SAMOYED PRESENTATION PROTESTED

. . . As a member of the C.K.C. I feel I must protest your own unique way of presenting an illustrated standard, if that of the Samoyed is an example. I do not consider it right or fair, to any breed, to give the kennel name, owner's name and address and name of the dog, in the illustrations. Why should one kennel get such free advertising, when owners of other champions, equally good, are not mentioned. In the May issue the illustrated standard of the Poodle was nameless, which I would think should be the procedure for every breed.

Also, in the revised Samoyed Standard, approved by the AKC and published in the March issue of the American Kennel Gazette, there is no weight given. It says weight should be in proportion to the height. Also under tail, it states: carried forward over the back or side when alert but sometimes dropped when at rest.

I am a Samoyed breeder, and member of the Samoyed Club of America. I consider myself a serious breeder inasmuch as I am constantly trying to improve my dogs. All my foundation stock I imported from the United States. The fact that I might breed to an English import is no indication in any way that I think the English standard should be considered. I simply try to breed to the best available, whether Canadian, American or English, to produce Samoyeds that conform to the standard. There is enough variance in height allowed for small, medium or larger dogs.

When the Samoyed Club of America was formed in 1923 the English standard was adopted. In 1946 it was changed, height. Also under stail, it states: carried In 1947 the E was dropped from Samoyede. The 1957 standard is simply a clarification and rewording, no change basically.

I personally know of no serious controversy as to the merits of the English standard over that of the AKC-CKC standard. There are to my knowledge only a couple of breeders who have imported English stock, who have been trying to make this an issue.

. . . Why no write-up on the kennel on the cover, from where I get my own Sams? These are the really typy, workaday Sams we are trying to keep going, by careful breeding.

Besides, the Samoyed *was* bred to a specific standard when brought to England, as so many colour variations are in their native land, and were brought even to England. The breed had to be bred to a constantly producing type before they could be recognized there.

I think most kennels in Ontario and even in Canada, who are serious breeders and exhibitors, breed and show to the original standard as much as they possibly can. Besides, look at the recent English champion imports to the States. They are not little Sams, but good sturdy specimens, and they certainly win over there. I have seen many pictures and corresponded with their owners also. The Sam needs his good deep, strong body, his long feet, and his lovely coat to be a pure Sam. Thank you for featuring them.

. . . The 'Arctic' Kennel has always been noted for its superlative females; both Ch. Greta and Silver Glow were sired by Ch. Leader of the Arctic, also the sire of our Diva of the Arctic, who was the dam of our Ch. Chief of the Glade. His sire, Ch. Whitestar of Kobe. Therefore with the addition of four more imports in the last six years are bred to the stock here at Ziska. I would like to point out that the exports from England all derive from

Ch. Chief of the Glade

the originals. This includes most of the American and Canadian champions. Am. Ch. Snowland Martingate Taz, a very well known dog, and top Samoyed stud dog for a long time, was the sire of most of the American champions of today, and he was by no means a small exhibit.

Though we all try to breed to the standard given out, it is not for one novice breeder to criticise the stock being bred today by either American or Canadian breeders, and it is quite wrong to state that the dogs of today are not the result of breeding to produce a specific type, as it is just that, as Mrs. Kilbourn Scott, Mrs. Cammack, Mrs. Winter and Puxley must have spent thousands of pounds to get the different types across, to try and get the standard type to be recognized by the Kennel Club in England before same could be put on the show bench.

Shown here is our late Ch. Chief of the Glade, bred by me in England, from the best stock in the kennels of Kobe and Arctic, his sire being Ch. Whitestar of Kobe and dam, Diva of the Arctic, both products of the original specimens brought into England. Both Chiefie and his daughter won their Canadian championships under Mr. Alva Rosenberg the same day at Aurora in 1951. Without prejudice.

. . . I feel compelled to comment on the article by Mr. F. T. Freeman, "Speaking for the English Standard", published in the June issue of Dogs in Canada.

In his first paragraph Mr. Freeman states that the preference among "serious" breeders for the English standard is evidenced by the number of imports in the past few years. He further states that the cost of importing a dog from England is considerably greater than to import from the U.S.A. This is not the case. The cost of importing from England is not considerably greater, it is actually less in the case of a Samoyed. Despite the fact that it costs no more to import from England, so called "serious" breeders are still importing from the U.S.A. In fact, Mr. Freeman has two such imports in his kennel.

Many people believe that there is a vast difference in size between the English dogs and those shown in Canada and the U.S.A. This is not so. In most cases the imports from England meet the size requirements of the American standard. Any who do not would be considered small in England too.

While in England early this year, I had the pleasure of visiting Mrs. D. L. Perry's famous Kobe Kennels. All the dogs in her kennel easily met the height and weight requirements of the American standard. Two of her English champions, Ch. Snowpack Loucka of Kobe and Ch. Americ of Kobe, were imported to the U.S. by Mrs. Ashdown of Wychwood Kennels last year, and very rapidly attained their American Championships with several group wins. These dogs were judged according to the American standard. The fact that these dogs, and others, have become champions on both sides of the Atlantic would seem to prove that there is no appreciable diffence in the two standards.

Mr. Freeman states that it was the dogs that were bred to the original English standard that were exported and asks "Why then this change?" If Mr. Freeman will look back at the pictures of those early Sams—and I am sure he has—he will see why the change. I am sure everyone is happy that the long eared, long bodied and long legged Samoyed is no longer accepted by the English breeder, nor any other breeder.

With regard to Mr. Freeman's question as to whether breeders are "talking up" the size to suit the dogs in their kennel. I wonder if perhaps the reverse is true? This last remark is not directed towards Mr. Freeman, as, to the best of my knowledge all Mr. Freeman's dogs conform to our standard.

SPECIAL PRIVILEGES?

. . . Re your article "Saluting Ont. Oldest Breeders in Experience" in current month's magazine (June). This letter is written at request of C.K.C. members in vicinity of Western Ont. Our C.K.C. magazine was noted in days gone by for its special privileges to special members and we were hoping the ashes had completely gone out. We are wondering why one old timer rates a couple of lines, another two inches and another a whole column and the best of all have no mention.

A small circle around Toronto has always done well but Western Ont. has always been neglected. Whoever supplied your information was either prejudiced or ignorant of the facts and as such was not qualified to inform. The records should be down there.

I presume the list is completed or you would have mentioned it, and as you wind it up with obituaries that finalizes it. I am not too much interested myself as my only claim is 40 years continuous membership, having bred more Bulldogs than any person living or dead, and sent Canada's name abroad by exporting more Bulldogs than all the rest of the breeders of Bulldogs in Canada combined.

I am writing this for such honorable breeders as Mr. Short, also of London, who has more years on his grey head and more years in the C.K.C. than any one you mention. There are others if you care to check up who have given their lives to the cause and are hurt and insulted by not even a mention. I am sorry to write this, but if the special privileges are starting all over again, it is in the interest of the Club.

WILLIAM E. COOPER

Piccadilly Bulldog Kennels, Reg.,
London, Ont.

As mentioned in the Memo from the Editor last month, it was impossible to include every Old-time breeder in the Ontario issue. It was decided to highlight those C.K.C. members who were eligible for the long service buttons at the date of publication. C.K.C. Ontario Director J. W. MacCallum, who kindly compiled the notes for this presentation, did not receive the co-operation due him, but despite ill health prepared quite a list. Sorry we could not have touched on everyone. As for "special privileges to special members", this may have prevailed in the past but does not now, nor will it. Can Mr. Cooper define who would qualify for the title of "special members?"—Ed.

MORE ON RETRIEVER CHART

. . . We of the B.C. Gun Dog Club Inc. congratulate *Dogs in Canada* on the scoring sheet, (April, 1957 issue) and on the excellent manner this chart conveys to the readers the placing of retriever dogs in the various Provinces of Canada. It is our wish, if possible, you publish a similar chart for 1957 in your 1958 issue. From good authority, your magazine is considered beneficial, also interesting to all readers out here on the Coast.

OSCAR RICHARD

. . . Thank you for forwarding an inquiry and a purchaser of a Weimaraner. I am pleased that you remembered me.

LORNE FISCHER

Von Hansadorf Kennels,
Guelph, Ont.

. . . For some time I have been intending to write to you to compliment you on the many and definite improvements you have made in the magazine. I have hesitated however, for fear that the improvements might be just a flash in the pan and another case of a new broom sweeping clean.

But the improvements are now so long standing, and the quality of each issue so uniformly high, that I'm now convinced those improvements are here to stay.

What pleases me as a breeder is the fact that the improved editorial material is providing a proper background for our advertising and this is reflected in the inquiries we are receiving. Not all inquiries result in sales, of course, for we are trying to breed quality stock, to raise the puppies carefully and to deliver to the owners a youngster that will be a source of no worry from the day it arrives. As a result we can't sell our puppies at pet prices.

However, since the first of the year we have made at least six good sales, at our prices, that are traceable directly to *Dogs in Canada*, and what has been surprising is the number of U.S. inquiries. As a result of these U.S. inquiries Oak Gables Miniature Schnauzers can now be found in Yuma, Arizona, Salt Lake City and Malone, N.Y.

he was never heard to speak disparagingly of anyone.

It was in television that he had his greatest success. People who knew nothing about dogs were soon recognizing all breeds; and British TV viewers who had never met him, talked about him as a man they met every evening to exchange views on the affairs of the nation.

Elizabeth Somerfield has been appointed to fill his column in *Our Dogs*. She writes: "The frightful tragedy took all the joy out of life and we find it difficult to realize that the cheerful, boisterous, warm-hearted "Mac" isn't going to be around any more. The task now falls to me to fill some of the space that he so brilliantly occupied."

Two minutes' silence was observed at many English shows before judging started.

ANY TAKERS?

. . . Quebec being the second largest in dog owners and breeders in Canada, it is a startling fact that our Kennel is the only registered Beagle breeders of show type Beagles showing and breeding in the Province. Beagles being so high in popularity, it is strange and rather sad that Quebec has no other show type breeders. The Field Beaglers are certainly strongly represented by the going concern of the Tai-O-Beagle Club which we heartily support and are members.

A plea for show Beagles. Please let's see more Beagles benched representing Quebec Province.

MRS. JOSEPHINE R. GRANT

Curiosity aroused, we perused the catalogue of The Ladies' Kennel Club of Canada 1957 show, and noted several other P.Q. Beagle breeders entered. The thought occurs that Mrs. Grant and the very few exhibiting Beagle breeders might form the nucleus of a show-type Beagle Club, for their own benefit and that of the breed.—Ed.

CALLING SHORTHAIR OWNERS

. . . I would like to appeal to all German Shorthaired Pointer owners to have a get-together and try and form a breed club. In this way we could run Field Trials for Shorthairs only, and bring out the great versatility of this really wonderful breed. We could also run a breed show in connection with other shows and bring the breed to its deserved position.

If people interested would send their enquiries to me I would be glad to become the focal point until we get organized and a board is selected.

THE OLD TIMER

Dogs are like kids, said the Old Timer. They've got to get a good start.

"You know," said the Old Timer, "I can tell when I go to a kennel whether I want to do business without seeing any of the stock."

I looked at him surprised though by now nothing about the Old Timer and dogs should have surprised me.

"Yeay, my nose knows", he said.

Well I'd seen the Old Timer look at a litter of puppies, still wet from the sac and say "this one will really be something," and be proved right. And I'd seen him look at a dirty, untrimmed terrier brought to him on a clothesline lead and say, "After I've had this one in my kennel a couple of months I'll have a thousand dollar dog." And again he'd be right. But to claim that by scent alone, without seeing it, he could tell whether he'd be interested in a puppy, was something else again. "How come?" I asked. "You're kidding, aren't you?"

"Not kidding a bit," he said, and went over to his supply cupboard and poured about a half-cup of a disinfecting solution into a pail of water. "Dogs are like kids," he said. "They've got to get a good start. If they don't get it in the first two or three months they'll rarely make it up over the rest of their lives. Let's compare a puppy of three or four months with a kid six or seven years old. Now if that kid grows up with shiftless people, if its never fed properly, if it doesn't learn that cleanliness is next to Godliness what's it going to be by the time it's 14 or 15?"

I admitted the youngster had two strikes against it before it even got to bat but I argued that many good people had come from a very hard background.

The Old Timer leaned on his mop handle. "Sure," he said "there are exceptions to every rule. But I don't want to gamble on exceptions. When I buy a puppy or a dog I want to know it's been given the right start. I want to know both it and its dam have been fed the right food, been wormed at the right time, and given the vitamin supplements they need. In other words I want to deal with conscientious, intelligent breeders, not with a puppy factory."

I asked what all this had to do with picking a puppy by smell.

"Go into a puppy factory and you'll know," he said. "The operators are so interested in making a fast buck, they have no time to look after their dogs. The stench'd knock you down and they'll blame it all on doggy odour."

"But isn't doggy odour always a problem?" I asked.

The Old Timer stopped to light his pipe. "You're in my kennels now, aren't you?" he asked. "I've 38 dogs kenneled here. And do you smell any doggy odour?"

I sniffed the breeze. There was none and I told him so.

"One thing I've noticed in my years in the dog game," he said "is that when I go to a kennel where there's a heavy doggy smell the door's usually opened by a woman wearing a dirty old house dress and wrinkled stockings or by a man who hasn't shaved for a week and whose hair looks as though it hadn't seen a comb for longer that that. I've no time for that kind, for I know that nine times out of ten their breeding program has no planning behind it, their puppies are poorly raised and if they should happen to have a good one it will be purely by accident."

"Brings up a lot of questions," I said. "What should the average person look for when they're buying a puppy?"

The Old Timer thought for a minute. "Well I've talked a lot already about cleanliness. That's basic. Where you find clean, well ventilated, odour-free kennels you'll usually find careful breeders, and, healthy stock. And you'll usually find people who sell the puppy

for what it is, pet or potential show specimen. So, I'd say, look for cleanliness first."

"And next?" I asked.

"Look at the dam of the puppy before you look at the puppy itself," he said, "and the sire too if he's in the kennels. In the puppy you're looking at a baby that'll change a lot before it's matured. But one thing you can depend on—it will have a lot of the parents' characteristics when it grows up. If they're poor specimens, the puppy is not likely to be much better. If they're shy, nervous or vicious, the puppy is likely to develop some of these characteristics too. Yes, you can learn a lot about what a puppy is likely to be just by looking at its sire and dam." He paused to think a minute and to clean out the bowl of his pipe.

"One thing I forgot about," he said. "Before you go to buy any puppy it's common sense to buy a book about the breed you're interested in. Learn whether it should have an undershot jaw or a scissors bite, whether it should have a light or a dark eye, whether it should have prick or tipped ears, whether it should be long in body or short in back. Do that and you'll know what to look for when you come to see the puppy itself."

"And then what?" I asked.

"Well I've read in a lot of dog books that the buyer should pick the puppy that comes to him confidently and gaily, and avoid like the plague the one that cowers shivering in the corner. That's fine, as far as it goes—but it doesn't go far enough. Certainly that cowering, shivering, wee beastie is not likely to grow up into a cocky, confident show dog, but by the same token the aggressive puppy may have a million faults. So examine the youngster carefully against the standard you've already studied.

"First of all does it have bone—for all dogs, whether Chihuahua or a St. Bernard must have the proper bone in ratio to size. How are its feet? Are the toes nice and compact or are they spread out far apart? Bad feet can be indicative of bad raising. What about the pasterns and hocks. Are they straight and strong or are they so weak that they bend under the pup's weight and are incapable of carrying the dog with the drive it should have? Where is its tail set on? How long is its neck? Look at all these things in the light of what the standard of perfection says the dog should have."

"And at what age should people buy a puppy?" The Old Timer didn't hesitate in answering this one. "With me certainly not before three months," he said. "Four or five months would be better, but at that age they're likely to cost more because the breeder has put more into them. Buy 'em at six weeks, as so many do, and they're scarcely weaned. The new owner—usually inexperienced with dogs—is going to have to see the youngster all through its puppy troubles.

RECENT TRIALS

At the Ladies' Kennel Club Obedience Trial held in Montreal on April 28 last, Mrs. R. W. Tyner of Senneville, Que., handling her Standard Poodle, Amanda of Merrychance, walked off with the highest score in the trial by scoring 199 in Open "B" and also placing first in the Utility Class with 197 points. For their efforts, Mrs. Tyner and "Mandy" were presented with the House of Seagram Trophy amidst a terrific round of applause from the large and enthusiastic audience gathered in the Hussars' Armoury.

A Miniature Poodle, Metropolitan Michael, owned and handled by Miss Joan B. Kyle of Montreal, placed first in Novice "A" with 193 points. In a small Novice "B" class, Mrs. T. G. Hawkins and her Boston Terrier, Fay-Don's Star of Perfection, lived up to its name by placing first with 192 points. Open "A" honours were won by a Boxer, Count Kurt V Stroheim, owned and handled by Mr. Peter Lee Doyle of Ottawa, Ont. This team put on a great performance and they were rewarded for their efforts by scoring 196 points.

A total of 33 entries were put through their paces by Judge Robert Noerr of Stamford, Conn.

The Ottawa Kennel Club held its Obedience Trial in the Coliseum on Saturday, May 4.

Top dog in the trial was a Cairn Terrier, Cairndania McRuffies Muldart, owned and ably handled by Mrs. Jane Kuntz of Ottawa. This dog earned a score of 196 points out of a possible 200 in Novice "A".

A run-off was required to determine a winner in the Novice "B" class. Mrs. T. G. Hawkins of Montreal and her Boston Terrier Fay-Don's Star of Perfection, copped first place with 193, followed closely by a Shetland Sheepdog handled by Mrs. Sybil G. Jardine, also of Montreal, who scored 193 points. From Ottawa, Mr. Peter Doyle's Boxer, Count Kurt V. Stroheim won first place in Open "A" by scoring 183½ points. In Open "B", Woodland's Jolly Girl, a Miniature Poodle, owned and handled by Mrs. A. M. Birch of Montreal, took first place with 188 points. Mrs. F. H. Mingie of Pointe Claire, Quebec, handling her Shetland Sheepdog, Champion Cinderella Gypsy of Ronas Hill, placed first in the Utility Class with 178 points.

We have been attending obedience trials in Ottawa for a good many years and to our way of thinking, this was the best organized and run trial ever held in Ottawa. This corner would like to congratulate the Club's President, Mrs. L. W. Jackson, the Obedience Chairman, Mrs. G. J. Macdonald and all the directors and officers for a wonderful show.

MEMO FROM THE EDITOR

Dogs in Canada is published for the information and enjoyment of its readers. Its aim is to increase interest in purebred dogs and their welfare, and to promote sales for the advertiser. Every magazine worth its salt must have thought-provoking articles. *Liberty, MacLean's, Time,* all air questions which may or may not be of great import. Immediately after every such controversial article, their Letters to the Editor columns carry both explosive and laudatory comment, which makes for additional interest.

It is good and proper to discuss both sides. However, we cannot hope to accurately assess just how light or how serious any questions may be. The most reliable persons may have widely divergent ideas of degree.

We would like to make it clear that now and in the years to come, this magazine is not the medium through which to pursue personal differences. That these do exist in a fancy that comes so close to the heart, no one denies. But no person will be knowingly harmed through these pages. The publishers have no axe to grind nor will this publication be used as a whetstone for others.

If readers have opinions or criticisms of material presented and wish them expressed, "Letters to the Editor" is the place. Letters in good taste, or at least the meat of them, will be printed over the writers' signatures. Please state definitely at the conclusion of your letter if you do not wish it published, so that there will be no doubt.

It's not too late — to request a year's free subscription to *Dogs in Canada* for the winners of the boys' and girls' handling classes at your shows — sanction matches included.

Free: *Dogs in Canada* offers a one-year complimentary subscription to the graduate with the highest standing in each Obedience Class — from coast to coast. If a graduate is a member of the CKC, and already receiving the magazine, the 12 issues will be sent to an alternative person. Names and addresses should be sent promptly to this office by the Club secretary in time for the graduation, so that the first issue may be presented at that time.

Missing copies? If you are a member of The Canadian Kennel Club, write or telephone the CKC office at 667 Yonge St., Toronto. If a non C.K.C. member subscriber, contact this office once you are certain it's not merely a matter of tardy mail delivery. We don't want you to miss a single copy of *Dogs in Canada.*

Going-to-press news is that through the efforts of C.K.C. president, Mrs. Eileen McEachren and executive secretary Norman Brown, Canadian dogs may be taken into the U.S.A. for show purposes without cash deposit or other surety. Further details in the August issue. Meantime, contact Mr. Brown for immediate information.

MAGNETIC QUEBEC

QUEBEC is a province of excitement. The Laurentians, rising in increasing heights along a curving highway north from Montreal, and the Eastern Townships below, beckon skiers to a colourful winter vacation; at other seasons it is an irresistible invitation to riding, camping, hiking along mountain trails. In Fall the hills are ablaze with molten tones of gold and bronze.

There is the added zest of the French tradition, blending with Canada's quickening tempo — a tang which induces New Yorkers to forsake the Great White Way and head for the hills. It's a great legacy, but what about the inheritors? Dissention rarely erupts into more than a flare of temper or a brief demonstration, although the feelings on either side may be equally unyielding. "The Queen? Who is she?" quipped a flip taxi driver recently. And Montreal's newest hotel—not even the recent federal elections drew such heated arguments as to whether it should be named the Queen Elizabeth or the Maissoneuve.

Much of the urban charm stems from its ornate architecture which in turn has been influenced by history and religion. And in the days of Upper and Lower Canada, these two were virtually one. In the tiny villages life has changed but little—except for the introduction of television and neon lights which brighten life in even the most unambitious abodes. You can still see the early planning of the settlers' land by the long narrow strips, apportioned so that every settler would have direct access to water.

Maple sugaring is still the exciting (or laborious, depending from which end you view it) process—tapping the sugar maples, boiling the sap in big vats in the bush, testing for thickness by dropping samples in the snow, and pouring the golden brew in little fluted tins or foil containers.

OBEDIENCE IN QUEBEC

Dog obedience training was born in the Province of Quebec in November 1946 when Miss Blanche Saunders came to Montreal to demonstrate what dog obedience training really was, at the request of the Montreal SPCA, through Mrs. A. E. Carter, then president and Mr. W. N. (Bill) Dunlop, general manager of that organization.

An overflow crowd jammed into Victoria Hall in Westmount to watch Miss Saunders demonstrate with her black Standard Poodle, Champion Carillon Jester, U.D.T. They also saw three excellent colour films which were produced by Miss Louise Branch, who accompanied Miss Saunders to Montreal.

Mrs. Lorna Casgrain went to New York in February 1947 to take one of the A.S.P.C.A. training courses. When she returned to Montreal it wasn't long before the Montreal S.P.C.A. sponsored the first training class with Mrs. Casgrain as the instructor. In May 1947 the first class was under way with less than a dozen dogs entered. The first graduation took place in the Hussar's Armoury on July 29, 1947.

The people of the Province of Quebec saw their first official obedience trial approved by the Canadian Kennel Club in May 1947. The trial was held in conjunction with the Annual All-Breed Dog Show put on by The Ladies' Kennel Club of Canada, Inc., in Montreal, P.Q., with most of the entries from the United States. The well-known American judge, Mr. Bert Turnquist of Boston, Mass., put the dogs through their paces. In an attempt to stimulate interest in obedience trials in these parts, obedience demonstrations were put on by members of The New England Dog Training Club of Boston, Mass., under the direction of their head trainer, Mr. Turnquist.

In 1948, those who had graduated from training classes wanted some means to continue with their obedience training. Thus, on November 10, 1948 a group of Obedience-minded people got together with Mrs. Casgrain to discuss carrying on as a group. Out of this meeting the first obedience training club was formed in the Province of Quebec, the Montreal Dog Obedience Training Club. Charter members of the organization were Misses Dorothy Budge, Camilla Harvey, Lea Herranen, Mrs. Nita Frye, Mrs. Lorna Casgrain, Mrs. Ruby Champion, Mrs. Dick McLellan, Mrs. Ruth Mingie and Messrs. Ivan Davison, Alphonse Racine, Douglas McLellan, Frank Mingie and Alan Sharp. The first trial held by this

Obedience record-setting American Cocker, Fidalta's Lucky Lady, C.D.X., owned by Mrs. J. H. Forrest.

Club was in 1949 with Miss Saunders as judge.

The Montreal Dog Obedience Training club has, since its inception, held a total of 15 licensed obedience trials with the last two trials held in October attracting a record number of over 60 entries each. This Club also has the distinction of holding the only three tracking tests ever held in Canada.

We are deeply indebted to Miss Lucy Lane, Miss Marion Barry and Mr. Jack Baird, our friends from the United States, for their invaluable assistance in helping us to organize and run our tracking tests.

Members of the Montreal Dog Obedience Training Club have drawn up and have made available to the Canadian Kennel Club for distribution, tracking score sheets for judges' use. The Club has provided an Obedience judge and a tracking judge as well as a number of first class stewards. Many members of the Club have assisted clubs in other centres in running trials. From the small start in 1948, the Club has a membership of some 75.

The Mountain City Obedience Club was formed in 1952 under the guidance of Mrs. Casgrain. Like its counterpart, this Club has a large membership of very enthusiastic obedience-minded people and has held 11 licensed obedience trials since 1952.

Both Montreal Clubs have done much in the way of organizing and running obedience training classes in Montreal and in other parts of the Province. Classes for children have been run for the Unity Boy's Club in Montreal and for Boy Scouts. Demonstrations have been given at such places as the Soldiers' Hospital in Senneville, Quebec, the Veterans' Hospital and The Children's Memorial Hospital in Montreal, as well as at many schools and social clubs.

Many of the well known names who have run or are running obedience training classes in and around Montreal are Mrs. Lorna Casgrain, Mrs. Evelyn McCullough and Mr. Charles McCullough, Miss Sheila Houstoun, Miss Lea Herranen, Mrs. J. H. Laurie, Mrs. Ruth Mingie, Mrs. R. W. Tyner and Mrs. Edith Gurd, and others.

Many dogs in Quebec have distinguished themselves in Obedience rings both in this country and in the United States. For example, Mrs. Casgrain's Standard Poodles, Itou of Saguenay and Petitcote Becky both hold the American and Canadian titles of U.D.T. Mrs. R. W. Tyner's Standard Poodle, Amanda of Merrychance, was the first dog to gain both an American and a Canadian U.D.T. Mr. and Mrs. W. A. Newcombe's Miniature Poodle, La Petite Coquette, also has attained American and Canadian U.D.T. Another outstanding dog is a Sheltie, Ch. Cinderella Gypsy of Ronas Hill, owned by Mrs. Frank H. Mingie of Pointe Claire, Que. Besides being a bench champion, this dog is also a Canadian U.D.T.—the first dog in Canada to attain such a high honour. Other well known handlers whose names have been associated with "obedience" for many years, have done extremely well either in Canada or in the United States. They are, Miss Sheila Houstoun, Mrs. Pamela B. Mack, Mrs. James Dempster, Mrs. R. H. Bryson, Mr. J. M. McDougall, Miss Dorothy M. Budge, Mr. and Mrs. J. L. Chevrier, Mrs. A. M. Birch, Miss Catherine Harrison, Mrs. Jean Ferrabee, and many others. Other people who have done much for obedience around these parts are Mr. Frank Mingie, Mr. George Wegg, and Mr. Alphone Racine, donor of the Racine Trophies.

In speaking of outstanding performances in the obedience ring we recall that of a two-year-old Cocker Spaniel, Fidalta's Lucky Lady, then owned and handled by Mrs. L. R. Champion of Montreal. "Lucky" did what most people thought to be the impossible by earning a perfect score of 200 in two

QUEBEC DOG FANCY

The beautiful Province of Quebec is noted among other things for its fine dogs and the keenness and sincerity of its breeders. Dogs bred in Quebec have travelled far and wide and have always given good account of themselves in top company in the breed rings, obedience or field trials and we hope that the breeders from Quebec will continue to keep up the good reputation of our dogs, and the sportsmanship of our exhibitors.

Among the active clubs in Quebec are the Ladies Kennel Club of Canada, who each spring hold a top show in Montreal, the Hull and District Kennel Club who usually have their annual show in August, and the newly formed National All Pets Association who last year held three very successful winter shows in Montreal.

In obedience we have a record to be proud of with the largest trial in Canada to date held last Fall in the beautiful Laurentians, and also the first tracking tests in Canada put on by the same club (for further details see Alan Sharp's column).

In the field trials the Tai I-O. Beagle club run such excellent trials that the entry comes from several provinces and also the top hounds from the U.S.A. compete for their Canadian and American titles and find that they are sometimes led a merry chase by our own local hounds who are making quite a habit of leading the field, both here and at U.S. trials. Having a large and enthusiastic French membership adds interest and a cosmopolitan air to our shows which always attracts visitors from other provinces.

This year the members of Quebec were particularly pleased and honored to play host to all members of the C.K.C. at the Annual meeting held in Montreal. This did a great deal for dogdom in our province and gave many of our members, who have not had an opportunity to attend previous meetings in Toronto, a better insight into the running of the Canadian Kennel Club, and a chance to meet in person the members of the Board from across Canada and our genial Secretary Norman Brown, who I am sure to many had till then been a signature at the end of a letter. Mrs. Eileen McEachren, with her graciousness and charm, did so much to make all the members feel welcome and at ease that the meeting was a great success and I hope that for the benefit of all the members from Coast to Coast, meetings can be held from time to time in other Provinces to bring us into closer unity to all work for the improvement of pure bred dogs in Canada.

At the Annual meeting 15 Quebec members were honored with long service buttons, several of them are now unfortunately no longer active breeders but they are all remembered with pride and affection for their contribution to the dog game in Quebec.

On the honoured list were:—

MRS. R. P. ADAMS of Talisker Skye fame, who undoubtedly has done more for her beloved Skyes in her fifty years of breeding, and has imported the top lines from England to keep up this old and fascinating breed. Her imports have gone to many countries including Europe and have always been in the winners circle. Mrs. Adams is a past President and Director of the Ladies Kennel Club of Canada, and a Director of the Skye Terrier Club of America.

MISS W. M. STEGGALL of Winna Pugs is almost too well known to need introducing. As President of the Ladies Kennel Club she has been the mainstay of the Club and a tireless worker for our shows. Her Winna pugs were truly aptly named and she has a proud record of six generations of home bred Canadian and American Champion Pugs which I doubt can be equalled by any other breeder in this country or elsewhere.

MRS. C. DE P. DONIPHAN with the Wangza Pekingese has been a consistent breeder of high quality stock and many of our top Canadian Pekes carry the Wangza blood lines.

MRS. MARIE LEEMING of Fairness Pomeranians has always had lovely dogs in the ring and while not so active at the shows in the last few years she is still true to the little high steppers and carries on with her usual high quality stock.

MRS. G. THOMPSON, while no longer as active, is still interested in the Toy breeds, and always likes to hear news of the shows.

Among our male long service members the dean of them all is JOHN SHEEHAN, whose Kildare bulldogs and Bostons have always given a good accounting of themselves. Mr. Sheehan is the youngest and spryest 80 years young and as an all breed judge was well known across Canada and has judged many of the top shows.

(Continued on page 29)

Mrs. R. P. Adams, Ste. Agathe des Monts, Que., world-famous breeder of Skye Terriers, (Talisker Kennels, Reg'd.,) is shown with just a few of her champions. On the table is the noted Can. and Eng. Ch. Rhosneige Redoubtable.

From the AVMA Journal comes this helpful article by Dr. Jack O. Knowles on

TRANQUILIZERS

Tranquilizing agents may be divided into three groups, according to their indicated use.

These are useful drugs. They are, in effect, chemical restraining agents and are more gentle, humane, and pleasant to use than physical restraint. They are quite safe, even when tested with several doses per day over a period of time much longer than most veterinarians would wish to use them.

For example, we would take an animal with chronic otitis and treat it once or twice under the influence of a tranquilizing agent then, without comment, would withhold the drug during the next treatment. The owners usually have indicated that they preferred to have the tranquilizer used; the dog was more quiet, shook his head less after treatment, and was more peaceful when taken home.

These drugs act to produce a sense of euphoria in the recipient—the animal just "doesn't give a darn." They will respond normally to stimuli of hunger and thirst and the necessity for elimination.

There are many tranquilizing drugs now and new ones are being produced almost daily. To date, we have been using those produced for use in man but the first one intended for veterinary use exclusively, pacital, has recently been announced. It can be injected or given in tablets.

Meprobamate Drugs

We will first discuss the meprobamate group, which are known by the trade name of equanil and miltown. These drugs have fewer side effects than the others and, therefore, would be considered safest, certainly the safest for constant use. One of their prime advantages is that they cause no alteration of the autonomic nervous system and, therefore, digestion, perspiration, and other normal body functions are unaffected.

Some veterinarians have reported trouble with diarrhea with certain tranquilizers. This would not be anticipated with a drug that does not alter the autonomic nervous system.

One limiting factor in the use of this group of drugs is that they are only slightly soluble so they must be given orally, and there is a time lag of about an hour from the time of administration until the drug is fully effective. We find it effective in a fretting hospital patient —the dog that whines and barks when confined. By giving an adequate dose two or, if necessary, three time a day, the dog becomes relaxed, more cooperative, and seems not to mind confinement. The animal shows no sign of ataxia and the owner does not notice the effect.

If we anticipate that the animal will be returned for further treatment, either a nervous dog or one that may need some uncomfortable treatment, we dispense the pills with instructions to give the medicine an hour prior to the appointment. The drug has usually taken effect by the time we see the animal. These drugs are also of benefit for car sickness and many minor conditions such as fear of thunder and lightning. We also dispense them for animals that have a tendency to molest stitches or irritating bandages.

Chlorpromazine and Promazine

The second group, chlorpromazine and promazine, are phenylthiozine derivatives. Promazine is less depressing than chlorpromazine, the one that we usually use. These are a little more depressing than the meprobamate drugs; therefore, we have used them in the hospital almost exclusively. We do not dispense them. Their big advantage is that they can be administered by any route—intravenous, subcutaneous, intramuscular, or *per os*. We usually use them for injections only, because we like the meprobamate drugs for oral administrations.

When a dangerous dog is brought to us, we have the owner hold it against a wall while we inject an adequate dose of the drug into the hip muscles. In about 15 minutes the dog is docile and can be handled. If a dog become refractory, tense, or nervous during a procedure such as cleaning its teeth, we give it an intravenous injection, then wait about five minutes. It is then much more cooperative.

We also use these drugs where an unusual amount of cooperation is required, such as for x-ray therapy. The dog will usually lie quietly for the four or five minutes required for treatment. This is better than giving an anaesthetic every three or four days, especially since many such patients are old dogs.

The tranquilizing drugs in this group are quite effective as pre-anesthetic agents. They do not cause a stage of excitation and, therefore, they complement barbiturate anesthesia. Their use can reduce the amount of anesthetic required by about 50 per cent. We like them better than morphine because the animal is less affected mentally after recovery from the anesthesia.

Anticonvulsant Drugs

A third group of drugs are actually anti-convulsants. Whereas the first two groups are tranquilizers which have some anticonvulsant action, these are anticonvulsants that have some tranquilizing properties. Phenocitamide, or phenurone, has been available for some time; it is used for convulsions of the *grand mal* type in man. We have used it to control convulsions, with only slight interference with normal functions. A heavy dose may cause some ataxia but the animal can eat, can still maintain house manners, and its ambulation is adequate.

We have used this drug in two types of conditions; in dogs that have had more than one fit, and in dogs in which convulsions are anticipated. It will control all but the most severe convulsions. We have used it experimentally in cases that were obviously hopeless and, while some of these dogs have died, they did so without convulsions. At least the convulsions became so mild that it was difficult to recognize them.

The second use has been in cases where from past experience convulsions were anticipated. For example, we have learned that after the dog with hard pad has had a temperature a little over 102 f., congested eyes, and a thick nasal discharge for two or three weeks, it will often develop convulsions regardless of the treatment; also, no therapy will break that fever. Such dogs are given an adequate dose of phenocitamide for many weeks, or even months. Some of these dogs have died, but not in convulsions, while several have recovered.

There have been reports on the use of phenocitamide that are more optimistic than ours. However, all of us have used it on a fairly limited number of patients and, therefore, we can only say that the results are encouraging and interesting. In another year we should have reports on a sufficient number of cases to be able to draw some conclusions. This looks like a useful tool in the management of an extremely discouraging condition.

None of these drugs are, of course, going to replace kindness. They simply will serve to augment kindness and will permit us to extend a gentle treatment to animals which, by their temperament, have in the past been a problem. Perhaps the best way to describe the benefit from these drugs is to state that their use can replace physical restraint with "chemical restraint."

DOGS and PEOPLE

Tamara of Tamboer, sole Borzoi entry in the second annual Tantramar Kennel Club Show, went Best in Show under Judge Ted Gundersen. She is owned by Mrs. Michael Andrews. Winner of the Sporting Dog Group was Ch. Brookside Wampum, owned by Owen N. Sawler; Tamara of Tamboer took the Hound Group; the Boxer Ch. Valmax Dreadnought, owned by F. The Tantramar Kennel Club represents the towns of Amherst and Springhill in Nova Scotia, Sackville, N.B. and surrounding areas.

Said to be the first litter of Rhodesian Ridgebacks born in Quebec Province, these pups are part of a litter of nine. Owners are Mr. and Mrs. Frank Gore of Montreal.

One of the distinguished visitors to the Morris and Essex Show was Mrs. Phyllis Robson, a former editor of *Dogs in Canada* and now famous for her column, Rambling Around in the English *Dog World*.

Ch. Snowland Saratov owned by L. P. Cozens, Langstaff, Ont., took BOW in Samoyed Specialty at Rumson, N.J. and Plainsfield, N.J.

Died: J. T. (Jack) Waggitt, of the once well-known Arndale prefix, at the age of 87. He bred and exhibited a variety of breeds in England and in 1915 purchased two Smooth Collies in Canada and made them champions. Lacking competition he showed Pomeranians and had the largest kennel of orange Poms in Canada. Later he became interested in Wire-Haired Terriers, Scotch Collies and Scotties.

He was a keen club member and was for several years president of the old Eastern Collie Club and the Toy Dog Club of Ontario; a director of the C.K.C. during the presidency of the Hon. Joseph Russell, and a well-known all-round judge.

"WILDAIR" REGISTERED
Irish Setters

Breeding and showing for the perpetuation of a beautiful show dog and a wise and happy hunter. To keep alive the identification of "Wildair" as Canada's oldest Irish Setter Kennel, we have bred two of our lovely bitches:

1. CH. WILDAIR CASAMIA FAME to Red Sails Pride of Devon.
   (this is a repeat mating that produced 12 beauties last year).
2. WILDAIR SIR MICHAELS DREAM to Ch. O'Seaton's Gallant Gael.
   (these two are both grandchildren of our late Ch. Ghost of Devil's Glen. In this mating we hope to recapture some of the great qualities of the famous Ghost.

We breed for everything — type, quality, soundness, disposition and good bone.

Some of the puppies from these matings are still available. Be sure the pup you buy is from proven great stock. We invite inspection of our breeding stock so you may be advised of what to expect from our youngsters.

If there were better bloodlines we would have them.

OVER 60 ENTRIES AT MOUNTAIN CITY OUTDOOR TRIALS

by Lorna Casgrain

Two sunny days greeted the 60-odd entries from Quebec, Ontario and U.S.A. the weekend of June 1 and 2, when the Club's 10th and 11th Annual Trials were held on the beautiful estate of Commander F. W. R. and Mrs. Angus at Senneville, near Montreal. We enjoyed having Mrs. Laura Dale and Mrs. E. G. Osborne of New York for what we believe was their first Canadian judging assignment. The beautiful Angus

Norma Brennan, Montreal, is shown with her Rudolph of Horner Moor, who completed his C.D.X. degree.

Challenge Trophy, presented for the first time, was won by Olive Tyner's Standard Poodle, Mandy, for the highest score by a Canadian-owned entry in any one official class in the two

Trials combined. The Anguses also presented Mrs. Tyner with an attractive replica of the trophy for permanent possession.

Mandy's 199 and 198½ in Open B placed her ahead of Barbara Adeles' Miniaure Poodle, Tico, who completed her C.D. with 196 and 197 in Novice A, the latter winning her first place after a tie-score run-off with Joan Kyle's Miniature Poodle, Michael. Complete results will be published in a later issue of *Dogs in Canada*, but several other outstanding wins should be mentioned here: Mandy's 199 in Utility; the Sheltie, Melodylane's Blue Belle, owned by Mr. and Mrs. Charron of Chestertown, N.Y., who won Novice B each day with 198½ and 198; Rudy, German Shepherd owned by Norma Breenan, winner of both Open A classes with 197 and 195, completing his C.D.X.; and Mr. J. Harper's Petey, Standard Poodle who won Novice A on Saturday with 197 in his first Trial. Winner of the unofficial Beginners' Novice class both days was George Meech's Boxer, Trudi.

During the Trial Dinner the Anguses were presented with a gift from the Club, and the Club's engraved silver coasters were awarded for Obedience degrees earned by members' dogs since last Christmas: C.D.: Madeleine Amos' Miniature Schnauzer, Bob; Dorothy Blair's English Setter Yeoman; Barbara Adeles' Miniature Poodle, Tico; Kay Hawkins' Boston Terrier, Star; Lily Gustafson's Miniature Poodle, Lulu. C.D.X.: Norma Brennan's German Shepherd, Rudy; Mrs. R. H. Bryson's Standard Poodle, Cobber; Madeleine Amos' Miniature Schnauzer Buttons.

The Bonzer Trophy, a large silver tray donated by Mrs. Bryson in memory of Bonzer, Can. and Am. C. D. X., was presented, together with a replica to the winner for 1956, to the writer's Standard Poodle, Becky, for the four highest scores gained during the year by a Club dog.

MRS. JEAN O'MAHONEY
R.R. 1 - Canfield, Ont.

It takes serious planning but you can build kennels efficiently and reasonably

Sound kennel planning

Breeding dogs on a large scale is a business and should be run as such. Naturally you will have people coming to see you and your dogs. This can be a mixed blessing, and along with the dogs should be handled with a minimum of fuss.

A properly designed kennel is the answer to both. There is no need to have customers and inquirers invading the privacy of your home. This kind of kennel, with properly arranged rooms and runways, will cost money but on the whole, with sound planning, can be done economically.

One such kennel is that of Mrs. Pamela B. Mack, whose neat, efficient Macksons Kennels Reg'd. is located at 6450 Cote De Liesse Road, Dorval Station, near Montreal.

The entire building, with kennels adjoining the house, is made of slab concrete. Walls are concrete block with white stucco covering, black trim and wrought iron fixtures and railings. Entrance to the kennels is down three steps from the kitchen, which is the only connection from the house.

The whole impression of the kennels is brightness, cleanliness and order. Materials have been chosen not only for durability, but ease of cleaning. Flooring, for example, in the office, puppy room and hallway is Vinylite over concrete, with plywood underflooring and four-inch rubber baseboard. All the floors in the kennels, grooming, feeding and washrooms are coloured concrete with a drain in the centre of each room.

The feed room is trim as a kitchen, with built-in tin-lined feed bins divided into three sections for biscuit and meal, placed under the window. The frigidaire, stove and cupboard are in good working position and the door opens onto the runways.

One corner of the grooming room holds a built-in bath, with a cupboard conveniently at its side. A double cupboard provides space for storing towels, grooming equipment, etc. The generous sized grooming table has its own stand for holding dogs, and is well-lighted, by an overhead swivel fixture. This room also contains two large pens with an adjacent heater for drying, and four wall pens for holding dogs to be called for.

The kennel, which measures 23 by 12 feet, has asphalt board walls. The pens are made of tempered masonite with galvanized tin floor. All the pens are three feet deep and have metal wire doors on double clips. Not even the most agile paws can open the latches. The lower tier is raised six inches from the floor. Both the grooming room and runs are accessible from the kennel.

The runs have a sloping asphalt base which means water cannot accumulate. Each run is six feet high, 16 feet long and four feet wide, surrounded by heavy mesh steel fencing. A large gate at the end of each run permits easy cleaning, which is also facilitated by a tap in the centre runway for watering and hosing the runs. Floodlights over doorway at the end of the runs permits easy vision even on the darkest night.

Temperature control is vital. This kennel has been planned to take care of every variation in weather. The windows have split bamboo drop blinds to keep the rooms cool in summer. The

exit doors have interchangeable double glass windows and screens, giving cross draught in summer. All doors between the rooms inside the kennel building have half glass windows which gives added light and enables one to see the dogs without disturbing them by entering the rooms.

Dark green is the colour chosen for the doors and window frames because it doesn't soil as readily as a lighter shade, and with the pale yellow tint creates a cool, cheerful atmosphere The pens are painted a medium green.

The kennel is heated by a hot air heating system installed separately in the house basement.

Speaking of puppies, two gravel runs each ten feet square in front of the house lead off the puppy room and are isolated from the kennel and the other dogs. Potential buyers can see the puppies without disturbing the other dogs.

"This kennel," maintains the owner, "is a very easy, inexpensive way to add onto a house, and makes its operation very simple. It could be extended to any size required, and if preferred the pens in the kennel could be made into single larger stalls for bigger breeds instead of the double tier of smaller pens.

"The runs are built on the inside of the L formed by the house and kennel. In this way the dogs do not see the cars and people arriving at the side door. They are protected in the winter from the prevailing wind, the kennel is more quiet, and the L of the kennel building provides shade in the afternoon."

Owner's Fierce Devotion is well-deserved says noted Quebec beagler and breeder Alvin Florea

THE BEAGLE

Current reports show the Beagle to not only lead the list in breed registrations in Canada, but in the United States there are twice as many pure-bred Beagles registered as Boxers, which claim second place. A few minutes reflection brings to mind three simple and valid reasons for this—

Trends in fashions

We are all aware of the rise and fall in popularity of various breeds as pets. Radio, television and current literature have remarkable influences on the buying habits of potential dog owners. The Royal Family's Welsh Corgi's, illustrated on the high society pages of our magazines, are a good example of how a breed immediately jumps up the social ladder. For the past 100 years the Beagle's numerical progress in North America has been slow and sure, so far without recourse to any of the above methods of promotion.

Beagle breeders

The vast majority are farmers, or former rural dwellers who like to hunt, and whose initial contact with the breed resulted in love at first sight. Their high regard for the ability of these hounds results in a peculiar type of fierce devotion which transcends the commercial aspects of dog raising. The average Beagle breeder keeps a sharp eye out for better stud dogs, and uses them to competitive advantage with the result that their kennels are generally well populated with pups. Good breeders are usually 'hound poor' in so far as they maintain, as long as possible, the maximum number of hounds they can afford. The true Beagler would sooner give a pup to a potential beagler than sell one for instance to an old lady in a city apartment, where the mature hound will never get a chance to display his true qualities, or reward the breeder with the satisfaction of making a contribution to the breed. Few Beaglers are hard-headed enough to operate a puppy factory on a paying basis, and thus are loath to spend money on advertising, or time corresponding or talking to people unlikely to really appreciate the breed. The breeder wants, above all else, to see in action the results of his carefully planned matings.

The inherent qualities of the Beagle

In England, the recognised home of the breed, it is vulgar to call the Beagle a mere "dog". He is a hound—a very special kind of dog. He can perform easily and efficiently in the hunting field the marvelous tasks of finding and circling back rabbits or hares with such style that will leave the owner, if he is a hunter, not only tingling with excitement and amazement but bursting with pride of ownership. Human beings that have overwhelming instints that lead them to pursue and kill game soon become staunch conservationists under the influence of their Beagles. If a rabbit is killed, the chase is off and the hunt spoiled. The real pleasure resolves itself into the matter of appreciation of hunting techniques, and styles, and the comparative and competitive evaluations of the innumerable qualities that have been carefully bred into and maintained in their hounds. From the foregoing it will be seen that the Beagle is a country dog, and it is disconcerting to see so many of these animals in cities and towns, trailing around sidewalks, exploring various scents, and as a result of "looking with their noses" getting killed by cars in such large numbers.

The reasons for their remarkable popularity as a pet are said to be many. The size, which varies from 11" to 15" (maximum permissible) at the shoulders,

means that food requirements are minimal. The shortness and non-shedding of the hair lessen this nuisance in the house. The friendliness, adaptability, playfulness, and love of children's companionship, their pleasant disposition and agreeable acceptance of an inordinate amount of physical torture without retaliation, unlike any other breed, endear them to the younger generation. Although they are a tough, hardy breed, probably the most outstanding quality is their intelligence. Beagles have been bred for this primarily, since a superior hunting dog is generally smart in every department. The good ones are extremely pliable and easy to train. Their presence is being felt in Obedience Trials—an occupatoin which is a far cry from their normal purpose in life.

While some breeds have been deteriorating because of being bred solely to win dog shows, the top flight Beagles in the country have been cultivated for the ability to win field trials, and to perform efficiently in the field. While Beagle breeders on the whole admire good looks and adhere, as far as practical, to breed standards, they will rarely risk the sacrifice of brain power by crossing to "vulgar show blood". The purpose of this breed is to hunt rabbits, and to be a hunting man's companion, and not primarily to win dog shows.

ATTACKING TICKS

Several kinds of ticks attack dogs and some carry disease to people, advises the Sergeant's Dog Care Center of Richmond, Va. A tick attaches itself to the dog by digging a barb into the skin. Female ticks engorge themselves with blood, grow to as much as a half-inch in length and turn gray. After about six days they drop and seek hiding places to lay their eggs, in cracks in the woodwork, under rugs, etc.

Ticks should never be pulled off an animal because they leave open wounds which may become infected. Humans can be infected when the ticks are crushed in removal. Instead, treat the dog's coat liberally with one of the modern canine insecticides. A good insecticide will make the tick inactive soon after applied, but may take up to 24 hours to kill the pest. After treating the dog, wait 24 to 48 hours until they die and relax their hold on the dog's skin. Then comb them out.

Guard against re-infectation so long as there are ticks in the area by repeating treatment once a week.

It's a Sure Thing!
A real money-maker.

announce the acquisition of CH. MALABAR'S ENCORE

This gorgeous young brindle was entered in Junior Puppy at five shows on the midwest circuit with the following results:—

May 9/57	Moose Jaw, Sask.	Judge, Wm. Nixon	Unplaced in winners class
May 10/57	Moose Jaw, Sask.	Judge, Wm. Dawson	Winners (3 points)
May 11/57	Moose Jaw, Sask.	Judge, Mrs. Elsie Murray	Best of Winners (3 points)
May 13/57	Saskatoon, Sask.	Judge, Wm. Semple	Winners Bitch (2 points)
May 14/57	Saskatoon, Sask.	Judge, Mrs. Dolly Wall	Best of Winners (2 points)

A Champion in less than a week at 6 months of age. We believe this to be a record in Boxers. She is being temporarily retired to await full maturity at which time she will again be shown and we expect will again break records.

We offer AT STUD our CH. MALABAR'S SUDDEN WARNING. "Storm" was entered in Specials Only at the above shows. At the first show he too was unplaced but at the next four he was **Best of Breed and Best Working Dog each day.** Mr. Dawson placed him best Can. Bred in Show. This male, not yet three years old, is a magnificent high stationed fawn with flashy white markings. He is a wonderful example of that rarity in Boxers "substance with elegance". Sound as can be, he is clean in shoulder, with correct layback and great reach of neck. He has tremendous depth of chest, beautiful top line and a gorgeous head. "Storm" has a clean skull and correct muzzle with the darkest of eyes and lovely expression. Sincere Western Boxer breeders should avail themselves of this opportunity to obtain this combination of type and temperament that has behind him a wonderful blend of the world's best bloodlines through America's top producers. His sire, CH. M. JANUS is by CH. HICKORY DICK; his dam CH. M. IRRESISTIBLE, is by CH. ELIXIR, both out of Champion bitches, descended from Champion bitches, bred only to Champion producers and going back only to Champions Sigurd, Lustig, Dorian, Utz and his litter sister Ch. Unze.

STUD FEE FOR CH. MALABAR'S SUDDEN WARNING . . . $75.00

For pictures and further particulars please write:— **MARK GORDON, 445 Oxford St., Winnipeg, Man.**

We take this opportunity to thank Mr. Scarpa of Malabar Kennels for letting us have these two great dogs and the six others that preceded them.

NEWS BITS

From the Spring Edition of Pooches' Papers (published by the Mountain City Obedience Club) we have extracted the following:

You may remember that at deadline-time of the Winter issue of Pooches' Papers we had room for just a line announcing the unfortunate fall suffered by Mrs. R. H. "Hoodie" Bryson. This happened one evening in January just as she was about to enter the hall for Club training. She slipped on a piece of ice, and went down—hard. Poor Hoodie had to be carted off in an ambulance, and an x-ray confirmed a broken hip. There were many long dreary weeks in bed, but you can't keep Hoodie down,—she came through it all with the usual good cheer, and is now able to dress and get around in her wheel-chair quite handily. There is no lack of visits, gifts and flowers from her many friends, and the Poodle boys, Boko and Cobber, are home once more. Minus their dumbbell, though —the personnel at the hospital must be wondering, still, what on earth it was the lady was clutching so determinedly when she arrived. We hear they had to pry it out of her hand. Hoodie and her boys are greatly missed around the Club—we hope they will be back "in training" very soon."

Mrs. Bryson is a member of the Mountain City Obedience Club and for many years has been very active in Obedience work. Mrs. Bryson and her poodles have done exceptionally well in obedience trials all over Eastern Canada and in many parts of the United States. We are very pleased to learn that she is making good progress following her unfortunate accident. We hope it won't be too long before we have the pleasure of seeing Mrs. Bryson at obedience trials again.

Editor.

We understand that the German Shepherd Club of Canada is hoping to run a tracking test next October in Capetown, Ontario. If this takes place, it will be the first tracking test ever held in Ontario. Members of the German Shepherd Club should be congratulated for being so ambitious. It's a lot of work but well worth the effort.

YOUR EDITOR SAYS:

We have often wondered why some people who take their dogs into an obedience ring don't pay more attention to the dog's appearance. Mind you, most obedience dogs we have seen in the ring are well looked after, are in good condition and are properly trimmed and groomed. Unforunately, however, we have seen some enter an obedience ring to be judged in a most appalling condition. It was quite obvious in those particular cases that the art of grooming was far removed from the handlers' minds.

Now please don't get us wrong—we are not trying to be over-critical but we are attempting to be constructive. We all know that when a dog enters an obedience ring it is being judged solely on the way it performs the required exercises. If a dog successfully completes all the exercises as required by the particular class in which it is entered, it passes—if it doesn't, it fails.

There are no considerations or points given for appearance in the obedience ring. We are not saying that there should be, but we are saying that owners and handlers should be more concerned about the dog's appearance and condition. We have seen some dogs being judged in obedience trials whose handlers had obviously given very little time, if any, to grooming the dogs. Such things as combs, brushes and hound gloves had been heard of perhaps, but not used in these cases.

Since obedience trials approved by the Canadian Kennel Club are open only to purebred dogs, we believe that each handler is morally responsible to prepare his dog for the ring, so that the dog will be representative of its breed. When dogs are entered in breed, handlers go to all kinds of trouble to ensure that their dogs are in good condition and properly groomed. Is it not reasonable to suggest that the same trouble and

It has been brought to our attention that Quarrybrae had given up Collies. That would be very hard to do. We are still trying to breed the best. Buy the best if we can. And sell the best. Our reputation these many years speaks for itself. For several years now we have only been able to sell puppies by reservation. Our demand has been beyond us.

To date our wins are:—

Perth County Kennel Club — May 20 (another Quarrybrae Champion added to our list). CH. QUARRYBRAE AIN'T SHE SWEET. Winners bitch, Best of Winners, Best Opposite Sex. Owned and bred at Quarrybrae.

care be taken with a dog entered in an obedience trial? After all, most obedience trials have come a long way in Canada breed dog shows and whether a dog is entered in breed or obedience, it is still seen by the public. Regardless of this, every dog should be in good physical condition and properly groomed while in the obedience rings. It takes time, energy, and in some cases money to do this, but you owe it to the dog, and in the long run it's worth it.

As we said before, most handlers are aware of the necessity of conditioning and grooming their dogs for trials, There are a few, unfortunately, who have become just a little bit careless about these very important things. It is to be hoped that the carlessness of the few will not tend to influence the many.

The Old Timer

(Continued from page 9)

He's going to have to look after worming, distemper inoculations and everything else the baby requires. And he's going to have a puppy that's too young to train. But if he buys it at three months or more many of the youngster's troubles are behind it. It's old enough so you can get some idea of what it's going to be. And certainly it's trainable."

"But you've made this quite a performance," I objected. "After all most people only want a pet, and for a pet isn't one just as good as another?"

"Son, I'm going to tell you something," he snorted! "Ninety per cent of people exhibiting at dog shows today bought their dog only for a pet. And then somebody admired it and told them it should be shown. Or they went to a dog show and decided their 'pet' was as good as many of the dogs they saw in the ring and on the bench. And they were bitten by the bug and they became exhibitors. It doesn't happen in all cases, but it does in many. A little care in selecting the puppy will pay many dividends in satisfaction later."

I had no argument. I too had bought my puppy as a pet, had gone to a dog show and I, too, was now as avid a ribbon collector as you would find in any dog show ring. Again the Old Timer was right.

Magnetic Quebec

(from page 12)

Artistic craftsmanship comes naturally to Quebecois. Now much in demand for decor, the handwoven rugs, woodcarvings, metalwork and pottery were at first prime necessities. The durability of the items, and the obvious feeling for colour and form, have made them treasured by tourists.

In the cities, the ornate churches and their pageantry attract visitors of many faiths. And while jet planes tear through the air, there are still teams of oxen in remote areas.

The remaining sections of forts and thick stone walls remind one that the bitter battles for English, French and American supremacy are not very far behind. Quebec, high on its rocky eminence, is the only remaining walled city in North America; it is also one of its oldest—founded in 1608. At nearby Sillery is Canada's oldest house. Montreal, with its population of one-tenth of all of Canada, is all the more enchanting for being an island with a mountain in its middle. The mountain, in turn, is spectacular for having semi- precious stones in its core! This fascinating city, which never completely goes to sleep, is the second largest French city in the world.

Up the Saguenay River and through the fjord in the most dramatic merging of rock and river is Chicoutimi, the capital of the new industrial empires of hydro power and aluminum. At the mouth of the river is Tadoussac, a traditional site of meetings of Indians who once roamed between Hudson Bay and Florida.

And where else would you see circular barns, covered bridges, smell bread freshly baked in an outdoor hearth, find a fast ski train that won't carry skiis (the Dayliner). Or a landscape on which sun and cloud play an ever-changing symphony of light over so many peaks you can't count them. (we once estimated 23 within a few miles by just glancing around from our perch on the chair-lift at Mont Tremblant).

Here is a province, fiercely independent in many respects, yet with a hospitality and charm that never, never let you go.

IAN BREAKEY of Breakeyville is well known for his top smooth Fox Terriers and recently has added Basenjis. He has bred and imported many good ones and is always interested in meeting breeders of his Smooths to compare notes.

Another eastern Quebec member is DR. E. M. TRENOUTH of Quebec City. His Morningside kennels of Cockers, Wire Fox-Terriers and Dachs are well known. Dr. Trenouth has for many years served on the Quebec Provincial committee and has contributed valuable services.

S. W. SCARPA, of Malabar Boxer and Wire Fox Terriers fame has without doubt the top kennel of Boxers in the province. His dogs are noted for their wins at the shows and he has sent many top winners across Canada who have always given a good account of themselves in the stiffest competition.

Miss W. M. Steggall, of famed Winna Pugs Kennels.

"MAC" MCLEAN of Hull, P.Q., is well known as the top breeder of Manchester Terriers, and the sleek black and tan beauties were always at the top in the shows. A leader in the Hull and District K.C. and also on the Quebec Provincial Committee for many years Mr. McLean has done much for the clubs in this province. For many years he was one of our top all round judges and has had assignments from coast to coast.

OSCAR REMILLARD of Boulevard kennels is well known for his Cockers and has been a consistant exhibitor at our local shows for many years.

BERT MORRIS of Cartierville has for many years been faithful to the terrier breeds. We were all saddened to hear of his fire recently and hope that his kennel will be built up again shortly.

J. A. ROBITAILLE, for many years active with the Tai-O-Beagle Club, also breeds cockers, and writes a doggy column for the French newspapers so is well known to many of the fanciers.

DR. D. BOISCLAIR is honored on the long service list and still retains his active interest in dogs, and has done much to encourage the French breeders.

ALBERT COLLINS, one of our well known judges and breeder of Terriers and Bull dogs has taken his dogs to shows in many provinces and they have given a good account of themselves. As a judge he has officiated here and in the U.S.A. and has always been in demand at the shows. His new kennel at St. Johns is keeping him busy, but he is still a faithful exhibitor.

MEETING OF THE BOARD OF DIRECTORS

APRIL 23, 1957

3701. A special meeting of the Board of Directors of The Canadian Kennel Club was held in the Club's offices, 667 Yonge Street, Toronto, Ontario, on Tuesday, April 23rd, 1957, commencing at 10.00 A.M., with the President, Mrs. M. E. McEachren, in the Chair, and the following members of the Board present: Walter Brown, Miss Irene Brooks, Mrs. Pamela B. Mack, W. H. MacKendrick, W. J. Monaghan, and Mrs. Mary E. Southcott.

Due to illness, Mr. J. W. MacCallum was unable to be present.

3703 (3699). MINUTES

The Secretary reported that at the request of the President in order to give effect, as far as possible, to the Board's wishes (Item #3699), the Vice-President and himself had reviewed all suggested corrections in the Secretary's draft of the minutes of the meeting of the Board of Directors held on February 16th, 18th, and 19th, 1957, consideration having been given to letters received from Mrs. Gove, Mr. Irving, Mr. Monaghan and Mrs. Southcott.

After discussion the following corrections were approved:

(Corrections here ordered were incorporated in the minutes published in "Dogs in Canada").

It was regularly moved by Mr. Brown, seconded by Mr. MacKendrick:

"THAT any discussion re proposed correction of Item #3697 be deferred until Mr. MacCallum is in the meeting or at 8.00 P.M., if he does not arrive before."

FOR THE MOTION: Mr. Brown, Miss Brooks, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

Mr. Monaghan referred to that section of Item #3655 with regard to the Norman K. Swire Memorial Fund, and suggested that there be included in these minutes the conditions applying to the offering of the Norman K. Swire Memorial Medals.

This suggestion having been approved, the following is included in these minutes as a matter of record:

The Norman K. Swire Memorial Fund was set up in order to provide funds for the purchase of a Norman K. Swire Memorial Medal to be awarded to Best Canadian-bred in Show at each championship show conducted by the following clubs or associations: Canadian National Exhibition Association, Fort Garry Kennel Club, Hamilton Kennel Club, London Canine Association, Montreal Kennel Association, New Westminster Exhibition, Nova Scotia Kennel Club, Oakville Kennel Club, Peterboro Fall Fair, Quebec City Kennel Club, Regina Exhibition, Sherbrooke Exhibition, Telephone City Kennel Club, Toronto Kennel Club Inc., Western Fair (London), Westminster Kennel Club (New York), and Windsor Kennel Club. (Note: The late Mr. Swire judged at one or more shows staged by the above-listed clubs or association).

It was regularly moved by Mr. Brown, seconded by Mr. McKendrick: "THAT, the trustees of the Norman K. Swire Memorial Fund award the winner of Best Canadian-bred in Show a Norman K. Swire Memorial Medal in accordance with the original terms."

FOR THE MOTION: Mr. Brown, Miss Brooks, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

The Secretary read a letter from Mrs. Gove with regard to the minutes on her questions with regard to the National Championship Stake for Retrievers (Item #3683—Page 15). It was agreed that no change be made in the minutes as prepared by the Secretary, and the Secretary would provide Mrs. Gove, and other members of the Board, with a copy of the transcription of the discussion on that subject.

The Secretary read a letter from Mr. Monaghan who referred to Item #3688 (Arrangements for 1958 Annual Meetings) and stated that:

(a) He had perused the transcription of the discussion on this subject and did not see any mention of a definite motion being passed or even proposed;

(b) It was his recollection that the matter of days and dates for the annual meeting of the Board was to be left until later in the year;

(c) He felt that the Board should not, at this early date, decide whether or not the Board should meet for two days before the annual general meeting or for only one, and that it is much more advisable to leave the fixing of the exact days and dates until "we are much nearer the time".

The Secretary reported that the motion set out in Item #3688 was in accordance with his records.

The President suggested that the annual meeting of the Board be held in the Club's offices rather than at the hotel.

The matter was ordered held over for consideration at a later meeting of the Board.

The Secretary reported that he had received a letter from Mr. Monaghan with regard to the last paragraph of Item #3659, and enquired of Mr. Monaghan whether he wished his letter to be treated as a letter in connection with corrections in the minutes. Mr. Monaghan said that was not the intent of the letter; rather it was his hope that something could be done in the way of a more comprehensive record of the discussion at Board meetings. The letter was ordered held over for later consideration.

It was regularly moved by Mr. MacKendrick, seconded by Mrs. Southcott:

"THAT, the minutes of the meeting of the Board of Directors held on February 16th, 18th, 19th, 1957 be tabled."

FOR THE MOTION: Mr. Brown, Miss Brooks, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

3704. MOTION OF THANKS TO PRESIDENT

Mrs. Mack referred to the activity of the President in the interior arrangement and equipment of the Club's office, and suggested that there be a record of the Board's appreciation.

It was regularly moved by Mrs. Mack, seconded by Mrs. Southcott: "THAT, Mrs. McEachren be thanked for brightening up the office with pictures and plants."

The Vice-President put the motion.

FOR THE MOTION: Miss Brooks, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

ABSTAINED FROM VOTING: Mrs. McEachren.

Motion carried.

3705 (3647). FINANCIAL REPORTS AND MATTERS

The Secretary reported that the Investments Committee had authorized (effective April 1st) the following changes in the Club's portfolio of investments:

Sold: $2000 Dominion of Canada 3% bonds due January 1, 1959 (callable 1956 to maturity) ..... at $1956.00
(original cost $4,867.50, purchased in 1956)
$5000 Dominion of Canada 3% bonds due January 1, 1959) (callable 1956 to maturity) ..... at $4890.00
(original cost $4867.50, purchased in 1956)
(above sale prices do not include accrued interest)

Purchased: $7000 The Hydro-Electric Power Commission of Ontario 5% bonds, due 1 April 1974/77 ..... at $7000.00
(Unconditional guaranteed by the Province of Ontario as to principal and interest)

It was regularly moved by Mr. Monaghan, seconded by Miss Brooks: "THAT, the report of the Investments Committee be accepted."

FOR THE MOTION: Mr. Brown, Miss Brooks, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

The Secretary referred to the question raised by Mr. Monaghan (Item #3647—February 16—page 8) regarding the first two bonds listed in Schedule #4 of the 1956 financial statements, and reported that these two bond listings represented one and the same issue.

The Secretary reported that the auditors had completed their audit of the books for the first quarter of 1957, but he had asked the auditors to defer submission of financial statements for the first quarter until he had consulted the Board regarding certain adjustments which he felt should be made in these statements, preferably from the beginning of the year.

The Secretary pointed out that in 1955 there had been commenced the practice of adjusting the third quarterly statement in the year in connection with costs at the Live Stock Records Office, and suggested that this practice should be extended to include all quarterly statements so as to afford a truer picture of the Club's financial position from quarter to quarter.

After discussion it was regularly moved by Mr. Brown, seconded by Miss Brooks:

"THAT, the question of the present Standing Resolution regarding adjustment of Records Office costs in the third quarterly statement be referred to the next meeting of the full Board."

FOR THE MOTION: Mr. Brown, Miss Brooks, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

The Secretary reported that some years ago, in an effort to afford the basis of a truer comparison of quarterly statements, he had arranged for a quarterly adjustment in the inventory accounts (office supplies and stationery, forms and books, and identification supplies) following a quarterly stocktaking, but he felt that the work involved was not justified in the minor accounts involved as long as no appropriate adjustments were made in Live Stock Records costs (See above).

Following discussion it was regularly moved by Mr. Brown, seconded by Mrs. Mack:

"THAT, the Secretary's adjustments in inventories be made only in annual financial statements."

FOR THE MOTION: Mr. Brown, Miss Brooks, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

The Secretary reported that there were certain costs (legal fees, stenographic services, etc.) associated with the work of advisory committees and the prosecution authorized by the Board, and suggested that these costs be not distributed into the regular expense accounts but be incorporated in a new expenditure account identified as "investigation Costs". After discussion this suggestion was approved.

The Secretary read a letter from Mr. Monaghan who, in acknowledging receipt of comparative statistics from the Secretary regarding revenue at the Live Stock Records Office, expressed the view that this information, while interesting, is woefully inadequate and could be very misleading, and suggested that monthly the Secretary provide the Board with other statistical information provided by the Records Office (registration, transfers, etc.) along with comporative statistics on these items for the two previous years.

The Secretary expressed the view that the most reliable barometer of the volume of business being handled by the Records Office for the Club was the information on revenue deposited by the Records Office in the Club's bank account at Ottawa, and he did not feel that the same could be said of the monthly statistics on registrations, transfers, etc.

After discussion it was regularly moved by Mr. Brown, seconded by Mrs. Southcott:

"THAT, these statistics be sent to any Board member who so requests."

FOR THE MOTION: Mr. Brown, Miss Brooks, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

3706 (3690). COMPLAINTS AND PROTESTS

Mr. Walter Brown, Chairman of the Complaints Committee, presented the following report on behalf of the Committee:

"At a meeting of the Committee held at the Club's offices on April 20th, 1957, the Committee decided to submit the following recommendations to the Board:

(1) PROSECUTIONS: It is the Committee's recommendation that the matter of further prosecutions be deferred until more publicity has been given the successful case at Guelph, and when we reach the time when a further case should be taken up, serious consideration be given to what appears to be the best case.

(3) The Secretary is under an instruction to draw the attention of the members to the fact that they cannot breed, buy or sell other than pure-bred dogs if they wish to remain members. It seems to this committee that it will be an excellent opportunity to further publicize the requirements of the Act and the By-laws with regard to delivery of certificates of registration if, when writing the members, attention is also drawn to the recent successful prosecution for non-delivery of a certificate of registration and with advice that agreement forms are available. Such a letter should be written by the Secretary to the members clearly indicating that it is addressed to them on the Board's instruction. To save postage and stationery costs, this could be done at the same time as mailing of membership cards.

(4) Since its last report to the Board on the standing of complaints, we feel it would be of interest to the Board to report that nine certificates have been received by buyers who had complained, and there is evidence of satisfactory progress on at least five other complaints.

(7) The Committee will meet again on April 30th for the purpose of reviewing files and a further report with recommendations to the Board."

A discussion followed on part No. 3 of the Committee's report. The Secretary suggested that when sending membership cards to members a message be addressed to the members dealing with such subjects as the necessity for keeping private breeding records, the necessity for observance of the law and the by-laws with regard to delivery of certificates of registration to purchasers, to which of several offices orders or letters should be addressed a note pointing out that where tattooing is the method of identification employed such tattooing must be done before applications are submitted to the Records Office, etc.

Mr. Monaghan enquired whether there is any reason why the handling of all identification supplies (including nose-printing supplies) should not be turned over to a commercial company, and suggested that consideration be given to such an arrangement. After discussion the Secretary was asked to communicate with the Live Stock Records Office and obtain an approximation of the percentage of dogs which are identified by tattoo and those by nose-prints, and an opinion on the trend.

It was regularly moved by Mr. Brown, seconded by Mr. Monaghan:

"THAT, we approve the Committee's recommendation, and the Secretary add such other information as he feels would be helpful to members."

FOR THE MOTION: Mr. Brown, Miss Brooks, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

The meeting recessed at this time and later reconvened with the President in the Chair, and the following members of the Board present: Mr. Brown, Miss Brooks, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

3707 (3626). **REPORT OF REGISTRATION COMMITTEE**

(Mr. Monoghan reported that HY-GRADE is the kennel name of a well-known American kennel of American Foxhounds);

(d) Rejected the objection submitted by R. W. Blanchard (kennel name BRIER RUN) to the application for registration of BRIARWOOD a kennel name applied for by Mrs. N. M. Foss;

It was regularly moved by Mr. Monaghan, seconded by Mr. MacKendrick:

FOR THE MOTION: Mr. Brown, Miss Brooks, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

3709 (3705). **FINANCIAL REPORTS AND MATTERS**

The President sought approval of expenditures totalling $329.50 for the purchase of a Board room table, two upholstered chairs and a lamp.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Southcott:

"THAT, the report of the Registration Committee be incorporpurchasing furnishings be approved and the account ($329.50) be paid."

The motion was put by the Vice-President.

FOR THE MOTION: Miss Brooks, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

Mr. Monaghan suggested and it was agreed that the entire cost of these furnishings be charged to the current year's operations.

The President reported that she had personally purchased a silk screen painting now hung in the Club's office, and was arranging for a series of paintings of head studies of dogs to be suitably framed for hanging in the office.

3710 (3657). **COMMITTEE RE REVISION OF ARTICLE XXXVIII**

The Secretary reported that:

(a) He had placed this subject on the agenda in the event the Chairman of the Committee wished to make an interim report (none received);

(b) The Chairman of the Committee had approved the text of the announcement published in the April issue of "Dogs in Canada" inviting members to submit their views on the amending of the present Article XXXVIII;

(c) One letter had been received in response to the published invitation which letter he would forward to the Chairman of the Committee.

Mr. Monaghan reiterated his previous suggestion that all members of the Board be provided with a copy of all views received from members. No action was taken on this suggestion.

3717 (3714). **APPLICATIONS FOR MEMBERSHIP AND MEMBERSHIP MATTERS**

The Secretary reported that in accordance with the Board's instruction (Item #3682—first paragraph) he had sought the opinion of the Club's solicitor on the question of transfer of kennel name and dogs from the name of a deceased member to a previously designated contingent-owner, and read the opinion (dated April 22) as received from Mr. Wright (see appendix).

The Secretary was instructed to send a copy of Mr. Wright's letter to all members of the Board.

The Secretary reported that the Ponoka Kinsmen Kennel Club had applied for associate membership in the Club.

The Secretary read a letter from Mr. Irving who stated that some years ago he had suggested that the Club accept membership from Retriever Clubs and his suggestion had been "very definitely and strongly objected to by the members at the Annual Meeting."

Mr. Monaghan referred to Standing Resolution #8 reading as follows:

"THAT, no applications of Clubs or associations for associate membership be approved until the Board formulates the qualifications for election of such to membership."

After discussion it was agreed that:

(a) The Secretary would request the views of all members of the Board on the acceptance of an application for membership of a club or association with the objective of formulating a policy in this connection;

(b) The Secretary would proceed with the approval of the Ponoka Kinsmen Kennel Club's application for permission to stage a licensed Retriever Trial.

It was regularly moved by Mr. Monaghan, seconded by Mr. MacKendrick:

"THAT, the names of these applicants for membership shown on lists #8 to #20 inclusive, with the exception of the one rejection and the one deferment, be elected to associate membership in the Club."

FOR THE MOTION: Mr. Brown, Miss Brooks, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

The Secretary read his draft of a letter to be sent to those who were members of the Club in 1956, but who had not renewed their membership in 1957. The draft letter was approved.

3719 (3689) **MEETING OF NATIONAL BOARD**

The President reported that in accordance with the Board's instruction (Item #3689), the Secretary had polled the Board on the following questions:

Question #1: Are you in favour of a meeting of the national Board being held on June 28th, 29th, 30th and July 1st, 1957?

Question #2: If a meeting of the Board is held on June 28th, 29th, 30th and July 1st, 1957, should it be held at Halifax?

and in addition the members of the Board had been polled on the following question:

Question #3: Are you in favour of the alternative arrangement proposed by the President? (Alternative arrangement proposed by the President: That instead of a meeting of the national Board, there be a meeting of the Board at Halifax in August, said meeting to be attended by the President, Vice-President, Maritime Director, Quebec Director, and the Secretary).

The President reported that on April 3rd she had addressed a memorandum (see appendix) to the Board in which she had reported the following results of the voting on the foregoing questions:

MR. BROWN: "No" to all three questions, with the following postscript added: "If a majority votes in favour of a National Board meeting, I think it should be held in Toronto, where it would be the least expensive."

MR. WILLIAMS: No ballot paper received; see his letter.
MR. LASKEY: "Yes" to the first two questions; no vote on third question.
MRS. MACK: "No" to first question; "No" to second question but added the words "St. John, N.B."; "Yes" to third question but added the words "St. John".
MRS. GOVE: "Yes" to first question but added comment "But why 4 days? 3 days were plenty last year", no answer given to second question but added comment was "Let us figure out the most central point and at the same time the least expensive"; "No" answer to third question; added comment on ballot was "Expense must be considered. Why need Ontario send 5 Directors? Surely they can appoint one Director PLUS President and Vice-Pres."
DR. WATSON: "No" answers to all three questions.
MR. MACKILLOP: "No" answers to all three questions.
MR. IRVING: "Yes" to first question, but added comment "Would suggest the dates be changed to suit Mr. Laskey's wishes"; "Yes" answer to second question; "No" answer to third question.
MR. MONAGHAN: "No" answers to all three questions.
MISS BROOKS: "No" answers to all three questions.
MR. MacKENDRICK: "No" answers to first two questions; "Yes" answer to third question.
MRS. SOUTHCOTT: No answer shown for first and third questions; "Yes" answer to second question. Added comment "Please see attached letter".
MR. MACCALLUM: "No" answers to all three questions.

The President reported that with her memorandum there was forwarded to members of the Board a copy of letters received from members of the Board with their ballot papers, the letters in question indicating the following views.
MR. BROWN: Did not feel the Club could afford the holding of a meeting of the full Board at Halifax, and did not approve the President's alternative suggestions.
MR. WILLIAMS: Stated that the holding of a semi-annual meeting of the full Board is of national importance, was intended for business requiring the consideration of the national Board, and could not satisfactorily be substituted for by a meeting of the "quorum Board".
MR. IRVING: Stated that he was firmly of the opinion that in the best interests of the Club a semi-annual meeting should be held instead of the monthly meeting; felt that there was sufficient business to warrant the holding of such a meeting; and had no particular wish as to where the meeting is held.
MR. MacKILLOP: Felt that such a meeting should be held at a more central point, but in September or October;
DR. WATSON: Felt that a meeting of the full Board should be held, not necessarily on the dates set out in the ballot; that it should not be held at Halifax but rather it should be held at a mid-west point such as Fort William.
MR. MONAGHAN: Recorded his opinion that an additional meeting of the full Board is ill-advised and an unjustifiable expenditure, and should not be held unless or until the members in a plebiscite have so authorized.
MR. LASKEY: Was agreeable to the President's alternative suggestion with the addition of an Ontario Director.
MRS. MACK: Favored the President's alternative suggestion but felt the meeting should be held at Saint John;
MRS. SOUTHCOTT: Favored the President's alternative suggestion but with the addition of an Ontario Director.

It was regularly moved by Mr. Monaghan, seconded by Mr. MacKendrick:

"THAT, the Secretary record in the minutes the results of the mail ballot showing that the motions were lost."

FOR THE MOTION: Mr. Brown, Miss Brooks, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.
AGAINST THE MOTION: Mrs. Mack.

Motion carried.

The President stated that having regard for the discussion, at the annual meeting of the Board, on this subject, and also the comments of the members of the Board as reported at this meeting, she felt it her duty and responsibility to endeavour to resolve the question in a way that would be satisfactory to as many members of the Board as possible, and accordingly had authorized the Secretary to poll the members of the Board on the following questions:

QUESTION #1: Are you in favour of a meeting of the full Board of Directors to be held at Toronto on September 4th, 5th, and 6th, 1957, with the payment of the usual travelling expenses and allowances?

QUESTION # 2: If a majority of the national Board records an affirmative vote on Question #1 above, are you in favour of the necessary enabling resolutions being adopted at the meeting of the Board of Directors to be held on April 23rd, 1957?

The Secretary reported that members of the Board had voted as follows on these questions:
MRS. McEACHREN: "Yes" to both questions.
MR. BROWN: "Yes" to both questions.
MR. WILLIAMS: "Yes" to both questions.
MR. IRVING: "Yes" to both questions. (Added comment opposite question #1: "Regardless of date").
MR. MacKILLOP: "Yes" to both questions.
DR. WATSON: "No" to both questions.
MRS. GOVE: "Yes" to both questions. (Added comment: "Semi Annual is usually 6 months, but Sept. is better than June. Studying your list of matters needing attention, and then studying the President's observations which I find exteremely interesting, I would say we have enough business on hand to have a meeting.")
MRS. MACK: "No" to both questions.
MR. LASKEY: "Yes" to both questions.
MISS BROOKS: "Yes," to both questions.
MR. MacKENDRICK: "Yes" to both questions. (Added comment opposite question #1: "Until such time as the full board resolves the question of semi-annual meeting and/or monthly meetings of an Executive Committee.")
MR. MONAGHAN: "No" to both questions.
MRS. SOUTHCOTT: "Yes" to both questions.

The following letters, accompanying ballots, were read:

(a) A letter from Dr. Watson who: stated that he is firmly in favour in principle with the idea of having a semi-annual meeting of the full Board; felt more was accomplished at a semi-annual meeting than at the annual meeting and it did away with the necessity of many decisions being taken by the quorum Board; the September dates set out in question #1 were not practicable from his point of view for with a large part of his medical practice composed of children returning to school he would be extremely busy during the last two weeks in August and the first two weeks in September; did not agree with the holding of the meeting at Toronto; did not feel that in setting suitable dates for a meeting any consideration should be given to co-ordination with a dog show.

(c) A letter from Mr. Laskey who: was a little disappointed at the a semi-annual meeting of the full Board if it is the wish of the members of the Board; did not feel any meeting should be held in connection with any dog shows; felt it should be held towards the end of September; enquired whether there was so much work to do that it cannot be done by mail; felt that these meetings make "a lot of extra work for the Secretary and staff".

(e) A letter from Mr. Laskey who: was a little disappointed at the results of the earlier voting on the question of holding a semi-annual meeting of the Board at Halifax; felt that a semi-annual meeting is necessary; was in favour of it being held at Toronto, with Halifax or Saint John as second choice.

(d) A letter from Mr. Monaghan who: submitted that the matter of holding a meeting of the full Board this year is closed in view of the voting on the questions arising out of the annual meeting of the Board as submitted to the members of the Board by ballot; stated that the questionnaire sent out by the President "is illegal and unconstitutional because it has not been authorized by the Board and I know of no resolution authorizing the President to conduct a mail ballot on her own initiative."; felt that neither in the President's letter or the material accompanying it was any specific proposal mentioned that could not be handled by correspondence; felt that the President had mentioned a number of excellent ideas which could be profitably dealt with next February.

Mr. Monaghan restated his previously expressed view that in view of the results of the voting on the motions emanating from the annual meeting of the Board, the question of holding a further meeting of the Board in 1957 was closed.

Mr. Brown stated that he felt that the President was entitled, on her own initiative and in her office as President, to again poll the Board on the question, and stated that it was at his suggestion that the members of the Board be asked about holding the meeting on September 4th, 5th, and 6th.

The President reported that originally she had considered consulting the Board on the dates of August 12th, 13th and 14th. A discussion followed on the question of whether to consult the members of the Board on other dates, however it was felt that it might be difficult to set dates that would be satisfactory to all members of the Board, moreover it was considered advisable to reach an early decision in order that members of the Board could make necessary arrangements.

It was regularly moved by Mr. MacKendrick, seconded by Mrs. Mack:

"THAT, in view of the response to the President's enquiry, the President be and is hereby authorized to call a special meeting of the Board of Directors for September 4th, 5th, and 6th, 1957, and all members of the Board be and are hereby invited and authorized to attend such meeting at the Club's expense in accordance with the current standing resolution re travelling expenses and allowances, the Board to have power, at said meeting, to extend said meeting at its pleasure."

FOR THE MOTION: Mr. Brown, Miss Brooks, Mrs. Mack, Mr. MacKendrick and Mrs. Southcott.
AGAINST THE MOTION: Mr. Monaghan.

Motion carried.

It was then regularly moved by Mr. MacKendrick, seconded by Mrs. Mack:

"THAT, the Secretary inform all the members of the Board of the meeting to be held, and in view of the fact that it is a special meeting, that every member of the Board inform the Secretary by August 1st of all matters which they wish on the agenda."

FOR THE MOTION: Mr. Brown, Miss Brooks, Mrs. Mack, Mr. MacKendrick, and Mrs. Southcott.
AGAINST THE MOTION: Mr. Monaghan.

Motion carried.

3720 (3688). **ARRANGEMENTS FOR 1958 ANNUAL MEETINGS**

The Secretary reported that in accordance with Board's instructions (Item #3688) he had polled the Board on the following questions:

QUESTION #1: Are you in favour of the following motion?
"THAT, the annual general meeting of the Club shall be held in the City of Toronto on Saturday, February 15th, 1958."

QUESTION #2: Are you in favour of the following motion?
"THAT, the Secretary make suitable hotel reservations for the Board of Directors to meet on February 14th, 16th, 17th and 18th, 1958."

and reported the following results of the poll:
MRS. McEACHREN: "Yes" to both questions.
MR. WILLIAMS: "Yes" to both questions.
MR. IRVING: "Yes" to both questions.
MR. MacKILLOP: "Yes," to both questions.
MRS. GOVE: "Yes" to both questions. (Added comment: "I have voted yes to both questions, But if we can get special rates by changing the dates — let us do so.")
MRS. MACK: "Yes" to both questions.
MR. LASKEY: "Yes" to both questions.
MR. MacCALLUM: "Yes" to first question, No vote on second question but added comment: "Yes, providing the Club's offices cannot be used for the above meetings."
MRS. SOUTHCOTT: "Yes" to both questions.
MR. MacKENDRICK: "Yes" to both questions.
MISS BROOKS: "Yes" to both questions.
MR. MONAGHAN: "Yes" to both questions, but added comment "but would prefer Feb. 13th, 14th, 16th and 17th, 1958."

The President pointed out that with the increased accommodation now available in the Club's office, there was no reason why the Board meeting should not be held in the Club's office, thus saving cost of meeting room accommodation at the hotel.

It was regularly moved by Walter Brown, seconded by Miss Brooks:

"THAT, the meeting of the Board next February commence on Friday, February 14th, 1958, and continue at the Board's pleasure, and the Secretary be and is hereby authorized to cancel the meeting rooms already reserved for the Board meeting."

FOR THE MOTION: Mr. Brown, Miss Brooks, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

3721. **CORRESPONDENCE IN FRENCH**

The Secretary reported that there was an increasing amount of correspondence in French, and sought instructions as to the action to be

taken for proper translation of letters received and replies in French.

After discussion the matter was left in the Secretary's hands to make such arrangements as he considered advisable.

3722 (3697). **KEY MAN INSURANCE**

The President reported that in accordance with the Board's wishes (see Item #3697) she had sent information to the members of the Board on the subject of key man insurance, had received a number of valuable suggestions, and had arranged for a copy of all replies to be sent to members of the Board.

The President expressed the view that the subject was of a nature and of such importance as to justify consideration at a meeting of the full Board.

Mr. Monaghan suggested that additional information and concrete proposals be obtained as suggested in the letters received by the President, and full particulars be sent to members of the Board well in advance of the meeting at which the subject is to be discussed.

The President said that she felt that it would be advisable also to arrange for an authority on the subject to be present and make any necessary explanations when the Board does discuss the subject again.

3723 (3667). **SHOW AND TRIAL MATTERS**

The Secretary reported that in accordance with the Board's instruction (Item #3655) he had sought the opinion of the Club's solicitor as to an interpretation of the words "Immediate family" as they appear in Chapter 13 of the Dog Show Rules, and reported that a copy of the opinion (see appendix) received from the solicitor had been forwarded to members of the Board with a questionnaire on which members of the Board were asked to indicate which of the following interpretations they favoured:

#1: 'The husband or wife and children of the ring steward and in addition any other relation by blood or marriage living in the same household as the ring steward.'

#2. 'The husband or wife and children of the ring steward where such persons live in the same household as the ring steward.'

#3. 'The husband or wife and children of the ring steward and in addition any other relation by blood or marriage regardless of whether any of these live in the same household as the ring steward.'

#4. 'The husband or wife and children of the ring steward regardless of whether any of these live in the same household as the ring steward.'

The Secretary reported that the members of the Board had indicated their preference as follows:

MRS. McEACHREN: Favoured definition #4.
MR. BROWN: Favoured definition #4.
MR. WILLIAMS: Favoured definition # 2.
MR. IRVING: Favoured definition #1.
MR. MacKILLOP: Favoured definition #2.
DR. WATSON: Favoured definition #2. (Added comment: Felt that the Dog Show Rules were in need of revision, particularly the present rule on ring stewards).
MRS. GOVE: Favoured definition #4. (Added comment: Felt that this was the only way to vote in view of the solicitor's opinion, but felt the present rule should be withdrawn).
MRS. MACK: Favoured definition #2.
MR. LASKEY: Favoured definition #2.
MRS. SOUTHCOTT: Favoured definition #1.
MR. MacKENDRICK: Favoured definition #2.
MISS BROOKS. Favourable to either #1 or #2.
MR. MONAGHAN: No vote recorded on any of the four suggested definitions, but stated that he favoured the definition adopted and nationally accepted by the Government of Canada—the term "immediate family" is interpreted to mean "those persons living in the same household".

The Board noted that a majority of the Board favoured definition #2.

Accordingly it was regularly moved by Mrs. Mack, seconded by Mr. MacKendrick,

"THAT, the Board hereby interprets the words "immediate family" in Chapter 13 of the Dog Show Rules to mean "the husband or wife and children of the ring steward where such persons live in the same household as the ring steward"."

FOR THE MOTION: Mr. Brown, Miss Brooks, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

The Secretary reported that he had forwarded to members of the Board a copy of a letter received from Mr. and Mrs. W. Cox, Windsor, Ontario, who had enquired as to the eligibility for entry in a championship show of a German Shepherd Dog whose second testicle had been lowered into normal position by surgical means.

The Secretary reported that he had asked Mr. and Mrs. Cox to submit for the Board's consideration any evidence that they may have, or obtain from their veterinarian, that the operation referred to was necessary (see Chapter 17, Section 2 of the Dog Show Rules), a letter to which he had not received a reply.

The Secretary read a letter from Mr. Irving who stated that he was in favour of an affirmative reply to the enquiry on the grounds that the dog must have had two testicles in order for the condition to be rectified by surgical means and the dog now has what appears as two normal testicles in the scrotum.

The subject was ordered held over for further consideration when the Secretary receives a reply to the letter which he had addressed to Mr. and Mrs. Cox.

The Secretary reported that he had forwarded to members of the Board an enquiry received from F. T. Freeman, Oro Station, Ont., as to the right of the Ontario Section, Mid-West Division of the Samoyed Club of America to hold a specialty show in Canada under C.K.C. rules.

The Secretary read letters received from Mr. Irving, Mrs. Mack, Mr. Monaghan, Mr. Laskey, and Mrs. Southcott, and in view of the opinions expressed it was agreed that the Secretary would inform Mr. Freeman that permission could not be granted until a properly organized club in Canada was in existence.

The Secretary reported that in accordance with the Board's instruction (Item #3628) he had asked the London Canine Association to submit a list of its show officials in connection with the championship show which it wishes to hold on October 5th, 1957, under C.K.C. rules, and read the list as received from Mrs. M. Dark, Secretary of the Association. The Secretary reported that the London Canine Associaition had also applied for permission to stage a licensed obedience trial in conjunction with its proposed show.

The Board noted the decision of the 1956 Board (Item #3585) to not approve of any application from the London Canine Association to hold a licensed obedience trial in 1957.

It was regularly moved by Mrs. Mack, seconded by Mr. Brown:

"THAT, the application of the London Canine Association for permission to hold a championship show under C.K.C. Rules on October 5th, 1957, be approved, but the Board adhere to the decision of the 1956 Board regarding obedience."

FOR THE MOTION: Mr. Brown, Miss Brooks, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

The Secretary reported that the Guelph Kennel Club had applied for permission to hold a championship show and licensed obedience trial under C.K.C. Rules on August 10th. The Board noted the decision of the 1956 Board (Item #3585) to not approve of any application from the Guelph Kennel Club to hold a licensed obedience trial in 1957.

It was agreed that the Secretary would approve the Guelph Kennel Club's application for permission to hold a championship show on August 10th, but would follow the decision of the 1956 Board in respect of the application for permission to hold a licensed obedience trial.

The Secretary reported that the Lakehead Kennel Club had applied for permission to hold championship shows under C.K.C. Rules on July 18th, 19th, and 20th, while the Essex County Kennel Club had already been granted permission to hold championship shows on July 20th and 21st.

Miss Brooks stated that it was the feeling of the Lakehead Kennel Club that neither Club would lose by reason of the dates selected, and reported that out of 107 entries at the Lakehead Kennel Club's shows in 1954 there were 18 entries, in 1955 8 entries out of 115, and in 1956 3 entries out of 91, from the area from which the Essex County Kennel Club might expect entries.

The Secretary was authorized to approve the applications submitted by the Lakehead Kennel Club.

Mr. Monaghan enquired whether any action had been taken on applications for priority rights. The Secretary reported that show-giving clubs had been given until July 31st to indicate their wishes with regard to priority rights, and after that date all such applications would be considered.

3724 (3654). **ENGRAVING CERTIFICATES**

The Secretary reported that:

(a) In accordance with the Board's wishes (Item #3654) he had made enquiries regarding the engraving of championship and other certificates by hand and by machine, and on April 1st the President addressed a memo to members of the Board with which there was forwarded a sample of work done by use of an electric typewriter;

(b) Replies received from Dr. Watson, Mrs. Gove, Mrs. Southcott, and Mr. Monaghan, indicated that they did not like the sample of work sent to them; replies received from Miss Brooks and Mr. Mackendrick indicated their approval; and Mr. Irving felt a larger size type was desirable;

(c) In accordance with Dr. Watson's original suggestion that enquiries be made as to hand-engraving services available through either Catholic or Anglican Sisters Orders, and placed before the Board samples of such work obtained after making the enquiries suggested by Dr. Watson.

The Board examined the samples of hand-engraving presented by the Secretary and agreed that the sample submitted by Miss Helen Lee would likely be very acceptable to those receiving engraved certificates. The Secretary reported that the quotation received from Miss Lee would mean no increase in cost per certificate.

It was agreed that the matter be left in the Secretary's hands to make the necessary arrangements.

3725. **OFFICE FURNITURE AND EQUIPMENT**

Mr. Monaghan pointed out that in his letter to the Secretary regarding engraving of special certificates by electric typewriter, he had stated that while not in favour of engraving these special certificates by machine, he was very much in favour of purchasing an electric typewriter although not the one for which a sample had been sent to the Board, being of the opinion that up-to-date office equipment should be purchased wherever it would help in the operation of the office.

After discussion it was regularly moved by Mr. Monaghan, seconded by Mr. Brown:

"THAT, the Secretary be authorized to purchase an electric typewriter."

FOR THE MOTION: Mr. Brown, Miss Brooks, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

3726 (3675). **LETTER FROM MRS. N. T. SMITH (re CLUB HISTORIAN)**

This subject was ordered held over for consideration at a later meeting.

3727 (3696). **APPOINTMENTS**

The President pointed out that the question of appointing an Honorary President had been tabled at the annual meeting of the Board, and a letter received from Mr. Laskey regarding honorary appointments had been reported to all members of the Board.

The Secretary read a letter from Mr. Irving who stated that he failed to see any value to the Club in these appointments, and these appointments, unless for some very outstanding contribution, "only leave heartburning across the country".

After discussion it was regularly moved by Mr. Monaghan, seconded by Mr. McKendrick:

"THAT, Mr. Wm. H. Pym and Mr. John Milner be appointed Honorary Presidents."

FOR THE MOTION: Mr. Brown, Miss Brooks, Mr. MacKendrick, Mr. Monaghan.

ABSENT FROM THE MEETING: Mrs. Mack and Mrs. Southcott.

Motion carried.

The Secretary reported that Mr.MacKillop, Director for Alberta, had recommended the following appointments for Alberta:

Field Trial Representative (Beagles): R. L. MacKillop.
Field Trial Representative (Foxhounds): M. J. Coleman.
Field Trial Representative (Retrievers): Frank Cockrall.
Field Trial Representative (Pointing Breeds): E. G. Staniforth.
Obedience Trial Representative: George Frost.
Advisory Provincial Committee: J. Kilgannon; J. A. Lockhart; W. Howson; C. R. Koskinen; S. Somerville.

Amendments to Field Trial Rules and Regulations Committee: W. E. Madge; Vic Grainger.

The Secretary was instructed to record the recommendations and take appropriate action.

American dogs were present too which is always a pleasing aspect of any show. A new American handler, Mr. Verne Cooper of Rochester, has been attending our Canadian shows. He was happy to capture the working group with a fine American champion Boxer.

The dogs themselves seemed of better quality than usual which reflects well on the excellence of the improved breeding stock in all breeds and the care the breeders are giving to their planned matings. There was little or no barking during the entire show.

The judges, Messrs. T. Reid, Vincent Perry and A. Dunn, had a busy day of it but managed to bring the grand finale to an early closing. The judging of the German Shepherd breed took place on the spacious lawn outside. The day being perfect, these lithe animals looked particularly impressive as they gaited against the grassy green background. Mr. Geo. Jarman judged the large entry.

All in all, it was a splendid show and the management is well pleased with the results.

CLUB NOTES

The Aurora and District Kennel Club, Inc.

by Mrs. T. S. Adams

The club held its 17th All-Breed Dog Show at the Arena in Aurora on May 25. An entry of 325 dogs made up the Show, but a record entry of around 500 dogs could have been realized if exhibitors had gotten their entries in before the closing date. The Show Secretary, Mrs. Gordon MacDonald, reported she was sorry that it was necessary to reject these late entries, but the catalog was on the press and nothing could be done.

Mr. Carey W. Lindsay of Baltimore, Md. was assigned the breed and groups in Terriers, Hounds and Working, and also Best in Show. Mr. Alva Rosenberg, New York, judging the breeds and groups in Non-Sporting, Toys and Sporting, Best Canadian Bred in Show and Best Canadian Bred Puppy in Show.

Best in Show went to Ch. Roseneath White Knight, West Highland White Terrier, owned by Mr. and Mrs. T. S. Adams, Unionville, Ont. Best Canadian Bred Dog in Show was also awarded to this dog. A beautiful silver tray, donated by Mrs. Lydia Howden, of Gormley, for Best in Show award, was presented by her daughter, Romaine Jones from Quebec. Best Puppy in Show went to a Sable and White Rough Collie, Sun Valley Sir Lancelot, owned by Mr. and Mrs. George B. Book.

The Bullmastiff Specialty was held in conjunction with the show with Best of Breed going to Ch. Fortin's War Cloud, owned by Mrs. J. H. Daniell-Jenkins.

The Club was most appreciative of the beautiful flowers sent by the Aurora Greenhouses and Mills Florists of Richmond Hill.

After the final award of Best in Show the Club's dinner was held at the Ridge Inn, Oakridges.

The club's last meeting until September was held at the home of Mrs. Caplan, Aurora on June 6.

Mr. Alex Duncan, Newmarket, kindly offered his grounds for a picnic to be held at 8:00 p.m., July 26.

The Boxer Club of Canada

by Dorothy M. Newman

Our annual puppy match was held June 2 with a wonderful attendance of 81 Boxers. Mrs. Raine Starkweather, from Detroit, Mich., did a fine job of judging giving the Best in Match (all ages) to NewDots Collarett, 9½ months old female, owned and bred by Mrs. Dorothy Newman, and a daughter of Ch. Hot Spell of Blossomlea, (owned by Mr. and Mrs. Stanley Whitmore) granddaughter of Ch. Jereds Spellbinder.

The judge was entertained after the show with a picnic lunch.

The Bulldog Club of Central Canada

The Booster at the Progessive Kennel Club show at Scarborough on June 2 brought out an entry of 21 under Mr. Vincent Perry. Mr. Reg. Sparkes' Eng. & Can. Ch. Altonian Supremist went BB. Thelwall Blockbuster WD & BW. Smitty's Invincible RD. Nugget Lady Serenade WB. Dewsa Cindy RB and Best Puppy.

At the Specialty the following day in Locust Hill, under Dr. E. M. Vardon, there were 28 entries with 3 absentees. Conditions were ideal both for the dogs and the audience. Supremist and Blockbuster repeated their wins of the previous day. RD Smitty's Invincible. WB Delia Foster's Ballindine Bow Bells. RB Marilyn Branion's Reldae's Red Ruggette. Best Puppy Len-Mar Willsome Willie.

A Puppy Match and Barbecue will be held on July 7, Sunday, at the Inces in Richvale.

The Show Committee is working hard on plans for our Championship Show in the Burlington Arena on September 28. A panel of all Canadian Judges has been secured. The Dachshund Club of Canada and the Irish Setter Club of Canada are holding Booster Shows in conjunction with us and there is a possibility that we may also have a Specialty Show.

Our first Obedience Class held its graduation on June 4 after a most successful series of lessons under the able direction of Mrs. Edna Lucas, assisted by Miss Laura Treble.

At our last meeting we welcomed some members of the newly formed Kawartha K.C. of Peterborough and we take this opportunity to invite any interested persons to attend our meetings as guests. We feel most strongly that a close cooperation between Clubs is an excellent way of achieving the goals for which we all work and of publicizing the contribution which such Clubs can make to a district.

Our monthly meeting was held June 2 at the lovely new home of Mr. and Mrs. Leo Bodemer, near Stratford. Mr. Chatfield gave us a full account of the Specialty Show held in London on May 11 which was a great success and our acting secretary, Mrs. N. Smith, gave a very nice lecture on ring stewarding. A motion was passed to hold a Booster Show in conjunction with the Burlington Kennel Club in September.

Our next meeting is to be held at the home of Mrs. Havlicek, Jerseyville and on the agenda is a judging competition for the benefit of the Jr. or novice breeder primarily.

We are sorry to hear about Mrs. Lily Turner of St. Catharines, our oldest breeder and honorary member, being sick in hospital again.

Practically everyone spoke of good sales being made and so many going great distances, almost coast to coast. This speaks highly for the *Dogs in Canada* advertising.

After the meeting and lovely lunch we were invited by Mr. Bodemer to see his new kennel building which will be really nice when completed.

Two of our members did very well at the Barrie Show; Nellie Corser's Knollo Von Liebestraum was Winners Dog and George Grant's Ch. Yola of Liese-Max was Best of Breed. Doug Ames did very well with Helsa, a junior puppy who was Best Canadian Bred Puppy. Margaret Davies, who is well-known for her obedience training, made a switch on Saturday and showed a promising young female.

May 26 was the beginning of our Club Sanction Shows. This one was held on the spacious lawns of Mr. and Mrs. Max Frohle.

Mary Southcott judged the obedience at Stratford. Mrs. Margaret Davies and Mr. Reg A. Scott have started a summer training course for Obedience in Cooksville.

German Shepherd Dog Club of Western Ontario

by Alice Cook

Our May meeting was held in London, with a good attendance. Dr. George Boyce, Club Veterinarian, was the guest speaker for the evening and gave a very informative talk on "Diseases Common to Dogs".

Members of our Obedience Training Class were also present at this meeting to receive awards for having obtained a qualifying score in the final Trials. Gordon Brackett, Training Master for the Club, addressed the meeting and presented Certificates to 19 Trainees. Silver engraved cups were awarded to the two highest scoring dogs, Wm. Johnston's 'Bruno', and Dutch Decker's 'Keeno'. Miss Heidi Eitner won the China Trophy for the Highest Scoring Lady Handler.

Our first Matinee Show of the season was held at Graceland Kennels, Stratford. A nice crowd turned out for the Show and everyone enjoyed the outing. Adam Cwik was Conformation Judge and selected Graceland's "Aviette" for Best of Breed. Obedience Judge was Paul Bruneau and the Obedience Prize went to Graceland's "Lady Roberta". Tommy Sangster captured the honours in the Children's Handling Class.

New C.D. Titles in the Club have recently been acquired by Percy Wimbush's "Kent", Gord. Brackett's "Azant", and Wm. Cook's "Ranger". The keen interest the members are showing in Obedience is evident by their participation in the recent shows in the area. Paul Bruneau's "Misty Lady", Bob Bird's "Lady Roberta", and A. Wayda's "Princess Chola" all have legs on for their C.D. titles.

Plans are progressing favourably for our German Shepherd Specialty Show and Licensed Obedience Trials to be held in London in October.

Another pleasure to watch was Mrs. I. Sherwin's Corgi Bhilwara Gingersnap, C.D.X., who won top score in the second Trial. She also won her Utility degree in these Trials, making our 7th U.D. dog. Mrs. S. Parry of Metchosin won both prizes for the combined Open B and Utility score with her Corgi, Bhilwara Land Girl, C.D.X. The Top Novice A dog also won the Highest Sporting dog in Trial, Mossbank's Mighty Hunter, owned by Gordon Hulme of Sidney. Top Novice A in the 2nd Trial was won by K. M. Rader of Seattle, Wash., with his Miniature Poodle Devilkin's Angle.

During the year Mrs. Parry and Mrs. G. A. Robertson have been attending Trials in the States and have been bringing back ribbons without fail. Mrs. Robertson's Glenairley Black Merlin, C.D., now has his Am. C.D. and is the first Basenji to become a C.D. on both sides of the border.

Dr. E. N. Gregg of California judged, and on the illness of Dr. C. J. G. Mackenzie of Trail, B.C., the other judge, Mr. G. Donaldson of Victoria filled in the breach.

The Kerry Blue Terrier Club of Canada
by Edna Joel

Having three years ago laid aside my pen as a canine scribe for a weekly canine journal in Britain, I decided at the time that no more would I spend my Sunday evenings writing hundreds of words, ready for press, first thing Monday morning. Now once again I find myself ready to set forth; this time, though, without as heavy a schedule.

The annual general meeting of the club was held at the Chateau Dufferin on April 10. Mr. D'Eath expressed the wish to retire as chairman of the club also Mrs. D'Eath as trophy secretary.

Both resignations were accepted and a vote of thanks was passed to them for all the work they had expended to keep the club going along.

Election of officers for 1957 were as follows: President, Mr. C. T. Wright; vice president, Mrs. E. Betts; secretary treasurer, Miss R. Robinson; show secretary, Mrs. R. Winters; trophy secretary, Mrs. E. Golby; directors, Mrs. M. Eileen McEachren, Mr. S. Hobbs; press correspondent, Mrs. E. Joel.

The specialty show of the club was held in conjunction with the Barrie Show on May 18. Twenty-six dogs were entered with only two absentees. Mrs. E. McEachren had another field day, taking winners in both dogs and females, also best of breed with a Specials. Mr. Baxter's dog was Best of Breed at Stratford.

I hope in the near future to obtain some data regarding the start of the K.B.T.C.C. Charter members etc. Also, if the news is forwarded to me, give a breakdown of the year's new champions, group wins etc. I believe this is the first time the club has had a column through the facilities of Dogs in Canada, so don't let it peter out through lack of material. My address: 8 Anglesey Blvd., Apt. 207, Toronto 18.

The Ontario County Kennel Club
Mrs. H. F. Porter

The June meeting was held at the home of Mr. and Mrs. C. M. Stevens in Toronto. Four new members were welcomed—Mr. and Mrs. William Clark, Mrs. Ruth Coates and Mr. Donald Rees. Most of the meeting was taken up with business relating to the coming Championship Show to be held on September 7 next at Whitby, Ont. The Trophy Secretary, Mrs. Joan Souch, reported that trophies were coming in well, but more would be appreciated. The Show Secretary, Mrs. H. F. Porter, gave a favourable report on progress. The next monthly meeting will be held on Wednesday, July 10.

Perth County Kennel Club
by Mrs. A. Symonds

We feel we have reached a milestone in the history of our club with our first All Breed Championship Dog Show and Licensed Obedience Trials behind us. In spite of the fact we only have 19 members our show, in our opinion, was a huge success. Our thanks to every person who helped to make it a day to be remembered.

Our show was well underway by 10.30 a.m. and was finished by 7.30 p.m. with an entry of some 340 dogs.

All members pitched in and worked hard for this show but we'd especially like to mention our show secretary, Mrs. R. G. Bird who did a terrific job.

PRIZE-WINNING BRITISH BREEDERS CHOOSE

Bob Martin's Condition Tablets

BOB MARTIN'S Condition Tablets have been keeping British dogs happy and healthy for more than 60 years. Many a British champion breeder has reason to thank Bob Martin's for bringing his dogs to tip-top condition for show-time. Here is what British breeders have to say about Bob Martin's:—

"A dog is bound to be touchy or listless if he's out of condition. All my dogs get their Bob Martin's regularly", says Mrs. Randall, the well-known Dorset breeder of Bobtail Sheepdogs.

"Every Sunday morning regularly the whole kennel is given Bob Martin's. They look forward to it — you should see them lining up". Mr. Francis, owner of Tarkard Kennels, knows what he's talking about. Wire-haired terriers are his only hobby and he has many champions to his credit.

"Bob Martin's are very good for adult dogs and I give them regularly to my bitches after mating until the puppies are weaned". That's the opinion of Mrs. D. Lindsay of Croydon who breeds champion bull-terriers.

"Experience has shown me that Bob Martin's not only bring a dog into show condition, but also into working condition". So says Mr. C. S. Nicholls of Knaresborough, whose bloodhounds have won many trophies, including Best of All Breeds at Birmingham, the only time this prize has ever been won by a bloodhound.

Each Bob Martin's Condition Tablet contains all the vitamins of the B group (a full day's supply of three important members) and Vitamins A and D. Bob Martin's also contain dried whole liver with its rich array of nutrients and which provides the flavour dogs and puppies find so palatable.

Bob Martin's are obtainable from druggists, department stores and pet shops. Give them to *your* dog — just one tablet once a day—and see that he keeps happy and healthy always. Bob Martin's from Britain, the home of dog-showing.

It is no secret to dog breeders and veterinarians that many commercial dog foods vary considerably in their nutritional content—frequently from feeding to feeding. This fact has led to a common problem in the correct feeding of dogs, where it is well known that a *completely balanced* diet is essential to good health and top condition.

There are five good reasons why HOMOGENIZED GAINES MEAL supplies the answer to dog feeding problems. Here they are:

3. Gaines is always ready to eat—dry or moistened.
4. Gaines is the *truly tested* dog meal, the product of years of research on whole generations of dogs, at the famous Gaines Research Kennels.
5. Gaines goes a long way! A 25 lb. bag of Gaines contains *all the food value* of 75 lbs. of canned dog food.
