FROM THE EDITOR

One of the most ambitious and widespread projects undertaken by a breed club is announced in this issue by The Dominion Collie and Shetland Sheepdog Association. To encourage more representation of the Collie and Sheltie breeds in the Obedience field, the association will present a silver tea spoon to any Collie or Sheltie attaining a score of 195 or over at any licenced Obedience trial held in Canada during 1962. This offer is national, is not confined to any one province, and extends to American entries attaining this score at licensed Canadian trials.

To prevent disappointment it is essential, points out Mr. H. Malcolm Stephens, that show secretaries inform the association officials that they wish to make this offer part of their show and that it appears in the premium list. That is the only condition.

This is a generous and far-seeing project and should contribute much to the good name the Collie and Shetland Sheepdogs now bear. To own either breed must be a real pleasure, and to possess Obedience-trained representatives of these breeds would be a real joy.

Not many years ago it was a rare thing for the public to see dogs in action, outside of a dog show.

Within the past 18 months and more a number of clubs have been forging ahead with promotional programs which cannot fail to make a worthwhile impression. A number of clubs have worked hand-in-glove with television stations to produce not one, but a series of worthwhile programs. Many obedience groups have proven beyond a doubt that a properly trained dog is a credit to the community. Certainly it has stimulated an awareness in thousands that dogs are not only willing to undergo Obedience training but thoroughly enjoy carrying out instructions. Some of the clubs have successfully chosen a psychologically ideal spot for their repeated demonstrations — big shopping centres — and have been asked to return "by popular demand."

A real bullseye was scored, however, when the St. Catharines and District Kennel and Obedience Club not only entered a float in the Niagara District annual Grape Festival Parade (see Club Notes) but was awarded first prize in the big, highly competitive, event.

Notes: Address for Canadian Kennel Club Director Jack Anderson, which appeared on the September cover, should have read: 1316 Centre St. N., Calgary, Alta. . . . Be sure to make the most of the December issue to wish friends, customers and potential customers a very Happy Christmas. . . . the *January* issue will highlight the Terrier breeds. . . . *February* is especially for Dachshunds but will have articles on many other topics. . . . *March* is the big annual Gallery of Champions, plus the annual Samoyed number.

COVER STORY

Pictured is a striking Miniature Schnauzer from the Boxerley Kennels (Reg'd). This puppy, Boxerley Shetoo (along with a half-sister "Boxerley Sachet") who now owns Mr. and Mrs. Arnold A. Hart of Englewood, N.J., represents a double breeding on Can. and Am. Ch. Wilkern Killarney Dandy. The substance and confirmation indicated by "Shetoo" illustrates a substantial advance in one phase of a long-term breeding program based upon simple genetics. Can. and Am. Ch. Boxerley Bit of Marienhof, the dam of Ch. Boxerly She who whelped Shetoo, has contributed greatly to our study of this double inbreeding.

It will always be our aim to breed not for immediate future shows, but rather to produce sound stock with ideal temperament to the general improvement of the breed. From the apparent discrepancies seen in the show rings in the States and here it is obvious the breed standard is too variously interpreted.

Therefore, in the succeeding phases of our long-range program we carry on with "dogged determination" and "High-Hopes"!

BURLINGTON SHOW ATTRACTS 500 ENTRIES

Still by far the largest single all-breed show in Canada, the Burlington & District KC event attracted well over 500 dogs. Highest award of the show, held September 23 at Burlington, Ont., was captured by the Beagle, Ch. Beau A's Black Bomber. This marks his third BIS. Owner is Allan E. Beaumont of Scarborough, Ont. Twelve judges handled the event.

This was probably the most representative show to date this year and included several breeds rarely seen at Canadian Shows, such as a Pudelpointer, Ibecencos Pedence, Puli, Kuvasz, Griffon (Brussels) and Shih Tzus. Two Bedlingtons were also shown. Total entry for the all-breed section of the show was 431, with an additional 118 dogs entered in four specialties, making a total of 549.

The number of spectators was heartening, due in part to the pre-show picture-spread in the *Hamilton Spectator*.

Best Canadian Bred in show automatically fell to Bomber. Best Canadian Bred Puppy in show was to Chow Chow, Djoergan Tuan owned by Doug Schwart, Waterloo, Ont.

The show catalogue, with its usual gold cover, carried an insert containing a brief explanation of judging at a dog show, a highly commendable innovation for novice and spectator guidance. Another new note at the show was the uniform of goldenrod and blue worn by members of the club, two-piece outfits for ladies and shirts for men, bearing the club crest.

In the judging of the benches, that of Mrs. Betty Dickson, Ziska Kennels, Reg'd., was named the winner.

BLACK AND TAN VARIETY

. . . As owners of a Black and Tan Cocker Spaniel, we were very interested in Mrs. Anne Bullock's article on the subject of dropping the present classification and putting Black and Tans in the ASCOB variety as our friends south of the border do. May we say that we are in full agreement with Mrs. Bullock and have discussed this matter with an American Cocker breeder in the U.S. who thinks this is a fine feature of Canadian dog shows.

Our opinion is, let us keep the Black and Tans in a variety of their own as they are now classified in Canada today.

MR. AND MRS. D. MOUNTNEY
Ottawa, Ont.

BLACK AND TAN COCKERS

. . . I find it necessary to correct an article appearing in the September issue of *Dogs In Canada* written by Mrs. Anne Bulloch regarding the black and tan variety in American Cocker Spaniels.

I make reference to this variety with black and tans shown and bred in Canada because in the United States they are combined with the ASCOB variety.

Paragraph #1) To my knowledge there has been no effort to destroy the black and tan variety. To combine them with any variety would definitely eliminate or improve them. At the present writing I do not recall any black and tan that has a three-or four-point win to its credit, although there may be one or two occasions where this has taken place in the past year.

Paragraph #2) definitely incorrect—I recall the meeting chaired by Mr. Wm. Monaghan where this separation took place and Mr. John Devlin Jr. and myself were the mover and seconder, if my memory serves me correctly.

The reason was that a few years prior to this the ASCOB variety found the competition too tough competing with the black dogs and the varieties were divided. The ASCOB variety immediately improved but the basis for the improvement was the close proximity in Ontario of Can. and Am. Ch. Lee-Ebb's Roy Cavalier and Can. and Am. Ch. Maddies Vagabonds Return. These fine dogs were at stud in Buffalo less than 100 miles from Toronto.

The only black and tan I can recall who was a Canadian Bred and picked up a four-point win was a dog named Ch. Oke-do-kee and I handled the dog nearly 20 years ago at the Windsor Kennel Club show. In those days the black and tans competed with the partis for Winners.

At no time was any exhibitor under the impression that the ASCOB variety was

"I ROUTINELY FEED PERVINAL"

Mr. Nigel Aubrey-Jones, prominent breeder and importer of champion dogs, says:

"When I find a dog in a foreign country with proper standard conformation, I do not hesitate to import him. Invariably, it takes six months to one year of intense nutritional conditioning to prepare him for the show ring. In addition to beef and kibble, I routinely feed Pervinal to help assure an optimal intake of vitamins, minerals, bioflavonoids and lipotropics which contribute to full coat, sound bones and teeth, good reproduction function, better nerve and muscle coordination and resistance against infections and illness."

Owners, breeders and handlers of top dogs agree that "PERVINAL is PERFECT" for all breeds. Why not give your dogs the benefit of this tasty, economical, easy-to-use nutritional conditioner.

making points for the black and tan. The reason for the separation was to give the black and tan the same chance as the ASCOB with the hope they would improve in the same manner but this has not been the case.

As stated, the black and tans were at one time in competition with the partis and the amount of winning they did was negligible. Then they were placed with the ASCOB variety and the result was exactly the same.

To place the black and tans in competition with the partis would be perfect for the exhibitors of the latter variety, and I would welcome such a move, but black and tans are not produced by breeding partis as they only appear from their own variety or the remaining solid colors.

In the United States the black and tan remained with the ASCOB variety and many good ones have appeared and the only reason for this was the fact they had to be good enough to defeat the ASCOB representatives.

To me this is like winning a baseball game because the other team did not put in an appearance.

The record will show too many black and tans who have won their title with practically no competition. If exhibitors are interested in this type of champion the answer is obviously to leave them where they are at the present time. To substantiate this observation I draw your attention to the September issue of *Dogs In Canada* which lists 21 shows. At 16 of these shows the entry of black and tans consisted of one entry or none at all. Two of the shows had two entries and another had three present.

T. B. McRae

Toronto, Ont.

SPEAKING PERSONALLY . . .

Usually I can "take it or leave it" but the letter written by George Gerigs which appeared in the October issue of *Dogs in Canada* was a little more than even I could take. To begin with, I feel that the letter was in very poor taste, since he took it upon himself to apologize for all the breeders and exhibitors of German Shepherd Dogs who failed to exhibit at the CNE shows. I cannot speak for the others, but personally I dislike having someone apologize for me. I do not think that anyone has the right to criticize another for not exhibiting at any show—that is the privilege and prerogative of each individual—nor do I feel that any "excuse" is necessary. I will not attempt to answer the question of why German Shepherd entries are almost negligible at the CNE shows, and my own reasons for not exhibiting are strictly my own personal business. However, I am sure that the "excuses", as cited by Mr. Gerigs, are certainly minority reasons. I might mention that the great Westminster Show in New York fails each year to draw much of an entry in German Shepherds, which is food for thought. To my mind George Gerigs was himself at fault for showing (in his own words), quote, his "underweight, out-of-coat little female—and who in her present condition could have been beaten by half a dozen dogs—." Unquote. Anyone showing a dog in such poor condition is certainly not doing credit to the breed, himself, nor the dog in question and surely it would not be considered a compliment to the judge.

One statement made by George Gerigs particularly astounded me, coming as it did from a man who claims to have been acquainted with German Shepherds for 33 years. He said, quote: "We have fought the small ring excuse for many years and it is worn out. A good Shepherd or a good dog of any breed needs no more than standing room to prove his quality, be it good or bad." Unquote. I would defy anyone to properly and correctly assess a group of unknown German Shepherd Dogs by merely looking at them standing. A large ring is necessary in order to properly exhibit and evaluate a good German Shepherd. How many times have we all seen several dogs in a large class which catch our eyes and appear to stand out amongst the others while in show stance, but which, when gaited, "fall apart" in various respects . . . The German Shepherd is a true working dog, and his normal working gait is a trot. The well-balanced dog with correct muscular development and ligamenture, in good proportion and properly angulated, will reveal his excellent conformation (or faults of construction, as the case may be) when able to move easily without the restrictions of a small, inadequate ring which more often than not provides poor footing as well. Too often the "pretty" dog which is not built for stamina, endurance or working ability, wins in a small ring over much better Shepherds, simply because the good ones are restricted in movement due to lack of space while the former is in his element since he could not "give out" properly nor compare favourably in any but that kind of a ring. However, just in case anyone should get a wrong impression, I might add that I am not an advocate of the "rat racing" which, to my mind, proves little. I am confident that I have expressed the sentiments of most knowledgeable German Shepherd enthusiasts.

SUPERVISION FOR SHOWS?

. . . We had never considered showing a dog even though we had had good purebred dogs, until we purchased our Weimaraner and Poodle. . . . I often wondered why dog owners had station wagons . . . now I know — to carry decent chairs, blankets (as for the Sportsmen's Show, for man and beast) toilet soap, tissue, towels (the wash rooms I have seen look more like stables). Also to carry a lunch and thermos. A steady diet of hot dogs for 12 hours, also poor coffee and worse tea! I used to wonder why everyone at dog shows looked like ads for "tired blood". Now I know they are just "bloody tired".

You expect to sit, say from 10 a.m. to 6 p.m. and then it drags on and on. You have the prospect of a long hard drive home and also the fact that you are a hazard on the road. These aren't dog shows, they are endurance contests.

As for your editorial, it answers itself. You say, "who ever improved a show by staying away." I say, it's the only way. If owners do not show at poor shows you hit the clubs where it hurts, in the purse. We hear so much of "This show is under the rules of the CKC". How about under the supervision? Have the poor shows given a warning and then if no improvement, get tough and refuse a permit to have a show. After all, it is the dog owners who pay the shot, so why not give them some consideration? Proper benching, or at least room for the dog to lie down on its side, should be a "must".

We have shown our dog only once this Fall because the thought of a weekend in the usual surroundings in which shows are

held, the late hours as against a restful weekend — well, I'm a coward.

The only redeeming features are the very fine people I have met and the knowledge acquired.

DOUBLE HANDLING SCORED

. . . While vacationing in Ontario recently, I took the opportunity of attending the Oakville Dog Show on September 9. While viewing one of the breeds being judged in the conformation ring, I was both surprised and dismayed to see the owner of an obedience-trained dog giving hand signals from ringside. I felt this was unnecessary as well as being unfair to the other exhibitors, as this dog, besides being a good specimen of the breed, also had the advantage of a professional handler. It would seem that the trend towards poor sportsmanship is also taking hold of the obedience people.

A thought to remedy this situation would be the use of a volunteer second ring steward to observe the owners of the dogs at ringside while judging is proceeding. By this, we do not mean to imply that all exhibitors act as above.

LOIS BURPEE

Moncton, N.B.

It's a clever dog that can keep his head through unwarranted handling from both sides of the ring!

HOW CHAMPIONS ARE MADE

. . . I wonder if I might share with newcomers, like myself, my reflections on the value of the Club Specialty, in this instance the recent show of the Canadian West Highland White Terrier Club.

Here I found something great to aim at! Planned linebreeding — as exhibited by those dedicated breeders, The Kayes, who had seven Westies at the show, representing four generations of careful line breeding, an example stronger surely than words. If emphasis were needed it was easy to find—for not only did linebreeding produce the Specialty Show winner, Dina-Ken's Little Pip, her father, Dreamland's Phantom was Best of Opposite Sex. (It is worthy of note that the winner, a great Westie as we all know, was from an early breeding of The Paynes from foundation stock from The Kayes and Mrs. Navin, both of whom have assisted me greatly also. It shows how much the "old timer" can help by encouraging the newcomer and by seeing that he builds on a firm "foundation".)

And Mrs. J. H. Daniell-Jenkins coming out with five Westies as she did, despite the fact that her every waking hour this past summer has been spent travelling far and wide in qualifying as a judge of Westies and Cairns in the United States.

Also, must not these wonderful Westie companions have truly devoted breeders? The award for the entry from the farthest distance was taken by Miss Margaret Freemantle, who sent three of her best some 3,000 miles from Victoria, B.C. Runners up for this award were The Paynes from Bathurst, N.B., and Miss Barbara Worcester of Little Falls, N.J. (It was she who made it possible after six shows a year ago for me to say of one of my Westies, "beaten only by the Best in Show winner"!)

Everyone will agree that Mrs. Navin's Fons of the Rouge must have heard "Pomp and Circumstance" ringing in his heart, so proudly did he enter the ring and win the Veterans' Class over his nine-year-old litter brother, Ch. Fanfare of the Rouge, and The Adams' Ch. Roseneath Airflyte.

I reflected yet again as I saw two of the oldest breeders and lovers of Westies in Canada sitting there at ringside, Mrs. H. Jeudwine and Mr. Victor Blochin—must it not have been satisfying after 35 or 40 years of Westie breeding to see Westies gaining in stature, yet maintaining the highest standards any breeder could hope to set?

Our Club Specialty was an inspiration to me. May I take this opportunity, then, to say "Thank you" to all these fine people for this demonstration of how champions are made.

MORE WESTERN HOSPITALITY

In your September *Dogs* I was just reading of the excellent treatment Mr. Raby received from a Calgary kennel when travelling. I'd like to add my own experience to this when in Vancouver recently.

I took my Beagles to the PNE show, and while there on the Saturday got talking to a Mr. and Mrs. Appell, who have the Sunnyslope Kennels on Marine Drive. I happened to mention that I was staying with friends and the Beagles would have to be confined over the Sunday. They immediately offered to take them home with them after the Saturday show and let them have a good run, returning them to me on the Monday morning at the show. I accepted this offer with pleasure, and when they returned the dogs to me they wouldn't accept any payment whatsoever, but said it was just a gesture of welcome to a new exhibitor in their area.

I went out to their kennels after the shows were over and would like to state I've seldom seen a cleaner, better kept place. I'm glad my dogs stayed there, and so are the dogs. This type of hospitality makes dog shows a pleasure.

THE OLD TIMER

"More paving stones for Hades," fumed the Old Timer when he learned of my good intentions to exercise my right to deal with amendments.

"It's that time again, and what are you going to do about it?" asked the Old Timer.

"It's what time, and what am I going to do about what?" I asked.

The Old Timer reached into the drawer of his old desk, pulled out the current copy of *Dogs In Canada* and after opening it handed it towards me. He'd opened it at the pages carrying the blanks for nominations for officers and directors of The Canadian Kennel Club.

"It's the time when elections are coming up and I'm asking you what you're going to do about it?"

I looked a bit puzzled and the Old Timer noticed it, but he wasn't giving me any leads.

Finally I said, "Are you suggesting that I run as a director and do you want to nominate me?"

The Old Timer chuckled and leaned back in his chair. He reached for his pipe, loaded it carefully, got it drawing evenly and then chuckled again.

"Nominate you?" he asked. "Boy I don't think I'd nominate you for clean up man at a pet show. But I do think it's time you put up or shut up."

This time he knew he'd got under my skin. And to add insult to injury he chuckled again. That did it, and as he continued to grin I reached for my hat and started heading for the door.

"Whoa, just a minute," said the Old Timer. "Come back here, I want to talk to you."

I hesitated.

"So I jolted you did I?" he asked. "It was exactly what I was trying to do and I wish I could do the same to about 3,000 other members of the CKC."

So it wasn't personal. If I was lumped with a couple of thousand others it couldn't be so bad, so I came back and sat down.

"Okay," I said. "You've got something on your mind, so spill it."

The Old Timer's pipe had gone out, so carefully he separated the stem from the bowl. He ran a cleaner through both. He put them together again, ran a fine nail down through the tightly packed tobacco in the bowl and lighted the pipe once again. This time it apparently drew to his satisfaction and he leaned back in his chair, tilted his fedora back on his head and chuckled again.

"Yep," he said, "I was trying to get a rise out of you. You see, for two or three years now I've sat here and listened to you crabbing about how the Kennel Club is run. But what have you done about it? For instance, did you vote last year?"

I admitted that I hadn't. I'd got my ballots all right. I'd laid them aside intending to study carefully the various amendments on the referendum ballots and somehow or other I forgot all about them until after voting day was past. I told the Old Timer that.

"More paving stones for Hades," he said, "but I'll give you credit—your intentions were good. But it gripes me. Take a look at the figures after this election is over. I'm willing to bet right now, that only about 30 per cent of those eligible to vote will send in their ballots. And I'm willing to bet, also, that among the people to gripe most will be those people who didn't even vote.

"Now take your own case. You're a member of your breed specialty club. Your club used to stage shows that included all the breeds in your group. Last year there was an amendment designed to limit specialty clubs to a show for their own breed alone. That amendment was carried by a heavy majority. Now I notice in the minutes that pressure is being brought to bear to rescind it. I wonder if it ever would have carried if breed clubs interested had taken steps not only to have all their own members vote, but also to inform non-specialty club members of the implications of the amendment."

Certainly the Old Timer had me there.

and tan gal, Avent's Dee of Blackcrest, owned by Mrs. M. Avent, Dartmouth. She was of medium size, well balanced and low stationed, with correct coat, good feet, well chiseled head, well filled deep chest and correct ribbing.

First in Canadian Bred Bitches Class, 2nd in Open and Reserve Winners Bitch was a lovely young lady of two years, the black and silver Bonny of Harrietsfield, owned by D. W. Major, Harrietsfield P.O., N.S. Of medium size, well balanced and in good proportion, shown in good muscular condition, she presented a nice picture.

First in the Open Bitch Class as well as Winners, Bitch, Best Opposite Sex and Best Canadian Bred, was the beautiful, typey black and tan female of three years, Kandoucho's Cleo, owned by Harry Watson of Beamsville, Ont. Of medium size with plenty of substance, well balanced, low stationed and in good proportion, she showed well and presented a lovely picture. Aside from the fact that shoulder blades could have been a little closer together at the top, she was very hard to fault.

It was interesting to learn afterwards that both the Winners Dog and Winners Bitch attained their championship titles that day.

Following the show a delicious dinner was given by the club and a film called "Harro Paus Auf", loaned by Toni Kleinjohann, was shown.

Your veterinarian has a profound knowledge of Animal Nutrition. Years of study and practice have taught him the importance of a balanced diet. He knows which foods contain the essential nutrients your dog needs for good health. Such nutrients as Vitamin A and Vitamin E, for instance, to combat night blindness and skin disease. Broad practical experience, frequent consultation with fellow veterinarians, and familiarity with new developments in veterinary medicine make your veterinarian the person best qualified to prescribe your dog's diet.

YOU WERE ASKING

Q. I am not sure at what age a dog, male or female, would be considered fully mature. What age would you say?
A. *Most dogs are mature at one year of age. However, larger breeds such as Great Danes are not considered mature until 18 months. Smaller dogs mature earlier. Toy dogs mature sexually as early as seven months. Larger breeds first season 14 to 18 months.*

Q. Why do dogs, not necessarily very young puppies, to all appearances well fed, chew wood, earth, sand and other materials?
A. *A lack of certain essential minerals and vitamins in the growing animal may create an unnatural appetite. However, all young animals, including man, seem to thrive on eating dirt and other objects over the growth period.*

Q. What is metritus? What is the cause, and how is it cured?
A. *Metritus is inflammation of the lining membranes of the uterus (or womb). It is caused by infection introduced during oestrum (heat period). Some cases follow pregnancies with retained placenta. Other cases are sterile changes found in older animals and perhaps hormonal or senile background. The only real cure is hysterectomy. Occasionally, in younger animals, acute infection may be treated successfully. It is generally considered wise to breed your females and if not they should be spayed. Many surgeons feel it wise to perform hysterectomy on dogs at the age of eight years as surgery could prevent metritus in later life.*

Q. Do dogs have allergies, like people?
A. *Yes — But not usually so violent nor from so many different substances. Very occasionally, dogs are allergic to penicillin and to food allergy, such as pork, wheat or horsemeat. Some dogs are allergic to egg protein, particularly from sensitisation through vaccination. Many vaccinations are chick-embryo origin — egg protein.*

Q. We have just lost our dog through distemper and want to purchase another one. How long should we wait? Is there anything that should be done around the house to destroy any remaining form of infection?
A. *A virus of distemper is usually killed, once it is outside the animal body. Usually two weeks is sufficient to destroy any residual infection. One month is quite long enough to wait before purchasing another dog. To destroy any remaining form of infection you should destroy collars, brushes, sterilize food bowls by boiling and disinfect anything that may be urine soiled with a recommended kennel disinfectant.*

Q. What is "rubber-jaw" disease? Is it unusual? How is it caused?
A. *"Rubber-jaw" disease is Renal Ricketts. It is caused by severe kidney disease and produces a de-calcification of long bones, including the jaws, so that bones lose their rigidity and become rubberized. It is unusual, but may be found in dogs in the age groups of five to eight years. It does not usually occur in younger dogs. Most veterinarians see several cases per year. It is a fatal disease.*

Q. I have seen a dog spinning round and round in its yard. What could be wrong?
A. *This could be caused by an irritation of the tail. It may be a vice which some dogs develop. It could possibly be a form of mental distress.*

Q. Is there a good diabetic diet for dogs?
A. *In general, the usual diet for a dog is protein diet. You must avoid all sugars. A dog's diet normally is a good diabetic diet because they are a high protein consumer.*

Q. Does it hurt the female to eat the afterbirth?
A. *It does not hurt the female to eat the afterbirth if the placenta is fresh and a good color. If the discharges are greenish black, indicating that the placenta is broken down she should not be allowed to eat many of them. A fresh placenta is pinkish and if eaten could not be harmful, indeed it could be good for her. The other kind, however, could cause diarrhea.*

THE COLLIE — WHAT IS HE?

by Harold Wellwood, well-known Canadian breeder of Collies under the "Halcath" prefix, who openly discusses a question perplexing to most present-day breeders

To the one-pet Collie family, or to the would-be Collie owner, this magnificent animal has long been the symbolic ruler of the canine world; an image that no breeder wishes to destroy, not intentionally at least. But in their today's dilemma as to what the Collie is, is there a possibility that the breeder and exhibitor may cause that picture to become distorted?

Dilemma! What dilemma, you ask? This is all news to us! It's news is it? Then the next time you are at the ringside, listen carefully, for you're sure to hear a conversation that goes something like this: "Which one

THE COLLIE

continued

do you like in there, Mabel? Gosh honey, I don't know yet. I think I kinda like the tri. Yes but Mabel, didya see him move? Why, Irene? Dear, he carries his tail a mile over his back. Gee, too bad, and he is so nice otherwise; a real working dog to my way of thinking. I know, honey, but you can't have too gay a tail. Well Irene, which one do you like then? Well, that sable up front looks pretty good to me Mabel, but I would like a wider chest. A Collie's got to have room for a strong heart, or he's not going to be able to work very long!"

Therein then lies the dilemma; unknowingly we breeders appear not to have completely made up our minds as to whether the Collie is or is not a working dog. For similarly to the two ladies in the conversation, when a good working type appears, he is immediately and sometimes overpenalized for faults that have no bearing on his capacity for work. Then in the same breath, when one comes along possessing all the finer frills and details, he is discarded because of faulty movement or some other deficiency that supposedly is a deterrent to his working ability. What then do we want? Do we really want a working Collie, or a parlor Collie that belongs in the non-sporting group?

In unison, voices will rise to proclaim the Collie a working dog, but many are giving this proclamation nothing more than lip service. For our present Collies, if we are honest with ourselves, are largely nothing more than excellent companion dogs, unless of course, we class as work the superb manner in which they guard and watch over our children. The only true working Collie is the Border Collie, who when bred, is bred for his herding ability and not his looks.

It is quite idealistic for us to set as a goal a Collie that conforms to today's Standard and at the same time is a working dog in every sense of the word. The unfortunate part of the ideal is that of the conflict in emphasis and when trying to breed them together something has to be sacrificed somewhere along the line. This is not to say that it is impossible to breed a true working herder within the bounds of the Standard, but with today's high cost of living with its resulting trend to small kennels and desire to get our young pups off to a fast show-winning start, no one has the time or means to breed such a Collie.

The writer is no different from any other Collie breeder of this era and has passed up the opportunity to breed for outstanding herding ability many times because of lack of conformation. This sin no sheep rancher would ever commit, for above all else, he must preserve the herding instinct. As a point of illustration, let us tell you the story of Kris.

Kris is the freedom Collie at Halcath. You know the type. Nearly every kennel has one. All brains but not much beauty, so he is given to the children as was our Kris seven years ago this coming Christmas, while still a pup and just ready to leave the nest. His freedom is gained in that he has complete run, although he doesn't take it, of 93 acres, except that he is not permitted to place a foot inside the kennel. He is the official greeter of every car that enters the straight but rather lengthy driveway, "scaring" the living daylights out of its occupants, although he wouldn't harm a flea just as long as it didn't make threatening gestures towards the younger children. To some degree that statement must be retracted. He kills cats, pheasants and muskrats. The only cats safe on our property are the occasional ones the youngsters have inherited. These felines eat out of the same pan with Kris and sleep cradled safely and snugly between his outstretched legs, or up on his back. Not even heaven can protect and save the nine lives of any neighboring tomcat bully who dares attack one of Kris' furry friends.

On his dam's side, Kris was not too well bred–his mother, a white with sable head, was just an average Collie with nothing too much behind her until you went about three or four generations back where a few good ones appear. However, his sire was a Canadian and American champion, as was his paternal grandmother. As a matter of fact, his sire represented the seventh or eighth straight champion through the male line, all of which helped to improve Kris over his dam somewhat, but nowhere near enough as to even let him get a "sniff" of a show ring. A sable and white, he has a good strong muzzle, length of head, a sturdy body and hindquarters as solid as the rock of Gibraltar, but all physical attributes stop right there. Although almond shaped, his eyes are too large with one light haw. His skull does everything the Standard says it shouldn't. It recedes both backwards and laterally. His ears are set too low on his head, and while one ear is a fairly reasonable facsimile of a good Collie ear, the other would make any Basset Hound envious. Then to top off all these unpleasantries, when in motion, his tail is unceremoniously carried over his back!

Despite these liabilities, Kris has intelligence in abundance and the natural instinct to herd. Several years ago my wife thought it would be fun to raise some chickens, but it didn't take her long to decide to leave the comedy to the likes of Red Skelton, and company. However, each day as she gathered up the chicks to put them in for the night, instinctively Kris helped her round them up in true Shepherd fashion. This took place each day around 5 p.m., and when the chicks had become chickens and we wanted them to take full advantage of the long summer evenings so as to increase their egg production, Kris never having forgotten his earlier lessons, continued on his own to put every last chicken up to roost at five, and made "darn" sure that not one decided to get down.

The instances in which Kris manifests herding instincts are numerous, and keep showing up regularly. If we were really serious in breeding a true working Collie, and if we had been a sheep rancher, we would have unhesitatingly bred Kris back to his paternal grandmother who displayed even greater herding ability than he. The fact that his grandmother achieved

shetland sheepdog association

by Jean D. Simmonds, author of
"The Illustrated Shetland Sheepdog Standard"
(illustrations by the author)

Angulation is the term used to describe the relationship between the various bones of a dog's fore-and hind-quarters. While this article has specific reference to the Shetland Sheepdog, the analysis could be applied to other breeds as well, since all dogs have the same basic anatomical structure. The analysis could be made either as a problem of geometry or one of mechanics. The geometric approach has been chosen for this discussion, with the hope that an engineer or physicist might find the problem sufficiently challenging to produce another article using mechanics as the basis for analysis.

The Shetland Sheepdog standard refers to the term angulation in several sections:

FOREQUARTERS

"From the withers the shoulder blades should slope at a 45° angle forward and downward to the shoulder joint. At the withers they are separated only by the vertebra, but they must slope outward to accommodate the desired spring of rib. The upper arm should join the shoulder blade at as nearly a right angle as possible. The elbow joint should be equidistant from the ground and from the withers . . .

Faults—Insufficient angulation between shoulder blade and upper arm. Upper arm too short, lack of outward slope of shoulders . . .

HINDQUARTERS

There should be a slight arch to the loins, and the croup should slope gradually to the rear. The hip bone (pelvis) should be set at a 30° angle to the spine . . . The thigh bone should be set into the pelvis at a right angle corresponding to the angle of the shoulder blade and the upper arm. Stifle bones . . . should be distinctly angled at the stifle joint . . .

Faults—Crown too straight or too steep . . straight stifle.

GAIT

The trotting gait . . . should denote effortless speed and smoothness. There should be no jerkiness or stiff, stilted up-and-down movement. The drive should be from the rear, true and straight, dependent upon the correct angulation, musculation, and ligamentation of the entire hindquarter . . . Reach of the stride of the Foreleg is dependent upon the correct angulation, musculation and ligamentation of the forequarters, together with the correct width of chest and construction of rib cage.

The foot should be lifted only enough to clear the ground as the leg swings forward . . .

Faults—Stiff, short steps with a choppy, jerky movement. Mincing steps with a hopping up and down, or a balancing of weight from side to side (often erroneously admired as a "dancing gait", but permissible in young puppies).

Lifting of feet in a "hackney-like" action, resulting in loss of speed and energy. "Pacing gait."

Starting at the withers, (the point where the spine becomes the neck), the shoulder blade, or scapula, should slope forward at a 45° angle from the perpendicular. To give the dog proper width across the front, the scapula must also slope outward from the center line of the body. The size of the rib cage determines the lateral displacement of the scapula, hence the desire for a well-sprung rib cage (as well as to afford ample room for strong heart and lung action). The canine scapula, like its human counterpart, has very limited action, and the purpose of this action may be considered similar to that of the shock absorbers in the front end of an automobile (as is also the flexibility of the pastern, or wrist joint). Because the motion of the scapula is limited, the importance of the 45° angle cannot be stressed too greatly, for the amount of slope to the scapula determines the smoothness with which an animal moves. A line extended forward along the center ridge of the shoulder blade to the ground determines the length of the dog's reach or stride (Figure 1). If the scapula is too steep (less than 45° from the perpendicular and denoted as a straight shoulder), the reach of the dog's foreleg will be shortened considerably, and his movement will be

more overleaf

Shetland Sheepdog Angulation

continued

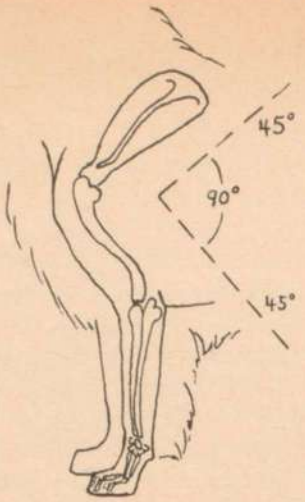

Fig. 3: Correct Front Angulation

stiff and choppy, and the dog will bounce in faulty gait.

Another result of the straight shoulder is the very undesirable hackney-like action. Because the dog's stride is shortened, he must achieve proper timing (i.e.–have front and rear feet strike the ground at the same moment in a two-time gait) by lifting the front foot higher than normal so it will be suspended for a second longer while the hind foot is brought forward (Figure 2). On the other hand, if the shoulder is sloping backward more than 45°, the stride length will again be impeded, this time in the backward swing of the leg, and again the movement will be stilted.

The upper arm bone, or humerus, is attached to the outer end of the scapula at the shoulder joint, and slopes toward the rear at a 90° angle from the scapula. Since the scapula is 45° from the vertical, the humerus is also 45° (Figure 3). The humerus moves very freely in a fore and aft direction, and the extent of its motion is important in allowing full free swing of the entire leg. If the angle between the scapula and the humerus is greater than 90°, the vertical distance from the withers to the elbows (or lower end of the humerus) is increased. The more nearly vertical the humerus, the shorter the extensor muscles, thus the full action of the foreleg is impeded and the stride is shortened.

As the foreleg commences to move forward, the dog must first get its toes off the ground in order not to trip over its own feet. This is done by a backward flexing of the pastern, followed by the forward motion of the fore arm, and then by the upper arm. The leg is brought foreward and extended to the limit of its stride. With proper angulation this will be a full swinging motion denoting effortless speed and grace (Figure 4), while the poorly angulated dog will be forced to bounce (Figure 5).

Equally important is the proper angulation in the rear quarters. The set of the croup (or slope of the pelvic bone) should be at a 30° angle from the spine (Figure 6). This slope, like that of the shoulder in the front assembly, determines the distance which the hind leg can be extended backward. A steep croup—one closer to 45° to the vertical, shortens the action of the hind legs, and tends to throw the stifles and hocks out of line when the dog is standing still.

The upper thigh bone, or femur, should correspond to the angle of the scapula and upper arm, thus it should be set at a 90° angle from the pelvis.

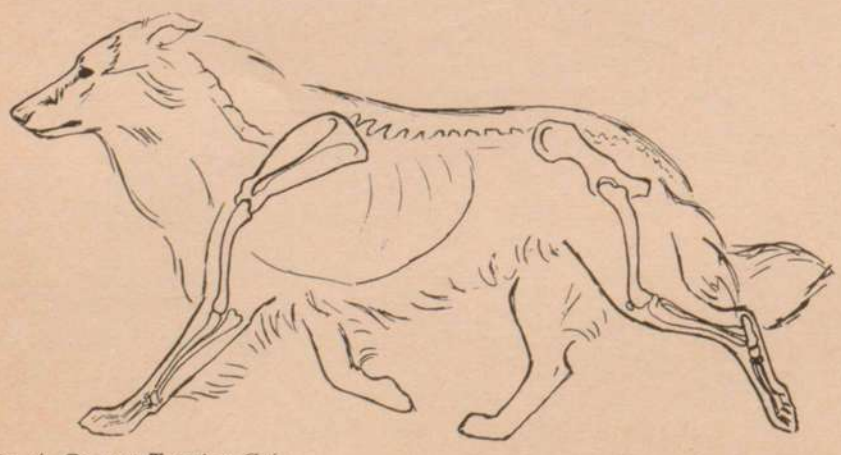

Fig. 4: Correct Trotting Gait

Fig. 5: Bounc

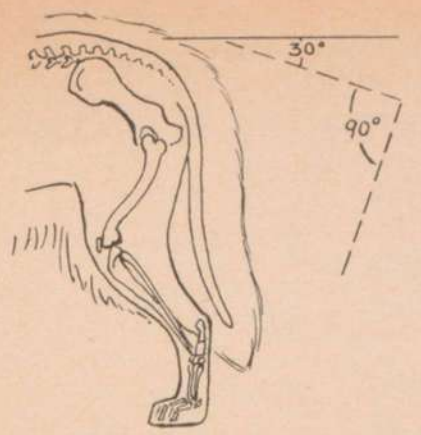

Fig. 6: Correct Rear Angulation

This is the essence of Balance—that the relationship of the bones in the forequarters corresponds to that of the bones in the rear quarters—and is mandatory in producing smooth, precise movement. If the two quarters are not in balance, movement will be thrown out of kilter, and the dog will have to resort to mincing or prancing to maintain timing. It is difficult for many to understand that a dog with a faulty front and a properly angulated rear (or vice-versa), is actually not as well off or as sound as the one with slight lack of correct angulation in **both** quarters, for the latter is in better balance, and can therefore move with less effort and for longer periods of time than the former.

If the body (or spine length) is short for the amount of angulation present, the dog will strive to achieve proper timing by "crabbing", or sidling. In this case he is moving his hind feet a little to one side to avoid clipping his front feet, for when the hind feet are brought forward, the back-extended front feet would be in their way (Figure 7).

The well-angulated stifle (fibula and tibia bones joining the thigh and the hock) is desirable due to the fact that it affords greater speed and endurance by improving the leverage action of the hind legs. This allows full use of the powerful rear drive desired in the Sheltie to propel its weight forward.

To sum up, angulation is an all-important factor in producing true working-dog movement in the Shetland Sheepdog. Without proper angulation the dog will have faulty gait in one manner or another, depending on what his particular problem is.

Some angulation problems are hereditary and some can be avoided with proper exercise during the formative stage of a puppy's life. Occasionally, a properly constructed animal will have poor movement, and this is usually the case of the dog which lacked ample exercise in his early months. Breeding from poorly constructed animals will only increase these already too prevalent faults, hence this should be avoided. Care should be taken to see that puppies get adequate exercise when they are young. By adequate exercise is meant good hard running that leaves the pups breathless. This fills out the lungs and encourages good spring of rib, as well as helps to develop the coordination of muscles and bones in the fast-developing quarters, thus enabling the mature animal to obtain maximum benefit of its inherited structure.

THE IMPORTANCE OF CORRECT TEMPERAMENT

by Frances Clark

The problem of retaining correct temperament is not limited to my breed, the Shetland Sheepdog, but is one that faces all breeders, particularly of working breeds. While soundness and structure are very important in any working dog, regardless of how excellent an individual may be structurally, it cannot do the work for which it was originally bred if it is nervous, highstrung or shy. The herdsman or farmer cannot rely upon this type of dog as, more often than not, it will turn tail and run the minute it hears an unfamiliar sound or sees a stranger approaching. Therefore sound temperament is one of the most important qualities to strive for.

While only a limited percentage of the dogs we raise will ever be used for the work that is their heritage, we as breeders must not lose sight of the purpose for which our breed was originated. In the dogs we select to show we attempt to come as close to our breed Standard of perfection as possible and the correct breed temperament is a very important part of that ideal.

What is the correct breed temperament? Our breed Standard says "The Shetland Sheepdog is intensely loyal, affectionate and responsive to his owner. He may be reserved towards strangers but not to the point of showing fear or cringing in the ring." The faults listed are "Shyness, timidity, or nervousness. Stubbornness, snappiness or ill temper." The statement "he may be reserved towards strangers" is very often misinterpreted, with the words "shy" and "reserved" being used interchangeably. A "reserved" dog is steady to the approach of a stranger, but shows no particular interest, nor affection; whereas a "shy" dog will run from an approaching stranger and usually go into hiding until the person has left. The Sheltie is, first and foremost, a working dog, bred to protect livestock, property, and its family. *It must not show fear, nervousness, or shy traits!!* This is something which should be remembered, not only in selecting breeding stock, or working stock, but in the show ring as well. It is alarming to note the number of judges who look upon the Sheltie as a "pretty little pet — a ladies lap dog", passing on them accordingly, overlooking faulty temperament, as well as serious structural faults (and unsound movement). The Sheltie is a member of the Working Group — an honest working dog — and it should be judged as such! Perhaps, if more judges could visualize the dogs doing the work which they were originally bred to do, on land such as the Shetland Islands, they would realize how important sound temperament and structure are.

Each and every breeder must give serious consideration to correct temperament in his breeding program. As in breeding for the correct head, ears, coat, structure, selectivity is the road to improvement. Use only those individuals which you know have sound temperament behind them by heredity. Eliminate from your program any that have hereditary nervous or shy traits, which they have or may pass on to their progeny. Do not be satisfied with any dog that shows faulty temperament by heredity, regardless of possible quality, for the reputation of your breed and you as a breeder, are at stake.

On occasion, we run into a "man-made" temperament problem in a dog. This type of individual does not have to be eliminated from our breeding program, for obvious reasons—the problem is not an inherited one. More often than not, it can be overcome, through patience and training.

How can you most effectively impress the general public as to the temperament of your dogs, and the excellent characteristics of the breed as a whole? The answer to that is, the field of Obedience! Not only can Obedience help further your breed and you as a breeder, but it can also assist in the cure of any man-made temperament problems you may run into. Train as many dogs as you are able to. Encourage your customers to enroll their pets in organized obedience classes . . . see that as many as possible are entered in trials and don't stop at the CD level! Show off the Sheltie's natural ability to learn, its desire to please, and its intelligence and steadiness compared to other breeds. A well-trained dog in trials, in the show ring, on the street or in the home leaves a lasting impression. ■

THE COLLIE

/ continued

her double championship while still a three-year-old is no cause for the reader to excitedly conclude that here then is solid proof that a show-winning Collie can be a good herder. Without taking anything away from grandma whom we retired many years ago to become our star boarder, she never so much as won her class in either Canada or the United States when shown under a specialty judge. All her wins were under all rounders who give extreme impetus to body structure and showmanship, while disregarding the finer points stressed by the Standard. Consequently, Kris has been forced to live the life of a well behaved bachelor, for if we had ever used him on his grandmother, the resulting litters, although they would have been much in demand by neighboring cattle raisers, would have never been accepted in the ring. Not to have acceptable show Collies to-day, is a sacrifice no Collie breeder wants to make, but a sacrifice which nevertheless has to be made if one is serious in breeding a really true working Collie.

Let us not continue then to kid ourselves much longer. With each succeeding generation the herding instinct is drifting farther and farther away, and the Collie becoming less and less a working dog. Soon it will be time to give thought to re-evaluating the Standard and to consider reclassifying the Collie and placing him in the non-sporting group, where incidentally the Boxer, the Dane, and a few others of the so called working breeds could follow. The dissenters can be heard screaming now, "No, no, we can never allow that—the Collie was meant to be a working dog—a herder!" Well then, we dare you! Breed to Kris and the thousands like him! In the meantime, the writer will continue to play follow the leader and string along with the parlor breeders and our showcase Collies. ■

It was after one of the largest shows in North America. Exhibitors and spectators were clamoring for dinner and the waiters in all the adjacent restaurants were busy to the point of being disorganized. One party in particular waited for nearly an hour, failing to get the attention of the waiter in their section.

When the party returned next year, the waiter was missing. "Well," said one of them drily: "The Lord must have finally caught his eye."

SHEPHERD SPECIALTY DRAWS GREAT ENTRY

by Warren Parkinson

The 39th, in a tradition of great specialty shows, surpassed its predecessors. Held September 16, the quality as well as the quantity (131 entries, another Canadian specialty show high) was outstanding. Many of the world's finest Shepherds came here in search of Canadian honors. With our Canadian entries there were 52 American entries, from California to Puerto Rico. Eight of the dogs were bred in Germany. The large classes in the 100′ x 110′ ring, shone with many stars of the Shepherd world.

Our Tracking Test, October 1, was held under weather conditions ranging from very windy with rain, to nearly ideal. As the previously plotted tracks are allotted by a draw, it was indeed a pity to see some good dogs fail on real tough tracks, especially since this was Ontario's only tracking test. "Next try next year". The four dogs that passed received handsome Club plaques, culminating months of training for the one track that really counts. We offer a sincere "thank you" to our hosts Mr. and Mrs. Alfred Schmocker and to our judges Mr. Fred Pfieffle and Mr. Walter Conradt for giving so freely of their time and talents to make this tracking test one of the best yet, certainly so financially.

Winner of the Kleinjohann Challenge Trophy this year is Jess Cornish's Caius v. d. Grippsnau CDXT, bred by Mrs. Jo Taschner. This new concept of a show, which combines working ability and conformation to type, was conceived by our President and really seems to be attracting attention. Here the dogs must first perform in an obedience test, in which shots are fired, and are afterwards judged for sound body structure. This year's event was held October 8, on the beautiful grounds of the "Kleinjohann" home. Judges were: Obedience, Mr. Fred Pfieffle; Conformation, Mrs. Mary Southcott.

Above, left: Best Canadian Bred in Show was Am. Ch. Aldona's Constellation. Right: Best of Opposite to Best Canadian Bred was Seagritz Brandie.

These alert dogs and their owners participated in the Tracking Test.

Gaines Professional Service Centre

The Gaines Professional Service Centre is sponsored by the makers of Gravy Train, Gaines Meal and Rally. Its services, created by professionals, are designed to help you improve the standards of excellence in dog care. The service is composed of three important elements: *The Research Centre* gathers, publishes and distributes information of interest to dog lovers. *The Research Kennels* constantly develop new and better foods and feeding methods. Enrollment in the *Professional Plan* gives quantity rebates on the food you buy and provides information prepared by the Research Centre.

For full particulars on the Gaines Professional Plan and the Gaines Professional Service Centre write to:

General Foods

Box 4019, Terminal "A", Toronto, Ontario

All Gaines dog foods are developed by nutrition experts at the *Gaines Research Kennels*. Each contains all the nutrients dogs are known to need.

Over 100 breeds and nearly 1,000 breeders are listed on the following pages. Information on Boarding Kennels, Grooming, Handling and Training services (as well as breeders of Cats) appears on page 53. The asterisk appearing after many of the kennel names indicates we have received, from the kennel, a veterinarian certificate certifying these kennels "are maintained in a sanitary, infectious disease-free condition and that the animals present are in a healthy condition".

FIELD TRIALS

by Robert L. Blyth
Chairman, C.K.C. Field Trial Council

As Chairman of the Field Trial Council I had occasion to place before the Board of Directors at its semi-annual meeting held in August, a report on a variety of matters having to do with field trials generally, and in some cases, with regard to specific types of field trials. I have been authorized by the Board to write an article for publication in "Dogs in Canada" covering a number of these subjects, with a view to obtaining the views of clubs and persons interested in such matters. Further reports and recommendations on these subjects will be placed before the Board of Directors at its annual meeting to be held in February, after we have received and considered such comments as may be submitted to the Secretary of The Canadian Kennel Club so as to be received by him not later than Friday, December 15, 1961.

JUDGES FOR RETRIEVER FIELD TRIALS

For many years the Field Trial Rules of The Canadian Kennel Club did not require any specific procedure by which a person would establish his eligibility to judge at a licensed field trial held under the Club's rules, the choice of competent judges being left to selection by the clubs conducting field trials, subject of course, to a final approval by The Canadian Kennel Club.

On January 1st of this year the section of the Field Trial Rules dealing with judges was amended by way of setting out certain specific requirements in connection with judges for licensed Retriever trials. As far as this section relates to Retriever trials, it required that a person who had not judged a given stake at a licensed Retriever trial held under the Club's rules within a five-year period prior to December 31, 1960, or who had not been approved by The American Kennel Club to judge that stake, was required to follow through with a procedure that he submit an application, which would be referred to the Field Trial Representative, who would convene a committee of three persons to consider the applicant's application and supervise the applicant's progress as a student judge. The applicant was required to "apprentice" at a number of trials and reports on his work would be submitted, after he had acted as a student judge at three trials. It further provided that a student judge could not be examined for a major stake until he had been approved for the minor stakes. Although this amendment to the Retriever Field Trial Rules was approved on the referendum ballot conducted last year, it has evoked considerable opposition from the majority of clubs conducting licensed Retriever trials under the Club's rules, and the Board has been petitioned to take steps to have these new requirements deleted from the Retriever Field Trial Rules and the following substituted in its place:

> "Judges of any official Stake at a C.K.C. licensed Retriever Field Trial should be thoroughly experienced in handling, training, and the requirements of Retriever work.
>
> "In Open, Limited, or Special All-Age Stakes, and in Amateur All-Age Stakes there should be two Judges, and the combined experience of these Judges should be such that they have judged a total of three Open, Limited or Special All-Age Stakes. If three Judges are used their combined experience should be such that they have judged a total of five such stakes."

The comments and suggestions of clubs and persons having an interest in Retriever field trials are solicited with regard to the present rule, this proposed change in the rule, and any other suggestions with regard to possible revision of the existing rule.

JUDGES FOR BEAGLE FIELD TRIALS

Letters received indicate a considerable interest on the part of persons and clubs interested in Beagle field trials in a system of qualifying judges for Beagle field trials. Some of these proposals have to do with a system of apprenticing whereby applicants would follow through a series of steps designed to test their ability to competently judge field trials with a view to their names being placed on a list of approved Beagle field trial judges.

Comments and suggestions of clubs and associations interested in Beagle field trials are sought on the question of whether such a system of qualifying Beagle field trial judges should be instituted and if so, just what plan should be placed into effect.

JUDGES FOR FOXHOUND FIELD TRIALS

The All Canadian Fox Hunters' Association has compiled and submitted to the Board of Directors a list of persons which it considers competent to judge licensed Foxhound field trials as well as the National Championship Stake conducted each year by the All Canadian Fox Hunters' Association. At its meeting on October 10th the Board approved this list, which is available to any club holding a licensed Foxhound trial under the Club's rules.

JUDGES FOR OTHER TYPES OF FIELD TRIALS

At the moment the Board has not received any suggestion that any steps should be taken to amend the Field Trial Rules with regard to the selection of judges for other types of field trials. As long as clubs conducting other types of field trials and those participating in them are satisfied with the present methods of selection and approval I see no reason to suggest any change to the Board. However, I would welcome comments on this question from both clubs and persons interested in other types of field trials, with a view to deciding whether any change in the present rules is desirable.

OFFICIAL MEASUREMENT OF BEAGLES

Some time ago the Board of Directors set up a series of regulations covering the official measurement of Beagles in order that a permanent official measurement certificate could be issued which would hold good at shows and trials held under the Club's rules, and would eliminate the necessity of measuring a Beagle for which an official measurement certificate had been issued, at any shows or trials held under the Club's rules. A number of suggestions have been submitted with regard to changes in the regulations, and it is proposed that, at the Club's next annual meeting I shall place before the Board specific recommendations on what changes (if any) should be made in those special rules.

In order to reach a decision on what recommendations to place before the Board, I would welcome the views of clubs, associations, and persons interested in Beagle field trials on the following specific points (and any others which might occur to those who wish to write in this connection):

1. For the purpose of the official measurement of a dog leading to the issuance of a permanent official certificate, should the official measuring take place at a licensed field trial, or at a championship show, or be conducted away from a show or trial?
2. Should we require that the report of an Official Measurer, by the Official Measurer(s), be in the form of a sworn declaration?
3. Must the owner or authorized agent of the owner be present throughout the official measuring?
4. Who shall pose the dog when it is officially measured?
5. Shall the report of an official measurement, by an Official Measurer(s), state the exact height found when the dog was officially measured, or is it sufficient that the report merely indicate the particular height division into which a dog is measured?

6. May the Official Measurer(s) use any acceptable measuring standard which is owned by himself or a trial-giving club, or should we restrict the measuring to a measuring standard provided by The Canadian Kennel Club?
7. The present rules require that a person wishing his dog to be officially measured must pay a fee of $3.00. Should we require the payment of a fee by the owner of a Beagle who wishes his dog to be officially measured, and if so, what fee do you suggest?
8. At the present time we require the official measurement to be conducted by an Official Measurer appointed by The Canadian Kennel Club and the report of the official measurement will be signed by him and two witnesses other than the owner or his agent. Should we amend this regulation to require measurement by three Official Measurers appointed by The Canadian Kennel Club?

FIELD TRIALS FOR POINTING BREEDS

Licensed field trials for pointing breeds held under the Club's rules in recent years have been few in number but there is an increasing interest in field trials for pointing breeds, apparently resulting from the Club's recognition of certain European breeds which have been imported to Canada and which are now being bred here. Brigadier J. A. W. Bennett, the Club's Ontario Field Trial Representative for Pointing Breeds, has been doing his utmost to stimulate activity in the way of licensed field trials under the Club's rules for pointing breeds, particularly amongst those clubs which have been accustomed to holding such trials under other rules than those adopted by The Canadian Kennel Club. He has presented to the Board a number of suggestions which, in his opinion, will stimulate interest in trials for pointing breeds, and these proposals will be considered by the Board of Directors at its next annual meeting. In the meantime I would welcome the comments of clubs and individuals interested in such trials with regard to the following questions:

1. Should we continue to require a club holding a licensed field trial for pointing breeds under the Club's rules to submit, for approval, its premium list and entry form?
2. Should we continue to prohibit a club holding a trial for pointing breeds from accepting telephone entries?

The essential work of a pointing breed is to find and point game. It has been suggested that while these essential features should continue to remain the basic features of a licensed trial for pointing breeds, provision should be made for those who are interested in developing the pointing dog into an all-purpose dog by additional tests of a pointing dog's ability to find and retrieve game after it has been shot. Personally, I feel that such additional tests could be arranged for those who are anxious to develop an all-purpose pointing dog without destroying the basic features of a licensed trial for the pointing breeds. However, I would welcome the comments and suggestions of clubs and persons having an interest in the trials for pointing breeds.

WORKING CERTIFICATES

The English Springer Spaniel Club of Canada has submitted, for the Board's consideration, proposals with regard to the setting up of a working test for Spaniels for the purpose of assessing dogs to be approved should they possess the basic requirements of "Flushing" Spaniels. Although these proposals deal strictly with Spaniels, I feel that those interested in sporting breeds other than Spaniels might be interested in the setting up of similar basic tests for each distinct type of sporting dog.

I am of the opinion, if a working test is set up, that it should not be confined to a dog's demonstrating obedience to command. Most breeds can be taught obedience. Nor do I suggest, as the other extreme, that a dog, in order to earn a working test certificate, should be capable of meeting and defeating strong competition of All-Age Stake calibre. It seems to me that between these extremes we could set up a minimum working test which would be the basis of issuing working test certificates, which would be invaluable to breeders wishing to confine their breeding activities to dogs who have established their ability either through licensed field trials or to which working test certificates have been issued.

In order that, in due course, specific recommendations may be placed before the Board of Directors, I would be grateful for the views of not only those clubs and persons interested in Spaniel field trials, but those interested in other types of field trial activity.

While the proposals submitted by The English Springer Spaniel Club of Canada contemplate the holding of working tests independently of trials, it seems to me that consideration might be given the possibility that, during the course of a licensed field trial, the officiating judges may designate those dogs which had measured up to the minimum requirements described for the issuance of a working test certificate, by way of entries in the judge's book, following which the working test certificate could be issued to the qualifying dogs and an appropriate entry then made on the registration records of the Club.

I am anxious to obtain the views of clubs and persons interested in sporting dogs on the main question of whether or not The Canadian Kennel Club should set up working tests, whether these should be conducted independently of licensed field trials, what would likely be the benefits resulting from the establishment of such tests, what should constitute clear statements of the purpose of conducting such tests, the manner in which such tests will be conducted, the manner in which working test certificates would be issued, and any notations which should be made on the registration records of the Club in connection with those dogs successfully passing such tests for the benefit of those interested in confining breeding to dogs of proven working ability, either through licensed field trials or working tests.

SUGGESTED AMENDMENTS TO FIELD TRIAL RULES

The Ontario Association of Beagle Clubs has suggested that two changes be made in the present Field Trial Rules and Regulations. It has suggested that Section 2 of Chapter 16 be deleted in its entirety. Section 2 reads as follows:

> "SECTION 2. A judge's decision shall be final in all cases affecting the merits of the dogs. Full discretionary power is given to the judge to withhold any, or all, awards for want of merit."

This particular Section is applicable to all types of field trials, therefore the comments and views of all clubs and persons interested in field trials are sought on this suggested deletion from the rules.

Chapter 12, Rule 5, of the Field Trial Rules applicable to Beagle field trials (by braces), reads as follows:

> "RULE 5. After the running of the first series has been completed, the Judges shall announce which hounds they wish to see run in the second series and may have them braced as desired. After the first series, Judges may exercise their own discretion as to running any or all braces and may brace them in any order or manner they think best, until they are satisfied as to the respective merits of the hounds. In no case shall any hound be run under judgment without a competing brace mate. When hounds have been laid on a line together, or have been given an opportunity to hark in to one another, this shall be considered as competition."

The Ontario Association of Beagle Clubs proposes that a new Rule 6 be added after the present Rule 5 (and all subsequent rules appropriately renumbered), the new Rule 6 to read as follows:

"All placed hounds must have run in second series."

The comments and views of clubs and persons interested in Beagle trials, by braces, are sought on this proposal.

NOTICE

SUBJECT: Standard for the Boxer

Notice is hereby given that at its semi-annual meeting in August the Board of Directors of The Canadian Kennel Club approved, effective immediately, the new standard for the Boxer of which notice had been given in the May (1961) issue of "Dogs in Canada".

There is however, one aspect of the standard about which the Board is anxious to obtain the comments and views of clubs and persons interested in the breed. It has to do with that part of the recently approved standard which reads: "The ears are cut rather long, well trimmed and carried erect." In response to the invitation published in the May issue seeking the comments of those interested in the breed, one correspondent said: "This sentence implies that the ears must be cropped, and whilst no disqualification for natural ears is listed, it has a mandatory effect for show purposes and creates a further demand for this style in hundreds of dogs that will never be exhibited in competition."

The same correspondent proposed that the sentence quoted above be deleted and the following be substituted in its place:

> "The ears are moderate in size (small rather than large), thin to the touch, set on wide apart at the highest points of the sides of the skull and lying flat and close to the cheek when in repose. When the dog is alert the ears should fall forward with a definite crease. When cropped the ears are cut rather long, well trimmed, and carried erect."

Persons and organizations having an interest in the Boxer are invited to submit their comments and views for the consideration of the Board of Directors. All such comments and views must reach the Secretary of The Canadian Kennel Club, 667 Yonge Street, Toronto 5, Ont. by December 31, 1961.

NOTICE

SUBJECT: Rough Collies and Smooth Collies

For many years The Canadian Kennel Club has recognized the Rough Collie and the Smooth Collie as two separate and distinct breeds, both for registration and competitive purposes. As they are regarded as separate and distinct breeds, any progeny which may result from the breeding of a Smooth Collie and a Rough Collie would not be eligible for registration in the Club's records. Similarly, a Collie imported from another country would not be eligible for registration in the Club's records if the certified pedigree submitted in support of an application for registration indicated any interbreeding of Rough Collies and Smooth Collies.

It has been pointed out to the Board of Directors that our present policies in this connection make it extremely difficult for a person in Canada interested in developing the Smooth Collie in Canada to import any Smooth Collies which do not have a record, in their ancestry, of interbreeding of both Smooth and Rough Collies.

It has been suggested that our present policy should be altered to correspond with that of Poodles where all Poodles, regardless of size classification, are registered simply as Poodles. Poodles are, of course, divided for competitive purposes.

Before considering this request further the Board has decided to seek the views and comments of persons and organizations interested in Collies, and this therefore, is an invitation to all persons and organizations to submit their comments and views in this connection. In submitting your comments would you please outline why you are of the opinion that your reaction to this suggestion is in the best interests of either or both breeds.

All letters should reach the Secretary of The Canadian Kennel Club, 667 Yonge Street, Toronto 5, Ontario, not later than December 31, 1961.

NOTICE

SUBJECT: Standard for the Irish Setter

Notice is hereby given that at its semi-annual meeting in August the Board of Directors of The Canadian Kennel Club approved, effective immediately, the new standard for the Irish Setter of which notice had been given in the May (1961) issue of "Dogs in Canada".

NOTICE

SUBJECT: Standard for the German Shepherd Dog

The Board of Directors of The Canadian Kennel Club has received a request that the standard for the German Shepherd Dog be amended to provide for the disqualification of white German Shepherd Dogs.

An invitation is hereby extended to those persons and clubs interested in the breed to submit their comments with regard to amending the breed standard as has been requested. In the event that you are in favour of amending the standard as requested, would you please outline why you are of the opinion that a white German Shepherd Dog has a deleterious effect on the breed.

All such comments and views should be submitted so as to be received by the Secretary of The Canadian Kennel Club, 667 Yonge Street, Toronto 5, Ontario, not later than December 31, 1961.

NOTICE

SUBJECT: Registration of White Boxers

The Board of Directors of The Canadian Kennel Club has received a petition asking that it consider appropriate steps to prohibit the registration, in the Club's records, of white Boxers.

Persons and organizations having an interest in the Boxer are invited to submit their comments and views on this proposal for the consideration of the Board of Directors. In the event that you favour this prohibition, would you please outline how you propose the prohibition should be enforced. If you are in favour of this prohibition, please outline why you are of the opinion that the white Boxer has a deleterious effect on the breed.

All such comments and views must reach the Secretary of The Canadian Kennel Club, 667 Yonge Street, Toronto 5, Ontario, not later than December 31, 1961.

NOTICE

SUBJECT: Standard for the Bullmastiff

Notice is hereby given that at its semi-annual meeting in August the Board of Directors of The Canadian Kennel Club approved, effective immediately, the new standard for the Bullmastiff of which notice had been given in the May (1961) issue of "Dogs in Canada".

It has been pointed out that this new standard does not include any provision covering "Gait" and "Temperament".

An invitation is hereby extended, to those persons and clubs interested in the breed, to submit their comments with regard to the inclusion of provisions in the standard covering "Gait" and "Temperament".

All such comments, including suggestions as to the text of such provisions, should be submitted so as to be received by the Secretary of The Canadian Kennel Club, 667 Yonge Street, Toronto 5, Ontario, not later than December 31, 1961.

NOTICE

SUBJECT: Standard for the Australian Terrier

On Page 3 of the May, 1961, issue of "Dogs in Canada" there was published the standard for the Australian Terrier adopted by The Canadian Kennel Club when it recognized the breed some years ago.

The Australian Terrier Club of Canada, formed this year to promote interest in and improvement of the Australian Terrier in Canada, has submitted to the Board of Directors of The Canadian Kennel Club a proposal that our present standard for the Australian Terrier be replaced by the standard for the Australian Terrier as adopted by the Australian National Kennel Council on March 25, 1961. When submitting this proposal the Australian Terrier Club also stated its reasons why it considers the present Canadian standard as not acceptable.

The Board has ordered that the proposed standard (see below) submitted by the Australian Terrier Club of Canada be published along with that Club's analysis of the present Canadian-bred standard with an invitation to persons and organizations interested in the breed to submit their comments and suggestions for the consideration of the Board.

All such comments and suggestions should be submitted so as to be received by the Secretary of The Canadian Kennel Club, 667 Yonge Street, Toronto 5, Ontario, not later than December 31, 1961.

PROPOSED STANDARD FOR THE AUSTRALIAN TERRIER AS SUBMITTED BY THE AUSTRALIAN TERRIER CLUB OF CANADA

GENERAL APPEARANCE - A sturdy low-set dog rather long in proportion to height with strong terrier character, alertness, activity and soundness. Its untrimmed harsh coat with definite ruff around the neck extending to the breastbone, assists its hard bitten and rugged appearance. Essentially a working terrier, it is equally suited as a companion dog owing to its loyalty and even disposition.

HEAD - Long with flat skull of moderate width, full between the eyes, with slight but definite stop. The muzzle, strong and powerful, of equal length to that of the skull, which is covered with a soft silky top-knot.

EYES - The eyes are small, with keen expression, and of dark brown colour, set well apart and not prominent.

EARS - The ears are small, erect, pointed, well carried, set on moderately wide, free from long hair and sensitive in their use (puppies under six months excepted).

NOSE - Black, of moderate size; the leather extending to bridge of muzzle.

MOUTH - Jaw strong and punishing, teeth large and evenly spaced, the upper incisors fitting closely over the lower, lips black, tight and clean.

BODY - Long in proportion to height, strongly constructed, with well-sprung ribs and chest of moderate depth and width. Level topline. Loins strong, flanks deep.

FOREQUARTERS - Neck long, slightly arched, shapely and strong, blending into long well-laid shoulders. Forelegs well-boned and perfectly straight, parallel when viewed from the front. Pasterns strong, without slope (slightly feathered to the knee).

HINDQUARTERS - Moderate length of quarters, broad with strong muscular thighs. Stifles well turned and hocks well bent and let down. Viewed

from behind they should be parallel neither too wide nor too close.

TAIL - Docked 2/3 set on high, and well carried, but not over the back.

FEET - Small, well padded, toes closely knit and moderately arched, turned neither in nor out, with strong black or dark toe-nails.

COAT - The body coat consists of a harsh, straight dense top coat approximately 2-1/2 inches long, with short soft textured under-coat. The muzzle, lower legs and feet to be free from long hair.

COLOUR -
(a) Blue, steel-blue or dark grey-blue, with rich tan (not sandy) on face, ears, under body, lower legs and feet and around the vent (puppies excepted). The richer the colour and more clearly defined the better. Topknot blue, silver or a lighter shade than head colour.
(b) Clear sandy or red, smuttiness or dark shadings undesirable. Topknot a lighter shade.

WEIGHT - The desirable weight is approximately 14 lbs.

HEIGHT - The desirable height is approximately 10 inches at the withers.

MOVEMENT - The action to be free, springy and forceful. When viewed from the front, the forelegs should move truly without looseness of shoulder, elbows or pasterns. The hindquarters to have drive and power, with free movement of stifles and hocks. Seen from the rear the legs from the hocks to the ground to be parallel, neither too close nor too wide.

FAULTS - Flesh coloured or butterfly nose. White or light-coloured toenails. Soft, woolly or wavy coat. Black and tan (puppies excepted). Sandy markings in place of tan. Tan smut in blue coat. Shading or smut in sandy or red. Crooked forelegs. Unsoundness. Light eyes. Under or oversize. Under or overshot mouth. Over gay tail. White markings on chest or feet.

NOTE: The Australian Terrier Club of Canada has stated that the present Canadian standard for the Australian Terrier is not acceptable for the following reasons:

A. The extreme variation in acceptable weights has proven to be unworkable, and does not in the history of the breed result in uniformity and balance.
B. The extreme variation in acceptable height.
C. There is no mention made of certain very essential features of the breed, i.e. slight but definite stop; soft silky topknot.
D. Dropped ears are definitely not acceptable, are not characteristic of the breed, and detract from the alert hardbitten expression.
E. "Reasonably narrow chest" is a direct contradiction to "well ribbed up" and tends to place the emphasis on narrowness rather than balance.
F. No mention or description of Characteristic movement or gait.
G. No description of density of coat and "frill" creates the impression of sparcity of neck furnishings.
H. No description of eye placement.
I. No mention of exposed leather on the top of the nose - which contributes to the hardbitten appearance.
J. No description of the proportionate measurement of the skull to muzzle.
K. No description of tail set on or carriage.
L. No definite description of size or type of foot.

(continued from October issue)

AUGUST 23, 1961.

The semi-annual meeting of the Board of Directors of The Canadian Kennel Club reconvened at the Anndore Hotel, Toronto, at 9:00 a.m. on August 23rd, 1961, with the President, Walter Brown in the Chair, and the following members of the Board present: J. W. MacCallum, Robert L. Blyth, William Dawson, Harvey M. Gratton, Robert Little.

REGISTRATION, STUD BOOKS & RELATED MATTERS

7 R 38. STUD BOOKS

REPORT: The Secretary reported that:
(1) the printer would complete the printing of Vol. 64 of the Club's stud books during the current month and copies would be mailed immediately to those who had ordered copies of the volume;
(2) mailing of the volume at this time would represent a considerable improvement over the delivery date of previous years during which it had taken approximately a year for the preparation, printing and delivery of each volume.

MOTION #341-61
Moved by Mr. Blyth, seconded by Mr. Gratton:
"THAT, the report of the Secretary be received, and he be complimented on the despatch with which the 1960 Volume has been published."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mr. Dawson, Mr. Gratton, Mr. Little.
ABSENT: Mr. Williams, Mr. Anderson, Mrs. Gove, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, Dr. Williams.
Motion carried.

-----Mr. Monaghan reported that, due to a business commitment, it would be necessary for him to return to Ottawa after this day's session. It was agreed that at this session the Board would deal with those matters Mr. Monaghan wished dealt with previous to his departure.

7 R 20. ARTIFICIAL INSEMINATION

REPORT: The Board was informed that a report had not been received of any progress made on research at the Ontario Veterinary College with regard to the freezing and storage of canine semen. Reference was made to the authorization (resolution #56-61) given the President and Secretary to use their discretion in the allotment of further funds to complete this research.

MOTION #342-61
Moved by Mr. Little, seconded by Mr. Monaghan:
"THAT, the President and Secretary be instructed to carry out the authorization given at the Annual Meeting of the Board on this subject."
FOR THE MOTION: Mr. MacCallum, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mr. Monaghan.
ABSENT: Mr. Williams, Mr. Anderson, Mrs. Mack, Mr. MacKendrick, Mrs. Southcott, Dr. Williams.
Motion carried.

7 R 10. BREED STANDARDS

REPORT: The Secretary reported that, pursuant to instructions given by the Board, he had arranged for the publication in the May issue of "Dogs in Canada" of new standards, or changes in standards, adopted by The Canadian Kennel Club where such new standards or changes could not be found in the July 1, 1956 issue of "The Complete Dog Book".

MOTION #343-61
Moved by Mr. Gratton, seconded by Mr. Dawson:
"THAT, the report of the Secretary be received."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.
ABSENT: Mr. MacKendrick, Dr. Williams.
Motion carried.

REPORT: The President, as Chairman of the Registration Committee, reported that:
(1) in accordance with resolution #37-61, the Registration Committee had drafted, for the Board's consideration, a proposed amendment to the By-laws which would prohibit the registration of a dog whose colour is such that it would be disqualified at a show held under the Club's rules;
(2) the Committee's draft of the proposed amendment read as follows:
"IT IS PROPOSED THAT: Article XXVIII, RULES OF ELIGIBILITY, of the Club's By-laws be amended by the addition of a new Section reading as follows:
4. Notwithstanding any other provisions of these By-laws, a dog shall not be eligible for individual registration in the Club's records if the dog's colour, or colours, or colour and/or markings, is such that, in accordance with the standard of the breed as recognized by this Club, the dog would be disqualified if placed in competition at a competitive event held under the rules of this Club. This By-law shall not apply to those dogs registered individually in the Club's records prior to Ministerial approval of this By-law.
Where, contrary to this By-law, a dog is registered individually in the Club's records, the Board shall have the power to order the cancellation of the registration of said dog and to recall its certificate of registration. It shall also have the power to cancel the registration of and recall certificates of registration issued for any dogs descended from any dog whose registration has been cancelled pursuant to this By-law.";
(3) the Committee felt that, due to the far-reaching implications of this proposed amendment, as it concerns breeders and the additional labour involved in implementing its provisions, this proposed amendment should not be placed on the next referendum ballot but rather notice of this proposed amendment should be given in the December issue of "Dogs in Canada" in order that the proposed amendment may be discussed thoroughly at the next Annual General Meeting and members may otherwise have an opportunity of expressing their views with regard to it;
(4) that Mr. MacKendrick had offered a minority opinion to the effect that this proposed amendment only begins to touch upon the responsibility of the Club to promulgate wider legislation along this line.

MOTION #344-61
Moved by Mr. Monaghan, seconded by Mr. Dawson:
"THAT, this proposed amendment be published in the December issue of "Dogs in Canada" in order that it may be discussed at the next Annual General Meeting."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.
ABSENT: Mr. MacKendrick, Dr. Williams.
Motion carried.

REPORT: Mr. Monaghan, Chairman of the New Breeds and Standards Committee, reported that:
(1) a new standard for the Australian Terrier had been adopted in Australia;
(2) the newly formed Australian Terrier Club of Canada had submitted a copy of that standard, together with an analysis comparing it with the standard for the breed presently recognized by The Canadian Kennel Club, and a request that the new standard adopted in Australia be likewise adopted in Canada;
(3) reported that the Committee recommended that the proposed standard be published in "Dogs in Canada" along with the analysis submitted by the Australian Terrier Club of Canada, and that the comments of those interested in the breed be sought for the consideration of the Committee, which would then submit a report and recommendation to the Board at its next annual meeting.

MOTION #345-61
Moved by Mr. Monaghan, seconded by Mr. Williams:
"THAT, the Chairman's recommendation be implemented."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.
ABSENT: Mr. MacKendrick, Dr. Williams.
Motion carried.

REPORT: The Chairman of the New Breeds and Standards Committee reported that:
(1) at the present time the Club regards the Collie (Smooth) and the Collie (Rough) as two separate and distinct breeds for registration and show purposes;
(2) a person in Canada interested in developing interest in Canada in the Smooth Collie had suggested that consideration be given to amending the By-laws to provide for the registration of Collies as a single breed due to the difficulty in locating, for importation to Canada as foundation stock, Smooth Collies eligible for registration as such in the Club's records;
(3) it was the recommendation of the Committee that this request be published in "Dogs in Canada" and the comments of those interested in Collies be sought for the consideration of the Committee.

MOTION #346-61
Moved by Mr. Monaghan, seconded by Mr. Little:
"THAT, this request be published."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.
ABSENT: Mr. MacKendrick, Dr. Williams.
Motion carried.

REPORT: The Chairman of the New Breeds and Standards Committee recommended that the Secretary be authorized to order 25 copies of a book entitled "Planned Breeding", and 25 copies of the May, 1960, issue of "Western Kennel World" for distribution to each member of the Board and to the Committee members, as the Secretary sees fit.

MOTION #347-61
Moved by Mr. Monaghan, seconded by Mr. Williams:
"THAT, the Secretary be authorized to order 25 copies of "Planned Breeding" and 25 copies of the May (1960) issue of "Western Kennel World" for distribution to each member of the Board, the balance to be kept on hand for distribution to committee members as the Secretary sees fit."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.
ABSENT: Mr. MacKendrick, Dr. Williams.
Motion carried.

MOTION #348-61
Moved by Mr. Blyth, seconded by Mr. Williams:
"THAT, the Committee's report be accepted, as a whole, as amended."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.
ABSENT: Mr. MacKendrick, Dr. Williams.
Motion carried.

7 R 66. NEW BREEDS

REPORT: The Chairman of the New Breeds and Standards Committee reported that:
(1) requests had been received for the recognition of the Ibiza Hound and Tibetan Terrier;
(2) on the basis of information thus far available to the Committee, the Committee was not in a position to recommend that the Board order the recognition of either of these breeds at this time;

(3) suggested that the Board consider the possibility of setting policies and requirements with regard to the recognition of breeds not heretofore recognized by The Canadian Kennel Club, and recommended, subject to such changes as the Board sees fit to make, the adoption of the following as requirements for the recognition of a breed not heretofore recognized by the Club:

(a) There must be a minimum of seven dogs of the breed before the Board will consider recognition, all seven to be eligible for registration according to the Club's registration requirements, although not all seven need be imported dogs.

(b) In the case of an imported dog it must be registered in a Stud Book presently recognized by the Club, and the importer must be able to furnish documents, issued by such recognized Club, which furnishes all the information required in the case of an imported dog of a breed already recognized by this Club (see Article XXX, Section 2 (d) of our By-laws).

(c) In the case of a dog born in Canada its dam (and sire if imported to Canada) must be registered individually in our records and litter registration in the usual way is required. If the sire is not owned in Canada (say dam was bred before export to Canada) then the sire must be a dog which would be eligible for registration had it been imported to Canada, and the owner of the dam must supply, on official documents in the way required by Article XXIX, Section 3 (b) or (c), the information necessary to register the litter.

(d) The Board, which is in office at the time of recognition, will decide what breed standard shall be adopted. If it is already a breed recognized by the A. K. C. and the applicant for recognition has no objection, priority might be given the A. K. C. standard; otherwise the Board to consider the standard in effect in the country to which the breed is considered indigenous.

(e) The applicant(s) for recognition of the breed will post a fee of $25.00 (returnable if the breed is not then recognized) on the understanding that if, within a period of five years, not less than 20 specimens of the breed are registered individually in the Club's records, the fee of $25.00 will be refunded, if less than 20 are registered in that period, then the fee becomes the property of the C. K. C. The fee is to cover costs of publishing the standard, etc. and to ensure that the applicant is a person anxious to establish the breed in Canada. Not all 20 specimens need be the property of the applicant.

(f) No breed is to be recognized simply on the grounds that a resident of any other country is anxious to show, at Canadian dog shows, dogs of a breed not yet recognized by the C. K. C.

MOTION #349-61
Moved by Mr. Monaghan, seconded by Mrs. Gove:
"THAT, the Chairman's recommendation be implemented."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.
ABSENT: Mr. MacKendrick, Dr. Williams.
Motion carried.

-----A discussion took place as to the time at which this session of the Board would adjourn.

MOTION #350-61
Moved by Mr. Little, seconded by Mr. Blyth:
"THAT, we quit at 6:00 p.m."

AMENDMENT TO MOTION #350-61
Moved by Mr. Monaghan, seconded by Mr. Anderson:
"THAT, we stop at 6:00 p.m. for dinner and reconvene at 7:30 p.m. to work until 10:00 p.m."
FOR THE AMENDMENT: Mr. Anderson, Mrs. Gove, Mrs. Mack, Mr. Monaghan.
AGAINST THE AMENDMENT: Mr. MacCallum, Mr. Williams, Mr. Blyth, Mr. Dawson, Mr. Gratton, Mr. Little, Mrs. Southcott.
ABSENT: Mr. MacKendrick, Dr. Williams.
Amendment lost.

FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Blyth, Mr. Dawson, Mr. Gratton, Mr. Little, Mrs. Southcott.
AGAINST THE MOTION: Mr. Anderson, Mrs. Gove, Mrs. Mack, Mr. Monaghan.
ABSENT: Mr. MacKendrick, Dr. Williams.
Motion carried.

7 R 10. BREED STANDARDS

REPORT: Mr. Williams, Chairman of the Special Committee appointed by the Board to enquire into and report to the Board on the publication of a book of the Club's standards:

(1) reported that he had received replies from a number of members of the Board and other members of the Club whom he had written seeking their views with regard to the format and content of a book of standards;

(2) reported that Mr. Robert Treble had provided a considerable amount of data, layouts, sketches, and estimates of costs;

(3) suggested that printing costs may be lowered considerably if the offset method of printing is employed wherever possible in the publication of the book.

MOTION #351-61
Moved by Mr. Dawson, seconded by Mr. Little:
"THAT, the report be received and discussed."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.
ABSENT: Mr. MacKendrick, Dr. Williams.
Motion carried.

DISCUSSION: During a discussion which followed, Mr. Williams suggested that a survey be conducted with a view to determining the number of members and others who may wish to order a copy of a book of standards, in order that the Board would have a reliable estimate of the number of copies that would be required when the book is published.

The President suggested that before any book of standards is published every effort should be made to ascertain the wishes of specialty clubs and others interested in particular breeds in order that the standards to be published will meet the wishes of Canadian fanciers.

A discussion also took place on the question of the advisability of including an outline sketch of each breed with "callout details" drawing attention to the major features of each breed, to the possibility of publishing the book by groups, and the advantages of publishing a book, or books, in looseleaf form.

MOTION #352-61
Moved by Mr. Monaghan, seconded by Mr. Blyth:
"THAT, the Chairman of the Committee be authorized to go ahead with the publication of a book of standards as the Committee has recommended, preferably in loose leaf form with outlines of dogs appropriately labelled."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.
ABSENT: Mr. MacKendrick, Dr. Williams.
Motion carried.

7 R 27. REGISTRATION OF DACHSHUNDS

The Secretary:

(1) reported that Ministerial approval had been received of the amendment to the Club's By-laws dealing with the registration of Dachshunds;

(2) read a letter from the Chief Registration Officer advising that favourable consideration could not be given the Board's request for the registration of certain "off-coated" puppies born prior to May 31, 1960;

(3) read a letter from the Director of the Canadian National Live Stock Records seeking guidance on the implementation of the amendment to the Club's By-laws with regard to the registration of Dachshunds.

DISCUSSION: A discussion followed on the advisability of acquainting breeders of Dachshunds with the new regulations and of the manner in which such regulations would be implemented.

MOTION #353-61
Moved by Mr. Williams, seconded by Mr. Little:
"THAT, the matter be referred to the Registration Committee for the purpose of advising the Canadian National Live Stock Records on the procedure to implement the amendment re Dachshunds."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.
ABSENT: Mr. MacKendrick, Dr. Williams.
Motion carried.

REPORT: The Board was informed that:

(1) the Registration Committee had considered the action which should be taken with regard to the registration of two Dachshunds imported from Germany for which the dogs' certificates, issued in Germany, had indicated cross-breeding by coat;

(2) the Committee had noted that, in the case of Dachshunds imported from the United States, and Dachshunds exhibited in Canada by residents of the United States, it is not possible to obtain from The American Kennel Club authoritative information indicating the coats of the dogs in the official three-generation pedigrees required for registration of such dogs in the Club's records;

(3) the Committee recommended that an imported dog be considered eligible for registration provided its coat is the same as its sire and dam but where, in certificates presented in support of registration of such dogs, it is clear that there is a record of cross-breeding by coat then, to the registration number assigned to such dog, there would be added a designation to indicate that there was a record of cross-breeding in the ancestry of such dogs.

DISCUSSION: During the discussion which followed it was suggested that every effort should be made to obtain full details of the coat and size of all Dachshunds in the three-generation pedigree of an imported dog regardless of the country from which the dog is imported, and whatever policy is adopted should be uniform for all imported dogs and for Dachshunds exhibited in Canada by residents of the United States, when such dogs are registered in the Club's records.

MOTION #354-61
Moved by Mr. Monaghan, seconded by Mr. Little:
"THAT, this be referred to the Registration Committee for consideration, the Committee to consider whether part of the registration requirements for an imported Dachshund will be three generations of ancestry (14 ancestors) indicating size and coat of all fourteen dogs in the pedigree."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.
ABSENT: Mr. MacKendrick, Dr. Williams.
Motion carried.

SUBJECT: The Secretary read a letter from Mrs. Lies Kikstra, Rocky Mountain House, Alberta, enquiring whether the new regulations regarding the registration of Dachshunds would enable the registration of a Dachshund, named HABSPURG MINKE, according to its actual coat.
ACTION: It was agreed that the Secretary would advise Mrs. Kikstra that, inasmuch as this dog was born previous to May 31, 1960, and having regard for the ruling given in connection with the registration of off-coated puppies born before that date, this dog could not be registered according to its actual coat.

SUBJECT: The Secretary read a letter (dated July 17, 1961) received from the Dachshund Club of Canada with regard to the weighing of Miniature Dachshunds exhibited at championship shows held under the Club's rules, and reported that, in response to an enquiry received from that Club he had advised that it is not possible for a club holding a championship or specialty championship show under the Club's rules to announce in advance that all Miniature Dachshunds would be weighed.
ACTION: The Board confirmed the advice given by the Secretary in this instance.

SUBJECT: Mr. Monaghan suggested that consideration be given to the cancellation of the registration of two litters of Dachshunds born in 1959, and the cancellation of the individual registration of certain dogs in those litters, on the grounds that the two litters in question included "off-coated" puppies.

MOTION #355-61
Moved by Mr. Monaghan, seconded by Mr. Blyth:
"THAT, the matter of these two litters be referred to the

Registration Committee for examination and report on the ineligibility of these two litters."

FOR THE MOTION: Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.

ABSTAINED FROM VOTING: Mr. MacCallum (being a member of the Registration Committee).

ABSENT: Mr. Williams, Mr. MacKendrick, Dr. Williams.

Motion carried.

7 R 70. BREED IMPROVEMENT - SELECTIVE REGISTRY

REPORT: Mr. Monaghan, Chairman of a Special Committee, reported that:

(1) following a discussion of the Committee's report at the annual meeting of the Board in February, each member of the Board had been asked to submit his or her further views on the report which the Committee had presented to the annual meeting of the Board, and replies had been received from Mr. Dawson, Mr. Gratton, Mr. Blyth, and Mr. Little;

(2) reported that the Committee was continuing to gather information and data which would enable it, in due course, to submit further recommendations to the Board with regard to the setting up of a Selective Registry and regulations with regard to the sale of dogs as pets, certain of this data having already been distributed to members of the Board;

(3) the next meeting of the Committee would likely be held in conjunction with the meeting of the Board in October.

MOTION #356-61

Moved by Mr. Monaghan, seconded by Mr. Dawson:

"THAT, the report be accepted as progress."

FOR THE MOTION: Mr. MacCallum, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.

ABSENT: Mr. Williams, Mr. MacKendrick, Dr. Williams.

9 A 95. AMENDMENTS COMMITTEE

REPORT: Mr. Monaghan, Chairman of the Amendments Committee:

(1) reported that four proposed amendments to the Club's By-laws, reported in the December (1960) issue of "Dogs in Canada" but not discussed at the Annual General Meeting, were being dealt with by the Amendments Committee in the manner provided in Article XXXVIII of the Club's By-laws;

(2) pointed out that two of these proposed amendments dealt with those sections of the By-laws having to do with Field Trial Representatives, Obedience Representatives, the Field Trial Council, and the Obedience Council;

(3) pointed out that the Minister had not granted approval to an amendment to the By-laws, approved on the last referendum ballot, having to do with the Field Trial Council;

(4) referred to the views expressed by the Chief Registration Officer when reporting the Minister's non-approval of the amendment with regard to Field Trial Councils, and suggested that the Secretary inform the principal proposer of the two proposed amendments in question (No. 1 and No. 2) that the Board entertains a strong doubt that Ministerial approval of these proposed amendments could be expected, even though such proposed amendments may be approved on the next referendum ballot.

ACTION: The Secretary was instructed to carry out this suggestion.

-----Mr. MacCallum in the Chair.

9 A 51. TERM OF OFFICE OF BOARD

SUBJECT: The Secretary:

(1) pointed to the resolution adopted at the last Annual General Meeting with regard to the inclusion, in the next referendum ballot, of a questionnaire designed to establish whether members of the Club are in favour of a longer term of office for the Board than one year;

(2) enquired as to the information which should precede the questionnaire on the ballot, and suggested the appointment of a committee to draft whatever information the Board decides must accompany the questionnaire.

DISCUSSION: Mr. Monaghan:

(1) pointed out that the inclusion of the single question "Are you in favour of a longer term of office for the Board?" in the referendum ballot left much to be desired, for if a majority voting on the question should vote affirmatively, the Board would have no information indicating what longer term of office the majority of voting members, replying to the questionnaire, favoured;

(2) suggested that the questionnaire be extended to elicit additional information in order that, if a majority who reply to the questionnaire are in favour of a longer term of office, it would have definite information as to the wishes of voting members with regard to the longer term which would be preferred;

(3) reported that he had consulted an administrative officer and an electrical engineer as to the best means by which these questions could be put forward with a view to electronic tabulation of the results of the questionnaire;

(4) exhibited the format recommended for this purpose, and suggested that it be employed in the questionnaire to be included in the next referendum ballot.

MOTION #357-61

Moved by Mr. Monaghan, seconded by Mr. Anderson:

"THAT, this be the form in which this question is placed on the ballot."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.

ABSENT: Mr. MacKendrick, Dr. Williams.

Motion carried.

DISCUSSION: Reference was made to the data which the Secretary had prepared for the Special Committee which had been appointed, on this subject, by a previous Annual General Meeting, the data having included a complete list of all those who have served on the Board during the past twenty odd years with an indication of the office held in each case.

Mr. Monaghan suggested, and it was agreed that this information, together with other statistical data prepared by the Secretary for the Committee, would be included with the questionnaire.

MOTION #358-61

Moved by Mr. Anderson, seconded by Mrs. Southcott:

"THAT, a committee be appointed to work with the Secretary in the preparation of an explanatory note to go to the members with the questionnaire; the committee to be composed of the President, Vice-President, and Chairman of the Amendments Committee."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.

ABSENT: Mr. MacKendrick, Dr. Williams.

Motion carried.

9 A 81. REFERENDUM BALLOT

SUBJECT: The Secretary:

(1) pointed out that one of the factors considered in connection with a longer term of office for the Board was the annual cost (between $3,000 and $4,000 annually) to conduct an annual election of Officers and Directors and the referendum ballot conducted concurrently with the election;

(2) pointed to the discussion at the Annual General Meeting with regard to the effective date of amendments to the various rules and regulations and a suggestion which had been advanced that the referendum be conducted at a different time than the election of Officers and Directors;

(3) suggested that, with the questionnaire on the longer term of office for the Board, the wishes of the members be sought with regard to:

(a) whether, in the event a longer term of office of the Board should become effective at some future date, voting members would prefer that the regular referendum ballot be conducted only at a time when the election is conducted; or

(b) whether they would prefer that the referendum ballot be conducted at a time other than when the election is conducted.

ACTION: It was agreed that a questionnaire on these points would be included in the referendum ballot.

DISCUSSION: A discussion followed on whether, in the meantime, any further consideration should be given to changing the effective date of amendments to the various rules and regulations.

MOTION #359-61

Moved by Mr. Monaghan, seconded by Mr. Anderson:

"THAT, this matter be referred to the annual Board meeting, and considered then in the light of the results of the questionnaire to be included in the next referendum ballot."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.

AGAINST THE MOTION: Mrs. Gove, Mr. Gratton.

ABSENT: Mr. MacKendrick, Dr. Williams.

Motion carried.

SUBJECT: The Secretary read a letter from the Chief Registration Officer of the Department of Agriculture advising that Ministerial approval had not been granted the application, submitted to the Minister, for approval of an amendment to Article XIII, Section 10, of the Club's By-laws with regard to Field Trial Councils.

ACTION: It was agreed that this matter would be referred to the next annual meeting of the Board, by which time the Board would be informed of the results of the proposed amendment to be included in the next referendum ballot with regard to the amending of the Field Trial Rules and Regulations.

SUBJECT: The Secretary pointed out that it is customary, when an amendment is included on a referendum ballot by order of the Board, for an explanation to accompany the proposed amendment in order that voting members may be aware of why such an amendment has been included in the ballot by order of the Board, and suggested that a committee be appointed to draft suitable explanations to accompany those proposed amendments which will be included in the next referendum ballot as a result of instructions given by the Board.

ACTION: It was agreed that the drafting of the explanatory information would be left in the hands of the same Committee appointed by resolution #358-61.

SUBJECT: The Secretary read a letter (dated July 31, 1961) from Mr. Irving who pointed out that, because of a resolution adopted at the Annual General Meeting, he had not been given an opportunity at that meeting of making any explanation with regard to proposed amendments No. 1 and No. 2, and who enquired whether it would be possible to include in the next referendum ballot, an explanation as to why these proposed amendments had been put forward.

ACTION: It was agreed (Mr. Williams dissenting) that the Secretary would inform Mr. Irving that there is no provision in the By-laws for an explanation to accompany the proposed amendments in question on the ballot, and the Board deems it inadvisable to grant the request on the grounds that to do so would establish a precedent which would likely present difficulties in the event that further requests of this nature are received in the future.

9 A 22. REVISION OF THE LIVE STOCK PEDIGREE ACT

SUBJECT: Mr. Irving's request that the Board consider the fact that the Live Stock Pedigree Act does not provide any redress against a person who allows his male dog to be used at stud when said dog is not registered or eligible for registration.

DISCUSSION: Mr. Monaghan, Chairman of the Committee on revision of the Live Stock Pedigree Act, reported that the question raised by Mr. Irving had been noted by the Committee and would be taken up with the Department of Agriculture.

MOTION #360-61

Moved by Mr. Monaghan, seconded by Mr. Blyth:

"THAT, we accept the Chairman's report."

FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.

ABSENT: Mr. MacKendrick, Dr. Williams.

Motion carried.

Chairman of a special committee appointed by the Board to consider and report to the Board with regard to an "Executive Committee".

MOTION #361-61
Moved by Mr. Anderson, seconded by Mr. Dawson:
"THAT, this report be accepted for discussion."
FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.
ABSENT: Mr. MacKendrick, Dr. Williams.
Motion carried.

DISCUSSION: The Board discussed the Committee's report which:
(1) stated that "In business it is quite normal for corporations to appoint an executive committee to handle routine business administration on behalf of the Board of Directors.";
(2) stated that two of the largest live stock associations in Canada function with executive committees;
(3) outlined the terms of a possible new By-law covering the appointment, personnel, duties, and powers of an executive committee;
(4) outlined the Committee's thoughts with regard to the advantages of an executive committee.

A letter (dated August 7th) from Mr. Irving was read in which Mr. Irving reiterated his previously stated objections to "proposals along these lines".

The President stated that he considered it imperative that the Board take steps to expedite the processing of the Club's business.

Mr. Monaghan stated that he agreed with Mr. Irving's objection to an executive committee, and expressed the view that instead the Board should consider the appointment, by virtue of powers which it has under the present By-laws, of an administrative officer whose functions would be comparable to a general manager.

Mr. Anderson suggested that the report be referred back to the Committee which could consider the various views expressed at this meeting.

MOTION #362-61
Moved by Mr. Anderson, seconded by Mrs Mack:
"THAT, this report be referred back to the Committee for further consideration."
FOR THE MOTION: Mr. Brown, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.

DISCUSSION: Following discussion it was agreed that the Secretary, with the assistance of such person or persons as he deemed advisable, would:
(1) provide each member of the Board with a copy of the Standing Resolutions considered to be in order;
(2) provide each member of the Board with a list of those Standing Resolutions which it was considered should be rescinded or amended.

MOTION #363-61
Moved by Mr. Anderson, seconded by Mr. Williams:
"THAT, the Executive Manager have power to go ahead on this revision with power to ask assistance where he considers it necessary."

DOG SHOWS

11 D 1. JUDGES

SUBJECT: Reference was made to a previous discussion, at this meeting, with regard to those persons who, without having established their eligibility to judge by way of written and/or oral examinations, are eligible to judge one or more breeds yet others wishing to judge are required to comply with the provisions of Chapter 7 of the Dog Show Rules before they may judge.

DISCUSSION: During a discussion which followed it was suggested that steps should be taken to ascertain the views of those presently eligible to judge at shows held under the Club's rules.

MOTION #364-61
Moved by Mr. Anderson, seconded by Mr. Monaghan:
"THAT, a committee of judges be appointed to correspond with judges, taking into consideration the thoughts that have been expressed at this meeting and to consider this matter and report to the Board."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.

FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott.
ABSTAINED FROM VOTING: Mr. Dawson.
ABSENT: Mr. MacKendrick, Dr. Williams.
Motion carried.

-----Dr. Williams entered the meeting.

SUBJECT: It was pointed out that under the present Chapter 7 of the Dog Show Rules it is possible for a person to become eligible for approval to judge all breeds without having established his competency to judge any breed or breeds by way of an actual judging engagement. It was suggested that the procedure approved by the Board with regard to processing applications for approval to judge should be amended to require, in the case of applications received in the future, that before an applicant may establish his eligibility to judge additional breeds or groups he must have had a judging engagement and has submitted a critique, as required by Chapter 7 of the present Dog Show Rules.

MOTION #366-61
Moved by Mr. Monaghan, seconded by Mr. Anderson:
"THAT, for the guidance of the Committee it be recommended that no applicant for approval to judge an additional breed or breeds or an additional group be permitted to take the written and oral examinations until an assessment of the critique of the previous approval has been received."

GOOD AND WELFARE

14 G 15. FELLOWSHIPS

REPORT: Dr. Williams reported on letters which he had received from practising veterinarians praising the results of research conducted by a graduate of the Ontario Veterinary College, the research having been made possible by the Fellowship established by the Club, and expressed the view that this research and the results obtained and communicated to practising veterinarians would save many thousands of dogs in future years. He strongly urged that the Board continue the Fellowship for, in his opinion, there are many projects which could be undertaken which would more than justify the expenditure of the Club's funds along this line.

MOTION #367-61
Moved by Mrs. Southcott, seconded by Mr. Dawson:
"THAT, we continue on with this Fellowship."
FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Monaghan, Mrs. Southcott, Dr. Williams.

(1) the Committee recommended that the Board take steps to amend the By-laws to provide that a person may register a kennel name for a five-year period, that he may renew it for further five-year periods upon payment of a renewal fee of $1.00, and failure to renew would mean that the name would be deleted from the roster of registered kennel names;
(2) the Committee agreed that such a By-law could not be retroactive, but it could apply to kennel names registered after the date on which such a By-law, if approved by referendum ballot and the Minister of Agriculture for Canada, would become effective.

Moved by Dr. Williams, seconded by Mr. MacKendrick:

(1) the Committee had noted that the Board, by resolution #62-61 had enlarged the terms of reference of the Committee for the purpose of its investigating the possibilities of bringing in a system of inspection of kennel premises and methods of operation before an application for registration of kennel name is approved;
(2) reported that the Committee had considered the matter and had agreed that this opens up a very important aspect of the Club's operations, and its obligations to the public, and opportunities to assist breeders by accrediting their kennels;
(3) it was the recommendation of the Committee that a special committee be appointed to thoroughly look into this entire matter and report to the Board at its next annual meeting.
DISCUSSION: During a discussion which followed it was pointed out that some municipalities have become quite restrictive with regard to the operation of kennels within their boundaries, and the Club should be prepared to co-operate with municipal authorities in order that creditable kennels may continue their operations without unreasonable restrictions.

MOTION #376-61
Moved by Mr. Anderson, seconded by Mr. Williams:

REPORT: The Chairman of the Kennel Names Committee reported that:
(1) the Committee had noted that the Board, by virtue of resolution #63-61, had enlarged the terms of reference of the Committee for the purpose of its investigating and recommending a workable plan concerning the advertising of dogs in the pet columns of newspapers;
(2) the Committee had discussed the matter;
(3) it was the recommendation of the Committee that this matter be referred to the Promotion, Public Relations and Publicity Committee.

REPORT: The Chairman of the Kennel Names Committee reported that the Committee was of the opinion that the Club's By-laws should be amended:
(1) to prescribe, in greater detail, the powers of the Board with regard to kennel names;
(2) to include inthe By-laws specific reference to certain policies;
(3) to provide for the appointment, duties, and powers of a Kennel Names Committee;
and notice of such proposed amendments should be given in the December issue of the official magazine in order that such proposed amendment may be discussed at the next annual general meeting.
The Chairman reported that the Committee had therefore drafted the following proposed amendments for the consideration of the Board:
(1) It is proposed that Article XXV KENNEL NAMES, be amended by the addition of the following as a new paragraph to be added to Section 1:
"The Board shall have the power to prescribe and enforce policies with regard to kennel names. It shall also have the power to prohibit the use of any name which violates any of the aforesaid policies, or which, in its opinion, conflicts with any kennel name already registered with the Club, or with any other national kennel club with whom it has working arrangements with regard to mutual protection of kennel names, and this shall apply regardless of any prior use such names may have had in connection with the registration of individual dogs in the Club's records.
"The fact that a person may have been permitted to use a particular name in the naming of dogs registered in the Club's records is in no way to be considered as granting prior rights to the registration of such name as a kennel name, nor does it convey any privilege to register such name as a kennel name in the records of the Club."
(2) It is proposed that Article XXV be amended by the addition of a new Section reading as follows:
"8. The Board of Directors shall have the power to appoint a Kennel Names Committee to whom it may delegate any or all of its powers with regard to kennel names. The decision of the Committee shall be final but all decisions of the Committee shall be reported to the Board for inclusion in the minutes of a meeting of the Board."

COMPLAINTS, CHARGES AND PROTESTS

8 C 10. REPORT OF COMPLAINTS COMMITTEE (SPECIFIC CASES)

The Chairman of the Complaints Committee reported that following the Canadian National Sportsmen's Shows held in March, a number of complaints had been received with regard to conditions at such shows, and the Committee had discussed these complaints with Mr. Loyal Kelly, General Manager of the Canadian National Sportsmen's Shows, and Mr. H. V. P. Lewis, Chairman of their Dog Show Committee. A letter from Mr. Lewis, dated June 13th, was read, the letter giving assurance that steps would be taken to remedy the causes of the complaints submitted.

-----Luncheon recess.

The Board received and considered the reports received from two Advisory Committees appointed to investigate a complaint and a charge with regard to alleged violations of the Dog Show Rules. One exhibitor was deprived of the right, for a period of one year, to participate in competitive events held under the rules of the Club, and the Board took other appropriate disciplinary action regarding the other charge.
A letter from the Chief Registration Officer of the Department of Agriculture was read with regard to a particular file, the letter reporting that the Chief Registration Officer had recommended that the file be forwarded to the R. C. M. P. with the request for an official investigation and possible legal action under the provisions of the Live Stock Pedigree Act.
A letter from the Chief Registration Officer of the Department of Agriculture was read reporting that a file on another alleged violation of the Live Stock Pedigree Act had been referred to the District Supervisor of the departmental office for investigation.
Following reports received from the Complaints Committee, the Board deprived six persons of the privileges of the Club for failing to deliver certificates of registration to purchasers of dogs sold as pure-bred.
The Board ordered appropriate disciplinary action with regard to a complaint by a purchaser that, although he had been furnished with a certificate of registration for a dog sold to him as pure-bred, the dog had not been tattoo marked according to the tattoo markings shown on its certificate of registration.
The Board received the reports of the Complaints Committee with regard to four complaints and authorized investigation by Advisory Committees, under Article XV (Discipline) of the Club's By-laws.
A member of the Complaints Committee was delegated to work with officials of the Department of Agriculture in the investigation of a complaint where it is alleged four dogs which had been sold did not bear tattoo markings, yet certificates issued for these dogs indicated that these dogs had been tattoo marked.

WHAT YOU SHOULD KNOW ABOUT

YOUR STUD DOG

Written in collaboration with Dr. Tom DeGeer, Eglinton Veterinary Hospital, Toronto.

The male dog is interested in sex from puppyhood, and as such is a potential stud. The innocent practice of mounting objects or other puppies should be discouraged, but firmly – with understanding and without harshness. The puppy's play activities have no hint of depravity – it is a natural instinctive preparation for adult mating behavior. Even in the older dog, sex-play should be discouraged firmly and gently. Thus, when it comes the proper time for the male to mate, he will do so without fear of punishment. Further, the object of the mock sex activity may not be in a receptive frame of mind – and this, too, could affect the male to the point of nervousness at a later time.

Unless you actually plan a mating, it is well to keep your male away from females in heat. There are several reasons. For example, if he stalks around the home or garden of an in-season bitch he might become involved in a real fight with other males; he could easily injure himself in climbing over walls or fences to get at the lady in question, or on reaching her, could be slashed if she radically spurns his attention. He could also become a source of annoyance in the neighborhood.

Should a male be mated to keep him happy? Not necessarily. Charles Leedham, in his book "Care of the Dog" points out that in the wild state a number of animals live without ever mating and domestic dogs by the millions have lived and died with never a brush with sex, and were nonetheless happy for it. "If you are convinced that a sexless life is bad for your dog's psyche, and want to mate him for morale reasons, there's nothing to be said against it."

Does a stud become vicious or aggressive as a result of mating? Much of this belief has been eradicated. However a stud dog used frequently for breeding does become more aggressive toward other males, principally because he regards the females as his property and that the other boys could be possible rivals.

On the other hand, many rambunctious males who continuously got themselves into scraps because of sniffing and bothering other dogs became immediately cured of this tendency after their first mating. Once they learned what it was all about, they had no concern for other dogs, male or female, except when encountering a female in season.

Many experienced breeders believe a successful stud will have started in his first service at around eight or nine months of age. At this time he is eager and easy to train. Since training is about 50% of the secret of a successful stud, the first service should be handled correctly and without fuss. An experienced female, selected at the right time of her heat, is ideal for the initial service and will help set the pattern for future work. The matron will probably play the lead role and show the young male exactly what to do. It is best to leave them alone and just watch through a window, or out of sight. If, after a while, no action occurs personal assistance could be offered.

It would be well to have two people at hand, one to hold the stud and the other to hold the female underneath. If this is not possible, the "guidance committee" can be simulated by putting a collar on the female, then attaching the end of a bench chain to her collar and the other end affixed to the wall so that her head will be maintained in a high but perfectly natural pose. Thus she will be prevented from jerking around or suddenly pulling away.

Your stud dog should be kept in top condition at all times. He should be hard and firm as an athlete, happy, healthy and vigorous. He should be keen and alert. Naturally he should be free from internal and external parasites.

He should have special attention in the matter of appearance – absolutely clean and combed. After all, the lady to be brought to him will presumably be leaving home in immaculate condition. If he is a busy stud, it will be more than ever essential to keep him free from fleas, lice, ticks or other skin infection, in the event that he may have picked them up from a lady who just might have had one of these conditions.

His quarters should be clean and well ventilated – never draughty. He should have plenty of space to exercise in order to keep fit.

The stud dog should be neither under nor overfed. While the direct effect of nutrition is not yet known, scientists have been experimenting. Two, Teitelbaum and Gant, who made their findings known in 1956, believe that starvation is associated with an increase in sperm count. Another team, Chang and Scheaffer questioned this conclusion. However, the former two maintain that their results are directly opposite the common belief that malnutrition decreases fertility. However, it would be pure common sense to conclude the dog should not be allowed to become overly fat, or through improper feeding, lose condition through lack of calories. Activity, age and temperament all have a bearing. Actually, the proper feeding of a stud goes way back to puppyhood, when proper nourishment will have a bearing on the dog as he becomes a stud.

Some dogs prefer to be fed before a service, and thus become very eager. Others do not require food.

The frequency of services has a bearing on the longevity of a male. Too frequent use can actually shorten his lifespan. A good stud should not be bred more than every couple of months. Services should definitely be controlled both from this standpoint and from that of selectivity. Despite the temptation of increased income, there should be discrimination in the females served. They should be suitable for the male. Careful breeders who state "service to approved females only" are perfectly right in doing so and help bring credit and strength to the breed. ■

SOME BOOKS ON BREEDING

The study of breeding is a fascinating one and a seemingly endless one. For from the moment you advance beyond a certain understanding, new gates open on new paths leading to deeper knowledge. A number of excellent books are available through the Book Department of *Dogs in Canada*. One of the most recent is small, but valuable: "Breeding and Genetics" by Anne Paramoure (author of "The Complete Miniature Schnauzer"), $3.65. "Reproduction in the Dog" by Harrop is one of the most detailed but completely readable books on the subject. Price is $5.00. "Dog Breeding Theory and Practice" by Judy sells at $6.60. Among the more inexpensive books: "Dog Breeders Manual" by Daglish, $2.50; "Practical Dog Breeding" by Peake, $2.49; "Mating and Whelping of Dogs" by Portman-Graham, $2.25. Most valuable tome on coats: "Inheritance of Coat Color in Dogs" by Little, $4.75.

ANNUAL STUD GALLERY

More than 30 different breeds are represented in this year's Gallery of valuable studs. One of the great problems in breeding is finding the right mate for one's special female! knowing of the stud, his location, his background. Ordinarily there is lack of readily available information. This Gallery serves this purpose and represents some of the finest stock on this continent.

CH. TYLDESLEY TINTYPE

9½" Silver Toy

The truth about a stud dog: Our records to date indicate that he produces longer heads, good ear placement, long ear leathers, short back, well angulated stifle, good width behind, short croup, excellent tail set, small tight feet, magnificent coat of proper texture, good silver color with black points, with a recessive gene for apricot, good temperament. We know he carries a recessive gene for a joint misplaced in the tail, a recessive gene for pattern, a tendency to mature slowly. His front is narrow, but he has never to our knowledge produced this structure. He is not a monorchid nor is his father.

FEE — $150.00

A special salute to the nearly sixty far-seeing breeders whose studs and kennels are depicted in this gallery.

There's a saying, "Them as has gits". But it's also noticeable that those who "git" have gone and got it. These progressive kennels will be up at the top of the list for the "most-sought after" stud services. Be sure you're represented next year.

Judge Mary Southcott presents top awards to J. D. Boyd (right) with Reinolf of Summerdale (co-owned with Herb MacDonald), Best of Breed and Harry Watson with Kandoucho's Cleo, Best Opposite Sex.

NOVA SCOTIA CLUB'S FIRST ANNUAL SHEPHERD SPECIALTY

by Mary E. Southcott

This newly established German Shepherd Dog Specialty Club, under the capable guidance of a number of sincere enthusiasts, are to be congratulated on the excellence of their first Specialty Show, held in Truro, N.S. on July 29, 1961. From the way in which this show was organized and conducted, one would think that they were old hands at the game instead of new. The huge ring outside provided the opportunity of properly evaluating the gait of each entry, and the good stewarding which is a boon to any judge left nothing to be desired. The trophy table was laden down with unbelievably beautiful prizes and set off by baskets of lovely flowers. The Mayor of Truro cut the ribbon which opened the Specialty, and the judging of a very commendable entry of 46 German Shepherds which comprised a high total entry of 72, plus six entries in the unofficial Nova Scotia Bred Class, began with very few absentees.

The Junior Puppy Dog Class was won by a particularly promising black and tan youngster of eight months, Rexford von Blackcrest. Of medium size, well balanced and in good proportion, this boy was hard to fault at his age. Owned by Frank Landry, Halifax.

First place in the Senior Puppy Dog Class was won by a nice black and tan youngster, Blackcrest's Pilot, 11 months of age. Balance was good and for his age he was quite well developed. Owned by G. A. Richards, Jolimore, N.S.

Novice Dogs Class: won by an attractive 1½ year old black and tan male, Rannoch Baron Kurt, owned by Thomas Guthrie, Shearwater, Halifax. Although nicely balanced and in good proportion, he needed to mature a bit more. This boy also placed third in the Canadian Bred Dogs Class and 1st in Bred by Exhibitor Dogs.

First in Canadian Bred Dogs Class and also Reserve Winners Dog was a promising young male of 13 months, Armour von Avent, owned by N. L. Vaness of Bedford, N.S. Black and tan, of medium size, in good proportion and well balanced.

In the Open Dog Class first place went to a very handsome black and tan male, Reinolf of Summerdale, age 3½ years. Owned by J. D. Boyd and Herb MacDonald, Halifax. A medium-large dog, he was shown in excellent condition and went on to take Winners Dog, Best of Winners and Best of Breed. He is a low-stationed dog of good proportion and balance, with nice angulation fore and aft and no extremes.

Winner of the Junior Puppy Bitch Class was a very appealing baby of six months, Shaga, owned by H. B. McDonald, Dartmouth. Although coat was somewhat on the long side, she was beautifully put together and very low stationed. This young lady also took 2nd place in the Novice Bitches Class and 2nd in Bred by Exhibitor Class.

First in the Senior Puppy Bitches Class went to an 11-months old black and silver youngster, Blackcrest's Cindy owned by Arthur R. Faulkner, Bedford, N.S. Of medium size, in hard dry condition, she could have been a little heavier boned.

The blue ribbon in the Novice Bitches Class was won by a two-year-old black

CLUB NOTES

IMPORTANT: Club Notes are for the purpose of reporting activities and plans of Breed, Group and other specialty organizations. There are certain news items which cannot be considered as "club notes", but rather as advertising material. Names of judges may be used only if the club's show advertisement appears in DOGS IN CANADA. Wins of dogs which will be or have been reported in The Canadian Kennel Club "Show and Trial Results" cannot appear in these columns. Make your club notes meaty and interesting. 300 WORDS IS THE LIMIT.

All Terrier Club of British Columbia

by Mrs. J. S. Leedham

1675 Austin Rd., Coquitlam, New Westminster, B.C.

After a break of two months during the summer our first Fall meeting was held on September 13 and as can be expected, it was a very busy evening. Plans are underway for our All Terrier Specialty to be held next May in conjunction with the B.C. Ladies Kennel Club All Breed show. More about that when details are collected from the committee in charge of arrangements.

Two of our members have done a lot of winning this summer with their dogs. Mrs. G. Shillinglaw, with her male Scottish Terrier, Can. and Am. Ch. Cantie's Ace and Mrs. S. Hudson with her male West Highland White Terrier, an English import, Ch. White Briar Journeyman. Congratulations to both.

We held our Fall All Breed Sanction Show October 27. Last year it was a great success and everyone enjoyed themselves. This year's proved the same.

At the close of the meeting the President asked Mr. George Kynoch if he would tell us a little about his recent visit to England. It was most interesting to hear about the shows there and the dogs they are breeding and showing.

His amusing account of life in England was appreciated by everyone, especially the members who had lived there until a few years ago.

The next meeting brings in a new slate of officers.

Burlington & District Kennel Club

by Joan Morden

572 Cedar Ave., Burlington, Ont.

Our championship show scored an all-time high in public interest due to a large extent to the exhibit of rare breeds. Our committee under Show Superintendent Bud Langford deserves tremendous credit for a big job well done. There were criticisms but they were in the minority. One internationally renowned judge wrote to say that, in her experience, she had never encountred a more enthusiastic, hard-working club and she hopes to return to judge for us often.

Obedience Chairman Miriam Stacey reports a good class enrolment. Our trial date will be December 3 with Verne Jackson judging. Abe Zvokin was awarded a Certificate of Merit by the Obedience Association for Bo's perfect score in our June trial.

Newly-elected: Bud Langford who successfully superintended the BDKC and London Canine Association shows has accepted chairmanship of our Show Committee.

Braggarts: Outstanding are the wins and activity reported by Bunty Dunlop and her Siberian Huskies. They took part in the Grape Festival Parade recently held in St. Catharines and won the award for the Best-Decorated Float. And for the first time in the history of Canadian dog shows a Siberian Husky went Best in Show. Ch. Snow Ridge Chiefson, handled by Lorna Jackson showed to the top award under Judge John Lundberg at the London Canine Association Show, as well as taking best Canadian Bred in Show. We're all busting with pride over it.

Upcoming and Important: Saturday evening, November 25, BDKC is holding an open meeting at Nelson Township Hall. All CKC members and associate members are invited to attend to hear CKC nominees and participate in open discussion.

XMAS AD COPY IS NOW DUE

Bullmastiff Fanciers of Canada

by Mrs. J. H. Daniell-Jenkins

Rouge Hills P.O., Ont.

The Bullmastiff fancy appears to be heartenigly on the upgrade again with an increasing membership in the club and a widening circle of new and prospective owners.

Plans are underway for the All-Breed Sanction Show to be held by the club on Sunday, November 12 at the York Farmers Market, Thornhill. This and the now successfully-over Specialty held at the Oakville and District KC show on September 9 formed the chief business of the meeting in August.

With sadness we have received news of the death of Can. Ch. Bronco Bill of Bulmas, owned by Sid and Iris Fortin, now of Grassy Lake, Alta. This fine import from the kennel of Mr. Cyril Leake of England, made a notable contribution to the breed in North America as a stud dog and those of us who knew and loved "Bronco" send our deepest sympathy to his owners.

The Canadian Samoyed Club

by Mrs. Herbert Rowell

Wyebridge, Ont.

The members of the Ontario Area and their friends spent a most enjoyable afternoon and evening on September 10 at the home of Mr. and Mrs. Harvey Worsnop, Buttonville, near Toronto, who kindly provided the use of their home and grounds for the event. An invitation was extended to all members and other owners of Samoyeds, including their Sammies. The main feature of the afternoon was a parade of Samoyeds. A show ring had been roped off for the occasion and a panel of three judges was selected from those present to judge the Sams according to the class entered. Each member provided a prize, and the winners who came first had the first draw from a container. There were prizes for each Sam. Although the day was one of those uncomfortable humid sessions doled out by the weather man, 50 persons and 16 Samoyeds came along to participate in having a good time with those sharing the same mutual interests. The highlight of the occasion was the corn roast with weiners and rolls, the corn was prime and corn lovers had a treat.

We were all very happy to have with us the President of the club, Mr. Gordon MacDonald who had undergone a serious operation. We were gratified to see that he was making the grade to recovery.

Aside from other activities, Mrs. Worsnop's Antique Shop was of absorbing interest to those who like to delve into the history of the pioneer settlers of Canada. In the evening Mr. Worsnop showed moving pictures of films he had taken. A vote of thanks was extended to Mr. and Mrs. Worsnop for making it possible for the club to meet under such enjoyable surroundings and enjoying the many features of the day of which they had contributed so much to add to our pleasure, and to meet in a cordial atmosphere.

Canadian West Highland White Terrier Club

by Bud Flanagan

R.R. #1, Brooklin, Ont.

"Wouldn't have missed it for the world — but glad it's over!" We are referring, of course, to the Canadian West Highland White Terrier Club's Tenth Anniversary Specialty Show, held on September 24 in conjunction with the Scarborough Kennel Club's All-Breed Show.

This was, without a doubt, the biggest and best Specialty Show we have ever had; a total of 36 Westies were entered, including ten champions, and, just to give it a real Can-

ada-wide flavour, three dogs from Vancouver, and three from New Brunswick. Also, three came up from the States, one of which, a beautiful ten-month-old puppy named Lawrenton Wee Maggie, owned by Miss Barbara Worcester of Little Falls, N.J., went through to Best of Winners, as well as taking Best in Puppy Sweepstakes, out of a total of 14 promising youngsters.

Best of Breed went to that remarkable two-year old of Mr. and Mrs. Kaye's, Ch. Dina-Ken's Little Pip, with Best of Opposite Sex to Mr. and Mrs. E. Payne's Ch. Dreamland's Phantom. And here is one for Ripley — "Dina-Ken" is the Payne's kennel name, and "Dreamland" is the Kayes'; so these two winners bred each other's dog!

Best Puppy in the Specialty went to Mr. and Mrs. J. Willes' outstanding youngster, Manderley's Playboy, a ten-month old who has now taken Best Canadian-Bred Puppy in Show three times.

The judging was in the capable hands of Mr. and Mrs. J. Neill Malcolm, of Ottawa, Mr. Malcolm doing the Specialty and Mrs. Malcolm the Puppy Sweepstakes. Our very sincere thanks to the Malcolms for an excellent job, also a thank-you to Miss Alma King, who acted as our ring steward.

A couple of very welcome visitors turned up to watch the Specialty. Mr. and Mrs. Chester Caldwell, the well-known Westie breeders from Hawaii. The Caldwells have been spending some time in Canada and of course, couldn't resist coming to take a peak at this show.

Nice to see Mr. Victor Blochin out to the show. Mr. Blochin has been quite ill with heart trouble for the past few weeks, but like the rest of us, couldn't let the opportunity go by of attending the Tenth Anniversary Specialty.

The trophy table was a sight to behold! Mrs. Flanagan and Miss Ross have been busy gathering trophies and prizes all summer for this event, and the end result was something to see! Numerous photographs of the table and its beautiful array of prizes were taken by club members and others. The Daniell-Jenkins-Jeudwine Memorial Trophy, while not being competed for at the Show, was on display, and an impressive piece of work it is!

Finally, our sincere thanks to the Scarborough Kennel Club, whose friendly cooperation and assistance was deeply appreciated.

Following the show about 30 of the members and their friends attended a dinner at the Kayes,' where good food was in abundance. A special invitation, which was accepted, was sent to Mr. W. McDerment, who judged this club's very first Specialty Show, back in 1951. And so the day ended, with everybody happy, but very, very tired!

P.S. The Club will be holding an All-Breed Sanction Show at the York Farmers' Market, Thornhill, on Sunday, November 26, so get your puppies ready! We are also planning a Booster Show at the Canadian National Sportsmen's Show next March.

The Dominion Collie and Shetland Sheepdog Association

by Mrs. Joan M. Souch
598 Carlyle Court, Oshawa, Ont.

September 15, a meeting was held at the Hall on Yonge Street. We were quite disappointed at the few usual members who turned up for this meeting. We sure hope to do better in the future. Our President, Mr. R. D. Smuck, because of personal reasons had to hand in his resignation as President although he was to run for another year. Our Vice-President, Mr. R. Souch, was asked to take the office and he said he would for the rest of Mr. Smuck's term. Arrangements were made re our voting privileges for our 1962 executive.

Financial reports were given by the Treasurer, Mr. Whiteside, and although one of our shows this year put us considerably behind in money we feel we are all pleased we put it on.

Mr. and Mrs. W. Clark were voted in as our voting scrutineers this year and by the time this report is read our new officer will be elected. Our Secretary, Mrs. Helen Scott, because of other positions pending, felt it necessary to resign but the members asked her to carry on until her term ended and the new election was over. Mrs. Scott agreed to do this.

We welcomed in officially the following new members: Mrs. Betty Thompson, Erindale, Ont.; Mr. and Mrs. E. Hoskin, Wyhoming, Ont.; Mr. Carle E. Snyder, Michigan, U.S.A.; Mrs. M. Carlson, Port Credit, Ont.

The next meeting was held on October 1, at the home of Joan and Ross Souch. It was opened by our new President, Mr. R. Souch. Our constitution was discussed and it was felt by those present that there were some changes that needed to be made. These changes were discussed. We also discussed our offering (in conjunction with Montreal Branch) a silver spoon for any Collie or Sheltie that scores in Obedience with a score of 195 or over. We hope to promote more Collies and Shelties in obedience. We are, however, pleased that more and more of our members are entering Obedience and successfully.

Arrangements were made re our coming shows in 1962. There is much work ahead and the members present were looking forward to our 1962 show year.

Our thanks to Mr. Robert Smuck for his help and guidance these past three years as President and before that as a member.

The Dominion Collie and Shetland Sheepdog Association (Montreal and District Branch)

by Mrs. H. Slaughter

5—47th Ave., Bois des Filion, P.Q.

Our Winter season started off in fine style with our first exclusive club venture — a Club Match.

Through the kind generosity of Mary and Mac Stephens we had the pleasure of using their beautiful garden for the match. The weatherman smiled on the affair with a lovely Fall day. Thirty-five dogs were entered in the various classes, starting with three four-month Collie pups bred by Mrs. A. R. Mills, having the time of their lives trying to get all their legs untangled and finishing with Sybil Jardine's ten-year-old 13" Sheltie, Wee Bonnie's Janie.

There were classes for every member's dogs, from the four-month old puppies on through stud dog, brood bitch, veteran and of course, children's handling, with prizes for every dog entered. From the many members at the match, and the large entry, everyone joined in with the fun of the outing and tried to enter something — in coat, out of coat, undersize, oversize, it really didn't matter.

Ron Pitkethly judged the match and put up Kay Anderson's Collie, Longfellow of Ladypark as the Best Dog in the Match. The Best Sheltie was Grant Ross' Ban-Joe of Summit. Ron wrote a critique for each dog entered and everyone took full advantage by eagerly questioning him on all the dogs he had judged.

Grant Ross and Ruth Mingie (our Program Conveners) can chalk up another triumph to what is now becoming a long list of successful programs.

Gateway City Obedience Club

1474 Alexander Ave., Winnipeg 3, Man.

First the new slate of officers: President, Jack Cohen; Vice-President, Ron Hamel; 2nd vice-president, Lee Glassco; Secretary, Marion King; Treasurer, Dolores Lauman; Director of Training, Gordon Ashcroft; Class Secretary, Joan Strike. Attendance at the annual general meeting was not high, but all those with a real interest in the club were there.

A trainees' meeting was also held. We have 11 full trainers with the club. They are: G. Ashcroft, D. Lawrence, R. Hamel, J. Strike, M. Torrence, G. Penno, J. Cohen, M. A. Monkman, M. King, J. Chorlton, D. Garry.

We plan to hold a series of compulsory sessions for all trainers, to regulate and standardize training on all levels.

Long before our first Monday class we had a full enrolment but unexpected entries have necessitated an extra Beginners' class.

A display of pictures of club members and dogs and information was put up in the Pet Supply department of Eaton's.

On our fist night John Strike and "Lucky", CDX, gave a demonstration of heeling and "sit" and Gordy demonstrated the training procedure with an untrained dog. Beginners were up on the floor without dogs to practice basic leash handling and essential footwork; an innovation which should prove very helpful. Lawkin Pet Supplies again made available the correct and top quality leashes and training collars which have supplied our previous classes.

Our TV show was a great success. After all, what could be better than a half hour of dogs? An hour! I am sure we all enjoyed seeing ourselves and dogs. The Dobe that did the walk-on bit was a surprise to me, though. Heidi! That was supposed to be a Down-Stay!

And do I hear stray murmurs of Tracking plans?

German Shepherd Dog Club of Western Ontario

Hi, all you nice canine people. It's been awhile but here we are back at the old stand and ready for work. Our club news this month is both good and then very sad. It is with deep regret that we announce the death of a very old and dear club member and friend, Mr. William Dear. Bill as he was known to us all, was a true lover of dogs, especially his Shepherds. He will be missed by all around the obedience ring. Another very unfortunate item is the car accident involving two of our club members coming back from a dog show. Luckily neither of them were hurt too seriously, but both will be recuperating for awhile. Hurry and get well, June and Jim Howard.

In a little brighter air, we are certainly proud of three of our club members. Congratulations to Adam Cwik; he certainly is in there in the winning circle. Also Eve Jermy; Eve has just started her show career with her pup Ronnie and going full speed ahead. Our training director Clayton Burton's last litter of puppies now has three CD dogs in it, scoring very high and in the trophies. Keep up the good work, club members.

HEIDENHEIM DACHSHUNDS REGD.

CH. HEIDENHEIM'S ADAGIO
BEST IN SHOW — DACHSHUND SPECIALTY SHOW 1961.

We have only shown 2 dogs this year on a limited scale, but they have had some successes we feel are worth special mention:

CH. HEIDENHEIM'S ADAGIO

Gina (now aged 18 months) attained her Championship and gained 1 FIRST, 1 SECOND, 3 THIRD HOUND GROUP placings, 9 BEST OF BREED, 9 BEST CANADIAN BRED IN BREED and 3 BEST OF OPPOSITE SEX IN BREED. She climaxed by going BEST OF BREED (STANDARD SMOOTH) and BEST IN SHOW (ALL COATS, STANDARD AND MINIATURE) at the Dachshund Specialty Show 1961. That weekend she took 3 BEST OF BREED AWARDS IN TWO DAYS.

HEIDENHEIM'S BLACK FALCON.

Falcon is really our "next season's" dog, but was entered at the odd show for experience. His outstanding wins were:

SPORTSMENS' SHOW	First Show	BEST PUPPY IN SHOW (ALL BREEDS)
" "	Second "	BEST PUPPY IN GROUP
" "	Third "	BEST PUPPY IN BREED
CHICAGO—DACHSHUND SPECIALTY—		2nd SNR. PUPPY under Mr. John Cooke
CHICAGO—INTERNATIONAL SHOW—		3rd SNR. PUPPY under Mr. Van Court

(275 Dachshunds entered at these shows)

We would like to remind Breeders that our studs are unequalled in this country for producing real quality and top winners. For FOUR YEARS, our two top studs, CALYPSO and ZACHARY have been the sire or grandsire of nearly all the Specialty show winners from the class up to the top wins and each year under top American Breeder Judges. Many of the most outstanding dogs to be seen in the ring today stem from our bloodlines.

CH. (CAN. & AM.) CALYPSO OF GERA. Sire of BEST IN SHOW, BEST CAN. BRED IN SHOW, and BEST PUPPY IN SHOW in 1960 and 1961 Specialty Shows. Sire of CH. ADAGIO, CH. XMAS CAROL and many U.S. Champions.

CH. ZACHARY OF GERA. Himself BEST OF BREED (ST. SM.) and BEST OF OPP. SEX IN SHOW to his grand-daughter in 1960; Grandsire of BEST IN SHOW AND BEST PUPPY IN SHOW (2 dogs) in 1961. Sire of CH. MELITA (BEST PUPPY IN SHOW—Specialty 1958); CH. PRELUDE (A top winner the whole season 1959); CH. TEMPTATION (BEST PUPPY IN SHOW TWICE IN ONE DAY —Burlington All Breed & Specialty 1959—stolen in Chicago March 1960).

BART OF GERA. Sire of Connacht of Gera, W.B. at Westminster 1960 and of the sensation in Europe, Cathale of Gera.

HEIDENHEIM'S BLACK FALCON. The repeat on the breeding that gave us TEMPTATION—the only dog to go BEST PUPPY IN SHOW at the BURLINGTON ALL BREED, the DACHSHUND SPECIALTY SHOW and the FUTURITY—ALL ON THE ONE DAY in 1959.

Pedigrees and stud fees on these dogs available on request.

We have some excellent show and breeding stock for sale and expect litters from the combination that gave us (the Dam being bred for the last time) Melita, Temptation, Falcon and Raven (not yet shown, but the best of them all), and from a repeat breeding of Calypso and Prelude that gave us Adagio.

We wish to thank Mr. & Mrs. Martin for the wonderful care they give our dogs and for their zeal and tireless efforts on their behalf.

was held September 26, with a good attendance. We were also happy to welcome another new member. First item on the agenda was a report on our June championship show. The members were most happy to learn that (in addition to a nice little bunch of complimentary letters from out-of-town exhibitors saying how much they had enjoyed the show) financially this had been one of our best shows in many years, and we are starting off our Fall and Winter season in a very sound position.

During the remainder of the evening we covered quite a bit of general business — decided on our panel of judges for 1962 show; made arrangements for a Christmas Sanction Show, and, last but certainly not least — prepared for our Christmas Party.

It was an exceedingly pleasant and enthusiastic meeting, and the one sad item was the absence of our much esteemed member, Mr. "Bill" Levinsky who was not able, through illness, to be with us. Our very best wishes go to "Bill" and we hope to see him in the not too distant future."

The club has just completed arrangements for the Christmas Sanction Show to be held December 9. The venue is the same as last year — the Windsor Hall, Kenilworth and Main Sts., Hamilton. Judges will be Glenn Stevens and Peter Smith.

Hamilton Obedience Club
by Mrs. M. Krawesky
57 Barons N., Hamilton, Ont.

Our training classes are on their third week of training, as of the 5th October, with 40 novice dogs. Fourteen of our members also have dogs in the beginner or refresher classes. There are some of the rarer breeds enrolled, such as a Keeshonden, Dalmatian, Long-Haired Dachshund, Samoyed, Siberian Husky and a few Irish Setters.

It has come to my ears that Ed O'Brien has his CD with a Miniature Poodle, Lois Allison has her CD with her Scotch Collie, Gilly and Abe Zvonkin has his UD with his Standard Poodle, Beau Bo. I hear also that he is planning on taking his dog on into the Tracking work. Congratulations to everyone!

Our Christmas party is being planned by Ralph Latta, for the 8th of December and is going to be held in the Hamilton Airforce Assoc. Hall, end of Hwy. #102, in Dundas. We are having an orchestra, dinner, dancing, and are hoping for a good turnout. And speaking of Christmas, reminds me that we have been allotted a float for our club, from the **Hamilton Spectator,** to be in the Santa Claus Parade on November 18. A committee of five has been appointed to make plans for decorating this float.

At our monthly meeting on October 6, we had a nice film on dogs, and a shortie on Animals of Africa. It was enjoyed by all. We are in the process of making arrangements for our Winter Trial in February. Mr. Howard Ward is Superintendant and he is looking around for a large building suitable to hold two rings for a single trial, so we could have two judges for the great number of dogs entered these days, instead of one. Anyone knowing of such a hall, in Hamilton or surrounding districts, please get in touch with Mr. Ward, R.R. #1, Mount Hope, Ont. Phone No. OS 9-4391.

We held a Member Sanction Match at Peg Oldland's place, outside, on Sunday, October 15. Mr. Clarke Diamond was judge, Mrs. Louise Diamond No. 1 Ring Steward, Mrs. Freda Walls, Superintendant; Mrs. Blanche Cole was in charge of refreshments. Rules are that a person may enter his dog in only one class, and may win one trophy only, except the Highest Scoring Dog, which may win a perpetual trophy donated by Mr. Reg. Peters, this trophy offered again at each Member Match. We do not charge a fee, but we take plenty of food, and make a picnic of it after everything is over.

Mrs. Jean Finn is our new Trophy Convener, as the Bottrills are moving away from the city. Clarke Diamond was commentator at an Obedience demonstration on October 3. Louise Diamond did the CDX work with Taffy, Lois Allison did the CD work with Gilly and Percy Marshall did the UD work with Johnnie. It was a Father and Son banquet of Scouts and Cubs, and there was an attendance of over 200. We received many enthusiastic comments, and hope some may bring their dogs to our training classes.

The Irish Setter Club of Canada
by Mrs. Ray McCormick
194 Brookview Court, Ancaster, Ont.

September 18 was a busy day for our club. In the morning three of our members and their red friends appeared on CHCH-TV. Miss Beverly Marsh of the 11 A.M. Club, in interviewing Mr. Roy Dafoe and Ch. Prince Rory of Kenten, C.D, was extensively informed of the origin, background, outstanding champions and prominent owners of the Irish Setter. Mr. Bob Allen with Londonberry Belle II, CD, gave a short outline of Obedience training and Mrs. Ernie McGowan appeared with her Ch. Golfview Scarlet Crest.

Our monthly meeting was held in the evening at the home of the McCallum's in Dundas. A good turnout was on hand and many topics covered, field training in particular. Mr. Meadows of the Department of Lands and Forests, in his meeting with our members on September 9, was most sympathetic with our difficulties in this regard. He gave us full particulars on sources of obtaining pheasants, suggested we might try raising quail ourselves. He outlined the Department's requirements with regard to crating, raising and proportion of male to female released. Mr. and Mrs. J. Tumelty, who attended a field trial at Ottawa, returned with many ideas on how to improve our field layout, judging, choice of birds. In our field trial coming up soon, we hope to incorporate some of the above suggestions.

On September 23 our Annual Specialty Show was held at the Burlington Arena. Our members from Clarkson, Mr. and Mrs. W. Ionson, took Best in Show with Ch. Winfield's Donna-Kim Liz. Many compliments were passed on our colorful benching display. The dogs were set against a yellow and green backing with a white canopy, from which hung their name plate boards.

We wish to extend hearty congratulations to Lt.-Cdr. and Mrs. Threlkeld, our club members in Halifax, N.S., who, with Ch. Hollywood Hills Honor, obtained six group Firsts and a Best in Show. Well done.

Schooling has started again for our four-legged friends. The Hamilton Obedience Club trains at Ancaster every Thursday evening, and we have five Irish Setters working on CD's and one on CDX. Good luck to these handlers and let's see you all go on to the Trials in the Spring.

In conjunction with the October birthday of the Greater Hamilton Shopping Centre, our club put on a parade and obedience routine.

by Kay Rudow
127 Roxborough Ave., Kitchener, Ont.

Our monthly meeting was held September 27 at the Pines Inn, Bridgeport. Training classes started September 14 with a very good turnout.

The Eileen McEachren Memorial trophies were the subject of the meeting. It was decided by the members to use these trophies for an Annual Membership Dog Show, with club members only, attending. These trophies are to be called the McEachren Challenge Trophies and are to be returned to the club a few weeks before the next show.

On Sunday, October 1, the club held their first Annual Membership Dog Show at Hawksville at a privately owned cottage. Mr. J. W. MacCallum of Toronto and Miss Lynn Benson of Guelph judged the show. The members all had a very good time showing their dogs, even if some had never been in a show ring before. There were prizes for everyone, and refreshments were served all afternoon. We wish to thank all those who took part in this affair and for their good sportsmanship.

The Challenge trophies were awarded to the following club members: Mr. and Mrs. Jack Bolton of Guelph, Class "A" Confirmation; Mr. Wilbert Gross, Breelau, Class "B" Conformation; Mrs. Ruth Hebel, Bridgeport, Class "A", Obedience; Mr. Peter Thomson, Kitchener, Class "B" Obedience; Mr. Glen Hebel, Class "A" and "B" Field Dog.

it is gratifying to feel that the absent members are willing to leave the business of the club in the hands (and heads!) of the Faithful Few, and we did have a quorum.

Plans are already under way for our Specialty Show, held in conjunction with the Sportsmens Show, and we hope to have as our judge, one of the most experienced and well-known breeders on the North American Continent. This will be a really big event for all Miniature Schnauzer enthusiasts so do get those eligible young pups ready for March.

After trying to tie up a few loose ends of business, we proceeded to the election of new officers for the next two years. The executive board is now composed of Mr. W. Gottschalk, President; Mr. C. Carter, Vice-President; Mr. H. MacKendrick, Sec-Treas.; Mrs. W. Gottschalk, Publicity Chairman (and the role she fills so capably of 'Parish Visitor'!). The members thanked all officers and ratified their actions for the past year, and the meeting adjourned in the general direction of some sustenance for the Last Mile (or two) home!

North York Obedience Club
by Margaret Thompson
16 Sabrina Dr., Weston, Ont.

The second graduation of the training classes sponsored by the North York Obedience Club took place on Wednesday, September 20, at the Finchurst Shopping Plaza. Eleven dogs went through the exercises of the Novice A class and the three top scores were Miss M. Lenton, with her Cocker, Kandy; Mr. W. Knowles, with his Wire-haired Terrier, Petunia and Mr. Clive Brown with his Welsh Corgi, Buddy. Trophies were awarded as follows: for Best Performance, Miss Lenton and Kandy; for Best Handling, Mr. McIntosh and German Shepherd, Junior; for Greatest Improvement, Mrs. Chappelle and Miniature Poodle, Inky. Mrs. Probert handled Hans Albrecht's German Shepherd Dusty through Novice B, obtaining a qualifying score. Each handler received boxes of dog food through the courtesy of Master Dog Foods and at the close of the evening bouquets were presented to trainers Grace Probert and Peggy Thompson by the class. Mrs. Audrey Langford acted as judge and when the trophies and score sheets were handed out, Mrs. Langford spoke at length to each handler, giving suggestions re overcoming problems she had noticed during the judging.

The club held its second Matinee Show on Sunday, October 1 at the home of Mrs. Bentley, 19 Carney Rd., Willowdale. Several members and their friends attended this very successful event, as well as some passers-by who dropped in to see what was going on. Refreshments, in the form of hot dogs, tea, and coffee were served throughout the afternoon. Mrs. Barbara Scott from Oshawa was judge for the "trial" and at the end of the afternoon, Jim Pugh and his Weimeraner, Spook, walked off with high score in Novice A; Grace Probert and Hans Albrecht's Shepherd, Dusty, took high score in Novice B; Peggy Thompson and her Sheltie, Robin, took the honours in Graduate Novice. Many thanks are due to Mrs. Bentley for offering her home and garden for this event, to Mrs. Marriott for refreshments, to Peggy Brooks for trophies, and to Sandra Bargent for "cleaning up". The club is holding a third Matinee Show at Mrs. Bentley's home on Sunday, November 5. More of this in the next issue.

Flash! We have just heard that Spook, owned and handled by Jim Pugh, got his second leg on CD at London — congratulations! Also, that Tarzan, Grace Probert's Shepherd, is going across the border on October 8 to try for his American TD. Good luck!

The club's third graduation will be held on Sunday, November 19, at the Farmer's Market, Yonge St. In conjunction with this, a Mock Trial will be held and all those interested in putting their dogs through their paces under show conditions are most welcome to attend.

Near perfect weather prevailed during the recent weekend when many of our club members journeyed to Ste. Marguerite to the trials at Chalet Cochand. The setting as usual was beautiful and the trial very well organized. The dogs responded very well to the perfect setting and weather. A very large number of visitors were on hand from the U.S.A. and this called for lively competition for our club. As a result of these three trials we have many new legs and titles, including our Boxer, "Sargent" Halliday who is now a very proud CDX. Congratulations. We also have two new Boxers who completed CD titles, "Teddy" Ely and "Pepper" Walton. Another Boxer who came through with a leg on Open was "Dick" Bastien. Our congratulations to all who competed and made the grade. Our thanks to the Montreal Dog Obedience Club who were the hosts of these fine trials.

The following weekend we expect to see some more legs and titles obtained we hope, at our own Trial and Tracking Test at North Hatley. The results of this will be announced in a forthcoming issue.

Oakville & District Kennel Club
by Sally Furlong
9 Oakwood Crescent, Oakville, Ont.

Our 11th Annual Championship Show and Obedience Trial held in the Oakville Arena on September 9, was we feel, one of our most successful. It was the largest entry since 1954 and judging from the complimentary letters we have received since it seems that others enjoyed it as much as we did.

It was most regrettable that Mrs. Paula Silvernail from Madison, Conn. veteran American judge making her Canadian debut at this show, should be taken ill on the morning and in spite of continuing courageously as long as possible, was unable to complete her assignment.

We were fortunate in having as Show Superintendent Mr. J. W. MacCallum of Toronto, himself an experienced judge who kindly agreed to take over the remaining breeds in the Toy Group and the Group judging itself. We were most grateful to him for stepping into the breach at a moment's notice.

From news received since, we are very sorry to hear that Mrs. Silvernail has suffered a slipped disc and is confined to her home in traction. We would like to extend our sincere sympathy to her and hope that this very unfortunate incident on her 'maiden voyage' to Canada, in the capacity of judge, will not discourage her from returning soon.

We would like to congratulate Mrs. Laura M. Paton of Claremont, Ont., whose Maltese Terrier Ch. Balkaren Perseus, won the Best in Show award and Mr. Jack Birkby of Chatham, Ontario whose Doberman Pinscher Kaukauna's Fiddlers Folley, was judged to be the Best Canadian Puppy in Show.

As always, the Obedience Trial was one of the main points of interest and we were happy to receive a letter from Mrs. Mary Southcott, Chairman of the Obedience Council of the CKC congratulating us on the way in which it was conducted. Of the 48 entered 27 qualified, with top honors going to a very smart little Miniature Pinscher, Flomos Jiminy Cricket, owned by Mr. Clyde Thompson of Girard, Ill. with a score of 198½ out of 200. We would like to congratulate Mr. Thompson on his dog's performance; he had stiff competition but proved himself equal to it.

At the close of the show Mr. George Kennedy, the President, and members of the committee entertained the judges and guests to dinner.

The Obedience Association (Ontario)
by Mrs. Mary Krawesky
57 Barons Ave. N., Hamilton, Ont.

Our Fall meeting was held September 30, with a good attendance. Present were the following Directors: Mrs. Audrey Langford, Hamilton; Mr. Abe Zvonkin, Hamilton; Mr. Don Peall, Hamilton (Skyway), Mrs. Grace Probert, Toronto; Mrs. Lang, Peterborough; Miss Floeter, deputy for Paul Vogel, Oshawa; George Mehlenbacher, Simcoe; Mr. Barclay, Tillsonburg; Vice-President, Mr. Ed. O'Brien, Canfield; Past President, Miss V. E. Meyers, Milliken; President, Mr. Peter Kirk, and Secretary-Treasurer, Mrs. Louise Diamond.

An application for membership from the Tillsonburg K-9 Obedience Club, was accepted and Mr. Barclay, who was present and representing this Club, was welcomed by everyone.

Mr. Clarke Diamond, who was Chairman of the Convention and Fun Frolic held on June 4, gave his report. After all bills were paid off, we had a substantial profit to add to the treasury.

Mrs. Grace Probert reported that she would be publishing "The Obedience Link" in October. There was nothing published in September, because we felt that as most clubs broke up during the summer months, there would be very little news.

A certificate was presented to Mr. Abe Zvonkin, from or association, by Miss V. E. Meyers for a perfect score of 200 points earned at the Burlington and District Kennel Club Trial in Open B, on June 11. Mr. Tony Vanuden has earned two certificates for a perfect score of 200, twice with the same dog, a Belgian Sheepdog. These will be mailed to him.

The St. Catharines Club won first prize for their float in the Grape Festival Parade held in St. Catharines, Ont. There was a Centennial Parade in August at Simcoe, Ont. The Simcoe Obedience Club fenced off a section of the street and put on a demonstration which helped acquaint the public with their training classes. The Skyway Obedience Club went to the Shopping Centre at Kenilworth

and Barton Sts. and put on demonstrations every five to 20 minutes. People gathered around and talked to members of their club with the result they received many entries into their training classes. The Hamilton Obedience Club sponsored a Pet Show at the Centre (same as above) and there were hundreds of children, with dogs, cats, racoons, mice, hamsters, guinea pigs. Prizes were given for Best in Show, Best Dog, Best Cat, Best Shortest, and Longest Tail and many others. It was reported every hour by CHML and drew lots of favorable comments. The North York Obedience Club is holding a contest for students of that district and their members in a search for a crest for their club. Prizes of money will be given to the first four winners.

Our general meeting will be held November 18, in the Textile Hall, Hamilton, if it is available.

Oshawa Obedience Association
by Peggy Boorman
22 Frank St., Oshawa, Ont.

By the response of the enrolment, our winter training classes are off to a good start. There will be a total of 40 dogs entered in the three classes.

Our association has found a very effective way of advertising these classes and we hope, by passing our method along, it will help your classes grow.

We ask permission from our local shopping plaza to allow us to put on a small demonstration of Obedience Training. The club members (with their dogs) spend two hours on the Saturday afternoon at the centre the week before the classes start and pass out leaflets to everyone announcing our classes, where they are to be held and the time, also phone numbers of two club members to contact for furthr information.

The local paper will be only too glad to send a photographer and a picture in the paper is also a great attraction.

Ursula Floeter, Marilyn Mills and Bill Scott attended the Ontario Obedience Association meeting at Hamilton and gave the club a very interesting outline of the business of the meeting.

Congratulations to Mr. and Mrs. John Sorochan of Oshawa on the birth of a son, James. It is also good to see Betty McHugh back to classes again.

Mr. & Mrs. Monty Cranfield are back after a very enjoyable trip to Europe.

Peterborough & District Obedience Club
by Mrs. Jack K. Lang
552 Raymond St., Peterborough, Ont.

After a summer of attending many, many trials, some of which were good and others that could be improved on, members are back at work with their own dogs and Obedience training classes.

In the basic classes we have eight Poodles registered and working — where they all came from we don't know. Last year we only had three. We have them from the Toy, Miniature and Standard, and we have a variety of colors.

The Scotts and the Brooks and the Zimmermans are all back again with Dachshunds, and with only one exception it has been a Dachshund that has been a top scoring dog in Basic, Advance CD as well as CDX classes and we might add that none of these dogs presently working in CDX work have had the slightest difficulty in going over the jumps. It could be that we started these dogs working in the Broad Jump as well as the High Jumps with only four inches and every two weeks increased it by two inches until they reached the required jumping height. As a matter of fact we have one little Dachshund that just flies over the boards coming down as easily as a Poodle or a Terrier does.

Nancy Brooks with "Lady" and Helen Lanz with "Killian" have earned Club trophies in obtaining their CD and CDX titles respectively.

Tag-A-Long, another Dachshund, tied for second place with a score of 194 in Hamilton recently, qualifying for one leg on his CDX title. Tag, owned and trained by Ross Scott, is an excellent worker.

We are looking forward to the Fall and Winter Season (not the snow), just the fun of working in Obedience with folk and dogs we like.

O.T. Ch. Hi-Hope's Merry MacDuff T.D. (Am.) U.D.
and Ch. Hi-Hope's Merry Imp U.D. (Am.) C.D.X.

We salute **"Merry Imp"** on her new breed record — a "triple-crown" — Ch., U.D. & Best in Show winner! In completing her Utility Degree, with two 1st in Class out of three P.N.E. Trials, she also becomes, at just under 7 years of age, the second "U.D." holder from a litter of three.

May we also congratulate Mr. & Mrs. C. Zimmerman, of Edmonton, who, on a recent weekend, made it **"Ch." Sunset's Prince Christian C.D.** (younger bro. to Ch. S. Black Velvet), also completed the *C.D. on Hi-Hope's Gaye Shiralee, as well as picking up more points toward her title.

The Progressive Kennel Club Inc.
by Gertrude W. Drew

We had rather a hard time getting a permanent meeting place. Finally the Secretary did locate a room with the St. Clair YMCA. As a result our meeting had to be held on October 11, one week later than usual.

There was a very small turnout owing to American shows and other business affairs which must take precedence over club meetings. We hope the members will be back to normal conditions by November.

Luckily there was very little business to attend to and therefore it could be and was expedited in spite of the small attendance.

The Sanction Show judges were selected tentatively. It was left to the show secretary to get in touch with the appointees. A report on this item of business will be received at the next meeting. The show is to be held December 3 at York Farmers Market.

We were pleased to see Mr. and Mrs. Stevens present at this meeting. They both seemed to be in good spirits and able to attend to their respective offices.

The November meeting will feature a program. It is expected the club will be able to present the Sportsmen's and Westminster films. The secretary reported that she had already reserved the one of the Sportsmen's show. This should make a very interesting evening and the members are permitted to invite their friends. We have a very large room at the St. Clair Y, and there is plenty of accommodation for a good big crowd.

In mid-September we lost one of our very good members. Mr. A. J. Symons passed away suddenly while watching television. He was a member of this club for several years as well as being an officer of the Toy Breeders Association. He attended the September meeting and at that time he was looking extremely well. However he had suffered a heart attack some years ago and since then he has had to be careful of his health. We extend our deepest sympathy to his wife, Mrs. Maud Symons, who is also a member of the club.

Our next meeting will be held on the regular day, ie, the first Wednesday of the month and all subsequent meetings will be on that date. The new meeting place, St. Clair YMCA, 15 Robina Ave., first street east of Oakwood just north of St. Clair.

Enquiries regarding shows should be addressed to the Show Secretary, Mrs. Martha Stevens, 1698 Gerrard St. East, Toronto.

The Provincial Irish Setter Club

by Mrs. Gertrude Drew
120 Ranleigh Ave., Toronto, Ont.

The September meeting was held on the 29th, with a good attendance. The minutes were read and reports from the various officers were approved. The Secretary stated that there was quite a volume of mail since the last meeting which would take some time to read. To save time it was decided that only the relevant letters should be read. Three memberships were approved.

Our specialty show scheduled for October 29 was the chief item of business. The lady members volunteered to decorate the show ring, with the trophy table in charge of Mrs. Betty Hodgson and Mrs. Norine Clouter. The male members made it plain that they would attend to all other details.

This year a dinner was not held after the show. We discussed this thoroughly and everyone agreed that it kept the exhibitors very late getting home, many of whom have small children. However there was a lunch counter operating all afternoon, right in the building.

We are very fortunate in getting the loan of a duplicating machine through our very good member, Jim Scott. This will be delivered to Mrs. Lake who will run off premium lists and catalogues. What a wonderful saving this is to the club.

Some of our members have had really bad luck with their dogs. The Houstons lost all their dogs and puppies with a severe virus. Others have lost their only dog. This is most discouraging to new breeders and we certainly sympathize with them.

Congratulations to Douglas Lake, son of Al and Mary, who won the "Novice A", handling class at the London show October 7.

Information regarding membership and club activities may be had by writing the secretary Mrs. Mary Lake, 200 Maple Leaf Drive, Toronto 15. Telephone, CH 1-3709.

St. Catharines and District Kennel and Obedience Club

by Pat Howe
15 Leeper St., St. Catharines, Ont.

This club accomplished a great deal in the month of September. A committee was elected to head up our forthcoming all breed Championship Show next Spring with Bob Baker as Show Chairman.

We have also begun a building fund which we hope will eventually provide us with a permanent home.

The highlight of the month came when a committee headed by Anne O'Malley succeeded in building and entering a float in the Niagara District annual Grape Festival Parade. The float depicting the spirit of the North was in white, simulating snow and abounded in small fir trees. The theme of the float was impressively brought home by the presence of a complete team of Huskies, sled and driver. Bunty Dunlop of Burlington, who so graciously loaned her team and sled to our effort, was the sled's occupant. Firpo Williams, a well known retired police constable, actually looked the part of a Northern trapper.

If you own, breed, show or just plain love dogs send for new list of books by top-ranking authors.

Not satisfied with the float alone the club also presented their own Majorette, color party and Canine Queen. The float was towed by a white convertible on which sat Joan Barr dressed in dazzling red. Accompanying her were white miniature Poodles that caught everyone's attention. Still another attraction was provided by the club members as they marched behind the float with their dogs and went through their paces whenever the parade halted. The most gratifying event of the day came that evening at the Club Heidelburg when the judges awarded our club first prize for our entry in the parade.

This is another triumph for our young organization down in the Niagara Peninsula and we hope to follow it with more.

Scarborough Kennel Club
by J. Holdham

We had an exceptionally good entry of dogs for our Second Annual All Breed Championship Show held at the Don Mills Arena on September 24. We had a total entry of around 60 dogs, all of which were in competition except for 15 which were in the Parade of Champions only.

Everything went smoothly but we were disappointed by the absence of the CBC to televise the Parade of Champions. We would like to express our thanks to all our exhibitors, especially those who travelled long distances and particularly our friends from the U.S.A. Our thanks are also due to those lady members of the club who worked so hard in the kitchen and around the Arena.

The Don Mills Arena turned out to be an ideal place for our show and we hope that it will be made available to us again next year. While on the subject of arenas, the club would like to put on record the wholehearted cooperation we received from the manager and staff, and indeed from all the people at North York Township Parks and Recreation Department with whom we had dealings.

We hope that a pleasant day was had by all and that we see you again next year.

My report this month is mostly about our first trial, held Sunday, September 17 at the Car Park Ramp in downtown Hamilton. The special trophies were awarded as follows:

Highest Scoring Standard Poodle: won by Manville's Gay Princess, owned by Patricia Dobie, with a score of 199. This trophy was donated by Mrs. E. Pendlebury in memory of her Standard Poodle, "Candy".

Highest Scoring Club Member's Dog: won by Mr. A. Emery's German Shepherd, Baron, shown by Gloria Emery, with a score of 193. This trophy was donated by Mr. and Mrs. Kergan in memory of their dog Kallen and was won by Mr. Kergan with his Miniature Poodle, "Bon Bon" with a score of 195½. However they requested that this trophy be awarded to the next dog with the highest score, which was Mr. Emery's "Baron".

Highest Scoring Corgi: won by Mr. Reg Peters with his Corgi, Katora's Terrance, with a score of 174.

Highest Scoring German Shepherd: won by Mr. Albert Mitchell with his German Shepherd, "Ace Lancer", with a score of 197.

Highest Scoring Cocker Spaniel: won by Mary Donaldson's Molly's Ginger Spice, with a score of 194.

Highest Scoring Toy: won by Mr. and Mrs. Alex Rankin with their Toy Poodle, Jo-Jo of Raceway, with a score of 142.

Highest Scoring Teen-Ager: won by Donald Wade with his Shetland Sheepdog and score of 197.

Our training class this term is the largest we have ever had. We have over 40 dogs and have had to open another class. Now we have four classes every Sunday evening.

loss of Mr. Symons is one which will be felt by all Toy Breeders, as he was deeply interested in the advancement of these breeds.

We had a good entry of Toys at the Scarborough Kennel Club Show last month, in conjunction with which we held a Booster Show. We should like to thank all those who helped to make this a success and of course all the exhibitors who gave us such a good entry of Toys.

We have already booked a Specialty Show with the Sportsmen's Show for next year, and now have some hard work to do with regard to trophies and plans for same.

We are holding our annual dinner this year at the Town And County Club. November 11 has been booked for the date. We hope that all members will be able to attend; there are going to be favors for everyone, and several novelties to be raffled and won. This should be a very pleasant evening, and we hope that everyone who can will be there to enjoy a good meal and congenial company.

Upper Canada Kennel Club
by Mrs. Jeanne White
"Tanglewood", 218 N. Main St., R.R. #1
Newmarket, Ont.

Sorry that our regular correspondent, Mary Patterson, was unable to attend the September, Sunday afternoon corn and weiner roast held at the home of President Dick White in Newmarket. Contests, horseshoe-pitching and bird-dog training, with lots of refreshments cooked on the outdoor fireplace, were the order of the day. Many of our members, and of course their dogs, attended this last outdoor meeting for the year. Youngest "member" present was Bryan, the handsome 14-day old son of Len and Barbara Mitchell. We sincerely hope that the good folks, and their dogs, who were the guests of our club for the day enjoyed themselves.

Glad that Happy Bonnell and "Barry", her amiable Saint, have returned from their summer activities and will be with us again. Our artist and director, Ruth Walker, is busy as usual with her doggy portraits and decorating her husband-member Jeff's new insurance and real estate office in Langstaffe. The lucky Labs at Ivy-Mac Kennels will soon be living in their smart new kennel building. And romance — we have plenty of it and are so pleased to announce the engagements of four of our members: Ivy Bolton, Erindale, Ont. to Pete Wyckoff, Colborne, Ont.; Lois Bronson, Erindale, Ont. to Sgt. Ed. Rivard, Camp Petawawa, Ont. Our very best wishes to all four of you from all of us in the Upper Canada KC! But we are giving you fair warning as we heard several members planning, for both weddings, a guard of honor composed of members' dogs.

Our Secretary's new address is: Mrs. Ivy McLaughlin, 2442 Stavebank Rd., Erindale, Ont.

Vancouver Island Gun Dog and Tracking Club
by Dr. H. K. McHemer

The Vancouver Island Gun Dog and Tracking Club was formed in the spring of 1961, and has now already a membership nearing the 100 mark. The main object of the club is to promote interest in the Gun Dog and Tracking Dog by assisting its members in training and in conducting trials and tests under Canadian Kennel Club rules, to train and develop dogs to the point where they can be of assistance in hunting and tracking, and to promote dog training, as such.

The club, whose Honorary President is a well known Vancouver Island lumberman, Rajindi S. Mayo, is divided into three sections; the Field Section for pointing breeds is under club director, Hunter E. Smith, a well-known hunting dog trainer and owner of the Elhunt Kennels at Mill Bay, Vancouver Island; the Retriever Section is headed by club director, Tommy Moss known by his Mossbank retrievers and Labradors; the Tracking Section is headed by club director Margaret Best from Crofton, B.C., one of the active dog trainers on Vancouver Island, training dogs in several Obedience clubs over the island, and a well known breeder of German Shepherds.

Numerous practice trials have been held to date in each section and the first CKC test was held by the Tracking Section on September 10 at Duncan, B.C. The total entry of qualifying dogs was 14 out of which six dogs did win their certification as Tracking Dogs. In checking back over the records of American and Canadian tracking tests in 1961, we find that this test was the largest held on the North American continent and that the number of dogs qualifying was also the largest in relation to the entries. Judges of the tests were: Cpl. J. Hall of the RCMP detachment in Prince George and Mr. A. Hudson, CKC representative for Vancouver Island. Apprenticing in this test were Mr. Donaldson, Obedience judge from Victoria and Mrs. Margaret Best from Crofton, both candidates fulfilling the requirements of apprenticeship.

The six successful dogs were: Standard Poodle owned by Mrs. R. A. Peterson, Duncan; a German Shepherd owned by Mrs. D. W. Barker, Duncan; a Beagle owned by Mrs. Howard Hoffman, Saltspring Island; a German Shepherd owned by Mr. Iven Beggs, Chemainus; a Labrador owned by Mrs. Mary Bates, Victoria, and a German Shepherd owned by Mr. H. J. MacCulloch of Port Coquitlam.

The fields were drawn at 7 a.m. and the tests were held in accordance with schedule, the last track at 2 p.m. The tracking was well organized and the fields were well separated, in order not to disturb the individual dogs in tracking. After the tracking tests, refreshments were served at the home of a club member. Major Tony Smart of Sidney presented the trophies to the happy winners and praised the wonderful military precision and co-operation of this track meeting. Cpl. Hall gave an informative talk on tracking and his ideas of a more advanced tracking training and tracking tests.

Our plans for the future are to continue in the club training of tracking dogs and to put on a still bigger and better CKC tracking test in the fall of 1962. The other sections, the Retriever and Field Dog Sections, plan to put on, as soon as possible, larger club trials and CKC trials for which there is already great interest shown by dog owners on Vancouver Island and the mainland. Needless to say, it was a wonderful feeling for the members of the Tracking Section and for the officers of this club to see that their first try was not only a success, but happened to be the largest test ever held on the West Coast and by far the largest held in 1961 on the North American continent.

The Windsor and District Kennel Club
by Joyce Roberts
"Canidae", R.R. #2, Maidstone, Ontario

Our September meeting was held in the usual place with our President, Mr. N. Prinsen, in the chair. Nothing unusual to report as our meeting was short and to the point in order to leave ample time for our guest speaker, Mrs. Margaret Vandagriff. Mrs. Vandagriff's ideas on Obedience were interesting in more ways than one — not too many of our members have had much to do with the actual training of dogs and perhaps had never entertained the thought that a dog could be more companionable if obedience-trained. Mrs. Vandagriff has the experience to back up her statements as she has eight Long-haired Dachshunds living with her in various stages of obedience. Thanks for an instructive and interesting evening, Margaret.

Quite a few of our members went to the Burlington & District Kennel Club Show and, after a most enjoyable day, came away very satisfied with some well-deserved wins. We managed to garner a Group 1st., a Group 4th, Best in Futurity, Best of Breed, Best of Winners, quite a few Winners and, to round it off, Best Puppy in Group. Forgive the bragging, but I just couldn't resist!

Next month John Jansen is going to instruct the members in the art of Ring Stewarding. I say "art" because I feel that a good ring steward is invaluable to a show and it is something not too easily learned. Johnny has considerable experience in this and perhaps he can pass on some of his knowledge to those who are interested — anyway, it promises to be most beneficial.

Well, I guess that is all for this month. Hope all our members will be at the next meeting. Any new ones coming along?

It's a Dog's Life

When my Springer Bitch Patsy was nearly due to have her first litter of puppies she started to whine and run back and forth in the basement, so my wife phoned me at work. Patsy waited while I drove the 15 miles from Brampton and as I went down to the basement she ran to me, took my hand in her mouth, and led me to her whelping bed where she immediately proceeded to have her first puppy.

After the show the exhibitor walked up to the judge, who was also something of a dog psychiatrist.

"Do you think my Boxer has an inferiority complex?" he asked.

"Not a sign of a complex," sighed the judge. "He's just plain inferior."

Two goats were grazing on a hillside near the MGM Studios. One nuzzled up a can of film and ate it.

"How was it?" asked his mate.

"Frankly," he replied, "I liked the book better."

"Business has picked up since we started permitting dogs in this store".

DOGS IN THE NEWS

Rex, a year-old Collie, saved the life of Gary Ward in Sarnia recently, when his car left No. 7 Highway and crashed into two trees. Temporarily blinded by blood, he lay behind the wheel, suffering a broken wrist and head cuts. His calls for help failed to attract other motorists, but they did reach the ears of Rex who led the injured man to the home of his owner, Lawrence Johnston. The latter immediately called an ambulance. Mr. Ward would have bled to death, a doctor stated, had Rex not come to his rescue.

"FIRST LADY"

A simple dog who left her birthplace in Clay Center, Kansas to become world famous was named "Outstanding Dog of 1961" by the Pet Food Institute, nat' association of dog and cat food manufacturers, at their annual meeting in cago.

THE OLD TIMER

/ continu

I had not even known of the prop until after it had been carried and been very critical of it since.

"You see, son, all I'm trying to do to give you some idea of the impor ance of these elections. Those we elec will run the affairs of our club for the next 12 months—and it is our club. Amendments to the dog show rules and changes to the by-laws will have an effect on every exhibitor and every member. Now I don't object to members criticising the running of the club. That is their right in a democracy. But I do object to people like yourself being silent on election day and vocal the other 364. So this year, my boy, read that correspondence from the various candidates. Take a look at your ballots the day they come in. Study the amendments and the proposed changes in the by-laws.

I promised that I would.

"You do that," said the Old Timer, "and I'm prepared to listen to your beefs for the next 12 months. But if you don't, keep quiet, for it's my opinion that only those who vote have the right to beef."
