LETTERS

If you have any suggestions, any comments or constructive criticism to make concerning articles or other items contained in this magazine, or with regard to shows, your opinion of what is happening to various breeds with regard to size, colour, coat, etc., write a brief letter to the Editor. We must reserve the right, however, to edit same.

BLUE BEAGLES

. . . I would like some information about Beagle dogs. We had a litter of Beagle pups and five were blue and two were black (all with tan and white markings). Both the sire and dam were purebred. Could you tell me where this blue color originated? Both sire and dam are black blankets with white and tan markings.

MRS. D. WILSON

Merritton, Ont.

We have enquired of several noted breeders, among them Dr. R. N. Lawson, who states: "This was the fashionable Beagle marking up to around 1920. At that time the Milbrook Hounds started the craze for black blanket. There is no official hound colour, and to say that a hound is nicely marked, in the final analysis is a stupid expression, as it is a matter of personal taste.

"Many Beagles are red and white. I have only seen two or three in my life who have not had a white tip on the tail. Another colour occasionally encountered is a light grey, in which case it is termed merle. The colour of the hound has no bearing whatsover on its quality."—ED.

THANK YOU NOTE

. . . Following the serious accident which befell us, and even up to the present time, so many persons have either directly or indirectly, made expressions of sympathy and offers of help, that it would be next to impossible for us to individually thank them all. Through the medium of *Dogs in Canada* Faye and I wish to express our most sincere thanks for the many good wishes and offers of assistance which were extended our way. It has been another example of how, regardless of the many differences in ring, the "Doggy" people are all one when adversity strikes.

FAY-DON

Pickering, Ont.

. . . *Dogs in Canada* has improved steadily and, as a breeder, I find the many interesting articles helpful. Keep up the wonderful work.

MRS. BEV. MOREHEN

Highland Creek, Ont.

PAGING BASSET BREEDERS

. . . I was most interested in reading the inquiry about Basset Hounds in your May issue. I have just raised what I believe to be the first litter of Bassets in B.C., and have often wondered if there are many others raising this breed in Canada. Bassets are popular in the U.S.A. and could become so in Canada.

ROSEMARY OSSELTON
Victoria, B.C.

DIC would like to know of more breeders of Bassets. Please write.—Ed.

BASENJI BOUQUET

. . . I have had a tremendous number of good inquiries from Canadians since my advertisement and the article in Dogs in Canada. In fact have just shipped the first Basenji to the Prairies, with two more to follow. I am naturally delighted.

SHEILA ANDERSON
Glenairley Basenji Kennels,
Victoria, B.C.

WENTWORTH INVITES WOMEN

. . . We have enjoyed the privilege of using your Club Notes column in the past and hope you will favour us in the future. Here is something that may interest a great many couples who are interested in Beagles and Beagling. We, the Wentworth Beagle Club would like to announce that we are now accepting women members.

The way we figure it, the wives are the ones who feed and look after the dogs and could probably handle them as well as the men. We also think it would make for keener competition in our club as we have planned on having field trials quite frequently through the whole season.

We are having trophies for the best 13" and also 15" Beagle in the Club, winner to be determined by total points for the year. This will be a challenge trophy and anyone who wins it for three consecutive years may keep it.

The membership is $2.00 per year and is open to any beagler or any reader of *Dogs in Canada*. If you are too far away to be an active member you will be kept informed of Club Activities by mail. Membership cards will be sent upon receipt of fee.

PAUL J. OUELETTE
President,
Wentworth Beagle Club.
Dundas, Ont.

A step in the right direction!—Ed.

NEW ST. BERNARD OWNER

. . . I have recently acquired two Saint Bernard pups, which I intend to breed and to show. Since these are the first pure-bred dogs I have ever owned in Canada, I would like very much if you could give me some information.

I subscribe to your magazine and have found many very helpful hints in it. However, my breed is never mentioned in your magazine. Couldn't you have an article about it from time to time?

LILIANE MULKEWYTCH
Toronto, Ont.

For item on St. Bernards, see elsewhere in this magazine. And for article on your breed, this is scheduled for forthcoming issue.—Ed.

HOUSEBREAK YOUR DOG

CITY.....PROV.....

BUSINESS FOR BREEDERS

. . . Congratulations on your magazine. It gets more wonderful with each issue.

Could you give me the names of some breeders of Pomeranians and Keeshond dogs. I am interested in both breeds and have looked through some back issues of DOGS and cannot find any advertised. Am particularly interested in a white Pom, but understand they are very rare.

MRS. M. LOUGHEED.

Singhampton, Ont.

We too, have noted the lack, but have recommended breeders known to us. But there must be many more in Canada.—Ed.

CANDID COMMENTS

. . . I certainly appreciate the copy of your magazine and have answered the only advertisement for Rough Collies published therein. I am just going back into Rough Collies after a lapse of some 20 years and am rather out of touch with the breed.

Your magazine proves of special interest to me . . . it has a very good advertising section, but I dont' see how you get it out to the buying public.

Why not delete the long lists of prize winners . . . and substitute interesting pictures of dogs in action, dogs with children. . . . I happen to be what I think is a quite healthy bed patient and have lots of time to think. Yours for every success,

D. G. McLEAN

Kingsville, Ont.

The buying public is being reached on an increasingly larger scale through a growing list of newstands, pet shops, dog shows, veterinarians' waiting rooms and other promotion. The lists of winners are official Canadian Kennel Club reports and do reach avid readers. —Ed.

BEEF RING

. . . My big beef is that the Canadian Kennel Club as an organization "charges more the less you get". If you send in your membership early, you are charged $5.00, if you leave it a few months late you pay more. In short, $5.00 for 12 months, $6.00 for say 8 months. Isn't this arbitrary, if not ridiculous.

Another thing, how can *Dogs in Canada* claim to be an effective advertising medium with circulation restricted to those "prompt" souls who don't forget to send in their memberships on time. Until it is on the newsstands over all Canada — and in U.S.A. — and an active circulation campaign is conducted, it will fall short of what dog advertisers desire.

I do hope that the policy of shifting editors with the wind will stop and some officials will be retained in office long enough to bring about the necessary improvements to put *Dogs in Canada* over the top.

J. P. MacINNIS

Summerside, P.E.I.

Reader MacInnis need have no fear of further shifting of editors with or without wind. Nor is the circulation by any means limited to C.K.C. members, prompt or otherwise. An active campaign is already underway, and proper newstand circulation is being investigated. Virtually every mail brings new subscribers from Canada and the United States.

As for C.K.C. fees, the problem could be solved by the simple expedient of being on time.—Ed.

Shop Hound

New products, new foods, medicines, etc., will be described in this column. For further detail, prices, shipping, etc. write the company at the address shown. And be sure to mention the fact that you saw the item in DOGS IN CANADA Magazine.

Trick Treat

Dogs, like children, love treats. They particularly like variety, which is the reason for the six gay colours indicating six flavours contained in Ken-L Treats, one of the newest items made by Quaker Oats Co., Peterborough. Each shape denotes one of these treats: bone, milk, meal, cheese, fish or egg. Excellent to carry while travelling.

Frozen Foods

A great deal of interest is being shown in the frozen ground animal ration known as Jubilee. Mink ranchers have been using it for over 25 years, like what it does to coats, and the economy as well. For further information, write Canada Packers Ltd., 2200 St. Clair Avenue West, Toronto.

An Ounce of Prevention

Made of soft but durable leather, collars by Andrew O. Kiefer and Son, 301-18th Avenue, So., Belmar, N.J. come with heavy brass name plates with room for four lines of address. Especially good leads go with them. Better be safe than saddened.

Ball Point Comb

New on the market is the Ball Point Comb, a Groom Master applicator which literally combs the flea medicine or tonic "down under" where fleas or ticks thrive on the skin. The comb works on the ball point principle, with a reservoir at the top holding the supply of medication or tonic. No fluids escape and muss is averted. Made by Call Combs, 400 Sixth St., Sioux City 1, Iowa, and recommended as gifts and premiums.

Bacteria Battler

Zev, a remedy used for years by owners of horses and farm animals, has proven a boon to dog owners. The manufacturers, W. K. Buckley Ltd., Toronto, tell us Zev has cleared up stubborn coughs and colds and is a guard against distemper. Throat infections and other ailments created by bacteria seem to give way before this conditioner.

MEMO FROM THE EDITOR

You may save a dog's life . . . if you use one of the attractive red and white automobile safety labels which are available without charge from the National Dog Welfare Guild, 114 East 32nd Street, New York City. The labels bear the words, "Drive Carefully—Save Lives . . . Mine Too!" Signed, Fido.

A bouquet to the Wentworth Beagle Club, Dundas, Ont., which now makes a special point of inviting women members. As President Paul Ouellette points out—who feeds the dogs anyway?

Thinking about the readers of Canada's only dog magazine (many of whom are Americans) we reached the conclusion that there are four distinct groups: people owning one or two dogs, and those planning to do so; hunting and field trial enthusiasts; breeders and exhibitors; and members of The Canadian Kennel Club. Many individuals in any one group also fall into others. But to enable readers to quickly open the magazine to the section which interests them first, we have created the divisions marked by the black strips. Hope you'll like it.

Bulldogs and Samoyeds will be featured in the August issue of Dogs in Canada. Toys will get the spotlight in September. We're already at work on the Hunting Issue which falls in October, and will deal primarily with Sporting Dogs and Sporting Dogs (Hounds).

COVER

The Collie shown on the cover is one of the famous series of Canadian Champions painted for Calvert Distillers Limited by Artist June Renaud. Reproductions of this picture, suitable for framing, may be obtained on request from Calvert Distillers Limited, 1430 Peel Street, Montreal.

VACATION WITH PETS

CAN BE FUN

If you must leave your dog behind when you go vacationing, do one of two things, suggests Raymond J. Hanfield, executive secretary of the National Dog Welfare Guild. Leave him with some person whom he knows and trusts, and in whom you can place complete reliance. Or place him in a reliable boarding kennel until you return. Then, although he will miss you, you will know that his physical needs are attended to, and that he will be safe.

But, if you possibly can, take your dog with you on your vacation trip. He'll be happier sharing in your fun; and you'll be happier having his companionship.

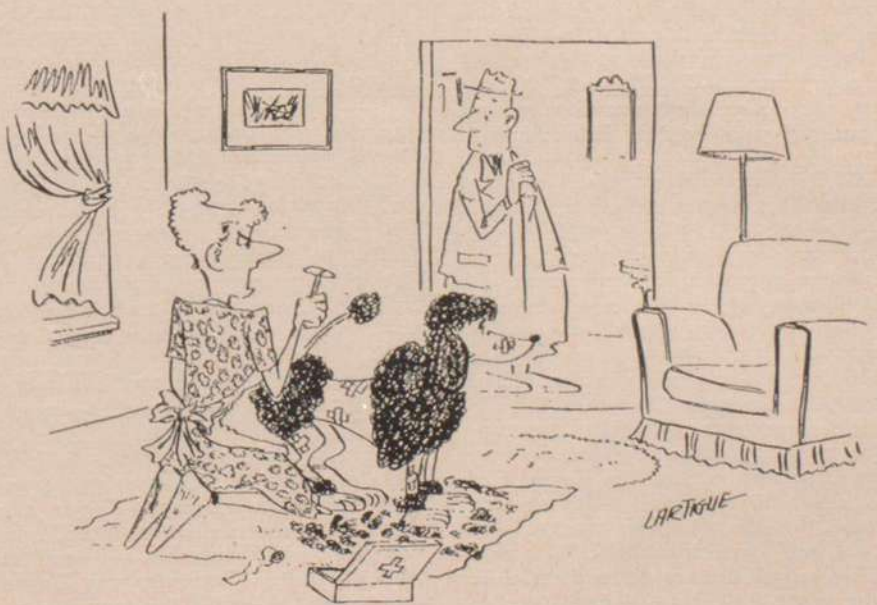
Unless the dog is an experienced traveler, withhold food and water for at least several hours before setting out. Should your dog be prone to car sickness, a veterinarian can provide any one of several good preparations. Take along your dog's collar and leash, his brush and comb, and most important, his feeding dish, and the blanket on which he sleeps. His favorite toy will help the tedium of the drive. Don't let your dog move from one seat to another, but train him to ride in one place. If you aren't sure he'll be quiet, it will be safest to fasten him securely on a leash to prevent him from leaping out the window. Don't let him bark out of car windows. Don't let him stick his head out the window. It is a dangerous practice. If he must be left alone in the car, be sure it is in the shade with one or two windows partly open. And remember that although the car may be in the shade when you park, it may be exposed to the sun an hour later.

Most resorts, motels, and an increasing number of hotels accept well behaved dog guests today. But to avoid trouble, it is well to check in advance to find out what restrictions, if any, apply to dogs in the spots in which one is vacationing. In travelling to the States it is well to find out what requirements are necessary in the way of rabies inoculations, veterinarian's certificates, etc. If you observe these rules, your dog will do you credit as a "member of your family", and all of you will have a wonderful vacation.

HOT WEATHER HINT

Whether at home or on vacation, here's a suggestion for days when regular food fails to appeal. Make up a fruit salad, and serve a half cup at a time. Neither cherries nor pineapple should be included. For grown dogs only.

Something to take puppies' minds off the heat is an ice cube to play with. Lots of fun and no harm to pet or furniture.



"And they call this a Safety Razor"

POODLE POPULARITY DANGEROUS?

by Mrs. Kenneth Ellis

The popularity of the Poodle is a wonderful thing to those of us who have loved everything it stands for. It is a feeling of achievement, a credit to the old breeders who have kept the soundness of the Poodle temperament to the fore in their breeding programme. To anyone who knows the breed there is nothing finer than the intelligence, gaiety, humour, sensitivity, loyalty and great love that the Poodle has to offer—a clown, yet exceedingly elegant and of great beauty. Then, please, can we retain this, and may we all, who best know the Poodle, endeavour to consider this popularity as we would a great gift and responsibility, and work harder in our appreciation to retain what can only be ruined by human failings and indiscriminate breeding. As soon as we lose sight of breeding for disposition (and I know how we all long to breed the perfect "conformation" poodle) what joy will be left in looking at a beautifully balanced animal that no longer reminds us of the Poodles we knew before their great popularity? Or worse, would we like to see their popularity lost forever by producing specimens which are nervous wrecks, unable to enjoy even their own lives, apart from having nothing to give the family chosen for them? The popularity of a breed is good only as long as that breed's breeders do not lose sight of **why** the breed became popular in the first place.

There have been many articles written with advice as to how to choose your new puppy, and it sometimes helps to have an idea in mind before you set out to look for him. Size may be decided by your living accommodation or just the fact that you prefer a large dog or a small dog. Colour is another factor — you have a choice of white, black, brown, silver and cream to apricot. There is another angle to think about. Do you want a Poodle purely as a pet companion, or might you like to show your pupyy or possibly breed from it?

If it is a pet companion Poodle you are seeking, you will find the breeder has placed the puppy in that category for a reason. The puppy may have illustrious parents and grandparents, but he is not what the breeder wants for his future breeding programme, and he does not wish such puppy to be used for breeding under any conditions. Sometimes these puppies, because of this fact, are sold without registration papers, or under an agreement such as the form prepared by the Canadian Kennel Club expressly for such sales. This does not mean that these puppies are not purebred, and if one is dealing with a reputable kennel, the breeder will explain to you where he faults this puppy and his reasons for selling him as a pet only. Choose your pet puppy with care as to his "disposition" but providing he is out of good stock, do not worry too much about his conformation faults. Naturally you will try and ensure that the puppy is healthy, will inquire as to whether or not worming may be necessary, and what distemper and hepititis shots have been or should be given by a veterinarian.

With respect to the Show Poodle or Breeding Stock, I would say they are in the same category, as one follows the other almost without fail. Top show type is good breeding quality, and to show a top Poodle and not want to breed from it, will not further the breed. You can not expect a show puppy from inferior breeding stock. When we get as interested in the breed as to get into this category, our duty lies in "betterment of the breed." I am not saying that you should not or will not thoroughly enjoy owning one show quality pet; but am now speaking of showing and breeding stock as such. It is a little more difficult to choose this puppy. You will want "everything" in what you are buying, but this is difficult to obtain. Enormous sums of money are paid for "near perfection" at times, so in choosing this puppy there is a lot to think about. Firstly, I suggest that you obtain a book written specifically on the Poodle by an authority on the breed and study it. Study the standard of the breed and study the pictures of winning dogs, and try to get an "eye" for one yourself. Secondly, I would spend some time at dog shows to further your "eye" for the breed, and pick up real information firsthand; for example, by studying consistent winners. Thirdly, when you see a litter of puppies, ask the breeder to help you. Go over the parents, if possible the grandparents, also progeny of the same breeding. You will see in them what possibilities your puppy may have. You will also see the disposition of the forebears and conformation faults are naturally more noticable in adults than in the puppy. Sometimes you will be disappointed because your puppy doesn't win in the ring. Now you will have to decide the reason. Is it your lack of knowledge, your puppy's inexperience in the ring, or perhaps the puppy isn't quite good enough. Time to study again the care of the Poodle and the grooming programme for the ring. This isn't very difficult, but you must learn to prepare your dog to the best advantage, utilizing reading, practice and advice. Do not hesitate to ask for guidance from those more experienced because if you are seriously interested in the breed, you will find qualified breeders and handlers willing to help. Then, with your Poodle well presented and more experienced, you may be "away."

If you are not happy about your dog's progress in the Show Ring the knowledge and experience gained will be invaluable to you in selecting a better prospect for the future.

So far we have dealt mainly with the temperament, elegance and beauty of the breed. It must not be overlooked that the Poodle is one of the most intelligent of breeds, and has proven a "natural" in the field of obedience trials. You will have a tremendous amount of pleasure and enjoyment in this sphere. I am not an authority on obedience, but there are some excellent training classes available, and several well written books on the subject. A list of Breed and Obedience books is available from the publisher of this magazine.

Good luck to the Poodle in his popularity. I have a strange feeling that a dog so human as the Poodle will know more about our human failings than we may think, and with his great intelligence and understanding, forgive our mistakes and guide us on the road which will bypass the misfortune which befell breeds of strong public favour and popularity in the past.

The Poodle has a long neck and he holds his HEAD HIGH!

The full story of the Poodle would require at least a book. Here is a brief outline of his background and appearance.—Ed.

First mention of the Poodle stems from northern Germany and Western Russia, where under the name of Pudel, it was noted as a sporting dog. Passage of time and success in shows, obedience rings and as a fashion plate have altered the general conception of the breed to the extent that it has been placed in the Non-Sporting Group in Show connotation, rather than in a sporting dog position.

Belgium and Holland knew the poodle as a valuable working dog. But in France this alert dog had an easier life, first as a fowling dog, then in the courts as a companion and circus dog.

In England, around the 17th century, a breed known as the water dog gave the birds a rough time and sportsmen the time of their lives. In 1636 the poodle became known as such, but eventually the identities of the dogs merged; the name water-dog disappeared, and Poodle remained.

Coat

Basically there is one kind of Poodle coat; profuse on top, with a woolly undercoat. The outer coat is of thick close

Portrait by Audrey McNaughton.

An American drove 500 miles round trip to have his Best In Show-winning Poodle given the once-over by Mrs. Kenneth Ellis. This is the expert we chose to answer our question, "Is the popularity of the Poodle a dangerous thing?" Her opinion appears on the opposite page.

curls or a steel wool wiry texture. If you were to let the coat grow for any length of time without brushing, it would eventually form thin mats which, as they grew would become a mass (or mess) of ropelike cords. And there you have the Corded Poodle. It is doubtful if you will ever see a Corded Poodle for the simple fact that they are a most impractical condition. The normal action and style of the Poodle disappear. When the cords are long enough to reach the ground, even proper exercise is impeded.

Size

The Standard and Miniature Poodles are the same "formula" except in size. The standard, or large Poodle must measure over 15 inches at the shoulder. The miniature must be under 15 inches at the shoulder but over ten inches. Anything smaller comes under the heading of Toy, and in shows, is entered in the Toy Group, rather than the Non-Sporting.

Colour

Poodle colours have a pleasing variety, the solid colours—black, brown, white, cream, apricot or silver — are recognized by the Canadian Kennel Club and the American Kennel Club.

Parti-coloured Poodles, popular around the early 1600's with a black or brown coat and white muzzle and feet, were imported into England at the end of the 19th Century and were even shown in special classes. Later the mixture became taboo.

Count Pulaski in New York, with other interested devotees of the tri-colour coats, has worked hard to preserve the colouring.

Skin

Beauty is certainly not merely skin deep, and even the skin of the Poodle is of interest. Contrary to expectation, the pure pink skin seen in some white poodles is not the most desirable. The skin of some of the best whites is pigmented — pink cast with silver or gray spots. The skin of the black and silver poodles is a light bluish tint ,or matches the color of the hair, in a lighter tone. The brown Poodles, for example, have a light brown skin, while the apricots usually have a brown skin.

Clipping

Your Poodle will look elegant with any one of the more than a dozen types of clip styles of clipping, but only two are admitted by the C.K.C. — the traditional Continental or English Saddle style, — In the Continental, the hind quarters are shaved, with pom-poms on the hips if you wish. The English Saddle clip shows the hind quarters covered with a short blanket of hair. Both these clips leave the remainder of the body in full coat. The all-important Poodle expression demands that the face, feet, legs and tail must be shaved, leaving the bracelets on all four legs and a pom-pom at the end of the tail. The top knot and feathers on the ears must be long and profuse.

ECZEMA

by Toronto Academy of Veterinary Medicine

If ever a word covered a multitude of meanings, that word is Eczema. All diseases of the skin and all symptoms of other diseases that may be mainfested by skin lesions are generally referred to by the layman as Eczema.

Skin lesions range from simple dandruff all the way through a variety of manifestations to mange, bacterial infection or even a skin form of distemper. The scope of this article is not meant to cover the symptoms and treatment of skin diseases; indeed many lengthy books have been written on the subject and the veterinarian has only to open his current professional journals to read page after page of new light being shed on such an old and difficult subject.

As it is with any disease, the proper diagnosis is the key to the treatment of skin conditions. Most dog owners are reluctant to spend time and money to find out what to do; instead, one is likely to present a skin case to his veterinarian with the words: "Fix him up Doc. I'll call for him tomorrow". If these instructions are carried out by a veterinarian, the client will not get his money's worth.

These common skin conditions generally present a similar appearance, such as mange, dry eczema, fungus infections and dermatitis arising from kidney or other internal damage. In about fifty percent of the cases, the Veterinarian's first hunch is right and he can make a pretty good diagnosis just on general appearance of the skin lesions. But it is just as good a bet that fifty percent of the time he'll be wrong on his first guess.

Would it not be ultimately more advantageous to both the client and the dog to have a few hours of diagnostic work done before treatment is begun? There are many shot-gun treatments that will give temporary relief, perhaps even for a month or longer, but is this the answer?

The average veterinary practitioner's dispensary would probably contain a minimum of twenty-five medicants useful in treating skin cases. The key to success is to know which one to use. Thus, the first step should be proper diagnosis backed up by a thorough knowledge of diseases in general and, if necessary, by laboratory analysis.

A word should be said about the causes of skin diseases. Besides such specific entities as the mange mite, bacteria, viruses and fungi, that is, the generally contagious factors in skin trouble, there are a great number of underlying, often obscure contributory causes. One could not attempt to list them all. But the more salient contributory causes are deficiencies in nutrition, a kidney and liver ailment, gastro-intesinal troubles, probably in many cases the result of dietary deficiency, internal parasites, fleas, lice, too frequent bathing, especially in harsh chemicals or soaps, allergic tendencies, hormonal imbalances and lack of proper exercise.

Now, in the light of all this complexity, what can a dog owner do about skin trouble? The old adage, "an ounce of prevention", surely applies here. Feed your dog a balanced diet; and such a diet may be harder to come by than most people think. Have your veterinarian routinely check a sample of stool for internal parasites; in older dogs, perhaps a routine urinalysis might be in order. Bathe your dog only if you must and use only shampoo you would trust on your own hair. Give him fresh air, clean quarters and adequate exercise.

What should one do if the animal already has a skin condition? First of all, find out from your veterinarian what it is; and if possible what are its probable causes. Once a proper diagnosis is made, treatment should be self-evident. Elimination of the cause of the disease and treatment of symptoms if the animal is in distress. I should add here that, in most cases, some form of internal treatment will have more lasting, if not so spectacular effects, as topical treatment.

Secondly, have patience in treating your dog. Your dog may have been brewing this trouble for months before it was evident to you that he had skin disease. Don't expect him, therefore, to recover in twenty-four hours. Many a human, who has suffered and treated with his own dermatologist for years, presents his eczematous dog to his veterinarian and is disappointed if no results are evident in the dog after a few days.

Eczema is a nasty condition to treat, but with patience and perseverance, the great majority will recover. Those few that do not entirely respond to treatment, will be held sufficiently under control to lead a happy life.

No condition leads to as much misery in pets as eczema; perhaps a little prevention and care on the part of the dog owner and the rountine consultation and examination by a veterinarian may help a dog lead the happy life he so richly deserves.

LOOKING WELL AHEAD

Worth seeing and worth saving for is a holiday which might combine visiting major dog shows in the British Isles and on the Continent.

Here are the dates for the Cruft's Shows for the next few years: February 8 and 9, 1957; February 7 and 8, 1958; February 6 and 7, 1959; February 5 and 6, 1960 and February 10 and 11, 1961.

The National Retriever Champion Stake will be held at Dunblane, Perthshire, England, on December 6 and 7 of this year. The National has been run in one day in the past few years, but is now reverting to a two-date meet, with four judges who will work in pairs.

AROUND THE OBEDIENCE RING

by Alan Sharp

News Bits

The Hamilton Obedience Club held their 8th and 9th All-Breed Obedience Trials on Sunday, June 17 at LaSalle Park, Aldershot, Ontario, just three miles from Burlington, Ontario. The trials were unbenched and held outdoors in four spacious rings.

About 100 entries were listed and the dogs were put through their paces by four judges. Mr. Leo V. Henige from Walbridge, Ohio, judged the Novice Classes in Trial 8, while Mr. Robert E. Noltie of Toledo, Ohio, marked the dogs in the Open and Utility Classes. In Trial 9, the dogs in the Novice Classes were judged by Mr. Fletcher Snyder of Akron, Michigan, while yours truly handled the Open and Utility Classes.

Dogs and handlers came from such points as Cincinnati, Ohio, Boston, Mass., Ottawa, Toronto, Windsor, Ontario, and Detroit, Michigan which made the events international.

Our sincere congratulations to Mrs. N. T. Smith and her committee for running two very successful trials.

Montreal Dog Obedience Training Club held its 8th Annual Meeting on May 30th last. Following are the new officers for the coming year:

President	—Mr. Geo. W. Wegg
Vice-President	—Mrs. R. Birch
Treasurer	—Mr. W. D. Macdonald
Secretary	—Mrs. M. P. McCoy
Directors	—Mr. J. M. McDougall
	—Mr. W. A. Newcombe
	—Mr. F. H. Mingie

The closing dinner was held on June 4th at which time Mrs. R. W. Tyner was presented with the President's Trophy for her outstanding work throughout the Club's year with her standard Poodle "Mandy".

Letters of Interest

Mrs. J. M. Lyle, Secretary of Vancouver Dog Obedience Training Club writes as follows:

"Dear Mr. Sharp:

We in B.C. are very upset about the recent proposed amendments to the Obedience Trial Regulations or Standards. We, therefore, wonder if you could quote a good part of the enclosed letter in your Column.

We feel that we should all get together for, if the proposed amendments go through, we believe it will set obedience back many years in Canada."

Sorry we can't reproduce the whole letter here Mrs. Lyle but following is what we believe to be the more important parts of your letter to all Directors of the C.K.C. and to all proposers of the proposed amendments.

ED.

"The amendments in question are those which propose to add the Left About Turn to the Heeling Exercises, the Sitting finish to the Stand for Examination Exercise, the Sitting Finish to the Long Down Exercises, and to substitute a Barking On Command Exercise for the Seek Back in the Utility Exercises. They are numbered variously 37, 38, 40, 41, 42, 43, 44, 45, 46, 47, and 48.

This Club, and to our knowledge every other obedience enthusiast in B.C. obects to the Left About Turn, long abandoned by the A.K.C., being reintroduced into Canadian trials on the ground that a dog properly trained to heel comes to regard itself as almost an integral part of its handler's left knee, yet to do this particular part of the exercise the dog would have to be trained to leave the handler's left knee and do the opposite turn to the handler, a very bad thing psychologically for a top working dog! It is no doubt this fact which caused the A.K.C. to abandon this part of their original heeling exercise, and we can see nothing but harm to our dogs coming from the re-introduction of this part of the Heeling Exercise.

Again we view with the greatest alarm the substitution of a Barking on Command Exercise for the Seek Back Exercise in Utility. It is our belief that the A.K.C. abandoned this Exercise, which formerly was also one of its exercises, because being noisy is such a vice in hunting dogs, and more and more hunting dogs are taking their preliminary training at obedience classes. In western Canada particularly, where an interest in purebred dogs could almost be described as an interest only in hunting dogs, this exercise, if reintroduced, would completely kill the respect of most dog owners for obedience training. And there are many other places also which would much prefer the useful Seek Back Exercise to the noisy Bark on Command Exercise.

The other proposed changes are relatively minor, and in themselves are not considered by us to be harmful – in fact they embody procedures which many smart handlers use anyway without them being embodied in the exercise itself.

We fully realize that the proposers are experienced and well-intentioned, but it is our belief that owing to our unfortunately huge distance, these people do not realize the vast distances which hamper and menace obedience elsewhere in Canada. For example, Vancouver is 980 miles by car from Edmonton, one of our nearer places holding trials:

For this reason, B.C., Alberta, and Quebec are dependent for many of their trial exhibitors upon Americans. Many of these Americans come from as far away as 1,000 miles in order to win their Canadian degrees, and not only do they increase the numbers at our trials and our income from our trials (and thereby enable us to hire top notch judges), but some of these exhibitors are listed as among the ten top handlers in the United States, and our endeavours to compete on an even basis with them and outscore them, has done more than years of work alone could do to increase and raise the standard of work of the dogs at trials where they attend. For various reasons we would consider it a grievous event if these Americans were to be discouraged or stopped from entering Canadian obedience trials.

We ask that you reconsider these amendments in the light of what we have in this letter told you of our problems, and then, if you see fit, perhaps you will withdraw them for the sake of obedience throughout Canada.

We would like to point out that it is not that we consider American rules perfect, but that we get so much advantage out of having American entrants at our trials, and being able to show in the U.S. ourselves, and from the interchange of judges, that we feel any possible improvement in the rules would be far outweighed by the disadvantages of losing these other things if we change our rules away from U.S. rules and standards.

Sincerely yours,

The Vancouver Dog Obedience Training Club

per J. M. Lyle, Secretary.

Editor's Comments

In discussing this matter with obedience club officials and people in the Province of Quebec, we know that they are equally concerned and opposed to the proposed amendments. One of the main objections is that the proposed amendments, if adopted, would probably prevent United States exhibitors from competing in our trials. If this happened, it would be a great financial loss to Quebec Clubs, since a good portion of their entries come from the United States.

DOGS and PEOPLE

Winna Lady Juliette (Julie) is alive somewhere, believes her owner, Miss W. M. Steggall, 19 Hillcrest, Montreal West, Que. Julie disappeared following a motor accident near Toronto in April (*Dogs in Canada, June, 1956*) and may have been picked up by another motorist. The fawn pug with a black mask is a fine show dog, well on her way to Canadian and U.S. titles. She bears the tattoo marking WK9J in her right ear. Miss Steggall is offering a substantial reward for her safe return.

° ° °

William A. Rockefeller continues as President of the Westminster Kennel Club, and the entire slate of officers were re-elected at the recent annual meeting. James A. Farrell, Jr., is vice president, Dr. Samuel Milbank, secretary and William H. Chisholm, treasurer. John W. Cross, Jr., again heads the Dog Show committee and William Rockefeller, son of the president, is to be chief steward.

The 1957 Dog Show of the club is scheduled for February 11-12, in Madison Square Garden, New York.

° ° °

Mrs. Betty Dickson of Ziska Kennels, Dorchester, Ont., and her outstanding Snowland Ziska Buck, were guests of Ward Cornell on CFPL-TV, following Buck's great showing at the Sportsmen's Show. A stole and gloves made from Samoyeds at Ziska Kennels were displayed, as well as Buck's trophies.

Ziska's Viking, to clear up a Sportsmen's Show catalogue misinterpretation, was born August 15, 1955.

Rare in to-day's breeding, according to Mrs. Dickson, is a biscuit Samoyed puppy born at Ziska Kennels, by Am. Ch., Greta, ex Storm.

Macdonald Daly, one of Great Britain's top dog show judges, and editor of The Field, England's 100-year-old sporting magazine, and a television commentator of a program devoted to dogs, will judge two of the dog shows at this year's Canadian National Exhibition. For the past five years he has been one of the judges to decide Best in Show at Crufts, foremost of English dog shows.

Dates of the three shows this year are August 29 and 30; August 31 and September 1; September 3 and 4.

Other judges will be: Mrs. A. E. Sturdee of Toronto and William McDerment of Willowdale, who will judge the first show; and Mr. Daly and Walter H. Reeves of Clarkson who will judge the second and third shows. Mr. Reeves was recognized as Judge of the Year in 1955 by the American Kennel Club.

Best in Show at the Forest City Kennel Club, London, Ont., was the Wire Fox Terrier, Eng. and Can. Ch. Quayside Drakehall Duncan. He is owned and handled by Ted Ward of Oakville, Ont., shown centre. Mr. T. Joel, left, was the judge.

Journalist Tim Reid of Stittsville, Ont., Boxer and Miniature Schnauzer breeder, has accepted these judging assignments at U.S. shows: South Bend, Indiana, June 10, Boxers and Miniature Schnauzers; Connecticut Boxer Club Specialty Show, August 25; Miniature Schnauzers at Newton, Conn. Aug. 26 and Boxers and Miniature Schnauzers at the North Country Kennel Club Show at Watertown, N.Y.

Shoes for the 65 German Shepherd guard dogs were ordered by the American Air Force base in Landstuhl, Germany. Most of the sentry duty dogs were on sick call most of the time (500 dogs hours of work lost in one month) as a result of feet torn by long hours on concrete runways. Leather shoes were ordered at $1.15 a pair, and custom-made in three sizes. Dogs howled in protest at first, but soon marched smartly in precision.

° ° °

A Beagle with a winning bent is Ch. Wal-Dor Duchess, who finished her championship at the Sportsmen's Show this year, and was launched on her American Championship title by going winners and Best of Opposite Sex at Buffalo on April 15. Owned by Mr. and Mrs. Walter Lips, Jr., of Inglewood, Ont., she was shown by Mrs. Lips up to this time. C. E. Spahr of Warren, Ohio, handled her at Morris and Essex, Rumson and Plainfield, N.J., winning all three shows in three days; 1st in Open Winner, Best of Variety and Best of Breed.

The use of vicious dogs to protect property in urban communities is outdated, said Councillor Wilf Hoyle of York Township Council, when the body decided to charge a man under the Vicious Dogs Act following the attack of three watchdogs on a 15-year-old boy. Another councillor averred that people have a right to protect their property, but if the property is guarded by vicious dogs, warning signs should be posted.

At the tender age of 6½ months, Na-Robi's Greta trotted out to win 1st Jr. Puppy and Reserve Winners Female at the German Shepherd Dog Club of Western Ontario Specialty Show at London, recently. In doing so she defeated 21 adult females and seven puppies. Owned by Mr. & Mrs. R. H. Walker, Na-Robi Kennels, she was bred by June Wayne of Toronto.

° ° °

Quick to think and reckless of his own safety, a German Shepherd dog saved the life of a sleeping two-year-old child in Aschaffenburg, West Germany. The dog shielded the child's body with its own when the roof of their home collapsed. Both were injured, but alive.

A 73-year-old man lying unconscious at the bottom of a 150-foot ravine at Chedoke Falls, near Hamilton, was rescued alive as the result of the barking of his small black Retriever, Teddy. The man and dog were believed to have been walking along the edge of the cliff. Said one of the rescuers, "If it hadn't been for the dog we never would have seen the man. He might have been down there for days."

° ° °

Boxerlane's Dot-O-Dash, owned by Mr. C. Y. Hunter, Toronto, completed her championship at London recently for five points under the new scoring system

for Boxers. She was also picked Female Winner of the 2-4 months class at the Boxer Club of Canada puppy match by Mrs. Don Starkweather. She was bred by Mrs. R. L. Macfarlane, Maple, Ont.

° ° °

Two entries eyed with interest at the recent Bulldog Club of Canada Show were the internationally noted Eng. Can. and Am. Ch. Noways Cherry, owned by H. M. Gordon and M. L. Wood, Toronto, and Eng., Amer. and Can. (to be confirmed) Ch. Rawburn Rufus, owned by Cyril Bernfeld, New York City. The latter completed his title at the Progressive Kennel Club Show.

° ° °

Tidy, a smooth-haired Fox Terrier owned by Mr. and Mrs. Robert Lyth, Willowdale, Ont., died at the age of 17. Mrs. Lyth tells us her eyesight was perfect, and until last year her hearing was unimpaired. Although no newcomer is expected to take the place of Tidy, Mrs. Lyth is looking for another of the same breed.

Best Canadian Bred in Show honours at the Barrie Kennel Club Show fell to Can. and Am. Ch. Tailteann's Nuss, shown here with her owner and handler, Mrs. M. Eileen McEachren and Judge Edwin L. Pickhardt of New Milford, Conn.

To round out your knowledge of shows, breeds, etc., in the United States, we suggest regular reading of Dog World. Breezy, informative and up to the minute, it deals compactly with many provocative questions.

° ° °

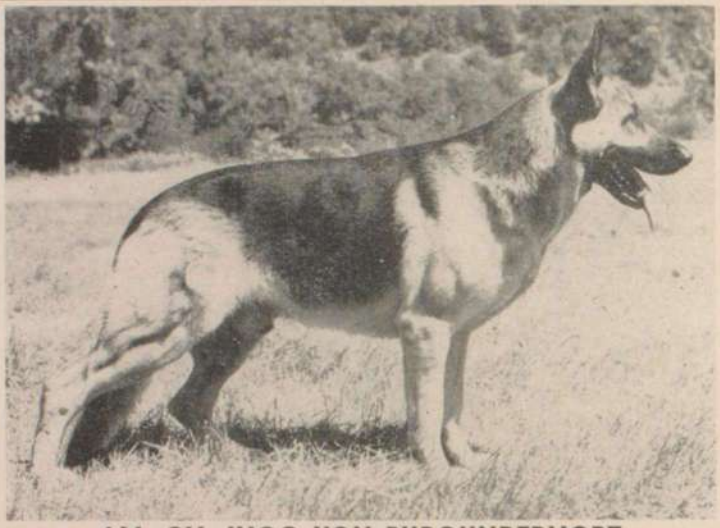
Mildred "Babe" Didrickson Zaharius 1932 Olympic track star, winner of over 50 major women's golf tournaments, three-time winner of the U.S. Women's Open and 1946 winner of the U.S.

Women's Amateur, is once again confined to a hospital bed in Galveston, Texas, for cancer treatment. She has become a living legend for her courage and refusal to succumb to the disease.

The 13th Annual Championship All-Breed Dog Show of the Southern Tier Kennel Club, to be held at Maple City Park, Hornell, N.Y., for the benefit of the Damon Runyon Memorial Cancer Fund will be dedicated to Mrs. Zaharius for her tremendous courage in her fight against cancer.

Photo by Bruno Favero

Surprise winner of Best in Show at the Barrie Kennel Club Show was the Old English Sheepdog, Farleydene Bartholomew, owned by Serena and Hendrik Van Ransselaer of Summit, N.J. He is shown here with Handler Ed Carver.



AM. CH. INGO VON BURGUNDERHORT

Ingo is line bred on Gockel von Bern (5-5) and Siegbert Hedgrund (5, 5-5) Ingo was sired by Arno von der Pfaffenau, Sch H III, who was Germany's recent top sire and show dog. Arno was sired by Siggo von Corneliushof Sch H III FH. Ingo's dam, Asta von Nibelungengold, was a litter mate of the outstanding sire Arras von Nibelungengold, Sch H II. These dogs were the get of Bingo von Stellerburg, who stems from the great Piastendamm line, his sire being Harras von Piastendamm. At Stud, $100. To approved bitches only.

CH. ZELMA VON LIEBESTRAUM

Of noted Hohen Fichte and Von Aichtal bloodlines. Her grandsire, Munko v.d. Hohen Fichte won Germany's highest show award in 1950, and sire of Germany's select group winners, 1954 and 1955. Zelma's grand dam on sire's side was the famous Gerda v.d. Hohen Fichte. Zelma's dam was sired by The Reigisry Merit Sire Ch. Cosalto's Ace of Wylie-Wood C.D.X. Her granddam was Int. Gr. Victrix & Ch. Jola von Liebestraum.

We have outstanding puppies now for sale, bred for temperament, character, intelligence and trainability. All puppies are retained till 9 weeks of age, when they are X-rayed and also inoculated against distemper.

CRAIGIELEA KENNELS

P. G. McDONALD **Box 277, WATERDOWN, ONT.**

"Well, I guess a nice meaty bone isn't the answer"

It's no joke to the postman nor to his employer. Five canine authorities met on June 5 to develop a program to reduce the hazard of dog bites for the United States Post Office Department's 125,000 letter carriers. The experts included William E. Buckley, President, American Kennel Club; George Foley, Publisher, Popular Dogs Magazine; C. R. Harbison, New York dog psychologist; William A. Rockefeller, Jr., President, Society for the Prevention of Cruelty to Animals; and Kerns Wright, Chairman of the Board, American Humane Association.

"Nearly 6,000 letter carriers were bitten last year and three-fourths of this number required medical treatment," reports Postmaster General Arthur E. Summerfield. "As a dog lover and owner myself, I know that obedience training of a pet is not only easy but also rewarding for both the owner and the dog".

° ° °

While we do not have figures on the number of postmen chased, bitten or snarled at in Canada, we do know that last year 5,880 dog bite cases were reported to the U.S. Postal Service — approximately one for every 20 carriers. Seventy per cent of these injuries required medical attention; 10% were disabling.

As a result of the conference, a number of practical solutions will undergo testing: apparel affording special protection below the knee, where most bites are inflicted; the possibility of finding an effective chemical repellent for spraying on the trouser or dobbing on the shoe; the use of dog candy. Defence articles such as water guns or stream atomizers filled with weak ammonia solution or other chemicals, a stick with flashlight batteries wired to slightly shock the dog, and many others of a non-injurious nature.

Surveys showed that where mail carriers are owners themselves, they are less apt to be bitten. The possibility of training carriers in greeting dogs is also under consideration.

MISS R. GRAHAM

R.R. #1 Oshawa, Ont.

Culbertson Challenger
Now TV, Obedience Expert

An adept showman and promoter of purebred dogs, and particularly Obedience-trained canines is Mrs. N. T. Smith of Burlington, Ont. As the guest of Teddy Forman on TV Channel 11, Station CHCH, Hamilton, last Fall and Winter, Mrs. Smith systematically demonstrated the various breeds which make up the Show Groups, such as the Sporting Group, Sporting Hound Group, Terriers, etc. As a result of her lively demonstrations many uninitiated people can now tell the difference between breeds which closely resemble each other, i.e. the Samoyed and Husky, the West Highland Terrier and Sealyham, etc. As the dogs appeared before the camera a brief history and description of each breed was given, which gave viewers a whole new insight on the fascinating world of dogs.

Rabbits and registered cats were also featured on the program, as well as less common pets such as monkeys, skunks and coons.

Mrs. Smith and her husband, the well known T. N. T. Smith of earlier Hamilton Rugby and Track teams, have bred and shown Springer Spaniels and American Cockers since 1940, doing their own handling for five champions. Although they no longer breed Cockers, their kennels average 20 Springers.

One of the most active Canadians in the field of Obedience Training, Mrs. Smith is a charter member of the Hamilton Obedience Club and works tirelessly in an executive capacity. She has served as secretary-treasurer of the Hamilton Kennel Club for three years, and previously held other offices. As a director of the Canadian Kennel Club for the third year, she has held many important Committee offices.

Prior to becoming involved with dogs, this capable woman enjoyed needlework and bridge as hobbies. With her husband she has played in tournaments against such masters as Culbertson and Goren. In 1936 they won the Canadian Championship in the Olympic Bridge Tournament.

PUPPIES VISIT A HOSPITAL

Can you imagine youngsters who have never even seen a puppy? That was found to be the case when seven wriggling snuggly puppies were taken from room to room at the Alberta Red Cross Crippled Children's Hospital by members of the Calgary Kennel and Obedience Club. Each of the 96 patients were allowed to hold a puppy for a few precious moments.

Showing more good sense than many children who run and play freely, the bed-ridden youngsters understood that it was only a visit and that the infant dogs couldn't stay. They generously passed the puppies around; a baby Dachshund named Angel, wearing a paddy green sweater; a shaggy Skye Terrier with dark shoe-button eyes; lively German Shepherds; a perky Welsh Corgi called Gossip; and two cuddly cocker Spaniels who, although bewildered by the excitement, responded to all the loving attention.

Club members who took their dogs to the hospital included Miss Agness Hammond, president, Mrs. Iris Keats, Miss Florence Cameron, Mrs. H. J. Giroux and Mr. and Mrs. Dennis Litchfield.

HOME TRAINING HINTS

Always encourage your pupil with a tid bit, to be given after a good workout. But never bribe. It should serve as a reward.

Don't punish a dog for failure to understand you. Know what you want him to do, then give your orders clearly and concisely.

Always preface your command with the dog's name.

Once the dog understands the command, obedience must follow. Punishment, in the forms of a scolding, disapproving expression or even a light whack with a folded newspaper should express your dissatisfaction.

Never whip a dog. A flick with the end of a lead should get your message across.

Make the training a game. Show some spirit and your dog will enter the fun of it. Never work him for more than about ten minutes at a time. Once he shows fatigue stop and resume the training later.

Most dogs are delighted with their own accomplishment and happy to have pleased their owner. And a dog, ebedient through choice, makes a perfect companion.

Mrs. E. Betts
R.R. 1, Richmond Hill, Ont. TU. 4-3002

DOWN, BOY!

Even long-standing friendships can be jeopardized when a dog, out of sheer exuberance, jumps up on your guests' good clothes. And muddy feet on your own garments can cloud the sunniest disposition.

In your case, you can probably anticipate the dog's sudden salutation. But for the sake of other people, the habit should be repressed.

This uncontrolled display can be tempered by meeting the oncoming dog with your knee. You might try rapping him on the nose, or pushing him down with a stern command, "Down!"

Another trick is to grab your dog's forefeet and walk him backward. No dog likes this movement in reverse.

The whole idea is to dampen his spirit temporarily. When his four feet are on the ground, stroke him and speak pleasantly to show your approval. He'll soon get the idea.

CLASS REUNION

It was reunion day recently for old grads of the dog pound of the American Society for the Prevention of Cruelty to Animals in New York City.

About 40 assorted dogs, four Siamese cats, one parakeet, one parrot, a few unusual birds and one lamb, met at the Savoy Plaza Hotel. There were about 200 humans there, too.

The tea party was given under the auspices of the A.S.P.C.A. to bring attention to its pet adoption program.

The most impressive of the dogs were Mark and Maude, a pair of white Great Pyrenees owned by Luther Greene, who explained that he had adopted Mark from the A.S.P.C.A. last year, when it became clear that no one else would take the big dog home. Maude became a part of the household when word got around that this man would be glad to take care of unwanted members of the big breed.

The most touching demonstration, was that of 14 dogs brought to the party for adoption by the guests. The homeless animals—most of them were purebreed or nearly so—all found new homes.

SHEPHERD CRITIQUE

The following is a brief commentary on the German Shepherd class at the Forest City Kennel Club Show held in London, Ont. last month, by Mrs. Nellie A. Corser, judge.

The Forest City Kennel Club are to be highly commended on giving the German Shepherds outdoor space. There was no limit to the available area for gaiting, which is so essential in Shepherds. These dogs cannot be properly judged in a small space where the gait cannot be seen. A good gait is a *must* in a properly constructed Shepherd, and it takes distance in gaiting to prove this. We do not go the limit in gaiting in Canada as in some other countries, but we do like to have a reasonably long stretch.

I feel I should be remiss altogether if I did not publicly remark on the very excellent temperament of all the dogs shown, and there were over 40 of them. Out of this number there was only one that showed any tendency to sharpness, and there may have been something in my approach to the young dog which was upsetting. I do feel, though, that this slight sharpness will be soon overcome with lots of time spent on her and lots of patience on the part of the owner. Taking her out lots, with plenty of people handling her.

With the public criticism of German Shepherds to-day by people who do not know them well, I feel it is the duty of every true Shepherd owner, or any person who in any way is connected with them who does know temperament, to pass along to the public the word of a gathering of over 40 Shepherds exhibiting no trace of sharpness of shyness.

The calibre of the Shepherds at the Forest City Club was good. It proves a point. The breeders are giving some thought and study to their breeding programme.

POODLES ARE MIND READERS

Keep your chin up, or your Poodle's will go down. This breed is so sensitive to its owner's thoughts and feelings that the animal will reflect the mood and be strongly affected by it.

On the rare occasion your Poodle is sick, be cheerful and affectionate. If at all possible, keep him with you. That's when he needs you most. Poodles have a fighting will, and some deathly ill animals have pulled through out of sheer desire to live and remain with their master.

Poodles bred from healthy parents are exceptionally healthy animals. They are prone to what is known as canckers of the ear. Much of this trouble could be avoided by being careful not to allow water to get into the ears when bathing. However, since ear trouble can be critical, anything that cannot be cured by the usual treatment given a child's ear condition, should be referred to a veterinarian.

MEMBER OF THE WEDDING

Actress Grace Kelly, who starred in The Swan, an M-G-M release, is shown here with her pet Poodle.

Miss Kelly was presented with a Weimaraner by her brother as a wedding gift.

Appearing as a princess in "The Swan", the actress was destined to play a real life role as princess.

Non-Sporting

In Memoriam

"MICKEY"

Int. Ch. Puffer's Ace of Perfection

It is with extreme regret that we announce the untimely passing of this great dog. Not yet 5 years old, and only shown a few times in the past year and a half, this true Champion has amassed the wonderful record of 6 Best in Show, 76 Best of Breed, 37 Groups and 35 Group placings. His showmanship was a matter of comment where ever he appeared and his death will be a loss to the Dog World in general and to Boston Terriers in particular. Short as was his life, we are grateful that it was given to us—there will be other dogs, but never another Mickey.

SKINNY

A common condition of Poodles, though not an illness, both in puppies and adults is the tendency to appear emaciated.

Some dogs, of any breed, are so active they run flesh off very quickly. If this is the case, get the puppy trained to rest immediately after being let out following the mid-day snack.

If the dog is not over-energetic, have him examined for worms. Something may be robbing him of his meal.

Your dog may need a tonic to help him get the real benefit of his food. In any event, generous doses of Vitamin B1 will be beneficial.

Dogs, like people, digest food better in peace and quiet.

MEETING OF THE BOARD OF DIRECTORS

FEBRUARY 6, 1956

3333. The annual meeting of the Board of Directors of The Canadian Kennel Club was held in the King Edward Hotel, Toronto, commencing on Monday, February 6, 1956, at 10:20 A.M. with the President, Mrs. M. E. McEeachren, in the Chair, and the following members of the Board present: Walter Brown, V. W. Williams, J. H. Daniell-Jenkins, Mrs. J. Gove, J. A. H. Irving, Robert B. Laskey, J. W. MacCallum, Mrs. Pamela B. Mack, R. L. MacKillop, W. J. Monaghan, Mrs. N. T. Smith, and Dr. H. L. Watson.

3334. **PRESIDENT'S OPENING REMARKS**

"Ladies and gentlemen:

In declaring open this 1956 annual meeting of the Board of Directors, I take this opportunity to welcome you one and all, and to express my hope that when these meetings adjourn, we will leave this hotel with a conviction that we have dealt as thoroughly, as decisively, as constructively, and in as businesslike way as is possible with all the affairs brought before the meeting.

We are the trustees of a national organization. The manner in which we discharge that responsibility will not only determine the success of our administration but build up necessary confidence for the future.

In this growing Canada of ours, we have seen, in recent years, some tremendous developments. The opening of immense iron ore fields in Labrador and Northern Quebec, the start on the St. Lawrence Seaway, the ever-expanding development of the oil and natural gas fields on the Prairies, the research work in Saskatoon on the first Cobalt Bomb for cancer, the construction of the fabulous Kitimat project in British Columbia; all these are symptoms of an age during which we shall see tangible proof that the statement — "The 20th Century Belongs to Canada" — is not an empty phrase.

In glancing through a local newspaper before preparing this message, I noted such headlines as "Nominations Show Record Oil Business", "55 best ever for papers", 'Trade Brisk, Regina Aims to Rival Calgary", 'Ontario to have population of 8,184,000 by 1975 says Frost brief to Gordon Commission".

Now, if we as a Board are alive to our responsibilities and opportunities, the significance of these developments and press reports will not be lost on us. A progressive organization makes progress; it doesnt' wait for it. Rather, it should anticipate and prepare for the opportunities when it can expand its operations, and when this is effectively done, it can hope to reap the full benefit of its foresight and planning.

The Canadian Kennel Club should stand with dignity for the standard of the finest pure-bred dogs. The question of mixed breeding is one of which we are all aware, but our encouragement and assistance to the better breeding of pedigree dogs should be part of our aim. Promotion and public acceptance are allied to a degree and it is our business to see that they receive all the assistance that we, as a national organization, can give them.

When I worked with the Secretary on the preparation of the agendas now before you, I must say that it was a great disappointment, to see that there were such a great number of items requiring your attention during the course of the three days we are scheduled to meet. I had hoped that one day could have been set aside exclusively for the purpose of our taking a good, long, hard look at the future that lies before our organization and thoroughly canvassing and considering what steps, immediate and long-range, that could be taken to exploit the opportunities that will undobutedly present themselves during the months and years that lie ahead. After all, it is only once a year that we meet together in this fashion. Your presence here represents a great personal sacrifice in time, financially and otherwise. If we cannot devote any time to this subject at this meeting, let us, before we adjourn, devise some means of tackling the project so that something really constructive could be undertaken before our term of office ends.

So much for the overall-picture. I should like now to address your attention to the agenda before you. As you will have seen, we have much to do and not a great deal of time at our disposal in which to do it. The time allotted for each subject is nothing more than a calculated minimum guess, but unless we endeavour to stay with the agenda and keep, as far as possible, to the schedule, then we shall have a repetition of last year's annual meeting when the Board went well beyond its scheduled three-day meeting and then adjourned leaving not a few subjects unfinalized. That, you do not want, I am sure, and I most certainly do not.

If, therefore, I appear to be a hard Chairman and an unrelting taskmaster, I am sure you will understand and bear with me. The Chair will brook no cross-table talk. Discussion or remarks that appear to be irrevelant to the question before the meeting will be firmly but abruptly terminated. Let us all resolve to be punctual in being present at the scheduled time after intermissions, and if I should be absent at any time, it is my wish that Mr. Brown or Mr. Williams call the meeting to order and get on with business. Neither I nor anyone else has the right to request the Board to review or reconsider any items of business dealt with in our absence except when such absence is authorized by the Board for a specific purpose.

State your point clearly and briefly. Remember we have a stenographer to consider. Keep to the subject before the meeting. Your co-operation along these lines will make the work of the Chairman (whether it be myself, Mr. Brown, or Mr. Williams) a pleasure, and not an onerous task.

And so, ladies and gentlemen, we will proceed to the first item of business. . . .

3335. **RECORD OF PROCEEDINGS**

The President stated that she agreed with the suggestion of Mr. Irving and Dr. Watson that an effort should be made to obtain a complete record of the discussions at this annual meeting of the Board, and in view of the number of important subjects to be discussed at this first session of the Board arrangements had been made for a chartered stenographer to record the proceedings, the Board to then decide on what arrangements should apply for the remainder of the meeting.

Following discussion it was regularly moved by Mr. Williams, seconded by Mr. Laskey:

"THAT, we approve of your employment of the stenographer for today's proceedings and that we use the Sonograph machine for the balance of the meeting if found practicable."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell- Jenkins Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

AGAINST THE MOTION: Mr. Monaghan.

MOTION CARRIED.

The meeting recessed until the chartered stenographer arrived.

3336. **PAYMENT OF MEMBERSHIP FEES BY DIRECTORS**

Mr. Monaghan suggested that the records of this meeting should indicate whether all members of the Board had paid their membership fees for the current year.

The Secretary reported that all members of the Board were paid-up members for the current year.

3337 (3250). **SELECT COMMITTEES**

The Secretary reported that at a previous meeting of the Board Mr. Monaghan's suggestion regarding the use of "Select Committees" to expedite the transaction of business at the annual meeting of the Board had been referred to this meeting of the Board.

Mr. Monaghan stated that apparently his suggestion had not appealed to some members of the Board, and suggested that the matter be deferred for later consideration by the Board.

3338 (3299). **LETTER OF APPRECIATION TO MRS. McCOLL**

The Secretary reported that at the January meeting of the Board Mr. MacCallum had suggested that a letter of appreciation be forwarded to the immediate Past President, Mrs. Alva McColl, a suggestion which had been ordered referred to this meeting.

The President suggested that such a suggestion should be addressed also to the other retiring members of the Board: Miss Agness Hammond, Mr. S. E. Kominsky and Mr. J. N. Malcolm.

Following discussion it was regularly moved by Mrs. Smith, seconded by Mr. Brown:

"THAT, this matter of a letter of appreciation of Mrs. McColl be referred to the annual general meeting tomorrow."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried

3339 (3260). **OFFICE SURVEY**

The President read the following statement:

"During the two years as Vice-President and the brief period as your President, I have become fully aware of the magnitude of the work that is done in the Club's office. As members of the Board, you are aware of the volume of mail now passing between the Secretary and the Board. As the Club's business expands an increasing load is placed on the Secretary and his staff, necessitating unnecessary delay in correspondence.

Apart from that factor this thought is most definitely on my mind — supposing Mr. Brown, through some mischance of ill health, should have to resign. Where in the office can we find anyone to take over his position? His knowledge of the By-laws, rules and regulations is tremendous, and his knowledge of matters pertaining to the Club and its operations is invaluable.

It is my thought and suggestion that in addition to the valuable assistance which Mrs. Overland provides the Secretary that she ought to be officially engaged as Assistant Secretary to Mr. Brown. In addition there should be a special assistant to Mr. Brown as Office Manager, so that in the absence of Mr. Brown, temporarily or otherwise, the work of the office may carry out without noticeable difference.

When one compares our total salary expenditures now with those that prevailed before the last war, and remembers that the volume of work in the office has more than doubled as have also salaries, then there can be no reasonable criticism of any steps which we may take to provide adequate staff and assistance for the Secretary. To put it another way: Before the last war your salary costs exceeded $6. per member, yet in 1954, the last year we published the magazine, all salary costs per member averaged $8.08, an insignificant change when one considers that salaries have more than doubled in the last fifteen years.

I know that as business people you can appreciate my suggestion and give the necessary authority at this meeting."

Mr. Williams then presented the following report:

"In accordance with the resolution adopted at the September 6th, 1955 meeting of the Board of Directors, I now submit my report and recommendations in connection with the office survey.

Whilst all members of the Board were invited to submit their thoughts, comments and suggestions, direct to me, I regret to inform you I have only received correspondence on this matter from Mrs. P. Smith, Mr. S. Kominsky, Mr. W. Monaghan, Dr. H. L. Watson and Mr. J. A. Irving. I have carefully perused the reports submitted by Mr. M. Y. Fitzgerald (Civil Service) dated December 15th, 1954, Mr. J. Neill Malcolm dated January 19th, 1955, and Mr. Norman Unsworth dated February 2nd, 1955, also a memorandum from Mr. Norman Brown dated September 6th, 1955.

For the benefit of the new members of this Board the reports of Mr. Malcolm and Mr. Fitzgerald were gratis and Mr. Unsworth service cost $386.50. The expenditure incurred through the recommendation of the Unsworth report was the purchase of a Sonograph Dictaphone equipment which cost $515.50.

The Canadian Kennel Club of 1956 has grown up from its adolescent age from say the 30's, and we must face the facts and adjust our direction of operation to meet present day handling of business requirements, not overlooking the potential field for further expansion of our activities in every branch of our endeavours and be able to provide a continuity of essential service to our members.

The time has arrived when we cannot procrastinate any longer in the appointment of additional staff in order to cope with the expanding activities of our organization, and I feel it is this Board's duty to study this phase of the situation and at this annual meeting of the National Board.

It was this writer's impression and I feel also the impression of other members of this Board that when we appointed Mr. Norman Brown as Executive Manager, "it meant just that". It was hoped that a considerable amount of detail routine business would be handled by Mr. Brown and it would not be necessary to submit such matters to the Board, which has always created a cumbersome amount of wasted working hours and dollars. As an example, the matter of correspondence letterheads for Directors. This matter should have been dealt with explicitly by the Executive Manager, who could have obtained guidance of the Senior Officers, if necessary.

There appears to be three separate phases which come under the heading of office survey.

(1) Accounting
(2) Show & Trial — Record Section
(3) General Administration

(1) **Accounting Department**—From the information before me and to the best of my own personal knowledge of the workings of the club, I feel the Accounting Section is in satisfactory condition and meets with our present day requirements.

(2) **Show and Trial — Record Section**—This section is carrying its load at the present time but is such an integral part of our organi-

zation and which is growing by leaps and bounds, it is deserving of special attention at this time. I would recommend the employment of a male clerk to be employed in the Show and Trial Department, primarily to get a sound foundation of the workings of our club with a forward look in mind that this Mr. "X" would familiarize himself with other routine assignments and set his sights on a future position as Chief Clerk when it is found that he was worthy of this consideration.

(3) **General Administration**—This brings us down to the all important feature of consideration of ways and means to overhaul our administration setup.

Committees have both merits and drawbacks and can be overestimated in their values.

This so-called Quorum Board is in reality an Ontario Committee of the Board, which has at times overstepped their authority with frustrating affects and it behooves this year's National Board to see that there will be no repetition of what happened in 1955 in this respect.

I cannot conclude this brief without reiterating my retiring presidential report of January 1954, at which time I recommended consideration to the appointment, an ambassador of good will, and a **SUPER-SALESMAN FOR THE CANADIAN KENNEL CLUB** and what it stands for. Part of his duties would be to assist in ironing out many of the trivial but objectionable difficulties experienced in the running of our dog shows and trials and who could build up good will and understanding now so deplorably missing. This would not take away from the Directors any of the very limited authorities with which they are now endowed, but would in many cases make the poor thankless Directors' positions more bearable and give them added dignity, which they deserve.

As an alternate procedure to the above suggestions, it is within the powers of this Board to institute the appointment of an Executive Council composed of say, 5 members, who would include the three senior officers, one director from a point east of Ontario and one director from a point west of Ontario. The duties of this council would need to be specifically delegated and their authority in no way to supercede the responsibilities of office of the National Board, but whose function it would be to deal with and recommend actions for deliberations on many matters of a routine nature, now unnecessarily left for attention at Board Meetings and heretofore not dealt with by the Executive Manager.

The appointment of this Council would permit cutting down the number of Board Meetings to a quarterly basis, which proved workable and economical during the year 1953.

The idea of the five member council personnel is based on the fact that the Board as a whole should have sufficient faith in the three nationally elected senior officers and the additional appointment of an eastern and western director provides a national outlook on the workings of such a council, and would eliminate the possibility of the much-debated centralized Ontario Board's monopoly of deliberations.

Salaries appear most generous in every department and there does not appear to be any necessity for consideration of increases at this time.

Respectfully submited in the interests and welfare for a bigger and beter Canadian Kennel Club."

It was regularly moved by Mr. W. Brown, seconded by Mr. Lrving:

"THAT, Mr. Williams' report and the suggestion of the President be received and tabled for further consideration."

FOR THE MOTION: Mr. Brown, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried.

The Secretary was instructed to provide each member of the Board with a copy of the President's statement and Mr. Williams' report.

3340 (3299). **MINUTES**

The Secretary placed before the meeting the minutes which he had prepared of the meeting of the Board held on January 20th, and read a letter from Mr. Monaghan suggesting certain corrections in the minutes.

Following discussion the following corrections were ordered: (Incorporated in published minutes).

It was regularly moved by Mrs. Smith, seconded by Mr.. Daniell-Jenkins:

"THAT, the minutes of the meeting of the Board held on January 9th, 1956, as amended, be adopted."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith and Dr. Watson.

Motion carried.

The President referred to her observations at the January meeting of the Board with regard to:

(a) Ways and means of better informing the members of business transacted by the Board;

(b) Supplying members of the Board with a verbatim copy of minutes of all meetings of the Board.;

(c) All members of the Board to vote on motions.

Following discussion these items were left over for consideration when standing resolutions are discussed by the Board.

The President suggested that a quarterly report, outlining in prose style what the Board is doing, be published in the official organ. Following discussion it was agreed that this practice would be followed by the Secretary.

The President referred to her earlier suggestion that proceedings at regular meetings of the Board be recorded on the office's Sonograph tape recorder. Following discussion it was agreed that this would be done on an experimental basis until the Board decided whether the practice was satisfactory.

3341 (2989) **REPRESENTATIVES ON LIVE STOCK RECORDS BOARD**

The President pointed out that it is customary for the Board, at its annual meeting, to appoint the Club's representatives on the Canadian National Live Stock Records Board for the current year, and suggested that a concerted effort should be made to place one of the Club's representatives on the Live Stock Records Committee.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. Williams:

"THAT, we appoint Mrs. M. E. McEeachren, Walter Brown, J. W. MacCallum, W. J. Monaghan and Mrs. N. T. Smith, as representatives for the Club to the Canadian National Live Stock Records Board for 1956.

FOR THE MOTION: Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mrs. Mack, Mr. MacKillop, and Dr. Watson.

ABSTAINED FROM VOTING: Mr. Brown, Mr. MacCallum, Mr. Monaghan and Mrs. Smith (being named in the motion).

Motion carried.

A secret ballot having been conducted, the Secretary announced that the vote indicated that it was the Board's wish that Mr. Monaghan be nominated for election to the Records Board Committee at the annual meeting of the Records Board in March. The Secretary was ordered to destroy the ballots.

3342 (3261). **ANNUAL CONVENTION COMMITTEE**

The Secretary reported that the report which the Chairman (Mrs. N. T. Smith) of this Committee has presented to the Board (see item 3261) had been ordered referred to this annual meeting of the Board.

The President suggested that Mrs. Smith be re-appointed Chairman of the Committee, with power to add to the Committee as she sees fit, the Committee to prepare an article for publication in the official organ, the purpose of the article being to secure an indication of the wishes of the membership at large regarding the proposal to hold an annual convention.

Mr. Irving enquired who would pay the costs of such a convention. Mrs. Smith stated that the costs would be defrayed from a registration fee payable by those attending the convention.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. Williams:

"THAT, no Canadian Kennel Club funds will be used in any way to further the convention."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan and Dr. Watson.

ABSTAINED FROM VOTING: Mrs. Smith (being Chairman of the Committee).

Motion carried

3343 (3046). **STANDING RESOLUTIONS COMMITTEE**

Mr. Irving, Chairman of the Committee, reported that all members of the Board had been supplied with a copy of many resolutions and policies previously approved by Boards.

Following discussion it was regularly moved by Mrs. Smith, seconded by Mr. Williams:

"THAT, Mr. Irving's report on Standing Resolutions Committee be received and tabled for discussion later in the meeting.

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried

3344 (3138). **COMMITTEE RE DOG FOODS**

Mr. Monaghan, Chairman of the Committee, placed the following report before the Board:

"1. With reference to the above and further to my report of December 20, 1955, I attended a conference in the Department of Agriculture on January 16, 1956. Mr. S. C. Barry, Director of Production Service, presided. The Veterinary Director General, Dr. K. F. Wells, and the Chief Veterinarian Contagious Diseases, Dr. R. J. McClenaghan, were present. The Deputy Minister was unavoidably absent.

2. We discussed the suggestion, advanced on more than one occasion by our Director for British Columbia, Mr. J. A. H. Irving, that it be made mandatory for the manufacturer to indicate on his label, or package, the percentage of certain of the contents, such as moisture, fat, protein, etc., of all dog food offered for sale, this for the protection not only of dog owners but also for the protection of certain persons who due to lack of funds are using or may use canned dog foods for their own sustenance. It was explained to me that the Meat and Canned Foods Act applies only to meats or meat products prepared for human consumption; and that the inspection of meats under the Act. is compulsory only with respect to products being sold interprovincially. Any compulsory inspection on meat products made and sold within a province would have to be under provincial authority. It was also pointed out that even if the Department were constitutionally able to carry out the necessary inspections it would be exceedingly difficult, and costly, to do so because of the shortage of veterinarians, a situation which also confronts the various provincial authorities at the present time. It was further explained that the Feeding Stuffs Act, a federal statute, is the one which provides that manufacturers of certain foods must comply with the form of label prescribed and show the guaranteed analysis of minimum percentages on it. However, in perusing the interpretation of this Act, it was noted that the term "live stock" does not include "dogs" and I was informed that the Department does not deem it advisable to have the necessary amendment made at the present time. It was also noted that competition is the best incentive to manufacturers to maintain more than the required feeding value in their products and it was felt more satisfactory results can be expected to ensue than if an attempt was made to compel by legislation. A label from a canned dog food manufacturer in the United States was examined. It shows a guaranteed analysis and I was informed this procedure was purely voluntary on the part of American manufacturers, there being no statute of any kind requiring it to be done. It was suggested that perhaps the Club might give favourable consideration to making an approach to the manufacturers in Canada for the purpose of seeking their co-operation in following the American practice and that perhaps the Club might wish to consider giving some type of 'Seal of Approval" to manufacturers who comply.

3. The matter of dogs being poisoned was then considered in quite some detail. Generally speaking, there are two types of poisoning—bacteriological and chemical. Bacteriological poisoning is what is commonly known as ptomaine poisoning. It usually results following the eating of spoiled canned food but it can possibly result following the eating of food from other sources. Chemical poisoning may result from the eating of manufactured foods but mostly comes about as the result of either accidental or deliberate poisoning. Most laboratories are equipped to analyze for bacteriological poisoning but there are few in Canada equipped to do chemical analysis. In any event, the veterinarian is in a position to direct the materials to the proper laboratory. It was agreed that it would be advisable to acquaint all our members with a suggested form of procedure to be followed, and to send a copy to every veterinarian in Canada to acquaint them with the suggestions made to our members.

4. Poisoning may come about in one of five ways:
   a. from spoiled or improperly manufactured food;
   b. from contaminated water;
   c. from contact with paints, sprays, etc, containing poison;
   d. accidentally while running loose, which poison may or may not have been deliberately set out;
   e. deliberately thrown to the dog in the form of food.

5. The commonest chemical poisons are phosphorus, strychnine, arsenic, or in anti-biotic, usually megasul, (nitro-phenide m, m-dinitrodiphenyldisulphide). Megasul is used in poultry feeds to combat or prevent avain cocci-diosis. In the case of megasul poisoning, the symptoms are somewhat similar to botulism or a typical strychnine poisoning, and the treatment consists of lavage, sedation and intravenous feeding.

6. The Criminal Code of Canada contains the following provision:
   386. Every one who wilfully and without lawful excuse
   (a) Kills, maims, wounds, poisons or injures dogs, birds or animals that are not cattle and are kept for a lawful purpose, or
   (b) places poison in such a position that it may easily be consumed

by dogs, birds or animals that are not cattle and are kept for a lawful purpose.

is guilty of an offence punishable on summary conviction.

7. I am attaching an outline of the procedure suggested to be followed when poisoning is suspected and an outline of the proper manner of handling exhibits intended to be analyzed.
8. We also had a discussion of the rabies situation and the following information may be of interest and value:

Rabies affects carnivorous animals, particularly dogs, foxes and wolves. If it is confined to dogs it can be promptly eradicated by controlling the movement of dogs. The present infection emanates from infected wildlife.

Over the last four years 54 percent of the confirmed cases of rabies in Canada and the N.W.T. has occurred in wildlife, 21 percent in domestic animals including cats, and 25 percent in dogs.

During the present fiscal year (April 1, 1955 to January 23, 1956) there have been 97 cases of rabies confirmed in Canada and the N.W.T. in all Species of animals as follows:

British Columbia, 1; Alberta, 18; Saskatchewan, 1; Manitoba, 3; Ontario, 70; Quebec, 1; Newfoundland, 1; N.W.T., 2.

Of the 70 cases occurring in Ontario, 43 were in wildlife, 16 in domestic animals including cats, and 11 in dogs.

9. At the close of the conference I expressed, on behalf of the Club, appreciation to the gentlemen present for their interest and assistance in our problems, and I would like to report I have their assurance they are willing and ready at all times to assist us in every way they possibly can."

Mr. Monaghan reported that:

(a) He had appended to his report to the Board a suggested procedure where poisoning is suspected and method of handling of exhibits in cases of sudden death is suspected;

(b) He had obtained the following amended statistics (up to February 4th) regarding cases of rabies (changes in statistics set out in report);

Manitoba—5; Ontario—73; North West Territories—3;

Analysis of Ontario cases: 44 were in wildlife, 17 in domestic animals including cats, and 12 in dogs;

No change in British Columbia, Alberta, Saskatchewan, Quebec and Newfoundland;

No reported cases in New Brunswick and Nova Scotia.

(c) Vaccination centres for rabies had been opened at Pembroke and the Petawawa Military Camp, and a centre would be opened at Lindsay at a later date.

Following discussion it was regularly moved by Mr. Williams, seconded by Mrs. Smith:

"THAT, a letter to be drafted by Mr. Irving, Mr. Monaghan and Dr. Watson to be submitted to the Board for approval and despatched to the Minister of Agriculture."

FOR THE MOTION: Mr. Brown, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop.

ABSTAINED FROM VOTING: Mr. Irving, Mr. Monaghan, and Dr. Watson (being named in the motion).

Motion carried

The Board recessed for lunch and reconvened at 2:10 p.m. with the President, Mrs. M. E. McEachren, in the Chair, and the following members of the Board present: Walter Brown, V. W. Williams, J. H. Daniell-Jenkins, Mrs. J. Gove, J. A. H. Irving, Robert B. Laskey, J. W. MacCallum, Mrs. Pamela B. Mack, R. L. MacKillop, W. J. Monaghan, Mrs. N. T. Smith, and Dr. H. L. Watson.

3345. **DISCUSSIONS WITH DIRECTOR OF CANADIAN NATIONAL LIVE STOCK RECORDS**

The President reported that Mr. F. G. Hodgkin, Director of Canadian National Live Stock Records, was present at the invitation of the Board, and introduced Mr. Hodgkin to the members of the Board.

Mr. Hodgkin stated that he was very happy to meet with the Board that relations between the Club and the Records Office were very cordial, and it was his desire that such relations continue.

The President enquired of Mr. Hodgkin whether he felt an association of live stock association secretaries would be helpful to the Records Office and the associations if such an association was formed. Mr. Hodgkin stated that he felt the suggestion had merit, that some breed secretaries do meet from time to time and perhaps that arrangement could be expanded to include all breed secretaries, and the reaction of the associations to such a proposal could be obtained by writing each association.

In reply to an enquiry Mr. Hodgkin stated that envelopes carrying to the Records Office applications for registration of dogs to be exported should bear on their face the word "EXPORT" in order to ensure immediate attention to such applications, it being the policy of the Records Office to issue such certificates within 48 hours if the application is in order. Mr. Irving suggested that the membership at large should be informed of this arrangement.

Mr. MacCallum enquired what progress was being made to the changeover of production of certificates of registration by the I.B.M. method. Mr. Hodgkin stated that at the present time the certificates for five associations are being produced by the I.B.M. punchcard system, it is planned to add the certificates of another association to the system this year, and because the certificates for each association are not identical, the changeover from typewritten certificates to certificates produced by the I.B.M. system presented special problems as the changeover is made for each association.

In reply to a question regarding the advantages of the "litter kit" system employed by the American Kennel Club, Mr. Hodgkin expressed the view that such an arrangement would have its advantages as the applications for registration of individual dogs would be partially prepared in the Live Stock Records office. The Secretary stated that following his conversation with the Executive Vice-President on this question some months ago, the Board had decided to defer consideration of this arrangement until the American Kennel Club had eliminated as far as possible any difficulties experienced in the handling of applications by this method.

Mrs. Smith enquired whether there was any advantage for breeders to register individually all puppies in the litter at the time of application for registration of litter. Mr. Hodgkins stated that such a practice would be most helpful to the Records Office, and it would enable the Records Office to provide fast service on delivery of certificates for dogs which are sold since it would be much simpler to receive, record and return the certificate showing transfer to a new owner as contrasted with the time that would be taken to fully process an application for registration and transfer of ownership.

Mr. Hodgkin stated that while he had not seen the Club's financial statements for 1955, the Club had had a very good year judging by the volume of business which the Records Office had handled for it during 1955. He stated that the Club ranked fourth in 1955 on the basis of individual animals registered amongst the associations forming the Live Stock Records office system, and that it had the highest ratio of recorded transfers of ownership compared with individual registrations.

It was regularly moved by Mr. Williams, seconded by Mrs. Smith:

"THAT, a vote of thanks go to Mr. Hodgkin and ask him to convey to Mr. Gundersen and his staff the appreciation of this Board for their fine work through last year."

FOR THE MOTION: Walter Brown, V. W. Williams, J. H. Daniell-Jenkins, Mrs. J. Gove, J. A. H. Irving, Robert B. Laskey, J. W. MacCallum, Mrs. Pamela B. Mack, R. L. MacKillop, W. J. Monaghan, Mrs. N. T. Smith, and Dr. H. L. Watson.

Motion carried.

The Secretary was instructed to forward to the Chairman of the Live Stock Records Committee a copy of the letter to be addressed to Mr. Hodgkin in accordance with the above stated motion.

The President thanked Mr. Hodgkin for his attendance at this meeting of the Board and Mr. Hodgkin then left the meeting.

3346 (3266). **FINANCIAL STATEMENTS AND MATTERS**

The Treasurer placed before the Board the financial statements for 1955 as received from the Club's auditors, also the comparative statements prepared by the Treasurer, together with additional information which he had supplied the Board in connection with said statements.

It was regularly moved by Mrs. Mack, seconded by Mrs. Gove:

"THAT, the auditor's report and the Treasurer's report be received and presented to the Annual General Meeting."

FOR THE MOTION: Walter Brown, V. W. Williams, J. H. Daniell-Jenkins, Mrs. J. Gove, J. A. H. Irving, Robert B. Laskey, J. W. MacCallum, Mrs. Pamela B. Mack, R. L. MacKillop, W. J. Monaghan, Mrs. N. T. Smith, and Dr. H. L. Watson.

Motion carried.

The President reported that the matter of the out-of-pocket expenses paid to Mrs. Alva McColl had been ordered referred to this annual meeting of the Board, and in connection with this subject and in view of a letter received from the Association of Canine Clubs (Ontario) raising certain questions with regard to this payment and the transfer of 'Dogs in Canada' to Apex Publishers & Publicity Ltd., it was her intention, subject to the approval of the Board, to read the following statement at the Annual General Meeting.

"By authority of the Board, the following statement relating to developments regarding 'Dogs in Canada' is read. It is hoped that it will answer any outstanding questions in the minds of the members.

1. Mrs. McColl, while President of the Club, and without salary, did act as Acting Managing Editor of 'Dogs in Canada' from October (1954) to the middle of April (1955), a total of 26 weeks. Mrs. McColl offered to undertake this work when it became evident that the Board would have to make other arrangements regarding the Editorship of the publication, and her offer was accepted by the Board, although, it might be added, that when the offer was made by Mrs. McColl and accepted by the Board, it was anticipated that other adequate and suitable arrangements would be completed without difficulty and at an early date.
2. While pursuing the quest for a suitable new Managing Editor, the Board decided that it would look into the possibility of making arrangements on terms suitable to the Club, for the publication of the magazine by an independent publishing company. An indication that this course of action was being followed was reported in minutes published prior to the last Annual General Meeting. Discreet enquiries were made of the McLean-Hunter Publishing Co., the Donovan Publishing Co. (who publish the Holstein-Friesian Journal and the Canadian Poultry Review), Fullerton Publishing Co., Wilson Publishing Co. and General Printers, but none of these firms was prepared to submit proposals for the Board's consideration. It was through one of these firms, however, that the Misses Dunn and Peer, who are now associated with the Club in the ownership of the magazine, came into the picture and later submitted proposals for the Board's consideration. The Board was advised that it had the legal power to sell the magazine.
3. Advertisements published in the Financial Post, Marketing, and a local daily newspaper brought a number of responses to the advertisement for a Managing Editor. These were carefully sifted by the Publications Committee, and one applicant was interviewed by the Board.
4. When the Misses Dunn and Peer first appeared before the Board at its annual meeting last February, they proposed that the magazine continue to be the property and financial concern of the Club, and they be engaged on a management fee basis. Following a thorough consideration of their proposal the Board decided to not accept it as it clearly indicated that salary costs would be well above previous salary costs. They then said that they were prepared to buy the magazine outright.
5. On Tuesday, following the annual general meeting, when it appeared possible, in fact likely, that the Board would have real difficulty in resolving this problem, Mr. Malcolm, at my request and on my behalf, presented the following proposal to the Board: The magazine to be incorporated as a limited liability company; I would pay the cost of incorporation, would pay the Club $2,000.00 for goodwill plus one year's profits averaged over the last three years; the company would publish the magazine, include C.K.C. official business at printer's cost and supply the magazine to each member at $1.00 per annum, the Club to receive 20% of the capital stock of the company, 20% of the profits and be entitled to a Director on the Board of the new company; I would agree to resell my stock back to the Club at any time within the next three years at 30 days' notice, the price to be agreed upon but in any event at a price to not exceed book value at time of repurchase. The Board was informed that I had in mind asking Mrs. McColl to be the Managing Editor, but I had not spoken to Mrs. McColl on that point before or after the proposal was placed before the Board.

This proposal was not accepted by the Board. It should be noted that until this proposal was placed before the Board it had not previously received any proposal regarding purchase. Before the annual general meeting last year all the Board had before it was the question of appointment of a new managing editor, and the proposal of Misses Dunn and Peer regarding management of the magazine on a salary basis.

6. Later, during the annual meeting of the Board, when it became apparent that the problem would not be cleared at the meeting, the Board appointed a Negotiations Committee, naming Mr. Monaghan as Chairman with power to add to the Committee as he saw fit. The Board instructed that it must be acquainted with all negotiations, all proposals received, and agreed that tenders would be called in the event the pending negotiations did not prove productive of a satisfactory agreement.
7. On February 25th, negotiations with the Misses Dunn and Peer and their solicitor were resumed, the Club being represented by Mr. Monaghan, Mr. Peter Wright, Q.C., and the Secretary.
8. The results of these negotiations in form of terms of a new proposal from the Misses Dunn and Peer were communicated to all members of the Board on February 26th with the unqualified recommendation of Mr. Monaghan and Mr. Wright that the new proposal be accepted. The views of all members of the Board were sought.

9. At a meeting of the Board on March 8th, the Secretary reported on replies received from members of the Board. Following a thorough discussion, the Board, without the dissenting vote of any member of the Board present at the meeting, decided that:

(a) The Club's solicitors and Mr. Monaghan be authorized to approach the Department of Agriculture for the purpose of informing them of the details of the application for incorporation of the new company and ascertain whether or not there are any objections;

(b) In the event the Department had no objection, the Club's solicitors be authorized to inform the solicitor for the Misses Dunn and Peer, that the Club was willing to complete the transaction as outlined in their proposal, details to be satisfactory to the Club's solicitors.

It was also decided that the entire Board be consulted and asked to vote regarding the appointment of the Club's representatives on the Board of Directors of the new Company.

10. At this time and in order to ensure the continued publication of the magazine while negotiations continued and final agreements reached, Mrs. McColl was asked to carry on as Managing Editor. The Board by resolution asked that Mrs. McColl submit a statement of her actual and reasonable out-of-pocket expenses since October 23rd, 1954, in connection with the editorship and publication of the magazine. It was also decided that the National Board would be consulted on the question of authorizing the President to visit the Kennel Club and other kennel clubs in Europe at a cost not to exceed twelve hundred dollars.

11. At the meeting of the Board on March 29th, the Board was informed that Department had no objection to the proposed new company. At this meeting the Secretary presented the draft of proposed agreements. These were ordered forwarded to all members of the Board for their study together with the views of the solicitor, and with an invitation that all members of the Board submit their comments. The solicitors were authorized to conclude agreements after they had considered all suggestions received from members of the Board. Mr. Wright and Mr. Monaghan, having received the most votes on the poll of the entire Board, were named the Club's representatives on the Board of Directors of Apex. The President and Secretary were authorized to sign the final agreements drawn by the solicitors.

12. At the next meeting of the Board in May, Mr. Monaghan, chairman of the Negotiations Committee, reported that all comments received from members of the Board regarding the draft agreements had been relayed to the solicitors, the solicitors had dealt with all points raised although certain of the points raised had prompted changes in the draft agreements, and the agreements had been signed by the President and Secretary as authorized at the previous meeting.

13. Apex Publishers & Publicity Ltd. took over the responsibility of the publication of 'Dogs in Canada' with the **May issue.**

14. The following are the salient features of the arrangements made with regard to 'Dogs in Canada.' These were reported in the June issue of 'Dogs in Canada'.

The Club and Key Publications have joined in the incorporation of a limited liability company known as Apex Publishers and Publicity Limited in which Key Publications has a 51% share interest and the Club a 49% share interest. The directors of the new company are the Misses Dunn and Peer and Mr. Dillon representing the majority shareholders and Mr. Monaghan and Mr. Wright representing the Club. The Club has transferred 'Dogs in Canada' to the new company and Key Publications has paid $2,500 into the treasury of the company. The Club has agreed to pay for subscriptions to all members at the rate of 8-1/3c per copy and has advanced $3,000 on account to pay for the first twelve issues. The Club will continue to publish its official business in 'Dogs in Canada' and will pay for it at printer's cost, as in the past. Misses Dunn and Peer, as Key Publications, have entered into a management agreement with the company to publish the magazine monthly, their remuneration to be computed according to a percentage of the profits, on a sliding scale, after expenses have been paid. The balance of the profits will remain in the treasury of the company and in this the Club will have a 49% share.

Now what are the advantages of this new arrangement:

First: The other shareholders in the new company do not receive one cent for their services unless the magazine realizes a profit on its operations. In the event there should be a loss during any fiscal year of the magazine's operations, the Club is not called upon to meet any deficit as it has in prior years when there was an operating loss on the magazine.

Second: As long as the existing agreements are carried out, the Club does not have the recurring problem of providing competent and adequate staff to handle the publication. It may not be generally known, but in the years 1935 to 1955 inclusive there has been no less than nine different persons holding the post of Managing Editor, and in that period there was no less than thirteen changes in that post. In the past few years when the Secretary was called upon to handle the magazine while a new Editor was found, there was a serious dislocation of the Secretary's work as some of you had occasion, perhaps, to note to your annoyance.

Third: Should the Key Publications Co. (Misses Dunn and Peer) cease to perform the services called for by the contracts, the Club has the right to purchase the stock interest of the majority shareholders in Apex at par or book value including surplus.

Apart from the advantages related it is a fact that the largest, and perhaps wealthiest, live stock association in Canada does not publish its official organ. It has an arrangement with a publisher to publish its official business and supply its members with the magazine, but unlike the Canadian Kennel Club it does not have any interest, financially, in its official organ.

Examination of the financial statements for the magazine for the ten-year period 1945 to 1954 inclusive will show that the magazine realized, on paper, a net profit of $2579.00. In connection with this figure, however, two facts should be noted:

(1) In 1948 the magazine was allowed $9138.47 for publication of official business, and it is conservatively estimated that this allowance was not less than $3000 in excess of actual printing costs;

(2) For the greater part of the ten-year period referred to, the magazine was not charged with the costs of services provided by the Club's bookkeeper, and at no time in that period was the magazine charged with such overhead items as auditors' fees, legal fees, maintenance of office costs, etc. nor with cost of office supplies except that on office supplies that could be used alone by the magazine."

The President asked the Board for its support and stated that the payment of out-of-pocket expenses to Mrs. McColl "had been made without any intention or" through any definite plan of trying to do something out of line.

Asked to state the total amount paid Mrs. McColl for travelling and other expenses for 1955, the Secretary reported the total was $2,247.85.

Following discussion, it was regularly moved by Mr. Williams, seconded by Dr. Watson:

"THAT, after discussion, the Board felt that the amount paid Mrs. McColl for out-of-pocket expenses was excessive and that we ask the members at the Annual General Meeting if it is their wish that we demand re-payment from Mrs. McColl.'

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith and Dr. Watson.

ABSTAINED FROM VOTING: Mrs. Mack.

MOTION CARRIED.

The Secretary read a letter from the Association of Canine Clubs (Ontario) requesting that this letter, seeking certain information regarding payment of expenses to Mrs. McColl and about the transfer of "Dogs in Canada" to Apex, be placed on the agenda of the Annual General Meeting. The Secretary reported that the matter had been discussed with the Club's solicitor who had suggested that there be an addition, under the heading "Reports", to the agenda of the Annual General Meeting, said addition to be identified as "Arrangements with regard to "Dogs in Canada" and related matters". The Secretary was instructed to be governed by the recommendations of the Club's solicitors.

Following a discussion, the President read the following statement:

"Misses Dunn and Peer put up $2500 for shares in the new company. So far as Mr. Williams, Mr. Wright, Mr. Brown and the Directors representing any of the provinces were concerned, they had no reason to know how this money was raised by Misses Dunn and Peer. In fact, I provided the money by way of loan indirectly and took a third party's mortgage as security. The loan was paid off and the mortgage discharged in September, 1955. At no time did I have any personal financial interest direct or indirect in Apex Publishers and Publicity Limited. The only persons interested financially in that company to my knowledge are Misses Dunn and Peer and the Club.

"Last September Mr. Wright on his own motion examined the share certificates of Apex in the names of Misses Dunn and Peer. He reported that their shares were unendorsed and unpledged and that he was satisfied that there was not and had never been any mortgage, charge or lien or right given with regard to these shares to anyone.

"You will appreciate, I hope, that my only motive in arranging this loan was to assist the work and purpose of the Club."

Following a discussion, it was agreed that the Misses Dunn and Peer would be invited to meet with the Board, and the President was authorized to extend the invitation.

The Treasurer reported that it was customary for the Board at its annual meeting to provide the Treasurer with authority to pay monthly to the Canadian National Live Stock Records the monthly levy set by the Live Stock Records Commitee which, in 1956, amounted to $2554.17 monthly.

It was regularly moved by Mr. Williams, seconded by Mr. Irving:

"THAT, the Secretary-Treasurer be and is hereby authorized to pay to the Canadian National Live Stock Records monthly on account an amount of $2,554.17."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

MOTION CARRIED.

The Treasurer presented the following report of the amounts due the Club for advertising, etc., in "Dogs in Canada" up to the time of the transfer of the magazine to Apex:

Period	Total Accts. Receivable	Written Off	Balance owing at Jan. 31, 1956
Before 1952	$ —	$ —	$ 82.40
1952	14,006.30	29.80	1.50
1953	16,178.75	67.95	74.30
1954	10,914.05	—	172.09
1955	3,945.60	—	119.90
			$450.19

Following discussion, it was regularly moved by Mr. Williams, seconded by Mr. Daniell-Jenkins:

"THAT, the President, Mrs. McEachren, and Mr. Walter Brown be a Committee to work with the Secretary to deal with the matter of unpaid accounts and make a report to the national Board."

FOR THE MOTION: Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

ABSTAINED FROM VOTING: Mr. Brown (being named in the motion).

MOTION CARRIED.

The President pointed out that the Board at its meeting in January (Item No. 3328) had appointed a committee composed of Mr. J. J. Farmer and Mr. J. Neill Malcolm to consider the portfolio of the Club's investments and submit a report and recommendations for the consideration of the Board at this meeting.

The Secretary read the following report received from the Committee:

"Referring to your letter of the 12th January, 1956, the undersigned have met and considered the investments of your Club, as represented by $30,000 face value of Canadian Government, Province of Ontario and Hydro Electric Power Commission of Ontario bonds. We have no recommendations to make at this time with respect to the composition of your Club's portfolio.

"However, we have considered, as a matter of general responsibility, how best the interests of the Club may be served and, after due consideration we take the liberty of recommending as follows:—

'(1) As a matter of policy:

(a) The investments be considered, on the one hand, to be a Contingency Reserve, the purpose of which is to protect the Club against failure (through lack of funds) to fulfill its functions in times of adversity. It will be recalled that there have been years in the past when, due to serious losses, the Club's services had to be curtailed and in some cases even eliminated.

"In such case the contingency reserve could well be placed in highly saleable securities at the highest yields consistent with safety.

(b) The investments be considered, on the other hand, to be a Building Fund, having in mind that it may prove desirable, within a relatively short time, for the Club to own such premises as are essential to its operations rather than rent them.

"In such case the Building reserve should be placed in short term investments.

"(2) The type of investment should be restricted to those securities which are recognized by the Canadian and British Insurance Companies Act (1932) and amendments thereto.

"(3) The investments should be placed in Safekeeping in a Chartered Bank to the order of the Canadian Kennel Club.

"(4) The Board should (a) authorize the investment of further funds from time to time, (b) advise the Committee from time to time how

much monies is available for this purpose and (c) furnish the Committee with a certified copy of each enabling resolution &/or minute.

"(5) The Committee thinks it advisable that it should deal as a Board of Trustees, properly constituted as such, rather than as a committee.

"If the foregoing recommendations are acceptable, we shall be pleased to work out the details and operating procedures with you."

Following discussion, it was regularly moved by Mr. Brown, seconded by Mr. Irving:

"THAT, the report be received and the Committee thanked for their information and the Committee be dissolved."

FOR THE MOTION: Mr. Brown, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Dr. Watson and Mr. Williams.

AGAINST THE MOTION: Mr. Daniell-Jenkins, Mr. Monaghan and Mrs. Smith.

ABSTAINED FROM VOTING: Mrs. Gove and Mr. MacKillop.

MOTION CARRIED.

It was then regularly moved by Mr. Irving, seconded by Mr. Laskey:

"THAT, we submit our list of securities to some of the bond houses such as Wood Gundy & Co., Ames & Co. or with the Royal Trust Bond Department and ask them to keep us apprised of any happenings which may interest our particular investments."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith and Dr. Watson.

MOTION CARRIED.

A discussion followed on the advisability of investing part of the Club's present cash reserves and of the advisability of providing for quick changes in the portfolio when and if considered necessary.

It was regularly moved by Mrs. Mack, seconded by Mr. Irving:

"THAT, the President, Vice-President and Secretary-Treasurer be and are hereby a Committee authorized to invest or reinvest the Club's funds save that the Committee must confine the Club's investments to those permitted by the Trust Fund Act."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell Jenkins, Mr. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith and Dr. Watson.

MOTION CARRIED.

Mr. Monaghan stated that in 1952 an instruction had been given the Treasurer regarding information to appear in the schedule of investments and he suggested that additional information be furnished in future schedules.

It was regularly moved by Mr. Monaghan, seconded by Mr. Brown:

"THAT, when the schedule of investments for 1956 is being setup that there be a column headed yield in relation to cost; another column headed rate of interest in relation to market valuation and a third column in an appropriate place showing the date of purchase."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith and Dr. Watson.

MOTION CARRIED.

The President stated that in the previous year the Board had agreed on a set amount to be paid to members of the Board in Ontario for their travelling expenses and enquired whether the Board wished a continuation of that policy. Following discussion, it was agreed that members of the Board in Ontario should be paid their actual travelling and out-of-pocket expenses when attending meetings of the Board.

It was regularly moved by Dr. Watson, seconded by Mrs. Gove:

"THAT, the Directors in Ontario be paid their actual travelling and out-of-pocket expenses when attending meetings of the Board."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, and Dr. Watson.

ABSTAINED FROM VOTING: Mr. Monaghan and Mrs. Smith.

MOTION CARRIED.

The President reported that the Treasurer desired an indication of the Board's wishes in connection with comparative statements as quarterly statements are provided during 1956 and also in connection with the annual statements for 1956.

It was regularly moved by Mr. Williams, seconded by Mr. Monaghan:

"THAT, the annual statements be published in the same form as at present except that the Secretary-Treasurer shall provide the Board with comparative statements and the Secretary-Treasurer shall arrange for 200 copies of the annual statement (insert form) for distribution at the next annual general meeting."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith and Dr. Watson.

MOTION CARRIED.

Mr. Monaghan expressed the view that a stated policy and procedure should be followed in connection with long-distance telephone calls and use of telegraph facilities and referred to the notice of motion which he gave at the January meeting of the Board.

Following discussion, it was regularly moved by Mr. Lawrence, seconded by Mr. Irving:

"THAT, the Secretary shall cause to be kept in a suitable record book a record of overy long-distance telephone call and telegrams made, sent or received, the record to show the date, time, name and address of sender or person calling and the nature of the business dealt with, such record to be presented for examination by the Board at least quarterly."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, and Dr. Watson.

AGAINST THE MOTION: Mr. Monaghan and Mrs. Smith, on the grounds that the amendment is not a sufficiently clear formulation of policy.

MOTION CARRIED.

Mr. Monaghan stated that the adjustments which the Treasurer had made in the financial statements for the nine months period ending September 30th, 1955, had afforded the Board and the members with a truer picture of the Club's financial position at that time and suggested that the Treasurer be authorized to make the same adjustments in the financial statement for the nine months period ending September 30th, 1956. He also pointed out that as a result of the adjustment calculated by the Treasurer and the special payment on account with the Live Stock Records office there had been removed the necessity for a substantial payment to complete payment of the Club's share of the Live Stock Records office costs in 1955 and suggested that if the statistics at the end of September, 1956 indicated any substantial under-payment of account with the Records office that the Treasurer should be authorized to make a special payment on account.

It was regularly moved by Mr. Monaghan, seconded by Mr. Williams:

"THAT, the Treasurer be authorized to calculate an adjustment on the receipt of the September statistics, this for purposes of budget control and where necessary make the adjustment payment to the Records Office on account."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith and Dr. Watson.

MOTION CARRIED.

——The Board recessed for dinner at 6:45 P.M. and reconvened at 8:15 P.M. with the President in the Chair and the following members present: Mr. Brown, Mr. Williams, Mr. Daniell Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith and Dr. Watson.

3347 (3302). **"DOGS IN CANADA"**

The President: (a) reported that she had been in touch with the Misses Dunn and Peer who had agreed to meet with the Board and discuss matters relating to the official organ; (b) stated that very likely questions would be asked at the Annual General Meeting regarding the transfer of the magazine to Apex Publishers and Publicity Ltd. and matters relating thereto, and if it was the Board's desire she would read the two statements previously read to the Board (Item #3346); (c) stated that the arrangements had been completed in 1955 after all members of the national Board had been consulted, and the success of the arrangements depended on the unanimity of the Board in doing all in its power to make the agreements effective in the best interests of the Club.

The President was authorized to read the two statements at the Annual General Meeting.

Mr. Monaghan stated that as one of the Club's two representatives on the Board of Directors of Apex he would be prepared to make a statement covering the highlights of the situation and would be prepared to answer any questions if it was the Board's desire that he do so.

The President stated that an interim unaudited statement for the eight months period ending December 31st, 1955, had been received from the publishers of the official organ, and these statements had been examined by Mr. Monaghan, the Secretary and herself.

Mr. Monaghan stated that the statements indicated that advertising revenue in the eight issues (May to December inclusive) exceeded the total advertising revenue in the twelve issues published by the Club in 1954, and the magazine was progressing a little better than was expected. He expressed the view that judgment on the success of the new arrangements should be reserved until the new arrangements had been in effect for at least eighteen months.

Following discussion it was regularly moved by Mr. Brown, seconded by Mr. Williams:

"THAT, in view of the interim unaudited financial report submitted by the publishers and same having been reviewed by the President and one of the Club's two duly authorized representatives on the Board of Apex who reported that in their opinion the report was a decidedly favourable one, that at the end of the first fiscal year of the Apex Publishing Company an audited financial statement be published in the first following edition of the official organ."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

ABSTAINED FROM VOTING: Mr. Monaghan (on the grounds that he is one of the Club's two representatives on the Board of Directors of Apex).

MOTION CARRIED.

Mr. Monaghan reported that when the new arrangements for the publication of the official organ had been completed, the immediate past President had arranged for the show and trial awards to be printed 6 point on 7 type, and the question of whether this arrangement should continue or all official business be printed 6 point solid (6 pt. on 6) had been ordered referred to this meeting for decision.

In reply to a question the Secretary estimated that a saving of 5% of cost would be realized if 6 point solid type is employed for the printing of show and trial awards.

A majority of the Board being in favour of continuing the present style, it was agreed that no change be made at this time.

——The Misses Dunn and Peer (of Apex) entered the meeting and were welcomed by the President and introduced to all members of the Board.

In a discussion which followed the Misses Dunn and Peer answered questions relating to the negotiations which preceded the signing of the final agreements between the Club and Apex Publishing and Publicity Ltd., and with regard to their relations with Mrs. Alva McColl prior to and following the transfer of the official organ to Apex.

The President thanked the Misses Dunn and Peer on behalf of the Board and they then left the meeting.

A discussion followed on the question of payment of travelling and out-of-pocket expenses of the Club's representatives on the Board of Directors of Apex.

It was regularly moved by Mr. Irving, seconded by Mr. Williams:

"THAT, we pay any expenses for our representatives on the Board of Apex while attending any meeting."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

ABSTAINED FROM VOTING: Mr. Monaghan (being one of the Club's representatives on the Board of Directors of Apex).

MOTION CARRIED.

Mr. Monaghan: (a) pointed out that at the commencement of the new arrangements with Apex the Club had advanced a sum of $3000 towards payment of copies of the magazine to be mailed to members; (b) reported that he had discussed with the Misses Dunn and Peer what arrangements they preferred when this amount had been fully used; (c) reported that they preferred to discontinue the advance arrangement and receive payment monthly as each issue is mailed to members. It was agreed that the latter arrangement would take effect when the $3000 advance is fully used.

A discussion followed on the question of publication of "Letters to the Editor" criticizing or otherwise commenting on the policies or rules of the Club. Mr. Irving expressed the view that the editors should obtain authoritative information from the Club before publishing such communications and, when so authorized, publish an official answer.

Mr. Daniell-Jenkins recommended that the Board seek confirmation from the Annual General Meeting of the appointment of Mr. Wright and Mr. Monaghan as the Club's representatives on the Board of Directors of Apex.

Following discussion it was regularly moved by Mr. Daniell-Jenkins, seconded by Mr. Laskey:

"THAT, we request the Annual General Meeting to confirm the appointment of Mr. W. J. Monaghan and Mr. Peter Wright as

our representatives to Apex Publishers and Publicity Limited, and that we inform our members that Apex has not yet finished its first year, and, therefore, we feel that the original negotiators should be continued in that position. By next year, when things are more settled, we might be able to bring procedure on this in line with our other elected practices."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacCallum, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

ABSTAINED FROM VOTING: Mr. Monaghan.

AGAINST THE MOTION: Mrs. Mack.

MOTION CARRIED.

3348. **ADJOURNMENT**

At 10.30 P.M., on motion, duly seconded and carried, this meeting of the Board of Directors adjourned to reconvene in the same place at 9.30 A.M. on Wednesday, February 8th, 1956.

FEBRUARY 8th, 1956

3349. This annual meeting of the Board of Directors of the Canadian Kennel Club, Inc. reconvened at the King Edward Hotel, Toronto, on Wednesday, February 8th, 1956, commencing at 9:45 A.M., with the President, Mrs. M. E. McEachren, in the Chair, and the following members of the Board present: Walter Brown, V. W. Williams, Mrs. J. Gove, J. A. H. Irving, R. B. Laskey, J. W. MacCallum, Mrs. P. B. Mack, R. L. MacKillop, W. J. Monaghan, Mrs. N. T. Smith, and Dr. H. L. Watson.

The Secretary reported that Mr. J. H. Daniell-Jenkins had found it necessary to seek an emergency appointment with his dentist and would attend this meeting as soon as possible.

3350 (3326). **LONG RANGE PLAN.**

The President pointed out that at the January meeting of the Board, Mr. Monaghan, Chairman of the Long Range Plan Committee in 1955, had given notice of motion regarding the appointment of a Long Range Plan Committee with specific terms of reference (see Item #3326). The President suggested that the separate Committees appointed in 1955 on Study Groups and Foundation Fund be combined with the Long Range Plan Committee.

Mr. Monaghan: (a) reported that in 1955 he had sent a number of suggestions to the Board, and a number of very constructive ideas had been elicited; (b) expressed the opinion that "by thinking ahead far enough we will be able to formulate policies which will be in the best interests of the members and the Club"; (c) referred to his recommendation that existing policies relating to the referring of matters to the national Board be amplified; (d) suggested that the necessary authority be given the Secretary to reprint the By-laws in up-to-date form in 1957 with any amendments approved on the 1956 Referendum Ballot and that every member be supplied with a copy of such By-laws in 1957; (e) stated that the Chairman of the Committee, and any Sub-committee Chairman appointed, should be prepared to carry out the responsibilities and duties of the Committee, otherwise should decline appointment; (f) forecast a minimum of 6% increase in the economy of the country with likely beneficial effects on the Club's operations; (g) suggested that the Investments Committee be authorized to invest, during the year, an amount up to $15,000.00, of which $5,000 should be invested at the earliest opportunity; (h) stated that he was prepared to accept the appointment as Chairman of the Committee, and, if appointed, would like to set up a number of sub-committees on such matters as relations with municipalities on dog matters, formulation of plans for a wider acceptance of pure-bred dogs by the general public, etc.

It was regularly moved by Mrs. Smith, seconded by Mr. Laskey:

"THAT, the report of the Chairman of the Long Range Plan Committee be received."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mrs. Smith and Dr. Watson.

ABSTAINING FROM VOTING: Mr. Monaghan (being Chairman of the Committee).

MOTION CARRIED.

The President stated that in the field of public relations, the Club could give yeoman services to the members. Dr. Watson stressed the possibility of formulating plans whereby the Club could co-operate with municipal authorities in the matter of licencing of dogs and kennels, and the long range plan should include ways and means of assisting all-breed an specialty clubs in programs of study. Mr. Laskey stated that as a result of representations which the President of the New Brunswick Kennel Club and he had made to city officials in Saint John a breeder with a registered kennel prefix or a member of the C.K.C. could obtain a kennel licence, and those who did not meet either of these requirements could not obtain such a licence.

The President enquired whether it would be preferable for each provincial director to form his own committee which would then work on a long range plan with the parent committee, such local committees to work on local matters where it is considered advisable to do so. Following discussions, it was agreed that all members of the Board would be ex-officio members of the Long Range Plan Committee, the Chairman and specifically named members of the Committee to be "a clearing house" for handling suggestions, plans and preparing reports for the consideration of the Board.

——Mr. J. H. Daniell-Jenkins (Director) entered the meeting.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Mack:

"THAT, a Long Range Plan Committee be appointed for the purpose of:

a. evolving ways and means of better achieving the Objects of the Club;
b. drafting an integrated overall Club policy;
c. formulating a comprehensive plan of breed research;
d. suggesting suitable preparations for the observance of the 75th anniversary of the Club in 1963;
e. considering and recommending other plans, projects, ideas and suggestions deemed likely to promote the progress of the Club and enhance its value to the members;

said Committee to report regularly to the Board."

FOR THE MOTION: Walter Brown, V. W. Williams, Mrs. J. Gove, J. A. H. Irving, R. B. Laskey, J. W. MacCallum, Mrs. P. B. Mack, R. L. MacKillop, W. J. Monaghan, Mrs. N. T. Smith and Dr. H. L. Watson.

ABSTAINED FROM VOTING: J. H. Daniell-Jenkins (not being present for entire discussion on this subject).

MOTION CARRIED.

It was regularly moved by Mrs. Smith, seconded by Mr. Laskey: "THAT, W. J. Monaghan be and is hereby appointed Chairman of the Long Range Plan Committee, with Committee members Walter Brown and V. W. Williams."

FOR THE MOTION: Mrs. J. Gove, J. A. H. Irving, R. B. Laskey, J. W. MacCallum, Mrs. P. B. Mack, R. L. MacKillop, Mrs. N. T. Smith and Dr. H. L. Watson.

ABSTAINED FROM VOTING: Walter Brown, V. W. Williams and W. J. Monaghan (being named in the motion); J. H. Daniell-Jenkins (not being present for entire discussion on this subject).

MOTION CARRIED

3351 (3178). **STANDING COMMITTEE FOR OBEDIENCE**

Mr. J. H. Daniell-Jenkins, Chairman of the Committee, presented the following report:

"INTRODUCTION

1. The Chairman was appointed for the period from the annual meeting, 1955 to the annual meeting, 1956. He appointed to serve with him for this time the following members: Deputy Chairman, Mrs. Pamela Mack; Mr. Frank Mingie, Miss Dorothy Budge, Mr. Alan Sharp, and Mrs. James Dempster — all from Quebec; Miss V. E. Meyers, Mr. E. O'Brien, Mrs. N. T. Smith, Miss Reba Graham and Mr. E. Sucee, representing Ontario; Mr. D. W. McIntyre of Manitoba; Miss Agness Hammond of Alberta; Mr. R. W. Johnston, British Columbia; and ex officio, Mrs. Alva McColl and Mr. Norman Brown. Committee meetings have been held in Montreal, Toronto and Hamilton. In all there were six meetings.

"A practice has been made this year of welcoming as observers to these meetings any members of the C.K.C. who may be interested in Obedience—such observers however, having been asked to retire from the meeting during discussion of confidential matters, such as the qualifications of applicants to judge. Also, on matters of general interest their opinions are heard and welcomed by the meeting although of course they can have no vote.

"My thanks are due as Chairman to my colleagues for their work and co-operation during the past year.

"OBEDIENCE REPRESENTATIVES

2. It has been the practice in the past for directors to appoint Obedience Representatives in their Provinces. These persons are unpaid and are required to attend as many Obedience Trials within their Province or area as they can possibly reach. They report on the conduct of the Trial to the Standing Committee and also watch for infractions of Obedience Trial Regulations. They are also required to assist the Trial-Giving Clubs, enabling them to find the necessary equipment and ring space to conduct orthodox trials. They can also assist clubs in making available to them lists of qualified judges as approved by the C.K.C.

"Another duty of the Obedience Representatives is to appoint Examining Committees to pass on the abilities of candidates seeking C.K.C.'s approval as Obedience Judges, once the Standing Committee has passed on the initial application of such candidates.

"It is my earnest wish to place on record my appreciation of the hard work and integrity which has characterized during the past year those members of the C.K.C. across Canada, who have held the numerous positions of Obedience Representatives.

"In at least two Provinces it appears to me, although no complaint has been received from the representatives concerned, that the Board of Directors would be well advised to consider the appointment of a second Obedience Representative. On geographical grounds, it is extremely difficult for one British Columbia member to work the Trials on both the Island and the Mainland. Two represenatives were allowed to this Province and it is my conviction that this practice should be reinstated. In Ontario, the difficulty is numerical rather than geographical but there will soon be a geographical issue as well, since the Lakehead Kennel Club at Fort William and Port Arthur hope to put on an Obedience Trial by at least 1957. In Ontario in 1955, five hundred and thirty-seven dogs competed in twenty-three separate trials from Ottawa right across the Province to Windsor. To attend all these trials involves the Obedience Representative of this Province in considerable expenditure of time and transporation money, and it would seem that the five Ontario Directors should seriously consider the possibility of appointing a second Obedience Representative for their Province which has far and away the largest number of trials and entries of any area in Canada.

"Obedience Representatives are at present nominated by the Director or Directors for the Province or areas in which they are to operate. For the last few years an unofficial practice has arisen among the five Ontario Directors of writing to those Dog Clubs, which have staged a C.K.C. Licenced Obedience Trial during the preceding year, to ask them to express their preference in the matter of this appointment. Those five Directors when it comes to the appointment of Obedience Representatives at the annual meeting of the Board, have been guided by the wishes of the majority of clubs contacted. It would seem to me that this commendable practice should now be made official elsewhere in Canada as well as in Ontario, and I would suggest a Standing Order of the Board to the effect that all Directors responsible for the nominations of Obedience Representatives first seek the wishes of the majority of Trial Giving Clubs in their Province or area and then guide themselves by the wishes of the majority. I feel this is most especially important since if an amendment to which I with others have subscribed my name, goes through on the referendum ballot this year, the Obedience Representatives will find themselves in a position of exercising far greater authority both on a local and a national basis than they have done in the past. This amendment will be discussed more fully in a later paragraph of this report.

"It is also my belief that in order to insure a reasonable distribution both of duties and privileges among the members of the C.K.C. interested in Obedience that no person be allowed to hold the position of Obedience Representative in any one area for more than two consecutive years but that such persons should be eligible for reappointment as soon as two years has elapsed from the time of their relinquishing their previous appointment.

"OBEDIENCE JUDGES

3. The writer of this report is not altogether satisfied with the results forwarded to him by the Examining Committees which have been functioning in Canada. The scarcity of Canadian judges combined with the regulations limiting the time and place where a judge may repeat his assignment, have forced the Trial Giving Clubs to import judges from the U.S. to do jobs for which by this time we should surely have enough qualified Canadians. The Examining Committees have without doubt acted in what they believe the best interests of Obedience but have they considered all the factors in making their decisions. There has also come among recent immigrants, a number of persons who claim to be fully qualified as Obedience judges in their own countries. At least one of these candidates, an Englishman, felt that it was unreasonable to require him to go through an apprenticeship and undergo a form of examination when he could furnish proof of his ability from competent authorities overseas. Another applicant, a German, expressed his willingness to appear before the Examining Committee of the Province in which he was residing but then failed to appear on the date set. The results have been, that two probably competent judges, now Canadian residents, have been lost to the Obedience ring. Could it not be possible for the Obedience

Representatives throughout the country to decide what overseas qualifications they will accept for judges, without further examination or apprenticing? From the fact that only nine applications to judge were received during a whole calendar year by the Standing Committee, it would seem that the high calling of an Obedience judge for some reason or another, does not seem to appeal to the average Obedience enthusiast. It must be the duty of those concerned with Obedience in Canada not only to seek out the reasons for this reluctance, but also to give every aid and encouragement especially to young persons to study and train for eventual recognition as judges. Intense efforts should be made to conduct Obedience Judging Schools indoors, especially during those months outside activities are at a minimum. The above appointments are rendered more urgent by the fact that certain amendments to which I and others have set our names will, if passed, alter certain exercises in the Canadian ring from their counterparts in the U.S.—a factor which will make it very difficult for any American to judge competently a Canadian trial. Owing to what appears to be an oversight in the Obedience Trial Regulations, there is no provision which permits either the Board of Directors or the Standing Committee to review the license of an Obedience judge when once it has been granted. Proposed Amendment No. 36 is an attempt to fill in this gap in the Obedience Trial Regulations and to permit, with proper safeguards, the Obedience Representative and the Board of Directors to review the Obedience judging licences already granted.

"CIVIL DEFENCE

4. Considerable help has been given by the Standing Committee On Obedience and by other Obedience enthusiasts to the work of Lt. Comm. J. M. McDougall's Co-ordinating Committee On Dogs For Civil Defence. This work being covered by another report, it is not necessary to do more than record the fact in the Obedience report.

"DEFINITION OF TRAINER

5. The Standing Committee on Obedience at its April 22nd meeting in Montreal, recommended to the Board of Directors that the following definition of the word "trainer", as contained in the Obedience Trial Rules and Regulations be made official; 'A trainer shall be any person who conducts a Dog Obedience Class or assists in such training class, or any person who has trained any person's dog or other persons' dogs',—this recommendation was duly acted upon by the Board of Directors at their May 11th meeting.

"PUBLICITY

6. Tribute should be paid both to Mr. Alan Sharp of Montreal and Mrs. N. T. Smith of Hamilton, Ontario, for the excellent job they have done in publishing Obedience generally and the work of the Standing Committee in particular. Mr. Sharp has conducted an Obedience column in the Club's official organ, "Dogs in Canada", which is also on sale on book stalls. The articles which he has written are of interest not only to the general public but also the people with experience in Obedience work. It is hoped that Mr. Sharp will be induced to keep up the good work in subsequent years. Mrs. Smith has staged Obedience demonstrations on television with considerable skill and appeal, and her work on the air has done much to interest the viewers of that station in trained dogs and their work. It is to be hoped that Mrs. Smith also will be able to continue this excellent service. I would also like to pay tribute to the Vancouver Dog Obedience Training Club and the Mountain City Obedience Club of Montreal for their very interesting bulletins which I have had much pleasure in receiving during the past year.

"THE AMENDMENTS

7. In the amendments to be discussed at the annual general meeting, there are a number which have been proposed by members of the Standing Committee On Obedience supported by their Chairman. It might be of interest to the Board to have a preliminary explanation of these proposed measures. (Here followed an explanation of the reasons for proposed amendments No. 8, No. 36, No. 37, No. 38, No. 40, No. 43 and No. 45.)

"OBEDIENCE IN THE WEST

8. When I recommended in the earlier part of this report, that the coming Chairman of the Standing Committee On Obedience should be one of the Western Directors, I wanted to express my appreciation of the advances made in Obedience in those Provinces. Not only were the usual activities and training classes continued with increased vigor, but new departures have been made in the field of Tracking Tests and training of dogs for Civil Defence. In the latter field, British Columbia is probably ahead of any other part of our country, and is the first and only Province to follow the lead of Quebec in embarking on Tracking Tests.

"TRACKING TESTS

9. I would like to draw to the attention of the Board, the fact that the Montreal Dog Obedience Club has staged with great success its second annual Tracking Test near Ste. Agathe, Quebec This effort was even more successful, if possible, than that of the previous year and I would like to recommend to Obedience enthusiasts throughout the country that they embark immediately upon this valuable and useful form of dog training.

"BERMUDA

10. It gives me much pleasure to learn from the President of the C.K.C. that the newly formed Bermuda Kennel Club has staged its first Obedience Sanction Match and I would like to recommend that the Bermuda Club be contacted immediately by the Obedience Section in the C.K.C. in order that our practices may be standardized, and that we may give all possible assistance to Bermuda in its project. Good luck Bermuda, we are waiting to hear from you!

"ALBERTA

11. My compliments to the Obedience enthusiasts of Alberta for launching the first C.K.C. Licenced Obedience Trials held in the Province. I heard that these were popular and successful and that great interest was aroused in those entering dogs and attending.

"APPENDIX TO OBEDIENCE REPORT: 1955

STATISTICS ON TRIALS	Alta.	B.C.	Ont.	Que.
Total number of Trials	4	17	23	7*
Total number of entries	41	456	537	259*

(* not including Tracking Test)				
TRACKING TEST				1
Number of entries				10
Number of dogs passed				4
Percentage of dogs passed				40%

It was regularly moved by Mrs. Smith, seconded by Mrs. Mack:

"THAT, Mr. Daniell-Jenkins' report on the Standing Committee for Obedience be received, and he be thanked for his work."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCullum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith and Dr. Watson.

ABSTAINED FROM VOTING: Mr. Daniell-Jenkins (being named in the motion.)

Motion carried.

The President pointed out that Mr. Monaghan had suggested that an obedience trial council be set up along the lines of the proposed amendment discussed at the annual general meeting, and enquired whether it would be preferable to carry on with the Standing Committee arrangement until the members had decided on the proposed amendment in question. Mr. Monaghan expressed the view that it would be up to the Chairman of the Standing Committee to decide whether to employ any of the arrangements set out in the proposed amendment and perhaps suggest workable changes in the proposal before it goes to the vote of the members.

Dr Watson enquired whether there was any strict order by which proposed amendments are dealt with at the annual general meeting, and a discussion followed on the advisability of varying the order in which proposed amendments are dealt with after the discussion of the proposed amendments to the By-laws. It was agreed that each year the order of discussing proposed amendments to the rules would be varied, proposed amendments to the Obedience Trial Regulations and Standards to have priority at the next Annual General Meeting.

Mr. Irving sought clarification as to the number of obedience trial representatives which may be appointed for British Columbia, and it was agreed that a representative may be appointed for the Island and one for the Mainland.

Mr. Irving suggested that while each Obedience trial representative is provided with a copy of the minutes of each meeting of the Standing Committee for Obedience, the same information shoulld be sent to all Directors in order that they would be familiar with the workings, activities, and decisions of the Committee.

It was regularly moved by Mr. Williams, seconded by Mr. Daniell-Jenkins:

"THAT, the Secretary of the Canadian Kennel Club be the permanent Secretary of the Standing Committee for Obedience, and copies of the Committee meeting minutes be sent to all members of the Board."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Daniell-Jenkins, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried.

Mr. Irving enquired whether, when an obedience trial and a championship show are held in the same building on the same date but by two different clubs, a judge at the obedience trial is permitted to exhibit a dog in the championship show. Following discussion it was agreed that under the circumstances the two events should be considered as one in which event a judge of the obedience trial may not exhibit dogs at the championship show (Chapter 1, Section 7, Subsection 7 of the Obedience Trial Regulations and standards.)

Mr. Irving enquired whether where, in the case of a club anticipating a large entry in a given class, it selects and advertises a stand-in judge in the premium list, it would be proper for the trial-giving club to ask an exhibitor entering a dog to indicate whether his dog had won one or more qualifying scores under each of the named judges, and whether the trial-giving club with that information available may then adjust the judging of the class in order that the exhibitor will have the advantage of having his dog judged by a judge under whom it had not previously earned no (or at most, one) qualifying score in that class. Following discussion it was agreed that it would be proper for a trial-giving club to seek that information and make use of it in the manner outlined by Mr. Irving.

Mr. Irving stated that in accordance with established custom he was expected to recommend to the Board of Directors a member for appointment as Obedience Trial Representative for the Island, and another member for appointment as Obedience Trial Representative for the Mainland, and enquired whether, before submitting these recommendations, he should consult only the clubs holding obedience trials or consult also organizations recognized as obedience training clubs. Mr. Irving pointed out that not all clubs holding obedience trials are regarded as obedience clubs; on the other hand, certain obedience training clubs do not hold obedience trials.

The President stated that the By-laws require that clubs staging obedience trials be consulted before a representative is appointed, however the By-laws do not require that recommendations received be carried out.

Following discussion it was agreed that a Director has a right to make a recommendation without regard to the recommendation received from clubs staging obedience trials, it being the responsibility of the Director to recommend the person whom he felt best qualified to carry out the duties of Obedience Trial Representative.

Mrs. Gove enquired whether it is permissible for a field trial club to hold licensed obedience trials. It was agreed that such an organization may be granted permission to hold licensed obedience trials under the Club's rules.

Mrs. Gove enquired whether it is permissible for a person in a wheel-chair to personally handle his dog at an obedience trial. It was agreed that such was not permissible, although recognition of such persons may be accorded in unofficial classes following the judging of the official classes for which prizes may be offered.

Mr. Laskey reported that obedience activity in the Maritimes had commenced with beginners' classes, and in due course it was expected that proper trials would be staged.

3352 (3145). **REVISION OF CHAMPIONSHIP POINT RATINGS**

Dr. H. L. Watson, Chairman of a Committee appointed to recommend revisions in the existing schedule of championship point ratings, presented the following report:

"You will remember that this Committee was appointed at the last annual meeting and composed of Mr. Brown, Mr. Loveridge and myself as Chairman. We understood that our principal duty lay in exploring the point rating picture that now exists across Canada and bring forward what suggestions we thought proper for consideration by the Board at these meetings. We did not feel it to be any part of our work to suggest changes in the manner of allocating points or arriving at championships, but simply to suggest changes in point ratings at different centres in the Dominion. It is extremely difficult to achieve anything concrete by way of result when the parties composing the committee are so widely separated geographically. Your Committee feels strongly that any future committee should be chosen with the first aim of being easily available one to another for personal discussion. The more we considered the present set-up, the

more convinced your committee became that what is needed is not a revision of point ratings, at various zones across Canada, but a complete remodelling of present methods of arriving and allocating points. But to make suggestions along these lines would be quite outside the scope of authority given us by the Board last year and we felt that we could not pursue this line of thought farther at the moment. We felt the need for complete revamping of our system was so acute, that it would be causing needless confusion to interfere with the present ratings when we hoped that a revision of the entire system might be achieved in the near future. In summary, your Committee wishes to report and suggest for your consideration the following points: (1) Revision of point ratings across Canada while needing attention should be held over until the whole system has been carefully investigated and the necessary changes and improvements instituted; (2) we would strongly urge this Board to appoint a committee to study the present method of allocating points and improvements thereto, suggesting that such a committee present a full report to the next annual meeting of the Board; (3) we would strongly recommend that such a committee be composed of persons easily available to one another for the personal discussions required in such an operation rather than by correspondence. My personal suggestion further would be that Mr. Loveridge and Mr. Brown be asked to act in an advisory capacity on any committee to be considered."

It was regularly moved by Mr. Irving, seconded by Mr. MacCallum:
"THAT, we receive Dr. Watson's report and thank him."
FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, and Mrs. Smith.
ABSTAINED FROM VOTING: Dr. Watson (being named in the motion.)

Motion carried.

Mr. Irving stated that the present ratings are badly in need of revision in certain breeds, and suggested that the Secretary be authorized to compile statistics of breed competition over a period of the past three years and having regard for average breed competition in the known number of shows in each zone, prepare a proposed new schedule of championship point ratings for the Board's consideration.

Following discussion it was regularly moved by Mr. Irving, seconded by Dr. Watson:
"THAT, the Secretary be instructed to have the figures prepared and a recommendation be made to the Board."
FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried.

3353. **LETTER TO MRS. P. A. MARGESON**

Mr. Williams stated that he had been informed that Mrs. P. A. Margeson, a former Director of the Club, is very ill, and suggested that a letter of sympathy and good wishes be sent to Mrs. Margeson from the Board.

It was regularly moved by Mr. Williams, seconded by Mrs. Mack:
"THAT, a letter of sympathy and good wishes be sent to Mrs. Margeson from this Board.
FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith and Dr. Watson.

Motion carried.

3354 (3314). **COMMITTEE ON PROPOSED AMENDMENTS No. 17, No. 18 and No. 19**

The Committee having presented its report to the Annual General Meeting, it was agreed that no action be taken.

The Board recessed for lunch at 12:30 p.m. and reconvened at 2:00 p.m. with the President, Mrs. M. E. McEachren, in the Chair, and the following members of the Board were present: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan and Mrs. Smith.

3355 (3132). **PUBLIC RELATIONS COMMITTEE**

The President, as Chairman of this Committee in 1955, reported that a report had been made previously to the Board, and expressed the view that public relations and promotion of the Club were very important projects which should be well organized in order that the maximum benefits may accrue to the Club and its members. The President referred to Dr. Watson's suggestion that a determined effort should be made to overcome some of the queer views which a part of the public entertain with regard to pure-bred dogs, and stated that this effort should be made part of a well-organized publicity campaign to further the interests of pure-bred dogs. The President further suggested that a well-qualified receptionist should be added to the Club's office staff.

It was regularly moved by Mr. Williams, seconded by Mrs. Mack:
"THAT, Mrs. McEachren's report be accepted with thanks."
FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, and Mrs. Smith.

MOTION CARRIED

3356 (2997) **STUDY GROUP COMMITTEE**

The matter of study groups having been incorporated in the work of the Long Range Plan Committee, no action was taken.

3357 (3301) **COMMITTEE RE BUTTONS FOR LONG-TIME MEMBERS**

Mr. Laskey, Chairman of this Committee, briefly explained the Committee's recommendations to the Board and the sketch of a button which the Board had approved with but one change.

It was regularly moved by Mrs. Smith, seconded by Mrs. Mack:
"THAT, we receive and thank Mr. Laskey for his splendid report."
FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan and Mrs. Smith.
ABSTAINED FROM VOTING: Mr. Laskey (being named in the motion).

MOTION CARRIED

The Secretary tabled two sketches prepared by an artist, one of the button proposed by the Committee with the change authorized by the Board, the other an alternative button based on the style of button used to identify members of the Board. After discussion the former button was approved by a majority of the Board.

It was regularly moved by Mr. Williams, seconded by Mrs. Mack:
"THAT, 150 buttons be ordered and sent to local Director for appropriate presentation."
FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr MacKillop, Mr. Monaghan, and Mrs. Smith.

Motion carried.

It was agreed that the Secretary would order 200 buttons if the larger order meant a substantial reduction in price per button.

3358 (3217). **REVISION OF BY-LAWS (DISCIPLINE) COMMITTEE**

The President, Chairman of the Committee, reported that in her discussions with the Club's solicitors and others it had been pointed out that the matter of Discipline is a very important part of the Club's By-laws and as such requires careful study before revisions are made. The President pointed out that a proposed amendment setting out a thoroughly revised article on Discipline had been considered at the annual general meeting, and suggested that the work of the Committee be considered completed, and the matter of revision be left to the Amendments Committee (By-laws) when it deals with the proposed amendment in question as provided in the Club's By-laws.

It was regularly moved by Mrs. Mack, seconded by Mr. Daniell-Jenkins:
"THAT, the Chairman's report be received with thanks."
FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, and Mrs. Smith.

Motion carried.

Mr. Monaghan suggested and it was agreed that:
(1) The Club's solicitors would be provided with a copy of the proposed revision of the Article on Discipline, also a copy of the transcription of the discussion at the Annual General Meeting on said proposed amendment;
(2) The views of the Club's solicitors be obtained and communicated to the Amendments Committee (By-laws);
(3) The recommendations of the Amendments Committee be submitted to the Club's solicitors for final review before the proposed amendment goes to the referendum ballot

Dr. Watson entered the meeting.

3359. **APPLICATION FOR MEMBERSHIP AND ISSUANCE OF MEMBERSHIP CARDS**

The Secretary reported that: (a) Mr. Monaghan had suggested that the Board decide on the application form to be used by those applying for associate membership, a class of membership provided for in an amendment to the By-laws now awaiting Ministerial approval;

(b) in accordance with the Board's instructions the Club's solicitors had been consulted regarding the proposal to add the following questions to the application for membership form:

(i) Are you engaged in the breeding, buying, selling of cross-bred bred or mongrel dogs, directly or indirectly, whether as principal, agent, intermediary or otherwise?
(ii) Will you undertake that while a member of The Canadian Kennel Club you will not engage in any of the aforesaid activities, except breedings approved by The Canadian Kennel Club in the interest of science?
(iii) Have you ever been or are now suspended, expelled or disqualified by The Canadian Kennel Club, The Kennel Club (England), The American Kennel Club, or any association incorporated under The Live Stock Pedigree Act?

(c) The Club's solicitors were of the opinion that it was quite proper to add these questions to the application for membership form;

(d) The Director of Canadian National Live Stock Records was of the opinion that rather than add the questions to the back of the present form it would be preferable to extend the depth of the present form and include the questions on the face of the form.

The Board, after discussion, agreed on a number of appropriate changes in the form and the addition of the foregoing questions.

It was then regularly moved by Mr. Monaghan, seconded by Mr. Brown:
"THAT, the Canadian National Live Stock Records be requested to prepare application forms for associate membership in accordance with the draft approved here today, and informed that it is to be put into effect on April 1st, 1956."
FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried.

Mrs. Gove suggested that the Board authorize the issuance of a membership card to each member along with a copy of the Club's By-laws. Mr. Irving, in supporting the proposal, said that he would be delighted to send the cards to members in British Columbia along with a letter if the cards are sent to him.

Following discussion it was regularly moved by Mrs. Gove, seconded by Mr. Williams:
"THAT, we reinstate the issuance of membership cards, the Secretary to work with each individual Director regarding distribution of membership cards."
FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried.

3360 (3311). **EMERGENCY FUND COMMITTEE**

The President: (a) reported that at the last annual meeting of the Board Mr. MacCallum had been named chairman of a Committee to discuss and propose in the best manner a suitable assistance fund for the purpose of alleviating distress amongst the members; (b) reported that on the advice of the Committee and after approval by the Board an appeal had been addressed to the members, along with notice regarding renewal of membership, seeking donations to an Emergency Fund, donations to the fund during the month of January having totalled $589.50; (c) suggested that the Board determine the following points: (i) use of the donated funds; (ii) appointment of trustees; (iii) terms of reference for the trustees.

Mr. MacCallum stated that he felt the Committee had completed its work, and it remained for the Board to resolve the points brought out by the President.

Dr. Watson expressed the view that the Club should not become a fraternal organization in connection with its Emergency Fund, rather such funds should be used only to help people who have had losses in dogs.

Following discussion it was regularly moved by Mrs. Gove, seconded by Mr. Monaghan:
"THAT, funds donated to the Emergency Fund shall be expended only for replacement of breeding stock lost through a catastrophe when the trustees think assistance is essential."
FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried.

A discussion followed on the question of appointment of trustees.

It was agreed that it would be preferable for the trustees to consist of a trust company and one member.

It was regularly moved by Mr. Williams, seconded by Mr. MacKillop:

"THAT, Mr. W. A. Harris be appointed pro tem sole trustee of the fund pending appointment by the Board of trustees and setting terms of reference for the trustees, and Mr. Walter Brown be authorized to interview Mr. Harris."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried

It was then regularly moved by Mr. MacKillop, seconded by Mr. Williams:

"THAT, the President interview the trust companies and report to the Board."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried

It was regularly moved by Mr. Irving, seconded by Mr. Daniell-Jenkins:

"THAT, the Secretary immediately transfer to Emergency Fund account amounts received to date, and then before the end of every month transfer the amounts received; the signing officers for the Fund to be the signing officers of the Club."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried

It was regularly moved by Mr. Monaghan, seconded by Mr. Daniell-Jenkins:

"THAT, no costs in connection with the Emergency Fund be charged against the Club."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried

Mr. Daniell-Jenkins left the meeting.

3361 (3137). **PENSION PLAN COMMITTEE**

Mr. Monaghan, Chairman of the Pension Plan Committee, presented the following report:

"In connection with the suggestion of a pension plan for the members of the staff, I wish to submit the following information for the consideration of the Board.

"Proposals have been received from a number of life insurance companies for a plan to become effective on April 1, 1956.

"The features of the various types of proposals may be outlined as follows:

PENSION TRUST — Provides for a definite amount of pension based on present earnings only. In the event of a salary increase, the amount of increase must be sufficient to purchase a $5 unit before a change can be made in the amount of the pension. In most cases the annual increase is not sufficient and the employee suffers, making it a case where you have to depend on some one for follow-up service; this has not worked out satisfactorily in the general run of cases.

The insurance feature is compulsory and in this type of proposal the cost is to be paid by the employer. The insurance is decreasing term and terminates at pension age. In the event of death before pension age, the face of the policy only will be paid, none of the other values in the contract being available to the survivors or the estate. A medical examination must be passed for the insurance but not for the pension.

Should the employee leave the service neither he nor the employer will get anything like their money back as the refund is based entirely on the c.s.v. of the bond and we are all aware that c.s.v. in a contract, does not return fully the premiums paid in the first ten or fifteen years. This is the main reason this type of plan is becoming obsolete with many companies — unsatisfactory financial results when employees leave the service.

The Government requires a pension trust agreement with employees named as trustees, and the agreement must be filed with the Department. This is primarily to ensure that the vested rights may be safeguarded. Should a trustee leave, a new one must be named. Trustees must be in a position to do some bookkeeping so they can answer questions. Further, the contracts are assigned after they are issued.

GROUP PENSION — In this regard, there are two types of contracts—the money purchase one where the total contribution is used to buy the employee a pension regardless of the percentage of his earnings; and the percentage one wherein the contributions and the ultimate pension are each based on earnings and years of service, and there is an annual review of values.

GROUP RETIREMENT — One of the points stressed in this type of plan is that if the employee leaves the service he not only gets his contributions back but he also gets interest at the rate of 3%. The main effect of this provision is that this interest is taken out of the fund where it should be left to build up a monthly pension for the employees when they retire and is paid to persons who are leaving, thus prejudicing the maximum the faithful employee has a right to expect; and thereby tends to defeat the purpose of a maximum pension.

GROUP ANNUITY — This proposal is similar in most respects to the Group Retirement proposals with the exception that if an employee leaves service he does not get interest on his withdrawn contributions, the 3% payable in some plans being left in the fund for the ultimate benefit of those who serve faithfully and well. This type of proposal can only be effected when there are six or more employees.

COMMENTS — The calculations are made on a retirement age of sixty-five for men and either sixty or sixty-five for women.

It is for the employer and employees jointly to decide on the percentage of contribution. It may be 5 & 5, 6 & 6, or 7 & 6, the first figure quoted being the employer's percentage.

There is a provision for optional addition percentage payment by the employees in all plans.

It is for the employer to decide how many years past service will be paid for, and what the waiting period will be for future employees. It is recommended that past service be paid for after one year, and that the waiting period for future employees be one year. However, consideration may be given to setting a minimum age for entry into the plan. Age 25 is most often suggested.

In a pension trust an employee receives c.s.v. on termination of service. In the other plans, the contributions are returned, either with or without interest. Depending on his length of service a calculation will be made to determine the amount due through vesting. If there are five or fewer employees, full vesting must be given from the commencement of the plan. When there are six or more employees, it is usual to vest 50% after 10 years and 5% annually thereafter. The initial period may be increased to 15 or 20. However, in a group annunity, the usual vesting schedule is 10% after 10 years, annually.

In a pension trust the death benefit is the life insurance. In the group retirement plans it is the return of contributions with interest. In a group annuity, it is the return of contributions plus the vesting.

It is usual to guarantee a pension for a minimum of 60 months, and to give or provide for a joint pension option, as well as for alteration at the age of 70.

There is income tax exemption on pension contributions up to a maximum of $1500 for the employee. The Club is not affected as it does not presently pay tax.

Quoted rates are usually guaranteed for a period of years, in some cases, five, in others ten or more.

The proposal will indicate whether or not the company includes a service charge.

Life insurance is optional. The group annuity companies do not recommend it. It is usual for the employer to pay the premiums.

Payment for past service may be either at the rate of 1½%, 1% or 3/4%. It is first calculated on the basis of a single premium, after which the employer decides if he will pay it in one payment, ten payments, or annually as long as the employee remains in service. It is recommended that payments be made over a period of 10 years.

The amount of pension which an employee will receive is based on the number of years before retirement age, on the number of years of past service paid for, and on the percentage of contributions.

For example, employee contributions of $944.40, employer contributions of $1,101.80 and past service contributions of $872.29 would give our present employees pensions of $83.08 for the shortest service and our secretary-treasurer a pension of $270.18. This is on the basis of a 7 & 6 percentage contribution with females retiring at age 60.

I shall be glad to furnish additional details and explanations during the discussion.

RECOMMENDATION: I wish to recommend that the Board decide to provide a pension plan for our employees, at a cost to the Club of approximately $2,000 annually. If the employees reject the opportunity, the idea will be dropped. If they accept it, I would ask that the committee be authorized to proceed with the completion of the master contract, effective, if possible, on April 1, 1956."

Following discussion it was regularly moved by Mr. Williams, seconded by Mr. Brown:

'THAT, the report be received; Mr. Monaghan be thanked for all his work; and the matter be considered unacceptable at this time."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

ABSTAINED FROM VOTING: Mr. Monaghan (being named in the motion).

Motion carried

3362. **CHAPTER 17 OF THE DOG SHOW RULES (BOUVIER DES FLANDRES)**

Mrs. Mack pointed out that while the Bouvier des Flandres is commonly presented at dog shows as a cropped and docked dog, Chapter 17 of the Dog Show Rules did not list the breed as one free from disqualification if cropped or docked.

It was suggested that very likely when the breed was recognized by the Club the necessity for making an appropriate amendment to Chapter 17 had been overlooked.

Following discussion it was regularly moved by Mr. Williams, seconded by Mr. Monaghan:

"THAT, the Bouvier des Flandres be added to the list of breeds in Chapter 17 where cropping and docking is permitted; and Mrs. Mack be supplied with a letter to that effect."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried.

3363 (3264). **LETTER FROM DEPARTMENT OF AGRICULTURE (RE RABIES)**

The President pointed out that in the minutes of the December meeting of the Board of Directors there was incorporated a letter received from Dr. H. Collacutt, District Veterinarian of the federal Department of Agriculture, and suggested that a Committee be oppointed to co-operate with the Department, the national Board to be consulted before any steps are taken by the suggested committee.

Following discussion it was regularly moved by Mr. Williams, seconded by Mr. Laskey:

"THAT, a letter be written to Dr. Secord acquainting him with the contents of the letter received from Dr. Collacutt and asking for his co-operation in arriving at a suitable way of dealing with the matter."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

MOTION CARRIED.

It was regularly moved by Mr. Williams, seconded by Mr. Laskey:

"THAT, Dr. Collacutt be thanked and informed of our move in the matter."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

MOTION CARRIED.

3364 (3310). **PROPOSED TRANSFER OF LHASA APSOS TO GROUP #6.**

The President pointed out that notice of motion had been given at the last meeting of the Board to transfer the Lhasa Apsos from Group No. 4 to Group No. 6.

It was regularly moved by Mrs. Smith, seconded by Mr. MacKillop:

"THAT, the Lhasa Apsos be transferred to Goup 6."

Mr. Brown reported that the matter had been discussed at the last meeting of the Bulldog Club of Central Canada and at that meeting the members present were almost unanimously opposed to the proposal.

Mr. MacCallum suggested that a notice be inserted in "Dogs in Canada" seeking the comments of the members on the proposal.

Mrs. Smith enquired what would be the position of a resident of the United States (where the breed is now listed in Group 6), approved to judge all breeds in Group #4 in the United States, coming to Canada where it is desired that he judge the breeds listed in Group #4 in Canada assuming the breed is not transferred to Group #6.

Mr. Irving moved the following amendment to the motion, seconded by Mr. Laskey:

"THAT, notice of intention to transfer the Lhasa Apsos to Group 6 from Group 4 be published in the official organ and those interested be invited to express their views for the Board's consideration, this proposal to be dealt with at the April meeting of the Board."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. Monaghan, and Dr. Watson.

AGAINST THE MOTION: Mr. MacKillop, and Mrs. Smith.

MOTION CARRIED.

Mr. Irving suggested that the quorum Board should be authorized to finalize the transfer if any objections received are not well-founded, this to be without the necessity of again consulting the national Board.

It was regularly moved by Mr. Irving, seconded by Mrs. Mack:

"THAT, at the Board meeting in May it is agreed that unless there are some well-founded objections, this Board favours transfers of the Lhasa Apsos to Group #6."

FOR THE MOTION: Mr. Williams, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. Monaghan, Dr. Watson, and Mr. MacKillop.

AGAINST THE MOTION: Mr. Brown; Mrs. Gove (who felt that Group 6 is not the right group for the breed).

MOTION CARRIED.

——Mr. Daniell-Jenkins re-entered the meeting.

3365 (3326). **REPRINTING OF BY-LAWS**

Mr. Monaghan referred to the notice of motion, given at the last meeting of the Board, regarding the printing of the By-laws, appropriate extracts from the Live Stock Pedigree Act, and standing resolutions, this to be done in 1957.

Mr. Irving suggested that the reprinting and distribution of a copy of the By-laws to each member should not be postponed to 1957.

It was regularly moved by Mr. Monoghan, seconded by Mr. Irving:

"THAT, the By-laws including the 1955 amendments be consolidated and printed including in the booklet selected standing resolutions, appropriate extracts from the Live Stock Pedigree Act, 1949, and information regarding identification; 5,000 copies to be printed, one copy to be mailed to each paid-up member in 1956 and to each new member thereafter."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

MOTION CARRIED.

3366. **PROCEDURE ON APPLICATIONS FOR MEMBERSHIP**

The Secretary reported that it is customary for the Secretary, at each annual meeting of the Board, to be instructed on the procedure to be followed in the handling of applications for membership.

It was agreed that the matter be held over until standing resolutions were dealt with by the Board.

3367 (3234). **GRADING OF DOGS**

The President stated that this subject had been before the Board for some time and when last discussed was ordered referred to this meeting, it being considered wise to defer further consideration until the outcome of the voting on certain proposed amendments to the By-laws was known.

Mr. Irving stated that Mr. Phillips had asked him to draw up something to present to the Board for its consideration with the result that with the assistance of Mr. William H. Pym he had drawn the following proposed "Grade Rating Regulations':

"Any approved Specialty Club may apply to hold a Grade Rating Class for their breed by making application to the Secretary of the C.K.C. on the approved forms and upon payment of a $10.00 fee.

"All prospective entrants shall be supplied with a notice of intention to hold a Grade Rating Class, which shall display the name of the Club, date, time, and the proposed place at which the class will be held, names and addresses of the Grading officials; the Secretary and Superintendent, and their addresses, together with the names of the officers of the Club and the Official Veterinarian.

"No approval of an application to hold a Class will be considered unless either the President or Secretary of the Sepcialty Club are members in good standing in the Canadian Kennel Club.

"Approval as a Grade Rater will be given only to persons who have been approved or who are eligible for approval by the Canadian Kennel Club.

"No Grading Class may be held with less than three approved Graders, who shall all sign the Official Rating card, together with the Club Secretary or President and the owner or handler of the dog. These cards, together with a filing fee of $1.00 per card must be submitted immediately by the Class Secretary, to the Secretary of the Canadian Kennel Club.

'No ribbons or prizes of any kind shall be given at a Grading Class.

"Only dogs registered or eligible for registration may be entered in a Grade Rating Class

"A listing fee for unregistered dogs will be charged as provided in Chapter 16 of the Dog Show Rules, and a recording fee must be collected for all dogs entered.

"Owners entering dogs in the Class shall be called upon to pay a pro rate fee covering the total cost of the Grade Rating Class.

"No dog suffering from a standard disqualification can be rated.

"No dog below the age of 18 months may be presented to a Grade Rating Class

"All dogs entered in a Grade Rating Class must be passed by the Veterinarian.

"The decision of the Grade Raters shall be final and no appeal is permitted against their decision unless dishonesty or disregard of the Standard of the Breed is alleged, subject to the Rules and Standing Resolutions of the Canadian Kennel Club.

"The official entry form must be signed by either the owner or his agent and must contain a clause permitting the Secretary of the Canadian Kennel Club to furnish copies of the Grade Rating card to any applicant on payment of the required fee set by the Canadian Kennel Club.

"The Secretary of the Specialty Club holding a Grade Rating Class under these rules shall, within ten days after the holding of the Class, send the following to the Canadian Kennel Club —

a. A complete list of all dogs entered in the class, giving the name and registered number of the dog; date whelped; sire and dam, and country of birth; owner's name and address, and breeder's name.
b. All score cards duly signed by all the Judges together with the President or Secretary of the Specialty Club and either the owner or handler of the dog.
c. All entry forms.
d. The list of suspended persons as provided by the Canadian Kennel Club.
e. Any other information or reports as may be required by the Canadian Kennel Club."

Mr. Irving went on to explain the salient feature of these proposed Grade Rating Regulations, exhibited (as a sample) a grade rating card for Great Danes and suggested that a specialty club wishing to hold a Grade Rating Class would submit, for the Board's consideration, its proposed grade rating card for its own particular breed.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. Williams:

"THAT, we adopt these rules as a temporary expedient and submit, as an example, a proposed grade rating card for Great Danes."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. MacCallum, Mrs. Mack, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

AGAINST THE MOTION: Mr. Laskey and Mr. MacKillop.

MOTION CARRIED.

3368. **LIAISON WITH DEPARTMENT OF AGRICULTURE AND LIVE STOCK RECORDS**

The President reported that this subject had been placed on the agenda at the suggestion of Mr. Monaghan, Mr. Monaghan and Mr. Malcolm having been named as liaison officers between the Club and the Department and Records Office in 1955.

Mrs. Smith suggested that the same members be re-appointed. Mr. Monaghan said that such appointments were always confined to members of the Board.

It was regularly moved by Mrs. Smith, seconded by Mrs. Gove:

"THAT, Mr. Monaghan be authorized to act as liaison officer between the Department and Records Office and the Club when so requested by the Board."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

ABSTAINED FROM VOTING: Mr. Monaghan (being named in the motion).

MOTION CARRIED.

3369 (3058). **OFFICIAL MEASURER**

Dr. Watson stated that when the Club had an official "C.K.C. Representative" there was a feeling that the Representative's services should be available on a national basis and not confined to one area, and expressed the view that if the Club continued to have an "Official Measurer" then eventually the same feeling would come into being.

Mr. Irving suggested that the title be changed and Mr. MacCallum be appointed, in an advisory capacity, as adviser to the Club on weights and measures.

It was regularly moved by Mr. Monaghan, seconded by Mr. Brown:

"THAT, Mr. J. M. MacCallum be appointed as Honorary Adviser to the Canadian Kennel Club on weights and measures."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

ABSTAINED FROM VOTING: Mr. MacCallum (being named in the motion).

MOTION CARRIED.

3370. **LISTS OF PAID AND UNPAID MEMBERS**

Mr. Monaghan stated that when Mr. Williams was President in 1953 he suggested, with the unanimous approval of the Board, that the Secretary provide each member of the Board with a list of the members in the previous year with an indication in each case of those who had paid for the current year. Mr. Monaghan reported that with this information the members of the Board were able to arrange for many renewals of membership.

Following discussion it was agreed that the Secretary would provide the members of the Board with the same information during the current year.

3371 (3315) **PRIVATE BREEDING RECORD BOOKS**

The President reported that the subject of printing of private breeding record books was on the agenda in order that the Board may (a) decide whether any changes should be made in the form and content of the book; (b) decide the number of books which should be printed on the next order.

Following discussion it was agreed that no change be made in the form and content of the book beyond those suggested at the last meeting.

It was regularly moved by Mr. Monaghan, seconded by Dr. Watson:

"THAT, the order for 500 private breeding record books be placed with Richardson, Bond & Wright, according to the quotation in their letter of November 30th, 1955."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried.

3372 (3305). **MEETING ROOM FOR QUORUM BOARD MEETINGS**

The President reported that at the January meeting of the Board she had expressed the view that the Secretary's office was not a satisfactory place to hold a meeting of the Board of Directors, and the Secretary had been authorized to ascertain the charge for a meeting room at the King Edward Hotel and at the Prince George Hotel.

The Secretary reported the prices which he had obtained.

Following discussion it was regularly moved by Mr. Brown, seconded by Mr. Williams:

"THAT, the Secretary engage a room at the King Edward Hotel for the next meeting, and after that we discuss it again."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, and Dr. Watson.

AGAINST THE MOTION: Mrs. Gove and Mrs. Smith.

Motion carried.

3373. **APPOINTMENTS**

The Secretary reported that it is the custom for the Board, at its annual meeting to appoint the Club's solicitors for the current year and read the following letter from Mr. Peter Wright, Q.C. of Wright and McTaggart:

"I thought that I should write you before the Annual Meeting of the Board with regard to a matter which has been in my mind in connection with Kennel Club business, for several years past.

"I have had the privilege of being associated with the legal advice given to the Kennel Club for twenty-five years and I would be happy to continue the association on the present terms as long as the directors thought fit to appoint my firm. On the other hand, I feel, as against our other clients, the present retainer fee is not fairly related to the amount and character of the work that we are called on to do for the Club. It was set during Mr. Wilkinson's regime but my observation is that the work tends to grow greater rather than less. This, of course, has been particularly true with regard to the "Dogs in Canada" matter for which we have received remuneration. I am therefore venturing to mention this matter and to say that as far as we are concerned, an annual retainer of $800.00 payable $400 half yearly, would be more in line with the facts of the matter.

"As I have said, we are quite satisfied to continue at the present rate if that is the directors' view. I thought, however, that it might be helpful for me to express my views on this matter at the time of the annual meeting of the Board."

It was regularly moved by Mr. Williams, seconded by Mr. Brown:
"THAT, we appoint Mr. Peter Wright, Q.C. as the solicitor at the same retainer as last year."

Following discussion Mrs. Smith, seconded by Mrs. Gove, moved the following amendment to the motion:
"THAT, Mr. Peter Wright, Q.C. be appointed the Club's solicitor for 1956 at the retainer of $800.00."

FOR THE MOTION (as amended): Mrs. Gove, Mr. Daniell-Jenkins, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.
AGAINST THE MOTION (as amended): Mr. Brown and Mr. Williams.

Motion carried.

The Board recessed for dinner at 6:40 p.m. and reconvened at 8:20 p.m. with the President, Mrs. McEachren, in the Chair, and the following members of the Board present: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith and Dr. Watson.

Mr. Monaghan recommended, and it was agreed, that in every case in which the Board authorizes the Secretary to consult the solicitor, the Board instruct the Secretary definitely what points they want advice on, and when the solicitor's reply is sent to the Board a copy of the Secretary's letter to the solicitor be sent with it.

The President recommended the appointment of Dr. Alan Secord as the Club's Honorary Veterinary Surgeon.

It was regularly moved by Mr. Williams, seconded by Mr. Monaghan:
"THAT, Dr. Alan Secord be and is hereby appointed the Club's Honorary Veterinarian."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried unanimously

The President asked the Directors to submit their customary recommendations with regard to appointment of Advisory Provincial Committees, Field Trial Representatives, Obedience Trial Representatives, and members to be added to the several Amendments Committees.

Mr. MacKillop submitted the following recommendations for Alberta:
Advisory Provincial Committee: J. Kilgannon, Mrs. E. D. Grant, W. Howson, O. R. Koskinen, and S. Somerville.
Field Trial Representative (Retrievers): Vic Grainger.
Field Trial Representative (Beagles): R. A. MacKillop.
Obedience Trial Representative: Miss Agnes Hammond.
Amendments Committee (By-laws): B. Whittaker, Mr. Litchfield.
Amendments Committee (Dog Show Rules): T. Quilley, J. Anderson.
Amendments Committee (Field Trial Rules and Regulations): W. E. Madge, T. A. Phillips.
Amendments Committee (Obedience Trial Regulations and Standards): Mrs. Eileen Fraser, W. Frost.

Mr. Irving submitted the following recommendations for British Columbia:
Advisory Provincial Committee (Mainland): W. H. Pym, R. W. Hatley, O. Balshaw, E. Cargill, and Miss Joan N. Railton.
Advisory Provincial Committee (Island): A. H. Dodds, Mrs. Margot Bowden, D. B. Hudson, A. E. Smart, and J. Galloway.
Field Trial Representative (Retrievers): Dr. E. H. Sproston.
Obedience Trial Representative (Island): D. B. Hudson.
Amendments Committee (By-laws): W. H. Pym and Miss Joan Railton.
Amendments Committee (Dog Show Rules): W. H. Pym and Miss Joan Railton.
Amendments Committee (Field Trial Rules and Regulations): Dr. E. H. Sproston and Oliver Krog.
Amendments Committee (Obedience Trial Regulations and Standards): R. W. S. Johnston and D. B. Hudson.

Mrs. Gove submitted the following recommendations for Manitoba:
Advisory Provincial Committee: Mrs. T. Eamens, Dr. Duncan Croll, Francis C. P. Montague, J. H. Stewart Reid, and D. W. McIntyre.
Field Trial Representative (Retrievers): Peter Ward.
Amendments Committee (By-laws): Dr. Duncan Croll and J. H. Stewart Reid.
Amendments Committee (Dog Show Rules): W. D. Nixon, and A. H. Good.
Amendments Committee (Field Trial Rules and Regulations): G. Bryce, and A. E. Robertson.

Mr. Laskey submitted the following recommendations for the Maritimes:
Advisory Provincial Committee: Miss Alice J. G. O'Brien, Vernon MacDonald, George Field, Paul Delaney, and Wm. W. Laskey.
Field Trial Representatives (Retrievers): Alex G. Wilson.
Field Trial Representative (Beagles): Roy Montague.
Field Trial Representative (Pointing breeds): H. O. Whitman.
Obedience Trial Representative: Robert Little.
Amendments Committee (By-laws): Mrs. P. A. Margeson and G. G. McCarthy.
Amendments Committee (Dog Show Rules): Roy H. Colwell.
Amendments Committee (Field Trial Rules and Regulations): Roy Montague and H. O. Whitman.
Amendments Committee (Obedience Trial Regulations and Standards): Robert Little.

The Secretary reported that the recommendations of the Obedience Association (Ontario), Canadian National Sportsmen's Shows, Hamilton Obedience Club, and Hamilton Kennel Club with regard to appointment of Obedience Trial Representative for Ontario, and the recommendations of the Niagara Peninsula Retriever Training Club and South Western Ontario Retriever Training Club with regard to appointment of Field Trial Representative (Retrievers) for Ontario, had been considered by the Directors for Ontario and the Directors for Ontario submitted the following recommendations:
Obedience Trial Representative: Miss V. E. Meyers.
Field Trial Representative (Retrievers): Vincent Vaughan.
Field Trial Representative (Beagles): J. F. Tiede.
Field Trial Representative (Spaniels): Andrew Dunn.
Field Trial Representative (Pointing breeds): William Morris.
Field Trial Representative (Foxhounds): E. D. Bonnyman.
Amendments Committee (By-laws): W. A. Griffin, and H. N. J. Gardiner.
Amendments Committee (Dog Show Rules): G. D. Lawless and J. N. Malcolm.
Amendments Committee (Field Trial Rules and Regulations): H. P. Nicholson and J. J. Farmer.
Amendments Committee (Obedience Trial Regulations and Standards): Mrs. Mary Southcott

Dr. Watson submitted the following recommendations for Saskatchewan:
Advisory Provincial Committee: Mrs. Mary Miller, J. A. Storey, Lloyd Heimbecker, Hugh Leslie, and A. Goddard Jr.
Field Trial Representative (Pointing breeds): Harry Dean.
Field Trial Representative (Retrievers): Frank Bush.
Field Trial Representative (Spaniels): Arthur Goddard.
Obedience Trial Representative: Walter Jakob.

It was regularly moved by Mr. Williams, seconded by Mr. Monaghan:
'THAT, the Advisory Provincial Committees, Obedience Trial Representatives, Field Trial Representatives, and additions to the several Amendments Committees as recommended by the provincial Directors, be and are hereby appointed."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith and Dr. Watson.

Motion carried unanimously.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Mack:
"THAT, Dr. H. L. Watson be and is hereby appointed Chairman of the Field Trial Council."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, and Mrs. Smith.
ABSTAINED FROM VOTING: Dr. Watson (being named in the motion).

Motion carried.

Mr. Irving sought a ruling of the Board on the question of appointment of examining committees to examine applicants for approval to judge.

It was regularly moved by Mr. Monaghan, seconded by Mr. MacCallum:
"THAT, we continue to approve the recommendations of the various provincial Directors."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith and Dr. Watson.

Motion carried unanimously.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. Monaghan:
"THAT, Mrs. Pamela Mack be and is hereby appointed Chairman of the Standing Committee for Obedience with authority to select a Co-Chairman if she desires, and power to add to the Committee as she sees fit; Norman Brown to be Secretary to the Committee."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, and Dr. Watson.
ABSTANED FROM VOTING: Mrs. Mack and Mrs. Smith.

Motion carried.

Mrs. Mack stated that she wished Mrs. N. T. Smith to be Co. Chairman of the Committee.

Following discussion it was regularly moved by Mrs. Mack, seconded by Mr. Monaghan:
"THAT, Mr. Irving be and is hereby appointed Chairman of the Amendments Committees; and we pay a great tribute to Mr. Irving for his services under extenuating circumstances during the several years which he was Chairman of these Committees."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Laskey, Mr. Lawrence, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.
ABSTAINED FROM VOTING: Mr. Irving (being named in the motion).

Motion carried.

3374 (3268). **DOGS FOR CIVIL DEFENSE AND RESCUE PURPOSES**

The President pointed out that at the December meeting of the Board Mr. Malcolm McDougall had been appointed Chairman of a Committee to co-operate with federal authorities in the proposed programme for training dogs for search and rescue work, and suggested that the Board set the terms of reference for such a committee, and determine just how far the Club should be prepared to go in co-operating with federal and other authorities on this important work.

Mr. Daniell-Jenkins suggested that Mrs. Mary Southcott be invited to join with the Board at this time while it considered his report and an appendix to it prepared by Mrs. Southcott.

It was regularly moved by Mr. Irving, seconded by Mr. Daniell-Jenkins:
"THAT, we invite Mrs. Mary Southcott to join our discussion on this subject."

FOR THE MOTION: Mr. Williams, Mr. Daniell-Jenkins, Mr. Laskey, Mr. Lawrence, Mr. Irving, Mr. MacCallum, Mrs. Mack, Mr. Killop, Mrs. Smith, and Dr. Watson.
AGAINST THE MOTION: Mr. Brown.
ABSTAINED FROM VOTING: Mrs. Gove and Mr. Monaghan.

Motion carried.

Mrs. Mary Southcott entered the meeting and was welcomed by the President.

Mr. Daniell-Jenkins submitted the following report on "Dogs for Civil Defence":

"INTRODUCTION

1. In the autumn of 1954, the Federal Civil Defence Co-ordinator, Maj. Gen. F. F. Worthington, approached the Board of Directors on the subject of Dogs for Civil Defence. At its meeting of October 27th, the Board considered the Co-ordinator's request and also examined a United Kingdom Publication which had been forwarded, entitled "Need for Civil Defence Rescue Dogs" (M.1076-8/54). The Board then resolved "That the Secretary communicate with the Federal Civil Defence Co-ordinator and inform him that the Board was willing to co-operate."

At the next meeting of the Board on November 23rd, a further resolution was passed: "That Lt. Cdr. J. M. McDougall of Montreal, be authorized to interview Gen. Worthington, the Federal Civil Defence Co-ordinator, on behalf of the club with a view to setting up training procedure and requirements for dogs to be used for Civil Defence". In January, Commander McDougall went to Ottawa and "met Col. C. L. Smith, C.T.O. for Canada. On February 3rd, I had another meeting with Col. Smith and was invited to accompany him to the Civil Defence College at Arnprior, Ontario". (Commander McDougall's report to the C.K.C. Board dated March 15th, 1955). After discussion with Maj. Gen. M. H. S. Penhale, commandant of the College, and his staff, the Commander decided "that the next stage should

be a formal meeting with Civil Defence authorities in order that a satisfactory plan can be evolved". Accordingly, on Friday 6th of May, a deputation from the C.K.C., consisting of the following members: Miss V. E. Meyers, Obedience Representative for Ontario; Mr. F. H. Mingie, Obedience Representative for Quebec; Mrs. Pamela Mack, Quebec Director; Lt. Cdr. J. McDougall; Mrs. Terence Woods, Ontario; and the writer of this report, met with Col. C. L. Smith in the Birks Building, Ottawa and exchanged views.

On my suggestion, three members of the C.K.C. subsequently attended courses at Arnprior. Mrs. Mary Southcott, Cooksville, Ontario, Mr. E. O'Brien, Canfield, Ontario, and myself, attended (Basic) Rescue Course No. 115A from the 30th of May to the 3rd of June, 1955. Mrs. Southcott and I returned to the Civil Defence College from the 11th to the 15th of July, attended Rescue Course 121B, and qualified as instructors. These valuable courses enabled those members taking them to understand Civil Defence Rescue work from the inside and they have since had the opportunity to pass on some of this insight to other members of the dog fraternity. In return, Mr. Fred Evans, Chief Rescue Instructor at Arnprior, visited the Hamilton Kennel Club's All breed show and Obedience Trials held on June 24th and 25th, 1955. Mr. Evans has, I believe, submitted a report to his superiors in Ottawa.

"On October 2nd, 1955, I as Chairman submitted to the regular meeting of the C.K.C. Standing Committee On Obedience held at Rouge Hill, Ontario, a report of our activities in connection with dogs for Civil Defence. I felt despite the promise of the Board of Directors of the Canadian Kennel Club to set up an organization for the training of personnel and dogs for civil defence, that it would be better for the Government of Canada to set up its own organization with kennels and trainers and that the C.K.C. should co-operate with such an organization but not attempt to run it. The C.K.C. has under its constitution no power to set up any organization of this kind but it is obliged under its constitution and for patriotic reasons to co-operate with any other authority which is trying to do something for the betterment of pure bred dogs in Canada and it is of course in the common interest of all Canadians whether C.K.C. members co-operate in every way with the Civil Defence effort.

I then cited the example of the United States Army's K-9 Corps, which was organized by an independent committee working with full support from the military on one side and from the American Kennel Club on the other.

The excellent results obtained by this body finally known as Dogs for Defence Incorporated are now a matter of history. I strongly recommended that the Government of Canada and the Canadian Kennel Club should sponsor the formation of some such independent but co-operating body as the American Dogs for Defence Incorporated.

I then, acting on instructions, asked the committee members various questions and invited their replies.

"Q. What does the Committee understand by the term "Rescue Dog"?

A. A dog trained to locate casualties buried under debris even as much as 30' where by reason of unconsciousness of casualty or depth of debris it was impossible for human searchers to hear the casualty.

Q. Is it possible to train Canadian dogs and personnel to do this work?

A. Unanimously agreed that it is possible.

Q. If war had been declared yesterday, how many (1) handlers, (2) dogs approximately would they be prepared to recommend from the area bound between Oshawa, Toronto and Hamilton?

A. Miss Meyers—one handler and one dog. Mr. George Taylor — four handlers and four dogs; Miss Reba Graham—two dogs and two handlers; Mr. E. O'Brien—twenty dogs and twenty handlers; Mr. E. Sucee did not wish to commit himself until he had made further enquiries.

Q. What basic training would you consider necessary for dogs before they entered on special listed rescue training?

A. Miss Meyers considered that a dog should be obedient under all circumstances and should have some knowledge of tracking. Mr. Sucee and Mr. Taylor and Miss Graham stated a dog should be obedient and beyond the standards of **some** Utility Dogs. Mr. O'Brien felt that a dog should be obedient but not mechanically so and stressed the importance of practice."

"At the next regular meeting of the Standing Committee held at Pointe Claire, Quebec on Monday, November 14th, 1955, the same report was made by myself as Chairman to the Quebec Members, who were reinforced by Miss Meyers from Ontario. The members present agreed with Mr. Alan Sharp on the definition of a Rescue Dog as a dog used in time of emergency caused either by war or civil disaster to search out human beings buried under debris and he also added too that such a dog might also be employed to search out lost persons. Miss Meyers and Miss Dorothy Budge, Mr. Frank Mingis, and Mrs. Pamela Mack concurred. All agreed that it was possible to train civilian dogs and personnel. When asked how many handlers and dogs could be producted in the Montreal area if war broke out yesterday, the members after discussion felt that a number of dogs and handlers could be produced but were not able to state definite numbers. Both these meetings agreed on the following resolutions: "We recommend that the Board of the Canadian Kennel Club should not set up any organization of its own for training civil defence dogs but that the Club should appoint a committee or committees to co-operate in every way possible with any such organization set up by the Government of Canada for the purpose of training dogs in search and rescue work."

At the monthly meeting of the Board of Directors of the Canadian Kennel Club held on November 9th, 1955, I presented a report on the preceding negotiations to the Board and requested that a definite decision on further actions be taken by the Board at its December meeting.

At the meeting of the Board on December 14th, 1955, it was moved and carried that Lt. Cmdr. J. M. McDougall be appointed chairman of a committee to co-operate with the Federal authorities in their proposed program for training dogs for search and rescue work. Such an appointment in my opinion, is of course subject to confirmation each year at the annual Board meeting.

DOG OBEDIENCE TRAINING

2. Basic training consists of a series of exercises devised to insure that dogs will, after assimilating them be under perfect control at all times both on and off leash, and whether walking, standing, sitting or lying. The degree for which dogs at this stage of training may qualify is that of Companion Dog. It seems to me that specialized training for civil defence rescue work could only be undertaken on dogs which had already received this basic instruction. However, it is up to this point alone that formal obedience training would run along civil defence rescue training. From there on the paths must diverge.

There is a great scarcity of qualified, not to say experienced trainers in this country. The calling requires rare temperament and unusual instructional ability, but not only must these trainers teach dogs but owners or handlers as well. This would be equally necessary in civil defence dog training. Many but not all of these trainers work on a professional basis and probably would require remuneration even for civil defence work. These trainers are either (a) paid by the owner of the dog at so much per class, or so much per course if the dog is taken into the trainers kennels for individual attention, or (b) paid by a dog club which assesses its members according to their dogs attendance at classes.

DOG HANDLERS

3. By handling is meant the person who takes a trained dog into trial or into the fields or into action. Such persons may own the dog or be employed by its owner. The standards of practice and knowledge required in this activity are not as exacting as those required of trainers. There would seem to be a supply of trained and potential handlers sufficient to meet the requirements of civil defence in Toronto, Montreal, Windsor, Vancouver, Victoria and possibly Winnipeg.

TRAINED DOGS

4. There are no Canadian dogs trained fully for civil defence work yet. It will first be necessary to standardize a training technique in co-operation with local civil defence authorities who may be able to provide suitable training grounds. Dogs will have to be accustomed to working in debris and such debris must be provided together with assimilated casualties. However, there is a large supply of dogs trained up to Companion Dog Standards so that basic training could be omitted at first although such basically trained dogs will have to be screened. Eventually, breeders of suitable dogs should be encouraged to raise litters for civil defence exclusively.

TRAINING PROGRAM

5. It has been proposed by five members of the Canadian Kennel Club endorsed by the Standing Committee for Obedience, and submitted as an amendment for discussion at the annual general meeting, to set up a new C.K.C. degree for a service dog. This includes tests on searching for casualties, water rescue, tracking for lost persons etc. A similar measure restoring "Barking on Command" to advanced obedience training has also been proposed, because it has been noticed that this exercise was stressed in U.K. training for civil defence. It is believed that the U.K. system of training could hardly be improved upon. The training should be divided into three grades:

(i) Simple
(ii) Intermediate
(iii) Top grade

Grade I Training should consist of:

(a) Simple obedience work. "Heel", "Stay" on command, Speak" on command and "Come at once"' when called.

(b) Simple nose tests for dogs, such as indicating a buried person behind or under very light covering (camouflage, wire, tarpaulin, layer of three-ply boards, etc.)

Turning into the wind, to indicate having scented a hidden person on a cross wind, and ignoring other persons, exposed to sight as well as smell) on the site.

(c) Some simple tests for the handler, such as to have the choice of which way he shall work over a given section of ground in order to set the best results, and to give a reason for believing the dog to have indicated, also to be able to tell the Instructor what sort of signs the dog is beginning to give on finding a buried casualty.

These Grade I classes will need at least 36 lessons, which may be taken in quick or slow succession as circumstances permit, but no course should be less frequent than every other day (or evening) otherwise the handler and dog will not advance much.

Instructors should if possible weed out any unsuitable people and dogs by the end of the eighth lesson, if not before, and potential handlers must be made from the very start to state what they are trying to do, **why** they are doing it, and **what** is the result they expect to obtain by their actions in any given circumstance.

Dogs must not, under any circumstances, be permitted to "clean" whilst on the working ground. From the first lesson they must be given a run before going on the ground, and be severely checked if they attempt to "mark" the ground they traverse whilst working. This is most important.

Grade II Training should include the following:

Indication of casualties hidden below the ground level under much heavier material.

Dogs should be tempted with food thrown around planted somewhere near where a casualty is concealed to try to distract dog and handler.

Casualties must be concealed above the reach of dog and handler as well as below.

The handler should now thoroughly understand his dog's reactions to a "find" and should be able to assess the position fairly accurately without any help from the Instructor. He should also be able now to tell the Instructor what effect the weather prevailing at the moment is liable to have on the dog's "findings"—rain, snow, frost, high wind, dark foggy conditions and so on. All effect the work of the dogs to a greater or lesser degree, and these must be understood as well as possible by a good handler.

To perfect the above, at least another four weeks of regular attendance will be required.

Grade III includes the following tests:

Finding of casualties hidden in deep "hides", 6' 8" or even 10'0" below the surface and well covered, also lying on low roofs, on parapets, as may often occur under war conditions, off the actual site in unexpected places (but hidden in such a way that it is possible for a passing dog to catch a slight indication of their scent, if he is an alert animal).

Bedding and a wardrobe of clothing should be buried. Dogs should not indicate on finding or scenting these articles. A cat or another dog should be hidden, and the handler should try to tell from his dog's reactions whether it is a "human" or an "animal" casualty. This is very difficult for the student handler and requires some experience to do so accurately, but some dogs show a marked difference in their manner at a very early stage.

This last and highest grade should be undertaken on one of the Home Office School Rescue Training Grounds, or in as realistic surroundings as possible, amongst rescue personnel, and with flares, arc lights, cranes, skips being loaded, explosions from Mark IV rockets, small fires and noises associated with rescue operations.

If the dog finds several casualties in difficult 'hides", the handler should be able to pinpoint the position of the casualty from his dog's indications.

The handler and dog may then be considered as fully trained, and one or two practices per month should be sufficient to keep both handler and dog in training, so long as his home life includes reasonable discipline and control.

It seems likely that with certain modifications the above training will prove suitable in Canada.

(Continued in next issue)

DE LA FONTAINE POODLES Reg'd

Ch. CHRISWIN DANDY BOY — The son of Eng. Ch. Glendoune Dapper, "Inky" to most people has had a most imposing show career in Canada. 1 B.I.S., 8 Group 1st, numerous Group placings and more than 15 Best of Breeds. In the U.S.A. Inky was Winners Dog at the Great Lakes Poodle Specialty at the Chicago International. His sons and daughters are winning — 2 Ch. sons (including a B.I.S. winner). His daughter won Best of Breed at the Oakville Poodle Specialty 1955, and has since won her championship. "Inky" was also co-winner of the Paragon Rose Bowl trophy.

RESCUED DOGS

There are no statistics to show how long a dog can survive without food or water, but in Seattle, Wash., a great mound of rain-loosened dirt smashed into the home of Jim Sneddon. The family barely escaped but their dog, a Wire-Haired Terrier,, was buried beneath the debris. Mr. Sneddon, released from the hospital the following day, called and listened for some indication that the dog might be alive. Four days later, he received a call from a sightseer who said she had heard a dog barking under the ruins. Mr. Sneddon started digging and three hours later out came a gaunt, but uninjured, little dog.

In Dover, Ohio, a Coonhound belonging to Kenneth Welch disappeared on the same day that Paul Miller visited him. Ten days later Miller opened the trunk of his car and found the dog weak but still alive. He had used the car daily during the entire time, even making a trip to the Welch farm, but had not heard a bark or a whimper.

In Ashland, Ky., Lassie is back home apparently none the worse after a five-week stay at the bottom of a dry cistern 30 feet deep. The dog disappeared on January 1 and was not seen again until a worker caught the gleam of eyes in a deep cistern under a house next door. The dog was emaciated but recovered quickly.

PARAGON TROPHY

Each year the Paragon Trophy in the form of a silver rose bowl is offered by Miss Bay Meyers of Paragon Kennels, Milliken, Ont., for the Canadian-owned Poodle winning the most Groups in Canada. In 1955 it was won jointly by Ch. Chriswin Dandy Boy, owned by Mr. and Mrs. Kenneth Ellis, Woodbridge, Ont., and Ch. Barlanark Joseff Noir, owned by Mr. Gordon Grahame of Burlington, Ont. Each Poodle won four Groups, and both are being awarded the trophy.

A number of back copies are available at 35c each.

LOST: VALUABLE HUNTING DOG

The time to think about a lost hunting dog is before you lose him. When he "turns up missing" you may be too distraught to think clearly.

Don't be too proud to ask everyone you meet if they have seen your dog. And give the best description you can.

Even better than a verbal description is a picture of your dog, carried with you at all times for just such an emergency. It wouldn't be out of the way to have a negative in your kit. You might want to get some prints made in a hurry to tack up with a notice in the post office, grocery store, or on a tree.

This is particularly important because very few people know one breed from another. Many would recognize a Beagle, but it would be a rare person who could identify a German Short-haired Pointer, a Weirmaraner or even a Springer Spaniel.

Snaps mounted on a card with a note bearing your dog's name, your name and address and telephone number would be helpful. Any other important information such as how best to approach the animal, or a request to the finder to place a dish of food before the hungry wanderer and then leave him alone.

And don't be hesitant about offering a reward. Most people are anxious to return lost property, but some act faster if there's something in it for them.

In the meantime, make a point of memorizing every identifying mark on your dog. And be sure to have him tattooed or noseprinted. (*Dogs in Canada*, April, 1956). Then there can be no dispute as to identity and ownership.

ENGLISH SPRINGER SPANIEL CLUB OF CANADA SANCTION TRIALS

By Lilah S. Lymburner

In spite of a drenching rain there was a good turn-out of dogs and men at the Sanction Trials held by the Club at Power Glen. These spring trials have become very popular with springerites since they give an opportunity to run a dog in the field under regular trial conditions, leaving the summer months to finish training in preparation for the Championship Trials held each year in September by the Club. Since two additional trials have been opened to spaniels in the Sudbury District, this has come to be looked upon as a "prep school training" for young dogs.

Winners in the Stakes were Purkiss Place Nipper, an English Cocker Spaniel owned by Henry P. Nicholson; Ludlovian Duskie owned by Andrew Dunn, second, and Sir Henry Dyke owned by J. Blasy third, in the Shooting Dog Stake. In the Novice Stake the winners were Marjohn's Royal Duke owned by Stanley Welsh; Sir Henry Dyke and Princess of Ridgecroft owned by I. Winter. The Puppy Stake winners were Beaverdale Lord Beaverton owned by E. Langlois; Beaverdale Tom owned by F. L. Lambert, and Dr. J. A. Meek's Walpride Wildfire.

Everyone gathered in the hall at the Glen where the great pot-bellied wood stove held a roaring fire which soon dried off wet clothing and did much to raise dampened spirits. Fine food, prepared by Jean Nicholson, along with the warming experience of good sportsmanship, made for a happy ending to the day's activities.

NEW OFFICERS FOR NATIONAL RETRIEVER CLUB

Edmonton, Alta., will be the location of the National Retriever Club (Canada) Limited trials October 6, 7 and 8.

Officers elected at the recent annual meeting are: President, W. R. Howson, Edmonton; T. A. Brown, Vancouver, vice-president; Lloyd Love, Vancouver, Treasurer; J. A. H. Irving, secretary; assistant Field Trial secretary, Mrs. M. Ellen Millar, Edmonton.

Directors include Dr. E. H. Sproston, T. A. Brown, J. Smythe, T. K. Coughlin, L. Love, Oliver Krog, all of Vancouver. Ontario representatives are John D. Person, Toronto, and W. H. Copeland, Grimsby. Mr. Person will serve as the Ontario Representative. Mr. Howson will represent Alberta, and another will be named.

The Field Trial Committee consists of G. D. Robinson, Frank Cockall, Ray Dobson and B. C. Whitteker.

Applications for membership have been received from The Calgary Retriever Club and The Niagara Peninsula Retriever Training Club.

MANITOBA GUN DOG RETRIEVER FIELD TRIAL

Scenting conditions for the Manitoba Gun Dog Association Retriever Field Trial held at Petersfield, Man., June 2 and 3 were fair the first day, and good the second. Stakes run were Derby (7 starters), Non-Winners (14 starters) and Open All Age (14 starters).

Judge of all Stakes was Wm. F. Froehlich, of Grand Forks, N.D. Other Judges were Peter Ward of Delta, Man. in Derby; Capt. Leslie Greene, Winnipeg, in Non-Winners; Ft./Lt. R. A. Gilmour in Open All Age.

Top dogs included: DERBY, two placements only, three series run (pidgeons and ducks) winner, Nodak Play Boy, Black Labrador. Owner, and handler, Dr. V. B. Keltgen, Fargo, N.D.

NON-WINNERS, five series run (pidgeons and ducks): Nodak Black Duck, Black Labrador. Owner, M. G. Taubert, Casselton, N.D., handler, Gene Christensen, Moorhead, Minn.

OPEN ALL-AGE, five series run, ducks all series. (1. Double mark, land. 2. Triple mark, water. 3. Over and under blind. 4. Triple mark and honour, land. 5. Single blind along water.) Royal's Tuck of Stonegate, Golden Retriever. Owner, Ross Gabriel, Moorhead, Minn., handler, John H. Hall, Moorhead, Minn.

About 70 members, competitors and guests attended the Field Trial dinner, which was addressed by Mr. Arnold Davey of the Game Branch, Department of Mines and Natural Resources.

Correction

The name of Mr. W. J. Borrie, President of the Pacific National Exhibition appeared as William J. Borrie in the advertisement for this show in the June issue.

ONTARIO POINTERS & SETTERS

by Wm. Morris

Secretary, Ontario Bird Dog and Conservation Assoc.

Increased interest has been noted in the activities of the Pointing Breeds in Ontario. These interests and activities have been responsible for the breeding and training of outstanding Pointers and Setters whose progeny will be seen in action in coming field trials.

One reason for this increased interest in Pointer and Setter Field Trials is the fact that the Penninsula Branch of the Ontario Bird Dog and Conservation Association, in January 1955, secured a lease on some 817 acres of ideal wildlife habitat and field trial grounds, from the Department of Transport, located at Allanburg, some seven miles west of Niagara Falls, Ontario, on Highway No. 3A.

The area is entirely surrounded by water so the possibility of losing a "big going" dog is rather remote. It is so divided as to provide four different 30 minute courses; or two one hour courses. American visitors have voiced their approval as comparing well with many of the American one course field trial grounds. This area will be developed into a Field Trial Grounds and a Bird Sanctuary. During the past summer, feed strips were cultivated and planted with corn, buckwheat, sudan grass, sunflowers, and multi-flora rose. Some two hundred pheasants were released in August (The area is closed to hunters) with excellent survival count. A recent check over the grounds accompanied by one of my English Setters produced no less than forty birds, all within an hour of walking. Plans for the 1956 program call for an additional hundred acres cultivated into feed strips, and another hundred pheasants released.

Another reason for this increased interest is the Ontario Pheasant Dog Futurity Stake which was inaugurated in October 1954. The prime purpose of this stake is to encourage the breeding and development of the highest type of pheasant dog. It is sponsored and is under

the management of the Ontario Bird Dog Association with recognition by the Canadian Kennel Club and the American Field Dog Stud Book.

In short it works as follows. When a bitch is bred, she is nominated that her puppies will be eligible for the stake. When the dog is old enough to run in the stake the owner enters it and pays a starting fee. Seventy percent of all entering and starting fees will be divided as prize money. Forty percent to be paid the breeder of the winners and sixty percent paid to the owners of the winners along with an engraved certificate.

Since its inception, several members have been actively engaged in breeding programs with the net results, that the first running which will take place over the Association's grounds at Allanburg in October 1956, will have some sixty dogs eligible to enter. Plans are nearly completed for the Association's Spring Trials when a large entry in the Puppy and Derby Stakes is anticipated as these will be the proving grounds for those eligible to run in the Opening Futurity.

The Ontario Bird Dog Association held seven licensed field trials during the spring and fall seasons of 1955, under the rules of the Canadian Kennel Club and the American Field Dog Stud Book. A consistant winner over the years has been "Zev's Peerless Trixie", a setter bitch owned and handled by C. M. Brennan, Islington, Ontario. "Trixie" won the Ontario Championship in 1953, 1954, and was named runner-up to "Lorandale's Bit-of-Honey" in 1955. "Honey" is owned and handled by Dale L. Young, of Elmira, N.Y. "Trixie" annexed top honours in three shooting dog and all-age events during the fall trials. In January of 1955 "Trixie" was bred to "Retinossoppe", top Setter sire in U.S.A.

Another Setter of note is "Beaurocket Ginger Prim". During the last five years "Prim" has amassed a total of 38 recognized wins under the whistle of owner Ben McIntosh, of Thorold, Ont. This is indeed a record to be proud of, since the American Field Records show comparatively few dogs with a greater number.

A promising pointer in senior competition is "Tyson's Shyhills Candy", bred and owned by Dr. Allan Secord of Toronto, Ont. "Candy" topped a field

of ten contestants to win the Open Shooting Dog Stake at the Toronto trials held at Ajax, Ontario, on Oct. 2, 1955. Owners and handlers will have to look to their laurels during the coming season as we would term this dog a "dark horse".

Some puppy and derby prospects are developing nicely. "Gaytime Shufflin' Duke", a setter dog by "McIntosh's Beau Essing" ex "Gaytime Sally" took first place in five puppy stakes and acquitted himself with honours in as many derby trys. Several of "Trixie's" puppies were entered in the fall events and displayed exceptional ability. "Brennan's Kingscope" owned by Harold Histrop, Niagara Falls, Ontario, was entered in the derby stakes at the Toronto and Provincial Trials and placed first and second respectively. "Kingscope" handled his birds with style and pointed with a staunchness one would expect in a much older dog. "Brenesi" owned by C. M. Brennan placed second and third to "Kingscope" in these trials.

"Tyson's Skyhills Flash", winner of the Grand National Grouse Championship (U.S.A.) in October 1954 was removed from competition, by his owner, Richard F. Papa, Toronto, and placed at public stub. Some outstanding matings were made with "Flash" at the kennels of Carl Beattie, Fulton, N.Y. Among them were: "Mistress Prettybones", (winner of the Grand National Grouse Championship, 1953.) "Log Cabin Light" and "Rambler's Slaperina". (The writer is a proud owner of a pup from this litter).

"Victorious Vickie", a setter which could always supply keen competition at a trial was bred by owner L. La Framboise to "Skip Selkirk". These puppies, though a trifle young during the fall season, nevertheless acquitted themselves handsomely, placing in second and third positions.

Other matings were nominated by Walter C. Gendron, of Penetang, and O. T. Graves of St. Catharines, Ontario. These dogs were Brittany Spaniels and it will be interesting to note how they compare in competition with the Pointers and Setters.

Courtesy Rod and Gun.

BEAGLE BRIEFS

While working ability is of primary concern to Beaglers, colour often comes up for discussion. Usually it's a matter of taste. Some field-dog men like them light, some like them dark. Others like a tan or red-and-white dog. Most popular seems to be the tri-colour, with a black blanket and white tail tip.

If young Beagles show nervousness it is important to make them first of all have confidence in you, their owner. Make the effort to feed them well but wisely, and go easy on the training until they are completely at ease with you. From then on you'll find them eager to work with and for you.

A Beagle can be discouraged from howling at night by fixing his house so that it can be closed in on all sides with numerous ventilation holes in the top. The reverberation of his own voice should change his mind about howling. He should, of course, have more freedom during the day.

CLUB NOTES

Sorry, but we cannot undertake to mention judges for forthcoming shows in Club Notes. This type of announcement rightfully belongs in your show announcement advertisement.
CLUB NOTES SHOULD NOT EXCEED 300 WORDS

THE B.C. LADIES KENNEL CLUB

by Elsie Murray

The Ladies have closed two very successful shows. May 21, 22 saw three Specialty Clubs join with us. The Ridgeback Club, with their first effort, were most successful. Mr. W. Semple, of Regina, was the judge on this day for all breeds.

The Junior Kennel Club had a handling display in their different age groups on Tuesday judged by Mr. Gene Hanhlen and Mr. Tommy Bosley who had a difficult job as they were all very good. Jeannie Powell was the winner, making two open events she has won and enabling her to enter the New York Show event next year.

THE CAIRN TERRIER CLUB OF CANADA

by Mrs. Jas. G. McFarlane

The club, at its meeting in Barrie on May 19, elected the following officers for the balance of 1956 and for 1957: President, W/C G. Erichsen; vice-pres., Mr. G. Davies; sec.-treas., Mrs. J. G. McFarlane; directors: (1) Mr. R. Anderson, (2) Mrs. G. Holmes, (3) Mrs. Betty Hyslop, (4) Mr. J. G. McFarlane.

THE CALGARY KENNEL AND OBEDIENCE CLUB

by Agness Hammond

The club held two most successful bench shows May 14 and 15, and their first Obedience Trial May 15. Mrs. Eileen McEachren judged the first show, and awarded Best in Show to the Boston Terrier Am. Ch. Aune's Brat Toughie, Can. and Am. C.D. Toughie is owned by Captain Harold Aune of Austoria, Oregon, U.S.A. Best Canadian Bred went to Jessie Knight's Weimaraner Wood Del Tucker, while best Canadian Bred Puppy was won by Mrs. T. C. Bleasdales American Cocker Isdale's Ink Spot. Best Brace in Show was won by a magnificent pair of Great Danes owned by Lt.-Col. and Mrs. J. deB Cowan of Kalso, B.C. Mr. Robert McKillop, our Alberta C.K.C. Director, judged the children's handling classes which were won by Hugh Swinton, 10 years and under; and the over 10 years won by Bobby Willows.

Our judge on May 15 was Mrs. Elsie Murray. Mrs. Murray gave Best in Show to the Great Dane Ch. Rungmook Rufus, bred and owned by Lt. Col. and Mrs. J. deB Cowan of Kaslo, B.C. Rufus also won the Best Canadian Bred in Show. Best Canadian Bred Puppy went to the English Bulldog Spot, owned by Mr. R. H. McLeod.

The Obedience Trial judge was Mrs. D. B. Hudson. In the Novice A Mr. Joe Suter's German Shepherd Cita of Elgee won the trophy, closely followed by Charles Mason's Collie Sommerville's King Michael, and also passing was Ray Aarestad's German Shepherd Weiss Duchess of Richland. Novice B trophy was won by Natalie Maydanski's German Shepherd Thor's Trogan of Elgee. Also making their qualifying scores were Mrs. Jack McIntyres Great Dane Rungmook Colonel, George Strachan's Irish Setter Tremonia Shane of Gay and King, Agness Hammond's Skye Terrier Mackson's Dusky Legacy, and J. L. Dronsfield's Labrador Retriever Kay Lee. Open B was a very close and exciting contest with two near perfect scores. Mrs. Maydanski's German Shepherd Ch. Thor's Terra of Elgee, C.D. and Walter Frost's Jezebel of Bellatta, C.D., each made a score of 199, and had to do an extra test for the trophy, which was won by Jezebel of Bellatta.

ENGLISH SPRINGER SPANIEL CLUB OF CANADA

By Lilah S. Lymburner

The annual Specialty Show of the Club was held in conjunction with the All Breed show sponsored by the German Shepherd Dog Breeders Association in Scarboro Arena.

Best of Breed went to Ch. Covington Gallant Kavalier who later was second in Group. Winners dog was Robert J. Walgate's Runor's Main Event and Winners female, Covington Girl Friday, to

THE HONEYMOON SHOW

NIAGARA FALLS KENNEL CLUB ALL-BREED SHOW

featuring Gun Dog in Action exhibition

SUNDAY, JULY 29, 1956

HYDE PARK STADIUM, NIAGARA FALLS, N.Y.

obtain entries from:

Foley Dog Show Organization Inc.,
2009 Ranstead St.,
Philadelphia 3, Penna.

finish her championship that day. Lilah Lymburner's Covington Kennels also had Best Canadian Bred puppy in Sangaree Betsy of Covington who went Best Sporting Group puppy. The Reserve Winners were Morley E. Fisher's Springcrest Cream of the Crop and Alice Cooper's St. George's Emblem Rockette. It is interesting to note that the five top placings in the show went to dogs sired by Can. and Am. Ch. Walpride Flaming Rocket and the best puppy is a great-grand-daughter of this outstanding American bred.

THE GERMAN SHEPHERD DOG BREEDERS ASSOC. INC.

by Paul Firman

All our friends who worked so faithfully in making our 4th Annual All-Breed Show such a success can now take a bow. Our thanks to the 357 entries, to those who so kindly donated such beautiful trophies and to all those responsible for getting our Show finished on time. Mrs. Mary Hart and her friends and members who assisted her are to be congratulated. Over 100 members and friends with 60 German Shepherds enjoyed an outing and Matinee Show at the home of Mr. and Mrs. Ernie Schaefer, near Pickering, on Sunday, May 27. Mr. George Gerigs did a fine job of judging. Mary and Spencer Weller's Jacqueline of Briardale went Best of Breed with Marimere's Brigadier as Reserve Winner owned by Jess and Ray Harris. Lallah and Bob Anderson's Mohr of Don-Mar-Lyn received highest scores in obedience, ably judged by Nat Cornfoot. Junior handling class was excellent.

Our Annual Summer Dance will be held at Fantasy Farm and we are looking forward to seeing old friends and meeting new ones.

THE GERMAN SHEPHERD DOG CLUB OF CANADA

by Mary E. Southcott

It was my pleasure to judge Shepherds on May 20 for the German Shepherd Dog Club of Rochester Sanction Match. The following week-end I spent near Montreal judging Obedience Classes at a Specialty Obedience Trial sponsored by the M.C.O.T.C. With large rings outside on level grassy lawns of the estate of Comm. and Mrs. Angus at Senneville, Quebec, the location was ideal and the hospitality of both clubs and our hosts superlative.

Our first Club Matinee Show of the year was held at the home of Mrs. Grace Probert, Willowdale. Bob Walker did the Breed judging and his choice as top winner for the day was Mrs. Carol Richard's "Don-Maree's Charm".

At the German Shepherd Dog Club of Western Ontario Specialty held in London lately Ed. and Mrs. Summerfield's Ch. Nina of Sussex-Leigh took Best of Breed under Mrs. Nellie Corser, while George Grant's Kris of Liese-Max went Winners Dog and Doug Ames' Glen Stewart Cherie completed her Championship by taking Winners Female.

At the all-breed show held in Aurora, Kris of Liese-Max repeated his London win. One of the Al Seeber's nice gals went Best of Breed at a show in Syracuse, N.Y., and Mrs. Josephine Taschner's Ch. Vali vom Sieghaus (Best of Breed at our 1955 Specialty Show) made a fine win under Langdon Skarda, taking Best of Breed at the German Shepherd Dog Club of Washington State Specialty held in Seattle, Washington, lately.

KENT KENNEL CLUB INC.

by Hilda MacGregor

The club held its annual dinner May 17 at Glen Gordon Manor. Twenty-five members were present. Officers for the coming year are: President, Mr. John Maynard; 1st vice-pres., Dave Bexton; 2nd vice pres., Don Pierce; secretary, Mrs. Wilfred Iles; treasurer, Mr. Lyle Drewery. Directors are: Mrs. M. Fetter, L. Drewery, O. Mills, C. MacGregor and Miss Eleanor Fair.

KITCHENER-WATERLOO KENNEL CLUB

by W. J. Simpson

The May meeting of the club was in the nature of a Zone Rally of C.K.C. members of Waterloo and adjoining counties. Two C.K.C. Directors were guest speakers.

Mr. Monaghan, of Ottawa, gave a most enlightening talk on the history of the C.K.C., its early struggles, its finances, its relationship with the Livestock Record Office, and its functions as a governing body. Recent amendments to our Constitution and By-laws were also explained.

Mrs. P. Smith, of Burlington, spoke on breeders' records, registration procedures, and the very important part that the Dog Show has as being the show window of our hobby.

THE LONDON CANINE ASSOCIATION

by Mildred Dark

The May meeting was held in the Club rooms. 22 members being present.

New Club rooms have been rented at 261 Hill St., as the club has outgrown the present space. The secretary, Mrs. Dark, was appointed to represent the Club at Canine Club meetings in Toronto.

A discussion was held on the management of kennels. This proved to be very instructive. Lunch was served and the usual social half hour spent.

THE SCOTTISH TERRIER CLUB OF CANADA

by Betty J. Stothers

At the club's meeting on May 11 it was announced that our Third Terrier Specialty Show will be held August 10 at the home of Mr. & Mrs. John T. Treleaven, R.R. #1, Todmorden, Ontario, who have again this year generously permitted us to use their grounds.

It is hoped a prominent American terrier judge will be available and his name will be announced later. Our show secretary again this year will be Mrs. John Devlin, Centre St., Thornhill, Ont., to whom the club owes so much of the success of last year's Show.

MARITIME NEWS

by Myrtle Kent

On April 18 at South Berwick Hall, the Evangeline Kennel Club was formed. Anyone interested in dogs and the showing of dogs was invited to attend. Officers elected were: President, Mrs. A. Z. Whitman, Auburn; 1st Vice Pres., Murray Bent, Middleton; 2nd Vice Pres., Mrs. C. S. Bezanson, Aylesford; Secty., Mrs. Frank Seward, Berwick; Treasurer, L. M. Wentzell, Greenwood, N.S.; Membership Committee, Mr. and Mrs. Robb T. Peel, So. Berwick.

It was decided to hold meetings the 2nd Wednesday of each month. Plans for a Valley Dog Show to be held at the RCAF Station, Greenwood, early in September were discussed.

THE PROGRESSIVE KENNEL CLUB OF CANADA INC.

Gertrude W. Drew

The June show was one of the nicest we have ever had. The management were well repaid for the long months of preparation and hard work if compliments are an indication of accomplishment. As one visitor said, "this is the cleanest, most attractive dog show I ever attended".

Special mention must go to the beautiful floral decorations, a gift to the club.

Judging started right on the dot of time and continued through till completion at six o'clock with only a short respite for lunch. Those who were not required to stay for groups etc. were grateful to be homeward bound at six thirty. The entire show was over at nine P.M.

Mrs. Mary Hart judged her large entry of German Shepherds on the green lawn outside.

The grand finale ended with one of our club members taking Best in Show. Mr. and Mrs. T. S. Adams displayed that "pride of ownership" smile which unmistakably goes with the winning of the supreme award. Their West Highland White Terrier certainly deserved the honour.

The next project on the program is the not too distant September show when the same care and atention will be given to the comfort of the exhibitors and their dogs.

THE TOY DOG BREEDERS ASSOCIATION OF CANADA

by Doris Green

Our club held its May meeting on the first, at 14 Delaware Ave. In the absence of our president the 1st vice-president, Mrs. Boughs, presided.

We wish our members Mr. Don Fitzgerald and Miss Faye Fox a speedy recovery from their recent motor accident and hope that the Pug dog who was lost from the scene will soon be recovered.

Our meeting was a lively one and many good suggestions were made for future events. A spirit of cooperation is growing and if we all pull together we should accomplish much and have a good deal of fun together.

COMING EVENTS

Championship Shows

RHODESIAN RIDGEBACK CLUB

by Ann King

The May meeting of the Club proved to be the same huge success as our initial meeting.

The main topic of conversation was our draft constitution and subsequent to intelligent and constructive suggestions our amended constitution was formally adopted.

We were pleased to receive telegrams of good wishes from the President of the Rhodesian Ridgeback Club of British Columbia and from the Rhodesian Ridgeback Club of Canada in Vancouver.

Mrs. J. Louson, 4059 Highland Ave., Montreal, was appointed as publicity and information member for Quebec.

Just before the close of the meeting it was decided, if possible, to hold a Booster Show at the end of the season and that our June meeting should be a picnic meeting, members inviting friends and anyone interested in the breed. Several dogs are to be judged against the standard.

One of our members has had a letter from Mr. Will Judy—judge of international fame and editor of Dog World—saying that he put a Ridgeback best in show, all breeds, at Bulawayo.

THE BULLDOG CLUB OF CENTRAL CANADA

by G. McKenzie

The club held its Specialty Show on June 3. An entry of 30 bulldogs made it a 5 point win both for the male and female. Judge was Mrs. Jane Foster.

Pursewick Christopher Robin, owned by Mrs. G. Purse and handled by Walter Brown, went Winners Dog and Best of Winners, thus completing his Championship as also did the Winners Female, Ro-Heath Patricia, owned by David Wright. Reserve Winners Female was Mrs. H. Ince's Thelwall Sally. B.O.B. went to Ch. Len Mar Duke of Derbyshire owned by L. Lamb and B.O.S. to Eng. Can. & Am. Ch. Noways Cherry owned by H. M. Gordon and M. L. Wood. Best Can. Bred Puppy was Clonleigh Barney, bred and owned by Mrs. G. Nicholson.

At the Booster Show held the previous day at the Progressive Kennel Club show Eng. & Am. Ch. Rawburn Rufus was Winners Dog and Mrs. Olive Dewsbury's Kempston Charmaine Winners Female. B.O.B. was Ch. Len-Mar Duke of Derbyshire. Best Can. Bred Puppy and Best. Can. Bred Puppy in Show was Albert Farrell's Nugget Superb.

SHOW AND TRIAL RESULTS

These are the official awards as compiled by the recording department of The Canadian Kennel Club Inc. Any correspondence relating thereto must be addressed to the Secretary Treasurer, The Canadian Kennel Club, 667 Yonge Street, Toronto, Ont.

OBEDIENCE RING

(*Continued from page* 13)

This column believes that we in Canada should not change our Obedience Trial Rules, Standards and Regulations.

For many years we have been trying to encourage American exhibitors and American judges to come to Canada in order to put our trials on an international basis. By doing this, we have also increased our entries and we have had the benefit of some of the best judges in the United States. Let us not do anything that will break down the good work we have been doing over the past years.

Why GAINES is the answer to the dog breeder's nutrition problems

Here's the Problem. It is no secret to dog breeders and veterinarians that many commercial dog foods vary considerably in their nutritional value—frequently from feeding to feeding. This state of affairs has led to a problem in the correct feeding of dogs — where, as these experts well know, a *completely balanced* diet is essential.

And Here's the Answer. The unique homogenization process, developed and used exclusively by Gaines, GUARANTEES THE DOG UNIFORM NOURISHMENT. In Homogenized Gaines Meal, all ingredients are blended into nuggets, each containing a *balanced* amount of ALL the food elements that the dog needs to build and maintain health and strength. Nutritional values thus *cannot vary* from feeding to feeding.

The Proof of the Pudding . . . ! Homogenized Gaines Meal is the result of many years of research by *Gaines Research & Control Laboratories* (and by the famous *Gaines Research Kennels*). Every step of this research has been carefully checked by ACTUAL FEEDING TESTS, carried out on generations of dogs at the Gaines Kennels.

Economical in Use. Gaines Meal contains balanced quantities of carbohydrates, fats, vitamins and minerals —plus *more meat and fish proteins*—all derived from natural foods. However, in spite of its high nutritional value it is by no means expensive. Cheaper, inferior meals *require* supplements if the dogs are to receive all the food elements they need. Gaines does not. It should be remembered also that a 25 lb. bag of Gaines contains all the food values of *75 lbs.* of canned dog food!

Considering these factors, it is easy to see why Gaines is *the world's largest selling dog meal*. Be sure that the next consignment of food you order is Homogenized Gaines Meal.

HOMOGENIZED

Gaines Dog Meal
