You should know this doctor better

He's a Doctor of Veterinary Medicine, a qualified counsellor on the care and feeding of your dog. To a veterinarian, animal medicine is more than a career or profession. It's a way of life. In addition to an intensive five-year course in Biology, Pharmacology, Pathology, Nutrition—and other science subjects your own doctor studies—he brings to veterinary medicine a priceless asset: his love and affection for animals and a deep concern for their health. Your dog's best friend, the man to turn to for professional advice, is your veterinarian.

Cover Story

The exquisite Toy and Miniature Poodles shown on this month's cover are obviously the pride and joy of someone who knows Poodles. Phyllis Walker, who with her brother Peter Walker has recently opened the new salon, Le Chien Elegant in Toronto, is the owner.

Miss Walker began her career in England with the well-known Hawkrigge Kennels in London. This enterprise was in a section frequented by dog-loving titled people and in the course of her years there she beautified and sold pets, including a Pug to the Duke of Windsor. She has also trimmed a Sealyham of the Queen of the Netherlands during her stay in London as Princess Juliana. Prince Bertold of Sweden brought his big black Standard Poodle who was trained to guard his royal master. It was necessary for the Prince to order the dog to "stay" (which it did, like a statue) and remain at his side throughout the trimming.

Miss Walker, with Michael Karageorgis, started Toronto's first Poodle specialty salon. This partnership has now been dissolved. In her new enterprise she is catering to all breeds.

Now showing under the prefix Ma Griffe (my seal) she has taken three dogs to their titles during 1960: Ch. Jay's Ma Griffe, imported silver Toy (popularly known as Peanuts and a great favorite as a receptionist at the salon), Ch. Karas Caramel, brown Miniature female and Ch. Karas Punjab, brother to Caramel who gained his title at just under 20 months. The latter two were sired by Ch. Firebrave Juba. Merymorn Taree, who completes his show career this year, is a silver male Miniature. A younger silver female will be making her puppy debut this Spring. The piece de resistance of Miss Walker's program is Karas Buccaneer, (sired by Can., Am. and Bermuda Ch. Poodhall Gus and Ch. Firebrave Honourine — and a relative of Juba) who will also make his debut this year.

While Miss Walker breeds almost entirely from her own stock, little "Peanuts" was imported expressly for improvement of the Ma Griffe stock and is expecting puppies before long.

WATCH THE GRAVY GROW

The first dog food ever to make its own gravy has been introduced to Canadian dog owners by General Foods, Limited. Called *Gravy Train*, the new product is basically a "dry" meal type dog food but becomes a "wet" food with the addition of water.

To prepare, warm water is added to the chunks of Gravy Train and the mixture is stirred to produce brown gravy. The result is a dish that looks and tastes like beef stew.

Many users find Gravy Train pellets serve as a treat or reward, simply given individually to the dog to chew.

FROM THE EDITOR

Canadian dogdom suffered still another blow when Mr. John Daniell-Jenkins lost his life in an automobile crash December 4, near Altona, Ont. Well-known for his devotion to dogs (Mr. and Mrs. Daniell-Jenkins have been highly respected for years for their Kennels of the Rouge Bullmastiffs, Papillons and West Highland White Terriers), he was equally regarded for his work with many service organizations.

His unique personality prevented him from letting anyone know of his great heart. Many people in the dog world have found the Daniell-Jenkins the first on the scene, not only bringing help and comfort at the time, but for many months following. It could be said that he was dedicated to the relief of suffering. Among the organizations in which he served: The Canadian Cancer Society, the Red Cross, the local Lions Club (which made him a charter member). He also helped found the Canadian Foundation for Poliomyelitis. He was a member of the Pickering Rod and Gun Club, a director of The Canadian Kennel Club for a number of years, was first president of the Honourable Company of Bullmastiff Fanciers in Canada, a member of the American West Highland Club, of the Papillon Club of America and the American Bullmastiff Association as well as many Canadian show-giving clubs. Mr. Daniell-Jenkins was a grandson of the late Lord Glantawe of Swansea, Wales. Following studies at New College, Oxford and Inner Temple, (law) London, he served with the Sixth Battalion, Welsh Regiment in Wales and with the RCASC in Canada, with the rank of captain, in World War II. He also served as an officer instructing in the Sea Cadet Corps. A world traveller, he found the quiet of the Rouge Hills area to his liking. For a time he was on the city desk of the *Toronto Telegram*.

Deepest sympathy is extended to his wife, Dorothea, his daughter Mary (Mrs. Keith Balsdon) and grandson.

The flying rumors gather'd as they roll'd,
Scarce any tale was sooner heard than told;
And all who told it added something new,
And all who heard it made enlargements too.

Pope — Temple of Fame.

The recognition of New Year serves as a time for reflection — a time to consider that here before us lies a clean slate. A truly fresh page that has upon its face no trace of anything that has passed before . . . One shadow which can mar the new year is a residue of unfounded rumors.

It has come to our attention that a misunderstanding apparently exists in the minds of some regarding our reporting and attending the Bermuda shows . . . Your editors were invited to Bermuda in 1958, 1959 and 1960 by the Bermuda Trade Development Board as its guests. Rumor would suggest something to the contrary. An American publisher attended this year on the same basis, as well as a representative from a large-circulation American magazine not totally connected with dogs, and a well-known photographer of dogs. This is an accepted method of recognizing, by companies, governments and others, the part members of the press play in their operations.

The space the young Bermuda shows receive in this publication has been questioned by a few. This club is young, eager, willing to make great personal sacrifice to get their shows on a sound basis. They provide unlimited picture material. They have gained international respect for their high standards and great efforts and deserve support. They are an extension of the Canadian dog interest, providing an increasing market for Canada's purebreds. They look to Canadians for leadership and advice and have boundless admiration for what Canadian dog breeders have accomplished.

Rumor also infers your publishers ignore shows in Canada . . . We give coverage of all Canadian activities — not conformation shows alone — in proportion to material received. One of the largest shows in Canada did not have a photographer in attendance. Nor has a word come from the greatest retriever event in Canada. Here and in the United States, this is a responsibility of the show-giving clubs. It would be impossible for any dog magazine to furnish photographic services at every show. This has been stressed editorially by your publishers on numerous occasions. Automatic coverage of wins, of course, appears in the Official Show and Trial results. Unlike the policy of other dog publications, *Dogs in Canada* publishes Best in Show photographs free of charge. Other wins are reproduced at a very low rate.

Our wish for the New Year is that we may be able to advance your interests and provide an even better Canadian dog magazine and that all of us may enjoy health, happiness and success.

Many thanks for the many heart-warming greetings from individuals and clubs from coast to coast in Canada and from other countries. Some of the cards were outstandingly clever and original in depicting the senders' own dogs or breeds. The messages will spur us on to greater endeavors for 1961 . . . Coming: starting with February a new column, "You Were Asking" — questions on care and health answered by veterinarians.

Note these special numbers — *February*: featuring *Dachshunds*. *March*: the Annual Honor Roll of 1960 champions and title winners in Obedience and Field Trials, and featuring the Samoyed. *April*: the annual issue spotlighting the breeds of the Toy Group.

says Ch. Siegfried's Hans of Munich

Champions agree that a dog needs to chew, for healthy teeth and gums. But he doesn't need the splinters or upset digestion a real bone can give. That's why Milk-Bone, with its firm bone-shape, is just the ticket. Milk-Bone gives a dog all the nourishment of milk, meat, bone-meal and vegetables.

Whatever else your dog eats, he needs Milk-Bone to satisfy his bone-hunger. Get Milk-Bone in the size that suits the size of your dog—regular or large.

Compact energy for working dogs— PURINA DOG MEAL

Formerly called Purina Kibbled Meal—(the *only* thing changed is the name,) Purina Dog Meal is well known to Canadian kennel owners. For years it has been a favorite with many breeders and owners of dogs with high energy requirements. Purina Dog Meal is a highly palatable mixture of pelleted meals, flakes and expanded particles that mix readily with any liquid to make a food of hamburger-like consistency.

- favorite as the base of kennel mixing rations
- completely balanced food when mixed with water
- highly concentrated source of energy
- excellent for maintaining energy requirements of dogs working hard

Purina Dog Meal is sold exclusively in Purina Feed Stores in 50 lb. and 25 lb. bags.

PURINA DOG MEAL Compact, Highly Concentrated

Working dogs need the high energy values in Purina Dog Meal. Dense and compact in form, it mixes readily with any liquid.

Manufactured at Woodstock, Whitby, and Montreal.

RALSTON PURIN

SPECIALIZED DOG FOODS!

Lighter, tastier — keeps dogs trim
PURINA DOG CHOW

Sensational New Purina Dog Chow has sky-rocketed into being the largest selling dog food in the world. Produced by Purina's own expansion process, it's light, bulky and extremely tasty to dogs—preferred 5 to 1 by dogs in actual taste tests!

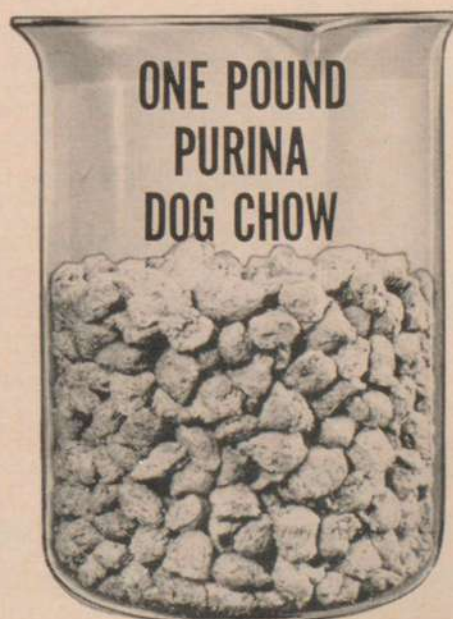

- offers top nutrition when fed as directed. No soaking required.
- may be fed dry or moistened with water, milk or broth. Absorbs liquids instantly.
- can be self-fed. Light, easily digested, it won't pack down in the feeder. Dogs seldom over-eat.
- easy to store. No odor problem in the home.
- excellent keeping qualities.
- sold in 5 sizes: 2½ lb. box, 5 lb., 10 lb., 25 lb., and 50 lb. bags.

There is only one new Purina Dog Chow. Heat-treated under pressure, then exploded into crisp, meaty nuggets of nourishment, it's literally bursting with flavor. Sold through Purina Feed Stores, groceries, supermarkets and wherever dog foods are handled.

PURINA DOG CHOW Light, Appetizing, Nutritious

Contains all 43 nutrients dogs need for spirit, strength and glossy coat. Provides a better balanced daily diet than most humans get.

Manufactured at Clarkson, Ontario.

MORE ON CRUELTY

... Regarding "These Things I Saw", it is absolutely appalling and sickening that such premeditated cruelty is being condoned by educated Christians in this day and age. The very idea that technicians with no training are allowed to "practice" on living dogs is unbelievable; also the idea that these poor animals are deliberately "conditioned" to pain and scream only when it is more than they can bear, makes us ashamed of the human race! ...

The editors of *Dogs in Canada* are to be congratulated for printing this article and bringing these conditions to the public's attention.

IT REALLY PAYS

... Within the last three months, thanks to "Dogs", I shipped a Boxer pup to Whitehorse, Y.T. The pup arrived fine, both TCA and CPA doing a wonderful job of delivery. It was a distance of 3,400 miles, and I am very pleased.

We also shipped two Boxer pups to New Brunswick and one to Nova Scotia ... So we really feel that our advertisement in *Dogs* is a good buy. Keep up the good work.

NEVER GIVE UP

... On January 5, 1957, Ch. Fireside Chat of Blossomlea made a dramatic entry into the world at 2 a.m. when the temperature was five below during a snowstorm. Her mother, Ch. Chataway, a lady of the Victorian era, accepts being hurled into maternity with placid Victorian resignation, and is distressed when in labor at any intrusion upon her privacy. As I don't agree with "nature taking its course" I cut a hole in a newspaper and hold it up in front of my face, watching the progress of the births through this hole, meanwhile respecting privacy.

Fireside Chat was born dead, to all intents and purposes. I worked on her, doing everything I knew, without results. Regretfully I wrapped her in paper and put her in the waste paper basket. Two pups later, a gurgle and a gasp came from the basket. I crossed the room so quickly I nearly fell on my face, opened the paper where she was alive and kicking. The resuscitation began all over again and finally after dashing good old Mountain Dew on the roof of her mouth she decided this was the life.

From her earliest she gaited and moved like a train, high-hatted and beat up her brothers and sisters, hence her name "Snookie Puss". As a pup she "beat the band" at Detroit June 4. This year she crowned her career by going all the way (Best in Show) at the Progressive Kennel Club Show, Toronto, under the Judge Dr. Wilfrid Shute. Best of all, in my book, she is a top producer. Moral of this story is, "Never Give Up."

In breeding...

where it is the aim of every breeder to produce the best, experience is invaluable. In the production of canine vaccines, too, where the aim is safety and reliability, there can be no substitute for experience.

No laboratory in the world has the length and breadth of experience of research into canine diseases as the Wellcome Research Laboratories. There, over thirty years ago, the first Laidlaw and Dunkin distemper prophylactics were produced—the first in the world to be issued on a commercial scale. From this beginning came 'Epivax', now relied upon throughout the world for its safe and efficient protection against the canine distemper complex.

If your puppies are unprotected, see your veterinary surgeon for advice about vaccination with 'Epivax'.

Maritime MEMO

by VALERIE H. McMILLIN

Topsail Boulevard, Dartmouth, N.S.

We are offering congratulations again — *Joyce and Andy MacKenzie* (Kintale Kennels), write that their young Newfoundland dog has now topped all others in the breed as the "winningest" in Canada: Ch. Kintale's Schooner Bounty has seven Group firsts and a BIS heading a long list of wins; from the same kennel is another homebred, Ch. Marshview Crown Prince, a German Shorthaired Pointer who is also the top winner in his breed.

Lois Burpee is immensely proud of her Great Dane, Ch. Dane-Acres Challenge. He was taken into the woods to find a badly wounded deer shot the previous day. He found the deer a mile and a half from the site of the mishap and the animal was put out of its misery. The amazing thing was that the Dane had never been used to hunt, yet his natural instinct told him where to find his quarry; even after all the domesticity our working breeds can still do the job, given the opportunity.

Pearl and Edison MacNeill (Penhorn) returned from their holiday in the U.S. with Am. Ch. Kingsley's Crinoline, a Parti American Cocker acquired from *Clinton Callahan*. Another import from England — is a Welsh Corgi, (my informant didn't say whether Cardigan or Pembroke) *Helarian Tell Tale*, aged three months, arrived on board HMCS Haida with *Lieut. Molliet* of Bedford.

Talking of shows, *Shearwater KC* are to start things off for 1961 with the first Maritime Championship show. It looks as if even more shows are in the planning stage for the Atlantic provinces than 1960. There have been two recent Sanction shows, both well attended, top honors at each went to *Buchanan Crest Prince*, a German Shorthair Pointer owned by *C. B. Robinson* of Kentville.

Bill and Marion Mitchell are well pleased with a litter of Standard Schnauzers from their two imports from England; this must be the first Canadian-bred litter for a good many years.

Mrs. P. A. Margeson, sometime CKC director for the Maritimes, and an outstanding judge, is in hospital. She has been in poor health for some time and everyone wishes her a speedy recovery. Also in hospital is *Mrs. Doris Hubbard*, who, with her husband *Lloyd* imported last year a nice brindle Boxer from Germany.

Joan and Don Thomas of Prince's Lodge (Valjodo Chihuahuas) are immensely proud of their first baby, a daughter born December 9. Congratulations.

Book Review

This is the Chihuahua, by Maxwell Riddle, Sterling Publishing Co. Inc. \$4.50

Well-known to Canadian dogdom, Max Riddle is considered the world's leading authority on the Chihuahua. This well-known journalist and judge spares no effort in his research. Tracing the history of dogs in the Western World, he studied Spanish in order to read the accounts of Columbus and the Spanish Conquistadores in their own language. The results of the research are manifest in this book.

Profusely illustrated, this work is respected as the most up-to-date book ever published on the Chihuahua.

The Chihuahua, by Russell E. Kauffman, General Publishers, Toronto \$4.80.

This smallest of the canines has as its background one of the most glamorous, mysterious stories of all canine history. Named after a northern Mexican province where it is never found . . . direct descendant of a dog five times its present size . . . only breed of dog native to America which was here in pre-Columbus days . . . an avid hunter, though its prey of the moment might be a month. Its story is told here, with valuable chapters on type breeding, judging, showing, contained in 29 chapters with 129 illustrations.

The Biggest Dog in the World, by Ted Key, Clarke Irwin Co. \$2.95.

The Jackson family thrived on the maxim, "stand firm and think big." Violet, a gentle kindhearted dog who adored people and cars, went right along with the family philosophy. She thought big until she was 30 feet tall (although secretly she still considered herself a lap dog). Delightfully illustrated by the author who is the famous cartoonist featuring the enterprising maid, "Hazel".

Cairn Terriers, by Hector E. Whitehead, British Book Service (Canada) Ltd. .95c.

This handy little book not only relates the Standard, but gives good advice on how to buy a Cairn, how to raise the puppy, and when the time comes, how to show. The final chapter deals with breeding for show material.

What Dog for Me? by Robert V. Masters, Sterling Publishing Co., Inc. \$3.00.

This book is primarily for the would-be dog owner, although anyone else would find the material on more than 120 recognized breeds both interesting and useful. Profusely illustrated (many photographs in color) each picture shows the characteristics of the breed — size, color, long or short hair.

Training the Hunting Retriever, by Thomas R. Cofield, D. VanNostrand Co. (Canada) Ltd., \$5.75

The latest and most talked-about book on training retrievers, this valuable work deals with the Labrador, Chesapeake and Golden: every single step from buying a puppy to turning out a finished retriever for land and water. Mr. Cofield recognizes that every dog is an individual personality and must so be treated.

WINTER OBEDIENCE TRIAL

Obedience trials can be held the year round and when combined with innovations are fun for dogs and people, as this club proved.

The Burlington and District Kennel Club's Ninth Obedience Trial was held Sunday, December 4. This date, a month earlier than usual, was chosen because the committee felt that the weather in December would probably be better than later in the winter. And they were so right. We did have a clear, sunny day. Entries totalled 58 dogs and came from the states of Pennsylvania, New York and Michigan as well as from all parts of Ontario.

Winners in the various classes were as follows:

Utility won by an American Cocker owned and handled by Mrs. Harry Cole of Ancaster. *Open 'A'* won by a Miniature Poodle with a score of 191½, owned and handled by Mrs. Elizabeth Frazier of Buffalo. *Open 'B'* won by a Shetland Sheepdog with a score of 196, owned and handled by Mr. Norman E. Wurtz of Buffalo. *Novice 'A'* won by a Welsh Corgi with a score of 198, owned and handled by Mrs. R. N. Harvie of Barrie. *Novice 'B'*, a Weimaraner owned by Dr. W. C. and Mrs. Margaret H. Meminger of Erie, Pennsylvania, handled by Mrs. Meminger, scored with 199 tied with a German Shepherd owned by Mr. V. Alksniss, handled by Mr. Helmut Weller. The run-off was won by Mrs. Meminger and her Weimaraner which was also high score for the trial.

This is a repeat performance for Mrs. Meminger. Handling the same dog, she took high combined score at our double trial held last June. A fine record for a good dog!

Trophy for the highest scoring dog entered from the Burlington and District Kennel Club was taken by Mrs. W. H. Richards, our new Membership Convener. Her German Shepherd, "Rex", scored 194 in the Graduate Novice class. Rex was recently in a collision with a truck and we are pleased to see him recovered sufficiently for trial work.

Trophy for the highest scoring student was won with a score of 179½ by a Golden Retriever owned by Mr. Jim

Taylor and handled by his wife, Olive. This marks a number of firsts for the Taylors. The first dog they have trained in Obedience graduated handsomely after her first series of training classes, to go on a week later to pick up her first CD leg in her first trial. Very commendable work.

The Graduate Open class was won by a Standard Poodle owned by Mrs. Jean Zvonkin of Hamilton, handled by her husband, Mr. Abe Zvonkin.

The 'hodge-podge' class was won by a Boston Terrier owned and handled by Mr. J. Giacomelli of Stoney Creek. Our 'hodge-podge' class was an innovation. It consisted of scrambled exercises, that is exercises chosen from the three classes of Novice, Open and Utility. As the handler entered the ring an envelope was chosen from among a number of similar envelopes each containing a list of exercises which the dog was to perform. For example, the Boston's list comprised the heel free Open, Novice recall, Utility seek back, Open retrieve over high jump, Novice long sit and the Utility group examination. It was easy to see (particularly on recall) that dogs, like people, are quick to forget the basics. For proof of 'people-forgetting' ask any engineer to put away his slide rule and calculate the square root of a five-figure number the way his Grade X son does. Chances are he's forgotten how unless he has been helping with the homework. Anyway the 'hodge-podge' was great fun for everybody and a happy finale to another good trial.

Alan Sharp Returns

We are pleased to announce that commencing with the February issue Alan Sharp returns as editor of the department "Around the Obedience Ring" after a brief absence.

Readers are invited to continue sending their opinions to questions posed in "What Do You Think?"

SKYES IN CANADA

by Mrs. R. Percy Adams

Talisker Skyes Reg'd., Ste Agathe des Monts, Que.

Owning one breed for over half a century is a long time — breeding and exhibiting one breed for that length of time must be quite unique. My first Skye came to me as a gift from Oban, Scotland when I was a little girl way back in 1904. Oban Jock was a loved pet. Several years later a friend who came to visit from Scotland said, "I will send you a really fine brace of Skyes of whom you can be truly proud". The Talisker Kennels (named for a small village on the Isle of Skye) were started when Talisker Prince and Talisker Belle landed in Montreal. Our first litter, I think of seven, arrived in the winter of 1909. In 1910 the late Mr. Ormiston Roy took Belle and Prince to the Westminster Show in New York (entered in the name of my father, S. B. Townsend) where Belle defeated Prince and won Best of Breed. This brace had a number of litters and they and their puppies were shown extensively at Montreal Shows (our first show was in 1909 when Oban Jock won the blue ribbon at the Carnival Dog Show at the old Victoria Rink). Many were sold to homes in Ontario and Nova Scotia. I was so delighted to win the Norman K. Swire Memorial Trophy this past Autumn with Ch. Taliskers Fairy Wonder. Mr. Swire bought a Skye from me about 1919 for Miss Clark, daughter of the late lieutenant-governor of Ontario . . . The late Bob Ross and his wife were my idols as dog experts in the early days. I used to watch them grooming and training their Scotties and Irish Setters for the ring and would try to do the same things with my Skyes, not letting them know I was trying to copy them.

None in my family was interested in my dogs and how I ever managed to bring three, four or five dogs by express from Ste. Agathe all by myself, care for and exhibit them, I will never know. I learned everything the hard way, certainly. I can remember when I was very young trying to revive a dying newborn puppy by wrapping it in cotton batting and putting it in the oven of the kitchen woodstove — needless to say, it did not recover.

During all these years I reared many litters, but it was not until 1930 that I began breeding and importing in a large way and sending Skyes all over America and Europe. Talisker Skyes will be found in Ontario, British Columbia, Newfoundland, Labrador and in practically every State in the USA — also in Norway, Italy, Switzerland, France, Austria, Belgium.

Pictured here is the author with some of her famous Skye Terriers.

A few Skyes were known in the United States in the late 1800's, but I believe coat difficulties were their undoing. At this time a number were imported to New Brunswick and Nova Scotia. About the same period the Countess of Aberdeen, a great Skye lover, brought two to Government House in Ottawa during the term of office of her husband as Governor General of Canada. She had large Skye kennels, her stock mostly of the drop-ear variety in the Old Country. A little later Mr. George Caverhill in Montreal had a few fine examples of the breed.

It was not until the late 1930's that Skyes began to be seen in the USA in numbers. The Skye Club of America was formed in 1938 (of which I am a charter member). I then began to exhibit in the States with great success . . .

In all these years enthusiasm at Talisker has never dimmed. We are proud to have imported a number of England's finest Skyes in brood bitches and stud dogs. Ch. Merrymount Sunflower was said to be the finest Skye female in existence when she came to Talisker from England in 1953. Then came Eng. and Can. Ch. Alison of the Mynd, said to be the finest Skye bitch of all time. In all, 28 or 30 noted Skyes have come to Talisker from England and Europe over the years.

Scientific feeding and common-sense care keep all our little inmates in fine health — we pamper no one and love each one daily. Our kennels are in an old renovated 100-year-old barn. The interior is varnished knotty pine with varnished birch plywood divisions and varnished hardwood floors. Each pen approximately eight feet long with a

removable shelf edged with a band of iron at the end for a bed (the youngsters love to chew aluminum). We have 35 large outside runs and three covered runs for freezing rainy weather. During winter storms we use a gravel snow blower which blows the snow over the four-foot high solid partitions between the runs. After cleaning runs each day the refuse is put into deep covered pits and covered with lime. After two years this is removed to the garden compost heap as splendidly conditioned fertilizer.

This is our system: The Skyes are put out in all weather except freezing rain and in all temperatures down to 35 degrees below zero as long as there is no bitter wind. The dogs are put out at 8 a.m. when the kennel is scrubbed with hot soap and javel water. I prepare 60 individual plates of food, consisting of Purina, meat, Rex wheat germ oil, wheat germ meal, medicinal iodine drops, lard, cod liver oil, dried egg yolk powder, dried skim milk, brewers yeast, alfalfa meal. Twice a week, boiled pork liver. The puppies get Parrishes chemical food added to two meals of egg yolk, canned milk, Pablum and an extra can of meat later in the day. All the dogs get a large biscuit at night and once a week I buy 100 bones. The dogs are brought in at 11 a.m. for their meal and rest until about 1.30 p.m. when they are again outside until about 5 p.m., according to the weather. During these hours the 60 or more dishes are washed and some dogs taken by twos and threes for free runs over the lawns and fields when many of them swim in the lake. Skyes love to swim).

In addition there is the matter of caring for several litters of puppies:

feeding them four or five times a day after they are four or five weeks old, keeping the whelping boxes clean and sweet and pampering the little mothers just a little bit. Skyes generally have five, seven or nine puppies. They whelp easily. My puppies are generally whelped in my own house in the sunporch and kept here for five or six weeks. During this time I sleep on a chesterfield in my living room to make sure the puppies are kept warm and nursing well and that the mother can be put outside several times during the night. I use a large infra-red light bulb attached to the ceiling of the whelping box, about four feet above the puppies. This maintains a lovely warm heat.

I believe I am fortunate in having the only complete show and breeding records of all Skyes since they were first bred. Skye breeding is a life-long study and I wonder why some young interested Canadian would not want to benefit by my long experience and start to carry on from where I soon will have to stop. When I do, it will be sad to have all my work and study of the breed just melt away . . . I will always be more than willing to give any help possible and always welcome visitors to my kennels to see and learn about these magnificent animals.

I must give due thanks to the late Sir Claud and Lady Alexander of Ballochmyle and the late Miss Rosabelle Watson of Faygate, London for most of my knowledge (other than experience) of the Skye Terrier.

NUTRITIONAL BALANCE URGED

"Interest in the nutrition of the dog has seen tremendous increase," said Dr. W. A. Krehl during the tenth anniversary of the Gaines symposium held recently at Kankakee, Ill. Dr. Krehl is associate professor of Medicine, Marquette University.

Speaking on "A Decade of Progress in Nutrition," he stated: . . . "No longer are we satisfied to find and identify a vitamin which will correct a deficiency; we now want to know how this chemical works in the chain of metabolic reactions."

He scored raising the protein content of the diet of the dog as being as pointless as the horsepower race for automobiles, adding that protein needs to be geared to the amino acids they provide and those needed by the dog. When protein is used more and more as a source of calories, he said, there is biologic and economic waste. Balance in nutrition is the goal.

Dr. Krehl also emphasized the need for the use of nutrition in control of disease and said it is high time for a real push in that direction.

Sunday School Teacher: Evaline, why are you so late?

Evaline: I don't know, except I followed a slow Bulldog.

How To Buy a Schnauzer Puppy

The long-awaited book, *The Complete Miniature Schnauzer*, is well worth the waiting period and the price (\$11.50). Anne F. Paramoure, internationally renowned Schnauzer specialist, has gone into research which well accounts for the time required to assemble her findings. Virtually anything anyone could ask is entailed in this book. (Although one statement must be set right: "The United States is the only country in which the Miniature Schnauzer is classed in the Terrier Group." The Canadian Kennel Club places the breed in the Terrier Group as well).

This is a book which every Miniature Schnauzer owner should own — and every prospective owner. For the latter here is her guidance toward purchasing a puppy of this handsome, spirited breed:

Puppies at a younger age may be purchased at a lower price than a slightly older one — since at six or eight weeks the adorable youngster may be just average at six months or a year. It's a gambler's hope of picking up a "flyer" at a moderate price. On the other hand, in purchasing an older puppy, there is the opportunity of seeing how he has developed — with regard to whether or not the second teeth will prove him to be undershot, too long in body or other faults which may crop up later. A puppy may develop rapidly toward a championship specimen, only to "blow" when it is a young adult.

Choosing a puppy from six to 12 weeks is not easy, Mrs. Paramoure maintains, even for experienced fanciers, if it is show material you are looking for, since healthy puppies resemble each other very closely at birth, with real differences becoming apparent only as they develop.

Coat: at birth, the Miniature Schnauzer coat is short and smooth; at six or eight weeks the top coat (much darker than it will be later), begins to grow out. But look underneath the top coat — what you see there will very nearly resemble the shade of the adult coat.

Bone: good bone should be apparent at a few weeks of age. The legs should be bigger around in proportion to their size than that of an adult. Observe the front legs from the front: they should be straight. From the side, hind legs should make an angle at the hocks, "but a six-weeks-old puppy still tends to brace his hind legs under him a little to support the weight of the body, which is heavy in proportion".

Ears: correct ear carriage for an uncropped Miniature is a drop ear, like that of a Fox Terrier. Ears bend over close to the head until cropped (usually at eight to ten weeks old).

Whiskers: By six or eight weeks, the infant's whiskers should appear sufficiently to indicate whether or not he will have a good growth. Watch out for unusually well-developed whiskers and fluffy body coat — they are signs that the coat will

likely be soft. Preferable is a rather smooth, flat body coat which at this early age indicates a likely hard coat at maturity. Look out for too hard a coat and no signs of whiskers sprouting; the grown dog may be short on beard. "Big soft whiskers and a soft body coat are much more common faults at the present time than lack of whiskers and furnishings."

Eyes: look for dark brown eyes which are not too large or too round.

Teeth: Watch out for an undershot mouth (where lower teeth extend beyond the upper layer). At six weeks of age you should be able to assess this. Make sure front teeth do not exactly meet (they wear down too fast) but upper teeth should pass outside the lower in what is termed a "scissors bite."

What should you expect at the varying puppy ages?

"In general, the younger the puppy the bigger his head and the shorter his legs in proportion to his body. After eight or nine weeks of age the legs grow longer, the body loses its puppy roundness and compactness. By three months the puppy, already cropped, begins to look like an adult but on a smaller scale. From then on he grows bigger and usually lankier up to about four or five months. Then he begins to fill out again and by six months is often practically grown, though he may gain as much as an inch or more in additional height. Small puppies usually mature more quickly than larger ones and stop growing sooner . . . The larger ones still have a puppy look and need to tighten and harden . . . However, a more slowly maturing puppy may prove better in the long run and retain his quality to a greater age.

Temperament: On this all-important quality, Mrs. Paramoure advises: ". . . Be reasonable. Do not grab a strange puppy by the legs or the scuff of the neck and sweep him up into the air. Do not shout at him, stamp at him, or thump him down suddenly. Speak quietly, move slowly, give him a chance to sniff your hand. Pick him up gently, but firmly enough so he is not afraid of falling. Remember that he is just a baby and needs time to grow accustomed to strange sights, sounds and smells and to find out what they are all about." THE BEDLINGTON — at random

by BARBARA ANN QUIRK

"Boriska Bedlingtons" Ridgewood, N.J.

One has only to live a short time with Bedlingtons to find they are a dog of multi-character. For us it is just under ten years, and a more loving, stubborn, intelligent, whimsical companion would be hard to come by. Ours is a house-kennel (our home, their kennel) of five Bedlingtons and a huge Maltese cat named "Grogan" who is mother to all.

The fact that Bedlingtons do not shed at all is much in their favor as members of a household. One thing I must mention though is that, like the Poodle, an unkempt Bedlington loses all its elegance when allowed to go for any length of time without proper attention, this simply being a good combing once or twice a week and trimming at least every three months. Of course when showing your Bedlington the above grooming program is, of necessity, intensified.

The trimming of a Bedlington is really not hard, but like everything else that must look as though it is perfectly natur-

al, it takes practice and a good eye to achieve a fluid look rather than one done in separate parts and then assembled on the dog. Materials used for trimming a Bedlington are: scissors (for head, body, legs and feet); clippers (for ears, chin, neck, belly and tail) and, of course, a steel comb. For dogs that are being shown we find singeing their coats no less than a week before a show helps to give them a nice neat appearance.

Bedlingtons are quite adaptable too — playing endlessly and tirelessly in the snow with children all through the winter, then coming in to thaw out by the fireplace. When summer is here, to romp on the beach is great sport as long as they have a shady place to which to retire. It is said that Bedlingtons today no longer care to go near water as they did in the past. This may be true to some degree but we have one little girl who adores the ocean and on occasion has gone swimming with a field trained pointer in our nearby reservoir.

We were visited by a breeder from Holland last summer, who also raises racing Whippets (a Bedlington fore-bearer) and he told of starting a Bedlington and a whippet and of the Bedlington's ability to overtake the whippet on more than one occasion. We also know of Bedlingtons who will and can tackle anything from rats to full size raccoons and keep with it until the kill.

Many are the facets to a Bedlington's character and it is hard to picture the lamb-like creature at a dog show, looking so docile and elegant, possessing the same instincts as those just described, but they do and that is what makes them so fascinating.

Points To Remember in Buying a Cairn

According to Cairn specialist Hector F. Whitehead, it is conformation, not color that is important in purchasing a Cairn Terrier puppy.

Color for show purposes is no problem. Your Cairn can be of any color, except white. As to the fine points, the ears, muzzle and tail tip are more desirable in a darker shade.

When you're buying a puppy, watch for a plump one, plump like a baby, up to three months. If the Cairns you see are skinny, it's a warning of trouble. Do look for a dark eye. If you are buying a puppy for show, buy him early, but if for a pet only, up to three months is recommended. While the puppy should be plump, look out for the "pot-bellied" pup — this could be a sign of wrong feeding, over-feeding or worms.

While there are many fine Cairn

specialists in the world, few can match the record of Mrs. Betty Hyslop, Cairndania Kennels, Brockville, Ont. Mrs. Hyslop and Mr. A. S. Richardson, (Arthnell Kennels, Ottawa) have been responsible for the early start of Cairns in Canada. The former has made 50 Canadian and American champions, 54 Canadian champions and 53 American champions in Cairns alone. She obtained her first Cairn in 1929 and her first litter came in 1931.

Canadian dogs have climbed high in the estimation of American and English breeders as a result of the efforts of several of our fine Canadian experts. Mrs. Hyslop is one who deserves such credit. Her 14 Best of Breed wins in succession at Westminster is a record that has probably never been equalled — she has had a total of 17 Best of Breed wins at this show.

How To Choose Your Scottie

The Scottish Terrier is like no other dog, yet when many unknowing people spot a terrier of any breed, they exclaim, "What a nice Scottie!" Such is the popularity of this reserved lovable breed.

Even his eyes are different, and used differently. A Scottie always seems concentrated on something. He has a purposeful look, even if it's to move three feet either way. The widely-placed deep-set eyes look either straight ahead or down, casting over the ground where his work (when working) lies.

His legs are short, powerful. They are particularly heavy-boned for a dog of this size (height averages about 9½ inches). So important are the fore-quarters of the Scottie, the Standard devotes its longest paragraph to this portion. The neck, too, is unusually muscular, nicely proportioned and of a moderate length, set into a long, sloping shoulder. The brisket is unusually pronounced. The breadth of chest another of the typical characteristics. The elbows, viewed from the front, must not project outwards, nor yet be tucked under the body. In action they work fore and aft close to the ribs.

When you look at the side, the elbow joint is well behind the front line of the chest, allowing the forearm to descend vertically to the pastern and foot. Because of this construction, it is said that "in a good Scot there is almost as much of the dog in front of the forelegs as there is behind them." Although this is an exaggeration, it does help in forming the correct picture in the mind.

When you choose a Scottie, feel the forelegs. Even in an infant they will feel big-boned. They should feel round to the touch — never thin or flat. Actually the round feeling will not be due to the bone structure alone, but to the sinews and muscles on the leg. The forefeet, too, should be big for the size of the puppy, the pads thick and toes firm and well-arched. Watch out for thin flat feet or spread toes. And finally, the forefeet should continue the effect of a straight front by being turned neither inwards nor outwards.

Examine the ribs when you go over a puppy. They should be big for the size of the dog.

Feel their roundness as they leave the spine and flatten to the deep chest. To provide for plenty of heart and lung space they should be carried well back. Sometimes in attaining the shortness of back good ribs have been sacrificed. However, "it is more important for the dog to have good deep ribs carried well back, with a strong muscular loin, than that he should measure an inch or so less from his withers to his tail." The ideal, nevertheless is frequently attained — ribs excellent in depth and length, with a strong muscular loin, yet a short-backed, agile dog. Be on guard for too short a back, as with such a low build atop short legs, the free long-striding gait of the breed could be spoiled.

Australian Terriers At Home And Abroad

"AUSSIES", as they are affectionately referred to in Australia, have with the inception of the Australian Terrier Club of Victoria, some 15 or more years ago and with the help of a few enthusiastic owners and breeders, made fantastic headway in the Terrier Group and the dog world in general. The Australian Terrier Club of Victoria, Australia with the assistance of leading judges and the Kennel Control Council were, after the first year following the formation of this club, able to arrive at a Standard which would conform to the requirements of a pure breed; and on October 23, 1947, the following standard was adopted by The Kennel Control Council of Victoria, to which most successful breeders have rigidly conformed:

General Appearance: The Australian Terrier is a rather low-set dog, being active and full of courage. The body rather long in proportion to height, with good straight hair, the harsher the better. The ideal weight for dogs is 12 to 14 pounds. Females slightly less. Neck inclined to be long, but with a decided frill of hair. It is to be remembered that the Australian Terrier is a working dog and should therefore show intelligence and have a hard-bitten appearance.

Head: Head long with flat skull, full between the eyes, with slight stop. Soft, silky topknot slightly lighter than head color; long powerful jaw, teeth level, nose black, eyes small, keen and dark color.

Ears: Small, pointed, well carried and erect. Not too closely set and free from long hairs.

Legs: Forelegs should be perfectly straight, well set under the body with light feather to the knee, clean feet. Hind legs, good, strong thighs, slightly bent at stifle, and hock. Hock well let down.

Feet: Feet small, well-padded and with no tendency to spread.

Tail: Tail docked, set on high and

well carried, but not over the back or curled.

Coat: Body coat should be weather-resisting, about two inches long, harsh and straight, with short undercoat.

Color: (a) Body — blue or blue-black or grey-black with tan on face and legs. Tan, the richer the better. (b) Sandy to clear red. Smuttiness or dark shadings undesirable.

Faults: Undershot or overshot. Eyes too prominent or too light in color. Ears dropped forward, too large or rounded at point. Coat curly, wooly or silky (puppies excepted). White patches on chest or feet. Nose flesh-colored. Crooked forelegs.

This standard was adopted in full by the Australian Terrier Club of Queensland, Australia, by The Canadian Kennel Club and in the main part by The American Kennel Club. (CKC asks for "average weight about 10 or 11 pounds, weight from 8 to 14 pounds, height, average about 10", 8 to 12". — Ed.)

Australian Terriers, contrary to the numerous writings of people who hope to know the breed from hearsay, have been recognized as a pure breed for almost 100 years! Touching lightly on their background, one should remark that only pure English terriers were numerous in Australia as far back as the 1870's when "The Aussies" first originated. In the '70's the Australian Terriers, as yet unnamed, were classified in the "Any Other Variety", a few years later as "Hard-Haired Terriers" with the colors of blue and tan or sandy.

The breeds used to found the "Aussie", the old-fashioned Scotch Terrier who does not bear much similarity to his descendants today known as the Scottish Terrier, the Black and Tan Terrier with his fine bone, pricked fine ears and black and tan markings. The Skye Terrier and particularly the Dandie Dinmont Terrier. It is from the Dandie Dinmont that they have inherited their soft, silky top-

knot and breeders have developed the beautiful ruff, which makes the Australian Terrier so different from other terriers. With the improvement in length and texture of topknot, ruff and coat and the added height on leg to offset the crooked fronts inherited from their low-to-ground ancestors, they have still managed to keep all the lovable, intelligent, loyal characteristics in one small compass. "Never have there been so many fine qualities in one such small body". Quite definitely since about 1900 there has been no cross-breeding in Australia, but unfortunately this cannot be said for the breed overseas, where many exports have long since lost any resemblance either in character or conformation to our beloved little "Aussie".

With the exception of the undesirable color of chocolate with tan markings in the American Kennel Club Standard, no alteration has been made since the first foundation stock. This color which should be rigidly opposed by all true breeders was openly discussed in a recent issue of the *English Dog World* and the breeder stated that as three generations had now been bred, they could be registered as a purebred color. How naive can one get? The anomaly, I have been told, exists in England, whereby a dog may be inspected by three judges and if passed as a reasonable specimen of a breed, it may then be registered with the English Kennel Club. This could not auger well for any breed.

I had the very great honor of helping establish the Australian Terrier in Canada with the export from Australia of Int. Ch. Seven Oaks Rose Marie to Mr. and Mrs. D. Anderson of King, Ont. Rose Marie was the first dog of any breed to be exported from Australia to become an international champion. And in the United States it is again an Australian Terrier who had the great honor. Australian Ch. Seven Oaks Whisper, international champion.

TRIMMING THE WIRE FOX TERRIER

The Wire's coat should be trimmed to fit the dog — the nearer the fit to the natural body line, the better. There are many fine points in presenting any breed, but for the average person showing, perhaps the best study is to watch the best dogs in the ring, and keep a file of pictures of them from dog magazines. Your dog might not have the necessary hair where required but it will certainly serve as a basic guide.

Practice is the key. You might ask an expert to help you the first few times. It is in the fine points that most errors will be made. Here are some pointers by Mrs. T. H. Carruthers, III, writing for the Wire Fox Terrier Club of the Central States:

"Most novices leave too much hair on the hips, thighs and on the inside of the hocks, giving the impression of big hips and knock knees in a person. Too much hair on the front and sides of the elbows gives the impression of a wrestler, or a man upon whose head a bowl was placed and shaved around. When you leave all the hair in front of the hips on your dog, it is comparable.

"Take a sponge and soak him completely down. See how much better he really looks than you had supposed. Your Fox Terrier is not a freak but rather as fine a piece of canine anatomy as exists. Give him in his attire an even break."

Carla of Avandale who placed third; Art Moyer of Xenia, Ohio with Carmac Art's Starlight Girl; Julian T. Collins of Ravenna, Ohio with FT Ch. Apache Magic Clipper, 1960 National FT Ch.

The First National Championship Stake for Spaniels under CKC rules and regulations was held near London, Ont., Saturday and Sunday November 26 and 27. The event was sponsored by the Spaniel Field Trial Association (of Ontario) with the Western Ontario Spaniel Club as Host Club.

To be eligible, dogs must have placed first to fourth in an Open All Age Stake at a licensed trial during the past two years. This limited to 16 the number of dogs who were invited to enter, sent by registered mail from the CKC office. Of these nine dogs were entered, one of which was absent from the trials.

The balmy weather (exceptional for November) and light breeze made ideal running conditions. The spacious site at Wooded Children's Camp and perfect cover gave the dogs plenty of space to work. The pheasants, too, found the cover to their liking. They flushed fast and flew like wild birds, especially the pure Chinese cocks used for the final two series on Sunday.

Judges Howard A. Mesnard of Walled Lake, Michigan, and Orest Andrews of Sudbury had ample opportunity to give each contestant as fair and as complete a test as ever held. There were three land series and a water series held the first day. All dogs except one completed the four events, quality being

high. Marshall Maurice Martin from Sudbury kept the proceedings on the move with no annoying lags.

The new point system of scoring was used. Each dog being marked completely for every appearance in the field. Score sheets were passed to referee Stew Walton as soon as the judges were satisfied with a dog in every series. To save time, the referee double checked that all possible phases were marked, and totaled the scores for the judges. These scores were then posted on a board at the completion of each series. This way, handlers and spectators alike were able to see how the dogs scored. There was no need for second-guessing on the results.

After a hot lunch served at the Cobblestone Inn, Saturday afternoon began with the Water series. A good crowd, including CKC President Walter Brown and Vice-President J. MacCallum, gathered on the banks of the Thames River to watch. For this series, live pigeons were thrown low over the water, shot and retrieved. Each dog had two tests of his performance. Most of the large gallery also followed in the next and last, land series of the day. In this, one handler was disqualified and barred from the remainder of the trial for rough handling of his dog.

The good food never tasted better

than on Saturday evening, when some 40 handlers, friends and officials gathered for cocktails and the Field Trial banquet. Here too, the friendly atmosphere which was found in the field prevailed. A highlight of the evening saw Dr. William Coop of Brampton, Ont. present the greatly admired and enlarged Dr. Coop Challenge Trophy for pigeon conservation to Stan Welsh. He has no doubt added much interest to future Gun Dog Stakes. Speakers of the evening included Ted Haggis, chairman of the trial, the judges and President Walter Brown.

Sunday morning began cool and cloudy, but soon warmed up again. Unfortunately, two fine Canadian dogs broke at the start of the series, the first time down, and were eliminated. The remaining five completed that series, but the judges narrowed them down to three for the final series. These were run singly under both judges to complete the placing. Gunners Arnold Robb, Charles Smith and Merv. McGuffin once again rode the birds well out to provide good long retrievers.

Winner with 536½ points out of a possible 600 was AFT Ch. Apache Magic Clipper, English Springer, owned and handled by Julian T. Collins of Ravenna, Ohio. Runner up was Am. FT Ch. and 1960 Cocker National Champion Belol's Petey's Boy, owned by Dr. J. W. Menge of Detroit, Mich. Handler of this American Cocker was Clarence Wingate of Toledo, Ohio. The third place dog was FT Ch. Carla of Avandale, English Springer, owned and handled by E. H. Harding of Ohio. Winner of the J. J. Haas trophy for the Best Canadian-owned dog was Dunoon Diana, handled by her owner Dr. Coop.

Awards were presented at a smorgas-borg luncheon, served at the Darleen Motel. Field Trial Secretary George Tabner assisted Chairman Ted Haggis in the presentation of the large bronze shields and rosettes to the dogs which placed and the National Championship Button to the winner.

Member Clubs of the Spaniel Field Trial Association (of Ontario) welcome any clubs or individuals in other areas that are interested, to join in making the Association more widely represented in Canada.

It takes desire and determination along with other factors to carry out the All Canadian Fox Hunters' Association yearly program. Particularly with foxes as scarce as hens' teeth and when the program has been set ahead necessitating the holding of district qualifying trials in warm dry weather. These factors, however, were in evidence and the program was carried through to its logical conclusion with the staging of the great All Canadian CKC National Championship Trial in the St. Eustache area on October 7, 8 and 9.

THE 1960 ALL-CANADIAN

by E. D. BONNYMAN

As usual the All Canadian brings hunters together from the clubs throughout the circuit. From the Stratford area in the west to the Huntingdon area in the east and in between.

The Lake of Two Mountains Association was the host club. The Bellevue Hotel was headquarters and the hunters from the host club, headed by Otto Knechtel, Oliver St. Pierre and Charlie LeClair, proprietor of the Bellevue Hotel did all in their power to make the boys and gals feel at home. To Mr. LeClair must go the thanks of the All Canadian for the service and accommodation provided the hunters at his hotel. It was extra.

Thursday night was the "get-settled" period. There were folks from the Districts of Stratford, Kitchener, Oshawa, Kingston, Peterborough, Quyon, Ottawa, Spencerville, Lachute, St. Eustache, Montreal, Huntingdon and from all over.

First Day

The fundamental purpose of the All Canadian is to conduct an exacting high class championship Field Trial where the official championship of Canada is awarded to the winning hound. This is serious business and the approach that was in evidence at the first cast and at all times insofar as the field trial was concerned.

Tom "Senator" Bryson was Master of Hounds, Larry "Fiddler" Stark, assistant master.

The first cast was made and the Great 1960 — All Canadian Trial — was under way.

"There goes a fox, boy-o-boy — what fun we are going to have", exclaimed, in a hushed voice, that dynamic hunter Otto Knechtel, and sure enough there was a big fox streaking across the field. The atmospheric pressure was such that the scent pattern didn't stay put and old red won that bout easily on a technical knockout. The searching went on and on, foxes were jumped and run with a fair good cross section of hound performance secured and rated into scores. One look at the score sheet and one could easily

to Knechtel and Phil Marcell had been acting as Godfathers to two dens of foxes located nearby the old field trial grounds at Oka. They had the dens plugged bright and early and a lot was expected from this manoeuvre but fox hunting never does follow any blueprint and the hounds turned up their noses at plugged dens and headed for the tall timbers and orchard country of the old Oka grounds. Here they found foxes a-plenty and the running for the day was terrific. It was here that the judges excelled themselves — they travelled miles — kept on top of the hounds and came in with a book full of scores.

With the second day of the trial finished, hounds tucked away and the hunters relaxed just a little, the entertainment team took over.

Headquarters for social functions were at the La Londe's banquet hall West of St. Eustache, Oliver St. Pierre was looking after the pain reliever stuff, "Fiddler" Stark was a-pushing a wicked bow, "Caller" Duck Trudeau and Al Watson were a-calling and the boys and gals

trial.

The hind leg of the leading hounds up to that time may slip just a little. Perhaps some hounds are just starting to come into their own and the picture can change quickly. Those judges are keen men and are only influenced by hound performance. They had their pencils sharpened and they were in the field and respective territories bright and early and the last day of the trial was under way. Again old red was aroused from his lair and again he broke cover with the pack right on his heels.

Judges were moving in on that one with pencils just smoking. However, as the day moved on, dry leaves of the hardwood country and higher temperatures, running conditions became all in favour of the hunted. However, those hard-hunting, determined hounds kept on going while a number succumbed to the sweet morsels of food, that had, unfortunately, been deposited on the town dump over the weekend which, of course, was their undoing.

The All Canadian Banquet

The All Canadian banquet is one of the highlights of the whole program. It is here that the results of the trial and the All Canadian CKC National Champion is announced and prizes, ribbons and trophies awarded.

The "belles" of the ball, runners-up to the queen, were all gracious ladies who had made a great contribution to the All Canadian. The crowns, and they were crowns in the form of beautiful mink hats donated by O. W. Knechtel, were presented to Mrs. O. St. Pierre and Mrs. Angus McDermid. L. Stark, Assistant Master of Hounds, acquainted hound owners with the cold hard facts of field trial competitions. The 1960 CKC National Champion, stated Mr. Stark, is Leadaway Jack owned by Mr. John Puschar of Kingston, Ont. Mr. Puschar received the congratulations of every one present, and in addition to winning the "big honor" the second HGA hound also belongs to Mr. Puschar.

(Continued on page 44)

Triumphant pair, John Puschar of Kingston and Leadaway Jack are shown with their collection of trophies following the 1960 All-Canadian.

DOGS and PEOPLE

In Birmingham, England, Mrs. Connie Page spent the equivalent of \$12.00 for an old lamp post to replace the old fashioned one that had stood for years just around the corner. Her German Shepherd, Rex, regarded it as a friend. After city engineers replaced it with a new white concrete one Rex became despondent and roamed the streets looking for another old-fashioned model. The city fathers were sympathetic when Mrs. Page explained the problem and sold her an old lamp post on condition she erect it in her garden.

Irene Castle Enzinger, world famous as a dancer, is equally noted as a humanitarian. She was founder and still is President of Orphans of the Storm, widely known animal shelter in Lake Bluff, Ill. and has fought cruelty to animals on many fronts.

Traveller: Mrs. Betty Peckhoffer, member of the Pekin Palace Dog Club of Canada, has returned from Holland where she purchased a two-year-old female Peke, Christo's Milanda. Mr. I. M. Forrest, formerly a resident of Singapore, has taken up residence in British Columbia. He brought with him a fine Bull Terrier, a breed rarely seen in that province. Ill: Mrs. P. A. Margeson of Kentville, N.S., a well-known judge and former CKC director.

Mr. Walter Brown of Toronto enters his third consecutive year as President of The Canadian Kennel Club in February. The complete results of the election of officers of the CKC for 1961 will be found on the inside back cover of this issue.

Died: Bernard Stanley Ingley and son, Bernard Duncan Ingley, of Steveston, B.C. in a tragic accident by drowning. Mr. Ingley was a past president of The Greater Vancouver Kennel Club and of the Boxer Club of Western Canada. An officer in the Navy during World War II, he was torpedoed twice, his ship's mess was blown to bits, and the Ingley's entire possessions were lost during the bombings in England. A man of strong religious conviction, Mr. Ingley worked tirelessly with the Union Gospel Mission on Vancouver's "skidroad." His son Bernard, also a church worker, taught physical education at Killarney High School and was an outstanding athlete. Sincere sympathy is extended the sorrowing families.

The Boxer, Verwood's Suzanne, owned by Mr. and Mrs. Vern Jeffries, Woodbridge, Ont. continues her winning ways in the United States by going Best of Winners and Best Opposite Sex over specials at the Monroe KC show held in Monroe Mich. More than 40 Boxers competed under the famous authority, Mrs. John P. Wagner. This is one of the biggest wins ever awarded to a Canadian-bred Boxer in the United States...

Dog hero: Stanley Campbell, eight-year-old London, Ont. boy, maintains he would have drowned had not his Beagle pup, Tammy, grabbed him by the sleeve as he struggled to pull himself up the bank and helped him out... Dr. R. E. Jarvis has been appointed manager of the newly established Veterinary Division of Burroughs Wellcome and Co. (Canada) Ltd. Dr. Jarvis is a graduate of the Ontario Veterinary College, Guelph, Ont., and is a member of the Royal College of Veterinary Surgeons, England.

DR. R. E. JARVIS

Aged friend: Blackout, a Belgian Pomeranian which became a wartime celebrity in Kitchener, Ont., recently died at the age of 20 years and four months. He is now buried in the pet cemetery of the K-W and North Waterloo Humane Society. His headstone bears the inscription: "Blackout. 1940-1960. Man's Best Friend. A-N AF WW 2." The letters indicate the three services. Owned by Mrs. William (Mom) Smith, he became mascot to 450 servicemen and women during the war years when his owner held open house. Blackout would bark at 9.30 p.m. signalling it was time to return to camp, except on Saturday nights when he knew they could stay later.

Show notes: Willowmount Labradors (bred by Mrs. Kay Robinson, Richmond Hill, Ont.) have been making a name for themselves: Ch. Magiscroft Willowmount Wendy, yellow female owned by Mrs. Ripley of New York, was Best of Winners at the Labrador Specialty at Long Island. Wendy's son, Willowmount Wild Duck, owned by Mr. Victor Domenech of Puerto Rico, was BOS to Best in Show in Puerto Rico. In reverse, Willowmount Hiwood Haste, a nine month-old Labrador pup now owned by Mrs. M. E. deGaris of N.Y., took top honors at the Canadian Specialty under Judge Robert Blyth not long ago.

Canadian Dachshunds continue to make inroads at American shows. Among the latest at the Mid-West Dachshund Club show held November 27 at Detroit

(34 Longhairs, 76 Smooth and 34 Wire-hairs judged by Mr. Wm. B. Klimkiewicz, Alexandria, Va.) were: Standard Long-haired: Winners, BW, Canidae's Caprice; 2nd Open, Reserve Winners, Male, Halestone's Dark Knight; 3rd Junior Puppy, Canidae's Huckleberry, all owned by Stuart and Joyce Roberts of Maidstone, Ont.; 4th Open Male, Charmwood Allegro, owned by Mrs. Betty Thompson, Erindale, Ont.

Miniature Long-haired: 1st Open Male, Macawdries Pretzel, owned by Mr. and Mrs. Denis King, Pickering, Ont. and 2nd Open Female, Temple Manor Dido, owned by Mr. and Mrs. G. Temple Corunna, Ont.

Standard, Smooth: 1st Senior Puppy, Male, Donners Wald Noel, and 4th Senior Puppy, Female, Donners Wald Carol, both owned by Mrs. M. Kussmaul, Unionville, Ont.; 1st Bred by Exhibitor, Male, Canidae's Crusader v Key; 1st Bred by Exhibitor, Female, Canidae's Calliope v Key, owned by Stuart and Joyce Roberts.

Wire-haired: Winners Male, Lenaire's EE-Jay, John L. Brown, c/o Lorna Jackson, Zephyr, Ont.

Caprice's win brings her owner into possession of the Bill v Hohenstaufen SS Memorial Challenge Trophy. . . . Under Mrs. Gary Gerber, Dachshund specialist, entries owned by Mr. and Mrs. Stuart Roberts (Canidae Kennels) Maidstone, Ont., made the following wins November 13 at Grand Rapids, Mich.: Best of Winners, their Standard Long-hair Ch. Halestones Dark Knight; Reserve Winners Female, the Standard Long-hair, Canidae's Caprice; Winners Male, the Standard Smooth, Canidae's Crusader v Key Reserve Winners Female; the Standard Smooth, Canidae's Carrousel v Key, owned by John Jansen. Entries totalled 510.

An interesting duo around Ontario shows is Mr. William Marriott of Hespeler, Ont. and his Miniature Schnauzer, Ch. Jonaire Pocono Gladiator, Poco, who has been shown continuously by Mr. Marriott's daughter, Mrs. Hugh Simpson, won his championship at the age of eight months and 24 days. A long-time dog-lover, Mr. Marriott, will be 93 years old January 10.

Previously recognized by The Canadian Kennel Club, the trim Vizsla, Hungarian hunting dog, is now also recognized by The American Kennel Club.

NOTICE

SUBJECT: Listed Dogs

Effective January 1st, 1959 the Dog Show Rules, the Obedience Trial Regulations and Standards, and the Field Trial Rules and Regulations of The Canadian Kennel Club provide that all awards, championship points, qualifying scores, and prizes earned by a listed dog shall be automatically cancelled sixty days after being awarded unless application for registration has been made to the recording office of The Canadian Kennel Club by that date.

In the show and trial reports published in this issue each listed dog is identified by an asterisk (*).

Owners of listed dogs are urged to obtain registration of their dogs with The Canadian Kennel Club, within the time limit provided in the rules, in order to avoid cancellation of awards, championship points, qualifying scores, and prizes.

T. S. ADAMS,
Office Manager.

FIRST NOVA SCOTIA BREED SURVEY

by J. D. BOYD

The first German Shepherd Survey held by Nova Scotia fanciers November 19 (and the third held in Canada) proved the largest yet held in this country, despite drizzling weather. Dogs came from distant points, including New Brunswick.

This first Breed Survey was sponsored by the Blackcrest Kennels, Reg'd. CKC Director Harvey M. Gratton of Truro, N.S. (who gave full support) met Mr. Grant E. Mann at the Halifax Airport and drove him to the estate of Mr. and Mrs. M. Walker in Jollimore Village, where the survey was held.

Mr. Mann is chairman and senior surveyor of The American Breed Survey Society for German Shepherd Dogs Inc., and is internationally known for his Liebestraum Kennels. He has been associated with Shepherds for over 35 years as a serious student, breeder and judge. Three females of his breeding, Leda, Jola and Twanee have been awarded the world prize, the Von Stephanitz Trophy, signifying the Grand Victrix.

Due to a misunderstanding in reservations Mr. Mann's plane did not arrive until 1:30, therefore we were late in getting started. Everyone co-operated and with only a short coffee break the survey carried on through the supper hour and well into the evening. Assisting Mr. Mann and myself was Mr. Gratton, owner of the Trollhattan Kennels and Training School, well-known

breeder and judge. Mr. Gratton has been associated with Shepherds for a number of years and therefore well qualified to assist with this survey.

There was a large enthusiastic crowd and everyone followed Mr. Mann's comments with keen interest, as he proceeded methodically to assess the dogs. He was very patient and cooperative in answering all questions put to him by our many newcomers to the breed. These novices are going all out to acquire top breeding and show stock and already this area abounds with many

dogs sired by the "world greats," and pedigrees read like a social register. This survey (it is hoped) will not only point out the faults so prevalent in our breed today but will serve as a guide in the selection of suitable specimens for future breedings.

After an interesting and very instructive day Mr. and Mrs. Walker extended their hospitality to everyone by inviting us into their spacious home. Mrs. Walker and family, assisted by Mrs. Richards, served a bounteous buffet dinner. The congenial atmosphere and the friendly warmth of our associations all attested to the success of the survey.

The following day Mr. Mann gave a talk on "The American Breed Survey Society for German Shepherd Dogs Inc." which was recorded on video tape to be broadcast on "Gazette", CBC, Halifax on December 5. Accompanying Mr. Mann with their dogs were Mrs. Mary Aven and Mr. Charles Reynolds of Dartmouth and Halifax. Mr. Lloyd McInnes, well known MC conducted the interview.

Mr. Mann stated that he was very pleased with the quality and numbers of our dogs as compared with many larger centres. Mr. Gratton stated that he feels the survey was a successful step in the right direction, that it is his contention that any steps for breed improvement must be voluntary and sponsored by breed clubs. It is my hope that this will spark the interest required for a breed club in this area.

The Staffordshire Bull Terrier

We were quite surprised to read in an article by Mr. and Mrs. Uplinger of Erie Pa., (incidentally we correspond with them) "It should be stated that on this continent the correct name is Staffordshire Terrier (not Staffordshire Bull Terrier as in England) and is a breed completely distinct from the Bull Terrier". The standard for the Staffordshire Terrier appears in the Complete Dog Book (A.K.C.) whereas the standard for the Staffordshire Bull Terrier does not. The Staffordshire Bull Terrier has however been recognized by the C.K.C. and the standard was published recently in *Dogs in Canada*.

We would agree with most of the rest of the article, apart from one point. The Staffordshire Bull Terrier is the result of crosses between the Old Bulldog and an Old English White Terrier, not the Bulldog and a Game Terrier as stated for the Staffordshire Terrier. The rest of the article as to colourings and characteristics would be applicable to both breeds. We would emphasize that the Bull Terrier, Staffordshire Terrier and Staffordshire Bull Terrier are separate

breeds. The dogs which we breed and own are the Staffordshire Bull Terriers bred for so many years in England, and these dogs have the deep through broad skull, very pronounced cheek muscles, distinct stop, short foreface, and ears which according to the Standard are rose or half rose, and not large, full drop or prick to be penalised and definitely not cropped. The Staffordshire Terrier can have its ears cropped and pricked. The weight of our dogs are: male 28-38 lbs. and female 24-34 lbs., heights are male 14½"-16" and female 14"-15½". The Staffordshire Terrier's weight is - male 40-50 lbs., female 35-45 lbs.; the heights are male 18"-19" and female 17"-18" (all heights being taken at the shoulder). Thus you will see that the Staffordshire Terrier is a larger dog than the Staffordshire Bull Terrier, who must be of great strength for his size and appear to be "stocky".

We would really like to see some Bull Terriers, Staffordshire Terriers, and Staffordshire Bull Terriers in the same ring in this country, then perhaps it would clear up some of the misunderstanding,

which appears to be amongst breeders, judges and the public. We ourselves, do not like to be told that our dogs, which we are trying to put before the public as a great dog to own; are only poor specimens of another breed, and this will continue to happen whilst erroneous statements are made about our breed.

As a point of interest we have a chart of dogs from the States which shows many breeds, among them is shown a Bull-and-Terrier dog. This is a very good picture of our breed, but it is marked extinct.

We hope that this article will assist people to understand the difference in these three distinct breeds and not confuse them more.

POODLE capers

Vancouver Juniors Have Huge Club

The Vancouver Junior Kennel Club was formed eight years ago by Mrs. Elsie Murray. This club has been growing ever since and now has approximately 60 members. The aim of the club is to educate young people about dogs, especially purebred. To foster this aim, regular training is given in show, handling, rules, grooming, general care and conformation of individual breeds, and in Obedience work. Members do not have to own a dog to join and in fact, many join to learn before they buy a dog; this obviously being a desirable situation.

The results of having such a club are very obvious to dog people in Vancouver since a high standard is maintained in all areas through written examinations and practical competitions. These are not obligatory for all members but the majority take part. The results are shown in the number of champions and obedience title holders achieved by juniors. Many breeders have been so impressed that they have given show prospects to juniors along with their much appreciated information. Professional handlers use their help in grooming and handling at all the shows and many juniors have placed and won in groups handling dogs of other people so well as their own. In Obedience the juniors with registered dogs place regularly even in competition in the States. Also, Junior Showmanship classes in Washington are dominated by whatever juniors can go to them. Often a group of three will come out first, second and third from a class of 40. Older juniors also do a proficient job of ring stewarding at many of the sanction and point shows.

Some of the juniors are starting to breed their own animals. With the extra knowledge and training they have received these members are going to be the top breeders and judges in the future. As long as this type of club can prosper, older dog people need not fear what will happen to their efforts to improve dogs. This work will be carried on with ever great success.

Vancouver Juniors' Party

Our Christmas party was held December 3 at the Horticultural Hall. All parents were invited to this meeting and they watched the Handling Competition and Obedience Trial.

The top award for handling was a tie between Gerry Duncan and Donnie Langdon. The winner in Obedience was Marion Johnstone with her Pomeranian.

There were plenty of hot dogs and other food donated by parents so everyone had a wonderful time.

by Gerry Duncan.

Burlington Junior Obedience

Our Juniors' Obedience graduation took place on November 26, judged by Mr. Reg. Scott. CHCH-TV was on hand for news coverage. Thirty-eight dogs were entered and although no qualifying scores were earned both dogs and young handlers turned in creditable performances. We hope to see them go on to even greater accomplishment in 1961 at upcoming trials. Four of our Juniors and their dogs were a real credit to the parent club when they appeared on the Obedience Training float in Hamilton's Santa Claus parade.

Successful Young Handlers

Winners of subscriptions to *Dogs in Canada* at the Bermuda KC show were Open: Susie Gurr and Novice: Clive Openshaw. Clive handled the Boxer puppy, Golden Rule of Blossomlea, purchased from Miss Jean Grant, Richmond Hill, Ont., last June.

The Provincial Irish Terrier Club Specialty held in Toronto had ten young entrants in Children's Handling. Winners were: first, Dougie Lake, second, John Clement and third, Ann Holland. The children were all well-trained and showed fine competitive sportsmanship.

Spinal Fracture No Deterrent

The Dalmatian, Flashdale's Fancy Free, worked with his 16-year-old handler, Constance Turcot, Montreal, to his CD despite the handicap of a previously broken back. Their faith and persistence brought their reward with scores of 180 (first in class, Ottawa KC May, 1960), 193.5 (highest score by a junior handler, Mountain City Obedience Club, May, 1960) and 192.5 (Mountain City Obedience Club at North Hatley, in October).

Wanted: from show-giving clubs — reports of winners of Children's Handling following each show. Let's give credit where credit is due.—Ed.

THAT PUPPY YOU REARED BY HAND

by Alida Monroe

Mrs. Alida Monroe, founder of the famed Firebrave line of Miniature Poodles is well-known to the Poodle fanciers in this country and deeply regarded by breeders everywhere.

That puppy that you reared by hand because it wasn't doing well. I don't mean the one that tried to take the nipple and was pushed off by his stronger brothers. I mean the one or ones that the bitch kept pushing out into the cold, for which you felt sorry and were induced by your feelings to attempt to bring up by hand. In many cases these puppies have been reared successfully. Breeders for generations have questioned the wisdom of this. Recently I had an experience with two young sparrows that brought this question very forcibly to mind. One afternoon I went into my barn and found an extremely young sparrow lying on the bench beside my car, crying feebly. It had fallen from the swallow's nest which the sparrows had taken over in the owner's absence — and, what a furor was created when the swallows returned and found usurpers in their nest! A battle royal ensued and the swallows were forced to abandon their own property. I put the little sparrow into a box lined with hay because I could not face killing him and I hoped he might die comfortably in these quarters. However, when I returned the following morning I found him still alive and cheeping pitifully. I took him into the house and put him on the mantelshelf over the Aga cooker where it was nice and warm. I fed him bread and milk which he took ravenously, and later a number of flies which I was lucky enough to swat. He seemed contented. I realized he was only a few days old because he still had the knobby lump on his beak with which he had broken open his shell. He was very sparsely feathered which confirmed my opinion. The same evening going into the barn I found a second sparrow lying on the bench. He was bigger than the one I had found earlier and better feathered. He, too, was squawking, but lustily. I took him into the house and put him in the box beside his brother and fed him in a similar manner. I may say my whole attitude to flies was completely changed with the advent of my two proteges. I was

very annoyed to find so few flies that I could swat and spent my time going looking about for any kind of insect that I could capture and crush and offer to my young birds. These two, after a day or two, set up a resounding cheep and opened immense yellow rimmed beaks as soon as they heard my voice. My dogs were very intrigued by the two strangers and stood round all the time I fed them, hopefully waiting for any odd morsels that fell to them. The second day I sought advice from an expert who agreed that rearing wild birds was very difficult but suggested I should feed them meal prepared for budgerigars, canaries and other young birds, in addition to all the insects I could get. This I did. They seemed to thrive and after a few days when I went to feed them they perched on my fingers. On the tenth day the first one who, to my dismay, had not grown at all during those days nor had he feathered as he should, although he appeared sprightly, and ate well, I noticed he was beginning to fail and that his cheep was rather weaker. Next morning I found him dead. His brother who had been much bigger from the start had feathered very well and seemed to be thriving and I felt very hopeful of rearing him but, one morning as he was perched on my finger I suddenly noticed that one of his wings was put on at the wrong angle and it was obvious that he would never be able to fly. Now I was in a quandary. If he continued to survive I could not possibly let him loose in my own place because of the dogs, but much more important because of my cat. I had intended to take him to the Common and let him go as soon as he was able to fly and look after himself. In the interim between infancy and flight I intended keeping him in a large parrot cage. However, the sight of his deformed wing made me feel it would be wrong of me to let him survive. I could not make up my mind and went on feeding him. Then Nature solved the problem. One morning I found him dead. There is my case. Does it not seem certain that the mother bird knew these two young-

sters were unfitted to survive, and that their fall was not an accident? The smaller one lacked in his make-up what is needed for natural growth, the larger had a deformity and would be unable to survive in normal conditions. He was doomed to death as was his brother. How did the mother know? Can it not be that she had a natural means of knowing the deficiencies of her offspring, that a normal youngster gives off certain magnetic waves that she receives, and those that are not normal use a wave length that she cannot receive and so are pushed out as any waste product would be? Let us translate this to the canine world. Bitches, I am sure, have the same certain knowledge and so-called bad mothers may be exercising it and not neglecting their duties as we think. I have not had any personal experience of hand rearing puppies that have been pushed out. The only occasion on which I tried hand feeding I was not successful. There is one case of which I heard recently and it seems to bear out my thesis. A maiden bitch whelped four puppies quite successfully, but she refused to take any care of them and contented herself with lying nearby and cocking a thoughtful eye at them as they cried. Her owners decided to take a hand and fed the pups a full three weeks. After that they were able to be weaned they all survived and developed quite well and all went to different homes. As they reached six months things went wrong, one developed deafness, another blindness. A third became wild and hysterical and almost unmanageable. The fourth is the best, and he appears to be not quite 100% healthy. There is my case. Some would say the bitch was a bad mother. Was she?

If you would like your winning dog in this column, cost for a one-column cut, including cut-line is \$6.00; a two column cut \$12.00. Copy to appear in cutline: name of dog, kennel and owner, win, show and judge. Absolutely no advertising copy may be included. PAYABLE IN ADVANCE. THE 1960 ALL-CANADIAN

The prize list committee had assembled a splendid and outstanding collection of prizes, ribbons and trophies for the first ten HGA hounds and the Molson Trophy, and there were many others, awarded to the All Canadian Champion was probably the finest trophy ever awarded to a Foxhound in Canada. Detailed results will appear in the Field Trial results in a later issue.

Answers to Questions That Should have Had Closer Attention

The answer given too quickly:

"That sounds reasonable for a puppy — \$10.50."

"I don't care if you play circus with the whole kennel — just let me read."

"Certainly let the puppy play with that old slipper. Good for his teeth."

"For heaven's sake, don't stand there, call an ambulance. Get the vet. Swallowing a needle is serious!"

What the question really was:

"George, the Peke is out of this world, and the price is \$1,050."

"We're playing circus with the dogs, Daddy — do you mind if we tear up your black suit for the tramp clown?"

"What I said, was, isn't it too bad he chewed up your new suede Christmas slippers?"

"What do you think we should do for Bobo? He's just nibbled a pine needle off the tree."

CLUB NOTES

IMPORTANT: Club Notes are for the purpose of reporting activities and plans of Breed, Group and other specialty organizations. There are certain news items which cannot be considered as "club notes", but rather as advertising material. Names of judges may be used only if the club's show advertisement appears in DOGS IN CANADA. Wins of dogs which will be or have been reported in The Canadian Kennel Club "Show and Trial Results" cannot appear in these columns. Make your club notes meaty and interesting.

300 WORDS IS THE LIMIT.

The Alberta Kennel Club
 by Mrs. R. Barnes,
 220 - 15 Ave. N.E., Calgary Alta.

The annual meeting was held November 24 and the following officers were elected: Mrs. R. Barnes, President; Mr. Horst Kellar, 1st Vice-President; Mr. William Lang, 2nd Vice-President. The following were elected to the executive: Mr. G. W. McClure, Miss Anne Waugh, Jack C. Anderson, Eric McDonald and Ralph Clark. Mr. Anderson, retiring President, gave his report, which covered a full and successful year of activities and thanked his executive for their support.

Due to illness I am late in reporting on our All Breed Championship Show and 14th Obedience Trial held in Red Deer, Alta. on October 22. We received many entries from Edmonton, Calgary and the surrounding districts. Our thanks to all who helped make this show a success.

Our annual dinner was held at Nag-Weys Supper Club December 2 and we had one of the largest attendances to date. Guests of honor were Mr. and Mrs. Joe Fleming. After the President's welcome address Mr. Fleming was presented with a gift by Mr. Keeler. Mrs. Barnes in turn presented Mr. Anderson with a token of the Club's appreciation for the tireless effort he has put into the club. A round of applause and our congratulations went to Mr. George Hope who celebrated his 90th birthday December 3. He is still active in breeding Labradors and attends the shows.

Mrs. Evelyn Kenny has shipped her Pomeranian, Ch. Corkie's Golden Glow Topper, to Japan. We are told the people are so pleased they are negotiating for another.

I trust you have had a very Merry Christmas and wish you all a very happy and prosperous New Year.

The All Terrier Club of Canada
 by Eileen M. Stewart
 R.R. #2, Aurora, Ont.

We are now on the threshold of a New Year and our wishes for "The Best in 1961" are extended to all.

This would be, perhaps, the ideal time for all of us to give a deep thought to the original object of our clubs and I quote from Article I of our Constitution: "The Object of the Club shall be to foster and promote the best interests of those breeds comprising the Terrier group to encourage breeders of Terriers to make the breed and its qualities wider known and to assist breeders in every way possible."

As the December Club Notes were missed, we want to say a belated but sincere word of thanks to Mrs. Horn for her informative talk concerning her breed — Staffordshire Bull Terriers (in no way to be confused with Staffordshire Terriers). Mr. and Mrs. Horn brought two mature dogs and a puppy to the meeting and as each feature of conformation was read from the Standard, it was pointed out on the dogs. This seems a much easier way to indelibly imprint a breed standard on your mind than to just read a Standard and attempt to memorize it. The Staffordshire Bull Terrier is a comparatively new breed to most of us and we welcomed the opportunity to learn more about it.

The November meeting included the showing of an excellent film of the Westminster Dog Show, our interest sharpened by the occasional glimpse of some of our Canadian exhibitors. The All Terrier Club wishes to congratulate the specialty clubs within the Terrier Group for their splendid efforts during 1960 to promote their individual breeds. One of the most important assets of our club has

been an ideal meeting place. This has been made available to us through Harold McGill and our hearty thanks are extended to Harold and the National Cash Register Company. The company has just completed their smart ultra-modern building and to our extreme pleasure we have been told that the new air-conditioned auditorium in this building will be available to us for meetings during 1961.

The January meeting will be our annual general meeting. Please check your Notice of Meetings for the exact address of our new meeting location.

Aurora & District Kennel Club, Inc.

by Marion Hurst

R.R. 1, King, Ont.

The club held its annual meeting December 6 for the election of officers, at the Ridge Inn, Oak Ridges. Mrs. Eyles took the chair for the election. The following were elected for 1961:

President, Mr. Joe Sullivan; Vice-President, Mr. Tony Sacre; Secretary, Mr. K. Hurst; Treasurer, Mrs. L. Hamilton. Show secretary, Mrs. M. Hart; show superintendent, Mr. Sacre; advertising, Mrs. H. Jansen; trophy secretary, Mrs. Joe Sullivan; auditors, Mr. J. W. MacCallum and Mr. Hurst; board of directors Mr. W. H. Glenney, Mr. Sacre and Mr. MacCallum; publicity, Mrs. Hurst.

It was agreed that the entry fee for the 1961 show should remain at \$4, as this show will again be held in the Bradford Arena. We are looking forward to a successful unbentched show. All arrangements for judges have been completed to our satisfaction.

The evening concluded with a lovely luncheon supplied by the proprietor of the Ridge Inn, Mr. McCachen. The following meeting is January 10 at "The Sullivans".

B.C. Gun Dog Club

by Muriel W. Love,

8720 Government Road, Burnaby 3, B.C.

Several of our members have been ill, and often we do not get the reports until it is too late to send a card. Our best wishes to you all that you will soon be fit again. Some of our members are celebrating births of "Little Field Trialers" and we offer our congratulations. We were happy that Mrs. Jack Smyth and Mrs. William Neen were well enough to attend the banquet after their recent illnesses. Mr. R. E. Strain of West

Vancouver won the membership draw and now has the unique Bear Claw Ash Tray. Other prizes were won by Joe Meraw, Jim Powers, Bob Heaton, Bob Postlethwaite, Nick Milani, Keith Coughlan, Chess Canning, Lloyd Love, Clare Fraser and Gordon Lindemere. Two pointer trial enthusiasts, Nick Milani and Clare Fraser, were recently married. Best wishes and congratulations to you both from all.

"Tides and Trails" is proving to be a real favorite with all the outdoor folks. It appears on Television Channel 8 every Thursday at 9.15 p.m.

Brantford Obedience Club

by John E. Gardner

On November 27 we finalized the end of our current training session for 1960, by the graduation of quite a number of dogs. This completed our last training class for 1960 with the handlers, trainers and judges being pleased with the good showing.

A number of our graduating dogs were successful on entering their first trial which was held at Burlington on December 4. Our red and black shirts with the Bell City crests were well represented at these trials. Our next training session gets underway on January 22 with what we hope to be our largest course.

Keep looking — our trials will be held later on in 1961. This should be a real large turnout and we would like to see as many as possible there. But more about this next month.

The Burlington & District Kennel Club

by Roy L. Dafoe,

3047 Woodland Park Drive, Burlington, Ont.

Elections took place at the December meeting with the following results:—President, Mrs. N. T. Smith; Secretary, Miss M. Steacy; Treasurer, Mrs. D. Engels; 1st Vice-President, Mr. F. Lowe.

Reports were received from chairmen of the various committees and each reflected an active year's work with increasing activity right across the board. Particular activity was noted in the Junior Kennel Club, the recently formed Library, Obedience and, although primarily headed up by Mrs. W. Dunlop, sled dog activity continues to receive considerable support through the club.

NOTED ELKHOUND BREEDER VISITS HERE

Baroness Susan van Boetzel, breeder and judge of the Norwegian Elkhound in Holland, visited in the States and while there judged the Elkhound Specialty at the Northwestern Connecticut Show held at Goshen, Conn. Miss van Boetzel is a niece of Lawrence Litchfield of Pittsburgh who established the Lindvanger line and was one of the first serious breeders of the Elkhound on this continent.

Before returning home, Miss van Boetzel visited Elkhounders in Canada. First she visited Mrs. Mary Moore and Mrs. Roy Torrance to whom she had sold a puppy (Guy Fawkes of Riverland) a few months previously, then with Mr. and Mrs. John Terelly of Gravenhurst, Ont.

While in Winnipeg she attended two training classes of the Gateway City Obedience Training Club in which four Elkhounds are training.

March 4, 1961, was selected as our Spring
Sanction Show date. It is anticipated that
with the popular judges, Dr. Gaetz of Buf-
falo and Mr. J. Stenson of New York, a
record entry will be realized. In view of the
anticipated entry, a definite location has not
been established. However, this will be re-
ported on at a later date.

Stewards classes are to commence the first
Tuesday in January at Lancaster Lodge, ad-
jacent to the Burlington arena. These classes
which have proved so popular in past sessions
are again open to any interested party, the
charge being a nominal one to cover cost of
instructional material.

It was decided by the membership that a
donation to the Radiology Department of the
Joseph Brant Memorial Hospital would be
made by the club in memory of our late
Treasurer, Mrs. B. Konkle.

A particular high point in the short history
of the Club was the naming of our first Life
Member. This was granted to Mr. N. T. Smith
in recognition of his many efforts on behalf
of the Club and its members.

The Canadian Samoyed Club

by W. F. T. Freeman

Oro Station, Ont.

The Canadian Samoyed Club faces this new
year with the greatest array of attractions
and events in the club's history. The big
"Winter Rally" is to be held January 22 at
the home of Harvey and Marg. Worsnop. We
are planning on having an eminent authority
on sled dogs and sled dog training to give
advice on this phase of activities. Along with
this will be cutter rides, an old fashioned
sleigh ride and other interesting events. Every
Sammy owner, whether a club member or not,
is invited to attend with lunch (hot tea and
coffee will be supplied), your Sams, and if
you have sleds and harness bring them along.

Commencing in February there will be a
course of three lessons in the handling of
your dog in the show ring and grooming for
show, under the direction of Mrs. Betty Mc-
Hugh of Oshawa. Full details can be had by
writing the club secretary.

The March issue of *Dogs in Canada* has been
designated as the Samoyed Issue, and this is
being given the fullest support by the club.
We have secured the front cover of this issue
for the club, and we strongly urge that every-
one who is active in the breed place an adver-
tisement of some size in this issue, the more
ads, the more space we get for various articles.
Full details on this can be had either directly
from *Dogs in Canada* or through the writer.

Also in March comes the big Booster of the
year: this will be on March 18 in conjunction
with the Canadian National Sportsmen's Show
in Toronto. There will be a special location
for our benching, special displays by the club,
fine trophy list and all the other things that
go towards making a wonderful presentation
or our breed. The judge for the breed will be
Mr. Virgil Johnson of Savannah, Ga., U.S.A.
This is one of the top shows of the year from
a point of spectators and comes at a time
when our Sams should be in fine coat. Let's
make it a standout show.

April 23 marks the date of the third Point
Specialty, an independent show. All sorts of
added attractions are planned in this connec-
tion, such as our "after show dinner", special
classes, general meeting following the judging.
Again this year we will have a souvenir book-
let in connection with the Specialty. It will be
sent to all members world wide, with the
compliments of the advertisers and the club.

We have also scheduled a Booster for Aug-
ust 5. This will be benched and held in the
beautiful air-conditioned Memorial Arena at
Kitchener.

The activities of our Western Canada mem-
bers are steadily increasing along with the
number of members from that area, and the
scheduled Booster to be held in the early
spring in Alberta will be the first such event
for Samoyeds ever held in the West.

Membership continues to increase steadily,
with new members being welcomed from all
over Canada as well as many other countries
of the world. That same warm invitation
stands for any Samoyed enthusiast anywhere
to make application for membership in our
Club. Drop a line to the club secretary, Edith
L. Freeman, Oro Station, Ont.

To Samoyed owners everywhere, The Cana-
dian Samoyed Club sends its sincere good
wishes.

51 Riverhead Drive, Rexdale, Ont.

Another regular monthly meeting of our
club was held on Monday evening, November
21, at the home of Mr. and Mrs. H. M.
Jewdine, Pickering, Ontario.

Our President, Mrs. T. S. Adams, presided
and plans were discussed for our 1961 Spec-
ialty Show.

We are all looking forward to our December
Sanction Show, after which plans will be
made for our annual general meeting to be
held in January.

A very enjoyable social half hour was had at
the conclusion of the meeting, and a vote of
thanks was extended to Mr. and Mrs. Jew-
dine, for their kind hospitality.

Chow Chow Fanciers of Canada by Helen Schwoob

25 Churchill St., Waterloo, Ont.

The October and November meetings were
held at the home of Mrs. Pearl Currie, Rich-
vale, Ont. with Mrs. McDonald as hostess.

The October meeting dealt mainly with the
plans for the Group Six Booster Show held
in November. Several invitations from clubs
asking us to hold booster shows next season
were discussed.

In November plans for the Christmas party
were made. It was decided to hold two booster
shows this next season. Several breeders an-
nounced plans to import some new puppies so
the future of the Chow Chow in Canada looks
very bright.

We were privileged to have Mr. Albert
Farrell, a Bulldog breeder of note as our
guest. Mr. Farrell showed an interesting color
film of a caesarian section done on one of
his Bulldogs. There followed a lively question
and answer period on breeding, whelping and
care of the female and puppies.

The Chow Chow fanciers would like to ex-
tend to all our very best wishes for 1961.

Cocker Spaniel Club of Central Ontario by Jane Harvey,

103A Garden Ave., Toronto 3, Ont.

The November meeting was held on the 9th
at the Broadview YMCA. There was a good
attendance, including a potential new member.

Most of the meeting, after the formalities,
was taken up with discussion as to whom we
would invite to judge our Good Friday Spec-
ialty Show. Several names were decided upon
and the final choice will be announced upon
further checking as to availability.

The meeting adjourned rather early due to
poor weather.

The Dachshund Club of Canada by Ernie Lindsay

Willow Cove (Sub P.O.) Burlington,

Our annual meeting and election of execu-
tive officers for 1961, was held at the home
of Ernie and Lena Lindsay, Burlington, on
December 4.

Due to the absence of our President, Dr.
Fred Bridgman, still on the sick list, and to
the late arrival of Vice-President, Mr. Edgar
Breckon, Mr. Carl Sharen declared the meet-

ing open. Our roll call showed 40 members,
including two honorary members. Applica-
tions for two new memberships: Mrs. Grace
Oleschuk, Burlington, sponsored by Ernie and
Lena Lindsay and Mr. and Mrs. James Jones,
Sarnia, Ont., sponsored by Mrs. Wm. C.
Barnes, were accepted.

At this point, Mr. Breckon, our Vice-Presi-
dent, arrived and took over the chair.

While dealing with correspondence, it was
suggested that anyone interested in receiving
a premium list of the Chicago Specialty Show,
to be held in April of 1961, write to me at
the above address. After reading correspond-
ence and reports from various committees,
next on the agenda was the election of the
new officers for 1961.

As President, Mr. Leo Bodemer; Vice-
President, Mrs. Wm. C. Barnes; Treasurer,
Mr. Joseph Chatfield; Secretary, Mr. Ernie
Lindsay; Assistant Secretary, Mrs. Grace
Oleschuk. The following directors were elect-
ed: Mrs. Lena Lindsay, Mrs. Elizabeth Sharen,
Mr. Wm. C. Barnes, Mrs. Joseph Chatfield,
Mr. Edgar Breckon, and Mrs. Joan Lagimo-
diere of Hudson Heights, Quebec. The elec-
tion of Mrs. Lagimodiere as director was
greatly appreciated by the executive, as we
are most anxious to have officers from dif-
ferent provinces, which would benefit the club
in establishing wider interests throughout
Canada. We would also like to point out
that we hope this will persuade members to
provide the new executive with names of
persons who would be willing to act as
directors in the various provinces. The audi-
tors elected were Mr. Carl Sharen and Mrs.
Wm. C. Barnes. Sick and welfare chairman,
Mrs. Grace Oleschuk; columnist, Mr. Ernie
Lindsay; chairman of the show committee,
Mr. Joseph Chatfield; assistant chairman, Mr.
Wm. C. Barnes.

A hearty vote of thanks was rendered to
the past executive officers. Our new Presi-
dent took the chair and expressed his desire
that the Club in the year 1961, should con-
tinue with great success. It was decided that
our meetings in 1961 would be every two
months, commencing January 8, 1961. It was
also decided that a committee would be ap-
pointed at the next meeting to draw up a
new set of by-laws, by way of amendments
to our present constitution.

Our hostess, Mrs. Lena Lindsay, served
a buffet luncheon, which was enjoyed by all.

We take this opportunity to wish all Club
Members and all dog lovers a very happy and
prosperous 1961.

The Fredericton Kennel Club

by Mrs. Janet B. Glenn

280 Gibson St., Fredericton, N.B.

Our last meeting in 1960 was held in the
lovely Lord Beaverbrook Room in the N.B.
Teacher's Association Building on King Street,
in Fredericton. This is to be our permanent
meeting place with our meetings taking place
the second Thursday of every month.

A minute's silence was observed in memory
of the late Gordon Wallace, who passed away
suddenly early in December. Mr. Wallace was
well known as an exhibitor and a willing
worker at our shows and once again we ex-
tend our sympathy to his widow and family.

Plans are underway to hold an unbenched
show on April 8 with the old reliables once
again in harness and our dates have also
been approved for our two benched shows in
August.

A nominating committee was selected to
bring in a new slate of officers for 1961 at
the annual meeting in January.

At the end of the business meeting a buf-
fet lunch, prepared by Mrs. Rita Martinson
and Mrs. Gertrude Storey was enjoyed by all.
The ladies are to be highly complimented on
the vast array of food, which was so at-
tractively prepared. In charge of the coffee-
pot was Marg. Griesbach and Betty Amos
presided over the teacups. This was followed
by the distribution of comical gifts from the
tree by President Vernon Glenn. Later we
all danced to the music of the recordplayer
operated by our Maritime (N.B. & P.E.I.)
Director, Mr. Robert Little. Much interest
was shown in the mistletoe bell hanging in
the centre of the room.

This was by far the best business and social
meeting of the year and it is hoped that some
of this spirit can be carried on well into
1961.

We take this opportunity to wish all our
many friends a Happy & Prosperous New
Year.

Our December meeting was held at the
home of our new members George and Esme
Dallin.

Plans really got underway for our 1961
June Specialty Show.

The well known judge who will be a new
face in this area, the lovely grounds and the
spacious ring, and our usual stunning trophy
table topped off by the Spencer Weller Chal-
lenge Trophies make this a show you just
can't afford to miss.

I'm sure most of you have seen our spec-
tacular challenge trophies and know that they
are offered for Best Canadian Bred male and
female. These are two trophies that anyone
would be proud to win.

After the regular order of business a show-
er was held for Joe and Eileen Darlington's
first baby boy. After three girls this was a
lovely surprise. There were many beautiful
gifts for little David.

Our Kennel will be represented at The Westminster Kennel Club Show.

At a recent sanction show I was disappointed to see so few club members out. These shows are a wonderful opportunity to get out young puppies or older dogs that need ring experience and a chance to meet and talk with old friends or new ones that you have made during the season.

On November 25 last the breed committee held the first of a series of educational nights designed to assist the advancement of German Shepherd rearing, breeding, and training. The topic of the first program was communicable diseases, ably presented by Dr. John Price. The subject was one of preventive methods and medicine, through which a great deal of knowledge was gained regarding parasitic control, immunization, and the correct rearing of healthy puppies.

The second of this series is planned for the latter part of January when another interesting topic will be discussed. These programs are designed to be of interest to all individual dog owners as well as the breeders. For further information call Shirley de Boer at BA 1-6086. Our thanks go to Vera and Johnny Johnson for the use of their home for the gathering. We were very sorry to hear that Vera was ill at the time.

That's all for this month, except for a reminder that the first show of the year is January 30.

The German Shepherd Dog Club of Canada

by Warren Parkinson,

10 Neville Park Blvd., Toronto 13, Ont.

We now begin planning a new program designed to promote in Canada the development of ever better German Shepherds, both mentally and physically. Through the years this program has expanded, until now we have as well as conformation type shows; an Obedience trial; a puppy specialty show; training classes, in large heated indoor quarters; tracking training and a tracking test; our own news media "Shepherd Shorts" to carry hard hitting news and views; a combined working and conformation type show, and many other projects deemed necessary and useful by the members, who collectively, are The G.S.D.C. of C.

We can all be justly proud of our 38th year of progress, just completed. The record entries in all events will be difficult to match in '61. There was a lot of effort put forth to give the very best for the members and other exhibitors at all these events. Each was planned to be the finest of its type, and we sincerely believe most were.

Our members can be justly proud of their excellent showings at these events. Nearly all the top wins were made by members. This perhaps more than any single factor, underlines the strong healthy condition of our club.

Our 1961 program will be the prime responsibility of these our newly elected club officers: President, Mr. Toni Kleinhohn;

Vice-President, Mr. Alex Gunn; Directors: Mr. Ken Collison, Mrs. Nellie Corser, Mr. Gordon Garrett, Mr. Ed. Harradine, Mr. Peter Kirk, Mrs. Edna Lucas, Mrs. Grace Prober, Mr. Bob Walker and the writer. Please let your club know what you want for German Shepherds in Canada. If it is reasonable, and the will of the majority, it can be done. It's as simple as that.

The Hamilton Kennel Club

by Mrs. M. Cooper,

14 Proctor Blvd., Hamilton, Ont.

The annual meeting, and election of officers, was held at the Agricultural Hall, November 22. The following comprise our officers for 1961: President, Mr. George Lawless; Vice-President, Mrs. H. Coles; Secretary, Miss Lola Richards; Treasurer, Mrs. Audrey Langford; Directors: Mr. Perc Marshall and Mr. "Bill" Levinsky.

As the election of officers took up part of the evening, not too much other business was transacted. However, we did find time to comment on our Sanction Show on December 3 (by the time these notes are read we hope we can say that it "was an unqualified success"!) and also the matter of our Christmas Party was discussed. We look forward very much to this and feel it will be a good ending to a successful and pleasant year in our Club.

HAPPY NEW YEAR to all Clubs from our officers and members!

The Hamilton Obedience Club

by John Worthy

215 West 31st St., Hamilton, Ont.

Well, the year came to a close, and what better way than our annual Christmas Party with turkey dinner and dance — Arranged by Mrs. Howard Bowler, who did a good job. There were gifts for everyone, the ladies received candleholders, the men received engraved pens. There were spot dances, and those who were lucky received assorted gifts.

Club pins were presented by our Vice-President, Mr. Jake Giacomelli. CD pins went to Mrs. D. Moggach, Mr. P. Marshall, and Mr. K. Merkler for 1959. Also, CD pins for 1960 went to Mrs. J. Burns, Mr. C. Diamond, Mr. J. Duncan, Mr. J. Giacomelli, Mr. O. Langford and Mr. R. Lukasiewicz. Mr. R. Peters and Mr. Howard Ward received Special Award Certificates from *Dog World*, presented to any owner whose dog's score was over 190 points in three consecutive trials. Also, CD pins went to Mr. H. Wilkinson and Mr. J. Langwiesner. CDX pins went to Mr. H. Bowler, Mrs. B. E. Cole, Mrs. L. Essiambre, Mrs. Vi. McKay, Mr. K. Merkler, Mrs. K. Toohey, Mr. A. Lvonkin. Only one lucky man, Mr. Dennis Oxley, received the UD pin.

Classes resume in January with Mr. John Day in charge.

Hull and District Kennel Club

by E. Diana Gemmell,

471 Golden Avenue, Ottawa 3, Ont.

The annual general meeting was held on Wednesday, November 9 at the Humane Society.

Treasurer, S/L B. F. Stoughton, gave his financial report, which showed a satisfactory financial year, although there was a small loss on the Championship Show. A vote of thanks was proposed for the Auditor, S/L T. A. Hogan, C.A., together with a small memento.

Reports were submitted by Mrs. J. M. Hutchison on membership, and on sick and visiting by Miss Mabel W. Smith.

The President gave his report in which he said he felt the club had had a good year, but he would like to see an increase in the membership and further activities. Outlining the highlights of 1960 he mentioned:—an informative lecture by Dr. B. Sorell in April on the Care of Aging Dogs, a Sanction Show in February, a successful Championship Show in August, for which the Club had received many compliments, and some suggestions for improvements next year.

It was proposed that a letter of thanks be sent to the Humane Society for the use of the Boardroom for meetings during the year, together with a cheque for \$50 as a small token of appreciation.

Election of Officers took place and elected were:—President, S/L B. F. Stoughton; Vice-President, English, Miss Mabel W. Smith; Vice-President, French, Mrs. J. M. Hutchison; Directors: Mrs. Pamela Sims, Lt. Col. T. R. Gemmell, Mrs. G. F. Lovett, Miss M. A. Archibald, Mr. Hank Sims, Mrs. Stewart Reid, Mr. Peter Doyle, Mr. C. McCooney.

K-9 Training School

by Art Surette

79 Murray St., Brantford, Ont.

On July 27, 1960 four people formulated a plan for a unique dog training school in Brantford.

Art and Marie Surette and Eric and Jo Gardner, with a great interest in training of dogs, decided to go further than Obedience training and teach to all who may be interested, regular obedience, field training of bird dogs, police work, tricks and stage work; this organization was to be known as the K-9 Training School.

At this writing the school has been very successful with 18 dogs of all breeds at its inception, growing to over 30 dogs in less than six months — we proudly announce a very successful graduation.

We wish at this time to thank the Niagara Springer Spaniel Club Inc. for their cooperation when our members visited their field trial on September 25. Art made movies of the trial which proved interesting. Thanks to the judges, Mr. K. Van Dusen of Detroit, Mich. and Mr. Frank Lock of Burlington, Ont.

ENG., AM. AND CAN. CH. REDLETTER McBRIGAND, shown taking the Terrier Group at Central N.Y. KC, Utica, Aug. 14, 1960 under Judge Edward D. McQuown.

"Clanny" is a most worthy daughter of our outstanding stud, Am. and Can. Ch. Cairngorm Clansman. She was Best in Show at the All Terrier Show in May and Best of Winners at the Specialty, as well as Best Opposite Sex at Westminster last February. . . . McBrigand's impressive wins include a BIS in both USA and Canada and 6 Groups in both countries. At the recent Toronto CNE he won the Terrier Group at all three shows. His litter brother, Eng. Ch. Redletter McBryan, is doing top winning in England. His dam is our well-known Eng., Am. and Can. Ch. Redletter Miss Splinters, who has won three BIS in Canada and three Cairn Specialties plus two Westminster wins.

This Fall the Surettes visited Baltimore, Md. where Sgt. Kerbe of the Canine Corps gave a demonstration on training and various types of equipment used. The Baltimore police now have 46 working dogs.

Our most recent get-together was a Christmas party held at the home of Mr. and Mrs. Joe Holota. Films were shown on wild life and fishing. A good time was had by all.

The Kawartha Kennel Club by Mrs. Rhodena Sheepway R.R. 2, Oakwood, Ont.

The December meeting was held on Tuesday, December 6 at the South End Fire Hall in Peterborough; our President, Tom Armitage presiding.

Our Show Secretary, Mrs. Thomas, reported that she had received confirmation from the Canadian Kennel Club of April 22 as the date for our dog show. It will again be held at the Armories.

Following the custom of the club, several members were presented with silver coffee spoons engraved with the letters "K.K.C." in honour of having successfully guided one of their dogs to a championship during the past year.

Following the business meeting we enjoyed a film on the training of Retrievers and another on Goose shooting on James Bay. Refreshments were served following the film.

Kitchener-Waterloo Kennel Club by Kay Rudow 201 Regina St., Waterloo, Ont.

Our club meeting was held November 24 at the Pines Inn, Bridgeport, with a very good turn out.

Alice Simpson showed the members the ribbons and trophies her father, Mr. W. J. Merriot, won with his champion dog; congratulations, Mr. Merriot; we all hope for the same thing some day.

A very successful Obedience Graduation class was held November 29, by Ruth Hebel, Obedience Chairman, and Instructor, Jack Simpson, a member of our club judged the dogs that evening.

The Christmas party was held December 3, at Hurlbut's Restaurant in Kitchener. A turkey dinner was served, followed by lots of fun, and dancing, especially a certain Mr. W. G. who enjoyed himself tremendously, and what was Mr. D. S. trying to do?

John Ritchie, our President, presented three members with achievement awards: Mrs. Alice Simpson, Mrs. Ruth Hebel and Mr. and Mrs. Doug Schwoob. Our guests were Mr. and Mrs. Burr from Hamilton. Thanks go to Mrs. Honey Veitel, our social convener, for a very lovely evening.

London Obedience Association by Mrs. Patricia Barton

Here we are at the beginning of another year and it is the hope of our club to make it even more successful than 1960.

We closed last year with a Christmas party at which most of the club members were present, and certainly the party could be termed a success. Everyone had fun and it seemed the ideal way to end 1960.

Since our last letter we have had four successful demonstrations of Obedience work for Boy Scout packs and church groups with an average attendance of 25 to 30 young people. There are two more of these demonstrations to follow and if they are as well received as the last four classes we shall be more than happy. We have had the co-operation of the Public Utility Recreation Committee which sponsors recreational activities, and it is through their assistance that these classes have been arranged. Free classes will be started in January for those boys and girls who are interested in training their pets.

Weekly tracking classes are being conducted for club members who are interested and these are being well attended.

Our aim for this year is to have every member attend every meeting and to participate fully in the club's activities. Let's hope we are successful!

Happy New Year to all.

Mountain City Obedience Club by Mrs. Blanche Walton, 7750 Ave Du Mail, Ville D'Anjou, Montreal 5, Que.

The first Candy Jones Handicap of this season was held at our Jeanne Mance St. Hall on November 19. This is one of two perpetual trophies awarded to MCOC members by Mr. and Mrs. Hawkins, and makes for lively competition within the club. The trophy is awarded for the highest aggregate score obtained in three competitions, on a handicap basis. The other trophy is the Star Sweepstake trophy which is offered for the three highest scores obtained at licensed obedience trials in Canada or elsewhere during one year. We are indeed grateful to Mr. and Mrs. Hawkins for these beautiful trophies.

We are also very proud of our new Roll of Honour scroll which has been so beautifully prepared by Mrs. Betty Stockton. This shows all legs and titles earned by dogs in MCOC and is a fine work of art.

The first of the current series of Inter-Club competitions was held in Jeanne Mance St. Hall on December 1, and we are very proud to say that the MCOC came out on top with a score of 653½ points. Well done to the three dogs who made this possible, Poodle "Tuppy" Smyth, Poodle "Twinkle" Burke and Doberman "Rex" Nyberg. Our sincere thanks to the judge of the evening for his excellent job, Mr. Alan Sharp of the Montreal Dog Obedience Club and to the stewards of the evening from the 200 Club. The buffet was delightful and our thanks for this very important job go to Mrs. Gwen Halliday and Mrs. Marge Owen.

I do hope that when you receive your new 1961 calendars you will mark them with the dates of the Milo Pearsall Clinic, February 4 and 5 in the Hussars Armories in Montreal. There will be a buffet dinner following the Saturday clinic. This is an excellent chance to iron out any problems before our trial at St. Jerome, also in February.

We are indeed pleased to welcome to our club Miss G. Shields, who comes to us from England. She is an inactive member, due to

12 Best in Shows 26 Group firsts

We congratulate Bobby Dykes of Edmonton on his outstanding win with the "NO REGRETS" puppy, Walmars Rob Roy, who, at six months of age, placed second in the group, with nine terrier breeds competing, and beaten only by the excellent Scottie, Ch. Canties Ace.

We have a lovely litter sister of Rob Roys for sale.

the fact that her dogs are still in England. May you enjoy our club activities. We also welcome two new active members, Miss Judith Stewart and English Cocker Spaniel "Tory", and Mr. Jacques Langlois and Standard Poodle "Pirate". Good luck to you both.

Here's wishing everyone a Very Happy 1961 and keep the blue ribbons coming in.

Oakville & District Kennel Club

by Lt. Col. M. Drury

55 Reynolds St. South, Oakville, Ont.

We are getting back to normal after the hectic efforts of staging our annual Championship Show and Obedience Trial, held on September 10 last. We may state, with satisfaction, that the show was a success in every way. Results will appear in *Dogs in Canada*.

We mourn the passing of one of our charter members, Mr. Jack J. Staples, who died suddenly at his home in Oakville on October 22. Mr. Staples was an oldtimer in the dog game. A breeder of Shetland sheepdogs with frequent wins to his credit, he enjoyed the friendship and respect of his many friends in the fancy.

We have lost the valuable services of two of our club directors, Mr. and Mrs. J. E. Hicks. Mr. Hicks and his family have left for Australia, where he has been sent on business by his employer, Ford of Canada, for one year. They were hard workers in the interests of this club, and we were sorry to see them go, but from a business point of view we must extend our congratulations.

Guests at our October meeting were Mr. and Mrs. VanTol, the former a brother of our L. J. VanTol. They had recently returned from a visit to Holland and showed us excellent color slides of the annual Holland Tulip Festival, which they described for our entertainment. They also had a number of colored slides of the VanTol Florists gardens on Royal York Road.

Dogs were in the spotlight at our November meeting. Specimens of various breeds were on hand to provide an opportunity for members to familiarize themselves with breeds other than those in which they are directly interested. Arrangements for the evening were made by our Vice President, Art Merklinger. As the dogs were shown, owners defined their show points, purpose of the breed, country of origin, life span, general conformation and other characteristics. Sealyhams were described by Mrs. Sally Furlong; Miniature Poodles by Alf Veale; English Setters and Doberman Pinschers by Bob Treble; Boston Terriers by George Kennedy and Dachshunds by Mrs. Mansfield.

Election of officers and directors for 1961 were held in connection with our December general meeting.

Oshawa Obedience Association

by Peggy Boorman,

22 Frank St., Oshawa, Ont.

The December meeting of our association was very well attended and plans are shaping up for a very busy winter for all our members.

Our first graduation class for the season will be judged by the very capable Mr. Reg Scott of Port Credit.

The next training classes will begin on January 12.

Congratulations to Helen Bathie and Jean Goode for a very successful bowling party held at Port Perry and enjoyed by all the members. Let's have another one soon.

On February 6 we are having an open meeting and we want to remind all of our members to bring along a friend and make this meeting a huge success.

The deepest sympathy of our association is extended to the family of Mr. J. H. Daniell-Jenkins. His sudden passing was a shock to all of his friends and associates. He will be greatly missed.

Ottawa Kennel Club

by Wilhelmina Bales,

158 Russell Ave., Ottawa 2, Ont.

The monthly general meeting was held in the Board Room of the Ottawa Humane Society, on November 26.

Mr. J. W. Dockrill, 1st Vice-President, was in the chair in the absence of the President, Mrs. Neill Malcolm, who is vacationing in Florida Keys with her husband.

Mr. Dennis Hayes, the energetic chairman of the dinner dance committee, reported on the 4th annual dinner dance which was held in The Assembly Hall, Lansdowne Park, on November 10. This event was a huge success and is proving more popular each year as a delightful social event and get-together for members of the club and their friends.

The show committee reported progress made in planning for three Sanction Shows to be held in January, February and March. Much progress has also been made in planning the championship shows on May 5 and 6, 1961. Mrs. D. Lovett, chairman of the prize committee, gave a most encouraging report on her committee's activities.

The many details of all forthcoming shows are rapidly getting in order under the capable chairmanship of Mr. J. W. (Doc) Dockrill.

Secretary Al Bishop explained steps being taken for publication of a small monthly paper to be mailed to all members of the O.K.C. and also to veterinarians and pet shops. This pamphlet will outline the club's activities and contain items of interest and help to the dog fancy.

A most sociable round-table chat followed the meeting while refreshments were served.

Pekin Palace Dog Club of Canada

by Mrs. Vera Pasek

Bridgeview Survey P.O., Ont.

Our combined November and December meeting was held Sunday, November 27 in Thornhill. The meeting was well attended and two new members were welcomed — Mr. and Mrs. Langebeck of Georgetown.

It was decided we would make an all out effort to secure new members. With this in mind our membership fees were lowered considerably. We would welcome inquiries. Anyone interested please contact: Toronto area — Mrs. Betty Peckhover, 123 Byng Ave., Willowdale, Ont., Phone — Baldwin 5-1213. Hamilton area — Mrs. Vera Pasek, Bridgeview Survey P.O., Ont., Phone — Jackson 7-0083.

Dr. Florence Brown was kind enough to attend our meeting and conducted an informative question and answer session. Topics discussed: internal parasites, skin conditions and tips on methods to try to produce healthy profuse coats.

During the summer show season no meetings were held; our members, however, were active in show circles. Several members finished the championship on their Pekes. Mrs. Paul has been busy as judge both here and in the U.S.A.

Our secretary, Mrs. Betty Peckhover, has returned from her visit to Holland. She purchased a two year old Pekingese bitch, "Christo's Milanda", of English and Belgian blood lines.

We would be very happy to receive calls from any Peke owner, breeder or fancier. Let's build up our club membership.

The Progressive Kennel Club Inc.

by Gertrude W. Drew,

120 Ranleigh Ave., Toronto, Ont.

The annual meeting held on December 7 brought to a close another year of successful work and marked the beginning of the New Year. The large attendance included three new members, Mr. and Mrs. R. White of Newmarket and Mr. J. Spencer of Toronto, who were given a hearty welcome.

Reports from the various officers were given and approved. The auditors' report was somewhat lengthy but very complete and informative. The auditors, Mr. A. H. Lake and Mr. S. Whitmore were thanked for the excellence of this report.

A Sanction Show to be held on February 19 was approved, and will be held in York Farmers Market. The judges and other particulars will be announced later.

The president, Mr. C. Stevens, informed the club of the tragic death by accident of Mr. J. H. Daniell-Jenkins. He called on Mr. Walter Brown, President of the CKC to speak on this sad affair. Mr. Brown spoke briefly, emphasizing the high respect in which Mr. Daniell-Jenkins was held, the splendid work he had done on behalf of the CKC and other dog clubs. He then asked that a minute's silence be observed.

Our deepest sympathy goes out to Mrs. Daniell-Jenkins, who was injured in the same accident and to Mary, their daughter. Mrs.

Daniell-Jenkins was able to attend the funeral but we understand she is back in the hospital. Best wishes go out from this club for a speedy and complete recovery. Both Mr. and Mrs. Daniell-Jenkins were members of this club for many years.

The annual election of officers for 1961 took place and Mr. Walter Brown was asked to preside. The results are as follows: President, Mr. C. Stevens; first Vice-President, Mr. A. H. Lake; second Vice-President, Mrs. Gertrude Drew, Secretary Treasurer, Mrs. Mary Lake. The office of Recording Secretary was not filled. Associate officers elected were: Show Secretary, Mrs. Martha Stevens; Show Committee Chairman, Mr. Ken Clarke; Social, Mrs. Kay Shanks; Membership Committee Chairman, Mr. Lake; Auditors, Mr. Lake and Mr. Whitmore.

The executive office of recording secretary and the following associate offices will be filled at the January meeting; show superintendent, bench committee chairman, publicity.

With the beginning of the new Year let's begin with a bang-up attendance at Club meetings.

The Provincial Irish Setter Club

by Gertrude W. Drew,

120 Ranleigh Ave., Toronto, Ont.

The combined November and December meeting brought out a full house. Some came considerable distances to attend.

The October Specialty Show was reported on and although we were three entries short of last year we still had a better show. The children's handling class was much larger, with ten entrants.

The auditors' report was read which showed the club to be in good shape. In accordance with our constitution a resumé of the highlights for the year was prepared by the recording secretary and is in part, as follows:

"Prizes were procured for The Hamilton Kennel Club and the Progressive Kennel Club. These were paid for with money from our trophy fund. As the club's booster show was held in conjunction with the Progressive Kennel Club all breed show, prizes for all classes were donated.

As the weather was excellent, our booster show was presented outside. This booster was extremely successful and most picturesque as our movies of the show proved. The entry here was 23.

Some fine demonstrations were given to club members on grooming and trimming the Irish and in the care of feet and ears. Articles were read on breeding emphasizing to breeders, that firstly we must breed from the best and to the best and that the health, beauty and fruitfulness of the breed depends on excellent feeding and good environment. A lecture on proper feeding was also enlightening.

Club crests were procured for the members this year and the raffle held in June was quite profitable. The raffle provides expense money for the club's operations.

Training classes were held throughout the Spring and Fall to familiarize the newer members on the handling of their dogs in the show ring.

Several films were shown on Field and Obedience work and a lecture was given on the points on which a dog is judged in the show ring and in what order. A statistical chart was prepared to acquaint the members with the various ribbons, how they were attained and show ring procedure in general.

Once again the highlight of the year was our Specialty Show. This show was well attended and the sight of these beautifully groomed Irish presented in the show ring made the enormous amount of preparatory work most worthwhile. The large number of trophies and prizes so graciously donated were very elegant and the decorations were both fitting and attractive.

The experience and knowledge gleaned from the instructive program throughout 1960 was certainly in evidence and proved that this year's activities have been highly successful."

The balance of the evening was spent just having fun. A program of games, skits etc. was prepared and everyone joined in the activities and made the evening a real happy event.

A very attractive buffet luncheon was served by our hostess, Mrs. Lake and her assistants. This proved to be the most important part of the evening as festivities were so inviting.

Thus another year of work on behalf of

Scottish Terrier Club of Canada by Mrs. Harry Fraser

The annual meeting of the club was held November 30 at the home of Mr. and Mrs. Harry Fraser.

There was a splendid attendance. The election commissioner, Mr. Ted Gundersen, presented the report of the officers for 1961, which are as follows: President, Mr. Fred Fraser; Vice-President, Mr. Steve Titus. Second Vice-President, Mr. John Treleaven; Secretary, Mr. James Armit; Treasurer, Mr. B. F. Stoughton. Directors: Miss Irene Ball, Mrs. Harold Loughran, Miss Betty Stothers, Mrs. E. Picton, Mrs. Harry Fraser, Mr. Donald Fraser.

The Treasurer presented the financial statement which indicated a healthy bank balance. Plans were then discussed for our 1961 summer show, and the matter is to be pursued further with the CKC on our particular type of terrier show. Plans were also made to hold monthly meetings from now on, and a campaign is to be undertaken to solicit further owners of terriers to join our club.

At the conclusion of the meeting refreshments were tastily served by Mrs. Fraser, assisted by the lady members present.

Skyway Obedience Club by Harry Wilkinson,

143 Fairfield Ave., Hamilton, Ont.

The monthly general meeting was held in Iron Duke Hall, on November 12, with Don Peall in the chair. Mrs. D. Peall acted as Secretary. Dorothy Walker was elected chairman for the election of officers held December 10. Mr. Harry Stretton and Mr. Ron Sims were elected as auditors.

There was a lengthy discussion on setting up our trial. This was left over to a later date for more information, as it was felt with so many members working and training for stewarding it was a little too much at this time.

It was brought out that any committee should be comprised of no less than three members. Our graduation of Fall classes took place on November 27. Mr. Don Foster from St. Catharines was judge. Nineteen dogs competed, three in CDX and 16 in CD. Twelve dogs qualified with scores from 191½ to 197½ with a tie-breaker in two classes, Novice A and a tie for top dog in Novice B. Mr. Harry Kergan, handler with Bon Bon (White Poodle) took top honors, Novice A. May Moyer with Star (Shepherd) took top prize in Novice B. We must say she was a very happy person.

Out of the 4 Classes, three in CD and one in CDX, the following dogs took top score in class: Harry Kergan with Bon Bon, CD; Carol Ceroni with Stormy, CD; A. Amery with Lady, CD and Harry Wilkinson with Chips, CDX.

A special vote of thanks goes to the following, our training chairman Dorrie Kirk for keeping classes running smoothly and Myrt Briffith for the splendid job she has done all through the classes regarding refreshments.

The "200" Club

by Laura McNally,

62-4th Ave. S., Roxboro, Que.

A new year, a new season of dog training has started. But first let's see what the "200" accomplished through 1960.

As a club achievement, of course, the Inter-Club Trophy heads the list. We are very proud to be the first home of this fine award.

Activities included stewards' and trainers' courses, both enthusiastically received. The club provided stewards and equipment for the L.K.C.'s Ste. Anne trials, giving us valuable experience. Club pins appeared on the scene with everyone hoping to complete titles so as to add the "jewel" sequins to the pins. Television appearances on the CBC's "Junior Magazine" and the local "Au Jeu" proved stimulating and interesting. Obedience demonstrations by the "200" included one at the rally of Scout Patrol Leaders, its purpose to encourage interest in the Dog Handler's Badge. An hour-long display at the

MRS. F. M. PEACOCK, 2253 Fassel Ave., Burlington, Ontario — NE 4-7117

Sunday all-breed show of the L.K.C. at the
Town of Mt. Royal arena resulted in num-
erous inquiries from the public about our
hobby.

Our first sherry party, at the home of
Dean and Mrs. Mordell, gave us a chance
to talk, talk, talk — mostly dogs of course.
Some lucky members travelled to the Pear-
sall Obedience Clinic at Burlington, Vermont,
sponsored by the Champlain Valley KC and
returned bursting with anecdotes and new
training ideas. Throughout the year dogs
trained with us were competing in Canada,
U.S. and Bermuda.

Our 1960 review reveals members' dogs
earning 18 titles! This consists of ten Cana-
dian degrees — eight CD's, two CDX's and
eight American degrees — three CD's, two
CDX's, one UD, two TD's. Club dogs won
a total of five highest score in trial awards.

That's the old year, and a pretty good year
it was too. In our own small way we feel
we did our best for Obedience. May 1961
continue the healthy growth of our favorite
hobby — Dog Obedience Training.

The Weimaraner Club of America, Region 23

by Mrs. Helen Schulze,

Box 102, Niagara Falls, Ont.

In May, I gave a resume on the work done
so far, now I would like to talk about fur-
ther events I attended as Governor of Region
23, and as a member of the executive board
of the Weimaraner Club of America.

In September, I flew to Toledo, where the
Eastern Specialty and Bench Futurity 1960
was held. I would like to remind readers
to keep in mind, and get acquainted with the
Futurity rules. There is money in it. You can
sell your puppies for a higher price and your
buyers have a chance to participate for top
honors in the field and on the bench.

My second show was the Weimaraner
Specialty in Albany. I was invited as guest
of honor by the show committee and it was
fun to meet with people from the Upper New
York Region. The show itself was a big
success and it finished with a superb supper
at the home of one of the Weimaraner mem-
bers. The rest of the night was spent in
swapping tales about our silver grey dogs.

On November 16, I took off for Syracuse to
participate in the Weimaraner National Field
Trials and to attend the third Executive
Meeting.

Here are most of the important points of
the meeting:

As you have read in the last four or five
issues of your magazine, a lot of publicity was
given to the Monorchid-Cryptorchid problem.
This was voted on and from 1962 futurity
dogs and field trial dogs are disqualified if
they are either one or the other. The AKC
and CKC took care of the bench shows. Most
of the time was spent on the Standard.

I was elected chairman of this committee.
Our Canadian club had done quite consider-
able work on it in the last few meetings
and our President, Bill Bell, and our com-
petent Secretary, Jay Whalen, worked every-
thing out beautifully, so I could present to
the board meeting a complete paper on this
so important issue. We can not finish up
this part of our work, but we are a good
step ahead on it.

As chairman of the trophy committee, I
was able to collect a sum of money through
selling the Weimaraner pins to enable the
club to buy again an Amateur Open Dog
National Trophy. This trophy was withheld
for the last three years for lack of funds.
The trophy is a solid silver bowl 10" x 16",
and is worth a few hundred dollars.

The National Field Trials were held on
2500 acres of Baldwinville Game Preserve,
and by beautiful weather 70 top dogs from
all over the country, California, Texas, the
middle West, Rhode Island, Connecticut, Pen-

Romacliff Kennels, Reg'd.

nsylvania, New Jersey, New York States, were able to attend. The clubhouse on the preserve was a beehive of activity during the four days of the trial. A gallery of 30 horses and riders followed as average each trial. Two dozen or more cars lined the roads around the course.

The winner in the Futurity was Sugarfoot, 18-month-old, and the runner up was a sweet little female, named Jill, with which your Field Trial Chairman and your Treasurer, Don and Roberta McGill fell in love. Don and Roberta joined me in Syracuse and I feel they learned a lot about Weimaraners and are a lot prouder of our breed after these trials.

The purse for the Futurity Stake was \$1900. The open champion stake went to Oliver v Schaghaussen, owned by Dr. Greenfield. The runner up was Wofull Willy owned by Dr. Clarkson of Chicago. The purse \$900.

A banquet was held on Saturday night when the trophies were presented and a good time was had by everyone. With regret good-byes were said to old and new friends on Saturday morning, hoping to see each other next year in Chicago.

Now to our Canadian activities. Our members in Toronto are very busy in the All Purpose Gun Dog Club, but the field trial we were hoping to hold in the Fall did not materialize. Club members were not ready, neither were their dogs. So our next big event is the Specialty Show in connection with the Sportsman Show in March 1961.

So get yourselves and your dogs ready and come to make this event an outstanding one. Let us make it a big success.

To all of you, Happy Holidays.

The Windsor and District Kennel Club

by Joyce Roberts,

"Canidae", R.R. 2, Maidstone, Ont.

The club held their last 1960 meeting on December 6 at the home of Mrs. A. Butcher, hostess Mrs. A. Ferguson, with our President, Mr. N. Prinsen, presiding. Various reasons prevented us having a November meeting.

Nothing much new to report this time. After discussing several matters regarding our coming shows and some minor items of business on the agenda, we decided it would be very agreeable to start off the New Year with a party. We have been very seriously working hard to make our shows a success and so now we are going to relax a little and enjoy ourselves.

Quite a few members are showing dogs with very good results in the U.S. lately. One advantage of living so close to the border is that we can easily continue our show activities over there when the Canadian season is ended. We have met some very nice and most enthusiastic "doggy" people in the States. One of our more knowledgeable members, Mrs. Agnes Napier, lives in Birmingham, Mich., and has been a great help to us with matters pertaining to shows.

I hope this isn't too late to wish everybody a very happy New Year.

The Working Dog Association of Alberta

by E. W. McDonald

304 Hendon Drive, Calgary, Alta.

May I give you the first details in the way of canine clubs in this province, for a long time the members of the several clubs in the Province of Alberta have been conscious of the growing need for a specialty club to cover the breeds in Group Three, most of the other groups were already covered.

The Alberta Kennel Club took it upon itself to sound out the opinions of various interested breeders and in October an inaugural meeting was held and the under-mentioned slate of officers drawn up. We then produced a regular constitution and this was forwarded to The Canadian Kennel Club and we have received their recognition.

We all hope that with the cooperation of the other clubs in the province that we shall be able to advance the wants of the Working Dog.

Officers are: President, Mr. William Lang; Vice-President, Mr. James McLellan, second Vice-President, Mr. Elmer A. Moore; Treasurer, Mrs. Dorothy Anderson; Secretary, Mr. Eric W. McDonald (address shown above); Executive: Mrs. R. Barnes, Mrs. Frances Lang, Mrs. Natalie Maydanski, Mr. H. W. Keller, Mr. J. C. Anderson.

BEST OF VARIETY

It's a Dog's Life

Tarzan of Richmond, UDT, always a crowd-pleaser, retired himself at a combined show in October, 1960. This 7½-year-old German Shepherd, after making three attempts on his own to return over the jump, each time backing up and circling wider to come in again to stop before the jump (once even putting down the dumbbell in order to better judge the height) began to doubt his continuing ability. After his third approach, this thinking dog made the momentous decision that this was no longer for him. Wheeling around once more with dumbbell in mouth, he no doubt said to himself: "I'll never make it, so I might as well leave the way I entered."

I may be only surmising but I do believe that my heart wasn't the only one to break a little at this exhibition of doggy tactics of a gallant member of the Working Group in the Obedience ring.

Five Dollars will be paid to the sender of an authentic anecdote selected each month to appear in this department. Items, which must not exceed 150 words, may tell of an heroic action, an hilarious incident concerning your dog, or describe an incident where a dog used real ingenuity to solve a problem. Items submitted cannot be returned unless accompanied by a stamped self-addressed return envelope. Address, "It's A Dog's Life", Dogs in Canada Magazine, 1173 Bay St., Toronto, Ont.

DOGS IN FRANCE

The French have nick-named the low-built Dachshund "loin du ciel", meaning "far from heaven", because of his proximity to the ground.

At Colomby-les-Deux-Eglises, private estate of President de Gaulle, a friendly dog takes daily walks with his tall imperious master. His race, name and age are kept a "state secret".

Pablo Picasso, renowned painter, owns a Boxer with unclipped ears. Brigitte Bardot has given her Cocker Spaniel the English name Clown. He was portrayed on the birth announcement with his master and mistress at the birth of baby Nicola. She has another dog she picked up on location in Spain. Name is Guapa, but breed unannounced.

HOW'S YOUR K-9 IQ?

by Leslie Brian Rogers

1. What very famous French Queen was an admirer of the Papillon?
2. Is the Eskimo Dog closely related to the wolf?
3. Which breed has a disqualification for feathering on tail or legs over 1½ inches long?
4. Do Bloodhounds attack the men they are trailing?
5. Is a distemper inoculation absolute security that your dog will never catch this dread disease?
6. Which breed has a ridge of hair on the back which grows in the opposite direction to the rest of the coat?
7. In what breeds is it a disqualification to remove the dewclaws?
8. What type of Newfoundland is not black in color?
9. How many varieties of Schnauzer are there?
10. Is a Boxer disqualified if it has a white ground color with about one-third of the body a deep red?

ANSWERS

1. Marie Antoinette.
2. No. Eskimos have crossed with wolves only in isolated cases.
3. Chesapeake Bay Retriever.
4. No. The work of the docile Bloodhound is complete when he has reached the end of the trail.
5. No. Never expose your dogs to diseased animals or quarters even if inoculated.
6. Rhodesian Ridgeback.
7. Briard, St. Bernard and Great Pyrenees.
8. Landseer.
9. Three — Miniature, Standard and Giant Schnauzer.
10. Yes.

RATING

- 10 points—Excellent.
8 to 9 points—Very Good.
6 to 7 points—Good — about average.
5 points—Fair — You're off to a start.
Less than 5 points: You need brushing up!

ATTENTION CLUBS

The fact that many breed and specialty clubs are showing movies as part of their education and entertainment programs brings up a question:

Does your club prefer a 16mm. sound film or an 8mm. silent film which can be shown on your own projector and accompanied by an identification commentary sheet?

Please have your secretary write *Dogs in Canada*, 1173 Bay St., Suite 301, Toronto 5, Ont., with this information and any other comments.
