ARBOR KENNELS

#4 Arbor Road, St. Louis 32, Mo.

Every manufacturer claims his dog food provides the nutrients a champion needs . . . **but only Ken-L Dog Foods have fed enough winners to prove it!** Facts are what count. And one fact worth quoting is that better than 80% of the best-in-show winners in All-breed Championship Shows in Eastern Canada these past three years were raised on Ken-L Dog Foods!

QUICK KEN-L MEAL

A complete dry dog food which mixes instantly with water. Dogs love its meaty aroma and flavour. A complete food for all breeds.

KEN-L BISKIT

A kibbled dog food packed with protein and all the vitamins needed for peak condition. Feed Ken-L Biskit dry, crumbly moist or mixed with other Ken-L foods.

Cover Story

Cover dog this month is outstanding in both Canada and the United States. He is Harry von Donaukai, Canadian Grand Victor, Canadian and American champion and a producer of winners. Most outstanding offspring is the 1959 German Sieger.

Owners of these noted dogs are Mr. and Mrs. William S. Ford, Jr. of St. Louis, Missouri. Theirs is a small but progressive kennel "dedicated to breeding a few of the very finest Shepherds."

Most of the brood bitches were imported from England for type and temperament and complement Harry's fine conformation, gait and trainability.

Arbor Kennels usually has a select few puppies available as well as the stud services of two outstanding champions. In addition to Harry, there is the Am. Ch. Dolf of Simsonia, very closely line bred on Pfeffer, Nox and Noble.

Many Cannadians are acquainted with the Fords and their Arbor Kennels.

UPCOMING CNE SHOWS

The three Canadian National Exhibition dog shows, slated for August 31 and September 1, September 2 and 3 and the final September 5 show, will again present the largest amount of cash prizes of any show in Canada. Last year the total amount was $6,000.

Three Canadian and two American judges have accepted assignments for these shows as follows:

First show: Col. Frank Foster Davis will assess Groups I, II and III while Col. E. D. McQuown will judge Groups IV, V and VI. They will alternate for the second show. On the final day, Mr. Earle T. Adair will judge Groups III, IV and VI, Mrs. Lilah S. Lymburner Groups I and II and Dr. Wilfrid E. Shute Group V.

These shows of course allow a top winning dog to become a champion in the same building within one week, a feature which attracts many exhibitors from distant provinces and sections of the United States.

While there will be no obedience competitions this year, Children's Handling will likely attract a number of spectators.

Last year more than 35 kennels were entered from the United States, and a great many American dog enthusiasts were at the ringside.

WANTED: JUNIOR NEWS

With a brand new column ready to report victories of young Canadian handlers in Canada and the United States we find show clubs are woefully negligent in sending in reports. This is a plea to clubs to recognize these talented youngsters who may be the top bracket exhibitors as they mature.

Memo FROM THE EDITOR

ABOUT OUR AUTHORS: J. G. Snavely, M.D. (Dr. Jeff) is a Chief Pathologist to the Maumee Valley, Wood County, Defiance and Napoleon hospitals in Ohio. He is president of Westgate Laboratory of Pathology, Limited. His farm and "Kaskaden" German Shepherd kennel are located in Bowling Green, Ohio. His concern with dysplasia began in 1954, and the substance of the article represents 5½ years of research in this problem. He is author of a number of scientific papers and is in charge of the Animal Research Laboratory of Maumee Valley Hospital, Toledo, Ohio. His article to fellow scientists on dysplasia appeared in the Journal of the American Veterinary Medical Association, August 15, 1959.

Dr. Snavely agreed to write this article largely due to the fact that non-science minded individuals *read into* his recent JAVMA article the idea that x-ray had to be used for breeding selections when actually the conditions set forth were intended as directions for those intending to repeat check or substantiate his findings – not as advice to breeders.

Grant Mann, whose article on the purpose and workings of the American Breed Survey Society appears in this issue has been "in Shepherds" since the early 1920's. His first judging assignment was fulfilled about 30 years ago, in Toronto. Since then his activities have taken him to many parts of the world, including Germany, Switzerland, Mexico, Puerto Rico. Last Fall your editors were impressed with the rapid, easy manner in which Mr. Mann interpreted the comments made by the noted judge, Mathias Stappen of Colgone, Germany at the German Shepherd Dog Club of Canada Specialty. He is not of German descent, he tells *Dogs*, but was so enthusiastic about learning every aspect of his favorite breed he enrolled at Wayne State University in middle age to study German. He is thus able to travel through Germany and converse with Germans in their own tongue. He has been chairman of the American Breed Survey Society for German Shepherd Dogs, Inc. (which he founded on this continent) since 1958. He officiated at the Breed Survey held in Toronto last Fall and his services are anticipated again this year. His noted Liebestraum Kennels are located in Southfield, Mich.

More publicity on a national scale for purebred dogs! *MacLean's Magazine* is coming out with an article by Mackenzie Porter with some of the research supplied by *Dogs in Canada*. In the August issue of *Canadian Homes*, a Toronto veterinarian collaborates with James A. Knight in a behavior article called "Don't Let Rover Take Over."

MUCH OF THE valuable material on the German Shepherd which was to appear in this issue has been held over until space is available. Had the breeders responded with any show of support of this number, which is designed to help sell more dogs at proper prices, sufficient pages could have been added to make it the great "special" planned. The amount of advertising by German Shepherd fanciers in this issue is not only deeply disappointing, but makes it impractical to carry all the material arranged. Among articles which had to be held: resumés of The German Shepherd Dog Club of Canada, The German Shepherd Dog Breeders Club of Canada; "Shepherds in the Ring" by Dr. Werner Funk (translated by Grant E. Mann) and "You and Your Shepherd's Temperament" by George T. Gerigs. Experts invited to write for this issue did so whole-heartedly and promptly. Letters announcing the Shepherd promotion were mailed in plenty of time. The total number of German Shepherd enthusiasts in Canada outranks that of all other breeds as evidenced in the 1959 show statistics: The German Shepherd was the breed most shown, with 1271, while the Miniature Poodle which ranked second, totalled 689. Owners of the breeds which do respond well to special issues are neither more nor less affluent than others. Truthfully, it's puzzling and we're sorry to say, frankly discouraging toward planning a big Shepherd issue for August, 1961.

"LE COIN FRANCAIS", French department edited by Mme. Leo Dery, reappears in September as does "Around the Obedience Ring" by Alan Sharp, which missed this issue. September, by the way, is the annual Hunting issue featuring Sporting Dogs and Hounds. Boxers are given special treatment in October.

THE OLD TIMER, whose pithy opinions are greatly missed, is slowly but surely recovering from a severe heart condition. He would be more than happy to hear from readers, c/o Dogs in Canada. Others forcibly inactive, who would appreciate letters are Miss Bay Meyers, Box 39, R.R. #1, Milliken, Ont. and Mr. Norm Smith, 32 Pine Cove Road, Burlington.

REACTION GRATIFYING

. . . I have just completed reading the July issue of *Dogs in Canada* and am greatly impressed with your "Memo from the Editor" presentation. BOARDING KENNELS

. . . Re Mrs. Dunlop's letter, June, 1960 issue, it is possible the finger of "low cost" boarding is pointed toward these kennels.

I may explain that when we first commenced boarding dogs, it was simply a matter of obliging our friends. Regarding the matter of charges, this was a vague issue on our part and we came to an agreement of one dollar a day or five dollars by the week, thus giving the owner two free days. Size of dog did not matter; what we lost on the feeding of a Saint or a Dane, we gained on a Peke or Pom. We have grown by leaps and bounds . . . and have had advance bookings from as far south as San Diego, north from the Peace River District and west to Calgary. We have never had a complaint, but plenty of compliments. The animals are well fed, housed, with exercise space and sanitary conditions. No two dogs are kenneled together unless specified by the owner.

Regarding the cheapness of boarding, it must be pointed out that we have an excellent source for our meat. The dogs are fed raw or cooked beef or both, as they wish, also there is a reasonable supply of roast turkey and liver for the fastidious animal, plus a well-known brand of dog meal for a balanced diet. We do, however, try to diet the animal under the same conditions as at home. We have had to increase our kennels and next year we plan to add an additional 20 units . . . As for increasing the boarding rates from the original price of five years ago, we

have agreed that this price would be maintained as long as there was a reasonable gain and no fabulous increases in dog meals . . .

We are always open for criticism, suggestions and inspection. The kennels are maintained strictly for the love of the dog and not for a "get Rich Quickly" scheme . . . Let's keep prices where the ordinary working "Joe" is able to afford to board his dog and have a long-sought vacation himself.

DISGUSTED

. . . Please note this advertisement which recently appeared in a Livestock and Pets column: "Clearance Sale: Dogs and puppies, $10.00 and up (kennel name and phone number) after 4.00 p.m. Open all day Saturday and Sunday".

What is the use of having a kennel registered? What protection for the serious breeder? I too, could sell my Pugs for $10.00 or $15.00 but I want to keep the price of purebred dogs to the level that they were intended.

WINGS TO VICTORY

. . . I would like to add my praise to the excellent condition in which dogs are being flown. I sent my Denny v.d. Daniels, an 11-months-old red Smooth Standard Dachshund to the Golden Gate Dachshund Club's Futurity, December 6, 1959 (where Mrs. Inez Miller, a breeder judge, put him up to Best in Show). He flew each way and arrived in perfect shape.

CHAMPION SHOOTING DOGS

. . . Being a lover of English Setters and both English and American Spaniels for shooting dogs, it occurs to me that the Sporting Group should be divided into field dogs and non field dogs, for the benefit of the buying public. If a new regulation were brought in by the Kennel Club that Sporting Dogs must pass a simple test before being awarded the title of champion and the test could be say, being staunch to the firing of a gun and finding a planted bird or dummy and retrieving same. Officials could be appointed at shows to carry out this test or the test be confirmed by a gun club official.

The new title would then read Ch. SD (Shooting Dog) or just champion and would then entitle the breeder to advertise as such.

Of late years the judges are demanding finer heads . . . and dogs that are not allowed to develop their natural instincts . . . Hats off to that Irish Setter Club in Ontario (via *Dogs in Canada*) that are trying to bring back the Irishman as a true Sporting Dog.

I appeal to all judges of sporting dog groups to try and evaluate the dog you examine in the ring. Do not be afraid to award first place to the dog that in your belief is a true sporting dog even if his head is (within reason) not Miss America.

Gives up to 94% more nourishment

DR. BALLARD'S CHAMPION DOG FOOD—as proved in impartial tests by an independent research laboratory—provides *up to 94% more protein nourishment* than so-called "bargain" brands. This, combined with vitamins, minerals and other vital food elements in a complete, balanced diet prepared by Dr. Ballard's animal nutrition experts, results in better health for dogs of every age and breed. Three popular "Champion" flavours: Regular, Chicken and Liver.

The Full Course Meal for Meat-Loving Dogs

NEW BURGERBITS gives dogs the meaty flavor and aroma they love, the crunchy texture they enjoy—the total nutrition they need. New Burgerbits is *concentrated:* each pound contains the concentrated goodness of more than half a pound of lean red beef, plus vegetables, whole grain cereals and bone meal. Then it's *expanded*, by a special process—into crunchy bite-size nuggets your dog loves to chew. New Burgerbits stays crisp—even after liquid is added. Never goes sticky or mushy, never sticks to the dish. New Burgerbits—better for your dog than meat alone.

DOGS AFIELD

BY DAVID BLAKE

I am always pleased to find areas of interest common to bench and field enthusiasts. Such areas must be realistic and, to be constructive and lasting, must have functional value. I hesitate at this writing to fix a name for the area I'd like to discuss, since a name, once applied, might become firmly established, though it might not be the best and, in fact, may become in some way misleading. Let's for the moment call our new baby "All-Purpose Basic Obedience Training", then let's contract it to "All-Basic" for quicker reference.

What started this business? Over the years there is an increasing number of inquiries from novice owners of field dogs asking for help in training their charges to respond to the demands of what we often refer to as "yard breaking". "How can I get my Beagle in when he is on a line and it's time to go home?" "My Setter hunts well for me for about ten minutes, then he goes wider and refuses to come in when I call him". "How do you force-train a Spaniel that doesn't want to complete a retrieve no matter how I coax him?" These and other problems that are basic are treated in books on the subject, but a book is an inanimate aid that fails in some respects with some people, an aid that is far more meaningful to many after they have been shown the way in basic methods by an experienced basic trainer.

How should we go about setting up means for constructive All-Basic training? First we must acknowledge the fact that walking at heel, retrieving, responding to recall and direction signals can be taught to any intelligent dog regardless of breed or use of the end result. We must then recognize that "obedience degree" commands and methods are traditionally different from certain field commands and requirements. A Spaniel should be trained to "hup" for the field handler and is trained to "sit" for the "degree" handler. A Spaniel or Retriever handler might wish his dog to work on the right rather than the left and to fetch by the use of the dog's call name instead of the command "fetch". The owner of a pointing breed may wish his dog to stand-stop rather than sit-stop when heeling, perhaps to reduce the liklihood of any tendency to "go down" when on point. The recall of a Spaniel or Retriever would logically be given by a long and two short trills on the whistle as would be used in the field, both hunting and in trials.

Believing that many more people would attend classes if they knew their dogs could be started on any type of training program in an "All-Basic" course, thus resulting in many more dogs being started and many more field people being helped, and, aware, that many successful dogs started with "degree" training, though certain changes or overlapping training was later necessary, I figured that a talk with *Blanche Saunders,* dean of our obedience training activity was in order.

Blanche stated that she is already practising certain modifications of "degree" work when it seems logical. Pets, she maintains, which may carry mud into the home on their coats if sitting in it repeatedly on wet excursions are trained to stop standing as are dogs that are to be bench shown. Dogs of owners with physical limitations of one sort or another are worked from the right instead of the left side. She sees no reason why dogs completing classes satisfactorily with such modifications should not receive a diploma to indicate their accomplishment. Competing for obedience degrees with their special requirements is quite apart from a good start in the direction for which a pet, a Spaniel, retriever, beagle, or pointing dog may be headed.

All-Basic classes would require an instructor familiar with field trial procedures and functional and traditional requirements. A class of ten, shall we say, trainees could then meet in usual weekly sessions. Five of them working their dogs as for degree work, one to become a more comfortable pet, two in Spaniel fashion, one as a rabbit hound and one, perhaps, as a Retriever. The ways in which the dogs are trained

and, to adapt Blanche's well established and apt phrase, the trainees are trained to train their dogs, would follow the course best suited to final functional use of the training.

Where do we go from here? The next step, it would seem, is to get a description of basic requirements from the respective breed authorities. Make a few capable trainers familiar with these basic requirements and how they apply to the finished working dog and get a few All-Basic classes started. I've an idea that husbands, wives, and youngsters will all welcome the opportunity to take "Flush" to off-season classes and so start him that he can be taken afield or sent to a training specialist already under reasonable control.

I invite obedience and field enthusiasts to give serious thought to the All-Basic training idea. Bring your ideas to the front and, meanwhile, I'll keep you posted.

CANINE INSURANCE

Many of our readers have been asking about insurance for dogs.

Your editors recently had a visit from Mr. William Rowley, chairman of directors, The Canine Insurance Association Limited, London, England. This company is the oldest canine insurance company in the world.

While he was in Canada, Mr. Rowley appointed representative insurance brokers in various sections of the country.

In an interview with Messrs. Dunn and Silk, who have been named to handle the business in Ontario, we learned that the policy currently being offered is "the most comprehensive dog insurance available, designed especially for the owner who takes pride in ownership and breeding."

Details are available through the above-mentioned company at 69 Eglinton Avenue East, Toronto.

Announcement will be made shortly of representatives in other provinces.

SHOW BUSINESS

Six entrants to the class. Four soon eliminated—beam too narrow, apple headed, incorrect balance, snipy. Two well matched dogs are left. Nothing between them. Tough job this—but wait! No. 358 keener, positively glowing, obviously enjoying himself! Yes, he's the one. The deciding factor—his perfect condition.

CONDITIONING

Although wisely cared for, your dog may occasionally lose condition. Blood-purifying is the usual need. Karswood Dog Powders act directly on the liver, kidneys and bowels—organs responsible for cleaning and refreshing the blood stream. Karswood's also provide Phosphorus, Iodine, Tonic Salts, Sulphur and Calcium for Nerves, Muscles, Glands, Skin and Bone development. SHOW TALK

A lovely young Lakeland Terrier, Wishing Wells Rocket, took Best in Show honors at the *Hamilton Kennel Club's* 69th Annual All-breed show at Burlington, June 25. The Hamilton show is the oldest continuous dog show held by any club in Canada. Rocket is owned by A. J. Duncan and J. R. Shaeffer, Toronto and was bred by Miss Barbara Worcester (Treleaven's Rocky ex Ch. Fosteria of Yasmine).

This show presented a number of surprises in variety of entries. There were four Gordon Setters and no great Danes. No Chows were entered but the Miniature Long-haired Dachshunds and both Standard and Miniature Wire-haired variety drew attention. Siberian Huskies were unusually prominent for this size of show. Pugs, which topped the Toy breeds, were also represented in Obedience by two from St. Louis, Mo.

• • •

The 42nd and 43rd annual shows and obedience trials held by The *Ladies' Kennel Club of Canada* June 11 and 12 at MacDonald College, Ste. Anne de Bellevue, Que., attracted 263 and 247 entries respectively.

This was an unbenched show, held in the playing field under bright blue skies, with ample room for judging and plentiful shade trees for exhibitors, spectators and dogs. Bagpipes, remote enough to prevent startling the dogs, announced the opening of the shows.

Best in Show June 11 was the Great Dane, Kobold Van Maramutch CD, owned by R. W. and Anita M. Wark of Somerset, Mass. Breeding: Ch. Lucky Adolph of Marydane ex Jemima von Maramutch. Top honors the second day went to the Miniature Poodle, Robinsbrook Diamond Chip, owned by Vincy B. Krauser of Montreal. Breeding: Can. and Am. Ch. Adastra Magic Fame ex Robinsbrook Diamond Lil.

The Canadian Collie and Shetland Sheepdog Association (Montreal and District Branch) considered the June 11 show their first Booster, with 24 Collies and 16 Shelties entered.

Tremendous competition sparked the 12th Licensed Field Trial held by the *Niagara Peninsula Retriever Training Club* held June 18 and 19 near Niagara Falls, Ont. (Junction Highway 20 and the Welland Canal). Fifty-nine entries in the Open All Age marked the largest entry ever competing in Canada, points out club secretary Eleanor McCaughey. Of these, seven had previously qualified to run in the U.S. Amateur National held the previous week at Oakfield, N.Y.

Open: 1st, Rathrippen's Rogue, owned by William Cobban, Willowdale, Ont.; 2nd, U.S. Field and Am. Field Ch. Dolobran's Smoke Trail owned by C. A. Griscom III, Tuscon, Arizona; 3rd, Nimrod's Shadow, owned by M. Joseph Haffey, Willowdale, Ont.; 4th, Black Witch of Random Lake, owned by James K. Shierson, Adrian, Mich. Other wins will subsequently appear in "Show and Trial" results.

Best in Show judge for the 85th annual show of the *Westminster KC* will be Dr. Joseph E. Redden, East Longmeadow, Mass. The competition is scheduled for February 13 and 14 in Madison Square Garden, New York City.

Dr. Redden has officiated at most of the large American shows and is approved for all of the Sporting Breeds, all Hounds and many of the Non-Sporting Group. His first dog was a Pug; he has since bred and shown many of the Sporting breeds and has owned German Shepherds.

Approved judges for the groups are: Harry Peters, Jr., New York (Sporting); Virgil D. Johnson, Savannah, Ga. (Hound); James W. Case, Grossmont, Calif., (Working); Charles H. Werber, Jr., New York (Terrier); Anna Katherine Nicholas, White Plains, N.Y. (Toy); Richard A. Kerns, Jr., Ardmore, Pa., (Non-Sporting).

Entries will only be accepted if they are made on official entry blanks provided for and included in the 1961 Westminster premium list. Thus no entries may be made until after premium lists are received by exhibitors.

Judge William H. Ackland of Washington, D.C. will assess all breeds of Groups III and IV at the *Oakville (Ontario) and District KC* show, September 10. He will also judge BIS and other General Specials. Although this is his first assignment in Canada, Mr. Ackland has been much in demand throughout the United States. Mr. Jerome N. Halle of Cleveland, Ohio, who in 1959 judged at the Birmingham, England show (over 3,000 entries) will judge all breeds of Groups I and VI plus Variety Groups in I and VI.

Mrs. Mary C. Matchett of Highland Creek, Ont. will assess all breeds of Group II and Variety, Group II while Mr. E. B. (Tim) Reid of Stittsville, Ont. takes on all breeds of Group V and Variety Groups, III, IV and V. Mr. Walter Konradt of Dundas, Ont., will judge all Obedience Trial classes.

In a mention of Irish Setter wins in *The Provincial Irish Setter Club* notes (*July, page* 67) the paragraph should have read: "Word from Harry Dean relates that he has had two field trial winners from the bench bitch Ch. Wildair Casamia Fame. Lady Anne of Ardee won the open Derby at the Irish Setter Club of Michigan Spring Trials and Pal of Ardee was second in the Puppy Stakes in Saskatchewan." . . . Ziska's Arctic Glow was placed Best Puppy, WB and BOS at the *Forest City KC* Show (her first) on May 14 by Judge Reg. P. Sparkes and on May 23 repeated these wins plus Best Puppy in the Working Group under Judge John Lundberg. (*Dogs, July*).

Judging in Latin America

T. E. (Ted) Gundersen of Ottawa this summer completed two long-distance and novel judging assignments.

Benching and other equipment were flown from Bogata, Colombia, S.A. over the mighty Andes mountains to the city of Cali for the May 28 and 29 show, the first held by the Club Canin Columbiano. The hospitality in this tropical setting, he reports, was tremendous. The Spanish was spoken rapidly, but the confusion diminished by an equally rapid interpreter. Spectators numbered 1,000 the first day, 2,500 the second. The boys and girls' handling classes were large and enthusiastic. Largest over-all entry consisted of Boxers, Shepherds, Danes, Miniature Pinschers and Poodles. Representatives of the Boxers and Shepherds were excellent, Danes poor, MinPins very typey. All types of Poodle clips were permissible, also one extra class as in France.

Mr. Gundersen named the white Standard Poodle, Ch. Pierlak Greco Ivardon Cavaradossi as Best in Show. Owner and handler: Miss Lahkofsky. Reserve BIS was the Boxer, Ch. Whisky de los Naranjos, owned by Carlos J. Echavarria, a many-time BIS winner whose sire is Whistle Malabar's Emblem, who in turn, must have stemmed from S. W. Scarpa's (Pointe Fortune, Que.) Malabar bloodlines.

Publicity-wise club officers had the newspapers well supplied with material, a plane flew over the entire city for days dropping leaflets and shop windows displayed placards.

Two Canadians, Dr. and Mrs. Casorso, formerly of Vancouver, B.C., showed several fine Salukis.

Mr. Gundersen is the second Canadian to be invited to judge in Cuba; the first was the late Alf Loveridge. In the entry of 130 dogs at the May 15 show held in Havana, many varieties familiar to Canadian shows were missing, he noted. Predominant were Boxers, Shepherds, Cockers. Best in Show fell to the multititled Boxer, Am. Cuban, Mexican and Pan-Am. Ch. Vogel's Prima Donna, owned by Dr. J. A. Martinez and shown by Mrs. Martinez.

"The point system is the same as the CKC," he states, "but I was asked to allot points to all dogs that have insufficient competition, as it is felt by Cuban National Records that this is a more favorable valuation; otherwise with many top specimens rarely having competition they would ultimately be denied their titles."

Teacher: Who can tell me where we'd find great Danes?

Sonny: Teacher, they're so big they never get lost!

YOUR FIRST GERMAN SHEPHERD

photo by Warren G. Parkinson

BY MARY SOUTHCOTT

regarded as one of the top-ranking German Shepherd fanciers and much in demand as an obedience trial judge throughout Canada and the United States. Owner of the famous Cara Mia Kennels near Milton, Ont.

ASSUMING that your new puppy has settled into your home, having become used to his surroundings and family and been given his own box containing rugs, blankets or cedar shavings, the responsibility for behavior begins. Your training and good sense will be mirrored in the grown Shepherd.

If you intend keeping your growing Shepherd outdoors provide him with a proper kennel, which is free from draft and dampness and is not exposed to rain. It should be large enough to be comfortable, the floor well off the ground and have plenty of fresh bedding (for warmth, straw is preferable). A swinging door or a piece of burlap tacked across the top of the opening should be provided to keep out the cold and wind, and I would advise insulating the kennel. However, proper ventilation is necessary and small no-draft ventilators may be purchased to install in the upper part of the kennel walls. If you do make the outdoors your Shepherd's living quarters, you cannot take him into the house (or vice versa) for any length of time as this sudden change of temperature is too much for his body to stand. Either "all in" or "all out" except of course as weather, special conditions, and exercising modify the rule.

Leadbreaking should begin early. Start by putting a light leather collar on your puppy and let him wear it for a few days to get used to the feel. Then snap a long leather leash on the collar. Let him trail it around a bit and perhaps play with this new appendage. When you take the leash in hand, try to make fun of it at first, coaxing him along and offering him tidbits when he comes to you or goes along nicely beside you. Never fight with him or pull and jerk him around against his will. When he becomes accustomed to the leash and no longer resents it, begin taking him out for walks — but at first make it appear that he is taking you and follow along with him. Soon he will think it is fun and you can begin training him to go where you wish. Always keep him on your left side once he is leadbroken and replace the leather collar by a slip-chain collar. This should be large enough to allow three or four inches of play. The correct way of putting on the slip-chain collar is to place it on the dog's neck so that when he is sitting on your left side the leash is fastened in the end of the chain which passes over and not under the dog's neck. Simple commands such as "sit", "come" and "lie down" may be taught at an early age, but do this gradually, lavishing plenty of praise and offering rewards. However, intensive training (obedience training) should not begin much under a year. Every dog is a puppy at heart until he is at least a year old and it is difficult for him to settle down to serious work until he has passed his puppyhood.

Never tease your dog and do not allow children to tease or annoy him. A dog that has been teased in puppyhood will often develop into a vicious animal. A dog's disposition depends a great deal on his treatment and environment. An owner can help to build character by proper handling and schooling as well as a healthy body by correct feeding and housing. Encourage your Shepherd to be friendly with everyone. This breed has a natural guarding instinct which develops as the pup matures. If he is shy of strangers, carry some cooked liver or a piece of cheese with you and let them offer the tidbit to your pup. However, I would stop this practice once he has overcome his fear of strangers, as you do not want him to continue accepting food from other people.

The easiest time to get your pet used to the car is when he is a very young puppy. At this age he will not be nearly as apt to get car-sick. If he does, make it a practice to take him for short rides daily, lengthening them a little each time. Should he begin to drool, stop and take him for a short walk before resuming the drive. Never feed him or give him anything to drink before taking him in the car, unless of course he has become accustomed to driving.

To keep your Shepherd off the furniture, a good cure is a mousetrap, set in the chair or on the bed into which he insists upon climbing.

If he starts chasing cars, an excellent way to discourage this, before it becomes a bad and dangerous habit, is to tie a short piece of chain to his collar. When he begins to run this will interfere with his legs and whack him unpleasantly.

To stop your dog from jumping up on you or your friends, quickly step on his hind feet, or bring your knee up in front of him so that his chest meets with a blow as he jumps. Do it rapidly so that he will not connect you with the unpleasantness he suffers, and he will soon learn not to leap up on people.

Shepherds seldom require bathing. They are an extremely clean dog and easily kept immaculate by daily grooming. "Doggie odor" can be controlled by keeping your dog in good physical condition and making sure his quarters and runs are kept clean. Never comb your dog when he is wet or damp as this tends to pull out too much hair, particularly the protective undercoat. It is best to groom your dog with a good stiff-bristled brush except when he is shedding, at which time a comb is permissible to remove the dead fur. First, brush opposite the "lay" of the coat, letting the air get into the fur. This helps to remove dandruff, cleans and invigorates the skin and permits the natural oil of the hair to move from the roots into the hair. Then brush vigorously with the "lay" of the coat. Should a bath be deemed necessary, use warm water and a mild soap or specially prepared dog shampoo. Be careful not to get suds into eyes or ears and rinse very thoroughly. A wad of cotton batten stuffed into the ears (not too far in) will help to keep the ears dry. Let the dog shake himself to get the excess water out of his coat and then rub him dry with plenty of bath towels. Be sure to wipe the inside of the ears carfully. Never allow the dog outside in cold weather after a bath until the fur is thoroughly dry right down to the roots and keep him in a warm place away from drafts.

Daily exercise is important and a puppy should have plenty of chance to get sunshine and fresh air. However, do not encourage jumping until he is mature. If possible, never chain your dog up, as this may tend to spoil his disposition. Do try to construct a good sized run for him if your backyard is not enclosed, where he can be free. It is advisable to build some kind of shelter in the run for him to lie in when he wants to, and for protecting him from the elements. Also, a wooden platform, raised several inches off the ground, is an asset in the run, since he may then have a dry place on which to lie when the ground is wet or damp.

SIEGER SHOWS ARE DIFFERENT

by Jane G. Bennett

Each year thousands of devoted members of the *Verein fur Deutsche Schaferhunde* (popularly referred to as the S.V.) meet to evaluate progress of the breed, and to set patterns for future breedings. Dogs are brought from all over the Western Zone of Germany to the *Siegerhauptsuchtschau*. Last year at Karlsruhe, birthplace of the S.V. 60 years ago, 507 of the best German Shepherd Dogs were brought together. In Germany puppies are not judged at regular shows but are evaluated at regional surveys held throughout the club's membership of 1,400 regional clubs. Therefore, all entries at this show were over 12 months.

Not only is the S.V. the Parent Club in Germany, but through surveys and evaluations it controls to a large extent the breeding programs of its more than 34,000 members. Strict controls are made effective because the S.V. is the organization responsible for registration of German Shepherd Dogs. During the year many shows are held throughout Germany but this show, where the Sieger and Siegerin are crowned, draws breeders from all of Europe, the Orient, South America, and an increasing number from the U.S. So, after hearing from many former spectators that we should visit one Sieger Show, my husband, son, and I decided to take our vacation last year in France, Switzerland, and Germany so that we could "see" for ourselves what a Sieger Show actually is like.

Arriving by rail at Karlsruhe we were greeted by an enormous banner announcing the show to be held in the recently constructed Wildpark Stadium. We were impressed immediately by the remarkable reconstruction of a city that had been three-fourths destroyed. The stadium provided the most ideal situation for a large dog show that we have seen anywhere. (Morris and Essex was a show above all others so we do not include it in our comparison.) With six rings being used at all times, unlimited space was needed and this park and stadium were more than adequate. Large expanses of woods gave ample shade for the unbenched show. I was told that this is the only Specialty in Germany that is an unbenched show. All other breeds require benching.

This show appears to me to be a "spectacular" of dogdom, rather than another dog show. It was like nothing I had ever seen before. Where else could one see a class of 115 Open Dogs very nearly all having had the toughest German training, gaiting for hours around the grass infield of a one-quarter mile track? Where else would thousands of club members attend a party the night of the first day's judging? Where else would eight or ten visitors be permitted to follow a judge around the ring for two days? Where else would a group of breed wardens be called into the rings for consultation before final decisions were made? Where else would the two top placed dogs march between an honor court to the flower-bedecked dais — and heralded by trumpets? The Sieger Show is like no other.

There seemed to be very few differences in the dogs in Germany and our dogs here. However, there are many differences in methods of exhibiting and judging. I felt that dogs in Germany were given more opportunity to show their worth than here, where many factors present handicaps. In Germany, dogs are given advantages not permitted our dogs through AKC rules governing showing of all breeds, or by show superintendents who must meet time schedules or fit shows into spaces inadequate for some breeds. With the S.V. making the rules, naturally the German Shepherd Dog gets everything necessary to see him at his best. Rings were large and level, (too often not the case here) so that the dog had an opportunity to display the beautifully co-ordinated gait peculiar to the breed. Handlers were changed whenever necessary so that good movers were not handicapped by a weary handler.

Tooth examinations—a struggle in some instances—were made *without judges touching a single mouth*. Examination of testicles at no time developed into a temperament test as all too often happens here when an otherwise sound dog is penalized for showing resentment at this examination. At no other time did I see a judge touch any dog. The theory, as explained to me by a judge, is that good judges should be able to determine structure without running his hand over an animal. We should comment here in defense of some of our good judges who find it necessary to "feel" a dog, that very few German dogs are overloaded or have excess flesh. Then, too, often our rings are so small that gaiting in them does not reveal the structure correctly. In fact, many times rings are so inadequate that confinement in them penalizes dogs with reach and drive—especially if this good dog gets behind a poor mover cleverly handled. At the Sieger show there was no possibiilty of one handler interfering with another dog because on the first day of judging all dogs had an opportuniity to appear in the ring for individual examination both standing and gaiting. During this examination no other dogs were in the ring. In Germany handlers are permitted outside assistance in getting the best from the dogs. Owners double handle like mad all around the ring. No effort is spared to urge the family favorite to do his best. If it takes the daughter of the family running around the ring with the feed pan to spur the dog who has been gaiting for hours to keep going, then the little girl will keep moving for hours, too.

Other differences were amusing at times. For example there was no feeling of hurrying to meet a time limit. We could view (with humorous recollection of Mr. Foley) the delay of 45 minutes while the survey report of the mother of one of the top contenders was checked. It amused us to see judges walking around consulting the catalogue and pedigree forms for information they considered valuable to their decisions when I recalled that our judges must pretend not to recognize the owners, and certainly not the dogs they are judging. Time was needed in the judging because each dog received a rating from top men in the breed in Germany, men who have lived with the breed all their lives and who know what directions they want the breed to take in Germany. These ratings were mimeographed and ready for distribution to all spectators as well as exhibitors. The ratings were made for the benefit of the breeders at large, not just for the owners of the individual dogs.

When trumpets heralded the approach of the 1959 Sieger, Volker V. Zollgrenschertz Haus Sch. H III, accompanied by the five Select Open Dogs, and the 1959 Siegerin Assja v. Geirgerklause Sch. H II with the five Select Open Bitches, there was no doubt that we had seen the best dogs in Germany at this show; the cream of the crop was there and the top six dogs of each sex had been selected because the two men who judged them felt that these were the most important to the future of the breed. The depth of quality was surprising, particularly in the Open Dogs and Youth Classes. The Open Bitches did not impress me as being up to the quality of the Open Dogs. However, many factors

current evaluation of the problem of

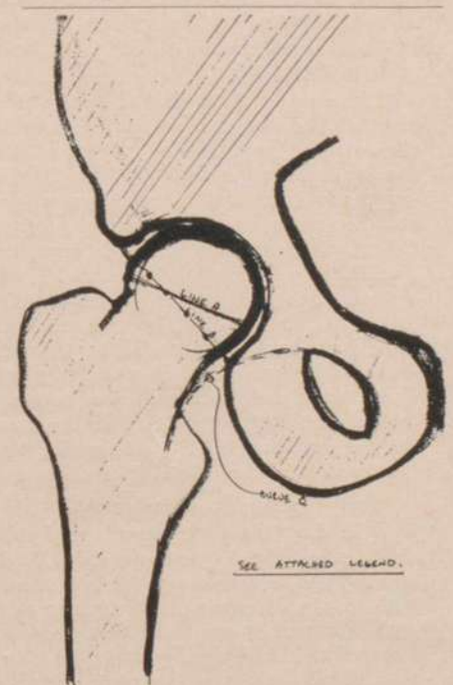
CANINE DYSPLASIA

by Dr. J. G. Snavely

Dysplasia in dogs is probably as old as dogs themselves have existed. Like all old problems which are poorly understood much confusion appears to exist and there are many different ideas as to its cause. It is therefore important that certain basic things be understood and one of the most basic of these is what the disease actually is. The simplest yet most honest answer is that no one really knows. Perhaps what we do know can best be defined by saying that the dysplastic hip is a failure of proper growth and development of the entire joint complex involving not only bony structures but ligaments and muscles as well. Its focal point is a failure of the superior (cephalic) rim of the hip cup or acetabulum to develop properly. The disease manifests itself by abnormal mobility in the joint and the results of this which we see by our eyes or by the x-ray are merely manifestations of this looseness of fit. The disease is apparently hereditary. Work supporting this idea has been published by Snavely. To the best of my knowledge this is the only substantial proof of the hereditary nature of the condition based on purposeful breeding of normals and abnormals. The disease is probably also congenital in that the basic abnormality is present at birth, but it does not manifest itself until locomotion puts a strain on the potential abnormality. There is no conclusive proof as to whether the heredity defect is dominant or recessive.

The disease is widespread in all breeds of dogs. It is probably most common in German Shepherd dogs but there are several other large breeds not far behind in incidence. The disease is worldwide although no careful studies of random populations have been done which would permit a reliable evaluation of frequency. Among other dogs commonly afflicted are Boxers, Danes, St. Bernards, Hounds, Terrier breeds, etc.

The problem of dysplasia in German Shepherds has received a degree of attention far out of proportion to its importance due to well-meaning but poorly informed people who have taken almost a missionary attitude toward the disease. They have also assumed (rather conveniently) that the genetic problem is that of a simple Mendelian dominant which can be eliminated in one or two generations by breeding x-ray normal animals, particularly if the stud dog is sufficiently advertised. *There is as yet no proof* that x-ray selection *as now done* has in any way affected the frequency of the disease. This is due to two rather elementary reasons, first, the x-ray diagnosis of normalcy does not mean that the animal is genetically sound. Secondly, the criteria for normalcy have been so wretchedly stretched and distorted by both breeders and veterinarians alike that the x-ray diagnosis as commonly made is not only useless and expensive but also tends to perpetuate or even increase the frequency of the disease by giving breeders a false sense of security. I have personal experience with breedings of so-called "normal" pairs where the entire litters were dysplastic. I have had the sad experience of purchasing a bitch called normal by one of the country's so-called authorities and when x-rayed was found to have rather severe dysplasia. When the film was resubmitted to the same expert under a code number a diagnosis of dysplasia was made. I have seen far too many films which are called not only good but "perfect" which are obviously dysplastic. For these reasons I have no faith in the radiologic diagnosis or normalcy so widely advertised in breed magazines. In addition and equally important is the fact that it is very difficult in livestock to breed for any single trait without acquiring other even less desirable traits when there are *complex* genetic factors to be considered. For example; in my own experiments over a period of 7 years, I was able to produce a relatively small number of normal animals by the most rigid standards.



LINE A
EPIPHYSEAL LINE – No less than 66% of this line should be enclosed within the interglenoid line (Line B).
CURVE C
(Shenton's arch) – This should be continuous. A visible displacement or discontinuity is evidence of dysplasia.
Note:
1. Good fit circular cup and round head.

Among these animals was an inordinate number of flop-eared, mean, miserable specimens which were totally undesirable for any of the purposes for which a German Shepherd or other dog is intended – but they had lovely hips. A somewhat similar problem exists in beef cattle where breeding for blocky uniformity has brought in the serious problem of dwarfism. In sheep, the pursuit of heavy wool production may produce wool blindness and loss of sexual vigour. Many times the problems created in "setting" one trait may bring on more serious difficulties than the original problem. In sheep in particular, increasing size may bring on difficult lambing and marked increases in dead lambings. Mother Nature can be a perverse mistress.

In addition to the genetic problems there are certain semantic problems which tend to confuse the issues. I refer to certain common fallacies which one commonly hears with respect to dysplasia which should be seriously questioned and more widely understood. First, is the use of the word "taint." This is a polite word which means that a "little" dysplasia is present. This is equivalent to mentioning that a lady is just a little bit pregnant. The suggestion that dogs with a taint give rise to no more dysplastic offspring than so-called normals only means that there is complete confusion in the minds of those who use this term between normal and abnormal.

Frequently one hears the statement that a truly perfect hip is indeed rare among humans. When this fiction became current is unknown to me but anyone who wishes should examine a series of random hip x-rays in humans to satisfy himself as to the boring normalcy of human hip joints. The same sort of false analogy is used in another common way and it usually is phrased in terms such as, "not every human is a Johnny Weissmuller or Charles Atlas." Actually, whether the person is a redoubtable Greek God in physique or a scrawny fish peddler has no bearing on the appearance of the hip joints by x-ray. There is utterly no relation between external beauty and sound bony structure. The minimal changes which exist in the hips of humans can be in no sense compared to the gross abnormalities so commonly encountered in dogs. Attempting to equate the minimal human hip flaws to the gross canine changes is not only unscientific but on the face of it ridiculous.

(*Continued overleaf*)

Another common misunderstanding which is more prevalent among veterinarians than breeders is that there is some correlation between the degree of x-ray change and the gait and health of the dog. There is literally no such relation. Most dogs with dysplasia show some symptoms or signs between the age of 6 and 12 months. This is particularly true from 9 to 12 months, especially if the dog is growing rapidly and somewhat fat. After a period of one year the compensation mechanisms stabilize the joint and by a year and a half or two the signs and/or symptoms are usually gone. A very small number of dogs, perhaps 10%, do not stabilize after one year and show obvious gait defects and/or signs and symptoms of frank hip disease. The idea that dysplastic dogs regularly develop into cripples is completely false. I have seen beautiful moving animals completely free of clinical symptoms whose hip x-rays look like a symmetrical mass of broken pottery. The reason for the feeling that there is some correlation is probably based on the fact that only the dogs which are clinically crippled come to the attention of the veterinarian. Those who do not, happily live out their one score and three doing the things that they are supposed to do and are quite happy withal.

At the present moment dysplasia in Shepherds is a problem of rather limited importance. To my mind the breeder should strive for working animals which conform to the standard for the breed particularly stressing mobility, intelligence and soundness of temperament. To those who wish to strive for the additional facet of normal hips, they should be prepared to take a most discouraging, long and arduous course with an immense amount of selection and imposing financial losses. It might be possible that if that dedicated person lives long enough he can combine all of these factors in the dream dog which every breeder hopes will reward his long term efforts. It is my considered opinion that the use of x-ray selection of parent animal or the belief in that the so-called x-ray diagnosis *as currently done* will improve the dysplasia situation is simply a form of self delusion. There is no question that when the diagnosis of dysplasia can be made regularly and routinely with accuracy that there will then be a possibility of elimination of the disease, perhaps even in the lifetime of some of our younger colleagues. The idea that it can somehow be eliminated in one or two magical breeding turns is visionary.

The total effect of the witch-hunt on dysplasia in Shepherds has been to discourage the novice and vex the expert alike. The discouragement of the novice fanciers is probably the most serious situation in our breed at this time. It seems time now to take stock and recognize that a condition which does not visibly affect the working qualities of 90% of the dogs with it cannot be considered a major breeding problem.

the truth about

THE SHEPHERD SURVEY

by GRANT E. MANN

Since the inception of the American Breed Survey Society in the fall of 1958, surveys for German Shepherd Dogs have been held in most parts of the North American Continent, including Canada and Puerto Rico.

Most of the outstanding dogs of the continent have been surveyed and full reports on them have been printed in the first volume which was published in the spring of 1960. Included in this list of famous dogs is the 1959 Canadian Grand Victor, Harry vom Donaukai, the U.S. Grand Victor Red Rock's Gino, U.S. Grand Victrix Jeff-Lynne's Bella, Canadian Grand Victrix Lark of Kingskroft, Holland Sieger Servie vom Alexyrvo and many famous champions of both the U.S. and Canada.

There are still some who fear having their dogs surveyed since many weird tales have been circulated about regarding our temperament tests. One lady even informed us she hesitated to have her dogs surveyed since she was told by another party that it was the policy of the Society to tie dogs up to a post and throw stones at them! Actually our temperament tests are quite mild but still give the information which is necessary. For instance our test No. 1 consists of the dog being led back and forth among a group of moving people on a loose lead. The solid dog will not be bothered in the least by this test but the over-anxious animal will be disturbed and bothered. Our No. 2 test consists of the dropping of a metal pan on a hard surface within six feet of the passing dog. The perfectly solid dog may jump at this nerve test but will come up to the object and investigate and this is a perfectly normal reaction. The third test is a simple one but most important since it has to do with overhead objects and no blind leader dog could ever pass the rigid tests of leading the blind if he were afraid of overhanging objects such as street awnings, overhead signs, chandeliers etc. The test then is a clothesline with several pieces of cloth or toweling hanging and waving in motion. The solid dog should show no reaction at all to this test — in fact hardly notice it at all; nevertheless the unsound dog will be disturbed by the movement of these objects.

There are three classes into which a dog may be placed, Class 1, 2 and 3. The first two classes consist of useful breeding animals while the third is not recommended for breeding purposes. Dogs qualifying for Class No. 1 should be free from all major faults. Class 2 dogs may possess faults of minor degree providing the virtues of the animal outweigh the defects. Class 3 dogs are those who on the other hand are more faulty than sound. No faults of temperament are allowed in Class 1. No serious faults of rear action are allowed in Class 1. The Society feels that temperament and character is still of greatest importance in the surveying of breeding animals since a temperamentally unsound animal is dangerous in many cases and useless in all cases. For the inexperienced dog provisions have been made to take the temperament and nerve test over again within 90 days. This is usually given by a local representative of the Society. Quite often a bitch that is just coming into season might be temperamentally disturbed just at survey time. If the owner desires, she too may be retested within the 90 day period. Sometimes the results of these retests can change the classification into which the dog is allocated. The retest is optional and in many cases is not recommended by the Society.

All dogs should be re-surveyed every two years to note changes, such as fuller development both physically and mentally, also to observe whether the dog is holding up. Whenever possible it is recommended that a dog or bitch be presented with grown offspring. It is further recommended that these offspring be produced with different mates in order to observe the types and characteristics which come through this individual parent. Two or more offspring by the same breeding mate tells little since it is impossible to tell which of the parents are responsible for the type presented. When the offspring presented are even produced from mates of entirely different bloodlines still more information is made available since different blood combinations produce different results. Such information is continually growing in our files and should present a goldmine of research results for our future breeding activities.

Shown above left to right are Bob Lundquist, official American Breed Survey Society photographer; Dr. William E. Redlich, assisting surveyor; Dr. Werner Funk, president of Verein fur deutsche Schaferhunde who conducted the survey at Milwaukee, and Grant E. Mann, chairman of the Society.

NOTICE

SUBJECT: Listed Dogs.

Effective January 1st, 1959 the Dog Show Rules, the Obedience Trial Regulations and Standards, and the Field Trial Rules and Regulations of The Canadian Kennel Club provide that all awards, championship points, qualifying scores, and prizes earned by a listed dog shall be automatically cancelled sixty days after being awarded unless application for registration has been made to the recording office of The Canadian Kennel Club by that date.

In the show and trial reports published in this issue each listed dog is identified by an asterisk (*).

Owners of listed dogs are urged to obtain registration of their dogs with The Canadian Kennel Club, within the time limit provided in the rules, in order to avoid cancellation of awards, championship points, qualifying scores, and prizes.

T. S. ADAMS,
Office Manager.

MEETING OF THE BOARD OF DIRECTORS

APRIL 8, 1960

(Continued from the June issue)

Following an enquiry from Mrs. Gertrude Storey, Obedience Representative for New Brunswick and Prince Edward Island, the Chairman recommended that the number of apprentices permissible at a licensed trial be limited to two.

After studying the application of Mr. G. J. Brackett to judge obedience classes, the Chairman concurred with the findings of the Committee which examined his application.

At the request of the Complaints Committee, the Chairman investigated a certain complaint in connection with the matting used at a Trial in Oshawa recently, and reported her findings.

At the request of the Secretary-Treasurer, the Chairman investigated and reported on an incident which occurred at the Obedience Trial held in conjunction with the Sportsmen's Dog Show on March 19th and which prompted an unofficial complaint from Mrs. Jane Duncan.

The Chairman wrote to Mr. Robert Rankine, Obedience Representative for B. C. (Mainland) in regard to remarks he made on his report of the Richmond Dog Training Club Trial held on March 6, 1960.

Letters of congratulations were sent to the following clubs after reports were received from the Representatives (or deputies) attending the Trials which showed that they were well run and properly organized: The Hamilton Obedience Club, The Alberta Kennel Club; The Richmond Dog Training Club; The Oshawa Obedience Association."

Following a discussion of the Committee's report regarding the application of Mr. Dennis Litchfield, it was regularly moved by Mr. MacKendrick, seconded by Mr. McDerment:

(#222-60) "THAT, we approve the recommendation of the Chairman's Standing Committee."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan.
ABSTAINED: Mrs. Southcott.
Motion carried.

A discussion followed on the Committee's recommendation with regard to the number of apprentices permissible at a licensed trial.

It was regularly moved by Mr. MacKendrick, seconded by Mr. McDerment:

(#223-60) "THAT, the recommendation of the Chairman's Standing Committee be approved."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan.
ABSTAINED: Mrs. Southcott.
Motion carried.

The Secretary read a letter from Mrs. Natalie Maydanski, Devon, Alta., who enquired:

(1) whether a person officiating at one of two separate and distinct trials being held by the same club on the same date may enter a dog at the other trial;
(2) whether it is permissible to duplicate the Club's Obedience Trial Regulations and Standards.

Following discussion the Secretary was instructed to inform Mrs. Maydanski that:

(1) there is nothing in the Obedience Regulations which would prohibit a person officiating as judge of one trial and exhibiting at the other, assuming he was not judging the other trial also, however, this is not a practice which would likely find favour, and may well subject a person doing so to criticism;
(2) there is no objection to reprinting the Obedience Trial Regulations and Standards provided no changes are made in the reprinting; however, copies of these Regulations and Standards are obtainable from the C. K. C. at 15¢ per copy.

INTERNAL AND ADMINISTRATION

9 A 46. PROMOTION, PUBLIC RELATIONS AND PUBLICITY

Mr. Monaghan, Chairman of the Promotion, Public Relations and Publicity Committee:

(1) reported that of the two members whom he had asked to serve as members of the Committee, one had accepted and the other had declined, and he would prefer to withhold naming the Committee until it is complete as to personnel;
(2) reported that he was in correspondence with the Misses Dunn and Peer regarding proposals for the Committee's consideration, and detailed proposals would be placed before the Board in due course;
(3) pointed to the annual retainer which the Board had authorized when engaging the Key Publications Co., and suggested that the annual fee be paid in four equal quarterly instalments of $300 each.

It was regularly moved by Mr. MacKendrick, seconded by Mr. McDerment:

(#224-60) "THAT, with reference to the retainer fee in resolution #194-60, the annual stipend be paid in equal quarterly instalments."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

It was regularly moved by Mr. McDerment, seconded by Mrs. Southcott:

(#225-60) "THAT, the report be received as a progress report."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

9 A 31. BOARD MEETINGS

The Secretary sought an instruction with regard to the calling of the next regular meeting of the Board.

It was agreed that the next meeting of the Board would be held on June 14th, but provision should be made for a different date in the event the next meeting of the Live Stock Records Committee is to be held on that date.

It was regularly moved by Mr. Monaghan, seconded by Mr. MacKendrick:

(#226-60) "THAT, the next regular meeting of the Board be held on June 14, 1960."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

It was regularly moved by Mr. Monaghan, seconded by Mr. MacKendrick:

(#227-60) "THAT, if the meeting of the Live Stock Records Committee is to be held on June 14th, then the President be and is hereby authorized to set a suitable date for the next regular meeting of the Board."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. MacKendrick, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

ADJOURNMENT

This meeting adjourned at 5:45 P. M.

****

June 14, 1960

A regular meeting of the Board of Directors of The Canadian Kennel Club was held in the Club's offices, 667 Yonge Street, Toronto, Ontario, commencing at 10:00 A.M. on Tuesday, June 14th, 1960, with the President, Walter Brown, in the Chair, and the following members of the Board present: J. W. MacCallum, R. L. Blyth, Mrs. Leo Dery, Wm. McDerment, W. J. Monaghan, and Mrs. M. E. Southcott.

MINUTES

3 M 25. MINUTES OF THE ANNUAL MEETING OF THE BOARD

The Secretary read letters from Mr. Irving who asked that the minutes be corrected to show that during the Board's discussion on "Appointments for 1960" (File 9 A 67) he had asked that the interior of British Columbia be made a separate area for the purpose of appointing Field Trial and Obedience Representatives.

Following discussion the Secretary was instructed to correct the minutes of the session of February 16th, 1960, by adding the following paragraph on Page 19 immediately following the second paragraph in Item #9 A 67 APPOINTMENTS FOR 1960.

"Mr. Irving requested that consideration be given to the appointment of Field Trial and an Obedience Representatives in the interior of British Columbia, but as no motion was made no action was taken."

3 M 26. MINUTES OF BOARD MEETING - April 8th, 1960

The Secretary reported that each member of the Board had been provided with a copy of the draft minutes of the meeting of the Board held on April 8th, 1960, and suggested that the following corrections be approved by the Board: (Corrections included in published minutes).

It was regularly moved by Mr. MacCallum, seconded by Mrs. Dery:

(#228-60) "THAT, the minutes of the meeting of the Board held on April 8th, 1960, as corrected, be adopted."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

The Secretary read a letter from Mr. Irving who referred to resolution #211-60 (Item #9 A 77) and who contended that the Yukon should be considered a part of British Columbia for membership purposes.

The matter was ordered referred to the semi-annual meeting.

FINANCIAL MATTERS

5 F 19. FINANCIAL STATEMENTS FOR FIRST QUARTER

The Secretary presented the financial statements for the three months ended March 31st, 1960, a copy of which had been forwarded to members of the Board, with additional information, on April 27th.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Southcott:

(#229-60) "THAT, the quarterly report be received."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 15. LITTER KITS

The Secretary reported that:

(1) pursuant to instructions given by the Board (resolution #201-60) he had attended a meeting of the Canadian National Live Stock Records Committee on June 7th for the purpose of reiterating the Board's previous objection to an additional charge of 1/6 operational item for each litter kit issued by the Records Office;

(2) he had not, as yet, received official notification of the Committee's decision on this question.

The matter was ordered referred to the semi-annual meeting by which time it is expected the Committee's decision will have been communicated to the Secretary.

The Secretary:
(1) reported that if the litter kit plan is to be continued, then it would be necessary to re-order the forms within the next two months;
(2) stated that if the forms are to be reprinted it would be advisable to add the schedule of fees to the reverse side of the forms;
(3) recommended that the forms be not reprinted until the national Board receives and considers at its semi-annual meeting in July, a report of the Special Committee appointed by the Board at its annual meeting (File 8 C 7), and until members of the national Board have an opportunity of suggesting changes in the present forms comprising the litter kit.

It was regularly moved by Mr. McDerment, seconded by Mr. Blyth:
(#230-60) "THAT, we approve the recommendations of the Secretary."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

7 R 23. STANDARD FOR AMERICAN COCKER SPANIELS

The Secretary read a letter from The Cocker Spaniel Club of Central Ontario requesting the Board's consideration of a change in the breed standard and of the procedure followed in the judging of this breed at shows held under the Club's rules.

It was regularly moved by Mr. Monaghan, seconded by Mr. McDerment:
(#231-60) "THAT, the matter be placed on the agenda of the semi-annual meeting."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

It was agreed that it would be highly desirable that there be available, for the consideration of the Board at its semi-annual meeting, the report of the Committee appointed to conduct research on heights and weights of American Cocker Spaniels.

7 R 24. KENNEL NAMES

The Secretary reported that the Kennel Names Committee had:
(1) rejected the applications for registration of the following names, as kennel names, on the grounds of similarity to kennel names already registered either with The Canadian Kennel Club or with The American Kennel Club (registered names shown in brackets): LYNN GROVE (LYN ROSE), LA MODE (LAMMOND and LA MODA), SAXON (SAXONY and SAXONIA), WALHALLA (VALHALLA), ELM (ELM CITY, ELMACK, ELM HAVEN, ELM-HO), MORCREST (NORCREST), DONMAR'S (DON-MAREE), WINNISCOTIA (WINNITOBA and SCOTIAS), BAR-VEL (BARREVILLE), VEIT-HAVEN (VEIRHAVEN), MAR-LEIGH (MAR-A-LENE and MAR-LYN), KELMAC (KELMAN and KELMAH), NORTHWIND (NORWYN), WAPI (WAPITI), BEE CROFT (BEECHCROFT), NICOBAR (NICKABOB), ROURLAINE (TOURELAY), BONMAC (BANMAC), BRADWIN'S (BRADWYNNE), CHARLMAR (CHAR-O-MAR), HARE SONG (HARESTON), KAY NINE (KAYLINE), TEE-JAY (TEKAY), VALPINE (VALLEY PINES), WILLOW RUN (WILLOW ROW), HEATHER BELL (HEATHERBELLE), MISSISSAGI (MISSISSAUGA), LYNMORE (LYNMAR), FRANMAR (FRANMOR), NOR'WESTER (NOR'WESTERN), STOR-DUN and STOR-GLEN (STORDUNGLEN), RO-MAR (ROMAR), EL DOMO (ELDONA), BEV-R-DEE (BEVERLEY), HILLDALE (HILLSDALE);
(2) rejected COLLORIE on grounds of similarity to breed name (COLLIE), and BERMUDIANA on the grounds of similarity to place name (BERMUDA where the applicant resides);
(3) rejected the objection received (registered name in brackets) to BAKONY (TACONY), to HAR-LYN (CHERILYNN), to ROLMAC (ROMACLIFF), SHERWYN (CHERILYNN);
(4) rejected RAMBLER and HALCYON as being names commonly used in the naming of dogs;
(5) sustained objections received (registered name in brackets) to KNOLL-VIEW (KNOLL TOP), DRIFT-WIND (DRIFTWOOD), ASHWOOD (ASHFORD);
(6) rejected BELLKAYNINE on grounds there should be no kennel name including CANINE (however canine may be spelled);
(7) reconsidered its previous decision with regard to an application for BRYN MAWR (alternative MERIONETH), after considering correspondence with The American Kennel Club, the Committee having decided to narrow the limitations it had heretofore placed on names applied for considered similar to kennel names registered with The American Kennel Club.

The Board considered an appeal, received from Mr. & Mrs. Richard St. John, Ottawa, Ont. for reconsideration of the Committee's decision in rejecting their application for registration of HARESONG as a kennel name.

The Secretary reported that since the Committee had rejected the selection of Mr. & Mrs. St. John, there had been correspondence with The American Kennel Club with regard to the implementation of the understanding regarding kennel names, with the result that, as indicated in Section 7 of the Committee's report presented at this meeting, the Committee had decided to narrow the limitations it had heretofore placed on kennel names (applied for) considered similar to kennel names registered with The American Kennel Club.

It was regularly moved by Mr. Monaghan, seconded by Mr. Blyth:
(#232-60) "THAT, the report of the Kennel Names Committee be adopted except that the appeal of Mr. & Mrs. St. John be sustained, the application for HARE SONG be reported in "Dogs in Canada" in the usual way, and in the event there is no sustained objection the application be approved."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

The Secretary:
(1) pointed out that when notice is published in "Dogs in Canada" regarding applications for registration of kennel names, there is published in each case, the name of the applicant;
(2) suggested that the names of applicants be not published so as to remove any suggestion that personal dislike has motivated justifiable objections.

Following discussion it was agreed that there are more advantages to the publication of the names of applicants than there are disadvantages, and therefore no action would be taken on the suggestion.

7 R 25 REGISTRATION COMMITTEE

The Secretary reported that the Registration Committee had:
(1) authorized, on the application of the National Trust Co., the issuance of a duplicate certificate of registration for the Kerry Blue Terrier TAILTEANN'S DIAMOND JIM (448959);
(2) decided that it was not prepared to authorize the registration of the Poodle COLOMBINE, imported from Mexico;
(3) rejected the applications of J. F. Ropking, Napanee, Ont. for the registration of two Dachshunds imported from Germany unless or until Mr. Ropking obtains acceptable certificates issued by the Deutscher Teckelklub (certificates submitted by Mr. Ropking were issued by the Verband International Rassehundfreunde, Germany);
(4) authorized the recording of transfer of ownership of the following dogs from the name of Allan Sheppard (deceased) to the name of Mrs. Allan F. Sheppard: Samoyed TAZBEL'S TROUBADOR (402608), Samoyed RIKI OF SHEP'S VALLEY (438060), and Chihuahua GYPSY OF QUARTER MOON; date of transfer, October 11, 1959; and had authorized the registration of GYPSY OF QUARTER MOON (AKC-T-538398);
(5) declined to authorize the registration of the Cocker Spaniel PICK, imported from Hungary by Andrew Wanie, on the grounds that the certificate for this dog, as issued by the Hungarian Kennel Club, did not show a full three-generation pedigree;
(6) authorized the Records Office to correct litter registration of litter whelped July 2nd, 1959, the property of Philip Kemper, Toronto, to show the correct number of males and females in the litter, and to alter, on the certificate of registration and records, the sex of the Poodle registered as KEMPICO ALBA (445721).

It was regularly moved by Mr. Blyth, seconded by Mrs. Dery:
(#233-60) "THAT, we receive and record the report of the Registration Committee."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

7 R 27. DACHSHUNDS

The Secretary:
(1) reported that as instructed by resolution #206-60 he had prepared a memorandum on the registration of "off-coated" Dachshunds, and Mr. Monaghan had delivered the memorandum to the Deputy Minister of Agriculture;
(2) read a letter from the Minister of Agriculture advising that he is "agreeable to approval of tentative arrangements for the recognition of progeny resulting from the mating of the mentioned breeds" although it is understood, however, "that the proposed amendment will be submitted to the members of The Canadian Kennel Club in the manner provided by the Constitution.".

The Secretary reported that at a meeting of the Special Committee on Dachshunds, held on June 4th, a discussion had taken place with regard to the mechanics on carrying out the registration of "off-coated" Dachshunds, and the Committee had agreed that:
(1) all cases of registration of such puppies must be routed through the Registration Committee in order that the Committee may have knowledge of such cases, and in order that the Secretary may keep a complete record of all such cases;
(2) we should dispense with the previous proposal that the letter Y be added to the registration numbers of such dogs; instead, arrangements be made for the inclusion, in the annual stud book, of a record of all such cases;
(3) all such dogs to be registered according to their actual coats.

The Secretary reported that it was the Committee's recommendation to the Board that it approve the mechanics as outlined, and proceed with immediate implementation in order that "off-coated" Dachshunds may be registerable immediately.

The Secretary reported that it was the recommendation of the Committee that the Board take steps to arrange for special proposed amendments on the next referendum ballot to formally recognize this procedure through the By-laws.

The Secretary reported that it was the recommendation of the Committee that it review its previous decisions in cases of this nature, and take steps to reinstate cancelled registrations and disallowed applications, and reinstate wins of such dogs.

The Secretary reported that the Committee regarded as far from conclusive the results of the voting on the question of controlled inter-coat breeding, for out of the 254 breeders canvassed less than one-quarter indicated their opposition to the Committee's proposals regarding controlled inter-coat breeding, and it was the recommendation of the Committee that the Board place an appropriate proposed amendment to the By-laws on the next referendum ballot, with a request that only those voting members breeding and/or exhibiting Dachshunds vote on this question.

During the discussion which followed it was:
(1) pointed out that the poll conducted of Dachshund fanciers indicated their approval of including, in the registration numbers of "off-coated" puppies, the letter Y;
(2) pointed out that when the Minister's special dispensation was sought to permit of the immediate registration of these puppies it was understood that the letter Y would be employed for the purpose endorsed by Dachshund fanciers;
(3) it would be unfair to the Minister to now proceed along lines different from those advanced in the memorandum addressed to him which had received his approval;
(4) suggested that the Committee reconsider its decision on this question;

(5) pointed out that the letters X and Y are used for particular purposes in the show reports published in "Dogs in Canada", and it would be advisable to use other letters or symbols.

It was regularly moved by Mr. MacCallum, seconded by Mr. McDerment:

(#234-60) "THAT, the Committee be called to have a report for the semi-annual meeting, and, if possible, arrangements be made to have the Committee meet with the Board on Sunday, June 24th."

FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott. Motion carried.

-----Luncheon intermission.

7 R 42. HUNGARIAN BREEDS

The Secretary:

(1) reported that he had written the Federation Cynologique Internationale, The American Kennel Club, and the Verband fur das Deutsche Hundewesen, with regard to the Hungarian Kennel Club (Magyar Kutyatenyesztok Orszagoe Egyesulete);

(2) read a letter received in reply from The American Kennel Club;

(3) read a letter received from Mrs. B. Mongyi, Directress of The Hungarian Kennel Club.

This matter was ordered referred to the semi-annual meeting by which time it is expected that additional information will be available for the Board's consideration.

COMPLAINTS, CHARGES & PROTESTS

8 C 10. REPORT OF COMPLAINTS COMMITTEE (SPECIFIC CASES)

As instructed by the Complaints Committee, the Secretary placed before the Board reports on four complaints of alleged non-delivery of certificates of registration to purchasers.

One person was deprived of the privileges of the Club, and the Secretary was instructed to poll the national Board on depriving three others of the privileges of the Club.

9 A 51. TERM OF OFFICE OF BOARD

The Secretary:

(1) pointed out that at the last Annual General Meeting it had been decided that the Committee appointed at the 1959 Annual Meeting to consider and report on this subject be authorized to continue its study of the subject for report at the 1961 Annual General Meeting, and at that meeting, Mrs. N. T. Smith had been appointed Vice-Chairman of the Committee;

(2) read a letter from Mr. R. T. Lawrence, appointed Chairman of this Committee at the 1959 Annual General Meeting, tendering his resignation on the grounds that he is soon to take up residence in the United States.

It was regularly moved by Mr. MacCallum, seconded by Mr. Blyth:

(#240-60) "THAT, the resignation of Mr. Lawrence be accepted, and Mrs. N. T. Smith be appointed Chairman and asked to arrange for the Committee's report by July 24th, if possible."

FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott. Motion carried.

9 A 79. CANADIAN SAMOYED ASSOCIATION

The Secretary reported that he had written Mr. Floyd E. Corner, Q.C., the solicitor for the Canadian Samoyed Association, as directed by resolution #213-60, and read a letter which the Club's solicitor had addressed to the Acting Director, Companies Division, Department of Secretary of State, in response to a letter which the Club's solicitor had received from that office.

The Board approved the solicitor's handling of the matter and considered the file closed.

9 A 83. CERTIFICATES FOR SHOWS AND TRIALS

The Secretary:

(1) reported that some years ago, at a time when it was necessary that the Board effect as many economies as possible, the present simple style of certificates issued confirming Championships and other titles was adopted;

(2) suggested that consideration be given to the adoption of a more elaborate certificate which, he believed, could be done at little additional expense.

It was regularly moved by Mrs. Dery, seconded by Mr. Monaghan:

(#241-60) "THAT, the recommendation of the Secretary be implemented."

FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott. Motion carried.

Mr. Monaghan referred to the consideration given previously to the issuance of a special certificate to the winner of a National Championship Stake, and suggested that this matter be followed up.

It was regularly moved by Mr. MacCallum, seconded by Mr. Monaghan:

(#242-60) "THAT, the Secretary gather information and present a report at the semi-annual meeting."

FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott. Motion carried.

MEMBERSHIP MATTERS

10 MM 2. APPLICATIONS FOR MEMBERSHIP

The Secretary sought confirmation of the approval given applicants for membership reported on lists #17 to #27 sent to members of the Board.

It was regularly moved by Mr. MacCallum, seconded by Mr. McDerment:

(#243-60) "THAT, applications for membership reported on lists #17 to #27 inclusive be approved."

FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott. Motion carried.

10 MM 14. QUESTIONS REGARDING MEMBERSHIP

The Secretary:

(1) reported that Mr. Emerson Robertson, an ordinary member of the Club for many years, had recently died;

(2) read a letter from Mrs. Robertson who stated her wish to become a member of the Club for it is her intention to carry on the breeding of her late husband's Beagles as soon as they are legally transferred to her, Mrs. Robertson having stated that she knew and could identify all the hounds "as they are tattooed".

It was regularly moved by Mr. McDerment, seconded by Mrs. Southcott.:

(#247-60) "THAT, when dogs owned by the late Mr. Emerson Robertson are legally transferred to Mrs. Edna Robertson, the membership standing in the name of Mr. Robertson be altered to Mrs. Edna Robertson."

FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott. Motion carried.

DOG SHOWS

11 D 1. APPROVAL OF JUDGES

The Secretary reported that an enquiry had been received as to what breeds (if any) Mr. Manuel Ibarra, Mexico City, Mexico, is eligible for approval to judge at shows held under the Club's rules.

The Board noted that:

(1) at the present time The Canadian Kennel Club does not recognize any national kennel club in Mexico;

(2) Chapter 7, Section 1 of the Dog Show Rules reads: "No person is eligible for approval to judge a breed at a show held under these Dog Show Rules unless he shall have: (a) been approved as judge of that breed by the national Kennel Club (recognized by The Canadian Kennel Club) of the country in which he resides".

It was regularly moved by Mr. Monaghan, seconded by Mr. Blyth:

(#248-60) "THAT, the enquirer be informed that the person does not qualify for approval under our Dog Show Rules."

FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott. Motion carried.

11 D 25. SHOW DATES

The Office Manager reported that the German Shepherd Dog Club of Greater Ottawa had applied for permission to hold:

(1) a specialty championship show for all breeds in Group #3 on March 24th 1961;

(2) a specialty championship show for all breeds in Group #3, a specialty championship show for German Shepherd Dogs, and a licensed obedience trial, all on March 25th, 1951;

and sought the Board's ruling on these applications.

In the discussion which followed these points were considered:

(1) the club applying had held but one show (that a specialty championship show for German Shepherd Dogs) previously;

(2) the advisability of consulting the national Board on whether a specialty club should be granted permission to hold a specialty show for any breed or breeds beyond the breed or breeds for which it was organized to promote;

(3) the advisability of granting immediately the application of the German Shepherd Dog Club of Greater Ottawa to hold a specialty championship show for German Shepherd Dogs on March 25th, and of consulting the national Board with regard to their remaining applications.

It was regularly moved by Mr. McDerment, seconded by Mrs. Dery:

(#249-60) "THAT, the German Shepherd Dog Club of Greater Ottawa be granted permission to hold a specialty championship show for German Shepherd Dogs on March 25, 1961."

FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott. Motion carried.

It was regularly moved by Mr. MacCallum, seconded by Mr. McDerment:

(#250-60) "THAT, in view of the fact that their request is different from what has heretofore been approved, the matter be referred to the semi-annual meeting of the Board."

FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott. Motion carried.

The Office Manager read a letter from the Canadian National Sportsmen's Show enquiring whether the Board would be prepared to grant them permission to hold a series of shows such as was held in March of this year.

Reference was made to the discussion, at the last Annual General Meeting, regarding a proposed amendment to include in the Dog Show Rules provision for the holding of "Limited All-Breed" shows.

A newspaper clipping was read in which it was reported that the Canadian National Sportsmen's Show had made grants totalling $119,468 to conservation organizations and universities (including $18,640 to the Ontario Agricultural College, $15,250 to the University of Toronto, $7,800 to McMaster University, and $3,350 to Queens University).

It was regularly moved by Mr. Monaghan, seconded by Mr. Blyth:

(#251-60) "THAT, the Canadian National Sportsmen's Show be

given approval to hold in March, 1961, a series of shows such as they held in March, 1960."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

11 D 34. CHAMPIONS & CHAMPIONSHIP POINT RATINGS

The Secretary read a memorandum from the Office Manager who:
(1) pointed out the text of the recently approved amendment to Chapter 21, Section 8, of the Dog Show Rules;
(2) suggested that the Board give an interpretation of the words "or be placed in its Group where there shall be five or more breeds (dogs) competing at the time of Group placing", in order that dogs placing 1st, 2nd, or 3rd, in a four-dog group may be deemed to have placed in the group for the purpose of this Section of the Dog Show Rules, in order that (regardless of the number of dogs in a Group) a dog, when placing in a group and defeating one or more dogs in the group, has met the requirements of the recently approved amendment to Chapter 21, Section 8.

Following discussion Mr. Monaghan gave notice that at the semi-annual meeting of the Board he would propose the following as a standing resolution:

"THAT, part (c) of Section 8 of Chapter 21 of the Dog Show Rules reading "or be placed in its Group where there shall be five or more breeds (dogs) competing at the time of Group placing" be interpreted to mean "or defeats at least one dog in the Group"."

11 D 60. SUBSTITUTE JUDGES (SHOW)

The Secretary read a memorandum from the Office Manager who:
(1) pointed out that Section 7 of Chapter 8 of the Dog Show Rules does not require that the substitute judge be a judge who would, under normal circumstances, be eligible for approval to judge the particular breed or breeds for which he is selected as a substitute judge;
(2) pointed out that the same section does not require a Club finding it necessary to obtain a substitute judge in an emergency to advise The Canadian Kennel Club as to why a substitute judge was needed;
(3) was of the opinion that it is advisable to make it clear that the acceptance of an assignment, as a substitute judge, on the day of a show would not affect any other assignments for which approval had been given previous to the show, or which may be under consideration at the time of the show;
(4) sought the Board's rulings on these points.

Mrs. Southcott referred to the first point raised by the Office Manager and suggested that a standing resolution be drafted similar to that previously approved by the Board for substitution of a judge at a licensed obedience trial. The Secretary was instructed to draft a standing resolution for consideration of the Board at its semi-annual meeting covering all three points raised by the Office Manager.

11 D 61. MISCELLANEOUS MATTERS

The Secretary reported that he had not received a reply to letters addressed to Mr. Horace Hollands, St. Clair, Mich. in which he had sought information about awards earned by a dog which Mr. Hollands had handled at a show held under the Club's Rules.

Mr. MacCallum volunteered to discuss the matter with Mr. Hollands and endeavour to obtain the information requested by the Secretary.

OBEDIENCE TRIALS

12 OB 8. REPORT OF OBEDIENCE COUNCIL CHAIRMAN

The Secretary read a letter from Mrs. Mary E. Southcott, Chairman of the Obedience Council, who reported that the Chairman's Standing Committee of the Council recommended that Mr. A. W. Preddy, Medicine Hat, Alta. be approved as a judge of the Novice and Open Classes.

It was regularly moved by Mr. Blyth, seconded by Mr. MacCallum:
(#253-60) "THAT, the recommendation be approved."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

GOOD AND WELFARE

14 G 15. FELLOWSHIPS

The Secretary:
(1) reported that he had discussed with the Acting Principal of the Ontario Veterinary College (the Principal being overseas) the Board's interest in continuing the Fellowship instituted in 1959;
(2) read a letter from Dr. J. Archibald, Professor and head of the Small Animals Division, who reported on the research conducted by Dr. Leon Cobb on "the incidence of bacteria of the Clostridial species in the liver of the dog", it being believed that his finding on this subject may have widespread importance in man and the dog and Dr. Cobb's thesis on this subject would be published in various scientific journals. The letter also expressed thanks for the past support of The Canadian Kennel Club, and outlined other projects on which the College needed financial assistance to bring them to completion.

It was regularly moved by Mr. Monaghan, seconded by Mr. McDerment:

(#254-60) "THAT, in accordance with the authority given by the Board at its annual meeting, a cheque for $1500.00 be sent to the Ontario Veterinary College."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

The Secretary was instructed to invite Dr. Archibald to meet with the Board, for a short period, during its semi-annual meeting.

14 G 22. BOY SCOUT BADGE FOR HANDLING DOGS

The Secretary stated that he believed that the Board would be interested in the fact that information had been received from Mr. Thomas Joel to the effect that the Canadian General Council for Boy Scouts in Canada had included in their available badges a "Dog Handlers Badge", an applicant for the badge having to meet the following requirements:
(1) Own and give proper care to a dog for a period of not less than six months; or have responsibility for the care of his family's dog for not less than six months.
(2) Present a record showing the care he has given to his dog during a period of six months, including such items as feeding hours, and kinds of food; housing; training; exercise; grooming and bathing care for the dog's habits and health, including precautions to keep dog in good condition.
(3) Report the approximate cost of feeding and caring for his dog for a six months' period.
(4) Explain the symptoms and first aid treatment for at least one illness and one accident common to dogs.
(5) Explain proper methods of training dogs to do the following:
(a) Obey simple instructions such as "come here", "stop barking", "lie down", etc;
(b) Walk to heel;
(c) Carry and retrieve objects;
(6) Know the provincial laws and town or municipal ordinances (if any) involving dogs, including ownership, control and humane treatment.

It was regularly moved by Mr. MacCallum, seconded by Mrs. Southcott:
(#256-60) "THAT, we encourage the Boy Scouts in any way we can."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

INTERNAL AND ADMINISTRATION

9 A 46. PROMOTION, PUBLICITY, PUBLIC RELATIONS

The President enquired whether the Chairman of the Promotion, Publicity and Public Relations Committee had a report for this meeting.

Mr. Monaghan, Chairman of the Committee, reported that:
(1) one member whom he had approached had declined on the grounds of pressure of business, an invitation to serve on the Committee;
(2) another member had accepted such an invitation but said member was now seriously ill;
(3) he had not, as yet, decided on the selection of another member to complete the personnel of the Committee;
(4) he had had a number of discussions with the Misses Dunn and Peer and further discussions would take place on June 15th.

It was regularly moved by Mr. Blyth, seconded by Mrs. Southcott:
(#257-60) "THAT, this report of the Chairman of the Promotion, Publicity and Public Relations Committee be received as progress."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

-----The Vice-President took the Chair; President absent temporarily.

9 A 16. STANDING RESOLUTIONS

Reference was made to the standing resolution which authorizes the Secretary to reimburse each provincial Director (in provinces other than Ontario) to a maximum of $100.00 per year for expenses incurred in the performance of duties as Directors of the Club, and it was suggested that a similar provision should be made for the office of President in order that the President would not be required to pay out-of-pocket expenses incurred while discharging the duties of his office.

It was regularly moved by Mr. Monaghan, seconded by Mrs. Dery:
(#258-60) "THAT, the President may draw up to $100.00 a year for expenses incurred on behalf of The Canadian Kennel Club, expense accounts on this allowance to be submitted not later than December 31st of the year in which the expenses are incurred, and it be recommended to the Board, at its semi-annual meeting, that this resolution be set up as a standing resolution."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

-----The President returned to the meeting and resumed the Chair.

9 A 84. APPOINTMENTS (OTHER THAN ANNUAL)

Mr. MacCallum suggested that the Board give consideration to the appointment of an additional Honorary President.

The matter was ordered referred to the semi-annual meeting.

9 A 31. BOARD MEETINGS

It was regularly moved by Mr. Monaghan, seconded by Mr. McDerment:
(#259-60) "THAT, the regular Board meeting scheduled for July 12th be not held in view of the fact that the semi-annual meeting of the Board will be held later in the same month."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

9 A 39. IMPLEMENTATION OF BOARD DECISIONS

It was regularly moved by Mrs. Southcott, seconded by Mr. Blyth:
(#260-60) "THAT, the President and Secretary be authorized to implement immediately decisions reached at this meeting."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Dery, Mr. McDerment, Mr. Monaghan, Mrs. Southcott.
Motion carried.

The meeting adjourned at 7:20 P.M.

CLUB NOTES

IMPORTANT: Club Notes are for the purpose of reporting activities and plans of Breed, Group and other specialty organizations. There are certain news items which cannot be considered as "club notes", but rather as advertising material. Names of judges may be used only if the club's show advertisement appears in DOGS IN CANADA. Wins of dogs which will be or have been reported in The Canadian Kennel Club "Show and Trial Results" cannot appear in these columns. Make your club notes meaty and interesting.

Associated All Hungarian Breed Club
by Mr. Jack C. Anderson
1316 Centre St. N., Calgary, Alta.

As previously reported in the notes, The Canadian Kennel Club earlier this year approved the new standard for the Puli so that in Canada our dogs are shown and judged according to the Hungarian standard. It is now a pleasure to report that the American Kennel Club has approved a revised standard for the Puli, the text of which may be found in the May issue of the American Kennel Gazette.

The Puli standard approved by the American Kennel Club is a vast improvement over the so-called standard by which the breed was judged previously but still leaves much to be desired as a guide to breeders and judges in depicting the typical Puli. The new standard does however cover one most important point, in that it eliminates the off-colors such as brown, beige, apricot, etc., which are nothing more than the results of indiscriminate breeding. As the Puli breeder will know, the true color of the Puli results from the mixture of the black hairs to reddish-black and white to yellowish-white hairs and this intermixture produces what appears to be a solid color. The new A.K.C. standard places this most important point secondary and makes reference to solid colors which are most undesirable and should be discouraged both in the breeding program and the show ring.

The new A.K.C. standard for the Puli states that the breed is usually shown combed but may be shown with the coat hanging in tight even cords. This of course leaves much to be desired as the typical Puli should not be combed as it not only loses its distinctive individuality but this process is most harmful to the undercoat. The standard would appear to be misleading too in that in one instance a shaggy coat is called for while in another it states it is usually combed. I think breeders will agree that the grooming required to properly maintain the corded or stranded coat is sufficient work in itself without going to the extra trouble of combing and thereby destroying the "Shaggy Dog".

Club members will now have the current issue of Shaggy News and in it you will find the revised A.K.C. standard for the Puli as well as the C.K.C. revised standard.

Our June meeting was held at the residence of Mrs. Hamilton. Business was mostly concerned with our recent show which, we are pleased to report, was a great success. Everything went smoothly and there were few grumbles. Our President thanked all for their efforts in getting ready for the show.

Consideration was given to a request by a few members that we change the site of our future show. It was also suggested that we try an unbenched show for a change.

A committee was formed to study the possibility of using some other available site. So it looks as though next May might see us under a different "light".

All in all, it was a very happy meeting which adjourned to the tune of "happy vaca-

B.C. Cocker Spaniel Club

by Joan Brazier
5614 Kings Rd., Vancouver 8, B.C.

The annual general meeting of the club was held on May 26. Our thanks go to Hector Norris, our first President, for steering us through the year. Our new President is Pat Power, well known in breed and obedience circles.

Looking back on our first year of operations we feel that it has been both enjoyable and instructive. We owe a debt of gratitude to all the people who kindly gave of their time to be the guest speakers at our meetings. We thank Dr. Perry, who spoke on nutrition, Pat Tripp who gave us a handling demonstration, Doris Hayes for trimming hints, Elsie Murray for advice about shows, and Jack Smythe who showed us some aspects of field training.

We are planning to stage a Sanction Show next year and after that we hope to be able to join with the Combined Specialty Club and hold a Cocker Specialty.

Although of necessity our meetings are held in Vancouver we gladly welcome out-of-town members. We are hoping to send out the first edition of a newsletter this fall; we feel this will be a good way of keeping in touch. Please do write to me and let me have all your Cocker news.

Brantford Obedience Club

by Margo Loerch
41 Woodman Dr., Brantford, Ont.

Now that summer has arrived our training classes have ceased until September but our club activities still carry on. As a wind up to our winter and spring training we held a picnic at the farm of Alfred Schmocker. Prior to the enjoyable time had by all present a short business session was held. Plans were laid for a new CDX class to commence in September as well as a Tracking class which is in full swing now with ten trainees. At this meeting we regretfully accepted the resignations of Mr. and Mrs. Arthur Surette and Mr. and Mrs. Eric Gardner for personal reasons.

We are keeping our dogs in training with several team demonstrations. At the end of June we displayed our obedience work at two garden parties and later this month we travel farther afield to the Hagersville Army Camp and put on group as well as individual demonstrations.

By the time this goes to press, nine of our members will have returned from Buffalo laden with blue ribbons and high scores, we hope. This is a good response to the kind invitation extended to us by the Kennel Club of Buffalo and we hope this will further the Canadian, American relationship.

Another first for our club is the challenge trophy we are offering. The Hamilton Obedience Club has been our first challenger. At present this idea is in an infant stage so further information will be given in our next writing. Our aim in such is to get more obedience people acquainted under a friendly atmosphere.

The Bulldog Club of Central Canada

by Mrs. Gertrude M. McKenzie
Locust Hill, Ont.

The bulldog puppy match, open to anyone with a Bulldog puppy, will be held at the home of Mr. and Mrs. A. Farrell on Sunday August 14. The address is 95 Sandon Ave., Toronto 13. As in previous years a good time is assured to all so bring out those puppies you have and have sold.

Our Specialty and Booster shows were highly successful, entries being the average. Thanks to all who contributed their efforts to make it so.

Our September meeting place will be announced at the Puppy Match. Happy holiday everyone.

Burlington & District Kennel Club

by Roy L. Dafoe
3047 Woodland Park Dr., Burlington, Ont.

A very successful Obedience Clinic was held just prior to the Obedience Trials. Mrs. Casgrain was able to help out many persons with problems in training. Mr. Lowe expressed his appreciation to all who helped with the Obedience Trials. These were held indoors at the Burlington Arena. There was an entry of 103 and several club members had qualifying scores. In the whole day's results, 67 secured qualifying scores. Obedience training will continue throughout the summer at the Roseland Plaza, corner of New and Guelph Line and this should not only help keep the dogs in condition but should also provide considerable advertising for the club and obedience work. Applications for the Fall classes are already on hand.

Plans are well underway for the all-breed show in September and Mrs. A. Lowe has been appointed in charge of publicity for the show.

The Junior Council is now well underway under the direction of Mrs. Pendlebury. At their initial meeting the following executive was elected: President, Gail Garvin; Vice-President, Ellen Nantais; Secretary, Pat Garvin; Treasurer, Lorna Bielby; Directors, Patty Barratt and Jinny Brown. Monthly meetings are to be held the first Tuesday in each month and they will also hold obedience training classes. A pet show is planned for late in August. To the best of our knowledge, this is the only Junior Club in this part of the country and we feel it is a step in the right direction.

Following the July meeting, we enjoyed a very interesting program. This consisted of a panel including the following: Mr. H. MacKendrick (Miniature Schnauzers), Mr. K. Ellis (Poodles), Mrs. S. Whitmore (Boxers); Mrs. Pat Fisher (Dachshunds) and Mrs. R. Walker (German Shepherds). Mr. R. Dafoe was chairman and various controversial questions were put to the panel which resulted in a very lively discussion. This proved to be a very educational and interesting evening and it is hoped we may repeat it in the near future.

The Dachshund Club of Canada

by Ernie Lindsay
Willow Cove (Sub. P.O.), Burlington, Ont.

Our regular monthly meeting was held on the Lindsay's lawn on July 10 with Dr. Bridgman presiding; followed by our puppy fun match and picnic lunch. The meeting opened at 1 p.m. with an excellent attendance.

Mrs. Sharen accepted the position of ring steward for our Specialty Show to be held September 24.

We are very sorry to hear that Mrs. Lily Turner is ill in hospital and has taken a turn for the worse. We are all hoping for her speedy recovery.

For our next meeting, to be held on August 7 at the Lindsay's, there will be a demonstration of obedience training. We hope to have several Dachshunds on hand, including one who has completed its CD (Companion Dog), showing just how well the Dacksie can perform.

Mr. Bodemer will give a talk and demonstration, on handling and showing Dachshunds, during our September meeting.

The puppy match got under way at 3 p.m. with 15 exhibitors and a total of 30 puppies competing, all ages from two months to 12 months. Mrs. Pat Fisher, of the Wunderbar Kennels, did the judging and explained as she went along just why one puppy was put over the other. This was appreciated particularly by the novice breeders. She remarked that the competition was very keen, due to the high quality of all the puppies. There were 20 Standard Smooth puppies, Best of Breed won by Mrs. Kyle with Pokey, Best of Opposite Sex by Mrs. Trueman with Teressa. Miniature Smooth, two puppies entered, BB won by Mrs. Mansfield with Tommy Tucker, BOS with Miss Muffet. Standard Wire, four puppies entered, BB won by Dr. Hollatz with Hella, and BOS with Amigo. Miniature Wire, two puppies entered, BB won by Mrs. Thomson with Candy, who also took Best in Show. Taffy took BOS. Standard Long, two puppies entered, Mr. Boesel won BB with Trixie and BOS with Maxie. We had no Miniature Long-haired puppies entered.

Our meeting was a real success, with an excellent turnout, thoroughly enjoyed by everyone. *Compiled by Barbara Moss.*

The Dominion Collie and Shetland Sheepdog Association (Montreal and District Branch)

by Mrs. H. Slaughter
5 - 47th Ave., Bois des Filion, Que.

On June 11 our club held its first Booster Show in conjunction with the two-day Ladies Kennel Club Show on the beautiful grounds of MacDonald College in Ste.Anne de Bellevue. Exhibitors came from Ontario, Quebec and the Eastern United States.

The trophy table was very impressive with prizes for every class and in connection with the Booster Show there were two extra classes: Best Puppy Bred by Exhibitor and Best American Bred Dog or Bitch.

We were very proud of having 23 Collies and 16 Shelties on display for our first public appearance at a point show. It was a five-point entry in both breeds and the judge, Mr. E. E. Vary, commented on the good quality of the dogs shown. Several of the winners were dogs shown for the first time — a good indication of the hard work breeders are giving to improving both Collies and Shelties.

The German Shepherd Dog Breeders Association Inc.

by Anne Gerigs
Pickering, Ont.

The biggest news of the month is of course our June Specialty Show. It was a big success both financially and otherwise. The day was sunny and pleasantly warm and the entry good. This was enough to get the show off to a great start. There was an excellent turnout of Canadian dogs striving to win our Spencer Weller Challenge Trophies.

Our thanks go to Herb and Hilda Burrows and their trophy committee, headed by Mac DeMeo, for all the work they put into the show to make it such a tremendous success. Of course all the members pitched in but it still takes a lot of time and effort on the part of the particular committees involved.

To Mr. John Seiler goes our VERY, very, special appreciation and thanks for such a wonderful job of judging. I hope we will have the privilege of showing under Mr. Seiler again here in Canada in the not too distant future.

After the show an informal dinner was held at the lovely home of Mary and Spencer Weller. From the intake at this dinner it is assumed that everyone who attended enjoyed themselves immensely.

I think that my Mother (Iris Gerigs), her committee and Mary Weller deserve mention for the effort that went into making this dinner a success.

Before I leave the subject of Specialty Shows I would like to take this opportunity to wish the German Shepherd Dog Club of Canada the best of luck with their coming show.

At our July meeting it was decided by the members that we would hold a matinee show at the home of Reg and Sadie Scott on August 14. Now all we have to do is to keep our fingers crossed that the chosen day will dawn bright and clear and that everyone and his dog will come and join the fun. Our regular circulars will be sent out with all the particulars re judges, time and directions on them. Anyone who wishes to make sure they are on our mailing list should contact Herb Burrows at WH 2-1237 or Spencer Weller at OX 9-2328.

Always finish with a Smile

Question: If I turned over two hundred dollars of my salary every year to the German Shepherd Dog Breeders Assoc., what would they have?

Answer: HEART FAILURE.

Flash, German Shepherd owned by Lloyd and Barb Doves now has his CD. Congratulations are in order to the Doves and Flash's trainer, Bob Savink. This is especially nice as the dog is seven years old.

The record 59 Shepherds exhibited at our 3rd Annual Puppy Show, June 12, is a tangible vote of confidence for this show. It says more than a thousand words. The large classes, gaiting and showing in the large ring, were a treat to see. BOB went to Harry Carnahan's Al-Jene's Harry v. Heidelberg, BOS to the Lucas's Keelot's Gem. Hearty congratulations though, to all the many winners who left with the beautiful trophies as mementos of well deserved wins. The after-show dinner was highlighted by our judge Dr. Snavely's very interesting remarks on his extensive scientific research on hip dysplasia.

Here and there: Compliments to the German Shepherd Dog Breeder's Ass., on their excellent show June 11, and to the happy owners, of the two '60 flyers, the appropriately named, Rocket of Cara Mia and the fleet Houschloe's Bisket. Our busy President, Mary Southcott, is travelling to various judging assignments throughout North America just about every weekend these days. Brian Watson is now in Air Force blue. Nice to See Ed and Edna Summerfield hale and hearty at the Puppy Show, and winning too. Na-Robi has a strong show team of bitches now in Ch. Chloe, Ch. Fiesta, Helga and Karla. Once again more news, no space.

Hull and District Kennel Club

by E. Diana Gemmell
471 Golden Ave., Ottawa 3, Ont.

The monthly general meeting of the club was held on June 8.

The main business of the meeting was to consider championship show plans put forward by the Show Chairman, Mr. W. J. Monaghan.

We are happy to have the Hull Armories for our Show on August 28. Parking facilities are excellent, and there is plenty of room for the show rings.

It was agreed to offer a cash prize of $25 for the Best Canadian Bred Puppy in the Show, and cash prizes for Best of Breed and Best of Opposite Sex in those breeds where six or more dogs are entered.

Entry fees for puppies entered in puppy classes are to be $3, but this will not apply to puppies entered in adult classes.

Appropriate prizes will be given in the breeds of less than six entries, and promises for the Groups and Best In Show have already been received.

The Irish Setter Club of Canada

by Mr. John B. English
114 Seneca Dr., R.R. #1, Ancaster, Ont.

The club held its June meeting at the home of Mr. and Mrs. R. L. Dafoe of Burlington. Further plans were made for the Invitation Match on June 26 at the Honsbergers' of Streetsville. Further discussion took place regarding the trophies for our Specialty Show in September, and it was agreed upon by the members that the steins would be again used for the awards for all the classes.

Mr. R. E. Allen gave a report on investigations he had made regarding the raising of our own pheasants for the fall field training sessions and field trial. After some discussion, it was felt by the members that this would be an extremely costly venture and that we might be wise to carry on as in past years by procuring the birds from a professional breeder as we needed them.

Plans were also made for the yearly trip to Tynoka Lodge. Due to our much increased membership of late, there will be a much larger group going north than in previous years and reservations should be made early.

Following the meeting, the members were addressed by Dr. W. H. Vivian D.V.M. of Burlington, who spoke on hip dysplasia in dogs. He noted that our Irish Setters seem to be one breed which seems to be escaping this malformation to a great extent. According to Dr. Vivian, the Irish Setter has extremely strong hip joints and, since their running gear is so much a part of their daily existence, it is a great blessing indeed that they are not visited with this malady. X-Rays were used to illustrate Dr. Vivian's talk, showing the disease from the primary stage through to its most advanced stages. Dr. Vivian felt that a great deal of the prevalence of this disease could be removed if breeders would be more scrupulous in their breeding program, since there is a definite hereditary factor involved.

At the finish of his talk, Dr. Vivian was thanked by our President, Mr. Honsberger.

Since our most recent meeting, held at the home of Mr. and Mrs. Barnes, our members have been very active at the shows, a large number of 'the fancy' having gone the rounds of the Montreal, Ottawa, and Kingston 'circuit'. Our breed is certainly commanding increasing attention and, frequently, makes up the largest total of entries in the Terrier Group.

We had an excellent turnout in June with several members-to-be listening in on our usual lively and of course always informative discussions. This particular evening might have been called the K-9 Oscar Night as the Club awards for 1958 and 1959 were presented. These handsome certificates, designed and hand-lettered, respectively, by two of our newer members, are proud additions to the kennel walls of the winners.

Following plans and suggestions for our forthcoming Specialty Show in August, we went 'fishing' with the Barneses and came up with 'pot luck' — Lobster!

Oakville & District Kennel Club

by J. E. Hicks

281 9th Line, Oakville, Ont.

The club held its annual Puppy Match June 30 at Avalon, the home of Mrs. Marie Hamilton, Lakeshore East. There were 20 entries, representing 14 breeds. The judges were Mr. and Mrs. Wm. Gottschalk, Toronto, well-known breeders of Miniature Schnauzers and Boston Terriers. The results of the show were: Group 1, English Setter, named "Freckles", owned by Mr. R. E. Treble; Group 2, Dachshund "Claus", owned by Mrs. T. A. Niels; Group 3, Shetland Sheepdog, "Lassie", owned by Mrs. N. J. Carlson; Group 4, Wire-Haired Fox Terrier, "Tina", owned by Mrs. Alf. Veale. There were no entries in Group 5. Group 6, Standard Poodle, "Gigi", owned by Mrs. R. D. Smuck. BIS was the English Setter. The best puppy was the Wire-Haired Fox Terrier.

Following the show, the club adjourned to the house where refreshments were served and Mrs. Hamilton was thanked for allowing the show to be held at her home. Mrs. Alva McColl, past president of The Canadian Kennel Club, was among those present.

The obedience graduation exercises took place June 29 and about 150 watched. The judge, Mr. C. C. Burton of Stratford, put the dogs and trainers through their paces. The competition was stiff and the marking even stiffer. Mr. H. Watson, Oakville, nearly had a perfect score (199) with his Miniature Poodle, Carmellisa. Mrs. E. McGowan's English Springer Spaniel "Kingarvie Princess Patricia" was second with 196. Mrs. Hazel Brayman, Oakville, scored 185½ with her Siberian Huskie "Tonya" and Mr. Frank Walker, Oakville, scored 170 losing 30 points when his German Shepherd failed on one exercise!

Graduation Diplomas were also presented to the following: Mrs. R. Jones, Oakville, Mrs.

The Ontario County Kennel Club

by Gertrude M. McKenzie
Locust Hill, Ont.

Our show at the Children's Arena Oshawa on July 2 proved highly successful, thanks to the efforts of members and our Show Secretary.

All members will be sorry to hear that our President's wife Mrs. Whiteside is not feeling so well again and we all trust that ere this she will be very much better. She is missed at the meetings and at the shows.

Member Mrs. Grosart has acquired one of the lesser known breeds in a Kuvasz and we look forward to meeting her or is it a him, in the show ring before long?

It is hoped to hold a Sanction show in Toronto early in the Fall. Our Secretary hopes to be able to give fuller details at our first meeting in September.

Oshawa Obedience Association

by Peggy Boorman
22 Frank St., Oshawa, Ont.

Even though school is out for the youngsters we find our dog lovers still hard at work. Our members have been doing very well at recent Obedience Trials.

Our Graduation Classes just completed their training and the judging was in the capable hands of Karel Vogel who was assisted by Dorothy Grosart and Bud Flanagan. We hope to see all of the dogs back in the Fall for more advanced training.

Chairman for the Trial Committee, Bill McHugh, advised us that September 4 was the definite date set for our next Obedience Trials to be held at Lakeview Park in Oshawa. Don't forget to be on hand because you can't afford to miss this trial.

A new scrapbook has been started for our Association and any members or friends who have some interesting news items for us we would appreciate your sending them along to me.

The following applications for membership in our Association have been accepted: Mr. and Mrs. Armour Hanna and Mr. John Webbing of Oshawa; Mrs. Jeanne Good and Dr. Chuck Bathie of Port Perry; Miss Marilyn Mills and Miss Ursula Floeter of Raglan.

Recently a club party was held at the home of Mrs. Bill McHugh and aided by Barb Scott and Helen Bathie. It was the most successful and fun-filled evening we have seen in a long time.

Toot Toot! I know one is not to blow one's own horn, but please forgive me just this once. Congratulations Gail on a nice job of training. Gail is only eleven and trained and put a little Chihuahua through to its C.D.

Our club meeting was in the form of a dinner meeting on Friday June 24. All members enjoyed it and plans for our next year's show are in process.

Although we have not a regular training class going some of the members are continuing practise and learning a little of the C.D.X. They have been going out to the training master's place and having a weiner roast after. I think this is a wonderful idea as everyone enjoys having a little fun along with all their hard work.

Club activities have ceased for the summer months so hope to see you all at the shows and in this column next fall.

The Progressive Kennel Club (Inc.)

by Gertrude W. Drew

There was a well attended meeting of the club held at the regular room on July 6. There was very little business needing attention and after the reports of various officers were read the show Secretary gave a report on the June 4 show.

According to Mrs. Stevens' records the show was quite successful and showed a substantial profit. Reports from the Trophy Secretary and Advertising Convenor were found to be quite satisfactory. She thanked the members for their good work.

The balance of the evening was given over to a party for Mr. and Mrs. Ron Lawrence who are moving this month (July) to their new home in Virginia. The President, Mr. Stevens, presented Mr. Lawrence with a writing set and Mrs. Lawrence with a Coro necklace. He said the club were very sorry to lose them and wished them success in their new home and country.

Mr. Lawrence replied briefly stating that they were sorry to leave the club but that they hoped to be back in Canada showing dogs and visiting. He stated that Mrs. Lawrence had received her handler's license and would be showing dogs both in U.S. and Canada.

Mr. and Mrs. A. H. Lake and family are holidaying in Haliburton.

The next meeting of the club will be September 7. Work on the October 9 and 10 shows will be the chief topic of interest.

The Provincial Irish Setter Club

by Gertrude W. Drew

The June meeting was in the nature of a social evening. It being the end of the first half of the year the executive decided that since all business was right up to date we could dispense with the small items at hand and treat the members to a more relaxing program. Tara Hall was filled to capacity; several members from out of town were present plus a couple of visitors.

As advertised, the four prizes for the annual draw was made. Honorary President Mr. Walter Brown drew the first prize ticket which went to Mrs. L. C. Jones of Shanty Bay, Ont. Second went to Mr. Ian White of Scarboro, third to Mrs. Alice Ross of Oshawa and fourth to Mr. Michael Werrett of Downsview. The winning tickets were sold by Mrs. J. Clouter, Mrs. H. Paslaw, Mrs. G. Drew and Mrs. June Pugh. The draw has proved a very popular way of making money for the club.

Everyone was delighted at seeing the movie of our recent booster show. In natural colour it was simply beautiful. Several expressed

opinions that it was an excellent way to see how good or badly we showed our dogs and where improvement could be made. Of course we all got a laugh at "seeing ourselves as others see us". Our sincere thanks to Mr. A. Davis who filmed the entire show.

The remainder of the evening was spent playing games. Those winning prizes were; Mrs. Dorita Carter, Mr. Henry Paslaw, Mrs. Betty Hodgson, Mr. A. Davis. The door prize was won by Shirley Scott.

Mr. Al Lake was the very efficient M.C. for the evening. Just before the serving of refreshments Mr. Walter Brown made his semi-annual speech. He commented on the growth and success of the club which he considered to be "one of the best it had been his privilege to know". He congratulated the executive members for their industry and integrity and commented particularly on Mrs. Dawn Miller's excellent minutes.

Delightful refreshments were served by the hostess Mrs. Lake and her committee.

There will be a few activities during the summer and then down to grass tacks come September in preparation for our specialty show on October 23. We are doing our best to encourage Canadian bred dogs and breeders so get busy on your dogs now. We expect to have several training classes before show day. Also our premium list will be extra special this year.

Mr. and Mrs. Jim Hodgson are holidaying in Chicago and area.

Paul and Suzanne Patterson have joined the club and are working on their young hopeful already.

Several members are taking trips this summer including yours truly.

Summer is here and away we go to the shows and trials and may the best dog win. Our last membership meeting until Fall was held at the Union Hall and all unfinished business was cleared up. All of the coming show dates and trials were announced and premium folders were given to members interested.

We have a wonderful idea in force at our monthly meetings. Every month we have a member bring their breed and give a brief history and comment on the standard. Last month Mrs. McGregor of Beamsville with her Pug, and this month Mr. Hugh Monro and his Belgium Sheepdog. Actually seeing and talking about the dogs really gives one an indelible impression.

Mrs. Helen Schulze of Niagara Falls, a recent new member of our club, Governor of the Weimaraner Club of Canada, gave a very interesting and informative talk on how the Weimaraner breeders are adhering to their standard. Mrs. Schulze recently attended a meeting in Hollywood and in other countries to discuss the breed.

The next obedience classes will get underway shortly after Labor Day and there will be a separate class for those members who are repeating a training class.

Sarnia Kennel Club

by Heather Logan

300 *Bright, Sarnia, Ont.*

The July meeting was held at the home of Miss Jeanette LeNeve with 15 members present. Our meeting was opened by our new President, Bill Wessing, and he announced our new slate of officers elected at our last meeting. They are as follows: President, Wm. Wessing; Vice-President, Mrs. Marjorie Mann; Secretary, Miss Jeanette LeNeve; Treasurer, Dick Johnston.

Besides our regular business we made plans for a picnic to be held the latter part of August and a matinee dog show to follow early in the Fall. These affairs are interesting, informative and lots of fun so do come out and join us if you are in our vicinity.

Definite plans have been made for our Obedience Classes under the stewardship of Mrs. Harry Reno of Port Huron, Mich. and they will begin Sunday, July 15, 1960 at 2:00 p.m. at the Point Edward Arena. This seems to be a very popular sport these days so why not join and get a few good tips for training our dogs.

Out our way:—This has been quite a Spring for a few of our members and we don't like to boast but they're "setting the dog-show world afire!"

Sky-Way Obedience Club

by H. Wilkinson

143 *Fairfield Ave. N., Hamilton, Ont.*

The June meeting was held at the home of Harry and May Wilkinson, Fairfield Ave., Hamilton. President, Don Peall, presided with 22 members present. Highlight of the evening was the way the classes had finished. Everyone was well satisfied.

Jack Walker, our Trophy Chairman, displayed the trophies for graduation — four in all — one for each class and one for top-scoring dog.

Other business that was discussed was to locate a small hall in the near future, as the membership is growing so fast that it is almost impossible to seat all in one room.

Arrangements were made to hold our Fall classes at the same place, Burlington Beach Fireman's Association Clubhouse, 316 Beach Blvd.

At graduation the following results were ten dogs out of 15 qualified with an average score of 190½. Jack Walker took top honors with his German Shepherd.

On the social side the club dance was a success and other events are being planned for the summer months.

The "200" Club
by Laura McNally
62 - 4th Ave. S., Roxboro, Que.

We envy the members who were able to take part in the Milo Pearsall obedience clinic at Burlington, Vermont in June. They returned full of enthusiasm for the characteristically gentle but ingenious Pearsall ideas.

In less than a week, our dogs won three Highest Score in Trial awards. At the Ladies' Kennel Club trials at Ste. Anne de Bellevue, Helen McGill's Collie "Pal" from Lakeside Heights took top scores on the two consecutive days! This brings Pal's record to five times shown, five times qualified — with two highest and one second highest score in trial.

At Ottawa, Bob Williams' Min. Poodle "Mocha" walked off with high score of the day with 199 in Open A.

The "200" Club provided the stewards and equipment for the Ste. Anne trials. The winter's stewarding course paid off as under the Chief Stewarding of Vic Madge the judging started and ended on time and everyone in the ring seemed to know what they were there for. No complaints were heard about the equipment which was in tip top condition looked after by Bob Williams.

After the long down in the Open class a scrap developed between two of the dogs which left the owners and other exhibitors a lot more agitated than the two combatants.

Undoubtedly this incident made clear to many of us that we are training dogs not humans and that we as the humans are responsible for seeing that all precautions are taken to avoid such a clash. Theoretically the two dogs were no longer "under control" as the exercise was finished and owners were praising their dogs. This all boils down to the old bromide — keep your dog strictly under control until you are out of the ring. Anyone who has read Konrad Lorenz's books remembers that a "challenge" between dogs can be so subtle that humans could rarely detect it.

Although marred by rain our picnic lunch — mock trial was well-attended. Thanks to the Dempsters of Hudson for their hospitality. Between downpours the judging went on with our Basset friend "Beau" and Petitcote Poodle "Vivant" earning tie scores of 194½ in Novice.

We were very pleasantly surprised and pleased to see Mrs. Bryson back with us again after her recent hip operation.

Outdoor practices are continuing through the summer at two Lakeshore locations so our dogs will have no excuses come next Fall. Members are going off on informal tracking jaunts with several new trackers reported doing well.

Truro Kennel Club
by Phyllis A. Gratton
P.O. Box 186, Truro, N.S.

Several times in past years history has been made at the Truro Kennel Club's shows when dogs of the rarer breeds have won the supreme honor of BIS and this year was no exception. Full results will be found in The Canadian Kennel Club show report.

The show was held in the Canadian Legion Hall with both the main floor and basement being utilized. Every effort was made to assist the exhibitors and make their stay enjoyable. The Legion Auxiliary supplied delicious full course meals and canteen service was available. The President, E. R. Pace, introduced Truro's Mayor Hector Hill who extended a hearty civic welcome to all out-of-town exhibitors and invited them to return to Truro the first week of August to join in the Bi-Centenial Celebrations. The show was the most successful ever held by the club and as soon as the "after the show" duties are completed the club has plans for several new ventures which it will announce in a later news report.

SIEGER SHOWS ARE DIFFERENT

enter into preparing bitches for exhibition in this show and good-producers may not always appear at the Sieger show due to the extensive training required for those to be considered for Siegerin. The experience of attending one Sieger show would be rewarding to most serious American and Canadian breeders and would help to clear up the misunderstandings that our goals are so widely separated.

Basically our dogs and our standards differ very little. However, our approach to breeding and our requirements of the breed differ considerably, I feel. My impression was that it is not that German dogs are better structurally or temperamentally than are ours, but that the German owner does more for and with the dogs than we do. We may give our dogs more plush living, most of us pamper our dogs unmercifully, but our quick-minded, highly intelligent German Shepherd Dogs suffer from soft-living physically and mentally. They do not have enough to do with the assets at hand. The German dogs appeared to me to be well-cared for but not over-fed, beautifully trained, strictly controlled, conditioned in body so that they were untiring when gaited for hours. The owners impressed me as almost fanatical in their devotion to the breed and to the club. Not only were the dogs' performances testimonials to continued breed progress, but were also evidence of conditioning (an aspect of breeding and showing many of us neglect). The stamina of the handlers, good sportsmanship of all, and over-all atmosphere of breed unity were most revealing.

I cannot feel that our good dogs need take a back seat to those bred anywhere; neither structurally or temperamentally can they be considered inferior. However, we do permit softness

to creep in, mainly because of our own laziness or lack of time. How many of our breeders work their show dogs five miles a day year in and year out? How many breeders could keep up with the dogs at a slow trot for a five mile jaunt each day? There, perhaps may be the solution. All dogs at the Sieger Show were in top physical condition—and so were the handlers. Even the youngest "Jugend" knew what was expected of him and he tried very hard to perform at his best.

In judging there were no temperament tests other than the test for gun sureness in the two classes for the dogs from one year to two years. I saw no dogs making attacks at judges. I heard of only one and that dog was immediately dismissed. I saw no quarreling among dogs in the ring and no more than would be customary at any show outside the ring. The dogs behaved as dogs anywhere would. Some of those tied behaved badly, others paid no attention to anyone or anything passing. I could not say that because these were highly trained man dogs they behaved differently. I did have the feeling, however, that if any person were foolhardy enough to reach out to any of these dogs he deserved what he got. I did not pet a single dog in my three weeks in Europe.

The Sieger Show brought me to this conclusion: There are two differences between our dogs. First, in Germany physical conditioning through exercise and under-feeding results in dogs with more ability to gait untiringly for hours at a time. Second, the mental attributes of the German Shepherd Dog are kept sharp with tough training, including man work. Most of us over-feed and under-exercise both ourselves and our dogs, and we reap the results. On this continent we do not need our dogs trained for man work except in special fields. However, in order to perpetuate the special mental qualities inherent in our breed we should give our dogs mental work more challenging than fence chasing the dog in the pen next to him all day long. The small list of Ch. UDT dogs attests to the fact that we are not making the most of what we have.

SOUTHERN TIER SHOW

Did you know that this year's Southern Tier Show at Hornell, N.Y., slated for August 21, is dedicated to Arthur Godfrey? He is the third individual to have the show dedicated to him. First was the late Babe Zaharias, second was the active Jack Baird.

This show again is known as the Damon Ruyon show and is dedicated to the cause of fighting cancer.

The Southern Tier show is always attended by a great many Canadians and the ceremony of the raising and lowering of the colors of both countries is impressive.

The top scoring dog in Obedience receives the Jack Baird Challenge trophy, to be won three times. It is put up by Mrs. Lucille Winter. Two legs have been won by the first dog to be a champion in both countries and also have all four Obedience degrees — Dr. R. J. H. and Mrs. Stanton's Miniature Schnauzer, Ch. Jonaire Pocono Rough Rider, UDT.

BEST OF VARIETY

It's a Dog's Life

A couple of our neighbours with two Collies tried for half a day to round up a heifer gone wild in the woods. The Collies could not handle her, and she would charge both men and dogs. Finally the owner asked if we would try our German Shepherds. My son went along, taking with him my stud dog Baron and his son Shep. After receiving a vicious kick from her which really put him on his mettle, the Baron drove the heifer out of the woods, only to have her charge a man standing in the field. Sensing the danger, this powerful Shepherd clamped his jaws around the heifer's leg, upsetting her. He held her down with the help of Shep, who grabbed the other leg until the men got ropes on her.

Once again, "hats off to the dauntless courage of the German Shepherd."

Owner: "How much do you charge for clipping a Poodle?"

Specialist: "Twenty-five dollars."

Owner: "Twenty-five dollars for this tiny puppy?"

Specialist: "Would you rather wait until he grows a little larger?"

Joe: "Say, Bill, did you tell your wife you insisted on her grooming the dogs for a change?"

Bill: "Certainly".

Joe: "How come you're still doing the work. Didn't you get any results?"

Bill: "Sure I got results. What do you think of these new trimming scissors?"

GIRL'S BEST FRIEND

Stephen Baker, art director for a major advertising firm and author of the new book, "How to Live with a Neurotic Dog," believes the dog is woman's best friend as a replacement for the old-time marriage arranger. He believes the best investment (especially in Leap Year) a girl can make is a dog.

"If a girl and her dog meet a bachelor out walking his dog, the twosome at once becomes a foursome," he points out. "It's not a pickup. It's just one dog greeting another. The two dogs will immediately engage in a conversation. Dogs always seem to have plenty to talk about — more than people do. Right away the man and girl have something to talk about — dogs. These chance encounters can easily flower into love and marriage."

It is important, he adds, that a girl pick a pooch that best suits her own personality first, then consider the type of man she wants to meet, i.e. "if she wants to appear intellectual and philosophical, she can't do better than a Dachshund."

It was a dry hot summer. The tourist stopped for gasoline and asked for a drink of water. While he drank he admired the garage proprietor's Labrador Retriever.

"This weather sure makes a man thirsty. Doesn't it ever rain around here?"

"It's dry, all right", came the reply. "Sadie, here, doesn't think her puppies will even get to learn to swim this summer."

Death on fleas and ticks and a deterrent in itching fungus and many harmful bacteria is Sergeant's new Flea and Tick Spray. Also said to help stop doggy odors, repel insects, and sooth burning skin.
