"WILDAIR" IRISH SETTERS

25th Anniversary

Mrs. Gertrude Drew 120 RANLEIGH AVENUE TORONTO, ONTARIO

We are proud to present here our dogs of today which we believe to be on a par with those owned by the best kennels in the United States and the Old Country, and we are also proud of the many friends we have made through our dogs. Were it not for those grand people, the "dog game" would undoubtedly lose much of its thrill. The past 25 years have gone quickly but we have enjoyed every moment of it. Our dogs are our pleasure.

"Challie", "King", "Pride" and "Bunty"

In these days of varying conditions it is good to look back on such a long period of continuous breeding, where quality has been unvaried and a reputation created for health, stamina and true Irish type.

For the past seven years our show activity has been greatly restricted but last year out of seven showings "Wildair" owned dogs accounted for 6 Winners, 5 Best of Winners and 5 Best of Breed, witness to the type and quality in this Kennel.

"Clympmoor Canewyn" (King) at 10 months Imported from England last Fall; by Madorwill Masterkey ex Biddy of Coppeen (both Cruft winners). "King" has a galaxy of England's greatest dogs and bitches in his pedigree, Experts who have seen him consider him a top young dog.

Can, and Am. Ch. HOLLYCOURT OSMIUM OF PARAGON, C.D.

This grand old man of poodledom came out of retirement for three days in 1954, at the age of nearly seven, and won 3 groups and 1 Best in Show. Among the founders of post-war silver poodles in Canada, Osmium was bred by Miss Ruelle Kelchner at her Hollycourt Kennels in the U.S., and was shown (along with his kennel-mate Can. and Am. Hollycourt Grayling) at all eastern shows in the days when the average person did not even know what a poodle was. Among his better known offspring are Am. Ch. Paragon Dorien of Hollycourt, Am. Ch. Paragon Damien of Jo-Mar, Can. Ch. Paragon Dorinda and Can. Ch. Barlanark Pirouette. His granddaughter, Paragon Finesse, needs only 1 point for her American championship.

The Canadian Kennel Club A Brief History

By ALVA McCOLL

It has been some time since a story was written of the Canadian Kennel Club and I am sure the older members will bear with us if we write it again in order that those who have joined the club in the interim may know a little of the history of our organization and what it stands for.

At one time dogdom on the North American Continent was controlled by the National American Kennel Club, and Canadian-owned dogs were registered in that organization. The first recorded win of a Canadian-owned dog at an official show was that of an English Setter named Leicester, owned by L. M. Smith, of Strathroy, Ontario, and the show was staged at Chicago. This dog was registered in the American Kennel Club Stud Book as No. 148; this was in the year 1876. The American Kennel Club was formed in 1884 and amongst the member Clubs who attended that inaugural meeting were the Montreal Kennel Club, the New Brunswick Kennel Club and the London Kennel Club; later, the Manitoba Kennel Club was accepted as a member. Shows were being held on both sides of the border, sometimes under American rules, other times under Canadian rules until 1887.

A group of Canadian breeders met to form the Canadian Kennel Club on September 27th, 1888. The American Kennel Club recognized the newly formed club as the governing body for dogs in the Dominion of Canada and a constitution was drawn up. Registrations proceeded and the first Stud Book of Canadian-bred dogs came into being. Until that time, news of the activities of Canadian dogs had been published in the Canadian Poultry Review, but when the Canadian Kennel Club was formed a supplementary paper called "The Kennel Gazette", devoted entirely to dogs and items of news and interest to dog fanciers, was printed. The editor was the late H. B. Donovan who took an active part in Canadian Kennel Club affairs until the time of his death. The first dog registered in the Stud Book of the Canadian Kennel Club was a Blue Belton English Setter named "Forest Fern", bred and owned by the late Charlie Stone who made the kennel name "Forest" famous throughout the world for both English and Irish Setters. The group of men who formed the Canadian Kennel Club deviated from the American method by having individual members active participants in the government of the Club. The only difference today is that amendments to the rules is now done by a referendum ballot instead of the twothirds majority of the vote cast by the members at the annual meeting.

The first show under the auspices of the newly formed Kennel Club was the London Kennel Club's International Show held at London, Ontario, on September 10th, 11th, 12th and 13th, 1889. The name was later changed to the London Canine Association. The first Exhibition show was held at Ottawa in conjunction with the Central Canada Exhibition on September 11th, 12th and 13th; Toronto followed with the Toronto Industrial Exposition, now known as the Canadian National Exhibition, which All-Breed Show was held on September 16th, 17th, 18th and 19th, 1889. In field trials, the Canadian Kennel Club inaugural field trial was held at Chatham. Ontario, on November 11th, 1889.

That there had been shows and trials held before, but under other rules, is a fact, for we find that in 1884 the Ontario Collie Club held a field trial and bench show in Toronto and it is believed that St. John, New Brunswick, held bench shows under American Kennel Club rules. The Hamilton Kennel Club was organized in the fall of 1890, and held their first show in 1891.

Shows and trials still continued to be held in Canada under American rules, and Western Canada formed a club of its own, known as the Dominion Kennel Club. It was not until February, 1915, when the Canadian Kennel Club applied for incorporation under the Live Stock Pedigree Act. administered by the Federal Department of Agriculture, that order came out of the chaos. It was in that same year that the Canadian Kennel Club arranged for registrations to be processed through the Canadian National Live Stock Records at Ottawa, an organization formed by reason of the affiliation of various live stock associations in Canada and to which five representatives of the Canadian Kennel Club are appointed each year. There are thirty-one associations, and we rank fifth in terms of fees received at Records Office and third in terms of operational costs at that office. Our gross income for 1954 for all departments of the Canadian Kennel Club was \$92,102.39.

In order to provide uniformity for purposes of judging and to ensure marketability in the United States, of dogs bred in Canada, the Canadian Kennel Club recognizes the standards of breeds adopted by the American Kennel Club. The standard is in effect a word description of the perfect specimen of the breed and is used as a basis of judging at dog shows. In this respect the judging of dog shows differs from the judging of dogs at field trials and obedience trials, where performance is the determining factor in placements made by the presiding judges Field trials are held for the various breeds of gun dogs and hounds, and these trials differ according to the named purpose for which a particular breed of hunting dog is used under actual hunting conditions.

Interest in all types of competitive events for pure-bred dogs has shown a remarkable increase since the end of Word War II and an all-time high in the number of these events was re-corded in 1953. Shows and trials are held by local or breed clubs formed primarily for that purpose but shows are also held by various exhibitions and fairs in Canada.

Pages could be written on the development of our Club through the years. This is just a brief resume and if the members are desirous of more being written on the subject, send in your request and we will be most happy to oblige.

Ch. La Paloma's Dream Boy

Owned and bred by JOHN I. FLORENCE

318 Stewart Street

Ottawa, Ontario

This remarkable dog who will not be three years old until April of this year has compiled the following record:

Shown 25 times; he has won 6 Best in Show, 23 Best of Variety, 8 First in the Sporting Group, 7 Second, 2 Thirds and 3 Fourths Group Placings. He has also won Best Canadian Bred in Show on twelve occasions. In addition he has sired champions of record.

Ch. VERMONT PARK ANN

Bred and owned by EMERSON ROBERTSON

R. R. 3

Streetsville, Ontario

Ann completed her championship at the Canadian National Sportsmen's Show where she won Best in Show All Breeds over the largest entry benched at an All Breed show in 1954. In addition, Ann is a high class hunting hound and prospects are that she will go on to win at the field trials this coming fall, being of the top American and Canadian hunting hound breeding.

"Roger" completed his championship in three consecutive shows. He consistently won the working group at all the shows and took the Best In Show honours at the 57th Annual New Brunswick Kennel Club.

"Roger" is sired by the outstanding German import "Reichsieger Asko v.d. Wolzenburg, Sch. I, II". "Asko" was undefeated in his breed in Europe. "Roger" has proven himself as a Sire of top quality Dobermans, with gentle dispositions, excellent character and superb showmanship traits.

YOU'RE SICK OF THE DOG GAME; YOU'VE NO MONEY. YOU NEVER GET A FAIR DEAL.

YOU CAN'T CARRY ON. BUT THERE'S ALWAYS

THE NEXT LITTER

Trailing in and out of doors in pouring rain, winds whipping skirts over our heads (in the case of those of us too well upholstered to wear slacks, even when only the dogs can see us), drying dogs, wet from exercise, cleaning up endless clumps of sawdust brought into the house on wet, muddy feet. . . . Isn't it enough to turn the most even tempered soul into a sour virago?

Inevitably comes the old question: Why do we breed dogs! Why do we show dogs?

Speaking of the game from our own angle, which, of course, is the only one of which I can speak from experience, it seems to be a hobby which is completely out of proportion to our means. The cost of keeping half-a-dozen dogs means a very real sacrifice of other things.

What, then, is there to recompense? If we look to the glory of winnings in the ring to repay, then it's a dead loss. However good the stock, there have to be knocks accepted, some quite honest, some otherwise. Good winning means a chilly atmosphere from even so-called friends. A few judicial whisperings into the ear of an exhibitor, soured by a disappointing day, can turn a pleasant friend into a startlingly vicious attacker, often only temporarily, but quite disconcertingly if you aren't used to it.

What a pest those whisperers are! Smiling faces masking venomous minds, planting arrows into the bows of others.

Hard knocks take a bit of swallowing, too, so if the show ring is your hope, then don't make too many sacrifices; they won't pay dividends.

Maybe, then, you think that breeding puppies will balance the budget. It's a very big doubt. If you are humane about it, you can't over-use your females; if you are callous, they won't produce much in the way of sturdy puppies for very long. Missings and small litters, or an occasional bad whelping can soon outweigh those good litters that sell well, so that belief cannot be relied upon.

A good stud dog can keep the kennel going for a time, but unless he produces consistently good stock, or an occasional "flyer" he soon becomes overlooked in favor of the next new champion, and if you are foolish (and many of us are) he is there to be kept for the rest of his life.

Then what, for Pete's sake, is the reason for going without holidays, for having a home of which you feel By EVELYN DYSON

slightly ashamed when non-doggy visitors call, every comfortable chair housing a dog, every corner permeated with the smell of cooking dog food, muddy feet climbing affectionately up clean dresses? Why do we do it?

As I said before, I can only give an answer which applies to ourselves.

We started with the best female we could find and afford, and drew up a plan. The first litter brought some show successes, but we had to wait until the bitch was nearly three years old before she condescended to produce it, and then there was an expensive caesarean. Her next litter was another caesarean with only one surivor, which did not echo the success of the first. Our female was nothing now but a house pet, but she had given us something with which we could carry on—the plan.

The pedigrees which were studied, the bloodlines which were discussed, the combinations and estimated (or hoped for) results, gave us hours of genuine interest. We felt that once our breeding plan had been definitely decided upon, there could be no deviation. Hopping from one blood line which hadn't done all we hoped, to another which might possibly give us something we seemed to lack, was a method we ruled out. We had to stick to our guns, using only dogs in the blood lines upon which we had decided to build, but doing our utmost to find the ones which suited us best.

Tracing, from photographs, the faults we couldn't afford to introduce, searching for virtues to try to counter-balance faults we already had, was a fascinating occupation.

Those faults and virtues were searched for not only in the stud dogs we intended to use, but in the stock behind them, for as many generations as we could find photographed.

A fault which had come down through generation after generation had to have very careful consideration in comparison with those of our own blood. With a few dogs at our disposal of the lines upon which our plan was built, and incidentally, the very few bitches we had to experiment with, we had to take some grave risks, but imagine the deep interest with which we watched the resultant litters (when the females obliged), the joys and the heartbreaks as we saw puppies grow-

ing up, some with much promise, but with a damning fault, some mediocre, but with a virtue which had failed to appear on one which was otherwise "the future champion". Nature has a most perverse sense of humour.

Then comes a good one which gets through; more sacrifices to give it a chance, but the funds which are needed to make a song and dance about, to tell the world, as we all like to do, have gone in its production and the cost of giving it that chance.

The publicity earned by the winner is all you can hope for, but the joy in your own heart that your plan is producing results gives a great sense of pride.

There, in my opinion, is the answer to the question: "Why do we breed dogs when we can't really afford it?" It is an objective to strive for, an ultimate goal for our ambitions.

Nature's tantalizing sense of humour makes sure we don't often reach it, but is attainment ever so attractive as the striving to reach it? Does it matter very much whether we use Canadian, German, Dutch, American, or a devil-may-care blending of everything in the way of blood lines? I don't think so. It's having a target, working for it, having faith to stick to our plans, which gives satisfaction to us all. "Us"—all the hard-up dog folks who sacrifice so much for a hobby. The backbone of the dog game. Those who have started something, have to carry on in spite of the odds.

However disgruntled the feeling after a bad day at a show, when maybe the joy of your life has been damned as looking "very old and fat these days" you can go home and plan on paper the matings of your next generation, and visualize the tall, slim, elegant offspring of the "fat old lady" which ought (theoretically) to come along in due course. If she does, she will probably be "much too light and lacking substance", but why worry, there will always be judges who like them elegant, and those who like them solid.

It's no use trying to please everyone, so, to use a favorite expression of a Lancashire friend of mine, "Let's never heed". Just carry on with the plan, and produce some more stock to eat away some more of the money we can't afford, so that we can take them to more shows were judging is so bad and sportsmanship so poor, where everyone is declaring he is fed up with the dog game.

What a vicious circle! But when the next litter may easily produce "it" well, there just has to be another litter.

With the Fancy in Great Britain

REVIEW OF THE YEAR

By PHYLLIS ROBSON

Consultant Editor of "Dog World", England (former editor of "Dogs In Canada")

The year 1954 opened with a more optimistic spirit than last year, though we were all sorry to learn we should lose Kensington, Metroplitan and Essex, and Croydon championship shows which reduced our championship fixtures considerably and no doubt increased the entries of those held. This has certainly been a critical year for championship shows, but the many increases of entries make us optimistic of the future.

What a shock we all got at the cancelling of Cruft's just a few days before the show was to be held and when visitors from as far away as America, Canada, India and the Continent had arrived in London to see the greatest show in the world. There was a marvellous entry of 11,835 with 5,956 dogs (4,500 exhibitors from all over the country) which was 91 more than last year though the entry was down by 198. The cancellation was owing to a strike of electricians at Olympia where Bertram Mills's circus had occupied most of the building beforehand and it was impossible to remove the fittings and prepare for a dog show at such short notice. The Kennel Club Committee examined every possible course, but, unfortunately, cancellation was the only solution. There had been talks between the Electrical Trades Union and the Kennel Club and the management of Olympia, but they remained in deadlock and the staff of the Kennel Club saw a whole year's work wasted. This must have involved the Kennel Club in a heavy loss.

The cancellation was an all-theworld-over shock and when I visited America I heard a great deal of comment over the loss of such a grand show and great sympathy was expressed for Kennel Club and all our English dog exhibitors and lovers who always look forward to Cruft's as the show of the year. The Kennel Club decided it would not hold the show later in the year though this was a proposition forwarded by many exhibitors. Now we are all looking forward to next February when Cruft's is going to be held with practically the same roll call of judges as was fixed for the last event. One cheery bit of news was that owing to the cancellation more Challenge Certificates were granted to certain shows such as the L.K.A., Blackpool, and Leeds. The Kennel Club realized to the full what the lack of Cruft's show in 1954 meant to exhibitors. For the majority it is far more than a pleasant social occasion; it is a great market for home and overseas and the loss in hard cash ran into high figures.

Anyhow, the next show will be held at Olympia on Friday and Saturday, 4th and 5th February, in the Grand and National Halls, and the groups will be divided: Hounds, Terriers and Toys on the first day; Gundogs and Non-Sporting Dogs on the second day. On the first day of the show the Dog Obedience Championship will be held and the owners of dogs and bitches which have won Obedience Certificates during 1954 will be invited to compete for the championship. This will be the first Obedience Championship to be held, and I am sure it will cause a big addition to the gate, as Obedience Tests are so popular these days.

At the great banquet the night before Birmingham show, the Chairman, Air-Commodore J. A. Cecil Wright, A.F.C., T.D., D.L., made a most optimistic speech and said that 1,700 shows had been arranged for 1955 and he was glad to see there were many more open and limited shows to offset the drop in the number of sanction shows, due to the new Kennel Club regulations. He welcomed this development because, he said, it was the Kennel Club's policy to encourage benched shows rather than sanction shows so that the public would be attracted. Registrations are increasing and this year's applications showed

with 8,129 though, in 1951, they totalled 12.871.

The Kennel Club had deleted from the Judges' Questionnaire "Do you engage in the retail sale of dog foods, dog medicines, or kennel supplies", and the deletion of this question meant that to engage in these activities was no longer a bar to awarding Challenge Certificates. This decision was most popular.

an increase over the year before and

totalled 80,870. Cockers topped the lot

New breeds to qualify for championships were Rhodesian Ridgebacks and Chihuahuas, and at the last L.K.A. show held at Olympia there were 16 entries in open bitches, showing how popular the breed is becoming.

It was hoped to go ahead with the proposition to erect a building next door to 84 Piccadilly as soon as a licence could be obtained as the Committee had been advised that putting up a building there would be a very satisfactory business investment. We were all sorry to hear of the long illness of the popular Secretary of the Kennel Club, Mr. E. Holland Buckley, and are glad to know he is back in office again and his usual cheery and capable self. We are lucky to have such an efficient Chairman as Air-Commodore Wright and popular Vice-Chairman Mr. Roger Boulton, and the very capable Assistant Secretary Mr. C. A. Binney.

We were all delighted when H.R.H.

Princess Margaret showed her Sealyham Terrier Ilmer Johnny Boy at the Sealyham Terrier Breeders' Association championship show at Windsor. Sir Jocelyn Lucas, Bt., M.P., bred the dog which won 1st prize in his class, which included a magnificent trophy-a large silver cup-and we all hope to see Johnny Boy, which was handled by his well-known breeder, at many more shows. The Princess comes of a real dog-loving family; her late father and the beloved Queen Mother loved Corgis and kept many of them and when, about seven years ago, Princess Margaret chose a Sealyham Terrier for her personal pet, naturally nothing could have been happier for the breed's progress. A lover of all dogs, the Princess not only favours Sealyhams for their lively disposition but also for convenience. Both Johnny (official name Ilmer Johnny Boy), which has lived with Princess Margaret since puppyhood, and ten-months-old Pippin, are small enough to travel with their Royal Mistress whenever possible, whether the conveyance be car, train or plane.

H.M. Queen Elizabeth is interested in Field Trials and the Essex Field Trial Society has the honour of being the first Society in which the Queen entered the Field Trial arena. Last season-1953-Her Majesty entered Hiwood Jet, a black Labrador, in the Open Stake at Haydon on 7th and 8th October and received a Certificate of Merit. On 12th October Hiwood Jet was entered in the Non-Winners Stake at Finchingfield and won 1st prize, also the special prize, which the Queen accepted. This season she has not been quite so successful. Sandringham Turvey, a black Labrador, was entered in the Non-Winners Stake at Clapton Hall, Great Dunmow, on 4th October, but had to be withdrawn as she was not quite clear of being in season. This same bitch was entered in the Open Stake at Haydon on 6th and 7th October but failed to get an award. It must, however, be remembered that the competition at this Society's Trials is the strongest of any.

This has been a critical year for championship shows but the majority have had increased entries.

Glasgow, the first championship show of 1953, was all agog at the good entry and the gate was also well up on last year; there were 3,753 entries in 510 classes, the W.E.L.K.S unfortunately was slightly down with 7,672 entries. Bath was 3,538 which was 500 up over last year. Leeds was also well up with 3,276 entries and 1,615 dogs in the 402 classes. Blackpool was also up with 5,047 entries which were 138 up on last year. The Three Counties show was

TRADITION

By WINNIE BARBER

(Mrs. Winnie Barber is the daughter of the late Holland Buckley, one of England's great Terrier experts, and niece of Edward Buckley, present Secretary of The Kennel Club, England.)

Tradition has rightly been described as the handing down of opinions or practices to posterity unwritten. I stress the word "unwritten".

The title of this short article expresses my sentiments and beliefs within the little world of dogs in which we live. There was, perhaps, pre-natal influence in my case! I have "lived dogs" all my life, and was taught to walk by one of my father's Airedale champions. Whenever missed, I was to be found in the kennels with any dam who happened to have a litter, having transferred all her puppies into my lap. At the age of seven I owned my first show dog, and my prefix was registered not long after.

To our home came practically all the prominent dog men of the day-and at that time men were indeed in the majority. I used to sit quietly in this doggy atmosphere, for I was a very shy little girl, unknowingly absorbing knowledge which has since proved invaluable to me. I knew by instinct that here was a world for which one worked; that there existed in that world a code of honour which must be observed in all matters, whether breeding, showing or judging. Upon reflection, I realize that those men whom I met as a child, and others as I grew up, made a deep and lasting impression on me. They were sportsmen in the finest sense of the word. They had character and were "characters". They had genuine ambitions to further the dog game and were resolved to maintain the prestige of British dogs throughout the world.

The results of their efforts brought people from many lands; they came to see and often to acquire British pedigree dogs.

These men left a fine heritage to their successors. Many of them survived World War I and some of the years which followed. But few were still with us to see the devastation of World War II.

My father, Holland Buckley, died early in 1939. I think he would assuredly have died of a broken heart had he lived to realize that the work of a lifetime, which he and his contemporaries had put into dogs and dog affairs, was crumbling around him. We all know how near we were to total disruption.

Yet with remarkable resilience, breeders set to work again when the war ended and in a relatively short space of time the dog game was heading for a boom. It was, perhaps, for a while a somewhat confused and disorganized dog world, but gradually things sorted themselves out and today we can still claim with confidence that British dogs are the best in the world. Those of us who have spent a lifetime amongst dogs and dog folk should be proud of our inheritance.

Sometimes it seems to me that there may be more grumbling than heretofore—that people forget that one of their first principles must always be the good of the breed they sponsor. That is the crux of the whole constitution of the dog world. Not necessarily what is good for oneself or for one's pocket but what is essential in the best interests of dog breeding and showing. In that way, and that way only, will tradition survive; and even in this atomic age tradition must be maintained.

A word now for those who toil that shows may be put on. Everyone, in my opinion, should have a peep behind the scenes in order to get an idea of the fantastic amount of detailed work connected with any show-large or small. Some secretaries are, of course, reimbursed for their services, and heavens! they earn their stipend, but many give their work for the love of it; their praises, also, oft go unsung. The show secretaries are the backbone of the structure of all shows. To them should go the thanks and gratitude of all who exhibit and not the slings and arrows which are apt to fly around.

Taking us by and large we are a happy and cheerful crowd; we who breed, show, judge and help run shows. At this festive season let us all spare a passing thought for those great men and women of the past who, by their work, their vision and their faith, made possible our enjoyment of this, the greatest hobby on earth.

WE'RE OFF!

BY BAY MEYERS

A LTHOUGH still far from the top of the popularity tree, I doubt whether there is any breed which has made more amazing strides in the show ring in recent years than the poodle. In 1946 there was not a single miniature registered in Canada, only one toy and twenty-one standards. Yet in 1954 over 28% of Toy and Non-Sporting groups in all breed dogs shows across Canada were won by poodles! 42 groups were won by 22 Canadian owned and 20 American owned poodles and out of the 74 all breed shows, only

five did not have any poodle entry. The top provinces were Ontario with an average of 9.6 poodles per show and British Columbia with an average of 6.4. The top winning dog was Charlotte's Monte Perce Neige owned by Mrs. Clyde Ritchie of California and handled by Mrs. Pat Tripp of British Columbia, This miniature won 3 Best in Shows and 6 groups. The top Canadian kennels were de la Fontaine (Woodbridge, Ontario) with 3 Best in Shows and 6 groups, and Paragon (Milliken, Ontario) with 1 Best in Show and 10 groups (in Canada).

From a breeders' standpoint there is no doubt about the winning kennel-13 out of the 42 groups were won by Firebrave dogs from the kennels of Mrs. Alida Monro of England. Ch. Firebrave Denis 7, Tri Int. Ch. Firebrave Anthea (winner of the Paragon Trophy) 4, Tri Int. Ch. Pixholme Firebrave Gustav 2. This is a truly remarkable record. The top Canadian kennel was Petitcote (Hudson Heights, P.Q.) with 2 group firsts won by Ch. Petitcote Domino owned by Mrs. Andrews of B.C. Three other Canadian kennels bred 1 group winner each-Barlanark, Simloch and Paragon, of these only one (Ch. Barlanark Pirouette) was owned and handled by the breeder.

In addition to the dogs mentioned above the following Canadian owned poodles won groups in Canada. Int. Ch. Hollycourt Osmium of Paragon C.D. 3 (and 1 Best in Show), Ch. Chriswin Dandy Boy 2, Ch. Paragon Ephah, Ch. Simloch Sunday Punch, Ch. Pavanne Domino Capistrano. These figures do not take into account the large numbers of poodles that came second, third and fourth in groups. Neither, of course, does it cover the poodles who won in obedience.

These wins must of necessity be gratifying to poodle breeders, but they are also a challenge to us to keep the standard of our dogs high. Many breeds have started downhill through over popularity and it behooves us to be very careful in our actions at this time when we are rising so rapidly in numbers. I would draw your attention to a proposed amendment (No. 16) published in the November DOGS IN CANADA, regarding the addition of another size class for poodles. Do we NEED four separate classifications for our breed? Personally I do not think so and I recommend that you read MacDonald Daly's excellent article "New American Size Rule" in the January DOGS IN CANADA. It is not written about poodles but it is applicable to all breeds which are rising in popularity. And for those of you who can get hold of it, Mrs. Alida Monro's article on poodles in the Dec. 17 English Dog World is well worth reading and taking to heart. Nothing will kill the breed quicker than breeding just to have puppies to sell-do let us make haste slowly.

Publicity for pure bred dogs is off to a good start in 1955 in the Southern Ontario area. Television Station CHCH in Hamilton had the graduated dogs of the Hamilton Obedience Club's Training Classes appear on a program January 12th together with the Club's President and Secretary. The commentary was done by Mrs. N. T. Smith and Mr. Fred Tremain for Miss Teddy Forman who was in charge of the program. Miss Forman interviewed the owners of the various dogs with the result that a most entertaining program came out of the interview, so much so that we understand a twenty minute program devoted to pure bred dogs will be given every other week over the Hamilton television station. We were quite intrigued by the fact that the pupils and their dogs ranged in age from 10 years to 75 years old. Amongst the older members is Mrs. H. Cole of Hamilton whose Cocker Spaniel "Duke" has won his C.D. and is now training for his C.D.X. "Duke" did a perfect retrieve on flat for the television

There was a good variety of dogs on the program, the Irish Setter "Belle" owned by Mr. Bob Allan of Ancaster did the "stand for examination" exercise; "Sally", a Miniature Poodle, owned by Miss Margaret Thompson of Brantford, did the "recall"; The German Shepherd "Bryce", owned by Don Kerns of Aldershot, did the high jump, and "Boots", a German Shepherd owned by Mrs. Jean Anthony also of Aldershot, did the signal exercise of the Utility Classes. Another German Shepherd, "Teach", owned by Jim Feketa of Burlington, did the drop on recall, and the Skye Terrier "Toby", owned by Tom Buchanan of Burlington. demonstrated the heel and sit exercise. Great credit is due to the Hamilton Obedience Club for this "live" demonstration with no time for rehearsals.

Apparently the Obedience Club in Hamilton trains each Monday night, and with the added interest of being on regular television programs, they will probably exceed their last year record, wherein they trained over two hundred dogs.

A Mascot is now appearing on "Tabloid", a popular program seen over CBLT, Toronto, each night at 6.30. The mascot is a Great Dane puppy, bred by Mrs. Ruth Bucknell of Beeton, Ontario. The puppy's first appearance was on January 24th and his progress from a four weeks old pup to a full grown dog will be followed with interest by some two million viewers in the Toronto area. More about this later.

WILLIAM A. HARRIS

President of the Canadian National Exhibition, Toronto, the largest annual fair in the world, Mr. Harris has been a member of the Canadian Kennel Club for many years and is a well-known breeder of Boxers. In addition, he owns the American and Canadian Champion Labrador Retriever CEDAR-BRAE CATHACOMBA DUSK, which has won two Best in Shows in the United States. Among his Boxers was Can. and Am. Champion CLINAUDES OTTILIA.

For many years, Mr. Harris bred Miniature Pinschers and while interested in that breed, was elected President of the Toy Dog Breeders' Association.

As a horseman, he owns three gaited saddle horses, prominent among which is JOHNNY BEAVER KETTLE who was a winner at the Royal Winter Fair last year.

He is married and has three daughters and a son, whom he hopes will carry on with his love of animals.

authored a fascinating story at the beginning of January about the Canadian Kennel Club after a visit to our office, and Fern Weston has a complete radio program over CBC scheduled the last week in January wherein the talk will be of the Canadian Kennel Club and what it stands for. Plans are now being made for more publicity in newspaper, magazine, television and radio, so we can forecast a wonderful year for Canadian dogs and their owners.

Broadway columnist Dorothy Killgallen in her "Voice of Broadway" column, says: "Anyone who doubts that this is the age of specialisation is referred to the case of a woman who recently moved from Manhattan to Long Island. When her dog came down with a case of pip, the very next day, she quickly phoned the nearest veterinary surgeon. A soft-voiced female answered, listened sympathetically to a recounting of the canine symptoms, then politely asked the breed of the dog. "Toby's a cocker spaniel", she was told. 'Oh, I'm so sorry', the veterinary's receptionist said sadly, 'You see, Dr. X. specialises in French Poodles!"

And in a later edition, the following appeared:

"Hot rumour in the world of pooches. For the first time, a Skye terrier may walk off with the Westminster show honours".

Here is an interesting article extracted from "Dog World", England:

"Two weeks after her eleventh birthday, my companion bitch Andersley Tancor Iris underwent a spaying operation. She had been constantly in season for nigh on ten weeks and despite the fact that she had been given an injection which was thought might dissolve the crystallised ovaries, there was no response to this treatment, so spaying had to be resorted to Needless to say it was with a great deal of thought and worry that I made this decision, but I am very delighted to write that she was on her feet and able to do the shopping within three days of the operation."

Did you see Ed. Sullivan and his hour-long "Toast of the Town" show from New York on Sunday night. January 23rd? Amongst the many famous people appearing on the program was Mrs. Bunty Dunlop of Burlington, Ontario, who mushed on the stage with her sled team of beautiful Siberian Huskies. Mrs. Dunlop is one of Canada's leading women sled dog drivers and is competing for the big money prizes and trophies in the International Sled Dog Derby being held in Ottawa on February 9th and 10th. This Derby is now given world recognition and may compete for official championships. Incidentally, this is the first occasion that a Canadian sports event has been given a boost on a major American television show. Mr. Sullivan usually introduces such people - (for example Marilyn Bell the first person in the world to swim the icy waters of Lake Ontario, a distance of some forty-two miles and which took twenty-six hours)-from the audience and their appearance takes about thirty seconds. Mrs. Dunlop, however, mushed on the stage with her beautiful dogs and gave a most interesting talk about Canadian activities in dogs. While in New York, Mrs. Dunlop displayed her dogs and sled on a big open air rink in Central Park and also appeared on the ice at Madison Square Gardens between periods of the hockey game on the Saturday night. The sled dog derby takes place just outside Ottawa and the dogs and their drivers will cover some sixty-six miles in sub-zero weather. The best wishes of all members of the Canadian Kennel Club go with Mrs. Dunlop and her team of registered Siberian Huskies.

Will those members who plan to attend the annual meeting of the Canadian Kennel Club on February 5th please bear in mind that according to the by-laws only those persons who were members prior to August 5th, 1954, and whose 1955 membership fee has been paid on or before the day of the meeting may attend and vote on any questions submitted to them. Only the person designated as the voting partner of a partnership may attend and vote. Renewal of membership fees may be paid to the person at the entrance to the hall on the day of the meeting. As the meeting is being held on a Saturday, indications are that there will be a capacity crowd. Please come early if you wish choice seats as this promises to be one of the most interesting annual meetings ever held by the Canadian Kennel Club. There is a possibility that the meeting may be televised. Please do not bring your dogs as they will not be admitted into the meeting. In order that you may follow the meeting while the subject of amendments is being discussed, bring with you your November, 1954, copy of "Dogs In Canada" which contains this information. The meeting commences at 10 o'clock on Saturday morning, February 5th, in the Yellow Room of the King Edward Hotel. We hope to see you there.

A few weeks ago, Robert B. Laskey of St. John, N.B. sent a letter to the Board of Directors suggesting that an association be formed for those persons who had been active in the pure bred dog field over a long period of years. Mr. Laskey noted these loyal members have served not only the Canadian Kennel Club but also their local Clubs, working in many useful capacities and being responsible in no small measure for the promotion of the interests of pure bred dogs. Mr. Laskey has suggested that a suitable pin in the form of a maple leaf with the letters "C.K.C." on the leaf, encircled with a narrow band on which could be lettered "Continuous membership since -" be provided for those person who

join the association.

In 1948 when the writer was Managing Editor of Dogs In Canada, the Club celebrated its diamond jubilee and on that occasion recognition was given to those members who had been with the Club for twenty-five years or more. This subject will be before the members at the meeting on February 5th. Your comments, should you not be able to attend the meeting, if mailed will be presented to the members on that occasion.

The English National Field Trial Champion, 1951, Labrador Retriever, GREATFORD CHURCHFIELD JET, owned by Dr. A. D. McLachlin, of London, Ontario. "Jet", as she is more familiarly known, created quite a sensation when she first arrived in Canada shortly before Christmas, 1952. Escaping from her kennel 3 days after arrival, she was not seen or heard of for two months. During that time no one in the area had fed the dog yet when she was found in a vacated barn, she was in perfect condition, and two weeks later presented her owner with a litter of illegitimate puppies. "Jet" competed at the Canadian National Retriever Championship Stakes last fall and scored the highest of any Retriever owner by a Canadian.

An article appeared in a Toronto newspaper the week of February 13th which stated that an epidemic of what is thought to be distemper, is taking a heavy toll of the dog population in Labrador, on the eastern coast of Canada, and a further article told of some food poisoning which was apparently taking its toll of dogs on the western Canadian seaboard. Sometime ago an article appeared in "Dog World", Chicago, written by Mr. Will Judy, as follows:—

This food poisoning must be what is termed salmon poisoning. It's really fluke infestation, and locates in the dog's small intestines. It occurs only on the West coast-Washington, Oregon, California. The fluke develops in the kidneys and flesh of salmon and several other species of fish. Dogs eating this infested flesh, acquire the fluke. The symptoms are almost like distemper. Vomiting is persistent, followed by diarrhea. Recovery is rare-there is no cure. If an emetic, for instance apomorphine is given promptly, the disease may be bypassed. Keep the dog away from areas where raw salmon is procurable—that's only practical advice.

When doing research on the article "The Canadian Kennel Club" appearing in this issue, the writer was quite impressed at noting the names of editors who have taken care of Dogs In Canada through the years. Dallas Jones, who was editor in 1939, now holds a responsible position with the National Film Board at Ottawa; Mrs. Phyllis Robson, who took care of the

magazine during the war years, still carries on as editor of "Dog World". England, and an article by Miss Robson, taken from that magazine, appears elsewhere in this issue. Mrs. Mary Fix, successfully contested the office of Reeve for the Township of Toronto, and Mr. Ian MacIntosh who edited the magazine in the eighteen months ending 1953 is now an ace reporter for CBC-TV. He covered the dramatic interview with S./L Andy McKenzie when he stepped from the plane at Malton after his release from a Chinese prison camp. It is nice to know that we had such talented people on our magazine staff. We wish them luck in their chosen fields. As for myself, well you paid me the greatest compliment of all by electing me your President, such an honor does not come lightly and is deeply appreciated.

Latest reports of Canadian dogs at American shows:

At the Kerry Blue Terrier Club of America Specialty show held at Dallas, Texas, the Kerry Blue Terrier Ch. Tailteann Miss Gaiety bred and owned by Mrs. Eileen McEachren won Best of Breed over a record entry of kerry blues

At the recent all breed show in Cleveland, Ohio, Mrs. Betty Hyslop won best of breed and second in the terrier group with her home bred Cairn Terrier Ch. 2911. MESSAGE AND FLOWERS TO FRED C. HESSEL

The President reported that Mr. Fred C. Hessel, one of the original members of the Club, had suffered a severe heart attack a few days before the show held at London on November 27th, and suggested that a message on behalf of the Board be despatched to Mr. Hessel wishing him a speedy recovery. It was regularly moved by Mrs. Smith, seconded by Mr. MacCallum:

"THAT, a telegram be despatched to Mr. Hessel and flowers be sent."

FOR THE MOTION: Mrs. McEachren, Mr. Danieli-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan, and Mrs. Smith.

Mrs. Smith.

2912 (2840). FINANCIAL MATTERS

The President referred to the advertisement which appeared on the inside front cover of the November issue, featuring the then forthcoming championship show of the London Canine Association and Forest City Kennel Club, and suggested that the Board authorize that no charge be made for this advertisement in view of the fact that the show was to be held in aid of the C.K.C. Flood Relief Fund.

It was agreed that the Secretary would issue a receipted invoice to the London Canine Association and Forest City Kennel Club for the advertisement.

The President asked the Board to authorize the payment of travelling expenses of Mrs. Mack in attending the meeting of the Board held on November 23rd, and this meeting of the Board.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Smith:

th:
"THAT, the Secretary pay the travelling expenses of Mrs.
Mack to the meetings of the Board on November 23rd and
December 14th, 1954."
FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins,
Davies, Mr. MacCallum, Mrs. Smith, Mr. Monaghan,
ABSTAINED FROM VOTING: Mrs. Mack.

113. TRANSFERRING "RHODESIAN RIDGEBACK TO
GROLP TWO

2913. TRANSFERRING

2913. TRANSFERRING "RHODESIAN RIDGEBACK TO GROUP TWO

The Secretary read a letter from Denis and Ann King, Bowmanville, Ont. who proposed that the "Rhodesian Ridgeback" be transferred from Group 1 to Group 2 (in the Dog Show Rules), and stated the reasons given for their proposal were as follows:

(1) In their native South Africa these dogs are in the Hound Group; (2) The breed is about to be recognized by the American Kennel Club; (3) The breed will not retrieve; (4) The breed's characteristics and functions are those of a hound.

Following discussion it was regularly moved by Mrs. Smith, seconded by Mr. Daniell-Jenkins:

"THAT, we publicize in "Dogs in Canada" that the Board is considering transfer of the Rhodesian Ridgeback from Group 1 (Sporting) to Group 2 (Sporting—Hounds), and request those interested in this breed to express their views regarding this proposed transfer, the matter to be referred to the annual meeting of the Board for final decision with any letters received."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan, and Mrs. Smith.

Mrs. Smith.

Motion carried.

The Secretary was instructed to arrange for this notice to be published in the January issue of "Dogs in Canada."

2914. LETTER FROM ROBERT B. LASKEY
(RE CANADIAN OLD GUARD)

The Secretary read a letter from Robert B. Laskey, addressed to the Board of Directors, who recommended that arrangements be made, possibly through a button style pin, for the recognition of those dog fanclers who have been members of the Club continuously since 1930.

Following discussion, it was agreed that the matter be referred to the annual meeting of the Board for consideration, and in the meantime the Secretary would endeavour to prepare a list of all those with 25 years or more of continuous membership in the Club.

The Vice-President took the Chair in order that the President could participate in the discussion on the next subject.

2915 (2895). CANADIAN KENNEL CLUB RELIEF FUND
The President referred to previous discussion by the Board with regard to the setting up of a permanent relief fund and reported that the opinion of the Club's solicitors had been sought on a number of questions with regard to such a fund.

The Secretary read a letter from the Club's solicitors on this subject.

Following discussion, it was regularly moved by Mrs. McColl.

this subject.
Following discussion, it was regularly moved by Mrs. McColl,

seconded by Mr. Davies:

"THAT, the Board endorses the principle of setting up a charitable fund, and refers the matter, together with the solicitors' opinion, to the incoming Board of Directors."

FOR THE MOTION: Mrs. McColl, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan, and Mrs. Swith.

Motion carried.

Smith.

The President resumed the Chair.

2316 (2878). STUD BOOKS

The Secretary read a letter from the Director of Canadian National Live Stock Records who reported that work on the typing of the pedigree section of the 1953 stud book was nearly completed, and work on the remaining sections of the volume would begin in the near future.

The Secretary reported that the Canadian National Live Stock Records had submitted a statement showing an amount of \$914.12 due to them for preparation of copy costs for the 1953 volume to December 1st. It was agreed that payment of this account was a routine expenditure payment for which should be made in the regular way.

The Secretary reported that it was the practice in former years, when stud books were printed, to arrange for the annual statements to include a reserve for estimated stud book printing costs. He suggested that provision be made in the financial statements for 1954 for a reserve for the total estimated costs for the 1953 volume, using as a part of this reserve the amount of \$1.674.16 presently set aside for printing the 1948 volume.

Following discussion, it was regularly moved by Mr. Monaghan, seconded by Mrs. Smith:

"THAT, inclusive of the present reserve of \$1.674.16 we set reserve in the financial statements for 1954 an amount of \$3.000.000 as estimated costs in connection with the publication of the stud book for 1953."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan, and Mrs. Smith.

Motion carried.

Motion carried.

Mrs. Smith.

2917 (2884). LONG RANGE PLAN

The President reported that to date letters had been received from Mr. Irving, Mrs. Gove, and Mr. Monaghan in connection with the long range plan.

Following discussion, it was agreed that this subject be left over to the annual meeting of the Board.

2918 (2880). PENSION PLAN

At Mr. Monaghan's request this subject was left over for consideration of the Board following the luncheon recess.

2919 (2855). OFFICE AND ACCOUNTING SURVEYS

The President reported that Mr. M. J. Fitzgerald had conducted a survey of the Club's office on December 1st, 2nd, and 3rd, and copies of Mr. Fitzgerald's report of the survey had been delivered to her just before this meeting commenced.

It was agreed that consideration of the report be held over until after the luncheon recess, during which members of the Board would peruse the report received.

2920 (2707). STANDARD CERTIFICATES

The Secretary reported that following his discussion, in November, with a representative of International Business Machines, the Registration Committee had reviewed two outstanding problems in connection with the production of certificates of registration for dogs by the I.B.M. punch card system, these being the questions of how to best show color or colors and titles on certificates. The Secretary reported that in accordance with the Committee's wishes the entire Board had been asked to indicate their views on the Committee's recommendation that only titles granted by the Canadian Kennel Club be shown on certificates issued by the Club, and also the Board had been asked to indicate their views on whether or not an extra punch card should be utilized for the purpose of showing a statement of color or colors in the briefest form possible without resorting to the coding of color or colors.

Following discussion, it was regularly moved by Mrs. McCachren, seconded by Mrs. Mackalum, Mrs. Mack, Mr. Monaghan, and Mrs. Smith.

"THAT, only Canadan of the control of registration." of registration." FOR THE MOTION: Mrs. McEachren, Mr. Davies, Mr. Callum, Mrs. Mack, Mr. Monaghan, and Mrs. Smith.
AGAINST THE MOTION: Mr. Daniell-Jenkins.

Motion carried.

AGAINST THE MOTION: Mr. Danieli-Jenkins.

Motion carried.

The Secretary was instructed to advise the Canadian National Live Stock Records to be governed by the above-stated resolution.

In connection with the question of showing color or colors on certificates Mr. Monaghan stated that he was much in favour of an adequate but not superfluous color description appearing somewhere and somehow, largely for the benefit of those breeders who are interested in color research.

Following discussion, the question of showing a color description on certificates was left in the hands of the Registration Committee for further study and report.

2921 (2859). REGISTRATION OF DOGS IN BERMUDA
The Secretary read a letter from the Chief Registration
Officer of the Department of Agriculture who stated that the
Department was quite prepared to register dogs owned in
Bermuda, and while the Department had no jurisdiction in
that country under the Live Stock Pedigree Act, it was felt that
satisfactory arrangement could be worked out such as having
applicants become members of the Canadian Kennel Club and
therefore under the Club's disciplinary authority.
The President reported that Vice-President Mrs. McEachren
would be in Bermuda, in the near future, for a period of several
weeks, and suggested that before any final arrangements are
worked out with the Chief Registration Officer, that Mrs.
McEachren be authorized to interview authorities and any
interested breeders in Bermuda on behalf of the Board.

It was regularly moved by Mrs. Smith, seconded by Mrs.
Mack:

"THAT, Mrs. McEachren be appointed a Committee of one to interview authorities and any interested breeders."
FOR THE MOTION: Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan, and Mrs. Smith.
ABSTAINED FROM VOTING: Mrs. McEachren.

Motion carried.

Motion carried.

2922 (2900). DUTIES OF OBEDIENCE TRIAL REPRESENTATIVES AND FIELD TRIAL REPRESENTATIVES

The Secretary reported that all members of the Board had been provided with a copy of the report received from Dr. H. L. Watson, Chairman of the Field Trial Council, on the question of the duties of Field Trial Representatives, this report indicating that it was the recommendation of those Field Trial Representatives who responded to his appeal for their views on this subject that the duties of these representatives be as follows:

1. To elicit from Clubs, Associations and interested persons ideas and suggestions for the improvement of the fancy.

2. To have some voice in proposing amendments to the Field Trial Rules over and above the ordinary voice of a member.

3. To be given some authority to act at Field Trials in a strictly supervisory capacity with due conscideration to the authority of the provincial Director.

Mrs. Mack, Chairman of the Standing Committee on Obedience, reported that the Committee was of the opinion that the following should be the duties of the Obedience Trial Representatives:

1. To assist the local Director in every way possible in obedience matters.

tatives:

To assist the local Director in every way possible in obedience matters.

To attend as many trials as possible in their Province and assist and advise trial giving clubs if requested.

To report to the C.K.C., if they deem necessary, on the conditions concerning the trials, especially with regard to the rules and regulations for running an Obedience Trial under C.K.C. rules, excluding any comment or criticism of the judging. the judging.
It was regularly moved by Mr. Monaghan, seconded by Mr. Danlell-Jenkins:

"THAT, the report of the Obedience and Field Trial Chair-men as to duties of Representatives be received and acted upon, it being understood the duties as set forth in both reports be integrated, and proper identification cards be ordered and supplied to next year's Representatives early in the year." in the year."
FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan, and Mrs. Smith.

Motion carried.

2923 (2707). NUMBERING LITTER REGISTRATIONS

The Secretary reorted that at the annual meeting of the Board it had been decided that, beginning January 1st, 1955, all certificates of registration for litters would be numbered, and that on being advised of the Board's decision, the Live Stock Records had sought clarification as to the method of numbering litter certificates.

The Secretary read a letter from Mr. Irving, who recorded his opposition to numbering litter certificates, particularly if it would increase costs.

It was regularly moved by Mr. Monaghan, seconded by Mr. Danieli-Jenkins:

"THAT, the numbering of litters, commencing January 1, 1955, be numbered 55L1, 55L2, and so on, the year to be altered January 1st of each year commencing with No. 1."

FOR THE MOTION: Mrs. McEachren, Mr. Danieli-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan, and Mrs. Smith.

Motion carried.

2924 (2881). OBEDIENCE MATTERS Mrs. Mack placed before the Board a report of the Standing Committee on Obedience for 1954 with advice that a copy of this report had been forwarded to all Obedience Trial Representatives

Motion carried.

2925 (2899). DOGS FOR CIVIL DEFENSE

Mrs. Mack stated that it had been suggested that the Standing Committee on Obedience consider and bring in suggestions as to what people should do and that the dogs to be trained for defense purposes must either have their "Companion Dog" degree or equivalent training. Mrs. Mack expressed the view that any dog accepted for training for defense purposes should be one that has demonstrated that it is under control.

The matter was left over pending receipt of a report from Mr. McDougall.

2926 (2868). APPLICATIONS FOR MEMBERSHIP
The Secretary sought confirmation of the approval given applications for membership reported on lists No. 25 to No. 31 inclusive.

inclusive.

It was regularly moved by Mrs. Smith, seconded by Mr. Daniell-Jenkins:

"THAT, we confirm approval granted applications for membership on lists No. 25 to No. 31 inclusive reported to the Board of Directors."

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan, and Mrs. Smith.

2927 (2888) COMPOSITE PICTURE OF BOARD

The Secretary reported that only two members of the Board had responded to the request for suitable photograph to be used in making up a composite picture of the Board, and took the opportunity of seeking the co-operation of those who had not responded to the request (see Item No. 2888).

The President reported that a reliable painter, H. Darlington, the redecorating of the office, including materials, for woodwork.

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan, and Mrs. Smith.

2930 (2868). KENNEL NAMES

The Secretary reported that Mrs. Eva Ross, Fort William, Ont. (registered kennel name KENEVA) had submitted an objection to the application for registration of the kennel name KENOLA as submitted by Kenneth Jackson, New Norway, Alta. Following discussion, the Board agreed that there was sufficient difference between the two names to justify approval of Mr. Jackson's application, and the Secretary was instructed to proceed accordingly.

2931. PUBLICATION OF INFORMATION REGARDING IDENTIFICATION

Mr. Monaghan stated that throughout the current year approximately 950 new members had been admitted to the Club, and suggested that for the information of these and other members the January issue of "Dogs in Canada" would be an ideal medium to inform these people about tattooing as a means of identification.

The President stated that anyone desiring information on either or both of the accepted methods of identification could readily obtain full particulars by writing the Secretary.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Smith:

"THAT, the article on tattooing, published in the January, 1954, issue of "Dogs in Canada", be published in the January, 1955, issue."

FOR THE MOTION: Mr. Monaghan and Mrs. Smith.

AGAINST THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, and Mrs. Mack.

It was then regularly moved by Mrs. Mack, seconded by Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, as part of citicial business."

Motion carried.

AGAINST THE MOTION: Mr. Monaghan.

It was agreed that the interviewing of the most likely prospects for the post of Managing Editor would be done by the Publication Committee and the Secretary-Treasurer.

Mr. Monaghan suggested that in order to remove any possibility of misunderstanding, it be recorded that at the October meeting of the Board, the President had offered, and it was agreed, that in the event of Mr. McNeish submitting his resignation the President would help out with the magazine to the end of the current year.

2934 (2664). CHRISTMAS BONUSES

The President pointed out that it is customary for the Board at its last meeting before Christmas to decide what action will be taken with regard to Christmas bonuses for members of the staff. The President pointed out that there were four members of the permanent staff presently at work.

It was regularly moved by Mrs. McEachren, seconded by Mrs. Mack:

"THAT, the following Christmas bonuses be given as appreciation of services based on the length of service to the Club: Employees with more than two years' service to *receive \$15.00, those with more than one year but less than two years to receive \$15.00, the other permanent staff employees to receive \$15.00 each; the office caretaker to receive \$5.00, postman \$2.00, printer's messenger boy \$5.00.

FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan, and Mrs. Smith.

2935. NOTICE REGARDING MEMBERSHIP IN MAGAZINE Mrs. Mack stated that non-members of the Club seeing the Club's official organ could not find anything in the magazine regarding membership, and suggested that information in this connection should appear in each issue of the official organ. It was regularly moved by Mrs. Smith, seconded by Mrs. McEachers.

It was regularly moved by Mrs. Smith, seconded by Mrs. McEachren:
"THAT, information regarding membership in the Canadian Kennel Club be published in each issue of 'Dogs in Canada'."
FOR THE MOTION: Mrs. McEachren, Mr. Daniell-Jenkins, Mr. Davies, Mr. MacCallum, Mrs. Mack, Mr. Monaghan, and Mrs. Smith.

2937 (2906), SHOW AND TRIAL MATTERS

The Secretary reported that Mrs. Margaret Davies, Mrs. Jean M. Anthony and Fred Tremain, all of Ontario, had submitted applications for approval to judge obedience trials and sought direction of the Board in connection with the setting up of a Committee or Committees to examine these applicants in accordance with the existing procedure for approval of obedience trial judges. Following discussion, the Secretary was ordered to refer these applications to the first meeting of the new Board of Directors.

accordance with the existing procedure for approval of obedience trial judges. Following discussion, the Secretary was ordered to refer these applications to the first meeting of the new Board of Directors.

The Secretary reported that the Essex County Kennel Clubhad applied for permission to hold a championship show and obedience trial on March 27th, but their application had not been approved because of a prior application for that date received from the Windsor Kennel Club. He reorted that the Essex County Kennel Club, being unable to select another available Saturday in the spring, had sought special permission to hold a championship show on February 27th. Mrs. Smith pointed out that this application for date did not comply with the four months' time limit provided for in the dog show rules, but after discussion it was agreed that inasmuch as the original application submitted by the Essex County Club had complied with the four months' requirement, that the application of the Essex County Kennel Club for permission to hold a championship show and obedience trial on February 27th should be approved, conditional that the Essex County Kennel Club provides written assurance that its show and trial would be held in a building properly heated throughout the duration of the show and trial. The Secretary read a letter from the Canadian National Exhibition with regard to a number of protests which they had received at their shows in connection with the alleged failure of a number of exhibitors to bench their dogs in accordance with the Dog Show Rules, only one of these protests having been accompanied by the required protest fee. The Secretary was instructed to draw the attention of the Canadian National Exhibition to the requirements of the Dog Show Rules in connection with the bearing of protests submitted in accordance with the Dog Show Rules, and to also point out the provisions of the Dog Show Rules with regard to their right to refuse entries of exhibitors and handlers who persist in refusing comply with instr

nection with the benching of dogs as required by the Dog Show Rules.

The Secretary read a letter from Mr. Irving who reported that the Western Canada Boxer Club was making plans for a specialty show and were considering the holding of a puppy match for puppies of not less than two months of age. The Secretary stated that Mr. Irving desired a ruling on whether or not the Western Canada Boxer Club would be permitted to hold a puppy match in the same location as the specialty show, either before or after the specialty show was judged.

Following discussion, it was agreed that it would be permissible to hold such a puppy match after the specialty show was completed, but puppies under six months of age must not be in the building, where the specialty show is the did uring the specialty show.

be in the building, where the specialty show is held, during the specialty show,

2938. MINUTES TO NEW MEMBERS OF THE BOARD

Mr. Monaghan suggested, and it was agreed, that the Secretary would provide, for their confidential information, each newly elected member of the Board of Directors for 1955 with a copy of the minutes of this meeting of the Board.

2939. APPOINTMENT OF REPRESENTATIVES AT ANNUAL MEETING OF BOARD

Mr. Monaghan suggested that in order that the appointment of representatives and committees may be completed at the annual meeting of the Board, that the Secretary:

(1) Write all provincial Directors asking that they be prepared to nominate the personnel of their Provincial Committees at the annual meeting of the Board;

(2) Write all clubs holding obedience trials and field trials in Ontario asking that they submit their recommendations with regard to appointment of Obedience Trial and Field Trial Representatives before January 25th;

(3) Write all provincial Directors suggesting that they seek the recommendations of clubs holding field trials and obedience trials in their zones in order that appointment of Field Trial Representatives and Obedience Trial Representatives may be made at the annual meeting of the Board.

This suggestion was approved.

2940 (2919). OFFICE SURVEY AND ACCOUNTING SURVEY Following discussion it was agreed that the Secretary would forward to all present members of the Board and to newly elected members of the Board, for their confidential information, a copy of the reports received from Mr. Fitzgerald and the auditors.

Mr. MacCallum stated that it should be noted that the

elected members of the Board, for their confidential information, a copy of the reports received from Mr. Fitzgerald and the auditors.

Mr. MacCallum stated that it should be noted that the President is not a member of the staff, as indicated in the office survey report, but had simply offered to assist with the magazine pending other arrangements being completed.

The Secretary was instructed to convey to Mr. Murray the Board's appreciation for the time and trouble taken by Mr. Fitzgerald in his survey of the office and the preparation of his report.

his report.

2941 (2918). PENSION PLAN

Mr. Monaghan, Chairman of the Pension Plan Committee, reported that Mr. J. J. Farmer, appointed by the Board as a member of the Committee, had declined to sit on the Committee on the grounds that he (Mr. Farmer) was employed by one of the several insurance companies from whom pension plan proposals had been solicited and received. Mr. Monaghan reported that Mr. Rodney Hull had agreed to sit on the Committee.

Mr. Monaghan proceeded to explain the several pension or trust plans available when the President suggested that the Chairman of the Committee prepare a written report to be

studied by members of the Board and considered at the Board's annual meeting.

annual meeting.

2943. ADJOURNMENT

The President thanked the Board for their kind consideration throughout the year. The Vice-President expressed her appreciation for the President's leadership throughout the year and stated that those who sat on the Board for the first time learned much of the difficulties in administering the Club's affairs. The Board concurred with the Vice-President's observations and gave a standing vote of thanks to the President.

At 6.00 p.m., on motion by Mr. MacCallum, duly seconded and carried, this meeting of the Board of Directors adjourned.

The ANNUAL GENERAL MEETING

of

THE CANADIAN KENNEL CLUB INC.

will be held in the

Yellow Room, King Edward Hotel,

TORONTO, ONTARIO

on Saturday, February 5th, 1955

commencing at 10.00 a.m.

Only those who were members in good standing on August 5th, 1954, and who have paid their 1955 membership fees may attend and vote at this meeting.

Attention is drawn to the following section of the Club's By-laws:

Section 6, of Article VIII, MEETING OF MEMBERS, reads:

"All ordinary members who had been members six months prior to the date of the General Meeting and who are members in good standing at the date of such general meeting shall be entitled to attend and vote at such meeting and in the case of a partnership or company only the authorized representative may attend and vote."

An unusually large attendance of members is expected, and those members who are eligible to attend and do attend the meeting will expedite their entry into the meeting by having available the receipt issued to them by the Canadian National Live Stock Records acknowledging payment of their 1954 membership fee, also receipt for their 1955 fee if paid before the meeting. 1955 membership fees will be accepted at the meeting.

The President, Officers, Directors and Members, The Canadian Kennel Club Incorporated, 667 Yonge Street, Toronto 5, Ontario.

We have audited the accounts of The Canadian Kennel Club, Incoprorated, for the year ended 31st December, 1954, and submit herewith Statements and Schedules as follows:

The distribution of revenue and expenditures to the subsidiary departments and the statistical data contained in Schedules 4 and 5 are shown in accordance with the information supplied by the Secretary-Treasurer.

During the year under review, the President did not receive any remuneration for services rendered the Club, other than travel-

ling expenses as listed in Schedule 2.

We report that subject to the above, in our opinion, the accompanying Balance Sheet and related Statements of Revenue and Expenditures present fairly the financial position of the Club as at 31st December, 1954, and the results of its operations for the year ended on that date.

Respectfully submitted, Craig, Norman & Co., Chartered Accountants.

(Explanatory notes: Commencing in 1951 adjustments were made in the rates on which the Club was charged with certain items. For example, in 1950 and previous years the Club was charged one full operational item for each Secretary's transfer notice (4,410 in 1950) but the operational item charge on these notices was decreased to 1/4 item in 1951, and further decreased to 1/6 item in 1953. In 1951 the actual number of these notices totalled 3,644 (4x911) and in 1953 3,222 (6x537). The items designated (1) were charged at 1/2 item; those designated (2) were charged at 1/6 item.)

The Standard Poodle

Obedience Trial Champion

Can. U.D.T., PETITCOTE BECKY Am. C.D.X., T.D.

Owned by MRS. ALEX CASGRAIN

7 Hudson Avenue

Westmount, Que.

"Becky" completed her Am. C.D.X. in July, her Can, Utility and Tracking in October, 1954, and passed her Amer. Tracking Test three weeks later at Concord, Mass. One of only three International Tracking Dogs on the continent, Becky is a very steady tracker and works gaily and with confidence. In 1953 she had a litter of nine lovely black puppies sired by the Swiss Poodle, Santo-Labory of Carillon. Eight are already receiving Obedience Training, the star being Blanche Saunders' Robin Hill of Carillon, C.D. who won five Novice B classes, her lowest score 195, highest 199½. Becky was five years old on January 5th, 1955.

Petitcote Becky

The Wirehaired Pointing Griffon

GYPSY D'ARGENT C.D.-C.D.X.

Owned by MR. GUY RADENAC

4311 W. 14th Street

Vancouver 14. B.C.

Sired by Beaucoup D'Argent, one of the best studs in the Western United States out of Fanne Nimrodska Dora, imported from Yugoslavia. Her progenitor was the famous Siegried v.d. Kreuzeuche, three times International champion.

Obedience Title Winner 1954

Gypsy got her C.D. on February 5th, 1954, and the same year at the age of twenty months at Greater Victoria Dog Obedience Training Club her C.D.X. on June 5th, 1954. Gypsy got 199 points in the C.D.X. trial which was the highest score in her group, as well as in the whole trial.

GYPSEY D'ARGENT

The Wirehaired Pointing Griffon

FANNE NIMRODSKA DORA C.D.

Owned by MRS. N. SCHAEFFER

c/o The French Consulate

850 W. Hastings Street

Vancouver, B.C.

Sired by Reks, Yugoslav registered, out of Beki Yugoslav registered. Her progenitors: Dam Frimma Rodan, Sire Nicky Greistadt, both from Germany — outstanding hunting dogs — winners in field trials. Fanne Nimrodska Dora got her C.D. on April 2nd, 1954 and has obtained in Greater Victoria Dog Obedience Training Club 197 points in her C.D.X. trial—2nd prize, the first being awarded to her daughter Gypsy D'Argent.

The German Shepherd

MAIDA DONNA of DORNWALD C. D.

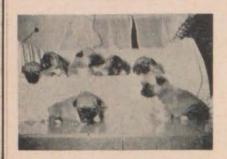

Owned and trained by Fred Schwalk

19124 Cameron Avenue

Detroit 2, Mich.

Maida won her Canadian C.D. title in three straight shows, with scores of 199, 190, 200, twice highest scoring dog in trial. Her American C.D. title was also won in three straight shows, with an average of 198.3. Within six months and at the age of twenty-one months she completed her novice career. She competed in twelve American Obedience trials, winning first place eleven times and placing fourth with a score of 198 points. She received three perfect scores of 200 points and nine times highest scoring dog in trial. Her novice average score in twelve trials is 199 points out of a possible 200.

Can. and Am. Ch. Primrosepatch Honey Gold: Red female, imported from England. With three other red dogs she has won Best Team in Show six times, at Oshawa, Toronto, Ladies Kennel Club Ottawa and Hull. With our Am. Ch. Primrosepatch Serena (6 Canadian points) she has won six Best Brace in Show.

Can. and Am. Ch. Primrosepatch Tinyteckle: Black and Tan male, litter brother to Honey Gold. An English import who has sired many litters on both sides of the Atlantic.

Can. and Am. Ch. Primrose Fairy Bell: Black and Tan female, imported from England. Now in whelp to:

Can. and Am. Ch. Primrosepatch Laurel: Golden red male, imported from England. He has sired several outstanding litters, and was one of the Team that was six times Best in Show.

COMING EVENTS

Three international all-breed dog shows, expected to attract the blue-bloods of dogdom throughout this continent, will be held in conjunction with the 1955 Canadian National Sportsmen's Show, which will get underway in the Coliseum, Toronto, on March 11 and continue through for eight days.

One-day shows will be held on March 16 and again on March 17 and the two-day show will be held on March 18 and 19.

The Sportsmen's Show and the dog shows will be sponsored by the Toronto Anglers' and Hunters' Association. They are of a public service nature and all profits derived from these activities will be devoted to the conservation of Canada's natural resources of forest, field and stream.

A lengthy list of prizes valued at approximately \$2,500 has been compiled and arranged by the committee in charge. This committee consists of H. V. P. Lewis, chairman, B. B. Lindsay, R. W. Kelly, J. H. Wharton, W. E. Corman, N. A. Cox, G. A. Hambly, L. M. Kelly, J. R. Kennedy, J. H. Crang, R. G. Ferguson, John Fleming, F. H. Kortright, W. A. Price, F. R. Richard-

son, Dr. Alan Secord, M. E. Wills and C. R. Wisener.

Hudson Kalloch of Hyannis, Mass., will act as superintendent of the three shows.

Some of the most outstanding judges on this continent will judge the entries in the various shows. Included in the list of judges are the following: Raymond H. Beale, Buffalo; Mrs. L. W. Bonney, Long Island, New York; T. H. Carruthers, 3rd, Glendale, Ohio; Mrs. Mary Cousins, Bridgeport, Conn.; Mrs. Alva McColl, Toronto; Louis J. Murr, Spring Valley, N.Y.; Edwin Myers, Ardenhill, Pa.; Edward O'Brien, Canfield, Ontario; Walter H. Reeves, Clarkson, Ontario; Mrs. Edward P. Renner, Lakeville, Conn.; Mervin H. Rosenbaum, San Francisco; Alan A. Sharp, Westmount, Quebec; Miss Kathleen Staples, Long Island, N.Y.; Mrs. E. Alban Sturdee, Toronto; and Henry D. Israel, Dayton, Ohio.

A number of specialty shows will be held in conjunction with these three dog shows.

The 2,537 dogs of 105 breeds or varieties entered for competition in the 79th dog show of the Westminster Kennel Club, to be held in Madison Square Garden, New York, Feb. 14 and 15 come from 37 states, the District of

Columbia, two Canadian provinces, and Venezuela.

Each of the dogs, with the exception of puppies, has won a blue ribbon or higher award at a previous United States or Canadian dog show; the coming event is, therefore, truly America's canine classic.

The largest entry, as might be expected, comes from New York with 811, but the four corners of the country are represented by dogs owned in Maine, Florida, Texas and California, as well as Washington.

New Jersey owners are sending 401 dogs, and there are 249 from Pennsylvania, 187 from Connecticut, 182 from Massachusetts and 151 from Ohio.

Canada is represented by 67 exhibits and there are two from Venezuela. Other entries come from Alabama, Arizona, Arkansas, Colorado, Delaware, Georgia, Illinois (58), Indiana, Iowa, Kansas, Kentucky, Louisiana, Maryland (67), Michigan (46), Minnesota, Mississippi, Missouri, Nebraska, New Hampshire, Rhode Island, Tennessee, Vermont, Virginia (64), West Virginia and Wisconsin.

The entry is limited by the capacity of Madison Square Garden which cannot comfortably accommodate many more than 2,500 dogs. This year the entries were closed with 2,537 entries; 507 dogs were declined because of late arrival of the entry.

This Champion Gets Her Extra Vitamins and Minerals from PERVINAL

Ch. Miss Show Off of Cognewaugh Best in Terrier Group, Westminster, 1954 Owned by Mrs. M. Eileen McEachren Todmorden, Ontario

why your dogs need

PERVINA

all these essential vitamins and minerals are combined in Pervinal, a single, balanced-for-dogs formula.

PERVINAL may give that extra nutritional impetus that builds better developed, stronger dogs

- · full, glossy coat
- good digestion and elimination
- sound teeth and bones
- · clean skin, clear eyes
- normal growth and reproductive function
- · better nerve and muscular coordination

are often the rewards of good nutrition in the dog, when impairment is due to prolonged deficiencies.

Not a dog food, but a specially balancedfor-dogs vitamin-mineral formula. No fuss, no mess, just add once daily to food of growing pups, full-grown dogs and pregnant and nursing bitches.

Helen Rosemont, 2nd **Editor of Western** Kennel World writes:

Comes now a wee sma' voice (not calculated to be received happily in some quarters, I'll be the first to admit): There should be some "relief" to the owner of a bitch who comes in season and cannot be shown in the Obedience classes. There is a great deal of "paper work" attached to an entry between the time of its receipt by the club and the day of the show, and I don't figure the entry should be a total loss to the club . . . neither do I feel the owner of the bitch should have a total loss. Could not the loss be opportioned-say 50-50?

As it is, many owners of bitches hold back their entries when the time draws near for the usual cycle. Since the little ladies do not all work on such tight schedules, not one club but several miss out, because of the owner's natural reluctance to throw five or more bucks down a rat-hole.

After all, a truly obedient male should go on his obedient way, irrespective of "Kennel No. 5" in the immediate vicinity. Also, any entrant is just as likely to have a kennel mate at home "in full bloom" that would upset the applecart just as readily as the one hors de combat. And while still pursuing the subject with my usual persistence: Why could not the gals "in love" be run off in a separate ring? At every show there are many present who'd be willing to have their dogs act as "stand-in" for obedience testing atmosphere required in the sits and downs, etcet.

OK. Now I've said it-WHAT DO YOU THINK?

With the Fancy in Great Britain

(Continued from page 8)

a great triumph as the entry was 3,860 in 472 classes compared with 2,446 in 417 classes last year. Even allowing for the extra number of classes, this was an increase of nearly 50 per cent in the entry; no doubt this was owing to the bold venture of reducing the entry fee for each dog to 7s. 6d. after the first class and also owing to the fact that exhibitors were allowed to leave the show at 4.30 p.m.; far earlier than is usual at championship shows. Windsor was the fourth show of the post-war series and quite the most successful from every standpoint. The entry of 4,959 was made by 2,669 dogs and was 900 more than in 1953 and had an average entry of 9.44 per class, and the show resulted in a profit of over £700. Leicester had an entry of 4,500, a record, and 200 up. At Bournemouth there were 2,101 entries in the 314 classes, which was 150 up on last year. Birmingham's September show had 4,474 entries made up by 2,268 dogs, which was 604 up with 195 more dogs. Cardiff, the only Welsh championship show, had an entry of 2,400; Brighton had 2,914 entries, an increase of 600 up on last year and 400 more dogs. The Scottish K.C., held at Edinburgh this year, had 3,080 entries in 449 classes, and it is worthy of note that this entry was maintained this year although there had been a cut of 100 in the classification.

Belfast, the only Northern Ireland championship show, had an entry of 1,631 in 257 classes with 858 dogs, an increase of nearly 100 dogs over last year, and the Richmond show, which moved to Olypmia in October, received 500 more entries than last year with 220 more dogs, and the entry was 4,660 with 2,480 dogs. Birmingham National show, held on the 29th and 30th October, had an entry of 4,873 with 2,627 dogs, 285 more than last year and 71 more dogs.

The final big championship show of the year was the Ladies' Kennel Association show held at Olympia on 3rd November, when there was an entry of 5,700, made by 3,085 dogs in 789 classes and where 92 breeds were scheduled to be judged in one day by 70 judges-truly a gigantic task.

Last year was a record for exports as a total of 2,812 dogs were sold overseas compared with 2,365 in 1952, and the four breeds which had the highest totals were Miniature Poodles 614, Cocker Spaniels 192, Pekingese 180, and Boxers 126. The total number of dogs exported to U.S.A. was 1,462 and next came Canada with 221. The Kennel Club Liaison Council is a real liaison between the Kennel Club and the dog breeder and exhibitor and has done much valuable work, and two representatives were appointed to visit the Kennel Club and review the question of the allocation of show dates, as the Committee fully appreciated that some societies are put to considerable inconvenience when one or more of the dates for which they applied are refused, but this is the natural result of the strict control of dates where some 2,000 shows have to be arranged in a year and the great majority request Saturday dates. Capt. Renwick and Mr. A. J. Edwards were appointed to be the two representatives to visit the K.C. and review this question. The Chairman of the Council has resigned his position (Mr. G. Trueman Hewitt, J.P.) as he has been appointed on the Kennel Club Committee and his place has been taken by Mr. A. J. "Yowin" Edwards.

There is quite a lot of controversy going around as to whether we should revert to Sunday shows as was done during the war, and I hear lots of opinions for and against. I would suggest there is nothing against. would suggest there is nothing against shows held on Sunday so long as they are held in the afternoon, as this gives the people who wish to go to church the opportunity to do so. This is a free country, and no one needs to go to a dogshow if he does not want to, but there are lots of people who are busy all during the week and Sunday is their only free day. There are many Sunday shows in America which get good gates.

Another controversy I hear is why are women not allowed to be members of the Kennel Club and sit on the committees. It was told that women exhibitors today comprise some 70 to 80 per cent of the exhibitors—on this subject I will not enter into the

question. At the Liaison Council meeting Dr. Esther Rickards registered a strong protest against the ruling that only men could be elected as delegates to the K.C. Committee. This was seconded by Mrs. Creasy.

Just as Cruft's show was cancelled. American dogdom suffered a great loss in the cancellation of the great Morris and Essex show run by Mrs. Rockefeller Dodge. This is the most spectatcular show in the world. There was a mix up over dates, but happily the show will be held in 1955.

The pure-bred dog continues to increase in popularity. According to the present trend, there should be an increase of about 5 per cent in the number of individual dogs registered with the A.K.C. This should place 1954 at close to 335,000, compared with an actual 318,838 for 1953. Of the individual breeds, Boxers and Chihuahuas are moving ahead fast. The first ten in popularity should be: Beagles, Boxers (third last year), Cocker Spaniels (American), Chihuahuas (sixth last year), Dachshunds, Collies, German Shepherd Dogs, Boston Terriers, Pekingese and Poodles.

APPLICATIONS FOR REGISTRATION OF KENNEL NAMES

The Editor's Mailbag

Dear Sir:

I have read with much interest the January issue which features English Cockers. We all appreciate this recognition given our breed and hope that this will become an annual event.

Two of your contributors have, I fear, become unduly alarmed over the possibility of change in the standard in this country which would give sanction to much larger dogs. The article which causes this alarm appeared in the American Kennel Gazette a few months ago, and repeated a committee report of the English Cocker Spaniel Club of America which was drawn up several years ago. This was a report which was never acted upon by the club at that time. It is highly unlikely that it would be passed by the current club either, insofar as it was written at that time.

It is generally recognized, I am sure, that on this side of the Atlantic, our English Cockers are somewhat larger than in England and that they are not penalized thereby. However, there is no great gulf in respect to size, nor is there any intention to create one.

The English Cocker Spaniel Club of America, Inc., has this year instituted a committee to make a fresh appraisal of the advisability of adding an "ideal height" specification to its breed standard, to be treated with same emphasis as the present weight specifications. No change in the weight specifications is being considered. These are, and will continue to be, 28-34 lbs. for males and 26-32 lbs. for females. The purpose is to further standardize our breed; no drastic changes will ensue.

Incidentally, our club has this year embarked upon a very aggressive program to popularize the breed and to actively fulfill a number of other breed club functions which have been rather neglected in past years. We welcome new members from Canada who are interested in joining us in our enterprising new program. Those interested in joining are invited to write the Membership Chairman, Mrs. J. A. Ritchie, Sky Ridge Kennels, Hawleyville, Connecticut.

Sincerely yours, JERREMS C. HART, President, English Cocker Spaniel Club of America, Inc.

MERRYWAY COCKERS

Just to let you know we arrived last November 28th (one red and white boy and three black and white girls). You'll have heard of our Sire (Amer.) CH. DUN MAR'S DAPPER DAN, and can see his picture in December "Cocker Spaniel Visitor"—he's really tops. Our Dam, CH. MERRYWAY MISCHIEF is pretty nice too. We're not so bad either—watch for us.

Miss Kestevan Balshaw, Merryway Kennels, Kleinburg, Ont.

What's in Bob Martin's

Condition
Tablets
and why?

It's all simply a matter of nourishment. Bob Martin's Condition Tablets contain a high concentration of vitamins necessary for a dog's diet. More exactly, they contain vitamins A, B₁, B₂ and D. Now what does this mean?

These vitamins are essential to every breed of dog. Without a sufficient regular supply of them no puppy can grow to full size, nor can any dog enjoy normal health.

Great advances in our knowledge of animal nutrition have been made in recent years. The formula of Bob Martin's embodies the results of modern research carried on in universities and institutions all over the world.

It may now be said that a tablet of Bob Martin's incorporates the average daily requirements for dogs of vitamins B₁, B₂ and D. But that is not all. They also contain dried whole liver which is rich in a complex array of nutrients proteins, minerals and quantities of all the vitamins in the wide B group.

Thus Bob Martin's protect dogs against deficiencies in vital food values and remedy the harm these deficiencies may cause.

Each tablet is produced under conditions of strict laboratory control. Special care in packaging and the use of protective wrappings keep Bob Martin's at the full strength declared on the label whatever the climate.

W ITH 1954 now ended, it is time to pause briefly and review Club activities during the past 12 months. It has proven to be one of the busiest years on record. Four All-Breed Championship Shows were staged, two in May and two in August. Obedience Training Classes were started in February and a Junior Kennel Club formed in November. Several long time members were presented with Life Memberships at a dinner in their honor in June. Two dances and a Rummage Sale rounded out the major activities for the year.

Now it is time to look ahead. With the new Executive elected at the Annual Meeting in December, another progressive year is anticipated. Officers elected are as follows: President, Mr. T. A. Quilley; 1st Vice-President, Mr. M. J. Coleman: 2nd Vice-President, Mrs. H. M. Rankin; Treasurer, Mrs. M. Jacob; Secretary, Mr. E. Staniforth; Past President, Mr. J. Kilgannon: Executive Committee, Mrs. J. Crawshaw, Messrs. Geo. and W. Frost, Mr. W. A. Jacob, Mrs. G. B. Kilgannon and Mrs. V. Staniforth.

It is with sincere regret that we report the death of Mr. Charles Batten, Mr. Batten was a member of this Club for many years and was a well known breeder of Welsh Corgis and American Cockers. The sympathy of all Club members is extended to Mrs. Batten and Jessie.

Woodward by acclamation; Publicity, Miss Kay Laughy by acclamation; Membership, Mrs. Elsie Murray; Secretary, Mrs. Elsie Murray by acclamation.

Two turkeys were raffled off with the first one being won by Mr. J. Wagner, Mrs. Vallburg won second and Mrs. Woodward won the third prize. Refreshments were later

served.

New Brunswick Kennel Club Notes and News Saint John, N.B.

BY ROBERT B. LASKEY

THE members of the New Bruns-wick Kennel Club appreciated the services of its chief officers of the past year and re-elected them for 1955. Honorary President, Lt.-Gov. D. Laurence MacLaren; Honorary Member, Joseph W. Cameron; President, Gerald G. McCarthy; First Vice-President, Norman Mehlenbacher; Second Vice-President, J. Gerard Cavanaugh; Treasurer, H. Reginald Truesdale; Secretary, Robert B. Laskey; Executive members, Wm. F. Kiervan, G. Bart Taylor, Pat Kiley, Alex. Johnston, Mrs. C. Banks. During December we were informed that one of our energetic members of various committees was to leave the city. It is Gregory C. Collins who is being posted to a Montreal military area. He is a gun inspector. Gregory Collins was a keen gundog enthusiast, owner of some excellent dual-purpose German Shorthair Pointers of which he bred several champions. mention of Pointers is a reminder of other days of other Pointers, the English variety. They were one of our most popular sporting breeds in New Brunswick. It is no vain boast to say that there were more winners and champion Pointers bred and owned in Saint John thirty odd years ago than anywhere in Canada. We had such successful breeders and owners as James Laidlaw, Dr. Hazelwood, the Orr Brothers and Keltie Wilson. All the sporting breeds then had keen competition. It took a top level, bang-up dog of any other variety to win over the sporting group or defeat even such good Pointers as Ross's Ch. Betty, Keltie Wilson's Ch. Jenny Lind and his Ch. Ridgeway Gamefeather. Each of these were supreme for Best in Show Winners and many times best sporting dog at various shows. English and Irish

With at least seven all breed and two sporting (cocker and beagle) clubs in these provinces, ours is most active. We know we can draw entries and with Canadian judges. The last New Brunswick circuit proved that, for we had the largest entries of any New Brunswick five show circuits. But that was last year and our prospects are even now brighter for '55. This year is full of opportunities. In New Brunswick we have new breeders and new breeds who are willing to support our efforts for better if not bigger shows this

We are fortunate indeed having for new Maritime Director, Sam Kominsky, Halifax, a terrier breeder and active club member. He began his show career with the New Brunswick Kennel Club, there his first show entry was an Airedale. Since then he has bred and shown mnay winning Wire Fox Terriers and Kerry Blues. During the many years between dogs and shows his interest never waned. Such experience will be useful in serving these Provinces and the C.K.C.

At this time we regret to inform our readers of the indisposition of our former Director, judge and breeder, Mrs. P. A. Margeson, Kentville, N.S. She has been confined to her room for quite a few weeks. Let us hope with the continued rest and attentive care she will this summer season join us, if only briefly at some of our Maritime shows.

Boxer Club of Canada

(1) The Annual Christmas Party of the Boxer Club of Canada was held at the Bloor Hotel on Saturday, December 11th

Following cocktails, the party sat down to an excellent turkey dinner. After dinner, and a presentation to Mr. Reg Sparks, each guest present received an amusing gift from the Christmas tree.

The highlight of the evening's entertainment was a showing of several colour films by Mr. Harry McKendrick composed of their trip to England, a visit to Rainy-Lane Kennels, the Westminster Kennel Club Show and Boxerly's own dogs, and a re-showing of the film of the Club's Puppy Match of last June.

Everyone present had an extremely enjoyable evening, and the Entertainment Committee is to be heartily congratulated for a great job well done.

(2) The Boxer Club of Canada is holding its 8th Annual Specialty Show on March 18th-19th at the Sportsmen's All-Breed Show, Toronto.

The judge will be Mrs. Mary Cousins who has judged many of the top Boxer Shows in the U.S.A. With her husband, Mrs. Cousins managed the famous Mazelaine Kennels for some years and has been associated with many of the Greats of Boxerdom, including such

names as Utz, Dorian and Zazarac Brandy.

It is earnestly hoped that all Boxer fanciers will give this show their support, and avail themselves of the opportunity to see Mrs. Cousins in the judging ring.

The London Canine Association

The December meeting was held in the Club rooms with the President presiding. There was a good attendance. The main feature of the meeting was discussions on plans for 1955.

The Secretary reported on the Hurricane Relief Show which was a real success, which shows what can be achieved when a group of people put their shoulders to the wheel.

The wonderful co-operation of Mrs. McColl, Alva, members of the C.K.C. and the Dog Breeders will be a lasting memory of the London Clubs.

We are sorry to report that Mr. Fred Hassel is under the doctor's care, and hope to have him back soon.

The German Shepherd Dog Club of Canada

By MARY E. SOUTHCOTT

THE New Year has already commenced to grow up, and with it we have new members, new puppies, new ideas and renewed enthusiasm. By the time 1955 is out of the romper stage, the Show season will be in full swing and we will have the pleasure of seeing many old friends we have missed during the winter.

The first meeting of the new Board of Directors was held on January 4th, and at that time the Chairmen of the various committees were appointed. We tried to choose those most suited to properly carry out the duties of each committee, leaving the chairmen to appoint their own assistants from the membership. One change in the Executive took place, and Mrs. Margaret Davies will now have the job of looking after the Club funds and accounts. This will be nothing new to her, as she virtually took over the task last year when her husband Norman, our former Treasurer, found it necessary to be away from home on business.

Many constructive plans are in their nucleous for the benefit of the Breed, the Club and the membership, and we are looking forward to a year of greater accomplishment. Already we have started work on our two big annual Specialties—our 33rd Annual Specialty Championship Show and our 3rd successive Specialty Obedience Trial, both of which will be held in September, 1955.

Another new class in Obedience Training for all breeds of pure-bred dogs is scheduled to commence on Sunday evening, January 9th at 7.30

It is amazing how much enthusiasm has been displayed in obedience training by the owners of so many breeds of dogs, even though they may not care to compete for a title and want only a well-mannered pet. Forest City Kennel Club

THE Forest City Kennel Club held their Christmas party at the Seven Dwarfs Inn on December 7th. After an excellent turkey dinner, Mr. Astles, the Club's President, presented gifts from the Club to Miss Hilda Wells, Mrs. Burt Ziegler (who was absent) and Mrs. Alex Atkinson. Miss Wells is the Club's Social Convener and has done such an excellent and successful job with the running of the refreshment room at the Club's last two shows. Mrs. Ziegler has been Treasurer for the last year and Mrs. Atkinson Recording Secretary.

After this games were played and prizes won; then the quieter members settled down to cards while others danced.

At the January general meeting the Club chose April 16th as their Show date from the dates available sent by the Canadian Kennel Club. An interesting slate of judges was drawn up and the Club hopes to make this, their first Spring Show for 3 years, their most successful. Watch for further news.

English Springer Spaniel Club of Canada

By LILAH S. LYMBURNER

A T the annual meeting of the English Springer Spaniel Club of Canada held in December at the Garden Theatre Hotel the following officers were elected for 1955: Honorary President, Andrew Dunn; President, Henry P. Nicholson, St. Catharines; Vice-President, Morley Fisher, Toronto: Secretary-treasurer, Mrs. L. G. Lymburner, Port Colborne; Directors, Dr. David Scott, Agincourt; John Hewat and Miss Freda James, Toronto; Robert J. Walgate, Buffalo, N.Y.; Alex Cunningham, Port Credit; F. L. Lambert, Welland, and Edgar Langlois, Thorold.

An active and profitable year was reviewed by the President and Secretary and particular reference was made to the Championship Field Trials which had brought out the largest entry in eight years, including a number of im-

ported dogs.

Plans for 1955 were discussed and they will include a member field trial in April which will be held for young dogs and those not having had previous experience to a great extent. The trial is planned for the assistance of members in order that they may try out their dogs under field trial conditions. The specialty show will be held in June and the championship trials will be held in September, as usual. The Field Trials Committee includes the president and secretary along with Andrew Dunn, Dr. Scott and Edgar Langlois; John Hewat is chairman of the Trophies. The committee for the Specialty Show includes Mrs. L. G. Lymburner and Robert J. Walgate with Morley Fisher in charge of publicity and Mrs. Alex Cunningham, trophy chairman.

The Club decided to recognize the finishing of a dog's championship, either on the bench or in the field, with a trophy suitably engraved to be presented to the owners. Presentations will be made annually. The president and secretary were appointed to prepare information on the matter for discussion at the next meeting. Congratulations were extended to Andrew Dunn and Dr. A. Kuntz of Low, Quebec, upon the finishing of Field Trial Championships in the past year and to Mr. and Mrs. Robert J. Walgate for the recent top wins made in the U.S.A. by their Int. Ch. Walpride Flaming

The next meeting of the Club will be held in March at the home of the president and Mrs. Nicholson.

At the close of the meeting dinner was served to the members.

would donate a silver trophy to be awarded to the first member of our association owning a male German Shepherd dog, at present without any championship points, to reach its championship this year. Also the same award would be made to the owner of the first female achieving the same distinc-

Another innovation will be the presentation at the end of each year of a trophy to be awarded to the member owning the German Shepherd which has won the most "Best of Breeds" in the year. Anyone winning the trophy for three successive years, or five years at any time will win the trophy outright.

This will surely tend to provide some excellent competition among our members in their endeavours to become the

recipients of these trophies.

One of the highlights of our last meeting was a discussion at the close of the evening's business on the "do's" and "don'ts" in the care and welfare of German Shepherds. These discussions are to be a regular feature of our monthly meetings and it is anticipated that our members, particularly the "novice member," will derive some very helpful information from these informative discussions.

Our Past-President, Mr. George Taylor is to be congratulated on the fact that his "proud possession" Ch. Gleam of Volstar has been leased to Mrs. Marie Leary of Greenwich, Conn. Gleam was flown to Greenwich and George has been informed by Mrs. Leary, who is one of the outstanding judges of our day, that she has bred her to Ion of San Miguel. As far as is known, this is the first time that a Canadian dog has been leased to an American kennel.

Our annual banquet and dance is to be held at the Lounge and Auditorium of the Colonial Hall on Danforth Ave. on Friday, Jan. 28th. According to our Social Convener, Mrs. Doris Macklem, this year's banquet promises to be the best ever and our members and friends seem to be well assured of a really enjoyable evening.

The Irish Setter Club of Canada

DECEMBER saw our Annual Dinner and an enjoyable time was had by all. Speeches were kept to a minimum. Mr. K. Honsberger, President of the Club for 1955, spoke briefly on his plans for the ensuing year with the hope that we can expand to take in the three phases of our breed-namely. obedience work, field trials and bench exhibition. Some Club members have already had considerable success in obedience and from our first Field Trial it was evident great interest existed among some of the members for this phase of training.

Highlight of the evening was the presentation of the first Annual Awards given by the Club. These took the form of pewter steins suitably engraved.

CLUB NOTES Cont'd

Champion Dog Award went to Mrs. C. Fraser's Ch. Our Mr. Kelly and Champion Bitch Award, along with Best of Breed Award, went to Mrs. G. Drew's Ch. Wildair Celebrity. Mr. H. A. Klinck's Can. and Amer. Ch. Lucky of Orchard Farm received Best of Breed Award and as this dog is Canadian Bred, also received the leash with gold-plated fittings donated by Mr. and Mrs. W. Ionson. Most coveted award of the year—Breeder of the Year Award—went to Mr. H. A. Klinck of Roseland, Ontario.

At our last meeting, it was decided to hold our Specialty Show in conjunction with the Sportsmen's Show in Toronto, March 18-19 and it is certainly hoped that every available dog will be benched in order that this may be our best Specialty yet. Your support is earnestly solicited to contact any and all setter owners to help make this venture a success.

Dear Editor:

In the last copy of "Dogs in Canada", under Club Notes, in one of the write-ups it was stated that the Cocker Spaniel Club of Central Ontario was presumed to be the only Breed Club holding its own Specialty Show. This is a very far from the facts statement.

The Boston Terrier Club of Toronto, the oldest Breed Club in Canada, has never failed to hold its own Specialty Show every since the Club was formed, some time around 1915. While membership and entries have both become smaller as the years go by, the Club continues to put on a top Specialty Show, and will do it again this year, on Thanksgiving Day, this October.

Trusting that this correction will be made in the "Club Notes" column of your publication.

Bull Terriers, Staffordshire Terriers and Staffordshire Bull Terriers

By MR. and MRS. A. J. HORN of Moose Jaw, Sask.

A S we are, we believe, the only breeders of Staffordshire BULL Terriers in this country-please note the word Bull especially-we thought that we should make an answer to the article which appeared in the Deecmber issue of this magazine, under the title "What is a Bull Terrier". We would like to try and clear up the misunderstanding which appears to be prevalent amongst so many people in the dog world, even sometimes it would appear amongst the judges. Our dogs, which we own and breed, are the Staffordshire Bull Terriers bred for so many years in England, and these dogs have the deep though broad skull, very pronounced cheek muscles, distinct stop, and short foreface, and ears which, according to the Standard, are rose or half rose, and not large, full drop or prick to be penalized, and definitely not cropped. The weight of our dogs are-male 28-38 lbs. and female 24-34 lbs.; heights are-male 141/2"-16" and female 14"-151/2". Now according to the American Kennel Club Standard the Staffordshire Terrier, although the standard for the head is approximately the same, when it comes to the ears, they can be cropped and half rose or prick. The weight of the Staffordshire Terrier, according to the American Kennel Club, should be male 45-50 lbs. and female 35-45 lbs., and the heights are, male 18"-19" and female 17"-18" (all heights being taken at the shoulder), Thus you will see that the Staffordshire Terrier is a larger dog than the Staffordshire Bull Terrier, who must be of great strength for his size and appear to be "stocky". Perhaps you will think that these points are very little to make a great fuss about, but we do not think so, as we are trying to make our dogs known over here, and very few people have any conception of them whatever.

Now the Bull Terrier, as Mr. White stated, has the oval shaped head, with a Roman nose and small beady eyes, and no stop, and is again larger than the Staffordshire Bull Terrier.

We have written this article hoping that when our dogs are being shown people will be able to distinguish between the different dogs as mentioned above".

Red Princess, C. D.

Born July 21st, 1949, - Died Tuesday, January 18th, 1955

The Lady of Dalmally Reg'd.

The Lady of Dalmally Reg'd has found repose in the Heaven for Dogs and in our grief we cling to the hope that those of our canine friends who have already passed to the Great Beyond will find a place befitting this gallant little dog.

To "Cappy" we owe a debt that can never be repaid; she formed our introduction to Alva McColl the President, and our happy association with the Canadian Kennel Club and to Miss Bay Meyers who taught us how to train "Cappy" for the obedience and dog show rings.

We shall miss our Sable Corgi who gave us such a grand start in our love for the breed.

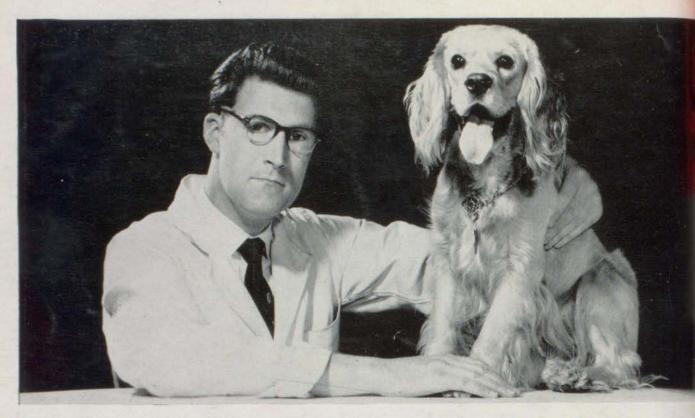

We would like to take this opportunity to tender our grateful thanks to Dr. Edith Williams, Dr. P. Reynolds and the staff of the hospital; to Dr. J. Archibald and the staff of the Ontario Veterinary College who took such a keen interest in our "Cappy", who suffered a rare blood condition. Through the skill of these good people our pet was kept alive painlessly for the past five years.

Loved by all who knew her, we hope that in the happy hunting ground "Cappy" now plays in, obedience will never be forgotten.

What is the answer to the need for a higher standard of dog nutrition?

HERE'S THE PROBLEM YOU FACE!

Dog breeders and veterinarians have long realized that commercial dog foods vary considerably in nourishment and palatability. Even in individual brands these factors may vary from feeding to feeding.

What could be done about it? Gaines Research Kennels instituted a long range project for the study of this problem. The expense was justified because they came up with a practical answer.

THIS IS GAINES ANSWER-HOMOGENIZED DOG MEAL

Gaines developed a special homogenization process which combines the ingredients of Gaines formula into *uniform*, appetizing granules. This uniformity of nourishment is

guaranteed in every package, every feeding, every mouthful! This is unique—Gaines Dog Meal is the only dog food you can buy which has this feature.

Each crunchy nugget of Gaines Dog Meal contains uniform amounts of every food element dogs are known to need. And this exclusive homogenization process makes it more readily absorbed, more palatable and easier to feed.

Homogenized Gaines Meal is our answer to the need for a higher standard of dog nutrition. It is an answer that has been endorsed by breeders and veterinarians whose recommendations have helped to make Gaines the largest-selling dog meal in the world.

We hope it is your answer, too.
