Champions of Conformation Based on Excellent Rating

To the Editor:

At the regular meeting of the Essex County Kennel Club held on July 16, it was agreed by all members present that the E.C.K.C. go on record as highly favoring the article "Champions Of Conformation Based On An Excellent Rating" by Robert N. Phillips, May, 1954, issue Dogs in Canada.

We recommend an entry fee of approximately $25.00 per dog, and think that a score of over 90% by 3 out of 5 judges would be an ideal set up. This might bring back exhibitors of good dogs who are fed up with the present system.

This should speed up judging, as Best In Group and Best In Show would be automatic from the highest total scores of 3 or 5 judges. Except in case of ties.

A Best In Show under this idea would not be controlled by the likes and dislikes of one particular judge.

An exhibitor showing a dog under 5 judges and failing to receive a satisfactory score, would definitely know the bad points of his dog and would then know what to look for and do to improve future breeding.

In too many shows, dogs are gaining points because they are the only one of their breed present. Eventually they become a champion regardless of whether they are a good specimen or not. On the side of the ledger in breeds where there is generally a large entry good dogs never get to be champions because of the much higher quality of competition.

How about more Clubs voicing their opinion on this subject, or any other ideas that might help to improve the calibre of Canadian Dog Shows?

Praise for Ascot K.C.

Dear Editor:

May I add a word to your editorial praise of the Ascot Kennel Club and their many good works?

The citizens of Toronto Township are very proud of the great response which all of Peel County has made to the building fund of the South Peel Hospital. The object is very close to all our hearts and so, when we heard that the Ascot Kennel Club will devote part of the proceeds of its October 9 Show at Dixie Arena to this project, we were most grateful and we look forward to a highly successful show.

As a member of the Canadian Kennel Club for nearly 20 years, I am particularly proud of my colleagues in the dog fancy who are once again coming out to help a wonderful cause.

Mary Fix (Mrs. Albert Fix)
Deputy Reeve of Toronto Twp.

Check Dog for Ticks During Summer Months

EVEN the city dog is exposed to ticks if he frequents parks or any place where there is shrubbery, according to the Gaines Dog Research Centre. Ticks are the hardiest external parasites and once they attach themselves to the dog's coat they burrow into the skin and engorge themselves on the dog's blood.

Look your dog over carefully and often during the summer months, especially behind the ears, inside the ears and between the toes. If you find a tick, remove it with tweezers and drop into some kerosene, or paper to be burned. If many ticks are present, a bath of two ounces of derris powder with four per cent rotenone and four ounces of tincture of green soap in a gallon of water will be effective and will also help depopulate the dog of fleas. Sponge the dog and wipe him dry. The faint clinging odor of this solution repels parasites for about a week. Of course, all bedding should be cleaned or renewed often to keep down ticks and other parasites.

On Parade...

IT IS indeed rarely that we have the privilege of writing at some length on a Canadian breeder of dogs while he is still with us. It is even more exceptional that the life story of such a man should be published in a book that shows every indication of becoming a "best-seller" in Canada. And it is possibly even more exceptional for hundreds of visitors to gather from many parts of Canada, from Ontario to British Columbia and the North West Territories, and from Missouri west to California in the United States, as they did during the third week-end of July at the small town of Frontier, in Saskatchewan, to pay tribute to this grand old man.

Dr. Murrough C. O'Brien of Qu'Appelle, Saskatchewan, was one of the great breeders who helped so much in building up Canadian interest in dog shows in the West, when it was in its infancy. Records from away back half a century ago, and onwards, show him as the owner of then famous Kennels of Russian Wolfhounds, of what are now called Borzois. Two of his outstanding winners were Ch. Genest of Roseau and Odin of Roseau, who were never beaten in Canada and who gained considerable success at American shows; including a Best in Show for Genest of Roseau with over 300 entries.

During their show careers these dogs were inmates of John Milner's Corona Collie Kennels, and were handled by John Milner, that other grand old man of dogdom who is also, happily with us, and still so actively interested in dogs at the ripe old age of 80 that he hopes to make the long trek from his Winnipeg home to the C.N.E. Shows on September 3 and 4.

Dogs were Dr. O'Brien's happy hobby. His big work was in the field of medicine.

The hundreds who gathered to honour him in mid-July were part of the more than 9,000 he had brought into the world as babies during 57 years of medical practice in Manitoba and Saskatchewan.

Dr. O'Brien is the oldest practicing doctor in Saskatchewan, and possibly the oldest doctor still actively engaged in Canada. But his achievements, his integrity, his kindly humanity are not measured in time. During the past 25 years of obstretrical work he has lost not one mother or baby. And during his long service to humanity he has accumulated over $200,000 in uncollected bills, and negligable assets. Finance was one of his weak points; yet his strong virtue. (In one six-months period during the lean years he was paid, when at all, mostly in produce, in eggs and chickens, beef, pork, loads of hay or potatoes, and an average of $1.11 per week.

The story of this short and bushy-browed humanitarian, that the Saskatchewan government is honouring by naming after him, an island and a bay in scenic Nistowiak Lake, a provincial beauty spot, to mark his "long and distinguished service for fellow citizens", goes back to India, where he was born. His father was Deputy Commissioner of the Punjab. One of his brothers became Governor of Malta.

Murrough, like his brothers, was educated in England. Unlike his brothers, he broke with the family tradition of military service, then Indian civil service. He entered Medical School. While a senior medical student he delivered his first baby; 66 years ago. But when it came to the final medical examination he flunked. A curt note came from his father, who had misgivings about his son's strange ambitions to be a doctor. The note told him that no more remittances would be sent to finance a medical career.

Undaunted, Murrough packed his bags and sailed for Canada. His first job in Canada was porter in a small hotel in the frontier settlement of what is now Winnipeg. He saved. He worked as construction labourer, travelling actor and as pharmacist's dispenser. When he had the necessary money saved to carry on with his ambitions he enrolled at the Manitoba Medical College. In 1897 he became Dr. O'Brien.

He was practicing in Winnipeg and breeding dogs when war came in 1914. He enlisted, and was sent to Russia with a Canadian unit in the fall of 1915. After the war he decided that rural life was more to his liking. He has practiced his profession since then at Rossburn, Man.; Birtle, Man.; Frontier, Sask.; Beechy, Sask.; Craik, Sask.; and finally Qu'Appelle, Sask., where he is still at work.

As the book title, 'Saddleback Surgeon', implies, Dr. O'Brien has performed almost every kind of medical and surgical service to the people of rural Manitoba and Saskatchewan, travelling on horseback, buggy, sleigh and, in later years, cars, sometimes for 20 or 30 miles in a raging blizzard to help save lives, and at the same time risk his own.

Perhaps no finer tribute could be paid this fine gentleman than the one from John Milner of Winnipeg, who writes, "If there was ever a finer gentleman in Candian Dogdom here in the West than Dr. O'Brien, I have missed the pleasure of meeting him."

* * *

MANY letters have come to us from all provinces and from the United States making certain claims in breeding and winning attainments, or hopefully asking such questions. The questions or claims run something along this pattern: "My Boxer, 'Terror of Tarrymore', finished her championship at 6 months and 24 days. Is this the youngest Boxer ever to finish in Canada?" "My Collie bitch, 'Breezem', has won Canadian and American Championships. Is this a record for a Canadian-bred?" "My Borzoi, 'Gorra Vichy', has a litter of 9. I am told this is a record litter for a Borzoi? Can you verify this?" Unfortunately, we have no records at *Dogs in Canada* or at the C.K.C. on any questions of records. Perhaps some club secretaries, or those who have made a study of any breed or breeds may be able to help by furnishing what information they have available on any and every breed. We welcome such data.

Nostomania

Home Sickness in Dogs

NOSTOMANIA, or home sickness, is frequently demonstrated in dogs, ecially those which have been much ted, and of the Toy breeds, when ill- s, accident or other circumstances mpel their removal to strange rters and new guardians. Under h conditions they become melan- olic, refuse food, continually whine, ome restless, sleepless, and rapidly e flesh.

Thorough kindness, tempting food, ly exercise if practicable, amusement l constant companionship are the asures indicated in such a case. ese failing, the patient should be urned home or to individuals it ows and likes.

t is the height of cruelty to place tenderly reared dog, of affectionate position, and high nervous sensi- ity, with a number of strange mals.

There are dogs—and dogs; but pet gs enjoy a peculiar distinction in the ine world. The life of a pet dog ually falls in pleasant places. He is dulged (not always wisely) beyond fellows, and being, in the majority instances, under the protection of lady, he may be looked upon as an ceptionally lucky dog. No expense spared and no time or trouble dged to make his short life pleasant; n in the hour of sickness, care and ention like that bestowed on a mem- of the human family (possibly re) is freely and affectionately ercised.

Unfortunately, however, cases occur which the removal of the animal to other sphere becomes necessary, and is under such circumstances that stomania is developed; the new and palatable surroundings having much do with it.

The treatment, therefore, of a pet g thus removed should first be ected to a strict observance, so far possible, of his usual comforts.

A kennel, to a drawing-room dog, is a cell to a human being; and the proach of an ordinary kennel atten- nt like that of a jailor. All indoor dogs should be received indoors d not stacked away in the kennel- ove-kennel, or menageric style, in se proximity to dogs of all degree, d tortured or excited by their con- ual snarls, yelpings or whines.

Secondly, to treat a pet dog, especi- y one with a disposition to nosto- maniacal melancholia, with real affection is necessary. Assumed affection will not answer. No animal so readily detects and appreciates kindness in a man as the dog, or as quickly discovers his assumed affection.

A piece of sugar to a spoilt child is not the bait to quiet and assure a timid and sensitive dog. The clean sawdust or cushion on the visiting day will not atone for the lack of improvement in health, or diminish the wild delight of the patient on seeing his mistress.

Thirdly, a tenderly handled dog requires tender handling, and doubly so when invalid. A caressed dog invites caressing; and, under pain, soothing words and gentle treatment are more appreciated than, perhaps, any other measures the attendant can adopt.

Finally, to go thoroughly into the treatment of pet dogs, the attendant must go thoroughly into the usual home life of the animal, its disposition and peculiarities, and enter into the feelings of its owner. Everything must be ascertained that is likely to add to its comfort or discomfort, its pain or allevation; and no one but a genuine dog-lover can do this.

Come along, old chap, yer time's 'bout up,
We got another brindle pup;
I 'lows it's tough an' might hard,
But a toothless dog's no good on guard,
So trot along right after me,
An' I'll put yeh out o' yeh misery.

Now quit yer waggin' that stumpy tail—
We ain't a-goin' fer rabbit er quail;
'Sides, you couldn't p'int a bird no more,
Yer old an' blind an' stiff an' sore.
An' that's why I loaded the gun to-day —
Yer a-gettin' cross an' in the way.

I been thinkin' it over; 'taint no fun,
I don't like to do it, but it's got to be done;
Got sort of a notion, you know, too,
The kind of a job we're goin' to do:
Else why would yeh hang back that-a-way?
Yeh ain't ez young ez yeh once wuz, hey?

Frisky dog in them days, I note,
When yeh nailed the sneak thief by the throat;
Can't do that now, and there ain't no need
A-keepin' a dog that don't earn his feed.
So yeh got to make way fer the brindle pup;
Come along, old chap, yer time's 'bout up.

We'll travel along at an easy jog —
Course, you don't know, bein' only a dog,
But I can mind when you wuz sprier,
Wakin' us up when the barn caught fire —
It don't seem possible, yet I know
That wuz close onto fifteen years ago.

My! but yer hair wuz long an' thick
When yeh pulled little Sally out o' the crick;
An' it came in handy that night in the storm,
We coddled to keep each other warm.
Purty good dog, I'll admit — but say,
What's the use o' talkin', yeh had yer day.

I'm hopin' the children won't hear the crack,
Er what'll I say when I git back?
They'd be askin' questions, I know their talk,
An' I'd have to lie 'bout a chicken hawk;
But the sound won't carry beyond this hill;
All done in a minute — don't bark, stand still.

There, that'll do; steady, quit lickin' my hand,
What's wrong with this gun, I can't understand;
I'm just ez shaky ez I can be —
Must be the agey's the matter with me.
An' that stitch in the back — what! gettin' old, too?
The dinner bell's ringin' — fer me — an' — you.

Farming Out Dogs

Some Legal and "Gentlemen's" Agreements on Farming-out for breeding

By ALVA McCOLL

THE Editor of "Dogs in Canada" has asked me for an article for this issue, and I have chosen a subject which I feel would be helpful to many who may have a male or female which they have considered placing out on what is very commonly known as "breeder's terms". The C.K.C. does not prescribe any specific terms for agreements of this nature. The terms which are to apply must be a subject of negotiation between the parties concerned.

Let us suppose that you own a female which you would like to have bred, but you do not have the time nor the facilities for the raising of a litter of puppies. There may be some person who has both the time and the facilities and is prepared to take the female, subject to terms which are mutually satisfactory to both the potential breeder and yourself. From the point of view of the registration of the litter, and the individual registration of the puppies in the litter, there are two ways you made proceed.

Lease Arrangement

The owner of the female, and the party who is taking it on breeder's terms, may enter into a *lease arrangement*. This calls for the parties to the arrangement to sign and submit to the *Canadian National Live Stock Records* the application for *registration of lease form*. This *lease form* calls for the parties to set out the period of the lease, and the terms which are to apply to it. Both parties will sign the application, which should be submitted to the Canadian National Live Stock Records with the dog's certificate of registration (returned to the owner) and the registration of lease fee ($1.00 if the owner of the female is a member of the C.K.C.; $2.00 if not a member).

It should be understood that the person to whom the female is leased will be responsible for the actual registration and identification of any puppies whelped by the female during the period of the lease.

The parties to the lease should decide who is to be responsible for the feeding of the female, and of any litters which may be whelped during the lease, and who shall pay any veterinary fees required for the female and/or the puppies.

The lease should indicate what distribution is to be made of the puppies. A not uncommon arrangement is for the owner of the female to have the 1st, 3rd, 5th, etc., choice of any puppies in the litter, and the lessee to have the 2nd, 4th, 6th, etc. choice. It would be wise to indicate what is to be done with any odd puppy in the litter, or what is to be done in the event that the female gives birth to only the one puppy.

The lease should specify also whether the owner of the female or the lessee is to pay for the registration and transfer fees of any puppies which are to become the property of the owner of the female.

A definite date should be set in the lease as to when the owner of the female will select and remove those puppies which he or she is to obtain according to the terms of the agreement. This is usually at the conclusion of the weaning period.

It would be wise also for the lease to set out what difference in the distribution of the puppies is to be made in the event that one or more puppies in the litter dies before the selection is made by the owner and lessee. There may not be sufficient space on the application for registration of lease form to cover all the terms of the lease, in which case the parties to the lease should draw up these additional terms in writing in triplicate, one copy to be retained by each party, and one copy to be attached to the lease form when it is submitted to the Live Stock Records Office.

Written Agreement

When the owner of the female wishes to retain all rights in connection with the registration of any puppies which may be whelped by the female while she is placed out on breeder's terms, the lease arrangement is not followed, but the parties to the farming-out arrangement enter into a written agreement.

This agreement should cover all the details of the understanding between theowner and the party taking the female, and should be made out in writing, in triplicate. The agreement should be signed by both parties to the agreement, and one copy should be deposited with the Canadian National Live Stock Records. The agreement should, of course, specify the name of the female and her registration number, if registered.

The owner of the female would be responsible for the registration and transfer of such of the puppies as the person taking the female on breeder's terms is to obtain by way of the agreement, although the agreement may call for the registration and transfer fees to be paid by the party looking after the female for those puppies which that party is to receive.

Other Possible Arrangements

While reference has been made above to alternating selections, either the lease arrangement or the written agreement arrangement may call for other terms according to the wishes of the parties involved.

For example, the party taking and caring for the female may get none of the puppies in her first or subsequently litters, but it may be understood that such party will be given the female outright after the female has whelped one or more litters, all of which are delivered to the owner of the female. In short, whatever terms are agreeable to the parties concerned is their private affair. However, the experienced breeder farming out females will invariably make such arrangements as will be favourable to both parties, and will not seek to take advantage of any person unfamiliar with doggy matters. The wise breeder will also not hesitate to lend assistance and advice to any novice to whom he may farm out a female, regardless of the terms involved.

Arrangements With Regard to Males

It is possible to farm out a male dog either by the lease arrangement or on breeder's terms.

If the lease arrangement is followed, the terms of the arrangement should be incorporated on the application for registration of lease form, or attached thereto. This should specify the period of the lease, who is to be responsible for the care, feeding and any veterinary attention required for the dog, and what distribution is to be made of any stud fees which may be payable during the period of the lease. The agreement may require that the owner of the stud dog shall have the dog available for stud purposes, with or without fee, during the period of the lease. If the lease arrangement is followed, then the person to whom the male is actually

D.T.'S or Sumpin

OUT of the night there comes a mist, that shrouds the things of day". Dorothy Davis Hardy, the personality handler had quite an experience this Spring. Staying at a Toronto hotel, complete with ten miniature long-haired Dachshunds and several other canines, she had, as she thought, a room and private bathroom.

After outfitting the washroom completely with newspapers and depositing the gang of pooches for the night, she climbed into bed. Suddenly she heard a screech and a high pitched, slurry feminine voice saying, "Oh my . . . They're coming through the walls! They're coming through the windows, the cracks on the wall! . . . Oh. oh! . . . what will I do? Look at 'em! . . . Millions of them! They're multiplying and coming out of the drain!"

Jumping out of bed, Dottie rushed and threw open the bathroom door. There in the middle of the room was a very inebriated female clutching at her skirts. The dogs swarmed around her feet, peered at her from underneath the tub.

After straightening out the fact that the bathroom was not private, but shared between the two rooms, Dottie gathered up her papers and her bewildered pooches and so to bed amid the ravings and mutterings of one very perplexed and inebriated gal.

What's In A Name

Mrs. Alfred Lepine, the vivacious American judge, told us a very clever story on herself, at the "after the Show party" at Barrie. It seems that both she and her husband were to judge a certain show in the States. On arrival she went right to her assigned ring. She had been there only a short time when one of the officials came rushing up saying, "Oh Mrs. Lepine, I'm so sorry I wasn't there to meet you. You know, we always make it a practice to introduce all our judges to each other. It makes things so much more pleasant. Will you come with me and I'll introduce you to our other judge, Mr. "Lepeen". "Oh," replied the lady, with a mischievous smile, "I have already met Mr. Lepeen. As a matter of fact I spent the night with him". "Glll . . ." was the horrified response. "Please don't say it so loudly. You wouldn't want anyone else to know it, would you?"

His Sit Is Showing

Judge Geo. German was giving a little run down on the German Shepherd at the recent Shepherd Match in Syracuse, N.Y. After explaining the various parts of a Shepherd, and their functions, he finally came to gait, "A Shepherd", he said, "should travel low to the ground, with no lost motion". "Excuse me", the President of the Iroquois Shepherd Club said, "but now I understand why my dog was placed as low as he was in his class. He sat so much, I guess he really had a lot of lost motion."

"He Dood It"

Jean Elliott, of Cato, N.Y., told us this one that happened at an outdoor obedience trial in the States. One of the final contestants came in with a Chihuahua. After completing several of the exercises, the judge told her to take the dog down to the end of the ring for the sit and recall. Placing the dog in position, the handler went over to the judge, saying, "Isn't there something I can do? The wind is so strong, my dog just can't buck it."

Looking at her and smiling, the judge said in a loud tone, "Well then, take your dog to the other end of the ring, maybe the wind will blow him to you."

Truth and Consequence

A certain male Cocker breeder, sitting with a lady at the Cocker ring, remarked quietly as one of the dogs in the ring acted up, "My, aren't bitches women?" The lady just as quietly replied: "Yes, and oftentimes the reverse too."

As You Will

What a shock a non-doggy person would have received if he had called at a well known dog breeder's house one certain night last year.

"Katie" and "John" were in the throws of breeding two dogs. As John's parents were visiting them from the Old Country, they retired to the privacy of a bedroom. The door bell rang and John's mother answered.

A gentleman was calling to see about a dog. On asking first for "John" and then for "Katie," he was informed in a very dignified and precise way that she was sorry that neither could come at the moment, as they were "busy mating in the bedroom."

Dogs I Love

Blase

He's such a baby—yet so big,
With oh such winning ways,
His deep brown eyes—will stare at you,
With such a loving gaze.

He loves to sit upon your lap,
Head resting on your arm,
People—he loves everyone,
Unless they mean you harm.

He thinks all dogs should play with him,
But he'll stand up for his right,
He can be a holy terror,
If he gets into a fight.

He only asks one thing in life,
That he can be with you,
A Shepherd, every inch of him,
Demanding just his due.

Princess

Such a gay proud little tyke,
In continental trim,
Bubbling over everyone,
With love, mischief and vim.

So white, with dark and merry eye,
Twinkling tail and toes,
A show-off poodle all the way,
A princess at the Shows.

At The Winnipeg Show

A Judge makes comments on Dogs Winning Top Awards

By ALVA McCOLL

IT was my pleasure to again visit Winnipeg, in May. I met the exhibitors at the dog show, and members of the Canadian Kennel Club and their friends at an informal meeting the day following the show.

As I was judge at the show on the Saturday I would like to make comment on dogs which won the highest awards.

The overall quality of the dogs shown was very good and the final line-up at night for the Groups and Best in Show equalled that of any show of comparable size that I have judged in Canada. I was most impressed by the sportsmanship of the exhibitors. Naturally, they could not all have agreed with my placements, but everyone was extremely gracious, and I would like to take this opportunity to express my appreciation to all exhibitors.

Although there was a good entry of dogs other than Canadian-bred, I was delighted when reading the show awards to find that, with one exception, the winners of the Groups and Best in Show were Canadian-bred, and in four cases had been bred by the exhibitor. As this was the second of two all-breed shows, some of the dogs, particularly the German Shepherd Puppy which I had placed best over a top entry, were very tired in the final judging which meant that I could not place them as high as I may have wished.

The Boxer, Ch. Highflier of Kargotor, owned by H. R. Cauldwell and bred by Mrs. Irene Cauldwell, was a beautiful specimen of the breed, and one of the soundest moving Boxers I have ever had the pleasure of judging. He had excellent bone and was paricularly good in legs and feet, which is most essential to a working dog. I note that his progeny won in the classes. It is through such dogs as this that the breed progresses. Handled by Mrs. Cauldwell, he did not at any time relax, but was still showing for all he was worth when the final ribbon was handed out.

Best Canadian-bred Puppy in Show went to the English Cocker, Bards Ambassador, bred and owned by A. M. Williams, who brought the dam in whelp from Wales slightly over a year ago. Mr. Williams is keenly interested in that show dogs of the Sporting breed must also be able to work in the field. In a demonstration given to the audience of the working ability of his English Cockers, he more than proved his point.

Two top-winning dogs at Fort Garry K.C. all-breed championship Dog Show. The Boxer, Ch. Highflier of Kargotor, bred by Mrs. Irene Cauldwell and owned by H. R. Cauldwell, won Best in Show and Best Canadian-bred. Best Canadian-bred Puppy went to the English Cocker Spaniel, Bards Ambassador, owned by Mr. A. M. Williams, and shown at inset on upper right.

The class for Best Canadian Puppy in Show was not an easy one to judge as the German Shepherd Puppy, Knight-Tango of Valley Hill, owned by Mrs. F. D. Avent, which I mentioned earlier, and one of the most promising puppies I have seen in this breed, was visibly tired. There was an exceptionally good Boxer puppy, Asthore of Mount Nebo, which was equally as good, and I note that he was sired by the dog which eventually went Best in Show.

The outstanding dog in the Non-Sporting breed was the Boston Terrier, Ima Dilley's Masterpiece, owned by Sam Jackson, who is an old-timer where Bostons are concerned, and, as usual, he has a top quality dog in the ring whenever dog shows appear in Winnipeg.

In Toys, the Pekingese, Ch. Su-Roi's Bee, pressed closely for Best in Show honours. I understand it achieved this the day previous. Mrs. Borse is leaving Winnipeg to reside in the United States and, to use an old expression, "Canada's loss is a gain for the United States".

Winner of the Sporting Group, Ch. Prairie Haven Black Beauty, was a particularly pleasing black American Cocker Spaniel, bred by the owners, F. H. B. & Mrs. White. It was not shown in top form on the day, but excelled so much in type that I could not refuse him top honour in the Group.

The Dachshund, Sportsman's Skarler, bred and owned by Alec. Gostick, a former Director of the Canadian Kennel Club, was a good specimen.

In the Terrier Group, a very beautifully well-trimmed Wire Fox Terrier puppy, Oakview's Bridesmaid, owned by A. H. Good, and bred by W. Semple (who is also a former C.K.C. Director), was placed first because of its exceptional promise.

As previously mentioned, the day following the show, it was my privilege and pleasure to attend an informal gathering of C.K.C. members and their friends, which was very kindly arranged by our Manitoba Director, Mrs. Gove. At this gathering there was a number of items of interest to those present discussed and, wherever possible, information was furnished in answer to enquiries concerning operations of the Canadian Kennel Club. It is my view that gatherings of this nature are very helpful. I found at this gathering a sincere desire to see the Canadian Kennel Club make progress. Those present put forward many constructive suggestions on just how this objective may be better realized.

"Greater Love Hath No Man"

The True Story of an Unwanted Tramp of a Dog that became a Hero

The following true story first appeared in The Morning Leader, Regina, in March, 1923.

ON a farm in the Arcola, Sask., district some 30 years ago was a black and white cur, a tramp dog whose pleading eyes showed the light of almost human intelligence, and whose shrewdness and faithfulness to a man saved a life from the blinding cold of a Saskatchewan blizzard.

In a ward in the Regina General Hospital at the same time was a man who used to kick dogs, who hated curs, and who owed his life to the beast he tried to drive away. He would rather kick a human being than a dog now.

Austin Pirt, a farmer in the Arcola district, was the man converted to become a lover of dogs. In the hospital he was suffering from a badly frozen foot and, after a struggle, doctors had been able to save the injured member.

Comes as Unwelcome Guest

Three weeks previous, Pirt was working on a farm near Arcola. A Collie cur of the common black and white variety came to the farm seeking food and shelter. It was an unwelcome guest, but despite kicks and rebuffs it stayed around the place, sleeping in the barn, and eating what it could find.

It was during a spell of cold weather that feed and bedding for the horses ran short, and on a bitterly cold day it was necessary for Pirt to harness a team, hitch them to a hay rack, and face the stinging wind while he went for a load of feed. As he drove along the icy trail, hardly visible under the ridges of snow, the wind grew in violence.

Caged

Then a mighty gust came out of the North and blew the big rack off the sleigh, turning it bottom uppermost on the snow. Pirt was standing in the centre of the rack and fell in the same position.

The frightened team bolted with the sleigh, leaving the upturned rack standing in the field, and imprisoning Pirt.

Caged like an animal under the heavy rack, the teamster thought his last hour had come. He tried to raise it, but without avail. He tried to crawl out. But the boards were nailed close together, and allowed no exit. Then the chill came on him. He was tempted to lie in the billowy drift for a blissful, drowsy hour, that would surely end in death.

He roused himself and shouted, but there was no response. He began to work at one of the boards, which, if removed, would allow him to crawl from under his prison. Then across the snow from the farm three-quarters of a mile away came the Collie cur. It ran to the rack. As it approached, Pirt called to it and extended a hand between the bars to pet it. The answer was a snarl and a snap at the hand. The desperate man drew back to the centre of the rack, afraid to work at the boards.

Then the dog saw the predicament of the man. It began to gnaw at the board Pirt had been **tugging**. Feverishly it worked: its long, ivory teeth with difficulty breaking chips from the wood planking, three-quarters of an inch thick. At times it stopped to cough splinters of wood from its throat. Then it set to work again. It was getting colder and colder, but still the dog worked on, encouraged now by the imprisoned man. The board grew thinner. The man prepared to try again to break his way through to freedom when with a mighty tug by the teeth of the dog and a crackling and splintering of wood, the bar broke and the dog leaped and barked for joy.

Helped Towards Home

Then Pirt crawled through the opening in the rack and stretched his cramped, numbed legs as he drew himself up to his full six feet. He was free. But he was drowsy. Could he face the wind for that long three-quarters of a mile that lay between him and the house, or would he rest for a moment on the inviting-looking drifts? He hesitated, but his pauses acted as a spur to the dog who nipped him lightly, and, grabbing his clothes, began to pull him toward the farm buildings. His numbed legs found it hard to move, but every pause brought a nip and a tug from his canine companion. A short walk and circulation began to come back to his limbs. He began to walk more briskly and his saviour yelped joyously and trotted at his side.

The distance from shelter grew shorter as the dog's unerring sense of direction led the couple in a straight path through the dark and snowy atmosphere. Then a light shone in the eyes of the man. It was the house. Another effort, some brisk steps, and he was there, the dog at his side.

Little need be said of the welcome given the missing man by the inmates of the house. Suffice to say that every attention was given him while he thawed his frozen feet and numbed legs.

Home for Life

The dog, transformed from an unwanted tramp to a hero by his marvellous deed was brought from its hiding-place to the house, and it, too, was made welcome. It had a home for life, and an owner. Austin Pirt said that he would keep his dog friend by him till death parts them.

"The Master's Voice"

"One evening, Jesus lingered in the
market-place,
Teaching the people parables of truth
and grace,
When in the square remote a crowd
was seen to rise
And stop with loathing gestures and
abhorring cries.

"The Master and his meek disciples
went to see,
What cause for this commotion and
disgust could be,
And found a poor dead dog beside the
gutter laid—
Revolting sight: at which each face its
hate betrayed.

"One held his nose; one shut his eyes;
one turned away,
And all among themselves began to
say:
'Detested creature! He pollutes the
earth and air!
His eyes are blear! His ears are foul!
His ribs are bare!
In his torn hide there's not a decent
shoe-string left,
No doubt the execrable cur was hung
for theft.'"

Then Jesus spake and dropped on him
the saving wreath:
"Even pearls are dark before the white
of his teeth."

"The pelting crowd grew silent and
ashamed
Like one rebuked by sight of wisdom
higher than his own;
eye can see'."
accursed can be,

MRS. MARY COUNTESS MATCHETT of Highland Creek, Ont., who will judge Group 2 at the Specialist Show on Sept. 1 and 2, was born into a "doggy" family of four, three of which still have registered kennels.

Since cutting her first teeth Mrs. Matchett has had but one respite from dog activities. That was when she went overseas in the 1st Great War as an ambulance driver. She later raised a family of four.

Mrs. Matchett has bred various breeds of dogs, but for the past 17 years she has been exclusively breeding Afghans and Keeshonds.

She has made Champions of 22 Afghans and Champions of several Keeshonds. She also made a C.D. of her Keeshond Ch. Pandazee Van Myia.

MRS. YAN PAUL of Willowdale, Ont. who will judge Group 5, at the Special 1st Show on Sept. 1 and 2, was a judge at the C.N.E. in 1953. She has judged at many other shows. Mrs. Yan Paul has been interested in showing and breeding since her 10th birthday. At that time she got a Pomeranian puppy. She showed and made a champion of the Pom. before he was a year old.

Mrs. Yan Paul started her own kennel back in 1928 and has since bred and made champions of Pomeranians, Pugs, Pekingese and Chow Chows.

For 9 years she was President and Secretary of the Chow Chow Club of Canada. She has been Show Secretary, Secretary and Treasurer of several other clubs, including the Toy Dog Breeders and the Progressive Kennel Clubs.

She is keenly interested in all breeds, although her present kennel is composed of some 34 Pekingese and Chow Chows, four of which have never been beaten.

Mrs. Boughs is 1st V.P. of the Boston Terriers Breeders of Canada, and 1st V.P. of the Toy Breeders Assn. of Canada.

Scottish Terrier, Can. & Am. Ch. Jo Lee Silver Mist., by Can. & Am. Ch. Deep Haven Red Seal out of Apfels Black Bonnie Girl (who was by Can. & Am. Ch. Silver Thanes Image), was bred by Joan and Lee Schneider of Seattle, Washington, and is owned by Mr. and Mrs. Carl S. Pefley, Crabapple Scottie Kennels, Box 30, Kirkland, Wash., U.S.A.

"Misty" finished her Canadian Championship on May 24, 1954, in four successive shows, at the age of 9 months and 20 days; and made her American championship before she was 11 months old.

In Canada she won Best Bitch at Kerrisdale Kiwanis Club, April 3; Best of Breed and Best Terrier at Vancouver Island Dog Fanciers Assn., Victoria, May 14; Best of Breed and 2nd in group at the same Club on May 15; and Best of Breed and 4th in group at B.C. Ladies Kennel Club, South Burnaby.

In the U.S.A. she was Best Puppy and Best of Winners at Washington State Scottish Terrier Specialty and Winners Bitch at Richmond, Tacoma and Spokane, Wash.; Leviston, Idaho, and Gresham, Oregon.

"Misty" has been sent to Carnation Farms to be bred to Ch. Carnation Night Watch who was Best in Show at Walla Walla K.C.'s Show and Richmond K.C.'s Show; each show having over 570 entries.

Of interest is the fact that Reg. Livesey was the judge whose awards gave "Misty" her final points in both championships.

Manitoba Notes

By SUZANNE BORSE

THE Fort Garry Kennel Club held two all-breed championship dog shows May 28 and 29 at the Civic Cal. Rink.

Mrs. W. C. Edmiston of Ralston, Nebraska, U.S.A. judged the first day and awarded Best in Show to Ch. Su Roi's Bee, a male Pekingese owned by Sue and Roy Borse that was also placed Best Canadian-Bred dog in show.

Mrs. Alva McColl, our C.K.C. president, judged the second show, awarding Best in Show and Best Canadian Bred in Show to a male Boxer, Ch. Highflier of Kargotar, owned by Ross and Irene Cauldwell.

In spite of the rainy weather, the show was a complete success, and Miss Phyllis Allen was complimented on being a most efficient show secretary.

Mrs. Irene Gove, our Provincial Director, gave C.K.C. members and friends the opportunity to meet the President of the Canadian Kennel Club, Mrs. Alva McColl, at a meeting on Sunday, May 30, the day after the show. Mrs. McColl needed no introduction to most of us, and new members expressed complete pleasure at meeting so pleasant and humorous a person. There was a lively discussion on various subjects, with Mrs. McColl clearing up a few points. The meeting adjourned with the President expressing her pleasure at the full attendance and with the reminder that C.K.C. was their Club and members had a perfect right to express their individual feelings

Carl Langstad, breeder of Shepherds and Elkhounds, is being forced to move out of his present home and kennels and is having a difficult time to locate a suitable place for his kennels.

Ross and Irene Cauldwell are pulling up stake here and moving to Vancouver by the end of June. They will concentrate mostly on breeding Miniature Pinschers, and just the odd litter of Boxers.

Sorry to hear of so many of our doggy friends on the sick list. Mrs. M. Bowsfield, who has had her session of illness, is now feeling fine but has her husband in the Our Lodge Hospital, and her son in the General Hospital recovering from a serious car accident. Mr. Jack Kerr is in the St. Boniface Hospital, and Mrs. C. Mills (Glenora) is in the Misericordia Hospital. I'm sure all Manitoba fanciers join me in wishing all a splendid recovery.

The Greater Winnipeg Ladies Kennel Club have cancelled meetings for the summer months, to resume again in September.

Mr. and Mrs. W. Boston spent two weeks visiting in Toronto in May. They also visited some Pekingese kennels along the way, bringing home from Indiana a lovely coated female Pekingese, six months old. Mrs. T. Mulder reports puppy sales as very good, recently shipping one West, and one East to Montreal.

Miss Sita Crombie flew in from Vancouver to spend a few weeks with her parents, Mr. and Mrs. J. Crombie. It was unfortunate that Mrs. Crombie was confined to her bed for a period but is expected to be up and around shortly.

The Coronation Kennel Club is deep in plans for two All-Breed Championship Shows. We have promise of

English Cocker Club of Ontario

By FREDA JAMES

THE English Cocker Club of Ontario held a meeting on June 3 at 11 Walder Ave., Toronto, during which the following officers for 1954 were elected: Mr. Jack Hewat, President; Mr. A. R. Sacré, Vice-President; Mrs. A. R. Sacré, Secretary; Mrs. Dorothy Hewat, Treasurer, and Miss Freda James, Publicity.

English Cocker and Springer Clubs' Joint Picnic

THE English Cocker Club of Ontario and English Springer Club held their annual picnic at Mulberry Hill Farm, home of Miss Freda James, at Nobleton, on June 27. This was the third time the picnic had been held in this lovely rolling countryside. We had a splendid attendance and many fine young dogs. Mr. Beale of Buffalo kindly consented to be judge.

As usual, the show was in holiday mood and gave a wonderful chance to try out young stock. We have been encouraging children up to 16 in handling. Many novices joined our group this year and put on an exceptionally fine exhibition. Mrs. Austin put the children through their paces.

The fun really began when Mr. R. J. Walgate of Buffalo judged the ladies' handling class. He used every conceivable device for teasing the ladies, causing much merriment. This was followed by the men's handling class, judged by Mrs. Sacré, who really gave them their problems in return.

Some of our American Cocker owners joined the party, also bringing along young dogs.

Best of Breed in Springers went to "Peggy", owned by Mr. and Mrs. Morley Fisher; Best of Breed in English Cockers to "Philosopher", owned by Mrs. A. C. Sacré; Best in Show to "Peggy"; 2nd Best Opposite Sex to American Cocker Dog, owned by Mrs. Robt. Austin.

Mr. Andrew Dunn gave an excellent demonstration of field work with two of his Springers; and some splendid pointers on training our dogs. Warmer weather at the end of the day made the final event, the picnic, a happy ending.

Alberta Field Trials Club Notes

By ZETTA H. PHILLIPS

ONCE again the Spring Retriever Trial of the Club has been run off, adding one more to the long list of successes sponsored by this Club.

This year the Trial was featured by outstanding field organization. Mr. Johnny Breckenridge, our Vice President and Field Marshal, and his committee had everything running smoothly throughout the two-day event. There were no long waits between series to try the nerves of both dogs and handlers. One visiting handler with wide experience across the line asserted that he had never seen a better organization anywhere. Another aspect that made this year's spring trial a little out of the ordinary was that we were favored with three entries from outside the Prairie Provinces. Mr. & Mrs. Wm. H. Copeland, of Grimsby, Ont., brought their Ch. Blyth's Queen of Spades, while Mr. & Mrs. Guy P. Burnett, of Missoula, Mont., brought their own F.T.Ch. and Amateur F.T.Ch. Bitterroot Chink-ee, and also Harvey of Avandale 2nd, owned by Cliff Brignall, of Anaheim, Calif.

Saturday, June 26, saw the Junior Stake get under way promptly at 9.00 a.m. Judges Mel McCoy of Ponoka, and John Rudolph and Linc Phillips, both of Calgary, had their work cut out to pick the winners from the field of 12 starters, all good. They finally awarded the Blue Ribbon and the Anderson Trophy to Baker's Jerry, a black Labrador owned and handled by Geoff. W. Tomlinson, of Calgary. Second place went to Maxum of Graingers, a Yellow Labrador owned and handled by O. R. Koskinen of Calgary; followed by Bakers Black Miko Sish, owned and handled by Jas. Paton of Wetaskwin in Third place, and Flyaway Black Magic, owned and handled by G. M. Cousins, of Edberg, in Fourth place. It is interesting to note that Mr. Tomlinson took the Junior Stake at the 1953 Fall Trials with Leecoy's Judy, winning the Anderson Trophy twice in a row.

After a break for Lunch, the Non-Winners' Stake got under way. With 22 starters, judges McCoy, Madge of Edmonton and Foulds of Calgary, had to keep things moving in order to finish before dark. First place and the Russell Trophy went to Leecoy's Golden Boy, owned and handled by Jas. Porter. Second place ribbon went to Leecoy's Judy, owned and handled by Geoff. W. Tomlinson of Calgary, followed by Birdfinder's Sandy 2nd, owned by Bob Shaw of Edmonton, and Cutbank Partridge, owned by M. B. Draper, of Edmonton, in that order.

Saturday evening featured a Buffet Supper, arranged by Ken Morgan and his Committee, when members of the Club played host to the visiting handlers and their friends.

Promptly at 9.00 on Sunday morning the first dog went to the post in the Open stake. This is where the superb field organization proved itself as there were 28 starters. Five series were run off, and we finished around seven in the evening; no mean feat. Judges Madge, of Edmonton, Foulds of Calgary and Turner of Magrath, arranged some good practical tests on grounds which were ideal, and some splendid dog work was the result. The popular winner was the visitor from Missoula, F.T.Ch. and Amateur F.T.Ch. Bitterroot Chink-ee, handled by Guy Burnett. He took the Red Top Trophy. Second place ribbon went to Harvey of Avandale 2nd, also handled by Mr. Burnett. Third and fourth went to Niggar of Bowview and F.T.Ch. L'lle Bert, respectively, both owned and handled by Jas. Lowther, of Calgary.

A large measure of credit for the success of the event belongs to Mr. Stan Shouldice, of Calgary, who generously allowed us the use of a beautiful stretch of country eight miles south of the city. Many comments were heard on the beauty of the location., and its many and varied possibilities for both land and water tests.

JEFFERIES TROPHY

With the spring series of Retriever Trials on the Prairies over for this year, an interesting race is developing for the Jefferies Trophy, which each year is awarded to the dog winning the most championship points at licensed Retriever Trials held on the Prairies during the calendar year. At the time of writing, Niggar of Bowview, a black Labrador owned by Jas. Lowther of Calgary, is out in front with six points, a win at Saskatoon and a third in Calgary. There is a three way tie for second place; Wes Black Pete, owned by O. R. Koskinen of Calgary, took a first at Edmonton to give him five points; F.T.Ch. Conroy's Golden Arrow, a Chesapeake owned by Pat St. Peter, of Edmonton, took first at Ponoka for five points, while American F.T.Ch. and Amateur F.T.Ch. Bitterroot Chink-ee, owned by Martha B. Burnett of Missoula, Mont., took the honors at Calgary, for five points.

This trophy, donated by Jefferies & Sons, of Calgary, for the 1952 season, was won that year by F. T. Ch. Leecoy's Bob, a black Labrador. The second winner was F. T. Ch. Nelsgard Baron, a Chesapeake owned by M. J. Coleman, of Edmonton. Who the third winner will be is anyone's guess. There are a lot of good dogs running on the prairies this year.

Irish Setter Club of Canada

By JEAN HONSBERGER

ANOTHER season and another Members Match is over and it is with regret that we will not be together again until September.

Our last meeting was a huge suc-

cess and something to work for again in the fall. We met for the last time on June 24 with a record attendance of 28. The evening was perfect and the meeting was held outdoors on the lawn of Mr. and Mrs. K. Honsberger, Streetsville, Ont. The evening ended with a barbeque which everyone thoroughly enjoyed.

At the Members Match, held in Streetsville Park on Sunday, June 20, Mr. George Cox of Cooksville, Ont., did a most excellent job of judging our entry of 15 dogs. The winners were: Winners Dog and Best of Winners, Mrs. E. Howe's "Seiger"; Winners Bitch and Best of Opposite Sex, Mrs. Bev. Morehen's "Princess"; Best of Breed, Mr. Dafoe's "Rory"; Best Canadian Bred Puppy, Mr. Pritchett's "Copper".

Of the Special Classes of three dogs entered in the Vateran's Class, Ken Honsberger's "Toni" was first. In the Children's Handling Class, Mr. Cox's son was first, and in the Brace Mr. Pritchett's Brace took first.

The highlight of the day was an exhibition of Obedience work put on by Mrs. Morehen and "Princess". After this demonstration some members tried their hand at this and the results were most rewarding. I think it may spur some members on to greater things in obedience. The Club then adjourned to the Honsberger's lawn for a picnic supper.

"Brigshain Seiger", owned by the George Howes, was at the Canadian International Trade Fair at the Lord Calvert display representing his breed.

The next meeting will take place on September 25 at the home of Mr. and Mrs. A. W. Forrest, 38 Balmoral Avenue, Port Nelson.

Forest City Kennel Club

By SHIRLEY PARKINGTON

OVER the last three months period, the Club has had a very interesting series of meetings. The Fall Show has been the topic of our latest meetings. Interesting lectures were also given by Dr. Shute, of London, who spoke on judging; Mrs. Kieser, of Arva, who spoke on the whelping and feeding of puppies; while Mr. John Creighton and Mr. Ross Hay showed pictures on training dogs for obedience and field work. The Club, endeavouring to have a new look at its shows, will have something new again at the coming show in October, at Queen's Park, London, Ont. An outstanding panel of judges have been selected for the Show. Mr. Glen Parkington has been appointed show superintendent.

CLUB members are now busy making preparations for the forthcoming All Breed Championship Shows to be held August 27 and 28.

Present plans call for two Sanction Obedience Trials to be held in conjunction with the Show. Our second course in Obedience Training has just been completed. Classes will resume again in the Fall.

Several long time members of the Club were recently honoured at a dinner where they were presented with Life Membership Certificates.

Those receiving the awards were Mr. J. Adamson, Mrs. C. Arno, Mr. A. J. Hale, Mr. L. Horncastle, Mr. J. Patterson, Mr. W. Quilley, Mr. J. Rawlings and Mr. and Mrs. R. Smith. A very pleasant evening was spent talking over old times.

At the recent Field Trials held by the Edmonton Sporting Dog Club, the Edmonton Kennel Club offered a trophy for the dog judged the best retriever conforming to the standard of its breed. Mr. Tom Quilley, who judged the special event, presented the trophy to Mr. Ray Lemay, owner of the winner F. T. Ch. Cyndi Sue, a black Labrador.

A warm welcome is extended to Mr. and Mrs. W. Rankin, who have moved here from Calgary and have joined our Club. The Rankins breed English Cockers.

German Shepherd Dog Club of Canada

By MARY E. SOUTHCOTT

AT long last we have a welcome lull in the weekendly Dog Shows. Not that they have not been most enjoyable and a lot of fun, but once in a while we need a breathing spell to take stock of ourselves and our dogs, and to get re-organized before the next session of Shows comes along.

Looking back over the many catalogues from the past season it is more than gratifying to note that German Shepherds have invariably been topping the list in Breed entries and that our own Club members have taken so many of the honours with their fine dogs, both in Bench and Obedience.

Another item worthy of note is the fact that several of our members have been active as Specialty judges of the Breed and Obedience judges.

Our Club Matinee Shows which are held each month during the summer are progressing most successfully, and proving to be not only heaps of fun but also a wonderful opportunity for novice handlers to learn ring routine and would-be judges to gain experience. The American shows have seen an upswing in entries from amongst our Club members this past season also. Doris Craig's "Dinah" is now an Int. C.D. while Doug Ames' "Baron of Dervock" has only one more leg to go before he can claim the same distinction, and several more are on the way now too. This coming year should see quite a number of our Club Shepherds with International titles.

Your correspondent is looking forward to judging some of the Obedience Classes at the big Sportsmen's Dog Training Club of Detroit All-Breed Obedience Trials being held on July 25 and will endeavour to bring back some interesting items regarding that Show. And while on the subject of Obedience, our Club is deep in plans for the holding of an All-Breed Specialty Obedience Trial this Fall. So what with that and our 32nd Annual

PLANS are going ahead for the organizing of a Junior Kennel Club to stimulate interest in showing, care, and all-round canine knowledge, among the younger set in Calgary. Although still in the planning stage, the Club hopes to have the project underway after our fall shows; which is taking up a major portion of our time at present. Dorothy Somerville will be able to help us a great deal as she attended the Junior Kennel meetings, the guest of Mrs. Elsie Murray, while visiting Vancouver. Mrs. Murray sent along valuable pointers and general information which the Club appreciates. The Club feels fortunate in securing fine judges for the Shows. The shows may not prove to be any great financial success, but will be a happy "doggy" family reunion.

have personally been present when such matings too kplace. In such instances, he should require that notice be given to him in writing that a mating is to take place, and he should requi a writen statement from the person looking after the dog that the dog was mated to a particular female (name and registration number) on a given date or dates.

Conclusions

I cannot too strongly urge that all understandings between parties to males or females which are placed out on breeder's terms should be reduced to writing, and such agreements should cover, as far as possible, all details of the arrangements made by the parties concerned. This is simple business practice, and will be most helpful in overcoming possible subsequent disputes where the parties to the agreement may not readily recall oral arrangements made on a previous date.

Charles C. Cowell

HARLES Clark Cowell, one of the oldest members of the C.K.C., passed away at the Grace Hospital, Winnipeg, Man., on July 17, at the age of 78. Many members of the Kennel Club joined with the bereaved widow and family at the last rites on July 20, paying sincere tribute to an old friend, to one of the pioneers, to one of the Bench back in the old days of forty and more years ago. There are very few of these old-timers left now.

Since migrating to Canada 52 years ago from England, "Charlie" Cowell had been active in promoting dogs and dogdom. A break came when the call for volunteers sounded in 1914, when he enlisted with the 10th Artillery.

To his widow, eight children and 18 grandchildren we join with the many other friends in paying tribute to a man who was a distinct credit to dogdom, to one who worked hard for what was right, and who gave freely of his long experience in helping others.

—JOHN MILNER.

Dogs Suffer from Sunburn Too

DOGS do not have to suffer from sunburn and other uncomfortable summer irritations now that a vitamin skin treatment employed by physicians for humans is being made available for similar treatment in dogs, according to a report from U.S. Vitamin Corp.

While man can help himself when he is ill or uncomfortable, there is nothing a dog can do but scratch. Scratching and biting himself, the dog further aggravates lesions that may already be irritated by the dampness and overheating of summer. Scratching is a sign that all is not well with a dog. He may be suffering from sunburn, summer eczema, allergic skin conditions, irritation due to flea bites or some other cause.

Scientists of the Veterinary Research Division of U.S. Vitamin Corp., New York, after extensive investigation with animals, have discovered that Panthoderm Cream, containing 2% pantothenylol, a vitamin factor which is the alcohol analog of pantothenic acid, offers prompt relief from the itching and irritation associated with a number of common skin ailments in dogs, and aids healing.

The scientists have found that when Panthoderm Cream is liberally applied to irritated and inflamed areas once or twice a day its soothing and healing properties cause itching and pain to subside rapidly as the dog is relieved of the irritation and stops biting and scratching. Pustules, scaly patches and

irritation due to sunburn gradually clear and cuts and abrasions and open sores heal and the dog's hair grows back as good as new.

Panthoderm Cream, which is a clean, white, water-miscible cream, can be used it is claimed, without the usual fear of the messiness associated with greasy medicinal preparations used for pets, because it is non-staining and odorless.

Care of Dog in an Emergency

KNOW something about handling your pet in an emergency and you may save his life, says Harry Miller, director of the Gaines Dog Research Center, New York City.

Accidents have a way of happening at inconvenient times when a veterinarian is not available. Many persons will soon be taking their dogs with them to the country or on trips, and in country areas it may be several hours before a veterinarian can be reached. Even in the city there are often occasions when the dog owner has to give first aid until the doctor can be called upon.

When you try to aid a dog who has been struck by a car, first calm him and win his confidence.

Biting is the normal defense of a dog who is frightened and in pain and most of the bites reported to the health departments are those that occur through careless handling of an injured dog. It's wise to take care with the most gentle of pets. Either cover his head with a heavy coat or apply an emergency muzzle.

Keeping Dogs Away From Your Garden

IN the springtime most suburban dwellers are concerned with the neighborhood dogs who are allowed to roam and dig up newly-grown lawns or burrow under freshly-planted shrubbery, states the Gaines Dog Research Center, New York. By using one of the various repellents which can be purchased and sprayed on plantings, dogs will be discouraged from invading the premises. Repellents, however, must be re-applied frequently, especially after a rain, to be effective.

Hot cayenne pepper, placed at strategic spots, is also useful to keep away dogs, according to the Center, which adds that after a few sniffs and sneezes the marauder won't be liable to make another call.

Another good way to be prepared for the trespassing canine is to keep a box of empty tin cans in a handy place. String a few together so they will make a clattering noise when they fall. Then keep watch and when Rover begins to investigate your rose bushes, throw the cans toward him. The sudden surprise and noise as the cans strike near him will start him on his way. If they happen to hit him they won't hurt him. The dog will associate the sudden barrage of noise with his act and not with you.

A dousing with a garden hose is also effective and likewise harmless—and relations with the dog and the neighbor can remain friendly. In fact the dog's owner will probably be grateful for the help in teaching his dog to stay on his home grounds.

Samoyedes

THE Somoyede is reckoned to be one of the most beautiful of the canine race. He attracts attention wherever he appears, by reason of the snow-white purity of his coat, the challenging elegance of his shape and carriage, and because of his dark expressive eyes. He is also a worker, always ready for his job, whatever may be the task.

He was an important member of polar expeditions under Nansen, Jackson, Shackleton, Duke of Abruzzi, Johannsen and Borchgrevink. Shackleton took much pride in his team of eight Samoyedes, each one weighing around 40 lbs. This team hauled a sled loaded with 800 lbs. of freight and two men for a distance of 40 miles in one

day of 12 hours.

In their natural habitat, in North-East Russia, the Samoyedes are chiefly used for herding reindeer. They are referred to as the "Camels of the Arctic."

Probably Stellar had the Samoyede in mind when he wrote, in 1774, "The Spirit 'Tuil', who drives his sledge drawn by his dog 'Koseia', is the author of earthquakes. He drives under the earth and when his dog shakes either the fleas or the snow from his body, he sets the earth in motion."

Some writers have referred to the Esquimaux dog and the Samoyede as being the same dog. This is wrong. No doubt they are closely related. But the former comes in various colours, while the Samoyede is a smaller dog, and has been carefully bred for the white colour, which will run to cream or buff brown. True, blacks have been born and raised for breeding purposes, but blacks which have been mated to each other have invariably produced whites only.

The Samoyede has been used for centuries by the Samoyedes, a Nomadic tribe inhabiting the Yalmae or Samoyede Peninsula, a vast tundra country stretching along the shores of the Arctic Ocean from the White Sea to the Yenesei River in Western Siberia.

The Samoyede breeds true to type. Invariably he shows the chief characteristics of his breed. He offers unfailing loyalty to his master. He has always a cheerful response when required to share in any work in which he is capable of helping. It is claimed he will do as well, and possibly better, anything that any working dog can do. He is not susceptible to distemper. His coat will not tangle, and is easy to keep white and clean. The texture seems to be the secret of this peculiarity.

Someone has referred to the Samoyede as "the biteless dog with the human brain," from which it may be inferred that the breed is evenly tempered and uncommonly sensible.

Meetings of Board of Directors

MAY 11th, 1954

(Continued from July issue)

2787. REFERENDUM BALLOT COSTS

The Secretary reported that all members of the Board had been informed of Mr. Monaghan's previously stated intention to place the following motion before a meeting of the Board:

"THAT, in connection with the next annual financial report, the auditors be instructed to include in the costs of the referendum ballot the transcription cost of that part of the annual meeting which was devoted to a discussion of the proposed amendments, the cost of paper, labour, time and postage to enable the committee to function during the year, as well as the printing, mailing and postal costs of the ballot itself."

The Secretary read:

(1) A letter from Dr. Watson who stated his approval of any motion intended to acquaint the members with the cost of the discussion on amendments at the general meeting when such amendments are to be voted upon or otherwise decided by the country-wide membership;

(2) A letter from Mr. Irving who took strong exception to the proposal, and who stated that if the cost of the members' privilege of expressing their opinions at the annual meeting was to be set up separately in the statements he would press for the same information to be supplied in connection with all costs in connection with the report of the committee on approval of judges (procedure);

(3) A letter from Mr. Williams who stated that the Club's present accounting arrangements are as practical and efficient as needed, and was not in favour of additional costs of preparing and publishing such a breakdown;

(4) A letter from Mrs. Gove who felt this additional information would make for a difficult job for the auditors, and was of the opinion that it would not serve any useful purpose.

Following discussion the motion was put to a vote with the following results:

FOR THE MOTION: Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan, and Mrs. Smith.

Motion carried.

2788. PUBLICATION OF NAMES OF SOLICITORS AND HONORARY VETERINARIAN

Mr. Monaghan suggested that the names of the solicitors, Honorary Veterinarian and auditors should be listed with the names of the Officers and Directors.

Following discussion it was regularly moved by Mr. Monaghan, seconded by Mrs. Smith:

"THAT, the names of the Honorary Veterinarian, solicitors and auditors be included with the list of Officers and Directors published in "DOGS IN CANADA".

FOR THE MOTION: Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan, and Mrs. Smith.

Motion carried.

It was understood that the publication of the names of the solicitors and auditors was subject to their approval.

2789. SUGGESTION BOX

The Secretary reported that all comments and observations placed in the "Suggestion Box" at the Canadian National Sportsmen's Shows and Ontario County Kennel Club show had been placed before all members of the Board.

Following a brief discussion no action was taken.

2790. REGISTRATION OF GREYHOUNDS

The Secretary read a letter from a breeder of Greyhounds who sought information as to the procedure to be followed in registering in the records of the Canadian Kennel Club a Greyhound presently registered in the records of the National Coursing Association.

Following discussion the Secretary was directed to prepare, for the Board's consideration special regulations for the registration of Greyhounds registered with the National Coursing Association.

2792 (2786). SHOW & TRIAL MATTERS

Reference was made to the special rules governing sanction shows, and it was unanimously agreed that these rules should not include the following section, properly deleted some time ago:

"No club, organization or association will be allowed to hold more than three matinee or evening shows by sanction unless a licensed point show has been held in the meantime without special permission of the Directors of the Canadian Kennel Club Inc.".

The Secretary was instructed to delete this section from the mimeographed sanction show rules.

Mr. Monaghan referred to his previous suggestion that approval be not given to a resident of the United States to judge Best in Show or other General Specials unless said person was approved by the American Kennel Club as a judge of all breeds. The Secretary was instructed to place this question on the agenda of the next meeting of the Board.

2793 (2684). REGISTRATION COMMITTEE MATTERS

The Secretary reported that the Registration Committee had authorized:

(a) the registration of litter of German Shepherd Dogs whelped August 28th, 1952, by JIMMIE VON PAPEN (262238) ex RASCAL (254842);

(b) the registration of the female BOOTS (also recording of transfer of ownership of this female, as of November 29th, 1952, to the name of S. A. Floren, Hamilton, Ontario) out of the litter referred to in (a) above;

(c) the recording of transfer of ownership of the German Shepherd Dog SHONWALD VON FRE-MAR (267817) from the name of W. F. Bambridge, Toronto, Ont. to the name of Philip Puchtiar, Toronto, Ont. as of July 17th, 1949;

(d) the registration of the Smooth Dachshunds WINDFLOWER HEIDA and EVESHAM EX-CARL on the basis of certificates of registration issued by the New Zealand Kennel Club and applications submitted by Ralph K. Johnson;

(h) the cancellation of the recording of transfer of ownership of the Chihuahua NORALTA'S CHICO 2nd (325944) from Mrs. Lillian Fox to George E. MacAuley, Lund, B.C., and authorized the recording of transfer of ownership of this dog from Mrs. Fox to Miss Dorothy O'Brien, Vancouver, B.C.; date of transfer, September 19th, 1952;

(i) the registration of the Wire-haired Pointing Griffon DORA NIMRODSKA on the basis of the applications and documents submitted by Guy Radenac;

(j) the recording of transfer of ownership of the Pomeranian DUNA DEBUTANTE (321666) from the name of Miss Gloria Bramall, Toronto, Ont. to the name of J. N. Stratas, Toronto, Ont.; date of transfer, April 3rd, 1953.

Mr. Monaghan asked to be recorded as objecting to the decision of the Committee in respect of items (a) and (b).

2794. NEXT MEETING OF BOARD

The Secretary was instructed to call the next meeting of the Board of Directors for June 8th, 1954.

2795. ADJOURNMENT

At 8.15 p.m., on motion by Mr. MacCallum, duly seconded and carried, this meeting of the Board of Directors adjourned.

JUNE 8th, 1954.

2796. A regular monthly meeting of the Board of Directors of The Canadian Kennel Club was held in the Club's offices, 667 Yonge Street, Toronto, Ontario, on Tuesday, June 8th, 1954, commencing at 10.00 a.m. The President, Mrs. Alva McColl, presided, and the following members of the Board were present: Mrs. M. Eileen McEachren, J. H. Daniell-Jenkins, J. W. MacCallum, Mrs. Pamela Mack, W. J. Monaghan and Mrs. N. T. Smith.

The President stated that the Board was happy to note the presence of Mrs. Pamela Mack, Director for the Province of Quebec.

The Secretary read a letter from W. H. MacKendrick who stated that due to circumstances beyond his control and pressure of business he did not find it possible to attend regular monthly meetings of the Board and to otherwise devote the time essential to a proper discharge of his duties as a Director of the Club, that in fairness to the membership at large he did not feel that under these circumstances he should continue to hold a position on the Board of Directors, and therefore regretfully tendered his resignation as a Director of the Club.

Following discussion, it was regularly moved by Mrs. Smith, seconded by Mrs. Mack:

"THAT, Mr. W. H. MacKendrick's resignation as a Director of the Club be accepted with very deep regret."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mrs. Mack, Mr. Monaghan and Mrs. Smith.

Motion carried.

A discussion followed on the action to be taken as a result of Mr. MacKendrick's resignation. It was unanimously agreed that the vacancy should be filled immediately, and the President therefore called for nominations. It was reported that Mr. G. P. Davies had received the next highest number of votes in the last election of Officers and Directors after the five Ontario members who were elected as Directors for Ontario. Mr. Monaghan, seconded by Mrs. Smith, nominated Mr. A. L. Hill. Mr. Daniell-Jenkins, seconded by Mrs. Smith, nominated Mr. G. P. Davies. A secret ballot followed and the Secretary reported that a majority of the votes were cast in favour of the appointment of Mr. Davies.

It was regularly moved by Mr. Daniell-Jenkins, seconded by Mrs. McEachren:

"THAT, Mr. G. P. Davies be, and is hereby appointed, a Director to fill the vacancy created by the resignation of Mr. W. H. MacKendrick."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mrs. Mack, Mr. Monaghan and Mrs. Smith.

Motion carried.

The Secretary was directed to convey to Mr. MacKendrick the Board's regret that he found it advisable to submit his resignation.

It was unanimously agreed that Mr. Davies be informed at once of his appointment as a Director, and be invited to attend this meeting of the Board.

2797 (2766). MINUTES.

The Secretary placed before the Board the minutes which he had prepared of the meeting of the Board of Directors held on May 11th, 1954.

After discussion the following corrections were ordered:

(Note: These corrections were incorporated in minutes published in July issue.)

It was regularly moved by Mrs. Smith, seconded by Mrs. McEachren:

"THAT, the minutes of the meeting of the Board of Directors held on May 11th, 1954, as corrected, be adopted."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mrs. Mack, Mr. Monaghan and Mrs. Smith.

Motion carried.

It was regularly moved by Mrs. Smith, seconded by Mrs. McEachren:

"THAT, Mrs. Overland take the notes on the proceedings at meetings of the Board of Directors, the Secretary to write out the important motions which shall be initialled by the movers and seconders."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mrs. Mack, Mr. Monaghan and Mrs. Smith.

Motion carried.

2798 (2767). FINANCIAL MATTERS.

The Secretary reported that fees received and deposited by the Records Office for memberships, registrations, etc., totalled

$4,459.92 for the month of May as compared with $4,558.03 in 1953, a decrease of $98.11, although an increase of $527.14 over the same month in 1952. It was pointed out that the fees received and deposited in May, 1953, were unusually high because of the then imminent increase in certain fees.

The Board was informed that on June 7th the total membership stood at 2,640 as compared with a total of 2,570 at the end of June, 1953.

2799. LETTER FROM LIVE STOCK RECORDS OFFICE (RE STATISTICS).

The Secretary read a letter from the Director of Canadian National Live Stock Records who reported that in the annual statement to the Club it was proposed to discontinue the past practice of showing distributoin of membership fees (in terms of dollars) by zones, and to adopt instead the practice of showing the actual number of paid members in each zone.

The Board noted that for purposes of the Club's annual financial statements the total amount of fees received for memberships was required, and it was unanimously agreed that the new arrangement proposed by the Records Office be approved, conditional that the Records Committee's annual report to the Club, or in a letter accompanying the report, included information as to the total amount of membership fees received during the calendar year.

Mr. G. P. Davies entered the meeting and was welcomed to the Board by the President.

2801 (2772). STUD BOOKS.

The Secretary reported that members of the Board had been consulted with regard to the questions of quantity to be printed of the volume to contain 1953 registrations, of the distribution of the volume, the price (if any) to be charged, and the price per page for advertising in the volume, and reported that:

(a) Mr. Williams was of the opinion that the Club's funds should not be expended needlessly, and suggested that through the use of "Dogs in Canada" a survey be made of the number of copies of the volume which should be printed;

(b) Mrs. Smith was of the opinion that the volume should be offered free to members, the number of copies to be ordered to be controlled by replies received by August 1st, a notice to be published in the next issue of the magazine;

(c) Mrs. Mack suggested that every member be supplied with a postage prepaid postcard by which each member could order a copy of the volume at $1.00; that advertising rates be set as follows: 1 page, $35.00; ½ page, $20.00; ¼ page, $12.50;

(d) Mrs. Gove was tempted to suggest that, having in mind the price spread between 3,000 copies (approximately $5,000) and 500 copies (approximately $3,000), that every member be given a copy; that the price of advertising be set accordingly by the Committee in charge of advertising in the volume;

(e) Mr. Monaghan was opposed to any charge for the volume to members, felt that every member should be given an opportunity of obtaining a copy without charge (through notice to be published in official organ), and that advertising rates in the volume should be determined in a businesslike manner.

Following discussion, it was regularly moved by Mrs. McEachren, seconded by Mrs. Mack:

"THAT, we publish a notice in 'Dogs in Canada' asking members to send in $1.00 with their order for a copy of the 1953 stud book, all such orders to reach the Secretary not later than one month following the mailing of the issue in which this notice appears."

FOR THE MOTION: Mrs. McEachren, Mr. Davies, Mr. Daniell-Jenkins, Mr. MacCallum and Mrs. Mack.

AGAINST THE MOTION: Mr. Monaghan and Mrs. Smith, on the grounds that in their opinion the stud book should be furnished free to members as part of the services rendered by the Club.

Motion carried.

The Secretary read a letter from the Director of Canadian National Live Stock Records acknowledging instruction to proceed with the preparation of the copy of the 1953 stud book, and enquiring as to what thought or decision has been reached by the Board with regard to printing of volumes containing the registrations for dogs registered during the years 1948 to 1952. Following discussion, the Secretary was instructed to inform the Director of Canadian National Live Stock Records that the question of publishing stud book volumes containing the registrations of dogs effected during the years 1948 to 1952 inclusive had been considered by the Board of Directors, and had been ordered referred to the next annual meeting of the Board of Directors for consideration.

2803 (2731). SUB-LEASE OF OFFICE PREMISES.

The Secretary reported that the present tenants of part of the office space held by the Club under lease had indicated a desire to enter into a new lease with the Club, but because of additions to their personnel, desired to lease additional space from the Club. The Secretary stated that this development had been reported to members of the Board by the President who suggested that the matter be left in the hands of the President and Secretary, a suggestion which was approved by Mrs. Mack and Mr. Taylor, was approved by Mr. Williams conditional that any new arrangement entailed no financial commitments by the Club, and was also approved by Mrs. Gove provided the additional space was available for sub-letting purposes.

Mr. Daniell-Jenkins stated that he could not see that it was possible to allow the sub-tenants any additional space.

The matter was held over for consideration after the luncheon recess.

2804 (2770). DATES OF ANNUAL MEETINGS (1955).

The President reported that letters had been received from the London Canine Association and Forest City Kennel Club at London, Ontario, suggesting that the annual general meeting of the Canadian Kennel Club be held on a Saturday in order that members at distant points may attend.

The Secretary reported that in accordance with the Board's instruction, the members of the Board had been asked to submit their views with regard to dates for the 1955 annual meetings of the Club, and reported that:

(a) Mr. Williams was of the opinion that any change should be unanimously agreed on by the Board of Directors, and he had no objection provided there is a day, or preferably two days, interval between the last day of Westminster Kennel Club show and the first session of the Board's annual meeting;

(b) Mr. Taylor believed the suggestion that the annual general meeting be held on a Saturday to be a good one;

(c) Mrs. Gove expressed the view that if the members desired that the annual general meeting be held on a Saturday, efforts should be made to arrange accordingly, although consideration should be given to the time which members of the Board would be required to spend in Toronto;

(d) Mrs. N. T. Smith approved the suggested change of dates;

(e) Mr. Irving was of the opinion that an effort should be made to comply with the wishes of those who wish to see the annual general meeting held on a Saturday, but suggested that the annual general meeting be held on February 5th, with the annual meeting of the Board commencing on February 7th;

(f) Mrs. Mack approved the suggestion of the annual general meeting being held on a Saturday and suggested that it be held on February 5th;

(g) Mr. Monaghan approved the suggestion that the annual general meeting be held on a Saturday.

Following discussion, the Secretary was instructed to ascertain whether required meeting room accommodation was available at the King Edward Hotel for a general meeting on February 5th and for the annual meeting of the Board on February 4th, 7th and 8th, 1955.

The Board recessed for lunch and later reconvened with the President in the Chair, and the following present: Mrs. M. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan and Mrs. Smith.

2805 (2777). MEETING WITH ONTARIO FIELD TRIAL REPRESENTATIVES

The Secretary reported that in accordance with the Board's instruction, the Ontario Field Trial Representatives had been invited to meet with the Board, that Mr. Andrew Dunn and Mr. E. D. Bonnyman, representatives for Spaniels and Foxhounds respectively, could not be present because of engagements elsewhere, and that Mr. Smith (substituting for Mr. Bonnyman), Mr. Robert L. Blyth (Representative for Retrievers), Mr. Joe F. Tiede (Representative for Beagles) and Mr. W. W. Gibbons (Representative for the Pointing breeds) were present in response to the Board's invitation.

The President invited the Representatives present to place before the Board any matters concerned with field trials which they felt could be discussed to advantage.

Mr. Blyth referred to the provisions of Chapter 17 of the Field Trial Rules and Regulations, with regard to "Certificates of Merit", and reported that he had been asked to enquire whether it would be permissible for Retriever Clubs holding licensed trials under C.K.C. Rules to follow the practice in the United States where "Award of Merit" ribbons are awarded to dogs designated for "Certificate of Merit" by the presiding judges.

Following discussion, the Board approved the arrangement referred to by Mr. Blyth, such approval to be on a trial basis.

Mr. Smith stated that the judging of the National Championship for Foxhounds required from 16 to 20 judges, that the selection of these judges was made by the district clubs from whose district trials were drawn the dogs eligible to compete in the National, and it was not always possible to adhere strictly to the list of judges for which approval had been obtained from the C.K.C. He proposed that the All Canadian Foxhunters' Association submit a list of persons whom they felt competent to judge a Foxhound trial, and if said list, if approved by the C.K.C., the All Canadian Foxhunters' Association to then draw the required judges from this list without the necessity of obtaining specific C.K.C. approval of the judges for the National Foxhound Championship. After discussion, this arrangement was approved by the Board. The Secretary referred to questions arising with regard to the registration of Foxhounds and offered to attend any nearby meetings of Foxhound Clubs for the purpose of explaining the new registration regulations for Foxhounds, and to otherwise assist persons desirous of registering their Foxhounds in the records of the C.K.C.

Mr. Tiede reported that an Association of Ontario Beagle Clubs was in the process of being formed, and it was the desire of the Association to work with the Canadian Kennel Club in the allocation of Beagle trial dates, approval of judges, and other matters relating to Beagle trials. Following discussion, Mr. Tiede was asked to arrange for the Association to submit its proposals following its final organizational meeting to be held this month. A discussion followed on the question of one Beagle Club being allowed to hold a single trial in Canada, the awards (and championship points) at which trial were recorded in both the records of the American Kennel Club and Canadian Kennel Club. It was understood that the Secretary would take this matter up with the American Kennel Club.

Mr. Gibbons stated that the clubs holding trials for Pointing breeds in Ontario were apparently anxious to co-operate with the C.K.C. and hold their trials under its rules.

This two-hour meeting with the Ontario Field Trial Representatives concluded with the President thanking the Representatives for their attendance, and the Representatives left the meeting.

2806 (2804). DATES FOR 1955 ANNUAL MEETINGS.

The Secretary reported that he had been in touch with the King Edward Hotel and had reserved suitable meeting room accommodation for the meetings on the dates previously set by the Board (see Item No. 2804).

It was regularly moved by Mr. MacCallum, seconded by Mrs. Mack:

"THAT, the Secretary reserve accommodation for the annual general meeting for Saturday, February 5th, 1955, and to publish a notice calling this meeting in the November and December (1954) issues of "Dogs in Canada"; the Secretary to also reserve meeting room accommodation for the Board meeting on February 4th, 7th and 8th, 1955."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan and Mrs. Smith.

Motion carried.

2807 (2803). SUB-LEASE OF OFFICE PREMISES.

Following discussion, it was regularly moved by Mr. Davies, seconded by Mrs. McEachren:

"THAT, the matter be left in the hands of the Secretary to make satisfactory arrangements."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan and Mrs. Smith.

Motion carried.

2808 (2707). CORRESPONDENCE WITH JACKSON MEMORIAL LABORATORY.

The Secretary read an exchange of correspondence with the Director of the Jackson Memorial Laboratory with regard to information required by the Laboratory on its breeding research programme.

Following discussion, the Secretary was instructed to arrange to obtain from the Laboratory and publish in "Dogs in Canada" an article outlining the type of information desired by the Laboratory, and means by which Canadian breeders could assist.

2809 (2777). APPOINTMENT OF REPRESENTATIVES. DUTIES OF REPRESENTATIVES.

The Secretary reported that Mrs. Gove, Director for Manitoba, had recommended the appointment of F/L R. A. Gilmour as Field Trial Representative (Retrievers) for Manitoba, and Mr. David W. McIntyre as Obedience Trial Representative for Manitoba.

It was regularly moved by Mr. Daniell-Jenkins, seconded by Mr. MacCallum:

"THAT, as recommended by Director Mrs. Gove, Mr. R. A. Gilmour be appointed Field Trial Representative (Retrievers) for Manitoba for 1954, and Mr. D. W. McIntyre be appointed Obedience Trial Representative for Manitoba for 1954."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan and Mrs. Smith.

Motion carried.

The Secretary reported that the views of the members of the Board had been sought on the duties of the Obedience Trial Representatives and Field Trial Representatives, and read letters received from Mr. Irving, Mrs. Mack, Mr. Monaghan, Mr. Williams, Mr. Taylor, Mrs. Gove and Mrs. Smith.

Following discussion, it was regularly moved by Mr. Monaghan, seconded by Mr. Davies:

"THAT, the replies received re the duties of Obedience Trial Representatives be referred to the Standing Committee on Obedience for consideration and report in due course."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan and Mrs. Smith.

Motion carried.

It was then regularly moved by Mr. Davies, seconded by Mrs. McEachren:

"THAT, Dr. H. L. Watson be, and is hereby appointed, Chairman of the Field Trial Council, and refer to him to take up with the Council the question of duties of the Field Trial Representatives."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan and Mrs. Smith.

Motion carried.

2812 (2748). OFFICE SURVEY.

Following discussion, this matter was left in the hands of the Secretary.

2813 (2747). STAFF.

The Secretary reported that pursuant to the Board's instruction (Item No. 2747) information had been sought on a pension plan, but additional information as to the scope and details of the type of plan on which the Board desired quotations had been requested. After discussion, the Secretary was instructed to obtain quotations on a plan with the following terms: to include past service, 5 and 10-year equity, equal contributions by employer and employee, plan to be effective October 1st, 1954, if approved by the Board and acceptable to the employees. The Secretary was instructed to include the Imperial Life Assurance Co. of Canada with the companies previously named by the Board.

2814 (2719). BOOKLETS.

The Secretary reported that there had been preliminary discussions between Mr. MacCallum and himself regarding the material to be published in a series of booklets. It was agreed that all material prepared by Mr. MacCallum and the Secretary would be submitted to the Board for approval before publication.

2815 (2760). COMMITTEE TO REVIEW DOG SHOW RULES.

Following discussion, it was left to the President to name the Committee referred to in the second resolution set out in Item No. 2760.

2816 (2729). APPROVAL OF JUDGES (PROCEDURE).

Mr. Monaghan reported on the progress being made with regard to the appointment of the personnel of the Standing Committee (Chapter 7, Section 2 of the Dog Show Rules), and that he was awaiting the views of the Chairman of the Amendments Committee on his suggested draft of a combination of the present Chapter 7 of the Dog Show Rules and the proposed new Chapter 7 which was discussed at the Annual General Meeting.

The Secretary referred to the question raised in Item No. 2729 which was ordered referred to the Club's solicitors for opinion, and after discussion it was agreed that the opinion of the solicitors on this question be not sought until the solicitors could be informed of the exact nature of the proposed amendment to Chapter 7 which would appear on the next referendum ballot.

2817 (2771). GRADING OF DOGS AND IMPROVEMENT OF STOCK.

The Secretary reported that a copy of the letter received from a number of persons and having to do with the subject of grading of dogs had been forwarded to all members of the Board.

The Secretary read a letter from Mr. Irving who expressed the view that while the writers of the letters were entitled to the courtesy of having their suggestions considered, he suggested that the matter be laid on the table for a time until members had an opportunity of considering and perhaps expressing their opinion on the article, published in "Dogs in Canada", having to do with the grading of dogs.

The President referred to her recent letter to the members of the Board with regard to a long range plan for the Club, and it was agreed to leave this in abeyance while the President prepared and forwarded detailed proposals to the Board, and it was agreed that the members of the Board would have until October 1st to express its views on the question of grading of dogs, on the implementation of Article XXXVI of the By-laws, and the President's proposals for a long range plan.

2818 (2472). BREED REGISTRATION STATISTICS.

The Secretary reported that work on the preparation of statistics on breed registration had been temporarily shelved until other and more important office work had been cleared, but this project would be resumed at the earliest opportunity. The matter was left in the hands of the Secretary.

2819 (2603). REGULATIONS ON ARTIFICIAL INSEMINATION.

The Secretary reported that while material on this subject had been gathered to assist in the preparation of regulations, work on the preparation of the regulations would be undertaken at the earliest possible date. The matter was left in the hands of the Secretary for report to the Board.

2820 (2776). STANDARD OF AMERICAN COCKER SPANIELS (BLACK AND TAN).

The Secretary read:

(a) A letter, signed by a number of active breeders and exhibitors of American Cocker Spaniels, who protested the addition to the standard of the American Cocker Spaniel (Black and Tans) as reported in Item No. 2723;

(b) A letter from Mrs. Doreen Brown, Agincourt, Ontario, who recorded her opposition to the addition to the standard of the American Cocker Spaniel (Black and Tans);

(c) A letter from Mrs. Dorothy R. Vaughan, Agincourt, Ontario, who expressed the view that while the addition to the standard of the American Cocker Spaniel, as set forth in Item No. 2723, may be deemed necessary at some future date, it should not be put into effect at this time.

Following discussion, it was agreed that implementation of the decision reached by the Board at its annual meeting with regard to addition to the standard of the American Cocker Spaniel be held in abeyance.

2821 (2767-2766). DOGS IN CANADA.

The President reported that Mrs. McEachren, Mr. Williams, Mr. Taylor, Mrs. Mack, Mrs. Gove, Miss Hammond and Dr. Watson had recorded a negative vote on the first of the motions, with regard to appointment of a Publications Committee (Item No. 2767), and Mrs. Smith had recorded an affirmative vote on both motions. Mr. Monaghan stated that he had not voted on either motion, having been named in the second of the two associated motions. Mr. MacCallum recorded a negative vote on the first of the two motions. Mr. Daniell-Jenkins stated that he had not voted, having been named in the second of the two associated motions, stated that he would have felt obliged otherwise to have cast a negative vote on the first of the two motions referred to the Board by mail ballot, but pointed out that the first of the two motions referred to the Board for vote was not the motion adopted by the Board (note correction in Item No. 2797).

Mrs. McEachren expressed the view that the present Managing Editor, having been appointed by the national Board should, like his predecessor, have a reasonable opportunity to place the magazine on a favourable financial basis.

Following discussion, it was regularly moved by Mr. MacCallum, seconded by Mr. Daniell-Jenkins:

"THAT, in view of the correction in the motion regarding appointment of a Publications Committee, this matter be held over until the September meeting of the Board, at which time consideration will then be given as to whether it is advisable to then poll the entire Board on the corrected motion."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. MacCallum, Mrs. Mack, Mr. Monaghan and Mrs. Smith.

ABSTAINED FROM VOTING: Mr. Davies, on the grounds that he was not a member of the Board when the original resolution was adopted.

Motion carried.

The President referred to the decision of the Board at its last meeting with regard to the publication of the entire report of the Committee on "Dogs in Canada" (see Item No. 2766), and expressed the view that certain parts of the Committee's report may, if published, prove detrimental to the magazine and the Club. Mr. Daniell-Jenkins, Chairman of the Committee, enquired whether it would be proper for the Committee to meet with the President for the purpose of discussing possible deletions from the Committee's report when it is published on the understanding that any deletions would not otherwise effect the report of the Committee as it was placed before the Board and became part of the Club's files.

It being agreed that such action would be quite proper, it was left with the President and the Chairman of the Committee to arrange for a meeting with the other members of the Committee for the purpose of discussing and reaching an agreement on possible deletions from the Committee's report to be published in "Dogs in Canada".

The Board recessed at this time for dinner, and later reconvened with the President in the Chair and the following members of the Board present: Mrs. McEachran, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan and Mrs. Smith.

2822. PROPOSED FORM OF SHOW SUPERINTENDENT'S REPORT.

The President placed before the Board a sample of the type of report which Show Superintendents complete in connection with shows held in the United States and suggested that the Board give consideration to the adoption of a similar type of report.

Following discussion, it was regularly moved by Mr. Daniell-Jenkins, seconded by Mr. Davies:

"THAT, this show superintendent's report be analyzed by Mr. MacCallum, assisted by the Secretary, the revised form to be sent to the national Board for their comments and, when completed, to be sent to shows on a trial basis."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan and Mrs. Smith.

Motion carried.

2823. RECOGNITION OF SWISS STUD BOOK.

The Secretary reported that a member of the Club had imported a Papillon registered in the records of the Schweizerische Kynologische Gesellschaft, Zurich, Switzerland, an organization whose certificates were recognized by the American Kennel Club and the Kennel Club (England), and requested authority to make application to the Chief Registration Officer of the Department of Agriculture for the addition of this organization to the list of stud books recognized by the Club.

It was regularly moved by Mr. Daniell-Jenkins, seconded by Mr. Davies:

"THAT, application be made to the Chief Registration Officer of the Department of Agriculture for the addition of Schweizerische Kynologische Gesselschaft to the list of organizations whose stud books are recognized by the Canadian Kennel Club."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan and Mrs. Smith.

Motion carried.

2824. "BORDER" COLLIES

The President referred to a suggestion made by the Director for Manitoba that the Board consider the recognition of the "Border" Collie with a view to promoting this breed in Canada.

The Secretary was instructed to obtain information regarding these dogs and submit a report to the Board of Directors.

2825. CONSULTING BOARD ON IMPORTANT MATTERS.

The President reported that when writing members of the Board with regard to a number of subjects to come before this meeting of the Board, she had enquired whether they were in agreement with her view that no final decision be reached on any matter of national importance until the national Board has been acquainted with the matter and have an opportunity of recording their views. The President reported that the following members of the Board had signified their approval of such a policy: Mr. Williams, Mr. Taylor, Mrs. Mack and Mrs. Gove.

Following discussion, it was regularly moved by Mr. MacCallum, seconded by Mrs. McEachren:

"THAT, no final decision be reached on any matter of national importance until all members of the Board have had an opportunity of recording their views."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan and Mrs. Smith.

Motion carried.

It was agreed that the Secretary would have the right to secure the views of the national Board on any matter to be referred to a meeting of the Board.

2826 (2792). SHOW DATES.

The Secretary reported that while the system of priority rights on show dates in connection with shows in Ontario had generally worked out very well, last-minute cancellation or alteration of show dates previously granted on a priority basis suggested the advisability of a new policy with a view to satisfying a greater number of show-giving clubs and eliminating the possibility that desirable show dates would be left unused through last minute cancellations and alterations of show dates.

Following discussion, it was regularly moved by Mrs. Smith, seconded by Mr. Daniell-Jenkins:

"THAT, except for any club which applies for priority on a date on or about which it has held championship shows for a number of years, no other priority dates be granted for shows in Ontario; that, on September 1st, the Secretary to address a letter to each club having priority rights on 1955 show dates advising that it must submit application for its 1955 show date by November 1st, failure to do so to automatically cancel priority; that, after November 1st, the Secretary to advise clubs without priority rights, on a 1955 show date, of 1955 show dates reserved and ask them to submit, in order of preference, five choices for show dates in 1955 (with lists of dates on which the club had held shows during the past five years), after which the Board would then decide on dates to be granted."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan and Mrs. Smith.

Motion carried.

2827 (2779). OBEDIENCE TRIAL MATTERS.

The Secretary read a letter from the Chairman of the Trial Committee of the Montreal Dog Obedience Training Club, who sought a ruling on a number of questions having to do with that Club's Tracking Test, to be held on October 3rd.

Following discussion, the Board:

(a) Approved the use of the same style of judge's book sheets used in Tracking Tests held under American Kennel Club rules;

(b) Approved the Training Club's proposal that it give a blue ribbon, on which appeared the words "Tracking Test Qualified", to each dog passing the Tracking Test;

(c) Approved the sample "Judge's Certification for Tracking Test" form drafted by the Training Club;

(d) Agreed that a "Judge's Certification for Tracking Test" would not be required with the entry of a dog which has earned its "U.D.T." title in the United States, provided the Training Club is provided witth positive evidence that said dog has been granted the "U.D.T." title by the American Kennel Club;

(e) Agreed that the Training Club could accept a "Judge's Certification for Tracking Test" issued by a resident of the United States, provided said person was approved by the American Kennel Club as a judge of Tracking Tests.

(f) Agreed that a green ribbon may be given to the dog with the highest score in an obedience trial.

The Secretary sought clarification with regard to the procedure to be followed in connection with apprentice judges and, after discussion, was directed to refer the question to the Standing Committee on Obedience.

The Secretary read a letter from the Ontario Obedience Trial Representative, who raised a number of questions with regard to apprentice judges. The Secretary was instructed to refer the communication to the Standing Committee on Obedience for consideration and report.

The Secretary sought a ruling on the question of allowing the "Novice C Class" at obedience trials, held in conjunction with championship shows or otherwise, and was instructed to refer the question to the Standing Committee on Obedience for consideration and recommendation.

The Secretary referred to the present policy of not approving a person to judge at more than one obedience trial, in the same zone, with a three months' period, and reported that it had been suggested that this policy be replaced by a policy of not approving a person to judge at more than one of five consecutive obedience trials in the same zone. The Secretary was instructed to refer this suggestion to the Standing Committee on Obedience for consideration and recommendation.

The Secretary read reports received from the Ontario Obedience Trial Representative on obedience trials held by the Wentworth County Kennel Club on May 24th and the Progressive Kennel Club of Canada on June 5th.

It was regularly moved by Mrs. Smith, seconded by Mr. Monaghan:

"THAT, the Obedience Representative's reports be received and referred to the Standing Committee on Obedience."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan and Mrs. Smith.

Motion carried.

2930 (2792). SHOW AND TRIAL MATTERS.

The Secretary reported on letters received with regard to the wording of Section 31 of the "Application for Approval to Judge". Following discussion, it was unanimously agreed that the wording of this section must not be altered by the applicant, nor is the Secretary to accept any application where the applicant has altered the wording in or deleted any or all of Section 31 on the application.

Mrs. Smith suggested that when lists of proposed judges are received from show-giving clubs by the Secretary, each list should be considered from the point of view whether the proposed assignment for each judge is likely to require the judge to pass judgment on an unusually high number of dogs, having in mind the duration of the show.

Following discussion, it was regularly moved by Mrs. Smith, seconded by Mrs. McEachren:

"THAT, the Secretary be empowered to write to show-giving clubs in Ontario if in his opinion the proposed assignment of any judge is likely to require judging of too many dogs."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan and Mrs. Smith.

Motion carried.

It was agreed that the Secretary would base his implementation of this policy on the judging of approximately 20 dogs per hour.

Mrs. Smith suggested that there ought to be a minimum value for any prize offered at a championship show, and suggested that the Board provide an official definition for the word "trophy". The Secretary was instructed to refer both suggestions to the national Board for opinion.

Mr. Monaghan suggested that the attention of show-giving clubs be drawn to a previous decision of the Board that names of agents and handlers must not appear in show catalogues (see Dog Show Rules—Chapter 18, Section 6). The matter was left in the hands of the Secretary for attention.

The Secretary referred to the discussion which took place, during the presence of the Ontario Field Trial Representatives, with regard to a field trial held in Canada and recognized by both the Canadian Kennel Club and American Kennel Club, and reported that the Canadian National Beagle Club had applied for permission to hold a licensed field trial for Beagles on August 13th-17th inclusive.

The Secretary was instructed to discuss the existing situation with the American Kennel Club before reaching any decision on the application submitted by the Canadian National Beagle Club.

2931. STUDY GROUPS.

Mr. Monaghan suggested that the Board consider ways and means of encouraging local kennel and specialty clubs to give leadership in the form of study groups.

The suggestion was left over for consideration.

2932 (2736). STANDING RESOLUTIONS.

Mr. Monaghan suggested that the Board incorporate club policy in a series of Standing Resolutions, and that all members of the Board be asked to submit their suggestions in advance of the next annual meeting of the Board.

The suggestion was held over for consideration.

2933. DECISIONS OF BOARD AT THIS MEETING.

Reference was made to the Standing Resolution (Item No. 2736) with regard to implementing decisions of the Board, and it was unanimously agreed that all decisions reached by the Board at this meeting could be implemented immediately by the Secretary.

2934. NEXT MEETING OF THE BOARD.

It was unanimously agreed that the next meeting of the Board would be held in September except if, in the meantime, the President felt that an earlier meeting of the Board was advisable.

2935. ADJOURNMENT.

At 11.25 p.m., on motion by Mr. MacCallum, duly seconded and carried, this meeting of the Board of Directors adjourned.

How To Figure Dog's Age In Human Terms

THE old theory that one year in a dog's life is equivalent to seven years in the life of a human being has been abandoned, states the Gaines Dog Research Centre. The new principle is that a puppy of six months corresponds in development to a child of ten years. At one year, a dog's age compares to 15 years in a human being. Beyond two years of age the dog's maturity rate slows, each year being the equivalent of four years in man.

Counting twenty-four "man years" for the first two "dog years" and adding four man years for each additional dog year, a 10-year-old dog would be comparable to a 56-year-old human being. At 16 years of age a dog is as old as the human octogenarian, and, if your dog lives to the ripe old age of 21, his age is comparable to a human being 100 years old.

Dogs as Detectives

OUR canine friends have been used to track down the wrongdoer from time immemorial. The classical instance is perhaps the story of the Greyhound of Montargis, which is told by Edmund de Langley (son of Edward III) in his book, "The Master of Game".

One, Aubrey de Mondidier, a favourite courtier of the King of France, was passing one day through a wood with his greyhound when another courtier named Macaire, who was jealous of Aubrey's popularity, fell upon him and slew him.

The faithful greyhound covered his master's body with leaves and remained on guard for three days and nights without food. Then, famished with hunger; he made his way back to the court. There he saw the assassin Macaire, and would have sprung upon him but was restrained.

The King was mystified at the dog's conduct, the more so when the dog took meat from the tables and carried it away in his mouth into the wood. This he did on several occasions, three days running.

When the courtiers at last investigated they found Aubrey's body with a pile of food lying beside it.

Suspicion was directed against Macaire, and the King commanded him to offer the greyhound food. But the dog would have none of it, and attempted once again to attack Macaire. The King then ordered Macaire to engage the dog in combat.

Despite the fact that the man had a big two-handed cudgel the dog soon had him on the ground at his mercy. The dog was called off, and Macaire confessed to the crime and duly paid the penalty.

At the present time the breeds chiefly used for crime prevention and detection are German Shepherd dogs, Bloodhounds and Doberman Pinschers. The work of the two first-mentioned breeds is familiar, but the Doberman has more recently come into the limelight as a much-feared sleuth.

The annual report of the Palestine Police of 1936 gave some remarkable instances of the dog's success in tracking down criminals over long distances, and also their uncanny aptitude for picking up clues, such as clothing and various other articles, thrown away by the fugitives, which enabled identification to be definitely established. In fact, many of the natives have such a profound respect for these dogs' powers that when they know a Doberman is after them they confess straight away!

Fawn Mothered by Dachshund

FROM J. H. A. Irving, the British Columbia director of the C.K.C., we heard the story that two residents of Red Lake, Ont., were recently driving along the highway toward Kenora when their car struck a large doe. On examining the dead doe, the men observed pulsating movements. They examined closer and found the doe had been with young, one of which was killed in the accident. A second fawn still lived. With the use of hunting knives, they removed the fawn and turned it over to a conservation officer at Keewatin, whose Dachshund 'Tootsie' immediately took over the duties of mothering the strange baby.

Report It to the Police!

THERE is a law in Massachussetts, U.S.A., which makes a person liable to a fine not exceeding $100 who holds or harbours a stray dog for more than 48 hours without reporting it to the police.

Affecting Reproof

AMONG a pack of hounds kept by a gentleman a century or more ago was a favourite bitch that he allowed to sit around the parlour. This bitch had a litter of puppies. For some strange reason the master went into the kennel when the mother was absent, took up the puppies and drowned them in a pool. Shortly afterwards the mother returned and, missing her offspring, anxiously searched about until she found them drowned in the pool. She took them out, and carried them inside, one by one, to lay them at her master's feet in the parlour. When she had brought in the last puppy, she looked steadily up into her master's face, then lay down beside her offspring, and died.

Strange Comradeship

THE unowned and neglected Pariah mongrel dog found scavenging in the streets of North Africa and the Near and Middle East has been somewhat generally considered a nuisance, and in the not too distant past many of these yellowish brown dogs were fed to alligators and tigers in private zoos. There is one case on record where the tiger failed to get his daily meal when the pariah was put into his cage.

The pariah crouched on the defensive in a corner. As the tiger would approach the dog seized at his neck or lip, causing him to roar with pain. But the tiger kept on. No other food had been provided him. He was hungry. He renewed his attack, only to meet the same painful results.

As the spectators looked on they saw that the tiger was gradually showing some deference for the fighting dog, and when rice and milk was put into the cage he made no attempt to prevent the dog from helping himself. The two animals became reconciled to each other. Then, strangely, they became strongly attached to each other, as friends. The dog was then allowed by the zoo keeper to come out; but went back. He was allowed to come and go when it was found the dog had found a home he could never find with humans. The strange comradeship ceased only when the tiger died. For a long time afterwards the pariah moaned the loss of his big cat companion.

Generous Revenge

THE story has been told of a young man who, wanting to destroy his unwanted dog in the River Seine, in France, hired a boat, rowed into the middle of the river, then tossed the dog overboard. The miserable dog tried to climb back into the boat. The master then used his oar to push it back, but in doing this he overbalanced and fell into the water. He couldn't swim and was floundering helplessly in the water when the dog came to his assistance, holding him up until assistance arrived.

Try Boosting

We can knock it, we can rap it,
We can kick and we can scrap it,
But let's advertise our club another way.

Let us laud it and applaud it,
Let's commend it and defend it,
Till the world shall know we mean just what we say.

We can rake it, we can break it,
We can make it or forsake it,
Just by the way we talk about it every day.

We can boost it, we can shove it,
We must talk it, we must love it,
If we want it to go UP instead of down.

Why not sing and shout its praises,
Mention all its happy phases—
Show the world the best lil' club now on the map?

Boost it at the store and table,
Boost it when and where we're able.
Altogether now. Let 'er go.
Let's boost and "can" the "kick."

Dog Is Hero

NEWS from Terrace, B.C., in January, 1947, told of "Mike", a dog of uncertain pedigree, and a hero to his master, G. G. Mueller, who would likely have frozen or starved to death if it had not been for his mongrel companion. Mueller was pinned down by the boughs of a falling tree while working in the woods, and "Mike" set to work to free him. He clawed at the snow until he had made a hole large enough for his master to crawl out.

FRIENDS AND FELLOW MEMBERS OF THE C.K.C.—

It was with sincere regret, and only after serious consideration that, because of pressing business matters, I recently resigned as Director of the C.K.C. I am unable to give the Club the time and thought it deserves. I shall still be active in breeding and showing, and hope to welcome old friends and new dogs at 'Boxerly'. In the not too-distant future, should I again be favoured with your confidence, I hope to once again have the opportunity of serving you in our Club.

What is the answer to the need for a higher standard of dog nutrition?

HERE'S THE PROBLEM YOU FACE!

Dog breeders and veterinarians have long realized that commercial dog foods vary considerably in nourishment and palatability. Even in individual brands these factors may vary from feeding to feeding.

What could be done about it? Gaines Research Kennels instituted a long range project for the study of this problem. The expense was justified because they came up with a practical answer.

THIS IS GAINES ANSWER—HOMOGENIZED DOG MEAL

Gaines developed a special homogenization process which combines the ingredients of Gaines formula into *uniform*, appetizing granules. This uniformity of nourishment is guaranteed in every package, every feeding, *every mouthful!* This is unique—Gaines Dog Meal is the only dog food you can buy which has this feature.

Each crunchy nugget of Gaines Dog Meal contains uniform amounts of every food element dogs are known to need. And this exclusive homogenization process makes it more readily absorbed, more palatable and easier to feed.

Homogenized Gaines Meal is our answer to the need for a higher standard of dog nutrition. It is an answer that has been endorsed by breeders and veterinarians whose recommendations have helped to make Gaines the largest-selling dog meal in the world.

We hope it is your answer, too.
