LETTERS

If you have any suggestions, any comments or constructive criticism to make concerning articles or other items contained in this magazine, or with regard to shows, your opinion of what is happening to various breeds with regard to size, colour, coat, etc., write a brief letter to the Editor. We must reserve the right, however, to edit same.

RESULTS ARE SHOWING

. . . A pair of puppies sired by my new famous black dog Ch. Baliwick Black Warrior are en route to Alberta to the home of a famous judge who has judged Cockers in New Zealand, Canada and U.S.A. Naturally I am delighted. Thank you, *Dogs in Canada*, for the contact.

MRS. DOROTHY R. VAUGHAN

. . . I have been advertising in *Dogs in Canada* for a number of years now and the results of same are very gratifying. The results speak for themselves as I have sold pups from British Columbia to New Brunswick and points between, through my advertisements which appeared in your magazine from time to time.

I suppose a number of advertisers in your *Dogs in Canada* like myself just sit back and neglect to bring to you the results obtained through your monthly. Can say that I am more than pleased with same.

IMPROVEMENTS APPROVED

. . . May we congratulate you on the tremendous changes you have evolved in *Dogs* and wonder just how long improvements can continue. It is tops now to our way of thinking, and as the circulation is extended we are sure the Canadian public at large will agree that Canada's official Dog magazine is something to be mighty proud of.

since PERVINAL helps keep him strong and vigorous

What a tremendous boost in health and vigor the great PERVINAL formula may give to your dogs! PERVINAL is rich in "spark-plug" vitamins, including the wonder B_{12} and liver-protecting lipotropics, and precious minerals. PERVINAL does so much to help dogs grow strong and vigorous, with a full, glossy coat, good digestion and elimination, sound teeth and bones, good reproductive function, better nerve and muscle coordination, more resistant to infections and illness, when impairment is due to vitamin-mineral deficiencies.

PERVINAL is not a food, nor a food substitute. It is a scientifically balanced concentrate of all the vitamins and minerals essential to dog nutrition. Added just once daily to the ration, PERVINAL assures the dog a full quota of these nutrients so important to prime health and championship form.

Bob Martin's

in the modern kennels

No serious breeder would want to ignore what science can tell him about feeding dogs. But he is keeping a kennels, not a laboratory. How can he apply scientific methods? Bob Martin's have made a study of this problem over many years and the formula of Bob Martin's Condition Tablets embodies the results of research in Universities and Institutions all over the world.

Each Bob Martin's tablet incorporates the average daily requirement for dogs of vitamins, B_1, B_2 and D, plus a generous quantity of vitamin A.

These vitamins are essential to every breed of dog. Without a regular supply of them, no puppy can grow to full size, no bitch can rear a healthy litter, no dog can enjoy normal health.

Bob Martin's also contain the complex nutrients of dried whole liver. Each tablet is produced under strict laboratory control, and packaged with special care to maintain the full strength declared on the label in any climate.

"Bob Martin's Condition Tablets are obtainable from druggists, department stores and pet shops

WHICH HAS THE TONY?

. . . In regards to "Afghans or Salukis". This article has been published in different papers throughout Canada and therefore would be quite impossible for such an error to be repeated so incessantly. From Mrs. Coats' letter I quote, "These are not Afghans as anyone with half an eye can see." Evidently she has only a quarter of an eye and not many dealings with either breed. Granted, they don't come near standard and was surprised to find it in D.I.C. when the Afs in Canada and the U.S. have such quality. Mrs. Coats seems quite sure of her analysis of this man's breed, as she says it is obvious they are not Afghans but Salukis.

I suggest she re-read her letter and take note of the tinge of sarcasm and dramatization in it. It is obvious she did not stop to think before giving us her opinion.

Also Mrs. Coats took *Dogs in Canada* over some pretty rough bumps. I find it to

For the Sensational Welsh Corgi Pembroke Int. Champion (England, U.S.A., Canada) LEE'S SYMPHONY . . .

To Miss Jane Kamp who handled him to Stardom in our Canadian Shows at the Canadian National Exhibition to finish Best in Show and his title in 3 straight Shows.

This Corgi, who was bred in England by Miss Curtis, has given all Corgi breeders a little more consciousness as to type and temperament.

His progeny in Canada have not failed him in type and best of all has added fresh blood lines to improve the Breed in the United States and Canada.

This little working dog, stepping out so lively in his red coat and white shirt, shoes and socks, could not fail to win the hearts of all who saw him.

May he visit Canada often to compete again for the coveted title of Best in Show.

MEMO FROM THE EDITOR

This month's **Dogs and People** section carries news of the accidental death of several outstanding dogs. These are just two of the thousands of dogs killed by motor cars and trucks — sometimes through the fault of a careless driver and all too frequently through the rashness of the dog. Many drivers have risked their own lives to save a dog. But the fact that the dogs are loose and allowed to run on the road can in most cases be laid at the feet of the owner. Won't you make certain your runs are escape-proof — or spend more time with your dog in the country or on a lead?

What will happen to your dogs when you die? If both husband and wife were suddenly stricken through accident or illness, would the dogs be left to starve, given out or sold indiscriminately?

Friends dropped into this office the other day, having just made out a will which provides a home for every one of their present dogs and future kennel stock. One pet, they told us, would die of heartbreak if she were left with anyone else. She will be put to sleep when her owners are no longer able to look after her.

We are pleased to present the first of a valuable series on scientific breeding by Dr. Lee Ford. Dr. Ford is a research cytogeneticist and Collie breeder and writer, who is currently on the staff of the Pacific Lutheran College, Parkland, Wash. Two series of seven books each are scheduled for publication, with several already available through Dr. Ford.

Stop the Press: Latest wins for Kennels of the Rouge Bullmastiffs—Fortins War Cloud, this month's cover dog, placed Best Canadian Bred at both Winnipeg Shows, Sept. 14 and 15. At Watertown, N. Y., Sept. 16, Can. Ch. Stentor of the Rouge placed First in Working Group.

Coming: November Big Dog issue, featuring Great Danes, Great Pyrenees, Newfoundland, St. Bernard. Special Christmas issue getting close. Send material in early.

Game, Fowl and Guns

OF ALL moving targets, the Rabbit is the most popular across the continent. Most hunters learn to shoot as boys by hunting cotton-tails. Few sports of any kind can compare with a quest for cotton-tails with a pack of loud-tonguing Beagles on a frosty fall morning.

It could be said that most all shotguns and small caliber rifles are Rabbit guns. However, for real sport a light repeating shotgun is the most fun. For the boy just learning to hunt, a 20 gauge single barrel should be first choice.

Cartridges for Rabbit hunting: 22 short, 22 long, 22 long rifle, 22 Rim. Shot sizes: 12 gauge guns: size 4, 5, 6 or 7½; 16 and 20 gauge: size 5, 6 or 7½; 28 gauge and 410 guns, size 6 or 7½.

Deer Hunting

Most Deer hunters prefer one of two rifle styles—either lever or bolt action. Ammunition for Deer: 117 Grain Soft Point, 100 Grain Silvertip.

Geese

The powerful swift-winged Canada Goose is much desired by all hunters of wildfowl, and is usually shot from pits in grain fields over decoys and also over decoys in either fresh or salt water. In some areas hunters combine Duck and Goose shooting. Because Geese are usually shot at longer distance than Ducks, the heaviest loads of shot are preferred. While most gunners use the regular guns and loads, an ideal Goose gun is a 12 gauge shooting the 3 inch shell. Shot sizes: 10 and 12 gauge guns: Size BB, 2 or 4; 16 and 20 gauge guns, size 2 or 4.

DUCK CONSERVATION

by F. H. Kortright

President, Toronto Anglers' and Hunters' Association

THE normal duck population in North America 25 years ago was about 250 million birds. For various reasons this was reduced to 26 million in 1935. That was very nearly the end of the sport of wild-fowling on this continent.

Thanks to heroic conservation measures including the establishment of many refuge areas, greatly reduced bag limits, and to heaven-sent improved water conditions, the ducks were saved for a while. Populations have since showed some improvement but are still far below a safe minimum.

The main reason for the tremendous reduction in duck population during the last half century is the loss of suitable breeding and wintering habitat. This is due to the continent-wide encroachment of agriculture, deforestation, reclamation of marshes with the consequent drying up of streams and ponds, man-made droughts and pollution. The advance of "civilization" continues, and the number of game birds gets less and less.

Over-shooting must also take a major share of the blame. It, therefore, has to be controlled by the imposition of bag limits in keeping with the available supply of game. However, no matter how much the gunner may deplore the scarcity of ducks and be irked by small bag limits, he will continue to take his toll as long as duck shooting is permitted. Such, unfortunately, is human nature.

Granted that the individual duck hunter can do little about the effects of encroaching civilization, and granted that as long as there is a duck to shoot at the average hunter will do his best to pot it, nevertheless, the hunter can take some very effective and practical steps to ensure that there shall be more ducks.

Many competent authorities estimate that for every duck brought to bag, there is at least one other that has been wounded and escaped (and which later may die) or has been killed and lost through falling into places inaccessible to the gunner. Even by cutting this estimate in half, the loss from these causes may amount to 15 million ducks annually in

North America. 15 millions! This writer is convinced that 15 millions is a minimum figure, but whether the loss amounts to 10, 15 or 20 million ducks, it is ghastly to contemplate.

(The number of upland game birds that are lost in a similar manner also reaches a staggering total.)

This tragic waste is the direct responsibility of the wildfowler. It is all the more deplorable because to a great extent it can be avoided. A large proportion of these 15 million ducks can be saved, and every duck saved this year means at least two extra ducks next year. Actually, hunters can do more to rebuild our duck population and so ensure an increase in the bag limit than any other group of our citizens.

How can duck hunters help to restore the duck population, and at the same time bring home a bigger bag of birds?

Three Golden Rules

In the first place, hold your fire until the ducks are well within range. Don't shoot at birds over 40 yards away. For every duck brought down at 60 yards or more, there may be 10 that fly off, seemingly unhurt, but carrying one or more pellets which later may cause death. By holding your fire until the ducks are within sure killing range you bag more ducks, and by wounding less you will save your share of the 15 million that are wasted. Don't be one of those trigger-happy fools who spoil the sport for others, and only succeed in maiming countless birds.

Again, get that cripple! That flapping, badly wounded bird. On no account must it escape! And don't let that dead bird float off (to be picked up later!) and be lost in the reeds when darkness falls. These cripples and lost, dead birds are part of the 15 millions which you can help to conserve.

Finally, take your trained retriever when you go shooting or arrange that some one in your party has one with him. And make sure that your dog is well trained and proficient. A poorly trained retriever is only a degree better than no dog at all. The 15 million ducks, plus upland game birds that are lost annually, are largely lost by gunners who do not use retrievers. The gunner who employs a retriever is doing much to avoid this dreadful waste.

It is too much to hope for, but if every gunner were to practise the above three simple rules, instead of 15 million wasted birds this year there might well be 30 million additional live birds next season.

A Few Words About Retrievers

The use of trained retrievers in wildfowling and upland game shooting is so vital a conservation measure that it is to be hoped the practice will some day become mandatory in North America, or at least as generally practised as it is by the more conservation-minded Europeans. Everything that can be done to train more retrievers and to interest more gunners in their use should be vigorously undertaken.

The amateur who intends to train his own retriever would do well to attend a Retriever Field Trial to obtain an understanding of the hows and whys of the work of well trained retrievers.

The purposes of Retriever Field Trials are:—

1. To demonstrate all aspects of the work that will be required of a retriever in the field.
2. To set a standard of retriever performance for field and water work.
3. To show the performance of the different breeds of retrievers.
4. To encourage and develop the best breeding stock.
5. To demonstrate how the owner should handle his dog.

The amateur who decides to train his own dog should first train himself to be a fit and suitable teacher. He should provide himself with one or two of the many good books on the subject, and follow the technique and principles which the expert recommends.

Keep thinking of the 15 million ducks plus countless upland game-birds that are lost every year. Get that retriever, and do your share in bringing back the ducks.

THE BLACK AND TAN

COONHOUND

by Mrs. W. R. White

THERE is nothing more thrilling to the ear of a hunter than the deep, bawling, bugling voice of a Black and Tan Coonhound on the trail, and his distinctive "chop" notes when his quarry is treed or cornered.

These big-game hounds are truly a North American breed and to-day's magnificent specimens have been developed from strains originated by Colonel Trigg and Mr. L. F. Birdsong in Georgia and Kentucky over one hundred years ago.

Longest-eared and coldest-nosed of any breed, a pack of Black and Tans is truly a wonderful sight to behold. With their high-domed heads, their rich colouring, powerful bodies and distinctive gait they are indeed worthy of their title of "Aristocrats of the Hound Group". Although developed primarily for hunting coon, the wiliest of all furred animals, they are also used extensively for hunting other game such as mountain lions, bear, mink, possum, deer, bobcats, and foxes. The Black and Tan is a trail hound, that is, he uses his very sensitive power of smell to follow his game, breaking into full cry as soon as he "hits a strike" and continuing with his musical song until the hunt is ended.

Although primarily a dog native to the South-Eastern United States, these hounds are well adjusted to the rigors of our changeable Canadian climate and have flourished in the field and the show ring due to the efforts of a few enthusiastic breeders and fanciers. Although it is not demanded, these breeders have a more or less mutual understanding that their dogs must be as proficient in the field as in the show-ring. To this end it is to be hoped that the C.K.C. will some day in the near future furnish rules for the holding of Licensed Coonhound Trials in order that

Can. & Am. Ch. Melinda of Ten Oaks, left, is 9 years old. Can. Ch. D'Argenteuil Baron Bretton, at 6 years, has had 39 Best of Breed and 27 Group Placings. Both are the keenest of hunters.

Canadian Field Trial points and championships may be obtained. It is interesting to note that some bench show judges will, when judging a Black and Tan, look for some indication that the dog has been, or is being, used in the field. This is usually evident by the dog possessing torn ears, or other scars of battle.

As far as is known, the pioneer Canadian breeders were d'Argenteuil Kennels Reg'd. of Newmarket and Keswick, Ontario, and most of to-day's competitors come from their foundation stock. In many of these pedigrees will be found the name of Canadian and American Champion Melinda of Ten Oaks. This great female, bred by the world's authority on the breed, Don H. Stringer of Illinois, is the first, and to date, only International Champion of the breed. Although now advanced in years she is still as keen a hunter of large game as she was in her younger days when she was not only hunting and campaigning for her show honours, but also raising several litters of puppies.

PART II

TRAINING The RETRIEVER

by Bob Blyth

FIRST we will run over what we have done so far. We have never been too strict with our pup at any time. Have not made a point of stopping him from romping around and have not insisted he stay at heel. We have given him a certain amount of freedom except when we shoot. This is one of the things we have made a must of. He must be steady to shot or at least as nearly so as possible. Even the old timers will break sometimes. But the more we insist and watch for it the less likely he will be to break.

Of course, when we give a definite command we expect it to be obeyed at once. We never have taken away any of his initiative in regards to hunting and have given him a chance to develop his hunting instincts.

Now we will say our dog is at least a year old, will come when he is called, will sit and stay when told, and is steady to shot. Most people will say, "What more do you want?" Just go to Retriever field trial and see some of the dogs work and you will see why it is worth spending a bit more time.

More Equipment

We now need a little more equipment; a whistle (preferably a small Acme Thunderer), three dummies, a light choke chain and a short strap about 12 in. long with a good snap on the end.

A choke chain is a short chain that slips over the dog's head and when pulled tight has a choking effect on the dog's throat. Snap the strap on the end of this and teach your dog to heel. If he pulls on the strap, give it a quick jerk and say "HEEL". Do not be too harsh on him as it may take some time. However, keep trying him once in a while so that he will heel on command. I would advise you to take this very slowly as you do not want your dog slinking along at your heel all the time. Just give him enough of it so that when you give him the command, "HEEL" he will come to heel and follow you for a short time, never too long. When he has had a short walk at your heel send him off with a "HIE-ON", and let him romp around till you are ready to go to work.

Use Whistle

Now we will start him on the whistle. In other words try to say "SIT" very quickly on the whistle. He will soon get the idea that when you give a quick short blast on the whistle he must sit. Leave him sit and stay, and walk away from him for a distance of thirty or forty yards. Watch him at all times and if he moves give the short blast on the whistle; make him sit and stay there. When you are ready whistle him in. Make sure this whistle sounds entirely different from the sit whistle. The SIT is a quick toot;

to COME, a toot, toot, toot. This takes a little practice but you will soon catch on and I hope so will your dog. At the same time you call him in, run away from him so that he is in a hurry to come back. Now when you have him working on this to your satisfaction you will then start him on his signals. Now is the time that patience really pays off.

The Diamond

We call this starting on the diamond. You start by marking off a diamond, like a baseball diamond, 1st, 2nd, 3rd, and a home plate, only you have one more position which is 15 or 20 feet behind home plate. Walk your dog at heel from this position to home plate, make him sit at heel, on either side, right or left. Left side if you shoot right handed, so that your dog does not interfere with your gun.

Throw a dummy to first base making your dog stay, leave him in the stay position while you go back to the starting position, keeping your whistle in your mouth ready to stop him with a quick blast if he makes a move after the dummy. Now face your dog from the starting position and point right with a sideways motion of your whole body, and if your dog is as keen to work as I think he will be, he will go directly to the dummy and pick it up. However you may have to coax him by telling him to fetch or walk straight over on a straight line from the dummy till he get the idea. Then have him fetch the dummy back to you at the starting position. When he is doing this nicely which will probably take a few days, change him over to third base going through the same procedure only using the left hand and arm to signal with. Make sure these signals are definite so that you do not confuse him.

Now keep this position up for a few days till he jumps for the dummy as soon as you give the signal. Now give him a change for a day from first to third base, taking plenty of time. Always take him away from the diamond while he is still raring to go as they tire of this routine very quickly.

Start him now on the second base. Here you have to use your voice as well as the signal. Raise your arm straight up, palm of hand towards dog. Signal the dog with a forward motion of the hand and arm, at the same time saying in a sharp tone "GET BACK". Keep him on this at least one week till you are sure he has it down pat. Now comes the supreme test. Throw one dummy to first base and one to second base. Send dog for number two, first, which will be the last one thrown; then for number one. Do the same on two and three, that is throw the dummy to number three first and the other to number two; retrieving number two first and three last.

Hardest to Remember

Number two, the "GET BACK" dummy seems to be the hardest one for the dogs to remember. After the dog has accomplished this lesson start him on the three dummies. You will have to be very careful from here on; always pick the last thrown dummy first i.e. No. 3-2-1 as it is easier for the dog to remember them in this order.

At this time you must always have your whistle in your mouth ready to stop the dog if he goes in the wrong direction. If he does make a mistake stop him at once, even if you have to run out on the gallop and beat him to the dummy. Then take him back to home plate and start over again.

Get Fed Up

After two months of this procedure you will find some dogs start to get fed up with this business, so change him on something else; have him sit and stay in a sit position and take the dummy out in the field where he can see it. Go back to your dog and give him a line to the dummy. That is, have your dog on the side you are used to working him from, point to the dummy with your hand beside his head, swinging your hand forward still pointing to the dummy and tell him to "GET BACK". Work him on this till he will go out and pick up the three dummies, remembering to have the dummies in plain sight at all times.

This of course applies to the diamond work as well; be sure the dummies can be seen by the dog, by getting down to the dog's height. Gradually work him back to the diamond and keep alternating from one lesson to another till you think you have him coming along well on both lessons.

Change Tactics

Now we will change our tactics again. Using the diamond, throw the dummies out making the dog go for the first one you threw out. Now is the time when you will find out how well you have been training. After you have him picking up whatever dummy you desire, start throwing the three dummies out, after he has retrieved the one you sent him for, throw it back out and have him retrieve one of the others; this way you will be getting him under better control all the time. You will find that he will always want to go for the one you threw last, so watch for this.

Blind Retrieve

The next step will be to have him take a line so that you can send him out on a blind retrieve, i.e. a dummy that he has not seen. Take him along a straight path, a ditch that is not too deep, or along a fence; now walk him at heel, throw the dummy and walk back along the path or whatever you start him on. Give him a line towards the dummy and send him off. Keep this up for a day or so, gradually working farther away from the dummy till he will retrieve it from up to 150 to 200 yards. Then try taking him out on the same line, dropping the dummy when he is not looking and send him back on a blind retrieve. Take him away from the line and try him. If he goes on a fairly straight line, handle him with the whistle and signals to the fall; gradually make this tougher all the time. If he gets confused put him back on the diamond or line till he gets over it.

If however he deliberately refuses to stop on the whistle, go after him with a good heavy switch or strap and give him a good trouncing. Now is the time for a toughening up process. When you blow the whistle this means stop. If you have a good dog he is going to say "to hell with you, mister!" once in a while and go his own merry way. These are the kind of dogs that make good ones. A dog that has guts enough to defy you, even though he knows he is going to get a licking for it, is a dog worth having. Remember this, you can almost break every bone in your dog's body if he knows he deserves it and he will still love you just the same; but one licking in temper or even scolding can put him right back where you started from; or worse if he cannot understand what it is for. Understand I am not advocating you beat your dog, but if it is necessary to give him a licking and he knows why, give him one that he will not forget in a hurry.

Don't Nag

Do not get into the habit of constantly nagging at him or giving him a few slaps. The tone of voice you use can mean something too. Do not be afraid to yell, you can save him a few lickings by yelling like an Indian.

One day my neighbour, who lives about one-quarter of a mile away, was marrying off his only daughter and he called around to tell me he was having the ceremony on their lawn. Of course the minister would be there. He asked would I mind not training my dogs for that hour or so, just in case I got a dog that was a little off colour at that particular time. Needless to say I was as quiet as a mouse for a day or so but I am afraid I am right back where I started. On a calm day around our place you would think you were in the Swiss Alps, only it is not yodelling you hear.

Join Club

If there is a Retriever Club or Association close to you, or if you get a chance to go to a Retriever field trial, and meet other people like yourself that are interested in having a good dog, by all means join the club or Association and get behind it.

Revolution in Outdoor Wear

EVERY sportsman has his favourite items of clothing which he refuses to give up until they fall apart through sheer fatigue. But there are always new and better types coming along, and always a new crop of hunters.

In investigating outdoor clothing, we find few radical changes, although if Dr. Grenfell were alive he would surely approve the refinements in his early ideas of lightweight, windproof garments over warm under clothing.

The term Thermowear in outdoor clothing means the use of insulation in the construction of garments and boots. It makes use of layers of air space in the body which traps and holds the body's heat. The heat cannot escape and cold or moist air cannot enter.

The lightest, and perhaps the most attractive Thermowear garments on the market, are made by an American company and handled exclusively in Canada by Eaton's. Matching jackets, pants, hoods, caps and boots, altogether, would weigh far less than the formerly popular heavy wool mackinaws. Only a light wool shirt is required to maintain the necessary body warmth, which precludes extra sweaters.

One of the most popular outfits, while not new in design, is produced by a Canadian company in Falcon Gabardine, with red nylon lining and down filling. The jacket embraces one of the most practical features, the "drop seat", an additional length of coat with waterproof lining which can be kept buttoned up to carry game or other packages, or can be let down to sit on.

Lined pants (hunting breeks) are tapered like ski slacks, with zippers for easy donning. They're lined with wool throughout with a square pocket in front and two back pockets. Matching hats and caps have reverse red linings.

Shirts show little change, except to become more handsome. There are the usual heavy wool shirts, grey or checked, in soft, water-repelling wool. But the newest and dressiest, possibly more for wear at the end of the day rather than the roughest wear, are the Pellon shirts with a silky lining. Made of beautifully soft wool, they are hand washable and impregnated with isoelastic Pellon, which prevents crushing and creasing.

A rubberized silk slip-on jacket with hood looks like a handy item to roll up in the kit-bag. Strictly for wear in sudden showers in the open, or in a boat, they roll up to a mere handful.

Clothes especially designed for beagling, it seems to us, would undoubtedly fill the bill for many types of hunting.

Vulcanized knee length shirts, for example, are 39 inches long, and come with hood. They can be worn with waders or hip boots. A variation of neoprene coated duck pants is the type known as beagler rain pants. Especially valuable to any hunter are the beagler brush pants which can be worn over regular pants or singly. They stand up to every hazard — waterproof, flexible, impervious to grease and oil, and to encounters with briars. Best of all, they clean readily with soap and water.

Beagling boots made primarily for dry land work, are nevertheless adaptable for most kinds of hunting. Made of pigskin with a light non ski sole and steel arch support, they are designed to give sturdy comfort. Another type is said to be completely waterproof, made of soft, pliable horsehide.

Rain chaps, of course, can be packed along and slipped over any kind of pants, and like rain pants are not indestructible, but nearly so.

YOUR outdoor and indoor gear are an investment which should serve you well for years. Take pride in your clothing and boots, and you'll naturally take good care of them.

The first essential is keeping garments clean. Before you put them away after a trip, remove dust and grime. An accumulation of dirt starts deterioration faster than wear. Get the worst of the dirt off with a brush or damp sponge, then in the case of water and weatherproof clothing, scrub with soapy water and rinse. You can clean inside linings with a soft scrub brush.

Clean as much as you can yourself, but where sweaters are concerned, don't be afraid to spend money on a good dry cleaning.

Take a minute to go over your outdoor gear for small tears. These should be mended immediately, and for reinforcement a small patch of matching or nearly matching material can be affixed with rubber cement. Most manufacturers will send a patch on request.

GERMAN SHORTHAIRED POINTER

The German Shorthaired Pointer has developed a reputation as an all-purpose dog. Here are the major qualities: (1) as a bird dog, a staunch pointer (2) a thoroughly qualified duck dog (3) a natural retriever on land or water (4) a keen-nosed night trailer. In this dog we have an aggregation of the best qualities of sporting dogs through the centuries: The American or English Pointer is a cross between the early Spanish Pointer and the English Foxhound. The old German Pointer was a cross between the Bloodhound and the old Spanish Pointer. The German Pointer now is a cross between the American Pointer and the Old German Pointer.

RHODESIAN RIDGEBACK

The innate good sense of this unusual dog has enabled him to retain the best of his background qualities and to settle down in this country as a family friend and guard dog. His history goes back to the Hottentots of South Africa. The Lion-Dog, victor over the King of Beasts, is not a fighter with other dogs. This speedy, powerful hunter is a pleasure to watch in the field, or at play with a child or tiny kitten. His outstanding feature is the peculiar "lay" of the hair growing along his back, opposite to the general direction of the hair. Starting behind the shoulders and running to a point between the hipbones, the ridge forms two identical crowns opposite each other at the start of the ridge. This photograph shows the correct ridge.

LABRADOR RETRIEVER

Anyone who has watched "Labs" at work cannot fail to be impressed with the precision with which the dogs carry out their orders. Their intelligence might well be termed uncanny. Beautiful in body, the Lab is also a joy to watch in movement, with the propulsive power coming from the rear legs, and the front legs moving straight and steadily. Although the name would imply origin in Labrador, this famous breed actually came from Newfoundland. The dogs were the friends and helpers of fishermen, and once seen in England, found new enthusiasts. But the records do not indicate how the breed first came to Newfoundland. The Labrador's qualities seem endless: excellent disposition, willing worker, accepts direction promptly, wishes to please always. A great swimmer, he marks falls properly and is respected for his highly developed scenting faculty.

IRISH SETTER

The owner's description of Red Sales Pride of Devon is a graphic picture of an ideal Irish Setter. "Pride is a beautifully balanced dog possessing a good, sound running gear and lovely short-coupled body. His coat and feathers are profuse and of very dark mahogany colour. Pride is bred to produce, being line bred to some of the greatest Irish Setters of all time, including Ch. Charles River Blazes, Ch. Charles River Color Sergeant, Ch. Kleiglight of Aragon, Ch. Red Sails of Salmagundi, Ch. Redwood Russet of Harvale, all grandsires of Pride and all Best in Show winners. Ch. Red Mollie of Devon and many other greats add their contribution to enrich this illustrious heritage. Our lovely new Ch. Wildair Casa Mia Fame is shortly expecting a litter by him in which we hope there may be another Int. Ch. Wildair Visionary Hour, Canada's all-time great Irish Setter Bitch."

AMERICAN COCKER SPANIEL

Small wonder the Cocker Spaniel walks with a swagger. He is the most shown of all breeds in Canada. A grand little sporting dog, he has become such a family pet many owners do not realize they possess a fine hunter. Many serious breeders are endeavouring to train their own dogs for field work and to encourage purchasers to do the same in order to preserve the hunting instinct. And what better companion could you ask than a gay little Cocker to trot at your side or dash ahead to flush game for you. The American Cocker is one of the greatest of home lovers and adores every member of the family. A great deal of pleasure can be gained in training a pet Cocker as a retriever, even if never intended to hunt in the field.

ENGLISH SPRINGER SPANIEL

The English Springer is a gay, handsome animal, and a strenuous conservationist. He rarely fails to bring back a wounded bird and is a natural retriever with an unerring nose. In addition he is a fine rabbit dog, with boundless energy. He is almost tireless on land and in water, and his hardy physique enables him to stand rough weather. The English Springer requires a minimum of space, and sits quietly in the car. This, with his fine temperament, makes him an ideal house dog. He is extremely gentle, but fiercely protective of his family. The name "Springer" is said to originate from the fact that the dog known as the "Springing Spaniel" flushes game from cover, rather than holding a scent.

BRITTANY SPANIEL

This fine bird dog comes up for interesting controversy time and time again. The Brittany is the only Spaniel which may be expected to point. His size and manner of working are those of a Setter—is he therefore a Spaniel or a Setter? Another unusual feature is his tail, or lack of one. The tail, if one appears at all, is only a few inches in length. Beauty and intelligence are the other outstanding features of this sporting dog. The animal is by no means timid in the field, but is of a highly sensitive nature and must be handled with kindness and patience. Not a specialist of any one bird, the Brittany flushes competently and also works carefully and well as a retriever.

ENGLISH COCKER SPANIEL

Here is a gay sporting dog, a merry companion and a responsive and willing worker. The stamp of the head and the alertness of his eyes all speak of brains, intelligence and sense. His tail is always an active indication of his philosophy—anything worth doing is worth enjoying. The English Cocker differs from his American counterpart in that he is slightly larger. The same basic blood streams are carried by both breeds. The English Cocker was bred by British sportsmen in the past century primarily for flushing woodcock, and at first was a low-to-the-ground and long-bodied dog. He now has a compact body with a short back.

BASENJI

Once known only to a few proud North American owners, the trim little Basenji, through sheer personality and worth, as well as Hollywood, is coming into new prominence. He is one of the oldest of all breeds, and was considered a fitting gift to the Pharaohs of Ancient Egypt. His working value was particular to Central Africa, where he was highly prized for his speed, power, intelligence, and especially for his silence in stalking. The Basenji is the "barkless dog", but he virtually talks, expressing himself in a dozen different ways. Strangest of all, he is a perfect mimic of the game he is after. Shown here is the first Basenji ever to win a group in Canada. He is almost completely unaltered through the centuries, as to colour, coat, size and shape.

BEAGLE

Just as everybody loves a baby, seems like everybody loves a Beagle. This merry little hound continues to lead the list of best-sellers in the United States, and is climbing rapidly in Canada. And small wonder; he is a great companion to his master, quickly becomes the pet of all the family, takes the rough and smooth of hunting in his stride, and is independent enough to take care of himself. Hunters using Beagles in packs usually go after the larger hares, and in solitary hunting, the cottontail is the target. He readily learns to pursue any ground game, and does well with pheasants.

MAGYAR VIZSLA

This Hungarian Pointer, although not yet recognized by the C.K.C. or A.K.C., is the national hunting breed of Hungary. A small field dog famed as a great hunter for centuries, it is gaining interest on this continent among outdoor-loving families. Intensely keen to search and point game birds, to retrieve game on land or from water, he is famed for his choke-bore nose, and great heart. Owners find him abundantly affectionate to family, and especially children. The Vizsla has a distinctive, graceful carriage and beautiful short-haired red-gold coat. The matron shown here has a double six generation pedigree, and recently whelped a litter of eight puppies. Another litter was born this Spring in Crane Valley, Sask.

BASSET HOUND

This ancient breed, once the pride of royal hunters in France and Belgium, stems from the old French Bloodhound and the St. Hubert Hounds. Currently gaining new attention on this continent, he is a steady, excellent trailer, good on pheasants, rabbits and foxes, and particularly in securing wounded birds. His scenting ability is extraordinary. If trained and handled by his master only, the Basset becomes a completely one-man dog, and with his docile, intelligent manner makes a fine hunting companion. Long of body and heavy of bone, the Basset has powerful short legs, the front legs slightly crooked and broad. The chest is deep and shoulders are heavy and well-muscled. Head resembles that of a Bloodhound, and the ears are very long, thin and velvety.

BLACK AND TAN COONHOUND

Long-time favourite of both wealthy and not-so-affluent this coon hunter is also a valuable dog on any type of furred game. His keen nose makes him an exceptionally accurate tracker. He goes entirely by foot-scent, and while he is somewhat slower than the Foxhound, usually accomplishes what he sets out to do. His method is to follow the quarry to the tree where he sets up a vigil, waiting for the hunter to catch up, guiding him by continuous eager, often impatient barking in his deep, musical voice. There is no doubt that there is a great deal of Bloodhound strain in the outcrosses, and the Coonhound works his trail almost exactly like a Bloodhound. This trail hound is a truly North American breed.

LONG-HAIRED DACHSHUNDS

For many people who like the character and conformation of a Dachshund, but prefer a softer, longer coat, here is the answer. The Long-hairs have all the characteristics of the better known Smooth-haired variety. Care should be taken, however, to prevent too luxurious a coat, which causes the type to be hidden and sometimes tends to be coarse, rather than silky. The coat is actually much like that of the Irish Setter. All the fine Dachshund qualities are present—good determined hunters, pleasant disposition, courage in both hunting and guarding the home, and personal fastidiousness.

BORZOIS (Russian Wolfhound)

Coursing has been conducted for probably thousands of years, and the Borzoi has been one of the swiftest of coursers, used in Russia for the past several centuries for hunting wolves and coursing hare. Not merely a handsome show-dog, he has proven a swift foe of coyotes and wolves on this continent in recent years. This graceful animal is one of the most courageous, and has exceptional strength and tenacity. His trim, slim, racy appearance has made him popular in fashion photography. For a time the Borzoi nearly became extinct when the Bolsheviks came to power and the breed and kennels were dispersed. He still retains his rating throughout the world as an aristocrat among dogs.

SMOOTH DACHSHUND

Subject of many a cartoon and joke, the Dachshund is gaining new respect. A dog of many talents, he is a real hunter, courageous and amazingly swift for his low-slung carriage. In Europe he has been trained for generations to out-badger badgers, and even to tackle the wild boar. His ears are built with a purpose—he won't get into anything he can't back out of. He will tackle an adversary many times his size. Apart from his hunting skill, the Dachshund is fast becoming a favourite house pet, fitting into apartments, and because of his smooth coat, tidy habits, and lack of "doggy" odour gets a nod of approval from many a housewife who might otherwise say "no" to owning a dog. A very fine traveller, a good guard dog and a real companion to children.

AMERICAN FOXHOUND

The American Foxhound, somewhat more slight than his English cousin, shows up well when his master goes after fox with a gun. He is a slow trailer and possesses a good voice. As a "trail" or drag hound raced or hunted on a drag, he has the prime requisite of speed. In field trials, he has the speed and the necessary competitive, if not slightly jealous nature. And possibly where he is best known, hunting in a pack of 15 or more, by hunt clubs and farmers he has both speed, sense and tenaciousness.

MINIATURE LONG-HAIRED DACHSHUNDS

One of the most appealing little dogs known are the tiny Dachshunds with the silky long coats. These small dogs are not under-size or under-developed types of the larger Dachs. They have been carefully developed to work in burrows smaller than the better known counterpart can enter. The whole body features more slender structure. These soft-eyed little hunters are completely fearless, and never stop to consider their adversary might be twice their size. As in the larger members of the family, the ears are set low and hang down close to the head, to enable them to work easily into the burrows, and pull the head out again. Nine pounds or under is the standard weight. Rarely seen in Canada, a recent import from the kennels represented here is attracting both judges and audiences.

NORWEGIAN ELKHOUND

The Norwegian Elkhound is one of the oldest breeds in existence, going back as far as 5,000 B.C. He is a compact, medium size dog with attractive silver-grey coat, ideally suited to withstand heat and extreme cold. He was never subjected to useless and fanciful breeding fads. His extremely keen sense of smell makes him a good hunter. His intelligence and impeccable disposition make him an ideal family pet. Being adaptable to any living conditions, he is as at home in the city as in the country.

This lively dog, just 20½ inches in height (male) is equally reliable as a hunter of birds, elk or bears and was undoubtedly leaned upon heavily by the Scandinavian races in providing food. In this country he is an expert with raccoon, mountain lion and lynx as well as fox.

What to Buy—

PUPPY OR ADULT?

by Dr. Lee Ford

What is more friendly and lovable than a little soft furry cuddly puppy? And where is the youngster who would not pick a puppy ten times before he would pick a grown dog? Just what is the almost universal appeal of the puppy, especially for youngsters? The puppy is *fun!* The puppy is *little!* The puppy is also a little ball of *stored up dynamite!* Because both are young, both new in this old world of ours, and both full of pep and energy, the youngster and the puppy go together like "ham and eggs"!

When you do decide to buy a puppy, you have several important decisions to make, among which are what breed, what sex, what colour, and of course, what price, and what pedigree. Plus a few others! Most of these are individual, personal decisions, based on your own likes and dislikes, your own experience and background. So we do not wish to "advise".

It has long been held by many that the male puppy is the sex to pick. He is generally bigger, perhaps stronger, perhaps more flashy, can not have puppies, and does not have the periodic "heat" problems. But, of late, I have noted the increasing popularity of the female puppy. In fact, in my own collie kennels, we never do have enough female puppies in the litter! The female is favoured by some because she *can* have puppies, but also because she is generally neater and cleaner in her habits (both inside and outside), she stays at home much better (outside of her period), and she is a very alert watchdog. As this series deals with the female puppy and the female dog, we will therefore confine our remarks from here on in to the female.

Now what are the advantages of buying our female dog as a puppy? Well, she is surely most lovable! If we have youngsters, they will enjoy growing up with her. Also, you can generally find quite a few puppies to choose from at almost any time, and therefore can have the puppy without too much looking or waiting. You can also generally have a good choice from several kennels, from several bloodlines, and even from several litters in any one kennel. Also, the puppy, even a so-called "pick" puppy for show or breeding, generally will cost quite a bit less than a grown female suited for show or breeding. The price of good quality puppies at two months or so will generally run about $75. to $150.—perhaps more—maybe less.

Disadvantages

What are some of the disadvantages of buying the female as a puppy? Contrary to what some "experts" will tell you, it is not always possible to pick the "best" puppy in the litter, either for show or breeding. But, you can at least *not* pick the poorer specimens! You must select primarily on the pedigree and characteristics of the parents, so you should see or know both parents and their strong and weak points. Puppyhood is able to cover up faults to a remarkable degree. Remember, adulthood will only bring these faults more to the fore and exaggerate them. You may have many unknown adult characteristics to take a chance on: size, coat texture and even color, gait, head, temperament, etc. You have a long period of feeding, caring for, and training your puppy (about a year or a year and a half), until you have an adult dog, suitable for showing or becoming a matron.

Shamrock Mike

You have the usual puppy troubles of de-worming, serum or vaccination protection, proper food and time of feeding, grooming and housebreaking the little fellow! To say nothing of his habit of chewing when teething! These details of growing up will be covered in our next article. Defects, such as blindness, deafness, cryptorchidism, sterility, etc. are often not noted, or have not yet developed, in the puppy. Also, the puppy can be a carrier for one or more defects. It is a good general rule not to get a puppy from a litter which has defectives in it. But how are you to find this out?

By far the biggest disadvantage of buying a puppy if you want a show or breeding female, is the lack of information on how to predict from the puppy what the adult dog will be like in regards to conformation and disposition. The breeder will tell you of the "sure fire winner" he picked who went out to win his show. But will he tell you of the times he picked a winner and missed? We are now doing some prediction work in regards to working ability and dispositions of collies in connection with leader dog for the blind work. If you are interested in our progress, would be glad to hear from you. It is a very difficult problem and little actual data is available. Remember, *there are as yet no known scientific laws enabling you to predict from your puppy's looks and behaviour just what he will be like as an adult dog.*

The Grown Female:

One of the most important advantages in buying an adult female is that you *see* her now as an adult and can therefore note her size, condition of her coat, her gait, her general conformation and disposition, etc. You can also see her faults, and decide if they are serious enough to disqualify her for showing or breeding. You can also, of course, check her pedigree and her parents as in case of the puppy, but this time you do not have to wait to see the matured dog. Also, if she is now an adult, she may possibly be even a proven matron, thus avoiding the problems of possible sterility or knowledge of failure to have puppies.

Furthermore, she is now past the troublesome puppy days when you need to worry about de-worming, distemper, hepatitis, and a dozen other ailments. True, she may have, or may develop, some ailment, but an adult dog, free of parasites, completely vaccinated against all possible diseases, is surely a much better risk than a young puppy. She has been handled, groomed, is accustomed to stand for grooming and trimming, and will be a joy to work with. She probably has had at least some obedience training, probably handles on leash, comes on call, could even be housebroken and taught to "sit" and "lie down". She may even come to you already bred and thus save you the trouble and expense of sending her out for stud service. And, in 63 days or less, you will be having your first litter! If she has any defects such as blindness, deafness, etc., you should be able to check for them easily. Of course, she still might be a carrier for some bad "hidden recessive" character such as blindness or

deafness, but, if you arrange for her first litter (with you) to be a test mating, you should then be reasonably sure that if she is a carrier, you will find this out on her first litter.

What are some of the disadvantages of buying our female as an adult dog? First, of course, is the price. She will generally cost more than a puppy. But, when you figure how much it costs to raise her to the stage of maturity at which she now is, you probably have saved quite a bit of money. It is true, that nowadays it costs a good $50. to raise a puppy up to two months or so. But, it surely costs a good deal more than another $100. to raise that same puppy up to a year or a year and a half of age! The kennelman seldom "comes out" on his sales of an adult dog, that is why they are sometimes quite hard to locate. You will probably have to pay from $150. to $300. for a good quality show or breeding female dog, maybe quite a bit more. Sometimes you are lucky and can pick one up from someone at $75. to $125. or so. It is your fault if you buy a poor specimen, as you have the privilege of seeing her and asking questions. My one advice is to buy the best quality female you can find.

Another disadvantage of buying our female as an adult dog, one that is always mentioned, is that the dog is not fully "yours" if she has belonged to someone else up to maturity. This is a relative thing. Generally, a female who lives in the kennels, or who is a semi-pet with a sort of "half-kennels" life, is quite pleased to find herself the sole "owner" of a new family! She looks them over, gets acquainted, and blossoms out before your eyes as the most devoted of dogs! It sometimes helps to know her former commands, use her name freely, and maybe even bring some of her former possessions along. Helps to make her feel at home! Generally, if she has had a good long ride in a crate and is received at the other end by a friendly home, she comes through almost at once. She quickly learns the rules of the new household, freely and willingly gives you her friendship, understanding, and love, and accepts you as her new master. However, sometimes she comes from a home where she was particularly devoted to her master, and it takes a bit of time to cause her to transfer her affections.

General Considerations:

There is one thing to remember, whether you decide on a puppy or a grown female: *Remember that each dog, puppy or adult, is an individual just as you are an individual. What will work successfully with one dog, will not work with another, even of the same sex, age, and breed. Treat each one as an individual, study her carefully, and you will have a wonderful experience in friendship and devotion!*

Whether you buy a puppy or an adult female, the seller has certain responsibilities to you, the buyer. He guarantees to give you a healthy, disease-free animal, inoculated with serum or vaccine as stated, duly registered with the C.K.C., complete with pedigree. He should make an honest presentation of all facts and give you in some written form helpful data on feed, care, vaccination, etc. of the puppy or adult dog. He should notify you of date, time, and manner of shipment and expected time of arrival. You the buyer, are expected to pay the cost of shipment and return crate to him prepaid. You as buyer should acknowledge arrival of the pup, advise the seller in what condition he arrived, and what you think of him! This is common courtesy, if nothing else. And, as buyer, you remember that the breeder simply cannot sell you a puppy (or an adult dog) which is guaranteed not to catch a virus!

When you, the buyer, write to the kennels, be sure to state your wants clearly as to breed, sex, age, color, etc. so that the breeder can give you an intelligent and complete reply. The breeder should reply promptly, in full, answering all questions, and send you in addition a folder or something telling of his kennels and his dogs. Most breeders will gladly send pictures on request. You, the buyer, should see that the pictures are returned, if so requested. This, too, is but common courtesy!

There are several advantages of buying from a smaller kennel, chief among them being the direct personal contact with the owner of the puppy or the female dog, and the fact that most small-kennels-dogs are household pets and get every care and attention plus the feeling of "belonging" to their family.

There are few legal responsibilities in case of buyer or seller, and these are vague and difficult to enforce. The important thing for the buyer to do is to buy his puppy or adult female from a breeder he respects and admires and would like to have for a friend for the rest of his life. The breeder in turn should attempt to sell only to buyers he likes and feels will give his dogs a good home. This makes for a friendly feeling between breeder and buyer and helps everyone, including the dog!

THE CANINE EAR

by Toronto Academy of Veterinary Medicine

ANY discussion of the canine ear must deal with the ear in health as well as the ear in disease. Both the inner and outer ear must be treated as separate parts.

The External Ear

This will vary from breed to breed and is determined by shape, quantity and quality of cartilage and skin. Ears can be pendulous, erect or semi-erect.

Internal

Characterized by an ear canal composed of cartilage. The most striking feature is a very acute turn about a half inch before the tympanic membrane (ear drum) is reached, which separates the "outer ear" from the "middle ear". The canal is lined by two types of glands which produce the wax found in the ear, and short hairs (more prevalent in Kerry Blues, Poodles, etc.) which are both intended as protection against foreign substances and objects that may gain entrance to the ear canal.

In exploring the ear, we shall divide it into three parts:

(1) Outer ear—the skin and canal up to the ear drum.

(2) Middle ear—the ear drum, auditory apparatus and related structures.

(3) Inner ear—auditory nerve proper and related structures.

Care of the ear

This requires (a) a good light, (b) proper restraint (c) cotton dipped sticks (d) suitable cleansing preparation.

After the animal is properly restrained so that head movement can be limited, the ear may be cleansed by dipping the cotton tipstick in one of these solutions, followed by gentle swabbing.

1. 50% H_2O_2 and water (Hydrogen-peroxide).
2. 2% Boracic Acid solution in water.
3. Sal-bor-tan (Pitman-Moore product)
4. Alcohol, 70%

A dog's ear should be cleaned only when necessary. Do not use an excess of any solution. Do not force the swabs down the canal. Always hold the ear up vertically while swabbing and never swab into the skull (at right angles to the side of the face.) Clean only that part of the ear or canal you can see. Never probe. Be gentle at all times. Any signs of excess discomfort on the dog's part should prompt a qualified veterinarian's opinion.

Hairs that are matted may be plucked with forceps or snipped with scissors as required.

A word of advice: Do not neglect any irritation, off odours or excessive discharges from your dog's ear. Consult your veterinarian first, then act. By all means do not pour some home-made remedy or "friend's preparation" into an ear without first knowing why and what action this preparation will cause. Many lovely dogs are deaf today because a phone call to a veterinarian or an office visit were disregarded by a well-meaning owner. Nothing is more pitiful than a

EXHIBITION

Drama, Excitement and a Ceremony marked the C.N.E. Shows, August 29 to September 4.

BEST in Show honours at the Canadian National Exhibition Shows fell successively in three days to American dogs. Competition was unusually good, both from the standpoint of entries and excitement.

The win by the Welsh Corgi, Ch. Lee's Symphony was nothing short of sensational, in that it was one of the few times in Canada a Corgi has ever gone Best In Show.

To those who knew the story, there was joy and remembered sadness as the Airedale Raceway My Doreda went Best of Breed and finished her championship in the Third Show. This plucky Airedale now owned by Jack Stewart of Aurora, Ont., and previously owned by Mrs. Sparrow of Raceway Kennels was one of the two dogs who swam for 17 hours during Hurricane Hazel. The dogs were rescued long after hope had vanished.

First Show drew 397 entries, second 419, and third 413. The interesting catalogue cover was designed by Gertrude Stenhouse.

Long service buttons were presented to members of The Canadian Kennel Club with a membership record of 20 years, 25 years and longer. Director J. W. MacCallum made the presentation address and called the members out to receive a button from Mrs. M. Eileen McEachren, President. Other directors offering congratulations on behalf of the C.K.C. were Mr. John H. Daniell-Jenkins, Mrs. Phyllis Smith and Mr. R. T. Lawrence. Presentations will be made in other cities and in some instances buttons will be mailed.

In addition to members shown in the presentation photograph on the opposite page are "Long Service" members: Mrs. Winifred Batt, Walter Brown, Dr. J. A. Campbell, Mrs. H. Cole, William E. FOR YOU MY SON

by Lee Richard Hayman

YES, Sonny, when I was a youngster I used to wonder too about how the world got its first dog. But I had a grandfather who seemed to know everything, and one day I asked him if he knew how the first dog came to Earth. "Certainly, I know," he told me, and began this story:

It was before the time of the Bible, in the fertile land of Irod, when there was peace and happiness in the homes of all the people. There was only one city in all the land, and the rest of the country was inhabited by prosperous farmers who grew wonderful fruits and grains. On one of these farms lived a young man and his pretty wife, who were very happy because their first child had just been born.

They called their first-born, Roban, for he was a boy. He grew very quickly and was soon toddling behind his father to the fields. His father would turn around occasionally and pat his son's small head.

"Soon you will be big enough to help me sow the seeds, my son," he would say.

Time passed rapidly on this bounteous farm, and Roban soon was able to run and talk almost as well as his father. He worked a little in the fields and had many free hours to play near the stream or the river. But he was not really happy with this life, for he was lonely.

"Why have I no brothers or sisters to play with?" he would ask his mother. And she would smile sadly and say, "Be patient, my son, and now go help your father bring in the grapes."

Still the evenings were not pleasant to Roban and he would go sometimes to weep and throw himself into the tall grass and stare at the stars, who seemed to be as lonely as he, far apart in the wide-spread Heaven. "Why must I be alone?" Roban would cry out softly.

One night when he was lying in the grass he remembered that once when there had been no rain for many weeks, his father had gone into the largest field to speak to someone he could not see, someone called "God." I will go there and ask God to send me a companion and playmate, Roban thought. He went out into the broadest field and lifted his hands high, as he had seen his father do.

"O God," he prayed, "please hear me now. I am so lonely in my heart, for I have no one to run with in the fields, nor walk with by the crystal-clear stream, nor swim with in the swiftly-flowing river. If I could have but one friend to be with me now, I would be eternally joyous. Please, dear God, grant me my one desire."

Then suddenly the air stopped blowing and Roban heard a voice all around him. "And if I do grant you your wish," the voice said, "will you be always content and good?"

"Oh yes, always, always," Roban shouted, too happy to be frightened.

"Very well then," said the voice, "I will send you a playmate. But you must promise me these things, Roban: that you will never force him to work or to play when he does not wish to, that you will keep him clean and safe, that you will do him no bodily harm and that you will give him the love and kindness which he will always need. Do you promise to forever remember these things and to practice them?"

"Yes, I do, I do," Roban repeated excitedly.

"Then here is your faithful companion and friend," said the voice, then spoke no more.

Roban looked around and saw nothing. Suddenly he felt something soft press against his leg and he looked down. "Oh, what is this on the ground?" he shouted. He bent down and carefully picked up the soft, furry white ball. It was a new-born puppy.

"This must be the playmate that God has sent me," Roban told himself, and he put the puppy close to his heart and turned toward home, stroking the warm, soft fur happily.

* * *

That's how the world got its first dog, Sonny. What's that? Oh, Roban was happy from that day on and he grew to be a strong, handsome man, and his dog grew to be almost as big as he. They worked together in the fields and were the two happiest souls that ever lived. Yes, Sonny, the dog was made to be a friend for boys, just like you.

AROUND THE OBEDIENCE RING

by Alan Sharp

We sincerely hope that all our readers have enjoyed a wonderful summer. We also hope and trust that you all had a good vacation and rest. We have just returned from a wonderful vacation so the thought is fresh in our minds.

With summer now behind us again, we are all looking forward to a period of intense obedience training, club activities and obedience trials. With this in mind, this column wishes each and every one of you the very best of luck in all of your activities. We are still looking for obedience news of general interest, so please continue to keep us informed of activities in your community or district. In case you have forgotten, my address is 635 Lansdowne Avenue, Westmount, Montreal, P.Q.

NEWS BITS

Mrs. May Birch of Montreal, P.Q. informs us that her Miniature Poodle, Woodland's Jolly Girl, scored 195 points in Novice B at the Champlain Valley Kennel Club Trial at Shelbourne, Vermont, on July 14th last. This was the highest score in the combined Novice A and B classes.

The following day at the Green Mountain Dog Trial at Montpelier, Vermont, Woodland's Jolly Girl placed first in Novice B and with a score of 197 was the highest scoring dog in the trial. Mrs. Birch also handled her other Miniature Poodle, Boo-Boo de Woodlands, to first place in Open B with 191½ points.

Our congratulations to you Mrs. Birch, three first prizes in two days is a very commendable record. You are certainly doing your part for international goodwill.

Montrealers and others will have another opportunity to obtain legs, or degrees, when the Mountain City Obedience Training Club hold their Trial on Saturday, October 27th, 1956 at the Y.W.C.A. on Dorchester Street West, Montreal.

Judging this Trial will be Miss Blanche Saunders of New York, the well known dog obedience trainer, judge and author of many books on dog obedience training, including "Training you to Train your Dog" and "The Complete Book of Dog Obedience", and others.

On the Sunday following the Trial, Miss Saunders will hold a dog obedience clinic which, according to all accounts, will be very well attended. This should afford everyone an opportunity to discuss their training problems, as well as learning at first hand the latest in training methods from one of North America's foremost trainers.

As a matter of interest, it was just ten years ago that Miss Saunders came to Montreal with her famous "Jester" and dog training films to tell Montrealers what dog obedience training was all about. We, in Montreal, owe a great deal to Miss Saunders for getting us started in obedience training.

LETTERS OF INTEREST

Mr. Fred Schierloh of Cincinnati, Ohio, writes to us as follows:

"Mrs. Schierloh enjoyed immensely the Obedience Trial at Aldershot, Ontario, which you judged June 17. Thanks for your very kind consideration and the courtesies you extended to her. She was quite nervous as the show on the day before at Scarborough, Ontario, was her first trial.

We are planning to attend the Montreal Dog Obedience Training Club's Trials and Tracking Test on October 6th and 7th although we will miss our Training Club Trials on October 8th in Cincinnati.

Hope I may again have the privilege of assisting you and Jack Baird in laying out the tracks.

My wife and I enjoy your articles in "Dogs in Canada" immensely.

We are looking forward to seeing you again in October."

Thank you very much for your letter and kind remarks. It's always nice to hear from old friends, especially from such far away places as Cincinnati. It is also very gratifying to know that this column is read by some of our good friends south of the border. The Montreal Dog Obedience Training Club should feel honoured that you are attending their trials and in so doing, will miss your own Training Club's Trials in Cincinnati. The very best of luck to you. We most certainly are looking forward to seeing you in October.

Following, in part, is a letter from Mrs. Jean Lyle of Vancouver, B.C.:

"I wonder who you hear from more often? You must think I am a hound for publicity—it is not quite that, but I do very much plead guilty of wanting all the time to advance obedience and improve it to the highest levels.

We had the most wonderful clinic out here with Miss Blanche Saunders of New York that lasted a full weekend. It was attended by people from 2,000 miles away and from 15 different clubs, half Canadian and half American. She is the best teacher I know and I am a terriffic supporter of hers.

The main purpose of this letter is to ask you to include a note on the obedience page about the Best In Show win of my poodle. The reason is this. When obedience started out here, all the breed people said it was fine for ordinary dogs but that show dogs would be ruined by it. I refused to be persuaded by their way of thinking and each of my own three poodles has been obedience trained and shown, and shown in breed simultaneously, and the results have always been spectacular. I think the fact that four year old "Mike's" titles are Can. and Amer. Ch. Carillon Michelle, Can. and Amer. C.D.X. speaks for itself—and I must confess I wish she would quit clowning and get those last 3 U.D. legs that would make her an Int. U.D. too—probably the first dog on record to be both an Int. Ch. and an Int. U.D. if she hurries up!

But her two year old daughter Jacqui is even more spectacular. Jacqui got her first leg on her C.D. at the age of 6 months plus one day. Often she has been Highest Scoring Dog In Trial. Her show career is even more spectacular. It was crowned in Canada by winning Best Canadian Bred Dog in the Pacific National Dog Show on August 31st, and on September 3rd, at Western Canada's largest dog show, the Pacific National Exhibition Labor Day Show she went Best In Show. I would like that small fact mentioned on the obedience page to see if we cannot stop the libel that obedience is bad for show dogs. At the moment Jacqui has seven Best of Breeds this year, and five group placings, one first in group and one Best In Show! Her titles are Can. and Am. Ch. Wycliffe Jacqueline, Can. C.D.X., Am. C.D. and she is a two year old black Standard poodle bitch. She is ready for U.D. now too.

HALIFAX SHOW

ENG. & Am. Ch. Foggyfurze Classic Clip, a male Bedlington Terrier owned by L. H. Terpening of New York was awarded Best in Show at the 16th annual show sponsored by the Halifax Kennel Club. Handler was Ted Ward of Toronto. A Halifax Beagle, Daye's Trixie, owned and shown by Roy Montague, was awarded Best Canadian-bred dog in the show. Best Canadian-bred puppy was the male Beagle, Blue Streaks Mikado, bred, owned and shown by Harold Smith, of Fairview.

This was rated as a particularly good show, with entries from across Canada and many American points represented. Judge for this event was Harry Story of Halifax.

The owners and exhibitors were not the only people who talked long after the show was over. Dogs of all sizes and breeds were discussed by children of all ages and sizes as they settled down for the night in the respective beds at the Protestant and Saint Joseph's orphanages. The youngsters were guests of the Club's Show Committee during the morning sessions of the show on Labor Day.

NOVA SCOTIA DUCK TOLLER

RARELY seen outside of his own province, the Nova Scotia Duck Toller is a fine Retriever, with a unique way of working. The owner throws small sticks or pebbles from a duck blind, repeating the performance in order to stir the water in as many directions as possible.

The Toller takes up his position on shore, lying quietly, but wagging his tail steadily, which also catches the attention of the ducks. The moment the ducks are within shooting range and fired on, he is ready to retrieve the dead and wounded birds.

The Toller was in use by some duck hunters before World War I near Yarmouth and Digby. There are a few now located in the West, and a very few in the United States which have been sent to friends or sold to hunters. Not a large dog, the Toller stands close to 20 inches at the shoulder, and weighs about 40 pounds. His colour is red or a reddish brown with white markings, a star or blaze down the face, some white on the chest and the tip of the tail. His head is not over long or too narrow in skull. Ears set high, dropping close to cheek. Neck of medium length, shoulders straight, not as well laid back as the setters or spaniels. Eyes a brown hazel colour, nose pink or light liver shade. Forelegs straight with feet fairly large. Back level of moderate length, with sturdy well-made hindquarters. Tail set a bit high and gay when in action. Coat consists of a fine, close undercoat and a moderate length medium-fine top coat. It is not curly, but flat.

Two early authorities of the Nova Scotia Toller were the late Sheriff Smith of Digby and the late Hon. Mr. Vincent Pottier of Yarmouth. Information for this article courtesy of Lt. Col. H. Colwell of Halifax and Robert B. Laskey, Saint John, N.B.

SASKATCHEWAN FIELD TRIALS

Twenty-seven dogs, all Brittany Spaniels but four, competed in the Saskatchewan Field Trials Association annual Trials under C.K.C. rules Labor Day Weekend.

Writes Mrs. E. M. Benson, secretary-treasurer: It was a beautiful day early (six o'clock) when we started for the grounds, which are 27 miles from Saskatoon. By suppertime Saturday the wind had risen, it looked like rain and was very cold. It was a fairly nice day Sunday, with a light wind until about four p.m. when it started to rain, and was it cold! The handlers, judges, marshal, gallery and dog wagon driver and horses came in soaked to the skin.

The judges, who spent three days on horseback, which they do only once a year, included Thomas Cox of Carbondale Ill., J. H. Van Impe, Joe Burkinshaw, N. C. MacGregor, F. W. Benson and R. A. Salisbury.

NOMINATION INFORMATION

(please read carefully before completing nomination forms)

1. Definitions—

(a) "Member", as used hereunder, means a person eligible to participate in the election. Article XII, Section 1 of the Club's By-laws reads as follows: "For the purpose of an election, only those members in good standing as of June 30th in the election year; with the exception of any person in receipt of salary, wages, commission, bonus or any other form of emolument from the Club; reimbursement of travelling or other expenses incurred by elected officials or other authorized persons on the business of the Club excepted; shall be eligible to move or second a nomination, be nominated, vote, stand for election and/or be elected as an officer or other Director."

Subject to errors and omissions, the list of eligible members appearing elsewhere in this issue of DOGS IN CANADA comprises the members eligible to participate in the election.

Any member noting an error or omission in the list is asked to communicate promptly with the Secretary.

(b) "Electoral Zone", as used hereunder, means any of the following geographical areas: Province of British Columbia, Province of Alberta, Province of Saskatchewan, Province of Manitoba; Province of Ontario, Province of Quebec, Maritime Provinces (comprising the Provinces of New Brunswick, Newfoundland, Nova Scotia and Prince Edward Island).

(c) "Director", as used hereunder, does not include the offices of President, Vice-President, and Second Vice-President.

(d) "Authorized Representative", as used hereunder, means the ONE person in the partnership who has been designated the authorized representative for the partnership. In the list of members appearing in this issue an asterisk (*) has been used to designate the authorized representative for the partnership, the asterisk being shown immediately following the name of the authorized representative. Examples — Mr.* & Mrs. John Doe — Mr. Doe is the authorized representative; John and Mabel* Doe — Mabel Doe is the authorized representative). NOTE: Article VI, Section 5 of the By-laws reads in part as follows: "Any partnership or company that is a member of the Club may exercise any of the foregoing privileges to which it is entitled only through its authorized representative named in such partnership's or company's application or through his successor duly appointed by such partnership or company, written notification of which appointment has been delivered to the Secretary."

2. ONTARIO members may nominate President, Vice-President, Second Vice-President, and from ONE to FIVE Directors.

BRITISH COLUMBIA members may nominate for President, Vice-President, Second Vice-President, and ONE Director.

ALBERTA members may nominate for President, Vice-President, Second Vice-President, and ONE Director.

SASKATCHEWAN members may nominate for President, Vice-President, Second Vice-President, and ONE Director.

MANITOBA members may nominate for President, Vice-President, Second Vice-President, and ONE Director.

QUEBEC members may nominate for President, Vice-President, Second Vice-President, and ONE Director.

MARITIME members may nominate for President, Vice-President, Second Vice-President, and ONE Director.

Any two members may nominate for President, Vice-President, Second Vice-President any member regardless of whether the member nominated resides in the same electoral zone as the nominating members, however in nominating a member for the office of Director the nominating members must be residents of the same electoral zone as the member whom they are nominating for Director.

3. Signatures—

All Signatures must be in ink; do not use block letters. In setting forth a name please follow the name as shown in the accompanying list. For example, if listed as John Doe please sign John Doe, not as J. Doe. If listed as Mrs. John Doe, please sign as Mrs. John Doe, not as Mrs. Jane Doe. Where a nomination is sponsored by a partnership membership, the signature of the nominating member must appear as follows:

Mr. & Mrs. John Doe
per John Doe (or Mrs. Doe, whichever has been designated the authorized representative for the partnership— see above re "authorized representative")

John Doe & James Dix
per John Doe (or James Dix, whichever has been designated the authorized representative for the partnership— see above re "authorized representative")

A partnership membership is considered ONE MEMBER and the separate signatures of the persons forming a partnership will not be counted as more than ONE signature unless an individual person, forming part of the partnership membership, has an individual membership also.

4. Article XII (ELECTIONS), Section 5 reads as follows:—

Completed nomination papers shall be mailed (registered) postage prepaid to the Election Commission so as to be received by them on or before 5 p.m. on the 1st day of November and no nominations received thereafter may be considered in the election provided that if the 1st of November falls on a Sunday the time limit shall be extended to 5 p.m. on November 2nd. All nomination papers must be signed by two members whose names appear in the list of members referred to above. **Each nomination paper shall be accompanied by the written acceptance of each member nominated on the nomination form. An ordinary member may stand for election to one office only.**

Forward nomination form (accompanied by written acceptance) direct to Election Commission, CRAIG NORMAN & CO., 1815 Yonge St., Toronto 7, Ontario, by **REGISTERED MAIL,** so as to be received by Election Commission on or before 5 p.m. 1st November, 1956.

See Nomination and Acceptance Forms in centre of this issue.

MEETING OF THE BOARD OF DIRECTORS

JUNE 11th, 1956

3491. A meeting of the Board of Directors of The Canadian Kennel Club Inc. was held in the Fort Garry Hotel, Winnipeg, Manitoba, commencing at 10.00 A.M. on Monday, June 11th, 1956, with the President, Mrs. M. E. McEachren, in the Chair, and the following members of the Board present: Walter Brown, V. W. Williams, J. H. Daniell-Jenkins, Mrs. J. Gove, J. A. H. Irving, R. B. Laskey, R. T. Lawrence, Mrs. Pamela B. Mack, R. L. MacKillop, Mrs. N. T. Smith, and Dr. H. L. Watson.

3492. **PRESIDENT'S OPENING REMARKS**

The President, in opening the meeting: (1) thanked Mrs. Gove on behalf of the Board for the excellent arrangements made for the meeting; (2) stated that she was sure the members of the Board present were pleased to be in Winnipeg; (3) suggested that the Board endeavour to clear all matters on the agenda of the first day's session; and (4) expressed the hope that the Board would be able to reach final conclusions on most matters to be dealt with at this meeting which had been ordered by the Board of Directors at its annual meeting in February.

Mr. Daniell-Jenkins, on behalf of the Directors present from Ontario, Quebec and the Maritimes, expressed appreciation for the warm welcome which these Directors had received in the West, and how pleased they were to be in Winnipeg. He stated that it was indeed symbolic that this meeting was being held in a place which is one of the "most hallowed shrines of our Canadian history".

The President reported that Ontario Director Mr. J. W. MacCallum was convalescing from a recent operation and while not able to be present had sent his best wishes.

It was regularly moved by Mr. Brown, seconded by Mr. Williams:

"THAT, a letter be addressed to Mr. MacCallum stating that we regret that he is unable to be with us because of illness, and wish him a speedy recovery."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

3493 (3457). **MINUTES**

The Secretary placed before the Board the minutes which he had prepared of the annual meeting of the Board of Directors held on February 6th, 8th, 9th and 10th, 1956.

It was regularly moved by Mrs. Smith, seconded by Mr. Brown:

"THAT, the minutes of the annual meeting of the Board of Directors held on February 6th, 8th, 9th and 10th, 1956, as corrected, be adopted."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

(Note: corrections were incorporated in published minutes).

The Secretary placed before the Board the minutes which he had prepared of the meeting of the Board of Directors held on March 20th, 1956.

It was regularly moved by Mr. Lawrence, seconded by Mr. Williams:

"THAT, the minutes of the meeting of the Board of Directors held on March 20th, 1956, as corrected, be adopted."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mrs. Smith, Mr. MacKillop, and Dr. Watson.

Motion carried.

(Note: corrections were incorporated in published minutes).

The Secretary placed before the Board the minutes which he had prepared of the meeting of the Board of Directors held on May 7th, 1956.

It was regularly moved by Mrs. Smith, seconded by Mr. Lawrence:

"THAT, the minutes of the meeting of the Board of Directors held on May 7th, 1956, as corrected, be adopted."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

(Note: corrections were incorporated in published minutes).

3494 (3466). **PUBLICATION OF LIST OF REPRESENTATIVES**

Mr. Irving referred to the instruction given the Secretary at the last meeting of the Board regarding publication of the names of all representatives in the official organ, and enquired whether it was the Board's desire to set up that instruction as a standing resolution.

It was regularly moved by Mr. Williams, seconded by Mr. Laskey:

"THAT, the Secretary shall arrange for the publication in 'Dogs in Canada' monthly of the names and addresses of all obedience and field trial representatives."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

(STANDING RESOLUTION). Motion carried.

3495 (3479). **SHOW & TRIAL MATTERS**

Mr. Irving referred to the discussion at the last meeting of the Board regarding specialty shows held in conjunction with all-breed shows, and suggested that a standing resolution be set up to cover the situation then discussed.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. Laskey:

"THAT, where a specialty show is held in conjunction with an all-breed show it shall be permissible for the premium list and catalogue to be combined in one cover provided that the particulars of each show are kept separate distinctly, and provided that the rules of the all-breed show set forth clearly that entries in the specialty show are subject to all the discipline and requirements of the all-breed show except as otherwise enumerated."

(STANDING RESOLUTION)

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith and Dr. Watson.

Motion carried.

3496 (3493). **MINUTES**

The President pointed out that at the annual meeting of the Board it had been decided that the use of sonograph equipment and providing the members of the Board with verbatim minutes would be continued on an experimental basis, and asked the Board to now decide on a policy for the future.

Mr. Daniell-Jenkins expressed the view that the time required of the Board to decide on corrections in the draft minutes suggested the advisability of continuing to provide for a verbatim record of proceedings at Board meetings.

The secretary read a letter from Mr. Monaghan who reiterated the views which he had expressed on this question at the March meeting of the Board (page 5—third paragraph—Item #3428).

It was regularly moved by Mr. Williams, seconded by Mr. Brown:

"THAT, we keep a verbatim record of discussion at all Board meetings."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

The President then asked in what form the Board desired verbatim minutes. Mr. Lawrence stated that to provide a complete transcription of the discussion at each Board meeting required much labour, and suggested that instead of a full transcription the following procedure be adopted:

(a) After a meeting the Secretary would prepare the draft minutes after listening to the tape recordings;
(b) The draft minutes be sent to all members of the Board any one of whom would have the right to request a transcription of any section or sections;
(c) Should any member of the Board request a transcription of any part of the discussion, the Secretary would transcribe that portion and send it to all members of the Board;
(d) The tapes would be held until the next meeting of the Board to be available for a play-back of any discussion should the Board desire;
(e) Following approval of the formal minutes, the same tapes would be available for re-use.

Mr. Williams suggested that regardless of any procedure followed in the use of the tapes, there should be continued the practice of written motions to be signed by mover and seconder, and when listing negative votes and abstentions there be no recorded explanation for such votes.

It was regularly moved by Mr. Lawrence, seconded by Mr. Irving:

"THAT, we continue the use of the sonograph equipment for the verbatim minutes."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

It was then regularly moved by Mr. Lawrence, seconded by Mr. Brown:

"THAT, in the preparation of the formal minutes the Secretary show the main points pro and con taken by himself from listening to the verbatim minutes; and that should any Director feel that he wants further or a transcription of the discussions then a transcription of that requested section be made and forwarded to that director and at the same time to all other directors."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. Mackillop, Mrs. Smith, and Dr. Watson.

Motion carried.

It was regularly moved by Mr. Lawrence, seconded by Mr. Williams:

"THAT, the Secretary continue the policy of the long hand record of all the motions, amendments to such and amendments to amendments, be kept, signed by the movers and seconders, and that when the question is put that the 'fors', 'against' and abstentions shall be accurately recorded; in recording all votes against and abstentions there shall not be any recorded explanation for such votes except on policy abstentions."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

It was regularly moved by Mrs. Smith, seconded by Mr. Irving:

"THAT, the sonograph tapes be held until after the approval of the formal minutes."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

The Secretary sought an instruction regarding the purchase or rental of Sonograph equipment to record proceedings at Board meetings.

The Secretary quoted the following cost of equipment to record one ten-hour session of the Board: 10 1-hour tapes, $100.00; 5 empty magazines, $100.00; 1 table microphone, $35.00; 10 empty reels, $5.00. Total, $240.00.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. Daniell-Jenkins:

"THAT, we buy the required Sonograph equipment to record discussions at Board meetings."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

The President pointed out that at the annual meeting of the Board, Directors Mrs. Mack and Mr. Irving had enquired whether they were free to discuss Board business with members of their provincial committees, a question that had not been answered at the time. The President suggested that this question be answered and a policy laid down with regard to discussion of Board business with members generally. The President suggested the following as a basis for discussion: (i) It be recognized that the Club is not a secret organization; (ii) certain matters (such as disciplinary proceedings, negotiations) should not be discussed outside Board meetings; (iii) In order to eliminate the possibility of misinformation being supplied to members as a result of errors in the draft minutes, discussion might await the approval of minutes; (iv) Otherwise Directors, at their discretion and on their own responsibility, should be free to discuss matters with committees and members.

Dr. Watson referred to another organization where the policy is "you can discuss what you hear and you can quote what you hear, but you cannot quote who said it or where it was said."

The matter was left over for discussion following the luncheon recess.

—The Board recessed for lunch and later reconvened with the President, Mrs. M. E. McEachren, in the Chair, and the following members of the Board present: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, and Mrs. Smith.

Discussion resumed on the question of dissemination of Board business to members and committees. It was agreed that it be left to Mr. Irving to draft a proposed standing resolution for consideration later in this meeting.

3498. **REPORT RE ROYAL AGRICULTURAL WINTER FAIR ASSOCIATION**

Mrs. McEachren, one of the Club's representatives to the Association, reported that the Club's representatives had attended the annual meeting of the Association, that due to lack of space the dog show would not be held in 1956, however a building expansion programme, expected to be completed in 1956, would provide the additional space required, and priority had been given the holding of dog shows and obedience trials when the new space is available.

It was regularly moved by Mr. Brown, seconded by Mr. Daniell-Jenkins:

"THAT, the report of the President be received, and congratulations be extended for indicated concrete progress for the future."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, and Mrs. Smith.

Motion carried.

3499 (3496-3423). **NOTICE OF MOTIONS AT BOARD MEETINGS**

The President stated that Mr. Irving had given notice of his wish that at this meeting the Board consider, and if deemed advisable, change the procedure laid down with regard to notice of motions at meetings of the Board.

The Secretary read a letter from Mr. Monaghan who recorded his opposition to any change of procedure in this connection until the matter is again considered by the Board at its next annual meeting.

Mr. Irving recommended that the Board substitute the following arrangement for the existing notice of motion procedure:

1. Every decision of the Board must be in the form of a motion.
2. Members of the Board wishing to present subjects for discussion at meetings other than the full Board shall forward notice to the Secretary setting forth their proposed motion and at the same time the reasons which prompted this proposal. This information will be immediately circularized to all members of the Board.
3. No proposed notice of motion shall be considered until all members of the Board have had at least 15 days notice of the motion. Any member wishing to have his opinion or suggestions on the motion considered, must write his views to reach the Secretary before the date of the meeting at which the motion will be presented.
4. The Secretary will present all letters received from the various Directors at the meeting specified to consider this motion and copies of these letters will be distributed with the verbatim minutes of the meeting, together with a ballot for all members of the Board to record their votes. These ballots must be returned to the Secretary within 15 days of receipt and only votes on the official ballot form will be counted. At the following meeting, the official motion will be included in the minutes together with the result of the balloting.

Following discussion it was regularly moved by Mr. Brown, seconded by Mr. Lawrence:

"THAT, we reconsider the notice of motion procedures as presently set out in Item #3423."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, and Mrs. Smith.

Motion carried.

Mr. Daniell-Jenkins called attention to the provisions of the By-laws: Article IX, Section 1, and Article X, Section 4. Mr. Irving expressed the view that the Board had the right to define rules by which it administers the affairs of the Club.

The President stated that since the beginning of the year the Secretary had sent to members of the Board 687 pages of verbatim minutes and 155 pages of formal minutes, and suggested that to expedite decisions and eliminate paper work the Board consider the advisability of setting up an Executive Committee, composed of the President, Vice-President, Second Vice-President, and Secretary-Treasurer, said Committee to be authorized to deal with some of the business now having to be referred to the Board.

Following discussion it was agreed that the procedure outlined by Mr. Irving would be amended as follows:

1. When informed of a notice of motion each member of the Board would have the right not only to submit his opinion and suggestions, but to submit an amendment to the motion also.
2. On the expiration of the deadline set for the receipt of opinions, suggestions, and proposed amendments to the motion, the Secretary would send the following to all members of the Board: Copy of all opinions, suggestions and proposed amendments to the motion; a ballot setting out the notice of motion and proposed amendments to the notice of motion. Each ballot, when returned to the Secretary, must be signed by the Director returning the ballot.
3. All opinions, suggestions and ballots would be placed before the Board at its next meeting, and would be recorded in the minutes of the meeting.

It was regularly moved by Mr. Brown, seconded by Mr. Williams:

"THAT, we accept Mr. Irving's recommendation, as amended, to provide for amendments to notice of motion."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, and Mr. MacKillop.

AGAINST THE MOTION: Mr. Daniell-Jenkins and Mrs. Smith.

Motion carried.

The Secretary enquired whether the new procedure applied only to notices of motion received from Directors or to all business to be considered by the Board. It was agreed that the new procedure did not apply to business placed on the agenda when such business did not originate with a notice of motion from a Director.

—Dr. H. L. Watson (Director) entered the meeting.

3500 (3422). **STANDING RESOLUTIONS COMMITTEE LETTER FROM W. J. MONAGHAN**

The President stated that the evidence of a great deal of work on the part of Mr. Irving, Chairman of the Committee, was before the Board in the material which they received with the agenda of the meeting, and complimented Mr. Irving on behalf of the Board.

Mr. Irving stated that in the preparation of the proposed standing resolutions he had sought to gather a record of those motions, adopted by the Boards in recent years, which appeared to be of a continuing nature, that he had altered the phraseology of motions in a number of cases to suit current conditions, that he had in mind a pocket-size booklet in which the standing resolutions would be recorded for reference by each member of the Board, and that he had not sufficient time to consider the various points raised by Mr. Monaghan.

It was agreed that the proposed standing resolutions would be reviewed one by one.

Mr. Daniell-Jenkins enquired as to the authority of the Board to adopt standing resolutions. In the discussion which followed it was agreed that a Board in office had the right to adopt standing resolutions, and each succeeding Board, when in office, had the right to amend or repeal any standing resolutions.

Following discussion approval was given Standing Resolutions #1 to #71 inclusive (see appendix), a number of these having been amended before approval was granted.

With regard to standing resolution #4, Dr. Watson suggested that the attention of each member be drawn to the By-laws regarding the breeding and selling of other than pure-bred dogs.

It was regularly moved by Dr. Watson, seconded by Mrs. Mack:

"THAT, when a membership card or notice regarding renewal of membership is sent to a member his attention be drawn to Article VII, Section 2 of the By-laws."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

The Secretary suggested that when the application for associate membership is again printed, questions #1, #2, and #3 should be revised in order that the applicant need not answer questions, this because of the number of applications which had to be returned for acceptable answers.

It was regularly moved by Mrs. Smith, seconded by Mrs. Mack:

"THAT, questions #1, #2, and #3 on the application for associate membership form be changed to positive statements rather than questions."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop Mrs. Smith, and Dr. Watson.

Motion carried.

It was agreed that a standing resolution setting out the procedure to be followed on the handling of complaints be not adopted until the Complaints Committee had submitted its recommendation, on procedure, to the Board.

It was agreed to hold over, for consideration later in the meeting, the question of policy on committee meetings in the Club's offices.

The Secretary read a letter from Mr. Monaghan who enquired why arrangements had not been made for convention rates on members of the Board attending this meeting of the Board. The Secretary reported that it was his understanding that a minimum number of 75 is required before such rates may be obtained however such a number is not required in connection with the annual meetings of the Club in February for the reason that the Club is considered along with all other live stock associations whose annual meetings are held about the same time in February.

It was agreed that a previous motion regarding trustees for the Emergency Fund be held over for discussion later in this meeting.

During the discussion on proposed standing resolutions regarding the Emergency Fund the Secretary sought an instruction as to the Board's wishes regarding acknowledgement, in the official organ, of donations to the Fund.

It was regularly moved by Mr. Lawrence, seconded by Mr. Williams:

"THAT, all donations to the Emergency Fund received to July 1st be published giving names of donors (alphabetically) and not amounts."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

It was agreed that at the end of the Club's fiscal year there would be published a financial statement of the Emergency Fund, such statement to show total donations, total expenditures, balance in the fund, and names of donors not previously reported in the official organ.

In reply to the Secretary's question it was agreed that the last part of standing resolution # 44 did not apply to the Secretary-Treasurer.

Following a discussion of the procedure on approving kennel names, names which are not acceptable as kennel names, and the resolution set out in Item #3417, it was agreed that standing resolutions on these questions be not approved until the subject of kennel names was reviewed with the Live Stock Records office.

It was regularly moved by Mr. Daniell-Jenkins, seconded by Mr. Lawrence:

"THAT, a committee be set up and meet with the Canadian National Live Stock Records regarding kennel names and usage of kennel names."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

Mr. Daniell-Jenkins suggested that the Committee be composed of the President, Mr. Lawrence, and Mrs. Mack.

It was regularly moved by Mr. Brown, seconded by Mr. Williams:

"THAT, we endorse the nominations as suggested."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

ABSTAINED FROM VOTING: Mr. Lawrence and Mrs. Mack (being referred to in the motion).

Motion carried.

—The Board recessed for dinner, and later reconvened with the President Mrs. M. E. McEachren, in the Chair, and the following members of the Board present: Walter Brown, V. W. Williams, J. A. H. Irving, R. B. Laskey, R. T. Lawrence, Mrs. Pamela Mack, and Mrs. N. T. Smith.

Following discussion approval was given to Standing Resolutions #72 to #78 inclusive.

—Mrs. J. Gove, R. L. MacKillop and Dr. H. L. Watson entered the meeting.

Following discussion approval was given Standing Resolutions #79 to #91 inclusive.

—J. H. Daniell-Jenkins entered the meeting.

Following discussion approval was given Standing Resolutions #92 to #159 inclusive, a number of these having been amended before approval was granted.

A previous motion regarding residents of the United States being ineligible to judge any General Special unless eligible for approval to judge all breeds in the United States was ordered held over for consideration later in the meeting.

In discussing previous motions regarding material to be included in show premium lists it was agreed that in order to save printing costs for show-giving clubs consideration should be given to eliminating material not entirely essential in premium lists. Following discussion it was agreed that the Secretary would no longer ask show and obedience trial-giving clubs to include the following in their premium lists: the rule relating to indignities to judges, reference to the rule requiring individual registration within six months, additional information for obedience trial exhibitors (excluding official definition of "trainer").

In discussing the material intended for the guidance of United States exhibitors (re customs and Ministerial Order No. 62A), it was agreed that this material would be printed and supplied show-giving clubs at cost, such clubs to insert a copy in premium lists mailed to the United States.

It was agreed that the Secretary would supply members of the Board with a copy of the Foxhound Field Trial Rules, said rules to be included with the Standing Resolutions.

It was also agreed that the Secretary would include in the Standing Resolutions the registration requirements previously approved by the Board regarding dogs registered in the International Foxhunters' Stud Book, the Field Dog Stud Book, and the National Coursing Association.

It was agreed that the procedure on applications for approval to judge obedience trials and previous standing resolutions re obedience judges (2881 and 3005) be held over for consideration later in the meeting.

It was agreed that:

(a) Instead of incorporating the approved Standing Resolutions in this section of the minutes, the Secretary would set them out as an appendix to the minutes;

(b) A motion to formally adopt the approved Standing Resolutions would be deferred for later consideration until the Board had decided whether other resolutions adopted at this meeting would be set up as Standing Resolutions.

The President again thanked Mr. Irving for his "prodigious effort" as Chairman of the Standing Resolutions Committee.

3501 (3444). **REVISION OF CHAMPIONSHIP POINT RATINGS**

The President stated that in accordance with the instructions given the Secretary by the Board at its annual meeting, the Secretary had prepared a revised schedule of championship point ratings, the Secretary's report having included a recommendation that the following schedule of point ratings be approved by the Board of Directors:

ZONE 1—That portion of the Provinces of Ontario and Quebec south of 46°N. Latitude and west of 73° W. Longitude.

Scale of points	Rating Applies to Each Sex 1	2	3	4	5

ZONE #4—Prairie Provinces and balance of Provinces of Ontario and Quebec					
German Shepherd Dogs	1	4	5	7	10
All other breeds and varieties	1	3	4	6	8

The President reported that there had been forwarded to all members of the Board a copy of Mr. Monaghan's memorandum of March 17th outlining proposed changes in the schedule prepared by the Secretary.

Mrs. Smith read a letter addressed to her by the German Shepherd Dog Club of Western Ontario objecting to any change in the point ratings which would necessitate two dogs of the same sex to earn one point in German Shepherd Dogs at any show.

It was regularly moved by Mrs. Smith, seconded by Mr. Brown:

"THAT, the Secretary's revision of the championship point ratings be accepted and approved, to become effective January 1st, 1957."

Mr. MacKillop stated that members in Alberta were not in favour of any change in the point ratings, the members in the province believing that competition should take care of the situation rather than a mechanical method of determining points.

Voting on the foregoing resolution was as follows:

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mrs. Smith, and Dr. Watson.

AGAINST THE MOTION: Mr. MacKillop.

Motion carried.

3502 (3374). DOGS FOR CIVIL DEFENCE AND RESCUE PURPOSES

The President stated that she was sure that the members of the Club would be most happy to assist in any way possible in an emergency should one ever arise, and stated that all members of the Board had been provided with a copy of a letter from Mr. J. M. McDougall dated May 17th.

The Secretary read Mr. McDougall's letter which read as follows:

"I have given serious consideration to your letter advising me that I was appointed Chairman of a Committee to co-operate with Civil Defence authorities with regard to the use of dogs for rescue work. I have had several discussions with the Civil Defence authorities in Ottawa, as well as some of the dog people involved, and have come to the conclusion that there is nothing definite that the C.K.C. should involve themselves in at this time.

"I believe, however, that the C.K.C. should keep in touch with the Civil Defence authorities retaining on hand the information and reports already in your possession. I feel that there is no requirement at this moment for a Committee. Therefore, as the Chairman of a Committee that I feel is no longer required, I wish to hereby resign this appointment. I would suggest however that somebody, preferably a director of the C.K.C. and residing in Ottawa, could easily maintain liaison with the Civil Defence authorities and keep the executive posted so that should the need develop and the C.K.C. feel that they were in a position to be of assistance, they could do so with the minimum delay."

The President stated that she had given considerable thought to Mr. McDougall's letter, and expressed the suggestion that inasmuch as Mr. Daniell-Jenkins had been so sincere and had worked so hard in connection with dogs for civil defence, that he be appointed as liaison officer to the Department if willing to accept such an appointment.

It was regularly moved by Mr. Lawrence, seconded by Mr. Irving:

"THAT, Mr. McDougall's resignation be accepted and that he be sent a letter expressing our appreciation for all his efforts and work on our behalf, and express the hope that if his services should be required it is hoped that he would give serious consideration to a request for his help."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

It was then regularly moved by Mr. Williams, seconded by Mrs. Mack: "THAT, Mr. J. H. Daniell-Jenkins be appointed as liaison officer with the Department."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

ABSTAINED FROM VOTING: Mr. Daniell-Jenkins (being named in the motion).

Motion carried.

It was then regularly moved by Mr. Brown, seconded by Mr. Williams: "THAT, the authorities be notified of Mr. Daniell-Jenkins' appointment as our liaison officer with the Department on dogs for civil defence."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

ABSTAINED FROM VOTING: Mr. Daniell-Jenkins (being named in the motion).

Motion carried.

Mr. Irving suggested that Mr. Daniell-Jenkins take in hand the question of recommending to the Department persons in the dog world to assist, where required, in various centres. Mr. Daniell-Jenkins agreed to do so and stated that a full report would be made to the Board as soon as he had an opportunity of reviewing the situation.

Mrs. Mack referred to the rules which the Board had previously approved regarding "Defence and Rescue Dogs" (see Standing Resolution #91), and suggested that in order that C.D. (Civil Defence) dogs would not be confused with dogs having C.D. ("Companion Dog") titles, the former should be known as "R.D. (Rescue dogs) Dogs."

It was regularly moved by Mrs. Smith, seconded by Mr. Daniell-Jenkins: "THAT, any place where it refers to C.D. for Civil Defence dogs, it be changed to R.D. meaning Rescue Dogs."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

3503 (3487). REGISTRATION OF DACHSHUNDS

The President pointed out that all members of the Board had been provided with a copy of Mr. Monaghan's memorandum of March 20th on the subject of the classifying of Dachshunds for registration and show purposes, and had also been provided with a copy of the replies received from Mr. Irving, Mr. Lawrence, and Mrs. Smith.

Mrs. Smith stated that with a view to obtaining information on this subject she had spoken to a number of Dachshund breeders also to members of the Dachshund Club of Canada all of whom were in favour of continuing the present segregation policies with regard to registration and shows, although a number favoured dropping the maximum weight for Miniatures from ten pounds to nine pounds.

Mr. Irving supported the proposal to decrease the maximum weight of Miniatures, and pointed out that this would necessitate a change in Standing Resolution #73.

Following discussion it was regularly moved by Mrs. Smith, seconded by Mrs. Mack:

"THAT, no change be made in our present rules and policies regarding Dachshunds for show and registration purposes, except that the maximum weight for a miniature Dachshund shall be reduced to nine pounds."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

3504. REGISTRATION OF POODLES

Mr. Williams enquired as to what action is taken by the Live Stock Records Office when application for registration of a Toy Poodle is received and the records indicate that both parents are Miniature Poodles. It was pointed out that while the records for some years did show classifications of Poodles, the present practice is to register all poodles as "Poodles", and the Records Office had no occasion to take any action under the circumstances related by Mr. Williams.

Mr. Irving enquired as to the status of championship points earned by a dog exhibited as a Toy Poodle should such dog later be entered as a Miniature Poodle. After discussion the matter was held over for further consideration later in the meeting.

3505 (3397). FIRE-PROOF FILES

The President reported that the Secretary had obtained a quotation on fire-proof files, the quotation showing that the cost would be $352.00 and the weight 560 pounds for one four-drawer letter-size filing cabinet.

Mr. Lawrence suggested that the Secretary endeavour to obtain a price on an arrangement where regular files may be stored in fire-proof cabinets readily accessible for daily use.

It was regularly moved by Mr. Brown, seconded by Mr. Williams:

"THAT, the matter be referred to the Secretary for further information and report."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

3506. AGREEMENT FORMS AND APPLICATIONS FOR REGISTRATION OF LEASE

The Secretary placed before the Board the solicitor's recommendations with regard to changes in the agreement forms for use where dogs are sold on the understanding that certificates of registration will not be provided, and also in the application for registration of lease.

Following discussion it was regularly moved by Dr. Watson, seconded by Mr. Irving:

"THAT, this Board's views be communicated to the Club's solicitor for his consideration, and further report to the Board."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

3507 (2052). STANDARD FOR THE RHODESIAN RIDGEBACK

The Secretary reported that:

(a) With the recognition of the Rhodesian Ridgeback by the American Kennel Club the question had been raised as to whether the standard for the breed in Canada continued to be that recognized by the Board of Directors in 1951, or the standard now recognized by the American Kennel Club;

(b) There had been forwarded to all members of the Board a copy of the standard recognized in 1951 on which there had been marked in red the changes from the A.K.C. standard.

The Secretary read a letter from Mrs. Anne King, Honorary Secretary of The Rhodesian Ridgeback Club, who reported that at the May meeting of the Club the subject of the standard for the breed was thoroughly discussed and it was the unanimous opinion of the members present that the standard in Canada should continue to be the South African standard which the Board of Directors had recognized in 1951.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. Williams:

"THAT, we set this over to the next meeting, and seek the views of the Rhodesian Ridgeback clubs in Canada."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

3508. INVITATION TO MANITOBA FIELD TRIAL REPRESENTATIVE

Mrs. Gove enquired whether it would be possible for her to arrange for the Manitoba Field Trial Representative for Retrievers to meet with the Board of Directors as provided in Article XIII, Section 10 of the By-laws.

It was regularly moved by Mrs. Smith, seconded by Mr. Laskey:

"THAT, Mrs. Gove be authorized to invite the Field Trial Representative to meet with the Board of Directors during its meeting tomorrow."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

It was agreed that the regular order of business would be suspended so as to meet the convenience of the Representative.

3509 (3480). **STUD BOOKS**

Mrs. Gove pointed out that in the Stud Book for 1954 (list of C.K.C. officers and directors) she was listed as being located at Portage la Prairie. The Secretary was instructed to arrange for the necessary correction to be made.

The Secretary reported that the preparation of copy for the 1955 Stud Book was progressing to a degree which suggested the possibility that the printed volume may be available in August, and reported that he had sought a quotation on the printing of the volume from Richardson, Bond & Wright, the price averaging $2.60 per page (on a volume of 800 pages—estimated) as compared with $2.90 per page on the 1954 volume.

It was regularly moved by Mr. Williams, seconded by Mrs. Smith:

"THAT, the Secretary be authorized to proceed with the printing of the 1955 Stud Book on the basis of the submitted quotation."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

Mrs. Mack enquired whether it would be costly to list in the Stud Book the names and addresses of those having registered tattoo letters.

Following discussion it was regularly moved by Mrs. Mack, seconded by Mr. Laskey:

"THAT, we find out what the cost would be of adding to the stud book the names and addresses of breeders having registered tattoo letters."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

Mr. Irving pointed out that some years ago it had been the practice to include in the stud book the list of dogs which had earned titles in the year for which the volume was published, and suggested that the same practice be reinstated.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. Williams:

"THAT, we publish in the 1955 volume all the titles earned in 1955."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

Mr. Daniell-Jenkins reported that Mr. MacCallum had asked him to inform the Board that the Stud Book (Advertising) Committee had decided to forego the solicitation of advertising in the 1955 volume, due to the imminent publication of the volume, and concentrate its efforts in connection with the Kennel Register to appear in the 1956 volume.

In connection with the Secretary's request for an instruction it was agreed that the Secretary would order 100 copies of the 1955 Stud Book in excess of the actual number of orders on hand at time of the printing of the volume.

3510 (3461). **COUNTING NEXT REFERENDUM BALLOTS**

The Secretary reported that he had obtained a quotation from Gruneau Research on the counting of the 1956 referendum ballot.

Mr. Irving suggested that other quotations be sought.

It was regularly moved by Mr. Brown, seconded by Mr. Laskey:

"THAT, the Secretary be empowered to obtain further quotations, and then to make the best possible deal."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

3511 (3344). **DOG FOODS**

Mr. Irving reported that he had submitted to the Secretary the outline of a proposed letter to be addressed to the Department of Agriculture, and stated that in his opinion the proper course is to request that the manufacturers of dog food be required to show on the label the formula of the food.

Following discussion it was agreed that the Secretary would prepare a suitable letter on the basis of the letter submitted by Mr. Irving, that the Secretary's draft be submitted to the members of the Committee appointed by the Board (Item #3344), and if approved by all members of the Committee, the letter be despatched to the Department of Agriculture.

3512. **ADJOURNMENT**

At 10:50 P.M., on motion by Mr. Laskey, duly seconded and carried, this meeting of the Board of Directors adjourned to reconvene in the same place at 10.00 A.M. on Tuesday, June 12th, 1956.

JUNE 12th, 1956

3513. The meeting of the Board of Directors which commenced on June 11th, 1956, reconvened in the Fort Garry Hotel, Winnipeg, Manitoba, commencing at 10.00 A.M. on Tuesday, June 12th, 1956, with the President, Mrs. M. E. McEachren, in the Chair, and the following members of the Board present: Walter Brown, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, and Mrs. Smith.

3514 (3500). **STANDING RESOLUTIONS COMMITTEE**

Mr. Irving, Chairman of the Committee, suggested and it was agreed that the resolution with regard to the publication in the official organ of the names of the obedience and field trial representatives be included in the Book of Standing Resolutions (see Item #3494).

Mr. Irving suggested and it was agreed that the resolution with regard to combined all-breed and specialty shows (see first motion in Item #3495) be included in the Book of Standing Resolutions.

Mr. Irving reported that in accordance with the Board's request (Item #3496—page 9—June 11th) he had prepared a proposed standing resolution regarding the dissemination of Board business, and read the proposed resolution.

Following discussion it was regularly moved by Mr. Irvine, seconded by Mrs. Mack:

"THAT, certain matters should not be discussed outside Board meetings such as disciplinary proceedings and protests, negotiations with other principals, and matters which might lead to libel action or prejudice negotiations while these are under way; Directors may be at liberty if they think advisable to discuss with their committees, representatives or members matters that have come before the Board except that items earmarked "confidential" should not be divulged unless the Director is prepared to be personally responsible that the person with whom he is conferring will keep the subject matter in close confidence; Directors should use their discretion in revealing motions passed at Board meetings until the minutes have been finally adopted."

FOR THE MOTION: Mr. Brown, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, and Mrs. Smith.

Motion carried.

The Secretary was instructed to include this resolution in the Book of Standing Resolutions.

Mr. Irving referred to two resolutions approved on June 11th regarding the Emergency Fund, and proposed that these resolutions be reworded and incorporated into one resolution.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. Daniell-Jenkins:

"THAT, donations to the Emergency Fund be sent to the Secretary and kept in separate accounting records so that such funds are not confused with the Club's funds; that at the end of every month the total amount received to the Fund during the month shall be transferred to the credit of the Emergency Fund bank account."

FOR THE MOTION: Mr. Brown, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, and Mrs. Smith.

Motion carried.

The Secretary was instructed to include this resolution in the Book of Standing Resolutions to replace the two previous resolutions referred to by Mr. Irving.

3518A (3460-1). **FINANCIAL MATTERS**

The President stated that:

(a) The members of the Board had been provided with a copy of the report of the Investments Committee dated May 2nd recommending the appointment of the National Trust Co., at the rate of ¼% (annually) of our investments to advise the Committee on changes in the Club's portfolio of investments; also copy of letters from Mr. Monaghan dated April 5th and April 14th;

(b) The Accounts Receivable amounted to $415.00 and suggested that these continue to be left in the hands of the President, Vice-President, and Secretary;

(c) The financial statements had not yet been received from the Apex Publishers and Publicity Ltd.;

(d) At the last meeting of the Board Mr. Monaghan had raised the question of certain brokerage costs paid on bonds purchased in 1950, and the Secretary had sought information on this matter and had been informed that when bonds are bought one of two conditions will apply: (i) either the broker will sell the bonds at a stated price which will include brokerage; or (ii) they will sell the bonds at a stated price plus a charge for brokerage; (the bonds purchased in 1950 coming in the latter category).

After discussion it was regularly moved by Mr. Lawrence, seconded by Mr. Daniell-Jenkins:

"THAT, we approve the Committee's action in purchasing the bonds reported by the President on April 11th, 1956."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

The Board discussed the recommendation of the Investments Committee that the National Trust Co. be employed to advise the Club on its investments on the understanding that the Club would retain physical possession, in its safety deposit box, of its bonds.

Mr. Irving outlined the reasons for the proposal which he had placed before the Board at its annual meeting regarding the placing of a list of the Club's investments with some of the bond houses or a trust company.

Following discussion it was regularly moved by Mr. Daniell-Jenkins, seconded by Mr. Williams:

"THAT, we accept the Investments Committee's recommendation to engage the National Trust Co. as investment counsellors at the agreed rate."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

The Board discussed the question raised by Mr. Monaghan regarding the proper allocation of brokerage costs on purchases of bonds.

It was regularly moved by Mr. Irving, seconded by Mr. Williams:

"THAT, the cost of acquisition of bonds be treated as capital expenditure."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

(STANDING RESOLUTION). Motion carried.

—The Board recessed at this time for lunch and later reconvened with Mr. R. T. Lawrence in the Chair, and the following members of the Board present: Mrs. M. E. McEachren, Walter Brown, V. W. Williams, J. H. Daniell-Jenkins, Mrs. J. Gove, J. A. H. Irving, R. B. Laskey, Mrs. Pamela B. Mack, R. L. MacKillop, Mrs. N. T. Smith, and Dr. H. L. Watson.

—The President resumed the Chair.

3519 (3473). **SUB-LETTING OFFICE SPACE**

The President pointed out that at the May meeting of the Board, the Board had been informed that Stern, Saunders & Co. were vacating the space presently sub-let to them, and the question of the action to be taken with regard to that space had been referred to this meeting of the Board.

The Secretary read a letter from Mr. Monaghan who stated that he was opposed to the Club taking over the space for its own use on the grounds that the space was not required and would only add to rental costs.

Mr. Irving outlined the additional costs should the Board decide to make use of the space for the Club's purposes.

Following discussion it was regularly moved by Mr. Laskey, seconded by Dr. Watson:

"THAT, the Club resume full occupancy of the leased premises when the sub-tenants vacate the space presently sublet."

FOR THE MOTION: Mr. Laskey.

AGAINST THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion lost.

It was then regularly moved by Mr. Irving, seconded by Mr. Williams:

"THAT, we proceed to make every effort to sub-let all or part of the space to be vacated."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

ABSTAINED FROM VOTING: Mr. Laskey.

Motion carried.

3520. **DISCARDING FILES**

The Secretary stated that there was not sufficient filing and storage space to keep all correspondence, in the office, for the customary seven years, and sought authority to discard correspondence and files not likely to be required for future use.

Following discussion it was regularly moved by Mr. Williams, seconded by Mrs. Gove:

"THAT, the Secretary have full responsibility to discard correspondence, and refer to a committee any about which he is doubtful."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

3521 (3459). **REPORT AND RECOMMENDATIONS OF SHOWS AND TRIALS COMMITTEES**

The President stated that the members of the Board had received a copy of the Committee's report and recommendations, and suggested that Mrs. Smith, Chairman of the Committee, present each recommendation for discussion and decision.

Mrs. Smith stated that there had been prepared by the Committee and sent to all members of the Board a copy of a proposed guide intended to assist show and trial-giving clubs and officials, that comments had been received from members of the Board, and it was the Committee's desire that the Board review the proposed guide and decide what changes, if any, it wished to make.

The Board discussed the Committee's draft of a letter intended to accompany the guide, and approved the letter without change (see appendix).

The Board discussed, section by section, the guide proposed by the Committee and agreed on certain changes, additions and deletions. The guide, as amended, is set forth in the appendix.

In discussing the proposed guide certain questions were raised and discussed as enumerated hereunder.

1. Mrs. Smith stated that there appeared to be confusion as to the correct interpretation of that part of Chapter 3, Section 1 of the Dog Show Rules reading "Only a club or association whose president, secretary, or show secretary, (or in the case of a fair or exhibition or similar organization, the chairman of the Dog Show Committee), is a member in good standing with the Canadian Kennel Club may apply for show date or dates."

Mr. Lawrence expressed the view that the word "is" denoted that only one of the three officers named need be a C.K.C. member.

It was regularly moved by Mr. Irving, seconded by Mr. Lawrence:

"THAT, the Dog Show Rules, Chapter 3, Section 1, ("Only a club or association whose president, secretary, or show secretary is a member in good standing with the Canadian Kennel Club may apply for show date or dates") be interpreted to mean only one of these officials need be a member of the Club, and the same interpretation apply to the Obedience Trial Regulations and Standards and the Field Trial Rules and Regulations." (STANDING RESOLUTION)

FOR THE MOTION:Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

2. The proposed guide having referred to the designation of dogs by sex, and Dr. Watson having served notice of intention to introduce the subject at this meeting of the Board (Item #3472), a discussion followed on the use of the terms "dogs and bitches" and "males and females". Dr. Watson stated that the dictionary recognizes that the word "dog" is used to indicate a male dog and "bitch" a female dog, and "dogs" and "bitches" are terms employed in the official organs of the Kennel Club (England) and The American Kennel Club.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. Lawrence:

"THAT, it be optional with show-giving clubs whether they use the expression "males and females" or "dogs and bitches", and the official definition of this Club be "dogs" and "bitches"."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

(STANDING RESOLUTION) Motion carried.

3. It was agreed that where the "Complete Dog Book" does not provide the standard for any breed recognized by The Canadian Kennel Club, the Secretary shall send a copy of the standard to the Show Secretary.

4. The Board discussed that part of Chapter 6, Section 3 of the Dog Show Rules reading "All prize money must be paid and awarded to the person showing the dog in the ring."

It was regularly moved by Mr. Irving, seconded by Mrs. Mack:

"THAT, this Board consider the requirements of Chapter 6, Section 3 shall be considered as fulfilled when in the case of an exhibition association having certain requirements, when payment is made by cheque, if the association's regulations are adhered to."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

(STANDING RESOLUTION) Motion carried.

5. Mr. Williams expressed the view that the Board should set a policy prohibiting the naming of dogs or announcements of their show records in judging rings in the presence of officiating judges.

Following discussion it was regularly moved by Mr. Laskey, seconded by Mr. Williams:

"THAT, no announcement may be made within the sight or hearing of any officiating judge at that show which will identify dogs or their owners or speak of their show records."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

(STANDING RESOLUTION) Motion carried.

6. A discussion took place on the advisability of defining, in the interests of uniformity, the basis of the judging of the "stud dog and get" class and "brood bitch and get" class.

It was regularly moved by Mr. Irving, seconded by Mr. Williams:

"THAT, the stud dog and get class be on the basis of the collective judging of all dogs comprising the entry (same for brood bitch and get class), the progeny not necessarily the same owner for entry."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

(STANDING RESOLUTION) Motion carried.

Mrs. Smith stated that with the Committee's report of May 1st there had been submitted, for the Board's approval, the Committee's revision of the present standard entry form for championship shows, a major revision of which was to provide the show secretary with information as to those dogs which were Canadian-bred, information not available through the present entry form.

Mr. Irving expressed the view that clubs should not be compelled to use the proposed new form as long as they were dependent on the goodwill of those companies supplying the present form, many of whom had substantial stocks of the present form on hand.

Following discussion it was agreed that the present entry form remain unchanged except for the following revisions recommended by the Committee:

(1) Add the following question to the form: "Is your entry the progeny of a Canadian-owned dam at time of mating? Yes ☐ No ☐ ";

(2) The changes at the bottom of the entry form (re exhibitor's declaration and information which follows that declaration), except delete the reference to indicating to whom the identification cards are to be sent.

Mrs. Smith stated that with the Committee's report of May 1st there had been submitted, for the Board's approval, the Committee's revision of the present identification card, and explained the purpose of the revised card as follows:

(a) At one side of the card is a removable stub;
(b) When a dog entering the show has been examined by the veterinarian, the stub will be removed;
(c) At the end of the period during which dogs may enter the show building, the veterinarian will deliver all stubs to the show secretary;
(d) With these stubs the show secretary will be able to determine those dogs which are absent from the show;
(e) Catalogue numbers of absentee dogs will be passed to the ring stewards who will then be in a position to facilitate judging by informing the judge or judges of those dogs which are absent.

Following discussion the revised identification card was approved, the line calling for "Class", "Color or size" and "Sex" to be adjusted to provide additional space for the listing of all classes in which the dog is entered.

It was then regularly moved by Mr. Laskey, seconded by Mr. Daniell-Jenkins:

"THAT, the proposed new standard entry form and identification card, as revised at this meeting, be approved, for such clubs as may wish to use them."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Motion carried.

—The Board recessed at this time for dinner, and later reconvened with the President in the Chair, and the following members of the Board present: Mr. Williams, Mr. Brown, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

Mrs. Smith stated that in its report of May 1st the Committee had recommended the adoption of the American Kennel Club's "Official Veterinary Opinion" form with the following changes:

(a) appropriate changes of rule numbers to correspond to C.K.C. rules;
(b) deletion of the following words in the second paragraph on the back of the A.K.C. form ("Note that castrated dogs, spayed bitches, monorchids and cryptorchids may compete in obedience trials)";
(c) change "American Kennel Club" to "Canadian Kennel Club" wherever necessary.

Following discussion the form, as revised, was approved, to become effective on January 1st, 1957.

Mrs. Smith pointed out that a recent amendment to the Dog Show Rules required that the Board prescribe, from time to time, the conditions applying to challenge trophies and other prizes which could not be won outright at a single show, and in its report of May 1st the Committee had recommended a series of conditions for the Board's consideration.

Following discussion approval was given the following conditions to apply to such prizes:

(a) No prize may be offered if valued for less than $35.00;
(b) No prize may be offered if more than three wins are required to win the prize outright, nor can it be offered if it cannot be won outright by the same exhibitor with different dogs;
(c) The terms of any offering must be stated in the premium list;
(d) At the discretion of the winner the winner of the trophy may have possession of the trophy until it is again offered for competition (show-giving clubs shall have the right to require that the winner, before taking temporary possession of the trophy, must post a bond to the value of the prize);
(e) The terms of offering of any trophy cannot be changed without the approval of all winners of the trophy.

Mrs. Smith stated that with the agenda of this meeting there had been forwarded, for the Board's consideration, proposed "Show Superintendent's Report" and "Show Secretary's Report" forms.

Mr. Irving and Dr. Watson expressed the view that these show officials should not be required to submit long detailed reports such as proposed to the Board.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. MacKillop:

"THAT, we disregard these two proposed report forms, and substitute a form on which a show-giving club shall report:
(a) all exhibitors who have given trouble in non-observance of the benching rules;
(b) all other incidents and occurrences which should be reported."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

(STANDING RESOLUTION) Motion carried.

—Mr. MacKillop left the meeting temporarily.

Mrs. Smith stated that the Committee was withholding a request for the Board's approval of its proposed "Handbook for Ring Stewards for Obedience Trials" until such time as members of the Board and Obedience Trial Representatives had had sufficient time to submit their comments and suggested changes.

It was regularly moved by Mr. Daniell-Jenkins, seconded by Mr. Laskey:

"THAT, the report of the Shows and Trials Committee be adopted as amended at this meeting, and the Committee be thanked for the time and care they have put into the preparation of this report."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, and Dr. Watson.

ABSTAINED FROM VOTING: Mrs. Smith (being chairman of the Committee).

Motion carried.

—Mr. MacKillop returned to the meeting.

3522 (3495). **SHOW & TRIAL MATTERS**

The President reported that Mr. Irving had served notice of his desire that the Board, at this meeting, reconsider the present restriction on residents of the United States in connection with approval to judge Best in Show and other General Specials at championship shows held under the Club's rules.

Mr. Irving stated that he saw no justification for continuing the policy of limiting approval of residents of the United States to judge Best in Show and other General Specials to those eligible for approval to judge all breeds at shows held under A.K.C. rules and contended that such approval should be available to those eligible to judge Best in Show and similar awards at American Shows.

The Secretary read a letter from Mr. Monaghan who asked to be recorded as being opposed to any change in this connection until such proposed change may be fully considered at the annual Board meeting in February.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. Williams:

"THAT, we amend the present standing resolution regarding approval of residents of the United States to judge Best in Show and other General Specials to provide that approval to judge Best in Show and other General Specials, when allocated to residents of the United States, may be approved when the person selected to judge any of these general special awards is eligible for approval to judge similar awards at shows held under American Kennel Club rules."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.

(STANDING RESOLUTION) Motion carried.

The President stated that at a previous meeting of the Board there had been a brief discussion regarding the pointing ratings for Bermuda shows, but no decision had been reached; stated that she had discussed this matter with officials of the Bermuda Kennel Club in April, and wished to place the following recommendations before the Board for its consideration;

(a) That the Canadian Kennel Club recognize the shows held by the Bermuda Kennel Club and record their awards on payment of the usual recording fee;
(b) That the Canadian Kennel Club do not allocate any championship points or grant championships on the basis of awards earned in Bermuda; rather that the Bermuda Kennel Club itself set up its own championship requirements and declare championships of their own.

Following discussion it was regularly moved by Mrs. Mack, seconded by Mr. Laskey:

"THAT, the President's suggestions regarding recording Bermuda shows and Bermuda Kennel Club declaring its own championships be approved."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.
(STANDING RESOLUTION) Motion carried.

Mr. Irving suggested and it was agreed that the Secretary would include in the Book of Standing Resolutions all previous resolutions relating to policies relating to the Bermuda Kennel Club and the registration of dogs owned in Bermuda.

The President stated that Mr. Daniell-Jenkins had served notice that he wished the Board, at this meeting, to approve his suggestion that show reports published in the official organ include the names of winners of Best Brace and Best Team at the group and show level.

The Secretary read a letter from Mr. Monaghan recording his opposition to this proposal until it could be fully considered at the next annual meeting of the Board.

Following discussion it was regularly moved by Mr. Daniell-Jenkins, seconded by Mr. Williams:

"THAT, the official show reports published in the official organ include the Best Brace and Best Team at group and show level; and also include the winners of the sire and get and dam and progeny classes at group and show level."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.
(STANDING RESOLUTION) Motion carried.

It was regularly moved by Mrs. Mack, seconded by Mr. Williams;

"THAT, the name of the winner of the junior showmanship competition at each show, if any, be published in the official organ."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.
(STANDING RESOLUTION) Motion carried.

3524 (3468). **ARRANGEMENTS FOR 1957 ANNUAL MEETINGS**

The President pointed out that all members of the Board had been provided with a copy of a letter received from Miss Yarde who contended that the holding of the annual general meeting on a Saturday rather than a week-day would ensure a larger attendance of members, and stated that at the last meeting of the Board Mrs. Mack had expressed the view that by holding the annual general meeting on a Sunday (at Montreal as previously decided) there would be a greater likelihood of better attendance by members, a question which had been referred to this meeting for consideration.

Mr. Irving contended that before any change of dates is made there should be a decision on whether the annual general meeting should be held on a Sunday.

Following discussion it was regularly moved by Dr. Watson, seconded by Mrs. Smith:

"THAT, the annual general meeting be held on a Sunday."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith and Dr. Watson.
AGAINST THE MOTION: Mr. Irving
Motion carried.

Following discussion it was then regularly moved by Mrs. Smith, seconded by Mrs. Mack:

"THAT, we hold the Annual General Meeting in Montreal on Sunday, February 17th, 1957, commencing at 1.00 p.m., and the annual meeting of the Board at Montreal on Saturday, February 16th, Monday, February 18th and Tuesday, February 19th, 1957."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith and Dr. Watson.
AGAINST THE MOTION: Mr. Irving.
Motion carried.

It was then regularly moved by Mr. Lawrence, seconded by Mrs. Gove:

"THAT, the motion in Item #3395 (February 9th, 1956) regarding the dates of the 1957 annual meetings, be rescinded."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith and Dr. Watson.
Motion carried.

Mrs. Mack reported that as requested by the Board she had enquired about arrangements for a chartered stenographer, and presented the following for the Board's consideration.

(a) Mr. Gerard Chamberland, a member of the Club, a qualified bilingual court stenographer, or one of his equally qualified brothers was available;
(b) The quoted rates were as follows:
$1.25 per page for original copy (size 8 x 13 inches);
65c per page for extra copy;
minimum charge—$24.00 each half day, $50.00 each evening session;
(c) Delivery of copy:
Completed transcription, with translations where necessary 10 to 14 days;
First day's work within 3 or 4 days after first day's meeting.

Following discussion it was agreed that Mrs. Mack would enquire whether quoted charges include translation, where necessary, at meeting and in transcription, and whether minimum charges for any session included costs of any part of the transcription.

It was agreed that it be left to Mrs. Mack to arrange with the Windsor Hotel for meeting and bedroom accommodation on the new dates set at this meeting.

It was regularly moved by Mr. Williams, seconded by Mr. Lawrence:

"THAT, we thank Mrs. Mack for her untiring efforts in making arrangements for the 1957 annual meetings".

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mr. MacKillop, Mrs. Smith and Dr. Watson.
ABSTAINED FROM VOTING: Mrs. Mack (being named in the motion).
Motion carried.

3526 (3321). **MEETINGS OF THE BOARD**

Mr. Irving questioned the wisdom or need for monthly meetings of the Board for the balance of this year expressing the view that a great deal had been accomplished at this meeting, that the Complaints Committee and Registration Committee were functioning, and that such meetings added materially to the Secretary's work.

Following the discussion it was regularly moved by Mr. Brown, seconded by Mr. Williams:

"THAT, the next meeting of this Board be held for the purpose of approving the minutes of this meeting and any other pressing business which might arise in the meantime, the meeting to be held at the call of the President."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith and Dr. Watson.
Motion carried.

A discussion followed on the question of further meetings following the next meeting of the Board. It was regularly moved by Mr. Irving, seconded by Mr. MacKillop:

"THAT, the President be and is hereby empowered to cancel any of the regular Board meetings for the balance of this year if in her opinion such meetings are not required."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith.
Motion carried.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. MacKillop:

"THAT, the Secretary-Treasurer be and is hereby authorized to implement as far as possible all decisions reached at this meeting of the Board except that on any item where a member of the Board, within fifteen days following mailing of the minutes of this meeting, claims an error or omission in a specific item, in which event action on such item be withheld until the minutes are adopted at the next meeting of the Board."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mrs. Gove Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.
Motion carried.

3526A. **MOTION OF THANKS TO MRS. GOVE**

Mrs. Gove stated that it would not be possible for her to be with the Board when it reconvenes on June 13th because of the final arrangements which she must make in connection with the dinner to be held on Wednesday evening and the Fort Garry Kennel Club shows at the end of the week.

It was regularly moved by Mrs. Smith, seconded by Mrs. Mack:

"THAT, Mrs. Gove be thanked for the arrangements which she has made for our meeting and pleasant stay in Winnipeg."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith and Dr. Watson.
ABSTAINED FROM VOTING: Mrs. Gove (being named in the motion)
Motion carried.
(applause)

3527. **ADJOURNMENT**

At 11:25 p.m., on motion by Mr. Irving, duly seconded and carried, this meeting of the Board adjourned to reconvene in the same place at 9:00 a.m. on Wednesday, June 13th, 1956.

JUNE 13th, 1956

3528. The meeting of the Board of Directors which commenced on June 11th, 1956, reconvened at 9:00 A.M. in the Fort Garry Hotel, Winnipeg, Manitoba, on Wednesday, June 13th, 1956, with the President, Mrs. M. E. McEachren, in the Chair, and the following members of the Board present: Walter Brown, V. W. Williams, J. H. Daniell-Jenkins, J. A. H. Irving, R. B. Laskey, R. T. Lawrence, Mrs. Pamela Mack, R. L. MacKillop, Mrs. N. T. Smith, and Dr. H. L. Watson.

3529 (3521). **SHOWS AND TRIAL COMMITTEE**

Mrs. Smith, Chairman of the Committee, referred to the decision of the Board (Item #3521-page 9) regarding the amended entry form, and enquired whether it would be in order to inform those companies supplying clubs with entry forms for championship shows of the changes approved by the Board, in order that they may make the appropriate changes when replenishing their present stocks.

It was agreed that the Committee may do so.

3530 (3466). **OBEDIENCE MATTERS**

Mrs. Mack, Chairman of the Standing Committee for Obedience, reported that in accordance with the Board's wish the Committee had considered an appropriate definition of the words "kennel owner" as employed in Subsections 1 and 4 of Section 6 of Chapter I of the Obedience Trial Regulations and Standards, and a variety of opinions had been received from members of the Committee and Obedience Trial Representatives.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. Daniell-Jenkins:

"THAT, this Board interprets the words "kennel owner", as used in Chapter I, Section 6, Subsections land 4 of the Obedience Trial Regulations and Standards, as a person who owns one or more dogs and who is engaged in the training of a dog or dogs for obedience and who has previously exhibited a dog through to its C.D. (Companion Dog) title."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.
(STANDING RESOLUTION).
Motion carried.

Mr. Irving expressed the view that the procedure in effect at the present time for the processing of applications for approval to judge obedience trials results in unnecessary delays, and outlined a proposed procedure which he felt would expedite final decisions on these applications.

Following discussion it was regularly moved by Mr. Irving, seconded by Mrs. Mack:

"THAT, until otherwise ordered by the Board, the following shall be the procedure followed in the handling of applications for approval to judge obedience trials in Canada:

1. The applicant will complete an "Application for approval to judge obedience trials in Canada";
2. The application will be forwarded to the local Obedience Trial Representative;
3. The local Obedience Trial Representative will arrange to have the Examining Committee consider the application. If thought suitable, the applicant will be examined, by the Examining Committee, for his knowledge of the rules and procedures of obedience;
4. If the Examining Committee so recommends, arrangements will be made for the applicant to serve three apprenticeships;
5. Upon receipt of the judges' recommendations, the local Obedience Trial Representative shall forward, to the Chairman of the Standing Committee for Obedience, the judges' reports, the Examining Committee's report, together with the local Representative's final recommendation, and the original application;
6. The Standing Committee for Obedience will reach a conclusion from the material submitted by the local Obedience Trial Representative, and will submit its finding to the Secretary."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.
(STANDING RESOLUTION).
Motion carried.

Mr. Irving suggested that the Board decide on a policy with regard to the right, or otherwise, for apprentice judges to be in the judging ring while judging is progressing.

Mr. Irving, Mr. Williams and Mrs. Mack expressed the view that the apprentice should be in the ring on the understanding that he does not interfere with the judge or judging and does not discuss the dogs or their scores with the officiating judge.

Following discussion it was regularly moved by Mr. Irving, seconded by Mrs. Mack:

"THAT, persons authorized to serve as apprentice judges at licensed obedience trials shall be permitted to apprentice inside the judging ring except that such persons shall in no way interfere with officiating judge or the judging nor discuss competing dogs, scores and/or exercises with any person until the applicant has turned in his judge's book to the officiating judge at which time they shall compare scores; the judge shall not enter into any conversation with the apprentice until judging is completed."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.
(STANDING RESOLUTION).

Motion carried.

Mrs. Mack suggested that before any applicant for approval to judge is approved as an obedience judge, notice of receipt of the application should be published in the official organ in order that those believing that an applicant is not qualified to judge obedience classes may have an opportunity of submitting an objection.

Following discussion it was regularly moved by Mrs. Smith, seconded by Mr. Daniell-Jenkins:

"THAT, the names of applicants for approval to judge obedience trials be reported in "Dogs in Canada" with a statement that any objections, and reasons therefor, must be received by the Secretary within thirty days of publication of the notice."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.
(STANDING RESOLUTION).

Motion carried.

It was agreed that in order that the Secretary may arrange for the appropriate notice, the Obedience Trial Representative receiving an application would notify the Secretary who would then arrange for the notice.

Mr. Irving expressed the view that the Board should decide on a definite policy with regard to the right of obedience trial-giving clubs to vary the order of judging of the obedience classes.

It was regularly moved by Mr. Irving, seconded by Mr. Williams:

"THAT, it is the trial-giving club's prerogative to set the order of judging of obedience classes."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.
(STANDING RESOLUTION).

Motion carried.

Mr. Irving suggested that the Board fix a policy that is to apply where a championship show held by one club and a licensed obedience trial held by another club are held in the same building on the same date.

It was regularly moved by Mr. Irving, seconded by Mr. Williams:

"THAT, where an obedience trial is held by an obedience club in the same building on the same date as a championship show held by another club, it shall be permissible for dogs to be entered in both events but each shall be governed by their own set of rules."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith and Dr. Watson.
(STANDING RESOLUTION).

Motion carried.

Mr. Williams stated that at a recent show he had seen dogs being schooled in obedience work in the show building, and expressed the view that in fairness to the dogs entered in the show and other dogs entered in obedience held in conjunction with the show, such activity should not be permitted.

Following discussion, it was agreed that the Secretary would add the following to the guide for show and trial-giving clubs as approved in Item #3521:

"THAT, any dogs entered for obedience must not be trained or schooled at championship shows."

Mr. Irving expressed the view that the conditions applying to an apprentice judge at obedience trials should be as close as possible to that of the officiating judge in order that the apprentice may have a fair opportunity to score the competing dogs.

It was regularly moved by Mrs. Smith, seconded by Mr. Daniell-Jenkins:

"THAT, all rules governing a judge at an obedience trial apply, where applicable, to apprentice judges."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith and Dr. Watson.
(STANDING RESOLUTION).

Motion carried.

3531 (3382). **SECRETARY'S VISIT TO AMERICAN KENNEL CLUB**

The Secretary reported that arrangements for his visit to the American Kennel Club had been completed, and stated that if the Board, or any individual members of the Board, desired information on any particular subject he would appreciate their so indicating.

It was agreed that it be left to the individual members of the Board to inform the Secretary of their wishes in this connection.

3532 (3484-3500). **EMERGENCY FUND**

The President expressed the view that the total amount presently in the Fund did not justify the engagement of a trust company as co-trustee with a member to manage the Fund, and suggested that the Board appoint the following to administer the Fund: Mr. W. J. Risewick, former President of the Club, Mr. W. H. MacKendrick, former Director, and Mr. W. A. Harris, President of the Canadian National Exhibition and a member of the Club.

Following discussion it was regularly moved by Mrs. Smith, seconded by Mr. Daniell-Jenkins:

"THAT, the President's recommendation be received and accepted, and the previous motion regarding trust companies (Item #3360) be rescinded."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith and Dr. Watson.

Motion carried.

3534 (3470). **PROPOSED TRANSFER OF LHASA APSOS TO GROUP #6**

The President pointed out that at the annual meeting of the Board the Secretary was instructed to publish in the March issue a notice notifying interested members to submit their comments on the proposal to transfer the Lhasa Apsos to Group #6 and that national Board at that time had given the quorum Board authority to authorize the transfer in the event that comments received from members did not show good grounds for rejecting the proposal, but the national Board had not given the quorum Board authority to reject the proposal.

Following discussion it was regularly moved by Mr. Lawrence, seconded by Mr. Laskey:

"THAT, the Lhasa Apsos remain in Group #4 (Terriers)."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, and Dr. Watson.
AGAINST THE MOTION: Mrs. Smith.

Motion carried.

3535 (3409) **TERMS OF REFERENCE FOR INSPECTION COMMITTEES**

The Secretary reported that this subject had been referred to this meeting by order of the Board at its annual meeting.

It was agreed that no action be taken.

3537. **INTERPRETATION OF FIELD TRIAL RULES (CHAPTER 10, SECTION 2)**

Mr. MacKillop reported that there was not unanimity of opinion regarding the meaning of the words "females entered in any licensed field trial may be run by usual draw procedure following the males in every series" (Chapter 10, Section 2), and suggested that the Board decide on an official interpretation.

Following discussion it was regularly moved by Dr. Watson, seconded by Mr. Williams:

"THAT, Chapter 10, Section 2, be interpreted to mean that females must be run following the males in accordance to the order in which they were drawn."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, Mrs. Smith, and Dr. Watson.
(STANDING RESOLUTION).

Motion carried.

—The Board recessed at this time for lunch and later reconvened with the President in the Chair and the following members of the Board present: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, and Mrs. Smith.

3538 (3500). **STANDING RESOLUTIONS COMMITTEE**

Mr. Irving pointed out that Standing Resolution #147D had been held over for further consideration as was also the procedure to be following in processing applications for approval to judge obedience trials in Canada.

It was agreed that Standing Resolution #147A (see Item #3530—second resolution) and #147D would be incorporated with the Standing Resolutions previously approved.

It was regularly moved by Mr Irving, seconded by Mrs. Smith:

"THAT, the Field Trial, Obedience Trial, and Dog Show Standing Resolutions be approved as amended at this meeting."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop and Mrs. Smith.

Motion carried.

It was agreed that the following be included with the Standing Resolutions previously approved:

"THAT, this Board approves the quorum Board's decision which was that committee or other meetings be not held in the office out of office hours."

It was agreed that previous resolutions regarding procedure on complaints be set aside until the Complaints Committee submit their recommendations with regard to procedure on complaints.

Mr. Irving referred to the discussion at the annual meeting of the Board regarding kennel names (Items #3394 and #3417). It was agreed that resolutions previously adopted regarding names not acceptable as kennel names be set aside until the Board receives the report of the committee appointed in Item #3500 (page 14—June 11th).

It was regularly moved by Mr. Irving, seconded by Mr. Daniell-Jenkins:

"THAT, the Standing Resolutions, as submitted by the Committee and as amended at this meeting, be approved."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, and Mrs. Smith.

Motion carried.

It was regularly moved by Mr. Daniell-Jenkins, seconded by Mr. Laskey:

"THAT, Mr. Irving and his Committee be thanked by the Board for their work on the standing resolutions."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Daniell-Jenkins, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop, and Mrs. Smith.
ABSTAINED FROM VOTING: Mr. Irving (being named in the motion).

Motion carried.

3539. **ASSOCIATE MEMBERS**

Mr. Irving suggested that the Board should proceed to define the qualifications which an associate member must have in order to be admitted as an ordinary member at the end of three years of associate membership. Mr. Daniell-Jenkins expressed the view that any ordinary member believing that certain conditions should apply to an associate member being admitted as an ordinary member had the right to arrange, with other members having that privilege, to submit a proposed amendment to the By-laws setting out the qualifications for transfer from associate membership to ordinary membership.

No action was taken.

Mr. Irving raised the question as to whether, when an ordinary member dies, may a member of the deceased member's family carry on the ordinary membership. After discussion it was agreed that on the death of an ordinary member, the rights and privileges of ordinary membership cease and may not be inherited by another person.

Mr. Irving raised the question as to whether associate members may serve on committees or hold offices in the Club other than offices on the Board of Directors.

Following discussion it was agreed that associate members are eligible for appointment to committees or offices other than offices on the Board of Directors.

Mr. Irving expressed the view that when an exhibition association is itself a member of the Club the chairman of its dog show committee need not be a member. Mrs. Smith read the provisions of the Dog Show Rules (Chapter 3, Section 1).

No decision was reached.

3540 (3465). **LONG RANGE PLAN COMMITTEE**

The President read the following letter, dated June 13th, addressed to her by Mr. Walter Brown and Mr. V. W. Williams:

"It is with some regret that we the undersigned tender our resignation from the Long Range Committee ....."

It was regularly moved by Mr. Irving, seconded by Mrs. Mack:

"THAT, with regret we accept their resignations."

FOR THE MOTION: Mr. Daniell-Jenkins, Mr. Irving, Mr. Laskey, Mr. Lawrence, Mrs. Mack, Mr. MacKillop and Mrs. Smith.
ABSTAINED FROM VOTING: Mr. Brown and Mr. Williams.

Motion carried.

It was regularly moved by Mr. Irving, seconded by Mrs. Mack:

"THAT, the Long Range Plan Committee be dissolved."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Irving, Mr. Lawrence, Mrs. Mack, and Mr. MacKillop.
AGAINST THE MOTION: Mr. Daniell-Jenkins, Mr. Laskey, and Mrs. Smith.

Motion carried.

The World's Greatest Teacher— MOTHER NATURE

by J. J. STAPLES

IN WRITING on the subject of breeding dogs as a hobby, I have stressed the importance of selecting foundation stock of the same blood lines in order to insure uniformity in the offspring. Many times I have been asked to explain what is meant by line breeding and if it is a form of inbreeding. Another question that came up was whether the health and stamina of the stock would be affected.

I will endeavour to explain in this article the various forms of breeding and to point out why selective line breeding is the only way to insure the uniformity we desire and to improve the quality from generation to generation.

Cross breeding is the mating of two different breeds which bars the offspring from competition in championship shows. Out crossing is the mating of two of the same breed that are not related, while line breeding is the mating of stock which has common ancestors in the first and second generations. Selective line breeding is the mating of the same blood lines but avoiding the mating of animals that have the same minor fault. As an example, if the standard of your breed calls for a good dark eye and the female has an eye too light in color, make sure the male has a good dark eye; or if the female carries her ears too high, be certain that the male carries his ears correctly. Never mate two that have the same fault since this would be intensified by inheritance from both parents. Always be sure that both the male and female conform closely to the standard of the breed in size and conformation. Under this system of breeding, coupled with very careful selection of the offspring for breeding, each generation should show an improvement in quality over the parents in a good percentage of the stock. I would like to stress here that if both parents are strong and healthy there can be no weakness for the young ones to inherit, regardless of relationship.

If we take time to observe and study the wild life around us, unhampered or interfered with by humans, we will find a uniformity of size and conformation seldom seen in domesticated stock. Who can say that they are not inbred and no doubt have been for countless generations but still possess health and vigor. Here once again, Old Mother Nature takes care of that in the survival of the fittest; the weaklings fall by the wayside or are devoured by their enemies and only the strong and vigorous survive to perpetuate their kind.

In 1947, the Department of Game and Fisheries released two pair of Beaver in the northern part of Halton County as the beginning of a beaver colony. In less

than ten years the colony had grown until it was estimated to number around one hundred beaver. Some were shipped away to form new colonies in other parts of the province, some of them moved out to other adjacent townships. This is positive proof that intense inbreeding took place and it was reported at a recent convention of trappers that some of the largest and most valuable beaver pelts taken this year came from recently formed colonies in the province.

If we breeders of dogs study and adopt the same program of breeding as Mother Nature does in wild life, culling out the weaklings and eliminating from the breeding program all those that do not measure up to standard, we too should have dogs that are strong, healthy and uniform in size and conformation.

Linked with selective line breeding is another vital factor, too seldom considered but most important, which we call dominance. This is the sire's ability to transmit his own excellent qualities to his offspring. I have known of sires who, though excellent in themselves, failed to transmit their good qualities to the offspring. On the other hand, I know of sires who have passed on their excellent quality to the second and third generation. In fact, I have seen pictures of four generations so similar that you would think there were four pictures of the same dog; and this was not an accident as brothers and sisters of these same animals also bore the same striking resemblance.

The breeders of Jersey cattle on the Jersey Island, for two hundred years never imported breeding stock, breeding their own sires; yet they have the finest Jersey cattle in the world. Breeders of thoroughbred race horses and breeders of the best racing Homer Pigeons recognize the importance of line breeding.

Out crossing to obtain a quality that your own dogs lack is sometimes desirable, and the blending of two different blood lines will sometimes give wonderful results. However, it is most impor-

tant that you know something about the ancestry or blood lines behind the dog before you use him, lest he transmit some undesirable faults to offset the other qualities that you are looking for.

Line breeding is not a discovery of modern times. It has been practiced for many centuries by the most successful breeders of all varieties of live stock. All of the newer breeds that we have today were produced by careful selective line breeding down through the years in order to fix or to perpetuate the characteristics desired in the breed. Only by the same careful selection can we hold these qualities and reproduce them in subsequent generations. We can all learn much from the studies of heredity and canine genetics and the more we strive to discover nature's secrets, the greater will be our degree of success in the breeding of top quality dogs.

To my readers, I would like to say that I have tried to give information that has been gleaned from the most authoritative sources, such as helpful advice received from successful breeders, the findings of experimental stations coupled with observations and practical experience of my own, together with the study of nature who has no regard for the theories of man but who goes about the business of production and reproduction in her own methodical way.

DEATHS

Mrs. Agnes Bleeks, Ottawa, Ont., Sept. 6, mother of Mrs. Blanche Bleeks Walters, a past president of the Ottawa Kennel Club.

W. LIPS, Jr., Inglewood, Ontario

(Continued from page 26)

For the record, a lot of our other poodles are competing on the western coast in the U. S. and Canada in breed and obedience with top results. Year old Wycliffe Eli is an Int. C.D. and has two 5 point Am. majors, and two Canadian points and his brother Wycliffe Kiwi has his Canadian C.D., one 4 and one 3 point Am. majors and one group win and a total of 4 points in Canada.

My own Wycliffe Glamorous Gillian is 9 months old, won a 5 point Am. major out of the junior puppy class at 7½ months under Selwyn Harris, has two 3 point Can. wins for a total of 6 points, and has a leg on her C.D. in each country.

All of which would seem like adequate proof that it is not only possible but rewarding to obedience train top show specimens."

Thanks very much for bringing us up-to-date on happenings on the West Coast. Our heartiest congratulations to you on your Poodle's achievements in both the obedience and breed rings. You have certainly proved once again that good dogs can be breed champions as well as obedience champions. Of course, there's no reason why they can't. It has been demonstrated on many occasions as we all know. We are always pleased to hear from you and please keep up the good work, Mrs. Lyle. ED.

* * *

For those people who are not too familiar with obedience trials and would like to know more about them, we suggest that you write to The Canadian Kennel Club, 667 Yonge Street, Toronto, Ontario, for a copy of "Regulations for Obedience Trials". This is a very handy little booklet and gives all the information required to hold a trial. It explains what the various classes are, and also shows the different exercises required to be completed in each class in order to qualify.

It also deals with the standards for obedience trials and the standards for obedience trial judging. If these latter two subjects are required, be sure to so stipulate when writing for a copy of "Regulations for Obedience Trials" as issued by The Canadian Kennel Club.

A.K.C.'S FIVE MILLIONTH

The honour of being the five millionth purebred dog registered with The American Kennel Club fell to Lassie The Golden Glory, six-month-old Collie, owned by Miss Beverly Ann Yates, a highschool girl of Salem, Ohio.

It was not until 1935, or 57 years after the registration of the first purebred dog, that the one millionth dog was registered with the A.K.C. In the ensuing ten years another million dogs were added, but registrations have increased so that three million more were added in the past 11 years.

deaf dog and an owner with the excuse "we thought the olive oil would help".

No dog owner should attempt cleansing beyond the visible portion of the ear canal. Special instruments (i.e. atoscope, speculums, probes, etc.) which are part of a veterinarian's equipment, are required to safely cleanse the deeper section of the ear.

Diseases of the Ear

As dog owners, it is up to us to watch the animals for signs of discomfort. Here are a few of the indications your dog will show when his ears are troubling him: shaking head, undue ear odour, excessive discharge, red, raw areas in the canal, apparent deafness. These are all signs of external trouble. Indications of middle ear infections are: copious pussy discharge, high odour, tonsilitis, disturbed sense of balance, holding the head to one side.

With the advent of new bacterio static preparations for ear washes, antibiotics, surgical procedures, many of the ear diseases such as canker that were formerly quite persistent and difficult to treat have now become "has beens" in the fight against ear inflammation. At the first sign of ear troubles, consult your veterinarian, to make sure of prompt and safe relief of the pain.

DOWN WITH THE PILL

Fortunately more and more remedies for dogs are produced in pill form. But there is a trick to getting the little pellet down the throat. First open the dog's mouth wide enough to pull his tongue forward with your other hand. The job of the second person is to drop the pill way down at the back of the dog's throat. When the tongue is released it immediately moves back, and down goes the pill.

If it does not appear to have gone all the way down, massage the throat with gentle but firm downward strokes. This not only helps the tablet slide down but soothes the dog.

Pills can also be given in the animal's food, preferably concealed near the top, where he will be sure to get it in the first hungry mouthful or so.

Several other Canadian breeders, notably Mr. L. Potter, of Burlington, Ont., Mrs. D. Smith, of Bolton, Ont., and Mr. Peter Wyckoff of Colborne, Ont., are enthusiastically promoting the breed, and, in most instances, in the pedigrees of their foundation stock will be found the names of either Canadian and American Champion Melinda of Ten Oaks, and/or Champion d'-Argenteuil Baron Bretton who, as a consistent Group Placer, holds the Canadian Record for Group Placings and, at the same time, is a versatile and valuable field dog.

The number of breeders of pure bred Black and Tan Coonhounds, that is, breeders of dogs eligible for registration in the Canadian and American Kennel Clubs, is relatively few and they are not to be confused with the breeders of "coon-dogs" which are a cross usually within the hound group and are mainly registered with independent organizations apart from the C.K.C. and A.K.C.

Although Black and Tan Coonhounds, either singly or in packs, are used to hunt all furred game, conservation of wild-life is a vital part of the creed of all true fanciers of the breed. To most enthusiasts, killing of game is not the prime objective. The thrill comes from taking the Black and Tans out on the trail, following and listening to their melodious voices echoing across the miles, through bush, creek and swamp, as the hounds follow a trail sometimes as cold as forty-eight hours.

In appreciation of the many kindnesses and expressions of sympathy in the loss of my beloved wife Leta Burden who passed away September 13th following a lengthy illness.

Ducks

One of the most sought after species of game birds in the world, the greatest number of ducks are shot over decoys set out in front of blinds in marshes both along fresh and salt water. Many thousands of ducks are shot every year by "pass shooting" where the birds fly back and forth between lakes or marshes. For Ducks over decoys some shooters prefer a light gun with modified choke barrels in 12, 16 or 20 gauge. However, most prefer a gun with extreme range and killing pattern. Therefore a 12 gauge gun with 30 inch full choke barrel has become more or less standard. However, for pass shooting and some kinds of salt water Duck shooting, to obtain even longer shooting range, a 12 gauge gun handling the heavier shot load of 3 inch shells is in demand. Shot sizes: 10 and 12 gauge guns, 4, 5 or 6; 16 and 20 gauge, size 5 or 6.

Pheasant Guns

All gauges of shotguns apply, although those handling heavier loads are the most effective. Modified or full choke borings are the most popular. Shot sizes: 12 gauge guns, size 4, 5, 6 or 7½; 16 and 20 gauge, 5, 6 or 7½; 28 gauge and 410, size 6 or 7½ (only recommended for experienced shooters).

Partridge or Ruffed Grouse

Said to be the toughest shotgun target, the partridge is a bird of the deep woods, although he has a liking for abandoned farms and apple orchards. Because these birds demand strenuous shooting, a light pump or double gun is preferable. Shot sizes: 12 gauge guns, 6, 7½ or 8; 16 and 20 gauge, 7½ or 8; 28 gauge and 410, size 7½, (for experienced shooters).

Prairie Chicken

Use any shotgun which brings good results on both Ducks and Pheasants. Shot sizes: 12 gauge guns, size 5, 6 or 7½; 16 and 20 gauge guns, size 6 or 7½.

Bob White Quail

Hunted over Pointers, with a shotgun which is fast-handling and which shoot an even pattern of shot at moderate ranges. While many select the larger bores, the 410 in the hands of experienced shooters is becoming very popular for Quail. Size of shot: 12 gauge guns, size 7½ or 8; 16 and 20 gauge; size 7½ or 8; 28 and 410, size 7½ or 9, for experienced hunters only.

Difference in "Gauge" of Shotguns

Gauge determines the choice of gun for the various game and fowl. It is determined by counting the number of lead balls per pound for each gauge gun, except the 410 which is a caliber rather than a gauge and has the smallest bore.

The most universally used shotgun is the 12 gauge, which is suitable for all kinds of shotgun shooting. The 16 gauge shotgun is often selected by those who

want a lighter gun handling nearly a 12 gauge shot load.

Popular as a field gun in the smaller bore group is the 20 gauge. Whereas many men own and shoot 20s, this gauge is often chosen for a boy's first shotgun because of its lighter recoil. Another small bore, the 28 gauge, is used quite extensively in some areas for Quail and other bird shooting.

Of the small bores, the 410 shotgun is steadily gaining in popularity due perhaps in part to its inexpensive ammunition plus light weight, easy pointing and general pleasure of shooting.

Regarding Barrel Lengths

Longer barrels, 30 and 32 inches, are preferred for wildfowl shooting (for the longer sighting plane, for distant shots and because the balance is better for the slower more deliberate swing required). For upland shooting, 28 inch barrels are considered ideal by many. In brush shooting, 26 inch barrels swing easily. Apart from these reasons, tall men often prefer long barrels and short men the 26 and 28 inch.

FOXES LEADING CULPRITS

Dr. R. L. Hectorne, director of veterinary public health for the Kentucky State Health Department, reported that of the 44 cases of rabies reported in Kentucky in January, 1956, 22 were in foxes and the others were in dogs, a bobcat, skunk, pony, cat, and some cattle. Since July, 1954, when the state made rabies vaccination for dogs compulsory, 206,000 dogs have been immunized, resulting in a sharp reduction in canine rabies in the past two years. In an effort to control rabies in foxes, game wardens use carbon monoxide gas bombs to kill the animals in their dens.—*J.A.V.M.A., April, 1956.*

CAT LEADS BLIND CANINE

A 17-year-old Angora cat has assumed the responsibility as a "seeing eye" for a younger but blind, nearly deaf, and crippled dog. The owner noticed that the two were inseparable, the cat always walking at the dog's side. When there is a reason to stop, the cat nudges the dog. Sometimes he puts his paw against the dog's side and gives him a hard shove. When the dog wishes to stop, the cat curls up and waits for the next move. *Our Dumb Anim., Feb., 1956.*

DOGS IN CANADA SALUTES

A service which may be taken for granted at shows actually requires a great deal of work and thought on the part of Ken Ellis, representative of Ken-L Ration, who rarely misses a show in Eastern Canada during the season. Apart from serving dinners to exhibitors for their dogs, Ken answers hundreds of questions, and is helpful and courteous in many ways which are frequently accepted without thought.

This service, without cost, is available to shows held in Ontario, Quebec and the Eastern Seaboard provinces.

CLUB NOTES

The Boston Terrier Breeders of Canada

by Jim Flood

The July meeting was held at the home of Mr. and Mrs. George Sisson, Orangeville, Ontario, in connection with the Club's Puppy Match. When the meeting ended, the members and their guests had a picnic lunch, after which all got ready to start the Puppy Match.

The day was most suitable, there was a fine turn-out of promising looking puppies and everyone seemed to be enjoying themselves. Mrs. Ethel Gottschalk was appointed to judge the Match and her choice for Best in Match went to Flash's Mighty Nice, owned by Jim Flood. All puppies attending were females.

The 7th Annual Specialty Show for the Club was held in conjunction with Guelph Kennel Club at Preston, Ontario, on August 11. There was a total entry of 20 with 3 absentees. Mr. Gunderson's Choice for winners dog, best of winners, and Best of Breed was Grant's Royal Command, a very nice dog owned by Mrs. Grant of Flint, Michigan. This dog incidentally won at the show and I believe has 13 points in U.S.A. Winners Bitch went to his litter sister Grant's Royal Facination, also owned by Mrs. Grant and this win gave her a total of 9 points for her Canadian championship.

The Paddy Boughs Memorial Trophy was won this year by Ch. Majah's Little Corporal now awaiting C.K.C. confirmation. He is owned by Mrs. Mable Fleming.

The Bulldog Club of Central Canada

by Mrs. C. M. McKenzie

Our Puppy Match in July, at the home of Mr. and Mrs. T. Wright, proved an interesting afternoon and showed us what we may expect to see around the shows at some future date. Best Puppy was Ted Wright's Biff. Later in the month a delightful get together in the shape of a Barbecue was held at the home of Mr. and Mrs. H. Ince, Richvale.

Three Champions have been made by our Members. Mrs. Olive Dewsbury's Kempston Charmaine, Mrs. H. Ince's Thelwall Sally and Mrs. Gladys Nicholson's Clonleigh Barney.

We trust Mr. Walter Brown will soon make a good recovery from his surgery and that Mrs. T. Wright will soon be out of hospital, as we miss them around the shows.

The Calgary Kennel and Obedience Club

by Agness Hammond

The Club was fortunate to have the wonderful opportunity of a one day Obedience Clinic held under the direction of Miss Blanche Saunders. Miss Saunders was kind enough to interrupt her trip home from the West coast, and spend the day in Calgary, giving us the benefit of her experience and knowledge. Invitations to attend were sent to all the dog clubs, and Obedience enthusiasts from Calgary, Edmonton, Strathmore, Delia and Cochrane attended with their dogs.

In the evening Miss Saunders showed a film of an Obedience demonstration staged at Madison Square Gardens under her direction. The courtesy extended by Miss Saunders in giving of her vacation time to a new and small club is greatly appreciated.

August 26 a Puppy Match, Sanctioned Obedience Trial and Picnic was held by the Club at the Lockett Farm west of Calgary. Mr. Jack Brooks judged the puppy classes, and awarded the Best Puppy in Match rosette to the boxer, Malabar's Berceuse, owned by Jo Cameron. The Obedience was scored by Mr. John Bird, and top dog was the German Shepherd, Spatz von Altenheim, owned by Nancy Litchfield and handled by Egon Gunther.

Obedience classes are scheduled to start again the first week of October, and regular Dog Nights are also being planned.

The German Shepherd Dog Breeders Association Inc.

by Paul Firman

A large and enthusiastic group of our members met on Tuesday, September 11, at the home of Mr. and Mrs. H. S. Weller, 540 Kingston Road, on the occasion of our regular monthly meeting to make plans for the Fall and Winter season.

With our President, Mr. Weller in the chair, the various committee reports were received with much enthusiasm and satisfaction. Our All Breed Show in June was the most successful one yet in every respect and Mary Hart, our Show Secretary, reports plans are well advanced for a bigger and better show next June. Lallah Anderson reported several new applications for membership and our training program has resumed under the capable direction of Mr. George Gerigs. Our final outdoor outing for the year has been planned for Sunday, September 30, in the form of a Matinee Show and wiener roast to be held at the home of Mr. and Mrs. George Gerigs at Pickering, Ont. From all indications it looks like an enjoyable windup to a successful summer of activities.

So glad to see Syd Wintour taking an active part in club affairs again after his recent illness. Congratulations to Syd on some nice wins lately with his fine puppy, Beau Gal's King. Best Canadian Bred Puppy in the Working group at Hull, Que. on August 26, Best in class and Reserve Winners in the First Show at the C.N.E., Best Canadian Bred Puppy in the Working Group at the Second C.N.E. Show, and Best Canadian Bred German Shepherd Puppy at the Third C.N.E. Show. Also congratulations to Pat Gaitley who went Winners' Dog with his Cavalier of Oppeldale at the C.N.E. on September 3.

The German Shepherd Dog Club of Canada

by Mary E. Southcott

Very soon now our big Annual Special Show will be history, and with the great effort being made by the committees we are certain it will be another outstanding and memorable occasion. The wet weather for the Trial put on by the Obedience Association (Ontario), Oshawa Branch on August 18 did not seem to dampen the enthusiasm of the exhibitors or the excellent way in which their dogs worked, and a good entry was in attendance. Three Club members' Shepherds came through with flying colours—Mitzi Frohle's gal obtained a leg on her C.D. title, Mrs. Probert's "Tarzan" completed his Novice title, and Ed Harradine's "Blitz" received a leg on his C.D.X. title.

The last Club Matinee Show of the season was held on August 12 at the home of Mrs. Carol Richards in Aurora, and another good time was had by both members and their Shepherds.

Some of our Club members have been attending numerous American shows lately and doing a fine job of upholding the honour of our Canadian Shepherds. At the recent show in Hornell, N.Y., Doug Ames' Ch. Glen Stewart Burma took Winners Female, while at Niagara Falls, N.Y., George and Betty Grant's Ch. Kris of Liese-Max was Winners Male while Mr. and Mrs. W. Hendry's Ch. Neta of Sandorea took Winners Female and Best Opposite Sex.

Regarding shows closer at home, all have been well supported by Shepherd exhibitors. At his first show, Fort Coeur Lobo, owned by your correspondent, took Winners Male, while the Grant's Ch. Kris of Liese-Max was awarded Best of Breed. Here a note of extreme sadness enters, as Kris was tragically killed on the highway the following day, thus putting an end to a most promising career for this fine Shepherd, and breaking the hearts of his owners, George and Betty Grant.

Congratulations are in order for Miss Phyllis Bluett, whose Gai Cherie added Champion to her name at the Guelph K.C. Show, and also to Mr. P. G. McDonald whose import, Am. Ch. Ingo von Burgunderhort took Winners Male and Best Opposite Sex.

Halifax Kennel Club, Incorporated

by Mrs. H. F. Hooper

An added attraction at the Halifax Kennel Club Inc., Dog Show held September 3 in Halifax was the presentation of service buttons supplied by The Canadian Kennel Club. These awards were given to any person who is presently a member of the Canadian Kennel Club and who has had 20 or more years of continuous membership. Our Maritime director, Robert B. Laskey presented buttons to Miss Alice O'Brien 10 Lucknow Street, Mr. W. G. Smith, 65 Atlantic Street and Roy McKay of 114 Kline Street. All these award winners are from Halifax. Mrs. P. A. Margeson of Kentville was also entitled to this

honor but was unable to be present. A bouquet of flowers was then presented to Miss O'Brien and the male members received boutonnieres.

The Lakehead Kennel Club

by J. W. Haggerty

Our two recent shows were a success. A word of thanks is in order for the efficient way in which the mechanics of the shows sped smoothly along: — Bill Kelly, show supt.; Bill Grimshaw, ring steward; Marion Young, show secty.; and all others who took an active part in helping to keep the shows on the go.

A demonstration of obedience-trained dogs highlighted our recent shows and drew favourable comment from the spectators. We hope to hold an obedience trial in connection with our shows next year.

J. W. Haggerty recently returned from Ottawa, Hull and C.N.E. shows. His Kerry Blues fared well — Ch. Dorcliff Firefly winning the Terrier Group at the first CNE show.

The Pom litter mentioned in a previous note should have numbered eight healthy puppies and not seven.

Mountain City Obedience Club, Montreal

by Laura Nygren

As Autumn 1956 marks the tenth year of organized Obedience Training in the province of Quebec the Club is organizing a doggy week-end of celebration. It is appropriate that Miss Blanche Saunders, the noted author and trainer, will join us for the celebration as she and the famous Standard Poodle "Jester" introduced Obedience in Montreal at a special demonstration in 1946. The modern auditorium of the down-town Y.W.C.A. has been reserved for our ninth licensed obedience trial on October 27. After the show Miss Saunders will conduct an Obedience Clinic open to all. Handling of problem dogs and a question and answer period will be featured.

A new club-sponsored class is underway on the Southshore with Mrs. J. H. Laurie as director. Enthusiasm has evidently spread from the Island of Montreal right across the river.

That elusive perfect score 200 was earned by Lorna Casgrain's Standard Poodle "Petitcote Becky U.D.T." at the Kingston, Ontario show. Becky also won highest score in trial at the Champlain Valley K.C. with 196½ and topped Utility the following day with 193 at the Montpelier K.C. shows in Vermont.

Ontario Weimaraner Club

by H. W. Somerville

Addition of two members to the Ontario Weimaraner Club's newly-formed field trial committee highlighted the second fun trials held this summer on Governor Ben Schulze's Niagara Falls estate, when Lorne Fisher's "gashouse gang" of puppies unflinchingly witnessed their first shotguns, blacks and upland birds.

Created to lift some of the growing load off the capable but overburdened shoulders of Committee's chairman Bill Tomlinson, the new committee is one of several planned and reflecting the keen desire of many members to take a more active part in club activities.

Regulations approved include a 50-cent per dog field trial fee, owners carrying guns during trials, use of only pheasant, duck and partridge during trials, leashing of all dogs when not working, and all water retrieving to be done from blinds, excepting puppies.

Obedience classes to be conducted at Windy Ridge Farm, King, Ont., were approved.

Jack Heintzman, of Toronto, and Bob McCaldan, of St. Catharines, were the two new members of the FTC, and it now consists of Frank Wood, Wally Cole and H. W. Somerville, the latter also being appointed publicity man for the Club as a whole.

Secretary Helen disclosed that there was an excellent chance of obtaining both American judges and a member of the parent executive for the Ontario field trials this autumn. Her plea for better liaison between the widely-scattered Ontario membership was sympathetically heard and arrangements concluded to avoid further mishaps.

The Progressive Kennel Club of Canada Inc.

by Gertrude W. Drew

The Canadian National Exhibition provided the last opportunity for dog fanciers to vie for coveted points and prizes before the fall shows commence. The recent season has been a good one; very few of the show-giving clubs were disappointed with lack of entries. It would appear that entries in some of the breeds were well up all summer while others fluctuated and a few hit an all time low. But on the whole there was a general increase.

We are pleased to say that our gate receipts were up considerably too. We have done a little more advertising and have made an all out effort to present our shows in a more attractive manner to the public. The club has increased its staff to include cleaners for a twelve hour period, a personnel committee, information desk clerk and assistant supts. By special arrangement the lunchroom provides homemade pie and cake as well as many hot dishes.

Permanent club rooms have been secured at the Y.M.C.A. Eglinton Avenue and Yonge Sts. All future meetings for the next year will be held here. The room is located on the first floor, to the left as you enter.

The Club will hold a sanction show later in the fall. The date will be set at the next meeting.

The club extends good wishes to Mr. Walter Brown, Mr. Dick Nattrass and Mrs. Morley Fisher who have all been on the sick list but are progressing favorably.

It is no secret to dog breeders and veterinarians that many commercial dog foods vary considerably in their nutritional content—frequently from feeding to feeding. This fact has led to a common problem in the correct feeding of dogs, where it is well known that a *completely balanced* diet is essential to good health and top condition.

There are five good reasons why HOMOGENIZED GAINES MEAL supplies the answer to dog feeding problems. Here they are:

1. Gaines contains *all the nourishment* dogs need to keep them healthy, happy and in top condition.
2. Gaines is *homogenized*. So there's a *balanced* diet in every mouthful of every feeding.
3. Gaines is always ready to eat—dry or moistened.
4. Gaines is the *truly tested* dog meal, the product of years of research on whole generations of dogs, at the famous Gaines Research Kennels.
5. Gaines goes a long way! A 25 lb. bag of Gaines contains *all the food value* of 75 lbs. of canned dog food.

Be sure to order your supply soon!
