The Editor's Mailbag

It PAYS to Advertise in DOGS in CANADA

Dear Sir:

No doubt you often wonder if advertisements appearing in your DOGS IN CANADA brings results.

Through an advertisement in DOGS IN CANADA I shipped a Reg. Brittany pup to Alberta yesterday and have on my files an inquiry from Alex's Creek in British Columbia. In Ontario I have shipped Brittany Spaniels to Kenora, Kapuskasing, Renfrew, Ottawa, and to many other points; including Niagara Falls, New York.

It pays to advertise in DOGS IN CANADA.

Walter C. Gendron,
Penetang, Ont.

Let's Have More from Dr. Watson

Editor:

It was with considerable interest and concern that I read Dr. Watson's articles on Dog Shows in the June issue. Such constructive criticism and thoughtful opinions cannot help but have a far reaching influence on future shows.

I think it is time for every member to evaluate all that may have any appreciable effect on shows and if in the process we can come up with any new ideas, any practical suggestions, I feel sure they would get every consideration, not only from those primarily interested in putting on shows but by the C.K.C. Board of Directors and every other club throughout the Dominion.

Dr. Watson's articles are both timely and fitting and should receive the approbation of every dog minded person.

Let us get together and try to contribute something to the betterment of dog shows. Let us try and build them into interesting happy events. Who knows, it may pay off handsomely in the end. Let us have more articles from Dr. Watson.

(Mrs.) Gertrude W. Drew.

Ch. Mr. Mugs Owned by Wm. Heuchart

OUR attention has been drawn to an inaccuracy in the Western Canada Boxer Club report in our June issue.

Ch. Janacee's Mr. Mugs, winner of Best in Show at Moose Jaw on May 1, 1954, is not owned by Mr. A. H. M. Campbell, as reported. It was sold by Mr. Campbell when four-months old and is now owned by Mr. and Mrs. Wm. Heuchart of Saskatoon, Sask.

Treatment for Toad-Poisoned Dogs

THE "superstition" that toads are poisonous is a solid scientific fact. Dogs, especially, are subject to the poison which commonly produces vomiting and some degree of heart failure as symptoms. Contact either with the skin of the toad, or its saliva will cause the poisoning. Toad-poisoned dogs may remain unconscious or semi-conscious for hours, but seldom die if given supportive treatment—provision of warmth to maintain body temperature. Epinephrine seems to help in restoring consciousness. Dr. R. H. Smythe, writing in the British "Veterinary Record," reports he had found no mention of such cases in the literature. He discusses the toad poisons by delineating their physiological activities.

On Parade...

THE greatest thing mankind is capable of, something higher than any moral, religious or social dogma, is to make unselfish sacrifices to help others. In this respect we pay sincere tribute this month to the big-hearted Ascot Kennel Club for their good sportsmanship, good fellowship and their charitable understanding. In the Club's brief annual report published on another page it modestly tells of their expenditure of \$1,000.00 on charitable and liberal works. It does not mention the fact that the high extent of their liberality left the Club's purse mighty flat, that it was a really big sacrifice, that it was practically their all. People with such big hearts cannot help but find a high sense of satisfaction in their efforts. Ascot Kennel Club has been and will continue to be one of the really big Clubs that bring honour and renown to the name of Canadian Dogdom.

POSSIBLY nowhere have the ladies more successfully invaded "man's ancient reserves" than in winning over the affections and making themselves masters of dogs. Man has had to take a back seat more and more, and this situation is being spot-lighted at the forthcoming C.N.E. First Show, on September 1 and 2, at Toronto, when each and every one of the six judges are of the fair sex; and they are all Canadians.

We have the highest possible respect for the capacity and judgment of each and every one of the elect. They have the high character, the judging experience, the discernment, and all other excellent attributes that makes for good judges. Yet we must admit that the experiment of an all-ladies judging team is fundamentally a novelty. We still have some very excellent Canadian male judges of long and proven experience in Canada, United States and the United Kingdom; although it seems to be a habit with many that only the "poor judges" should be discussed. We do wish the ladies team at the C.N.E. every success in their difficult chores. May they have ever happy memories of the historic event; memories that may gladden their gentle hearts in later years.

THE colourful reproductions of paintings of many Canadian Champion dogs, sponsored by Calvert Distillers in advertisements appearing in Canadian and American popular publications, has focused the attention of several million readers on Canadian dogdom. Owners of the dogs advertised have had many inquiries from prospective buyers and at least one of the Champions has already changed hands. Ch. Ace Flyer of Aragon, the four-year-old Irish Setter owned by Mrs. Gertrude W. Drew of Toronto has been sold to a buyer in the Southern States. It may be remembered that Ace Flyer completed his championship in just over one month after his first show, and that among his major wins in the show ring was a Best in Show at the Canadian National Exhibition.

WE were happy to meet Captain T. H. Hudson, a director of the English Kennel Club, and Mrs. Hudson, who paid a brief visit to the office during the past month. While in Toronto district they were guests at the Rouge Hills home of Mr. and Mrs. J. H. Daniell-Jenkins. We hope to have the pleasure of a return visit from Captain and Mrs. Hudson before their return to England.

William Semple, president of the Regina Kennel Club, has been taking in the dog shows in Eastern Canada and in the South-West as far as California before the big three-day all-breed show to be held by the Regina K.C. during the Regina Exhibition.

John Ross Paterson, secretary of the Regina K.C., has been making a brief air trip to his native Scotland to bring out Mrs. Paterson and also some of his famed German Shepherd dogs of the Rustikop Kennels. Two of the top dogs Mr. Paterson will be bringing back with him are Torphdale Ring and Reiner of Rustikop.

FROM Mrs. Irene Gove, the Manitoba director of the C.K.C., we learn that the newly formed Manitoba Gun Dog Association is very busy with arrangements for holding its first Retriever and Irish Water Spaniel field trials. The trials will be held early in September at Delta, Manitoba. There will be puppy, novice and open classes, all-age stakes, and an excellent prize list. A well-known American judge has been invited to officiate. All those interested in this important field trials should write to Mr. R. A. Gilmour, 431 Moorgate Blvd., Winnipeg.

ALMOST a century ago two or three ladies banded together and formed the first "home" for lost and starving dogs, in London, England. As has been man's unhappy reaction and deeply rooted chauvinism to any attempt to emancipate the fair sex from the kitchen the venture was derided in leading editorials of the time in the male-ridden press. Was not woman "only one of Nature's agreeable blunders?"

The ladies persevered, despite the calumny. By the year 1865 some 2,500 dogs found refuge in the home on Hollingsworth Street, where they were fed and sheltered until claimed by their masters, new masters were found, or they were mercifully put out of their misery. The institution also provided a boarding service for dogs; with the price varying according to the size of dog.

Perhaps the next time we express our natural civic pride in the accomplishments of our humane societies we may spare a brief moment to think back on the titanic struggles of the early lady pioneers; the ladies who put the machinery of humanity with dogs into operation.

Allan C. MacNeish

Tracking Tests

The first Tracking Test in Canada under Obedience Rules will be held in October. The author explains the operations of a Tracking Test.

By W. A. NEWCOMBE

Town of Mount Royal, Que.

LAST year in the United States some 20 Tracking Tests were held under American Kennel Club Regulations and Standards for Obedience, with 129 reported entries. These meets were in different sections of the country, and a recent summary showed 16 new tracking titles confirmed for 1953, up to Nov. 1. Some of the contestants, of course, were already "Tracking Dogs" who had won their titles in previous years.

The first Tracking Test to be scheduled in Canada, under Canadian Kennel Club Obedience Rules, is that of the Montreal Dog Obedience Training Club, slated for Sunday, Oct. 3, at Leaside Farms Estate in the Laurentian Mountains, near Ste. Adele. This summer and winter sports centre is 50 miles north of Montreal, and is famous for its scenic beauty, hospitality, and its many picturesque inns and hotels. The day previously, Oct. 2, will be everything for the competitor in Obedience Trials, followed by a club dinner in Laurentian style to which all will be invited.

Entries

In forwarding an entry for such a test, it must be accompanied by a certification (subject to the rules and regulations of the C.K.C.) from an approved obedience judge with a knowledge of tracking, or from a R.C.M.P. officer with dog tracking experience, which states that the dog is considered by him to be ready for a tracking test. In the case of an American entry, a certificate from an approved A.K.C. tracking judge will be accepted.

Generally, entries have been limited by American Obedience Clubs, to from 10 to 12 certified or qualified dogs. In some cases entries will be accepted for say 13 dogs, with only 10 tracks to be laid out, the others held on a waiting list, in case of a withdrawal. A check-up is usually made by postcard as date draws near and then, if a vacancy has occurred, a dog owner on the waiting list is advised.

Recently a United States Club set a closing date four months before their Tracking Test, to coincide with closing date of their earlier obedience trial. It is therefore well to be ready to send in your entry as soon as announcement of test is made, to be sure of "getting in". Two judges are required, and with

small entry list, a club does not expect to cover expenses. In some cases a sweepstake is arranged among competitors in lieu of prize of money, and one person has been known to take entire booty. A "Passed" dog may receive a small trophy or a rosette, and of course a "T.D." (tracking dog), when confirmed by authorities.

Time and Place

A headquarters or rendezvous is given, with a usual starting time of 9 a.m. If the morning should be cold or wet, coffee may be available to early arrivals, while cars and station-wagons are coming in from distant points. Very often the meeting place will be at some country estate loaned for the Test, together with use of the rolling farm land in rear. If you stay over-night at the

Six Feet

My little rough dog and I
Live a life that is rather rare,
We have so many good walks to take,
And so few hard things to bear;
So much that gladdens and re-creates,
So little of wear and tear.

Sometimes it blows and rains,
But still the six feet ply:
No care at all to the following four,
If the leading two know why.
'Tis a pleasure to have six feet, we
think,
My little rough dog and I.

And we travel all one way;
'Tis a thing we should never do,
To reckon the two without the four,
Or the four without the two.
It would not be right if any one tried,
Because it would not be true.

And who shall look up and say
That it ought not so to be,
Tho' the earth is Heaven enough for
him,
Is it less than that to me?
For a little rough dog can make a joy
That enters eternity!

Anonymous.

local inn, you may be advised by the committee the previous evening of your track number and starting time. In any event, you will be given this information by a steward, soon after your arrival at headquarters. You may be handed a printed list of entries, or same may have been in Club's last trial catalogue which you have.

The two judges may be protected by oilskin coats, sou'westers and rubber boots, if rain threatens. The competitors and gallery wear assorted sports costumes, and are shod for tramping in rough fields which may be wet with dew. Most tests are held in the Fall, after the harvest has been gathered, to avoid crop damage. The handlers have various types of breast-collar harnesses for their dogs, and all have long leads. (A fine harness can be made from webbing, such as used for the sling of an army haversack. It will be soft and pliable and not interfere with the shoulder action of a hard pulling dog. A 60-foot lead is necessary for best work. This can be made by joining two easily obtainable 30-foot leads of half-inch wide webbing).

Start

It is now 9 a.m., the judges are ready and No. 1 dog has been alerted by the stewards. 150 yards behind the rendezvous two markers may be seen, (round sticks three-feet high, each with triangular white flags flying in the breeze) indicating the start of the first track and the direction of the wind. A handler, with a Golden Retriever on leash, is following the judges toward the first marker; the second being about 30 yards further than first. The gallery is now tense. Some sit and others stand on and near the garden wall. All watch the three humans and the Retriever slowly descending the slight slope. The remaining dogs remain in the cars and station-wagons, parked in the forecourt of the manor-house. The handler carries the breast collar harness, and the coiled lead, as the dog never wears his harness, unless working.

"Curing" Track

On arrival near the first marker, one of the judges asks the handler if he is familiar with the rules. In response to a question, the judge advises there is only one second chance to take the scent, between the two starting flags, (Continued on page 22)

How Exhibitors Can Help a Show-Giving Club

By A. R. SACRE

Bolton, Ontario

TO A few readers this will be stale news, although even to them it may be welcome as offering some hope that the exhibiting members of the Doggy community might be persuaded to give their assistance in making the lot of the Show Secretary a great deal easier.

I have no idea how other clubs are set up. With our club, the Aurora and District Kennel Club Inc., no member or officer receives any personal financial gain. All work is done on a voluntary basis. Profits, if any, are more or less divided between a sinking fund for a possible loss at a Show and some deserving charity.

I want to make this point very clear, because some exhibitors seem to consider that show officials are their paid servants, instead of people doing their best to put on a Show for the benefit of exhibitors. Without the few people in each club who volunteer their services in this way, there would be a lot fewer shows; entry fees would be much higher through having to pay show officials and the exhibitor would take a lot longer to make champions.

Preparing Show

Getting a show together takes weeks of preparation and hard work. Judges quotations, acceptance of terms, printing, feed companies, benching, chairs and tables, trophies, sale of space in catalogues and advertising the show, are but a few of the items that require attention and organization early in the proceedings.

There is a mailing list to make up from catalogues of other shows, 1,600 envelopes to be addressed, premium lists to be posted, and so on. Then one's troubles really start.

In spite of the fact that the show, with full details, has been advertised in *Dogs in Canada* for two months prior to the closing date for entries, "Mr. Snodgrass" phones up to say most irately, "Why have I not had a Premium List sent to me?" You explain that some 1,600 have been sent out and you are very sorry his name was overlooked. "Very well," he says, "if that is the way you run your show, you won't get my entry of six dogs."

You suggest that as it has been advertised for two months, he might have asked for one before now. He says, why should he; other shows always send him one, and he intends to report

you to the C.K.C. (You think—"O.K., go ahead and do it, you so and so).

The day that entries close someone tells you he is sick and tired of shows closing entries two weeks prior to the Show day; ten days should be plenty. You point out that if you made it ten days there would still be people four days late, or more, and that since you have to work for a living, and can only deal with entries at night, you require 14 days, because the printer requires at least seven days, and the mails hold up entries two or three days, which gives you three evenings to make up the catalogue of 270 dogs or more.

Print or Type

Now is the time, dear reader, where you can help, if you will. It says on the entry form: "Print" or "Typewrite" plainly.

You, of course, know your own name and your dog's name, which may be Herr Guggenheim von Splashpot of Flapdoodle, but the Show Secretary may never have heard of you, or your dog, can't read your writing, and spends 15 minutes looking in other show catalogues to try and get it correct.

Why should he take the trouble when you, the Exhibitor, could take half a minute longer and print your entry form as requested? If the entry is wrong, you will certainly come to the office and complain?

The entry form also asks that cheques should be at par, at such-and-such a bank. If you have not paid the exchange, we must get a member of the club to go around and collect it, together with outstanding fees. During this unpleasant task the member has to put up with caustic remarks about our pettiness.

The 15c or 20c means little to an exhibitor. But on 200 exhibitors it means \$30.00 direct charge on the Club.

For one cause or another some exhibitors do not pay their entry fee until the day of the Show (having been given this privilege by the Club). Don't you think they might go to the office to pay their fee, instead of having to be

chased, and thinking they are clever to be smart with the unfortunate who has to chase them?

If exhibitors would make just a little effort to help those trying to help them, it would make the tasks of show officials a lot easier, and make things much more pleasant for everyone.

Conclusion

The following **Do's** and **Don'ts** should be worthy of the earnest attention of every exhibitor:

Do print or type your entry plainly.

Do send it in early, even if you may withdraw it at the last moment prior to closing date.

Do go to the office and pay outstanding fees and not wait to be found.

Do put the words 'plus exchange' on cheques.

Do support Canadian judges when given the chance. If we don't support them, we shall soon have none. A prophet should be honoured in his own country.

Don't try and get entries in long after closing date; it is embarrassing to have to say No.

Don't make an entry without fee and then fail to turn up.

Don't litter the place with your junk; someone in the Club has to clean up after you.

Don't complain about the Judges' awards. Judges are only human, 99% of them are honest, and we can't all win.

Don't be a bad loser; it's unsporting. You can go to another show under another judge next week.

Don't think when you have gone home that it is all over. The Show Secretary still has to send in results to the C.K.C., collect unpaid accounts, and clean up in general. If you don't like the way it is done, join a club, and help do it better.

Suggestion to Show Secretaries

Dog Show Rules (Chapter 19-Section 1), requiring all dogs to be benched, is frequently a cause of dispute at shows. I suggest that you have a row of benches adjacent to the handlers' crates so that dogs can be benched and at the same time close to and under the eye of the handlers. No other benches for handlers need be provided, and these special ones need not be numbered. This complies with the rule, helps all concerned, and avoids trouble.

IT'S THE DOG-GONEDEST LIFE

A LITTLE dog told me, "If you can't be a good loser you'll never be a good winner".

Lost

SOMEWHERE a small black and white (Tri) Shetland Sheepdog is hurt or hungry. "Jewell" escaped from Mrs. E. Price, on Sheppard Avenue East, Willowdale, Ontario, about two months ago. She slipped her leash and dashed out of the house. When last seen she was heading East. She is owned by Mrs. G. F. Lovett, Bonas Hill Kennels, Stittsville, Ont., and I undersand there is a substantial reward for her return. The dog is shy and, we believe, could only be caught if cornered. Sometime, somewhere, smoeone will see her. Please contact the owner immediately.

KEN "Is there anything I can do for you?" Ellis tells us that Ken-L-Ration (Quaker Oats Co.) are getting out a very special something that will interest breeders of show dogs.

AMERICAN and Canadian exhibitors who have not been on any mailing list for the 1954 shows might be advised to send their name to the Bulldog Club of Central Canada, c/o H. M. Gordon, 311 Brooke Ave., Toronto. This Club has been printing many of the premium lists and is compiling an up-to-date mailing list for shows not in the Toronto vicinity. Remember DOGS IN CANADA carries a dog show calendar. A postcard to the show secretary will assure you of a premium list.

MANY "Old Country" dogs are finding their way to Canadian soil; Shelties, West Highlands, Pekes, Poodles, Lakeland and Welsh Terriers, Sammies, Irish Wolf-hounds, Bull-mastiffs, Papillons, and German Shepherds. Many of these dogs have already made a name for themselves in the Show Ring.

Kid Malamute: "Your move now, Lorna."

By LORNA JACKSON

Toronto, Ont.

IF YOU'D like to have a little fun and add a unique touch to your kennel, try making plaster casts of your favourite dog's tracks and painting them. When you have found a good print or track, brush away the leaves and twigs in and around the print. Cut a cardboard strip one inch wide and twice the size of the print. Fasten this in a circle with a paper clip or pin. Use plaster of paris or dental plaster and add enough plaster to the water to make a creamy mixture. Pour around, inside the cardboard, then into the track itself. After the plaster has hardened (35 minutes) peel the cardboard collar off and

wash away the dirt, then paint the cast in contrasting colours.

FLASH! Poodles are now having their ears pierced. Earrings are such daw-ling things! (Who wants to have a \$100 ruby set?)

Her Slip Is Showing

TWO interested spectators were sitting at the ring-side of an Ottawa show watching the group judging. The judge was giving each dog a thorough going-over, checking the teeth carefully and in so doing opening the mouth very wide. One of the spectators turned to the other, who was apparently, to her, a great authority. "Anne," she said, "why does the judge always open the dog's mouth and look in so thoroughly?" "Oh," replied the Know-It-All, "He's looking to see if the roof of the mouth is all black. It has to be if it is a thoroughbred."

Carelessness

CLARE SMITH of Clarewood's Chihuahuas, told us a sad story the other day. When cleaning her gloves she thoughtlessly left a small bowl of gasoline on the floor. One of her prize dogs started lapping it up. Suddenly his eyes dilated and he tore around the room like a thing possessed. Frightened, Mrs. Smith ran and opened the kitchen door. The little dog dashed down the steps into the garden, then suddenly stopped dead. No, the little guy did not pass out. He just ran out of gas.

Humanitarian

PETER PAN, a huge St. Bernard, shared his dog-house with a transient, hiking from Whitefish, Montana. Numb with cold, the thinly clad man, unable to arouse the occupants of a house, crawled in with the hundred-pound canine. The George Robertsons, owners of "Peter Pan", said, "Ordinarily the dog would not allow anyone but the family near his house".

Dogs I Love

Taffy

A little red dog with a foxy face,

Big ears and keen expression,
Struts on a lead with a happy grin,
Just out to make an impression.

He loves who he loves and ignores
the rest,

Doesn't cotton to dogs at all,
Like other Corgis, won his C.D.,
Went thru' it just like a ball.

He loves to be called by his nick-
name,

Taffy apples, and boy does he come,
He wiggles all over his little self,
As he waggles to you on the run.

Tiny Timm

"A little big dog", all will say,
With a real ground-covering stride,
A showman, every inch the way,
Trots proudly at your side.

So small, so independent,
So game, not like a Chi,
With heart and spunk to fit a dog,
At least ten times as high.

When Puppies Play Out of Doors

By ALVA McCOLL

President, C.K.C.

FROM the moment young puppies are allowed out of doors to play they are beset with a thousand dangers. They pick up things and stuff them into their mouths, test all and sundry with their teeth, swallow everything that can be swallowed, wallow through whatever is at hand, and generally undo a goodly portion of the health which the mother dog and breeder have built up. All of this could easily be prevented by a little inexpensive out-of-door equipment; by providing them with one or more puppy pens where the babies may enjoy themselves without coming to harm.

Anyone with a few tools and a little ingenuity can build these pens at home. All they need consist of is four wire-covered frames fastened together securely with hooks and eyes. Ordinary shingle lath of finished yellow pine strips will serve for the frames, with 2-inch mesh woven wire cloth

nailed on for covering. (Window screen wire is not suitable, as its close mesh is apt to catch the toe nails of the smaller breeds of puppies.)

It is advisable also to make a smooth-floored, tongue-and-groove wooden platform equipped with legs just long enough to hold it up off the ground;

Make Me A Good Loser

TEACH me to observe the rules of the game.

Teach me neither to cry for the moon nor the spilt milk.

Help me to distinguish between fulsome sentiment and sentimentality, cleaving to the one and despising the other.

Help me neither to proffer nor to receive cheap praise.

If I am called upon to suffer, let me be like the well bred beast who goes away and suffers in silence.

Teach me to win when I may, and if I may not win, then above all, I pray, make me a good loser.

—Anon

this for use during those months when the earth has not yet grown warm.

Most puppies love to dig, and no puppy can withstand the dire effects of eating the odds and ends he is certain to find.

The platform protects the little diggers against the danger of their own enthusiasm, just as it guards against dampness.

Canvas strips may be fastened to two or more sides of the pen, if desired. The more heavily coated puppies probably will not need such draft protection, while the thin-coated ones may, depending upon just how rugged or how delicate they happen to be.

Later in the season, when the ground has warmed and the grass is well grown, the platform may be dispensed with, and the pen set right down upon the turf. But whether the flooring is used or not, the enclosure should contain a cozy covered box with blankets or other bedding inside if the puppies are to be left outside for more than half an hour at a time. It is not sensible to allow young puppies, whatever the breed, to take even "cat-naps" on the ground. Provide them with a covered box they will crawl into when tired of their play.

For those who do not wish to make their own puppy pens, or who are not sufficiently adept at carpentering, there are available commercially constructed enclosures for the purpose. Built like regular fencing, they come in sections of various sizes so that almost any type of pen can be planned.

Made of diamond meshed woven wire, they are heavily galvanized and bound with a steel-banded frame, hence they are substantial but sufficiently light in weight to be easily carried about to any part of the lawn. A unique feature of such sectional fencing is the long upright on each side for the purpose of sticking the frame securely into the ground. With the frames come special patented steel clips for fastening the sections together.

They have business-like little gates, too, if the "walk-in" type of pen is desired. These gates are fitted with necessary safety latches and hinges. Altogether, these enclosures are models of neatness and attractiveness, and best of all, havens of security for young puppies.

Recognition!

Ch. Cold Cash, owned by S. W. Scarpa of Point Fortune, Que., is so fascinated by the likeness in his painting by the noted artist, June Renaud of Chambly, Que., that there was plenty of time to get a camera out to record the interesting reaction. The painting is one of a series on Canadian Champion dogs done by Miss Renaud for Calvert Distillers Limited, and used as illustration for advertisements.

JUDGES and JUDGING

Suggestions for more clarification of judging awards.

IN the Canadian Kennel Club we have a President and Board of Directors who are, in general, forthright in their desire to work for the betterment of dogdom in Canada. They invite suggestions that are practical and in line with their desire for the advancement of pure bred dogs in Canada.

Now, plans seem well underway in the C.K.C. to sort the wheat from the chaff in the appointing and approval of judges. That in itself proves the need and also the desire of the C.K.C. for betterment. One will always hear stories of dishonesty in any sport where the human element is the deciding factor. For my own part, I believe that possibly 85 per cent of the dog game is downright honest and that the other 15 per cent is so outweighed that it will play itself out in the end.

When advancement in any project is being considered, ideas from many places may be discussed and, whenever possible, may be given a trial. Let the ideas come from China, United States, Africa, or anywhere else, if they have anything to commend them they should be tried, regardless of any personal bias. It is such a collection of likes and dislikes that makes dogdom the disease we all seem to thrive on.

With respect to judges, I believe that when a judge places say four dogs in a class he should have a very sound reason for so doing; a much better reason than to merely put it off lightly as it being this dog or that dog's day out. What is still more important, he should be able to explain his reason.

If a judge was required to give a written "critique" of the reasons for his placings, for publication, it would, to some extent, prick the bubble of there being any suggestion of ignorance and dishonesty. It would give the breeder an idea of what the judge really knew about the breed, and would give a clearer picture of what the breeder needs to breed to win. It would also encourage more entries. The exhibitor knows that a judge depends on engagements, and that no judge will deliberately jeopardize his reputation when he knows that he has to give the exhibitors a reason for his placings.

There may be the strong reaction to this suggestion that it would be difficult for a judge to remember why he placed "A" dog over "B" and "C" dogs.

By NIGEL AUBREY-JONES

Montreal, Que.

If a judge cannot remember, then he should not be in the ring judging, as different dogs should impress a judge almost like different colours.

Others may say it would lend itself to parrot fashion placings. It doesn't do that in other countries where, in some breeds, the entries and the standard is higher.

Many more may add that the faults of their dogs would be made known. Anyone who knows his breed obviously sees the faults from the ringside. Then a judge pays as much attention to virtues as to faults, and the virtues

would be made known, with resulting increased sales and stud work.

Entries are made for opinions under judges. These opinions should be analyzed at the time of making entries; not after the awards are made.

This system would greatly help the exhibitor in forming his opinion. The judge would be aware of that, and realize that he needs entries and therefore judge to the very best of his ability. Those judges who do not have the ability would not receive the entries and, in turn, have no more appointments.

There must be many people with perhaps more practical suggestions than the above. If they are for the betterment and advancement of pure bred dogs in Canada they are of interest to us all.

Children at the Shows

By MRS. ISOBEL S. BLEASDALE

Camrose, Alberta

I HAVE read with keen interest the articles "On Parade", by A. C. MacNeish, and "Notes On Dog Shows", by Dr. Hector Watson, in the June issue of *Dogs In Canada*. I agree one-hundred per cent with Dr. Watson re the changing of dogs in the evening class of our young potential exhibitors.

Some children, of course, beg a dog away from any exhibitor they can persuade to allow their dog to be taken into the ring. Then there is the child who has spent hours preparing a dog for the event, only to have it literally snatched away from him in the ring, confusing both child and dog. Worse still, if his dog wins first under another child, the hurt is most easily forgotten by the very young.

In our shows the exhibitors play a large part in making the show, by being good sports and showing the utmost courtesy to spectators.

Spectators come to the shows to see the dogs, not only in the ring, but also benched. Most of them are reasonable. They respect your dog. So why have a barricade built around your dog with an imposing sign? Such a dog's place is home, in his kennel, where he won't give the breed a bad name. The

spectator shakes his head and says, "you couldn't give me that breed".

Then there is the little child visiting the show with her parents. She puts her hand out to lift the hair to see if the wee doggie has eyes, only to be rebuked very sharply by the owner. The parents do not feel too happy and quickly take the child away. It would take such a few minutes to show the child the dog not only has eyes to see her but very beautiful ones.

It is very important to us to have our dogs look their very best in the ring. But the public will understand if you explain to them you are due in the ring and would be happy to have anyone see your dog after, when you would explain the breed. These people are interested or they would not be at the show.

A show can be a real event. We meet all our fellow exhibitors. We should try not to think of it in terms of just a "point" collecting station. A word of advice to the very few of this type of exhibitor.

You are hurting our shows and potential sales, which we need so badly to further our better breeding. Let us help our respective club members to make it the best in circuit.

At the Shows

Exhibitors can Make or Break Shows

SINCE becoming a Director of the C.K.C. I have listened and paid heed to all complaints coming my way. They have been very numerous. Each and every one has been fully investigated, whether from buyers not receiving registration papers, or complaints regarding conditions at the various shows.

As I act in the capacity of a Show Secretary, with my husband a Show Superintendent, the complaints at our own show are much in my mind. I would like to state that conditions at a Show are of the exhibitors making.

At the Hamilton K.C. Show, just over, the dogs were allowed the freedom of the entire outdoors for exercising early in the day. This privilege

By PHYLLIS SMITH

C.K.C. Director
Burlington, Ont.

was abused. Many left the Showgrounds as well as the building.

At the rear of the Arena is a very nice cement tennis court. On the morning that following the Show, the Tennis Club found that many thoughtless people had used the courts to exercise their dogs! The squawks really started. You cannot blame either the Superintendent or the Show committee for taking action. They would like to have the Arena again another year!

When exhibitors make an entry at a Dog Show they know about the hours and should come prepared to stay for those hours. Asking the Superintendent to leave earlier, or sneaking away, should and must stop. After all, the Show-giving Club must make a little money from the gate to put on the kind of Show you like.

All exhibitors like and admire a clean Show. Who makes it dirty?

A man is hired to do his best in sweeping up hair or any accident. There is a limit to what he can do. Why must exhibitors throw discarded paper, bottles, and other debris under the benches? The rubbish has to be pulled out during the day. If you went into an Arena the morning after a Show you would realize why it is so difficult to rent a building suitable to hold a Show in. It is not the dogs, but the humans who leave behind a bad name.

When you offer a trophy to a Club do you immediately forget about it? Some do. Do you complain when your trophy, which you won, is not at the Show? The Trophy Conveyor or the Show Secretary cannot help it if a promised prize has not yet arrived.

Every effort is made to make our Show such that exhibitors will want to enter. We put in a Suggestion Box for that purpose. We do not mind whether the suggestions are criticisms or compliments. Here is the entire contents of this box for this year.

1. "Have a children's handling class at your point show." (Unsigned).
2. "All girls to wear shorts at your dog show." (Unsigned).
3. "More beef than even I could eat." (Signed).
4. "Keep the President out of the rings unless when judging." (Unsigned).
5. "Keep the chisellers out, also the breeders who stink." (Unsigned).
6. "I have been at hundreds of Dog Shows, and I want to say that your Show and Trophy list is the best I have ever seen. Mrs. Smith has done a wonderful job." (Signed).

We are trying each year to make our Show better than the year before. With most we have a hard time improving. Yet, we are well aware that it can improve in many ways. Many exhibitors make oral suggestions, but, too often at a time when one is too busy to make a note of them. You rack your brains later trying to remember just what they were.

People attending Dog Shows ask that chairs be supplied, and rightly so. The

At the Shows

Sheltie Shenanigans

By J. J. STAPLES

Oakville, Ont.

IT WAS a nice evening in May, the day before the big Dog Show that marked the opening of the show season. "Joe Doaks" was grooming a young Shetland Sheepdog on a table in his backyard, when a neighbour says: "Hi, Joe! Thinking of showing that there dog?"

"Sure," says Joe, "That's what dog shows are for. Got to support them, you know."

"Isn't he a trifle big?", the neighbour asks.

"Yip, a trifle, maybe. But the judges seem to like them that way—Got more bone and substance than the small ones. Well, I guess I will have to get the kit ready. Got to leave early in the morning."

The next morning the sun came up in all its glory, the promise of a beautiful day. Soon the highway was busy with all kinds of cars, trucks and station wagons, filled with dogs of all colours, sizes and descriptions.

The show started in good time and went smoothly till the classes for the Shetland Sheepdogs were called. Then the storm broke, the wind blew and pandemonium broke loose.

Somebody called somebody whatever it is that they call a guy for calling a measurement, and he replied, "The same to you, and many more of them."

Other verbal bouquets were tossed about that did not have the fragrance of lavender or roses. When the storm was over and the dust had settled, there lay four dead Shetland Sheepdogs; that is, dead as far as their show career goes, disqualified for oversize. Well, as the mongrel pup said when the can was tied to his tail, "Such things are bound to occur."

Who is to blame for this unfortunate situation that has left a bad taste in the mouths of more than a few? None but the owners and/or exhibitors of those outsized dogs.

Breeders and authorities of the Shetland Sheepdog framed the standard which was approved by the A.K.C. and the C.K.C., making 13 to 16 inches the correct height. The sooner breeders and exhibitors realize that they cannot get away with undersize or oversize in the show ring the better it will be for the show-giving clubs, for the judges, the exhibitors and the paying general public.

I am not condemning Shelties that are a trifle over- or under-sized. They have a definite place in the scheme of things; but that place is not in the show ring.

Let us hope that some good may come out of what was considered to be a very unpleasant incident.

Obituaries

Morris B. "Dick" Zwicker

Noted Hound and Horse Sportsman Passes
in Halifax, N.S.

An Appreciation
By ROBT. B. LACKEY

IN May the Maritime Provinces lost one of its most colourful figures, known by so many as "Dick" Zwicker. We first knew of him as a Borzoi breeder and exhibitor when about twenty-odd years ago he showed Ch. Korol, Ch. Felise of Haywra (Imp.), Ch. Zola Lyons, Ch. Petrofski of Marlboro, and others. His artistic eye and ambition made his benches a shop window-like display. His hounds won many group prizes and a few best in shows.

In recent years he had a stable of smart-looking bridle ponies. Out of this grew the idea in his fertile mind of forming the *Junior Bengal Lancers* with teen-age and younger boys and girls from his riding school. Dick's zeal to make this a national attraction was realized. These youthful riders, under his training and management, won acclaim in Canada and the United States for their unique and splendid appearance with performance par excellence.

At various times I met Dick en route or returning from Montreal or the great "Royal" show in Toronto. Dick was good company. Time was all too short to tell of the winners—bridle horses, hounds and show dogs of his and others. Two years ago—it seems like yesterday—this genial sportsman, broken in health, appeared at the ring-side, leaning on a cane. A friend challenged him to take his dog into the ring. Dick did so. He left his cane at the entrance, went on with the dog, forgot his infirmities, came out with a winner, later going on to top the Sporting Group.

That was the last time I saw my good friend in the show ring.

It would seem that this promising man, still young, but not too robust, had overburdened himself with ambition and zeal. He would not give up, even after a serious stable fire. He started anew and re-formed the ranks of the *Junior Bengal Lancers* that were his pride. They remain an excellent memorial to his untiring efforts, art and ability. He was small in stature, but big in heart, alert in mind and an honest, good fellow. May the remembrance of him be ever green.

SOUTHERN TIER DOG SHOW

THE Southern Tier Kennel Club's annual Show at Hornell, N.Y., on Aug. 22, has a special appeal to Canadians, writes Fran Maher, Show Chairman. The judges panel includes two Canadians, Mr. Wm. R. Luben of Montreal and Mr. McGarry of Toronto.

Front Cover

Silver Miniature Poodle, Ch. Firebrave Denis (Imp)—Vendas Marelle ex Vulcan Champagne Senora—winning the Group at Edmonton, Alberta, 1954, under Judge Mr. H. P. Saunders. Denis has been shown seven times and has won seven Groups—Moose Jaw (3), Calgary (2), Edmonton (2). He started to lose his coat immediately after this circuit so has not been shown since. When he is in bloom again he will be campaigned extensively in Canada and in the United States. In the East he will be handled by his owner, Miss V. E. Meyers, of Paragon Kennels, and on the West Coast he will be handled exclusively by Mrs. Pat Tripp.

Firebrave Denis is the latest import of the Paragon Kennels (Registered) owned by Miss V. E. Meyers of Toronto. Bred by the famous Firebrave Kennels in England, he was brought out specifically to improve leathers, soundness, and breadth of chest in Canadian silvers. His progeny promise fulfillment of just these things and it is hoped that at least one of his first litter of puppies will appear in the Junior Puppy class at the Oakville and District K.C. Show in September, where poodles are specially featured.

Due to illness at home, Miss Meyers has only shown the poodle a few times this year. In fact, the only dog shows other than Denis was Paragon Lalla who won Reserve Winners at the Canadian National Sportsmen's Show at the age of six months; her first and only show. Next year Paragon expects to be back at the shows in force. In the meantime, breeding activities are continuing as usual.

Early in September Miss Meyers will be moving her kennel to the country, near Markham, and with six acres to work on, the number of poodles will be increased. In the meantime, there will be some puppies for sale (males only) out of Paragon Gayheart (by Am. Ch. Hollycourt Grillon), Ch. Hollycourt Tansy of Paragon (Best in Show at Regina 1953), and later in the year, Paragon Lalla. Sires will be Ch. Firebrave Denis and Am. Ch. Cartlane Escoffier.

Other judges are Mr. Mervin Rosenbaum, Mrs. Chas. Hyde, Mr. Stephen Pasteurik, and Mr. Arthur Taylor. The American Toy Manchester National Specialty will also be held in Hornell and will help toward making a new record entry. Over \$4,000.00 in cash and worthwhile trophies will make this one of the top premium lists.

The Club is again putting on the get-acquainted party the night before the show at the Old Ranger Brewery where everyone will have plenty to eat and drink, and as in the past, every exhibitor will be the guest of the club.

The N.Y. State Wineries, a few miles from Hornell, invite everyone for a tour of the wineries and for samples. Corning Glass Centre invites visitors to watch each step of the Steuben Crystal from molten crystal to the finished article, also to see the first 200" disc cast for the Observatory on Mt. Palomar. At the Hawkes Glass Co. visitors can watch the cutting of fine crystal. With a few miles of Hornell are many beauty spots. The Canadian flag will be raised at the opening ceremonies of the Show by the American Legion Colour Guard.

Good Team-Work Can Make Good Dog Shows

By LORNA JACKSON

Toronto, Ont.

TIME and time again officers of show-giving clubs have asked, "What is wrong with our Dog Shows? Why don't we have a larger attendance? Both exhibitors and spectators are falling off" There are several answers one can give, and all logical ones.

Dr. H. L. Watson wrote an article in last month's DOGS IN CANADA that is well worthy of reading. His suggestions on entertainment and hazards are timely and interesting. Dog shows need entertainment and children should be encouraged to handle dogs at dog shows under careful guidance. After all, children are the future dog fanciers.

Dog shows of today are taken far too seriously, and much too personal. It has come to the point where a man can call anyone almost anything, and get away with it. But don't say his dog has a sway back or a goose rump. You'll have a fight on your hands.

How often one hears, "I didn't enjoy XYZ Show. There was just something in the air." Then again, on very rare occasions, "Wasn't that XYZ show wonderful! Everyone seemed so happy and friendly."

It would seem that friendliness, co-operation and good sportsmanship are a very big **MUST** if dog shows are to go progressively forward. Judges also play quite an important part in the make-up of a successful show. Some fanciers prefer the Canadian Judge and some will only show under an American. We all know there are many good Canadian judges and many good American ones.

LAST month I received a special invitation to attend a show in Syracuse, N.Y. It was one of the nicest shows I have ever been at. The Iroquois German Shepherd Dog Club held its first plan "A" Sanction Show on June 20, at Syracuse. The Judge, George Jerman of St. Davids, Ont. drew an entry of 51 Shepherds.

It was a show any Specialty Club would be proud to boast of. The entertainment committee went all out in an effort to give their judge and guests the best in hospitality. The location was ideal and every effort had been made to make the exhibitor and the dogs comfortable. Ample parking space was provided. The large well-placed ring was laid out beside a long row of shady trees where the dogs lay chained or crated. Ample chairs were scattered around for exhibitors and spectators, and a big rack, complete with large canvas water-bags was

set up close to the exhibitors. At the entrance to the ring the sound truck was parked, making it easier for the two ring stewards to have the dogs ready for their classes.

Gracing the ring itself was a most enviable trophy table, with trophies to cover four placings in each class.

The President delivered a warm sincere opening speech which Mr. Jerman answered and concluded with a helpful, friendly talk to the exhibitors.

At the conclusion of the show the Club's teamwork went into action. In less than five minutes the grounds were completely cleared and cleaned and everyone was on their way to a carefully planned dinner.

The thing that was so outstanding was the comradeship and teamwork of the members. Each one had a duty to perform, and it was done. If someone needed a little help they got it. Everyone pitched in to help make the show the success it was.

An enjoyable discussion on the German Shepherd followed the speeches and the introductions of out-of-town guests.

Mr. Jerman was credited with doing a "terrific job". He willingly discussed and explained his placings, and knew what he was talking about. He did much to boost Canadian judges in the U.S.A.

Many may say, "Why write about American shows rather than Canadian? There are some really fine shows in Canada."

But is there one Club of which it can be said that their show was a success through the efforts of the whole or most of the membership?; or even one-third of the membership? From what I am given to understand the work is usually left to four or five willing workers and the glory of success goes to many. The American show is only explained as an example of a system that works well, and with less effort.

BREED clubs do much to help the dog fancy along. It is these clubs that push the breed they are

(Continued on page 22)

WINNING vs. LOSING

The Better Way

It is better to lose with a conscience clean
Than win with a trick unfair;
It is better to fail and to know you've been,
Whatever the price was, square,
Than to claim the joy of a far-off goal
And the cheers of the standers-by,
And to know down deep in your inmost soul,
A cheat you must live and die.

Who wins by trick may take the prize,
And at first he may think it sweet,
But many a day in the future lies
When he'll wish he had met defeat.
For the man who lost shall be glad at heart
And walk with his head up high,
While his conquerer knows he must play the part
Of a cheat and a living lie.

The prize seems fair when the fight is on,
But save it is truly won
You will hate the thing when the crowds are gone,
For it stands for a false deed done.
And it's better you never should reach your goal,
Than ever success to buy,
At the price of knowing down in your soul,
That your glory is all a lie.

Anon.

Obituaries

Robert Orr of Saint John And His Easco Pointers

THE sudden and recent passing of Robert Orr to his long rest leaves our ranks thinner and poorer. Robert Orr was one of the best, as an exhibitor, a breeder and a faithful show enthusiast who served the doggy interest of others, and the New Brunswick Kennel Club for a quarter of a century. The few Pointers seen on the bench today is a reminder of other days when twenty or more of the breed were benched annually. Fact is, the sporting breeds in Group 1 contained half the dogs in the show when we benched over two hundred dogs in Saint John.

It was in the '20's when Pointers were top dogs in their group for best in show. Ross's Ch. Betty, Keltie's Wilson's Ch. Jenny Lind, Ch. Ridgeway Game Feather — these and Easco Pointers were shown often, bringing high honours for the breed.

To my recollection, only one sporting dog, an Irish Setter, J. C. Hanna's of Montreal, took up the challenge and won best in show over the Pointer, Setter and other sporting breeds. I was the Int. Ch. Landsdowne Rumantly Rhu; best Irish Setter three times at Madison Square Gardens. At Fredericton, N.B., in 1923 the orange belton English Setter, a Western dog, Straightaway, was best sporting-dog over a few of the local champions.

Bobby Orr was an astute breeder, and one who denied himself to buy and obtain dual purpose blood lines. He used Ch. Post Road Jeff, Ch. Gaines Dapple Joe, and a year later purchased Ch. Gaines Dapple Josie and others. Ch. Jiggs Flash, Ch. Vimy Ridge, Ch. Lindy Flash, Ch. Easco Starlight and Parmacene Bill all brought renown to the Easco Kennels.

Many of his Pointers never got to a field, but not a few were excellent on birds; tried and proven as real useful gentlemen's shooting dogs.

Some years ago a local Pointer breeder on a visit to Montreal inquired among some dog owners for the use of a top Pointer dog for sire. He was referred to Bob Ross, noted dog breeder and judge, who asked him, "Why come to Montreal? Go back to Saint John. There you have some of the best blood lines in North America." So whenever and wherever we see good Pointers on the bench pleasant memories will recall those "Easco" dogs of Bobby Orr's. A change of position and a small flat was mainly

responsible for his doggy retirement the last few years.

Our sympathy goes out to Mrs. Orr and family who shared with him many of the awards that came to his home.

ROBERT B. LASKEY.

Jonathon Davies

JONATHON Davies, retired contractor, pioneer resident of Vancouver, B.C., and a long-time member of the C.K.C., passed away suddenly on May 28, at his home in Vancouver, at the age of 75.

Mr. Davies was a well-known figure in B.C. dog circles for many years. He was a very successful breeder of German Shepherds and Sealyhams, using the popular "Abarard" prefix. He had also a very successful show record with Welsh Corgis, which he started importing and breeding some 25 years ago. He took an active and leading role in helping other breeders promote better pure-bred dogs and was for many years chief executive of the Shepherd Dog Club of B.C.

In his younger days in his native Wales he was a weight-lifter of renown. His athletic and sporting activities are reflected in his family. One of his five sons, Bud Davies, is a well-known boxer, and a grandson, Lorne Davies, is a star with the Vancouver Lions grid team. The deeply religious life of Mr. Davies is reflected in two of his sons who are now missionaries in French West Africa.

His great host of friends in Canadian dogdom mourn with his widow, five sons, two daughters and grandchildren the passing of a fine sportsman who always did his best to play the game. Canadian dogdom will miss Jonathon Davies and everything he stood for.

J. A. H. Irving,
B.C. Director of C.K.C.

Colonel C. G. F. Stone

COLONEL CYRIL G. F. STONE, M.B.E., C.D., D.D., of Ottawa, Principal Protestant Chaplain to the Canadian Army, and a member of the Canadian Kennel Club for the past nine years, died at Iroquois, Ont., after being seized with a heart attack during a Canadian Legion church parade. He was to have preached at the service at which the Queen's Colours were dedicated. Hon. Col. the Rev. Cyril Stone was a native of Fogo, Newfoundland.

During World War I he served with the Royal Newfoundland Regiment.

At the start of World War II, in September, 1939, he was appointed chaplain to the Irish Fusiliers, Vancouver, B.C., and was later appointed to the British Columbia Regiment, Duke of Connaught's Own Rifles. He went overseas in April, 1941.

Possibly the best known dog bred by Col. Stone was Golden Retriever "Rockhaven Raynard of Fo-Go-Ta", a Canadian bench show and field trial Champion acquired from Col. Stone by Col. S. S. Magoffin of North Vancouver, B.C., as a puppy.

To the bereaved widow and the four children of the late Col. Stone the many friends from coast to coast in Canadian dogdom extend their deepest condolence. Canadian dogdom has lost a good breeder, a good sportsman and a good friend. Canada has lost one of its most honourable and best citizens.

William Stockdale Passes

WILLIAM Stockdale, first inspector of public vehicles for the Province of Ontario and a past First Vice-President of the Canadian Kennel Club, died at his home in Toronto on July 1 at the age of 76.

Mr. Stockdale had been a breeder of Bulldogs and Boston Terriers, a Judge of All Breeds and the President of the Canine Breeders and Exhibitors for 11 years. He was also a past-President of the Canadian Pony Society and past-President of the Ontario Horse Breeders Association.

Mr. Stockdale had represented the Canadian Kennel Club and the Pony Society and Horse Breeders on the board of the Royal Agricultural Winter Fair, and on the National Live-Stock Records Board, Ottawa.

Mr. Stockdale was a man of high ideals, an enthusiast, and a leading spirit in almost everything he engaged in during a very busy life. He did much to promote the best interests of Canadian dogdom.

J. W. MacCALLUM.

Ed Monks Passes at Ilderton

A well-known Norwegian Elkhound breeder for many years and a member of the Canadian Kennel Club for close on 20 years, Mr. Ed Monks passed away suddenly at his home in Ilderton, Ont. on June 27, 1954.

Mr. Monks was the third president of the Forest City Kennel Club, of London, Ont., and was show superintendent on numerous occasions.

His passing will be a great loss to the Club. He was always willing to help the new and younger dog breeders, giving of his advice freely. He will be sadly missed at our forthcoming dog show.

LYDIA TAYLOR, Secretary,
Forest City Kennel Club

NOTES and NEWS

Provincial and Club

New Brunswick Kennel Club

By ROBERT B. LASKEY

AFTER their "vacant year," 1953, it would seem the New Brunswick Kennel Club was trying to catch up, with a double programme of two Sanction Shows and two Championship Shows. A revival of breeding activities in Saint John with new dogs, new members, has added encouragement to the faithful few who were loyal and anxious to continue the long record of one of Canada's oldest kennel clubs. The City of Saint John boasts as being the first dog centre in Canada having an all-breed dog show under authorized rules. That was in the year 1885, before our Canadian Kennel Club was formed. The old fanciers at that time applied to the American Kennel Club to hold its show under their rules. Messrs. James Mortimer and Charles Mason were the earliest authorities they knew of and profited by. They told them that black Irish Terriers with cropped ears were not good enough for show dogs, and that prick-eared Fox Terriers with bobbed tails just wouldn't do. Maritime and Canadian shows have come a long way since those days!

This 1954 season for N.B.K.C. has meant a planned Spring and late Summer Sanction and Championship Show schedule. This included two Sanction shows, one already held on May 26, and the other dated for Sept. 4th. Two championship shows will be held as part of the five-show, six-day New Brunswick circuit. Particulars of these shows appear on another page in this issue.

A most successful Sanction show was held in Saint John by this Club on

May 26; not a money-maker, but a generous prize show that brought to it new dog fanciers, and club members; a healthy outlook for things to come.

Another and larger Sanction show is to be held Sept. 4, from 3 p.m. to 10 p.m.; a benched show in a very large army marquee put up on the grounds of the Exhibition Park. This show is to be sponsored by the Exhibition of the City and County of Saint John. It is planned to have about four judges; all local talent. Of course, all these shows are held according to the C.K.C. rules, with the show personnel members of that parent Club.

The N.B.K.C. two Sept. 13-14 championship shows are to be benched in the bright and spacious City Road Armoury. These shows will be sponsored by H.A.A. Reg. R.C.A., and asso-

ciated with us will be the Moyra Ponsonby Chapter of the I.O.D.E.

Premium list for these shows will be in the mail the third week of July. Our New Brunswick Kennel Club is pleased to announce here the name of its new club and show Secretary; Miss Cecelia Searle, formerly of England. Miss Searle is a Whippet enthusiast. She and her mother came from England last year. Mrs. I. Searle brought with her a miniature silver bred Poodle in whelp. Both Mrs. Searle and her daughter are taking an active interest in working for the club. They are also keen exhibitors. Their breeds will add colour and interest to our shows. We welcome these breeders to our Maritime Province.

The Ascot Kennel Club

By GEORGE COX

TO complete the 1953 business and object of the Club, \$500.00 was sent to the Lord Mayor of London, England, to be applied to the British Flood Victims Fund, which, added to the \$500.00 given to the Canadian Kennel Club, completed the object set for 1953. The number of people who contributed in many ways to this success are to be congratulated on their efforts.

Continuing on for 1954 the following officers were elected: President, Walter Brown; 1st vice-president, H. M. Gordon; 2nd vice-president, Albert Farrell; Treasurer, Mrs. Lorna Jackson; Secretary, Mr. Geo. Cox; Trophy Secretary, Mrs. N. Corser; Hon. president, Mr. W. A. Harris; Hon. vice-president, Mrs. M. Eileen McEachren.

This year the Club's efforts will be directed to a charity endeavour. The Peel County Hospital Fund will receive part of the profits. The Show, set for Oct. 9, 1954, is an All Breed Championship and Obedience Trial Show and will be held at Dixie Arena, Dixie, Ont. Judges have been selected. Approval is still to be granted.

Any one interested in helping this effort please contact the Secretary, Mr. Geo. Cox, Cooksville, Ont., or the Show Secretary, H. M. Gordon, 311 Brooke Ave., Toronto, Ont.

residence in Oakville. We hope they enjoy their new surroundings.

The June meeting of the Irish Setter Club is to take place at the home of Mr. and Mrs. K. Honsberger in Streetsville on Thursday, June 24. A guest speaker is expected who will give us a talk on Field Trial work.

Collie and Shetland Sheepdog Club of Canada

By MRS. R. D. SMUCK

OUR June meeting was held at the home of Mr. and Mrs. Sid Taylor, with the President, Mrs. Laura Getty, presiding. Four new members were enrolled and welcomed by the Club. After the business meeting was over Mrs. Gladys Taylor gave a talk on "Preparing your dog for the show ring," and she trimmed a Collie for the benefit of our novice members.

This was our last meeting till September. Our membership keeps growing and the response we have received from Collie and Sheltie breeders has been very gratifying. Our aim has been to promote our breeds and help the novice to breed for quality.

We members of the Club wish you all a very happy holiday, and shall see you all again in September.

Greater Victoria Dog Obedience Training Club

By MOLLIE HUDSON

A KINDLY and co-operative spirit exists between the Island Obedience Clubs, regardless of where they are held or who puts them on.

Last month the Cowichan Dog Obedience Training Club staged a most successful Dog Gymkhana, which was attended by the Victoria, Parksville and Sidney Obedience Clubs. Quite a large attendance watched and cheered on the contestants.

Dr. Johnson, of Duncan, organized it most creditably. It was held at Elan Center, Cherry Point, one of the old homes built by pioneering families from the Old Country. The setting and general grouping of the trees, gardens, fields and buildings all spoke of the grandeur and hopes of that day.

The Greater Victoria Dog Obedience Training Club organized its 2nd, and 3rd. All-Obedience Trials on June 5 last, in the Badminton Hall, Oak Bay, where there is ample room for two rings, a large glassed-in room above the courts to watch, and accommodation for meals, etc.

Mr. Robin Johnston of North Vancouver judged at the 1 o'clock Trial, and Mr. R. Hatfield of Portland, Oregon, judged the 6:30 p.m. Trial.

All the Island Clubs were represented, together with Vancouver contestants. Mr. Hatfield later told me that he considered the standard of work had greatly improved and congratulated us.

Mrs. Sheila Parry of Duncan won the highest score of the afternoon trial with her Corgi, "Ch. Bhilwara Land Girl C.D.", making 199 marks in the Open A Class.

Mr. Guy Radenac's Wire-Haired Pointing Griffon, "Gipsy D'Argent C.D.", handled by Mrs. N. Schaffer of Vancouver, won highest score in the evening Trial with 199 marks in the Open B Class.

Several degrees were won that day. Among the winners was Mrs. H. Melish's Old English Mastiff, "Heatherbelle Bridget's King" who, you may remember, was instrumental in saving the lives of his master and mistress and the other dogs in the fire. He has been crippled in an accident. It was heartwarming to see the great creature making his successful efforts to do his work. Congratulations King!

There was a great ovation when Mrs. Cheetham succeeded, after many previous attempts, in obtaining qualifying scores with her Labrador, "Mitzi", in the Open Class A. "Mitzi", until now, had refused to take any interest in the proceedings if a judge was present.

Kerry Blue Terrier Club of Canada

By MISS R. ROBINSON

Secretary

THE May meeting of the Kerry Blue Terrier Club of Canada was held on May 11 at the home of the Secretary, followed by a Spaghetti Dinner in aid of Club funds.

The second volume of Kerry Comments, the Club's Bulletin, was presented and approved.

Plans were discussed regarding the Garden Party, which is to be held on July 10, and the Sanction Show, plans for which are to be made in the near future.

A great deal of enthusiasm is being shown in regard to the Club's activities, and it is to be hoped that our membership will be greatly enlarged as a result.

Western Canada Boxer Club

By KAY LAUGHY

THE Club held its Judges' Cocktail Party and Dinner, June 9, at the Mayfair Salon, with 45 Boxer fanciers and friends attending. Place cards were done in Boxer heads, and the tables centered in ceramics; Boxers of course.

Speeches were made following the dinner by President A. H. Campbell, by J. T. O'Conner, the judge of the Club's specialty on May 24, and by officers and visitors. All agreed that the dinner should be an annual affair. Presentations were made to Mr. and Mrs. O'Conner for their interests and services to the Club.

Mr. and Mrs. Duff of South Africa were visitors in Vancouver recently. Mr. Duff is an active Boxer breeder and exhibitor in his own country. He attended several large shows in the U.S.A. before coming to Vancouver, and was an interesting visitor. Executive officers of the Club met at the home of the President during his all too short visit.

Aurora & District Kennel Club

By FLORENCE SULLIVAN

THE monthly meeting was held in the Aurora Club Room on June 7. With our 4th Annual Dog Show over we had many things to discuss, one of which was the outstanding success of the Show, a success made possible by many willing hands. Appreciation was expressed for the fine work of our show secretary, Mr. Tony Sacré, Mrs. Sacré, Mrs. L. Hamilton our advertising secretary, and to our trophy secretaries, Mrs. Jerry Brown and Mrs. Pat Dymond; also to Dr. Allen Ripley, who was on hand all day, to Dr. Karl Heden of King, and Dr. J. B. Bennett of Newmarket. Thanks should also be made to the many others, too numerous to mention, who contributed to the success of the Show. Our next meeting will be held on Sept. 13 at the home of Mr. and Mrs. J. Sullivan, of Vaudorf.

Hamilton Obedience Club

By SHEELAGH TYRRELL

YOU will probably note the absence of Mrs. Dorothy Petch's name heading this column. Due to a prolonged illness she was unable to keep it up. We are glad to hear that Dorothy is making a speedy recovery and will be with us again soon.

May 27th brought to a close another very successful training class under the capable instructions of Mr. Ernie Succée. The graduation was judged by Mr. George Lucas, who is, by the way, judging our Trial on June 26, in Burlington.

Mr. Lucas gave Mr. Kerne's German Shepherd "Bryce" top honours in Novice A, followed by another Shepherd "Butch," owned by Mrs. Steen. Third place went to Mrs. Stopps' Labrador Retriever "Laura." The advanced class was easily won by the excellent performance of "Timmy," a German Shepherd owned by Mrs. Dales. Second and third respectively went to Mrs. Ward's "King," and Mrs. McAvoy's "Shane," both Collies.

This concludes the training classes until September, when we will be looking forward to another successful season. We would like to thank Mr. Ernie Succée for the marvellous job he did of training and the time and effort he put into it.

Five dogs from our training classes qualified at the Wentworth County Kennel Club Trial in Dundas. They are Mrs. Fred Dales' Shepherd, Tim-

Koli-Bey Prince Shane; Mrs. Harry Cole's Cocker, Dundurn Aristocrat; and Grace Jones's Cocker, Dundurn Perfection. Congratulations on a fine job.

The monthly meeting of the club in May was busy putting the finishing touches on the preparations of our Trial in June. It has every indication of a great success.

The Alberta Kennel Club

By ELMER GRIEVE

TWO successful shows were held by the Club, which is now past history, with Best in Show going to the renowned Boxer, "Janacee's Aristocrat," owned by Mr. A. H. M. Campbell of Port Coquitlam, B.C., and ably handled by Mrs. Pat Tripp.

The Club was pleased to welcome Miss V. E. Meyers, of Toronto, to our shows. It is hoped she will return again. We enjoyed her company.

Plans are going ahead for our Fall Shows, with dates having been applied for.

The Club has had an influx of new members, which is very gratifying.

The Club is sorry to lose several of its staunch supporters. Marg. and Bill Rankin have moved to their new home in Edmonton, and Ernie Crawford has been transferred to Norman Wells, N.W.T. It is hoped the Eskimos take Ernie's Bulldogs new blood for the dog teams.

The Club hopes everyone will make the trip for our Fall Circuit. A warm Western Welcome awaits you!

Montreal Dog Obedience Training Club

By CATHERINE HARRISON

THE Club's annual meeting was held June 2 in Club-quarters, Westmount P.Q. President Frank Mingie reviewed the remarkable progress of the past twelve months. Over one hundred beginners' courses were given, two all-breed obedience trials were held, with many members qualifying for degrees, topped by one member's dog winning a U.D. and a second member's dog with a Can. and Am. U.D. This is ample proof to the directors that they are providing excellent, qualified training, which is getting results.

Chairmen of committees presented reports which included information regarding the Obedience Trials and Tracking Test for Oct. 2 and 3. Two excellent American Tracking judges will be on hand to supervise laying out of tracks for this, Canada's first Test under C.K.C. Obedience Rules and Regulations. The treasurer reported finances in excellent shape. The election of officers followed.

Mr. W. A. Newcombe was elected President, Mr. Malcolm McDougall, Vice-Pres., Mrs. A. M. Birch, Treas., and Mrs. L. Lowenstein, Sec'y. Mr. Frank Mingie, Mr. G. W. Millar and Mr. Allan Sharp are directors. This strong group promises plenty of aggressive action in Club activities. Mr. Newcombe covered over twenty obedience trials and tracking tests in U.S.A. last year, and planned and directed the utility course of the Club. Mr. McDougall has handled all trials as chairman of committee, meanwhile putting his Boxer through C.D. title.

Both Mrs. Birch and Mrs. Lowenstein handle "Minpoos", the latter with her C.D. (subject to qualification) in three straight trials. Mr. Allan A. Sharp, director, is the well-known obedience judge, who was responsible for the use of champions in advertising which has received so much favorable comment. Mr. Millar and Mr. Mingie both have C.D. dogs, one a "Minpoo" and the other a "Sheltie".

On July 7 the Club's annual dinner was held at the Montreal Badminton and Squash Club. An excellent dinner was enjoyed by some fifty members and guests. Speeches were kept to a minimum. However, groups of members were singled out for good work; first those who had worked hardest in past year, those who had done so well with their entries at recent M.C.O.C. trial at Senneville, with much applause for the handlers of the two winning brace, Shelties and Dobermans. The Club's Am. and Can. U.D. brought back eight prizes. The Training Directress, Mrs. Evelyn McCullough, and her assistants, received an ovation. Also two members who finished their C.D.'s at this trial in three straight (subject to confirmation). Mr. "Bill" Dunlop of the S.P.C.A. was saved until the end, as everyone knew the old maestro would be itching to tell a couple of good stories, and were we disappointed? "I should say not."

Graduation of beginners was held on July 10 at Club-quarters, with 36 dogs divided into three groups. Mr. and Mrs. Malcolm McDougall handled the judging assignment, which was very difficult, and required several run-offs. Mr. C. Wells received an advanced scholarship as the handler with dog most likely to do well in competition. Mrs. A. M. Birch, with Booboo, won advanced class. One novice group winner was Mrs. Jardine, with Sheltie "Kebbie". Second group was taken by Mr. A. Oldfield, with Doberman "Lindo". Miss Susan Doig received a cup for her Corgie, as most improved and youngest handler. Prizes were presented by Miss Myrtle Cook, women's sports editor of Montreal Star. It was easily seen that Miss Cook has not forgotten her own days of competition, as she stopped and spoke a word of praise and encouragement to each winner, and they one and all felt that they too would rise to the top. The capacity crowd heartily applauded the presentations and work of their favorites. Mrs. Evelyn McCullough received many congratulations and was delighted with the number that signed up for fall terms.

German Shepherd Dog Club of Canada

By MARY E. SOUTHCOTT

A SPECIALITY Show such as the one put on each year by the Club is hard to improve upon. Nevertheless, at the monthly meeting of the Directors on June 1, many new ideas were presented that should help make our 32nd Annual Specialty Show on September 18 a greater success than ever before. The name of our judge will be officially announced in the next issue of "Dogs in Canada", and our advertisement will appear shortly carrying further details of this important event.

Our Club also plans on sponsoring

HAVEN KENNELS

851 No. 3 Rd., R.R. 1, STEVESTON, B.C.

an All Breed Specialty Obedience Trial this year. Plans are underway for this venture. Busy people, the members of our Club.

Speaking of Obedience, the training classes we have been sponsoring in Toronto for many months, and which have proven to be extremely successful, will go on vacation after the graduation night on June 13, and resume again in the Fall.

The tea and bake sale put on by the Special Activities Committee on May 8 at the home of one of our members, Mrs. E. R. White, in Clarkson, netted a very tidy sum. We are planning to hold a rummage sale in the Fall, so anyone wishing to contribute saleable articles or clothing please contact the writer, who will see that it is picked up.

Our summer matinee shows got off to a flying start at the home of Mr. and Mrs. Bob Walker, in Hamilton, on May 9, and, despite a few odd showers, everyone, including the dogs, had a wonderful time. A number of members and their Shepherds gathered at Doug Ames' farm in Highland Creek on Sunday afternoon, May 30, and thoroughly enjoyed a novel game of "hide-and-seek" accompanied by their dogs—and Petunia, Doug's goat.

We will all be anxious to hear how Ken Holmes makes out upon his return from the Seeing-Eye Foundation in Morristown, N.J. He is the young blind man whom our Club is sending down there to train with and obtain a German Shepherd as a guide dog. Ken leaves in July, and our very best wishes go with him.

We are delighted to see so many of our members taking high honours at the championship shows this spring and hope they continue to be so successful.

Applications for Registration of Kennel Names

The following applications for registration of kennel names have been received by the Canadian Kennel Club, Inc. Any objection to the same must be received by the Secretary, 667 Yonge St., Toronto, on or prior to August 12, 1954:

BADENOCH—Jas. G. McFarland, Toronto, Ontario.

BEECHKNOLL (BLAIRSIDE)—Mr. Hilborn, Preston, Ontario.

GRACURT—W. C. Langille, Truro, N.S.

JAYCO—James Harrington, Cobourg, Ont.

MARI LES—Mr. and Mrs. L. May, Caledon, Ontario.

BRIGHT HOPE—Mrs. Lyle W. Jackson, Ottawa, Ont.

CATHAY—Mrs. Marguerite Locke, Haney, B.C.

CEDAR HAVEN—L. Griesbach, Fredericton, N.B.

DERVOCK (ROBLYNN)—Mr. and Mrs. G. Brackett, London, Ont.

DON-GLOR—Donald E. Robinson, Oshawa, Ontario.

DONNACHAIDH—W. G. Robertson, Halifax, N.S.

GLENSHEE—A. H. Thomson, New Westminster, B.C.

HARRINGTON FARM—Mrs. L. M. Harrington, Kentville, N.S.

HEARTHSTONE—Mrs. Lucille M. Goff, Toronto, Ont.

JO-RO—Mr. and Mrs. M. E. Whiteside, Bowmanville, Ont.

MAYTONE—Jack Helm Jr., and Anthony Aberhardt, Waterloo, Ont.

RED CAIRN—Fred R. Mansberg, Black Creek, B.C.

ROUGH WOOD—Richard E. Woodroffe, Arvida, Que.

THERESE—Joseph Halney, Comte Laval, Quebec.

THREE B's (BRIGHOUSE)—Barbara B. Barrett, Gander, Newfoundland.

Good Team-Work

(Continued from page 14)

most interested in. Yet there are too many members taking personal sides, which is not good for any Club. If these parties would only take their grievances to the Club meetings and discuss them there instead of all over there would be far less internal eruptions. One should work wholeheartedly for their breed, make finer displays, recognize a good dog, take their losses in as good spirit as they take their wins.

Let's all just remember one thing. All dogs have faults. There is no perfect dog. What one dog may lack another dog may have. And it is the difference of opinion that keeps us going to dog shows.

If you knew that a certain dog was going to go up, either you wouldn't show or you would try for a better one. This is a democratic country. No one makes any of us go to any particular show. It's a purely personal matter for each of us as to what we do and why. As breeders can't agree on dogs, how can one expect judges to agree?

At least, we can be good sports, congratulate the winner, root for the best dog to win, push our own breeds yet appreciate a good dog of another breed, try to see the excellent qualities rather than all the poor ones, and work together as a team and not small cliques. And if we cannot say something nice about a person, say nothing. It will really pay off in the end.

Exhibitors

(Continued from page 12)

Show-giving Club must rent these. Each year some are missing at the close of the show. Is this fair? We had to pay for 24 that were missing in one Show.

Some complain of the higher entry fee. Did you ever try to break it

down? For example, let us take the \$4.00 entry fee and a Show of 350 Dogs:

Fifty cents for recording fees for each dog leaves \$3.50.

\$350.00 for Judges (a conservative figure) \$1.00 each, leaves \$2.50.

Arena \$175.00 (average) 50c each, leaves \$2.00.

Benching, either rental or wear and tear, 50c each, leaves \$1.50.

Ribbons—Approx. \$125.00, 35c each, leaves \$1.15.

With this small amount a Club must collect enough advertising to pay for the printing and mailing of the Premium lists and catalogues. Enough trophies must be collected to make the Premium list attractive. So the "gate", and the \$1.15 for each dog must pay for all the incidentals, for paper for the benches, clean-up men, sawdust, advertising the show, and the many other small items; as well as the Class money.

Think it over!

After reading this article you may never want to exhibit at any show the writer works on again. Let us all resolve to think a moment before entering at the next show, and then resolve to do our part to make the Show the success we would like it to be.

Tracking Tests

(Continued from page 7)

provided handler has not passed the second flag. He is now told to relax for a few minutes, as the track over which the track-layer passed sometime earlier is not "cured" sufficiently. Ten minutes pass. Now, 45 minutes after track-layer scuffed his feet at start, and finished this track, the handler is told he may "start."

Dog Picks Up Scent

The dog is led quietly to the first marker where the breast collar is put on and adjusted. The handler arises, holding lead short, and throws out the coil behind him, where it will readily unwind. He downs his dog and gently

pushes his head down, so he can fill his nostrils with the strange scent about the first marker, around which the track-layer has earlier dragged his leather-soled shoes. (The handler does not have to down his dog. If he prefers, he may lead him slowly forward, guiding him on side of stick toward which the breeze is blowing the scent, clearly indicated by flag).

As the retriever approaches the second and last marker, the handler plays out lead, as he must allow the dog to work at least 25 feet ahead of him. The remainder of the long leash drags along the ground as it unwinds from the carefully prepared coil. The dog passes the second marker and is now on his own, while ahead of the handler stretches open field with no guiding fences or other possible directional aids; just the retriever, head high, nostrils quivering, and pulling slightly on the taut lead.

Small dogs will often work with nose to trail, whereas the bigger dogs will work with head in the air. A strong cross wind may blow the floating scent well to one side of the track, and the dog will follow it. The retriever comes to the first of the right-hand turns, and in his eagerness over-runs the track. He then starts circling, to again pick up the scent. The handler takes in, hand over hand, the slack of the lead, slowly backing up on the track over which he had just walked, to avoid catching the dog's leg in a loose lead. If this should happen, or if the dog becomes tangled with a thorn branch, etc., the handler can free the dog, but in no case can he guide or assist the dog with the leash in his work.

Plotting Dog's Movements

The retriever can find the scent again and relocate the track, which the handler cannot, so it is advisable to refrain from talking to the dog. The judges are meanwhile plotting the dog's movements on charts of the original track, which they have carefully oriented with local landmarks shown on maps prepared in advance. Should the dog definitely stop working, or get badly off the track, you will hear a shrill whistle. That means "Failed", and you are out.

On the other hand, if the dog negotiates the track, over its 440 to 500 yards, successfully following the scent around turns, and locates and retrieves the glove or wallet dropped by the track-layer, the dog will be marked "Passed", and will, when his work is confirmed by the Kennel Club, join the small elite with a T.D. for his fine work.

The two judges are able to observe most of No. 1 track from a low knoll, and so save themselves a great deal of leg work. The gallery is asked to remain quiet at the start, and be restrained by stewards until the retriever is well past the first right-angle turn. The spectators then take places on the knoll at a short distance to the rear of the judges. They hear the whistle and know what it means.

Second Dog Up

No. 2 dog is now coming up. He will have to wait his starting signal, while the judges regretfully mark "Failed" on the charts on No. 1, and prepare maps for track 2. The gallery moves along a cow path, through a little copse, to a stone farm fence dividing the next field, where they select the best vantage points. Two more flags can be seen in the distance, while on No. 1 stands the Golden Retriever. His owner leans over him, talks low, softly ruffles his coat, proud of his game try. He blames himself for "pulling" the dog and forgets, for the time, the time and effort spent in training.

Five dogs follow one another during the morning, and four more during the afternoon. One only, a Standard Poodle is "Passed"; to his surprise and to that of his owner, covering the track and locating the object left by track-layer in fifteen minutes, which time is also marked on charts by judges. The weather remained fine throughout the day, and those who had brought picnic lunches, especially enjoyed the noon interval. It also assured the handlers and spectators who had motored long distances, a glorious evening for the homeward drive.

Working In Rain

By contrast, one October Tracking Test was held in a continuous all-day rain. But the dogs worked just the same. Five dogs tracked in the morning, and the other five finished in the afternoon. Every one was soaked. But dry clothes, and a little good cheer, in front of a log fire and an excellent dinner, the rain was forgotten. The losers heartily congratulated the winners, and in new friends and experiences gained, the losers too became winners.

MEETING OF BOARD OF DIRECTORS

MAY 11th, 1954

2765 A regular monthly meeting of the Board of Directors of The Canadian Kennel Club was held in the Club's offices, 667 Yonge St., Toronto, Ontario, on Tuesday, May 11th, 1954, commencing at 10.15 a.m., with the President, Mrs. Alva McColl, in the Chair, and the following present: Mrs. M. Eileen McEachren, J. H. Daniell-Jenkins, J. W. MacCallum, W. J. Monaghan and Mrs. N. T. Smith. The President called the meeting to order when the meeting was informed that Mr. MacKendrick would be unable to be present.

The President reported that at her request Director Mr. MacCallum had brought a tape-recorder to the meeting, was prepared to loan the machine on a trial basis, and sought the Board's wishes with regard to use of the machine.

During the discussion which followed, it was unanimously agreed that a stenographer on the staff should also record proceedings at the meeting, and the tape recorder be used to verify motions adopted by the Board.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Smith:

"THAT, the stenographer be present to record the proceedings of the meeting."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan and Mrs. Smith.

Motion carried. It was regularly moved by Mrs. McEachren, seconded by Mr. Daniell-Jenkins:

"THAT, the recording machine be used, on a trial basis, to authenticate all motions."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan and Mrs. Smith.

Motion carried.

2766 (2752).—MINUTES

The President reported that in accordance with the Board's instruction on the procedure to be followed in connection with corrections in the minutes of the annual meeting of the Board, (Item 2752), the Secretary had forwarded to all members of the Board a list of the corrections which any individual members of the Board had proposed, and a tabulation of the votes, on each proposed correction, indicated that the following corrections had received a majority of affirmative votes: (Note: The corrections listed here were incorporated in the minutes published in the May issue).

It was regularly moved by Mrs. McEachren, seconded by Mr. MacCallum:

"THAT, we approve these corrections in the minutes of the annual meeting of the Board of Directors held on February 1st, 2nd and 4th, 1954, as received a majority of affirmative votes, and as agreed at the meeting of the Board held on March 23rd, 1954."

Mr. Monaghan, seconded by Mrs. Smith, proposed that this motion be amended by the addition of the words "and in addition the other proposed corrections referred to the Board to be voted upon."

The President stated that the amendment to the motion was a contradiction of the motion which the Board, at its meeting on March 23rd, had adopted in fairness to the entire Board, and ruled the amendment out of order.

The President called for a vote on the original motion, moved by Mrs. McEachren, seconded by Mr. MacCallum, with the following results:

FOR THE MOTION: Mrs. McEachren, Mr. MacCallum, Mr. Monaghan, Mrs. Smith.

AGAINST THE MOTION: Mr. Daniell-Jenkins.

ABSTAINED FROM VOTING: Mr. Daniell-Jenkins.

The President cast a tie-breaking vote in favour of the motion and declared the motion carried.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Smith:

"THAT, the remaining proposed corrections be also approved."

FOR THE MOTION: Mr. Monaghan, Mrs. Smith.

AGAINST THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum.

Motion lost. The President asked for a motion to adopt the minutes as corrected.

It was regularly moved by Mr. MacCallum, seconded by Mrs. McEachren:

"THAT, we adopt the minutes of the meeting of the Board of Directors held on February 1st, 2nd and 4th, 1954, with corrections approved by majority vote of the Board."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan and Mrs. Smith.

Motion carried.

The President reported that a majority of affirmative votes was registered on all her proposals with regard to abbreviations and deletions as submitted to the Board under date of April 19th. A discussion followed on the Board's approval of the proposal to abbreviate those sections of the minutes relating to the report of the committee on "Dogs in Canada", and also in connection with the standing resolutions approved by the Board. The President pointed out that the Board at its meeting on March 23rd had agreed on a policy with regard to abbreviations and deletions, that in accordance with that policy the entire Board had been polled, and the vote of the entire Board should now be confirmed by a resolution.

It was regularly moved by Mrs. Smith, seconded by Mrs. McEachren:

"THAT, this Board approves the deletions and abbreviations approved by majority vote of the Board."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan and Mrs. Smith.

Motion carried.

The Secretary read a letter from Dr. Watson who expressed the opinion that:

(a) The votes of out-of-Ontario members of the Board should be recorded, in the minutes, on all matters referred to the national Board for comment or vote;

(b) No motion should be recorded as carried "unanimously" when any member of the Board has, by letter, indicated his disapproval of the proposal or action covered by the motion.

In the discussion which followed it was agreed that while the

opinions of members of the Board not present should be recorded, their "votes" could not be recorded (except on specific motions referred to the national Board to be voted upon) inasmuch as final motion may be varied to an extent which would cause a member of the Board not present at the meeting to alter his vote. It was unanimously agreed that no motion should be recorded as "carried unanimously" when any member of the Board had indicated, by letter, that he does not approve the proposal on which he has been consulted by mail.

The Secretary placed before the Board the minutes, as he had prepared them, of the meeting of the Board of Directors held on March 23rd, 1954. The Secretary read a letter from Mr. Monaghan stating that the minutes submitted to the Board by the Secretary completely and correctly reports what transpired at the meeting.

The President stated that the Dog Show Rules had been printed with Chapter 7 included in its entirety, that a letter had been received objecting to remarks made with regards to this subject as included in Item No. 2760 and that she was of the opinion that further embarrassment would be avoided if Item No. 2760 was expunged from the minutes. Mr. Monaghan stated that he would not favour expunging, but he suggested that consideration be given to deleting the item from the published minutes.

The Secretary read a letter from Mrs. Mack who stated that when questions are put to the Board by mail and members of the Board reply intelligently, they do not expect nor should be subjected to condemnation and criticism of the "sitting Board" without the opportunity of defending themselves. Mrs. Mack referred to a statement, in Item No. 2760, to the effect that the Board would be derelict in its duties if it does not take immediate steps to implement the provisions of Chapter 7, of the Dog Show Rules and stated that the Board had not been asked to vote on the wishes of the members, that in 1953 and again in 1954 the Board had sought to take "immediate steps" in that connection, and apparently Mr. Monaghan wished that anything the Board might endeavour to do be delayed until the Standing Committee is consulted. Mrs. Mack pointed out that while the motion referred to "lack of unanimity and complete vote", the minutes indicated a majority in favour of the President's recommendation.

Following discussion the following corrections were approved: (Note: The corrections listed here were incorporated in minutes published in the June issue).

It was regularly moved by Mrs. McEachren, seconded by Mrs. Smith:

"THAT, the minutes of the meeting of the Board of Directors held on March 23rd, 1954, as corrected, be adopted."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan and Mrs. Smith.

Motion carried.

The Secretary read a letter from Mr. Irving who referred to the Board's decision (Item No. 2719) to consult Retriever clubs on a number of questions relating to Retriever trials, when the Board in 1952 had already reached a decision on a number of the questions to be referred to the Retriever clubs, and suggested that the Secretary be instructed to have the minutes indexed in order to prevent a re-occurrence of this and other occasions when immediate information was not available on decisions reached by the Board.

Mr. Monaghan stated that at an earlier meeting he had suggested that all decisions reached by the Board, which were intended to remain in effect until otherwise ordered by the Board, should be listed and brought forward at each annual meeting of the Board for confirmation as policy until otherwise ordered by the Board.

It was left with the Secretary to communicate further with Mr. Irving in connection with his suggestions.

The President reported that by a small majority the Board had approved the proposed correction with regard to addition, to the minutes of the annual meeting of the Board, of a motion appointing a Standing Committee on Obedience, however, this correction had not been included with the earlier approved correction for the reasons that the stenographer's record of proceedings did not disclose that any voting had taken place on the motion to appoint the Committee, and one member of the Board had stated that the name of the proposer of the motion, as listed in the proposed corrections, was not correct. The President suggested that in order to remove any question regarding the Committee, that the Board now adopt a motion setting up the Committee along the lines which several members of the Board had suggested at the annual meeting of the Board.

It was regularly moved by Mrs. Smith, seconded by Mr. Daniell-Jenkins:

"THAT, we do hereby appoint a Standing Committee on Obedience, the Committee to be composed of Mrs. Pamela Mack as Chairman, Mr. Alan Sharp, Mr. Frank Mingie, and Miss Dorothy Budge and all officially appointed Obedience Trial Representatives, this Committee to consider and recommend to the Board of Directors on all matters relating to Obedience."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan and Mrs. Smith.

Motion carried.

Following discussion it was regularly moved by Mrs. Smith, seconded by Mr. Monaghan:

"THAT, we publish the complete list of Standing Resolutions in the next issue of 'Dogs in Canada'."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan and Mrs. Smith.

Motion carried.

Mr. Daniell-Jenkins referred to the vote of the Board on the abbreviation of Item No. 2697 with regard to the report of the Committee on "Dogs in Canada", and contended that for the information of the membership at large and because the Committee's report was to be placed before the Board of Directors, the Committee's report should be published in full.

The President stated that she had a recollection that at the time something was said about publishing the Committee's recommendations only, and stated that there may be parts of the Committee's report which included provocative material, and enquired whether the Chairman of the Committee would be prepared to discuss with her those parts of the report.

Mr. Daniell-Jenkins expressed the view that the Committee's findings and recommendations should be published in full.

It was regularly moved by Mrs. Smith, seconded by Mr. Monaghan:

"THAT, the Committee on 'Dogs in Canada' had reported as they were instructed by the 1953 annual general meeting, to the Board of Directors, and this Board feels that the membership in general should have a full and complete record of this report, therefore, it is to be published in the next issue of 'Dogs in Canada'."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan and Mrs. Smith.

Motion carried.

2767 (2738). FINANCIAL MATTERS

The Secretary placed before the Board the audited financial statement for the first quarter of 1954. This statement showed a net profit for the period of \$4,525.33 as compared with \$3,118.91 for the same period in 1953.

Mr. Daniell-Jenkins stated that a "Dogs in Canada" Committee had functioned with the Editor with favourable results in 1953, and suggested that another such committee be appointed to be concerned strictly with the financial side of the publication of "Dogs in Canada".

The President suggested that no action should be taken which would tend to discourage the Editor. Mr. Daniell-Jenkins stated that the intention of the Committee was simply to advise the Editor on financial matters relating to the publication of "Dogs in Canada", and he suggested that before any action was taken along the line indicated by the resolution that the entire Board be consulted.

It was regularly moved by Mr. Daniell-Jenkins, seconded by Mr. Monaghan:

"THAT, subject to the approval of the national Board, the Board be empowered to set-up a Publications Committee to assist the Editor of 'Dogs in Canada' on the financial side of the magazine's operations."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan and Mrs. Smith.

Motion carried.

It was then regularly moved by Mrs. McEachren, seconded by Mr. MacCallum:

"THAT, subject to the approval of the national Board, the committee be composed of Mr. S. Back, Mr. W. J. Monaghan and Mr. W. H. MacKendrick, with Mr. Back as Chairman, and that Mr. Daniell-Jenkins be named as an alternative in the event that Mr. MacKendrick is unable to serve on the committee."

FOR: Mrs. McEachren, Mr. MacCallum and Mrs. Smith.

ABSTAINED: Mr. Daniell-Jenkins and Mr. Monaghan (being named in the motion.)

Motion carried.

The Secretary pointed out that in the 1948 financial statements an amount of \$2,000.00 was set aside towards the publication of a stud book for 1948, that typing of the copy for the stud book was commenced by the Live Stock Records office but was discontinued, before completion, on the order of the Board, and that following payment to the Live Stock Records for the typing which had been completed, there was left a balance in the financial statement of \$1,674.16, which, since that time, had been carried forward as a liability. The Secretary questioned the wisdom of continuing to show this amount as a liability inasmuch as it would be by no means adequate to cover publication costs of stud books not published since the last published stud book (Volume 51 for 1947).

It was unanimously agreed that the reserve for the publication of the 1948 stud book be transferred to the surplus account and the adjustment be clearly shown when the financial statement is published.

The President suggested that additional renewals of membership could be obtained if a further notice was sent out to those who were members in 1953 but had not renewed in 1954. Mr. Monaghan expressed the view that the majority of those who intended to renew had, no doubt, done so and that costs of such a notice would not justify benefits which may be derived in the way of additional renewals.

The President reported that a small notice was being published in the May issue of "Dogs in Canada" with a view to interesting other persons in applying for membership.

The Secretary reported that the auditors had offered to review the accounting system and he had in mind certain adjustments which would enable him to advise the Board and the members monthly of the Club's financial position. Mr. Monaghan contended that the quarterly statement was sufficient. No action was taken.

It was regularly moved by Mr. MacCallum, seconded by Mr. Daniell-Jenkins:

"THAT, we receive the financial statement for the first quarter of 1954 as submitted by the Club's auditors."

FOR: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan and Mrs. Smith.

Motion carried.

The Board recessed for lunch and later reconvened with the President in the Chair and the following members of the Board present: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum and Mr. Monaghan.

Mrs. Smith re-entered the meeting.

2768. LETTER FROM THE ASSOCIATION OF CANINE CLUBS (ONTARIO)

The Secretary read a letter from the Secretary of the Association of Canine Clubs (Ontario) who reported that at a meeting of the Association the following resolution was passed with instructions that it be forwarded to the Board of Directors of the Canadian Kennel Club:

"THAT, this Club expresses its approval of any move on the part of the Canadian Kennel Club toward easing import regulations for exhibitions at the American shows and suggests that an early solution would be much appreciated."

The Secretary read a letter from Mr. Irving who referred to the minutes of the annual meeting of the Board in February, 1952, and stated that he hoped this proposal would receive more support than his efforts to get the Club to facilitate the entry of Canadian owned dogs into the United States for show purposes.

Following discussion it was unanimously agreed that the Secretary would arrange for a notice to be published in "Dogs in Canada" advising Canadian exhibitors of the procedure to

be followed in using the Y-38 form when clearing dogs into the United States for show or trial purposes.

It was suggested that an effort be made to arrange for American showgiving clubs to include in their premium lists advice to Canadian exhibitors on how to clear their dogs into the United States, for show purposes, when using the Y-38 form.

It was left to the Secretary to reply to the letter received from the Association of Canine Clubs (Ontario).

2769. LETTER FROM GERMAN SHEPHERD DOG CLUB OF CANADA

The Secretary read a letter from the Secretary of the German Shepherd Dog Club of Canada who enquired whether there is "such a thing as 'member clubs' in the Canadian Kennel Club", and who also reported that the club desired that a delegation of two or three of its directors be permitted to attend a meeting of the Board of Directors of the Canadian Kennel Club to discuss the possibility of their club being "officially recognized as the parent German Shepherd Dog Club for Canada."

During the discussion which followed it was pointed out that at the recent annual general meeting the members discussed a proposed amendment to the By-laws which would set up an additional class of members, namely "member clubs", and, depending on the action of the Amendments Committee and the wishes of the sponsors of this proposal, this proposed amendment may appear on the next referendum ballot to be voted upon by the members entitled to vote.

The Secretary was directed to advise the German Shepherd Dog Club of Canada that at the present time no provision exists in the By-laws of the Canadian Kennel Club regarding member clubs, nor does any provision exist for the Club to recognize any particular specialty club as being the parent club for the breed.

2770. LETTERS RE DATE OF ANNUAL GENERAL MEETING.

The Secretary read letters from the London Canine Association and the Forest City Kennel Club suggesting that the annual general meeting of the Canadian Kennel Club be held on a week-end in order that a greater number of members would be free to attend the meeting.

The President reported that at a gathering of members which she had addressed at Windsor, many members supported the proposal that the annual general meeting be held on a Saturday in order that those who could not, for employment reasons, be present on a week day, could attend.

Following discussion the Secretary was directed to communicate with members of the Board not present and secure their comments on the possibility of the annual meeting of the Board commencing on the Friday following the Westminster Kennel Club show, the annual general meeting to be held on the Saturday, and the annual meeting of the Board to continue on the Monday and either adjourn on the Monday or on the Tuesday.

2771. LETTER RE GRADING OF DOGS AT SHOWS

The Secretary read a letter, signed by a number of members, requesting the Board of Directors "to take immediate action leading to the adoption of rules and regulations to govern a method of grading pure-bred adult dogs in Canada and awarding 'Champion of Conformation' certificates on the basis of three or more 'Excellent' ratings as an alternative to the present '10 points' methods for those who want it. The letter further stated that "The grading of pure-bred adult dogs in Canada must come under responsible supervision" and "Every effort should be made for its establishment, growth and development within C.K.C. jurisdiction."

The President expressed the view that while the proposal had merit, it could not be implemented until the necessary amendments to the Dog Show Rules had been approved by Referendum Ballot.

Mr. Monaghan referred to his suggestion that a meeting with the Minister of Agriculture be sought, and suggested that the views of members of the Board be sought on a number of possible means of implementing the provisions of Article XXXVI (Improvement of Stock) of the By-laws, that these views be placed before the Board at its next annual meeting for the Board's consideration at which time consideration could also be given to seeking a meeting with the Minister.

The Board approved the President's suggestion that these proposals be communicated to the national Board, and that in the meantime the letter received with regard to the grading of dogs be acknowledged with advice that the proposal is being considered along with other means of implementing the provisions of Article XXXVI of the By-laws.

2772 (2707). STUD BOOKS

The Secretary referred to the decision of the Board at its annual meeting to publish a stud book for 1953, and sought an instruction with regard to the following: format and content of the volume, price to be charged to members and others, notice regarding orders and closing date for receipt of orders, and number of copies to be printed. A quotation on the printing of a volume containing an anticipated 640 pages, in varying quantities, was placed before the Board.

The Secretary read a letter from Mr. Irving who suggested that before the new stud book is printed a study should be made of the new style of stud books now being published by the American Kennel Club and of their practice of including in their stud books only those dogs the sire or dam of registered progeny, an arrangement which he felt would result in considerable financial saving.

Following discussion it was agreed that the same format would apply in connection with the stud book for 1953, and the Secretary was instructed to request the Canadian National Live Stock Records to proceed with the preparation of the copy, the volume to contain the same material as before except for the deletion of the list of members.

The Secretary read a letter from Mrs. Gove who suggested that orders for the volume be sought by a circular letter to members, and who expressed the opinion that the price for the volume would depend on advertising in the volume and printing costs.

Mr. Daniell-Jenkins, Chairman of the Committee responsible for advertising in the volume, expressed the view that advertising could not be solicited until the price per page was set, and the price per page would depend on known circulation.

A discussion followed on the questions of quantity of the volume to be ordered, its distribution, the price (if any) to be charged for the volume, and the price per page for advertising. The Secretary was instructed to seek the views of the national Board on these questions, all such views to be placed before the Board at its next meeting for consideration.

2775 (2637). CHINESE CRESTED DOGS.

The Secretary referred to a request, previously considered by the Board, that the Chinese Crested Dog be added to the list of recognized breeds for registration and competitive purposes. The Secretary reported that in accordance with the Board's direction enquiries were made with regard to the breed and it was found that the breed was not one recognized by the American Kennel Club for registration purposes although it was permitted to compete in the Miscellaneous Class (no championship points), and that while the breed was one recognized by the Kennel Club (England) none had been registered in their records since 1880.

The Secretary reported that the person seeking recognition of the breed, had moved from British Columbia to the United States, and it was the recommendation of Mr. Irving that no further action be taken.

Mr. Irving's recommendation was unanimously approved.

2776 (2762). ADDITION TO STANDARD OF AMERICAN COCKER SPANIELS (BLACK AND TAN)

The Secretary read a letter from Mr. Reg. P. Sparkes, dated May 6th, in which Mr. Sparkes stated that he was very concerned over the fact that the standard for the black and tan Cocker Spaniels had been altered by the Board, and that as a breeder of Cocker Spaniels of this variety he wishes to know under whose authority the Board of Directors secured the power to change the standard of any breed.

The Secretary reported that:

- In letters dated March 19th and May 4th, Dr. Watson stated that altering standards "is a tricky business at best", that a delay now would be far better than further alterations later, and suggested that the sponsor of the change in the standard of the colour definition of the Black and Tan variety provide the Board with a resume of the reasons for the revision of the standard in this connection, and some idea of the backing for the revision, this information to be published in the magazine with a clear and concise resume of the Board's actions on the matter with a statement that provided no complaints or comments are received the Board intends to act on the motion which it unanimously adopted at its annual meeting;
 - Mrs. Gove was of the opinion that if delay in implementing the revision will result in harmony, she would support such a delay;
 - Mr. Irving had suggested that the attention of the Cocker Spaniel Club of Central Ontario be drawn to the notice published in the July (1952) issue of "Dogs in Canada" seeking comment on the then proposed revision of the standard, and of the letter addressed to the Association on August 31st, 1953, specifically seeking the views of the Association on the subject;
 - A letter from Mr. Williams suggesting further consideration and consultation "be indulged in by the Secretary and a Committee representative of Cocker Spaniel breeders";
 - A letter from Mrs. Mack suggested that no action be taken at this time to forward copies of the revision to the American Kennel Club, the Cocker Spaniel Visitor, and the three main all-breed magazines published in the United States.
- Following discussion the Secretary was directed to supply the information requested by Mr. Sparkes, and on the President's recommendation it was agreed that the matter be held in abeyance.

2777 (2759). APPOINTMENT OF COMMITTEES AND REPRESENTATIVES

DUTIES OF REPRESENTATIVES

The Secretary reported that Mr. Taylor had recommended the appointment of the following as the Advisory Provincial Committees for the several Maritime provinces:

- NEW BRUNSWICK: W. W. Laskey, Dr. A. E. McEwen, Robert Laskey, C. C. Sullivan, and J. D. Campbell.
NOVA SCOTIA: Mrs. P. A. Margeson, Dr. Malcolm Macauley, Samuel Kominsky, P. W. Tupper and Edison MacNeill.
PRINCE EDWARD ISLAND: F. A. S. Jones.
NEWFOUNDLAND: Hon. Harold MacPherson.

It was regularly moved by Mrs. Smith, seconded by Mrs. McEachren:

"THAT, Mr. Taylor's recommendations be and are hereby endorsed, and the members named be and are hereby appointed the personnel of the Advisory Provincial Committees named by Mr. Taylor."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan and Mrs. Smith.

Motion carried.

The Secretary reported that Mr. Irving had recommended the appointment of the following as the Advisory Provincial Committees for British Columbia:

MAINLAND: W. H. Pym, R. W. Hatley, O. S. Balshaw, Miss Joan Ralston, and E. Cargill.

VANCOUVER ISLAND: A. H. Dodds, Fred Dodsworth, Miss Lillian Hickling, Walter J. Pym, and D. B. Hudson.

It was regularly moved by Mr. MacCallum, seconded by Mrs. Smith:

"THAT, Mr. Irving's recommendations be and are hereby endorsed, and the members named be and are hereby appointed the personnel of the Advisory Provincial Committees named by Mr. Irving."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan and Mrs. Smith.

Motion carried.

The Secretary reported that Mr. Irving had recommended the appointment of Dr. E. H. Sproston as Field Trial Representative (Retrievers) for British Columbia for the current year.

It was regularly moved by Mrs. Smith, seconded by Mrs. McEachren:

"THAT, Dr. E. H. Sproston be and is hereby appointed the Field Trial Representative (Retrievers) for British Columbia for the current year."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan and Mrs. Smith.

Motion carried.

The Secretary reported that Mr. Irving had recommended the appointment of Mr. R. W. S. Johnston as Obedience Trial Representative for British Columbia for the current year.

It was regularly moved by Mr. Monaghan, seconded by Mr. MacCallum:

"THAT, Mr. R. W. S. Johnston be and is hereby appointed the Obedience Trial Representative for British Columbia for the current year."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan and Mrs. Smith.

Motion carried.

The Secretary reported that the All-Canadian Foxhunters' Association had nominated Mr. E. D. Bonnyman as Field Trial Representative (Foxhounds) for Ontario for the current year.

It was regularly moved by Mr. Monaghan, seconded by Mrs. McEachren:

"THAT, Mr. E. D. Bonnyman be and is hereby appointed the Field Trial Representative (Foxhounds) for Ontario for the current year."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan and Mrs. Smith.

Motion carried.

The Secretary reported that he had proceeded as instructed by the Board (Item No. 2759) with regard to the appointment of a Field Trial Representative (Beagles) for Ontario for the current year, and reported that the ballots returned by Beagle clubs showed a majority favouring the appointment of Mr. Joe F. Tiede.

It was regularly moved by Mr. MacCallum, seconded by Mrs. Smith:

"THAT, Mr. Joe F. Tiede be and is hereby appointed the Field Trial Representative (Beagles) for Ontario for the current year."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan and Mrs. Smith.

Motion carried.

The Secretary was instructed to communicate with Mrs. Gove and seek an early recommendation with regard to the appointment of a Field Trial Representative (Retrievers) for the Province of Manitoba.

The Secretary reported on enquiries received for information as to the duties of Field Trial Representatives and Obedience Trial Representatives. The Board approved the President's suggestion that the views of all members of the Board be sought for the consideration of the Board at its next meeting, at which time the Board could set forth the duties of the Representatives in the form of a Standing Resolution.

The Secretary placed before the Board Mr. Monaghan's suggestion that Field Trial Council be invited to meet with the Board at its June meeting, and reported that:

- Dr. Watson, noting that the Field Trial Council comprised all Field Trial Representatives, had pointed out that such a meeting could only be attended by the Field Trial Representatives in Ontario, questioned the validity of any such meeting deciding on field trial matters affecting the entire country, and suggested that a fairer approach would be to seek the written opinion of all Field Trial Representatives, these opinion to be collated by the Secretary and distributed to all members of the Board for their consideration and comment before any decisions are reached;
- Mr. Irving had enquired what is to be accomplished at such a meeting;
- Mrs. Gove had pointed out that either the meeting would be attended only by Eastern Representatives or it would be necessary for the Western Representatives to travel to whatever point was set for the meeting.

Mr. Monaghan stated that no doubt the provincial Directors consulted their local Field Trial Representatives from time to time, and the local Directors should do the same in connection with field trial matters of Ontario interest.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Smith:

"THAT, the Field Trial Representatives in Ontario be invited to meet with the Board at the June meeting."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mrs. Smith, and Mr. Monaghan.

Motion carried.

Following discussion it was unanimously agreed that the Field Trial Representatives would be invited to meet with the Board from 2.00 to 3.00 p.m. and the Secretary would request the Representatives to indicate in advance those matters which they would like to discuss with the Board.

2778 (2698). RECIPROCITY AGREEMENT WITH KENNEL CLUB

The Secretary reported that in accordance with the Board's instruction, the communication received from the Kennel Club together with proposed form of reciprocity agreement had been referred to the Club's solicitors, and advised that a copy of the solicitors' opinion had been forwarded to all members of the Board.

The Secretary reported that Mr. Irving was of the opinion that an agreement should be entered into provided the terms of such agreement did not conflict with the Club's powers.

The Board noted that the Canadian Kennel Club did not have a reciprocity or other form of agreement with any other national kennel club, and being of the opinion that the friendly relations and co-operation between the two Clubs would continue without any formal reciprocity agreement, it was unanimously agreed that a reciprocity agreement be not entered into at this time. The Secretary was instructed to communicate the Board's views to the Kennel Club.

2779 (2722). PRINTING OF OBEDIENCE TRIAL REGULATIONS

The Secretary reported that in order to simplify the obedience trial regulations and remove any existing conflicts, he had redrafted the regulations by combining the existing regulations with those parts of Section 1 of the A.K.C. Regulations, and a draft had been forwarded to all members of the Board and the Obedience Trial Representatives along with other explanatory material.

The Secretary reported that comments have been received in connection with this memoranda.

Following discussion it was regularly moved by Mrs. Smith, seconded by Mrs. McEachren:

"THAT, the Obedience Trial Regulations be printed immediately except for such changes which should now be made in the light of the comments received."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan, and Mrs. Smith.

Motion carried.

2780. APPROVAL OF JUDGES

The President reported that the views of the entire Board had been sought on her recommendation that pending the setting up of the machinery required for the proper enforcement of Chapter 7 of the Dog Show Rules, the following temporary policy be approved:

- (1) Every person selected to judge at a championship show for which approval of selected judge (or judges) had not yet been granted be required to complete and submit the "Application for Approval to Judge" form approved by the Board of Directors in 1952;
- (2) If the application shows that the applicant has previously judged (at championship shows) the breed or breeds for which he has been selected to judge, approval be granted automatically subject to the time and location of show policy already approved by the Board;
- (3) If the application does not indicate that the applicant has previously judged (at championship shows) the breed or breeds for which he has been selected to judge, approval be granted for one show only, and a copy of the application be forwarded to all members of the Board for their inspection and recommendation as to future approval. Only if a majority of the Board favour the temporary approval will further judging engagements be approved;
- (4) This entire arrangement is strictly temporary pending the setting up of the machinery required for the proper enforcement of Chapter 7 of the Dog Show Rules.

The President reported that this recommended policy had been approved by Mrs. McEachren, Mr. MacKendrick, Mr. MacCallum, Mrs. Mack, Mrs. Gove, Mr. Taylor, Mr. Irving, Miss Hammond and Mrs. Smith, that Mr. Monaghan had recorded his opposition to the temporary policy as set out and expressed the opinion that the matter should be referred to the Standing Committee on Approval of Judges (Procedure) first, and that Mr. Williams and Dr. Watson had not recorded any opinion with regard to the proposed temporary policy. Mr. Daniell-Jenkins expressed his approval of the President's recommendation.

Following discussion it was agreed that before a person selected to judge at a championship show under C.K.C. rules may be approved to judge the person must:

- (1) Complete and submit to the Canadian Kennel Club an "Application for Approval to Judge"; and
- (2) Must give an affirmative answer to the following questions in said application:

"27. If required, do you agree to give a demonstration of your knowledge of the standard or standards of the breeds for which you are applying for approval to judge?"

"28. If required, do you agree to give a demonstration of your knowledge of judging procedure?"

"29. Do you agree to undertake a written examination if and when so requested by the Board of Directors?"

"30. Do you agree to give a practical demonstration of judging under a person or persons selected by the Committee of the Club, if the Board should decide this is advisable?"

2781 (2761). SHOW & TRIAL MATTERS

The Secretary reviewed correspondence with the Central Canada Exhibition who requested approval of Mr. Peter Smith as judge of certain breeds in the Working Group at their show to be held August 28th. The Board noted that Mr. Smith had been approved to judge all breeds in the Working Group at the Hamilton Kennel Club championship show to be held on June 26th. Following discussion it was agreed that the time spread between the Hamilton Kennel Club and Central Canada Exhibition shows was not sufficient to justify an exception to the policy approved by the Board (Item No. 2761), and the Secretary was instructed to communicate with the Central Canada Exhibition and request that they make another selection of judge for the breeds which they wished to assign to Mr. Smith.

2782 (2707). INSPECTION OF PRIVATE BREEDING RECORDS

The President referred to the discussion at the annual meeting of the Board on the question of periodic inspection of breeders' private breeding records, and reported that this subject had been discussed with officials of the Department of Agriculture following the Live Stock Records Board meeting in March. The President reported that the Departmental officials were of the opinion that such inspection, when made, should not be made alone by a Field Man of the Department, but may be made, when desired, by a Field Man accompanied by the Secretary or Director of the Club.

The Secretary read a memo from Mr. Irving who stated that he failed to see the advisability or the practicability of an official of the Club accompanying a Field Man, and who pointed out that except in the case of inspection of records of nearby breeders, considerable time and expense may be involved in a Director accompanying the Field Man.

Following discussion it was agreed that no action be taken in the matter at this time.

—Mrs. McEachren left the meeting at this time (5:30 p.m.).

2783 (2757) KENNEL NAMES

The Secretary referred to the policy adopted by the Board at its annual meeting (Item No. 2717) with regard to kennel names, and sought an instruction with regard to approval (or otherwise) of the following kennel names: HARMONY HILLS, RIDEAUCIFFE, and MacGILLYCUDDY'S.

Following discussion the Secretary was authorized to approve these proposed kennel names.

The Secretary sought an instruction with regard to the approval (or otherwise) of the proposed kennel name KOOTENAI, and was instructed to seek and be governed by the recommendation of Mr. Irving.

The Secretary sought an instruction with regard to the approval (or otherwise) of the proposed kennel name CARMAUR, against which an objection had been received from the recorded owners of the kennel name CANMORE. The Sec-

retary was instructed to seek and be governed by the recommendation of Mr. Irving, the applicant for the name CARMAUR being a resident of British Columbia.

The Secretary reported on correspondence with Alfred R. Pelissier, Dryden, Ontario, with regard to his application for registration of kennel name. It was unanimously agreed that the kennel name FAYADE be granted to Mr. Pelissier if that name was satisfactory to him.

2784 (2739). IDENTIFICATION (CODING NOSE-PRINTS)

The Secretary referred to a previous request that Superintendent Wonnacott of the Royal Canadian Mounted Police be provided with nose-prints in order that Superintendent may do research work, on an unofficial and purely personal basis, with a view to determining whether it was possible to classify nose-prints by code.

Following discussion it was regularly moved by Mr. Daniell-Jenkins seconded by Mrs. Smith:

"THAT, the Secretary be instructed to write to Superintendent Wonnacott informing him that we have heard that he wishes co-operation in some research on nose-printing, and to ask him if this is correct, and if so, in what way can we help him."

FOR THE MOTION: Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan, and Mrs. Smith.

Motion carried.

2785 (2727). APPROVAL OF JUDGES (PROCEDURE) COMMITTEE

Mr. Monaghan asked the Board to name a Zone Chairman for the province of Ontario (Chapter 7, Section 1 of the Dog Show Rules).

Following discussion it was regularly moved by Mr. Daniell-Jenkins, seconded by Mrs. Smith:

"THAT, Mr. Sam Back be and is hereby appointed Zone Chairman for the Province of Ontario on the Approval of Judges Committee."

FOR THE MOTION: Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan, and Mrs. Smith.

Motion carried.

2786 (2781). SHOW & TRIAL MATTERS

The Secretary reported that the Victoria City Kennel Club Inc., in accordance with its previously stated policy of donating 10% of its show profits to the Canadian Kennel Club, had forwarded cheque for \$4.20 following their shows held on March 19th and 20th. The Secretary was instructed to convey to the Victoria City Kennel Club the Board's appreciation for their donation.

The Secretary read a letter from Mr. & Mrs. A. P. C. Hopkinson, McDonald's Corners, Ontario, who indicated their desire to propose an amendment to the Dog Show Rules intended to make easier the enforcement of the Dog Show Rule relating to dogs excused by the officiating veterinarian. The Secretary was instructed to provide Mr. & Mrs. Hopkinson with proposed amendment forms, and to outline the procedure to be followed by those desirous of submitting amendments.

The Secretary read reports, with accompanying recommendations, submitted by Miss V. E. Meyers, Obedience Trial Representative (Ontario) following her attendance at obedience trials held in conjunction with championship shows staged by the Canadian National Sportsmen's Show, Essex County Kennel Club, Kent Kennel Club, and Windsor Kennel Club. Following discussion it was agreed that:

- (1) When an obedience trials is to be held in conjunction with a dog show, the application for permission to hold the trial must disclose the name of the person designated as Obedience Trial Chairman;
- (2) Each Obedience Trial Representative and each Field Trial Representative is to be provided with a printed card setting out their official position;
- (3) Where, in Miss Meyers' reports, notice is drawn to the failure of the club holding the trial to provide the required obedience trial equipment, the attention of said clubs be drawn to the Obedience Trial Regulations when said clubs again apply for permission to stage an obedience trial under C.K.C. Rules.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Smith:

"THAT, we accept Miss Meyers' reports and thank her."

FOR THE MOTION: Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan, and Mrs. Smith.

Motion carried.

The Secretary was instructed to arrange for the periodic publication in "DOGS IN CANADA" of the names of the Obedience Trial Representatives and Field Trial Representatives.

The Secretary reported that through the co-operation of Wm. E. Madge, Field Trial Representative (Retrievers) for Alberta, information had been received as to the official placements made in the All-Age Stake at the trial held by the Drumheller Fish & Game Association, for which trial official returns had not been received.

The Secretary was instructed to seek the recommendation of Miss Hammond as to whether the information provided by Mr. Madge should be used as a basis for recording the awards made.

The Secretary read a letter from Mr. Irving who referred to rulings sought by Miss Hammond, at the annual meeting of the Board of Directors, on questions relating to Retriever trials and who drew attention to the following rulings given by the Board of Directors at its meeting held on May 14th, 1952 (Item No. 2305):

"That the Field Trial Committee has the responsibility of locating the site of the trial but the judges will determine what tests are to be made, and may do so prior to and/or during the judging of the various stakes; that it is the duty of the Field Trial Marshal to superintend the trial and to see that the instructions of the judges are carried out and that all rules applying to the trial are observed."

Following discussion it was unanimously agreed that this ruling shall continue in effect, and, in accordance with this ruling, the responsibility of locating guns is the responsibility of the judges.

The Secretary read a letter from Mrs. Gove who pointed out that while no specific ruling is given in the rules for Retriever trials with regard to the entry of spayed females, the special rules for Spaniel Trials prohibit the entry of castrated dogs and spayed females. The Secretary was directed to note this point in these minutes having in mind the previous ruling of the Board (Item No. 2719).

(Continued in next issue)

SHOW and TRIAL RESULTS

Shows

SHOW NO. 13-54

OTTAWA KENNEL CLUB

Held at Ottawa, Ontario, on April 30th, 1954,
with 234 dogs in competition.

The Pacific National Exhibition

AUG. 25 — SEPT. 6

*cordially invites you to show
at the 1954*

P.N.E. DOG SHOWS

under Canadian Kennel Club rules

The success of P.N.E. Dog Shows has marked a triumphant step forward each year for Dog Fanciers. Held in the specially built Dog, Cat and Mink Building, these events attract not only the breed experts but great crowds of dog lovers generally.

This year, the first show will be held September 3 and 4, and the second show September 6. Beautiful trophies will be offered for every breed. Dog Fanciers are invited to write for details, conditions of entry, entry forms, and list of prizes and awards.

W. H. PYM,
Chairman, Dog Committee

1953 STUD BOOK

Order Your Copy Now!

Orders will be accepted from C.K.C. members up to and including August 15th, 1954.

This volume will include a list of all dogs registered individually in the C.K.C. records during 1953.

The information about each dog so registered will include: breed, registered name and number, sex, date of birth, name of breeder, color or colors, name of sire and dam and their C.K.C. registration numbers (if any).

Price per copy to members of the Canadian Kennel Club is \$1.00.

Please order with covering payment (add exchange on cheques).

Orders must reach The Canadian Kennel Club, 667 Yonge St., Toronto, not later than August 15th, 1954.

Order now and avoid disappointment.

It's Great Fun to Edit a Dog Magazine

(With apologies to Ammon McClellan, editor of Okeechobee (Fla.) News, as reported in Editor and Publisher).

Running a dog magazine is a snap, in case you have never suspected it. Machinery does all the work. You sit in an office and write beautiful prose, and the machinery never breaks down or causes any trouble. Everybody brings in news and advertising copy on time, and it is all carefully written and there are no mistakes in dates.

With literally thousands of names of dogs and dates of whelping and prices of stud fees and places of dog shows and circumstances in a single issue, nobody in the place ever gets anything wrong, even when working under pressure to meet the month's many deadlines.

Nothing ever gets left out of the magazine by accident. Proof readers are mind readers and can always know what the patron intended whether he wrote it that way or not. You can always get paper and other supplies whenever you need them, and the firms that sell them never expect prompt payment, which is nice, because everybody you sell to always pays promptly.

You never get a vacation because you never need one. You never get tired. You spend long evening at home loafing and you have time to attend all public gatherings, club meetings, entertainment and social affairs. People never ask you to keep news out of the magazine or to put tripe into it about lovely litters and coming champions.

If on very rare occasions a mistake does get into the magazine, people who call about it always laugh understandably and say "That's perfectly all right."

Magazine-editing is a snap any way you look at it, and it's time editors tell the public how wonderfully simple and easy it is.

And with that we'll take our tongue out of our cheek, uncross our fingers, roll up our sleeves, wag our tail and start to work to get the dam magazine out.

—The Chase Magazine.

The Disgruntled Exhibitor

THE disgruntled exhibitor threw his dog into his car, started the engine, slammed in the gear, and drove off with a roar. He didn't notice the traffic lights.

A police car pulled him up.

Said the officer, "Didn't you see the lights were against you?"

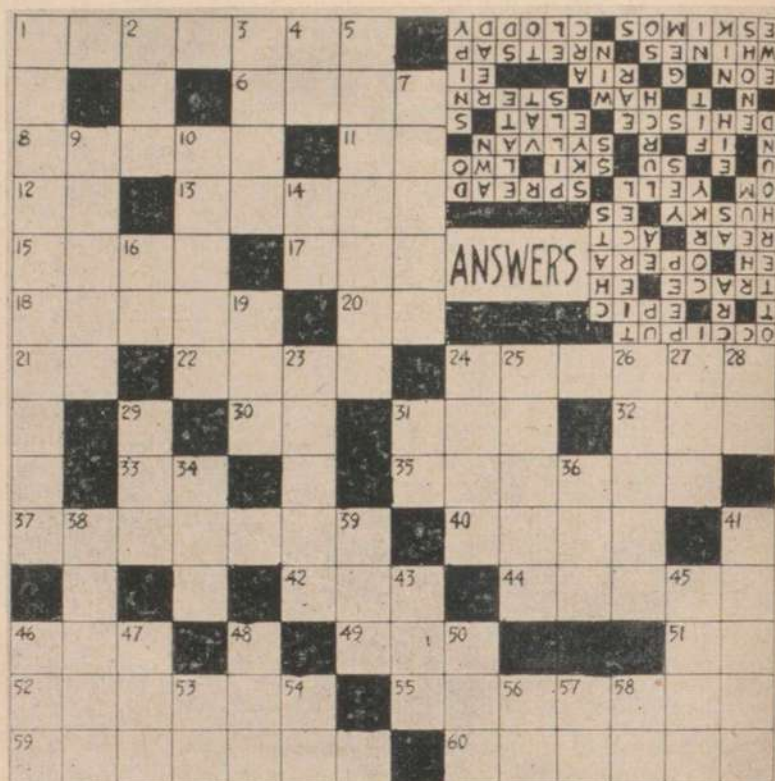

Exploded our doggy friend: "The lights against me? Don't you worry, the whole — world is against me."

Echoes of 1895:

Man and Dog Compared

IT is a poor sort of dog that hasn't more soul than some men. What is going to become of all that excess of soul? Is it going to lose itself in oblivion while the tricky, sensual, unfaithful man goes on forever.

Take the best man you can pick from average life: deprive him of speech, blight him with popular prejudice, let him go on without food and water, hound him with a dog-catcher, armed with a crook; screw his mouth up with muzzles; instruct the police to shoot him at sight; give every evil-hearted boy the right to stone and torment him; visit your wrath upon him every time he opens his mouth or frolics; tie tins and fireworks to his coat tails, and club him if he manifests a proper resentment.

If you will show me as much nobility, long-suffering, patience, forbearance and forgiveness left in that man's soul after twenty-four hours of such a life as is manifested by the poor dog that trots the streets, then I will present each of our Toronto City Fathers with a bobtail pup or a mule. Yes, if there is going to be a heaven for some men, there will be an immorality for all dogs.

—J. B. Carlile,
Toronto, April, 1895

SCRAP BOOK . . .

Canine Detective

The exceptional scenting power of Bloodhounds has recently been put to use in the detection of gas leaks in underground mains.

Heroic Dogs

THIRTY years ago an epic story came from Alaska describing how an intrepid trapper and a team of dogs carried medical relief to the inhabitants of Nome, the leading dog in the team bringing his master and the other dogs to safety when lost in a storm. From Circle City, Alaska, came another story, three years later, in which two male-mute dogs were the heroes, travelling a hundred miles to summon aid for their dying master.

The latter story was related by Ginn Solomon, an Indian, who lived in the virtually unexplored Black River district, a hundred miles north-east of Circle City. The two dogs of Roy Felter, a trapper, arrived at Solomon's lonely cabin early one morning, their feet cut and bleeding from a long race over jagged ice and snow. Each bore a note from Felter. The notes, wet and faded, could not be read. But Solomon started out for Felter's camp, feeling that the trapper was ill and needed help.

The stricken man was dead when Solomon arrived. The heroic efforts of the dogs to save their master had been unavailing.

Mongrels in Stud Book

THE Kennel Gazette of the year 1892 reminded readers in an editorial that "some scheme ought to be devised to keep the names of mongrels out of the Stud Book. A dog to be entitled to registration should show evidence of quality, or breeding. The first mentioned could be decided by the success achieved at any of our bench shows, the last might be taken for granted on production of sufficient pedigree—say three generations."

Record Litter

The record litter in the United States was 23 puppies produced by Lena, a Welsh Foxhound, owned by W. Newbold Ely of Ambler, Penn. . . .

The Bull Terrier

"The White Cavalier"

There's a snow white dog with a coal black eye,
Whose temper's as true as his courage is high;
He's the last in a scrimmage—and the last one that stops,
For when he does fight, he fights till he drops;
He knows nothing of meanness, and nothing of fear,
For a gentleman's heart has the White Cavalier.

He stands like a boxer, firm, active and keen,
With his punishing jaw, long, powerful, clean.
He's up on his toes, all ready to go;
He's as strong as a Bulldog, as fast as a deer,
There's no dog with the dash of the White Cavalier.

His coat and his character both are snow white,
His look is determined, his manner is bright,
He stands at attention, all muscle and bone,
A knight fully armed for holding his own;
As mild as a maiden, as proud as a peer,
A prince among dogs is the White Cavalier.

Anon.

Ancient Penalty for Cruelty

CENTURY-OLD records of the town of Abu, in Finland, tell of a dog that had been run over by a carriage and had crawled to the shelter of a tanner's door, only to have the 15-year old tanner's son first stone, and then pour scalding water over her miserable body.

Fortunately for society the sadistic torture was witnessed and the lad arrested and imprisoned until the following market day.

Brought before the people in the market court the unanimous sentence of the town magistrates was read out.

"Inhuman young man! Because you did not assist the animal that implored your aid by its cries, and who derived its being from the same God who gave you life; because you added to the torments of the agonizing beast,

and murdered it, the council of this City has sentenced you to wear on your breast the name which you deserve, and also to receive fifty stripes."

The officer in charge of justice then hung a black board about his neck that bore the inscription: "A savage and inhuman young man."

After inflicting on him twenty-five stripes, the officer proceeded, "Inhuman young man! You have now felt a very small degree of the pain with which you tortured a helpless animal in its hour of death. As you wish for mercy from that God who created all that live, learn humanity for the future." He then carried on to execute the remainder of the sentence.

Dogs in War

DURING the reign of the first Queen Elizabeth, almost a whole battalion of war dogs were trained to attack enemy infantry and cavalry, pull down foot soldiers, and spring at the throats of horses. Their strength, speed and savagery made them dangerous combatants.

It is on record that when Henry VIII sent a military force to help Charles V in his war against Francis I he placed at the disposal of the French monarch 400 dogs of war.

The German army of a half-century ago had a trained battalion of war dogs. On the march each dog was led by his master and required to carry a heavy bag on his back. Dogs of a dark colour were preferred because they were less visible to the enemy.

The training was based on the general principle that the dog would be treated very cruelly by an enemy, so the creature was taught to creep around the foe unnoticed and give a distinct warning of a hostile approach without bringing itself into notice.

The Third Battalion of Chasseurs used only Collies. They were chiefly trained for orderly duty, carrying messages from post to post and reconnoitering at night.

The dogs were also trained to hunt for the wounded on battlefields, and remain standing before all soldiers stretched on the ground, no matter what remote places they were found; loudly barking until help came. They knew when to seek cover from the fire of the enemy, and on their way to and from outposts to avoid every civilian.

How do you pick a Dog Food?

Here's one expert's answer!

"First I choose a brand made by a manufacturer whose experience, facilities and reputation assure me that his food will supply my dogs with the best scientific nourishment.

"Next, I make the food selected the greater part of their diet for at least 30 days, keeping a close watch on coat, condition and general health. If I'm not satisfied, I give another brand a fair trial.

"I have found that you just can't beat a top quality dog meal for value. It costs much less than canned dog food. And a good quality meal is actually less expensive to feed than cheaper, inferior meals that require supplements. Incidentally, when buying a good dog meal, I find it pays to purchase the large economy package."

And Here's How Homogenized Gaines Meal Measures Up!

- It has been developed in laboratories and research kennels that are unmatched in their facilities and scope.
- Gaines Meal has been tested and proven through actual feeding to generation after generation of dogs.
- Gaines Meal contains meat, milk and fish protein plus every vitamin and mineral a dog is known to need.
- Gaines exclusive homogenization process guarantees uniform nourishment in every mouthful of every feeding.
- Gaines reputation is so outstanding that it is the world's largest selling dog meal.

HOMOGENIZED Gaines Meal

"Nourish every inch of your dog"
