MEMO FROM THE EDITOR

A NEW INTEREST in purebred dogs is attested by lengthy, well-illustrated articles in current issues of several major magazines and in a new CBC Sunday afternoon television series starting early this month. This new awareness is stimulating. It might not follow that sales will immediately increase — but the market should expand steadily.

Since any kind of potential transaction or actual sale comes under the heading of business, there are ethics to be observed. Even in one's own hobby the fundamental courtesies and faith are essential. But human inconsistencies being what they are, even the best of faith can run afoul of actualities. An arrangement which may be perfectly clear at the time of speaking can be completely misconstrued by one of the parties — who in all honesty believes his understanding is entirely correct. At the risk of seeming redundant it cannot be too strongly stressed that undertakings, even simple ones, should not only be clearly stated but put in writing. This is particularly so, as many breeders will attest, when a puppy is to be given in lieu of a stud fee. If a novice is making any arrangements other than straight cash, it would be advisable to talk to a seasoned, principled breeder first. In the matter of service, the number of services should be clearly agreed upon in writing, and what is to be the outcome if the service fails to "take". An animal being shipped for breeding purposes should be sent only in the best of health — freshly bathed and brushed. The return shipment should be in the same good condition. Needless to say, a sale involving breeding stock or puppies should be exactly as stated in the arrangement and not a whit less. This is neither more nor less to be expected in a sale of any type of goods. It appears there are many types of "deals" in dog transactions. One's own pride and principle should be the guiding light on the one hand. In the party of the second part, as they say in legal circles, if the arrangement sounds loose or unwholesome in any way, it would be wise to consult with The Canadian Kennel Club first — rather than after the damage is done. It is difficult to accurately recall a promise in the heat of anger or disappointment. Most breeders are proud of their dogs and the name of their kennels, as well as their own. On the other hand, bad word seems to travel faster and farther than good — and in any business the ethical in their field have a right to expect all participants to deal straight from the shoulder.

The encouraging increase in public interest marks a milestone in the world of dogs — it is a real recovery from the unavoidable lapse created by World War II. It is an ideal time for us to take stock of one's business methods, remembering the reputation of Canadian dogdom is also involved, and make our world of dogs recognized as a sport and well-regarded in the matter of ethics.

The Better Business Bureau has compiled a code called the Ten Commandments of Good Customer Relations which is applicable to virtually any business:

1. A customer is deserving of the most courteous and attentive treatment we can give him.
2. A customer is the fellow that makes it possible to pay our salary, whether we are a truck driver, plant employee, office employee, salesman or manager.
3. A customer is not someone to match wits or argue with.
4. A customer is not depending upon us — we are dependent upon him.
5. A customer is part of our business — not an outsider. He is not an interruption of our work — he is the purpose of it.
6. A customer is not a cold statistic — he is a flesh and blood human being with feelings and emotions like our own.
7. A customer is the life-blood of this and every other business. He is a person who brings us his wants — it is our job to fill these wants.
8. A customer is the most important person in any business.
9. A customer does us a favor when he calls — we are not doing a favor by serving him.
10. A customer likes to trade with the progressive business man who supports the community.

THE ABOVE-MENTIONED CBC television series on purebred dogs is a segment of the popular Holiday Edition of the Junior Magazine, a prize-winning series for the past several years. It is broadcast from Halifax to Vancouver via CBC-TV over the Dominion Network. Dogs of a number of well-known breeds will appear on the 15-minute segment, with Ross Snetsinger and Kaye Peer. Writer-photographer Pat Latham, who has written the script, is also introducing sections of films, some made by herself in England. The schedule is: Origins, Sunday July 3; Northern Breeds, July 10; Orientals, 17th; Terriers, 21st; Working Breeds, 31st; Toys and Giants, August 7. For times, consult your weekly television guide.

MIMI

Ah, Mimi, you're so right! Ask *any* dog. Milk-Bone's firm bone shape makes wonderful chewing, without a real bone's danger of splintering or upsetting the digestion. Besides providing pleasant and vital exercise for the teeth and gums, Milk-Bone gives a dog all the important nourishment found in milk, meat, bone-meal and vegetables.

Whatever else your dog eats, he needs Milk-Bone to satisfy his bone-hunger. Get Milk-Bone in the size that suits the size of your dog—regular or large.

Dogs benefit *more* from high-quality foods

Breeders and owners know the importance of high-quality foods and their relation to a dog's health. In hundreds of systematic tests conducted in Dr. Ballard's Kennels and in private homes, the majority of dogs showed a preference for Dr. Ballard's Dog Food.

Dr. Ballard's provides complete, balanced nourishment

Dogs benefit more from Dr. Ballard's because every can contains *scientifically-balanced* nutrition—all the known nutrients they need to keep them in peak condition every active minute of the day. Dr. Ballard's animal nutrition specialists precisely control the proteins, vitamins, minerals and carbohydrates to assure the correct nutritional balance and constant, uniform quality.

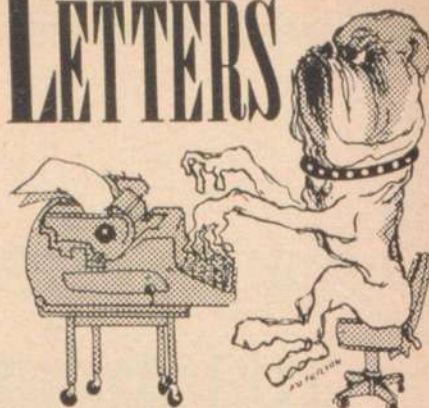

Dogs love variety in their meals

It's a good idea to alternate dry dog meal with wet foods. For variety, feed Dr. Ballard's new Burgerbits. It provides *twice* the nourishment of prime beef hamburger—at half the price. Easy to prepare, Burgerbits mixes instantly with water, milk or soup.

MARITIMERS PLEASE EXHIBITORS

. . . I want to thank *Dogs in Canada* for the article in April bringing to the attention of exhibitors that two promising young Maritime judges, Paul Delaney of Moncton and Lawrence Garvie of Fredericton, were to judge at the Aurora & District Kennel Club Show on May 28. Both drew an excellent entry and judging by the many kind remarks on the day of the Aurora show and since then, the majority of exhibitors were well pleased with these two young judges, particularly with their pleasant manner in the ring and with their placements. Exhibitors realized that decisions were made completely without prejudice and that is what most exhibitors want — an honest evaluation of their dogs, without prejudice and without politics. This was a show where everyone had an equal chance, from the complete novice to the exhibitor who had won many Groups and possibly a number of BIS, and that is what I have been striving for for years in submitting names to various clubs for judges.

I first heard of these two young men through an article in *Dogs in Canada* in the spring of 1958, written by Mr. Robert Little of Fredericton. I wrote to Mr. Little and he promptly replied, giving me more information about these young judges, so I am indebted to him for giving me the idea of bringing Maritimers to Ontario for judging assignments, an idea which has been so happily fulfilled two years later. For this reason, I would urge individuals, exhibitors, dog clubs, etc., that if they have been favorably impressed with judges, especially novice judges, to please write a word of praise to *Dogs in Canada*. It may give a well deserved opportunity to promising young judges who might otherwise be easily overlooked. With so many new show-giving clubs, with shows from February to October and throughout the winter in some places in Canada, the problem of selecting suitable judges becomes more and more difficult each year. We need many more "new faces" to supply the demand, so that there is not too much repetition of judges in a given area.

OLDTIMERS OF CANADA?

I should like to see the Oldtimers in your country organize a similar group. There need not be any connection or obligation to us in America. I think it can simply be called the Oldtimers of your country.

Organization should be simple. We have no by-laws, no constitution. There are only two officers — the national chairman, who is myself; and the secretary, who takes care of records and bulletins.

We issue a pin, a life membership certificate and a life membership card. We give free a printing cut to those who wish to use it on their own kennel literature.

I trust that you can get some active oldtimers started in your country and that we can hear soon from you to this effect.

President, Oldtimers WILL JUDY
of the Kennel World.
2517 Michigan Blvd.,
Chicago 16, Ill.

While The Canadian Kennel Club honors "Oldtimers" of 25 years' membership and more, there is no Canadian organization such as Oldtimers of the Kennel World. The group was established in the States in 1942 by Capt. Will Judy who announces that several countries are organizing similar associations for their respective areas. Membership is for life and requires at least 25 years of continuous activity in the dog fancy. It is a non-profit organization for the purpose of perpetuating the best traditions and highest sportsmanship of the dog fancy; and of maintaining a fraternal spirit of mutual understanding and helpfulness. We'd be pleased to hear from eligible "oldtimers".—Ed.

COLLAPSIBLE BENCHING

. . . I too think it is time to give some serious thought and consideration to the exhibitor in regards to benching.

The entry fees keep rising as do traveling expenses, etc., yet the same old buildings, warped and dangerous benching, inadequate facilities.

One particular show last spring was a good example. Park two blocks away, make our way down a steep muddy incline into the building which was a perfect breeding place for pneumonia; wet, cold, dark, airless. At mid-noon the benching had gradually collapsed around our dog; first the back fell to the floor, then the aisle side fell off. We propped the flooring up with a chair. This left us with a wire separation between our dam and a Bullmastiff, the wire being about 2½ feet high. Fortunately both dogs were good-natured and well-behaved. When I mentioned the condition of the benching to a committee member I received this remark,

"Well! old benching you know."

At another show, due to inadequate benching, we again suffered a large dog of another breed lunging at our dog over the top of the separation . . . I went to the superintendent and asked if we could move our dam to an empty bench next to us and explained the reason. The answer: we would just have to put up with it and he was sick of hearing about the benching. It would have taken but a moment to add a piece of wire to add height between the pens. Needless to say we moved our dog. Another woman asked that a couple of nails be put into her benching to make it safe. She was told the super was too busy and when she asked permission to take hammer and nails and fix it herself even this was refused.

We realize that organizing a show is not an easy matter but since its success or failure depends on the support of exhibitors, it is about time the show committee realized this. When it involves the number of absentee exhibitors such as occurred at all the shows the last two years, something more than habitual complainers is wrong.

OBEDIENCE "FIRSTS"

. . . I would like to call your attention to two statements made by Mrs. N. T. Smith in her article "Obedience Convention", published in the June issue of *Dogs in Canada*. Mrs. Smith said that Frank Grant, Detroit, was the first AKC licensed Obedience judge and that he trained and handled the first UDT dog in the States.

I quote from the June, 1936 bulletin of The Obedience Test Club of New York: "The North Westchester Kennel Club will hold an Obedience Test at their show on June 13 at Mount Kisco, New York. The judge, Mrs. Wheeler H. Page, Stewards, Miss Marie Leary and Mr. Ward C. Green. This will be the first test under the approved AKC rules and will consist of a Novice Class only".

As to the first UDT dogs in the United States, the November, 1937 Gazette lists the first three dogs to win their UD title which, during this period, included having passed the tracking test. The first UD dogs were: Poodle (Standard) Carillon Epreuve, owned by Carillon Kennels, Nunsoe Skagin of Carillon, owned by Henry J. Whitehouse, German Shepherd Ch. Schwarzpelz von Mardex, owned by Walter Pfeiffer.

The AKC *Blue Book of Dogs*, published in 1938, lists still a fourth dog to receive the UD title during 1937. This was another German Shepherd, Ch. Jill of Garastanna, owned by William R. Compton. Let's keep the records straight!

MONTREAL GUN DOG CLUB

by Pamela B. Mack
Field Trial Secretary

The Montreal Gun Dog Club held the first licensed Retriever Trial to be staged in the Province of Quebec, on May 21, and 22 at Dragon Station, Hudson, P.Q.

The official results will be reported elsewhere, but it was interesting to note that the winner of the Open All Age Stake, a Canadian-bred dog, was Black Rock's Beauty, owned by Mr. Frank Ash, of Fulton N.Y. and handled to the top place by Paul Carson. This gives the dog (subject to C.K.C. confirmation) his Canadian Field Trial title. As so many American and Ontario owners and handlers were competing this made a nice finale to the trial, and pointed up the international aspect.

Although Labrador Retrievers were in the majority of the 59 dogs entered, two third placings went to Golden Retrievers. Club President P. A. Ouimet placed third in the Qualifying stake with his golden Loch Alvie, and handled his wife's Gold Pilot to third spot in the Open All Age Stake.

The first day of the trial was blessed with brilliant sunshine, but the second day for the Open All Age saw heavy rains pouring down on the dogs and their handlers, and the brave spectators. The end of the trial was held in sunshine if a trifle damp underfoot, but still did not dampen the enthusiasm of the competitors.

The beautiful challenge trophies presented to the winners of the different stakes were as follows.

Open All Age, Montreal Gun Dog Club, Sterling silver trophy.

Qualifying, President's Challenge Trophy.- Sterling silver tray.

Junior, Founder's Cup. Sterling bowl presented by founder Richard Grier.

At the conclusion of the trial a banquet was held at the Vaudreuil Inn with 100 members and their guests enjoying the Habitant Supper. This was arranged in honor of out-of-town guests who were not familiar with French-Canadian dishes and to make the evening an event to remember. Also at that time judges Mr. and Mrs. A. S. McGregor, of Milwaukee, Wis., and Messrs. William Cobban of Toronto, who were most encouraging, were presented with Eskimo soapstone carvings. Mrs. Diana Budden, trophy chairman, deserves special mention.

We feel that a good start has been made with Retriever trials in Quebec and were particularly pleased with the many competitors from the U.S.A. and Ontario.

Joe: Did I tell you about my wonderful win in the States last weekend?

Jim: No, you didn't. And I can't tell you how much I appreciate it.

DOGS IN THE NEWS

In "Silent Caper," one of the 77 *Sunset Strip* series, the only performer with any lines is a German Shepherd. The story concerns the menacing of a stripteaser by a villain who is pursued to a fight to the death atop a water tower. The dog, whose lines are confined to a variety of barks, is a great-grandson of the original Rin-Tin-Tin.

Recently Allan Manings of Canadian TV note, was home watching the program *Music '60*. His Poodle, Prunella, also watched, sitting on his lap. One of the commercials was for the new insect repellent called Off. The announcer went through his spiel, concluding with the usual urge to "get Off." Ever alert, Prunella leaped to the floor.

**ALL-PURPOSE CLUB
SPRING TRIAL**

by Don Cowan

After being forced to cancel their program the previous weekend due to heavy rain and lashing winds, the All Purpose Gun Dog Club held its spring trial Sunday May 17, near the Toronto Model Airport grounds in Scarborough, Ont. Once again weather conditions were anything but favourable for field trialing as heat, humidity, and poor scenting conditions regimented against a dog's chances. Dick Papa of Willowdale, Ont., and Walter Kogut of Brantford, Ont., both of whom are widely known and respected as devotees of the "class" bird dog, handled the judicial chores, as a large entry of European pointing breeds, such as the German Shorthair, Wirehair, Weimaraner, Pudel-Pointer and Brittany Spaniel, took to the field.

Trophies and awards were donated by The Toronto Anglers and Hunters Association.

This club, that since its birth two years ago has membershipwise enjoyed phenomenal success, is the result of a few enthusiastic fanciers of the continental pointing breeds with coinciding ideas. It was the opinion of these fanciers that their bob-tailed imports could be developed and trained towards the "class" pointing dog standard while preserving, through breeding and demonstrating in field trials, their highly developed instincts to retrieve from land and water. Here perhaps this club has neglected the much publicized ability of the utility breeds to track furred game, and instead bred for the inherent characteristics of the high headed wind-trailer, capable of classic performance and spine tingling action afield. For some partisans of the specialist field breeds, who have been inclined to criticize the ideals mentioned above, it might prove interesting to note that all dogs who competed in the All-Age Stake at this trial have recorded wins or placements in open bird-dog competition against specialist breeds.

German Shorthaired Pointer, Talle, developed and piloted by this writer, placed first in the Open All-Age Stake. This stake, which is regarded as the club's classic, is a two series event. In the first series all entries must compete in a pointing dog trial, then display their abilities in a second series as land and water retrievers.

Talle, running in the first brace of the stake, laid down a powerful race combining the difficult course with a wide front running pattern. His searching was rewarded with one point on a pheasant, followed by a back at caution of his brace-mate's point. This dog sewed up first place in the stake when in the second series he made two perfect retrieves, one from land on a pheasant and the second from water through decoys on a live mallard, delivered tenderly to hand.

Second honours in the All-Age Stake went to Silka Treveris, newly imported Pudel-Pointer bitch handled by Doug Hume of Toronto. Silka, who has also recorded wins in German field trials, patterned a good race with bird work in the first series and went on to complete her retrieving tests with polish.

Axel v Wildburg, scion of American National Shorthair Champion Kay V. D. Wildburg, proved in a class by himself as he annexed the Derby laurels. Axel, displaying exemplary manners on game and good finish on his land and water retrieves, is a credit to his fond owner Bob Potts of Burlington, Ontario.

First in the Puppy Stake went to Kurt, Weimaraner dog owned and handled by Don McGill of Rexdale, Ont. Kurt, who also registered a good win in the Weimaraner Club of America trial held in Rochester this spring, will bear watching in his forthcoming derby year.

THOSE WINNING WYCLIFFE POODLES

During the past eight years the magnificent Wycliffe Standard Poodles bred, trained and shown by Mrs. Donald (Jean) Lyle of Vancouver have made a great name on the north and southwest coast of this continent. Progeny of illustrious matriarch Can. and Am. Ch. Carillon Michelle, Can. UDT, Am. CDX, have acquitted themselves well both in the ring under the Wycliffe banner or under subsequent ownership. Most recently "Mike's" gay young grandson, Wycliffe Thomas has taken the reins in his teeth and is running off with top wins while still a youngster. At less than 14 months he finished (within two weeks and with three majors) for his American championship in the Eastern States, including Best of Winners at the Poodle Club of America, with 36 class Standard Poodles to beat) and Winners Dog at the Massachusetts Poodle Club Specialty plus Best of Winners at the Ladies Dog Club of Framingham. He was handled to big wins in the first five shows by his breeder-owner. He then followed up with Winners Dog (3 points) June 3 at the Massachusetts Poodle Specialty and Best of Winners next day at the Ladies Dog Club (3 points) with Anne Hone Rogers handling. While Tommy was picking up his American title and off to a good start on his Canadian, his sister, Talk of the Town, finished with a 5-point win at the Progressive KC show in Toronto and Wycliffe Monica finished for her American title at Santa Cruz, Calif., making a total of 24 Wycliffe champions as of June 15.

The remarkable matriarch "Mike" has not only produced champion stock, a number with both Canadian and American titles, but many with both Canadian and American obedience titles as well. A great producer, she has also produced 36 fine offspring. Mike's champion children include: Can. and Am. Ch. Wycliffe Jacqueline, Can. UDT, Am. UD, Can. and Am. Ch. Wycliffe Elaine, Can. and Am. Ch. Wycliffe Eli, Can. and Am. CD; Can. and Am. Ch. Wycliffe Kiwi, Can. and Am. CD; Am. Ch. Wycliffe Hilary of Carillon, Can. Ch. Wycliffe Michelle, Can. Ch. Wycliffe Edward, Can. Ch. Wycliffe Hector (all

when bred to Can. and Am. Ch. Peticote Domino CD) and Can. Ch. Wycliffe Little Lulu, CD when bred to Am. Ch. Carillon Dilemma, UD.

Can. and Am. Ch. Wycliffe Jacqueline, Can. UDT, Am. UD, who in her show days won one Best in Show, three Best Can. Bred Dog in Show, ten Group Firsts and 29 Best of Varieties plus many Highest Scoring Dog in Trial trophies, ties her mother for first place as a producer of champion Poodles with her Can. and Am. Ch. Wycliffe Geoffrey, CD, a Best in Show Winner; Can. and Am. Ch. Wycliffe Guillaume, Can. and Am. CDX and Group winner; Can. and Am. Ch. Wycliffe Glamorous Gillian, CD, group winner (these three sired by Bel Tor Hughes Capet) Can. Ch. Wycliffe Nicholas, Best in Show winner; Am. Ch. Wycliffe Nathaniel; Can. and Am. Ch. Wycliffe Nigel, group winner (these four sired by Am. Ch. Carillon Dilemma, UD); Am. Ch. Wycliffe Thomas and Can. Ch. Wycliffe Talk of the Town, the latter two sired by Am. Ch. Annsown Gay Knight of Arhill. The above sires are named for anyone who may wish to follow the breeding.

"This is a record", states Mrs. Lyle, "for a champion mother and daughter who are also obedience Utility Tracking Dogs as well as top show dogs, that is unsurpassed by any other Poodles of any size anywhere."

These Wycliffe stars are a credit to Canada and their record of producers of champion, and obedience as well as tracking dogs is something to create international interest. Mrs. Lyle does not have a large kennels — these are house dogs whose manners leave nothing to be desired.

The wife of the middle-aged man had been after him to take some "youth pills." Finally he agreed and that night took two.

Next morning she had difficulty in waking him. She shook him, yelled at him, and finally he sat up.

"All right, all right," he mumbled drowsily. "I'll get up. But I won't play hide and seek with my puppy and I won't take him out after school."

Canadian Reports from England

My first show when visiting England this year was The Trent to Tweed Poodle Show held in Yorkshire. Nothing seemed to have been too much trouble for the members of this club to make it such a success; a large beautiful Standard Poodle made of daffodils graced the trophy table. After the show there was a cocktail party where I was able to chat with some of the breeders.

I noticed a big improvement in Toys since I was there a year ago. These are now not just little dogs, but good little Poodles with all the characteristics of the Standard Poodle.

It was perfect weather for the West of England Ladies Kennel Club outdoor Show held at Cheltenham. This was a Two-Day show with 4909 dogs competing, but as there were 32 rings judging still finished early; Best in Show being judged at 4.30 p.m. I noticed that most dogs are allowed to be shown on a loose leash and are therefore able to move naturally. Both dogs and owners seemed to be quite relaxed in the ring. The owners were chatting with each other and the dogs were allowed to sit or lie down when not being judged. Dogs and owners alike seemed to be really enjoying the whole affair without the slightest sign of tension.

What a treat it was to be able to see what a Poodle looks like without its hindquarters and front legs being almost hidden by coat. Exhibitors who own good Poodles clip their dogs so that its good points are obvious to the judge immediately the dog enters the ring rather than have the judge wondering what is underneath a long coat.

The highlight of my trip was a visit to the Vulcan Kennels. This kennel is situated in a corner of Busted Park, the magnificent estate of The Hon. Mrs. Ionides and is most capably managed by Miss Shirley Walne. There is everything a dog could want in this kennel including love and affection from their charming owners who take them for walks regularly through the woods in the estate. I understand Queen Mary was a regular visitor at the home of Mrs. Ionides and always asked to see the Poodles. Miss Shirley Walne has just written a book, "A. to Z. of Poodles", which I highly recommend to all Poodle owners. This can be obtained through *Dogs in Canada*.

CANADIAN DOGS OVER FOUR DECADES

*William Kendrick, recently honored as "Judge of the Year"
has been actively acquainted with Canadian dogdom since 1920.*

The Canadian fancy enjoys an illustrious past. It has included within its ranks some truly great personalities. Our own acquaintance with the Canadian fancy commenced in the early 1920's when Ben Lewis, Sr., would include a dog or two of ours in his string which he always took up to the National Exhibition show in August, better known to Americans as the Toronto Fair. There were other Canadian fixtures too, such as the Winter Fair, which the Lewis team, old Ben and Young Bennie, regularly included.

Among just a few of the actives of the Canadian fancy in those days, recollection of whom is as vivid to us as if yesterday, were such as the all round judge, Robert ("Bob") Ross of Ville St. Pierre, and others who will be mentioned, now alas all departed. Bob Ross was in great demand at American shows and it was he who was officiating in the ring at the Troy, New York, show some time in the early thirties when Ben Lewis, Jr., dropped dead in the ring. Said show is the only one in the annals of the AKC that was started, but never brought to a conclusion. After the death of the greatly beloved Bennie no one, including the management of the show, had any more heart for further dog showing that day. Norman K. Swire, renowned wherever exhibition Collies were known and Dr. C. Y. Ford, also a cornerstone in North American Collie history, were active as was Lance Farwell, who did as much as anyone, very probably the most, in the establishment of our great American Cocker, a more accurate term for which would be the North American Cocker, since so many Canadians participated prominently in the molding of North America's own Cocker Spaniel.

Then there were such master Terrier men as W. P. Fraser, Sid Perkins, and Frank Beer. Any one of the three might turn up in the States at any time with a fast one. All were held in the highest esteem.

We wonder how many Garden shows the one and only Bert Swann, old time Canadian handler, must have attended. Somehow we remember him the most vividly with Int. Ch. Polam Maxim, the celebrated Airedale, owned if we recall correctly by the Saskatchewan fancier, Norman Mackenzie. We would hazard the guess that Maxim's weight was around 40 pounds in the days when the Airedale standard called for "dogs 45 pounds, bitches slightly less." Maybe we are unduly sentimental, but we question whether the larger Airedale now in vogue, the 55 pound dog, with its over abundance of soft leg hair and face furnishings, possesses the charm and appeal of the old dog, so well off in Terrier character and hard leg hair and furnishings. We have seen dead game Terriers in our time, but never any gamester with quite the dash and steel like fury of old Maxim. And Bert would revel in it.

There was W.C. ("Doode") Baldwin, the Ottawa fancier and capable all round dog man whose soft spot was for Foxhounds. What a delight it was to greet him at so many Garden shows, often in the company of F. C. McLean. The latter was "Mr. Manchester Terrier, North America." How faithful he was to the old breed. He was not a promoter, however, and there was no one very active in the breed when Fred passed on. And so its sad state today. We have somewhere in our files a hand book put out by the Black & Tan (Manchester) Terrier Club, circa 1902. President was Dr. Foote of New Rochelle, N.Y. Vice President was F. C. McLean. Mention of the good doctor's name will invoke attention from some when it is recalled that he was the father of the matchless Irene Castle of the renowned dancing team of Vernon and Irene Castle. Fred McLean's "Willowdales" took a great leap forward when he purchased off the bench from Alf Delmont at the Garden show a team of "Leeds" champions, circa 1915.

Continuing then with our recollection of some of the great personalities of Canadian dogdom, with all of whom we were

acquainted and with some of whom we enjoyed real friendship, A. A. Macdonald, who passed away only last year, must indeed have been the dean of the Canadian fancy at the time of his passing. Mr. Macdonald's preference was for Smooth Foxterriers and his "Aldon" prefix has been carried on brilliantly in Airedales by his daughter, Mrs. Kenneth D. Marlatt, Canada's premier Terrier judge, whose service in a judicial capacity is constantly in demand in the States. Mrs. Marlatt inherits her keen eye and soft heart for a good one of any kind from her maternal side as well. Her mother's "Redcroft" Pomeranians were in the front rank among the first really fine collections of that breed in North America.

No look into yesteryear of the Canadian fancy could omit mention of the one and only Jas. D. ("Jimmie") Strachan, for many years prime mover in and secretary of the CKC. Another Strachan, no relation we believe, the Quebec fancier, held a strong hand in Foxterriers. Speaking of the CKC, Alf Loveridge, after a long career as handler and all round judge, did legion work in its behalf. A savant of the fancy was George Ward, father of the present master dog man, Ted, and grandfather of George, the latter a current factor in top competition in the States.

Perhaps no breed attracted so many good Canadian dog men of that time as did the Bull Terrier, the "White Cavalier," so dear to Wex Jones, Richard Harding Davis, and other sentimentalists below the border of that day. He reigned very nearly supreme as the national, if unofficial, breed of Canada. What happened to the breed, and why it fell from its high estate in popular favor not only in the Dominion but also in the United States, is a story, the telling of which must await another time. Such good Bull Terrier men, all Canadians, come to mind as John Miles (Ch. Inferno was his favorite), Fred R. Smith, Hon. Justice McFarland, for a time President of the CKC, Stanley Wisdom, the Walter brothers, Mr. Lewis, whose initials we cannot recall, of the Charlwood prefix, but whose celebrated bitch, Ch. Charlwood Ariel, we remember distinctly. H. R. Elliott, world renowned for his "Haymarkets," was beloved by all and his friends extended all over North America. His Ch. Haymarket Faultless was the only Canadian owned dog and the only Bull Terrier ever to win best in show at Madison Square Garden. It was in 1918 and the judging for best in show that year did much to bring multiple judging into disrepute for the reason that the decision is so often by way of compromise. Of course, multiple judging is now not sanctioned by the AKC or the CKC. In 1918 the best in show was assigned to two well known all rounders of the day, Chas. G. Hopton and Vinton P. Breese. The former plumped for the Pekingese, Ch. Phantom of Ashcroft. The latter was adamant for the Bull Terrier which Humphrey Elliott had in tow. The failure to agree reached an acrimonious state after what seemed interminable wrangling. The crowd was becoming boisterous and out of hand when in was sent George Steadman Thomas in the capacity of referee. In less time than it takes to recount it, Thomas, as was characteristic of him, signified the Bull Terrier as the winner. Pandemonium broke loose as the Bull Terrier was the heavy favorite of the multitude. It would be pleasing to relate that Faultless reigned supreme in the breed for the rest of his career. However, such was not exactly the case. It was the Golden Age in Bull Terriers and there were countless good ones, many of which approached greatness. Faultless met defeat in his breed in his own home town, Ottawa, where the judge was none other than Thomas, and this was shortly after his great triumph in New York. Such were the vicissitudes of dog shows then as now.

We ask for indulgence in calling this very limited roll of old time Canadian fanciers in there were so many others who would merit inclusion in any serious recounting of Canadian

dog show history. We ask indulgence too for possible faulty initials and misspelling as we have no ready check list. These old time Canadian fanciers were the rock like kind who stayed with it over the years. They stood in striking contrast then as now with the awesome turn-over in the ranks of exhibitors. Granted that inspection of any show catalogue five years later will reveal an appalling loss of exhibitors, exclusive of those removed by death. Thrusters take up the dog show game, as do adventurers, lonely people, bored people, all kinds of people. Some seize upon it as a means to opening doors which would be closed to them otherwise. None can gainsay, however, that there is a hard core who enter it early in life and stay with it until death do them part from it. It is this hard core of whom we have been reminiscing in connection with the brilliant past of the Canadian fancy.

We say too that it ill becomes a Johnnie-come-lately to the Canadian fancy, one indeed who has profited in its midst, to minimize its present state and scoff at its past.

In recent years in trips to Canada we rather thought that we observed a slackening in the keenness of fancier interest. Any such impression was completely dispelled by our observations at the Barrie K.C. on May 21 and the All Terrier Club of Canada on the day following. We judged at both.

Following these shows, *Dogs in Canada* contacted us for reports on same which must needs be sketchy and confined only to the principal winners. Had we been contacted prior to the shows, notes could have been taken which would have made possible something akin to a critique. Let it be plainly stated that unmistakable signs of resurgence in Canadian breeder activity in many breeds was observed. Most pleasing too that the strength in Canadian breeds extended from the top spots right through breed after breed. Maybe the day is now at hand when Canadians will realize the limitless opportunities in Canadian stock if only proper advantage is taken of them. A curtailed program of spending large sums for sight unseen foreign breeds which so frequently turn out to be paper tigers with little more than paper records and claims to justify the effort and expense in bringing them to Canada would seem to make sense in the light of what was observed in the way of Canadian breeds at the two shows.

The Barrie show was benched in a fine, airy building where the footing was good in rings of ample dimensions. Our own task was made the more pleasant by most efficient ring stewarding by Mrs. Mary Hart who never flagged through the long day. Club officers, President, Kenneth Johnson, and Vice President, Frank E. Jones and Mrs. Jones, Secretary, with show superintendent, Harold Butler, all contributed to the smooth running. Our sincere thanks too to CKC President, Walter Brown, for his assistance and to Dr. Ellen Brown in her sage consultative capacity.

An ABC of Dog Care

This book is dedicated to young owners. The author, Charlotte Baker, wrote it in answer to the many letters she has received from children who loved her book, "The Green Poodles" (one of the most delightful dog stories we have read). This latest book actually deals with topics in alphabetical order (V is for Veterinarian; X is for CDX and so on). The basic care of dogs is described so that children will not only realize the joys and problems of owning dogs but will, on their own, know how to handle the situation. Available through *Dogs in Canada* magazine, \$3.00, plus 25c to cover cost of mailing.

The bravery of five boys was recently recognized by the Toronto Humane Society when they were awarded the OSPCA Certificate of Merit for Bravery.

The three MacNeill brothers, Tom, 12; Don, 9 and Floyd, 14 together with Rickey Chenery, 11 and Gregory Law, 13, found a small dog nearly frozen and its ice-bound body weighted with a brick tied to its neck in Black Creek, suburban York Township. The boys exercised a good deal of sense in the difficult removal of the barely alive dog from its icy grave. They rushed it home where they fed it and gave it life-restoring care. Although the Humane Society made a thorough enquiry the person responsible for the crime was not found.

Two members of the Toronto Humane Society, who prefer to remain anonymous, sent a donation for each of the five boys. A party was arranged at the Humane Society Headquarters, which included a tour of the kennels, a talk on animal care, feeding and minor ailments. The donation of three silver dollars and Junior Humane Membership were given the boys.

"With young people of this calibre growing up in Canada", remarked an official, "we have no reason to fear for the future of our country".

This column is not merely intended to project news — it's hungry for items of interest from boys and girls from Halifax to Vancouver. If you're doing anything interesting in the world of dogs or have schoolmates and friends who are — why just let us know. Address your letter to this department, "For Juniors Only". What makes news? Well, if you win in a Junior Handling Class, we'd like to know it. Just ask your Club show secretary to write *Dogs in Canada* pronto, while it's news. If you handle your dog to a good placing in adult competition, that's real good news. Perhaps you'll be visiting and competing in some of the American shows with your parents. This goes for Obedience and Field Trials as well as conformation shows. If you can send along a good clear snapshot or photograph to illustrate, so much the better. Be sure to write clearly, include your address, your family kennel name if any, and your age.

A dog's best friend is the thoughtful owner, with a First Aid kit. Keep it handy during the vacation days and the flea and tick season, say the Zonite Home Accident Bureau experts. On-the-spot treatment of cuts and insect bites with a non-stinging disinfectant prevents prolonged infection for boy and dog.

All Working breeds and Toys, their Groups, and the best in show concerned us. It was a full day's task which precluded our look at judging other than our own.

In Boxers the fawn bitch, Siamwill Rythm Stop (Ramarr K's) went all the way from the open class over four champions. She was moving as freely and with as much certainty at the conclusion of her arduous day in the Working Group as she did in the Open class of six bitches. Made right at both ends, with good depth and a firm top line, we thought her margin of triumph in the breed clear and convincing.

The winning Bull Mastiff, Bi-El's Dark Beast (Welsh), is a representative specimen with much good in him.

Collies were noteworthy in that they produced a topping sable bitch puppy, Piper Glen's Alexandra (Johnston), right all over and one of the best puppy prospects we saw during our visit. She went on to win best Canadian bred puppy in a strong variety Working Group for Canadian bred puppies. Best Collie to Ch. Glen Hilljay of Camco (Getty), a high class sable dog, well off for his head type and hind action.

In Dobermans the best of winners, the black and tan dog, Alemaps Checkmate, (Haines) prevailed in an interesting entry over four champions, all worthy. The winner's good depth through the middle, firm back line, capital neck and shoulders, good movement, and willingness to put all in when it counted the most carried the day for him.

German Shepherds mustered a most gratifying entry. As is so often the case with this breed, wherever we judge it, we noted the camaraderie prevailing among the exhibitors. Sabanda's Czar of Beau Ridge (Savink) won a sizzling Open class of seven and carried through to best of breed. His rhythmic movement with good propelling thrust from behind, his firm back, and confident temperament make him one to reckon with in any company.

It was good to see Newfoundlands represented. The best of breed, Captain's Morgan Prince (Kearsey), is imposing in size with the right kind of massive, oval bone and is well off for head type.

Samoyeds furnished for these eyes one of the many pleasant surprises of the show in an excellent entry of twelve. There was no denying the young dog, Samoyeden's Avalanche (Cozens), for best of breed. This stand out youngster was presented in lovely coat a sparkling white. We predict a great future for him. His presence would have indeed been felt in the Working Group had it not been for a minor injury he sustained after his breed judging and prior to the Group.

Our recollection of Shetland Sheepdogs is clearest for the best of winners, the dark sable bitch, Knockdown Flossie (Lamont), a lovely size and of a pleasing type, and the best of breed, Ch. Willow Acres Golden Rocket (Scott), a golden sable with a white face blaze. The last named dog is most impressive. He is made right at both ends, is a

just right size, and moves freely and truly. Lovely in head type with sweet expression from his proper length of face, good skull, eyes, and ears. He is of a confident nature and will stand up to his marks for examination. Grade-A in legs and feet he is a happy shower, yet keeps his tail in control. He was presented in good bloom. A very satisfying little chap and one that could face up to any kind of competition anywhere. When breeder effort in Canada can come up with one like this, as he is indeed Canadian bred, pride of achievement is certainly in order.

Siberians produced more than one of the right kind in this so often misunderstood breed. Subsequent to the judging we were pleased to learn that our best of breed, Bryar's Texas (Dunlop), is the leader dog in an active Canadian team. He looks the part. Lorna Jackson handled him in the ring as she did the red and white rough St. Bernard, Kobi v. Steinern Hof (Cawker), a Swiss import. He is endowed with the correct type of Swiss head and is imposing in shoulder height. The same owner's Barry du Grand St. Bernard, a younger dog, and not endowed with as much height at the shoulder nor quite the intensesness of outlook is Canadian bred and was best of winners. His movement was especially good, coming and going.

Pembroke Corgis turned out in a collection of seven, all typical, with best awarded to the charming puppy bitch, Justrite Bernadette (Johnson). Aptly named, good things can come of her.

In the Working Group the Sheltie had entirely too many guns for the rest of this fine assemblage. He was definitely out front in the top hole. Second to the Collie by virtue of his strong breed character and quality notwithstanding that his coat was on the blow. Third to the Boxer over the Shepherd, fourth. The Shepherd, of much intrinsic merit, might have been higher up the line had he been in better flesh.

Came then the Toys and they made for really a delightful collection. Away out front for first in this extra good Toy Group was the best Japanese these eyes have seen in dear knows when. A startling Canadian bred puppy with nothing puppified about it, bearing the name, Nippon Airashu San (Rogers), bred in Canada and shown by his owner-breeder, Mrs. D. H. Rogers. The same owner exhibited two lovely bitches also. The Group winner was put down to the minute, indicative of a healthy little dog inside and an immaculate one outside. Possessed of charming head type with the desired rounded forehead with full, clear eyes, short face with fully open nostrils, lovely coat of silken texture, predominately white with a few attractively placed burnt orange markings, and four fine boned limbs, he never dropped his plume. His movement was a joy to behold, something for a Jap. So often they are heartbreakers in their obstinacy when called upon to move. Not so this little crowd pleaser. He showed well, handled well, and moved well. He left little, if any, to be desired.

Second in the Group to a most taking

Maltese bitch, Gina of Villa Malta (Morgan), handled by Mrs. Alexandra Hall Brunotte from the Open class to best of breed in a worthy entry. The little bitch is well off in all the essentials, was put down a gleaming pearl white. Her texture of coat is what is desired. She has dark eyes, fine boned, straight limbs, is diminutive and has a good, level top. Third, and a good third, to the Papillon, Wynfield's Treasure (Jonson). Another well presented one. His lovely expression, enhanced by correct ears, his fine, sound bone, his proper liberty of outline, his predominately white color and well carried plume all made for a most charming picture. Fourth to the red Pekingese, Ku-Chuam of Loofoo (Parent), blessed with a good rib cage firm at the shoulder. A solid one with short, wide face and full, clear eyes. Carried his plume well and moved willingly.

The above four made a very fine quartet, quite on a par with any four place winning Group Toys that might be expected to be found at a show many times larger. Contending strongly right down to the wire was the representative silver-grey Toy Poodle, Ch. Mar-Con Tata of Tydesley (Weir), put down well and shown well.

The best in show finale presented the sextet, the liver and white Springer Spaniel, Walpride's Gift to Covington (Lymburner), the right size and pleasing in head type; the Canadian bred Beagle, Int. Ch. Beau-A Black Bomber (Beaumont), a workmanlike hound with good legs and feet, showy with pleasing tail action; the Shetland Sheepdog; the red and white Bull Terrier, Charlwood Roman Holiday (Lewis) with Horace Hollands on the lead. Rather startling to encounter that prefix on other than a white 'un. This one has a smashing headpiece filled bang up before and under small, well placed eyes. His head handles well with good depth and with a clean, tight lip line. He owns a nice three-quarter little whip tail. His mouth and movement are satisfactory. We could wish for more bone and body. The black Miniature Poodle, Int. Ch. Poodhall Gus (Poodhall K's), was the Non Sporting representative. We have admired this dog on previous occasions. Here he was put down in his accustomed fine form. He showed and moved well. The Jap carried the banner for the Toys.

The proceedings finally were narrowed into a duel between the Japanese and the Sheltie. We had only one award within our gift and that went to the stunning Toy. It must have been obvious to all that the Sheltie pressed all the way as runner-up.

Now for a few of the highlights at the All Terrier show. It too benefited by a suitable venue, a farmers market. The lighting was good and the ring was adequate with good footing. Mrs. W. J. F. Dunlop of sled dog fame has our sincere appreciation for her fine ring stewarding. It was evident that this is a club of workers. President McFarlane was here, there, and everywhere, always with a helping hand. He had good assistance from a harmoniously working

THE CHOW CHOW

by Mrs. M. J. Natrass

The Chow Chow is one of the oldest breeds in the canine world, originating in China. As far back as the Han Period, (150 B.C.), the Chow was in his native land, for a pottery dog of that period clearly illustrates the straight hind legs, tail over back and upright ears of the Chow. This would seem to prove the antiquity of the breed. In China the Chow was used as a working dog and a hunter. It is evident today that these traits are not lost to the breed for they will work or hunt given the opportunity. Other uses the Chow was put to in China was for food and his beautiful fur, they were even bred for these purposes. It is said that the black dog was the most nutritious, and had the most luxurious coat. There is some evidence that large quantities of pelts found their way to the European market.

These are only some of the highlights of the breed's history. Now let us touch briefly on the characteristics that set the breed apart from other dogs. The Chow with his straight hind hock and blue tongue, (the only dog to have this colouring), is truly an individualist. His aloofness to strangers is one of the Chow's outstanding traits and one that is most often misunderstood. For all his aloofness and dignity the Chow can be as playful as a kitten when with those he loves.

To bring us to the present day, the gentleman from the Orient has changed very little basically. The present day fancy prefers a heavier boned, lower set type but the true characteristics are still there. The demand for the breed in Canada over the past few years has not diminished; rather it is the breeders who have diminished. Consequently fewer dogs have been bred and show entries have dropped. Several lovers of the breed got together and decided to do something about the situation.

This group, the "Chow Chow Fanciers of Canada", was formed to promote the breed, assist each other and anyone interested in the breed. Activities include the holding of three Booster Shows this year, meetings where informative discussions take place and of course the breeding and improvement of stock are of prime importance. With the enthusiasm that has been shown this past year the future for our breed here in Canada is certainly promising and once again this aristocrat of dogdom will be where he belongs, at the top.

THE KEESHOND

by Mary C. Matchett

What is happening to the Keeshond? Well, I would say he is doing fine — popular, yes — but not common. We breed a limited number, don't sell cheaply and so they get in good homes and stay there, loved and loving their new owners. A Keeshond puppy sells himself — adorably "cute", loving, happy, and always with that "smile" that captures purchasers on first sight. In shows I would say they are holding their own. For '59 Ch. Worrall of Wistonia was in sixth place for the ten top Non Sporting dogs and Ch. Vangabang of Vorden was in seventh place. Ch. Vangabang won 24 groups in '58.

Gone is the day when people ask "What breed is that?" They are now known by the general public. I have been breeding Keeshonden here for the past 20 years, so there are a lot of them around. Not too many at the shows, as they make such ideal pets that people are quite content to keep them home and owners seem to feel they have the best dog, anyway; no need to go to a show to prove it.

For a pet the Keeshond has an ideal temperament. Very loving to family, never jealous, not fighters nor noisy, clean and alert and exceptionally clever. Very good obedience prospects. I have Ch. Pandazee, C.D. and Ch. Jan, C.D. and two more almost ready to start. As guard dogs, they are exceptional. Of course they have been bred for this purpose in Holland for hundreds of years and the instinct is deep-rooted. Most puppies are sold as children's pets. This is their biggest mission in life — to love a child. Personally I would say that as an all round, *real* dog they are tops. Not too big for the house, yet not too small to be an efficient guard. Good clean coat that needs very little attention, small clean feet that do not track in mud. Yet outdoors they are perfectly at home, even in the deepest snow. They apparently never feel cold. Maybe you think this is all praise, that I am "sold" on the breed. Well, I am. One does not stick with a breed for 20 years unless there is a good reason. For me there are many reasons: natural breeders, natural whelpers being two of them.

On the whole I would say they are "good as the best, better than the rest".

THE MINIATURE POODLE

by Mrs. Hans Brunotte

Judging by the number of registrations the Miniature Poodle has reached the peak of his popularity. Whether or not

this peak will be held for any length of time, or whether a downcurve will follow in the near future is anybody's guess. In conversations with breeders one sometimes finds indication of a trend toward a diminishing demand for puppies. It seems likely that the large number of people, who without any particular interest in the breed as such, have tried to capitalize on its popularity, have either succeeded in saturating the areas of demand or else have produced sufficiently poor specimens to jeopardize the reputation of the breed. We note that there has not been a significant decrease in the number of requests for show stock nor has the percentage of top wins by miniatures decreased.

Unfortunately it seems that the breed has suffered a loss of soundness and while it falls outside the scope of this article to engage upon a detailed analysis of the reasons we would like to point to the fact that breeders and exhibitors are, as always, attempting to 'finish' dogs which should never be champions. In some instances one even sees totally unsound dogs of dubious temperament taking top wins, their lack of soundness disguised by clever clips. All of this must, of necessity, be to the detriment of the breed and we cannot but appeal again and again to everyone with a hand in miniatures to realize the tremendous moral responsibility that is theirs.

There are at least two Poodle clubs in Canada, the Quebec Poodle Club in Montreal and the Poodle Advancement Association in Toronto. Both clubs have put on specialty shows, and the latter club has been promoting an educational program of great value, open to not only those interested in Poodles but to all dog lovers. It has been realized that to educate the public and the novice breeder to the qualities of the desirable dog is the key step towards the elimination of sub-standard specimens from breeding stock as well as from the show ring. Programs of this nature deserve the strongest support of everybody seriously interested in the breed and it is sincerely hoped that in a few years from now we shall not all have to accuse ourselves of having done 'too little, too late.'

THE SHIH-TZU

by Pamela Mack

The Shih-Tzu is a rare dog from China, mostly known in the Northern regions. In the book "Some Canine Breeds of Asia" mention is made of the breed and it is presumed that it was introduced into China by the Manchu generals, who on returning successfully from wars and campaigns in Tibet brought the dogs with them, during the 18th Century. This is borne out by the fact that Manchu court records show

(Continued overleaf)

that live animals, frequently the native dogs of the country, figured among the tributes placed at the feet of the Emperor by their lieutenants after successful campaigns.

The Shih-Tzu is a small well-built dog with a sturdy body, heavy head with a short muzzle, large round dark eyes and heavily boned short legs, with very large feet with the dew claws left on. The coat is thick and long as with most northern Asian breeds, and when carefully groomed falls in soft slight waves. There is a dense undercoat to protect from the rigors of the winters in its native land. The dogs come in many colours, mostly with white markings. In the mixed colors the pattern should be even viewed from either side and the heads are usually very evenly marked.

In temperament they are rather reserved, but devoted to their owners and very loyal to the family. They are good watch dogs but are not yappy, in fact rarely bark, and rather as an expression of intense joy, than to aggravate. They are not fighters, in fact get along quite happily with other dogs, as long as they are left alone. They will not stand bullying, and like most Asiatic breeds are very courageous for their size.

Mrs. Joseph Kersch of Ville St. Pierre, Quebec, was the first exhibitor in Canada of these rare and charming dogs and her two Shih-Tzuz, imported from England, are now Canadian champions. The

male Ch. King Chan of Clarebrand, who had won two Challenge certificates in England prior to his arrival in Canada, has also placed in the Non-Sporting group, where the breed has been placed for Canadian judging. Her female, Roadenge Yin-Yo, a beautiful young bitch and with the typical grace and elegance of her sex, is to be bred shortly and Mrs. Kersch has some new young English stock to enter in the show circuits this year. This breed, with its typical rolling gait, is very popular in England at the shows, and I am sure will make a name for itself at the shows and in the hearts of Canadian owners.

The above - mentioned dogs were handled to their titles in Canada by Mrs. Mack—Ed.

THE SCHIPPERKE

by Mrs. Ellen Brown

It was in the Fall of 1926 that I decided to import some Schipperkes through a friend who had recently returned from England. I was told of the prominent Schip kennels and after many inquiries, purchased two bred females and one male.

My three dogs arrived May 27, 1927, and settled down right away. One female lost her litter in transit while the other

had a fine one July 1. It was from this stock I was successful both in Canada and the United States.

Dog shows at that time were of a longer duration, and I was given much helpful advice from older breeders of other dogs.

Schipperkes were shown in Canada around 1920, then dropped out of circulation, so I was faced with re-introducing them. They seemed to take the public fancy, because of their clean-cut lines, color and size and general hardiness and I had no trouble disposing of the stock.

Soon I was able to make entries of 12 to 14 dogs at the larger shows. Now I bask in reflected glory as stock is still shown with my O' The North bloodlines. I have a few words of advice to prospective breeders and exhibitors: buy stock only from proven quality, not merely for show records, but for breeding abilities. Schips are free whelpers, so there is no prospect of needing veterinarian aid, (unless some unforeseen condition sets up).

This breed is easily prepared for showing. They need only the whiskers removed. Regular brushing is necessary, as it brings out the natural oils and gives a sheen to the coat. Begin to train your Schip early if you plan to exhibit.

My only regret is that so few buyers were interested in breeding or exhibiting.

AUSTRALIAN TERRIER STANDARD

Starting July 1, Australian Terriers are being shown for points under the new American Kennel Club ruling. This is a great little dog, destined we believe, to become a favorite among the perky small breeds on this continent.

The Canadian Kennel Club preceded The American KC in recognizing the breed, and the standards are slightly different. The CKC standard calls for an "average weight about 10 or 11 lbs. Weight from 8 to 14 lbs. Average height about 10 inches. Height 8 to 12 inches." The Standard of The Australian Terrier Club of America, Inc., which secretary Mrs. Milton Fox, Pleasant Pasture Kennels, Point Pleasant, N.J. kindly sent us, states: "Average height is ten inches at the withers . . . the average weight in the States is 12 pounds."

There are some excellent specimens in Canada, and in the states there are ten champions from England, New Zealand and Australia; also nine Australian Terriers with AKC obedience titles.

We spent some time looking at these beguiling little Terriers at the Westminster show, where there were on display no less than 58. Apart from our own observations of their bright countenance and interested friendliness, we have the word of the ATCA that they are "adaptable to all conditions and

climates as happy in a city apartment as on a country estate. Their extraordinary intelligence makes them responsive and protective companions. Built for speed and action, protected by an almost non-shedding weather resistant coat requiring

Sweet and lively, Sevenoaks Storytella is typical of the breed. She is a blue tan imported and owned by Mr. and Mrs. Milton Fox, Pleasant Pasture Kennels, Pt. Pleasant, N.J.

minimum grooming, they are fine hunters and yet decorative in the living room. From the Australian bushland, where they guarded mines and tended sheep, they inherited their agility and adaptability. Aussies are instinctively sympathetic to one's mood of quietness or activity and have a tremendous sense of responsibility in person and property; loyal, affectionate, they are good for the child because they are not snappy, appreciated by adults because they are not yappy. They are unusually compatible with other dogs, readily trained for breed and obedience rings or as well-mannered pets in the home. An Aussie enjoys fun, has a keen sense of hearing and scent, is hardy, courageous, healthy, economical to feed and long lived . . . The Australian Terrier is one of the smallest, most useful and active working terriers; sturdy and low set, they have an expression typical of the Highland breeds, sleepy, dreamy-looking in repose; vital, aggressive and eager when aroused."

Shown here is an excellent representative of the breed—one of the Pleasant Pasture family of Point Pleasant, N.J.

The Australian Terrier Club of America invites membership; enquiries should be made to the secretary, Mrs. Milton Fox at 1411 Dorsett Dock Road, Pt. Pleasant, N.J.

NON-SPORTING GALLERY

BOSTON TERRIER

The earliest members of the breed, dating from 1865, were the pal of the stableman and barber. Through refined breeding a smaller type was developed which quickly found its way into more fashionable homes and hearts. The Boston is one of the few truly American breeds. Descended from a cross between the white English Terrier and an English Bulldog, it is neither Bulldog nor Terrier, but completely individual. This breed, with its curves combining to make a clean-cut, streamlined figure, the cleanly sculptured head softened by large lustrous ears makes it one of the most readily recognized of all purebred dogs. The gay Boston is a natural traveller, leaves no long hairs to add to housework and his feet are easily cleaned. Does not bark unnecessarily.

DUCKETT, MR. AND MRS. J. W., 67 Spadina Avenue, Hamilton, Ont. (LI 9-3804). Shown here is **Ch. Hagerty's Mighty Handsome**, who was the outstanding Boston Puppy Champion of 1959. Breeders, owners or sellers of 16 champions and others with points.

THE BULLDOG

Surely one of the most difficult dogs for the amateur to choose. The English Bulldog has so many unique points that once an expert has helped the novice make a selection he has great value and an exciting dog for his money. For all his rolling gait, bow-legs and wrinkles, the Bulldog is an epitome of symmetry. The breed of today is a complete turnabout from that of his ancestors whose conformity came a distant second to his ferocious ability to attack bulls and hang on to the death. Today's gentle, amiable Bulldog is a triumph of patient elimination of undesirable traits and enhancement of good qualities. Owners of Bulldogs swear by their gentleness with children and the comfort of their protection; for them, there is no other breed.

FRENCH BULLDOG

Blithe-spirited, sweet-tempered, this breed, despite the name, never baited bull. It was bred purely for companionship by French breeders who worked with diminutive Bulldogs from England. Parisiennes sought a *petit divertissement* in an easy-to-care-for breed and this was the answer. The breed was not quite uniform until the first club was formed in his name (in the United States) and thus the rounded forehead, large bat ears, wide dark eyes, the short tapered tail, either screw or straight, were set. With fine showmanship the club held a specialty in the ballroom of the Waldorf-Astoria in 1898, the first to be held in such a luxurious venue. The show resulted in sensational popularity; 100 were entered in the 1913 Westminster, more at specialties. Now fewer are shown, but there are still some remarkably good ones.

POODLE (MINIATURE)

Through the years the Poodle has been the companion of royalty, of authors and actors in particular. They are born actors themselves, whether on stage or at home and respond to direction like seasoned troupers. The Miniature is identical in spirit, conformation and color with the Standard except for size. Look for the same sound, sloping shoulders, strong neck (the breed were noted retrievers and water dogs in the beginning) and these qualities should be sought in purchasing today's Poodle. This is emphasized because these are the portions covered by the thickest hair. There are so many good Miniature Poodles available it is wise to take an expert along when you select yours for the best in health, conformation and pure joy.

POODHALL POODLES, R.R. 2, Caistor Centre, Ont. (WA 6-3510). Shown here is **Can. and Am. Ch. Poodhall Gus**, top winning Poodle (all sizes) in Canada 1957, '58, '59, he has a total of 12 BIS and 52 Group Firsts won on both sides of the border. Sire of three champions.

POODLE (STANDARD)

Of all breeds, the Poodle might be construed as a "character." Gayest of companions, he retains a dignity and reserve, with a fine delicacy of feeling both for himself and his master. He gives his owner love and admiration and expects the same in return. For people not in his "circle" he is friendly but haughty. Because of his particular sagacity the Poodle can readily be trained for many types of work. As a hunter he has been known to outstrip seasoned hunting dogs in a contest of courage and wit; during the centuries he has been the constant companion in the battlefield in France, Russia and Africa. He may be compared in physique and movement with a fine horse.

DE LA FONTAINE POODLES, Reg., Upper Base Line, R.R. 3, Streetsville, Ont. (Brampton - GLEndale 1-6499). Owners, Ken and Bobbie Ellis. Shown here is **Can. and Am. Ch. Chenue de la Fontaine**, bred by the Ellis' and owned by Dr. and Mrs. Antoine Stehr, Sault Ste. Marie, Ont.

SCHIPPERKE

A busy little dog, the Schip's great pride is in having something to guard, and these articles or persons he treats with the greatest of care. He likes a well-organized household and seems to be aware of good order. Basically a large dog in earlier days in Belgium, he is at home in or near water, loves swimming and boats. He is suspicious of strangers, curious to know what is going on around him, indefatigable mentally and physically. Always alert, he conveys his suspicions with a sharp bark and rising ruff. In addition to liking children he enjoys the companionship of horses. He's a good rabbit dog particularly fast on moles and other vermin. Comes in solid black only, with thick, slightly harsh coat.

SHIH TZU

If you are searching for a "conversation piece" you might consider the little Shih Tzu, one of the shaggy Tibetan breeds. This is a small dog, about 11 inches at the withers but by no means a Toy. It is active, quick and alert, with an arrogant carriage commanding attention and respect. Known as the "Crysanthemum Dog", it has an arrangement of hair growing upwards on the nose to give a markedly crysanthemum-like appearance. The legs, which are short, straight and strong look massive for the size of the dog, due to the luxuriant growth of hair. The Shih Tzu was obviously created to stand the rigors of harsh winters, but adapts well to city life. Possessed of a happy but reserved nature, they do not bark unduly.

SHEPHERD NATIONAL SPECIALTY

For the first time the famed German Shepherd National Specialty Show and National Obedience Specialty Show held annually by The German Shepherd Dog Club of America will be held on two days—October 15 (Obedience) and 16 (Conformation). Los Angeles, Calif. is this year's venue. Conformation judges (subject to ACK confirmation) will be: Mr. Burr Robbins, Inter-sex Competition; Miss Margaret Megehan, all Male classes; Mrs. Virginia McCoy Vaughn, all Female classes. All three will pick a select class, following regular judging, from the Specials entry. Obedience judging will be announced at a later date.

Last year's National Specialty (conformation) attracted 275 dogs, largest single breed entry in U.S.A. As hosts, the German Shepherd Dog Club of Los Angeles County has arranged the annual meeting of the GSDC, two banquets, one Saturday and the Victory Celebration on Sunday, tours to Disneyland, Marineland and Knotts Berry Farm; tours to TV and movie studios and the Picking of the Grand Victrix and Grand Victor for 1960.

NEW INSECT SPRAY

Sergeant's Flea and Tick Spray is now available in drugstores and pet counters across Canada, following its introduc-

tion in the United States a year ago. The immediate public acceptance there resulted in its zooming up to 35% of Sergeant's sales in USA. The new Flea and Tick Spray comes in a handy aerosol can — so clean and pleasant you can use it on your dog anywhere in the house. Company states it rapidly kills fleas and ticks (even large embedded ones) checks itching fungus and many harmful bacteria, soothes burning skin, brightens coats with its lanolin content, helps stop doggy odors and serves as an insect repellent. Distributed in Canada by Canada-wide Distributors, Toronto. Mr. Sergeant in Canada is Joe Torrants.

I have noticed that most of the roaming dogs are mongrels. The pure-bred seems to fare better. But if people are going to have dogs they should know the hazards that confront the roaming dog and before something serious happens do something about providing a proper home for their pet. Here are some of the things that can happen.

1. A dog running at large may easily get killed. He may be painfully injured. He can be and often is the cause of serious accidents. Not many drivers like to hit a dog; in trying to avoid it the motorist may swerve to one side and thus kill or seriously injure someone.
2. Dogs damage property by digging holes, ruining flower beds, lawns, gardens and trees. They have been known to kill sheep, chickens and other animals.
3. Parks and school yards have been rendered almost unfit for children to play in on account of dogs and their dirty habits.
4. Dogs running at large can be poisoned, maimed, stolen, etc. They often are. They also take on all the bad habits and vices of other roaming dogs and may end up biting some adult or child.
5. Wandering dogs are the cause of much spread of disease, carrying germs to dogs in private yards. Also they annoy these dogs and frequently are the cause of innocent dogs getting blamed for barking.
6. Dogs have been known to destroy a whole line of clothes. They carry away food and valuable articles belonging to other homes.
7. Dogs left out all night usually bark and annoy people who are trying to sleep.
8. The dog left to roam the streets is naturally hungry. He resorts to the garbage pail for sustenance. The result is a littered up lawn or lane and the fellow who probably has no dog at all has the cleaning up to do.
9. Dogs running loose revert to some of their wild instincts. They defy interference and will bite if cornered.
10. Female dogs allowed out during their breeding season end up by having a litter of mongrel puppies. These pups may be sold for five dollars or given away and another cycle of roaming dogs begins.

If you have purchased a dog and then allowed him the freedom of the streets the purpose for which the dog was secured is defeated. Your investment is a poor one, for it pays you back in trouble and grief and you may end up in court paying a large fine and having your dog condemned as a nuisance and destroyed.

This is the sad finale to many a dog and all because you, his owner, failed to provide a home, a yard and food for him.

If the dog is man's best friend, then, why is man not the dog's best friend?

The above article formed the basis of a lecture given by Mrs. Gertrude Drew at a recent meeting of the Provincial Letter Club.

JAPAN IMPORTING MORE DOGS

by David C. Daw

Before World War II many breeds were imported by Japan from England, including the Bulldog, Airedale, Wire-haired Fox Terrier, English Cocker Spaniel, Scottish Terrier, as well as setters and pointers. These dogs still constitute the very foundations of the breeds they represent.

During the postwar years the Japanese-English relation in the canine field turned cool. In the ten-year period following the war few dogs were imported from that country into Japan. A large number were subsequently imported from the United States instead of from England.

Recently Japanese dog lovers and breeders have become aware that the breeds originated in England should be imported from that country. As this feeling grows among the Japanese

people the relation has begun to warm again. In the past half year four Bulldogs, (all champions) and one champion Wire-haired Fox Terrier were imported from England and still others are on their way.

Two reasons for the post-war "unintimate" relation between Japan and England may be attributed to the following: first, the geographical distance between these countries was a great hamper in supplying this Far Eastern country with the news of dogs in Great Britain. Next, the Japanese import regulations. It is stipulated that the dog should be inoculated against hydrophobia before entering Japan and as of the arrival at any port in Japan, more than one and less than five months should elapse from the time of that inoculation. Until now it has been the practice to import after finishing the inoculation in the United States and were this step not taken, the dog has to be kept under the custody of the

Japanese Quarantine Office for a period of two to three months.

In this case it is impossible to bring the dog within the country directly and immediately after arrival at the port.

Now, 14 years after the termination of the war, it is urgently anticipated that a new, epoch-making development will occur in the near future in canine relations between these two countries.

Mr. Daw is publisher of the new Japanese dog magazine, "Inu-No-Sekai" (Dog World)—Ed.

Overheard at a recent show:

Lady exhibitor: "I wonder what the men talk about when they go off in a corner like that."

Friend: "Probably the same things we do."

Lady: "Oh, aren't they terrible!"

DOGS AND PEOPLE

Travellers: Mrs. John Openshaw of Bermuda recently visited friends and attended shows in the Toronto area. Also from Bermuda: Mrs. Ben (Kay) Ferguson who visited with her parents, Dr. and Mrs. Hagmeier of Preston, Ont. . . . Mr. and Mrs. Clarence (Tex) Fawcett of St. Louis, Missouri who took in some of the Ontario shows. Mr. Fawcett is director of the Dog Care Division of Ralston Purina Company.

Prides Lady Mona, two-year-old Irish Setter owned by Mrs. Gertrude Drew, Toronto gave birth to an unusually large litter, of which 16 were saved. Eleven were sold within six weeks.

At American shows: Wycliffe Thomas, 13-month-old black Standard Poodle, went Best of Winners over 36 class dogs at the Poodle Club of America Show May 17 at Garden City, L.I., thereby gaining five points in his debut. Owner is Mrs. Donald Lyle, Wycliffe Kennels Reg'd., Vancouver, B.C. . . . The German Shepherd, Ch. Kandoucho's Chloe, was one of the very few entries to receive the classification "Excellent" in the German Shepherd Dog Club of Long Island Specialty. Judge was the noted Dr. Funk of Hamburg, Germany. Chloe placed fourth in an Open Class of 25; the first three were German imports. Other Canadian visitors in addition to Chloe's owners, Mr. and Mrs. R. H. Walker Na-Robi Kennels, Hamilton, Ont., were Mrs. N. Corser, Mrs. J. Taschner, Mrs. M. Frohle, Mr. and Mrs. J. Cornish, Mrs. H. Schmocker, Messrs. P. Doane, H. Albrecht and T. Kleinjohann.

Recovered: Mrs. A. E. Thompson (Dalmally) Toronto, Ont. from a fortnight in hospital.

Died: Mrs. Elsie Hammond, Cobble Hill, Vancouver Island, B.C., on June 2, as a result of severe injuries received May 23 in a car accident near her home on the Malahat highway. Well-known on the West Coast as a breeder of fine Chihuahuas, she was also a great leader in obedience work, particularly in the active Cowichan area. Mrs. Hammond will be sorely missed, both for her dog activities and as a good friend.

She was a partner in El-Hunt Kennels, (which will be continued by Mr. Hunter Smith) and became interested in breeding Chihuahuas ten years ago, shortly after being given a champion from the former kennel of Mrs. Agnes L. Wilkie. She showed unique flare, intelligence and knowledge. Among the men prominent in dog circles who served as pallbearers were Doctors Cranston and Walker, Messrs. Harry Dodds, Kenneth Rickman, Donald Hudson and John Willing. Mrs. Hammond leaves two sons, Squadron Leader A. Barney Hammond, RCAF, Ottawa and Terry of Mill Bay. Competition trophies honoring her memory are being provided by The Vancouver Dog Fanciers Association and a number of Vancouver Island dog and obedience clubs . . . Robert W. Hatley, Vancouver,

B.C., one of the older members of The Canadian Kennel Club, passed away May 15. Mr. Hatley leaves his wife Constance, who became a member of the CKC in 1923 when the Hatleys purchased their first Wirehaired Fox Terrier. Bob joined a few years later. For many years the Oxford Kennels were well represented at the shows. In recent years, due to ill health, Mr. Hatley gave up his stock, but both still kept up an active interest in the shows and in all CKC matters. Bob was first a member of the Provincial Committee in 1935 and was still a valued member at the time of his passing. He was one of the original members of the Carpenter's Union and served as secretary for many years. He was also active in the Trades and Labor Council and a trustee of the Labor Temple Building. His loss will be keenly felt. . . . On May 18, Gerald L. Stock of Vancouver, another older member, died, leaving his wife and daughter. Mr. Stock had not been well for some time, and was unable to attend many shows in recent years, in contrast to his former active interest. He was an officer of the Coast City Kennel Club for some years and judged both here and in the States.

An unusual feature of the Second Trial of the Thunder Bay Dog Training Club was a triple win in the Novice "B" class by Mrs. R. Koski's German Shepherds, "Sunday" and "Rin" and the Japanese Spaniel, "Japette". All three dogs, handled by Mrs. Koski, received qualifying scores with Gailing's Sunday of Whiteville scoring 195½ to become the

highest scoring dog in the trial while Gailing's Japette scored 190½ to win second place in Novice "B" class.

Gailing's Rin Kin of Ero competing in the second day of the trials upheld the previous day's record by winning the High Scoring Dog in Trial award with a score of 190.

Mrs. Marjorie Byswater of Seven Oaks Kennels (Australia) plans to spend some time in Toronto prior to returning to Australia via England. She came to the United States last July to help sponsor Australian Terriers in the United States. As mentioned elsewhere in this issue, this breed has become the 114th to be admitted to the American Kennel Club register. Mrs. Byswater brought

the top show and stud dogs and females from Australia and at the time of writing has many of them and their progeny with her at her temporary address, 2406 Dorsett Drive W., Point Pleasant, N.J. She plans to exhibit them at a number of shows. . . . Mrs. Mary Southcott judged obedience for the William Penn Poodle Club Specialties near Philadelphia in May and the following day judged German Shepherds for the Bucks County KC All-Breed show in the same location. Early in June she judged obedience for the Kanandasaga KC at Canandaigua, N.Y. This month for the third consecutive time Mrs. Southcott judges one of the Specialty Obedience Trials sponsored by the Gateway City Obedience Training Club. She also assesses the breed for the Topline German Shepherd Dog Club in Rockford, Ill. (Specialty) and again for the Woodstock KC in Woodstock, Vermont. In August, for the third consecutive year, she judges obedience in the Maritimes.

Died: Ch. Allison Warrior, age 12, beloved Boxer owned by Irving and Sarah Diamond, (Di-Mar Kennels) Beaconsfield, Que. He is believed to be the first Boxer champion owned in the Province of Quebec. Among his best-known sons is Ch. Malabar's Esquire, CDX.

Mrs. G. Shillinglaw of North Surrey, B.C., recently shipped a four-month-old Sealyham puppy by air to Mr. Salvador Noya, Peruvian Minister of Aeronautics.

All officers of the Westminster Kennel Club were re-elected at the recent annual meeting. William A. Rockefeller continues as president with William Ross Proctor as vice-president, Samuel Milbank as secretary and William H. Chisholm as treasurer. John W. Cross, Jr., was again appointed chairman of the Dog Show Committee. The 85th consecutive annual dog show of the Westminster Club will be held in Madison Square Garden, N.Y., February 13 and 14, 1961.

Within a matter of hours, Bulldog fancier Reg. P. Sparkes (Kamel) Toronto, shipped stock to Alaska, Newfoundland and an Ontario point.

Going to press news: Died, following a brief period in the Civic Hospital, Ottawa, long-time breeder and exhibitor Johnny Wilson of Plantagenet, Ont. Sincere sympathy is extended to his family. Next issue will carry more detailed information on this well-known fancier.

Dr. Joseph Sayres, noted veterinarian of Buffalo, N.Y., recently addressed the Basset Club of Canada on the subject of artificial insemination . . . Mr. Alvin Florea and family, recently reported as embarking on a trip to Hong Kong, now plan to remain in the Far East for three years.

Recent Trials

Your Editor travelled to St. Catharines, Ont. on May 21 last, to judge the third trial of the St. Catharines and District Kennel and Obedience Club. Mr. Walter Konradt of Dundas, Ont. put most of the same dogs through their paces in the fourth trial held by the St. Catharines' Club the same afternoon. A good entry of some 40 dogs appeared in each trial with approximately 50% of the dogs qualifying in each trial.

Mr. Albert McPherson, a member of the Brantford Obedience Club, was presented with the Challenge Trophy donated by Walters Jewellers, "Destiny Duke" to the best performance of the day after a "run-off" with Mrs. B. F. Watson and her Standard Poodle, "Fripon Noir II". The winner had scores of 198½ and 199½ in the Novice "B" Classes in both trials. The runner-up, Mrs. Watson, took top scores in the Open B classes with identical scores of 199½ and also placed first in the Utility Class in each trial with scores of 199½ and 178. These were indeed excellent performances by both dogs.

A German Shepherd, "Destiny Dale", handled by Mr. Wm. McPherson, took first place in Novice "A" in Trial No. 3 with a score of 199. In Trial No. 4 in the same class, a Collie, "Lucky Prince of Sunneholme", handled by Mr. Joseph G. Gillis, scored 196 points.

In Open "A" class, Jean Zvonkin and her Standard Poodle, "Domino Daedalus", placed first with scores of 195 and 199 in both trials.

A great deal of credit and congratulations are due the Executive and Trial Committee of the St. Catharines' Club for putting on two excellent trials on the same afternoon. It is quite obvious to the writer that much thought and preparatory work was done by all the members, since the trials were well organized and expertly handled. The young St. Catharines' Club has set a high standard which it will certainly want to maintain.

The annual Spring Trials of the Mountain City Obedience Club took place

on May 28 and 29 last at Senneville, P.Q., a suburb of Montreal. The 16th and 17th All-Breed Licensed Obedience Trials were held outdoors on the beautiful estate of Commander and Mrs. F. W. R. Angus, overlooking the Lake of Two Mountains. Three good sized rings were set up on lawns which were as good as many fairways on first rate golf courses. Three judges worked at the same time — Mr. Lincoln E. Caffall from Armonk, N.Y., Mr. C. Ross Hamilton, Jr. of Reading, Pa., and your editor. A record number of 82 entries were listed for the 16th trial, while 80 entries appeared in the 17th trial, including those dogs entered in Beginners' Novice and Graduate Novice classes. The trial-giving club was blessed with ideal weather with temperatures in the 80's. One thing is certain — the judges who worked from 10:00 A.M. to 5:00 P.M. left the trials on Sunday afternoon with well earned sunburns. The trial dinner, which was well attended, was held Saturday night at Ruby Foo's and was presided over by Mr. John Romanez, President of the Club.

The Angus Trophy, a perpetual trophy offered by Commander and Mrs. Angus, for the highest combined score in both trials in any one official class by a Canadian-owned entry, was won by Mr. Jean Gascon, St. Jerome, P.Q. with his Standard Poodle, O.T.C.H. "Baronne", Canadian and American U.D.T. The dog earned a combined score of 395½ out of 400 points in the Utility Classes. "Baronne" also had a score of 199 in Open B on Saturday, to tie with another Standard Poodle, O.T.C.H. "Petitcote Jubilant Judy" U.D.T., American C.D.X.,

owned and handled by the well-known Mrs. R. W. Tyner, Senneville, P.Q. Mrs. Tyner and her dog were awarded first place after a run-off to take the highest score by a Canadian entry.

Other major prize winners were as follows.

Highest combined score for the two days by an American entry: "Henry's King", an American Cocker Spaniel, owned by Mr. Gerald Powell of Nazareth, Pa., earned scores of 199½ and 198½ for a total of 398 points out of a possible 400 points in the Novice B class. This dog also had the distinction of earning the highest score in the Saturday trial.

Highest score on Sunday: A Standard Poodle, O.T.C.H. "Baronne", owned and handled by Mr. Jean Gascon of St. Jerome, P.Q. scored 199½ points in the Utility Class.

Highest score by an American Entry: 199 points were awarded to a Miniature Poodle, "Kay's Suzette", in the 17th trial. The dog is owned by Miss Louise Rufe, Easton, Pa.

Winning Junior Handlers

Saturday—Miss Jane F. Stoeckel of Montreal, handled her Miniature Poodle, "Metropolitan Simon" to a score of 193½ in Novice B class.

Sunday—Miss Connie Turcott also of Montreal with a Dalmatian, "Flashdale's Fancy Free", owned by Mrs. R. Feilde of Montreal, received a score of 193 in Novice B.

Letters of Interest

The following letter reached our desk from a good friend of ours, J. Malcolm McDougall, of Montreal:

"One lump or two?" Globe and Mail reporter, Eldon Stonehouse asks the Carling award-winning Labrador Retrievers. Posing at a luncheon held at the Carling Breweries, Ontario's top retrievers are, from left to right: FT Ch. Smudge's Pitch, FT Ch. Rathrippen's Black Star and Nimrod's Shadow. Owners received trophies.

"My dear Boxer dog, Ch. Malabar's Esquire, C.D.X., T.D. died on April 13, 1960.

He was the oldest member of our young family and his determined, yet amusing and lovable ways, will not only be missed by ourselves but, I believe will be remembered by all those that he came in contact with during the ten full years of his life.

He was shown in Breed and Obedience in Ontario, Quebec and the Maritime Provinces. He completed his Breed Championship in New Brunswick in 1954 with several Group Placings. I believe that he was the first Ch. Boxer to obtain a T.D. in Canada.

He was my constant companion and friend, and accompanied me on many business trips from Winnipeg to Halifax. Although he might have been unpredictable in the Obedience Ring, he was always a perfect gentleman when traveling.

I thought that some of the above information may be of interest to your readers."

It is always a difficult task to write about the passing of a good friend. It is equally difficult to write about the passing of a friendly dog whom you have known from the "puppy" stage through to maturity. We knew "Max", as he was known to his friends, from the time Mr. McDougall acquired him. We naturally got to know "Max" intimately and whenever we visited the McDougalls old "Max" would meet us at the front door with a most friendly welcome. He was truly happy to see his friends and he was the kind of dog whose friends were glad to see him. Now "Max" has departed this land of ours and his absence will be greatly felt by his family, his friends and all those who knew him. One important thing remains, however, and that is "Max's" record of achievements in both the breed and obedience rings. These marks will remain forever, as will the memory of this friendly Boxer, Ch. Malabar's Esquire, C.D.X. T.D.

ED.

In our April column we reproduced a letter we received from Mrs. Joan Wiik of the Saskatoon Obedience Club. One of our readers, Mrs. M. King, Obedience Representative of the Province of Manitoba has written to us as follows:

"Your column always seems to invite comment from 'yours truly'. However, in reply to Mrs. Wiik's query regarding Open and Utility class, I would like to suggest that their club invite a judge to do their next trials, who is also a trainer, ask such a person to stay an extra day, and conduct a training clinic or workshop. Gateway Obedience Club, Winnipeg, have done this on several occasions, with some considerable success."

Thank you for your suggestion, Mrs. King. We are reproducing your letter here as we believe it will be of interest to Mrs. Wiik in Saskatoon, and also to other groups who may require instruction in the Open and Utility classes.

"LE COIN FRANCAIS"

by MME. LEO DERY

Enthousiasme:

Tout d'abord, je tiens à remercier tous ceux qui ont bien voulu m'encourager dans ma nouvelle entreprise. Plusieurs personnes de langue anglaise ont tenu à me dire qu'elles pensaient qu'il était grand temps qu'une telle colonne apparaisse. Elles se sont même efforcées de lire cet article. Quelques-uns de langue française ont écrit et donné des idées. L'un d'eux me suggère de traduire des articles intéressants déjà parus en anglais. Je crois que c'est une excellente idée, surtout si on conserve un peu d'espace pour différents commentaires d'ordre général. Il a aussi eu la gentillesse de m'expédier une copie d'une revue française canine. A la lecture de celle-ci, je constate que plusieurs termes ont été anglicisés. J'y ai même retrouvé "Field Trial"! Cependant, ailleurs dans la même revue, j'ai lu "Epreuve de travail en campagne". Qu'en dites-vous? Un autre lecteur me dit qu'il aimerait des articles sur les chiens de chasse. Un autre m'offre aimablement de m'aider à l'occasion. Merci à tous et continuez d'écrire.

On reproche que "Le coin" ne soit pas assez long. Mais il fallait d'abord un début. Par la suite, si votre enthousiasme se prolonge, plus d'espace nous sera sans doute alloué.

Membres:

Lors de notre premier article, nous avons parlé des buts du Canadian Kennel Club. Cette fois, nous parlerons des différentes catégories de membres. Il y en a trois:

1o: Les membres "ordinaires": ce sont les personnes, associations (partnership) de deux personnes ou plus, sociétés d'exposition ou compagnies enregistrées sous la charte provinciale ou fédérale, résidant au Canada et qui ont été membres as-

sociés pendant trois années consécutives immédiatement avant leur application comme membres ordinaires, qui ont payé leurs dûs et qui ont été élus par le conseil (Board) des directeurs.

Si un membre quitte le Club pour une période d'un an ou plus, il ne peut revenir comme membre ordinaire qu'après une nouvelle période de trois ans comme membre associé.

2o: Les membres "associés": sont ces personnes, associations, etc. résidant au Canada qui ont payé leurs dûs et qui ont été élus par le conseil des directeurs. Les membres associés n'ont pas le droit de vote aux réunions, ne peuvent se présenter aux élections des officiers ou directeurs, et ne peuvent voter dans aucune élection ou référendum.

3o: Les membres "non-résidents": sont ces personnes ou associations, résidant hors du Canada qui ont payé leurs dûs et ont été élus par le conseil des directeurs. Tout comme les membres-associés, ces membres non-résidents ne peuvent voter ni se présenter aux élections.

Conseil:

Le conseil des directeurs se compose des membres suivants: le président, le premier vice-président, le deuxième vice-président et les directeurs provinciaux. L'Alberta, la Colombie Britannique, le Manitoba, le Québec et la Saskatchewan ont chacun un directeur. Le Nouveau-Brunswick et l'Île du Prince Edouard comptent un directeur pour les deux provinces conjointement. Il en est de même pour la Nouvelle-Ecosse et Terre-Neuve. L'Ontario en compte cinq.

J'espère que tous ces renseignements vous seront utiles et qu'ils vous aideront à mieux connaître le Club dont vous êtes membres.

THESE THINGS I SAW

by MARGO NESSELROD

I am a student studying veterinary medicine. This is a cry and a plea from a young person still holding on to a few ideals I have grown up to believe in—and I am beginning to wonder if there is any real humane goodness among humans. I am not a sentimentalist, a crusader or fanatic, but I cannot, under any code or way of human life, condone what I, in a few short years, have seen.

I took a year off from my education and went to work for a few months at one of Chicago's well-known and wealthy medical schools.

A Great Dane was kept in a 6x4' compartment for eight months without release. He was a blood donor for the heart-lung machine that required blood to prime it or start it flowing. I watched that animal stagger about semi-conscious for hours—as long as 36 from time of anaesthesia till awakening—because the ignorant, untrained men who care for the animals knew nothing about anaesthesia and were allowed to inject Nembutal intra-peritoneally instead of the quick, easy intravenous method.

This dog had had distemper at one time and was in terribly poor condition, certainly in no condition for donating blood in large quantities. He was not exercised, was not fed enough nor properly, and was badly tormented by the caretaker boys who believed it high amusement to poke at the animal to make him lunge at the door! I checked a stool sample microscopically and found tapeworms, roundworms and hookworms, plus a tiny protozoan parasite called *Coccidia* that causes eventual ulceration of the intestinal tract and greatly debilitate an animal. This hardly seems a logical or economical way to care for an animal. I rid him of his parasites with a few Vermiplex capsules and a sulfamerazine compound in his water—at a cost of only a few cents.

I watched a student in his first year of medical school suture up a dog's rib cage with a ball of actually dusty dime-store twine that he took from the shelf of a cabinet. His answer to my query about aseptic conditions was, "What does it matter? He won't live anyhow."

The dog had been used for a heart-lung experiment in which the heart's great vessels are severed and connected to this giant apparatus that operates as a heart and lungs while the real heart is worked upon.

Money—in enormous quantities—is given by the Heart Fund, your money and mine, given to that school to help perfect the heart-lung operation so it will save lives when sufficiently developed. In four months at the school there was not one survivor of the operation, at a rate of three per week; Why? The animals used were received directly from

a dealer who steals them (a collar was left on one once, and I traced the license to a man in Missouri from whom the dog had been stolen). The animals here are not conditioned in any way pre-operatively; their state of nutrition is unbelievably poor. They are so pale from loss of blood from hookworms and other parasites that they cannot possibly stand the shock of major surgery—much less major butchery!

This experiment is supposed to simulate human conditions—but a human in such condition is never subjected to such surgery. The results of these procedures are completely invalid as the conditions are terribly unfavorable. No post-operative care is given—no antibiotics.

I watched a doctor, and when I say doctor I mean PhD, not MD or DVM (none of these men were medical doctors)—I watched him take the only survivor they ever had as long as I was there and force that weakened animal to get up and run—not walk but *run*—down a corridor not 12 hours after he was operated upon.

I watched those men jam—and I mean *jam* (not insert as we are taught to) a great trocar through the dog's side into his pleural cavity and aspirate at one time 850 cc of fluid that had accumulated. That animal was trocared once every 24 hours (if lucky) and he just lay in pain while that fluid gathered. He was killed a few days later "to see where the fluid came from."

The cages in which these dogs are kept have *wire bottoms*—heavy chicken wire. Can you imagine what that does to a dog's pads? I found one dog imprisoned (for two days, the animal-boys said) with his foot caught in that wire—people knowing of it and doing nothing. A puppy there had finally *chewed his foot off* to free it from the wire. He died two days later, his leg swelled like a balloon.

These are only a few of my experiences—they occurred daily—at this institution. None of the animals were housed, fed or handled sensibly or economically—this, out of pure ignorance and indifference. And *your* money is helping this to continue day by day.

When I quit this medical school, I went to work for the next five months for a pharmaceutical manufacturing company in the area. I had a colony of 30 dogs on which I daily had to perform experiments with tranquilizing drugs that I injected intravenously. I then observed the animals for several hours to determine the effects. On the average, about twice a week, the injected drug caused the animal to go into immediate convulsions, screaming and gasping, or becoming rigid for several hours. Any

drug causing such reactions was immediately tested on several others to determine if the same effect was always achieved; then it was discarded. Some of my dogs always died, but they were constantly being replaced from the same dealer who supplied the medical school.

I heard the dealer tell the kennel man how he acquired some of his dogs. He led a bitch in season down alleys at night behind the truck, then snatched any male which came out after her. I watched those men unload dogs from the truck—a big, smelly, foul cattle truck—and I saw them beat dogs with a metal prod for resisting a leap from the upper deck down into a wire pen on wheels, a drop of fully five feet.

I bought a nail-clipper for \$1 and once a week or so kept my dogs' nails trimmed. I discovered that out of some 200 dogs kept by that company, none but mine had their nails taken care of. In an envelope I have some of the nails I removed from them. As their nails never touched ground—they lived their lives in small cages—their nails grew freely. About 60% of them had the nails *grown completely around into the foot*. The animals could not walk more than a few steps. This is not necessary! This is not part of an "experiment!"

This is just a detail in the complete lack of proper kennel care. Please note that I have not condemned medical experiments, except certain phases of the tranquilizer job; but I *am protesting violently* against the ignorance, indifference and downright cruelty with which these animals are handled. God knows how they suffer in most of this work, but why should they suffer in their cages? Because the people in charge are too indifferent to instruct the help to clip toenails once a week—even once a month!

Again I remind you that this is an eye-witness story. I shall leave you with a parting picture to think about—a picture of a basement room of the building, down where no ears can hear. There is a V-shaped board on the floor upon which is firmly tied, on her back, a fully conscious frightened bitch. She is to have compounds injected into her femoral vein (large vein on the inside of her thigh) at timed intervals, to note the effect upon her. I am not certain what the purpose was, as I was asked only to accompany the technician who was performing the injections. I was asked to "Bind her mouth because her screams bothered the technician."

The technician was a girl of 20 or 21, with no college training, no training for this work at all; she had only "on the job" training. She had "an idea" where lay the femoral vessels. She knew that they lie deep in the leg, not superficially like the front leg vein (cephalic) of

the dog. She also knew (after I told her) that the femoral nerve lies close to the vein and artery of the same name—a "functional triad"—and that if she missed the vein she easily could hit the nerve and cause great pain.

But the dog was in the basement so only we could hear—and I was there to suffocate the screams. Both the dog's legs were literally covered with hematomas (small blood-filled swellings marking the irritations resulting from unskilled jabbing at that vein).

The dog visibly resisted crying out—until she could no longer bear the pain. In skilled hands, those injections can be made quickly and with little discomfort to an animal. In unskilled hands, this is sadism and barbarism. It goes on for hours. Laboratory animals, especially dogs, are well conditioned to pain and do not cry out, generally, unless and until they are very badly hurt.

Maybe you—or you—can listen to a dog scream her heart out in a basement room, but if you can, your morals, sensitivity and principles have rotted like the flesh of those wounds and there can be no God in your world.

ARTIFICIAL INSEMINATION

The pros and cons of this form of breeding were presented to members of the recently formed Basset Club of Canada by Dr. Joseph Sayres, noted Buffalo veterinarian.

Artificial insemination, he explained, is beneficial to the breed if used wisely. Among the advantages: the semen from one male can be used on more females than at one natural mating; and the monetary and time factors in not having to ship a preferred dog.

Dr. Sayres maintains the dogs do not suffer; if anything, they are better off, retaining their prime the more they are used. Since one can concentrate on faults as well as breed for perfection, this method would seem to be an ideal way to get an ideal mate for the female.

The semen is fragile, he said and must be handled carefully and free from shock. Dr. Sayres states he has had at least 50% plus in the results and methods used are being improved.

WILL YOUR POODLE PUPPY
SHOW PROSPECT BECOME
A CHAMPION ?

by Mrs. Donald Lyle

Much to the distress of both breeder
 and purchaser, the answer often
 is "No".

If the puppy was of championship
 calibre, its failure to become a champion
 is usually due to the new owners.

Most common error is not to give the
 pup good food and hard exercise. I
 have bred generations of champions
 on a simple monotonous diet of canned
 milk (plus Vitamin D in bad weather)
 in infancy, weaning to a top grade of
 kibbled biscuit plus a generous portion
 of cheap but good dog meat each day.
 On this our dogs maintain good appeti-
 tites and grow better coat and bone than
 many dogs fed more complicated and
 expensive diets.

Hard exercise is vital. Young puppies
 exercise themselves together. But in his
 new home, a pup needs forced runs
 almost daily in a large hard-surfaced area
 such as a field or park, and to be kept
 on-the-go by a ball-throwing owner!
 For rapid hardening up before shows,
 road-work on leash, a mile or two a day
 at a trot, preferably beside a bicycle, but
 possibly *very carefully* beside a car at
 5-10 m.p.h., cannot be beaten!

Style, showmanship and ring deport-
 ment are of terrific importance to a
 show dog. Any dog can be ruined —
 and ruined equally — by coddling it or
 by mistreating it. Either way the dog
 becomes terrified of normal human noises
 and activities and can't cope with the
 hurly-burly of shows without "spooking".
 Do expect your pup to behave sensibly,
 punish mistakes promptly and unmis-
 takably but *not harshly*, but otherwise treat
 the pup with gay, not cloying, admira-
 tion. Develop his personality and affec-
 tion for you. Help him to like people of
 all ages; get him accustomed to dogs;
 take him everywhere so that new expe-
 riences will not later terrify him.
 Above all, be alert to protect him dur-
 ing his impressionable babyhood from
 any great fright which might permanent-
 ly destroy his confidence and his spirit.
 His resulting poise and gaiety will greatly
 help his show career.

From earliest babyhood "pose" your
 pup in show stance a few seconds each
 day as you admire him. Don't give in
 if he struggles, but insist he hold the
 pose, if only for a few seconds and
 lengthen the period each day. Put a soft
 show lead on the pup at eight to ten
 weeks and teach him to think that going
 on a show lead, looking at you as you
 cluck at him and prancing along gaily
 beside you as you talk and play with
 him, is fun! This regime creates a happy
 showman and the pup just grows natu-
 rally into good ring manners.

Poodle puppy coats are simple and
 regular brushing even by amateurs suf-
 fices till about eight months of age.

After that the puppy coat begins to change to the adult coat and problems develop overnight! From now on great care is needed if the coat is not to be ruined, "felt", broken and torn, bleached, scratched, or otherwise lost. Proper show grooming tools are essential — a brush shaped like a human's with metal teeth set in rubber; a metal comb with long teeth placed well apart and a carder and finer steel comb for ears. A pup must be taught to lie quietly on either side, and on his tummy with head down, on a table, so that you can brush every part of his coat painstakingly with the least effort. The big comb is used only to check that the brushing has been done *thoroughly* — you must be able to part the dog's hair to the skin at any spot on his body with ease. Never tear mats out with the comb! To cut down on hair loss, don't brush daily, but do brush immediately at the very first sign of even a minute mat or stickiness.

The main factor in growing show coats is cleanliness. *Caution: Never wash a Poodle until he is entirely brushed out or you will mat him.* A bath every three weeks is about right. Clean hair mats little. We use a special shampoo and we lay the dogs in the tub and gently squeeze, not rub, the dirt out. Complete rinsing is essential. Coats are then blotted as dry as possible by towel, and next blown till completely dry with a hand dryer as we continually brush the hair during the drying process to straighten the kinks.

Beginners will do well to have their first show clips set by a real expert and then have the re-clipping done by the expert or have the expert teach them how to re-clip. Show clipping can be learned in time by any owner from the excellent charts available, but immediately before your dog's first show is *not* the time to experiment.

Your dog's lovely show coat must be protected at all times. All scratching is "verboden" and must be stopped; playing with other dogs is unfortunately out as is running through thick brush or grass; swimming, especially in salt water, is out; lying or playing in the bleaching sun during mid-day hours is not allowed; having their long coats patted or mauled (especially heads and

CLUB NOTES

IMPORTANT: Club Notes are for the purpose of reporting activities and plans of Breed, Group and other specialty organizations. There are certain news items which cannot be considered as "club notes", but rather as advertising material. Names of judges may be used only if the club's show advertisement appears in DOGS IN CANADA. Wins of dogs which will be or have been reported in The Canadian Kennel Club "Show and Trial Results" cannot appear in these columns. Make your club notes meaty and interesting.

*The All Terrier Club of Canada
by Eileen M. Stuart
R.R. #2, Aurora, Ont.*

The June meeting of our club was held at the home of Mr. and Mrs. James MacFarlane resulting in a happy combination of good business session and a congenial "chin-wag" afterwards.

Our Specialty Show held on May 22 was of course an important topic of discussion. It was generally considered that the show was a success — financially, the number of entries and also the number of requests received for applications for club memberships. A most enjoyable aftermath of the show was the buffet dinner and social evening attended by 53 members and guests, and our sincere thanks are extended to our president and his wife, Mr. and Mrs. MacFarlane, for so generously placing their home at our disposal and organizing such a delightful affair.

Our July meeting will be a most important one and one which should be attended if at all possible. (1) Candidates for judges for our 1961 show are to be nominated and voted on. (2) Suggestions for the location of the 1961 show ought to be discussed. As distance prohibits so many of our members from attending our meetings, comments and suggestions by mail are welcomed. If there is someone whose name you wish to present as candidate for judge at our next show, by all means forward these to our club secretary, Mrs. Jane R. Devlin, P.O. Box 436, Thornhill, Ont. in time for voting at the meeting on July 14.

*Alberta Kennel Club
by Mrs. R. Barnes*

220-15 Ave. N.E., Calgary, Alta.

Our regular monthly meeting was held on May 19 in the Manning Egleston Lunch Room. Final arrangements were made for our 91 and 92 All Breed Championship Show and our 13th Obedience Trials to be held May 22, 23, 24. We were entertained with movies after the meeting and refreshments were served.

On May 15 the Obedience graduation was held in Cooper's Hall with about 60 spectators attending. The most-improved-student award went to a Boxer named Commando owned by Mrs. G. L. Brewster out of a school of 34 dogs during the 12 weeks of training. Fifteen dogs were entered for a series of tests qualifying them for the club's Obedience Trial May 22 and nine passed. Belle, a Weimaraner owned by Ralph Clark, won an award for the highest point score of the day — 189 points out of a possible 200. He also won a second award as high scorer in the Novice class. An American Cocker Spaniel named Mitzi, owned by Mrs. John Oakhouse, was top scorer in the beginners class. Mrs. E. Rutledge's Roife, a German Shepherd, topped the advanced entrants. The awards were presented by Jack Anderson, President of the Club. Judges were Dane Smith and Jim McDonald, school instructors.

Our congratulations to Don Miller upon his appointment as Assistant Obedience Trial Director for Alberta.

Our shows were a big success and a party was held on May 23 for exhibitors. Refreshments were under the capable supervision of Mrs. Dorothy Anderson.

Mr. and Mrs. Eric Rutledge have obtained a male and female Lhasa Apsos.

Stan, our sympathy is extended to him and the other members of his family on the passing of his sister.

It has been decided to offer four additional trophies to the Annual Awards for 1960. These will be for the male winning the most blue ribbons in the puppy classes, the female winning the most blue ribbons in the puppy classes, the male winning the most blue ribbons in the Canadian-bred class and the female winning the most blue ribbons in the Canadian-bred class. These particular awards will be for the Ontario circuit only. So everyone get busy and count up your blue ribbons. It's going to be a close race for these trophies. Remember, you do not have to be a member of the Boxer Club to be eligible.

At the conclusion of the business meeting we all enjoyed a movie of the Westminster Show. Our thanks to John Marks for arranging this program.

We're happy to have Mr. and Mrs. Jack Northover as new club members. They are just starting up a new kennel and are very enthusiastic about breeding top-notch Boxers.

Associated All Hungarian Breed Club

by Mrs. R. D. McLellan

4962 Ponsard, Montreal, Que.

For the first time on the North American Continent, a Canadian owned Puli led its breed to top honours when he was placed Best in Show over a Miniature Poodle and Peke, that had won shows before, at the Regina Dog Show, June 6. He is "Zumpel vom Lechgau" German import owned by Mr. and Mrs. Jack Anderson of Calgary.

New arrivals: on May 24—from Hungary—two Komondors at the home of Mr. and Mrs. Jack Anderson of Calgary,—one Komondor at the home of Mr. George Foster of Richland, N.J. Another Komondor is expected in the Fall at the home of Mrs. Rae Lange of Vineland, N.J.

First in Canada: A litter of seven beautiful Kuvasz puppies at the home of Mr. and Mrs. James Dowds of London, Ont. Dam the

outstanding German Import "Alpha v. Zweipappeln". Sire, a lovely young Hungarian import.

A letter was received from Miss Ilena Orlay, breeder and judge of Hungarian Shepherd dogs for more than 25 years and adviser on Hungarian Shepherd dogs in the Ministry of Agriculture in Budapest, Hungary. She writes: "At the request of my friend Mrs. Elizabeth Czengeri, Tivon, Israel, I want to tell you about the most charming species among the Hungarian Shepherd dogs, the Puli. We do not call him a dog but our four-footed friend and companion. Indeed, he is not only a dog but the faithful friend of his master, a great helper of the shepherd. He understands everything but just doesn't speak. A wink of the eye of the shepherd, a gesture or word is sufficient and he knows what to do. At first glance all we see is a little moving creature covered with long shaggy hair. As a watchdog for house and farm he surpasses dogs of every other species. Before the second world war Hungarian Police trained Pulis for Police service, and in their usefulness they often surpassed other Police dogs. In 1935 at the dog show for Police dogs in Vienna, Austria, a Puli was awarded the title "Police Dog Champion of Vienna". Recently the Puli again is in great demand in our country for Police service.

Care of the coat (Puli and Komondor)—the coat should not be brushed or combed. Combing tears out the hair, brushing makes it silky and soft. The careful owner separates the hair which has an inclination to turn feltlike, beginning at the end and working upwards, by this forming individual strands. It is not allowed to cut or trim the hair because the coat would then lose its characteristic appearance. The length of the Puli coat should be at least 30 cm (12 inches) and longer, Komondor 60 cm (24 inches) and longer. We must not be afraid to keep Pulik or Komondors. With good care we can keep them as clean as any other breed, but nowhere can we find a four-footed friend who is more attached to human beings than our two shaggy fellows.

Aurora & District Kennel Club Incorporated

by Marion Hurst

Our March, April and May monthly meetings have been spent on preparations for our Spring Show. With the last minute details attended to, we look forward to good results on May 28. We have many beautiful trophies again this year, due to the generosity of our friends. The club would like to thank one and all for their support. Last minute report shows as good an entry as last year.

The meeting closed early for our usual chat and refreshments, served by our hostess Mrs. Sacre.

B.C. Gun Dog Club

by Mrs. V. L. Love,

8720 Government, Burnaby 3, B.C.

Our club is approaching a membership of 100 now that we have the two field trial sections, Retrievers and Pointers. Meeting attendance has been high with the varied programs of films, panels and questionnaires. No meetings will be held in July and August.

This club's bulletins contain the Retriever field trial schedule for all British Columbia trials as well as those in Washington, U.S.A., providing the clubs concerned send us the dates of these events.

The line up in points for the annual trophies has changed with the last few trials and the fall trials will see competition and interest really keen with the honours and trophies for the highest point winning dogs at stake. Some of the high running Junior dogs will no longer be in this stake in the fall and this will limit them somewhat.

Many of our members attended the Kelowna trial at the holiday weekend in May and will be travelling to Kamloops at the first of July. These out of town trials give both the dogs and handlers a change of background and often the wives get the chance to go along too. However, we would really like to see some of the fellows from the Interior attending our trials.

These Labradorers really make big retrievers. Norman Cain tells the true story of how his "Love's Laurie" retrieved his 15 foot, 600 pound boat. Norman and party became stranded on an island when their boat floated away on high tide. Norman tried swimming himself but found the water too cold. After some sharp handling from her owner and against the tide "Laurie" retrieved the boat by its tow rope the 75 yards to shore.

Barrie Kennel Club

by Mrs. Amy Lea,

40 Worsley St., Barrie, Ont.

The May business meeting was held on May 11 with 13 members present. President Ken Johnson presided. All Committee chairmen reported that everything was ready for the show on May 21. Congratulations to Mr. and Mrs. Peter Harvie in the birth of a daughter. One new application for membership was received and accepted. Lunch was served at the close of the meeting.

Barrie Kennel Club's 14th annual all breed Dog Show was held on May 21 in the Barrie Arena. There were 379 entries with 71 breeds entered. It was a beautiful day and from many comments received it was the best dog show Barrie has ever had. Many Barrie Kennel Club members entered their dogs in the show, with many of them receiving wins. One of the outstanding events of the show was the presentation of a trophy in memory of Roy Black, a charter member of the Barrie Kennel Club, who passed away this past winter, to the Best in Show, Miss Norma Black presented this trophy in memory of her father, to Mrs. D. H. Rogers, Kingston, Ont., owner of a Japanese Spaniel, "Nippon Aerasu San" who was Best in Show.

After the show, the members enjoyed a pot luck supper and social evening at the home of Mr. and Mrs. Brandy Fell.

Burlington & District Kennel Club

by R. L. Dajoe,

3047 Woodland Park Drive, Burlington, Ont.

At the June meeting the Club library was open to the membership and drew considerable business on its opening night. We were

also pleased to see Miss Steacy, our new Assistant Secretary on the job.

Preliminary meetings are to be held in connection with the formation of a Junior branch of the Club and Mrs. Pendlebury is holding this activity at her home for the present.

During the summer months, commencing with July 6, the Burlington Club will hold obedience training classes in the Roseland Plaza at the corner of New Street and the Guelph Line. These classes will be \$10.00 to non members of the Club and a special rate will be in force for club members. The Obedience section has made a special offer for any scout to obtain his merit badge through training a dog in one of the classes at a reduced rate.

Members were amazed to learn of the excellent job on trophies by Mrs. Nantais. We must mention that much of the money raised has been through the hard work of Mrs. Nantais in running refreshment booths at various Club activities and Mrs. Nantais also took over the food supply at the recent Obedience convention.

The Obedience convention proved a marked success and we all look forward to a repeat of this event. Persons travelled from Detroit, Montreal and Kingston to take part in this forum. A thank-you to all from the Burlington Club who helped with the general store booth which helped to defray the cost of renting the arena to hold this event. We must not neglect to mention all the work Phyll Smith did to make this event a success.

At the conclusion of the meeting, Mr. Roger Drysdale from Oakville and secretary of the Golden Retriever Club of Canada spoke to the membership on retriever trials from 1892 up to the present day. This proved to be a very interesting and informative talk.

Canadian West Highland White Terrier Club

by Catherine McGill,

51 Riverhead Drive, Rexdale, Ont.

A regular meeting of our club was held on May 29 at the home of Mr. and Mrs. H. W. McGill, Rexdale, Ont.

Mrs. T. S. Adams, our President, presided and business at hand was discussed.

We plan to have a picnic and puppy match on July 10 at the home of Mrs. S. J. Navin and plans for this event are being made by Mrs. Flanagan, who is in charge of same.

During the Summer months, any meetings held will be in the form of show committee meetings, with no minutes being taken.

The Cocker Spaniel Club of Central Ontario

by Jane Harvey,

103 Garden Ave., Toronto 3

The final regular meeting of our Club before the Summer recess was held on May 11 at the Broadview Y.M.C.A.

The evening was saddened by the realization that we were losing Mr. and Mrs. William McCarles as members and Mrs. McCarles as corresponding secretary. Mr. McCarles has been transferred to British Columbia and we know that when the McCarles join a Western Cocker Spaniel club, it will be the richer for their support and enthusiasm.

It was reported to the members that movies had been taken at our most successful 18th Annual Specialty Show on Good Friday and the club plans to view them and other films at the October meeting.

The Dachshund Club of Canada

by Ernie Lindsay

Willow Cove (Sub P.O.), Burlington, Ont.

Our monthly meeting was held at the Lindsays on June 5 with President Dr. Fred Bridgman presiding.

Being blessed with such fine summer weather the meeting was held out on the lawn, with a good number in attendance, including several novice fanciers (as our guests) taking full advantage of our previously planned educational program.

Most of the business on the agenda consisted of further planning for our oncoming Specialty Show and Futurity Match, being held on same day, same place, (Burlington Arena) September 24 along with the Burling-

ton & District all breed show, and also preparations for our 3rd Annual Futurity Match, September 23.

At this point I am prompted to advise all Dachshund Breeders (all six varieties) that all Brood Females being mated after July 23 are eligible for nomination. Please contact our Futurity Chairman, Mrs. N. T. Smith, 267 Pine Cove Rd., Burlington, Ont. for information and nomination forms.

We are now appealing to all Dachshund breeders and fanciers for donations to what we hope will be another outstanding trophy list, as time is drawing near for the printing of premium list, and we will be most grateful to all donors. Please contact our Trophy convener, Mrs. Barbara Moss, 117 Hostein Drive, R.R. #2, Ancaster, Ont.

Our Fun Puppy Match being held at the Lindsays on July 10 is arousing a great deal of interest, with everyone asked to bring along their picnic basket on this occasion, and we supply the ice cream and drinks, with Pat Fisher doing the judging, and also giving us a talk on comparison of type after placements are made. This should prove beneficial to all exhibitors and novice fanciers, and what a grand way to spend a Sunday afternoon.

At the conclusion of business matters, Mr. Carl Sharen, of Sarnia, honored us with an outstanding speech on the early history of the Dachshund, going right back to the 16th and 17th centuries, before any pictures were available (only drawings at that time). No one knows the early history of our breed any better than Carl, and I am quite sure his educational talk on the subject will be remembered and talked about for a long time, being so well delivered and thoroughly enjoyed by all. Immediately following his delivery we held an open discussion and question period, while our hostess served luncheon.

Doberman Club of Canada

by Fred Kleinert,

Box 945, Clarkson, Ont.

On April 29 we held our club meeting at the home of Mr. and Mrs. A. Ionson, sponsored by Mr. John Jorgensen.

Main discussion was our specialty show in September and according to our President Fred Jackson we will have top prizes not only for firsts but also seconds. Congratulations also to our secretary Mrs. Kay Bayliss and Mr. and Mrs. Hollingshead for their nice win in Chatham and Sarnia.

Our thanks to Mr. and Mrs. Ionson for the very delicious Copenhagen refreshment arranged by J. Jorgensen.

The German Shepherd Dog Breeders

Association Inc.

by Anne Gerigs,

Pickering, Ont.

Our June meeting was held at the home of our new members, Ken and Jean Bowen and it was one of those meetings you come home from feeling very satisfied. A good turnout made it a very enjoyable evening.

One thing decided was that our training master Bob Savink would continue to hold our handling classes at his home every Tuesday night. (Anyone wishing information on these classes please call Wh. 23517).

At the recent shows our club members have done very well. Congratulations to the following: Pat and Bob Savink's Czar at Barrie and the Progressive. Herb and Hilda Burrow's Chimney Broom at Barrie. Spencer Weller and George Gerigs' Elly at the Progressive. In the Obedience section the Dove's Flash now has the first leg of his C.D.

Our Matinee Show of June 5 was a huge success financially and otherwise. The Dove's Flash went Winners Dog and Best of Breed and the Weller's Brigitta went Best of Opposite Sex. Reserve Winners male went to the Cornish's Caius and Reserve Winners bitch to Pat Savink's Anne. Best puppy went to my own Tammy.

Our thanks go to the judges who did a wonderful job: Shirley DeBoer (bitches) and Fraser Anderson (males).

The judging was followed by a weiner roast outside and a little later on the people drifted into the house and finished off the evening with a party and sing song.

Our hearty congratulations and best wishes

for a successful future to the newly founded German Shepherd Dog Club of Manitoba. I hope none of your challenges are too great and that you are able to overcome each one as successfully as you did your first Sanction Show.

Always finish with a smile.

Question: Why is it that exhibitors always show with the expectation of getting the letter "E"? Is it not a most unfortunate letter?

Answer: You're right. "E" is never in cash, always in debt, never out of danger and always in h-11.

We salute the record 74 obedience exhibitors who competed for honours at our 8th Annual Obedience Trial, May 15. The quality of the work performed, as well as the large entry, was most gratifying to our show superintendent, Dave White; secretary Marg Davies; refreshment convener, Mitzi Frohle and the entire Obedience Committee who gave so freely of their time and efforts to make this show the success it surely was. Interest in training is growing year by year. What is a record today will be common-place tomorrow. Obedience is beginning to take its rightful place.

The spacious, freshly mowed lawns of the Walker's friendly Hamilton home were the setting for our first summer matinee show. Adam Cwick stepped smartly into the ring as our first test judge, under the scrutiny of our unique panel of testers, Harry Watson, Tony Kleinjohann and President Mary Southcott. Adam carefully examined all entries in each class, taking notes and marking his own evaluation sheets to justify his placings. BOB went to the Garretts' Hauschloe's Bisket, BOS to the Davis' Silbeas Ace Lancer. Conversations overheard later were just about in complete agreement with his placings. Obedience judge Alex Gunn saw some good workers. All in all a good time was had by a good turnout.

We pay tribute to the following members who, having gained the knowledge and the respect of their fellow exhibitors, were selected to officiate as judges at point shows and obedience trials recently: Edna Summerfield, Harry Watson, Nellie Corser, Edna Lucas, Mary Southcott, Peter Kirk, Walter Konradt and Gerald Charters. Your assignments have honoured Canada's oldest, largest most progressive breed club. We value your support.

Here and there: Hats off to Peter Shimmel and his faithful Bodo who took Highest Scoring Shepherd owned by a member at our trial: to cheers of an enthusiastic Club group, the Walker's Ch. Kandoucho's Chloe took 4th with a rating of excellent in a magnificent class of 25 open bitches at the big Long Island Specialty Show under Dr. Funk: more news no space.

The Irish Setter Club of Canada

by John English

The May meeting was held at the home of Mr. and Mrs. R. E. Allen, Ancaster, Ont. with many members in attendance. Tentative plans were made for our Specialty Show in Septemebr, held in conjunction with the Burlington & District Kennel Club Dog Show. In view of the fact that there will be additional classes at the show this year, including Brace, Team and Veterans Classes, it was pointed out by Mrs. Allen that donations would have to be extended by members to meet this added expense.

Trophies were brought to the convener for the Invitation Match to be held at the home of Mr. and Mrs. K. Honsberger, Kenten Acres, Streetsville, June 26. All members and non-members with Irish Setters are invited to attend. Instructions will be given to the novice for the handling of a dog in the ring. The club is looking forward to a large turnout. There will be no entry fee for this match.

At the conclusion of the business meeting films, with sound track, were shown by Mr. R. L. Dafoe, courtesy of Gaines Research foundation, which were thoroughly enjoyed by the members.

Following luncheon served by Mrs. Allen the executive approved applications for new members in the club.

The last get together of the club for the season was held at the writer's home at Fifes Bay. Needless to say no business was transacted. We enjoyed the fresh air and the hardy ones went boat riding. No one tackled swimming or water skiing. Frank Wood barbecued the steaks and we ate outside and then enjoyed some stereo records. I think everyone had a good time. We did discuss our T.V. Show which we thought would be over next week. But apparently Marie Callaghan would like us to continue all summer. So back to work our panel must go. Planning more shows and finding more dogs and interesting speakers. Marie Thomas and Joyce Brown were surprised when a birthday cake, complete with candles and song, finished the evening. So I guess this completes our Kawartha Kennel Club notes until the fall. Hope everyone has a wonderful summer and that you all come to our show October 8 in the Armouries, Peterborough, Ont.

The April meeting was held at Y.M.C.A., London. Our President, Alex Dickson, in the chair. Sorry to say the attendance was very poor. At the close of the meeting a film was shown by Dr. Garry of Western Animal Clinic on rabies. A vote of thanks was tendered by the President.

The May meeting was held in the club room at the Y.M.C.A. President Alex Dickson in the chair. The attendance was somewhat improved but we must have the support of every member to make our coming show a success. Two new members were present, Mr. and Mrs. Brown of Aylmer. At the close of the meeting a very instructive film on obedience was shown by the courtesy of Purina Company.

The Mountain City Obedience Club

Our Sanction Match in the middle of May was very well attended with about 40 dogs competing for prizes. This gave our own members and all visitors a good chance to get a preview of what to expect at our Obedience Trials at Senneville May 28 and 29.

The Senneville Trials this year were the biggest and best ever and drew a large crowd of spectators and entrants. There were close to 100 dogs competing and a large number of American entries who are always very welcome. The weather was extremely hot which did not make it a record in the nature of new legs and titles, but a wonderful time was had by all. We can now add three new C.D. dogs and one new U.D. dog to whom we say an extra special welcome.

The hospitality of Commander and Mrs. Angus has to be seen to be appreciated and the beautiful grounds are a wonderful sight for our trials. To them we are extremely grateful, and more so this year, as the Angus Trophy was won by our own member Mr. Jean Gascon, whose dogs are always a pleasure to watch.

The Lake of Two Mountains Hunt Club gave a display on both Saturday and Sunday at Senneville, also Mr. Ian Angus who had taught his horse to heel just as we teach our dogs. Some of our members took movies of these two fine events which we hope will be shown at our club in the fall.

A special "hats off" to Colonel Johnson and his committee for the wonderful way in which the trials were organized. About 60 members attended the club dinner along with some of our American visitors on Saturday evening May 28 at Ruby Foos. Trophies and coasters which have been earned were presented at the dinner.

The final competition of the Inter-Clubs will take place on Saturday June 4 at Beaconsfield. These competitions have been a great success in helping further the competitive spirit of all three clubs. Our club activities are suspended

answered the many questions that the audience
were interested in. Miss Peer also enlightened
us on the "History of Dogs in Canada".

An auction sale sponsored by our Trophy
Convenor, Mrs. Mansfield, created a lively
interest at the meeting. The articles were gift
wrapped and the bids sight unseen. Proceeds
went into the Trophy Fund.

Our June meeting will be the Club Match

The Obedience Association (Ont.)

London Branch

by Mrs. June C. Howard

1642 Mardell St., London, Ont.

Our April meeting marked the beginning
of our second year. Reflecting on the achieve-
ments of our first year we are pleased to
report that our club has passed many mile-
stones. Three months after our first meeting
we held our double obedience trial. We
believe we established an obedience precedent
in having our club crest incorporated into
mahogany and bronze wall plaques so that all
our trophies were uniform. These trophies
were so well received by exhibitors and donors
that we are planning to continue them in all
future trials. Everything is now set for our
July 3 double trial.

We conducted four training classes and saw
our graduates succeed in many trials. We
now have a class proceeding very well at
Loblaws parking lot on Oxford Street with
graduation ceremonies scheduled for July 9.
Certificates will be awarded and medallions
presented to highest scoring dogs.

Our club newspaper has kept our members
well informed of club happenings.

Last year's matinee trials were such fun
that we are looking forward to more enjoy-
ment this summer. It is a good chance for
our dogs to compete under trial conditions
(including lots of children running about) to
prepare them for the trial ring. Ring stewards
also get experience, along with anyone who
is interested in obedience trial judging.

Working on the theory that obedience and
dogs are for the whole family we have been
giving obedience demonstrations for groups of
all ages and have now been informed that the
trainers of our club will act as testers for
the Boy Scout Association in our area, when
the boys are working for a dog handlers'
badge.

Mrs. Andrena Brunotte presented a most complete grooming and clipping demonstration, using the obliging model Wycliffe Talk of the Town; a black Standard Poodle who has now earned her Canadian Championship. "Tot" is owned by the Hosts of the evening, Mr. and Mrs. Gruetzner. Throughout the year the educational evenings have been acclaimed a success and everyone is looking forward to next season when another complete schedule will be presented. Many thanks to all who donated their valuable time and knowledge.

Of great interest to all is the announcement of the Perpetual Trophies the Poodle Advancement Association is planning to introduce. These are intended for outstanding Poodle (Toy, Miniature and Standard). The awards will be made at the club's Specialty Show beginning March 1961. More on this in the next issue.

The next monthly meeting will be Tuesday, September 13, 8 p.m. Good luck to all through the summer.

The Progressive Kennel Club (Inc.) by Gertrude W. Drew

The June meeting fell on June 1, just a few days prior to our all breed show which was on June 4. There was a large crowd in attendance and business consisted mostly of last minute arrangements for the show.

Mr. R. T. Lawrence and his wife Dorie are leaving Canada to take up residence in Virginia, U.S.A. The secretary read the resignation of Mr. Lawrence from positions he held in the club. This of necessity was accepted. The Lawrences have been ardent breeders and exhibitors of the American Cocker Spaniel and while we hate to see our good dog people leave Canada we do feel that the United States will profit by our loss. We wish the Lawrences the best of everything in their new country.

Saturday June 4 was another of those perfect days that has become synonymous with our shows. It was a good show and of course there were many happy winners who returned home with a big smile. The Boxer Club of Canada topped the entries with 35. Irish Setters were second with 23 and Bulldogs third with 22. These were booster shows, the Irish Setters were sponsored by the Provincial Irish Setter Club and Bulldogs by the Bulldog Club of Central Canada.

The Club wishes to thank all those who contributed to the success of the show, the judges, ring stewards, and miscellaneous helpers. A special thank you to the exhibitors for their fine response and to Mr. Ince for his gift of roses.

Dr. F. D. H. Clement was guest at this meeting and gave a most enlightening lecture on internal parasites and the relative dangers to breeding. It was greatly appreciated by the members who felt they had learned much about the modern types of worm and how they endanger the lives of the dogs and how they should be treated. At the conclusion Mr. Walter Brown thanked Dr. Clement for his interesting and instructive talk. The President then invited Dr. Clement and members to Frans Restaurant for a midnite snack.

With summer at hand we wish you all a good rest and happy holiday. We look forward to seeing you again when the Canadian National Exhibition shows usher in the fall term.

The Provincial Irish Setter Club by Gertrude W. Drew

The practical wisdom that "all's well that ends well" proved a stable philosophy in relation to our booster show held June 4 at Scarboro Arena Gardens. At this time of year when dogs are not in their best condition and breeding is at a peak our club's efforts were repaid with an entry of 23, most all Canadian dogs. All entries were present.

As scheduled the dogs were judged on the green and I have never seen a more beautiful sight than that which our gorgeous copper coats presented. We were all thrilled and happy over the outcome of our very first booster. It certainly gave us impetus and inspiration to try for bigger and better things in the years ahead.

Our judge, Mr. Frank Jones of Minesing who stepped into the vacancy caused by the illness of Mr. Edwin Williams, seemed well pleased with the presentation for his judicial consideration. He especially remarked on the uniformity of colour and thought the dogs were a very representative group. We in turn were well pleased with the judging.

Mrs. Stevens, Show Secretary for the Progressive Kennel Club which sponsored the all breed show said the entry was the largest they had ever had in their 20 years of putting on shows. She remarked that it was a credit to the club and that she had heard many compliments expressed. The trophy table came in for much admiration.

We take this opportunity of thanking R. D. Fagan Co. for their donation of 20 pest-collars for our dogs. Also our sincere thanks to Mrs. Yan Paul who did a worthy job of ring stewarding.

We had arranged for movies of our complete show and we are looking forward to viewing this film at our June meeting.

Our May meeting was one of the largest we have had. There was considerable business to discuss and of course the final arrangements for our show. One new member was present, Mrs. Rita Fitzpatrick of Willowdale. Many of the draw books were turned in which indicated sales of tickets were good.

Wet weather prevented our training classes.

Every time we planned a class it rained, leaving some of our new members a little inexperienced in showing their dogs.

Word from Harry Dean relates that he has had two field trial winners from the bench Ch. bitch Wildair Casamia Fame. Lady Anne of Ardee was second in the puppy stakes in Saskatchewan. He stated some time ago that Casamia Fame (Taffy) had trained well and that she was a good gun dog, ranging close in which many sportsmen like, especially those who do not care for too much walking. Thus the old myth that show dogs are not good hunters is once more dissipated.

Mrs. Phyllis Reilly has found it necessary to disband her kennels. Phyllis has a position which takes up most of her time and she found she could not look after her home and attend to dogs. Also the Scarborough dog laws were not pleasant to cope with as many other kennels have found. She has resigned as Treasurer of this club and at the May meeting the club elected Jim Scott to fill the vacancy.

During the months of July and August there will be no regular meetings of the club. There will be a couple of executive meetings to take care of any matters of importance which may crop up during the holiday season.

The next major project on the agenda is our specialty show which is scheduled for October 23. We hope to eclipse our last year's entry of 33.

A members match will take place in the not far distant future. The date will be set on short notice. Everyone please bring your picnic basket and your dogs and let's have a good time.

The hostess, Mrs. Lake, served a delicious lunch and a free for all discussion was indulged in after which we all left for home.

The St. Catharines & District Kennel & Obedience Club by Don Foster

131 Bunting Rd., St. Catharines, Ont.

The Lake St. Armouries in St. Catharines was the meeting place Saturday, May 21, for a number of dogs and their handlers at our third and fourth Obedience Trials. There was a combined entry of 79 dogs, including five St. Catharines entries, four receiving qualifying scores. Congratulations go to Mrs. Ethel Gillis and her Collie "Lucky Prince" on completing its third leg for C.D., topping its class. The highest scoring dog of the day was a German Shepherd owned by Mr. Albert McPherson of Brantford, who was presented with our Challenge Trophy. This was received only after a thrilling run-off with Mrs. B. F. Watson of Michigan and her Standard Poodle "Fripon Noir II". The Unofficial Utility Class was won by Miss Marjorie Parkinson's Sheltie "Princess". Mr. Alan Sharp of Montreal judged Trial 3 and Mr. Walter Konradt Trial 4. Our club express their sincere thanks to donors, members, exhibitors and last but not least for the efficient work of our judges who helped make our double Trial a success.

Sunday the 22nd was the climax of 10 weeks of obedience training for a class of dogs trained by Mr. Hugh Monro, our President. Top dog was "Minuette", Toy Poodle owned by Miss Joan Barr, Fonthill. Mr. Jim Barr's Toy Poodle "Taffy" placed second, with Mrs. Gordon Down's Boxer "Lindy" third. Trophies and diplomas were presented to the handlers. Judge for the event was Mr. Reg Scott of Port Credit.

The club held its meeting at the home of Mr. and Mrs. H. Fraser. President Mr. F. W. Fraser was in the chair. The Secretary Mrs. Tom Gemmel, gave her report. The Treasurer, Sq. Ld. Bert Stoughton, was unable to be present.

Mr. Steve Titus offered the club his grounds at his beautiful home for an outing to be on June 14 for club members. Mr. Ted Gundersen was also very much missed as he was down in Latin America judging.

We are hoping to meet some of our old

Shearwater Kennel Club by Valerie H. McMillin Woodlawn, N.S.

May meeting was held on 26th with a better than average turnout of members. Our Treasurer has resigned as he is leaving the area; the new holder of this position is Mrs. Dorothy Rutherford.

The resignation of one of our most able members has been accepted. It is with regret that we lose Mrs. Alma Smith, our former Secretary, due to posting of her husband away from Nova Scotia. That these members will be gone by the time our shows take place is a pity, as all help possible is required at these times.

Mrs. Marion Mitchell has accepted the responsibility of refreshment convenor for the remainder of this year. She takes over from Mrs. Smith.

At the close of the meeting a film lent by the Quaker Oats Company, entitled "Member of the Family", was shown and enjoyed. Following this coffee and cake was served.

Simcoe Kennel and Obedience Club by Cecil W. Hummer 284 Brant Ave., Brantford, Ont.

The May meeting of the club was held in the Agricultural Hall, Simcoe on May 16 with the President in the chair. Approximately 20 members were present. After the reading of the minutes of the previous meeting and the treasurer's report these were adopted. The members discussed their project of helping the Boy Scouts of the district who own dogs to train them for their badge. It was decided the club would carry on with this project.

The show committee report was that the preparations for our show to be held July 9 at the Kohler Youth Centre, Jarvis, were coming along fine.

The crests for the club are made and are on sale to all members.

Sky-Way Obedience Club by Mr. Harry Wilkinson 143 Fairfield Ave. N., Hamilton, Ont.

A group of our members attended the Obedience Association Convention held at Burlington on May 7. They received valuable information. The general feeling was to have this type of get-together repeated. Many kind comments were passed about the luncheon and dinner.

On May 14 a general meeting was held at the home of Mr. Jack Walkers, with Mr. Don Peall presiding. The club colours were discussed; finally when the mist was cleared the following colours were chosen, gold and forest green. The crest will have a green background with the picture of the Sky-Way bridge and lettering in white.

Mrs. Peter Kirk was elected as Training Chairman.

A social evening was arranged for June 4 at the Fire Hall on the Beach Strip.

So to top off the evening, a very nice lunch was served by Mrs. Jack Walker.

Thunder Bay Dog Training Club by J. W. Haggerty

Our obedience trials and sanction match proved very successful. All dogs but one completed a leg on the first day and six repeated the performance on the second day.

We found our obedience judges very wonderful people to meet and we feel certain the advice offered by Mrs. Casgrain and Mr. H. Wilcox will help our exhibitors in future trials.

Our sanction show, ably judged by Mr. W. D. Nixon, went off very well. The weather cooperated on the final day and all judging was completed outside.

Our thanks to judges and exhibitors for helping the club make a very successful showing.

Mr. and Mrs. Bodreeg were hosts to our last regular meeting until September. We hope you keep training and there may possibly be another trial this fall, so then see you in September.

The Toy Dog Breeders' Association of Canada

by Mrs. De Forest Simmons
6363 Kingston Road,
Highland Creek, Ont.

Our April 13 meeting was held at the home of Marguerite Thomas, Toronto. A feature of the evening was the discussion of the Chihuahua standard. Mrs. Thomas exhibited two Chihuahuas. The president read the standard and Mrs. Yan Paul, well-known Toy judge, commented on the points of the breed.

A number of members have been on the sick list. Mr. James McIntosh, hard-working assistant to trophy secretary, Mrs. Thomas, has returned home following two months in Sunnyside Hospital. His wife, Elizabeth, is now using a white cane as her sight is very poor. Mr. Andrew McBroom has been in hospital and is much better now.

The handsome five-year trophy donated by Dow Brewery Ltd. for Best Canadian-Bred in Toy Group (won at our Booster Show, Sportsmen's Dog Show, March 19, by Mrs. F. M. Peacock's Pomeranian, Beland Mister Chips II, and presented by Dow representative, Mr. Al Shields) is up for competition yearly. The winner of this huge trophy must be bred and owned by a member in good standing of the TBDA. It must be won three times to retain ownership.

The Memorial Trophy is presented annually for competition for the dog or bitch bred, placing highest in the Toy Group owned and shown by TBDA member in good standing. It too, was won by Mrs. Peacock's Beland Mister Chips II. Mrs. D. T. Weir, winner for 1959 made the presentation. A small replica of the memorial shield is also presented to the owner.

This club presented Mrs. Charlotte Walker, oldest living member of the Canadian Kennel Club, with a Pomeranian brooch and a plant on the occasion of her 91st birthday. The club

wishes her many more happy birthdays. Mr. John Devlin, Jr., made the presentation. Open house was held at 234 Ryding Avenue. Mr. Devlin also presented the TBDA plaques suitably engraved to 1959 executives Mrs. Alfred Symons, Mrs. Maude Symons, Mrs. Margaret Sheahan and Mr. W. H. Glenney, who was responsible for a dozen new members.

On May 11 our latest meeting was held at our new location, the Broadview YMCA. Social convener Dorie Lawrence reports Mrs. Carr is back in hospital in Hamilton. Mrs. Yan Paul submitted three new applications for club membership. Three new members were welcomed: Joyce Holdhan, Dunbarton, Ont., Myrtle Hagerman and Mrs. Nancy Penny of Toronto.

We are sorry to learn that Mr. and Mrs. R. T. Lawrence, Rondor Kennels, are moving to Crewe, Virginia, (Route 1) around the middle of July. All club members and friends wish them success. They will participate in the Exhibition and Sportsmen's shows. Mr. Alfred Symons succeeds Mr. Lawrence as president.

The "200" Club

by Laura McNally
62-4th Ave. S., Roxboro, P.Q.

We're very proud to be the first holders of the Perpetual Trophy for Inter-Club Competition. Donated by Gus Miller of Montreal Dog Obedience Training Club, Inc., the trophy is an impressive gold Great Dane set on a blond wood base. Our president, Phil Willis, accepted the award presented by the presiding Judge, Alan Sharp.

The final meet of this season was held outdoors with the "200" as host club on the breezy lakeshore grounds of the home of Dean and Mrs. Don Mordell. The thanks of all go to the Mordells for their hospitality.

Following the judging, the spectators partook of some especially scrumptious refreshments provided by the ladies of the "200", with Jean Osborne as chairman.

Scorewise our aggregate points in the three events added up to 1839½ out of a possible 2025. The "200" club dogs also took home seven out of nine first prizes in the series.

Looking back on these first inter-club competitions, I think most will agree that they have fulfilled their purpose—to be an incentive for perfection of training and to provide an opportunity for a congenial get-together of members of all three Montreal district clubs.

As well as winning six first prizes and a highest Canadian score in trial at the Canadian Senneville trials, dogs trained with us continued their qualifying work in the States. At the Springfield, Mass., show, the obedience portion having an entry of 108, our members Marge Hamilton and Jean Osborne once again went home happy. Marge's Cairn "Misty" Can. CDX scored 197½ in Open B in that illustrious company. Jean's German Shepherd "Tracy" scored 191½ in Novice B for second leg on Am. CD.

Western Canada Club Notes

by E. MacPherson
2274 Grandview Douglas Hwy.,
South Burnaby, B.C.

We start this month's club notes off on a sad note, with the loss of Mr. and Mrs. Couldwell's old female "Ch. Chatterbox of Kargotor" May 3 at the age of 10 years. In her time she produced some great dogs; such notable as Ch. Highflyer of Kargotor, Ch. Jody of Kargotor, Ch. Kargotor's Ember Glow of Blaze and many others. She will also be missed from our yearly parade of Champions at our Specialties.

Our meeting, with Dr. Berry as guest speaker, on genetics and line breeding, was very successful and enlightening. Although some of us have heard his speech before we never fail to get something new out of it.

The club's plans are already well underway for next Spring's specialty, with the judge and date chosen. With a head start like this we are hoping for a record turnout.

As I have said before this club is really full of go-getters; to add to their long line of activities they added handling classes for new owners who wish to learn to handle their own dogs at the shows.

CANADIAN DOGS

group of associates in Mr. and Mrs. John Devlin, Jr., Vice-President and Secretary respectively, and 2nd Vice-President, Thos. Adams, and Treasurer, C. T. Wright.

Cairns, Scotties, West Highlands, and Kerry Blues presented very fine collections. We simply were unaware hitherto that present day breeder interest in Terriers in Canada had reached such a high level.

Cairns were headed by the tip-top red brindle bitch, Ch. Rossmar's Clanruff O' Cairndania (Hyslop), shown in the breed by her breeder, Mrs. Mary Trotter, who has ample reason to be proud. A person might devote a lifetime to a breed and still not come up with one like this. Well off in head type with the desired cat face, right in eye and ear, the right size and right length, and A-1 legs and feet, here is a double coated one which shows on her own. No need to prop this one's head and tail. Not in a long while have we encountered so satisfying a Cairn. The whole entry was commendable in this breed.

Scotties were noteworthy by the appearance of two startling brindle puppies, litter mates, eleven months old. Treleaven's Hot Stuff (Treleaven) on to best of winners over her brother, Treleaven's Tobasco (Treleaven). Their owner-breeder has a great pair to draw to in them. They are alike in general make and shape and character. Both have the all-weather, thick, flat lying double coats with outer coats like iron. The kind of coats that never need much more than tidying. Both have short backs, deep middles with the ribs carrying well back, and broad loins. Both are typical in outlook. Both have big powerful hind-quarters. Both have good feet, particularly commendable at this time when so many otherwise decent specimens of the breed could be helped by better feet. The bitch's lovely shoulders earned her the win of best of winners. Best Scottie to the American bred champion, the red brindle, Ch. Shieling's Dignity, a top grade dog from any angle, and a top flight contender always, in and out of his breed. He was handled by Ted Ward.

West Highlands were a treat. The entire entry was commendable for outstanding breed character and fine presentation. Canada is on the right track in Westies for certain. Shipmates Hannibal came out in the Open class. The more we saw of this one, the more we liked him, liked him well enough to send him through to the top spot in an entry that included three champions. Granted that he is bang up to size, we never saw him put a false foot forward. A keen, but sensible shower, he was put down in whitest white. His coat was an object lesson. Shipmates Kennels are listed as breeders-owners.

Kerries produced two high class puppies, the dog, Tregoad's Special Mr.

Fred (Betts) and the bitch, Tregoad's Silver Trinket, the same breeder-owner's. We note that they are by the same sire out of different bitches. Both are very satisfying and destined for good things. The bitch prevailed through to best of winners by virtue of that extra dash of class at this stage of development. The same breeder-owner's Int. Ch. Tregoad's Vicky's Gallant, well handled by Thos. Joel, was best of breed. A most attractive dog with a great headpiece, correct in eye and ear, he was presented fit. He shows keenly and would command attention in any kind of going. We were interested to learn that this dog has two litter brothers in the States where both are enjoying their share of winning. What a litter!

Airedales, Australians, Bedlingtons, Bull Terriers, Dandies, Smooth and Wire Foxterriers, Lhassas, Manchesters, Norwich, Miniature Schnauzers, and Welsh were all represented.

The Airedale winner, Ch. Raceways Miss Tatters (Stewart), approaching her seventh birthday, had still enough to prevail in her breed. The Aussie, Aussell's Joanne (Centre Ridge K's) is quite decent as is the Dandie, Glahms Bu de Khaya (Freeman). The Bedlington winner, Am. Ch. Centre Ridge Dusty Dash (Centre Ridge K's), is a pleasing size with good head type. The Lhasa, Ch. Carrol's Gold Star (Carroll) has the right size and coat. The Smooth winner, Simpson's Tigar Tim (Lovat-Fraser), is a tan marked one, full up to size. Pleasing in outlook, he is a steady, alert shower and moved satisfactorily. The Wire bitch, Ritzzy-Mitzzy of Runwyre (Running) is a lovely size and has much to recommend about her. The Norwich bitch, Fairhope's Daisy May (Bunce) prick-eared, and quite a taking huntsman's type with a good hard coat. The Welsh dog, Tate's Toffy (Tate), is a good colored one with good tail set. We could wish for more of him.

In Bull Terriers it was touch and go between the red bitch, Charlwood Roman Sunrise (Lewis) and the buckskin, Bamur's Valiant Vesta (Clark). Both good with fashionable headpieces, and both moved reasonably well. Quite nice they are for those who care for coloreds. The first named prevailed by reason of her putting in more when it counted. Best Bull Terrier to the previously mentioned Group winner at Barrie, Charlwood Roman Holiday, presumably a champion, since it was shown for specials.

Two Manchesters, a dog and bitch from the same owner appeared. They were well conditioned and had good color and had they been shown in a class for outsized Toy Black & Tans would have received our respectful consideration. To think of them as Manchester Terriers requires a difficult gulp in this corner.

Miniature Schnauzers produced an entry of eleven. The same owner swept the boards with best of breed to her dog, Ch. Handful's Blue Teal (Johnson) and best opposite to her bitch, Ch. Boxerly Sheila Robin. Both a nice size, both

"Schmauzery," and both with the right kind of coats. In her underwear only was a crackerjack bitch puppy, the best of winners, Begorra's Bonnie Lass (Boyd). Has real possibilities.

In the Group it was the Cairn for best in show followed in close order by the Scottie, West Highland, and Kerry Blue as named. The Bull Terrier contested every foot of the way. Five good ones that would reflect credit on any Terrier Group.

FOR PETS OF THE NEEDY

The Royal Society for the Prevention of Cruelty to Animals has pioneered in caring for the animals for the poor by new methods. One is the voucher scheme in which vouchers are issued by inspectors or honorary officials which enable needy folk to obtain free treatment for their pets from local veterinarians. This system originated in Liverpool in 1909. Eight years later the RSPCA's first animal clinic was inaugurated, also in Liverpool. Today, numerous clinics are spread throughout Britain. Another service consists of mobile units which make daily journeys through outlying districts giving first aid. The Mayhew Home in London services a constant stream of animals to be cared for while their owners are absent (some in search of work, others in jail). The famed RSPCA operates not only in Britain but has clinics in British Guiana, Cyprus, Malta and Gibraltar. Their hostel at London Airport deals with more than 10,000 birds and animals per week.

The People's Dispensary for Sick Animals, the only organization established exclusively for the free treatment of the sick and injured animals of the poor, was founded in 1917. Today it has more than 80 permanent dispensaries and 22 travelling dispensaries, augmented by regional animal hospitals. This society also operates 18 ambulances, while six homes for stray dogs form part of a national organization that gives free treatment to nearly a million animals every year.

The Blue Cross, incorporating Our Dumb Friends' League, maintains a fine hospital where more than 1,000 operations are carried out in a year.

WILL YOUR POODLE PUPPY SHOW PROSPECT BECOME A CHAMPION?

behind ears and on their backs, even by family friends) is taboo; and wearing of any collars is forbidden (a show lead is slipped on for walking). Anything at all which either breaks or mats the hairs of the big coat must be watched for and stopped. It requires vigilance and is less fun for the dog, but it must be done to grow a winning show coat!

With the careful following of the above regime we feel that internal and external coat improvers and oiling of the coat and crating of the dog as resorted to by many others, are not necessary to get the dog into show condition. However, as a last suggestion, may I urge you to keep nails short by clipping and filling so that the feet can remain correctly tight, and also, in order to grow lovely ear feathering, I do suggest that you roll the puppy's feathering (be very careful not to catch in any ear leather in pliofilm caught with elastic bands, so that they will not become soiled and worn or nibbled.

And may your puppy grow to win a Best In Show!

SUMMERTIME — AND YOUR DOG

At the behest of Dr. Gerry B. Schnelle, Chief of Staff of the Angell Memorial Hospital, Boston, Massachusetts, Lady Greyhound, 1959-1960 Queen of National Dog Week and the 1960 Bide-A-Wee Award winner, passes on these suggestions:

Move the doghouse to the shade — it becomes a place of torture if exposed to the hot summer sun.

Be sure that there is good ventilation and that oilcloth, a hard cushion or a cedar pillow is provided for sleeping. Blankets, if used, should be laundered frequently to prevent multiplication of fleas.

An animal left in a car parked in the sun may suffer a serious heat stroke; always park in the shade if possible and when leaving the car if you cannot take your pet with you, open windows two inches on opposite sides to ensure circulation of air.

Provide plenty of fresh, cool water at all times for all animals. Renew it frequently and keep the dish in a shaded spot. If your dog is tied outside, be sure the leash is long enough for him to reach a shady spot.

The doctor stated further that it should be remembered that a dog is like a child — always ready to romp and play. He is not at all cautious about his health and will exercise to the point of exhaustion.

BEST OF VARIETY

It's a Dog's Life

I have a year-and-a-half-old Sheltie called Jock who has never had time for his sister's four-month-old pup, Duke. One Sunday recently I let them both out into the yard for a run and as we have no fence around yet Duke decided to have a look up the street. It wasn't long when Jock missed him and went looking for him. He spotted him up the street, then started to lick him. After this washing was over Jock nudged and pushed Duke with his nose all the way down the street and into the yard. By this time all the neighbours were having a ball watching him and the pup. When Jock finally got Duke into the yard he began to bark and bark at him as if he were scolding him.

The amazing part of all this is that now Jock and Duke are inseparable friends indoors and out.

The doctor came out of the patient's bedroom confronted by a worried husband.

"Frankly," said the MD, "I don't like the way your wife looks."

"Neither do I," admitted her husband. "But she sure is good with the dogs."

"How come you don't show your dog against Sam's any more?"

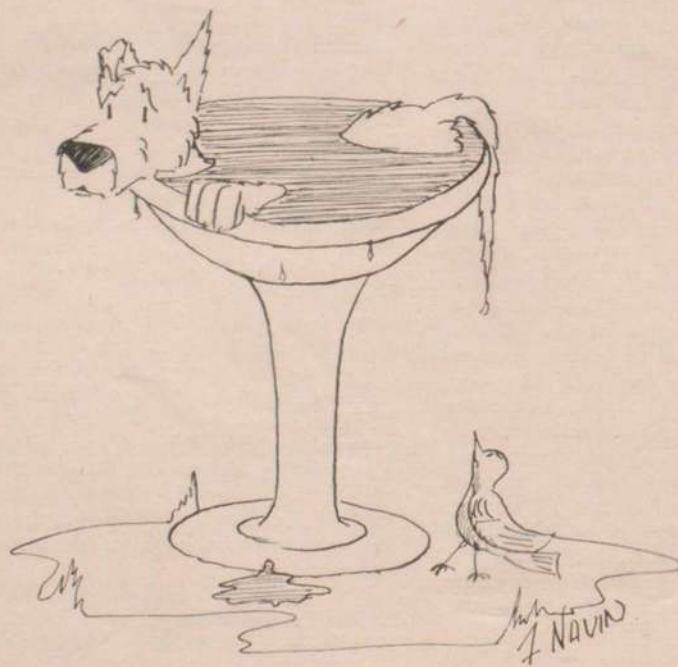

"Well, would you show against a fellow who cheats, falsifies records and tries all sorts of tricks in the ring?"

"Certainly not."

"Well, neither will Sam."

ARCHIBALD

by FRANCIS NAVIN

"This heat is getting me down"

A SHAGGY DOG

Harvey Barcus, president of the Dog Writers' Association of America, recalls this item from his trip to Australia:

I was with friends in a Sydney pub just before closing time and the bar was filled with drinks. A lush staggered in and was about to be ejected when he begged: "Give me a drink, mates, and I'll show you a trick you ain't ever seen." One of our party handed him a glass which was gulped.

"Now watch this," the drunk said. Reaching down into a deep pocket he brought out what must have been an Australian Terrier. He seated the dog at a piano and the little fellow amazed everyone by playing Australia's best known song, "Waltzing Matilda". It brought down the house, got the dog a huge dish of meat and the lush another drink.

"I have another trick but this one's worth a bottle," he said. The customers chipped in their shillings and the deal was made. From another pocket the drunk drew a canary, placed it on the piano and the ensuing duet was something to remember.

"That's wonderful, we'll put you on the wireless and the stage," a theatrical agent promised.

"Can't do it, it's all a fake," was the astonishing reply.

"Whadda ya mean a fake, we saw it didn't we?"

"Yes," the drunk answered, "but what you don't know is that the bird can't sing a note, the dog is a ventriloquist."

Howard Johnson's Pet Comfort Station is popular at the restaurant at U.S. 301, Rocky Mount, North Carolina. Service includes a fenced-in exercise pen with fire hydrants and sand box, dog food, water and shade from striped umbrellas. Menu includes H-J charcoal steak bone and H-J hamburger Pet Pattie, as well as canned foods, meal and biscuits.

LEADING BREEDS

Breed records of the FCI (International Canine Federation) show 460,300 registrations in 1959 (446,625 in 1958) led by the following breeds: Beagles, 62,984; Poodles, 58,661; Chihuahuas, 48,271; Dachshunds, 43,448; German Shepherds, 33,735. Runners up: American Cocker, Boxers, Pekingese, Collies, Boston Terriers.

Marvin H. Atkinson, Edmonton, and friend Harry bagged about six ducks each day last Fall. While Harry rested, Marvin allowed his Black Labrador, Gyp, to roam. Gyp soon returned with a duck in his mouth and before long stacked six in a neat pile. Harry suddenly awakened, searched frantically among the stooks for his game, then breathed in utter disbelief: "Those ducks weren't dead!" Gyp smiled quietly from behind another stook.

VETZYME (SPECIALLY PROCESSED VETERINARY YEAST)

WORLD FAMOUS CONDITIONER & FOOD SUPPLEMENT

(Manufactured by Phillips Yeast Products Ltd., England)

ABSOLUTELY SAFE FOR DOGS OF ALL AGES

- VETZYME ensures an ABUNDANT and BALANCED supply of the B COMPLEX VITAMINS essential for canine health.
- VETZYME also supplies, in easily digestible form, significant amounts of calcium, phosphorus and other minerals necessary for the formation of sound bones and good teeth.
- VETZYME contains over 40% of First Class Body Building Protein, a dietary factor often lacking due to over refinement of food.
- VETZYME is a specially processed natural product, containing no drugs, is absolutely non-toxic, and is completely safe even WHEN ADMINISTERED IN MASSIVE DOSES.

Failure to provide an adequate supply of the above indispensable nutrients will manifest itself by such signs as LISTLESSNESS, UNDUE NERVOUSNESS, LOSS OF APPETITE, POOR AND FALLING COAT, INFLAMMATION OF SKIN, INTERDIGITAL CYSTS, etc.

The regular administration of VETZYME will greatly assist prevention of such conditions and help to maintain the dog in vigorous health.
