Champions agree that a dog needs to chew, for healthy teeth and gums. But he doesn't need the splinters or upset digestion a real bone can give. That's why Milk-Bone, with its firm bone-shape, is just the ticket. Milk-Bone gives a dog all the nourishment of milk, meat, bone-meal and vegetables.

Whatever else your dog eats, he needs Milk-Bone to satisfy his bone-hunger. Get Milk-Bone in the size that suits the size of your dog—regular or large.

COVER STORY

This month's cover dog is a Shih Tzu; Ch. King of Clarebrand, first member of its breed to attain its championship in Canada. He arrived in this country in 1958 with two certificates towards his English title. He was shown to his championship by his owner, Mrs. Joseph Kersch, Metropolitan Kennels, Montreal, and placed in his Group each time shown. Other dogs at Metropolitan who have completed their championships are the Toy Poodle, Can. and Am. Ch. Debonair O'Millhurst (brown) and Can. Ch. Renrew's Black Magic. Debonair finished his title within three months with Group placings. He has eight points toward his Bermuda championship as well, under the fine handling of Mrs. Nancy Openshaw.

Black Magic finished his championship in five shows. Both these Poodles were capably handled by Faye and Don Fitzgerald of Florida.

The Lhasa Apso, Ch. Lucky Boy, completed his championship in 1959 as did the Shih Tzu, Roadedge Yin-Yo. Our congratulations to Mrs. Pamela Mack of Mackson Kennels, Reg'd., Dorval, P.Q. for the capable handling of Yin-Yo as well as completing the championships of Beaver and Louise, both Shih Tzus, who attained their title under a year of age. Beaver and Louise made their first appearance in Ottawa in 1960, handled by Ruth Mingie and Evelyn McCullough of Pointe Claire, P.Q. At his first shows, Beaver placed in the Group each day. Louise's progeny make their debut this summer.

Our congratulations too, to Mrs. Vincy Krauser of Montreal West, who handled the Toy Poodle, Maurice, through to his championship. He started his show career last year under Mrs. Krauser by going Best Canadian Bred Puppy in Show at the Ladies' Kennel Club of Canada show in June, 1960.

We wish our handlers the best of luck in all their endeavors.

Mrs. Joseph Kersch

The Shih Tzu (pronounced "Sheed Zoo") is a Sino-Tibetan product bred from the last remaining stock of the Apsos of Tibet (which had been presented to the Chinese Court) and the Pekingese of China. Actually the breed was created by the Chinese, according to the noted authority, Clifford L. Hubbard, who named them Shih Tzu, meaning Tibetan Lion Dog.

This unusual breed comes under the heading of Non-Sporting and is not a Toy. He is a very spunky, alert little dog, with arrogant carriage and impressive character. Look for this dog in all colors, but for the best, seek a white blaze on the forehead and white tip to tail. It is acceptable for dogs with liver markings to have liver noses and lighter eyes.

An excellent size for the small home or apartment, the Shih Tzu stands about 11 inches at the withers. In the show ring, some variation in height is permitted — if all the other proportions are correct and true to type.—Ed.

FROM THE EDITOR

Should a book of Standards be available in the ring for consultation by judges?

Since Mr. George Foley's suggestion to this effect appeared a few months ago, (*Dogs*, March, 1961 issue) the question has come up for discussion among judges, writers and exhibitors.

Our own first thought was certainly not. If a judge is not thoroughly familiar with the Standards, he is on the wrong side of the ring.

But can a man or woman recall, word for word, the last detail of the requirements for the breeds he is judging? Should an all-breed judge be able to quote accurately, at any given time, the Standards for more than 125 breeds? A person with such a photographic mind could have readily captured the bounty in the former *$64,000 Question*.

It is entirely possible to remember accurately 100 details and temporarily forget one, particularly toward the end of a long day of strain. And strain it is. Put yourself in the shoes of a judge. This specialist has been assigned the task because of his knowledge and experience in the field of dogs. But that does not mean his work is a cinecure. Have you ever sat at the ringside and tried to evaluate the dogs, entry by entry, in some breed with which you are familiar? After a few classes it becomes wearing. Lack of total recall, for a moment, does not indicate incompetence. If there is a tight decision between two nearly perfect specimens, the judge may be indecisive on one fine point. If he can know for certain, it is surely better than making even a slight error and giving the win to the lesser dog. As one top judge says, "I'd a darn sight rather be right than bluff through with a guess."

Even now, more than one top judge carries a notebook with a few points on which he must be meticulously sure. There is nothing wrong in this. After all, he is not undergoing a written test. It merely indicates an honesty and conscientiousness.

Says one well-known judge: "If I am going to disqualify a dog for any natural or unnatural detail, I want to be sure I'm right. Or if I call a veterinarian into the ring I want to be able to show him the paragraph involved. A vet is not a judge and can't be expected to know the Standard. If I am suspicious of false coloring, it's best to have the official ruling on hand. For example, if a dog's toenails are dyed, in order to meet with the color called for, I want to be able to show the owner in print the reason for disqualification."

Another example: A Chow Chow's tongue is black. Supposing pink spots are showing. Are these a mismark or the result of biting? A veterinarian would likely be called in the ring to examine the tongue. If they are scars, there is no disqualification. Here the veterinarian and exhibitor both can be shown the printed word on the subject. What might evolve into something unpleasant is cleared before resentment starts.

Whether or not the book of Standards will become standard equipment at the stewards' table we cannot say. It might appear rather startling at first. Canadian and American exhibitors are simply not accustomed to seeing a judge scan a book in the ring.

They are, however, familiar with their doctor or lawyer consulting tomes on some involved question. In fact, it is almost expected — the client wishes no guesswork in his case.

The fact that so many breed Standards have been changed in the past year and that a number of Canadian Standards vary somewhat from the American concept is another reason for the Standard being present. The increasing entries flowing both ways across the border brings this point to the fore. Many unnecessary disappointments could be avoided if there is no possible doubt as to CKC requirements.

If a judge were to consult the Standard to an inordinate degree he would obviously not be adequate and wouldn't last long in the field.

Interestingly enough, it is a requirement of The Canadian Kennel Club that the Standards be on the premises. Section 12 of the Dog Show Rules states: "A show-giving club must have available through their bench show committee a copy of all the Standards of breeds recognized by The Canadian Kennel Club, and at least one complete copy of The Dog Show Rules of The Canadian Kennel Club."

While on the subject of shows, one of our readers has suggested that while a commentator's description of each breed is most helpful to spectators, a blown-up sketch of the breed would create even further interest in the fine points. Large, easily-read lettering could indicate requirements, i.e. "musts" for ears, jaw, rear, and others. Every bit of increased knowledge in the whys and wherefores of judging conformation would, this reader believes, help stimulate public interest in the purchase and care of purebred dogs.

If you have any suggestions, any comments or constructive criticism to make concerning articles or other items contained in this magazine, or with regard to shows, your opinion of what is happening to various breeds with regard to size, colour, coat, etc., write a brief letter to the Editor. MOST OBEDIENT PUPPY

. . . We are very proud of one of our Shelties, Sunnycrest Prince Roderick. "Prince" completed his CD in his first three trials at the age of nine months and 21 days.

On May 21 in St. Catharines he had a score of 199 and won the Highest Score in Trial. We believe he is the youngest dog to win this honor. We would be interested to learn if he is also the youngest dog to get his CD. Prince has one leg of his American CD with a score of 196.

His happy owners are Mr. and Mrs. William Kershaw of Brantford, Ont. It was the first time Mrs. Kershaw has trained and shown a dog and we think she did an excellent job.

A DECADE OF "DOGS"

. . . We have been reading *Dogs in Canada* for ten years and certainly enjoy it. The last few years have certainly seen a great change in the publication. To our way of thinking it is a credit to the dog people of Canada.

MISSING (OBEDIENCE) PERSONS

. . . May I, through *Dogs In Canada* remark on the marvelous clinic which Miss Blanche Saunders conducted at Burlington on June 10. I was chagrined and even embarrassed that a person of Miss Saunders' stature in Obedience was confronted with such apparent lack of interest as evidenced by the limited number of spectators.

It surprised me and many others, that the so-called "Obedience enthusiasts" were not on hand to enjoy and digest this highly informative and interesting evening. Those present both as spectators and with problem dogs will agree, I am certain, that Miss Saunders taught us a great deal.

It was a pleasure indeed to witness first hand her methods as outlined in her books.

Although many of the visitors of the evening came great distances to learn, there were I think, too few of area Obedience people in attendance. May I therefore be bold enough to offer my personal public apology to Miss Saunders!

DOROTHEA ENGELS

Burlington, Ont.

. . . Oh, you Obedience-minded people. Where were you Saturday night? Here at your very door step was the opportunity of a lifetime to watch, listen and participate while Miss Blanche Saunders, noted Obedience authority, conducted an Obedience clinic giving freely of her time and patience to help you train your dog. Many interested persons attended from as far as Sudbury, Montreal and Buffalo but obedience class trainers were most conspicuous by their absence. Where were the members of the Brantford, St. Catharines and Simcoe Obedience Clubs? I did not see anyone from the Skyway or Hamilton Obedience Clubs that were not members of the Burlington & District Kennel Club as well. There are 18 clubs and some 30 individual members of the Ontario Obedience Association. Where were you? Fewer than six individual members of this association attended.

You passed up this wonderful opportunity to observe a pioneer of Obedience training demonstrate her knowledge gained from 25 years of experience in training dogs, dog owners and future judges. Why or how I cannot put down in words the effectiveness of Miss Saunders' manner with dogs. There was not a dog that cringed from her or would not cooperate — the nervous ones, the lazy bones, the biters and fighters. Could you do as well?

Do you feel there is nothing to be gained from such clinics? You as a trainer of others should be out to gather tips and aids to pass on to those depending upon you as a guide. The more you learn the more you realize there is to learn.

To quote an attentive participant "I don't know when I have gained so much knowledge that has cost so little" — most definitely the feeling of us all.

WITH CHILLED MEMORIES

. . . I read with interest your editorial in the April issue of *Dogs in Canada*.

As exhibitors we are fairly new to the show ring but not without success. We looked forward to the Sportsmen's show not only as a chance to compete in the ring but since it was a benched show, for the opportunity of exhibiting our breed to the public. Unfortunately, this was not the case — the benching was so sprawled out and so few were accommodated in one place that most people could not be bothered walking the miles of empty benches to view a half a dozen dogs at one end. Those with small breeds were fortunate to be quartered in the same room as the show rings and therefore more comfortable and satisfied with the set-up. However, we and many more like us were stached in long cold corridors of all but a few empty benches — even spectators would be brave to enter the frigid atmosphere where the exhibitor and his dog were required to spend at least 12 hours each day. I always felt that a benched show was just that and all dogs would be benched for the benefit of the spectators. Why special privileges to handlers and owners of small breeds?

I think this factor perhaps contributed much to the feeling of bad sportsmanship. . . . Win or lose, at least one ended up with a bad cold and at worst a sick dog. . . . Why should any breeder pay this price for the publicity of the Sportsmen s Show? We feel that 'second thoughts' are in order to take a chance on like accommodation next year, and I think a lot of exhibitors will agree that this is too high a price to pay for ribbons and show points that can be just as easily won or lost at other shows where a little more thought is given to the exhibitor and his dog, who, after all, make the show possible. This too is Sportsmanship!

THEATRICAL TRICK WORKS

. . . In the "You Were Asking column (May issue), someone asked how to remove fresh paint from a dog's coat.

An easy and harmless way is to rub in a generous amount of cold cream or vaseline. Working upward from the hair root, knead the hair between your fingers, loosening the paint. Wipe off the cream with facial tissue or a rag and the paint is off. Usually one application does the trick.

Having seen a dog and also a cat badly burned with turpentine, we cast around in our minds for a safer method the first time our Labrador Retriever trotted home, striped like a skunk, after crawling under a freshly painted fence. Remembering from our amateur theatrical days, how heavy greasepaint was removed, we tried it on the culprit, were pleased to find it worked, and have used this method successfully ever since.

Hoping this will help someone, I am

POODLE PUPS PERFORM

Sixty-seven Poodle puppies frisked past the judge and melted ringside hearts at the annual puppy show of the Poodle Advancement Association held in Exhibition Park, Toronto, June 5.

Every puppy seemed aware that he was on parade — some pranced and clowned, others moved like born models. Toys, Miniatures and Standards appeared in either puppy cut or the prescribed show cut. They ranged in height from about eight to 24 inches.

Best in Show puppy, selected by Miss Anne Austin of Detroit, was Champaigne de la Fontaine, Miniature owned by Mr. and Mrs. Bud Flanagan.

Best Opposite was Calvados de la Fontaine, owned by Mr. and Mrs. Robert Schmidt. Best Standard Poodle was Corq's Jezebel Tara, owned by A. J. Ratz, and the Best Toy Poodle was Pourquois de la Fontaine, owned by Mrs. Ken Ellis.

It is noteworthy that Mrs. Ellis (Bobbie) is the breeder of all three winning puppies carrying the de la Fontaine name.

DOG LOVERS WELCOME

Our readers will receive a warm welcome at the DOG FANCIERS' LUNCHEON CLUB, which meets at noon the third Wednesday of each month at Luchon's Restaurant, 110 East 14th St., New York City, in the Lillian Russell Room. Harry Miller chairman. Always an interesting program—personalities, questions, discussions from floor. $4.50 per plate includes all gratuities. Reservations in advance by mail or phone (PL 9-1611).

YOU WERE ASKING

Q. How can I get rid of skunk odor on my dog?
A. *Any common household chlorophyl-based deodorant can be sprayed on the dog and allowed to dry. It can be sprayed in full strength, sponged down, allowed to dry and then the coat can be brushed. Tomato juice or canned tomatoes also work well when rubbed into the hair, allowed to dry thoroughly and brushed out later. Never bathe the dog in water. It will set the smell solidly enough to remain for months.*

Q. If my dog coughs and has no apparent sign of "cold", what should I look for?
A. *Since lung worms are uncommon in dogs you should be suspicious of bronchial asthma or valvular heart insufficiency if in an older dog.*

Q. Is it bad for a dog to have ice cubes in his bowl of drinking water in hot weather?
A. *No, this is all right. If a dog is suffering from the heat you could pour some water on the dog's coat. The evaporation will keep him cool for some time without chilling him. If he is a victim of heat prostration an ice pack can be placed around the head, especially about the ears.*

Q. What should I do for my dog's bad breath?
A. *First, ascertain the cause — it may be tartar on the teeth, disease of the gums, an ulcer on the corner tip of the mouth, as is sometimes found in breeds with loose flews, such as setters or spaniels. Have your veterinarian check the kidneys for possible deficiency in operation.*

Q. Should "hamburger" or ground beef be cooked or baked before being fed to a dog?
A. *Only if the dog is accustomed to cooked or baked food. The most readily and completely digested food is fresh, coarsely ground hamburger beef.*

Q. How can I get tartar off my dog's teeth? What is the cause of tartar?
A. *Tartar is caused by a deposit of calcium salts on the side of the teeth closest to the mouth. Usually it is caused by a change in the acid alkaline balance in the saliva. It also follows disease of the gums. This condition is more common in Toy dogs who don't use biscuits as much as some of the larger breeds. The tartar has to be scraped off with dental instruments of hard metal. Some kennel owners are proficient at this, but the veterinarian should be seen if the condition is advanced. When left too long it tends to loosen the gums and make them open to disease.*

Q. At what age should a matron no longer be bred?
A. *This depends on the individual. Two to five years comprises the best breeding age — the litters are stronger and larger. Each year after the fifth pregnancy becomes more doubtful, and if it does take the litters are apt to lessen in size and in strength. The female bred every year is likely to bring normal litters. If a female is bred later in life for the first time it would be unfair to both mother and possible puppies. Every female should be bred by the time she is two years of age.*

Q. Is there anything I can do to help prevent my Poodle's eyes from running? She is white and the tear-staining is spoiling her appearance.
A. *Virtually all breeds with prominent eyes have this problem. It may be that the tear-duct is blocked, and possibly the veterinarian can blow out the duct. Tears in a dog's eyes, as with humans, is a normal lubrication. They simply show more in a white dog. Another explanation may be that one or more eyelashes are growing the wrong way, turning back and causing irritation. This is one of the first things to look for. If the eye runs continuously, it should be examined by a veterinarian. Otherwise a simple treatment is an application of cold tea (in bag or on swab) or any antiseptic eye wash that would be used for humans.*

Readers are invited to send their questions to this department. Consultants are the Toronto Academy of Veterinary Medicine. This department does not prescribe and strongly urges that when in doubt, see your nearest veterinarian.

THE COMPLETE POODLE RETURNS

Unavailable for nearly two years, the Complete Poodle, by Lydia Hopkins, is again selling like ice cream in a heat wave. More than 40,000 copies of this "bible" for all Poodle devotees were sold in eight years, even before the breed reached its present position as the top dog in American Kennel Club registrations. The author, a Poodle breeder for more than 50 years, has more than 150 champions to her credit. She held one of the first kennel names, Sherwood Hall, registered by the AKC. She obtained a dog judging license as a young girl and judged all Poodles and all Toy breeds. The book contains 512 pages on the breed's origin and history, Standard and description of the ideal Poodle, noted kennels, lines and families, bloodlines for all sizes, breeding, care and training. Hundreds of illustrations, many of great historical interest, provide a valuable picture gallery for fanciers.

Available through *Dogs in Canada* Book Dept. at $5.95 plus 25c mailing.

Send correspondence for this column to Junior Notes, Dogs in Canada, 1173 Bay St., Toronto 5.

Delighted senior members presented awards to the Junior members of the Montreal SPCA who raised more than $700 for their organization by selling tickets in advance to the dog shows held last month by the Ladies' Kennel Club of Canada. Mrs. C. T. Dupont is the inspiration of this group, who also proved their excellence as runners at the LKC show.

The Evangeline Kennel Club on the East Coast recently expanded its membership with the addition of three new junior members: Eric Hampsey and Mary Hemmings of South Berwick and Hartt MacKinley of Berwick, N.S.

Since the recent mention in *Dogs in Canada* of the London Junior Humane Society, the club has had enquiries from as far afield as Bermuda as to how and why the Society was formed. Next month this column will carry more details about the program of this successful junior organization.

The Alberta KC now has a special children's class. Every Sunday a member of the adult club presents a breed study on each child's dog, following a session of Obedience training.

Mrs. Evelyn Kenny writes that it was Gale Kenny, not Kenny Sale as reported, who won the Junior handling, six to 12 years, at the Alberta K.C. Show.

Bobby Zimmerman, Edmonton, Alta. and his Shetland Sheepdog, Sunset's Prince Christian, CD, earned this title in three trials with scores of 190, 195 and 195½. Bobby is 11 and his dog is 15 months old. They will start on their CDX this Fall.

Burlington & District KC Juniors

A number of Juniors represented the club at the Obedience Fun Fair held June 4 at the Ancaster Fair Grounds. Bert Newby, Juniors Chairman, has worked hard at training his youngsters in an Obedience drill. The same routine was also performed for West Plains United Church, Aldershot, June 3. Adult club members who attended these events praised the Juniors and the kindly patience of their leaders, Mr. and Mrs. Bert Newby and Mr. and Mrs. Dick Bishop.

"International" Winners

Another proud International winner is Suzanne Cabage (left), who poses with her Sun-Times Cup. Her first-place award came in the Open A. Division. Posing with her is Fluri, a Bedlington Terrier. Christa Holby, (right) took second prize in this division.

In the International Open B competition, Cecile Lasser, (right) and a perky little Schipperke named Domino earned the Sun-Times Laurels. Mary Ellen Hagen, left, was awarded second for her handling of Babbie, an Italian Greyhound.

Laurie Murray (left) poses with her Sun-Times award for the junior showmanship award in Novice Division at the Chicago show. Her Borzoi seems as happy as she is. Right, Donna Fraser and her Collie won second-place.

THE NON-SPORTING GROUP

The breeding of purebred dogs has several purposes. Pure strains were developed in the first place to perpetuate certain desirable characteristics, usually of performance. But one of man's earliest and strongest senses——and possibly one of his greatest needs—is the sense of beauty.

So breeds have been developed for use and for beauty. Ideas of beauty differ with the years, but that dog or that building is beautiful which comes closest to the standards of beauty set for it at a given time.

The American and Canadian Kennel Clubs have tried hard to classify dogs according to use. Some have somehow defied such classification and these have been lumped together in a catch-all group called the "Non-Sporting Group." This article is about that group.

Some breeds in this group have had past uses. For instance, the Poodle was once a duck dog. The Bulldog was used for bull baiting or fighting. The Dalmatian was a coach dog and stable companion for both men and horses. Chow Chows may have been used for hunting, as house guards, for food, and their hair for garments.

But today we think of them chiefly in terms of companionship and their distinctive types of beauty.

Because Poodles are today's most popular dog, a number of informative articles have appeared in *Dogs In Canada* about them, and will continue to be published. So we will confine this article to the others in the group.

BOSTON TERRIERS

The Boston Terrier was once the most popular dog in North America. His popularity started to decline more than 20 years ago, more particularly as a show dog than as a companion. Thus, Bostons continue to be popular pets but are not shown in comparable numbers.

This decline in popularity has been by no means due to any fault of the dog, either physically or temperamentally. Dog breeds, as cigarettes or beer, have to be promoted and advertised. While this is done, a breed prospers and grows in numbers.

Then the promoters begin to quarrel. Jealousies among breeders arise. Older breeders die, or retire. New promoters do not take their place but show up as promoters of other breeds. This is the history of most breeds. They prosper, reach a high point, then slip off.

There is perhaps a special reason why Boston Terriers are not shown in proportion to their population. It became the custom of Boston owners to load shows in their area in order to provide cheap championships for certain local dogs.

It worked out that outsiders were told to stay away, or local owners would retaliate by invading the shows of other areas and perhaps in this way stealing cheap victories. The judges were usually hand picked for these shows.

The system worked for awhile, then backfired. Entries dropped off and show breeders dropped out. Also both the American and Canadian Kennel Clubs began severe policing actions at these shows. Today, these methods of winning appear to have vanished.

A quarter of a century ago, Boston Terriers were an unsound lot. Breeders were mostly interested in heads. They were also interested in color. But as often as not, this was painted on. Today, the dyeing, painting, or coloring of all dogs is barred.

In the writer's opinion, today's Boston Terriers are superior to those of the past. This is generally true, though there have been some outstanding exceptions such as Ch. Mighty Sweet Regardless.

Bostons have better natural color and markings. Their temperaments, always good, are better, if that be possible. The tendency to "Bullishness" of muzzle remains. But there is less of it than in the past. And they are sounder in limbs and have a better top line.

It used to be said that Boston puppies were hard to raise but that, if brought through puppyhood, they were among the longest lived of dogs. In my own opinion, today's Boston puppies are as hardy as any others.

THE BULLDOG

Bulldogs have never reached first place in numbers bred. But they have maintained a steady record over the years. And for longer than anyone can remember, they've been friendly, lovable and gently submissive to the abuse sometimes given them by children.

It is often said that it is harder to breed a good Bulldog than a good one in any other breed. Of course, it appears to be as hard to breed the super champions in one breed as in another. But it takes intelligence and master planning to breed even a good Bulldog.

It is almost impossible to breed a Bulldog to fit the exacting standard of the breed. Yet it seems to me that more and more Bulldogs are measuring up to the standard in body. There are better top lines, better tail sets and better feet.

It has always been difficult to get the curved under jaw—the repandous—of the Bulldog standard. Here, Bulldogs may have slipped a bit. The projecting under jaw is straight, rather than curved, and thereby loses the strength so necessary in the "bite".

Heat prostration, caused partially by difficulty in breathing, has always been a Bulldog problem. That this is being conquered is evidenced by the fact that good Bulldogs are now seen in the tropics, where they appear to do very well.

TOP WINNING CHOWS IN 1960

Every Chow shown in Canada during 1960 gained points for all wins, starting at the Winners level. Top winning Chow was the dog accumulating the highest number of points under this system; sire, dam and breeder of the year are automatic, relating to the top dog.

report of the

CHOW CHOW SHOW ENTRIES — 1960

There were 29 shows in Canada that had a Chow entry, with a total of 85 entries.

Chows were shown in only four Provinces — Alberta, British Columbia, Ontario and Quebec, with 21 shows in Ontario, three in Alberta, three in British Columbia and two in Quebec.

This was made up in the following way:—

1	Show	with	16	Chows
3	"	"	9	"
1	"	"	5	"
5	"	"	3	"
3	"	"	2	"
16	"	"	1	"
29	"	"	85	entries

There were 29 Chows competing in these shows — 14 dogs and 15 bitches.

23 of the 29 Chows competing were Canadian owned.

Of these 29 Chows only seven were Canadian Bred and 22 were imported Chows.

The Imported Chows were from the following countries:—

11	American
7	English
4	Dutch
22	

Chows took nine Group placings in 1960; five in Ontario, two in Alberta and two in British Columbia.

Placing 2nd in Group Twice (all in Ontario)

Placing 3rd in Group Twice (all in Ontario)

Placing 4th in Group 5 times (1 in Ontario, 2 in British Columbia and 2 in Alberta)

There were no BIS, no Best Canadian Bred in Show won by a Chow in 1960.

There were no Canadian Bred puppies shown in 1960.

The first three Chows with the highest scores in the 1960 results are all Canadian Bred. The top Chow for 1960, even with deducting the points earned for Canadian Bred wins, still has enough points to keep that Chow in first place.

Top Winning Chow for 1960

"Ch. Chi-Kwang's Gib-Tay"
owned by D. Schwoob, Waterloo, Ont.

2nd Place—"Ch. Chi-Kwang's Su-Ling"
owned by Mrs. M. Wiesman, Victoria, B.C.

3rd Place—"Ch. Su-Yan's Ko-Ko"
owned by D. I. Paul, Willowdale, Ont.

Sire of the Year— "Ch. Chi-Kwang's Choh Wei"

Dam of the Year— "Kwang of Kin-Shan"

Breeder of the Year— Mrs. M. J. Nattrass

basic colors in poodles

Experimenting with color in the Poodle family is something that should be left to the experts.

Two major mistakes are: attempting to mix white with any solid color and using too much silver blood in a black strain. The latter is taboo. White is the worst offender in producing solids with mismarks.

Mismarked puppies, while they may be the cutest in the entire litter, should not even be sold as pets, unless it is made impossible for them to reproduce. Interestingly enough, mismarks tend to appear in a definite pattern — either the design known as "phantom" (black and silver or black and white in the same black and tan pattern) or black and tan pattern markings or a broken pattern with the color in a few of the areas in which tan is found in the Airedale rather than all of them. How does it appear?

The pattern of these undesired patches always runs along the back and front, inside of the legs, across the chest, under the chin, along the side of the face, under the tail and on the paws. Black or brown Poodles may carry light shades, including tan, brown, cream or any variations of the brown. The markings might show up as blue, silver, and even have been known to come up white. The parti-colored Poodle carries a wrong patch on a solid color. Some optimists believe that in time the puppy will change to the color of the markings, but this is as certain as betting on the weather.

The pattern described is definitely hereditary and even solid dogs from a mismarked strain will more than likely reproduce mismarked puppies, even though a generation or two might have been solid. Most responsible breeders will refuse to mate a mismarked bitch to their studs, or even solid bitches with known mismarks in their forebears.

All this need not worry the inexperienced breeder who works with strains kept pure for color, breeding black to black or brown or silver and blue to silver and blue alone. (There are few genetically sound blue Poodles. Many Poodles termed "blue" are actually poor blacks.)

For the uninitiated, silver puppies are born with completely black hair, which gradually changes to silver as the puppy develops.

Clear, light silvers without any shadings generation after generation come only from foundation breeding stock without any trace of black blood. (They could carry a black gene six or seven generations back). The latter is apt to contribute undesirable shades of dark steel and a brownish taupe. Unfortunately the infusion of black blood in a blue puppy does not always give itself away during the early stages — it may appear as a sad surprise as late as five years. The important thing to remember is that silver and blue are dilute and recessive colors and subject to the vagaries of black blood. But this is certain: blue bred to blue will produce blue. After a few generations, the pure strain will be soundly established.

Black Poodles should have a dense coat of an almost inky black. The only way to retain this is to breed black to black. There is only one cross that is safe — that is brown, which must be sparingly used. Although in some European countries the mixing of any Poodle color is banned, this one is permitted.

White is white because it contains no color whatever and is a recessive. This means that a white dog mated to another white which may have color in its background, will still produce an entirely white litter.

Should either parent carry another color gene you might still find a puppy of another solid color, mismark or phantom.

Since brown is a recessive or dilution of black, brown bred to brown produces true. There are many shades of browns in pale tones and parchment tints, with hues again running from gold through rich gold to pale champagne. A danger in striving for the palest shades lies in tendency towards light eyes with light pinkish eye rims, lip and nose. It is, however, possible to get the true Poodle look in dark eyes and correct pigmentation.

FIRST SPRING

Smiling skies, balmy air and the usual sunny atmosphere of the Bermuda shows permeated the Bermuda KC's first international Spring shows. Held May 25, 26 and 27 in the beautiful Botanical Gardens, the three shows attracted 15 visitor competitors and nearly doubled the home entry over any previous international Island shows. Some top competition was entered from "abroad" but visitors' dogs, with the exception of Barbara Worcester's West Highland White Terrier, Am. and Can. Ch. Symmetra Ship who went BIS the first day under Judge John Lundberg of Windsor, Ont., were bested by Bermuda-owned entries.

The English-bred Basenji, High Flown of the Congo, owned by Mrs. Roderic C. (Sybil) Young, went BIS the second day under Judge Forest Hall of Dallas, Texas. The third day Mrs. Young's black Miniature Poodle, Charming Flirt of Ardian, went BIS under Judge Louis Murr of Spring Valley, N.Y.

The seasoned traveller, Ascot Viking, trim Wire-haired Fox Terrier, owned by Mr. and Mrs. A. Roberts of Toronto, gained his Bermuda title. The young female Boxer, Goldenrule of Blossomlea, purchased last year by Mr. and Mrs. John Openshaw, Bermuda, from her breeder, Miss Jean Grant of Richmond Hill, Ont., went WB all three days.

The following is a summation by Canadian Judge John Lundberg:

"I can readily understand that one could not expect to find beautifully-coated dogs in such a gentle climate and should make allowance accordingly, but could not see why this low rating should apply to dogs generally in Bermuda. Naturally it would take time to build up the different breeds and I had that in mind. But I was very pleasantly surprised to find that there had been amazing progress in this respect and the quality is impressive. The dog people I contacted there were most interested in all breeds being improved and I fore-and hospitality in the Fall. Trans-Can-see a sincere endeavor to reach this goal.

What a pleasure it was to work with the people connected with the show! The ring stewards, the superintendent and the whole show committee were so cooperative and anxious for criticism in order to do the best job, that this too will be reflected in the success of future shows.

The classes were small, although I did hear that over 5,000 dogs are registered on the Island. Whether they are all purebreds I do not know

FIRST DAY: (left to right) BIS was Barbara Worcester's West Highland White Terrier, Am. and Can. Ch. Symmetra Ship, Judge John Lundberg.

Under Judge Forrest Hall, Best Bermuda Bred fell to the Pekingese, Candituft Peking, owned by Mrs. Alice Moniz.

SECOND DAY: The Basenji, High Flown of the Congo, owned and shown by Sybil Young, took BIS under Judge Forrest Hall. Presentations were made by Mr. N. H. P. Vesey.

Best Visitor's Dog was the BIS winner of the day before, Am. and Can. Ch. Symmetra Ship. Shown with owner, Mr. Vesey and Judge.

THIRD DAY: In a second triumph Mrs. Young's Black Miniature Poodle, Charming Flirt of Ardian went BIS under Judge Louis Murr.

Barbara Worcester's dapper Westie came into prominence again as Best Visitor's dog. Presentation by Mr. George W. Renchard, American Consul General.

ERE, IN PICTURE AND STORY, IS PRESENTED A COVERAGE OF ONE OF THE MOST SUCCESSFUL SHOWS THE ISLAND HAS STAGED.

INTERNATIONAL

Best Puppy in show, under Judge Louis Murr, was Tu-Tu, Pekingese owned by Mrs. David Graham and handled by Mrs. John Openshaw. Sir John Cox makes the presentation.

Mrs. Priscilla Marsh's Boxer, Sommers Isle Coralita, won the Stanley Whitmore Cup for Best Bermuda Bred Boxer in Group.

Best Bermuda Bred was the Boxer, Sommers Isle Coralita, bred, owned and handled by Mrs. Priscilla Marsh, shown here with owner and Judge John Lundberg.

Best Puppy in show was also a Bermuda Boxer, Bermudiana's Judy, owned by Dr. and Mrs. Jackson, and handled under Mrs. Paula McAteer.

Best Bermuda-Bred was the German Shepherd, Hansel of Walsingham, handled for Mr. and Mrs. R. D. Outerbridge by Paula McAteer.

Best Puppy in Show was the Pug, Quarrywood Antonio, owned by Mr. W. de V. Frith, under Judge Forrest Hall, handled by Priscilla Marsh.

but it certainly indicates that the people are dog-minded.—I would venture to state that the show entries will double in a few years.

I can't say too much about the sportsmanship. It would have been difficult for an uninterested party to choose the winners from the losers.

All in all, I can't speak too enthusiastically about the Island and the people who made my week in Bermuda a most enjoyable one."

Obedience honors were swept by Kenneth E. Whitaker's German Shorthaired Pointer, Greta Ann Feldenbach who gained her title of Companion Dog with 594½ points out of a possible 600 over the three trials. Other Bermuda dogs who gained their CD titles were Mrs. Edward Flieger's Standard Poodle, Randall's Young William and Mr. Lawrence J. Madeiros' German Shepherd, Zorro of Bermuda.

Two American Pomeranians, Bay-Lee Impertinent Lad and Van Hoozier's July Shirley, owned by Miss Marilyn D. Mittler of Hicksville, N.Y. gained their CD, as did Am. Ch. Tailteann's Jeral-Lyn, Kerry Blue Terrier owned by the Misses Madalyn and Ann Gutman and Miss Jean Murtagh of Massapequa, L. I. Handler was John Openshaw. A number of Bermuda dogs have two legs on their CD.

Trial judges were Mrs. Arnold Redman of Bermuda and Mr. Forrest Hall. Eighteen dogs competed.

After a number of visits to Bermuda the writer continues to feel there is little to match the charm of the Island and its people. Members of the Bermuda Kennel club have expressed warmest wishes that more Canadians will plan to take in a week of shows, sightseeing training wizardry at work. Slight, quick, ada Airlines has given definite assurance that a plane will be set aside for this show period. Visitors and their dogs are welcomed in hotels and cottages.

A new point system is now under consideration and will likely be in operation for the Fall shows, scheduled for October 25, 26 and 27. More details will be announced, but predictions are the system will be similar to that of the Maritime Provinces.

As was the case in the shows just past, breed judging will take place in the morning and Group judging and Obedience will follow in the afternoon. Judges will be Mr. Derek Rayne of California, Mrs. Marie Meyer of Milford, Ohio and Mr. and Mrs. Don Fitzgerald of Orlando, Fla.

DOGS IN MEXICO

by JEAN M. LYLE, *well-known Standard Poodle breeder of Vancouver, B.C., and a leading light in Obedience on the West Coast.*

Mexico, one of North America's three great countries (and the oldest) is a fabulous and exciting land of unbelievable contrasts. It is an ancient, long-civilized country, now exploding economically. Its present population of 40,000,000 is exploding too with the world's highest birth rate.

"Contrast" is the word in Mexico. On either side of a wall you can find on one hand primitive villages with adobe huts on either side of a little winding dirt road, and on the other, beautiful subdivisions of the most lavish modern apartments and homes imaginable.

The dogs of Mexico, too, show the same extreme contrasts! If you enter Mexico City by air, at first you may feel there are no dogs. The Humane Society successfully picks up all city dogs wandering at large at night, with the result that there are very few loose dogs in Mexico City.

Any misapprehension about the number of dogs in Mexico is quickly dispelled as soon as you motor to the nearest village. Dogs are everywhere. But so are babies. And so are chickens, turkeys, ducks, burros, horses, goats and pigs. In this kind climate, with doors always open, all living creatures seem to inhabit the villages, indoors and out, on equal terms.

Our impression of the dogs under these conditions was varied. The Indian dogs even today live as scavengers. Their type was legion. Their fertility was unquestionable, for nearly every bitch was either pregnant or lactating. Their nutrition varied according to the village where they lived. In arrid mountain villages, the emaciation of dogs was extreme. In other places, such as the lovely fishing village of Puerto Marques where dogs undoubtedly got many fish scraps, their nutrition was excellent — and one had to look sharp to decide whether a fat somnolent animal in the middle of the road was pig or dog!

Our delicate city attitudes were constantly assailed in this country but, after mature thought, we feel unnecessarily so. On one occasion we passed several large country dogs hugely enjoying the carcass of a burro which had quietly expired on the highway. On another morning in Acapulco, we sadly passed a dog which had been run over but by the time we returned at evening, vultures had left only a pile of neat bones.

In this country of many, many dogs, never did we see a dog fight nor did we see any sign of poor temperament. In Mexico, the dogs, like the people, are exceedingly patient and amiable.

As if to emphasize this impression of canine adaptability, in the Zoo in Mexico City we saw a large tawny dog, healthy and happy, penned with a tiger. "Princess" and "Principe" had apparently lived all their three years of life together.

No doubt because of the heat and the dust of the Mexican winter days we found that dogs slept soundly most of the day, only to spend the cooler night in vigorous barking. Surely thousands joined the Taxco night-time chorus! It put even a dog show to shame.

Never did we detect any particular sign of affection on the part of the Indians for their dogs, but we did not notice impatience or cruelty, either. It was rather as if man and dog quietly acknowledged and accepted their long association. For in Mexico the association of man and dog has assuredly been very long. We brought home with us a replica made by the Indians today, of a pre-Conquest pottery dog buried in one of the ancient tombs in Monte Alban excavated fairly recently by archeologists, and dating back as long as 2000 B.C.

We were much indebted to Mrs. Thelma von Thaden, president of the Asociacion Canofila Mexicana, Zacatecas 229, Desp. 318, Mexico 7, D.F., for her account of the purebred dog picture in Mexico, to complete our understanding of the total Mexican "dog scene".

The Asociacion Canofila Mexicana is a combination of CKC and AKC. Like the CKC and unlike the AKC, it is an association of members, some voting and some non-voting. But like the AKC and unlike the CKC, it is in full charge of the registration of all purebred dogs in Mexico. And like both the CKC and the AKC, it is in complete charge of all dog shows and trials and championship ratings, and it gives permission to various provincial clubs in turn to hold shows. It also licenses all judges and works hard at training new ones, as well as training efficient ring stewards. Unlike either the CKC or the AKC, the ACM itself sponsors circuits of shows in the Mexico region.

Recently, in an effort to standardize dogs in North America, the ACM dropped European standards for breeds, and adopted the AKC breed standards. AKC obedience trial standards are also used.

Championships are made on the European plan, by acquiring three "certificates", one of which is available at each show for each sex of each breed shown. However, if the quality of an entry is not up to standard, a judge may elect not to give any certificate, in order to maintain the quality of Mexican champions.

Entries at shows in the Mexico region run at about 300 dogs. About 60% of the entry is comprised of German Shepherds, which fact attests to the tremendous popularity of this breed in Mexico, where the guard qualities of this breed are appreciated and used. However, variety in dog shows suffers as a result of this one-sided entry.

In the provinces entries are fewer — but even shows of 60 odd dogs, are encouraged in the effort to popularize purebred dogs in this rapidly developing country.

The Asociacion Canofila Mexicana works very hard to encourage American — and other — entries at their shows. To this end it not only hires many AKC and other foreign famous judges, but it also puts on its shows in three-show circuits, so that if outstanding breed specimens of any breed do show in Mexico — and win their certificates under the judges at three shows — it is possible for them to go home Mexican champions, from a single circuit. As Canadian dog exhibitors have chartered planes to go to Bermuda shows, so now do American exhibitors charter planes to go to Mexican shows. We ourselves are all in favor of Canadians extending their out-of-the-country exhibiting to Mexico — which is no more expensive to reach than Bermuda, and has the advantage of being equally accessible by air to both western and eastern Canadians. And Mexico is a most beautiful, charming, exciting and stimulating country — a real "foreign" country with a different language, right on our doorstep — and well we know how warmly the Mexicans would welcome Canadians!

Obedience training is thriving in Mexico, and is encouraged by the ACM. Most circuits include Obedience trials. Where no trials are held, Obedience demonstrations are included in order to educate the public to the potentialities and value of purebred dogs. Obedience classes are held in Mexico each Monday evening, for every stage of training, with approximately 75 dogs in training at all times.

One cannot help but feel that because dogs have been man's companion here for thousands of years, and due to the efforts of the Asociacion Canofila Mexicana, their purebred dogs will be the equal of any dogs in the world — but still their faithful companions, as they are today.

May 6th saw the first Dachshund Specialty Championship Show held in Western Canada, at Calgary, Alta.

Forty Dachshunds were entered with all six varieties represented. Keen interest was shown by the public in the Specialty show and many enquiries were made on the breeds.

Judge Elmer Grieve awarded BIS to Alvy and Kathleen Casper's Smooth Standard Am. and Can. Ch. Casper's Lancer. This trophy, which was donated by the Dachshund Club of Canada. was presented to Mr. Casper of Big Fork, Montana, by Mr. Ken Ellis, on behalf of the Dachshund Club of Canada.

While Best Canadian Bred Puppy was won by the Standard Smooth, My Little Lisa's Stretch, bred and owned by Agness Hammond of Cochrane, Alta.

Special mention must be made of a Quebec entry, Mrs. Audry Laurie's Wire-Haired Miniature bitch, Val Jean's Bramble Rose, who went Best of Breed, not only at the Specialty show, but also at the two all-breed shows of the Calgary Kennel and Obedience Club, placing first in the Hound Group under Mrs. Elsie Murray of Vancouver and third in Group under Mr. Forrest Hall of Texas. Mr. Daniels was well-known for more than 15 years as one of the finest trainers at the Dorn Dog School, Whalley, B.C. He boarded dogs and raised excellent Standard Poodles, Great Danes, Doberman Pinschers, Yorkshire Terriers and American Cocker Spaniels. Writes Miss Mary Matheson: "It was his famous Ch. Tulloch's Emielie of Dorn who during World War II went into Westminster, B.C. three times weekly to help the Red Cross, collecting over $1,500. Mr. Dorn was known and loved by everyone. He also owned the very famous Ch. Beda of Plantation Grove who, in four litters, produced 11 champions, living to the age of 17 . . . The dog fancy has lost a great dog man."

Currie's Tanya of Marhal, CD, picked up her first leg towards her American Obedience title at the Tonawanda Valley Kennel Club Show held at Batavia, N.Y. on Sunday, June 11. Tanya, a Chow, is owned by *Mrs. Pearl Currie* of Richvale Post Office, Ont.

Tiny Honey has been shown in the States five times, placing four times and going WD and BOS three times.

Away from her home in Morris Plains, N.J. only six days, *Mrs. Nancy T. Rik-Rak Ramie, she went BB three times over specials and won three Group 1sts, also Best Foreign Dog in Show in the two Mexico City events.

The Welsh Corgi (Pembroke), Ch. Bonnie of Windover, owned by *Miss Agness Hammond*, Cochrane, Alta., was shown at Pullman, Wash. recently, going BB and 2nd in Group, to complete her American title. Miss Hammond's Wire-haired Dachshund, Ch. Telephone Wire v.d. Fletcher W. went BB. Another of her Corgis, Ch. Mackson's Rosemary, CD, passed the Novice B to complete her American CD. Barbara Worcester's little blonde Beagle, Ch. Jacobi's Joralee, under 13", has achieved a status we believe to be unparalleled in the Beagle world: she is a triple champion, having finished in three countries: Canada, United States, and Bermuda. Not quite two years old, Joralee is Canadian-bred by P. B. Jacobi of Woodbridge. Her sire is Am. and Can. Ch. End O'Maine Ridge Runner; dam is Ch. Jacobi's Joreen.

Bought by Miss Worcester (Little Falls, N.J.) in August 1960, Joralee finished in Canada at the Sportsmen's Show this Spring, and added her Bermuda championship in May.

Mrs. Mary Southcott (Cara Mia Kennels), Milton, Ont. has had a number of American assignments this summer, including the annual German Shepherd Dog Club of Toledo Specialty Show and Obedience for the big German Shepherd Dog Club of Long Island Specialties, as well as the Bay State German Shepherd Dog Club Specialties and breed in Boston.

THE NON-SPORTING GROUP

/ continued

Chow Chows have dropped off in numbers from, say, 20 to 30 years ago. But they have not dropped off in over all quality and they have improved in dispositions. And this, while remaining the proud, aloof dogs of old.

If, as some believe, the Chow Chow descends from the now extinct "five pinks" dog of China—pink feet and nose—this might account for the occasional pink splashed tongue still seen today. Yet, in truth, there are fewer of these than in the past. Most pink spots on tongues are tooth scars, rather than actual splashings of pink.

In one respect, Chows have not improved and may have worsened. This is in trichiasis, or inverted eyelids. Far too many Chows are being shown with this painful eye condition. It is a point which the Standard does not mention and one which should not be overlooked when the standard is revised.

Chows today have better ear carriage, fewer dropped ears and better coat quality than in the past.

A complaint today about Dalmatians is that they vary too much in size. Perhaps this is the fault of a standard which allows a variance of four inches to start with and then provides no penalties for over or under sizes. Or perhaps the fault lies with breeders who do not breed for an average height.

Dalmatian spotting has been improved steadily over the last 20 years or so. There is less tendency toward patches of color, and less running together of the spots. Also, the majority are more lightly spotted than heavily. So far as can be judged from the ring, this has been achieved without an increase in sex-linked deafness—a breed curse.

Dalmatians are, however, a "flighty" breed, and here the breed may have lost ground. Many Dalmatians are marvelous companions and pets for children. Yet too many are untrustworthy. Since the majority of pups in any breed will be sold as pets, disposition is of greatest importance. And it is here that Dalmatians are weakest.

The Lhasa Apsos, shown as a terrier in Canadian shows has made spectacular progress in the American Non-Sporting group. It got nowhere competing against other Terrier breeds. But now an occasional Lhasa gets a Best in Show award. The breed has shown great improvement in soundness but still suffers slightly from variation in size and length of body.

Schipperkes have shown a steady increase in popularity, both as pets and as show dogs. They appear to have changed very little in type in the last 20 years or so. They have also stayed the same in type in various parts of the world.

In North America, they have slightly longer coats than is desired in other countries, but otherwise they remain the same. Their graduation from the pet group into worthy show competitors has brought up a generation of skilled owner-handlers.

CLUB NOTES

IMPORTANT: Club Notes are for the purpose of reporting activities and plans of Breed, Group and other specialty organizations. There are certain news items which cannot be considered as "club notes", but rather as advertising material. Names of judges may be used only if the club's show advertisement appears in DOGS IN CANADA. Wins of dogs which will be or have been reported in The Canadian Kennel Club "Show and Trial Results" cannot appear in these columns. Make your club notes meaty and interesting. 300 WORDS IS THE LIMIT.

All Terrier Club of British Columbia
by Mrs. J. S. Leedham
1565 Austin Rd., Coquitlam,
New Westminster, B.C.

The monthly meeting was held on May 10 with the president in the chair. Twenty-three members were present.

The Specialty Committee for 1961 was dissolved and the financial report read. A motion was made that we withdraw from the Association of Specialty Clubs and plans are being discussed for a Terrier Specialty in conjunction with an all-breed show sometime next Spring.

The Secretary had our new club pins and everyone was anxious to get one. These are also available to out of town members by writing.

Our club picnic and puppy show for members will be held on July 16. It is hoped to hold it in Ambleside Park.

Best wishes go to Mr. and Mrs. Moul who are on a long-awaited trip to England.

There will be a recess for two months during the summer, so the June 14 meeting was the last until September 13. A notice of motion to amend the Constitution was brought up at the June meeting in preparation for the annual general meeting in October.

We have a new breed added to our number. Mr. and Mrs. J. S. Leedham now plan to breed Australian Terriers and have purchased a red female from Pinegrovehill Kennels in Ontario.

The All Terrier Club of Canada
by Eileen M. Stewart
R.R. No.2, Aurora, Ont.

Taking advantage of the longer daylight hours, our June meeting commenced with an outdoor demonstration and talk on 'show handling' by Mr. Tommy Joel, using Mrs. Elsie Betts' BIS Kerry Tregoad's Vicky's Gallant.

Our recent Specialty Show was discussed and from all reports proved a great success in every respect. A good entry (100 Terriers), an adequate sized show ring and pleasant weather and afterwards a delightful get-together at the home of Mr. and Mrs. D. T. Weir.

With our 1961 Show only just behind us, the Show Committee officers for our 1962 Specialty were elected at this meeting.

The method to be used for the selection of the judge for our 1962 Specialty Show will be a little different than in previous years. Each member will be asked to submit the name of one judge he thinks suitable. A committee of three, Mr. C. T. Wright, Mr. John Devlin and Mr. Thomas Joel will make the final selection when all nominations have been received by the Committee Chairman Mr. Wright.

We were pleased to welcome into membership Ross Pirrie, husband of Barbara, who has been a member for some time. The Pirrie's are Welsh Terrier breeders.

After the business session was concluded we were shown the 1961 Sportsmen's Show Film, produced for Gaines by **Dogs in Canada** magazine. We thought the film extremely good with the camera focussed long enough on a subject to recognize both dog and handler. Congratulations **"Dogs".**

Did you notice the Kerry Blue in the Duplate advertisement appearing in Time magazine (May 12 issue?) It was Mrs. Betty Golby's Tregoad's Blue Revelation: Judging by Revel's alert and happy expression, the photographer had a very cooperative model.

I would like to correct an error in our last Club Notes. Our first Educational Program was held at the home of Mr. and Mrs. Jim McFarlane, not at Mrs. Weir's home, as reported.

Aurora & District KC Incorporated
by Marion Hurst
R.R. #1, King, Ont.

Our June meeting closed our activities until September. All were happy in the success of our show. We would like to thank all those who helped to make it so, by work and by contributing to our trophy fund. We received no complaints, so feel that it was enjoyed by everybody.

Congratulations to Mrs. Dorothy Drury of Oakville, whose little Boston came through with flying colors. Not only did he take Best in Show, but Best Canadian Bred and Best Canadian Bred Puppy as well. A lovely win for so young a competitor.

Our Show Secretary, Mrs. Mary Hart, was unable to be with us to give us our show report, due to private business. We shall miss her next year, but we wish her every happiness in her new location.

We welcome two new members, Mr. and Mrs. Luckins of Richmond Hill, who have an interest in Springers.

Our next meeting will be on Sunday, September 10, at Mrs. Hamilton's residence. It will be in the form of a box social, together with an "amateur dog show". We hope to see as many old and new members there as possible. Until then, we hope all enjoy happy holidays.

B.C. Gun Dog Club
by Mrs. Clara Milani
6009 Dumfries St., Vancouver 15, B.C.

The club has obtained the use of the property on Neaves Road, Pitt Meadows, B.C. This land is approximately 165 acres and is for the use of both Pointer and Retriever enthusiasts for training their dogs. The Game Commission has granted permission to use this land during the closed season and no other property should be used in the Pitt Meadows area for training dogs.

Since our first meeting one of our members, Mr. W. J. (Bill) Heads, has passed away. Sincere sympathy is extended to his wife and family. Mr. Dave Thomas has been seriously ill.

Brantford Obedience Club

by Marguerite Charter
426 Nelson St., Brantford, Ont.

It seems as if every time I write I brag about our club and its members, but I guess that is due to the fact that I belong to a progressive club. This time, I fly the flag high for two members, namely, Gerald Charter and Walter Konradt, who were given the nod this week as tracking judges. Gerald apprenticed three shows and is now a qualified judge while Walter who has apprenticed one is required to act as junior judge at one test and then will be given full approval. Both men know what hard work is, as they own UDT German Shepherds and hold their Obedience licenses. On behalf of the B.O.C. members I would like to express their congratulations.

Our summer program was launched officially last week with a picnic on the Schmoker farm. An enjoyable time was had around the campfire, singing, eating and reminiscing.

Our tracking class was started this week and we were well initiated by the weather. However, ground conditions were excellent and three of our dogs were able to advance to taking corners. We know that there is a long, tedious struggle ahead but we are prepared to take the bitter with the sweet.

Last Sunday saw most of our members on hand at the Ontario Obedience Association Fun Frolic. The weather was fine, the location was excellent and every participating club needs a handshake for helping to make this just as the title says, Fun Frolic. Of course, none of this would have been possible without the hard working committee: a job well organized, Mr. Diamond.

One of our judging members, G. Charter, flew to Montreal last month and helped judge their first adventure of having three shows in two days. Yours truly tagged along so would like to take this opportunity of mentioning the kind reception, the wonderful people with the same problem — dogs — we met, and a well organized show.

Our last class of graduates have done well by upholding the club name. Mr. Todd with his Shepherd after ten lessons stepped into regulation trials and gained his CD degree in three shows with never a score under 195. Mrs. Kershaw and her Sheltie finished his degree in fine style at St. Catharines with a 199 score. We are proud to be associates of yours and to welcome you as members of the club. Other new members I wish to welcome to the fold are Joyce Ellis and Mr. and Mrs. Gugenberger.

Enough said of one time, so until next writing I shall sign off with a reminder. Dogs are not human, but time and patience produce the much desired product.

The Bulldog Club of Central Canada

by Peg. McKenzie
Locust Hill, Ont.

Our Specialty Show took place June 4 in ideal weather at the home of Mr. and Mrs. Roy Dewsbury in Locust Hill, with 33 Bulldogs competing. Entries came from as far as Philadelphia, Rochester and Detroit. Our judge was Mr. Charles Kiel and it is interesting to note that for the third successive year Mr. Albert Farrell's Ch. Nugget Design went BB. Winners Dog went to the States and he also was Winners Dog the previous day at the Booster Show.

Many guests, well-known in the dog fancy, attended the show and Mr. Walter Brown, President of The Canadian Kennel Club, presented trophies. Mr. and Mrs. W. Gottschalk very kindly donated the BB trophy and Mrs. Gottschalk presented it to Mr. Farrell. The club wishes to extend their thanks to Mr. and Mrs. Gottschalk for their interest and indeed to all donors of trophies for their kindness and interest in our "sourmugs".

The show was televised by the CBC and was shown the same evening on **Night Metro News.** I cannot help but remark that the gentleman with the cigar and our genial ring steward, Mr. J. W. McCallum, are very photogenic, not to mention Lord What a Mug and his confrere taking his leisure under his owner's chair!

On May 26 our club held a Dog Exhibit which attracted great public interest. More than 60 dogs were benched in a vacant store in Burlington's Roseland Plaza. The exhibit was open to the public from 11 a.m. to 9 p.m. A small admission was charged. Members were on hand to provide information to interested spectators. The club thanks all exhibitors for their cooperation, especially those who brought dogs from points as distant as Windsor. From many angles the day was a great success. Breeders received many enquiries for pups, the Roseland Plaza merchants have invited the club to return as soon as possible and our treasury is a little richer for the effort. Great public interest was created by Bunty Dunlop and her team of Huskies harnessed to a sled outdoors and the litters of Poodle puppies and Norwegian Elkhounds provided continuous, animated entertainment indoors, particularly for the kiddies.

Plans for our September point show are going ahead. This year, in order to provide more benching area, the club has also rented the upstairs of the Arena for benching of Groups 5 and small breeds in Group 6.

Our Obedience Graduation was held in Nelson Township Hall on June 4. Reg Scott judged. Highest scoring dog was a nine-month old Norwegian Elkhound owned and trained by club member John Meier. He earned the fabulous score of 198. Congratulations to them both. Summer Obedience training classes commenced June 14 at Roseland Plaza. Interest in these summer sessions is again running high.

Our June meeting entertainment was provided by Ken Ellis who gave a talk on dog care and showed a color film of the Ralston Purina Dog Care Centre in St. Louis. Both interesting and much enjoyed.

Now that our Spring shows and trials are over for another year we can sit back and catch our breath. The entries were more numerous than any of us expected, with 180 plus the first day, 210 plus the second day and upwards of 50 entries in each trial. A number of local and club members' dogs won several group placings in the two shows and we extend our congratulations to all. The trial entries gave a good representation of breeds, but the German Shepherds outnumbered all others.

We are pleased to see more Juniors entering competition. Several qualifying scores were earned by these young people and their dogs. Keep up the good work! A trophy donated by the CKOC Training School for the Highest Qualifying Score earned by a Dog and Handler trained in the CKOC School was awarded to Mrs. N. Bally and her Chesapeake Bay Retriever, Heathers Peter of Chesgord, who earned a score of 198 in the Novice A Class. The Agness Hammond Trophy for the Highest Scoring Dog in the Trial, being the First Trial for both Dog and Handler was awarded to Mrs. George Warren and her German Shepherd, Drei Gleichan Brandy, who earned a score of 192, also in the Novice A Class.

Taken as a whole, the Spring shows and trials were an overwhelming success. Many compliments were received from the exhibitors for the early morning coffee served them as they arrived at the show, and also for the buffet supper one evening.

Our sincere thanks go to Mrs. G. Shillinglow of North Surrey, B.C. for her generous donation of a second trophy which we will be using at our Fall Shows for Best Canadian Bred in Show.

The Chow-Chow Fanciers of Canada Club

by F. P. A. Odenkirchen
R.R. #3, Woodbridge, Ont.

The May meeting of the club was held at the residence of Mrs. Yan Paul and dealt mainly with a point system for every Chow competing in shows in Canada during the season, to establish the male and female Chow of the Year, as well as the Breeder of the Year. Elsewhere in this issue more details can be found as to the rating system used. Useful information on this subject was obtained from Mrs. D. T. Weir at a meeting of the board of directors of the club earlier in the month, on systems used by other breed clubs.

It was agreed that two large, identical shields will be offered to the owners of the winning dog and bitch at the Christmas party to keep for a year. The names of these dogs, with the year, will be engraved on small shields on the trophies. No conclusion was reached on how to award a Lydia Ingleton Memorial Trophy which is offered by a member in remembrance of one of England's greatest Chow breeders of our time, who passed away last year.

The main purpose of this point system will be an investigation in depth and the establishment of a Canadian Chow history with its leading Chows and to come to a more rational evaluation of the quality of every Chow shown and its wins. The 1960 season was used as an example and many a surprising fact was revealed. The Canadian Kennel Club in Toronto and The Canadian National Live Stock Records in Ottawa were most cooperative in allowing us to use their records as a reference of the history of the breed over the past 40 years.

The June 25 meeting was held at the residence of Mrs. Currie and was devoted to our

The Dachshund Club of Canada
by Ernie Lindsay
Willow Cove (Sub. P.O.) Burlington, Ont.

Our regular bi-monthly meeting was held on June 4, at the home of Mr. and Mrs. Joseph Chatfield, London, Ont., with our President, Mr. Bodemer, presiding.

An application for new membership was presented by the Secretary from Mrs. Margaret Henderson, of Scarboro, Ont., being welcomed and accepted.

Considerable time was taken up with correspondence dealing with the new CKC by-Laws pertaining to all Best In Show awards of Specialty Shows and also rulings on weighing of Miniature Dachshunds, also final preparations for our Puppy Fun Match scheduled for June 25, at the Lindsays, anticipating a bumper turn-out again.

Mrs. Barnes of Sarnia, Trophy Convener for our Specialty Show in September, reported some progress in way of pledges coming in, and all executive members pledging their support.

We feel greatly honored in having Dr. Lyman Fisher, Sundowns Farm, Ithaca, New York, consenting to Judge our Specialty Sept. 23, he being Past President of The Dachshund Club Of America. We now have CKC approval, thus leaving Trophy Convener and all executive members with gratifying hopes for real good response from all Dachsie breeders and fanciers to our appeal for an outstanding trophy list once again. It is not too long now when premium lists must go to print.

Dominion Collie and Shetland Sheepdog Association
by Mrs. Joan M. Souch

The parent branch held its Specialty Show in conjunction with the Aurora Show May 27 at the Bradford Arena. Our judge was Harold Wellwood, Jr. Harold drew a wonderful entry of 26 Collies with a class of four specials. There were 27 Shelties with a class of seven specials. It was most interesting to note that in the Collie judging the winners represented the four colors in Collies: BB, a white with sable head; Winners Female and BOS, a tri-color; Reserve Dog and Best Canadian Bred in breed, a sable puppy; Reserve Winner Female, a blue merle.

We were most pleased to be able to welcome many members from our Montreal and District branch, and Mr. and Mrs. Brimstin from Barrie. We have missed you both. We were also glad to see Mr. and Mrs. Jack Hewson. With these people back at shows, it was just like old times.

While Allie and Bob Smuck have retired from breeding fine Collies and Shelties, their stock still dominated the show ring in Shelties. It was also interesting to note that of the 27 Shelties in the ring, ten were sired by Willow-Acre dogs. We salute you and thank you for leaving such a lot for the Sheltie people to go on with.

We wish to thank Vi Bailie for such a lovely trophy list for our Specialty Show, and again thanks to our American visitors for coming and making our day such an enjoyable one. We hope you took home happy memories of the day.

It was most interesting to note the keen sportsmanship which existed at this show. A double set of points this day with two judges putting up different dogs to the points and the breeds.

We welcome Mr. and Mrs. Ed Hoskin, Mrs. N. J. Carlson and Mrs. Betty Thomson to the fold. We should be having a general meeting in the very near future to plan our programs for the forthcoming months. Mrs. Souch wishes to thank many of you who responded to her request for more news for the Bulletin. Keep the letters coming.

All members of our club deserve a thank you from the club for the time and effort put into our June 3 and 4 show. With cooperation like this, I feel our show was highly successful. At this time too, I feel it in order to thank our two Obedience instructors, Mr. G. Frost and Mr. C. Zimmerman for giving up so much of their time all Winter to conduct these classes. Thanks again.

Plans have been made for our Fall show on the dates of September 9 and 10. We hope to see old and new friends attend. Also plans are underway to start a Junior Kennel Club in September. All children between the ages of eight and 16 years are invited to join. Mr. C. Zimmerman and Mr. P. D. Chorney in charge.

Obedience Classes have been suspended for the summer months but will be in full swing again in September. Further details later.

All hopes for the success of their Show were realized when this club met for the May meeting. The show, which was the first one to be held out of London, took place the preceding Saturday. Everybody agreed that it had been successful and that Lucan Arena was a plendid place for a show. Appreciation was expressed to all the authorities of the arena and the townsfolk of Lucan who had given the club all the help and cooperation possible to bring about this success. Arrangements are being made to book the arena again for next year's show.

We regret to hear that Mr. George Astles is in hospital after being taken ill at the Stratford Show. We know that all members and his friends wish him a speedy recovery.

It is with sorrow that we learn of the death of Mr. W. H. Shortt, for many years a member of The London Kennel Club and one of the oldest members of the Canadian Kennel Club. Our great sympathy is extended to his daughter, Miss Lena Shortt.

couraged putting dogs through their exercises. Evening jaunts to various parks in the vicinity have accustomed the dogs to heeling, jumping and retrieving in different localities.

Our graduation for Beginners and Novice Classes was well attended. Winning dogs were a Weimeraner, a brown Miniature Poodle, a gray Miniature Poodle and a white Miniature.

A number of members had an opportunity to ring steward and do some apprentice judging. We have been holding outdoor pre-trial classes for those interested in summer trials. Plans are in the making for our annual Mock Trial at the Middlechurch Home for the Aged.

Regretfully we learn that Ruby and Greg McGregor are leaving us. Ruby was Class Secretary and one of our newest trainees and Greg was Club Secretary. Our loss will be Saskatoon's gain. All our members join in saying "goodbye and good luck to you both and your family, including the Keeshonds, Roy and Sally."

We attended the Manitoba Gun Dog Club Field Trials for the first time at their very attractive new club grounds. We enjoyed the performances immensely, although the 90 degree weather had us envying the Retrievers with only their heads above the water.

Now the Trials loom, so the next notes should hold all the details.

by Anne Gerigs, Pickering, Ont.

First of all I would like to congratulate the winners at our June 10 Specialty Show, especially those who took home the Spencer Weller Challenge Trophies. The results of our show will, of course, be published in **Dogs in Canada.**

Many thanks to our judge Mr. David Wiltfong. Mr. Wiltfong after each class gave us his comments on our dogs over the loud-speaker. (Provided by Ken-L-Ration who fed the show and operated by Archie Wharnock).

Thanks also go to our Show Chairman Herb Burrows and his committee and the Trophy committee headed by Bruce Allen. The display of trophies was beautiful.

Our after-show dinner was held at the Dutch Sisters Inn, which was very handy for those going straight from the show.

Here it was nice to welcome our judge of last year, Mr. John Seiler and the president of the GSDC or Greater Ottawa. It was a lovely evening and our Social Director, Win De Meo and her committee are to be thanked for their efforts.

At our last meeting held at the home of Frank and Hazel Page the members decided to hold a Matinee Show sometime in July. Arrangements have been made for a hall in Downsview and the show will be held there. Notices as to time and judges will be sent out.

Plans have also been made for handling classes to be held in this hall and later in the Fall Obedience Classes.

Congratulations to the GSDC of Canada on their puppy Match of June 11. A good entry under the able John Seiler made this an enjoyable day.

Following a success ul winter training program our club members proved the merits of hard work and organized training classes with their excellent showing in the CKOC's May Obedience Trials. They took the high scoring Novice A and Open A classes as well as the top scoring dog.

Our club meetings have been confined pretty much to plans for our first German Shepherd Dog Specialty Show to be held in conjunction with the Alberta Kennel Club's 95th and 96th all breed shows on July 29 and 30. In addition to the two all-breed shows and the German Shepherd Specialty there will be a Group 3 Specialty. All in all a point-getting bonanza event for all working dogs and German Shepherd Dogs in particular.

The German Shepherd Dogs are to be judged by Dr. Wm. E. Redlich of Evanston, Ill.

Dr. Redlich has promised a ring-side commentary on his placings in addition to picture

I cannot recall when we last reported to "Club Notes" and so would like to recap briefly our activities from last January at which time the following officers were elected: C. J. Gilbert, President; Herb Fletcher, 1st Vice President; Wm. Reid, 2nd Vice President; Mrs. Jean Fletcher, Treasurer; Miss Winifred Dochester, Secretary.

We were pleased to welcome Mr. Jack Patterson back to the club after too long an absence. He has sparked some life into our monthly meetings by suggesting that each month a member's name be drawn from a hat and that member will choose a topic for discussion at the end of the meeting and also act as the chairman.

By the time this has reached print our Annual Specialty Show will have been held. It was held on May 28, at the Livestock Building Exhibition Grounds, Vancouver. So lots to report next month.

The monthly meeting took place at the Women's Council House on Monday, May 29, with the President, Mr. S. DeWolfe in the chair. During the business meeting the success of the Spring Sanction show was discussed. Following the business two films on genetics were shown.

The BIS winner, Ch. Valridge Carmel Cream Puff, one of the most exciting Chihuahua's appearing in Canadian shows, is shown with her owner, Mrs. Joan Thomas.

Congratulations were in order for club member Mr. Harold Robinson on his BIS win at Amherst. The Publicity Chairman, T. G. Threlkeld, spoke of the arrangements for three television appearances to publicize the point shows to be held on June 5 and 6. On the CBC program **Gazette** the chairman made an appearance as a guest. On the CBC program **Look in on Libbie** the guests were Ch. Valridge Carmel Cream Puff with her owner Mrs. Joan Thomas and Ch. Hollywood Hills Honor with his owner T. G. Threlkeld. Much favorable comment was received when the tiny Chihuahua made her entry from her owner's handbag to be greeted by the Irish Setter. On the local CBHT program **Tonight**, Can. and Am. Ch. Ton-Leigh's Patrick Sean was the guest.

It was decided to hold a June meeting at which the Westminster film would be shown. The members of the Shearwater Club are to be invited to see the film.

by D. Dafoe
3047 Woodland Park Drive, Burlington, Ontario.

One of the highlights of the Spring season, the annual April dinner meeting, was held on April 22 at the home of Mr. and Mrs. R. Dafoe, Burlington. The dinner, prepared by the men of the club, was well received by the 28 people present. Six members of The Irish Setter Club of Western New York attended, including President Dr. Kast, who gave a most interesting talk on Higgins Red-Coat, illustrated with many fine pictures of this famous dog and of some of the animals sired by him.

On May 6, the annual "Night of Fun" was held at the Honsberger's in Streetsville. Thirty-five people attended and enjoyed themselves immensely. The club realized approximately $110.00 from the night's activities.

On May 18 the monthly meeting of the club was held at the home of Mr. and Mrs. E. McGowan in Oakville. The goodly turnout heard guest speaker, Dr. Alan Secord, give a thorough and informative address on rabies, their cause, cure and prevention.

In Obedience training two members, Messrs. Ray McCormick and Bill Kennedy, are having fine success with their dogs. Ray with "Lance", at time of writing, has two legs of his CD training well in hand and Bill with "Shan" tied for first place in the Novice Class at the recent Skyway Obedience Club graduation exercises.

If you have any questions concerning the club, its membership, its activities, etc., please address your requests for information to Mrs. A. Forrest, Membership Convener, The Irish Setter Club of Canada, 3074 Balmoral Ave., Burlington, Ont.

K-9 Training School

by Art Surette

79 Murray St., Brantford, Ont.

Last year when we started the K-9 Training School we had intended in a small way to further the dogs in all phases of training and to generally help owners and if necessary clubs in training their canine friends. We had no idea that we would be called upon to train large classes and these being outside our own fair city. To our pleasure the response has been terrific and to date have almost 100 dogs in four training classes in four different centres of Ontario. It is indeed gratifying to work with so many people interested in Obedience and keeping up the good work.

With hardly time for a break, we have arranged a wiener roast for our Brantford members and are looking forward to many social evenings and outings during the summer months.

The K-9ers are getting known, so keep up the good work and we hope to see some old friends at coming shows and trials, in the near future. Good Luck.

The closing meeting for the season was held Tuesday, June 6 at the home of Mrs. M. Thomas in Peterborough. The members gathered at 6 p.m. for a delicious pot luck supper in her garden.

Following the supper we enjoyed a talk and demonstration on Poodle clipping by Susan Radley. We all fell in love with her handsome model, Joshua. Miss Radley and "Josh" had been guests on our television program, **Kennel Corner,** earlier in the day.

The mosquitos drove us inside for the business part of the meeting. Larry Rawluk was elected Vice-President to replace George Spicer who was forced to resign due to poor health.

Mrs. Thomas resigned as Show Secretary. She felt she had held the position for quite a while and would appreciate a rest. However, instead of a rest she was persuaded to take over as convener of the television programs which entails lining up material, guests and writing scripts. We hope that the saying " a change is as good as a rest" turns out to be true.

Mrs. Helen McDougall consented to take over the job of Show Secretary and we all feel sure she will do an excellent job.

Miniature Schnauzer Club of Canada

by VeNorma MacKendrick

"Boxerly", 2038 Lake Shore East,

Oakville, Ont.

Flatteringly, some of our readers (we have 'em, you count 'em) have asked why there is the occasional month with no Club notes. This situation comes about because we have meetings every other month, and the deadline for the news is, sometimes, over before the meeting takes place. The June get-together brought out quite a few of the faithful who always enjoy comparing and exchanging dog-doings, and we even received an application for an Australian membership. Now, **there's** an enthusiast!

After routine business, the highlight of the evening was the announcement of the top-winning Canadian Schnauzers of the year as tabulated by Mrs. Raber's point system. Mrs. Raber distributed copies of the mechanics of her method of tabulation as many members, and even some other breed clubs, were most interested in studying the system. At this time, the club also received one of the trophies from the estate of the late Mrs. E. McEachern. It was voted that this handsome donation, to be competed for by members only, would be awarded to the Breeder of the Year as computed by the afore-mentioned point system. To be retained permanently, the trophy must be won three times, although not necessarily in consecutive order.

A bit of 'the cup that cheers', a taste of the Earl of Sandwich's namechild, and another garrulous but entertaining meeting was over.

Ville D'Anjou, Montreal 5, Que.

We have had quite an impressive month, which started out by our club winning the Inter-Club trophy, and what a beauty it is. Our sincere thanks to all participating dogs and owners who made this possible and to the two other clubs competing for this.

Our annual general meeting, held at the SPCA headquarters, saw a new slate of officers installed for the coming year. We are sure the club will continue to advance as in the past year. We are glad to retain Mr. John Romanez as our President and wish to thank him for such a fine job and all his hard work. To the outgoing officers we say "thanks for your work and interest" and to the incoming officers we say "good luck in all your endeavors". Our new training director will be Mrs. Kay Hawkins and we are sure that the calibre of training will remain on a high level with Mrs. Hawkins' expert guidance.

Our Senneville Trials were a huge success and this was the first year we have tried three trials in a week-end. We feel sure that this will be a regular feature. Our dogs did very well indeed and we have many new titles and legs as a resullt of these trials. The weather man cooperated with us 100%, for which we are thankful, and a very pleasant weekend was had by all. We realize how much work was entailed in running these trials so smoothly and we say many, many thanks to Col. W. Johnston and his hard-working trial committee who made all this possible. We were particularly pleased to see so many entries from our neighbours in the USA and also many from Ottawa. Glad to have you with us and do come back, as you are always welcome. Our thanks and gratitude go out once again to Cmdr. and Mrs. Angus for the use of their beautiful estate for our trials. The setting is magnificent.

The club dinner was held once again at Ruby Foos on the Saturday evening, when coasters were given out to all dogs having received titles during the past year. This dinner is a regular feature looked forward to and enjoyed by many visitors and locals alike, and gives everyone a chance to make new friends and keep old ones.

Our club training resumed outdoors on June 15 at McGill grounds and we hope to see a good turnout for these weekly sessions. Many of our members are competing in trials in Canada and the USA during the summer and this gives them a chance to keep in practise. We expect to be able to report many new titles by the time the summer is over.

Following the June Meeting, Mrs. Audrey Langford gave a most interesting talk on Obedience. This was followed by a film on basic and advanced obedience produced by the Hamilton Obedience Club, and shown and narrated by Mr. Burr of that club.

The next series of Obedience classes will begin on July 5, at the time and place mentioned above.

The club had a very successful month at the shows in London, Stratford, Barrie and Aurora.

Outstanding was Lt. Col. and Mrs. M. H. A. Drury's eight month old Boston Terrier who, in these four shows, became a Champion, going Best of Breed in all four, First in Group in three and Best in Show at Aurora, against a number of American and Canadian champions.

Obedience Association
London Ontario Branch
by Guy Evans

On the 22nd of April our demonstration team was invited to open house at Emco London Branch.

A tour of the factory was made by the adults, all children being left in care of the ladies' committee from the Obedience club. The girls did a wonderful job, entertaining the youngsters along with our team of dogs.

Jiffy, the Clown, also his side kick, Bango, did a good job of keeping the children happy until their parents returned.

What a great day for us. There is no job too big or too small for this club so long as it is furthering Obedience.

The Obedience Association (Ontario)
by Mrs. Mary Krawesky
57 Barons Ave. North, Hamilton, Ont.

At the March meeting of this club there was a good turnout of directors from member clubs of the association, 13 guests from London, Kitchener and Toronto, two individual members, the Secretary-Treasurer, Mrs. Louise Diamond and the President, Mr. Peter Kirk.

Mrs. Audrey Langford, who is a director at large, reported that she had 14 names on her list of members wishing to study standards and regulations of Obedience. All directors gave their reports on the activities of their clubs, and we are very happy to see more interest being taken in all phases of Obedience. Mr. Clarke Diamond was picked as Chairman of our annual convention and it was decided to hold this in the Ancaster Fair Grounds, June 4, to be called "Convention and Fun Frolic". It was also decided that we are growing up and old enough to have our own stationery with a letterhead. We give out hand books to clubs starting their first Trials, free of charge, and also supply Ring Steward Guides to clubs holding ring steward classes.

We now have 17 member clubs and 19 individual members. Mrs. Grace Probert was appointed to take care of the editing of the "Obedience Link", a news booklet from all member clubs, giving their activities, dog hints, jokes, and articles of interest to dog lovers. We decided also to send speakers to clubs informing them of the advantages of being a member of our association.

At our April meeting it was decided to hold an open forum on the day of the convention, with Mrs. Audrey Langford as Mistress of Ceremonies. Mrs. Grace Probert announced that she was opening a new obedience club in North York and requested an application for membership to our association. There were directors from Sarnia, Oshawa, Burlington, Simcoe, Brantford, St. Catharines and Hamilton present, as well as several guests.

At our May meeting Mrs. Grace Probert announced that the first edition of the "Obedience Link" had been printed and copies had been sent out to all member clubs. Our President, Mr. Peter Kirk, our Secretary-Treasurer Mrs. Louise Diamond and our Chairman of the Convention, Mr. Clarke Diamond, attended a meeting at North York Obedience Club on May 8, to assist in geting this new club started.

Mrs. Audrey Langford and Mr. and Mrs. Clarke Diamond, as representatives of the Association, were asked to speak at the Boston Terrier Club on May 9 on obedience and the convention. Mrs. Audrey Langford spoke on obedience at the North York Obedience Club on June 5.

The Ottawa Kennel Club
by Wilhelmina Bales
158 Russel Ave., Toronto 2, Ont.

The Ottawa Kennel Club held the regular monthly meeting at the Ottawa Humane Society Animal Shelter on Thursday, May 18. The President, Mrs. Neill Malcolm, was in the chair.

A minute of silence was observed in memory of Mrs. Harry Fraser, who passed away so suddenly on May 12. Mrs. Fraser was well known in the dog world, particularly in Scottish Terriers, being one of the founders of the Scottish Terrier Club of Canada and has reported their Club Notes to **Dogs in Canada** for some time. Mrs. Fraser was also a member of the Ottawa Kennel Club for many, many years and has always been a source of help and inspiration in all the activities. She will always be greatly missed. Our deepest sympathy is extended to Mr. Fraser and family.

The Championship shows held on May 5 and 6 were reported as having proved very successful and a general discussion of plans and judges for next year's Championship shows took place.

Dr. J. A. Hutchinson gave a most informative and enlightening talk on the work of the Veterinary, especially with dogs. He spoke of the aptitude necessary to become a Veterinarian, the education required, the problems and difficulties encountered in treating and taking care of dogs (and their owners), the need to be prepared to answer calls at all hours, the necessity of continued study and of keeping in touch with the findings of dedicated researchers who work constantly to improve veterinary science.

Dr. Hutchinson related many instances of the vets work, some amusing, some touching, also of the often close cooperation of dog owners and sometimes otherwise. A vote of thanks to Dr. Hutchinson for showing us "the other side".

Church's Mr. and Mrs. Group, and at St. Andrew's Guide Leaders dinner, where we had workers from the Basic Training Class, CD and CDX workers.

Before the end of summer we hope to have at least three more dogs with their CD titles and four with CDX.

Our last meeting was held at the home of Mr. and Mrs. Albert Guest of Lindsay, when our members were presented with their new club crests. Several of our members wore them at the recent trials, and they certainly look pretty nice on their spanking white shirts and blouses. Green and gold.

Mr. and Mrs. Guest really gave the members a pleasant surprise at the last meeting. When lunch was served it was all in green and yellow, even to the beautiful chocolate cake iced in green with gold lettering saying "WELCOME PADOC". It was our first meeting held in Lindsay. Next month our meeting will be held in Campbellford at Mrs. T. S. Little's home, then the following month on to Bridgenorth. We really are Peterborough and District.

We are presently working with young Sandy Mackay and his little Chihuahua, and he hopes to be able to earn the coveted Dog Handler Proficiency Badge which is a new badge offered by the Boy Scouts Association. Training his dog is only one part of this test. He is a good handler and exceptionally keen.

Members of our club attended the Convention and Fun Frolic at Ancaster. We had a wonderful time. The display put on by the Brantford Club was out of this world. We are still talking about it.

Poodle Advancement Association

by Charles Kiel
R.R. 1, Maple, Ont.

The Educational Commitee has been hard at work this Spring. Movies on dog training were shown at the April meeting at the home of Mr. and Mrs. Edwards, and a most informative clipping demonstration was held in May at the Poodle Studio. Members and friends turned out to watch and try their hand at trimming willing Poodle victims. One could see the excellent results from the evening on many of the pups a few weeks later at the Poodle Puppy Match held Sunday, June 3, on the grounds of the CNE. A record entry of 67 Poodles, ranging from two to 18 months, paraded before the judge, Miss Anne Austin, of St. Claire Shores, Mich. Our annual Poodle Puppy Match was a delightful success. Best in Match went to the cream Miniature, Champagne de la Fontaine, owned by Mr. and Mrs. Bud Flanagan. BOS in match went to a white Standard, Calvados de la Fontaine, owned by Mr. and Mrs. Robert Schmidt.

The WD & BOS in Toys went to a tiny young cream pup owned by Dr. Ellen Brown. WB and BB, Toys, was a white, Pourquois de la Fontaine, owned by Mrs. Bobbie Ellis. WD and BOS in Miniatures was won by the cream, Broughton Country Squire, owned by Susan Radley. BVB and BB in Standards was the brown, Corq's Jezebel Tara owned by Mr. J. Ratz. Jezebel was the best Standard Poodle at last year's match as well.

Further educational programs are planned for each month commencing again in the Fall and anyone interested is most welcome to attend.

The Portage Club
Portage la Prairie, Man.

A Boxer puppy owned by H. W. Johnson and handled by Pat Johnson of Winnipeg went BIS at the Portage Kennel Club's first Sanction Show which drew an entry of 103 dogs. This is reported to be a record for a Sanction Show in Manitoba. W. Nixon of Winnipeg was judge for all 27 breeds.

This club was formed in the Fall of 1959 and has held regular monthly meetings since that date. At present all members are working hard on another Sanction show scheduled for July 2 on the Portage Fair Gounds in the Exhibition Hall where parking space and picnic facilities are plentiful.

Obedience classes are planned for the Fall.

The Progressive Kennel Club Inc.
by Gertrude W. Drew
120 Ranleigh, Toronto, Ont.

Owing to the illness of the President, Mr. C. M. Stevens, a special meeting was held on the evening of May 25. The Vice-President, Mr. A. H. Lake, was in the chair and there was a large attendance.

Mr. Lake explained to the meeting that he had been asked by Mr. Stevens to superintend the show which was due June 3. It was to get their assurance of attendance and cooperation that the meeting was called. The jobs were allocated and all promised their support. Other small details were put in order.

The show, which was held in Dixie Arena, went over splendidly. There were well over 300 dogs entered and judging never lagged. Some of the officials looked pretty tired at the end of the day. The show was over at 7.30 p.m., a very respectable hour. Those who were not required for further judging were excused at 5 o'clock.

The club wishes to thank all those who assisted and a special thank you to the exhibitors for their many entries.

The Best in Show award which went to a Montreal-owned dog was made by the well known international judge, Mr. Theodore Gundersen of Ottawa.

There were quite a number of spectators, which would indicate that Dixie is a popular locale for a dog show. The weather was perfect and practically all the entries were present, including those from United States.

Mr. Stevens, who suffered a relapse following a heart attack, was well enough to spend a few hours at the show during the afternoon. He does however, have to take things easy for quite some time yet. It is encouraging to see him around again and with the good care Mrs. Stevens is giving him he should soon be fit as a fiddle.

Many of our members are looking forward to summer vacations and trips. Others are looking forward to summer litters and finishing their dogs at the many summer shows. We wish you all much success and happy holidays.

Prior to the business part of our May meeting we had a very good training session with a class of six dogs. Peter Piccinin has been working on his young male and has him standing perfectly, head up and tail out without any handling. Henry Paslaw's female is training well too. There will be another class early in June.

The meeting was fairly well attended with 18 being present. There was considerable business and a large volume of corespondance on the agenda, which took the remainder of the evening. With the secretary's work increasing all the time the matter of buying some new equipment met with favorable comment. The executive are looking into the purchases.

The superintendant of Boyd Park has asked us to hold our show at Cold Creek, which is another provincial park in the same area. He explained that there are a lot more suitable spots for a show and the park is never crowded. Also there is a large building which can be used for shelter in case of rain. Cold Creek, is located just west of Nobleton, off No.7 highway. We are rather fortunate in getting the

change as Boyd Park is usually very busy.

Raising Irish Setters with a bunch of children is not the best thing for young puppies. The writer recently saw a litter which should have turned out well, the sire and dam are good specimens, sound and typey and the pups showed early promise. Alas! the pups are now between four and five months and they are more or less cripples in the front end. The children were allowed to pull them over the fence by the front legs, play with them until the pups were exhausted and then pull them over the fence again. The result is, the muscles are all pulled and so badly stretched that the legs flap around like wings. This is just a case of the parents indulging the children to the detriment of the helpless puppies. Actually it amounts to cruelty.

Word has been received by Mrs. Betty Hodgson that a bitch she sold to people who live in the Lindsay district, has a litter of nine healthy pups the result of artificial insemination. The owners had tried many times to breed the bitch without success; finally they resorted to the artificial method, and it worked. Their local veterinarian did the job.

Upon enquiry into artificial insemination and results, it would appear that the method so far is rare among dogs but popular among cattle breeders. Apparently there is a great deal of research being done in this connection but to date no preservative has been found which will keep the semen alive for any length of time. With cattle it is entirely different.

Our next meeting was held on June 26, when numbers were drawn for our annual draw prizes. This was a big night with a special pot luck dinner, in celebration of our half year work on behalf of our breed. There will be no meeting during July and August.

Enquires may be made during the summer to the secretary, Mrs. Mary Lake, 200 Maple Leaf Drive, Toronto 15, Ont. Ch.1-3709.

St. Catharines and District Kennel and Obedience Club

by Don Foster

131 Bunting Rd., St. Catharines, Ont.

Our May meeting got under way in full swing with reports on our first all-breed show held April 8 in the Queen Elizabeth Centre, and judging from reports proved to be successful. We are looking forward to making this show an annual event. Congratulations were given Mrs. Mary Johns and her hard working committee. This club also extends sincere appreciation for stewarding in the rings to Miss Alma King, Mr. J. W. MacCallum and Mrs. Barbara Howe, who certainly did a most thorough job in the absence of catalogues which failed to arrive in time for the show. Prospective judges were named and a new date was selected for our next show. Larger floor space and additional rings were proposed.

May 21, saw 96 dogs participating in our third double trial which also proved successful under the guidance of Mr. Vern Jackson and Miss Joan Garbutt. Two graduates of our training class, Miss Margaret Hunt and Mr. Frank Newbold, were very happy when they received legs toward their CD title. A very nice job of handling a ten-month-old Shetland Sheepdog won top honors for the day along with our Challenge Trophy for Mrs. W. Kershaw of Brantford. Winner of the Bulova wristwatch drawn the day of the trial was Mr. E. Bocchinfuso of Thorold.

Mr. Dave Gilmore was nominated scribe for the club news in "Obedience Links" which is again being edited by the Obedience Association of Ontario.

A number of St. Catharines dogs with handlers entered the Western Lakes Training Club's first Obedience Trial and came back glowing with admiration in the way this trial was conducted. Every feature of this trial was in catering to both exhibitor and spectators. Our hats are off to WLTC and their hard-working members who are advancing Obedience in their part of the country to a spectator as well as a competitive sport.

The May meeting of the club was held at the home of Dorothy and George Mehlenbacher with practically full member attendance. A combined social and business evening was enjoyed by all present. We were fortunate in having Dr. Williams, Niagara Falls, noted authority, give an informal talk on the 'Field Dog' which proved of interest to many in the club. Plans for the forthcoming show and trial on July 8 were discussed and from all reports we have reason to expect a very successful day!

George Mehlenbacher, Obedience Chairman, has tentative arrangements made for an Obedience training class to commence some time early in September, the location to be announced at a later date.

Some "behind-the-scenes" discussion on a proposed old-fashioned picnic in late August are being bunted around; more details when the hustle and bustle of show and trial preparation leaves members with more free time.

A few of the Simcoe members manned the kitchen duties for the Obedience Association (Ontario) Fun Frolic on June 4. We are certain this was appreciated by the many healthy appetites of the obedience enthusiasts on hand. See you at the show and trial July 8.

We were delighted to hear that our club dogs are coming along so well in working towards their CD.

The following are an example: At the Brantford Obedience Trial Mr. George Cook's German Shepherd, Beau-Gal, received the first leg toward her CD. At the German Shepherd Club Obedience Trial, Mrs. Barbara Saunders' Schnauzer, Smoky, received a second leg. At the St. Catharines Obedience Trial Mr. Andy Emery's German Shepherd, Lady, received her CD. Mrs. Saunders' Schnauzer, Smoky, received his CD at this show.

At this time the club would like to extend deepest sympathy to Mrs. Eileen Pendlebury on the death of her Poodle, Candy, who at seven months of age had just received her CD and one leg towards her American CD.

Our graduation night for our training classes was held Sunday, May 28. Mr. Harry Wilkenson was the judge for this set of classes.

Miss Gloria Emery and her German Shepherd, Baron, received the highest scoring

Sudbury and District Kennel Club
by Bonnie Swain

The long winter months of Northern Ontario pay off in long winter hours of training at the Inco Club for our Obedience Section. Last month the Novice Class under the able direction of Marion Urwin held their graduation. Something new added this year was a demonstration of CDX and UD work under the guidance of our advance trainer, Norm Polmateer. The purpose of this was to show the graduating Novice Class the opportunity of further training. The club's congratulations go to Edna Walford, owner of Ch. Nutmeg of Bibelot who did quite proud by the Poodle breed. She attained her Canadian championship at the tender age of 15 months and has already cast her eye southward —good luck, Meg. Our club's Secretary Treasurer, Bill Watt, can also be proud of his Springer pup, Rogue of Rocky Acres, who now has his CD and is also doing great work in the field.

Bert McClelland, our President, had a smashing idea last month. He suggested a dinner dance meeting in order to co-ordinate the interests of the three sections of the club, Retriever, Spaniel and Obedience. Several very interesting films gave us a chance to digest an excellent dinner before talking the husbands into dancing. It's amazing how tired a husband can be at the mention of dancing, but mention field training and they're off leash and running.

We are looking forward to meeting a good many old friends and a lot of new ones at our Obeidence trials in July. This year we are ambitious enough to tackle three trials, two on the 29th and one on the 30th. Anyone who journeyed to the Nickel City last year will vouch for our '60 trial and this year we are able to afford handlers the opportunity of finishing one degree and getting a hand up on the next one.

Our big news for the month of May, too late to make the June issue, was the club's Picnic trial and our salute to Orest Andrews' "Little Joe' who brought in first class marks. Orest is now wearing a brand new hat.

A last jog to the memory for field people, the Spaniel and Retriever trials coming up very soon. Contact Orest Andrews or Maurice Martin, c/o the Sudbury Club, for particulars.

Top news of the moment is the wonderful win by Helen McGill's Collie, "Pal", of the Augus Challenge Trophy at Senneville. Amassing the highest aggregate score of the three trials, Pal won as well numerous class prizes and a highest Canadian score in trial.

Olive Tyner's Standard Poodle, OT Ch. "Judy" took home a high score in trial trophy and several class prizes.

Including Collie "Pal" who completed CDX, five club dogs finished titles on the weekend: —Mrs. R. H. Bryson's Standard Poodle, "Cobber", UD; Roland Patitz's Dobe "Greta", CD; Diana Severs' Labrador, "Shadow" CD; and Bob Vaillancourt's Dobe, "Minnie", CD.

Congratulations too, to the owners of the "leg-earners"; Anne Griggs, R. Dunton, Fred Newman, Gaston Nolin and Lee Ward.

At the Ladies Kennel Club trial Olive Tyner and "Judy" won high score in trial. Other members did not fare so well with dogs in the open classes, developing sudden cases of "go-around-the-jump-itis". Diana Severs finished the CD on Labrador "Lu" and Bob Vaillancourt's Dobe "Minnie" earned a CD leg.

In the U.S., at Willimantic, Conn. and Springfield, Mass., Jean Osborne's German Shepherd "Mutig" distinguished himself by placing in the ribbons at both trials, scores 194½ and 196, and bringing back a trophy for highest scoring Shepherd — seven of the breed competing in Novice B.

At our second annual meeting held May 18 at Ste. Annes, elected to the Executive Committee were: President, Roland Patitz; Vice-President, Wallace Ward; Secretary, Peggy McCoy; Treasurer, Bob Vaillancourt; Councillors, Sylvia Dempster, Diana Severs and Olive Tyner.

Welcome to our new members—Mr. and Mrs. L. P. Burnett and Boxer "Tammy", Mrs. W. E. Lynes and Weimaraner "Keena", Mr. and Mrs. J. Williams and Dobe "Rolf", and two Montreal Obedience "old-timers", Mrs. H. G. Ferrabee and Eng. Cocker "Kim" and Mrs. T. G. Hawkins and Bostons "Star" and "Candy", UD's.

Special blue ribbons to the Mountain City Obedience Club's winning team which became new holders of the Gus Millar Inter-club Trophy.

Ta-I-O Beagle Club of Montreal

May 6-7 weekend gave 80 hounds pleasant but hard running on the lovely grounds of the Lachute Beagle Club. It was particularly good to see Leon Bigelow and Art Duell from the ancient and honorable Northern Hare Beagle Club of North Creek, N.Y. This club held the first pack trials on the continent and these men have been associated with it for over 30 years.

On May 20 and 21, 108 hounds from Quebec, Ontario, Maine, Massachusetts, New York, Vermont and Pennsylvania ran from our clubhouse.

The last weekend in May saw the final licensed event of the year held at Sandy Creek, N.Y. Out of 84 entries, 32 were Canadian hounds, who accounted for nine of the 20 places.

A class of 17 entries of 13" dogs was won by club member J. DeVito's New Parrot Bink, while Ontario dogs Sureline Spurdy and Baron Carbo of Packsong took third and fourth, with George Coombes' Plum Hollow Red placing reserve. In the 15" bitches, with 18 entries, Yvon Turgeon's Happytime Susie's Sue was 2nd, Germain Boucher's Floline Whitey, third and Ab Smith's Hillview Music, reserve. Echo Drive Little Pete, owned by Angelo Lebano and handled by Art Warren, took second in the 15" dog class of 22, while Okill Stuart's Twink's Tippy Flakers placed reserve.

BASIC COLORS IN POODLES / *continued from page 19*

Trickiest of all to achieve in all three varieties of Poodles is apricot. Even if the color appears well set, it can still fade in the sun. In both apricots and creams there is the tendency toward light eyes, which rob the Poodle of true expression.

As mentioned before, the light shades are for the ambitious expert, only. In founding a strain of dilute colors, the mating should be to the same color, with a certain amount of line breeding to keep well within the conformation as well as eye and nose color.

Note the skin color. Correct pigmentation for a white is dark skin. Blacks and silvers carry a blue skin. Browns are dark-skinned.

Above all, the purchaser should not buy a Poodle by color alone — conformation and general health and joie de vivre are what make the Poodle. ●

BEST OF VARIETY

It's a Dog's Life

Living in the country, at certain times of the year the house becomes infested with field mice. I have a house full of terriers, all great hunters, but not one of them will harm the mice in the house:

One day my big Bulldog had been asleep in his basket all morning and about noon he lumbered up to go outside. From beneath him in the basket a very squashed-looking little mouse appeared and quickly ran away.

TEN COMMANDMENTS FOR EXHIBITORS

(as set forth by the Metropolitan Great Dane Club)

(1) Always conduct yourself as a lady or gentleman
(2) Be helpful to novice exhibitors
(3) Be considerate of your fellow exhibitors in the ring
(4) Be polite to the enquiring public
(5) Disregard all malicious gossip
(6) Never question a judge's decision until he leaves the ring
(7) Accept defeat as gracefully as your dog does
(8) Never ridicule another man's exhibit
(9) Always bring a clean, healthy animal to the shows
(10) At all times be a true sportsman

there once was a boy

There was a boy who hated school, cats and television. His counsellor said "Jerome, you had better learn to handle dogs". So Jerome studied to be a handler. At the end of the first week Jerome said: "I've trained my dog to run when other dogs in the ring are walking. Am I ready yet?"

"No," said the trainer, "You are not ready yet." At the end of the second week Jerome said: "My dog only bit two other handlers. Am I ready yet?" "That's too many," the trainer said.

"Next week Jerome said: "My dog crossed in front of several others and tripped a lady handler. Am I ready yet?" "Certainly not," the trainer decided. Jerome tried again. "My entry ate up another dog's liver treat and pulled the hair out of a Poodle's pompom. Am I ready yet?" "You're coming along," the trainer admitted.

Soon Jerome gained confidence. "I let my dog start a fight with a smaller dog in the ring. Did I do better?" "Better," echoed the trainer.

Jerome persevered. He was a changed boy. Even his parents started speaking to him again. He stopped hating school, cats and television. He had a new outlet for his erascibility.

"A nice old lady asked me what time we were due at the ringside. I told her six, although it was five. I mislaid another competitor's armband. Oh yes, and I let the air out of a handler's tires. Am I learning?"

"You'll get along," nodded his mentor. "You're almost ready. At last came Jerome's big day. "I painted my hottest competitor's dog's toenails red. I fed another dog taffy and mussed up his whiskers. After that I told another man his dog should get best of breed in a zoo. And just before leaving I told the judge he probably couldn't tell a dewclaw from a dewworm. Am I ready now, now, now?"

"You are certainly ready my boy," sighed the trainer. "This afternoon I shall enter you in a reform school, at your parents' request."

Two strangers walked into a bar, each with a dog — one with a Bulldog, and the other with a long, low type. They sized each other up, and so did their four-legged companions.

"I'll bet my dog can clean up on yours," challenged the Bulldog owner. "Bet you everything I own he can't," came the response. Since a wager never goes unheard in a bar, a crowd soon gathered. Both men and dogs paced off, and at a signal the leads were slipped.

In a flash the long, low contender snapped off the Bulldog's left hindleg. After the crunch there was a stunned silence.

When he could speak, the Bulldog owner asked: "What kind of dog is that, anyway?"

"Well, drawled the victor, "before I cut his tail off and had a paint job done, he was an alligator."
