DOG LOVERS OF CANADA

we, the dogs of Canada, embrace you

(WITH TEARS OF GRATITUDE IN OUR SOFT BROWN EYES)

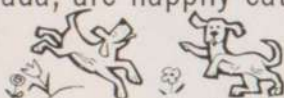

Yes, DOG LOVERS,
you have made us
very happy. Since the
introduction of

Fetch

(ah delightful
delicacy, made by
Nabisco, Makers of Milk-Bone)

you have been

buying it for us in ever-increasing quantities. Yes, Mr. and Mrs. Dog Lover, dogs all
across Canada, are happily eating **Fetch** . And by doing so they are taking on
new health,  and their dispositions are becoming even more mellow
and loveable. In short, Mr. and Mrs. Dog Lover, by buying **Fetch** with such enthusiasm,
you have placed the dogs of Canada in your debt. And you will be repaid with
great measures of love and affection from the dog of your choice. 

KEEP UP THE GOOD WORK, MR. AND MRS. DOG LOVER!

Spread the word about Fetch to such unfortunates who
may not yet have heard how Fetch contains more than generous
quantities of calcium, iron, ash, and other necessary factors
in a healthy dog's diet. Tell them how dogs consider
the flavour of Fetch to be comparable to that of charcoal-broiled
porterhouse. Tell them that there is no higher way of
expressing love for a dog than
by buying him

COVER STORY

The cover this month features the Pembroke Welsh Corgis, owned and bred by Macksons Kennels Reg'd., Mrs. Pamela B. Mack, 6450 Cote de Liesse Rd., Dorval, Que., Canada.

Can. and Am. Ch. Macksons The Best Man, was truly well named, as he is proving himself a top show winner and stud force. Since winning his Canadian title at 7½ months in three shows, and his American title under 12 months of age, he has been shown in Specials 24 times, and has only failed to place in the group once. This past summer he has won two Firsts in Group, also twice Best Canadian Bred in Show. He is proving himself as a top stud with his puppies excelling in true Corgi temperament and conformation.

The two puppies campaigned this year by Macksons are both sired by the Best Man, and are typical of his progeny.

Ch. Macksons Climax, a very lovely bitch, distinguished herself by winning Best Canadian Bred puppy in Show at her first outing and finished her title unbeaten in her sex. Also winning Best puppy and Best in Match at the Spring Pembroke Welsh Corgi of America Match Show, open to puppies and adults. She will be bred back this fall to her grand-sire Can., Am. & Bermuda Ch. Maracas Monarch of Clenden, well known English Import.

Ch. Macksons Tri-Umph, our young tri-color also distinguished himself while gaining his title by winning Best Canadian Bred puppy in the Working Group at Ottawa. As a sire he has produced in his first litter of six, four beautifully marked tri-color puppies. As they are the fourth generation of home breeding we are watching them with great anticipation. The Macksons Corgis have been sold to many far away homes this past year and travelled to many shows in Canada and the U.S.A. and continue to distinguish themselves in top competition, and as breeding stock for other Corgi kennels.

Our three Canadian and American champion studs, and many champion bitches combining the best in Canadian, American and English bloodlines assure that puppies are nearly always available for the particular owner who is interested in top bloodlines, with happy temperaments to continue the winning ways of the Macksons Corgis.

To Joan Layton we express our appreciation for our cover photographs, and her continued interest in the presentation of our dogs to the fancy through her imaginative photography.

Pamela B. Mack.

"I ROUTINELY FEED PERVINAL"

Mr. Nigel Aubrey-Jones, prominent breeder and importer of champion dogs, says:

"When I find a dog in a foreign country with proper standard conformation, I do not hesitate to import him. Invariably, it takes six months to one year of intense nutritional conditioning to prepare him for the show ring. In addition to beef and kibble, I routinely feed Pervinal to help assure an optimal intake of vitamins, minerals, bioflavonoids and lipotropics which contribute to full coat, sound bones and teeth, good reproduction function, better nerve and muscle coordination and resistance against infections and illness."

Owners, breeders and handlers of top dogs agree that "PERVINAL is PERFECT" for all breeds. Why not give your dogs the benefit of this tasty, economical, easy-to-use nutritional conditioner.

FROM THE EDITOR

A NUMBER OF QUERIES have come to this office concerning the 3% sales tax imposed on merchandise sold in the Province of Ontario. Many breeders were confused as to how it applies to the sale of dogs and the purchase of dog food.

A registered kennel raising and selling dogs should apply for a Vendor's Permit. This can be obtained by writing the Retail Sales Tax Branch, Office of the Comptroller of Revenue, Parliament Buildings, Toronto 2, Ont. The tax is on the ultimate sale of a dog. The breeder then becomes a vendor and must collect the 3% of the total sale and remit the amount of tax to the government.

Such breeders are entitled to the use of a vendor's permit in purchasing dog food from a dealer. This permit eliminates the 3% sales tax. Asked if this applied to purchases made at a grocer's or a supermarket, our informant suggested that if a breeder used a great deal of dog food it would be an extravagance to purchase from a supermarket.

The purchase of building supplies for kennels, such as lumber, roofing and other materials are not tax free, our informant pointed out, since they go into construction of a permanent nature. He warned against the use of a vendor's permit in such purchases.

• • •

The time of the year is the late Summer, virtually Fall. The setting is the world's largest annual Fair — the Canadian National Exhibition. The locale is Metropolitan Toronto with 1½ million people within its confines. The province is the most heavily populated and by far the largest market for dogs in the Dominion. The CNE Dog Shows are events many people in other provinces would dearly love to attend. The major prizes offered by the CNE are actual cash.

But where were the dogs and where were the people? This is a perplexing thing. Where else in this country could one find a record attendance of nearly three million people within a few weeks. We do not know the exact number of dog lovers or admirers in this crowd, but scratch the surface of almost any man on the street and you find a dog owner, a person who recalls a childhood canine companion, a person who would like to own a dog and some who are seriously considering purchasing a dog.

There were many complaints about the heat throughout the shows. During the Sportsmen's shows the grumbling about the cold was heard continuously. Admittedly, it was very cold and shivering dogs and people certainly deserved sympathy. But a dog show is no garden party, as any veteran exhibitor will tell you and no one really expects it to be. So there are discomforts. It is up to the show committee to keep a show comfortable and clean as possible. But it falls to people who breed and exhibit to turn up and help make good competition. Who ever improved a show by staying away?

Fanciers who have stock to sell are depriving themselves of sales by failing to go where the business is. The attendants at the *Dogs in Canada* booth directed countless visitors to the various benches.

• • •

Some of our Canadian shows demonstrate a real flair for showmanship, but most do not. A competition for the best decorated booth is an annual event at the Burlington & District KC Show. What about a parade of champions, a parade of veterans. What about an Obedience demonstration or other demonstrations when there is a recess from judging, say over the lunch or dinner hour?

Here are some of the special events at the Rittenhouse Square Dog Club show being held in Philadelphia, October 4. A Poodle Pageant, with 50 dogs of the three varieties participating. A Miniature Field Trial. Square dancing by the Dog Training School of Delaware County with dogs and people acting as "pardners". Trained Chihuahuas doing high jumps and other advanced Obedience work. The Fairmount Park Guards directing their German Shepherds through hoops of fire and through a half hour of other amazing feats.

If you have sound, well thought-out ideas for the improvement of dog shows in Canada, let's hear from you. Make letters brief as possible. The best ones will be published.

Your Veterinarian has Ectoral

a pill that kills fleas, lice...even ticks

Now you can keep your dog free of fleas, lice, and ticks without using smelly, messy sprays, powders, or dips. Tests by veterinarians show that Ectoral, taken every other day for eight days, then just once weekly, can eliminate these troublesome parasites entirely in most cases.

■ Ectoral works from the inside out—killing the fleas, lice, and ticks that prey on your dog. Used regularly, in the amount recommended by your veterinarian, Ectoral can safely protect your dog against external parasites and the skin diseases they cause. ■ Though more effective, Ectoral costs no more than the regular application of potent insecticides—and is far more convenient to use. Ask your veterinarian about this unique new way to control fleas, lice, and ticks. *Ectoral is available only from veterinarians.*

LETTERS

BABES ON OBEDIENCE

... After reading Mr. Roy Kress' letter in the July issue regarding the excellent record of the Sheltie in Obedience and Mrs. E. Pendlebury's letter in the August issue about her Poodle, I felt it would be interesting to relate the record of two dogs in the West. One of these appears to be the youngest to earn a degree in Canada.

The Shetland Sheepdog, OT Ch. Hi-Hope's Merry MacDuff, TD, Am. UD, owned by Miss M. Cummings, earned his CD at 7½ months of age, in 1955. He is not, however, the youngest from this area to earn the degree.

I imagine the record that would be most difficult to beat is that gained by Miss Marion Powell's Shetland Sheepdog, Sunset's MacGregger, Can. and Am. CDX. "Greg" earned the first leg on his Am. CD at six months, four days of age. His second leg came one week later, both gained during rainstorms. His Canadian CD was obtained at six months, 15 days of age, in three straight trials. Because of lack of trials he did not gain the third leg on his American title for another five weeks. By the time he was 8½ months he had earned the first leg on his CDX. At just over a year he was trained for Utility.

KERRY CRITIQUE COMMENCED

... It was with a great deal of pleasure that we accepted the invitation to attend, with our Kerries, the Kerry Blue Critique Clinic held at the home of Dennis and Catharine Gardiner in Orono, when our dogs and 30 others went through a vigorous conformation examination.

We learned a great many things that day. We have always eyed our own dogs with an extremely critical eye, and a possible minor fault always appeared to us to be glaringly obvious. We are always anxious to learn and learn we did.

The Judges examined each and every dog thoroughly, and it was interesting to read each critique on the same dog; only in one instance was there an extreme difference in opinion, and it was an interesting observation and a point that was hashed over at the end of the day.

The chairman at the end of the day asked each judge's opinion on the various reasons for marking high or low and the criticism was extremely good. They picked out a dog's good points and its bad points. They compared certain dogs and showed the reasons why they marked high on one and a lower mark on the other.

URGES TRAINING FOR JUDGES

... Everyone knows that at dog shows it is seldom that two judges will put up the same dog for Best in Show or Group, but surely it is reasonable to assume that when two dogs represent one breed in a show, one of them is the better.

To cite an example, we entered a dog and a bitch in a recent two-day show and had the bitch go 2nd in the Group in the first show while the dog got BB and was replaced in the group under a different judge on the second day.

Here in Nova Scotia last year some \$3,500 was spent for out-of-province judges and decisions such as this were consistently handed down. It makes us wonder if dog shows are just a gigantic lottery and not a carefully considered judgment on the merits of the dog relative to the Standard.

I would like to suggest an answer to this problem; that is the training of more judges for individual groups or even breeds, hence taking the burden off the rather overworked all-rounder whose judgment on some breeds is, with all respect to all-rounders, not of the best.

We would be very glad to hear from any readers with other solutions to this problem, a problem which affects the Maritimes in particular.

Our Welsh Corgi, Canorwall Zinnia (Posy), whelped nine pups in her second pregnancy recently and ten pups the time before. We believe ten pups to be a record for Corgis but are not sure, and wonder if any of your other readers could verify this. Certainly 19 whelped in two pregnancies is worthy of mention if it is not a record in itself.

HOT AND COLD

... I perfectly agree with Mrs. Agnes Smyth's letter in your July issue of *Dogs in Canada*. It was also my first time at the Sportsmen's Show, although I had been advised by at least two persons not to go.

For the whole two days I was there I did not see an official on the floor, or in the corridors. No one seemed to bother if you were there or not, except the man on the gate.

I really think that there could be a big improvement both from the exhibitors' and spectators' standpoint.

REC. PETERS
Hamilton, Ont.
This is an unfortunate reaction. Mr. Hudson Kalloch, Show Superintendent, is on duty at all times, and any query would have reached him quickly.—Ed.

ANY OTHERS?

... On July 16 our female parti-color American Cocker Spaniel completed her American championship, subject to AKC approval.

I know of two Canadian-bred males that have accomplished this feat in the past 20 years and possibly there are more.

But I would like to know how many Canadian-bred female American Cockers have won this title.

T. BRUCE McRAE

MARATHON SWIMMER

... We have a problem! I wonder if any of your readers can solve it? Our Standard Poodle loses all sense of proportion when near water and will swim to exhaustion. On occasions she has collapsed when removed from the water. She never leaves the water voluntarily.

APOLOGIES FOR THE G.S.D.

It has been my pleasure, over a period of 33 years, to have been associated with the German Shepherd Dog. The following few lines are written as an apology to this fine breed. (If it is possible to apologize to a dog). An apology for the very unworthy entry at the C.N.E. shows. If anyone ever slapped German Shepherds in the face, it was done here by breeders and owners alike, who for such reasons as, Hot weather, small rings, a judge they did not like; my wife did not want to enter or my feet get tired — or the poorest reason of all: — "It is too hard on my dog" — deserted the very breed they boast about. Too hot for my dog." This reason was given to me by several people. (Try explaining that one to the public who may have considered purchasing a Shepherd). It did not prove too hot for my dog or my wife and children. We have fought the small ring excuse for many years and it is worn out. A good Shepherd or a good dog of any breed needs no more than standing room to prove his quality, be it good or bad.

More of the general public pass the benches at this C.N.E. show than any show in Canada. Is it not the same general public to whom we are trying to prove that ours is the breed second to none? Perhaps it is difficult for a lot of people to attend week-day shows but what happened to Monday, a holiday? No less than 14 people who stopped at our bench asked the same question, "Where are all the German Shepherd Dogs?" I could not find an answer that would ring true, unless I had said "Shepherd people are not as faithful as Shepherd dogs."

People have accused others of obtaining cheap points by exhibiting at this show. If there is such a thing as cheap points, they are created by the accusers themselves, who by their lack of support of the breed took a lot of good publicity from the breed at the CNE.

And to conclude for the breed, I make my personal apology to the judges. Should anyone feel that I write this because I did not get even one point for my trouble, I did not. But I would rather be accused of that, than non-support. I came home and patted my underweight, out-of-coat little female, who enjoyed the shows — all five days of them — heat or no heat and who in her present condition could have been beaten by half a dozen dogs owned by people I know, and who could have supported their breed at the world renowned CNE.

CLEVER SHOPPER

... I recently sent two of our older Scots to a Pensioner (a Scotchman who has always owned Scots) in Alberta. In one of his letters he told me the following interesting story of a Scottish Terrier pup he had given to the Secretary of the Legion. She was spayed and became quite fat but partly due to chocolate bars, which she learned to buy for herself. One of the chaps would give her a dollar bill which she took to the steward. He gave her the change in a small paper bag which she took back to the chap, then back to the steward for her chocolate bar, bring it back and carefully remove wrapper which she took to the garbage container, then back to eat her chocolate bar. She managed to get quite a number of bars every day, being that clever!

KENNEL NAME QUANDARY

There comes a time when every pup must be given a name. Even this phase of dog breeding should bring pleasure to a breeder, but such is not always the case; at least within the framework of present CKC law.

If your kennel name has been registered prior to a certain date, a breeder can use this name as a prefix or a suffix.

If a kennel name has come into being within more recent years, then a breeder can use the kennel name as a prefix only. On the surface this may appear to be an insignificant detail. But, is it?

By my reasoning this CKC law as it is presently interpreted, is in complete reverse to historical fact or current logic, for the following reasons.

A dog born here must be called "Fairbank's Reno" yet he ceases to be "Fairbank's Reno", the minute he is sold. The possessive case does not apply after anything is sold and naming in this fashion

makes it appear that I am trying to retain title to the dog, even after it passes to a new owner. (Reno of Fairbanks would properly identify the dog.)

Historically, examine 100 pedigrees, especially of German Shepherd Dogs. You will find that in the vast majority, breeders name their dogs as "Rocket of Cara Mia", not "Cara Mia's Rocket", "Nix of Longworth" not "Longworth's Nix", "Knoll V. Liebestraum", etc.; not forgetting the many other breeds and breeders. However, if any breeder wants to use kennel name first, that is their business, but I want to use it last, along with many others, who are dissatisfied with the present law.

CKC members made this law and only CKC members can change it, when and if it is presented on a ballot.

I think the privilege of naming your child or your dog should be among the last freedoms to go and I do not think we have reached that point yet, even with dogs.

If you, as a CKC member, favor a change in this law associated with the naming of dogs will you please communicate with the writer who will answer all replies.

Since the article on kennel names which appeared in *Dogs' Memo* from the Editor, (March, 1961) we have been even more alert to interesting kennel names. Our admiration never ceases for kennel owners whose imagination has conjured up both lively and lovely names. The retaining of the breeder's name in that of a purchased puppy is another question.—Ed.

VERY MUCH WITH BOXERS

... In the September issue of *Dogs*, note in the Maritime Memo column, the statement that I have "gone out of Boxers and into Miniature Pinschers". This statement is untrue.

For the information of my many acquaintances in the dog game, we are still in Boxers and looking forward to next year's shows.

It is the feeling of many conscientious breeders and exhibitors in the Maritimes, that writers of columns should stick to the facts when reporting . . .

RECOMMENDED READING

The Complete West Highland White Terrier by John Marvin. General Publishers Ltd. \$7.15.

This long-awaited book is so new that its handsome cover portrays the winning Westie at Westminster in 1961. It gives the background and development of the breed, discusses its bloodlines and interprets the Standard. Included are chapters on raising, training and conditioning show stock, the Westie and Obedience Work, champions, Obedience degree holders, show entries and kennels. Author John Marvin has bred Westies that have won eight B.I.S. awards and 40 Firsts in the Terrier Group competition.

The Irish Setter in Word and Picture by William C. Thompson, General Publishers Ltd. \$7.15.

Irish Setter devotees will be delighted to know that this valuable book is again

available. This big volume of 544 pages covers the breed's origin and history, its prominent owners, its literature and bloodlines. Winners at past Westminster and Morris & Essex Kennel Club shows are listed. Bill Thompson has been a judge of Irish Setters for many years. At a recent show in California he judged over 100 specimens of the breed. He has written six books and is the enviable owner of a library of 1,800 volumes on dogs.

The Old English Sheepdog, by Jill A. Keeling, British Book Service. 95c

Another much-wanted book, this little volume is large in value to admirers of the Bobtail. Chapters deal with his origin, what to look for in the near-perfect Sheepdog, general management, whelping and rearing, as well as ailments and showing.

THE OLD TIMER

AS I CAME into the kennel the Old Timer reached for his pipe and began to pack it in his old methodical way, a little at a time.

"Naughty, naughty," I said. "You know what the doctor told you."

The Old Timer went on with the loading calmly and when the bowl was filled struck a match and proceeded to light up. It wasn't until he had the pipe drawing to his satisfaction that he paid any attention to me.

"The doctor said to cut down, not to cut out," he finally said. "And I've been saving this pipe all afternoon as a defence against those two-for-a-nickle cigars you've started smoking lately. And in any event the pipe's loaded with good Canadian tobacco."

"Going a little nationalistic?" I queried.

"Yep — it's my day for it."
"Distinctive Canadian flag, 'O Canada' instead of 'God Save the Queen' and all that," I prodded.

The Old Timer leaned back. Obviously he was back in form, and obviously he was taking time to get his answer together.

"Nope," he said finally "I wasn't thinking about flags or national anthems. I was thinking about dog show judging and dog show judges. And I'm thinking about reciprocity."

"Reciprocity?" I asked. "What's that got to do with Canadian nationalism? What's it got to do with dog show judging and dog show judges?"

The Old Timer went back into the kennels to quiet a couple of dogs that were snarling and yapping at each other through the cages. When he returned he got himself comfortably ensconced in his old barrel chair, tilted it back against the wall and got his pipe going again.

"Remember," he said, "a few weeks ago we were talking about the present procedure for obtaining judging licenses and I told you that I thought it had a lot to recommend it?"

I remembered the talk and I told him I did.

"But what's that got to do with re-

ciprocity and Canadian nationalism? I asked.

"Just this," said the Old Timer "I think the time has come for the American Kennel Club to recognize that we have a system for qualifying judges equal to, if not superior to theirs, and I think the time has come when they should accept those licenses secured in Canada under the present system in the same way we accept those secured by Americans and others in the United States."

"Our system equal to or superior to that of the American Kennel Club?" I asked.

My astonishment must have shown for the Old Timer gave me one of those impatient looks.

"So you've got the inferiority complex, too," he said. "Well just let me tell you."

"You know I'm licensed to judge half a dozen breeds in the United States. Let me tell you the tough procedure I went through to get those licenses. First of all I had to write to the American Kennel Club applying for a license. I would have to do that in Canada too."

"Then my name was published in the *American Kennel Gazette* as an applicant for a license in order that persons who might object to or support my application could register their opinion. That admittedly is not done in Canada. Then the officials of the AKC considered my application and I was given permission to go ahead with the qualifying procedure. That, too, is done in Canada."

"Next I received a written list of questions about judging procedure and the Standards of the breeds I was applying to judge. The Canadian Kennel Club does this too, but with one important difference. Under the American Kennel Club procedure the written test is not supervised and the candidate, in answering it, can surround himself with the written Standards, with dog show rules and any other written aid he requires."

"In Canada the written test is supervised and the candidate can refer to no written authority. To pass the exam he

must have the answers in his head. Therefore I would say the Canadian written test is much more severe."

I had to agree with that.

"Go on," I suggested.

"Finally," The Old Timer continued, "with the written test passed successfully, United States procedures require that the candidate serve an apprenticeship under three judges. Canada doesn't require this but does require something the U.S. system does not. The candidate must sit, in Canada, for an oral examination and stand up under the questioning of a group of knowledgeable dog men, expert in the breeds he is seeking to judge. And he doesn't have any written aids to help him out, although his questioners have access to the Standard to help them phrase tricky questions."

"But surely the apprenticeship system has value," I argued.

"It has value, yes," the Old Timer agreed, "but I think its greatest is that it gives the candidate ring experience. I apprenticed under six or seven judges. Only two or three of those gave me an opportunity to go over the dogs and only two or three discussed their placings with me. As far as the others were concerned I was just a bit of ring furniture. In my book the oral exam is much better proof of knowledge than the apprenticeship system."

"So you think our licenses, at least those under the present system, should be recognized by the American Kennel Club," I said.

"Exactly that — or else The Canadian Kennel Club should take steps to have American judges wanting to judge in Canada take their license in Canada under Canadian procedure in the same way Canadians now have to take it in the United States."

"Oh, I admit, that in the old days, when we had no method of establishing competence, that the United States had every reason to look askance at Judges licensed in Canada. But now we have a system — and I repeat — the equal or superior to that in the U.S. With that system I think judging privileges should be a two-way street and failing that, then the C.K.C. should erect a detour sign that would take American licensed judges through the Canadian examining procedure."

BREEDER OF CHAMPIONS!

5 CHAMPIONS ALL CONDITIONED WITH ZEV

Mrs. Mary Matchett, Myia Kennels, Highland Creek, Ontario, heartily recommends

ZEV

for keeping dogs in show condition at all times. This well-known dog expert breeds both Afghans and Keeshonds, also boards a great number of pets, exhibits both in Canada and the U.S.A., including Madison Square Gardens. She writes as follows:

"I am glad to have the opportunity to talk about ZEV as I have used this product for just on ten years. ZEV is wonderful for all respiratory infections. Stubborn coughs which have plagued your dogs for weeks can be terminated within three or four days with regular treatment of ZEV.

Another great feature of ZEV is the easy way in which you can worm your dogs, without fasting or purging, and it never fails to expel all types of parasites and intestinal worms, including the tape. At the same time, it picks up faded appetites and puts your dog in top show condition.

I am so convinced of the great merit of ZEV that I have printed on my Canadian business cards the following statement:—

'All animals boarded at Myia Kennels are conditioned, wormed and protected against distemper or other infection by ZEV.'

I have in my Kennels approximately 100 pets at all times, so I have had many opportunities to test the unquestionable merit of this product."

BOW DOG SHOWS, 9999 BROADSTREET, DETROIT 4, MICH.

Lady Florence Conyers with vivacious BIS winner English, American and Bermuda Ch. Pixietown Serenade of Hadleigh, who captured two CNE shows.

Appearing well aware of his BIS win (third show) the Boxer, Ch. Standfast of Blossomlea, home-bred, poses with owner, Miss Jean Grant of Blossomlea.

BERMUDA DOG EARNS 17th BIS AT C.N.E. SHOWS

Dogs and people sweltered, storms drenched ferris wheel riders, electricity blew, but the Canadian National Exhibition Shows went on, opening and closing with admirable precision. Top quality dogs gave judges some difficult moments.

The Canadian National Exhibition shows, while not blessed with a particularly good entry, nor with the anticipated spectators, provided plenty of excitement in the final group judging each night and in the selection of Best in Show.

The exquisite Pomeranian, English, American and Bermuda Ch. Pixietown Serenade of Hadleigh, owned by Lady Florence Conyers of Bermuda and Mrs. Ruth H. Bellick, was the star of the show, taking BIS two out of the three shows. This made "Robbie's" 17th Best in Show, including two in Bermuda.

In the first show, an 11-month-old Beagle puppy, Ch. Fordene's Smoke of Dawn, owned by Mr. William H. Ford of Lavern, Ont., pranced away with top place in the competitive Hound Group.

In the third show, the judging in its final moments was tense, with Judge Reg. Sparkes appearing to have his eye on two contenders, but in a sudden movement proclaimed Miss Jean Grant's Boxer, Ch. Standfast of Blossomlea, owner-bred, as Top Dog. The show was well run and classes were kept on

time within minutes. But it must have been disappointing for management, competitors and spectators alike. Largest entries came on Labor Day for the third Show, but these were not great.

Possibly much benefit was lost when, during the luncheon and dinner hour, the benches held a minimum of dogs, and the rings were empty. As is discussed elsewhere in this issue, this would have been the time for a demonstration — something to keep spectators interested until the judging resumed. Many individuals were disappointed at the lack of action during these hours.

In actual numbers Boxers led the field with 30 entered; American Cocker Spaniels followed with 23 and Bulldogs with 21. Boston Terriers, Labrador Retrievers and Miniature Poodles tied with 18.

Among the popular breeds noticeably missing: English Setters (1 entered), Irish Setters (2), English Cocker Spaniels (1), English Springer Spaniels

RESEARCH

and the distemper vaccination problem

by HADLEY C. STEPHENSON

For ten years, since 1950, we have had a live attenuated egg adapted distemper vaccine available for use. We still have available, as then, the killed type vaccine. In addition a live ferret adapted distemper vaccine has been used.

The Cornell Research Laboratory for Diseases of Dogs has been concerned with improving the results following the use of the live egg adapted type because it offers prospects of being the best of the vaccines. It cannot produce illness, it can produce long lasting immunity, it can be standardized for efficiency.

The major problem has been: Why the failures to immunize?

To start with we established a disease-free colony of dogs, a major accomplishment. From this colony we obtained puppies that did not have distemper, that could not have had distemper. When we placed them in our isolation study units we then knew that the vaccines we used would be the only thing that was affecting these puppies.

We developed a test to determine the amount or level of immunity produced by this type of vaccine, by any other type of vaccine, as well as by the disease itself. We found that this vaccine could produce immunity in over 98% of the disease-free puppies tested. These results are nearly perfect.

Then why does it result in the production of only around 75% immunity when in general use?

We found that the general run of dogs were not as ideal dogs for vaccination as were the disease-free puppies.

A study of puppies from immune mothers, using the test we devised, revealed that they had received immunity to distemper from their mothers of varying amounts which lasted for varying lengths of time. Vaccination of these puppies could not be accomplished, neither could they be given distemper. They couldn't be given distemper until they lost this immunity and were ready to catch distemper.

By using the test we first determined the level of immunity of the bitch. We then found out by testing the puppies that within 48 hours of birth they had the same level of immunity as their mothers. We also found that almost all of the puppies' immunity was received through the colostrum or first milk and only a very small amount was passed to them while they were still in their mother's womb. Most of this colostrum or first milk immunity is passed in the first eight hours of life, none after the puppies are one day old. The antibodies are not absorbed from the intestines after the puppies are one day old, even

if the colostrum is still high in antibodies.

These antibodies in the puppy are not self-perpetuating, they disappear at the rate of 44% a week. By blood testing the bitch we can tell how much immunity the puppy has, if it suckles, and thus predict when it will lose that immunity and become an ideal or perfect dog for either catching distemper or for vaccination. These puppies are then just as perfect specimens for vaccination as our disease-free puppies.

By using this test for immunity we have taken the guess-work out of vaccination.

At the same time this work of determining the level of immunity was going on, the vaccine itself was being studied to see how it could be improved. Today we can measure the amount of actual virus that is present in a dose of vaccine. By studying the effects of vaccines containing different amounts of attenuated virus we found the minimum amount and the optimum amount of virus needed to vaccinate all perfect dogs. All of this information is available and is being used by all of the producers of vaccine.

Now let us see what happens when the best possible vaccine is used to vaccinate dogs under ordinary conditions.

If you vaccinate all puppies at nine weeks of age using this so-called perfect vaccine only 85% will become immune. Less than 85% will become immune when puppies younger than nine weeks are vaccinated. More than 85% will become immune if vaccinated when older than nine weeks. This maternal immunity is so high in some puppies (from four to eight percent of the litters) that it will interfere with vaccination until they are over 4 months of age. A border-

line-immune bitch may pass on to her puppies only enough immunity to last one or two weeks. At that time they can catch distemper or be vaccinated.

If puppies are vaccinated with this so-called perfect vaccine at nine weeks, they then should be revaccinated at four months so as to immunize any puppies that could not develop immunity when vaccinated earlier.

In everyday conditions we are confronted with a number of variables. All lots of vaccine may not contain the optimum amount of vaccine virus at the time of use, all dogs are not perfect or ideal dogs for vaccination. Today the immunity blood test indicates that all of the vaccines used result in immunity for 75% of the dogs receiving the vaccines. A very good overall result is obtained as illustrated by the accompanying chart, which shows a theoretical distribution of dogs still susceptible to distemper after vaccination.

If a puppy in area "C" section "1" caught distemper it would be possible for puppies in areas "C" and "D" section "2" and in area "B" section "3" to also catch distemper. It probably would not spread to the other sections at that time. However, all of the susceptible puppies in the other sections could catch distemper at some future date if they were not revaccinated. This failure to vaccinate using the best vaccines available indicates that only 75% of our dogs are really ideal candidates for vaccination.

There is another reason for revaccination besides failure of the first vaccination. Even the ideal vaccines are not 100% perfect. These vaccines do not produce life-long immunity. No vaccine is followed by as long-lasting immunity as is produced by the disease. Since 1956 we have been studying the duration of immunity produced by the different vaccines.

The killed vaccines, if given in two or three doses, will produce immunity of six months duration. However, if the dogs receiving this type of vaccine make actual contact with distemper when the immunity produced is very low they will receive a boost in their immunity. This, of course, leaves everything to chance.

The immunity produced by the live attenuated vaccines will last over one year in 70% of the puppies. Our studies reveal, using the blood test that we developed, that even when we used the perfect vaccines on the perfect puppies, 30% needed revaccination after one year.

The situation today is this. To increase the effective use of our vaccines we need to make use of our ability to determine when a puppy is ready for vaccination and to repeat that vaccination annually.

BUY A GOOD

by ALICE

Years ago the late Walter Levis wrote some of the finest articles on Chows that were ever published and one of his most famous concerned the best way for a beginning breeder to make a successful start in breeding top Chows. He entitled his article, "Buy a Good *Red Bitch*" and he proceeded to tell why a red bitch rather than a black or a blue. Much which Mr. Levis wrote concerning the novice's chance for success in breeding good Chows, if he started with a good red bitch, can be paraphrased for the beginning breeder in Boxers, with the statement "Buy a Good *Brindle Bitch*."

Geneticists are not sure just what genes are linked to those of color but that some of them are, is undoubted. In many breeds where color variation exists, it is noted that certain virtues or faults will go hand in hand with some one of the colors though they are generally lacking in others.

In Boxers experienced breeders are in-

BALANCE IN

by JIM

The other day I heard one of my favorite songs played by an unknown orchestra. I recognized the tune immediately of course and settled back for 90 seconds of pleasurable listening. However, after the first few bars I got a distinct feeling something was wrong and by the time the record was over I was thoroughly disgusted that any musician would do to "my song" what had just been done.

Normally, when something like this happens you just erase it from your mind and go about thinking of something else. But in this case I was so irritated that I found myself trying to analyze the problem. And the answer I arrived at got me to thinking about dogs in general and Boxers in particular.

For a tender ballad, there was too much brass and the drums were too loud. In other words the orchestration, to my mind, was out of balance and the final result was distasteful. This question of balance applies to everything we hear, see, taste, smell or feel. And I consider it to be the prime consideration when attempting to evaluate the quality of a

dog.

that certain characteristics are more frequently in the fawns. These include length of leg and more grace and elegance. Phrased another way, I say that there is less color in the brindles.

For German pedigrees, it is clear that the early breeders had a preference for the desirability of consistency in their planned breeding. A terrific number of the champions were brindles — our pillars of the breed. Lustig and Utz were brindles. Lustig and Utz were brindles. Brindle to brindle mated to brindle.

Brindle gives one more than does a fawn. Your choice of either a fawn or a brindle, probably will, give you a brindle offspring but if you mated to a fawn, will give

you nothing but fawn. Keep your fawn to fawn breeding up for a few generations and watch your rich color fade.

When it comes to showing, the owner of a good brindle bitch need not worry. At least four times as many fawns as brindles are registered and this can be taken as a rough index as to how the two colors stack up, proportionally in entries at the shows. Yet, in spite of the fact that so many more fawns than brindles are exhibited, the number of fawn and brindle champions which finish come close to being even.

It must be remembered that in this article we are dealing with an over-all picture — not with individual specimens. For every great brindle which the breed can boast of there is a great fawn but breeding is to some extent a gamble and in gambling it is wise to get the best possible odds and we believe a good brindle bitch gives the beginning breeder just such odds. ■

all see alike. What I see in a beautiful flower, you see in an ugly weed. What I see in a perfume, you might see in a smell. What I consider a beauty, you might spurn as a defect. Therefore, unless we agree on the basis by which to judge, it is unlikely that any two of us will be able to agree.

We have such a measure of Standards, and if you follow them you will achieve balance (or proportion). For example, in The Book, official publication of the American Kennel Club, under the heading for Boxers, it says in describing the Boxer, the first fault mentioned is general appearance of substance to eliminate desired proportions of individual parts of the body.

to correct faults — to achieve a "perfect dog" — I believe breeders lose sight of the

fact that a good dog must be a *balanced* dog. They work for years to get the "perfect" head and end up with a body that doesn't go with it. They in-breed, out-breed, cross-breed and what-have-you-breed to get a good top-line and forget the legs that must carry it. They become "bugs" on movement, forgetting that the Boxer must be a good-looking dog as well as a good-working dog.

The best Boxer head I have ever seen was mounted on a short, squat neck and carried by a body that was neither elegant to look at nor capable of efficient movement. The best moving Boxer I have ever seen, on the other hand, had a head that would have looked better on a Great Dane.

And the best Boxer I have ever seen could score no more than 85% in anyone's book for head, body or movement but his component parts were in perfect balance with each other. The result: A proud and noble dog, built to withstand the most strenuous mechanical effort, assembled as a complete and harmonious whole. ■

MOTOR CITY SPECIALTY CLUB

Once again Detroit will be host to America's largest combined specialty show held annually at the Detroit Artillery Armory, 15000 West Eight Mile Road, Oak Park, Michigan on Sunday, November 26, presented by the Motor City Specialty Clubs Association.

This event, staged by eight breed clubs and an Obedience club, outdraws many all-breed events. Last year's show drew a total of 917 entries. Each club has the management or running of its show. There are no Best in Show winners nor any Group judging; in reality it is nine shows in one.

This year's roster includes top judges from all sections of the country: John J. Brett, Milwaukee, Wisc., Collies; John A. Lindeman, Munster, Ind., Collie Sweepstakes; Mrs. Virginia McCoy Vaughn, Allegan, Mich., German Shepherds; Mrs. Nellie Anderson, Hoffman N.Y., Boxers; Richard Trubee, Dayton, Ohio, Sweepstakes; Mrs. Betty Hyslop, Brockville, Great Danes; William Stark, Chicago, Dachshunds; Walter Hildebrand, Toledo Ohio, Sweepstakes; Denver Dale Jr., Oxnard, Calif., Doberman Pinschers; Mrs. Leone Brown Kelley, Anderson, Ind., will judge Bostons and Chihuahuas.

Four judges will work in the Obedience rings: C. W. Bliss, Cleveland, Ohio, Novice "A"; Robert Pitts, St. Louis, Mo., Novice "B" and Open "A"; Harry Lewenback, Chicago, Open "B"; E. W. Averill, Fairfield, Iowa, Grad. Novice, Utility.

Due to the fact that many handlers will be attending this show and will have other dogs not entered at this specialty, a special room has been set up for all dogs in transit to be admitted.

A warm invitation is extended by the Boston Terrier Club of Detroit, whose specialty is being held in conjunction with this big show. The Detroit Boston Terrier Club is offering a free dinner ticket for each entry received. In addition to a bountiful premium list a cash prize of \$50 for Best of Breed is being offered if 50 or more dogs are entered. ■

KERRY BLUE TERRIER SURVEY

Groundwork for appraisal of Kerries will aid other breeds.

Kerry Blue breeders in the vicinity of Toronto recently held a Kerry Clinic at the home of Dennis and Catherine Gardiner, Kerrycroft Kennels, Orono.

The prime object was to find out if it were possible to establish a means of type appraisal, type evaluation and type classification of the Kerries with the idea of having permanent records of conformation.

Five judges went over each dog. To further the degree of objectivity, the dogs were not necessarily handled by their owners. The dogs were numbered and names were not given.

The project was also undertaken to try to solve some of the queries: Why did that dog win? What's wrong with my dog? Where can we find a stud? At the Sportsmen's Show breeders set up a form from the Standard with the aid of Dr. Wilfrid E. Shute. Mrs. D. T. Weir, who is vitally interested in this type of judging, also contributed valuable aid.

As there are not too many breeders locally, forms were sent to many of the older American breeders and judges. Dr. Edward Montgomery and Mr. Bill Fox of Foxhill Kennels in California sent excellent ideas. Mr. Botho Lilienthal of Boliva Kennels, Connecticut, who had planned to judge but was hospitalized, sent telegrams of encouragement. Mrs. Gladys Titcomb added her experience in judging and raising Kerries. George and Glad Davies sent suggestions and regrets that they were in the Maritimes and could not attend. With all this information and under the guiding hands of Mrs. Weir and Bay Meyers, who pioneered Obedience and Obedience Clinics, the Kerry Clinic was launched.

Judges were Mr. and Mrs. John Paton, Mrs. W. Gottschalk, Mrs. Dorothea Daniell-Jenkins and Mrs. Weir. They had secretaries: Mrs. Mary Thomas, Mrs. Barbara Pirrie, Mrs. Betty McHugh, Mrs. Helen Lang, Miss Mary Jane Weir. Kennels represented were: Prof. Campbell, Kingteann Kennels; Ruth Robinson, Billiblu Kennels; Betty Golby, Florian Kennels; Helen and Jack Lang, Hi Roger Kennels; Ursula Floeter, and Marilyn Mills, Hemlock Hills Kennels; Guy DePelteau, Montreal and Kerrycroft Kennels.

About 50 people attended the clinic, including Messrs. Walter Brown, The Canadian Kennel Club President; W. A. MacCallum, CKC Director and Bill Monaghan, CKC Director, Ottawa. During a discussion under the latter's direction, judges gave their reasons for marking as they did. It was amazing how uniform the judging was.

The success of this clinic has proven that a conformation record is possible and the group have immediately started to improve on their ideas. When these dogs are dead and a new generation of breeders tries to breed top-winning dogs they will have the conformation records of these dogs to help them.

Congratulations are in order for these breeders who were courageous enough to bring their dogs to have their virtues and faults made public knowledge, and the judges whose knowledge and ability was available:

Your ideas on the subject of breeder clinics may be sent to Kerrycroft Kennels, Orono, or to this magazine. ■

Why don't those judges hurry up and tell us what they really think of us? These Kerries await results with patient interest.

10 MM 30. MISCELLANEOUS MEMBERSHIP MATTERS

SUBJECT: A request received from Mr. Okill Stuart, who had paid associate membership fees for the years 1959, 1960, and 1961, that his present associate membership be altered to Mr. & Mrs. Okill Stuart without affecting the right of the membership, as thus altered, to apply for ordinary membership on January 1, 1962.
DISCUSSION: A discussion followed on the setting of a policy to govern the handling of requests for change of membership.

MOTION #258-61

Moved by Mr. Monaghan, seconded by Mr. MacKendrick:

"THAT, notwithstanding any rulings to the contrary, if an associate member wishes to amend his or her individual associate membership by taking his or her spouse into his or her membership, he or she may do so, subject to the approval of the Board, without prejudice to the right of the associate membership, as thus amended, to apply for ordinary membership at the time the individual would be eligible to apply for ordinary membership; however, in the case of an associate member wishing to take into partnership a person other than his or her spouse, such change is permissible, subject to the approval of the Board, but in such case the membership, as thus amended, must be an associate member for three years before being eligible to apply for ordinary membership."

AMENDMENT TO MOTION #258-61

Moved by Mrs. Southcott, seconded by Mr. MacCallum:

"THAT, notwithstanding any rulings to the contrary, if an associate member wishes to amend his or her individual associate membership by taking any member of his or her immediate family into his or her membership, he or she may do so, subject to the approval of the Board, without prejudice to the right of the associate membership, as thus amended, to apply for ordinary membership at the time the individual would be eligible to apply for ordinary membership; however, in the case of an associate member wishing to take into partnership a person other than a member of his or her immediate family, such change is permissible, subject to the approval of the Board, but in such case the membership, as thus amended, must be an associate member for three years before being eligible to apply for ordinary membership."

- (2) Mr. & Mrs. D. Dykes, Edmonton, wished to transfer their associate partnership membership to their son, Robert Dykes, Jr.

DISCUSSION: A discussion followed on the advisability of appointing a "Membership Committee" for the purpose of considering these and other questions relating to membership, and submitting reports and recommendations to the Board from time to time.

MOTION #260-61

-----Mrs. Pamela B. Mack entered the meeting.

SUBJECT: Consideration of possible follow-up steps to the Secretary's earlier representations to The American Kennel Club with regard to mutual recognition of judges approved by either Club.

SUBJECT: Mr. Gratton referred to the present provisions of Chapter 7 of the Dog Show Rules and:

- (1) stated that before the end of the year he would provide the Board with statistical data showing the inconsistency of judging at shows in his area;
- (2) stated that very few fanciers in his area are prepared to seek to establish their eligibility to judge under the present Chapter 7 of the Dog Show Rules;
- (3) stated that with but two all-breed judges in his area and the present limitation on the number of assignments per judge in a given area, it was necessary for most show-giving clubs in his area to employ, at not inconsiderable expense, the services of judges from other areas;
- (4) expressed the opinion that the basis of determining a person's ability to judge be determined by his or her experience, and stated that under the present requirements it is possible for an applicant to memorize the standards yet he or she may not have the knowledge gained by experience with dogs to interpret a standard or apply it to a breed;
- (5) suggested that the Board consider taking steps to revise the present requirements for a person wishing to establish his eligibility to judge a breed or breeds.

-----It was agreed that this meeting would continue to 9:30 p.m. with luncheon intermission between 12:30 p.m. and 1:45 p.m. and dinner intermission between 6:00 p.m. and 7:30 p.m.

-----Luncheon intermission.

11 D 10. JUDGES' CONFIDENTIAL CRITIQUES

REPORT: A report was placed before the Board which:

- (1) indicated that up to the time of the last check critique books had been received for all shows up to July 25th;
- (2) reported the critiques varied in text, some judges having submitted critiques in considerable detail;
- (3) stressed the need for additional instructions to officiating judges in order to obtain greater uniformity in the critiques;
- (4) indicated that letters received from officiating judges since the Board's annual meeting in February were almost entirely in favour of a system of judges' critiques;
- (5) informed the Board of the steps being taken to re-arrange the critiques in order that all critiques on each dog would be collated for filing and analysis purposes.

DISCUSSION: During a discussion which followed it was suggested that the Board should publicize its reasons, enumerated hereunder, for instituting a system of judges' confidential critiques:

- (1) to enable the Board to decide whether a system of publication of judges' critiques is practical and desirable;
- (2) to enable the Board to deal more effectively with complaints with regard to the work of officiating judges;
- (3) to enable the Board to assess the degree and incidence of inconsistencies in the work of officiating judges;
- (4) to enable the Board to assess the present system of allocating championships and the quality of dogs to which championship status is granted, and to assist in determining what steps (if any) should be taken to alter the present system of allocating championships;
- (5) to enable the Board to investigate the calibre of critiques submitted for possible genetic studies;
- (6) to enable the Board to establish a criteria for new aspirants for judging privileges;
- (7) to enable the Board to investigate the possibilities of grading dogs in Canada.

MOTION #265-61

Moved by Mr. Williams, seconded by Mr. Little:

"THAT, the Secretary be instructed to write a statement for 'Dogs in Canada' outlining the aims and objects of the critique."

"THAT, the Committee continue to review the critiques submitted in 1961 with a view to a report being placed before the 1962 annual meeting of the Board setting forth their findings and recommendations including an analysis of the critiques on dogs which attained championship status in 1961."

FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.
AGAINST THE MOTION: Mr. MacKendrick.
ABSENT: Dr. Williams.

Motion carried.

11 D 1. JUDGES

SUBJECT: Mr. Williams:

- (1) stated that under the present Chapter 7 of the Dog Show Rules a resident of Canada, regardless of his previous experience as a breeder and exhibitor, must follow the procedure outlined in that chapter (i. e., written and oral examinations, etc.) in order to establish his eligibility to judge a given breed or breeds if he had not previously established his eligibility according to Chapter 7; yet the list of judges distributed by the Club includes a number who have not at any time taken an examination of any kind but simply established their eligibility as a result of a limited number of judging engagements prior to the enactment of the present Chapter 7;
- (2) suggested that the Board consider ways and means of re-assessing the eligibility of those whose names appear on such a list but who have not established their eligibility by means of written and/or oral examinations.

-----Mr. MacCallum in the Chair.

DISCUSSION: A discussion followed on the ways and means of making the re-assessment suggested by Mr. Williams.

MOTION #268-61

Moved by Mr. Williams, seconded by Mr. Dawson:

"THAT, each show secretary notify each officiating judge of the breed or breeds which he or she will be called upon to judge."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.

11 D 23. PREMIUM LISTS

which would carry announcements, notices, information, etc. which the Board has from time to time ordered be included in premium lists.

11 D 25. DATES

SUBJECT:

- (1) the Secretary's report on the steps taken which led to the approval given the applications of the Working Dog Association of B. C. to hold all-breed championship shows on September 5th & 6th, 1961;
- (2) Mrs. Southcott's notice of motion to rescind resolution #348-60;
- (3) possible confirmation of the tentative policy (resolution #217-61) set by the "quorum Board" at its meeting on April 17th, 1961, pending further consideration of policies to govern the granting of show dates to specialty clubs.

DISCUSSION: During a discussion which followed:

- (1) Mrs. Southcott expressed the view that had voting members understood the Board's interpretation of the new rule (Chapter 3, Section 3) limiting the breeds at specialty shows, approval of the amendment would not likely have been forthcoming on the last referendum ballot;
- (2) Mr. Williams stated that Mr. Irving was anxious that the Board be informed as to the source of the information which he had previously given the Board with regard to the aims and objects of the Working Dog Association of B. C. according to that Association's Constitution, and read a letter addressed to Mr. Irving by Mr. Darts, President of the Association;
- (3) Mr. Monaghan pointed out that:
 - (a) although the Board may rescind resolution #348-60 it has no bearing on the amendment to Chapter 3, Section 3 of the Dog Show Rules which amendment was approved on the last referendum ballot by an affirmative vote of 85% of the members who voted on the amendment;
 - (b) it was a unanimous vote of the Board, at its last semi-annual meeting, that the amendment be included on the 1960 referendum ballot.

MOTION #271-61

Moved by Mrs. Southcott, seconded by Mr. MacKendrick:

"THAT, resolution #348-60, reading as follows:

11 D 34. CHAMPIONS AND CHAMPIONSHIP POINT RATINGS

SUBJECT: A question raised by Mrs. Valerie McMillin as to whether her Boxer male VALMAX GUARDSMAN, awarded Best of Winners at the Moncton Kennel Club show on May 22nd, 1961, should be credited with two championship points, rather than one point, by reason of having defeated the Winners Female who, having defeated a "Specials Only" female for Best of Opposite Sex, had increased her championship points from one to two.

DISCUSSION: During a discussion which followed it was agreed that the Winners Male, having defeated the Winners Female for Best of Winners, could hardly be credited with less points than the Winners Female. It was agreed that this problem, and others of a similar nature had been created by reason of the award of Best of Opposite Sex, and such problems would not have arisen had there been no Best of Opposite Sex award, moreover show-giving clubs are put to considerable expense in providing ribbons for this award which, in many cases, has little or no value to the winners.

MOTION #278-61

Moved by Mr. Williams, seconded by Mr. Blyth:

"THAT, the Winners Male be credited with two points."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.

ABSENT: Mr. Gratton, Mr. MacKendrick, Dr. Williams.

AGAINST THE MOTION: Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Little.

ABSENT: Mr. Gratton, Mr. MacKendrick, Dr. Williams.

Motion carried.

-----Dinner intermission.

When the meeting resumed the President announced that Mr. MacCallum would be absent having been invited to meet with Markham Township Council to discuss the subject of kennel licenses.

SUBJECT: The report (dated Jan. 16, 1961) of a Special Committee, the report having been presented at the annual meeting of the Board and referred to this meeting for consideration.

MOTION #280-61

Moved by Mr. Anderson, seconded by Mr. Little:

"THAT, the report be accepted for discussion."

FOR THE MOTION: Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mr. Gratton, Mr. Little, Mr. Monaghan.

ABSENT: Mr. MacCallum, Mrs. Gove, Mrs. Mack, Mr.

MacKendrick, Mrs. Southcott, Dr. Williams.

Motion carried.

-----Dr. C. M. Robert Williams entered the meeting.

-----Mr. Williams in the Chair.

DISCUSSION: During a discussion which followed Mr. Williams suggested that in developing, for the Board's consideration, a new system of allocating championships, the Committee consider the judges' confidential critiques received during 1961, more particularly as such critiques deal with dogs to which championship status was granted during the year.

MOTION #281-61

Moved by Mr. Little, seconded by Mr. Gratton:

"THAT, this remain with the Committee for further consideration."

FOR THE MOTION: Mr. Brown, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott, Dr. Williams.

ABSENT: Mr. MacCallum, Mr. MacKendrick.

Motion carried.

REPORT: The Board was informed that:

- (1) when entering their Newfoundland ROMY V. D. SCHURZ at the Moncton Kennel Club show held on August 12th, 1961, Mr. & Mrs. R. W. Nutbeam had entered the dog in the Open Class;
- (2) the printed catalogue for the show indicated that the dog had been entered in the Open Class, and the judge's book had been prepared showing the entry in the Open Class;
- (3) at the show the dog was awarded Best of Breed only;

- (4) the owners of the dog had pointed out that they had correctly entered the dog in the Open Class, and had requested that the dog be credited with award of first in the Open Class, Winners, and one championship point.

MOTION #282-61

Moved by Mr. Brown, seconded by Mr. Dawson:

"THAT, having regard for the fact that it was not an error on the part of the judge, the dog be credited with first in the Open Class, Winners, Best of Breed, and one championship point."

FOR THE MOTION: Mr. Brown, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott, Dr. Williams.

ABSENT: Mr. MacCallum, Mr. MacKendrick.

Motion carried.

11 D 37. PRIZES AND MEDALS

REPORT: The Board was informed that the Board, at its quorum Board meeting on June 5th, had decided, subject to confirmation by the national Board at this meeting, that the higher awards at other than all-breed championship shows should be specifically identified; for example:

- (a) in the case of a Dachshund specialty show a prize may be offered for "Best Dachshund in Specialty Show", "Best Canadian-bred Dachshund in Specialty Show", and "Best Canadian-bred Puppy Dachshund in Specialty Show";
- (b) in the case of a specialty show for sled dogs, prizes may be offered for "Best Sled Dog in Specialty Show", "Best Canadian-bred Sled Dog in Specialty Show", etc.;
- (c) in the case of a specialty show for a Group (say Group #4), prizes may be offered for "Best in Group #4 Specialty Show", etc.

The Board was informed that in making this ruling the quorum Board felt that it is misleading for the best dog at a specialty show to be designated as "Best in Show", a term generally understood to apply only to championship shows for all breeds.

MOTION #283-61

Moved by Mr. Monaghan, seconded by Mrs. Mack:

"THAT, this interpretation be confirmed and placed in the Book of Standing Resolutions."

FOR THE MOTION: Mr. Brown, Mr. Anderson, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott, Dr. Williams.

AGAINST THE MOTION: Mr. Blyth.

ABSENT: Mr. MacCallum, Mr. MacKendrick.

Motion carried.

ACTION: The Secretary was instructed to point out to clubs conducting specialty championship shows that if, for purposes of photography, placards are employed to identify the dogs receiving the higher awards, then such placards must clearly identify the nature of the awards, and placards such as "Best in Show", "Best Canadian-bred in Show", and "Best Canadian-bred Puppy in Show" must not be employed at specialty championship shows.

REPORT: The Board was informed that delivery had been made, up to and including those offered for 1960, of the medals offered annually by the Club, but considerable difficulty had been experienced in obtaining these medals for the reason that the company which had manufactured these medals for the Club had gone out of business and it had not been possible to locate the dies employed in the making of the medals.

DISCUSSION: During a discussion which followed it was pointed out that to win either of the two medals offered by the Club a dog would have to be campaigned rather extensively, and this fact restricted the number of exhibitors whose dogs may win the medals.

MOTION #284-61

Moved by Mrs. Mack, seconded by Mr. Brown:

"THAT, these medals be discontinued."

FOR THE MOTION: Mr. Brown, Mr. Blyth, Mrs. Mack, Mrs. Southcott.

AGAINST THE MOTION: Mr. Anderson, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mr. Monaghan, Dr. Williams.

ABSENT: Mr. MacCallum, Mr. MacKendrick.

Motion lost.

DISCUSSION: Dr. Williams suggested that in order to overcome the point raised in the previous discussion, the terms of offering be altered to a zonal basis along the same lines as laid down for trophies offered by a commercial dog food company.

MOTION #285-61

Moved by Dr. Williams, seconded by Mr. Anderson:

"THAT, a medal (or suitable substitute) be offered for each of the following awards, in each of the four zones enumerated hereunder:

- (1) to the member of The Canadian Kennel Club whose dog won the most Best in Show awards at all-breed championship shows held, within the calendar year, in the zone in which the owner of the dog resides;
- (2) to the member of The Canadian Kennel Club whose dog won the most Best Canadian-bred in Show awards at all-breed championship shows held, within the calendar year, in the zone in which the owner of the dog resides;

ZONES: (1) British Columbia; (2) Alberta, Saskatchewan, Manitoba, and the Lakehead area; (3) Ontario (excluding the Lakehead area) and Quebec; (4) New Brunswick, Newfoundland, Nova Scotia, and Prince Edward Island; this policy to be effective from January 1st, 1962."

FOR THE MOTION: Mr. Brown, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott, Dr. Williams.

AGAINST THE MOTION: Mr. Gratton.

ABSENT: Mr. MacCallum, Mr. MacKendrick.

Motion carried.

SUBJECT: A letter from Mr. Marvin G. Wallis, Alexandria, Va., drawing attention to the fact that the certificates offered by the Club for general specials at all-breed championship shows are restricted to Canadian-bred dogs, yet the certificate offered by the Club for highest scoring dog at a licensed obedience trial held under the Club's rules is not restricted to Canadian-bred dogs.

ABSTAINED FROM VOTING: Mr. MacCallum, Mr. MacKendrick.
ABSENT: Dr. Williams.

Motion carried.

11 D 46. RIBBONS

SUBJECT: Mrs. Gove referred to previous discussions at Board meetings with regard to special arrangements whereby show-giving clubs could obtain ribbons, at lower cost, from The Canadian Kennel Club, and suggested that this plan be developed in order that show-giving clubs might take advantage of the economy that could be effected.

DISCUSSION: During a discussion which followed Mr. MacCallum stated that he had distributed information on this possible program to a number of show-giving clubs but the matter had been dropped because of apparent lack of interest.

The Board discussed a number of possible methods of showing the required information on ribbons in such a way that ribbons could be printed in mass quantities. It was agreed that any plan which might be instituted, after appropriate information had been given all show-giving clubs, would be on an optional basis whereby each show-giving club would be free to obtain its ribbons from any source which it preferred.

MOTION #295-61

OBEDIENCE TRIALS

12 OB 8. REPORT OF CHAIRMAN OF OBEDIENCE COUNCIL

REPORT: The Chairman of the Obedience Council (Mrs. Mary Southcott) reported that a request had been received from the Greater Victoria Dog Obedience Training Club that it be permitted to offer a red, white and blue rosette to the highest qualifying scoring dog at its licensed obedience trial, and reported that it would be the recommendation of the Chairman's Standing Committee that blue rosettes, bearing the word "Qualifying" and other required data, would be quite in order for the regular classes, that rosettes being offered as a special award(s) should be green, and be offered in the premium list as special prizes (e.g. highest scoring dog in trial; highest scoring German Shepherd Dog; highest scoring dog owned by a member of the --- Club, etc.)

DISCUSSION: During a discussion which followed it was agreed that, notwithstanding anything which might be placed on the ribbon to make very clear its nature, a red, white and blue ribbon or rosette might readily be taken as a Best of Breed ribbon won at a championship show under the Club's rules.

MOTION #296-61

Moved by Mr. Williams, seconded by Mr. MacCallum:

"THAT, we concur with the recommendation of the Chairman's Standing Committee."

FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.

ABSENT: Dr. Williams.

Motion carried.

SUBJECT: The Board was informed that at its annual meeting it had adopted a report, submitted by the Chairman of the Obedience Council, in which report there had been a recommendation that in order to earn titles of C.D., C.D.X., and U.D., a dog must receive qualifying scores under three different judges in British Columbia instead of the present two different judges, but no specific instruction had been given at the time that a proposed amendment to this effect be placed on a referendum ballot.

MOTION #297-61

Moved by Mrs. Southcott, seconded by Mrs. Mack:

"THAT, with a view to implementing the recommendation submitted by the Chairman of the Obedience Council, an appropriate proposed amendment be placed on the next referendum ballot."

FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.

ABSENT: Mr. Dawson, Dr. Williams.

Motion carried.

SUBJECT: A suggestion that the tracking test rules, when re-written by Cpl. Ian Hall and published as a proposed amendment, be divorced from the Obedience Trial Regulations and Standards, and treated as an entirely different type of competitive event.

DISCUSSION: During a discussion which followed it was agreed that a tracking test is a distinct type of competitive event, and that it would be more helpful to those participating in such events if the tracking test rules are published in a special booklet strictly for tracking tests.

MOTION #298-61

Moved by Mr. Williams, seconded by Mr. Dawson:

"THAT, at such time as complete tracking test rules and regulations are compiled, that a separate booklet be published and all reference to tracking tests be deleted from the Obedience Trial Regulations and Standards."

FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.

ABSENT: Dr. Williams.

Motion carried.

REPORT: The Chairman of the Obedience Council reported that, in accordance with the wishes of the Board, there had been drafted, for the Board's consideration, a proposed amendment to the Obedience Trial Regulations and Standards with regard to the submission to The Canadian

Kennel Club of returns required for the recording and publication of awards at licensed obedience trials and tracking tests, each member of the Board having been provided with a copy of the draft of the proposed amendment.

MOTION #299-61

Moved by Mr. Williams, seconded by Mr. Little:

"THAT, the proposed amendment submitted by the Chairman of the Obedience Council be included in the next referendum ballot."

FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.

ABSENT: Mr. Anderson, Dr. Williams.

Motion carried.

SUBJECT: The Board was informed that the Secretary had received and passed to the Chairman of the Obedience Council a request for information with regard to sanction obedience matches. The following letter (dated August 15th) which the Chairman of the Council had addressed to the Secretary was read:

"As you requested, I took the matter of Sanction Obedience Matches up with my Standing Committee at a recent meeting, and except for a few recommendations the feeling was that generally speaking a sanction match should be conducted pretty much as a licensed obedience trial, but the trial-giving club would not be required to distribute premium lists or make official returns to the C.K.C. office. The trial-giving club should apply for permission to hold such a match, but a date fee would not be required. Similarly, approval should be sought of the judge or judges selected to judge the match. Except for what are normally considered non-official classes, eligibility for the other classes would be what are prescribed in the Regulations for a licensed obedience trial. In Chapter 1, Section 13, rules are laid down for ribbons which may be given at a sanction obedience trial. The further recommendations that my Standing Committee make are as follows: that judges officiating at sanction obedience matches do not necessarily have to be officially approved judges of obedience trial (this is an excellent opportunity for those who are apprenticing to gain experience); that it be permissible for handlers to make corrections in the ring (since sanction matches are generally held in order to give exhibitors and dogs experience under trial conditions).

"It is understood that the above does not in any way apply to any but Sanction Obedience Matches, and would not govern "fun matches", graduating class trials held by training clubs, inter-club competition, etc. I would suggest that if the above is adopted as policy by the Board, that a leaflet be prepared and distributed to the Representatives and Trial-giving Clubs for their information."

MOTION #300-61

Moved by Mrs. Mack, seconded by Mrs. Gove:

"THAT, we approve the recommendations submitted by the Chairman of the Council."

FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott.

ABSENT: Mr. Anderson, Dr. Williams.

Motion carried.

REPORT: The Chairman of the Obedience Council submitted a report (dated August 18th), reading as follows:

A report having been made by the Chairman of the Obedience Council at the Board Meeting held on June 5th, 1961, this report will pertain only to obedience matters which have been dealt with since that time.

Letters of congratulations on well run Trials were sent to the following clubs: Forest City K.C., Perth County K.C., The German Shepherd Dog Club of Canada, Burlington & District K.C., Hub City K.C. of Saskatoon, St. Catharines & District K.C., Mountain City Obedience Club, Regina Kennel & Obedience Club, Kelowna & District K.C., Gateway City Obedience Training Club, River Valley Obedience & Field Trial Club, and where it was felt warranted, suggestions were made for improving on future obedience trials.

Regarding applicants wishing to establish their eligibility to judge obedience classes, the following recommendations are made:

Clarence Zimmerman, Edmonton, Alberta, having obtained over 75% on his written examinations, and in view of a favourable report from the examining committee, it is recommended that he be approved to apprentice for the Novice, Open and Utility Classes.

Mrs. Marion King, Winnipeg, Manitoba, having obtained over 75% on her written examination, and having regard for a favourable report from the examining committee, it is recommended that she be approved to apprentice for the Utility Class.

Mr. L. Shortreed, Vancouver, B.C., having obtained over 75% in his written examination for Novice and Open Classes as well as in his Initial examination, it is recommended that he be approved to apprentice for the Novice and Open Classes.

Vern Jackson, Hamilton, Ont., having completed his apprenticeship, and in view of favourable reports from the officiating judges under whom he apprenticed and a careful review of his judge's books, it is recommended that he be approved to judge the Novice, Open and Utility Classes.

Donald Foster, Hamilton, Ont., having completed his apprenticeship, and in view of favourable reports from the officiating judges under whom he apprenticed and a careful review of his judge's books, it is recommended that he be approved to judge the Novice, Open and Utility Classes.

William Dawson, Saskatoon, Sask., having completed his apprenticeship for the Novice and Open Classes, and in view of favourable reports from the officiating judges under whom he apprenticed and a careful review of his judge's books, it is recommended that he be approved to judge the Novice and Open Classes.

Since he apprenticed under only one judge for the Utility Class, his application will be considered to judge this class following completion of two more apprenticeships.

Donald B. Hudson, Victoria, B.C., having completed his apprenticeship for Tracking, and in view of a favourable report from the judges under whom he apprenticed and a careful review of his charts, it is recommended that he be approved to act as second judge at one Tracking Trial, after which consideration will be given to his being approved as a fully accredited judge of Tracking following a report from the "Senior" judge.

Mrs. Marguerite Charter having completed her apprenticeship, and in view of favourable reports from the officiating judges under whom she apprenticed and a careful review of her judge's books, it is recommended that she be approved to judge the Novice, Open and Utility Classes.

Miss Lois Burpee, Moncton, N. B., having obtained over 75% in her Initial and Novice written examinations, and having regard for the report from the examining committee it is recommended that she be approved to apprentice for the Novice Obedience Class.

A master set of 40 questions with the answers was compiled and submitted to the Secretary, from which 3 distinct sets of questions for the written examination on Tracking are to be made up, each set comprising 20 questions.

A letter of enquiry regarding Sanction Obedience Matches was referred from the Secretary to the Chairman's Standing Committee, and discussed at a recent meeting. A recommendation on this subject has been made in another report.

A mistake in the printing of the judge's books for the Utility Class was noted, and the Secretary asked to have it corrected.

At a recent meeting of the Chairman's Standing Committee, the matter of rosettes and special awards in the form of rosettes being offered at Obedience Trials was discussed, and a recommendation made in a separate report.

On June 30, 1961, a letter was sent out by the Chairman of the Obedience Council to all Obedience Representatives asking for opinions on certain matters pertaining to obedience, and also enclosing considerable data regarding the re-writing of the rules for Tracking Tests presently being undertaken by Cpl. Ian E. Hall of B. C., as well as specific rules and the exercises included in the recognized unofficial obedience classes. Cpl. Hall's report was also sent out to all approved judges of Tracking Tests in Canada, with the request that they contact Cpl. Hall if they had any suggestions to offer. Replies were received from all Obedience Representatives except Mrs. Rimmer (Saskatchewan), Mrs. Dempster (Quebec), and Mrs. Merrill (Nova Scotia & Newfoundland). Attached to this report is a copy of my letter and the data enclosed. The following is a summary of the replies:

1. All except one were definitely against dividing the Utility Class into "A" and "B" since they felt that by the time a competitor reached this class he should be able to compete with any professional handlers, and entries in this class do not warrant it. On the basis of the opinions received from the Obedience Representatives, I recommend that no consideration be given at this time to dividing the Utility Class.
2. Opinions on whether or not it should be mandatory for obedience classes to be judged first when a Trial is held in conjunction with a dog show and no separate ring provided, were varied. Two Representatives favoured the idea because of the time element and bitches in season being shown in the conformation classes. Four were against it because of impracticability, spectator appeal later in the day, and on general principles. Several, however, suggested that clubs should be required to plan their Trials to start early enough for judging to be completed at a reasonable hour and within the specified closing hour, and alternative suggestions were made that if separate ring(s) were not provided that the club be not permitted to hold an obedience trial in conjunction with their all-breed shows. In view of the varied opinions, I would like this matter discussed by the Board before making a recommendation.
3. Most of the Representatives are in favour of some type of Service Dog Class, but few concrete suggestions were offered. Since this is something which I feel will take a great deal of time and study, I recommend that a special committee be appointed to work on this matter and eventually present practical suggestions to Council. Any ideas presently on hand would, of course, be turned over to this committee for consideration.
4. All but one Representative were very definitely of the opinion that there should be no 12 inch minimum for the high jump and that no dog should be expected to jump more than 1-1/2 times its height at the withers. It is my recommendation that the rule be rewritten to clarify this.

I have been working on the revision of Chapter 1 of the Regulations and Standards for Obedience Trials, and find that it is going to be a complicated matter, involving some of the standing resolutions as well as many of the dog show rules. I feel that much further study and consideration should be given this subject before it is presented for referendum ballot, and it is my intention to confer with the Secretary in drawing up this revision, after which it will be sent to Council and finally presented to the Board.

The rules and exercises for the recognized unofficial classes appears to meet with the approval of Council but there seems to be a preference for the name "Pot Luck Class" rather than "Versatility", since the latter sounds too formal. I recommend that the rules and exercises for these recognized unofficial classes (Graduate Novice, Graduate Open, Pot Luck, Brace and Team) be made separate Standing Resolutions, and that clubs planning to hold such classes be provided with the rules relating to same. Perhaps these classes should be put into a proposed amendment in accordance with resolution #364-60. To date I have received no further word from Cpl. Hall regarding the re-writing of the Tracking Test rules, and comments I have received on this subject from the Representatives will be forwarded to him.

In closing I wish to mention the fact that during this first seven months of 1961, no complaints or protests pertaining to obedience have been made. This certainly speaks well for the progress being made in obedience, for the excellent conducting of Trials by the clubs, and for the calibre of our judges.

DISCUSSION: The Board discussed the recommendation included in the report, that a special committee be appointed to work on the proposal re a "Service Dog Class" and eventually present practical suggestions to the Obedience Council for consideration.

Motion carried.

DISCUSSION: The Board proceeded to discuss the report submitted by the Chairman of the Field Trial Council who recommended that the Board give consideration to the possibility of amending the By-laws to provide that amendments to the various running rules for field trials be handled by the Board following consultation with the Field Trial Council. During a discussion which followed the following points were considered:

- (a) while approximately 2,000 referendum ballots are mailed to voting members each year, only a fraction of those to whom ballots are mailed have any knowledge of or interest in field trial matters, and in the case of an amendment dealing with a specific type of field trial, only those interested in that particular type of field trial would have any interest in such proposed amendment;
- (b) the referendum ballot method of amending the Field Trial Rules is considered cumbersome and time-consuming and delays unduly necessary amendments to the Field Trial Rules;
- (c) interest and activity in field trials is increasing and if effective steps are to be taken quickly to meet outstanding and future problems in connection with field trials, a more expeditious method of changing the Field Trial Rules is desired.

It was agreed therefore that a proposed amendment should be included on the next referendum ballot with a view to determining whether voting members are prepared to give the Board the power to amend the Field Trial Rules and Regulations after consultation with the appropriate Field Trial Council.

MOTION #308-61

Moved by Mr. Blyth, seconded by Mr. Monaghan:

"THAT, appropriate proposed amendments be included in the next referendum ballot."

ACTION: The matter was ordered held over for a further report to the Board.

13 FT 36. DATES FOR FIELD TRIALS

REPORT: The Chairman of the Field Trial Council reported that in accordance with the Board's wishes, he had sought the views of all Field Trial Representatives on the question of a deadline for the submission to The Canadian Kennel Club of an application for permission to hold a licensed field trial under the Club's rules, and recommended that a minimum deadline of three months be set, on the understanding that a trial-giving club which, because of circumstances beyond its control, finds it necessary to alter the date of its trial may do so, up to one month in advance of the original date, without penalty.

- (2) The Canadian Kennel Club records and recognizes awards earned at a trial not held with its permission and under its rules.

- (1) when a licensed field trial is held with the permission of and under the Field Trial Rules and Regulations, such trial must conform in every respect to the Field Trial Rules and Regulations of The Canadian Kennel Club;
- (2) The Canadian Kennel Club does not record or recognize wins earned at a trial not held with its permission and under its Field Trial Rules and Regulations.

Following a luncheon intermission the meeting resumed with a discussion as to when this session should adjourn and the next session convene.

13 FT 28. FIELD TRIALS FOR RETRIEVING BREEDS

SUBJECT: Mr. Williams reported that the B. C. Amateur Field Trial Club had sought clarification of Section 3 of Chapter 10 of the new Field Trial Rules applicable to Retriever field trials, the Section in question reading:

"In stakes for Retrievers the order of running shall be decided by lot at the draw; dogs worked by the same person or belonging to the same owner being separated when possible. At the option of

the trial-giving club, the drawing may be arranged so that all bitches are drawn after all dogs."

DISCUSSION: After discussion it was agreed that:

- (1) the rule clearly states the option available to the trial-giving club;
- (2) in these circumstances a standing resolution previously adopted by the Board should now be rescinded.

MOTION #316-61

Moved by Mr. Williams, seconded by Mrs. Southcott:

"THAT, standing resolution, reading as follows:

'THAT, Chapter 10, Section 2, be interpreted to mean that females must be run following the males in accordance to the order in which they were drawn.'

The individuals to serve on such a standing committee should be drawn from the Field Trial Representatives for Beagles in Pack as well as from the various clubs and their associations of clubs who hold trials for beagles run in packs."

MOTION #317-61

Moved by Mr. Anderson, seconded by Mr. Williams:

"THAT, this be referred to the Field Trial Council."

14 G 13. SHEEP AND CATTLE DOGS

REPORT: The Secretary reported that Ministerial approval had been obtained on an amendment to the Club's By-laws with regard to the registration and testing of dogs suitable for work with sheep and cattle.

DISCUSSION: During a discussion which followed it was suggested that:

- (1) the recognition of the Border Collie being an eventual objective, the Board should consider the following as possible steps leading to the recognition of the breed and registration of individual Border Collies:
 - (a) through the use of newspapers, magazines and other media, locate those dogs which may eventually be registered as Border Collies;
 - (b) find a number of people in the various areas who have a good knowledge of what is required of working Border Collies;
 - (c) appoint inspection teams in the various areas to inspect and report on dogs suggested for registration;

- (d) set forth specific requirements for recognition of such dogs on an individual basis and, following consultation with the Chief Registration Officer, decide on the procedure which would be followed leading to the individual registration of Border Collies;
- (2) inasmuch as the Club does presently recognize breeds which are suitable for work with sheep and cattle, ways and means of testing the working ability of all such dogs should be treated as a separate project in order that such testing would be at events held under the jurisdiction of the Club.

MOTION #321-61

5 F 3. CANADIAN NATIONAL LIVE STOCK RECORDS

REPORT: A report (dated August 5, 1961) submitted by Mr. Anderson, Chairman of a Committee appointed by the Board to review and place before the Board a report in connection with the Club's association with the Canadian National Live Stock Records. The report raised a number of questions, suggested that in view of the magnitude and importance of this subject there be a discussion at this meeting of the points raised in the report, and concluded with a suggestion that the terms of reference of the Committee must be expressly stated if the Committee is to submit an intelligent report.

Motion carried.

-----Mr. MacCallum in the Chair.

DISCUSSION: The President pointed out that the Club is charged as much for the processing of an application for transfer of ownership as it is charged for the processing of an application for registration of an individual dog, expressed the opinion that the work involved in these two items is by no means equal, and suggested that the Committee thoroughly investigate this particular subject, having regard for the fact that the Club's volume of transfers of ownership in relation to individual registrations, is well above that of any other affiliated association. The President also suggested that the Committee look into the possibility of benefits which may be derived if a department is set up within the Live Stock Records office to deal exclusively with the Club's business at that office.

Mr. Monaghan suggested that when the Board appoints a committee it should make very clear the terms of reference of the committee and expressed the opinion that it would be preferable if the Board were to adopt a resolution asking the Chief Registration Officer to authorize an appropriate audit of the financial obligations of each association, as set forth in the Articles of Affiliation, on the understanding that if the Board feels that further action is appropriate after having received such an audit, it could then make its representations to the Live Stock Record Committee through the Club's representative on that Committee.

-----Mr. Williams in the Chair.

MOTION #329-61

Moved by Mr. Monaghan, seconded by Mr. Little:
"THAT, the terms of reference of this committee be to investigate the incidence of the unit cost and prepare a brief for our representative (Mr. MacCallum) to present to the Live Stock Record Committee."

ABSENT: Mr. MacKendrick, Dr. Williams.

- (3) replies received to the two published invitations had been favourable to the new standard;
- (4) a suggestion had been advanced with regard to a change in the section of the standard with regard to "ears", and the Committee had considered a petition, forwarded by Mr. Irving on behalf of

- (3) replies received to the two published invitations had been favourable to the new standard;
- (4) on the question of "Size", one correspondent had made the following observations: "However it is desirable that proper balance and proportions shall always be considered more important than mere weight or size and the dog or bitch possessing true horizontal dimensions and possessing bone and substance in keeping with its size should, even though under or over the suggested average weight and dimension limits set down, always be considered preferable to one which is ill proportioned."

ADJOURNMENT

At 7:10 p.m. this meeting adjourned to reconvene in the same place at 9:00 a.m. on Wednesday, August 23rd, 1961.

DISTRIBUTION OF INCOME FOR EXPENDITURES

The fiscal year of The Canadian Kennel Club corresponds with the calendar year, and it is customary to include in the February issue of "Dogs in Canada" each year the financial statements of the Club for the preceding calendar year. These financial statements show the Club's financial position at the end of its last fiscal year, the sources of its revenue, and include a detailed statement of its operating expenses.

During the past eight or more years the volume of the Club's business in each succeeding year has shown an increase over that of the previous year. The increase is reflected in the Club's revenue from year to year, and, as can be expected, has resulted in higher total operating expenses from year to year.

A simple comparison of any single expense account with that of the previous year would be meaningless unless one bears in mind the increased volume of business. A sounder basis of comparison would be

to establish the relationship, expressed as a percentage to the nearest 1/10%, between a given expense account and the total income for the year. An analysis of this kind has been made, and it is published hereunder by order of the Board of Directors. As will be noted, it covers the years 1938 (the last complete fiscal year preceding World War II), 1952 (the last complete fiscal year preceding an increase of fees in 1953), and the years 1956 to 1960 inclusive.

While each figure in the table below represents a percentage of revenue, it can be read in another way. For example, out of each \$1.00 of revenue in 1960, 33.4¢ was paid to the Canadian National Live Stock Records as the Club's share of expenses of operating that office in 1960, 22.4¢ was expended for salaries of the Club's staff at its head office at Toronto, 5.9¢ was expended for travelling expenses, and so on.

DO NOT DISCLOSE PRICES

IN the dog business, prices are — and always must be — a matter of prime interest. The very few millionaires who are in the business of breeding and showing dogs have seldom, if ever, gathered their millions in the breeding and showing and selling of fine dogs.

For the most part, those in the dog business are in it because they are fascinated by topflight dogs, especially those they themselves have brought into the world — or because there is a modest competence to be made if one be willing to work seven days a week and sometimes 16 to 18 hours a day. None of the work is "hard" in the sense that one is exhausted. Rather it is the everlasting "keeping at it" that wears many. However, although millions are not to be made, any breeder will usually admit that he makes money.

And here we come to the important point: he makes money by selling his puppies and now and again his grown stock. Or perhaps he offers stud service on his champions. It is no less than amazing how the stud fees vary in price. What are these prices, you ask? Ah, they should never be disclosed. True, when asked for a stud service price, the owner must say promptly, "Fifteen dollars," or "One hundred fifty dollars," or "We will mate for the choice puppy of the litter if your female is a good one." The gimmick is that the asking price is not always the price received. Obviously, no one will pay the owner of the stud any more than the asking price. But after much haggling and hemming and hawing and the persistent reminder that, after all, the stud fees are pure velvet and that "If I take my matron elsewhere you will get nothing at all," the stud's owner is sometimes worn down to accepting whatever he can get.

It is bad business. Very bad business, indeed. The one who has secured the stud service at little or nothing will frequently disclose the price gleefully with numerous other breeders who then demand the same deal on their matrons. Stud service prices in general tend to get lower and lower and lower. And the important part is that the one who disclosed the low cost originally finds it boomeranging on him when he (1) sells the puppies of this litter or (2) uses one of the litter for future stud service. Prices should never be disclosed.

Or take another example: a woman breeder had a very tiny kennel of exceptionally good dogs. She had paid top prices and had secured topflight stock. Her paralyzed father lived with her and her husband and her four sons. Her husband, a nervous and high-strung man under the best conditions, now and again grew almost frantic when the dogs barked. All dogs bark. The barking and whimpering and snarling is frequently worse when the matron has puppies or is about to give up a litter. To her

horror, the woman saw her husband kick a matron about to have a litter in a day or so. She had wondered why, once in a while, the litters were either born dead or with the sacks broken or perhaps an entire litter had died within a few days after the whelping time. Now she knew: her husband simply could not bear the pressures of life with the always-ill old man and the demands of the growing teen-agers.

She sold the dogs at prices little less than ridiculous rather than have them kicked.

Widowed in less than a year, she decided to "go into dogs" once more, needing to be at home with her father and the growing boys. The woman who had bought the dogs from her at the ridiculous prices had freely disclosed her great bargain. At first she had been gleeful. Later on, she found that all breeders, knowing the low prices she had paid, refused to pay her adequate prices. Of course, selling puppies at local prices brought her almost nothing. However, when the widow approached her with the idea of buying the dogs at the selling price, the new owner was indignant. The new owner wanted four times the price she paid and would not sell for less. Of course, this was not the result of disclosing prices either paid or sold for. But the fact soon became known and, because she had disclosed the prices she paid, she was most unpopular with other breeders who knew the difficulties under which the widow had worked.

As is nearly always the case, breeders of the same breed write to one another from great distances. Within a few weeks everyone in the breed knew of the price demanded for stock that had, by now, had two litters. The distant breeders wrote to each other and to the widow. In the end, the widow was

given one fine female from no less than 18 kennels all far away. So the buyer who had joyously disclosed her paying price found herself with a nearby competitor in the one from whom she had bought.

Or consider the breeder who found herself so overstocked that she was carrying 36 puppies and not a sale for weeks. She finally sold the lot to a pet shop at a quarter of their value. She moaned and mourned at the next dog show she attended: "There's no money in dogs! Ah, me, oh, my! I sold all my puppies at thirty dollars each! Thirty little dollars instead of seventy-five to two hundred!"

And when she again had litters, could she sell at the adequate price she had always asked. A-h-h-h-h! Indeed, not! She now learned that her pet-shop price had been told to everyone. And why not? If she could not keep silent about her own losses, how in the world could she expect others to remain silent? She finally had to give up her dogs, of whom she was really genuinely fond.

Worse, everyone in the entire breed suffered because once prices begin to drop, they slide down very, very swiftly.

Thus when prices are disclosed, especially, let us say, extraordinarily low prices, the speaker damages not only himself but other breeders.

There is one very fine answer to the question asked so apparently casually, "What did you have to pay for Ku Wong?"

The answer is, "We never disclose prices."

What answer is there to that? None. None at all. It takes a really hardy soul to ask the question another time. The answer is not offensive at all. It simply states a fact.

And it's a good fact, Fellow Breeders. Try it.

nourish your boxer pup

by EVE and STAN WHITMORE

Nourish your Boxer pups or pup. You will notice we say "nourish", not just feed for you can feed five times a day on a diet that will produce a crop of wobbly fat pups but still fail to give them the proper bone and muscle which means proper nourishment. Good lean meat, pabulum, eggs and milk with a good vitamin and calcium supplement, are a good diet for growing Boxer puppies. When you consider the size a Boxer grows up to be, you should realize the importance of proper diet also sufficient exercise. So when your veterinarian suggests these above things as proper diet, it may sound expensive but you find good feeding an economy in the long run, as a sick puppy makes no progress at all and a well puppy turns out

developed and strong.

Just as important as proper nourishment is proper housing of your pups. Sleeping quarters should be dry and free from drafts.

It is said a champion is made up of fifty percent inherited quality and fifty percent good care during its first year of life. Whether this is true or not, it does illustrate the importance of good care and feeding during the first year.

How many Boxers that don't quite get up to size, or are too light boned, weak in pasterns, poor quarters, could be traced back to a bad sick spell or poor feeding during puppyhood? We will never know, but we would be willing to bet the figure would surprise you.

JUDGING THE VIZSLA

by DR. KEMENES-KETTNER

For the last two years I have attended many dog shows, and as the Regional Vice-President of the Vizsla Club of North America I have received reports on most of the Western Canada shows which I was not able to attend in person.

It is my opinion that most of the judges do not interpret the Vizsla Standards correctly. Once when I took part in a show, a dog which was shown as a Vizsla was actually a golden brown German shorthair. Judging a new breed is of course very difficult, and to assist I will try to give some pointers on judging in the ring.

Before going into detail I want to say a few words about the imported Vizslas in North America. After the Second World War the Hungarian government did not permit the export of Vizslas from the homeland, so that most imported Vizslas came from other central European countries. These countries did not have enough Vizslas to satisfy the home demand, and there started cross-breeding of Vizslas with German Shorthairs and English Pointers. The result was heavy, over-sized Vizslas, and Vizslas with white spots on chest and feet.

The Vizsla (*Canis acceptorius braceides hungaricus*) in general appearance is a squarish dog. The ratio of height to body length should be 9 to 10. The male is more squarish than the female. The head should be lean. The head topline and the nose-mouth line form a 30-35° angle. The stop has to be moderate. The length of the head to the stop should be 4¼ - 4½ inches, and the front of the head 3¾ - 4 inches. The ears have to be long enough to touch each other under the chin. The tail has to be long enough to reach the elbow. The color of the Vizsla is golden rust, never chocolate brown. Small white spots on the chest or feet are undesirable, and white spots of two inches or greater size are not permissible.

The Vizsla is a multi-purpose dog and must be bold, never shy or nervous. I have seen dogs who were judged winners, but who wet the floor and crouched in the ring when touched by the judge. The judge has to take into consideration that this is a new breed, and if he does not judge with an iron hand he can provide poor specimens for breeding.

It has not been possible for me to cover all points, but I hope that my short explanation may be of some help to judges in the ring.

Right now the best Vizsla in the homeland is the International and Hungarian champion, Csikesicsoi Apród. This dog is now the prototype of the Vizsla breed, as were in the past the two big Vizsla champions Csanky Csibesz and Csanky Pajtas.

dog biscuits and clean teeth

by DR. LEON F. WHITNEY, D.V.M.

Over the years the author has noted that dogs fed on hard biscuits and flat bones seemed to have the cleanest teeth.

Based on observation and opinion, dog owners were advised that while bones were constipating, an occasional soft rib bone or large dog biscuits would be beneficial. It was decided recently to conduct a controlled test using old dogs with heavy tartar accumulations to determine whether hard dog biscuits could actually remove tartar, and if so, how long it would take.

Six Beagles were used in the experiment. Three controls were fed their usual soft diet. Their teeth were photographed. Three test animals were fed large-sized hard-baked dog biscuits. It was felt after watching dogs eat small-sized biscuits that they did not have to chew them as much. The biscuits measured 4¼ in. long and ½ in. thick, with knobs on each end, resembling most dog owners' idea of the shape of a bone.

The biscuits were the exclusive food of the three Beagles for three weeks. Water was furnished in buckets, not in pans into which the dogs might drop the biscuits where they could soften.

The teeth of one dog were all sound except for some retraction of the gums due to tartar accumulations. Another dog had a loose premolar, the third a dead molar.

All of the dogs were carefully watched as they ate. It was interesting to note the careful manner in which the dog with the loose premolar ate. The dog with the dead molar always chewed on the opposite side of the mouth. At the conclusion of the three weeks, photographs were again taken.

Results

The dog with all sound teeth removed practically all of the tartar. The heavy accumulation on the molars was all gone and only slight staining remained even on the canine teeth. The dog with the loose premolar cleaned only the canines; practically no tartar had been removed from the molars. The dog with one dead molar showed some reduction of tartar on the side with the dead tooth, but the sound side was completely tartar free. The controls showed no change.

Following this test, the remaining biscuits were fed to Redbone Coonhounds which were 7 and 8 years old. They had been raised and maintained on a soft diet and had complete sets of excellent teeth, despite varying amounts of tartar accumulation. With their powerful jaws they crunched the biscuits effectively and within two weeks had removed all traces of tartar.

Discussion

The use of hard dog biscuits removes tartar effectively. They prevent gum regression without the constipating effect of bones. Biscuits which dogs can chew, not only tend to keep dogs' teeth tartar free, but actually remove tartar. Dogs with loose or dead teeth suffer pain from pressure and will not be improved until defective teeth are removed.

Practically all tartar removed after feeding only hard biscuits to this elderly dog.

Heavy tartar accumulation had resulted from lack of hard biscuits and flat bones.

BOXERS

by VALERIE H. McMILLIN

Many new Boxers have appeared on the scene this summer in the Maritime shows along with new faces. This is good, however entries are sadly down over past years and this is not good!

Notable amongst the winners has been a very fine young dog puppy Jay-Dee of Annapolis, owned by John Appleby of Spryfield and shown by his wife Nita. Jay-Dee completed his title just one week past nine months of age, having accumulated many Group puppy awards, Puppy in show and a Group 2nd placement on the way. He is now retired until maturity when he will again enter the ring.

From the States we have seen the Bartons at most of the N.B. shows with their flashy fawn, Pat's High Gear of Twin Elm's. At the time of writing he needs but one point to finish and has also collected a number of group placements, well handled by Roger Barton.

There have been three good bitches shown. Ted and Elsie Mather are justly proud of their first home-bred champion, Codiac's Autumn Tawny. She finished at one week past one year. Tawny's dam, Honeywell's Hollyhock, also gained her title, both bitches handled by Elsie; these from Moncton area. Hal and Alma Robinson have been showing a two-year-old, Robb-Ross Top One, who is well on the way to her title also. McMILLIN's have shown Valmax Pax who is short of the title by one point.

Although there have been several different Boxers placing in the Group, only one has succeeded in actually taking the Group — Ch. Valmax Hobo, owned and bred by McMILLIN's has also gained a Best Canadian Bred in Show win this year. For this win he was handled by Andrew, on one of the few occasions that his ship was in port at the right time for dog shows!

Judy's Whirlwind Tammy, bred, owned and handled by Helen Robinson of Digby was one of the first Maritime Champions of this year. McMILLIN's brought out Valmax Guardsman in April and he also finished in short order. Buzz had never seen a ring until four years and eight months of age, handled by Valerie.

Avon Baker has a father and daughter team; Valmax Khan is close to his title and his daughter Avon Valley Trixie has a number of points.

With the last Maritime show at the end of September the winners of the annual Atlantic Provinces awards will be announced as soon as possible. Paul Delaney is offering a BOS to BB trophy. The Best of Breed plaque is offered by McMILLIN's and there will also be an award for Best Puppy. Next year will undoubtedly see new stock at the shows as there are quite a few youngsters coming along. Let us hope for more entries.

BOXER PERSONALITY

Most dogs shoot their ears erect and wag their tails in greeting. The Boxer's ears are permanently up and forward, but his tail wagging starts at the base of his rib cage and he wags half his entire body.

Almost any breeder genuinely feels his favorite breed has the most personality. Few, however, will fail to concede that the Boxer's personality is the bounciest.

His makeup is such that he's a gem with children, but a dignified dog (when properly handled as goes with all breeds) when his owners take him for a walk on the street. He's a clown, but acquires dignity at a very early age.

He's a neat dog, by appearance, but in character as well. His short coat requires little care, doesn't pick up burrs, doesn't run up bills for grooming. Apart from all that, he's a naturally immaculate dog — spending time washing himself

like a cat. He just doesn't like dirt.

The Boxer keeps his temper. He not only takes a mauling from children in good part, but comes back for more. He keeps the youngsters amused, and out of trouble. If, as a young Boxer he chews something up and is reprimanded, chances are he'll never do it again.

It's a well-known fact among Boxer owners that the Boxer will be what you want him to be — if you want him to be a watch dog, he'll do a fine job. If he is to be a fierce one, he'll be that too.

Boxers owners will also tell you that Boxers can talk. It's easy to carry on a conversation with them. Perhaps it's because of their quick reaction to their owner's mood. Certainly Boxers do well in Obedience, and even as Seeing Eye Dogs.

A Boxer will be your sensitive and sympathetic companion and still with puppy spirits, as long as he lives.

TRUE STORY

The photographic finisher threw down a final print in desperation. He washed out all his equipment and threw out the developer. He began with entirely fresh chemicals, but once more tore up the prints. Finally he phoned the customer to come in. "Look," he said, "I've spent every spare moment on these prints. There's a dog in this picture. He comes out green. Every other colour comes up just right, but the dog keeps coming out green. I think I must be going crazy."

The customer took it all very calmly. "Don't let that bother you," he said. "Our dog upset a pail of green paint over himself and we wanted to get a picture of him before we cleaned him up!"

CHAR-DE-PADO KENNELS SCORE AGAIN!

CHAR-DE-PADO'S KELLY started his show career first time out by winning best puppy in working group, and then was shown in mature competition to finish his Championship at the C.N.E. This makes a total of FOUR BOXER CHAMPIONS in less than 12 months bred by CHAR-DE-PADO.

At this time, CHAR-DE-PADO KENNELS is very proud

to offer for sale outstanding litter of fawn flashy puppies. The sire is AM. CH. CANYONAIRES MAN ON FIRE. He is the Multiple Best in Show winner in the U.S.A. The dam is CH. CHAR-DE-PADO'S BEST BET. She is the daughter of CH. YERMO RED. She won five big points last Fall at the Boxer Club of Canada Specialty Show by winning Best of Breed from the classes over 8 Champions and she finished her Championship at the Belmont Show.

no wonder the puppies are so good!

CLUB NOTES

IMPORTANT: Club Notes are for the purpose of reporting activities and plans of Breed, Group and other specialty organizations. There are certain news items which cannot be considered as "club notes", but rather as advertising material. Names of judges may be used only if the club's show advertisement appears in DOGS IN CANADA. Wins of dogs which will be or have been reported in The Canadian Kennel Club "Show and Trial Results" cannot appear in these columns. Make your club notes meaty and interesting. 300 WORDS IS THE LIMIT.

The All Terrier Club of Canada by Eileen M. Stewart R.R. #2, Aurora, Ont.

No meeting was held in August. This is the first time a regular monthly meeting has been missed in five years and was due to the fact that most of our executive were unavailable at the time.

A revision of the Constitution of The All Terrier Club of Canada, prepared by the Constitution Committee and submitted 14 days prior to the September meeting to all members for their consideration, was discussed at considerable length. After a few minor changes it was accepted and will be mailed to members in booklet format.

Our congratulations are extended to Mrs. Barbara Pirrie, owner and trainer of Ch. Calonyln Mafon, a smart little Welsh Terrier who won her Canadian and American C.D. Obedience titles in six straight shows.

Also to Jim and Kay MacFarlane's Cairn Ch. Badenoch Hamish Rudh for his 3-point win and Group placement in Pontiac, Mich. and for his win at Flint, Mich., where he took BB for a 2-point win. Badenoch Maori, daughter of "Hamish", placed BOS to her sire at both shows.

Attendance at our September meeting was slightly less than usual. Let us remember that decisions on action are only those dictated and controlled by a majority vote of the members present and it follows therefore, that the larger attendance at our meetings, the greater assurance we have of a truer consensus of opinion. Let us bring our suggestions, problems and criticisms to the meetings where they can be expressed, discussed and decision on action reached by the majority vote.

Boxer Club of Canada

No regular business meeting of the Boxer Club was held during July and August. We had one special get together in July, this being a nice turn out with eight Boxers that the members and friends judged by the point system. This turned out to be a very successful afternoon which ended with a barbecue steak supper.

Our Boxer Club of Canada annual awards will be given again this year with some changes which we hope to publish in *Dogs in Canada* in November.

Our regular meeting resumed in September. The officers include Mr. R. L. Brockington, President; Dr. Fred Clement, Vice-President; Mrs. D. T. Weir, Secretary and Mrs. Pearl Brockington, Treasurer.

The Bulldog Club of Central Canada by Peg McKenzie Locust Hill, Ont.

Our annual Puppy Match was held most successfully at the home of Mrs. Thelma Blackburn, Pickering, under Judge, Mrs. Gottschalk to whom very many thanks for judging our young hopefuls who strutted and did their stuff. Best puppy went to Albert Farrell's Skyliner but the youngsters just learning to walk really stole the show. Afterwards our hostess with her very willing helpers served

a turkey lunch for which all members of the club extend their thanks. The results were most gratifying to the treasury.

The picture of Percy Alderson's "Winkie" appeared at the top of the column advertising attractions including the dog show at the CNE. I am advised that registrations of litters for Bulldogs for 1961 are 120 as compared to 101 in 1960.

I regret to announce that four of our older friends (canine) have passed on. Two were bred by Mr. Walter Brown, Kempston Lady Dudley owned by Mr. McCutcheon, aged 13 years; Ch. Kempston Annabelle, owned by Mrs. Olive Dewsbury, aged ten years; Ch. Nugget My Valet, owned by Mr. A. Farrell, aged 11 years; Can. and Am. Ch. Thelwall Wendy owned by Mrs. H. Ince, aged 11 years. They will be sadly missed by their owners.

Brantford Obedience Club by Marguerite Charter

426 Nelson St., Brantford, Ont.

After a two-month holiday we are back with you for another season. Our season opened September 5 with over 30 dogs participating in the Brantford Labor Day Parade. This was a busy weekend, with the preparation of the float, the parade itself, and an hour demonstration in front of the Grandstand. We were exceptionally proud of the float we had this year as it stood for many hours of tedious work. Not necessarily the float, but what we displayed — the trophies won by our members were so attractively arranged that as we passed along the parade route we heard many people remark on its beauty. In over a two mile long parade we captured second prize money, so to our capable chairmen A. Finkbeiner and W. Kershaw go the honors. In the afternoon we tried to bring to the eye of the general public what our club stands for and what we could do to help them. Dogs were put through their paces in CD, CDX and UD, and we tried to use every possible breed so people would understand that all breeds can be trained. This was followed by our All Shepherd Drill Team which brought a great ovation from the crowd, and we ended up with a veteran UDT'er demonstrating trick work. The day was a hot and long one with the dogs responding to every clap to make the most successful Labor Day we have had since our club was formed. Thanks to all members who came out and supported this club activity.

Now, we launch our Training Class, Sunday evenings. Little can be reported yet, but if phone calls are any indication of the enrolment our head trainer will find it necessary to appoint more trainers.

As for our Summer activities, I have little to report. We tried to give our dogs a holiday as well as ourselves. However, Tracking has been going on with all meeting one night a week. Now we have stepped it up to two nights a week and each individual goes his own way the other nights. We have hopes that a few of our dogs will be ready for the tracking test held by the German Shepherd Club of Canada.

ably William Ford of Fordene Kennels (Beagles).

Not formally part of the program, but nevertheless one of the brightest spots in the show was the photographing of dogs and owners by Ken-L-Ration representative Archie Warnock. This not only provided owners with good pictures of their entries, but unfaithfully drew a ring of interested bystanders.

Burlington & District Kennel Club

by Mrs. Joan Morden

572 Cedar Ave., Burlington, Ont.

Our Juniors have been very much in the
spotlight recently. Chairman Dorothea Engels
and her helpers scored a real hit with the
Pet Show held in August. So much so that
the Roseland Plaza Merchants tendered an
"on the spot" invitation for a repeat show
and scheduled it for September 20.

Omitted from previous notes and very im-
portant: Our hard-working club Secretary,
Miriam Holly, was elected Obedience Chair-
man. First classes of the season commenced
September 10 at Nelson Twp. Hall with a
good enrolment expected.

On the sick list: Agnes Nantais, we learn,
is awaiting admission to hospital. Best wishes
from all for a speedy recovery. Off the sick
list: We were happy to see Ethel Cook at
our September meeting, looking well after a
lengthy illness.

Recent Club Winners: Bunty Dunlop re-
ports continuing wins at point shows with
Siberian Huskies, Jet and Tex. Ethel Sipes'
Queenie, a Miniature Pinscher, has been scor-
ing heavily as a puppy. Little Annette Tough,
daughter of Miniature Schnauzer breeders
John and Nancy Tough, won a cup for Jun-
ior Showmanship at the CNE. Congratulations
to a lovely pair of little girls.

Entertainment for our September meeting
was provided by the Gaines film of the 1961
Sportsmen's Show. It was a delightful record
of a most exciting show. Thank you. Our club
thought it was terrific.

Calgary Kennel & Obedience Club

by Shirley A. Craig

2232-36 St. S.W., Calgary, Alta.

In spite of our yearly summer "lay-off", club
activities have kept us busy, most especially
in the matter of finalizing plans for our Fall
Shows and Trials to be held November 10, 11
and 12. We are hopeful of our usual large
entry being received and are planning accord-
ingly.

Membership in our club is continually being
increased. Our latest new members are Mr.
Barnett, owner of a German Short-haired
Pointer, Chesapeake Retriever and Boston Ter-
rier; Mrs. E. A. Ettinger, who owns a Boxer;
Mrs. Rabson, owning a German Shepherd;
Mrs. Player, who owns Pekes and Mr. Ken
Wallace of High River, owner of Daxie. We
heartily welcome these new members to our
club.

This Fall also saw commencement of our
club's Obedience School on September 6 in the
Mewata Recreation Hut and from the number
of inquiries already received it seems quite
possible that our instructors will again this
year be run off their feet (happily, of course).

Gateway City Obedience Training Club

by Grace Anne Penno

1474 Alexander Ave., Winnipeg 3, Man.

In July, when the Milo Pearsalls went fish-
ing at Ptarmigan Bay on Lake of the Woods,
they caught 36 fish. Ron Hamel's camp, I be-
lieve.

Those enthusiastic people from Brandon who
came down for the Trials stayed over for our
successful Pearsall Clinic. The Brandon Obedi-
ence Club has been sponsored by our members
and trainers who helped organize it this
Spring.

The TV show featuring the Gateway Club
was filmed on Hugh McDonald's farm where
he has a large stable of fine show horses.

Those participating were Joan Lawrence and
Shepherd, Star; Grace Merkle and Boxer, Dus-
ty and the emcee of the show who handled
Bob Kelpin's Miniature Poodle, Loco. These,
under trainer Ron Hamel, gave an example of
Beginner work. Doing Novice and Open work
were Jack Cohen and Standard Poodle Henri,
CD; the writer and Standard Poodle, Penny,
CD and Doberman, Heidi; Monica Torrence
and Norwegian Elkhound, Grey; Marion King
and Shepherd Shane, CD; Johnny Strike and

Elkhound, Lucky, CDX, Lydia and Collie,
Shad; Mary Ann Monkman and Collie, Geor-
gie; Doug Lawrence and Shepherd, Wolf, CD;
Ruby MacGregor and Keeshond Roy, CD; Dave
Garry and Shepherd.

The annual meeting and election of officers
was held September 12. I believe there is a
chance of our getting Utility class this Win-
ter. Joan Strike is our new class Secretary
now that Ruby is in Saskatoon.

The writer and husband spent September 3
and 4 at the Manitoba Gun Dog Club grounds.
Wonderful work in the Open All Age Stake
and the following day the Hunters Special and
the Ladies Handling Class. We put our Stan-
dard Poodle in the water on the Training
Grounds, and believe you me, there's nothing
holding back the Standard from getting right
back there as a Retriever.

The interval between writing and reading
these notes, will see our 38th Annual Spe-
cialty Show for another year. We have
great hopes for this show to maintain or
surpass previous specialties, which have been
the largest single breed dog shows in Can-
ada. To the individual Shepherd enthusiast,
this is the Big Day to really enjoy and
remember. Here we offer hearty congratu-
lations to all the winners.

Our 2nd Kleinjohann Challenge Show will
be held October 8. This unique event is a
combination working test and conformation
show, with each part carrying a possible 100
points. The winner must therefore be both a
good, sound working dog as well as ex-
cellent, or at least very good in conformation
to type. As an example, last year's winner
was one of our best working dogs and a
specialty show, class winner, OT Ch. Arko
v.d. Grippsnaau UDT, hotly contested by our
'60 BCB Specialty winner Ch. Rocket of Cara
Mia, expertly trained for this event by Fred
Pfeifle.

As our Tracking Test at "Matterhorn
Farms" draws near, interest in this work in-
creases. Early morning and evening tracking
training, in quiet country fields, is a phase
of dog training that has attracted surprisingly
few here. This is not the case in Europe
where literally thousands of dogs are trained
for various tracking tests, each year. Our
Obedience Committee is at this time, giving
careful consideration to RCMP Cpl. Hall's
recommendations regarding tracking, and will
prepare a brief on the subject.

The Hamilton Obedience Club

by Mrs. M. Krawesky

57 Barons Ave. North, Hamilton, Ont.

Our members have been fairly busy this
summer going around to Trials and breed
shows. Mr. Reg. Peters, with his Welsh Corgi,
Tammie, has his CDX, and his Welsh Corgi,
Terry, has her CD. Mr. Bill Finn and his Ger-
man Shepherd, Cindy, have earned UD, and
Mr. Jake Giacomelli, with his Beagle, Pizza,
also has his UD. Congratulations to everyone,
and if I've missed anyone, I am sorry.

Our first meeting of this year was on the
8th of September. Our Training Class started
September 14, at the Spring Valley Commu-
nity Hall, Ancaster, with a film, "How to Train
Your Dog", edited and commented by Mr.
Bill Burr, and an Obedience demonstration as
well. Mrs. Audrey Langford is Superintendent
of this Fall Training Class and we wish her
luck. We are looking forward to a good turn-
out of the public, and lots of dogs, too.

We are very sorry to hear that Mr. Bill
Levinson, Mr. John Day and Mrs. Peg Old-
land are on the sick list. Hope to see you all
up and around soon.

The Hub City Kennel Club of Saskatoon

An active Fall program is underway for
members of the Hub City Kennel Club and
plans are now being completed for a fall
Conformation show and Obedience trial to be
held October 22. A Fall show is a new ven-
ture for the club and it is hoped that it will
be as successful as was the Spring one.

Obedience training classes for all breeds
are scheduled to begin September 24 with an

orientation program and continue for ten weeks. As the club enters its second year of promoting Obedience training, it plans to sponsor courses in the Fall, Winter and Spring in both novice and advanced work. Trainers and assistants will be rotated so that all interested members can gain experience.

Bi-weekly television programs by Mrs. Thelma Hawes will again be a feature of our annual program and they will get underway in October. As in past years they will include discussions, interviews, and, of course, the presence of various breeds of dogs.

The annual election of officers will take place in mid-Fall.

The Irish Setter Club of Canada by Mrs. Ray McCormick

194 Brookview Court, Ancaster, Ont.

From all club members, our sincere thanks to John McCallum for the terrific job he has done on publicity for the club. Also, our best wishes to him as he starts off on a new venture for higher education at Berkley College, California. We know he will be a splendid ambassador in the U.S.A. for our Irish Setter Club of Canada. A small farewell party was held for John at the McCormick's home and he was presented with club cufflinks.

Although no regular club meetings were held during July and August, the executive has been busy planning a full program for the coming months.

A big annual event was the Irish Setter Specialty Show in conjunction with the Burlington and District All Breed Show at Burlington, Ont., September 23. Again, members diligently worked on benching decorations to keep up with the standards we have set for ourselves, and awards won.

Field training is becoming of greater interest and challenge to many of our members. Mr. Meadows of the Department of Lands and Forests met with the club on September 9 at the Dafee's home in Burlington. He was of assistance in advising us of the availability of pheasants, care of the birds and crating.

Inquiries for membership are coming in from Western Canada, Quebec and the Maritimes. With our expanding interests, the club has decided to support various shows from coast to coast. The initial show is that of the New Glasgow Kennel Club, New Glasgow, N.S., to which a silver trophy with our club crest on it has been donated.

Plans are underway for our annual Thanksgiving Weekend at Tynoka Lodge, Muskoka. A record turnout is expected.

For information regarding club activities or membership, please contact, Mrs. A. W. Forrest, 3074 Balmoral Ave., Burlington, Ont.

K-9 Training School by Art Surette

79 Murray St., Brantford, Ont.

Classes have progressed steadily through the Summer and we hope for some good results when the graduation comes along.

We were pleased to see a showing of graduates of the recent months entered in the Woodstock show. It is gratifying to see the interest in Obedience continued after the training classes. Congratulations to Woodstock on a fine show.

We wish to thank the members of our present class who made our demonstration successful at the Capital Theatre recently in conjunction with the movie, "Nikki" Wild Dog of the North. "Terry" was there too and the audience enjoyed seeing Obedience dogs in action.

A good time was had by all at K-9's big weiner and corn roast on August 26 at the farm of Mr. and Mrs. N. Shaver of Brantford. Thanks to our kind hosts and all the members involved in the preparations. Guests from London, Woodstock, Oakville, Tillsonburg and Stratford clubs attended making a festive occasion. During the evening films were shown of "Terry" the German Shepherd owned by the writer, doing many of his tricks, water skiing and tracking. Also a short film of a Field Trial which interested our sporting dog owners. Later there was dancing and of course lots of food. This event proved such a success we hope to make it an annual affair.

See you all at the coming Obedience Trials.

The regular monthly meeting took place Wednesday, September 6, at the YMCA, London, Ont. Our President was on holidays and unable to attend. Second Vice-President John Harris was in the chair. The meeting was mostly to do with our coming dog show to be held, October 7 at Queens Park, London, Ont.

Our speaker for the evening was Mr. George Tabner, one of our members. His subject covered making out the entry form and how ribbons are won at the shows, also the way the judge marks his book. George brought ribbons to demonstrate. His talk was very much appreciated by all the members.

Nova Scotia Field Trial Association

by W. K. Chinn

R.R. 1, Waverly, N.S.

We are a group of hunters who, deploring the scarcity of game and the short season imposed plus a need for suitable training facilities for young dogs, formed a new club.

About two years ago Dr. Rose Ainslie, a Halifax veterinarian, and the writer discussed forming a club for members who are keen hunters, good sports with a definite interest in dogs and their betterment. In August, 1960 the club was formed and we now have 24 members, most of whom own dogs. At the moment we are in the "teething stage and have bred and raised our own birds, ring-neck pheasants and have our own preserve for training and shooting purposes. Membership is confined mostly to the type of person who is primarily interested in the training aspects of dogs.

Eventually we will be running Trials for all breeds and although we may manage it this year, it would not be as good as if we "made haste slowly".

Officers are: Dr. Ainslie, President; Messrs. W. K. Chinn, Secretary; Babcooke, Vice-President; Max Corkum and A. H. MacDonald, Directors.

Although there have been no meetings of the club during the summer months, training classes have been held each Wednesday evening. Twelve dogs were enrolled in the summer class, and the graduation exercises of this class were held on September 20. Details of this in the next issue of "Dogs".

A most successful Matinee show was held in August at the summer home of Mr. and Mrs. J. Pugh at Shanty Bay, Lake Simcoe. About 70 persons were present, including members of the Barrie Kennel Club who had been invited as our guests. The show was held in a lovely setting on the shores of Lake Simcoe, and 18 dogs were entered in the various classes. Races were held for the children, and there were prizes and favors for the winners. A barbecue supper completed the day.

During the summer, two members of the club obtained their American CD. Grace Probert finished over there with Tarzan, and Margaret Thompson finished with Robin. Hilda Pugh got her first American leg in Detroit with Magoo.

The next training class commenced on September 20, outside, as we still do not have indoor quarters. Already 15 dogs are enrolled.

Our semi-annual meeting was held on June 4, at the Convention and Fun Frolic held at the Agricultural Grounds, Ancaster, Ont. There were 204 adults, approximately 100 children and lots of dogs. Everyone was asked to bring a lunch, pool it, and at five o'clock we ate mountains of food. Our Sanction Match, conducted by the Hamilton Obedience Club with Mr. John Day as Chairman, started at 12.30 noon and as there were 65 dogs entered we gave rests in between classes, so all spectators and contestants could watch other activities. The entry fee was only 50c a class, so if one's dog goofed,

NADA HAS BEEN BRED TO INT. CH. RICHTER VON LEIBESTRAUM. MALE AND FEMALE, BLACK AND TAN PUPPIES READY TO GO ABOUT NOVEMBER 1.

one did not feel the money was wasted, because it was so much fun, the weather being beautiful and everything very informal.

There was a children's drill display put on by Burlington & District Kennel Club, a parade of matching hats, put on by the Peterborough & District Kennel Club, as well as a hilarious game of musical chairs with dogs and owners competing. Unbelievably there were no dog fights and the dogs seemed to enjoy it as much as their owners.

There was a fashion show put on by the Oshawa Obedience Club and also a fashion competition with three classes: comic, best dressed, and a children's class. The Brantford Club (Obedience) gave a very interesting demonstration of German Shepherd dogs only, which was enjoyed by everyone.

The judges for the Obedience Sanction Match volunteered their services and being a Sanction Match, were able to put their own dogs through, if they so wished. After supper Mrs. Audrey Langford supervised an open forum, with the majority of the judges on the panel. There were about 50 persons who felt they could stay for this event, ask questions and give their views on questions asked by the panel. It was an informative session enjoyed by all present and I hope we may have a Fun Frolic again next year.

The Skyway, Perth and Simcoe Obedience Clubs, while they did not put on any specific thing, helped out all they possibly could to keep everything running smoothly. Thanks to one and all.

A lot of credit goes to our Chairman of the convention, Mr. Clarke Diamond.

Our association held its 11th Obedience Trial at Lakeview Park in Oshawa on September 5.

A total of 39 dogs competed and some of the entries came from as far away as Washington D.C., Buffalo and Kingston, also a large number from Hamilton and Burlington.

Mr. Louis Parent from Oldecastle Ont. did a very capable job of judging and even though the temperature and humidity were very high, Mr. Parent always managed a pleasant smile and a good sense of humor.

One of the highlights of the show was a three-way tie for highest scoring dog in trial. Out of a possible perfect score of 200, three dogs earned 195 and had to compete in a run-off, with the result that the Miniature Poodle Guy Noir, Can. CDX, won the Highest Scoring Trophy, donated by the Oshawa Obedience Association.

We would like to express our thanks to all those who attended our Trial and hope that all enjoyed themselves as much as we did in having them, and hope to see all at our next show.

We would like to thank Bill McHugh, Bill

Scott, Jean Goode, Marilyn Mills, Ursula Floeter and Karel Vogel, and the other members who worked so hard to make our Obedience Trial such a success. We appreciate the delicious buffet served by Alice Ross after the Trial.

During the summer, Jean Goode and her Collie "King" and Ursula Floeter and her Kerry Blue "Maverick", have earned their CD titles. Congratulations girls, now on to your CDX.

Club members would like to express their happiness for Bill and Betty McHugh, who had a lovely baby boy Labor Day, also other increases in the kennels. Everything seems under control now.

Our association has had a very nice summer and hope you have enjoyed it too.

The Fall, which brings the final round of dog activities into full swing for the grand coup de grace of the year made its debut September 1, with a temperature of 90 degrees. Those who took in the Canadian National Exhibition merit an endurance medal for holding out for those five sweltering days.

Our first meeting since June was held on September 8, at the YMCA, Eglinton Ave. There was a very small attendance which is not unusual for this month. Also, we had to change our night from Wednesday to Friday and this is a very bad night for club meetings.

The absence of Mr. and Mrs. Stevens (due to continued ill health) was noted with concern by all those present. We hope October will see them much improved and back in their old places.

The Vice-President, Mr. A. H. Lake, took the chair for the meeting. There was not much business to transact as things have been very quiet during the summer. The Show Secretary had sent word along that our June show was much more successful (financially) than was at first thought. The members were greatly pleased to hear this bit of bright news. With the high cost of labor and inflated price tags it is rather difficult to make a show pay. But we did all right in spite of this.

The club has made reservation at the York Farmers Market for a Sanction show to be held December 3. We will regale the fancy with more complete details in our November club notes.

We are sorry to report the illness of Mrs. Olive Dewsbury who spent five weeks in Scarborough Hospital. Latest news is that she is getting around and feeling much better. The club sent best wishes for a complete recovery. We extend our sympathy also to Mrs. Yan Paul whose mother has been in hospital but who is now home and recovering.

Tentative plans were made for a program

for the October meeting. The Secretary was instructed to try and secure the film of the Sportsmans show. If this is not feasible we may have a speaker.

It is possible we may have a new locale for our future meetings. The Chairman asked the members to be on the look out for convenient club rooms.

The Provincial Irish Setter Club

With our monthly meeting taking place at the end of the month there is very little to report in the way of club news. The members all seem to have returned from their summer homes and the routine of city life is once again the conventional thing. This includes the business of belonging to a dog club.

Belonging to a dog club reminds me that we have a Specialty show coming up in October. A phone call to the Secretary informs me that work has already begun. She also states that she has arranged for two training classes. These classes are very necessary as we have so many novices in our club.

Two applications for membership have come in during the summer. Mr. R. Coltart and Peggy Brooks, both of Toronto, are the applicants.

Sorry there is no further news to report at this time, I have been away a great deal of the summer and arriving home Labor day I am not up to date as yet on club doings.

Enquiries regarding membership and activities should be addressed to the Secretary, Mrs. Mary Lake, 200 Maple Leaf Drive, Toronto 15, Ont. CH. 1-3709.

St. Catharines and District Kennel and Obedience Club

by Pat Howe

15 Leeper St., St. Catharines, Ont.

On Sunday, August 20 our club held its annual picnic beneath cool skies at Elmdale Farms, the home of our President, atop the Niagara escarpment. About 100 "doggy" people attended along with their dogs to compete in various classes of our Member Match. Harry Deline's German Shepherd, Bella, took Best in Show; Best Canadian Bred went to Mary Johns' Standard Poodle. The same Poodle was judged Best Puppy in the Show as well.

Besides our regular Member Match a few innovations were added, in a Children's Handling Class which offered Doug Hunt the opportunity to win first prize with his Beagle, Timmy. Next came a contest to determine which handler most resembled his dog. Frank Neubold and his Collie, Prince, bested an interesting field of tough competitors. This comical group were followed by a dog dress-up which proved entertaining to the audience but presented difficulties to the entrants. The prize went to Barbara Boccinfusco whose Chesapeake Retriever dressed as a flapper complete with ear rings bested the field of colorful canines.

The last event of the day consisted of two dog races down the length of the field. The first race was won by a ten-to-one shot Boxer, "Peppy", owned by Mrs. G. Dobbins

who scampered across the finish line ahead of Shepherds and Hounds. The next event went to the favorite Borzoi, "Dianna", who dashed ahead of the starters half way and held a tight lead to the finish line where her master, Mr. Bucher, eagerly awaited. These events topped off by a real home cooked Chuck Wagon Supper complete with pie and ice cream proved once again that this club probably enjoys the finest annual picnic anywhere.

Simcoe Kennel and Obedience Club

by D. R. Engels

1036 Marley Crescent, Burlington, Ont.

Betty Bent was responsible for a parade in conjunction with the Kinsman's Club on August 18. This was indeed a spectacular! There were demonstrations of CD, CDX and Utility with many of our members contributing their own time and the talents of their dogs. "Major" was a crowd pleaser and rode in an honored spot of the Charters' bedecked service truck. It was fun and we feel gave our club some valuable and favorable publicity for our Fall Training Classes.

The old-fashioned picnic, although not too blessed with good weather, was a huge success. John Tough acted as MC conducting various and sundry races for the enjoyment of all, including the "oldies". There was a particular weight-guessing contest that had everyone but the winner really puzzled! We do hope this can become an annual event and will be attended in greater number next year. The raffle basket, won by Ross Sherred, netted a nice little sum to go towards advertising the training classes which commenced September 7. There were several youngsters from the Junior B & DKC in attendance at this picnic and they all went home tired but happy. Mrs. Westbrook went all out on this event and should be lauded by all members.

The business meeting of September 27 settled all show business and we trust satisfactorily to all concerned. See you next month.

This month our congratulations go to Mr. George Cook and his German Shepherd, Beau-Gal, who received her second leg at the Simcoe Trial with a score of 195½ and her CD at the Kitchener-Waterloo Trial with a score of 192.

On August 20 a Members Match for our club was held at the home of Mr. and Mrs. Dennis Oxley. The prizes were awarded as follows: First prize, Mr. Cook and Beau-Gal with a score of 194; second to Miss Bernice Emery with her German Shepherd, Blacky with a score of 191; third prize to Mr. Peter Kirk and his German Shepherd, Kleine, with a score of 189.

A good time was had by all and although the weather was a little cool, it was a good workin' day for the dogs. Our thanks to Mr. and Mrs. Oxley for the use of their home.

A demonstration put on by our club members and their dogs took place at the Beach Fire Hall September 10. Our training classes started September 24. On September 15 a weiner and corn roast was held at the home of Mr. Bruce Robbins of Stoney Creek.

September 11 saw the regular month'y club meetings resumed. The hosts were Mr. and Mrs. John W. Haggerty. Reports from officers indicated that training classes and treasury are in excellent order. Mrs. Lappalainen reported a good enrollment in the Junior training class conducted through the summer. Business dealing with October trials occupied most of the formal meeting time. The club sponsored Mrs. Lappalainen's attendance at the training forum offered by the Pearsall's in the recent Winnipeg trials and we expect to hear from her at a future meeting with respect to her meeting with the Pearsall's.

We began training classes again on September 20 and hope to have two locations each week: the Bearcat Clubhouse in Port Arthur on Wednesdays and another location in Port William on Thursdays.

Reports indicate that we can expect one or two Utility entries which should prove especially interesting at our October trials.

With the next season ahead, the club finds itself with a very active and enthusiastic membership ready for the hard work in the months to come.

During the Summer two mock trials were held. The dogs and handlers improved vastly and seem prepared for the real tests which are starting quite soon. Good luck to all the dogs and their partners.

Upper Canada Dog Club

by Mary Patterson

270 Durie St., Toronto 9, Ont.

To round out a Summer of outdoor members' matches, which included a Labrador field trial and an all-breed match, the members of the UCKC decided to throw seriousness to the winds for their August meeting. Therefore on August 20, they held a novelty match in the lovely gardens of Ruth and Geoffrey Walker in Lanstaff.

Competition was brisk to decide such important issues as which dog present could lay claim to having the largest feet, or the longest ears, or the keenest nose. Two of the women members showed extreme keenness of eye by guessing to within 1/2 ounce the correct weight of one of the member's dogs, in a canine weight-guessing contest. The children present took part in competition also, by urging their dogs on to determine the fastest four-legged eater. The dog and owner who had the most similar way of walking were also selected, with two judges equally sharing the blame for this choice! There was also a talent contest, which included a bongo solo by a Chihuahua, and an excellent display of object selection and retrieve by a Labrador.

All the members took a turn at judging, so that everyone had a chance to join in the fun.

the racing dogs or the starter. Handlers take the dogs up to the wooden traps. Flags are used to signal to the operator of the lure. The traps are sprung open and the dogs, fairly and evenly started, are on their speedy way. Handlers catch the dogs at the end of the track. Our dogs thrill to the racing, and muzzles so far have not actually been needed. All the racing dogs wear colorful cloth jackets, on which are sewn numbers. Each number is a different color so this makes the judge's decision easier. This is sometimes difficult as some dogs are very close together near the finishing line. The lure is a skin of a dead rabbit stretched over a board. This is attached to nylon cord which revolves around the hub of a car wheel. Everything is handled in a safe, efficient and organized manner which causes both spectators and participants to enjoy the sport to the fullest extent.

Our congratulations to Mr. Michael Doubleday whose Aynsley Borzois recently appeared on a television performance of Kennel Club.

We also salute Dr. R. J. Hanna on his recent acquisition of two more Irish Wolfhounds from Ireland. This makes his Glenstal of Dunamais much happier to have kennel mates from his native land around him.

Our Western Gazehound Club still is hoping for owners, anywhere, of Gazehounds to join our happy organization. This is especially meant for owners of Salukis, Greyhounds, and Scottish Deerhounds, as these breeds of the Select Seven are not, as yet, represented in our club. Racing enthusiasts, dogless or not, are cordially invited to attend our Sunday morning racing sessions.

The Windsor and District Kennel Club by Joyce Roberts

"Canidae", R.R. 2, Maidstone, Ont.

Our last meeting was held on August 8 at the Electrical Worker's Union Hall, with Mr. Critchley as host. Our President, Mr. N. Prinsen, was unavoidably detained and consequently the Vice President, Mr. S. Roberts, took the chair. Fourteen members were present.

There were many matters to discuss, coming under the heading of both old and new business. We were all very pleased to learn that our July shows were a financial success as we were nearly all amateurs in this phase of the dog "game". I think that I am justified in saying that they were a success in many other ways also as we have received lots of complimentary letters and remarks from satisfied exhibitors, with promises to come again next year.

Two committees were formed — Art Ferguson to head one to investigate the intricacies of incorporating the club and Fran Ferguson was chosen to form an Education committee, with Pat Miffin and Shirley Kerr as her assistants.

How the time flies by! Here we are again preparing for the coming Fall season's activities, commencing with a talk on Obedience by one of our friends from the U.S.A., Margaret Vandagriff. Margaret is well known in "doggy" circles around Detroit and belongs to quite a few dog clubs. She also breeds and shows longhaired Dachshunds, both in Obedience and conformation. You may have read some of her most interesting and pithy articles in the American Dachshund. Her column is headed "Via Vandagriff". Incidentally, Margaret also worked hard at our July shows as a ring steward.

One of our local theatres, the Capitol, was showing a film about "Nikki" an Alaskan Malamute recently. The manager phoned one of our members and asked if some of us could take our dogs to the theatre and parade them on the stage for all the spectators to see. He thought it would emphasize the doggy aspect of the film and give us a little publicity at the same time. Six of us were able to attend, Jean Hancock with a Collie (who got a rousing cheer from the children for being a "Lassie" dog!) Dick Pike with one of his Bassetts, Gord Kerr with a German Shepherd, Jack Critchley with a Weimaraner, Jack Fevreau and his Great Dane and last, but not least (except in size), was a smooth Dachshund with me, Joyce Roberts. The dogs all behaved beautifully and the audience certainly seemed to approve of our little exhibition.

Our club is now open for membership and any interested person should contact the secretary at the above address. Here's to a really enjoyable season. See you next month.

BOOKS ON BOXERS

Boxer fanciers are fortunate in that there is much good material available on this breed.

The Complete Boxer, by Denlinger, is the most valuable and well worth the cost of \$7.15. It deals with virtually any question that could arise, even to explanations of German terms in connection with imports.

Many people swear by Dr. Dan Gordon's book, *The Boxer*. This, too, is a complete presentation of the origin, development, breeding, training, showing and general care of the Boxer. It is available at \$5.35.

Others include *The British Boxer* by Daly (\$1.50), *Judging the Boxer* by Meyer (\$3.25), *The Popular Boxer* by Somerfield (\$4.75), *Boxers* by Emery (\$3.75) and *Boxers* by Wiley (95 cents).

The above books may be ordered through the Book Department, *Dogs in Canada Magazine*, 1173 Bay St., Toronto 5, Ont. Remittance (including 25 cents for mailing) should accompany your order.

BEST OF VARIETY

It's a Dog's Life

When my Miniature Poodle, Poke O'Moonshine Pepe, was changing his fangs, his gums hurt him quite a lot. At the same time my father had a bad tooth and his gums were very painful, too. That evening when Daddy went to bed, he put a heating pad on his pillow to see if it would ease the pain. During the night he became conscious of the fact that he wasn't the only one using the heating pad. Stretched out beside was Pepe, his head on the heating pad, his body under the covers, smiling. I think this proves beyond a doubt that dogs have more reasoning ability than they are given credit for.

1961 NATIONAL RETRIEVER EVENT

Most heart-in-mouth competition of the year for sporting dog men takes place October 6, 7 and 8. The 1961 National Retriever Field Trial Championship takes place at London, Ont. Host club is the Southwestern Ontario Retriever Training Club. Entries for the National are by invitations to owners of Retrievers and Irish Water Spaniels who have qualified during the year. Winner of the National last year was a black Labrador National

Field Champion, Smudge's Pitch, owned by Clifford Hunt of Grimsby, Ont. This was the first and only time an Ontario dog won the National Retriever Award. The National Championship Stake has been run on 11 occasions annually since the first one in 1950. Only five winner dogs have been Canadian owned. Since the National is held on a rotation system it is not likely it will be held in Ontario again until 1966.

DOGS IN THE NEWS

How small can a dog get? A recent item in a Toronto paper offered \$100 reward for information leading to the location of a young lady. Although little description supported the picture, it was stated that "She has a Toy Yorkshire Terrier named Samson".

Owner of a "toothless" dog shot by a Toronto policeman is contemplating legal action. The constable claimed the animal was shot when it attacked him. Owner claimed it couldn't have hurt the man because it had lost its front teeth.

In Sidney, B.C. a man checking the source of a dog's howling discovered that a Spaniel had tried to enter the yard at the rear of a cafe by an opening under a fence. The dog had thrust his head through and could not retreat. Held in that position he was trapped with his muzzle in a rising pool of rain-water. A yellow Labrador had discovered the plight and furiously dug a hole to lessen the water height.

Mrs. T. Blackburn, Bulldog breeder, reports that one of her females had pups last July, but has never been bred since. This summer she observed that some orphan babies were not thriving on a bottle. They were placed with her female for comfort, and apparently out of sheer sympathy she produced milk to feed them.

At Stouffville, Ont., a farm Collie named Rex killed a rabid fox fighting from the end of a six-foot chain. The fox had previously eluded police and conservation officers. Fortunately Rex had had anti-rabies shots, and although he received injuries to his hind legs, did not have to be destroyed.

GAINES OFFERS 600 PRIZES

Twenty-five registered purebred puppies will head the prize list for the "Name The Dogs" contest sponsored by Gaines Dog Meal starting in October.

Contestants must name the correct breeds of 12 different dogs illustrated in store displays and in ads appearing in October issues of *Weekend Magazine*, the *Star Weekly* and the *Country Guide*.

A total of 600 prizes will be awarded by Gaines for correct answers. In addition to the puppies there are 75 cash prizes of \$25 or \$10 each designed to encourage the purchase of purebred puppies, plus 500 calendars illustrating in color 110 different breeds.

Gaines has alerted kennel owners across Canada because the prize puppies will be purchased by Gaines from kennels nearest a winner's home. Only stipulations are that the puppy be one of the breeds used in the contest and it be raised on Gaines Dog Meal.

Aim of the contest is to increase interest in purebred dogs among both dog owners and non-dog families. The contest closes November 15.

Letter from camp: Dear Mother and Dad - I will be home on the 16th. I have a surprise for you. Please have ten pounds of dog meat ready.

Love,

Timmy.
