COVER STORY

Our cover story centres 'round the Papillon puppy Joujou de la Rouge. Taken to her first show at six months of age, at the Hoosier Kennel Club Show in Indianapolis, Joujou was awarded Winners Bitch for three points and Best of Breed (Judge, George Beckett). Two weeks later,. at the International Kennel Club of Chicago Show, the Papillon Club of America held its annual Specialty, and here Joujou again took Winners Bitch, with eleven bitches in competition, for five points (total breed entry, 24; Judge, Percy Roberts).

Photographed here at not quite seven months, she is shown with her sire, Hipi of Milton, a recent Belgian import to this Kennel. Her dam is Printemps de la Rouge, who in turn is a daughter of Am. & Can. Ch. Choupette (by Mrs. Ionson's Ch. Kerberas Ideal).

Kennels of the Rouge have worked to maintain a high standard of quality ever since the acquisition of their first Papillon, Am. & Can. Ch. Alma, a Group winner imported from Belgium in 1952 as a puppy. From her successor, Ch. Choupette, twice a Group winner in the U.S., stems the greater part of the current Rouge stock, Joujou is the second generation of Rouge breeding. Owned jointly by Mrs. Daniell-Jenkins and Clifford Clark, Joujou lives with Clifford along with her mother "Printy" whom Clifford now owns, and a Bullmastiff and Clifford's family.

Kennels of the Rouge also feature Bullmastiffs and West Highland White Terriers. The kennels are situated on #2 Highway, one mile east of the Lansing Cloverleaf of 401 and 17 miles east of Toronto. Enquiries to Atlantic 2-7934 or to Mrs. Mary Hart, Markham 50J1. ■

MEMO FROM THE EDITOR

IT HAS ALWAYS been our considered opinion that editorial matter in any publication appears only after very careful veting by its editor. Consequently, the words that finally appear in print on the editorial page(s) do so with the concurrence of the editor; also, that readers may assume that the opinions expressed are held by the publishers.

We are now convinced that we have been naive in our thinking, for surely the editorial staff of a newspaper as experienced as the Toronto Daily Star, with all the information at its disposal on the subject of dogs, cannot seriously confirm the opinions expressed in the article which appeared in its editorial columns on April 14, 1960 under the heading "A Memo to Dog Lovers" and reprinted below.

The other night we got to thinking about the fate of dogs in our complex, urban, small-apartment, keep-up-with-the-Joneses society. It stemmed from a news item about a prize dachshund, owned by a woman in London, Ont., which was "dognapped" by some Chicago types who make their living that way.

The item, we soon realized, was merely a fragment of a broader, more disturbing picture, supplied by the authoritative London **Economist.**

Dogs, we are told, have become a big business as well as a pleasure. Their number has been declining as their pedigree has been rising, and, perhaps along with a car and a dishwasher, they have become a status symbol for the middle and upper classes.

What most people nowadays like in their dogs, it seems, is what is being dictated by the dog shows, of which Britain has some 3,500 a year under the Kennel club alone. Thus, when the miniature poodles rise to the top in the dogs' Gallup poll, although they were only 47th in popularity before the war, it is not only because they please the madam's taste, and fit well into a small apartment, but also because they have become the darlings of dog shows.

So far, so good. What is not good, The Economist points out, is that the dog show business "puts a premium on the breeds of physically perfect dogs in a way that can, and often does, virtually destroy the animal's real character. Terriers were the first dogs which, in the interest of show-points, had their lively intelligence bred out of them; over the years these bright and energetic dogs became smaller, prettier and more delicate until they were little more than drawing-room showpieces.

"Bulldogs, originally fighting dogs but now more often asthmatic waddlers, have suffered the same fate."

Thus, however much we sympathize with the victim of "dognappers," we find ourself rebelling against all this blue-ribbon stuff. What about the mongrels which no self-respecting family will keep in its apartment—especially when the neighbor has a Welsh corgi? Boys, we find, are better human beings when they have a dog. Will the day come when no father will dare to get his son a canine without a pedigree?

As owners of a mutt, whose parentage is visibly mixed, we object. The mutt loves us. He barks to warn us a stranger is at the door. He is obviously happy when we are, and dejected when we are in an evil mood. In short, he is loyal, lovable and decidedly unpedigreed. And we wouldn't trade him for the prettiest toy poodle with a dozen ribbons to prove its purity.

If this be rebellion, it is in a good cause. It is against conformism. And it's decidedly for mutts, which have no pedigree, but relish a good, clean fight.

The London "Economist" has singled out the "Terrier" as an example of how characteristics of a dog have been bred out, characteristics the lack of which he deplores; which Terrier? and what characteristics? There are presently 23 different breeds belonging to the Terrier Group as recognized by The Canadian Kennel Club. Not all are "small" dogs; would our friend consider an Airedale, a Kerry Blue or a Bull Terrier lacking in size? We assume the London "Economist" is referring to the Fox Terrier, Wire and Smooth, and would be interested in knowing the authority to support their statement. On this Continent, at least, statistics show them to be very much in error. Fox Terriers were popular long before 1907, the year when Westminster first chose a best in show—a Smooth Fox Terrier. The same Fox Terrier won the shows in 1908 and 1909 and the honour went to another one in 1910. The Wire coated variety of the breed picked up the BIS title in 1915, '17 and '20. From that period until today, authorities on the breed tell us they have found no material difference in the temperament of the breed and nothing in its appearance that would indicate decadence. Arthur Frederick Jones, editor of the "authoritative" American Kennel Gazette, has stated that the real reason why the Wire Fox Terriers and other wire-coated terriers are not as popular today as they were before World War II is because such terriers are not at all smart looking when not plucked and trimmed by experts and that today the experts in that line are a diminishing race.

Bulldogs were originally bred for fighting and bull-baiting, a cruel and vicious sport which is fortunately today illegal. We doubt whether any true dog lover would like us to regress so that the Bulldog could be again used for its original purpose. When this "sport" was outlawed in England in 1835, devotees of the breed, who felt a deep disappointment at the passing of so fine a breed, set themselves the task of preserving it, retaining the dog's splendid qualities and eliminating the savage characteristics. To the uninitiated, he may "waddle" but the Bulldog you'll see at shows must have an unrestrained, free and vigorous walk. To know this breed is to love him for his kind, resolute and courageous nature.

Another bit of arrant nonsense we hasten to dispel is the statement that "the darlings of dog shows . . . . rise to the top in the dog's Gallup poll" citing the Miniature Poodle as an example. In 1959, German Shepherd entries led the field with 1,271. By contrast Miniature Poodle

WHO WANTS TO CHANGE STANDARDS?

. . . I have been, if not a rabid follower, at least an avid reader of the Old Timer's articles. I don't always agree with his theses but in the March issue I must thoroughly disagree. I am inclined to think his pipe has been burned at both ends.

Being a member of a breed club which is very interested in size, along with the other thousand-or-so traits and physical characteristics of a given breed, it might almost be presumed that the Old Timer was sitting in at our last meeting. It was moved and passed (not unanimously) that all breeders, exhibitors and owners of five years standing should be polled and asked the following question — from memory:

"Do you think that the *penalty* for oversize in our breed should read, instead of *disqualification*, severe *fault?*"

There have been so many over- and undersized dogs and bitches who have more in the way to offer the breed in the other 999 traits that it was our thinking that this should be an adoption in all breed standards which have a height disqualification and should be so authorized by the CKC.

Item in argument for the change from disqualification:

1. We depend on a judge to assess the other 999 plus traits of a breed: why limit his eye with one measurement. If, say, 24 inches is the Standard over which disqualification occurs, then 24.0000000674 inches is disqualified. Where is the measurer we will depend on to give us this close a measurement?

2. A judge's eye is much more able to assess the over-all balance of a dog than is an IBM machine through which we could no doubt push our animals in 1980 and do away with judges entirely.

3. It has been fairly fully documented that the oversize gene is a recessive which will be bred out eventually so that in the

meantime a disqualification penalty seems too severe.

So, dear Old Timer, why not work through a good breed club to put your usually very reliable points across?

WAR ON HIP DYSYLASIA

. . . The following item was received from the overseas secretary of The Samoyed Association of Great Britain, Mrs. T. McElnea-Westwood:

"The following resolution was unanimously approved by the meeting and supported by Mrs. D. L. Perry, largest breeder and president of the association, on March 12, 1960: All breeding stock should be immediately x-rayed and no dogs or bitches showing the slightest evidence of hip dysplasia will be used for breeding purposes. A list of breeders who are prepared to consider soundness, longevity and happy lives of the dogs which they sell, by guaranteeing all breeding stock to have been X-rayed, will be circulated to all members and prospective buyers in England and overseas. It is now up to all to follow the example of the Samoyed Association and if all clubs and organizations concerned with the welfare of Samoyeds respond to this lead, there will be happier times ahead for the Samoyed breed."

BOXER AWARDS

. . . have just received the April issue of *Dogs* and wish to thank you for including the Atlantic Boxer Awards. There has now been offered a trophy for Best of Opposite Sex to Best of Breed.

In the March issue the Boxer Club of Canada awards were announced but the winner of the Boxer Bitch of the Year for Canada was not stated . . . Being a Boxer breeder these awards are of great interest to me.

Re "Maritimers going to Ontario," it is indeed gratifying to see a reversal of the usual procedure. There are many well-qualified persons in these provinces but it seems that the feeling from long standing has been that Maritimers know little if anything about anything. For those who have come any distance to our shows it has been quite an eye-opener for them to find there are some very fine dogs, breeders and handlers here and that there are no easy shortcuts to championships with inferior animals as many people have been led to believe.

Dogs benefit *more* from high-quality foods

Breeders and owners know the importance of high-quality foods and their relation to a dog's health. In hundreds of systematic tests conducted in Dr. Ballard's Kennels and in private homes, the majority of dogs showed a preference for Dr. Ballard's Dog Food.

Dr. Ballard's provides complete, balanced nourishment

Dogs benefit more from Dr. Ballard's because every can contains *scientifically-balanced* nutrition—*all* the known nutrients they need to keep them in peak condition every active minute of the day. Dr. Ballard's animal nutrition specialists precisely control the proteins, vitamins, minerals and carbohydrates to assure the correct nutritional balance and constant, uniform quality.

Dogs love variety in their meals

It's a good idea to alternate dry dog meal with wet foods. For variety, feed Dr. Ballard's new Burgerbits. It provides *twice* the nourishment of prime beef hamburger—at half the price. Easy to prepare, Burgerbits mixes instantly with water, milk or soup.

LITTER GUARANTEED?

. . . I would like to hear from other breeders re stud service terms. I have always had the idea that stud services are paid either in cash at mating or for pick of litter, according to the breeder.

Recently I was asked if we guarantee a litter when the bitch is bred. I said we cannot guarantee a litter but in case of failure the owner of the bitch gets another service.

I would like to know this: does, or can, any breeder be sure enough to guarantee the bitch to be in whelp? We do the best we can, we feed our dogs to produce and we seldom have a bred bitch that doesn't produce at least one pup. . . .

HEY-YOU KENNELS, REG'D.
Waterford,
R.R. 2, Ont.

ALTERED PETS AND PRICES

. . . Breeders are to blame for pet quality bitches being sold unspayed, but it's not only bitches. How many pet quality dogs have been used for stud? It's so simple to have a dog altered, yet so few are done.

Setting high prices is not the answer to the betterment of breeds. Those who pay high prices feel they must have something good — which is not always the case. The answer, I feel, is to sell spayed or altered pet stock at a reasonable price. A number of people would prefer to own a pedigreed dog but cannot afford it so buy a mongrel. I have heard people say: "This bitch cost me so much I must get my money out of her."

The dog is still man's best friend, not a money making machine.

MRS. B. D. LAMB.
Arnprior, Ont.

Show or pet — it still costs money to raise a purebred. Prices for altered pet stock should naturally be lower than show material, but the prices for purebred dogs should still command respect.—Ed.

PUREBREDS IN SHOPS

. . . A friendly reply to A. J. Duncan (*Dogs, March*, 1960) . . . Breeder to blame? What do you term breeder? In my opinion he has spent years in trying to perfect the breed, paying the highest possible price for top bitches as foundation stock. These people do not take their puppies to pet shops. . . . We have many back-alley so-called breeders, or those who have had one litter and consider themselves breeders . . . We could make a small fortune running a puppy factory — but what satisfaction?

If pet shops were prohibited from selling purebred dogs these so-called breeders would have one litter and one only. If they could not unload puppies for any price it would stop any future breeding by them.

About the sale of a bitch *not to be bred* . . . The breeder should see that the puppy is returned to be spayed or forms obtained from the CKC stating she will not be bred. Breeders are not tyrants, and when a person does not wish the puppy spayed but promises faithfully and even signs not to breed her, what can one do when they nevertheless breed the bitch, fail to register the pups and put them in a pet shop — and then tell everyone the dam is from your kennel!

We have had puppies brought to our kennel, purchased from a pet shop, in the most disgraceful condition . . . You were right when you said the pet shop owner does not know a good one from a bad . . . they are just interested in the money, and care less about what sort of home the puppy is going to. The conscientious breeder does. I intend to keep right on trying here and hope others will in other cities and towns.

WESTIE FOR WHITEHORSE

. . . I am interested in buying a West Highland White Terrier. I have no idea where to buy one, other than a pet shop and buying a dog this way does not appeal to me. When I purchase the dog I will have no idea what he will be like until he arrives in Whitehorse . . .

Would you please send me a list of breeders of West Highland White Terriers? Also a copy of *Dogs in Canada* and subscription rates.

THE OLD TIMER

"You ask me how a small club can outdraw a large show for entries?" asked the Old Timer. "Just listen."

The Old Timer was thumbing through back copies of *Dogs in Canada* when I opened the door of his tack room. He looked up as I walked in.

"This is interesting", he said and handed me the copy he had been looking at.

It was open at the page giving the rating of all shows in Canada during 1959.

"Sure it's interesting", I said, "but what is the special significance."

"Notice the club that's at the top?" he asked. I took a look and, while it was not the biggest club in Canada, it was a club that had established a reputation for trying to please exhibitors. Its entry in 1959 had jumped by about 50 dogs over the 1958 entry, almost a direct reversal of the trend in the majority of other Canadian shows. Most of these had dropped.

"Doesn't that seem a little peculiar to you", said the Old Timer, "that this Club located in a comparatively small community should draw a larger entry than the clubs based in big cities? Have you any idea of the answer?"

I had to admit that I hadn't.

"I think I can show you something interesting," said the Old Timer, as he began leafing through an accumulation of old premium lists. He finally came up with the premium list for this particular show but, before handing it to me, he pulled his pipe out of his pocket, reamed out an accumulation of carbon, ran a cleaner through the stem and then packed it carefully. He pulled out his old armchair, got the pipe drawing smoothly and then handed me the premium lists.

"Count the judges", he said. I did and there were eleven of them.

"Now take a look at the names and see how many of them have been regulars in the judging ring."

Only one of the names meant anything to me.

"Now take a look at the assignments of the various judges", the Old Timer said.

I did and the majority of the judges had only three of four breeds. Only two of them were judging breeds in more than one group.

"Say this is interesting", I commented, "but again, what is the significance?"

The Old Timer relit his pipe. He tipped the old fedora onto the back of his head and leaned back in the armchair.

"Seems to me this proves a point I have been trying to make for years", he said, "and perhaps there'll be a lesson for other clubs in the success of this show."

"O.K." I said, "what's the point and what's the lesson?"

"Simply this", said the Old Timer, "that I think the Canadian exhibitor is getting fed up to the teeth with the same old faces in the judging ring, show after show. I think particularly, they are getting fed up with the so-called all-rounder who, realizing they are members of a pretty select group, feel they have to go through the motions only to justify their assignment."

"Now, I've taken a good look at the panel for that show and I don't think there is one judge in the outfit who could be classed as a professional. The majority of them are people who know a few breeds and know them well. The exhibitors in those breeds know these people as being competent in the breeds they are judging and they are not only willing but they are anxious to show under them. They are getting a completely fresh opinion."

"But what club could afford to bring eleven judges", I said — "surely the cost of a panel this size would be far beyond the means of the average club?"

DOGS AFIELD

by DAVID BLAKE

Time was when a coonhound was a coonhound — now it's likely to be a day dog or a night hound.

Do you know the difference between day and night? This question can lead to confusion unless it is made clear that it's coon hounds to which I am referring — and to make things more confusing, if it's day it's more likely to be *dogs* than hounds and if it's night it must be *hounds*. So! do you know the difference?

The raccoon has adapted itself to so many corners of our continent that it can supply interesting sport almost anywhere and for a long season. This availability, coupled with the sagacity of the species has resulted in a deeply rooted American sport. Several distinct species of hounds, the black and tan coonhound, the treeing walker, the blue tick, red tick and the Plott hound have become 'coon specialists and together with half bred or cross bred hounds, keep the woods of our continent resounding with the exhuberance of the chase.

The result is a natural consequence. Whenever hound dog men get together they brag on their charges and the results are competitive hunts, which, when they reach a certain magnitude become trials. We have already attended a "night dog" trial in this column where the hounds are drawn for "casts", four dogs to a cast and each cast then draws for a geographical location to which it is taken by the scout for location. The hounds are cast on native 'coon and the judge for each cast tallies the score of the hounds when and as they "strike", "hearken in" and "bark treed" in accordance with the order of performance.

Night hunting is for hounds. They must quarter, strike scent, run the line as it is laid down by the live quarry while giving tongue and differentiate between a tree that has been "tapped" by a 'coon that has run up it and gone on down the far side or through the tree tops to another tree, and the tree where they actually have the quarry at bay. These are the hounds that would be taken afield singly or in pairs or packs at night after the raccoons have been "using" in the orchards or cornfields, leaving scent by which to locate them. Whether the sportsman runs them for meat or pelt, or merely to "shine them" and go on, he uses "night dogs" to strike and give vocal account of the progress of the chase that changes to the tree bark signalling the start of the plunging race to the tree.

What are day dogs? Every area does not have the natural supply of raccoon to furnish competition for large trials. Drags came into use, similar to those used by some Hunts or for training young hounds. Entries grew so large that several heats had to be run and even quarter and semi final heats. An entry of two or three hundred dogs became relatively common and the nature of the drag, with several heats of six or eight dogs running each heat, placed the emphasis upon speed rather than nose. Voice on line became a luxury.

The purebred hound is seldom as fast as hounds crossed with greyhounds, Airedales, or pointers. Nor would the faster results of such crosses often bark treed where a live 'coon is usually placed in a cage in the tree terminating the course. This resulted in a dividing of the win of each heat or trial into first line dog (first to cross the finish line on the line of the drag) and first tree dog (which conceivably could be the same dog).

That competition in day dog races has become enthusiastic is indeed an understatement. Every conceivable cross has been tried to produce dogs that can win. Resulting size, symetry, color or texture of coat is of no importance. The presence of instinct to bark tree is an extra bonus that may or may not be a gift from the hound heritage.

Day dog trials start with the auction. Each dog drawn in a heat is displayed

by his handler and the dog's chances to win "first line" or "first tree" are sold to the highest bidder, who wins a portion of the pooled entry fees he bought should the dog cross the finish first or bark tree first, or both.

Stakes have grown to the thousands of dollars as has the price tags of dogs that win or place with some frequency; the latter despite the unliklihood of the quarter hound – quarter Airedale – half greyhound, or what-have-you breeding, ever begetting a dog that will duplicate the performance.

There are night dog trials on drags also, but trees are "tapped" by the dragger to imitate the live quarry and lesser hounds become victims of the ruse by barking tree where there is no coon.

When you next overhear a conversation that might go:

"I've got a new coon dog".

"Is it a day or night dog?"

You'll know whereof they speak.

THE OLD TIMER

The Old Timer leaned forward and pointed his finger at me.

"I haven't had access to this club's books," he said "but you'll remember a little while ago I said there was not a professional judge in the whole list. I would be most surprised if any of those judges asked a judging fee, and I'd be willing to bet that practically all of them came to this show for their expenses only. They were willing to judge as their contribution to the dog game. I'd also be willing to bet that the total cost of these eleven judges would not be $300.00."

"But our club paid more than that for two well-known all-rounders at our last show and we didn't get nearly the entry this club got," I said.

The Old Timer chuckled.

"It just proves my point again," he said. "Get an alert show committee, get 'em looking for their judges well in advance of their show date and they can find any number of competent people who are willing to judge to help out. There's no need for last minute rush to find all-rounders, and this entry certainly proves my point that Canadian exhibitors want to see fresh faces in the judging ring – faces that belong to people who are competent in the breeds they are judging."

Veteran showman Ch. Shirkhan of Grandeur, Afghan, smiles for the photographer after taking Best in Show at the Canadian National Sportsmen's Show, March 16. He is shown here with Judge Alva Rosenberg, breeder-owner Sunny Shay of Hicksville, N.Y. and Sportsmen's Show official Frank H. Kortright. His co-owner is Miss Dorothy Chenade. All BIS pictures shown here by Norton of Kent.

The Wire-haired Fox Terrier, Ch. Striking Showgirl, took BIS at the second show, March 17, under Dr. Frank Porter Miller, of Riverside, Calif., after being shown only seven times in Canada. She poses here with her owner-handler, Pamela J. Running, Runwyre Fox Terrier Kennels, Brampton, Ont., and Mrs. Andy Devine, wife of the famous Hollywood star.

DUAL VICTORY FOR SHIRKHAN

More Basset Hounds than ever seen at any Canadian show, Labrador Retrievers doing outdoor work indoors, and a record specialty entry are among the 1960 Sportsmen's highlights.

Neither heavy snowfall nor threat of more storm prevented owners and their dogs from attending this year's big shows held in conjunction with the immense Canadian National Sportsmen's Shows at the CNE Grounds, Toronto. This year's shows were full of surprises. The sophisticated Afghan, Shirkhan of Grandeur, who two years ago strolled off with the top honours at the Westminster Show, got the nod in two out of three shows.

Owned by Sunny Shay and Dorothy Chenade of Hicksville, N.Y., Shirkhan (who received somewhat less notice by judges at the 1960 Westminster) was unhesitatingly named Best in Show March 16 by Mrs. W. C. Edmiston of Ralston, Nebraska. He repeated this win in the third show on March 18 under the noted judge, Alva Rosenberg of New York. Best in Show March 17 was the dapper Wire-haired Fox Terrier, Ch. Striking Showgirl, owned and handled by Mrs. Pamela J. G. Running of Runwyre Kennels, Brampton, Ont.

The total number of entries was well over 1,900, with competition in the 73 different breeds providing many tense moments for owners and spectators and a truly difficult time for the judges. Nearly 100 American kennels were represented at this show, including entries from as far distant as Kentucky, Florida and California. This is exactly double last year's American entry.

A show-stopping sight was the number of Basset Hounds competing — 12 the first day, nine the second and 11 in the third show. A total of 17 competed in the Specialty on March 19. The Saturday limited breed shows created an unusual stir, on both sides of the ring, with spectators crowding eagerly as their favourite breed went under the judges' scrutiny.

Fourteen specialty clubs held their shows on Saturday, attracting an unprecedented number of entries. Leading in entries were Collies, with 59 (last year there were 35); Boxers, 50; Beagles, 48; Labrador Retrievers, 41; German Shepherds, 40; Golden Retrievers, 37; Shetland Sheepdogs and Samoyeds, 35 each. The climb in West Highland White Terriers was interesting; last year five competed in the Specialty, this year 15.

Another great attraction was the innovation of the full-scale Retriever Trials, believed the first to be held indoors in Canada. The segment of countryside with streams, cedar hedges, logs and leaves was set up in the exercise ring of the Coliseum, affording an interesting view both from the main floor and the gallery. This was an exclusive event, invitations going only to the high-scoring Retrievers in last year's trials. Among the noted judges was Hollywood's famed Andy Devine, a man tremendous in size and talent, famed for his sharpshooting, and fishing talents, as well as a Labrador field trial man.

Sponsors of these indoor trials were Carlings and Ken-L-Ration. The top wins are shown here, since they do not appear in the regular Show and Trial results:

Open All Age Stakes:

Wednesday, March 16: (1) Skyhill's Lady Evelyn, (2) Joker of Bellisle, (3) FT Ch. Van Wagner's Colonel, (4) Bing of Penelope, (CM) Rathrippen's Black Star.

Thursday, March 17: (1) Bing of Penelope, (2) FT Ch. Van Wagner's Colonel, (3) Joker of Bellisle, (4) Krooked Kreek Black Duck, (CM) Puck of Lakehurst, (CM) Skyhill's Lady Evelyn.

Ch. Shirkhan of Grandeur moved gracefully to a second BIS at the Sportsmen's Show on March 18, over 412 entries. He is shown here with Mrs. W. C. Edmiston and breeder-owner, Miss Sunny Shay. Shirkhan was BIS at Westminster, 1957.

Friday, March 18: (1) FT Ch. Van Wagner's Colonel, (2) Bing of Penelope, (3) Joker of Bellisle, (4) Krooked Kreek Black Duck.

Saturday, March 19: (1) Rathrippen's Black Star, (2) Skyhill's Lady Evelyn, (3) FT Ch. Van Wagner's Colonel, (4) Bing of Penelope, (CM) FT Ch. Smudge's Pitch, (CM) Tuck of Lakehurst.

The coveted award of the Gold Whistle with gold cord was presented to FT Ch. Van Wagner's Colonel as top aggregate winner for the four days.

Junior Stakes:

March 16: (1) Long Point Bell, (2) Lady Evelyn's Chester, (3) Nimrod's Shadow, (4) General Brock of Penfield, (CM) The Bay Lady Narda.

March 17: (1) Nimrod's Shadow, (2) Irwin's Toby, (3) Long Point Bell, (4) General Brock of Penfield.

March 18: (1) Nimrod's Shadow, (2) Long Point Bell, (3) Nascopie Laird Hamish, (4) The Bay Lady Narda.

March 19: (1) Lady Evelyn's Chester, (2) Long Point Bell, (3) Nimrod's Shadow, (4) Bill's Bell from Penfield, (CM) General Brock of Penfield.

Long Point Bell was awarded the Gold Whistle with green cord for the greatest aggregate Junior score for the four days. Land and water tests were made throughout the four series. Judges were Frank Morley and Victor Joyce of Toronto, Jim Barr of Thornhill, Ont., Billy Wunderlich of St. Louis as well as Mr. Devine.

PET FOOD FOR THOUGHT

by DR. JOHN PINKOS

Dogs are known to first smell their food, then bolt it down as rapidly as possible. To many people, therefore, an ideal dog food centers around some super ingredient with outstanding, addictive, aromatic qualities frequently referred to as "sniff appeal". This ingredient when added to any mixture of less palatable ingredients, it is assumed, would be readily eaten by all dogs regardless of the nature of the main ingredients. Such a panacea for our dog foods and dog food feeding problems does not, and probably never will, exist.

Truly, a dog food must be highly palatable, both in aroma and texture. It must also be nutritionally complete by containing a proper balance of proteins, fats, carbohydrates, vitamins, minerals, and water. These six nutrients, while they play a vital part in maintaining and perpetuating animals, can never correct the congenital results of poor or indiscriminate breeding. For top animal specimens, good breeding and good nutrition are inseparable. Many people, however, resort to over-supplementation of diets, the dangers and fallacies of which can be briefly stated as follows.

Excess Vitamins

An excess of vitamin A may produce a vitamin B deficiency. In rats it was shown that the common malformations induced by maternal hypervitaminosis A were cleft-palate and deformities of the brain, particularly hydrocephaly. Similar fetal deformities occur where there are maternal deficiencies in vitamins of the B-Complex.

Two groups of pregnant rats were given overdoses of vitamin A consisting of 40,000 units. One group was given additional vitamin B complex by subcutaneous injection. The incidence of deformities of the brain and cleft palates were considerably greater (31.4%) in the group receiving only the vitamin A overdose, whereas the group receiving vitamin B showed no brain deformities and only a very low percentage (1.5) of cleft palates. While these studies were made with rats, conceivably similar effects to a greater or less degree may occur in dogs and other species.

The chances of feeding extremely large doses of vitamin D are not very great, but excessive use of cod liver oil in some instances has produced calcification of the heart muscles, lungs and soft tissues in the body.

There is a common misconception among breeders of large dogs, that large breeds need more vitamin D in the diet than do smaller ones. In work that was done at Cornell University, using Great Dane dogs fed relatively low levels of calcium and phosphorus, it was found that it made very little difference whether the Great Dane received 250 or 1000 I.U. of vitamin D per kilogram of body weight.

In general, what has been said concerning the indiscriminate use of some vitamins, may also apply to trace mineral supplementation.

Protein Supplementation

Not too infrequently one finds breeders that avidly insist that a dog's diet must contain raw, lean meat. Many generations of purebred dogs have been raised in our (Ken-L-Products) research kennels without the use of *raw* meat.

Kibbled biscuits and meals made by reputable manufacturers are essentially complete dog foods, in that they contain the right balance of proteins, fats, carbohydrates, minerals and vitamins. Most dog foods contain far in excess of the protein requirements as stated by the National Research Council in their publication, "Nutrient Requirements for Dogs". Minimum protein requirements for growth were set at 18% and that for maintenance at 13½%. Most commercial foods contain more than these amounts, with values of 20 to 27% protein. In cases where extremely high amounts of fat are used in a diet, consideration should be given to increasing the amount of protein. The ratio of protein to fat should be about 3 to 1.

The question may be asked, "When is it desirable to use meat or protein supplements with a dry dog food?" Small amount of cooked meat

Nigel Aubrey-Jones talks about

TOY DOGS IN CANADA

When the Editor invited me to write this article and I gave it a little thought, I realized what remarkable strides this group has made during the past few years. Gone are the days when it was an event to see a Toy dog take a top award. Last year three Toys captured the Ken-L-Ration Awards for three divisions. A Pekingese for the Pacific, a Pomeranian for the Mid-Western and a Pekingese for the Mid-Eastern division. What more proof do we need to know that Toy dogs are more than holding their own in Canada today? A Toy dog also won more Best in Show awards than any other breed of any other group during 1959.

In Ontario and the Maritimes we have a Toy dog club and both are doing a tremendous amount of work for the group and putting on some wonderful shows. I shall never forget the enthusiasm I encountered at the first Maritime Toy dog Club show. This club has now grown to be quite an important event on the show circuit. We still have a few spots in the country where I am sure a Toy dog club would flourish. Maybe we shall see an interest awake in other sections of the country very soon. Let's hope so as I am sure the support is available. All we need is the interest.

Registrations and entries have jumped skywards and this points to an even more favourable future for the group. More judges are becoming Toy conscious and the Toy Group is fast outgrowing its old stigma of being a group for judges to gain experience when embarking upon a judging career. Today as much knowledge and experience is needed to judge this group as any other. Especially when it's a group that has entered the big ring and carried off the biggest plums.

The success of the Canadian Toy Group is by no means limited to Canada. During the past few years we have seen Pekingese, Pugs, Maltese, Papillons and Brussels Griffons invade the United States and give more than a good account of themselves in the keenest of competition. Some of the top winning Toys in the United States first earned recognition in Canada. More and more are being exported to the United States and it is no longer considered an event for an American breeder to take advantage of a Canadian stud.

In spite of all the success that the Toy Group has gathered around itself we are still not promoting the group to its full. Breeds like Affenpinschers, Miniature Pinschers, Chihuahuas, English Toy Spaniels, Italian Greyhounds, Japanese, Manchester Terriers and Yorkshire Terriers all need to be brought to the public eye. All these breeds have individual characteristics and need every ounce of publicity they can get to increase their registrations and entries. What better means than TV? One does not have to be brilliant to imagine the tremendous scope these breeds could give an intelligent and interested producer. Each year the Canadian dog breeder ploughs thousands of dollars into the kitty in the form of registrations and transfers to the Government and Canada is one of the few countries that has such stringent registration methods. Obviously the Ministry of Agriculture is interested in us enough to take pride in our records. Then why should the purebred dog not have preference over the crossbred when it comes to TV? Do we always have to be years behind the United States in our means of promotion? The Americans have taken full advantage of this medium and the Toy dog is the ideal show stealer. We can ill afford to neglect the purebred in favour of the crossbred. Contact your local station and give interesting details about your breed, such as history and characteristics and never neglect a chance of an appearance for your breed. TV is an expensive process and the purebred needs and deserves the advantages this medium has to offer when one considers the amount of revenue the purebred contributes yearly to ensure that his blood remains pure.

Up to now we have not mentioned the Toy Poodle. There are very few genuine under ten-inch Toy Poodles available in Canada and those there are have given a wonderful account of themselves in the show ring. What is more interesting is that they have mostly been homebred. A great credit to their breeders. With the amount of success this variety of the Poodle has received and enjoyed there seems to have gone with it a great deal of confusion to the general public. Too many Miniature Poodles have been passed off as Toys while puppies and the breed is fast becoming a source of scepticism with the general public. No breed can afford this to happen. This is not a breed that produces to order like a sausage machine and the problem of educating the public as to what the difference is between a Toy and a Miniature Poodle rests with the serious and reputable breeders. Not an easy task but one that has to be tackled to safeguard the well being of this breed.

All in all the Toy Group has little to worry about if the trend in Canada for the past few years is any indication. Some of the lesser-known breeds need good promotion and with so many serious breeders and enthusiastic exhibitors the future looks good. Let us go ahead with bigger and better plans for making the group of little dogs stronger than ever during 1960.

Nigel-Aubrey Jones is one of the most active figures in Canadian, American and English dogdom, travelling almost incessantly, showing Pekes, Poodles and Brussells Griffons and writing for several publications. This animated Welshman with his partner, R. William Taylor, operates a country place and Kennels as well as the swank Poodle Studio in Montreal. They have owned, shown victoriously and sold some of the world's most costly Pekingese, among them Chik T'Sun of Caversham who took the 1960 Westminster.

CANADA'S CAPITAL CITY HAS GONE TO THE DOGS

by MRS. H. D. SNELLING

It is hard to believe that it was 15 years ago that Mrs. Margaret Brinckman asked Mrs. C. B. Petrie and myself to help her organize a children's dog show to be held in conjunction with a bazaar as a money raising effort for the newly formed Ottawa Committee of The Canadian Save the Children Fund. This event took place at "Lindenelm" in Rockcliffe Park, the former home of the late Mr. and Mrs. Wilson Southam and now the official residence of the Spanish Ambassador. Our rings were marked out with clothes lines tied to the handles of croquet mallets which we hammered into the ground. Mr. Harry Fraser, well-known Scottish Terrier breeder, and the late Mr. Dude Baldwin were our judges. Their assignment amounted to 47 entries. It was not an easy task, as all dogs in the Village of Rockcliffe Park are allowed to run. The judge would be looking over the merits of a terrier when they would find an interested Irish Setter in the middle of the ring in spite of the efforts of our "spotters" to keep track of all loose dogs.

For the next four years we continued to hold the show at "Lindenelm". Each year our entries increased and more and more people came out with their dogs as word of the Fund spread to the local dog lovers who found that it was a good spot to spend an afternoon as they could bring the whole family, show their dogs and enjoy themselves trying the different games while wives broused through the "white elephant tables" and bought some home-cooking or had a cup of tea.

In the summer of 1950 we felt that we needed more room and we were given permission to hold the show at Elmwood School for Girls. At this time Mrs. D. M. Coolican approached the Ottawa Kennel Club and asked for their assistance, which they gladly gave and have continued so to do ever since. We stayed at Elmwood for the next five years when once again growing pains set in and we were forced to look around for larger grounds.

The Committee was most grateful to Mr. Douglas Stuart, former Ambassador of the United States of America, who graciously allowed us to use the grounds of the American Embassy. Mr. Dennis Hayes, our show superintendent, had quite a job setting up the rings for this show. Scattered about the grounds were six of dogs' best friends — fire hydrants, to be used in cases of emergencies only. Mr. Stuart was recalled to Washington the following year and his successor, Mr. Livingston T. Merchant, came to our rescue and once again we took over the Embassy for a day. There were 159 entries for this show and Mr. Vincent Massey, our former Governor General, was on hand to present the Best in Show trophy.

The Dog Show Committee would like to express, at this time, the very real loss we felt on hearing of the death of Mrs. M. Eileen McEachren, past president of The Canadian Kennel Club. Mrs. McEachren came down to Ottawa in 1957 to judge the children's handling classes. This was no small chore; that year 49 children were showing their dogs, which meant that there were at least 98 proud parents watching her watch their children watch "Fido". As usual, Mrs. McEachren carried the whole thing off diplomatically and everyone went home happy and convinced that their dog was the best dog in the whole world. Her interest in our shows and the work of the Save the Children Fund did a great deal to encourage the Dog Show Committee to take the final steps and make application to The Canadian Kennel Club to hold Championship Dog Shows.

In February of 1958 the C.K.C. granted permission to hold two All-Breed Championship Dog Shows and two Obedience Trials at Ashbury College on June 17 and 18. Mr. J. Trullinger of New York, U.S.A., accepted his assignments and once again Mrs. McEachren came to us at her own expense, to complete the judges slate for the regular classes. Mrs. George Macdonald of Hazeldean, our Obedience Chairman, was able to make arrangements with Mrs. Mary Southcott of Milton, Ont. and Mr. Alan Sharp of Westmount, Que. to take over the judging of the Obedience classes, as our official judges for all future Canadian Save the Children Fund Dog Shows and Licenced Obedience Trials.

Luckily for us Mr. R. H. Perry, headmaster of Ashbury College, is a dog lover and an old friend of the C.S.C.F. and his interest and cooperation at all times, particularly at show time, has done a very great deal for the success of these shows.

We are all working hard on plans for this year's shows and the Bazaar and are looking forward to the June dog show circuit. Mrs. P. B. Mack, our Quebec representative, has attended our meetings and reported on the plans for the Ladies Kennel Club Shows and Licenced Obedience Trials to be held on June 11 and 12 at MacDonald College, Ste. Anne de Bellevue, Que. and Mrs. V. O'Donnell of the Kingston and District Kennel Club is busy getting ready for their show on June 18.

We think that we are very fortunate in our choice of judges for the C.S.C.F. shows, Mr. Alva Rosenberg of New York, U.S.A. and Mr. Stanley Whitmore of Richmond Hill, Ont., and of course Mrs. Southcott and Mr. Sharp will be on hand.

The Ottawa Committee of the C.S.C.F. is pleased to report that Madame Vanier, wife of the Governor General, has consented to be our honorary patroness and will be with us on June 15 to present the Best in Show trophy.

Mrs. Richard Humphry, Chairman of The Bazaar, extends a hearty invitation to all exhibitors and spectators to come and visit the stalls where you will be tempted to buy everything from Kum-Quats from the Turkish Embassy to hand-made children's clothes made by our members of the C.S.C.F. sewing Committee. She also wants to remind you that once again Holt-Renfrew Limited of Montreal have donated a most elegant mutation mink stole to be drawn for on Thursday, June 16. Tickets will be on sale on the grounds at .25 each or five for $1.00.

The Dog Show Committee has been hard at work to make these shows a pleasant and profitable experience for all concerned, so if you have not received our attractive Premium List write Mrs. L. W. Jackson, 467 Sunnyside Avenue, Ottawa 1, Ont., our Show Secretary — but hurry, our entries close on June 1 and we cannot accept more than 400 entries.

My heartfelt thanks to Mr. Norman Brown, Secretary of The Canadian Kennel Club and to all members of the board of directors and members for their many kindnesses — the list is endless.

Last week the Ottawa Committee of The C.S.C.F. was privileged to see the documentary film "A Far Cry", which was produced by an independent British film company as a donation to the Save The Children Fund, showing the misery and suffering of little children the world over being helped by field workers of the C.S.C.F. and shown a better way of life. It made one realize that any contribution, however small, towards the final success of these dog shows and other activities, is so very worthwhile.

So won't you please come back again in June?

Mr. and Mrs. Percy Alderson, Toronto, were recently honoured on the occasion of their golden wedding and their long association with the Bulldog fancy when members of The Bulldog Club of Central Canada and friends paid tribute to them at a dinner held April 1. Percy Alderson first came into Bulldogs 33 years ago and was the owner of the famous Bulldog, Dewhurst Dan, which in the 30's took Winners Dog at the Westminster Show, the Chicago Specialty and Detroit Specialty all in one year. He returned the following year to the Gardens to complete his championship and repeat his win, thus becoming the first breeder, owner, exhibitor to do so in 60 years. As at that time the classes held many imported dogs of championship fame and the entry at the first show was about 74, this was a major accomplishment. Percy is still breeding and exhibiting, and last year had a father and daughter finish to their championship at the same shows. Among the many letters of congratulations were those from the Reeve of Scarborough and members of the Council, and The Canadian Kennel Club. Among those attending the dinner were: *Mr. and Mrs. Cyril Bernfeld* of New York (the former is president of The Bulldog Club of America, Div. 1 and president of the Bulldog Club of New Jersey), *Mr. and Mrs. Ed. Williams, Mrs. Ellen Brown, Dr and Mrs. F. Clements; Mr. Albert Farrell*, president of The Bulldog Club of Central Canada.

Hollywood's Andy Devine, star of the Canadian National Sportsmen's Show and Mr. C. O. Dalton, president of Carling's, are seen with the Ontario Top Open All Age and Junior Retrievers. L. to r.: FT Ch. Rathrippen's Black Star, owned by F. H. Dartnall, Hamilton, Ont., Nimrod's Shadow, owned by M. J. Haffey, Toronto; and FT Ch. Smudge's Pitch, owned by Cliff Hunt, Toronto. Owners received trophies from the company commemorating the dogs' accomplishments in 1959 competition. Pitch and Star tied.

Sensational wins were made by Setters owned by *Mr. and Mrs. E. J. Steacy* of Kingston, Ont. at the first combined Setter specialty show held in New York the eve of Westminster. Host club was the Eastern Irish Setter Association. Entries numbered 185. In an entry of 62 English Setters their Can. and Am. Ch. Skidby's Sturdy Tyke was Best of breed while Am. Ch. Wamlay's Colonel took Best of Breed over 84 Irish Setters. Gordon Setters (rare in Canada) had 38 entries with Best of Breed going to the Open Bitch winner, Smokey's Cinder of Glenarm, owned by Mr. and Mrs. R. I. Pusey, Jr., of Virginia.

Dr. and Mrs. K. J. Clementi, Milk River, Alta., have purchased the beautiful red long-haired male Dachshund, Am. Ch. Angell of Gypsy Barn, bred by Mrs. Max Zabel of Wilmette, Illinois . . . *Mrs. E. C. Lambert*, (San Lu Kennels), Sidney, Vancouver Island, B.C., has added more Pekingese from England: The male, Kanghe Fo Lin of Soozan is the winning son of Yung Mr. Choo of Kanghe ex a daughter of Fo-Ena of Soozan (2 CC's) by tri-Int. Ch. Bonraye Fo Yu. He is a grandson of the well-known Ch. Twee Choo of Caversham. Kanghe Fo Lin Son of Soozan was the sire of the litter winning first prize at the recent National Championship show in England. The brood female, Yasmin Ku of Kanghe, is a grand-daughter of Ch. Caversham Ku-Ku of Yam and Ch. Ifield Tong-Loo of Portmore.

Barely over the required age of six months the Papillon puppy, Joujou de la Rouge, took the breed for a three-point win at the big (1500 entries) Hoosier KC Show in Indianapolis on March 27, then moved on to a five-point win at the huge Chicago International Show, April 9-10. She is owned jointly by *Mrs. Dorothea Daniell-Jenkins*, Kennels of the Rouge, Rouge Hills, Ont. and *Clifford Clark*. . . . Killane Gayla of Ellair, female Irish Setter puppy bred by *Mr. and Mrs. John Royston* of Meadowvale, Ont., won the Western Irish Setter Club Futurity held just prior to the Chicago International Show on April 9 and went on to win the Puppy class at the International Show. This is the first time this Futurity has been won by a Canadian-bred puppy. Owner is *Miss Ann Erkfitz* of Grosse Point, Mich.

Mr. Reg. P. Sparkes, Toronto, well-known sportsman, judge and Bulldog breeder, has been invited to judge September 3 at the City of Birmingham Show. This is England's second largest show and is run by the city. Mr. Sparkes will judge several breeds and Best in Show.

The Italian Greyhound, Ch. Ulisse Di Peltrengo of Winterlea owned by Miss Janet Bennett and Mrs. L. S. Gordon, Jr. of Glenview, Ill., took Best of Breed at Westminster. Mr. Percy Roberts judged. A gold-plated pin in the shape of an Italian Greyhound was awarded by the Italian Greyhound Club of America in memory of Capt. Frank D. Millar of London, Ont., who was a charter member.

A minute of silence was observed at the Fredericton, N.B. Kennel Club

Winners of the 1959 Ken-L-Products Bench Show Awards: l. to r.: Western Canada, Ch. Kee-Ting T'Sun Hai, Pekingese owned by Mrs. Carita Grieve of Saanichton, B.C., accepted by Mrs. Yan Paul; Mid-Western Canada, Ch. Julo I'ma Imp, Pomeranian owned by Mrs. J. W. Haggerty, Port Arthur, Ont., accepted by George Potts. Mid-Eastern Canada, Ch. Calartha Mandarin of Jehol, Pekingese, owned by Messrs. N. Aubrey-Jones and R. William Taylor, Montreal, shown with Mr. Taylor; Eastern Canada, Ch. Hound Hollow's Happy Wanderer, Beagle, owned by Mr. J. J. Le Moine, Amherst, N.S., accepted by Mr. Phil Jacobi. *Photos by Elizabeth Fry*

Show April 2 in honour of three friends who died in a tragic automobile accident the previous Thursday night at Lower Sackville. *Mrs. Alan Whitman* (Wendy Lee Kennels) of Auburn, *Mrs. Arnold G. Duggan* of Kentville and the latter's father, *Frederick J. Walsh* were on their way to Dartmouth to attend a meeting of the Shearwater Kennel Club when the accident occurred on the Halifax-Windsor Highway. Their car collided with a transport truck. In prying apart the crumpled wreckage, police officers found a Pug, belonging to Mrs. Whitman jammed against the transmission. It was taken to a veterinary hospital for attention. Both Mrs. Whitman and Mrs. Duggan were active members of the Evangeline Kennel Club, the former a past president and the latter an officer. The deepest sympathy of the Canadian dog fancy is extended to the members of these bereaved families.

Died: the famous old Newfoundland Ch. Nanaboozoo of Stevens, better known to guests at Limberlost Lodge, Huntsville, Ont., as "Bozo", just after his 11th birthday. He was owned by *Mr. and Mrs. East*. Bozo was a real old-time Newfoundland with a tremendous personality. On one occasion he took off after a she-bear, mistaking her for another Newf. At the crucial moment both animals took a second look, then parted in mutual disgust. Although he was a champion at 18 months, he was somewhat large and rangy for show type. "His going marks the end of a certain era in Newfs, which showed their close relationship to the great Shelton dogs," writes *Mrs. Nona Navin*, "mainly by noble head and heavy bone." . . . Another noted Newfoundland who died recently was Can. and Am. Ch. Perivale Sea Ranger, bred by *Mrs. Mercedes Gibson* of Cowichan Station, B.C. and later owned by *Mrs. Ralph Jamieson*. Under the banner of Seaward Kennels, Trenton, Conn., he took a Best of Breed at one of the Westminster Shows and many other important wins. He died at the home of his latest owners, *Capt. and Mrs. Henri Rice*, Milford, Delaware.

Judging the Maltese by Dr. Vincenzo Calveresi

EVEN though our ancestors spent a great deal of time painting, sculpturing, and writing about Maltese dogs and determining their standard, the astonishing thing is that very few people know much about them. They may know that they are beautiful looking dogs for having seen them in pictures, movies, or TV but they unfortunately ignore the wonderful disposition, the keen intelligence, and the amazing loveliness of these little creatures, that are among the very first dogs to be found on the earth and the forerunners of all the toy dogs and many of the larger breeds.

I have been asked to write this article on How to Judge Maltese, mainly, I take it, to educate new breeders and the public as a whole and not to tell judges what to look for because they know the standard and can spot a good Maltese when they see one. Of course Maltese are sparingly shown and many judges have not had much experience with them but they do as well as can be expected under the circumstances.

It is for the breeders to know the good and bad points of the Maltese and to breed the best. The question of course is: what is the best? Is it the pick of the litter of three puppies out of poor stock? You may find a good puppy this way once in a while but it is not a good policy to breed this dog with the illusion of getting show puppies, for defects are hereditary. If I were to buy a puppy or a grown dog for show and breed, or for breeding alone, I would want to see the puppy's ancestors. Were this not possible, I would rely on the choice and advice of a reputable breeder and on the pedigree of the dog. A pedigree with quite a few champions on it should suggest that the puppy came from good stock. While tiny Maltese are very desirable I would *not* recommend that the breeding stock be less than five pounds.

Structure

A good Maltese is a sound dog that is free from major defects, with a vigorous well-proportioned body that may weigh between three and seven pounds. It should have a white, straight, silky but strong coat of even texture. The head should be in proportion to the size of the body and of fair length. The skull should be slightly round, rather broad between the ears and moderately well defined at the temples, showing a moderate amount of stop between the nose and the occiput bone.

The nose should be black or very dark and delicately proportioned. Drop ears should be set slightly low and be profusely covered with long hair. The eyes should be very dark and placed not too far apart, with an alert but gentle expression. Dark eye rims give the dog a better expression and are very desirable. The legs should be short, straight, fine-boned, and well-feathered and the feet small. The body short, not much longer that the height with straight and level back. The tail, well-feathered, should be carried gracefully, with its end resting on the hind quarters and side.

Faults

The worst defects are: oversize, heavy bones, rough dry or curly coat, and pink nose.

Pigmentation is apt to become lighter on some dogs in the winter because of lack of sunlight but in the Spring it comes right back to its natural color.

I would not penalize a good dog for having a little cream color on the tips of its ears, for Maltese once had this coloring, and it generally fades when the dog matures and when it is exposed to a sufficient amount of sunlight as it has most of the year.

AROUND THE OBEDIENCE RING

Your Editor Says:

From now until next fall, a great many obedience trials will be held all over the country. We have mentioned a few in this column simply because we have an interest in them in one way or another. We sincerely hope that everyone entered in these and other trials will be successful. However, for those who may not pass the tests, we can only say that we hope you will try again. One of our regrets is the fact that we are not able to attend more trials and meet all the nice people who write to us throughout the year. In our travels to dog shows and obedience trials during the past 15 years or so, we have met lots of wonderful people and have made many friends. We hope that we can continue to do this for many years to come.

While on the subject of obedience trials this might be a good opportunity to say a few words on the matter of running them. These few remarks then are directed to those charged with the responsibility of organizing and running trials. First of all, one of the most important things to be sure of is the equipment. Make a list of the equipment that is needed and make certain that it is available and in good condition. This should be done well in advance of the trial and not the day before, for obvious reasons. Many strange things can happen to equipment from one trial to another. Members have a habit of borrowing jumps for practice purposes and quite often forget to return them. Then again, perhaps the bar jump used in your last trial was unsatisfactory. These sort of things can be very embarrassing to say the least, if they are only discovered on the morning of your trial. Therefore, adopt the Boy Scouts slogan of "Be Prepared".

Next there is the matter of competent stewards for your obedience ring. First of all, it is essential to have a chief steward lined up who is thoroughly conversant with obedience trials, procedures and judging routines. It is the chief steward's responsibility to make sure that the ring is properly set up and that all ring equipment is on hand and in workable condition. He should also make certain that all prizes and qualifying ribbons are close at hand. In addition, the chief steward should ensure that the judge's score book is on the judge's table before the trial starts. As a matter of convenience to the judge, it is also suggested that score sheets, pencils and paper be available. All these things should be checked out prior to the commencement of the trial. Last, but, not least, the chief steward should get together with his ring stewards prior to starting and prepare a work plan. In this way, everyone will know what their responsibilities are once the trial is underway. There is no doubt that good and efficient stewarding will do much to help a trial. On the other hand, poor stewarding will go a long way to hindering a trial. You owe it to the judge to provide him with good stewards. It is your responsibility to see that this is done.

One other important point to keep in mind is the timing. If a trial is scheduled to start at 10:00 A.M. then it should start at 10:00 A.M. and not later (barring unforeseen circumstances). There is nothing worse than a late start – it is unfair to the dogs, the exhibitors and the spectators. It lends an air of sloppiness to a trial which should be avoided at all costs.

The foregoing observations are what we consider the most important. We believe that if all trial giving clubs adhere to these points, their trials will be a success. Our trials have come a long way over the last dozen years or so. They have improved tremendously during this time. However, in many cases there is still room for improvement. Let us try for this improvement in 1960.

Coming Trials

Montreal, Quebec.

Two international Obedience Trials will be held on Saturday, May 28 and Sunday, May 29 in suburban Senneville, P.Q. The trials are run by the members of the Mountain City Obedience Club of Montreal and as usual will be held outdoors on the beautiful grounds of Commander F. W. R. Angus. These annual trials have created a lot of interest in the past with many of the entries coming from the United States. Once again there is a large entry expected with many top performers in attendance. Your editor is pleased to announce that he has been invited to act as one of the judges. Information may be obtained from Mrs. Wallace Ward, 3 Sunny Acres Drive, Baie d'Urfe, P.Q.

The Ladies Kennel Club of Canada, Inc. are trying something new this year by holding two licensed obedience trials outdoors, at MacDonald College, Ste. Anne de Bellevue, P.Q. (about 20 miles west of Montreal). The events, which are unbenched, will be held on June 11 and 12. Secretary for the events is Mrs. F. E. Grant, R.R. No. 1, Ste. Marie Road, Ste. Anne de Bellevue, P.Q.

St. Catharines, Ont.

The third and fourth Obedience Trials of The St. Catharines & District Kennel & Obedience Club will be held on Saturday, May 21 at the Lake St. Armouries, St. Catharines. This affords an opportunity to receive two legs in one day. Information may be obtained from Miss Joan Garbutt, 414 Queenston Street, St. Catharines, Ont. Judges for the events are Mr. Walter Konradt and your editor.

Ottawa, Ont.

Once again this year, the committee members of The Canadian Save the Children Fund are holding two obedience trials on June 15 and 16. The trials will be outdoors and unbenched on the grounds of Ashbury College, Rockcliffe Park, Ottawa. Secretary is Mrs. L. W. Jackson, 467 Sunnyside Avenue, Ottawa. Once again, it will be my pleasure to officiate at the trial on June 15 and Mrs. Mary Southcott will do the honours on June 16.

MOST POPULAR BREEDS IN U.S.A.

Although registrations were slightly down in 1959 as compared with the previous year, Beagles again led in the number of registrations with the American Kennel Club during 1959. Poodles, which were third in 1958 were second most popular, exchanging places with Chihuahuas. Dachshunds, with registrations up, remained in fourth place, with German Shepherds again placing fifth. Cocker Spaniels placed sixth this year, exchanging places with Boxers. Collies stood ninth among the top ten most popular breeds, with Boston Terriers placing tenth.

Among breeds showing startling gains over 1958 registrations were the Manchester Terriers, placing 25th in popularity as against 86th in 1958; Yorkshire Terriers and Basenjis have moved up noticably, as have standard Schnauzers, Chow Chows, Brussels Griffons, Borzois, Pulik, Great Pyrenees, Rottweilers, Border Terriers, French Bulldogs, Giant Schnauzers, Bouviers des Flandres, Briards, Flat Coated Retrievers.

Of the Variety Groups, the Non-Sporting showed the greatest increase.

C.K.C. ANNUAL GENERAL MEETING

RESUME OF PROCEEDINGS AT THE ANNUAL GENERAL MEETING OF THE CANADIAN KENNEL CLUB HELD AT THE KING EDWARD SHERATON HOTEL, TORONTO, ON SATURDAY, FEBRUARY 13, 1960.

The President called the meeting to order and asked the members present to stand and observe two minutes silence in memory of Mrs. M. E. McEachren, Past President, and other members who had passed away during the past year.

The President introduced each member of the Board, stating, for each, his or her years of service on the Board.

MINUTES

The minutes of the previous Annual General Meeting were presented for adoption. On motion by Mrs. Ellen Brown, seconded by Mr. V. W. Williams, the minutes were adopted.

REPORTS

The President reported on:

(1) the Board's consideration of a plan whereby judges at championship shows held under the Club's rules would submit confidential critiques on dogs awarded Winners and Best of Breed;
(2) the appointment of a Special Committee on Dachshunds and on matters referred to that Committee for consideration;
(3) the steps being taken by the Board to implement the new Chapter 7 of the Dog Show Rules regarding approval of judges;
(4) the setting up of a $1500 Fellowship at the Ontario Veterinary College for research on diseases of dogs;
(5) the re-activation of the Norman K. Swire Memorial Fund and of the offering of the Swire medals;
(6) the Board's consideration of a possible system whereby breeders may sell dogs as pets without the concern of whether such dogs would be used for breeding purposes.

On motion by Mr. V. W. Williams, seconded by Mr. R. T. Lawrence the President's report was adopted.

Mr. R. T. Lawrence, Chairman of a Special Committee appointed at the 1959 Annual General Meeting, to report on legislation to provide for each Board of Directors to be elected for a two-year term, reported that the Committee had not reached "a firm decision" and requested continuance of the Committee, a report to be presented at the next Annual General Meeting.

On motion by Mr. Lawrence, seconded by Mr. Ian Miller, and carried, the matter was left in the hands of the Committee for report at the next Annual General Meeting.

Mr. Lawrence suggested that a Vice-Chairman of the Committee be appointed. Nominations for the post of Vice-Chairman having been called for, the President named Mrs. N. T. Smith as Vice-Chairman of the Committee.

The Secretary read a report submitted by a Committee composed of the President and Mr. MacCallum in connection with a proposal, discussed at the 1959 Annual General Meeting, that arrangements be made for clubs to affiliate with The Canadian Kennel Club. The report included the Committee's recommendation that the question of affiliation be abandoned.

On motion by Mr. R. T. Lawrence, seconded by Mr. A. Greenwood, the Committee's recommendations were confirmed.

The President and Mr. MacCallum, the Club's representatives to the Canadian National Exhibition, reported on the Exhibition's 1959 shows, and of possible future arrangements for dog show quarters at the Exhibition.

On motion by Mr. T. Joel, seconded by Mr. Ian Miller, the report was adopted.

The President reported that Mrs. Alva McColl, one of the Club's representatives to the Royal Agricultural Winter Fair, was absent, but read the following telegram from Mrs. McColl: "It is with regret that I send you this message on your annual meeting day. I had planned so long to be with you. I want to express my gratitude to you and everyone of you for the kindness you have shown me on this and every occasion. My undying gratitude goes forth with this letter. I shall continue to do everything in my power to express the needs of you in The Canadian Kennel Club. The best of luck to you in the forthcoming year."

Mr. T. E. Gundersen, the Club's representative to the Central Canada Exhibition, Ottawa, presented a report on the Exhibition's 1959 show. On motion by Mrs. T. Joel, seconded by Mrs. M. Schulze, the report was accepted.

FINANCIAL REPORTS

The auditors' report and financial statements for 1959 (as published in the February issue of "Dogs in Canada") were placed before the meeting.

Questions were asked in connection with expenditures for promotion, publicity and public relations. The Secretary gave an analysis of this expense account.

On motion by Mr. R. T. Lawrence, seconded by Mrs. Simmons, the financial statements were tabled pending the arrival of the Chairman of the Committee. (see further in this resume)

REPORT OF THE ELECTION COMMISSION

On motion by Mr. A. Greenwood, seconded by Mr. Morley Fisher, the report of the Election Commission with regard to the election of Officers and Directors for 1960 was accepted as read.

The Secretary presented a report in connection with the balloting on proposed amendments to the By-laws and rules included in the 1959 referendum ballot, reported that the amendment to the By-laws as approved on the ballot would be submitted for Ministerial approval, and a report on the amendments to the rules and regulations had been included in the March issue of "Dogs in Canada".

On motion by Mrs. T. Joel, seconded by Mrs. N. T. Smith, the report was accepted.

ELECTION OF REPRESENTATIVES

The following representatives of the Club to the following organizations were elected:

Canadian National Exhibition: Mr. Walter Brown and Mr. J. W. MacCallum.
Royal Agricultural Winter Fair: Mr. Tom Joel and Mr. Wm. McDerment.
Central Canada Exhibition: Mr. T. E. Gundersen.

The President reported on the Board's recommendation that at this meeting the Club elect one representative to the Live Stock Records Board for a five-year term, one for a four-year term, one for a three-year term, for the automatic election each year of the President and Secretary, and two members of the Club as ex-officio representatives, the vote of the meeting to determine those elected for five, four and three-year terms respectively.

The meeting was informed of the Board's feeling that continuity of representation was an important feature to be considered if the Club is to realize its hope of continued representation on the Live Stock Records Committee, and it was suggested that Mr. J. W. MacCallum, presently a member of that Committee, be elected a representative of the Club for a further five years.

On motion by Mr. Ian Miller, seconded by Mrs. T. Joel, the recommendation of the Board was approved.

The meeting was informed of the Board's recommendation that the following be elected the Club's representatives to the Live Stock Records Board: Mr. MacCallum, Mr. Blyth, Mr. McDerment, Mr. MacKendrick Mr. Monaghan.

On motion by Mr. R. T. Lawrence, seconded by Mr. A. Farrell, Mr. J. W. MacCallum was elected a representative of the Club to the Live Stock Records Board for a period of five years.

Nominations were made and an election was conducted and the scrutineers subsequently reported that: Mr. R. L. Blyth had been elected a representative of the Club to the Live Stock Records Board for a four-year term, Mr. Wm. McDerment for a three-year term, and Mr. W. J. Monaghan and Mrs. Southcott had been elected as ex-officio representatives of the Club.

-----As previously announced, a luncheon was served to members, the luncheon being followed by the screening of a film on field trial dogs.

When the meeting resumed the President presented corsages to Mrs. M. Walker and to Mrs. Ellen Brown, and introduced Mr. Harry Dean, a member from Saskatchewan.

APPOINTMENT OF AUDITORS AND ELECTION COMMISSION

On motion by Mr. R. T. Lawrence, seconded by Mrs. N. T. Smith, the firm of Craig, Norman, Fairley, and Welsh were appointed as the Club's auditors and Election Commission for 1960, at the same fee as paid in 1959.

PROPOSED AMENDMENTS

There followed a discussion on the proposed amendments reported in the December (1959) issue of "Dogs in Canada" (see resume of discussion following this resume of proceedings).

NEW BUSINESS

Mr. R. T. Lawrence proposed that the Club, acting through a selected committee, operate a dog show in each year with the proceeds to go into an Emergency Fund, to be used to assist members of the Club in difficulties because of illness or death or other hardship, the Fund to be known as the "Eileen McEachren Memorial Fund".

Following discussion a motion was adopted referring the matter to the Board for consideration.

Mrs. P. Smith stated that many who are interested only in obedience trials are not familiar with the requirements of the Dog Show Rules, and moved "THAT, this meeting appoint a Committee to review Chapter 1 of the Obedience Trial Regulations and Standards and incorporate in that Chapter any of the Dog Show Rules that are applicable to obedience trials" when an obedience trial is held in conjunction with a dog show, the report to be submitted to the Secretary for printing before the end of the year. Mr. J. A. H. Irving seconded the motion which was carried.

On motion by Mr. W. Brown, seconded by Mrs. Pamela B. Mack, Mrs. P. Smith was appointed Chairman of the Committee, with power to add to the Committee.

A member enquired of the outstanding balance in a loan advanced to a member by the Trustees of the Emergency Fund. Following the Secretary's report, a resolution was adopted "That the Board of Directors recommend to the Trustees that this item be written off".

Mr. J. MacFarlane referred to the action taken in granting two different specialty clubs permission to hold specialty shows on the same date in the same zone, stating that the club first granted permission held a priority right on the date and the second application granted conflicted with the first application approved.

The meeting was informed that the approval given the second application had been revoked, and the Board would give consideration to a policy regarding more than one specialty show, in the same area, on the same date.

The President reported that the next Annual General Meeting of the Board would be held at Toronto on February 4, 1961.

FINANCIAL REPORTS

The meeting resumed its consideration of the financial statements for 1959, tabled earlier in the meeting.

In the absence of the Chairman of the Promotion, Publicity and Public Relations Committee, the Secretary read the detailed report (dated January 22nd) which the Chairman of that Committee had submitted to the Board of Directors on January 26th (for details of this report see Item #9 A 46 in minutes of the February 16th session of the annual meeting of the Board included in this issue).

It was moved by Mr. R. T. Lawrence, seconded by Mrs. P. Mack,

that the report be received and filed. Motion carried.

It was then regularly moved by Mr. A. Greenwood, seconded by Mrs. T. Joel, "That this meeting request the Board to examine very carefully and take responsibility itself for any further outlays" on promotion, public relations and publicity. Motion carried.

It was regularly moved by Mr. R. T. Lawrence, seconded by Mr. A. Greenwood, "That the auditors' report be accepted". Motion carried.

The meeting adjourned at 11:35 P. M.

RESUME OF DISCUSSION AT THE ANNUAL GENERAL MEETING ON PROPOSED AMENDMENTS REPORTED IN THE DECEMBER (1959) ISSUE OF "DOGS IN CANADA" (see notice on this page)

PROPOSED AMENDMENT NO. 1

CHAIRMAN: Ladies and gentlemen, you have copies of the proposed amendments. Is the principal proposer of No. 1 present?

MR. J.A.H. IRVING: I would like to look at the whole Retriever trial picture before dealing specifically with proposed amendment No. 1. It is going to be very dry going if you want me to go into that. The last two or three years the retriever people have been considering the advantages of more or less taking over some of the identical rules as the American Kennel Club in the interests back and forth, the same as the obedience people decided.

In November, 1958, a brochure came to us, a report by the commitee appointed by the American Kennel Club to draw up some material in an endeavour to standardize judging so every Judge looks at a thing from the same point of view and interprets the rules the same way. Those rules are very hard to interpret. There is never the same situation arising for one minute in a field trial - a retriever field trial or any other field trial. There are too many possibilities. I am Secretary of the National Retriever Club. That is made up of mostly all the Retriever Clubs of Canada. Some of the new ones haven't come in. I am speaking for them. We sent that out to all our members to analyze it carefully and see what they thought. By the time they were thinking about it - it takes time for retriever clubs to do that, in April, 1959 out come a proposal by the American Kennel Club on their own retriever trials. We immediately sent that out and asked the clubs to send in their suggestions to a committee that were working on it, the committee that worked on the amendments for the years before. They were appointed across Canada by the national members of this national club. They worked on this. We had intended sending another outline out to the clubs to consider.

We got so close to the date of our National Trial where we had representatives of all the clubs there that we couldn't send it out. Instead of that, we sent out letters, a memo of all the items which the committee didn't see - there was unanimity on and gave them the American rule and the Canadian rule and said we will decide everything. One of the results of the meetings at Vernon where retriever trial representatives met and decided - where we had to publish those proposed amendments we should only put in the sections where there was a question, the Canadian rule because we didn't know what to put in and we could only put in the rule we knew to be acceptable at that time.

Now about No. 1. The Board of Directors appointed me to a Committee to propose some method of approving field trial judges. One of the clubs came through with this proposal. The Committee thought so much of it, they thought it would be best to let the club propose it. They are the people who should get the credit for it. It is a proposal where a man serves a certain time as an apprentice with other judges. If they recommend him he can then be approved to judge a minor stake. If nobody asks him to judge a higher class that is where he stops. He can work his way up to the more important stakes.

I would move the adoption of No. 1.

MR. J.C. ANDERSON: Seconded.

MR. W. COPELAND: I would like to ask something. Mr. Irving says if the first amendment was proposed through the National Club and that a decision was made by the National Club?

MR. IRVING: To make it very clear it was sent in by certain people in Calgary or in B.C. who are members of National Clubs.

MRS. W. COPELAND: What I want to establish is that the National Club isn't backing No. 1, and the only people who are backing it are those who sent it in.

The clubs in Calgary - I think both of them were satisfied. There were five clubs in Alberta. There has been a questionnaire circulated in Eastern Canada to clubs, field trial representatives from Winnipeg to the Maritimes and there has been unanimous opposition to the proposed amendment No. 1. There has not been one favourable reply and I wanted to establish that the national club was not backing that and the clubs, certainly, I would say east of Winnipeg were not favourable. I think that people appreciate the motives that it is an attempt to raise the standard of judging, but, we are not persuaded that it will have that result . We feel that with the best intentions in the world, we are very much opposed to it.

MRS. W. COPELAND: No club in Eastern Canada has been consulted on that amendment No. 1.

MR. J.A.H. IRVING: This was in Toronto before the Vernon meeting and it was not brought to the Vernon meeting because we wouldn't have time.

MR. W.J. MONAGHAN: There is one statement I would like to make on this. Now, I refer to this part of Proposed Amendment No. 1, about the third or fourth paragraph. It says: "No person shall be approved to judge any stake..." and son on, "...within a five year period...". This is tantamount to creating a monopoly for certain persons and this (1) if it goes through would certainly eliminate one of the oldest and probably one of the best Retriever judges in Canada, unless he apprentices again, and personally, I do not like that kind of discrimination.

MR. IRVING: There was no such discrimination intended in any way. We followed the procedure that was laid down in other sections for show judges.

THE CHAIRMAN: We will have a vote on this first amendment and have it recorded. All in favour of this proposed Amendment No. 1?

VOTING: For, 3; Against, 14.

PROPOSED AMENDMENT NO. 2

MR. IRVING: The first one is the question of the definition of an amateur. Now, the American National Field Trial Club decided what is an amateur. It is a very important thing that you have similarity of definition as to what is an amateur. That is the reason this amateur definition is proposed here.

MR. R.L. BLYTH: Mr. Chairman, may I as Mr. Irving a question here? I think it is the third paragraph: "A person who does not meet the above qualification, and who wishes to attain amateur standing shall announce this intention by letter to the Directors of the National Retriever Club of Canada..."

MR . IRVING: I would be perfectly satisfied that it should be the Canadian Kennel Club. If you had asked me, I would have said it was the Canadian Kennel Club; but, I certainly agree to change that.

MRS. W. COPELAND: From the questionnaire that was sent out here, everyone is quite in favour of taking the first paragraph of that and under the standing recommendations of the American Kennel Club, the first paragraph there - it was revised in 1959 - and we are not sure that we like the second paragraph about a person who wanted to become an amateur having to go on record about it to the National Retriever Club.

I mean, if he were an amateur for 10 years and decided then that he wanted to go out and handle a dog as an amateur, he couldn't do that unless he had put himself on record with the National Retriever Club. We feel that rather contradicts the first paragraph and that possibly it is not necessary.

We don't feel strongly about it, but we would rather like to have just taken the first paragraph and leave the second paragraph out.

MR. IRVING: Mr. Chairman, I have heard many favourable comments on that very paragraph, in favour of it because it puts a man down in black and white somewhere. Certainly, I think it should be with the Canadian Kennel Club. I am perfectly satisfied with that, because I thought it should be the Canadian Kennel Club.

MRS. COPELAND: If he has been an amateur for 10 years, why does he have to have made this written statement?

MR. IRVING: I guess for the same reason the Americans consider it necessary to do so.

MR. IRVING: May I, first of all, amend No. 2 to delete "National Retriever Club", and replace that with "Canadian Kennel Club".

MR. V.W. WILLIAMS: I moved non-currence in the second paragraph.

MR. W. COPELAND: I second that.

THE CHAIRMAN: Moved by Mr. Williams and seconded by Mr. Copeland. All those in favour of this non-concurrence of the second part of amendment No. 2?

THE SECRETARY: There are 14 for, Mr. Chairman and one against.

THE CHAIRMAN: Then, the first part.

MR. V.W. WILLIAMS: I would move concurrence in Section 1.

MR. W. COPELAND: I will second that.

THE CHAIRMAN: Seconded by Mr. Copeland, concurrence of Paragraph 1. All in favour of Paragraph 1?

SECRETARY: For 18; Against, 0.

Motion carried.

PROPOSED AMENDMENT NO. 3

THE CHAIRMAN: Now, we are down to proposed amendment No. 3. Mr. Irving, again?

MR. J.A.H. IRVING: The second section, No. 3, is that the colour of ribbon for the reserve to the placing dogs will be mauve.

MRS. M. SOUTHCOTT: I will second that.

MRS. W. COPELAND: Mr. Chairman, in reply to the questionnaire that was sent out, a very large majority of people objected to the giving of a reserve winner and also to the fourth section - it is a special coloured ribbon - and to giving a special award at all to the top C.M.

MR. J.A.H. IRVING: It comes down to No. 4. It is just getting it to the colour and getting it out of the way. It is just the colour.

MR. W.J. MONAGHAN: Mr. Chairman, on a point of order. Let's first have our ribbon first of all, and then get the colour.

N. F. BROWN,
Secretary-Treasurer.

MR. J.A.H. IRVING: For some reason in the book the colours come first because they have somewhere along the line decided what colours will be given later on. There's a section in the back of the Field Trial rules referring to the privilege of judges to give an award of merit. It would appear that many people don't know that such a thing can be given. You will see in province after province never an award of merit given, and I know that some of the dogs did a good job and probably a better job than were they got a merit award elsewhere. It is down the back of the book after Beagles, although it applies to all the different variety of field trials, and we are wanting to bring it up to where we are discussing certificates of merit. So judges may make a judge's award of merit entry in the judge's book crediting an unplaced dog with particularly excellent work. Judges shall select, if merit justifies, a reserve dog to the four placing dogs. The dog can be given a ribbon indicating the placing.

MRS. W. COPELAND: We would be quite in favour of that first paragraph being put in Chapter 10 under Section 35, saying that a judge may award a certificate of merit to a dog that has done good work. But the part we object to and feel is giving a fifth place, making a special ribbon, and as it is now when certificates of merit are awarded they are considered equal and no one knows officially which certificate of merit winner did a little better, and, in fact, they are quite often tied. The judge at the present moment doesn't need to separate these dogs as meticulously. Only dogs that are placed he must go on and examine them until he has made a clear separation of dogs, one, two, three and four, and when he has found those four dogs in that order, he can quite properly stop the trial. If there is a fifth, then he has to go and separate these C.M's. We don't feel that there is an adequate reason for this extra reserve.

MR. J.A.H. IRVING: Mr. Chairman, this was put in simply to take care of the cancellations higher up and for a dog to move up into fourth place.

THE CHAIRMAN: It is a motion to approve the section which says: "Judges may make a Judges' Award of Merit entry in the Judges' Book in any state crediting an unplaced dog with particularly excellent work."

MR. W.J. MONAGHAN: In this particular present rule the judges are authorized to award certificates of merit.

MR. J.A.H. IRVING: May I point out that we are absorbing part of the American Kennel Club rules - "The judges may make a Judges' Award of Merit entry in the Judges' Book in any state crediting an unplaced dog with particularly excellent work".

MR. W.J. MONAGHAN: It is in the singular. They may make a Judges' Award of Merit entry in any state crediting an unplaced dog with particularly excellent work. He can make as many awards as he likes but as it is phrased you cover it as being only one. It is in the singular. If the Judge makes two awards, they say he couldn't make it.

MR. J.A.H. IRVING: For each dog that does excellent work.

MR. W. COPELAND: As it stands in the present book: "Providing permission is given by The Canadian Kennel Club, a club holding a trial under these rules and regulations may issue Field Trial Certificates of Merit to dogs placed in field trials or designated for such Certificates of Merit by the Judge or Judges for meritorious work at a licenced field trial. A copy of the proposed Certificate of Merit must be submitted to the Canadian Kennel Club for approval before such permission will be granted. All we are trying to do here is to give the dogs that have qualified by their work in the day, they have indicated a standard of work which qualifies them for a Certificate of Merit, then we would give what they call a Judges' Award, as they dog across the line.

MR. SMITH: What if we have a simple wording: "In any stake crediting an unplaced dog or dogs with particularly excellent work"?

MR. J.A.H. IRVING: We are trying to stick with the American wording, if we can do it. That is what the principle has been in writing this, and it is suggested to change this.

MR. W.J. MONAGHAN: Judges may make a Judges' Award of Merit entry in the Judges' Book in any stake crediting an unplaced dog or dogs.

THE CHAIRMAN: All right, we are going to take a vote on this.

THE SECRETARY: The first vote is for the amended form. Is that right? Crediting unplaced dog or dogs with so and so? This is the amended version?

THE CHAIRMAN: That is right. All in favour of that ? 20 in favour. Against? None against. Now what is your pleasure in 1, 2 and 3.

MR. IRVING: That is another half of No. 4.

MR. COPELAND: I would like to make a motion that that portion be deleted. That is the second paragraph in Part 4.

MR. SMITH: I will second that.

THE CHAIRMAN: There is a motion to delete the last paragraph of 4. All in favour? Nine. Against? Three.

Now, we come back to the first paragraph.

MR. IRVING: No. 4 from now on is what was considered and revised at the Vernon meeting. It is covered by this booklet here you have got. No. 2 is to change the heading. No. 1, you are doing away with the ribbon, you are not going to have to worry about the confliction. No. 2, the heading of the Section is: "Selection of Superintendent, Marshall or Secretary." At Field Trials, the Chairman of the Field Trial Committee is the corresponding person who is the Superintendent of the show. He is responsible for the whole works, and that is the reason for the wording. "Marshall" should come out and should be revised by the Chairman of the Field Trial Committee.

MRS. P. SMITH: Again I have to ask, as it is printed it is not correct, is that right?

MR. IRVING: It is not correct because you don't have a Superintendent at a Field Trial.

MRS. SMITH: As it is printed in the amendment it is asking for the word "superintendent, Marshall or Secretary". We should have put in Chairman of the Field Trial Committee instead of the Marshall.

MR. IRVING: I don't think the word "Superintendent or Secretary" should be in there at all. I think it should be Chairman of the Field Trial Committee. I would rather hear what Mr. or Mrs. Copeland feels.

MRS. COPELAND: At other Field Trials do other breeds use a Superintendent? Is that a word that is used at other Field Trials?

MR. MONAGHAN: If this is to be revised, if this heading is to be revised, at the Foxhound Field Trials it is the Master of Hounds.

MR. IRVING: Then we should put him in too. This whole proposal is that we have got so much for retrievers that we are going to suggest a book by itself.

MR. MONAGHAN: That would be good.

MR. IRVING: We should still put the Master of Hounds in here until at such time as we dicide how the book is to be done.

MR. MONAGHAN: Again I think if we are going to change the heading at all, and I don't think it needs to be changed, but if we are going to change it, put in the Master too.

MR. IRVING: I think it is well taken. We will change the heading.

MR. MONAGHAN: In changing the heading, take out the words Superintendent and put in Marshall?

MR. IRVING: No, Chairman of the Field Trial Committee.

MR. MONAGHAN: Take out the word Superintendent and put in Chairman of Field Trial Committee. We are only proposing to change the heading?

MR. IRVING: That is right.

MR. MONAGHAN: What are you going to do with Section 1?

MR. IRVING: We withdrew it.

MR. MONAGHAN: Section 1 in the books, I mean, what are we going to do with that?

MR. IRVING: We will delete the Superintendent in there and let that read Chairman of the Field Trial Committee.

MR. MONAGHAN: Mr. Chairman, at this time there is no proposal to amend Section 1. I don't think it could be introduced at this late date.

MR. IRVING: We have here a proposal to add to Chapter 5, a section called 3, which reads: "The Chairman of the Field Trial Committee for Retrievers and Irish Water Spaniels shall at all times during the trial wear a distinctive coloured ribbon printed to indicate his office." That is our proposal down there. That is what all this thing was leading up to, to get that section in there. I will tell you the reason why, because strangers come to Field Trials. They want to look to the man who was responsible to whom they may make complaints. They don't want to have to find out who that man is and where he is. He is the man who has to be running everything inside and outside. He is all over the place. He should be easily identified especially when he has got a raincoat on and it is raining.

MR. MacCALLUM: All in favour of Section 2?

SECRETARY: Seven

CHAIRMAN: Against?

SECRETARY: Seven for, one against.

MR. MacCALLUM: All in favour of Section No. 3, of Amendment No. 3?

MRS. COPELAND: That will now read, Chairman. That also has been changed to Chairman as well as Section 2.

MR. IRVING: That is right.

MRS. COPELAND: Instead of Field Marshall.

MR. IRVING: It is to make the Chairman of the Committee responsible for the whole affair. He is the man you go to.

PROPOSED AMENDMENTS NO. 4, 5, 6 & 7.

MR. IRVING: No. 4 has been amended. Various items we haven't settled before meeting in Vernon. We had to put in the old rule. That has all been amended so I will make an amendment attaching all these various amendments to it. Here is the amendment copy I have.

MRS. P. SMITH: Mr. Chairman, I think it is most unfair to ask a member to give his opinion on these. The amendments are printed in December issue. We read that over and those who are not too familiar with such items consult people who are on what is printed. If we are going to vote on the amendment I think it should be either on the printed one or not at all.

MR. IRVING: It is our privilege to amend these. If you like to go through each one, I will go through them.

MR. R.L. BLYTH: There is no reason why Mr. Irving and Mr. and Mrs. Copeland cannot get together for an hour or two and maybe come up with some solution about this and I would suggest it would not take too long and try and work it out together.

MR. W. COPELAND: It would save a lot of time.

MR. BLYTH: I am making a motion, Mr. Chairman, that these people get together.

MRS. W. COPELAND: I am asking if there are any other Retriever people present who would be interested in consulting with us, so that we would all get the benefit from it.

CHAIRMAN: All in favour of that motion? Against? Motion carried.

PROPOSED AMENDMENT NO. 8

CHAIRMAN: Proposed Amendment No. 8 - is the next one. Any comments on this No. 8?

MRS. DERY: I have received a letter from the Ta-I-O Beagle Club in Quebec, reading: "At an executive meeting of the Ta-I-O Beagle Club held on January 13, 1960, it was unanimously resolved that this proposed amendment No. 8 be strongly supported in the following manner. We are in agreement that to raise the points is vital, but we prefer that the same standard be set for each class, namely 75 points with three places necessary, two of which must be first places." There are three clubs that are very much in favour of that. There was lots of discussion on it and all of the three clubs felt very strongly on the matter.

MR. A. CUMMING: I don't think that we can do anything about the Quebec Director's discussion, because we are dealing particularly with the amendments placed on here. I think that the motion cannot be dealt with. She is talking about three clubs. One Ontario Association has 13 and they are in favour of this proposal. So, I think that in fairness, it should be dealt with as a strict proposal as it is written here. Mr. Chairman, I have the minutes of the Annual meeting of the Ontario Association of Beagle Clubs which read as follows: "Moved by Blake, seconded by Shirk, that the Association should take the proper procedure to have the Canadian Kennel Club amend their present ruling on their requirements for Beagle Field Champions from the present point and place structure to a new structure as outlined below:

13" bitches, from 50 up to 50 points, 1 first and 3 places to 75 points, 2 firsts and 3 places.

13" dogs from 35 points, 1 first and 3 places to 50 points, two firsts and three places.

15" bitches from 35 points, one first and three places to 50 points, two firsts and three places.

15" dogs, from 50 points, one first and three places to 75 points, two firsts and three places.

Now, this amendment No. 8 was proposed by all members of the Ottawa Beagle Club, who are not members of our Association, but we are willing to support this amendment because we have the vote of our clubs to support it exactly as it stands. But the reason for the 75 points on the 13" bitches and the 15" dogs against the 50 points on the other, not 75 points across the board - if you look at your entries for 1959 which Mr. McDerment has given us, you will find that those two particular classes have almost twice as many entries as the two classes which we propose a 50 points for. In other words, with the ratio of these dogs being entered, you have got to give the different classes every opportunity. So that is why the points were cut back to those particular classes. The 13" bitch class and the 15" dog class are your

big classes. So we have a recorded vote of this association, and we will back this Ottawa proposal 100%.

CHAIRMAN: Any other discussion on this?

MR. G. TABNER: I move it.

MR. G. HUNT: Seconded.

MRS. P. MACK: On this point, although, granted, we have 10 points and in the United States it is 15, in the United States it is 120 points for Beagles irrespective of 13" or 15". Now, in Canada, it is not as high a mark, but it does seem logical it should be kept more uniform.

MR. J. TIEDE: If you compare the number of entries, the number of entries in Canada, 1959, was 1,255, and in the United States, why the number of entries there would change to 56,000 as compared to 1200. So you can see why there is no uniformity here in Canada.

MRS. P. MACK: I don't want to labour this. It is not a fact of whether it should be 75 or 50, it is the fact that it should be uniform. These dogs are getting closer together on the 13" and 15". If they found that very workable over the last few years in the United States - and a great many of our people go down there and compete - in this way you would keep it uniform for the two sizes of Beagles, and whether you make it 50 or 75, you will still keep it the same for 13" and 15".

MR. HAIG: In regard to the difference in size, as Mr. Cunning pointed out, there are more than twice as many as there are in the class we want 50 points for. In the States you must remember it is not the number of points you need; you have got to get three firsts, and you get your three firsts and you will get more than 120 or 120 points. Here we only need one first, and now, of course, we are trying to get two to make the name Champion worthy of the name Champion.

MRS. P. SMITH: Mrs. Dery asked for it to be 75 points across the board.

MRS. MACK: I will second Mrs. Dery's motion.

MR. CUMMING: According to Mr. McDerment's report, in Ontario there were 1,255, and in Quebec there were 207, a ratio of about 6 to 1, and we have 14 clubs in the association backing this proposal of Ottawa, and I think they should be given an awful lot of consideration when they represent six times as many entries. 13" bitches - this is Ontario - 405 entries; and 13" dogs, 245; 15" bitches, 233; and 15" dogs, 372.

Now, in Quebec the proportion is even greater. 13" bitches, 66; 13" dogs, 18; 15" dogs, 88; 15" bitches, 35. Even in that province those two classes represent a far greater number of entries in the two classes than the 50.

CHAIRMAN: There is an amendment to the motion. Are you all familiar with it?

MR. W. BROWN: The amendment, Mr. Chairman, is made by Mrs. Dery, seconded by Mrs. Mack, that there be 75 points in all stakes. That is the amendment to it.

CHAIRMAN: All in favour of the amendment? Five for, nine against.

Now, we will have the original motion approving this the proposed amendment No. 8. All in favour? (20). Against? (0).

MR. TIEDE: Has there not been a correction made in the date?

MR. MONAGHAN: Yes, it will be taken care of.

PROPOSED AMENDMENT NO. 9

CHAIRMAN: Now, we are going ahead with Proposed Amendment No. 9. Any proposer?

MR. J.A.H. IRVING: Mr. Chairman, I don't mind sponsoring it because I have got an objection here. The Victoria people are quite in favour of this, so are the Vancouver people with the exception that they too think "regularly" should come out. It would read, "...who trains dogs", I propose as an amendment to that. If somebody will move that.

MR. W. BROWN: I will second it.

MR. IRVING: That the word "regularly" comes out. On the bottom line but one in the amendment. It will read "...who trains dogs" instead of "regularly", I think the word "regularly" is only going to cause trouble.

MRS. P. SMITH: We have already had that before the Board what constitutes "regularly".

CHAIRMAN: Any other comments on this Proposed Amendment No. 9?

MRS. SMITH: Mr. Chairman, the trainer as defined by the Board in the past was never in the amendment. It was just simply, I believe, in the standing resolutions, and therefore, I feel that it should definitely be in the rules, so everybody can see it. Everybody doesn't see the standing resolutions as often as the Board does but I agree with Mr. Irving that "regularly" should be taken out. It only makes unnecessary questions on interpretation.

CHAIRMAN: Is "regularly" in there twice? All in favour of this amendment as corrected?

MRS. SMITH: Mr. Chairman, No. 9 and 10 are exactly alike, for two different classes. You can couple those.

CHAIRMAN: They are by the same proposer.

MR. McDERMENT: "regularly" was taken out of there twice.

MRS. SMITH: Out of both amendments and twice out of each amendment.

CHAIRMAN: We will take each amendment separately. We will vote on No. 9 first. Did you move the motion Mr. Irving?

MR. IRVING: Yes.

MR. W. BROWN: I second it.

CHAIRMAN: That the word "regularly" be taken out in every instance where it appears. All in favour?

MRS. M. SOUTHCOTT: May I say something? I can understand the way Mrs. Smith has put it, and Mr. Irving that "regularly" could be a little confusing, but on the other hand, I could go out and, well not me, but somebody else could go out and train a dog or help someone train a dog for one day only and if someone else at a Trial wanted to make it awkward for that person, they could do it on these grounds. That is my only objection.

MR. W. BROWN: We are only taking out the word "regularly".

CHAIRMAN: All in favour of this amendment No. 9?

MR. W. BROWN: That the word "regularly" be deleted.

CHAIRMAN: All in favour? Eight. Against? Three. You have already voted for the change. Now, we want you to vote on it as originally proposed. All in favour? Three. Against? Six.

PROPOSED AMENDMENT NO. 10

CHAIRMAN: We come to paragraph No. 10. Who is the proposer of No. 10?

MRS. P. SMITH: The same thing exactly.

MR. IRVING: Somewhere the word "open" is omitted in that but I can't find where.

SECRETARY: It is right at the very beginning of it. The Obedience Class Open A. That is a correction.

MR. IRVING: I move that the word "open" be inserted between Class and A and the two "regularly" deleted then.

MR. W. BROWN: Same motion.

CHAIRMAN: All in favour? Eight. Against? Two.

PROPOSED AMENDMENT NO. 11

MRS. P. SMITH: No. 11 is just simply a clarification that was left out of the present printing. Isn't that right, Mr. Brown? You were a sponsor of that amendment.

MR. W. BROWN: I move the adoption.

MR. J.A.H. IRVING: I second it.

CHAIRMAN: All in favour of adopting Amendment No. 11 as is? Thirteen. Against? None.

PROPOSED AMENDMENT NO 12.

MRS. P. SMITH: Mr. Chairman in the past a Judge who was judging in an Obedience Trial couldn't have his dog shown in the breed class if the Obedience Trial was held in conjunction with the dog show and we felt that this was unfair to some extent, for the simple reason that Obedience Judges travel a great distance sometimes for very little remuneration and if their wife or their son or their daughter should show a dog in the breed class there should be no confliction there whatsoever and therefore we have made this proposal and it works in both ways. You will find it further down. I won't need to get up and mention it again then. Where a Judge is judging a dog show his family can show in the Obedience Trial. There is no connection between them.

MR. W. BROWN: I second the motion.

CHAIRMAN: All in favour of No. 12?

MR. IRVING: Mr. Chairman, both the Vancouver and Victoria members take strong exception to this. They disagree. There is just as much opportunity in the confirmation, the same place in the Obedience. The rule should not be changed.

MR. W. BROWN: I think that is quite different. I think it is different from a Judge judging an ordinary show.

MR. IRVING: Some of the smaller shows even have the Obedience judge take breed shows.

MRS. P. MACK: The Obedience Trials are a test of performance. It is not a question of any favouritism. There couldn't be.

CHAIRMAN: We are going to vote on No. 12. All in favour? Twenty-three. Against? One.

PROPOSED AMENDMENT NO. 13

MRS. P. SMITH: No. 13, again this is in your Dog Show Rules. It defines who an "exhibitor" is and it doesn't appear in the Obedience Trial rules and I feel we felt that it should be in there.

CHAIRMAN: Will somebody move its adoption?

MR. J. A. H. IRVING: I will move it.

MR. W. DAWSON: I will second it.

CHAIRMAN: All in favour of Amendment No. 13? Nineteen. Against? None.

PROPOSED AMENDMENT NO. 14

MRS. P. SMITH: No. 14, Mr. Chairman. I don't think that I need say a word. I think there was enough time taken up on it last year.

CHAIRMAN: On the "long down"?

MRS. SMITH: That is right, but we were told then that we had the opportunity of putting it in the Amendments. It is now there.

MR. J.A.H. IRVING: Mr. Chairman, Victoria and Vancouver laid down a very definite statement that it was felt Obedience training is to train a dog to work as commanded, then if the dog is not down on command, he should be penalized.

CHAIRMAN: Will somebody move the adoption?

MR. W. BROWN: I will move it.

MR. W. DAWSON: I will second it.

CHAIRMAN: All in favour? Fourteen. Against? None.

PROPOSED AMENDMENT NO. 15

MR. J. A. H. IRVING: Mr. Chairman, the Club requested Corporal Ian Hall to make suggestions in connection with the tracking tests, and he has suggested a change in this rule and I think the new words are down there - after the Tracking Test about the second paragraph .." there must be filed a written statement by a person who is accredited by the Canadian Kennel Club to judge a Tracking Test or by a person specifically approved by the Canadian Kennel Club". You have people who are just as experienced in another town to save a person making a long trip many miles away where tests are going to be held to approve the dog, instead of having to go a long distance and come back in a day or two, this is providing you can have qualified persons for those shows that they may as well judge.

MR. W. BROWN: I move concurrence.

MR. V. W. WILLIAMS: I second it.

CHAIRMAN: All in favour? Twelve. Against? None.

PROPOSED AMENDMENT NO. 16

MR. IRVING: No. 16, Mr. Chairman is in the same category.

MRS. P. SMITH: Mr. Chairman, in speaking of this amongst a lot of the Ontario people, they do not feel that it should be compulsory for a dog to retrieve the article. They feel that as long as the dog indicates the article by voice or pointing or some such thing as that rather than to say that he must retrieve. Many dogs will not retrieve and yet they make very good tracking dogs. Then again, the purpose of a tracking dog is very often to find the lost child and certainly a dog cannot retrieve a lost child so that we feel it should be indicate the article, not retrieve it.

MR. IRVING: Mr. Chairman, I have something here from Corporal Hall. The word for "retrieve" in Webster's is to be found. It defines found as the past tense and past participle of find. Find is defined as "to happen on, come upon, meet with, discover by chance, to get by searching". This definition we felt gave too much leeway in tracking. The dog could come upon a wallet while tracking, indicate the object by a quick flip of the head and continue on to the end of the track, possibly o.k., but we felt that the dog should retrieve the object indicating to the handler that this object was related by scent to the actual track.

MR. W. J. MONAGHAN: In any report of the work of a service dog, you don't say that he retrieves it or that he indicates it. The word is always "locate".

MRS. MACK: Could I ask Mr. Monaghan a question? The definition of the word "locate", do you expect the dog to stop when he finds the article?

MR. MONAGHAN: In service work that is what they use. That is their definition, much better than "indicate".

CHAIRMAN: It is the word "locate" instead of "retrieve". All in favour? Twenty-two. Against? None.

-----Dinner intermission.

PROPOSED AMENDMENT NO. 17

CHAIRMAN: The next item on the agenda is No. 17. These are amendments proposed by the Board. This is the first one and the Secretary will explain it.

SECRETARY: Mr. Chairman, proposed amendment 17 has been placed on the agenda of this meeting on the order of the Board. The purpose of the amendment is just to accomplish one thing; that is make it impossible for a member of the Club under 21 years of age to be elected to the Board of Directors.

MRS. P. SMITH: I move the amendment be accepted.

MRS. SIMMONS: I second that.

MR. W. J. MONAGHAN: In the first place, I don't see there is any need for this amendment at all even if it has been recommended by the Board. To begin with, any person who is a candidate for the Board would be known to at least a sufficient number of voting members and if the voting members, in their discretion, wish to elect somebody who was under 21 years of age, I don't see any reason why they should not. Keep this in mind, that this 21 is an illusion. People under 21 can go and fight. They can serve in the services. People under 21 can own property. People 15 years of age can own life insurance contracts. People 18 years of age can vote in some of the provinces of Canada. Why discriminate here?

MR. W. DAWSON: Whether it is necessary or not, why is it stated they shall be 21 years of age in the year the election is held? If it is necessary to have it why isn't it 21 years of age on January 1st of the year of the Board which they are being elected for?

MRS. GOVE: I am not thinking of whether they can vote at 21. I think under 21 they are very much more gullible and are easily influenced by all sorts of influences, whether it is war or any other thing you want to think of. They go out with flags waving. I think for the protection of the Club and the organization a little age and a little seriousness of thought is needed very badly in an organization of this kind.

MRS. P. SMITH: This amendment, I believe, was put on at the suggestion of a Committee of which I was Chairman last year. On that Committee, as it happened, I had a solicitor on the Committee and in reviewing - he felt we could very well let ourselves in for a great headache. He felt this was simply a safeguard for the Club any time. You never know what is coming up. He felt this was a safeguard and should be in our rules to protect us.

CHAIRMAN: Any other person? You have this motion before you. If there is no further discussion would all those in favour of the motion please signify. The Secretary will count.

SECRETARY: Nineteen for, and ten against, Mr. Chairman.

PROPOSED AMENDMENT NO. 18

SECRETARY: For some years we have been proceeding under our By-laws with a book known as MacGill, "How to Conduct Public Meetings in Canada". If you try to get a copy of that book you would find difficulty getting one, as it is out of print. That is the purpose of changing the By-law.

MRS. P. SMITH: I move acceptance of the motion.

MR. SIMMONS: I second that.

MR. W. J. MONAGHAN: Is there any indication of the cost of the books? That is the first question. I am not kicking about the cost, but when the Secretary says a member can buy it, I think they should be told the price of it and see what they say. The second question is why a very a very recent publication put out here by the Toronto Board of Trade which I think is quite proper and incidentally, a good book for only a dollar or two and the other one is $25.00 or $35.00.

CHAIRMAN: How would this be - that we approve the principle of this proposition, but we change it, because it is not workable, but they leave it to the Board to decide the best book, and the best price?

MRS. P. SMITH: You can get it. Beauchesne, I believe, is the one that the Home and School Association work under and, for instance, our club uses the Home and School one which covers exactly the same thing, as far as the meeting procedure is concerned.

CHAIRMAN: If it is a question of price, I think the Board of Directors should really come to a decision as to which is the most economical and which the most members are going to be able to afford to buy.

MRS. WEIR: Beauchesne's book is essentially Canadian - that might be the reason that the solicitor recommended it.

CHAIRMAN: You have heard the motion. Will you approve this amendment? It has been moved and seconded. All those in favour of the motion, please signify.

SECRETARY: There are five for and twenty-two against.

CHAIRMAN: I made the suggestion earlier at this meeting that the Board be given power to spend the necessary money to buy a book of Parliamentary procedure and which ever they decide upon will be the authority in running the business of this organization until it is changed.

PROPOSED AMENDMENT NO. 19

CHAIRMAN: No. 19, Ladies and Gentlemen.

SECRETARY: This proposed amendment, Mr. Chairman, is on the agenda by order of the Board, and these were the developments that led up to it being put before you. For some years prior to 1959, the Canadian National Sportsmen's Show held three shows, two one-day shows and one two-day show. In 1958, they sought permission to hold three one-day shows and a show on the fourth day limited to certain breeds; in other words, it was not an all-breed show. In support of their application the Sportsmen's people pointed these points out to us: (1) that exhibitors in breeds other than those to be featured at the limited breeds show would still have the opportunity of competing at three shows, with the advantage that the three shows would be held in a period of three days rather than the customary four; (2) in order to build up entries for breeds where clubs were considering their breed classes as specialty or booster shows, a Saturday date was preferable; (3) to confine all these specialty or booster shows to the Saturday and work within an all-breeds show would likely raise the total entry to a point where there would not be sufficient facilities to properly stage a show. In other words, with all these specialty and booster shows coming on, on the one day, they would not have sufficient facilities to hold a show in the way it should be. Now although recognizing that the Dog Show Rules did not specifically provide for such a show, the Board felt that approval should be given on a trial basis and without prejudice to any policy which may be set in the future; in other words, they were not committing themselves by creating a precedent.

Now, here is what was held in March of last year: three one-day shows had entries of 375 dogs, 397 and 417. The fourth show, limited to 13 breeds, had 554. Now, the Board is not aware of any criticism which followed its approval of the arrangement, nor of the way that the limited breeds show was conducted.

Early last October, the Sportsmen's people again sought permission to do the same sort of thing in March of this year. The matter was referred to the national Board and the application was approved, but the Board decided that they would consult the members by way of ballot to find out whether this was the type of thing that the members of this Club wanted; in other words, by putting this proposed amendment in here, and assuming it goes on the ballot, the Board will get an answer as to whether this is the kind of thing that is wanted, and the only way the Board could find out what the wishes of the members were was to put in a proposed amendment, which is now the case before you.

MR. R. T. LAWRENCE: I move concurrence in the Board's proposed amendment.

MRS. D. T. WEIR: Seconded.

MR. T. JOEL: I think personally, if this proposed amendment is carried by the Board, that there is a danger, a grave danger that it may be exploited. Now, for the show coming up, the Sportsmen's Show in March, you will find here in the premium list they have only listed the more popular breeds for this limited-breed show. Now, there is a grave danger that this may be exploited, insofar as they only pick the popular breeds.

MRS. SMITH: It is just simply as it states, it is a limited-breed show, and the question was asked me couldn't they get just as big an entry if they put on an all-breed show on a Saturday, where I believe they could get just as big an entry. I agree entirely with Mr. Joel; I think it is just a means to an end which should be given to all breeds.

MR. McRAE: I think this should be put in a little better light. Sir, I will say this, that we have had three all-breed shows for many years now, at the Sportsmen's Show, and it worked out very well, and they requested that we have specialty shows and certain clubs conformed with the request.

MR. GARDINER: Mr. Chairman, I can't help feeling that there is some implication in this proposed amendment that is not democratic as far as the members are concerned of this Club. Although it definitely says in here "a club or an association", there is no reason why a club would want to put on a limited show. This thing gives an association the power to invite the breeders to come to a show. In other words, if you don't get an invitation, you can't come. Now, I don't see any reason why we, as members, should give an association, any association, power to give us an invitation to go to a show. That is what this amendment will do.

MR. GREENWOOD: In view of the discussion we have had, I will put it this way. It mentions any club. Now, as I see it, they have done this already without the need for any authorization by us. They have done it without having a rule from us. I suggest this should be tabled and left. Let them continue their experiments without benefit of our rule and see how it works out. If it is a success other clubs will be entitled to follow it without the need of this rule being passed because if it is not true the Sportsmen's Show should never have been allowed to do it in the first place.

MR. IRVING: We looked this over pretty carefully. We came to the conclusion that there are just certain breeds that give you a good entry. We could have people having shows for just certain breeds, and forgetting all other breeds. The only solution we could have would be to permit it, when we team up with an all-breed show, for the next day or the day before. If they hold an all-breed show one day they could have their Specialty or limited show the next day to make some money. Apart from that, we were very much against it.

MR. B. McRAE: Mr. Chairman, I must reiterate an article that I wrote recently in "Dogs in Canada". People are going to put the dog show out of business entirely. I brought that up in my article - what happened at the Royal Winter Fair. I don't think there is anyone in this room that will deny what happened there when we got literally booted out, and they made more money renting that space to people that sold cigars and cigarettes, or anything like that, and we cannot get back in. I have heard that ever since we got kicked out, but we are not back in. If you are going to carry this nonsense on, you are going to get put out of the Canadian National Exhibition. You are going to get thrown out of every place where you have a real show spot. We have three big shows, the Sportsmen, the C.N.E., and we have lost the other one. Now, let's not make the same mistake all over again. Let's take a real good long look at this because those people in there, they got 50,000 paid admissions. We sell a lot of dogs.

MR. W. J. MONAGHAN: I have every reason to believe that as a result of what transpired in connection with that show the Board considered in this amendment - on the face of it this amendment is nothing more or less than to ask the members of the Club if they are agreeable to this type of show, whether it is put on by the Sportsmen's Show or any other Club or Association. Now the mechanics of a sponsoring organization, as to which people they will invite and which people they will not invite, is not any business of the Canadian Kennel Club, any more than if you were sending out premium lists for a show, if you do not send the premium list to this particular exhibitor or if you don't send it to that particular exhibitor. It is the same thing. I may be gullible, as I say, but I don't see there is anything sinister in this. Let's talk about it on the merits. Whether it is the Sportsmen's Show or whether it is any other Club, is this a good type of show to stop at the breed level? Now, I think that is the core of the situation. Is it a a good thing no matter who sponsors? There is nothing in here to say that other associations couldn't sponsor it.

MR. IRVING: I do want to make an amendment unless it was coupled with an all-breed show the day before or day after, as long as they give an all-breed show a chance. They shouldn't get a chance to go in and scoop the awards.

CHAIRMAN: Any seconder to that amendment?

MR. LAWRENCE: I second it.

CHAIRMAN: Seconded by Mr. Lawrence. You have here a motion that we send this on for a ballot as it is, and the amendment is we give the, if it carries as to the other situation, the amendment is that we have to - if it is recommended the By-law be amended to the extent that it can't happen unless there is an all-breed show the day before.

MR. GARDINER: Or after. May I ask Mr. Irving through the Chairman if the amendment is designed in favour of the Canadian National Sportsmen's Show.

MR. IRVING: I think any organization that will put a show on that will bring people to see your dogs and buy your dogs, we want them there.

MR. GREENWOOD: What does it boil down to? There is no law for

or against it. Let's leave it to the Board to use discretion. Let's leave it operating like that and if it ever does begin to abuse that is the time to start making rules. It is getting to the point this group is trying to control everything. It is getting to the point we are trying to control by a strict rule everything that happens. You can't do that. It will be a failure. I am suggesting that they leave it to the Board's discretion - let them still be responsible to us, and that is what they are elected for, and if they make mistakes and things like that, that is too bad, but that is part of the honour of the job and part of the responsibility.

MR. W. DAWSON: Ladies and gentlemen, we are all jumping the track here altogether. In answer to Mr. Greenwood, this is put in here because the Board is being criticized for allowing it and we have placed it before you now and it is your pleasure, whether you want them to continue or you don't.

MR. GREENWOOD: That was in answer to me. I still repeat that that is why you are elected to the Board, is to solve a lot of our problems for us.

CHAIRMAN: All those in favour of the amendment, please signify.

SECRETARY: There are six for.

CHAIRMAN: I declare the amendment lost. All those in favour of this? This is only a matter of record. All those in favour of this here as submitted to you? If you endorse this, it will go on the referendum ballot, unless the Board decides to withdraw it, but, if you don't endorse it, well then, the fact that you don't endorse it is then spread out throughout the country, letting the members know that you haven't endorsed it. Do you understand that? You have heard the motion. Do you approve of the principle of this proposition? All those in favour, please signify?

SECRETARY: There are 13 for, and 28 against.

CHAIRMAN: The concensus of opinion of this proposition is that there are 28 against endorsing it and 13 for. Now, it is up to the Board of Directors to decide whether they are going to withdraw it or whether they are going to send it through.

MR. GARDINER: I would like to place before the meeting a motion that this meeting request the Board to withdraw the last proposed amendment.

A MEMBER: I will second that.

CHAIRMAN: Moved and seconded that the Board be requested to withdraw the amendment. All those in favour of this motion that the Board be requested to withdraw it?

SECRETARY: There are 24 for and 4 against.

CHAIRMAN: Now, the Board will consider this matter and decide whether they are going to withdraw it Monday morning. We are being requested to do that, and we will decide whether we will or not.

PROPOSED AMENDMENTS NO. 4, 5, 6 & 7

MRS. W. COPELAND: During the supper hour we got together, the two groups had proposed that Chapter 10 of our Field Trial rules be repealed and be replaced by Chapter 15 of The American Kennel Club Retriever Field Trial rules. After discussion, we find that we really are in agreement on adopting this new Chapter 10. There is no disagreement any further on it. The same thing applies to No. 7. We intend printing up copies of this, though it appears as though we are in agreement.

CHAIRMAN: Would you mind me asking a question? Have you agreed totally?

MRS. W. COPELAND: No. We are in agreement on Chapter 10 and on the Supplement to the Field Trial Rules, but I don't quite know how to handle item 14 of Proposed Amendment No. 6, because it doesn't really belong there, it is really a separate proposal as such.

MR. W. BROWN: I would suggest that you treat it as such. Probably it might be wiser, Mr. Chairman.

MR. IRVING: No. 14, Mrs. Copeland, is No. 7.

CHAIRMAN: I suggest we pass those things we are in agreement on. All those in favour of this portion of the report where both parties have agreed? I am open for a motion.

MR. IRVING: No, what Mrs. Copeland was doing was saying that we were in agreement with No. 4, and I second it.

CHAIRMAN: Regularly moved and seconded that No. 4 of this particular matter as amended be accepted. All those in favour please signify. 30 for the motion; 0 against.

MR. IRVING: I have another motion, that we are in agreement with No. 7 as amended, and I move that we adopt it, and Mrs. Copeland has seconded it.

CHAIRMAN: Regularly moved and seconded that this having been agreed upon by the two parties, the motion is, it be accepted. All those in favour, please signify. 32 for; 0 against.

CHAIRMAN: I am waiting to hear in regards to five and six.

MR. IRVING: Five and six are withdrawn, aren't they?

MRS. COPELAND: That is one way of doing it, but actually what there is, is that we are in agreement with Chapter 10 now, and we are in agreement with the Supplement.

MR. IRVING: No. 5 and No. 7 are dealing with the same thing insofar as we are in agreement on.

MRS. COPELAND: What I would like to see is the names of both groups of proposers on the same things.

MR. IRVING: Mrs. Copeland is signing Proposal No. 4, and the western people will sign their proposal.

MRS. COPELAND: Both sets of names; it is a joint venture with east and west co-operation.

MR. IRVING: That takes care of 4, 5 and 6, and all but Section (1) of No. 7.

MRS. COPELAND: Yes. The first item in Section (1) of Amendment No. 7 is withdrawn. It says that only amateurs should be asked to judge Retriever Trials, and that has been withdrawn. No. 2 we would like revised by deleting all of it except for the first sentence - "No cash or merchandise shall be given as prizes for placing dogs", and we wanted to add, to clarify that statement: "only trophies should be awarded".

MR. IRVING: Mr. Chairman, there are clubs that do give cash. It is pretty hard to say no, we can't take it if a man gets offered $1,000. It is a club matter. If they wish to offer cash, provided they do so within the regulations laid down by the Kennel Club as to how it is to be handled, it should be their privilege.

MRS. COPELAND: We would be very much opposed to a purse of $1,000 being given.

MR. IRVING: I should say it should go to the club as a referendum.

MRS. COPELAND: The third one deals with the combined experience of judges.

MR. IRVING: On that one I have an amendment to that, that you make it five, because you could have some clubs put on a trial with three judges each with one stake, and they would be within your act. If you make it five, you have got to have two judges or one judge with three or two judges with two and one with one. Not going to be hard to do.

MRS. COPELAND: I don't think that there would be any particular objection from members in this area. I don't know whether it might impose a hardship on some other areas of Canada.

CHAIRMAN: I think they can settle this matter themselves if we leave them alone.

MR. W. COPELAND: I think that if we increase it to five, we are placing a hardship on certain areas of Canada if we increase it to five, and the average number of judges that you have on Retriever trials is never more than two with the one exception, your National Stake, at the conclusion of your trials. The possibility of your giving people who are even mildly qualified by having only one trial under their belt is most unlikely but if you confine it to three, I believe it is more representative of the situation across the country.

MR. IRVING: Make it that the combined experience of two judges must be three trials. If they have three judges, they have got to have something more.

MRS. COPELAND: The fourth one was, programs should show all the information about competing dogs that is called for in entry blanks. When you go to a different part of the country, and you are a stranger there, I can tell who the dog is and who bred it and probably some of its ancestors further back. If I go to Alberta say, I would be very interested in some good dog that I saw, and I would probably like to know who bred the dog and its sire and dam. I would like to see that on the program. I have been told perhaps that should be left up to the clubs because it imposes an expense on them to have a catalogue but they could have it mimeographed.

MR. IRVING: That is just a recommendation, and as a recommendation, I am perfectly happy.

MRS. COPELAND: The fifth one was that there should be humane handling and care of game at a trial should be rigidly practised.

CHAIRMAN: Nobody will object to that.

MRS. COPELAND: No. 6. They have taken the revised version which was the first paragraph of the amendment Mr. Irving brought in earlier.

MR. IRVING: It is the same as what we have already dealt with?

MRS. COPELAND: Yes, that is it.

MR. IRVING: I am quite happy to second Mrs. Copeland's proposed recommendations.

CHAIRMAN: We are open for a motion now that we adopt these suggestions, are recommendations by Retriever Trial Committees. All those in favour of the motion, will you please signify? They are asking you to vote for something they want. All in favour? Thirty-two. Against? None.

PROPOSED AMENDMENTS NO. 20, 21 & 23

CHAIRMAN: The Secretary was instructed by the Board yesterday to bring the matter before you and give you the reasons why this is being submitted to you.

SECRETARY: Mr. Chairman, this all deals with Proposed Amendments to the Dog Show Rules, the Obedience and Field Trials; they are Proposed Amendments Nos. 20, 22 and 23. Now each amendment has to do with listing of dogs, and the Board has asked me to speak to you on it, because it is really part of an overall proposal that is now before the Board and it goes much further than just listing of dogs. In your Financial Statement you will have noted that the cost for the Show Trial section last year was $21,739.00. Of that total $6,081.00 was for publication of the show and trial reports in the magazine last year. Some two years ago, we introduced the offset method of printing those. That is the green pages on punched paper you have seen in "Dogs in Canada". In doing that we have saved over $5,000 on printing of office business. With a view to trying to find other ways of improving service, increasing efficiency and lowering costs, we have given some consideration to just what it is we do within the office where it concerns recording of shows. Now, in the cost of running that department last year, there was an amount of $4,391.00 paid to the Live Stock Records office in Ottawa. The cost to insert titles on the records at Ottawa last year was approximately $800.00. The balance of the $4,300.00, some $3,500 odd, was the cost to obtain from the Records Office a duplicate copy of every certificate that is issued for an individual dog. They send us the carbon copies to our office and part of that also includes the charge assigned against us when they notify us of a change of ownership that has been put on the records down there sometime after they originally issued the certificate. They send us copies of change of ownership and we post them on our records in Toronto. This is what it costs us to get carbon copies and additional information from Ottawa. Now when these records come to us from the Records Office, there are several operations in order that these records may be ready for recording awards, and the labour cost involved in completing those processes last year was approximately $2,000 so the sum total cost last year was approximately $5,500 just to get the records in a position where we could use them to record show and trial awards. Bear in mind it was some 26,609 records that came from Ottawa together with 6,000 notifications of transfer of ownership. That is what is involved in all of this work. Now of the dogs covered by these records, a great majority of them are never shown. In fact, I would doubt that 10% of the dogs that are registered ever receive an award on a show or trial, so out of all those records we have, I would say about 90% of them have no use in the recording of shows and trials.

A proposal is before the Board that we simply cut this expense out completely; that we do not get the records from Ottawa. What we would do is to make up a record on a dog when it receives an award. We make it up ourselves in the office, and the cost, I would estimate, including printing of forms, would be somewhere in the neighbourhood of about $500 a year, as against the present cost of $5,500. Going a bit further into this - we record at the present time, every win. It has been our experience over the years that show records have one main purpose. We keep a record of the points a dog is awarded and when he gets what is required for a championship we issue a Championship certificate. Occasionally we will have somebody come to us and ask how many points his dog has. Occasionally we will have somebody ask how many group wins has our dog got, but we don't get requests for complete list of any minor awards. In any event, complete show reports are published in "Dogs in Canada" which in itself constitutes one form of record.

It has been proposed to the Board that to increase efficiency and to cut costs, that the only awards which will actually be recorded on the record for dog shows will be dogs that receive Winners and points, and such awards as Best of Breed and higher. Last year we spent in labour costs approximately $2,000 to record all these awards for dogs in field trials and obedience. It should be obvious if we could cut this work down to these essentials we will be able to get this work posted quicker. We will be able to confirm titles quicker and we hope, if it is finally approved to be able to get show and trial reports in the magazine quicker than at the present time.

On the listing of dogs at the present time, Mr. Chairman, we had somewhere around 6,000 odd listings last year. We have the one set I

spoke of, then the records come to us from Ottawa. We have to find out if these are listed dogs. If they are not listed and they are not registered we have to go through the process of cancelling the awards. If you have a dog that placed first in the open class where there were four dogs, and there is one to cancel, it means we have to pull all four of them and change them. By and large, the cancellations that we put through are not awards of any consequence.

Now, the proposal we have here is this - it makes no sense to go to the trouble of posting a listing record. We have records coming from Ottawa and we go through the whole process of cancellation. Would it not be smarter if we didn't record the wins of listed dogs at all, until they were registered? I have one submission, that instead of the 60 days and the 30 days, it be made one period of 3 months from the show for an official application to come to the office. We notify an owner of a listed dog that he has the three months in order to register his dog and to apply to The Canadian Kennel Club for official recording of whatever shows he wants. He would pay so much per show. If he went to six shows and got only awards at one show which he wants recorded, he would only ask for that show, and pay only for that show.

This is the plan: the Show Secretary, or the Field Trial or Obedience Secretary will not collect a listing fee. The exhibitor will not pay a listing fee. The Show Secretary doesn't have to worry about it and the exhibitor doesn't have to worry about it. If you do get your dog registered, you want only certain shows recorded and you will pay according to that, 50¢ per show. If you take a dog to a show and he doesn't place, a listed dog, you are 25¢ in pocket. If he goes to a show and gets fourth which you don't record, you are 25¢ in pocket. If he wins you pay 50¢.

In the amendment it is 60 days to register and 30 days to apply for official recording. I think it would be much easier to allow a straight three months overall.

MR. B. MacRae: What would the difference be in the receipt of listing fees at the present time, as compared with this scheme?

SECRETARY: In the first place, the listing fees for this year amounted to about $1,200 - $1,300. It is anybody's guess what they might be under the scheme. It would be difficult to say with a 50¢ fee, what would be received.

MR. MacRAE: I move acceptance.

MR. W. J. MONAGHAN: This proposal is one which has been presented by the Board, that is last year's Board?

SECRETARY: This amendment on listed dogs was a proposal that I brought before the Board. The Board said, "Let's put it to the members to find out if it is something they want. Let us put it before them to find out what they think.

MR. W. J. MONAGHAN: I will go on. This proposed amendment is put to the meeting by the Board, last year's Board. I have listened very carefully, and I find there is some merit in it, but there are other loopholes. I will point out what I see as loopholes and leave that for your consideration and judgment. Keep in mind that the unit cost of dealing with a dog is approximately 75¢. We get 25¢, so every time an exhibitor lists a dog, we lose 50¢. My suggestion is this: since we are interested in speeding up registrations and at the same time, as much as possible, cutting down the office routine, the suggestion is that the listing fee, keeping in mind that the unit cost to handle a listed dog is approximately 75¢, that we put the listing fee at a dollar. Anybody who wants to exhibit an unregistered dog will pay a dollar listing fee. You can figure out as well as I can how long they will allow that to continue. You put the tax on the man, and if he wants to continue exhibiting a listed dog, let him pay for it. The sooner he registers it, the more money he will save and that will cut out the necessity of the Secretary having to write reminder letters. It will cut out the necessity for these delinquents to have their cases brought to the Registration Committee, meaning more work for the Committee, meaning more correspondence. My suggestion is that we put the listing fee at a dollar and leave it up to them. The rest of it, I am in agreement with.

MR. ANDERSON: In support of the Secretary's remarks, the Secretary asked me about a week ago if I would call at the office of the Hereford Association, which is the largest breed association within the Records Office. Their experience, I think, is worth a little. They don't do any of the work that we do in the recording of shows and trials, and I think that is what we are discussing in the matter of listed dogs. They put the onus directly on the breeder exhibitor. They publish a monthly magazine at all affairs or shows, as we do, and in their herd book, the equivalent of our stud book, they publish the major wins in order. That is all they do. The rest is up to the breeder. I think, basically, our Secretary is suggesting that we come to that stage. In other words, our office overhead - we are top-heavy, and I think anyone will agree you can't be in business when the overhead reaches a point that you are losing money, which our show and trial section is. I think that, basically, the Secretary's idea is that The Canadian Kennel Club can give just as good service to its members and cut out a lot of this paper work.

PRESIDENT: The Secretary has consulted me and has pointed out this thing to me for a long time. I think this is one of the best things that has been brought to this meeting. I agreed a few years ago when I found out that we were paying - it was costing us 75¢ to do the work for a listed dog and we were only getting a quarter; I voted for a dollar for listing fee, because we were losing about 70¢ on every dog we listed, when you consider the labour cost.

MRS. WEIR: Mr. Chairman, I am in agreement with saving money, as you propose. There is only one question, or one that affects me personally. I delay registration until I am sure of the colour. Now, in breeding Silver Poodles, if you use a black dog with a silver bitch, genetically speaking, you will get one solid colour, and possibly two or three hybrids. Now, the colour of these hybrids does not show. They look black, possibly, at birth, and will continue to do so for nine or ten months, sometimes a year, and sometimes eighteen months, and they can be shown if they are show stock. In order to put the proper colour on the registration, I have to delay the registration of the individual specimen until I am sure of the colour. That is the only way it affects me.

MR. LAWRENCE: The figure of one dollar, I don't agree with. I believe it is based on the process that has been followed in recording shows and trials. Understanding the Secretary's proposal, this Records Office cost is eliminated, and the record for a listed dog would only be recorded in one operation.

MR. GARDINER: Through the Chair, may I ask - Mr. Brown has presented a proposal here, a very original and lucid explanation. Could we ask him what he thinks of the suggestion of Mr. Monaghan to take charge of the breeds himself? We have heard what Mr. Monaghan has said.

SECRETARY: I think I know what Mr. Monaghan is getting at. Mr. Monaghan does not want any change in the rules, as I understand it, that discourages people from registering a dog as quickly as he should do at the present time.

MR. MONAGHAN: That is correct.

SECRETARY: My experience, Mr. Chairman, you must register within sixty days. Actually, we use discretion and they might come back to you two or three times before it is put through. An exhibitor is going to register his dog if he gets points or Best of Breed or Best of Group. He is going to make sure it gets registered. The other way around is that we wouldn't record them unless he registers them within three months. He is in the same position. The only difference that this makes is that it might be a little bit later when he actually registers the dog. If he is showing a dog that is going to get anywhere at all, or even at one show gets something that he doesn't want to lose, he will take steps to register the dog.

MR. A. GREENWOOD: I will propose the amendment that the figure of 50¢ should be amended to one dollar.

A SPEAKER: I will second it.

MRS. P. SMITH: Mr. Chairman, don't the members think that perhaps a dollar may defeat the amendment?

MRS. GOVE: Yes.

MRS. P. SMITH: Mr. Chairman, I feel that what the Secretary has put forward is excellent, and I would very much hate to see it defeated by the fee amount that is mentioned in there. We must remember that people who are voting on this have not had the advantage of the Secretary's explanation of costs. All they are going to do is read it over, a lot of them are not going to understand it, and the minute they see a dollar in there for fee, they will be against it. I think they should pay the dollar, but I think the dollar in there would defeat the amendment.

MR. W. BROWN: Under this proposed amendment there is no listing fee at all when you enter a dog in a show. The only fee that will be payable is when you want to have the wins at a given show recorded. So, in effect, if a dog is taken to a show, someone mentioned a puppy, if he enters it, he doesn't pay any fee at all, but if he does go someplace, he will pay it.

CHAIRMAN: We have an amendment by Mr. Greenwood, seconded by Mr. Williams. Now we are going to put the question. All in favour? For, 28; against, 7.

MR. GREENWOOD: I propose a motion that an explanation of the information given to this meeting tonight be appended to the amendment when it is published.

MR. W. DAWSON: Second the motion.

CHAIRMAN: All in favour? Motion carried.

PROPOSED AMENDMENT NO. 21

MR. IRVING: Number 21, ladies and gentlemen. In the old book of rules there was a rule that any person interfering to distract the attention of a dog from outside the ring was taboo. Recently there have been two or three very flagrant examples of people attracting the attention of a dog that is being judged so that it can be shown to good advantage; whereas if you took the owner out of the picture so that the dog couldn't see him it wouldn't show so well. So that this rule has been suggested that it has an amendment instead, and I would suggest an amendment to the amendment:

"Any person within or outside the judging ring who does anything calculated to attract or distract or otherwise interferes in any way with the attention or deportment of a dog under judgment, may be disciplined by the Board in whatever way it considers in the best interests of the Club, or the judge may take summary action; that this rule be incorporated in the book of the Dog Show Rules, and in the meantime be recorded in the book of Standing Resolutions, so we are being governed on it from now right on."

MR. V. W. WILLIAMS: Second the motion.

MR. GREENWOOD: I will agree with Mr. Irving if he will insert a few words: "If any person with the exception of a judge". If you say, "any person", you are barring the judge.

MR. IRVING: Any person other than the judge.

MR. MONAGHAN: And the exhibitor.

MR. GREENWOOD: And the handler. A judge worth his salt won't allow it within the ring. Any judge in the ring worth his salt will not tolerate any interference, not even from the handlers.

MRS. WEIR: Mr. Chairman, I have shown a lot of dogs in my lifetime, and if you can put any amendment into the Dog Show Rules - the audience who are not members of this Club, if you can keep them from attracting the dog's attention, I am in favour, but you can't do it. They are not members of this Club; they are perfect strangers.

MR. GREENWOOD: If it is made by an official, I am all in favour of it, but I think they should be very careful to make it free from frivolous complaints, because if it is going to be open to frivolous complaints by any exhibitor, some dog shows are going to go on until midnight or two o'clock and you are going to be pestered to death. Work in the office certainly will be doubled with these complaints. You are already inundated with complaints. I think something should be done about it. I am in favour of the general idea of it. I think the wording should be gone over with great care.

MR. WILLIAMS: This proposed amendment will have a decided psychological effect to discourage any of these things which we don't want, and that is the idea of it.

CHAIRMAN: We are going to take a vote on this now. Mr. Irving has revised the motion, or amendment to this amendment which you have here. Are you all familiar with Mr. Irving's amendment? All in favour? Fourteen. Against? Eleven. Fourteen for, eleven against.

PROPOSED AMENDMENT NO. 24

MR. IRVING: Mr. Chairman, this is simply to authorize the Secretary of The Canadian Kennel Club to send out the invitations to the dogs eligible to compete in the National Trials for eligibility instead of the Field Trial Secretary.

MR. McDERMENT: I second the motion.

MR. IRVING: The reports don't get in quick enough for the Field Trial Secretary to get them out.

CHAIRMAN: Moved by Mr. Irving and seconded by Mr. McDerment. All those in favour? Any against? Carried. Twenty-six for, none against.

PRIVATE BREEDING RECORDS

The By-laws of The Canadian Kennel Club require that each breeder keep a private breeding record book which shall contain full particulars of his breeding operations and identification of all dogs in his possession.

To assist breeders The Canadian Kennel Club has arranged for a simple and inexpensive private breeding record book. The price is 50¢ per copy. Order, with covering payment, should be forwarded direct to The Canadian Kennel Club, 667 Yonge Street, Toronto 5, Ontario.

MEETING OF THE BOARD OF DIRECTORS

JANUARY 8, 1960

(Continued from March issue)

(9) an Examining Committee composed of J. W. MacCallum (Chairman), R. T. Lawrence, Ian C. Miller, Jas. G. McFarlane, and C. M. Stevens, had examined Mrs. Edna I. Joel, Toronto, Ont. in connection with her application for approval as a judge of all breeds in Groups #1 and #3, and had recommended approval of her application.

It was regularly moved by Mr. MacKendrick, seconded by Mrs. Dery:
(#25-60) "THAT, we accept the Examining Committees' reports, and appropriate additions be made to the list of approved judges."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

The Secretary pointed out that a new Chapter 7 of the Dog Show Rules had become effective on January 1, 1960, and suggested that the Board fix policies designed to implement sections of the new Chapter 7 regarding written and oral examinations, appointment of examining committees, and naming of "key breeds" in connection with the approval of judges for the variety groups and General Specials.

It was regularly moved by Mr. Blyth, seconded by Mr. MacCallum:
(#27-60) "THAT, Mr. McDerment be appointed a Committee, with power to add to the Committee, to consider these questions, and present a report and recommendations to the annual meeting of the Board."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.
ABSTAINED FROM VOTING (being named in the motion): Mr. McDerment.
Motion carried.

11 D 25. SHOW DATES

The Secretary reported that earlier in the meeting he had been informed, by long distance telephone, that the Truro Kennel Club was desirous of holding a championship show at Truro on April 16th, and reported that he had been informed that Mr. Gratton would approve the application.

The Office Manager reported that:
(1) on January 12th he had received from the Central Cocker Spaniel Club of Ontario its application for permission to hold a specialty championship show on April 15th;
(2) on December 31st he had received from the Poodle Advancement Association its application for permission to hold a specialty championship show for Poodles on March 15th.

Following discussion it was regularly moved by Mr. Monaghan, seconded by Mr. MacKendrick:
(#28-60) "THAT, we adhere to the rule which requires that application for a show date must be received by The Canadian Kennel Club not less than four months in advance of the proposed show date."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

11 D 56. CLASS DIVISIONS

The Secretary read a letter from the Pekin Palace Dog Club of Canada enquiring as to the steps to be taken to require that the Open Classes for Pekingese at all championship shows must be divided: (a) under eight pounds; (b) over eight pounds.

Following discussion it was agreed that the Secretary would inform the Pekin Palace Dog Club of Canada that:
(1) the present Dog Show Rules do not require that the Open Classes for Pekingese at championship shows held under the Club's rules be divided by weight;
(2) the Board does not have the power to insist that show-giving clubs shall provide for such a division;
(3) each show-giving club is free to provide for such a division provided notice is given in the classification section of its premium list.

OBEDIENCE TRIALS

12 OB 17. DATES FOR OBEDIENCE TRIALS

The Office Manager reported that the St. Catharines & District Kennel & Obedience Club had applied for permission to hold two licensed obedience trials on May 22nd, and enquired whether the Board felt that this application conflicted with the specialty show for all Terriers to be held by the All Terrier Club on that date.

It was agreed that the application be approved on the grounds that these are not conflicting events.

The Office Manager:
(1) reported that in accordance with the Board's instruction (see Item #11 D 25 - November 17th) a letter had been despatched to the Kingston & District Kennel Club with regard to its selection of an Obedience Trial Chairman for the trial which it proposed holding with its championship show on June 18th;
(2) read a letter from the Kingston & District Kennel Club stating that it had "no one else around Kingston who is as capable" as the person named on its application for date, stating that it could not "afford to pay some one to come from a distance for twelve to fourteen dogs", and contending the adverse reports on its trials related to the judge, not the conduct of the trials;
(3) reported that information received from the present, and former, Obedience Representatives for Ontario indicated that the conduct of recent trials held by the Kingston & District Kennel Club left something to be desired in the conducting of an obedience trial.

It was agreed that the Secretary would continue to ask the Kingston & District Kennel Club to appoint a capable Obedience Trial Chairman.

It was regularly moved by Mr. Monaghan, seconded by Mr. MacKendrick:
(#29-60) "THAT, the Secretary write the Kingston & District Kennel Club."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

FIELD TRIALS

13 FT 29. BEAGLE TRIALS

The Secretary read a letter from The Ottawa Valley Beagle Club reporting that the game laws of the Province of Ontario had been changed to allow the legal setting of snares indiscriminately, and this would present a hazard not only to wildlife but to dogs used for hunting purposes.

Mr. Monaghan stated that he believed an Order-in-Council had been passed changing the situation reported by the letter from the Ottawa Valley Beagle Club, and suggested that the Secretary obtain particulars from the Ontario Dept. of Lands and Forests.

The matter was left in the Secretary's hands to obtain further particulars.

The Office Manager:
(1) reported that the Field Trial Rules and Regulations require that two judges officiate at a licensed field trial for Beagles (pack trials);
(2) reported that for some time consideration was given Beagle clubs in the Maritimes to the extent that trials were permitted with but one judge officiating;
(3) reported that the matter had been taken up with Mr. Little, who recommended that the past policy be continued for one more year.

Following discussion it was regularly moved by Mr. Blyth, seconded by Mrs. Southcott;
(#31-60) "THAT, we insist that the rule be complied with."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

The Office Manager reported that:
(1) the Ta-I-O Beagle Club had applied for permission to hold a licensed pack trial for Beagles at Hemmingford, P.Q. on May 14th-15th, and the Grand River Beagle Club had applied for permission to hold a licensed pack trial for Beagles at Belwood, Ont. on May 14th-15th;
(2) the Ontario Association of Beagle Clubs felt that these trials, on simultaneous dates, would not conflict with one another.

The Office Manager was instructed to approve both applications.

GOOD AND WELFARE

14 G 19. SEEING EYE DOGS

The Secretary read a letter from The Simcoe Kennel and Obedience Club suggesting that The Canadian Kennel Club investigate the possibility of setting up a fund for the purchase and training of Seeing Eye Dogs, and advising that it would be prepared to start the fund by making the first donation.

The Secretary was instructed to:
(1) seek details regarding Seeing Eye Dogs from the Canadian National Institute for the Blind;
(2) refer the matter to the Board at its coming annual meeting.

14 G 20. DONATION TO CHARITY

Mr. MacKendrick:
(1) pointed out that in accordance with the wishes of the family of the late Mrs. M. E. McEachren, the Club had not sent flowers;
(2) referred to the announcement in the January issue of "Dogs in Canada" with regard to contributions to a fund the entire proceeds of which are to be turned over to Mrs. McEachren's favorite charity, service, or project;
(3) moved the following motion:
"THAT, the amount of money which would have been used to pay for flowers for Mrs. McEachren be sent as a donation to her favorite charity through the fund being handled by "Dogs in Canada"."

Mrs. Southcott expressed the view that the best way in which the Club could honour the memory of the late Mrs. McEachren was a subject which should be considered by the national Board at its coming annual meeting, and expressed a willingness to second the motion if altered to provide that the proposal outlined in the motion be considered at the coming annual meeting of the Board.

The motion was not altered nor seconded, and is recorded here at the request of Mr. MacKendrick.

ADJOURNMENT

The meeting adjourned at 7:00 p.m.

*****

Some breeders appear to be under the impression that they cannot submit applications for registration of individual dogs until they receive the litter registration certificate. That is not correct. It is permissible to submit applications for registration of individual dogs with the application for registration of litter, or at any time after the application for registration of litter has been despatched to the Canadian National Live Stock Records.

(SECRETARY'S NOTE: Where, in these minutes, the words "Motion carried unanimously" follow a motion, said words mean that all of the following members of the Board voted in favour of the motion: J. W. MacCallum, V. W. Williams, J. C. Anderson, R. L. Blyth, Wm. Dawson, Mrs. Leo Dery, Mrs. J. Gove, H. M. Gratton, J. A. H. Irving, Robert Little, W. H. MacKendrick, Wm. McDerment, W. J. Monaghan, Mrs. M. E. Southcott).

FEBRUARY 12, 1960

A regular meeting (hereinafter referred to as the "annual meeting") of the Board of Directors of The Canadian Kennel Club was held in the Club's offices, 667 Yonge Street, Toronto, Ontario, commencing at 10:00 A.M. on Friday, February 12, 1960, with the President, Walter Brown, in the Chair, and the following members of the Board present: J. MINUTES

3 M 24. MINUTES OF MEETING HELD JANUARY 8, 1960

The Secretary:

(1) reported that each member of the Board had been provided with a copy of the draft minutes of the meeting of the Board held on January 8, 1960;

(2) stated that the minutes should be corrected by the addition of the following paragraph immediately following the roll call:
"At the President's request the Board observed two minutes silence in memory of the immediate Past President, Mrs. M. Eileen McEachren, who died suddenly while flying home from Bermuda on December 28th";

(3) read the following letter from Mrs. Southcott:
"I notice in reading over the minutes of the Jan. 8th meeting of the Board, that Mr. MacKendrick requested that his motion (14 G 20) be recorded, although he did not get a seconder. Therefore, I am requesting that it also be recorded that I stated my willingness to second his motion if he would reword it to have the matter referred to the annual meetings, since I felt that it was a National Board matter and required further discussion and thought regarding the best way in which the Canadian Kennel Club could do honour to the memory of Mrs. McEachren. However, Mr. MacKendrick refused to make any change in his motion, and therefore I did not second it.";

(4) stated that the last six resolutions numbered 25-60 to 30-60 inclusive should be renumbered 26-60 to 31-60 inclusive.

It was regularly moved by Mr. Blyth, seconded by Mr. Little:

(#32-60) "THAT, Mrs. Southcott's request be entered in the minutes."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Dery, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. McDerment.
AGAINST THE MOTION: Mr. MacKendrick, Mr. Monaghan.
ABSTAINED FROM VOTING: Mrs. Southcott.
Motion carried.

It was regularly moved by Mr. MacKendrick, seconded by Mr. Dawson:

(#33-60) "THAT, the minutes of the meeting of the Board held on January 8, 1960, as corrected, be adopted."
Motion carried unanimously.

INTERNAL AND ADMINISTRATION

9 A 31. BOARD MEETINGS

The President stated that it is customary for the Board, at its annual meeting, to decide when each session would commence and end, and sought the Board's pleasure.

Following discussion it was regularly moved by Mr. Williams, seconded by Mr. McDerment:

(#34-60) "THAT, each daily session commence at 9:30 A.M."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Dery, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan.
AGAINST THE MOTION: Mrs. Southcott.
Motion carried.

It was regularly moved by Mr. Irving, seconded by Mr. Dawson:

(#35-60) "THAT, each daily session adjourn at 6:00 P.M. except when the Board deems it advisable to continue beyond that time."
Motion carried unanimously.

The President pointed out that:

(1) the Special Committee on Dachshunds had arranged for a meeting of the Committee to be held in the Club's offices on Sunday, February 14, at 10:00 A.M. and all members of the Board had been invited to attend the Committee meeting and participate in the Committee's discussions, particularly with regard to a proposed message which the Committee intended to address to all Dachshund fanciers in Canada; and

(2) announced that the Progressive Kennel Club of Canada would be staging a sanction show commencing at 2:00 P.M. on February 14th, and members of the Board would be welcome at the show.

URGENT MATTERS

The President stated that in preparing the agenda the Secretary had listed a number of matters under the heading of "Urgent Matters", having done so at the request of members of the Board or in the belief that such matters should be considered before the Annual General Meeting.

The Secretary read resolutions #551-59 and #552-59, adopted by the Board at its meeting on December 8, 1959, with regard to Item #11 D 10 (Judges' Critiques).

It was regularly moved by Mr. Monaghan, seconded by Mr. Little:

(#36-60) "THAT, this item (#11 D 10) be discussed now."
Motion carried unanimously.

DOG SHOWS

11 D 10. JUDGES' CRITIQUES

Mr. Williams stated that:

(1) in recommending that the Board set up a system of judges' critiques he felt that such an arrangement should have a good effect on judging in general;

(2) members of the previous Board had been provided with the critiques he had submitted after conducting an experiment at several shows at which he had officiated as judge;

(3) he had suggested the appointment of an impartial Committee to analyze the critiques received from judges, the Committee to submit reports to the Board;

(4) an analysis of critiques by an impartial Committee would enable the Board to assess the work of officiating judges, particularly in those cases where the critiques submitted indicated a lack of knowledge of breed standards;

(5) certain mechanics of the procedure remained to be settled.

The Secretary reported that:

(1) since the last semi-annual meeting of the Board, and following correspondence with Mr. Williams, the draft of a form to be used by judges had been prepared, the form to call for a simple grading of "Excellent", "Very Good", "Good", and "Fair", under headings: Condition, Temperament, Gait, Soundness, and Conformation (the latter sub-divided into: head, forequarters, body and hindquarters);

(2) Mr. Williams had submitted the draft of a proposed letter to officiating judges (Secretary read this proposed letter);

(3) the original proposal called for the judge to submit, on a single page, his critiques on the dog awarded Best of Breed and the dog which he considered to be the runner-up to Best of Breed, however if these critiques are to be referred to a special Committee for appraisal, it might be preferable for the judge to complete a single card for each dog.

Mr. MacKendrick expressed the view that the prime purpose of proposal is to enable a proper assessment of the work of judges, and the merits of the individual dogs are not important except to enable that assessment to be made.

Mr. Blyth stated that he would be more interested in why a judge put certain dogs down rather than those he put up.

The President referred to the procedure followed by the German judge who officiated at the German Shepherd Dog Club of Canada's last specialty show, and stated that he felt that something worthwhile could be done along the lines proposed.

Mr. McDerment reported that at shows held on the Continent (Europe) every dog is graded as Excellent, Very Good, Good, or Fair.

Mr. Monaghan said that the critiques would serve a more useful purpose if made on the dogs awarded Winners, Reserve Winners, and Best of Breed.

Mr. Irving stated that the plan should be extended to include group placements in order that group judges could indicate why they favoured certain dogs above others.

After further discussion it was regularly moved by Mr. Dawson, seconded by Mrs. Dery:

(#37-60) "THAT, this critique be required on dogs awarded Winners, Reserve Winners, and Best of Breed."
Motion carried unanimously.

It was regularly moved by Mr. Anderson, seconded by Mr. Monaghan:

(#38-60) "THAT, the Committee continue to function to study this project and work out the mechanics of using the critiques received, and report to the Board at a future date; Mr. Williams to continue as Chairman with power to add to the Committee."
FOR THE MOTION: Mr. MacCallum, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Dery, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
ABSTAINED FROM VOTING: Mr. Williams (being named in the motion).
Motion carried.

INTERNAL AND ADMINISTRATION

9 A 67. APPOINTMENTS FOR 1960

The Secretary reported that:

(1) it is customary for the Board, at this session, to decide whether it will place any recommendations before the Annual General Meeting with regard to the appointment of the Club's representatives to the Live Stock Records Board;

(2) Mr. Monaghan had a proposal to place before the Board on this subject.

Mr. Monaghan:

(1) pointed to the long standing policy of the Live Stock Records Board in providing for continuity in office (usually seven years) of those elected to the Live Stock Records Committee;

(2) pointed out that Mr. MacCallum, one of the Club's representatives in 1959, had been elected to the Records Committee, and steps should be taken to ensure his return to the Committee by recommending to the Annual General Meeting that Mr. MacCallum be appointed, for the next five years, as one of the Club's representatives to the Records Board;

(3) expressed the view that continuity of office as a representative on the Live Stock Records Board is an important factor in the election of members of the Records Committee, and suggested that this

policy of continuity be extended by providing for the election of the Club's representatives for varying terms of five, four, and three years respectively, for those holding the offices of President and Secretary to automatically be representatives of the Club, and for the election of two ex-officio members who may act in the absence of other of the Club's representatives who may find it impossible to attend meetings of the Records Board.

Following discussion it was regularly moved by Mr. Monaghan, seconded by Mr. Anderson:

(#39-60) "THAT, this Board ask the Annual General Meeting to approve appointment of Representatives to the Live Stock Records Board for terms of years as follows: one for five years, one for four years, one for three years; the President and Secretary to be representatives by virtue of office; and in addition the appointment of two members of the Club as ex-officio representatives; the number of votes at the Annual General Meeting to determine those elected for five, four, and three years respectively, and those who will be ex-officio representatives; and at each succeeding Annual General Meeting the vacancies be filled."

Motion carried unanimously.

It was regularly moved by Mr. Irving, seconded by Mr. Williams:

(#40-60) "THAT, it be recommended to the Annual General Meeting that the following be elected representatives to the Live Stock Records Board: Mr. MacCallum, Mr. Blyth, Mr. McDerment, Mr. MacKendrick, Mr. Monaghan; with the proviso that it is most important to this Club that Mr. MacCallum top the ballot as he is a member of the Record Committee; and the results of the ballot will determine the various terms of office."

Motion carried unanimously.

The President sought the Board's pleasure with regard to other scheduled appointments for 1960.

Following discussion it was regularly moved by Mr. Anderson, seconded by Mr. Dawson:

(#41-60) "THAT, Mrs. Mary Southcott be appointed as Chairman of the Obedience Council; that Mr. Robert Blyth be appointed Chairman of the Field Trial Council; that Mr. Walter Brown be appointed Chairman of the Registration Committee, the Kennel Names Committee, and the Complaints Committee, with Mr. J. W. MacCallum Mr. W. H. MacKendrick, and Mr. Wm. McDerment as members of those Committees; that Mr. Peter Wright, Q. C. be appointed the Club's solicitor; that Dr. Alan Secord be appointed the Club's Honorary Veterinarian; that the President, Vice-President, and Secretary-Treasurer be appointed as the Investments Committee; that the Club's representatives with regard to Dog Foods continue to be Mrs. Mary E. Southcott, Mr. Robert Blyth, and the Secretary-Treasurer; that Mr. W. J. Monaghan be appointed Chairman of the Amendments Committee; that the President be appointed Chairman of the Committee dealing with applications of those seeking to establish their eligibility to judge at championship shows."

Motion carried unanimously.

After discussion it was regularly moved by Mr. Monaghan, seconded by Mrs. Gove:

(#42-60) "THAT, the appointment of the Chairman of the Promotion, Publicity & Public Relations Committee be postponed until after the Chairman's report has been discussed."

FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. McDerment, Mr. Monaghan. (7)

AGAINST THE MOTION: Mr. Anderson, Mr. Blyth, Mrs. Dery, Mr. Irving, Mr. Little, Mr. MacKendrick, Mrs. Southcott. (7)

The President cast a deciding vote in favour of the motion.

Motion carried.

It was agreed that the President, as Chairman of the Committee responsible for the examining of those seeking to establish their eligibility to judge at championship shows, would be responsible for the appointment of examining committees as and when required, working through the local provincial Directors where committees are required outside the province of Ontario. It was agreed that a separate committee would be appointed to work out the mechanics of applying the new Chapter 7 of the Dog Show Rules.

It was regularly moved by Mr. Monaghan, seconded by Mr. Irving:

(#43-60) "THAT, the balance of the appointments be left over and taken up in sequence as the items appear on the agenda."

Motion carried unanimously.

-----A discussion followed as to what other items should be taken up at this first session.

It was regularly moved by Mr. Irving, seconded by Mr. MacKendrick:

(#44-60) "THAT, after lunch we confine our time at this session to those matters which may come up at the Annual General Meeting."

Motion carried unanimously.

-----Luncheon intermission.

9 A 71. 1961 ANNUAL MEETINGS

The Secretary:

(1) pointed out that it is customary for the Board, at its annual meeting, to set the date and place of the next following Annual General Meeting, and also the date of commencement of the annual meeting of the Board;

(2) reported that Mr. Monaghan had asked that this matter be included on the agenda for discussion at this first session.

Mr. Monaghan suggested that at this session the Board decide on the date and place of the next Annual General Meeting in order that an announcement may be made at the Annual General Meeting.

Mr. Irving pointed out that for many years it had been the practice to hold the annual meetings prior to the Westminster Kennel Club show, and recommended that the practice be reinstated.

Mrs. Gove suggested that the annual meetings commence on a Monday in order that members of the Board may utilize the preceding week-end for travelling purposes.

After discussion it was regularly moved by Mr. MacCallum, seconded by Mr. Irving:

(#45-60) "THAT, the Club's Annual General Meeting in 1961 be held in Toronto on Saturday, February 4th, commencing at 10:00 A. M., and the annual meeting of the Board commence on February 3rd, 1961, and continue at the pleasure of the Board."

FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Dery, Mr. Gratton, Mr. Irving, Mr. Little, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.

AGAINST THE MOTION: Mrs. Gove, Mr. MacKendrick.

Motion carried.

It was agreed that an announcement regarding the date and place of the 1961 Annual General Meeting would be made at the Annual General Meeting.

Mr. Irving pointed out that at the last semi-annual meeting of the Board he had given notice of intention to suggest that the Board consider holding the 1961 annual meetings at Vancouver, however upon analyzing the expenses involved he had felt that the cost would be prohibitive, and for that reason had not raised the question during the preceding discussion.

DOG SHOWS

11 D 54. "DOUBLE HANDLING"

Mr. Irving:

(1) stated that at the last semi-annual meeting the Board had discussed the advisability of an amendment to the Dog Show Rules to provide for disciplinary action against any person interfering with judging by so conducting or attiring himself as to affect the conduct of a dog within a show ring;

(2) pointed out that the Secretary, as instructed, had drafted a proposed amendment, and notice of such amendment had been given in the December issue of "Dogs in Canada";

(3) suggested that the amendment be broadened to include any person whether within the ring or outside the ring.

Mr. Gratton expressed the view that something should be done with regard to those who, when handling dogs in the ring, interfere with or distract other dogs under judgment; and suggested that an appropriate notice be published in all premium lists.

Following discussion it was regularly moved by Mr. Williams, seconded by Mr. Gratton:

(#46-60) "THAT, any person either within or outside the judging ring who does anything calculated to attract or distract or otherwise interfere in any way with the attention or deportment of a dog under judgment, may be disciplined by the Board in whatever way it considers in the best interests of the Club, or the Judge may take summary action; that this rule be incorporated in all future premium lists until it is included in the book of Dog Show Rules, and in the meantime be recorded in the Book of Standing Resolutions."

(STANDING RESOLUTION) Motion carried unanimously.

11 D 25. SHOW DATES

The Secretary reported that:

(1) since the last meeting of the Board an appeal from the Board's decision with regard to its application to hold a specialty show on April 15, 1960, had been received from the Cocker Spaniel Club of Central Ontario;

(2) on January 13th the applications of the Kiwanis Club of Kerrisdale to hold championship shows and licensed obedience trials on April 15th-16th, 1960, had been received from Mr. Irving;

(3) acting on the President's instruction the members of the national Board had been polled on the question of whether these applications should be approved;

(4) the following members of the Board had voted in favour of granting the application of the Cocker Spaniel Club of Central Ontario: W. H. MacKendrick, Wm. Dawson, Robert Little, V. W. Williams, J. C. Anderson, J. A. H. Irving; and Mrs. Southcott had voted against approval of the application;

(5) the following members of the Board had voted in favour of granting the applications of the Kiwanis Club of Kerrisdale: W. H. MacKendrick, Wm. Dawson, Robert Little, V. W. Williams, J. C. Anderson, J. A. H. Irving; and Mr. Monaghan had voted against approval of the applications;

(6) having regard for the voting, as above recorded, the President had instructed that the foregoing applications be approved.

The Secretary:

(1) reported that The All Terrier Club of Canada had been granted permission to hold a specialty show for all Terriers on May 22nd;

(2) reported that the Poodle Advancement Association had later been granted permission to hold a specialty show for Poodles on the same date;

(3) read a letter from the Poodle Advancement Association requesting that the date of their specialty show be changed from May 22nd to June 26th;

(4) read a letter from the All Terrier Club of Canada indicating that it did not wish any other specialty show to conflict with its specialty show on May 22nd;

(5) reported that in 1958 The Bulldog Club of Central Ontario and the Central Ontario Beagle Club had held specialty shows on the same date, the German Shepherd Dog Club of Canada and the Western Ontario Spaniel Club had held specialty shows on the same date, and in 1959 the German Shepherd Dog Club and the Western Ontario Spaniel Club had held specialty shows on the same date;

(6) requested that the Board set a policy governing the allocation of dates to specialty clubs.

Mr. Monaghan stated that he saw no conflict between the Beagle and Bulldog clubs holding specialty shows, in the same zone, on the same date and the Poodle and Terrier clubs holding specialty shows on the same date, and pointed out that the Poodle Advancement Association had violated the Dog Show Rules by announcing the date of its show and judge before obtaining approval from The Canadian Kennel Club.

Following discussion it was regularly moved by Mr. Monaghan, seconded by Mr. Irving:

(#47-60) "THAT, the Poodle Advancement Association be informed that it has violated the Dog Show Rules - Chapter 3, Section 5, and Chapter 8, Section 1 (c) - by advertising in the official magazine the date of its show and name of judge before approval was obtained from The Canadian Kennel Club; that the Board takes a very serious view of these flagrant violations; that approval of their application for permission to hold a show on May 22nd, 1960, is hereby revoked; and consideration cannot be given any applications until such time as they have filed with the Secretary an apology for these violations of the Rules, and an undertaking to abide by the Dog Show Rules in the future."

FOR THE MOTION: Mr. Dawson, Mrs. Dery, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. MacKendrick, Mr. Monaghan. (7)

AGAINST THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Little, Mr. McDerment, Mrs. Southcott. (7)

The President cast a deciding vote against the motion, stating that he did not feel an apology should be required.

Motion lost.

Following further discussion it was regularly moved by Mr. Monaghan, seconded by Mr. Irving:

(#48-60) "THAT, the Poodle Advancement Association be informed that it has violated the Dog Show Rules - Chapter 3, Section 5, and Chapter 8, Section 1 (c) - by advertising in the official magazine the date of its show and name of judge before approval was obtained from The Canadian Kennel Club; that the Board takes a very serious view of these flagrant violations; that approval of their application for permission to hold a show on May 22nd, 1960, is hereby revoked; and consideration cannot be given any application until such time as they have filed with the Secretary an undertaking to abide by the Dog Show Rules in the future."

FOR THE MOTION: Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Dery, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. Monaghan.

AGAINST THE MOTION: Mr. MacCallum, Mr. McDerment, Mrs. Southcott.

Motion carried.

The Secretary reported on the points considered by the Board when it granted the Canadian National Sportsmen's Show application to hold breeds shows pending consideration by the members of a proposed amendment to the Dog Show Rules which, if approved by voting members, would permit of this type of show.

After discussion it was agreed that no action be taken until the proposed amendment in question is discussed at the Annual General Meeting.

Mr. Anderson:

(1) pointed to the Board's discussion with regard to applications for show dates being received within the minimum of four months preceding the date of proposed show;
(2) reported that he had received, from a specialty club in Alberta, an application to hold a specialty show, the application having reached him within the four months preceding the proposed show date;
(3) sought a ruling on this particular application.

Following discussion it was agreed that:

(1) the four-months rule must, in future, be strictly adhered to regardless of extenuating circumstances;
(2) provision should be made for the approval of an application which, in the case of a proposed show outside the province of Ontario, reaches the provincial Director more than four months in advance of the proposed show date but, for any one or more of a variety of reasons, does not reach the office of The Canadian Kennel Club more than four months in advance of the show.

It was regularly moved by Mr. Monaghan, seconded by Mr. Irving:

(#49-60) "THAT, the Board hereby interprets the third sentence of Section 1 of Chapter 3 to mean that the Director of a zone outside of Ontario constitutes the sub-committee referred to in that Section, and the office of the Director in that zone shall be considered the office of The Canadian Kennel Club, insofar as it affects that zone, for the purpose of interpreting this Rule."

Motion carried unanimously.

It was agreed that:

(1) a provincial Director's recommendation of approval of a show date automatically indicates that the application reached his office more than four months in advance of the show date;
(2) the purpose of the ruling set forth in resolution #49-60 is to interpret the Dog Show Rules for administrative purposes, and does not constitute a change of rule.

INTERNAL AND ADMINISTRATION

9 A 14. EXECUTIVE MANAGER'S REPORT

The Executive Manager (Secretary-Treasurer):

(1) pointed out that through the adoption of the offset method of printing show and trial awards, minutes, etc. in the official magazine, there had been a saving of approximately $5700 in printing costs in the last two years;
(2) pointed out that there are three main steps in the maintenance of show and trial records for listed dogs:
   (a) the making up of a record including all the information normally shown on the records for a registered dog;
   (b) the necessity of checking against the files of listed dogs the duplicate copies of certificates issued by the Live Stock Records for individual dogs, this to ascertain whether exhibitors are registering their listed dogs as required by the rules;
   (c) the necessity of cancelling awards when listed dogs are not registered, this often involving adjustments in the records of registered dogs credited with higher awards and championship points when awards of listed dogs are cancelled;
(3) pointed to the proposal which he had placed before the Board, at its last semi-annual meeting, intended to provide an entirely new policy and procedure with regard to listed dogs, and reported that in accordance with the Board's instruction he had arranged for that proposal, in the form of proposed amendments #20, #22, and #23, to be published in the December issue preparatory to their consideration at the Annual General Meeting;
(4) pointed out that the Live Stock Records furnishes the Club with a carbon copy of each individual certificate of registration issued, and notifies the Club of transfers of ownership recorded, the cost to the Club for these services in 1959 being about $3500.00;
(5) stated that the labour costs involved in processing the records and transfers received in 1959 from the Records Office amounted to approximately $2000.00;
(6) expressed the view that of the 26,609 dogs registered individually in 1959 less than 10% would ever receive an award at a show or trial, therefore about 90% of the records received from the Live Stock Records office would have little use, and none from the point of view of recording show and trial awards;
(7) suggested that the Board consider the advisability of instructing the Live Stock Records to discontinue furnishing the Club with the records referred to in (4), and instead the Show & Trial Section make up such records as may be necessary to record show and trial awards;
(8) pointed out that:
   (a) there was a total of 301 shows and trials in 1959 as compared with 155 in 1954;
   (b) the peak periods for the Show and Trial Section were in the spring and autumn, particularly so in the months of May and September, and this resulted in the building up of a backlog of work which often resulted in delays in the issuance of championship or other certificates and the publication of show and trial awards in the official magazine;
   (c) apart from the recording of championship points or qualifying scores in order that titles may be confirmed when earned and the few occasions when owners request information about major awards earned by their dogs, the bulk of awards recorded serve no useful purpose for full show and trial reports are published in the official magazine;
(9) expressed the view that the confirmation of titles and the reporting of show and trial awards in the official magazine would be expedited if, while continuing the full reports of shows and trials in the official magazine, recording of wins is confined to Winners, Best of Breed and higher awards and championship points and qualifying scores, and at the same time reduce considerably labor costs in recording show and trial awards (approximately $2,000 in 1959);
(10) pointed out that the cost to prepare, at the Live Stock Records office, the copy for Volume #62 of the Stud Books was approximately $3,000;
(11) suggested that if labor saving steps are taken as outlined it may be possible, without addition to the staff, to prepare much of the copy for the new litter record book;
(12) stated that the proposal with regard to the listed dogs was basic to a consideration of the other proposals for if the Club's Toronto office is not to receive records from Ottawa, then a new policy with regard to listed dogs is imperative.

Mr. Monaghan reviewed the several proposals re listed dogs considered in recent years, pointed to the higher cost of maintaining show and trial records for listed dogs as compared with the cost for registered dogs, and expressed the view that a more effective way to overcome the problem would be to raise the listing fee to $1.00 without any restriction as to the number of shows at which a dog may be listed.

Mr. Irving suggested that the members attending the Annual General Meeting be informed of all the points raised by the Executive Manager in order that they may better assess the value of the proposed amendments re listed dogs of which notice had been given on the order of the Board.

It was regularly moved by Mr. MacCallum, seconded by Mrs. Gove:

(#50-60) "THAT, the Secretary be given the opportunity of placing this before the Annual General Meeting to-morrow, and the Board discuss the results at a later date."

Motion carried unanimously.

INTERNAL AND ADMINISTRATION

9 A 57. LIABILITY INSURANCE

The Secretary:

(1) reviewed a proposal received from Mr. K. H. Doyle, General Manager of Ontario Insurance Service, with regard to the Club arranging for liability insurance coverage on all shows held under its rules;
(2) enquired whether the Board wished to discuss, at this meeting, the matter with Mr. Doyle.

Mr. Irving and Mr. Monaghan pointed out that in his submission Mr. Doyle had stated that in order that an over-all policy may be issued at the extremely low rate proposed "it would be necessary for all show giving clubs to purchase the Insurance", stated that some clubs already arrange for liability insurance coverage and would no doubt wish to continue doing so, and that therefore it would be extremely unlikely that all show-giving clubs would wish to participate in the arrangement proposed by Mr. Doyle.

Mr. Williams stated that the Club itself does not hold shows, and its various rules deny liability on its part for any loss or damage arising at or by reason of any show held under its Rules.

Following discussion it was agreed that:

(1) it is extremely unlikely that all show-giving clubs would voluntarily participate in such a scheme;
(2) the Club should not seek to compel all show-giving clubs to participate in such a scheme, particularly so in the case of those show-giving clubs which prefer to make their own arrangements with regard to liability insurance;
(3) no useful purpose would be served in pursuing the matter further at this time.

FINANCIAL MATTERS

5 F 18. FINANCIAL STATEMENTS FOR 1959

The Secretary presented the financial statements, as received from the Club's auditors, for the fiscal year ended December 31st, 1959, and stated that bonds #8 and #9 in Schedule #4 of the statements were purchased in 1959 rather than in 1958 as shown in statements sent to the Board.

The financial statements were ordered referred to the Annual General Meeting.

-----The Secretary reported that in accordance with standing instructions, Dr. F. J. Leslie, Chief Registration Officer, Department of Agriculture, and Mr. F. G. Hodgkin, Director, Canadian National Live Stock Records, had been invited to meet with the Board at its session on Monday, February 15th. It was agreed that at this time the Board would consider those matters which it may wish to take up with Dr. Leslie.

COMPLAINTS, CHARGES AND PROTESTS

8 C 7. REPORT OF SPECIAL COMMITTEE

The Secretary:

(1) reviewed the developments which had led the Board to appoint a Special Committee to draft proposed amendments intended to provide the means by which a breeder, when selling dogs as pets, may provide a form of certificate on the understanding that such dogs could not be used for breeding purposes;

(2) reported that in accordance with instructions given by the Board at its last semi-annual meeting, following consideration of the Special Committee's report, he had drafted proposed amendments to the By-laws which had been forwarded to members of the Board with a memorandum dated January 22nd;

(3) reviewed discussions with Dr. Leslie at a meeting of the Complaints Committee last November.

Mr. Irving suggested that the Live Stock Pedigree Act should be revised to permit the Club to cancel the registration of a dog when, upon inspection, it is not found to be representative of the breed. It was agreed that this question would be discussed with Dr. Leslie.

Mr. Irving suggested that consideration be given to the recording of every dog in a litter, and it be then left to the breeder to decide what dogs should be individually registered in the usual way.

Mr. Little and Mr. Monaghan expressed the view that the most effective way to provide for a continuing improvement in stock is to set up an advanced registry.

Mr. Gratton stated that steps must be taken to eliminate from breeding programmes those dogs which, if used for breeding purposes, can only result in a deterioration of quality in a breed.

It was agreed that this question would be discussed with Dr. Leslie.

ADJOURNMENT

At 6:00 P. M. the meeting adjourned to reconvene in the same place at 9:30 A. M. on Monday, February 15th, 1960.

****

FEBRUARY 15, 1960

The annual meeting of the Board of Directors of The Canadian Kennel Club reconvened in the Club's offices, 667 Yonge Street, Toronto, Ontario, at 9:30 A. M. on Monday, February 15th, 1960, with the President, Walter Brown, in the Chair, and the following members of the Board present: J. W. MacCallum, V. W. Williams, J. C. Anderson, R. L. Blyth, Wm. Dawson, Mrs. Leo Dery, Mrs. J. Gove, H. M. Gratton, J. A. H. Irving, Robert Little, W. H. MacKendrick, Wm. McDerment, W. J. Monaghan, and Mrs. M. E. Southcott.

COMPLAINTS, CHARGES AND PROTESTS

8 C 7. REPORT OF SPECIAL COMMITTEE

The Board resumed its discussion of possible legislation on the issuance of special certificates for dogs sold as pets, a subject to be discussed with Dr. F. J. Leslie, Chief Registration Officer of the Department of Agriculture, later during this session.

Mr. Irving:

(1) suggested that all dogs in a litter be individually recorded at time of litter registration, a certificate (to be known as a "Certificate of Ownership") to be issued for each dog in the litter, each certificate to show name of dog, sex, and colors;

(2) pointed out that under such an arrangement a breeder, when selling a dog as a pet, would simply endorse the certificate and deliver it to the new owner with the dog, no transfer to be recorded at the Live Stock Records office; the same procedure to be followed with each subsequent change of ownership of the same dog;

(3) suggested that when a dog is to be individually registered in the Club's records the "certificate of ownership" issued for that dog would be returned to the Live Stock Records office with the application for registration;

(4) suggested that the fee for a "certificate of ownership" be lower than the fee which would be set for a certificate of registration.

Mrs. Southcott suggested that the special certificate for a dog sold as a pet be in duplicate for if such a certificate is to be provided in lieu of a certificate of registration and on the understanding that the dog is not to be used for breeding purposes, then the vendor would require some proof that the dog had been sold under those terms, in which event the vendor would obtain the signature of the new owner on the duplicate copy and would retain it as proof of the terms under which the dog was sold or otherwise disposed of.

Mr. Monaghan stated that:

(1) since 1941, with the exception of 1959, the operational unit cost of the Live Stock Records office was, in each case, double that of the eleventh year preceding, and since the operational unit cost in 1959 was about 65¢, the unit cost would increase to $1.30 by 1972;

(2) having regard for the trend in the unit cost, care should be exercised in fixing fees which would be payable by breeders under any new programme which may be instituted.

Mr. Irving read a letter, which he had received from a member, drawing attention to the advertising of a branch of the S. P. C. A. in which breeds recognized by the Club were named, the inference being that the dogs advertised for sale were pure-bred.

Mr. Williams referred to a previous decision of the Board regarding a letter to be sent to pet shops, Humane Societies, etc. drawing their attention to the provisions of the Live Stock Pedigree Act regarding the delivery of certificates of registration for dogs sold as pure-bred.

The Secretary reported that arrangements had been made with Dr. Leslie for the mailing of such a letter by the Department, but this could only be done when the mailing list is compiled, and that required the co-operation of each member of the Board in furnishing information with regard to pet shops, Humane Societies, etc. in his or her electoral zone.

It was regularly moved by Mr. Williams, seconded by Mrs. Gove:

(#51-60) "THAT, all Directors make a special effort to provide the Secretary with a list of all known pet shows, pet dealers, Humane Societies, and S. P. C. A. branches."

Motion carried unanimously.

INTERNAL AND ADMINISTRATION

9 A 46. PROMOTION, PUBLICITY AND PUBLIC RELATIONS

The President reported that the Misses Dunn and Peer, of the Key Publications Co., had expressed a desire to appear before the Board, at this meeting, in connection with the promotion, publicity and publication relations programme carried out in 1959.

It was regularly moved by Mrs. Gove, seconded by Mr. McDerment:

(#52-60) "THAT, we meet with Misses Dunn and Peer at 11:00 A. M. on Tuesday, February 16th."

Motion carried unanimously.

-----Dr. F. J. Leslie, Chief Registration Officer of the Department of Agriculture, and Mr. F. G. Hodgkin, Director of the Canadian National Live Stock Records, entered the meeting, were welcomed by the President, and introduced to members of the Board.

COMPLAINTS, CHARGES AND PROTESTS

8 C 7. REPORT OF SPECIAL COMMITTEE

Dr. Leslie was informed of the Board's consideration of possible new legislation with regard to the issuance of special certificates for dogs sold as pets, a matter which had been discussed with him at a meeting of the Complaints Committee held on November 16th, 1959.

During the discussion which followed, and in response to specific questions, Dr. Leslie stated that:

(1) the Live Stock Pedigree Act makes it clear that when a dog is sold as pure-bred an offence, punishable by fine or imprisonment, has been committed if the vendor fails to provide the purchaser with a certificate of registration, issued by The Canadian Kennel Club, showing duly recorded transfer of ownership;

(2) a private agreement or civil contract waiving delivery of a certificate of registration for a dog sold as pure-bred has no force or effect, and does not supercede the requirements of the Live Stock Pedigree Act;

(3) he did not believe that the Minister would approve any amendment to the Club's By-laws which would provide for two classes of certificates of registration where one of the two types places any restriction on the use of a registered dog for breeding purposes;

(4) the person responsible for registering a dog is the person responsible for its proper identification regardless of when, and by whom, the dog is identified for registration purposes;

(5) a dog eligible for registration in the Club's records would continue to be eligible for registration regardless of any programme instituted with regard to dogs sold as "pets".

In response to a question Dr. Leslie stated that he would address a special letter to pet shops, pet dealers, Humane Societies, branches of the S. P. C. A., etc., with regard to sale of pure-bred dogs, as soon as he was provided with a mailing list.

Advised of the Board's policy to take appropriate action on all complaints regarding alleged failure of sellers of pure-bred dogs to provide purchasers with certificates of registration for dogs sold as pure-bred, Dr. Leslie stated that authority to adopt and carry out such a policy is provided in the Club's By-laws.

In response to a question Dr. Leslie stated that the Department would consider, in the usual way, any proposed amendment to the By-laws, approved by referendum ballot, which would provide for the cancelling of a certificate of registration issued for a dog of poor quality.

During a discussion on the inspection of private breeding and identification records, Dr. Leslie stated that the records of a breeder should be open to inspection by a duly authorized representative of the Club or the Department at any reasonable time, and if a breeder, whether or not a member of the Club, refused to permit such inspection at a reasonable time, then the Department could refuse to approve certificates of registration for said breeder.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 48. TITLES ON CERTIFICATES

Mr. Irving reported that when a breeder had sought to record transfer of ownership of a dog sold to a former Justice of the Supreme Court, the Live Stock Records Office had refused to record the title held by the new owner, and sought clarification of the policy governing the showing of this and other titles on certificates of registration.

Dr. Leslie stated that the Department had not laid down any policy or regulation on this subject, and it was a matter between the associations and the Live Stock Records office.

Mr. Hodgkin stated that the policy of not showing civil and military titles on certificates of registration was a long standing policy fixed many years ago following consultation with the affiliated associations, but stated that if The Canadian Kennel Club wished to adopt a different

policy the Records Office would endeavour to carry out its wishes.

INTERNAL AND ADMINISTRATION

9 A 22. REVISION OF THE LIVE STOCK PEDIGREE ACT

Dr. Leslie was asked what disposition had been made of the Club's representations with regard to revisions in the Live Stock Pedigree Act which its representatives had placed before the 1959 annual meeting of the Live Stock Records Board.

Dr. Leslie stated that the Club's proposals had been referred to the Department of Justice, and the Department was not conducive to dealing favourably with the proposals.

FINANCIAL MATTERS

5 F 3. BUDGET FOR CANADIAN NATIONAL LIVE STOCK RECORDS

The Secretary referred to the financial statements of the Live Stock Records Office for the years 1957 and 1958, and stated that if the full amount of the Departmental grant to the Records Office was not correctly allocated in each of these two years, then the reported operational item cost for each of the two years would not be correct.

Mr. Hodgkin undertook to take the matter up with the auditors for the Records Office, and advise the Secretary of his findings.

In response to the Secretary's question Mr. Hodgkin stated that it had been the policy for many years to treat as an expense for the year the entire cost of furniture and equipment purchased in the year.

The Secretary:

(1) pointed out that the proposed 1960 budget for the Records Office showed an anticipated revenue of $600 for "Copies for Ayrshire and Jersey offices";

(2) asked Mr. Hodgkin what constituted the "Copies" referred to in this item.

Mr. Hodgkin stated that:

(1) these "copies" are a copy of individual certificates issued by the Ayreshire and Jersey clubs;

(2) these copies are produced by re-running through the I. B. M. equipment the cards prepared for the original certificates of registration;

(3) the anticipated revenue of $600.00 was based on the anticipated number of copies which would be made in 1960;

(4) the charge assessed against the Ayreshire and Jersey clubs was the actual cost of re-running the cards through the I. B. M. equipment.

The Secretary:

(1) stated that all affiliated associations share the rental cost of I. B. M. equipment used by the Records Office;

(2) stated that for a comparable number of copies the Kennel Club would be required to pay about $2400 on the basis of a unit cost which, it was understood, applied to all affiliated associations.

Mr. Hodgkin suggested that the Secretary communicate with him, by letter, about the matter, and it would be taken up by the Live Stock Records Board.

This concluding the matters to be discussed with Dr. Leslie and Mr. Hodgkin, it was regularly moved by Mr. Williams, seconded by Mr. McDerment:

(#53-60) "THAT, Dr. Leslie and Mr. Hodgkin be thanked for their presence here today."

Motion carried unanimously.

-----Dr. Leslie and Mr. Hodgkin left the meeting.

-----Luncheon intermission.

Upon reconvening the Board reviewed the discussion relating to the proposed charge for copies of certificates to be received, from the Records Office in 1960, by the Ayreshire and Jersey clubs.

It was regularly moved by Mr. Williams, seconded by Mrs. Gove:

(#54-60) "THAT, the Secretary take this matter up with the Director of Canadian National Live Stock Records."

Motion carried unanimously.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 15. LITTER KITS

The Secretary:

(1) pointed out that under protest the Club had paid an extra 1/6th operational item charge for each litter kit issued in 1959, the total cost being about $600.00;

(2) stated that if the same charge is continued in 1960, then the cost to the Club would likely run to $1.000;

(3) recommended that further representations be made to the Live Stock Records Committee with a view to eliminating this charge.

It was regularly moved by Mr. Irving, seconded by Mrs. Southcott:

(#55-60) "THAT, the Secretary be authorized to make strong representations to the Live Stock Records Committee re charge for litter kits."

Motion carried unanimously.

COMPLAINTS, CHARGES AND PROTESTS

8 C 7. REPORT OF SPECIAL COMMITTEE

The Board reviewed its discussions with Dr. Leslie with regard to possible arrangements for the issuance of special certificates for dogs sold as pets.

After discussion it was regularly moved by Mr. Anderson, seconded by Mrs. Southcott:

(#56-60) "THAT, the proposal re pet dogs be approved in principle, and the matter be referred to Committee with the Secretary to prepare the mechanics and report to the Board."

Motion carried unanimously.

It was regularly moved by Mrs. Gove, seconded by Mr. Little:

(#57-60) "THAT, the Committee consist of two members and the Secretary."

Motion carried unanimously.

It was regularly moved by Mr. McDerment, seconded by Mr. Anderson:

(#58-60) "THAT, Mr. Monaghan be appointed Chairman of the Committee."

FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Dery, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. McDerment, Mrs. Southcott.

ABSTAINED (being named in the motion): Mr. Monaghan.

Motion carried.

The President called for nominations on a member to be elected to the Committee. Mr. MacKendrick and Mr. McDerment were nominated. A ballot was conducted. Being advised of the results of the Ballot, the President declared Mr. McDerment elected a member of the Committee referred to in resolutions #56-60, #57-60 and #58-60.

FINANCIAL MATTERS

5 F 3. BUDGET FOR CANADIAN NATIONAL LIVE STOCK RECORDS

Mr. Monaghan:

(1) stated that there is a provision in the Articles of Affiliation whereby, from time to time, associations may make representations with regard to changes in the schedule of operational item charges;

(2) expressed the view that at the present time the Live Stock Records office is carrying out operations for the Kennel Club on certain items at rates higher than justified by the costs involved;

(3) stated that over a period of years the Secretary had effected a number of decreases but other reductions should be sought.

The President stated that he had repeatedly spoken about charges assessed for work handled by the Records Office for the Club, more particularly in connection with what he felt to be unnecessary duplication such as the maintenance of membership records at both offices.

It was regularly moved by Mr. Irving, seconded by Mr. Williams:

(#59-60) "THAT, the same Committee (resolution #56-60) take under review the entire scale of charges and present a report to the Board."

Motion carried unanimously.

5 F 2. POSTAGE ON MEMBERS' COPIES OF "DOGS IN CANADA"

Mr. MacKendrick:

(1) reviewed the report which he had presented to the January meeting of the Board following discussions with Post Office officials at Ottawa in December;

(2) reported that the publishers of "Dogs in Canada" had since received a cheque for $269.13 from the post office, being a refund of overcharges on postage for the October, November and December issues;

(3) reviewed correspondence with the Chairman of the Legislative Committee of the Periodical Press Association who had undertaken to discuss the matter with officials of the Post Office Department when presenting the Association's views on other matters relating to the mailing of publications.

The Secretary reported on further discussions with the Chairman of the Legislative Committee of the Periodical Press Association who suggested that the Post Office might be prepared to extend second class mailing privileges on all copies of "Dogs in Canada" provided that all copies mailed are weighed on the assumption that each and every copy includes the special insert included only in copies mailed to members of the Club.

Mr. Monaghan pointed out that according to the Club's agreements with Apex Publishers & Publicity Ltd., regarding the publication of "Dogs in Canada" and mailing of magazines to members of the Club, postage costs are the responsibility of the publishers, and questioned the propriety of the Club interceding in the matter on behalf of a private company.

It was regularly moved by Mr. MacKendrick, seconded by Mr. Williams:

(#60-60) "THAT, this matter be taken up with the publishers in the morning."

Motion carried unanimously.

5 F 18. FINANCIAL STATEMENTS FOR 1959

Mr. Irving pointed to the 3% bonds held by the Club and enquired whether the Investments Committee had considered disposing of these bonds and reinvesting the proceeds in 6% (or higher) bonds now available.

The Secretary stated that for some time the market price of the 3% bonds held by the Club was such that to dispose of them would mean a substantial loss in capital which, even if amortized over a period of years, would still mean a net loss to the Club regardless of any reinvestment in 6% bonds.

Mr. Monaghan suggested that it be a standing policy that interest on the Club's investments be invested, and recommended consideration of the purchase of 6-1/2% Trust Certificates for a stated term, preferably five years.

The President pointed out that during the past three years the Club's investments had increased by $17,000.00.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 5. REGISTRATION OF AMERICAN FOXHOUNDS

The Secretary:

(1) stated that at the January meeting of the Board Mr. Monaghan had asked that at this meeting the Secretary report on the number of American Foxhounds which had been registered individually in 1959 as a result of the extension granted by the Board at its previous annual meeting;

(2) reported that a review of the records indicated that 21 American Foxhounds, born in Canada and registered with the International Foxhunters' Association, had become eligible for registration and were registered in the Club's records in 1959 as a result of the extension granted by the Board;

(3) stated that it would be difficult to estimate the number of other

American Foxhounds which had become eligible for registration in the Club's records as a result of the registration of any of these 21 dogs, but stated that the registration of one male had made it possible for eight other dogs to be registered in the usual way;

(4) read a letter from Mr. E. D. Bonnyman, Governor of the All Canadian Fox Hunters' Association, expressing the Association's appreciation of the action taken by the Board.

7 R 10. CHANGES IN A. K. C. BREED STANDARDS

The Secretary:

(1) reported that in accordance with a new policy established by the Board in 1959, notice had been given in the December issue of the official magazine that at this meeting the Board would consider whether it should approve for Canada the following changes in breed standards previously approved by The American Kennel Club:
(a) a new standard for the Bouvier des Flandres;
(b) a new standard for the Schipperke;
(c) a new standard for Poodles;
(d) a new standard for the Griffon (Brussels);
(e) changes in breed standards for Field Spaniels, Sussex Spaniels, Airedale Terriers, and English Toy Spaniels;

(2) reported that with said notice there had been published an invitation to those interested to submit their comments with regard to these changes in breed standards;

(3) read a letter from Mr. Nigel Aubrey-Jones with regard to the proposed standard for the Griffon (Brussels);

(4) read letters from the Poodle Advancement Association and Mr. E. C. St. John Green with regard to the proposed standard for Poodles;

(5) read a letter from Mrs. Ellen Brown with regard to the proposed standard for Schipperkes.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. Dawson:

(#61-60) "THAT, no action be taken at this time to adopt, for Canada, the proposed standards for Schipperkes, Griffons (Brussels), and Poodles, until those interested in these breeds have full opportunity to forward their recommendations to the Board."

Motion carried unanimously.

It was regularly moved by Mr. Williams, seconded by Mr. Blyth:

(#62-60) "THAT, we approve the new standard for the Bouvier des Flandres, and changes in standards for the Field Spaniel, Sussex Spaniel, Airedale Terrier, and English Toy Spaniel."

Motion carried unanimously.

7 R 15. LITTER RECORD BOOKS

The Secretary:

(1) reported that in a memorandum addressed to the Board on January 30th he had outlined proposed arrangements with regard to the format of the new Litter Record Book, and with that memorandum there had been forwarded:
(a) a proposed "Colour Abbreviations" chart to be employed in recording colours in the Litter Record Book;
(b) a sample of the proposed arrangement of the information to be shown for litters registered in 1959, also a sample of the proposed arrangement of a Sires' Index, a Dams' Index, and a Breeders' & Owners' Index.

During the discussion which followed it was agreed that the record of litters registered, and the several indexes should be segregated by breeds.

It was suggested that:

(1) there should be uniformity in the recording of colours in each breed;

(2) in recording the colours of American Cocker Spaniels, the four basic colour divisions should be employed (viz. Black, ASCOB, Parti-colour, Black and Tan);

(3) because of the possibility that the letter "Y" may have a special application in connection with the registration of Dachshunds, consideration be given to the use of another code to designate the colour "Yellow".

It was regularly moved by Mr. Irving, seconded by Mrs. Gove:

(#63-60) "THAT, we agree in principle with the Secretary's recommendations, and empower him to proceed with the publication of the book."

Motion carried unanimously.

The Secretary:

(1) pointed out that when the offset method of printing show and trial awards, minutes, etc. had been instituted in 1958, an I. B. M. Executive Model typewriter had been purchased for use in typing the copy, and through this method of printing there had been a saving in printing costs of approximately $5700;

(2) pointed out that an amount of approximately $3,000 had been paid to the Live Stock Records for preparing the copy of the last Stud Book, a cost which could be reduced if part of the copy for the new Litter Record Book is produced at the Club's Toronto office;

(3) reviewed the points raised in his report (File #9 A 14 - Executive Manager's Report - February 12th) previously placed before the Board at this meeting, and sought authority to purchase another I. B. M. Executive Model typewriter.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Gove:

(#64-60) "THAT, the Secretary be authorized to purchase such a machine, if necessary."

Motion carried unanimously.

7 R 20. ARTIFICIAL INSEMINATION

Mr. Little:

(1) pointed to the very wide use of artificial insemination in other breeds of live stock to the decided advantage of breeders in those breeds;

(2) pointed out that in cattle it had been established that usable semen had been stored for as long as five years through the employment of a freezing process;

(3) read a letter which he had received from V. M. Martinson, of Fredericton, who:
(a) pointed to the substantial costs which a breeder would face should he wish to ship a female, by rail or air, to a distant point for mating purposes;
(b) pointed to the likely wider use of outstanding stud dogs if dog semen could be stored and shipped to distant points;

(4) reported on discussions and correspondence with Dr. D. G. Moore, of the New Brunswick Central Artificial Breeding Co-Operative Ltd., at Fredericton, regarding possible experiments with a view to establishing whether dog semen could be stored and what processes should be followed;

(5) suggested that the Board allocate funds for experimental purposes.

Mr. Little having stated that he expected to hear further from Dr. Moore before this meeting adjourned, the matter was ordered held over for discussion later in the meeting.

-----The President sought the Board's pleasure with regard to adjournment of this session.

Mrs. Gove and Mrs. Southcott suggested that the session continue beyond 6:00 P. M.

It was regularly moved by Mr. Monaghan, seconded by Mr. MacKendrick:

(#65-60) "THAT, we adjourn today at 6:00 P. M."

FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Dery, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan.

AGAINST THE MOTION: Mrs. Gove, Mrs. Southcott.

Motion carried.

7 R 23. STANDARD FOR THE AMERICAN COCKER SPANIEL

The Secretary:

(1) referred to the Board's previous decision to withhold approval of a change, adopted by The American Kennel Club, in the standard of The American Kennel Club, pending receipt of a report following research on the height and weight of American Cocker Spaniels;

(2) reported that he had not received a report on the research conducted to date;

(3) reported that he had been informed of the possibility that the American standard may again be altered.

It was regularly moved by Mr. Monaghan, seconded by Mr. Irving:

(#66-60) "THAT, this item be set over until the next annual meeting of the Board."

Motion carried unanimously.

7 R 24. KENNEL NAMES

The Secretary reported that he had corresponded with The Kennel Club in England with regard to a possible understanding between the Clubs that:

(1) The Canadian Kennel Club would not approve of an application for registration of kennel name where the name applied for was identical to, or obviously similar to, a kennel name already registered with The Kennel Club; and

(2) The Kennel Club would not approve of an application for registration of kennel name where the name applied for was identical to, or obviously similar to, a kennel name already registered with The Canadian Kennel Club;

and read a letter from the Secretary of The Kennel Club on this question.

It was regularly moved by Mr. MacKendrick, seconded by Mr. McDerment:

(#67-60) "THAT, we authorize the Secretary to conclude an understanding with The Kennel Club."

Motion carried unanimously.

The Secretary reported that Mr. G. L. Benton of The Bullmastiff Breeders Society of North America had been informed of the action taken by the Board with regard to the kennel name BULSTAFF, and reported that Mr. Benton had suggested that steps be taken to rename a Canadian-born Bullmastiff, exported to the United States, carrying the BULSTAFF prefix.

After discussion it was agreed that having regard for the Club's By-laws, such a change of name was not permissible.

The Secretary read a letter from Don H. Stringer, Mundelein, Illinois, who pointed out that a Canadian breeder, when registering a Canadian-born dog in the records of The Canadian Kennel Club, had used his registered kennel name of TEN OAKS.

The Secretary was instructed to forward a "stop card" to the Canadian National Live Stock Records with a view to preventing the unauthorized use of Mr. Stringer's kennel name by any Canadian breeder.

It was regularly moved by Mr. MacCallum, seconded by Mr. Gratton:

(#68-60) "THAT, the Secretary instruct the Canadian National Live Stock Records that a "stop" card be put in their kennel names file."

Motion carried unanimously.

Mr. Monaghan:

(1) pointed to the Club's policy that where a kennel name has been registered since May 5, 1951, it may (except in the case of dogs purchased) be used only as a prefix in the naming of dogs to be registered in the Club's records;

(2) recommended that the Secretary be authorized to communicate with The American Kennel Club with a view to the two Clubs following a uniform policy in this connection.

It was regularly moved by Mr. Monaghan, seconded by Mr. Williams:

(#69-60) "THAT, the Secretary be authorized to take up with The American Kennel Club the matter of securing a reciprocal arrangement on use of kennel names as prefixes only."

Motion carried unanimously.

7 R 27. REGISTRATION OF DACHSHUNDS

The Secretary:

(1) reported that at its first meeting (held October 18, 1959) the Special Committee on Dachshunds had arranged for the Secretary to place before the Board of Directors a recommendation that, in order to avoid prejudicing future policies which may be adopted with regard to the registration of Dachshunds, an order be given the Canadian National Live Stock Records that it hold in abeyance any application for registration of a litter of Dachshunds where the litter included one or more puppies having a coat different than the sire and dam of the litter;
(2) reported that the Board, at its meeting on October 20, 1959, had approved the Committee's recommendation (resolution #491-59);
(3) reported that at its meeting on January 17, 1960, the Committee had reviewed its earlier recommendation to the Board, and had arranged for the Secretary to place the following new recommendation before the Board at this meeting:
(a) that the Board authorize the registration of litters such as that referred to in (1) above; and
(b) that the Board authorize the registration of puppies in each such litter where said puppies are of the same coat as the sire and dam; but
(c) that each puppy not having the same coat as its sire and dam be not eligible for registration until such time as a final decision has been reached on the eligibility for registration of such puppies.

It was regularly moved by Mr. Monaghan, seconded by Mr. McDerment:
(#70-60) "THAT, we revoke the decision as set forth in resolution #491-59."
Motion carried unanimously.

It was then regularly moved by Mr. Blyth, seconded by Mr. Irving:
(#71-60) "THAT, the recommendation of the Special Committee on Dachshunds be approved."
Motion carried unanimously.

7 R 34. APPLICATIONS FOR REGISTRATION

The Secretary:
(1) referred to a previous instruction of the Board regarding the acceptability of applications for registration and/or applications for transfer of ownership received by the Live Stock Records office;
(2) read the draft of a letter, prepared by the Director of Live Stock Records, to accompany applications returned to those who are not considered responsible for the registration and/or transferring of ownership of dogs.

It was regularly moved by Mr. Anderson, seconded by Mr. Dawson:
(#72-60) "THAT, the Secretary implement the policy previously approved."
Motion carried unanimously.

7 R 37. LITTER APPLICATIONS

Mr. Irving requested the Board's ruling on its powers with regard to the following matter:
(1) in good faith the owner of a female had arranged for his dog to be mated to a stud dog owned by another person;
(2) when, following birth of the litter, he asked the owner of the stud dog to sign the litter application for registration form, the owner of the stud dog refused to do so;
(3) upon further investigation it was found that the stud dog was not registered in the Club's records.

During the discussion which followed the question was raised as to whether the Board should seek to compel the owner of a stud dog to sign an application for registration of litter form when he claims that the owner of the female, to which his dog was mated, has failed to fulfil the terms of the understanding under which the dogs were mated.

It was regularly moved by Mr. McDerment, seconded by Mr. Irving:
(#73-60) "THAT, this Board takes the position that it will not require the owner of the stud dog to sign the litter application form when the owner of the female does not have a receipt acknowledging that he has fulfilled his obligations to the owner of the stud dog in respect of the service which resulted in the birth of the litter."
STANDING RESOLUTION Motion carried unanimously.

It was regularly moved by Mr. McDerment, seconded by Mr. Irving:
(#74-60) "THAT, where the owner of a stud dog refuses to sign an application for registration of litter form, and the owner of the female mated is able to establish, to the satisfaction of the Registration Committee, that he has fulfilled his obligations to the owner of the stud dog, then the Registration Committee may authorize registration of the litter."
STANDING RESOLUTION Motion carried unanimously.

The Secretary:
(1) stated that breeders may be assisted and disputes may be avoided if the Club made available to members a standard form of "Stud Service Certificate" which would set forth particulars of the service which had taken place, and the terms agreed to by the parties concerned;
(2) suggested that such a certificate may eliminate the necessity of the owner of the stud dog signing the application for registration of litter form if it clearly indicated that the owner of the female mated had fulfilled all his obligations to the owner of the sire.

Following discussion it was agreed that:
(1) the Secretary would ascertain whether the Live Stock Records office would accept such a certificate in lieu of signatures on applications for registration of litters;
(2) the form would not be printed until all members of the Board had an opportunity of studying the draft submitted by the Secretary and to submit suggestions with regard to desirable improvements in its format and text.

It was regularly moved by Mr. Williams, seconded by Mr. Irving:
(#75-60) "THAT, the Secretary ascertain from the Live Stock Records office if such a form is acceptable in connection with registration, and implement it in any case."
Motion carried unanimously.

7 R 41. IDENTIFICATION

Mr. Irving sought the Board's ruling on whether a breeder having more than one breed of dog should, when tattooing dogs for registration purposes, be required to run the serial numbers consecutively without regard to breed, or may he duplicate serial numbers on different breeds.
Following discussion it was agreed that either method would be acceptable, the breeder having the choice of either method.

7 R 38. STUD BOOKS

The Secretary:
(1) reported that at a previous meeting of the Board he had been instructed to seek a ruling from the Board, at this meeting, as to whether the Club should continue to publish a "Kennel Register" in the Stud Book;
(2) reported that, as instructed by the Board, he had discussed with the publishers of "Dogs in Canada" whether, in the event the Board decides to discontinue the "Kennel Register", they would provide the Club with copies of their annually published "Kennel Directory" for distribution to those requesting the names and addresses of breeders.

Mr. MacKendrick suggested that this matter be discussed with the Misses Dunn and Peer when they meet with the Board, at its next session, to discuss promotion.

It was regularly moved by Mr. Williams, seconded by Mr. Dawson:
(#76-60) "THAT, this matter be tabled until to-morrow."
Motion carried unanimously.

7 R 39. BELGIAN SHEEPDOGS

The Secretary:
(1) referred to a previous decision of the Board when it decided that it would not adopt the same policy as that of The American Kennel Club when, for registration purposes, it provided for divisions of the Belgian Sheepdog;
(2) reported that Wm. Stewart, Royal Oak, B. C. had imported to Canada a dog registered by The American Kennel Club as a "Belgian Tervueren" and had sought registration in the Club's records, a question which the Board, at a previous meeting, had ordered referred to this meeting for consideration;
(3) reported that, as instructed by the Board, he had written those who had previously indicated an interest in the breed, and read a letter in reply from Mr. D. B. Hudson, who, while reiterating his previously stated opinion that the different varieties should continue to be recognized as one breed, suggested that the dog imported to Canada be registered in the Club's records as a "Belgian Sheepdog (Tervueren)".

Following discussion it was regularly moved by Mr. Williams, seconded by Mr. Dawson:
(#77-60) "THAT, the Canadian National Live Stock Records be authorized to register as a "Belgian Sheepdog (Tervueren)" any Belgian Sheepdog registered with The American Kennel Club as a "Belgian Tervueren", and interbreeding of the varieties of Belgian Sheepdog is permissible."
Motion carried unanimously.

Mr. Irving reported on correspondence with Mr. D. B. Hudson regarding a proposed new standard for the Belgian Sheepdog, and recommended that Mr. Hudson's suggested draft be referred to the Committee on Standards.

It was regularly moved by Mr. Irving, seconded by Mr. Williams:
(#78-60) "THAT, the matter of the proposed standard for the Belgian Sheepdog be referred to the Committee for New Breeds and Standards for consideration and report to the Board."
Motion carried unanimously.

7 R 10. BREED STANDARDS (GENERAL)
7 R 66. NEW BREEDS

Mr. MacKendrick referred to the preceding resolution and suggested that the Committee re new breeds, set up by the Board at its January meeting (resolution #11-60) be renamed the "New Breeds and Standards Committee", and its terms of reference be extended to include the consideration of all questions relating to breed standards, the Committee's recommendations to be placed before the Board for consideration.

It was regularly moved by Mr. Williams, seconded by Mr. Irving:
(#79-60) "THAT, the Committee referred to in resolution #11-60 be known as the "New Breeds and Standards Committee", and all questions regarding breed standards be referred to that Committee for consideration and report to the Board."
Motion carried unanimously.

7 R 51. STANDARD FOR THE PULI

The Secretary reported that:
(1) The Associated All Hungarian Breed Club had requested that the Board give consideration to changing the standard of the Puli to conform to the Hungarian standard for the breed;
(2) pursuant to instructions given by the Board the known breeders and exhibitors of Pulis in Canada had been polled on the standard recommended by the All Hungarian Breed Club, and those who had responded to the poll indicated their support of the submission received from the All Hungarian Breed Club.

It was regularly moved by Mr. Williams, seconded by Mrs. Dery:
(#80-60) "THAT, the standard for the Puli, as prepared by the All Hungarian Breed Club, be approved and

adopted, effective immediately."
Motion carried unanimously.

7 R 52. STANDARD FOR THE COONHOUND (BLACK AND TAN)

The Secretary reported that:
(1) The Black and Tan Coonhound Club of Canada had submitted a proposed new standard for the Black and Tan Coonhound and had requested that the Board approve this new standard;
(2) pursuant to the Board's instruction this proposed standard had been published in the official magazine, and the comments of those interested in the breed had been sought;
(3) members of the Board had been provided with copy of letters received from Mr. E. R. B. Taylor, Mr. George R. Deyman, and Mr. L. G. Goldie.
Mr. Irving read a memorandum, prepared by Mr. Wm. H. Pym, on the "Purpose and use and general description of the Black and Tan Coon Hound".

It was regularly moved by Mr. Irving, seconded by Mr. Dawson:
(#81-60) "THAT, the Secretary forward to the Black and Tan Coonhound Club of Canada the comments received, with an invitation to submit their comments for the consideration of the New Breeds and Standards Committee.
Motion carried unanimously.

7 R 65. LHASA APSOS - SHIH TZU CROSS

The Secretary:
(1) reviewed the decision of the Board, given at a previous meeting, refusing to permit the registration of a litter resulting from the mating of a Lhasa Apsos to a Shih Tzu;
(2) reported that, in accordance with instructions given by the Board, he had traced the ancestry of 95 Lhasa Apsos registered by the Club in recent years, and found that all of these dogs traced to one or more of 14 dogs registered by The American Kennel Club;
(3) stated that to complete the investigation it would be necessary to secure extensive and detailed information from The American Kennel Club regarding the ancestry of the 14 dogs referred to;
(4) sought the Board's instruction.

Mr. Irving reported that, through the courtesy of Mr. B. M. Bary, of the University of British Columbia, he had been provided with information about the background of the Shih Tzu, and read Mr. Bary's memorandum on the subject.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. Dawson:
(#82-60) "THAT, the question of the Shih Tzu - Lhasa Apsos be referred to the New Breeds and Standards Committee for consideration."
Motion carried unanimously.

DOG SHOWS

11 D 39. ADMINISTRATION OF DRUGS

Mr. Irving referred to the Board's discussion, at its semi-annual meeting, regarding the necessity of defining what constituted a "drug" within the meaning of the Dog Show Rules which prohibit the administration of drugs to dogs competing at a show.
The Secretary reported on his discussion of this matter with Dr. Alan Secord, the Club's Honorary Veterinary-Surgeon.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. Gratton:
(#83-60) "THAT, Dr. Secord be appointed Chairman of a Committee, with power to add as he sees fit, to draft an effective amendment."
Motion carried unanimously.

FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Dery, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan.
AGAINST THE MOTION: Mrs. Gove, Mrs. Southcott.

9 A 46. PROMOTION, PUBLIC RELATIONS AND PUBLICITY
7 R 38. STUD BOOKS (KENNEL REGISTER)
5 F 2. POSTAGE ON MEMBERS' COPIES OF "DOGS IN CANADA"

The President reported that arrangements had been made for Miss E. Dunn and Miss K. Peer, of Key Publications Co. and "Dogs in Canada", to meet with the Board at 11:00 A.M. and enquired whether the Board wished to have a prior discussion on promotion, publicity, and public relations.

It was regularly moved by Mr. Williams, seconded by Mr. McDerment:

Motion carried unanimously.

It was agreed that the Board would discuss with the Misses Dunn and Peer the publication of a Kennel Register and the question of postage on members' copies of "Dogs in Canada".

Mr. MacKendrick, Chairman of the Promotion, Public Relations and Publicity Committee in 1959, reported that on January 26th there had been forwarded to each member of the Board a copy of the final report of the Committee's activities in 1959, and a proposed programme for 1960.
The report for the year 1959 read as follows:

NEWSPAPER FILLER PROGRAM

The following gives a complete breakdown of the results of the program for the period ending December 31, 1959. There are however additional clippings coming in from time to time, as a result of the last few mailings in 1959.

Based on the average newspaper charge of $2.00 per inch, value received from the newspaper "filler" program to the end of December is $5,478.00 plus one page in the Star Weekly (with a circulation of 965,690) at their advertising page rate of $3,750.00. Doubled for editorial value, this page represents space purchase of $7,500.00.

GRAND TOTAL VALUE OF NEWSPAPER PROGRAM IS $12,978.00.

Cost of the program, not including Key Publications Company charges, was $396.28.

It is our opinion that as a result of this newspaper program thousands of Canadians are now aware of the existence of The Canadian Kennel Club, that they are better informed about the various recognized breeds; that they have received some useful information on the care and feeding of their pets, and they know more about purebred dogs in general.

Some newspapers have even introduced a special column with a "doggy" heading for better use of our fillers.

Members of The Canadian Kennel Club cannot help but appreciate your sponsorship of a program which is furthering their interests. It is our sincere desire that this program will be renewed in some form during 1960.

The Canadian Kennel Club derived much valuable publicity placed by ourselves in connection with the Chartered Flight to Bermuda Shows.

Major newspaper, radio and television outlets were contacted prior to the flight resulting in good space and time in all three media. Name and function of The Canadian Kennel Club were repeatedly mentioned.

Kaye Peer was interviewed by Commentator Mona Gould of Radio Station CKFH, for a full half hour and was able to give The Canadian Kennel Club and purebred dogs frequent mention.

Releases, following the Shows, were written for The Bermuda Kennel Club by Kaye Peer and sent to the three Toronto daily papers, all the major dog magazines in North America and the two major English dog publications - always mentioning The Canadian Kennel Club and its relationship to the Bermuda Kennel Club.

A canine airlift provides excellent editorial material and it is our hope that more Canadians will attend the 1960 Bermuda Shows when we shall endeavour to expand publicity surrounding the trip.

MATCH PROGRAM

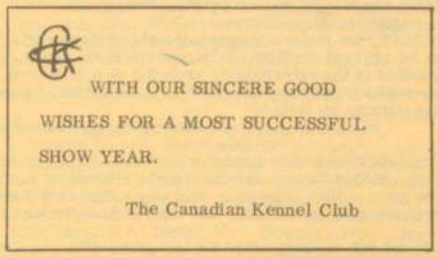

To date, boxes of matches have been sent out to 133 Clubs right across Canada. A card, as shown below, was included in each box of matches mailed out.

Total cost for producing and carrying out this match program was $383.42. This included sending letters to Clubs advising them of the program, production of the cards and of 25,000 matches.

It is always difficult to evaluate the worth of a good-will gesture in

terms of dollars and cents. Nevertheless, it is a fact that public relations is playing an increasingly important role in the affairs of large organizations today. Public relations is an integral part of modern business.

The match program has been a tremendous success because it has undoubtedly produced a warm feeling on the part of club members towards their parent organization which has demonstrated a recognition of their efforts.

KEN-L RATION ANNUAL DINNER AND AWARD

As we are all aware, this particular phase of the publicity program was brought to a most successful conclusion.

Initial discussion with the agency for Quaker Oats Company, and meetings with company representatives resulted in final acceptance of our suggestion that they duplicate the annual dinner and awards which their American organization has been associated with for so many years.

In the years to come, the Ken-L Ration annual dinner and award will become a much looked-forward-to part of the Canadian dog world and will enhance the prestige of Canadian purebred dogs.

Considerable time and effort were spent in negotiations with the company and this part of the program was again a great success.

BOOKLET FOR SCHOOL CHILDREN

A presentation, as submitted with our interim report of April 17, was put before the advertising manager of Gaines. Mr. R. Hurlbut's reaction was most favourable and we were requested to contact various directors of education to establish the possibility of distributing a booklet through the schools.

The director of education in Toronto and Hamilton were seen by us and permission granted for distribution of a booklet dealing with purebred dogs through the schools.

Due to circumstances beyond his control Mr. Hurlbut was not in a position to authorize preparation and production of the booklet at this time. The budget year for Gaines comes up for discussion in January and we are presently re-opening discussion with the product manager of Gaines Dog Food.

Editorial content of the booklet would include a brief history of purebred dogs, listing of the various groups, references to obedience training, mention of The Canadian Kennel Club, care of the dog, etc. We are hopeful of success in ultimately seeing such a booklet distributed through our schools.

MISCELLANEOUS

A letter has gone to the display departments of both Eaton's and Simpson's with the suggestion that at any time in the future when the stores and their branches anticipate displays featuring dogs, in which The Canadian Kennel Club and its official publication can co-operate or participate, we would welcome their contacting us.

Mr. MacKendrick:

(1) reported that the Misses Dunn and Peer had been fully responsible for the preparation and distribution of "fillers" to newspapers, for the collation of the press clippings received and for the preparation of statistics intended to show the effectiveness of this part of the Committee's activities in 1959;

(2) stated that the 1959 programme was largely of a nature that made it difficult to estimate its value to the Club, however the proposed programme for 1960, as submitted to the Board for consideration, should afford the Board an opportunity of determining the benefits of a promotion and publicity programme;

(3) stated that in 1959 he had asked members of the Board for ideas, and had received suggestions from Mr. Anderson, Mr. Little and Mrs. Smith;

(4) stated, in response to questions, that detailed accounts for all expenditures on promotion in 1959 had been submitted to the Secretary, that although the Awards Dinner given by the Quaker Oats Co. was part of the Committee's 1959 programme it had not involved any expenditure on the part of the Club, and that as Chairman of the Committee he had not submitted any expense account and had not received, directly or otherwise, any payment of any kind for his services as Chairman of the Committee;

(5) stated, in response to a question, that the object of the Match programme was to create, through the distribution of matches to the public at shows and trials, a greater interest in the Club.

The President expressed the view that the distribution of the matches to the public attending events not in any way connected with dogs would have served a more useful purpose in that the matches would have reached those likely having no knowledge of the existence of the Club.

Mr. Gratton reported on the publicity given pure-bred dogs through radio station CKCL at Truro, N.S., and read a letter which that station addressed to C.K.C. members in that area in October, 1959.

Mr. Little reported that a radio station at Saint John also gave publicity to pure-bred dogs, and reported that he had given a talk on pure-bred dogs over a CBC station at St. John's, Newfoundland, when he had visited that province in November.

Mr. MacKendrick reported that Mrs. Phyllis Smith had been responsible for a series of programmes on dogs over a radio station at Oakville, Ont.

Mr. Irving reported that for the first time dogs participated in a parade of live stock winners at the last Pacific National Exhibition.

It was regularly moved by Mr. Williams, seconded by Mr. Little:

(#86-60) "THAT, we write those who have co-operated in any way and offer our thanks for what they have already done."

Motion carried unanimously.

It was agreed that members of the Board would provide the Secretary with the names of those to whom this message of appreciation would be addressed.

As requested, the Secretary provided the following detailed analysis of 1959 expenditures on promotion, public relations and publicity:

Retainer fee to Key Publications Co. (Misses Dunn & Peer)	$1,200.00
One page in "Dogs in Canada" promoting membership	55.00
Advertising plate for postage meter machine (carrying C.K.C. crest and words "Purebreds for Prestige, Profit, Pleasure")	35.20
Match Programme. Cost of Matches $317.18; cards with C.K.C. crest, $19.00; postage, $47.34, cartage $4.50; Letter to clubs $6.10 TOTAL	394.12
Newspaper Filler Programme: Letters to newspapers $21.35; transportation $1.00; paper $21.48; postage $126.24; envelopes $34.16; stencils $14.05; scrapbooks (to record fillers published) $13.60; newspaper clipping service $182.40 TOTAL	414.28
TOTAL	$2098.60

Mr. Monaghan said that had this detailed analysis of costs been published prior to the Annual General Meeting, then unfounded rumours regarding promotion expenditures would have been quickly dispelled.

Mr. MacKendrick expressed regret that because of being ill he could not be present at the Annual General Meeting. Mr. Williams stated that Mr. MacKendrick should be informed of what was said at that meeting about the 1959 programme on promotion, public relations and publicity, and felt that the Board is duty bound to take cognizance of recommendations emanating from the Annual General Meeting.

Mr. Monaghan suggested that Mr. MacKendrick be given a transcript of the discussion at the Annual General Meeting and if, as Chairman of the Committee in 1959, he wishes to answer any of the criticisms voiced at that meeting, he should submit a report direct to the Board and the Board should then decide what action is appropriate.

It was regularly moved by Mr. Williams, seconded by Mr. Irving:

(#87-60) "THAT, Mr. MacKendrick be supplied with the verbatim report of discussion pertaining to publicity and promotion, at the Annual General Meeting."

Motion carried unanimously.

It was regularly moved by Mr. Williams, seconded by Mr. Dawson:

(#88-60) "THAT, the report of Mr. MacKendrick be received."

Motion carried unanimously.

The President enquired of the Board's pleasure with regard to a programme for 1960.

Mr. MacKendrick pointed out that the detailed proposals for a programme in 1960 provided for the following:

(1) an extension of the newspaper filler programme to include 50 major daily newspapers having a "total potential audience of 2,771,487 per week";

(2) providing each member with a decal to be placed on the windshield of a car (cost about 4¢ each);

(3) a classified advertising programme designed to place a copy of the Kennel Directory in the hands of those interested in purchasing dogs;

(4) arrangements for the publication of feature articles on pure-bred dogs in major Canadian magazines;

(5) organizing a "Municipal Dog Week";

(6) organizing an "Award Breakfast" such as that staged prior to the Westminster Kennel Club show each year, at which "The Dog Man of the Year", "The Dog Woman of the Year: and "The Dog Judge of the Year" are honoured.

Mr. Irving stated that he was in favour of continuing a promotion programme and suggested that any advertising should be keyed in such a way that the results may be determined.

Mr. Anderson said that to discontinue the programme at this time would mean the loss of all that had been gained.

Mrs. Southcott suggested that in future all committees be required to submit their reports for publication in the February issue in order that members may give advance study to those reports which are to be placed before an annual general meeting.

Mr. Little said that much of the progress in the Maritimes in 1959 he attributed to Mr. MacKendrick's publicity.

Mr. Dawson reported that members in Saskatchewan had asked him to oppose an extension of the programme until the Board had laid down the "proper mechanics" of any new programme.

Mr. Irving stated that at the 1959 annual meeting of the Board Mr. MacKendrick had submitted the details of a proposed programme on promotion, public relations and publicity, that the Board had allotted a sum of money in excess of that actually spent by the Committee, and it had authorized Mr. MacKendrick to proceed with his programme.

Mrs. Gove said that if the programme is to continue it should not operate under "a committee of one".

It was regularly moved by Mr. Williams, seconded by Mr. Blyth:

(#89-60) "THAT, we do not continue with such a programme under last year's conditions."

Motion carried unanimously.

-----Miss E. Dunn and Miss K. Peer, of Key Publications Co. and "Dogs in Canada", entered the meeting, were welcomed by the Board, and introduced to members of the Board.

Invited by the President to state their purpose in wishing to meet

with the Board, Miss Dunn and Miss Peer said that:

(1) apart from their connection with the publication of "Dogs in Canada" they operated the Key Publications Co. which published "Key to Toronto" and is otherwise active in the field of public relations and publicity;

(2) they felt that the Club's promotional and publicity programme in 1959 had been a most successful one, and from their point of view "surpassed anything which they had previously done along that line";

(3) having had much to do with the Club's 1959 promotional programme they would welcome any comments and criticisms from members of the Board believing that this is the way they would progress;

(4) it is extremely difficult to assess the value and benefits of a promotional and public relations campaign, however they regarded the newspaper clipping programme as having been most successful when the actual cost is compared with what would have been paid to purchase the space occupied by the newspaper fillers actually used;

(5) they had no wish to "sell" the Board on a promotion and publicity programme, but they would be happy to work with the Board if it believed it should continue such a programme.

A discussion followed on various aspects of the 1959 programme.

The President informed the Misses Dunn and Peer of the Board's consideration of a suggestion that the Club discontinue the publication of a "Kennel Register" in the Stud Book, provided arrangements could be made for the Club to be furnished with copies of their "Kennel Directory" for distribution to those seeking names of breeders.

Miss Dunn concurred with the Secretary's report that there is confusion and misunderstanding arising from the Club's publication of a "Kennel Register" and their publication of a "Kennel Directory", and stated that the publishers of "Dogs in Canada" would be prepared to provide the Club with 1500 copies of the "Kennel Directory" when it again published.

The matter was ordered held over for further consideration by the Board.

Mr. Williams referred to an advertisement in "Dogs in Canada" in which an advertiser had identified by name two judges who had not awarded a particular dog Best of Breed, and suggested that the publishers consider declining advertising which, inthis way, reflects on other persons or their dogs. He also suggested that the classified advertising section be headed "Pure-bred Dogs".

Informed that the Board would discuss, at this meeting, the question of postage costs on magazines mailed to members of the Club, Miss Dunn said that:

(1) when the present agreements between the Club and Apex Publishers and Publicity Ltd., with regard to the publication of "Dogs in Canada", were drawn, it was not anticipated that action on the part of the Post Office would result in much higher postage costs on magazines mailed to members of the Club, and the increase had become quite burdensome to the publishers;

(2) the publishers of "Dogs in Canada" had no objection to the Club printing and mailing minutes of Board meetings (and such other material as is customarily printed with such minutes) independent of the official magazine if present efforts to effect a reduction in postage costs are not successful;

(3) there is a possibility that the present circulation of the magazine would be increased substantially, however the publishers had already assured the Secretary that they would not expect the Club to include in copies mailed to persons having no interest in shows and trials the green section in which show and trial awards are reported;

(4) the publishers are prepared, if the Club assumes postage costs on magazines mailed to members, to include in the present agreements a limitation on the number of copies for which the Club would be required to pay printing costs for the green section;

(5) as publishers they would be only too pleased to discuss with the Board any problems relating to the magazine which are of concern to the Board;

(6) while the publishers would appreciate the Board dealing favourably with their request for compensation for the postage costs on magazines mailed to members, they are prepared to honour the present agreements if the Board is not disposed to make any adjustment in their favour;

(7) they are pleased with the present agreements and for the Board's interest in their efforts regarding the publication of "Dogs in Canada".

Mr. Monaghan suggested that consideration be given to two separate mailings of the magazine - one to members with the inserts which include minutes; the other being copies of the magazine without inserts, an arrangement which might enable the publishers to mail all copies at second class rates.

The matter was ordered held over for further consideration by the Board.

It was regularly moved by Mr. Williams, seconded by Mr. Little:

(#90-60) "THAT, we extend our appreciation to Miss Dunn and Miss Peer for their presence here today, and wish them well with the magazine."

Motion carried unanimously.

-----Miss Dunn and Miss Peer left the meeting.

The Board resumed its discussion with regard to postage costs on copies of "Dogs in Canada" mailed to members of the Club.

The Secretary:

(1) pointed out that for a number of years prior to the commencement of the agreements with Apex, the magazine had been allowed postage costs on members' copies;

(2) reported that in discussions with Miss Dunn and Miss Peer they had agreed that if the Club undertook to pay postage costs on members' copies the publishers, in turn, would place a limitation on the number of copies for which the Club would be required to reimburse the publishers for the cost of the green insert (show and trial awards, etc.), the limitation to be a figure arrived at by adding the total number of copies mailed to members, the total number mailed to fully paid subscribers, plus a small percentage in excess of the total of those two categories.

Mr. Monaghan reviewed the course of the negotiations leading to the present agreements with Apex Publishers & Publicity Ltd. and suggested that instead of any change as proposed by the Secretary, that the Board simply increase the per copy allowance to the publishers sufficient to cover postage costs.

Mr. Irving suggested that the publishers be reimbursed for the cost on postage on members' copies since June (1959) on the understanding that this was without prejudice, and a survey be conducted to determine what the per copy allowance should be.

It was regularly moved by Mr. Irving, seconded by Mrs. Dery:

(#91-60) "THAT, we make non-prejudicial payments at a figure to be arrived at; that while experimental methods be studied in the interests of arriving at a fair cost, and we make a per copy payment to be confirmed between the parties by letter."

Motion carried unanimously.

Mr. Irving referred to the Board's previous discussions regarding a film library, stated that he felt the establishment of such a library would be good public relations, and suggested that a committee be appointed to thoroughly investigate the matter and present a report to the Board.

Mr. MacKendrick reported that he had secured a great deal of information about available films, including costs, but had not developed the matter because it appeared that the cost would be prohibitive.

It was regularly moved by Mr. Irving, seconded by Mr. Blyth:

(#92-60) "THAT, this matter be investigated and a report be presented to the Board for study and consideration."

Motion carried unanimously.

It was regularly moved by Mr. Williams, seconded by Mr. Little:

(#93-60) "THAT, Mr. MacCallum be appointed a film library committee, with power to add, to implement resolution #92-60."

-----Mr. Monaghan suggested that before the Board recesses for lunch it decide at what time this session would adjourn.

Mr. Irving suggested that the Board have an evening session. Mrs. Gove suggested that the Board work through to 9:00 P. M.

It was regularly moved by Mrs. Gove, seconded by Mr. Little:

(#94-60) "THAT, this meeting continue until 9:00 P. M. with a break of one-half hour for dinner."

An amendment to this motion was regularly moved by Mr. Monaghan, seconded by Mrs. Dery:

(#94A-60) "THAT, this session adjourn at 7:00 P. M. and reconvene at 9:30 A. M. to-morrow morning."

An amendment to the amendment was regularly moved by Mr. Irving, seconded by Mr. MacKendrick:

(#94AA-60) "THAT, we have a few minutes break about 6:00 P. M., sandwiches to be brought in; and work until 9:00 P. M., and reconvene to-morrow morning at 9:30 A. M."

The amendment (#94AA-60) to the amendment was put to a vote with the following results:
FOR: Mr. Blyth, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick. (6)
AGAINST: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Dawson, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott. (8)

AGAINST THE MOTION: Mr. Monaghan.
Motion carried.

8 C 10. REPORT OF COMPLAINTS COMMITTEE

The Secretary reported on a number of complaints, and after consideration, appropriate action was taken by the Board.

Mr. Irving suggested that steps be taken to prevent a repetition of a particular case by insisting, as a matter of policy, that where there is a joint membership provision be made for the Club to accept the signature of the surviving partner should the other partner having authority to sign, die.

It was regularly moved by Mr. Irving, seconded by Mr. Dawson:
(#103-60) "THAT, no further applications for joint membership be considered until submitted on a form to be drawn by the solicitor providing for an accredited signatory in the event of the death of the accredited representative, unless other provision is made, and the present joint members be asked to submit a similar document making the same provision."

INTERNAL AND ADMINISTRATION

9 A 22. REVISION OF THE LIVE STOCK PEDIGREE ACT

Mr. Irving referred to his previous suggestion that an effort be made to amend the Live Stock Pedigree Act in order that the Club would have the authority to cancel the registration of a dog found, on inspection, to be of inferior quality.

It was regularly moved by Mr. Blyth, seconded by Mr. Anderson:
(#111-60) "THAT, this matter be referred to the Committee composed of Mr. Monaghan, Mr. McDerment, and the Secretary."

9 A 31. BOARD MEETINGS

The President sought the Board's pleasure with regard to the semi-annual meeting of the Board.

Following discussion it was regularly moved by Mr. Little, seconded by Mr. Irving:
(#112-60) "THAT, we have a semi-annual meeting."
Motion carried unanimously.

A discussion followed with regard to the place at which the meeting would be held.
Mr. Monaghan enquired of the Secretary as to probable costs in the event the meeting is held at Calgary. The Secretary stated that having regard for the present schedule of travelling expenses and allowances, a three-day meeting at Calgary would cost about $5,000.00.
Mr. Irving said that with the number of members of the Board located in Ontario, it would be more economical to hold the meeting at Toronto.
Mr. Anderson said that the semi-annual meeting is primarily a meeting of the Board, and if consideration is to be given the holding of a meeting of the national Board outside Ontario it would be preferable to change the venue of the Annual General Meeting in order that members in the area at which that meeting would be held would have an opportunity of discussing matters of interest to the membership generally.
Mrs. Gove suggested that consideration be given to holding the Annual General Meeting at a time of the year when travelling conditions are such that more members would find it convenient to attend. Mr. Irving said that this would necessitate a change of the fiscal year for it is customary to hold the Annual General Meeting of an organization as soon as possible following the close of a fiscal year.

It was regularly moved by Mr. Irving, seconded by Mr. Anderson:
(#113-60) "THAT, we have a semi-annual meeting at Toronto."
Motion carried unanimously.

A discussion followed as to the date of the commencement of the semi-annual meeting.

It was regularly moved by Mr. Irving, seconded by Mr. Gratton:
(#114-60) "THAT, the semi-annual meeting of the Board commence on June 19, 1960, at 10:00 A.M."

An amendment, as follows, to motion #114-60 was regularly moved by Mrs. Gove, seconded by Mrs. Southcott:
(#114A-60) "THAT, we hold the semi-annual meeting commencing on July 24, 1960, at 10:00 A.M."
FOR THE AMENDMENT: Mr. MacCallum, Mr. Anderson, Mr. Blyth, Mrs. Dery, Mrs. Gove, Mr. Monaghan, Mrs. Southcott. (7)
AGAINST: Mr. Williams, Mr. Dawson, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. McDerment. (7)
The President cast a tie-breaking vote in favour of the amendment.
Amendment carried.

The Secretary reported on the invitation which had been extended to Mr. John Neff, Executive Vice-President of The American Kennel Club, to be guest speaker at the luncheon held in conjunction with the last Annual General Meeting, an invitation which Mr. Neff felt compelled to decline, and reported that the Board, at a previous meeting, had instructed that Mr. Neff's letter of December 3rd be read at this meeting in order that the Board may determine whether to invite Mr. Neff to meet with the Board during its semi-annual meeting.
Mr. Irving said that Mr. Neff is an extremely busy executive, and it would not be fair to invite him to meet with the Board unless the Board had specific matters which it wished to discuss with him.

It was regularly moved by Mr. Monaghan, seconded by Mr. Anderson:
(#115-60) "THAT, Mr. Neff be invited to meet with the Board at its semi-annual meeting."
FOR THE MOTION: Mr. Anderson, Mr. Little, Mr. Monaghan, Mrs. Southcott.
AGAINST: Mr. MacCallum, Mr. Williams, Mr. Blyth, Mr. Dawson, Mrs. Dery, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. MacKendrick, Mr. McDerment.
Motion lost.

9 A 14. REPORT OF EXECUTIVE MANAGER

The Secretary, in his capacity as Executive Manager:
(1) pointed out that salary costs at the Club's head office represented 23.27% of income in 1959 as compared with 24.58% of income in 1958;
(2) pointed out that 24% of revenue (assuming no change from 1959) would be $34,437, and since total annual salaries for the present permanent staff amounted to $30,588, this left a balance of $3,849 as a cushion to ensure that salary costs would not exceed an acceptable percentage of income;
(3) reported his intention to discontinue the bonus system in effect during the past two years;
(4) outlined his recommendations with regard to increases in salary of certain members of the staff, and recommended that all mem-

bers of the staff be paid for overtime which may be necessary to eliminate the necessity for temporary help;

(5) reviewed the proposals which he had placed before the Board on Friday (see #9 A 14 -- February 12th) intended to reduce costs, and increase efficiency and service;

(6) stated that if a decision is made to discontinue receiving records from the Live Stock Records Office, other means would have to establish that listed dogs had been registered in the Club's records as required by the rules;

(7) recommended that the Office Manager be authorized to sign, on his behalf, applications for show and trial dates and applications for approval of selected judges;

(8) recommended that completed orders for nose-printing supplies, private breeding record books, etc. be dispensed with three months after receipt, that notices of change of address be dispensed with three months after receipt, that routine correspondence not likely to be required for reference purposes, be dispensed with six months after receipt; all for the purpose of eliminating time and labour required to file material not likely to be required, and the necessity of extending existing filing facilities;

(9) stated it was his intention to undertake preparation of part of the copy for the new litter record book with a view to effecting a decrease in the cost of preparing copy for that book;

(10) recommended that the Club undertake to purchase tea and coffee supplied to the staff and visitors;

(11) recommended that Miss Locke, a member of the staff for almost 19 years, be given three weeks vacation annually;

(12) pointed to the extensive filing space required for the records received from the Live Stock Records office, and recommended that all such records over five years of age be dispensed with where such records are for dogs which have not received an award of any kind at shows or trials held under the Club's rules.

Mr. Irving referred to the problem outlined in Section (6) of the Executive Manager's report and suggested that a possible solution would be to require that the owner of a listed dog notify the office of the registration number assigned by the Live Stock Records office when a listed dog is registered in the Club's records.

Following discussion it was regularly moved by Mrs. Southcott, seconded by Mrs. Gove:

(#116-60) "THAT, the Executive Manager's report be received and he be authorized to use his discretion."

Motion carried unanimously.

-----The Secretary and Office Manager were excused from the meeting.

It was regularly moved by Mr. Anderson, seconded by Mr. Irving:

(#117-60) "THAT, the salary of the Secretary-Treasurer be increased by $500.00 per annum, effective from January 1, 1960."

FOR THE MOTION: Mr. MacCallum, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Dery, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
AGAINST THE MOTION: Mr. Williams.

Motion carried.

-----The Secretary and Office Manager returned to the meeting.

(2) enquired of the Board's wishes with regard to the publication of the minutes of the 1960 Annual General Meeting.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Gove:

(#118-60) "THAT, the Secretary proceed along the lines followed last year."

Motion carried unanimously.

9 A 60. QUINQUENNIAL ADJUSTMENT

The Secretary:

(1) pointed out that Article XII (ELECTIONS), Section 2 (b) of the Club's By-laws required that in 1960 a calculation be made to determine the number of Directors to be elected in each of the eight electoral zones for the years 1961-1965 inclusive;

(2) stated that he had made the calculations as outlined in Article XII, Section 2 (b) of the By-laws, and a copy of the calculations and results had been forwarded to each member of the Board in a report dated January 22nd;

(3) pointed out that the report indicated that there would be no change in the number of Directors to be elected for each of the eight electoral zones.

It was regularly moved by Mr. Monaghan, seconded by Mr. Irving:

(#119-60) "THAT, the Secretary's report on quinquennial adjustment be received and filed."

Motion carried unanimously.

-----At the President's request Mr. MacCallum took the Chair.

9 A 65. PATRON

The Secretary reported that Major-General Georges P. Vanier, DSO, MC, CD, Governor-General of Canada, in response to the Board's invitation, had extended his Patronage to the Club.

9 A 68. MICROFILMING RECORDS

The Secretary stated that the matter of microfilming records had been placed on the agenda for consideration in the event the Board did not approve his recommendations with regard to the discontinuation of certain records and the disposal of others, however, in view of the Board's decision (resolution #116-60) he saw no necessity for proceeding with this question at this time.

9 A 61. NORMAN K. SWIRE MEMORIAL FUND

The President:

(1) reported that funds were now available to carry on the offering of the Norman K. Swire Memorial Medals;

(2) recommended that no change be made in the original terms under which this medal for Best Canadian-bred in Show, at shows at which the late Mr. Swire judged, had been offered.

It was regularly moved by Mr. Brown, seconded by Mr. Williams:

(#120-60) "THAT, we resurrect this proposition and it be carried out exactly as it was previously set up."

The President suggested that a special committee be appointed to receive the trophies and arrange for their distribution in accordance with the terms of the Will.
Mr. Anderson suggested that if such a committee is appointed it consider the possibility of segregating some of the trophies for the purpose of setting these up as memorials to the late Mrs. McEachren.

to a partnership membership by adding another person, usually husband or wife, to the membership;

(2) reported that a father, presently an individual member of the Club, desired that his membership be changed to the name of his son (not a minor);

(3) sought an instruction of the action to be taken on these requests.

Mr. Monaghan expressed an opinion that such changes are contrary to the By-laws since changes of this nature were equivalent to the admission of persons as new members.

Following discussion it was agreed that any person seeking to extend his membership, by the addition of another person, may only effect such a change by applying for associate membership in the same way as a new member. It was agreed that the same applied where a change of membership from one person to another person is desired.

It was regularly moved by Mr. Monaghan, seconded by Mr. Gratton:

It was regularly moved by Mr. Irving, seconded by Mr. Gratton:

(#135-60) "THAT, we carry on the same procedure with regard to the members of the Board being furnished with a list of members."

Motion carried unanimously.

10 MM 6. MESSAGE TO MEMBERS

The Secretary pointed out that in 1959 two messages were addressed to members of the Club, one dealing primarily with the requirements of the Live Stock Pedigree Act with regard to the delivery of certificates of registration to purchasers of dogs sold as pure-bred, the other being a message, mailed with notice regarding renewal of membership for 1960, in which the President had reviewed many of the matters dealt with by the Board in 1959.

Mr. Irving stated that the President's message, being a report in concise form, was excellent, and should be repeated each year.

It was regularly moved by Mr. Monaghan, seconded by Mr. Dawson:

(#136-60) "THAT, the Secretary be authorized to prepare a message for distribution with notice regarding renewal of membership mailed in December."

Motion carried unanimously.

10 MM 30. MISCELLANEOUS MEMBERSHIP MATTERS

The Secretary read a letter dated January 30th, from Mr. & Mrs. A. M. Fitzgerald, in which they asked that for purposes of membership in the Club and eligibility to judge at shows held under the Club's rules they be regarded as "residents of Canada".

Following discussion it was regularly moved by Mr. Williams, seconded by Mr. MacCallum:

(#139-60) "THAT, we accept the statements made in Mr. Fitzgerald's letter dated January 30th, 1960, in respect of his claim that he and Mrs. Fitzgerald are residents of Canada, and show their address on the records as indicated on the renewal of membership."

Motion carried unanimously.

The Secretary:

(#140-60) "THAT, the Secretary be empowered to make the appropriate change in the records."

Motion carried unanimously.

The Secretary read a letter from Mr. J. M. Bayles, Paris, Ont. who suggested that the term of membership run "for one year from date of payment of dues" or the schedule of membership fees be amended to require the payment of a diminishing fee depending on which quarter the member applies for membership or renews his membership.

Following discussion it was agreed that the Board did not have the power to amend the By-laws.

It was regularly moved by Mr. Monathan, seconded by Mr. Irving:

(#141-60) "THAT, the enquiring gentleman be informed that we are duty bound to follow the provisions of the By-laws."

Motion carried unanimously.

The Secretary referred to a previous discussion of the Board to the effect that membership privileges would not be granted an applicant for membership until his application is formally approved, pointed to the inconvenience this would cause applicants, pointed out that few applications are not approved, and recommended that applicants be granted membership privileges on the understanding that such action is entirely without prejudice to any decision the Board may make with regard to applications for membership received.

In response to a question the Secretary stated that this has been the practice for many years.

It was regularly moved by Mr. Monaghan, seconded by Mr. Williams:

(#142-60) "THAT, the present practice be continued."

Motion carried unanimously.

DOG SHOWS

11 D 1. APPROVAL OF JUDGES

The Secretary pointed out that:

(1) on January 1st a new Chapter 7 of the Dog Show Rules had come into effect;

(2) at its meeting in January the Board, by resolution #26-60, had appointed Mr. McDerment as Chairman of a Committee to consider a number of questions relating to the implementation of the provisions of the new Chapter 7.

Mr. McDerment reported that he had considered the several questions referred to the Committee, and recommended that:

(1) each examination paper be identified by number only, the Secretary to assign a number before despatching the examination paper, in a sealed envelope, to the Chairman of the examining committee;

(2) the applicant will open the sealed envelope containing the examination paper and will write the examination in the presence of at least one member of the examining committee who will be responsible for seeing that the applicant does not have available any literature, charts, or standards while writing the examination;

(3) upon completion of the written examination the paper will be placed in an envelope provided for the purpose, sealed by the examining committee member present, and signed by that committee member across the sealed flap of the envelope;

(4) the examination paper in the sealed envelope will be mailed to the Secretary who will turn it over, unopened, to the person or persons appointed to examine the paper and allot marks;

(5) the written examination will consist of questions relating to the rules and procedures relating to judging and also questions on the standard(s) of the breed(s) for which the applicant is seeking to establish his eligibility to judge;

(6) no person sitting on the examining committee is to be appointed to examine and allot marks on the written examination.

Following discussion it was regularly moved by Mr. Williams, seconded by Mrs. Southcott:

(#143-60) "THAT, the procedure recommended by Mr. McDerment for the conducting of an examination, be approved."

Motion carried unanimously.

A discussion followed on the question of whether there should be any limitation on the number of breeds for which an applicant may be examined at a single sitting of an examining committee.

It was agreed that having regard for the time required by the applicant to write an examination and the time which an examining committee would require to conduct properly an oral examination, an applicant should not be examined for more than one group at a single sitting of an examining committee.

It was regularly moved by Mr. Irving, seconded by Mr. Dawson:

(#144-60) "THAT, we adopt the policy that an applicant cannot take an examination for more than one group at a sitting."

Motion carried unanimously.

The Secretary read the provisions of Section 7 of the new Chapter 7 and sought the Board's instructions with regard to implementation of this Section.

Mr. Irving suggested that when the Secretary receives an application from a person wishing to establish his eligibility to judge one or more breeds, the local provincial Director should be asked to nominate an examining committee which, when approved, must not be changed except in the case of an emergency in which event the Director, after making a substitution, must explain why he has done so. Mr. Anderson said that the Director should have the full authority to appoint the examining committee in order to expedite processing of the application.

Following discussion it was regularly moved by Mr. Williams, seconded by Mr. Irving:

(#145-60) "THAT, the provincial Director nominate the examining committees required in view of the application, and submit the same when making application for permission to conduct the examination."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. McDerment.
AGAINST THE MOTION: Mr. Anderson, Mr. Blyth, Mrs. Dery, Mrs. Southcott.
ABSTAINED FROM VOTING: Mr. Monaghan.

A discussion followed on the advisability of appointing a committee to deal with any questions relating to the implementation of the new Chapter 7.

It was regularly moved by Mr. Monaghan, seconded by Mr. Blyth:

(#146-60) "THAT, a Committee of three be appointed to administer Chapters 7 and 8 of the Dog Show Rules, subject only to such policies as the Board has approved, and on the basis of their experience the Committee present recommendations at the semi-annual meeting."
Motion carried unanimously.

It was regularly moved by Mr. Williams, seconded by Mr. Gratton:

(#147-60) "THAT, Mr. McDerment be appointed Chairman of the Committee."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Dery, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.

(#148-60) "THAT, Mrs. Southcott, the Chairman of the Obedience Council, be appointed a member of this Committee."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Dery, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan.

Motion carried.

It was regularly moved by Mr. MacKendrick, seconded by Mr. Dawson:

(#149-60) "THAT, Mr. Blyth, Chairman of the Field Trial Council, be appointed a member of this Committee."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Dawson, Mrs. Dery, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan.
ABSTAINED FROM VOTING: Mr. Blyth.
Motion carried.

It was agreed that the Committee referred to in resolution #146-60 would have the power to fix key breeds, as required by Chapter 7, Section 7 (b) and (c) pending the Board setting a policy on this question at its semi-annual meeting.

The Secretary reported that following an examining committee proceedings held on January 26th, an Examining Committee composed of Walter Brown (Chairman), Ian C. Miller, Wm. McDerment, and R. T. Lawrence had recommended the approval of:

(1) the application of Mrs. D. T. Weir, who had sought to establish her eligibility for approval as judge of all Poodles;
(2) the application of Gordon R. MacDonald, who had sought to establish his eligibility for approval as judge of Samoyeds.

It was regularly moved by Mr. Williams, seconded by Mrs. Gove:

(#150-60) "THAT, we concur with the recommendations of the Examining Committee."
Motion carried unanimously.

The Secretary pointed out that under the new Chapter 7 show-giving clubs might find it more difficult to obtain judges for shows, and enquired whether the Board wished to give any consideration to a possible reduction of the present minimum time between dates of shows at which a single judge may judge the same breed or breeds.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. Gratton:

(#151-60) "THAT, this matter be laid on the table to the semi-annual meeting."
Motion carried unanimously.

11 D 13. LIST OF JUDGES

The Secretary pointed out that Section 3 of the new Chapter 7 provided that the Board may, from time to time, as it deems advisable, order the preparation and distribution of lists of persons eligible for approval to judge at shows held under the Club's rules, and sought the Board's pleasure with regard to the preparation and distribution of such a list.

The President stated that clubs are seeking such lists, and suggested that it also be published in the official magazine.

Mr. Monaghan stated that, unless there could be an assurance that the list to be published is a complete list of persons eligible to judge at shows held under the Club's rules, it should not be published in the official magazine.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Dery:

(#152-60) "THAT, an up-to-date list be prepared and distributed."

An amendment to this motion was regularly moved by Mr. Williams, seconded by Mr. Little:

(#152A-60) "THAT, once the list has been established, that it be published bi-annually in "Dogs in Canada".
FOR THE AMENDMENT: Mr. MacCallum, Mr. Williams, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. McDerment, Mrs. Southcott.
AGAINST THE AMENDMENT: Mr. Anderson, Mrs. Dery, Mr. Monaghan.
Amendment carried.

The President said that if there was any concern on the part of the Board regarding the publishing of a list of judges in the official magazine, then the opinion of the Club's solicitor might be sought before that action is taken.

It was regularly moved by Mr. Monaghan, seconded by Mr. Anderson:

(#153-60) "THAT, this amendment, together with the list be referred to the Club's solicitor for an opinion as to whether it should be published."
Motion carried unanimously.

11 D 25. SHOW DATES

The Secretary:

(1) referred to the discussions earlier in this meeting and at the Annual General Meeting with regard to the granting of show dates;
(2) reported that where a club held a priority right on a given date but did not apply for permission to hold its show on that date more than six months in advance of that date, no action was taken to cancel the priority provided that the club having that priority applied not less than four months in advance of the date for permission to hold a show on that date;
(3) sought an instruction with regard to future policy on this question.

Mr. Irving stated that, having regard for the policy that had been followed according to the Secretary's report, no action should be taken to alter that policy without giving clubs having priority rights a fair warning of intention to enforce the rule which requires that a club having a priority date must apply for that date not less than six months in advance of the date on which it has priority rights.

Mr. Monaghan suggested that a solution might be that, when a club having a priority date holds its show on that date and subsequently submits its returns, the Secretary would immediately acknowledge receipt of those returns, and at the same time point out the requirements of the rule on priority dates and forward blank applications with such notification.

Following discussion it was regularly moved by Mr. Irving, seconded by Mr. Monaghan:

(#154-60) "THAT, when a club which has a priority date submits its returns for a show, its attention be drawn to the rule regarding priority rights, and blank application forms be attached."
Motion carried unanimously.

The Secretary reported that a club had sought permission to hold a single all-breed Championship show, on the understanding that three groups would be judged on the Sunday and the remaining three groups on Monday, with provision that the only dogs which would be benched on the second day would be those dogs which, as a result of awards on the first day, are eligible to compete for any General Specials.

Following discussion it was agreed that:

(1) such an arrangement is not permissible for all dogs, except puppies and those excused by a veterinarian, are required by the Dog Show Rules to be benched on all days comprising a single show;
(2) dogs which had been benched during the first day of such a show would be at a disadvantage when competing with dogs which had been required to be benched only on the second day;
(3) according to the Dog Show Rules, any dogs which had earned awards and points on the first day would lose those awards and points if not benched on the second day, unless excused by a veterinary surgeon as provided in the Dog Show Rules;
(4) having regard for the fact that the club in question is unable to arrange for a building which would accommodate all breeds for both days, the best solution would be to allow the club in question to hold two limited all-breed shows, the first show comprising three groups the second show comprising three groups, and that judging cease at the breed level.

It was regularly moved by Mr. Irving, seconded by Mr. Little:

(#155-60) "THAT, we grant permission for this show with judging to stop at the breed level, on the understanding that each day is a separate limited breed show."
Motion carried unanimously.

The Secretary reported that another show-giving club had enquired whether it would be possible to hold a single all-breed Championship show on the understanding that three groups would be judged on one Sunday with the remaining three groups judged on the following Sunday, the only dogs to be benched on the second Sunday to be those eligible to compete for General Specials.

Following discussion it was agreed that this type of show was in the same category as that discussed in the previous question, and that the same ruling should apply as in resolution #155-60.

It was regularly moved by Mr. Irving, seconded by Mr. MacCallum:

(#156-60) "THAT, we adopt the same policy as the Sunday-Monday show."
Motion carried unanimously.

The Secretary stated that there still exists considerable misunderstanding as to what constitutes a "Specialty Show" and a "Booster Show"

and suggested that the Board provide a definition for the guidance of the office in passing on premium lists, and for the guidance of clubs.

Following discussion it was agreed that Chapter 2, Section 1 of the Dog Show Rules clearly indicates that, in order that a show may be classed as a "Specialty Show", it must be conducted by an association formed for the improvement of any one or more (but not all) breeds of pure-bred dogs, and the club or association sponsoring such show must itself apply for, and be granted, permission to hold such a show in the manner provided under Chapter 3 of the Dog Show Rules. It was agreed that, regardless of any arrangements made between a Specialty club and an organization conducting an all-breed show, any support given by a Specialty club in connection with the classes for its breed at an all-breed show could only be regarded as a "Booster Show" and not a "Specialty Show" since such classes form part of an all-breed show and are recorded and reported as a part of the all-breed championship show.

It was regularly moved by Mr. Irving, seconded by Mr. Williams:

(#157-60) "THAT, only if a specialty club itself applies for permission to hold a specialty show under Chapter 2, Section 2 of the Dog Show Rules and the application is approved, shall they be permitted to designate such a show as a specialty show."

Motion carried unanimously.

It was agreed that the foregoing resolution does not prohibit a number of specialty clubs combining to hold their specialty shows as a single event, provided that each separate club applies for and is granted permission, to hold its specialty show in the same way as if it was holding its show independent of any other shows.

The Secretary:

(1) referred to the Board's previous discussion of an objection received from The All Terrier Club of Canada in connection with the permission granted another specialty club to hold a specialty show for a different breed in the same zone on the same date on which it had been granted to hold a specialty show for all Terriers;

(2) pointed to previous occasions when more than one specialty club was granted permission to hold specialty shows (different breeds) in the same zone on the same date without any apparent dissatisfaction;

(3) sought a ruling for the guidance of the staff in dealing with future applications of this kind;

(4) suggested that perhaps dissatisfaction might be avoided by seeking the permission of the club first granted the right to hold a specialty show on a given date before a decision is made whether to permit another club to hold a specialty show for a different breed or breeds in the same zone on the same date.

Mr. Monaghan suggested that where a second specialty club sought permission to hold a specialty show on the same date in the same zone, then the onus should be on the second club to secure the permission of the first club before the Secretary should pass on the application of the second specialty club.

It was regularly moved by Mr. Williams, seconded by Mr. Irving:

(#158-60) "THAT, where a club has been granted permission to hold a specialty show on a given date, it is permissible for another specialty show to be held on that date in the same zone provided the club first granted the date signifies its consent."

Motion carried unanimously.

The Secretary:

(1) reported that a specialty club had sought permission to hold a specialty show in Ontario on a date previously granted to an obedience club to hold two licensed obedience trials;

(2) stated that, because of the number of championship shows, specialty shows, licensed obedience trials and licensed field trials held in Ontario in each year, he had taken the position that each of these different types of events must be regarded as not conflicting, for any other policy would sharply reduce the number of suitable dates available to clubs wishing to hold shows, obedience trials and field trials;

(3) sought the Board's ruling on this policy.

Following discussion it was agreed that there was no alternative but to regard these different types of events as non-conflicting events from the point of view of allocation of dates, and the Secretary was authorized to continue the policy which he had followed.

Mr. Irving stated that he had interpreted Chapter 2, Sections 1 and 2 of the Dog Show Rules to mean that a specialty club may only hold specialty shows for its own breed or breeds, and may not be granted permission to hold an all-breed championship show, and sought the Board's ruling as to whether or not his interpretation is correct.

The Secretary stated that he had interpreted Chapter 2, Section 1 of the Dog Show Rules to mean that any club or association, whether specialty or all-breed, may be granted permission to hold an all-breed show under the Club's rules, and had in fact, approved applications of specialty clubs to hold all-breed shows.

Mr. Anderson stated that he felt that the Dog Show Rules are capable of the interpretation placed by the Secretary, but that he felt a provincial Director should have the right to reject the application of a specialty club to hold an all-breed show when he believes that such action is the best course to follow.

It was regularly moved by Mr. Williams, seconded by Mr. Anderson:

(#159-60) "THAT, the question be referred to the Amendments Committee for clarification, and in the meantime the Secretary carry on as he has."

FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Dery, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. McDerment, Mrs. Southcott.
ABSENT (temporarily): Mr. Monaghan.

Motion carried.

-----Luncheon intermission.

-----When the meeting recommenced the President enquired of the Board's intentions with regard to an adjournment of this session.

Following discussion it was regularly moved by Mrs. Gove, seconded by Mr. Gratton:

(#160-60) "THAT, we adjourn at 10:00 P.M. and any uncompleted business be referred to the semi-annual meeting."

FOR THE MOTION: Mr. Blyth, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick.
ABSENT (temporarily): Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Dawson, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.

Motion carried.

11 D 34. CHAMPIONSHIP POINT RATINGS

The Secretary reported that at the last semi-annual meeting of the Board, a committee, composed of the Board as a whole, had been appointed to make enquiries on a more satisfactory method of determining championships, and suggested that this enquiry be continued.

It was regularly moved by Mr. Irving, seconded by Mr. Little:

(#161-60) "THAT, the Chairman appoint a committee."

FOR THE MOTION: Mr. Blyth, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick.
ABSENT (temporarily): Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Dawson, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.

Motion carried.

The Chairman appointed Mr. Blyth (Chairman) and Mr. MacKendrick as the personnel referred to in resolution #161-60.

11 D 42. JUNIOR SHOWMANSHIP COMPETITIONS

The Secretary referred to the proposal placed before the previous annual meeting of the Board by Mrs. Alva McColl with regard to Junior Showmanship Competitions, and pointed out that at the commencement of this meeting he had distributed to the members of the Board, proposals submitted by Mrs. Alva McColl and Mr. John McColl with regard to an extension of work amongst children through the establishment of a "Junior Canadian Kennel Club".

Mr. Irving stated that there is a very strong junior organization operating in British Columbia and felt that before any steps are taken by the Board to extend work amongst children, all organizations which have undertaken work in that connection should be consulted. He suggested that the proposals be tabled until the semi-annual meeting, and that all members of the Board seek the views of members and organizations in their own respective areas.

It was regularly moved by Mr. Irving, seconded by Mr. Blyth:

(#162-60) "THAT, this be referred to the semi-annual meeting."

FOR THE MOTION: Mr. Blyth, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. Monaghan.
ABSENT (temporarily): Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Dawson, Mrs. Dery, Mr. McDerment, Mrs. Southcott.

Motion carried.

11 D 55. "EXHIBITION ONLY" ENTRIES

The Secretary:

(1) reported that at a meeting of the "quorum" Board, the Board had ruled that show-giving clubs are not required to accept "Exhibition Only" entries;

(2) suggested that if this ruling is satisfactory to the national Board, a standing resolution to that effect be adopted.

It was regularly moved by Mr. Irving, seconded by Mr. Gratton:

(#163-60) "THAT, show-giving clubs are not required to accept "Exhibition Only" entries."

FOR THE MOTION: Mr. Williams, Mr. Anderson, Mr. Blyth, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.
ABSENT (temporarily): Mr. MacCallum, Mr. Dawson, Mrs. Dery, Mr. McDerment.

STANDING RESOLUTION Motion carried.

11 D 11. SANCTION SHOWS

Mr. Irving stated that the present sanction show rules are so abbreviated that they do not provide sufficient guidance for clubs conducting sanction shows under the Club's rules nor to those exhibiting dogs, and suggested that the Board appoint a committee to draw up regulations governing sanction shows.

It was regularly moved by Mr. Irving, seconded by Mr. Williams:

(#164-60) "THAT, we appoint a committee to prepare detailed rules for sanction shows for the consideration of the Board."

Motion carried unanimously.

It was regularly moved by Mr. Anderson, seconded by Mr. Irving:

(#165-60) "THAT, Mr. MacCallum be appointed Chairman of the Committee, with power to add to the Committee."

Motion carried unanimously.

11 D 46. RIBBONS

Mr. MacCallum reported that since the semi-annual meeting he had had further discussions with the Dominion Regalia Company regarding means by which clubs might effect considerable saving in the cost of ribbons for Championship shows, and outlined likely costs in the event that clubs are permitted to follow a proposal which he had previously placed before the Board.

Following discussion it was regularly moved by Mr. Anderson, seconded by Mr. Irving:

(#166-60) "THAT, we accept the report of the Special Committee, thank them for their report, and this

presentation be circulated to clubs and the Committee present a further report to the Board."
Motion carried unanimously.

INTERNAL AND ADMINISTRATION

9 A 73. ESTATE OF MRS. M. EILEEN McEACHREN

Mr. MacCallum reported that since his appointment as Chairman of a Committee appointed to distribute trophies bequeathed the Club by the late Mrs. McEachren, he had given some thought to the personnel of the Committee authorized by the Board (resolution #127-60) and of possible steps to carry on the work of the Committee.

It was regularly moved by Mr. Dawson, seconded by Mr. Gratton:
(#167-60) "THAT, this be received as a progress report."
Motion carried unanimously.

OBEDIENCE TRIALS

12 OB 8. REPORT OF OBEDIENCE COUNCIL

The Secretary reported that:
(1) prior to her departure for Boston and New York he had arranged for Mrs. McColl, Chairman of the Obedience Council in 1959, to review, on her return to Toronto, a number of outstanding files in connection with persons seeking to establish their eligibility to judge;
(2) when it appeared that because of illness Mrs. McColl would be unable to review the said files, he had, with the President's approval, arranged for Mrs. Mary Southcott to examine the files in order that recommendations may be placed before this meeting;
(3) following a review of these files Mrs. Southcott had recommended that:
(a) the examination paper submitted by Mr. A. W. Preddy be returned to the Examining Committee with a list of the correct answers to the questions appearing on the examination taken by Mr. Preddy, and the Examining Committee be requested to re-assess their marking of the paper when comparing his answers with the correct answers furnished;
(b) that Mr. Gerald W. Charters be approved to judge the Novice, Open and Utility Classes;
(c) that in view of the report received from the Examining Committee Mr. Bud Mendham be advised that his application is not approved at this time and he may re-apply in three months;
(d) in view of the report received from the Examining Committee Mrs. Evelyn Wuttke be advised that she is not eligible to apprentice at this time, that she give further study to the regulations and standards governing obedience, and that she may re-apply at a later date for a further examination;
(e) Mrs. Eleanor Pawson be permitted to apprentice in connection with her application for approval to judge the Novice and Open Classes, but the Examining Committee before which she appeared be informed of the correct and full answers to several questions which appeared on Mrs. Pawson's paper and on which it appeared that the Examining Committee was rather lenient in assessing marks;
(f) the recommendation of Mr. D. B. Hudson (Obedience Repr-sentative for British Columbia, Island) be approved, and Mrs. Tyrrell be informed that it is not in order for her to apprentice at this time, but that she may later re-apply, after she has gained further experience in connection with obedience;
(g) the report of the Examining Committee before whom Mrs. Dolly Wall appeared be approved, and that Mrs. Wall be informed that she should give further study to the Obedience Regulations and Standards and should wait a period of six months before re-applying.

It was regularly moved by Mr. Irving, seconded by Mr. Dawson:
(#168-60) "THAT, we concur in these recommendations."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Dery, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
ABSENT: (temporarily) Mrs. Gove.
Motion carried.

The Secretary:
(1) pointed out that when a person seeking to establish his eligibility to judge the Novice, Open and Utility Classes takes a written examination the examination paper is a composite one;
(2) pointed out that the passing mark for the entire paper is 75%, and the applicant failing to achieve that passing mark is deemed to have failed the entire paper and is therefore not permitted to apprentice;
(3) reported that Mrs. Southcott was of the opinion that, instead of one composite examination paper, there should be a single paper covering the regulations which all obedience trial judges are expected to know, and a separate examination paper for each of the classes (Novice, Open and Utility) that the applicant has applied for approval to judge;
(4) reported that Mrs. Southcott was of the opinion that this arrangement would permit of a person having passed the general knowledge test to be permitted to apprentice for any one or more of the classes for which he obtained a passing mark.

It was regularly moved by Mr. Anderson, seconded by Mr. McDerment:
(#169-60) "THAT, we approve this in principle and ask the Obedience Council Chairman to implement it."
Motion carried unanimously.

Mrs. Southcott stated that when passing on examination papers she had noted that some Examining Committees are liberal in the allotment of marks, and suggested that there would be more uniformity in the marking of examination papers if each Examining Committee is provided with the full and correct answer to each question appearing on the examination paper along with a statement of the Section number of the applicable rule in the Obedience Regulations and Standards.

It was regularly moved by Mr. Williams, seconded by Mr. Gratton:
(#170-60) "THAT, this recommendation be approved."
Motion carried unanimously.

The Secretary reported on a continuing difficulty being experienced in keeping complete files on applicants for approval to judge, and reported that it was the recommendation of Mrs. Southcott that the present standing resolution dealing with the procedure on applicants for approval to judge be amended as follows:
(a) upon the Secretary receiving the properly completed application, he will forward it, together with the Examining Committee's blank report form, examination paper, correct and full answers, to the local Obedience Representative. If, in the opinion of the Representative, the examination should proceed, he will arrange accordingly, and will report to the Secretary, returning the questionnaire, the written examination paper, the answers, and the completed Examining Committee's report;
(b) this file will then be referred to the Chairman of the Obedience Council, and if it is subsequently recommended that the applicant be permitted to apprentice, the Secretary will so advise the applicant and the Obedience Representative. All arrangements for apprenticing, and the gathering of all the items subsequently required by the Chairman of the Obedience Council will be retained in the hands of the Representative, who shall send the entire file to the Secretary when the applicant has completed his apprenticing. The entire file will then be turned over to the Chairman of the Obedience Council.

It was regularly moved by Mr. MacKendrick, seconded by Mr. Dawson:
(#171-60) "THAT, the recommendation be approved and appropriate changes be made in the Standing Resolutions."
Motion carried unanimously.

The Secretary:
(1) reported that he had received from Mrs. Marion King, Obedience Representative for Manitoba, a number of questions regarding tracking tests;
(2) reported that at the suggestion of Mrs. McColl, then Chairman of the Obedience Council, he had referred these questions to Cpl. Ian Hall for opinion;
(3) read Cpl. Hall's reply;
(4) recommended that a standing resolution be set up as a guide for the future.

It was regularly moved by Mr. Irving, seconded by Mr. Gratton:
(#172-60) "THAT, the following policies shall apply in respect of qualifying certificates for tracking tests: (1) the certification is valid for one year after its issuance; (2) it is permissible for one of the two judges approved to judge a tracking test to test and issue (at least the day previous to the tracking test) certificates for dogs scheduled to be entered in the test; (3) a certificate to enable entry of a dog in a tracking test need not be issued in the same area as a tracking test is being held; (4) a certificate may be issued by any qualified tracking test judge whether in the United Sates or Canada; (5) length of certification track is not a factor in the issuance of certification to enter a licensed tracking test; rather, the dog's willingness to work and evident knowledge of what he is to do are the important prerequisites to the issuance of such a certificate."
Motion carried unanimously.

The Secretary reported that Mr. Irving had asked that the question of clubs holding tracking tests and issuing tracking test certificates be placed on the agenda of this meeting.

Mr. Irving said that there was no pressing necessity to deal with the matter at this time, and recommended that it be tabled until the semi-annual meeting.

It was regularly moved by Mr. Dawson, seconded by Mr. Irving:
(#173-60) "THAT, this be referred to the semi-annual meeting."
Motion carried unanimously.

The Secretary:
(1) reviewed correspondence with Mrs. Audrey Langford, Obedience Representative for Ontario, regarding the difficulty being experienced by clubs wishing to hold tracking tests, in obtaining the services of qualified tracking test judges;
(2) reported on a recommendation which had been forwarded to the national Board in a memorandum dated December 9th.

Mr. Monaghan stated that no change should be made in the previously set standards for those wishing to qualify as tracking test judges feeling that to lower the standards would not be in keeping with the ideal.

Mrs. Southcott said that the proposal advanced to the Board would not lower the previously set standard, believing that the new requirements would still maintain a good standard of performance before an applicant is finally approved as a tracking test judge.

Following discussion it was regularly moved by Mr. Monaghan, seconded by Mr. Gratton:
(#174-60) "THAT, the present standard be maintained."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Dery, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. McDerment, Mr. Monaghan.
AGAINST THE MOTION: Mr. MacKendrick, Mrs. Southcott.
Motion carried.

FIELD TRIALS

13 FT 1. REPORT OF FIELD TRIAL COUNCIL

The Secretary reported that each member of the Board had been provided with a copy of the following report, dated January 25th, submitted by Mr. R. L. Blyth, Chairman of the Field Trial Council for 1959:

Since in another memorandum to the Board I have covered specific suggestions referred to the Field Trial Council for consideration, I propose in this annual report to cite a few statistics showing the continued growth of field trials in Canada in recent years. To the statistics for the last three years I have added the figures for the year 1938,

the last complete year prior to the commencement of World War II. I think the substantial growth of field trial activity may surprise those who have no idea of what has developed over the years.

Licensed Trials	1938	1957	1958	1959
Retrievers	3	33	38	42
Beagles	4	20	20	26
Spaniels	1	5	5	6
Pointing breeds	2	2	3	3
Foxhounds	0	3	1	1
Total	10	63	67	78

In my report for 1958 I spoke of a conviction that there would be a substantial increase of interest in field trials if some more steps could be made to give those active in field trials a greater opportunity of considering steps which should be taken, and for the right to place their recommendations before the Board for positive action. I would like to reiterate that view, more particularly as it applies to another memorandum covering the question of formation of an Advisory Council for each distinct type of field trial activity.

In conclusion I should like to thank all those Field Trial Representatives who have co-operated during the past year, not only by attending trials, but also in their correspondence with me in regard to matters referred to them for consideration.

It was regularly moved by Mr. Williams, seconded by Mr. Irving:
(#175-60) "THAT, the report of the Chairman of the Field Trial Council be adopted and our thanks be extended."
Motion carried unanimously.

13 FT 7. LIST OF JUDGES

The Secretary:
(1) reported that although there has not been established a list of "approved" judges for Beagle field trials, a list of persons deemed to be qualified judges of Beagle field trials had been prepared and submitted by the Ontario Association of Beagle Clubs and this had been most helpful when passing on applications for approval of selected judges received from Beagle clubs for trials in Ontario;
(2) reported that the Ontario Association of Beagle Clubs had set up a system of apprenticing judges with a view to qualifying additional persons as judges of Beagle field trials;
(3) read a letter from Mr. John A. Hunt, Ontario Field Trial Representative (Brace) suggesting the addition of two names to the list previously submitted by the Association;
(4) sought a ruling on the preparation of a list of approved judges for Beagle field trials.

It was regularly moved by Mr. Monaghan, seconded by Mr. Dawson:
(#176-60) "THAT, the Board take the necessary steps to authorize the setting up and operation of an apprenticeship system for Beagle Field Trial judges, and in the meantime the Secretary be governed by the recommendations of the Field Trial Representatives in connection with the selection of any person not on the list presently on file."
Motion carried unanimously.

13 FT 32. NATIONAL CHAMPIONSHIP STAKE (RETRIEVERS)

Mr. Irving:
(1) stated that the geographic location at which the National Championship Stake for Retrievers is held may necessitate its entries being closed on a date prior to the last of the regular licensed trials for Retrievers in that calendar year;
(2) pointed out that where the closing date for the Stake does precede the last of the regular licensed Trials for Retrievers in that year, a number of dogs which would otherwise qualify to compete in the National are denied that opportunity;
(3) suggested that the solution would be to permit such dogs to compete in the National Championship Stake to be held in the following calendar year.

After discussion it was regularly moved by Mr. Irving, seconded by Mr. Williams:
(#181-60) "THAT, the dogs qualifying at Retriever trials held after the closing date of entries for the National Championship Retriever Stake should be eligible for entry in the National being held the following year."
FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Dery, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
STANDING RESOLUTION Motion carried.

13 FT 29. BEAGLE FIELD TRIALS

The Secretary:
(1) reviewed the steps previously taken by the Board to set up a system to provide for the issuance of permanent measuring certificates for use at Beagle field trials;
(2) reported that he had requested and obtained from Mr. A. Cumming, Secretary of the Ontario Association of Beagle Clubs, the Association's recommendations with regard to implementation of the programme;
(3) recommended the appointment of Official Measurers to carry out the programme.

Following discussion it was regularly moved by Mr. Brown, seconded by Mr. Williams:
(#182-60) "THAT, the following be appointed Official Measurers for 1960:
Ontario: Lloyd Courtice, Wm. Trevena, Hardie R. Brown, Wm. Jackson, Philip Jacobi, Ralph Frayne;
Nova Scotia: Robert McGlashing, Lionel Petrie, Warren Anderson;
Quebec: Howard McCracken, Leyton Watson;
and the Directors in the different zones be allowed to add to the maximum of seven Official Measurers per zone."
FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Dery, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

13 FT 30. FIELD TRIAL COUNCILS

The Secretary reported that each member of the Board had been provided with a copy of the following report, dated January 25th, submitted by Mr. Blyth, Chairman of the Field Trial Council:

At the semi-annual meeting of the Board of Directors proposals of the Ontario Association of Beagle Clubs with regard to the formation of an Advisory Council for Beagles, were ordered referred to the Field Trial Council for consideration, not only as they related to Beagles, but to all other types of field trial activity held under C. K. C. rules.

In December a memo was addressed to all Field Trial Representatives seeking their views, and this memo to the Board is written after a review of the various replies which I have received in response to that memo.

Based on a consideration of those proposals advanced by the Ontario Association of Beagle Clubs, the response to the memo addressed to Field Trial Representatives on that subject, and my own experience in field trial activity, I would place the following recommendations before the Board of Directors for consideration:
1. that steps be taken to amend the By-laws to amend the present Field Trial Council composed as it is of Field Trial Representatives for all types of field trial activity, and substitute a new By-law which would provide for a separate national Advisory Council for each distinct field trial activity;
2. that we continue the provision under the present By-law for a zone committee, but that, instead of limiting this to any prescribed number of persons, it be formed on the basis of one representative for each club or association which held a licensed field trial under C. K. C. rules in the preceding calendar year in that zone;
3. that at the first meeting of each zone committee, there be elected a Chairman, and from each zone committee, one representative on the national Advisory Council for that particular breed or breeds;
4. that the delegate elected by each zone committee will be a member of the national Advisory Council for that particular field trial activity;
5. acting through the Chairman of the national Advisory Committee, the Secretary will seek the recommendations of the national Advisory Council on all matters relating to that particular type of field trial activity;
6. the national Field Trial Council for a given activity is free to submit direct to the Board, through its Chairman, its own recommendations for the Board's consideration, whether or not they have been invited to do so;
7. that the views of the national Advisory Council for a particular field trial activity be sought on all changes in the field trial rules which relate to that particular type of field trial activity, and the views of the national Council be communicated to the Field Trial Amendments Committee;
8. the Board of Directors continue to appoint Field Trial Representatives and it may, at its discretion, seek the recommendation of the zone committee before making such an appointment, although it is not compelled to abide by that zone committee's recommendation in making an appointment;
9. the representatives will be strictly a representative of The Canadian Kennel Club, his duties to consist of attending, where he can do so, field trials of his own breed or breeds in his own zone, and reporting on those trials direct to the national Chairman for that particular type of field trial activity, who will, in turn, pass on such recommendations to the Board as he feels advisable in the light of those reports. Amongst the suggested duties of the national Committee would be to place before the Board, recommendations with regard to policies affecting the granting of dates for field trials, policies with regard to the preparation of a list of approved judges and the manner in which additions or subtractions from that list may be made, physical arrangements in connection with the conducting of a licensed trial, and such recommendations as may be considered necessary to ensure proper implementation of the Field Trial Rules.

The weakness of our present By-laws is that it provides for one composite Council based on representatives of all breeds, many of whom have no direct knowledge or interest in field trial activity other than the type for which they are appointed Representatives. Moreover, because of the geographical distriction of those Representatives, it is impossible for the Council, as a whole, to meet, for obvious reasons. While the proposed national Advisory Council for each distinct type may run into the same problem of meeting, at least it will have the advantage that recommendations for each distinct type of activity will come from those particularly interested in that type of activity, and if somehow we can give these people a greater opportunity to express their views and submit their recommendations, we are more likely to create a better feeling for The Canadian Kennel Club and greater progress in field trials.

I am not satisfied that the plan as outlined will be 100% satisfactory to all concerned, but it will be appreciated that in seeking to place a plan before the Board it is necessary for us to consider all types of field trial activity and what might be the most practical from the point of view of the Board and those interested.

It was regularly moved by Mr. Blyth, seconded by Mr. Williams:
(#182-60) "THAT, the recommendations of the Field Trial Chairman be adopted and the Chairman be requested to prepare appropriate amendments for consideration at the semi-annual meeting."
FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Dery, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

-----The President returned to the Chair.

The Secretary pointed out that the Board's consideration of a proposal that there be a separate advisory council for each type of

field trial activity had originated with correspondence from the Ontario Association of Beagle Clubs (File 13 FT 14), and sought permission to immediately inform the Association of the action taken by the Board.

It was regularly moved by Mr. Williams, seconded by Mrs. Gove:

(#183-60) "THAT, the Ontario Association of Beagle Clubs be immediately informed of the action taken regarding the Chairman's recommendations on the field trial advisory councils."

Motion carried unanimously.

13 FT 31. PRIZES FOR FIELD TRIALS

The Secretary reported that each member of the Board had been provided with a copy of the following report, dated January 25th, submitted by Mr. Blyth, Chairman of the Field Trial Council:

"At a meeting of the Board last year it was pointed out that The Canadian Kennel Club offered special certificates at championship shows and obedience trials held under its rules. I was asked to consider an extension of this to field trials and sought the views of the various Field Trial Representatives.

It is my recommendation that the Board consider instituting an arrangement whereby a specially engraved certificate is provided for each dog which places first in an Open All-Age Stake at licensed field trials held under C. K. C. rules where the owner of that dog was, at the time of the trial, a member in good standing of The Canadian Kennel Club. I think this could be done without a great deal of expense, and I am quite sure it would be welcomed by field trial enthusiasts."

It was regularly moved by Mr. Blyth, seconded by Mr. Williams:

(#184-60) "THAT, the recommendation of the Chairman of the Field Trial Council be implemented."

Motion carried unanimously.

13 FT 34. SPANIEL FIELD TRIALS

The Secretary reported that each member of the Board had been provided with a copy of a letter from The Spaniel Field Trial Association of Ontario with regard to:

(1) its proposals on amendments to the present Field Trial Rules for Spaniel trials;
(2) its proposals regarding the adoption of Special Regulations applying to the National Championship Spaniel Stake;
(3) its proposals regarding the adoption of an official judging form to be completed for each and every dog competing at a licensed Spaniel trial.

Mr. Irving reported that a recently formed Spaniel Club in British Columbia had not been consulted with regard to the proposal that regulations be adopted for the holding of a National Championship Spaniel Stake, and suggested that while the Spaniel Field Trial Association of Ontario should be encouraged, every club or association presently or likely to be interested in a "National" should be consulted before any steps are taken by the Board to approve proposals advanced by the Association.

It was agreed that the Association's proposals with regard to amending the Field Trial Rules could not be considered by the Board for the Board has not the power to amend the Field Trial Rules.

It was regularly moved by Mr. Blyth, seconded by Mr. McDerment:

(#185-60) "THAT, the Secretary write The Spaniel Field Trial Association of Ontario on the ways and means regarding proper procedure, and all Spaniel clubs in Canada must be consulted."

Motion carried unanimously.

13 FT 12. REVISION OF CRIMINAL CODE

Mr. Irving:

(1) reported on discussions with officials of the Department of Justice regarding amendment to the Criminal Code to permit the shooting of liberated game birds at licensed field trials;
(2) reported that he had been informed that the government would not introduce a bill;
(3) suggested that steps be taken by way of the introduction of a private bill;
(4) enquired whether the Board would provide about $250.00 to meet the costs of preparation and distribution of a private bill to Members of Parliament.

Mr. Monaghan:

(1) stated that private bills are usually "talked out";
(2) reviewed the procedure followed within the Department of Justice when changes in the Criminal Code are proposed;
(3) suggested that some one be authorized to make appropriate enquiries and present a report at the semi-annual meeting of the Board.

It was regularly moved by Mrs. Gove, seconded by Mr. Little:

(#186-60) "THAT, Mr. Monaghan be authorized to make representations, and failing to succeed, The Canadian Kennel Club make available, if necessary, $250.00 for the typing of a private bill."

Motion carried unanimously.

GOOD AND WELFARE

14 G 2. DOG FOODS

The Secretary reviewed the discussion at the January meeting of the Board when Mr. Ken Ellis of the Quaker Oats Co. met with the Board.

Following discussion the matter was left in the hands of the President and Secretary to follow up with Mr. Ellis.

14 G 6. GENETICS

The Secretary reported that in accordance with an instruction of the Board he had sought information from The Genetics Society of Canada with regard to "sustaining membership" in the Society, and read a letter from the Society with which he had been furnished a copy of the Constitution and By-laws of the Society.

It was regularly moved by Mr. Monaghan, seconded by Mr. Irving:

(#187-60) "THAT, the Secretary be authorized to make application for a sustaining membership at $25.00."

Motion carried unanimously.

14 G 13. SHEEP AND CATTLE DOGS

Mr. Little stated that he wished to have more time to work out with the Secretary, specific proposals to place before the Board at its semi-annual meeting.

It was regularly moved by Mr. Williams, seconded by Mr. McDerment:

(#188-60) "THAT, the matter be deferred to the semi-annual meeting."

Motion carried unanimously.

14 G 15. FELLOWSHIPS

The President:

(1) pointed out that the Board, in 1959, had allocated $1500.00 to the Ontario Veterinary College in the form of a Fellowship in order that a graduate veterinarian could conduct research on the diseases of dogs;
(2) enquired whether the Board wished to repeat the Fellowship for another year.

The Secretary read:

(1) a letter from Dr. T. Lloyd Jones, Principal of the College, stating that "It is a great source of encouragement to all of us that the Canadian Kennel Club has established a fellowship to support work we are doing here which is of special interest to the Club";
(2) a letter from Dr. Robert C. Williams, who, with Dr. Ellen Brown, made arrangements with the College for a graduate veterinarian to conduct research on dog diseases.

It was regularly moved by Mr. Irving, seconded by Mrs. Dery:

(#189-60) "THAT, we repeat the fellowship of $1500.00."

Motion carried unanimously.

It was agreed that before implementing the resolution, the Secretary would discuss the matter with Dr. Jones, and if the College wishes to continue the research the Secretary would arrange for the continuance of the Fellowship for another year.

14 G 19. SEEING EYE DOGS

The Secretary referred to the letter from the Simcoe Kennel and Obedience Club read at the last meeting of the Board, and reported on his discussions with Mr. McGill, head of the Ontario division of the Canadian National Institute for the Blind.

Mr. Gratton stated that it is difficult to visualize the feelings of blind people to whom guide dogs are given, and reported on his discussions with officials at the Leader Dog School, Rochester, Mich.

Mrs. Dery reported on the activities of The Ladies' Kennel Club of Canada Inc. in providing funds for the purchase of Seeing Eye Dogs.

Following discussion it was regularly moved by Mr. Williams, seconded by Mr. Dawson:

(#191-60) "THAT, a Committee be appointed to take up this matter and present a report to the semi-annual meeting, and Mr. Irving be Chairman of the Committee."

Motion carried unanimously.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 20. ARTIFICIAL INSEMINATION

Mr. Little:

(1) referred to his earlier remarks on the advantages gained by breeders in other live stock through a wider use of artificial insemination, particularly the benefits derived through the means found to store semen;
(2) recommended that the Board allot $500.00 for experimental work, and stated that if the Board would make such an allotment he would present a progress report at the semi-annual meeting, and would provide the Secretary with a receipt for each expenditure.

It was regularly moved by Mr. Little, seconded by Mr. MacKendrick:

(#192-60) "THAT, $500.00 be allotted to Mr. Little for investment by him in an artificial insemination programme."

Motion carried unanimously.

DOG SHOWS

11 D 57. UNOFFICIAL TITLES

Mr. Irving enquired whether any clubs are permitted to award the titles "Grand Victor" and "Grand Victrix" at their shows.

Mrs. Southcott stated that on a previous occasion the Board had made a ruling on the use of such unofficial titles.

It was agreed that the Secretary would locate the previous ruling of the Board and inform Mr. Irving.

INTERNAL AND ADMINISTRATION

9 A 46. PROMOTION, PUBLIC RELATIONS, AND PUBLICITY

The Secretary read a letter from the Conception Bay Kennel Club, Newfoundland, requesting that arrangements be made for the Nova Scotia-Newfoundland Director to make an annual visit to Newfoundland.

Mr. Little reported on his visit to Newfoundland last November of the activity already commenced to hold championship shows and obedience trials on the island, and strongly recommended that the Director for Nova Scotia and Newfoundland be authorized to visit Newfoundland to follow up the work which he had commenced.

Mr. Gratton stated that he had already received a request to make the visit.

Mr. Anderson stated that all Directors are obliged to travel to some extent, and suggested that the Board consider sending the Secretary-Treasurer across the country in the interest of the Club's business.

Mr. Monaghan stated that the Secretary-Treasurer was "hired to manage the office" and did not believe it would be "good business to send him on the road".

Mr. Williams stated that he did not feel the "potential warranted the expense" of sending the Director to Newfoundland.

It was regularly moved by Mr. Monaghan, seconded by Mr. Irving:

(#193-60) "THAT, the Director for Nova Scotia and Newfoundland be allowed an amount not exceeding $200.00 for travelling expenses should he wish to travel to Newfoundland on the Club's business."

FOR THE MOTION: Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. Monaghan.

AGAINST THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mrs. Southcott.

The President cast a tie-breaking vote in favour of the motion.

Motion carried.

Mr. Monaghan:

(1) reported that as soon as he had obtained the acceptance of two members whom he had in mind appointing to the Promotion, Public Relations and Publicity Committee, he would inform the Secretary of the appointments in order that the Secretary may report the names to the Board;

(2) reported that in the "Memo from the Editor" section of the March issue of "Dogs in Canada" there would be a review of the Committee's work in 1959;

(3) reported that he had discussed with Miss Dunn the Committee's proposals for 1960, and stated that he would favour carrying out that part relating to an Award Breakfast for awards to the "Man of the Year", "Woman of the Year", and "Judge of the Year", but suggested that this too be a Dinner, and be held each year in a different section of Canada;

(4) stated that it is very difficult to assess the results of a promotion and publicity programme, but felt that something had been started and there is before the Board concrete proposals for its continuance for another twelve months;

(5) pointed out that last year the Key Publications Co. had been retained, at a retaining fee, as the Club's agents in implementing a promotion and publicity programme;

(6) recommended that Key Publications Co. be retained for a three-year period with the proviso that if the Board is satisfied with the 1960 programme, they would have the right to continue for a further 24 months, the retaining fee to be $1200.00 per year;

(7) stated that he did not feel that an expenditure of $2,000 to $2,500 on promotion and publicity was too much provided it is spent along lines which have the prior approval of the Board;

(8) stated that the Committee would undertake no project without the prior authorization of the Board.

Mr. Anderson stated that in 1959 the Board had started a promotion and publicity programme and felt that all that had been invested in the programme would be wasted if the programme is now discontinued.

Mrs. Gove enquired as to the "necessity to commit ourselves for three years".

Mr. Irving stated that the retainer was not high, and other firms providing the same service would charge a great deal more.

Mr. MacKendrick stated that every part of the 1959 Committee's programme had been placed before the Board, with an estimate of cost in each case, and nothing was done by the Committee without the Board's prior authorization.

It was regularly moved by Mr. Monaghan, seconded by Mr. Anderson:

(#194-60) "THAT, the Key Publications Co. be retained for a three-year period, with the proviso that the project receives the authorization of the Board again twelve months hence for a continuance during the subsequent 24 months, at $1,200 per annum."

FOR THE MOTION: Mr. Anderson, Mr. Blyth, Mrs. Dery, Mr. Gratton, Mr. Irving, Mr. Little, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.

AGAINST THE MOTION: Mr. MacCallum, Mr. Dawson, Mrs. Gove.

ABSENT (temporarily): Mr. Williams.

Motion carried.

9 A 67. APPOINTMENTS FOR 1960

Mr. Monaghan reported that, in accordance with resolution #123-60, the Directors for Ontario had named Mrs. Yan Paul and Mr. E. B. Reid as members of the Amendments Committee (By-laws) and Mrs. H. Farrell and Mr. George Lawless as members of the Amendments Committee (Dog Show Rules).

9 A 73. MEMORIAL TO THE LATE MRS. M. E. McEACHREN

Mr. Irving suggested that when the Committee appointed by the Board to distribute trophies bequeathed by the late Mrs. McEachren is in a position to do so, it submit recommendations to the Board with regard to the setting up of memorial trophies in memory of the late Mrs. McEachren.

It was regularly moved by Mr. Irving, seconded by Mr. Gratton:

(#195-60) "THAT, the question of a memorial to the late Past President be referred to the semi-annual meeting."

Motion carried unanimously.

9 A 75. LIAISON BETWEEN BOARD AND GOVERNMENTAL DEPARTMENTS -- LIVE STOCK RECORDS

Mr. Irving stated that there would be occasions when the Board wished specific matters taken up with officials of any Department of the Government and/or the Canadian National Live Stock Records, and enquired whether Mr. Monaghan would be prepared to act as liaison on such matters as may be referred to him by the Board for that purpose.

Mr. Monaghan stated that he would be prepared to make any necessary enquiries on any matters referred to him for that purpose.

9 A 76. PROCEDURAL POLICIES

Mr. Monaghan suggested that before the Board is asked to deal with matters relating to Obedience Trials and Field Trials, the recommendation of the Chairman of the respective Council be sought for the Board's consideration.

It was regularly moved by Mr. Monaghan, seconded by Mr. Dawson:

(#196-60) "THAT, with the exception of those items which are governed by definitely designated rules, which may be followed, that the Secretary be authorized to refer the obedience and field trial items to the respective Council Chairmen for recommendation."

Motion carried unanimously.

9 A 31. MEETINGS OF THE BOARD

The President sought the Board's pleasure with regard to the date of the next regular meeting of the Board.

After discussion it was regularly moved by Mr. Monaghan, seconded by Mr. McDerment:

(#197-60) "THAT, the next regular meeting of the Board be on Friday, April 8, 1960."

Motion carried unanimously.

9 A 39. IMPLEMENTATION OF BOARD DECISIONS

The Secretary referred to the Standing Resolution relating to the implementation of Board decisions, and sought a ruling on immediate implementation of decisions reached at this meeting.

It was regularly moved by Mr. McDerment, seconded by Mrs. Gove:

(#198-60) "THAT, the President and Secretary be and are hereby authorized to immediately implement decisions of this meeting."

Motion carried unanimously.

NOTICES

SUBJECT: Amendment to C.K.C. By-laws

On the last referendum ballot there appeared a proposed amendment to Article VII of the Club's By-laws. This proposed amendment having been approved by majority vote of those voting members who voted on this proposed amendment, application was subsequently made to the Minister of Agriculture for Canada for its approval. The approval was granted by the Minister on March 29, 1960, and the amendment is therefore effective on and from that date.

The amendment read as follows:

Article VII, MEMBERS, of the By-laws, be amended by the addition of a new Section reading as follows:

"11. Notwithstanding other provisions of this Article, the Board may order, in particular cases arising out of death or partnership, what rights of membership may be enjoyed by any person and the order of the Board with regard to such rights of membership shall be final and conclusive."

SUBJECT: Breed Standards

In the December 1959 issue of "Dogs in Canada" there appeared notice that at its annual meeting in February the Board of Directors would consider proposed new standards for the Bouvier des Flandres, Schipperke, Poodles and Griffon (Brussels), and proposed changes in the breed standards of the following: Field Spaniels, Sussex Spaniels, Airedale Terriers and English Toy Spaniels.

NOTICE is hereby given that at its annual meeting in February the Board of Directors approved the new standard for the Bouvier des Flandres, and the changes in the breed standards for the Field Spaniels, Sussex Spaniels, Airedale Terriers and English Toy Spaniels.

The proposed new standards for the Schipperke, Poodle and Griffon (Brussels) were not approved at this time, and were ordered held in abeyance for further consideration.

SUBJECT: Tattooing

Breeders employing the tattooing method of identification should note that the letter "R" is the year letter required to identify dogs born in Canada in 1960. For dogs born in Canada in 1959 the year letter is "P". The year letter for a given year should be used regardless of when registration of litter or individual dogs is actually effected.

CHIHUAHUA (LONG COAT)

Still enough of a rarity to be a fascinating conversation piece, the long-coated variety of the world's smallest breed is on the increase. This variation has all the physical attributes and characteristics of the smooth, except for soft-textered flat or slightly curly topcoat, usually covering an undercoat. Adding a certain dignity to the dainty little creatures is a generous fringe on the ear and eye-catching feathering on the feet and legs and pants on the hind legs. The tail is long and feathered in the manner of a plume. Both types have the same endearing qualities, the same clannishness in which it prefers dogs of its own breed to the exclusion of others, the same wide-awake intelligence. The saucy expression and dancing walk is there, and the same colors.

MRS. PEARL McNUTT, 715 George St., Peterborough, Ont., phone RI 2-4712. Shown here is **Can. and Am. Ch. Atwood's Don Diego Grudier,** at stud; also Lord Sergio, grandson of Can. & Am. Ch. The Magnificent Sergio; long coats from long coat stock only. Puppies.

CHIHUAHUA (SHORT COAT)

Survival of the fittest can also be of the smallest, as is proved by the endurance since the days of the Aztecs, of the world's tiniest breed. The Governor's Palace Museum in Mexico shows pottery and idols depicting small dogs closely resembling our Chihuahuas, which date back about 10,000 years ago. The tiny dogs we know today, so symmetrical, are a real tribute to all breeders who have taken great pains to keep them small, fine and sturdy. Chihuahuas are loving and almost humanly understanding; frolicsome and venturesome, and make good home or travel companions. Their keen sense of hearing and quick response, together with their determined high bark, make them a useful member of the family. Chihuahuas are rarely ill and live an unusually long life.

SHILLMAINE KENNELS, 11 Elizabeth St., Mimico, Toronto 14. Owner, Mrs. Maureen T. Samuels. Phone (CL 1-1534). Shown here is **Ch. Black Boozer, CD.** At stud also is Ch. Wee-Mite's Chiru and Azucar Ciruelo. Our puppies from champion bloodlines are being sold throughout Canada.

ENGLISH TOY SPANIEL

No mere plaything, the English Toy Spaniel has kept its early hunting instinct to this day. Intelligent and affectionate, it was brought to England (some claim via Spain) where it had Spaniel blood introduced. When she left France to return to Scotland as Queen, Mary Stuart brought several; one determinedly accompanied her to her death. There are four varieties, isolated in the present day by scientific breeding, all of which are identical in characteristics: The Prince Charles, a tricolor of white, black and tan; the Ruby, a chestnut red; the Blenheim, a red and white; the King Charles, black and tan. The size is a desired 9 to 12 pounds. The coat is long, silky and glossy, distinctly wavy, with thick feathering giving a luxurious appearance.

MRS. J. E. HENDERSON, Clover Croft, Sandy Ridge Road, Stockton, N.J. Shown here is **Ch. Vica Fidelia,** who has earned eight Best of Variety awards, including Westminster, 1960.

GRIFFON (BRUSSELS)

A saucy looking little tyke, full of spirit, exuding personality, the Griffon is a real gamin. His ancestry is certain as going back to the Belgian street dog and the gay Affenpinscher, both 17th Century breeds. He was early prized as a ratter and still retains this skill. The coat is a reddish brown, wiry and dense like that of an Irish Terrier; the coat is worn slightly longer around the eyes, nose, cheeks and chin in a fringe. Behind an alternately beseeching and devil-may-care expression is a marked sensitivity and almost self-consciousness among strangers, due to its superior intelligence. Tiny as he is, the Griffon is a real comrade on hikes and swimming and is obedient and easy to handle. While not a dog of great beauty, his jaunty good nature makes him lasting good friends and admirers.

ST. AUBREY-ELSDON, 4250 Decarie Blvd., Montreal, Que., Phone HUnter 8-6279 and TAlbot 3-9167. Owners: Nigel Aubrey-Jones and R. William Taylor. Shown here is **Am. and Can. Ch. Buka Proctor,** winner of The American Brussels Griffon Association Specialty, 1958.

JAPANESE SPANIEL

One of the oldest of Toy breeds, its ancestor, the Japanese Chen, is presumed to have originated in China. Then from those said to have been given to Japanese nobility as gifts they gradually filtered to England and Europe from the time of Admiral Perry. This is a beautiful compact little breed, definitely Oriental in appearance. It is proud, highstepping like a trained horse and carrying its luxurious tail high over its back. Such stylishness greatly appealed to two Queens, Victoria and Alexandra. This Toy is bright and alert, very quick to warn of a stranger at the door. Naturally clean and sturdy, he is game for fun and makes a charming companion. The Japanese Spaniel is unusually sensitive to people and seems to keep a mental notebook — rarely forgetting kindness or lack of it.

GAILINGA KENNELS REG'D., 93 Walkover St., Port Arthur, Ont. Owner, Mrs. R. Koski. Shown here is **Gailinga's Rising Sun,** promising young (7 months) male. Ch. Gailinga's Suki at Stud; puppies available.

MALTESE

For more than 28 centuries this little aristocrat has held its place in a changing world. "Ye ancient dogge of Malta" has been lauded and celebrated through peace and war from the time of the Apostle Paul and earlier. It was held almost in reverence by the Greeks who built tombs to their little Maltese friends and it is said that wealthy Egyptians served their best morsels to their Maltese from golden dishes. Actually the Maltese are a type of spaniel, tiny but sturdy, healthy and of high spirits. Refined and dainty in appearance, they are pure white, with their coat long, straight and silky, but strong. Very dark, gentle eyes and a little black nose give an appealing expression. The part in the coat extends from the tip of the nose to the root of the tail.

BELL VICTOR MALTESE, owned by Mrs. Edna Bellisle, Box 465, 990 Roper Avenue, Lorne Park, Ont. (near Toronto), telephone CR 8-2759. Pictured here is **Ch. Hawkridge Victoria** and a litter of one male and three females, handled by Lorna Jackson. Stud service by Ch. Bell Victor Busy Beau. Puppies for sale occasionally.

PAPILLON

One of the most appealing of the small dogs is the Papillon, known, because of the set of its wide erect ears, as the Butterfly Dog. There is an eye-catching, heart-warming appeal about this little breed. His chief qualities as an exquisite companion have been desired through centuries. The silken coat graduates into long feathers ranging in color from white, buff and shades of golden orange to rich mahogany or black, with the white always the predominating shade. The tail in full and handsome plume is carried curled to one side and waves enthusiastically at the smallest pleasure. Extremely intelligent, his eyes are dark, lively and keen. Even the feet are interesting: harelike, pointed, delicate, and neatly used.

KENNELS OF THE ROUGE, REG'D., Rouge Hill P.O., Ont., Owners, Mr. and Mrs. J. H. Daniell-Jenkins. Shown here is **Am. and Can. Ch. Choupette,** twice a Group winner in the U.S.A., handled here by the late Pearle Fix. Bred in Belgium by M. and Mme. E. Herrezell. See this month's cover story.

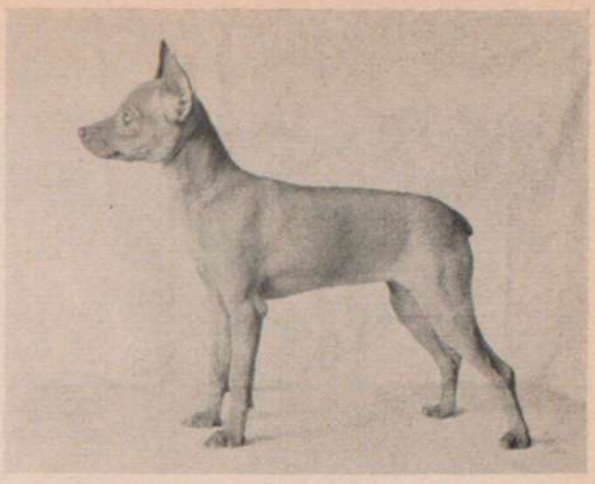

PEKINGESE

Quaint little figures carved in jade indicate the "Lion Dog of China" may well trace its history back to the days of Buddhist civilization. Extremely studied breeding brought the Peke to its present breathtaking beauty, taking care to breed to the many critical points particularly required in the head. The Pekes are an adaptable breed, small enough to live in a small house, or happy in the country. They love human society and singularly resent boredom. They are not a delicate dog and should be treated as real companions not lap dogs. In fact, they are famed for extreme courage out of all proportion to their size. The Peke's arrogant outlook is compelling; he fears neither man nor beast and this very independence endears him to owners.

ST. AUBREY-ELSDON, 4250 Decarie Blvd., Montreal 28, Canada. Phone HUnter 8-6279 and TAlbot 3-9167. Owners: Nigel Aubrey-Jones and R. William Taylor. Posed here is Rikki of Calartha, winning son of Am. and Can. Ch. Calartha Mandarin of Jehol. Puppies.

PINSCHER (MINIATURE)

If you admire the appearance of a big dog, but require a small one, consider the MinPin: he has all the appearance and symmetry of a good-sized dog, yet stands only 11 to 12 inches at the shoulder. Originated in Germany, he was known as the "Reh Pinscher" because his appearance and graceful action in the woods was so much like a deer. The belief is he descended from a larger terrier, possibly the Manchester, although the cropped ears and tail are his own. This breed is increasing in popularity in Canada, greatly because he always looks neat and dapper and requires so little grooming. His qualities as an alert, quick-acting watchdog give the impression of a large animal. Again, he is a natural-born showman, moving with neat Hackney gait and high spirits.

WILD ROCK KENNELS, Tweed, Ont., phone 443R3. Owner, Mrs. Flora Hewitt. Portrayed here is **Airline Meteor of Wild Rock,** who at the age of just 6 months, three days made these wins at the 1960 Sportsmen's Shows: 1 BCB in Group 5, 2 BCB Puppy in Group, 4 BCB in Breed, 4 BCBP in Breed. Puppies for sale. Stud service.

POMERANIAN

Another Toy which requires no pampering is the delightful little Pom, one of the sturdiest of the Toy Group. He is from the far North, a descendent of the Lapland and Icelandic sled dogs. This is another longtime breed which has had its ups and downs to some degree but now, through perseverance and scientific breeding is gaining rapidly in popularity. The Pom is a buoyant little creature, its gay carriage of the tail over the back, bright eyes, tiny erect ears and daintly carried feet make it a pride to own. The feet are small and compact, the whole frame is finely boned, covered by a luxurious, long straight glistening coat over a fluffy undercoat, giving an all-over picture of glamour. Here again is a dog for the small home or apartment, a great companion.

BELAND KENNELS, REG'D., 2253 Fassel Avenue, Burlington, Ont. Owner is Mrs. F. M. Peacock. This picture is of **Ch. Beland Wee Puff.** Dogs at stud. Puppies for sale from champion parentage.

PUG

In a Pug you have exactly what you see; there is no way of hiding faults. The Pug is singular in both appearance and temperament —neither should be stream-lined. The origin is said to be Oriental and on import to England via the Dutch East India Company traders became the pet of aristocracy. Because of their natural good temperament, their dignity and devotion, Pugs are excellent for older people who desire quiet companionship. Again, their good nature makes them fun-loving friends for children. Here is a breed deserving of more promotion — to people who will appreciate them. They require little grooming, a minimum of care for good condition and fit well into the small home or apartment. Except for length the coat is like mink and comes in clear fawn, black and silver.

BISCAYNE KENNELS, REG'D. Owner, Mrs. M. Cooper, 14 Proctor Blvd., Hamilton, Ont. Pictured is **Biscayne Toby Jug** (Imported). "Toby Jug" is at stud to approved females. Puppies frequently available out of home-bred and imported females.

TOY MANCHESTER TERRIER

In previous years and still in other countries, the "Toyman" is known as the Toy Black-and Tan Terrier. Here is a case of pure selective breeding down from Standard Manchesters without including any other toy breeds. Some of the original sturdiness was lost in achieving the diminutive size, but breeders have, in recent years, made up for any serious loss. The colouring of this trim little fellow is interesting: its color and markings should be jet black and rich mahogany tan with clearly defined lines of color division. The features are accented with bits of tan, even to the inside of the ears. Before buying a Toyman it would be well to consult the Standard for the correct markings. These little ones have an admirable character and a charming, dapper appearance. Weight is up to 12 pounds.

MRS. W. H. GLENNEY, 21 Aubrey Ave., Oak Ridges, Ont. Owner, Mrs. W. H. Glenney. Phone PRospect 3-5615. Appearing here is **Ch. Glen-Aubray Susie.** Ch. Susie is dam of two champions. Puppies and stud service available.

CLUB NOTES

IMPORTANT: Club Notes are for the purpose of reporting activities and plans of Breed, Group and other specialty organizations. There are certain news items which cannot be considered as "club notes", but rather as advertising material. Names of judges may be used only if the club's show advertisement appears in DOGS IN CANADA. Wins of dogs which will be or have been reported in The Canadian Kennel Club "Show and Trial Results" cannot appear in these columns. Make your club notes meaty and interesting. 300 words is the limit.

Books For Juniors

Worthington Bilbow, Esquire, — Ryerson Press.

One of the funniest books we have read concerns a smiling Samoyed named Worthington Bilbow, Esq., a true-life Sam owned by a brother-and-sister team of television writers, Marjorie and Antony Bilbow. Worthington not only ran the household but enthralled millions of BBC listeners. Worthington right now is probably outsmarting policemen, card sharps or helping the organ grinder through his monkey's illness. You can order this book through *Dogs in Canada* by sending your money order for $3.25 plus 25c to cover mailing costs.

Lad, a Dog, by Albert Payson Terhune, illustrated by Sam Savitt, Smithers & Bonelli, Ltd.

This is an anniversary edition of the famous book about a famous Collie which was probably a favorite story of your parents! Lad was a marvellously wise and good Collie, and if he did get into trouble, it was usually induced by the escapades of Lady, his beloved friend and Wolf, a Collie youngster. The only situation of which he was not master was the big Westminster show. This book can also be ordered through *Dogs in Canada*. Send your money order for $4.25 plus 25c for mailing.

Boy Scouts Handler's Badge

A proficiency Badge for dog handling is announced for Boy Scouts in Canada. All you Juniors who are members of the Boy Scouts are now eligible to try for the new Badge which, we understand, has been written into the Regulations of your organization.

We think this is a wonderful move and one which should do a great deal to encourage Boy Scouts to become interested in acting as stewards at shows and eventually embracing purebred dogs as a fascinating hobby. More details soon.

Associated All Hungarian Breed Club
by Mrs. R. D. McLellan
1492 Ponsard Ave., Westmount, Montreal, Que.

The 1960 Spring shows and obedience trials are about to start and here is one of the greatest opportunities of all. Shows and obedience trials are recognized as the display windows of the dog game. Here is your chance to exhibit your dog and talk to spectators as they stop by your bench. Take time to talk to them, answer their questions — and I can assure you many will be asked, as our Hungarian breeds are still not well known on this side of the continent but people are quite curious to know more about them. From my own experience, I found a leaflet, describing the history, characteristic and development of your favourite breed, is always appreciated by onlookers. Goodwill, good public relations and proper use of publicity will help to grant our Hungarian breeds the place they deserve in Canadian and American dogdom.

Having entered your dog in a show, you have put yourself in a position of hearing something you might not like. Maybe the other dog had more to offer. So, swallow your disappointment and maybe it helps to remember that your victory tomorrow may mean a competitor's blinked-back tears. Shows are the foundation for the school of hard knocks and if you master them with grace you become a finer person in the outcome.

B.C. Gun Dog Club
by Mrs. V. L. Love
8720 Government, Burnaby 3, B.C.

Attendance is holding up very well at our meetings with the interesting and varied program. In March Dr. W. Perrson and Dr. E. H. Sproston presented a film of interest to dog breeders and a question period followed. For April the movie, produced by Remington Arms entitled "Gunning the Flyways", will be of interest to duck and goose hunters.

The Retrievers and their handlers have had six Canadian trials up to April 10 with several handlers also going to the American trials. Tension is mounting over who has the best chance to win the annual trophies for the highest point winning dogs.

The pointing breeds had a sanction trial in March at Ladner where the Open Stake was won by Love's Ken's Best, a Pointer, handled by 15 year old Roger Love.

A television film was shown on CBUT, March 15, of Retrievers in action at Alouette River Area, Pitt Meadows, B.C. Members from our club handled their dogs on land and water tests. A panel discussion in conjunction with the showing of the film assisted in the interpretation of the tests.

The black Labrador, Love's Squire of Greenwood, owned by E. Vivian of North Burnaby, passed on this spring. Squire won the Open All Age Stake at our February 7 picnic trial.

So many of our members have litters of puppies now that we found the four lines written by K. P. on Page 62 of March **Dogs in Canada** very timely. In fact, we would like permission to print them in our next club bulletin.

When in Vancouver attend the friendly meetings and the competitive trials of our club — a welcome awaits you.

Boxer Club of Canada
by Joan Jeffries,
#7 Hwy., Woodbridge, Ont.

The club's specialty show, held at the Sportsmen's Show, Toronto on March 19, was a great success. The trophy display was outstanding, and Mr. Louis Oberly did an excellent job of judging.

While watching this show, the writer heard many ringside comments about what a wonderful job the Boxer club does of keeping this breed in the limelight. Although a small club in number of members, it manages to put on specialty shows and puppy matches year after year with entries that are the envy of other breed clubs. And the trophies are always a sight to behold. Spectators are often heard to remark, "Where does the Boxer club get the money for all of these expensive trophies?" I'll tell you where they get the money! It comes from their small group of members plus a few non-members who generously help out.

Many Boxer breeders in the Ontario area are not members of the Boxer Club of Canada. Some of these people do not support the club with entries or trophy donations, but prefer to criticize the club, referring to it as a clique. And if a clique is a group of people devoted to the welfare of the Boxer breed: willing to accept and welcome the help of others so devoted, then truly the Boxer club is a "clique".

In my opinion, the advancement of this great breed in Canada could be speeded up substantially by a united effort of all serious Boxer breeders. An effort of this type would be responsible for an even more impressive trophy table and an appreciable increase in entries — which in turn would lead to keener competition. Keener competition is the impetus which brings about the desire to breed or buy Boxers of higher quality. And Boxers of higher quality are sorely needed in Canada if we wish to compete with our American cousins at even odds.

Brantford Obedience Club
by E. S. Gardner
72 Hillier Crescent, Brantford, Ont.

An executive meeting was held at the home of the Gardner's on March 20 with all members present. This meeting was mainly to discuss the coming events of the club.

At the time of this article our entire club is engrossed in preparations for our obedience trial on May 1. Being our first trial it is very encouraging to see how all the members are cooperating to make it a very successful event.

This coming Sunday April 10, is the day of our graduation for our second training class. The dogs all look good and we can see the hard work that has gone into their training. We will have more news on this event in next month's issue.

The plans for our Graduation dance on April 22, are running smoothly and we anticipate a good turnout. If like the other dances it is too good to miss.

We are looking forward to the nicer weather so we may continue training our dogs outdoors. It has been a long winter and with the longer evenings coming you will no doubt see the various members out for a session of training with their dogs. As we all know it is repetition of the basic training that keeps your dog on his toes. Also, with our upcoming trial everyone seems to be eager to make the best showing.

Our club would like to thank Warren Parkinson, of the German Shepherd Club of Canada, for his kind words of encouragement in the March issue of "Club Notes".

The Bulldog Club of Central Canada
by Gertrude M. McKenzie
Locust Hill, Ont.

The following were elected officers for the year 1960: President, Mr. Albert Farrell: 1st Vice-Pres., Mrs. Margaret Lamb; 2nd Vice-Pres., Mr. Percy Alderson; Secretary and

Show Secretary, Mrs. Ann Clark; Treasurer, Mr. Kenneth Clark; Trophy Secretary, Mrs. Murray; Sick Committee, Mrs. Winnie Alderson.

The arrangements for our annual specialty show are now complete and the judge has been duly approved by the CKC. As in past years, the specialty will be preceded by a booster show to be held at the Progressive Kennel Club All Breed Show on the previous day. Future plans also include the holding of a Puppy Match, details of which will be announced later.

Two new members were welcomed into the club, Mrs. Thelma Blackburn and Mr. Geo. Peacock of Ninga Kennels.

At the recent Sportsmen's shows members' dogs did well in the show ring and placing in the group.

Mrs. Goss will be showing a Bulldog puppy from her kennels on the Peterboro TV show to be held on April 12 in the "Know your Dogs" program put on by the Kawartha Kennel Club.

Recently Albert Farrell shipped a puppy 'Down Texas way'; our Canadian dogs sure travel far and wide.

Roy Dewsbury's puppy bitch Princess Micki went BOB at the recent Group VI sanction show.

Mr. and Mrs. Cyril Bernfeld, Rawburn Kennels, Allendale, N.J., were guests at the dinner held in honor of Percy and Winnie Alderson's golden wedding. Mr. Bernfeld is president of the Bulldog Club of America, Div. 1, and the retiring president of the New Jersey Bulldog Club.

Dr. Vardon showed his new dog imported from England at the recent Sportsmen's shows.

Once again the membership are so sorry to learn that Leonard Lamb has to return to hospital and it is everyone's wish that he will soon be well again.

All enjoyed the lovely dinner that was given in honor of Percy and Winnie Alderson and they must feel gratified that the thoughts of so many were with them on the occasion of the anniversary of their wedding, particularly those associated with them in Bulldogs.

The next meeting of the club will be held on May 12. Members will be advised the venue.

Burlington & District Kennel Club

by Roy L. Dafoe

3047 Woodland Pk. Dr., Burlington, Ont.

Obedience trials will be held June 11 with judges Mrs. Casgrain, Mrs. K. Dillaway, Buzzards Bay, Mass., Mr. F. Giacomelli and Mr. E. W. Averill of Birmingham, Michigan. For the trials Mrs. N. Smith will be Show Chairman; M. Stacey, Show Secretary; F. Lowe, Trial Supt.; E. Lowe, Chief Steward and the trial will take place in the Burlington Arena Grounds.

At the present time, training classes are again underway with 53 dogs entered at the moment. Classes have been moved from the Burlington location to the Nelson Hall at the corner of the Guelph Line, Hwy. 25 and #5 Highway. Trainers are Mr. Ed O'Brien and Mrs. N. T. Smith. These classes are held every Sunday night and graduation for the present classes will be June 5.

The club has set aside an amount of money to be used to set up an educational library and these books will be available to all club members. Nancy Tough will be Librarian.

It was decided that the Puppy Register should also incorporate a listing of stud dogs available in various breeds. To be listed in this Puppy-Stud Dog Register, the cost is $5.00 per month to non-members of the Burlington Club. At the moment there is a demand for small short haired dogs.

The Canadian Samoyed Club

by F. T. Freeman

Oro Station, Ont.

As Spring seems certain to be just around the corner, although just which corner we are not too sure, the annual stir of activity amongst our members makes itself known.

We have already held our first booster of the year, this in conjunction with the March 19 show of the Canadian National Sportsmen's, and an excellent entry of some 33 Sams again attested to the ever increasing popularity of our breed. That our efforts are gaining ever wider recognition is shown in the American entries at this show. These "outside" entries are very beneficial for several good reasons, not the least of which is the fact they are a concrete proof that Sammy folks, wherever they may reside, are one and all interested in the same goal, that of promoting good sportsmanship amongst themselves, and good publicity for the breed. They also are the means of letting each of us see what the other is doing in the way of breeding etc., and this can be of great value to all.

Many new litters have already arrived or are being expected, and in nearly every case these are the result of carefully thought out breedings and should help greatly in improving the quality of Sam in Canada. Many breeders, in a sincere effort to carry on this same good work, are purchasing new stock from sources which they feel will enable them to produce better stock. Interesting too, is the fact that breeders all over Canada are buying or selling stock to other breeders all across the country, and this must have very beneficial results in increasing the uniformity of type and quality throughout.

The steadily increasing membership in the club is a very healthy sign; it is sure proof of the need for such a club which is dedicated to just one single purpose; the promoting of the best interests of the Samoyed everywhere. It is the constant aim of the club's executive to do all in its power to assist every owner regardless of where they may reside. Truly, it can be said of the Canadian Samoyed Club that it is "National In Scope — Individual In Interest."

The Canadian West Highland White Terrier Club

by Catherine McGill

51 Riverhead Dr., Rexdale, Ont.

A regular meeting of our club was held on Monday evening, March 21 at the home of Mr. and Mrs. H. Flanagan, Brooklin, Ont.

Mrs. T. S. Adams, the club's president, took the chair and business at hand was discussed and disposed of.

It was mentioned that our recent booster show, held in conjunction with the Sportsmen's Show, was a success and our Trophy Secretary, Mrs. Jeudwine, was complimented on the most attractive trophy table for this event.

Mr. and Mrs. Flanagan were thanked for a most enjoyable evening.

The Coastal Canine Academy

by Mrs. Ann Whitton

5867 132nd St., R.R. 4, North Surrey, B.C.

At the start of the New Year we formed our training club. At present we run training classes for all stages of obedience and have started to introduce interested handlers to the art of instructing. We hope to have a tracking class later in the Spring.

Our Training Director is Mr. Ben Taylor; the instructors are Mrs. Luke, Mrs. Taylor, Mrs. Whitton and Mr. Bill Strutinski.

In our few months of operation we have good news to report, but also sad. On March 18 Mr. Ben Taylor's "Benire's Golden Prince", his outstanding Collie, died suddenly at the age of three and one half years. In Prince's short life he attained many honours including Can. U.D.T., Am. C.D.X.T.D., the B.C. Centennial Trophy for the Best Obedience Collie of the Year; he won over 60 trophies and gained recognition as a proven sire. Prince was known throughout the Pacific N.W. not only for his obedience accomplishments but also his friendliness and was often referred to as "the Gentleman". We will all miss Prince at the club as he has inspired many beginners to strive for a high standard of obedience in and outside the ring, and the Taylor family have lost a dear and trusted companion.

We are holding our last class until the Fall, but hope to be kept busy attending the summer trials here and across the border. We expect to move to a larger hall in the Fall, and also start plans for mock and licensed trials next year.

The Conception Bay Kennel Club Of Newfoundland
by R. W. Nutbeem
Carbonear, Nfld.

The club continues to grow from the nucleus of purebred dog lovers who constitute the charter members. We were happy to welcome Rev. and Mrs. Reynolds and Mrs. William Smallwood into our membership in January, and as knowledge of the existence of our club spreads, there are encouraging signs of many more prospective members.

Our first few months have been marked by the enthusiastic application of members to the work of planning what will be the first All Breed Point Show ever to be held in Newfoundland. This first Annual Conception Bay Kennel Club show is scheduled to be held at Harbour Grace, Newfoundland on Saturday, September 24, with Mr. Lawrence Garvie as judge. Even at this early stage, there are strong indications of an excellent entry in all breeds, for our Newfoundland owners are most happy that at long last they will be able to justify their pride in their dogs in the competitive show ring. We are also most anxious to have with us as many of our friends from the mainland as possible, so if they would like to take this opportunity of (a) competing against the best dogs in Newfoundland (b) seeing our scenic Province at its beautiful fall best, and (c) have the distinction of competing in the first point show ever held in Newfoundland, we would suggest that they contact the Show Secretary, Mrs. J. G. Wilkie, Bay Roberts, Newfoundland to ensure receiving the Premium List.

CREDITS: To Bob Little and Harvey Gratton for the invaluable help and encouragement they have given us, and the lift they have given to the CKC in the eyes of Newfoundlanders.

INVITATION: Our club holds interesting meetings at 8.30 p.m. on the second Friday of each month at the home of our President, Mrs. R. W. Nutbeem, Carbonear. We would be more than happy to see anyone interested in purebred dogs — especially if they come from British Columbia. This is known as playing the two ends against the middle.

After reading considerable and interesting correspondence from several of our club members, and also very nice letter from our specialty show judge, Mr. Ed Drumm of Michigan, looking forward to his assignment on September 24 with great enthusiasm, lengthy discussions were had on various suggestions of devoting a goodly portion of our future meetings to some type of educational program, which should be of great interest and benefit to some of our new members, especially those of us with limited experience which happens to be the category in which I place myself.

Let us all be reminded that the most important task of our club is to dedicate ourselves to the breeding of real fine Dachshunds, and improving the breed in every way possible.

The Executive Officers have the firm belief that Futurity matches are certainly a step in the right direction for improvement of the breed, but after sponsoring two of these Futurity Matches, we find a lack of support in the way of Nominations (all 6 varieties). We must decide before our June 5 meeting if we are to continue with our Futurity in 1961, therefore we take this opportunity to appeal to all Dachshund breeders (non-members and members of our club) for their opinions and pledge of support in way of nominations for the 1961 match (all 6 varieties). So much depends on these replies during the month of May if we are to continue with another Futurity in 1961.

Those not familiar with the rules of Futurity, please refer to column entitled "Dachshund Futurity" in the February issue of **Dogs in Canada** (page 20), and also keep in mind that females bred after this coming July 23 would be eligible for the next Futurity. Puppies must not be over 12 months of age on date of show, September 23, 1961. Look for our Futurity advertisement elsewhere in **Dogs**, every other month.

We will be most grateful to receive opinions and pledges of support to this very worthwhile project, from breeders of all six varieties, and especially those within driving range of show location (Burlington, Ont.) Please mail your replies to Club Secretary, Ernie Lindsay.

The Doberman Club of Canada
by Fred Kleinert

Our March meeting was held at the home of Mr. and Mrs. F. Oldland, Stoney Creek, and sponsored by John Day. Our Secretary, Mrs. K. Bayliss, was happy to report receiving letters from coast to coast regarding our club and also enquiries for puppies.

Also invitation and program were received from the International Doberman Club through their President, Professor Wilhelm and their Secretary, Mr. Wilking, for the International Specialty Show in Lausanne, Switzerland on May 28 and 29.

The following countries will therefore show their dogs or be represented by delegates at the meeting and show: France, England, Switzerland, Norway, Germany, Holland, Canada, Italy, Brazil, Portugal and Spain.

A very pleasant evening came to a close with a Chinese dinner.

The Forest City Kennel Club
by Rita M. Smith

The monthly meeting of the club was held in the new club rooms, The Eastern Star Temple, on March 16, the President presiding.

After a tour of our new club rooms, which are wonderfully bright and cheerful, the meeting got underway with discussions on our forthcoming show in May.

After the meeting a very informative and illustrative discussion on internal and external parasites was given by Dr. J. Pochrinich, London veterinarian. This was most enjoyed as Dr. Pochrinich brought along slides to illustrate the parasites in their different forms. Dr. Pochrinich is exceptionally well versed in this subject and I am sure the members learned a great deal from his talk and illustration.

To those members who could not get to the meeting mainly because of weather conditions, we hope you will turn out at our next. We are sure you will be more than pleased with our new club rooms. And remember, there is work to be done for our forthcoming show and a club cannot hold together unless its members get in there and help.

sented. A male dog of Herb and Hilda Burrow's breeding went BOB for the second time here. He then went on to second in the group. I'm sure Herb and Hilda must be very proud of this up and coming young dog. This male is Guy, the same dog who went BIS last month. I am no less proud of Gentleman Jim, whose owner, Joe Darlington, handled him to RW dog. Mary and Spencer Weller's Electra, handled in the usual manner by my father, went WB and BOS. This was her first time out. Another puppy, out for the first time, who won his class was Cliff and Maud Chapman's Knight. Also representing our club were the Bretts with two young puppies.

We were a little disappointed at the Shepherd entry at this show. What's the matter, folks?

THE SPENCER WELLER TROPHY

I think our big news for this month is that Mr. John Seiler will be judging our big Specialty show. Mr. Seiler has been a Shepherd man since the early 30's. His confidence in his own opinion is well known south of the border. The big day is June 11. This is the show that pays particular attention to the Canadian bred German Shepherd and where the beautiful Spencer Weller trophies will be up for competition. Plan to attend — you can't win these magnificent trophies unless your dog is there to compete.

Our Show Secretary, Mr. Herb Burrows, would be pleased to add your name to our mailing list if you will call him at Whitehall 2-1237. Our trophy chairman is Mr. Mac DeMeo at Baldwin 1-7704.

At our last meeting plans were made for our first Matinee show of the year on June 5 at the home of Mr. and Mrs. George Gerigs. Further information will be mailed out.

Always finish with a smile!

Question: Just bought a trained dog from Germany and have repeatedly given him the command 'Pass Auf and Fass' but he refused to attack. Do you think this guy is a fake and was never trained?

Answer: You have to scare him to death with one of those terrible looking training suits, otherwise it's all baloney to him.

HEIDENHEIM DACHSHUNDS REG'D.

We are deeply distressed to relate that our beautiful Tara

Can. Ch. Heidenheim's Temptation

was stolen from her bench at the International Kennel Club Show at Chicago on Sunday, April 10, 1960.

Tara (who gave us the 3 Best Puppy In Show awards at Burlington in the Fall and who finished her championship undefeated in 3 shows; who went BOS and BCB the first three Sportmen's Shows and BOS at the fourth) had done so well in Chicago. In an entry of 62 smooths, 25 in the female classes, she had gone Reserve Winners Female. She was taken within one quarter of an hour of the closing of the show.

Her loss is deeply felt as she was the most beloved of all our dogs.

The German Shepherd Dog Club of Canada
by Warren Parkinson

The massive oak doors of Fort York Armories swing open May 15, welcoming you to our 8th. Annual Obedience Trial. Slip collars, slack leads, jumps, dumbells and UDs articles are the order of the day. Top judges, large rings, quiet atmosphere, Ontario's finest premium list and friendly after show dinner, are just some of the points that make this trial a G.S.D.C. of C. Trial. This, as well as holding a Tracking Test and our all breed training classes which handle 160 dogs a year, is our tangible way of promoting obedience.

Another banner event takes place June 12 at Streetsville Ont. We present, at this time, our third annual Puppy Specialty Show. Dr. J. Snavely, of Bowling Green, U.S.A., our honoured judge will carefully evaluate a very promising generation. Large classes, gaiting in the large ring, give all an opportunity to study the various line, outcrasses and general combinations as they effect the individual animal, i.e. Rocket of Cara Mia. Ken Collision and his committee, which include many of the '59 successful group, are on their toes. We have the basic ingredients of a good show, a specialty judge, a large ring, plenty of time, and an energetic committee.

Here and there: We apologize to all who were inconvenienced through the necessary change in Obedience Trial dates from June to May 15; club dance highlights, polka king — Fred Faehrmann, cool cat — Gord Garrett, in the groove Fraser and Marg. We missed many, and many missed a good time! Our Booster Show March 19 was well — nice.

The March Meeting of the Hamilton Kennel Club was held at the home of the President, Mr. George Lawless. We had the pleasure of holding our meeting here due to alterations to the Agricultural Hall where we usually hold our monthly meetings.

The main topic of the evening was of course our Spring Dog Show. Many trophies were brought in and it looks like we are going to have a very attractive premium list.

We were very fortunate to have as our guest speaker of the evening, Mrs. Lorna Francis from the Children's Aid Society who delivered a very informative talk on the Children's Aid.

At the close of the meeting Mrs. Lawless served very delightful refreshments and a good time was had by all.

Professional Handling and Training All Breeds

Bill Finn, chairman of the new training classes at Ancaster, reported that this class will be one of the largest in the club's history with 47 dogs already registered and 15 additional applicants waiting to see if there will be room in the beginner's group for them. The head trainers for the C.D. work will be Fred Tremain, a local obedience judge, and Mrs. O. R. Langford, the obedience representative of Ontario for The Canadian Kennel Club.

Jake Giacomelli, superintendent for the double obedience trial at the Ancaster Fair Grounds on June 26, said that The Canadian Kennel Club has approved the selection of Judges Peter Kirk of Aldershot, Walter Konradt of Dundas, Ontario, Leo V. Henige of Walbridge, Ohio; and George S. Pugh of Exenia, Ohio, U.S.A. for this event.

The meeting was closed with refreshments prepared by Mrs. R. D. Moggach of Galt.

Mrs. Wm. E. Walls judged the graduation of the club's winter training classes at the Windsor Hall in Hamilton on March 20. Good scores were obtained by Mrs. R. L. Dafoe's Irish Setter, Bruce Bell's German Shepherd, Mrs. James Cunningham's Doberman, and H. E. Munroe and his Boxer. Bill Stewart's Weimaraner, Juno, worked like a veteran on her C.D.X. work. Dennis Oxley won the Utility graduation with his German Shepherd, Baron. Felix Jaslowski and Ralph, his Collie, also did outstanding work in this class.

There was a record attendance at the first night of our new training classes at the Spring Valley Hall in Ancaster. Bill Finn, the training class chairman, welcomed the newcomers and Bill Burr showed his excellent film on obedience work.

Demonstrations were well handled by Mrs. James Cunningham and Sigmund, her Doberman, who graduated from our last training class. Abe Zbonkin and his Standard Poodle did the C.D.X. work and Jake Giacomelli and Spike, his Boston Terrier, showed the U.D. work.

Hull and District Kennel Club
by E. Diana Gemmell
471 Golden Ave., Ottawa 3, Ont.

The monthly general meeting of the club was held on March 9.

The resignation of the President, L. Cdr. D. G. Anderson, tabled at the meeting held on February 10, was accepted with regret and appreciation expressed of his untiring efforts on behalf of the club.

S/L B. F. Stoughton was unanimously elected President for the remainder of the annual term and kindly agreed to continue as Treasurer.

Our Sanction Show, held on Sunday, February 21 in the Hull Armories, was a success in spite of weather conditions. We were very grateful to our two judges, Mrs. Pamela Mack and Mr. Ken Ellis, for their kindness in accepting the assignment and for their fortitude in arriving. Mrs. Mack managed to get up by road from Montreal but Ken Ellis, having started by road, had to give up and came down by plane.

Plans for our point show on August 28 are underway. Show Chairman is Mr. Earl Scott, and Show Secretary Mrs. Pamela Sims.

The Irish Setter Club of Canada
by John B. English
114 Seneca Dr., Ancaster, Ont.

The month of March provided much activity for members of the club. On Wednesday, March 16 three fine Irishmen made up a St. Patrick's day display at The Stag Shop for Men at The Greater Hamilton Shopping Centre. Two of the animals, Londonderry Belle 11, C.D., and Ch. Prince Rory of Kenten C.D. gave two excellent displays of their obedience training while Killane Michael Malone contented himself by watching the large crowds gathered in the store. All three animals were found attractive by the public, and showed to their best against a fine background of quality Irish tweeds and worsted.

March 18 found many members busily decorating benches at the Coliseum in Toronto, preparatory to their Booster Show the next day at the Canadian National Sportsmen's Show. The combined efforts of the members won the coveted award for the third time. This award is presented by the Sportsmen's Show for the best decorated benching. All members felt that this award could not have been won without the talent and effort, in particular, on the part of one of our members, Mr. George Howe.

The regular meeting was held at the home of Mr. and Mrs. A. W. Forest in Burlington, on March 21. After the meeting was completed we were fortunate to have Mr. Meadows, from the Department of Lands and Forests, speak to the members. Of particular interest to Setter fanciers was the way in which game could be coaxed to new areas by the planting of suitable ground cover and food such as clover and corn. Mr. Meadows also gave an interesting talk on the part played by the Fisheries Department in protecting the waters of the Great Lakes from the predatory Lamprey. Refreshments were served by Mrs. A. W. Forest at the closing of the evening.

On March 25 members were invited to a rather unusual birthday party. The celebration of the 10th birthday of Ch. Prince Rory of Kenten C.D., took place at the home of Mr. and Mrs. R. L. Dafoe, Burlington. "Rory" enjoyed his gifts of porterhouse steak, liver, and milkbones etc., and had a sample from each gift as it was unwrapped. He enjoyed his evening thoroughly and has yet to show signs of his approaching years, just last year taking BOB at our Booster Show at the Canadian National Sportsmen's Show. We all unite in wishing "Rory" well for the next ten years.

road with all our judges accounted for, a great many trophies in and some of our advertising. We are pleased that our members, who showed their dogs at the Sportsmen's Show, did so well. Everyone is getting the feel of shows in their blood and are anxiously awaiting May so we can start on the rounds.

We have now had five shows on TV and are constantly improving we hope. The name of our program is "Kennel Corner". We are happy to announce that we have been fortunate enough to have Quaker Oats' Ken-L-Ration, Pets Division, sponsor our show, which makes this a completely Peterborough effort. We hope, in some small way our "Kennel Corner" has helped dogs and breeders and that when we have had our final show for the season we will be invited back in the Fall to continue with even bigger and better shows.

The London Canine Association
by John F. Harris
P.O. Box 105, Belmont, Ont.

The February meeting was held at the YM CA, London. Due to a very bad, foggy night many of our members were unable to attend.

The March meeting was held March 9 at the YMCA, London. Our President, Alex Dickson, was unable to attend as he had a bitch whelping. Vice President Jack Harris took the chair.

The meeting was mostly regarding plans for our coming show. Word was received that Bill Cooper is now home from hospital and doing very well. We all hope to see him at the next meeting.

Mrs. Betty Dickson, of Ziska Kennels, Dorchester, Ont., is soliciting trophies for our coming all breed championship show. Anyone interested in sending a trophy or $5.00 to cover same, would be appreciated.

The meeting came to a close at 10.30 p.m. and coffee was served by the ladies.

The Miniature Schnauzer Club of Canada
by VeNorma D. MacKendrick
"Boxerly", 2038 Lake Shore East, Oakville, Ont.

Spring seems to have affected a number of members like "Lord Ronald," of P. Q. Wodehouse fame, who 'flung himself on his horse and rode furiously in all directions' as quite a few of the 'fancy' have done just that, some tripping South, some having babies (human, too!) and some moving to new quarters. However, the April meeting, held at the home of our new and enthusiastic members, Mr. and Mrs. Akitt, brought out enough voluble participants to provide a quorum when needed.

Winners for the past year, based upon the tabulations of our new point system, were announced and, in the opinion of the majority of the members present, improvements were made in regard to establishing puppy wins for the coming year.

Samples of trophies for our Specialty Show were shown to admiring approval and we all hope to, at least, 'get a leg' on one of the doggy creations. Business of the club concluded, we proceeded to wreck 'the joint' (of ham!) and all the appropriate accessories "before the fact" of thanking our hosts for a delicious evening.

Oakville & District Kennel Club
by J. E. Hicks
281 9th Line, Oakville, Ont.

Dr. Dales and Dr. Harrop, district veterinarians of the Health and Animals Division of the Federal Department of Agriculture, gave very interesting and informative talks on the subject of rabies, at the March meeting. This was very educational and was thoroughly enjoyed by members and guests. Thanks to Mrs. Betty Thomson for the pleasant evening.

Mr. George Kennedy has obtained that well known judge and breeder, Mr. Frank Jones, of Minesing, Ont., for our April meeting.

The attendance at our monthly meetings has improved. We believe this to be due to the fact that we have shortened our business portion and devoted more time to the entertainment or "doggy" portion. Also, individual members are responsible for and organize the entertainment.

Mr. Surette of Brantford will be in charge of our dog training class to start April 20 and run for nine weeks.

Plans for the annual dog show and obedience trial September 10 at the Oakville Arena are forging ahead.

Oshawa Obedience Association
by Peggy Boorman
22 Frank St., Oshawa, Ont.

Our eighth all breed obedience show was held at the Knights of Columbus Hall in Oshawa on March 6. Peter Kirk of Aldershot was the Judge. Despite unpredictable weather conditions the show was well attended.

The Obedience Training Class had a recent graduation and the trainers are to be congratulated on the wonderful work they are doing.

Another training class started on April 7 and indications point to success again. It is indeed very gratifying to see so much interest shown by dog owners in learning to handle their pets and increase their enjoyment of man's best friend.

Bob Savink and Bud Flanagan recently took two of the obedience trained dogs to the Kingston & District Kennel Club Show. They were well received and the dogs gave an excellent performance.

We wish to welcome into our club Mr. and Mrs. Roy Parker of Oshawa who are the proud owners of a black Miniature Poodle "Coquette". Also Mr. and Mrs. Bert Boorman of Oshawa and "Corky" their white Miniature Poodle.

The May 2 meeting of the association will be "Open House" and special guest will be Mr. Kleinjohann who will show films on obedience training. Mr. Kleinjohann is a well known German Shepherd breeder and judge.

Although our Association has not been sending in club notes to "Dogs in Canada" for some time, the members have still been very hard at work and we hope you have enjoyed hearing from us again.

Ottawa Kennel Club
by T. E. Gundersen

The monthly meeting was held at the Humane Society Headquarters on March 24; Mrs. Neill Malcolm, our President, presiding at a well attended gathering of members.

A very fine movie was shown by Dr. Quentin Laham entitled "Film on Heredity," which explained that inbreeding of animals was good if controlled.

Mr. Earl Harrigan reported on plans for the last winter sanction show to be held on April 2 and which would include obedience demonstration.

The Treasurer reported on finances covering our two previous sanction matches that proved very successful.

Accounts were presented for payment and final plans were discussed about our point shows May 6 and 7.

It is hoped that the Westminster, 1960 film will be available for our April meeting, and plans are underway with Gaines for its release.

Perth County Kennel Club
by Bette Burton
Box 81, Stratford, Ont.

Hi, the March wind doth blow and we are sure getting the snow around here. The club held its March meeting on March 21, in the Agricultural Board room with Vice President Leo Bodemer in the chair. Two new members were welcomed, Mr. and Mrs. Frank Hall.

Mrs. Seguin reported two new books ordered for the club library and the club appointed Mr. C. Burton as their representative to the Obedience Association of Ontario. Mr. Burton recently put on an obedience demonstration with "Duke," his German Shepherd, at the father and son banquet of the Boy Scouts and Cubs. He told the scouts he would help any with their dogs so they may obtain their proficiency badges.

All show committees reported everything running smoothly. The meeting adjourned and lunch was served by Mrs. Symonds and Mrs. Sequin.

The Progressive Kennel Club Inc.
by Gertrude W. Drew

The March meeting was held in the regular YMCA room on Eglinton Ave. The President, Mr. C. Stevens, was in the chair and attendance was considerably less than usual. There still is considerable sickness.

Mrs. Martha Stevens was suffering from a severe cold and certainly did not look well. She thought she should be present as important business was coming up.

The usual reports were received and approved. Everything in connection with our June show was reported to be right up to date.

Judges for our two day fall show were chosen tentatively and confirmation of same will be reported later in this column.

The cover for our June show premium list and catalogue will be a memorial to the late Mrs. Eileen McEachren who was a member of this club for several years. Also, the BIS trophy will be donated by the club in her memory.

Mrs. Sally Vertulia has been ill with pneumonia for over two weeks. She is able to be up now and we hope she will soon be fully recovered.

Mr. J. W. McCallum has been honoured by a return to office on the Livestock Records Committee for 1960. This committee comprises five members and a chairman picked from 35 associations throughout Ontario.

Mrs. Olive Dewsbury is rejoicing over the recent win of her new Borzoi, Andremedia, who placed second in the group at Group Six sanction show held recently at Farmers Market, Thornhill.

Her other two Borzois, Boreas and Bagatir, made a television appearance on the "Hit Parade" with Miss Gloria De Haven.

On April 12 Mrs. Goss of Bewdley will be showing one of her Bulldog puppies on the Peterboro TV "Know Your Breed" program.

The Irish Setter is known to be prolific in family life but not often to the extent of a litter of 16. In March the writer's young Setter female gave birth to that number which included 12 males. The girls being so badly outnumbered have had a tough time at the filling station.

The Provincial Irish Setter Club
by Gertrude W. Drew

The March meeting was well attended and included our Honorary President, Mr. W. Brown. With the weather improving, more and more members are getting out.

Business on the agenda was light, leaving time for some valuable discussions. The new proposed standard for our breed was read by the Secretary, Mrs. Mary Lake. There were several controversial points argued but no decisions made.

Our crests proved to be very popular, some taking as many as four. As a result we have only nine left. It is possible we will have to have another lot made up.

Mr. Harry Dean of Ardee Kennels, Sask., who, with Mrs. Dean, has been on a two months holiday in Mexico and the Caribbean and latterly in eastern Canada, returned to these parts after a ten day delay in the Maritimes due to heavy snow storms. We had planned on having a social evening for him but unfortunately he was behind schedule and had to leave for his home the day following his return from the east. But we did get in some good visits beforehand.

I have a letter from him since his return home and parts of it are quite interesting to all Irish fanciers, or should be. Here is what he says about field and bench dogs. "I am fighting a lone battle in placing bench show Setters in open competition with all the pointing breeds at field trials. At the moment I am somewhat perturbed regarding two aspects of the Irish Setter fancy. Many of the dogs entered in field trials as Irish Setters are not true Irish Setters and many of our bench show Irish Setters are fast becoming so huge they can never successfully compete with other pointing breeds in the utility field. Surely we can find a happy medium."

What Mr. Dean says is absolutely true. These reports about crossing the Irish Setter have been flying around for quite some time. Personally I would like to see our breed left alone and not contaminated with other breeds for field trial purposes.

Years ago the Irish Setter was a great bird dog, he hunted with the best and out hunted most of them. Pioneers and frontiersmen have furnished many a story about the ability and skill of the Irish Setter. They preferred the Irish Setter because of his gameness and great stamina. He was then and still is a hunting fool. He will work as long as he is expected to and his ranging tendencies left no birds unaccounted for. Why change him now? He is a most desirable bird dog just as he is. All he needs is training.

Through the courtesy of Gaines Dog Foods Co., we were able to procure the film, "Way of A Field Champion," for this meeting. This is the film that was shown at the CKC annual meeting and which met with such favor.

It was thoroughly enjoyed by our members and we are indeed grateful to General Foods Ltd. for making it available on such short notice.

New members attending this meeting were Dr. and Mrs. J. R. Robison, John De March. Three other members joined this month, Mrs. E. Rowe of Acton, Mr. John Venier, Toronto and Mr. P. Peshinin of Downsview.

The meeting closed with delightful refreshments served by the hostess, Mrs. Lake, accompanied by a wide open discussion on our breed.

For information re activities and membership in the club, please write or phone, Mrs. Mary Lake, 200 Maple Leaf Drive, Toronto 15. Ch. 1—3709.

Richmond Dog Training Club
by Frances Clark

Although our original plans for the "New Year" were to hold Obedience Trials in the latter part of the Spring, we discovered that no club had planned trials for the early months and, as a result, many exhibitors who expected to have dogs ready early in the New Year were unhappy about the situation. To assist these and other exhibitors, the "R.D T.C." decided to hold trials on March 6. The exhibitors responded with a tremendous entry, with 78 dogs going through their paces. The two judges selected to do the two events, Mr. Ben Taylor and Mrs. Irene Bourassa, were assisted, in view of the large entry, by Miss Joy Curran.

The "R.D.T.C." trophies were won by Mr. Dave Lim's Doberman Pinscher, Rocket of Richmundy C.D.X. (Am.) C.D. and Mrs. Dolly Wall's Keeshond, Flakkee Wrockson.

Graduation of the Richmond Obedience Classes took place a few weeks after the trial. The classes were so large this term that it was necessary to divide them and hold them on two separate nights. The graduation exercises, however, were held on one evening Highest in the Utility Class went to Frances Clark's Shetland Sheepdog, Ch. Hi-Hope's Merry Imp C.D.X. (Am.) C.D. Highest in the open Class to another Sheltie, Mrs. Daphne O'Dare's Starcross Wonder Boy of Hi-Hope C.D. The Novice Class trophy was taken by Mrs. Dolly Wall with her Keeshond, Wrocky.

R.D.T.C. members have been doing quite well for themselves in recent shows and trials, in the U.S., Pam Reid's Toy Poodle, Sylvester's Cream Puff, taking Winners, for five points at the Seattle K.C. show, and, Winners, BW and BOB for five points, at the Peninsula K.C. show, these two shows being his only American outings to date. Frances Clark's Sheltie, Can. Ch. Timberidge Typesetter C.D., took the Winners ribbon, at the Seattle event (which was the Evergreen State Sheltie Specialty); also picked up his second leg on the Am. C.D., in a recent trial. The same owner's Ch. Hi-Hope's Merry Imp C.D.X., completed her Am. C.D. at the Seattle Show, scoring 198½ for 3rd. in Novice "B", then earned her first leg on the C.D.X., at the Peninsula K.C. event. Typesetter and Merry Imp, competing as a brace at the Washington State Obedience Specialty brought home a trophy for 3rd, scoring 194. John Hounslow's Labrador, Reidcroft's Dany Duke, earned the first leg on his Am-C.D., scoring 196, well up in his class. Mrs. Wall's Keeshond, Wrocky, earned two legs on his Am. C.D. in recent shows, also with good scores.

Plans are now well underway for trials in June, as well as for a Tracking Test in early Fall while the members are, at the same time, busy preparing their dogs for these and other events in the coming months.

The St. Catharines & District Kennel & Obedience Club
by Don Foster

131 *Bunting Rd., St. Catharines, Ont.*

Our meeting at the VAW Hall, which is held on the second Monday of the month, got underway with reports from our various committee heads. We were disappointed to learn that our proposed date of September 25 for our first Championship Show was taken, and in reviewing the remaining dates left it was agreed by the Show Committee to forego any activities until the Spring of '61.

The Obedience Committee received confirmation of the Lake St. Armouries for Saturday, May 21. A meeting of the committee, held after the monthly meeting, brought to light a very interesting extra for our trial. We are having a special Utility Class apart from the regular classes, reserved only for finished Utility Dogs. There will be a prize of $3.00 plus $3.00 for each additional entry made in this class by other handlers. We are hoping this will keep all UD dogs and their handlers on the active list. There will also be a challenge trophy for our regular classes to be won three times. It is to be returned by March 31 of the following year and unless the handler wins again they will receive a replica of the trophy with their name and dog's inscribed on a plate attached to the trophy. The trophy is valued at $60.00. It must be the same handler each time but does not have to be the same dog.

We have purchased stationery with our club's name and crest printed across the top. It was decided not to order a large quantity of shirts and was suggested that anyone wanting to buy one could do so on their own.

Our fourth graduation on March 13 was judged by Mr. Clark Diamond of Hamilton. First place went to Mrs. Barr's Toy Poodle; second to Mrs. Alice Holt with her mixed breed dog and third went to Miss Joan Barr's Toy Poodle.

After our general session we were introduced to Mrs. L. A. Lymburner from Port Colborne by our Treasurer, Mrs. I. McGuire. She gave a most enjoyable talk on "dogs and people".

Shearwater Kennel Club
by Mrs. Valerie H. McMillin
Woodlawn, N.S.

The March meeting was marred by the tragic death of Mrs. Mary Whitman in a traffic accident which claimed three lives. Mrs. Whitman was to have lectured us on "Pugs". She was well known as breeder and exhibitor and well qualified on the subject, having only recently been approved as a judge of all breeds in Group 5. All club members offer their sincerest condolences to Mr. Whitman, also to Mrs. Coutreau, Mrs. Whitman's mother.

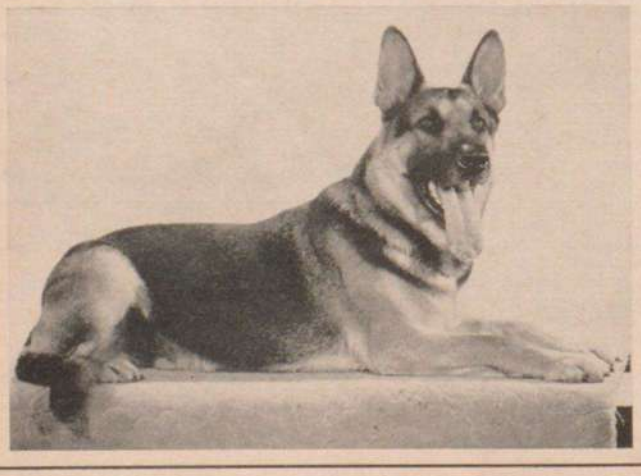

The business of the club was scarce this month. Plans for our two shows are reported well in hand and only details seem to be needing attention there.

It was unfortunate that our meeting night was foggy and wet. This kept some of the members from venturing on the roads, also some were home preparing to leave next day for the first of the Maritime shows of the years, at Fredericton N.B.

Coffee and refreshments were served at the close of the meeting. We hope to have a colored film on dogs in guard work at the April meeting to be held on the 28th.

The regular March meeting was held in the Scout house, Talbot Street, Simcoe on Monday, March 21, 1960 at 8.30 p.m. There were 46 members and guests present. After a brief business meeting, the meeting was adjourned and turned over to Mr. Walter Patten who had planned the entertainment for the evening. He had obtained the services of Mr. S. G. Darderian of Preston, German Shepherd Judge, and Dr. Wilfrid Shute of Port Credit, noted International Judge, for the evening. Mr. Darderian gave a very interesting lecture and demonstration on judging the German Shepherd. Dr. Shute gave a demonstration on the judging of the working group. There were about 14 different dogs of the working group present. In all it added up to a very interesting and informative evening.

The "200" Club
by Laura McNally
62 - 4th Ave. S., Roxboro, P.Q.

Over 20 members attended the second Inter-Club Competition at which the three "200" Club dogs scored tops again in two out of the three classes. This puts us a scant 11 points behind the total points leading team from Montreal Dog Obedience Training Club.

The third and final meet in this series will be held outdoors with the "200" Club as host, on our own summer stamping-grounds, lovely lakeshore lawn area provided by one of our members.

We look forward to welcoming the participants and their "cheering sections" from the two urban clubs. Cross your fingers that we will have one of those glorious sunny Spring days!

In April, we have been invited to demonstrate obedience work at a rally of Scout Leaders. The Scout people wish to inaugurate training for the Dog Handlers Badge in this area.

Good luck to the "200" Clubbers entered in the Cranston, Rhode Island trial!

Western Canada Club Notes
by E. MacPherson
2274 Grandview Douglas Hwy., South Burnaby, B.C.

I am sorry I missed last month's club notes, but between my moving and so many activities, there just wasn't time for writing.

Our members are certainly dyed in the wool show goers, many of them rising at the early hour of 3 a.m. and making a four hour drive to Seattle to have their dogs benched by 8:30 for the March 13 show. Mrs. Cauldwell and her pup "T.R." brought home the honors by going best opposite, out of 33 Boxers entered.

Our monthly meeting was high-lighted by a talk by one of our local vets, who so readily give their time, Dr. Allan Perry, who spoke on the new vaccines and medicines that are coming in for the betterment of our dogs. We all found it very enlightening.

Our new training classes have started with the biggest enrollment so far to date and the competition team are hard at the drill work. They intend to carry this on right through the summer, training and adding a few spares, but first they have to pass quite a rigid test to get into the team. Our Specialty was held in conjunction with the Association of Specialty Clubs Sunday, March 13. There was an entry of 32 dogs, some from as far away as Calgary. Our judge was Mr. A. H. Dodds of Victoria. The highlight of the show was the presentation of the "Junior Kennel Club of Vancouver's" trophy for the "Handler of the Year." This went to 16 year old Donnely Langdon. The presentation was made by our CKC representative Mr. J. Irving. Donnely's parents, Mr. and Mrs. Howard Langdon, are members of long standing in the Boxer club, and we were all delighted to see Donnely win this coveted award. Our show ended with the parade of Champions. It's so nice to see these older dogs out again. The oldest in the parade was Mr. Henry Schmidt's Can. & Am. Ch. Janacee's Marcus, eight years old, who enjoyed the whole thing to the fullest and barked loudly as his grandson "Mark" took the breed, as he had done, years before. The local newspapers were very cooperative in giving us advertising space for the show and as a result the spectators' gallery was filled to capacity.

Our next meeting should be a very interesting one. We are having Dr. Berry, a professor at the University of B.C., to speak on genetics and linebreeding. This meeting will also be open to the public.

Our specialty sanction show was held April 1. There was a very large turnout. Our judge, Miss Mary Wilkinson, chose as her winner four months old "Perreo", owned by Mr. Harry Salmon.

Lots more shows, trials and social doings coming up—see you next month.

MEMO FROM THE EDITOR

entries, while tops in the Non-Sporting Group, totalled only 689. This would indicate that dog shows are not necessarily dictators of the public's taste in dogs.

We're happy the author of the article loves his mongrel, and that his dog loves him when he is in an evil mood and warns him when a stranger comes to the door. But, no self-respecting purebred would do less.

The author is by no means alone in his love of or concern for the mongrel. The thousands of dog breeders we know are vitally concerned with the welfare of *all* dogs. It is this concern, coupled with an intelligent appreciation of the facts, that motivates their promotion of the purebred. Statistics show a ten to one ratio of mongrels to purebreds in Canada, but in one average month in one city, 20 mongrels are picked up as strays for every purebred and taken to the dog pound to be disposed of one way or another. And this is the basic, humane answer to "why purebreds?" The price of a purebred does much to guarantee its well-being and safety. Its purchase can be made with planning and forethought, not bought on the spur of the moment for $2.00 or less to "keep little Willie happy". What is acquired cheaply and with little thought is too often discarded just as cheaply and thoughtlessly.

A strong point in favor of purchasing a purebred is that, while there may be room in the home and heart for an adorable puppy, there is no place in either for the oversized animal this mystery package may become.

Procurement of a mongrel offers no guarantee of a good temperament. In a purebred, sound temperament is a most essential quality, lack of it can eliminate his chances in the show ring.

Perhaps, in addition to the many services received from his mongrel, the "editor" would enjoy others for which purebreds have been developed through the centuries. Their functions are suggested by the six groups into which dogs are divided for purposes of judging — Sporting, Hound, Working, Terrier, Toy and Non-Sporting. Breeds in the Toy Group, such as the Pekingese and Chihuahua, are primarily pets but what's wrong with that; we don't all want a sporting, ratting, guard or hunting dog. But the breeds in the other Groups were largely created for specific purposes, and often were a necessity to man's survival; for example, the Weimaraner, bred by members of the German court of Weimar in the early 19th century could guarantee his royal masters a full table. Labrador Retrievers are important factors in the conservation of our duck supply and provide their owners with pleasurable days in the field. German Shepherds are widely used in police work and serve nobly as companion dogs for the blind. Collies are unexcelled for herding livestock. Has our author rodents in his back yard or house? Then available to him is a dog especially bred to rid him of them without fuss and in a most professional manner. Maybe he's allergic to dog hair—he can still indulge his wish for a dog by acquiring

a "hairless" dog guaranteed to be "non-allergic".

So, we can assume that purebreds, rather than being bred as a "status symbol" were developed to hunt game, to guard, be companions, to fight and today, in most parts of the world, they still perform their original functions.

The best place to see and compare the many varieties of breeds is, of course, a dog show. Dog shows are not primarily vehicles for advertising the breeders' "wares" for sale as many other shows and exhibitions are. The breeder of a Spaniel does not vie with the breeder of a German Shephard for the public's dollar saying "mine is the beter model, AND has automatic electronic control". The main purpose of a dog show is for breeders to prove to themselves that their many years of patient planning, investment in thought, care and cash have not only been on the right track, but well worth the effort. If they are proved to be wrong in the ring, they are willing to start all over again. The breeder is interested, not so much in the public acclaim of his efforts, but in how the dog he has bred and reared stacks up with others in the same breed, groups and with all other dogs in the show. He is willing to submit to the judgment of a small group of experts whose advice he welcomes just as much as their decision. The expenditure involved in bringing a purebred dog up to show standard is considerable; breeders have to be not only dog lovers but dedicated people to their hobby.

There are always those who rebel at any symbol of perfection, claiming to enjoy freedom of choice and not wishing to follow the crowd. There's a widespread choice in purebreds too; over 126 breeds are presently listed by The Canadian Kennel Club. For those who want to be "different" from the Jones' and at the same time keep up with them are the Puli, Komondor, Dandie Dinmont, Lhasa Apsos or even a Tahltan Bear Dog.

Why discriminate against purity in the breeding of dogs? Purebred cattle are not derided because they are bred to produce more milk, more beef, to withstand certain conditions and no-one seems to object to the breeding aims of those who indulge in the sport of Kings. Beatniks were at first noticed because they were not conformists; now, to be a Beatnik one must conform to the accepted standard laid down in the public mind. There's even conformity evident in such a strident argument "for" the mongrel, conforming with that segment of the public who resent the implications they see in ownership of a purebred dog.

We admit we are biased but we claim not to be bigots. If you insist on a mongrel God bless you. As a self-respecting lover of our doggie friends, along with the majority of breeder-members of The Canadian Kennel Club, we hope to live long enough to see the day when there'll be just enough dogs in this world with none left over to suffer a life of neglect, constantly changing

FOR CRIPPLED CHILDREN

A 62-page volume entitled "The Best of Dogs in Peace and War" has come to our attention. The book, rather than of a technical nature, contains good information on raising dogs and interesting bits and pieces about dogs. Part II contains an insight on the use and training of dogs for war work. All proceeds of the book, which sells for $2.00 prepaid, go to the research fund of the Crippled Children's School at Jamestown, North Dakota. The school extends its new methods to all Crippled Children's Schools in the United States, Canada and throughout the world.

PET FOOD FOR THOUGHT

should be primarily used to "tickle the palate" of finicky eaters, but should not constitute a major portion of such mixtures.

Fat in the Dog's Diet

Recently a great deal of interest has centred about the use of fats in dog foods and animal feeds. Research has shown that fats and fatty foods rich in cholesterol when consumed tend to increase blood cholesterol levels which in turn is suspected of being conducive to atherosclerosis and heart disease. Dogs appear to be relatively immune to atherosclerosis and heart disease. Dr. Clive McCay of Cornell University suggests this may be due to the constant exercise most dogs get in contrast to their masters.

It is recognized that the palatability of foods for dogs may be increased by the addition of fat, and will improve the hair coat if the right type of fat is used. By feeding diets too high in fat there is the possibility of diluting the other nutrients in the diet while only satisfying the dog's caloric needs or its appetite. Amino acid, mineral and vitamin deficiencies could very readily result from the excessive use of fat in the dog's diet.

The problem as to what may appear as a paradox, in that feeding fat may be good or bad, can be solved through the use of moderate amounts of high quality fats.

Experiments at the University of Wisconsin have shown that dry-type dog foods containing 3½ to 4 percent of fats, which naturally occur in ingredients used in making this type of food, would meet the nutritional fat requirements of the growing pup as well as the mature dog. Foods containing as much as 19 percent of fat actually retarded the growth of pups. Dogs fed the high fat diet ate enough to satisfy their caloric needs but did not eat enough of the food to supply them with enough protein.

The case is similar to the child who will satisfy its caloric needs, or its appetite, by eating candy before meal time and thus fail to consume enough essential protein, minerals and vitamins provided by a balanced diet.

Most naturally occurring edible fats and oils are highly digestible and are about equal in food value. Only fats with very high melting points appear to be poorly absorbed.

There have been instances where some breeders and veterinarians have used or recommended as much as 10 to 20 percent or more of fats with prepared dry dog foods which already contained from four to six percent fat. It was thought that the addition of fat would "put on weight". Often the results were just the opposite — a loss in weight for reasons described above. Breeders who insist upon using large amounts of fats usually buy in large quantities which

are apt to go rancid unless treated with an anti-oxidant. Feeding large amounts of rancid fat usually results in destruction of essential vitamins, vitamin E in particular, with the usual clinical manifestations including immediate intestinal disturbances.

The True Value of Self Feeding

"Self-Feeding" or "Dry Self-Feeding" are terms to describe a feeding program which is currently being recommended and publicized by some dog food manufacturers.

The psychological aspects of the daily contact in the feeding and caring for dogs cannot be overemphasized in the improvement in the relationship between man and dog. One of the pleasures of dog ownership is the satisfaction of seeing a hungry dog happily fed. Such daily contact will make the dogs respond more quickly and make training and handling easier.

The greatest opportunity to detect the earliest symptoms of sickness or disease is during the daily offering of food to a dog. Even the most inexperienced kennel person soon learns to recognize the characteristic reactions of a sick dog when offered food. Watching how, and how much, a dog eats every day is one of the best means of detecting illness at an early stage. The following factors should especially be considered:

1. Leaving food exposed 24 hours a day for many days at a time will only lead to the encouragement of rats, mice, roaches, flies, weevils, feed mites and others. Leptospirosis, a very serious disease of dogs, is spread by rat urine. Even in the best kennels, keeping flies away may be quite a serious problem especially when dogs have access to outside runs.

2. It is impossible for a dog to consume dry food without a certain amount of salivating. Trips to the water pan are more frequent and water dripping into the self-feeder tends to encourage bacterial growth. If the feeders are not thoroughly cleaned frequently, it is possible that the food lodging in the corners of the feeder could become progressively more moist. It would require only a small amount of food contaminated with a virulent food poisoning organism of the Salmonella type to kill a dog.

Pet Food Research Facilities

The Quaker Oats Company is currently in the process of consolidating all of its research activities in a Northwest suburb of Chicago called Barrington. The new main research laboratory was completed in the year of 1956 and is located about four miles away from the 475 acre Ful-O-Pep Research Farms. In March of 1958, a 19 acre tract of beautifully wooded land adjacent to the farms was acquired. Here is being completed the largest, most beautiful, and most unique commercial pet food research kennel and catery in the world.

These new kennels will enable both the Canadian and U.S. Ken-L-Products and Puss 'n Boots Divisions to maintain its leadership in the pet food field, by continuing the research work that was started in the present kennels about 30 years ago.

Most breeders will agree that it is rather difficult to keep abreast of all the latest nutritional developments. They rely, for the most part, on dog food manufacturers to produce nutritionally adequate dog foods. The fact that approximately two and a third billion pounds of wet and dry dog foods were sold in the U.S. and Canada during 1959 can be used to attest to the high acceptance of commercially prepared dog foods. It is the pledge of those in pet food research at Quaker to continue to do all it can to play its part in perpetuating good dogs and the sport of showing them.

It's a Dog's Life

About three weeks after Candy, my four-year-old Cocker Spaniel, had given birth to seven puppies she came into the kitchen. As I watched she went directly to a low open cupboard where the eggs are kept in a basket, took one out and holding it very carefully in her mouth, walked toward her puppies.

Never knowing her to steal, I followed curiously and watched as she gently placed the egg in the midst of her puppies. Then she stood there wriggling her tail and looking so proud – waiting I presume, for the puppies to eat the egg. I took it away and there wasn't a crack or tooth-mark on it.

The three major wins at the American show were too much for the Canadian exhibitor. He stumbled back to the motel in the wee hours, to be greeted by an angry wife.

"What do you mean, coming home in this state?"

"Sorry, m'love," he murmured. "Can't rightly remember what shtate we're in."

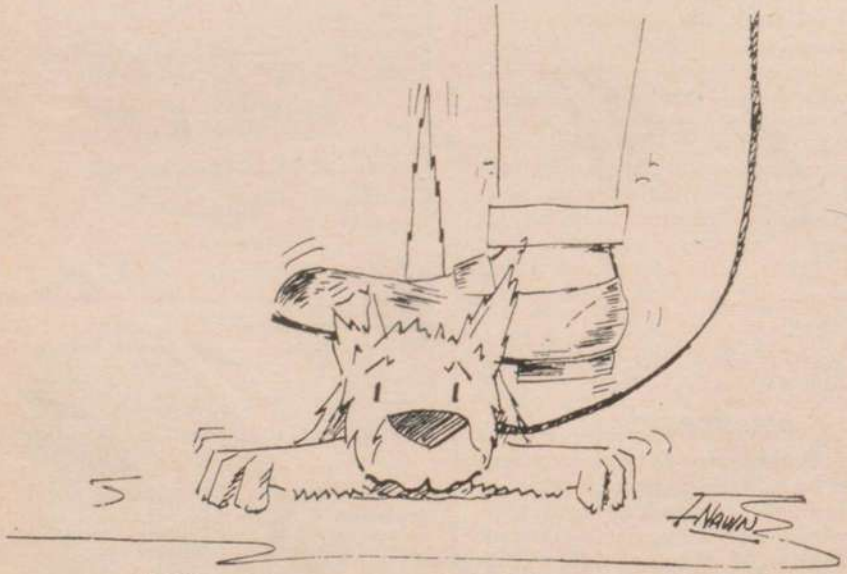

Show Superintendent: The show has closed, Mrs. Trevene. Can I help you with anything?

Mrs. Trevene: I'm looking for a husband.

Superintendent: But you have a husband.

Mrs. Trevene: That's the one I'm looking for.

In a public opinion poll of West Germans it was revealed their preference is for advertisements showing dogs rather than pinup girls . . . Her owner, claiming she had become so hard of hearing she couldn't hear herself bark, had her fitted wih a hearing aid . . . Pet of a Wyoming Justice of the Peace, the three-year-old Dalmatian Clancy MacGillicuddy was operated on for eye cataracts which his veterinarian avers were the result of too steady television viewing. While convalescing he was permitted to watch only one program – *Lassie.*

LEGEND OF THE THUMBMASK

As Jesus carried his cross to the hill, a little dog ran up the path. He bent down to pet the dog – a Pug – and when he did he left His thumbprint on the Pug's forehead. If this is true, is not our breed truly blessed!

It is springtime and all thoughts are turned to puppies of all breeds, why not a Pug? In U.S.A., England and everywhere their popularity is increasing. Let's make them extra popular in Canada.

WHAT TO WEAR

Now what shall I wear for the dog show?
My dress, or my sweater and skirt?
In my blue, to be sure, I look quite demure,
But in my red I look more alert!
My new green is very becoming,
I move well in my brown pleated skirt,
But very svelte, with its wide waspie belt,
Is my pink, but it does show the dirt!
My black is sophisticated,
It sets all the handlers agog,
Yes! It does look quite lush—and now I mush rush,
Great Scott! I've forgotten the dog.
