**SERVICE WITH A SMILE**

. . . Thank you very much for the post card passing on a prospective Bull Terrier customer to me. I took the liberty of passing the card around to some 20 members of our Dog Lovers Association at our last meeting and pointed out to them that this service alone was certainly worth the price of an advertisement in *Dogs in Canada.*

**HOSPITALITY APPRECIATED**

. . . I have just returned from the Mid West Circuit and the Regina Kennel Club Show and would like to express my deepest appreciation for the warm and generous hospitality shown me as an exhibitor in each show. I want to compliment the individual clubs for such fine shows and their superb sportsmanship and inspiring enthusiasm . . . . This was my first trip to Western Canada and my first time to show my dogs in Canada.

. . . I enjoyed your magazine *Dogs in Canada,* and found the May issue quite helpful to me before leaving for the circuit.

. . . Had the pleasure of talking with your president, Mrs. McEachren after the Regina show, and found her to be all your articles said about her and really more too. She is a very charming woman and gave dignity and colour to the show ring.

I am a licensed A.K.C. Obedience judge with all qualifications and I was quite pleased to see the wonderful progress and interest in that field since it seems relatively new to some of them, but not lacking in efficiency or achievements.

Six entrants to the class. Four soon eliminated — beam too narrow, apple headed, incorrect balance, snipy. Two well matched dogs are left. Nothing between them. Tough job this — but wait! No. 358 keener, positively glowing, obviously enjoying himself! Yes, he's the one. The deciding factor — his perfect condition.

**CONDITIONING**

Although wisely cared for, your dog may occasionally lose condition. Blood-purifying is the usual need. Karswood Dog Powders act directly on the liver, kidneys and bowels—organs responsible for cleaning and refreshing the blood stream. **DACHSHUND COAT VARIETIES**

. . . Considerable controversy seems to be rife regarding this subject. Some people do not realize that a large and very active Dachshund Club was in existence about twenty years ago. My husband, the late Albert Fix, organized it and our membership was Canada-wide. I have recently forwarded its constitution to Mr. Wallace Kerr, secretary of the present Club. I also drew up the Field Trial rules for this breed and these were also recognized by the C.K.C. I had the assistance of Mrs. Joseph O'Donohue III of New York City.

In 1938 a vote was taken as to separating coats. Below you will find names of the signers of the ballot. There were no contrary votes.

The motion was as follows and was adopted unanimously at a C.K.C. annual meeting in 1939, I believe:

"Resolved that Dachshunds should be considered at all Canadian shows as three separate breeds; smooth-haired, long-haired and wire-haired; that a Best of Breed be awarded in each coat and the winner of such title in each coat be eligible for the Hound Group and that The Canadian Kennel Club be notified of this resolution."

In bringing this motion before the C.K.C., my husband mentioned that breeders of different types of terrier and spaniel should support the Dachshund breeders in this motion. He said it is nonsense to say that there is no difference in Dachshunds except in coat. Those who really know their dogs know that a wire can be higher in the leg and shorter in the head than a smooth and will still be perfect of his kind. There are many little variations due to heredity which make the choice of one out of the three coats simply a matter of personal feeling. He cited a case where in a show of some sixty dogs Herman Rinkton, a magnificent smooth, was the only one to go into the Hound group whereas Mr. Dickinson's famous long-haired Varna, already an International champion, probably the best long-haired female ever shown up to that time disappeared from public view in that show as far as the Hound group was concerned. She had been best of breed in thirty shows in England, United States, Canada and I believe in another European country. Under another judge, she might quite possibly have gone over the smooth and was quite worthy of Best in Show.

The motion was passed and it became obligatory in applying for registration to note on the application whether the pup classified as smooth, long-haired or wire-haired.

Signers of the original ballot were Mrs. Hedley-Peek, BC., Mrs. Jessy Lord, Mrs. Elizabeth Burchett, Mrs. Tyrwhitt-Drake, Miss Agnes Westinghouse, Mrs. Charles McGee (all of B.C.) From Ontario there were Mr. Wenckebach, Mr. and Mrs. P. Desautels, Mrs. E. K. Staebler, Mrs. Lily Turner, Dr. Rendle Bowness, Mrs. June Symons, Mrs. M. McAlpine, Mrs. Sam McDougall, Mrs. C. E. Allison, Mr. C. Schaefer, Miss P. Stewart, Dr. McLay Miller, Mr. F. W. Harbroe, Mr. C. H. Fotheringham, Mr. W. A. Staebler, Mrs. Martha Hanson, Albert and Mary Fix.

**BABY NEEDS SHOES**

. . . Our puppy has chewed or scratched almost every shoe in the house. We take them away from her and spank her, but nothing seems to discourage her. She is too small to punish severely; what can we do? We let her have an old leather slipper in the first place, but she prefers to trot out several others at the same time.

MRS. J. McLEOD

Halifax, N.S.

*Puppies, like children, should have their own toys — enough to keep them amused, but strictly their own. Too bad to have given your puppy a slipper in the first place, because what youngster can tell old from new footwear? But since she has a fondness for shoes, watch her carefully, and substitute her own for the good shoe. The rest is up to yourself; don't leave shoes around where mischief can be tempted.—Ed.*

. . . Is it true that Gisele McKenzie owns two Dachshunds, or was the picture you showed in a recent issue just a publicity stunt?

GEORGE RAMSAY

*We are pleased to tell you Miss McKenzie owns and is genuinely fond of her two long-haired Dachshunds. A letter received from this talented Canadian a number of months ago leaves no doubt. Incidentally, did you know there are a number of Gisele MacKenzie fan clubs?—Ed.*

# ACCIDENT MAKER

Purebred or not—if your dog is properly raised, chances are he won't be a car chaser.

But there are still the hoydens and rascals who not only endanger their own lives, but that of a motorist and his passengers, to say nothing of a valuable car and contents. And with utter disregard for his own life.

We well remember returning from a dog show in a station wagon loaded with prize dogs. The driver swerved so sharply the car nearly upset and both passengers and dogs were certainly unnerved. And all for a foolish dog who used no sense.

On another occasion the writer and hostess just missed overturning in a ditch returning from church, all because of a crazy car-chasing canine.

Where lies the fault? If the dog fails to use his sense, then the onus lies with the owner, who obviously hasn't been using his mental faculties.

What's the cure? Some people have used the relatively simple method of hobbling. This isn't too dependable. It might make the dog resentful and even more determined in his frantic barking and chasing. Furthermore, it could hinder his movement to the extent he might topple directly under the wheel.

Another method which has been tried with both good and bad results is to shoot him between the eyes—with a water pistol. Or for a more impressive splash, have someone throw a pail of water at the moving dog. Sometimes this is permanently effective, while in other instances it too serves only to make the offender more determined than ever.

If your dog has had some training and responds to the commands Down, or Stay, the greater part of your battle is already won. If, on the other hand, he completely disobeys, then punishment may be necessary. If you feel his life is worth saving, you will have to be stern. Some forms of training take a great deal of effort and patience over a long period. But this is an emergency, and cannot permit of any long-term plan.

Even worse than physical punishment to some dogs is the apparent disdain or contempt of his beloved owner. Many dogs can be shamed into good behaviour by simply using the word Shame and refusing to pet or play with him for a while.

When the dog is on a lead while 'attacking" a car, your solution is easy. A few quick jerks of the lead are sufficient to give him the idea.

In the meantime, most people with any regard for animal life will do their utmost to swerve and avoid the offender. But should they risk their car, their life, or face years as a cripple?

## Don't let worms kill your pup

To give your dog a complete safe worming at home, use a product proved effective against the two most frequent worms.

Large roundworms steal his food, common hookworms suck his blood. Either can kill a puppy and seriously weaken an older dog.

Eliminate *both* types of worms with Sergeant's Sure Shot Worm Capsules (Puppy Capsules for puppies and dogs under 10 lbs.). Sergeant's outsells all other worming products 2 to 1. Use twice a year and protect your dog. Only 79¢ at drug or pet counters.

# MEMO FROM THE EDITOR

Dogs in Canada is going places. The increase in circulation to reach the waiting room of every small animal veterinarian in important centres across Canada gets under way with an early issue.

This constitutes a tremendous benefit for advertisers. Your message is guaranteed to reach the office of more than 1,000 veterinarians in addition to the ever-increasing number of C.K.C. members and Canadian and American subscribers.

But it doesn't stop there. Between 50 and 100 people enter a busy veterinarian's waiting room every day and await their turn. Imagine the number of dog enthusiasts your message will reach during the course of a month!

Many favourable comments have reached this office on the inauguration with the July issue of a special section for Dogs in the Field. We are more than interested in hearing of sporting and hound activities from coast to coast, and invite your news items.

Forthcoming issues: September will feature the Toy Group, with its 17 C.K.C.-recognized breeds. The Hunting Issue is scheduled for October. Large dogs, such as the Newfoundland, St. Bernard, Great Pyrenees, Irish Wolfhound, etc., will be on-stage in November. December, of course is the time for exchange of greetings and family meetings. Special Christmas topics for this issue.

News items and copy for advertising for these issues is acceptable any time for any specified month.

This magazine could give attention to more Shows across the country if Show secretaries would make sure Premium Lists and marked press copies of the catalogue reach this office right after the show. Space limitations prevent giving coverage at length, but brief comments can be given Shows by this means.

# REPRODUCTION AND STERILISATION

*by Toronto Academy of Veterinary Medicine*

A female will come into heat for the first time at approximately 8-12 months of age. Thereafter, the heat periods recur at about 6 monthly intervals for the remainder of the female's life or until she is spayed. A few animals will be in heat more frequently, perhaps three or four times yearly. Others will be less frequent, perhaps only once a year, such a tendency being more common in females over 10 years of age. There exceptions to the twice yearly normal pattern, usually have a sex hormone imbalance causing the irregularity. The heat period lasts approximately 18-21 days and runs through three stages each lasting 5-7 days. These stages are not distinct, merging from one into the next. In the first stage, the external opening becomes swollen and a slight reddish discharge appears, but the female will not accept the male. In the second stage, the discharge becomes more profuse and redder. The female tries to evade control and seeks a male dog but still refuses to accept him. In the third stage, the secretion becomes lighter and often colorless. The female will now accept the male and on the average this occurs at the 12th-14th day from the commencement of the heat period. If a litter is required this is the time to mate the female. If the female is successfully mated, the puppies will be born, on the average, 63 days later. Large litters tend to arrive a day or two early, while small litters may not be born until 65-67 days following conception.

**Dogs. Males.**

The male dog reaches puberty at 8-12 months of age. A well developed specimen may be used for breeding occasionally any time after this age. He should not be used regularly before 1½-2 years of age.

### Sterilisation

**Dogs. Females.**

The advantages and disadvantages are as follows:

**Advantages**

(1) Where a female is being maintained as a pet, sterilisation, or spaying, as it is called, abolishes the twice yearly problem of male dogs remaining in close proximity to the home of the female for approximately three weeks.

(2) Unless closely guarded during the receptive period the female becomes pregnant and nine weeks later a litter of unwanted puppies arrives.

(3) In later years, the incidence of breast tumors is much higher in non-spayed females, necessitating somewhat expensive surgical removal. The possibility of recurrence is also high unless the animal is spayed at the same time, when she may be a poor surgical risk.

(4) Also, in later years, many non-spayed females develop infection in the uterus. Such infection frequently causes premature death, the only positive cure being the surgical removal of the infected sex organs. This surgery is expensive and frequently dangerous, since the animal is sick and less able to withstand the surgical procedure.

**Disadvantages**

(1) Removal of the sex organs tends to diminish the dog's activity making her more tranquil. As a result there is a tendency to increase in weight. However, this can be controlled if the diet is regulated accordingly.

(2) In a small proportion of cases, approximately 1 in 200, a spayed female loses urinary control, such an occurrance usually developing past middle age or in the later years of life.

The advantages thus outweigh the disadvantages. There is a widespread belief that a female will not become overweight if she is allowed to have one litter of puppies before being spayed. There is no scientific evidence to support this idea, and it is considered that the ideal age to spay a female is between 4 and 5 months. Some people prefer to let a female have one litter before having her spayed, in order to introduce children to the facts of life.

**Dogs. Males.**

Male dogs are much less frequently sterilised than are females. In some cases it is desirable, as a few male dogs will behave towards young children as though they were female dogs. Occasionally, such behaviour can be corrected by training, but castration is generally more effective. The castrated male dog also tends to wander less frequently and thus becomes a better pet. The ideal age is again 4-5 months.

### Elk Dogs

You may have seen an elk dog without recognizing him. Actually this breed is not a dog, but a horse. The name was given by the Kootenay Indians in British Columbia who, having no word for horse in their own language, labelled the early horses in their territory as Elk Dogs.

## DO YOU REALLY KNOW

# THE BULLDOG

Once one of the most ferocious animals, he has become an even-tempered, companionable gentleman.

"You made me what I am today; I hope you're satisfied". If Bulldogs could sing, and maybe they can, this frank song might well be their theme.

The Bulldog, usually billed by non-owners and the unacquainted as ugly, sluggish, a snuffler, graceful as a drunkard, is actually one of the most maligned and misunderstood animals other than a husband feeling sorry for himself.

Never actually sluggish, but quite the opposite in his original use as a bull or bear baiter, the Bulldog just doesn't believe in wasting energy unnecessarily. But when he needs it, he has speed and vitality a-plenty.

Once upon a time the Bulldog was not only one of the ugliest animals alive, but one of the most savage. But here we have a virtually man-made or reconstructed dog, not only in appearance, but in actual temperament. Seven centuries of concentrated breeding have gone into making the perfect Bulldog—perfect, that is, for the so-called sport of bull-baiting. But with his underslung jaw (what other animal would ever pass a judge with such a mug), and his flattened nose, perfect complement to hanging on for dear life and being able to breathe at the same time, the Bulldog has now become a friendly soul, gentle and gentlemanly.

Completely contrary to his appearance of dignity and soberness, he makes an excellent children's pet and can readily match them in romping and running.

Although the Bulldog may look too tired or disinterested to run, his original

purpose and present powerful muscle and bone structure demand exercise. The amount required may be guaged by watching carefully for signs of fatigue. But this athlete must never be allowed to go "stale".

While the Cocker Spaniel, Poodle and some of the Terriers have enjoyed a peak of popularity almost similar to that of movie stars, the bulldog has gone his own steady way. The breed has enjoyed the constant and growing devotion of fanciers who have dedicated themselves to taking the pugnaciousness out of the breed and cultivating a good companion.

There was a time, between the English outlawing of bull-baiting and the start of the dog era (around 1835) when this breed might have slipped out of existence altogether but for a few devotees who realized the dog's former highly prized viciousness might be refined.

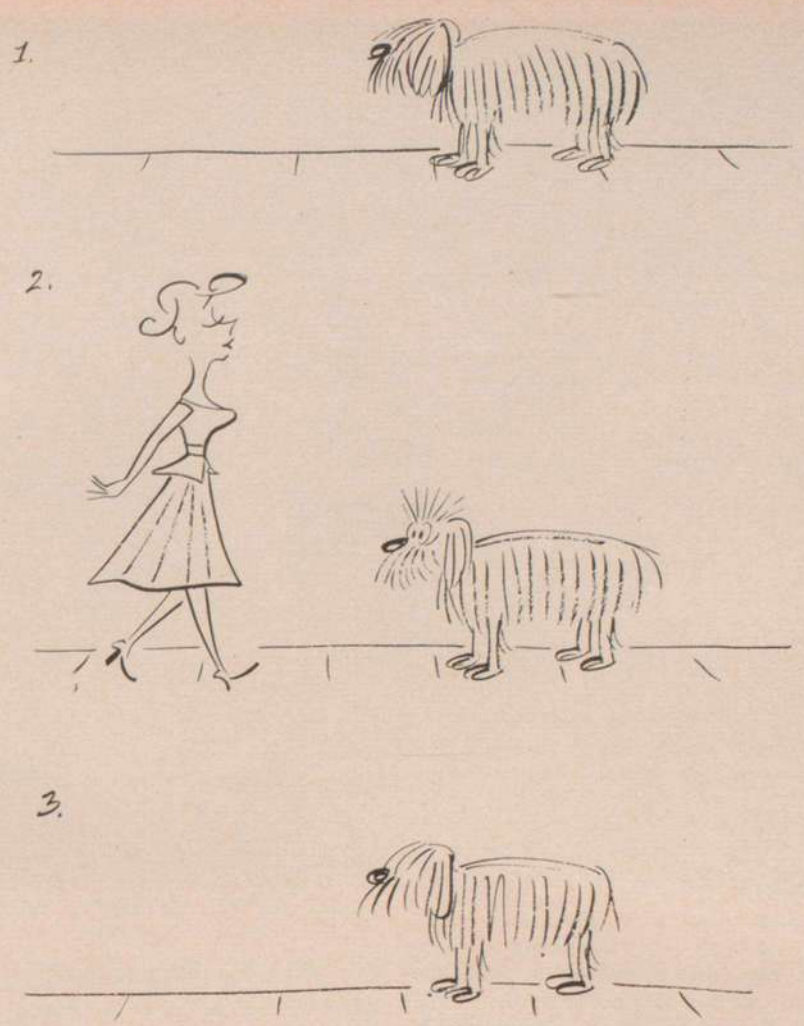
The Bulldog is the most difficult of all dogs to breed. The chief trouble is in whelping, because the standard demands a head measuring in circumference the height of the dog at the shoulders. Yet the back must be short and the waist narrow. Natural whelping is frequently too risky for the mother, and Caesarean sections are usually necessary. The younger, more flexible mothers have the advantage over an older brood matron.

The Bulldog is for experts in the matter of breeding. While the breed is considered, despite his staunch appearance, the prey of many illnesses, proficient breeders and owners maintain that with proper care the Bulldog's constitution and resistance will match that of any dog.

### COVER PHOTO

What has been claimed to be England's most outstanding Bulldog in the past 30 years has been imported by Reg. P. Sparkes, owner of the famed Kamel Kennels of Toronto. This dog being the outstanding 15 months old youngster "Champion Altonian Supremist" (imported), born April 13, 1955. His ring achievement in England is the most impressive record known for many a day and the following is the judge's critique, which appeared in the English Dog World after his winning his third Championship Certificate (Judge, Mrs. A. Smith) . . .

". . . C.C. winner and best of breed. What a youngster! He certainly has fulfilled his early promise, impresses you immediately he enters the ring with his superb quality. Grand head, all the essential qualities, long flat skull, good furrow, stop, good lay back, beautiful wide well-turned underjaw, the real sour-mug expression, set off with a beautiful snarl, well set and carried ear of the correct texture, good shoulders, bone, nice ribs, hindquarters. What a mover—a worthy champion!"



### PUPPIES vs. PETUNIAS

Dogs can be taught to stay away from flower beds and other "forbidden" areas of a garden, states Harry Miller, director of the Gaines Dog Research Center, New York. The secret lies in simple obedience, he explains, rather than any technical training and the proof lies in the fact that there are countless homes where both dogs and gardens are enjoyed. If a dog is obedient in coming when called and is continually called off certain places in the garden, he will soon learn that he is not to go there. A low wire fencing placed temporarily around planted sections will help get across the idea.

Puppies that are taken regularly to a special area to relieve themselves will soon get into the habit of using that place and no other. Soon they will go there of their own accord.

In hot weather a dog will often dig to make a cool place to lie in. Providing a shady place to rest and plenty of fresh water to drink will help prevent a dog digging to find comparative coolness. Some dogs have little exercise and get into the habit of digging as a way of expending energy. In that case, frequent play and exercise helps curtail digging.

### PRESCRIPTION FOR CAR SICKNESS

An ounce of prevention is worth buckets of cure. Your dog may love to go for a drive, but dislike the car itself for the association of illness. Some dogs, as do some humans, automatically get sick in a car.

A great deal of the problem can be avoided by the simple procedure of not giving him a heavy meal before starting. As you have undoubtedly found, a light meal rides easier in car, plane or train.

Much of the difficulty is a mental one. Take your dog in the car whenever you can, especially for short rides. If you are driving, have a passenger hold him up to the window. Get him interested in the passing scene, and he'll soon forget his uncertain tummy. When you reach home, give him a drink of water, but don't feed him a meal immediately. Even if he hasn't shown any indication of woopsing, hold back on the food. If he is inordinately hungry, give him a hard biscuit or two.

On a long trip, you might keep a small supply of hard dog biscuits handy. Something to nibble on prevents undue restlessness. Remember, Grandma used to carry peppermints to church?

# WHAT MAKES SAMMY RUN?

*Lovable and loving, the Samoyed has adapted himself to the milder climes south of the Arctic and even the semi-tropics.*

A hard worker, willing to share the good and bad of what is at best a life full of hardships—that's the Samoyed. He'll pull a load virtually to his death. He greets storm and blizzard with a quiet, patient philosophy.

But let him see a group of children romping and his seriousness takes wings. So do his feet. The Samoyed not only likes, but adores children. He can't resist a good scramble, and even if he doesn't know quite what its all about he doesn't wait to find out. He's the dog with the smile, and his good-natured kindness glows from his eyes.

Rarely written into the records, Sams have been active in history-making episodes. The great Arctic and Antarctic explorers have depended on these snow-white dogs for pulling heavy loads of essentials over bleak acres of ice when ships and planes could no longer serve. Scott, Nansen, Shackleton, among others, have lauded their dogs who shared their hardships, often to their death.

These dogs show an amazing strength and will-power for their size. The male stands about 21 inches at the shoulder, and the female slightly less.

### Care of Coats

The Samoyed is so proud of his appearance he cleans his own coat every day, going over himself thoroughly and pleasurably as a cat.

A little brushing is all that is necessary, because their coats, for the most part, are exceptionally free of vermin. If a burr or some foreign body becomes enmeshed in the coat, the Sam never rests until he has it worked out.

Another great quality in the Sam's favour is their freedom from Doggy odour, which always makes a dog more welcome anywhere.

Have you ever watched a Samoyed being groomed? He cooperates to the utmost, turning from side to side to make sure every part of his beautiful body gets attention. If another dog has the audacity to venture near during the operation the Sam more than likely will give a low warning growl. It's his show and he wants it kept that way.

The coats are made to withstand cold and wet; the downy undercoat serving as insulation to the long, glistening hairs of the outer coat.

Too much washing would destroy this combination by causing the undercoat to disappear and leaving the dog susceptible to pneumonia.

### The Proud Plume

The Samoyed's pride and protection is his beautiful long thick brush. In the far North they use their tail to cover their nose and feet against frost-bite. A mother covers her babies with this warm, white shelter.

The tail, too, is an indication of the dog's feelings. Usually carried like a flag over the back, it will drop despondently if he is disgraced in any way.

With regard to breeding, W. L. Puxley, noted Samoyed fancier and author, warns strongly against the practice of in-breeding. This, he cautions, will result in smaller and smaller mothers, with a noticeable lack of stamina in both mother and puppies. The puppies will be more susceptible to disease, even to illnesses usually unknown to the breed, despite the usual hardiness of the dogs originating in the North.

The Samoyed is running swiftly to the fore in popularity, scoring high on every count.

# YOU CAN UNDERSTAND MENDEL'S LAWS!

*by Edna M. DuBuis*

*Jackson Memorial Laboratory*

Do your breedings go wrong? There are specific laws of nature as worked out by Mendel, and simplified here by a noted geneticist. Part One of a two-part article.

Whenever dogs are discussed today by serious breeders who are earnestly concerned with the future of their favourite breed and who are striving to improve that breed, the conversation turns eventually to the most successful methods of breeding dogs. The methods employed by individual breeders in the production of purebred dogs may vary from the simple procedure of matting together two animals of the same breed in the hopes that the chosen pair will "click", to the most scientifically-planned and extensive breeding program. Those breeders who realize that there is more to successful dog breeding than random, "hit-or-miss" matings are becoming increasingly interested in the scientific point of view and anxious to apply the latest findings of science in the building of a sound, long-time breeding program.

We are hearing more and more about line-bred sires, progeny-tested sires, pure-bred dominants, hybrids, recessives, the transmitting ability of a sire or dam, etc., etc. Just what do these terms mean? In an effort to broaden his knowledge and keep up with the modern trend, the conscientious breeder may turn to the numerous books and papers which have been written on the subject of heredity. Frequently after having attempted to digest the available literature, the breeder finds that it is "all Greek" to him and he either gives up in complete discouragement or, which is even worse, forms an entirely incorrect conception of what he has read.

Admittedly, it is a difficult task to present scientific material of any sort in an interesting and understandable manner to the reader who is totally unfamiliar with the technical terms of that particular science. Such efforts might be likened to attempts to teach art by mail to students who have never seen a paint brush and who cannot clearly visualize, from the written description, what a paint brush looks like. Most of the books which deal with the subject of genetics (the science of heredity) were written for students who have had at least some training in biology and who, preferably, have had elementary courses in genetics. Therefore, there is no particular attempt made to explain the basic terms used in these books. Naturally, the reader who has not had special training in this field and who does not understand the terms freely employed in the text cannot grasp the full meaning of what he is reading but flounders hopelessly in a sea of confusion consisting of chromosomes, heterozygotes, gametes, genotypes and various genetic symbols.

Learning is not entirely a painless procedure and the reader who expects to be able to absorb a working knowledge of genetics without any effort on his part is defeated before he starts. We all know that in order to raise dogs successfully one must learn something about the care and feeding of dogs and the prevention of diseases. I am sure every breeder will admit that our present knowledge of nutrition and disease-prevention in the dog has helped the average breeder to grow better dogs than he might have been able to raise even a scant twenty-five years ago. Such words as "vitamins", "homologous serum", "penicillin", "leptospirosis", etc., were once unfamiliar terms but today they are a vital part of the average breeder's vocabulary. If we wish to learn the simple, basic facts which will give us a broad but nevertheless accurate picture of what is known about heredity today, we must first learn to speak the language which the teachers of genetics speak. An understanding of this language will lead to a better understanding of the laws of nature and to practical application of the conclusions which Mendel drew as a result of the breeding experiments he conducted with garden peas.

A dog breeder may quite naturally ask, "What has the breeding of garden peas got to do with dog breeding?" Genetics, one of the youngest of our sciences, was founded on the work of Gregor Mendel, an Austrian monk and science teacher whose experiments in plant breeding resulted in the discovery that inheritance was not a haphazard affair, as was formerly believed, but was subject to definite rules or laws. These laws have been tested and retested by numerous scientific investigators who have studied all types of plants and animals, including dogs, and in all cases Mendel's conclusions have been proven correct and applicable to the species studied. The testing of Mendel's laws is still being conducted in laboratories all over the world, and new evidence is constantly being added to prove that the mechanism of heredity in all living things is basically the same and that it is governed by the same laws. Mendel used garden peas in his experiments because they were obtainable in many purebreeding varieties which offered for study a large number of contrasting characteristics which could be easily recognized and recorded. Also, his decision to use plants in his breeding experiments enabled him to carry on his work successfully for eight years in the only available space, a garden plot measuring 20 feet by 120 feet, which was alongside the building of the monastery where he lived.

A knowledge of genetics alone will certainly not enable breeders to produce champions consistently. There is no one formula which in itself will assure the continued success of a breeding program. Animals cannot be bred by formula or rote. The planning of each and every mating requires the careful judgment of the breeder who must decide which individuals to select for breeding and which breeding method to employ. Experienced breeders know that, while it is sometimes advisable to resort to in-breeding, at other times it may be advisable to out-breed. A knowledge of genetics will help the breeder make the correct decisions by helping him to understand WHY line breeding may prove successful in some instances and fail utterly in others, and WHY some dogs are capable of producing outstanding progeny while others of equal breeding and type are capable of producing nothing except undesirable offspring.

A knowledge of the hereditary make-up of his breeding stock will enable the breeder to evaluate this stock much more accurately, avoid many of the mistakes commonly incurred through "blind breeding" by predicting the approximate results of a planned mating, and perpetuate the improvement gained within the breed. A working knowledge of the laws of heredity will stop the senseless and incessant blaming of leased sires for countless faults in the offspring which, in all probability, are the result of equal contribution of both parents. It will help the breeder to avoid perpetuating those faults through the female line.

Many good dogs were produced in the past by people who knew nothing about the laws of heredity and who never even heard of Mendel. However, most of these dogs were produced by breeders of long experience and exceptional ability. The novice breeder of the past, if he achieved his goal at all, was generally able to do so only at the expense of time, money and discouraging failures which might have

▲ Died. On June 21, Fred Linden Coleman, of a heart seizure. This great Terrier man was known for his Airedales, Fox Terriers, Welsh, Cockers and Dobermans. His artistic ability in preparing a Terrier for a show was outstanding. Among his noted dogs: the Airedale, Wrightville Hull Mug, Wrightville Kay Don, and his Cockers Wrightville Dark Lady and Mary's Love.

Mr. Coleman was a continuous member of The Canadian Kennel Club for 30 years, a constant exhibitor at the Ottawa, Montreal, Toronto and Hamilton shows and a judge at many Sanction shows.

When Samoyed Breeder F. T. (Wally) Freeman of Snoglo Kennels, Barrie, Ont. and guests Warren and Kenneth Shelly of Saginaw, Mich. called on other breeders in the vicinity, recently, they visited more than 100 Sams within a radius of 90 miles of Barrie without seeing all of them. Mr. Warren Shelly expressed the opinion that he doubted if there would be over 25 in the whole state of Michigan.

Snoglo Kennels now own one of the few pure Arctic imports to have arrived in North America in some time: Snoglo of The Arctic, an 11-month-old male.

Oldest site of dog shows in Canada and United States, is Hornell, N.Y., where one of the liveliest shows is still held. This year it's August 19, with entrants invited to a party (on the house) the night before.

It's a bachelor's life for the dogs in Neelon and Garson Townships near Sudbury, Ont. According to the townships' dog tax figures, there's not an eligible female in all of the 72 square-mile area. Last year not a single citizen admitted to owning an unspayed female when purchasing a dog licence.

Magistrate Hallett of St. Catharines, Ont., has ruled that anyone may lawfully kill a dog without a tag and not under the control of any person. This statement was made when he dismissed a charge against Victor Abrams of shooting a Cocker Spaniel. According to Humane Society Inspector Arthur Henry, Abrams told him he fired a shot at the Spaniel to scare it out of his backyard. The inspector stated there was no collar or tag on the dog when he was called to remove the body. Owner Kenneth J. May, however, said the dog had worn a collar with a 1955 tag when he last saw it, the day before it was shot. With the city bylaws unrelenting on the subject of untagged dogs, it would seem one way of retaliating would be to prosecute the trigger-happy citizen for discharging a firearm within the city limits.

"If I do not find dogs in paradise, it will not be paradise for me and I shall probably apply for a transfer to the other place." Those were the words of Judge Tudor Rees, noted British magistrate who died recently. It would be enlightening to know whether he has now found his desire has been fulfilled.

The Grand Victor and Grand Victrix will be chosen at the German Shepherd Dog Club of America National Specialty Show to be held at Purchase, N.Y., just outside of White Plains on October 7, 1956. Top German Shepherds will compete in an entry of around 250 dogs from all over North America. The titles of Grand Victor and Grand Victrix go to the entries ranking Best of Breed and Best of Opposite Sex.

*Capt. Wm. Goldbecker and Miss Margaret M. Megahan, noted Shepherd experts, will judge this show.*

The close breeding relations existing between the Shepherd people on this continent with those of Germany is greatly responsible for the comeback of this highly useful and handsome animal. When the German Shepherd Dog Club of America held its first German Shepherd National Specialty Show 43 years ago (it was then called the German Shepherd Dog Club of New England) the titles of Grand Victor & Grand Victrix were adopted in keeping with Germany's titles of Sieger and Siegerin for the two top Shepherds in that country.

Facing separation from his Cocker Spaniel, Barry Lindsay of Camp Borden, Ont., quit school to earn $200 so that he could take his puppy with him when his family sails for Germany to join his father, Capt. G. E. Lindsay of the Royal Canadian Army Service Corps. The family had planned to board Pokey, during their two-year stay. Talking with his mother, Barry agreed to resume his education and work to raise money after school. His mother promised him a $50.00 starter if he can raise the balance.

An ear-biting contest resulted in Donald Hilts, 5½-year-old Richvale, Ont. boy, going to the doctor with cuts and Rover, his German Shepherd, being placed in quarantine, under observation for rabies. Mrs. Hilts stated that Rover had been tied up when Donald put his arms around him in a hug and gave him a playful bite on the ear. Rover bit back, the first time he's ever been known to do so.

To ensure the comfort of his Afghans, Cleo, Nicobar and Mac during his trip to Europe, John Clemens, a Sudbury, Ont. cosmetics manufacturer, has built a 28-foot high dog house. The three-storey, $1,500 structure has been erected on a lot behind his apartment, and is designed to re-create the dogs' favourite sections of their home.

To minimize loneliness some of Clemens own furniture will be installed: i.e., the bedroom on the top floor has a bed with a spring and mattress and a chest of drawers. The sitting room on the second storey contains a sofa, while the living room, main floor, is furnished with a rug; walls lined, not with books, but shelves filled with dog food which will be rationed by a friend.

To ensure the proper temperature, the house is insulated and has an electrically controlled heating and ventilating system. The desert dogs like the temperature between 60 and 65 degrees, explained Mr. Clemens.

A fenced-in yard has a centre of interest: a model fireplug painted in the traditional red, and set up for the convenience of Cleo, Nicobar and Mac on a gravel bed. The dogs may leave and enter the house at will through a porch created to keep out drafts.

On his return from Europe Mr. Clemens plans to raise Bedlington Terriers.

The Vancouver Island Dog Fanciers Association Show (May 21) was enlivened by a display of 19 dogs which performed for a full hour. The troupers are owned and trained by Mr. and Mrs. H. W. Mellish of Heatherbelle Kennels

and Training School, Reg. The following day the nimble dogs and their owners entertained 6,000 people at the Royal Athletic Park, and on the day after that, had two animated floats in a large parade. Some of the canine performers are shown here.

A clipping from The Galt Reporter sent in by a reader will undoubtedly set dog lovers' teeth on edge. We quote excerpts here for the question it provokes, i.e., when a dog is bought from the Humane Society, should the purchase of a licence at the same time be compulsory? Is a man whose sheep are endangered by stray dogs at liberty to shoot them at will?

"Centreville—Humane societies are to blame for a "dog situation" which is putting district sheep farmers out of business. That was the assertion made at a meeting of Waterloo township council on Monday night.

"Irvin Fromm, livestock valuator from Preston said that hundreds of puppies were given away annually at society shelters. In the course of time many of these puppies developed into $2 mongrels which roamed the countryside killing and injuring sheep, Mr. Fromm said.

"Mr. Fromm said the full extent of the damage to the flock has not yet been ascertained. The ewes were all bred at the time of both attacks. From his own experience he said the ewes will be a problem at lambing time by delivering the young backwards and in other awkward ways.

"Many of the lambs will likely die as a result of difficult births and there may be more ewe casualties. It will cost the owner a large veterinarian bill.

"The valuator claimed many of the dogs were not tagged. Owners must buy dog licences and tags. The licence fees are put into a fund to pay livestock claims.

"I have shot at least two dozen dogs on my farm which didn't have tags," said Mr. Fromm. "They make good fertilizer for my fruit trees."

"(Assistant assessor Frank Heffdon says he sells about 1,300 dog licences yearly.)

"Chief Constable Thomas Livingstone said dogs may be shot which are:

1. Found killing or injuring livestock.

2. In a township or village between sunset and sunrise straying from the premises on which they are habitually kept.

3. Found straying at any time on premises where livestock are habitually kept."

Susy, a Cocker Spaniel, had a special dislike for the German Shepherd next door. Their constant feuding was a worry to their owners. For no apparent reason, most of the dogs in the neighborhood turned on Susy one morning and gave her a severe mauling. While neighbors stood helpless to rescue her, the German Shepherd waded in and literally pitched the other dogs out of the fray. Finally free, Susy, shaking and bleeding, waggled her appreciation to her rescuer, and he waggled back.

Next day, Susy and the Shepherd resumed their nagging at each other, and things were back to normal.

# AROUND THE OBEDIENCE RING

*by Alan Sharp*

**News Bits**

The third tracking test to be held in Canada is now being organized by the Trial Committee of the Montreal Dog Obedience Training Club, under the able chairmanship of Mr. F. H. Mingie. This will be the third consecutive year that this Club has held a tracking test.

Mr. Mingie informs this department that plans are now being worked out by his Committee to hold two trials as well as the tracking test over the week-end of October 6 and 7. Once again, the trials will be held outdoors in the beautiful Laurentian Mountains, about 40 miles north of Montreal. The trials, as usual, will be unbenched.

We are informed that a distinguished group of first class judges will be on hand to put the dogs through the required exercises as laid down by the C.K.C.

Those who have attended these week-ends in the past know that they offer a wonderful opportunity to acquire legs towards degrees, as well as tracking degrees.

At the same time, it is a "fun" week-end. As usual, on the Saturday evening there will be a cocktail party, followed by the Trial Dinner. A special welcome is extended to United States visitors. Last year about 35% of the entries were from south of the border.

**Letters of Interest**

Mrs. D. B. Hudson, Honorary Secretary of the Greater Victoria Dog Obedience Training Club, writes to us and reports on her Club's activities during the past year. Due to limited space, only part of the letter is reproduced here as follows:—

"This Club has just held its 7th Annual Meeting. The past year has been a profitable one in results and progress, and the growth has been remarkable.

"We have given instruction to no less than 185 different dogs and owners, with most of them continuing on until they get their C.K.C. and/or Club Certificates.

"The classes have been enlarged and eight classes are now being held each Tuesday night, from beginners to the most advanced work.

"This Club holds the Western record of having 5 dogs with their C.K.C. Utility Degree.

"Three new trophies have been given to the Club for perpetual competition. The S.P.C.A. gave a Challenge Cup for the highest scoring junior in the Club Trials which are held quarterly. Mrs. T. M. Jones gave a Cup in memory of her husband, Dr. T. M. Jones, who was our Honorary President for many years. This is given to the highest scoring member in the Club Trials. Mrs. N. Abkhazi gave a cup for the dog winning the three highest scores in the year in the Utility Class.

"To encourage inter-club competition, a prize is given to any visitor competing in the Club Trials but the visitor must be a member of one of the Island Clubs.

"In our Annual C.K.C. All Obedience Trials the Island contributed over 30 dogs in one of the most successful Trials of the year. Eight dogs won their C.D. Degrees, three won their C.D.X. Degrees, and one got the coveted U.D. and was awarded a silver trophy from the Club, on top of all other honours.

"Four displays of the Club's work were given in various parts of Greater Victoria, and for different charities.

"We now enter our eighth year with new hopes, new ideas, and an enrolment of 82 dogs in the present course.

Sincerely yours,

Mrs. D. B. Hudson,

Hon. Sec."

Thank you very much Mrs. Hudson for bringing us up-to-date on your Club's activities. From all accounts you seem to have had a very busy and successful year. May we take this opportunity to congratulate all your members whose dogs earned degrees over the year. Keep up the good work!

***This Corner Says:***

We don't wish to dwell at length on the Proposed Amedments to the Obedience Trial Rules and Regulations. However, we do want to repeat that this column is of the opinion that they should not be adopted for the reasons set forth in the July issue of *Dogs in Canada*.

The thought occurs to us that instead of devoting our valuable time and efforts to rule changes at this time, it would be much more advantageous if we were to sit down quietly and take inventory of the way our trials are run. We might be able to come up with ways and means of improving them in the future, by taking stock of our errors and omissions in the past.

Your editor has attended many trials in various parts of Canada during the past ten years. Many of the trials have been run in real professional style, with no hitches. However, at other trials, it has been quite obvious that the trial giving Club knew very little about running a trial.

At some trials, rings have been unsuitable or not of regulation size. At others, jumps have been difficult to handle and in some cases the boards have not been marked for size. In one particular instance, a bar jump was not available—luckily the only utility entry was scratched. Matting is sometimes not available, which makes the jumping difficult and dangerous. At one trial, they didn't have qualifying ribbons for presentation. Then again, stewarding could be improved a lot in many instances.

If we appear to be critical, we sincerely trust that our readers accept the criticisms as constructive. That's the way they are intended to be. We have merely tried to prove that there is still a lot of hard work to be done if we are to bring our trials up to the standard they should be. Let us devote more of our time and efforts to improving them, rather than looking for ways and means to change the rules and regulations.

We have come a long way in the past ten years. Most of our trials are run well but we still have a long way to go before we reach even near perfection. Let's all work hard to see what improvements we can make. It will pay off in the end.

Editor.

# BOOK REVIEWS

*(Books may be ordered thru Dogs in Canada, 345 Church St., Toronto – No. C.O.D.'s)*

Just off the press is **This is the Newfoundland,** official breed book of the Newfoundland Club of America. Maynard K. Drury, President of the Newfoundland Club of America reports the book will be off the press in time for Christmas.

Mrs. S. J. Navin, Willowdale, Ont., tells us the book has been authored by a number of club members and edited by Joe Stetson, dog editor for Field and Stream. The book, which includes articles on Medicine and First ,Aid Training for Water Trials, Training and Obedience Work, is available through *Dogs in Canada,* at a cost of $4.75.

**The Complete Irish Setter.** By Milo G. Denlinger. $4.75

A book on the Irish Setter easily understandable by new owners as well as experienced breeders. Even the section on various noted strains reads well and easily, and gives an idea of the battle for colour, which culminated in the gorgeous Red.

This book might almost be considered "recommended reading" for anyone planning to purchase an Irish Setter.

Because the breed is primarily a field dog, and therefore requires early and careful training, a great deal of detail is given these phases.

Breeding, diet, diseases, showing, etc., are topics thoroughly covered.

**Spaniels: Their Breaking for Sport and Field Trials**

By H. W. Carlton. $1.50

It should be noted that the word "breaking" is another term for training, in this small but useful book, which covers field training for all types of land spaniels and for water spaniels working on land.

All phases of field work are covered in readily understandable instructions.

**This is the Beagle**

By Dr. George D. Whitney. $3.95

Heredity, and what to look for in a Beagle puppy, is just some of the advice contained in this excellent book for Beaglers. How to select and raise a puppy for Show, or for field work, as apart from a household pet is also useful reading. Other departments carefully explained are housing, field and hare trials, judging and the bench show, etc. Dr. Whitney also deals with ways of improving Beagling and with game and game conservation.

**The Complete Beagle**

By Wm. Denlinger. $4.75

Just off the press, this handbook of Beagling is adroitly turned out, going into details of early English standards and American bloodlines, as compared with today's standards. Four noted Beagle men, Henry J. Colombo, A. D. Holcombe, Morgan Wing Jr., and Owen M. Payne. The book also contains a glossary of Beagling terms, and sound material on breeding, general care and feeding, diseases, etc.

**The Cocker Spaniel**

By Ella B. Moffitt. Revised and added to by Ralph C. Craig. $4.95

This is the ninth edition of Ella Moffitt's valuable treatise on the Cocker Spaniel. The author initiated, entirely alone, field trials for Cocker Spaniels on this continent. Ralph Craig, a long-time associate of hers, is a bench show and field trials expert, and brings the book up to date.

More than 100 illustrations add to the interest of this fine reference book, considered by many specialists a "bible" and a must for Cocker owners and breeders.

The book also contains a list of Cocker Spaniels who have made their championships either at bench show or field trial through to January, 1953.

**The Dog Who Came to Dinner**

By Waldo Zimmerman – $1.25

Here is a charming little book that is fast becoming a best seller in the world of dogs.

It could happen to you—you'll laugh, maybe cry, but you'll never forget Rusty Guardsman, a lost little Dachshund who begged a meal, adopted his host, the man who was "too busy to take care of a dog", and in no time at all had him eating out of his paw!

This is a true story—every bit of it—and as such makes a great little holiday, birthday, or get-well gift, to say nothing of what it does to your heart, Dachslover or not.

**The Complete Cocker Spaniel**

By Milo G. Denlinger. $4.75

The first part of this thorough treatise on the Cocker deals with the Spaniel in general, and reproduces texts and woodcuts of early publications. For the serious breeder and owner, the background and development of famous bloodlines will prove valuable.

The chapter "Blueprint of the English Type" describes the similarities and differences pertaining to this and the American breed. Other important chapters outline everyday and exhibition grooming, general care and health, breeding, etc. Another is the biography of Herman Mellenthin, who is termed "The Father of the Modern Cocker", and well worth reading.

**Your Puppy** – How to Select, Raise and Train Him. By Leon F. Whitney, D.V.M. $3.49

Here is a book worth recommending with every sale of a puppy.

At what age does a puppy come in heat? When should a puppy be inoculated and against what disease? Which is healthier—a fat puppy or a thinner one? What diseases are puppies likely to encounter? Things you should know about restraint and first aid. These and many other vitally useful topics are covered by this famous doctor who has raised and worked with literally thousands of puppies.

## SHOW NOTES

The tenth Annual All-Breed show held by the Barrie Kennel Club brought to light some worthwhile innovations. Group winners were judged immediately following the breeds, with the resultant early closing which enabled exhibitors to leave early. Brightly coloured banners hung over the three rings indicated the group being judged. And to preserve prize badges, transparent envelopes were provided to be tacked up at the benches. An unusually large group of youngsters were judged for handling by Art Burden.

Best in Show was the Old English Sheepdog, Farleydene Bartholomew, owned by Mr. and Mrs. H. R. Van Ransselaer, and B.C.B. was Can. & Am. Ch. Tailteann's Miss Gaiety, owned by Mrs. M. Eileen McEachren.

---

The Progressive Kennel Club of Canada 16th Annual Show brought an entry of more than 360 dogs, with the largest entry in the Working Group. This show was also unusually well organized and well run. A noteworthy point was the spaciousness between benches. The seating of the Scarboro Arena Gardens enabled observers to look down on the rings and obtain a full view.

This show, too, closed in good time. Best in Show went to the West Highland White Terrier, Ch. Shiningcliff Sunflower, owned by Mr. and Mrs. T. S. Adams.

---

Mrs. Yan Paul, Toronto, judged an entry of some 60 Toys at the Columbiana County Kennel Club, Alliance, Ohio, June 9.

"This was an unbenched show and held at Morgan Castle Estate; Geo. J. Bart had a beautiful long-coated Chihuahua which took Best of Breed. There was a very good entry of Pekes, and Mrs. V. H. Longacre took B.B. with her Fei-Ying of El-Acre. D. Davidson took B.B. for the Poms with the Ch. Cuddles of Hadleigh. The Toy Poodle ribbon went to the Lallan Kennels for Ch. The Leading Man. The Pug ribbon went to L. N. Patton for Pughaven's Peter Pan. Marie W. Peters' Esquire Sir George took B.B., and the best Yorkie went to Mrs. Helen Modic for Dependable C-Sue.

## SAMOYED BOOSTER SHOW

The usual extra effort of the Samoyed folks paid off again with a most delightful show at Barrie, Ont. Trophies were excellent and judge, Mrs. Rudolf Engle, did a fine job, considering the high caliber of the 22 Samoyeds entered.

Highlight of the show was the Samoyed Sr. puppy owned by Mr. L. P. Cozens going from this class to best of winners. He was Snowland Saratov by Snowland Sarnac ex Snowland Janice of Frostyways.

Winners Female and best opposite sex was Snowland Janice of Frostyways, both English imports.

Best of breed went to Lovely ch. Realea Darby Knowlton, C.D. owned and shown by Miss Betty Ferguson, who went on to place second in the group! Can. bred went to Blairdale's Amon Ra, owned by Mr. Ian Miller.

It was interesting to note the prominence of the Snowland strain. Is this a fore-shadowing of a new trend? With the excellent uniformity of Sams entered and noting this size, this will not be lightly forgotten considering the controversary at hand.

Nothing but praise for the Barrie Kennel Club and the Samoyed Boosters; hospitality par excellence shown by the delightful tea given by Mrs. M. Childs for all Sam folks after the judging.

The Samoyeds continue to boom in Ontario. The good quality imported here recently only proves there's a golden opportunity at hand.

## SHORTER SHOWS BREAK FOR EXHIBITORS

*by E. B. Reid*

Exhibitors who have been attending dog shows in Ontario and Quebec during the present season, have been struck by the fact that more and more of the clubs are running the shows primarily for the convenience of the exhibitors with gate admissions a secondary consideration.

At the Ottawa Kennel Club Shows, dogs not required for further judging were excused at 5 p.m. The Ladies Kennel Club of Montreal allowed exhibitors to leave at 5 p.m. At Barrie, Aurora, the Progressive Kennel Club, Kingston and the German Shepherd Dog Club, the hour for leaving was 6 p.m. and at some of these shows, groups were judged immediately following the breeds within the group so that even the dogs and owners required for group judging were on their way home early.

It would seem the time has arrived to revise the dog show rules in accordance with the present trend. Few changes would be necessary. For instance, Section 15 of Chapter 19 now provides that all dogs not required for further judging are excused at 9 p.m. It would seem to be a simple matter to move that time ahead three or four hours.

This would take care of most of the dogs but there would still be those dogs eligible for group and perhaps a few of the breeds. The practice of judging the group immediately on completion of the breeds within the group, would be a boon to owners of breeds requiring a great deal of pre-ring grooming for it would mean the dogs would need to be prepared for the ring only once. A fast touch-up would be all that is necessary for the group judging.

Then, too, there will be the groups not judged. Present rules make competition in the groups compulsory but they do provide that dogs not judged in their group by 10 p.m. are automatically excused from further judging. It would be a simple matter to advance that time to 8 p.m.

The writer, so far this year, has exhibited at a dozen benched shows. At none of them, with the exception of those shows held in conjunction with fairs and exhibitions, has the evening crowd been large enough to worry about. Exceptions, of course, would have to be made for shows held by fairs and exhibitions for there is a worthwhile attendance for the evening judging at these shows.

Analyze the financial statement of your own last show. You will undoubtedly find that for every dollar received from the public at the gate, you have received six or seven from exhibitors.

From where we sit, the exhibitor certainly looks like the important person at any dog show.

*(Mr. Reid is a well-known breeder and judge. The above is expressed out of his own experience, and does not necessarily reflect that of the publishers.)*

## OBEDIENCE TRAINING HELP BY GERMAN SHEPHERD FANCIERS

*by Nellie Corser*

In the post war scramble to meet all changing conditions our canine world came much to the front due to the magnificent work of the Dogs of War. The steadiness of the German Shepherd in the war was unparalleled. To what was this attributed? Obedience work, naturally. German Shepherds became increasingly popular due to their war work, and the German Shepherd Dog Club of Canada, not wanting the fine reputation of the breed lessened, redoubled their efforts in Obedience work.

In prewar days this Club had a very active Obedience and Field Trial Section. The Sunday afternoon work with the dogs was done at Manor Farm, Clarkson, Ont., which was owned by Alex Gooderham. The training was intensive, both in Obedience and Life Saving work.

Field Trials were held at Manor Farm each year, with outstanding Judges being brought over from the United States, and were well attended by all sportsmen from nearby points in the States, and Ontario.

However, for several years following this training, Obedience work in the club was in the doldrums. Many members worked with intense interest, coupled with a good deal of ignorance (myself being among them) to try to keep Obedience before the club members. People seemed to be too busy getting adjusted after the war. Later, interest began to come to life in Obedience. The late George Corser had built a sizeable kennel at Dixie, and for three years training was held in this kennel under the leadership of Mr. Jake Haymen. There was an average attendance of around 10 to 15 dogs each night. When the kennels were finished it was necessary to find another place, and the Cooksville Riding Stable was used. Many dogs were trained there over a period of a few years under Jake Haymen, Gordon Cole and Ernie Succee.

The classes became too large for the building and for one winter the Coliseum, Exhibition Park, Toronto, was used. They were large classes (all breeds) but trainers were few, and altogether that effort was not too successful, other than to further the interest in the work.

Eventually, out of all these years of

ground work, in trying to create a desire for trained Shepherds an active Obedience Committee was formed in the German Shepherd Dog Club of Canada, with George Lucas as Chairman. The spark the Lucas family set in 1954 was exactly what was needed to start a conflagration in Obedience. York Armories were obtained, and for three years these classes have been a huge success. The registration of dogs was excellent, all breeds are trained, with one stipulation. The dogs must be pure bred, and the owners must conform to the regulations set down by the Obedience Committee of the Club. Each succeeding year the registration is larger, and 1956 has found this Committee doing a noble job of training every Sunday night, without one penny of remuneration except the feeling that they are doing something dear to their hearts and the satisfaction of seeing "green" dogs put into some kind of shape that they are better to live with.

But the Sunday night work is not the only time spent on the Obedience. Classes are held, not only for the dogs, but during the week for the trainers as well. Many hours week in and week out, in the initial stages of the classes, have been spent by this committee, planning and working out a system of training which they feel is the best—and it really works.

I could only guess, not having facts and figures at hand, that around 500 dogs have been trained at these classes since 1954, and while probably not even 5% of this number have or ever will go into competition, they are all better dogs to have in the home. Previous to this, I could not hazard a guess as to how many have been trained since the inception of Obedience into the Club.

Following the Obedience classes on Sunday nights in the Armories a Conformation class is held for persons interested in showing their dogs.

## UNCOMMON DOG NAMES

*by Charles Patti*

I was awakened from a Sunday afternoon nap recently by a shrill voice calling, "Zingaro, Zingaro." I leaped up to see where the gypsy was—Zingaro means gypsy in Italian. Instead of a gypsy, I saw a snow white Maltese dog running to the new boy across the street.

Partly annoyed at being awakened, but mostly from curiosity, I asked the boy why he named his dog Zingaro instead of Pal, Prince, Rover or some other name associated with dogs. He had an unusual reason.

He believed you should pick a name that will give you pleasure in using and also fits the dog where possible. In this case he liked the distinction of having picked a name people would ask about and also because his dog had a habit of wandering.

You can use his method of selecting a name for your dog in many ways. If you like stories about Robin Hood, King Arthur's Round Table, or fairy tales, such names as: Robin Hood, Little John, Royal Ranger, Blue Archer, Merryman, might be to your liking. King Arthur's round table offers such names as: Prince Valiant, Stranger Knight, Sir Morning Star, Lancelot, Black Excalibur or Lady Guinevere. Fairy tales offer: Alladin, Cinderella, Blue Beard, and Red Riding Hood, among a host of others.

Dogs that have blue eyes, a red tinted coat or a black coat give you an opportunity to use colorful names. Blue Boy, Blue Jacket, Blue Steel, Blue Streak, Blue Sage; Red Wind, Red Letter, Red Rambler; Black Lance, Black Gold, Black Wizard, and Black Wig are possibilities.

The coin collector may want to name his dog after a coin. Some possibilities are: Lire (Italian coin), Bodle (Scotch), Mark (German), Koban (Japanese), Rand (African), Reis (Portugese), Picaqune (Old Spanish coin).

The amateur astronomer might wish to give his dog a name from the universe. Among the many possibilities there are: Aldebaran (a red star), Polaris (The North Star), Rigel (a triple star).

The person who is fascinated by ancient mythology has a rich source of possible dog names: Garm (a mythological watchdog), Aegir (god of the sea), Rudra (Vedic god of storm), Mercury (messenger of the gods.)

Possible names for Hungarian breeds are: Barbar (barbarian), Draga (dear), Gyrek (a child), Derekas (brave-valiant), Bodor (ruffled).

Should you want to give your dog a French name, here are a few you might use: Ami Au Pied (Friend on Foot), Guy (a leader), L'inconnu (the unknown), Beaune (red wine of France), Bonne et Belle (good and handsome).

In short, give your dog an uncommon name to get the pleasure of being distinctive.

# A GOOD SHOOTING DOG MAKES A BETTER MAN

*By H. P. Nicholson*

The ownership of a well-bred and well trained shooting dog is a major factor in the results and enjoyment of a day's hunting. With game and birds seemingly on the decrease the working of a good dog ahead of you in the field will work wonders. Not only in the amount of game found, flushed and retrieved but the thrills that are provided.

The breed of the dog is not too important, but must be determined by the kind of shooting one enjoys, the country over which he hunts and again the type of dog he prefers. For those who hunt the open fields and coverts, the pointer or setter serves the purpose, while the sportsman who hunts rabbits as well as birds, in heavy cover and slashings will look to the Cocker or Springer Spaniel. On the other hand he who enjoys his outing in the marsh or in the blind will find his best companion in the Retrievers. Having decided what breed one wants the next thing is to get a dog from stock whose pedigree shows that he possesses the hunting blood to produce the work that will be required from him, always remembering that confirmation and appearance will be such that his master will be proud to show him to friends.

Good shooting dogs have played and are playing an important part in the conservation of game throughout the Dominion. Besides recovering wounded game, which is a most creditable work, the spirit that a dog creates in his master means more to the conservation of our game. In every province a fair bag limit is established providing for a fair day's sport and retaining enough game to preserve the sport for years to come. It is here that the well trained dog enters the picture in the role of transforming his master from a killer to a Conservationist. The thrills that are enjoyed hunting over a good bird dog linger long in the memories of true sportsmen. As they are related time and again, a new spirit is created within the heart of the sportsman and he now has a desire to see his favourite dog giving another excellent performance either on pointing or retrieving; the work of the dog over-shadowing any of the prowess of his master as to shots made that day.

When the lad returns from a day's hunt, with birds or bunnies, his first words to Dad are how well his dog hunted and the good work he did. Around the fire in the evening, after a day's hunting when true sportsmen gather together, what do you hear? Not the boasting of a kill at long range, or the double made in the clover field; but of the eagerness, steadiness, retrieving and the performance of that sportsman's particular dog who has given a good account of himself that day. This dog raised from a pup, the many trying hours of breaking and training, the signs of progress and now in the hunting season he has thrilled his master; a reward for his patience and attention.

The story is told of two sportsmen hunting in the north for Grouse. Having turned down a side road into a nice piece of woods, they let their dogs have the usual run while they put their guns together and enjoyed a short drink of hot coffee. When ready to hunt they could not find their dogs. The whistle brought no results so they decided to hunt for the dogs. A short walk from the car they noticed the form of a Setter on a ridge silhouetted against the sky, staunch and steady on point. Making their way to the ridge they discovered

that this setter was not on point but was backing the point of the other dog a few yards over the ridge. The grouse was flushed but as to whether the bird was shot is never told; it being only secondary, the only thing of interest was that these two well trained Setters could find game girds and were steady to point.

One New Year's Day, to prepare myself for the coming dinner, I took my two young sons with me for a short hunt for cottontails. We were accompanied by my Springer and two of her pups, this being a lesson for the young of both man and dog. I had shot one cottontail and decided that one more would be enough for the day. As we walked along a valley, my son shouted "Dad, there is a rabbit". I had one quick shot as it passed over a low ridge out of sight. I was not certain as to the results so went over the ridge to see what had happened. There was no snow and I was blocked right there. Needless to say the old spaniel was covering a lot of ground trying to locate the track. After a few minutes I decided

I had missed and returned to the boys and the pups, leaving the old girl still working on the side of the ridge. After I had rejoined the boys and was talking to them I looked around to see my spaniel coming with a cottontail in her mouth; a delight to both the boys and myself.

Such retrieving by spaniels is worthy of note and many incidents similar to this on both pheasants and rabbits could be told where wounded game is found rather than left in the field to rot. No doubt lovers of duck-shooting could relate many thrilling and interesting stories of their Retrievers, how they found the big Blacks or Mallards in the marsh, or how that big dog buffeted the heavy rollers, off a point, to retrieve a Scaup or Whistler when the temperature was hovering near the freezing point.

So it is that this kind of performance by well-trained dogs create a desire in their masters to see them perform again, but not for the purpose of killing. This new desire transforms the hunter into a conservationist, for now he is interested in conserving game so that there will be plenty of work his dog on in the coming years. A fair bag for the day, some good work by his dog and he is perfectly satisfied. We now find him attending Field Trials, where the

### Boxer Club of Canada

*by Mrs. B. P. Salt*

The Annual Puppy Match of the club was held on June 24 at the Exhibition Grounds in Toronto. There was an excellent turnout and an entry of 51 puppies from two to 18 months.

Mrs. De Boer's "Spice" went from the 4 to 6 months class to Best Jr. Female. Best Sr. Puppy in match was Mrs. Acklen's female "Connie". Mr. Brockington's male "Beau" went from the 9 to 12 months class to Best Jr. in Match and then on to Best Puppy in Match.

Mr. R. J. Finnie, of Detroit, was an excellent judge and a vote of thanks goes out to him. Following the regular classes there was a Jr. handling class which was lots of fun and the grand finale was a Parade of Older Champions and Veterans.

Our thanks to Eve Whitmore for a wonderful turkey and a special thank-you to John Marks and his Trophy Committee. Four truly wonderful trophies were presented for each class.

Plans are being made for a Club Picnic to be held in August. Notices will be forthcoming when final arrangements are made.

### Dog Lovers Association

*by Geoffrey White*

A little reflection has made us realise that with the ever increasing ease of air travel the dog business is taking on a much more international flavour than has been the case in the past. Many of our members have imported stock in their kennels and at each meeting we hear further talk of plans to either import or export. Latest to clinch an exporting deal are Major and Mrs. Brimstin who are sending one of their shelties to Bermuda.

There have always been murmurings in the Association about the advantages of Obedience Training and how interesting it would be if we could have some classes. At our July meeting we got down to the subject with some sincerity. For the evening we had Miss Betty Ferguson and Miss Reba Graham with us and these two young ladies, who take very great interest in Obedience Training in the Oshawa Club, gave us an inspiring demonstration and talk on this subject. At a general discussion following the demonstration it was decided to try and make contact with someone who would be close enough to Barrie to give us some instruction in this work. If any readers have any suggestions or would be interested in attending classes when they start we would be very pleased to hear from them.

### The German Shepherd Dog Club of Canada

*by Mary E. Southcott*

June 24 saw close to 60 Shepherds at the second Club Matinee Show of the season held at the farm of Doug Ames in Highland Creek. Winners Dog and 1st in the Graduate Novice Obedience Class were won by Ed White's Falon of Sandorea; Winners Female and Best Puppy went to the Walker's Na-Robi's Kime; Best of Breed went to the Wayne's nice Ch. Ria of Selfaire; Fred Pfeifle's Prince of Flowertown won the Open Obedience Class and Mrs. Thompson's entry took 1st in the Novice A Obedience Class.

At Batavia, Doug Ames' lovely Can. Ch. Glen Stewart Burma took Reserve Winners Bitch and completed her American C.D. Obedience degree, while Al and Irene Seeber's nice Warjan's Patti received 1st in Bred by Exhibitor Female Class and repeated this win at Canandaigua where Burma got the nod as Winners Female and Best of Opposite Sex. At the recent German Shepherd Dog Breeders Association Show, Ed White's Falon of Sandorea made a nice win taking Winner's Dog, and your correspondent walked on air when her Karen of Cara Mia was awarded Best German Shepherd Puppy and then went on to take 1st Puppy in the Working Group that evening. One of our Pacific coast members, Jock Patterson of Vancouver, B.C., was more than pleased when his young Ginette of Cara Mia took Best Canadian Bred as well as Reserve Winners Female recently at her first show.

Speaking of wins, you will see several gorgeous new Club trophies making their appearance at our big Annual Specialty Show in Toronto on September 15.

### German Shepherd Dog Club of Western Ontario

*by Mrs. Alice Cook*

For the May matinee show we were the guests of Mr. and Mrs. R. Bird, Graceland Kennels, Sebringville. The June show was held at the home of Mr. and Mrs. Wm. Cook, Wilton Grove. A large turnout of out-of-town members helped make the day a big success. Little Susan Dittrich was winner for the day in the Children's Handling Class.

We have obtained the club rooms at the London Life Bldg. (downtown) for our meetings. This good, central location is proving most satisfactory to the members. George Carpenter is our new President Elect and we are all getting behind George to make this a good club year. A hearty welcome goes out to our new members this month—Mr. & Mrs. Art Clark, Mr. and Mrs. George Colvin and Mr. W. John Lewis.

For the July Show we are accepting an invitation from Mr. and Mrs. A. Sangster, Aldona Kennels, Parkhill.

### The Lakehead Kennel Club

*by John W. Haggerty*

A rash of executive meetings portends our coming show. See our ad in this magazine.

Lakehead exhibitors at the Fort Garry Kennel Club brought home some ribbons and rosettes with entries of German Shepherds, Wire, Dach's, Japanese Spaniels, Cockers and Kerry Blues. The Winnipeg Obedience people are to be commended on a brave show in competition.

A litter of seven Pom puppies, all healthy and very much alive—unusual? Ena Ross would like to know. Two dog parades are being planned for the coming summer to keep purebred dogs before the public and we may also work in a short obedience demonstration. We are now working outside each Wednesday evening on Simpson's parking lot—at 7 p.m.

Our exhibition of purebred dogs at the local Sportsmen's Show brought favourable comments and increased interest in the fancy.

### London Canine Association

*by Mildred Dark*

June meeting was held in new club rooms at 261 Hill St. with one of the largest attendances the club has enjoyed for a long time. Three new members were enrolled and three applications were received. Mr. Walter Martin, local handler, addressed the members on the proper methods of preparing and showing their dogs.

### The Scottish Terrier Club of Canada

*by T. E. Gundersen*

Two meetings have recently been held, one at the summer home of Mr. and Mrs. Harold Loughran, Britannia Bay and the other at the home of Mrs. E. Picton.

Encouragement was reported from all departments on the forthcoming "All Terrier Show" to be held on August 10 on the grounds of Mr. & Mrs. John Treleaven, R. R. 1, Todmorden, Ont. The advertising had reached an all-time high. The prize list was greater than any previous year, which should bring inducement to the prospective exhibitor. The major prize is a trophy presented for the Best Dog In Show by Mr. MacLean in memory of his father, the late Mr. Fred MacLean of the famous Willowdale Prefix of Toy and Standard Manchester Terriers, Hull, Quebec.

Thanks has been forwarded to Mrs. Jane Devlin and Mr. J. W. MacCallum for their untiring efforts on our behalf.

At the conclusion of our meeting held on July 4, Mr. T. E. Gundersen presented a travelling clock to Mrs. Harry Fraser who, with her daughter, is flying to Scotland on July 8 for a six week vacation. This presentation was made on behalf of the Directors wishing both bon voyage to the British Isles.

Approval to Judge our show has been given to Mr. Edward Danks, Clifton, N. J.

We are sorry to report of the illness of Miss Betty Stothers, our faithful Secretary.

# MEETING OF THE BOARD OF DIRECTORS

FEBRUARY 8, 1956

(Continued from last issue)

**DOGS AND RADIATION:**

6. Considering that the main civilian hazard will arise from the employment of thermo nuclear weapons, I considered it advisable to inquire into the comparative tolerance of dogs and handlers to the effects of radiation. Col. F. C. Pace, M.D., has kindly brought the question before the competitive scientific authorities and informs me that the tolerance of dogs and humans is roughly equal so that no extraordinary problem will arise from sending dogs into contaminated areas.

**RECOMMENDATIONS**

7. I recommended to the Federal Civil Defence authorities (a) that a full time trainer be attached to their organization and instructed to form the nucleus of a kennel, and working out a detailed system of training techn'ques. A full-time trainer on a federal basis such as I have indicated could act as an instructor or have part-time trainers for Provincial and Municipal Civil Defence Organizations and could also act as a screen for dogs and handlers whose services have been offered from the various localities; (b) I also recommended that personal contact between Col. W. W. Dove and his U.K. trainers be established. This has been done by Mrs. Mary Southcott whose report is added as an appendix to mine; (c) in order to set up any dog training for rescue work it is necessary to reproduce as near as possible conditions similar to those following an incident. Whilst one cannot expect the wonderful reproduction of Arnprior, it should be at least possible for the Local Civil Defence Authorities to set up small training grounds both for dog rescue personnel and other rescue personnel or at least to indicate where there may be accidental piles of debris caused by demolition activities where permission could be got to train and experiment; (d) I have also recommended to the Civil Defence Authorities that an organization similar to the American Dogs For Defence Incorporated be set up jointly by them and the Canadian Kennel Club for this country.

**BRITISH COLUMBIA**

8. Considerable progress has been made on a Provincial basis in training dogs for civil defence in British Columbia. As I am working at a considerable distance from this Province, I have asked the Provincial Director, Mr. J. A. H. Irving to add his comments to mine.

I want to close by thanking Lt. Cmdr. J. M. McDougall for the wonderful opportunity he has given the dog people to become a part of this vital national service and I feel quite sure that the Board will be acting in the best interest of the Canadian Kennel Club if it confirms Cmdr. McDougall's position as Chairman of the proposed Co-ordinating Committee now.

An appendix (prepared by Mrs. Mary Southcott) to Mr. Daniell-Jenkins' report was submitted for the Board's information.

A discussion followed during which Mr. Daniell-Jenkins and Mrs. Southcott answered a variety of questions.

The President thanked Mrs. Southcott on behalf of the Board, and Mrs. Southcott left the meeting.

Following further discussion it was regularly moved by Mr. Daniell-Jenkins, seconded by Mr. Williams:

"THAT, Lt. Cdr. Malcolm McDougall be and is hereby appointed Chairman of a Committee to co-operate with the Civil Defence authorities throughout Canada with regard to dogs for civil defence and rescue work; Mr. McDougall to have power to add to the Committee."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried unanimously.

Mr. Daniell-Jenkins suggested that the Board should proceed to correct the motion passed by the Board of Directors at its meeting held on November 23rd, 1954.

Following discussion it was agreed that the minutes of the meeting of the Board of Directors held November 23rd, 1954, be corrected to indicate that the purpose of appointing Mr. McDougall was to make enquiries to see if they could find how the dogs were trained and what they had to do

It was regularly moved by Mrs. Smith, seconded by Mrs. Mack:

"THAT, the report of Mr. Daniell-Jenkins on Civil Defence be received, and Mr. McDougall, Mr. Daniell-Jenkins, and Mrs. Southcott be thanked for their great efforts."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacCallum, Mrs. Mack, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

ABSTAINED FROM VOTING: Mr. Daniell-Jenkins (being named in the motion).

Motion carried.

3375. **REPORT OF QUEBEC DIRECTOR, MRS. MACK**

Mrs. Mack stated that the National All-Pets Association were holding championship shows and obedience trials at Montreal commencing on February 9th, that in her capacity as Quebec Director it was her wish to assist the Association as far as possible in its first shows and trials, and for that reason it would not be possible for her to attend this annual meeting of the Board beyond this day's session.

Mrs. Mack then submitted the following report:

"The Canadian Kennel Club in Quebec has had a good year and increased interest shown in pure-bred dogs. Many new members joined us—people who felt that registration and showing a dog was not necessary but they have now realized the merit of our system. That is something that I have worked very hard on. Some of the Beagle people who have gone on daily with their Beagles and now that they are starting in the trials, they have realized that it is a good idea and they are coming in and joining and they are also registering their dogs. This year the All-Canadian Foxhunters' Association's trials were held in Quebec with a very good attendance. The Clubs responsible for holding these trials should receive hearty congratulations on their excellent work. Our Beagles also were very active and several trials and fun trials were held by enthusiastic members. I feel very strongly that we in every province should do all in our power to encourage our hunting fraternity to join our club and register more of their dogs in our records office.

"Our breed shows were well attended with the usual high quality dogs, and I am happy to announce that we have a new organization in Montreal who will be holding three all-breed shows and obedience trials this week, and we hope that this will be an annual event and we wish them every success in their new venture. Our obedience trials are up in number this year and many dogs qualified, both of our own and of U.S. trials across the border with high scores which speaks well for our handlers. Also the second tracking test in Canada held under our new rules was held in the beautiful Laurentians with a maximum entry of 10 dogs. The American judges were impressed with the high quality of the work of our local dogs, and we hope next year to see more tracking tests in Canada, and we would be very glad to, without pushing ourselves, to be of any assistance in giving information or any assistance to other clubs who would like to hold them. Registrations, transfers, export and litter registrations—we are proud that Quebec was second in the over-all numbers for Canada, and third in the membership, which proves the active interest that Quebec is taking in the breeding of pure-bred dogs. I am happy to see so many new members among our French-speaking fanciers who represent the majority in Quebec, and I feel very vital to our progress

"We hope as many of you as possible will visit our shows and trials in Quebec this coming year, and can assure you a very warm welcome. At this time, I would like to express my appreciation to the Board of Directors, the staff of the Canadian Kennel Club, my advisory committee and representatives and the members in Quebec for their support given me in the past and assure you all of my continued loyalty and co-operation to the Canadian Kennel Club.

"We are continuing to hold our tracking test next Fall and we are giving you lots of notice and would like to see some Ontario entries. It is quite an undertaking to put it on and we can only have 10 dogs which is the maximum allowance, but it is a very interesting thing. I know that Ontario actually has more dogs trained and people of that work than we have, and we certainly would love to see you come down."

It was regularly moved by Mr. Irving, seconded by Mr. Daniell-Jenkins:

"THAT, we receive and thank Mrs. Mack for her report."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Daniell-Jenkins, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

ABSTAINED FROM VOTING: Mrs. Mack (being named in the motion).

Motion carried.

A discussion followed on whether the Board would deal with the next item of business on the agenda, or proceed to deal with other matters.

It was regularly moved by Mr. Irving, seconded by Mr. Brown.

"THAT, we proceed with Item No. 41 (Recognition and arrangements with other stud books.)

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mr. Irving, Mr. Laskey, Mrs. Mack, Mr. Lawrence, Mr. MacCallum, Mr. MacKillop, and Dr. Watson.

AGAINST THE MOTION: Mrs. Gove, Mr. Monaghan, and Mrs. Smith.

Motion carried.

3376. **RECOGNITION AND ARRANGEMENTS WITH OTHER STUD BOOKS**

The Secretary reported that:

(1) Through the Department of Agriculture the Club had been informed that the Verband fuer das Deutsche Hundewesen, Dortmund, Germany, was seeking to make arrangements with kennel clubs in other countries for its certification to be required on German certificates accompanying dogs exported from Germany, an arrangement which it wished to make with the Canadian Kennel Club;

(2) The Verband was not a registration body but an affiliation of specialty breed clubs each of which maintained its own registration records;

(3) The American Kennel Club recognized those German stud books which were recognized, for dogs imported into the United States from Germany, by the Bureau of Animal Industry at Washington;

(4) A number of these German specialty club stud books, taken from the list recognized by the Bureau of Animal Industry, already appeared on the list of foreign stud books recognized by the Club.

Following discussion it was regularly moved by Mr. Irving, seconded by Mrs. Mack:

"THAT, we recognize those German stud books which are on the list of German stud books recognized by the American Kennel Club, and additions to or deletions from said list be made as these are made by the American Kennel Club, and that we question Mr. Borner (Managing President of Verband f.d Deutsche Hundewesen e.V.) on any certificates received from German clubs not appearing on said list."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

It was regularly moved by Mrs. Gove, seconded by Mr. MacKillop:

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried.

**FEBRUARY 9th, 1956**

3380. This annual meeting of the Board of Directors of The Canadian Kennel Club Inc. reconvened at the King Edward Hotel, Toronto, on Thursday, February 9th, 1956, commencing at 9:30 a.m. with the President, Mrs. M. E. McEachren, in the Chair, and the following members of the Board present: Walter Brown, V. W. Williams, J. H. Daniell-Jenkins, Mrs. J. Gove, J. A. H. Irving, R. B. Laskey, J. W. MacCallum, R. L. MacKillop, W. J. Monaghan, Mrs. N. T. Smith.

Mr. Irving, as Chairman of the several Amendments Committees in 1955, said: "I would like to thank the members of the several Amendments Committees, and also the people with whom I had to correspond with regard to their amendments. They all took it in good part; they were all co-operative; they did their best and I want to thank them."

The President stated that if this meeting of the Board went beyond this, its last scheduled day, it would not be possible for her to be present, and therefore asked that the Board complete the several uncompleted important subjects before proceding with the matters on this day's agenda.

Motion carried.

The meeting thereupon recessed until the chartered stenographer arrived.

Dr. H. L. Watson entered the meeting.

3381 (3089). **MOTION RE MR. V. W. WILLIAMS**

Mr. Williams stated that in the verbatim minutes of the meeting of the Board of Directors held on March 29th, 1955, several misleading statements were made regarding his expenses while President in 1953, and he desired the records clarified without further delay.

Mr. Irving and Mr. Monaghan expressed the view that in fairness to Mr. Williams the Board should go on record at this time in connection with the statements referred to by Mr. Williams.

Following discussion it was regularly moved by Mr. Monaghan, seconded by Mr. Irving:

"THAT, this meeting go on record in stating that any intimation whatever that the President of the Club in 1953 received any monies other than his authorized out-of-pocket expenses for attending the annual meetings is completely unfounded; that no statement was ever intended to convey the thought that he received any other monies from the Club; and in fact the President in 1953 attended two meetings of the quorum Board in that year at no expense to the Club."

FOR THE MOTION: Mr. Brown, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

ABSTAINED FROM VOTING: Mr. Williams (being named in the motion).

Motion carried.

3382 (3339). **OFFICE SURVEY AND STAFF MATTERS**

The President stated that all members of the Board had been provided with a copy of her statement (see Item No. 3339) also a copy of Mr. Williams' report (see Item No. 3339).

Mr. Brown, Dr. Watson, and Mr. MacKillop expressed views to the effect that provision should be made in the staff for a person capable of taking over the work of the Secretary-Treasurer should that become necessary.

Mr. Williams stated that it was his thought that a young man should be brought in, as the present Secretary was brought in in 1933, and said person be so trained that he could take over the Secretary-Treasurer's work should that become necessary.

Mr. Monaghan stated that with the present rate of expansion it was the Board's duty to authorize the employment of such additional staff as may be necessary to enable the work to be carried out efficiently, and consideration should be given to the engagement of a man able to develop into a high-level administrator.

Mr. Irving stated that the Secretary had been given the authority to make such adjustments in the staff as he thought necessary, and if the Secretary felt an assistant was advisable then he should proceed to make the necessary appointment, perhaps on a probation basis until he found the person he desired.

It was regularly moved by Mr. Williams, seconded by Mr. Irving:

"THAT, the Secretary be instructed by this national Board to take the necessary steps to engage a male employee with a view to training him to eventually become a senior employee of the organization."

Following discussion Mr. Monaghan, seconded by Mr. Daniell-Jenkins, proposed the following amendment to the motion:

"THAT, the Secretary be authorized to employ a suitable person in the office."

Mrs. Smith stated that she felt the Board should be unanimous behind the Secretary in giving him carte blanche authority.

Following discussion Mrs. Gove, seconded by Mr. MacKillop, proposed the following amendment to the amendment:

"THAT, the entire matter be left in the hands of the Secretary to hire a person whom he feels he can work and train most efficiently."

FOR THE MOTION: Mr. Brown, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Laskey, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, and Mrs. Smith.

AGAINST THE MOTION: Mr. Williams, Mr. Irving, and Dr. Watson.

Motion carried.

Mr. Irving expressed the view that the Board should appoint, as Treasurer, a person who is not subject to any instruction except that of the Board, pointing out that the Secretary-Treasurer, under the By-laws, is subject to the instructions of the President, or a Vice-President in the absence of the President. Mr. Irving stated that such an arrangement could best be effected by appointing the Vice-President (Walter Brown) as Honorary Treasurer with the title of

"Vice President and Honorary Treasurer". Mr. Irving stated that all such a position would entail would be the signing of cheques, the other financial responsibilities still remaining with the Secretary-Treasurer.

Asked if he would be prepared to accept such an appointment, Mr. Brown stated that while he appreciated the honour he did not see any reason why such an office should be created.

Mr. Monaghan suggested that the Board should set up a budget, routine expenses to be authorized in the budget, any other expenditures to require an enabling resolution of the Board.

It was regularly moved by Mr. Williams, seconded by Mr. Irving:
"THAT, we appoint Mr. Walter Brown Honorary-Treasurer to sign cheques along the basis suggested."

FOR THE MOTION: Mr. Williams, Mr. Irving, Mr. Laskey, and Dr. Watson.

AGAINST THE MOTION: Mrs. Gove, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, and Mrs. Smith.

ABSTAINED FROM VOTING: Mr. Brown, and Mr. Daniell-Jenkins.

Motion lost.

It was regularly moved by Mrs. Smith, seconded by Mr. Irving:
"THAT, we thank Mrs. McEachren and Mr. Williams for their reports on office staff, and these reports be received and filed."

FOR THE MOTION: Mr. Brown, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

ABSTAINED FROM VOTING: Mr. Williams (being named in the motion).

Motion carried.

Mr. Monaghan pointed out that the President, in a suggestion previously placed before the Board (Item No. 3355) had referred to the engagement of a receptionist.

Following discussion it was regularly moved by Mrs. Smith, seconded by Mr. Daniell-Jenkins:
"THAT, we have the President's suggestion re engagement of a receptionist, and pass it on to the Executive Manager for his consideration."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried.

The Board recessed at this time for lunch and reconvened at 2:00 p.m. with the President, Mrs. McEachren, in the Chair, and the following members of the Board present: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

A discussion followed on the matter of payment of expenses, and it was regularly moved by Mr. Laskey, seconded by Mr. Irving:
"THAT, the Secretary be and is hereby authorized to pay the following accounts: salaries at the rate approved by this meeting of the Board; monthly rent as called for by the lease; such payments to Apex Publishing and Publicity Ltd. as may be called for by the agreements with that Company; travelling expenses in accordance with policies prescribed by this Board; maintenance salary (janitor); telephone and telegraph expenses; printing of election ballots and referendum ballots; postage costs; legal fees; audit and election commission fees; small occasional bills approved by President and Secretary; purchases of identification materials; light costs, insurance and bonding; unemployment insurance; addressograph plates; stud book costs as authorized by the Board; bank charges; the usual and accepted office expenses and such other expenses as the Board may authorize from time to time; no other expenses are to be incurred or paid without the prior authority or approval of a majority of the national Board."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried.

Mr. Daniell-Jenkins entered the meeting.

Mr. Monaghan stated that he felt there should be a financial consideration each time Mrs. Overland remained beyond regular business hours to record proceedings at meetings of the Board.

It was regularly moved by Mrs. Smith, seconded by Mr. MacKillop:
"THAT, the stenographer attending the evening sessions of the Board meetings be paid an honorarium of $10.00 per night."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried.

Mr. Monaghan stated that the Secretary had never visited the offices of The American Kennel Club, and suggested that the Secretary be authorized to visit the American Kennel Club at a time mutually satisfactory to himself and officials of The American Kennel Club.

It was regularly moved by Mr. Irving, seconded by Dr. Watson:
"THAT, we concur with Mr. Monaghan's recommendation that the Secretary visit the American Kennel Club at the earliest opportunity."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried.

3383 (3346). **FINANCIAL REPORTS AND FINANCIAL MATTERS**

Reference was made to the decision of the members attending the annual general meeting on the Board's recommendation with regard to the payment of out-of-pocket expenses ($749.25) to Mrs. Alva McColl.

It was regularly moved by Mr. Irving, seconded by Mr. Brown:
"THAT, our motion regarding demanding repayment of $749.25 was considered by the members at the Annual General Meeting, and their decision takes the matter out of our hands."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried.

The President stated that in 1955 a motion had been passed authorizing the payment of up to $25.00 annually for expenses incurred by Directors in handling the business of the Club (travelling expenses, postage, rooms for meetings of members, etc.), however, in view of an objection the resolution was rescinded and the matter was ordered referred to this annual meeting of the Board.

Following discussion it was regularly moved by Mr. Williams, seconded by Mr. Brown:
"THAT, Directors for the Maritimes, Manitoba, Saskatchewan, Alberta, British Columbia, and Quebec, be allotted a sum not to exceed $100.00 a year for expenses incurred on behalf of the Canadian Kennel Club while they are Directors of the Club."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mr. MacCallum, Mr. Monaghan and Mrs. Smith.

ABSTAINED FROM VOTING: Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacKillop, and Dr. Watson (being named in the motion).

Motion carried.

Mr. Irving expressed the view that any person appointed or otherwise authorized by the national Board to undertake any work or duties for the Club should not be expected to bear any out-of-pocket expenses while performing such work or carrying out such duties.

In the discussion which followed Mr. Monaghan stated that when the members of the Board were elected they were aware of the conditions under which they were expected to carry out their duties, and it would be inadvisable for the present Board to legislate the payment of expenses for themselves. He suggested that the previous motion be reconsidered and be made to apply commencing January 1, 1957.

It was regularly moved by Mr. Brown, seconded by Mr. Irving:
"THAT, the previous motion be reconsidered."

FOR THE MOTION: Mr. Brown, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

AGAINST THE MOTION: Mr. Williams.

Motion carried.

It was then regularly moved by Mr. Monaghan, seconded by Mr. MacKillop:
"THAT, the previous motion be amended by the insertion of the words "commencing with 1957" before the words "Directors for the Maritimes. . . .".

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith.

ABSTAINED FROM VOTING: Dr. Watson.

Motion carried.

Discussion was renewed on the question of payment of out-of-pocket expenses to committee chairmen and others authorized to conduct certain business or travel on behalf of the Club. No action was taken, however the question of providing postage and envelopes to Directors and committee chairmen was left in the hands of the Secretary.

3385. **CERTIFICATES TO BREEDERS**

Mrs. Gove pointed out that many breeders faithfully observe the requirements of the Live Stock Pedigree Act and the Club's By laws in supplying certificates of registration to purchasers of pure-bred dogs, and suggested that these breeders should be recognized in this connection by the issuance of a small certificate.

Following discussion it was agreed that the suggestion had merit, but would involve considerable checking of the records to determine those entitled to such recognition.

3386 (3130). **OBEDIENCE MATTERS**

Mr. Daniell-Jenkins enquired of Mrs. Gove whether, as the Lakehead area of Ontario is closer geographically to Manitoba than to southern Ontario, it would be preferable for the Manitoba Obedience Trial Representative to serve the Lakehead Area rather than the Ontario Obedience Trial Representative. Mrs. Gove expressed the view that such an arrangement would be beneficial, and reported on obedience developments in Manitoba.

Following discussion it was regularly moved by Mr. MacCallum, seconded by Dr. Watson:
'THAT, Mrs. J. Gove be appointed Obedience Trial Representative for Manitoba, and for purposes of furthering the interests of obedience in the Lakehead area of Ontario the Manitoba Obedience Trial Representative be asked to serve as obedience trial representative in that area."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

ABSTAINED FROM VOTING: Mrs. Gove (being named in the motion).

Motion carried.

The Secretary was directed to inform the Lakehead Kennel Club of the action taken by the Board.

3387 (3384). **SHOW & TRIAL MATTERS**

Mr. Laskey reported that in 1955 there had been formed the Maritime Toy Dog Club, and reported that the newly formed club proposed to hold a specialty championship show for all Toy breeds at the same time as and in conjunction with one of the two shows to be held by the New Brunswick Kennel Club.

Following discussion it was agreed that such an arrangement is permissible.

Mr. Laskey stated that it was his hope to visit Prince Edward Island with a view to reactivating the Charlottetown Kennel Club, and enquired whether his travelling expenses would be borne by the Club.

Following discussion it was regularly moved by Mr. Daniell-Jenkins, seconded by Mr. Irving:
"THAT, Mr. Laskey, Director for the Maritimes, be authorized to travel from Saint John to Charlottetown for the purpose of reorganizing the Charlottetown Kennel Club at a cost not to exceed $100.00."

FOR THE MOTION: Mr. Daniell-Jenkins, Mr. Irving, Mr. MacCallum.

ABSTAINED FROM VOTING: Mr. Laskey.

AGAINST THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Monaghan, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion lost.

Mr. Williams and Mr. Monaghan stated that their negative vote on this motion was based on their view that the motion was not consistent with the previous motion regarding payment of Directors' expenses commencing with 1957.

Mr. Irving read letters from Mrs. Dolly Wall and Mrs. Jean Lyle regarding difficulties which they experienced in clearing their dogs through Canadian Customs when returning to Canada after attending shows in the United States.

Following discussion it was regularly moved by Mr. Brown, seconded by Mr. Williams:
"THAT, Mr. Monaghan be authorized to take these up with the proper authorities."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

It was agreed that a copy of Mr. Monaghan's report be forwarded to all members of the Board.

Mr. R. T. Lawrence entered the meeting.

Mr. Irving suggested and it was agreed that the Secretary would draft a pro-forma standard premium list for the guidance of show secretaries.

Mr. Irving suggested and it was agreed that the Secretary would seek to arrange for the fuller declaration of owner or agent on entry forms for field trials (reference to contagious diseases, etc.).

3388 (3237). **REVISION OF AGREEMENT FORM**

Mr. Irving suggested and it was agreed that the requirement for signature of a witness on agreement forms be deleted from the forms.

The Meeting recessed for dinner and later reconvened with the President, Mrs. McEachren, in the Chair and the following members of the Board present: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKillop, Mr. Lawrence, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

3389 (3313). **STUD BOOKS**

Mr. Monaghan pointed out that the Board had authorized the printing of the 1952 Stud Book, that preparation of the copy was under way, and suggested that the Secretary be provided with authority to make provision for the anticipated cost of the volume in the 1956 financial statements.

It was regularly moved by Mr. Monaghan, seconded by Mr. Irving:

Mr. Monaghan suggested that the Live Stock Records office be authorized to proceed with the preparation of the copy for the printing of the 1955 Stud Book, and suggested that at the same time authority be given for the preparation of the 1956 stud book copy.

It was regularly moved by Mr. Monaghan, seconded by Mr. Irving:

"THAT, we authorize the printing of the 1955 and 1956 stud books, and the Secretary so inform the Records Office, and make provision for the estimated cost of the 1955 Stud Book ($3600.00) in the 1956 financial statements."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

The Secretary reported that the subjects of "New style of stud book" and "Litter registration record Book" had been placed on the agenda of the meeting at the request of Mr. Monaghan. Mr. Monaghan requested and it was agreed that these subjects be transferred to the agenda of the next annual meeting of the Board.

3390 (3316). **STUD BOOK (ADVERTISING) COMMITTEE**

Mr. Daniell-Jenkins, Chairman of the Committee, presented the following report on behalf of the Committee:

'During 1954 the Board of Directors appointed Mr. J. H. Daniell-Jenkins to head the Committee to sell advertising in the 1953 Stud Book, to appear in 1955, publication of a Stud Book being resumed after a considerable interval. After consultation with the Board and the printers we felt it would not be economical to sell display advertising and it was therefore decided to confine the effort to the compilation of a Breeders' Register.

Mr. Daniell-Jenkins appointed a Committee consisting of:

Mrs. Denis King: Secretary—Sales Manager, Domestic Products Division, Pye Canada Ltd.
Mrs. Lorna Jackson—Professional Handler.
Mr. Kenneth Ellis—Special Sales Representative, Ken-L- Products
Mr. W. C. Allan—Sales Representative, Skiltools of Canada Ltd.
ex officio, Mrs. Alva McColl—President C.K.C.
ex officio, Mr. N. F. Brown—Secretary-Treasurer, C.K.C.

We issued a letter to every member of the Canadian Kennel Club, offering space in the Breeders' Register, to be incorporated in the Stud Book, at the following rates:

$4.00 for the first breed; $2.00 for second and third breeds; $1.00 for fourth and each subsequent breed and for Boarding Kennels — $5.00 per insertion.

The response to this letter exceeded expectation and we received orders for some 217 entries, totalling $767.00.

Reprints of the Register which were available free on demand from the C.K.C. proved to be extremely helpful and popular, and the stock on hand has now dwindled to approximately 5 copies.

At the 1955 Annual Meeting of the Board of Directors Mr. Daniell-Jenkins was re-appointed as Chairman of this Committee and picked the same personnel to serve on it. We proceeded on the same lines as last year, but to previous advertisers reduced the rate for a third breed to $1.00. While it is yet a little early to assess the results of the 1954 Stud Book, we fear that the response may not be quite as satisfactory as that of last year, possibly because: (1.) the novelty of the idea has worn off, and (2) the advertising may not have brought the results that we and the advertisers anticipated. This of course is very difficult to ascertain.

We therefore feel that a new approach may be necessary in 1956, and would make the following suggestions:

(1) We have composed a letter to be sent out to all registered veterinarians across Canada, with a view to incorporating a Professional Register in the 1956 publication. We respectfully suggest to the incoming Committee that they use this letter, and there will be a complete list of names and addresses of approximately 600 at their disposal.

(2) We feel that new personnel with new contacts in the 1956 Committee may equal and even exceed the very satisfactory results of our 1954 efforts. Our Chairman would like to suggest as his successor the new Director, Mr. R. T. Lawrence.

The Chairman wishes to record his gratitude to the busy men and women who gave so freely of their time to make this undertaking of our Club a success, both financially and from the aspect of prestige.

We wish to offer every co-operation to our successors in 1956."

It was regularly moved by Mr. Irving, seconded by Mr. Monaghan:

"THAT, we accept Mr. Daniell-Jenkins' report."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

ABSTAINED FROM VOTING: Mr. Daniell-Jenkins (being named in the motion).

Motion carried.

Asked if he would be prepared to accept appointment as Chairman of the Stud Book (Advertising) Committee, Mr. Lawrence declined with thanks suggesting that a person with broader experience in advertising be appointed.

Following discussion it was regularly moved by Mr. Daniell-Jenkins, seconded by Mr. Williams:

"THAT, Mr. MacCallum be appointed Chairman of the Stud Book (Advertising) Committee with power to add to the Committee as he sees fit."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

ABSTAINED FROM VOTING: Mr. MacCallum (being named in the motion).

Motion carried.

Mr. Daniell-Jenkins stated that because of some pressing family business it would be necessary for him to leave the meeting at this time. On behalf of the Board the President thanked Mr. Daniell-Jenkins for his work as Chairman of the Stud Book (Advertising) Committee.

3391 (3387). **SHOW & TRIAL MATTERS**

Mr. Monaghan stated that he did not wish to proceed with his notice of motion regarding appointment of "Recorder", and it was agreed that the matter be dropped from the agenda.

Mr. Monaghan read the notice of motion which he gave at the January meeting of the Board regarding appointment of a "Shows & Trials Committee", and explained that the purpose of the Committee is to reduce the time which the Board is called upon, at its meetings, to deal with show and trial matters.

Mr. Irving suggested and it was agreed that the motion be amended so as to exclude those show and trial matters presently handled by the Secretary and/or provincial Directors.

Following discussion it was regularly moved by Mr. Monaghan, seconded by Mr. Irving:

"THAT, a Shows & Trials Committee be appointed, which Committee shall:

a. deal with all matters concerning shows and trials referred to the Committee by the Secretary except complaints which might require disciplinary action;

b. do such other acts and things as may be calculated to improve shows and trials and assist show and trial giving clubs;

c. review, brief and make reports and recommendations in writing to the Board from time to time.

The findings of this committee shall be incorporated in the minutes of the next succeeding meeting."

FOR THE MOTION: Mr. Brown, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, Dr. Watson, and Mr. MacCallum.

AGAINST THE MOTION: Mr. Williams.

Motion carried.

It was regularly moved by Mr. Monaghan, seconded by Mr. Lawrence:

"THAT, Directors Mrs. N. T. Smith and J. W. MacCallum, the Secretary and the Chief Clerk be and are hereby appointed the Shows & Trials Committee, Mrs. Smith to be chairman."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacKillop, Mr. Monaghan, and Dr. Watson.

ABSTAINED FROM VOTING: Mr. MacCallum and Mrs. Smith (being named in the motion).

Motion carried.

Mr. Monaghan suggested and it was agreed that the Committee consider and suggest to the Board in due course any changes which it deems advisable in the terms of reference with a view to eventually either including the arrangement as part of the By-laws or setting it up as a Standing Resolution.

The President suggested that the Board consider the advisability of reinstating the practice previously in effect where the Club supplies the owner of a dog winning a title under the Club's rules with an engraved certificate. Following consideration of the cost involved, it was agreed that no action be taken at this time.

The Secretary reported that on November 15th, in accordance with an instruction of the Board, there had been forwarded to all show-giving clubs a memorandum drawing attention to certain of the dog show rules which were not being observed by all show-giving clubs, one of these requirements having to do with the delivery of prize money in the ring at championship shows.

The Secretary read a letter from the Canadian National Exhibition who advised that payment of prize money in the ring at its live stock events was not permissible under the Association's Constitution.

Mr. MacCallum and Mr. Brown (C.K.C. Representatives to the Canadian National Exhibition) stated that in connection with the Exhibition's 1955 shows there had been paid out, by cheques to exhibitors, an amount of $4,678.00 in prize money.

Mr. Monaghan suggested that this situation be reviewed by the Shows & Trials Committee with a view to presentation of a proposed amendment to the Show Rules which would not require, in the case of an exhibition association, payment of prize money in the ring where the association's Constitution did not permit of this arrangement.

It was regularly moved by Mr. Irving, seconded by Mr. Williams:

"THAT, we accede to the request of the Canadian National Exhibition."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried.

The Secretary reported that in accordance with an instruction of the Board he had addressed a letter to show giving clubs seeking their views and suggestions on priority date arrangements to commence in 1958, the present priority dates, expiring in 1957, and read letters received from the Ottawa Kennel Club, the Canadian National Sportsmen's Shows, London Canine Association, and Hamilton Kennel Club.

Following discussion it was agreed that the matter be referred to the Shows & Trials Committee, the Committee to bring in a recommendation at the next annual meeting of the Board.

The Secretary reported that at the meeting of the Board held on October 12, 1955, the Ontario Field Trial Representative for Beagles had placed before the Board a number of recommendations on behalf of the Ontario Association of Beagle Clubs, these proposals including a recommendation that the Association be consulted before dates and judges are approved for Beagle trials in Ontario and Quebec.

Mr. Irving expressed the view that in fairness to any clubs which may not now or later wish to be subject to the recommendations of the Association, the Board should not approve any arrangement which would call for the Club to consult the Association on these matters. Mr. Irving contended that where consultation is necessary the proper person to consult would be the zone Field Trial Representative for Beagles.

Following discussion Mr. Irving's suggestion was approved.

The Secretary reported that Mr. Monaghan had requested that there be placed on the agenda the matter of clubs publicizing judges before C.K.C. approval is obtained. Mr. Irving suggested that this practice should be discouraged by fining those clubs which contravene the rules in this connection.

The matter was ordered referred to the Shows & Trials Committee for consideration and report to the Board.

Mr. Irving sought the Board's ruling on the question of allowing the exhibition at shows held under its rules of representatives of breeds not recognized by the Club. Mr. Monaghan contended that the Club is concerned with improvement of breeds which it has seen fit to recognize, and specimens of breeds not recognized by the Club should not be permitted on exhibition.

No action was taken.

Mr. Monaghan reported that he had been in correspondence with Mr. Irving regarding a suitable certificate for winners of national stakes (i.e. Retrievers, and Foxhounds), and in due course a recommendation would be placed before the Board.

The Secretary reported that a ruling was desired on whether or not it would be permissible for the Association of Canine Clubs (Ontario) to make a presentation, at the Canadian National Sportsmen's Show in March, to the member-club of the Association deemed to have staged the best show in 1955. It was agreed that such a presentation was in order.

The Secretary reported that the President had been instrumental in obtaining a copy of the "Official Veterinarian Opinion" form issued by The American Kennel Club for use at shows held under A. K. C. rules, and enquired whether the Board desired to consider authorizing the printing and use of such forms, appropriately amended, at shows held under C.K.C. rules.

The matter was ordered referred to the Shows & Trials Committee for consideration and report to the Board.

3392. **BREED REGISTRATION STATISTICS**

Mr. Monaghan reported that as a result of recent conversations with senior officials of the Canadian National Live Stock Records, they had now agreed that when the Club's certificates of registration are produced by I.B.M. punch card equipment, arrangements would be made for breed registration and other statistics to be punched on the cards, thus assuring early compilation of helpful and interesting statistical information.

3393 (3284). **REGISTRATION OF DACHSHUNDS**

The Secretary reported that in accordance with the Board's instruction he had written The American Kennel Club and the Kennel Club (England) regarding the registration of Dachshunds and read:

(a) A letter from The American Kennel Club who advised that: (i) they regard all varieties of Dachshunds as being one breed; (ii) inter-breeding between coats and sizes is strictly permissive; (iii) there is not a separate variety for minuature Dachshunds, although division of the Open Class by weight (under 9 pounds for dogs over twelve months of age) is permitted at shows; (iv) type of coat is shown on certificates of registration only if the application shows the type of coat.

(b) A letter from the Kennel Club (England) who advised that: (i) a separate breed register is kept for the following varieties: Long Haired, Smooth-Haired, Wire-Haired, Miniature (Smooth-Haired) (not exceeding 11 lbs. for exhibition), and Miniature (Long-Haired) (not exceeding 11 lbs. for exhibition); (ii) inter-breeding of the varieties is permitted; (iii) where two different varieties are mated then the progeny may be entered in the register of the variety it most closely resembles.

(c) A letter from Mrs. Patrice L. Fisher, Ancaster, Ont. supporting the Club's present policy of separating the varieties for registration and exhibition purposes, and the Club's policies on the requirements for registration of each variety.

(d) A letter from the Dachshund Club of Canada stating that the Club is "presently considering the subject of interbreeding of Dachshunds of various coats" and seeking information as to the policies of the Canadian Kennel Club on the registration of Dachshunds.

The Secretary reported that the enquiries despatched to The American Kennel Club and the Kennel Club (England) had been prompted by letters received from Mr. Carl H. Sharen, Sarnia, Ont. who sought information as to the best means of assuring that any Dachshund which he may import would be eligible for registration in the records of the Club.

Following discussion it was agreed that:

(1) The Secretary would inform Mr. Sharen that Mr. Irving would be very glad to correspond with him on the subject of Dachshunds;

(2) The Secretary would inform The Dachshund Club of Canada that the Board does not propose any change in the present regulations relating to the registration of Dachshunds.

3394 (3320). **KENNEL NAMES**

The Secretary reported that in accordance with Mr. Monaghan's suggestion he had written the Canadian National Live Stock Records regarding kennel names and read a reply which:

(a) Advised that before submitting any application for registration of kennel name to the Secretary the name applied for is checked against the official railway guide and the file of names already registered;

(b) Expressed the view that the granting of such kennel names as "Cavalier", "King", "Copper", "Black Knight", etc. meant a great deal more checking of applications;

(c) Stated that the Records Office was prepared to express an opinion, based on their experience, on those names which appeared to be unsuitable as kennel names.

Mr. Monaghan expressed the view that the present prohibition on certain names as kennel names should be extended to include "qualitative, or descriptive adjectives". Mrs. Smith stated that colours should not be allowed as registered kennel names.

3395 **ANNUAL MEETINGS (1957)**

The Secretary sought an instruction regarding arrangements for the 1957 annual meetings.

Mrs. Gove suggested that the Annual General Meeting should be held on two consecutive evenings, the morning and afternoon of each day to be used by the Board as part of its annual meeting.

Mr. Irving suggested that consideration be given to holding the Annual Meetings in other cities in the country, alternating each year with the meetings at Toronto.

Following discussion it was regularly moved by Mr. Irving, seconded by Dr. Watson:

"THAT, we hold the Annual General Meeting at Montreal on Thursday, February 7th, 1957, and the annual meeting of the Board at Montreal on February 4th, 5th and 6th, 1957."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

Motion carried.

3396. **SEMI-ANNUAL MEETING OF THE BOARD OF DIRECTORS**

Mrs. Gove suggested that the Board should give serious consideration to having two meetings of the national Board in each year.

Following discussion it was regularly moved by Mr. Williams, seconded by Mr. Irving:

"THAT, we hold a semi-annual meeting of the Board of Directors of The Canadian Kennel Club at Winnipeg on June 11th and 12th, 1956."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacCallum, Mr. MacKillop, Mr. Monaghan, Mrs. Smith, and Dr. Watson.

The president stated that it was imperative that she leave the meeting at this time, and addressed the following remarks to the Board:

"To have been your Chairman throughout the greater part of these past four days has been a privilege and a pleasure. That it has been so has been largely due to your understanding, patience and fine cooperation, and I am deeply grateful to all of you. There has been no greater factor in the success of our administration to date this year than the harmony that has prevailed between us, and the loyalty that has existed.

While I can be rather forthright at times in expressing my views I wish you to know that it springs from no other desire than to give a leadership which, I think, you all wish. Certainly it is not from a desire to impose my will, for I recognize only too well that it is the majority vote that must count at all times.

Please believe me when I say that I am counting on your valuable support, for without it I can do nothing. It is said that silence is golden, but that is not true in our case. Rather I would wish that you will be frank in your statements at all times and say what you want to say without hesitation. Only by so doing can we understand one another.

Certainly on that basis stands the best hope for us to go forward united in harmony to work for an organization that has seen fit to place us in a position of trust and responsibility."

Mr. Irving expressed felicitations on the President's election to office and congratulations on the manner in which she had served as Chairman.

The Vice-President (Walter Brown) took the Chair.

A discussion followed regarding the best means of the members of the Board meeting members while the Board is in Winnipeg.

Aubrey-Jones had addressed to the Board of Directors on August 30th, 1955, regarding the transfer of "Dogs in Canada" to Apex Publishers and Publicity Co. and Mr. Wright's reply of October 7th, 1955, and expressed the view that Mr. Aubrey-Jones should be informed that Mr. Wright had written him in a truly legal manner, that he will have gathered that Mrs. McColl was not appointed to the negotiating committee, however Mr. Aubrey-Jones should be given the opportunity of submitting any evidence he wishes in support of the question which he had raised.

It was regularly moved by Mr. Irving, seconded by Mrs. Smith:

3423 (3340). **MINUTES AND TRANSCRIPTIONS**

Following discussion it was regularly moved by Dr. Watson, seconded by Mr. Williams:

"THAT, we have the verbatim minutes transcribed, and that it be accompanied by a notarized statement that it is a true and correct copy."

FOR THE MOTION: Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. MacCallum, Mrs. Smith, and Dr. Watson.

AGAINST THE MOTION: Mr. Monaghan. (On the grounds that he could not see how the expense of some $800.00 could be justified).

Motion carried.

The Secretary sought an indication of the Board's wishes with regard to the President's suggestion that the Board be provided with a verbatim copy of the discussion at regular meetings of the Board, and of voting by the national Board on all motions.

Following discussion it was regularly moved by Mr. Williams, seconded by Mrs. Gove:

3425. **ADJOURNMENT**

At 1.25 P.M., on motion duly seconded and carried, this annual meeting of the Board of Directors adjourned.

**MARCH 20TH, 1956**

3426. A meeting of the Board of Directors of The Canadian Kennel Club Inc. was held in the Club's offices, 667 Yonge Street, Toronto, Ontario, on Tuesday, March 20th, 1956. The meeting commenced at 9.40 A.M. with the President, Mrs. M. E. McEachren, in the Chair, and the following members of the Board present: Walter Brown, R. T. Lawrence, J. W. MacCallum, W. J. Monaghan, and Mrs. N. T. Smith.

3427. **PRESIDENT'S OPENING REMARKS**

The President opened the meeting with the following remarks:

"Our session this morning must of necessity be a short one because most of us have to attend the Live Stock Records Board luncheon and meeting and for that reason the Secretary has limited the agenda to only those matters which he felt should, if possible, receive your attention this morning.

I am taking this opportunity, however, to bring you up-to-date on a few items, some of which appear on the agenda.

Although they are not yet required to give us any definite statement before May 1st on their intentions, one of the partners in the firm which sub-lets part of our premises has intimated to the Secretary that they expect to take advantage of the option clause in the lease and cease to be our sub-tenants on June 30th.

You will recall the suggestion which I placed before the Board at its annual meeting, regarding our making use of the space presently sub-let, and I strongly recommend that all members of the Board give their consideration to that recommendation so that if the Secretary does receive formal notification on or before May 1st from the sub-tenants that they are leaving on June 30th, he will know whether or not it is the wish of the Board to make the arrangements which I suggested or to proceed forthwith at that time to locate another sub-tenant. If it is the Board's desire that another sub-tenant be found, then I would suggest that the Secretary be authorized to retain for the club's use the small office which was formerly used by the editor and was sub-let in 1954 at the request of the sub-tenants.

The Secretary has made efforts to locate a young man to be brought into the office to be trained. As yet he has not found what he is looking for, but the Board will be fully informed on any action taken on this question.

Representations have been made to the Royal Agricultural Winter Fair on the question of resuming dog show activities at the Fair, and I have made arrangements for the Club's representatives to make representations personally at the annual meeting of the Winter Fair which will be held tomorrow.

In the first eight months of last year there were held 64 championship shows, 19 licensed field trials and 35 licensed obedience trials. The Secretary informs me that at the moment dates have been approved for 63 championship shows, 35 licensed obedience trials and 12 licensed field trials for the first eight months, there will likely be additional dates granted for these events; in the first eight months. It is still too early to determine the number of shows and trials which will be held in the last four months of this year, and so this comparison has been limited to the first eight months.

At your January meeting I made a recommendation regarding the recording of Board meetings by the Sonograph machine. We should have available a verbatim copy of our discussions and that these copies will be available to the entire Board. The Secretary will need authority, however, to purchase the equipment and I so now ask your authority for that purpose.

The Secretary is now arranging for the re-printing of the By-laws, the Dog Show Rules and the Obedience Trial Regulations and Standards. It will be remembered that early in the annual meeting of the Board, the Secretary was instructed to reprint the By-laws and these were to be accompanied by appropriate sections of the Live Stock Pedigree Act, information on identification and "selected" standing resolutions. In reading over the verbatim report of the last day's session of the annual meeting of the Board, I note that the standing resolutions were not finalized, and if I correctly interpret what was done at that time, it was understood that Mr. Irving would be presenting the final draft of resolutions at the semi-annual meeting of the Board in June for final ratification and/or any necessary changes. When the Board instructed that selected standing resolutions be printed with the By-laws, it probably anticipated that all of the standing resolutions would be finanlized at its recent meeting, but since that was not the case, I think that the Secretary should be authorized to not print any standing resolutions with the By-laws until all members of the Board have decided on the standing resolutions that are to be in effect.

There are no doubt many questions which the office receive during the course of the year on a variety of matters, and I am satisfied that members of the Board also are constantly questioned on various matters where members of the Club seek advice and guidance. It is my suggestion that we consider distributing to all members of the Club, after the standing resolutions have been finalized, a booklet in which we would set forth information on a variety of matters which would be of help to members of the Club. I have in mind such things as procedure on importing a dog to Canada, the registration of imported dogs, identification including the illustrated procedure on tattooing dogs, information regarding membership, a brief description on how we conduct our annual elections and referendum ballot, general information on the registration of dogs intended to clarify some of the common errors made in applications received at the Records Office, information regarding the registration of kennel names and procedure to follow on the exportation of dogs to the United States. These are but a sample of the few subjects that I think could be dealt with to advantage, and I have no doubt that if the members of the Board approve this recommendation that they could also suggest many worthwhile subjects that could be dealt with in such a brochure or pamphlet.

The Secretary informs me that he is constantly receiving requests for copies of the various rules and it now appears likely that before very long we will have to reprint the field trials rules and regulations. Authority to do this should be given the Secretary.

This raises the question of the charge presently made for copies of the various rules. I understand the policy is to supply any person on request with one copy of the Dog Show, Obedience or Field Trial Rules without cost, but that where extra copies are desired either by individual persons or clubs the charge is 15c per copy. This charge by no means covers the actual cost, and I suggest that the Board decide whether this charge is to continue or be altered in line with actual printing costs.

At the annual meeting of the Board, decisions were made with regard to the handling of the Club's investments. The first resolution in this connection dealt with our placing in the hands of one or more bond or trust companies the list of our investments (which was authorized by the whole Board) and arranging for them to advise us from time to time on any changes which they felt could be made to advantage in our portfolio. No mention was made in the resolution as to whether or not we would undertake to pay for this service, although it was probably anticipated that this would be arranged without cost. The Vice-President, the Secretary and myself were authorized to make changes in the portfolio from time to time. Following enquiries, I made a recommendation to the Board by letter, and so that there would be no misunderstanding I would point out that my recommendation was based on the view that if we were to expect any worthwhile service from any organization in connection with advice on desirable changes in our portfolio, then we should expect to pay for the service. Moreover it is my feeling that by paying, we can anticipate a better service than would be provided if we simply left the list of our investments in the hands of one or more bond or trust companies without any understanding as to payment for any advice and service which they may render in this connection.

The Secretary has written the Executive Vice-President of the American Kennel Club in connection with his authorized visit to the offices of the American Kennel Club. He is awaiting a reply to a suggestion that he visit the A.K.C. on April 30th or May 1st and 2nd. He has discussed with me the possibility of the members of the Board suggesting those subjects on which they would like information following his return to Toronto, and if this Board agrees he will despatch a letter to all members of the Board asking them to suggest subjects which they would like him to take up while in New York. I have suggested that he give priority in discussions with Mr. Neff to the question of an approach to the authorities in Washington with a view to simplifying the procedure which Canadian exhibitors have to follow in taking dogs to the United States for show and trial purposes, and at the same time endeavour to remove some of the difficulties which American importers face in the importation of dogs from Canada.

Recently the Secretary mailed to all members of the Board a list of residents of Canada who had judged at one or more championship shows or licensed obedience trials in the past five years or who had been approved to judge at one or more of these events yet to be held. It is my suggestion that his list be sent forthwith to all Canadian clubs holding championship shows and obedience trials for such help as it may be to them in arranging for judges for future events.

In accordance with an instruction of the Board, the Secretary has transferred to a special account at the bank an amount of $680.00 received in the form of donations to the emergency fund and further such transfers will be made in accordance with an instruction of the Board. Very likely Mr. Walter Brown will have a report to make on the results of an approach which I believe he has made to Mr. W. A. Harris regarding trusteeship of the Emergency Fund.

Preparation of the copy for the 1954 Stud Book has been completed at the Records Office and is now at Richardson, Bond and Wright, who will print the volume. The Secretary has also had prepared and despatched to the printers of the volume copy for the Kennel Register to appear in the volume. This was done after all advertisers had been provided with a copy of their listing or listings as will appear in the Register. We should receive printed copies of the volume long before the date on which we received printed copies of the previous volume. Many orders have been received for the volume and all but a few have been acknowledged at this time.

The Secretary informs me that the Directors in the provinces outside of Ontario have been provided with a list of those who were members in 1955 but who had not renewed up to the date of sending such lists to the Directors. Is it the desire of the members of the Board in Ontario that they be provided with a typewritten list of all those in Ontario who were members last year but who have not renewed this year?

The Secretary has provided all of us with a copy of the verbatim discussion on the second day of our annual meetings, and we have also received a copy of Mrs. Overland's notes of the discussion on the last day. He has received from the chartered stenographers part of the verbatim discussion at the annual general meeting, and this is now being copied and will be sent to all members of the Board as soon as possible. Last year the Secretary arranged for the publication in 'Dogs in Canada' of an edited copy of the discussion on the amendments which were discussed at the annual general meeting. He would like an indication of the Board's wishes with regard to publication of an edited discussion of the entire annual general meeting or is it your desire that he simply repeat last year's practice? The Secretary is pressing the chartered stenographers for the verbatim discussion at the annual meeting of the Board, for until he does receive it, he is hampered in the preparations of the formal minutes of the Board's sessions and of carrying out certain of the Board's wishes. Here again, copies of these discussions will be sent to you as quickly as they can be copied from the chartered stenographer's reports.

You have all been furnished with statistics showing the volume of the business in the first two months of this year as compared with the same period in the two previous years. I believe you will agree the increase in the volume of business is most encouraging.

The Secretary has sent to all members of the Board his proposed revision of the scale of championship point ratings. The Dog Show Rules require that before any changes in the existing schedule become effective, such changes must be approved by not less than 11 members of the Board and at least two months notice must be given to those concerned. The Secretary has expressed the thought that the logical date for any change of the ratings to become effective would be July 1st, in which case it would be necessary for notice to appear in the May issue of 'Dogs in Canada'. I suggest that notice of motion be given at this meeting of the Board that the schedule as prepared by the Secretary be approved and become effective July 1st, 1956, and that this notice of motion be sent to every member of the Board to be voted upon. This suggestion is made in order to expedite matters, and should it be that less than the required number of members of the Board approve the proposed scale, then at your April meeting it will be necessary for you to decide on other action to be taken. In the meantime, the Secretary can receive and consider any suggestions which members of the Board may submit, having received and considered the Secretary's report.

A copy of this message will be sent to all members of the Board immediately after this meeting, and it is read at this time largely as an introduction to some of the questions which will come before you at this brief session, and to otherwise bring you up-to-date on other matters which we will not have an opportunity of dealing with today."

———Before the Board proceeded with the regular order of business the Secretary drew attention to the drapes which the President had provided for all windows in the Club's office, and also the plants which the President had provided.

3428 (3423). **MINUTES**

The Secretary reported that he had not received all the chartered stenographer's transcriptions of two sessions of the annual meeting of the Board, however the formal minutes would be drafted and sent to the Board as soon as possible after these transcriptions become available.

The Secretary sought an indication as to whether the Board wished the Secretary's quarterly report to appear in the general part of the official organ, and after discussion it was agreed that such a report should appear in the general part of the magazine.

A discussion followed on the advisability of using the Sonograph equipment (tape recorder) to record discussions at Board meetings. Mr. Monaghan stated his opposition to the arrangement believing that it would be sufficient for the Board to receive, as it had, a comprehensive report from the President, give notice of motions wherever possible, and the Secretary and Mrs. Overland could record the highlights of the discussion.

The President stated that if a stenographer is used to record the discussion, there ought to be two available in view of the strain imposed on one stenographer recording all proceedings, and also for the purpose of another person being available to assist the Secretary in recording motions, handling of files, etc.

The President stated that the purpose of employing the Sonograph equipment would be to obtain a reasonably complete record of the discussion which could be relayed to the members of the Board not present at the meeting, and suggested that the equipment be used for experimental purposes until the Board could reach a conclusion as to whether such an arrangement should be continued.

———Mr. J. H. Daniell-Jenkins (Director) entered the meeting.

Following discussion it was regularly moved by Mr. Brown, seconded by Mr. Lawrence:

"THAT, the subject matter be referred to the entire Board for immediate decision and vote as to whether we should purchase the Sonograph equipment."

It was understood that the Secretary would outline the costs and time involved in providing verbatim minutes either by use of the Sonograph equipment or stenographer recording proceedings in shorthand.

3429 (3417). **KENNEL NAMES**

The Secretary:

(a) Pointed out that the Board, at its meeting in January, had authorized the Registration Committee to deal with objections to applications for registration of kennel names; and

(b) enquired whether it was intended by the Board that the Committee's decisions on such objections be final and carried out immediately, or be held over for approval (or otherwise) by the Board at its next succeeding meeting.

Following discussion it was agreed that the Committee's decisions would be final, except that in the case of an application not being approved following an objection, the applicant may submit an appeal to the Board of Directors.

3430 (3351). **STANDING COMMITTEE FOR OBEDIENCE**

The President read a letter from Mr. Daniell-Jenkins who:

(a) requested that at the next meeting of the Board the Board be furnished with a list of the members of the 1956-57 Standing Committee on Obedience;

(b) Asked whether any meetings of the Committee had been held and if so when the members of the Board may expect to receive a copy of the minutes as ordered by the Board at its annual meeting.

Mrs. Smith stated that as Co-chairman of the Commitee she was awaiting a letter from Mrs. Mack on the subject of appointment of Committee members.

3431 (3360). **EMERGENCY FUND**

Mr. Brown reported that he had interviewed Mr. W. A. Harris as desired by the Board, and Mr. Harris had stated his willingness to serve as a temporary trustee of the Emergency Fund until the trustees are otherwise arranged for.

3433. **LETTER FROM THE GERMAN SHEPHERD DOG CLUB OF CANADA**

The Secretary read a letter from the German Shepherd Dog Club of Canada which:

(a) stated that "there seems to be an increasing number of motorists who have hit dogs on the highways and city streets, either killing them outright or leaving them to suffer until they die, without reporting such accidents:"

(b) stated that the German Shepherd Dog Club felt that publicity should be given to the situation with a view to remedying the situation.

Mr. Monaghan suggested and it was agreed that the Secretary would take the matter up with the Club's solicitor for the purpose of obtaining the wording of the proper section of the Criminal Code and/or provincial statute covering the situation, such information to be published along with the letter read by the Secretary.

3434 (3395). **ARRANGEMENTS FOR ANNUAL GENERAL MEETING**

The Secretary read a letter from Miss Joyce O. Yarde, Oakville, Ontario, who pointed to the small number of members attending the recent annual general meeting, expressed the view that the holding of the general meeting on a week-day prevented many working people from attending, and suggested that the general meeting be held on a Saturday in order to accommodate both working people and those who may find it convenient to travel to and from the meeting, from distant points, on a week-end.

Following discussion the communication was ordered referred to the semi-annual meeting of the Board for consideration.

3436 (3383). **FINANCIAL MATTERS**

The President reported that on February 21st she had forwarded to the Board of Directors a recommendation that the National Trust Co. be appointed at a fee of ⅛% of the Club's investments to advise the Club on its investments, and read:

(a) Letters from Mr. Brown, Mr. Daniell-Jenkins Dr. Watson, Mrs. Mack, Mr. Laskey, and Mr. MacKillop approving the recommendations;

(b) Letters from Mr Williams, Mr. Irving, Mr. Monaghan, and Mrs. Smith, who did not approve the recommendation.

Following discussion Mr. Daniell-Jenkins gave notice of motion (seconded by Mr. Lawrence) as follows:

"THAT, the Investments Committee, composed of the President the Vice-President, and the Secretary-Treasurer, be authorized to make further enquiries and present a recommendation to the Board of Directors, the recommendation of the Committee to be implemented if a majority of the members of the Board approve and are so recorded at the next meeting of the Board."

Mr. Monaghan pointed to the authority given the Committee at the annual meeting of the Board, and suggested that the Committee should proceed to invest $10,000 of the Club's available funds. The matter was left in the hands of the Committee.

3437 (3387) **DOGS THROUGH CUSTOMS (FOR COMPETITIVE PURPOSES)**

The Secretary reported that:

(a) The two letters which Mr. Irving had tabled at the annual meeting of the Board regarding difficulties which two residents of Canada had experienced when clearing their dogs through Canadian Customs on their return to Canada from shows in the United States had been forwarded to Mr. Monaghan as instructed by the Board;

(b) Mr. Monaghan had taken the matter up with appropriate authorities at Ottawa with the result that arrangements made in 1952 had been reinstituted, this in order to facilitate the return of such dogs to Canada;

(c) A copy of Mr. Monaghan's reports on his discussions with the authorities at Ottawa had been forwarded to Mr. Irving and the other members of the Board.

A discussion followed on the question of making representations with a view to facilitating the entry of dogs into the United States for competitive purposes.

Mr. Daniell-Jenkins gave notice of the following motion (seconded by Mr. Brown):

"THAT, we empower the President to make representations to the Department of External Affairs."

3438 (3432) **SHOW & TRIAL MATTERS**

The Secretary read a telegram from Mrs. Gove who enquired whether an American handler is eligible for approval to judge all breeds in Canada. The Secretary was instructed to inform Mrs. Gove that an American handler is eligible to judge only at a single breed specialty show in Canada and then only if approved to judge that breed by the American Kennel Club.

3440 (3359). **MEMBERSHIP CARDS**

The Secretary tabled suggested samples of membership cards to be distributed as instructed by the Board at its annual meeting.

Following discussion it was agreed that the card would bear the crest of the Club, and be in two colors (one for ordinary members, the other for associate members).

3441 (3365). **PRINTING OF BY-LAWS**

The Secretary referred to the instruction given at the annual meeting of the Board that each member be provided with an up-to-date copy of the Club's By-laws, selected standing resolutions, and extracts from the Live Stock Pedigree Act, and stated that when the instruction was given it was probably anticipated that the standing resolutions would be finalized at the annual meeting of the Board.

Following discussion it was agreed that the By-laws in up-to-date form be printed, selected standing resolutions and extracts from the Act to be left to a later printing of the By-laws.

3442 (3389). **STUD BOOKS**

The Secretary reported that the number of pages to appear in the 1954 Stud Book now being known, a revised quotation on the printing of the volume had been obtained from Richardson, Bond & Wright, a quotation that compared on a pro rata basis with the original quotation.

Mr. Monaghan suggested that the order for the volume should provide for additional copies beyond the number already ordered in order that the Club would be in a position to fill orders for those who later require the volume.

The revised quotation was approved, and the Secretary was authorized to order 150 copies of the volume beyond the number actually required to fill orders presently on hand.

The Secretary reported that Richardson, Bond & Wright had quoted a price of $42.00 on the printing of 500 copies of the Kennel Register insert to appear in the 1954 Stud Book, and a price of $14.50 for an additional 2500 copies.

The Secretary was authorized to order 3000 copies of the insert, this order to include the number required for inclusion in the volumes to be printed.

3443 (3370). **LISTS OF UNPAID MEMBERS**

The Secretary reported that the Directors in provinces other than Ontario had been provided with lists of persons who were members in 1955 but who had not renewed for the current year, and sought an indication of the Board's wishes with regard to distribution of such lists to members of the Board in Ontario.

It was agreed that the Secretary would provide the members of the Board in Ontario with a list of those in Ontario who were members in 1955 but who had not renewed for the current year.

3444 (3352). **REVISION OF CHAMPIONSHIP POINT RATINGS**

The Secretary reported that in accordance with the instruction of the Board given at its annual meeting he had prepared statistics and in March had forwarded to the Board a proposed new schedule of championship point ratings for all zones.

The President expressed the view that the Secretary had submitted an excellent report, and enquired whether the Board would be in a position to arrange for new ratings to become effective on July 1st.

Mrs. Smith stated that she was given notice of the following motion (seconded by Mr. Daniell-Jenkins):

> "THAT, the Board go on record as appreciating the work that the Secretary has done on this, and the matter be given immediate consideration."

3445 (3359). **APPLICATION FOR ASSOCIATE MEMBERSHIP**

The Secretary reported that the Canadian National Live Stock Records had been provided with a copy of the new application for associate membership form as approved by the Board at its annual meeting, and reported that the Directors had suggested an addition to the form.

Following discussion it was agreed that in view of the wording of the By-law it would not be advisable to alter the form as it was approved by the Board, and the Secretary was instructed to arrange for the forms to be printed as originally decided.

3446. **REPRINTING OF FIELD TRIAL RULES**

The Secretary reported that the supply of printed copies of the Field Trial Rules and Regulations was becoming extremely limited, and after discussion it was agreed that the Secretary would arrange for a printing, in up-to-date form, of 500 copies.

3449 (3393). **REGISTRATION OF DACHSHUNDS**

Mr. Monaghan stated that he had prepared a memorandum on several alternative arrangements with regard to the registration of Dachshunds, and suggested that a copy be sent to all members of the Board, their comments to be received and considered at a later meeting of the Board.

3450 (3363). **RABIES**

Mr. Monaghan presented the following statistical information on cases of rabies for the current year up to March 16th: British Columbia (1); Alberta (20); Saskatchewan (1); Manitoba (11). Ontario (116); Quebec (2); Newfoundland (1); N. W. T. (4). (Analysis of Ontario: in wild life (71); in domestic animals (24); in dogs (21). Analysis of Canada: in wild life (88); dogs (34); domestic animals (34).

Mr. Monaghan read a letter addressed to himself by Dr. Wells, Veterinary Director-General, inviting all interested members to attend a "Rabies Forum" to be held at the Ontario Veterinary College, Guelph, on March 26th, at 10.00 a.m. The letter outlined the various topics to be presented and discussed.

The President reported that she had been guest speaker on a radio hook-up of 42 stations and she had cautioned against any panic in respect of the current rabies situation.

3451. **LETTER FROM THE OTTAWA KENNEL CLUB**

The President read a letter addressed to her by Mr. J. W. Goodman, President of the Ottawa Kennel Club, who stated that he had enjoyed his attendance at the annual general meeting, congratulated the President on her chairmanship of the meeting, congratulated the other officers "on the way they conducted their part of the meeting", and the Secretary's "efficient part in arranging the agenda of the meeting."

3452. **NEXT MEETING OF THE BOARD**

Following discussion it was regularly moved by Mr. Monaghan, seconded by Mr. MacCallum:

> "THAT, in lieu of the regular meetings in April and May, that we dispense with the April meeting and the next meeting be held on May 7th, 1956."

FOR THE MOTION: Mr. Brown, Mr. Lawrence, Mr. MacCallum, Mr. Monaghan, and Mrs. Smith.

Motion carried.

3453 (3386). **OBEDIENCE MATTERS**

Mr. Daniell-Jenkins reported that he had discussed with Miss V. E. Meyers, Ontario Obedience Trial Representative, the arrangements which the Board had ordered with regard to Mrs. Gove serving as Obedience Trial Representative for the Lakehead area on a temporary basis, an arrangement with which Miss Meyers was in agreement; and further reported that Miss Meyers was giving her consideration to the appointment of an assistant and would submit her thoughts on that point for the Board's consideration.

3454. **ADJOURNMENT**

At 12:35 P.M., on motion by Mr. Brown, duly seconded and carried, this meeting of the Board of Directors adjourned.

**MAY 7th, 1956**

3455. A meeting of the Board of Directors of The Canadian Kennel Club Inc. was held in the King Edward Hotel, Toronto, on Monday, May 7th, 1956 commencing at 10:15 A.M. with the President, Mrs. M. E. McEachren, in the Chair, and the following members of the Board present: Walter Brown, J. H. Daniell-Jenkins, J. W. MacCallum, Mrs. P. B. Mack, W. J. Monaghan, and Mrs. N. T. Smith.

3456. **PRESIDENT'S OPENING REMARKS**

The President opened the meeting with the following message:

"With a view to appraising members of the Board with affairs that will be of interest to them, and in connection with certain other matters which will come before the Board at this meeting, this message is addressed to you at this time.

MINUTES: It is unfortunate that the Secretary has not been able to provide us with the formal minutes of the Annual Meeting of the Board, however, he has been hampered by failure of the chartered stenographers to provide their transcriptions which were ordered by letter on February 15th. The latest report that he has is that the copy will be supplied next week. In the meantime, however, he has commenced the preparation of the minutes on the basis of the few notes and the record of motions at his disposal.

RECORDING MINUTES OF THE BOARD: It will be recalled that I had suggested at the General Meeting of the Board that an effort be made, through the use of the Sonograph machine, to obtain and provide all members of the Board with a complete record of discussions at regular meetings of the Board. It is most certainly not my wish to add to the work of the office, nor to provide extra costs, and my only thought was that if such a record is to be kept at all it might just as well be made available to all members of the Board. The Secretary estimates that it cost approximately $140.00 to provide the transcription of the minutes of the January meeting of the Board which was in session approximately seven hours, or an estimated cost of $20.00 per hour. He has taken the minute book for 1955 and estimates that the Board was in session about 113 hours last year. This information is provided simply to offset any suggestions that I have proposed something without at the same time indicating the possible costs involved.

QUARTERLY FINANCIAL REPORT: The Secretary has sent to you copies of the statements received from the auditors for the first quarter of this year, and has since provided you with comparative figures showing the change from the same period in last year. The situation is most encouraging, but I do feel that we should not become overly elated on our present showing, but rather reserve judgment until we see how we fare in the second quarter. It will be noted that many expense accounts show a decrease, and every effort will be made to maintain and, if possible, extend those decreases.

REGISTRATION OF FOXHOUNDS: The Secretary has sent you a report of a trip to Lexington, and his discussions with officials of the Chase Publishing Company who maintain the International Foxhound Stud Book. It seems indicated that we can hardly expect further developments on this until July. "I think we might now consider asking Dr. Watson to carry out his commitment as directed by the Board to visit the Field Dog Stud Book, Chicago, as soon as conveniently possible for him to do so."

FINANCIAL STATEMENTS (APEX): The fiscal year for the Apex Publishing Company ends on April 30th, and an approach has been made to the Misses Dunn and Peer in the hope that their audited financial statement for their first year of operations will be available for today's meeting. A copy of this statement will be sent to every member of the Board as soon as it is received by the Secretary.

1957 ANNUAL MEETING: On the basis of information supplied by the Secretary, our Quebec Director has made arrangements with the Windsor Hotel for our Annual Meeting at Montreal next year.

LETTER FROM SUB-TENANTS: We have received notification from our sub-tenants that they wish to exercise the option on their lease with us on June 30th. However, they have asked that they be allowed to stay on, on a monthly basis, until September. I see no reason why their request should not be granted, and perhaps between now and September a definite conclusion can be reached on any suggestion that we make use, for our own purposes, of the space presently sub-let.

DOGS THROUGH U. S. CUSTOMS: Through the co-operation of Mr. Monaghan, tentative arrangements were made for the Secretary and myself to meet with the Department of External Affairs in Ottawa on April 25th in connection with representations intended to facilitate the entry of dogs into the U. S. for competitive purposes. Mr. Monaghan had occasion to subsequently advise us that the appointment had been postponed until officials in the Department had an opportunity of thoroughly studying a brief which we are to prepare and submit to them. Amongst other things which this brief will contain are specific instances where Canadian exhibitors experienced difficulties in taking dogs to the U.S. for competitive purposes. Members of the Board having knowledge of any particular difficulties experienced either by themselves or others in this connection are requested to arrange for details to be submitted to the Secretary immediately. All such reports will strengthen our position in the representations to be made. I consider this urgent, and ask your immediate co-operation.

LISTS OF UNPAID MEMBERS: Each member of the Board has been provided by the Secretary with lists of unpaid members in the province in which he or she resides. If the statistical information on paid memberships supplied to the members of the Board by the Secretary is any criterion, then it would seem that members of the Board have made good use of this information. It is the Secretary's intention to provide further such lists to the members of the Board periodically.

ASSISTANT FOR THE SECRETARY: Not long ago I sent to each member of the Board a progress report on this subject. The purpose of that report was not so much to evoke an opinion on the two applicants referred to in the report, but rather to obtain some idea of your opinion on possible salary range which the Secretary should keep in mind, and age limits and qualifications of a satisfactory assistant.

The Secretary's work has three facets: (1) dealing with members and non members and show and trial clubs by letter, telephone, etc. (2) overall office administration; (3) Board and Committee business. In terms of volume of work entailed for the Secretary that was the order which prevailed for many years, however, he is of the opinion that the order has now changed to the extent that the Board and Committee matters are now occupying, one might say, major portion of his working time. Mrs. Overland has been a tremendous help to the

Secretary, not only at the office but in doing a great deal of overtime work at home. In his quest for an assistant the Secretary has had three considerations in mind: (1) the financial position and income of the Club; (2) someone who can be a productive worker while in training; (3) someone who could, without too long a passage of time, be able to undertake work of a responsible nature without minute supervision. From the replies received to my report to the Board, it would seem that a majority of those who did reply are not in favour of the immediate employment of a junior executive. In view of this the Secretary can only continue his efforts to find a young man capable of being trained over a period of years. The prospects of his finding such a person is extremely remote judging by reports appearing in the newspapers and from many telephone conversations with every available source.

BUTTONS FOR LONG TIME MEMBERS: The Secretary placed an order for these buttons immediately after the meeting in March, and it is his thought, and my own, that rather than mail these buttons to each member entitled to one, we arrange with each local director for the presentation of the buttons at such time and at such place or places as each director considers advisable. This would tend to make the presentation a little more personal and promote the idea of recognizing these long time members.

SEMI-ANNUAL MEETING IN WINNIPEG: A decision was made at the annual meeting of the Board to hold a semi-annual meeting at Winnipeg in June. A member of the Board has since raised the question of the cost of such a meeting. I feel that the question has been settled by the unanimous decision of the Board, and we have no alternative but to carry out their instructions.

RABIES: While I do not have any actual statistics to place before the Board, it would seem that this condition is under control in Ontario, and that there has been little to provoke any alarm such as seemed possible some weeks ago. We will, of course, continue to co-operate with the authorities wherever possible.

RADIO PROGRAMME (April 25): It will be remembered that in February I had told the Board about Dave Price's intention, on one of his Sports Review programmes, to feature dogs and our Club. I hope that all of you were able to hear the programme which went out over a national hook-up on April 25th. Personally, I was delighted with the manner in which the subject was dealt with, and I should like to congratulate all those directors on the arrangements which they had made. I believe that this is invaluable publicity which we should seek to develop more and more wherever possible.

FRED C. HESSEL: I am grieved to have to report to the Board that one of our old time members and honorary vice-presidents of the Club, F. C. Hessell of London passed away earlier this month. The Secretary arranged for flowers, and a very nice acknowledgement and expression of appreciation has been received from Mr. Hessell's widow and daughter.

PRINTING OF BY-LAWS AND RULES: The Secretary has arranged for the re-printing in up-to-date form, of the By-laws, Dog Show Rules and Obedience Trial Regulations and Standards. It will be noted that the Obedience Trial Regulations and Standards have now been incorporated into one booklet, a feature that will likely appeal to obedience enthusiasts using the booklet."

Mr. Monaghan stated his personal appreciation to the President for the "very fine way in which you have handled the affairs, and it is very gratifying to have a comprehensive report: I feel sure that it will go a long way in enabling us to make satisfactory progress."

### 3457 (3428). MINUTES

The Secretary reported that:

(a) on May 2nd there had been received the chartered stenographer's transcription of discussion at the first session of the annual meeting of the Board;
(b) it was expected that the balance of the transcriptions would be received in the near future;
(c) copies of the transcriptions would be despatched to the members of the Board as soon as possible;
(d) work on the preparation of the formal minutes had been commenced, and with the transcriptions available the work would be completed at the earliest possible date.

The President pointed out that at the annual meeting of the Board it had been decided that the Sonograph machine would continue to be used as an experiment, and at the semi-annual meeting at Winnipeg a decision would be made whether the practice would be continued.

Mr. Monaghan expressed the view that the unreasonable delay in receiving the transcriptions of the annual meetings pointed up the necessity of making early arrangements for stenographic services at the next annual meetings, and he felt the transcriptions received to date for the 1956 annual meetings were anything but satisfactory.

Following discussion it was agreed that Mrs. Mack would obtain, for the consideration of the Board at its semi-annual meeting:

(a) quotations on chartered stenographic services for the 1957 annual meetings;
(b) An indication of the expected date of delivery of the transcriptions following said meetings.

### 3458 (3406). COMPLAINTS COMMITTEE REPORT

Mr. Walter Brown, Chairman of the Complaints Committee, placed the following report before the Board, a copy of the report having previously been forwarded to all members of the Board:

"This Committee has held two meetings since its appointment, and the minutes of its meetings have been forwarded to the members of the Board for their confidential information.

The Committee begs to submit the following recommendations for the Board's consideration:

"1. That the Committee be permitted to carry on with the temporary procedure approved at the Committee meeting held on March 25th on the understanding that the Committee will submit in due course its recommendations with regard to procedure in the handling of complaints;

2. That the Committee be empowered to decide, on behalf of the Board, those complaints which do not come within the jurisdiction of the Club, subject always to a complainant's right of appeal to the Board. The Committee feels that with such power it will relieve the Board of the necessity of considering reports from the Committee on matters of this nature;

Mr. Daniell-Jenkins stated that if his interpretation of the Committee's intention was correct then recommendation #2 should be revised to read: "That the Committee be empowered to decide on behalf of the Board whether a given complaint does or does not come within the jurisdiction of the Club."

Mr. Brown stated that Mr. Daniell-Jenkins' interpretation of the Committee's intention was correct.

Mr. Monaghan stated that the Department of Agriculture was prepared to take over the handling of any complaints coming with the Live Stock Pedigree Act, and suggested that the Committee make no distinction between complaints against members and non-members and that all unresolved complaints in connection with delivery of certificates of registration be referred to the Department for appropriate action.

Following discussion it was agreed that the Board's comments on the procedure and handling of complaints be left for the consideration of the Committee.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Smith:

"THAT, the progress report of the Complaints Committee dated March 26th and April 30th be received, and the recommendations be approved."

FOR THE MOTION: Mr. Daniell-Jenkins, Mr. MacCallum, Mrs. Mack, Mr. Monaghan, and Mrs. Smith.

ABSTAINED FROM VOTING: Mr. Brown (being Chairman of the Committee).

Motion carried.

### 3459(3391). REPORT OF THE SHOWS & TRIALS COMMITTEE

Mrs. N. T. Smith, Chairman of the Committee, placed the following report before the Board, a copy of the report having previously been forwarded to all members of the Board:

"A copy of the minutes (subject to any necessary correction) of the last meeting of the Committee is enclosed.

After due deliberations and considering well the suggestions received, the Committee recommends the following:

1. That a list of all Canadian judges, as revised from time to time, be sent to all clubs with the application for date approval.
2. That a standardized entry form and identification card as submitted with this report be approved.
3. That the Committee's valuation and conditions for challenge trophies be approved (Item #22 of Committee meeting held on February 22nd).
4. That the official veterinary opinion form as used by the American Kennel Club be approved and printed with only the following changes:
   (a) Appropriate changes of rule numbers to correspond with CKC rules;
   (b) Deletion of the following words in the second paragraph on the back of the AKC form ("Note that castrated dogs, spayed bitches, monorchids and cryptorchids may compete in obedience trials);
   (c) Change "American Kennel Club" to "Canadian Kennel Club" wherever necessary.

The Committee would also like to report that the necessary papers have been signed for the Swire Memorial Trust Fund. Dr. Campbell has now signed naming Mr. Peter Wright, Q.C. and Mr. Norman Brown as co-trustees, and the $500.00 bond can now be cashed and the money deposited in the bank to be used to re-establish the Norman K. Swire Memorial Trophy Fund.

Dr. Watson has requested that a copy of his reply to our first communication be sent to all members of the Board and is therefor enclosed.

Also enclosed is copy of a proposed "Handbook for Ring Stewards for Obedience Trials". It would be appreciated if you would kindly submit your comments and any changes or additions which you believe should be made. The work of the Committee would be facilitated if all members of the Board would submit their comments on all matters which the Committee has referred to the Board for comment."

Following discussion it was regularly moved by Mr. Monaghan, seconded by Mr. Daniell-Jenkins:

"THAT, the several reports of the Committee be received and the Committee congratulated on its work to date."

FOR THE MOTION: Mr. Brown, Mr. Daniell-Jenkins, Mr. MacCallum, Mrs. Mack, and Mr. Monaghan.

ABSTAINED FROM VOTING: Mrs. Smith (being Chairman of the Committee).

Motion carried.

### 3460 (3436). REPORT OF THE INVESTMENTS COMMITTEE

The President, being Chairman of the Committee, placed the following report before the Board, a copy of the report having been forwarded previously to all members of the Board:

"At the annual meeting of the Board of Directors a Committee was appointed consisting of the President, Vice-President, and Secretary, and was authorized to add to or make such changes in the Club's portfolio of investments as it saw fit.

"Following discussion on the subject at the meeting of the Board of Directors on March 20th, the Committee decided to purchase bonds as reported to the Board by the President under date of April 11th.

"Your Committee feels that the Club's funds have been wisely invested.

"Your Committee has considered the question discussed at the annual meeting of the Board regarding arrangements with a competent firm to advise us on the Club's investments. Your committee strongly recommends the engagement of the National Trust Co. at the rate of ¼% of our investments to advise the Committee on changes in the Club's present portfolio of investments."

It was regularly moved by Mrs. Smith, seconded by Mrs. Mack:

"THAT, the report be received, and referred to the semi-annual meeting for finalizing."

FOR THE MOTION: Mr. Daniell-Jenkins, Mr. MacCallum, Mrs. Mack, Mr. Monaghan, and Mrs. Smith.

ABSTAINED FROM VOTING: Mr. Brown (being a member of the Committee).

Motion carried.

In response to the Secretary's request for an instruction it was agreed that the T. Eaton Acceptance Co. bond be in the form of one $5000 fully registered bond.

Mr. Monaghan pointed to an advertisment offering the T. Eaton Acceptance Co. bond issue at 99½ not long after the Club had purchased the issue at par.

### 3461 (3436). FINANCIAL MATTERS

The Secretary-Treasurer placed before the Board the quarterly statements for the period ending March 31st, 1956, as prepared by the auditors along with comparative statements which he had prepared and forwarded to the Board.

It was regularly moved by Mr. Brown, seconded by Mr. Daniell-Jenkins:

"THAT, the report be received."

FOR THE MOTION: Mr. Brown, Mr. Daniell-Jenkins, Mr. MacCallum, Mrs. Mack, Mr. Monaghan, and Mrs. Smith.

Motion carried.

Mr. Monaghan pointed out that in the Balance Sheet there appears "Provision for estimated cost of printing the 1952 and 1955 Stud Books," expressed the view that the amount shown may be taken to mean the total cost would be $1800.00 for the two volumes, and suggested that in the Balance Sheet and in the Statement of Expenditures for the six months period ending June 30th, 1956, this statement be clarified by showing, in the appropriate place, the estimated total cost of the two volumes. It was agreed that this suggestion would be carried out.

Mr. Monaghan pointed out that the cost shown for bonds purchased in 1950 included the brokerage fees, and suggested that brokerage costs should be charged against accrued interest on bonds and not against the purchase price of the bonds.

The Secretary reported that as a result of a letter from Mr. Monaghan on this question, he had consulted the Club's auditors who had advised that either of the following arrangements would be appropriate depending on the wishes of the Board:

(a) the brokerage costs be included in the purchase price of the bonds, as at present; or

(b) a separate expense account be set up for brokerage costs.

It was agreed that the Secretary would enquire regarding brokerage fees paid on the bonds purchased in 1950.

At Mr. Monaghan's request the Secretary produced the records showing long distance telephone calls placed and telegrams sent during the first quarter of the year.

The Secretary pointed out that in the motion calling for the setting up and maintenance of these records, there was a reference to the "time" of each long distance telephone call, and enquired whether it was the Board's intention that this mean the time at which the call was placed, or the duration of the telephone call. Mr. Monaghan expressed the view that inasmuch as the Secretary had shown, in the records which were produced, the cost of each call and telegram, there was no need to set forth the duration of each long distance telephone call.

Mr. Monaghan suggested and it was agreed that the Secretary obtain a quotation on the counting of the referendum ballots in order that arrangements for the tabulating of votes may be completed before the ballots are distributed.

3462 (3453-3351). **STANDING COMMITTEE FOR OBEDIENCE**

The Secretary read the following report received from Mrs. Pamela B. Mack, Chairman of the Committee:

"Sorry that I was not able to let you have the answers to various matters forwarded to this committee sooner, but as you know I have been away myself, and it has been very hard to get the members of this committee together. So that you would have a report for the Board meeting on May 7th, I am sending you our answers, from Miss Dorothy Budge, Mr. Frank Mingie and myself. Unfortunately the other member of the Quebec Committee, Mr. Alan Sharp, was unable to be with us but he agrees with us on this report.

"Applications for approval to judge Obedience Trials — We have examined the applications of Mrs. Natalie Maydanski and Mr. Walter Frost, together with the score sheets from the trials that they both apprenticed at and the three judges' reports and feel that they should be granted approval to judge. As I see from your later letter that Mr. Frost has been invited to judge a trial shortly suggest that you inform him of this approval as soon as possible.

"We also note that in a letter from Mis Agness Hammond dated Nov. 14th, 1955, when she was in office as Provincial Director for Alberta she says that she examined the above two applicants also a Mrs. Fraser and found her competent; as we have never received Mrs. Fraser's application to apprentice, we are wondering if this has gone astray and if so could a duplicate copy be obtained. As already stated in a previous letter to you, Mr. V. W. Williams has our approval to apprentice, also Mr. Ian E. Hall and Mrs. Zella Rae McIntyre, and we hope that they will avail themselves of this opportunity at the next trials in their province which we understand will be held shortly.

"Naturally all these judges must apprentice at licensed trials and tests under qualified judges for all the classes for which they have applied for approval to judge.

"Letter from Mr. MacKillop—April 7th, 1956—This Committee would like to know who were the sponsors of the amendment dealing with this and perhaps we can get their real meaning of kennel owner as it could be taken in so many ways; until then and also the opinion of the Board has been given on this matter think that Mr. MacKillop should refrain from giving an opinion. Please tell him that we are very glad that he has brought up this matter as it is certainly a subject that should be clarified for future policy.

"With regard to the members of the Standing Committee on Obedience the members of the Standing Committee on Obedience for Quebec are as follows: Miss Dorothy Budge, Mr. Frank Mingie, and Mr. Alan Sharp, with myself as Chairman. For Ontario I cannot give you the names as I have written to my co-chairman Mrs. N. T. Smith about two weeks ago asking her the names for the Ontario members and am still awaiting her reply, which I will send to the Board as soon as it is received from her.

"Sorry that I could not let you know sooner of this meeting, but obviously you would have been unable to attend, and as we were anxious to have this report in time for the Board meeting on May 7th, this seemed the quickest way to give you the answers."

Following discussion it was regularly moved by Mr. Daniell-Jenkins, seconded by Mr. Brown:

"THAT, the report be received and the Committee's recommendations regarding the applications for approval to judge of Mr. Frost and Mrs. Maydanski be approved; and the Committee be thanked."

FOR THE MOTION: Mr. Brown, Mr. Daniell-Jenkins, Mr. MacCallum, and Mr. Monaghan.

ABSTAINED FROM VOTING: Mrs. Mack and Mrs. Smith (being members of the Committee).

Motion carried.

The meeting recessed at 1:00 p.m. and reconvened at 2:30 p.m. with the President, Mrs. M. E. McEachren, in the Chair, and the following members of the Board present: Walter Brown, J. H. Daniell-Jenkins, J. W. MacCallum, Mrs. Pamela B. Mack, W. J. Monaghan, and Mrs. N. T. Smith.

3464 (3322). **REGISTRATION COMMITTEE**

The Secretary reported that the Registration Committee had:

(b) Reviewed the request of Mr. Macaulay Banks for reconsideration of his application for registration of the kennel name FAIRBANKS, and had arranged for Mr. MacCallum to discuss the matter with Mr. S. McConaghy (husband of the late Mrs. McConaghy who had registered the kennel name FAIRBANK);

(c) Had sustained the objection of Mrs. E. Havlicek (SHADY-LANE) to the application for registration of kennel name SHADI-LAWN submitted by Mr. & Mrs. Coghlin, and the latter had appealed the Committee's decision;

(4) Transfer of the following to the name of John Iftody: Kennel Name MAPLE RUN; registered tattoo letters NDP.

Following discussion it was agreed that;

(b) The Registration Committee may proceed as it deems best with regard to Mr. Bank's application for registration of the kennel name FAIRBANKS, after it hears Mr. MacCallum's report of his discussion with Mr. McConaghy;

(c) The entire Board be polled on the appeal of Mr. & Mrs. Coghlin regarding the application for registration of the kennel name SHADY-LAWN, the Secretary to be governed by the majority vote received by a deadline to be set in the letter to the Board.

It was regularly moved by Mr. Brown, seconded by Mr. Daniell-Jenkins:

"THAT, the report of the registration Committee be approved except in the case of the kennel name SHADI-LAWN."

FOR THE MOTION: Mr. Brown, Mr. Daniell-Jenkins, Mrs. Mack and Mr. Monaghan.

ABSTAINED FROM VOTING: Mr. MacCallum and Mrs. Smith (being members of the Committee).

Motion carried.

3465 (3350). **LONG RANGE PLAN COMMITTEE**

3466 (3453). **MEETING WITH ONTARIO OBEDIENCE TRIAL REPRESENTATIVE**

The President reported that Miss V. E. Meyers, Obedience Trial Representative for Ontario, had been invited to meet with the Board.

Miss Meyers entered the meeting, and was invited by the President to speak about any obedience matters which were of concern to her in her capacity as Obedience Trial Representative for Ontario.

Miss Meyers stated that it was her practice to submit to the Secretary a report on each obedience trial in Ontario which she attended, these reports pointing out particularly any infractions of the Obedience Trial Regulations and Standards, and where improvement may be effected at future trials.

Miss Meyers expressed the view that each show-giving club should be notified of the name and address of the obedience trial representative for the zone in which a trial is to be held, this in order that they may get in touch with the representative for such advice or assistance as they may require in connection with their trial.

Mrs. Smith stated that each show-giving club should be notified that their obedience trial chairman should be a person with a working knowledge of obedience.

Following discussion it was agreed that where application for permission to hold a licensed obedience trial in Ontario is received, said application is to be forwarded to Miss Meyers who will return the application with:

(a) an opinion as to whether the person named as obedience trial chairman is qualified to act in that capacity;
(b) any comments regarding any obedience trial previously held by the same club which comments are to be passed on to the trial-giving club for its guidance.

It was also agreed that the application for permission to hold licensed obedience trial be amended by pointing out, on the application, that a person selected as obedience trial chairman must be a person with a working knowledge of obedience.

It was agreed that when application for permission to hold a licensed obedience trial is approved, the trial-giving club be notified of the name and address of the local Obedience Trial Representative.

Miss Meyers suggested and it was agreed that when approval is given to a person to judge an obedience trial, a copy of the Obedience Trial Regulations and Standards shall be sent to said person.

Miss Meyers suggested and it was agreed that when permission is granted to hold a licensed obedience trial, the trial-giving club shall be notified that it must have at its trial a copy of the Obedience Trial Regulations and Standards.

Miss Meyers suggested and it was agreed that the name of the obedience trial chairman shall be published in the premium list of a show with which a licensed obedience trial is being held.

Miss Meyers suggested that the names and addresses of Obedience Trial Representatives be published in the official organ for the information of those clubs who may wish to contact their local representative for help or information. It was agreed that the names of all official representatives be published in the official organ.

Mr. Monaghan suggested and it was agreed that immediately following the annual meeting of the Board, the Secretary would inform all appointed representatives of their appointment.

Miss Meyers sought a ruling on whether it is permissible for a person acting as a ring steward for an obedience trial to also exhibit a dog at a championship show being held in conjunction with the trial. It was agreed that this situation should be clarified by a proposed amendment to the Dog Show Rules.

Miss Meyers sought information with regard to her status insofar as it concerned obedience activities at the Lakehead. The Secretary read a letter from Mr. Haggerty, Chairman of the obedience section of the Lakehead Kennel Club. It was agreed that through Mrs. Gove and Miss Meyers every effort be made to assist those interested in obedience at the Lakehead.

Mr. R. T. Lawrence (Director) entered the meeting.

A discussion followed on the question as to when meetings of the Standing Committee would be held. Mrs. Mack stated that rather than meetings at regular intervals, the Committee would meet when it had business to deal with.

Mr. Daniell-Jenkins served notice that he desired an interpretation of the words "kennel owner" as used in the definitions for the Novice A and Open A classes. Mrs. Mack agreed to refer this question to the Standing Committee.

Miss Meyers was thanked for her attendance at this meeting of the Board, and then left the meeting.

3467 (3347). **FINANCIAL STATEMENTS (APEX)**

The Secretary reported that he had informed Apex Publishing & Publicity Co. of this meeting of the Board, however in view of the short period between the end of the fiscal year for that company and this meeting of the Board it was not possible for the company to submit a copy of its financial statements for the first year of its operations.

Mr. Monaghan stated that as soon as the auditor's statements are available there would be held an annual meeting of the company at which the financial statements would be presented after which copies would be made available to the Board of Directors.

3468 (3434). **ARRANGEMENTS FOR 1957 ANNUAL MEETINGS**

Mrs. Mack reported that she had made arrangements with the Windsor Hotel, Montreal, for rooms for the 1957 annual meetings as well as for bedroom accommodation in accordance with block reservations usually made by the Secretary, and presented a contract form which the Windsor Hotel wished signed and returned.

Mrs. Mack reported that there had been a very strong request for the General Meeting to be held on a Sunday, and expressed the view that a meeting on the Sunday would afford a greater prospect of the necessary quorum at the commencement of the meeting.

Following discussion it was agreed that the Secretary would sign the contract form and return it to the Windsor Hotel with advice that consideration is being given to transferring the general meeting to a Sunday date.

3469 (3437). **DOGS THROUGH UNITED STATES CUSTOMS**

The President reported that information on difficulties experienced by residents of Canada taking dogs to the United States for competitive purposes was being sought to support representations to be made.

Mr. Monaghan stated that the Department of External Affairs was prepared to make representations but it required a brief outlining the situation in detail, and an indication that difficulties are general rather than a few isolated cases.

Mr. Lawrence suggested that the brief should be specific as to the particular ports of entry at which the difficulties are experienced.

3470 (3364). **PROPOSED TRANSFER OF LHASA APSOS TO GROUP 6**

The Secretary reported that in accordance with the Board's instruction a notice had been published in the March issue of the official organ reporting that the Board was considering a proposal to transfer the Lhasa Apsos to Group #6, and asking those interested to submit their comments.

The Secretary read:

(a) Letters opposing the transfer of the breed to Group #6 as received from: T. Roy Dewsbury, Locust Hill, Ont.; the Bulldog Club of Central Canada; Mrs. G. N. McKenzie, Locust Hill, Ont.;
(b) A letter supporting the proposal from Miss Barbara Ganyon, Oakville, Ont.

Following discussion it was regularly moved by Mrs. Smith, seconded by Mrs. Mack:

"THAT, we transfer the Lhasa Apsos into Group #6."

FOR THE MOTION: Mrs. Mack, Mrs. Donaghan, and Mrs. Smith.
AGAINST THE MOTION: Mr. Brown, Mr. Daniell-Jenkins, Mr. Lawrence, and Mr. MacCallum.

Motion lost.

Mrs. Mack and Mrs. Smith enquired what would be the status of a resident of the United States approved to judge the breeds in Group #4 in the United States when said person is selected to judge the breeds in Group #4 at a Canadian show. The view was expressed that it would be necessary for the show-giving club to obtain the services of another person to judge Lhasa Apsos.

——Mr. MacCallum left the meeting at this time.

3472 (3302). **LETTER FROM DR. H. L. WATSON (EDITORIAL, "DOGS IN CANADA")**

The Secretary read a letter from Dr. Watson who:

(a) Drew attention to the editorial appearing in the April issue of "Dogs in Canada" with regard to the use of the words "dogs" and "bitches";
(b) Expressed the view that policy on the use of these words had not been decided by the national Board;
(c) Served notice that he intended to re-introduce the subject at the semi-annual meeting of the Board.

Mr. Monaghan made the following statement: "Madam President, may I draw the attention of the Board to these facts: Some 25 years ago a member of the Club was severely disciplined for the use of words deemed likely to confuse and mislead. Arising out of this, the Club then agreed it would insist on the use of the words "male" and "female" rather than "dog" and "bitch". In other words, it reiterated the policy which had been in effect since at least 1915. The matter came before the annual general meeting in 1948, and it was unanimously agreed that the policy hitherto in effect would be maintained, and I am referring now to the report of the Committee on the revision of the By-laws and the rules. In the October 1951 issue of "Dogs in Canada" the policy was again drawn to the attention of the members, and it was pointed out that the use of the words "male" and "female" would be maintained; the wording then was "So, when referring to the dog we shall say "male" and "female" for who are we to question the scholars who compiled the dictionary". During negotiations with Key Publications, the matter was discussed along with many other matters and it was written into the agreement that the policies of the Club hitherto in effect would be maintained. Then, as we all know, the issue came up again last Fall, and as a result Mr. Wright wrote a letter on December 21st, 1955, and the Secretary sent a copy to every member of the Board under date of December 28th, 1955, and then it came before the Board in January—Item #3302,—and the minutes were approved in February."

Following discussion it was agreed at this time as Dr. Watson had served notice of his intention to re-introduce the subject at the semi-annual meeting of the Board.

3478 (3408). **LETTER FROM STERN, SAUNDERS & CO. (re sub-lease)**

The Secretary read a letter from Stern, Saunders & Co. who served notice of their desire to terminate their lease with the Club on June 30th, 1956, but requesting permission to remain in their present premises, on a month-to-month basis until their new premises are available, likely in September.

Following discussion it was agreed that:

(a) It be left to the Secretary to accept or reject the request of Stern, Saunders & Co. for extension, beyond June, of their lease on a month-to-month basis;
(b) The President's suggestion regarding future use of the premises presently sub-let to Stern, Saunders & Co. be referred to the semi-annual meeting of the Board.

3475 (3440-3441). **MEMBERSHIP CARDS AND COPIES OF BY-LAWS**

The Secretary tabled samples of the membership cards for ordinary members and associate members, reported that the By-laws in up-to-date form had been printed, and stated that the cards and By-laws would be mailed to members as soon as arrangements had been completed with the various Directors in connection with the letters to accompany the cards and By-laws.

Mrs. Smith enquired whether lists of applicants for membership recently submitted to the Board were for ordinary membership or associate membership.

Following discussion it was agreed that:

(a) On future lists those applying for associate membership would be so indicated;
(b) The Secretary would review previous lists and inform the Board of those who had applied for associate membership.

3476 (3443). **LISTS OF UNPAID MEMBERS**

The Secretary reported that each member of the Board had been provided with a list of those members, resident in the same zone as the member of the Board, who were paid-up members in 1955 but had not renewed for the current year, and enquired when the Board would wish a revised list prepared for the information of the Board.

The matter was left in the Secretary's hands to prepare and submit revised lists when convenient.

3477 (3438). **SHOW & TRIAL MATTERS**

The Secretary read a letter from the Calgary Kennel and Obedience Club who: (a) pointed out that their championship show on May 15th was scheduled to end at 6:30 P.M. with their licensed obedience trial (for which they had paid a separate date fee) scheduled to commence at 7:30 P.M. (b) requested that they be permitted, under these circumstances, to allow dogs entered only in the obedience trial to be benched following the championship show.

The Secretary read a letter from Mr. MacKillop recommending approval of the request.

Following discussion it was agreed that the recommendation of the Alberta Director be approved.

### RICHMOND, CALIF. SHOW

The Richmond Dog Fanciers held their show June 17 in the grounds of the Richmond High School, a beautiful spot across the bay from San Francisco. The day was perfect and the entry large. The impressive thing about this show as far as Sporting and Hound Groups were concerned was the quality of the young stock. The show was a joy to attend, as the group of exhibitors were the most sporting in any show I have attended.

One other thing I would like to mention was the beautiful exhibition of handling done by a Chinese gentleman.

A. P. Sturdee

(Mrs. Sturdee, well-known Toronto judge, was one of the judges at this show.)

## ALL CANADIAN FOXHUNTERS ASSOC.

St. Agatha, Ont., (near Waterloo) will be the location of the National Championship Stake on November 1, 2 and 3. This National Championship Trial of the All Canadian Foxhunters Association has been held annually since 1947, and under the rules of The Canadian Kennel Club since 1952.

Qualifying trials to determine the hounds eligible to be entered in the National Stake will be held by the various clubs affiliated with the association on the following dates:

**Western Section**

Victoria — Sept. 29 & 30
Kawartha — Oct. 6 & 7
Western — Oct. 12 & 13
Central — Oct. 19 & 20

**Eastern Section**

Red Fox — Sept. 21 & 22
Two Mountains — Sept 29 & 30
Masters — Sept. 29 & 30 or Oct. 5 & 6
Montreal — Oct. 7 & 8
Chateauguay-Huntingdon — Oct. 13 & 14
Quyon — Oct. 19 & 20

Two Mountains is also planning on holding a specialty show on Sept. 28, the evening previous to the trial.

Officers elected at the annual meeting held at Belleville on July 7 are: Charles M. Wright, Ottawa, president; M. F. Smith, Toronto; vice-president; Frank Cook, Stratford, vice-president (western); Alex Learmonth, Montreal, vice-president (eastern).

The constitution of the association was amended to provide for the appointment of a Governor. Mr. E. D. Bonnyman who had been president for ten consecutive years was appointed to the new office.

A proposal to hold point trials under C.K.C. rules was discussed at some length and was then given unanimous approval. Authorization was given for the necessary application to be made. There is great enthusiasm for this proposal and if it is ratified, the majority of the affiliated clubs will hold point trials this fall.

Mr. W. J. Monaghan, one of the C.K.C. directors for Ontario, was welcomed to the meeting. He spoke briefly.

The evening program was a panel discussion of judging and how best to secure uniformity of interpretation of the performance of hounds in a trial. Mr. Frank Cook was moderator. The other members of the panel were Messrs. M. F. Smith, A. L. Pimlott and L. Stark. One of the interesting features of the program was the arrangement whereby members in the audience could take part in the discussion of various matters.

### Cold Trail, Hot Nose

How long will a trail hold a scent for a keen nose? Coldest cold trail was tracked when Bloodhounds located a family lost in the untamed Fanno Mountain in Oregon. The trail was 337 hours old, or slightly over two weeks.

been prevented if our present knowledge of heredity had been available, just as breeders of the past experienced heavy losses as the result of the distemper epidemics which might have been prevented had our present knowledge of this disease and its control been available. It is not necessary to absorb an entire course in advanced genetics in order to obtain a working knowledge which can be depended upon to serve as a useful tool in the breeding of better dogs. A few simple, fundamental facts must be understood and remembered, and these facts, presented in as non-technical terms as possible, may be summarized as follows:

All of the hereditary characteristics which are handed down by the parents to the offspring are carried in the gametes which are the sex cells or reproductive cells of the parents. The gametes of the female parent are called ova or eggs. The gametes of the male parent are called sperms. A female gamete, or egg, which has been fertilized by a male gamete, or sperm, is called a zygote (from the word zygotes, yolked). If all goes well following the union of the male and female gametes, the resulting zygote eventually develops into a new individual.

As a result of his careful and extensive studies of green peas, Mendel proved that the hereditary characteristics contributed by each parent do not blend in the offspring, as had been formerly believed, but that they are inherited as individual units. These units or factors of inheritance are called genes. They are carried in the chromosomes, tiny rod-like bodies which are located in the reproductive cells or gametes.

In mature plants and animals, genes are always found in pairs. Mendel found that one member of each pair is contributed by one parent and the other member of the pair is contributed by the other parent. The members of each pair of genes may or may not be identical. As an example, let us take a pair of genes which will determine coat colour in the individual offspring. One parent may contribute to that particular offspring a gene for red coat colour, while the other parent may contribute a gene for black coat colour. In this case, the member of this pair of genes which the individual offspring receives from its parents will be unlike each other. If both parents contribute genes for red coat colour or if both parents contribute genes for black coat colour, the members of the particular pair of genes which the individual offspring receives will be identical. **When an individual reproduces, it contributes one of each pair of genes that it possesses to each of its offspring. Which member of the pair of genes will be handed down to which offspring is determined by the laws of chance,** just as the laws of chance determine whether a coin will fall heads or tails when it is flipped in the air.

# *Why GAINES is the answer to the dog breeder's nutrition problems*

**Here's the Problem.** It is no secret to dog breeders and veterinarians that many commercial dog foods vary considerably in their nutritional value—frequently from feeding to feeding. This state of affairs has led to a problem in the correct feeding of dogs — where, as these experts well know, a *completely balanced* diet is essential.

**And Here's the Answer.** The unique homogenization process, developed and used exclusively by Gaines, GUARANTEES THE DOG UNIFORM NOURISHMENT. In Homogenized Gaines Meal, all ingredients are blended into nuggets, each containing a *balanced* amount of ALL the food elements that the dog needs to build and maintain health and strength. Nutritional values thus *cannot vary* from feeding to feeding.

**The Proof of the Pudding . . . !** Homogenized Gaines Meal is the result of many years of research by *Gaines Research & Control Laboratories* (and by the famous *Gaines Research Kennels*). Every step of this research has been carefully checked by ACTUAL FEEDING TESTS, carried out on generations of dogs at the Gaines Kennels.

**Economical in Use.** Gaines Meal contains balanced quantities of carbohydrates, fats, vitamins and minerals —plus *more meat and fish proteins*—all derived from natural foods. However, in spite of its high nutritional value it is by no means expensive. Cheaper, inferior meals *require* supplements if the dogs are to receive all the food elements they need. Gaines does not. It should be remembered also that a 25 lb. bag of Gaines contains all the food values of *75 lbs.* of canned dog food!

Considering these factors, it is easy to see why Gaines is *the world's largest selling dog meal*. Be sure that the next consignment of food you order is Homogenized Gaines Meal.
