Balance in Diet For Balanced Dogs

"Let good digestion wait on appetite, and health on both."

—Shakespeare

By DOROTHEA DANIELL-JENKINS

SINCE by nature the dog is carnivorous, his teeth and digestive system are made for a diet of raw meat—bones, fur, feathers and all. To deal with semi-chewed food hastily gulped down, to break down lumps of raw meat, fur, feathers and even bones, dogs have been equipped with powerful gastric juices. If these are kept idle because a dog is given too "fine" a diet, such as minced meat or too much cereal, indigestion will result. In this respect also a lack of hard biscuit or bones to chew will result in an accumulation of tartar on the teeth which may bring in its train bad breath, pyorrhea or gum diseases, as well as bad indigestion.

Since we have brought the dog in to share our home he must also share our modern principle of a balanced diet. Healthy growth, soundness of nerves and body, and an expressed joy in living, are impossible without good digestion, in man and dog alike.

It is important to avoid an excess of any one item in the diet. A recent article by James Ferris in the English magazine *Dog World*, on the subject of flatus (the gas generated in the bowels and intestines and usually omitted through the anus) points out that this is "the normal consequence of the ordinary functions of digestion . . . caused by the decomposition of surplus food or by the fermentation of vegetable matter . . . caused by unsuitability of the diet" and in this respect he defines unsuitability as "an excess of food even of the right type."

If a diet is too rich in one particular form of food, the normal digestive apparatus cannot cope with the task given it—the unused balance of the nutrients thus presented to it pass down towards the waste. In the intestines, where little more absorption of foodstuffs occurs, this excess is decomposed by the various bacteria existing there and one of the results of this chemical break-up is a gas. An all-meat diet would thus be too heavy in protein, while an excess of vegetables would provide too much fibre in

the waste, and to deal with excess fibre the dog is the least well-equipped of the animals. The cow disposes of the gas thus accumulated by belching—the dog given an overdose of vegetables must also dispose of the gas, but his method is more obvious and embarrassing.

If a change of diet is desired, it should be undertaken by introducing the unaccustomed food in small quantities and stepping it up gradually to the required amount, at a rate which will allow the dog's digestive system to be conditioned to the change.

Another important factor in the dog's diet is the supply of water. Ronald Sewell has stated: "An animal can lose nearly all its fats and carbohydrates and over half its proteins, and survive. But the loss of its water results in death." The functions of water within the body are manifold:—it dissolves food particles and is necessary for both the digestion and absorption of dry food matter; it carries nourishment to the tissues requiring food and waste matter from the tissues for excretion; it comprises 70% of the protoplasm of which every cell in the body is composed; it is the main constituent of the

digestive forces and of such mediums of transport in the body as blood, lymph and cerebrospinal fluid, also of the urine and sweat; it helps regulate the temperature of the body; it lubricates the body surfaces such as joints and eyes, the lungs and internal organs; it serves to maintain a satisfactory level of concentration for osmosis between blood and lymph; and it acts as a cushion between the cells of the body.

Depending on such factors as the individual rate of metabolism, rate of work or activity, age, atmospheric conditions and the nature of his food, each dog's requirement of water will vary in amount. Incidentally the higher the proportion of proteins and minerals in the diet, the larger the amount of water required. An adequate supply is essential throughout the day, kept cool and changed frequently.

Every dog owner should furthermore ensure an adequate supply of calcium for his dog, since it is necessary for both blood and bone. This is contained chiefly in milk and meat (also in eggs, spinach, carrots and whole-wheat bread) and can be administered direct in powder or tablet form. To ensure the absorption of calcium into the blood and transmission to the bones, is one of the functions of Vitamin D, which produces a change in the cells lining the intestines so that they readily absorb calcium phosphate and other bone-forming salts.

Vitamin D consists of five factors, one of which is formed by the dog's skin on exposure to sunlight, so that a dog should be kept with a proper supply of light in his living quarters. It is also found in cod liver oil and halibut liver oil, hence the reason for administering one of these, particularly during the winter months when the supply of sunlight is absent or restricted.

To any one who has watched the effect of an intravenous calcium shot, on a dog which has been dying of calcium deficiency, whether this might be a small puppy or a bitch recently whelped, when from lying helpless and unable to move at all the animal has, immediately after the shot, slowly gathered its feet under it and started to walk again—after witnessing such a resurrection one can never forget the importance of calcium in every dog's diet.

(The above article is based on information published from time to time in the English magazine "*Dog World*".)

Our Next Issue

The January and February issues of "*Dogs in Canada*" will be combined into a single outstanding issue whose main theme will be "*1953 In Retrospect*".

A "*Gallery of 1953's outstanding winners*" is planned and full particulars will be despatched shortly to all those who owned a Best in Show winner in 1953 or who owned a dog which completed its championship or other title during the current year.

All clubs are requested to forward a brief review of their major activities during the past year.

Advertising and editorial material must reach "*Dogs in Canada*" not later than January 4th and the issue will be mailed just as soon as it is possible to include the Club's 1953 financial statements, likely about January 24th.

Dogs Have Christmas Spirit Every Day

• By HENRY CHARLES SUTER •

CHRISTMAS is with us again, and whether or no we are deeply religious, most of us do try for this reason to live a little closer to the way God would have us. Practically all seek through gifts and good deeds to make atonement for the slights and distress we have caused our fellow men. Yet we dog owners have a shining example near us all the time; and if we followed that example perhaps we would not have to try so hard to make amends—just at Christmas time.

You will recall the saying "every dog has his day" but did you ever stop to consider just what sort of a day does a dog—man's most faithful companion—actually have, day after day, in his eventful life? In other words, why not wonder a little about the kind of a world our dog dwells in, day after day? Does it not follow the Golden Rule?

Of course we ought to feel something more than "fine" about the friendship that exists between thousands of other fellow beings and their favorite pets. Yes, there are a few fanciers, naturalists and even philosophers, who have given deeper thought to "This day of the dog," and have given us pictures produced in their minds, just how a day seems to look from the dog's outlook.

Here is one old tag that is attached too often, but which surely contains a lie:

"A woman, a spaniel, and a walnut tree;

The more you bash 'em, the better they be."

They are better in the sense that they have borne with a tender temper, when man has usually lost his; and they have undergone a stronger test of their tolerance when man has become most intolerant. One thing must be admitted, and that is, in studying the intelligence of a dog, one can discover that the dog possesses, usually, an intense desire to understand its master. What evidence of intelligence then does the dog "in his day" exhibit in settling down into the some-what scanty scheme of a human being's life?

A lover of the dog gives us this story to illustrate. He tells of his dog's gift of forgiveness, which was a rebuke to him when he returned from a sporting expedition. With cruel carelessness, he allowed his dog to see him go forth with his gun to the forest, closing the door quickly between them. Yet the dog did not bark or protest in any way. But the dog went to his master's bedroom, a place, apparently, the dog seldom entered; pulled an old shooting jacket from the cupboard, and lay down upon it, with its smell in its nostrils, until his master returned.

There wasn't a touch of rebuke in the dog's welcome, when his master

Republished by courtesy of
American Kennel Gazette

came back from the hunt. But there was apparent such a mute protest, which was so unendurable for the master, that the latter vowed that the next time he would rather offend his neighbor by taking out a dog too many, than leave a dog behind again.

"Could we gain just part of their grand philosophy we'd be happy people."

Then, have you thought much about the immense joy there is manifested by a dog going out beside his master with a gun? You must at least believe when you see this, they are particularly in rapport when in pursuit of game. Both are as it were, primeval hunters; in some sort equals. Then what have you thought when your dog brings to your feet, proudly and affectionately, the prey which, by the way, that dog would run off and give to his family, were he in a state of nature?

Surely you have observed the sagacity of your dog in that he is able to sense somehow just when sport is the subject of his day. Come down to breakfast in your business suit, and the dog's ears are depressed by half an inch; eyes drooping drearily; actions declaring that it is just another day for the dog. If the suit is such that it happens to be the one you wear when you take a stroll, the dog acts as though he senses a possibility of sharing that stroll with you, and for the dog at least it is a day a little different from the "every day" of a dog's life.

But if you come down with the togs that take, by way of trimmings, a gun and shot, doesn't that dog know it is his day all right? From its brain to the extremity of its backbone you can see the excitement travel. Even if the dog can control its feeling and lies down while you arise from the table, the dog is there before you at the door pawing in passionate impatience to go with you to get that gun and begone.

Then again, let us admit that there are not many things that baffle a dog when it is a question of game. How he lifts his head for partridges and will waver this way and that, indicating that the scent has more than one source. Close to the ground and steady is his progress in the rear of a rabbit,

but speed and excitement unbowed when the dog is aware of a pheasant. How is it that the only bird, other than the game bird, that at all excites the dog, is the lark? Shall we not admit since the dog excels us by 340 to the sense of scent, that we cannot pretend to understand this strange way of the dog any more than the dog can interpret our brain?

Besides, does it not seem to you the dog ever strives to grasp just what which seems beyond it? Look at the fact that while our language to the dog is limited, nevertheless, by persistently repeating, they understand and remember just what specific terms when uttered and readily do such things they signify in their everyday life.

Some specialists believe that dogs possess imagination, but do not realize whereas it might be contended that they possess both. Thus dogs come

perform many human habits they have seen done every day by people with whom they live. Perhaps it is that they want to show their great, unselfish love of man by imitating him as much as they can.

It is possible then, for the dog to be so trustful in us as to watch our habits and becoming aware that we too are limited to certain ability. We have referred to the primeval propensities of dogs, is not possible in their zeal to understand the human mind and their associations with human beings, that dogs have gradually lost many of the primeval instincts? For instance, not many modern dogs revolve three times, as their world were still clothed in long grass, before settling to slumber. The domesticated dog certainly no longer digs holes and buries bones and bones. Neither can we trace any trait of savagery when they are in pain.

Even when the primeval instincts reveal itself, sometimes when the dog is being robbed of a bone, and the dog growls furiously, nevertheless the usually is a denial given to the anger by the furious wagging of the tail. While a stranger may not know what to end to believe, you who may question whether your dog possesses reason or ability, must know that he has something better and more full of meaning even than instinct. You can be assured he will deny his greatest desire if it is sure you want him to do that.

Tests that have been made by people who know, suggest that the dog probably must be placed as the most intelligent of the higher mammals. Even an ordinary dog can solve problems operating simple devices to get through its day, and the finding of the short way through many difficulties to discover its food, and to secure sufficient for the needs of its day.

Without doubt, the dog has accepted the modern world and adapted himself to new ways of life. But there has been no sudden change because he has just gone along, following his beloved man through all the different eras in the world's development. It has been the supreme evidence of the lasting bond between dog and man. Surely, if dog can do this, then man can afford to imitate that which is best in his four-footed friend—the spirit of Christmas which never leaves him for a moment.

Westminster Kennel Club

PREMIUM lists—15,000 of them—for the Westminster Kennel Club dog show to be held in Madison Square

Garden, New York City, on February 8 - 9, 1954 now in the mail disclose few changes from the 1953 show, according to officials of the club. It is believed this will be the largest premium list mailing of the year.

As in the past, every exhibit (except puppies) must have won a blue ribbon or higher award in a licensed American or Canadian competition prior to January 1, 1954.

Cash prizes ranging from \$5. for first in a class of two up to \$20, \$10, and \$7. in classes of fifteen or more are offered. Best of breed awards, when ten or more are entered, are \$1 for every dog with a maximum of \$50. The entry fee remains unchanged.

There is one change from the originally announced judging panel. Ernest E. Eldred, Cedarhurst, L.I., N.Y., will judge English and Gordon Setters.

A limit of 2,500 dogs has been set, as in recent years, and entries will close with the mail which includes dog number 2,500. In 1953 the total entry was 2,561.

Premium lists and entry blanks can be secured from the Foley Dog Show Organization, Inc., 2009 Ranstead Street, Philadelphia, which will again manage the show, or from the Westminster Kennel Club, 22 East 60th Street, New York 22, N.Y.

When She Was Sweet Sixteen

BUT that was a long time ago, a very long time ago. She was a brunette, and her luminous eyes of sky blue gave her an angelic appearance that held an appeal for many, but particularly for your scribe. It was a Friday evening in late July that we foregathered accidentally by appointment as so many young people are wont to do, and arm in arm we walked along Belhaven Terrace at a brisk pace, indicative of our not having a care in the world as long as we had each other. Her hair hung down beyond her hips in a plait as thick as a man's arm. On and on we walked and by and by we came to an old disused coal mine, and readers from the Motherland will recall those ugly blots on the otherwise lovely landscape, which were "dirt bings" and old disused coal shafts. Out of the shaft opening coursed endless tonnage of coal—for a time, but in due course the limit would be reached, the mine dismantled, and a fence of railway ties put up around the shaft. Alas! Human life was rather cheap in those days, and for the tormented or depressed there were many easy ways of ending it and the old mine shaft induced many to its shrine.

As Sal and I passed the old shaft, I imagined I heard a sound which could only come from that locality. On referring the matter to my companion I failed to find any corroboration, and so we kept right on walking, but I had been impressed sufficiently to warrant insistence on getting into reverse, and going back to the old shaft and sitting down on the little earth bank which surrounded it. In those days my Mother used to say, "My Jimmie has an ear that would hear the grass grow and that may have been very true at one time, but not so very true today. Anyway, the sound came again, but still Sal did not hear it. Again it came, and again, this time a definite, plaintive moan, and Sal heard it.

From whence or from what emanated the sound that filled us with so much excitement? Someone, or something must be down there, and still alive. The "cleedin'" had been left in the shaft I knew, that is the timbering around the shaft to keep the guides, or slides, in place, so that the cages would travel truly up and down with their loads of men or of coal. Every four feet the timber went around the square of the shaft, and so I decided that a descent was not impossible, and at once intimated my intention to try. It was quite an experience to resist the pleading of those blue eyes from which tears literally flowed. But I was always more or less impulsive, and always ready for a dare. Soon I had divested myself of hat, coat and vest. Soon I had clambered over the fence. Soon I was on my way down to—God only knew what.

Between the time of his retirement in 1941, and his death in January 1944, James D. "Jimmie" Strachan penned a number of stories, in his own inimitable style. The one we best recall, republished here and entitled "When She Was Sweet Sixteen", serves to illustrate his deep love of dogs, and why his subsequent affiliation with Canadian dogdom, which was to result in 22 years of unequalled service to the Canadian dog world as Secretary-Treasurer of The Canadian Kennel Club, was almost inevitable.

Down and down I sped until the opening showing the evening sky was but a pin point for size. Still down I went, and by and by my foot touched water, and I knew I had reached the "sump"—bottom. Taking a good hold on the slide with the crook of my trusty right arm, I groped down with my left hand. A pair of terrifying green eyes showed up, like lanterns, as a tongue licked my hand. To this day I have never been able to describe my feelings at that moment, and I am now sure that I will never be able to do so. My heart was up in my mouth when I realized that I had a dog by the collar. In the inky darkness I realized that the dog was a large one, but as he was only skin and bone he was rather light as I took up his entire weight. I manoeuvred his forelegs round my neck with the minimum of trouble or exertion. To tie them together with a handkerchief was a job for a nigger rather than a lover. Anyway, he was soon tied, and I set out on the return journey with my heart bursting with indignation, suspense, and excitement. At the fourth rung up, the handkerchief slipped, and back to the "sump" went my precious burden. Down again I went, and believe it or not, my skeleton companion was distrustful of me, and it was with much distraction that I awaited his decision to trust me a second time. When I had him in place again, I found that the handkerchief was lost, but my necktie, a MacKenzie tartan affair, was woollen, long and strong, and this time I really did a good job of tying his legs around my neck.

Up we went together, four feet at a time. I was soaked through and through. The timbers appeared to be twice as slimy when ascending as they were when descending. The dog's weight, a feathery impost at the start now threatened to shut off my breathing at times. And as I moved his weight from time to time, I was conscious that much of my strength was spent. After

what seemed to be an eternity, I could see the sky again, and I could hear the mumbling of many voices. My distracted little Sarah had the whole neighbourhood alarmed and on hand. As I finally reached terra firma again, there were many kindly souls on hand to offer praise and encouragement, many offers of a wash and some clean clothes and everybody wanted the dog, but the strange thing was that the dog wanted nobody, not even me. That is something of a problem that I have never been able to solve. But it must be remembered that it was only his body and spirit that kept him together at the most. Mr. Hobbs, the editor of my home-town paper claimed him, and after years he became not only a handsome dog, but he was a pure-bred Newfoundland to boot. Why anyone should have wanted to end his life by throwing him down a coal mine shaft I'll never know. One thing I do know and that is this that that particular experience had a sobering effect on two young lives that shuddered at the very thought of it.

The Sal in this story in none other than "My Old Sal", who passed to her reward on October 27th, 1938. She was always proud of my doggy affiliations, always rejoiced when my dogs won at the shows.

On my return from England in 1935, I was told on the way home that she had been operated on for cancer, and that she had refused to consent to the operation until everyone in the family had sworn to keep the information from me so that my holiday would not be marred by the circumstance, but she had been brought home that very morning. When we met at her bedside she said: "H'lo Jim. Did you have a nice time? Where did you go? Whom did you see? My you're looking swell. Your holiday has done you a world of good. I'm glad to see you". I told Sal many things before I slept that night, and did not forget my visit to the old coal shaft, the spot that had welded us together closer than any vows had ever done.

ROYAL DOG IS DEAD

Crackers is dead. The little Welsh Corgi who grew up with Queen Elizabeth and Princess Margaret and used to romp about the grounds of Sandringham and Balmoral has died in London at the age of 14 years. He was a special favorite of the Queen Mother Elizabeth and in latter years spent much time with her although old age prevented him from making the long journeys to Scotland.

The death of the Royal Corgi, Crackers, prompted a newspaper to ask famous people how they felt about dogs. Sir Winston Churchill, who owns a standard Poodle named Rufus, replied: "I am owned by a dog. I think it likes me. It has taught me to throw sticks..."

"BEST IN SHOW" WINS TO THE END OF 1953 are EIGHTY-ONE

The National Retriever Championship

RUN over very spacious and ideal hunting grounds at Edmonton Beach Corner, twenty six miles west of Edmonton, Alberta, the 1953 running of the National Retriever Championship Stake was an outstanding success. The weather was ideal throughout and the thirteen starters, consisting of some of the greatest Retrievers of our time, were given a thorough testing during the three days of the trial.

Judges Oliver Krog, Vancouver, B.C., Johnny Breckenridge, Calgary, Alberta, and Dr. T. F. McDonald of Edmonton, Alberta, had their work cut out to test the dogs completely and keep from disqualifying too many dogs with three days and ten series ahead of them.

The Field Trial Committee headed by Field Marshall W. E. (Bill) Madge and his wife Jeanette as assistant Field Trial Secretary, Club President Frank Barrigan and all the rest of the local committee, left little to be desired in preparing for this Stake. Everything to the minutest details were attended to as was ably demonstrated during the running of the trial. The banquet under the able chairmanship of Club President Frank Barrigan was a great success and will be long remembered by those in attendance.

Two dogs from the original fifteen were scratched, Dual Champion Rock Haven Raynard of Fo-Go-Ta, Golden Retriever owned by the popular Mr. and Mrs. Sam Magoffin of Vancouver, B.C. was unable to be present, and Craigend Jock, a promising young Labrador owned by A. C. Taylor of Vancouver, who became very sick while travelling to the trial, consequently was unable to be entered. This left the thirteen starters who gave a very good account of themselves and though it was anyone's trial until the last day when Gringo proved his worth by continuing as he started in a very methodical and steady manner leaving the other contestants far behind and emerging undisputedly in everyone's mind, the 1953 National Winner. It was indeed a great win for Clifford Brignall who now has the honor of being the owner of the first International National Winner.

The judges with the aid of their wonderful grounds conceived and ran some outstanding and practical tests, stressing on the last day the skill of the dogs as well as the handlers particularly in the last series with the largest gallery that any Canadian National to date has had.

Starters in Order of the Draw:

1. F. T. Ch. Harvey of Avandale II, Male B.Lab., owned by Clifford Brignall of Long Beach California; 2. F. T. Ch. Oil City Ted, Male Chesapeake, owned by Frank Cockrall, Edmonton, Alberta; 3. Cutbank Bobolink, Male Lab., owned by James Paton, Wetask-

win, Alberta; 4. Int. and Amer. F.T.Ch. Brignall's Gringo, Male Lab., owned by Clifford Brignall, Long Beach, Cal.; 5. F.T.Ch. Nelgard's Baron Male Chesapeake, owned by Clifford Brignall, Long Beach Cal.; 7. Chuck of Bracken, Male Lab., owned by Wilfred Zess, Lynmour, B.C.; 8. C.N. Ch.Can. and Amer. F.T. Ch. Amer. Amateur F.T.Ch. Oakcreek's Van Cleeve, Male Golden Ret., owned by Alfred H. Schmidt, Portland, Oregon; 9. Leecoy's Sam, Male Lab., owned by M. McCoy, Ponoka, Alta.; 11. L'lle Bert, Male Lab., owned by J. Lowther and E. Chevrier, Ogden, Alta.; 12. Walker's Kim, Golden Ret., owned by A. C. Taylor, Vancouver, B.C.; 13. Amer. Amateur F.T. Ch. Brignall's Nick, Male Lab., owned by Clifford Brignall, Long Beach, Cal.; 14. Dianna Dee, Female Lab., owned by G. W. Tomlinson, Calgary, Alta.; 15. Lady Ricki of Hill Haven, Female Golden Ret., owned by G. Walker, Vancouver, B.C.

First Series: A single marked pheasant in a stubble field down wind and

down hill at 80 yards. One dog on line at a time. The majority of the work was good with outstanding performances turned in by Harvey of Avandale, Oil City Ted, Gringo, Nelgard's Baron, Chuck of Bracken, Oakcreek's Van Cleeve, L'lle Bert and Lady Ricki of Hillhaven. All dogs completed with some spotty work by two or three others.

Second Series: All dogs back. A double mark on water from a blind with the first duck 100 yards across a slough just in the water in a foot and a half high swamp grass and the gunners retired out of sight. Second duck to the left 40 yards across a slough, through a rail fence, into harrowed field. Most dogs headed for the shore on the long bird except Oakcreek's Van Cleeve who did an outstanding performance going all the way by water never varying from a direct line. Good jobs were turned in by Chuck of Bracken, Walker's Kim, Nelgard's Baron and Gringo. Oil City Ted broke. This was a difficult series as the dogs had to go through very heavy lilly pads to start and continue through a short open stretch of water into tall swamp grass with the majority hitting the shore anywhere from 25 to 40 yards short of the long bird and running the bank.

Third Series: Twelve dogs back. A double mark on land in a stubble field. First pheasant 85 yards off the line to the right of the dogs and on a crest of a hill. Second shot pheasant 40 yards directly in front, with two dogs on line the dog honoring after running. Good jobs by Harvey of Avandale, Gringo, Van Cleeve, Walker's Kim L'lle Bert and Lady Ricki of Hillhaven. Dianna Dee, Leecoy's Sam

The winner of the 1953 renewal of the National Retriever Stake, "Brignall's Gringo", with his owner-handler, Clifford Brignall.

Chuck of Bracken and Cut Bank Bobolink ran into difficulties getting over the hill and with some of the dogs having to be handled. This ended the first day's work.

Fourth Series: Twelve dogs back. Three birds water. First duck 80 yards across slough into grass at the edge of the water. Second duck 40 yards to the right across slough into the grass at the edge of the water. Third duck 25 yards on a line to the left, thrown far out into the water between clumps of marsh grass. Brignall's Nick, Nelgard's Baron with Gringo close behind did the outstanding job on this series. Walker's Kim, Cut Bank Bobolink, Van Cleeve, L'lle Bert and Lady Ricki of Hillhaven all had to be handled on one bird the rest had more trouble than this with Harvey of Avandale breaking and Dianna Dee picked up by the handler.

Fifth Series: Ten dogs back. Land series, over and under. First pheasant shot 90 yards across a 25 yards swath of marsh grass and up a hill in a stubble field. Second pheasant shot 30 yards directly in front of the swath of marsh grass. All dogs did a good job except Walker's Kim and Cut Bank Bobolink who had to be handled.

Sixth Series: Ten dogs back. Water blind. Single duck planted 130 yards diagonally by shore past tules. These tules proved a difficult distraction and the handlers soon realized they had to keep the dogs well out in the middle of the open water or the dogs went to shore and were lost in the tules. Good jobs were done by Gringo, Chuck of Bracken, Van Cleeve and Lady Ricki of Hillhaven, Leecoy's Sam and L'lle Bert. Cut Bank Bobolink was picked up. This concluded the second day's work.

Seventh Series: Nine dogs back. A double mark. First pheasant shot 125 yards diagonally across a 15 yard open water 50 yards back from shore into some low marsh grass with the gunners hiding out of sight after throwing. The dogs were fifty yards back from the water. Second pheasant to the left about thirty yards. Gringo and Walker's Kim did outstanding jobs. L'lle Bert and Van Cleeve had to handle for short bird. Nick, Nelgard's Baron and Chuck of Bracken were handled on both birds. Leecoy's Sam was picked up.

Eighth Series: Eight dogs back. Triple land. Dogs honored after running first pheasant through two fences and 75 yards straight ahead. Second to the right through a fence 30 yards into some two foot high grass. Third to the left 20 yards. L'lle Bert and Gringo outstanding jobs. Many of the others over ran the far bird with Nigard's Baron and Van Cleeve having to be handled. Chuck of Bracken broke while honoring.

Ninth Series: Seven dogs back. Land blind. 100 yards across a stubble field with pheasant planted 2 yards back in heavy cover. Handler shot short bird

thrown to the left at about 30 yards. Gringo, Walker's Kim and L'lle Bert did excellent jobs with Nelgard's Baron, Nick and Lady Ricki of Hillhaven having trouble in the heavy cover. Van Cleeve took many whistles but had no refusals.

Tenth Series: Seven dogs back. A blind was set back 40 yards from the edge of the water and a single shot duck into the open water. The dog was sent for this bird and upon emerging from the water a pheasant was shot 40 yards to the right of the handler with the guns retiring out of sight and a pheasant to the left of the handler at about 25 yards. The judges instructed the handlers to take the duck from the dog before he entered the blind and send for the two pheasants without giving a line. This series proved to be a thrilling climax to the trial. Gringo, Lady Ricki of Hillhaven, Nick and L'lle Bert turned in outstanding performances. Following what seemed to be an eternity but in reality was a short space of time the judges reached their decision. International and an American National

Field Trial Champion Brignall's Gringo was announced the winner and bedlam broke loose.

It was a great win for Clifford Brignall but very decisive as the old campaigner Gringo demonstrated what a truly great dog he was the last day when he did not make a false move. Up to the third day, if Gringo had faltered, it could have been anyone of two or three others but the seven year old of Free Haven Lucky x Victoria Crescent proved himself one of the truly great dogs by shaking off all opposition. The record that Gringo and Cliff have now established will no doubt take a lot to ever equal, goodness alone knows ever better.

The National Foxhound Championship

By E. D. BONNYMAN

THIS year's All Canadian C.K.C. National Championship Trial staged at Quyon, Quebec, on October 30th and 31st, was one of the best trials held by the All Canadian to date. This was a trial where the spectators and all those attending got their money's worth insofar as seeing hound performance and hearing hound music was concerned.

The first day, the running could be considered a bit spotty and the scoring was predominantly on hunting and trailing. The second day, however, was different and from the cast to the finish of the trial, hounds were driving and driving hard. Hounds, foxes and judges were on the move. What a hunt!

On Thursday, the hunters started arriving and by evening the hotels and cabins at Quyon were filled to capacity; some having to go to hotels in nearby towns. All of the seven affiliated associations were well represented and in most cases, with their full quota of hounds, six per association. Forty pure bred hounds which had been selected from about 400 that had been run at district trials were there to perform and perform they did.

With the cameras of the National Film Board grinding and clicking because they were there to film the trial, the Master of Hounds, A. L. Pimlott of Ottawa, got the hounds away to a beautiful cast. It was a case of now you see them and now you don't.

As stated above, conditions on the first day were not conducive to hard running but the second day scenting conditions were ideal. The hounds were in full cry from start to finish. It was a hard trial on the judges who work on foot in this country, but work they did and piled up the scores.

The district of Quyon is bordered on the south by the Ottawa river and on the north by the Laurentian Mountains. Between the river and the mountains lies a strip of country that is made to measure for field trials,—hills, fields, woods and good roads every square mile with lots of foxes and ones that will run.

With the organization work of the trial well taken care of, an excellent slate of judges, Master and Assistant Master of Hounds, all that was needed were good running conditions and the weather man co-operated to the fullest extent. The judges worked in pairs and were re-grouped each day.

Next to the trial came the Fox Hunters' Banquet. This was held in the high school auditorium and was put on by the Ladies Guild of the Anglican Church. "Eat all you can and then eat some more", was the slogan. Bill Monaghan, Cecil Taylor, T. Thompson of the Master Feeds, Mr.

Proudfoot, M.L.A., and others gave interesting talks on field trial and sporting events. All were loud in their praise of the courtesy and splendid co-operation shown by the people of Quyon and district.

One of the interesting events was the presentation, on behalf of the All Canadian Fox Hunters' Association, of a very fine wrist watch to Frank Boomer, retiring Secretary of the All Canadian. Frank Boomer was Secretary of the Association from its inception in 1947 to June 1953. His contribution to the All Canadian and to the sport of fox hunting has been outstanding and it can be taken for granted that Frank will continue to lend his support when and where possible.

Next came the announcement of the winners and the distribution of a \$350.00 prize list. The announcement of the winning hounds was what the hunters had been waiting for and when A. L. Pimlott, Master of Hounds, who did an outstanding job, rose to speak one could hear a pin drop.

The winner and 1953 All Canadian C.K.C. National Champion is a young hound "Fletcher Kirby" owned by Magistrate Frank Cook and Angus McDermid of Stratford. This hound had to be good to come through the district trials and win the official All Canadian National Championship.

Complete list of winners and judges is as follows:

1. Fletcher Kirby—Owned by A. Cook and Angus McDermid, Stratford, Ont.
2. Dr. Jester—Owned by Tom Zealand, Lindsay, Ont.
3. Bankers Murray—Owned by Carter, Cornwall, Ont.
4. Pegg's Paddy—Owned by William Peer, Guelph, Ont.
5. Armstrong's Lucky Doctor—Owned by Ray Morrell, Toronto, Ont.
6. Tomahawk Sands—Owned by F. Cook and Angus McDermid, Stratford, Ont.
7. Bonnyman's Aristocrat—Owned by E. D. Bonnyman, Ottawa, Ont.
8. Steele's Spot—Owned by Everett Steel, Quyon, Quebec.
9. Buzzard Burton—Owned by Edmond Trudeau, Quyon, Quebec.
10. Corn Silk—Owned by H. Roulx, Villa St. Laurent, Que.

DOG SHOWS IN GERMANY

By HANS BRUNOTTE

HOW are dog Shows run in Germany...?" is a question I have frequently been asked at shows in Canada and I believe a short description of show procedure in Germany might interest various people.

Shows in Germany are usually held by individual clubs such as the Boxer Club or the Terrier Club, with the German Kennel Club acting as head organization. There are, however, some big all breed shows averaging 1,500 entries.

Judges are supplied by the individual clubs and are specialists on one or two closely related breeds. Every judge goes through a two year apprenticeship and afterwards has to pass an exam before a panel of accredited judges. He remains a judge for life unless he is barred by the club.

The shows are divided into groups each of which comprises breeds closely related to each other. It is not uncommon practice to split the breeds in a group between two different judges and in no case does a judge have to pass upon such vastly different breeds as are, for example, the Bullmastiff and the Doberman. The breeds are divided into classes not unlike the way it is

done in this country. There is, however, no Jr. Puppy class and the Sr. class comprises puppies from 9-18 months.

The judge enters the ring with a mental picture of an ideal specimen of the breed he has to judge. This picture is the standard set up by the respective breed club, but only in cases where German breeds are concerned. There are no German standards for foreign breeds which are rightly judged in

accordance with the standards of the country of origin.

Within the classes the dogs are not compared against each other, but against the standard.

The awards are: Excellent, 1st, 2nd and 3rd. One or any of these awards may be made, any or all of them may be withheld, depending upon the quality of the class. The awards are independent, i.e. an excellent may be given, all firsts may be withheld, and three seconds awarded in the same class. The judge has to explain publicly every verdict he makes. Dogs with the mark, excellent, go into further competition to decide within the breed exc. I, exc. II, and exc. III. Again there may be any number of these marks, for example, 2 exc. I, no exc. II and 1 exc. III. Three exc. I under two different judges within two years enables a dog to compete for Club Champion at any one of the three shows held for this purpose annually. One dog and one bitch may be made Club Champions at every one of these shows.

Club Champions may compete once every year for the National Championship, at the show being held especially for this purpose where one dog of each sex may, but must not necessarily, be awarded the title. Working and hunting breeds cannot compete unless they also possess a utility or field trial degree.

This system of judging may be criticized, but so far the results have invariably justified its use.

Returned Applications Retard Service

DURING the course of a calendar year, the Canadian National Live Stock Records is obliged to return to applicants many thousands of applications because of errors or omissions or insufficient fees. The very high percentage of returned applications has three undesirable results: First, it materially increases the amount of labour involved in clearing the applications thus increasing costs; secondly, it is a definite obstacle to improved service in the issuance of certificates; and finally, it is a major source of irritation and annoyance to breeders and others using the service of the Records Office.

It should be noted that when an application is returned to the Records Office for the second or third time, it does not receive any priority attention over an application received for the first time. This policy is followed for the reason that to grant priority to such returned applications would be to penalize those applicants who are careful to see that their applications are in order when first submitted and are accompanied by the required fees.

This article is designed to point out many points on which errors are frequently made, and it is hoped that its publication will reduce, even if just a little, the number of applications which the Records Office is obliged to return to applicants for further attention.

MEMBERSHIP FEES

The membership year corresponds with the calendar year and all memberships expire on December 31st regardless of when a person was admitted to membership or renewed his membership during the current calendar year. The renewal fee is \$5.00 if paid before February 15th, 1954, or \$6.00 if renewal fee is received at the Canadian National Live Stock Records office after that date. All membership fees should be forwarded direct to the Canadian National Live Stock Records at Ottawa.

Please do not forward membership fees to the Canadian Kennel Club office at Toronto.

Those who completed a new application for membership form in 1953 will not be required to complete a new application for membership form when they renew their membership in 1954.

LITTER APPLICATIONS

In completing applications, it is important that the breed name be properly shown on the application. For example, the Cocker Spaniel is either a "Spaniel (American Cocker)" or a "Spaniel (English Cocker)", and it is not sufficient to simply state "Cocker" or "Cocker Spaniel". This type of error does not necessarily call for an application to be returned, but it does

take the time of the Registrar in making any necessary changes so that the breed name is properly shown on the certificate when it is typed.

The breeder of a litter is the person who owned (or was lessee of) the dam of the litter at the time of mating that resulted in the litter. The name of that person should be shown on the line marked "Bred by". The person who bred a litter is not necessarily the person who owned the litter when it was born, for although the breeder may own the dam of a litter at the time of the mating which produced the litter, he may sell the female before her litter is born. We have seen applications where the name of the owner of the stud dog was inserted on a line marked "Bred by" even though the owner of the stud dog was in no way concerned with the ownership of the dam of the litter. As a matter of fact, the writer has seen applications where the name of the sire of the litter itself was inserted on that line.

The line marked "Whelped the property of" should show the person who owned or was lessee of the dam of the litter at the time the litter was born. Let us suppose that John Jones owned (or was lessee of) "Trixie" when she was bred to "Rover" on say June 1st, and on June 15th sold "Trixie" to John Doe. On the application, the name and address of John Jones should show on the line "Bred by" and the name and address of John Doe would appear in the section "Whelped the property of". In the section of the application calling for the signature of the breeder, John Jones would sign as owner (or lessee of Trixie) at the time of the mating that produced the litter, and John Doe would sign the section calling for the signature of the owner (of litter) at birth.

Care should be exercised to see that the date of mating which produced the litter is carefully set-out in the application and allows for reasonable gestation period (normally 63 days). When proper private breeding records are kept, as required by the By-laws of the Canadian Kennel Club, there should be no problem in furnishing correct dates on applications.

Some breeders are under the impression that they cannot proceed with the registration of puppies in a litter until they receive the litter registration certificate. That is not the case. Breeders may forward applications for registration of individual puppies in a litter along with the litter application or at any time after they have forwarded the litter application to the Records Office.

REGISTRATION OF INDIVIDUAL DOGS

The comments which appear above, regarding litter applications insofar as

it concerns name of breed, name of owner or lessee of dog at birth also apply.

In completing the section of the application calling for the sex of the dog, place an "X" in the square which denotes the sex of the dog. This might seem elementary and hardly calling for comment, but applications have been submitted where the applicant has placed an "X" in the square opposite sex of the dog, intending that such a marking shall indicate that the sex of the dog is opposite to that in which the "X" was placed.

In giving the name of the dog, be certain that the entire name, including spaces between words, forming the name, do not exceed 30-letter spaces. Do not use the names of members of the Royal Family or of prominent national leaders. Where an imported dog is being registered, the name shown on the application must be identical in every respect to the name shown on the registration certificate of the country from which the dog is imported.

In stating the colour or colours, the briefest possible description only is required. All colours appearing on the dog must be listed; the predominating colour should be stated first. The date of birth must correspond with the date of birth on record for the litter.

If the dog is tattoo-marked, the identification letters (usually three) allotted to the person registering the dog should be stated on the line calling for the "identification letters". The tattoo number is the serial number used to differentiate between dogs born the property of the same person in the same year. The location of the markings on the dog must be stated.

If the dog is imported, the name of the importer must be stated, and that will be the person residing in Canada whose name appears as owner on the certificate of registration issued by the Kennel Club in the country from which the dog was imported. Do not indicate as importer, the name of the agent, or shipping firm, who looked after the details of the dog's transportation to this country.

If the dog has been sold, then the transfer of ownership section should be completed. Do not forget to include the initials of the new owner (a common omission on applications, necessitating their return). Give the complete date of transfer of ownership. It is not sufficient to state, for example, "September 1951". Only if the dog that is being registered and transferred is a female that has been bred prior to her sale, should the section dealing with that mating be completed.

In giving the name of the sire and dam, such names must be identical to those appearing on their certificates of registration. See that the proper registration numbers are given.

If the dog has been sold, then two

signatures are required on the application. If the dog is an imported dog, then only the signature of the importer is required.

If the dog is one owned in the United States and registered with the American Kennel Club, then only the signature of the person showing as owner on the A.K.C. certificate need appear on the application. The A.K.C. certificate of registration must accompany the application—it will be returned with the C.K.C. certificate.

It should be noted that all Kennel names registered with the C.K.C. after May 5th, 1951, may be used as a prefix only. This does not apply to Kennel names registered with the C.K.C. prior to May 5th, 1951.

Where the applicant does not have a typewriter, it is suggested that all

information (except signatures and numerals) be in the form of block letters.

SIGNATURES

Signatures must appear in ink and must not be printed. Consistency as to form and content of signature is

important. For example, do not sign on one occasion as John C. Doe and on another as J. C. Doe. Wherever possible, the signature should be identical to the way the ownership is shown in the Club's records. If, for example, Mrs. John C. Doe has signed an application as "Mrs. Ethel Doe", then she should continue to sign applications as Mrs. Ethel Doe. Inconsistency in signing applications means additional work for the Records Office in that they check as far as possible to see that each signature is genuine and consistency in signing applications in the same way is of considerable help to them.

In the case of partnerships, clubs or companies, the person authorized to sign must do so. For example, if in the case of a partnership for Mr. and Mrs. John Doe, it is recorded at Ottawa that John Doe will sign for the partnership, then the application should be signed "Mr. and Mrs. John Doe per

In the case of an estate, the application should be signed "Estate of—" per the signature of the person authorized to sign for the estate, and below his signature there must be an indication of his authority to sign for the estate (Executor, Administrator, etc.).

If a partnership is dissolved, then both parties should sign the application for transfer of ownership. In the case of a minor, the minor's guardian signs and states if he is a parent or legal guardian, for example, "John Doe (minor), per John Doe Sr. (father)."

TRANSFERS OF OWNERSHIP

In transferring a dog already registered in the records of the Canadian Kennel Club, the certificate of registration must accompany the transfer.

FEES

Insufficient fees is a common cause of delay in the issuance of certificates. One common error on the part of many applicants is the assumption that a transfer fee need not be remitted when a transfer is being effected at the same time as a registration. Although a transfer may be indicated on an application for registration, there is a separate charge, and both registration and transfer fees must be remitted. In this connection, another common error occurs when a dog is purchased by a member of the C.K.C. from a non-member, many persons being under the impression that the transfer fee will be at members' rates. Such is not the case—it is the seller's status as a member or non-member that determines whether the fee will be at members' or non-members' rates.

Before determining the fee payable in connection with registration of a litter or of individual dogs, carefully determine the age of the litter, or individual dog, before calculating the fee payable. It should be noted that the fee payable is determined by the date on which the application reaches the Live Stock Records Office and not by the date on which the application is completed, which in some instances may be months before the application is actually submitted to the Records Office.

It should be noted that a new schedule of fees became effective on July 1st, 1953. The new schedule is shown on litter applications now being distributed and will subsequently appear on the applications for registration of individual dogs. A copy of the new schedule may be obtained by writing the Secretary.

whether a dog is tattoo-marked or nose-printed, the dog must be identified before the application is submitted to the Records Office. That of course will be obvious to those nose-printing a dog, because the nose-prints of a dog must accompany the application.

When tattoo marking a dog, care should be exercised in seeing that the correct year-letter is used. The year-letter corresponds with the year of the dog's birth and not the year in which the registration is effected. For example, a breeder registering a dog born in 1952 will use the year-letter for 1952 (G), even though registration may be effected in 1953 or later.

If nose-printing is the method of identification used, then two clear and distinct nose-prints must accompany the applications. Do not adhere to the nose-prints to the application. Orders for nose-printing supplies should not be forwarded to the Canadian National Live Stock Records but should be forwarded direct to the Canadian Kennel Club at Toronto with covering payment. Please do not order nose-printing supplies C.O.D. Nose-print forms are available at the rate of 30 for 25c and a 2-ounce tube of nose-print ink sells for 75c.

EXPORTS

When exporting a dog to the United States, the certificate of registration, showing the ownership of the American importer, should accompany the dog when it is shipped. The Live Stock Records Office will give immediate attention to applications for registration and/or transfer of dogs to be shipped to the United States provided they can immediately recognize an application as being for a dog to be exported. To draw their attention to this fact, place the word "EXPORT" in bold letters on the face of the envelope carrying the application to the Records Office.

MAILING OF APPLICATIONS

All applications for registration of litters, individual dogs and transfers of ownership should be forwarded direct to the Canadian National Live Stock Records Office, Ottawa, and not to the C.K.C. office at Toronto. Many applications are forwarded to the Toronto office but this only delays the issuance of certificates.

Appropriate Names For Chinese Dogs

A short time ago a Pekingese fancier was seeking information on where to purchase a book which would furnish information on suitable names for Pekingese. We recall having published an article in this connection some years ago, 1942 to be exact. We have since located the article which was written by the internationally known Mrs. Lillian C. Raymond-Mallock of England. The entire article will not be reprinted this time, however, for the benefit of those interested, the following list of appropriate names for Chinese names is taken from Mrs. Mallock's article.

Grading Seen Aid To Judge and Dog

By JOHN H. DANIELL-JENKINS

AN unfortunate split in Dogdom is beginning to divide fanciers into potentially hostile factions. One side is recruited from show enthusiasts and the other from scientific dog breeders. The chronic exhibitors and those who minister to them are sportsmen who like to take chances and enjoy a win simply for its own sake. This type also appreciates the social activities connected with a dog show and the opportunity to see new places and faces.

The dog breeder type is more of a scientist who regards his stock objectively and with some measure of detachment. He is not easily satisfied but is always trying for something better. Consequently a show win means little to him unless he knows it to have been thoroughly deserved. He studies his trade and spends long hours at his kennels, observing, recording and planning. He sometimes feels that time off for dog shows is time wasted, since a breeder's main interests are in genetics, training, conditioning and nutrition, all of which activities are directed to producing an even better quality of dog to offer his customers. Today it seems a little curious that dog shows were originated with this sole end in view. To the breeder they have almost come to represent nothing more than a costly and uncertain form of advertisement, the rewards of which can only be estimated in terms of prestige—not in dollars and cents and sometimes not even in goodwill.

Many fanciers, like the writer of this article, occupy a position between the two extremes just cited. They feel that some attempt to prevent the split from developing further could be made. In all probability the show-giving clubs have at present the best opportunity to make a gesture of friendship to those dog enthusiasts who are holding aloof from the ring. Even further good might be expected from such a move and the large army of dog owners who keep quality animals as family pets might swell the Clubs' entries to figures that are only dreamed of today.

First of all many fanciers only want to know whether their stock or their pet comes up to the currently-accepted type of breed, and are not interested in campaigning for a championship or breed and group wins. Under present show methods they may be a long time getting this information, especially in the larger breeds. For even if a judge has twenty dogs in a class which are all up to standard he still can only place four of these. Now, if the classes were to be made non-competitive, and all dogs entered in them were to be given a grade or rating, then the small exhibitor and the working man with little spare time at his disposal could get an opinion on his

dog to guide him for the future—either for breeding or for further showing. Competitive judging, for those of us who enjoy it, could be brought in at the Winners class, which would include all dogs with a "First" rating in the preceding classes. This would leave the present point system unaffected and the existing procedure could be followed after the selection of "Winners" in the two sexes.

Show-giving clubs could also place the greatest emphasis on cleanliness, order and punctuality in planning and carrying out their task. The expression of pleasure on all sides at the 1953 Royal Winter Fair Dog Show in Toronto made it very clear that exhibitors and the public seem to appreciate an efficiently run show above almost anything else. Of course there must be co-operation. Exhibitors should feel themselves morally obliged to avoid "Late entries", to have their dogs ready when they are called to the ring, to keep the dogs properly exercised and the benches clean. The public should try to behave in an orderly manner and refrain from dropping litter about the floor, teasing the dogs or causing obstruction in the aisles. Before such co-operation can become a habit some educational work must be done—and this could be a useful activity for the newly-formed Canine and Kennel Club associations.

One more suggestion. Always give the exhibitor some chance to bring back a keepsake and a memento of his day. This is even appreciated by experienced exhibitors of many years standing. A glance into the hall of a famous terrier kennel in the Toronto area will go a long way to proving my point. That is why I cannot agree with my friend, Dr. Hector Watson when, in an otherwise rewarding article, he suggests the abolition of dog-show ribbons. The alternative scheme of printed cards has been in use in England for many years. Perhaps he has not had the pleasing experience of hearing the delighted comments of recently-arrived English exhibitors receiving their first North American ribbons.

Export and Import Statistics

How many registered dogs were exported to the United States last year? How many dogs were imported from Germany in 1952? Believing that the answer to these questions, in fact a complete statement of our exports and imports over a period of years would prove of interest to our readers, the following tabulations have been prepared with a view to providing this information. It should be noted, however, that the figures refer only to registered dogs exported and to dogs imported and registered. Since we are primarily interested in dogs worthy of

registration, these figures will likely be regarded as sufficiently inclusive.

Here are the importations, 1948 to 1952 inclusive:

From the United States: 1948, 373; 1949, 373; 1950, 275; 1951, 202; 1952, 241.
From Great Britain (Including Ireland): 1948, 41; 1949, 40; 1950, 8; 1951, 18; 1952, 14.

From India: 1948, 2. Australia: 1948, 3; 1951, 2. Germany: 1948, 4; 1949, 1; 1951, 1; 1952, 1. France: 1950, 1, 1951, 12. Eire: 1950, 1. Holland: 1949, 1. Switzerland: 1949, 1; 1952, 2.

Total importations: 1948, 428; 1949, 418; 1950, 285; 1951, 223; 1952, 273.

Now for the exportations, 1948 to 1952 inclusive:

To the United States: 1948, 1246; 1949, 1211; 1950, 956; 1951, 943; 1952, 996.

To South America: 1948, 14; 1949, 1; 1950, 5; 1951, 2. Newfoundland: 1948, 13. British West Indies: 1948, 2; 1949, 3; 1950, 2; 1951, 7; 1952, 4. Mexico: 1948, 1; 1949, 1; 1950, 9; 1951, 5; 1952, 1. Alaska: 1948, 9; 1949, 5. Philippines: 1948, 2. Great Britain: 1949, 4; 1950, 1; 1952, 1. Costa Rica: 1949, 1. Dutch West Indies: 1949, 1. Holland: 1949, 1. Japan: 1949, 5. Cuba: 1950, 3; 1951, 2. France: 1950, 1. Hawaii: 1950, 1. Dominican Republic: 1950, 1. Spain: 1951, 2. South Africa: 1951, 1. Italy: 1952, 1. Chile: 1952, 2. Greece: 1952, 1.

Total exportations: 1948, 1287; 1949, 1233; 1950, 979; 1951, 962; 1952, 1006.

Dates Reserved For 1954 Events

WHILE the winter season in Canada is an off-season as far as championship shows and trials are concerned, it is by no means an off-season for those hard working show and trial committees making the necessary advance preparations for their respective club's show and trial activities for next spring and summer.

The schedule of spring and summer shows for 1954 is by no means complete, however it is hoped that the following date schedule, which is subject to later confirmation, will be of help to show and trial clubs planning their activities for next year, and also to exhibitors planning their spring and summer show and trial campaigns.

Present indications are that the Ontario show season will open with the Ontario County Kennel Club's show at Oshawa on March 13th, followed shortly thereafter by the usual two two-day shows* held at Toronto by the Canadian National Sportsmen's Show—March 17th to 20th inclusive. The Cocker Spaniel Club of Central Ontario's annual specialty show for all Cocker Spaniels will be held at Toronto on April 3rd. Of particular interest to exhibitors in south-western Ontario will be the Kent Kennel Club's championship show at Chatham on April 10th followed by the Windsor Kennel

Club's show on April 11th. Shifting the scene to the eastern part of Ontario we find the Ottawa Kennel Club's two annual spring shows taking place on April 30th and May 1st.

Saturday shows continue to play a prominent part in the Ontario show schedule with the following dates set aside for the clubs named: Sarnia Kennel Club—May 8th; Barrie Kennel Club—May 15th; Canine Breeders' & Exhibitors' Association—May 22nd; Aurora & District Kennel Club—May 29th; Progressive Kennel Club of Canada—June 5th; German Shepherd Dog Breeders' Association—June 19th; Hamilton Kennel Club—June 26; London Canine Association—July 3rd.

For British Columbia it is likely that the 1954 show season will open with the annual two one-day shows sponsored by the Kiwanis Club of Kerrisdale—April 9th and 10th at Vancouver. The annual spring shows* held by the Vancouver Island Dog Fanciers' Association will be held at Victoria on May 14th and 15th, followed by the annual spring shows* of the B.C. Ladies' Kennel Club at Vancouver on May 24th and 25th.

The annual spring show of the Ladies' Kennel Club of Canada Inc. will be held at Montreal on April 25th.

For Manitoba the spring show season will open with the Greater Winnipeg Ladies' Kennel Club show on May 25th followed by the Fort Garry Kennel Club's show on May 26th.

Obedience trial activity in 1954 gets away to a very early start with a licensed obedience trial to be held at Hamilton on January 23rd. For premium lists and entry forms for this trial write Mrs. N. T. Smith, Secretary-Treasurer, R.R.#2, Burlington, Ont. An asterisk(*) denotes those shows above with which it is presently indicated that obedience trials will be held.

The Miniature Longhaired Dachshund has no stauncher supporter in the United States than Mr. and Mrs. Peter Van Brunt of Lake Placid, N.Y., who have dipped deeply into the best of British bred stock in their determination to win new admirers for the variety in the United States and Canada. The charming study (Evelyn Shafer, photographer) which graces the front cover of our Christmas issue includes three Miniatures which they imported from the famous Primrosepatch Kennels of Mrs. O. Smith-Rewse of England.

On the left is the male "Primrosepatch Tinyteckle" who, at the specialty breed event of the Dachshund Association of Long Island, was awarded Winners Dogs and Best of Winners in a record entry of 74 Long-Haired Dachshunds which included a strong entry of standard Long-Haired Dachshunds. The importance of this win will be realized when it is pointed out that while in Canada each of the three Miniature varieties of Dachshunds have their own classes and awards up to Best of Breed, this is not the policy in the United States where the miniatures compete with the standards. Tinyteckle's other wins include Best of Winners, Green Mountain Kennel Club, July 1953; Reserve Winners Dogs at the Dachshund Club of America specialty show at Westchester Kennel Club show, October 1953; Best of Winners at the Bronx

County Kennel Club show, October 1953; and Best of Opposite Sex at the Kingston & District Kennel Club show last October.

In the centre is the female "Primrosepatch Honey Gold" whose wins include: Best of Variety at Troy, N.Y., November 1952; Best of Opposite Sex, Green Mountain Kennel Club, July 1953; Reserve Winners Bitch at the Dachshund Association of Long Island Specialty Show, Sept. 1953; Winners Bitch (Judge Dr. Lyman Fisher, President of the Dachshund Club of America) at the Dachshund Club of America's Specialty Show, Westchester, October 1953; and Best of Breed at Kingston, Ontario, last October.

On the right is the female "Primrosepatch Fairy Bell" who, with Tinyteckle, was Best Brace also Best of Winners and Best of Variety at the New York Dachshund Specialty Show, Albany, and also Reserve Winners Bitch at the Green Mountain Kennel Club show, July 1953. Fairy Bell has not been shown as much as the others, having been mated.

Tinyteckle and his litter sister, Honey Gold, have completed their American championships, subject to American Kennel Club confirmation.

Dachshund enthusiasts will be interested in the progress of these miniatures in future shows in this country.

HOMES THAT HOUSE A DOG

In homes that house a dog, an air of freedom will be found,

A comfortable chair, an atmosphere of warmth and sound.

In homes that house a child, there is no room for selfish ways,

For love and laughter will be there, and happy crowded days,

But homes that house a dog and child, who love each other well,

Are homes that always have a wealth of precious tales to tell,

Doubly blessed these households, full of sunshine and of song,

For a dog and child at play make lovely pictures all day long.

Provincial Notes and Club News

Manitoba Notes

By SUSAN BORSE

A HEARTY Season's Greetings to all comes from the Manitoba dog fanciers and brings to a close a busy year for Manitoba kennel clubs.

The last meeting of the year was held November 12 by the Greater Winnipeg Ladies K.C. Mrs. T. Eamens, 1st Vice Pres. was in the chair. The President, Mrs. Jean Hough is holidaying in Scotland but will be back in Canada for Xmas. Mrs. M. Bowsfield was unable to be present as she has been in hospital undergoing treatment after a serious operation. The ladies held a discussion on plans for a spring All Breed Show.

The Fort Garry K.C. meeting was held, as usual, on the second Monday of the month, Nov. 9. The financial statement of the club's last Dog Show held Oct. 16, 17, in conjunction with the Air Cadet League, was not complete at time of writing, but reports to date seem favorable.

Mrs. J. Low was presented with a small token of appreciation from the Fort Garry K.C. for her generous effort in providing rosettes.

Mrs. Jessie Boston, newest Peke fancier, has imported a male Pekingese from Lincoln, Nebraska.

The sudden death of Mrs. A. L. Oxenham early in the summer, came as a shock to Manitoba club members. She was a well known breeder of Pomeranians.

Mrs. A. Henderson, also well known to the Dog fancy, passed away this fall after a long illness. She was a Breeder and exhibitor of Toys.

Mr. Alec Gostick has kindly sent the following information:

"We regret to announce the passing of Dr. J. L. Anderson, recently lecturer of Chemistry at the Guelph Vet. College. Dr. Anderson had previously been an active Boxer Breeder and exhibitor, a past President of the Fort Garry K.C. Although Dr. Anderson has been in ill health for several years, his passing was a distinct shock to all friends and acquaintances. He is survived by his wife and son who will continue to reside in Guelph."

The death of the German Shepherd "Kismet" owned by Carl Tangstad, a few days after the show, came as a shock, to all present.

Mrs. H. Smith, St. Bernard and Dane fancier, has taken to catching "Bobcats". The four month old Bob-cat was caught at Mrs. Smith's farm in Fort Whyte, it is the first one found in Manitoba for some time.

Mountain City Obedience Club

By LORNA CASGRAIN

ONE of Montreal's most beloved dogs passed away recently — Bonzer, devoted friend and companion of Mrs. "Hoodie" Bryson. Bonzer, who com-

pleted both his Canadian and American C.D.X. titles, had a flair for entertainment both in the Obedience ring and at exhibitions, and was especially the delight of children with his comedy acts. Bonzer could go through his heeling and recall routines while walking on his hind legs, and he added an original touch to hoop jumping. Leaping back and forth without any commands, he would go higher and higher as the hoop was raised, and then, when he decided it was too high, would put his paw on it and pull it down.

Club members keenly feel the loss of this very special Standard Poodle, and extend to Mr. and Mrs. Bryson their heartfelt sympathy.

Association of Canine Clubs

By LILAH S. LYMBURNER

ORGANIZED a year ago, this Club which has as its objective, a representation from all show-giving clubs and breed clubs in Ontario, at least, is now beginning to work out a sound policy which should be to the interest and welfare of every breeder and exhibitor of dogs.

At the outset, it was organized as a clearing house for the problems which beset all show-giving clubs, chief of these being mounting costs. It was hoped that by working together, the group could keep the cost of shows down to the minimum while giving exhibitors good shows. Since the membership is composed of those who are constantly showing dogs, it is only natural that the organization should see their problems and make an effort to deal with them fairly; on the other hand, almost all have a connection with a show-giving club and as a result, both sides of the question can be discussed.

Various plans have been put forth with this in mind, and the newest and probably best, is an addressograph service which will be provided to all member-clubs to be used in connection with mailing their premium lists for shows. This plan, costing the member clubs only a nominal sum, will eliminate hours of hard work and in addition, will guarantee an up to date list of names of exhibitors.

A serious effort is being made too, to eliminate late entries from shows. Reference has been repeatedly made to the fact that under the AKC rules late entries are simply returned. That there has been reluctance on the part of clubs to really enforce their own rulings as to closing dates, is true; it is certain that one or two shows may be penalized if the ruling is fully enforced but it is also true that having entries returned once, probably will be a lesson for all time. An amendment of the CKC dog shows rules is now under consideration and probably will be presented next year. In the meantime, some plan, to

be worked out by the clubs themselves may be the primary solution.

At the meeting of the Association held in the Bloor Hotel October 19, plans were made for the annual meeting which will be held January 10 at the same place. A nominating committee was appointed at the meeting to prepare a slate of officers for 1951. Other matters of importance to show-giving clubs and breed clubs not already affiliated with the Association, appoint a representative to attend the meeting. At present eighteen clubs had membership in the Association.

W. A. Griffith, Toronto, is president of the Association and the secretary Mrs. Yan Paul, York Mills. Neill Malcolm, Scarborough Junction, is the treasurer.

Doberman Pinscher Club of B.C.

By M. PRATT

THE Doberman Pinscher Club of B.C. celebrated its first birthday at the October meeting held at the home of Dick Morris. The guiding force of the club, Jack Kingston with his wife, Cynthia, were re-elected Pres. and Sec.-Treas.

Mr. Kingston reviewed the highlights of the year, commenting especially on the Doberman Specialty at the Pacific National Exhibition and the Doberman Dance (the first canine caper here in several years). It was generally agreed by the members that this first year of operation was generally successful.

To facilitate members gaining more knowledge on the Doberman, it was decided that at each monthly meeting one member would do some research and give a short talk on some particular point of the Doberman, head, coat, teeth, etc.

Great Dane Club of Canada

By RUTH BUCKNELL

THE Great Dane Club of Canada held its annual election of officers on Wednesday, Oct. 4 at the Chateau Dufferin Hotel, St. Clair and Dufferin Streets, Toronto, with nearly a full membership present.

New Executive: Pres., Mrs. Ella Malcolm; 1st Vice-Pres., Mr. Ian Stewart; 2nd Vice-Pres., Mr. Fred Bucknell; Secretary, Miss Norma Wilson; Treasurer, Miss June Keen; Executive, Mr. Hoodless McNally, Mr. Arthur Gray (past Pres.); Good & Welfare, Mrs. Dorothea Wilkinson, Mrs. Elsie Keen; Publicity, Mrs. Ruth Bucknell.

Mrs. Malcolm in taking the chair thanked the retiring board for the capable handling of The Great Dane Club in the past year.

After discussion it has been decided to hold our next Specialty Show in conjunction with The Sportmen's Show next March. Final arrangements being

Welcomed into the Great Dane Club from Toronto and district the following new members: Mr. and Mrs. Ralph Taylor, Mr. and Mrs. Bill Stevenson, Mr. K. Doyle, and from Hamburg, New York, Mr. Harry Cameron.

The Great Dane Club of Canada holds its meetings the first Wednesday of every month at the Chateau Dufferin Hotel, 1657 Dufferin Street, Toronto. The single Dane owner is particularly welcome.

London Canine Association

By MILDRED DARK

THE meeting was held in the club room with Fred Holland presiding due to the illness of President Fred Hessel. As Mr. Hessel is retiring from presidency the members decided to present him with a life membership. A banquet is planned for Nov. 26.

The highlight of the evening was the election of the following officers for

1954: President, Mike Nielsen; 1st Vice Pres., R. E. Smith; 2nd Vice Pres., Robt. Revell; Sec., Mrs. Mildred Dark; Treas., Wm. Johnston; Sgt at Arms, A. Dickson; Veterinarian, Dr. C. F. Hollands; Press Reporter, Mrs. Mildred Dark; Auditors, R. Hurst, H. Stone; Executive, Mrs. M. Nielsen, Mrs. B. Watson, Mrs. H. Sims, Mrs. Robt. Revell, Mrs. K. Bruner, Mrs. B. Dickson.

After a successful year it is with re-

gret that the club accept Mr. Hassel's retirement. But it is unanimously hoped that he will be as active as ever in his invaluable and inspiring help to the club.

The Irish Setter Club of Canada

By GERTRUDE DREW

THE October meeting was held at Mr. and Mrs. Ken Honsberger's new home at Streetsville, Ont. Eighteen members attended.

Final arrangements were made for the annual club dinner. By popular vote the new locale is to be The Estaminet, Lake Shore Road, Burlington, Ont. Social convener, Mrs. Evelyn Howe has arranged for an excellent program. The annual elections will be held immediately after dinner—Dec. 4.

The club is to have two specialty shows in 1954. One of these shows will be held in conjunction with one of the all breed shows held at the Coliseum, Exhibition Park. The other will be strictly for Irish setters. Dates will be announced later.

Club President, A. H. Lake has been busy building a new kennel which is practically completed.

Mr. Roy Dafoe has taken on the work of arranging for special prizes, trophies, medals, etc., to be given annually by the club. These will be worthwhile prizes and should create new interest in our breed.

Speaker for the evening was Mr. George Cox of Cooksville, Ont. He gave an informative talk on old country dogs and Canadian dogs as he knows them. His comparison was interesting with special regard to our Irish Setters in Canada.

German Shepherd Dog Breeders Association

By MARY HART

THE Fall shows have proved very successful for club members. Three who came up with new Champions are: Samuel Back, Geo Taylor and Sid Win-tour. At the second Ascot Kennel Club show, a six month pup of Vera MacKenzie's breeding won Best German Shepherd Puppy over an entry of seventeen pups.

Two club members, Vera MacKenzie and Mary Hart donated pups from their kennels for the two top winning litters for German Shepherd for a Puppy Essay Contest sponsored by the Ascot Kennel Club. The judges felt that a third entry from a girl who wanted a pup to have trained as a Seeing-Eye dog for her blind mother was so outstanding that Mr. S. Back, De Grassi Kennels, very kindly offered to donate a puppy for her. The happy winners with their puppies were presented on a Television programme in Toronto.

With winter quickly approaching, attendance at the weekly training classes is picking up with the addition of many new members.

The Greater Victoria Dog Obedience Training Club

By MOLLIE HUDSON

It is with much regret that the club has to report the sad loss of the Hon. Pres., Dr. Tom Jones. He joined the club in the early struggling days of its infancy with his Bull Terrier, Montaville Bill, C.D.

It is believed that Bill was the first Bull Terrier to get this degree. He also achieved great success in C.D.X. work despite his frivolous attitude towards C.K.C. Trials. Bill will miss his master and the club the loss of one fine member.

On Aug. 11, the club was incorporated under the Societies Act, all details being signed and sealed.

Constable Ian Hall, Dog Master for the R.C.M.P., has been appointed instructor at the classes of the Parkville Dog Obedience Training Club.

The following rather unusual tale is related by Mrs. Mellish of Heatherbelle Kennels, Royal Oak, B.C., about one of her Old English Mastiffs, Ch. Heatherbelle Bridget's King.

Sickness causes this Sale

It is her habit to take one or two dogs with her when she drives into town in her station wagon. On the day in question, she had King and a Westie and also at the last moment "threw in" a Scottie. At the garage where she leaves her car, she made mention to the attendant that if he needed to move the car, the dogs wouldn't mind as they

would understand. On her return shopping she was informed that:

The attendant found that he needed to move the car, but when he opened the car door a little black fury met him, so he shut it quickly and tried to pacify the little lady through the window.

After a minute or two King Mastiff, rose majestically from the back and leaning over to the front quietly took the Scottie in his mouth and held her in between his paws at the far end of the seat from the window. The attendant got in, moved the car and it wasn't until he got out and opened the door that King released his charge and returned to his own position in the back of the car.

King hopes one day to win his C.D. He was the Mastiff who roused all the household when the Mellish's house went on fire and saved the lives of the owners by so doing.

The German Shepherd Dog Club of Canada

By MARY E. SOUTHCOTT

IT is with deep regret that we are forced to accept the decision of our President, Mr. Alex L. Gooderham, who informed us recently that he would be unable to assume any executive position in the Club during the coming year. However, he has assured that he will continue to be a staunch and loyal member, and support all our undertakings, as well as do everything he possibly can to further the progress of the Club and the interests of the Breed.

A General Meeting was held on Oct. 20 at Pickfair Inn, Mimico. Thanks to our Entertainment Chairman, Mr. Sheppard, the members thoroughly enjoyed the interesting and beautiful colored moving picture produced by Gaines, "The Way of a Champion" which depicted the training of a black Labrador Retriever for Field Trial work.

The Rummage Sale held in Cookville on Oct. 31 sponsored by the Special Activities Committee and headed by Mrs. Corser, was an outstanding financial success.

The sympathies of the Club are extended to Bill and Ruth Duncan who are mourning the loss of their young Shepherd, Amigo of Dunlloy, the 4th Club victim of the highway this year.

Classes for Obedience Training are scheduled to commence on Nov. 10 at the Veterans' Hall, College & Crawford Sts., Toronto, for all breeds, and will be held every Tuesday night 8 p.m. with the exception of Christmas week. Novice and advanced classes also included and a large number are expected to enroll for the courses.

We are very happy to welcome new members into our ever-growing Club.

First Breed Registration

Have you often wondered in what year did the C.K.C. first register a specimen of your favourite breed. Space limitations prohibits a complete answer here for all breeds, however the following may be of interest, and perhaps a surprise, to a few!

The Canadian Kennel Club was founded in 1888, and amongst the breeds for which one or more registrations appear in the Club's first stud book (covering the years 1888 and 1889) there appears the following: Pointers, English Setters, Gordon Setters, Irish Setters, Cocker Spaniels, Irish Water Spaniels, Beagles, Scottish Deerhounds, Smooth Dachshunds, Irish Wolfhounds, Collies, Great Danes, Mastiffs, Newfoundlanders, St. Bernards, Airedales, Bedlington Terriers, Bull Terriers, Dandie Dinmont Terriers, Irish Terriers, Fox Terriers, Manchester Terriers, Scottish Terriers, Skye Terriers, Italian Greyhounds, Pugs, Yorkshire Terriers, and Bulldogs.

In Volume II of the stud books, covering the years 1891 to 1898 inclusive, we find the following breeds represented for the first time: Ches-

apeake Bay Retrievers, Bloodhounds, Borzois, and Whippets.

The Maltese and the Dalmatian first appeared in the C.K.C. stud books in 1902, the Pomeranian in 1904, the Schipperke and the West Highland White Terrier in 1909, the Peke and Japanese Spaniel in 1910, the Chow Chow and the Doberman in 1912, the English Springer Spaniel in 1914, the Sealyham in 1917, the German Shepherd dog in 1919, the Cairn Terrier in

1920, the Samoyed and Kerry Blue in 1925, the Standard Schnauzer in 1927, the Norwegian Elkhound in 1928, the Keeshond in 1929, the Shetland Sheepdog in 1930, the German Shorthaired Pointer in 1931, the Boxer, Brittany Spaniel and Pembroke Welsh Corgi in 1934, the Great Pyrenees in 1935, the Afghan Hound, Basset Hound and Australian Terrier in 1937, and the Saluki in 1938.

PUPPY WINNERS

Winners in the recent Puppy Contest sponsored by the Ascot Kennel Club and donated by Ontario kennels were: **Boxer**, Gale Townsend, Toronto. (Haviland Kennels, Mr. and Mrs. S. Whitmore); **Cairn Terrier**, Laragh Neelin, Ottawa. (Kindon Kennels, Mr. and Mrs. George Davies); **English Cocker Spaniel**, Ruth Walford, Toronto. (Twin-Shot Kennels, Mr. and Mrs. G. S. Cox); **Pomeranian**, Roger Roberts, Toronto. (Wembley Kennels, Mr. and Mrs. Geo. Potts); **Dachshund**, (Ce-Gren Kennels, Mrs. A. R. Winter); **1st German Shepherd**, Don Thew, Toronto. (Marimere Kennels, Mrs. Mary Hart); **2nd German Shepherd**, Colleen Trempe, Toronto. (Gavora Kennels, Mr. and Mrs. James MacKenzie); **Special German Shepherd**, Sandra Barteaux. (De Grassi Kennels, Samuel Back).

NOTICE

ANNUAL GENERAL MEETING

NOTICE is hereby given to all members of The Canadian Kennel Club that the Annual General Meeting of the Club will be held in the

YELLOW ROOM, KING EDWARD HOTEL,

Toronto, Ontario

on WEDNESDAY, FEBRUARY 3rd, 1954

commencing at 10.00 A.M.

Business to be transacted at said meeting will include the following:

1. Minutes of previous Annual General Meeting.
2. Reports of Officers, Directors and Committees.
3. Reports of Club's Representatives to other organizations.
4. Report of Auditors.
5. Report of Election Commission.
6. Election of Representatives to other organizations.
7. Appointment of Auditors and Election Commission.
8. Proposed amendments to By-laws, Rules and Regulations
(see ARTICLE XXXVIII, AMENDMENTS, Section 4, of the By-laws).

Section 6 of Article VIII, MEETING OF MEMBERS, of the By-laws of The Canadian Kennel Club, reads as follows:

"All ordinary members who had been members six months prior to the date of the general meeting and who are members in good standing at the date of such general meeting shall be entitled to attend and vote at such general meeting and in the case of a partnership or company only the authorized representative may attend and vote."

As the annual general meeting of the Club will be held on February 3rd, 1954, only those who were members in good standing on August 3rd, 1953, and who have paid their 1954 membership fees may attend and vote at said annual general meeting.

By order of the Board of Directors,

N. F. BROWN,

Secretary-Treasurer.

Toronto, Ontario,
December 1, 1953.

NOTICE

The following proposed amendments, received by the Secretary-Treasurer on or before October 15th, 1953, will be placed before the members at the next annual general meeting as announced in the notice, published elsewhere in this issue, calling the annual general meeting.

PROPOSED AMENDMENTS TO THE BY-LAWS

PROPOSED AMENDMENT NO. 1

Article VI, PRIVILEGES, be amended by deleting the following words from Section 5:

"Partnership or company membership shall not entitle members of such to membership privileges, and individual membership of each and all of the members of a partnership or of a company shall not entitle a partnership or a company to membership privileges,"

and the following words be substituted therefor:

"Partnership or company membership shall not entitle members of such to membership privileges, and individual membership of each and all of the members of a company shall not entitle a company to membership privileges. The individual membership of each and all of the members of a partnership shall not entitle a partnership to membership privileges except that the members' scale of fees set forth in Article XXXV (Fees) shall apply in connection with a partnership where each and every member of a partnership holds individual membership in the Club."

PROPOSED BY: A. H. Dodds, J. A. H. Irving, Mr. and Mrs. John S. Kingston, W. H. Pym, and Miss Joan M. Railton.

PROPOSED AMENDMENT NO. 2

Article VI, PRIVILEGES, be amended by a new Section to follow the present Section 5 (Present Section 6 to be renumbered Section 7), the new Section to read as follows:

"6. Any club or association that is a member of the Club may exercise any of the foregoing privileges to which it is entitled only through its Secretary named in such member club's application or through his successor duly elected or appointed by such member club, written notification of which election or appointment has been mailed to the Secretary. Membership of a club shall not entitle members of such club to membership privileges, and individual membership of each and all of the members of a member club shall not entitle such club to membership privileges."

Article VII, MEMBERS, be amended by the addition of a new subsection to Section 1, the new subsection to read as follows:

"(c) MEMBER CLUBS:—Member clubs shall be those clubs or associations, operating in Canada, which have been elected to membership by the Board of Directors and which have paid the prescribed fees. Within thirty days following its election of officers, a member club must forward to the Secretary of The Canadian Kennel Club a full list of the newly elected officers, said list to be attested to over the signatures of the newly elected President and Secretary."

PROPOSED BY: A. H. Dodds, J. A. H. Irving, Mr. and Mrs. John S. Kingston, W. H. Pym, and Miss Joan M. Railton.

PROPOSED AMENDMENT NO. 3

ARTICLE VII, Section 6, be amended by the addition of the following to precede the last sentence in this section:

"The entrance fee for a member club shall be \$15.00 payable at the time the application for membership is submitted, and the fee thereafter shall be \$15.00 per year due on January 1st of each year."

PROPOSED BY: A. H. Dodds, J. A. H. Irving, Mr. and Mrs. John S. Kingston, W. H. Pym and Miss Joan M. Railton.

PROPOSED AMENDMENT NO. 4

Article XXV, KENNEL NAMES, be amended by the addition of the following to Section 1:

"A registered kennel name shall not exceed twelve letter spaces although this shall not apply to kennel names registered prior to December 31st, 1954."

PROPOSED BY: A. H. Dodds, J. A. H. Irving, Mr. and Mrs. John S. Kingston, W. H. Pym, and Miss Joan M. Railton.

PROPOSED AMENDMENTS TO THE DOG SHOW RULES

PROPOSED AMENDMENT NO. 5

CHAPTER 3, Section 1, be amended by the deletion of the following sentence:

"Only a club or association whose officers are members of The Canadian Kennel Club in good standing at the time of application may make application for show dates." and the following be substituted therefor:

"Except where a club or association is a member club of The Canadian Kennel Club, only a club or association whose officers are members of The Canadian Kennel Club may make application for permission to hold a show under these Rules."

PROPOSED BY: A. H. Dodds, J. A. H. Irving, Mr. and Mrs. John S. Kingston, W. H. Pym, and Miss Joan M. Railton.

PROPOSED AMENDMENT NO. 6

Chapter 4, Section 4 (of the Dog Show Rules printed in 1951) be amended by the deletion of present subsection (g) and the substitution therefor of the following:

"(g) EXHIBITION ONLY. A dog may be entered for 'Exhibition Only' if the premium list for the show permits of such an entry. Such entry must be specified on the entry form and entry shall be published in the catalogue of the show. A dog entered for 'Exhibition Only' shall not compete in any of the official classes referred to in Section 2 of this Chapter nor shall it compete for any of the official awards referred to in Section 3 of this Chapter. It may, however, be entered in any unofficial class provided for in the classification of the show. Any dog entered for 'Exhibition Only' shall not be counted when championship points are calculated. The same particulars must be given as if entered in one of the official classes, and if not registered in the Canadian Kennel Club Stud Book, listing fee of 25c must be paid."

PROPOSED BY: A. H. Dodds, J. A. H. Irving, Mr. and Mrs. John S. Kingston, W. H. Pym, and Miss Joan M. Railton.

PROPOSED AMENDMENT NO. 7

CHAPTER 5, RIBBONS, be amended by deleting the present Section 2, and substituting therefor the following:

"SECTION 2. Each ribbon or rosette, except those used at sanction shows, shall be of such size and contain such information as may be prescribed by the Board of Directors."

PROPOSED BY: Walter Brown, Mrs. Lorna Jackson, J. W. MacCallum, J. N. Malcolm, and W. A. Rice.

PROPOSED AMENDMENT NO. 8

Chapter 7 be cancelled in its entirety, and the following substituted:

"CHAPTER 7. Licensing of Judges.

Section 1. The selection of judges shall be left to the discretion of the show-giving clubs holding dog shows under Canadian Kennel Club Rules, and any person in good standing with the Canadian Kennel Club and otherwise eligible and selected by a show-giving club to judge their show, shall be immediately given a permit to judge that particular show only.

Holders of licenses issued by the Canadian Kennel Club or any other governing Kennel Club affiliated with the Canadian Kennel Club may be approved without regard to the temporary one-show permit.

Section 2. Permanent licenses to judge dogs under Canadian Kennel Club Rules shall be issued upon application to those who can qualify and the basis for qualification shall be (a) having previously judged a dog show held under Canadian Kennel Club dog show rules (b) licensed to judge dogs by any other governing Kennel Club affiliated with the Canadian Kennel Club.

Section 3. The application form shall require the applicant to give in addition to personal particulars and experience, an undertaking to give a practical demonstration of judging and submit to an oral examination of his knowledge of the Standards of the breeds which the applicant wishes to judge, and his knowledge of judging procedure and show rules in connection with those duties. The Board of Directors may add to the requirements of an application as they see fit.

Section 4. Applications for judges license shall be dealt with by the provincial committee of the province in which the applicant resides. Applications for judges' license for persons resident in Ontario shall be dealt with direct by the Board of Directors and/or committees in various areas appointed for this purpose. Applicants for licenses received from non-residents of Canada shall be dealt with by the Board of Directors in the same manner.

Section 5. An applicant who is dissatisfied with the decision of the examining committee may appeal to the Board of Directors.

Section 6. The fee for a judging license shall be set from time to time by the Board of Directors.

Section 7. A license may be revoked for awarding winners to dogs that are unworthy specimens of their respective breeds; for placing an award upon any dog that has been tampered with contrary to the Dog Show Rules; for placing an award upon any dog that he has owned, handled or boarded within one year of the show, or for any other reason which the Directors may see fit. Where a judge has placed an award contrary to the Dog Show Rules, notice of same must be filed with the Secretary of the show-giving club prior to closing of the show. A committee shall investigate such charges and if substantiated, full particulars must be filed with the Secretary of the Canadian Kennel Club for the consideration of the Directors to take what action they may see fit.

PROPOSED BY: A. H. Dodds, J. A. H. Irving, Mr. and Mrs. John S. Kingston, W. H. Pym, and Miss Joan M. Railton.

PROPOSED AMENDMENT NO. 9

The Chapter entitled "JUDGES" (Chapter 8 in Dog Show Rules printed in 1951) be amended by the addition of a new Section (appropriately numbered) reading as follows:

"A judge officiating at a show held under these Dog Show Rules shall not be subjected to indignities of any kind during the progress of the show, and it shall be the duty and obligation of the club holding the show to see that this Rule is effectively carried out. The Show Superintendent shall promptly report to the Canadian Kennel Club any infringement of this Rule, and the Board of Directors shall have the power to take such action as it deems fit on receipt of a report indicating that this Rule has been violated. A copy of this Rule shall be prominently placed in every premium list and catalogue."

PROPOSED BY: A. H. Dodds, J. A. H. Irving, Mr. and Mrs. John S. Kingston, W. H. Pym, and Miss Joan M. Railton.

PROPOSED AMENDMENT NO. 10

Chapter 15, be amended by the deletion of the present Section 9 and the substitution therefor of the following:

"Section 9. The premium list of a championship show shall include a judging schedule which schedule shall indicate the approximate time of commencement of judging of the breeds by groups, and group judging shall correspond with the order of breed judging. It is desirable, although not mandatory, that the order of breed judging at shows within a province rotate from show to show. For example, where breed judging at a show commences with Group 1, then at the next succeeding show in that province the order of breed judging should commence with the breeds in Group 2, followed by the breeds in Groups 3, 4, 5, 6 and 1, in that order. Judging may take place in more than one judging ring at the same time, but the breeds entering each ring should correspond to an order of breed judging indicated by the Canadian Kennel Club. The order of breed judging indicated by the Canadian Kennel Club may be altered by the show-giving club if, in its opinion, it is desirable to depart from the indicated order, however the schedule published in the premium list must be adhered to except where, in the opinion of the Show Superintendent, a change of schedule is imperative."

PROPOSED BY: A. H. Dodds, J. A. H. Irving, Mr. and Mrs. John S. Kingston, W. H. Pym, and Miss Joan M. Railton.

PROPOSED AMENDMENT NO. 11

The Chapter in the Dog Show Rules entitled "ENTRIES AND ENTRY FEES" (Chapter 16 in the Dog Show Rules printed in 1951), Section 2 be amended by deleting the following words from this Section:

"The entry of a listed dog must be accompanied by a listing fee of twenty-five cents (25c)." and the following words be substituted therefor:

"The entry of a listed dog must be accompanied by a listing fee of twenty-five cents (25c) for a Canadian-bred dog, fifty cents (50c) for other than a Canadian-bred dog."

PROPOSED BY: Walter Brown, Mrs. Lorna Jackson, J. W. MacCallum, J. N. Malcolm, and W. A. Rice.

PROPOSED AMENDMENTS TO THE FIELD TRIAL RULES

PROPOSED AMENDMENT NO. 16

CHAPTER 2, Section 1, be amended by the deletion of the following words:

"Only a club or association whose officers are members in good standing of The Canadian Kennel Club may make application for permission to hold a trial under these Rules and Regulations."

and the following be substituted therefor:

"Except where a club or association is a member club of The Canadian Kennel Club, only a club or association whose officers are members in good standing of The Canadian Kennel Club may make application for permission to hold a trial under these Rules and Regulations." PROPOSED BY: A. H. Dodds, J. A. H. Irving, Mr. and Mrs. John S. Kingston, W. H. Pym, and Miss Joan M. Railton.

PROPOSED AMENDMENT NO. 17

Chapter 10 be amended by the deletion of the present Section 21, and the following be substituted therefor:

"A National Championship Retriever Stake may be held once in each calendar year, the Stake to be run by a club or association formed for the purpose and duly licensed by The Canadian Kennel Club. The "Special Regulations applying to the National Championship Retriever Stake," as may be found in the Appendix to these Rules, shall govern the Stake. These Special Regulations may be amended as provided in Article XXXVIII of the By-laws of The Canadian Kennel Club."

The Field Trial Rules and Regulations of the Canadian Kennel Club be amended by the addition of an "Appendix," part ONE of which shall read as follows:

Special Regulations Applying To The National Championship Retriever Stake

1. Only the winning dog is to be named at this trial and the winner automatically becomes a Canadian Field Trial Champion and is also entitled to be designated "National Retriever Champion of 19—."

(NOTE: The judges are to select a reserve to the winning dog but such selection is not to be considered an official award but is to be made only as a precaution should it be necessary to cancel the award to the winning dog. The reserve selection is to be marked in the judge's book but no announcement or other recognition is to be made of such selection).

2. Before each National Championship Retriever Stake, the Canadian Kennel Club shall decide those dogs which shall be eligible for invitation to compete in the Stake, and shall notify the club or organization staging the Stake of the qualifications for entry in the Stake. In any event, the dog declared the winner of the last National Championship Retriever Stake held under C.K.C. Rules shall be eligible for and shall be invited to compete in the Stake.

3. Owners of dogs qualifying for entry in this stake shall be invited, by registered mail, to make entry of a qualifying dog or dogs. Invitation shall be accompanied by a Post Office Department card (No. 39B) "Acknowledgement of Receipt", and all such receipts must be forwarded to the Canadian Kennel Club along with the official returns for this Stake.

4. Ribbon: To the winner only—the 19-- Championship blue rosette.

5. Prizes: To the winner only—such prizes as may be offered in the premium list for the stake.

6. The stake must have at least ten tests or series, five of which shall be for upland game, and five on water fowl, and at least five of the tests should include a water series.

7. Except as provided in paragraph two of this section, owners invited to enter qualifying dogs are to have not less than two weeks in which to decide whether to enter a qualifying dog or dogs and shall be provided with sufficient entry forms (one for each dog invited) together with the following information: Dates of trial, exact place where trial will be held, names of approved judges, information regarding the stake and what a dog must have accomplished in order to qualify for entry, date of closing of entries, prize or prizes offered, entry and other fees, name and full address of person to whom entries are to be mailed. Owners are to be advised that entries received after entries close will not be accepted, and owners of invited dogs should be advised to send entries by registered mail. Persons entering a dog in the stake are to be required to certify that any dog which they enter qualify according to conditions laid-down in part two of these Special Regulations.

Dogs qualifying in trials which may be held in the two week period immediately preceding the National Championship Stake and before the draw for said stake may be invited, such invitation to be made in writing and delivered or mailed to the owner or agent of owner, such invitation to be accepted by the owner or agent in writing and duly forwarded to the Canadian Kennel Club. Any dogs invited under this clause and invitation accepted are at the owner's or agent's risk as to qualification.

8. Any information furnished by The Canadian Kennel Club Inc. regarding wins of dogs at trials held under its

rules is entirely without prejudice to the Canadian Kennel Club Inc. for such information is intended solely to assist the organization staging the stake. The responsibility for determining the dogs which qualify and entitled to be invited rests entirely with the organization staging the stake.

9. Not less than three judges shall officiate.

10. The organization staging the stake shall name a Field Trial Committee of five to manage the stake and all arrangements connected with such stake. The Field Trial Marshall shall be Chairman of the Committee which shall also deal with any protests.

11. Within ten days after the trial the organization staging the stake shall submit the following to The Canadian Kennel Club:

- A full list of the names of the persons (and their addresses) invited to enter a dog or dogs in the stake, and the names of the dogs owned by such persons;
- A full list of the owners who entered dogs in the stake;
- All entry forms;
- The name (and full particulars) of the winning dog (also the name of the dog selected as reserve to the winning dog) certified to over the signatures of the officiating judges;
- All recording and listing fees set by The Canadian Kennel Club;
- Information regarding each of the tests conducted on land and water.

12. Except where such Field Trial Rules and Regulations are inconsistent with any of these Special Regulations, the Field Trial Rules and Regulations adopted by The Canadian Kennel Club Inc. shall apply in connection with this stake.

13. Regardless of any wins earned by their dogs, no person denied the right, by the Canadian Kennel Club Inc., to enter dogs at trials held under Canadian Kennel Club Rules shall be entitled to enter dogs in this stake.

PROPOSED BY: A. H. Dodds, J. A. H. Irving, Mr. and Mrs. John S. Kingston, W. H. Pym, and Miss Joan M. Railton.

PROPOSED AMENDMENT TO THE OBEDIENCE TRIAL REGULATIONS

PROPOSED AMENDMENT NO. 18

CHAPTER 2, TRIAL DATES, Section 1 be amended by the deletion of the following words:

"Only a club or association whose officers are members of The Canadian Kennel Club in good standing at the time of application may make application for Obedience Trial Dates."

and the following be substituted therefor:

"Except where a club or association is a member club of The Canadian Kennel Club, only a club or association whose officers are members of The Canadian Kennel Club may make application for permission to hold a trial under these Regulations."

PROPOSED BY: A. H. Dodds, J. A. H. Irving, Mr. and Mrs. John S. Kingston, W. H. Pym and Miss Joan M. Railton.

PROPOSED BY: Miss Dorothy M. Budge, Mrs. Lorna Casgrain, Mrs. V. Sylvia Dempster, Mrs. Sarah Diamond, Irving Diamond.

MEETING OF BOARD OF DIRECTORS

SEPTEMBER 9th, 1953

2566. A meeting of the Board of Directors of The Canadian Kennel Club was held in the Club's Offices, 667 Yonge Street, Toronto, Ontario, on Wednesday, September 9th, 1953, commencing at 10.20 a.m. with the President, V. W. Williams, in the Chair, and the following present: Walter Brown, S. Back, J. H. Daniell-Jenkins, G. P. Davies, W. H. MacKendrick, and W. J. Monaghan.

2567 (2530). MINUTES

The Secretary presented for adoption the minutes of the meeting of the Board of Directors held on May 12th, 1953, and read letters from Mr. Williams and Mr. Monaghan suggesting certain corrections in the minutes as prepared by the Secretary.

Following discussion a number of corrections were ordered. (Secretary's Note: Corrections ordered by Board were incorporated in minutes of May meeting prior to publication of said minutes).

It was regularly moved by Mr. MacKendrick, seconded by Mr. Daniell-Jenkins:

"THAT, the minutes of the meeting of the Board of Directors held on May 12th, 1953, as corrected, be adopted."

FOR THE MOTION: All present.

Motion unanimously carried.

The Secretary requested an instruction with regard to the publication of the minutes of the meeting held on May 12th, particularly whether said minutes, as corrected, are to be published in abbreviated form or as previously published. The Secretary read:

- A letter from Mr. Irving who stated that the members are entitled to full information rather than condensed minutes;
- A letter from Miss Hammond who stated that she was not in favour of condensing the minutes, and that all members are entitled to know what is happening in their Club;
- A letter from Mrs. Margeson who stated that the members are entitled to full information of what is being done, and that it was her opinion that a full report of the minutes be resumed when the Club's financial position warrants that step.

Mr. Monaghan stated that he wished to be recorded as opposed to abbreviation of the minutes distributed to members.

It was regularly moved by Mr. MacKendrick, seconded by Mr. Back:

"THAT, the minutes of the meeting of May 12th, 1953, as corrected, be published except for such deletions as the Club's solicitors advise."

FOR THE MOTION: All present.

Motion unanimously carried.

The Secretary read a letter dated June 9th from Dr. Watson wherein the Saskatchewan Director referred to the Board's action with regard to salaries (Item 2543) and expressed his disapproval of salary increases at this time.

2568 (2535-2531). FINANCIAL MATTERS

The Secretary placed before the Board the auditors' financial statements for the six-months period ending June 30th, 1953.

The Secretary read a letter from Mr. Irving who stated that "it is very refreshing for a change to see such improved figures especially in the magazine", thought that "the whole credit for this can go to the committee for last year who laid the foundation so well", commented on the improved condition of the accounts receivable, and recommended the publication of the Secretary-Treasurer's report to the Board which accompanied the financial statements.

The Secretary read a letter from Mrs. Margeson who was happy "to see that the figures show our position to be somewhat better" and who congratulated the committee and Editor "especially for the much improved magazine and encouraging report".

Mr. Monaghan stated that he had perused the statements carefully and was highly gratified over the healthy condition reflected therein, that he wished to heartily commend the Secretary-Treasurer and Executive Publisher for the splendid results obtained which in his opinion "show that the progressive policies adopted last year are bearing fruit, thus justifying the decisions then made". Mr. Monaghan stated that he was particularly pleased with the "tangible results accruing from a proper management of "DOGS IN CANADA."

It was regularly moved by Mr. Monaghan, seconded by Mr. MacKendrick:

"THAT, the financial statements, as received from Trafford & Co., for the six months period ending June 30th, 1953, be adopted."

FOR THE MOTION: All present.

Motion unanimously carried.

It was unanimously agreed that the adoption of the six-months' statements constituted the Board's approval of the expenditures reported in the statements.

The Secretary reported the standing of the "Accounts Receivable" for "DOGS IN CANADA", as at September 8th, as follows:

Accounts Incurred	Balance owing Dec. 31, 1952	Balance owing Sept. 8, 1953
Prior to Dec. 31/51	\$579.25	\$336.20
1952	2808.94	196.95
First quarter of 1953		67.05
Second quarter of 1953		666.36

The Secretary was authorized to consult a financial collection agency with regard to collection of long overdue accounts.

The Secretary reported that in order to save approximately \$50.00 in postage costs, the financial statements would be published in the October issue (with the election insert) rather than in the September issue now in the hands of the members, this action being taken after consultation with Mr. Williams and Mr. Brown. The Board endorsed the action taken in this connection.

The President suggested that the Board give consideration to the possibility of reducing the loan which the Club had obtained from the bank. The Secretary reported that the Club cash position at the end of August, with but few minor outstanding accounts payable, was in excess of \$6900. Following discussion it was regularly moved by Mr. Monaghan, seconded by Mr. Back:

"THAT, the bank loan be reduced by \$2000, this amount to be taken from cash on hand."

FOR THE MOTION: All present.

Motion carried unanimously.

2569 (2534). SPECIAL REFERENDUM BALLOT

The Secretary reported that the special referendum ballot had been conducted in accordance with the Board's instructions, that the report on the voting had been received from the Club's election Commission, that in view of the results of the voting application for Ministerial approval of the amendment to Article 35 of the Club's By-laws had been submitted following consultation with the Club's solicitors, Ministerial approval of the amendment was received, and a notice was immediately mailed to all members in good standing at the time.

The Secretary further reported that the Live Stock Records office has been provided with a liberal supply of printed copies of the new schedule of fees, and when a new membership card is issued a copy of the new schedule is enclosed.

The Secretary's report was received, approved, and ordered recorded in the minutes of this meeting.

2570 (2542). "DOGS IN CANADA" COMMITTEE (ANNUAL GENERAL MEETING

Mr. Daniell-Jenkins, Chairman of the Committee, stated that he wished to report progress, but had two requests to make of the Board. He pointed out that at the time of the last meeting of the Board, Mr. J. Neill Malcolm had not renewed his membership, and requested confirmation of Mr. Neill Malcolm's appointment to the Committee as Mr. Malcolm is now a member in good standing.

It was regularly moved by Mr. Back, seconded by Mr. Davies: "THAT, Mr. J. Neill Malcolm be asked to serve as a member of the "Dogs in Canada" Committee referred to in Item No. 2542 of the minutes of May 12th, 1953".

FOR THE MOTION: All present.

Motion carried unanimously.

Mr. Daniell-Jenkins reported that Mrs. Mary Fix had advised that it would not be possible for her to accept an appointment to the Committee, and he requested that Mr. Wm. L. Powell be appointed in her stead.

It was regularly moved by Mr. Monaghan, seconded by Mr. Daniell-Jenkins:

"THAT, Mr. Wm. L. Powell be and is hereby appointed to the 'Dogs in Canada' Committee referred to in Item No. 2542 to replace Mrs. Mary Fix who is unable to serve".

FOR THE MOTION: All present.

Motion carried unanimously. The meeting adjourned at this time for lunch and later reconvened with the President in the Chair and the following present: Walter Brown, S. Back, J. H. Daniell-Jenkins, G. P. Davies, W. H. MacKendrick, and W. J. Monaghan.

2571 (2561). COMMITTEE ON EXAMINATION AND CERTIFICATION OF JUDGES (PROCEDURE)

The Committee (composed of G. P. Davies, J. H. Daniell-Jenkins, and W. J. Monaghan) pointed out that when the Committee was appointed (Item No. 2515), no Chairman had been designated as required by Article XIII, Section 2 of the By-laws. Mr. Monaghan stated that when the Board, at its annual meeting, had appointed the Committee, the new Dog Show Rule (Chapter 7) on Examination and Certification of Judges was not in effect, and although the approval of judges had followed the practice in effect for some time, the new Chapter 7 actually came into effect on April 6th, 1953. He suggested that the Board consider the advisability of proceeding, at this meeting, to carry out the provisions of Sections 1 and 2 of Chapter 7 (Examination and Certification of Judges).

Following discussion it was regularly moved by Mr. MacKendrick, seconded by Mr. Back:

"THAT, Mr. W. J. Monaghan be and is hereby appointed Chairman of the Standing Committee for the Approval of Judges (Procedure) as referred to in Section 2 of Chapter 7 of the Dog Show Rules".

FOR THE MOTION: All present.

Motion unanimously carried. Discussion then followed on the setting of zones in accordance with Section 1 of the new Chapter 7 of the Dog Show Rules.

It was regularly moved by Mr. MacKendrick, seconded by Mr. Back:

"THAT, in order to give effect to the provisions of Section 1 of Chapter 7 (Examination and Certification of Judges) of the Dog Show Rules, the following be now designated the zones for the purpose outlined in Section 1 of Chapter 7: (1) British Columbia; (2) Alberta; (3) Saskatchewan; (4) Manitoba and 'Lakehead' area of Ontario; (5) Ontario except 'Lakehead' area; (6) Quebec; (7) Maritime Provinces".

FOR THE MOTION: All present.

Motion unanimously carried.

2572 (2537). COMMITTEE ON OBEDIENCE TRIAL JUDGES (PROCEDURE)

The Secretary read a letter from Mrs. Pamela Mack, Chairman of the Committee, who reported that the Committee had met on several occasions to give further study to the matter (as requested by the Board—Item No. 2470), that the Committee was of the opinion that a prospective judge should apprentice at three separate trials however in view of the Board's apparent feeling that this requirement is too severe for the present time, the Committee wished to submit the following alternative proposal:

- (a) Prospective judges to apprentice at two obedience trials under different judges;
- (b) The same prospective judges to have acted as a chief ring steward at two trials.

Mrs. Mack reported that the Committee hoped that its report of November 1952, with the foregoing modifications, would be put into effect as soon as possible.

Following discussion, it was regularly moved by Mr. Daniell-Jenkins, seconded by Mr. Monaghan:

"THAT, the Committee's report be adopted".

FOR THE MOTION: All present.

Motion carried unanimously.

The Secretary was directed to forward two copies of the two reports received from the Committee to all known Canadian obedience clubs with advice to the effect that any suggestions they may care to submit will be welcomed.

It was unanimously agreed that for the few remaining obedience trials this year the present practice with regard to the approval of judges would be followed.

2573 (2562). OFFICIAL PEDIGREES FOR IMPORTED DOGS (2564). CERTIFICATES FOR EXPORTED DOGS

(2545). STUD BOOKS

The Secretary read a letter from the Canadian National Live Stock Records also copy of a letter addressed to the Records Office on September 1st by the United States Department of Agriculture (Bureau of Animal Industry) and a copy of the Records' office reply dated September 4th. The letter from the Bureau of Animal Industry enquired whether the Canadian Kennel Club still wished to supply microfilm records, in lieu of printed stud books, such microfilm records to be furnished on spools in suitable containers properly indexed for filing in the Bureau.

The Secretary reported that:

- (a) The last Stud Book published by the Club was for the year 1947;
- (b) The cost to typewrite the copy for the last stud book amounted to \$985.50; cost to print, \$1867.03;
- (c) It was estimated, in 1951, that the cost to type a single copy of the registrations for the years 1948-49-50 would amount to \$2152.00, while, in 1951, it was found that the cost to microfilm the registrations for the same three years would have amounted to \$315.00;
- (d) In 1951 the then President, Mr. Walley, had interviewed officials of the Bureau of Animal Industry at Washington and had demonstrated microfilm records of registrations with a view to obtaining their acceptance of microfilm records instead of printed stud books;
- (e) The Club was now five years behind in the publication of stud books.

Mr. Monaghan expressed the opinion that the Bureau of Animal Industry would be interested primarily in the records of those dogs which had been exported to the United States, and suggested that a further financial saving may be realized if the Bureau would be prepared to accept a microfilm record only for those dogs, registered in the years 1948-1952 inclusive, which had been transferred to residents of the United States.

The Secretary referred to the Board's earlier discussion on the subject of the embarrassment and inconvenience caused Canadian exporters and American importers when certificates of registration, accompanying exported dogs, are lost in transit, and suggested that this problem may be overcome and the need for supplying the Bureau with printed stud books or microfilm records may be overcome if the Bureau would be prepared to accept arrangements along the following lines:

- (a) When a dog is transferred to a resident of the United States, the Records Office to forward the certificate direct to the Canadian exporter who will then mail the certificate direct to the American importer. This would eliminate the loss of certificates while dogs are in transit and would enable the American importer to proceed immediately with registration of the animal in the United States;
- (b) When recording the transfer of a dog to a resident of the United States, the Records Office to issue a second certificate marked "Special Export Certificate". This certificate to be mailed to the Canadian exporter, accompany the shipment of the dog, be picked up by United States Customs at port of entry and be forwarded to the Bureau at Washington. This "Special Export Certificate" could be retained by the Bureau, would provide them with an immediate and permanent record, and may eliminate the need for printed stud books or microfilm records.

The Secretary suggested that if the Board saw any merit in this proposed arrangement, the matter be discussed with officials of the Department of Agriculture and the Live Stock Records Office before it is placed before officials of the Bureau at Washington.

Mr. Monaghan suggested that more satisfactory arrangements in connection with microfilm records for the past and other arrangements for the future may be concluded if the matter was taken up through the Agricultural Attache in the American Embassy at Ottawa, and offered to arrange an interview between the Secretary and Attache if the Board so desired.

Following discussion it was agreed that the Secretary discuss the matter with other local breed secretaries, officials of the Department and the Records Office, prior to a meeting with the Agricultural Attache as suggested by Mr. Monaghan.

2574. CORONATION MEDAL

The Secretary reported that:

- (a) A letter had been received from the Acting Under Secretary of State who advised that in connection with the award of the Coronation Medal Her Majesty had approved the establishment of a category for national organizations in the charitable, professional, labour and other fields;
- (b) This communication had been referred to the President for instructions;
- (c) The President had directed that all members of the Board be consulted on his recommendation that Mr. William H. Pym, Vancouver, be named the recipient of the Medal in recognition of his twenty years of faithful service on the Board of Directors of the Club and other services rendered the Club;
- (d) Mr. Walter Brown, Mr. Irving, Miss Hammond, Mr. Gostick, Mrs. Mack, Mrs. Margeson, Mr. Back, Mr. MacKendrick, and Mr. Monaghan had endorsed the President's recommendation;
- (e) Dr. Watson had stated that while the proper course in these circumstances is to nominate the President in office at the time to accept the medal on behalf of the Club, the medal to be left with the Club after the President had left office, he was in agreement with the presentation of the Medal to Mr. Pym;
- (f) In view of the replies received, and after further consultation with the President, the Acting Under Secretary of State had been asked to arrange for delivery of the Medal to Mr. Pym.

It was regularly moved by Mr. Monaghan, seconded by Mr. Daniell-Jenkins:

"THAT, the action taken with regard to the Coronation Medal be and is hereby confirmed".

FOR THE MOTION: All present.

Motion unanimously carried.

2575. LETTER FROM W. W. LASKEY

The Secretary read a letter addressed to the President by W. W. Laskey, Fredericton, N.B., who expressed his great concern over an editorial entitled "On Picking Judges", published in the Midsummer issue of "DOGS IN CANADA".

The Board noted that in the current issue of "DOGS IN CANADA" the Editor had arranged for the publication of Mr. Laskey's statement of opinion with regard to the editorial in question.

The Secretary was directed to reply to Mr. Laskey's letter to the President.

2576. LETTER FROM TOWNSHIP OF TORONTO DOG BREEDERS' PROTECTIVE ASSOCIATION

The Secretary read a letter from the Township of Toronto Dog Breeders' Protective Association intended to acquaint the Board of the formation of the Association, of the revoking of the kennel license issued to a breeder of Doberman Pinschers, and of the action taken by the Association to clarify the situation.

Following discussion it was regularly moved by Mr. Daniell-Jenkins, seconded by Mr. Back:

"THAT, the Secretary get in touch with this new Association with a view to working in co-operation with them on an educational and public relations programme".

FOR THE MOTION: All present.

Motion carried unanimously.

2578 (2474). LETTER FROM MR. PETER WRIGHT

The Secretary read a letter from Mr. Wright who advised

that the partnership between himself and the other partners in the firm of McMillan, Binch, Wilkinson, Stuart, Berry and Wright had been terminated, and that he had been asked by his former partners to take up with the Club the question of what legal representation they wished for the future.

The Secretary reported that for a number of years prior to 1951 Mr. Frank Wilkinson, K.C., of the firm of McMillan, Binch, Wilkinson, Stuart, Berry & Wright, had been the Club's solicitor, although the services of other members of the firm were available, at no extra cost, when Mr. Wilkinson was not available for any reason; that between the time of Mr. Wilkinson's death in December 1950 and the annual meeting of the Board in 1951 Mr. Wright had acted as the Club's solicitor; that at the annual meeting of the Board in 1951 Mr. Wright had acted as the Club's solicitor; that at the annual meeting of the Board in 1951 the Board had decided that they wished Mr. Wright to be the Club's solicitor, but in accordance with Mr. Wright's expressed wish, the Board had appointed the firm, of which Mr. Wright was a partner, as the Club's solicitors rather than Mr. Wright as an individual; that the annual retainer fee was \$500.00, payable in two semi-annual instalments of \$250.00 each; that the firm and Mr. Wright had stated that if the Board desired to continue with the firm a statement of account for the first six months of 1953 would be forthcoming from the firm, but if the Board wished to retain Mr. Wright the statement would be submitted by Mr. Wright; that the firm had not submitted any statement of account for the first six months of this year pending the Board's decision on the matter.

After discussion it was regularly moved by Mr. MacKendrick, seconded by Mr. Daniell-Jenkins:

"THAT, we retain Mr. Peter Wright as our solicitor, in his new capacity, and McMillan, Binch, Wilkinson, Stewart, Berry and Dunn be informed of the Board's wishes."

FOR THE MOTION: All present.

Motion carried unanimously.

The Secretary was directed to enquire, when writing McMillan, Binch, Wilkinson, Berry, Stewart and Dunn, whether they would submit a statement of account for the first six months or whether such a statement may be expected from Mr. Wright. The Secretary was authorized to make payment of the account according to the reply received.

2579. LETTER FROM VICTORIA CITY KENNEL CLUB INC.

The Secretary read a letter from the Secretary-Treasurer of the Victoria City Kennel Club Inc. who reported that the members of the Club voted "unanimously to help strengthen the Canadian Kennel Club's financial situation by donating ten percent of the net profits made" at their Championship Shows. The Secretary was directed to convey the Board's appreciation for this gesture on the part of the members of the Victoria City Kennel Club.

2580. LETTER FROM CANADIAN NATIONAL LIVE STOCK RECORDS

The Secretary read a letter, dated June 30th, from Mr. R. G. T. Hitchman, Director of Canadian National Live Stock Records, who reported that after 53 years of service to purebred registered breeders he was retiring as Director of Canadian National Live Stock Records and would be succeeded by Mr. F. G. Hodgkin, with Mr. F. G. Clark as Assistant, the retirement to be effective on August 1st.

The Secretary reported that on the instruction of the President, suitable letters had been addressed to Mr. Hitchman and Mr. Hodgkin.

2581 (2469). LETTER FROM DR. H. L. WATSON (DIRECTOR)

The Secretary read a letter which Dr. Watson addressed to the Board of Directors on the subject of "Saskatchewan Field Trial Situation." Dr. Watson stated that during the time he has sat as a member of the Board he had consistently and continuously pressed for steps that would keep field trial enthusiasts in Saskatchewan within the orbit of C.K.C. jurisdiction and stressed the necessity for immediate action along that line.

Following discussion the Secretary was directed to communicate with Dr. Watson and to ask that he submit suggestions and proposals as to what further action may be taken to bring about conditions that will be satisfactory to all concerned.

2582. LETTER FROM CANADIAN NATIONAL LIVE STOCK RECORDS (RE FEES)

The Secretary read a letter from the Live Stock Records seeking clarification of the last part of Section 3 of Article XXXV of the By-laws which reads:

"Registration of dogs recorded in any recognized British or foreign record is chargeable at the same rate as for Canadian-born dogs. If a dog is sold before being registered, each change of ownership is charged for at regular rate of transfer, but only if such transfers take place in Canada. Also, with an imported dog, the increasing schedule of fees shall take effect from the date upon which it becomes possible to make registration in Canada, without respect to the actual age of the dog, and the fees so charged will be according to The Canadian Kennel Club status of the new owner."

Following discussion the Secretary was directed to advise the Live Stock Records that:

- The registration fee for an imported dog would depend on how long after being in a position to apply for Canadian registration the importer took action to obtain registration, the time schedule set out earlier in Section 3 to apply. The Registrar to accept the word of the importer in each instance except where information provided by the importer was obviously in error;
- The registration fee for an American-owned dog to be according to the same age schedule as for Canadian-born dogs.

2585 (2533). STANDARD CERTIFICATES AND APPLICATIONS ALLOCATION OF REGISTRATION NUMBERS

The Secretary reported that under date of August 4th he had forwarded to all members of the Board copies of an exchange of correspondence with the Live Stock Records Office regarding standard certificates and proposed applications for registration for use in connection with the production of certificates of registration by IBM equipment. The Secretary reported that the opinion of members of the Board had been sought on a number of major questions involved, and stated that letters had been received from Miss Hammond, Mr. Irving, Mrs. Margeson, and Mr. Monaghan.

Following discussion it was regularly moved by Mr. MacKendrick, seconded by Mr. Monaghan:

"THAT, the Registration Committee be and is hereby appointed to examine and report, with recommendations, to the national Board on all outstanding questions involving standard certificates and standard applications."

FOR THE MOTION: All present.

Motion carried unanimously.

Mr. Monaghan stated that an earlier Board of Directors had given consideration to the publication of stud books by groups, but he considered the present method of numbering registrations to be an obstacle to a satisfactory carrying out of this project. He suggested that the Registration Committee, while considering the matter of standard certificates and standard applications, also examine into and report on the advisability of commencing a new numbering arrangement, commencing January 1st, 1954, and suggested the following proposed numbering arrangements for the consideration of the Committee:

- Each litter registered to be numbered, the number to include a numeral prefix denoting the year in which the litter is registered;
- Each individual dog registered to be numbered, the number to include a numeral prefix denoting the year in which the dog is registered, and a letter prefix (following the numeral prefix) to denote group.

Mr. Monaghan's suggestion was ordered referred to the Registration Committee for consideration and report.

2586 (2462). RECOGNITION OF OTHER STUD BOOKS

The Secretary reported that:

- Since the annual meeting of the Board there had been an exchange of correspondence both with the Chase Publishing Co. (International Foxhunters' Stud Book) and the American Field Publishing Co. (Field Dog Stud Book) with regard to arrangements for mutual recognition of stud books and certificates;
- A copy of the letters received in reply together with the Secretary's detailed proposals on recognition of these stud books had been forwarded to all members of the Board under dates of June 17th and July 2nd;
- Replies had been received from Mr. Monaghan, Mr. Back, Mrs. Mack, Mr. Gostick, Mrs. Margeson, Mr. Brown, Miss Hammond, Mr. Daniell-Jenkins, and Dr. Watson;
- The consensus of opinion indicated by the replies received suggested approval of the special regulations formulated by the Secretary in respect to the recognition of these stud books, except that the deadline set for the recognition of certificates of registration issued by these stud books for Canadian-born dogs should be extended.

The Secretary outlined why it is considered advisable to require a three-generation pedigree with the application for registration of any dog registered in these stud books.

Following discussion, it was regularly moved by Mr. Monaghan, seconded by Mr. Davies:

"THAT, we adopt the Secretary's report, that a three generation certified pedigree be required in connection with the registration in our records of any dog previously registered in either of these stud books, that the proposed deadline for the recognition of certificates of registration issued by these Stud Books for Canadian-born dogs be extended to February 15th, 1954, said special regulations, as amended by the Board at this meeting, be forwarded to the Chief Registration Officer of the Department of Agriculture for approval."

FOR THE MOTION: All present.

Motion carried unanimously.

2587 (2536). REGISTRATION COMMITTEE:

The Secretary reported that the Registration Committee had authorized:

- The registration of the German Shepherd Dog, KURT VON DER RUINE ENGELHAUS, imported from Germany by Miss Suzanne Morrow, Toronto;
- The registration of the Boxers HILDE V. GEVERSHOF and ANAK GEDON RAMEH, imported from Holland by Mrs. H. L. J. v. Baarsel, Toronto.

2588 (2547). COMMITTEES AND REPRESENTATIVES

The Secretary reported that Director Mrs. Margeson had recommended the appointment of the following Provincial Advisory Committees:

- Nova Scotia: S. G. Ritchie, S. E. Kominsky, C. C. Gregory, Dr. M. J. Macaulay, P. W. Tupper.
- New Brunswick: C. C. Sullivan, W. W. Laskey, R. B. Laskey, J. D. Campbell, F. J. Gallagher.
- Newfoundland: Hon. Harold MacPherson.
- Prince Edward Island: F. A. S. Jones.

The Secretary reported that Director Alec Gostick had recommended the appointment of the following to the Manitoba Advisory Committee:

- R. Borse, Reg. Poole, and Montague Francis.

It was regularly moved by Mr. Back, seconded by Mr. Davies: "THAT, these recommendations be and are hereby confirmed."

FOR THE MOTION: All present.

Motion carried unanimously.

2589 (2548). CONVENTION RATES (ANNUAL MEETINGS)

The Secretary reported that information had been obtained from the Live Stock Records and further enquiries were being made.

The matter was left over for a further report from the Secretary.

2592 (2531). ADJUSTMENTS IN QUARTERLY STATEMENTS

The Secretary reported that:

- In accordance with the Board's direction (item No. 2531) and after consultation with the auditors, a detailed set of proposed adjustments in the quarterly statements had been prepared and forwarded to all members of the Board;
- Amongst other things the report had suggested that no changes be made in the statements submitted by the auditors, but any adjustments approved by the Board be handled by way of additional columns to the statements and covered by an explanatory message;
- Opinions received from members of the Board on the detailed proposals submitted varied, some members felt that any adjustments, however well explained, may cause confusion in the minds of the members.

Following discussion it was regularly moved by Mr. MacKendrick, seconded by Mr. Back:
"THAT, quarterly statements be published as submitted by the auditors."
FOR THE MOTION: All present.

Motion carried unanimously.

2593 (2562). OFFICIAL PEDIGREES FOR IMPORTED DOGS

The Secretary reported that in accordance with the Board's direction (Item No. 2562), the Canadian National Live Stock Records was advised that a three generation certified pedigree must be required and filed at their office for each imported dog to be registered in the records of the Club.

The Secretary read a letter from the Records Office seeking enlightenment on the reasons for the Board's decision.

The Secretary read messages from Directors Miss Hammond and Mr. Irving pointing out that the Club's By-laws require, except in the case of dogs imported from the United States, a three-generation pedigree with the application for registration form.

In discussing the matter the Board noted that:

- While the two-generation certificate is now standard for most Canadian live stock associations, including dogs, the Live Stock Records Office had found it necessary to resume the practice of issuing three generation certificates for dogs to be exported to the United States, this in order to comply with United States' customs regulations and tariffs;
- Not infrequently are dogs imported to Canada and later sold to the United States, including dogs previously imported from the United States, and if the Records Office is to be in a position to provide its usual prompt service for dogs to be exported to the United States, it must be in a position to promptly issue three-generation certificates for such dogs;
- The American Kennel Club has discontinued the practice of publishing a monthly stud book, and has adopted the policy of periodically publishing a stud book which will include only those dogs used for breeding purposes and where progeny has been registered in their records.

The Secretary was directed to inform the Live Stock Records Office why it has decided that a three generation pedigree must be filed for all imported dogs to be registered in the Club's Records, and to also communicate with the American Kennel Club and the Kennel Club (England) with regard to the matter.

The meeting adjourned for dinner and later reconvened with the President in the Chair and the following present: S. Back, G. P. Davies, and W. J. Monaghan. Mr. Walter Brown, being very ill, did not return to the meeting, and Mr. Daniell-Jenkins, having taken Mr. Brown home, was unable to be present.

2594 (2550). APPLICATIONS FOR MEMBERSHIP

The Board unanimously confirmed the approval given to lists (numbered 15 to 21 inclusive) of applicants for membership.

The Secretary stated out that letters had been received from Directors Mr. Irving and Dr. Watson pointing out that the Board of Directors at its annual meeting had adopted a policy to be followed in the handling of applications for membership (new), and said policy should not have been amended without prior consultation with the entire Board.

Following discussion it was regularly moved by Mr. Davies, seconded by Mr. Monaghan:

"THAT, where any provincial Director requests prior information on applications for membership received from residents of the area which he or she represents, said information be supplied on the same basis as in effect prior to May 12th."

FOR THE MOTION: All present.

Motion carried unanimously.

2595 (2551). KENNEL NAMES

The Board unanimously confirmed the approval given to the following applications for registration of kennel names:

AUSABLE VALLEY, CARMONEY, CAVALIER, CRAIGIE-LEA, DELHAVEN, DI-MAR, EPPING GLEN, GAY GLADE, GOOD CHEER, KARLEVE, KEELOT, KNOLLWYRE, LAUL-ENDAN, LAW, MOUNT BEAUFORT, PEKE-ABOO, PENTON-DALE, PETER PAN, RANCHO, RUTHERFORD, SHAGMIRE, SUN VALLEY, THUNDERBIRD, WIL-JEA, WULASTOOK, FLYWAY, WALMAR, RENE-ART, DRIFTWOOD, TWO CREEKS, GEDONG RAMEH, BLAYCROFT, SHERIDANE, DAWN'S OWN, GERILU'S, BERT-HAR, BO-PEEP, SONNENBERG, GAYBOURNE, ELSALAF, GLAHMS, CONIFEROUS, KAHLENWALD, LOCHINVAR, TECKELHAUS, MARJOHN, DOONHAVEN, NEUGEN, BAY, CAWTHRA, WOODLAND, WUNDERLOWEN, CONAMORE, SKIDBY, and SMITHDALE.

The Secretary read letters received from Director Irving regarding the applications for registration of the names CLOVERDALE, QUALICUM and OKANAGAN, and the Secretary reported that it had been the policy of Boards of Directors over the years to not approve as kennel names the names of any Canadian cities or towns.

Following discussion the Secretary was directed to communicate with all members of the Board and obtain their opinions on whether there should be any restriction in this connection, and if so, to what extent. In the meantime the following kennel names applied for were ordered held in abeyance:

OKANAGAN, HUMBER VALLEY, CLOVERDALE, QUALICUM, and NIAGARA FRONTIER.

2596 (2552). SHOW & TRIAL MATTERS

The Secretary reported that:

- Amongst the priority dates set aside for 1954 were the following:

- Ladies' Kennel Club of Canada Inc.—April 25th;
- Ottawa Kennel Club (two shows)—April 30th and May 1st.

- Because of confliction with the date of the 1954 Buffalo Kennel Club show, the Ladies' Kennel Club of Canada wished to change their date to May 2nd immediately following the Ottawa Kennel Club shows.

- The Director for Quebec had approved the change, and the Ottawa Kennel Club had been asked whether it had any objection to a show at Montreal immediately following their shows.

Mr. Monaghan pointed out that it had been the practice of the Hull & District Kennel Club to hold their spring championship

show immediately following the Ottawa Kennel Club's spring shows, a practice that had been interrupted this year only because of their inability to obtain the Hull armouries.

In the discussion which followed the likely inconvenience to exhibitors having to move dogs and equipment from Ottawa to Montreal in the few hours between the conclusion of the second Ottawa show and the commencement of a show at Montreal next day was noted.

It was regularly moved by Mr. Monaghan, seconded by Mr. Back:

"THAT, the Ladies' Kennel Club of Canada Inc. be advised why the Board of Directors does not consider it advisable to approve their request for change of dates."

FOR THE MOTION: All present.

Motion carried unanimously.

The Secretary reported that the Dates and Judges Committee desired the Board's ruling on whether approval should be given to the application of the Montreal Dog Obedience Training Club to hold a licensed obedience trial in Montreal on November 14th in view of the National Kennel Club's championship show to be held in Toronto, in conjunction with the Royal Agricultural Winter Fair, on November 13th-14th. After discussion the application was ordered approved.

The Secretary reported that the Dates and Judges Committee desired the Board's ruling on whether applications for 1954 show and trial dates should be processed at this time. After discussion the Board agreed that show and trial clubs should be encouraged to make early application for 1954 dates, and unanimously agreed that applications for 1954 show and trial dates should be processed as received.

The Secretary reported that the Dates and Judges Committee desired the Board's ruling on the application of the Wentworth County Kennel Club to hold its first sanction show on November 2nd in Toronto. After discussion the application was ordered approved.

The Secretary read a letter from Director Dr. Watson who enquired whether it is permissible for dogs, owned by members of a specialty club, to be entered at an event staged under Canadian Kennel Club Rules, in the name of the Club of which the recorded owners are members. Following discussion it was unanimously agreed that dogs may not be entered in the name of a Club unless said Club was actually the owner or lessee of the dogs to be entered in the name of the Club.

The Secretary read a letter from Mrs. J. M. Lyle, Vancouver, seeking information on the following points:

- Are there any rules relating to the location of benching and the arrangement of breeds on benches?

In discussing this the Board agreed that the location and arrangement of benching rests with the show-giving Club, and it is only reasonable to assume that all exhibits in a single breed will be benched together.

- Is it permissible for handlers to erect special exercising rings where dogs may be exercised at other than the advertised exercising periods?

In discussing this the Board agreed that all dogs, regardless of owner or handler, are subject to the same exercising regulations as to time and facilities.

- The scheduling of obedience trial judging during the lunch or dinner periods with resultant inconvenience to those whose dogs are entered in both the dog show and obedience trial.

In discussing this the Board agreed that it is the privilege of the club holding the show and obedience trial to set the time at which obedience judging will commence, but that a club holding an obedience trial be asked to consider the advisability of commencing the judging of obedience classes at a time which will enable obedience exhibitors to observe the same lunch and dinner periods as the show exhibitors.

The Secretary read a letter from Frank Foster Davis who reported that at a championship show held under Canadian Kennel Club rules he had awarded a Miniature Pinscher first in the Open Class but had disqualified the dog from other awards on account of viciousness, although he had noted this condition at the time of judging the Open Class. Following discussion it was unanimously agreed that the judge's decisions (award in Open Class and subsequent disqualification) be not altered.

The Secretary read a letter from the Secretary of the Greater Victoria Dog Obedience Training Club seeking information on the matter of premium lists for obedience trials, and the closing of entries for an obedience trial held independent of a dog show. Following discussion it was unanimously agreed that:

- A club holding an obedience trial independent of a dog show has every right to close its entries prior to the one hour referred to in Chapter 6, Section 4 of the Obedience Trial Regulations, such closing date to be announced in the premium list or other information distributed to potential exhibitors, and in such instances the obedience club is not obligated to accept post entries beyond its announced closing date and/or time;

- In connection with each licensed obedience trial held under Canadian Kennel Club rules there must be a premium list or something of a similar nature which would provide potential exhibitors with all the information commonly found in premium lists.

The Secretary reported on correspondence with Director Dr. Watson on the subject of confliction of dates for shows in British Columbia and Saskatchewan. After discussion the Secretary was directed to forward copies of the letters to the other Directors in western Canada with a view to bringing about a solution that will be satisfactory to all concerned.

2597. ELECTION MATTERS

The Secretary enquired whether the Board of Directors wished the Election Commission to receive the same instruction, as in 1952, regarding the announcement of those nominated for office in connection with the forthcoming election.

After discussion it was regularly moved by Mr. Monaghan, seconded by Mr. Back:

"THAT, the Election Commission be instructed that names of members nominated for office are not to be disclosed to anyone (except the member nominated and those who nominated him) until the period of nominations is closed; and that thereafter the Election Commission shall furnish each member nominated with a list of all persons nominated for election to the Board."

FOR THE MOTION: All present.

Motion carried unanimously.

The President expressed the view that no candidate should be permitted to withdraw his name from the ballot once an accepted nomination had been received by the Election Commission. Mr. Monaghan stated that proposed candidates were permitted to withdraw in federal and other elections and expressed the view that the same should apply in connection with the Club's election of officers and directors.

Following discussion it was regularly moved by Mr. Back, seconded by Mr. Davies:

"THAT, the entire Board of Directors be polled as to whether any member, whose acceptance of a nomination has been received by the Election Commission, shall or shall not have the right to withdraw prior to the printing of the ballots, the majority vote of the Board on this question to be conveyed as an instruction to the Election Commission."

FOR THE MOTION: All present.

Motion carried unanimously.

Mr. Monaghan stated that many members do not know the name of the Club's auditors and election commission and for that reason discard unopened (or put aside for later attention) the envelope containing the C.K.C. election ballot. He suggested that this may be overcome by identifying the outgoing envelope containing the ballot with the words "This is your C.K.C. Ballot."

Following discussion it was unanimously agreed that the Secretary arrange for outgoing ballot envelopes to be identified as suggested by Mr. Monaghan.

2598. CONTRACT WITH MR. A. H. LOVERIDGE

The Secretary reported that the currently effective memoranda of agreement between the Club and Mr. Loveridge (covering the five year period January 1st, 1949, to December 31st, 1953) included a provision reading as follows:

"Notwithstanding anything hereinbefore contained it is mutually understood and agreed that in order for the termination of this contract on the 31st of December, 1953, either of the parties hereto shall be required to give to the other party, thirty days notice in writing of the termination hereof prior to that date."

Following discussion it was regularly moved by Mr. Monaghan, seconded by Mr. Davies:

"THAT, pursuant to the provisions of Section 8 of the memorandum of agreement between The Canadian Kennel Club and Mr. Alfred Loveridge dated November 29th, 1948, notice by letter be delivered to Mr. Loveridge to the effect that the contracts between him and the Club dated November 29th, 1948, and February 7th, 1952, will be terminated on December 31st, 1953."

FOR THE MOTION: All present.

Motion carried unanimously.

It was then regularly moved by Mr. Back, seconded by Mr. Monaghan:

"THAT, Mr. A. H. Loveridge be advised by letter that upon termination, on December 31st, 1953, of the contracts between him and the Club dated November 29th, 1948, and February 7th, 1952, it is the desire of the Board of Directors that he remain an employee of the Club, at the same weekly salary as presently in effect, until the matter is given consideration by the Board of Directors at its Annual Meeting in February 1954."

FOR THE MOTION: All present.

Motion carried unanimously.

2599 (1418). MINIATURE DACHSHUNDS

The Secretary reported that:

- At a meeting of the Board of Directors held on August 24th, 1949, the following resolution was adopted by the Board:
"THAT, for show and registration purposes, the Smooth Haired Miniature Dachshund be added to the list of recognized breeds, but in order to be registered and/or shown as a Smooth Haired Miniature Dachshund, a dog must be sired by a Smooth Haired Miniature Dachshund and out of a Smooth Haired Miniature Dachshund, and the weight must not exceed 10 pounds, the standard of the breed to be otherwise the same as that of the standard Smooth Haired Dachshund."
- The list of recognized breeds appearing in the By-laws and in the Dog Show Rules was amended by the addition of the other two varieties of miniatures—Long Haired Miniature Dachshund and the Wire-haired Miniature Dachshund;
- Applications were now being received for dogs designated as "Long Haired Miniature Dachshunds", said applications being for dogs imported to Canada from England, and others being dogs which a resident of the United States had imported from England;
- Information received from the Kennel Club (England) indicated that for show purposes a Miniature Dachshund must not exceed 11 pounds, but because dogs are registered at various ages it is not considered worth while to require a statement of weight nor is any such record maintained;
- Information received from The American Kennel Club indicated that all Dachshunds, regardless of size or variety, are registered as "Dachshunds."

The Secretary sought an instruction on the action to be taken to comply with the above-stated resolution.

Following discussion it was unanimously agreed that in order to give effect to the above-stated resolution, the applicant for registration of a dog to be registered as a "Miniature" Dachshund must submit with the application for registration, a signed statement to the effect that the dog to be registered, its sire and dam, do not, individually, exceed ten pounds in weight.

2600. NOTICE REGARDING RENEWAL OF MEMBERSHIP

Mr. Monaghan suggested that a direct mail notice to all members regarding renewal of membership for 1954 would be more effective in bringing renewals of membership. The Secretary reported that printing, postage costs, etc., would amount to approx. \$105.00.

Following discussion it was regularly moved by Mr. Monaghan, seconded by Mr. Back:

"THAT, we send out a direct notice in accordance with the draft notice submitted for the Board's consideration, said notice to be mailed on December 28th."

FOR THE MOTION: All present.

Motion carried unanimously.

2601 (2468). SUGGESTED ADDITION TO STANDARD OF AMERICAN COCKER SPANIEL

The Secretary on the action taken with regard to this file. It was suggested by Mr. Monaghan, who suggested the addition to the standard, that the file be referred to the next annual meeting of the Board along with any replies received in answer to the letters written in accordance with the Board's instruction. No action was taken.

2602 (2471). NATIONAL CHAMPIONSHIP STAKE (RETRIEVERS) REGULATIONS

The Secretary reported that in accordance with the Board's instruction, those Clubs which had held a licensed Retriever trial under C.K.C. Rules in 1952 and/or 1953 had been informed of the following proposed changes in the special regulations applying to the "National Championship Retriever Stake" and their views with regard to these proposed changes had been sought:

- Delete first paragraph of Section 1 and substitute the following:
"Only the winning dog is to be named at this trial and the winner automatically becomes a Canadian Field Trial Champion and is also entitled to be designated "National Retriever Champion of 19—";"
- Delete Section 2 and substitute the following:
"Before each National Championship Retriever Stake, the Canadian Kennel Club shall decide those dogs which shall be eligible for invitation to compete in the Stake, and shall notify the club or organization staging the Stake of the qualifications for entry in the stake. In any event, the dog declared the winner of the last National Championship Retriever Stake held under C.K.C. Rules shall be eligible for and shall be invited to compete in the Stake."
- Delete Section 6 and substitute the following:
"The Stake must have at least ten tests or series, five of which shall be for upland game, and five on water fowl, and at least five of the tests should include a water series."

The Secretary read letters received from the B.C. Gun Dog Club Inc. and the Edmonton Sporting Dog Club Inc. endorsing the proposed amendments.

It was regularly moved by Mr. Monaghan, seconded by Mr. Davies:

"THAT, these proposed amendments to the Special Regulations governing the National Championship Retriever Stake be and are hereby approved and are effective immediately; that the National Retriever Club (Canada) Ltd. be notified that these Regulations, as amended at this meeting, are effective in connection with the Stake to be held under their sponsorship on October 9th, 10th and 11th, 1953; and, pursuant to the provisions of Section 2 of these amended Regulations, the Board of Directors now directs that all those Retrievers and Irish Water Spaniels which placed first, second, third, or fourth in the Open All-Age Stake at a licensed Retriever trial held under our Field Trial Rules this calendar year shall be entitled to be entered in this year's National Championship Retriever Stake."

FOR THE MOTION: All present.

Motion carried unanimously.

2604 (2487). AMENDMENTS COMMITTEES

The Secretary referred to the Amendments Committees appointed at the last annual meeting of the Board, and enquired whether these Committees would meet to consider, draft, and submit any amendments considerable desirable.

No action was taken.

2605 (2484). ARRANGEMENTS FOR 1954 ANNUAL MEETINGS

The Secretary reported that tentative reservations had been made with the King Edward Hotel for meeting rooms and bedroom accommodation in connection with the 1954 Annual Meetings (February 1st, 2nd, 3rd and 4th).

The Secretary reported that he was continuing his efforts to obtain information about and obtain convention rates in connection with the next annual meetings (Item No. 2504).

Mr. Monaghan suggested that the Secretary arrange for all outstanding C.K.C. buttons to be returned and be available for presentation to Board members at next annual meeting.

2606 (2596). SHOW & TRIAL MATTERS

Mr. Monaghan suggested, and the Board approved, that when returns for a show or trial are acknowledged, applications for dates and approval of judges be forwarded with the acknowledgement.

2607. AGENDA NEXT MEETING OF THE BOARD

Mr. Monaghan stated that at the next meeting of the Board he would ask the Board to consider the advisability of publishing abbreviated show reports rather than the full reports of awards as presently published, and asked that this item be placed on the agenda of the next meeting.

2608 (2568). FINANCIAL MATTERS

Mr. Monaghan stated that he felt additional information should appear on the next annual statements.

It was regularly moved by Mr. Monaghan, seconded by Mr. Back:

"THAT, the auditors be asked to include the following in the next annual report:

- Yield and bid or par on bonds on last day of year;
- Unit cost at Records Office for 1953, and also for years 1941 to date;
- In statements of revenue and expenditures include information on revenue received and costs involved in connection with magazines placed on newsstands, this for the October 1952 to September 1953 issues inclusive;
- Costs of special referendum ballot as separate item;
- Costs of annual election as separate item;
- An estimate of the unit cost per dog for recording show and trial awards."

FOR THE MOTION: All present.

Motion carried unanimously.

2610. ADJOURNMENT

At 9.55 p.m., on motion by Mr. Back, duly seconded and carried, this meeting of the Board of Directors adjourned.

American and Canadian
Champion

BOUQUET NOUVELLE AMI

Whelped: April 24, 1951

Owners:

MR. and MRS. RALPH M. WEST
17131 Appoline Avenue, Detroit 35,
Michigan

This Internationally famous cream French Bulldog, Champion Bouquet Nouvelle Ami (nicknamed "JoJo") has chalked up a show record all Frenchie breeders and fanciers can well be proud of.

CANADIAN RECORD:

His first Canadian all-breed show was at Chatham, Ontario, May, 1952, where he was Best of Breed and fourth in group. His first big win was at the Hamilton K. C. show June 21, 1952, where he was awarded the coveted title, Best in Show under the well-known and capable judge, Hans Oberhammer of New York City. Incidentally, "JoJo" is the first and only French Bulldog to date to have scored Best in Show at a Canadian all-breed event. At Streetsville, Ontario, July 26, 1952, he won Reserve Best in Show under judge H. Walley of Toronto, thus finishing his Canadian Championship in 5 shows. He returned to Chatham in April 1953, and was awarded his second Best in Show under the Internationally famous judge, Walter Reeves, who last year celebrated his fifty years of judging. He has since won several Best of Breed and group wins. His Canadian record to date: 16 Best of Breed in 16 times shown, 15 group placings including 5 firsts. Two Best in Show and one Reserve Best in Show.

AMERICAN RECORD:

He made his all-breed show debut at Westminster in Feb. 1952, at the age of ten months, went Reserve winners dog. He finished his Championship six months later at the Pontiac K.C. all-breed show August 17, 1952. "JoJo" returned to Westminster in 1953 and was awarded Best of Breed under judge L. Murr and fourth in group under judge J. V. Robinson. At the Chicago International, March 1953, he was also Best of Breed under judge Dr. Mitten and fourth in group — judge Alva Rosenberg. His latest big win was at the French Bulldog Club of America Specialty Show at Rye, New York, Oct. 11, 1953, where he was awarded Best of Breed under the well-known and very popular judge, Mrs. Warner Hays. Competition was keen. Thirty Frenchies including eight specials competed for top honor. At the Bronx all-breed show the following day, he was also Best of Breed and fourth in group. His American show record to date: 44 Best of Breed in 49 times shown, 39 group placings including 18 firsts. Truly an outstanding show record in both Canada and the U.S.A.

"JoJo" is a solid, well proportioned little fellow, healthy and full of personality. He was trained and handled at all shows by his owner, Mrs. West.

UNIFORM NOURISHMENT GUARANTEED ... NEW HOMOGENIZED* Gaines Meal!

BETTER NUTRITION—an abundance of *animal proteins* from meat, milk, and fish are among the nutritional extras provided in Homogenized Gaines Meal. In fact, all major ingredients are chosen for their *natural* wealth of food essentials and are specially processed to retain maximum values.

IMPROVED PALATABILITY. Dogs prefer the taste and texture of the new Homogenized Gaines Meal. Doesn't get pasty or sticky like ordinary meals . . . doesn't pack down in the dish.

EXTRA-EASY FEEDING! Can be fed moistened, mixed with other foods, or dry. Nothing like it for self-feeding! And when mixing or moistening, prolonged soaking and stirring are never necessary.

NOURISHES EVERY INCH OF A DOG! Homogenized Gaines is a scientifically improved *form* of meal—based on the kennel-tested, laboratory-controlled Gaines formula. Now, when you feed Gaines, you can be sure of every food essential at the proper level and in proper balance with every other element.

*UNIFORM NOURISHMENT Guaranteed

Here's a meal in which there is no ingredient separation—it's entirely in the form of granules with each granule complete in every food essential dogs are known to need. Nourishment can't vary in any part of the package. The result—more effective nourishment at each and every feeding. There's just no other dog food like it.
