PROBLEMS OF A POPULAR SHOW

. . . re the "crowded" conditions at the Burlington Show last September . . . The Show Committee is well aware and freely admits that this was the case and if Mr. Roberts, or anyone else, can offer us a solution, we would be more than pleased. There are some very simple solutions, but are they what the majority of exhibitors want?

If Mr. Roberts was referring to the close proximity of the benching we could:

1. Return another 100 entries (59 returned last year) which would allow us to omit one row of benching.
2. Eliminate the Specialty Shows. This would cut about 60 dogs from our entry. The B. & D. K. C. reaps only the revenue from these dogs in repayment for doing all the work, except the collection of trophies, for the small breed Clubs, who through lack of manpower or finances, find themselves unable to hold a show on their own.
3. Go to an unbenched show. This would not only give us more room, but would also cut the entry. For no unbenched show in Canada or the USA draws as large an entry as a benched show. Which seems to prove that the majority of exhibitors prefer benched shows.

If, on the other hand, he was referring to the large number of spectators (680 paid admissions) we could discourage these by doing less advertising. But, as we feel a benched show is the 'show window' for our purebred dogs, it has been our opinion that the more spectators we can encourage the better the exhibitor likes it. Else why the large entry at the CNE or Sportsman shows?

If either 1, 2 or 3 is the answer, then the loss of some $750 will require us to

MEMO FROM THE EDITOR

The vast majority of Canadians have little, if any, knowledge of purebred dogs. This is most apparent when, for example, individuals who obviously like dogs apply the term "Scotty" to almost any small, rough-coated dog; others enquire after "toy terriers" and most are totally unaware of any breed other than Spaniels, Collies and Scotties. Many other illustrations could be given, but these suffice to indicate the most regrettable ignorance of purebred dogs that is prevalent today.

This ignorance is a serious handicap to breeders who would enjoy a far greater market if the Canadian public were made acquainted with the numerous advantages accruing from the ownership of a purebred dog.

As the first step to correct this unhappy situation, early in 1959 the Board of The Canadian Kennel Club engaged the services of the publishing and public relations firm which has been operated successfully by your editors for many years, to carry out a portion of the long-term program submitted to them for consideration. This was done with the cooperation of Mr. W. H. MacKendrick, as Chairman of the Publicity Committee. As this has and will undoubtedly prove to be a great benefit to every member of The Canadian Kennel Club and breeders in general, we felt you would be interested in knowing the results of the first year's endeavour.

It is always difficult to estimate in dollars and cents the full value of a public relations program. But we can report good tangible results, even in these early stages.

The three major phases of the 1959 promotion and publicity program authorized by the CKC were (1) a newspaper "filler" program (2) proposal to the Quaker Oats Company to inaugurate a Ken-L-Ration Dinner and Awards and (3) a match folder program. All three phases were highly successful. "Fillers" (the informative bits you see in newspaper columns) were sent out every week to 200 carefully selected weekly newspapers across Canada. The newspaper editors cooperated wholeheartedly, with the result that the program, which cost less than $1,000, resulted in a space value of $12,978—a tremendous investment. This, it should be understood, is not *buying* advertising space. It consisted of items concerning purebred dogs, care of dogs, and the invitation to write The Canadian Kennel Club, as governing body over canine affairs in Canada, for information regarding purebred dogs, for the name of the secretary of the breed club nearest their community, and for membership in the Club and other details. The name of The Canadian Kennel Club was mentioned 1,150 times. The clippings had a total weekly circulation of 879,500.

This tremendous readership does not include the circulation of the *Toronto Star Weekly* which carried a full page on the chartered flight to the Bermuda Show. The Canadian Kennel Club also derived a great deal of publicity through radio and newspaper mentions, as well as stories written for all the major American and English dog publications.

The match program was devised to create interest in the CKC by way of presentation at shows and other gatherings where non-member dog lovers might congregate. Through letter and word of mouth we have learned of the appreciation of this token of interest. A smart little card, wishing the clubs success with their shows, accompanied the boxes. A letter had previously been mailed to the club secretaries explaining the token and the suggested method of distribution. A total of 25,000 matches were thus distributed. (Each folder contains 40 matches, guaranteeing at least 1,000,000 uses, with the match folder in view many times that number). Match folders and other tokens, as you know, are considered an integral part of big business today. The cost of this program? A mere $383.42.

The Ken-L-Ration Dinner and Awards has become an annual affair and for years to come will continue to enhance the prestige of Canadian purebred dogs. Ken-L-Ration willingly assumes considerable expense in this contribution.

Other phases of public relations which will have a wide-spread long-lasting bearing on the education of Canadians in purebred dogs are now being negotiated. Mr. W. J. Monaghan has been appointed as chairman of the Publicity and Public Relations Committee for 1960.

Despite repeated requests that "Club Notes" be limited to 300 words, most are longer. This department has grown so rapidly in the past few years we are hard-pressed to include all the Notes submitted. This month we are trying a smaller type. We'd like to have your comments on the reduced size. We must again point out that the limit for Club Notes is 300 words – preferably less. Notes oversize will have to be returned for trimming – which might result in missing the coming issue.

cut down on our trophies and not give one to the winner of *every* puppy class, *every* open class, *every* Best Opposite Sex and *every* Best of Breed. As well as cut down on our judges panel to the usual three or four instead of the 12 we had last year. This would put our show among the average, instead of realizing our ambition of a 'must' show for the year.

There are still other solutions: we could do away with the upstairs dining room and instead utilize this to bench and show small dogs. The other is the ideal one: a large building! If this can be found we would gladly move our locale.

If we must revert to just an average show, not only many of the exhibitors, Mr. Roberts included, would suffer, for they would not have the opportunity of acquiring two five-point wins in one day; but some student, resident of Burlington, would not have a first year scholarship to the Ontario Veterinary College at Guelph.

As our plans are now being made for our 1960 show we would welcome any suggestions or comments for our Committee to consider. The Secretary's address is Mrs. D. R. Engels, 1036 Marley Cres., Burlington, Ont.

. . . Suggest you send the enclosed leaflet to Ursula Leschuk, Toronto. I know of several dogs that have been vaccinated but have died several months later from Distemper or Hepatitis. This does not mean that the kennel is to blame. My puppies have temporary serum before being sold, but one still died from Distemper because it lived in a community where the disease was frequent (so the vet said). I'd say the first vet she had wasn't very good either. It could have been his fault Mrs. Leschuk's pup died.

THE MEANING OF "LISTING"

. . . Having been show secretary for numerous shows, I am amazed at the number of exhibitors who do not seem to understand the meaning of "listed" as it appears on the entry form—even exhibitors who have shown for years.

In a small space next to that for the CKC registration number, the entry form states, "Check if listed". In many cases, exhibitors give the registration number and check that the dog is "listed" as well. Obviously this is incorrect. A dog can not be both registered and listed. A "listed"

Dogs benefit *more* from high-quality foods

Breeders and owners know the importance of high-quality foods and their relation to a dog's health. In hundreds of systematic tests conducted in Dr. Ballard's Kennels and in private homes, the majority of dogs showed a preference for Dr. Ballard's Dog Food.

Dr. Ballard's provides complete, balanced nourishment

Dogs benefit more from Dr. Ballard's because every can contains *scientifically-balanced* nutrition—*all* the known nutrients they need to keep them in peak condition every active minute of the day. Dr. Ballard's animal nutrition specialists precisely control the proteins, vitamins, minerals and carbohydrates to assure the correct nutritional balance and constant, uniform quality.

Dogs love variety in their meals

It's a good idea to alternate dry dog meal with wet foods. For variety, feed Dr. Ballard's new Burgerbits. It provides *twice* the nourishment of prime beef hamburger—at half the price. Easy to prepare, Burgerbits mixes instantly with water, milk or soup.

dog is one which has not been given a registration number, but registration has been applied for or about to be applied for. Application for registration must be made to the recording office of the CKC within 60 days after any award, championship points or prizes have been awarded to said dog, or these awards, etc. will be cancelled. For this reason a "listing" fee is imposed as it means extra work for the CKC.

I do notice however that exhibitors do not often make the mistake of adding the extra .25c fee for listing when the dog has a registration number, even though that exhibitor has checked that the dog is listed.

Why must exhibitors continually be so late in mailing in their entries? It would seem that only novices are anxious to get their entries in ahead of the closing date —with apologies to the few faithful exhibitors who always get their entries in well ahead of time! Year after year nearly all show secretaries have the same complaint. Until the day before entries close, they trickle in at the rate of about five a day, then comes the deluge. Most show secretaries have a home and family to look after, some have a full time job, or both. We would greatly appreciate it if exhibitors would be a little more considerate. I realize that as the show season progresses, many exhibitors must wait until the deadline to see if their dog completes its championship at a show on the deadline date. But this does not account for all those 250 to 350 entries that come in on the deadline, the day before and the day after. Then too, there are the exhibitors who telephone at about 7 a.m. on the morning after you have just sent your "dummy" off to the printer, have mailed in your ribbon count and have made up all your class cash prize money, and "blow their top" because you refuse to take their entry! How about it, exhibitors! Let's hear your side of the story.

PUPS IN PET SHOPS

. . . I have recently read in *Dogs in Canada* about the pet shops that are selling purebred dogs for prices well below the current market price of that breed. In all the letters that I have seen so far the writer seems to be blaming the pet shop owner for all the trouble. This to me is just passing the buck.

I have worked for three different dog stores in Toronto and am a conscientious breeder of Poodles, so feel that I can write with some authority on this subject.

Some breeders offer their dogs to the pet store at a very low price, Reason: "Well, we just have too many pups this year".

This is an old story too often heard.

One must bear in mind that nine out of ten times it is the breeder who shows up on the doorstep of the pet shop bright and early Monday morning with a basket full of pups that he is willing to sell cheaply just to get rid of them. The owner of the pet shop certainly does not ask the breeder to breed his or her bitches just so the pet shop owner will have a continual supply of puppies to sell in his store.

Like you or me the pet store owner does not know a good one from a bad one unless it is his own breed or one in which he is interested. All store owners are interested in making a fair profit on merchandise be it livestock or otherwise so the price he asks for pups will of course be slightly higher than that asked by the original breeder. It is up to the original breeder to keep his price high enough so that there is no chance of purebred pups being sold for well below the market price of that breed.

If for any reason you find yourself with too many dogs, unable to care for them properly, or with just what is commonly called pet stock — not really good enough to sell or give them away, for goodness sakes take them to your veterinarian and have them painlessly put to sleep. If you don't want to keep them in your home what makes you think that someone else will want one of them and still pay a good price?

How many breeders have sold pet quality bitches that were not spayed, only to find out that a year later this bitch has been bred. At this point who does the original breeder blame for the resulting poor litter — the owner of the bitch, of course. How foolish!

Put the blame where it belongs.

HOW CLEAN IS CLEAN?

. . . re "Kennel Cleaner than Kitchen," (*Dogs, February*)

There is nothing more deplorable than a filthy kennel; but there is a limit to what could and should be done. There is nothing more ridiculous than someone running around behind their dog with a round-mouth shovel and a pail; I would say the writer is in one of these following categories:

(1) Doesn't work for a living;
(2) Has someone else to clean the kennel;
(3) Doesn't have a dog in the kennel.

It is time people stopped looking at their dog's pedigree and realize he is just as doggy as any mongrel. A dog is inferior, not superior, to man. When we get the purebreds down to the level of the common man, I think there will be an upsurge in their popularity. After all who wants to feel that some dogs enjoy a higher status than himself? . . .

All people who buy from me are in-

"My husky fell ill and was going paralyzed in the hind quarters. After taking ZEV, he fully recovered. Thanks for making him well again, as I am blind, and my Husky is my protector", says Mrs. R. Williams of Caughnawaga, P.Q.

A KENNEL OWNER PRAISES ZEV

Mrs. J. McIntosh of Thistle Rose Kennels in Toronto, writes, "After using ZEV on my own dogs, I recommend this remarkable remedy most highly, to all dog owners for distemper, coughs colds, worms of all types. I would not be without it".

"NOT ONE SICK DOG IN 3 YEARS THANKS TO ZEV"

boasts Mr. Chas. Beaudoin of Balsam Creek, Ont. "Zev is the best conditioner I ever used. Feed it every day or so to my dogs. Breed and sell 60 to 70 Registered Beagles a year. Had dogs shipped in from the South badly infected with worms. In ten days, after giving Zev, every dog was free of these health robbers".

vited to visit my kennel and home. I don't think they need to be told if a place is clean or not; most people with $100. for a pup recognize dirt when they see it—if not, they will be happy no matter where they buy.

Ursula has our deepest sympathy in the loss of her pup; I have known the feeling several times since I was about six years old. However, she should not criticize the breeder or the vet too much, unless they are downright outlaws. No matter how hard the breeder and vet believe and wish, they cannot make something that does not exist. I think the laboratories are the real culprits . . . They should be compelled to state on all Distemper and Hepatitis vaccines that it *may or may not* immunize. They do so now, but in very, very fine print.

Perhaps the responsibility for the sometimes futile attempt to immunize should be left to the buyer, who would then know what needles the pup has been given and the local vet will be in a better position to diagnose any illness if it occurs. I do not practise this myself; but I am considering it, in the light that it may be more honest.

One last little comment. Car trouble, long all-night drives, dog hairs and losing at a show are not fun. However, if you have made one true friend all your efforts are not wasted. So far, a friend has been my only profit.

I enjoy your magazine very much.

REPLYING, NOT COMPLAINING

. . . Re Mr. McRae's reply to my recent letter on the CNE entries . . . I did not send in a complaint, but a reply to a query in *Dogs* (November), "Why the small entry in the three shows in the CNE?"

I gave the reason I know to be true not only for myself but for many other exhibitors. I attend and exhibit at most of the shows including the Sportsmen's Shows in Toronto. But the two-day shows are my reasons for not attending the CNE, also the time taken up as although Mr. McRae mentions there are only two, two-day shows and one show, Labour Day, this is equivalent to three two-day shows where we are concerned who live miles out of Toronto.

If we do leave Toronto CNE at nine, or therabouts it is always past ten before we "hit the road" and so are not home before the early hours Sunday morning. To be back in time for the Labour Day show, we get started at 5.30 Monday morning, travelling with three Samoyeds and all the essentials that make up for a week at a dog show. So instead of leaving Toronto late on the Saturday evening we have the alternative of staying over until the Monday morning.

How different this would be if three straight one day shows! I agree with Mr. McRae who states "If we do not like the shows we can stay away." That is just what we are doing and many other exhibitors as well. But if all the show committees thought this way, this would not help matters, just the contrary. I notice Mr. McRae lives in Toronto.

VETERAN EXHIBITORS SPEAK

. . . This is a very belated "thank you" for the great and consistent improvement in *Dogs in Canada*. I enjoy reading all the many interesting articles and dog club activities.

As an exhibitor for many years I wish to thank all members of dog clubs which sponsored dog shows of any kind, to those people who have given so much of their time and experience. Most of these gave of their services without remuneration; their efforts were offered freely hoping to encourage owners of purebred dogs to compete with one another, under CKC rules and to make their dogs "Champions", thus enhancing the value of the dog and its get. Reputations are not easily established and dog shows are the only medium to achieve this.

I often wonder if an exhibitor stops to think just what he gets in return for his entry fees. First, there is the opinion of qualified judges, who in most cases have to be paid; a dog show building is required; benching, premium lists and catalogues, printing is a very large item; postage, ribbons and rosettes; prize money, prizes and trophies, advertising. To these must be added the work of a show secretary whose work commences months prior to the show. The show superintendent is a busy person on the day of the show. Trophy secretaries work months before a show soliciting prizes and their distribution on the day of the show. Then there are the ring stewards who labor sometimes all through the show and no matter how efficiently the show secretary has done his work and the superintendent has got dogs benched, good ring stewards can certainly expedite judging by having the necessary dogs ready for the classes.

When exhibitors receive a premium list they are not compelled to enter dogs but they know it is important to meet in competition against dogs of the same breed, plus the opportunity to see other dogs and their owners, and the public who often purchase dogs which they have seen at the show, or any other stock the exhibitor may have for sale. All in all, the exhibitor receives much for his entry fee.

Where could you rent window space for $4.00 or $5.00, and have the opportunity to meet the public to sell your dogs? And there would not be the advantages of competition. Sure you may have to lose time from your work to attend a dog show, and the same applies to the members of the show-giving club. Most of our dog shows are for one day only, so there is no need for overnight stays.

I believe the dog clubs provide every facility in order to encourage exhibitors to support their dogs and if the building gets littered up, who is the offender? Not the dog club, but some of the exhibitors.

I quite agree the CNE building can get hot, but the present building is a palace compared to the one used previously. At that time we went four days for one set of points and one lot of prize money. I doubt if any dog show in Canada offers more prize money than the CNE.

The National Kennel Club for many years held dog shows at the Royal Agricultural Winter Fair. When, a few years ago, CKC members decided to have only one day shows the National KC discontinued their shows because they could not financially and efficiently run one day shows, thus exhibitors were deprived of the opportunity to exhibit at the Winter Fair.

The CNE and National KC shows were good because of the public attending them and many exhibitors sold dogs. I know I did and I won into thousands of dollars in prize money at the CNE during the 28 years I exhibited there. Of course I had to make a large entry to do so.

What would the dog game be without dog shows and this embraces all the various activities held under CKC rules? Nothing, I'm afraid.

I have one suggestion to make to those who have written unfavorable letters re dog shows to *Dogs in Canada*. If they have not already done so let them offer their services to some dog organizations and offer to work just as freely as many thousands have done, past and present, that we may continue to have dog shows. The experience will surprise you. I worked as show secretary for two clubs for many years and thoroughly enjoyed it, for it gave me an opportunity to meet some of the finest people and see many of the best dogs in dogdom.

SELBEST SPECIALTY CO. LTD. 41 Gurney Crescent, Toronto 10, Canada

Canadian shows, the duration and arrangements for comfort of exhibitors have been criticised. There are arguments pro and con, mostly "pro".

As an all-breed judge having officiated in most of the leading cities in the U.S. and frequently in Canada, I have had the opportunity of making a comparison and I do not think Canada suffers by this comparison. And as a former exhibitor in both countries I must say that I enjoyed both locations.

Re- One or Two Day Shows. In 1958 I officiated as judge at the final one day show at the CNE. I recall that the entry was almost 100 dogs more than at the two preceding two day shows. My share of this entry was 214 dogs in 302 entries, not counting group entries: this is a good days work in any show anywhere. Due to the tardiness of my confrere from the U.S. a substitute judge passed upon the hound entry of 85 dogs. Exhibitors may recall that due to this delay in the other ring it was close to 11.00 p.m. before the final award was made. By that time it was apparent that most of the exhibitors had left with their dogs; this to me ruined the group competitions, as I note from my judging sheets at this show that the group classes had many absentees. Due to efficient stewarding I was able to complete my assignment in good time.

From this summarising I would say that the exhibitors did prefer the one day show as noted by the larger entry, but the management should have had at least one more judge and a third judging ring. This would have avoided overloading any judge with entries and permitted the show to terminate at an hour that would have permitted exhibitors residing at any distance to start on their homeward way earlier.

In my younger days I exhibited at the CNE when it was a three-day show. With the liberal prize money offered by the CNE for a quite nominal entry fee as compared to the shows both sides of the line today, exhibitors then thought they were well paid for the time and effort. We had the time and opportunity to meet prospective purchasers, make a few sales, and meet our friends that were active in other breeds and learn a little about winning types in other breeds. All to our later advantage.

I quite understand that the CNE are at considerable expense in putting on shows of such high caliber. Consequently, the "gate money" is quite a consideration. I do know that at some of our more liberal U.S. shows, where prize money is available, the clubs need a two day gate "to get off the financial hook". This would possibly apply to the CNE.

The exhibitors of domestic livestock and industrial items, that do and have done, so much to raise the Canadian National Exhibition to the high plane on which it stands on both sides of the line are "stuck" there for two weeks, not two days; so perhaps two day shows are not out of line for dog owners from the point of view of the directors of the CNE.

BERMUDA TRIBUTE

I should like to refer to your item in the January issue of *Dogs in Canada* in connection with the establishment of a fund as a tribute to Mrs. McEachren and to state that our Club would very much like to contribute towards this fund. The enclosed draft for $50.00 is to be turned over to whatever charity, etc., it is decided will be the beneficiary.

We in Bermuda owe so much to Mrs. McEachren, as without her advice, assistance and encouragement our Club would never have been formed. We all feel very deeply about her loss to Bermuda as well as to Canada.

At a meeting of the Directors of the Club it was decided that we would present a shield, to be known as the Eileen McEachren Memorial Shield, which would be awarded annually to the Best Bermuda Dog of the Year. This would be retained by the Club and displayed by the Club. The recipient of the award each year would be presented with a miniature for permanent possession. On the Shield would be engraved the name of the winning dog each year. We feel that, in this way, Mrs. McEachren's name will constantly be before those interested in dogs in Bermuda.

The Bermuda Kennel Club

. . . As a Director on the CKC board during her terms of office, I came to appreciate her ambitions, gifts and talents. In her "twenties" Mrs. McEachren was an all-out sportswoman—smart at tennis, a tournament badminton player . . . She was a superb horsewoman, hackneys or jumpers. She at one time excelled at the Royal, also at the Madison Square Horse shows.

She added dignity to the CKC, gave the Canadian dogdom great publicity. Do hope you and the CKC help to commemorate her name.

. . . I quite agree that dogdom has lost probably its greatest friend in Mrs. McEachren . . . She liberally gave of herself in the interests of the sport. She will be sorely missed.

DIC GOES TO WORK

Want to let you know I find *Dogs in Canada* a "must" with my new position. Being a member of the CKC for the past six years helped me as a qualification for the new position set up in Stratford for an Animal Control Officer. I have a lot of dealings with dogs and people interested in dogs. Just this week I received a request for a Chihuahua puppy and was able to give this person three addresses from your September issue.

To do you justice...

Whether he's in the champion class, or just a simple dog-about-the-house, no dog can do justice to your care if he's in poor condition. So do what many of the top breeders now do — give your dog Bob Martin's every day. Bob Martin's Condition Tablets supply the vital vitamins and minerals every dog needs — in the correctly balanced proportions to keep him in splendid coat and tip-top health. And you'll want him to look his best, too. That's where you'll find the complete Bob Martin's range of grooming preparations so helpful. In fact, a Bob Martin dog is always a credit to his owner — in the ring or out.

COVER STORY

Pictured on this month's cover is a Boxer much in the news during the past few years — Ch. Gai Robin. Top Best of Breed Boxer in 1958 (before she was four years old) she has now captured a total of five Best in Show awards. She also was awarded seven Best Canadian Breds in Show. During the past year she took the breed 18 times.

Robin, as many Boxer fanciers will recall, was the first Canadian-owned Boxer to go Best in Show in Ontario all-breed shows, giving much encouragement to Boxer exhibitors and breeders. At that time and for many years preceding, Boxers were rarely the recipients of the top award. During 1958, while earning the above-mentioned title, she won not one but two BIS in Ontario shows and was recipient of the $50 Canada Dominion Savings Bond offered by the Boxer Club of Canada for that achievement.

"She is not only a great pleaser in the show ring but also a wonderful companion in the house," say her owners.

A daughter of the immortal Ch. Bang Away of Sirrah Crest, Robin is the mother of Haviland's Gai Time who will be campaigned this year.

Robin is one of the stars of Haviland Kennels which, although the post office address is shown as Richmond Hill, is located at Langstaff, Ont. This is their 11th year in Boxers, during which time they have bred 11 champions and have finished a great many others who were sired by Haviland stud dogs.

Prior to their decade in Boxers Eve and Stan Whitmore were well known as Wire-Haired Fox Terrier breeders, as was Stan's father before him. They kept four until two years ago, when they retained one, getting along in years, as a pet.

Ch. Beau Jangles of Showline, founder of Haviland Boxer Kennels, passed away December 5, 1959, at the age of 12. Bred by Mr. Goldie Britt, now living in Quebec City, Beau Jangles (Butch) produced a number of champions. Later the Bang Away line was introduced to Haviland with extremely successful results.

Mr. and Mrs. Whitmore are well-liked and respected throughout the dog world. Both are fine equestrians and have owned some excellent hunters. In addition to riding in many major and private shows, they have schooled innumerable horses. Eve, for many years, was in charge of schooling for a celebrated stable.

THE OLD TIMER

Sure, some standards do need changing and clarifying, agreed the Old Man. But for some folks it's easier to change the standard than to breed to the standard — but does it stop at that?

"They bug me," the Old Timer said suddenly.

I looked up surprised The Old Timer ordinarily didn't use slang, particularly 'teen-age slang, and his use of it indicated that he was deeply concerned.

"Who bugs you and why?" I asked.

"These people who are always trying to change the standard of a breed. I just can't understand it."

The Old Timer was reaching for his pipe. That was the tip-off to me that he was just about ready for another airing of his doggy philosophy so I kept quiet, while he reamed out the carboned up bowl, cleaned the stem carefully and then loaded the pipe in his usual methodical way, a little at a time, each pinch of tobacco tamped down carefully. When he had the pipe drawing to his satisfaction I spoke up.

"Now, if you don't mind, what gave rise to that weighty observation," I asked.

"A little talk I had yesterday – but it's a case of no names – no pack drill. But this chap was telling me he was going to try to get his breed club to agree to a change in the height standard of his breed – a miniature by the way – and either eliminate the maximum height altogether or substitute an approximate maximum for the present specific one."

"But why should that worry you," I asked. "You don't have a miniature of any kind in your kennel so why should you worry about the standard of a breed you don't own?"

The Old Timer looked at me. He settled down a little more comfortably in his old arm chair and pushed the battered old fedora onto the back of his head.

"I worry because it's typical of what so often happens. I know what's worrying this chap—he's breeding big ones. He's hipped on this one particular sire that has a tendency to throw big and a lot of his stuff is up to and a little over the maximum height. So, it being easier to change the standard than to breed to the standard, he's taking the course of least resistance and wants to have the standard changed. Today it's this particular breed – tomorrow it will be another—and the day after that something else again."

"But if the majority of people interested in his breed agree that the height limitation should be taken off, doesn't that indicate that there is something wrong with the standard?" I asked.

"Not necessarily," the Old Timer said. "It could mean, for instance that our Joe Blow is liked by other breeders—that they see no particular harm in his proposed amendment—and so they'll go along with him just to be friendly. It could mean that enough others are having trouble to be an effective power group. The trouble is, they're not thinking about the future."

"Not thinking about the future? Just what do you mean?" I asked.

"Well let's take this particular breed," he said. "You'll agree that one of the rewards of breeding purebred stock, is that when you have a mating you can be almost one hundred percent sure that the result of that mating will be a certain definite type."

I agreed.

"This particular breed is divided by height into three specific types," he said. "They are not, like some other breed, registerable if they are the progeny of a sire and dam of two different size divisions. In other words, to be registered

as a miniature the puppy must be the offspring of a miniature dam and a miniature sire. That decision was made with a purpose, and the purpose was to keep the miniature a miniature and the standard a standard, and to ensure, insofar as possible, that the progeny down through the generations would remain miniatures and the standards remain standards.

"Now let's say you remove the height limitation from the miniatures or maybe just increase it. Pretty soon the big, and at present oversized stock, are duplicating themselves and you're getting more and more big ones in the breed and then pretty soon you're again getting them bigger than the increased height allowable—so the easy thing to do is raise the height qualification once again. And you wouldn't have to do that very often —with today's improved nutrition—until you'd have a situation where you couldn't forecast with any degree of accuracy whether a miniature to miniature mating would produce, by the size test at least, miniatures or standards of the breed."

"I see what you mean," I said "but surely all standards of the breed are not so perfect that no changing is required."

The Old Timer lit his pipe again.

"I didn't say that," he said. "My quarrel is with those who would change the standard merely to overcome a difficulty they are having in their own breeding program. Certainly there are some standards that should be changed. I would not argue with field trial Beagle people who might justifiably complain that the Beagle standard makes no allowance for things, set down as faults but which are really the result of hard running and the dog doing what it is bred to do. I would have no worries about changing a standard where the wording is vague—as so many of them are—in order to use terms and descriptions that apply to that breed and that breed alone. But I do worry about changes which result in changing a definite breed characteristic.

"After all, those desirable characteristics have been built up over generations of breeding. In five minutes a thoughtless amendment could wipe out the accomplishments of generations of devotion to a careful breeding program.

"Standards of perfection and the fine quality of dogs that have resulted from trying to breed to that standard have not been built up overnight. I believe, and I believe sincerely, that what has been built up over the generations should not be torn down, merely to suit the whim of one small group."

BREAKING THE LEASH

Comparing notes, several Denver, Colo. citizens grew skeptical of the firm that had a stock answer for every telephone complaint: "Mr. Chiwawa, our complaint manager, is tied up in back right now and cannot come to the phone." When the Better Business Bureau staff investigated they discovered a Chihuahua puppy tied up in the company's back room.

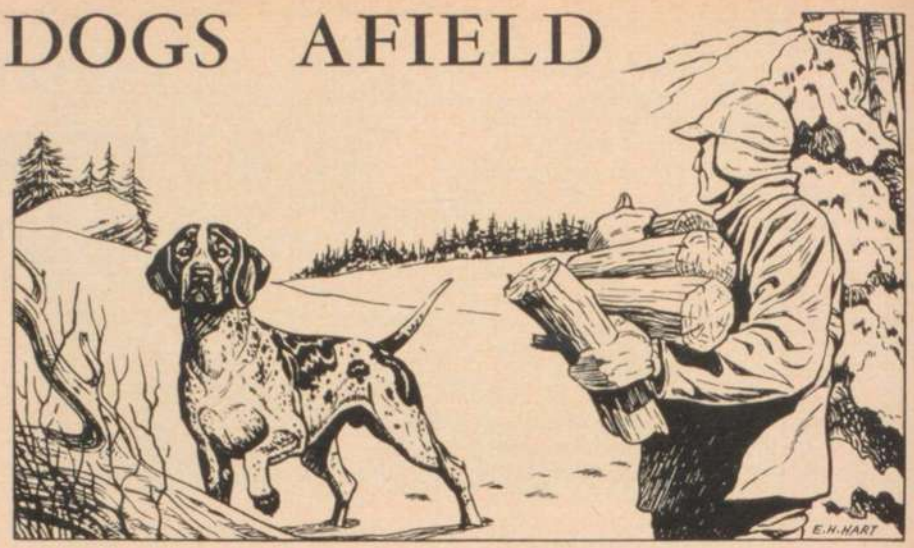
DOGS AFIELD



by DAVID BLAKE

Originally dogs were exhibited for show by owners who understood the job for which they were bred. But today, it seems, most are bred, groomed and conditioned as if for a beauty contest.

I'm going to start this little dissertation with a statement that everybody — but everybody who breeds and runs or shows dogs must know. Each and every breed was established by producing dogs to do certain jobs in certain localities under certain conditions, or by the recognition that a particularly well adapted type of dog had evolved to fulfill a special function.

Only after proud owners of working dogs, were they fox-bolting or varmint-killing terriers, trail or sight hounds or what have you, thought them to be outstanding specimens of their breed did dog shows come to be. Originally, therefore, dogs were exhibited for show by owners who understood the function for which their dogs were bred. In fact, few would give space to a dog that was not an accomplished dog of its kind. As late as 1917 when Mary Montrose won the National Bird Dog Championship the first of the three times she was crowned, owner William Ziegler, Jr. entered her in the Westminster Kennel Club show where she was awarded the purple. (May I digress for a moment in these ramblings and ask you to speculate — what chance would a Pointer have today to win under present "level back" requirements if it were so muscled up as to run for three hours at Grand Junction?)

Today there are relatively few who exhibit dogs who work those same dogs in the field and not many more who run dogs and exhibit other than those they run. It is more or less to be expected then, that most Sporting Dogs in the Garden (and I don't mean to limit the breeds to the Sporting Group) are bred, groomed, and conditioned as candidates for a beauty contest rather than as athletes.

Outstanding in dual type were the breeds whose fanciers stress the retaining of working quality. The Golden and the Lab were close to the ideal working type as was the Brit. The German pointing breeds looked as though they might work satisfactorily in the field, though they are a fleshier dog than their English cousins, usually much less intense and more phlegmatic. The Wire-haired Pointer was rather restricted in gait, but let us hope he wouldn't work at a trot when afield, anyway. I have seen very few setters of accepted bench type, with their longer bodies, heavy heads, and overdeveloped flews, that could run even if willing — and desire is often lacking. The Irish Water Spaniel hasn't changed much in type over the years, but there seems to be something lacking in coat. This may be because of insufficient exposure to the elements to stimulate natural increase in density. The English and Welsh Springers and English Cockers were well balanced dogs that could very well work under the gun if they possess the other qualities necessary for the field. The American Cockers, God bless their little fuzz-wrapped souls, might have the hearts of lions under their poodle-like undercoats, but would first have to win the battle of the briars before being fit to prove their heritage.

I saw a very sound Borzoi excused from the hound group along with a beautiful Whippet with excellent arch of loin and quarters in contrast to the roach back of its larger Greyhound cousin who was reserved for further consideration. Preferring a sight hound with a roach in preference to well developed arched loins tied into well bent stifles and let down hocks is as inconsistent as substituting the diet of Salukis and Afghan hounds for exercise to get them in running condition.

(*Continued on page 15*)

Terriers looked much more likely in this year's exhibition than for several years in the past. For some reason, perhaps its the longer travel of some and the two tiring days, the fiery spirit that we have learned to respect in our terriers has been absent to a disappointing degree as the show advances and the chips are down. Come time for the terrier group on the second evening of the gala event and the odds seem to be getting better for a bashful bunny at large on the floor. Which of our aspirants would stay single handed with a woodchuck, badger or fox with its back to its burrow becomes increasingly questionable.

I am ready to give up the wait for a good show Beagle breeder to come up with a dual dog. Every now and then a good looking, well balanced working dog is bred. He proves himself in the field, but if he doesn't have a completely symmetrical blanket, a white tipped flag and a picture book head, he is put down to a pretty little softie with big brown eyes and the "perfect" expression, never attaining, therefore, the championship which would encourage owners of better looking bitches to breed to him to establish a good dual Beagle strain. And woe to the man who has a good looking bench Beagle that will run who runs it and then exhibits it with signs of work on its ears and flanks.

I guess we'll have to divide our dogs into outdoor sporting dogs and indoor sporting dogs. And we have about as many outdoor sporting dogs at the Garden or any other bench show as we have outdoor sportsmen exhibiting.

SPORTSMEN'S DOG SHOWS EXPAND

For the first time in Canada a full-scale Retriever Trial takes place indoors. This event is part of the 1960 Sportsmen's Show and takes place during the dog shows March 16, 17, 18, 19.

Birds will be used with about 20 top ranking Labradors (invited as a result of their scoring during 1959) working under outstanding judges, among them the western movie celebrity gravel-voiced Andy Devine. Mr. Devine will act as Master of Ceremonies at the stage and water review of the Sportsmen's Show. A special pool will be set up for the trials which will take place around five p.m. daily.

Exhibitors and spectators will find many changes in this year's Sportsmen's Dog Shows. Spacious rings will be set up in the room previously used for benching, while the benching, in part, will be moved into the stall section of the Horse Palace, allowing improved space for exhibitors and dogs.

The Sportsmen's Shows afford the largest display advantages for Canadian breeders. Let's get the public to the dog shows. Write, telephone, talk to neighbours, friends, relatives. Actors need audiences, shows need spectators, breeders want new customers.

BURLINGTON AND DISTRICT KC SCHOLARSHIP

A scholarship of $100.00 has been established by the Burlington & District Kennel Club. This award will be given to a student who is a resident of the Town of Burlington or the area served by Waterdown District High School regardless of the school which he or she attends and who is entering the first year of the course in Veterinary Medicine. A high academic standing is an important qualification for this award. Preference will be given to those candidates who intend to enter the "Small animal" practice.

Students who are interested will apply to the Board of Education for the Town of Burlington. The Board will nominate the best three candidates and the Principal of OVC will select the one to received the award.

DEVELOPMENTAL GENETICS AND KENNEL RECORDS

SECOND IN A SERIES OF FOUR

by
DR. LEE FORD

WE have now progressed through the first two stages of Written Dog Records, viz. (1) individual records and (2) kennel records, or master pedigree records. Now we wish to take the third step and a most important one. For now we begin to *use* our records and study them.

It would seem to me that the first essential to using or interpreting your dog records would be a basic understanding of biology and genetics, a clear concept of development and embryology, and at least some understanding of statistics and the laws of chance, plus a good understanding of your breed, of how the male and female contribute to the offspring, and what you want in your dog to meet the breed standard. This could involve additional reading on your part of good dog books, it could involve club meetings spent on topics considered "higher education" by some, it could mean even that you would take courses on a high school or college level from an accredited institution and delve into some of these things under the guidance of an accredited professor or teacher.

Next thing is that you must have some records with which to work! This means you must by now have made up your individual dog records, even on your own one or two or three dogs and that you have done what you could to find out about their parents and sibs (brothers and sisters). It really isn't of much value to go beyond grandparents or first cousins, unless you are looking for some outstanding color or structural pattern, or something which is irregular in some way.

Of course, it will be very good if you have some litter records now to add, or better yet, some adult dog records on litters on which you also kept records. Hence, your beginning of "developmental" genetic records! Then you *really* have something to begin with!

Then we make up the master pedigree and copies of it and fill it out as we indicated in Article II. I generally mark my "key" breeding dogs in some way, either with double line, or different color square or circle. Remember to have the dog's numbers on one copy for quick easy identification. Fill out the traits as suggested, and *then sit down and dream a bit and study the master pedigree for each of the traits!*

Just sit down with it, study it, look it over, try to picture the dog again. Go back over the photos; if you have the dog, get him in again and check and recheck to see that you have evaluated correctly. About this time you are sure you have not evaluated correctly, so no doubt you will wish to re-evaluate! *This is a good sign!*

You are apparently seeing the dog through new eyes, and are apparently also seeing the standard for the first time more clearly! Go ahead and re-evaluate!

One system we use, which we did not previously mention, is that we generally first go through each dog and evaluate it with a "word" evaluation. Then, and then only, do we go through and assign the number evaluation, of 1 to 9, with 9 being for top quality and 1 being for very, very poor. Then as we understand what "9" really involves, we can more accurately get up our evaluations of each trait. And we can always go back to our "word" evaluation for checking.

If the traits in question seem to have an hereditary pattern, then selection will indeed be worthwhile in most cases. So the problem is to try to find out as much as we can about how the trait is inherited.

If the traits are a combination of both heredity and environment (which in most cases is true), then maybe a better environment can improve their expression. These and many other things must be considered as we "dream" and "revise" our charts. There is no easy formula to give you to get your perfect show dog! It all hinges on you, on your evaluation and on how you are able to put that evaluation to use in a sound breeding program.

It would not be possible to enumerate the many ways your dog records will be of value to you and how, the more you keep, the more you will want to keep. But here are a few suggestions.

What Are Some Ways That Dog Records Are of Value?

1. *Improved breeding practices.* By studying our master pedigrees, we can better select our dogs to breed together. This should be the most obvious value of written records, and one very important to you. By actual records and honest check-ups on your own dogs, you should begin to see them in a new light and be able to improve your knowledge of them and how to use them best and to most advantage in a breeding program.

2. *Improved evaluation and better recognition of type.* By actually writing down your evaluation of your dogs, and by maybe letting someone else check it, you begin to see your dog in a new light, and begin to become more critical and thus work closer and closer to what is really the ideal standard. Thus your own ability to evaluate improves and this should automatically improve your breeding practices.

3. *Advertising.* As you know your dogs better, you can better describe and talk about them, and your written and verbal contacts through advertising should improve. This should possibly result in increased sales, which is of help to any breeder.

4. *Show Wins.* As your evaluation of your dogs improves, your breeding practices will improve and as the advertising becomes effective, it should follow also that your better dogs will be purchased by those who will show them and you should begin to have more show wins. Not only by dogs handled by yourself out of your own breeding but also by those who have been bred and sold by yourself to others.

5. *Selling.* As you know your dogs, your verbal and written descriptions improve. Also, the detailed records impress the buyer that here is a careful kennelman and he wishes to buy one of your dogs. Also, as your photography improves, you will have a nice series of photos to show the buyer and this is always most helpful in selling.

6. *Weeding out undesirable defects.* If you keep written records and check for hidden defects, as you find them, then as you do so *write them down.* Keep *Written Records* and check back into the dogs' ancestry for any others who may have had this defect. Then begin to weed out undesirable dogs and use an intelligent breeding program. Only in this way can your breed become cleaner and more desirable to those who are buying dogs.

7. *Enjoyment in planning.* This might not be true for everyone, but I myself enjoy working up the records, seeing

THE DACHSHUND PROBLEM

In recent months the problems arising as a result of cross coat breeding in Dachshunds have been discussed at an ever increasing tempo by Canadian Dachshundists. This controversy has resulted in more than one article in the American dog press.

Since there are some interesting genetical problems involved it is felt that a statement of some of the facts would be of value to dog fanciers in general and Dachshund breeders in particular.

Since importations from the U.S.A., Great Britain and Continental Europe have an influence on Canadian dogdom a comparison of allowable practices in those countries with those in Canada would be of value.

Canada

We have *six* separate *breeds* of Dachshunds i.e. wirehaired, smooth and longhaired and both standard and miniature sizes. Interbreeding either between coats or sizes is not permitted — progeny resulting from such a cross are not registerable.

U.S.A.

They have *one breed* of Dachshunds and *three varieties* (wirehaired, smooth and longhaired). Inter coat breeding is permitted — at the time of registration of the individual dog it can be registered under the coat it represents or as plain "Dachshund". Miniatures are not recognized as a separate variety but there is a special class provision "9 lbs and under and over 12 months" at dog shows. Winners of these classes compete against other winners for Best of Winners.

Great Britain

They have *one breed* of Dachshund and *six varieties.* Inter breeding between coats and sizes is permitted. At the time of registration the individual dog is registered as that variety it represents, i.e. Standard Smooth, Miniature Longhaired, etc. At dog shows varieties compete among themselves only.

Continental Europe

Member clubs of the Federation Cynologique Internationale abide by the standards and permitted practices of the Deutscher Teckelklub. They have *two breeds* and *nine varieties* of Dachshunds. They have the three coats and three sizes (for clarity we will describe the sizes as standard, miniature and dwarf). Inter coat breeding is permitted between wirehaired and smooth only and between the sizes. There are therefore one breed and six varieties covering wirehaired and smooth, in addition one breed and three varieties covering the Longhaired. The variety of the individual dog is established at the time of individual registration.

An examination of the reasons for cross breeding the coats appears to be the next logical step in reviewing this problem.

a) On this continent, smooth Dachshunds, in general, surpass the other two coats both in excellence of conformation and in numbers bred, i.e. the judicious use of the smooth Dachshund will help to improve the conformation of both the wirehaired and longhaired.

b) The wirehaired can help to improve the texture of the smooth Dachshund coat in those instances where a line of smooths is lacking in correct coat texture. This point the writer feels is not of such significance as the first.

There is one further reason for cross coat breeding of significance in Europe only. For a Dachshund to be rated as "excellent" in a dog show it must have obtained its hunting working degree. The wirehaired Dachshund is considered to be superior in hunting abilities, thus smooth Dachshund breeders use the wirehaired to improved the hunting qualities of the smooth stock.

As far as cross breeding the sizes is concerned, generally speaking the Standard Dachshund is superior to the Miniature in conformation. Miniature breeders therefore use the larger size to improve the conformation of their miniatures.

Let us now look at the genetical implications of cross coat breeding and the probable coat characteristics of the progeny resulting from such a cross.

a) Wirehaired is dominant over both smooth and longhaired.

b) Smooth is dominant over longhaired.

That is to say when a wirehaired is bred to a smooth the resulting wirehaired progeny could be carrying a recessive gene for smooth hair but the smooth progeny will be pure smooth.

Also when a smooth is bred to a longhaired, the smooth progeny could be carrying a recessive gene for long hair but the longhaired progeny will be pure longhaired.

It is unlikely that a breeder should ever wish to cross a wirehaired to a longhaired but should this occur the wirehaired progeny could be carrying a recessive gene for long hair but the longhaired progeny will be pure.

Now once a cross coat breeding has taken place the progeny, having the same coat as the dominant coat in the cross, are suspect for purity. If two Dachshunds of the same coat, each carrying a hidden gene for another coat, are mated there is the probability that 25% of the litter will have a coat other than that of sire and dam. For example, if a smooth Dachshund carrying a recessive for long hair is mated to another smooth carrying a recessive for long hair there is the probability that the litter will include a longhaired puppy.

Furthermore, this recessive gene can be carried forward for countless generations only to be brought to the surface when two Dachshunds are mated each having the same recessive gene. Herein lies the Canadian problem — what should

be done with these off coated puppies? Genetically they are pure — should they be registerable? It is inconceivable that a longhaired Dachshund should be registered as a smooth (the coat of its parents). But how can you register it as a longhaired when according to The Canadian Kennel Club and the National Livestock Records the parents are of a different breed? Furthermore, these off coated puppies are often extremely good specimens having the qualities that breeders are looking for. It would appear to be a tragedy for them to be lost for breeding purposes.

If these dogs should be registerable it is giving recognition to the value of cross coat breeding. Should therefore our policy on intercoat breeding not be changed? Can intercoat breeding be permitted but controlled? What information can be put on registration papers and in the Stud Book? What do Canadian Dachshund breeders want? Can Canadian Kennel Club pioneer a policy that will have international acceptance?

These then are some of the facts, problems and questions that are being asked. A special Dachshund Committee has been formed by The Canadian Kennel Club and it is hoped that they will find a solution that is acceptable to the Canadian Dachshund breeders as it is they, the breeders, whom I trust will decide the future Canadian policy if indeed there should be any need for change.

JUDGE'S CRITIQUE

by Mrs. Gwenneth C. Melchers

207 Poodle entries! ! Congratulations to the Poodle Club of Central California and my sincere thanks to the exhibitors, club officials and my so efficient ring stewards Mrs. Thomas Boyd and Miss Patricia Witcher, for their kindness, help and support of this outstanding entry in the Poodle Specialty held January 15 at the Civic Auditorium, San Francisco.

There was such a quantity of lovely specimens that it quite disturbed me to have to leave so many good dogs out of ribbons.

Best in Show went to that gallant and very beautiful little white Toy, Am. & Can. Ch. Silhou-jette's Cream Topping, owned by Challendon Kennels and shown by Mrs. Tom Stevenson. Showed on the day with such sparkle and steadiness, asking for and deserving his great win.

Another little Specials Toy of great note was Ch. Plath's White Wilbur, owned by Mrs. Beryl Plath and handled by Phyllis Tworuk.

Best of Opposite in Show was the Miniature Ch. Holyoke Magic Elf, (a daughter, I see in my catalogue, of Magic Star II) owned by Mr. and Mrs. Frank Dale and handled by Mitch Wooten, a beautiful dark brown, gay, short backed lovely little female.

Best Standard was Am. & Can. Ch. Hallmark Harmony o' Windridge, a spectacular white, and true to his name possesses an over-all harmony of excellent qualities. Owned by Mr. and Mrs. Frank Dale and handled by Mitch Wooten.

Best Miniature went to Ch. Chriscrest Mr. Singleton C.D. owned by Mr. and Mrs. R. Perutz and handled excellently by Jack Carson. He is a lovely specimen with plenty to give the breed. This was a difficult choice, as can well be imagined with 99 Miniature entries, as my eye was also very taken with Ch. Chriscrest the Fiddler, expertly handled and put down by Phyllis Tworuk, also an Apricot, Mignon Golden Gaylad, owned by Marylyn Dunn and really magnificently handled by Irene Gady. He was my Best of Winners.

Best of Opposite Toy went to Ch. Poodiman's Pretty Peggy, owned by Phyner Kennels and handled by Bill Spires, a sound pretty little person with a nice solid body. Also taking my eye very much in Toy females was Ty-Del's Jelly Bean, my Best of Winners, owned by Pood-I-Man Kennels and shown by Bill Spires. Lacking yet a little maturity, but will be very interested to see her again in about nine months' time.

Best of Opposite Standard was Wycliffe Monica, owned by Mr. and Mrs. Goebel, handled by Tom Stevenson, a nice black female from the Classes.

Winners Standard Dog Toby's Le Capitaine Fracasse, owned by Marie Ringrose and handled by Mitch Wooten very well; has excellent qualities, still has to coat up and mature a little more, however his owner should have lots of fun with him in the show ring not long hence. Le Capitaine's little brother, Toby's Le Marquis de Wilimer, owned by Peter Casartelli, shown by Phyllis Tworuk, possesses also same qualities and should also come to the fore in due course.

Two Miniature puppies stand out with great clarity in my mind: Loramar's Banner, owned by Loramar Kennels, handled by Tom Stevenson; went Best Puppy in Show, but a difficult choice against a delightful 10 months female, Perutz Little Cannon, owned by Mr. and Mrs. Perutz and handled by Jack Carson. We shall be hearing and seeing a lot more of these two in the future, I feel sure.

Belle Star de Bo Mi, my Winners Female Miniature, owned by John Wright and handled by Mitch Wooten, finished her Championship at this Show, I was told. Congratulations to her breeder and owner.

Mr. and Mrs. Nurmi's Ch. Paloma's Bon Vivant Standard Poodle, looked beautiful in the Stud Dog Class and his owners should be very proud of the specimens he is producing. Went Best Stud Dog in Show.

Best Miniature Stud Dog was Phyllis Tworuk's Ch. Chriscrest the Fiddler. A delightful array of good black offspring.

To finish I will take the liberty of giving a caution to the Miniature Breeders: . . . Feet . . . Do not forget when choosing the future puppy of this very important quality: Small oval thick padded feet, with well arched toes. A lot of feet were poor and the dogs were penalized therefore.

Felicitations to the Toy breeders on the great improvement wrought in the Toys—they are really on the Poodle map —but do beware of sacrificing everything for head alone!

Again my many thanks to all for such an enjoyable show and such a magnificent entry.

HAS YOUR DOG UNUSUAL POWERS?

Dr. J. B. Rhine of the Parapsychology Laboratory of Duke University, Durham, North Carolina, is collecting reports of unexplainable feats of behavior that dogs are reported to perform: For example, a dog separated from its human companions by long distance may find the family again, often after months of travel, even sometimes when a move has been made to new territory. Sometimes the pet animal seems unmistakably aware of the impending return of his master at an unexpected time or, again, of his master's illness or other tragedy, even when this may be far away geographically. Such experiences mainly suggest an awareness or knowledge beyond the range of the familiar senses.

Examples of such behavior, with as much supporting evidence as is available, may help greatly in the study and eventual understanding of the extent of these capacities, and should contribute to a better knowledge of both dog and man.

Letters reporting such incidents, directed to Dr. Rhine, will be acknowledged and, on request, discussed.

WESTMINSTER BIS IS PERVINAL-FED

U.S. Vitamin & Pharmaceutical Corporation announces that the Pekingese Ch. Chik T'Sun of Caversham, 1960 Westminster Kennel Club Best in Show dog, is another Pervinal-fed Champion. Pervinal-fed dogs have won this highest honor in dogdom in four out of the last five Westminsters. Ch. Chik T'Sun's win brings to a total of 126 Best in Show awards for this all-time champion. In addition the Peke won 11 Canadian BIS ribbons. Ch. Chik T'Sun is owned by Mr. and Mrs. C. C. Venable of Atlanta, Ga.

Another champion dog confirms the high trust that owners, handlers and breeders of top dogs have placed in Pervinal, the exclusive vitamin-mineral-bioflavonoid-lipotropic nutritional conditioner. Literature and samples on Pervinal can be had by writing U.S. Vitamin & Pharmaceutical Corporation, Veterinary Products Division, 250 East 43rd Street, New York 17, N.Y.

Chik T'Sun, incidentally, was bred by Miss I. M. de Pledge and Mrs. Warner Hill who exported him to Messrs. Nigel Aubrey-Jones and R. William Taylor who after winning "Dog of the Year" with him in 1956 sold him to Mr. and Mrs. Venable. Winners Bitch and best Opposite was his daughter, Can. Ch. St. Aubrey Ku Ella of Elson, bred and owned by Messrs. Aubrey-Jones and Taylor. Winners Dog and Best of Winners was Rikki of Calartha, also owned by them.

NEW ROLE FOR DOGS

As the times grow more complicated and world affairs more critical dogs assume new responsibilities in their alliance with man.

Despite the shifting and often uneasy alliances which man has made throughout the ages, there is one which has survived his fickle nature—his inseparable alliance with the dog.

Today, man is making this alliance even more secure by entrusting to his canine partner new and more important jobs. These range from guiding the blind to guarding the nation's strategic, push-button missile sites. And in these tasks the dog continues to reward his master's trust.

According to dog authority, C. C. "Tex" Fawcett, dogs have been used in numberless ways. In his work as director of the Dog Care Division, Ralston Purina Co., Fawcett has uncovered some unusual facts which illustrate dog's versatility in serving man:

- They were religious symbols at one time—Anubis, god of the Egyptians 25 centuries ago; Tien Ken, heavenly dog of the Chinese.
- In cold climates, dogs such as the Chihuahua were used regularly as heating pads.
- Ladies of fashion once wore dogs as important items of costume. Toy Poodles, Pekingese and other small breeds were especially popular.
- Dogs have often been favored as political party mascots—such as the Keeshond which symbolized the Patriots Party in 18th Century Holland.
- For many years dogs, as symbols of honor, were bestowed upon people for outstanding service. For centuries it was traditional for the Dalai Lama of Tibet to honor members of the Manchu Dynasty by giving them Lhasa Apso terriers.

Fawcett points out that man's first wartime alliance with dogs is lost in antiquity, but that they often decided the issue in early conflicts. The Gauls, for instance, used packs of dogs wearing armour covered with sharp spikes and knives, training them to run among the enemy inflicting wounds with fangs and spikes.

Historians credit the armour and knife-clad Greyhounds of Cyrus of Thymbria, says Fawcett, with winning a victory over Alyattes of Lydia.

The Purina dog authority stresses that history's greatest military leaders — Caesar, Alexander the Great, Napoleon —all used war dogs. Before the battle of Aboukir in 1799, reports Fawcett, Napoleon wrote the commander of his troops warning him that "You should have a large quantity of dogs which can be posted in front of your fortifications."

Dogs have also come in for their share of honor on the field of battle. Charles V of Spain, for instance, held up his war dogs to the troops as examples of courage and loyalty. The 400 dogs had accompanied English troops sent by Henry VIII to help Charles in his war with France. Later, the Spanish king kept the dogs and sent the soldiers home.

The Painted Porch of the Acropolis, says the canine authority, shows a man and dog who fought at the Battle of Marathon. The dog received an award for heroism along with the soldier.

Modern warfare has diminished the dog's role as a combatant, but increased his importance as messenger, scout and sentry, says Fawcett.

He cites that the training of specialized war dogs reached its peak in World War II. Germany trained approximately 200,000 and the Russians 50,000. France and England also organized powerful canine forces.

"In 1942," reports Fawcett, "the U.S. Army established the K-9 Corps, which trained more than 19,000 dogs for active service in all theatres of operation. The record of these animals in saving lives in combat and on patrol is an impressive tribute to man's most faithful ally."

Man's genius has permitted him to create complex machines that have outmoded the horse and other animals in modern warfare, continues Fawcett, but there are today 4,000 dogs on active duty with the Army and the Air Force.

"And they're playing a vital role in North America's defense as guards for missile sites and other military installations," he adds.

Dog's first role in its long-standing alliance was that of guardian and hunter as shown in this frieze from ancient Babylon.

DOGS and PEOPLE

Among Canadians noted as showing or attending the *Westminster Show* were: Miss Joyce Brown, Peterborough; Miss Mary Curran, Sault Ste. Marie; Mr. and Mrs. Tom Adams, Unionville; Mrs. Mary Hart, Pickering; Mrs. Betty Hyslop, Brockville; Miss Mary Archibald, Ottawa; Mrs. Albert Kaye, Richmond Hill; Mr. and Mrs. Ken Ellis, Streetsville; Mr. and Mrs. A. Roberts, Dr. Ellen Brown, Mrs. Meta Loveridge, Mrs. D. T. Weir, Mr. Alex Duncan, Mr. James Shaeffer, Miss Dorothy Johnson, Mr. W. McDerment, Mrs. Alva McColl, Mr. and Mrs. W. Gottschalk, Dr. Alick Little, Mrs. Kate McBroom, Emerson Robertson, and your editors, all of Toronto; R. W. Blanchard, Sarnia; Mr. and Mrs. L. G. Banyai, Ingleside; Mr. and Mrs. W. H. MacKendrick, Oakville; Mrs. Jessie M. Carr, Stoney Creek; Mrs. Lorna Jackson, Zephyr; Mr. and Mrs. F. Durbar, Streetsville; Mrs. Beatrice England, Crediton; Mrs. Patrice L. Fisher, Ancaster; Mrs. S. Sinclair, Meadowvale; Dr. Norman E. Fremes, Willowdale; Mrs. Bertha Howlett, Brantford; Mr. and Mrs. Vernon F. Jeffries, Woodbridge: Mr. Frank E. Jones, Minesing; Mrs. Mary C. Matchett, Highland Creek; Mr. E. J. Steacy, Kingston; Dr. and Mrs. E. H. Stehr, Streetsville; Mr. John Terelly, Gravenhurst, Mrs. R. Tourtillotte, all of Ontario.

From other provinces: Mr. and Mrs. Charles W. Waters, Regina, Sask.; Mrs. Doris Hayes, North Burnaby, B.C.; Mr. Vic Williams, Vancouver, B.C.; Di-Mar Kennels, Ste. Genevieve, Que.; Mrs. Pamela Mack, Dorval, Que.; Messrs. Nigel Aubrey-Jones and R. William Taylor, Mr. A. R. Pitkethly, all of Montreal; Mrs. J. H. Laurie, Ville Jacques Cartier, Que.

From Bermuda: Lady Florence Conyers, Mrs. John McAteer, Mrs. James Kyme and Miss Carol Barnes.

(Due to weather and other conditions, one or two of the above were unable to attend, but were listed in the catalogue as exhibitors.)

Died: Spiky, venerable Spitz pet owned by *Mr. and Mrs. A. E. Thompson*, Toronto, within a month or two of his 18th birthday.

Mr. and Mrs. H. Betts, Richmond Hill, report the homecoming of Can. and Am. Ch. Tregoads Vickys Gallant from the United States where he has been shown to his American title by Mr. Henry Sayres. Gallant was Best of Breed four times and 1st, 2nd and 4th in Groups. This makes the wonderful achievement of three litter brothers all Best in Show and Group winners in Canada and the States, and not yet three years old. . . . The Scottish Terrier, Ch. Reanda Rattler, owned by John Treleaven of Todmorden, Ont., has been shown successfully in this year's Florida circuit and has completed his American title.

Three Canadians have recently judged in large American shows. *Mr. Reg. P. Sparkes*, Toronto, assessed all the Non-Sporting Breeds and the Non-Sporting Group as well as Toy Poodles at the First Company Governor's Foot Guard Athletic Association show in Hartford, Conn., Feb. 13. He has also accepted an invitation to judge at the Cavalier Poodle Club Specialty Show at Virgina Beach, April 1. Mr. Sparkes was recently elevated to the rank of great-grandfather. . . . *E. B. (Tim) Reid*, Stittsville, Ont., was a judge at the Elm City KC Show, New Haven, Conn., February 14. . . . *T. E. (Ted) Gundersen, Ottawa*, judges in Youngstown, Ohio, March 27 and in Havana, Cuba (all breeds) on May 15. He will also judge in Calgary in May and Fredericton, N.B., in August.

New address for *Miss Mary P. Matheson* is Cliffside Prep School, Shawinigan Lake, B.C.

Canadian dogs have been capturing points at many major American shows. Among them, the Labrador Retriever, Irish Dual and Can. Ch. Castlemore Coronet, who took Best of Breed at the recent Detroit show on January 23, and now has six points toward the American championship. Owner is *Mr. Frank Jones* of Minesing, Ont. . . . *Miss Valerie Reid*, Dorval, Que., has received AKC confirmation that her home-bred Standard Poodle, Ch. Sunlock Shane, has qualified for his American title. He won major points at four successive shows on the Florida circuit; January 9 at Clearwater, January 10 at Tampa and January 11 and 13, at Bradenton and Sarasota respectively. He had also taken points at Camden, N.J., in December. Shane, who was handled at all these shows by *William J. Trainor*, will be six this Spring. . . A year ago this month the Harlequin Great Dane, Count Zepton v Nordane took BIS under Capt. Will Judy at the Burlington KC sanction show. Since that time his owner, *Mrs. Florence Westbrook*, Brantford, Ont., has been able to add several degrees to his name. "Zep" not only earned his Canadian championship and has collected eight points toward his American title (one a major win) but has his Canadian and American CDX in obedience. The last legs were earned with Mrs. Westbrook handling. Breeders are *Mr. and Mrs. Ian Stewart*, Zordane Kennels, Brantford.

Bill, a deaf dog found wandering the streets of Pittsburgh, Pa., was homeless as a result of his affliction. To aid him in getting a home, a hearing aid firm presented him with a unit. He immediately appeared overjoyed at the unaccustomed sound of his own barking. . . *The Kitchener Waterloo Humane Society* recently announced it will instal a radio in its dog kennels as a soother for dogs and puppies awaiting adoption. Problem: No funds for a new radio. "Any old set will do", stated an official, "as long as it works".

Frank Holdenried, a charming, much-travelled young man whom we met at the P.N.E. shows in Vancouver last fall, has been named to succeed the late Bert Heath as editor of *The Kennel Review*. Mr. Holdenried's background is rich in the field of purebred dogs and in agriculture. Educated at California State Polytechnic College and graduated from Loyola University, he has bred and exhibited Great Danes and Dachshunds as well as polled Hereford cattle. He recently returned from a two-month tour of Poland, Russia and Czechoslovakia, where he was able to observe purebred dogs behind the Iron Curtain. . . . Many of our readers are not aware that *Bert*

As far as can be ascertained, this is the first time two dogs have tied for competing in all the available Ontario Licensed Field Trials. These two Labrador Retrievers tied for top honours in the Open-All Age class, 1959: l. to r.—FT Ch. Smudge's Pitch, owned by Cliff Hunt of Grimsby, Ont.; Rathrippen's Black Star, owned by Fred Dartnall of Hamilton, Ont.

Heath, who died December (*Dogs,* January) was a Canadian, born in Alberta.

David Ladd with "Patrasche", the wonder dog, stars of the new 20th Century Fox motion picture "A Dog of Flanders".

Judy Ferrer, a 17-year-old English girl on her way to St. Thomas, Ont., is suing the New York Central Railroad for $110,000 in the loss of her dog Jinty on Christmas Eve. In addition to losing Jinty she claims the train crew locked her in a baggage car with her dog, threw her off a train, locked her in another baggage car, detained her when she went back to Detroit to search for her pet. Judy's case attracted international attention and appeals went out via TV, press and radio. She was offered other dogs but nothing could replace Jinty, she maintained.

RECENT SHOW WINNERS

Shown above is the American Cocker Spaniel, Can. and Am. Ch. Merikay's Minstrel Man going BOW under Judge A. C. Elliott at the American Spaniel Club show at the Hotel Roosevelt, New York. He finished his Canadian championship in less than a month with five BOV and his American title in five shows undefeated (three majors); four of these specialties. Owned by Miss W. K. Balshaw, Merryway Kennels, Kleinburg, Ont. Handlers: W. J. Martin, Canada; Parlee Larabee, U.S.A.

Marwyck Random Adventure, Miniature Schnauzer, a two-year-old novice, took the Group November 13 under Judge Vic Williams, then BIS at the Calgary Kennel and Obedience Club Show. Next day he took the Group, earning 6 points in two days. Owned by Sunawagold Kennels Ltd. and handled by Corol Gullacher of Sunawagold.

Am. Ch. Fidino of Villa Malta is shown taking the breed under Miss Iris de la Torro Bueno at Syracuse, N.Y. He went on to take Third in a strong Toy group. Since making his American title he has been shown four times in Specials, taking the group once and placing Third three times. He has already won a group from the classes in Canada. Owned by Mrs. Justin Morgan, Clarence, N.Y. and handled by Mrs. H. J. Brunotte.

Pictured here is the silver brindle Scottish Terrier, Harris-Shire Aberdeen Lass, who won three Puppy groups out of four shows under Judge Mrs. Laurie Paton at Perth, May 18, 1959; Judge A. Napier, London, May 9 and Judge A. V. Collins at Aurora May 30. Owners are Mr. and Mrs. J. F. Harris, Belmont, Ont. She is a daughter of Glad-Macs Troubador and Harris-Shire's Flashy-Bit.

If you would like your winning dog in this column, the cost for a one-column cut, including cut-line, is $6.00; a two-column cut is $12.00. Copy to appear in cutline: name of dog, kennel and owner, win, show and judge. Absolutely no advertising copy may be included. PAYABLE IN ADVANCE. *Note: Best in Show photographs are published without charge.*

Your Editor Says:

This corner would like to take this opportunity to offer congratulations to those who were elected as officers or directors of The Canadian Kennel Club for the year 1960. We note that many of the names on the Board are familiar ones, but there are a few which this editor has not had the privilege to meet. However, to one and all, our sincere congratulations on your recent election to the executive of The Canadian Kennel Club. We know that each one of you will do your utmost to ensure that the affairs of the Club will continue to be run in the most efficient way possible. In this way, all members of the Club will have the satisfaction of knowing that they belong to the best organization of its kind in this country.

° ° ° °

We understand that the Obedience Trial Regulations and Standards have been reprinted in up-to-date form and that copies are now available from The Canadian Kennel Club upon request. We would strongly suggest that all obedience-minded people obtain these new reprints without delay.

° ° ° °

Many of our readers will be sorry to learn of the recent illness of Mr. G. W. Millar, immediate past president and a director of the Montreal Dog Obedience Training Club, Inc. "Gus", as he is known to most of us and to many of our friends south of the border, has been a genial host on a number of occasions following the annual fall trials of the Montreal Dog Obedience Training Club at Ste. Marguerite, P.Q. We feel sure that all our readers will join with us in wishing "Gus" a speedy recovery.

Letters of Interest

This corner received many Christmas cards from friends and readers and we would like to thank all those who thought of us last Christmas. There was one card, however, which we would like to mention and it came from Mr. and Mrs. Jack K. Lang, 82 Lansdowne East, Peterborough, Ont. The card shows a group of dogs in the "Sit" position at Helen Lang's Obedience Training School in Peterborough. Accompanying the card was the following letter:

"By the time you receive this greeting from the dogs at my new training school (we have been operating for three months now) our Peterborough Obedience Training Club should be in operation.

Do you ever get up this way? We would like to arrange for a visit with you on obedience work, of course if it would be possible.

My school is a non-profit making school . . . all proceeds going to the "Louis Braille Society" for the blind in Peterborough, Ontario."

Our congratulations to you on the formation of your training school. Undoubtedly your obedience club has now been formed and is in operation. The very best wishes from this corner are sent to you and your members for a long and happy association. You should be commended for turning over the proceeds from your training school to such a worthy organization.—ED.

Our thanks go forward to Mrs. M. King of 422 Bonner Avenue, R.R. 3, Box 18, Winnipeg, Man. for taking the time and trouble to write to us as follows:

"I notice Mr. E. C. St. John Green of Nova Scotia requests help on the Stand for Examination. I would like to suggest that Mr. Green follow the procedure outlined for this exercise by Pearsall and Leedham in their book "Dog Obedience Training". Especially in the case of timid and/or aggressive dogs, they suggest re-working the exercise from the beginning, with a much slower approach to the final handling by a stranger.

. . . . How can a dog trained to heel and sit when his handler stops stand properly for show? This has kept many of them (breed people) out of obedience. In its simplest form, the answer is to use the command and/or signal 'stand' whenever the breed ring judge calls for a halt.

However in my experience, most dogs shown consistently in both breed and obedience usually are trained for both rings and differentiate between the command 'heel' (automatic sit) and 'go' (no sit). This is not too difficult, as everything the handler does acts as a signal to the dog; e.g., in the obedience 'heel' the leash is held in the right hand, dogs start off from a sit, etc., while in the breed ring, the leash is generally held loosely in the left hand, and many dogs wear show collars and leads. I have been privileged to handle several obedience trained dogs (CDX) in the breed ring (without having them sit) and find one of the main advantages to be the way the dog will respond to the pattern given by the judge without breaking stride on the turns: surely an important factor when under the scrutiny of a judge evaluating gait. In fact, this and the stand for examination probably help the dog in the breed ring a great deal.

I enjoy reading your column, and wonder if it could be extended to act as a clearing house of help and information between the various training clubs."

Many thanks, Mrs. King, for your suggestion that our reader, Mr. E. E. St. John Green of Nova Scotia, might refer to the book written by Pearsall and Leedham, "Dog Obedience Training" for help on the Stand for Examination. We will pass this suggestion on to our readers in Nova Scotia.

Your editor also wishes to thank you for your observations on the somewhat controversial matter of the dog sitting when the handler halts in the heel exercises. We agree that if the dog is trained to stand, then there should be no problem when the dog is in the breed ring. What command is given for the "stand-stay" is immaterial, as long as the results are effective. We have never believed the "sit" in the heel exercise was a valid reason for some breed enthusiasts to suggest that they would never obedience train their dogs, since it would spoil them for the breed ring. There are far too many dogs who have become champions in both rings to make this argument stick. As a matter of fact, in our association with dogs and dog shows over the years, we have seen some good breed specimens passed over lightly by the judge, simply because the dogs were uncontrollable in the ring. This corner is of the opinion that "breed" dogs would do well to have some obedience training, the amount, of course, to be left up to the owner.

Your kind remarks concerning this column are very much appreciated. Your suggestion about using this corner as a clearing house is certainly all right with the writer.—ED.

LIGHT INTO DARKNESS

Nearly half a million Americans must walk in perpetual blindness, with about 17,500 added yearly to the roster of the blind. The Master Eye Foundation (founded in 1926 by John L. Sinykin, breeder, trainer and judge of German Shepherds) is the first school in the United States to train dogs to lead the blind. Cost of training a Shepherd to serve as a companion and guide for the blind is $1500.

If you would like to send a contribution (*Dogs in Canada* has) to help change a timid dependant person into a cheerful, self-reliant, "heads-up" individual, the address is Master Eye Foundation of America, 509 Produce Bank Building, Minneapolis, Minnesota. The Foundation is a government-approved, charitable, non-sectarian corporation.

SHOW NOTES

A large portion of the proceeds of the Sarnia Kennel Club Annual Championship Dog Show and Obedience Trial to be held April 24 will again be donated to charity. Last year a donation was made to the Cerebral Palsy Association.

The All Terrier Club of Canada Show, scheduled for May 22, is planned between the Barrie KC and the Perth County KC shows enabling exhibitors to try for three sets of points in three days.

MEETING OF THE BOARD OF DIRECTORS

(Continued from February issue)

(3) pointed out that the Calgary Kennel & Obedience Club's application for priority rights, along with such an application from the Northern Alberta Canine Association, had been received prior to Mr. Anderson's election to the Board;
(4) reported that Mr. Anderson was of the opinion "that priority for dates should not be granted to a new club in the area when that club selects dates that conflict with the dates that have been used by a long-established club over a great many years", and that "the matter of dates be considered annually";
(5) referred to Mr. Anderson's recommendation and suggested that until such time as a system of priority rights would be practicable in Alberta, the applications received be not approved and the fees accompanying such applications be refunded.

It was regularly moved by Mr. MacKendrick, seconded by Mr. MacCallum:
(#553-59) "THAT, the priority fees received from clubs in Alberta be refunded with advice that while the Board is not disposed to grant priority rights at this time it is prepared to review the matter in the future when it is clear that a system of priority rights in Alberta and Saskatchewan will be beneficial to show-giving clubs generally in those provinces."
FOR THE MOTION: Mrs. McColl, Mr. Blyth, Mr. MacCallum, Mrs. Mack, Mr. MacKendrick, Mrs. Smith, Mrs. Southcott.
Motion carried.

The Secretary suggested and it was agreed that a copy of Mr. Anderson's letters on this subject be forwarded to each member of the Board.

INTERNAL AND ADMINISTRATION

9 A 62. TITLES AND CERTIFICATES GRANTED BY CLUBS (SHOW AND TRIAL)

The Secretary:
(1) referred to the Board's previous decision (resolution #451-59) regarding the issuance of titles and certificates by clubs and associations holding shows and trials under the Club's rules;
(2) reported that in awarding a certificate to each dog which had passed the tracking test staged by the Richmond Dog Training Club in September, that Club had done so simply to keep faith with exhibitors because in the premium list, which had been approved by The Canadian Kennel Club, the Richmond Dog Training Club had offered a certificate to each dog passing the test;
(3) reported that the Richmond Dog Training Club was anxious to fulfill its obligation in this connection;
(4) tabled the draft of a certificate submitted by Mr. Irving on behalf of the Richmond Dog Training Club.

It was regularly moved by Mr. MacKendrick, seconded by Mrs. Southcott;
(#554-59) "THAT, the draft certificate forwarded by Mr. Irving be approved."
FOR THE MOTION: Mrs. McColl, Mr. Blyth, Mr. MacCallum, Mrs. Mack, Mr. MacKendrick, Mrs. Smith, Mrs. Southcott.
Motion carried.

-----At the President's request Mr. MacCallum took the Chair.

OBEDIENCE TRIALS

12 OB 8. REPORT OF OBEDIENCE COUNCIL

Mrs. McColl, Chairman of the Council, dealt with the report of the Obedience Council in relation to certain applications for appointment as judges or apprentices at trials. The recommendations of the Chairman of the Obedience Council were approved by the Board.

The Secretary, on behalf of the Chairman of the Obedience Council reported that:

(1) pursuant to resolution #473-59, the views of all Obedience Representatives had been sought on the possibility of amending the present policies with regard to apprenticing of those seeking to establish their eligibility for approval to judge tracking tests held under the Club's rules;
(2) the replies received showed a diversity of opinion on the alternative arrangements outlined to Obedience Representatives in the letter addressed to them;
(3) the Chairman of the Obedience Council, after reviewing the replies received, was of the opinion that, as a temporary policy, an applicant having successfully passed the written and oral examinations conducted by an Examining Committee, be required to apprentice at one tracking test only.

During the discussion which followed Mrs. Mack suggested that:
(1) where an applicant successfully passes the written and oral examinations and is recommended by an Examining Committee, he be required to apprentice at one tracking test;
(2) if favourable reports are received from the two judges under whom the applicant had apprenticed, he be permitted to officiate as second judge at a licensed tracking test;
(3) following the tracking test at which he officiated as second judge a final decision would be made on his application.

It was regularly moved by Mrs. Mack, seconded by Mrs. McColl:
(#556-59) "THAT, the applicant for approval of tracking judge be required to apprentice at one tracking test and if a favourable report is received he be permitted to serve as a second judge at a subsequent tracking test after which a final decision be made on his application; this change of policy to be effective if and when approved by majority vote of the national Board."
FOR THE MOTION: Mrs. McColl, Mr. Blyth, Mrs. Mack, Mr. MacKendrick, Mrs. Smith, Mrs. Southcott.
ABSENT (temporarily): Mr. Brown.
Motion carried.

The question was raised as to whether a dog, entered only at a licensed obedience trial to be held in conjunction with a championship show, may be barred from entry into the show building, and, if permitted to enter the show, may it be disqualified by the officiating judge of obedience.

It was regularly moved by Mr. MacKendrick, seconded by Mrs. Mack:
(#557-59) "THAT, the matter be referred to the Obedience Council for report and recommendation to the incoming Board."
FOR THE MOTION: Mr. Brown, Mrs. McColl, Mr. Blyth, Mrs. Mack, Mr. MacKendrick, Mrs. Smith, Mrs. Southcott.
Motion carried.

FIELD TRIALS

13 FT 29. BEAGLE FIELD TRIALS

The Secretary read a letter from the Secretary-Treasurer of the Ontario Association of Beagle Clubs who:
(1) reported that Chapter 7, Section 7 of the Field Trial Rules and Regulations "is being continually abused" at Beagle field trials;
(2) stated that it would be helpful if the Board were to issue a letter to each of the clubs holding licensed field trials stating that this rule must be adhered to, said letter to be read at the next general meeting of each Beagle club.

It was regularly moved by Mrs. Smith, seconded by Mr. Blyth:
(#558-59) "THAT, a letter be addressed to the Beagle clubs setting forth Chapter 7, Section 7 of the Field Trial Rules with advice that it is expected that this Rule will be strictly adhered to, and any complaints received by The Canadian Kennel Club regarding alleged violation of any rule will be investigated by The Canadian Kennel Club and appropriate action taken against those deemed to be responsible; each Beagle club to be asked to read this memo at the next general meeting of its members."
FOR THE MOTION: Mr. Brown, Mrs. McColl, Mr. Blyth, Mrs. Mack, Mr. MacKendrick, Mrs. Smith, Mrs. Southcott.
Motion carried.

GOOD AND WELFARE

14 G 2. DOG FOODS

The Secretary reported that, at the suggestion of the President he had approached Mr. Ken Ellis with regard to an early meeting of the group to which Mr. Ellis had referred when he met with the Board at its meeting on April 21st.

Following discussion it was regularly moved by Mr. MacKendrick, seconded by Mrs. Smith:
(#559-59) "THAT, we write a letter to Mr. Ellis suggesting that we realize the delicacy of his position in dealing with other food companies, and as it is imperative that we get ahead with this project, enquire if there is any way we can assist him in organizing a meeting of those interested."
FOR THE MOTION: Mr. Brown, Mrs. McColl, Mr. Blyth, Mrs. Mack, Mr. MacKendrick, Mrs. Smith, Mrs. Southcott.
Motion carried.

COMPLAINTS, CHARGES AND PROTESTS

8 C 1. REPORT OF COMPLAINTS COMMITTEE (POLICIES)

The Secretary:
(1) reported that in accordance with resolution #493-59, he had sought the opinion of the Club's solicitor with regard to the Committee's recommendation on a proposed addition to the application for membership form;
(2) read a letter received from the Club's solicitor.

During the discussion which followed it was agreed that the matter be referred to the annual meeting of the Board with a suggestion that it consider recommending to the Department of Agriculture that, in addition to the references to the keeping of private breeding records, identification, and inspections in Section 5 of the Act, the Act be revised to specifically set forth requirements in connection with the keeping of private breeding records and authority to conduct inspections.

INTERNAL AND ADMINISTRATION

9 A 51. TWO-YEAR TERM FOR BOARD

The President:
(1) pointed out that at the last Annual General Meeting a Committee was appointed to consider and place before the 1960 Annual General Meeting a report with recommendations concerning an amendment to the By-laws to provide that the term of office of each Board of Directors would be two years;
(2) stated that on such an important matter it is highly desirable that the membership at large have advance notice, through the official magazine, of the Committee's report and recommendations for study prior to the Annual General Meeting.

It was regularly moved by Mr. MacKendrick, seconded by Mrs. Mack:
(#560-59) "THAT, the Special Committee on the two-years term

be requested to submit a report before January 15th in order that the report may be published in the February issue of the official magazine for consideration and study by the members previous to the Annual General Meeting."
FOR THE MOTION: Mr. Brown, Mrs. McColl, Mr. Blyth, Mr. MacKendrick, Mrs. Smith, Mrs. Southcott.
Motion carried.

At 6:05 p.m. the meeting adjourned.

JANUARY 8, 1960

The first regular meeting of the (1960) Board of Directors of The Canadian Kennel Club was held in the Club's offices, 667 Yonge Street, Toronto, Ontario, commencing at 10:00 a.m. on Friday, January 8, 1960, with the President, Walter Brown, in the Chair, and the following members of the Board present: J. W. MacCallum, Robert L. Blyth, Mrs. Leo Dery, W. H. MacKendrick, Wm. McDerment, W. J. Monaghan, Mrs. M. Southcott.

MINUTES

3 M 23. MINUTES OF MEETING HELD NOVEMBER 17th & DECEMBER 8th.

The Secretary reported that all members of the Board had been provided with a draft copy of the minutes of the meeting of the Board held on November 17th and December 8th, 1959.
The following corrections were ordered:
(Two corrections ordered here were made in the minutes published in the February issue).

It was regularly moved by Mr. MacKendrick, seconded by Mr. McDerment:
(#1-60) "THAT, the minutes of the meeting of the Board of Directors held on November 17th and December 8th, 1959, as corrected, be adopted."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

FINANCIAL MATTERS

5 F 2. APEX PUBLISHERS & PUBLICITY LTD.

Mr. MacKendrick reported that:
(1) in accordance with resolution #445-59, he had, together with the Secretary, taken up with the Post Office Department in Ottawa the matter of postage charges assessed on copies of "Dogs in Canada" mailed to members of the Club;
(2) as a result of the discussions with Mr. Stubbs of the Post Office Department the Department was conducting an enquiry to determine the amount of overpayment which appears to have been made as a result of postage rates apparently incorrectly applied;
(3) even though there may be a favourable adjustment on the postage charges for the June, July, September, October, November and December issues, the basic rates would still be considerably higher than paid previous to the June issue;
(4) the Club's representatives had been informed of representations which a group of publishers are soon to make to the Post Office Department seeking second-class mailing privileges even though all copies of a given issue do not include the same advertising;
(5) although the assessing of higher postage rates on "Dogs in Canada" stems from the inclusion of official business (such as minutes of Board meetings) in copies mailed only to members of the Club, the Club's representatives had arranged for this matter to be taken up with the Post Office Department with the representations referred to in (4) above.

It was regularly moved by Mr. Blyth, seconded by Mrs. Southcott:
(#2-60) "THAT, the Committee's report be received as progress."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

5 F 18. FINANCIAL STATEMENTS FOR 1959

The Secretary reported that when the decision had been made to publish stud books for the years 1948-1951 inclusive, for which no provision had been made in the financial statements for those years, it had been decided that the cost to publish such volumes would not be charged to current expenditures, but would be deducted from the surplus.

It was agreed that the Secretary would be governed by that decision when including in the 1959 financial statements the cost to prepare the copy for the combined volume, expected to be available in February or March, for the years 1948-49.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 11. RECOGNITION OF GERMAN STUD BOOKS

The Secretary reported that:
(1) by virtue of power given the Board in Article XXVIII, Section 1 of the By-laws, and in accordance with resolution #527-59, an application had been forwarded to the Chief Registration Officer of the Department of Agriculture for the addition, to the Club's list of recognized stud books, of a list of German stud books about which the Secretary had reported to the Board at its meeting on December 8, 1959;
(2) reported that the Chief Registration Officer had given his approval to the addition of stud books maintained by the following German clubs:
(Affenpinschers) Pinscher-Schnauzer Klub, Mr. Heinrich Heid, Neckargemund, Landhaus Heid, Germany;
(Afghan Hound) Deutscher Windhundzucht und Rennverband, e.v., Mr. Theo Hamacher, Parkstrasse 12, Eschweiler B., Aachen, Germany;
(Borzoi) Same Club as Afghan Hound.

7 R 24. KENNEL NAMES

The Secretary reported on the following decisions of the Kennel Names Committee:
(1) application for YMARA (alternative YMAR-HALL) - neither approved on the grounds of similarity to Y-MAR (registered with The American Kennel Club, also on the grounds that both appear to indicate a breed (Weimaraner);
(2) applications for WAYSIDE and BYTOWN to be processed in the usual way;
(3) application for RIM-ROC ordered processed in the usual way, the Committee having decided to not sustain an objection from the person who had registered VALROC as a kennel name.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Dery:
(#3-60) "THAT, the report of the Kennel Names Committee be approved."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

The Secretary:
(1) reported that the Kennel Names Committee had previously rejected Mrs. I. J. Mewburn's application for registration of PON-SUE as a kennel name because of its similarity to POND VIEW (A.K.C. registered);
(2) read a letter from Mrs. Mewburn appealing the Committee's decision, requesting the Board's favourable consideration of PONSUE (one word), and stating that as she did not intend to become "a breeder", the name, if granted, would be rarely used in the naming of dogs for registration purposes.

It was regularly moved by Mr. McDerment, seconded by Mr. MacKendrick:
(#4-60) "THAT, Mrs. Mewburn's application for registration of PONSUE, as a kennel name, be approved."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

7 R 25. REPORT OF REGISTRATION COMMITTEE

The Secretary reported that the Registration Committee had:
(1) authorized the registration of the Chihuahua BELAMIE PECOS (imported from England), and the recording of transfer of this dog from Miss D. J. Josephs, Toronto, Ont. to Charles J. Finch, Toronto, Ont.; date of transfer: September 1, 1956;
(2) recommended that Nancy Allen, presently residing at Montreal, but soon to take up residence in the United States, communicate with The American Kennel Club regarding registration in their records of a German Shepherd Dog imported from Japan;
(3) authorized the recording of transfer of ownership of the Samoyeds TAZBEL'S TROUBADOR (402608) and RIKI OF SHEP'S VALLEY (438060) from the name of Allan Sheppard (deceased) to Mrs. A.F. Sheppard; date of transfer: October 11, 1959;
authorized the registration of the Chihuahua GYPSY OF QUARTER MOON (AKC - T-538398) and the recording of transfer of ownership from the name of Allan Sheppard to Mrs. A.F. Sheppard; date of transfer: October 11, 1959;
(4) authorized the registration of the Dachshund (Standard Long-haired) KOBOLD VON DER RODAU, imported from Germany by Mrs. E. Kohlund, Willowdale, Ont., the dog being registered in the Deutscher Teckelklub e.v.;
(5) authorized the recording of transfer of ownership of the Retriever (Labrador) PRICE'S BLACK SUSAN (390977) from the name of T.A. MacKenzie, Sidney, B.C., to the name of Don Price, Abbotsford, B.C.; date of transfer: June 1, 1958;
(6) advised Mrs. C. Elliott, presently at Ibiza, Baleares, Spain, that it was not prepared to recommend to the Board that the "Podenco Hound" be recognized unless or until such time as she is in a position to provide certificates of registration issued by the Kennel Club in Spain;
(7) authorized the recording of transfer of ownership of the Weimaraner MERRY MINX'S GAY CRUSADER (384448) from the name of Ferdinand Sztuke, Peterborough, Ont. to the name of H. W. Kennedy, Haliburton, Ont.; date of transfer: June 28, 1958;

(8) authorized the recording of transfer of ownership of the Boxer PRINCESS GALLA from the name of R. Dimmer, Sundre, Alta. to the name of Edward L. Kemp, Strathmore, Alta.; date of transfer: May 13, 1959;
(9) authorized the registration of the American Cocker Spaniel HIGHLAND PARK SAMARINDA, born Dec. 8, 1950; the registration of the litter of which this dog is part; and the recording of transfer of SAMARINDA from the name of Mrs. W. G. Powles to the name of Capt. B. Blok, The Hague, Holland.

It was regularly moved by Mr. Monaghan, seconded by Mr. McDerment:
(#5-60) "THAT, the report of the Registration Committee be received and recorded in the minutes of this meeting."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

7 R 5. REGISTRATION OF AMERICAN FOXHOUNDS

Mr. Monaghan asked that the Secretary be prepared to advise the Board, at its annual meeting, of the number of American Foxhounds which had been registered as a result of the extension approved by the Board in 1959.

7 R 38. STUD BOOKS

The Secretary placed before the Board a proposed format for the litter record book for 1959, and sought instructions with regard to the coding of the color or colors of dogs registered individually in 1959.

It was regularly moved by Mr. MacKendrick, seconded by Mrs. Dery:
(#6-60) "THAT, the Secretary and Office Manager work on the color code and present a report and recommendations to the annual meeting of the Board."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

The Secretary was asked whether a "Kennel Register" would be included in the Litter Record Book for 1959.

It was regularly moved by Mrs. Southcott, seconded by Mr. MacCallum:
(#7-60) "THAT, the Secretary place this question on the agenda of the annual meeting of the Board."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

7 R 27. REGISTRATION OF DACHSHUNDS

The Secretary read a letter from Mr. Stuart Roberts, Maidstone, Ont., who pointed to the decision of the Board (resolution #491-59) in approving recommendations of the Special Committee re Dachshunds and expressed the view that the temporary policy ordered by the Board may prove a hardship to those breeders of Dachshunds having litters in which more than one coat is represented, particularly if a considerable time should elapse before new policies become effective.

It was regularly moved by Mr. McDerment, seconded by Mr. Blyth:
(#8-60) "THAT, Mr. Roberts' letter be referred to the next meeting of the Committee; that he be asked to provide particulars, for the Committee's consideration on January 17th, of any actual cases where this temporary policy is placing a hardship on any breeder; and Mr. Roberts to be invited to attend the Committee meeting on January 17th."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

7 R 10. CHANGES IN A.K.C. STANDARDS

The Secretary:
(1) reported that the Board, at its last semi-annual meeting, had, on the request of Mr. MacKendrick, deferred consideration of the new standard for the Miniature Schnauzer as adopted by The American Kennel Club;
(2) read a letter from the Miniature Schnauzer Club of Canada which requested that the Board conduct a poll of Miniature Schnauzer breeders in Canada on the following question:
"Are you in favour of changing the standard for the breed so that dogs or bitches over 14 inches in height shall be penalized rather than disqualified?"

After discussion it was regularly moved by Mr. Blyth, seconded by Mrs. Southcott:
(#9-60) "THAT, Mr. MacKendrick be authorized to prepare a list of breeders an exhibitors of Miniature Schnauzers and the Secretary shall employ said list for the purpose of conducting the poll requested by the Miniature Schnauzer Club of Canada."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
ABSENT (temporarily): Mr. MacKendrick.
Motion carried.

7 R 51. STANDARD FOR THE PULI

The Secretary read a letter from Mrs. R. D. McLellan, Secretary of The Associated All Hungarian Breed Club, stating that it was the desire of that Club that the Board give consideration to a change in the standard for the Puli, the Club feeling that the standard in Canada for this breed should "conform to the Hungarian Standard for this breed."

It was regularly moved by Mr. MacCallum, seconded by Mr. McDerment:
(#10-60) "THAT, the Secretary poll the Puli breeders and exhibitors in Canada with regard to the standard submitted by The Associated All Hungarian Breed Club."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

7 R 66. RECOGNITION OF "NEW" BREED

The Secretary read a letter from Mrs. Natalie Maydanski, Devon, Alta. who sought information regarding any rules governing the new development of a "new" breed, in this case a "Miniature German Shepherd Dog."

It was regularly moved by Mr. MacKendrick seconded by Mrs. Southcott:
(#11-60) "THAT, Mr. Monaghan be appointed Chairman of a Committee, with power to add to the Committee, to look into the establishment in Canada of new breeds."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mrs. Southcott.
ABSTAINED FROM VOTING: Mr. Monaghan (being named in the motion).
Motion carried.

7 R 67. CANCELLATION OF TRANSFER OF OWNERSHIP

The Secretary read a letter from a member who, having recorded the transfer of ownership of a dog which he had sold on terms set forth in a written agreement, was desirous of having such transfer cancelled on the grounds that the dog had not been delivered, the purchaser allegedly having failed to conform to the terms of the written agreement.

In the discussion which followed it was suggested that the recorded transfer be cancelled upon the seller providing the Secretary with a signed agreement, between the two parties, agreeing to the cancellation of the original agreement.

It was regularly moved by Mrs. Dery, seconded by Mr. McDerment:
(#12-60) "THAT, the matter be left in the hands of the Secretary."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

-----At the President's request Mr. MacCallum took the Chair.

COMPLAINTS, CHARGES AND PROTESTS

8 C 1. COMPLAINTS COMMITTEE (POLICIES)

The Secretary:
(1) reported that in accordance with the Board's instruction (resolution #541-59) he had written the Club's solicitor;
(2) read the solicitor's reply dated December 14th.

The President stated that the Complaints Committee had recommended the adoption of the temporary new policy believing that, if subsequently approved by the national Board, it would expedite the handling of complaints, and would enable the national Board, at its annual meeting in February, to assess the merits of the policy recommended by the Committee.

It was regularly moved by Mr. MacKendrick, seconded by Mrs. Southcott:
(#13-60) "THAT, the policy recommended by the Committee and approved by the Board be and is hereby amended as recommended by the solicitor in his letter dated December 14, 1959."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mrs. Southcott.
ABSTAINED FROM VOTING: Mr. Monaghan.
Motion carried.

GOOD AND WELFARE

14 G 2 DOG FOODS

The President reported that Mr. Ken Ellis, of the Quaker Oats Co. had been invited to meet with the Board in order that the Board may have a report on the progress being made with regard to representations to the federal government calling for the containers of all dog foods to show the minimum nutritional content and guaranteed chemical analysis of the ingredients.

Mr. Ellis entered the meeting and was requested to advise the Board of the present standing of the matter.

Mr. Ellis reported that:
(1) since his last meeting with the Board there had been developments in the United States which would likely have an important bearing on the policies to be followed by those dog food manufacturers which manufacture and market dog foods in both countries;
(2) he would be attending a meeting in New York in early February at which time he would obtain information which would enable the Committee composed of representatives of the dog food manufacturers, the veterinary pofession, and The Canadian Kennel Club to decide its further activity in this matter.

It was regularly moved by Mr. Brown, seconded by Mr. McDerment:
(#14-60) "THAT, we thank Mr. Ellis for coming here and making this report, and Mr. Ellis be requested to submit a report following his discussion in New York in February, for the consideration of the Board at its annual meeting."
FOR THE MOTION: Mr. Brown, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

Mr. Ellis left the meeting.

COMPLAINTS, CHARGES AND PROTESTS

The Secretary reported on a certain complaint and, after discussion, the Board took appropriate action.

INTERNAL AND ADMINISTRATION

9 A 67. APPOINTMENTS FOR 1960

The President suggested that until the Board, at its annual meeting, makes appointments for 1960, the Registration, Complaints, and Kennel Names Committees which had acted throughout the greater part of 1959 be asked to carry on until the annual meeting of the Board.

It was regularly moved by Mr. Brown, seconded by Mr. McDerment:

(#17-60) "THAT, the 1959 Registration Committee, Kennel Names Committee, and the Complaints Committee be and are hereby authorized to carry on until these Committees are appointed by the Board at its annual meeting."
FOR THE MOTION: Mr. Brown, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

-----The President returned to the Chair.

9 A 31. BOARD MEETINGS

The President pointed out that Article X, Section 2, of the By-laws requires that the Board, at its first meeting, set aside a specific day in each month on which all regular meetings of the Board shall be held, if necessary, and sought the Board's pleasure.
A discussion followed on the suitability of various dates having regard for the convenience of the members of the Board who would normally attend regular meetings.

It was regularly moved by Mr. Monaghan, seconded by Mr. MacKendrick:

(#18-60) "THAT, subject to such arrangements as the Board, at its annual meetings, may make with regard to the semi-annual meeting, regular meetings of the Board will be held, if necessary, on: March 11th, April 8th, May 10th, June 14th, July 12th, August 12th, September 13th, October 11th, November 11th, December 9th, on the understanding that during each meeting it will be decided whether or not a regular meeting in the next month will be necessary; each meeting to commence at 10:00 a.m.
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

It was regularly moved by Mr. Blyth, seconded by Mr. MacCallum:

(#19-60) "THAT, the regular meeting in February (normally referred to as the "Annual Board Meeting") shall commence on Friday, February 12, 1960, and continue at the pleasure of the Board."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

It was regularly moved by Mr. MacCallum, seconded by Mr. Blyth:

(#20-60) "THAT, the Annual Meeting of the Board commence at 10:00 a.m. and the duration of each session be at the pleasure of the Board."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

The Secretary was instructed to ask each member of the Board to bring his wife (or husband, as the case may be) to the luncheon as a guest of the Club.

The Secretary was instructed to request the Director of Canadian National Live Stock Records to arrange for Mr. T. E. Gundersen, the Club's Registrar at the Canadian National Live Stock Records office, to attend the Annual General Meeting for the purpose of checking on the eligibility of those seeking to enter the meeting.

9 A 45. AGENDAS FOR BOARD MEETINGS

The Secretary:

(1) pointed out that Article XVII, Section 1, of the Club's By-laws sets forth the order of business at meetings of the Board, but provides for said order "to be changed at the pleasure of the meeting assembled";
(2) enquired whether it is the new Board's pleasure to continue the format of agenda employed at meetings of the Board for at least the two previous years.

It was regularly moved by Mr. MacKendrick, seconded by Mr. Monaghan:

(#21-60) "THAT, we continue the style of agenda in use last year."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

9 A 70. 1959 REFERENDUM BALLOT

The Secretary reported that all proposed amendments which had appeared on the referendum ballot distributed to voting members in November (1959) had been approved by majority vote, and an application would be submitted to the Minister of Agriculture for Canada seeking his approval of the single proposed amendment to the By-laws which had appeared on that ballot.

MEMBERSHIP MATTERS

10 MM 30. MISCELLANEOUS MEMBERSHIP MATTERS

The Secretary read a letter from a member who questioned the wisdom of the Club's By-law which permits the authorized representative of a partnership to record transfer of ownership of dogs owned by the partnership without regard to the rights of the remaining persons forming the partnership.
During the discussion which followed it was suggested that the By-law be amended to permit a partnership to require that all its applications be signed by all persons forming the partnership.

It was regularly moved by Mr. MacKendrick, seconded by Mr. Monaghan:

(#22-60) "THAT, the Secretary seek the opinion of the Club's solicitor and refer this matter to the Board at its annual meeting."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

10 MM 2. APPLICATIONS FOR MEMBERSHIP

It was regularly moved by Mr. MacCallum, seconded by Mr. McDerment:

(#23-60) "THAT, we confirm the approval given those applications for membership listed in list #53-59, distributed to members of the Board on December 7, 1959."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

10 MM 33. MEMBERSHIP FEES

Mr. MacKendrick pointed out that the By-laws require that an associate member pay higher membership fee although he does not enjoy the same membership privileges as an ordinary member who pays a lower fee.

It was regularly moved by Mr. MacKendrick, seconded by Mrs. Southcott:

(#24-60) "THAT, this matter be referred to the annual meeting of the Board and the Annual General Meeting."
FOR THE MOTION: Mr. MacKendrick, Mrs. Southcott.
AGAINST THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan.
Motion lost.

DOG SHOWS

11 D 1. JUDGES

The Secretary reported that:

(1) an Examining Committee composed of Roy Montague (Chairman), John E. Burns, and Owen Sawler, had examined Andrew McMillin, Woodlawn, N.S. in connection with his application for approval as a judge of all breeds in Group #3, and the Committee had recommended approval of the application;
(2) an Examining Committee composed of W. H. Pym (Chairman), Mrs. G. C. Melchers, Miss Joan M. Railton, George Kynoch, John B. THE 1959 ALL CANADIAN

by E. D. Bonnyman

Canda's great Fox Hound field trial "The All Canadian C.K.C. National" was held at St. Eustache, Quebec, October 29, 30 and 31.

Badly handicapped by the scarcity of foxes, the All Canadian affiliated associations carried through with the program of District qualifying trials, climaxed by one of the best meets, for spirit and activity ever held by the All Canadian Association.

Wednesday night: the Bellevue Hotel at St. Eustache, headquarters for the trial, welcomed the boys and gals from the Western and Kawartha clubs, Ottawa, Quyon, Cornwall, St. Eustache, Huntingdon and the new clubs, Lower Ottawa Valley and Spencerville. There was Otto Knechtel, the man who did a powerful job of organizing the set-up, Larry "Fiddler" Stark, Pug Pimlott, secretary of the All Canadian, Angus McDermid, master of ceremonies and Mrs. McDermid, social hostess.

Thursday morning: more than 50 hounds that had run the gauntlet of qualifying trials and that represented many hundreds of hounds charged to their work when Tom Bryson, one of the great Masters of Hounds, and Chris Sheffield, Assistant Master, gave the signal to go . . .

Searching, searching for the trail of a fox was the order of the day as far as the hounds were concerned. The judges were out to give them a going over and that is what they did as indicated by the score sheet.

Then at 8: P.M. came the Bench Show, the second to be held in conjunction with the All Canadian Trial, and Monty Wright was the official judge for this year's show and a fine job of work he did. Then there were the strains from the fiddles and the feet were flying but the "Big Do" was for Friday night.

Friday morning: again there was frost and more frost, but the hounds worked and those judges covered the work of the hounds from every angle.

At 8: p.m. the All Canadian Ball was

on and the party really hit the tempo for which the All Canadian is famous.

Saturday morning: Rain fell. Tom Bryson called the cast early. "Rain or no rain," says the Master, "a field trial is a test for fox hounds under any and all conditions and you have had 'em all at this trial. I am proud of the hounds at this trial and prouder still of the judges".

Away went the hounds and the judges. There was, however, a more serious look on the faces of the hunters. It is the day when the chips are down. There can be no fumbling of the ball, no more chances.

With the drying out process and the final work on the part of the judges and Masters in figuring out the results of the trial, the 1959 All Canadian Round-up hit its climax when about 125 people sat down to a banquet.

At the head table there were R. Thompson, Toronto, an official of the Department of Game and Fisheries, Quebec, Mrs. Pamela Mack, Montreal, Mr. F. G. Hodgkins, Ottawa (the former Director of the Canadian Live Stock Records at Ottawa), A. L. Pimlott, Otto Knechtel, Mr. and Mrs. Angus McDermid, C. M. Wright, Philip Marcel and E. D. Bonnyman, chairman.

Mr. Bonnyman expressed, on behalf of the All Canadian Fox Hunters' Association his appreciation to all members of the organization for the wonderful job they had done throughout the whole 1959 program and also to the Master and Assistant Master and Judges for the outstanding manner in which they handled the trial.

Mrs. Mack, as a director of the C.K.C. expressed appreciation at being able to attend the trial and wished the Association every success. Mr. Hodgkins as guest speaker, brought the meeting up to date on the registration of dogs and live stock in Canada.

The chairman then asked for the results of the bench winners, a case where a hound had to finish the trial to hold its place on the bench. Finally, with the meeting turned over to the Master all braced themselves for the cold facts of big league field trial competition. "Rosie", owned by Tony Scarborough of Lachute was declared the 1959 All Canadian Field Trial Winner. With the results of the trial and bench show announced, ceremonies completed, hound owners were awarded ribbons, trophies and prizes.

For names of other top winning hounds and bench show winners, please refer to the Show and Trial results in *Dogs*, January 1960 issue.

CANADIAN COCKER

Breeder Bud Flanagan (Manderley Kennels Reg'd.) was approached by one of the girls in his office for advice on feeding her new Cocker Spaniel puppy. On enquiring whether it was an English or American Cocker the young lady looked at him for a moment, then said indignantly, "It's Canadian!"

(*Continued from page 21*)

DEVELOPMENTAL GENETICS

how many ways I can put them together, and take them apart, and what can be figured out for future matings which might possibly produce better dogs! Fun of planning, fun of thinking ahead and of course the inevitable heartache and disappointment. But life is full of hopes and broken hopes. We still must enjoy the planning, even if the results are not always so bright as we hoped for. We can plan again!

8. *Save time and money.* Detailed written records in the end save you time and money as you do not raise and work with off-type and badly defective dogs or even poor-quality dogs for at least very long. You learn to check and find them, you learn to expect trouble and to be on the lookout for it. Thus in the end, the time spent is indeed well spent and saves you much time and money, which is of value to all of us.

9. *Use your improved knowledge* of breeding and your breed standard to know what to look for in buying your next dog!

Perhaps we can steal just a few closing comments on what to look for in buying a dog. And how our written kennel and individual dog records help us to buy more intelligently "this time". And of you know what I mean?

What Are a Few Things to Look For in Buying a Dog?

1. If for show or breeding, my best advice is to buy either an adult dog, or at least one past six or eight months of age. Then you can see some of this "development" we talk about and it will not be hidden in "puppy appeal"!

2. If for show or breeding, check that the dog meets your breed standard as you understand it as closely as possible. Know your standard, know how to evaluate the dog. Check him over and evaluate him as you have learned to do and then decide if you want him in your kennels.

3. Any dog, even if for pet and not for show or breeding, should be in good condition, free from disease, free from internal and external parasites, of good disposition, without dangerous defect which would cut down on his useful life or make him a burden to the family. All of this relative and circumstance would have to dictate your decision.

4. If for show or breeding, be sure the CKC papers are in order, that the dog is actually registered and that you get full papers and pedigrees when you pay for him or her. I would recommend buying from a reputable kennel, known for good clean care, proper vaccinations and pride in their dogs. I would not recommend saving a few dollars and buying on a shady deal of some sort and then be "stuck" with a dog off-type or with no papers and nothing you can do about it. A good honest kennel will make every effort to serve you even after you have paid for the dog!

5. If you want to buy a good dog, a registered dog, even for a pet, then you should not object to paying a proper price for the dog. So here is where we run into vast differences of opinion! You must check carefully re price to see if you are really getting what you pay for. Actually a $35. dog from one kennel may end up much more expensive than a $100. or $150. dog from another. A good pet quality registered puppy of about of about 2-3-4 months of age should bring the kennel man at least $100. on up to $200. or more, if he is to provide you with typey stock today. The puppy should be guaranteed healthy on delivery, vaccinated, in good condition, of reasonably good type and nothing wrong with it unless you were so advised (of a defective or disease nature).

6. My recommendation of buying an adult dog of about a year of age still stands, as at this time many defects are observable which do not show up in the puppy. Among these are: Cryptorchidism, eye defects like progressive retinal atrophy, hip displasia or subluxation, various conformation "points" in relation to head or leg or other structural points in your breed, sterility, irregularity of heat period or sperm count, plus any and all miscellaneous aberrations from the breed standard. It is most definitely worth paying several times the puppy price to get a grown dog where you can see what you have! If you can somehow get a good show or breeding dog for $500. to $1000. or even more, which is of good type according to the breed standard and free from at least most of the known hereditary faults common to the breed, you do indeed save money! And if you sell a dog for this amount, it is wonderful to have those Written Records of the dog and the parents and relatives to show the prospective buyer and to prove to him he is getting what he is paying for!

CLUB NOTES

Important: Club Notes are for the purpose of reporting activities and plans of Breed, Group and other specialty organizations. There are certains news items which cannot be considered as "club notes", but rather as advertising material. Names of judges may be used only if the club's show advertisement appears in **Dogs in Canada.** *Wins of dogs which will be or have been reported in The Canadian Kennel Club "Show and Trial Results" cannot appear in these columns. Make your club notes meaty and interesting. Remember, 300 words is the limit.*

Alberta Field Trials Club

The annual general meeting of the club was held on January 27 at the home of Mr. Jack Brooks, the 1959 President. A large and enthusiastic turnout heard reports on the activities for the past season, which included two C.K.C. Licensed Trials for Retrievers and two for Pointing breeds. Of particular interest was the calibre of the dog work shown at the Fall Pointing dog trial. It is noteworthy that Mr. A. deB. Winters, one of the charter members who was present when the club was organized in May of 1925, was present at this meeting.

During 1960, which will be the 35th consecutive year that this group of dedicated sportsmen have worked in the interest of more and beter dogs in the hunting fields, activities will be under the guidance of the following executive: President, Mr. Jack Brooks; Secretary-Treasurer, Mrs. Zetta Phillips; Vice-President for Retriever Trials, Mr. Bob Channen, and Vice-President for Pointing Dog Trials, Mr. Al Hunter.

After the election of officers, Mr. and Mrs. Brooks entertained those present at an enjoyable social hour, featured by much reminiscing about the many famous dogs and their handlers who have appeared here over the years.

All Terrier Club of Canada

by Eileen M. Stewart
Aurora, Ont.

As our February meeting has been postponed until the 18th of the month we will have to wait until the next issue of *Dogs* for February news.

Terrier folks will be grieved to hear of the death of Roy Black, a breeder of Airedales since the early Twenties and still active, despite a great physical handicap, in the breeding and showing of Airedales and Welshies until 1959. Our deepest sympathy is extended to his family.

The All Terrier Booster Show is to be held in conjunction with the Sportsmens Show on Saturday, March 19. Let's have a real entry for this event.

Aurora & District Kennel Club Inc.

by Marian Hurst
R.R. #1, King, Ont.

Our January 12 meeting, held at our President's home, was not a good start for the second Tuesday in the month. Very few members were present, but we heard from many. The evening was spent answering the 'phone. Many got part way but could go no further. The roads were so icy that motorists were no longer on the road.

However, there was little business needing attention and what there was was quickly cleaned up. All were anxious to be on the way home before conditions worsened. We would like to correct errors made in last month's issue regarding the list of officers for 1960. This should have read: Advertising, Mrs. Janson; Assistant Advertising, Mrs. L. M. Hamilton; Auditors, Mr. MacCallum and Mr. Kenneth Hurst; Directors, Mr. and Mrs. Sacre and Mr. Glenney.

We closed the meeting early and after a hurried lunch beat a hasty retreat.

The B.C. All Terrier Club

by R. C. Newby
3433 West 12th Ave., Vancouver 8, B.C.

At our last meeting the "Joseph Dodds" Memorial Trophy was awarded to Mr. T. W. Stewart's Tynedale Desire, bitch, Wire Fox Terrier. This trophy is awarded annually to the dog winning the most points during the past year. These points are based on a system devised by our President, Mr. J. Leedham and the points are recorded by a special committee. The competition is for club members only.

During the past three months enthusiasm has been mounting for the first Terrier Specialty Show to be held in B.C. for many years. The show will be held in conjunction with the Association of Specialty Shows on March 13. Terriers will be judged by Mr. Harry Dodds of Victoria, B.C. We are hoping for a "bumper" entry and let's hope some really promising youngsters will be shown.

Members are being kept busy as our Sanction Show will be held on April 29. Judges Mrs. E. Murray, Mrs. D. Wall and Miss C. Mullins will judge the Junior Handling Class.

B.C. Gun Dog Club

by Mrs. V. L. Love
8720 Government, Burnaby 3, B.C.

Our meetings are held on the second Thursday of each month and at the January meeting 26 new members were accepted. Several new members are keen retriever men looking forward to the spring trials. However this club now has a Pointer Field Trial Section and therefore, many of the new members are owners of Pointers, Setters, etc.

There are two new trophies for competition in Retriever trials. The William Egerton Trophy is in competition for the second time and is awarded annually to the owner of the highest point winning junior dog in licensed trials, B.C. trials. The Rockhaven Sam Magoffin Perpetual Challenge Trophy was presented to the club in January by Mrs. Magoffin. This trophy will be awarded to highest point winning dog of the year, owned and handled by an amateur member of the B.C. Gun Dog Club in Canadian Kennel Club Licensed and Sanctioned Retriever Trials in B.C.

The headquarters for Retriever and Pointer trials will be Helen's and Cliff's Drive Inn at Lougheed and Harris Roads and Mr. Cliff Cowman will be official club caterer so refreshments will be served in the fields at the trials.

One of our club members, Mr. Jack Smyth, sold a two-year-old Labrador, Country Club Jet Pilot, to Mr. John Olin of Brighton, Illinois for $5,000. A wonderful tribute to a B.C. bred dog.

The speaker at the February meeting is Mr. G. Ed. Meade, Secretary-Manager of B.C. Federation of Fish and Game Clubs. A different program is planned for each meeting.

The Club extends a welcome to all Field Trial enthusiasts, visting in Vancouver area, to attend any meeting or trial. A phone call to Webster 9-5990 and the Secretary will gladly tell you of any dates that fit your schedule.

Basset Club of Canada

by Mary Knott
793 Grosvenor St., Woodstock, Ont.

The inaugural meeting of the Club was held January 30 in Burlington, Ont.

Twenty-five Basset Hound owners and breeders attended this first meeting from throughout Canada and New York State. Those present elected as its first officers (2 year term); President, D. F. (Mike) Knott, Woodstock, Ont.; Vice-President, John L. Brown, Toronto, Ont.; Secretary, Mary Knott, Woodstock, Ont.; Treasurer, Bernice Orendorff, London, Ont.; Directors, Richard Henderson, Peterboro, Ont.; John Orendorff, London, Ont.; Roger Richards, Williamsville, N.Y.

Mrs. Oley Benson, Grand Island, N.Y. was appointed as the delegate to the Basset Hound Club of America.

It was decided that the Club will meet on the last Saturday of January, April, July and October, with the October meeting being the annual meeting, (at Burlington).

The purpose for which the Club was formed is to promote and maintain the good and welfare of the Basset Hound breed, many other aims and objects were set by the Club members.

Collectively the Basset Club of Canada membership will be made up of Basset owners and breeders throughout Canada and the U.S.A.

The Boston Terrier Club of Hamilton

by Mrs. J. W. Duckett
67 Spadina Ave., Hamilton, Ont.

The February meeting of the Club was one of the largest we have had. We had a "full-house" turnout, and enthusiasm ran high. Our guest of the evening was the well-known Veterinary Surgeon, Dr. O. H. Smith, who gave an interesting address on vitamins and nutrition, general care, feeding, and management of dogs and puppies. Dr. Smith's address was very greatly enjoyed by all who attended. Mr. and Mrs. Wm. Carr, and Mr. and Mrs. Ken Reynolds have been accepted as new members.

At present, the big interest with all our Club Members is in our newest venture, All-age "Specialty" Obedience Club, which will be for Boston Terriers only! We feel that this Club will be the first of its kind in either Canada or U.S.A. We feel sure that, by the way interest is really flying at the present time, our newest venture will be another huge success, and we hope that very shortly we will be able to divide the membership into two, or three weekly classes. Our first class of this newest obedience club will be held on Wednesday, February 17, at The Textile Workers' Union of Canada Hall, 545 Main St., East, Hamilton, at 8.00 p.m. After this first meeting, the meeting will be held every Tuesday evening, regularly, for the following 12 weeks.

Our meeting finished with the usual fine refreshments and "gab-fest", the refreshments, this time, being supplied by Mrs. James McFarlane, Mrs. Wm. Gordy, Mrs. Harriett Watts, Mrs. Dr. Don Newton, and Miss Beverly Duckett.

Our Club plan another of their splendid all-age Specialty Match Shows, which will be an Easter Match and will be held the first week in April. There will be the usual spendid array of prizes and trophies for which our Club has become so widely known. The date of this show, and the judge for this show, will be announced later, meanwhile, full information re our plans will be gladly sent on request.

Boxer Club of Canada

by J. Nowack

The January meeting of the Club was held at the home of Mr. and Mrs. S. Whitmore. Final arrangements were made for the Boxer Booster Show to be held in conjunction with the Working Group Show on February 27 and the Boxer Specialty to be held at the Sportsmen's Show on March 19. Among the presentations to be made at the Specialty will be lovely walnut plaques to all Boxer Club of Canada members who finished a champion during 1959.

On February 4 a few Boxer breeders gathered at the home of Dr. and Mrs. F. Clement for a small farewell party for Mr. and Mrs. W. Jacob. The Jacobs, who had been employed by the late Mrs. Eileen McEachren, are leaving us to return to Edmonton. We enjoyed having them with us and are sorry to see them leave.

Encouraging it is that puppies sired by a number of top winning and top producing American Boxers will be making their debuts at the 1960 Ontario shows. Among the sires who will be represented are Ch. Marjack's Golden Windjammer, Ch. Canyonair's Man On Fire, Ch. Hollee's Top Preview, Ch. Jered's Signature, Mazelaine's Lodestar, Ch. Keppy-L of May-Will, Ch. Amity Hall's Master Key.

Brantford Obedience Club
by E. S. Gardner
72 Hillier Crescent, Brantford, Ont.

Our monthly executive meeting was held at the home of Alfred and Hanna Schmocker, on January 20 with all members present.

We are proud to report our successful graduation on December 13, 1959, with the majority of dogs passing with high scores. Also the graduation dance proved to be an enjoyable evening with a good turnout.

Several of our graduate dogs were recently successful on entering their first trial. Our members looked very smart in their red and black shirts bearing our Bell City crests.

Our second training class session got underway on January 17, with the able supervision of Art Surette, with a variety of breeds showing promise of some very good workers.

Look for news of our Trial being held May 1, following our general meeting.

Burlington & District Kennel Club
by R. L. Dafoe
3047 Woodland Park Dr., Burlington, Ont.

The winter Obedience Trial of the Club took place on Saturday, January 30, at the Waterdown Memorial Hall. This drew a record entry of 54 and, at the last moment, owing to the size of the entry an emergency ring had to be set up in order to complete the judging per schedule. Mr. F. Giacomelli of Stoney Creek must be thanked for taking over this judging in order to assist Mr. Louis Parent of Windsor. Results will appear in the show results of *Dogs in Canada*.

Obedience classes are now being held at the Sea Cadet Hall in Burlington, Ont. and are well supported.

We would be remiss if we neglected to mention the efforts of Mrs. Nantais who is Social Convenor and also Trophy Chairman of the Club. Mrs. Nantais has been attending all Obedience Classes and Trials held by the Club and has had refreshments available. Proceeds from this venture are added to the Club trophy fund.

Club meetings are again being held in the Nelson Town Hall, Guelph Line and #5 Highway. At the February meeting we were fortunate in having teams from various All-Breed Clubs in Ontario present, and a competition took place on knowledge of dog show and obedience trial rules and regulations. This proved very educational for the audience and kept the various teams on their toes. The winner of this competition was the team from the Oakville and District Kennel Club. The members of the Burlington Club did appreciate the thoughtfulness of the St. Catharines and District Kennel Club delegation who arrived with a birthday cake commemorating the fourth anniversary of the formation of the Burlington Club.

Our Club held its annual general meeting on Sunday afternoon, January 17 at the offices of The National Cash Register Co., 875 Bay Str, Toronto. The election of officers for the ensuing year was held and the following were elected: President, Mrs. T. S. Adams; Vice-President, Mrs. A. A. Kaye; Secretary, Mrs. H. W. McGill; Treasurer, Mr. H. Flanagan.

Mrs. Flanagan was presented with our Obedience trophy for her Shipmates Demeter for a score of 182 points

The fancy will be saddened to learn of the passing of the outstanding Westie, Eng., Can. & Am. Ch. Shining Cliff Sprig at the age of 12½. He had many top wins to his credit including Bests in Show, numerous Group placement and Bests of Breed. He was owned by Mr. and Mrs. J. H. Daniell-Jenkins and was bred by Mrs. Finch, owner of the famous Shining Cliff Kennels in England.

We had a most successful meeting, followed by a delightful dinner at the St. Charles Restaurant.

A regular meeting of our Club was held on Monday evening, February 15, at the home of Mr. and Mrs. H. M. Jeudwine, Pickering, Ont.

Our President, Mrs. T. S. Adams, took the chair and further plans were made for our coming Specialty Show next September.

We are pleased to welcome two new members to the Club, Mrs. L. Chase and Mrs. L. Gates, of Halifax and Dartmouth.

A vote of thanks was given to Mrs. Jeudwine for her tasty refreshments and kind hospitality.

Our next meeting will be held on Monday evening, March 21, at the home of Mr. and Mrs. H. Flanagan, Brooklin, Ont.

Thought it was about time we let our friends know we are still doing business at the same old stand, as active as ever.

Our first meeting of the new year was a strictly social one at the home of our President, Mr. Al Brown. These are always fun and give everyone a chance to relax and just chat about dogs in general. Our meetings are usually held at the Broadview Y and our next meeting will be a brass tacks one to get on with the details for our next Specialty Show (see ad this issue). 1959 was a successful year for our Club and we were pleased to welcome many new members to our ranks. We are looking forward to a banner 1960.

Our members all join me in congratulating Miss Balshaw on her wonderful win at the Roosevelt. We will certainly endeavour to keep up with our notes in future, so if you have interesting doings to report please contact the writer so they may be included in the next edition.

Our regular monthly meeting was held on January 31 at the home of the Lindsays, Burlington. It was held one week earlier than usual, in order to set up final arrangements for our first All Breed Sanction Show,

being held in Waterdown (Hwy. #5) on February 6.

The meeting opened with our President, Dr. Bridgman, in the chair, and a rather small turnout of Executive members, including the Bodemers, Chatfields, Mrs. Moss, and the Lindsays.

Enquiries were read by the Secretary requesting information on joining our Club from Warren, Beeton and Elmira, Ont., and also several membership renewals were received. The Secretary read out a list of both cash and prize donors from several of our distant Club members, and also a wonderful response from practically all dog food companies.

Announcements were received and read of both the St. Catharines Kennel Club Sanction Show, February 20, with after show dinner, and Burlington Kennel Club Sanction Show of March 5, also having after show dinner.

The remainder of the meeting was spent in setting up all final arrangements for our first attempt in sponsoring an All Breed Sanction Show. Now it is all over and I am very pleased to announce, in spite of poor weather conditions, everything was much better than we anticipated. We had a good entry of 111 dogs, plenty of nice prizes, good gate receipts, good refreshments served right in the hall by The Burlington Kennel Club, and the judging was run off in good order, thanks to our judges, Mrs. Patrice Fisher, Mr. N. T. Smith, and Mr. John Marks, all being finished about 5.30 p.m. The two largest groups were Working Group with 46 dogs, and Hound Group with 24. Group winners as follows: Sporting, Mr. Roy Boug's Am. Cocker (Black) Spaniel, "Bangles". Hounds, Bay-Brow Kennels, St. Sm. Dachshund, "Firefly". Working, Mr. F. Pfeifle's German Shepherd "Rocky". Terriers, Mr. W. J. Marriott's Min. Schnauzer, "Poco". Toys, Mrs. Jessie Carr's (Sm. Coat) Chihuahua, "Debby". Non-Sporting, Mrs. Martha Stevens' Boston Terrier.

Best In Show went to Bay-Brow Kennels with a Dachshund Female, "King's Firefly".

Best Puppy In Show went to Roy Boug's Am. Cocker Spaniel, "Bangles".

We wish to thank all those who so graciously helped us in putting the show over with a bang, including Judges, Radio and TV stations, local papers and a special thanks to the members of the Burlington Kennel Club.

Doberman Club of Canada
by Mrs. John Baylis

The fifth meeting of the Club was held at the residence of Mr. and Mrs. Kleinert on December 18 and was a combination meeting and Christmas party. The guest of honor was Mrs. Phyllis Smith of the Burlington and District Kennel Club.

The bulk of the meeting was taken with Mrs. Smith talking about the Specialty Show to be held next September in conjunction with the Burlington and District Kennel Club All Breed Show. She gave us a complete breakdown on what had to be done in advance of the show and then our duties on the day of the show. Mr. Fred Oldland was appointed Show Chairman and Mrs. Kay Baylis, Show Secretary. Mr. Fred Jackson was nominated Trophy Convenor.

A discussion of classes followed and it was decided to have a Veterans' Class and "Dam and two of her Progeny" and "Sire and two of his Get" in addition to the regular classes. Following the business of the meeting, a buffet dinner was served by Mr. and Mrs. Kleinert. There was every kind of food you could imagine. Louise Boughs arrived in time to take part in the food and festivities. We wish to thank Mrs. Smith for giving so generously of her time and her good advice.

The sixth meeting was held at the home of Mr. and Mrs. Charles Cecil on January 22. This was a follow-up on the business of the previous meeting, e.g. the Specialty Show. Mr. Cecil was nominated Chief Ring Stewardfl

A letter was read which had been sent from the President of the Doberman Club in Australia to Mr. Kleinert, congratulating us on the formation of our club and telling us of activities in the Doberman world "Down Under". Mr. Kleinert was then nominated Publicity Chairman.

I'm very glad to report that we have a new member again this month, namely Mrs. Peggy Armitage. Welcome Peggy from myself and all the rest of the club members.

The last few meetings have been a wonderful success. Our membership has been turning out in full force. Keep coming out and expressing your opinions as that is what keeps a club like ours going.

Congratulations to club members Pat and Bob Savink on the birth of their son Michael Robert on January 13.

At our last meeting the judge for our big 1960 Specialty Show in June was decided upon by the members. Keep your eyes on this column for further details on this all important show. This is one you will not want to miss.

A new season will soon be upon us. Spring is just around the corner and you will all be bringing your future champions out to the first shows of the summer. I would like to take this opportunity to wish every one of you a happy and successful show season.

Always Finish With a Smile

If the other fellow crowds you when you're showing in the ring,
Don't let your pulse beat quicken 'cause he doesn't mean a thing,
If you could see his pedigree, you'd find him not well bred.
He's just a little dandruff that is trying to get ahead.

In a progressive dog club where members are always, by necessity, keenly competing, the occasional strictly social activity is important to harmony. You may bitterly disagree in canine fields but like a person's character and through friendly contact better understand others' viewpoints.

We invite all to our friendly Club dance at the Lakeshore Memorial Arena, March 12. Art Hagemans and his vigorous committee promise a jolly good time, so take a night off to join in the fun and swell the Seeing Eye Fund.

We bid farewell to winter with a busy flurry of worthy club activities: General meeting at the Austrian Club, March 6, friendly dance March 12, Obedience Graduation at Fort York Armories March 13, gala Sportsmen's Booster Show March 19, the beginning of a new, ten week Obedience Course March 20 and on March 21 Spring at last!

The director's meeting of February 3 received with regret Alex Gunn's resignation as Booster, Matinee and Special Show Superintendent. Following a brief discussion Gordon Garrett was elected to assume these important responsibilities. Gordon will now select a harmonious committee to put these shows over the top. Obedience Chairman E. Harradine reported classes at Fort York Armouries again full. Plans for our big annual Obedience Trial are nearly completed. Ed noted that last year's advertisement in *Dogs in Canada* was successful. There followed a discussion, the principal point being that advertising pays. As a result we shall place two ads to promote our new, bigger and better June 5 Trial.

Here and there: The breeders sure have a winner lined up for February 27; most of us get our Florida sunshine from oranges, not the lucky Gunns; we salute The Brantford Obedience Club whose German Shepherds swept the Burlington Trial January 30 in an eye-opening demonstration of good workers. Watch this group, they are tops!

Hamilton Kennel Club

by Miss Betty White
87 Cameron Ave., Dundas, Ont.

The monthly meeting of the Club was held at the Agricultural Hall on January 26. Two new members were welcomed into the Club. The Secretary read correspondence from the Burlington Kennel Club in which they wished to challenge a team from our Club on dog show rules. These challenge competitions should prove very interesting and educational to all dog breeders.

The Club discussed our coming Spring Show to be held at the Burlington Arena on June 25, 1960 and we are planning on a good show with a very good slate of judges.

Upon completion of the business the members were introduced to Dr. David House who gave an instructive lecture on "Reproduction in the Female Dog". The members then had a short question and answer session with the speaker.

Following this, we enjoyed refreshments served by our new Refreshment Convenor, Mrs. Geo. Lawless, who offered to relieve Mrs. Irene Culp of this job. Mrs. Culp, who had always looked after us so well, had to relinquish her position due to ill health.

The growing popularity of Canadian Obedience Trials was again in evidence at the Club's 19th trial held at the Windsor Hall in Hamilton on February 7. A total of 48 entries from as far afield as Hammond, Indianna, competed for trophies and legs under Obedience Trial judge Edward O'Brien of Canfield, Ontario. Our trophy table at this trial was outstanding, thanks to Mr. and Mrs. A. Bottrill. Art made the wooden bases for the trophies himself and the many compliments received from the contestants certaintly attest to his skill.

The Memorial Trophy, presented by our Club to the highest scoring member of the Hamilton Obedience Club whose dog has been trained in our classes, was won by Mrs. Jane Duncan of Chippawa with her Welsh Corgi "Pepi". Pepi seems destined to go far in obedience work. He is a graduate of our last training class and is already claiming trophies for his proud owner. The only dogs to qualify in the U.D. and Open classes were also trained in our classes. They are owned by Mr. Jake Giacomelli who received the only qualifying score out of an entry of three in U.D. and by Mrs. C. R. McKay who was the only one out of 13 to qualify in the Open

classes. The competition for trophies in the Novice classes was very keen with the majority of dogs receiving high qualifying scores.

At our January meeting the Club decided to become an affiliate member of the Ontario Obedience Association. Mr. Fred Oldland was appointed to represent us on the Association.

Mr. Fred Tremain showed us heavy paper clocks with movable hands and the wording "back at" on them. Mr. Tremain, who originated the idea, arranged to give these signs, with the compliments of our Club, to veterinarians in and around Hamilton.

Mr. W. Burr has been kept busy showing his Obedience Training film. He showed it at Brantford and Kitchener last month and has been invited to show it at Simcoe in February.

Mr. Howard Bowler, chairman of our Training Committee, reported at our February meeting that the Graduation of our present training class will be held on Sunday afternoon, March 20 at the Windsor Hall in Hamilton.

Our Club also appointed Mr. Howard Ward to head a committee to review our training methods. Any new ideas on training will be looked into in order to keep our training classes up to date and to keep the quality of our graduating dogs as high as possible.

Our meeting closed with Mrs. R. Moggach's usual delightful lunch. This must have taken real planning on Dorothy's part since she and Bob became the proud parents of a son in January. Congratulations!

The regular meeting was held at the home of Mr. and Mrs. John B. English of Ancaster. The auditor's report was read and showed an increase in activity in 1959, happily leaving the Club with a healthy bank balance along with numerous assets on hand.

The projects planned at the executive meet-

ing were presented to the membership and were favourably received. Some new innovations planned in these activities should prove of great interest to all Setter people.

Mrs. Allen appealed for donations for trophies for our "March Booster Show at The Canadian National Sportsmen's Show".

Our increased activity by Irish Setters in Obedience in this district was noted with great interest.

Another issue of "Paw Prints", our Club magazine, is planned tentatively for February. With a good deal of pride, mention was made of a reprint in *Dog World* of an article written by one of our Club members, Mrs. Evelyn Howe, on the Irish Setter standard. This was written originally for the 1959 issue of "Paw Prints'. *Dog World* has also requested permission to reprint several other articles carried in the last issue. We feel this speaks well for the combined efforts on the part of our Club members and in particular our editor, Mr. R. E. Allen.

Mr. Harry Dean was made an Honorary lifetime member of The Irish Setter Club of Canada, as of January 1960, in recognition of the many years he has devoted to the breeding of Irish Setters for "Field and Show". He has developed an excellent Field dog while not neglecting conformation of the breed. Mr. Dean has now retired from business and is devoting his entire time to his Setters.

Following our January meeting a most informative talk was given by Dr. Donald K. Newton D.V.M. of Ancaster. Dr. Newton spoke on parasites, their transmission and control, new developments in drugs and nutrition, giving some time to the nutrition of the orphaned puppy. This was followed by an extensive question and answer period from which all members present gained a great deal of information. Dr. Newton was thanked by our President, Mr. Ken Honsberger.

The meeting came to a close with a nice luncheon prepared by our host and hostess.

For information regarding membership in the club please contact Mrs. E. McGowan, 280 Balsam Dr., Oakville, Ont.

Kawartha Kennel Club

by Mrs. Helen Wood
Box 64, Peterborough, Ont.

The Club has elected its new officers for 1960-61. President, Tom Armitage; Vice President, George Spicer; Secretary, Helen Wood; Treasurer, Isobel Henderson; Past President, Dr. McDougall. Dr. McDougall will help all the new officers in an advisory capacity and with his experience and fund of knowledge will be an asset as some of us are rank amateurs with only the love of dogs and a willingness to learn.

George Spicer is our new Obedience Director and with a capable committee we hope to make a good showing this year.

We are pleased to announce that we held our award night and eight of our members were presented by the Club with their sterling silver spoons for finishing their dogs this year in Obedience, Field Trials and Show titles.

Our dog Show will be held October 8, in the Armouries. The list of judges will be published in *Dogs in Canada* at a later date. I sincerely hope to have more items of interest for the readers in the future.

The Lakeshore and District Kennel Club

by Mrs. Betty Treble

A group of pure-bred dog enthusiasts from the Toronto-Lakeshore Area have banded together with one aim in view, another showgiving club for the Toronto vicinity.

Two preparatory meetings have already been held prior to our first general meeting slated for Sunday, February 21, at The Lacrosse Bowl, Drummond St., Mimico. This meeting is open to prospective members and a full program has been planned to include a pot-luck lunch.

Via the "grape-vine" the local weekly paper heard of the club and contacted the chairman to find out what it was all about. In the February 3 issue a short article appeared announcing the Club's formation and stressing the point that such a club could be of great service to a community through properly conducted Obedience classes.

The London Canine Association
by John F. Harris

The regular monthly meeting of the Club was held at the Y.M.C.A., London on January 13. Word was received from our President, William Cooper, tendering his resignation. Bill has suffered a stroke and must not take an active part in anything for at least six months. All members felt very bad to hear the news and also Mrs. Cooper has been ill with pneumonia. Another member, Mrs. Eileen Trimble, was in hospital to undergo surgery. The Club is sending a plant to Mr. and Mrs. Cooper and also to Mrs. Trimble and hope all are well soon.

Our first Vice President, Alex Dickson, was named President. Our Second Vice was appointed in the person of Jack Harris and Frank Anderson was elected Second Vice-President.

The new President being absent, Jack Harris took the chair.

Three new members were present, Dr. Ken Bourns of Byron, Harold and Gwen Thomas of London.

Plans were discussed regarding our coming show to be held in Belmont, Ont.

The main highlight of the evening was a discussion on judging dogs to the standard and how judges make their choice. Dr. Bourns lead this discussion and it was very interesting.

The Montreal Gun Dog Club
by Mrs. Pamela B. Mack
6450 Cote de Liesse, Dorval, Que.

The Club is holding its first licensed Retriever Field Trial on the 21st and 22nd of May in the Hudson area, about 30 miles west of Montreal.

The Club, which has both a Retriever and a Pointer section, was formed two years ago in February, 1958 and has grown to a membership of 85 in this time. Throughout, great stress has been laid on Field Trials, and last year four Retriever and two Pointer sanction trials were held in the Montreal area. The existence of both pointing dogs and Retrievers in the same club makes it a dog Club in the true sense; to date it has 12 different breeds of sporting dogs represented in its membership.

The President of the club is Mr. Paul A. Ouimet, 58 Sunnyside Avenue, Westmount, Que., and the Secretary Mr. Douglas H. Pollock, 110 Buckingham Avenue, Pointe Claire, Que.

Several members of the club have run dogs in Licensed Trials in the Maritimes, Ontario and the U.S.A.

The Licensed Retriever Trial on the 21st and 22nd of May is the first ever Licensed Retriever Field Trial to be held in the Province of Quebec.

Moose Jaw Kennel Club
by H. M. Bidewell

Our January meeting was called to order with two minutes silence in memory of Mrs. Eileen McEachren of the Tailteann Kerry Blue Kennels. She had, on occasion, been a judge at Moose Jaw and Regina dog shows.

The meeting elected Jack Wiebe as Vice-President of the Club while Mrs. V. McIver was named as Treasurer. Veteran Club member Ernie Hill was named to the director's post vacated by Mr. Wiebe.

The elections were held due to the resignations of W. W. Riome and Mrs. E. Watterson.

A report was presented on the fine progress being experienced with the local kennel club's obedience classes being held each Sunday afternoon in the Scout Hall. The present course has an enrolment of 13.

The Armory will be the scene on Sunday afternoon of the final program of the Club's Obedience classes. It will take the form of a graduation. The eight-week long course has been under the supervision of Frank Duckworth, Regina Kennel Club instructor. Officials of the local club have been well pleased with the interest shown and it is likely other such classes will be held in the future.

The Northern Alberta Canine Association (Edmonton)
by Evelyn C. Powell
11705-123rd St., Edmonton, Alta.

February brings another busy month for the Association. Our obedience class, under Mr. Thomas Spicer assisted by Mr. Merrill Derek, Mr. Tracy McLaren, and Mr. Arvine Norgren, have a regular attendance of 22 dogs, all doing very well.

Our show dates are approved for May 20 and 21, with both bench and obedience arranged for. Mrs. Betty Branchflower, Box 4362, Edmonton is Show Secretary.

New members of our Club are Mr. and Mrs. S. Hill, from Vancouver, who bring with them a lovely Toy Poodle and Standard Poodle.

From Scotland have come Mr. and Mrs. C. A. Branchflower, bringing from Cowdenbeath three Welsh Corgi Pembroke. One dog, Coillemohr Killick and two bitches, Coillemohr Curtain Raiser and Cothelhill Lucky Dutchess. Edmonton is beginning to become conscious of these saucy little working dogs, as more are now being seen both in Shows and at Obedience here.

Our Club, under the direction of Mrs. K. W. Powell, put on an Obedience demonstration for the Scouts of All Saints, helping them to celebrate their 50th Anniversary of the First Edmonton Boy Scout Troop.

Oakville & District Kennel Club
by J. E. Hicks
281 9th Line, Oakville, Ont.

The first meeting of 1960 was held on January 19 at the Scout Hall where the new executive, after terminating a most successful 1959 season, made plans for the future.

Individual members have volunteered to arrange for the educational entertainment at our monthly meeting. The theme of the February meeting will be the "Seeing Eye Dog". Mr. Reg. Scott has arranged for Mrs. Nellie Corser of Dixie to present a talk on the subject. This will be followed by a demonstration of advanced obedience training by German Shepherd dogs.

Our 1960 executive is comprised of the following: President, Mr. Geo. Kennedy; Vice President, Mr. Art Meillinger; Secretary, Col. Drury; Treasurer, Mrs. E. McGowan; Directors. Mr. John Broeders, Mrs. Collsen, Mr. Doug Dennison, Mr. Jack Hicks, Mrs. Mansfield, Mr. Alf. Veale.

The Burlington and District Kennel Club is to be commended for organizing a quiz program on dogs. Teams of five clubs (Burlington, Hamilton, Oakville, St. Catharines and Simcoe) will participate annually at the winner's home town to compete for the "Challenge Shield" donated by the Burlington Club. We are proud to note that the Oakville team, composed of Geo. Kennedy, Col. Drury, Art Merklinger, Claude Lowell and Mrs. Thompson, won the Challenge Shield February 4 at Burlington.

The date of our annual dog show and obedience trial will be the second Saturday in September, September 10, so plan now to attend this popular show.

The Ottawa Kennel Club
by T. E. Gundersen

A well attended group were present at the monthly meeting of the Club on January 21 when many important matters were discussed and settled, all of which concerned our Sanction Show, Saturday, January 30, plus our May point show.

A welcome hand was extended to four new members, Mrs. W. Burnett, her daughter Penny (Collie breeders), Mr. M. Lavigne (Weimaraner), and Mr. Jim Reynolds of Winchester (Boston Terrier fancier).

The members present stood for two minutes silence in memory of Mr. W. G. Walters who passed away recently and Mrs. Eileen McEachren, who died so suddenly. We shall miss them very much, and we sorrow in our hearts at their passing:

"Toil is done—
Lifes weariness is o'er—
In that land that needs no sun—
He hath heard the Master's greeting—
Welcome my beloved son.

Mrs. Neil Malcolm, our President, was appointed as the representative to the Central Canada Exhibition Board. It was decided that the third Thursday of each month should be our monthly meetings, and all agreed. Mr. Dennis Hayes announced that Thursday, November 10 would be the Club's annual dinner and dance, same to be held in the Coliseum.

A beautiful film in colour and sound, loaned by The R.C.M.P., entitled "Dogs go to School" was shown to the delight of all.

Oxford County Kennel Club
by Mrs. M. Slade
Woodstock, Ont.

The 1960 activities of our association began at the Plaza Vista clubrooms in Woodstock, with 21 members attending.

The new executive who took office at this date are as follows: President, Mr. W. Malbiot; Vice President, Mr. M. Knott; Secretary, Mr. S. Burgess; Treasurer, Mrs. D. Marshall. These officers are beginning the 2nd year of a two year term.

The five directors for a one year term are: Mr. D. Marshall, Mrs. M. Slade, Mr. R. Cook, and Mr. and Mrs. T. Wallace.

The following are our new chairmen for our committees: Membership and Records, Mrs. T. Wallace; Programme, Mr. D. Marshall; News Reporter and Bulletin, Mrs. M. Slade; Obedience Training, Mr. R. Cook; Ways and Means, Mr. T. Wallace; Show Chairman, Mr. M. Knott; Auditors, Mr. H. Sholtz and Miss V. Bell.

Our club now has a membership of 40 members and is steadily growing and beginning to become known in Oxford County.

We are making our Championship Show our big project for this year.

Several of our members are now attending Stewardship classes under the auspices of the Burlington Kennel Club.

For the second year we are going to hold Obedience classes. These classes create considerable interest in our club and help dog owners in general.

The next meeting of our club will be held in the Plaza Vista on February 18. We welcome all owners of purebred dogs whether members of our club or not.

Perth County Kennel Club
by Bette Burton
Box 81, Stratford, Ont.

Hi all you nice dog people! Is everyone busy working their dogs for the spring trials and getting them in good coat and fine shape for the shows?

The Perth County Kennel Club held its January meeting on January 18. President Dr. Harry Brightwell, was in the chair, and the club discussed their forthcoming dog show. All plans are well on the way so this should be a good show.

The club also discussed a new venture, start-

The Poodle Advancement Association

by Charles Kiel
R.R. #3, Newmarket, Ont.

The Association held its annual general meeting on January 17. The new executive to take office is as follows: President, Mr. T. Joel; 1st Vice-President, Mr. E. Greutzner; 2nd Vice-President, a tie vote, new ballot to be taken and results to be published later; Secretary, Mr. C. Kiel; Treasurer, Mrs. D. T. Weir.

Due to the fact that the proposed date for the Specialty Show could not be confirmed for the 16th of March, a new show date will be announced later.

Of particular interest to the club members and all breeders of purebred dogs was the Educational Evening sponsored by the PAA and held at the S.S. Illustrious Hall, Weston. The guest speaker was the renowned geneticist, Dr. L. Butler, associate professor at the University of Toronto. His subject was "General Genetics". It was a truly rewarding evening.

Dr. W. Shute will be the guest speaker February 17 and his subject will cover "Dogs in Action" and the "Anatomy of a Dog".

The Progressive Kennel Club Inc.

by Gertrude W. Drew

This is going to be a busy year for this club. We have commitments for two point shows, two sanction shows and a possible puppy match.

This is a kingsized program for one year, one that will require the ultimate cooperation and effort to put it over successfully.

I am sure it is with a great deal of pride and satisfaction that Clarence and Martha Stevens look on their 20 years of unceasing effort and unfailing interest and work which they have enjoyed as co-founders of this club to the present day when the name of the progressive Kennel Club ranks among the top show giving clubs in Canada.

Mr. and Mrs. Stevens have contributed a great deal to dog shows and dog clubs, especially those clubs with whom they have been associated and in particular The Progressive Kennel Club. In the dog world, with its ever changing personnel, the Stevens are veritable landmarks. In their heyday they took in shows in the United States where they exhibited their Boston Terriers. To date they have made 40 champions.

The February meeting was well attended and a great deal of work was done. The Show Secretary reported that everything was in order for our Valentine sanction show on Sunday afternoon, February 14. This show promises to be quite an event.

There will be a program of educational films

The three males are a Red with white markings, Sable with white markings and a Tri-colour. The female is a Black and Tan.

These are the standard colours established by the English Corgi League; this result in one litter is most unusual.

The conformation of this litter is typical to show type and breeding. All have been placed to those who will show and breed.

The Grandparents are of
KAYDON'S • LEE'S SYMPHONY • DALMALLY
HAPPY TALK TAFFY'S HAPPY

Starting with the Dominion Collie and Sheltie Breeders Association Group III Specialty these Corgis will appear on the benches across Canada, the United States and Bermuda.

We of Dalmally with all sincerity are showing our Corgis with a compliment paid to us by this mating conforming with the Corgi League, England and the Corgi Club of America.

We have planned to the Black and Tan mating to Mackson's Best Man at a future date. This is in keeping with our policy to be mindful of the bloodlines of Mackson Kennels and Dalmally that complement each other.

at the March meeting. Mr. Roy Dewsbury has kindly consented to bring his projector and suitable films for the occasion.

Social convenor, Mrs. Maude Symons, reported that she had been able to procure Pellers Banquet Hall for the evening of February 26 for our annual banquet. Members are permitted to bring guests if they wish.

The standing resolution regarding specialty and booster show bonuses was adapted for 1960. The club will continue to pay one dollar per dog for entries of 25 or over.

We were sorry to hear of the illness of Mrs. Alva McColl who was stricken while judging at Boston. Word at this time is that she is somewhat improved.

Mrs. Susie-Mae Wier is attending the Westminster show.

An old member of this club, Mrs. Geo. Potts has been seriously ill in the hospital. She is home now and is much improved.

The dog fancy has lost a valuable member in the person of Mr. Roy Black of Barrie who passed away suddenly February 2. To Mrs. Black and family we extend our sincere sympathy. Mr. Black was a good friend of this club.

The Provincial Irish Setter Club
by Gertrude W. Drew

Although this has been a mild winter it has been a difficult one for our dogs. Exercise this winter has been limited and of course the dogs get restless and sometimes sluggish.

The icy yards and runs provoke many a problem, especially with feet. Ice burns on the feet can be and usually are painful and sore. If you are not familiar with ice burns you may mistake the trouble for a type of eczema.

The old adage, "An ounce of prevention is worth a pound of cure" was never more fitting than in cases of this kind. To prevent ice burns, dip your dog's feet in a warm mixture of tallow and a small proportion of lanoline before putting your dog out. It will cool and harden almost immediately and form a protective covering over the pads and between the toes. If however the feet do become exposed to the point of peeling and bleeding, sponge with witch-hazel and then rub in any good healing ointment. Bandage if necessary to keep dog from licking and keep him off his feet as much as possible.

I have a clipping from a local paper sent to me by a friend who resides in Iriquois, and which concerns one of our members, Mrs. Gilda Banyai. It seems after Mrs. Banyai's return from a visit to her native Austria she was interviewed by a reporter from the DAILY STANDARD. I think part of it is worth repeating and I quote: Mrs. Banyai has little use for newcomers who complain and disparage their new home. She thinks they should accept the differences with good grace and appreciate this country's advantages or else go back home.

"Enthusiastic promoters of this district the Banyais see no reason for seeking greener pastures.

"In speaking of her prize winning setters Mrs. Banyai hopes some day to have adequate space for kennels and runways to go into the dog raising business. At present it is a small hobby."

Our January meeting fell on a stormy night and some of the more distant members would not risk driving in the blinding snowstorm and of course were absent. We had a good gathering nevertheless and the large accumulation of business soon diminished.

The two shows chosen to receive prizes for the Irish Setter breed for 1960 are The Hamilton Kennel Club and The Progressive Kennel Club. The latter was chosen for the second year on account of a booster show being put on in conjunction with that club. Particulars regarding the booster show will appear later in this column.

The possibility of holding bridges and euchres for the purpose of raising money for club incidentals was discussed fully. Mrs. Dorita Carter is in charge of this project.

Crests will be available at the next meeting. We are rather pleased that there had been a delay in getting these made as Mr. Al Lake was fortunate in getting them done with another firm at a greatly reduced price.

Word has been received from the Pritchetts, who are now settled in Cranham, Essex, Eng. They plan to take in the major shows so we should have some first hand news on English dogs and shows.

Mr. Mart Kenney Jr. of Commox, B.C. is visiting his parents while on a trip east for medical treatment for a rare sinus condition. He is returning soon and taking with him his old love, Ch. Inniscara Katherine Torrie.

Miss Beverley Brennon, whose marriage takes place February 6, will be making her new home in Montreal. She plans to remain a member of the Club but we will certainly miss her at the meetings.

A request for information on ears and feet came in from one of our members and although we had planned to have a film shown at this meeting we switched our program to oblige said member.

The writer took on the job of giving an informative talk on feet and a lecture on the care of ears. Mrs. Dorita Carter brought her dog along and he was used to demonstrate certain points. Setter ears, like all other ears that hang closely over the ear opening, are always a source of worry and only regular checking for moisture, dirt, parasites etc. will prevent ear trouble.

The films will be shown at the next meeting.

Memberships have been coming in good since Xmas. The following new members have been accepted into the club; Mr. Oliver Weicker, Mr. M. Roncale and Pete and Eileen Jones.

For information on club activities and membership, please contact Mrs. Mary Lake, 200 Maple Leaf Drive, Toronto, 15. Tel. Ch. 1-3709.

The Regina Kennel and Obedience Club
by Alice Lalonde
829 Dewdney Ave. East, Regina, Sask.

The Club left 1959 with a bang-up Christmas party on December 3 at the Blind Club Rooms. Everyone exchanged a small gift and ended the evening with a hearty turkey supper, served by the social committee. One nicely cooked turkey was left over so we had a Chinese raffle for it. Mrs. Helen Allen was the lucky winner. A great deal of fun was had by all.

On December 12 the members brought their children to a Christmas party for the kids. Santa presented each child with a gift and later, among the paper and toys, they enjoyed chocolate milk, dixie cups and cookies. This was our first attempt at something for the children but we found it proved very favourable.

The new executive, consisting of Dave Dean, President; Rudy Wuttke, Vice-President; Elise Duckworth, 2nd Vice-President; Alice Lalonde, Secretary; Nellie Pawson, Treasurer; Wayne Nagy, Frank Duckworth and Merle Roome, Directors, took over at the January meeting and something new was brought up by the Program Committee — "Live a Dog's Life", played on the basis of live a borrowed life. Merle Roome lived the life of a Samoyed and it proved to be quite interesting. Also, a puzzle contest was started and each member received a whelping chart. Any member not at the January meeting better come out if they want in on any of this free literature or a try for the big prize in the puzzle contest.

Marge Van Buskirk served a delightful lunch and started the "Jack Pot Kitty". If you have a dime in this kitty you better be at the next meeting or you might miss out on the pot of silver. If a winner is not present the cash will be carried over to the next meeting

A beginner's Obedience Class starts January 17 with Dave Dean and Nellie Pawson instructing.

We also have three C.D. and one C.D.X. dogs.

Final arrangements are being made by Vern Jackson's Obedience Committee regarding our third and fourth Obedience Trial being held in May of this year.

Art Henry, our local Humane Inspector, was elected Field Chairman. We are hoping to hear from local Field clubs who are interested in running trials as our Club is interested in this sport and would like to help or be of some service to these groups.

Mr. Frank Gay of St. Davids gave a talk on handling dogs in the show ring, followed by a lively discussion after which coffee and doughnuts were served.

Scottish Terrier Club of Canada
by Mrs. Harry Fraser
971 Winnington Ave., Ottawa, Ont.

Our annual meting was held at the home of Mr. and Mrs. Harry Fraser to consider the past year's business and presentation of the officers submitted by the election commissioner, Mr. Ted Gundersen.

The following were elected: President, Mr. Fred Fraser; First Vice President, Mr. Steve Titus; Second Vice President, Mr. John Treleaven; Secretary, Mrs. T. Gemmell; Treasurer, Mr. B. F. Stoughton; Directors, Miss Irene Ball, Miss Patricia Greene, Mrs. H. Loughran, Mrs. E. Picton, Miss Betty Stothers.

The various reports were reviewed covering our 1959 show and the Treasurer reported a very substantial bank balance.

All members stood for a minute's silence in memory of Mrs. Eileen McEachren, who had supported our show so loyally since its inception. We shall miss her very much and her passing was a great shock to our Club.

A lengthy discussion took place concerning our 1960 show, and after much thought, it was decided to forgo our show for this year. It was not an easy task to reach this conclusion, but it was found that so much sickness prevailed amongst the officers and families that it was a physical impossibility to attempt to conduct a show this year. Early in 1961 our plans will get underway for another terrier show for 1961.

Please note all meetings are held on the second Wednesday of each month at 8.30 in the Hotel Selby. Our annual banquet was held at the Hotel Selby on October 30 with a good attendance.

A vote of thanks to Mrs. Maude Symons, our Social Convenor for 1959, for her splendid work and arrangement of novelties for our banquet assisted by Mr. James McIntosh, which was enjoyed by all. Mr. Walter Brown, President of the Canadian Kennel Club, Alva McColl, Vice-President and J. MacCallum, Director, were present. Mr. Brown was asked by Mr. Alfred Symons to present the Memorial Trophy. The winner was a silver Toy Poodle, Ch. Tyldesley Tinki Pu, owned, bred and shown by Mrs. D. T. Weir on June 6, 1959 at our Specialty Toy Show held in conjunction with the Progressive Kennel Club of Canada, for placing highest in the Toy Group and bred, owned and shown by a member in good standing. Mrs. Weir, who was showing in Bermuda, was unable to attend so her daughter received the trophy on her mother's behalf, as well as a replica of the shield as the Memorial Trophy is up for competition

Our Specialty Toy Show held in conjunction with the Burlington Show on September 26 was a great success and we thank Mrs. Weir

for giving her time and effort in judging our show.

Our annual meeting and election of officers for 1960 were held at the Hotel Selby on November 11, with the following results: President, Mr. R. T. Lawrence; 1st Vice President, Mr. Alfred Symons; 2nd Vice President, Mrs. Clare Smith; Social Convenor, Mrs. Dorie Lawrence; Publicity, Mrs. De Forest Simmons; Auditors, Mr. Andrew McBroom and Mr. Victor Caperchione; Secretary, Mrs. Margaret Sheahan; Trophy Secretary, Marguerite Thomas; Show Secretary, Mrs. Yan Paul; Treasurer, Mr. Victor Caperchione; Chairman of Membership Board, Mrs. Yan Paul assisted by Marguerite Thomas and Mrs. Dorie Lawrence.

Our December meeting on the 9th had our new President in the chair. Most of the business was devoted to our Specialty Show to be held in conjunction with the Sportsmen's Show. Our Trophy Secretary has been busy arranging our premium list for our show and Marguerite Thomas would like all trophies and donations mailed direct to her at 15 Belgravia Ave., Toronto 10.

Mrs. Dorie Lawrence, our Social Convenor, reported Mr. James McIntosh is still on the sick list and only slightly improved. Mrs. Weir has been ill with the flu as well as the writer of this column. The Club wishes everyone a speedy recovery as well as best wishes to Mr. Andrew McBroom and Mr. Harvey Allen who had previously been hospitalized.

Our January meeting, held on the 13th, convened at the Hotel Selby with a very poor attendance due to bad weather. Social Convenor Mrs. Lawrence reported Mrs. James McIntosh ill with the flu and also Mrs. Margaret Sheahan recovering from a bad cold. Mrs. Sheahan reported she has another new breed, one female (Smooth) Coat Chihuahua and she has also imported a male Pekingese from Ireland.

The Toy Dog Breeders' Association is so shocked to hear of the sudden death of Mrs. Eileen McEachren and extend heartfelt sympathy to her family.

The "200" Club
by Laura McNally
62-4th Ave. S., Roxboro, P.Q.

The stewards and trainers courses are well underway. Feeling that anyone interested enough to show in obedience should make the effort to realize the many varied duties of a steward, the "Stewards' course" is being offered in the form of 10 minute lectures at the regular practices to all members present. People who never before evidenced any inclination to take active part in the "putting on" end of a trial are now keen and anxious to run "our own trial". However, that is for the future.

At present, the trainers-to-be number five. All are progressing steadily and show some promise of developing into top-flight instructors. We certainly hope so anyway, as up to date the entire instruction of the "200" has fallen on the shoulders of Training Director McNally. With the rapid expansion of the club there is an urgent need for the additional trainers.

Considerable publicity was given in the local papers to an "epidemic" of the dread hard-pad on the Island. Although we have only heard of a few possible cases in all, the necessary precaution was taken of suspending activities for a few weeks. With this unexpected breather we expect the members to resume training with renewed vigour.

In the offing is the first of the inter-club competitions, organized by the Montreal Dog Obedience Training Club. We all look forward to our club's participation in these events and welcome the opportunity to meet old friends and new.

fellow do it. Everything is a club effort. On the slate for January was their election of officers, puppy match, annual dinner and dance.

The new slate of officers was voted in January 21, Mr. Alex Campbell as president with an unanimous vote. We are all happy to see Mr. Campbell back in office after some years' absence. We feel sure with him as our president the Club will surge ahead. Mr. H. Salmon was elected 1st Vice-President for the second year, and Mr. R. Watkins as 2nd Vice-President. Mrs. R. Watkins as Club Secretary with Mrs. Elsie Murray to retain the Show Secretary position. Mr. B. Pearman was re-elected as Treasurer. Various work committees were formed and everyone seems eager to get going on their projects.

The annual winter puppy match, which was held January 17, was a huge success. There were 22 pups out and over 100 spectators. The judge, Mr. Jack Kingston, did a tremendous job, as the pups were all of a high quality. Taking best in match was a young male belonging to Mrs. H. R. Cauldwell, "Wo-Kan-Da's" Triumph (T.R. for short) at 11 months. We are sure this promising young pup will go far in the show ring. Best opposite went to three month old "Pepper-ett" in her first show. She is owned by Mrs. Young. Refreshments were served at the end of the show, and everyone seemed to agree that it was a lovely afternoon.

The trophies of the year were presented at the annual dinner and dance January 30. The presentation was made by our B.C. representative of the C.K.C. Mr. J. Irving. These two awards are offered each year by the Club, one to the B.C. Boxer who does the most winning in the show ring and one to the top B.C. Obedience Boxer. The show trophy was won for the second consecutive year by "Ch. Kargotor's Emberglow of Blaze", owned by Barbara and Doug Pearman, who purchased her from Mrs. H. Bishop earlier this year. "Diana" was shown only 15 times and was never out of the winners circle. We feel it is a very outstanding dog who can win this trophy twice in a row. Runners up for this trophy were Mrs. H. Bishop's "CH. Vic's Winsome of Kingsway", Mr. Thompson's "Blazes Sure Fire of Kargotor" and Mrs. H. Cauldwell's "Marvellour of Kargotor".

Competition for the obedience trophy was very keen this year, with honors going to Mr. L. Shortreed's young dog "Kay's Tar Baby" still under a year of age and in only seven trials he completed both his C.D. and C.D.X. We believe this to be a record. He was trained at the club's all Boxer classes, believed to be the only one of its kind in Canada. It can also boast the only Boxer team for competition on the West coast. A great deal of the credit goes to the Club trainer, Mr. Ken Dobbin. Runners up for this trophy were Mr. Doug. Pearman's "Zana" and Mr. T. Pritchard's dog "Mike's Golden Boy".

In all, the dinner and dance was a large success with the hall bursting at the seams. The floor show was provided by local talent and was well received. The night ended on a note of everyone asking when the next dance would be.

It's a Dog's Life

When we got our German Shepherd, Lark's Baron of Kingscroft, he was a five-month-old kennel pup who had never known the comfort of living in a house. Naturally we tried to make him feel as "at home" as possible. One night, a week after we had gotten him, we made a bed in the kitchen of a nice shag rug. Baron laid down for a second, then got up and raced through the house into the livingroom. There he snatched a pillow from one of the chairs, tore back to the kitchen and dropped it on his bed. He then laid down and put his head on it.

He wasn't used to luxury, yet he had to have a pillow on his bed!

St. Petersburg, Fla. police were handicapped in locating escaped convicts Elmer Duke and Daniel McKenzie. Reason: they had taken the prison Bloodhound with them when they made their getaway.

A German Shepherd owner was taken to court by his neighbour who insisted he had ordered his dog to attack her.

In defence the man stated, "Your Honour, I didn't say 'Seize her!' I merely said 'Caesar!' Do you see, sir?"

The judge smiled "O, cease, sir!"

BLANKET COVERAGE

by Louise Rucks

It had the kind of cold that creeps into bones and I was grumpy at dinner.

"Why are you so hostile tonight?" asked Peg.

"Must be a dog sick," said Father.

"Not yet," said I, "but they are going to be in the kennel. The cold just oozes out of that concrete floor. Those crazy dogs just stand out in the wet. If I shut them all in I'm afraid they will suffocate. I wish I could bring them all in."

"In *here*?" asked Father.

"Yes in here. Mrs. So-and-So does on a night like this. She says the kennel dogs all find a place and are good as gold."

"Where," asked Father, "is Mr. So-and-So?"

I had to admit that Mr. So-and-So had departed. "Exactly," said Father. "Let that be a lesson to you."

It was and is. But one time when the census was down and Father was away — on the same sort of night — Peg and I did bring the dogs in from the kennel. We carried them all to keep them out of the snow. We made beds out of boxes and quilts and stacked the ones that got along in rooms that had gates across the doorways. We were so exhausted by the time we got through that if the house had burned I don't think either one of us would have waked up enough to jump out a window. Anyway I slept better than on any other cold night since we have had a kennel.

The next morning I awoke feeling almost hot, and grateful that the cold had broken.

What I saw was on my bed and it was a living blanket. No wonder I thought the cold had broken. Every animal we owned in the world (and even then Father said we had so many he ought to have his head examined for allowing such a thing) . . . everyone was on my bed and each matriarch had her own social circle with a small space between her and her offspring, or favorite pet friend, and another matriarch. Somehow the young kennel dogs had wiggled the gates open and they were snuggled up close to their dams. Puff was the only one awake and she was washing her kitten. Old Cookie, the mongrel, had the fine Persian, with impressive pedigree, close to her.

The strange part about this animal blanket, the really strange part was that the day before the cats had had an awful fight and two of the dogs now sleeping so peacefully together had tried to kill each other. It was, to say the least, an interesting study in animal behavior.

I looked, and then Peg and I both started laughing. "Come on kids," I said, "up and out. Father will be home on an early train."

New Gaines Meal has the flavor of *(oh boy!)* real beef!

New Gaines is the result of continuous scientific feeding studies at the famous Gaines Research Kennels. New crunchy nuggets supply better-than-beef nourishment, and have the real beef taste and aroma dogs like best.

New Gaines is a cooked meal—contains an homogenized balance of the vitamins, minerals and proteins dogs are known to need for complete nourishment. You'll know it's a complete nutrition formula by the list of *guaranteed ingredients* on the package.

New Gaines is economical—5 lbs. contain all the food value of 15 lbs. of canned dog food.

Feed your dogs New Gaines for 30 days, and then see living proof of its benefits in their glossy coats, keen senses and fine condition!
