AMERICAN-EYE VIEW

. . . Re the mention in your September issue: "No all-rounders have been instituted in some years by The American Kennel Club" . . .

Any judge having completed his apprenticeship with four specialist assignments may apply for approval for additional breeds; and these are meted out a few at a time thereafter. Once attaining this position, the aspirant to all-rounder status loses no time working for the additional qualifications. The term "all-rounder" does not necessarily mean that he is qualified to judge *all* breeds, but rather that his eligibility to judge enough breeds of a group or groups to warrant full time assignment is the case. Perhaps this is rather elementary, but breadth of experience with a number of breeds does serve to assure many full days of judging throughout the year.

True, AKC does not approve at the outset licensed all-rounders, but in the parlance of late there are only two basic categories of licensed judges; the specialist and the all-rounder. Perhaps this has been misunderstood in some quarters in Canada, where upon occasion it appears an American judge will be found officiating over breeds he has not been approved for in U.S.A., along with some he is approved for. While I have no axe to grind in the matter, it does seems logical that some would take advantage of the experience gathering. Can it be that some Canadians are taking the term "all-rounder" too literally? There are really very few judges anywhere fully qualified to judge 112 breeds, although no doubt some compromise is reached in the case of small shows where the entire program is shared by two or three judges not necessarily of all-breed recognition.

SHOW BUSINESS

Six entrants to the class. Four soon eliminated — beam too narrow, apple headed, incorrect balance, snippy. Two well matched dogs are left. Nothing between them. Tough job this—but wait! No. 358 keener, positively glowing, obviously enjoying himself! Yes, he's the one. The deciding factor — his perfect condition.

CONDITIONING

Although wisely cared for, your dog may occasionally lose condition. Blood-purifying is the usual need. Karswood Dog Powders act directly on the liver, kidneys and bowels—organs responsible for cleaning and refreshing the blood stream. ranks, and once eligible for five or s breeds for instance, it follows that in ti they will be ready to judge anything four legs; probably make it a business know something about all concerned. reversal of other professions, one proce from specialization to general practice.

Judging one or two rare breeds sole finds poor compensation and infreque assignments. A good day's work calls f 150 to 300 entries to assure a respectab day's pay, which does not occur ve often. Judging popular breeds, of cours makes up a fair part of the desired quot their clubs are larger, and find more fr quent occasions for judge recommend tion. The judge knows when his bre is buttered, and between him, the sho clubs, the breed clubs, and the authoriti his course is laid. The respective sho aim to please the breed clubs, and e courage whatever serves advancement the general effort. Assortment of the va ous clubs' nominees generally serves as th basis for judge selection, AKC's approv listings notwithstanding. We know Ca adian shows are not so bound to su methods and that some take an arbitra stand to suit their particular economi but it appears that proper analysis afo hand by the show-giving clubs would c tainly clear up many contingencies in a vance.

It is apparent that much greater le time is needed to establish a show hi chure under AKC than for CKC, and th larger shows stay well in advance wi their arrangements. Advice to hand as early August with respect to Internation Chicago due next April 9-10, reveals in e fect that the list of judges is a clos matter; 17 well known judges will offici over a potential 2500 to 3000 dogs, group etc.; even award offerings are tentative set. Certainly it is a large show, perha the largest in North America, and to thi less familiar with the system eight mont in anticipation would seem like carr ing things too far; but second consider tion points up the reassuring outlook f all concerned. Our club will surely fi little excuse for poor representation our booster affair there; with 100 or m dogs and fanciers accessible, we mig reasonably expect 30% or more with all th time for notification and preparation. Thi ty or 40 dogs in competition in Bi mastiffs surpasses previous records in t western hemisphere, although not an i pressive figure compared to the 100 more entries that some popular breeds w present at that show. We could fall sho but have every reason to be optimistic u der the circumstances.

I recall a breed club in Canada actu ly deciding on a specialty show only thr weeks in advance of show date, and getti the matter included in the premium l barely in time for publication. Its tur out was only 10% of its *local* fancier a dog list! Under AKC's requirements c could hardly get in a trophy listing less than three months before the sho but he would be sure the affair would well organized, leaving only the clubs do their part.

We can have no real fight with the judging profession; there are the good, poor, and mediocre, in almost every line of endeavour these days, and perfection is an elusive thing. If only some Canadian dog concerns would get out of the habit of doing things on the spur of the moment, there might be so much less to regret and complain about eventually; so much more benefit derived from the affairs scheduled.

Perhaps this all points at CKC for improved and extended regulations yet to be established. While on the subject, the matter of benching and other show facilities must be given attention. Why wait for the building and fire codes of the various townships to establish the rules not uniform at best? Minimum aisle widths, accesses, types of benches, partitions, their construction standards and many other phases of a uniform standard for all approved shows, need to be worked out. It would mean that some shows would have to bench dogs outside the building under canvas, and such measures requiring some expenditure in conforming to new rules. But who would come out ahead in the long run? Practically everyone associated with it. No more dog fights; increased entries; increased gate receipts; improved reputation; far better presentation and enjoyable conditions for all; improved club activities; improved KC returns; improved future for the dog business in general.

In recent years I have seen some of the western world's worst benching and show facilities, in Canada at some shows of apparently long standing were collapsing bench floors, partitions, etc.; broken or easily breakable bench rings and benches that would tip over by the concerted lunge of several dogs; aisles so narrow that even exhibitors could not sit opposite each other without rubbing knees, yet spectators jamming through along with handlers trying to find access or egress with their charges; dog fights and incidents of a nature hardly known under AKC superintendent benching; show rings so small that little justice could be done any but the small breeds. To the exhibitor this is an ordeal he must suffer in order to qualify his dog on the championship route, not something to be taken in stride, let alone enjoyment! The exhibitor pays his entry fees, but what about the spectator? Has more than one in 100 Canadians ever seen a dog show? How many will return? In the case of certain shows, why should they?

Mr. Benton, executive officer of The Bullmastiff Breeders Society of North America, is a frequent exhibitor in Canada as well as the United States. In a previous communication he urges a school for judges, with specific exams for each breed prior to qualification.—Ed.

CALLING DREVER OWNERS

. . . Was thrilled with coverage on Drevers in recent issue of *Dogs*. After all the confusion and obscurity it was gratifying to find our breed honestly and impartially presented for all the dog world to see.

Within a week of publication (September) I had two enquiries re Drever puppies. One was from as far away as Sydney, N.S. It does pay to advertise.

The problem of Drever legs is staggering. I wish I could sit down with some Scandanavian breeders (and an interpreter) and hash the situation out thoroughly. There are Drever breeders in Canada who are genuinely interested in promoting this versatile and lovable dog. To mention two: Dr. Alan Secord and Dr. C. H. D. Clarke who imported the first two in to Canada at no small amount of inconvenience and personal expense. However for some reason or other these gentlemen have advised me to confine my contacts to the hunting scene. This indicates to me that the problem of Drever legs is unimportant in the field.

I am fully aware that my Drevers are far from perfect. However no one seems to be able to get beyond those poor front legs. The only straight-legged Drever I ever saw was so atypical I wouldn't give it a second look. As far as I can see, all the Canadian Drevers have crooked legs. If the other owners and breeders would publish pictures of their dogs, since they do not approve of showing, then we could see what other specimens of the breed look like.

This plea I make not for myself, but for future generations of Drevers and future Drever owners and breeders. Are we going to let a noble sporting dog go to seed before it has had a chance to flower in this country?

BARBARA ALLEN

Tweed, Ont.

Dr. and Mrs. Allen's adult Drevers have not only proven their hunting ability but are now Canadian champions. For pictures see Dogs, September, 1959, page 26.—Ed.

TERRIER EXPRESSION IN SHELTIE?

. . . Being a novice breeder of Shetland Sheepdogs and having only entered one sanction show for the first time with my Sheltie, I was amazed, when asking the judge why my female failed to win, the reason given was that she lacked "Terrier expression!"

She lacked coat, but being only 8 months feel that this will soon remedy itself. I would like to know from firmly established breeders of Shelties if I am right in thinking that the breed calls for a "sweet expression and aloofness to strangers but devotion to family". Our bitch conforms to the above but *not* "Terrier expression".

COVER STORY

Fulfilling the hopes of his owners since he was pictured on this cover a year ago, Can. and Am. Champion, 'Wilkern Killarney Dandy' has already produced champions whose spectacular wins, even as puppies, have proved that this sire has a great deal of quality to offer to his breed. Outstanding in body, coat and temperament 'Killarney', now retired to stud, would seem to reproduce his excellent traits through several different bloodlines. He is owned and stands at "Boxerly", whose owner-breeders, Mr. and Mrs. W. Harry MacKendrick, have been prominent in the dog world for many years. Always interested in good livestock, Mr. MacKendrick, a Director in the Canadian Kennel Club, in addition to dogs has also bred and shown Jersey cattle and quality turkeys, while Mrs. MacKendrick was active in hunt and horse show circles. She is a life member of the Oakville and District Humane Society, and Mr. MacKendrick has been a member for about 15 years.

We are informed there is an answer. Our breed clubs, if they will organize and submit detailed information re advertising of this kind — then the CKC can take steps to correct this detriment to the breed. A grievance committee could be formed to help control purebreds in pet shops and bargain puppies.

The established breeders' puppy sale will not be affected but his stud service can be. The young breeder doesn't want puppies there is no market for. We sincerely hope some of the serious breed clubs will agree with us.

CHOW CHOW FANCIERS OF CANADA

A group of Chow Chow lovers endeavouring to help promote the breed discussed general show procedure at the September 27 meeting held in Toronto. Many points were clarified for both new and old exhibitors, enabling them to attend future shows with better understanding. The "setting up" of the Chow Chow for showing was demonstrated by Mrs. Yan Paul with the assistance of "KoKo". The October 25 meeting was devoted to care and condition of the coat.

These Chow Chow fanciers do not plan at present to form a club, but the group will henceforth be known as the "Chow Chow Fanciers of Canada". Mention of the Chow Chow Newsletter is made elsewhere in this issue.

"LION" ON THE LOOSE

Rumour of a lion on the loose in Metropolitan Toronto streets recently was squelched when Dr. H. Hetherington of Kleinberg, Ont. suggested that the animal could have been a Rhodesian Ridgeback. Dr. Hetherington, well known in the Canadian dog world as a breeder of the "Lion Dog" easily accounted for the possible mistake: pictured with Can. and South African Ch. Beausoleil in the Toronto *Telegram*, he described a full-grown specimen over five feet long, weighing about 110 pounds, with a paw measurement of four inches and similar in colour to a lion.

THE OLD TIMER

"Most judges would welcome a place to relax," opined The Old Timer, "to take off their shoes, away from questioning and soliciting."

The Old Timer motioned to me as I walked by where he was sitting, close to the judging ring.

"I want you to stop, look and listen and learn", he said as he pointed to a vacant chair beside him. About five feet away, standing outside the entrance to the ring, were two of the show's panel of judges, watching the third judge place the dogs in his ring. This was the first show of three being given by a club which provided three shows in three days and these two judges – both United States all rounders – would pass on these same dogs on the subsequent days.

As I watched, a professional handler – also from the United States – moved up and began talking to the two.

"Well how did you do today?" one of the judges asked.

"Not so good – got beaten by a Canadian dog," the handler answered "and you know that dog of mine shouldn't have been beaten. You know I had him at the breed specialty three weeks ago and he took it all – even with 17 specials entered."

The Old Timer nudged me.

"See what I mean?" he asked "but keep watching and keep listening."

Next to approach was a Canadian – but obviously a Canadian who knew these judges well, for all were on a first name basis. The early conversation was innocuous – where to buy some English bone China for the wife of one of the judges, how the judges had come to the show, by train or plane, and what was the best brand of Canadian liquor to take back to the States. Then came the insinuating of the plug.

"Had a tough break today," said the Canadian. "Only needed one point to finish my dog but I didn't quite make it. What really hurt was that if he won today he'd have gone through the title undefeated in his breed. And he's already beaten the dog that beat him today four times."

"Now watch what's going on in the ring," the Old Timer suggested.

A class of Boxers was being judged. As he approached each dog the handler moved back, handed the lead to the judge, and the judge proceeded to lift the dog by the shoulders, reset the hind legs and then make his examination. As he approached one dog the owner reached out to adjust the choke collar – the judge struck her hand away and the dog, protecting its mistress, lunged for the judge, missing his wrist by a fraction of an inch.

"I call him the Great I Am", said the Old Timer "handler and judge rolled into one – too bad the Boxer missed him."

The Old Timer chuckled – and then turned serious.

"What right have these judges to be left in a position where they can be approached and solicited by any or all exhibitors?" he asked. "They may be the most honest people in the world but how can they help having their decisions influenced by the sort of sales talk you and I just heard, and even if their decisions are not influenced by it certainly they will be open to question if it should happen that in all honesty they put up the dogs owned by those handlers at the next two shows."

The Old Timer reached for his pipe and got it lighted to his satisfaction.

"They may be honest, but they're also downright stupid," he said. "Stupid to place themselves in a position where they can be approached and talked about

Stupid to stand there in the open watching the placings of the judge they are going to follow tomorrow and the day after. They're asking for criticism."

"Okay," I asked "what's the cure? It goes on at all the shows and I've never seen anybody come up with a solution yet."

The Old Timer scratched his head. He relit his pipe.

"The best show committee chairman I ever knew" he said "was the chairman of a small town club. He took his duties seriously and realized he had a responsibility both to the exhibitors and the judges."

"And how did he discharge those responsibilities?" I asked.

"First of all, he found out when his judges were arriving. He met them at arrival and saw that they were settled comfortably in their hotel. If they arrived the day before the show — and they usually did — he'd entertain them during the evening, maybe a drive around the town and a couple of night caps at his home before he took them back to the hotel.

"In the morning he'd pick them up at the hotel just in time to start judging. He'd watch the rings, and when the luncheon break came he'd pick up the judges at the ring, take them to the secretary's office for a quick one and then out to lunch, well away from the show premises. He'd do the same thing at the dinner break, only this time he might buy them a couple of drinks. Believe me, if anybody talked dogs to his judges it was either before or after hours or while he was standing right there, listening in. You didn't hear much gossip about judges being fixed at his shows."

"And didn't the judges resent it?" I asked. "Didn't they want more freedom and time of their own."

"On the contrary," said the Old Timer, "they loved it. I never met a judge who had judged this show who didn't ask about the chairman and who wasn't anxious to be invited back."

"And you think all clubs should adopt this procedure?" I asked.

"Certainly I think in their own interests they should have something along those same lines. I know of no show where a room couldn't be set apart for the judges alone, where they could relax, even take off their shoes if they wanted to, during judging breaks. And I think the clubs should insist they go there after their morning and afternoon assignments."

"Aren't you afraid of habeus corpus proceedings, making prisoners like that of the judges?" I asked.

The Old Timer chuckled again and again turned serious.

"If I know judges I think most would welcome a place of their own to relax, away from the questioning and solicitations of the exhibitors. The odd one might resent it — but if he did, so what? They're being darn well paid to do a job — not to hold a gabfest at ringside and in the aisles with their cronies. If they want to gossip, let them do it after their assignment is complete."

"And how about our boy friend in the ring now, your 'Great I Am?" I asked.

The Old Timer shook his head.

"I'm afraid he's incorrigible, under the impression that the spectators come to watch him and not the dogs," he said. "But I think he could be made aware of a few things, such as that courtesy in the ring is a two way proposition — if the judge is to get it, he must give it; that the judge is not also a handler and that the exhibitor has paid a healthy entry fee in order to present his dog to the judge in what he considers the best light and finally that under Canadian Kennel Club rules it is the exhibitor and not the judge who opens the dog's mouth for examination of the bite.

"On that last peg, a definite infraction of our rules, perhaps a real lesson in show ring deportment could be hung."

IRISH SETTER SPECIALTY

by Pauline E. Forrest

The Irish Setter Club of Canada held its Specialty Show on September 26 in conjunction with the Burlington and District Kennel Club Show in Burlington, Ont. This proved to be an attraction for exhibitors in that they travelled all the way from Halifax and Indiana. We were pleased to welcome American exhibitors along with our own members and especially the Threlkelds who travelled all the way from Halifax.

Extensive decorations were carried out consisting of pale green backing behind the dogs and large textured effect shamrocks in each bench. Each dog's name was hung on a wrought iron sign and above the benching the theme was yellow mums topped with the green and white Club sign. A very colourful addition above the benching was the placement of three almost lifesize pastel drawings of Irish Setters representing Field, Obedience and Show and these were prepared by Mrs. John English.

Mrs. Lilah Lymburner judged and was assisted by Mrs. R. H. Walker as Chief Ring Steward and Mr. R. E. Allen as Assistant Ring Steward. Mrs. Allen was in charge of a very attractive Trophy Table carried out in the green and white theme. This year the trophies consisted of silver and pewter.

All exhibitors attended a Club luncheon held at the private dining room of the Surf Restaurant, during which Mrs. Lilah Lymburner gave her critique and commented on the excellent quality of the entries.

Since the show, we have been flooded with comments from the United States and Canada on the show itself and also on the quality of the animals exhibited.

BOOK REVIEWS

Money spent on dog books
is money well-spent — and
a means to more money earned.

The Shetland Sheepdog, by Catherine E. Coleman. General Publishing. $4.50.

This book is not new, but is drawn to the attention of the increasing number of Sheltie owners. Shelties have been Miss Coleman's life, as evidenced in the thorough way she discusses the rough homeland of this handsome small worker, its mental traits and physical characteristic of extreme sturdiness. The interpretation of the standard is thorough, and the theory and practice of breeding to type are explained in detail. Owners will also be interested in the outline of Shetland Sheepdog families in Britain and on this continent.

Your Puppy: How to Select, Raise and Train Him, by Leon F. Whitney, D.V.M. General Publishing. $3.00

A new owner doesn't realize how much there is to know about a puppy until he has one. We'd like to suggest Dr. Leon's extremely valuable handbook be given along with the puppy even if it means adding the price of the book to that of the puppy. Among explicit items on feeding, housebreaking, diseases to be inoculated against and hundreds of other items, Dr. Whitney has developed a table of traits and characteristics of the various breeds as an aid to selecting a puppy — which makes this book especially valuable to the owner before he so much as looks at an infant dog.

The Complete Norwegian Elkhound by William C. Thompson and Olav Wallo. General Publishing. $5.75.

This long-awaited book will surely thrill owners of the Elkhound. The breed itself has a thrilling and adventurous background in bringing down moose, bear, mountain lions, small game and even upland birds. The book deals with training, health, breeding and preliminary general training. It is a "must" for present and potential Elkhound owners.

How to Raise and Train a Dalmatian, by Arthur Liebers. Clothbound edition $2.25; papercover $1.25.

Famed first as a coach dog and then as the fireman's best friend, the Dalmatian is now gaining popularity as a pet. This 64-page book with its 12 show-how photographs in full colour and 35 in black and white, tells how to select, feed, groom and educate your Dalmatian from puppyhood to bring out his natural talents as a gentle, courageous and faithful companion, a natural hunter and retriever, and excellent guard dog.

MEMO FROM THE EDITOR

The 1959 shows across Canada present an exciting picture – more shows, larger entries, keener competition. But one aspect stands out like a third thumb . . . What were the factors contributing to the lack of interest in the three Canadian National Exhibition Shows?

Presumably these would be the biggest, busiest shows of the year, held in the heart of Canadian dogdom. But they were not. It was an amazing thing to note that in the Third Show (usually the largest because of the Labour Day holiday) that only one Irish Setter was entered and only four German Shepherds. Twenty-seven Shepherds were entered in 1958 and 24 in 1957. At the comparatively new Burlington Show held September 26, 18 were entered. And yet nearly 100 magnificent Shepherds showed less than three weeks later, at the big Specialty. Does the coat of a German Shepherd or an Irish Setter change that much in 19 days? Are owners afraid of losing status by entering shows prior to a specialty? On the contrary, they could gain much in three consecutive shows at one venue. Was it distance? The CNE shows and the German Shepherd Specialties are held on the same property. The Provincial Irish Setter Specialty locale was at the Toronto city limits and the Irish Setter Club of Canada Specialty at Burlington was but a short run from Toronto.

Was it the heat? Maybe. But how could anyone have known before entry closing time that the heat wave would lie heavily into the first week of September. Could it have been the time of year? Most vacationing families are back in the city for the opening of the Fall school term.

Judges? Great care was taken in the selection of these internationally-known and respected men. In fact one rated among the three highest in a poll taken in December 1957. This poll also asked exhibitors if they would prefer three one-day shows to three two-day shows. Few requested the single days.

Last year 65 American kennels were represented at the CNE shows; the year before, 55. If it weren't for the American entries, said one official, we wouldn't have much of an entry. "If our American cousins consider these shows important enough to fly or drive great distances, why don't our Canadians stir themselves?" Thirty-eight American kennels showed this year, but the drop in this instance is accountable: the big Westchester Show date was moved up and conflicted with the CNE dates.

Improvements were made for the convenience of handlers at the CNE: an adjacent section of the building opened to give handlers more space and privacy for grooming, fluorescent lights and hot and cold water. Did anyone think to mention this to the officials? Not one, to our knowledge.

It has been reiterated many times that Shows are considered "the show window of the dog world". Do breeders really mean that? If so, where else could one find a greater aggregation of people than at the CNE – literally millions of people every day! These people are at a peak of accelerated interest and impulse. Where they might be vaguely considering the purchase of a dog, they could suddenly decide this is the day. And the breeder is on hand to explain the merits and characteristics of his breed, to consummate a sale or order on the spot.

These are just some of the facets of an annual event which should be growing by leaps and bounds and is not. The officials are considering what improvements they can make (including taking space on the ground floor) and many others. They would be pleased to hear expressions of opinion through these columns. Brief, well-thought-out letters should be addressed to Letters to the Editor.

The second part of Dr. Lee Ford's new series on "Developmental Genetics" will appear in the December issue. . . . The article, "Law on the Leash," which appeared recently in *Dogs in Canada* and was reprinted in the September issue of *Reader's Digest* has brought letters to the author from as far away as the Belgian Congo . . . . Many thanks to club show committees who have so promptly responded to our request for show catalogues. They are being put to work in expanding the readership of your magazine.

DOGS AFIELD

by DAVID BLAKE

The range of pointing dogs is a perrenial conversation piece. Get two or more bird dog men together and sooner or later the debate as to whether the big going or close-working dog is preferable is almost inevitable. The pheasant or grouse hunter who hunts the woods, fencerows and weed patches or the man who seeks woodcock in the willows advocates a close worker. The hunter who rides the prairie or guns for covey quails wants a dog that will run to the horizon. And there are those whose shooting grounds are somewhere in between or their potential bag is mixed.

I can readily understand the functional suitability of a close-working dog in heavy cover. I cannot, however, agree that a walking, trotting, snuffling potterer is a close-working dog. He is just no dog at all. I'm not including, of course, the old fellow who has had his day and is slowing down. A bird dog is supposed to be a running dog. If birds are going to be flushed right under my feet I'll kick them up myself. What's more, if the birds are to be flushed out of range, I'm better off with a properly trained spaniel.

And birds *are* more often flushed by the potterer. I've frequently been asked by owners of foot-scenting dogs why grouse wont lie for them. They are convinced by every test that their dogs have good noses, but the percentage of solid points is low. I think every oldtimer knows the answer to this phenomenon. Wild creatures take advantage of their camouflage. They are often passed by man and other of their enemies just so long as they remain motionless. When an animal approaches them in a snooping manner, sniffing here and there, they become suspicious and take off. They'd much rather sit tight and let the enemy pass them by. When a running dog swings into their area, the bird figures the chances of him going right on through are good and sits tight. When the dog suddenly turns end for end and freezes, the bird also freezes – not sure whether it has been seen or not – but ready to flush instantaneously should there be need. The hard running dog is therefore much more often successful in holding his birds.

What I cannot understand is the objection some hunters have to the wide dog, unless the dog is wild not wide. A dog that runs wide out of control is as useless as the potterer except that he may have potential. Unless he is trained to handle properly, the horizon seeker can add nothing but frustration to a day in the field. But a well trained dog that can and will run and can and will handle is a joy to watch, to shoot over and to own. Such a dog can be put in any cover and handled to work it quickly and thoroughly. Send him swinging in search of a covey or quartering for a tightly feathered single and the job is done in a manner that thrills the beholder out of all proportion to the meat in the pot. Such dogs are not good, they are great. I trust it is not envy that prompts the owners of good, close-working dogs to refuse to acknowldege this greatness.

There is a comparison to make that comes pretty close to being a good analogy. There are some makes of motor cars that have a great deal of potential. With big engines, their power is more than anyone would need, but examination of their quickness of steering response, cornering ability, brake fade, road adhesion and other characteristics which are designed to control power, indicates that the power cannot be used with comfort and safety. Here is your dog potential, but without the means to use it properly. Some cars are limited in power. They can be used to serve certain purposes well. With limited speed and acceleration, they nevertheless get you there safely and dependably. Here is your close-working dog – never scintilating, but getting the job done. Some cars have the power to acccelerate violently, travel at high average road speeds with comparative safety – cornering flatly, responding deftly, always stable and under control and gentle as kittens in traffic. There are your great dogs, but, in every case, as with cars and drivers, the dog can be no better than the handler.

Every type of good dog has his place. We must serve him well as he serves us, but don't discount the *great* dog, you may be one of the few fortunate enough to have one some day.

NEW BURGERBITS

Dr. Ballard's nutritional experts have devised new-formula "Burgerbits". The new cooking process literally "explodes" each nutritious granule into a crunchy nugget and prevents the food from going sticky or mushy when mixed with liquid. New Burgerbits, states the company, contains a complete and balanced diet of 19 choice ingredients.

SHOW TALK....

It has been observed that a dog show is a distillation — his reaction to winning or losing the mirror of a man.

On a fast trip to the West Coast your editor had the pleasure of chatting with many friends of *Dogs* and met a number of American breeders of note at the PNE show at Vancouver.

Renewed acquaintance with *Mrs. Elsie Hammond* at her unique Chihuahua kennels at Cobble Hill near Duncan during an afternoon's run "up-island". Elhunt Kennels have expanded to include boarders in spacious kennels and runs and a new accessory shop, badly needed in that area. Partner *Hunter Smith* was away at a nearby obedience event.

Having corresponded with *Mrs. Heather Mellish* (Heatherbelle Kennels) for several years, we were lucky enough to see her nimble West Highland White Terriers and Scotties go through their paces in an hour's portion of their internationally-known show. It was one of the funniest and most admirable performances — about 17 troupers in all, each knowing the proper place and the act called for by every change of music.

At the word "places" the dogs trot briskly to their special places in doll carriages, on kiddie-cars or on pedestals, eyes eagerly awaiting the next command and tails flicking in anticipation. Never have we seen such eager, well-trained performers nor such precision work by a large group of dogs. Pushing fellow-actors in doll carriages, riding scooters (at least three to a scooter). Westies walking a narrow plank while Scotties take turns sitting on a lower plank as weights while flying leaps grow progressively longer, jumping through hoops, climbing, dancing, all seeking the limelight without missing a trick. Most eager was Mistletoe, a six months old Westie who observed every movement and eagerly watched for the brief moments when she is allowed to participate.

Mr. and Mrs. Mellish travel thousands of miles every year with anywhere up to 22 dogs and a large collection of costumes and props. They also operate an obedience training school at their home near Victoria.

Having heard so much of the top winning Basenji, Can. and Am. Ch. Dainty Dancer of Glenairley, it was interesting to meet her owner, *Mrs. Margaret E. Robertson* and family as well as "Dee-dee's" offspring, Merlea Dainty Prima Donna and Merlea Sun Dancer, both of whom may even rival their illustrious mother. Talked to *Mrs. Margaret Bowden*, Wire-Haired Terrier fancier and breeder of Dainty Dancer, and *Mrs. Sheila Anderson*, first to bring Basenjis to the Canadian West Coast. Sorry not to have been able to take in the shows at Victoria which followed soon after Vancouver's PNE.

Some of the Victoria breeders also showed at the PNE. They tell us the routine is either to drive up to Nanaimo and over the bridge and south along the new highway to Vancouver, or take the TCA flight with dog over the beautiful expanse of sparkling water and islands.

It was interesting to chat with *Lt. Col. and Mrs. J. deB. Cowan* of Kaslo, B.C. *Mrs. Cowan*, a veteran breeder and exhibitor now in her seventies, drove her truck more than 700 miles to show five Great Danes from her famous Rungmook Kennels. Mrs. Cowan has been breeding Danes for 56 years and showed the first Blue to its championship in England. Her daughter, *Mrs. W. Haegedorn*, is taking over the Rungmook breeding program.

Of the 170 kennels represented, approximately 70 were from the United States, including states as far south as California, Texas, Nevada, Utah and Arizona. Chatted with *Bert Heath*, publisher of *Kennel Review*, *Frank X. Holdenried*, of Los Angeles, who had just returned from a European tour. He found few purebred dogs behind the Iron Curtain but many Long-Haired Dachshunds in West-Berlin, Vienna and Zurich. Talked to *Mrs. Dolly Wall* (Pekingese) who has been doing considerable judging in the southern States and attended the huge outdoor Malvern Show in England this summer. This show is considered second to Crufts and is noted for its entry of just under 3,000 dogs shown in 17 rings. Although rain moved the event into tents the show ended strictly on time, she reported. While attending English shows she bought two Pekes, Retired veterinarian *Dr. Ballard*, of Vancouver, also bought three Poodles and two Bloodhounds, she tells us.

Met *Mrs. Vera Crofton*, noted Pekingese fancier who recently purchased Can. and Am. Ch. Bingo of Elsdon from Nigel Aubrey-Jones and Bill Taylor of Montreal. Also chatted with *Mr. and Mrs. M. C. White*, of Oakland, Calif. (Bulldogs) who have travelled 10,000 miles this year taking in two shows in Western Canada.

Mr. and Mrs. T. Wells' Galphay Kennels Papillon were a hit of the show, sitting on their tiny bright cushions. Chatted with veteran handler *Pat Tripp;* Bulldog breeder and judge, *Joan Railton* and *Mrs. W. Wartnow*. Became acquainted with adorable Miniature Wire-Haired Dachshunds bred and shown by *Mrs. Neville R. Stephens* of Saint Helena, Calif. *Mrs. Bruce Grosvenor* of Tacoma, Wash., Miniature Schnauzer breeder had two young black Schnauzers with her, but did not show them. Also chatted with *Mrs. Doris Hayes* and her Schnauzers.

Again had the pleasure of meeting t *Donald Lyles, Mrs. H. J. Appell, Fran Clark,* and many others. Among offici chatted with CKC directors *J. A. Irving* and *Vic Williams.*

Our good friend *Mr. W. H. P* Vice-Chairman of the PNE Dog Sh Committee, took us on a tour of t Exhibition, and made us acquainted w many of the directors in the handso new administration building.

The PNE shows are unique in th the September 2 and 3 dates were d voted entirely to obedience, and Se tember 4, 5 and 7 to conformation.

After a sleepless night enroute fr Vancouver on the TCA Viscount (ha dled superbly through blinding lig ning by the alert crew) we landed Malton Airport at 9 a.m., dropped luggage at home and within the ho were on the way to the Canadian E hibition dog shows. From a midnig temperature of 45 degrees at the E monton Airport we returned to a sul heat of 92. First thing we noticed w the ingenious air conditioning set up Mr. and Mrs. Albert Farrell: their Bu dogs were kept comfortable by mea of an electric fan blowing across a blo of ice. Several other exhibitors al brought fans. Despite the heavy he no illness of dogs was reported.

Winner of BIS in the First Show was the English Setter, Can. and Am. Ch. Ben-Dar's Replica, owned by Mr. and Mrs. E. P. Horn III, Davison, Mich.

Location of breeds on benches w well-marked by tall standards — y an amazing number of spectators fail to read the signs. There was a cheerf air about the clean show, with only minimum of grumbling. Greatest pro lem was the heat, about which the ma agement could do nothing. Exceptiona

ly good veterinary service was given by Drs. Ellen Brown and Bob Williams. Shows started on time each day and closed around 9.30 or 10 p.m.

The outstanding Boxer, Ch. Haviland's Gai Robin, went to the top in the Second Show. Bred and owned by Mr. and Mrs. Stanley Whitmore, Richmond Hill, Ont.

More than 35 kennels were represented from the United States, including the well-known handler, Winnifred Heckmann of Baltimore, Ohio. Mrs. Heckmann, who brought a large entry of Dachshunds, has judged in the States for many years and at the last Canine Club show held in Toronto in 1953. With her were Mrs. Mary Young and Mrs. Waldine Christman.

The news-making Peke, Ch. Calartha Mandarin of Jehol went BIS in the Third Show. Owned by Messrs. Nigel Aubrey-Jones and R. Wm. Taylor, Montreal.

Believed to be the first Rhodesian Ridgeback to win a Hound Group in Canada (at 14 months in Barrie, Ont. earlier this year), Kopje's Columbus, owned by Mr. and Mrs. D. F. W. King came in for special commendation by Judge Louis Murr.

American Cockers from Vaunhaven Kennels, Reg'd, Agincourt (owner, Mrs. Dorothy R. Vaughan) took the breed for all three shows, Ch. Baliwick Black Warrior (better known as "Johnny") went 3rd in Group in the First Show, and Ch. Vaunhaven's Velocity going 3rd in Group and Best Canadian Bred in the Second Show, and "Johnny" 2nd in Group in the Third Show.

Old-time Bulldog breeder Percy Alderson had the double thrill of finishing father and daughter to their championship—Dewhurst Great Guy and Dewhurst Anne Hathaway.

This year the number of Bulldogs entered was noticeably up—24 in this year's Third Show as compared with 10 last year. The Doberman Pinscher entry was up, and this year seven Schipperkes were shown, as compared with none last year. Conspicuous by their small entry were the Irish Setters, German Shepherds, West Highland White Terriers, Manchester Terrier. Added to the Hound Group entries this year were a Drever and four Greyhounds.

MONTGOMERY WESTIES

by Mrs. Dorothea Daniell-Jenkins

A postwar record entry of 56, and a spectacular win from Open Dogs to Best of Breed, were highlights of the West Highland White Terrier Club of America's golden anniversary celebration specialty, held at the silver anniversary show of the Montgomery County Kennel Club at Gwynedd Valley, Pa., on Sunday, October 4. This show, the only all-terrier one in the U.S., is held annually at the beautiful home of G. Harrison Frazier, Jr.

Judge Wm. Ross Procter gave the nod for top honors to Triskett's Most Happy Fella, owner-bred and handled by Mrs. F. J. (Triskett) Vogelius, of Florham Park, N.J. This 16-months youngster finished his title at this show with an unbeaten record in Championship competition, since taking Reserve Winners from the puppy class at the Club's annual specialty in New York in February of this year. Best of Opposite Sex went to his dam, Ch. Lawrenton White Raisin, (bred by Josiah E. Haskell), also owned by Triskett's Kennels.

The double reward came to Mrs. Vogelius, wife of a New Jersey sales manager, after six years of concentrated effort to found a medium-size but quality kennel of West Highlands.

To the President of the W.H.W.T.C.A., Mrs. A. M. Walters, and her committees, goes the credit for organizing such a large entry and social events in connection with the show and for securing an impressive trophy list. Gold-colored trophies stressed the theme of the 50th anniversary. Also much admired was a mid-18th century miniature silver urn especially sent over as Best of Winners trophy by the West Highland White Terrier Club of England. In addition, each exhibitor in every breed at the Montgomery County show was personally presented with a silver and crystal ashtray by Mr. Frazier.

Two Canadian dogs were present at the specialty and one of them placed in his class.

Dogs entered: 13 m., 28 f., 15 specials.
Dogs present: 11 m., 24 f., 8 specials.
Results: W.D. also B. of W. and B. of B.—Triskett's Most Happy Fella (Mrs. T. Vogelius)
Res. W.—Wishing Well's Laird (Barbara J. Worcester)
W.B.—Wolvey Postgirl (Mrs. Richard K. Mellon)
Res. W.—Roselle Auntie Mame (Barbara A. Nisbet)
B.O.S.—Ch. Lawrenton White Raisin (Mrs. T. Vogelius)

The largest single Dog Show in Canada this year was staged by one of Canada's youngest dog clubs — The Burlington and District Kennel Club. The show, held at Burlington, Ont. September 26, drew 460 dogs, with Specialty entries as follows: Irish Setter Club of Canada, 20; Weimaraner Club of Canada, 28; Dachshund Club of Canada, 47; Canadian Samoyed Club, 26; Toy Dog Breeders Association, 51; Boston Terrier Club of Hamilton, 32.

Best in Show was the record-building Pekingese, Can. and Am. Ch. Calartha Mandarin of Jehol, owned by Nigel Aubrey-Jones and R. Wm. Taylor of Montreal, pictured elsewhere in this issue.

Highlights: one of the most exceptional trophy tables seen anywhere to date. Competition for best decorated benches, in which your editors had the pleasure of selecting that of Bay-Brow Kennels (Lindsay and Bodemer). The Dachshunds relaxed on simulated green grass behind a low white picket fence and a taller fence with green ivy leaves cut out and affixed to give a realistic appearance of climbing. Others worthy of mention: The Irish Setter Club's arrangement (described elsewhere in this issue); Bunty Dunlop's large mural showing dog sled races and her display of racing gear. Mrs. Dunlop and her Malamutes are internationally known as intrepid racers. Ziska Kennels' interesting paintings and garments made of glistening white Samoyed hair; Mrs. Mae Wilkinson's display of tiny Mexican figures in straw and pottery, setting off her Chihuahuas; the blue and white pennants of the Samoyed Club; the Weimaraner Club's bench showing bullrushes, maple leaves, duck decoys and blow-ups of Weimaraners; Mr. and Mrs. R. White's Coonhounds in a setting of maple leaves and coonskins.

The Weimaraner Specialty drew the largest entry of Weimaraners to date. The winner, Ch. Sonny's Froher Wanderer, owned by John W. and Winnifred I. Critchley of Windsor, Ont., was the first Canadian dog to go Best of Breed in such an event. . . . The Canadian Samoyed Specialty was unusually colourful with handsome felt sashes for BB, BCB, BCBP and Winners Male and Female donated by the Australian Samoyed Club and trophies from Kalina Samoyed Kennels, Croydon, Victoria, Australia. A shield bearing a torch emblem was donated by the British Samoyed Association. Other trophies came from New Zealand, California and Alberta.

As if in answer to the question: "Can Wire-haired Fox Terriers be obedience-trained?" Rosehill Prince C.D., shown by Miss Anne Smith, Kitchener, Ont., is a son of Rosehill Spot Cash, bred and obedience-trained by Mrs. Hugh Simpson of Hespeler, Ont.

Twelve judges covered the major show and six additional appraised the specialties. Nine veterinarians were on hand for the "vetting" and emergencies.

Born: to *Andrew and Valerie McMillin*—James Andrew McMillin, in September, 1959 at Halifax, N.S. . . . *Mr. and Mrs. L. P. Cozens*, Samoydena Kennels, formerly of Langstaff P.O. The semi-annual meeting of the Board of Directors of The Canadian Kennel Club reconvened in the Lord Beaverbrook Hotel, Fredericton, N.B. at 9.30 A.M. on Thursday, August 13, 1959, with the President, Walter Brown, in the Chair, and the following members of the Board present: V.W. Williams, Jack C. Anderson, Robert L. Blyth, William Dawson, Mrs. J. Gove, J.A.H. Irving, Robert Little, J.W. MacCallum, W.H. MacKendrick, Mrs. P. Mack, Mrs. N.T. Smith, and Mrs. M. Southcott.

DOG SHOWS

11 D 15. SHOW CATALOGUES
11 D 23. PREMIUM LISTS
11 D 46. RIBBONS

The President:

(1) pointed out that a Committee composed of Mr. MacCallum and the Secretary had been appointed a Committee with a view to presenting a report to the Board on possible steps which may be taken to assist show and trial-giving clubs in effecting economies in connection with shows and trials;

(2) reported that members of the Board had been provided with a copy of a report (signed by Mr. MacCallum, the Secretary, and the President - an ex-officio member of the Committee) reading as follows:

The undersigned were appointed a committee with a view to presenting a report to the Board on any possible steps which may be taken to assist show and trial-giving clubs in effecting economies in connection with shows and trials. This report is respectfully submitted for your consideration.

Premium Lists

This committee feels that there now appears in premium lists, certain information not vitally important at that stage of the holding of a show. For example, we see no necessity for an entire list of the club's officers and committees to appear in a premium list. In our opinion, all that is essential in a premium list would be the name of the president, the name and postal address of the show secretary, and the name and address of the show superintendent. The balance of the information in this connection could appear in the show catalogue. We feel that it is quite early at this date to state just in what form an abbreviated premium list should be, and it is therefore our recommendation that, preparatory to clearing the way for a reduced premium list, Chapter 15 should be amended by deleting those sections which now state what must appear in a premium list and be substituted with a provision that a premium list shall be in such form, and contain such information as the Board may from time to time prescribe. Such a rule would follow out the present Dog Show Rule with regard to show catalogues.

We are all aware that the basic cost in the printing of a premium list is the setting of material in type. It is our thought that steps could be taken to determine whether or not clubs would be interested in arranging to have their premium lists printed at one central point at which much of the material would be standing in type. Following approval of the premium list by our Office Manager, the copy could be sent to the printer, on the understanding that printed copies could be sent to the show-giving club within so many days after the printer had received the material. It is felt that much would be saved if the entry forms were actually printed in a premium list rather than to have to be inserted by hand by the show-giving club, particularly if, as in some cases, the show-giving club distributes several thousand premium lists. We feel that, while some show-giving clubs might appreciate being supplied with printed copies of certain parts of premium lists, others would not be happy with any system which necessitated their making insertions of whatever material they would be left to print. Even if some central place was arranged for the printing of premium lists, there would be no obligation on the part of any club to participate in such an arrangement, and those wishing to do so might proceed with independent premium lists if they so wished. It might be that some dog food company might be prepared to underwrite a good part of the premium list cost if, for example, every back cover had their advertisement appearing thereon. If the entry forms are incorporated in the premium list there would be no necessity for as much printing on the entry form as is now the case.

While it might not be true of all provinces, it is certainly true of Ontario that premium lists include extensive lists of prizes offered, even down to a tin or two of dog food for a Class award. It is our recommendation that show-giving clubs be not required to include in a premium list, any prize having a retail value of below $5.00. We suggest that instead, they be required to obtain C.K.C. approval of their entire prize list as is the present practice, but that it would be sufficient, in the case of prizes having a retail value of $5.00 or less, that they post one or more copies in their show prior to the commencement of the show in order that exhibitors might have an opportunity of checking such a list before their breed is called for judging. Under such a plan the show-giving clubs are free to publish their entire prize lists if they wish to do so.

Ribbons

There is no doubt that ribbons constitute a very substantial expense account in connection with the running of a championship show. Some time ago steps were taken to amend the Dog Show Rules, deleting the specific requirements for ribbons and leaving it for the Board to prescribe the size and information which must appear on ribbons. This committee recommends that show-giving clubs wishing to do so, be no longer required to show the date of the show on the ribbon. We recommend that they be permitted instead to substitute a small card to be attached to the top front or top back of a ribbon, giving the date of their show. This would enable the club to order ribbons in quantity and use them from show to show without wastage.

An alternative arrangement would be that the name of the club also need not appear on the face of the ribbon but could be shown on the card referred to above. This would permit of an arrangement with a ribbon company, such as Dominion Regalia, to print these ribbons in very substantial quantities and simply attach the cards to order as required.

At the present time the rules call for rosettes for certain awards. Most often these rosettes take the form of a circular central portion to which are attached three streamers. It is suggested that clubs be advised that a rosette could take the form of a single streamer with rosette attached to its top. It is felt that this would also mean a reduction in cost.

The judging of variety groups and general specials not only consumes considerable time at a show, but involves considerable expense in the provision of rosettes required by the rules. It is suggested that the rules be amended to permit of a show-giving club stopping judging at the breed level if it wishes to do so, and provided that proper notice is given in the premium list.

The addition of the Best of Opposite Sex and Best Canadian-Bred and Best Canadian-Bred Puppies in breeds involves a substantial increase in ribbon costs, and it is suggested that the Board give consideration to any possible steps which might be taken to make it optional for show-giving clubs to have these awards, on the understanding that if they decide not to have them, they must notify prospective exhibitors by way of the premium list.

Entries

There is no doubt that at the present time there exists a widespread evasion of the present Dog Show Rule which prohibits acceptance of an entry within a period of ten days immediately preceding a championship show. It is the strong recommendation of this committee that this ten-day period be reduced to seven days, on the understanding that within 24 hours after closing of entries, the show-giving club shall forward to The Canadian Kennel Club, lists of breeds entered at their show, together with the number of dogs in each breed. There could be an automatic penalty for failure to send in such a list, and there could be an automatic penalty for every entry in excess of the number shown on the list after the seven days.

Conclusion

This committee is convinced that if the Board of Directors of The Canadian Kennel Club is to make a really thorough assessment of what can be done to help show-giving clubs financially in reducing costs, there must be accumulated information on just what it is costing clubs to hold shows. It is recommended that show-giving clubs be asked to provide information in a form which a committee could compile and from which it may be possible to determine other ways of helping show and trial-giving clubs. The information obtained in this fashion could be regarded as confidential to the committee, on the understanding that it would be destroyed immediately the committee's work has been completed.

Points considered in the Board's discussion of the Committee's recommendation regarding acceptance of entries up to seven days before a championship show:

(1) many show-giving clubs require not less than ten days in which to have their show catalogues printed;

(2) the position of those show-giving clubs who adhere to the present rule, by necessity or otherwise, should not be jeopardized for the sake of the few clubs who violate the present rule;

(3) those exhibitors who persistently leave the submission of entries to the last minute will continue to do so whether the minimum is ten days or seven days;

(4) some clubs find it highly desirable to close entries more than ten days before their shows.

The Board discussed the Committee's recommendations with regard to premium lists, and agreed that:

(1) the suggested change in the present rules regarding premium lists would enable the Board to decide on ways and means of helping clubs in connection with their printing costs, and the Secretary would therefore arrange for an appropriate amendment to the Dog Show Rules to be included in the next regular referendum ballot;

(2) the amendment would be so worded that it would be optional with show-giving clubs whether any took advantage of the arrangements the Board would institute assuming approval of the proposed amendment.

It was regularly moved by Mr. Irving, seconded by Mr. MacKendrick:

(#356-59) "THAT, we accept the Committee's report regarding premium lists and entries, but do not accept the recommendation regarding change from 10 days to 7 days."

FOR THE MOTION: Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Irving, Mr. MacKendrick, Mrs. Mack, Mrs. Smith, Mrs. Southcott.

AGAINST THE MOTION: Mr. Little, Mr. MacCallum.

Motion carried.

-----Mrs. Gertrude Storey, Obedience Representative for the Maritime Provinces, entered the meeting, was welcomed by the President, and introduced to members of the Board.

OBEDIENCE TRIALS

12 OB 8. REPORTS OF OBEDIENCE COUNCIL

Mrs. N.T. Smith, Acting Chairman of the Obedience Council, reported that she had appointed a Committee (known as the 'Acting Chairman's Standing Committee') to assist in the consideration and reporting of matters which had been referred to the Council, and presented the report of the Committee.

Mrs. Smith reported on a particular section of the Committee's Report concerning complaint received respecting a certain judge.

It was regularly moved by Mr. MacKendrick, seconded by Mrs. Mack:

(#357-59) "THAT, this section of the report be approved."

Motion carried unanimously.

With regard to Section #2 of the Committee's report, Mrs. Smith reported that Mr. Tremain had lost his kennel and dogs in a fire, and the Committee felt that no useful purpose would be served in continuing, at this time, the previous correspondence with Mr. Tremain.

It was regularly moved by Mr. MacKendrick, seconded by Mr. Williams:

(#358-59) "THAT, the recommendation be adopted."

Motion carried unanimously.

Mrs. Smith reviewed developments in connection with an application for approval to judge submitted by Mrs. M. Peacock.

Mr. Anderson stated that he had left this matter in the hands of Mr. Frost, Obedience Representative for Alberta, and would be governed by his recommendation.

It was regularly moved by Mr. MacKendrick, seconded by Mr. Dawson:

(#359-59) "THAT, the recommendation be approved."

Motion carried unanimously.

Mrs. Smith reviewed developments in connection with the several applications referred to in Section #4 of the Committee's report.

It was regularly moved by Mr. MacKendrick, seconded by Mr. Williams:

(#360-59) "THAT, the recommendations set forth in this Section be approved.

Motion carried unanimously.

Section #5 of the Committee's report was ordered held over for consideration with Item #9 A 16 (Standing Resolutions).

The Board proceeded to consider the Committee's recommendations with regard to the "Long Down" exercise.

Mrs. Smith cited conflicting interpretations placed on the present regulations at three consecutive trials held by the Canadian National Sportsmen's Shows in March, and stated that the question should be resolved, one way or another, as soon as possible.

Mr. Irving stated that: (1) the previous objection to the Board's adoption of an interpretation re the "Long Down" was based largely on the fact that obedience clubs and obedience fanciers had no opportunity to discuss the proposed interpretation before it was adopted; (2) that this is the year in which those interested may submit proposed amendments to the Obedience Trial Regulations and Standards; (3) the proposed amendments outlined by the Committee should be submitted in the regular way in order that the proposed amendments may be discussed at the next annual general meeting and by those interested before it appears on a referendum ballot in 1960.

Mr. Anderson, Mrs. Gove and Mr. Dawson stated that the question had been thoroughly discussed, that those interested were anxious that the question be settled, and the matter should be disposed of on the next regular referendum ballot.

Invited to express her views, Mrs. Storey stated that obedience enthusiasts in the Maritimes were anxious that the question be quickly resolved in order that they would know how to train their dogs, and in order that there would be uniformity in judging the "Long Down".

Mr. Williams stated that he did not consider the present situation as "an emergency" and felt that action to place this question on the next regular referendum ballot would be contrary to the resolution (#174-59) adopted by the Board at its annual meeting in February.

It was regularly moved by Mr. Williams, seconded by Mr. Irving:

(#361-59) "THAT, this be acceptable for the regular referendum ballot, and be not treated as an emergency."

FOR THE MOTION: Mr. Williams, Mr. Irving, Mrs. Mack.

AGAINST THE MOTION: Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Little, Mr. MacCallum, Mr. MacKendrick, Mrs. Smith, Mrs. Southcott.

Motion lost.

It was then regularly moved by Mr. Dawson, seconded by Mr. MacKendrick:

(#362-59) "THAT, the Committee's recommendation be implemented and appropriate proposed amendments be placed on the next regular referendum ballot."

FOR THE MOTION: Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Little, Mr. MacCallum, Mr. MacKendrick, Mrs. Smith, Mrs. Southcott.

AGAINST THE MOTION: Mr. Williams, Mr. Irving, Mrs. Mack.

(Mr. Williams stated that he had voted against the motion on the grounds that it is contrary to resolution #174-59).

Motion carried.

The Board proceeded to a discussion of the several suggested amendments outlined immediately following Section #5 of the Committee's report.

Mrs. Smith stated that an obedience trial held by the same club on the same date, and in the same place as a championship show is not considered a separate event, and a separate date fee is not payable for the obedience trial.

Mrs. Mack suggested that a separate date fee be required for each event, and each be considered distinct events.

It was agreed that immediate action by the Board is not required in connection with these recommendations of the Committee, and it would be left to those interested to submit proposed amendments in the regular way before October 15th.

It was regularly moved by Mrs. Mack, seconded by Mr. Dawson:

(#363-59) "THAT, the Committee be thanked and complimented on its report."

Motion carried unanimously.

Mrs. Storey reported that Mrs. Lilie G. Smith, Fredericton, N.B. had submitted an application for approval as a judge of obedience trials, and was desirous of apprenticing at trials to be held in the immediate future in the Maritimes. Mr. Little stated that this was the first such application the Obedience Representative for the Maritimes had been called upon to process, and stated that it would be extremely helpful, and a guide for the future, if members of the Board familiar with obedience would participate in the steps preparatory to apprenticing.

It was regularly moved by Mr. MacKendrick, seconded by Mr. Williams:

(#364-59) "THAT, members of the Board familiar with obedience trials meet and deal with Mrs. Smith's application."

Motion carried unanimously.

Mrs. Smith enquired whether the Board felt she should carry on as she had when Chairman of the Obedience Council, or whether she should, as far as possible, carry out Mrs. McColl's policies. It was agreed that Mrs. Smith should carry on as she felt desirable during the period she would act as Chairman of the Council in the absence of Mrs. McColl through illness.

The President pointed out that the Chairman of the Obedience Council is allowed $100.00 per annum to offset expenses involved in that work, and sought the Board's ruling with regard to an allowance to Mrs. Smith for the expenses she incurred during the period she has acted and would continue to act in that capacity until Mrs. McColl is able to resume her duties.

It was regularly moved by Mr. Williams, seconded by Mr. Irving:

(#365-59) "THAT, the allowance for the Chairman of the Obedience Council be divided proportionately timewise."

FOR THE MOTION: Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Irving, Mr. Little, Mr. MacCallum, Mr. MacKendrick, Mrs. Mack, Mrs. Southcott.

ABSTAINED FROM VOTING: Mrs. Smith.

Motion carried.

Mrs. Smith reported that:

(1) Chapter I, Section 20 of the Obedience Regulations and Standards reads (in part) as follows: "A dog may, at the handler's option, be given one, and only one, second chance to take the scent between the two flags at the start, provided he has not passed the second flag.";

(2) the question had been raised as to whether "he" referred to the handler or the dog;

(3) approved tracking test judges in Canada had been consulted on the question and all replies received indicated that "he" referred to the dog, not its handler.

It was unanimously agreed that when the Obedience Trial Regulations and Standards are next reprinted, the Secretary would make a necessary correction by deleting "he" and substituting the words "the dog".

Mrs. Smith reported the recommendation of the Acting Chairman's Standing Committee with regard to the judging of a particular person and after discussion appropriate action was taken.

Mrs. Smith:

(1) referred to the Board's action in appointing Corp. Ian E. Hall as Chairman of a Committee to review the present regulations with regard to tracking tests;

(2) reported that the Secretary had received from Corp. Hall, and had passed on to her, a letter dated July 13th with which Corp. Hall had enclosed a copy of his last memorandum to members of his Committee.

Mr. Irving read from a letter addressed to him by Corp. Hall in which Corp. Hall referred to the discouraging lack of interest shown by persons and organizations in Canada to whom he had written on this subject, as contrasted with the response received from those in the United States to whom he had written.

After discussion it was regularly moved by Mr. Irving, seconded by Mrs. Southcott:

(#367-59) "THAT, Corp. Hall be encouraged to put forward his Committee's recommended new tracking test rules in the form of a proposed amendment before October 15, 1959, and thank him for all his work on our behalf, and convey our appreciation."

FOR THE MOTION: Mr. Williams, Mr. Blyth, Mr. Dawson, Mr. Irving, Mr. Little, Mr. MacCallum, Mrs. Smith, Mrs. Southcott.

ABSTAINED FROM VOTING: Mrs. Mack.

ABSENT: Mr. Anderson, Mrs. Gove, Mr. MacKendrick.

Motion carried.

The Secretary:

(1) pointed out that the present Obedience Regulations provide that when a dog earns its C.D., C.D.X., and U.D. degrees it is entitled to the prefix "O.T.Ch.";

(2) pointed out that the present Obedience Regulations likewise provide that in the case of a dog holding both the Utility Dog and Tracking Dog titles, these titles may be combined in the affix "U.D.T.";

(3) reported that the owner of a dog which had previously earned the title "O.T.Ch." and later its Tracking Test degree had asked that these titles be combined in the one affix "U.D.T.", believing that this combination of titles is preferable to the prefix "O.T.Ch." and the affix of "T" (designating a Tracking Dog).

It was unanimously agreed that when a dog with its "O.T.Ch." title earns its Tracking Test degree, the prefix of "O.T.Ch." will be deleted and the affix "U.D.T." will be substituted.

Mrs. Smith suggested, and it was agreed that a notice be published in "Dogs in Canada" discouraging the use of the several titles "C.D., C.D.X., U.D." when a dog has earned the right to the affix "U.D." (for U.D. signifies that all three titles have been earned.)

Mrs. Mack suggested that steps be taken to make it possible for a dog with its C.D. degree, but not yet ready for competition in the Open Class, to continue in competition in the Novice B Class. Following discussion it was agreed that this would necessitate an amendment to the present rules, and those interested are free to submit a proposed amendment in the regular way.

Invited to review current trends in Obedience activity in the Maritimes, Mrs. Storey pointed out that interest in obedience training is comparatively new to the Maritime Provinces, and proceeded to outline developments in recent years in the formation of obedience clubs, the holding of obedience trials, the number of dogs trained in training classes, and anticipated developments in the near future.

It was regularly moved by Mr. Williams, seconded by Mr. MacKendrick:
(#368-59) "THAT, we compliment the Obedience Representative and obedience people in the Maritimes for the progress to date."
Motion carried unanimously.

The President thanked Mrs. Storey for her attendance while the foregoing Obedience matters were dealt with, and Mrs. Storey then left the meeting.

DOG SHOWS

11 D 16. SHOW CATALOGUES
11 D 23. PREMIUM LISTS
11 D 46. RIBBONS

The Board resumed its consideration of the report tabled at the commencement of this session.

The following points were considered when the Board discussed the Committee's recommendations with regard to ribbons:
(1) the use of a card attached to a ribbon is not satisfactory as it can be readily removed, and in some cases will not be completed with the required information;
(2) the problem of wastage on ribbons when clubs are compelled to order ribbons before they are in a position to determine the exact number required;
(3) any method by which ribbons may be partially prepared in quantity would likely be helpful in reducing costs, but any system adopted must provide that the addition cannot be removed;
(4) more prestige is attached to a good ribbon than to other forms of recognition of wins, and every effort should be made to maintain a good standard of ribbons and rosettes offered at shows;
(5) some clubs are not abiding by the present rules with regard to rosettes in that they are failing to provide rosettes for all four placements in the regular variety groups.

It was regularly moved by Mr. Irving, seconded by Mr. Little:
(#369-59) "THAT, we recommend a furtherance of this joint printing suggestion provided the name of the club and date of show be on ribbons in a form which cannot be detached and is permanent, and is approved by The Canadian Kennel Club."
Motion carried unanimously.

It was then regularly moved by Mr. Irving, seconded by Mr. Dawson:
(#370-59) "THAT, the attention of show-giving clubs be drawn to the Rule which requires rosettes for all placings in regular variety groups."
Motion carried unanimously.

The Board considered the Committee's recommendation with regard to making optional the awards of Best of Opposite Sex, Best Canadian-bred and Best Canadian-bred Puppy. Following discussion it was unanimously agreed that no effort would be made to implement the Committee's recommendation on this question.

Mrs. Smith reported that at one of the recent shows conducted by a certain kennel club, the dog placed fourth in Group #2 was automatically declared Best Canadian-bred in Group in violation of Chapter 4, Section 3 (p) of the Dog Show Rules.

It was regularly moved by Mr. Irving, seconded by Mrs. Mack:
(#371-59) "THAT, the judge, ring steward, and show-giving club be advised as to the proper procedure in selecting Best Canadian-bred in Group."
Motion carried unanimously.

The Board proceeded to a consideration of the Committee's recommendation that the Dog Show Rules be amended to permit of a show-giving club stopping judging at the breed level if it wishes to do so, and provided that proper notice is given in the premium list.
Points considered in the discussion:
(1) any arrangement along this line must be optional with show-giving clubs, and not mandatory;
(2) it might be advantageous to clubs which find it necessary or advisable to conclude judging at an early hour, particularly in the case of unbenched outdoor shows where exhibitors are permitted to leave the show with their dogs when their dogs are no longer required for further judging;
(3) nothing would be lost by permitting voting members to decide, on the next regular referendum ballot, whether such a system would be permissible.

It was regularly moved by Mr. MacKendrick, seconded by Mr. Little:
(#372-59) "THAT, the recommendation of the Committee be put forward in the form of proposed amendments to the Dog Show Rules on the next regular referendum ballot."
Motion carried unanimously.

-----Luncheon intermission.

The meeting resumed with the Second Vice-President, Mr. Williams, in the Chair.

The Board discussed the Committee's recommendation that a survey be conducted of the costs of staging championship shows, this in order that further efforts may be made to assist show-giving clubs to effect economies in connection with their shows.

It was regularly moved by Mr. Brown, seconded by Mr. Dawson:
(#373-59) "THAT, we endorse and implement the Committee's recommendation with regard to survey of costs of running shows."
FOR THE MOTION: Mr. Brown, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Irving, Mr. Little, Mr. MacCallum, Mrs. Smith, Mrs. Southcott.
ABSENT: Mr. MacKendrick, Mrs. Mack.
Motion carried.

The Secretary read a letter from the Oakville & District Kennel Club expressing appreciation for the efforts being made "to ease the burden and expense of clubs in staging their shows."

The Secretary:
(1) reported that in accordance with instructions given by the Board (resolution #172-59) a letter had been addressed to the Vancouver Dog Obedience Training Club in connection with certain statements made in their newsletter dated January 15, 1959;
(2) read a letter, in reply received from LeBlanc and McGuire, solicitors for the Vancouver Dog Obedience Training Club;

Motion carried.

Mr. Irving:
(1) reported that in connection with her application for approval as a judge of tracking tests, Mrs. Irene Bourassa had earned a total of 250 points out of a possible 289 points on her written examination;
(2) pointed out that the procedure approved by the Board in connection with the processing of such applications stipulated that an applicant must earn not less than 5 points out of the possible 10 points on each question, otherwise the applicant is deemed to have "failed" the examination regardless of total points otherwise attained on the paper;
(3) pointed out that notwithstanding Mrs. Bourassa's excellent total score, she had earned less than five points on one question;
(4) reported that the Examining Committee which had examined Mrs. Bourassa recommended that she be regarded as having passed the written examination and be permitted to serve her apprenticeship.

It was regularly moved by Mr. Anderson, seconded by Mr. Little:
(#375-59) "THAT, this be referred to the Chairman of the Obedience Council."
FOR THE MOTION: Mr. Brown, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Irving, Mr. Little, Mr. MacCallum, Mrs. Smith, Mrs. Southcott.
ABSENT: Mr. MacKendrick, Mrs. Mack.
Motion carried.

Mr. Irving, after reading a letter from Corp. Ian Hall, Chairman of the Examining Committee who had examined Mrs. Bourassa, stated that for the purpose of the written examination to be taken by each applicant, the questions asked should cover only points specifically dealt with in the Obedience Regulations, the answers given for the guidance of the Examining Committee should be correct, and the questions asked should be framed in such a way that the applicant cannot misunderstand the intent of each question.
Mrs. Smith outlined the steps that were taken in 1958 to set up examination papers for those wishing to be approved as tracking test judges.

It was regularly moved by Mr. Irving, seconded by Mr. Dawson:
(#376-59) "THAT, the Chairman of the Obedience Council ask those qualified to provide questions and appropriate answers in order to set up tracking test examination papers."
FOR THE MOTION: Mr. Brown, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Irving, Mr. Little, Mr. MacCallum, Mrs. Smith, Mrs. Southcott.

Motion carried.

-----Mr. Alex Wilson, Maritime Field Trial Representative (Retrievers) entered the meeting, was welcomed by the President and introduced to members of the Board. Mrs. Mack re-entered the meeting.

FIELD TRIALS

13 FT 7. LISTS OF JUDGES

Mr. Blyth and Mr. Irving reported on developments since, at the annual meeting of the Board, they were appointed a Committee to draft and place before the Board, at this meeting, a proposed amendment with regard to the approval of judges for Field Trials.

Following discussion it was regularly moved by Mr. Anderson, seconded by Mrs. Southcott:
(#377-59) "THAT, this matter be referred to the Field Trial Council."

FOR THE MOTION: Mr. Brown, Mr. Anderson, Mr. Dawson, Mrs. Gove, Mr. Little, Mr. MacCallum, Mrs. Mack, Mrs. Smith, Mrs. Southcott.
ABSTAINED FROM VOTING: Mr. Blyth, Mr. Irving.
ABSENT: Mr. MacKendrick.

Motion carried.

13 FT 28. RETRIEVER FIELD TRIALS

Mr. Irving reported that:

(1) since the Annual Meeting of the Board he had written all clubs and associations in Canada holding Retriever field trials seeking their views and recommendations with regard to:
   (a) recent changes in The American Kennel Club's running rules for Retriever field trials;
   (b) material prepared by the Advisory Committee of The American Kennel Club intended for the guidance of those conducting or participating in field trials for the retrieving breeds;
(2) the lack of response on the part of most clubs was discouraging, particularly as it was intended to use the consensus of opinion of those directly interested as the basis for proposed amendments which must reach the Secretary not later than October 15th.

After discussion it was agreed that it is difficult for the Board to formulate policies or reach decisions which would be generally acceptable to those directly concerned when persons and organizations fail to respond to appeals for their comments and recommendations.

It was regularly moved by Mr. Dawson, seconded by Mrs. Southcott:

(#378-59) "THAT, it has now become imperative that we receive replies from all clubs and persons whose views are sought, in our efforts to have a national view."

FOR THE MOTION: Mr. Brown, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Irving, Mr. Little, Mr. MacCallum, Mrs. Mack, Mrs. Smith, Mrs. Southcott.
ABSENT: Mr. MacKendrick.

Motion carried.

It was agreed that each further appeal for views and recommendations on any given subject will be accompanied by a notice stating the last date by which such views and recommendations must be received, and after that date any further views and recommendations received will not be considered.

The Chairman invited Mr. Wilson, in his capacity as Maritime Field Trial Representative (Retrievers), to place before the Board any views and recommendations he wished the Board to consider.

In accepting the Chairman's invitation, Mr. Wilson:

(1) provided detailed information about the several clubs in the Maritime provinces holding licensed trials for the retrieving breeds;
(2) outlined expected developments with regard to increased interest in Retriever field trials;
(3) reviewed the aims and objectives of those in the Maritimes interested in Retriever field trials;
(4) recommended a clear statement on the "chain of command" with regard to field trial matters;
(5) spoke of the need for a "new Retriever rule book", written in such a way that it could be readily understood by all concerned, and in support of this view cited the following points:
   (a) do the words "person in good standing with The Canadian Kennel Club" mean a member of The Canadian Kennel Club;
   (b) the confliction between Chapter 6, Section 6, and Chapter 10, Section 2A, with regard to closing of entries for Retriever field trials;
   (c) the inclusion of a Non-Winners' Stake in Chapter 10, Section 14, although this Stake has been discontinued;
   (d) whether the awards or placements required for entry in a Limited All-Age Stake must be won at trials held under C.K.C. Rules, or may these have been won at licensed trials in other countries?

After discussion it was regularly moved by Mr. Brown, seconded by Mr. Blyth:

(#379-59) "THAT, Mr. Alex Wilson be thanked for his presence and his remarks, and his views be transcribed and forwarded to all members of the Board for study and consideration at a future meeting of the Board."
FOR THE MOTION: Mr. Brown, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Irving, Mr. Little, Mr. MacCallum, Mrs. Mack, Mrs. Smith, Mrs. Southcott.
ABSENT: Mr. MacKendrick.

Motion carried.

The Secretary was instructed to forward a copy of the transcript to Mr. Wilson for his approval before it is copied for distribution to members of the Board.

It was then regularly moved by Mr. Blyth, seconded by Mr. Irving:

(#380-59) "THAT, to clarify the points raised by Mr. Wilson the following interpretations shall apply:
(1) "person" means any person whether a member of The Canadian Kennel Club or not;
(2) Section 6 of Chapter 6 applies to field trials other than Retrievers for Chapter 10, Section 2A applies specifically to Retriever field trials only;
(3) Chapter 10, Section 14, Non-Winners' Stake is an error and is not to be considered an official stake (correction when Rules are next reprinted);
(4) Chapter 10, Section 21, be interpreted to the extent that the placements and awards referred to in this Section may be earned in Canada, the United States, or Great Britain."
FOR THE MOTION: Mr. Brown, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Irving, Mr. Little, Mr. MacCallum, Mrs. Mack, Mrs. Smith, Mrs. Southcott.
ABSENT: Mr. MacKendrick.

(STANDING RESOLUTION) Motion carried.

12 FT 12. REVISION OF CRIMINAL CODE

Mr. Irving:

(1) reported that the Committee, appointed by the Board to deliver to the Minister of Justice a brief with regard to the use of live birds at licensed field trials, had been assured by the Minister that the Club's brief would be considered when the pertinent section of the Criminal Code is next reviewed;
(2) suggested that the Secretary forward to the Minister a copy of a letter which he had received from the Secretary-Treasurer of the Minot Retriever Club, Minot, North Dakota.

It was regularly moved by Mr. Brown, seconded by Mr. MacCallum:

(#381-59) "THAT, we accept this progress report, and forward a copy of Mr. Olsen's letter to the Minister."
FOR THE MOTION: Mr. Brown, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Irving, Mr. Little, Mr. MacCallum, Mrs. Mack, Mrs. Smith, Mrs. Southcott.
ABSENT: Mr. MacKendrick.

Motion carried.

13 FT 29. BEAGLE FIELD TRIALS

The Secretary reported that:

(1) on July 7th, at a meeting attended by representatives of the Ontario Association of Beagle Clubs and the President and Secretary of The Canadian Kennel Club, there was discussed a number of questions relating to Beagle field trials, these having to do with questions on which the Association desired that steps be taken by the Board;
(2) a report of the meeting was despatched to the Board on July 8th;
(3) on July 9th a report was despatched to all Beagle Field Trial Representatives and their views and recommendations were sought for the Board's consideration at this meeting;
(4) replies were received from the following Beagle Field Trial Representatives:
   (a) Lionel Petrie, Maritime Field Trial Representative;
   (b) Emerson Robertson, Ontario F.T. Rep. (Packs);
   (c) John Hunt, Ontario Field Trial Representative (braces).

It was agreed that these several matters would be dealt with separately.

The Secretary reported that:

(1) the Association felt that with an increasing number of Beagle field trials, the practice of granting priority rights for Beagle field trials in Ontario and Quebec should be discontinued until new policies could be fixed for the granting of Beagle field trial dates;
(2) Mr. Petrie felt this to be a good suggestion;
(3) Mr. Hunt did not believe it is advisable to grant priority on dates for more than one year in advance;
(4) Mr. Robertson, while being in favour of granting priority rights, felt the practice could be held in abeyance for a year or two.

It was regularly moved by Mr. Blyth, seconded by Mrs. Mack:

(#382-59) "THAT, priority rights on Beagle field trials be not granted until the matter is further considered by the Board."
FOR THE MOTION: Mr. Brown, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Irving, Mr. Little, Mr. MacCallum, Mrs. Mack, Mrs. Smith, Mrs. Southcott.
ABSENT: Mr. MacKendrick.

Motion carried.

The Secretary reported that:

(1) while the present Field Trial Rules provide for the issuance of permanent measurement certificates for Beagles, steps had not been taken previously to implement this rule;
(2) the Association felt that implementation of this Rule would be very helpful at licensed Beagle trials;
(3) the Beagle Field Trial Representatives had been consulted on a proposed "Application for Official Measurement" form and had been asked to recommend persons for appointment as Official Measurers;
(4) Mr. Petrie, Mr. Robertson and Mr. Hunt had approved the proposed "Application for Official Measurement" form and the issuance of permanent measurement certificates;
(5) Mr. Hunt had recommended the appointment of the following as Official Measurers in Ontario: Lloyd Courtice, William Travena, Hardie R. Brown, and William Jackson;
(6) Mr. Robertson had recommended the appointment of the following as Official Measurers in Ontario: Lloyd Courtice, William Travena, William Jackson, Philip Jacobi, and Archie Steeles;
(7) the Board had previously decided that there may be seven Official Measurers in each zone.

Mrs. Smith recommended the appointment of an Official Measurer in the Hamilton area.

Mrs. Mack recommended the appointment of the following as Official Measurers in Quebec: Alvin Florea, Jim Moffet, Harold McCracken, and Okill Stuart.

Mr. Anderson stated that the Board should not take action on these questions until the Field Trial Council had been consulted and the Council's recommendations had been received.

It was regularly moved by Mr. Brown, seconded by Mr. Little:

(#383-59) "THAT, we adopt the Association's recommendation with regard to official measuring, and appoint as Official Measurers in Ontario, those recommended by Mr. Hunt and Mr. Robertson, and the Ontario Beagle Field Trial Representatives be asked to appoint someone from the Hamilton area; and the following be appointed Official Measurers for Quebec: Alvin Florea, Jim Moffet, Harold McCracken, and Okill Stuart; and Mr. Little be authorized to make appointments for the Maritimes."
FOR THE MOTION: Mr. Brown, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Irving, Mr. Little, Mr. MacCallum, Mrs. Mack, Mrs. Smith, Mrs. Southcott.
AGAINST THE MOTION: Mr. Anderson.
ABSENT: Mr. MacKendrick.

Motion carried.

The Secretary reported that:

(1) the Association's representatives felt that Chapter 12, Rule 1, and Chapter 13, Rule 1, of the Beagle Field Trial Rules, should be amended to provide that a Field Trial Committee of five persons must be present throughout the duration of a licensed Beagle field trial;
(2) Mr. Petrie was not in favour of amending the present rule;
(3) Mr. Hunt was in favour of the proposed change of rule;
(4) Mr. Robertson felt that it would be better if the Committee consisted of seven or eight persons, five of whom are present at the trial throughout its duration.

Following discussion the Board agreed that it had not the power to amend the present Rule, and those interested are free to submit a proposed amendment in the regular way.

13 FT 24. STANDARD ENTRY FORMS AND JUDGES' BOOKS

The Secretary reported on the steps which had been taken to enable trial-giving clubs to be provided with standard entry forms for their trials, and of steps taken with regard to a new judges' book which it was felt would be helpful to trial secretaries.

-----Mr. Wilson left the meeting at this time.

The President resumed the Chair.

DOG SHOWS

11 D 42. JUNIOR SHOWMANSHIP COMPETITIONS

Mr. Irving read a letter addressed to him by Mrs. Elsie Murray of the Junior Kennel Club of B.C. who stated that the requirement that a dog handled in a junior showmanship competition must be owned by its handler or by a member of the immediate family of the junior handler is presenting a hardship, and recommended that competitors in such competitions should be free to handle any dog properly entered in the show at which the competition takes place.

In the discussion which followed it was pointed out that the present rules for junior showmanship competitions are those laid down by the organization in the United States which sponsors the final junior showmanship competitions at the Westminster Kennel Club show.

It was regularly moved by Mrs. Smith, seconded by Mr. Irving:
(#384-59) "THAT, the Secretary communicate with the authorities in the United States, and if it is agreeable we take it up again at the annual meeting."

The President read a letter from Dr. Robert C. Williams who advised that Dr. L.M. Cobb, a graduate of Bristol University, Liverpool and holder of his Master of Veterinary Science from Guelph, had been selected as the recipient of the fellowship for which the Board had authorized $1,500.00 in connection with research on the diseases of dogs.

The Secretary reported that:

(1) at its annual meeting in February the Board had considered a request received from the Ontario Association of Beagle Clubs that a delegation from the Association be permitted to appear before the Board and place its recommendations with regard to the appointment of a Beagle Advisory Council before the Board for consideration;
(2) as authorized by the Board, the delegation met with the Board at its meeting on March 26th and at that time had orally outlined their views with regard to the need for, the formation of, and the proposed duties of a Beagle Advisory Council;

(5) a further memorandum on this subject had been forwarded to members of the Board after the President and Secretary had met with representatives of the Association on July 7th.

Mr. Blyth stated that as Chairman of the Field Trial Council he supported the Association's recommendation with regard to the appointment of a Beagle Advisory Council.

Mr. Anderson stated that he felt the Association's proposal to be an excellent step forward, particularly if, in addition to a national Advisory Council, field trial clubs within each province could be organized into provincial organizations (cited the provincial organization of Retriever clubs in Alberta as an example), but felt that the type of set-up proposed by the Ontario Association of Beagle Clubs should be extended to all types of field trial activity in Canada, and the matter should therefore be referred to the Field Trial Council for consideration and report before any further action is taken.

The President, Mr. MacCallum, Mr. Blyth and Mr. Irving suggested that immediate action be taken on the Association's proposal.

Mrs. Smith stated that she did not concur with the proposals if the proposed Beagle Advisory Council is to have its own chairman.

It was regularly moved by Mr. Anderson, seconded by Mrs. Southcott:
(#386-59) "THAT, we accept the report and heartily endorse the recommendation of the Ontario Association of Beagle Clubs; and the matter be referred to the Field Trial Council for consideration in connection with all other field trial activities."
FOR THE MOTION: Mr. Anderson, Mr. Blyth, Mr. Dawson, Mr. Irving, Mr. Little, Mr. MacCallum, Mr. MacKendrick, Mrs. Mack, Mrs. Southcott.
AGAINST THE MOTION: Mr. Williams, Mrs. Gove, Mrs. Smith.
Motion carried.

Mr. Williams stated that he had voted against the motion, believing that the Association's proposal should be dealt with immediately by way of the next regular referendum ballot.

It was regularly moved by Mr. Irving, seconded by Mr. MacCallum:
(#387-59) "THAT, we instruct the Secretary to draw up the necessary amendment to implement the recommendation of the Beagle Association, to be voted upon on the 1960 referendum ballot (By-laws)."

Following discussion it was agreed that:

(1) the Board has not the power to amend the Field Trial Rules along the lines proposed;
(2) members eligible to do so are free to submit proposed amendments in the regular way.

It was regularly moved by Mr. Irving, seconded by Mr. Blyth:
(#388-59) "THAT, Dr. Lawson and the clubs concerned be advised that members of The Canadian Kennel Club eligible to do so may submit a proposed amendment in the regular way."
FOR THE MOTION: Mr. Williams, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Irving, Mr. MacCallum, Mrs. Mack, Mrs. Smith, Mrs. Southcott.

(2) placed before the Board the draft of a proposed amendment.

Following discussion it was regularly moved by Mr. Williams, seconded by Mr. MacKendrick:

7 R 52. STANDARD FOR THE BLACK AND TAN COONHOUND

The Secretary reported that:
(1) all members of the Board had been provided with a copy of a standard for the Black and Tan Coonhound which the Black and Tan Coonhound Club of Canada asked be approved by the Board and be substituted for the breed standard currently in effect;
(2) all members of the Board had been provided with information and data supplied by the Black and Tan Coonhound Club of Canada in support of its request;
(3) Mrs. McColl was much impressed with this proposed standard.

Points considered in the discussion which followed:
(1) Not all persons interested in the breed are necessarily members of the Club which had proposed this new standard;
(2) The Board had, this year, adopted the policy of not approving any new standard, or change of standard, until the proposed standard or change of standard, had been published in the official magazine, and all interested persons and organizations had been given an opportunity of submitting their views for the Board's consideration;
(3) The same procedure should be followed with this standard and the matter again considered at the next meeting of the national Board.

It was regularly moved by Mrs. Smith, seconded by Mr. MacKendrick:
(#396-59) "THAT, the standard as submitted by the Black and Tan Coonhound Club of Canada be published in "Dogs in Canada" and comments sought; and the matter be again considered at the next annual meeting of the Board."
FOR THE MOTION: Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Irving, Mr. Little, Mr. MacCallum, Mr. MacKendrick, Mrs. Smith, Mrs. Southcott.
Motion carried.

-----Mrs. Pamela B. Mack entered the meeting.

7 R 37. LITTER APPLICATIONS

The Secretary reported that:
(1) At a previous meeting of the Board, Mrs. Smith had raised the question as to when is it proper, or permissible, for the owner of the sire of a litter to sign the application for registration of litter form where the litter was born the property of a person other than the owner of the sire;
(2) The question had been referred to this meeting;
(3) Mrs. McColl felt that it is proper for the owner of the sire to sign the application immediately following the mating.

Following discussion it was agreed that:
(1) it is quite permissible for the owner of the stud dog to sign the litter application for registration form immediately following the mating provided that the owner of the female mated has already set forth, in ink or by typewriter, on the application the registered name and registration number of the female;
(2) in signing the litter application for registration form the owner of the stud dog is responsible only to the extent that he is certifying that a mating took place between the two dogs named on the application, on the date or dates of mating specified on the application, and is not otherwise responsible except that if he should later come into possession of any information indicating a possible irregularity in connection with the registration of the litter, he should forward said information to The Canadian Kennel Club.

It was regularly moved by Mrs. Smith, seconded by Mr. Blyth:
(#397-59) "THAT, the responsibility of the owner of a stud dog ceases when he signs the litter application at the time of mating."
FOR THE MOTION: Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mr. Irving, Mr. Little, Mr. MacCallum, Mr. MacKendrick, Mrs. Mack, Mrs. Smith, Mrs. Southcott.
AGAINST THE MOTION: Mrs. Gove.
Motion carried.

It was agreed that this resolution, which was ordered as a standing resolution, did not specify that the owner of the stud dog must sign the litter application for registration form at the time of service.

7 R 38. STUD BOOKS

The Secretary presented a quotation from Richardson, Bond & Wright Ltd. on the printing of Volume #62 of the Club's stud books.

It was regularly moved by Mrs. Mack, seconded by Mr. Williams:
(#398-59) "THAT, the Secretary order 100 copies more than the total orders on hand at time volume is printed, if he thinks necessary."
Motion carried unanimously.

The Secretary reported on the costs, at the Live Stock Records Office, to produce the copy for Volume #62, as compared with the costs for Volume #61, and was authorized to pay the account rendered by the Records Office.

The Secretary reported that:
(1) as authorized by the Board, the President and Secretary had taken up with the Live Stock Records Committee, at a meeting in Ottawa in June, the matter of the imposition of sales tax on certain stud books published by the Club prior to this year;
(2) the Live Stock Records Committee had appointed a special committee to take this matter up with the appropriate governmental Department.
The matter was held over pending a further report from the President and Secretary.

The Secretary reviewed the steps ordered taken by the Board with a view to elimination of sales tax on Volume #62, assuming a successful outcome on the representations undertaken by the Records Committee.

The Secretary reported on the progress being made with regard to the publication, in a single volume, of Volumes #52 and #53 for the years 1948-1949.

7 R 24. KENNEL NAMES

The Secretary reported that:
(1) the Kennel Names Committee recommended that an application for registration of kennel name be not approved if the name selected is for or includes or is indicative of the name of a recognized breed;
(2) Mrs. McColl approved the Committee's recommendation.

It was regularly moved by Mr. Williams, seconded by Mrs. Smith:
(#399-59) "THAT, we endorse the recommendation of the Kennel Names Committee, and the appropriate addition be made in the standing resolution on names which are not to be granted as kennel names."
Motion carried unanimously.

The Secretary:

(1) read a letter from G. L. Benton, Executive Chairman of The Bullmastiff Breeders Society of North America, with regard to the use, in Canada, of the kennel name BULSTAFF, and of the confusion created by the use of this kennel name by a Canadian breeder, when it is the kennel name registered with the Kennel Club in England by an English breeder of Bullmastiffs;

(2) reported that the application of Mrs. Ivy B. Dyer, New Westminster, B.C. for the registration of BULSTAFF as a kennel name had been approved in February 1957;

(3) reported that information received from the Live Stock Records indicated that only three dogs had been registered with the prefix BULSTAFF.

Mr. Irving reported that he had reason to believe that Mr. & Mrs. Dyer were no longer active as breeders of Bullmastiffs.

It was regularly moved by Mr. Irving, seconded by Mr. Dawson:

(#400-59) "THAT, the Secretary communicate with Mr. & Mrs. Dyer and enquire whether they are prepared to relinquish BULSTAFF as their kennel name."

Motion carried unanimously.

The Secretary:

(1) reported that in June the Kennel Names Committee had sustained the objection of Mrs. Sarah Diamond (kennel name DI-MAR) to the application of Miss Margaret Sellen for the registration of BILMAR as a kennel name, Miss Sellen having been asked to make another selection of kennel name;

(2) read a letter from Mrs. Diamond enquiring whether the Club had any jurisdiction over classified newspaper advertisements placed by or in the name of the BILMAR KENNELS.

Following discussion it was agreed that while the Club had control of the use of a kennel name in connection with the Club's registration records, such jurisdiction did not extend to use of a kennel name in classified newspaper advertisements.

Mrs. Smith reported that she had been asked whether approval would be given to an application for registration of FAVOURITE as a kennel name.

It was agreed that FAVOURITE (or FAVORITE), being a descriptive adjective, would not be approved as a kennel name.

It was regularly moved by Mr. Irving, seconded by Mrs. Mack:

(#401-59) "THAT, FAVOURITE (or FAVORITE) be not allowed as a kennel name."

Motion carried unanimously.

7 R 25. REGISTRATION COMMITTEE

The Secretary:

(1) pointed out that Section 2 of the "Special Regulations applying to the registration of Pointers and English Setters registered individually in the Field Dog Stud Book (American Field Publishing Co.)" provides that a Canadian-born dog of either of these breeds is not eligible for registration in the Club's records on the basis of its prior registration with Field, if registered in the Field Dog Stud Book after November 15, 1954;

(2) reported that occasionally this regulation prohibits the registration of dogs in the Club's records;

(3) recommended that the deadline referred to be deleted and the approval of the Chief Registration Officer of the Department of Agriculture be sought on such a change.

It was regularly moved by Mr. Irving, seconded by Mr. Williams:

(#402-59) "THAT, we delete from the Special Regulations re the Field Dog Stud Book the deadline presently in Section 2 of said Regulations."

Motion carried unanimously.

The Secretary reported that:

(1) while the Vizsla is a breed recognized for registration and competitive purposes by The Canadian Kennel Club, it is not a breed recognized for registration purposes by The American Kennel Club;

(2) residents of Canada were seeking registration in the Club's records of Vizslas imported from the United States with certificates of registration issued by the Field Dog Stud Book.

In discussing whether these dogs should be accorded registration in the Club's records these points were considered:

(1) whether, in the event it does eventually recognize the breed, The American Kennel Club would admit to their registry those dogs appearing in the pedigrees of the dogs imported to Canada;

(2) whether, in the event it does eventually recognize the breed, The American Kennel Club would reject any certificates issued by The Canadian Kennel Club for any dogs imported from the United States or for the progeny of such dogs;

(3) the advisability of consulting The American Kennel Club before taking any action with regard to the possible registration in Canada of those dogs already imported from the United States.

It was regularly moved by Mr. MacKendrick, seconded by Mr. Irving:

(#403-59) "THAT, we accept certificates issued by the Field Dog Stud Book for Vizslas imported into Canada from the United States provided that information to be obtained from The American Kennel Club does not indicate that such action is not desirable."

Motion carried unanimously.

The Secretary was instructed to provide each member of the Board with a copy of the reply received from The American Kennel Club in response to the enquiry to be despatched pursuant to resolution #403-59.

COMPLAINTS, CHARGES AND PROTESTS

The Board considered two complaints, and appropriate action was taken.

8 C 1. REPORT OF COMPLAINTS COMMITTEE

The Secretary:

(1) pointed out that at its annual meeting in February, after discussion, the Board had ordered referred to this meeting for further consideration a recommendation of the Complaints Committee with regard to the appointment of representatives to attend competitive events and to participate in investigations;

(2) reported that Mrs. McColl was opposed to the appointment of such representatives.

The President stated that the Committee's recommendation was prompted by a feeling that a very useful purpose would be served by the Club being officially represented at shows and trials held under the Club's rules, and suggested that the role which it was intended such representatives would fill could readily be taken by members of the Board until such time as the Club is in a position to appoint other official representatives.

Following discussion it was agreed that:

(1) any member of the Board attending any show or trial held under the Club's rules should not hesitate to offer advice or guidance whenever he or she considers that a useful purpose will be served by doing so;

(2) it is the duty of every member of the Board to report to the Board any matter on which he or she considers action by the Board is advisable or imperative (such report to include a recommendation where appropriate).

8 C 7. SPECIAL COMMITTEE RE SALE OF DOGS AND AGREEMENTS

The Secretary:

(1) pointed to the resolution adopted by the Board at its annual meeting in February, following consideration of a report signed by Joseph Dodds, Wm. H. Pym, and A. Greenwood;

(2) reported that when, because of illness, Mrs. McColl could not act as Chairman of the special committee, the Board had appointed Mrs. Smith as Acting Chairman;

(3) reported that all members of the Board had been provided with a report, reading as follows, received from Mrs. Smith:

"As acting Chairman, Special Committee, I proceeded to discuss these problems with the 'Membership Committee' composed of Mr. Ray Davis, Mrs. Patrice Fisher, Mr. Roger Drysdale, Mrs. Audrey Langford and Mr. & Mrs. R. H. Walker. Following are our recommendations:

1. The Committee agrees that the breeder in a certain complaint, used for breeding, dogs that were not good specimens of the breed, but the Committee that made the inspection could not say they were not pure-bred. Therefore we see no possibility of getting any action from the Department should we make such a request. Though we can offer no cure for past offences the following proposed amendment to the By-laws may help us in the future.

IT IS PROPOSED THAT: Article XXXVI, IMPROVEMENT OF STOCK, be amended by the addition of new sections as follows:

3. Where the Board, or the Complaints Committee, if the Board should delegate its powers to this Committee, have reason to believe that a dog for which the Club has issued a certificate of registration, is not a pure-bred dog, it may authorize an inspection of the dog, and if reasonably satisfied that the dog is not pure-bred, it may instruct the recording office to cancel the registration of the dog and recall its certificate of registration. Failure of the owner to return a certificate which has been recalled shall be considered an offence. The owner of a dog whose registration has been cancelled shall have the right of appeal to the Chief Registration Officer whose decision shall be final and binding.

Where registration of a dog has been cancelled as above provided and said dog was one of a litter registered in the records of the Club, the Board may instruct the recording office to cancel registration of the litter and the registration of any other dogs in the litter. The same provisions with regard to return of certificates and appeal to the Chief Registration Officer shall apply with regard to the litter registration and the individual registration of any other dogs in said litter.

4. Where the Board, or the Complaints Committee, has reason to believe that one or more dogs owned by a breeder are of such inferior quality as to be detrimental to the breed if used for breeding purposes, or where the Board has reason to believe that a breeder of pure-bred dogs is also breeding and/or selling dogs which are not pure-bred, it shall have the power to:

(a) authorize an examination of any or all dogs owned by said breeder, and of the private breeding and identification records kept by said breeder;

(b) submit a report, with recommendations, to the Chief Registration Officer. On receipt of said report the Chief Registration Officer shall have the power to:

(i) arrange for another inspection of the dogs and records kept by said breeder; and/or

(ii) authorize the suspension of the registration of any or all dogs standing in the name of the said breeder; and/or

(iii) instruct the recording office of the Club to cancel the registration of any or all dogs owned by said breeder, and where it considers it advisable, the registration of any dogs sold by said breeders and/or allow the registration of any or all dogs owned by said breeder but the Club's records marked to the effect that any progeny of said dogs shall not be eligible for registration in the records of the Club.

5. Where a breeder and/or owner fails to reasonably co-operate in connection with any inspection to be conducted as provided in sections 3 and 4, or refuses to allow his dog (or dogs) and kennel records to be inspected, then the Chief Registration Officer shall have the power to suspend the registrations standing in the name of said person and to instruct the recording office of the Club to reject any further applications submitted by said breeder or owner.

2. The Agreement forms now supplied from the Club office are most distasteful, though we believe quite legal, to many of the breeders and as we have been informed by officials from the Records Office that they would not be supported by the Department of Justice, the Committee recommends that we discontinue issuing these and instead we offer a proposed amendment to cover the same situations:

IT IS PROPOSED THAT: Article XXXI, REGISTRATION OF TRANSFERS OF OWNERSHIP, be amended by the deletion of the present sections 1 and 2 and the following new sections be substituted:

1. When a dog is sold, or otherwise disposed of, as pure-bred, the person disposing of the dog must take the necessary action to provide the new owner with a certificate of registration, issued upon application to The Canadian Kennel Club, said certificate to show that change of ownership has been recorded in the records of the Club, and to be delivered or mailed to the new owner within sixty days after date of sale. Where, however, there is an understanding between buyer and seller that the certificate of registration is not to be provided the new owner until the person disposing of the dog has received full payment (monetary or otherwise) such understanding must be in writing and signed by both buyer and seller, it must be legal, and a copy must be deposited with the recording office of the Club within thirty days. Where there is such an agreement the person disposing of the dog must deliver or mail the certificate to the new owner within sixty days following full payment for the dog. Delay in the delivery of a certificate of registration to a new owner shall not be contingent upon any other understanding and/or obligation not specified in the agreement referred to in this section.

Failure to provide a certificate of registration as herein required shall subject a person so in default to disciplinary action under Article XV of these By-laws. Whether or not disciplinary action is taken under these By-laws, the Chief Registration Officer shall have the power to:

(a) authorize the conducting of an investigation of any complaint that a certificate of registration has not been provided as herein required, and authorize prosecution proceedings under the Live Stock Pedigree Act when, in the opinion of a law officer of the Crown, there has been a violation as provided in this act; and/or

(b) instruct the Club's recording office that further applications shall not be accepted from any person who has, in the opinion of the Chief Registration Officer, failed to provide a certificate as herein required; and/or

(c) authorize the issuance of a certificate of registration to the new owner, said certificate to show the ownership of said new owner.

2. When a dog has been sold or otherwise disposed of, the person disposing of the dog as pure-bred shall not require the person to whom he has sold or otherwise disposed of the dog to make any payment for delivery of the certificate of registration as required in Section 1. Any person exacting or requiring such payment, in any form, shall be deemed to have committed a serious offence.

3. The word "person" as used in Sections 1 and 2 above, shall apply to a partnership, an authorized agent, a company, an organization.

3. Many breeders feel that, for the benefit of the breed, they must curtail the breeding and/or exhibiting of inferior animals, which would propagate serious faults. But, at the same time these dogs could fill some vacant spot in a home as a pet. To safeguard these breeders some policy must be set up whereby these dogs cannot in the future be used for breeding stock. The Committee feels that this is the only way that we can stamp out such faults as mono and cryptorchidism and many others. Therefore the following proposed amendment is offered for your consideration:

IT IS PROPOSED THAT: Article 23, AGREEMENTS, be deleted in its entirety and the following new article be substituted:

1. A pure-bred dog may be sold on the understanding that the new owner, or any subsequent owner or lessee, will not use the dog for breeding purposes; however, such an understanding will have no force or effect unless entered into on a form (or facsimile) provided by the Club for this purpose, and a copy of such written agreement, signed by the parties concerned, is deposited with the recording office of the Club when the application for recording change of ownership is submitted to the recording office. On receipt of such an agreement, the Registrar shall cause an endorsement, in a form approved by the Chief Registration Officer, to appear on the certificate of registration and in the records of the Club that the dog has been disposed of on the understanding that it will not be used for breeding purposes, such understanding to be binding on all parties until the agreement is cancelled by mutual consent of the parties who originally entered into it. While such an agreement remains recorded in the records of the Club, said dog must not be used for breeding purposes, and if used, then its progeny shall not be eligible for registration. Nor shall any person, partnership, company or organization, have the right to force or seek to force, the Club to proceed with registration of any such progeny, directly or otherwise. Any person, partnership, company, or organization, who sells as pure-bred the progeny of a dog covered by such an agreement shall be deemed to have sold a dog not eligible for registration and has therefore automatically committed the violation set forth in section 17 (e) of The Live Stock Pedigree Act.

Any person, partnership, company, or organization, who sells, as pure-bred a dog covered by an agreement as herein provided, shall, when offering said dog for sale or other disposal, clearly explain that the dog is covered by an agreement which prohibits its use for breeding purposes. Failure to do so shall be considered fraud, and the failure of the prospective new owner to state that he is considering purchase of the dog for breeding purposes shall in no way mitigate such criminal deception.

2. Such an agreement may also be entered into which will prohibit a dog from being entered for any exhibition or competitive purposes in Dog Shows and/or Obedience Trials and/or Field Trials, by following the above procedure. All conditions, rules etc. in chapter 1 shall prevail for chapter 2.

3. A single agreement may combine the conditions outlined in sections 1 and 2 of this article.

4. An agreement of the nature outlined in Section 1 and applying in Section 2 (or combination thereof) may be cancelled by mutual consent of the parties to it, however, all parties to the agreement must notify the recording office of the Club in writing that the agreement has been cancelled. Where such cancellation occurs a fee of $2.00 must accompany the application for cancellation. A new certificate will then be issued, the replaced one becoming the permanent property of the Club.

5. In the foregoing sections of this article the word "sale", "sold", "sell" shall also mean any other means by which change of ownership is effected. The word "owner" shall also mean his authorized agent, any person to whom the owner leases the dog, and any person in whose hands the owner places the dog for any purpose whatsoever.

6. A pure-bred dog may be sold or otherwise disposed of by a private agreement. Such agreement must be in writing. No private agreement may contravene the provisions of The Live Stock Pedigree Act.

7. On submission to the Board of a statutory declaration indicating that the terms or conditions of a private agreement are not being observed, the Board may conduct an investigation and take such action as the evidence indicates.

4. For some time members have been asking why 'such & such' a kennel has not been inspected. For it is general knowledge that 'all is not right'. Under our present By-laws, the Committee sees no way that such an inspection can be ordered except upon an official complaint. Therefore we offer this proposed amendment to make such an inspection possible at any time the Board decides one is necessary:

IT IS PROPOSED THAT: Article 22, PRIVATE BREEDING AND IDENTIFICATION RECORDS, be deleted in its entirety and the following new article be substituted:

1. There shall be kept by each breeder a private record which shall contain full particulars of his breeding operations and identification of all dogs in his possession by reason of ownership, lease or agreement. These records shall be kept in the form set forth in the "Canadian Kennel Club Private Breeding Record" or in some other suitable form that will contain the required information.

2. When and if the Board, or The Chief Registration Officer, feels that an inspection of a person's breeding and/or identification records is advisable, The Board, or The Chief Registration Officer, shall have the power to order such an inspection of the private breeding records of a breeder, of the adequacy of the system of identification practiced by such breeder, and of the manner in which such system of identification is being practiced by the breeder. Such inspection may be made by a person or committee appointed for the purpose by the Board or The Chief Registration Officer.

3. A breeder who fails to render every reasonable facility for the inspection to be properly made shall by such failure, or refusal, be deemed to have committed a serious offence, and upon report of such failure or refusal to the Chief Registration Officer such breeder may be refused the right to register and transfer dogs on the records of the Club.

4. When as a result of an inspection of the manner in which breeding records are kept or failed to be kept and identification practised by a breeder it is proven to the satisfaction of the Board and/or the Chief Registration Officer that the regulations in that regard as laid down herein are not being observed, the Chief Registration Officer may instruct the recording office of the Club that further applications from said breeder are to be rejected and further registrations and transfers are not to be recorded on the records of the Club.

5. If such inspection should indicate that the private breeding records and identification system as practised by such breeder are in such a state as to raise a doubt as to the reliability of the registrations standing in the name of such breeder, the Chief Registration Officer may suspend the certificate of registration of any number or all dogs standing in the name of such breeder, and it may suspend the certificate of registration of any number or all dogs originally registered by him and later transferred.

5. Many, many times each member of the Committee has heard of cases where dogs are registered as being tattooed or the application for registration is delayed while waiting to nose-print, in both cases the dogs have been sold before being identified. The Committee feels that this is an extremely sad state of affairs and to endeavor to correct the situation we offer a proposed amendment:

IT IS PROPOSED THAT: Article 27. IDENTIFICATION, be amended by the addition of a new section reading as follows:

4. A person, partnership, authorized agent, company or organization who fails to properly identify a dog, in accordance with the provisions of this Article, before submitting the application for registration to the Club's recording office, shall, by such failure, be deemed to have committed a serious offence, and is subject to disciplinary action as provided in Article 15 of these By-laws. Whether or not disciplinary action is taken under these By-laws, the Chief Registration Officer shall have the power to instruct the Club's recording office that further applications shall not be accepted from any person, partnership, authorized agent, company or organization who has in the opinion of the Chief Registration Officer, committed the offence referred to in this Section.

The Committee is quite willing to place their signatures on any or all of these proposed amendments, should the Board desire them to do so. We feel that now, since we have the new article on Discipline has received approval each of these now become within the scope of the Board.

The Committee wishes to thank you for your indulgence in this report and to thank you for the privilege of sitting on the Committee, we hope our deliberations meets with your approval.

This report respectfully submitted.

July 29, 1959.

(signed) Phyllis M. Smith
Acting Chairman.

In explaining the Committee's recommendations with regard to proposed amendments to Articles 31 and 23 of the By-laws, Mrs. Smith stated that the Committee was of the opinion that:

(1) there is nothing in the Live Stock Pedigree Act which provides for withholding delivery of a certificate of registration;

(2) many members are not satisfied with the type of agreement forms now being made available feeling that the wording of the agreement implies that the dog covered by the agreement is not pure-bred;

(3) The issuance of a certificate of registration is not a certification of "good quality"; rather it is a record of the dog's individual registration in the records of the Club;

(4) where a breeder sells a dog on the understanding that it will not be used for breeding and/or competitive purposes he would be better protected if that agreement is indicated on the certificate issued for the dog.

Mr. Irving:

(1) stated that it had been proposed previously that there be two classes of registration: (1) one where there is no prohibition on the uses to which a dog may be put by a new owner; (2) where there is a prohibition, covered by written agreement recorded in the Club's records and on the certificate of registration;

(2) recommended that instead of providing for such arrangements through the "Agreement" section of the By-laws, it be covered by appropriate changes in the Articles on Registration of Individual Dogs section.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. Williams:

(#406-59) "THAT, the Secretary prepare, for the consideration of the Board at its next annual meeting, proposed amendments on a restrictive type of registration of dogs."

Motion carried unanimously.

In the discussion on the Committee's recommendations with regard to proposed amendments to Articles 36, 22, and 27, questions were raised as to the Club's powers with regard to investigations, private breeding records and identification.

It was regularly moved by Mr. Williams, seconded by Mr. Little:

(#407-59) "THAT, proposed amendments to Article 36 be approved in principle, but the opinion of the Club's solicitor be sought on the legal status of the Club in connection with cancellation of registrations; and the opinion of the Department of Agriculture be sought in connection with the Committee's proposals regarding private breeding records and identification."
FOR THE MOTION: Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Irving, Mr. Little, Mr. MacCallum, Mrs. Mack, Mrs. Smith, Mrs. Southcott.
ABSENT: Mr. MacKendrick.

Motion carried.

It was regularly moved by Mr. Dawson, seconded by Mr. Blyth:

(#408-59) "THAT, the Committee be commended on its report, and be thanked for same."

Motion carried unanimously.

-----Mr. Williams took the Chair at the President's request.

The Board then considered several complaints, and after discussion, appropriate action was taken.

INTERNAL AND ADMINISTRATION

9 A 2. LIVE STOCK RECORDS BOARD

The President reported that:

(1) since the annual meeting of the Board Mr. MacCallum had been elected a member of the Live Stock Records Committee;

(2) the Club's representatives on the Live Stock Records Board had not succeeded in their efforts to arrange for an amendment to the Articles of Affiliation which would have provided for automatic representation on the Live Stock Records Committee for each of the three top-ranking associations in the Live Stock Records system.

It was regularly moved by Mr. Williams, seconded by Mr. Dawson:

(#420-59) "THAT, the report be received."

Motion carried unanimously.

9 A 5. WEIGHTS AND MEASURES

The President reported that:

(1) the Poodle Advancement Association had arranged, as a matter of policy, for a competing exhibitor at each championship show in Ontario or Quebec to demand the measuring of every Poodle entered in competition;

(2) believing that if this practice is extended to all championship shows and to all breeds for which there is a height or weight disqualification factor, then a situation might develop which would require the Board's consideration;

(3) he had therefore arranged for a meeting with offiders of the Poodle Advancement Association, and at that meeting there had been a thorough discussion of the advantages and disadvantages of the present measuring rules and of other possible arrangements which would necessitate changes in the current Dog Show Rules;

(4) a report of that meeting had been despatched to all members of the Board.

Mr. Irving stated that:

(1) at the 1958 Annual General Meeting he had proposed that in every breed for which there is, in a breed standard, provision for disqualification on the grounds of height or weight, the Dog Show Rules be amended to require that all dogs competing in such breeds must be weighed or measured before judging of each breed commences;

(2) although his proposal was endorsed by the 1958 Annual General Meeting, it was not endorsed by the Amendments Committee, and therefore was not included in the proposed amendment on measuring which had been included in the 1958 referendum ballot;

(3) if members are desirous of changing the present rules with regard to weighing and/or measuring, then it is their privilege to submit a proposed amendment as provided in Article XXXVIII of the Club's By-laws.

Mr. MacKendrick stated that:

(1) no breed standard should provide for the disqualification of a dog on the grounds of height or weight;

(2) rather, when a dog is above or below the desirable height or weight limits provided in a breed standard, it should rest with each judge to determine the extent to which said dog will be penalized having regard for the quality of the dogs against which it is competing.

Mr. Blyth suggested that arrangements may be made for the issuance of permanent measuring certificates along the lines provided in the Field Trial Rules for Beagles.

It was agreed that if the Poodle Advancement Association has any new ideas about the measurement of Poodles, the issuance of permanent measurement certificates, or new requirements for championships for Poodles, then any of their members eligible to do so may submit proposed amendments to the current Dog Show Rules.

It was regularly moved by Mrs. Smith, seconded by Mr. Williams:

(#421-59) "THAT, the Poodle Advancement Association be advised that any change in the existing Dog Show Rules with regard to measurement may only be effected by way of the referendum ballot, for the Board has not the power to amend the said Rules."
FOR THE MOTION: Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Irving, Mr. Little, Mr. MacCallum, Mrs. Mack, Mrs. Smith, Mrs. Southcott.
AGAINST THE MOTION: Mr. MacKendrick.

Motion carried.

9 A 47. LISTED DOGS

The Secretary reported that in accordance with instructions given by the Board he had forwarded to members of the Board details of the plan on listed dogs which he had outlined briefly at the Board's annual meeting in February.

Mr. Irving stated that:

(1) while the Secretary's plan had its advantages, he felt that many listed dogs would not be registered if the plan is put into effect;

(2) the new rule on listed dogs, which had come into effect on January 1st, 1959, had prompted the registration of many listed dogs, and as more exhibitors became familiar with its requirements there would be fewer listed dogs;

(3) no new plan on listed dogs should be tried until the present rule has had at least another year to prove its worth;

(4) he had no objection to the Secretary's proposal being placed before the members provided that it does not appear on the referendum ballot until discussed at the Annual General Meeting and otherwise by members.

Following discussion it was regularly moved by Mr. MacKendrick, seconded by Mr. Blyth:

(#422-59) "THAT, the Secretary's suggestions be put forward as proposed amendments for the consideration of the members at the next Annual General Meeting."

Motion carried unanimously.

9 A 22. REVISION OF THE LIVE STOCK PEDIGREE ACT

The Secretary reported that:

(1) the Club's proposals with regard to desirable changes in the Live Stock Pedigree Act had been placed before the last annual meeting of the Live Stock Records Board for consideration and had been referred to the Live Stock Records Committee;

(2) at a meeting of the Live Stock Records Committee in June, attended by the President and Secretary, these proposals had been referred to the Chief Registration Officer with a request that he obtain the opinion of the Department of Justice on the recommended changes.

It was regularly moved by Mr. Williams, seconded by Mr. MacCallum:

(#423-59) "THAT, the report be received."

Motion carried unanimously.

9 A 39. IMPLEMENTATION OF BOARD DECISIONS

The Secretary pointed to the standing resolution with regard to the implementation of the Board's decisions, and sought authority to proceed as quickly as possible with implementation of decisions reached at this meeting.

It was regularly moved by Mr. Williams, seconded by Mrs. Smith:

(#424-59) "THAT, if so authorized by the President the Secretary is permitted to take immediate action on all decisions made at this meeting."

Motion carried unanimously.

9 A 31. BOARD MEETINGS

The Secretary sought an instruction with regard to the calling of the next regular meeting of the Board.

After discussion it was regularly moved by Mrs. Smith, seconded by Mr. Blyth:

(#425-59) "THAT, the next regular meeting of the Board be held on the regular day in October."

Motion carried unanimously.

Mrs. Mack said that while the holding of the semi-annual meeting at points other than Toronto affords Board members an opportunity of meeting some members, the Club would be in closer touch with its members if:

(1) the semi-annual meeting of the Board is held in Toronto;

(2) the President and Secretary are authorized to attend open meetings, arranged by each local Director, to meet members, after which the President and Secretary would meet the Field Trial Representatives and Obedience Representative, and such other members who desired to discuss their own problems with the President and Secretary.

Following discussion it was agreed that the present Board could not set the date or place of the next semi-annual meeting of the Board, and therefore any consideration of the plan outlined by Mrs. Mack must be left to the incoming Board.

Mr. Irving:
(1) pointed out that since 1955 semi-annual meetings of the Board had been held at Winnipeg, Toronto and Fredericton, and an Annual General Meeting had been held at Montreal (1957);
(2) gave notice that at the next annual meeting he would propose, subject to a review of the Club's financial position, that the 1961 Annual General Meeting be held at Vancouver.

Mrs. Mack suggested that the Board consider a reduction in the daily allowance prescribed for members of the Board while attending the annual and semi-annual meetings.

Following discussion it was agreed that the present allowances would be reviewed by a committee whose report and recommendations would be placed before the Board, at its next annual meeting, for consideration.

GOOD AND WELFARE

14 G 2. DOG FOODS

The Secretary reported on developments in connection with the organizing of dog food manufacturers, veterinary associations, The Canadian Kennel Club, and others, to participate in joint representations to the federal government calling for the enactment of legislation which would require that every container of dog food carry a statement of guaranteed analysis of the contents.

Mr. Williams suggested and it was agreed that the representations to be made must cover all dog foods, and not be confined to canned foods.

Mr. Irving stated that the group's representations would be strengthened if backed by a country-wide petition in support of the representations to be made.

It was regularly moved by Mr. Irving, seconded by Mr. Williams.
(#426-59) "THAT, the report be received, and the Club's representatives take cognizance of Mr. Irving's suggestion of a country-wide petition, the representations to include all dog foods."
Motion carried unanimously.

Mr. Irving suggested that steps be taken to eliminate the payment of a sales tax on dog food.

The Secretary reported on the information he had obtained on this subject since the annual meeting of the Board.

Mr. MacCallum reported that he had taken this matter up with the Live Stock Records Committee and the matter was continuing to receive the attention of the Committee.

After discussion it was agreed that the matter be left in the hands of Mr. MacCallum and the Committee to follow up.

14 G 4. AFFILIATION OF CLUBS

The President reported that:
(1) in accordance with a resolution adopted at the last Annual General Meeting he had arranged for a survey of clubs and associations in Canada on the question of affiliation of clubs and associations with The Canadian Kennel Club;
(2) the Committee (composed of J. W. MacCallum and himself) which had conducted the survey had forwarded a report to the Board in which the Committee:
(a) set forth the statistical results of the survey it had conducted;
(b) strongly recommended that the question of affiliation be abandoned;
(c) recommended that its report be placed before the next Annual General Meeting.

It was regularly moved by Mrs. Smith, seconded by Mr. Little:
(#427-59) "THAT, the report of the Committee re affiliation of clubs be adopted, and the Committee thanked for its endeavours."
FOR THE MOTION: Mr. Williams, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Irving, Mr. Little, Mr. MacCallum, Mrs. Smith.
ABSENT: Mr. Anderson, Mr. MacKendrick, Mrs. Mack, Mrs. Southcott.
Motion carried.

14 G 13. SHEEP AND CATTLE DOGS

Mr. Little:
(1) reported on the preparatory steps which he had taken with a view to the ultimate recognition of the Border Collie and the wider use of pure-bred dogs in work with sheep and cattle, but expressed the view that if further progress is to be made then it would be necessary for the Board to extend the terms of reference approved by the Board at its annual meeting in February;
(2) exhibited a sample of the letter which he proposed to address to sheep and cattle breeders eliciting their support;
(3) reported his intention to appoint one Director in each province to his Committee, and through these Directors interest provincial governments in the development of the objectives of the Committee;
(4) reported his intention to import a number of proven working dogs.

In the discussion which followed these points were considered:
(1) the possibility of interesting 4-H clubs in this work;
(2) the possibility of placing working dogs on provincial agricultural farms and stations;
(3) the possibility of establishing, in due course, working trials for sheep and cattle dogs.

It was regularly moved by Mr. MacKendrick, seconded by Mr. Williams:
(#428-59) "THAT, the Director for the Maritimes be given every latitude that he needs to promote this breed, and be thanked for the efforts he has already made."
FOR THE MOTION: Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Irving, Mr. MacCallum, Mr. MacKendrick, Mrs. Mack, Mrs. Smith, Mrs. Southcott.
ABSTAINED FROM VOTING: Mr. Little (being named in the motion).
Motion carried.

14 G 14. SLED DOG RACING RULES

Mrs. Mack reported that:
(1) she had sought the co-operation of Mr. Malcolm McDougall in the framing of rules covering sled dog racing, and the Committee's report and recommendations would be presented when the Committee had completed its work;
(2) one of the problems faced by the Committee relates to the use of other than registered dogs in some of the teams which compete at these events.

It was regularly moved by Mr. Williams, seconded by Mr. MacCallum:
(#429-59) "THAT, we accept the report as progress, and the Committee carry on."
Motion carried unanimously.

14 G 12. SHIPPING CRATES

Mrs. Mack reported that:
(1) Trans Canada Airlines, in an effort to have the goodwill of those shipping dogs by air, had diligently sought to obtain a new type of shipping crate to replace the Tuttle crate;
(2) she had participated in their experiments with various types of crates;
(3) as a result of their experiments, Trans Canada Airlines were now making available the following crates:
(a) Small Pet Pak - 24" long x 21" high x 15" wide, weighing 19 pounds. Price $11.00 in Canada - $12.50 in U.S.A.
(b) Large Pet Pak - 36" long x 30" high x 21" wide, weighing 34 pounds. Price $16.00 in Canada - $19.00 in U.S.A.;
(4) she considered the prices quoted to be most reasonable;
(5) the reaction to the new crates had been so favourable that out of an original order for 500, the Trans Canada Airlines had very few left on hand.

It was regularly moved by Mrs. Mack, seconded by Mr. Little:
(#430-59) "THAT, the Quebec Director's report be received, and Trans Canada Airlines be congratulated on their splendid co-operation."
Motion carried unanimously.

INTERNAL AND ADMINISTRATION

9 A 46. PROMOTION, PUBLICITY, PUBLIC RELATIONS

Mr. MacKendrick, Chairman of the Promotion, Publicity and Public Relations Committee:
(1) reported that since the annual meeting press releases had been made to 200 weekly newspapers published in Canada;
(2) reported that with a view to establishing the value of these press releases, a clipping service had been engaged;
(3) reported that the clipping service indicated that 513 releases had been reproduced, occupying a total of 917 columnar inches, the releases having appeared in newspapers in all provinces except Prince Edward Island.

It was regularly moved by Mr. Dawson, seconded by Mrs. Southcott:
(#431-59) "THAT, the report be received and the Chairman be thanked for his services."
FOR THE MOTION: Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Irving, Mr. Little, Mr. MacCallum, Mrs. Mack, Mrs. Smith, Mrs. Southcott.
ABSTAINED FROM VOTING: Mr. MacKendrick (being named in the motion).
Motion carried.

Mr. MacKendrick stated the Promotion Committee would welcome suggestions as to other steps it may take or consider.

Mrs. Mack suggested that each member be provided with a sticker which could be placed on the windshield of a car.

Mr. Irving suggested that each member be provided with a printed card which he could place on the bench at a show at which he is exhibiting.

Mr. Williams suggested that consideration be given to the use of the classified advertising sections of daily newspapers.

Mr. Little:
(1) reported that from time to time he had issued a "progress report" to each member in the Maritimes;
(2) stated that a visit of the Maritime Director to Newfoundland would do much to encourage members in that province and would do much to crystallize the desire of members in that province to hold championship shows.

It was regularly moved by Mrs. Mack, seconded by Mr. Dawson:
(#432-59) "THAT, Mr. Little be authorized to make a visit to Newfoundland on behalf of The Canadian Kennel Club and submit an expense account."
Motion carried unanimously.

Mrs. Mack referred to the publicity accorded the meeting in local newspapers and the many advertisements welcoming the Board to Fredericton.

It was regularly moved by Mr. Williams, seconded by Mr. MacKendrick:
(#433-59) "THAT, Mr. Little be authorized to arrange for paid advertisements in The Gleaner and The Free Press thanking all who contributed to the success of this meeting."
Motion carried unanimously.

Mrs. Smith pointed out that local newspapers had announced the setting up of the New Brunswick Fishermen's Disaster Fund and suggested that a donation to this Fund would be a tangible indication of the Board's appreciation for the welcome and treatment it had received during this, its first meeting in the Maritime provinces.

It was regularly moved by Mrs. Smith, seconded by Mr. Anderson:
(#434-59) "THAT, $250.00 be donated to the New Brunswick Fishermen's Disaster Fund."
Motion carried unanimously.

It was agreed that this donation would be delivered to the Premier of New Brunswick at the dinner, which the Premier, on behalf of the Government of New Brunswick, was tendering the Board this evening.

Mr. Little paid tribute to the assistance and co-operation which he had received from Mr. Lawrence Garvie, a member, in connection with the arrangements for and publicity accorded this meeting of the Board.

It was regularly moved by Mr. Williams, seconded by Mr. MacCallum:

(#435-59) "THAT, a letter of thanks be addressed to Mr. Lawrence Garvie for his splendid co-operation and assistance in connection with this semi-annual meeting."

Motion carried unanimously.

It was regularly moved by Mr. Irving, seconded by Mr. Williams:

(#436-59) "THAT, a letter of appreciation be addressed to all those who have made us so welcome here."

Motion carried unanimously.

It was agreed that Mr. Little would provide the Secretary with the names of the persons and organizations to whom the Secretary would write as directed by this resolution.

The Secretary read a letter from Fred Tremain, Hamilton, Ont., who:

(1) pointed to the unfavourable press publicity accorded the remarks of a judge who had ordered three dogs destroyed for attacks on children;

(2) felt that no dog should be destroyed until it is examined by persons who know dogs and then only if found to be vicious.

The Secretary reported on a conversation with a member of the Club following the appearance of an article entitled "I Hate Dogs" in a recent issue of Liberty magazine.

It was agreed that any attempt to answer this article would only draw attention to and further publicize the article in question.

It was regularly moved by Mr. MacCallum, seconded by Mr. Williams:

(#437-59) "THAT, we write and thank the member for her interest in drawing the matter to our attention."

Motion carried unanimously.

Mr. Irving:

(1) referred to the publication, in the "Letters to the Editor" section of Dogs in Canada, of letters with regard to judges;

(2) stated that these letters had been the subject of much criticism on the part of many members in British Columbia;

(3) suggested that before anything of this nature is published in the official organ the Club's representatives should be consulted.

It was agreed that the matter would be referred to the Club's representatives to take up with the publishers.

9 A 58. SHOWS AND TRIALS

The Secretary reported that applications are now being received for permission to hold shows and trials under the Club's rules in 1960, and sought permission to process such applications.

It was regularly moved by Mr. MacKendrick, seconded by Mrs. Gove:

(#438-59) "THAT, the Secretary be authorized to grant dates for shows and trials."

Motion carried unanimously.

Mr. Anderson recommended and it was agreed that the Secretary would provide each member of the Board with a copy of a letter, dated July 23rd, received from the President of the Calgary Kennel and Obedience Club with regard to show and trial dates and priority rights on show dates.

Mrs. Mack stated that it would be very helpful to breeders if, when a new champion or other title winner is reported in the official magazine, the name of sire and name of dam of each new title winner is published.

It was regularly moved by Mrs. Mack, seconded by Mrs. Southcott:

(#439-59) "THAT, when reporting new champions and other title winners in the official magazine, we show the name of the sire and the name of dam."

Motion carried unanimously.

-----Dinner intermission.

9 A 16. STANDING RESOLUTIONS

Mr. Irving, Chairman of the Committee on Standing Resolutions, pointed out that prior to this meeting the Secretary had provided each member of the Board with a copy of the standing resolutions, and enquired whether any member of the Board had any suggestions to make with regard to the material forwarded by the Secretary.

Having received the suggestions of members of the Board, Mr. Irving made the following recommendations with regard to standing resolutions relating to the By-laws:

(1) recommended that resolution "K" under Article X be amended by deleting the words "until minutes are adopted at the next meeting of the Board" and substitute the words "until such decisions are reviewed by the Committee on Minutes to ascertain the advisability of taking such action";

(2) recommended the addition of the following standing resolution to Article X:
"THAT, when a ballot is taken by mail, it shall be the rule that the vote of any Director who abstains will be considered to be in favour of the decision made by the majority of those voting.";

(3) recommended that resolution "D" under Article XI be amended by deleting the word "provincial" as it precedes the word "Directors";

(4) recommended the addition of a standing resolution, reading as follows, to Article XI:
"THAT, Officers and Directors of the Club are duty bound to offer advice, when requested, on matters coming under the authority of The Canadian Kennel Club.";

(5) recommended the addition of a standing resolution, reading as follows, to Article XV:
"THAT, at each annual meeting the Board shall appoint a Complaints Committee to hold office until the next following annual meeting of the Board; and the Complaints Committee shall have the powers provided for the Board in Sections 4 (a), 4 (b), 4 (e), 4 (f) and 4 (g) of Article XV of the By-laws, except that where a complaint or charge concerns a person or persons not resident in the province of Ontario the recommendation of the local provincial Director must be sought before disciplinary proceedings are instituted by the Committee; where the Committee feels disciplinary proceedings should be instituted and the local provincial Director does not agree, then the ruling of the national Board must be sought.";

(6) recommended that resolution "D" under Article XIX be amended to read:
"THAT, members appointed to committees may be reimbursed for their out-of-pocket expenses when so ordered by the Board.";

(7) recommended the addition of the following words to resolution "A" under Article XXV:
"name of a breed or indicative of a breed name";

(8) recommended the addition of the following as a standing resolution under Article XXXI:
"THAT, the fact that a dog sold as pure-bred died following sale in no way relieves the vendor of his legal obligation to supply the purchaser with a Canadian Kennel Club certificate of registration showing the purchaser's ownership of the dog."

(9) recommended that resolution #397-59 be included under Article XXIX.

Mr. Irving made the following recommendations with regard to standing resolutions relating to dog shows:

(1) recommended the addition of a suitably worded standing resolution to Chapter 14 which would permit of a male dog without two normal testicles normally located in the scrotum to enter but not compete at a championship show if said dog is:
(a) also entered at a licensed obedience trial being held in conjunction with the show; or
(b) is one of several dogs, eligible for entry in the show, brought to the show by the same owner or handler; or is
(c) entered for "exhibition only";

(2) recommended the addition of the following as a standing resolution under Chapter 19:
"THAT, where a show-giving club is holding championship shows on consecutive dates and at the first show a dog has been officially measured by the Show Superintendent in accordance with the Dog Show Rules and policies set by the Board, the measurement certificate issued for the first show shall hold good for the following show or shows (held by the same Club on consecutive date or dates - Sunday excepted) without further re-measurement.";

(3) recommended the addition of the following as a standing resolution under Chapter 16:
"THAT, a dog is not to be entered at a show with the title "Int. Ch." but where a dog is a champion in more than one country each such country is to be specified; a dog is not to be entered with the title "Dual Ch." but where a dog has more than one title each title is to be specified, e.g. "Ch. and F.T.Ch.";

(4) recommended the addition to Chapter 19 of a resolution, to be framed by the Secretary, prohibiting "double handling".

Mr. Irving made the following recommendations with regard to standing resolutions relating to field trials:

(1) recommended the addition of the following as a standing resolution under Chapter 7:
"THAT, a dog is not to be entered at a field trial with the title "Int. Ch." but where a dog is a champion in more than one country each such country is to be specified; a dog is not to be entered with the title "Dual Ch." but where a dog has more than one title each title is to be specified, e.g. "Ch. and F.T. Ch.";

(2) recommended that resolution "C" under Chapter 10 be amended by deleting the word "official" as it appears before the word "judges";

(3) recommended that resolution #380-59 be included under the "General" heading;

(4) recommended that resolution #438-58 be added to resolution "C" under Chapter 10;

(5) recommended that a suitably worded standing resolution be included, under Appendix, to provide that the Secretary, instead of the host club, would mail invitations to owners of dogs eligible for entry in the National Championship Retriever Stake.

Mr. Irving made the following recommendations with regard to standing resolutions relating to obedience trials:

(1) recommended that resolution "B" under Chapter 1, Section 5, Subsection 2, be amended by the deletion of the words "be sent to the provincial Examining Committee" and substitute the words "be sent to the Secretary of The Canadian Kennel Club."

(2) recommended the addition of a standing resolution, reading as follows, to Chapter 1, Section 5, subsection 2:
"THAT, applicants for approval to judge tracking tests may apprentice in the United States until December 31, 1960";

(3) recommended that the recommended policy with regard to substitution of judge as outlined in the report (Section #5) presented by the Acting Chairman of the Obedience Council earlier in this meeting, be included as a standing resolution under Chapter 1, Section 5, Subsection 3;

(4) recommended that the following be included as a standing resolution under Chapter 1, Section 14:
"THAT, a dog which has earned its C.D., C.D.X., and U.D. degrees shall be entitled to the prefix "O.T.Ch." but when, in addition, it passes its Tracking Test, then the prefix "O.T.Ch." will be deleted and the affix "U.D.T." will be substituted."

Mr. Irving recommended that when the standing resolutions are published a separate sheet should be provided for each By-law or Chapter effected, the subsection to be noted on the left hand column, and the number of the resolution (taken from the minutes) be stated on the right hand column. Mr. Irving also recommended that when a new standing resolution is adopted, or a change or deletion is ordered by the Board,

a replacement sheet be issued immediately to all members of the Board.

It was regularly moved by Mr. Irving, seconded by Mr. Williams:

(#440-59) "THAT, Mr. Irving's recommendations with regard to standing resolutions be approved, and the Secretary be instructed to present the standing resolutions in the form recommended."

Motion carried unanimously.

The Secretary reported that:

(1) he had written the Club's solicitor as instructed by resolutions #188-59 and #189-59;

(2) each member of the Board had been provided with a copy of the solicitor's reply dated July 2nd.

Following discussion it was regularly moved by Mrs. Smith, seconded by Mr. Dawson:

(#441-59) "THAT, we follow the advice of the Club's solicitor."

Motion carried unanimously.

The Secretary:

(1) pointed out that in the Club's By-laws there is provision for the Board to interpret the By-laws;

(2) suggested that steps be taken, by way of the referendum ballot, for the addition of a similar provision in the Dog Show Rules, the Obedience Trial Regulations and Standards, and the Field Trial Rules and Regulations.

After discussion it was regularly moved by Mr. Irving, seconded by Mr. Dawson:

(#442-59) "THAT, appropriate amendments along this line be drafted by the Secretary in consultation with the Club's solicitor, and then presented as proposed amendments at the next Annual General Meeting after publication in the official magazine."

Motion carried unanimously.

9 A 59. RULES OF ORDER

The Secretary:

(1) pointed out that the Club's By-laws (Article XVII) provide that the Rules of Order, as found in "How to Conduct Public Meetings in Canada", by H.C. MacGill, governs meetings of the Club;

(2) reported that the book is out of print and it is extremely difficult to obtain a copy;

(3) reported that he had discussed with the Club's solicitor the possibility of the Club, through an amendment to the By-laws, adopting other Rules of Order.

Following discussion it was agreed that the Secretary would discuss the matter further with the Club's solicitor and be governed by his advice with regard to an amendment to the By-laws which could be discussed at the next Annual General Meeting after publication in the official magazine.

INTERNAL AND ADMINISTRATION

9 A 31. BOARD MEETINGS

Members of the Board joined the President in thanking Mr. Little for the excellent arrangements he had made for this meeting of the Board and other arrangements which had enabled members of the Board to meet many members in the Maritimes.

Mr. Little said that the meeting, and the publicity which had been given it, would mean much for pure-bred dogs in the Maritimes.

Mr. Williams, on behalf of the Board, congratulated the President on his chairmanship of the meeting and on the celebration of his birthday on August 17th.

ADJOURNMENT

The meeting adjourned at 10.35 P.M.

NOTICE

SUBJECT: Processing of applications for registration and applications for transfer of ownership.

Having regard for the provisions of the Live Stock Pedigree Act, 1949, and the By-laws of The Canadian Kennel Club, members and others selling dogs as pure-bred are asked to note that the following instructions have been given to the Canadian National Live Stock Records with regard to the acceptance and processing of applications for registration and/or applications for transfer of ownership:

#1 --- In the case of a dog born in Canada the application for registration is to be processed and a certificate of registration issued ONLY if the application for registration is submitted to the Live Stock Records office by the person who OWNED THE DOG AT BIRTH.

#2 --- Where a dog already registered in the records of The Canadian Kennel Club has been sold, transfer of ownership is to be recorded ONLY if the certificate of registration and application for transfer of ownership are submitted to the Live Stock Records office by the LAST RECORDED OWNER.

#3 --- Where a dog has been imported to Canada, the application for registration is to be processed and a certificate of registration issued ONLY if the application for registration is submitted by the person WHO IMPORTED THE DOG TO CANADA.

A person selling a dog as pure-bred must not give an application for registration and application for transfer of ownership, or a certificate of registration and application for transfer of ownership, to the purchaser. Where a dog is sold as pure-bred the purchaser is entitled to a C.K.C. certificate of registration showing that transfer of the dog to his name has been duly recorded in the records of the Club.

AROUND THE OBEDIENCE RING

by ALAN SHARP

Letters of Interest

The following letter came to us from Miss Connie Turcot, 4541 Old Orchard Avenue, Montreal:

"I am a young girl of fifteen years old, I attended Mrs. Casgrain's dog obedience school with a Dalmatian. He would be ready to enter trials and achieve his C.D. But this dog was in an accident and had his back broken. Because of this injury, his hind legs are weak, but it does not disturb him or his work (except jumping). I wonder if I could enter him in obedience trials. I enclose a picture of "Jingles" – notice the "hump" on his back."

Thanks very much for taking the time to write to us and for enclosing a picture of your Dalmatian which, unfortunately, we are not able to reproduce here. We are so sorry to learn of your dog's accident, but are glad that your pet is on the mend. We can see no reason why you can't continue your training and enter the Novice Class, providing, of course, the training is not too strenuous for your dog in his present condition. As you probably know, there is no jumping required in the Novice Classes, so you don't have to worry about that. The exercises in the Novice Class are listed as follows:

(1) Heel on Leash
(2) Stand for Examination
(3) Heel Free
(4) Recall
(5) Long Sit
(6) Long Down

We would suggest that you check with your veterinarian and if he gives you the green light, then you are all set to continue your training for the novice work. We hope you will be able to do this and if you do, then our very best wishes go forward to you. By the way, we don't see too many Dalmatians in Trials today, so it would be nice to see yours in the ring some day. –ED.

One of our readers on the West Coast, Miss Marjorie Cummings, 4655 West 13th Avenue, Vancouver, B.C. writes to us as follows:

"The closing and final chapter as far, at least, as Canada is concerned, was climaxed today when "Duffy" won his "Tracking Dog" degree. This dog is the holder of his Canadian and American Utility Dog Degree.

"Although his period of training has been quite short, he came through on top. He is owned and was trained by the writer.

"It is hoped that before long he will be able to compete for his American Tracking Dog Degree. I think many of you will recall the write-up in the February issue of "Duffy".

"I would like to take this opportunity of saying how much your portion of the magazine "Dogs in Canada" is enjoyed."

These are the kind of letters we like to get because we believe that our readers should know about outstanding dogs and their accomplishments in the obedience ring and in tracking tests. It gives others the incentive to continue their training which is good for obedience. We congratulate you, Miss Cummings, for your dog's wonderful performance. (Duffy is a Shetland Sheepdog, "Hi-Hope's Merry MacDuff"). We sincerely hope that you will be successful in handling Duffy to his American Tracking Degree one of these days. Thanks a lot for your kind remarks concerning this column. It is so nice hearing from our readers. Best of luck to you both.

–Ed.

Your Editor Says:

We are beginning to wonder if dog obedience is confining itself purely to the obedience ring. Admittedly, the ultimate goal of most people who train their dogs is an obedience degree or degrees. We all know that the only way to earn these degrees is to enter the dog obedience trials. These are facts that must be accepted. It is also most important that obedience trials continue to flourish for, after all, they are responsible for maintaining the high standards of obedience training.

You are probably wondering what we are getting at and it is simply this. We believe that obedience training, apart from being hard work, should also be fun. There should be more to it than preparing the dog for the obedience trial, entering the trial and earning a degree. After all most of the dogs are family pets and should be looked upon as companions.

Well, where does the fun come in you might well ask. When we were first actively engaged in obedience work, we had a lot of fun with other members of our club by putting on obedience demonstrations for school children, at hospitals and for the members of social clubs. The dogs had fun too for they loved to perform before these groups. Not only did the handlers and the dogs enjoy themselves, but, so did the school children, the hospital patients and the members of the social clubs. We don't think there is enough of this sort of thing being done today and it is a pity. First of all, it is fun for both dog and handler because it is complete relaxation from the training and the exacting tests in the obedience ring. Secondly, it is a means of doing something for and giving pleasure to other people which, after all, is what we are supposed to do from time to time. Last, but not least, it is a wonderful way to spread the gospel of obedience training. Where else can you get a more attentive and quiet audience than at a school, a hospital or at a service club. Don't forget, a lot of these people have probably never seen this sport before and it is just possible that some of them will be asking how they can go about training their dogs. Who can say how many recruits are sitting in the audience.

We would like to see more of these obedience demonstrations for we are convinced that they are good for the dog, the handler and the audience. How about trying to organize something in your neighbourhood – we know you'll like it and so will everyone else. After all, obedience should not be confined solely to the obedience ring.

DID YOU KNOW THAT

The principal feature(s) of
the Heel on Leash (and the Heel Free) exercise is the dog's ability to work with his handler as a team.
the Stand for Examination exercise is to stand in position before and during the examination and to not show shyness or resentment.
the Recall Exercise is (1) the "stay" until handler calls the dog and (2) the dog's prompt response to the handler's command or signal to come.
the Sit and Down exercises are that the dog stay, and remain in the sitting or down position, whichever is required by the particular exercise.

Associated All Hungarian Breed Club
by Mrs. R. D. McLellan
4962 Ponsard Ave., Montreal, Que.

Judging from letters I have received lately, people seem to get confused about the looks of a Puli. One letter states: "We have seen many Pulik on American Shows, but every time they look different. There seems to be no uniform look in this breed. Would your

Club have an explanation or even could feature a real Hungarian Puli in your column". Well, we wrote to our Hungarian adviser in Budapest and here is a photo of a true Hungarian bred and owned Magyar Puli. His name is "Dely Ferenczvé" a six year old Male and Champion of Prague and Budapest. Thanks for showing such an interest.

A letter of thanks was received from the Puli Club of America for our trophy donated to the Puli Specialty at Oxridge Show. Wonder who won it.

According to the latest OMKT Hungarian 1959 Puli Standard, the official recognized colours for the Puli are: black—reddish-black, all shades of grey and as new addition—white.

After questioning regarding the addition of white our Hungarian adviser, who is also on the Hungarian Standard committee, gave the following explanation: There have always been white Pulik. Even shepherds who practised selected breeding didn't look upon white pups which occurred in black litters as bastards, but one presumes so much genetic and cynological experience in breeding not to breed white dogs to black or grey, which would result in objectionable colours which have to be disqualified.

As soon as the addition of white has become official and internationally recognized, our Club will change its Standard according to this rule.

Size: Males—16" to 18" — Females 14" to 16". Variations of an inch above or below are not a serious fault. Greater variations must be considered a serious fault.

Bite: Scissor or Level. Ears small—V-shaped—high-set. Eyes dark brown. Nose and flews no other colour than black. Tail: curled over back. Occasional inborn stumptails. Coat: profuse, long and matted either in narrow flat strands or round cords. The coat should have a uniform appearance showing the *same texture* on all parts of the body. A combed or brushed-out coat is as objectionable as a neglected, dirty coat.

The Club held its regular monthly meeting at the home of Mr. and Mrs. Sullivan on October 2.

There was a little better gathering than at our September meeting but I fancy the holiday spirit is still abroad, at least for Mrs. Hamilton who has still not returned from Vancouver where she has spent the summer. However, we hope to see her at our next meeting. Another missing member was Mrs. Page who is spending time in bed. We all hope she will soon be better. For those who want a rest and can't get one I suggest you do as I did and take two weeks in hospital. At least it's a change, which is as good as a rest.

We were glad to welcome two new members to swell the ranks, Mr. and Mrs. Jansen of Aurora who have an interest in Collies.

Everybody seems to have taken a holiday because there was no business at all. This meant that we went right ahead discussing plans and picking judges for our 1960 show. We did decide that Friday night for meeting was not turning out too well so once again we revert to the first Thursday in the month. This makes our next meeting November 5 and at our president's home again.

Our meeting then adjourned and we had our usual chat over a tasty luncheon served by our hostess for the evening, Mrs. Lynn.

SHOW TALK

Chatting with Judge John Lundberg of Windsor, Ont., we learned that after the Simcoe Show he drove through the night around Lake Erie to the Chagrin Valley Show where he judged 45 Dobermans in the All-Breed Show. This may well be considered an honour and recognition of a Canadian judge's worth and integrity. In June, the day before the big Cleveland show, he was one of a panel of six judges delegated to choose the winner among the ten highest winning Dobes in 1958. The judges were selected by nomination of exhibitors (five top men from the United States). Mr. Lundberg is the second Canadian to be chosen for this honour. Dr. Wilfrid Shute was so honoured the year before last. Mr. Lundburg is an All-Rounder in Canada and judges Doberman Pinschers only in the United States.

Litter brother of the outstanding young Great Dane, Ch. Wal-De-Mar's Grand Slam ("Jackie"), Wal-De-Mar's Kim's Boy has been piling up points in both Canadian and American shows. Untrained and never shown up to a week before the Kawartha Kennel Club Show at Peterborough, July 18, the two-year-old took BOB under Judge E. Lounsbury. At the Kitchener-Waterloo Show he took BOB and fourth in Group under Mrs. M. E. McEachren. The following day he was shown at the Niagara Falls N.Y. KC event at which he took WD and BOS under the well-known breeder of Danes, J. Cassevoy. These are the identical placings taken by Jackie at his first American show. At the CNE shows he took the breed at all three shows and twice placed third in the Group. Bred and campaigned by Mr. and Mrs. John Watling, Richvale, Ont. and owned by Mr. and Mrs. E. Tyrell, Toronto.

Believed to be a world record in Pugs, Miss Winnifred Steggall's "Winna Pugs" Kennels, Montreal West, Que., now has 53 champions to its credit, 13 Canadian and American champions and its seventh generation of international champions, all home-bred but one.

The Pug, Winna Zanzibar, became the 49th champion at the 1958 CNE shows. He is now well on his way to his AKC title. He is by Can. and Am. Ch. Winna Sir Robin and Winna Xmas Holly, litter

of a picnic at Bass Lake Park on September 20 for the family and friends of the Club members. It was a beautiful day and everyone had a good time. There was a ball game in the afternoon. Some of the members were so stiff and sore the next morning that they said this was definitely their last ball game. At 5.30 everyone sat down to a picnic supper. After supper there were more races and games.

A raffle was held by the Social Committee and it was won by Amy Lea and Mrs. Bruce Brown.

We were very pleased to welcome back Mr. Roy Black, after his recent illness.

The Boston Terrier Club of Hamilton

by Mrs. J. W. Duckett

67 Spadina Ave., Hamilton, Ont.

One of the finest and most interesting meetings the Club has ever had was held on October 7. Our guest of the evening was the highly-esteemed Mrs. M. Eileen McEachren, (of the famous Tailteann Kerry Blue fame) and Past-President of The Canadian Kennel Club. The meeting was well-attended and Mrs. McEachren's topic was so very interesting that "you could have heard a pin drop". Never before have we heard so many compliments on any speaker and just meeting Mrs. McEachren personally, for the first time, was indeed a great honour and pleasure to all of us and also meeting her lovely daughter Dianna, who accompanied her Mother at our meeting, just added more to our enjoyment.

Following Mrs. McEachren's address there was an open question and answer session and the usual "gab-fest", after which refreshments were served by the social committee. At this meeting our fine refreshments were provided by the following members, Mrs. Wm. Gordy, Mrs. Wm. Ryan, Mrs. Frank Nuttall, Mrs. James Crosgrove, and The Ducketts.

Might mention that our third Specialty Show, which was held on September 26, was a huge success. Compliments are still coming in thick, regarding our show, the extra-high quality of the Bostons entered, the orderly way in which all the beautiful Bostons conducted themselves, and the never-to-be-forgotten display of trophies and prizes, which we know were a real "eye-opener" to all our fine exhibitors and their friends. Mr. C. H. Coleman, of Akron, Ohio, did a splendid job of judging, and not a single person to whom we have been talking seemed to be anything but well-pleased with his placings.

Our next meeting will be held on Wednesday, November 4, at which time plans will be made in full for The Boston Terrier Club of Hamilton's All-Age Match, which will be held the first week in December. These All-age matches are always enjoyed so much by everyone, and already we have a splendid selection of prizes for the winners and many more still to come. We hope that this coming all-age match too, will also be a big success. Date will be announced later.

The British Columbia Collie Club

by Daisy E. Wallace

11918 Tannery Rd., N. Surrey, B.C.

Our first meeting after the summer break was held September 13. Election of officers was the order of business. The officers for the following year are as follows: President, Mr. Geffrey Fox; Vice-President, Mr. Roy Metcalfe; Secretary, Mrs. Daisy E. Wallace; Treasurer, Mrs. Lil Strutinski.

A vote of thanks was given to our retiring President Bill Campbell and retiring Vice-President, Ed McCartney who both found it necessary, due to business, to refuse nominations for this year at least.

Plans will be soon going ahead for another Collie Specialty. The Club has again decided to join the Combined Working Dog Specialty Show. Date and judging for show are not yet known.

We will also be planning another All Collie Puppy Match and Collie Capers. It proved to be a great success last time and we're sure it will be even better this year. The Collie Capers involved games thought up by some of the members. All games included our Collies as well as the kiddies and grownups. Everyone had a wonderful time.

This reporter would like to commend the entire Show Committee on the outstanding effort that developed this year in connection with our recent All-Breed Show. We believe the Burlington Club has again set some kind of a new record.

Following the meeting Dr. W. Vivian gave an interesting account on the various aspects of dog health. It is by such programmes that the Burlington Club is attempting to fully educate all its members in all phases of the dog fancy.

sister to the famous Can. and Am. Ch. Winna Prince Charmer.

The following month Winna Lord Littlejohn (Can. and Am. Ch. Winna Heir Apparent ex Winna Pakistan) accounted for the 50th championship. In April, 1959 Winna Lady Katrina (Can. and Am. Ch. Winna Prince Charmer ex Ch. Winna Sweet Clover) litter sister to Heir Apparent and Mrs. Froreich's Am. Ch. Winna Heir Presumptive became "Winna Pugs" 51st title holder. Early in May, 1959, Her Grace of Swainston (Philwill Duke ex Vanwin Goldy) imported as a puppy, accounted for the 52nd title and is mother of puppies by Can. and Am. Ch. Winna Prince Charmer. At Sarasota, Fla. Ch. Winna Heir Apparent completed his AKC title in May, the 53rd at "Winna". At Three Rivers Winna Naughty Nashua made his debut by winning the Toy Group at ten months and was Best Canadian Bred Puppy in Show at Hull. All these Pugs are handled by Faye and Don Fitz-Gerald.

. . .

Galphay Kennels, North Surrey, B.C., continues to make good progress at West Coast American shows. The Beagle, Can. Ch. Galphay So-good, went winners for five points at the recent Williamette Beagle Specialty held at Portland, Oregon, to complete American title, then took 15" Best of Variety at the Mt. Baker KC show held in Bellingham, Wash.

The Papillon, Can. Ch. Galphay's Saucy Suzette, went Best of Breed for three points at Lewiston and finished for her American title. Another Papillon, Galphay's Little Miss Muffet, earned Best of Breed and third in Toy Group at the Mt. Baker KC show. Owners are Mr. and Mrs. T. Wells.

. . .

A Samoyed to watch in winning brackets is Arctic Lass of Ziska, purchased by Mrs. R. Barnes of Calgary, Alta., from Mrs. Betty Dickson, Ziska Kennels, Dorchester, Ont. In her first show at eight months she took Winners, BOS, Best Canadian Bred Puppy in Breed; May 2, Winners, through to Best Canadian Bred in Breed; May 15 at Edmonton, Winner through to BCB in Breed and BCBP in Breed. At Calgary, May 18 and 19, she took Winners through to BCB in Breed, BCB Puppy in Breed and BCB Puppy in Working Group; May 19 was judged BCB Puppy in Show, the only Calgary dog to win in the top three (under Judge Ken Rickman of Sydney, B.C.)

In Edmonton, July 25 at the Northern Alberta Canine Assoc. she won two points, going through to BCB in Breed, BB and 4th in Working Group. She thus obtained 7 points within three months.

Special autumn theme decorations were carried out in the arena and the various Specialty Clubs who were privileged to hold Specialties in connection with the Burlington show contributed to the atmosphere by attractively decorating their bench areas. The Purina Company (Walter B. Job) did an excellent job in feeding this show and their decorations added to the overall picture.

The October meeting of the Club convened with a good number of members present and again we were priviledged to accept some new applications for membership. The Obedience Committee reports an enrolment of 45 in the new classes and this is the largest class to date. Following other committee reports a full discussion of the Show was held in order to discover ways and means to further improve the show operation. At the conclusion of this discussion a vote was taken to establish next year's show date. Mrs. N. T. Smith was elected to the position of Show Chairman by acclamation and next year's date was set as September 24.

The Canadian Samoyed Club
by F. T. Freeman
Oro Station, Ont.

The first Specialty for the breed ever held in Canada has come and gone. Generally, it must be considered as a very satisfactory effort. Excellent cooperation was given by the 'host' Club, the Burlington and District K.C. Benching was clean, space ample and every facility was extended to make our Specialty as pleasant as possible. It was a novel experience to have our dogs judged twice on the same day, and at the same location, and considering the very hot summer we have had, with its results on the coats of many of our dogs, the entry was very good there being 24 entered for the All-Breed and 26 for the Specialty, with exhibitors coming from as far away as Virginia in the U.S.A.

The various committees did a wonderful job, the decorations were colourful, the trophy list was superb and the 'after-show' dinner was a huge success. About 55 sat down to a very well prepared dinner, and we were most happy to have as guests of the Club the following, our Judge, Mrs. Seekins and her husband, Mr. Walter Brown, President of the C.K.C., Miss Alma King, who did such a wonderful job as our Ring Steward, and a great friend of the Club, Mr. J. MacCallum, who is also a Director of the C.K.C. As well we were pleased to have with us numerous American friends, both those who were exhibitors and those who came as spectators. It was a grand day all round, and much was learned that will be of great use in planning future Specialties.

The voting for next year's Executive will take place shortly and the annual meeting will be held about mid-November. More detailed information on the foregoing will appear in the Club Bulletin, which will be in the mail within a few days.

Finally, as it nears the end of the year of my tenure in this job, I would like to express to the publishers of *Dogs In Canada*, my sincerest appreciation of the extremely fine cooperation they have given our Club by making available space for these reports. In all sincerity, I would say to any of our members that do not presently receive this publication, they are missing out on what is without question the finest dog publication available to Canadian owners and I cannot recommend too strongly that they ensure they do receive it by entering a subscription at once.

(*Ed.—thanks Wally!*)

The Canadian West Highland White Terrier Club
by Catherine McGill
51 Riverhead Dr., Rexdale, Ont.

A regular meeting of our Club was held on Thursday evening, September 24, at the home of Mr. and Mrs. H. M. Jeudwine, Pickering, Ont. The meeting was presided over by our President, Mrs. T. S. Adams, at which time plans were started to have a Sanction Show in the not too distant future.

Our next meeting will be decided upon at a future date.

We thank Mr. and Mrs. Jeudwine for being charming hosts for this meeting.

The Dachshund Club of Canada
by Ernie Lindsay
Willow Cove (Sub. P.O.), Burlington, Ont.

The regular monthly executive meeting was held at the home of the Lindsays, Burlington, on October 4 with more applications for membership being received and welcomed.

Our fourth Annual Specialty Show and First Futurity Match was an outstanding success, being held in Burlington Arena on September 26 along with The Burlington & District Kennel Club "All Breed Show", and also five other Specialty Breed Shows. The Dachshund Specialty proving to be most popular, with 47 dogs entered, making up an entry of 62 including the Futurity Classes and five point wins for both sexes in Standard Smooths.

Competition was very keen with our Judge, Mr. Geo. Spradling from Wichita, Kansas, using his critic card system while judging, and everyone (both exhibitors and spectators) remarking on what a thorough job he did and I would like to add that your correspondent has never before witnessesd such good sportsmanship among exhibitors.

Watch for show wins in future issues of *Dogs In Canada*.

Our after-show dinner was thoroughly enjoyed with most of the exhibitors attending. Judge Spradling was guest speaker and gave out with great praise for our Canadian Dachshunds in comparison with those he has been judging in U.S.A. He made the remark (take note Mr. John Devlin), I quote, "In all his judging assignments, the most thorough and efficient Ring Stewarding he had ever experienced".

We the executive wish to thank all who assisted in making our Show such a great success, including Mr. and Mrs. N. T. Smith, and Mrs. Dorothy Engles of the Burlington Club, and all of our distant members and also the well wishers, making it possible to have such an abundant lot of beautiful trophies.

Next year's Futurity is open to all six breeds of Dachs, and I hope every breeder is keeping in mind that all females being bred between July 24, 1959 and January 24, 1960, are eligible for nomination, and must be nominated before mating. This is a means of promoting better matings and improving type, therefore we appeal to all variety breeders for nominations — NOW.

The regular meetings started in October. The bulletin is growing with each month as more of our members are taking an active interest in this project. Let's hear from more of you.

The membership is still growing and we are pleased to welcome in: Mr. John G. Rice, Wyoming, Ont., Mrs. Sybil Jardine, Quebec, Mr. A. Ronald Pitkethly, Quebec.

An executive meeting is coming up and plans for next year's Specialty show will be discussed. We wish to get an earlier start this year on our show.

English Springer Spaniel Club of Canada

by Lilah S. Lymburner

Despite unseasonably hot weather and heavy cover, dogs entered in all of the Stakes at the Trials performed exceedingly well. Judges John Hewat of Toronto and Henry P. Nicholson of St. Catharines remarked that Springers were getting better in the field every year and that it was increasingly difficult to choose winners in the Open All Age Stake. Mr. Nicholson added that there were dogs eliminated this year which might well have won the Stake a few years back. Particularly interesting is the fact that every dog run first under Mr. Hewat was turned over to Mr. Nicholson; no dog had broken and every one had shown a steadiness much to be desired in the breed.

Carla of Avandale, owned by E. H. Harding of Dayton, Ohio, won the Open All Age Stake and it is believed finished her championship points at this trial. Second in the Open was another American owned dog, Apache Magic Clipper owned by Julian Collins of Ravenna, Ohio. It is interesting to note that this dog is out of F.T. Ch. Apache Lucky Star who had been run in the Trials sponsored by this club a number of years ago. One remembers well, the first time she won the Open All Age Stake and

Julian, having removed all the burrs and weed seeds, brought her to the dinner party after the trials looking as trim and beautiful as any bench show champion. Steady in the field, she was also steady and well behaved at the dinner party.

Third place was taken by the English F.T. Ch. Breckonhill Bridegroom owned by Mr. and Mrs. Herbert Routley of Peterborough. We think that this dog too, must be close to finishing his points for championship rating. There were 15 starters in this Stake and every dog performed as one expects an English Springer Spaniel to perform in the field, with style and steadiness throughout.

In the Novice Stake there were four starters with first place going to Trent Valley Andrea of Athlorne, owned by T. Atherton of St. Catharines. The Puppy Stake with eight starters saw some good work done by youngsters in the field. Handled by his owner, S. E. Welsh of St. Catharines, Marjohn's Royal Duke won the stake.

The Gun Dog Stake, which is truly the sportsman's stake at a spaniel trial, was won by a Cocker Spaniel owned by J. W. Menge of Detroit. A good show was put on by this diminutive dog, Berol's Pete's Boy.

Presentations of the silver trophies and certificates were made at a dinner party held at Rathfon Inn in the evening. The largest number of guests on record came after the trials to this delightful old inn on the shore of Lake Erie to talk over the day's happenings, compare notes and altogether enjoy relaxed companionship with others of like interests.

Morley Fisher, president of the Club and Lilah S. Lymburner, secretary made the presentations.

Those who spoke briefly in addition to the judges were William B. Elliott of St. Catharines, Andrew Dunn the dean of Springerites in Ontario and Dr. Richard Gaetz, president of the Kennel Club of Buffalo who was among the guests along with Mrs. Gaetz.

Officials for the day included George Tabner, assistant secretary; Cornelius Klas in charge of the birds assisted by Thomas Cordy and William Babcock of Kenmore N.Y. and Ray Langa of Ebenezer, N.Y. Gunners assisting Mr. Elliott were Dr. Richard Milo of Pittsburgh, Pa., Don Whitton, Buffalo, N.Y., Hugh Arbuthnot of St. Catharines and Richard Lamport of Milwaukee, Wis.

Club they worked so hard to build and maintain through the lean, hard years. We do not forget those who, in the past, worked for our Club and breed. We who hold the Club today work for the breed tomorrow.

I believe we owe a special tribute today to Toni Kleinjohann, who has just produced for us, and the breed, our Great 37th Annual Specialty Show. To have a German judge and many other new innovations, required a man of vision. Many said it was financially impossible but with a generous financial guarantee from Arnold Schmocker and Toni's management, the show was successful. Fraser and Marg Anderson and the ladies of the trophy committee, to mention some, worked very hard with Toni. CKC President Walter Brown paid warm tribute to the show and our Judge Mr. Stappen at the delicious after-show dinner. He commented that this was the type and form of judging that the CKC had under study for the future, and that he wished Mr. Stappen would "Stop on in Canada".

Our Obedience Trial and Tracking Test ran smoothly and efficiently, completing one of Canada's most active and complete training programs. We thank the Obedience Committee and its trainers, particularly Ed Harradine, Richard Reid, Shorty Moravek, Joe Sheppard and secretary Marg Davies for good work well done.

The Breed Survey was led by President Burton Pabst and was held at the beautiful Frohle home. Fourteen Shepherds were surveyed. The owners will be mailed an appraisal and perhaps breeding recommendations of the Surveyors "Mann and Stappen".

Best Canadian Bred Shepherd in Show was Ch. Glen Stewart's Epic, CD, bred, owned and handled by D. C. Ames, R.R. 1, Highland Creek, Ont. Shown here with Show Superintendent Toni Kleinjohann, Judge Stappen and owner.

come to a successful close. We are about to begin our preparations for 1960!

The German Shepherd Dog Club of Greater Ottawa
by Percy Doane
Brittania Heights, Ont.

A general meeting was held at "The Ranch House" on September 16 at which plans were laid for another Shepherd Sanction Show to be held during October. It was suggested that at our next general meeting we discuss the possibility of holding a point show in the Spring.

Several films were shown and Mr. Gundersen gave an interesting and informative talk on Canadian dog shows and the point system, past and present.

We are all pleased to hear that Crawley's film, "R.C.M.P.", is to be released soon as we are anxious to see "Jeanie", Mrs. Pfenniech's champion, C.D.X. Shepherd, who appears in several of the films. Jeanie, unfortunately, tangled with a racoon this past week and is in danger of losing an eye as a result of her encounter. Let's hope not.

Another local Shepherd which made the headlines in Ottawa this month is Mr. Potvin's "Laza of Britmere", who did a very fine tracking job for local police.

Congratulations to the German Shepherd Dog Club of Canada on their recent Specialty Show. Having a capable judge evaluate each dog certainly was an interesting innovation, helpful to both exhibitor and spectator and may be worthy of consideration by other show-giving clubs.

Hamilton Obedience Club
by Mary Ledingham
Pine Crest Survey, R.R. 2, Ancaster, Ont.

With our President Mrs. O. R. Langford in the chair, our October meeting was a success both from a business and social viewpoint. The club members were pleased to learn that our fall Training Classes are progressing well under trainers Mrs. Vi McKay, Mr. W. Finn, and Mrs. Peggy Oldland. In anticipation of graduation on November 30, it was announced that the judges would be Mr. F. Giacomelli, our club's vice-president and one of our new C.K.C. recognized judges, doing the basic group; and Mrs. Audrey Langford judging the C.D.X. and U.D. course. The members agreed to present three trophies for the highest scoring dogs in the basic novice group and one each for the Novice B, C.D.X. and U.D. class. In view of the unusual number of children in this class, we also decided to give one trophy for the highest scoring junior handler.

We continued with our club's business to discuss further details concerning our forthcoming February 7 trial. Many obedience interested people will be happy to know that Mr. Ed O'Brian has agreed to judge at this event.

With an eye toward increasing the number of qualified trainers coming along in our club Mr. Fred Tremain, one of our most active club members and a well known obedience judge, agreed to hold a Training Class for trainers for our club members at his home on Sunday afternoons. Members were requested to bring their dogs with them when the weather permits working outdoors. Otherwise, come equipped with a notebook. Fred gave a similar course last year and the results were most encouraging in the number of new faces seen working on the floor at our present training class.

Our club also extended a vote of thanks to Mrs. Howard Bowler, our social convener, for the excellent job she did in planning and running our September party. It was thoroughly enjoyed by all.

At the close of the meeting, Mrs. Dorothy Moggach proved that, in addition to training German Shepherds, she is also an excellent cook. Her home baked refreshments were delicious!

The Irish Setter Club of Canada
by Pauline Forrest
3074 Balmoral Ave., Burlington, Ont.

September meeting was held at the home of the Allens in Ancaster, Ont. and a large part of the evening was taken up with final arrangements for the Specialty Show. The Decoration Committee planned a get-together to work on decorations for the Specialty and this was to be held at the Dafoes. Mrs. English brought out artwork she had been working on for the Specialty decorations.

Club crests will be on sale at the next meeting and out-of-town members can secure these by writing the Secretary.

A Field Trial is planned for this Fall and further news on this item will be forthcoming. Dogs will be run on pheasant which will be liberated. Although final statement is not available on the Club publication "Paw Prints", it appears that this will again be a financial success. Reservations were taken for our Thanksgiving weekend in the north country and a report on this activity will be in the next issue.

One of our members, Mr. R. Dafoe, recently judged a Plan B match for The Irish Setter Club of Western New York. This was held at the home of Dr. and Mrs. Kast of Big Red Kennels, Hamburg, New York. Perfect weather prevailed for this outdoor event and they received an entry of 18. After the judging a Smorgasbord dinner was held at the Lake View Hotel. This is a very up-and-coming Club and our Club is very appreciative of the support they gave to our recent Specialty Show.

The Club received considerable coverage on their recent show in the Burlington Gazette. Also, one of the members' dogs "Ch. Prince Rory of Kenten C.D." appeared recently on CHCH-TV from Hamilton and this was in connection with publicity for the Burlington Kennel Club Show and also the Club Specialty.

Membership is steadily increasing and for any information regarding the breed or membership in the Club, please contact Mrs. E. McGowan, 280 Balsam Dr., Oakville, Ont.

The Miniature Schnauzer Club of Canada
by VeNorma MacKendrick
"Boxerly", 2038 Lake Shore East, Oakville

Although "the rains came", so too did the almost total membership of the Club for the annual meeting. After serving for nine years as our Vice-President, Mr. W. Gottschalk was elected as our new President, replacing Mr. W. MacKendrick who had been in that office since the inception of the Club. In addition to Mr. Gottschalk, we welcome with pleasure and anticipation, the following new officers for the coming two years: Vice-President, Mr. C. Carter; Secretary-Treasurer, Miss D. Johnson; Corresponding Secretary, Mrs. W. Gottschalk.

Mrs. Gottschalk also still holds the post of 'Parish Visitor' and 'Convener-to-the Ailing', a task she has, in the past, filled with efficiency and sympathy!

Some of our members had just returned from the American Miniature Schnauzer Show in Montgomery, Penna., and had informative and pungent remarks to contribute about 'over there'.

After the usual round of 'baby talk' (pups HERE and EXPECTED), we did what good Samuel Pepys' described as 'supped, and so to bed!'

Ontario County Kennel Club
by Mrs. Joan Souch

In the absence of our regular reporter, Mrs. Souch will sit in. We had a very, very successful show this year. We made a very good profit and a small club that had a very tough beginning this year has a handsome bank balance and looking forward to their coming sanction show. Plans are underway for this adventure.

We were very pleased to welcome in some more new members: Mr. and Mrs. Roy Dewsbury breeders of English Bulldogs, and Borzoi. Mr. and Mrs. Frank Britt, breeders of German Shepherds. Mrs. Gertrude McKenzie, breeder of English Bulldogs, Wire Fox Terriers, and Borzoi.

A vote of thanks was given to Mrs. Porter as show secretary and Mrs. Barbara Innes who did a wonderful job as Trophy Secretary.

We are very pleased to hear that Mr. Karl Innes is well again and that his turn in the hospital is at an end.

The October meeting is to be held at the home of one of our members, Mrs. Grosart and because of Thanksgiving this meeting will also be the third Monday in the month. We are featuring as entertainment, pictures and movie films of various shows and obedience trials. The meetings starting with November will be held at the CRA hall in Oshawa. This hall is on Gibb Street and the meeting night is the regular second Monday in the month.

After the September meeting ended we all went over to a local restaurant and had a very pleasant visit just talking our favourite subject—DOGS.

The Ottawa Kennel Club
by Phyllis M. Jackson
467 Sunnyside Ave., Ottawa 1, Ont.

The monthly meeting was held in the beautiful board room of the Ottawa Humane Society September 22 and it is regretted that more members do not attend. Kennel clubs are convened for the purpose of bettering the purebred dog interest and unless members attend meetings and let us know of their complaints, new ideas, and in general anything that would widen this interest in purebred dogs, then the executive of the various clubs have a heavy task to perform throughout the year.

We wish to extend get well wishes to two of our executive who are ill, Messrs. J. W. Dockrill and Mac McLean. Also, to Mrs. John Loftus of Hazeldean, Mr. and Mrs. Harry Fraser, and to our Secretary's mother Mrs. Jas. McPhail.

Plans for the May 6 and 7, 1960 Point shows, are well advanced. The judges have been obtained, subject to C.K.C. approval.

The O.K.C. expresses its regrets to Mr. and Mrs. J. Neill Malcolm on the serious damage by fire to their beautiful home and of the loss of some very valuable furnishings and paintings. A week prior to this fire Mr. and Mrs. Malcolm were hosts to the executive of the Club at a meeting after which refreshments were served.

We wish to express our sincere thanks to Mr. A. E. Bales who throughout the year has performed so many thankless jobs for us at personal expense and considerable time. Mr. Bales and his charming wife have done much over the years for the club's benefit and our gratitude is heartfelt.

Plans have been completed for our annual dinner and dance to be held in the Assembly Hall at Lansdowne Park October 24, 1959. Tickets may be obtained from the executive.

The annual general meeting of the Club will be held November 9 in the Humane Society Shelter and an invitation is extended to all.

Sarnia Kennel Club
by Heather Logan
300 Bright, Sarnia, Ont.

The September meeting was held at the home of Bill Wessing (German Shepherds) with 14 regular members and four new members in attendance. Although this was the first business meeting since our summer holidays, we were pleased to see some new faces in our midst. We have started an active drive for new members this fall and if anyone is interested in joining our group they may do so by contacting me at the above address.

We all agreed that our summer activities, an all-breed match and a picnic with our neighboring Wallaceburg club were a great success! But, not resting on our past laurels it was quickly decided by all to show films on Obedience and Field Trials at our next meeting and thence on to a "bang-up" party-meeting in November with a guest speaker, dinner and all the trimmings.

Also underway are classes in ring stewarding and also classes and instruction in the proper presentation of your dog in the show ring. We have a new group of field trial enthusiasts and our obedience fans are rallying too, so we should see the beginning of great activities from these quarters soon.

Congratulations are in store for Rudy Blanchard (Brier-Run Beagles) for finishing his Ch. Wal-Dor's Commando in the U.S.A. Many other members have gained excellent wins with their canine pals this summer which just proves that we are beginning to get some top purebred dogs in this corner of Ontario.

The Club held their meeting at the home of Mr. and Mrs. F. W. Fraser with Mr. Fraser presiding. Miss Betty Stothers, Secretary, read her minutes of previous meeting and a great deal of correspondence. Sqd. Ld. Bert Stoughton, Treasurer, gave a very good report on the May, 1959 Show.

The Ben Braggie Kennels, owned by our President Mr. Fred Fraser, has been very much enlarged and is so up to date that he has people coming from all over Ontario to see it.

Members were asked to bring to the next meeting, in October, names of very good judges in order to vote on them for our October meeting.

A vote of thanks to the hostess, Mrs. Fraser, was given by Sqd. Ld. Bert Stoughton.

The September meeting was held as planned in the Belmont Hotel in Dartmouth. It was very gratifying to find that there was a larger attendance of members than we had seen in many months. As a result it was decided to hold all meetings in the same location in the future, as long as the attendance keeps up.

Plans have been laid for a Sanction show to be held in Dartmouth on November 7. The actual location is to be decided as soon as possible. Heading the committee once again is Mrs. Hague, with Miss O'Brien and Mrs. Misener. It is felt that these ladies cannot fail to put on a good show, being some of the most experienced in the club.

We are glad to welcome back one of our founder members, Mrs. Jean Archer, after a year spent in Europe.

The judges selection committee was also elected. This comprises the President, Andrew McMillin, Miss O'Brien and Mr. Roy Montague. It is felt we should choose our next year's judge as soon as possible. As we have priority date of July 1 there is no reason for delay.

Upon the completion of the business, soft drinks were served and a general discussion was held. The next meeting is slated for October 26.

Thunder Bay Dog Training Club
by J. W. Haggerty
340 Dawson St., Port Arthur, Ont.

Atmosphere for our October meeting supplied by Jim and Connie Kelso. Twenty-seven dogs are enrolled in our current training classes. Connie Kelso, Mrs. R. Koski, Mrs. Lappalainen and J. W. Haggerty supply the training in novice work. The ladies are to try an experimental "Bridge Party" in the near future, object is to add to our club financial reserve.

A June date has been suggested for our next Obedience Trials; much to be done in order to get a large local entry. Many owners have potential obedience stars. Training and more training is all that is required.

Mrs. D. Stevenson is confined to hospital for, we hope, a short stay. Mrs. A. Penno will no doubt have a new member in the family by the time this news goes to print.

A local T.V. presentation of Sporting dogs brought welcome publicity to our Club, thanks due to Connie Kelso and her dog "Nikki".

Club membership is on the increase and while attendance is good at our meetings we keep hopeful that we will get one hundred per cent in the future.

Training classes are the important part of an obedience club so get out and train or just come and watch; we always have plenty of friendly dog chatter. See you every Wednesday.

The "200" Club
by Laura McNally
62 - 4th Ave S., Roxboro, P.Q.

We are all still stunned but extremely proud that our young club managed to score more wins than any other club represented at the Montreal Dog Obedience Training Club's Ste. Adele trials.

Congratulations to Olive Tyner and Judy, to Marie Mordell and Pepi, to Roland Patitz and Greta, to Jackie Wylie and Ali, to Mary White and Mig, to Sylvia Dempster and Jester and to Hoodie Bryson and Cobber — for earning all those coveted blue ribbons. (See official results for scores).

A lovely buffet dinner at the Chalet Cochand provided a good opportunity to meet old friends and new.

Outdoor mid-week practices will continue as long as the lovely October weather holds out. Saturday sessions indoors were inaugurated by a very successful "mock" trial capably judged by Mr. W. A. Newcombe of the M.D.O.T.C.

Our training director, Gerry McNally, reports that the German Shepherd Dog Club of Canada's trial at Toronto, at which he judged Novices, was well-run, the stewarding excellent, silver trophies galore and a good dinner provided for trial workers, judges, exhibitors and guests. With the much improved highway conditions could not more Quebec enthusiasts consider showing in Ontario and vice versa? New faces and competition always add a lift to a trial.

We are bursting with pride over two new "firsts" for the club: our first C.D.X. — Cairn "Misty" and our first T.D. — Labrador "Ming". (Subject to the C.K.C. confirmation). Both dogs were wholly trained in the "200".

Vancouver Island Dog Fanciers' Association
by R. G. Sless
481 Swinford St., Victoria, B.C.

September was both a busy month and a successful one for the Association.

On September 11 and 12 we held our Fall Shows and with 264 dogs entered it was by far our biggest show to date. As most "dog people" know, a big entry does not always mean a good show but in this case with three good judges, Mrs. S. Anderson, Mrs. H. Balshaw on Friday and Mr. T. Joel on Saturday, it was very successful. Bringing Mr. Joel to Victoria was, for this club, an experiment and after watching his magnificent judging was, in everyone's opinion, well worth the chance a Club takes having a judge that is unknown here.

On September 20 we held a picnic and club match at the home of Mr. and Mrs. W. H. Wheeler, with the well known all breed judge Mr. H. Dodds officiating. Mrs. D. Roberts' Pomeranian was placed Best in Show, and an enjoyable time was had by all. Our thanks for the afternoon go to Mr. W. H. Wheeler, Mrs. R. D. McLellan and Mr. M. Lemon.

BEST OF VARIETY

It's a Dog's Life

I have a Boston two years old and a Pug eight months old. I had given each a bone and the Pug, being the little glutton that she is, soon finished hers, then tried to coax the Boston out of the box so as to get hers. But the Boston wasn't moving. The Pug then started to play in front of the box, but the Boston didn't stir. The Pug then sat down as if to think things out, then turned and raced down to the basement, barking as hard as she could. This was too much for the Boston; she leaped out of the box and after the Pug. The conniver went around the furnace and up the stairs, into the box and snatched the bone. Up came the Boston, looking pretty sheepish and turned to me as if to say, "I've been taken."

The wealthy Texan checked in at a northern resort hotel, followed by several bellboys struggling with toboggans, skis, sleds and snowshoes. Then came a team of beautiful Malamutes.

"But, sir," exclaimed the bewildered desk clerk. We won't have that kind of snow here until December!"

"Yes, yes, I know," boomed the Texan. It's all ordered and it's coming with the rest of my luggage."

Jim, proudly leading a dog: John, look at the beautiful German Shepherd I got for my wife today.

John, with admiration: What luck! Wish I could make a trade like that.

Forgotten Prayer

"God give me the serenity to accept the things I cannot change — the courage to change those I can — and the wisdom to recognize the difference".

WIRE THOUGHTS
(creed)

Puppies, like little children,
Are God's loving gift to man;
We humbly beg of him our God,
Fulfill this, our wish if you can:
Endow to us and entrust with us
The know-how and the serious desires
To assist our new little arrivals
In becoming honored and distinguished "Wires".

Grant us, as novice guardians,
To progress until, if well done,
Each newly arrived "little people"
A Champion of Record has become.

NOW WE'VE HEARD EVERYTHING DEPT.

"It's going to be a tough Group to judge."

"How can you tell?"

"I hear every dog in there has won Best of Breed."

Maurice Gosfield, better known to television viewers as "Doberman" on the Phil Silvers Show, actually owned a Doberman Pinscher but had to part with him. A policeman was giving chase to a cat-burglar in Gosfield's apartment building. The dog joined the chase—and caught and bit the cop.

Visiting Celebrities

Your editors recently had the pleasure of chatting at length with several actresses and their dogs: The renowned Katharine Cornell, playing in Toronto with Brian Aherne in *Dear Liar* was staying at the Westbury Hotel with her two Dachshunds and a Poodle. Vivacious actress-night-club entertainer Denise Darcel, who is "mad about all dogs", owns a delightful Poodle with a bewitching "Moostache"—black on one side, white on the other! The French entertainer was a smash hit at The Frontenac Arms Hotel in Toronto.

A DOG'S PRAYER

Oh merciful God.
I thank Thee for the close
Of another day.
Bless my master
For the kind care and food.

When I am old
And cannot see,
May they not forsake me.

Watch over me
And all the animal world
Through this night.

In the Great Master's name
I pray, Amen.

DOGS AND PEOPLE

(Continued from page 16)

In tribute to the late *T. E. (Tommy) Thomas,* (who died May 14) Jack C. Anderson, CKC director for Alberta writes that Mr. Thomas was a well-known breeder and exhibitor of sporting dogs in Calgary for the past 35 or 40 years. Born in South Wales in 1890 he came to Canada in 1910, settling in Calgary. He was an original member of the Alberta Kennel Club and in January, 1958 was awarded the Will Judy Certificate for outstanding service as a dog breeder, exhibitor and all-breed judge.

"Old timers will recall Tommy with his Irish Water Spaniels and will remember Mickey and Queenie. He later became interested in English Pointers and Springer Spaniels; his originals, Thomas' Touchstone Queen and Thomas' Touchstone Sport were well known, producing some of the famous Mor-Hun strain. During the second World War failing health forced him to reduce his kennel. He continued however in sporting dogs and concentrated on American Cocker Spaniels.

"Tommy will long be remembered as an outstanding sporting dog breeder, an outstanding sport and judge. His passing will leave a large gap in the dog breeders' ranks. He is survived by his widow and a son and daughter residing in Calgary." Guests of Mr. and Mrs. Jim Southcott (Cara Mia Kennels) Milton, Ont. for the recent German Shepherd Dog Club of Canada Specialty, were Mr. and Mrs. Martin Amidon of Hawaii and Mr. and Mrs. Frank Sieminski, Rochester. Mr. Amidon is serving as secretary of the German Shepherd Club of Hawaii for the fourth year and previously served the same length of time as secretary of the Obedience Training Club of Hawaii.

The Dog Fanciers Luncheon Club, a non-profit organization which thrives despite lack of officers and dues, began its second year of monthly meetings in the Lillian Russell Room at Luchow's Restaurant in New York City October 21. Thereafter the meetings will be held on the third Wednesday of every month. Dogs lovers are invited to attend — total cost of luncheon is $4.50 including gratuities — and advance reservations should be made to Miss Limbrick, Luchow's 110 East 14th St., New York 3, N.Y. (Owner Jan Mitchell is an importer and breeder of Samoyeds.)
