He knows what's best in Nutrition

Your veterinarian has a profound knowledge of Animal Nutrition. Years of study and practice have taught him the importance of a balanced diet. He knows which foods contain the essential nutrients your dog needs for good health. Such nutrients as Vitamin A and Vitamin E, for instance, to combat night blindness and skin disease. Broad practical experience, frequent consultation with fellow veterinarians, and familiarity with new developments in veterinary medicine make your veterinarian the person best qualified to prescribe your dog's diet.

COVER STORY

Many readers among the German Shepherd fancy will recall a cold gray day in the early Fall of 1959 when the lithe, eye-catching German Shepherd bitch was finally selected Best Opposite Sex from an exciting entry assessed by Judge Karl Von Stappen of Germany at the 37th Annual Specialty Championship Show of the German Shepherd Dog Club of Canada. The winner became Can. Ch. and Can. Grand Victrix Erle vom Fuchteler Wald. The cover picture shows her continuing in fine form to take Best in Show, all breeds at the Kitchener-Waterloo KC show in 1960, handled by Mary Southcott. Erle was the only German Shepherd to obtain this distinction at an all-breed championship show in Canada last year.

Erle's owner is Mrs. Marion McDermott, Norwalk, Conn., whose Sarego, Reg. is a prefix thoroughly known to the German Shepherd fancy throughout the United States and Canada.

In 1952 two of Mrs. McDermott's dogs captured the coveted titles of both Canadian Grand Victor and Canadian Grand Victrix. It is believed that this is the only time both titles have gone to one kennel in one year.

Mrs. McDermott also owns the 1954 American Grand Victor and Best in Show winner, Ch. Brando Vom Aichtal and the 1959 American Grand Victrix, Ch. Alice von der Guten Fee.

As far as can be ascertained, few German Shepherd kennels in the world have attained the following: one American Grand Victor, one American Grand Victrix, one Canadian Grand Victor, two Canadian Grand Victrix's, one Canadian Best in Show winner (all breeds) and two American Best in Show winners (all breeds). Mrs. McDermott may well be proud of the reputation she enjoys for owning and producing fine German Shepherds, and she is continuing to do everything possible toward the betterment of this great breed. ■

NEWFOUNDLAND SPECIALTY WINS

In an entry of 32, *Mr. and Mrs. Fred Kearsey's* four-year-old Newfoundland, Ch. Captain Morgan's Prince, went WD for five points at the Newfoundland Club of America Specialty show held May 20 by the Ladies' Kennel Association of America at Garden City, L.I., N.Y. Judge Kenneth C. Tiffin placed Am. Ch. Little Bear's Canicula Campio Best of Breed. BOS was Mr. Don Richardson's Dryads Anguille. At the Long Island KC show the following day, Judge Ted Gundersen placed "Cappie" BW for five points. Mrs. Geraldine Irwin's Am. Ch. Sarja's Sir Lionel of Irwindyl was BB; BOS was Little Bear Kwasind War Dance.

Cappie added further victories June 10 with a five-point win at the Canandaigua KC show and another five the following day at the Tonawanda Valley KC show, to complete his American title. He is a son of Mrs. Jolley's great Newfoundland, Ch. Topsail's Captain Henry Morgan and Deneault's Queen (breeder is Dr. Helga Laufenstein).

"I ROUTINELY FEED PERVINAL"

Mr. Nigel Aubrey-Jones, prominent breeder and importer of champion dogs, says:

"When I find a dog in a foreign country with proper standard conformation, I do not hesitate to import him. Invariably, it takes six months to one year of intense nutritional conditioning to prepare him for the show ring. In addition to beef and kibble, I routinely feed Pervinal to help assure an optimal intake of vitamins, minerals, bioflavonoids and lipotropics which contribute to full coat, sound bones and teeth, good reproduction function, better nerve and muscle coordination and resistance against infections and illness."

Owners, breeders and handlers of top dogs agree that "PERVINAL is PERFECT" for all breeds. Why not give your dogs the benefit of this tasty, economical, easy-to-use nutritional conditioner.

FROM THE EDITOR

FOR READERS who have been enquiring over the past many months about the non-appearance of the Old Timer in his usual place, here's news. He is well again, although not robust, and is able to resume his thought-provoking (and sometimes people-provoking) department. The first column in this new series appears with this issue. His pipe is not drawing perfectly yet and frequently needs attention, but for every pause for pipe poking, a new discussion arises. Breeders and exhibitors will be familiar with many of the problems he brings to light and may be helped toward solutions by this provocative person, the Old Timer.

° ° °

A complete reversal of last year's German Shepherd issue has come about. Every club representative and Shepherd specialist called upon for assistance came through promptly and well. Advertising is of a good proportion to the editorial, and frankly this ratio is an inspiration for special issues in other breeds.

° ° °

Speaking of German Shepherds, readers may recall *Dogs* editorial of May, 1961 in which attention was brought to the community of Odessa, Ont., in which the German Shepherd as a breed was thoughtlessly penalized. The proposed licence for German Shepherds or for this type of dog was to be jumped to $10 for each male or spayed female Shepherd, $20 for each additional male and spayed female; $20 for each female and $30 for each additional female. All other breeds were to be charged $2.00 for each male or spayed female and $3.00 for each female. This was too much for the German Shepherd Dog fancy and the German Shepherd Dog Club of Canada went into action. Under the leadership of Toni Kleinjohann and others, a plea for justice and proper taxation was made to the Reeve. These active people were successful in having the ruling squelched, the taxation is now on a proper level, and through their efforts a new understanding and appreciation of the breed has come about in the community. This is a fine example of how a club may work as a force on behalf of their breed.

° ° °

Once again we are planning the popular Annual Kennel Directory which will appear in the November, 1961 issue. For those unfamiliar with the Directory, this is undoubtedly one of the most useful, yet inexpensive methods of keeping one's kennel name before the "doggy" public. For the small sum of $2.00, the listing includes the kennel owner's name, kennel name, and address for every breed or variety listed. This year, as a result of numerous requests, a telephone number may be included for an additional $1.00.

Wherever we travel in Canada and many parts of the United States we find the Kennel Directory a familiar sight on the desk or beside the telephone, obviously well used throughout the year. It also serves as a reference in veterinarian offices, The Canadian Kennel Club and The Humane Society offices. It would be impossible to reproduce all the endorsements for the Directory.

This $2.00 (or $3.00) is the best investment a kennel owner can make. Calls are received throughout the 12 months. It pays for itself over and over again.

The directory has become so important that *Dogs in Canada* feels a deep sense of responsibility in recommending the listed kennels. After much consideration we feel it is imperative to be able to absolutely vouch for the cleanliness and operation of these kennels. Naturally it is impossible to personally visit every kennel. However, for those kennels so wishing, we plan to make it possible to indicate that kennels have been inspected by a veterinarian within recent months. The introduction of the Directory will state that those marked with an asterisk or other indication have sent with their order a veterinary's certificate. A forthcoming mailing to a comprehensive list of veterinarians will explain the new system and enlist their co-operation. Since most kennel owners keep in close touch with their veterinarians, this should not create any difficulties. Please note that this is not in any way compulsory. It is merely an additional service.

° ° °

It is with a deep sense of personal loss we have to report, at the time of going to press, the death of Mrs. A. E. (Birkie) Thompson, Toronto. A generous person, she was interested in the welfare of all breeds, and was particularly known for her fine Welsh Corgie under the prefix of Dalmally. Mrs. Thompson, although ill for a considerable length of time, had continued to contribute so much to the success of shows. Her loss will be a great blow to all who knew her, and deepest sympathy is extended to her husband.

PLAIN SPEAKING

. . . I have returned recently from Burlington, Ont. where I attended Blanche Saunders' Obedience Clinic. She did, as usual, a superb job; observing her and listening to a variety of comments, I decided to do some plain speaking.

Miss Saunders' first book, *Training You To Train Your Dog*, was published in 1946. Almost overnight it became a best-seller and her instructions have been followed with outstanding success.

Other dog training books have been published before and since, and the authors have many different ideas and different ways of doing things. This is as it should be; Miss Saunders herself emphasizes that there is no one way to train a dog. But then along came a book which went out of its way to condemn many of her methods.

It is perfectably acceptable to say "This is the way I do it" without stooping to add that somebody else's method (without mentioning the name but making it obvious) is wrong, damaging, even intimating that it is cruel. This is uncalled for and in very poor taste, particularly when that method has been proved excellent over a span of many years.

These "digs" at Miss Saunders' training have been taken seriously by some people, tossed around, exaggerated, with the result that now, and only now, there is criticism of her book and her methods. And this is the point I want to emphasize — that much of the criticism comes from people who have it only on hearsay, who have not read her book and/or seen her in action. Hence some of the remarks overheard at the Clinic: "I heard Blanche Saunders kicked the dogs around like footballs — why, that isn't the case at all!" . . . "I never realized what praise really meant until I saw her work with those dogs." And many more along those lines, with spontaneous applause and open admiration when dog after dog received its corrections and overcame its problem with tail waving gaily. Miss Saunders remarked that basically her methods have not changed in 25 years.

One thing we must not forget is that trainers may apply a certain correction in the wrong way and then the method itself is blamed. Anybody can make a mistake, but trainers should analyze where the fault lies: perhaps he needs to improvise a little, or maybe another method will work better in a certain case. Often the instructor makes a good correction and the owner spoils it by failing to praise, or by gathering the dog up and babying it, making it think it was frightened.

Basically most of our Obedience training is the same anyway. Variations in detail can produce the same result: whether you toss a magazine at a dog or drop a board behind him, the idea is to startle him. Whether you pull up on the collar with the free end to make him take the dumbbell, or tighten it as a loop, the pressure is the same. Whether you snap him into a down position with your foot or your hand, the main thing is, it can and does work both ways.

I have no intention of entering into a long or bitter controversy over what I have written. I wrote this because it needed to be said. When a lady of fine character and outstanding ability has her work unfairly discredited in a rather distasteful manner, I for one think it is time somebody spoke up.

ANOTHER TITLED YOUNGSTER

. . . I was most interested in the letter about the Sheltie puppy receiving his CD at nine months and 21 days. This puppy must have received his degree at the same time my puppy did.

I am very sorry to tell you he was not the youngest in Canada to do this; my Standard Poodle, Bon Bon of Cara Mia, won her CD degree and one leg of her American degree at the age of seven months and 24 days and like you, I am very curious to know if she was the youngest dog in Canada to receive this honor.

Bon Bon of Cara Mia is known as "Candy" by her club members. She was trained by me at the Skyway Obedience Club of Hamilton and we are all very proud of her. In Canada her scores were 186½, 190½ and 192½. Her American score was 187½.

SPORTSMEN'S SHOW FILM

Club program conveners are urged to get their reservations in now to book the new Sportsmen's Show Film for Fall or Winter showings.

This is the first film made of any major show in Canada for club showings and bids well to match the Westminster film for popularity.

Sponsored by Gaines Dog Research Centre — Gravy Train, Rally, Gaines Dog Meal and Krunchon — this 16mm. sound movie is available through General Foods without charge. It is shipped to the address given, and in order to keep up the schedule, is required to be shipped back in the same manner as received, the day after the showing.

This film was made March 17 and 18, the final day of the regular Sportsmen's Dog Show and the Saturday's full schedule of Specialty and Booster shows.

Carefully planned to show the judging and progression of the winning dogs through Group judging in all groups and finally Best in Show, Commentator Hudson Kalloch, well-known Show Superintendent, gives a running commentary and for the benefit of viewers unfamiliar with some of the breeds, fills in with informative background material.

An interesting feature of this Canadian dog show film is that many top show dogs and their owners and handlers, as well as judges, can be readily recognized. You'll see many friends during the course of the film, and will recognize others by name.

The excitement of an Obedience show is caught by the cameraman as well. Even the music adds to the tingling moments when a Golden Retriver cannot decide whether or not to sail over the hurdle. Will he, or won't he?

And for those who have never seen a Field Trial, there's a taste of it as the camera catches a portion of the second year of indoor trials held in the Coliseum. The area is set up with shrubs, rail fences and a stream, a natural outdoor setting. An interesting note is that the leaves are real — painstakingly gathered and stored throughout the Winter months for this particular event.

The film may be ordered c/o Gaines, General Foods Ltd., 44 Eglinton West, Toronto, Ont., attention Mr. Norman Stanley-Paul. ■

THE OLD TIMER

"If you had a little respect for your elders, you might learn something," sniffed the Old Timer. "Now about this critique . . ."

"I think it's time The Canadian Kennel Club made a statement," said the Old Timer.

The old boy had been pretty sick. For some months his interest in dogs had been academic. But he was looking well again, was trimming the occasional dog and was raising a litter of puppies. He was even going to the occasional show, when the show was not too far from home.

He and I had been chewing the fat about little or nothing, sitting out and soaking up a warm June sun. As he mentioned the possibility of a statement by the Kennel Club he reached for his pipe and tobacco and then, with a guilty look, shoved them hastily back in his pocket.

"Doctor says I've got to cut down," he explained "but now and again I forget."

"You were saying," I reminded him, "that you think it's time The Canadian Kennel Club made a statement. About what? The possibility of rain? The effect of the new budget on the breeding or showing of purebred dogs? Or maybe on plans for a giant dog show to mark Canada's centennial in 1967."

The Old Timer gave me that look I had known so well before his illness.

"You haven't smartened up much, have you boy?" he asked "Now if you had a little respect for your elders you might learn something."

"Okay," I said "I was just testing your reflexes. Now to be serious, what should the statement be about?"

The Old Timer again pulled out his pipe and tobacco. He tried the feel of the pipestem in his mouth, sniffed the tobacco and regretfully replaced both in his pocket.

"I'm thinking about this judging critique and the way it seems to be dragging out dog shows interminably. I'm afraid it's going to make dog shows so long drawn out that all but the real enthusiasts will start to lose interest."

I held some opinions on that myself, so I waited.

"Of course, I may be being too hasty, because I've only been to a half dozen shows and I don't know how the critiques are being used. But I'm afraid, and a lot of others are too, that the critiques are just adding a lot of bumph to C.K.C. files and that exhibitors are being made to suffer with no useful purpose being served. That's why I think a statement would be in order."

"I see what you mean," I said.

"Now, as I said I've only been at half a dozen shows since this new critique drill came into use," he continued, "but at every show judging of Best in Show has been late, late, late and at every show I've had complaint after complaint about the way judging is being dragged out. The exhibitors just aren't happy."

"And you think the critique is responsible?" I asked.

The Old Timer thought for a minute.

"I don't see how it can be anything else," he said. "As I understand it the judge has to do a critique on each of his winners, on his Best of Breed and on his Best of Opposite Sex. Of course there are one and two dog breeds where one or two critiques only will be necessary. But I'd be willing to bet that at a show of 300 dogs or more the judges have to do critiques on at least 125 dogs. And I'd bet, too, that even the most efficient judge is going to take at least one minute a dog to fill out his critique."

"So that's a two hour delay in the judging right there," I suggested.

"At least that," said the Old Timer, "and what about those judges who don't know how to take short cuts? I've been at two shows where the judges did their placing and then kept the top dogs in the ring after the others left in order to go over them again to fill out the critique. I kept track of one of the judges and he was averaging about nine

DOGS AFIELD

by David Blake

As the years pass, I become increasingly disturbed by two things; the change in the relationships between gun dogs and their owners, and the lowering of standards of acceptance of what should be expected of a good gun or trial dog. I believe these two things to be related. Perhaps my feeling is because of old age creeping up on me – the reluctance to see the old things go. Perhaps it is an unwillingness to grant that the change is for the better. Perhaps I'm right. Let me state my case and see what *you* think.

I've followed dogs in the field – pointing dogs, Beagles, Coonhounds, and the Setters usually did the water fowl retrieving – since I could walk. Naturally, while I was still knee high to a daisy and spent idle minutes plucking the petals and crumbling the yolk-like stamens between chlorophyl stained fingers, the dogs were handled by "pop" and "gramp". Neverthless, the images of those dogs are still crystal clear. Later, when I was swinging my first twenty-gauge double over them and contributing to their welfare by feeding, run building and exercising, not to mention enjoying the fruits of their efforts at the table, their every idiosyncrasy became an indelible imprint.

Yes, we had our problem characters. There was a dog with a hard mouth here, or a hard head there. There were chicken killers and egg stealers (many folks had a flock of their own in those days). Despite the sprinkling of zaney characteristics, which, it must be admitted, made life much more interesting, there was always at least one finished dog in the kennel for each type of game.

It is this word "finished" that concerns me deeply. Many of my dog owning friends – some with only one dog, would be considered outdoorsmen and hunters in the modern sense. They belong to the local Gun Club. They enjoy expeditions afield with other sportsmen. Some of them run dogs with some regularity in local field trials. Rarely does one come up with what I'd call a finished dog.

Even in the many one-course trials today, judges ride the course with their fingers crossed, hoping that likely looking dogs will manage to survive the bird field without bumping, chasing, failing to honor, or in some way indicating that their "finish" is not on a par with their apparent potential. Judges are often hard put to find placements even in large stakes, especially in open-all-age where staunchness and steadiness to wing and shot are essential.

In our family a dog wasn't worth its salt if it wouldn't stand a bird indefinitely when "lost" on point. Not only were finished dogs steady to wing and shot, but they were trained to flush on command when the gun was ready and remain steady – as we expect of a flushing dog – until given the command to retrieve. Today's dogs, if they hold a point until the gun is in sight, start sneaking up on the bird as though to gain momentum for the chase, which almost inevitably follows sight of the bird. In trials the handler who can move in to flush the bird and turn his back on the dog as he devotes his efforts to getting the bird into the air, and, if it is a shoot-to-kill, making the shot, is rare indeed. Most flushing is a comic exhibition of arm waving, shouting, threatening to shoot the gun in the dog's face, ending in a running battle of pyrotechnics and frustrated linguistics as the dog and bird leave the territory together. Comic, did I say? Though all present get a laugh at the futile embarrassment of their fellow handler, there is a much more fitting word for it.

If you were to ask why there is such a small percentage of finished dogs today I think the answer would be less cover and shorter seasons. Let's face these apparently good reasons squarely.

Yet, we do have shorter seasons, and we do have less natural cover, but in the days to which I refer, the sportsmen worked a six day week. They got on the job at seven in the morning and left at six at night – and they walked, carrying their lunch pails, both ways. If

they had a week's vacation, it was on their own time. The majority got to the hunting grounds on foot unless their hunting partner was the local grocer, teamster, or more prosperous citizen who could afford a horse and wagon. Later these men were blessed with a half day on Saturdays and the more doubtful blessing of a horseless carriage that might get them there, but often didn't get them back. In any case, the dog they owned was a priceless possession that more often than not was a reflection in more ways than one of the quality of man.

Today's activities are geared to a five day week. Shortage of natural cover is off set by an increasing number of field trial grounds, State provided training grounds and shooting preserves. Practically everyone has a car with which to get to these places and, incidentally, to get to various States in the Union where differences in game and seasons make it possible to approximate bygone seasons and bag limits.

The opportunities to train and finish a dog are certainly *as* available – and, I believe, *more* available than ever before. It is my conviction that there are far fewer citizens ready and willing to invest the time and patience to develop a dog's potential. What is worse, and this is especially obvious in the pointing dog camp, is a kind of rationalizing. A lowering of standards in keeping with the shortcoming of the dogs. How does this come about?

A man trains his own dog. Because he is poorly informed, and ineffectual trainer, unwilling or unable to devote sufficient time to the dog, or a combination of these things, the dog is not staunch or steady to wing and shot. So – the owner joins the ranks of those who do not think a "shooting dog" should be steady. He comes up with such sage remarks as "if the fall is a cripple, the dog will be closer to it when it lands and better able to catch it", or "pheasants are running birds and a staunch dog cannot maintain contact". Thus is he lowering the standards by which a properly trained dog retains respectability.

Tell this man that his dog can be shot chasing and jumping into the air after birds as they are flushed, or flush other birds to the embarrassment of the gun, or ruin the work of a gentlemanly dog sharing the point. Tell him that the few seconds involved is no handicap to the dog that carefully marks the bird's fall and is then sent on to fetch it. Tell him that a bird will not move so far or so fast from under the point of a staunch dog as one which sneaks after every move the bird makes. That a bird or covey can be relocated on command when the gun reaches a finished dog. That the sneaking dog isn't going to wait for the gun if the gun isn't around and birds will be flushed wild by such characters. He will not be convinced. Why? Because his own dog isn't staunch or steady and, more important, the onus is upon his own failure to get the job done.

We should resolve to do two things:– devote ourselves more consistently and with whatever sacrifice to the many modern day diversions that are necessary to finish our dogs properly. The reward will be many fold. Refrain from covering up the shortcomings of ourselves and our dogs by depreciating the accomplishments of the good ones. Do not lower the standards.

And if you don't know how a good dog of its type should work, treat yourself to the thrill of top flight work. Find some way to see big league action, and strive always to develop your dog to the same exhilarating level of performance. We can't always make the grade, but we don't need to lower our personal stature or that of the sport by selling the good ones short. ■

WHAT DO YOU THINK?

by AUDREY LANGFORD

CHAP. 3, Section 8 reads — 'In the case of a tie, the dogs shall be tested again by having them perform at the same time one or more of the regular exercises in that class, which will prove to the judge which dog is the most obedient. In the case of a tie in Utility, the dogs shall be tested again, by performing at the same time, all or some part of the Signal exercise.

Many ties have been broken by performing the Recall and awarding the plus to the dog that arrived in front of the handler first. Many factors contribute to the speed element, and a race cannot indicate which 'is the most obedient'. I have seen the Recall performed individually to break a tie although the Regulations clearly state 'at the same time'.

I saw three dogs perform at the same time the heeling exercise, but were judged on crooked sits only. The three dogs were ordered up and down the ring time after time to the point of monotony. The dog that eventually placed first swung wide and lagged badly on the about turns each time and the second place dog received an extra command to correct its position. However, they both faithfully came to a square sit beside their handler. One was very slow to sit but eventually arrived at the correct angle. This was not in Utility and only in referring to Utility do the Regulations read 'all or some part'. I cannot feel that this tie was broken by performing 'one or more of the regular exercises in that class', nor did it prove which dog was 'the most obedient'. In stating some part of the Signal exercise the Regulations imply either the heeling portion or the control from a distance portion, not to so minute a portion of the exercise as straight or crooked sits.

My understanding of this ruling is that, where a tie occurs within any one class, any exercise may be chosen and must be performed together and judged on all phases of that exercise. Where a tie occurs in Utility they specify 'all or part of the Signal exercise' so that the one portion of that exercise which is common to all classes, namely heeling, may be performed at the same time.

This section leaves too much open to individual interpretation. In this article I have pitted my interpretation against that of some judges. A representative is not permitted to do this. I have done so in the hope that you will consider this Section gravely in the interest of sportsmanship in the Obedience ring. The comments at ringside over some ties that are broken is all too often argumentative and crops up years later in "were you there when" or "do you remember". Judges are unjustly accused of partiality to a breed, a club, a nationality or a person, due to their interpretations. I think that Obedience would be best served if we arrive at a clear understanding of this section, or change the wording to be more specific. What do you think? Address your replies to 'What Do You Think?', c/o *Dogs in Canada*.

READERS WRITE

. . . Thank you so very much for your article about intermediate and Pot Luck classes in the Obedience trials.

I still can't make up my mind about the Intermediate classes but the Pot Luck class sounds made-to-order for the one-dog owner who has finished the other trials. It also gives those champions a chance to stay in the fun — and I do think these dogs find this work fun.

Let's keep hearing about Obedience work. "Beauty is as beauty does," it's said and although I am an enthusiastic competitor in the conformation ring, I never tire of seeing dogs proving their value in Obedience work. It appears that man first domesticated the dog (or was it the other way around?) in order to have the dog work with him.

So let's keep seeing Obedience columns right beside the breed columns and then we can have both sides of the dog's life — the worker, but Dog — the beautiful worker.

M. A. MONKMAN

Winnipeg, Man.

. . . My opinion is that Graduate Novice and Graduate Open are not of much use or interest in this area, at least. Possibly they could be worked in to best advantage at Sanction trials. I believe Brace could be an interesting class for spectators as well as trainers and could be very useful for owners of two dogs. It does stress team work to a fine degree. Regarding Team Classes, I understand this refers to four dogs and their respective handlers rather than four dogs under one handler as in conformation team classes. I think team competition is best undertaken as a competition between clubs rather than being run during a trial.

The Pot Luck class sounds really interesting, combining challenge to the competitors as well as new interest for spectators.

The practice of drawing a surprise allotment of exercises is very sound and should have an enthusiastic response. I hope a number of clubs include one or more of these classes and let us all know through *Dogs in Canada* of the response and results.

MRS. GRACE ANNE PENNO

Winnipeg, Man.

. . . I agree that the Graduate Novice and Graduate Open classes are of no merit but I do think that the Brace and Team classes are. There is something beautiful about two or four dogs doing the same thing simultaneously. As for the Pot Luck class, great, and I hope that it will come soon. It will be fun for handlers and spectators alike.

In one of the Scandinavian countries no dog can get his championship before he can do what his breed was bred to do. Why can't we have a special title which can be placed in front of the dog's name after it has passed the test for its breed? I am sure that the owner would appreciate this for if dogs continue as they have

started we will soon have dogs which are just "showpieces". Besides, dogs are happier and healthier when working. Then we could get *more* dogs in the conformation ring which are sounder and in better shape.

This would also provide another class for the Obedience-minded people . . .

I certainly appreciate your column and look forward to it in every issue of *Dogs in Canada.*

KRISTINE UTTER

Whonnock, B.C.

. . . I do not care to vote against any class that might be attractive to a trial-giving club but I would be glad to give a vote for the Brace competition and very definitely for the Pot Luck or Versatility class. I have been pulling for that one for months as I can see many possibilities in its favor:

1. as a gamble, which is always interesting.
2. as a substitute for the UD owner who is becoming bored, together with his dog, with eternal repetition of CDX and UD.
3. as a foundation of a more advanced class.

I have often thought how nice it would be if the work used could be substituted to make it more interesting and prove the dog to be intelligent as well as a good ring worker. Possibly a UDX class?

For example: In the scent discrimination exercise, the judge might scent the articles and the articles might be of different shapes. In the Seek Back exercise, various easily taken up hazards could be placed in the ring. For the Signal exercise the signals could be mixed up. In the Directed Jumping exercise three jumps could be set up and at the judges' discretion the dog sent over one of the jumps and directed over the other two.

I have no new ideas to improve the Group Examination. This exercise is to me a meaningless one with no value to the long standing time.

Would this sort of thing coincide with your idea of a "Specials" class?

We are delighted with your column . . .

MRS. D. B. HUDSON

Victoria, B.C.

. . . Am earnestly and most emphatically in agreement . . . that "we are sadly in need of something after "UD".

It's quite a let-down, after obtaining your UDT and have finally come down out of the clouds, that you are just out of it all now, because there's nothing left to do. I, for one, have a dog that I could have indeed gone further with and have no doubt that there are more like him, just sitting around getting bored.

Let's put our heads together and dream up a good one.

GRACE E. PROBERT

Willowdale, Ont.

. . . I think there is a definite place for the unofficial classes.

I enjoy very much going to Obedience trials . . . you meet nice people who enjoy the same thing as you do and the competition is both exciting and stimulating . . . If it were not for the trials I do not think I would bother training my dogs beyond the point of graduating from dog school, as they would be fairly obedient and fun and company to enjoy.

I would however, not like to see the unofficial classes just added on to a long day of the regular classes. It gets tiring for both owner and dog to wait until seven or eight o'clock to compete — as was the case at the Burlington & District KC trials in February. It was after eight o'clock when the unofficial classes came up. They could be run when the entry is not too large, or run an extra ring for the unofficial classes only.

I also heartily agree that there should be something after UD . . . The dog has just been put through a long training period, then all of a sudden the things he has learned and learned to enjoy, are stopped.

Could there not be a special class for UD champions, something similar to the Pot Luck class except that the dogs all do the same exercises? This would keep the dogs and handlers on their toes in all phases of Obedience training, and in this way the UD's could still compete.

I enjoy reading your column and appreciate the opportunity of expressing my opinion.

REC. PETERS

Hamilton, Ont.

. . . Firstly, "I Think" that the column is something that has long been needed for people entering Obedience Trials and/or training dogs in obedience. It is the first item I look for each month upon getting *Dogs* and am vastly disappointed when it does not appear in some issues.

I am in favor of the Pot Luck class but do not see any great need for the Intermediate classes. As to a class after Utility I would at this time not comment but would devote more study to it.

notes on the german shepherd

THE GERMAN SHEPHERD DOG BREEDERS ASSOC. INC.

by Anne Gerigs

This association was founded approximately 15 years ago by a few enthusiastic people who had come to the decision that a small group such as theirs could better guide the destiny of a breed club than could a large but varied in purpose membership.

The constitution of the GSDBA is based on the following: Active members shall be entitled to all rights and privileges and shall be eligible to vote and to hold elective or appointed offices in the association. These few words are rigidly adhered to and no issue is passed or prohibited without a majority vote of the eligible voters.

Though we do not necessarily agree in all our opinions we defend the right of each and every member to pass his or her opinion before the whole assembly.

Our initial aims are:

1. To put before the public a friendly serviceable German Shepherd Dog of correct conformation according to the Standard, thereby improving the breed.

2. To be free with whatever knowledge we may be blessed with in our assistance to the novice.

3. To defend the right of every breeder to go about the responsibility of correct breeding in his own individual way.

4. To give every consideration to the opinion that should our breed ever be used in good number for police work it will be done through our governing body, The Canadian Kennel Club, by competant personnel of either the RCMP or local authorities.

5. To promote and reward in every possible manner the breeders of Canadian Bred German Shepherd Dogs.

Accomplishments:

We are very proud of the fact that each member of this club admires and approves the efforts and achievements of his fellow members because it proves the initial theory that a small group can better guide its destiny than a larger one.

Our most important recent achievements are our last three Specialty Shows which have had two important features:

1. Each year the judge has been a new face in Canada although a well known Specialty judge.

2. Two top honors were created and very, very suitable rewards given, namely the Spencer Weller Challenge Trophies for the entries this association accepts as the Best Canadian Bred specimans of their sex for the year.

There have been many other achievements in the past and there will be many, much greater ones in the future.

GERMAN SHEPHERD DOG CLUB OF ALBERTA

by Lutz Keller and A. E. Moore

. . . The enthusiasm of all members of this club is now at its highest pitch. The club, less than a year old, has sponsored intensive training classes through the winter and have had the results and benefits of patient hard work revealed by the outstanding performance of these dogs at the Spring shows and Obedience trials.

The focal point of interest at the moment is our first German Shepherd Dog Specialty held July 29 with Dr. Wm. E. Redlich grading the dogs. The executive and show committee aggregated an impressive display of trophies.

At a recent executive meeting a committee was appointed to establish study classes with a breeding and grading pro-

gram and pave the way for a full-fledged local breed survey.

Dr. Redlich has offered to give all the assistance he can in this respect and we anticipate carrying the show enthusiasm into all future activities which will include training, study groups covering conformation breeding, showmanship and basic care of dogs. It is to be hoped that we will gain through Dr. Redlich's vast experience a greater knowledge and understanding of organizing club activities and the breeding and grading of German Shepherd Dogs. All this to be climaxed next year with our second larger and better German Shepherd Dog Specialty Show.

THE GERMAN SHEPHERD DOG CLUB OF B.C.

by Bill Reid

This club was founded in 1951 by a group of 11 people, of which Miss Winifred Dorchester and Mr. and Mrs. Herb Fletcher are still active members. Our present membership is 20 with Mr. Joe Gilbert our President.

Our annual point show was held this year in the Livestock Building, Pacific National Exhibition Grounds, Vancouver, with Mr. Robert Waters of New Westminster as judge. The ring proved to be ideal for our show, being approximately 160' x 100'. It allowed the dogs lots of room to move and the floor had a surface of hard packed sawdust which offered very good footing. From the many favorable comments on our ring from both the judge and exhibitors we feel this year's show one of our best in recent years.

In the past two years we have held mock trials bi-annually which are now part of our regular activities. On the social side we have in the past held our annual barbecue in the spacious grounds of the home of Mr. and Mrs. Herb Fletcher during the month of July. In August we head for the great outdoors with our families and friends (but no dogs) for our picnic.

During the Fall and Winter months we have very lively bingo sessions to help swell our treasury.

THE GERMAN SHEPHERD DOG CLUB OF CANADA

by Gordon Garrett

The German Shepherd Dog Club of Canada was founded in 1922 and since this time has been the leading force in Canada for the promotion of the German Shepherd Dog. At present, the club is headed by President, Toni Kleinjohann, whose drive and inspiration keeps the club going at a shattering pace. Membership runs around 150 members and they elect a Board of Directors, who lead the different committees within the club.

Among notable achievements: The club has been a leader in the development of Obedience trials in Canada and last year held a trial that would rank with the top three in number of entries and unsurpassed in splendor. This year's trial was of the same quality.

Each year in September all eyes within the club are centered on the Annual Specialty Show; last year being the 38th in a row. These Annual shows have attracted judges and exhibitors from all over the United States, Canada and have even brought a Judge from Germany. Last September's Show was another all-out effort which attracted 125 entries; believed to be an all-time record for a one-breed show in Canada. This show featured the best in Shepherds, a top-rated judge, and an opening of festivities by the Mayor of Toronto, Nathan Philips. Once again, work is well underway to present the same kind of spectacle this September and anyone in the Toronto area around September 16 would find it well worthwhile to include it in their schedule.

The club was one of the first to hold Tracking Trials and will hold another this October. The stage has been reached in this field where a few members have served the required number of apprentice judging assignments and this year will be qualified to judge Tracking.

Each year, the club also sponsors a Puppy Show which was held in June in Burlington.

Through the summer months there are approximately four matinee shows in which members get a chance to acquaint their dogs with showing conditions while aspiring judges get experience.

Throughout the Fall, Winter and Spring, the club runs all-breed Obedience training classes at the Fort York Armouries in Toronto for better behavior of the canine world.

Awards are given each Spring for those members who excel in their chosen fields relative to German Shepherds.

The club has its own publication, "Shepherd Shorts", which endeavors to keep the Shepherd world informed and tries to inspire members as to improved breeding and promotion practices.

Last year, through the inspiration of

Toni Kleinjohann, the Kleinjohann Challenge Trophy Show was started, which combines the attributes of sound conformation and working ability in one show. All agreed this was a roaring success and this year it will be held again. The idea of this show is to promote working beauty in German Shepherds; this it seems destined to do!

A few months ago, it was reported from a distant Township that their Council was discriminating against German Shepherds by charging licenses ranging to $30.00. President Toni Kleinjohann, and Director and Vice-President, Alex Gunn, journeyed to their Council meeting and convinced them that German Shepherds were not to blame for their problems and showed them how to solve their worries. The club has investigated other incidents regarding German Shepherds and in all cases has found dogs reported as German Shepherds were no such thing or reports were grossly exaggerated.

In conclusion, such a breed of dog must have a great deal to offer the human race when it inspires men to devote so much to its promotion.

THE GERMAN SHEPHERD DOG CLUB OF OTTAWA

by John Hobbs

On July 2, our club celebrated its second birthday. It is difficult to realize that two years have elapsed since the first meeting of Shepherd fanciers of the Ottawa Area was held to form a club. During this period the membership of the club has increased from the original ten members to its present number of 65. Our club's success can be attributed to many factors. However without the leadership of our President, Percy Doane and our Honorary President, Ted Gundersen, it is difficult to envision the present success.

The club's record in the field of Obedience training has been most gratifying and rewarding, originally under the capable hand of Mrs. Pfennich and most recently under Mr. Bob. Lang. While our Obedience work originally was an all-breed effort the club's activities are now confined to Shepherds only and it is hoped that before too long we will have a drill team capable of putting on demonstrations as requested.

In the show field, our club has had two successful specialty shows, the second being, I believe the second largest Specialty show ever held in Canada with an entry of 70 dogs. Several puppy matches have been organized by the club and in line with our aim to develop the talent within this area have been judged by various club members. It is interesting to note, also, that our first Booster show, held in conjunction with the "Save the Children Fund", drew a respectable entry.

The activities of this club since its founding has not been all "dogs" and no play as witnessed by the social activities ably directed by Mrs. Doane, Mrs. Lacroix and Mrs. Hiscox: sleigh rides, Valentine dances, picnics, New Year's Eve party, "Hard Time" dances – just a few of the activities of this closely associated field to dog club activities.

Our club's goal for the future includes:

i) entry of 100 dogs in our Third Annual Specialty Show being held in Spring of 1962.
ii) increased membership
iii) Increased educational program which will result in breeding of better Shepherds.

THE GERMAN SHEPHERD DOG IN WESTERN ONTARIO

by Bette Burton

The Shepherd in Western Ontario is steadily gaining in popularity due to the efforts put forth by a very energetic group of people. About nine years ago a few people who owned Shepherds declined to show the public that the Shepherd was, and is, a loyal, obedient, friendly and clever dog. They formed the German Shepherd Dog Club of Western Ontario and before long had a membership of 50 people. A paper was published monthly by June Howard and sent to all members. Trophies were given at the end of the year to members who won an Obedience degree or championship. The members started to drop off due to lack of interest, but with the club's several new ideas, new projects and interesting speakers, is starting to attain its high standard of Shepherd owners and breeders.

The club's executive this year is setting good examples for its members to follow and strive for. Our President, Mr. Adam Cwik's puppy made a fine win at Burlington. Our Training Master, Mr. Clayton Burton and his Ch. "Duke" have given several fine exhibitions, both on T.V. and stage. They are appearing for the children at the Kinsmen's Trade Fair in Goderich. Our Recording Secretary, Mr. George Carpenter, has been giving our members very interesting talks on the breed Standard, and is always ready to help a beginner with breed problems.

Several new projects and committees have been formed this year to further advance the Shepherd dog and his breeder. A breed committee has been set up which members can consult on future breedings. A complaints committee was set up to take charge of any grievances that the members might have. The new project is a scale of points system whereby one person having done the most for the club and the breed be presented with a trophy to be challenged each year.

Our activities this year are coming along well, our first being our training class, with a nice entry and graduation. The second was our Matinee Show held at the beautiful home of Mr. Gord Lince in Stratford. Gord has just the perfect spot for the show. Although it was an overcast day and quite cool we had a good turnout. I think everyone enjoyed themselves – kids, dogs, people. It's so nice to see all the members turn out with their dogs, laughing, and having fun, and nobody really serious about the whole thing. We have two more activities nearly settled: a matinee barbeque and a card party.

Our club is trying and will continue to work to put the Shepherd up at the top as a symbol to all, as a guard, a companion, a leader of the blind, and truly man's best friend.

A FEW THOUGHTS ABOUT THE GERMAN SHEPHERD DOG

by Mary E. Southcott

The German Shepherd is not just another dog, he is a very special breed – the most versatile in the world. His intelligence, loyalty and the many services he renders to mankind are unique, the pleasure he has given to those who own him could never be measured in dollars and cents, and the lives he has saved are countless. He is not only a wonderful companion, but he is quick to learn, eager to please and happiest when he has a job to do. The German Shepherd is top choice as a "Seeing-Eye Dog" – proof of his reliability; the armed forces in every country use the German Shepherd almost exclusively as guard dogs, scouts and messengers because of their alertness, trainability and dependability; the Alpine Rescue Service use him to locate people buried under snow in the mountains and the police all over the world make use of his remarkable scenting powers and tenacity in tracking not only criminals and escaped prisoners but also lost children; he is in his element when trained to herd and guard live stock; and most of all he is happiest when he has a human family to love and protect. The German Shepherd Dog is, in fact, almost human himself, and those who have once had the privilege of owning a sound, well-bred Shepherd would never again be without one.

The German Shepherd is truly a natural dog, requiring no clipping, trimming, plucking or docking of tail or ears. He is indeed a dramatically beautiful animal with great nobility and character. He is a true working dog and his effortless, tireless gait is the personification of grace and beauty, equalled by no other breed. To be fully appreciated he should be given a certain amount of training, and his adaptability for accepting schooling and learning quickly makes it a reasonably simple task as well as an interesting and rewarding one. There is nothing quite as breathtaking as a handsome, well-mannered German Shepherd, and the pride and satisfaction in owning such a dog is well worth the effort. Like any large breed, control is of utmost importance, and those who own a delinquent are generally themselves the real culprits.

The German Shepherd is a dog which requires more human companionship than many other breeds in order to be truly happy and develop into a normal, sound, and mentally alert companion. He is quick to respond to the moods of

humans and very sensitive to tone of voice. He is currently one of the most popular of all breeds, and it is to be hoped that too many do not fall into the hands of those unscrupulous people who try to take adavantage of this fact by breeding this great dog indiscriminately solely for the sake of the dollar and without regard to the chance of degeneration which so often results when "puppy factories" spring up and the unwitting public are taken for a ride.

If only potential buyers of German Shepherds would seek out the honest, reliable breeders who raise these dogs because of their true love of the breed and the desire to improve the breed, who strive not only for beauty but also for intelligence and temperament, there would be fewer heartbreaks. The initial cost may be higher, but the saving in vet bills alone more than compensates.

Too many forget that a dog is completely dependent upon us humans for his needs, and when a Shepherd is taken into a home and made a part of the family, he is entitled to the proper care, treatment and consideration which is due any other member of the family. In return, he will repay you with interest by a very special kind of love, devotion and loyalty which cannot be duplicated.

HOW DO YOU SPELL YOUR DOG'S NAME

Courtesy German Shepherd Dog Review

MOST people are very particular when it comes to the spelling of their own name and nobody likes it when his name is misspelled consistently. As to your dogs, they probably don't care. Nevertheless, there are a few people who would like to spell their dog's name correctly and the purpose of this article is to tell you about a few rules which will make correct spelling quite easy.

1. The e-droppers, or what about the "umlaut"?

Complete disregard for what is called an "umlaut" seems to be an American national characteristic, as deeply rooted as pop-corn, chewing gum, or Coca Cola. What is an umlaut? Webster says it is the change of a vowel caused by partial assimilation to a succeeding sound, especially the palatalization of a back vowel, as "a", "o", or "u", caused by a (front) i or j originally standing in the following syllable, but now generally lost or altered. This is quite a mouthful, but you don't have to memorize it. Just keep in mind that we are dealing with a vowel mutation and that the new vowel is pronounced differently from the one it replaces.

The rules for the formation of a vowel mutation have ceased to exist in modern English, but the old changes survive in many words. The plural of "man", for example, was formed by adding the letter "i" and, in this process, the "a" was changed to a vowel closer "i", namely "e", resulting in the word "meni". Later the "i" was lost and we have "men" as the plural of "man". Similarly we have: foot, feet; tooth, teeth; mouse, mice; louse, lice; goose, geese. Sometimes this mutation of a vowel was represented by writing a small letter "e" above the affected vowel or immediately following it, or (as now in German, Swedish, Danish) by dots above the mutated vowels. The two dots you see so often above a, o, or u in German are nothing but the remnants of the small e, which degenerated into dots when the writer picked up speed. If you are not in a hurry, or if your typewriter can't print two dots above vowels, you might instead just as well put the "e" (which the dots represent) right after the umlaut vowel. The rule is very simple: Whenever you encounter words with an umlaut, omit the dots, but put an e right after the "dotted" vowel. Do not just omit the dots without inserting an e.

It is Haus Schuetting, and not Schutting; Osnobruecker Land, not Osnobrucker; Fuechteler Wald, not Fuchteler; Roemerblut, not Romerblut; Mr. Roeper, not Roper. You may say: this is a lot of writing about two dots or an e, what does it matter, what is the difference? Well, there is a difference. Blueten means blossoms, bluten means to bleed; foerdern means to promote, fordern means to demand; oehr is the eye of a needle, ohr is the ear. Or look at Baer vom Oliverforst (a grandson of Odin vom Busecker Schloss and the sire of Lord vom Zenntal). His name "Baer" means the same and is pronounced the same way as the English "Bear". But he is misspelled quite often "Bar", as if he had a liquor license instead of an honest dog license and rabies tag.

2. The "ie" or "ei" confusion.

In German the "ie" is pronounced like the ie in "field", while "ei" is pronounced like the i in the word "find". It is Geigerklause, not Giegerklause. The German Grand Victor is the Sieger, not the Seiger. This title was not awarded, by the way, from 1939 until 1955, when it was introduced again. In the interim, and still existing today, there was an Excellent-select group, but none of the dogs receiving this highest rating was singled out as a Sieger.

Confusing ie with ei changes the meaning of the word. Zeigen means "to show"; Ziegen are goats. There is a similar mixup between "le" and "el". In German "el" is pronounced like the first two letters in the word "else", whereas "le" is pronounced like the first two letters in "lemon". It is Tempelblick and not Templeblick, to give an example where this misspelling occurs quite often in reports.

3. The words "von", "vom", "bur", and similar prepositions.

These words are used to connect a dog's name with his kennel name and they should be printed always in small (lower case) letters, never in capitals.

The equivalent of the English "of" is "von", pronounced like "phon" in the word phonograph (the German v is pronounced like the English f). Cutie Pie of von Utopia has one preposition too many. The equivalents of the English "of the" are "von dem", if the word which follows is either masculine or neuter and "von der" if a feminine word follows. Usually, "von dem" is shortened to "vom", but "von der" is never shortened.

The word "zu" means "to". Some time after the Anglo-Saxons left Germany, the German language underwent a change in which "t" at the beginning of a word was replaced by "z". You may hit upon the English equivalents of many German words starting with a z by reversing this mutation. For example: zehn—ten; zwoelf—twelve; zeit—tide; zoll—toll.

The preposition "zu" by itself is not used in connection with kennel names, but just as in the case of "von", we have "zu dem" (to the) when either a masculine or neuter word follows, and "zu der" preceding a feminine word. One may shorten "zu dem" to "zum", and "zu der" to "zur". There is also "zu den" when a plural follows, just as there is "von den" in the same situation. Finally, we find occasionally the prepositions "aus" (from), "aus dem", "aus der", and "aus den" (from the) followed by masculine and neuter words, or feminine words, or a plural, respectively. Here are the names of a few German kennels with the correct prepositions as used in the German stud book: von Colonia Agrippina, vom Aichtal, vom Fuechteler Wald, von der Teufelslache, von den Deutschen Werken, zum Reuerer, zur Geigerklause, zu den Sieben Faulen, aus Kattenstroth, aus dem Landgrafenzwinger, aus der Schwanenstadt, aus den Twietbergen. The overwhelming majority of German breeders use the prepositions "vom" or "von der" with their kennel names.

4. The Roman Six or V-Excellent.

All dogs are rated at German shows and the highest rating is "Excellent" or, in German, "Vorzueglich", usually shortened to a capital V. Since the dogs are also placed in order of merit, there is an excellent one in first place, in second place, and so on. This is shortened to V-1, V-2, V-3. Since there is no intersex competition, the classification V-1 is the equivalent of Best Dog or Best Bitch in Show.

When we read that an important dog was rated many times V1, there is, at least as far as readers unfamiliar with German show ratings are concerned, the possibility of an erroneous interpretation, namely that the dog in question was many times in sixth place. It would be advisable, I believe, to write V-1 (capital V followed by arabic numeral 1), or even better, perhaps, to say that the dog in question was rated repeatedly "Excellent, first place". To write "V-Exc." doesn't make much sense, since V is already an abbreviation for the German equivalent of Excellent.

I hope that this short account of the major errors made in the spelling of the names of German Shepherd Dogs will serve a useful purpose. ■

COL. E. D. McQUOWN DISCUSSES

THE SCIENCE AND ART OF JUDGING

INTRODUCTION

In 1951 I prepared and had published an article on judging which was published in various dog magazines.

During the interim period many persons and clubs have requested that I prepare, and have published, another article on the same subject.

Most of these requests have been expressed during the past four years. During that period the breeding and exhibiting of dogs have greatly increased. To me such requests have indicated a desire for more knowledge as a help in their efforts. Therefore, I have decided to help fulfill their desires.

This article will include most of the data contained in my previous one. However, due to the great increase in show giving clubs, breeders, and exhibitors, I have expanded into broader thoughts than in my previous writing. I hope that such thoughts will be readily understood and of value, particularly to the newer breeders and exhibitors.

GENERAL REMARKS

Before proceeding into the principal content of this article, I feel it advisable to recognize the primary reason for dog shows. They, like all shows for purebred livestock, are to bring together breeders to determine the progress made in their efforts.

In this manner they can determine what changes, if any, are advisable in their breeding procedures or stock.

In addition, it is advisable to express for recognition what constitutes a judge. Webster defines a judge as "a person who renders decisions by mental faculties and processes from facts and ideas".

For that reason it is my feeling that to soundly render decisions that can be explained in an intelligent manner, it is necessary to have a sound basic background for analytic purposes. I have, therefore, separated my thinking into two categories, that is, Fundamental and Supplemental factors for consideration, as outlined further in this article.

I find these of great value since the results of one's efforts, in any phase of endeavor, are largely in ratio to their thinking processes. Another thought which should be recognized is that all breeds of dogs are basically the same and only vary by degree such as size, type, coat and character. It is, therefore, obvious that the above factors can apply to the evaluation of all breeds of dogs.

I consider the following as fundamental factors:

Type and Quality

1. *Type* –
means a dog that represents the official Standard of that breed in general appearance, to a degree that there is no question as to its breed. However, the better the representation the better the type.
2. *Quality* –
means to reflect good breeding, also to be eminently fit or to reflect its eminent fitness for any service for which it was developed.
3. *Character* –
means a distinguishing quality as called for in the breed Standard. As an illustration, for terriers it means one who is ready for a frolic or a fight whichever is preferred. Just a note of caution – it is part of the character for some breeds to reflect cautiousness, which should not be misconstrued as shyness, which is a different matter.

Shyness comes from fear, usually caused by a weakened mental or nervous system. Conversely, some dogs will bite as an offensive measure to cover up their inherent fear. Other types of biting can be caused by training, teasing, or otherwise being spoiled. As an additional thought, it has been my experience that

MARY JANE WEIR REPORTS ON A DAY WITH

FOXHOUNDS GALORE

A most unusual dog show was the treat in store for me when I attended the Eighth Canadian Annual English Foxhound Show, held at the Eglinton Hunt, Todmorden, Ont. This show combines the attractive qualities of show and field exhibitions. Originally modelled after the Peterborough Hound Show in England, it has been guided and encouraged by the efforts of Major Charles Kindersley and many other notable enthusiasts. In its eight years the show has become a spring season landmark for the hunt clubs, and has attracted entries from as far away as the Montreal Hunt in the east and from the Chagrin Valley Hunt in Ohio. Moreover, it has admirably fulfilled its main purpose of encouraging the better breeding and conditioning of foxhound packs through competition.

No matter from what section of dogdom you come, whether from conformation, field or obedience, you would find familiar sights here. All hounds entered must be part of a working English Foxhound pack and the show is so timed that it finishes the spring hunting season. Therefore, the hounds are in magnificent condition. In fact, after having seen these hounds, which are able to run easily all day, I find myself wondering just how long some of the bench show dogs who are in "good condition" would last. One other advantage appears to come from the working experience of these dogs. Very few structural faults find their way into the show ring. Unless a particular hound has exceptional courage or wisdom, it will not be able to last the strain of hunting all day and soon eliminates itself. The judging, then, concerns itself more with type, condition and intelligence, since the basic structural selection has already been made.

The actual show resembles an unbenched show, with some exceptions. The hounds are shown in a ring but two handlers are allowed and leashes may be removed at the request of the judges. There is no "Best In Show", the nearest equivalent being the hunt pack winning the most number of points, almost in the manner of a high school track team. The only elimination classes are for Champion Dog and Champion Bitch Hound but not all dogs entered in the show are eligible for these awards. Some other classes are for the best dog and two of his get and for the best two couples of hounds, that is, four dogs. The final class is quite a sight with each entry consisting of ten hounds.

Of course these dogs are under excellent control off the leash. In the actual show ring, the dogs are held at the end of a leash by a man, while the huntsman does the baiting. The show comes when four strong hounds stand in a row, alert, sterns (tails) waving, and all eight eyes following every move of the huntsman's hand.

This year there were four Hunts in competition, the London, Hamilton, Eglinton, and the Toronto and North York. The judges were Mr. D. B. Hull and Mr. F. Ingleson. Mr. Hull is well known in the hunting world, has been Master of the Fox River Valley Hunt and has written a book on Foxhounds. Mr. Ingleson, originally from England, was Huntsman of the Shelburne Fox Hounds and has won with his hounds at Madison Square Gardens. These judges awarded 14 out of the 17 classes to one Hunt, the Toronto and North York. When I learned that this particular Hunt has won the most points for all eight years, I decided that a visit to the home grounds of the pack would be most informative. The Huntsman, Mr. Fred

most normal dogs, regardless of breed, reflect a desire to please.

4. *Conformation and Balance* —

Conformation means the structural formation of the various parts of the anatomy as called for in the Standard. Balance — means the association of those various parts to make the harmonious whole dog. As an illustration, a dog may be heavy in head and of light structure in body which, of course, creates an unbalance. I could give other examples but the above should suffice to illustrate the meaning of unbalance.

5. *Soundness* —

is a term used frequently in discussing dogs, but in my humble opinion, many times not comprehensively. To me, soundness means first a dog complete in his parts. In addition if he is in poor health, soft in musculature, bad in coat, flat or weak in feet, inflamed in eyes, etc., he is unsound to that extent on the day. To sum up the situation he should be whole, free of decay, firm, strong, wholesome and unbroken in my respect.

SUPPLEMENTAL FACTORS

I consider the following as supplemental factors but of considerable significance in my evaluation.

1. *Expression*

Expression to me means what is reflected by looking into the eyes and not particularly the color of the eyes. As an illustration, do they reflect softness and kindness, alertness, keenness, boldness, or a combination of these, depending upon the breed involved. Reverse of these are shallow and weak expressions.

The surrounding parts of the head serve only as a framework for the picture but have no actual part in the expression.

2. *Condition*

The exhibiting of dogs for conformation shows is, to some degree, analogous to style shows, for the presentation of models and clothing. It is, therefore, obvious that the exhibits should be in the best possible condition obtainable on the day. Condition means in proper flesh, firm in musculature and feet, in good coat, also clean and well groomed.

Grooming includes clean teeth, feet and nails, clear eyes, clean skin, also coat which covers the entire body. Since the coat covers the entire body, it is of great importance that it be properly trimmed for the particuar breed involved, brushed to its proper position, and to reflect as much life and brilliance as possible on the day.

All coats, regardless of color, can, if the coat is clean and healthy, be brought to a satisfactory degree of brilliance. This all helps to improve the general appearance of the dog, making for more impressiveness of the whole picture.

I can think of no more impressive picture than a good dog, that is extremely well groomed and presented. As one example, consider a Poodle, and particularly one of a properly groomed apricot color, with its delicate shading — it will reflect the glow and sparkle of old wine.

3. *Deportment*

Deportment means the conduct and behavior of both the dog and handler. Dogs entered in the American Bred and upward classes have normally had show experience, therefore, are expected to reflect good behavior by both the dog and handler. This is of help to a judge in making his evaluations and he will be guided accordingly.

A judge recognizes that dogs and handlers exhibiting in Puppy and Novice classes are usually inexperienced. He will, therefore, make as much allowance as possible for the situation as it develops.

4. *Presentation*

Since a judge officiating at an all breed show is normally operating on a restricted time schedule, it is apparent that presentation is of great importance. This is particularly true when recognizing that the handler has approximately five minutes to present the best qualities of the dog, also to cover up as much as possible its lesser qualities during the judge's evaluation of the total class of dogs. A judge has the same time for the review of each dog in order to find and evaluate the various qualities.

Presentation means more than just setting up the dog for the judge's review. It also means the moving of the dog for the judge to determine its gait as well as the stopping of the dog in front of the judge, if he so requests. In addition, it means the best presentation possible

Pickford, spent the next Tuesday evening showing me his hounds and his methods. The kennels were very clean and, I noticed, constructed so that they could be easily hosed down. There are close to 80 hounds there and among all those dogs there was a remarkable similarity in type. I saw deep chests, strong bone, a moderate height, excellent, beautiful feet, with upright pasterns, short, strong, level backs, and angulation which was balanced but not extreme. I also saw lazy, flop eared puppies, too tired after a full day's play to make more than a half hearted pass at a couple of lambs which were their playmates.

Mr. Pickford explained that he finds a moderate-sized hound desirable in his locality, because the larger dogs cannot get through the fences and when they are left behind, very often bring back the hounds who are hunting.

The history of the pack itself is interesting. The present one was started from an autumn litter by Reason out of Symphony, two hounds who produced in that litter a bitch named Vivian. She in turn was mated to an English import, Avon Vale Prodigal. From Vivian and Prodigal together came most of the stock of the third generation. Now, about every three years, another stud is imported from England for use in the pack.

I was curious to know how one would turn a young puppy into a working Foxhound, and asked Mr. Pickford to explain. The puppies at three months are put "out to walk". This expression means that two puppies are placed with a farmer who feeds them and gives them the run of his farm. It is here that, using their instincts, they learn to hunt. They are *not* required to keep regular hours and often hunt all night and all day. When they become nuisances, which could be anywhere from eight months on, their "education" at the hands of the huntsman and the older hounds begins. They are taught to lead. Only, in hunting terms, the lead is a "couple", and so, they are put "on couples". "Hound exercise" comes next, the young pups being "coupled" to an older and preferably stronger hound. With the help of these older hounds, the huntsman and his whippers-in teach the pups to run with the pack and to obey the voice commands. Hunting language is unique to itself and alone would provide enough for an article, so I will simply say that Mr. Pickford was very patient, although somewhat bewildered at my ignorance, and stopped every three words to explain his meaning. The most thrilling, and understandable, command was "Hark the cry", that is, the cry of a hound who has found the scent, as my grandmother used to say, "with a bell in every tooth".

In the spring, the finish of a young hound's basic education comes with the cubbing season. Then the pack, old and young, is taken out to hunt the fox cubs. The puppies are not always sure just what they are hunting and three or four have been known, none the wiser, to pass a standing fox within inches. The older hounds must still show the way.

The Annual English Foxhound Show at Eglinton tries to bring the best of these hounds together, to compete and to meet the public. The show has all the glamour and interest of the hunting field brought into the ring. Next year, if you want to see magnificent dogs in an unusual setting, plan to attend. ■

A distressed man dashed into a police station at midnight. "My wife," he gasped. "Help me find my wife! She's been missing since dinnertime."

Desk Sergeant: "Calm down, man. Give me a description. What's her coloring? Weight. Height. What was she wearing?"

Husband: "Sergeant, I'm so upset, I can't tell you. But she took the dog with her. He's a fawn Boxer, one year, seven months and two days old, stands 23½ inches high, weighs 66 pounds, has a beautiful dark mask, pure white chest and forefeet and a tiny mark above his left eye."

Mrs. Nouveau Riche: My dog is a very rare breed, part Boxer and part Bull. I paid a thousand dollars for it."

Neighbor, impressed: "Which part is the bull."

Mr. Nouveau Riche: The part about the thousand dollars."

OBEDIENCE TRIALS

12 OB 8. REPORT OF CHAIRMAN OF OBEDIENCE COUNCIL

REPORT: The Secretary read the following report (dated June 4th) submitted by Mrs. Mary Southcott, Chairman of the Obedience Council:

"Letters of congratulations have been written to the Kiwanis Club of Kerrisdale, The Working Dog Association of B. C., the Ladies' Kennel Club of Canada, the Kawartha Kennel Club, the Kent Kennel Club, the Brantford Obedience Club, and the Poodle Advancement Association, following reports of well-run Obedience Trials held recently, and in two cases it was pointed out that minor infractions had been made with regard to the obedience equipment used. A congratulatory letter was written to the Richmond Dog Training Club following receipt of a report on a well-run Tracking Test held on May 7, 1961.

"At the request of the Director for Alberta, the examinations written by Mr. George W. Frost were marked here rather than in the province of origin. Having obtained over 75% in each written examination for the regular obedience classes as well as the Initial examination, and having regard for a favourable report from the Examining Committee on the oral test given, it is recommended that Mr. Frost be approved to apprentice for the Novice, Open and Utility Classes. However, after reviewing the examination written by Mr. Frost for Tracking, and since he obtained only 45% on this test, it is recommended that Mr. Frost be not approved to apprentice for Tracking at this time and that the required period of 6 months elapse before he can re-apply.

"More information is being sought, and data compiled, regarding rules and regulations pertaining to the unofficial classes approved by the C. K. C. (Graduate Novice, Graduate Open, Brace and Team Classes, and Versatility Class -- formerly known as the Pot Luck or Hodge Podge Class) which will be sent to the Obedience Representatives in the near future.

"At the Chairman's request, the Secretary sent to all Obedience Representatives a supply of report forms for obedience trials, copies of the procedure to be followed re applicants wishing to become judges of obedience classes, and a supply of C-1 forms. In addition, the Secretary has been requested to send further specific data to all Obedience Representatives as soon as possible.

"Cpl. Ian Hall replied to my letter of March 27th, agreeing to accept the chairmanship of a committee to re-write the Tracking Trial rules as a separate booklet, and requested that suggestions be sent to him from anyone interested in and with knowledge of tracking. He also submitted to me a list of questions which might be used on written examinations for applicants wishing to become judges of Tracking Tests, along with the answers. From these, and the previous questions used, plus others, I have compiled 3 sets of examinations consisting of 20 questions, each set varying to some degree.

"A meeting of the Chairman's Standing Committee was held on June 4, 1961. The files on three applicants who had previously been approved to apprentice for Tracking were reviewed, charts were carefully gone over, and reports from the officiating judges considered. Since Mr. Gerald Charter has apprenticed at 3 Tracking Tests and the reports from the officiating judges generally very favourable, it is recommended that he be approved as an official Tracking judge. Mr. Peter Kirk, having apprenticed at 2 Tracking Trials, but having been on hand for the track plotting at only one Trial, and Mr. Walter Konradt having apprenticed at 1 Tracking Test, are recommended for approval as "second" judges at one Tracking Trial each. Following receipt of a report on each of these gentlemen from the "senior" judge, further consideration will then be given to approve them as fully accredited judges of Tracking Trials in Canada.

"The application of Mr. Joseph A. Wolak of Akron, N. Y., was carefully considered. In view of the fact that his application revealed that he has had very limited experience in obedience, and with the knowledge that his application has recently been turned down by the A. K. C., it is felt that he should not be permitted to take any examinations at this time, but that he be informed that when he has attained more practical experience and knowledge that his application will again be given consideration."

MOTION #228-61
Moved by Mr. MacKendrick, seconded by Mr. MacCallum:
"THAT, the report be adopted."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.
Motion carried.

SUBJECT: The Secretary referred to requests from the Chairman of the Council with regard to the distribution of mimeographed information and forms to Obedience Representatives, and suggested that each Representative and each club holding licensed obedience trials be provided with a binder in which is included as much helpful information as possible about obedience trials, as well as a supply of the various forms, applications, etc.

MOTION #229-61
Moved by Mr. MacKendrick, seconded by Mr. Monaghan:
"THAT, the recommendation of the Secretary be implemented."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.
Motion carried.

12 OB 15. JUDGES

SUBJECT: Correspondence with The Moncton Kennel Club Ltd. (including a letter from the Moncton Kennel Club dated May 21st) with regard to their application for approval of selected judge for their trial to be held on August 12th.
DISCUSSION: During the discussion which followed it was pointed out that the standing resolution, adopted by the Board, regulating the frequency of judging engagements, was published some time ago in the official magazine for the information of trial-giving clubs and judges.

MOTION #230-61
Moved by Mr. Monaghan, seconded by Mr. Blyth:
"THAT, the President and Secretary be authorized to write appropriately worded letters to the parties concerned pointing out to them that these regulations have been evolved over a period of years, and it is felt they are in the best interests of obedience; and draw to the attention of these persons that the Chairman of the Obedience Council, under the By-laws and the Board perform certain duties and we would like standing resolutions carried out, and their co-operation is desired."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.
Motion carried.

FIELD TRIALS

13 FT 27. TRIALS FOR POINTING BREEDS

SUBJECT: Letters and reports received from Brigadier J. A. W. Bennett, Ontario Field Trial Representative for the Pointing Breeds, which included his recommendations with a view to stimulating interest, in Ontario, in the holding of licensed trials, under the Club's rules, for the pointing breeds.
DISCUSSION: During a discussion which followed it was agreed that the Field Trial Council should be consulted with regard to the recommendations submitted by Brig. Bennett, but it should be made clear that the Board does not have the power to suspend any of the Field Trial Rules and Regulations.

MOTION #231-61
Moved by Mr. Monaghan, seconded by Mrs. Southcott:
"THAT, the correspondence be referred to the Chairman of the Field Trial Council for appropriate action."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.
Motion carried.

13 FT 28. TRIALS FOR THE RETRIEVING BREEDS

REPORT: The Secretary reported that since the April meeting of the Board there had been prepared and distributed to the Field Trial Representatives and clubs conducting licensed Retriever trials under the Club's rules, a list of persons considered eligible to judge one or more of the various stakes at Retriever Trials, and sought the Board's approval of a ruling that a person who is listed as a judge of the "Non-Winners Stake" is automatically eligible for approval to judge the "Qualifying Stake".

MOTION #232-61
Moved by Mr. MacCallum, seconded by Mrs. Southcott:
"THAT, a person who was listed as judge of the Non-Winners Stake is eligible for approval to judge the Qualifying Stake."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.
Motion carried.

SUBJECT: The Secretary:
(1) pointed out that Section 5 of Chapter 10 of the Field Trial Rules applicable to Retriever trials reads as follows: "After a Field Trial Committee has selected field trial grounds, no competing dog shall be trained on that part of the grounds to be used for the trials.";
(2) reported that a club with its own trial grounds had sought an interpretation of this Rule as it applied to the use of their grounds for training of dogs and for other field trials.
DISCUSSION: During the discussion which followed Mr. Blyth, Chairman of the Field Trial Council, recommended that, pending the setting of a policy on this question by the national Board, at its semi-annual meeting in August, the Board tentatively rule that the trial grounds must not be used for training purposes within one month preceding a licensed trial to be held on such trial grounds, and that there be no prohibition to the use of the same grounds by the same, or a different, club for the holding of licensed Retriever trials.

MOTION #233-61
Moved by Mr. MacCallum, seconded by Mrs. Southcott:
"THAT, Mr. Blyth's recommendation be a tentative ruling until the Field Trial Council is consulted."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.
Motion carried.

13 FT 9. MEASURING OF BEAGLES

SUBJECT: Mrs. Mack referred to the following questions raised by Mr. Okill Stuart, St. Lambert, P. Q.:
(a) the Board's ruling, at its annual meeting, as to who shall hold a dog while it is measured at a trial;
(b) possible arrangements with The American Kennel Club as to mutual recognition of official measurement certificates issued by either organization.
ACTION: These questions were ordered referred to the Chairman of the Field Trial Council for appropriate action.

-----Luncheon intermission.

GOOD AND WELFARE

14 G 25. GRADING OF DOGS

MOTION #234-61
Moved by Mr. Monaghan, seconded by Mr. MacKendrick:
"THAT, this matter regarding grading of dogs be referred to the Committee on point ratings for necessary action."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.

FINANCIAL MATTERS

5 F 4. INVESTMENTS COMMITTEE

REPORT: A report (dated May 4th) of the Investments Committee reading as follows:

"On a decision of the Investments Committee made yesterday, we have purchased $5,000 Government of Canada 3% bonds, due May 1, 1962, at a cost of $4,967.50 plus accrued interest. Having studied the financial statements for the period ended March 31, 1961, the Committee felt that if the trend indicated by the first quarter continues for the rest of the year we can, with reasonable safety, increase our portfolio of investments. It decided however, that the increase should be in very short-terms bonds, believing that if the trend does not continue and it becomes necessary to have additional cash available, then the new purchase should be of a kind where the sale would not likely be at any loss. As the bonds purchased yesterday have but a year to mature, it is highly improbable that they will vary significantly in market price from now to maturity. The yield would be about 3.70%.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 5. REGISTRATION OF AMERICAN FOXHOUNDS

REPORT: The Secretary reported that:
(1) pursuant to resolutions #203-61 and #204-61 the Registration Committee had considered the registration of the American Foxhounds referred to in those resolutions;
(2) the Committee had reached the conclusion that instead of considering the registration of American Foxhounds individually, it would be preferable for the Board to consider the deletion from Section 2 of the special regulations applying to the registration of American Foxhounds registered with the International Fox Hunters Stud Book of the present stated deadline applicable to the registration in the Club's records of Canadian-born American Foxhounds registered with the International Fox Hunters Stud Book;
(3) on the instruction of the Registration Committee, the national Board had been polled on its recommendation that, subject to the approval of the Chief Registration Officer of the Department of Agriculture, that deadline be deleted from the special regulations in question, and the following members of the Board have voted in favour of the deletion of such deadline: Mr. Brown, Mr. MacCallum, Mr. Williams, Mr. Dawson, Mr. Irving, Mr. Little, Mrs. Southcott, Dr. Williams.

DISCUSSION: Mr. Blyth and Mr. MacKendrick stated that they were in favour of deleting the deadline. Mr. Monaghan abstained, on the grounds that, in the event the decision is made to seek the approval of the Chief Registration Officer for such deletion, he would be making such representation on behalf of the Board.

MOTION #238-61
Moved by Mr. MacCallum, seconded by Mrs. Southcott:
"THAT, having regard for the vote of the national Board, the appropriate representations be made to the Chief Registration Officer with regard to changing the special regulations applicable to the registration of Canadian-born American Foxhounds registered with the International Fox Hunters Stud Book, such representations to be made by Mr. Monaghan and the Secretary."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.
ABSENT (temporarily): Mrs. Mack.
Motion carried.

7 R 10. BOOK OF STANDARDS

REPORT: The Secretary reported that, pursuant to an instruction given by the President, he had sought the opinion of the Club's solicitor as to the publication, in the Club's proposed book of breed standards, of those breed standards which are identical to those breed standards included in "The Complete Dog Book" published by The American Kennel Club, and read the opinion of the Club's solicitor as set forth in a letter dated May 12th.

MOTION #239-61
Moved by Mr. Blyth, seconded by Mr. MacCallum:
"THAT, this matter be referred to the Chairman of the Committee."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.
Motion carried.

7 R 24. KENNEL NAMES COMMITTEE

REPORT: The Secretary reported that the Kennel Names Committee had:
(1) rejected applications for registration of the following names on the grounds of similarity to kennel names already registered with The Canadian Kennel Club or The American Kennel Club (registered names shown in brackets):
GAYLAN (GAYLAN), HICKORY HOLLOW (HICKORY HOLLOW), EL-JONA (EL-JON), WARREN-DALE (WARRENDANE), SILVERSANDS (SILVERLANDS), HI-LEA (HE-LD), KINGSDALE CRY (KINGSDALE), FARAWAY (FARAWAY HILL), JEN-EL (JANELL), SPRING GROVE (SPRING GROVE), ORCHARD-GROVE (ORCHARD GOVE), K-BEE (KAYE VEE), CHIENOIR (CHIEN D'OR);
(2) rejected applications for registration of the following names on the grounds that each includes a colour:
SILVER-GLO, COPPERSHEEN, COPPERGLEAM, GOLDEN WILLOWS, K-ROSE;
(3) rejected applications for registration of the following names on the grounds that each is indicative of a breed (or breeds):
HOUNDHAVEN, HOUNDBAY;
(4) rejected the objection of J. H. Duhaime to the application for registration of the kennel name THE JESTER'S;
(5) allowed the registration of SPRUCE TOP (if combined as a single name) after considering objection from Mrs. Joan Detmold (SPRUCE KENNELS);
(6) rejected the application for registration of BRIGHT WATER as it includes a descriptive adjective;
(7) rejected NETLEY CREEK as it includes the name of a place listed in the Canadian Railway Guide.

DISCUSSION: Mrs. Mack referred to the decision of the Committee with regard to an objection submitted by Mrs. Joan Detmold (Spruce Kennels) against the application for registration of the kennel name SPRUCE TOP, and requested that the Board ask the Committee to reconsider its decision on Mrs. Detmold's objection. Following discussion it was decided that the Committee would not be asked to reconsider its decision.

MOTION #240-61
Moved by Mrs. Southcott, seconded by Mr. Blyth:
"THAT, the report of the Kennel Names Committee be adopted."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.
Motion carried.

REPORT: The Secretary reported that the Registration Committee had:
(1) authorized (subject to the approval of the Chief Registration Officer) the registration of the Beagle MINDY LOU IV, imported from the United States by Mrs. Audrey E. Gauthier, on the basis of prior A.K.C. registration but without identification (the dog having died before it could be identified for registration purposes)
(2) authorized the issuance of a duplicate certificate of registration for the Spaniel (American Cocker) SNOWSHOE LUCY (395283) and the recording of transfer of ownership from the name of Mrs. P. E. Pilcher, Montreal, to the name of Mrs. A. Smodlibowski; date of transfer, July 26th, 1958;

(4) rejected the application for registration of a dog imported from Belgium by Mrs. C. A. Miller, Centralia, Ont. on the grounds that certificates issued by the Belgische Kennel Club are not recognized by The Canadian Kennel Club;
(5) authorized the recording of transfers of the following dogs from the name of Mrs. F. Alice Barton:
(a) Miniature Pinscher GOLDEN CIRCLE'S SMARTIE (484221) to the name of Miss June Greenfield, Richmond Hill, Ont.; date of transfer, April 11, 1961;

MOTION #241-61
Moved by Mr. Monaghan, seconded by Mrs. Southcott:
"THAT, the report of the Registration Committee be received and incorporated in the minutes of this meeting."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.
Motion carried.

REPORT: The Secretary reported that:
(1) the Registration Committee had considered the application for registration of a Dandie Dinmont Terrier SOWDENS PHEASANT, imported from England by Mrs. E. Harrison, Winnipeg, for which the Kennel Club (England) had issued an Export Certificate, the certificate revealing two sires on the maternal side in the second generation;

(2) the Committee had considered the application, having regard for the provisions of Article XXX, Section 7, of the Club's By-laws, and had consulted the Chief Registration Officer who had expressed the opinion that Mrs. Harrison's application for individual registration of the dog might be given favourable consideration;

(3) the Committee had directed that the file be referred to the Board for decision.

DISCUSSION: During the discussion which followed it was agreed that the Registration Committee may, if it so decides, authorize the registration of the dog in question. Mrs. Mack suggested, and it was agreed, that the Board, at its semi-annual meeting, be consulted as to the possibility of a suggestion being put before the Kennel Club in England that hereafter it do not issue an Export Certificate for any dog exported to Canada where a similar situation applies in respect of a pedigree of such a dog.

MOTION #242-61
Moved by Mr. Monaghan, seconded by Mr. MacKendrick:
"THAT, the matter be referred back to the Registration Committee."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.
Motion carried.

REPORT: Mrs. Mack reported that Mrs. Jos. Kersch, Montreal, had acquired from Mr. J. F. Metivier, a Toy Poodle STRAWCOT BEBE, a dog imported from England and for which a three-generation Export Certificate had been furnished Mrs. Kersch by Mr. Metivier, but the whereabouts of Mr. Metivier were unknown and therefore Mrs. Kersch had been unable to obtain a completed application for registration and transfer of the dog, although she had been furnished with a transfer of ownership signed by Mr. Metivier.

MOTION #243-61
Moved by Mr. Monaghan, seconded by Mr. MacKendrick:
"THAT, this matter be referred to the Registration Committe."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.
Motion carried.

REPORT: Mrs. Mack reported that:
(1) the Registration Committee had referred to her for enquiry letters received from Mr. P. Johnston, Montreal, seeking the Club's assistance with regard to his desire to obtain a certificate of registration for a Chesapeake Bay Retriever which he had acquired from the S. P. C. A., Montreal, a dog believed to be that registered as RUSTY BOY (396354), recorded the property of Clyde B. Adams, Montreal;

(2) she had established that Mr. Adams had given this dog to the S. P. C. A. on the understanding that they would seek to place it in a good home;

(3) it was her opinion that, in cases of this nature, the Club should not undertake to compel delivery of a certificate of registration nor proceed to issue a certificate if the last recorded owner declined to sign an application for transfer of ownership.

ACTION: It was agreed that the matter would be referred to the Registration Committee who would seek the opinion of the Club's solicitor as to whether the Club may refuse to take action to compel delivery of a certificate of registration for dogs sold, in these circumstances, by a S. P. C. A. or humane society.

7 R 48. TITLES ON CERTIFICATES

REPORT: The Secretary reported on correspondence with Dr. L. Duncan Croll, Winnipeg, Dr. Croll being of the opinion that where, on Canadian certificates of registration American titles are shown, the abbreviations for American titles should be those adopted by The American Kennel Club.

ACTION: Following discussion it was agreed that the Secretary would inform Dr. Croll that the Board saw no reason to amend the policy, previously approved by the national Board, with regard to the showing on certificates issued by the Club, of titles (in abbreviated form) earned in other countries.

7 R 27. REGISTRATION OF DACHSHUNDS

SUBJECT: The Secretary pointed out that while, at its annual meeting in February, the national Board had approved (by resolution #80-61) the genetic designations outlined in the Chief Registration Officer's letter of January 31, 1961, it had not made any formal decision on a suggestion, advanced in the penultimate paragraph of the Chief Registration Officer's letter of that date, with regard to an addition to Section 2 (a) of Amendment #27 to the Club's By-laws approved by majority affirmative vote on the last referendum ballot, and expressed the opinion that Ministerial approval of this amendment would be expedited if the Board, in keeping with its approval of the genetic designations suggested by the Chief Registration Officer, authorized the addition to Section 2 (a) of the amendment suggested by the Chief Registration Officer.

MOTION #244-61
Moved by Mr. MacCallum, seconded by Mrs. Southcott:
"THAT, having regard for resolution #80-61, the Secretary be and is hereby authorized to make the addition recommended by the Chief Registration Officer to the Amendment (#27) to be submitted for Ministerial approval."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.
Motion carried.

THE NEED FOR A NEST BOX

by DR. J. E. CORBIN

Is a nest box necessary? This method has enabled us to wean 89.7% of the puppies born alive in the Purina Dog Care Center during the past ten years. We feel that a nest box has a lot to offer in good management of puppies. Normally when the bitch approaches whelping time, she becomes restless and tries to find a secluded spot. These nest boxes seem to answer her needs and afford her a place to be alone and away from other dogs. These are normally placed in the pens five to seven days before whelping is expected. Shredded paper is used as litter for whelping. It is clean, inexpensive and non-dusty. If the weather is cold a heating pad* is placed in the bottom of the nest box – it keeps the pups from chilling. The heating pads are controlled with a thermostat that maintains a temperature of 95° for the first week, 90° for the second week, and 85° for the third week. If a litter other than shredded paper is used, it should be absorbent, non-toxic, clean, and free of contamination, such as dust splinters, burrs and stickers. Some people have used litter such as prairie hay or ground oat straw for whelping. The fine splinters from the straw tend to puncture the skin and cause skin irritations in the young puppies. This is the reason that shredded paper is used in our own Purina Dog Care Center.

Some people prefer to use a cloth or flat litter since it is felt that the puppies can get a better pawhold on a firm surface. Generally a pressed board surface is used for this type of bedding. This movable surface is covered with a cloth containing elastic hemmed at the edges. This keeps a cloth fitting tightly and makes it easy to change and wash the litter cloth each day.

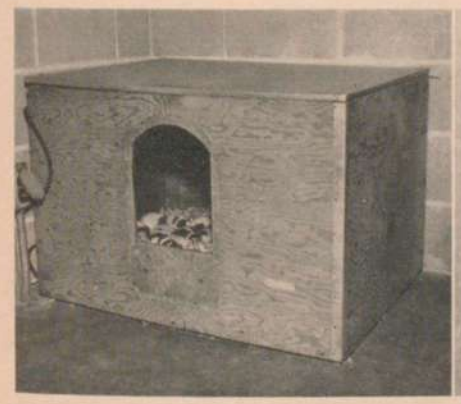

The whelping box is easy to build, clean and is inexpensive. With proper care it will last for a long time in the kennel.

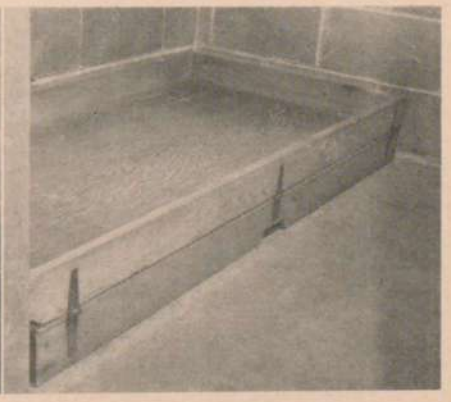

In the picture you will notice the extra metal shield in the lower part of the whelping box doorway; this acts as a barrier to keep the pups within the whelping box during the first three weeks. The strips of metal protecting the board edges discourages chewing of the whelping box. You can observe also the electric cord leading from the outlet to the heating pad.

A nest box 36″ long, 23″ high, and 28″ wide will take care of most dogs weighing in the 50 to 80 pound class, while a small nest box measuring 32″ long, 21″ high and 24″ wide will be satisfactory for dogs weighing 50 pounds or less.

The resting platforms offer protection to the dog against the cold concrete in Winter and even Summer. In the Summer the front hinged board is lowered; in Winter it is raised and the platform is covered with litter for the dogs that need additional protection and do not require litter in the Wintertime.

ART OF JUDGING

/continued

of the exhibit. This includes the condition, deportment and desire on the dog's part to meet the wishes of the handler. In order for such to occur the dog must also have confidence in the handler.

Proper handling of dogs is also a science and an art, as proper conditioning and presentation is a must for extended success. This, in general, is in ratio to their experience. However, as in most endeavors, some acquire the necessary knowledge and talent more rapidly than others.

A good handler will be able to present any breed of dog in a manner to coordinate their efforts to bring out the best in the exhibit. However, such is usually contingent on the period of contact they previously had to become acquainted with the characteristics of each.

JUDGE'S OBLIGATIONS

Obligations involve many factors, some of the most important being:

• An all breed judge should have sufficient background in dogs to readily recognize a good or bad piece of dogflesh regardless of its breed. If he does, he will be able to recognize the intent of the Standard of a breed even though parts of such standard may be vaguely expressed.

• Specialty judges may not necessarily have to know dogs as such, although it is of a great help. However, he should have a sound background of the breed or breeds he judges including a clear understanding of the standard for such breeds.

• A judge must also consider all parts of the dog in his evaluation and not be too greatly influenced by an outstanding good or an opposite lesser quality before making a decision.

• It must be further recognized that to soundly render decisions in Group and Best in Show Awards which involve various breeds, much more experience and judging knowledge is required than for judging individual breeds.

• There is no substitute for sound experience.

• All judges should have a clear understanding of the American Kennel Club rules (and The Canadian Kennel Club) regarding the procedure for Judges. They likewise, should constantly put forth effort to apply them in practice.

• Show Superintendents are required to have on hand a copy of the Rules and a book of Standards. A judge should refer to such information whenever in doubt regarding any point.

• In my opinion, judges should so conduct themselves, both in and out of the ring, in a manner that will reflect respect and credit to the profession.

• Clubs invite judges whom they desire to judge for various reasons, usually after discussion by the membership. It is my feeling that judges should feel honored and grateful for such selection. For that reason I consider myself a guest of a club and try to meet so far as possible their desires including performing a good job of judging.

• Whenever a judge, after accepting an assignment, finds that he cannot, or might possibly not be able to fulfill such assignment, he should so notify the club with the minimum of delay. This includes interference in his travel plans for arriving at a show on time. I have always made it a practice to contact the club Secretary or other official upon my arrival to advise them that I have arrived in their city. This relieves their mind as to the possibility of my not being present for the show.

• I, likewise, feel grateful to the exhibitors entered, who many times have done so at considerable inconvenience and expense. Therefore, it is a must that their exhibits are carefully evaluated and placed without fear or favor.

CLUB'S OBLIGATIONS TO JUDGES

When a club has contacted a judge regarding his availability for an assignment, they should advise him with the minimum possible delay their final decision in the matter. This lets the Judge know if he has been engaged, in which instance he can make a firm date on his schedule. If not engaged, he can then favorably consider requests from other clubs.

Most clubs consider a judge's welfare while in their city. Also make arrangements, if needed, for getting him to and from the show location. However, occasionally clubs disregard this courtesy. leaving a judge to shift for himself. I have experienced instances involving considerable time and expense to reach the show grounds. I feel certain that other judges have experienced similar situations.

EXHIBITORS' PRINCIPAL OBLIGATIONS

Exhibitors should not wait until the last minute to have their dog prepared and ready to enter the ring when their breed is being judged. This makes for confusion to themselves and others including interference to the Judge in meeting his judging schedule.

I suggest that exhibitors, particularly those of lesser experience, learn what is expected of them while attending shows. This information can be obtained by questions at their own club meetings, from the Superintendent at a show, by the American Kennel Club or Canadian Kennel Club representative if one is present, from the officers of the show-giving club, or from more experienced exhibitors. I feel this is one item that can have great value by discussion and explanation at local club meetings.

Another thing that exhibitors must realize is that dogs, like people, do not always feel or act the same each day. For that reason on a certain day, they may not defeat other dogs whom they have previously defeated. In such instances, view the situation with an open mind and in an objective manner before expressing yourself.

The natural instinct is to criticize the judge. However, before expressing an opinion, I suggest that it be an honest and unbiased one. Remember, the judge has rendered his decision from his evaluations. Remember, also, that if your

opinion varies greatly from his evaluation, you have no obligation to again show under him.

Frequently some breeders and exhibitors seem to unduly critcize a breeder or exhibitors and/or his dog when such persons have been successful in acquiring a good or top specimen of a breed. Such a dog naturally obtains its rightful share of winnings which seems to cause jealousy on the part of some people. Since the objective of breeding should be to constantly improve a breed, may I suggest that in such instances breeders and exhibitors reflect gratitude that such a good or top specimen has been developed.

Remember, also, that a good dog is still a good dog regardless of how much it is criticized. In addition, a good dog regardless of its breed is a good dog and deserves its rightful recognition in Group and Best in Show awards.

POSSIBLE BREEDER'S AND EXHIBITOR'S VIEWS

After reading the preceding content, some breeders and exhibitors, particularly those of lesser experience, may feel that the tasks outlined are too great for accomplishment. It is true, like in any other endeavor, there are problems to be met and overcome to reach success in one's efforts. However, such can and has been accomplished on many occasions in both breeder and exhibitor efforts.

I could, to my personal knowledge, enumerate many such instances, but for obvious reasons will not do so. All one has to do it to review the winnings of the dogs placing high in awards and also investigate the background of their production, to verify such is being done quite consistently.

From such an investigation one will find many of the top winning dogs are breeder owned and breeder shown in the severest of competition and also against others shown by top professional handlers. Likewise, it will be found that many of such accomplishments have been by women.

CONCLUSION

It must be thoroughly understood that this article involves my own personal views. Other judges have their own thoughts and views for their accomplishments which may or may not agree with mine.

It has been a pleasure to present the above data for the consideration of those who read it. I hope it will be of value, however, I know it can do no harm.

My best wishes to all in their endeavors.

At American Shows: Kraal's Rocco, a Rhodesian Ridgeback bred by *Dr. H. Hethrington*, went WD and BW at the Wallkill KC Show at Walden, N.Y. July 9. This was a Booster show of the Rhodesian Ridgeback Club of America. "Rocco" is owned by *Dr. F. George Walker* of Scarborough, Ont.

Shown here is the young, winning English Bulldog, Lakeland Invicta. This picture first appeared in the July issue. The name of the breeders and owners of this fine dog has been inaccurately reported by us in previous issues. They are Mr. and Mrs. H. J. Goss of Bewdley, Ont.

CLUB NOTES

IMPORTANT: Club Notes are for the purpose of reporting activities and plans of Breed, Group and other specialty organizations. There are certain news items which cannot be considered as "club notes", but rather as advertising material. Names of judges may be used only if the club's show advertisement appears in DOGS IN CANADA. Wins of dogs which will be or have been reported in The Canadian Kennel Club "Show and Trial Results" cannot appear in these columns. Make your club notes meaty and interesting. 300 WORDS IS THE LIMIT.

The June meeting came to order with 15 members present, Mrs. M. Stewart in the chair.

After the regular business three members gave notice of motion to amend the constitution: Mrs. Newby, Mrs. Watson, Mrs. Leedham. Voting will take place at the annual general meeting in October.

The club's annual picnic and members' show will be held in Ambleside Park on July 9, weather permitting.

Members voted to close for the months of July and August, so the next meeting will be September 13. The executive hopes all members will be present at the Fall meetings as there is plenty to discuss and vote on.

the 23rd of September in conjunction with the Burlington Kennel Club Show, the biggest and best yet. This will be an opportunity for Basset Breeders from Canada and the United States to display their breed to an advantage and an opportunity to pick up two sets of points.

Mrs. Eugene Scott, the Trophy Chairman, is accepting donations towards the trophies which deem to be unique. The regular quarterly meeting of the club took place July 29, at the Estaminet, in Burlington. As many members as possible were asked to attend and films of the Basset Kennels were shown by Mr. and Mrs. Digby Hunt of Ottawa.

The Boxer Club of Canada

During the past few months there has been considerable activity in the world of Boxers. We have had a Booster Show, our Annual Puppy Match and also some TV experience.

Our Booster Show drew an excellent entry, and the club would like to express its sincere appreciation to Mr. Harry Watson who judged this show for us.

The Annual Puppy Match was held on the CNE Grounds on June 11, and attracted many promising young Boxers. The judge, George Bailey of Chicago, presented the "Best In Match" trophy to Bonnie Lee's Dancing Doll, owned by Mr. and Mrs. Stan Whitmore and bred by Mr. and Mrs. Scott McNair.

During the past few weeks, the club was able to arrange two 15-minute interviews on CFTO, Channel 9, to discuss showing, grooming and Obedience training of Boxers. These appearances proved very successful, and while none of our members have been signed to long-range contracts, we understand that some of the dogs may be asked to appear again.

Our congratulations to two of our club members who recently finished champions, Mr. and Mrs. Jack Nowack, whose new champion is "Star Gazer", and Mr. and Mrs. Stan Whitmore who finished "Gai Legacy".

During the summer, the club has decided to hold two informal meetings to give some of our "amateur" members an opportunity to try their hand at judging and showing dogs, and we look forward to a good turnout for these get-togethers.

Burlington & District Kennel Club

All hands at B&DKC are hard at work preparing for our all breed show to be held this year on September 23 at the Burlington Arena, New St. This year the show will again include a Parade of Champions and for the first time at Burlington a Junior Showmanship Class. Pre-show publicity is planned to include another dog exhibit to be held September 15 and 16. Our previous exhibit attracted great public interest and breeders were able to talk with many prospective dog-owners in a friendly and relaxed atmosphere.

Entries at our June Obedience Trial totalled 144 with 79 dogs qualifying. Highest score was earned by Abe Zwonkin with his Standard Poodle Bo, who earned a perfect 200 in Open B: Checking 1960 Trial results out of nearly 2,500 entries only seven dogs in Canada earned perfect scores. Abe and Bo also won the Members' Trophy and the trophy for the highest scoring Canadian-owned Poodle. Other trophies were won as follows: **Highest Scoring Student:** John Meier with Norwegian Elkhound Trissa of Narvikwood 195. Novice A, **Hound Group:** Miss M. Kirkby with Beagle, Hiway Emily of New Moon, 195½. Novice A, **Sporting Group:** Claude Lee with American Cocker, Big Black Sambo, 198½. Novice B: **Boxers:** Mr. and Mrs. Lyle Humphrey with Michael of Jaspewil CD, 178½ Open A. **German Shepherd:** Leslie Styles, with Hoeneck E. Rebel 199½ Novice A. Many thanks to Mr. and Mrs. Howard Richards for opening their home for the enjoyable after-trial party.

Canadian West Highland White Terrier Club

by Bud Flanagan

The big news among Westie breeders and exhibitors is our big Tenth Anniversary Specialty Show coming up on September 24, in conjunction with the Scarborough Kennel Club. Our Trophy Committee has done a wonderful job in providing a table full of trophies and prizes really worth trying for!

The popularity of our little "white earthedogges" is certainly increasing! Our June meeting was the first meeting this year at which no applications for membership were received. Since our last "Club Notes", the following Westie-lovers have joined our ranks: Miss Dorothy McLean of Oshawa, Mr. and Mrs. J. Willes of Oshawa; Mrs. Isabel Woods of Markham and Mrs. W. J. Worcester and her daughter Barbara, of Little Falls, N.J. A hearty welcome to all these new members!

For all those people who have been lamenting the fact that there is no book published about our breed, good news! John Marvin's book, "The Complete West Highland White Terrier" is now on the market, and contains a wealth of information about the history and background of the Highlander. Unfortunately, his listing of Westie Kennels in Canada is out of date, but this will probably be taken care of in future editions.

Chow Chow Fanciers of Canada

by Helen Schwoob
25 Churchill St., Waterloo, Ont.

The June meeting was held at the home of Mrs. Pearl Currie, Richvale, Ont.

The meeting was taken up mainly with plans for the forthcoming Booster Show, August 5, in Kitchener. An offer to judge was received from Mr. Watkinson, a Chow Chow breeder and judge of note in England. Mr. Watkinson hopes to be in Canada in the Fall and steps are now being taken to see if we can take advantage of his kind offer. It was nice to hear that a litter of puppies has been born this month and that several breedings had taken place. There will be no meeting held in July and August. The executive will meet in July to make plans for the Chow Chow Sanction Show to be held in late August or early September.

Due to illness our Chairman, Mrs. Nattrass, was not with us for this meeting. She was greatly missed and we all hope for her speedy return to health.

Best wishes for a wonderful holiday go with Mrs. Odenkerchen who has returned to Holland to visit her parents. We will be looking forward to news of the Dutch Chow Chows from her.

Wishing you all the happiest of Summers. See you in the Fall.

If your puppy has an accident in the car, sponge the area lightly with warm salt water (half cup to one quart of water), then soak dry with rags, rinse and dry again, suggests Carol Lane, Shell Oil expert. If children (or adults) decorate the car upholstery with candy or cholocate stains, use clear lukewarm water. Sponge from outside of spot to centre. Soak dry with rags, sponge again with detergent suds and soak dry.

Smartest packaging we have seen emerge from a dog shop is the white and gold oblong shopping bag featured by The Dog Studio in Montreal. White heavy cord handles add to the dash of the bag, which anyone would be proud to carry.

Group Box 18, R.R. #1, Hannon, Ont.

The June meeting of our club was held at the home of Mr. and Mrs. Fred Oldland, Stoney Creek. Election of officers for the coming year was held at this meeting. It was a pleasure to see and welcome back Mr. and Mrs. Fred Kleinert and Mr. and Mrs. Hollingshead. President Fred Jackson presided at the meeting.

Regular business of the meeting included appointing a chairman for the forthcoming club picnic, at which we hope to see many of our friends from the Doberman Club of London (Ontario). A start will be made on our club film 'Dobes and People' at a mock match to be held at the picnic. Mr. John Day is chairman.

Mrs. Kay Baylis reported on the trophy list for the second Doberman Pinscher Specialty to be held by this club. To date there are 33. We are hoping there will be plenty of competition at the show.

A successful demonstration of Obedience was given at the children's picnic, of the Cerebral Palsy Parent Teachers Council, at Hidden Valley, Burlington on Sunday, June 25. Those taking part were Mrs. Baylis, with Dorcas; Miss J. Jardine with Roxy; Mr. John Day with Torry; Alma and Dave Ward, with Ebony and Kala. Our thanks to Mr. and Mrs. C. Cecil for arranging the demonstration and their wonderful hospitality after the picnic.

The newly elected officers of the club are: Peg Oldland, heading us as President; Mrs. Baylis, Vice-President and Alma Ward, Secretary-Treasurer.

Gateway City Obedience Training Club

The big weekend has come and gone. Some of us are still smiling while others we'll leave with their deep, dark thoughts. A Mock Trial at the Assinaboia Residential School, while enjoyed by the youngsters, had many of us casting doubtful eyes on our pals as they "goofed off" right and left. Came the trials, though, a number of members came through with flying colors.

Out of town exhibitors from Fort William, Toronto, North Dakota, Nebraska and Minneapolis, as well as a strong turnout of local members, were on hand to try the course under Milo and Margaret Pearsall.

Finishing their CD at these trials were: the Boxer, Tex; Standard Poodle, Penny; Cocker Spaniel, Scamp; Dachshund, Heidi; Sheltie, Jockey, from Fort William; Tiger and Pinky, German Shorthair, Patch, from Omaha, Nebraska; also a Pug and Cocker from out of town. CD legs were earned by Norwegian Elkhound, a German Shepherd and Norwegian Elkhound, Grey. Finishing their CDX at these trials were Ronny and Buck, Johnny and "Lucky"; German Shepherd, Buttons from Toronto. Winning legs for their CDX were the Standard Poodle, Penny; Shepherd, Shane; Golden Retriever, Kelly from North Dakota. If I have missed anyone, please forgive it. Official results will be published in **Dogs in Canada** soon.

A "first" here was an exhibition of utility work by Marvin Davis' Ch. Kaposia's Apache Maiden, UD. "Patch" is the only champion UD Shorthair in the U.S.A. She obtained her Canadian CD at our trials. A glittering array of silver trophies was presented to the top scorers which were about divided between local and visiting dogs.

A party Friday night at the Paddock had a very happy winner handing champagne around.

Considering that after a season's drought, still continuing we had the only shower (.05 inches) just as the first trial was to start, a full brass band, driving winds, then blazing sun, and a thousand 4H youngsters in an adjacent area over the two days, I would say the dogs really "had the course" by 9 p.m. Saturday.

Sunday, the Pearsall Clinic was followed by a presentation. As it was the Pearsall's 30th anniversary, our club had the privilege of honoring them with a cake and gift and our sincerest thanks and best wishes.

Classes are over till September, but coming up is the filming of a half hour TV show by the CBC which will be shown in September before our Fall classes start. With the initiation of a club News Letter, we are really heading for bigger and better things.

German Shepherd Dog Breeders Assoc. Inc.

In this month's column I will pay my small tribute to our Canadian breeders who have proved they can hold their own with breeders and exhibitors across the border, in very good competition, too.

At the GSDC of Western New York Specialty Show held in Buffalo on July 10, under Judge Mrs. P. Clay, the following Canadian dogs and owners came out 'in the ribbons': L. Treble, with Hakim, 2nd Bred by Exhibitor. In a very nice open class H. Watson, with our friend Rocket placed 3rd. Also in this class was a dog a lot of people here will remember, although he now makes his home in the States — A. Sangster's Constellation, who placed 2nd. Our own Dusky won the Senior Puppy Bitch class. M. Winder with Dawn, won the Novice Bitch class. R. Walker with Helge, won the Bred by Exhibitor class. G. Garrett with Bisket 2nd open bitch and reserve winners bitch. R. Walker with Chloe came 2nd in the same class. I might add that this Open class was one of extremely fine animals and one could well be proud to place in the top four.

By the time the Canadians had finished, the trophy table was sadly depleted. And what a beautiful table it was, the silver really glistened and shone in the sunshine (there was plenty of that, too.) So, congratulations to each of you and keep up the good breeding, and we will see you there next year.

Our sincere sympathy to fellow member Reg. Scott on the untimely death of his wife and our friend Sadie.

It saddens me to report the death of Mary Hart's Major. He was a grand dog and will be missed by Mary and her family in their new home.

We are pleased to announce the repeal of Ernestown Township's discriminatory dog license fee of $20 and up on all Shepherd type dogs. This was accomplished with the help of wide publicity, many letters, and the personal appearance at a council meeting, of our President Toni Kleinjohann and Vice President Alex Gunn. This action is another tangible example of what can be done, within the club, to protect the best interests of all German Shepherds. We wish to thank all who assisted us in championing this cause.

In the tradition of always selecting the finest Shepherd authorities to officiate at our annual Fall classic, we are proud to announce Mr. Ray Smith will judge our Great 39th Annual Specialty Show, September 16. All the many details that go into making this the great show that it must be to maintain its place as Canada's largest single breed dog show, are being carefully gone over by Ken Collison and his energetic committee.

June 12 — the day was clear and bright as the younger generation of Shepherds had their day in the ring, under Mr. John Seiler. These puppies were the breeder's dreams of the past and promise of the future. Many at ringside will long remember Adam Cwik's expression while gaiting his lovely owner-bred, just acclaimed Best in Show Winner, when the judge commented over the P.A. system "the breeder should be very proud of a bitch of this quality". All who know Adam will agree that it couldn't have happened to a more deserving breed enthusiast. Best of Opposite Sex, Miss Gwatkin's Sunnyridge's Pirate was bred by our own Nellie Corser. Hearty congratulations, though, are the order of the day to all the many deserving winners, with a vote of appreciation to Bob Walker and his show committee.

Here and there: Bon voyage, Mitzi Frohle, on a sentimental journey to Switzerland, Italy and Germany! In the same category of nice things happening to nice people, Arnold Schmocker and his mother were recently presented with mementoes by our Club. Greater Victoria Dog Obedience Training Club
by Mrs. D. B. Hudson
2615 Cranmore Road, Victoria, B.C.

We had a lively annual meeting June 30 when we elected Mr. O. H. M. Roberts as President to lead the club in the ensuing year. He and his wife are very well known in the Corgi world and are very enthusiastic workers in all phases of dog world events.

This has been a year of growth for the club and arrangements have been made to add an extra evening to care for the overflow. Strange as this may seem all classes are full and will be in action this term.

The highlight of the evening was the parade of the club's Utility dogs. One of our members, Mrs. N. Abkhazi, came down to honor the two newcomers to their ranks and to present the medallions she so kindly gives to these super dogs. They wear them for special occasions.

At our last CKC trials in June, the instructors made a very good showing. Mrs. J. L. Smith, with her Golden Retriever, Mossbanks Golden Honey, deserves special mention as she won the rare score of 200 given by Miss Joy Curran in Novice "B". Mrs. R. B. Bates took Novice "B" in the 1st Trial with 198. Mrs. D. B. Hudson took the Utility and Highest scoring Working dog, in either trial, with her Belgian Sheepdog, Ch. Nightwatch Russet Chevalier, UDT with 196 marks.

This double trial was the best attended trial yet on the Island and was most enjoyable. The judges were entertained afterwards at the home of the President, Mrs. R. D. McLellan, together with all the Working Group and the instructors and executive. These get-togethers are such fun and very instructive in the exchange of ideas.

We are entering this new fiscal year with high hopes of even more successes.

The monthly meeting was held at the Women's Council House on June 26. Items of interest were discussed. A partial report on the recent point shows was given by the Show Chairman.

Suggestions for a club "Family Day" were discussed and it is hoped that this will take place in August. It is hoped that the families can be accompanied by their dogs. At the conclusion of the business meeting the Westminster Film was shown. Friends of the club and members of the Shearwater Kennel Club were guests.

It is with regret that we learn of the grave illness of one of our oldest members, Mrs. Mary Hooper, who will be confined to hospital for some months. The best wishes of all the Club members for her recovery were sent along with those already expressed by the many Maritime dog breeders and exhibitors.

Well, another all-breed championship dog show has come . . . and gone, and our members are now able to relax after the strenuous planning and work entailed by a show!

We believe the show was a happy one for all! The entries were our largest in some years, and the quality of dogs very high. Exhibitors came from quite some distance, in many cases, and we are very thrilled to have received quite a few letters back from American exhibitors in particular, who tell us that it was a very lovely show and they are coming back, in even greater numbers, next year!

Following our usual custom, our club will not meet again until the September meeting. Best wishes to all for a happy summer with lots of fun and some nice puppies coming along for next Spring's shows!

Operation "June Trials, '61" was successful! Total entries — 127. Total qualified — 54 (Novice: 37, Open: 13, Utility: 4).

Dusty-the-Boxer gave leave to her human, Howard Bowler, to be Trial Superintendent. His girl Friday was Jean Giacomelli, our President's boss. Once again Jean handled the many duties of Trial Secretary quietly, capably, and pleasantly. She introduced further accommodation for entrants by displaying the catalogue list of advance entries on the posting board first thing in the morning.

As Chief Ring Steward, Jean Ryder arranged for Obedience-wise members to give knowledgeable ring assistance to Judges Mr. H. Van Buren of New Hartford, N.Y., Mr. Fred Schwalk of Ferndale, Michigan, Mr. Ed. O'Brien of Canfield, Ont., and Mr. George Lucas of Georgetown, Ont.

This club has always taken pride in providing worthwhile trophies. However, for these trials, Art Bottrill showed even greater ingenuity in designing, and making, the bases for the trophy figures which he and his wife, Betty, had chosen. Blue velvet curtains, flanked by the Canadian and United States flags, provided the back drop for the distinctive trophy table which was dramatized by a colored spotlight. The trophies were set on red felt around a beautiful floral arrangement. They certainly deserved the enthusiastic admiration and honest praise which they attracted.

Gord and Thelma Gotts again operated a well-kept booth stocked with tasty and satisfying refreshments.

Entrants truly appreciated, also, the opportunity for pre-judging workouts in the outside practice rings prepared by Howard Ward.

Two new ideas proved helpful. The large banner bearing our club's name, displayed at the entrance to the grounds where the trials were held, was eye-catching, and the red ring curtains made by Vera Bowler and Vi McKay lessened the chances of distraction.

It was good to see new faces among the entrants, and satisfying to observe non-member entrants endorsing our trials by returning to participate. It was particularly gratifying to note the sustaining interest of member-entrants Peg and Fred Oldland, and of our "grande lady of the Obedience Ring", Blanche Cole. Her late husband's name is one of two engraved on the much coveted Memorial Trophy. This trophy is awarded, at each trial, to the H.O.C. member obtaining the highest score, providing he has trained the dog in classes conducted by The Hamilton Obedience Club. Mr. Harry Wilkinson and Mr. Reg. Peters received the Memorial Trophies for these two trials.

Hearty congratulations to Howard Bowler and each member of his hard-working Committee, for the careful planning and diligent follow-through which earned the "success" label for another Double Trial.

The June meeting of The Irish Setter Club of Canada was held on Monday evening June 19, at the home of Mr. and Mrs. W. Ionson, Clarkson. A large number of members were present to enjoy a most interesting meeting. One of the matters of greatest difficulty insofar as field training is concerned, the lack of pheasants, was thoroughly discussed. The club is rather worried about the scarcity of domestically reared pheasants. The possibility of using quail for training purposes was considered but here again there is the problem of supply. Several members of the executive are to consider the problem and find a satisfactory solution to it by September when the training sessions recommence.

Mr. Roy Dafoe, at the conclusion of the meeting, gave a demonstration on the correct way to present a dog in the show ring. His tips on what to look for when appraising professional handlers in the ring were most informative.

On Sunday, June 25, the annual Summer dog show of The Irish Setter Club of Canada was held at the Honsbergers in Streetsville. A large number of dogs were shown and a good time was had by all despite the rather cold weather. The winners of the various classes were: Best Puppy, Red Saint of Shanadoha owned by William Kennedy of Hamilton; Best Opposite Sex, Londonderry Belle, CD, owned by Mr. and Mrs. R. Allen of Ancaster. Best of Breed, Shandara Christopher Robin owned by Mr. and Mrs. J. Tumelty of Don Mills.

The next regular meeting will be held in September. During the summer months the executive of the club will be working diligently on the program for the fall. Several projects contemplated for the new year will be commented on in future articles. Incidentally, Challenger's Irish Lancer owned by Mr. and Mrs. Raymond McCormick of Ancaster is now a Champion.

K-9 Training School

by Art Surette

79 Murray St., Brantford, Ont.

Some of our members visited the Hamilton Obedience Trial at Ancaster and along with four entries from our own K-9 School reported a very good day. Members also entered at other shows at Burlington and Simcoe.

We were gratified to see our dogs place so well in the trials and offer congratulations to Neil Tull, Claude Lee, Jo Lee, Joe Holota and Mr. Petrie. We like to see good handling and it seems like our patience and perseverance has paid off for these handlers. Now on to CDX.

So far this summer we have had some nice get-togethers, a weiner roast at the home of Mr. and Mrs. Joe Lee's parents' farm which was a barrel of fun, a successful dance, and also an outdoor barbecue at the home of Mr. and Mrs. Joe Holota where once again a successful night was enjoyed by all. Everyone seems to want to get in the act helping to organize and help out — thanks to all the ladies of the group.

We have had at this time of writing two successful graduations in different cities. We would like to wish these people lots of luck in trials in the future. Now with only one more graduation to go before the holidays we are looking forward to a well earned rest.

Our own class in Brantford is gradually growing with a good following of CD, CDX and U.D. dogs. Look for news of our graduation after the holiday season and for the holidays have fun in the sun but remember your canine friends, they need extra care now.

The London Canine Association

by John F. Harris

P.O. Box 105, Belmont, Ont.

The regular monthly meeting took place June 1 at the Y.M.C.A. in London, Ontario. Our President, Dr. T. K. R. Bourns, was in the chair.

The club decided to approach the Burlington & District Kennel Club regarding putting on our show in October for us. Much work was done during the business part of our meeting.

For the educational part of our meeting, Miss Lena Shortt, judge, gave a talk on what the judge looks for in the different breeds. The talk was very educational. Our July 5 meeting was held in the same manner as the previous meeting. The Burlington Club has agreed to take over our show in October with the support of our club members. The meeting was very well attended with six new visitors present for the educational part of our meeting. Dr. Allan Pitt was the speaker. His talk was educational and helpful to all who attended. The educational part of our meeting starts at 8:30 p.m., Room 116, the first Wednesday of each month. All dog lovers welcome.

Miniature Pinschers of Canada

by Irene MacDonald

36 New Mountain Rd., Stoney Creek, Ont.

A group of persons interested in promoting and improving the breeding and showing of Miniature Pinschers in Canada met at the Burlington Arena, June 24. It was felt that the interest warranted the forming of a club known as Miniature Pinschers of Canada.

The officers elected for the balance of 1961 were as follows: President, Mr. W. J. Gross, Breslau, Ont.; Secretary-Treasurer, Mrs. Irene M. MacDonald, Stoney Creek, Ont. Election of officers to be held in December, with officers taking over January 1.

It was the feeling of the group that charter membership opportunities should be left open until all Miniature Pinscher breeders can come forward; the closing date to be decided later. Breeders in good standing with the CKC are welcome. Applications may be sent to the Secretary-Treasurer at the above address. The by-laws will be drafted at a later date with each member to bring ideas of a crest to the next meeting — August 5 at the Kitchener Kennel Club dog show.

Do your part for our little friends.

North York Obedience Club

by Margaret Thompson

16 Sabrina Dr., Weston, Ont.

The graduation of the first training class of the North York Obedience Club was held on Wednesday, June 28. After a shower around 6 p.m. the sun shone brightly for the rest of the evening.

The ring was set up in the parking lot of the Finchurst shopping plaza. The judge's table and trophy table were bedecked with flowers donated by a member of the club. Mr. C. Diamond from Hamilton was judge, assisted by Mrs. Diamond. Ring stewards were Mrs. Grace Probert and the writer. A large crowd of local citizens, including members of the local police force, were on hand to cheer the dogs and handlers, and during the ceremony we were even "buzzed" by an aeroplane!

Ten dogs were judged in the regular exercises of the Novice class. All but four came off lead, and when the judging was completed, six had passed with qualifying scores. The trophy for Best Performance went to Fred Straumann with his ten-month-old Labrador, Heidi; trophy for Greatest Improvement was won by Mrs. Mesure with her Miniature

All those with qualifying scores received diplomas, and each dog in the class boxes of dog food. The class presented Mrs. Probert and Miss Thompson, trainers, with bouquets of roses.

The following day, several members of the club gave a demonstration of dog Obedience training at the closing exercises of the Rotary School for Retarded Children. Our gift to the children was a fully equipped 22 gallon aquarium, which has been placed in the entrance hall of the school.

The summer training classes are now in progress — Wednesday evenings at the Finchurst shopping plaza. Watch for announcement of Fall classes — as soon as we have accommodation.

Oakville and District Kennel Club
by Mrs. Sally Furlong
9 Oakwood Crescent, Oakville, Ont.

The club once again had a very busy and rewarding month. On Tuesday, June 20 the Annual Match was held in the grounds of 'Avalon' kindly lent to us, as in the past, by Mrs. Marie Hamilton. The club was fortunate in having Mr. and Mrs. A. R. Sacre, of Bolton, Ont., as judges.

Mr. Reg. Scott's Standard Poodle After Dark at Bibeltot went Best in Show after winning Group Six and Mr. and Mrs. A. J. Horn's Staffordshire Bull Terrier Patty's Teddy Boy was judged Best Puppy in Show after winning Group Five. Mrs. E. McGowan's Springer Spaniel, Kingarvies Princess Patricia won Group One; Mrs. Betty Carter's Basset Hound, Longview Acres Just Sue, Group Two; Mr. L. J. Vantol's Doberman Pinscher, Trixie Von Rosencrest, Group Three; Mrs. Sally Furlong's Sealyham Terrier, Van Winkle Salome, Group Four. Refreshments were served and enjoyed afterwards in 'Avalon'.

On Wednesday, June 28, The Oakville & District Kennel Club's 'Dog Training Class' which had been in progress for the past ten weeks, held its graduation ceremony. It seemed almost impossible that the group of well-behaved, disciplined, and obedient dogs we saw were the same unruly mob that ten short weeks ago entered this course. Mr. and Mrs. A. R. Surette and their friends Mr. and Mrs. E. Gardner, all of Brantford, certainly did a marvelous job. Mr. R. Scott of Port Credit was the judge and his findings were as follows:—1st, Mrs. S. H. Waterbury's Miniature Poodle, 196 (out of 200). 2nd, Miss M. McCallum's Shetland Sheepdog, 186. 3rd, Mrs. P. Vaylon's Standard Poodle, 182. 4th, Mrs. E. McGowan's Springer Spaniel, 180½; 5th, Mr. J. R. Oakley's Irish Setter, 166; 6th, Mr. J. Burslem's Wirehaired Fox Terrier, 163; 7th, Miss M. Moore's Terrier, 152.

Our annual Championship Show was held July 1 with a good entry of very fine dogs. We would like to thank all those who helped to make the show a success, especially the ring stewards, Mr. J. W. MacCallum, Mr. George Lawless, Mr. G. M. McKenzie and Miss Mary Jane Weir, and our veterinarian, Dr. F. Clement. The show was over in good time and there were reports of an enjoyable day from many.

There will be no further monthly club meetings until September, when it is hoped to have a program arranged and it will be open house for members and their friends.

At our June meeting all plans were finalized for our point show to be held on the 1st of July and which is now a thing of the past. There was a good attendance of members and a discussion took place afterwards regarding the approaching of judges for our 1962 show and a panel drawn up for our Show Secretary to write. Our Secretary reported she had been successful in engaging the York Farmers' Market for a Sanction Show to be held in the Fall.

A program was tentatively drawn up for our meetings when they resume after the holidays, including the showing of films, which will take us right up to Christmas time.

MRS. G. F. LOVETT

Our point show was blessed with excellent weather but we were sorry that some of the competitors were not able to make the show in time to compete, owing to the heavy holiday traffic.

Some of our members made the Groups with their dogs; to them our congratulations. To all the members who so splendidly gave of their time and help, the club gives a big thank you, not forgetting a big one for our hard working Show Secretary, Mrs. H. F. Porter.

Little Miss Innes had a big job to undertake in presenting Group prizes and carried out her part perfectly. Our President, Mr. H. F. Porter, presented the Best in Show and Best Canadian Bred in Show trophies and our Trophy Secretary, Mrs. Karl Innes, the Best Canadian Bred Puppy in Show.

Master Holdham won the boys handling class and I understand handled his dog like a veteran. It was good to see 14 children entered for Mr. Karl Innes to judge and there would have been more if the children could have contacted owners willing to lend their dogs.

A week before the show several members took their dogs to the Oshawa shopping centre and paraded there to advertise the event. This aroused quite a lot of interest and I am sure brought quite a few spectators to the show.

Oshawa Obedience Association

by Peggy Boorman

22 Frank St., Oshawa, Ont.

Our association held its final training class graduation before the Summer months with 25 dogs completing their training. Judges for the graduation were Ritzies Reid and Don White of the German Shepherd Dog Club of Canada. They did a very fine job and were also very helpful and understanding to the beginners. Thanks also to Jean Goode and Ursula Floeter for an excellent job of Ring Stewarding.

Qualifying Scores in Novice A: Don Blight, Boxer Ace, 183.

Novice B: Ross Souch, Sheltie, Wolf, 193½; Peggy Boorman, Miniature Poodle, Corky, 184.

Advanced: Joan Souch, Sheltie, Bosco, 188½; Tom Grosart, Elkhound, Stina, 188; R. Hogel, Retriever, Kim, 181; Dorothy Grosart, Kuvasz, Tasha, 180; E. Bastedo, Setter, Star, 177; H. Cranfield, Chow, Ming, 172.

I'm sure by this time you have already marked a large circle on your calendar for Sunday, September 3 the date for our Fall Obedience Trials to be held at Lakeview Park in Oshawa. For further information be sure to see our advertisement in **Dogs in Canada.** Excellent trophies will be awarded for each class with highest qualifying scores. Post entries will be taken up to twelve noon and the judging will start at one o'clock. Judging will be in the capable hands of Lou Parent, of Oldcastle, Ont.

Our demonstration team put on an exhibition for the students and teaching staff of Donevan Collegiate in Oshawa and were well received and appreciated.

The team also visited a combined Cub Pack group in Port Perry and after the demonstration had their dogs put on a fashion show which delighted the Cubs.

Our thanks go to our trainers and to Mr. and Mrs. Monty Cranfield for the social evening that followed.

The chicken barbeque held at the summer home of the Bathies on Lake Scugog was a success, but although the lake was a little too cool for swimming it didn't dampen the evening. Thanks, Helen and Chuck, for a wonderful time.

Our club members are continuing to meet every other Wednesday evening during the Summer at the members' homes for a fun training class and a little refreshment after. The first evening was spent at Bill and Betty McHugh's in North Oshawa and except for climbing the fence a couple of times waiting for our trainer to give a left or right command, everyone (dogs included) had a good time.

We would like to welcome three new members into our association who were initiated at our barbeque party. Mr. and Mrs. Greg Normoyle and their Miniature Poodle, also Mrs. Mary Kraglin whose husband Ron has been doing so well with his German Shepherd, Sheena.

Don't forget! See you all on September 3 at our Obedience Trials.

Oxford County Kennel Club

by D. F. (Mike) Knott

793 Grosvenor St., Woodstock, Ont.

The regular meeting was held June 15 at the Moose Hall with President, D. F. (Mike) Knott, presiding. Show Chairman William Malhiot reported that plans for the 1961 All Breed championship show to be held at Southside Park were progressing very well and all reports to date indicate that we will have a much larger and more interesting show than last year. The show this year will again be held outside at Southside Park on August 12. Special Events Chairman Jack Crawford and Richard Marshall reported on final arrangements for the club's first pet dog show for children, (held on Wednesday June 21, from 6:30 p.m. to 8:30 p.m.). This event was sponsored by Quaker Oats (Pet Dog Food Division) with prizes also donated by Mr. J. Poole. The show was held at the Poole and Company parking lot on Huron Street. Mr. J. Poole very kindly donated the use of this lot. Various prizes and silver dollars were given to the winners of such classes for the dog with the longest or shortest tail, nose, smallest and largest dog, best dressed, best groomed, best obedient, dog who can do the most tricks and many other varieties of classes. Judges were members of the club and other appointed persons.

It was decided that the club match and picnic would be held on Sunday July 9 at the home of Mr. and Mrs. William Malhiot, many other reports were given and adopted. Following the business session, a film of the 1960 Westminster Kennel Club show held in Madison Square Garden, New York, was shown. This very fine film was enjoyed by all and 20 guests from the obedience classes presently underway on Tuesday evenings. July 18 was set for the obedience class graduation with Mr. C. Burton of Stratford doing the judging.

The Provincial Irish Setter Club

by Gertrude W. Drew

120 Ranleigh Ave., Toronto, Ont.

Our Members' Match and picnic proved to be quite an affair. The weatherman played an important part and gave us a superb day. A record crowd of between 75 and 80 were present. The dog entry was in keeping with the crowd and as advertised non-members were allowed to join in the fun and show their dogs.

Mr. Morley Fisher, a Springer Spaniel breeder, acted as judge and did a very fine job. His comments on the overall quality of the dogs was pleasing, especially to the newer members. This is really the best time of the year to show Setters as they are never in better coat. The extra grooming and trimming showed up to good advantage. Some remarks were passed, anent having our future specialty shows in June. Could be a wise move.

Mr. Fisher awarded Best of Breed to Mrs. Dawn Miller's Star; Winners Dog to Mrs. Noreen Clouter's Kelley; Winners Bitch and Best of Winners to Bud Hanna's Caprice. Tracy, a very nice bitch puppy owned by George Banton, was declared best of the juveniles.

The children's handling class with seven competing, was won by Dougie Lake. All the children received a prize.

Considerable credit goes to Mrs. Miller and Mrs. Mary Lake who provided the material and work for a really lovely lot of ribbons and rosettes. The trophies and prizes were nice too and lots of them, all donated by the members.

The barbecue dinner which was the last item on the program was most popular.

As an incidental we initiated Cold Creek Park. The officer in charge informed us that we were the first club or organization to hold an event at this park. Cold Creek is in the making; it contains 200 acres of rolling and flat land, a creek and eventually there will be a five acre lake.

The June meeting, held on the 26th, brought out another good crowd. There was quite a lot of business on hand which had to be cleared up as meetings are dispensed with during July and August.

The meeting approved the action of the executive in ordering equipment for the use of the secretary. A letter was read from The Irish Setter Club of Western New York inviting us to attend the Rochester and Buffalo shows where their club was supporting the Irish Setter entries. As these shows were on July 8

and 9, and entries closing on June 28 we had no time to think about attending and certainly no time to make an entry. We wish they had written us a month earlier.

The annual draw took place with Mr. Walter Brown doing the drawing. The winners were Mrs. Jean Pietrie of Weston, Mr. Ballint Illes of East Toronto, and Anne Holland of Bayview Woods, Willowdale, first, second and third respectively. Financially the draw was most successful.

The St. Catharines and District Kennel and Obedience Club

by Pat Howe
15 Leeper St., St. Catharines, Ont.

The club held its annual meeting June 12 and various members were elected to new posts. President, Mr. Hugh Monro; Vice-President, Mr. Pat Howe; Secretary, Mrs. Barbara Howe; Treasurer, Mrs. Ethel Gillis. Five directors for two years are Mr. George Jerman, Mr. Dave Gilmore, Mr. Frank Newbold, Mrs. Dorothy Foster and Mrs. Mabel McGregor. Four one-year directors are Mrs. Mary Monro, Mrs. Mary Johns, Mr. Don. Foster and Mr. Joe Gillis.

We anticipate another successful year such as the one past and find that the experience gained by a double Obedience Trial and point show will help our club to become popular in the years to come.

There will be a picnic held at the farm of our President Mr. Hugh Monro this summer and possibly a meeting among the excutive. As in the past the summer months have been devoid of club activity but come September we all renew our efforts in club business and get off to a roaring start.

We are sorry to lose one of our top Obedience winners, Tony Vanuden, who is taking up residence in Buffalo N.Y. You all know Tony by the black flash at his left side.

Our hats are off to all doggy people who have in the past year contributed their time and energy to make our club successful. Mrs. Joel, who acted in the capacity of show secretary, has our thanks for a job well done. The members of our club who always help to make our events a success are also to be congratulated.

We are putting a float in the Grape Festival parade again this year. This is one of the largest parades in the Niagara District and are all eager to take part in it.

We are also looking into the possibilities of a stud service and puppy registry.

re our Show at Don Mills Arena on September 24. We hope to gain a record entry and do even better than last year, which also turned out to be very successful.

All members are urged to attend the next meeting before our Show, and help in any way possible. We have been given several new ideas to help make the show a success, and we wish everyone to have as pleasant a day as possible.

Good luck to all members in the remaining shows this summer — and happy holidays to everyone.

Simcoe Kennel & Obedience Club
by D. R. Engels
1036 Morley Crescent, Burlington, Ont.

Now the show and Obedience trial have successfully wound up, the Simcoe Club extends a hearty welcome to one and all to attend their Old-Fashioned Picnic. This will be held at the Haldimand County Park, Nanticoke and Peacock Point, (for information contact writer or Mrs. Westbrook) on Sunday August 20 and club members look forward to seeing many of their friends on this occasion. There will be ball games, races, swimming, and on and on . . . Should be fun, and the only charge will be the Park Admission price per car of $1.00. Anyone coming is asked to bring their picnic lunch which will be pooled and everybody eat together; this will give all attending the opportunity to get to know their neighbors on a social basis. Please do plan to come, we think you will enjoy the day! On behalf of the Simcoe Club, may I, through Club Notes, extend sincere appreciation to all the good people responsible for the success of July 8. Everyone seemed well satisfied with the show and trial. The Gardiners were particularly pleased and they are officially congratulated through this column.

See you at the picnic and don't forget the date — Sunday, August 20 and for goodness sake, don't forget the lunch!

Skyway Obedience Club
by Dorothy Walker
Group Box 215, R.R. 5, Hamilton, Ont.

The monthly meeting was held Saturday, June 10. Most of the business was on the progress of the work for our Trial, Sunday, September 17.

On June 18 our club held a Members' Match and fun frolic at the home of Mr. and Mrs. Kenneth Gowan. We had a very good turnout and everyone brought their dog or dogs.

The match was held in the afternoon and Mrs. Barbara Saunders with her Miniature Schnauzer, Smoky, won the top dog award for the day. Mrs. M. Hergan with her Poodle, Bon-Bon, won second and Mr. Andy Emery with his German Shepherd, Lady, won third. Everyone then sat down to their meal, with coffee, tea and ice cream provided. We also had a white elephant table with the proceeds going towards the sick fund for our club. Later we had races for the children and a shoe-kicking and toss-the-ball event for the ladies, a thread-the-needle race for the men, a spot race for all and a candy toss for the children.

Everyone had a wonderful time and all our thanks are extended to Mr. and Mrs. Gowan for the use of their home and Mr. Harry Wilkinson, our social chairman, plus the many others who are always so willing to help make a grand day for all.

Mr. Ernest Lane must be very proud of his Collie, Laddie, not only for receiving his CD but the fact he is 12 years old! Mr. Lane started training him just a few short months ago. Congratulations to both.

Mr. Wilkinson and his Chihuahua, Chips, received the last leg for CDX at the Hamilton Obedience Trial, bringing home six lovely trophies. Congratulations.

A general meeting was held at the clubhouse on Roxham Road, Hemmingford on the evening of Saturday, July 15.

The dates for all American and most Canadian 1962 spring trials have already been selected and it is necessary for our club to act as quickly as possible. In the past two years we have had difficulty choosing a week-end that will please all beaglers on the local circuit, and the same problem must be faced and solved for next year.

Time is fast approaching for members to concentrate on their derbies, their place hounds and champions. On August 26 and 27 the Ottawa Valley Beagle Club will be host to all members of clubs belonging to the Quebec and Eastern Ontario Beagle Association. On the Saturday the Derby Championship will be run, and on Sunday the Championship Stake for hounds who have placed in Association licensed trials and field champions. Hounds must be owned by members in good standing by April 1, 1961 of TA-I-O, Ottawa Valley, Cornwall, Lachute or Frontier Beagle Clubs.

Toy Dog Breeder's Association of Canada

by Joyce Holdham
"Ardyce", Dunbarton P.O., Ont.

We held our June meeting—and had a pleasant evening. This was our final meeting till September, as holidays are in force, and members will also be busy at the Shows.

Discussions were held re our Booster Show with the Scarborough Kennel Club on September 24 at Don Mills Arena. We are hoping to have a good entry of "Toys" and have some lovely trophies to distribute. Much hard work has been done by our Trophy Secretary and her assistants, to gain some very nice trophies—which we are sure will please all concerned.

We shall be having our annual dinner and members' night at the "Town and Country Club" again this year — probably in October —and I shall be informing all members of the date in due course.

Thanks to all members, and let us hope we have good luck at all the coming shows this Summer.

The Western Gazehound Club

by Leslie Brian Rogers
468 - 264th St., R.R. #1, Aldergrove, B.C.

Recently a small but very enthusiastic group formed this association. This club will promote the interests of all purebred dogs and will include the encouragement to breed, show and race the canine members of the "gazehound" family — Borzoi, Whippet, Afghan, Irish Wolfhound, Saluki, Scottish Deerhound and Greyhound. The term "gazehound" refers to all hounds who hunt by means of sight.

For publicity we had the **Vancouver Sun** run photographs of a beautiful Borzoi owned by Mr. and Mrs. Byron Haberlin.

We have already commenced racing practice sessions and members meet enthusiastically on Sunday mornings at the Cloverdale Exhibition Grounds. The club is helping to put on a display of racing this Autumn, complete with hare, muzzles and jackets.

Officers are as follows: President, Mrs. E. J. Anson; Vice-President, Mr. D. M. Doubleday, Secretary-Treasurer, Mr. Leslie Brian Rogers.

We are open for membership from anyone, anywhere.

A newsletter will be printed to let our faraway members know what is happening. Our next meeting is to be held on August 6 where members and guests will be entertained by a display of dog racing.

THE OLD TIMER

/continued

dogs an hour. That show, of about 260 dogs, started at noon and didn't end until nearly midnight, even though two judges were operating."

"As a matter of fact," I said, "I've kept track, too. And judges who judge only 14 or 15 dogs an hour are far from unusual. Those who can handle 18 or 19 are rare and those who are judging 25 dogs an hour – the rate expected in the U.S. – are just non-existent. But what should this statement you're talking about say?"

"It should tell exactly what use the CKC is making of the critique," the Old Timer said. "If the CKC can demonstrate to the exhibitors that the critique is serving a useful purpose then perhaps the exhibitors will suffer in silence. Is it being used, for instance, to show up judging inconsistencies and to weed out the incompetent judges? Is it used to build up a registry of superior dogs which have something to contribute to the breed? Or are the critiques just being received at CKC headquarters and handed to some file clerk to be entered as received and then filed away, never to see the light of day again.

"I'm afraid the majority of exhibitors believe that is exactly what happens. The longer they are kept in ignorance of the value or lack of value of these critiques the unhappier they are going to be. That's why I believe the CKC should shed a little light."

The Old Timer drew out his pipe and tobacco again. This time he carefully stuffed the pipe, a little tobacco at a time. This time he put the pipe in his mouth, struck a match and drew in a deep puff.

"Ah," he said, "this one I think I've really earned."

WHAT DO YOU THINK

/continued

I do not know if it is in order to comment on other correspondents' remarks but I might say that I have appeared under American judges both in Canada and the U.S.A. and I have never had a judge advise me that if my dog broke because of another dog bothering him I would receive full credit.

I think that a dog in Directed Jumping should not be failed for ticking the jump. A substantial deduction should be enough. This conclusion I draw because of the number of principal features the dog has already performed if this is the second jump of the exercise. However I would say that if a dog knocks the bar off with his chest or upper limbs he should receive less than 50% because obviously he didn't jump the obstacle.

As to bribing dogs with food in the ring — I would think that in novice classes a warning to the entrant not to repeat it (this is the entrant who does it openly and is not trying to fool anyone) would be sufficient but in the other classes or to anyone doing it on the sly — immediate disqualification.

I also am of the opinion that the person that begins training of a dog and using food to bribe him is wrong but to overcome faults when training an adult dog, the experience of the trainer who has come up against many different problems in separate and specific dogs is invaluable. Whereas what is right for one dog is not right for another and the trainer must be quick to recognize it.

Looking forward to next month's column of "What Do You Think",

GORDON M. ASHCROFT

A shadow on the future in Brandon anticipated by the well-known Shepherd specialist, Mrs. Mary Hart, is that when the family moves West toward the end of this month their beloved Ch. Major Erich of Marimere will not accompany them. "Major", who was 12 years of age, and all-time favorite of Mrs. Hart and many friends, passed away in his sleep the night before the family left their home in Pickering. Although he was excited at the sight of luggage, Mary tells us there was a sadness in his eyes — as though he knew the trip was not for him.

BEST OF VARIETY

It's a Dog's Life

I have a Samoyed dog called Duchess and a two year old sister called Jackie who enjoy playing together in the backyard. My sister must be content to play in her playpen until I return from school to clean up the backyard for her. Quite often, after I have fed the dog and am sitting in the house, I will hear a commotion from the yard. When I investigate I find Duchess tugging first at Jackie's elbow and then at her feet and preventing her from entering a certain part of the yard. Of course my sister is quite frustrated at this and stands screaming. This is my cue for another cleaning job. As soon as all the evidence has been removed again my sister is free to go where she wants and the dog does not bother her.

Answering his doorbell a man found an old acquaintance and a large dog at the door. His friend came in and sat down, chatted amiably, but said nothing critical as the dog chased the cat, upset flowers on a low table, frightened the bird, knocked over a lamp, a coffee table and ashtray. As the guest rose to leave the host said, with a hint of sarcasm: "Aren't you forgetting your dog?" "My dog," gasped the guest," "I thought he was yours!"

A LITTLE BLACK DOG

by Elizabeth Gardner Reynolds

I wonder if Christ had a little black dog,
All curly and woolly like mine.
With two silky ears and a nose round and wet,
And two eyes, brown and tender that shine.

I'm sure if He had, that little black dog
Knew right from the first he was God!
That he need no proof that Christ was divine,
But just worshipped the ground that HE trod.

I'm afraid that He hadn't because I have read
How He prayed in the garden alone;
For all of His friends and disciples had fled,
Even Peter, the one called a stone.

And, Oh. I am sure that little black dog,
With a heart so tender and warm,
Would never have left Him to suffer alone,
But creeping right under His arm,

Would have licked those dear fingers, in agony clasped,
And counting all favors but loss,
When they took Him away, would have trotted behind
And followed Him right to the cross.

WESTMINSTER, 1962

Heywood R. Hartley, Richmond, Virginia, heads a panel of 48 judges coming from 18 states, the District of Columbia and Switzerland, who will officiate at the 86th consecutive annual dog show of the Westminster Kennel Club to be held in Madison Square Garden, New York, February 12 and 13, 1962.

Mr. Hartley will make the Best In Show decision from the six Group winners. Group judges will be: William R. Lubben, Levittown, Pa. (Sporting); Maurice L. Baker, Minneapolis, Minn. (Hound); Robert A. Kerns, Philadelphia, Pa. (Working); James A. Farrell, Jr., New York, N. Y. (Terrier); Mrs. Elsie Sivori, East Rockaway, N.Y. (Toy), and Miss Iris de la Torre Bueno, New Rochelle, N. Y. (Non-Sporting).

Mr. Hartley, a native of Georgia, has owned hunting dogs and has bred eleven Scottish Terrier champions. He has owned Fox Terriers, Dachshunds, Doberman Pinschers and Cocker Spaniels.

A judge for more than 20 years, he is approved by the American Kennel Club to judge all Terriers, all Hounds, all Non-Sporting and several of the Toy and Working breeds. His judging assignments have included the largest shows on both coasts. Currently, Mr. Hartley owns a printing business in Richmond, Virginia. ∎
