LETTERS

If you have any suggestions, any comments or constructive criticism to make concerning articles or other items contained in this magazine, or with regard to shows, your opinion of what is happening to various breeds with regard to size, colour, coat, etc., write a brief letter to the Editor. We must reserve the right, however, to edit same.

PUBLICITY DEPLORED

. . . Papers and radio stations went hog wild in publicizing the recent incident of a dog which attacked a boy in Toronto, with the assertion it was a Bullmastiff. Their description does not fit one of our breed . . . Furthermore our club members and all other breeders of Bullmastiffs in Ontario, went to great pains in thoroughly tracing all known dogs in the area; the particular dog in question failing to be identified.

As a rare breed, Bullmastiffs are given a great deal of consideration as to their welfare when sold, and breeders usually follow their progress closely thereafter. They are guard dogs, and inclined to follow their Bulldog characteristic in protecting their own domains. They are not vicious dogs, and not likely to attack a person without provocation . . . There are no 36-inch Bullmastiffs anywhere.

G. L. BENTON

Ste. Rose, Que.

Other breeds have suffered the same unfair aspersions in recent months. Perhaps if sufficient interested people wrote their editors suggesting the breed name be omitted, it might help. — Ed.

PLEASED WITH SALES

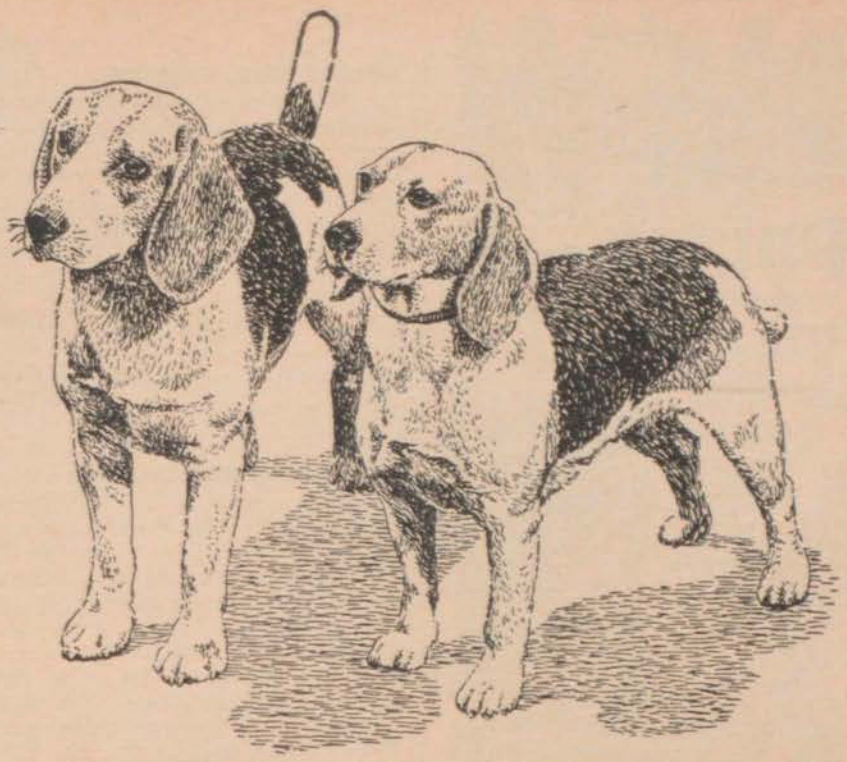

. . . We certainly wish to continue our advertisement on a yearly basis. It has been the means of making several good sales the last year, right across Canada. What we like best of all is that about 85% of our sales are going for breeding stock.

Pam-Lin Kennels, ERNIE LINDSAY
Willow Cove, P.O., Ont.

. . . the advertisement was very well done. . . . replies have already been received.

ROBERT E. SCHERFF

Milwaukee 16, Wisc.

SHOW BUSINESS

Six entrants to the class. Four soon eliminated — beam too narrow, apple headed, incorrect balance, snippy. Two well matched dogs are left. Nothing between them. Tough job this—but wait! No. 358 keener, positively glowing, obviously enjoying himself! Yes, he's the one. The deciding factor — his perfect condition.

CONDITIONING

Although wisely cared for, your dog may occasionally lose condition. Blood-purifying is the usual need. Karswood Dog Powders act directly on the liver, kidneys and bowels—organs responsible for cleaning and refreshing the blood stream. Karswood's also provide Phosphorus, Iodine, Tonic Salts, Sulphur and Calcium for Nerves, Muscles, Glands, Skin and Bone development. If you're in this Show Business, you can't afford to be without

LETTERS

(from page 3)

SETBACK WON'T STOP HIM

. . . Thanks to all and everyone for the kindness I received when I lost my beloved dog, Tyke. Your friendliness helped me a great deal and gave me strength and courage to continue, and I surely hope to be back with another dog next season. I would also like to express my appreciation to *Dogs in Canada* for its wonderful "Aftermath of the C.N.E." This stunned my parents as well as me.

JOBNAY VAN HAASTRECHT, Jr.
Kleinberg, Ont.

WEIGHT QUESTION CLARIFIED

. . . There seems to be some misunderstanding amongst the Dachshund breeders in Canada. To clear the matter, the Club would be pleased to have you print this letter in a forthcoming issue of your very fine magazine.

Some breeders seem to be under the impression that it was due to our efforts that The Canadian Kennel Club set the weight limit of Miniature Dachshunds at 9 lbs. This is far from the case. It was considered at several of our meetings, but, as we had no Miniature breeders as members, we felt we were not in a position to take a stand one way or the other, and therefore felt the limit should remain as The Canadian Kennel Club had determined.

It was our understanding that the Board had considered the weight limit of various countries and decided on the one set in Germany, which met with our approval.

Our members feel very strongly that only breeders concerned with the breed in question should take any stand in such matters.

We commend the CKC Board on their stand in dividing the coat and weight of the six breeds and are in hopes that the AKC will follow this in the near future.

Thanking you for this valuable space and once again, congratulations on your excellent publication.

RETRIEVER TRAINING

. . . I have a black Labrador Retriever who retrieves beautifully, but does not wish to relinquish the bird. Have tried everything but he is adamant. I am proud of this dog, and this is his only fault. What do you suggest?

J. D. DANCER
Estevan, Sask.

Joe Stetson deals with this question and its unusual but, he avers, successful method in the April, 1957 issue of Field and Stream. It is a simple matter of cupping the hands and blowing in the dog's ear. The bird is automatically released. After some training, it will become essential only to go through the motions, and later the bird will be dropped without hesitation. — Ed.

IMPROVED WORM POWDERS

Bob Martin's Have Four Major Advantages

Bob Martin's laboratories have long recognized the need for an improved treatment of worm infestation in dogs and puppies.

After lengthy research and experimentation, Bob Martin's now have the answer. Bob Martin's tapeworm and Bob Martin's roundworm tablets have four distinct advantages:

1—No starving of the animal is either necessary or desirable.

2—No purgative or aperient is required.

3—The tablets have a very wide safety margin and can be given without risk even to delicate animals.

4—One treatment is sufficient in the majority of cases.

For all your dogs and puppies use Bob Martin's new Worm tablets — Now available through your pet shop, druggist or department store.

BOXERS FROM BELGIUM

. . . Your very interesting magazine (June, 1957) was given to me by Dr. McConnell of Brandon, Man., a veterinarian. I recently arrived in Rivers from a two-year posting in Belgium and have imported a male Boxer and have a female of the same breed in Antwerp which I intend to send for very soon. Both these Boxers are registered with The St. Hubert Society of Brussels, and am in possession of pedigrees issued by that Club on both dogs. The purpose of this letter is to ascertain where to apply to register them in Canada.

SGT. MAJOR DORION
Rivers Camp, Man.

Other Boxer Breeders might be interested in writing Sgt. Major Dorion. In the meantime, The Canadian Kennel Club, 667 Church St., Toronto, is the place of registration. — Ed.

COLLIE MATERIAL COMING

. . . Have subscribed to your magazine for the past six months and enjoy reading it very much. Am very interested in the Collie and have not seen much about it, except for advertising. Hope to see more about the Collie in your coming magazines.

VALERIE FROST
Agincourt, Ont.

Watch for Collie information when working breeds are considered early in the New Year. — Ed.

READERS COMMENT

. . . I quite enjoy your magazine. It contains a lot of information that I am always waiting for.

C. F. PARKER
Calgary, Alta.

. . . A really fine book, much appreciated by yours truly, and several others who borrow it!

MACAULAY BANKS
Dartmouth, N.S.

Wondering what to give them for Christmas? — Ed.

. . . Yours is the first dog magazine I have subscribed to that has ever shown the consideration and kindness to an inquiry as you have done. I also subscribe to three other magazines . . . and they could take a few lessons from you.

MRS. G. O. HEIM
Calgary, Alta.

. . . Was pleased with the last ad you set up for me. I never seem to have time to tell you how much I thoroughly enjoy *Dogs in Canada*. I receive several doggy magazines but *Dogs in Canada* is the best all round one of any.

MRS. MARGARET McCUTCHEON
Tag-A-Long Kennels Reg'd.,
L'Amable, Ont.

HE SCORES!

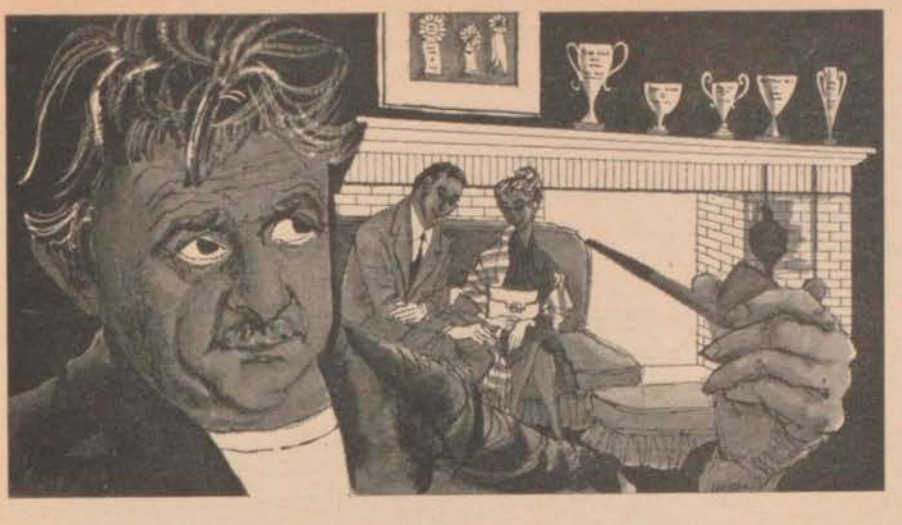

. . . I recall reading that someone suggested a hockey puck as a toy an active dog would not chew through. My young German Shepherd went through a puck like candy. I find a lacrosse ball the best toy for him.

ED. HALEY
Toronto, Ont.

TENNIS, ANYONE?

. . . Apropos of "non-edible" toys for dogs, I tried a lacrosse ball for my seven-month-old Collie. Found that he didn't chew it, mainly because he didn't like the hard feel. Now he has a tennis ball which he cherishes and carries without a tooth mark.

MRS. JEAN WOODMAN
Regina, Sask.

THE OLD TIMER

"The last time you were around," said the Old Timer "we were discussing judges and I argued that the beefing of some of the exhibitors discouraged a lot of potentially good judges who, fed up with criticism and attempts to influence their decisions, quit the judging ring —a real loss to the game."

"And I argued there were occasions when the exhibitor had every right to beef," I interjected.

"That's right, you did, and I couldn't agree more," said the Old Timer. Now let's kick the legitimate beefs around for a while and see what creates the situation."

The Old Timer thinks best when he has his pipe drawing freely and when he's leaning back in his old kitchen arm chair. Or maybe he uses the careful filling of his pipe and the gentle lighting of it as a means of marshalling his thoughts. So I sat silent while he went through the ritual of getting the pipe drawing the way he likes it and settling back into his chair.

"Now in discussing those judges against whom the exhibitors have a reasonable complaint I'm going to rule out the judges who graduate from the ranks of professional handlers," he finally said. "Mind you, I'm not arguing that because a man handles professionally he knows all breeds, but there is a fairly large percentage of these handlers who handle a large variety of breeds. It's their business and if they make a success of it, it means that they have a basic knowledge of what is required in a reasonable cross section of dogs. The ones I want to take a look at are those who step out of the ranks of amateur exhibitors to the judge's woolsac."

He frowned as his pipe began to bubble and sing, broke it apart and with a straw from the kennel broom began poking up the stem. Then, with it drawing easily again, he continued.

"Let's take a look at a man we'll call Joe Blow," he said. "Joe breeds German shepherds and has done all his dog life. And he breeds good ones, for he's a student of his breed. He's in there for the group many, many times. The inevitable happens. He's asked to judge a German shepherd specialty and, as would be expected he does a good job on the whole. From there he moves on to judging all the dogs in the working group and he doesn't do too badly there for he's been showing in the working group eight or nine years, has been in the group often enough to know what he's up against in the other breeds and he knows a sound, good moving dog when he sees it. There are complaints, of course, but not too many.

"Then a small show, that can't afford too many judges, hears about him and invites him to do their show—all breeds. He accepts, because by this time the judging bug has bitten him and he realizes there may be money in the judge's ring."

"And what happens then?" I put in. I'd been quiet too long. "The beefs begin," said the Old Timer. "Sure he's probably studied the standard but more than 100 standards is a lot for any one man to remember. For instance how can a man, whose whole dog show experience has been with German Shepherds, attempt to pass on the qualifications of a Chihuahua or a Pekingese, for instance, without some experience with those breeds. I'll admit he'll probably get a sound dog but will he get a dog that's otherwise right, according to the standard."

"But isn't soundness a big part of the dog?" I asked.

"An important part," he agreed "but not the biggest thing in my opinion. I'd say the most important thing is that the dog should be typey. And remember, what is unsound in one breed may be quite okay in another."

"I'm open to an example there," I argued.

"Okay I'll give you one," he obliged. "What does a German shepherd breeder think of a dog that toes out, or one that stands close behind. Yet the cairn terrier standard states that the cairn is not to be faulted if it stands toes out and the West Highland standard says the Westie should stand close behind. And what does the boxer standard say of a roach back — very bad. Yet the bulldog standard demands a definite roach. I could give you a dozen illustrations."

"Then what's the answer?" I asked.

"It must come finally to a system of control by the governing authority," the Old Timer said, "a system of examination and licensing under which a would-be judge must demonstrate his proficiency on a few basic breeds before he is given additional breeds to do. And I would say those additional breeds should be granted just a few at a time. In other words I see no reason why it should not take two or three years of fairly constant judging for a man or woman to work up from their own basic breed to an all-breed license. But unfortunately, in Canada, we have no system of licensing and examining."

"So then what," I asked.

"Simply this," said the Old Timer, "it boils down to a question of integrity. A judge should show just as much of this in accepting an assignment as he shows in passing on the dogs in the ring. In his heart any man — unless he is a complete idiot or an egotistical ass—knows whether his opinion is worth $4.00 to the breeder of say a dachshund or a Welsh Corgi. If he doesn't think it's worth the entry fee then, if he is a man of integrity, he should admit honestly that he doesn't know that breed and refuse to accept an assignment to judge them. But human nature is human nature. We'll always have egotistical asses — and this isn't confined to the dog game — with the result we'll continue to have pomeranian breeders judging setters and St. Bernard breeders judging toys. Outside of legislation to stop it I'm afraid, like the babbling brook, incompetent judging and its consequent beefing will continue to go on forever."

NEW CLUB STEMS FROM MEET

A lasting result of the lively All Terrier Specialty Puppy Match held by The Kerry Blue Club of Canada at Tailteann Kerry Blue Kennels, Todmorden, Ont., September 22, is the formation of The All-Terrier Club of Canada.

A committee has been appointed, and other formalities are now in progress. An open meeting will be held November 14 at the North Toronto Memorial Hall, 180 Eglinton Avenue West, to which interested terrier fanciers are invited.

MEMO FROM THE EDITOR

Response to the Dogs in Canada Kennel Directory has been overwhelming. The postman's knees have been yielding under the extra daily mail, and this office has almost a feeling of family reunion as letters pour in from every part of Canada, and even some from the States. We talked about it for months: here is the first Directory in what we plan as an ever-growing, increasingly valuable sales help.

Elizabeth Dunn, who recently attended a Long Island show and chatted with innumerable top American fanciers, judges and handlers, found them all tremendously enthusiastic about Canadian shows, competitors, their dogs and their magazine. It's a lovely, lively international (that word again) spirit.

Re the Bermuda Show Trip. Seems there was too much against it this year, although the Claire Wallace Travel Bureau and this office did everything possible to arrange for Canadians to visit the shows and enter their dogs. Three major airlines were approached about chartering a plane, and all showed enthusiasm. Investigation disclosed not one could guarantee arrival and departure at the necessary time – there was the possibility of under or over-shooting the show dates.

Final obstacle was the 90 days quarantine for dogs entering Canada from Bermuda. This regulation cannot be circumvented by flying to New York and boarding another plane into Canada. To some the quarantine is not serious, but to many it means great expense and keeping a dog out of show and of course, breeding.

This office has written Ottawa officials pleading for the elimination of this legislation. Due to the efforts of Mrs. Eileen McEachren, President of the C.K.C., the isolation period has recently been reduced from one year to 90 days. If you are interested in this effort, your own letter to the Veterinary Director of Canada, Parliament Buildings, Ottawa, would help.

To Mrs. R. D. McLellan, Montreal, goes the credit for a most thorough presentation of the Puli. Although dedicated to this gay, hardworking little shepherd breed, she is devoted to the betterment of life for dogs everywhere, and to their proper training for safety and peace of mind, as is evidenced by the Obedience degrees earned by her own two Pulik.

Printed in Oshawa, Ontario.

More dogs and better dogs were in evidence in both Obedience and Conformation at

Above: The Greyhound, Am. Ch. Treetops Demon King, was chosen by Dr. A. A. Mitten as Best in Show in the August 20 competition. He is a Squirrel Run Kennels representative.

Right: Judge Thomas Joel selected the Dachshund, Am. Ch. Dachsberry Golden Crusader as Best in Show the following day.

THE FREDERICTON SHOWS

by J. D. Campbell

THE annual All-Breed Championship Shows sponsored by the Fredericton Kennel Club August 20 and 21 were bigger and better than ever, evidenced not only by increased entries but also the overall calibre of the dogs present. The venue was again the new Lady Beaverbrook Rink.

An innovation in the Fredericton shows this year was the introduction of Obedience Trials held in conjunction with the Point shows. The first trial was judged by Miss Blanche Saunders and the second by Mrs. Alex Casgrain. The Fredericton shows were again a part of the New Brunswick Show Circuit, which included a Championship show and an Obedience Trial held by the Moncton Kennel Club at Moncton on August 19 and two Championship Shows and a Toy Dog Specialty Show held by the N.B.K.C. and the Maritime Toy Club, respectively, at Saint John on August 23 and 24, thus giving an exhibitor five Point Shows, three Obedience Trials and a Toy Specialty all in one week when New Brunswick is at its best.

° ° °

Unless you live in the Maritimes, you may feel that Eastern dogdom is a long distance away. But so are many other Canadian and American shows. The impact of activity on the East Coast, however, is such that a trip would be well worthwhile, especially point-wise.

Following the thought that group trips might be both pleasant and more economical, the Claire Wallace Travel Bureau, Ltd., Toronto, has sent out test questionnaires to Ontario and Quebec exhibitors, asking what shows they might be interested in attending. So far the returns have not been overwhelming. If you would be interested in learning more about planned trips, particularly in regard to the Maritime circuit, write Miss Wallace at 1110 Yonge St., Toronto.—Ed.

Pooch and Csikos, owned by the author.

THE INCREDIBLE PULI

by Mrs. R. D. McLellan

ONE of the finest breeds to feel the impetus of American recognition is the Hungarian sheep herding dog, the Puli, which was first added to the CKC list of recognized breeds in November 1948, when I brought my Puli (see cover) to this country.

When this breed first came to America (admitted to the Stud-Book in 1936) it received the attention of the U.S. Department of Agriculture which tried out the dogs at its experimental station in Maryland. Since then it has been mentioned most favourably in government pamphlets and, as a consequence, is now working with sheep in various parts of that country.

The real popularity of any breed of course, depends upon its acceptance as a pet. There are so many more pet owners than shepherds and bench show followers, that a dog like the Puli, able to accommodate itself quickly and agreeably to life in the home, can zoom to unlimited heights. Aside from his ability to make himself a member of the clan of his master's family with loyalty only for that clan, the greatest asset of the Puli is his intelligence. Accustomed for centuries to doing the utmost bidding of his sheep herding masters this alert, smart little fellow is ready and willing to learn any task assigned to him. That is why we look to see the Puli not only make an ever-increasing place for himself in the American home, but to score heavily in the obedience ring.

One distinguishes two classes of sheepdogs — those that are strong enough to protect and guard the herd against possible depredation of wolves and gangs of robbers, and the lighter, more active dogs that herd the flock. The Puli belongs in the second category. He is the extended arm of the shepherd working independent in his task driving and rounding up the flock, the old experienced dogs teaching the young. As this dog is only employed in his work during the day, dark colours were desirable for work-day distinctiveness — they were easily recognized and controlled by the shepherd. One can also find the Puli engaged in herding cattle and to a small extent he has been employed by Police as an utility breed. His amiable character takes in dog-lovers by first acquaintance. Having

Amiable, willing disposition of Pulik makes them particularly adaptable to Obedience work. Pooch easily tops the hurdle.

lived for centuries as closest friend and helper to humans, his cleverness and adaptability are obvious. For generations he has worked and lived in close community with his master. Consequently he follows his word even on the slightest hint. He is as good a house and family dog as he is a herding dog. His inborn obedience, his inclination to watch over everything young and helpless, his vigilance, his patient waiting and many other good qualities make the Puli a pleasing four-legged companion.

Looking for the first time at my Pulik (Plural) at one of our shows, the people exclaimed in amazement, "It isn't possible". One has to admit that these dogs are entirely out of the common, so that it takes one a little time to become accustomed to their peculiar appearance. Then their eccentricities are overlooked and their virtues become apparent. The Puli, with his rich shaggy coat and his distinctive bear-like rocking pace, has a striking appearance — a really distinct Working breed, whose history can be traced back many centuries.

When the Magyares took possession of Hungary in 895/896 they brought with them their sheepdogs. In the loneliness of the almost endless Hungarian steppes (Puszta), the shepherds were very dependent on the reliability and courage of their dogs against the threatening dangers from wild animals and gangs of robbers. Thus, for over a thousand years Hungarian sheepdogs have been developed, trained and associated with the shepherds, and their sheep, cattle and horses, which are basic and pre-eminent to the Hungarian economy. Even today the Puli is still an indispensable fellow-labourer of each Hungarian shepherd but through diminution of sheep-farms, the existence of this very ancient breed is unfortunately endangered. But it is the Hungarian breeders' serious and burning desire to preserve the pure original appearance and ancient qualities. Attempts, which, to my regret, I have seen taking place, to discover something new — particoloured Pulik etc. — would not enrich or make the existing breed more valuable. On the contrary this would create chaos which would destroy the unique original breed. It is a thousand times easier to take such a frivolous step than to repair this committed sin for the serious breeding. Spreading of such ill-breeding is prohibited by the official International recognized Standard of the MET through the Fédération Cynologique Internationale in Brussels, Belgium.

The striking breed characteristic of the Puli is his unusual but typical coat of matted hair, the result of hundreds of years of natural development and is adapted to outdoor living and extreme climates. This shaggy coat is not the result of defective care or uncleanness but the sign of good hair quality. It protects the dog from the burning sun and icy cold. This feature needs emphasis because it was completely lost in a number of dogs exhibited at shows, so depriving the breed of one of its chief characteristics. The coat should never be fine-combed as this would deprive the dog of his normal coat. The coarser mats should be split and a wire brush will then take complete care of the coat. Earlier, this thickly matted coat served a further essential purpose, which is also useful today. It protected the dog against serious bite-wounds in his fights with wild animals. The choking mass of hair prevented the teeth from reaching vital areas. A distinct tendency to mat is already noticeable in the puppy coat. The hair is growing in bunches. This matting becomes distinctly visible when the dog is about one and a half year old and it takes about three years to spread over all the body. There are two kinds of coats — The Undercoat, which resembles wool, is soft and dense and which tangles with the Outercoat, which is of good coarse texture, not straight or silky and free from curls. This tangled mixture of hair results into the shaggy coat — The "Puszta" coat. Missing of the undercoat, no matter for what reason, is causing the open hair, which is objectionable.

Many discussions have taken place concerning the Colour of the Puli which is very distinctive and cannot be compared with any colour of any other breed. One can hardly find in the kingdom of nature a colour which one can compare with the colour composition of the Puli. Lacking a better description the official Standard reads — "Reddish-black" and "every shade of grey". This naming includes two colours, though the colour of the Puli is really one with several shadings from the darkest shade (the colour reddish-black or grey-reddish-black) to the lightest shade (silver light grey). The Hungarian Shepherd has an interesting denotation for the colours of the Puli. He calls the dark shade "antique" and the lighter shade "green". In fact, the dark shades can be compared with an old faded cloak, which has been hung outside and through exposure to rain and sun displays different colours. The "green" description is not so appropriate but is rather original. Some believe that the shepherd used this name for lighter coloured Pulik as he really saw this colour as "green", others believe that he called it "green", as he couldn't find another real expression for this colour. The colour of the Puli results really from the mixture of black to red-black and white to yellowish white hairs. The individual colour shades result from proportion of the mixture of these hairs of different colour. It is interesting to know that the Puli when born is nearly without exception jet-black and acquires later the different colour shades.

One cannot speak too highly of the admirable work that has been done by

Mrs. Charles Anderson, Cedwood Puli Kennels, relaxes at her home in Bristol, Conn., with some of her winning Pulik. Note varying coat shades.

the Hungarian shepherd, breeders and the former Hungarian Kennel Club — short: the MEOE. They not only practiced extremely selective breeding for herding, size and stamina, but also imposed restrictions on colours to make the Hungarian Puli really distinct. High commendations should go to Mr. Ludwig Ilosvai-Hollossy, Managing Director of the MEOE, Secretary of the F.C.I. and outstanding judge. Hard work and sacrifices were rewarded, when, in 1915, for the first time a Standard for the Puli was established, which was improved in 1924 and approved by the Fédération Cynologique Internationale, Belgium (F.C.I.)

Some breeders might find it easier to change the standard to fit what they are producing, than to change their breeding tactics to fit what is called for in the established standard. Such attempts took place in Hungary in the early 1930 when one of the founders of the MET broke away and formed a counter-Club without any official backing. He also published a Stud-Book known as the MKT, which was not recognized by the F.C.I. This counter-Club not only created different gradation of sizes for the Puli — from the Toy-Puli to the Police-Puli, (which is nearly the size of a Komondor) but also various colours and particolours were permissible. For non-Hungarians this made difficulties and for a long time it was not clear of what value the pedigree of Pulik registered in the MKT were, as this Stud-Book registered also dogs of unknown origin, whilst the MET demanded proof of five ancestor generations. This situation created a danger to the established Puli breed. With interest aroused in other countries this affected development, as buyers not familiar with the breed imported questionable foundation stock. In Germany for instance it was the "Komondor Club" (established in 1922) and later changed into "Club for Hungarian Sheepdogs" who took charge of the Puli breed. Its founder was the well-known writer D. W. Mut from Munich. A Stud-Book was published in 1924 and re-published in 1929. Concerning the colour of the Puli it states: All conceivable colours which shows that Mut also had as well included the Tibetan Terrier. He claimed that the Puli and Tibetan "Terrier" are of the same origin and should be looked upon as one breed.

Note: This very close relationship has been established between these two breeds by Canine Research Institutes and experts on both breeds in Europe and Israel, after intensive studies and research, and they suppose that the foundation stock of the Puli might have been the Tibetan "Terrier". They also claim that the Tibetan "Terrier" has nothing to do with a Terrier; the word "Terrier" is derived through the French "Terre" from the Latin "Terra"—earth. Terriers were earth dogs capable of going to ground to evict foxes or badgers. Efforts are made to change the name Tibetan Terriers to Tibetan Puli, different to the Hungarian Puli, with no interbreeding between these two Puli types permissible. There are no bodily differences between the Puli and the Tibetan "Terrier". It is merely the question of colour. The Tibetan "Terrier" allows any colour, particolour and tricolours, except chocolate, whilst the colour of the Puli is restricted to reddish-black and all shades of grey. The texture and care of the coat of the Puli is the same as that of the Tibetan "Terrier" with the exception, that the coat of the Tibetan "Terrier" was not allowed to mat.

This is the Tibetan "Terrier", not to be confused with the Hungarian Puli.

These confusing Standards made difficulties for breeders who were familiar with this ancient breed, and who tried to preserve its purity. But with the withdrawal of Mut from the Club in 1932 these variations and wrong colours became less difficult. Since 1939 the German Stud-Book gives no statements of colour, as only the permissible blacks and greys were entitled for registration. But it required long and responsible breed work and breed selection to obtain the "true-coloured" Puli as we have it today.

And what is happening to the Puli breed in Hungary today? All breed Clubs are suspended since 1949 — from the cattle to pig, goat, sheep and dogs, and all official Clubs which are handling Studbooks. Everything is managed now by the new regime's Ministry of Agriculture, under the name "Terimpex". As the situation is now in Hungary this country is pressed for foreign-exchange, reasons to make hodge-podge concessions regarding the Puli, and persons who have seen their latest advertising on this breed will realize the present Hungarian standard does not conform to the recognized MET and FCI standards. Nor is Terimpex recognized.

This is a letter from "Lone Oak Puli Kennels", Howardsville, Va. Mrs. T. N. Stensland, owner of this kennel is one of the oldest Puli Breeders in the States. She writes—"Early this year we got an inquiry from a man named Roy May about the possibility of his getting from us two or more Pulik to be used for herding in Utah on a large sheep outfit. He explained that a neighbouring herder he knew, a Basque, had a dog which was excellent sheep herder, the breed of which he didn't know, and that he went to a local veterinarian with him, who promptly identified the animal as a Puli. Mr. May then wrote to us, stating that this was a wonderful herding animal, and asking whether we could supply him. Now, Mr. May runs 20,000 head of sheep as a herder for Carson Bros., at Wendover, Utah, who run twenty herding dogs the year around. After corresponding with Mr. May we shipped him a beautiful bitch named Marcsa, Matyi a three year old Puli and two seven months old puppies. The following excerpts tell about the dogs:

March 26—I received the four dogs last night. Mr. Carson brought them to Wendover but had to get back to the city on business, so Mr. Warburton put them in a pack outfit, and carried them about 25 miles to my camp. I am trailing to the spring range now, and have about a week to go before anyone can reach me, except by horseback. Mr. Warburton stayed in camp with me last night. He is a professor, retired of European History at an Eastern College; he told me a lot about the Hungarian people, and was very interesting. I have a pack outfit and saddle horse, and live in a tepee tent; the dogs moved right in and made themselves at home. The little black puppy ended up in a corner with a little lamb that I had put in out of the cold. Marcsa took over my bed, and Matyi just couldn't be quiet. These dogs arrived at the right time. I had only two dogs, and lost one just the other day in a coyote trap, the first time this has ever happened to me.

April 2—I have just arrived at the spring range. I am glad to get down out of the high passes of snow. The dogs seemed really to enjoy rolling and playing in the snow drifts. We had to cross a pass of about 8,000 feet; because of the altitude I packed them on a horse; in the high thin air I was afraid they might be over exerted. Matyi and Marcsa are very much interested in the sheep, while the little black pup follows my old dog in herding all the time. I will train and teach him for you and hope to send you back an all-around guard, watch and herd dog. My old dog stays out with the herd all night, circles them completely each hour. If your pup can learn to do that under his guidance, he will make a truly great guard dog. We feed our dogs right from the table; each takes a place and eats just like a man from the table.

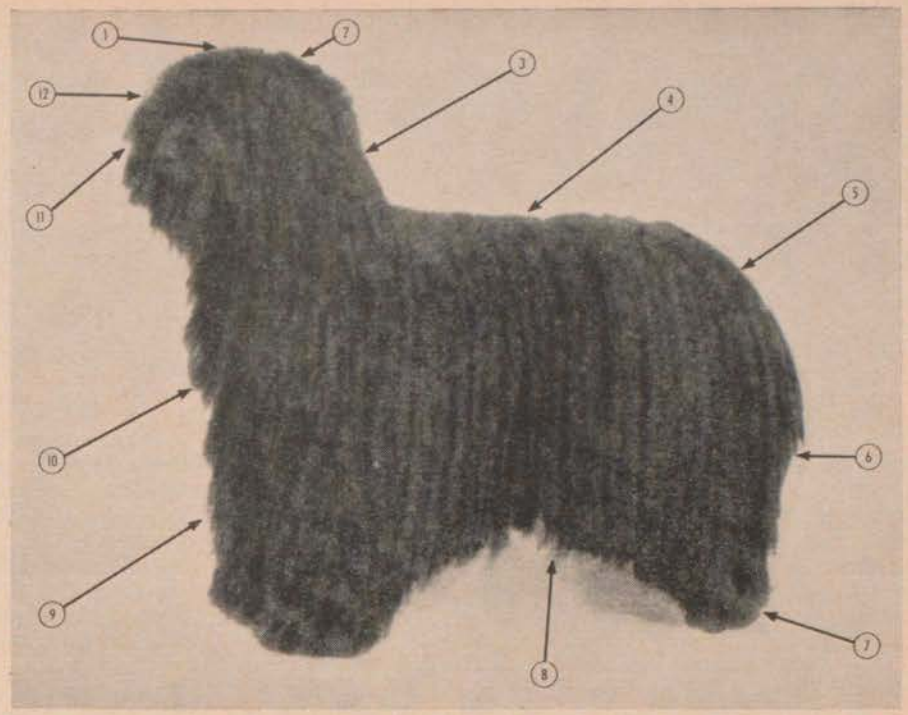

April 12—We have just dug out of the snow which the big blizzard piled up out here. We had quite a tough time for awhile; I was caught out in a flat about five miles from any shelter with the herd, and finally made way to a big brush corral and shed; had to use pack mules to break trail for the sheep and got them in about midnight. It was the worst storm I have ever been in. Several herds have been completely lost and many

stray sheep are still out. I very luckily lost none. My old dog pushed a bunch in the lead behind the mules and Matyi and I pushed the rest from behind. Matyi is an unusual natural sheep dog; I had used him very little before but he worked like a veteran all the way in. A shepherd near here lost his herd, and hearing my bells, thought they were his, rode up and helped us drive them in. I told him I had had Matyi for only a couple of weeks and he could not believe it, and was sure from the way he worked, he had been trained for a couple of years. I have never seen dogs learn as fast as the Pulik. This other herder's dogs quit him during the storm; now he wants a Puli. The storm lasted for three days and nights, and we had about a hundred lambs born through it. I can put a lamb in an open pen, place the little Puli pup at the gate, and he will keep the lamb in the pen, while Matyi brings in the mother ewe. The other Puli pup has taken to the old dog and when he can get loose, he follows him everywhere. The old dog goes around the herd every hour all night long, and the puppy trots along right at the tip of his tail. I don't send him off; he goes off on his own as the old dog starts off. He will be a wonderful guard dog when he is older. Marcsa (who is pregnant) is a lady of leisure now, but I shall soon train her when I have some extra time.

April 17 – We have had about 12 inches more snow here. There has been, in this part of the country, a great loss in sheep and cattle. I am at the lambing sheds now, and very busy. Matyi helps all day long and trains fast. We lamb in a big corral and then take the lambs and ewes inside the shed. Matyi followed the operation for awhile; now every few minutes he circles the corral, and if he finds a lamb out, he comes running to me, barking at every jump. With only a little help to start now, he can pen a ewe by himself. He will be a great little dog with a year's experience. One pup I sent to the Carsons who will keep it awhile; the two pups were inclined to play together too much. The other will work better alone. They are young and soft and I did not want to overwork them, at the start. Marcsa likes to drive sheep, but in her condition is a bit afraid at close range. She will get over that later. I would not take for Matyi now, what I paid for all the dogs.

I keep brewers yeast in camp all the time to bake with and have some cod liver oil; I feed quite a bit of ground mutton; I cook it in a patty and Matyi sure can eat it; he sits by the side of the stove and begs all the time I am cooking it."

A subsequent letter from Mr. May informs us that the little Puli pup attacked a coyote which was about to destroy a lamb and came away with about twelve inches of its tail, which he now carefully regards as a trophy of combat.

STANDARD OF THE PULI

(as recognized by the Canadian Kennel Club and the American Kennel Club.) Condensed from *"The Complete Dog Book" official publication of The American Kennel Club.*

1. Head in proportion to the body, not coarse, skull rather narrow and somewhat domed. Distinct stop.
2. Ears profusely coated, medium large, V-shaped, carried flat to the side of the head.
3. Neck should be free from throatiness, strong, muscular and of medium length.
4. Not broad, straight, long and muscular.
5. Medium length or occasionally natural bobtails. Carried low with the end curling up. When excited tail may even curl over the back to some extent.
6. Well developed, moderately broad through the stifle, which is well bent and muscular.
7. Strong, round, compact with hard pads and strong nails.
9. Forelegs strong and muscular, very straight when viewed from any angle.
10. Chest fairly broad and deep, not so wide as to interfere with free action of front legs nor yet narrow.
11. Nose of good size. Color black on white dogs. On dogs of other colors should be harmonious with the color of the coat.
12. Eyes deep-set, close together and medium large in size. Dark brown eyes preferred but lighter color not a serious fault.

COLOUR–Solid colors, Black, shades of grey, or white.

SIZE–17 inches. Females may be slightly smaller.

FAULTS–Either overshot or undershot mouth. Parti-colored nose, Short or thin coat.

STANDARD OF THE PULI

(as established by the MET (Magyar Ebtorzskonyv) the only international recognized Hungarian Stud-Book, and approved and adopted by the Fédération Cynologique Internationale (FCI), Brussels, Belgium). Submitted for interesting comparison by Mrs. R. D. McLellan, of Montreal.

1. Short, small head, completely covered with hair. Stop slight.
2. Ears covered with long hair, set high and V-shaped. Hanging down.
3. Neck short and muscular.
4. Short, straight back.
5. Bushy tail. Hanging or curled over back. Inborn stumptails.
6. Hindquarters muscular and covered with long hair.
7. Feet closed tight. Claws black.
8. Long shaggy hair.
   Body well tucked up. Quadratic.
9. Forelegs columnar. Not high. Well boned, muscular and covered with shaggy hair.
10. Broad, but not barrel-shaped chest.
11. Nose blunt and fully black.
12. Eyes coffee-coloured and covered by bushy eyebrows, which cover the eyes completely.

COLOUR–reddish-black and all shades of grey

SIZE–14" to 16" for females; 16" to 19" for males.

FAULTS–Short and open hair. Long narrow head. Hare-foot. Light coloured nose and eyes. Spottings and all colours than the ones specified above.

NEW DATA ON INHERITANCE OF COAT COLOR

In the introduction to his new book, "The Inheritance of Coat Color in Dogs." Dr. Clarence C. Little, director emeritus of the Jackson Memorial Laboratory, states: "Breeders who desire to utilize existing scientific knowledge of genetics will need to spend some time in serious study of the symbols and methods employed in that science. If this familiarity with genetic tools were not necessary, many problems of coat color inheritance would have been solved long ago."

Published by Comstock Associates, Ithaca, N. Y., this book (price $4.00) presents new data that makes it the most complete work on the present knowledge of the subject. The excerpts hereby presented are by permission of the publisher.

Breeders with new or interesting data on the incidence of mutations unusual in their breeds are urged to communicate this information to the Jackson Laboratory, Bar Harbor, Maine. The occurrence of a mutation producing colors not sanctioned by the standard is no disgrace and no evidence of impure ancestry. It is, on the contrary, an event of real scientific interest and importance.

Every dog owes his coat color to the combined activity of a number of units of heridity, or genes. The gene has a characteristic chemical composition and configuration which are reproduced accurately and identically in each generation of germ cells. Exceptions to this rule are sufficiently rare as to deserve a special name – mutation. Once a mutation occurs, however, the new form of gene perpetuates itself with the same jealous tenacity as did the original form. The genes are located in linear order—on microscopic structures known as chromosomes.

Each chromosome has its own content of genes which belong to it and remain with it. Between genes on different chromosomes there should and usually does exist complete independence of inheritance. On the other hand, if two different genes are located on the same chromosome, they are linked in inheritance.

As data on color inheritance in dogs becomes more extensive, we shall in all probability find evidence of linkage between some of the gene pairs now known. Until that time, however, the coat-color genes are considered as being independent, each gene base, or locus, being on a different chromosome.

In the simplest form of heredity, according to Mendel's law, one type of gene comprises both members of a gene pair. It is only when one of the gene pair mutates that a visibly distinguishable new color variety appears and by its behavior in descendant generations makes it possible to identify the existence of its previously indistinguishable partner. The various forms of a gene which occupy the same site or locus on a chromosome are called alleles of one another.

When more than two forms have been established at a single locus, they are called multiple alleles. In the dog, four loci for coat color have been identified at which may be found four alleles, and six loci, each of which contains two.

Whenever three or more alleles are found, they can usually be arranged in the order in which they can mask or conceal the expression of the other members of the series. The word epistatic, 'placed above,' is applied to a gene that conceals one or more others, while the term hypostatic denotes 'standing under' and is applied to the concealed member of the series. Thus, in a series of three, there will be a top ranking member, epistatic to both the others, a middle member, hypostatic to the top member but epistatic to the other, and a bottom member, which is hypostatic to both its partners.

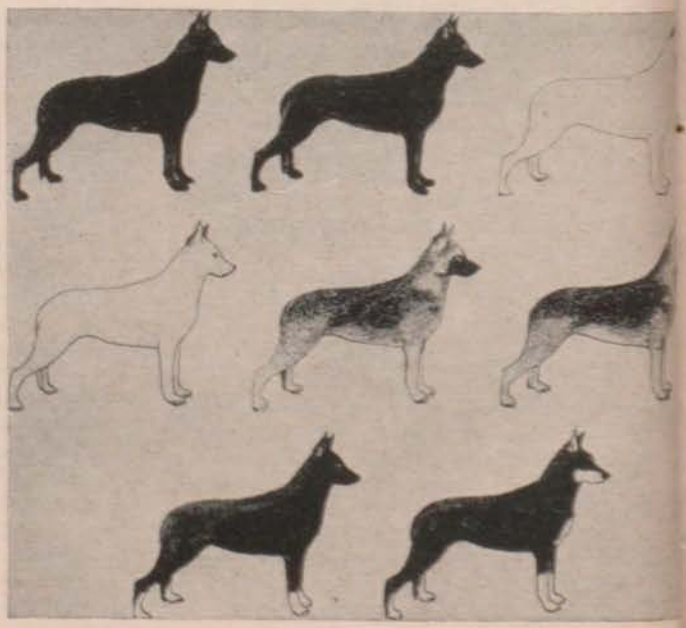

Considering the ordinary pair of Mendelian units, the one which conceals the other is called dominant, and the one which is masked, recessive.

It is important to recognize that such masking or dominance is often imperfect or incomplete. A large number of inherited influences which affect the degree of development or expression of the Mendelian genes are known. This type of minor influence is difficult or as yet impossible to analyze. Recognition of this fact will also avoid a great deal of wasteful expectation that the most minute variations in coat color can be easily explained by Mendel's law.

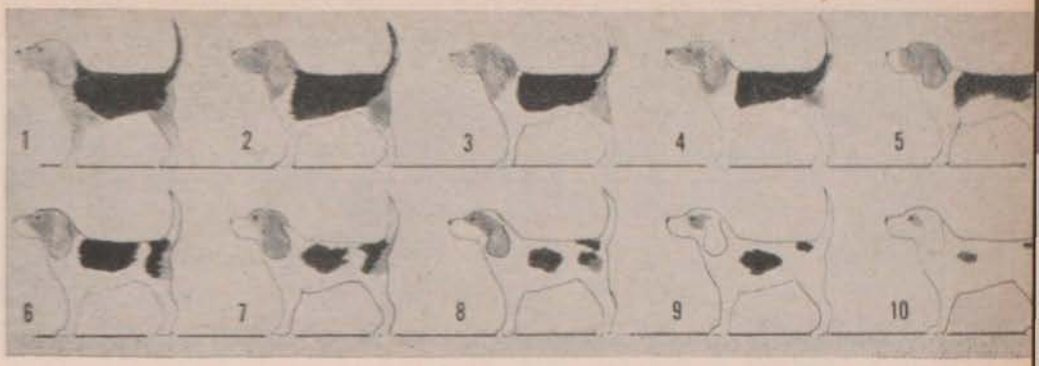

Dogs appear to have two major types of pigment in their coats. One of these is yellow, and the other dark (brown or black). The color varieties of dogs are formed by various genes controlling the amount, extent, and distribution of these pigments, both individually, in combination, or in competition with each other.

The genes for coat color so far identified in the dog:

1. The A series. The genes which form a multiple allele series situated at the A locus influence the relative amounts

Effects of the A series and E^m (black mask) genes in German Shepherds. Top row, l. to r.: E^m A^s, E A^t and E^m a^y in the clear tan phase. Center: E a^y in clear tan; E^m a^y and E a^y, both in the dark-sable phase. Bottom: E^m a^t and E a^t.

The Beagle is an example of the extreme range of piebald determined by the s^p gene. The heavily pigmented grades are due to "plus" modifying genes acting on s^p; the relatively unpigmented types due to "minus" modifiers and the overlapping effect of the modifiers with s^w (No. 10 to SS (No. 1) can be seen.

and location of dark and light pigment, both in the individual hair and in the coat as a whole. There are certainly three, probably four, and possibly five alleles in this series. A^a allows the distribution of dark pigment over the whole body (Newfoundland, Chesapeake Bay Retriever); a^y restricts the areas of dark pigment and in its most complete expression produces a clear sable or tan color (Basenji, Irish Terrier); a^t produces the bi-color varieties (black-and-tan, liver-and-tan, etc.) described as tan-points (Welsh Terrier, Doberman Pinscher).

There are some cases in which a self-colored (A^a, black or liver) animal carrying a^t as a recessive shows a reddish or light-colored tinge in the dark pigment overlying the area which, in an a^ta^t animal would be tan. This phenomenon may be visible only during a limited age period or in certain lights.

Most sable-tan dogs showing various areas of persistent dark pigment are probably a^ya^t, indicated by their frequency in breeds such as Dachshunds and Collies where tan-point animals occur, and their rarity or absence in breeds such as Irish Terriers and Basenjis where most individuals are a^ya^y in formula.

The possible fourth allele, a^w, would produce the agouti or "wild color" type of coat color with banded hairs, seen in Norwegian Elkhounds, grey German Shepherds and Schnauzers.

2. The B-b pair. The dominant member of the pair, B, produces black coat. Its alternative and recessive form, b, produces liver (brown) pigment.

In matings between blacks and browns, there is no way in which one can be certain whether litters containing only blacks are from matings of a black BB with a bb liver or a black Bb with a bb liver. The latter, theoretically, should produce a ratio of one black to one brown. The distinct excess of black over brown is to be expected if B is dominant and b recessive and no selection for bb takes place. Supporting evidence is also obtained from matings of black x black within these same breeds.

3. The C series. By far the most frequent of four well-recognized alleles in this series is the gene for full depth of pigmentation, C, observed in the deep, rich, pigmentation of golden brindle, dark tan or red, or absolutely black or liver varieties.

The second member of the series is C^{ch} or chinchilla, which has a distinctly greater effect in reducing the red-yellow pigment than it does on the black pigment. Schnauzers and Norwegian Elkhounds, in which the black pigment is only slightly if at all reduced and yellow-tan has become a light cream or almost white, are good examples of the effect of this gene. Its results are also seen in the light grey brindle Scottish and Cairn Terriers and probably in a number of other breeds.

A gene for extreme dilution, C^c, may also be present as another allele in this series. A gene of this type might act upon tan-yellow dogs to produce pups which would be white at birth and remain so nearly white during maturity that traces of very light yellow pigment would be hard to find and/or definitely localized.

There are a number of reasons why definite identification of a C^c allele is difficult. One is the fact that brown-nosed (bb) reds or yellows are not so favored in many breeds as black-nosed (BB or Bb) animals; therefore extreme dilute browns would not be saved for breeding. Poodles may be an exception.

C, full pigmentation, is a condition found in all deep red or tan breeds, such as Miniature Pinschers and Irish Setters. It is probably characteristic of many of the dark liver breeds, such as Irish Water Spaniels, and of some of the black breeds, such as Newfoundlands and Schipperkes. An example of masking of this gene may be Labrador Retrievers in which, when the mutation to yellow occurred, the yellows were pale, not red.

The existence of C^a, or complete albinism, is a matter of theoretical rather than of practical interest, since it is extremely rare and has never been used to develop a variety or breed.

4. The D-d pair. The dominant member, D, causes intense pigmentation. The recessive gene, d, produces Maltese or blue dilution, found in Great Danes, Greyhounds, Chow Chows, Poodles and Weimaraners. One characteristic frequently seen in dd animals is the peculiar flat quality of the color, whether dark or light. This appearance has been described as "silvery," a quality very prominent in the dilution of liver, seen in Weimaraners.

5. The E series. The black mask pattern, E^m, seen typically in Pugs and a number of other breeds, is the top ranking member. Next is usually considered E, which allows the formation of dark (black or brown) pigment evenly over the whole coat. The bottom member is e, in which no dark pigment can be formed in the hair, leaving it a clear shade of red or yellow. Orange Pomeranians or Irish Setters are examples. Between E and e lies e^{br}, (brindle), which in the presence of a^y or a^t produces brindle dogs.

6. The G-g pair. A is at least partly dominant and changes a puppy born of a uniform dark color in the direction of increasing greyness or paleness. Without this lightening gene the dog is gg in genetic makeup. G is found in Kerry Blue Terriers, Poodles and some other breeds. (Its visible effect may be confused with that of d).

7. The M-m pair. Acting upon uniform pigmentation (mm), M produces merle animals, often with areas of white in the coat. Occasionally one or both eyes are light blue or have variegated pigment of the iris. In some breeds MM animals are badly deformed or handicapped.

(*Continued on page 49*)

Effect of plus and minus modifiers on Irish (s^i s^i) Basenjis. Piebald (s^p s^p) animals overlap with this series.

PART I

HISTORY AND ORIGIN

of the Shamrock Collie Research Lab

Written especially for Dogs in Canada by Dr. Lee Ford

The Shamrock Collie Research Laboratory, more familiarly known as the "Shamrock Lab" has its headquarters at Butler, Indiana, U.S.A. You go to 336½ Hickory Street, to which most anyone in town can direct you, if you tell them you want to visit the Shamrock Collies, and here you will find the dark-shingled bungalow, the modest 20 foot barn, and the puppy shed, complete with an acre of neatly mowed and fenced runs. This is the Shamrock Lab Headquarters. Up until February, 1957, this was the hub from which all Lab activities stemmed, the focal point of the genetic-breeding studies carried on by Dr. Ford and the Lab cooperators.

Fall of 1956 Dr. Ford went to Pacific Lutheran College, Parkland, Washington, as Associate Professor in Botany and Genetics. Spring of 1957 the Lab's research program was completely accepted for college credit, and the PLC biology majors enjoyed the rare undergraduate privilege of actually doing independent genetic research of a very high calibre. In fact, the scientific findings of these students of Dr. Ford's are now being published in leading scientific genetic journals. Thus in the Science Building on the PLC Campus came into being the second "hub" of the Shamrock Lab. Dr. Ford spends nine months on campus working witth the students and outside Lab Cooperators, and three months at Butler, Indiana, carrying on the genetic research and Companion Collie programs.

Just when the Lab actually began is a bit hard to say. The work was officially organized, constitution established, Board of Directors selected, and actual status delimited as of January 1, 1956, while Dr. Ford was teaching at the Calgary Branch of the University of Alberta, Canada. However, did it really begin with the birth of Tokalon Independence on July 4, 1949, this short-lived rough tricolor male dog who sired the outstanding stud dog, Shamrock Deseret Boy, who was the key dog in the Shamrock Collie breeding experiments and studies? Or was it on July 15, 1950, the birthday of Boy? Or was it back in September, 1944, when Dr. Ford, then Miss Lee Ford, public auditor, decided to go to college as a freshman undergraduate, and began the long pull through undergraduate and graduate college to finally finish the Doctor of Philosophy degree in Cytogenetics summer of 1952? Or did it all really begin long, long ago in the mind of a young inquisitive farm youngster in Indiana, who read everything available for reading, from the Almanac to Shakespeare, and from the Bible to Treasure Island, and who was always looking for answers that weren't there?

Really the Lab is simply a symbol of man's eternally seeking for knowledge, looking into the unknown, trying to find the truth. We think of a Scientific Laboratory as a big building, with much fine equipment, many strange pieces of apparatus, and scientists with long beards and white coats going around doing something we don't understand! But Scientists are people, people who are interested enough in something to study it day and night, for years at a time, and so learn all there is possible to learn about it. From this concept of science and scientific study, arose the Shamrock Lab and the Lab Cooperators.

The aim and purpose of the Shamrock Collie Research Labratory, is to gather together from all possible sources, worldwide, all possible information on various aspects of collie genetics and breeding. This necessarily involves a basic understanding of genetics and breeding as a science, and then the use of data not only from collie dogs, but from other breeds as it is available. This data is then organized, set up, and is the basis of further studies made by the Lab and the Lab Cooperators. In science one goes from the known to the unknown. But first one must find out what is known! Then one proceeds further.

The Shamrock Lab Cooperators are two general groups. (1) They are people just like everyone else, many of them non-college people, who are interested in breeding better dogs. Generally they are collie people, as the Lab does most of its work in collies. But often they are not. We have Lab Cooperators among many of the people who are non-collie breeders or owners. They are, however, different from the general run of people, in that they are willing to learn, willing to keep records, willing to work cooperatively and keep accurate information which they send into the Lab headquarters. (2) The second group are the PLC students, who carry college credit research in these problems, taking them into the realm of pure research.

The aims and objectives of the Shamrock Collie Research Laboratory, as set forth in Article I, Section 2 of the Lab Constitution and By-Laws are as follows:

1. Cooperating with Collie owners and breeders in collecting genetic breeding data.
2. Special master pedigree studies in cooperation with Collie owners and breeders over long periods of time.
3. Genetic and Cytogenetic research, especially on topics such as artificial insemination, blood typing, spermatogenesis, epilepsy, etc.
4. Center for specific training, such as leader dogs for the blind. (this the Lab's Companion Collie program involving Smooth Collies).
5. Selective breeding studies and testcrosses to learn more about specific collie problems — need we mention them?
6. Dissemination of information of both a general nature and of a more specific type by printing, news letters, and any other way possible.
7. A research center for visiting investigators and for those wishing to cooperate on special phases of study.
8. Center for "collie college" or training school for (people) for breeding, showing, obedience work, etc.
9. Center for registration of proven and genetically tested stud dog registration—also center for stud service from proven studs.
10. Identification Bureau for registering dogs—so as to locate lost or stolen dogs—or identify found dogs.
11. Consulting service for Collie owners, breeders, and clubs.
12. Supplying competents lecturers on different phases of work with the Collie, especially in regards to genetics and breeding work.
13. Prevention of cruelty to dogs, especially to Collies.
14. No legislative or political interests.
15. To help novice get started in collies.
16. Improvement of the Collie.
17. Promote the Collie as a working dog.

At present the work of the Lab can be said to center around 4 major activities or types of activities. These are as follows:

(1) *The Lab's Research Program*: This has been more or less already explained. Already work has been completed and published on artificial insemination, blood typing, spermatogenesis, color inheritance, pedigree studies, misc. litter data on birth times, weights, sexes, etc., reports on special Lab dogs in re. to varied defects, complete volume on white collie, blue merle collie, and smooth collie, volume on cryptorchidism, one on eyes, and other misc. works. Scheduled for 1958 are volumes on pigmentation, geriatrics, and further work on prediction studies, eyes, ears, and color, especially merles.

(2) *The Lab's Companion Collie Program*: For the first time in the history of the work, a litter of Smooth Collies born May 11, 1956, ten smooth collies born to one of Dr. Ford's rough Shamrock females, was set aside for leader dog or guide dog work for the blind. These dogs are called "Companion Collies" because the Lab Cooperators feel that the work of the dog as a companion and friend of the blind person, is worth more than the actual "guide" work. These "Companion Collies" are all Smooth Collies, set aside as puppies for this work, pretested according to best known puppy pretesting methods, then sent out to Lab Cooperators' homes where they are carefully raised, trained, earn their basic obedience degree if at all possible, are shown, and undergo all types of bus, elevator, traffic, people, crowd, etc., orientation. The first group of 10 are even now entering their advanced training at the various leader dog schools in the U.S.A. We hope in a later article to be able to report to you more about this program as it develops.

(3) *The Lab's Shamrock Press*: The Lab is not financed by any group or organization and no one working in the program gets paid any salary of any kind. All Lab Cooperators work for the enjoyment and stimulation they gain from the work. The one source of income for the Lab during the past two years has been the Shamrock Press, which publishes the volumes containing the work of the Lab. These volumes are obtainable from the Shamrock Press, Butler, Indiana, for a very reasonable sum, and *are the only volumes of this kind available anywhere*. Series I of 7 volumes was published as 1955 series, Series II of 7 volumes as 1956 series, Series III of 11 volumes as 1957 series, and Series IV is scheduled for 1958 consisting of 5 volumes. In addition the Lab has published several misc. publications of note, among them the children's book, *Shamrock*, with lovely original illustrations by Allene Hoke, story by Barbara Maddigan; and the *Illustrated History of The Collie*, beautifully illustrated by Allene Hoke, Vikki Hollowell, and Karen Leitzmann. Free catalog of all volumes (which are not out of print already) is available simply by writing to the Shamrock Press, Butler, Indiana. As we have no "postage fund" you could enclose a stamped envelope, which would be appreciated.

(4) *The Lab's Breeding Program*: Although the Lab does have as of September, 1957, about 15 "Lab Dogs" which either are phenotypically defective or genotypically known to carry certain hidden recessives, yet these are not the only "Lab Dogs". The Lab uses these "defective" or "carrier" dogs to study the genes found in all dogs, and to learn their action and frequency in the dog population. Thus they serve a most useful purpose. These particular "Lab Dogs" are primarily in homes of Dr. Ford's students, where they receive the finest love and care, and are dearly loved as only research minded students can. However, the Lab also believes in definitely positive corrective program, and so maintains thru the cooperation of Lab Cooperators, various selected and tested Lab Studs. These are available to Lab Cooperators and Non-Lab Cooperators alike, upon approval of the director, to approved females. At present the Lab has the rough white male, sable marked, White Chieftian of Button Box, who is with the Lab Cooperator, Sally Brenner, Rt. 2, Box 29, Hollidaysburg, Pa.; then there is the young sable male, Shamrock Ira from Shiel, rough and white factored, son of White Chieftian, and the imported (English) smooth sable, Sparrow from Shiel, C.C. Ira is with Lab Cooperator Nancy Wright, Hyattstown, Maryland. The smooth tricolor C. C. male, Shamrock Smooth Sentinel, C.D., (Al to his friends), is at stud until May, 1958, when he goes into leader dog school, with Lab Cooperators, Mr. and Mrs. William Fayles, 1416 West High Street, Springfield, Ohio. And the smooth tricolor C. C. male (C.C. in this case is Companion Collie—not to be confused with the English Challenge Certificate!) Shamrock Smooth Stream (Chief to his friends) who is at stud with Dr. Lee Ford, Pacific Lutheran College, Parkland, Washington, U.S.A. If you are interested in any of these, or any other studs which may in time be added to the Lab Stud roster, check with Dr. Ford.

Would you like to know more about the activities and accomplishments of the Lab, since its official organization January 1, 1956? If so, write to *Dogs in Canada* and let them know! We will be glad to include actual genetic and breeding data on various problems in dogs (collies *are* dogs) and elaborate upon some of the current Lab activities. If you have a special problem or question, you can contact directly: Dr. Lee Ford, Shamrock Collie Research Laboratory, Butler, Ind., U.S.A. We do not promise to have all the answers, but we can at least tell you what has been done so far.

Can you become a Lab Cooperator? Yes, you can. Write to Dr. Ford for particulars, but it essentially means that you will agree to keep adult dog and puppy litter records on your dogs. They can be collies, or they can be any breed. Our forms and works and records are all aimed at collies, but they are actually quite easily adapted to any breed at all. If you would like a free set of adult dog and/or puppy litter records, write to the Lab. Again, remember, we don't have any postage fund, so you might include 10c to cover paper and postage. If you don't have the 10c, we'll gladly send you the forms anyway.

We did mention that the Lab is not supported by any group with a grant or foundation set-up. Its only income is from personal gifts and sales of volumes and subscriptions. The current Series IV for 1958 gives you the five newest Lab volumes, covering pigmentation, geriatrics, advanced obedience training, advanced Companion Collie work, and the Selection Index In addition you get the new *Shamrock Lab Breeder's Journal*" until December, 1958, issued monthly, full of news and activities of interest to the breeder, *plus abstracts of every article on genetics and breeding on dogs from all the leading dog journals and scientific breeding magazines.* To order this send $10. to the Shamrock Press, Butler, Indiana.

Incidentally, The Female Canine series of articles which appeared last year in the *"Dogs in Canada"* is now published and available in volume form ($2.50 each) from the Shamrock Press, if you are interested.

LARGE PULI ENTRY AT GOSHEN, CONN.

Submitted by Mrs. John B. McManus

A fine entry of 16 Pulik for the Northwestern Connecticut Kennel Club Show on September 22, at Goshen, Conn., with one absentee, 15 lovely dogs competed for honors under Mrs. Rudolph Engle.

BB — Ch. Skysyl Forrester — Mrs. Henry W. Closson, Holderness, N. Hamp.

BOS — Ch. Kylend's Bold Venture—Rena Martin, Highland Park, Illinois.

BW & WD — Tithok Ike — Mrs. Charles Anderson, Bristol, Conn. (Ike finished his Championship the day before at Ox Ridge)

WB — Cedwood's Katalin — Mr. & Mrs. John B. McManus, Oregon, Wisconsin.

This 5 point win finished the Championship for Cedwood's Katalin, subject to AKC confirmation. She is a 20 month old dark gray bitch, by Ch. Skysyl Cedric ex Ch. Princess Woodsmoke, and bred by Mrs. Anderson.

NOTICE: Did your copy of *Dogs* arrive a little late this month? It was delayed slightly in order to accommodate important Canadian Kennel Club material.
—Ed.

DOGS and PEOPLE

The Morris & Essex Kennel Club will suspend the 1958 show, it was unanimously agreed at a meeting on October 7, writes H. L. Hopper. This action, he stated, was made necessary by conditions over which the members had no control.

° ° °

Nineteen judges from 11 states, Canada and Hawaii will make the awards at the 18th International Dog Show in Chicago, March 29 and 30, 1958. This is a tremendously important show, with the 1957 entry reaching a new peak of 2,547.

Best in Show will be judged by Alva Rosenberg, New York City. Canadian judge Walter H. Reeves of Clarkson, Ont., will judge Samoyeds, Cairns and Irish Terriers. The show is held in the International Amphitheatre, world's largest exhibition building.

° ° °

One of the best publicized shows of the year was The Rittenhouse Square Dog Club, which, according to President Louise McMahon, "exists to pay tribute to all dogs everywhere for millenia of service and devotion to mankind. It also exists to put before the thousands of spectators who attend annually, the variety, beauty and intelligence of purebred dogs".

A feature of the sixth annual show held in Philadelphia September 25, was the Rose Tree Hunt, oldest organized foxhunting club in America. Personnel

Imported March 1957, and shown for the first time in Canada or the United States at Ottawa, Aug. 30, Eng. Ch. Redletter Miss Splinters placed Best in Show, all breeds. Owned by Mrs. Betty Hyslop of Brockville, Ont. she subsequently went BB and 2nd in Group at Watertown, September 14 and BB at Westbury, Long Island September 29.

° ° °

of the Rose Tree wore pink field livery, the pack demonstration concluded with the Huntsman sounding on his horn the five hauntingly beautiful "calls of the Hunt."

Evelyn Monte, nationally known judge of field trials, presented the field trial demonstration which thrills Westminster Show spectators every February. A square dance, with German Shepherds and Shetland Sheepdogs responding to the commands of a professional caller was another bright attraction. Owners of the dogs acted as partners. Country-type costumes were worn by all participants.

° ° °

Heidi, mathematical Dachshund owned by Barbara Phipps of London, Ont., may be the first authentic case of an animal possessing mind-reading ability. Dr. Joseph Rhine of Duke University in North Carolina (a subscriber to *Dogs*) is making extensive extra-sensory perception tests. Following several experiments, Dr. Rhine states he is quite sure the two-year-old Dachshund can read the mind of its 14-year-old owner.

° ° °

Fire destroyed the home of Mr. and Mrs. William Jarrett, Willow Cove, Ont., during the Thanksgiving weekend. No human lives were lost, but several of their finest purebred dogs perished and are believed to have first suffocated.

° ° °

Columnist Margaret Aitken writes of a small mongrel who attached himself to the family of Canada's noted arthritic specialist, Dr. Wallace Graham. The pup's favourite romping area is Upper Canada College, where masters were beginning to find it a chore to return the pup by taxi. Finally one master called and suggested she tell him over the phone to go home. Within 15 minutes he arrived. This worked until a strange woman phoned with the usual message. Mrs. Graham asked to speak to the pup. There was a dead silence, and the woman, obviously shocked, hung up.

The will of the late MacDonald Daly, famous judge and television star, revealed he had left an estate in England and Scotland of $126,000, reports Miss Jean Grant of Richmond Hill, Ont.

° ° °

Note from Phyllis Robson, consultant editor for the English *Dog World*: "Reading the July issue of *Dogs in Canada* – it is such a marvelous magazine I felt I must write you a letter of congratulations. You have done a magnificent job. I loved your front cover." Miss Robson was at one time editor of this magazine.

° ° °

Photographed at the Oakville Show, after winning her sixth Best Puppy in Show, is Ch. Kaukauna's Aldebaran, owned by Mrs. B. England, Crediton, Ont. l. to r.: Mrs. Ron Purdy, Lt. Col. M. H. A. Drury, presenting Ballard trophy, Mrs. Marie B. Meyer, judge.

George Baldwin, 33, Weston, Ont., received a two-month jail sentence for kicking to death a Pekingese. The owner stated she believed Baldwin was annoyed because she joined some other people in a restaurant.

° ° °

Among successful entries at the August 30 Pacific National Exhibition Show in Vancouver, B.C. was the Boston Terrier Long's Brat's Witch III, who was awarded 3rd in Group by Judge H. P. Saunders, shown here. Owner-breeder-handler is Mrs. Cora M. Long, Long's Brat's Kennels, Reg., Olympia, Wash.

° ° °

PULI CLUB OF AMERICA

Submitted by Mrs. John B. McManus

The annual meeting of the Puli Club of America was held at the Roger Smith Hotel, Stamford, Conn. on September 20 with President, Mrs. Rudolph de Wardener presiding. A delicious dinner, arranged for by Miss Lu Grannis, was followed by the business of the evening. New officers were elected, to assume their offices on January 1, 1958, for a term of two years. They are, Mrs. Rena Martin, Highland Park, Ill., President; Miss Lulu Grannis, Stamford, Conn., 1st Vice President; Mrs. Henry Closson, New Hampshire, 2nd Vice President; Mrs. John B. McManus, Oregon, Wisconsin, Secretary; Mrs. Charles Anderson, Bristol, Conn., Treasurer; and Mrs. de Wardener, Chairman of the Board. New Directors are Mr. Clif Woods, Massachusetts; Mrs. Tallulah Roberts, Georgia; Mrs. B. Frackleton, Wisconsin; Mrs. Stewart Reynolds, California; and Mr. Elmer Troyer, State of Oregon.

Bruce, Shipmate's Caboose, C.D., West Highland White Terrier owned and trained by Harry N. Flanagan, Oshawa, Ont., has obtained his C.D. at the age of 14 months. He is shown here with his father, right, Fons of the Rouge, C.D., owned by Mrs. N. Navin, Willowdale, Ont., who also has his C.D. degree.

— photo by McKee

Champions all, shown at the Puli Club of America Specialty. l. to r.: Ch. Ceawood's Anthiny Gray, owner, Ellanor Anderson, handler, Joyce McComiskey; Ch. Skysyl Chieftain, owner-handler, Mary Devlin; Ch. Tithok Ike, owner-handler, Ellanor Anderson; Ch. Kylend's Bold Venture, owner-handler, Rene Martin; Ch. Kylend's Demi-Tasse, owner-handler, Avis Prior Springer; Ch. Skysyl Barna-Szem-Cox, owner, Avis Springer.

First in Group II at the Burlington K.C. Show September 28 was Ch. Beau A Black Bomber, 1½-year-old 14-inch Beagle owned and bred by Allan E. Beaumont, Scarborough, Ont. Judge Mrs. Patrice Fisher is shown on the right, and handler is Mrs. Beaumont.

The morning of September 21 found members of the Puli Club at the grounds of the Ox Ridge Hunt Club for the Annual Specialty Show of the P.C.A. The rain subsided, and the sun appeared just in time for the Puli judging. Mr. Alva Rosenberg found an entry of 29, with two absentees, leaving 27 Pulik for him to judge. This was the largest group of Pulik at one show, in the history of the breed in America. Placements were as shown below photo on this page.

The 5 point win for Tithok Ike was sufficient to complete his Championship, subject to AKC approval. Later that day, the B B dog went on under Mr. Rosenberg to place 4th in the Working Group.

Pulik also scored in Obedience at Ox Ridge, with the capable little bitch, Georgia Putz, owned by Mrs. Rudolph deWardener, placing 3rd in Utility with a score of 197½.

AROUND THE OBEDIENCE RING

by Alan Sharp

635 Lansdowne Avenue, Westmount, Montreal, P.Q.

The following material arrived too late for inclusion in the October issue and is presented as timely background information on the November 10 show of the Southern Michigan Obedience Training Club held in Detroit. This Trial, mentioned in the Memo from the Editor in the October issue, is the club's Eleventh Annual All-Breed Obedience Trial, and is held in conjunction with the Motor City Specialty Clubs Association Show.

Consisting of only 33 members, S.M.O.T.C. graduated over 600 handlers and their dogs during the past school year, thereby laying claim to the title of "The World's Largest" obedience training group.

S.M.O.T.C. instructors teach from experience, since one of the requirements for club membership is a C.D. Degree. The members contribute their time and efforts free for the love of the hobby —teaching others how to train their own dogs. The $10.00 fee for the course of 10 lessons finds its way into scholarships at Michigan State University School of Veterinary Medicine and the Leader Dog School For The Blind located in the hills surrounding Rochester, Michigan. We, at S.M.O.T.C., have a hobby which is fun, is relaxing and contributes substantially to a very worthy cause.

S.M.O.T.C. holds training classes at nine different schools, well located throughout the suburbs of Detroit. To interest and encourage new handlers in the showing of their dogs, the Club selected the three highest scoring dogs from the 21 Spring graduating classes and scheduled an inter-class "Fun" Trial on the spacious estate of member, Rudy Buchmann, who resides on the beautiful shores of Square Lake in nearby Pontiac. Host Rudy officiated at the very lively trial. Judging by the enthusiastic comments, this activity is destined to become a permanent addition to the Club's training program.

All members of the S.M.O.T.C. have recently put their shoulders to the wheel in a vain attempt to match the tremendous efforts of Director Don Carson, who is Show Chairman for the Club's Eleventh Annual All Breed Obedience Trial.

Laura A. Dale of New York City officiates in both the Novice "B" and Open "A" Classes. This very popular judge, whose services have been in demand from Boston to Oklahoma on some 70 odd occasions in the past four years, will long be remembered for her gracious and encouraging words to one young 11-year-old handler who tried to qualify her little Dachsie in open "A" last June in Montreal. Mrs. Dale trained and showed the fabulous Boxer, Mozart Sonatina, who was elected The Obedience Boxer of the Year in a nation-wide poll.

Mr. Gayle Humphrey of Stow, Ohio, has been assigned the task of judging Open "B".

Margaret Megahan, of Williamsport, Pa., will judge both Graduate Novice and Utility. Her regular radio series, "Keep 'Em Barking" has delighted the radio audience around Pennsylvania for several years. Miss Megahan is President of the S.P.C.A. and directs an obedience training class in Williamsport.

Mr. Roland F. Horton, last, but not least, has received the assignment Novice "A". Mr. Horton is claimed as a native son by the City of Oak Lawn, Ill., where he is Chairman of the Training Committee of the Doberman Pinscher Club of America and one of the Founders of the All Breed Dog Training Club of Chicago.

Attraction of the evening: a pre-show appearance of the famous drill Team of the German Shepherd Dog Club of Northern Ohio."

From all accounts we would say that the Southern Michigan Obedience Training Club is truly a going concern. The training and graduating of over 600 handlers and their dogs during a year is a remarkable record which should be made known. We also believe that special mention should be made of the fact that the Club's trainers devote their time free for the love of the hobby, and that the fees for the courses are made available for worthy causes. This is true club spirit and we publicly congratulate all members of "S.M.O.T.C." for the very fine job they are doing.

We wish you ever success with your Trial on November 10, and hope that your entry list will include the names of Canadians who live within a reasonable distance of the great border city of Detroit, Mich.

Coming Shows and Trials

The year 1957 will come to a successful close for all breed and obedience people of the City and District of Montreal next November 28th to December 1st inclusive. The National All-Pets Association are holding three Championship Dog Shows on November 28th, 29th and 30th, 1957. Two Licensed Obedience Trials are also being held on November 30th and December 1st, next. The shows and obedience trials will take place in the spacious Show Mart Building, 1600 Berri Street, Montreal.

The breed judges will be Mrs. M. Eileen McEachren of Todmorden, Ontario, Mr. William Kendrick from Devon, Pa. and Mr. A. Alfred Lepine, Carrollton, Ohio. Judging the obedience trials will be Miss Marion Barry and Miss Lucy Lane, both from Pawtucket, R.I.

These shows and trials proved very popular last year, and it is indicated that a large entry will be judged again this year. Our congratulations go forward to the members of the National All-Pets Association for organizing and running these shows and trials.

° ° °

Your Editor Says:

The thought occurred to us that it would be nice to devote a section of this column to outstanding obedience dogs. Therefore, commencing with any official obedience trial held in November, 1957, and thereafter, we will be only too pleased to tell our readers about any dog who earns the highest score in a trial. In order for us to do this, of course, you will have to send us the information pertaining to such wins. We believe these achievements should be given more publicity than has been the case in the past. We will do everything possible to include all names submitted but of course this will be governed by space allotted by the publishers for this column.

PLAN

Your advertising for the following months. Don't miss issues that are specially prepared to promote your breed.

•

Better still: run a regular contract, even though the space is small. Continuity pays.

•

Send for special breed and show rates if you don't have them on hand. Circulation is up, but rates remain the same.

NEW CLUB BREAKS RECORDS

THE show held by the Burlington & District Kennel Club in the Arena at Burlington on September 28 established new records for other Clubs to shoot at. Although the Club was just an infant of seven months the show was a "howling" success.

As a limit of 450 dogs had been published, the entry closed with the mail of that number which brought the entry to 459 dogs, a new record for Canada for a one-day show, in 1957. Other records were broken in the entry of 27 Dachshunds, 11 Coonhounds and 19 Beagles helping to bring the entry for the Hound Group to a new high of 79 dogs for Mrs. Pat Fisher to judge. The Boxer entry of 38, along with the Samoyed entry of 25, swelled the working dog entry to 139.

Best in Show was awarded to Can. and Am. Ch. Tailteann's Jim's Show Off, owned and handled by Mrs. M. Eileen McEachren. Left, Judge John Paton. Presenting Master Trophy for Best Can. Bred in Show is "Sandy" Best, M.P. for Halton County. Right, N. T. Smith, donor, presenting Pine Cove Trophy for Best in Show.

The Arena was tastefully decorated for the harvest season with a profusion of colored leaves, corn stalks and sheaves of grain. Among the highlights of the decorations was a hand painted mural depicting a northern scene which was the background for the eight Siberian Huskies benched. The many articles of apparel made from the Samoyed hair earned the trophy for the best decorated bench for Mrs. Betty Dickson, Dorchester, Ont.

The show got under way when Deputy-Reeve Hewat, representing the Town Council, officially opened the show welcoming all to Burlington. The some 700 paid attendance kept the aisles well filled throughout the day causing the show to hit the highlights of the news on television in the evening.

Mrs. Mary Southcott, Chairman Obedience Council to C.K.C., presents award for highest score in Obedience Trial to Princess Cecelia Ebony, black Cocker owned and handled by Edgar Wallace, Canton, Ohio.

Closing ceremonies were the presentation of the "Pine Cove Trophy" presented by the donor, Mr. N. T. Smith, to the Best in Show, Can. & Am. Ch. Tailteann's Jim's Show Off, owned by Mrs. M. Eileen McEachren and the Master Trophy presented by Mr. "Sandy" Best, M.P., for Canadian Bred to the same dog. Both of these were judged by Mr. John Paton, Claremont. The Dr. Ballard Trophy for Best Canadian Bred Puppy was presented by Deputy-Reeve Eric Gudgeon, representing the Township of Nelson, to Grindales Platinum Doll, owned by Mr. P. J. McGrinder, Hamilton. Mrs. Mary Southcott, chairman of the Obedience Council for the Canadian Kennel Club, presented the Trophy for the highest score in the Obedience Trial to Princess Cecelia Ebony, a Black Cocker owned by Mr. Edgar Wallace, Canton, Ohio.

One of the highlights of the Show was the parade of Champions when 32 Champions paraded individually onto a grass- covered rostrum to receive

Exceptionally fine Shepherds, unusually good sportsmanship made it a great show

Winner of the highest award (Best of Breed) fell to Am. Ch. Helge aus der Bodenseeheimat, owned by Wilva Don Kennels, Farmer City, Ill. Shown here with handler-owner, Mrs. George Collins and Judge Curt Allstadt, as Mrs. Eileen McEachren, President of the CKC, makes the presentation.

THE GERMAN SHEPHERD DOG CLUB OF CANADA SPECIALTY SHOW

by Mary E. Southcott

THE 35th Annual Specialty Show held in the Canadian National Exhibition Park, Toronto, September 21, was a great success. We had a record entry of 112 Shepherds, the overall quality of which was much better than average. Good sportsmanship and a spirit of friendly competition was most evident throughout the show. The decoration committee, headed by Mrs. Nellie Corser, did an excellent job of making things bright and attractive, and a unique "winners ring" was the large raised platform for the presentation of prizes. The excellent job of stewarding was done by Glen Stevens, Randel Perry and Doug Sheppard. A popular innovation in this year's show was our two cigaret girls, Karen Sheppard and her friend Jeanette, chic in short white skirts and club-crested blue sweaters.

It was a pleasure to welcome many of our friends from across the border, and particularly Mr. Martin C. Amidon, Secretary of the German Shepherd Dog Club of Hawaii and his charming wife who motored to Toronto especially to attend this Specialty.

Our judge, Mr. Curt Allstadt, had a long rigorous day of hard work, and with the high quality of Shepherds, it was no simple task to make the first four placings and to choose the top winners. Every dog was carefully gone over and individual critiques made, which are available to owners by writing him at P.O. Box 513, Northport, L.I., N.Y.

It was interesting to note that the four top Canadian awards (Best Canadian Bred, Best of Opposite Sex to Best Canadian Bred, Best Canadian Bred Puppy and Best of Opposite Sex to BCBP) were all won by breeder-owners. And for the first time in many years the Grand Victor

Trophy for Best Opposite Sex remains in Canada, having been won by Can. Ch. Ere v.d. Auwallenburg, owned by Harry Watson of Stoney Creek, Ont.

Best of Opposite Sex (runner-up to top dog) was Ch. Ere v.d. Auwallenburg, shown with owner-handler, H. J. Watson, Stoney Creek, Ont., and Mr. Allstadt. Kaye Peer, editor of "Dogs" presents trophy.

Congratulations are in order to Mr. and Mrs. George Collins of Farmer City, Ill., who for the second time, with two different females, drove home from our Specialty with the Grand Victrix Trophy. This year their lovely Am. Ch. Helge aus der Bodenseeheimat was awarded Best of Breed. Their Arko vom Hohenstamm took Reserve Winners Male.

Best Canadian Bred award was captured by Ch. Yola of Liese-Max, owned by George and Betty Grant, Weston, Ont. Shown with owner-handler Grant is another German Shepherd breeder, Sam Back, of Toronto.

Winners Male was awarded to Troll vom Richterback, the 1956 Grand Victor of Holland. Reserve winners Female went to Am. Ch. Alice von der Guten Fee.

Other results may be seen in a forthcoming issue of *Dogs*.

New Club Breaks Record

(*Continued from page 21*)

a rosette from the President of the Canadian Kennel Club, Mrs. M. Eileen McEachren, while particulars were given over the microphone by Mr. R. T. Lawrence.

All Judges agreed that the large entry brought forward a high quality of dogs making their placings very difficult. It is most interesting to note that all but two of the major awards went to Canadian bred Dogs, although there were many American entries.

Group 1 (Sporting Dogs) — English Setter, Can. & Am. Ch. Skidby's Sturdy Tyke; owner Mr. & Mrs. E. J. Steacy, Kingston, Ont.

Group 2 (Hounds) — Beagle, Beau A Black Bomber; owner Mr. Allen E. Beaumont, Scarboro, Ont.

Group 3 (Working Dogs) — Collie (Rough), Ch. Parader's Quarrybrae Select; owner Laura & George Getty, Willowdale, Ont.

Group 4 (Terriers) — Kerry Blue Terrier, Can. & Am. Ch. Tailteann's Jim's Show Off; owner Mrs. M. Eileen McEachren, Todmorden, Ont.

Group 5 (Toy) — Pekingese, Ch. Bimbo Peek-at-me; owner Mr. & Mrs. Louis J. Parent, Oldcastle, Ont.

Group 6 (Non-Sporting) — Poodle (Miniature), Can. & Am. Ch. Rothara the Cavalier; owner Mr. & Mrs. Balcerzak, Farmington, Mich.

MOSTLY MISCHIEF

Prince, resident of Lakewood, Calif., limped home, walked into the living room to his favorite spot by the window. There he lay down, rolled over and went to sleep, which would not have been newsworthy except that Prince had been gone for two years. A veterinarian who examined him said he appeared to have walked hundreds of miles.

A little dog wandered out on the ice, felt it cracking under him, got scared and just sat. Nothing would induce him to move. Finally it became necessary for police and firemen to chop a hole in the ice, launch a boat and hack a path through the ice to make the rescue.

In Huntington, West Virginia, a mother dog named Fuzzy, grieving over the loss of her puppy, joined a circus to nurse a newborn lion. In Dalton, Ga., a hound awaiting the birth of her pups adopted two-week-old baby chicks. The mystery, however, was where she found them. No one in the area had young chicks and the owners can only presume she must have carried them for a long distance.

Report From Australia

by Mrs. R. Dafoe

Here is a first-hand report on dogs and shows in Australia as seen by Irish Setter breeder, Doris Dafoe of Burlington, Ont.

•

IN Australia there is no national kennel club to govern; each state has its own governing body. This means you may have a champion in New South Wales, but it is necessary to campaign the animal again in the other states. At the present time the Royal Agricultural Society Kennel Club is the governing body in N.S.W. They are trying to get things set up on a sound basis. The main cause of dissention seems to be that the governing body of the R.A.S.K.C. has a control over the appointment of its officers and the members seem to feel it should be an open election. The big problem, as I see it, is trying to get all the states together under one national club. The Society would seem to be the likely group as they are similar to our Department of National Livestock Records.

There are many more classes than we have, and even show animals of three months of age, including litter classes in which a whole litter is brought into the ring. The governing body is trying to dissolve a number of these classes. No class for Specials, so champions are entered in Open classes, which makes securing a championship quite difficult. You require 100 points for a championship, which is not as difficult as it sounds. I have seen an animal take 20 points at one show.

The dog people here are very keen to know all about the C.K.C. and our

Canadian dog shows. Almost all their shows are unbenched. Sashes are presented instead of ribbons. They are constantly on the lookout for new ideas.

The R.A.S. has its own show grounds in Sydney, and here the dog show rings are really to their credit. The rings are covered with finely cut lawn and have a cement inset for gaiting. Each ring is fenced off with chain link fencing. You enter by one gate and leave by another. The Royal Easter Show is one of the highlights of the season, with judging spread over a week. All judging stops for tea morning and afternoon.

The entry this year at the Royal Easter Show was 2,310. Among the larger entries: English Cockers, 231; German Shepherds and Collies 143 each; Pekingese, 132; Welsh Corgies, 119; Dachshunds (standard) 106; Smooth Fox Terriers, 106; Australian Silky Terriers, 77; Australian Terriers, 71; Bulldogs, 70; Labradors, 81; Poodles, 42; Pugs, 66; Scottish Terriers, 60; English Setters, 20; Irish Setters, 39; Whippets, 27. In all, 67 breeds were represented.

Most of the imported animals in Australia come from the British Isles. It is difficult to import from North America in that animals would have to go to England or New Zealand and endure a quarantine period, then another in Australia. The German Shepherd breeders long for some new blood but can do nothing about it. Evidently years ago some German Shepherds bred with the Dingos, and the result was an animal that preyed on the sheep. Because the wool industry is so important in Australia the regulations were set out and still prevail.

In general the animals lack ring training, and in a lot of cases the animals are not in A1 condition. This is not a purely personal opinion, as numerous Australians have admitted this lack. They have some extremely good English Cockers here. Their terriers are also above average. Labradors seem to carry much more weight than in Canada. There are also some good Irish Setters.

CLUB NOTES

Aurora District & Kennel Club, Inc.
by Mrs. T. S. Adams

The club held its September meeting at the home of Mr. and Mrs. J. Sullivan, Gormley with a very good attendance. Judges' names were put forth for the 1958 show and the Secretary was instructed to write to them regarding availability, fees, etc.

Mrs. Sullivan served a most delicious lunch after the meeting.

At the October 3 meeting, at the home of Mr. and Mrs. Hill, Newmarket, attendance was down due to illness of quite a number of the members, including myself. Mrs. Sullivan has informed me that plans for the 1958 show are well underway, and that three new members were welcomed into the Club.

The date for the Annual General Meeting will be December 5 and will be held at the Ridge Inn, Oak Ridges. It is hoped that there will be a good turnout for this important meeting.

The Club thanks Mr. and Mrs. Hill for the use of their home for the October meeting and the tasty luncheon served.

Barrie Kennel Club
by Harold Butler

The monthly meeting was held September 12 in the Community House. Mrs. E. Obrien-Saint, chairman of the social committee, offered her home at a later date for a bingo and social gathering of the club. Mrs. Albert Kaye also offered their home for a euchre and Chinese auction.

The bench show committee reported the judges picked for the May 17, 1958 show. All members present were in favor of the choice. Much discussion was given to new ideas for our show and trophy list.

The October meeting was held on the 12th at the home of vice-president and Mrs. A. H. Fell with an unusually good turnout of the members. After considerable time and discussion many points of controversy were thrashed out for the 1958 show.

Mr. and Mrs. Bruce Brown were voted in as new members of the club and will be welcomed at the next monthly meeting to be held at the home of president and Mrs. Albert Kaye, Langstaff. The meeting closed with coffee and a beautiful lunch donated by the members.

The Burlington and District Kennel Club
by Dr. W. H. Vivian

Our first show is over and we all feel very proud of its great success. The committee is most anxious to hear from any-

mother of two lovely champions from her first litter. Her daughter, NewDots Collarett, one of "Canada's top winning females", won her championship at 10 months of age. Her litter brother NewDots Doctor Bert, won his championship at 1 yr. Regal Tan is nursing her 2nd litter of 5 males and 2 females, a repeat breeding to Ch. Hot Spell.

MRS. DOROTHY M. NEWMAN
19 Hendon Ave. Willowdale, Ont.

one who attended, in the hopes that their comments will help our very young club to give as good a show next year.

Our Show committee, though tired, is not idle and we are deep in preparations for a matinee Sanction Show on November 16. The Show Committee for next year's show is already chosen and working hard. They have received at this early date a request from one club for a specialty show next year.

We would like at this time to extend our admiration and thanks to our President, Mrs. Phyllis Smith, whose never failing helpfulness and patience with a group of new breeders was the prime reason for the success and smooth running of our show.

Our meetings are held in Nelson Township Hall on Highway #5 on the First Thursday of each month. We again remind readers that our meetings are open to all (excepting the annual meeting in December). We are always happy to welcome guests.

We are very pleased to be hosts to the Ontario Obedience Association for their Annual meeting on November 21.

Calgary Kennel and Obedience Club

The club has had a quiet summer, after two very successful spring shows. While speaking of the shows the club wishes to thank Mr. Vic Grainger for his fine demonstration of field work with the two labrador retrievers, Rufus of Grainger, handled by Ruth Lowe, and Rangewise Trixie handled by Ace Charters. Both these dogs were entered in the breed show, and it was a real education to see them handle for field work. Vic gave a splendid commentary of the different retrieves, and the audience was loud in its appreciation.

A picnic and Obedience match was held at the Ghost River Ranch in early September, just at the right time to have the full beauty of the autumn leaves. Bob Ings very kindly officiated as judge in the obedience, top scoring dog being the Welsh Corgi, Macksons Chit-Chat.

A summer obedience school was held during July and August, with graduating exercises for the 38 pupils being held August 29. Mrs. Gardener, with her cocker spaniel Goldie, won the club trophy for top dog. A fall school has been started, and several very full classes are held each week.

October 13, a licensed Obedience Trial is being held, with Dr. C. J. G. MacKenzie as judge.

Canadian West Highland White Terrier Club

by Mrs. T. S. Adams

The meeting to be held on September 22 was postponed until September 29 due to an All-Terrier Puppy Match held at the home of Mrs. Eileen McEachren, Todmorden, Ont. This Match was sponsored by the Kerry Blue Club, so there were quite a number of Kerry puppies present. It was disappointing to see no Westie puppies present, but this is a bad time of the year to present one in decent coat and I hope the Kerry Blue Club will forgive us for not being able to support their show.

At the meeting of our Club held at the home of Mr. and Mrs. Daniell-Jenkins, final plans for the Sanction Show to be held October 28 at the Veterans Hall, College and Crawford Sts. were discussed and we hope to have a bigger and better show this year.

The president, Mrs. J. Neill Malcolm, suggested that the Club sponsor some Booster Shows this coming year, perhaps at different sections of the country where other breeders could participate, who were unable to attend Toronto Specialty or Booster shows due to the distance. No definite place or date has been set yet for a spring Booster show in this area. Plans for a Specialty Show were postponed for the present. Mr. MacCallum, Treasurer, reported the Club in good financial standing.

It was nice to see Mary Daniell-Jenkins at the meeting. She is now attending the Ontario Veterinary College at Guelph and we all wish her every success.

We were all very sorry to hear of the death of Ch. Shiningcliff Simon, bred and owned by Mrs. Finch in England. He achieved Westie fame by being best Terrier at Crufts and Best in Show shortly thereafter at the S.K.C. champion show. I think the only Westie to claim this distinction. He was born in 1945. I understand his dam, who bred some outstanding Westies, also died within a short time after Simon's death. She was his constant companion. Our heartfelt sympathies go out to Mrs. Finch. He was a great dog and sired some outstanding ones.

My husband and myself had the great pleasure of taking another B.I.S. this year, making it our fourth. This time it was with Ch. Cruben Rhoda, daughter of Eng. and Am. Ch. Cruben Moray and Cruben Cutie, at the Ontario County Kennel Club, All-Breed Show, Whitby, Ont. on September 7.

The Dachshund Club of Canada

by Ernie Lindsay

Our regular monthly meeting was held at the home of Mr. and Mrs. Katzenmier's Brownsville, Ont. with a good attendance and nice weather. We had our welcome mat out at this meeting for 10 new members.

Business on the agenda was mostly the planning and discussing and appointing Committees for our 1958 Specialty and our first Futurity Puppy Match. Keen interest was shown in regards to the Futurity; dates and judges will be announced at a later show.

Our Booster Show at Burlington on September 28 was a real turnout of Dachsies (32 entries) and what an All Breed show it was with 80 in the Hound Group alone.

Our Braggards Kitty benefited from the members wins in the month of September; but sorry that some of the winners were not present to Brag of their wins. Mr. Bodemer had a 5 pt. win at Burlington with his female and she finished her championship at London in 3 consecutive shows. Miss Anne Fach had a 4 pt. win with her newly purchased male at Oakville and Lindsay's won the Veterans Class and also Best Brace at Booster Show. Sorry that Mrs. Fisher, Mrs. Turner and the Lagamodieres were not present to Brag of their nice wins also.

The Dominion Collie and Shetland Sheepdog Association

by Mrs. Joan Souch

September 21 arrived and with it rain —rain—and more rain. Everything but our spirits were dampened, and our first puppy match began. The setting for our match was the spacious front lawn of Mr. and Mrs. R. D. Smuck's home.

The judges assigned for the day were: Mr. Wm. Schwinger, Ebinezer Buffalo, New York. Shelties and Best in the Show. Mr. Mike Schenecker, Alden, New York, Collies. Even in the bad weather we had from 150 to 200 spectators present. Among this group we were glad

to see Mrs. Wm. Powell of Bonacres Fame, Mr. and Mrs. C. M. Stevens of Toronto. We were also glad to see the Major and Mrs. Brimstin of Sunbriar Kennels. Alva McColl arrived and many thanks to Alva for helping with ring stewarding.

We had an entry of 52 collies and shelties and were so glad to see some of our American friends had come over the border to enter in our match. Miss Lottie Johnson (Piper Glen Kennels) brought two 7-week-old collie pups and they walked on leashes like little veterans.

The Best Collie in the Show was an American owned and bred dog, "Tammy," owned by Dorothy Stimus of Hilton, N.Y.

Best Sheltie in the Show was a Canadian owned and bred female, "Tinkerbelle," owned by Mr. and Mrs. R. Kress of Lisowel, Ont. Tinker was not satisfied with this honour and went on to take Best in Show.

When the classes were completed we had handling class. Mr. M. E. Whiteside was chosen to pick "Best Girl" handler and he had a very good class to pick from.

Mrs. Joan Souch was chosen to pick the "Best Boy" handler and in her class had the youngster of Mr. and Mrs. Reg Scott. This young fellow had fallen out of a tree the day before and broken his arm—a real trooper—he still showed his puppy.

Mary Hart judged the "Men" handlers and everyone seemed to be having fun even though it chose to start raining again.

Mr. C. M. Stevens judged the "Womens" handlers and he had a large class to judge.

Mr. and Mrs. Smuck opened the doors of their lovely home and we all went in and had a salad plate supper. The food was prepared by the women members of the club, with Mrs. J. Hewson doing the final arrangements.

English Springer Spaniel Club of Canada

by Lilah S. Lymburner

The running of the 1957 Field Trials for Spaniels held at Port Colborne again this year proved to be a magnificent spectacle of dogs working in the field and something of an achievement in the manner of operation during the day. With 18 entries in the Open All Age Stake, as well as a nice number of entries in the lesser stakes, the committee felt that everything should be planned to go along with despatch if all the dogs were to be run on that day. To the credit of the handlers as well as those running the trials, the stakes were all run before 5 o'clock in the afternoon, after which the water tests took place for the dogs placing in the Open Stake.

While the new rules do allow pigeons to be used, this Club has maintained that so long as costs do not become more prohibitive than presently, pheasants will be used. Good birds were used throughout and it may be said to the credit of the gunners, William B. Elliott, Hugh Arbuthnot and Dr. Richard Mile that not a single bird was missed in the Open Stake—one of the reasons that no time was wasted during the stake and certainly cause for satisfaction on the part of handlers. It is certain that poor marksmanship can ruin a dog's chances at placing in this stake and just as sure that top shooting makes for good going.

Another of the new rules allows for all three of the spaniels to be run in the Open Stake. Here there were several English Cockers along with the Springers but no American Cockers were entered in any stake. Since both the judges, Don R. Whitton of Buffalo, N.Y. and Henry

P. Nicholson, have had intimate experience with all three of the breeds between them, the mixed stake could hold no problems and it was quite apparent that everyone was pleased with the final decisions made. An imported Springer, Rothey Wuskie owned by Dean Bedford of Fallston, Maryland won the stake with Mr. and Mrs. Herbert S. Routley's Breckonhill Bluebell, also an import, placing second. The third place dog was owned by Howard Masnard of Walled Lake, Mich., Princess Pat of Huntersfield. It was a pleasure to have the dean of American field trial enthusiasts again at the trials along with the Canadian enthusiast, Andrew Dunn of Port Credit, who has been one of the guiding spirits behind the success of the spaniel trials held by this club since their inception. It is interesting to note that Ludlovian Duskie, handled by Mr. Dunn at the trials, is the sire of the dog which won the open stake this year.

Bruce's Admiral Waggs Jr., owned by Mrs. Marion Urwin of Copper Cliff, won both the Puppy and Novice stakes. Mrs. Urwin, who is also interested in training dogs for obedience, was the only woman handling a dog in the trials, though Mrs. Herbert S. Routley of Peterborough, it is known, has much to do with the training of the dogs which are being run by her and her husband. Only once before in the history of the Trials (13 years) has a woman handled a dog. Mrs. Ernest Kuntz of Low, Quebec, a number of years ago handled her dog Amber Bright to win the Gun Dog Stake. Placing in the Puppy Stake were George Tabner's Cullin's Arrowhead and R. V. Keppner's Bruce's Lille Lady; this dog was also second in the Novice Stake.

The Gun Dog Stake, which is always exciting since owners shoot over their own dogs, was won by Bob Blyth's Dunoon Sherry; placing second was Mr. Routley's Breckonhill Brightest and third was an English Cocker, Meadowcourt Portia, owned by Dean Bedford.

The dinner following the trials was held at the century-old Rathfon Inn. The carriage house, which has been made into a banquet room, made an ideal spot for the 65 guests. Robert J. Walgate, chairman of the committee, presided in the absence of the president, Morley E. Fisher of Toronto. Presentations of certificates and trophies were made by Mr. Walgate and the club secretary, Lilah S. Lymburner, and the judges spoke briefly on the work they had noted during the day, all of which was outstanding and both complimented the gunners for their remarkable work.

For the past several years Dr. Richard Milo along with Mrs. Milo, has made a movie of the trials and again this year at the dinner the film of the 1956 trials was shown. It probably is something of a surprise for handlers to see themselves in action but altogether it makes for a very pleasant experience to be able to review the happenings of the previous year in the field.

The day was a pleasant experience with marvellous weather, excellent dogs working to the command of both amateur and professional handlers in the manner spaniels truly can work if given an opportunity, and above all the good sportsmanship which has always permeated the trials sponsored by the Club. It was a delight to welcome back old friends and a privilege to welcome new friends who entered the trials here for the first time, and quoting the chairman of the committee, "we hope to continue these fine friendships for years to come."

Forest City Kennel Club
by Sam H. Taylor

The annual meeting of the club was held in the club rooms. The financial statement was read by the auditors and approved by the members. The following officers for the year were elected: president, Mr. Ed. Summerfield; 1st vice pres., Mr. Ted Smith; 2nd vice pres., Mr. R. C. Chatfield; secretary, Sam H. Taylor; treasurer, Miss M. Schreiber; show superintendant, Mr. J. Chatfield; directors, J. C. Chatfield, D. Squires, Mrs. A. Atkinson, Mrs. Rita Smith; auditors, Capt. F. D. Millar and Ted Smith; social convenor, Mrs. H. G. Schreiber.

Mrs. Lydia Taylor was elected chairman of the Ladies Auxiliary to raise money for the trophies for the coming Spring show.

Debate was held on how to keep expenses of the show at a low. The costs of shows and restrictions are forcing clubs out of the show business. Meeting closed with lunch being served by the ladies of the club.

CARA MIA KENNELS REGISTERED

Where QUALITY counts

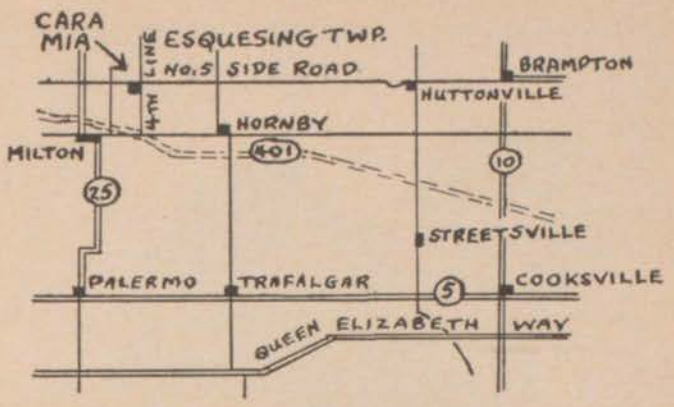

Distinctive German Shepherds (no white ones) and perky little Cairn Terriers.

Sound, healthy puppies. Stud service.

Select boarding accommodation for dogs owned by particular people who "care".

SPECIAL ANNOUNCEMENT: We are happy to announce that we have moved to a beautiful new location where a comfortable, modern kennel has been constructed. An invitation is extended to those interested in a good German Shepherd or Cairn Terrier to call in and see us and our canine family.

Fredericton Kennel Club

by Mrs. Janet B. Glenn

Our meeting was held on September 12 in St. Anne's Hall, presided over by Bob Little. Although we have just closed the doors on our two '57 shows and obedience trials, thoughts are already straying to 1958. We are now amply equipped to accommodate over 200 dogs with ease and comfort.

Congratulations to Chas. Rowan on his black Labrador, Ch. Lisnamallard Limelight. Only 19 months, he has already chalked up two B.I.S. wins.

Five members are to be congratulated on finishing six dogs and will be awarded special trophies donated by the club.

At our first two Obedience Trials a Borzoi, Ch. Kuban Kuzma, owned by Mrs. Vic Martinson, won his C.D. and also the Kilburn King Trophy awarded for the highest aggregate score obtained by a Maritime dog. Rippingdale of Tichou, black Labrador, won the C.W. Ritchie trophy for the highest score in Novice A.

German Shepherd Dog Breeders Assoc. Inc.

by Denis King

August and September have been months of outside activities for the Club, including two very successful matinee shows. One held in August was at the home of Mr. and Mrs. Ed Wilson, Bronte. Mr. Harry Watson kindly consented to do the judging. Mr. Schmocker was chosen as having the best male and Mr. and Mrs. Bob Walker the best female.

On September 29 a highly successful matinee show was held at the home of Mr. and Mrs. George Gerigs at Pickering. With perfect weather, 47 entries and Mrs. Doris Wilson judging all enjoyed a grand afternoon. Our hearty thanks to all who worked so hard to make this such a success. Mrs. Wilson chose Toni and Maria Kleinjohann's Kopje's Princess Toni as Best of Breed. Since she was a puppy she made a clean sweep. Best of Opposite Sex also went to a puppy bred by Mr. and Mrs. Syd Wintour. After the judging all the company joined in a corn roast and sing-song winding up a wonderful afternoon and evening. It was a pleasure to see such a turnout including several members from the German Shepherd Dog Club of Canada.

Congratulations to Mr. and Mrs. Syd Wintour on placing 3rd and 4th in the Canadian Bred Dogs at the German Shepherd Dog Club of Canada's Specialty Show with Sabu of Sun Valley Acres and Beau Gal's Duke. Also to Doug Scott; Arras of Schaumberg, bred by him, placed in Novice Dogs.

Late news! Kopje's Rhonda, bred by your correspondent and owned by Adam Awik, went Reserve Winner's Bitch at the German Shepherd Dog Club of Western Ontario Specialty Show; also Winner's Bitch, Best Opposite Sex and Best Canadian Bred at the London Canine Assoc. Championship Show. Kopje's Princess Toni went Best Canadian Bred Puppy and Reserve Winner's Bitch respectively at the same two shows.

MEETING OF THE BOARD OF DIRECTORS

SEPTEMBER 4th-5th-6th, 1957

(First Session)

3740. A special meeting (called by the President as authorized in Item No. 3719 of the minutes of the meeting of the Board held on April 23, 1957) of the Board of Directors of The Canadian Kennel Club was held in the Club's offices, 667 Yonge Street, Toronto, Ontario, commencing at 10:00 A.M. on Wednesday, September 4, 1957, with the President, Mrs. M. E. McEachren, in the Chair and the following members of the Board present: Walter Brown, V. W. Williams, Miss I. Brooks, Mrs. J. Gove, J. A. H. Irving, R. B. Laskey, J. W. MacCallum, W. H. MacKendrick, W. J. Monaghan, and Mrs. M. E. Southcott.

The President reported that when preparing the agenda of this meeting the Secretary had done so in accordance with the provisions of Article XVII of the By-laws, however an alternative agenda had been prepared with a view to consolidating related matters under appropriate headings, and sought the Board's wishes with regard to order of business at this meeting.

It was regularly moved by Mr. Monaghan, seconded by Mr. MacKendrick:

"THAT, the agenda follow the listing of business under main headings with opportunity to make necessary amendments as the meeting proceeds."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

The President read a letter from Mrs. A. M. Campbell, Amherstburg, Ont. who reported on her difficulties with licensing authorities, and stated that she would keep the President posted on further developments.

3742 (3734). MINUTES

The President reported that the Secretary had raised the question as to whether the Board would consider it both practical and desirable for the minutes of this meeting to be prepared as the meeting progresses.

It was regularly moved by Mr. Irving, seconded by Mrs. Gove:

"THAT, this be left in the Secretary's hands re preparation of minutes."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

——Dr. H. L. Watson entered the meeting.

SECRETARY'S NOTE:

Item #3697 is published here in its entirety in order that the following paragraphs may be more readily understood.

3697 (3673). STAFF

After a discussion on the question of the salary of the Secretary-Treasurer, it was regularly moved by Mr. Irving, seconded by Mr. MacKillop:

"THAT, the salary of the Secretary-Treasurer be $7500.00 per annum retroactive to January 1st, 1957."

FOR THE MOTION: Miss Brooks, Mrs. Gove, Mr. Laskey, Mr. Irving, Mrs. Mack, Mr. MacKendrick, Mr. MacKillop, and Dr. Watson.

Motion carried.

It was agreed that for the records the four members of the Board not present would be asked to record a vote on this question.

The question of key man insurance having been raised during the discussion on the salary of the Secretary-Treasurer, it was agreed that information be sought and communicated to the entire Board for its consideration.

The President reported with regard to Item No. 3697 of the minutes of the last annual meeting of the Board, that believing that this matter might have been dealt with prior to this meeting she had arranged for the members of the Board to be polled on certain questions.

Mr. Monaghan expressed the view that the results of the poll should not be reported at this stage since that to do so might prejudice the voting on a motion to rescind of which he had given notice at the April meeting of the Board.

The President suggested that the Board decide on the corrections to be made in Item No. 3697, adopt that minute as corrected at this meeting, and then deal with any motion to rescind.

It was regularly moved by Mrs. Gove, seconded by Mrs. Southcott:

"THAT, the motion in Item No. 3697 of the minutes of the meeting of the Board held on February 16, 18 and 19, 1957, presently reading as follows:

"THAT, the salary of the Secretary-Treasurer be $7500.00 per annum retroactive to January 1st, 1957."

be corrected to read as follows:

"THAT, the Secretary be paid a salary of $7500.00 per annum effective from January 1, 1957.";

that Mr. MacKendrick be shown as having seconded the motion, and Mr. Monaghan be recorded as having voted against the motion; and Item No. 3697, as thus corrected, be adopted."

In speaking to the motion Mr. Brown stated that he felt the only and proper place for this subject to have been taken up at the annual meeting of the Board was when the Board dealt with the salaries of the remaining members of the staff, and he was not satisfied as to the legality of the motion set out in Item No. 3697 either as originally recorded in the minutes or as now corrected by the foregoing motion.

Mrs. Gove expressed the view that such an important subject should have been dealt with by the Board when all members of the Board were present, and stated that she had questioned the accuracy of the minute as shown in Item No. 3697 believing that it was understood that all members of the Board would be polled on the question of increasing the salary of the Secretary-Treasurer.

Mr. Irving stated that the motion had been moved and seconded at the meeting and had been voted upon, and it was suggested that the four absent members of the Board be given an opportunity of recording a vote in order that there may be a complete record of voting on the question.

The foregoing motion (No. 5) was put to a vote with the following results:

FOR THE MOTION: Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacKendrick, Mrs. Southcott, and Dr. Watson.

AGAINST THE MOTION: Mr. Brown, Mr. Williams, Mr. MacCallum, and Mr. Monaghan.

Motion carried.

It was then regularly moved by Mr. Monaghan:

"THAT, the motion in Item No. 3697, as corrected, reading:

"THAT, the Secretary be paid a salary of $7,500.00 per annum effective from January 1, 1957."

be rescinded."

This motion failed for want of a seconder.

The Secretary referred to earlier remarks regarding the non-publication of Item No. 3697, and reported that arrangements had been made for the publication of that item, however when the correctness of the minute set out in Item No. 3697 had been questioned he had consulted the Vice-President (in the absence of the President) and had been authorized to delete that item until all aspects of it had been clarified by the Board.

Dr. Watson enquired of the Chair whether this is a legal meeting of the Board and the President stated that it is.

The President reported that all members of the Board had been provided with a draft copy of the minutes of the meeting of the Board held on April 23, 1957, and a committee had reviewed all suggested corrections in the minutes of that meeting, and by letter dated June 6th the Secretary had advised members of the Board of the corrections authorized by the committee.

It was regularly moved by Mr. MacKendrick, seconded by Miss Brooks:

"THAT, the minutes of the meeting of the Board held on April 23, 1957, with corrections reported in the Secretary's letter to the Board of June 6th, 1957, be adopted as thus corrected."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The President reported that all members of the Board had been provided with a draft copy of the minutes of the meeting of the Board held on August 8, 1957, and no member of the Board had suggested any corrections in the minutes as prepared by the Secretary.

Mr. Monaghan suggested and it was agreed that Item No. 3737 be corrected by the insertion of the date of the President's message to the Board. (Secretary's note: The message was dated August 1st).

It was regularly moved by Mr. MacKendrick, seconded by Miss Brooks:

"THAT, the minutes of the meeting of the Board held on August 8, 1957, as corrected in Item No. 3737, be adopted."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The President referred to her earlier suggestion regarding the preparation of an alternative agenda under main headings in order that related matters could be dealt with at the same time, and enquired of the Board's wishes with regard to its remaining meetings this year.

It was agreed that such an agenda would be prepared and used at the remaining meetings of this Board.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Gove:

"THAT, a committee composed of the President, Vice-President, and one Director be and are hereby authorized to finalize any suggested corrections in the minutes of this meeting."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

It was agreed that the President would name the Director to serve on this committee.

3742A (3738). COMPLAINTS & PROTESTS

The President stated that all members of the Board had been provided with a copy of the report of the Complaints Committee dated August 6th, indicated that the Committee would present a further report arising out of its meeting on August 28th, and said: "I should like to compliment the hard-working personnel of this committee. I know that Mr. Walter Brown and Mr. MacKendrick have spent a great deal of time reviewing complaint files. I can think of no more taxing and unrewarding job than to deal with files of this nature. It must, however, give the committee a great deal of satisfaction in knowing that it has been instrumental in obtaining the successful and satisfactory resolution of many complaints regarding non-delivery of certificates. I am sure that all the members of the Board share my appreciation of their untiring efforts."

The Secretary submitted the following statistical report:*

FILES CLOSED

Registration certificates delivered	64
Registration certs. delivered via Registration Committee	8
Ruled not within our jurisdiction	13
Ruled not properly submitted complaints	3
Complaint otherwise satisfactorily settled	1
Ruling given subject to Board consideration if necessary	1
Left for purchasers to take other action	2
Complaints withdrawn	3
Closed — complaints failed to provide required inform.	7
Reported to Board on August 8th and now closed	6

FILES NOT YET COMPLETE:

Taken up with American Kennel Club	1
In hands of Secretary and Committee for later report	21

FILES BEING REPORTED AT THIS MEETING:

Registration complaints referred to solicitor	13
Files on which the Committee recommends closure and refer complainants to their respective solicitors	14
Files recommended be closed out as in sufficient information provided or complainant has failed to advise whether certificate has been provided	7
Files (registration) being held in abeyance as satisfactory progress is indicated	11
Miscellaneous files being reported to this meeting	18

TOTAL CLOSED—108 TOTAL OPEN—83

The Board proceeded to consider the report of the Complaints Committee arising out of a meeting of the Committee held on August 28th, the first section of the Committee's report reading as follows:

"Recommendation of the Complaints Committee: That a series of articles be published in "Dogs in Canada" with a view to educating the members on their obligations with regard to supplying certificates, of the illegality of selling a dog at a stated price with so much extra for registration papers, of the illegality of submiting an application to the Canadian National Live Stock Records showing that a dog has been tattoo marked with certain markings if such markings were not actually placed on the dog before the application is submitted to the Records Office. In this last case where the Board is satisfied that this has not been done, the registration will be cancelled forthwith and disciplinary proceedings may follow."

Mr. Monaghan suggested that if such a series of articles is published, reprints should be obtained and forwarded to those admitted as new members. Dr. Watson suggested that there be prepared and distributed a "Code of Ethics" in order that members and breeders wou'd have a guide as to those practices and acts which, while not specifically prohibited by by-law or rule, are regarded as unethical and therefore inimical to the interests of the Club.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Southcott:

"THAT, the first recommendation of the Complaints Committee in its report of August 28, 1957 be adopted."

FOR THE MOTION: Mr. Brown, Miss Brooks, Mrs. Gove, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, and Mrs. Southcott.

AGAINST THE MOTION: Mr. Williams, Mr. Irving, and Dr. Watson.

Motion carried.

The Committee's second recommendation, reading as follows, was then considered:

"The Committee further recommends consideration be given to approaching the Department of Agriculture with a view to appropriate amendments to the existing Live Stock Pedigree Act taking care of the disposal of dogs other than by sale. There may be other sections of the Act which the Board would wish to make suggested changes to the Department. We feel that the Board's views on this subject should be communicated to the Department notwithstanding the fact that it might be some time before the government proceeds with revisions of the Act."

After discussion it was regularly moved by Mr. Irving, seconded by Mr. Williams:

"THAT, Dr. H. L. Watson be appointed a committee of one to approach the government with regard to amending the Act when it affects the Canadian Kennel Club and other matters that we may suggest later, such approaches to be made only as specifically authorized by the Board."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The Committee's third recommendation, reading as follows, was then considered:

"It is the Committee's recommendation that the Board authorize the Committee, in circumstances where it feels it advisable, to have the power to ask the Department of Agriculture to cause investigations to be made in connection with the breeding, buying, selling and registration of dogs."

It was regularly moved by Mr. Monaghan, seconded by Mr. MacKendrick:

"THAT, we concur in recommendation #3 of the Committee's report of August 28, 1957."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The Committee's fourth recommendation, reading as follows, was then considered:

"It is the Committee's recommendation that in any of the unresolved files concerning a member where it is clear no progress has been made, that these files be referred to the Club's solicitor and his opinion secured as to which ones he feels there would be a good prospect of securing a successful prosecution under the Act, preference being given to files originating outside the province of Ontario."

It was regularly moved by Mr. MacKendrick, seconded by Mr. Williams:

"THAT, we concur in recommendation #4 of the Committee's report of August 28, 1957."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mrs. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

It was regularly moved by Mr. Irving, seconded by Mr. Laskey:

"THAT, it is considered most unethical for a judge to attend a show as a spectator in the same area where he is scheduled to officiate as a judge."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

(STANDING RESOLUTION) (Motion carried).

Mr. Irving enquired whether an officiating judge would have the right to insist on obtaining the opinion of the officiating veterinarian at a show despite any certificate, obtained from a veterinarian, by the owner of a dog brought before the officiating judge at a show. It was agreed that the judge in such circumstances had the right to require an opinion from the official veterinarian of the show, such opinion to be obtained on the day of the show.

Mr. Irving enquired whether an officiating judge has the right to demand the re-measuring of a dog, already measured officially at a show. The matter was left over for consideration later in the meeting.

3743 (3709). FINANCIAL STATEMENTS AND FINANCIAL MATTERS

The President stated that members of the Board had been provided with a copy of the financial statements for the six-months period ending June 30th, and the Secretary would endeavour to satisfactorily answer any questions.

It was regularly moved by Mr. Monaghan, seconded by Mr. MacKendrick:

"THAT, the financial statements for the six-months period ending June 30th, 1957, be received."

The Secretary outlined and explained adjustments in the statements for the first six months of 1956 and the same period in 1957 in order that a fair comparison could be seen of the Club's financial position at the end of June (1957) as compared with the first six months of 1956.

Mr. Monaghan inquired whether the total of $18,540.00 represented the actual amount paid to the Canadian National Live Stock Records by way of monthly levy for the first six months or included any additional payment. The Secretary stated that it included only the six regular monthly payments set by the Records Committee.

In reply to Mr. Monaghan's question, the Secretary stated that the regular monthly charges for telephone service amounted to $37.45. Mr. Monaghan asked for and was provided with an itemized list of all long distance telephone calls for the first six months of the year.

Mr. Monaghan enquired whether, at any time during the first six months, the Secretary had been paid the salary increase authorized in February. The President stated that the Secretary had not received any part of the increase in salary.

The Secretary pointed out that in the proposed budget which he had presented for consideration at the annual meeting of the Board an amount of $24,000 had been estimated for salaries at the Head Office, and the salaries of the permanent staff were presently running at the rate of $21,268.00 annually to which there would be additions for temporary help necessary during the peak periods of the year.

The foregoing motion (No. 39) was put to a vote with the following results:

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

——The meeting recessed at this time, and later reconvened with the President in the Chair, and the following members of the Board present: Mr. Brown, Mr. Laskey, and Mr. Monaghan.

It was regularly moved by Mr. Brown, seconded by Mr. Laskey:

"THAT, we suspend the regular order of business and proceed with something that is not contentious."

FOR THE MOTION: Mr. Brown, Mr. Laskey, and Mr. Monaghan.

Motion carried.

——Mr. Williams, Miss Brooks, Mrs. Gove, Mr. MacCallum, and Mrs. Southcott entered the meeting.

The President suggested that the Board combine Items 6G and 9G on the agenda, and adopt a resolution authorizing the Canadian National Live Stock Records to cancel membership and/or registrations where fees submitted in any form are not acceptable to the bank.

It was regularly moved by Mr. Brown, seconded by Mr. Williams:

"THAT, the Canadian National Live Stock Records be and is hereby authorized to cancel membership and/or registrations, transfers, etc. where the fees submitted in payment of these items are in a form returned by the bank or are otherwise not acceptable to the bank."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Laskey, Mr. MacCallum, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

The President reported that the Secretary desired an instruction with regard to implementing an amendment to the By-laws (effective on March 6th, 1957) with regard to members having overdue accounts with the publishers of the official organ.

It was regularly moved by Mr. Williams, seconded by Mr. Brown:

"THAT, the Secretary be and is hereby authorized to draw the attention of a member to Article VII, Section 2(c) of the By-laws where a member's account with the publishers of the official organ is overdue for a period longer than three months.

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Laskey, Mr. MacCallum, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

3744. LETTER TO THOMAS W. SMITH

It was regularly moved by Mrs. Southcott, seconded by Mr. Laskey:

"THAT, the Club send a letter of condolence to Thomas W. Smith in the loss of his wife."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Laskey, Mr. MacCallum, Mr. Monaghan, and Mrs. Southcott.

Motion carried.

——Mr. Irving, Mr. MacKendrick, and Dr. Watson entered the meeting.

3745. REGISTRATION AND RELATED SUBJECTS

The President suggested that under this heading on the agenda the Board consider Items 6A, 6C, 6D, and 6F simultaneously, and asked the Secretary to submit a report for the Board's consideration.

The Secretary:

(a) Reported that in accordance with the Board's instruction at its last annual meeting, his proposals with regard to a litter registration book, use of "litter kits", and a new system of registration numbering had been submitted to the Director of Canadian National Live Stock Records for consideration; that the members of the Board had been provided with a copy of the opinion received from the Director; and suggested that inasmuch as the reaction was generally unfavourable, no immediate decision be reached on the proposals in question;

(b) Pointed out that the present Articles of Affiliation (between the Club and Canadian National Live Stock Records) set out certain prescribed operational item charges for certain items of work, and regardless of any cost-saving practices or procedures the Club may arrange for its records at the Records Office, the Club would realize only a fraction of such saving;

(c) Expressed the view that while complete records and indexes offer advantages at times, faster and more economical service may be rendered if such records and indexes were partially or wholly eliminated;
(d) Suggested that as a substitute for the present kennel name system, consideration be given to an arrangement which would call for the "listing" of a kennel name for a stated period (perhaps five years), and if in that interim period the kennel had attained a prescribed reputation its listed owner be given the opportunity of registering the kennel name on a permanent basis (as contrasted with the present where full protection of a registered kennel name ceases on the expiration of a five-year period after the person to whom the name was granted has ceased to be a member of the Club or has registered a dog in the records of the Club);
(e) Suggested that while the reaction of the Department was unfavourable in connection with the proposal regarding two classes of registration (breeding; pet), a different reaction may be obtained if the Department is fully informed of all the reasons why such a proposal is advanced and of the benefits which it is expected will result;
(f) Suggested that consideration be given to the publication of a volume providing information (in much the same way as in the stud book, with indexes as to sires, dams, and breeders) of all dogs which had attained a C.K.C. title of any kind during the past 25 years;
(g) Suggested that a committee be appointed to consider and report to the next annual meeting of the Board on the following subjects: the proposals advanced by the Secretary in January in connection with litter registration records, use of "litter kits", and new system of registration numbering; possible revision of the Live Stock Pedigree Act and the Articles of Affiliation; kennel names; publication of stud books; registration procedures, and two classes of registration.

Mr. Irving suggested that the questions of desirable revisions in the Articles of Affiliation and the proposal regarding two classes of registration should be included with the subject which Dr. Watson has been authorized to take up with the government (see motion No. 23). Mr. Monaghan suggested that the Secretary obtain information as to the registration procedures followed by the Hereford Association in the United Kingdom.

It was regularly moved by Mr. MacKendrick, seconded by Mrs. Southcott:

"THAT, the Vice-President and the Secretary be appointed a Committee to consider and report on all aspects relating to the maintenance of registration records and the other items in Item 6A."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

(NOTE: Item 6A referred to the Secretary's proposals regarding litter registration books, litter kits, and registration numbering).

——It was agreed that the regular order of business would be resumed.

3746 (3743). FINANCIAL SUBJECTS

The President reported that when writing the Board concerning the holding of this meeting she had made the following observations on the subject of finances:

"I feel that the time has arrived when a plan should be instituted whereby the Board at its annual meeting consider a budget for its year of operation. This should not be on a hit or miss basis, but should be a carefully weighed estimate of income for the year followed by a careful study of all likely and necessary expenditures to ensure a profitable operation, or at the very least, a year without financial loss.

"In the preparation of a budget, we ought to carefully review all those services which we are providing and which we ought to commence providing for the benefit of the Club and its members. We should carefully examine all practices and procedures with a view to eliminating unnecessary or inadvisable procedures which are not justified by the costs involved. Certain proposals may be very acceptable to our members if we can show a financial saving. A good example of this may be found in the proposal that a referendum ballot be not held annually. The holding of an annual referendum ballot affects our postage, printing, and office supplies costs as well as the labour involved that might be directed to better service for our members. If our members could be convinced of the benefit of holding the election of officers and directors other than annually, further financial savings might be realized.

"If it is desired to continue our present form of stud book for individual dogs rather than litters, a considerable financial saving may be realized if the Department could be convinced of the value and legality of the two classes of registration (one for pet stock), and the elimination of pet stock registrations from our stud books.

"Our share of the Records Office costs each year represent the largest single expenditure account, but here we are faced with the fact that any cost saving practices that we may evolve for the Records Office will not be entirely to our benefit. Should we not seek some means by which anything which we can do to save costs at the Records Office will be entirely to our benefit financially.

"Earlier reference has been made to the question of our records. Apart from what has already been said, we should develop ways and means of increasing revenue yet if at all possible of avoiding any increase in any single fee or charge. This would not rule out our devising a new schedule of fees provided that in the long run members are not actually paying more for the services which they are receiving."

The Board discussed the President's observations with regard to preparation of a budget for 1958.

It was regularly moved by Mr. MacKendrick, seconded by Mrs. Gove:

"THAT, the President, Vice-President, and Secretary be a committee of three appointed to prepare a budget for the consideration of the next annual meeting of the Board."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

Paragraph No. 3 of the President's observations was held over for consideration under Item No. 6G of the agenda.

Paragraph No. 4 of the President's observations was left for the consideration of the Committee appointed in Motion No. 44.

Paragraph No. 5 of the President's observations was left for the consideration of the Committee appointed in Motion No. 46.

The President pointed out that the Board had been provided with copies of letters received from Mr. Monaghan on the subject of finances, and read the following statement:

"You have been provided with copies of letters which I and the Secretary have received from Mr. Monaghan on the subject of finances, more particularly in connection with registration fees. I do not propose at this time to take up your valuable time by debating all these points raised by Mr. Monaghan. I think that our financial statement speaks for itself. There are certain services that the Canadian Kennel Club of necessity must perform for its members. These are unequivocal. We should then decide whether or not we are financially able to perform these services. Part of any profit that we may realize on a year may be set aside for any specific purpose such as a building fund. I see no harm whatever in our reviewing, either as a Board or through the Finance Committee, all our present sources of incomes and expenditure.

"As you know, our By-laws presently prohibit the Board of Directors from amending the present schedule of fees or instituting new fees. I hope that neither this nor any future Board will be compelled to advocate a general revision upward of fees nor the institution of new fees. On the other hand, your Board is charged with the management of the Club's affairs, and I think that where the safety of the Club is concerned from a financial point of view, it should be in a position to take action in an emergency if and when that should become necessary. I wonder whether our members would be prepared to delete the present restriction and substitute permissive legislation of a nature that would permit the Board to act if necessary, perhaps only after notice has been given to the members of any proposed change or addition to the present fees and charges and then only after approval has been obtained from the Minister of Agriculture after a certain period during which members could write the Minister direct expressing their views on any changes or proposed changes by the Board. This procedure would enable the Board to act if necessary, yet at the same enable the members to take a verbal interest in the financial affairs of the Club."

Mr. Monaghan:

(a) Stated that his letter of March 27th was written after a thorough study of the operational unit cost at the Live Stock Records office over a period of years;
(b) Pointed out that past figures indicated that the unit cost doubled in each eleven year period, and if the present trend of increasing costs continued, then the unit cost of 54c in 1954 would reach $1.08 in 1965, thus if that should occur then on any item where the fee is presently set at $1.00 it would be necessary to use other sources of income to find the extra 8c to meet that cost;
(c) Supported the President's suggestion of permissive legislation in order that a flexible arrangement would be available to meet rising costs if necessary.

Mr. Brown expressed the view that the referendum ballot is the best way to take care of any necessity to increase any fees, and pointed to the success of the special referendum ballot in 1953 when the Board at that time found it necessary to recommend a new schedule of fees.

Mr. Irving stated that the members might be prepared to approve an arrangement where the fees are automatically adjusted according to the operational unit cost.

Mr. Irving pointed to the higher cost of recording the awards earned by listed dogs, and suggested that steps be taken to increase listing fees while at the same time reducing membership fees.

It was regularly moved by Mr. Irving, seconded by Mr. MacKendrick:

"THAT, we recommend that four proposed amendments be submitted in the usual way: (1) because of the excessive costs we increase the listing fee to $1.00; (2) another reducing membership fees by $1.00."

Mr. Monaghan suggested that instead of four separate proposed amendments to be voted upon by the members, the proposal should be set forth as one question and voted upon as such. Mr. Irving stated that in proposing the motion he intended that there would be four separate proposed amendments, each to be voted upon separately. Mrs. Gove stated that the members do not appreciate being asked to cast one vote on a proposal which, in effect, covers a variety of questions. Dr. Watson pointed out that show and trial clubs depend on the entry of listed dogs as well as those of registered dogs.

The foregoing motion (No. 47) was put to a vote with the following results:

FOR THE MOTION: Mr. Brown, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacKendrick, and Mrs. Southcott.

AGAINST THE MOTION: Mr. Williams, Mr. MacCallum, Mr. Monaghan, and Dr. Watson.

Motion carried.

3747 (3745). REGISTRATION AND RELATED SUBJECTS

The Secretary reported that:

(a) At the last meeting of the Canadian National Live Stock Records Board it was decided that a charge of one-half an operational item, payable by the affiliated association concerned, would be charged for the issuance of an import certificate;
(b) At the same meeting the question of rental costs for the building housing the Canadian National Live Stock Records had been discussed, and since the meeting the Live Stock Records Committee had entered into a lease with the owners of the building, the monthly rental costs being paid direct by the Department.

Mr. Monaghan suggested that the Board consider whether the Board should absorb the cost for the issuance of Import Certificates, or whether provision should be made, in the schedule of fees, for a fee to be paid by the importer in each case.

After discussion, it was regularly moved by Mr. Monaghan, seconded by Mr. Irving.

"THAT, an amendment be prepared to the By-laws setting a fee, for the issuance of an Import Certificate, at $1.00 each to a member, $2.00 to a non-member, this proposed amendment to be treated as an emergency in connection with the next referendum ballot."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

3748 (3756). FINANCIAL SUBJECTS

Mr. Williams requested reconsideration of motion No. 47, believing that the Board should be unanimous on the question.

It was regularly moved by Mr. Irving, seconded by Mr. Brown:

"THAT, we consider motion No. 47."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss

Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacKendrick, and Mrs. Southcott.
AGAINST THE MOTION: Mr. MacCallum, Mr. Monaghan, and Dr. Watson.

Motion carried.

It was then regularly moved by Mr. Irving, seconded by Mr. MacKendrick:

"THAT, we recommend that four proposed amendments be submitted in the usual way: (1) because of the excessive costs we increase the listing fee to $1.00; (2) another reducing membership fees by $1.00."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacKendrick, and Mrs. Southcott.
AGAINST THE MOTION: Mr. MacCallum, Mr. Monaghan, and Dr. Watson.

Motion carried.

3749 (3747). REGISTRATION AND RELATED SUBJECTS

A discussion followed on the question of amending the present By-law on kennel names in order that the Board would have power to cancel the registration of a kennel name where it is found that the person to whom the name was granted is engaged in the breeding, buying and/or selling of dogs which are not pure-bred.

The Secretary read a letter from Mrs. R. W. Nutbeem, Carbonear, Nfld. (Kennel name — "Harbour Beem") asking that the Club intercede on her behalf in connection with the American Kennel Club's recent approval of another breeder's application for registration of the kennel name "Harbour Deep".

After discussion it was regularly moved by Mr. Williams, seconded by Mr. Brown:

"THAT, Mrs. Nutbeem be notified that the matter does not come under our jurisdiction."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monoghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

3750. ADJOURMENT

At 10.00 P.M., on motion by Mr. Monaghan, duly seconded and carried, this meeting of the Board adjourned to reconvene in the same place at 9.30 A.M. on September 5th, 1957.

SEPTEMBER 4th-5th-6th, 1957
(Second Session)

3751. This special meeting of the Board of Directors of The Canadian Kennel Club reconvened in the Club's offices, 667 Yonge Street, Toronto, Ontario, commencing at 9.30 A.M. on Thursday, September 5, 1957, with the President, Mrs. M. E. McEachren, in the Chair, and the following members of the Board present: Walter Brown, V. W. Williams, Miss I. Brooks, Mrs. J. Gove, J. A. H. Irving, R. B. Laskey, J. W. MacCallum, W. H. MacKendrick, W. J. Monaghan, Mrs. M. E. Southcott, and Dr. H. L. Watson.

3752 (3749). REGISTRATION AND RELATED SUBJECTS

The Secretary placed before the Board a report (dated August 28th) of the Registration Committee reporting the decisions of the Committee since its last report to the Board.

It was regularly moved by Mr. Williams, seconded by Mr. Laskey:

"THAT, the report of the Registration Committee be received and recorded in the minutes of this meeting."

Mr. Monaghan stated that while agreeing with the decision of the Committee with regard to the kennel name POODHALL, he felt that in order to avoid the occurrence in Canada of a dispute that happened in the United States concerning the transfer of a well-known American kennel name, it may be wise for the Board to consider whether or not in cases where consent is given that such consent is irrevocable as far as it concerns the original owner and whether there should be required an undertaking, from the Canadian applicant, that in no circumstances can the Canadian's use of it be transferred to anybody else.

Mr. Irving suggested that the question be referred to the Club's solicitor with a request that he draw a simple agreement in which the parties concerned would clearly indicate whether consent to usage, when given, is irrevocable, or whether it is revocable at the wish of the grantor, and in addition such agreement to provide that in no circumstances may the name be transferred while the agreement is in effect.

It was regularly moved by Mr. Irving, seconded by Mr. Brown:

"THAT, the Secretary provide the Club's solicitor with a transcript of our discussion on a kennel name name registered in any other country and applied for by a resident of Canada with the request that he prepare the proper form of agreement to be signed by the parties concerned, said agreement to be drawn on the points discussed at this meeting, as follows: (1) the agreement to specify whether the consent to usage, when given, is irrevocable; or whether such consent is revocable at the wish of the grantor; (2) the name is not, in any circumstances, transferable to any party while the agreement is in effect; and be set up as a standing policy."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

Mr. Monaghan reported that he had submitted an objection to the application for registration of NOVA as a kennel name, pointed out that the Committee's report did not indicate that his objection was not sustained, and suggested that appropriate steps to taken, in accordance with the policy prescribed by the Board regarding the prohibition of place names as kennel names, to prohibit the joint use of the words NOVA and SCOTIA in the naming of dogs.

Mr. Laskey reported that the person applying for the kennel name NOVA is a daughter of a breeder who, about thirty years ago, had used that name as a kennel name.

It was regularly moved by Mr. Irving, seconded by Mrs. Southcott:

"THAT, the Canadian National Live Stock Records be instructed that it is not to allow the use of the word SCOTIA in connection with the registered kennel name NOVA."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

Mr. Monaghan:

(a) Referred to the decision, previously rendered, by the Board on the appeal of Mr. & Mrs. Coghlin in connection with their application for registration of the kennel name SHADY-LAWN, an appeal that was denied;
(b) Pointed out that Mr. & Mrs. Coghlin had used that name in connection with the registration of other pure-bred live stock, and it was also the name of their farm;
(c) Stated that in accordance with the Board's decision that a particular name may not be used as a kennel name more than three times unless registered as a kennel name, Mr. & Mrs. Coghlin had re-applied for the registration of SHADY-LAWN;
(d) Stated that without prior publication of the name in the official organ, the Registration Committee had denied approval of the application; and
(e) Contended that the resolution empowering the Committee to consider objections to applications for registration of kennel names did not provide authority to finalize such objections.

Mr. Monaghan stated that he felt that there was sufficient difference between the names SHADY-LAWN and SHADI-LANE, and as the persons concerned were interested in different breeds and were located in different places, requested the Board's consideration of the re-application submitted by Mr. and Mrs. Coghlin.

After discussion, it was regularly moved by Mr. MacKendrick, seconded by Mr. Williams:

"THAT, in view of the information brought before us, we suggest that the Registration Committee review its decision on the application for registration of the kennel name SHADY-LAWN and present a report at this meeting."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

Discussion on the Committee's report having concluded, the motion to receive and record the Committee's report (Motion No. 52) was put to a vote with the following results:

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The President reported that in view of a letter received from Mr. Monaghan dated March 16th (see appendix) arrangements had been made, on the agenda, for a review of the present standing resolutions on kennel names.

Mr. Monaghan's letter of March 16th read as follows:

"1. This will acknowledge receipt of your communication dated March 13, 1957.
2. It seems to me the point raised is a good one and I believe we would be well advised to amend the resolution dealing with the headnote to include the word "surnames" just before the word "nouns". Of course, I see no objection to the use of the surname as part of a word, e.g., as in Kingdale, Browncrest, Joneshurst, Smithview, etc.
3. In the meantime, I would favour the publishing of a notice indicating our intention of amending the headnote by the inclusion of the word "surnames" and stating that until this has been done consideration will be given to the registration of a surname as a kennel prefix for one breed, or perhaps two breeds, if a breeder has before April 1, 1957, registered ten or more dogs with his surname as a prefix, provided, of course, such prefix does not otherwise conflict with the present standing resolution or the general policy we wish maintained.
4. In regard to the compilation of lists of names from which "stop cards" will be prepared, may I suggest that, in addition to the procedure which members of the Board are being asked to follow, consideration be given to asking other prominent members of the Club for their assistance and co-operation in compiling lists. In this way a much wider coverage would be ensured. I make this suggestion because I feel it is not enough to just rely on receiving objections when the lists of applications are published or on expecting the Registrar to be unerring in every case.
5. Dealing with the registration of kennel names in the overall picture, I feel that any word or combination of words suitable for use in individual names should be left open so members may select as freely as possible and therefore should not be restricted by the fact they are registered kennel names. I am of the opinion that names such as Red Clover, White Swan, Green River, Purple Valley, Blue Ridge, Red Gap, Little Acres are suitable for registration but that names such as appear on the attached list should not be registered.
6. Going further, however, and keeping in mind the expected expansion and growth of the Club in the years to come, and remembering there should be some encouragement given earnest breeders in the development of good stock, it occurs to me that perhaps we should take a closer look at our general procedure. A number of breeders over a period of years have established a good reputation in a particular breed, e.g. Baldwin in foxhounds, and those actively engaged in breeding these particular breeds have come to be recognized and are looked up to by the public as having established a certain standard of quality. However, just because that reputation has been established it does not necessarily follow that such a breeder would make an equally significant contribution to some other breed or breeds. On the other hand, perhaps he could and would therefore wish to protect his kennel prefix. This leads me to suggest that we might well consider reverting to a practice which obtained to some extent in the past and restrict the registration of a kennel name to a particular breed or a few breeds instead of giving some individuals carte blanche in the whole field. Such a policy would give protection where it is most deserved, yet would not tie up a name universally except at some additional advantage to the Club. If, on the other hand, a breeder does wish to have protection for more than his basic breed I feel he might be expected to pay a little more for the assurance and service which the Club provides. Consequently, I would like to suggest consideration be given to an arrangement somewhat along these lines —

Registration of a kennel name to cover one breed — fee as at present:
to cover two or three breeds ..... $ 15.00
to cover four or five breeds ..... $ 25.00
to cover six to ten breeds (commercial) ..... $ 50.00
to cover all or many breeds (commercial) $100.00

7. In such an arrangement, the name Sovereign would continue to be known for quality in Collies, Quarrybrae in Collies and Shelties, Tailteann in Kerrys, Cairndania in Danes and Cairns, Bonshaw in Dachshunds, Kempston in Bulldogs, Jubilee in Bostons, Yellow Creek in Beagles, and so on, but at the same time it would avoid the necessity of dealing with an objection e.g. by the owner of Shady-Lawn (Samoyeds) to the use of the name, Shadi-Lane by a breeder of Boxers.
8. It is appreciated there are many angles to this problem and I am only suggesting that some consideration be given to it in the hope that possibly a more satisfactory procedure than the present one can be evolved. Perhaps an exchange of views in the near future would be helpful and in the light of what is brought out it could then be decided whether or not this item should be included in the Agenda of the next annual meeting."

Mr. Monaghan reported that he had noted that an application for registration of MARA (a place of very small population in British Columbia) had been applied for as a kennel name, pointed out that in the Railway Guide over 21,000 place names were listed yet there were only 1873 incorporated places in Canada, and suggested that consideration be given to allowing a place name as a kennel name if the place name is not of an incorporated place, has a population of less than 100, is in a province other than the one in which the applicant resides, and is otherwise not unacceptable.

After discussion it was agreed that no change be made in the present standing resolution in that connection for the size and population of a place at this time may change greatly in the future. It was agreed that in view of the present standing resolution MARA could not be granted as a kennel name.

Mr. Monaghan suggested that the present prohibition on surnames as kennel names should be modified for the benefit of those breeders who had, prior to the adoption of the present policy, made use of their surnames as kennel names. After discussion, it was regularly moved by Mr. Monaghan, seconded by Mr. Irving:

"THAT, before the word "nouns" in the present standing resolution we insert "surnames (except in the case of an applicant who has, prior to January 1, 1958, registered more than ten dogs with his surname as a prefix, and it is otherwise not unacceptable)"."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

After discussion it was regularly moved by Mr. Monaghan, seconded by Mr. Irving:

"THAT, in the present standing resolution, after the words "every day use" insert the following: "kennel names registered in a foreign country"."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

After discussion it was regularly moved by Mr. Monaghan, seconded by Mr. Irving:

"THAT, to the present standing resolution there be added "No imported dog may be registered if the importer's kennel name (whether registered or not) is shown as a prefix in its name, even though it is so registered in a foreign stud book. Whatever change or amendment is necessary to permit registration in Canada must be made in the foregin stud book before application can be acted on by the Registrar."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

Mr. Monaghan reported that with his letter to the Secretary of March 16th he had enclosed a list of names, divided into three parts as follows:

(1) The first section was a partial list of some very well-known American kennel names the use of which he considered should not be permitted in connection with the registration of dogs born in Canada. Mr. Monaghan stated that this list should be subject to appropriate additions from time to time, and "stop cards" should be placed in the kennel name files at the Records Office in order to effectively prohibit their unauthorized use in the naming of dogs;
(2) The second section comprised a list of names (ROYAL, CANADIAN, MAPLE LEAF, DOMINION) none of which should be permitted either as kennel names or otherwise in the naming of dogs;
(3) The third section comprised a list of names (such as IMPERIAL, REGENT, EMBLEM, MONARCH, DIPLOMAT, etc), which Mr. Monaghan felt should not be granted as registered kennel names, for to do so would deprive other breeders using such names in the naming of dogs and would increase quite considerably the number of rejected names with consequent delay in registrations.

After discussion it was regularly moved by Mr. MacKendrick, seconded by Mrs. Gove:

"THAT, the Registration Committee be authorized to forward "stop" cards to Ottawa, and clarify all these names classifications."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

Mr. Monaghan expressed the view that if a particular name is registered as a kennel name, no other breeders may make us of that name in any way in the naming of dogs (except as otherwise provided in the By-laws). Mr. Irving stated that he did not agree with that view insofar as it concerned the use of words in everyday use, whether such names were registered or not.

After discussion it was regularly moved by Mr. Williams, seconded by Mr. Laskey:

"THAT, the Secretary be and is hereby authorized to instruct the Registrar that a registered kennel name is not, in any circumstances, to be used as any part of the name of any other dog other than dogs already registered in a foreign country.

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

AGAINST THE MOTION: Mr. Irving.

Motion carried.

Mr. Irving reported that when preparing the chart of Retriever field trial winners published in the April issue of the official organ, he repeatedly found instances of inconsistency in the names of dogs entered, in that in some instances the kennel name prefix would be shown while in other instances the prefix would be omitted. The matter was left in the hands of the Secretary for appropriate action.

Mr. Monaghan suggested and it was agreed that the Secretary would inform the Kennel Club (England) and the American Kennel Club of the text of the standing resolution regarding the use, in the naming of dogs born in Canada, of well-known British and foreign kennel names, and stating that the Club would be grateful if they would reciprocate.

The President pointed out that while the Board had decided that two types of agreement forms would be made available, without charge, to members, no instruction had been given the Secretary regarding the availability, free or otherwise, of these forms to non-members.

Mrs. Gove expressed the view that the present agreement form for use where a dog is sold "without papers" is an "absolute contradiction of our rules and regulations". Mr. Irving said that all that is required is a simple waiver form where the purchaser waives production of a certificate of registration. Mr. Monaghan stated that he felt the form available to be quite consistent with the Live Stock Pedigree Act.

After discussion it was regularly moved by Mrs. Gove, seconded by Mr. Irving:

"THAT, the agreement forms now on hand be discarded, and in place of the present objectionable form that a simple waiver of production of papers be accepted along the following lines:

"That in consideration of the price at which the dog (name, breed, sex, date of birth, color and markings) has been sold me, I hereby waive production of registration certificate; furthermore I undertake not to sell this dog under any other terms"."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mrs. Southcott, and Dr. Watson.

AGAINST THE MOTION: Mr. Monaghan.

Motion carried.

It was regularly moved by Mr. Monaghan, seconded by Mr. Irving:

"THAT, a transcript of this discussion and a copy of the resolution be forwarded to the Club's solicitor for his opinion."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

Mr. Williams suggested that when the new agreement forms are available, suitable publicity should appear in the official organ.

It was regularly moved by Mr. Williams, seconded by Miss Brooks:

"THAT, suitable publicity be published in the magazine as soon as the ruling is implemented."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

Mrs. Gove suggested that a transcript of the discussion on this subject be sent to Dr. Watson in order that he may include it with those items to be discussed with the Prime Minister.

It was regularly moved by Mrs. Gove, seconded by Mr. Irving:

"THAT, a copy of the discussion be sent to Dr. Watson for inclusion with those items to be taken up with the Prime Minister."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

After discussion, it was regularly moved by Mr. Monaghan, seconded by Mr. Williams:

"THAT, five sets of agreement forms be available to non-members at a price of $1.00, or 25c each."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The Secretary read a letter from the Dachshund Club of Canada which:

(1) Pointed out that in Volume No. 57 of the Stud Books a number of Dachshunds (Miniature Long-haired) were listed under the index for Dachshunds (Long-haired);
(2) Suggested that Dachshunds of the standard size should be listed as such both on certificates and in the stud books.

The Secretary reported that he had taken the first point up with the Canadian National Live Stock Records and read a letter of reply expressing regret at the error.

In connection with the second point it was agreed that the By-laws do not require the use of the word "standard" in connection with registration or the stud books, and in the absence of the word "Miniature" it is proper to assume that Dachshunds are of the standard size.

It was regularly moved by Mr. Irving, seconded by Mr. Brown:

"THAT, the Canadian National Live Stock Records be instructed to arrange for the inclusion in the errata of the next stud book a correction as to those Dachshunds incorrectly listed in registration records and indexes."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The Secretary was instructed to make it clear that if all six var-

ieties of Dachshunds are represented in the registrations in a single year, then there should be six separate indexes in the stud book for that year.

Dr. Watson stated that there are those who are endeavouring to breed dogs capable of winning their show championship and field trial championship and they are entitled to appropriate recognition, by separate listing, of each title earned rather than the combined title of "Dual Ch." which, to some, means a dog that has twice won a show championship.

Mr. Irving stated that where a dog is both a show champion and a field trial champion it should be designated "Ch. and F.T. Ch.", or if a show champion and an obedience trial champion then it should be styled "Ch. and O.T. Ch."

It was regularly moved by Dr. Watson, seconded by Mrs. Southcott:

"THAT, the title "Dual Ch." be cancelled, and there be substituted proper designation of each title earned, e.g. "Ch. and F.T.Ch."."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The Secretary was instructed to substitute the foregoing resolution, in the Book of Standing Resolutions, for the one now in that Book.

The President:

(a) Pointed out that the Board had previously authorized the publication of Stud Books for the years 1948 to 1952 inclusive at an estimated total cost of between $13,000 and $16,000;

(b) Reported that the Secretary had suggested that the Board give consideration to the listing, in these four volumes, of only those dogs which the records show to have been used for breeding purposes or to have been exported from Canada;

(c) Reported that the Secretary had written the Director of Canadian National Live Stock Records with a view to determining whether this proposal, if carried out, would present any problems to the Records Office in its preparation of the copy for the printing of these volumes.

The Secretary:

(a) Read a letter from the Director of the Records Office who: (1) could see no practical problem confronting the Records Office if the plan, as proposed, meets with the approval of the Board: (2) felt that the plan, as proposed, would still afford continuity of pedigree necessary for tracing ancestors and would provide the Bureau of Animal Industry at Washington with information on any tracing they may require: (3) reported that a survey of the first 1,000 pedigrees that would normally appear in the first of these four volumes indicated that a total of 277 dogs were used for breeding purposes or exported to the United States, thus a saving in cost of approximately 70% could be expected if the proposed plan was adopted;

(b) Stated that the plan, as proposed, was not intended to apply to stud books other than those for the years 1948-1951 inclusive;

(c) Suggested that if the plan met with the Board's approval it be not implemented until assurance had been received from the Bureau of Animal Industry that stud books in this form would meet their requirements for duty-free entry of dogs into the United States;

(d) Suggested that if the plan is implemented the four volumes be brought out in two volumes, the first to be for the years 1948 and 1949 combined.

Mr. Irving pointed out that any dogs registered in the years 1948 or 1949, if not reported in these volumes when printed, were used for breeding purposes or were exported, they could be listed, in the first part, of the first regular stud book published thereafter.

It was regularly moved by Mr. Williams, seconded by Mr. Brown:

"THAT, we adopt this proposal in principle subject to the proposal being acceptable to the Bureau of Animal Industry."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

Mr. MacKendrick suggested that the proposal be taken up personally with officials of the Bureau at Washington, believing that personal representation would more likely ensure their acceptance of the plan.

It was regularly moved by Mr. MacKendrick, seconded by Mr. Irving:

"THAT, the Secretary and/or President be authorized to make personal representation to the Bureau."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

3753. **INTERNAL AND ADMINISTRATION**

The President pointed out that Mr. MacKendrick had given notice of intention to propose a motion, at this meeting, with regard to the appointment and functions of an Executive Committee, and asked Mr. MacKendrick to speak to his proposal.

Mr. MacKendrick read the following statement:

"Madam Chairman and members of the Board: I have headed this subject "Executive Committee" but it might easily be called "Management Committee" or "Advisory Committee" or whatever the Board figures. Prior to the annual meeting of the Board I gave notice of intention to propose appointment of an Executive Committee and at that time outlined various points in connection with the committee and its functions. The matter was discussed very briefly towards the end of the meeting. I felt a thorough discussion was imperative and therefore withdrew the proposal with advice to the effect that I would resubmit it at a later date. I gave notice to the Secretary that I intended to bring the same subject before this meeting of the Board.

"While this Club is not a business in the usual meaning of the word, nonetheless I believe we all agree that as far as it is possible to do so its affairs should be managed and conducted in a businesslike way. I know of no company whose business entails so much correspondence before decisions are reached, and so many matters that are normally considered the work of management. It is my belief that in most companies the responsibility of managing the affairs of the company is left largely to paid management personnel, it being the responsibility of the Board of Directors to decide policy and the really important issues which determine the good and welfare and progress of the company.

"I do not believe we have yet reached a stage where our members would be prepared to allow the bulk of the management of the Club's affairs to be entrusted to paid personnel, however competent they may be. However as a step in that direction it has been my view for some time that most of the business presently dealt with by the Board could more expeditiously if not effectively be dealt with by an advisory committee or executive or management committee, whichever you want to call it, composed of three or four persons. This committee could meet as often as necessary but with a brief notice or no notice where such notice is waived by the persons on the committee. The Board could be promptly provided with a copy of the minutes of every committee meeting, and where any member of the Board was not in agreement with the decisions reached by the committee on any given subject, he could have that particular subject placed on the agenda of the next succeeding meeting of the Board for discussion and the setting up of a specific policy which would thereafter govern the committee and staff.

"Ben S. Graham, the Director of Methods Research for the Standards Research Co., has said that half of industry's $80 billion annual bill of paper work is unnecessary and that one-quarter of all paper work done by clerical, production, management people is totally unnecessary, representing $20 billion.

"As a member of the Board I am astounded at the amount of typewritten and mimeographed material we receive from the Secretary's office. I am not prepared to suggest how much of this is vital and how much is unnecessary, but it stands to reason that as long as the Secretary and his staff are engaged in the preparation and compilation of this material, they are not otherwise able to be of service to our members, nor to deal with other essential matters as expeditiously as our members and others would desire.

"I am sure that all of us are busy people either in connection with our own work or personal affairs, and while we are only too delighted to do what we can for the Club while we are its Directors, I think there are many other ways we can be of service instead of having to spend valuable time reading all this material and making appropriate replies by letter. I think it is a sad commentary indeed if, as Directors, we have not sufficient confidence in the judgment of a few who we can appoint to handle the bulk of this work through the functions of an executive committee. I am all in favour of two meetings of the full Board each year with such meetings of the quorum Board as may be necessary, but I am not satisfied that otherwise most of what we are called upon to do by mail cannot be just as effectively and expeditiously dealt with by an executive committee.

"While legal advice has not been obtained, it might very well be that the appointment of such committee is not feasible until the By-laws have been properly amended. I therefore propose that we arrange for certain amendments to the By-laws, and it is my suggestion that these be treated as an emergency and appropriate amendments appear on the next referendum ballot. If you are in sympathy with the idea of an executive committee but do not feel that it can be treated as an emergency, then I would suggest that we be prepared, as a Board, to submit proposed amendments to the Secretary before October 15th, and all of us who are in sympathy with the proposal be prepared to sign as sponsors.

"With your permission I propose to read proposed amendments to the By-laws which I have in mind as a basis of discussion at this meeting."

Mr. MacKendrick then read proposed amendments to the By-laws. It was regularly moved by Mr. Irving, seconded by Mr. Laskey:

"THAT, this lay on the table for further discussion."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

——The meeting recessed at this time, and later reconvened with the President, Mrs. M. E. McEachren, in the Chair, and the following members of the Board present: Walter Brown, V. W. Williams, Miss Irene Brooks, Mrs. J. Gove, J. A. H. Irving, R. B. Laskey, J. W. MacCallum, W. H. MacKendrick, W. J. Monaghan, Mrs. M. E. Southcott, and Dr. H. L. Watson.

It being so agreed, discussion then commenced on the proposals advanced by Mr. MacKendrick.

Mr. Irving stated that he had carefully considered the proposed amendments submitted by Mr. MacKendrick, and said that: (1) the words "each of whom shall be Directors" should remain in part 2 of the proposed Article IX: (2) the proposed executive committee should be composed solely of members of the Board: (3) the duties and powers of the committee should not be set out in terms of what it may not do, rather such duties and powers should be expressly stated in the legislation proposed.

Dr. Watson stated that there was far too much business referred to the Board.

Mr. Monaghan stated that the proposal was a clear indication that some reinforcement in management must be decided on: said that the proposal was a "round about way" of facilitating the business of the Club: and suggested the appointment of a General Manager or Executive Vice-President "who will get things done".

Mrs. Gove said that the Secretary is "bogged down" with so much work and felt that such a committee would be very helpful.

Mr. Irving said that the proposal would not be considered as emergency legislation, and suggested that Mr. MacKendrick submit a proposed amendment for consideration by the members in the regular way.

It was regularly moved by Mr. Irving, seconded by Mr. Laskey:

"THAT, we suggest that Mr. MacKendrick reword and submit his proposal in time for the referendum deadline of October 15, 1957."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mrs. Southcott, and Dr. Watson.

AGAINST THE MOTION: Mr. Monaghan.

Motion carried.

Mr. Brown suggested that consideration be given to a temporary arrangement to operate until the proposed legislation is considered and voted upon by the members.

Mr. Irving suggested that the matter be tabled until Mr. MacKendrick could prepare a revised version of his proposal for consideration later in this meeting.

The Secretary reported that he had discussed with Mr. Chapman, of Angus Stonehouse & Co. (Chartered Stenographers) a method of facilitating the delivery of the stenographic record of proceedings at the annual general meeting, the method calling for the use of a series of chartered stenographers recording the proceedings, the complete transcript to be available within five days after the meeting.

The Secretary reported that he had discussed with Mr. Chapman the possibility of the transcript being typed onto Ditto stencils so that copies could be run immediately on delivery of the transcript, an arrangement that would considerably expedite the availability of additional required copies.

It was regularly moved by Mr. Laskey, seconded by Mr. Brown:

"THAT, the arrangements reported by the Secretary regarding report of proceedings at the annual general meeting be approved and carried out."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

Dr. Watson suggested and it was agreed that the Secretary would arrange for Angus, Stonehouse & Co. to run the stencils and assemble and deliver 60 copies; if the additional charge is reasonable.

The President pointed out that in a memorandum dated July 3rd the Secretary had placed before the Board a proposal that show and trial results published in the official organ be printed by use of the photo-lith method, and asked the Secretary to explain detai's of the proposal.

The Secretary:

(a) Explained the procedure presently followed in the compilation and publication of show and trial awards;
(b) Explained the procedure which would be followed in the event the Board approved the suggested plan;
(c) Reported that the present cost on a basic run of 3,000 copies was $28.25 per page (extra for copies in excess of 3,000) as against the cost, under the proposed new arrangement, of between $17.00 to $19.00 per page on the basic run of 3,000 copies with extra charge for copies in excess of 3,000;
(d) Reported that the cost to publish show and trial results in 1956 was in excess of $5,000;
(e) Said that consideration could be extended to use of this method for other official business (such as minutes, election material, etc.) if a trial run on show and trial results proved satisfactory, such other "official business" having cost in excess of $3,000 in 1956;
(f) Read a letter from Mr. MacKillop expressing support of the proposal.

After discussion it was regularly moved by Mr. Brown, seconded by Mr. MacKendrick:

"THAT, the Secretary obtain two or three machines on trial and purchase the one he considers most satisfactory for this work."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The President: (1) pointed out that at the annual meeting of the Board there had been a brief discussion on the subject of "key man" insurance, and information on this subject had later been mailed to members of the Board; (2) suggested that the Board decide whether it was interested in obtaining key man insurance, and if so, suggested that a committee be appointed to obtain information and submit a report for the consideration of the Board at its next annual meeting.

Mr. MacCallum suggested that if such a committee is appointed it obtain, at the same time, information with regard to available coverage on hospitalization, etc.

It was regularly moved by Mr. Brown, seconded by Mr. Williams:

"THAT, this matter, at this time, be not entertained."

FOR THE MOTION: Mr. Brown, Mr. Williams, and Mr. Monaghan.

AGAINST THE MOTION: Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Southcott, and Dr. Watson.

Motion lost.

It was regularly moved by Mr. Irving, seconded by Mrs. Gove:

"THAT, a committee be appointed to investigate this matter and present report and recommendations to the next annual meeting of the Board."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mrs. Southcott, and Dr. Watson.

AGAINST THE MOTION: Mr. Monaghan.

Motion carried.

It was agreed that the Committee would obtain the information suggested by Mr. MacCallum.

It was agreed that the Committee would be composed of Mr. MacKendrick, Mr. MacCallum, Mr. Monaghan, and the President.

The President reported that the Secretary wished endorsation of the action in having unemployment insurance deductions in the past and authority to continue doing so in the future. The Secretary explained that when his salary had reached a certain point it could not permit of his continuing with unemployment insurance without the consent of the Club.

After discussion it was regularly moved by Mr. MacCallum, seconded by Miss Brooks:

"THAT, we endorse the Secretary's action with regard to deductions on his unemployment insurance, and authorize him to continue doing so, and the President is authorized to sign the required form."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The President: (a) pointed out that at the annual meeting of the Board Mr. Irving had been appointed chairman of a special committee to draft a proposed revision of Article XXXVIII of the Club's By-laws;
(b) notices had been published in the official organ inviting expressions of opinion on the part of the members and the replies received had been forwarded to Mr. Irving and also to all members of the Amendments Committee (By-laws), and invited Mr. Irving to submit a report on behalf of the committee.

Mr. Irving read the Committee's report as follows:

COMMITTEE TO CONSIDER THE AMENDMENTS BYLAW XXXVIII

When the Committee was created it was decided that a notice be inserted in "Dogs in Canada" asking members to express their views on this Bylaw and make any suggestions as to its revision.

Only two letters came in—one from a Maritime member whose only complaint was that he and perhaps other members found it difficult to interpret some of the proposed amendments. When the Minutes or Report of the Annual General Meeting are published, a full explanation can be gathered from the discussions on each proposed amendment, so the remedy lies in his own hands.

The other letter is from a Toronto member and just reiterates the remarks that have been made in the discussions on proposed amendments at the Annual Meeting by members wishing to have the changes in the Bylaw and Rules and Regulations decided at the Annual General Meetings.

With such disappointing results to the invitation as above, the Committee endeavored to obtain some suggestions elsewhere, and to that end circularized the Board asking two simple but straight questions—

(a) Do you wish any change in the present Bylaw XXXVIII?
(b) If so, what do you suggest?

Again the number of replies was disappointing—however one suggestion was—that members who did not mark a ballot be disenfranchised for the next year.

Two were in favor of Rules and Regulations being approved by the Directors.

In other words very few members and Directors are interested.

At the Annual General Meeting in 1951 a new set of Bylaws was presented. There was provision that amendments to the Bylaws would be made by a Referendum Ballot, but that Amendments to the Rules and Regulations would be dealt with by the members present at the Annual General Meeting. But the members attending that Meeting (and it was a much larger number than attend present day Annual Meetings) changed that proposed Bylaw and set forth that all Bylaws and Rules and Regulations could be amended only by Referendum Ballot so that all members could express their wishes.

The proposed amendment to the Bylaw was scrutinized very thoroughly by the Justice Department as well as the Department of Agriculture and they were very careful to see that it gave every member equal opportunities.

The salient points the Bylaw provides are—

That proposals must be signed by at least five members in good standing.

That they must be published to all members within a date set, and then be placed on the agenda for the next Annual Meeting for discussion. At the Annual General Meeting, if so wished, each item is discussed, suggestions of revision made, and a vote recorded thereon and an indication by a recorded vote to endorse the proposal or object to it.

After the Annual Meeting, all members must receive a report of the proceedings, indicating the changes suggested ,if any ,and all votes recorded during the discussions.

With this report, is an invitation to members who did not attend the meeting, to write in any further suggestions they may wish to offer. After the deadline set for members to submit their views, the proposals go to the Amendment Committee to endeavor to reconcile the suggestions with the principal proposer's ideas.

The Amendment Committee Report must be filed on or by Sept. 10th, indicating their approval or otherwise of the proposed amendment and any changes that might have been made.

The Principal proposer is then written to, giving him a report on the opinions received, and results of the deliberations of the Amendment Committee, and any revision that they may suggest. He is asked if he wishes to withdraw, if he wishes this amendment as originally proposed, to go on the ballot, or if he will accept the proposed change as recommended by the Amendment Committee.

All these procedures guard against any side-tracking of proposals anywhere along the line and allows the proposer to stick to his guns or to take advantage of the opinion of others. This is prompted by past experience. In years gone by, on more than one occasion, a Policy Committee was appointed and they refused to pass proposed amendments that certain people did not want to come before the Annual Meeting.

Apart from the foregoing run-down of the procedure, there is an 'escape clause' where a special vote may be taken if an emergency demands it.

A study of the figures of the several Referendum's is interesting—Amendments to—

		Dog Show Bylaws	Dog Show Rules	F.T. Rules	Obed. Rules	Total	Ballots
1951	Proposed	17	35	4	1		
	Adopted	15	33	4	4	57	467
1952	Proposed	19	12	1	1		
	Adopted	12	12	1	1	33	572
1953							
1954	Proposed	1	14	2	6		
	Adopted	1	14	2	6	23	791
1955	Proposed	14	19	2	2		
	Adopted	4	10	1	2	37	764
1956	Proposed	19	13	3	13		
	Adopted	5	1	3	1	48	964
1957	Proposed	12	—	3	1	16	

There are a few people who wish to be able to control the changes in the Rules and Regulations by having them voted on at the Annual General Meeting in spite of the expressions given by the members at large on several occasions. In other words a small minority, not many more than 30 at times would decide these matters instead of the 924 who voted in 1956.

Perhaps a better analysis of the members' approval of the Referendum Ballots is the result of the vote on the following proposed amendment—

In 1955—**Amendment No. 10** suggesting that rules pertaining to a certain breed or activity shall be approved by an affirmative vote of the entire Board.

	Alberta	B.C.	Man.	Maritimes	Ont.	Que.	Sask.	Total
Yes	9	16	5	10	150	28	7	225
No	51	92	17	27	115	30	27	359
No vote	7	10	5	7	120	22	4	175

Amendment No. 4—Bylaws rules to be amended by Directors subject to certain restrictions. Withdrawn by proposer after discussion at Annual Meeting.

In 1956 Amendment No. 19—Bylaws with the exception of those dealing with elections and amendments may be amended at any meeting of the Board by a recorded unanimous vote.

	Alberta	B.C.	Man.	Maritimes	Ont.	Que.	Sask.	Total
Yes	3)30%	7)30%	3)31%	14)25%	99)16%	13)13%	5)41%	144
No.	64)	102)	31)	38)	187)	33)	44)	499
No vote	7	15	6	20	181	34	7	278

Amendment No. 38—Board may, on recommendation of the Standing Committee for Obedience, define details of any other degree etc., in the interests of Obedience.

	Alberta	B.C.	Man.	Maritimes	Ont.	Que.	Sask.	Total
Yes	3	3	2	10	97	9	3	127
No	65	112	29	46	185	50	41	528
No vote	5	9	9	26	185	23	12	269

This Committee feel they can do no more than be governed by the wishes expressed by the membership at large, that the Bylaws, Rules and Regulations may be amended only by a referendum ballot, because by the present system all eventualities are provided for and every opportunity is given to all members to express their opinions and have them brought before the membership for full and fair consideration. Apart from a few minor suggestions made below, this Committee recommends that no change should be made from the present procedure as laid down in Bylaw XXXVIII.

The three minor suggestions could, quite possibly, be handled as Standing Resolutions—(1) We think it might be helpful to members in isolated areas if the principal proposer preceded his proposed amendment by a short explanatory note, which would only be published when the proposed amendment is first placed before the membership. The Secretary should be given authority to edit or curtail the explanatory note. (2) That no amendment may be received which, in essence, repeats a proposed amendment voted down in the five previous referendum ballots. (3) That it should not be necessary for the Secretary to write the principal proposer inquiring if he wishes his proposed amendment to go to the ballot, unless the Amendment Committee Report presents any suggested changes or a majority vote recommending withdrawal.

Signed:
J. A. H. Irving
H. L. Watson
Robert B. Laskey
R. L. MacKillop not here to sign but agrees with foregoing.

Mr. Irving said that when, at the last annual general meeting, the members had discussed the several proposed amendments (of which Mr. H. N. J. Gardiner was principal proposer) the members at that meeting appeared to be in favour of the revolving plan which would call for proposed amendments to the By-laws to be voted upon in one year, proposed amendments to the Dog Show Rules the next year, and proposed amendments to the Field Trial Rules and Obedience Trial Regulations and Standards in the next year, the sequence to then follow again in the same order.

Mr. Monaghan said that some members favour the retention of the referendum ballot as it presently is, some favour the revolving plan outlined by Mr. Irving, others favour an arrangement calling for all proposed amendments to be voted upon only once in a three year period, and still others favour an arrangement calling for all proposed amendments to be voted upon only once in a five-year period. Mr. Monaghan suggested that a questionnaire be placed in the next referendum ballot with a view to determining the wishes of the majority of members, and outlined a proposed questionnaire.

Mr. Irving reported that the members of the special committee were in favour of the three-year revolving plan.

After discussion it was regularly moved by Mr. Williams, seconded by Mr. Laskey:

"THAT, the Board present be polled on whether we are in favour of a three year amending procedure."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. Monaghan, Mr. MacKendrick, Mrs. Southcott, and Dr. Watson.

Motion carried.

The President polled the Board with the following results:

IN FAVOUR OF A THREE-YEAR REVOLVING PLAN: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mrs. Southcott, and Dr. Watson.

IN FAVOUR OF VOTING ON ALL PROPOSED AMENDMENTS ONCE IN EACH THREE-YEAR PERIOD: Mr. Monaghan.

It was regularly moved by Mr. Irving, seconded by Miss Brooks:

"THAT, in view of the discussion at the Annual General Meeting held at Montreal on February 17, 1957, this Board feels that an emergency exists with reference to the amending of the By-laws, and other rules and regulations of the Club, and early amendment of Article XXXVIII, Section 1 is imperative, and therefore directs that the members eligible to vote on the next referendum ballot be asked to vote on the following proposed amendment to the By-laws:

"THAT, Article XXXVIII, be amended by the deletion of the present Section 1 in its entirety, and the following be substituted therefor:

"1. These By-laws, and all other rules and regulations of the Club, may be amended by a majority affirmative vote on a referendum ballot in accordance with the following schedule:

Proposed amendments to the By-laws to be voted upon once in each three years commencing with 1958, the next in 1961, and so on in the same sequence; Proposed amendments to the Dog Show Rules to be voted upon once in each three years commencing with 1959, the next in 1962, and so on in the same sequence; Proposed amendments to the Obedience Trial Regulations and Standards and Field Trial Rules and Regulations to be voted upon once in each three years commencing with 1960, the next in 1963, and so on in the same sequence.

All amendments to these By-laws approved by the Minister shall be effective immediately. Amendments to any rules and regulations shall be effective on the January 1st immediately following the closing of the voting. The procedure to be followed in connection with proposed amendments shall be as set out in the following sections of this Article."

In the discussion which followed Mr. Irving suggested that the proposed amendment be submitted to the Club's solicitor for any appropriate or necessary rewording and in order that the solicitor may suggest any necessary or advisable rewording in the remaining sections of the present Article XXXVIII. Mr. Monaghan suggested that a copy of the special committee's report be also turned over to the solicitor in order that he might consider the several suggestions set out in the last paragraph of that report.

Motion No. 80, as set forth above, was put to a vote with the following results:

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

It was then regularly moved by Mr. Brown, seconded by Mr. MacKendrick:

"THAT, this be submitted to the solicitor as our point of view in regard to this change or revision and he be authorized to take out anything that conflicts with this proposal or is vague or clarify any of the remaining sections."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

3754. **MEMBERSHIP**

The Secretary sought confirmation of approval of applicants for membership on lists No. 21 to No. 39 inclusive, and an instruction with regard to the application for membership held in abeyance at the request of Mrs. Gove.

It was regularly moved by Mr. Monaghan, seconded by Dr. Watson:

"THAT, the applicants on lists No. 21 to No. 39 inclusive be elected to membership, and the one applicant whose application, from a previous list, was held in abeyance."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

3755 (3752). REGISTRATION AND RELATED SUBJECTS

The Secretary referred to an instruction (which he communicated to the printers) given by the Board with regard to the identification of Volume No. 59 of the Stud Books, and read a letter from the printers expressing regret that the instruction was not carried out.

No action was taken.

Mr. Irving suggested that Volume No. 60 contain a list of all title winners since the last publication of such a list.

3757 (3754). MEMBERSHIP

The President referred to the appointment of Mr. Monaghan in Item No. 3680 and enquired whether Mr. Monaghan wished to present a report at this time.

Mr. Monaghan stated that he is still considering the subject, had no report to make at this time, anticipated that his report would be expected at the next annual meeting of the Board, and would be writing the members of the Board seeking their views.

It was agreed that the subject be held over for report.

The President reported that at the April meeting of the Board the application for associate membership received from the Ponoka Kinsmen Kennel Club had been tabled until the Secretary could obtain the views of the members of the Board in connection with the application.

The Secretary read letters received from Mr. Irving, Mrs. Mack, and Mr. MacKendrick, each of whom was against the admission of clubs or associations, and a letter from Mrs. Southcott who felt the subject should be discussed at this meeting of the Board.

After discussion it was regularly moved by Mr. Williams, seconded by Miss Brooks:

"THAT, the Ponoka Kinsmen Kennel Club be informed very nicely that their application for membership cannot be approved, no provision being specifically set out in our By-laws."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The Secretary was instructed to point out to the Ponoka Kinsmen Kennel Club that this decision had no bearing on their right to submit applications for permission to hold trials under the rules of the Club, and the Board would be pleased to consider applications for membership of any of their members.

The President reported that the Secretary desired an instruction with regard to the distribution, commencing January 1st next, of membership cards for 1958 and a message to members.

It was regularly moved by Mr. Irving, seconded by Mr. Williams:

"THAT, the Secretary be authorized to distribute membership cards commencing immediately January 1st, 1958, and also the message to members."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

Mr. Monaghan suggested and it was agreed that the words "Please bill me" be deleted from the notice, dated December 28th, to be addressed to members regarding renewal of membership for 1958.

It was agreed that it be left to the Secretary to draft and submit to the members of the Board a new message to members, to accompany membership cards in 1958, and to proceed with the distribution of such a message after considering any suggested additions or changes received from members of the Board.

The Secretary reported that the Director of Canadian National Live Stock Records had sought an instruction as to whether the Records Office should require the signature of a parent or guardian in connection with any application submitted by a minor, and read a letter from the Director in which there was quoted the opinion of the Honorary Solicitor to the Records Board, the solicitor being of the opinion that the Records Board "need not have any concern with respect to the age of a signor", and "provided a signature is bona fide (that is, not a forgery), the Board need not investigate a signor's age."

It was regularly moved by Mr. Irving, seconded by Mr. Monaghan:

"THAT, the Canadian National Live Stock Records be instructed to be guided by their own solicitor's opinion."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The Secretary read a letter from a member suggesting the issuance, for a small charge, of a membership button to any member wishing to obtain one.

After discussion it was regularly moved by Mr. Irving, seconded by Miss Brooks:

"THAT, we refrain from issuing membership buttons on the grounds that there is no way of effectively controlling the wearing of such buttons after the persons had ceased to be members of the Club."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

Mr. Monaghan suggested that appropriate steps be taken to arrange for the issuance of "Long Service Buttons" as additional members qualified for these buttons.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Southcott:

"THAT, the Secretary be and is hereby authorized to request the Registrar to inform him when a member of the Club has qualified for the long service button."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

3758. INTERNATIONAL MATTERS

The President: (1) reported that in the near future a representative of the Federation Cynologique Internationale (an organization composed of national kennel clubs) would be in Canada in the near future; (2) suggested that the Board decide whether it would be interested in the C.K.C. applying for membership in the F.C.I., and if so, to arrange for one or more representatives of the Club to meet the representative of the F.C.I., obtain information, and report back to the Board.

Mr. Irving reported that while in Germany in June: (1) it had been suggested to him that the Canadian Kennel Club address a letter to the Internationale requesting that certain breeds be regarded as indegenous to Canada (NOTE: At this point the following breeds were mentioned: Newfoundlands, Labrador Retrievers, Nova Scotia Duck Toller Dogs, Malamutes, and Tahltan Bear Dogs), and the Internationale would be prepared to consider such an application; (2) he had sought information with regard to the F.C.I. and felt that there would be benefits to membership in that organization, particularly in the case of any necessary enquiries regarding dogs imported to Canada from Europe or relating to the documents accompanying such dogs; (3) he had been asked to forward to the Internationale paraphernalia concerning the C.K.C. such as By-laws, rules, various applications, etc.

Mr. Monaghan pointed out that the statutes of the F.C.I., according to the translation furnished members of the Board, did not include any specific statement as to membership fees or the assessment of fees against member clubs.

After discussion it was regularly moved by Mr. Brown, seconded by Mr. Williams:

"THAT, Mr. Irving be provided with all the paraphernalia of our organization, and authority to send same to the F.C.I."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

It was regularly moved by Mr. Brown, seconded by Miss Brooks:

"THAT, the President be and is hereby authorized to arrange for one or more representatives of the Club to meet any representative of the F.C.I. and present a report to the Board."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

It was agreed that the Club's representatives would obtain details of any financial obligations on the part of a member-club of the F.C.I.

The President reported that as a result of his discussions with the then Deputy Minister of Trade and Commerce in March, the Secretary had suggested that the Board give consideration to the question of whether an approach should be made to the Canadian and American governments requesting the complete abolition of all duties, bonds, deposits, etc. on dogs crossing the border for any purpose whatsoever.

Mr. Irving provided details of the experience of some American exhibitors at shows in British Columbia being required to pay a charge when clearing dogs through Canadian Customs out of regular Customs hours, and reported on his personal experience in having to pay a fee to Customs in connection with the clearance of a dog which he had imported from the United Kingdom. Mrs. Gove reported that a number of American exhibitors attending recent shows at Winnipeg had been required to pay a charge to the Canadian Customs.

After discussion it was regularly moved by Mr. Irving, seconded by Mrs. Southcott:

"THAT, Mr. Monaghan be requested to approach the Canadian Customs Department and discuss charges being made and difficulties encountered with Canadian Customs with dogs crossing the border; that specific reference be made to the treatment of American exhibitors at Emerson, Manitoba."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mrs. Southcott, and Dr. Watson.

ABSTAINED FROM VOTING (being named in the motion): Mr. Monaghan.

Motion carried.

After a discussion of the Secretary's proposal it was regularly moved by Mr. Irving, seconded by Miss Brooks:

"THAT, Dr. H. L. Watson be requested to take up with the Prime Minister the matter of reciprocity on dogs crossing the American-Canadian border for any purpose whatsoever."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The President referred to the resolution adopted by the Board at its last annual meeting concerning the consideration, at the next annual meeting of the Board, of changes in standards by the American Kennel Club since the publication of "The Complete Dog Book" dated July 1, 1956, and reported that the Secretary was desirous of obtaining specific instructions as to procedure to be followed in this connection.

Mr. Monaghan suggested that the Board should not automatically approve changes made by the American Kennel Club in its breed standards, but should reserve the right to reject any changes which it did not feel were in the best interests of the breed or breeds concerned.

Mr. Irving suggested that the Secretary obtain, from the American Kennel Club, sufficient copies of the changes in its breed standards, and distribute these to members of the Board as soon as possible after January 1st next. He also suggested that an approach be made to the American Kennel Club with a view to determining whether, instead of changes in breed standards becoming effective at different times, a common effective date could be arranged for all changes in breed standards except for such changes as the Canadian Kennel Club did not choose to adopt.

It was regularly moved by Mr. Monaghan, seconded by Miss Brooks:

"THAT, the Secretary be authorized to approach the American Kennel Club with a view to agreeing on a common date on which changes in standards come into effect."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The Secretary was instructed to endeavour to secure from the American Kennel Club sufficient copies of changes in its breed standards since the publication of "The Complete Dog Book" dated July 1, 1956.

3759. DOG SHOWS

The Secretary read:

(1) A letter from the Rhodesian Ridgeback Club of Canada stating that the Club was in favour of amending the schedule of point ratings for its breed in order that two dogs of the same sex would be required before one championship point could be allocated to the male or female awarded Winners;

(2) A letter from the Bulldog Club of Central Canada registering its disapproval of the rating for Bulldogs, effective January 1, 1957, believing that the previous rating was fairer to the breed when all breed ratings are considered.

Mr. Irving stated that the new ratings were based on a formula designed to recognize the varying degrees of competition between the breeds in the various zones, and contended that the schedule could not be changed more than once in each five-year period.

It was regularly moved by Mr. Irving, seconded by Mr. Laskey:

"THAT, these clubs be informed that it is the Board's policy to revise these ratings every five years."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

Mr. MacKendrick pointed out that following approval by means of the referendum ballot a new rating for Boxers went into effect in April (1956) yet by the Board's order another rating for the breed became effective on January 1st, 1957, and reported that the Boxer Club of Canada wished an explanation of why the prior rating, when approved by referendum ballot, was subject to this change.

It was regularly moved by Mrs. Gove, seconded by Miss Brooks:

"THAT, the Secretary give Mr. MacKendrick a letter of explanation regarding change in the point ratings for Boxers."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The Secretary read a letter from Emerson Robertson, Toronto, who pointed out that at a championship show held under C.K.C. Rules it is possible for a Beagle winning Best of Breed to earn less points than other dogs in the breed at the same show, and suggesting that the Board adopt an interpretation designed to remove this anomaly.

After discussion it was agreed that the rules did not provide for an increase in points in the circumstances cited by Mr. Robertson, and instructed the Secretary to suggest to Mr. Robertson that he submit a proposed amendment for the consideration of the members.

The President: (1) pointed out that at the last annual meeting of the Board Mr. Irving had reported on the procedure followed in British Columbia when two applicants had been examined on their knowledge of breed standards and of the Dog Show Rules; (2) pointed out that Mr. Laskey had submitted proposed rules regarding the examination of applicants in the Maritimes, (3) suggested that instead of varying procedure in connection with such examinations, there ought to be one standard procedure universal to the entire country; (4) pointed out that one resident of Ontario had applied for approval as a judge of all breeds and wished to be examined as provided in the Dog Show Rules.

After discussion it was regularly moved by Mr. Laskey, seconded by Mr. Brown:

"THAT, this Board appoint an examination committee of five persons to examine and report on Mr. Peter Smith's knowledge of the standards of the breeds which he wishes to judge and to demonstrate his knowledge of judging procedure and show rules relating to the position of judge."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss

Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

Having reached its previously agreed deadline of 8:00 P.M. for this session, it was agreed that on reconvening the Board would continue its deliberations on this subject.

3760 ADJOURNMENT

At 8.00 P.M., on motion by Mr. Brown, duly seconded and carried, this meeting of the Board adjourned to reconvene in the same place at 9.30 A.M. on Friday, September 6th, 1957.

SEPTEMBER 4th-5th-6th, 1957
(Third Session)

3761. This special meeting of the Board of Directors of The Canadian Kennel Club again reconvened in the Club's offices, 667 Yonge Street, Toronto, Ontario, commencing at 9.30 A.M. on Friday, September 6, 1957, with the President, Mrs. M. E. McEachren, in the Chair, and the following members of the Board present: Walter Brown, V. W. Williams, Miss L. Brooks, Mrs. J. Gove, J. A. H. Irving, R. B. Laskey, J. W. MacCallum, W. H. MacKendrick, W. J. Monaghan, Mrs. M. E. Southcott, and Dr. H. L. Watson.

3762 (3759). **DOG SHOWS**

Discussion resumed on the subject of examination of a person submitting an application for approval to judge dog shows held under the Club's rules.

It was regularly moved by Mr. MacKendrick, seconded by Dr. Watson:

"THAT, the Committee to be formed by the Board be composed of Mr. Walter Brown (as Chairman), Mr. Walter H. Reeves, Mr. Reg. F. Sparkes, Mr. J. W. MacCallum, and Mrs. D. T. Weir, as a five—man Committee with alternatives of Mr. Stan Whitmore and Mr. A. R. Sacre in the event that any of the five specifically named cannot serve on the Committee."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

It was suggested that provision be made for the processing of any furtner applications which may be submitted by persons residing in Ontario.

It was regularly moved by Mr. Monaghan, seconded by Mr. MacKendrick:

"THAT, the Chairman of this Committee be empowered to form such other Committees as may be necessary to take care of additional applications for examination, said committees to submit reports with recommendations to the next annual Board meeting when the policy will be reviewed."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The Secretary stated that no standing resolution had been adopted in respect to the procedure to be followed in the approval of judges for snows and trials, and sought clarification of the policy to be followed in that regard.

Dr. Watson and Mrs. Gove felt that the Secretary should continue the practice of consulting the local provincial Director, in provinces other than Ontario, before approving judges for shows or trials.

The Secretary expressed the view that a policy should be adopted applicable to all areas.

It was regularly moved by Mr. Williams, seconded by Mr. Irving:

"THAT, applications for approval of selected judges, when received from show or trial-giving clubs, shall be dealt with by the Secretary who shall have the power to approve or reject, this policy to apply on all applications received by the Secretary."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

(STANDING RESOLUTION) Motion carried.

Mrs. Gove suggested that show and trial-giving clubs should be encouraged to submit reports on the work of officiating judges.

The President suggested that show-giving clubs should be asked to submit two lists of proposed judges so that approval of judges would be expedited in the event approval is not given on one or more of the selected judges on the first list.

Mr. Irving stated that many show-giving clubs find it difficult to prepare one list of proposed judges.

Dr. Watson stated that the time had arrived for the Board to take steps to stop the administration of drugs to dogs entered in competitive contests held under the Club's rules, feeling that this practice would mislead officiating judges. Mr. Monaghan enquired what tests would be conducted to determine whether a dog had been drugged. Dr. Watson stated that the problem should not be handled by way of rules, but rather through the adoption of a Code of Ethics in which it would be made clear that such a practice is most unethical.

It was regularly moved by Dr. Watson, seconded by Miss Brooks:

"THAT, a notice be published in premium lists and catalogues that the administration of drugs in any form to dogs shall be considered as misleading the judges, is considered misconduct in the opinion of the Board, and the person or persons responsible will be subject to disciplinary action in accordance with the rules of the Club."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

(STANDING RESOLUTION) Motion carried.

Mr. MacCallum reported that the measuring standard previously approved by the Board presented a difficulty when used in measuring dogs at the 15 inch level, and demonstrated a new standard where dogs could be measured from a minimum of 8" to a maximum of 18", and then above 18" by a simple adjustment.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Gove:

"THAT, the proposed official measuring standard, as reported by Mr. MacCallum, be approved."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

Mr. Williams expressed the view that the present provisions of Sections 8 and 9 of Chapter 9 (JUDGES) of the Dog Show Rules were unfair to judges and exhibitors, and suggested that the words "within one year" should be changed to "within six months".

Mrs. Southcott suggested that the same change should be made in the Field Trial Rules and Obedience Trial Regulations and Standards.

It was agreed that the revision suggested by Mr. Williams was reasonable, although such revision could only be made by way of the referendum ballot.

The President reported that Mr. Williams had asked that the subject of measuring dogs be placed on the agenda of this meeting. Mr. Williams stated that he felt the present provisions of Sections 4 (a) and 5 of Chapter 19 of the Dog Show Rules were inadequate, and the Board should clarify these rules for the guidance of judges, show officials and exhibitors.

After discussion it was regularly moved by Mr. Williams, seconded by Mr. Irving:

"THAT, where a request is made, before the judging of the class, by any competing handler or exhibitor at the show or the officiating judge for the measurement of any dog (except Beagles — otherwise provided for), the measuring shall be done at a suitable location in the dog show building or premises, by the Show Superintendent by the use of a standard of a type approved by the Board and shall be done only in the presence of:

1. The owner or handler of the disputed dog.
2. The person registering the request for measuring.
3. Three (3) witnesses, one chosen by the owner, one by the complainant, and one by the Show Superintendent.

The result shall be recorded on a form provided by the Canadian Kennel Club, the form shall be signed by the Show Superintendent, and shall hold good at the time of judging at the show. Said report shall be forwarded to the Secretary of The Canadian Kennel Club and shall be prima facie evidence of the height of the dog at that show. The decision of the Show Superintendent shall be final in the determination of height and shall hold good at the show at which it was made, and shall in no way determine the eligibility or ineligibility of a dog to be entered at a subsequent show or its measurement at a subsequent show."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

(STANDING RESOLUTION) Motion carried.

It was agreed that:

Notwithstanding condition No. 2 in the foregoing resolution, if the request for measurement is made by the officiating judge, he is not to participate in or be a witness to the measuring of a dog.

A request for measurement may be made by a person exhibiting in a breed other than in the one wherein he has requested a measurement of an entry. (For example: The owner of a Bulldog competing in the group may request the measurement of a Poodle competing in the group if said Poodle was not previously officially measured at the show).

The Secretary read a letter from Mr. Monaghan who suggested that where a conformation show is held in conjunction with a field trial, it should be the right of the show-giving club to dispense with the awarding of awards above the Winners and Reserve Winners level.

Mr. Monaghan reported that those trial-giving clubs with whom he had discussed this proposal had not registered any objection.

Mr. Irving said that the award of Best of Winners occasionally decides whether either of the Winners receive higher points.

The matter was tabled for further consideration.

The Secretary read a letter from Mr. Irving who sought clarification of the status of the sanction show rules in respect of puppy matches for dogs under six months of age.

In the discussion which followed it was agreed that dogs under six months of age should not be permitted in competition at sanction shows, and puppy matches were not events coming within the definition of a "sanction show".

It was regularly moved by Mr. Irving, seconded by Dr. Watson:

"THAT, the rules governing sanction shows be amended by the addition of the following to Section 1:

"The Dog Show Rules shall apply in respect of definition of age, disqualifications and veterinary inspection";

and puppy matches are not considered sanction shows."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The Secretary read a letter from Mrs. P. A. Margeson, Kentville, N.S. objecting to certain parts of the current "Application for Appoval to Judge" forms.

Mr. Irving stated that the present application was consistent with the provisions of the Dog Show Rules except that he felt residents of the United Kingdom and United States should not be required to answer the questions presently set out on page four of the application.

It was regularly moved by Mr. Irving, seconded by Mr. MacKendrick:

"THAT, for judges approved by the American Kennel Club or the Kennel Club (England) we delete those questions on page four of the present application."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The Secretary read the reply which he had addressed to Mrs. Margeson. It was agreed that no further action be taken.

3763 (3731). OBEDIENCE TRIALS

The Secretary read the following report (dated June 13th—received August 7th) received from the Chairman of the Standing Committee on Obedience:

Meeting of the Standing Committee on Obedience. Held at Dorval, P.Q., Thursday, June 13th, 8.30 p.m.

Present: Chairman, Mrs. P. B. Mack, Messrs. A. Sharp and F. Mingie.

It was agreed that a request be made to Mr. N. F. Brown to have the buttons for the Obedience Representatives made and issued as soon as possible.

The proposed sheets to be used for Tracking tests were approved and the order given for the printing of same.

Title for combined breed champions and Ob. title holders (U.D. or U.D.T.) it was agreed to leave this as is and that the simplest way to describe this in a catalogue or on the dog's registration certificate would be Ch. before the dogs name and the obedience titles after the dog's name as is done at the present time.

Official approval was given to Mr. Malcolm McDougall who had successfully passed the examination (see enclosed certificate) to apprentice at three tracking tests to qualify for his approval to judge Tracking. It was agreed and has already been approved by the Board of the C.K.C. that as the Tracking tests are so infrequent in Canada Mr. McDougall be allowed to apprentice at two Tracking Tests to be held under A.K.C. rules providing that he makes his own arrangements in this matter.

Mr. Gerald McNally was examined by the committee on his knowledge of Obedience Trial Rules and Regulations and was approved by this Comm. to apprentice at three trials in order to be approved at a later date to judge licensed Obedience Trials.

Comments were given by members of the Comm. on the proposed Handbook for Obedience Ring Stewards and the corrected copy has now been forwarded to the Canadian K.C. for printing and distribution to Trial giving Clubs.

There being no further business this meeting adjourned.

Respectfully submitted,
Signed "Pamela B. Mack"
Pamela B. Mack,
Chairman,
Standing Comm. on Obedience.

With regard to the question of buttons or other identification for Obedience and Field Trial Representatives the Secretary reported that:

(1) Early in the year he had obtained samples of a ribbon with the C.K.C. crest (here exhibited samples to the Board);

(2) More recently further enquiries had been made and identification in the form of a crest (attachable by pin or sewn on to a jacket, blazer or dress) was available at between $5.50 to $6.50 each depending on quantity ordered (here a sketch was exhibited for the Board's inspection).

Mrs. Southcott and Mr. Monaghan suggested that whatever identification is employed for such representatives it should be of a prominent nature and readily recognizable.

Mr. Irving suggested that consideration be given to the use of a plastic identification badge often seen at Luncheon meetings.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Southcott:

"THAT, the Secretary be authorized to purchase the necessary number of official badges similar to the sketch and distribute them to the appropriate representatives."

An amendment to this motion was regularly moved by Mr. Williams, seconded by Mr. MacKendrick:

"THAT, the Secretary be instructed to proceed to obtain the required number of badges at the best price possible, not to exceed $3.00 per badge."

The amendment to the motion was voted upon with the following results:

FOR THE AMENDMENT: Mr. Brown, Mr. Williams, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

AGAINST THE AMENDMENT: Miss Brooks and Mrs. Gove.

Amendment carried.

The Secretary reported that the action taken by the Chairman of the Standing Committee with regard to the printing of judging sheets for tracking tests was taken at his request in order that such forms would be available for tracking tests to be held this fall.

It was regularly moved by Mr. Brown, seconded by Mr. Williams:

"THAT, we endorse the Secretary's action in having the tracking test forms printed."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

AGAINST THE MOTION: Mr. Irving.

Motion carried.

The Board discussed the Committee's recommendation, with regard to titles, which arose out of the Board's request that the Committee consider the question whether a dog having earned its show championship and obedience trial championship should be identified as a "Dual Ch." or otherwise.

It was regularly moved by Mrs. Southcott, seconded by Mr. Irving:

"THAT, a dog having earned the title of Obedience Trial Champion shall be entitled to the prefix of "O.T.Ch.", and if also a show champion it may be designated by the prefix "Ch. and O.T.Ch.". In those cases where it is applicable the 'T' for Tracking shall appear after the dog's name."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

(STANDING RESOLUTION) Motion carried.

The question of a 'Handbook for Obedience Ring Stewards' was ordered held over the consideration under Item No. 12B on the agenda.

The Secretary read a further report (dated August 27th) from the Standing Committee on Obedience.

The views of the Standing Committee with regard to a proposed penalty guide for obedience trial judges were then considered. Mrs. Southcott reported that as Chairman of the Obedience Council she had forwarded a copy of the suggested guide to all Obedience Representatives with a request for their views.

It was regularly moved by Mr. Monaghan, seconded by Mr. MacKendrick:

"THAT, the penalty guide be adopted as a guide only for those obedience judges who wish to use it."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The Board then considered the revised proposed 'Handbook for Obedience Ring Stewards'.

It was regularly moved by Mr. Irving, seconded by Mr. Laskey:

"THAT, this be handed to the Chairman of the Council in order that she may consult the members of the Council and report at the next annual meeting of the Board."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

3764 (3762). DOG SHOWS

The President reported that the Secretary was now receiving applications for permission to hold championship shows, obedience trials and field trials in 1958, and desired an instruction with regard to approval of these applications.

It was regularly moved by Mr. Monaghan, seconded by Mr. MacKendrick:

"THAT, the Secretary be and is hereby authorized to approve applications for 1958 show and trial dates."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The Board discussed the question of granting permission to a club to hold a championship show when such club had no prior experience in the staging of championship shows.

It was regularly moved by Mr. Williams, seconded by Mr. Brown:

"THAT, at the discretion of the Secretary no date be granted to a club which has not previously held a championship show under C.K.C. Rules until that club has held one or more sanction shows."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The President reported that in response to a notice sent to show-giving clubs in March, the Secretary had received a number of applications for priority rights on show dates and desired an instruction as to approval of applications received.

In the discussion which followed it was agreed that the Secretary would consult the five Ontario Directors with regard to applications originating in Ontario, and would seek the recommendation of the local Director in connection with applications originating in other provinces.

It was regularly moved by Mr. Irving, seconded by Mrs. Gove:

"THAT, the Secretary draw up his proposed schedule and consult the five Ontario Directors."

FOR THE MOTION: Mr. Brown, Mr. Williams, Miss Brooks, Mrs. Gove, Mr. Irving, Mr. Laskey, Mr. MacCallum, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, and Dr. Watson.

Motion carried.

The Secretary read a letter from the German Shepherd Dog Club of British Columbia seeking permission to use the titles of 'Grand Victor' and 'Grand Victrix' in connection with a specialty show for German Shepherd Dogs.

After discussion it was agreed that inasmuch as no provision exists in the rules of the Club for the granting or usage of these titles, the matter was not one with which the Club is concerned.

The Secretary placed before the Board reports received from Dr. Watson, and Mr. J. J. Flynn (Show Superintendent), in connection with the championship shows held on May 9th-10th-11th, by the Moose Jaw Kennel Club.

Dr. Watson stated that in view of a report which he had felt compelled to make to the Board in 1956, he felt the Board should know of the general excellence of the shows staged by the Moose Jaw Kennel Club this year.

Mr. Irving enquired whether any action had been taken to draw up a pro-forma premium list for the guidance of show-giving clubs. The Secretary reported that the project in question was progressing.

3765(3763). OBEDIENCE TRIALS

Mrs. Southcott, Chairman of the Obedience Council, sought clarification of the position of the Council vis-a-vis the Standing Committee on Obedience. In the discussion which followed it was agreed that the Council should take its rightful place in connection with obedience matters as provided in the By-laws of the Club. It was, however, agreed that the Board having given the Standing Committee the duty of finalizing applications for approval to judge obedience trials, that function of the Committee should continue along with such other matters as may be referred to the Standing Committee from time to time.

The Secretary was instructed to write the Chairman of the Standing Committee as agreed by the Board at the same time pointing out that at its last annual meeting it was understood that the Chairman of the Obedience Council would be accorded full membership status on the Standing Committee.

3766. FIELD TRIALS

The Secretary read a letter from the Black and Tan Coonhound Club of Canada in connection with field trial rules for Coonhound field trials.

The President suggested and it was agreed that the matter be held in abeyance pending the receipt, from any source, of proposed rules for Coonhound field trials.

Mr. Irving stated that a standing resolution adopted by the Board at its last annual meeting in connection with the approval of judges for the National Retrievers Championship Stake was presenting a difficulty, and requested that the Board consider deleting the resolution from the book of Standing Resolutions until the members, in the next referendum ballot, had an opportunity of approving or rejecting a proposed amendment (to the Field Trial Rules and Regulations) dealing with the same subject.

Club Notes (*from page* 31)

German Shepherd Dog Club of Western Ontario
by Alice Cook

With our first Specialty Show and Obedience Trial safely over we can all take a deep breath and relax for a while. Now that the Shows are over we feel that we have accomplished something. Congratulations to all those who won awards at the Show. As the wins will no doubt be published elsewhere in this magazine, we need not dwell on them. We take this opportunity of thanking all those who worked so hard and helped to make the Show successful.

The entertainment committee report fun and games are in the making and we hope to see everyone out to the Hallowe'en Party.

A good representation from the Club attended the Toronto Specialty Show and as always spent a full and enjoyable day. Worthy of mention here is Alex Sangster's "Constellation" who placed second in Canadian Bred Class out of a class of eighteen.

Word has just reached us that Gord and Kay Brackett have arrived in Western Canada and are temporarily located in Edmonton. They hope to be moved back to London this winter. The members join me in wishing them good luck on their new venture.

In the Obedience World, Andy Wayda's "Princess Chola" goes to the head of the class for having obtained her C.D. Title. This brings the count to six members who have won C.D. Titles this year.

A good crowd turned out for our October meeting which was held in London on October 8. After a short business meeting, Mr. and Mrs. A. McKenzie entertained the members by showing motion pictures of their trip to California. A social evening was enjoyed by all after the pictures.

The German Shepherd Dog Club of Canada
by Helen I. Scott

At the Specialty Obedience Trial September 1, held in Oshawa, Mr. Wm. Scott's Shepherd, Margar's Anette (Jade), who was shown in Novice "A", was highest scoring dog in Trial with 195¾ points.

On September 7 at the Ontario County Kennel Club, held in Whitby Arena, Mrs. Carol Richards showed Charm and obtained her first Points towards her Canadian Championship.

At the Oakville and District Kennel Club Show held September 14, three of our club members did very well. Mary Southcott's Fort Coer Lobo was Winner's Dog. Mr. Alex Gunn's Tinaking Bodo, shown in Novice "A" had a qualifying score of 192¾ points. Mr. and Mrs. H. Burrows' Normandy's Gretchen, shown in Novice "B", and Normandy's Kazi, shown in Open "B", both had qualifying scores.

The German Shepherd Specialty Obedience was held on September 15. Mr. and Mrs. H. Burrows' Normandy's Kazi had the highest score in Trial. This gives

Gooseberry Hill

home of

IN KERRY BLUES

CH. MELBEE'S STARDUSTER just added another two Terrier Group wins to his 1957 record, under Judges Mr. Reg Sparkes and Mr. T. E. Gundersen.

CH. DORCLIFF FIREFLY again bred to Starduster to produce puppies like HAGKERRY'S VICTOR owned by Mrs. E. T. Whiteley. Victor went X and Y in the Terrier Groups at Winnipeg and topped it off by going Best Canadian Bred Puppy in Show the final day. An enviable start at the first two shows for "Victor".

S. S. DRAGONFLY — a bold and beautiful lady needs three points for her championship. "Cindy" will be bred to "Starduster", a combination of Downsview breeding that should produce some sensational puppies.

JULO KENNELS REG.
J. W. Haggerty, 340 Dawson St.
Port Arthur, Ont.

DID YOU KNOW
this issue of DOGS is being read right now through the United States? Advertise your stock to American as well as Canadian readers.

the dog his C.D.X. degree. I forgot to mention Mr. Burrows showed "Shep" at the Oshawa Trial and had the second highest score.

Now the results for the show all members worked toward all year. The German Shepherd Specialty Show. Due to the inclement weather the show had to be held in the Horticultural Building on the C.N.E. Grounds. There isn't enough space to list all the awards so we'll just say congratulations to Mrs. Irene Seeber's Warjan's Maharajah and Sheila of Spruce Roe; Doug. Ames' Glen Stewart's Cindy, Helsa & Irma; Mary Southcott's Sonseeaharay of Cara Mia and Mr. Ed. Summerfield's Sussex-Leigh's Lady Lorraine. Most of the Top Honours and Grand Victrix Trophy went to our American Friends. However, we kept the Grand Victor in Canada. This was won by Mr. Harry Watson's Ch. Ero V. D. Auwallenburg. The show ended with a dinner at the Dutch Sisters.

Flash!! — Burlington show results just phoned in. Mrs. Edna Lucas, one of our club members, judged the Shepherds. Mr. Alek Gunn's Tinaking Bodo was Best Canadian Bred dog; Vali Von Seighaus, owned by Mrs. J. Taschner, was Best of Breed; Lucille of Cara Mia, owned by Mrs. Mary Southcott, was Winner's Bitch.

The Kerry Blue Terrier Club of Canada
by Edna Joel

Due, I'm afraid, to a little laxity on my part I forgot to congratulate one of our members, Cliff Tushingham, on his fine wins at the C.N.E. with his homebred bitch Dorcliff Josephine. It was, I'm told her first sojourn into the show ring. A lovely lady, indeed, she certainly came and conquered. Congratulations!

The club held an All-Terrier Puppy Match at the home of Mrs. McEachren on Sunday, September 22. Although the weather rather let us down toward the end it was still a very enjoyable affair and enabled us to help replenish the coffers of the club a little. Best of Match was the Scottish Terrier, Benbraggie Julie, owned by Harry Fraser, Ottawa; B.O.S. was the Airedale owned by Mr. Stewart. Incidentally, where did all these Kerries come from? I didn't know there were so many about. Won't you dear owners come along to our club meetings at the Chateau Dufferin, second Wednesday in the month?

The Lakehead Kennel Club
by John W. Haggerty

A very sincere "thank you" to the Coronation and Obedience clubs of Winnipeg. Lakehead exhibitors were extended a genuine welcome and a most friendly atmosphere prevailed to make both shows a very enjoyable experience.

Almost all Lakehead exhibitors were seen leaving with at least one trophy from what we must mention as "one of the finest arrays of trophies we have seen in some time".

Congratulations to the first Lakehead dog to win Obedience legs. Mrs. R. Koski of Port Arthur handled her German Shepherd "Sunday" to two legs on a C.D.

The regular monthly meeting of the L.K.C. was held on October 3. Discussion dealt with plans for our 1958 shows. Our next meeting is our yearly nomination meeting and a good attendance is hoped for.

Last dog shows within travelling distance—Minneapolis Kennel Club on November 10, all breed and Obedience Trials, distance 340 miles from the Lakehead.

Mountain City Obedience Club of Montreal
by Marjorie D. Owen

After most successful trials in Senneville on June 1 and 2, the club members launched forth on a busy summer season. Activities included Summer School on the McGill grounds under the instructorship of Gerald McNally; on the South Shore under Mrs. Audrey Laurie; and in Lachine under Miss Patricia Murray. A great number of the members were so preoccupied with completing C.D.'s and C.D.X.'s that they took no vacation from the trials in surrounding districts.

Fall training began in earnest in early September with good attendance—an average of 20 dogs per class. Plans are being made for a series of Mock Trials throughout the season in various localities.

On October 5 the Eastern Townships held graduating exercises for the Advanced Class in the Armory in Sherbrooke—Mrs. Waldren and her German Shepherd "Tina" taking top honors. Judging by Wallace and Marjorie Owen of Montreal. Following the graduation the Mountain City Obedience Club gave an exhibition with six of their dogs. During the afternoon a collection of $15.85 was made for the S.P.C.A. of Sherbrooke.

On October 6 a Mock Trial was held on the Y.M.C.A. grounds in Sherbrooke with 20 dogs entered. Judging by Miss Dorothy Budge. Highest novice score went to Mrs. Waldren of Lennoxville with her "Tina"; highest Open score by Mrs. Bryson's Standard Poodle "Cobber" handled by Gerald McNally; and highest Utility score to Mrs. Casgrain's "Becky". High score of the trial went to Mrs. Waldren's "Tina".

There is a real and growing interest in Obedience Trials and competition in the Eastern Townships. A new class is planned for January with David Waldren of Lennoxville as instructor.

Her many friends will be delighted to know that Mrs. Bryson, having suffered a broken hip last winter, has now recovered sufficiently to handle her Poodle "Cobber" in the ring in the exhibition at Sherbrooke Armory.

Do dog owners still allow their pets to play with rubber toys? A Boxer of our acquaintance chewed off and swallowed the end of a large rubber bone. The result was devastating—a gastrostomy and one very ill dog. Please, for the sake of all pets, get rid of rubber toys and toys small enough to be gulped

AM. & CAN. CH.

JANICE

HOLIDAY

RHAPSODY

Bedlington Terrier

Janice has just returned from the U.S.A. where in less than one month she finished her American Championship. Janice finished with four majors for eighteen points and has never been defeated in her classes.

It should be noted that the sensational wins of this beautiful female were scored in the New York area which is undoubtedly the most competitive Bedlington section in the North American Continent.

Janice has just been bred to International Ch. Foggyfurze Classic Cut. Your puppy reservations may be made now.

down. It will save so much in the way of pain and grief, to say nothing of expense.

New Brunswick Kennel Club, Inc.

by R. B. Laskey

Fifty years is a long time of dog activity for an individual or for a dog club. The city of Saint John, N.B., is a very old dog centre, one of the two oldest in Canada. It is the home of the New Brunswick Kennel Club Inc. Before this club was formed in January, 1907 there were all breed dog shows held in Saint John about 1880. Its first official, or as we call them now championship show, was under A.K.C. rules. The first such shows began in 1885 with James Mortimer as the judge. Then it was the N.B. Poultry and Pet Dog Club. Shortly after the C.K.C. was formed, dog men in the old Loyalist City talked of having their own dog club but it was not until 1907 that the N.B.K.C. was formed and later incorporated.

A good many noted and large dog clubs have started since then, thrived, flourished and faded, even in the Maritimes. However, the sons of their fathers kept this honoured club active and in good standing. It has been the only dog club in Saint John, nor did it ever change its name.

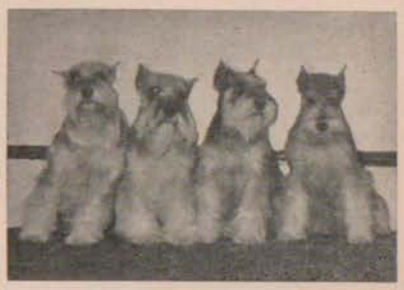

The older members and officers made this year as the time for a memorial year, 1907-1957. August 23 and 24 the club benched two of its best and largest all breed championship shows. They were the 63rd and 64th annual championship shows. Also, it was the 64th annual show at the Canadian National Exhibition.

It seemed fitting, too, that we had with us as our all breed judge the first day the C.K.C. president, Mrs. M. Eileen McEachren of Todmorden, Ont. Also for the second show next day Mrs. P. A. Margesson of Kentville, N.S., who told me our N.B. Kennel Club was the first dog club she joined, next was the C.K.C. over 20 years ago.

As a compliment to these two worthy judges this club hustled for a bumper entry—over 50% of our previous shows —200 or more dogs benched. The Toy dog entry was the best ever.

Mrs. McEachren chose for her Best in Show the very attractive Greyhound, Ch. Treetops Demon King owned by the Squirrel Run Kennels, Wilmington, Delaware. This was not the first Greyhound to go Best in Show in N.B. or N.S. Some years ago John G. Kent, then president of the Canadian Kennel Club, owned and showed extensively in Canada and the U.S.A. his grand Greyhound Ch. Master Butcher. This dog won B.I.S. at Halifax and Saint John with the well-known handler from Ontario, Bert Swan. That was about 30 years ago.

The six shows—one week of August 19 to 24—was by far the best circuit ever benched in Moncton, Fredericton and by the N.B.K.C. With the all breed fixtures we, for the first time, had in N.B. three Obedience Trial Shows in Moncton and Fredericton. In Saint John with the

THESE TOP PUPPIES ARE GOING FAST

AND NO WONDER! They're by **Ch. Benrook Brandy** (winner of the 1956 miniature Schnauzer specialty at New York), **Ch. Handful's Redstart,** another oustanding U.S. champion, and **Benrook Victor,** which started his show career this fall by taking the male points at the big Westchester show.

The dams are equally outstanding.

Two of the puppies are going to Salt Lake City, one to Buffalo and one to Montreal. Only two more will be sold as we are keeping three for showing in 1958. But these two are really quality.

N.B.K.C. show was caged a banner exhibit put on by the Maritime Toy Dog Club. The best of its kind in Eastern Canada, equal to any caged in Canada, was the judge's comment—Nigel Aubrey-Jones of Montreal.

Ontario County Kennel Club
by Mrs. H. F. Porter

The regular monthly meeting was held recently in Oshawa with a small attendance of members due to illness. It is hoped that the invalids are well on their way to recovery. The show secretary, Mrs. H. F. Porter, gave a very favourable report on the championship show held in September at Whitby and all helpers were extended a vote of thanks.

It was decided to hold a Sanction show early in the new year and at the November meeting judges will be selected, also plans made for the 1958 Championship show. All members are urged to make a special effort to be present at the next meeting as there will be a lot of business to attend to.

Poodle Advancement Association
by Edna Joel

The next meeting of the club will be held at the home of Mrs. Susie Mae Weir, Steele's Ave., on Saturday, November 16 at 2.30 p.m.

Our last meeting, held on September 29 at the home of Mr. and Mrs. Ellis, was a very enjoyable one, a lot of spade work being done to get the organization of the club running smoothly. In the not too distant future we hope to get puppy matches, veterinarian talks, etc., going. For membership apply to yours truly.

The Progressive Kennel Club of Canada Inc.
by Gertrude W. Drew

The revised constitution came up for its first reading at the October meeting. The committee went into the matter thoroughly and many imporant changes were made. It will feature the November meeting when it will again be discussed and voted on. All members should try and be present.

With the cessation of shows in Ontario many of our members are turning their attention to the Quebec trio to be held in Montreal the end of November. These shows promise to be very interesting events and it is expected that many dog people from these parts will attend.

Mrs. Yan Paul has become a very popular judge across the line and has fulfilled several assignments this year. Recently she judged the toy group at Warren Ohio. She reports a large entry of excellent quality dogs and was delighted to have the privilege of judging the sensational Maltese, Ch. Brittigan Bright Eyes, a beautiful little dog that has made a record for the breed.

Mrs. Eileen McEachren's Kerry Blue Terrier continued his winning streak by taking Best in Show at both Oakville and Burlington shows.

Regina Kennel Club
by Dr. L. R. W. Hamilton

The year of 1957 has been one of growth and development for the Regina Kennel Club. Our membership has climbed from 18 last year to 64 at present.

In February an Obedience class was organized with Mr. Frank Duckworth acting as instructor. Three dogs from this class went to Winnipeg for the June Obedience Trials and made such an excellent showing that in September six Regina dogs were entered in the Gateway Obedience Trials with the result that three of our dogs have earned their C.D. while three more have legs toward their novice degree.

In October a novice class of 18 dogs and an open class of 10 dogs started with Mr. Frank Duckworth taking the open and Mr. Gay Rimmer the novice.

During June and July a dog training course for children was sponsored by our Club in co-operation with the City Recreation Department. On Wednesday evenings 60 children brought their dogs to the playgrounds where instructors from the Regina Kennel Club helped them learn the rudiments of teaching their dogs to heel, sit, stay, etc.

In September a Sanction Dog Show was held with 32 dogs participating. An Obedience demonstration was also staged for the 200 spectators. Such enthusiasm was shown that we look forward to our proposed three day conformation show and obedience trials in the spring with confidence.

During the year our publicity committee under Mrs. David Dean arranged for several T.V. appearances and a group demonstration of obedience work on C.K.C.K.-T.V. There were also three evening displays of obedience work during the intermissions of a large music recital series, in which approximately 1000 people gained a better understanding of how a dog should behave.

Scottish Terrier Club of Canada
by Mrs. Harry Fraser

The regular monthly meeting was held at the home of Lt. Col. H. Stothers. Mr. Fred Fraser, president; secretary Miss Beth Stothers read the minutes of the previous meeting. It was planned we hold an All Terrier Specialty May, 1958, as the date had been granted to the club by the C.K.C. Mr. Arthur Ball, treasurer, reported on our bank balance and Mr. Harry Fraser, advertising officer for 1957, reported on all ads having been paid. Steve Titus thanked all the exhibitors and everyone that helped to make our 1957 show such a success.

Mr. Heywood R. Hartley of Richmond, U.S.A., wrote to our club and thanked the club for the wonderful hospitality he had received while judging our show.

The meeting was then adjourned by Mrs. Harry Fraser and following the business period refreshments were served with Mrs. E. Picton assisting. A vote of thanks was then proposed by Mr. Ted Gundersen.

New Data on Inheritance of Coat Color

(*Continued from page* 15)

8. The P-p pair. Animals with the P gene are the ordinary color varieties of dogs. In pp animals, however, the dark pigment is greatly reduced without reduction of yellow or red. Liver animals under the influence of pp become light yellowish fawn in color.

9. The S series. This is one of the most interesting of the coat color loci. Affecting the distribution pattern of colored or white areas, it has certain qualities which define and limit its activities. At each level of white spotting characteristic of the S alleles, various genetic factors independent of the main gene are operative. These cause the extent of pigmented or white areas to fluctuate around a given mean of distribution which the main gene alone produces.

The mean amount of pigmented surface can usually be modified by selective breeding in successive generations. On the other hand, an appreciable amount of variation is apparently non-genetic in nature.

At least four alleles appear to be well-established. The highest, S, is responsible for a solid color coat with no white, or with very minute spots on toes or chest. The next member, S^i, known as "Irish" spotting, produces a pattern in which any one or more of the following areas may be white: muzzle, fore-

head, feet, tail tip, chest, belly, throat or neck. It is seen in its most typical form in the Basenji breed. In development under selective breeding, spots which fuse and extend to produce a collar may also be produced.

The third member, s^p, is responsible for piebald spotting. In this group are dogs varying from those which show a condition similar to Irish spotting to others which have only 15 to 20% of their coat pigmented, as expressed in the Beagle.

The lowest member of the series is s^w, or extreme-white piebald, expressed most clearly in such breeds as the Samoyed, Great Pyrenees, Bulldog, Bull Terrier, Greyhound and Sealyham, and others where an eye, ear, or tail patch occasionally appears in an otherwise white breed.

In two other breeds where all-white or extreme-white piebald animals are found with no apparent relation to the M (dapple) gene, there is evidence that s^w is present. These are Collies and Boxers where a relationship between s^w and one or more alleles at the S locus is involved. In Greyhounds and Bulldogs the existence of all-white or nearly-white individuals is sufficiently frequent to make it probable that s^w is present.

10. S^w is also probably characteristic of Dalmatians, but the gene T for ticking is present. Dalmatian puppies are born clear white or with a few clear-pigment blotches due to the s^w pattern.

Ticking with pigmented flecks on a white background is found in a number of breeds, notably hounds, pointers, spaniels and setters. There is some evidence that ticking, at least on the extremities of other breeds with T, may appear earlier than it does in Dalmatians. This may be due to modifiers or some characteristic metabolic factors.

11. Regarding the Possible R Locus—There is a question whether some relationship exists between roan (R') and ticking. In the German Short-haired Pointer, for example, it is often extremely difficult to distinguish between what may be a small tick spot and a local condensation of pigmented hair in a roan area. Because of the lack of definite data and clear evidence of genetic complexity, it is wise to adopt a conservative attitude toward acceptance of a definitely dominant roan gene. Present information makes it seem more likely that ticking and roan grade into one another.

KEY TO ABBREVIATIONS

Group Awards

The letter "X" at the end (or the beginning) of name of dog indicates the dog awarded Best Canadian-bred in Group. The letter "Y" at the end (or the beginning) of name of dog indicates the dog awarded Best Canadian-bred Puppy in Group.

BREED AWARDS

Class abbreviations—JP—Junior Puppy Class; SP—Senior Puppy Class; N.—Novice Class; C—Canadian-bred Class; E—Bred by Exhibitor Class; O—Open Class.

Class placements—1.—1st in Class; 2.—2nd in Class; 3.—3rd in Class; 4.—4th in Class.

Other breed awards—W—Winners; RW—Reserve Winners; BW—Best of Winners; BV—Best of Variety; BB—Best of Breed; BO—Best of Opposite Sex; X—Best Canadian-bred in Breed; Y—Best Canadian-bred Puppy in Breed.

Class Divisions—

Boston Terriers: u—under 15 lbs.; d—15 lbs. and under 20 lbs.; f—20 lbs. and over.

Bulldogs—Males: u—under 45 lbs.; d—45 lbs. and over. Females: f—under 40 lbs.; j—40 lbs. and over.

Great Danes: h—harlequin; d—any other colors, except where separate class for brindles is provided (b—brindle).

Collies—s—sable or sable and white; a—any other colors.

Other abbreviations: SO—Entered and completed for "Specials Only"; Kls.—Kennels.

Breed statistics: 3D, 4B, 2SO; Pts.—D2, B3—means that three dogs were in competition in the breed classes; four bitches were in competition in the breed classes; and two were entered and competed for "Specials Only". The Winners Dog earned 2 points; and the Winners Bitch earned 3 points.

RE: Dogs — United States Import Requirements.

Effective September 5th, the United States Public Health Service has amended its regulations concerning the above.

From that date until further notice, vaccination against rabies is required of all dogs brought into the United States unless:

(1) for six months prior to its importation the dog has been in a country determined by the Public Health Service to be rabies free, or

(2) the dog on its arrival is less than three months of age, in which case it may be admitted but shall be placed in confinement, and the owner shall certify that the dog will be vaccinated at three months of age, and will remain in quarantine for at least one month following vaccination

When vaccination is required, it shall have been accomplished, if "nervous tissue vaccine" has been used, more than one month, but not more than twelve months before the importation, and if "chicken embryo vaccine" has been used, more than one month, but not more than thirty-six months before the importation.

When vaccination is required, the dog shall be accompanied by a valid certificate signed by a licenced veterinarian. The certificate shall identify the dog, and shall indicate the date on which the animal was vaccinated with "nervous tissue vaccine" or "chick embryo vaccine" within the respective limits as outlined.

Please advise officers working under your supervision.

G. H. Collacutt
District Veterinarian.

5 *good reasons why* GAINES *is the answer to the dog breeder's nutrition problems!*

Ch. Claverte Dolphin,
Shipmates Kennels (Reg.),
Willowdale, Ont.

Ch. Carrol Gretchen,
Carroll Kennels (Reg.),
West Hill, Ont.

Ch. Marine Belle,
Marine Kennels (Reg.),
Toronto, Ont.

It is no secret to dog breeders and veterinarians that many commercial dog foods vary considerably in their nutritional content—frequently from feeding to feeding. This fact has led to a common problem in the correct feeding of dogs, where it is well known that a *completely balanced* diet is essential to good health and top condition.

Quarrybrae's Golden Angus,
Quarrybrae Kennels (Reg.),
Willowdale, Ont.

There are five good reasons why HOMOGENIZED GAINES MEAL supplies the answer to dog feeding problems. Here they are:

1. Gaines contains *all the nourishment* dogs need to keep them healthy, happy and in top condition.
2. Gaines is *homogenized*. So there's a *balanced* diet in every mouthful of every feeding.
3. Gaines is always ready to eat—dry or moistened.
4. Gaines is the *truly tested* dog meal, the product of years of research on whole generations of dogs, at the famous Gaines Research Kennels.
5. Gaines goes a long way! A 25 lb. bag of Gaines contains *all the food value* of 75 lbs. of canned dog food.

Be sure to order your supply soon!
