Kennel Club Incorporated that the Annual General Meeting of the Club will be held in the Floral Room, Prince George Hotel, Toronto, Ont., on Wednesday, February 6th, 1952, commencing at 10.00 a.m.

Business to be transacted at said meeting will include the following:

1. Minutes of previous Annual General Meeting.
2. Reports of Officers, Directors and Committees.
3. Reports of Club's Representatives to other organizations.
4. Report of Auditors.
5. Reports of Election Commission. (Election of Officers and Directors and Referendum Ballot).
6. Election of Representatives to other organizations.
7. Appointment of Auditors and Election Commission.
8. Discussion on Proposed Amendments set out in Referendum Ballot.
9. Information on matters under consideration (change in cost set-up at Live Stock Records Office, change in type of certificate of registration).

Calling of the 1952 Annual General Meeting by the 1951 Board of Directors has been prompted for the reasons that:

- (a) Thirty days notice of the meeting is required, and if notice is deferred until the date of the meeting is set by the incoming (1952) Board of Directors, the meeting could not be held at its customary time (early in February);
- (b) Reservation of suitable meeting room accommodation several months in advance of the annual meetings (General and Board) is necessary if suitable accommodation is to be available at the required time;
- (c) Officers and Directors, particularly those residing outside the Province of Ontario, require advance notice in order to plan for attendance at the meetings as soon as their election to office is indicated.

By order of the Board of Directors,

N. F. BROWN,

Secretary-Treasurer.

Toronto, Ontario,

December 6th, 1951.

# Election of Officers and Directors for 1952

For the information of the members of The Canadian Kennel Club Inc., we, herewith, reproduce the report of the Election Commission in connection with the election of Officers and Directors of the Club for 1952:

CANADA  
PROVINCE OF ONTARIO  
COUNTY OF YORK  
TO WIT:

IN THE MATTER OF  
CANADIAN KENNEL CLUB,  
INCORPORATED

I, Arthur L. Trafford, of the City of Toronto in the County of York

DO SOLEMNLY DECLARE:

1. That I am the sole proprietor of the firm of Trafford & Company, of the said City of Toronto, Certified Public Accountants.

2. That I have a personal knowledge of the matters certified in the certificate dated 27th December, 1951, which is annexed hereto and marked as exhibit "A" to this my declaration and the certificate is a true and correct statement of the matters therein certified.

And I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Act.

Declared before me at the  
City of Toronto in the County  
of York this 27th day of  
December A.D. 1951.

(Signed) J. W. Teskey,  
A commissioner, etc.

(Signed) A. L. Trafford.

A. L. Trafford, C.P.A.

TORONTO, ONTARIO

December 27, 1951

N. F. Brown, Esq.,  
Secretary-Treasurer,  
Canadian Kennel Club, Inc.,  
667 Yonge Street,  
Toronto 1, Ontario

Dear Sir:

We hereby report from ballots received up to 12 o'clock noon on December 22, 1951, that the number of votes cast at the election of officers and directors of the Canadian Kennel Club, Incorporated for the year 1952, is as follows:

President	No nomination	
Vice-President	Farmer, J. J.	Acclamation
Second Vice-President	Williams, "Vic" W.	461
	Brown, Walter	221

Directors—5 to be elected for Ontario and 1 for each other district.

Ontario	McColl, Alva	223
	MacKendrick, W. H.	205
	Back, Samuel	203
	Monaghan, W. J.	171
	Getty, George	164
	Napier, A.	160
	White, W. Richard	158
Alberta	Pratt, William Watson	Acclamation
British Columbia	Irving, J. A. H.	Acclamation
Manitoba	Biggar, C. G.	Acclamation
Maritimes	Margeson, Mrs. P.	Acclamation
Quebec	Mack, Mrs. Pamela B.	48
	Robitaille, J. A.	32
Saskatchewan	Watson, Hector L.	Acclamation

We further report that in accordance with requirements of the Election Commission resulting from a resolution adopted at the meeting of the Board of Directors, August 9, 1951, that no spoiled ballots were received.

Yours truly,  
TRAFFORD & COMPANY,

(signed) A. L. Trafford,  
Election Commission for  
The Canadian Kennel Club Inc.

This is exhibit "A" referred to in the declaration of ARTHUR L. TRAFFORD made this 27th day of December, 1951.

(Signed) J. W. Teskey,  
A commissioner, etc.

SECRETARY'S NOTE: The Club's By-laws provide that in the event a nomination is not received for any office, the person holding that office shall continue in such office until his successor shall have been duly elected as provided in the By-laws of the Club or until the member holding that office resigns or is otherwise disqualified. At a meeting of the Board of Directors held on December 6th, 1951, the Board, with regret, accepted the resignation of Mr. H. L. Walley, as President, effective December 31st, 1951. At the same meeting, the Board of Directors considered the advisability of proceeding with an election of President, following the general procedure outlined in the Club's By-laws regarding the annual election, however, the By-laws do not provide any power to hold an election at this stage, but do provide that the Directors may fill the vacancy by appointment from among members entitled to vote. The Club's solicitors have expressed the opinion that appointment by the Board, rather than an election, is the proper procedure to follow under the circumstances. The matter of filling the office of President, after December 31st, 1951, is, therefore, being referred to the incoming Board of Directors.

Fee \$25.00 (terms)

AKC and CKC Reg.

## Prize-Winning Boston at Stud

This Dog nearly approaches perfection as the IDEAL Boston Terrier. What we mean is color, weight, markings, and particularly DISPOSITION. Read the Standard and then compare it with many Bostons out today. Get away from over-shy, under-sexed, some over-sexed specimens and BREED to a dog who has never sired one MENTALLY wrong yet.

He is a TOP WINNER in the U.S.A. Canadian dogs are too good for him, although he did win the Open at Oakville and the Ted Davy Trophy. What happened?

Wanted: Some good females to Breed to this fellow. Also, other mature stock. What have you got?

For Sale: Female pup by Watchie, hand-painted, has everything possible at 10 weeks. Reasonable. Also, a Male, C.N.E. Reserve Winner. This Dog can finish in the West. Reg., trimmed, 13½ lbs.

## HURRY — HURRY

Write if there is a case of so called distemper among your dogs, and we shall send you free one full size tube of MINON RELIEF by first mail. All we ask for you to tell us and friends truthfully what you discover. Remember, often it clears in one day and never more than five days. Understand we have never lost a patient from effects of our medicines and many have been brought back from death even after hope had been given up. It is free to introduce to your friends.

### CANCELLATIONS

The Collie (Rough) SOVEREIGN PRIDE OF MARYDALE (292013) shown at both Toronto Kennel Club & Eastern Collie Club in the Novice Class, wins have been cancelled, having won a first prize at the Aurora & District Kennel Club, May 4, 1951.

The Collie (Rough) BLUE PRINCE OF MARYDALE (292014) shown at the Progressive Kennel Club, Sept. 15, 1951, 1st in the Novice Class, therefore, the wins are now cancelled in the same class at the Eastern Collie Club.

The Irish Setter, MOLLY'S MEG OF ERIN GLEN as reported in Dogs in Canada (Sept. Issue) should read (3 females, 2 pts.) instead of (4 females, 3 pts.) held at the Kingston Show.

At the Fort Garry Show, held in Winnipeg, Oct. 17th, 1951, the West Highland White Terrier, CH. SHININGCLIFF SPRIG, was absent at the above Show and did not compete for Spec. Only as reported in the December Issue of Dogs in Canada.

# MILROY'S

## *Airedales*

Roy Black, of Milroy's Kennels, Barrie, Ont., has been breeding Airedales since 1923, and with the help of his wife Mildred and daughter Norma has acquired many a silver cup and tray for his dogs at shows far and near. Most noteworthy of his winnings perhaps is Am. Ch. Milroy's Air Mail, Best of Breed at the 1949 Morris and Essex Show, the largest outdoor show in the United States (26 Airedales competing.) Over the years, his dogs have won many championships, the most recent, Milroy's Flossan, 18 months old, who finished for the title at the Oakville and District All Breed Show, October, 1951.

### PURINA IS THEIR CHOICE

News of a good thing soon gets around. That's why Mr. Black started feeding Purina 6 years ago — he'd heard about its nutritional value, high palatability and feeding economy. He hasn't been disappointed either, for he comments:

"Purina Dog Chow has more taste appeal, keeps the dogs on their feed all the time, and gives us uniform, healthy litters. In fact, I feed it to my five dams while they're nursing."

You'll find that leading kennels everywhere stress quality when it comes to feeding. That's why Purina takes a great deal of pride in the many fine kennels feeding and endorsing Purina Dog Chow. Why don't you try feeding it? We know you'll endorse it once you've tried it.

**RALSTON PURINA COMPANY, LIMITED**  
WOODSTOCK - TORONTO - MONTREAL

If you live in or near Toronto, phone Topnotch Kennels, Zone 6-074 (West End)  
or Kennels of the Rouge, Scarboro 652 (East End)

Norma Black enters many Children's Handling Classes. Below, she is shown with Ch. Milroy's Flossan.

Right — Mr. Black

### It's ECONOMICAL!

Because Purina Dog Chow is produced by a full-line feed manufacturing firm and distributed through full-line feed dealers, it is surprisingly low in price. If you buy in substantial quantities, ask your dealer about the Purina Courtesy Card.

# BEST FOOD YOUR DOG EVER ATE!

Gaines Meal Nourishes every inch of your dog

A Product of General Foods

Feed

## GAINES MEAL

— start today!

**Y**ES, that's what Gaines does . . . supplies your dog with a *completely balanced diet* . . . fills him with happiness and glowing health . . . so he's *more fun for you!* Each pound contains:

GAINES is concentrated food —costs less to feed than any other type of dog food! A 5-lb. bag of Gaines makes 10 to 12 lbs. of ready-to-eat dog food. *All you do is add water!* Available wherever dog foods are sold. 2 lb., 5 lb., and 25 lb. bags.

for strength — proteins as in 1½ lbs. beef.

for energy — carbohydrates as in 2 qts. cooked oatmeal.

for appearance — fats as in 1 1/5 oz. butter.

for bones and teeth — minerals as in 2 1/2 lbs. cheese.

for blood — iron as in 5 lbs. beef liver.

Plenty of MEAT MEAL! PLUS all vitamins dogs are known to need . . . in more than required quantities.

D-51

"Nourish every inch of your dog"

For variety, give your dog GAINES KRUNCHON, which is Gaines Meal compressed into tasty bite-sized pellets.
