IMPROVED WORM TABLETS

Bob Martin's Have Four Major Advantages

Bob Martin's laboratories have long recognized the need for an improved treatment of worm infestation in dogs and puppies.

After lengthy research and experimentation, Bob Martin's now have the answer. Bob Martin's tapeworm and Bob Martin's roundworm tablets have four distinct advantages:

- 1—No starving of the animal is either necessary or desirable.
- 2—No purgative or aperient is required.
- 3—The tablets have a very wide safety margin and can be given without risk even to delicate animals.
- 4—One treatment is sufficient in the majority of cases.

For all your dogs and puppies use Bob Martin's new Worm tablets — Now available through your pet shop, druggist or department store.

DR. BALLARD'S Champion Dog Food

Yes, there are many breeds, varieties, shapes and sizes of dogs, but every dog has one thing in common and that is the need for a balanced diet. Dr. Ballard's Champion Dog Food is veterinarian prepared to provide a complete, nutritionally balanced diet of vitamins, minerals, proteins and other essential food elements. So, for the food energy your dogs NEEDS, the rich hearty meatiness he LOVES and the variety of Chicken, Liver and Regular flavours he ENJOYS . . . better get some Dr. Ballard's Champion Dog Food, next time you shop.

Available in 3 Flavours

CHICKEN - LIVER - REGULAR

SECOND CALL!

Whether You Have 1 or 100 Dogs,
This Directory can mean Money for You!

If you are among the progressive kennel owners participating in the new

DOGS IN CANADA ANNUAL KENNEL DIRECTORY

MORE THAN 6,000 breeders, owners and potential customers will see your Kennels,
Your own name and address and breed(s) listed.

This Directory will first appear as a removable insert in the November, 1957 issue of **Dogs in Canada**. Owners' names will appear alphabetically under the alphabetical listing of breeds. For example,

BOXERS

Mr. and Mrs. George South, Southerly Boxer Kennels, 1642 Main St., Viceroy, Ont.

A listing similar to the one shown here costs only One Dollar. If you wish to be listed under several breeds, send an extra dollar for each extra breed.

This Directory will keep right on working for you as a handy reference. Enquirers for breeds will be informed that a copy of this Directory is available at a nominal sum.

Just fill in and mail this order today. Cheque or money order **must** accompany the order. If you wish more than one breed listed, please print details on an extra sheet of paper.

Please Print.

WAL-DE-MAR GREAT DANE

For the first time in many years the Canadian Dane fancy is offered a new combination of Canadian and American bloodlines.

Ten grand pups out of our 34" red brindle female. Strongly linebred from the Fingard line which produced many of Canada's top winning champions including Group and Best in Show winners. And sired by that magnificent, great moving, sound, 36" golden fawn American Champion KIM OF CARLSDANE, who comes from the Dinro Heideres bloodlines that are producing today's top winning Danes in America such as the dog that has taken Best of Breed for three years at Madison Square Gardens.

These pups are for people interested in breeding, showing or just having the best as a pet! Pedigree, pictures and prices furnished on request.

And also introducing WAL DE MAR'S CALYPSO, 35" mahogany brindle of excellent conformation. Proven sire of goldens, brindles and fawns, Sire: CH. McNALLY'S DUKE OF HAMILTON and Dam CH. WILKLEES ZANA (points on championship). Stud service \$50.00.

If you have any suggestions, any comments or constructive criticism to make concerning articles or other items contained in this magazine, or with regard to shows, your opinion of what is happening to various breeds with regard to size, colour, coat, etc., write a brief letter to the Editor. We must reserve the right, however, to edit same.

NEW BOXER FANCIER

... As a very new reader I'd like to congratulate you on your magazine, especially the interesting articles. So many magazines seem to develop into a catalogue of shows. Yours, I'm glad to say, is very well balanced.

I have recently arrived from England, bringing with me a Boxer. He makes it difficult to secure accommodation, but is well worth the trouble. What I am especially interested in at the moment is general care of dogs in Canada and what pitfalls there are for the uninitiated, if any. There must be many like me, so perhaps a brief article on this subject would be appreciated.

Good luck to your magazine. I hope it will always maintain its present high standard.

F. WILSON

45 Leuty Avenue,
Toronto, Ont.

Mr. Wilson's address is given here with the thought that other Boxer owners might like to get in touch with him to offer some advice on Boxer ownership in this country. Perhaps some Toronto readers might have a suggestion regarding accommodation. With regard to "pitfalls," the owning of dogs here is little different to ownership anywhere. Common sense and regard for city regulations are the chief requirements.—Ed.

JUDGES' ROSTER

... Would you have a list of Canadian Judges who are considered all-rounders. I believe if such a list were available to all Kennel Clubs it would simplify matters for them in choosing judges for forthcoming shows.

HERBERT WEBBER

503 Westmorland St.,
Fredericton, N.B.

Clubs may obtain this list from The Canadian Kennel Club but Docs hopes to make it more readily available in the near future.—Ed.

DOG OF THE YEAR

... On reading your issue on Quebec it was surprising to note that Mrs. Pamela B. Mack, in writing the interesting things about Quebec, should have overlooked such an important thing for the fancy in the Province. I refer to the wins made in 1956 of the Pekingese Int. Ch. Chik T'Sun of Caversham, who, through winning more Best in Shows than any other dog, won the award of Dog of the Year. He was owned in partnership by R. William Taylor and myself, and we both reside in Montreal in the Province of Quebec.

NIGEL AUBREY-JONES

Montreal, Que.

... In defense of the "Vulgar Show blood", as stated by Mr. A. Florea, July 1957 issue in article The Beagle. Jealousy will get you nowhere, Mr. Florea. Viva the Vulgar Show Blooded Beagle.

JOSEPHINE GRANT

Glanrobin Beagles,
Ste. Anne de Bellevue, P.Q.

"DOGS" SELLS DOGS

... Enquiries through *Dogs in Canada* have been the direct result of placing Wag-A-Way Cocker puppies with breeders and dog lovers from Vancouver to a distance of 30 miles by bush pilot beyond Bay Comeau, P.Q. A coverage of this extent is priceless to any breeder.

MRS. A. M. MERKLINGER

Wag-A-Way Kennels, Reg'd.,
Oakville, Ont.

DOGS MOURNED

... We were shocked to hear from Mr. and Mrs. Gordon MacDonald, Bri Pen Kennels Reg'd., Oak Ridges, Ont., of the passing of their two-year-old Samoyed, Bonni Bri Pen. Bonni had nine points towards her championship. We know all Sam lovers will join us in extending our sincere sympathy.

Wishing you every success with your vastly improved publication. I read it from cover to cover.

MRS. NORA MILLER

Toronto, Ont.

... Our good English imported Labrador, Can. and Am. Ch. Ballyduff Keeper has died of heat prostration and a heart condition. Keeper was a recent winner of the Chicago International and of the Specialty Show in March. He was Best of Breed at the Morris and Essex show last year. He was a good worker in the field and was popular with both the bench and field people.

MRS. KAY ROBINSON

Willowmount Kennels,
Richmond Hill, Ont.

JUDGE LAUDS SHEPHERDS

... I would like, through the medium of *Dogs in Canada*, to thank the German Shepherd exhibitors for their wonderful support of me as judge at the German Shepherd Dog-Breeders Association Show held June 15, and for their co-operation during the show.

I would also like to comment on the high quality of their dogs. Seldom have I seen, either in Canada or U.S.A., a finer group of Shepherds, and it was no easy task to judge as most of them were top quality dogs.

BETH HENDRY

Toronto, Ont.

DOGS IN CANADA, AUGUST, 1957

it's pervinal

2 to 1

*with owners, handlers
breeders of top dogs*

More than 90% of owners and handlers of the nation's top dogs told a reporter* at the 1957 Westminster Kennel Club show that they relied on vitamin and vitamin-mineral supplements to keep their animals in good health, top show form, and in a frisky, lovable mood. Pervinal—the specially-balanced-for-dogs vitamin-mineral nutritional conditioner—is preferred over its closest competitor better than two to one.

LETTERS

(Continued from page 5)

... You are keeping up the good work as we knew you would, with your wonderful publication, *Dogs in Canada*. We can hardly wait for each new issue to come out.

MR. AND MRS. J. W. DUCKETT
Hamilton, Ont.

... Re my advertisement in your June issue, have had four enquiries, two from Milwaukee, Wis.

FRANK E. JONES
Minesing, Ont.

... Thank you for the care taken over our advertisements. We do appreciate it.

MRS. W. E. KIESER
Heidenheim Kennels Reg'd.,
Arva, Ont.

... Re your *Dogs in Canada*, May 1957, I wish to congratulate you. This book is getting more interesting every month, and I do enjoy reading its contents. Could you please tell me how I obtain all Aubrey products mentioned, as they are quite unobtainable in B.C. I have had given me a bottle of St. Aubrey coat dressing and found it was wonderful and tried hard to replace same.

GLADYS BRAMBLEY
Lulu Island, B.C.

Your kind comments and interest are much appreciated. *St. Aubrey* products may be obtained by writing *The Dog Studio*, 4250 Decarie Blvd., Montreal, Que.

... You deserve a lot of respect for the fine job you are doing with your doggy publication. Every issue becomes more interesting and my wish goes along with your ever mounting success.

FRAN MAHER
Hornell, N.Y.

DOBERMAN NEWS DESIRED

... I think *Dogs in Canada* gets better with every issue and would not wish to miss one. I do wonder why there is so little on the Doberman.

MRS. B. ENGLAND
Crediton, Ont.

Dobermans are due for some attention, although we hear from very few Canadian breeders.—Ed.

NOTED BULLMASTIFF DIES

... We regretfully announce the death of our outstanding Bullmastiff female, Phillips' Duchess on July 2, from a fatal shooting accident. Bred by Robert N. Phillips, by Ch. Bulletproof of Bulmas, ex Avril of Mulorna, she was first shown in May, 1956, when she won six BB's and seven BO's in 14 appearances in Canada and the U.S.A. Duchess whelped two prodigious litters, one of 13 by Ch. Bronco Bill of Bulmas in December, 1955, and one of 14 by Ch. Fortin's Warpath in November, 1956. She was affectionate, yet exemplified the natural guard dog heritage of the breed.

G. L. BENTON

NO-MATE[®] TABLETS

- STOPS ALL MATING ODORS!
- STOPS ALL BODY ODORS!

Science has found the answer to the female-in-heat problem. NO-MATE[®] Tablets positively stops all attracting mating odors (and body odors, too!) Even in Show Rooms and Kennels male dogs are never bothered by females-in-heat... there is simply no odor for the male dogs to pick up.

HERE'S THE SECRET

NO-MATE'S exclusive ingredient is the new powerful Cerophyllin-SF, safe and many times more powerful than any other odor-killing product known to science... positively stops odor.

ALL-BREED DOG SHOWS

(UN-BENCHED)

And Obedience Trials

3 DAYS for your dog to compete for a Bermuda Championship, to be judged by three well-known American and Canadian judges.

Bermuda Agricultural Station

October 31st, November 1st,
and November 2nd, 1957

Plans are now being made for air transportation from New York and return. For full information write immediately to: Mrs. Raymond Spurling, Show Secretary, Bermuda Kennel Club, Reid Street East, Hamilton, Bermuda.

THREE P.N.E. SHOWS

Top flight judges have been selected for the three Pacific National Exhibition Dog Shows. Judging August 30 and 31 are: Forest N. Hall, Dallas, Texas and H. P. Saunders, Calgary. The third show, September 2, is being judged by Dr. Frank Porter Miller, Los Angeles and Mrs. L. Zingler of Everett, Wash. R. H. Hatfield of Portland, Ore., will judge the Obedience Trials August 28 and G. F. Christie of Victoria, B.C. the following day.

Benching for this important three-show competition is excellent. The ring is 80 feet in length, surrounded by attractive walls built so that dogs in the ring are easily visible to the audience seated in leather covered theatre chairs. The ring itself is treated with a formula that gives the dogs perfect footing, and the appearance of grass.

THE OLD TIMER

Kennel blindness is a disease, but it's not the dogs that catch it, said the Old Timer.

"ONE of the things that puzzles me", said the Old Timer, is to give the right answer where somebody comes along and says "My female is in season, what dog should I breed her to?"

We were sitting in his stripping room on a hot summer evening, the Old Timer's chair tilted back against the wall and his feet resting on a shipping crate and we'd been over the quality of the judging at the previous Saturday's show. We'd discussed bass fishing at a lake I'd just learned about. We'd argued the merits of plugs as opposed to live bait and now we were back on dogs and their owners.

"But why should you be puzzled?" I asked. "You're the expert".

The Old Timer snorted. "Expert nothing," he said "and no miracle worker either. Yet people expect me to suggest a sire that'll give them an all-champion litter first time out. It just can't be done".

I couldn't have agreed more, but you don't keep the Old Timer talking by agreeing with him. He needs an argument like a motor needs gas.

"Why not?" I prodded. "You take a reasonably good female, breed her to a top dog, and surely the result is top puppies".

There was pity in the Old Timer's look. "Son," he said "if you believe that, your time in the dog game is going to be full of disappointments. I'll agree that the probability of producing good ones is increased by breeding good ones to good ones,—but not just any good one to any other good one".

"Why not", I asked again.

"Okay, let's take your female," he said. "She's a good one, but she's got faults".

I started to argue.

"You see, you've got it too—the disease that hits more breeders than you can shake a stick at," he said. "I mean

kennel blindness. In other words you refuse to see the faults in your own dog. And if you won't see them in her, how can you correct them in the pups. Now your female is short in neck and she's a little straight in shoulder. What happens if you breed her to a dog that's also short of neck and straight in shoulder?"

"Guess my chance of improving neck and shoulders in the puppies wouldn't be too good", I admitted.

"They'd be better if you selected a dog that is strong where yours is weak," the Old Timer said. "Your female however has a beautiful short, strong back. You can't fault her very seriously in hindquarters. So, if she was mine, I'd look for a dog with good neck and shoulders and take a chance on her strength in the other departments taking care of that in the puppies. Mind you, I don't mean I'd breed to serious faults just to improve neck and shoulders, but if the male's faults in other departments were only minor I'd take a chance".

"Anything else?" I asked.

"Yes, if the dog you're thinking of has been around for awhile find out what he's already produced. If he's produced show winners chances are he's one of those prepotent males that can pass on his own good qualities and it won't all be left to the female. And if his daddy, too, was a producer, that's so much the better. And if he carries some of the same blood as the female, that's better yet."

"You favor line breeding then?" I queried.

"I believe in it yes, but with some reservations. Matings within the same family are a pretty good way to set type and quality—but bear in mind it's also

MEMO FROM THE EDITOR

One of the liveliest Club bulletins produced by any organization is that of The German Shepherd Dog Club of Canada, called Shepherd Shorts. While rounding up news of members and dogs, it frequently carries useful information on care of puppies, general health, etc. Editor is Nellie A. Corser; co-editor is Carol E. Richards. Two Obedience Clubs also have remarkably good bulletins: The Vancouver Dog Obedience Training Club and the Mountain City Obedience Club.

Active as a puppy with a new slipper, the Vancouver Dog Obedience Training Club has turned out a fine crop of Obedience schooled dogs and owners in winter and spring terms. Now they're already enrolling for the Fall term which starts early in October. In addition to the classes, an instructors' forum each class night polishes teachers and grooms new leaders

This is the final number in the Provincial series. We've enjoyed doing them and hope you have found them good reading. This issue gives us an insight on activities on the East Coast. Our only regret is that we were unable to obtain more information on some of the older and outstanding breeders. Sincere thanks to the individuals who worked with us so well in helping highlight the Maritimes and Newfoundland dog activities.

September is the Sporting Dog and Hunting issue — moved up one month to help create interest in sporting dogs and equipment prior to the opening of the hunting season. Just a reminder so you won't miss out.

Lady Florence Conyers, president of the Bermuda Kennel Club, together with the executive and members, has extended the warmest welcome to Canadian exhibitors to enter the three unbenched All-breed shows and Obedience trials October 31, November 1 and 2. Mrs. Raymond Spurling, show secretary, Bermuda Kennel Club should be written immediately for particulars. Her address is Reid Street East, Hamilton, Bermuda.

The Claire Wallace Travel Bureau has been making extensive investigation into air travel with or without dogs, times, costs, etc., and will have final word shortly. Seems to be no end of complications with the airlines, but it is being finalized and complete details should be forthcoming any day now. This would be a wonderful holiday and a chance to work on a championship in still another country. For details, write or phone the Claire Wallace Travel Bureau, 1110 Yonge St., Toronto 5, Ont., telephone WA 3-8471.

Printed in Oshawa, Ontario.

New Study on Hip Displasia

IS Congenital Hip Dysplasia in dogs dominantly inherited, or does it come under the heading of recessive characteristics? This is just one of the vital questions discussed at several conferences early this year by three eminent veterinarians. This report is presented by John H. Nyssen of Williamsport, Pa., who was delegated by The Bulldog Club of New Jersey and The Bulldog Club of America, Div. I. The following information will be valuable to fanciers of several breeds subject to this distressing condition.

We have now come to the conclusion that this disease, or condition, must be accepted to be hereditary. The puppies from parents that transmit this condition may be apparently normal for a number of months. Another way of considering this is that the pup, as it matures, is doomed to develop this hip dysplasia even though during the first months of life it might have appeared normal and even though one or both of its parents appear normal.

By X-raying the female or the sire you will not be able to tell that they will not have offspring with this disease. However, X-rays are needed to diagnose the disease if and when lameness is present.

Suggested procedure: X-ray all breeding stock, actual and potential, both male and female. If any of these dogs show this hip condition, it would be advisable not to use them for breeding. However, it should be kept in mind those possessing no evidence of the disease may still be transmitting it themselves.

Also, it is advisable that no breeding take place between dogs of one kennel and another until X-rays of each animal have been studied by the individual's veterinarian. It is our opinion that this condition will not show itself in a puppy before at least four months at the earliest, or even seven months. If, at the end of seven months, this condition does not appear, it is then evident that you may have a dog without the disease, but, as in the diseases of man, it could probably still present itself at a later date. It is therefore advisable to X-ray your pup at four months and again at seven months. It is the opinion that it is not advisable to breed during the first heat and it is suggested that prior to breeding there be another X-ray examination, as a check.

The responsibility, good judgement, and courage of the owner-breeder to refrain from breeding his dog in which he has a great emotional and economic investment is necessary to get rid of this unfortunate condition in any breed of dog.

The question — can this condition be outwardly noticed — is best answered by saying that lameness in hind quarters doesn't necessarily mean the disease in question is there. Only through proper X-raying will it show.

Congenital Dysplasia of Hips is not only prevalent in Bulldogs. We know it to exist in such breeds as Shepherds, Boxers, Newfoundlanders and others. The German Shepherd people are having the subject studied at Cornell University. This problem is gaining a great deal of attention among veterinarians.

It has been suggested to the writer this is definitely a breeder problem and that breeders should set aside their differences, if any exist, and cooperate in an effort to eventually eliminate this disease.

Further, it is going to be necessary, even though it can be costly in its beginning to breeders, to castrate and spay dogs with the disease and these sold only as pets, or put them to sleep to stamp out, eventually, this disease.

My personal observation is that this will be a long range program of several years or more duration. Dr. Leighton cited a case in Massachusetts of several years ago in retrievers where the breeder eliminated most of his stock and checked through with those to whom he had sold dogs to find animals of his strain that didn't possess the disease and began anew.

It isn't my intention in presenting this to be an alarmist. It is a disease that can eventually put your dogs down so they will not walk again and as breeders you should make your plans to do something about it. First, a sane progressive program within your own kennels, with your veterinarian's aid, will be the beginning. Second, records on your stock. Third, exchange of information among breeders to better the quality and perhaps eventually stamp out this disease.

May I make one further suggestion? That The Bulldog Club of America in each of its divisions set up a perpetuating committee to maintain the confidential files of breeders in their respective divisions as a central source of information. This information to be used by the conscientious breeders to improve their stock, but said information to never be divulged by any of the committee in

charge without the consent of breeders whose records are desired.

The Centres mentioned under the subject of qualifications is conducted by the New York Women's League For Animals and when the new Margaret M. Caspary Institute for Veterinary Research is completed in 1958, they will be known as The Animal Medical Center.

The aim of the League is to provide a center of Animal Medicine on a par with the great institutions in the human medical field where research into the various diseases affecting companion animals as well as the training of veterinarians in this field can be carried on.

This Medical Center, comprising the Ellen Prince Speyer Hospital and the Margaret M. Caspary Institute for Veterinary Research and other medical institutions.

Studies will be made of criminal diseases such as hepatitis and distemper, breeding problems, tumors and skin diseases.

In the Diagnostic Laboratories of the Hospital, opened in February 1957 have been performed over 1,500 tests to determine illnesses and to prescribe proper treatment for difficult cases.

Newly developed X-ray equipment is being procured to be used under the direction of a specialist.

This Center is supported solely by gifts, donations and contributions. ●

Dr. John D. Beck is Director of The Margaret M. Caspary Center for Veterinary Research and Chief of Staff of the Ellen Prince Speyer Hospital for Animals. He is Chairman of the University of Pennsylvania Department of Veterinary Medicine, Director of Clinics and Director of the Bolton Center for Research and Education of the U. of Penna. Veterinary School. Dr. Robert L. Coffin is Director of Research at the Center and Pathologist to Speyer. He was Pathologist to Angell Memorial, Boston and Instructor in Pathology at Harvard Medical School. Dr. Robert L. Leighton, formerly with Angell Memorial, has made a lengthy study and experimented with a number of breeders on Hip Dysplasia in Dogs.

The suggestion that Bulldog breeders set up their own method of compiling statistics is one that might also be taken up by other breeders where applicable.—Ed.

Those Remarkable SEABOARD

SEINING the Weir may sound like a German drinking song, but it's not. This strange-sounding phrase is the term for one of the tantalizing fishing attractions which draw travellers to New Brunswick from many parts of the world.

The purple green of the hills, the ever-changing blue to grey to green of the water creates an irresistible pull. Add to that the siren song of the sea, softly lapping in a secluded inlet, or angrily smashing over a rocky headland. Its birth must have been impressive. About 30 million years ago this land was under water. Sometime during a gigantic upheaval it was lifted to the surface to form what has been called the Acadian Highland. Fine harbours were formed as the coastal areas sank. One of the greatest fisheries in the world developed as cold currents cruised down from Labrador.

The wilderness of the Gaspé hills and others have, until recently, isolated New Brunswick from the rest of the Dominion. Other than its valuable pulp and paper industry, the economy of the province has depended mainly on marine activity. During its quiet development, little was known of the vast wealth of minerals. Now aggressive mining interests are blasting, chipping and drilling steadily, bringing to the surface a wealth in base metals which is the envy of the world.

Originally the inhabitants were Indians, principally of the Algonquin tribe. Other than pottery and other relics, little was left by them, except many-syllabled names which were adopted by both the English and French which sometimes leads to confusion.

There is little that is not picturesque in this province. Nearly 300 covered bridges add zest to driving. Near St. John is the longest covered bridge in the world. The cataract at Grand Falls is the largest waterfall east of Niagara, and provides hydro-electric power for large areas in northern and western New Brunswick. The town is conceded to be the best lighted thoroughfare in Canada.

The history and growth of this province are exciting and colourful enough to match any Hollywood or major television production. For one reason or another early New Brunswick was a constant battleground. Even the development of its timber and shipbuilding trade brought trouble, and long after the formation of the province a bitter dispute over the Maine boundary more than once nearly resulted in war between Great Britain and the United States.

TOP: Curling, Bay of Islands, is typical of the villages and fishing settlements dotting the coast of Newfoundland.

BOTTOM: Lobster traps are stacked on the dock at Tignish, P.E.I., one of the ports from which this delicacy is shipped thousands of miles.

PROVINCES

There was a golden era of shipbuilding in which ships from New Brunswick yards sailed the seven seas. The railroad era brought new excitement, but this, too, levelled off. Meantime the great lumber and fishing industries grow apace, and no one can estimate the bright mining and industrial possibilities ahead.

The province is a paradise for sportsmen, offering some of the finest big game and bird hunting on the North American Continent.

FROM the beginning, Nova Scotia and its people have been close to the sea. Even before Columbus crossed the ocean, Europeans sailed over to fish in its coastal waters. Sailing vessels were the only means of trade for the early settlers. At one time Nova Scotia had more shipping per capita than any other country in the world. Steam replaced wind and the trade was doomed.

But the fishing still goes on. With more than 4,625 miles of coastline, Nova Scotia is world-famous for deep sea fishing — broadbill swordfish and tuna. Every world record in tuna sport fishing, except two, has been made in Nova Scotia waters. Pictou is the World's greatest lobster exporting center.

This province, particularly along the Bay of Fundy, has the highest tides in the world. In August, the extreme range at Burntcoat Head runs from 46 to 90 feet; a mass of red or violet surging water, then mud flats, with ships left high and dry. For marine-minded visitors there is always action. Inland, it's peaceful in the colourful country, and for hunters the deep woods provide a silent, game-stocked wilderness.

Thousands of acres have changed little from the days of the Indians. There are moose and deer, bear and beaver, muskrats, mink and red fox. It is said there are more white-tailed deer per square mile than anywhere else on the continent. Winged game includes black duck, geese, brant, great blue heron and the merganser. Ruffed grouse, Hungarian partridge, Wilson's snipe and pheasant are plentiful in their season.

Nova Scotia is said to be the beginning of America. Visit the Port Royal Habitation at Lower Granville, and you'll have the sensation of being back in the 16th Century. This was the first permanent settlement north of the Gulf of Mexico. Here in 1606, Samuel de Champlain organized the first social Club in America — the Order of the Good Time. Revived by the Nova Scotia Government, visitors to the province are eligible for membership.

TOP: Small craft ride at anchor in Peggy's Cove, N.S., one of the most frequently painted and photographed corners of the world.

BOTTOM: How does it work? The puzzle of the Reversing Falls draws thousands of travellers every season of the year to Saint John, N.B.

The Land of Evangeline is a land of "firsts". Halifax had the first public school, the first newspaper and printing press, the first Protestant Church, earliest dockyard and post office in Canada. The first hockey in America was played in this city on the Dominion's first skating rink. It also had the first tennis court.

Cape Breton has the only Gaelic College in America. More people speak Gaelic on the Cape than anywhere else in the world. On Isle Madame, French is spoken and many 18th Century customs are retained.

Almost every county has its remains of forts and historic battlegrounds, remains of the English and French duelling which lasted for 200 years. While neither side was looking, American privateers raided the ports. The Nova Scotians today are interesting, stalwart and hospitable—descendants of French, English, Irish, Scottish and Hanoverian settlers. The original inhabitants were the Micmac Indians, whose descendants continue basketmaking and other crafts.

One of the most exciting displays of horsemanship comes from Nova Scotia: the Junior Bengal Lancers, boys and girls in colourful Lancer uniforms have thrilled Boston and Royal Winter Fair spectators with their intricate precision drills.

LARGER than most people realize, Prince Edward Island has more than 3,000 miles of major highways. It is a natural playground with wide clean beaches comparable to those of Florida. Of the more than 1,100 miles of coastline, great areas are still undeveloped.

The Island is known as the Kentucky of Canada. Harness horse racing is its specialty, with top Maritime and Eastern Canadian horses competing for turf honours during Charlottetown's Old Home Week Racing each August. And as in Kentucky, betting is high.

Only nine miles separates P.E.I. from its neighbouring province, New Brunswick. The car ferry Abegweit is the largest of her type in the world, and is a luxuriously appointed craft. A second ferry gives additional service during spring, summer and fall, and two other ferries operate to Nova Scotia.

This Island is Canada's smallest province, but nature has blessed her. The rich, red loam soil makes it a veritable Garden of Eden. The rolling countryside is dotted with tidy farms. Livestock flourishes. This is the home of the famous Prince Edward Island potatoes and delectable foods are always available at economical prices.

Commercial fishing is the second primary industry in P.E.I. Lobsters (two seasons per year) are the most important of the seafoods, with mackerel and cod secondary. The world-famous Malpeque oysters are fished in the waters of Malpeque Bay on the north side near Summerside.

Once the greatest source of silver foxes in the world, this industry diminished as fashion turned to other furs. This summer's New York fashion shows however, indicate a marked tendency toward a lavish use of furs, with silver fox high on the list, which bodes well for P.E.I. fur farms.

The Island, only 140 miles long from tip to tip, is known as the Cradle of Canadian Confederation. The first meeting was held in 1864 to discuss the union of Canada. First discovered by Jacques Cartier in 1534, it was called Abegweit by the Indians, meaning The Home Cradled in the Waves. The French named it Isle St. Jean, and as the English finally became victorious, they renamed it Prince Edward Island in honour of Prince Edward, Duke of Kent.

Known as "The Million Acre Farm", the Island is becoming increasingly popular as a resort province. There are no extremes of heat or cold, no droughts or floods. The hunting and fishing are superb. Ring-necked pheasants, Hungarian partridge, ducks, geese and Wilson's snipe are the most popular game birds.

ALTHOUGH Newfoundland is Canada's tenth province in order of Confederation, it is seventh in size. Labrador and Newfoundland comprise over 110,000 square miles, much of it still unsurveyed. New airline, railroad and highway projects are unlocking secrets of wealth which may be only surmised for many years to come.

The population, with the exception of a few large towns, is composed of about 1500 small settlements with fascinating names such as Bumble Bee Bight, Nick's Nose Cove and Heart's Content.

The wealth of cod, seal, whale and salmon attracted European fishermen long before there was any thought of settlement. Allowance should be made for exaggeration, but John Cabot, reputed discoverer of the Island, wrote in his log book: "the quantity of fish in the waters was so great they stayed our boats."

Newfoundland, as the first approach to the Dominion, was under both French and English rule, the nature of which is demonstrated by ruins of forts and rusty canon.

This province is undergoing an industrial transformation which can only be matched by its great tourist attractions which are as yet in the infancy of their development.

LABRADOR

Once referred to as "The land that God gave Cain," this vast section of Newfoundland is finally finding its place in the sun.

The great deposit of iron ore on the Quebec-Labrador boundary is the heart of the development, with life springing from the Hamilton River on which the

Grand Falls, twice as high as Niagara, will supply electric power for mines and townships.

It is a land of awe and mystery, awaiting exploration. The deep fiords and towering cliffs resemble those of Norway. A summer coastal cruise is a thrilling experience, highlighted with icebergs, Eskimo and Indian villages, and illuminated by brilliant Northern Lights.

NOTE FROM NEWFOUNDLAND

The Honourable Harold Macpherson, noted Newfoundland breeder located at St. John's, Nfld., writes that the great dog seems to be fading out of the picture in its native area. Mr. Macpherson writes that he has bred Newfies for the past 50 years.

The book, "This is the Newfoundland", shows a picture taken over 100 years ago of his father and grandfather's Newfoundland. Another photograph shows one of his puppies who, tipping the scale at 200 pounds, served all through the war on a Liberator bomber making submarine searches on trans-Atlantic flights. Another of his puppies is shown with the late King George.

ROBERT LITTLE

Exhibitors and breeders in the Maritime Provinces have a true friend in Robert Little. His time is devoted freely and continually for the welfare and advancement of purebred dogs.

Being the present Maritime representative in obedience affords him an ample opportunity to organize and advance the work he loves so much. He does not show dogs himself but is at most shows either as a ring steward or an observer. In recent years he has been endeavouring to get local judges started and in particular, younger judges.

He has also been instrumental in bringing judges to the fore from other parts of Canada. The club, of which he has been president for a number of years, is somewhat the envy of other clubs. His policy of holding a club together and distributing responsibilities is worth observing.

Contributed by Shirlye Webber.

J. D. CAMPBELL

Regularly seen at the Maritime shows are the Inverary Scotties, owned and handled by J. D. (Jim) Campbell of Fredericton, N.B. The representatives of this kennel have had consistent top wins, but have not yet made Best in Show. An example of the winning is that of Inverary's Bonnie Aspirant who has just chalked up Best Canadian Bred Puppy in Show in four out of five shows.

Jim is one of the original members of the Fredericton Kennel Club and a past president. Among show and other executive offices he has also been a member of the Advisory Committee to two former Maritime Directors of the C.K.C.

Part of the 1957 Obedience Class at Fredericton, N.B. The calmness of the dogs before the camera is a good indication of their training.

OBEDIENCE in the Maritimes

Obedience in the Eastern Provinces is in its
early infancy — but watch this baby grow!

by Robert Little, Maritimes Obedience Trial Representative

OBEDIENCE training on the East Coast is in its infancy. In 1955 the Fredericton Kennel Club began by securing the services of Mrs. Alexander Casgrain of Mountain City Obedience Club, who stayed with us for about ten days. We had classes every evening and some afternoons. Mrs. Casgrain first showed the film, "Training You to Train Your Dog", by Blanche Saunders, to an open house which was filled to capacity. This proved we were ready to begin this venture.

Classes were conducted by Fred Campbell and Robert Little. After this class finished we invited Mrs. Casgrain back to award the diplomas. I must, at this time, mention her Poodle "Becky" who so admirably showed her skill on television in St. John. That same evening Mrs. Casgrain met New Brunswick Kennel Club members in St. John who were interested in Obedience.

The prizes were won by: a Labrador Retriever owned by Mr. and Mrs. Charles Rowan; a Peke owned by Mrs. G. Wallace! a Kerry Blue owned by Mr. Gunter and a Poodle owned by Miss FitzRandolph. James S. Neill & Sons donated a Challenge trophy and Mrs. Casgrain a trophy for the dog making the most progress.

In 1956 another class was conducted with about 16 new dogs. Lloyd Amos became assistant trainer. Again the Neill trophy was won by a Labrador Retriever owned by Reginald Truesdale.

In the summer of 1956 I helped the Moncton Club begin its work in Obedience Training under the leadership of their president, Paul Delaney. When judging the graduating class I discovered Paul was training some very clever dogs.

The Truro, Nova Scotia, club started a class about the same time as the Fredericton club. These classes were conducted by Mr. and Mrs. Harvey Gratton.

In 1957, as Maritime Representative, I sent a letter to each club in the Maritimes to try to create an interest in Obedience Training. Many of the Nova Scotian clubs already showed enthusiasm along these lines and I feel that they have the dogs, the trainers and the handlers.

This spring the Fredericton club started its third class. It exceeded all expectations with the enrollment of 40 dogs. We had to add two new assistants — Mrs. V. Glenn and Darrel McPherson. Classes are conducted at the Experimen-

tal Farm, which is an ideal spot for such activities. The class finished on June 20 and was judged by Paul Delaney from the Moncton Club. The Moncton Club finished July 13 and was judged by Robert Little.

After receiving the offer of a Challenge Trophy from Mr. and Mrs. Kilburn King of New Rochelle, N.Y., for the New Brunswick dog making the highest aggregate score on the N.B. circuit, a keener interest was shown in the two active N.B. clubs. This is a wonderful trophy valued at over \$300 with a replica to be retained by the winner. Mr. and Mrs. King also offered a Blanche Saunders' book on Training to any club in Nova Scotia which starts an Obedience Class. In addition Mr. King intends to take a movie of our show which will give us a chance "to see ourselves as others see us."

These interested people were instrumental in talking Miss Saunders into coming to New Brunswick, the home of her parents, to judge our first trials which will be held in Moncton on August 19, and in Fredericton on August 20 and 21. This will give the dogs a chance to get three legs on a degree. We will also have Mrs. Casgrain judging the trials.

Three outstanding Maritimes sportsmen are shown with some of their winning dogs and trophies. l. to r.: R. D. Kell and English Setters; Al Gray and Brittany Spaniel. Harry Whitman and Pointer.

RETRIEVERS IN THE MARITIMES

by Alex G. Wilson

The Maritime Provinces, with their long Coast line, salt water inlets, marshes, fresh water lakes and ponds, contain many areas that are considered first class duck hunting territory.

However, many a new hunter has found out that bringing the duck down is only part of the operation in filling a bag limit. With winds, tides, waves and currents, it is sometimes a difficult task picking up the downed birds even though they are cleanly shot. It also seems that when winds and tide conditions are favourable for good shooting, the same conditions are very bad for picking up the game. Instead of blowing the game towards the hunter, the winds and currents seem to carry it further and further out of reach. In ponds this also holds true, and many have mud and silt bottoms that make wading dangerous and at the best a laborious effort. In weeds and rushes the fallen game is extremely hard to locate.

A boat in many cases solves the problems and adds to the enjoyment of the sport. But it at times can become cumbersome, especially late in the evening when one is cold and chilly, and it has to be carried some distance ashore, placed on a trailer or car top and securely tied with fingers cold and numb. A canoe in many cases is superior to a boat but it hasn't the stability. It can also be quite a burden if it has to be carried any long distance.

In the opinion of many, a good retriever, even if only half trained, is far superior to either the boat or canoe. In locating and bringing in fallen game they have no substitute. If one considers the cost of a boat or canoe, a retriever is a much better investment and will compare favourably with either the price paid for the boat or guns and will prove an asset to any duck hunter.

It is little wonder then that in the Maritimes retrievers are very popular,

with different areas favouring different breeds. This can usually be attributed to some serious breeder or breeders of a particular breed in that area. In many cases the pedigree of some of the dogs can no longer be traced, a great many of them are kept as a house dog and pet, and for hunting in the fall. They can be seen in nearly all coastal villages and on the Islands.

A triumphant trio, Charles and Janet Rowan pose with their Obedience winner, Studleigh Brigadier.

The Black Labrador seems to be the predominating breed with a few Yellow Labradors here and there. Chesapeake, though not as numerous, are considered very good for certain areas. In Nova Scotia they have a retriever breed of their own, and though they are not too well known outside of the Province, Nova Scotia Duck Tollers are used to lure the ducks in closer to shore, and are considered by some to be similar in appearance to the Golden Retriever. This latter breed is gaining fast in popularity, and though it is being confused in some quarters with the Yellow Labrador, it is a distinct breed with colours ranging from almost cream to a buff-red, with the better coloured Golden Retrievers a lustrous golden colour.

Hunting, Obedience and Shows keep Eastern fanciers busy.

It is encouraging to note that the majority of retriever breeders in the Maritimes are not so much concerned with the commercial end of the enterprise, but are endeavouring to produce good dogs. This is evidenced by the fact that retrievers have won all major awards in the Maritimes, and this year have taken the Obedience title, Field Trial wins and a Best in Show win. In the three years the Neill trophy has been awarded for Obedience in New Brunswick, it has been won by Black Labradors.

More Clubs are being formed on the style of the Moncton Gun Dog Club. This club has undergone several changes in name. Prior to 1951 it was known as the Brittany Pointer and Setter Club. Interest in the retrievers seemed to be keen, so it was changed to its present name to embrace all hunting breeds.

The first trial for retrievers held by this club was at Humphrey's Pond at Moncton in 1952, with an entry of ten dogs. The following year the entry increased to 12. In 1954 the only trial held was a sanction event which drew a large entry. The 1955 sanction, held at Neil's Folly Lake embraced Junior and Open All-Age Stakes with 11 dogs entered. This trial showed a marked improvement in the calibre of the dogs. The Moncton Gun Dog Club has done fine work in promoting these trials, along with the Moncton Branch of the Fish and Game Protective Association who jointly sponsor these trials as a follow-up event to the Fall Sportsman's Show and to further the work in promoting game conservation.

The Moncton Gun Dog Club is the only club in the Maritimes to sponsor a retriever trial within recent years. The 1956 Field Trial was a licensed event with eight dogs in the Open and three in the Junior Stakes. The Open was won by Alex. G. Wilson's Golden Retriever, Ch. Lady Bess, the only Golden entered in open-all-age competition to date with this club. In the two years she has run she has three trophies, two firsts and a runner-up. In the Junior stakes the winner and runner-up were John Ripley's

Hillside Kennels representatives, the winner being handled by its new owner, Wilbur Goodwin.

It is possible that the Moncton Gun Dog Club will hold its trial this September. Officers this year are Don Boyd, of Chartersville, N.B., president, and Murray Hannah, of Moncton, secretary-treasurer.

Shown with an imposing array of trophies is the Golden Retriever, Ch. Lady Bess of Wilsonia Kennels, owned by Alex Wilson.

The Tantramar Kennel Club of Amherst has been promoting picnic trials and it is hoped that this club will eventually branch out into the sanctioned or licensed Field Trials. Another club showing promise is the newly formed St. Croix Valley Gun Dog Club, inaugurated in 1956. Though only a few members had Field Trial experience, the interest was keen and they now have 35 retrievers in the club. Some of the members attended sanctioned trials in Maine, where they gained much experience and encouragement. The president is Phillip MacCready, vice-president is Sam McConkey and secretary-treasurer is Alex G. Wilson, all of St. Stephen. Training meets are held as grounding for Trials.

POINTING BREEDS

by H. O. Whitman

THE first Pointing Dog Trials were held in New Brunswick in September, 1932, under the auspices of the North American Cover Dog Association at the C.P.R. Covers at Fredericton Junction. The Association was organized under the direction of the late Ozark Ripley who was at that time associated with the Canadian Pacific Railway Tourist Branch. Mr. Ripley, a keen outdoors man and sports writer for *Field and Stream*, was one of the judges. The first trial was well attended, and some outstanding dogs from the United States and Upper Canada competed against

local Pointers and Setters. The dogs were handled on woodcock and grouse, particularly the former, of which New Brunswick has the largest breeding and rearing grounds in Canada and the United States.

These Cover Trials were held again in 1933, but a third trial was not held until 1945, when they were resumed in a new location. Under the direction of J. T. Mayer of Moncton, a group of dog lovers organized the first Brittany Gun Dog Club, and the first Brittany Trials were run off at the famous Rampasture Covers in October, 1945. Over 30 dogs participated in this event, with the largest representation from the United States. However, our local Brittanies soon showed strong competition for our American neighbors in the following trials.

Charlottetown, Prince Edward Island, organized a Gun Dog Club early in 1947 and conducted excellent field trials on Hungarian Partridge for two years. It was unfortunate that this club folded up, because these two-day trials attracted some really outstanding dogs from both Canada and the United States.

The Brittany Trials created a great deal of interest amongst the Pointer and Setter owners and the Club name was changed in 1948 to The Moncton Brittany, Pointer, Setter Field Trial Association. This greatly enlarged the number of entries in the October Trials and they have been run each year at Rampasture. This year the Trial will be run, on October 20, at Rampasture under the auspices of the Moncton Gun Dog Club—this name being adopted in 1952. The Retriever Trials are held separately, but in the same club.

DOGS IN FREDERICTON

by Bob Little

IN GROUP 1 the name of CHARLES ROWAN is fast becoming synonymous with the words, "good Labrador Retrievers." Mr. Rowan started showing dogs in earnest about two years ago. Recently his English import Can. Ch. Lisnamal-land Limelight received the Best in Show award at the Dominion Day All Breed Show at Halifax under Judge Louis Murr.

Tar of Tighcou

Another Labrador enthusiast is REGINALD TRUESDALE of Tighcou Kennels (Gaelic for Dog House Kennels). Reg.

has been breeding Labradors for about 12 years. Like the Old Timer in *Dogs in Canada*, he was bitten by the bug. His Tar of Tighcou won the Neill Obedience Trophy in 1956 and one of her pups, owned by ERNEST SMITH, won it at our recent exercises while another pup placed third. DR. ROSS WRIGHT is working on two very fine Golden Retrievers. Another breed gaining in popularity here is the Weimaraner.

IN GROUP II the pride and joy of Tyree Kennels, owned by MR. AND MRS. V. M. MARTINSON, the Borzoi, Ch. Kubana Kuzma, is a best in Show winner. Not content with taking top honours in breed shows, he is now actively engaged in Obedience training.

Another breed new to the Maritimes is the Norwegian Elkhound owned by DARRELL MACPHERSON of Pine Kennels.

GROUP III finds us with a good percentage of working dogs. HERBIE WEBBER, with his fine Collie Parader, has won three groups in a row. Another breeder of Collies is MRS. LEO HAYES, who is doing much to improve the breed in our district. The Boxer is gaining in popularity. MR. HANSELPACKER of Harvey Station has three brood females on hand.

We also have a few Samoyeds. MR. EDWARDS has a Harlequin Great Dane, a Boxer, a Doberman Pinscher and a Great Pyreneese. MRS. VERNON GLEN is awaiting a Sheltie from England.

IN GROUP IV we have JIM CAMPBELL showing a Scottie puppy which has received Best Canadian Bred twice in a row.

Dinner is served for this litter of Bostons sired by Can. and Am. Ch. Bonair's Flash Again, of the Greybrook Kennels.

GROUP V in Fredericton is something of which we can be really proud. Ro-Lyn is a comparatively young kennel given over exclusively to the breeding of Pekingese. This strictly hobby kennel was started in 1950 by PEARL AND ROY COLWELL with the object of improving the breed. They have five champions. Latest addition to Ro-Lyn Kennels is Ch. Alderbourne Vellum of Caversham, obtained from the Alderbourne Kennel of the Misses Aston-Cross of England, world-famous Pekingese kennels. Another young importer of Pekingese from England is MRS. GERTRUDE STORY. MRS. GORDON WALLACE is also a Peke enthusiast.

6

1. Best in Show fell to the Labrador Lisnalland Limelight, shown here with 1. to r., Judge Louis J. Murr, owner Charles Rowan and Alfred Shortt, president of the Halifax Kennel Club. 2. Mrs. M. G. Andrews poses with her Borzoi, one of the outstanding winners in the Maritimes circuit this season. 3. First in the Toy Group was the Pug, Windy Lea's Rip Van Wrinkles, owned and shown by Blanchard Parks of Kentville, N.S. 4. Winner of the Non-Sporting Group was Ch. Captain Cuttle, owned by Lena Sharpless Hall of Lynwyd, Penn. 5. Elana Roberts, daughter of Mr. and Mrs. Stanley Bianco-Roberts, Halifax, won the Junior Children's Handling Class at Dartmouth and Halifax. 6. Best Brace in Show went to these perky Australian Terriers. Owner is Mrs. Alice H. Bissett.

HALIFAX SHOW.... July 1st

THE 18th and 19th All-Breed Dog Shows staged by the Halifax Kennel Club, Inc. July 1 and 2 created a great deal of interest in the summer circuit along the East Coast. The first show, held Dominion Day, drew 118 entries, with a similar good entry the following day.

The well-known judge, Louis J. Murr of Spring Valley, N.Y., assessed the entries both days.

Best in show July 1 was Charles Rowan's handsome Black Labrador Retriever, Lisnalland Limelight, mentioned elsewhere in this issue. She was, of course, head of the Sporting Group. Mrs. Michael Andrew's Borzoi who has been

making a great showing this summer, was first in the Hound Group. Paul Delaney's female Boxer, Ch. Valmax Dreadnought took the Working Group. Mrs. W. Gottschalk's Miniature Schnauzer, Ch. Esquire of Marienhof lead the Terrier Group, Mrs. Blanchard Parks' Pug, Windy Lea's Rip Van Wrinkles took the Toy honours. Ch. Captain Cuttle of Coventdy, Bulldog owned by Lena Sharpless Hall won the Non-Sporting Group.

Best Canadian Bred in Show was the Boxer, Ch. Valmax Dreadnought. Best Canadian Bred Puppy in Show was J. D. Campbell's Scottish Terrier, Inverrary's Bonnie Aspirant.

AROUND THE OBEDIENCE RING

by Alan Sharp

635 Lansdowne Avenue, Westmount, Montreal, P.Q.

Letters of Interest

The following letter came to us from Mrs. H. T. Fowler of 19230 Lago Place, Seattle 55, Washington, U.S.A. Mrs. Fowler is also President of the Washington State Obedience Training Club.

"Dear Mr. Sharp:

Canadian and American Champion Norska of Greenwood, a three year old Norwegian Elkhound, has just completed an obedience record worthy of a note in your column in "Dogs in Canada," I think.

At the Vancouver, B.C. show on May 26, she completed her Canadian U.D. degree. Earlier in the year she had already won her American U.D. and thus she became the second dog on the Pacific Coast (including both U.S. and Canada) to hold the highest obedience title in both countries. Dr. Gregg of California is the one who can boast of being the first.

Collector of degrees, the Norwegian Elkhound Can. and Am. Ch. Norska of Greenwood, Can. and Am. U.D., is shown with owner and trainer, Lili P. Fowler of Seattle, Wash.

A breed champion at 1½ years, her record in the breed ring has also been exceptional, and it was earned concurrently with her work in the Obedience Ring. In both Canada and United States, she has been either Best of Breed or Best of Opposite Sex in almost every show in which she has appeared. She placed First in Hound Group last year in a show at Victoria, B.C., and she has "placed in Hound Group" in six other shows, Canadian and American.

Norska is, indeed, one of the best examples of the great breed of Norwe-

gian Elkhounds, combining beauty, brains and lovable disposition.

I am enclosing two photos of her. If you could use one in your magazine, I would be so pleased. I enclose postage for their return.

Very truly yours,
Lili P. Fowler"

We were very pleased to receive Mrs. Fowler's letter and we take pleasure in reproducing it here in this column for the benefit of our many readers.

First of all, please accept our sincere congratulations for the wonderful showing your Champion Norska of Greenwood has made in the breed and obedience rings. Being an American and Canadian Breed Champion, as well as earning an American and Canadian U.D., all at the tender age of three years, are truly outstanding achievements. It is most interesting to note that "Norska" earned her obedience titles while she was also competing in the breed ring. This fact should once again prove that obedience training and trials do not harm a dog for the breed ring. At one time breed people claimed that it was unwise to try and do both. However, there are far too many breed dogs today and many of them champions who have also earned obedience titles, for that argument to hold water.

It is most gratifying to know that this column is read in such far away places as the State of Washington. We will be pleased to hear from you again or from any of the other dog enthusiasts from your part of the Continent. Once again, our congratulations and best wishes to you, Mrs. Fowler, and to other members of your Obedience Training Club.

ED.

Recent Trials

A common occurrence took place on June 1 and 2 last when Mrs. R. W. Tyner of Senneville, P.Q. and her Standard Poodle, O.T.Ch. Amanda of Merrychance, Can. and Am. U.D.T., walked off with the Angus Trophy at the Mountain City Obedience Club's trials held at Senneville, P.Q. The trophy is awarded to the Canadian owned dog or bitch obtaining the highest combined score in any one official class in the two trials. Mrs. Tyner handled Mandy in her usual expert fashion to the highest score in both trials, earning 199 and 198½ points in the Open "B" Classes. This black Standard Poodle is a remarkable worker and has won top honours at many of the obedience trials in Eastern Canada and

the United States during the past few years.

The members of the Kingston and District Kennel Club should take a bow for running an excellent obedience trial on Saturday, June 22, 1957. Your editor had the pleasure to travel to Kingston, Ontario to judge the trial which was run off in clocklike fashion. We were very ably assisted in our work by Mr. G. W. Millar and Mr. Frank H. Mingie who travelled with us to Kingston to act as chief ring stewards. We also received invaluable help, assistance and cooperation from all members of the Club.

A total of 20 entries were listed and were put through their paces in the spacious Kingston Community Memorial Centre. Mr. Peter L. Doyle of Ottawa, Ontario, handled his Boxer, Count Kurt V. Stroheim, to a popular win in the Open "A" Class by scoring 194½ points, to share top score of the day. Miss Marjorie Parkinson of Toronto and her Miniature Poodle, Dual Ch. Silver Charm of Maryland U.D., also scored 194½ points in Open "B" Class as well as receiving a score of 172½ in the Utility Class. Novice "A" honours went to a Great Dane, Duke of Turcot, owned and handled by Mrs. S. Thibaudeau of Montreal, who received 191 points. Miss Laura L. Nygren, also from Montreal, and her Shetland Sheepdog, Sea Isle Indian Summer, took first prize in Novice "B" by scoring 192 points.

Our congratulations go forward to all the winners, as well as to all members of the Kingston and District Kennel Club for staging such a well run trial.

Here and There

Congratulations are due the Canadian Kennel Club for at long last producing in one booklet, the Regulations and Standards for Obedience Trials, including amendments effective April 18th, 1957. This publication is in three main parts as follows:

- Chapter 1 — Special Regulations and Awards Applying to Dogs Competing in Obedience Trials
- Chapter 2 — Standard for Obedience Trials
- Chapter 3 — Standards for Obedience Trial Judging

We strongly urge every obedience minded person to keep up-to-date on the obedience trial rules and regulations. If you do not have a copy of this new booklet you may obtain one by applying to The Canadian Kennel Club, 667 Yonge Street, Toronto, Ontario.

(Continued on page 31)

DOGS and PEOPLE

A consistent winner of high honours this year, the stylish Miniature Poodle, Can. and Am. Ch. Sangaree's The Rogue, placed Best in Show over 183 dogs at the Sarnia Kennel Club Show, under Judge Reg. P. Sparkes. The Rogue is an American bred dog owned by Mrs. Arthur Butcher of Windsor, Ont.

American Beagle Club, Inc. is the name of a newly founded club established by Beagle and Basset Hound enthusiasts. The Club offers numerous special benefits to members. Its objectives include adoption and enforcement of uniform rules to regulate and govern Beagle and Basset shows and field trials, to establish standards and prevent, detect and punish frauds. The ABC will not register dogs but will accept and recognize registrations of both American and Canadian Kennel Club registering offices. Inquiries are invited. Just write the American Beagle Club, Inc., Towanda, Pa.

Following his first visit to Canada where he judged the Fifth Annual All-Terrier show, Judge Heywood Hartley of Richmond Va. wrote Mr. T. E. Gundersen:

"I thoroughly enjoyed my trip to Canada . . . The show was very nice to judge. I don't ever remember judging a show where the exhibitors accepted their wins and losses so graciously."

The show was held at Aylmer, Que. Best in Show was Can. and Am. Ch. Tailteann's Rare Gem, outstanding Kerry Blue Terrier owned by Mrs. Eileen McEachren.

A clipping from the *Kidderminster Shuttle* (England) dated January 27, 1912 and found in an old barn was sent to this office by Alfred Veale of Oakville. Interesting item was a report of a dog show at Kidderminster in which "a new variety introduced into the schedule of breeds is the Cairn Terrier." This show was a national one, with 15 rings.

A basketful of nine Poodles was dog-napped in Hamilton recently. Lenore Moses, 15-year-old owner spent two nights waiting by the front step of her home in hopes the thief would return the five-day-old puppies. The theft occurred when the basket was left in the back of a panel truck for a moment on the way home from the breeder.

Died: Dr. Leo Geoffron, ex-president and charter member of the Ta-I-O Beagle Club, following a lengthy illness. Dr. Geoffron was regarded as a fine beagler and sportsman.

With the finishing of Ch. Hagerty's Sonny Regardless, Mr. and Mrs. J. W. Duckett, Hamilton, Ont., have a total of 15 champion Boston Terriers owned or bred by them. This makes the seventh champion to be sired by their Ch. Finale's Own Regardless.

Making strides in the show ring is the Kerry Blue Terrier Ch. Milbee's Starduster, who took BB at Grand Forks K.C. Show, North Dakota under Judge Vary, WD at St. Paul, Minn. Under Judge J. C. Schoenck; WD. and BO, Fargo Moorhead under Judge F. P. Miller, M.D. Shown with owner-handler John W. Haggerty, Port Arthur, Ont.

Douglas Hume, Toronto, owner of one of the six Pudelpointers in North America in reporting Joker's disappearance, stated it would cost him \$1,000 to replace the rare hunting dog — from a monetary standpoint.

Columnist Dorothy Kilgallen reports that residents of the Waldorf Towers can go to the races without leaving home. An imaginative lady next door has built a roof racetrack on which to exercise her dogs.

William Levinsky is serving this year as president of the Hamilton Obedience Club, and not Ray Davis, as mentioned in the June issue.

WHAT'S DOING "DOWN UNDER"

George Cox, formerly of Toronto, has recently returned after two years in Australia, where, as a Bulldog fancier and judge, he had an excellent opportunity to assess the dog fancy "down under". He judged at about 16 shows in two years.

His observations: Shows are large, an average championship averaging 900 to 12 entries. Distances between shows are tremendous. Most exhibitors take up to nine entries. Judges are rigidly screened; more judges are used and shows are shorter.

Predominant: Welsh Corgis, Smooth Fox Terriers, English Cocker Spaniels (98 in one show), no American Cockers. German Shepherds popular but type not the best. Legislation placed ban on importing new blood in 1948. Farmers are afraid of Shepherds running wild with dingo; Shepherd people reported getting raw deal, and would benefit by good articles on the breed.

Mr. Cox reports the Australian Terrier and Sydney Silkies gaining interest of wealthy Americans, and could be very popular here.

IT HAPPENS IN BEST FAMILIES

A revolutionary way to outwit fleas (if any) on return from a vacation-with-dog, says Sergeant's Dog Care Center of Richmond, Va., is to outwit waiting fleas. Send the dog into the house first as an advance agent. Let him run around the house for a few minutes; if there is a flea circus, the dog will steal the show.

When the dog has collected the hungry fleas, it's a simple matter to kill the pests by dusting him with an effective and quick-acting flea powder, or by bathing him with one of the special canine soaps or shampoos containing flea-killing ingredients.

Hi-Hope's Merry MacDuff, Shetland Sheepdog owned by Marjorie Cummings, brought home a U.D. degree and silver stein from the Vancouver Dog Obedience Training Club Spring graduation.

HARTFORD HOST TO COLLIES

The Collie Club of Connecticut will be host to the 1958 Collie Club of America Specialty at Hartford, Conn., next February. Held in conjunction with the First Company Governor's Foot Guard All-Breed show, the Specialty

falls midway between Westminster and Boston shows, giving exhibitors a swing at three big shows.

BULLMASTIFFS ON OUR COVER

Bullmastiff fanciers are watching developments at the Twitlee-Bulmas Kennels located at Brewster, N.Y. The Twitlee-Bulmas enterprise represents a merging of the strongest interests in the breed in England and the United States.

Its owner, R. Lee Twitty, is devoted to the betterment of this fine guard dog breed. C. R. Leeke, manager, is the famous breeder and former owner of the Bulmas Kennels in England. Mr. Leeke, who in 30 years with the breed has bred 35 champions, has brought with him the best Bullmastiffs obtainable in England, giving the new kennels the finest foundation of Bullmastiff breeding stock in the world. The four excellent standard-bearers pictured on our cover this month exemplify the quality of these dogs.

Identifying them in turn: Eng. Ch. Beauty of Bulmas, who finished her third certificate and English title at Cruft's this year. Not yet three years old. Broak Oaks of Bulmas scored a stunning Best of Breed win from classes at Morris and Essex, 1957. Pridzor's Anton of Buttonoak was just a year in May. To quote Mrs. R. Short in English *Dog World*, "Mr. Lee Twitty has bought Vic Smith's promising young fawn dog, Pridzor's Anton of Buttonoak. Our loss will certainly be America's gain." Eng. Ch. Billagain of Bulmas, brother of the Am. Ch. Bepagain of Bulmas.

LAWRENCE GARVIE

Dog fanciers in the Atlantic provinces, the Eastern United States, and east of Montreal need no introduction to breeder, exhibitor, handler and judge, Lawrence Garvie. Youthful Garvie is often quoted as saying that "It is not a qualification of a show judge that he must be over fifty years of age". He proves this point every time he judges. This is the first year he will have judged at Championship shows but has judged at numerous sanction shows where his placings were lauded for their reasoning. He corresponds constantly with successful breeders around the world and is a respected writer on dogs.

—(Contributed by Robert Little,
President of Fredericton Kennel Club.)

THE LASKEY BROTHERS

The Laskey brothers have exhibited and bred Pomeranians since 1937, with some outstanding winners. W. W. LASKEY, Fredericton, N.B. was the first Maritime C.K.C. Director, a position he held for the first six years.

R. B. LASKEY, Saint John, N.B., has been active with Irish Setters and Smooth Fox Terriers as well as Scotties. "R. B." is at present the Maritime Director for The Canadian Kennel Club.

CLUB NOTES

B.C. Notes

By Elsie Murray

Now the rush of dog shows is over we can settle down to enjoy the sanction shows and puppy matches.

The B.C. Collie Club is stepping forth with its first event, a puppy match, including Shelties, with Mr. J. O'Connor as judge. The newly formed Toy Dog Club plans a Toy puppy match for August. The Western Canada Boxer club is holding its annual puppy match, at which Miss Mary Wilkinson will do the honours. The Working Dog Association is holding an all breed sanction and basket picnic. Mr. J. Kingston judges. The Greater Vancouver Kennel Club is holding its first Obedience sanction match with Corporal Ian Hall of the RCMP as judge.

The Working Dog Association has started an Obedience Instructors' class which, judging by the response, is filling a great need.

This Spring the B.C. Ladies held a judges' dinner the night prior to their shows. In the absence of our Director, J. H. Irving, Dr. F. B. Smith acted as chairman. Other guests included American exhibitors and our veterinarians. That night we made public our new Junior Auxiliary, very smart in their blue blazers, the Ladies' Club colour. These members are the Seniors of the Junior Kennel Club who will soon be reaching the age limit of the Junior Club. They will learn the running of a club by helping out in various aspects, and when

18 years of age can lend their strength to any Club.

Junior Kennel events which the members have entered have proved very interesting. We hope for the day when the Juniors can meet Juniors from other provinces.

The B.C. Ladies held a handling class for several months prior to the shows, helping owners to present their dogs to the judges in the correct manner. August classes are now under way.

The Alando Award was given Marion Powell by the SPCA at their social evening on June 26. This trophy, to be held for one year, is given to a boy or girl each year who does something outstanding for animals. Marion has taken her Pekingese through Obedience both in B.C. and the States to his C.D., and is now working on further degrees. Not content with training her own dog, she teaches children in her neighborhood to train their dogs. In two cases she saved unruly dogs from being destroyed. The Junior Kennel Club is very proud of Marion. Her training started with us and she now trains for the Club. In one year she will be 18 and retiring from us as a member, but we hope to have her as a trainer for a long time. This award was given by Mr. Hewer (German Shepherd breeder) and the late Mrs. Hewer, who passed away recently.

We were pleased to welcome Mr. and Mrs. J. Kingston back to Vancouver from Montreal. A few of the older fanciers

also welcomed E. P. Tuson of Edmonton,
in town a few days to renew old acquaintances.

News just received is that the winner of the Collie puppy match was Star Cross Sunset, owned by Mr. Bale of Ruskin, B.C. Best Sheltie was Hi Delta Babe of Dartshill, owned by Mrs. Francis Darts. Sixteen Collie and nine Sheltie puppies competed.

Burlington & District Kennel Club

by Dr. W. Vivian

May we, as a new Club, send our congratulations to the many Clubs who have held such fine shows during the spring and early summer. Outstanding among these were the shows of The German Shepherd Breeders and the Birchcliff Kennel Club. We only hope that our first endeavor can be somewhere near as good.

Everyone is working hard for our first Show and Obedience Trial on September 28. Mrs. "Bunty" Dunlop our Trophy & Advertising Secretary is in hopes of offering an outstanding Premium list.

It has been decided to bench the Show and with the Booster shows of the Irish Setter Club of Canada, The Dachshund Club of Canada, the combined effort of two Samoyed Clubs, and The Toy Breeders Association the show should be a very attractive one.

Another activity of the Club at the present moment is to supply a "Dog Exhibit" at the Bar 11 Rodeo on August 3 and 5, which should do a great deal to popularize purebred dogs.

The graduation of the first Training class was held on June 18 with Mr. Richard Reid, Toronto, as adjudicator. Another will commence early in September.

Again may I emphasize that visitors from other Clubs would be most welcome at any of our meetings on the first Thursday of the month in the Nelson Township Hall, at the junction of Hwys 5 & 25.

Calgary Retriever Club

by O. R. Koskinen

On June 23 the club's 3rd annual
spring trial drew to a close the spring
circuit for Alberta. The two day trial
was run under ideal weather conditions
with a large gallery showing keen inter-
est in the dogs at work. The Open
All Age had 25 starters. It took 6
series before the judges came up with
their four top dogs. The two tests that
proved the big trouble makers for most
dogs were a Over and Under Tripple in
heavy cover with a winding stream
through the middle. This test required
most dogs to be handled. The other
test that hurt a lot of good dogs was a
cross-water blind. The dogs were
started approximately 75 ft. from the
shore. Once they reached the far shore
they were required to go through some
heavy cover and up on a hill and out
into a clear summer fallow field where
the blind was planted. Most dogs would
not go back far enough out into the
summer fallow field but wanted to hunt
short where the heavy cover was.

Of the 25 starters only five dogs fin-
ished the 6 series. The winning dog was
F.T. Ch. Valentine Luke owned and
handled by W. Bizzel of Edmonton.
Luke has proven himself this spring as
the dog to beat. He is a big, strong
hard going dog and his marking ability
is really something to see. Number 2
spot went to F.T. Ch. Bakers Jerry
owned and handled by G. Tomlinson of
Calgary. Number 3 went to Jet the
3rd owned by B. Wittiker of Edmonton
and handled by M. J. Coleman of Ed-
monton. Number 4 went to that game
little dog Dirk of Avondale owned and
handled by O. R. Koskinen of Calgary.

The results of the other Stakes are as
follows: Junior Stake, 1st Staxigoe
Stinger owned by Avandale Kennels;
handler Jas. Lowther. 2nd Staxigoe
Spirit owned by Avandale Kennels and
handled by Jas. Lowther. 3rd Elboya
Bruno, owned and handled by Geoff
Parsons of Calgary. 4th Black Cindy of
Stonegate owned by Ron Hawkins and
handled by M. J. Coleman.

Non Winners Stake: Victor of Pugh
Farm owned and handled by W. R. Wil-
son; Rowe's Ruff owned and handled by
O. R. Koskinen; Elboya Jimmie owned
and handled by J. Breckenridge and
Ranger of Grainger owned and handled
by Jas. Ellis.

The Puppy Stake was won by Snap of
Graingers owned and handled by Ferdie
Valkenberg of Calgary; 2nd was Dart of
Sarcee, owned and handled by Diana
Van Alstine of Calgary; 3rd, Carmony's
Carbon Copy owned and handled by K.
Powell of Edmonton; 4th Sarcee Susie
owned and handled by L. Van Alstine of
Calgary.

Judges were: Junior Stake, Lyman
Turner and L. Van Alstine; Non-Win-
ner's Stake, Arnold Gorveatt, Geoff Par-
sons and G. W. Tomlinson; Puppy Stake,
Vic Grainger, Ray Koskinen and Tom
Clarke; Open All Age, Albert Lindquist,
Ruth Lowe and Geoff Parsons.

Canadian West Highland White Terrier Club

by Mrs. T. S. Adams

A meeting was held at the home of
Mr. and Mrs. T. S. Adams on June 26.
Mrs. J. Neill Malcolm, president, mo-
tored down from Ottawa to preside over
the meeting.

It was decided that, due to lack of
available entries, there should be no
booster show this year in conjunction
with the Canadian National Exhibition
show. Most of the arrangements for a
Sanction Show in the fall were com-
pleted.

The Cowichan Dog Obedience Training Club

by Dorothy Richardson

A successful sanction show was held
on June 22. Sixty dogs were entered,
a large number coming up from Victoria
and several from Parksville and Cour-
tenay. Judges were M. Lemon, Lang-
ford, sporting hounds and working; Mrs.
M. Bowden, Victoria, terriers, toys and
non sporting and Mr. Harry Dodds, Vic-
toria, Best in Show.

A feature of the evening was the
presentation by Mr. B. C. Walker of a
tray to Mr. H. Dodds from "his many
friends in the Cowichan District for his
great contribution to the dog fancy on
Vancouver Island".

Best in Show and Best Puppy in Show
was Mr. & Mrs. B. C. Walker's English
Cocker Wem's Trigger. This was his
first time in the show ring and he acted
like a veteran. Group winners were:
Sporting, Mr. & Mrs. B. C. Walker's
Wem's Trigger; hound, Mrs. MacLaugh-
lan's Miniature Daschund Remus; work-
ing, Mrs. S. Parry's Pembroke Welsh
Corgi; terrier, Mrs. M. Freemantle's West
Highland White Patti; toy, Mrs. E.
Lambert's Pekingese Twintetu and non
sporting, Miss P. Birley's Miniature
Poodle Miderest White Rebel.

The Daschund Club of Canada

by Ernie Lindsay

The July meeting was held at the
home of Mrs. Eva Havlicek, Jerseyville,
Ont. Five new members were wel-
comed and also a great deal of com-
munication was dealt with. The club
is cooperating with Mrs. Lorraine Adler

THORNBURY'S BEAUSOLEIL

of Penna., on research work of size and weight of this breed.

Our acting secretary, Mrs. Smith, continued with lessons on ring stewarding, proving to be taking on more interest by all.

Everyone moved outside for the judging competition. Four mature females were used and this certainly proved most interesting and educational.

Dominion Collie and Shetland Sheepdog Association

by Mrs. Joan Souch

The first meeting of this newly formed club was held at Toronto in July with our interim president, Mr. Wm. Clark, presiding.

First discussion was the name of our club which was decided upon as set out above. Election of officers was as follows: President, Wm. Clark (a 2 year office); vice president, Mr. R. D. Smuck; secretary, Mrs. Eleanor Hargreave; treasurer, Mr. J. Hargreave; board of directors, Messrs. J. Hewson and M. E. Whiteside (2 year office); Mr. S. Harvey and Mrs. R. Smuck (1 year office); press and publicity, Mrs. Joan Souch; entertainment, Mrs. J. Hewson.

Plans were made for a puppy match to be held in September at the home of Mr. and Mrs. R. D. Smuck. Our membership is 40.

The German Shepherd Dog Club of Canada

by Helen I. Scott

At the Barrie show, Vali vom Sieg-

haus, owned by Mrs. J. Taschner, was best of opposite sex; Knollo vom Liebestraum owned by Mrs. Nellie Corser, was winner's dog and B. O. S. Bimbo, as he is known to us, can now have Ch. in front of his name; this took place at Aurora. Vali vom Sieghaus was B. of B. at the Progressive Club show. Glen Stewart's Cindy, owned by Doug Ames, was Best Canadian Bred and Winner's Bitch.

A general meeting was held June 2 to ratify some changes in our constitution. Reports were read from all committees and Warren Parkinson showed coloured slides of club activities.

Our Sunday matinee shows are still very popular. Obedience is still very much in the foreground. Mary Southcott is Training Master at Oakville; Edna Lucas at Burlington; Margaret Davies and Reg Scott have started Obedience Training Classes at Dixie Plaza.

It won't be long now before all the dogs at Cara Mia Kennels will be moving to their new kennels at Hornby and Marg and Norm Davies have started a "Doggie Ranch" in the beautiful Caledon Hills.

German Shepherd Dog Breeders Association Inc.

by Denis King

May and June have been months of tremendous club activities culminating with our Championship Show on June 15 at Scarborough Arena.

MALABAR KENNELS Reg'd
Point Fortune, P.Q. (Tel.: Rigaud 524)

On May 26 we had a delightful matinee show at the home of Mrs. Mary Hart. Tom Kleinhjohann judged the males and Denis King females and Mr. John Daniell-Jenkins kindly consented to judge our obedience at the 11th hour. Best of Breed went to Mr. and Mrs. Chatham's Capriole's Sabre II of Chag-am; B.O.S. to Mr. and Mrs. Savink's Beau Ridge's Anni; Best Puppy to Gabbi vom Hans Kleinhjohann whilst Mr. and Mrs. Anderson's Terra of Barrimor took top honors in the obedience. After the judging we had an enjoyable picnic supper and sing-song.

One of the leading show dogs of the year is Ch. Roseneath's White Knight, who took top honours at the German Shepherd Dog Breeders Association Show June 15. Shown here with Judge Reg. P. Sparkes and owner T. S. Adams, Unionville, Ont.

June 15 gave us perfect weather for our annual championship show with an entirely new arena layout attractively decorated by many willing hands. With four rings operating, over 400 dogs entered moved like clock work. Best in Show was over by 6 p.m. and everyone on their way home by 6.30. Top honours went to Mr. and Mrs. Adams' Westie Ch. Roseneath's White Knight. This was this outstanding homebred's third consecutive Best in Show win. However, probably the most spectacular success was that of Mrs. Dorothy Newman's Newdot's Collaret. Coming out of the

Senior Puppy Class at the Boxer Club of Canada's Specialty Show with an entry of over 60 dogs, Mr. Nate Levine put her up to Best of Breed with an outstanding array of specials entered. Mr. Reg Sparkes then took her on to Best Puppy in Show.

Best of Breed German Shepherd went to Mr. Fred Pfeifer's Keelot's Bodo and Best Opposite Sex to B. G. Dizik's Diedre of Mill Lake Farm. After the show our president and his wife kindly threw open their home to a post show party.

We would like to thank the many willing hands who helped to make this show such a success. Special mention must be made to our show secretary, Mrs. Mary Hart, who got through a monument of work.

Late news! Congratulations to Mr. and Mrs. Weller's Annabelle of Beau Ridge who completed her championship at the Birchcliffe Show. Handled by club member George Gerigs this is the 2nd of the litter bred by Mrs. Doris Wilson to finish.

Greater Victoria

Dog Obedience Training Club, Inc.

by Mollie Hudson

We have just held our annual meeting, at which we reviewed the culmination of eight years of training. It was interesting to look at the early beginnings, when, as far as the West was concerned, little was known of Obedience training. Now it springs up everywhere, holding more and more interest and value in the lives of people and their dogs.

A total of 135 new dogs passed through our hands, with an average of 78 dogs attending each evening class during the Spring course. Victoria is a city mainly of pets, so our work with the C.K.C. is limited.

At our last quarterly Club trials we had 54 dogs competing. Highest scorer was Kim, a Golden Retriever owned by Gordon Hulme of Sidney. Twice winner in the Novice A ring, he has started C.D.X. work. Two more Club ribbons were won for the Club Utility: Mrs. N. Abkhazi's Sheltie, Tess, and Mrs. S. Parry's Corgi, Popsey. Both have won two legs in C.K.C. Trials for Utility.

Andrew & Valerie McMillin

Valmax Kennels

Mount Edward Rd. Woodlawn, N.S.

In a class of 24 C.D.'s only two failures marred what otherwise was a splendid record. Two of the competitors were fresh from the Beginners Class and won 191 marks each; one, Mrs. R. G. McLellan's Belgian Sheepdog, Chian, is the first of this breed to enter our club. Without special training she was asked conversationally to find a lost Miniature Poodle in the Uplands, an open rocky and bushy piece of land. Chian immediately went off, quartered the ground and disappeared into the distant trees. Soon she returned, herding the little truant in front of her. She delivered her right up to her mistress who in turn gave her to the distraught owner. Chian is not yet a year old.

The Summer course is full to overflowing.

Hamilton Obedience Club

by Wm. Levinsky

The club held two obedience trials on June 30 at Ancaster Fair Grounds with record entries. Trial No. 11 receiving a total of 70 entries and Trial No. 12 a total of 65 with over two thirds gaining a qualifying score.

Our training class graduated on June 27 with a fine showing and school was dismissed for the summer reopening in September, when we hope to have larger quarters.

Our demonstrations by obedience trained dogs before scout and service

groups have been discontinued for the summer. We were pleased to award our Memorial Trophy to one of our newest members, Mr. Gordon Gots and to one of our longest standing members and a past president, Mr. Fred Tremain.

This month we lost one of our faithful members, Mr. Harry Cole, who passed away on June 22 and we all join in extending our sympathy to Mrs. Cole, one of our most active members.

Obedience Association (Ontario)

by Phyllis Smith

The June meeting of the Association was held in Oshawa with the Oshawa Branch as hosts. Members were present from Peterboro, Lindsay, Oshawa, Toronto, Hamilton and Burlington, making an attendance of 46.

New applications were accepted from The German Shepherd Club of Canada, Kawartha Kennel Club of Peterboro & Burlington & District Kennel Club.

Mr. Ed O'Brien gave a short talk on "Training" after which many questions were answered by a panel of George Lucas — Judging, Ed. O'Brien — Training and Phyllis Smith — Obedience in CKC. Our President, Miss Bay Meyers, presided.

Invitations are extended for any Club interested in Obedience to make application to become a Branch (or member) Club as well as individuals for membership.

Congratulations are extended to the Hamilton Obedience Club on their excellent Double Trial held in Ancaster.

The Ottawa Valley Beagle Club

by T. S. Riches

The general meeting was held at the home of T. S. Riches on June 24. The following were elected to office: president, W. B. Jackson; vice president, A.

Paquette; secretary treasurer, T. S. Riches; field trial secretary, H. G. McConnell; field trial chairman, G. A. Hunt. The resignation of Dr. C. A. Moodie, our first treasurer and an original member, was accepted with regret as Dr. Moodie is taking up residence in St. Catharines.

Another newer, but very keen beagler member, has left Ottawa but insists on retaining his membership as it's only for three years — none other than Yvan Turgeon who is now in Val D'or with the R.C.M.P. There is a beagler in Grand Remous, Que., Pat Sullivan, who has a wonderful spot for pack running and he can put down some real, hard driving hare hounds as we will all find out this fall.

Perth County Kennel Club

by Mrs. A. Symonds

Our June meeting was chaired by the vice president, Don Adams, in the absence of the president, Leo Bodemer. Reports on the show were given by treasurer Jean Gantenbein, advertising committee secretary, Marie Seguin and trophy secretary, Louella Symonds. All reported a successful show and members voted unanimously in favour of holding our 2nd championship show in 1958.

Upon his arrival Leo Bodemer expressed his thanks to all the members for their support in connection with the dog show.

In the last year several of our members have imported dogs from the States and Mr. and Mrs. Mark Seguin have imported a Golden Retriever from Ireland; a young male "Karl of Felsberg, son of the famous Dual champion David of Westley.

wife, proved to be an ideal host to the members when they met for an out-of-door meeting at his farm. Business was discussed around the glowing embers of a campfire. The main part of the discussion concerned the non-point dog show to be held on August 3 in Steinhoff Park. It was decided that a sale of tickets would be held with valuable cash prizes to be drawn. Town merchants have been canvassed to give trophies to some of the winners in the show which is expected to draw visitors from all over Western Ontario and the U.S. The club voted a substantial sum of money to be spent on advertising the event so that it would draw ever more visitors to Wallaceburg.

NEW DOG FOOD

Burgerbits, a new kind of dog food that looks like hamburger, and provides twice the nourishment of prime beef hamburger, is being introduced into Canada by Dr. Ballard's Division of Standard Brands Limited. Burgerbits is being initially promoted in Ontario with plans for large-scale penetration of other Canadian markets in the near future.

It is a dry food which mixes instantly with water, milk or soup and is easily digested, states manufacturer.

A Collie Club in the United States is urging that to earn his points a Collie should prove his ability in farm duties, which in the past has been his claim to the Working Dog Group. In some circles hunting dog enthusiasts feel that a good show competitor in Group I and II should prove his prowess in the field. These wonderful instincts should not be allowed to go to waste.

The Old Timer

(from page 8)

a good way to perpetuate faults. So, if you want to follow a program of line breeding make sure the virtues outweigh the faults. And another thing, don't be such a slave to a line breeding program that you deny yourself the qualities you could get by selecting, as a sire, an outstanding dog that's completely outside the blood lines of your own breeding stock." The Old Timer reached for his pipe and began to pack it methodically, a little bit at a time.

"And I suppose that's it for today?" I said.

He reflected a moment, struck a match and got the pipe drawing freely. "Just about," he said, "except for one thing. If you're going to be a breeder you should make up your mind, well in advance, when a female is going to be bred. You should look at every good dog you see with a view to what it has to give to the puppies you plan to raise. If you do this, you'll have your sire selected well in advance of the mating time and you won't then be rushing to me at the last minute to say "My female is in season, what dog should I breed her to?"

Maritimes

(from page 17)

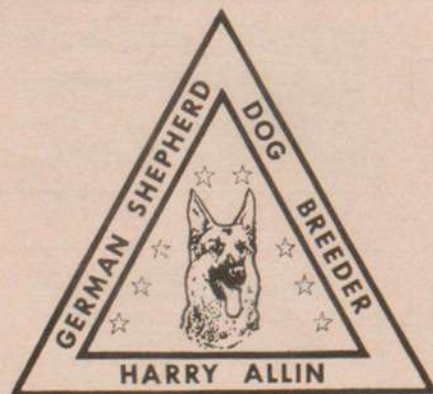

GROUP VI. Boston Terrier breeders in Fredericton are full of enthusiasm for the future of their breed. Among recent developments is the registration of Greybrook as the kennel name for MR. AND MRS. LEONARD GRIESBACH.

Club Activities

Of the 90 members about 30 are members of the C.K.C., meeting the second Thursday of each month, with the exception of July and August. During the show season you may find our dogs in Upper Canada or the U.S.A. When a member's dog makes his championship he receives a cup or rosebowl. Last year we gave 12 trophies. The Best in Show winner also receives a special trophy.

During the winter the Fredericton Kennel Club Saturday Night Jamboree is broadcast over Station CFNB. It is not unusual to have an overflow house.

I think it is a wonderful idea of the editors of *Dogs in Canada* to feature the activities and interests of the different provinces. I can foresee better results as it advances. On behalf of our club I send a cordial invitation to the editors to visit our province during the shows in August. We would really like to have you.

NEW DOG FOOD

A new Milk-Bone kibbled dog food is announced by Nabisco Foods Limited. The new kibbled product is scientifically balanced, says manufacturer, to provide concentrated nourishment for dogs of all ages. The product is being featured as a main meal feeding to complement Milk-Bone Dog Biscuits, which are a nutritious reward snack.

Around The Obedience Ring

(from page 19)

One of our readers, a well-known breeder and dog fancier, writes to a friend of ours with some constructive criticism about this column. This gentleman points out that from time to time we have only used a dog's common name instead of using the full registered name. This reader points out that while he is primarily interested in breed, nevertheless he does like to follow the progress of all breeds in the obedience ring. This, of course, can only be done if we use the full name as shown on the pedigree.

It is very pleasing to learn that our column is read not only by obedience people, but also by those who make obedience trials possible — the breeders. We are terribly sorry that we have erred occasionally, but promise that we will watch this point in future. We do appreciate receiving such criticisms, for we know that they are intended to be constructive. We hope we receive more comments of this nature for, it is only by you, the readers, being critical, that we can hope to give you the information you want and thus improve the column.

A very happy person around Montreal these days is Mrs. Ruth Mingie of Pointe Clair, P.Q. Mrs. Mingie has every right to be brinning from ear to ear for last May in Ottawa, her Shetland Sheepdog, Champion Cinderella Gypsy of Ronas Hill finally qualified for its U.D. degree in the obedience ring. The dog had previously earned its Tracking Degree at a tracking test run by a Montreal Club.

We believe we are right when we state that Mrs. Mingie's dog is the first dog in Canada to be a bench champion, as well as an obedience trial champion and tracking dog. In future, folks, please address "Cindy" as Champion Cinderella Gypsy of Ronas Hill, U.D.T. This column congratulates Mrs. Mingie and of course "Cindy," on a job well done. Accomplishments such as these should be inspirations for all those who have a desire to have a breed champion and obedience trial champion.

DOG HOUSE BLUES

by **Lorraine Porter**

Sandy and Mandy moved in with us a few months ago. Sandy is a yellow Labrador Retriever, and Mandy's black. Since the Retriever is a healthier and handsomer animal if kept outside, I decided to build a kennel and run for each dog.

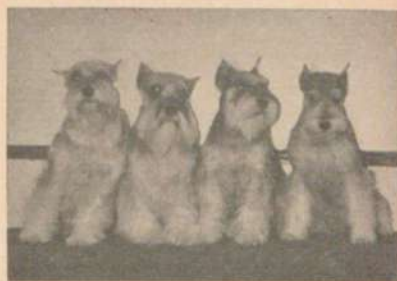

I wanted my dog bungalows near the house as Sandy and Mandy are watchdogs as well as hunting dogs. However, in my ignorance, I chose a shady place for the run—right under an apple tree. I know now that Old Sol should shine on every part of the run at some time to keep it dry and sterile. If the sun's rays are too bright and hot, you can always throw a tarpaulin over part of the run. Falling apples formed a tarpaulin on the wired top of my runways. I tried to get the apples down to the compost each day before flies and bugs took over. And Mandy and Sandy filled their tummies to such an extent that I began to wonder if an epidemic of dysentery had reached our community. Yesterday I arranged to have that apple tree cut down.

I didn't need large runways since my dogs and I do a lot of walking—approximately 4 ft. by 20 ft., and 5 ft. high for each runway seemed like adequate measurements for my purpose. The top must be completely fenced over, I decided. Otherwise, the dogs would scramble over the top. I bought chainlink wire, because it is heavy and the mesh is not too coarse. In fact, I made no mistake in buying materials: nails, staples, cedar posts, two by fours, tongue and groove were the best I could get.

My mistake occurred later when I accepted a neighbor's recommendation that "Jake's a good hand with tools in

his spare time." I should have hired a skilled carpenter instead of a Jack-of-all-trades. Jake arrived with a large mongrel he called "Bum". I explained to Jake that my aristocratic ladies might be susceptible to Bum's manly charm any day now, and asked that Bum be left at home in future. Jake agreed. Next day Jake and Bum arrived together. It seemed that Jake was an amiable fellow. He never argued. Just did things his own way. I found that out too late. Although I instructed him to put the fence wire down in the ground at least two ft. so that the dogs couldn't dig under, he neglected to do this. "Oh well," I thought philosophically, "I'll have a concrete floor put in later and that will prevent the dogs digging under the wire." I delayed too long. One morning I went out to find the wire limp and loose on one side. Bum had returned and crawled under the wire for a chummy sniff. Quite soon I discovered that his fleas had squatters rights too. I discovered something else, and for days I prayed that no queer bundles from heaven were on the way.

At the end of each run Jake built a small dog house. These doggy dwellings looked fine until Sandy and Mandy started a wood-chewing competition. I spoiled the fun by putting galvanized metal on the exposed corners.

It took time, effort and money to build kennels for Sandy and Mandy. But the result is that I have more leisure, and less work in my own house. I'll save money too, because now my well-bred ladies won't race down the primrose path, returning to present me with a litter of mongrels. And yet, as I watch Jake sauntering by with Bum at his side, I wonder. . . .

DOGS IN CANADA
432 Church St., Toronto

NEWFOUNDLAND Notes

by Keegan Nutbeam

Listeners to C.B.C. Trans Canada Party Line on June 15 would have heard a short broadcast from Harbour Beam Kennels on the history and breeding of Newfoundland dogs. Thanks to the C.K.C. the rest of Canada learned that one of the benefits of confederation was the acquisition of prestige in the knowledge that Canada could now say there were two distinct breeds that were named for parts of Canada. The Newfoundland and the Labrador are the only entirely Canadian purebred dogs.

Newfoundland is a country where travel conditions limit the interchange of ideas and the utilization of breeding stock. Newfoundland is an island, excluding breeders and owners from showing their dogs economically on the mainland. This is a new province where dog shows are unknown and yet despite this lack, we have three kennels breeding Newfoundlands, as well as others breeding Weimaraners, Beagles, Collies, Boston Bulls and Chihuahuas, to mention some we know about.

Why, then, are there still breeders in Newfoundland? We cannot readily avail ourselves quickly of veterinarian skill; there are only two in the whole province! We have no shows because we haven't the know-how on their operation. We have no kennel club—difficult travel and economic conditions make meetings awkward during part of the year, and for the same reason we are unable to utilize any but our limited breeding stock. Worse, we have no expert on-the-spot advice from one familiar with Newfoundland conditions as to how these problems can be overcome. Speaking for ourselves, we breed (a) because we love dogs and (b) because we earnestly desire to see a resurgence of the Newfoundland breed in the land of its birth.

Here, however, we have painted the black side of the picture. Even without official outside assistance we are happy to report that the number and variety of purebred dogs in Newfoundland seems to be on the increase. Five years ago a Collie was an oddity. Today they are commonplace. The same can be said of Boxers and Alsatians.

More people are considering registration of their dogs with the C.K.C. Within the next few years we have high hopes that Newfoundland dogdom will measure more up to the scale existing in the rest of Canada.

BRINGING HOME THE NEW PUPPY

Breeders can help the puppy get off to a good start in its next home by suggesting that the new owners place a rug or small mat on the floor of the car for his sole use. To get him accustomed to sitting quietly, tie him to a sitting position. He should be encouraged to learn this is his place when the owner gets into the car, and reassured occasionally during the journey. Always use the same mat.

Why GAINES is the answer to the dog breeder's nutrition problems

Here's the Problem. It is no secret to dog breeders and veterinarians that many commercial dog foods vary considerably in their nutritional value—frequently from feeding to feeding. This state of affairs has led to a problem in the correct feeding of dogs—where, as these experts well know, a *completely balanced diet* is essential.

And Here's the Answer. The unique homogenization process, developed and used exclusively by Gaines, **GUARANTEES THE DOG UNIFORM NOURISHMENT.** In Homogenized Gaines Meal, all ingredients are blended into nuggets, each containing a *balanced amount* of ALL the food elements that the dog needs to build and maintain health and strength. Nutritional values thus *cannot vary* from feeding to feeding.

The Proof of the Pudding . . . Homogenized Gaines Meal is the result of many years of research by Gaines

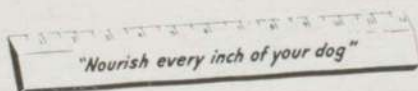

Research & Control Laboratories (and by the famous Gaines Research Kennels). Every step of this research has been carefully checked by **ACTUAL FEEDING TESTS**, carried out on generations of dogs at the Gaines Kennels.

Economical in Use. Gaines Meal contains balanced quantities of carbohydrates, fats, vitamins and minerals—plus *more meat and fish proteins*—all derived from natural foods. However, in spite of its high nutritional value it is by no means expensive. Cheaper, inferior meals *require* supplements if the dogs are to receive all the food elements they need. Gaines does not. It should be remembered also that a 25 lb. bag of Gaines contains all the food values of 75 lbs. of canned dog food!

Considering these factors, it is easy to see why Gaines is *the world's largest selling dog meal*. Be sure that the next consignment of food you order is Homogenized Gaines Meal.

HOMOGENIZED
