# DOG LOVERS OF CANADA

## we, the dogs of Canada, embrace you

(WITH TEARS OF GRATITUDE IN OUR SOFT BROWN EYES)

Yes, DOG LOVERS, you have made us very happy. Since the introduction of **Fetch** (ah delightful delicacy, made by Nabisco, Makers of Milk-Bone) you have been buying it for us in ever-increasing quantities. Yes, Mr. and Mrs. Dog Lover, dogs all across Canada, are happily eating **Fetch**  . And by doing so they are taking on new health,  and their dispositions are becoming even more mellow and loveable. In short, Mr. and Mrs. Dog Lover, by buying **Fetch** with such enthusiasm, you have placed the dogs of Canada in your debt. And you will be repaid with great measures of love and affection from the dog of your choice. 

## KEEP UP THE GOOD WORK, MR. AND MRS. DOG LOVER!

Spread the word about Fetch to such unfortunates who may not yet have heard how Fetch contains more than generous quantities of calcium, iron, ash, and other necessary factors in a healthy dog's diet. Tell them how dogs consider the flavour of Fetch to be comparable to that of charcoal-broiled porterhouse. Tell them that there is no higher way of expressing love for a dog than by buying him

# PEDIGREES PLEASE

*by Dr. Agnes Threlkeld*

Following is an excerpt from the Canadian Broadcasting Company's Public Relations Office at Halifax.

"Every phase of activity covering purebred dogs will be the subject of a new series, *Pedigrees Please*, on CBHT, Halifax. This new series of 15-minute programs will be seen on Channel 3 starting December 2 at 5.15 p.m. A.S.T. It was produced in cooperation with dog owners in the Maritime area by Mike Sinelnikoff and Ken Coldwell. Program organizers for this series were Dr. Agnes Threlkeld and Charles Reynolds of Halifax.

"*Pedigrees Please* will cover extensively the various groups of dogs, devoting several programs to each of the following groups: Sporting, Non-Sporting, Hound, Working, Terrier, and Toy. These 22 programs will deal with registration, methods of identification, stud registers, explanation of a bench show, and some of the points to be looked for in judging dogs.

Two well-known Maritime dog breeders are featured on the series. Mr. Blois Boyd, the host of the program, is a breeder of German Shepherds; his dogs are known throughout the country by their "Blackcrest" prefix. Mrs. Colleen Hague, handler for the program, has bred Cocker Spaniels and later Basenjis under the "Riptide" kennel name."

Representatives of the various dog groups were chosen mainly from the Halifax area and were selected for their availability and satisfactory behavior under the exacting conditions of the TV studio. In all, 46 different breeds were used. While most of the filming was done under controlled conditions in the studios of CBHT, as for example the breed discussions, there are several exceptions. An Obedience demonstration by members of the German Shepherd Dog Club was filmed as it took place. An actual dog show held under CKC rules at New Glasgow was filmed on the spot.

While this program will be shown on CBHT, Halifax commencing on December 2 it is available on request to any other CBC studio throughout Canada. The way to get this in your local area is just to write or phone the Program Director at the CBC station nearest to you. I have been assured that this program will be made available to any area requesting it. It is a "beginning" only for us at Halifax and we hope to see more of our own dogs, as well as those in other areas, on television on a national basis.

I would like to take this opportunity to thank the members of the Canadian Broadcasting Corporation at CBHT, Halifax, for their extreme patience and their never-failing sense of humor in dealing with the "amateurs", both doggy and human. We are most grateful for their efforts on our behalf. ■

# FROM THE EDITOR

During *Dogs'* recent visit to Bermuda we learned how Bermudians, many of whom are deeply concerned with affairs of the church, celebrated World Day for Animals (October 4). Churches the world over observe this day on the nearest Sunday to October 4, which is dedicated to St. Francis of Assisi.

The Bermuda SPCA contacted all churches on the Islands and asked their cooperation in announcing this first special service for the "Blessing of all Animals in Bermuda". The service was held in the main ring in the Botanical Gardens with Archdeacon Jack Cattell officiating. The altar was made up of two bales of hay; behind stood a large red cross. Approximately 150 people attended the service. Those who came on horseback lined up on each side of the altar; the congregation with small animals faced it. Among the 75 or more birds and animals were horses, dogs and cats, budgerigars, canaries, one old fowl, a hamster and a tortoise.

"All the animals behaved beautifully," Mrs. Lorna Redmond. told us. "The horses and ponies stood quietly and not one dog barked. It was almost as if they knew something special was going on."

This type of simple service is one which could do much for the understanding and fostering of care of birds and animals across Canada. Breed and specialty clubs could well make this a project, or perhaps collaborate with the local SPCA. Newspapers, radio and television would surely find it a cause well worth publicizing and reporting.

Producing a specific interest publication such as *Dogs in Canada* is rewarding in many ways. Readers, whose hobby is so engrossing, cannot help but be interesting people and helpful in many ways. The efforts of contributors and club scribes throughout these past 12 months is genuinely appreciated, as is the thoughtfulness of readers who from time to time send in interesting items.

Subscriptions during the past year have steadily increased, with a gratifying representation from the United States, indicative of an expanding interest in Canadian dogs and shows.

An additional system of distribution is presently being planned which will make *Dogs* available to the public in more towns and cities across the country. News on this soon.

Many other interesting projects are on the slate for the New Year. In the meantime, a Very Happy Christmas to all, and may your life and kennels prosper.

### JUNIORS WELL JUDGED

. . . At the London Show on October 7 I was quite interested in the Junior handling classes, which were well filled, and judged by Mr. Don Fitzgerald.

It was a real pleasure to watch the thoroughness with which Mr. Fitzgerald carried out his duty. He talked to each class when they came in, telling them just what he wanted them to do and one could see any signs of early nervousness soon disappear among the Juniors.

Some of us have been guilty of taking this important part of our shows much too lightly, asking someone who just happened to be standing around to do the job. This has happened to the writer, and what a job we did, compared with the terrific one that Don carried out, is fully realized by yours truly, who will, if honored by being asked to judge this class at some future date, try to follow Don's pattern.

May the time be not too far away when the Junior Handling Class judges appear in all premium lists.

FRANK E. JONES

Minesing, Ont.

*It's a thrill to watch a youngster set up a dog with care and confidence. With this kind of encouragement hundreds more across Canada might compete.—Ed.*

### ROAD TO HOSPITALITY

. . . I would like to thank *Dogs in Canada* for so kindly sending me *Dogs in Canada* and Kennel Register which enabled me to visit several kennels I otherwise would not have been able to find, which made my visit in Ontario a very happy one.

I would also like to send greetings to Mr. and Mrs. Morin and beautiful "Smokey" and Mrs. Pavey in Montreal, Mrs. Alexander and many others, including Mr. and Mrs. George Getty of Quarrybrae and Mrs. Ariel Sleeth of Sovereign, who spent several hours showing me their beautiful dogs. They are simply wonderful and I am proud to own several Sovereign dogs.

A very Merry Christmas to you all.

MRS. HILDA LEYBOURNE

Hilfred Kennels,
Saskatoon, Sask.

### LONG-HAIRED WEIMARANERS

. . . An oddity which occurs rarely among Ymars is the longhairs. Although disqualified for show, there is nothing to prevent his registration and participation in Field Trials. In some quarters he is regarded as a definitely superior animal.

Some 2½ months ago I bred my stud dog, Ch. Argo von Har, to a bitch of American and Canadian registration — a good typey animal who produced eight fine healthy pups. They appeared to be quite normal in every respect. However, three weeks later they developed coats about 1½" in length in a beautiful silver-gray. These animals are purebred in every respect for many generations.

Are these the first of their type ever born in Canada?

EARLE HARRIGAN

Ottawa, Ont.

*Have any other Weimaraner breeders experienced long-hairs in their litters? What was done about them?—Ed.*

### TRAINING FOR JUDGES

. . . Re the suggestion made by Dr. Mowbray, Truro, N.S., owing to his two dogs being placed differently at two shows. Who would he suggest as "teachers"? Obviously they would teach their own ideas which might be contrary to the ideas of the "pupils". So I'd say training classes aren't the answer.

Re "inconsistency in judging" there is a Standard for all breeds; but the interpretation is entirely a personal thing and the two judges, both with knowledge, integrity and judging ability, were not bound to agree over any class placings of the two dogs entered. If every judge put up the same dog, shows would soon fold up.

On the other hand, if the majority of experienced breeders consider inconsistent awards to be examples of bad judging, to remain silent is not in the best interests of the breeds concerned. $3,500 is quite a "lump" to pay out for "inconsistency". The clubs might have made a thorough investigation of the proposed judges and given the assignments on the results of their findings, i.e. experience, what shows they have judged, the entries drawn.

Not being a member of any club, I cannot say what amount was paid out to judges at Ontario shows, but it would be a considerable amount in excess of $3,500. The same "inconsistent" awards were handed out here, dogs went up and down like seesaws . . .

Judges might well realize, however, many of the dogs before them are owned by experts in their breed. They know when they should win or lose, that while they are judging the dogs, those exhibitors are judging *them*.

We all like to win, but if we show with that as our sole objective, our lives will be miserable and frustrated . . .

JEAN GRANT

Blossomlea Kennels,
Richmond Hill, Ont. ■

# It takes more understanding

Whether it's a routine checkup, immunization shot or preparation for surgery, the veterinarian must have a lot of patience and understanding to win the confidence of his canine patients. By questioning you he learns about any changes in your dog's behaviour pattern. By examining your dog, he can detect symptoms of disease and can then take remedial action. When you have a particular problem with your dog and you want professional advice, see your veterinarian.

# cover story

This month's cover shows a galaxy of Pekingese stars exhibited by the St. Aubrey-Elsdon Kennels in 1961, pictured as they were winning in the show ring.

This year has been a great one for this kennel, marred only by the untimely death of Eng., Can. and Am. Ch. Calartha Wee Bo Bo of Ecila, whose loss was a great blow to the fancy. Bo Bo had a wonderful show career on this side of the Atlantic where he completed his American title in four straight shows and his Canadian title with three Best in Show wins being undefeated by any dog of any breed. He has left behind two lovely puppies, a dog and bitch (ex Tinkabelle) which should certainly hit the high spots in the coming year. Can. and Am. Ch. St. Aubrey Mario of Elsdon is the outstanding young homebred son of Can. and Am. Ch. Rikki of Calartha. He completed his American title in five straight shows undefeated in the classes and at his first show in Specials won the Toy Group at Lewiston, Me. in strong competition. In Canada he has won five groups and three Best in Shows before the age of 15 months. He is one of the best dogs ever owned by this kennel and is being retained as a stud force in which he should prove outstanding. He will be extensively campaigned in the coming year.

Yet another great winner is Eng. and Am. Ch. Calartha Yen Lo of Sualane, son of Eng. and Am. Ch. Rikki. He is a Best in Show winner in England and made his American title in straight shows winning the Toy Group at Watertown, N.Y. and Goshen, Conn. and 2nd in the Group at Ox Ridge and Portland. He should prove a sensational winner for his new owner, Mrs. Gerald Livingston of New York City.

Still another Group winner in America is Am. Ch. Temple Bells of Blossomlea, a son of the kennel's Goofus Fangio Tu. Bred by Miss Jean Grant of Toronto, Temple Bells won the Toy Group at Greenwich, Conn. and under his new ownership has topped four Toy Groups in three successive weekends in October. He should prove a great winner in 1962 for his owner, Miss Charleen Prescott of Cleveland, Ohio.

Of the bitches depicted, all are sired by dogs imported by these kennels. Can. and Am. Ch. St. Aubrey No Na of Ecila, a daughter of Can. and Am. Ch. Calartha Mandarin of Jehol is a litter sister to the late Bo Bo. She was best bitch at Boston, Westminster (where she was Best of winners), Chicago and Long Island K.C. to gain her title in five shows and she quickly attained her Canadian title. She is now mated to Can. and Am. Ch. Mario.

Can. and Am. Ch. St. Aubrey Marietta of Elsdon is the litter sister to Mario and she completed her American title in four shows being best bitch at White Plains in a record entry while still a puppy.

Can. and Am. Ch. St. Aubrey Marigold of Elsdon was exhibited only once when she obtained her Canadian title, having won her American championship in 1960 in four straight shows undefeated in the classes. She is now mated to Can. and Am. Ch. Yen Lo.

St. Aubrey Tinkabelle of Elsdon was not campaigned extensively, taking time out to breed two gorgeous puppies by Bo Bo. However she was Reserve Winners in a record Chicago entry to her kennel mate, No Na and was Winners Bitch at Watertown, N.Y.

St. Aubrey Rosebud of Wanstrow, always the ringside favorite, is the sensational sleeve of four pounds who has been fearlessly campaigned this year. Rosebud won a three-point major under the noted Toy judge, Mr. J. Trullinger, and was reserve to No Na at Westminster. She has eight points toward her American title and should finish in 1962.

St. Aubrey-Elsdon has bred six American Champions this year to be the leading producing kennel and dogs sold by this kennel are high on the list of top sires for the breed. Top producing bitch for this year is Ch. St. Aubrey Kumarie of Elsdon, dam of Am. Ch. St. A. Ku Mandy of E., Mario and Marietta in her first two litters. She is now nursing another outstanding litter by Can. and Am. Ch. Yen Lo.

In Toy Poodles, Ch. Pixiecroft Minstrel Boy of St. Aubrey gained his title and is now currently been shown in the U.S.A. where he was Best of Winners for four points at Catonsville under the noted Poodle judge, Mr. Henry Stoecker. St. Aubrey Nickolette was Best of Breed at Three Rivers, her only show, and then retired to have a lovely litter to Minstrel Boy.

In Brussells Griffons, Can. and Am. Ch. Buka Proctor was Best of Breed at both Boston and Westminster.

St. Aubrey-Elsdon also owns Am. Ch. Robgwen Peter Pan, one of the current top Corgis in America today. He is a consistent Best of Breed winner, winning six Working Group 1sts and placing in many others.

These kennels are owned by Messrs. Nigel Aubrey-Jones and R. William Taylor, 4250 Decarie Blvd., Montreal 28, Que.

# THE OLD TIMER

***The Old Timer, adamant as a donkey at times, had completely altered his opinion. Critiques he now maintained, should be published — but at the same time***

"I think" said the Old Timer "that I have an idea." He was putting the finishing touches on an Airedale as I came in, and for a minute or two he had ignored me while he clipped nails and trimmed off the pads. It was a good dog, and you could see the Old Timer thought a lot of it just by the way he worked. You'd almost have thought it was show time and the Old Timer was getting the dog ready for the ring.

"So you've got an idea?" I said. "So what do I do, circle the date on the calendar?"

The Old Timer ignored me while he continued to work on the dog. Then with everything completed to his satisfaction he put it out in a run, swept up the accumulation of hair, and when the kennel was tidy again he planted himself in his old barrel chair, pulled out his pipe and looked at me.

"Son," he said "I'm ignoring your comment and I'm going to share this idea with you — though why I should cast pearls before swine I'll never know."

He had told me off and he knew it. There was a gleam in his eyes and he showed complete satisfaction as he filled his pipe and lighted up.

"All right," I said "you win. You've got an idea — I'm anxious to hear what it is and I'm listening."

"Now that's better," he said. "Respect your elders and you might just learn something. But this idea I think is a good one. It came to me while I was trimming that Airedale."

I listened. The Old Timer had tilted his chair back towards the wall. He'd pushed the old fedora to the back of his head. He was pulling on the lobe of his right ear. They were all signs that he was organizing his thoughts.

"It's about these judging critiques", he said. "Now that Airedale has done a lot of winning. It's never been beaten in the breed. It's placed pretty regularly in the group — though sometimes not as high as I thought it should — and I'd like to know what the judges who have been over it have said about it. So my idea is that they publish the criticisms."

I was startled. This was a new departure.

"Hey," I said "we've been over that. And if I remember properly you were stubbornly opposed to publication of the critiques."

"That's right," said the Old Timer.

"And if I remember right you said that an incompetent judge could damn a good dog for all time if what he had to say about it was published — that people remember the faults that are found in a dog — not the strengths."

"That's right too," he agreed.

"So why the sudden change of heart?"

The Old Timer grinned.

"Because I've been thinking," he said. "More people should do it. Now in these judging critiques there'll be a lot of information that could help a person looking for breeding stock or, let's say, for a good sire. Of course there'll be a lot of misinformation too — that supplied by the incompetent judges. But you know my opinion, that most judges are honest and competent. So the overall picture should be a fairly good one. Now if the information in these critiques was made available, the breeder looking for, let us say, a good headed dog would have an idea where he might find one. Or if he was considering using a dog he'd read about but not seen, he'd be able to get some idea of its quality or lack of it."

"Makes sense," I commented "so what's your suggestion."

"First of all," said the Old Timer "I'd be bitterly opposed to publishing any single critique on a dog. I'd publish *nothing* until the dog had completed its championship. Then I'd assemble *all* the critiques on that dog and publish them in a short, concise form and I'd give the names of the judges with what they'd found. That way you'd get an overall

# OBEDIENCE FORUM

*conducted by*
AUDREY LANGFORD

*"What Do You Think?" Address queries to Audrey Langford, c/o Dogs in Canada Magazine.*

Frequently the subject of leniency in judging crops up. I am not speaking of flagrant flaunting of the rules which should, indeed must, be reported by the representative where it concerns a principal feature and passes a dog that should have failed. Rather I am referring to minor incidents. Before criticising the judge, one should carefully consider his actions to see if he is within the rules in his opinion and interpretation. There are many angles to look at. By all means discuss his action in a gathering of Obedience minded persons to create further understanding of the rules, more uniform interpretation, and where necessary, rewrite the Regulations and Standards to overcome any misunderstanding and so standardize our point of view.

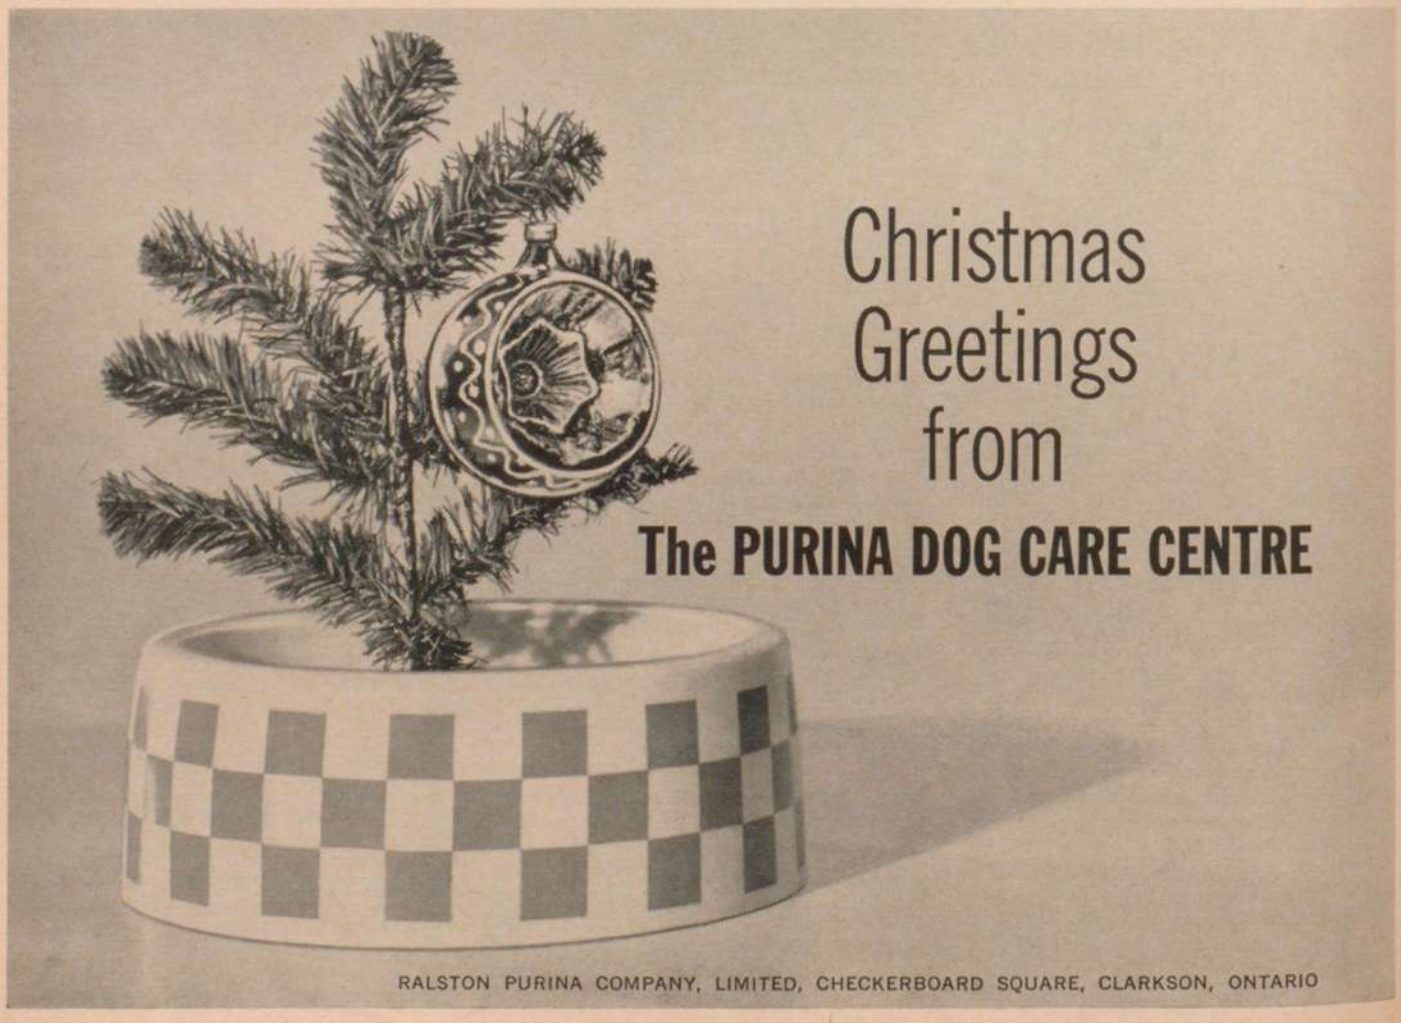

One such incident was where the handler threw the dumbbell badly and it rolled way off to one side. The judge bunted it with his foot to a position more in line with the jump but not closer to the jump. The person posing the question feels that the judge should have left it where it fell and let the handler take the chance that the dog would return over the jump. The judge made allowances for the stress the handler was under, feeling that in ordinary circumstances he would have placed the dumbbell better; docked the handler for an error and gave the dog the benefit. The judge felt that he was within his rights in his opinion, but the spectator feels otherwise. What do you think?

Let us look at two judges' reactions to another dog. This dog is the fastest, keenest, gayest dog I have ever seen work in Utility, as it was through all its trials. He prances, tail flipping, skids to a sit while heeling, explodes into the down, sit and come with the signal; albeit always in the heel position adjusting to the handler minutely and instantaneously but never anticipating. A joy for spectators to behold, a dog that the CKC can be proud to have carry the OTCH degree. One judge docked the dog heavily for slightly crooked sits, due to the flipping of its tail as it skidded to the sit. After the judging was over, the judge told the handler he should slow the dog down as his exuberance lost the points. A second judge enjoyed the performance, scored the dog very highly and remarked after the Trial that he could not dock it heavily for a couple of crooked sits because it was so gay.

Two opposing opinions. The one felt he could not minimize an imperfection, the other felt he was closer to the instructions given in Chap. 2, Sec. 10 "The judge must look for the following in testing each dog and score accordingly (a) Enjoyment and willingness should be taken into consideration over a better worker that shows fear and dislike of his work.' Can one then give a plus of points for happiness?

In my opinion the mental picture of a perfect performance held by all judges should embody this happiness and willingness. All dogs should be scored for any imperfections and deduction made at the bottom of the book, under penalty for misbehaviour, for any and all dogs who do not live up to this mental picture of happiness. One cannot give a plus to the happy worker as it is a requisite of the Regulations and Standards, but should deduct from the others. I admit it would cut some scores, but it would be closer

VALERIE H. McMILLIN, 4 TOPSAIL BLVD., DARTMOUTH, N.S.

*Lois Burpee* of Moncton reports that her Great Dane, Ch. Dane-Acres Challenge, was awarded Winners Dog at the Lewiston-Auburn, Maine show under *Judge Mrs. Keckler*. Well done indeed. Lois handled the dog herself in good competition.

*Mrs. Frances Coughlan* (Mac-Kris Irish Terriers) reports a record litter of puppies in the breed. CKC have confirmed that five dogs and four bitches in one litter is the largest ever registered with them. All have been sold, mostly away from the Maritime area.

*Mrs. Mary Daye* has received word from the Bermuda shows that her tricolor Basenji exported in July did some excellent winning and beat some American Champions to place in the group, so it is well on its way to becoming a Bermuda Champion.

*Harold Smith* of Halifax won Best in Show at the recent Sanction show in the city, with his fine young Beagle bitch puppy from the Hound Hollow kennel in Amherst. Judge for this event was *Mr. "Jack" Burns*.

*Leona LeBlanc* of Amherst has added a young Boxer bitch to her household, this one from Valmax.

*Mrs. Mary Avent* is back from the West Coast and all set to start the classes in Obedience. A new location has been found and will be far superior for the winter sessions.

*Blois Boyd* of Halifax is off shortly to Texas to their German Shepherd shows and trials.

New Brunswick Clubs are well ahead with their plans for next year's shows and have most dates all settled. The August circuit will have an extra show this year as the Ladies Kennel club of New Brunswick are joining in. This will give seven shows in eight days.

*Mr. and Mrs. Arthur Buss* (Saga-waga Kls) have two more imports, a Poodle and a Pug, from California and England.

*Mr. Jack Burns* of Halifax, one of the "old-timers" of the CKC, recently sent some interesting dog notes of doings in the Halifax area back in 1929. In 1935 there was a Bedford KC and they held a show on July 1. (This is now the SKC date), attracted some 150 entries, some coming from the States. Judge at this event was *C. N. Grey* of Boston. It would appear that in that era there were many more Sporting dogs and Terriers than we see now in the area. I wonder how many other people have kept kennel notes from so long ago? Mr. Burns wrote for "Kennel & Bench" as Maritime News by "Provincial Contributing Editor".

*Mr. Alfred Shortt* has been confined to bed in the Halifax Victoria General Hospital for over a month now, following a heart attack. All his friends wish him a full recovery. In the meantime *Mrs. Shortt* is continuing to show their Bostons and Miniature Schnauzers.

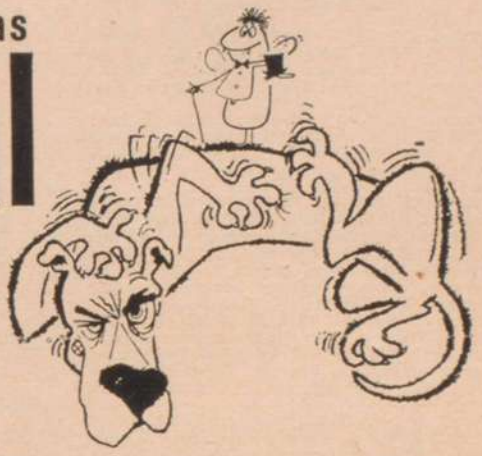

*Mrs. D. H. Duff* has a new Pomeranian puppy from the *Laskeys* in N.B. *Harry Storey* has a young Shetland Sheepdog from the West Coast — long time since he has been an exhibitor.

*Mr. and Mrs. "Mike" Andrews* write from England that they have been to many shows and plan to return to Halifax in about another four months. No doubt they will bring something on four feet with them, having shown many breeds sucessfully in the past.

There seems to be a predominance of women candidates for the CKC posts of Directors for the two Maritime areas. Everyone is holding their breath awaiting the outcome. These will be the last notes for 1961, so I would like to extend a very heartfelt "thank you" to all those good people who have sent along their news these past 12 months. Please keep it up in '62. A very Merry Christmas and lots of good wins in the coming year's shows. ■

Your Veterinarian has

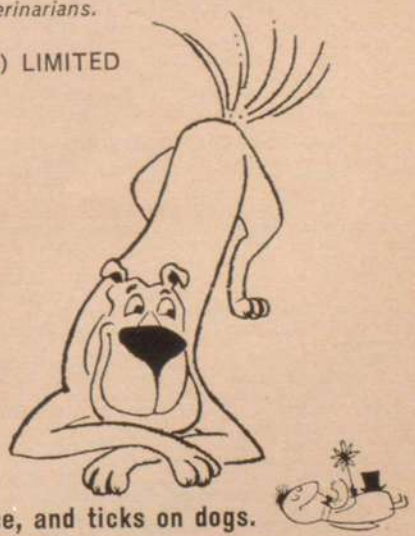

ectoral

a pill that kills fleas, lice...even ticks

Now you can keep your dog free of fleas, lice, and ticks without using smelly, messy sprays, powders, or dips. Tests by veterinarians show that Ectoral, taken every other day for eight days, then just once weekly, can eliminate these troublesome parasites entirely in most cases. ■ Ectoral works from the inside out—killing the fleas, lice, and ticks that prey on your dog. Used regularly, in the amount recommended by your veterinarian, Ectoral can safely protect your dog against external parasites and the skin diseases they cause. ■ Though more effective, Ectoral costs no more than the regular application of potent insecticides—and is far more convenient to use. Ask your veterinarian about this unique new way to control fleas, lice, and ticks. *Ectoral is available only from veterinarians.*

## JUDGES' CONFIDENTIAL CRITIQUES

By order of the Board of Directors of The Canadian Kennel Club, each judge officiating at a championship show held under the Club's rules since the beginning of this year has been required to submit to The Canadian Kennel Club a confidential critique on the dogs to which were awarded Winners or Best of Breed, or any dog from which Winners was withheld for lack of merit.

The Board had a number of reasons for instituting this program, these reasons being as follows:

(1) to enable the Board to decide whether a system of publication of judges' critiques is practical and desirable;
(2) to enable the Board to deal more effectively with complaints with regard to the work of officiating judges.
(3) to enable the Board to assess the degree and incidence of inconsistencies in the work of officiating judges;
(4) to enable the Board to assess the present system of allocating championships and the quality of dogs to which championship status is granted, and to assist in determining what steps (if any) should be taken to alter the present system of allocating championships;
(5) to enable the Board to investigate the calibre of critiques submitted for possible genetic studies;
(6) to enable the Board to establish criteria for new aspirants for judging privileges;
(7) to enable the Board to investigate the possibilities of grading dogs in Canada.

At its annual meeting in February, 1962, the Board of Directors will give further consideration to this program.

ILLUSTRATED BY ALEX MacLEOD

Can we love a dog too much? The amusing, yet sad story of "Rex" by D. H. Lawrence ends with this conclusion. An uncle had asked the family to raise a Wire Fox Terrier pup. The pup drove the family, and especially the mother, nearly out of their wits. But they loved him to distraction. The uncle, who had no love for dogs but liked to exhibit, took Rex back in a rage. And the temper of Rex was such, the story went, that he had to be shot.

"And it was our fault. We had loved him too much, and he had loved us too much . . . It is a strange thing love. Nothing but love has made the dog lose his wild freedom, to become the servant of man. And this very servility or completeness of love makes a term of deepest contempt — "You dog!"

We should not have loved Rex so much, and he should not have loved us. There should have been a measure. We tended, all of us, to overstep the limits of our owner natures . . . My uncle was right, we had ruined the dog.

My uncle was fool, for all that."

In "Midsummer Night's Dream" Shakespeare showed his regard for the hound on the hunt:

"My hounds are bred out of the Spartan kind
So flew'd, so sanded, and their heads are hung
With ears that sweep away the morning dew:
Crook-knee'd, and dew-lapp'd like Thessalian bulls;
Slow in pursuit, but match'd in mouth like bells,
Each under each. A cry more tunable
Was never holla'd to, nor cheer'd with horn,
Judge when you hear."

Lord Byron truly appreciated dogs, although sometimes in a morose manner: He wrote:

"The poor dog: in life the firmest friend,
The first to welcome, foremost to defend;
Whose honest heart is still his master's own;
Who labours, fights, lives, breathes for him alone."

Robert Burns said it this way: "Man is the god of the dog; he knows no other; he can understand no other. And see how he worships him . . . with what reverence he crouches at his feet, with what love he fawns up on him — with what dependence he looks up to him . . . with what cheerful alacrity he obeys him. His whole soul is wrapt up in his god . . . all powers and faculties of his nature are devoted to his service . . . and these powers and faculties are enobled by the intercourse . . .

Divines tell us it just ought to be so with Christians — but the dog puts the Christian to shame."

In a similar vein Rowland Hill remarked "Nobody is truly Christian unless his dog or cat is better off for it."

In "Mr. Peter's Story" Barham recalled: "He was such a dear little cock-tailed pup."

Samuel Taylor Coleridge expressed this sentiment about dogs: "The dog alone, of all brute animals, has affection towards man."

Another Samuel, whose surname was Butler, put it more bluntly: "The great pleasure of a dog is that you make a fool of yourself with him and not only will he not scold you, but will make a fool of himself, too."

Still a third writer whose first name was Samuel had an observation about the dog in the family. Mark Twain, whose real name was Samuel L. Clemens, observed: "When a man's dog turns against him it is time for his wife to pack her trunk and go home to mama."

A great admirer and writer of dogs, Rudyard Kipling in his "The Power of the Dog" says it succinctly:

"Buy a pup and your money will buy
Love unflinching that cannot lie —"

Byron, at another time and in a more cheerful mood penned:

"'Tis sweet to hear the watch-dog's honest bark
Bay deep-mouth'd welcome as we draw near home;
'Tis sweet to know there is an eye will mark
Our coming and look brighter when we come."

St. John Lucas in his work "To a Dog" felt that he, too, would see his mourned dog again:

"But in some canine Paradise
Your wraith, I know, rebukes the moon.
And quarters every plain and hill,
Seeking its master . . . As for me
This prayer at least the gods fulfill
That when I pass the flood and see
Old Charon by Stygian coast
Take toll of all the shades who land,
Your little, faithful barking ghost
May leap to lick my phantom hand."

Robert Louis Stevenson expressed a thought wishful and strong in many of us:

"You think those dogs will not be in heaven!
I tell you they will be there long before any of us."

George Gobel is more basic. He once drawled: The human body is made up of 227 bones and if you want some fun, just tell that to your dog."

This little verse many readers know, but few can state its origin. "I am his Highness' dog at Kew: Pray tell me sir, whose dog are you?"

When Alexander Pope presented a dog to Frederick, Prince of Wales, this was the inscription on its collar.

Jingle writer Tom Hood admitted to being on the other end of the leash.

"A Poodle once towed me along,
But always we came to one harbour;
To keep his curls smart
And shave his hind part,
He constantly called on the barber."

He also apparently fed his dogs well:

"My profits have gone to the dogs,
My trade has been such a deceiver,
I fear that my aim
Is a mere losing game
Unless I can find a Retriever."

And there was the Texas oilman who wanted his dog to have everything — so he bought him a *boy* for Christmas.

The handler, a notoriously poor loser, answered the judge after the show.

'What am I going to tell my client? How am I going to explain her dog going in sixth place?"

"Tell her," said the judge "there were only six dogs in the class."

"The Almighty, who gave the dog to be companion of our pleasures and our toils, hath invested him with a nature noble and incapable of deceit . . . He hath a share of man's intelligence, but no share of man's falsehood." Sir Walter Scott: *The Talisman.*

The faithfulness of a dog to his master is exemplified in Homer's *Odyssey.* Ulysses, after many years of exile, longed desperately for his home. Even after so long a time it was unsafe to let his identity be known. He therefore disguised himself as a beggar; so successfully that when he approached his gates, one of his most faithful servants failed to recognize him. But Argus, his dog, crippled with age, knew better. Here is Homer's description of the reunion:

"Near to the gates, conferring as they drew,
Argus the dog his ancient master knew,
And not unconscious of the voice and tread,
Lifts to the sound his ears and rears his head.
He knew his lord, he knew, and strove to meet;
In vain he strove to crawl and kiss his feet:
Yet, all he could, his tail, his ears, his eyes
Salute his master, and confess his joys."

Dumb animals? What could semaphore more clearly than a dog watching the carving of a roast.

Sarah Bridge Graves in the *Wall Street Journal* put it in verse:

"Never a sound does the small dog utter
Not for a moment a single mutter
But while I am busy with the carving
Eloquent dog's eyes signal 'starving' ".

Sir Robert Baden-Powell, a name synonymous with the Boy Scout Movement, was also fond of animals. He once stated: "Anyone who is kind to animals is pretty sure to be good also to helpless children, women and old people; in other words he is pretty sure to be chivalrous — like the knights of old."

# FALL SHOWS IN BERMUDA

*More entries than ever and six breeds never before shown on the Islands made the sixth annual Fall Bermuda shows outstanding. The greatest number of local entries to date was supplemented by 45 entries from Canada and the States. A total of 89 local dogs competed, 35 of them for the first time. Forty-two breeds were represented in the total of 139 entries.*

*A record of 25 entries sparked new competition in Obedience and drew more spectators than in previous competitions.*

*This year "Best Brace" was added as an extra class and stimulated the desire in more than one owner to strive for a well-matched pair.*

Breeds shown for the first time in Bermuda were Norwegian Elkhounds, Chow Chow, Whippet, Dandie Dinmont, Miniature Pinscher and Lakeland Terrier.

Best in Show the first day was the amiable Standard Smooth Dachshund, Am. and Bermuda Ch. Herthwood's Mark of Rose Farm, owned by Mrs. Nancy Onthank of Greenwich, Conn. and handled by Mrs. Dorothy Hardy. Best Visitor's Dog automatically fell to this champion.

Best locally owned dog was Mr. and Mrs. Stanley Evans' Irish Setter, Bda. Ch. Red Barn Royal York, handled by Paula McAteer. Best brace went to Mrs. Bianchi Tomkin's Smooth Dachshunds. Best Puppy was won by Mrs. Arthur Gurr's Lakeland Terrier, Coronet of Kinniside, a young English import. (Mr. Gurr is no stranger to *Dogs in Canada*. He was formerly a chartered accountant in Toronto and was frequently assigned to this office). Best Bermuda-bred was Mrs. Terry Mowbray's Labrador Retriever, "Clipper Cargo".

The second day was another major Bermuda triumph for the kennels of Mrs. Anna Mosher of Harmo Kennels, Amherst, N.Y. Her white Toy Poodle, Am. and Can. Ch. Harmo Divot, took Best in Show under the handling of Bill Trainor. Two years previously her magnificent chocolate Standard Poodle, Am. Ch. Donna of Westford-Ho twice took BIS at the Fall shows, with the same well-known handler.

Best locally-owned dog again was won by the Irish Setter. Best Bermuda-Bred Dog in Show and Best Puppy in Show fell to Lady Florence Conyers' Pomeranian, Mad Music of Westerleigh. Best Brace in Show was captured by a pair of graceful Shetland Sheepdogs owned by Miss Shirley Wurz and Mr. and Mrs. Fran Maher of Hornell, N.Y.: The Brown Girl of Seven Woods and Eltham's Fair Ellen.

The third day's top win was an exciting one for Bermudians as Mrs. Marie B. Meyer gave the nod to the above-mentioned Irish Setter, Bda. Ch. Red Barn Royal York. Both handler and dog had been moving well throughout the shows, but when the decision was made, it seemed almost as though the Setter knew he had done something special and sprang into the air with excitement.

Best Puppy in Show was the Golden Retriever, Byxfield Crowell Russett, owned by Mr. Ernest M. Voisey; Best Visitor's Dog, Am. and Bda. Ch. Herthwood's Mark of Rose Farm, owned by Mrs. Nancy F. Onthank; Best Bermuda Bred in Show, repeat by the Pomeranian, Mad Music of Westerleigh, and Best Brace in Show the Miniature Pinschers, Hillrise Black Velvet Queen and Hillrise Little Doll, owned by Mrs. Ethel Sipes of Middleport, Ont.

Among the Canadian visitors were Miss Margaret Godfrey and her three Pekingese, Melframar Lan Yuh Chin, Melframar K'He San and Ch. Cedarcrest Chien Gin, who took home a fine array of ribbons to Wolfville, N.S.; Mr. and Mrs. A. Roberts of Toronto, most frequent Canadian exhibitors in the Bermuda shows and their Wire-Haired Fox Terrier, Ascot Command, who placed 3rd in the Terrier Group on the third day; Miss Dorothy Johnson and her Miniature Schnauzer, Ch. Handful's Blue Teal, who placed 3rd in the Terrier Group the first and second days and Mrs. Ethel Sipes whose Hillrise Black Velvet Queen took a 1st, 2nd and 3rd in Group respectively on the three days.

# "BELLE" new queen of labradors

*by* RUTH M. COPELAND

The National Retriever Club of Canada held its twelfth annual Retriever Championship Stake near London, Ontario October 6, 7, 8. Host Club was the South Western Ontario Retriever Training Club.

F. T. Ch. Long Point Belle, a 3½-year-old black Labrador bitch, is the 1961 National Champion. After ten exacting tests and three days' competition, in a field of 34 of the top retrievers to qualify for this event during the year in Open Stakes across Canada, Belle earned the title.

Belle is a heavy-set big female, tirelessly crazy to retrieve, and handles most dependably. Her marking ability is brilliant to a degree that is rarely seen. She is consistently run without being lined or requiring handling to marked birds; and throughout the trial nailed all falls without assistance from her handler. Warmth of the applause which greeted pronouncement of Belle as the new National Champion was an indication of the admiration which the gallery and other handlers felt for the outstanding performance of this great Retriever.

Belle was bred by Michael M. Stevenson, Toronto and whelped January 15, 1958. Her sire, a competitor in the National, is FT Ch. Van Wagner's Kennel; her dam, also qualified for the National *more overleaf*

Woolsey, Chairman and Marshal; Donald J. Stapleton, Gun Captain. Front row: Mrs. W. H. Copeland, F. T. Reporter; Mark J. Seguin, President; Allin Brady, Treasurer; H. W. Boles, Traffic; W. H. but not entered, is Kim of Brimherst. As well as being a superb field trial contender, Belle is a devoted companion and the favorite shooting partner of her owner, Mr. Robert E. Stone of Hamilton. Bob has owned, trained, handled and shot over Belle since she was a pup. Previous to winning the National, Belle became 1961 winner of the Whittaker Trophy in Ontario. This annual award is made to the Ontario owned Retriever earning the top number of points in Open Stakes held in the province.

President of the National Retriever Club of Canada, Mr. Mark J. Seguin, and Chairman of the Field Trial Committee, Mr. Gordon S. Woolsey, deserve great credit for expert organization of the Stake; as do all local members of the committee for their hard work. It is gratifying that their efforts were crowned by an outstandingly successful trial. Other committee members were: Mrs. Gordon S. Woolsey, Field Trial Secretary; Mr. Allin Brady, Treasurer; Mr. William H. Copeland, Assistant Marshal; Mr. D. J. Stapleton, Gun Captain; Mr. Robert Price, Game Captain; Mr. G. Ernest Jackson, Publicity; Mr. J. M. Thomson, Assistant Publicity Director; Mr. H. W. Boles, Traffic Chairman; Mrs. W. H. Copeland, Field Trial Reporter and Dr. D. S. Adams, Veterinarian.

Thursday afternoon and evening competitors and visitors were made welcome by an open house reception in the President's suite at the Carousel Motel. Officers and directors of the National Retriever Club dined together and were later joined by delegates of the club for the semi-annual meeting. Under the chairmanship of President Seguin, and with Mr. R. K. Moore as the new Secretary, the meeting harmoniously and efficiently dealt with nominations and other matters. Tribute was paid to the recently retired Secretary, Mr. J. A. H. Irving, whose contribution to the club merits so much appreciation. A cocktail party and well-attended banquet on Friday evening were highlighted by a successful Calcutta, with Mr. Paul A. Ouimet of Montreal as the genial and expert auctioneer. At the conclusion of the trial Mr. and Mrs. M. J. Seguin invited competitors and friends to a reception at the headquarters.

Members of other Ontario clubs were delighted to give some assistance to the host club in supplying extra workers during the trial. There were no delays or feeling of pressure for lack of time or daylight. Mechanics of the trial during its course were excellent. The accuracy of throwing and gunning was almost flawless and contributed in no small way to the trial's success.

Blue skies, rolling countryside, autumn coloring in fields and reflected in the water, helped to make the trial a pleasant one. A slight seasonal crispness in the air saved the sunny weather from being too hot. Humidity was generally in the 60's and high temperatures in the 70's, but only for a few hours on Friday and Saturday did it become rather warm. A light breeze of from six to ten miles per hour occasionally died out and in a few instances changed direction, perhaps causing some variation in opportunities.

Dead or shackled birds were used, with no live birds actually shot. On marking tests, birds were thrown first, with the gun in effect firing at them as the bird went up in the air. While accustomed to seeing live flying birds shot, some of the dogs were inexperienced with this method of gunning on dead thrown game. Being more accustomed to being drawn by a gun shot immediately preceding the throw, this speedier method may have surprised some.

There were three tests on Friday, three on Saturday and four on Sunday. Each dog completing all series was tested on 16 dead pheasants, four dead ducks, and five live shackled ducks. There were 20 marked falls, 13 of which were on land, and seven over water. There were five blind retrieves, two of which were on land and three over water. Five tests were on land, four over water and one a combination.

Judges were Mr. C. Albert Lindquist of Calgary, veteran judge whose experience includes two previous Nationals; Mr. T. James Barr of Toronto, owner of FT Ch. Mark of Thornhill and Mr. William Sinser of Vancouver, owner of the 1958 National Champion Sinser's Bulldozer of Crevamoy. All three judges are active in training their own dogs for trials and hunting.

The tests were original and interesting. The judges were generous with callbacks; their careful attention and good humor were unflagging, their judging excellent. At the end of the tenth series there was no doubt in the minds of those who had followed the trial that Belle was out in front and this was the unanimous opinion of the judges. ■

# DOGS and PEOPLE

Died: *Mrs. Anna Mae Wallace,* widow of Gordon Wallace, well-known in New Brunswick dog circles as a breeder of Pekingese and in the show and Obedience ring. She will be sadly missed by the Fredericton, N.B. clubs . . . *Mrs. Dorothy Caspersz,* noted Scottish Terrier breeder known throughout the world for unfailing help to other breeders. She was the oldest living member of the Scottish Terrier Club of England and had served as club secretary for many years . . . *Mrs. Hedley Hill,* Beeton, Ont., suddenly on October 29. Writes Mr. Hill (Of Elstow Collie Kennels): "While I have not been active in dogs for a few years we are still remembered by many members of The Canadian Kennel Club."

St. Mary's Priory, Victoria, B.C. has some very unusual residents: five Keeshonds, Buddy, Wendy, Lady Chummy, Chesty and Penny, all owned by the *Reverend Mother. Sister Mary Julia* writes that Chummy, favorite of the head of the Priory, has been made her special charge, but she "is all Mother's." When the Sister calls her she comes obediently, but promptly sits with her back to her. Her forward approach consists of putting her head in the nearest pocket in search of chocolate.

*Reverend Mother Cecilia Mary relaxes with Lady Wendy of the Priory, Lady Chummy of the Priory and Buddy of the Priory.*

It is regrettable that the partnership of Bay-Brow Kennels of Burlington, Ont., which has been owned by *Leo and Jean Bodemer* of Alliston and *Ernie and Lena Lindsay,* Willow Cove Sub., Burlington, is being dissolved. As many Dachshund breeders know, Ernie has not been well during the past year. Leo has moved from Stratford to Alliston where he has started a business. Ernie and Leo will be pleased to hear at any time from anyone about Dachshunds.

*Judge Anton Korbel* of Hillsborough, Calif., has travelled over one million miles on one airline alone, United, and has chalked up countless mileage on others.

*Mr. and Mrs. I. M. Sherwin* of Victoria, B.C. have returned from a four-month trip to England during which they purchased the well-known Pembroke Welsh Corgi female, Eng. Ch. Lees Fairygold, from Miss P. L. Curties of the Lees Kennels in Sussex. This is their third import.

*Mrs. Alice Wagner,* editor of *Popular Dogs* magazine, was named "American Humanitarian of the Year" by the annual convention of the Humane Society of the United States. Mrs. Wagner has been active in exposing cruel public pounds, has scored cruelty inflicted on animals in experiments in laboratories and has rallied pressure on Congress and state legislatures for humane laws.

*Mr. and Mrs. E. T. Driver,* Manville Kennels Reg'd, Kingston, Ont., enjoyed a trip to the Canadian West Coast, to Los Angeles and San Francisco, returning by way of the Grand Canyon and Chicago. While in Vancouver they visited with *Mrs. Donald Lyle.*

Sadly missed by *Mrs. J. F. Lovett* of Stittsville, Ont., is the Shetland Sheepdog, Aylmer Chorine, younger of her two foundation females. Her other foundation matron, Am. and Can. Ch. Pocono Trinket of Windy Oaks, now 16½ years old (whelped March 4, 1945) attended the American Shetland Sheepdog Specialty at Hornell, N.Y., August 20, and was fondly remembered by many of the older breeders who had seen her win at Morris and Essex in 1948.

## DOG SHOWS

11 D 1. JUDGES

REPORT: The Secretary reported that the Canadian National Sportsmen's Show had sought information as to the eligibility for approval to judge certain breeds at their shows next March of two residents of England.
ACTION: Following discussion the Board agreed that approval may be given a resident of England to judge at a championship show to be held under the Club's rules for only those breeds for which the person is eligible to judge at championship shows held under the rules of The Kennel Club (England).

11 D 10. JUDGES' CRITIQUES

SUBJECT: The Secretary read a statement which he had prepared, pursuant to resolution #265-61, for publication in "Dogs in Canada" outlining the aims and objects of the judges' confidential critiques and reported on Mr. Williams' comments on said statement.
ACTION: It was agreed that the aims and objects of the program should be briefly stated as in the minutes of the semi-annual meeting and conclude with a statement to the effect that the Board will give further consideration to this program at its next annual meeting. It was also agreed that this statement should appear in the regular editorial section of the magazine rather than in the section confined to official business of the Club.

11 D 25. DATES

SUBJECT: A night letter, dated October 9th, from the Forest City Kennel Club seeking permission to hold an all-breed championship show and licensed obedience trial on Saturday, November 18, 1961, for the purpose of donating all proceeds to the family of a member of that Club presently hospitalized following a brain hemorrhage.
ACTION: After discussion the Secretary was instructed to:
(1) inform the Forest City Kennel Club that the Board felt that, no matter how well organized a show-giving club may be, it could not hope to do all that is required and carry through the normal procedure to ensure a successful and well-run show within a period of little more than five weeks;
(2) convey to the Forest City Kennel Club the Board's ideas on how the Forest City Kennel Club may otherwise accomplish the worthwhile objective it had in mind when it sought to stage the show and trials in question.

SUBJECT: The Vancouver Island Dog Fanciers Association's applications to hold championship shows on May 11th and 12th, 1962, the applications of the Nanaimo Kennel Club to hold championship shows on May 13th and 14th, 1962, and correspondence with these clubs, with Mr. Irving, and Mr. Williams, in regard to such applications.
DISCUSSION: During a discussion which followed it was agreed that:
(1) these applications did not appear to conflict with any priority rights presently in effect;
(2) it would be unfair to these clubs to withhold a decision on their applications until a recommendation could be obtained from the Director elected for 1962 for the province of British Columbia.

MOTION #433-61
Moved by Mrs. Southcott, seconded by Mrs. Mack:
"THAT, in view of the information received from the clubs the Board felt it imperative that dates applied for be granted immediately rather than delay any decision until a Director for British Columbia is elected for 1962."
FOR THE MOTION: Mr. MacCallum, Mrs. Mack, Mr. MacKendrick, Mrs. Southcott, Dr. Williams.
ABSTAINED FROM VOTING: Mr. Monaghan.
Motion carried.

11 D 36. INTERPRETATIONS

REPORT: The Secretary:
(1) reported that the win of a German Shepherd Dog in the "Bred by Exhibitor" class at the championship show held by The Simcoe Kennel & Obedience Club on July 8, 1961 had been cancelled on the grounds that the recorded owner of this dog, as shown in the records of the Club and on its entry form for that show, was not the breeder of the dog;
(2) read a letter from the breeder of said dog requesting consideration on the grounds that he had paid the entry fees, had shown the dog at the show in question, and that the dog had been sold with show and breeding rights retained by the breeder.

ACTION: It was agreed that:
(1) the "exhibitor" is the owner of the dog regardless of the person paying entry fees or handling the dog at a show;
(2) a private agreement between the breeder and a subsequent owner of the dog has no bearing on the eligibility of a dog to enter the Bred by Exhibitor class as defined by the Dog Show Rules;
(3) The Canadian Kennel Club need not receive a protest in order to cancel wins of a dog entered in the Bred by Exhibitor class where such dog is not eligible for entry in that class.

11 D 46. RIBBONS

SUBJECT: Proposals advanced by Harold E. Smith with regard to the supplying of different style ribbons for championship shows held under the Club's rules.

MOTION #434-61
Moved by Mr. Monaghan, seconded by Mr. MacKendrick:
"THAT, this whole matter be referred to the Committee on ribbons for consideration and report to the Board in due course."
FOR THE MOTION: Mr. MacCallum, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, Dr. Williams.
Motion carried.

11 D 47. CATALOGUES

SUBJECT: A letter from the President of the Ottawa Kennel Club explaining their failure to have catalogues available at the commencement of the first of their two shows held last May.
ACTION: The Secretary was instructed to carry out Motion #287-61 adopted at the semi-annual meeting of the Board.

## OBEDIENCE TRIALS

12 OB 8. REPORT OF OBEDIENCE COUNCIL

REPORT: The following report, dated October 9th, submitted by Mrs. Mary E. Southcott, Chairman of the Obedience Council:
"Following receipt of reports from the Obedience Representatives, congratulations were written to the River Valley Obedience & Field Trial Club, the St. John Obedience Club, the Moncton Kennel Club, the Pacific National Exhibition, the Oakville and District Kennel Club and the Skyway Obedience Club, on good, well run Obedience Trials.
"The examinations written by Mrs. Joan K. McLellan were reviewed, and since she obtained over 75% on all papers, and in view of the favourable report by the examining committee, it is recommended that she be approved to apprentice for the Novice, Open and Utility Obedience Classes.
"The examinations written by Mr. George Donaldson and Mrs. Margaret Best were reviewed, and since both persons obtained over the required 75% and a favourable report was sent in by the examining committee, it is recommended that Mr. Donaldson and Mrs. Best be approved to apprentice for Tracking Tests.
"The apprentice judge's books used by Miss Lois Burpee at the three Obedience Trials in New Brunswick where she apprenticed were reviewed and compared with the official judge's books, and the reports received from the officiating judges under whom she apprenticed were taken into consideration. It is recommended that Miss Burpee be approved as a judge of the Novice Obedience Classes only.
"The examination written by Mrs. Marguerite Charter was reviewed, and since she obtained over the required 75% and in view of the favourable report by the examining committee, it is recommended that she be approved to apprentice for Tracking Tests.
"The Secretary forwarded to the Chairman of the Obedience Council a copy of a letter recently received from the Basset Club of Canada, requesting that consideration be given to the lowering of the jump required to be taken by Basset Hounds. This matter will be given consideration, and a report made to the Board in due course."

MOTION #435-61
Moved by Mr. MacKendrick, seconded by Mr. Monaghan:
"THAT, we adopt the Chairman's report."
FOR THE MOTION: Mr. MacCallum, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, Dr. Williams.
Motion carried.

## FIELD TRIALS

13 FT 19. FOXHOUND FIELD TRIALS

REPORT: The Secretary:
(1) reported that due to the high number of judges required to judge a Foxhound field trial, it is difficult for a club conducting a licensed Foxhound field trial or for the All Canadian Fox Hunters' Association conducting the National Championship Stake for Foxhounds, to submit in advance, for formal approval, a complete list of all persons selected to judge either a licensed Foxhound trial or the National Championship Stake for Foxhounds;
(2) expressed the opinion that this problem might be overcome if the Board would give formal approval to a list of competent judges of Foxhound field trials;
(3) read a letter dated September 14th from the All Canadian Fox Hunters' Association, with which it submitted a recommended list of certified Masters of Hounds and a recommended list of certified field trial judges.

MOTION #436-61
Moved by Mr. Monaghan, seconded by Mrs. Mack:
"THAT, an accredited list of certified Foxhound field trial Masters of Hounds and judges for Foxhound field trials be established."
FOR THE MOTION: Mr. MacCallum, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, Dr. Williams.
Motion carried.

MOTION #437-61
Moved by Mr. MacKendrick, seconded by Mr. Monaghan:
"THAT, the names submitted by Mr. E. D. Bonnyman, Ontario Field Trial Representative for Foxhounds, be entered on an approved list of Masters of Foxhounds and Foxhound field trial judges, and that each person on such lists be notified of the placing of his name on such lists."
FOR THE MOTION: Mr. MacCallum, Mrs. Mack, Mr.

MacKendrick, Mr. Monaghan, Mrs. Southcott, Dr. Williams.
Motion carried.

13 FT 27. FIELD TRIALS FOR POINTING BREEDS

REPORT: The Secretary reported that Mr. Blyth, Chairman of the Field Trial Council, Mr. Monaghan, and the Secretary, had attended a Pointing breeds trial held by the Ottawa Valley Gun Dog Club in September, a dinner following the first day's events at that trial, and a meeting, convened by Brigadier Bennett, Ontario Field Trial Representative for Pointing Breeds, for the purpose of discussing matters relating to field trials for Pointing breeds.

Mr. Monaghan, as Chairman of the Amendments Committee, reported that he had organized a committee for the purpose of placing before the next annual meeting of the Board of Directors, suggested amendments to the present Field Trial Rules for Pointing breeds.

DISCUSSION: During a discussion of the report submitted by the Secretary and Mr. Monaghan, Mr. Monaghan suggested that the Chairman of the Field Trial Council and the Secretary attend the National Championship Stake for Foxhounds to be conducted by the All-Canadian Fox Hunters' Association, near St. Eustache, Quebec, on November 2nd, 3rd, and 4th.

Mrs. Mack stated that it would be advantageous if, while in the Montreal area attending the Foxhound National Championship Stake, the Chairman of the Field Trial Council and the Secretary could meet with representatives of the Pointing breeds section of the Montreal Gun Dog Club, and if such meeting could be arranged, Brigadier Bennett should be invited to attend it.

MOTION #438-61
Moved by Mr. MacKendrick, seconded by Dr. Williams:
"THAT, we authorize any expenditures incurred by the Club's representatives and Brigadier Bennett while attending the Foxhound National Championship Stake and the meeting proposed by Mrs. Mack."
FOR THE MOTION: Mr. MacCallum, Mrs. Mack, Mr. MacKendrick, Mrs. Southcott, Dr. Williams.
AGAINST THE MOTION: Mr. Monaghan (on the grounds that the motion is redundant having regard for resolution #309-61).
Motion carried.

ACTION: The President stated that, having regard for resolution #309-61, he approved the proposal that the Chairman of the Field Trial Council and the Secretary attend the Foxhound National Championship Stake and their attendance, with Brigadier Bennett, at the meeting proposed by Mrs. Mack.

13 FT 28. RETRIEVER FIELD TRIALS

REPORT: The Secretary reported:
(1) on correspondence with Mr. Irving and the Secretary of the B. C. Amateur Field Trial Club in connection with the non-allocation of championship points to placing dogs in the Amateur All-Age Stake conducted by that Club on April 2, 1961, championship points not having been allocated on the grounds that there were not eight starters in the Stake each of which was eligible for entry in a Limited All-Age Stake;
(2) that the matter had been discussed with the Chairman of the Field Trial Council, who felt that championship points could only be allocated if the requirements of the present Field Trial Rules had been met.

MOTION #439-61
Moved by Mr. MacKendrick, seconded by Mrs. Southcott:
"THAT, we concur with the opinion of the Chairman of the Field Trial Council."
FOR THE MOTION: Mr. MacCallum, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, Dr. Williams.
Motion carried.

13 FT 36. DATES

REPORT: The Secretary reported that:
(1) on August 4th an application had been received from the Canadian Chesapeake Club to hold a licensed Retriever trial on October 9th and 10th, 1961, the application having been approved on August 4th;
(2) on August 11th notification was received from the Canadian Chesapeake Club of the cancellation of the trial;
(3) pursuant to authorization given him by the Board, he had declared the date fee forfeited on the grounds that the situation which had prompted cancellation of the trial was one which the Canadian Chesapeake Club could have established before it had submitted its application.

MOTION #440-61
Moved by Mr. MacKendrick, seconded by Mrs. Mack:
"THAT, we approve the Secretary's action."
FOR THE MOTION: Mr. MacCallum, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, Dr. Williams.
Motion carried.

SUBJECT: The Secretary suggested that consideration be given to the setting of policies with regard to the granting of applications to hold Beagle sanction or "fun" trials, particularly in the circumstances where dates applied for conflict with dates for licensed Beagle field trials.

MOTION #441-61
Moved by Mr. Monaghan, seconded by Mr. MacCallum:
"THAT, the Secretary communicate with the Field Trial Representatives for Beagles on this matter."
FOR THE MOTION: Mr. MacCallum, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, Dr. Williams.
Motion carried.

13 FT 7. JUDGES

SUBJECT: Mr. Monaghan placed before the Board the report of Mr. T. S. Riches, Ontario Field Trial Representative for Beagles (Packs), regarding the apprenticing of Mr. Arthur Warren and Mr. Karl Dennis in connection with their desire to establish their eligibility to judge Beagle field trials held under the Club's rules, and the recommendation of Mr. Riches that the names of Mr. Warren and Mr. Dennis be placed on the list of persons eligible for approval to judge Beagle field trials held under the Club's rules.

MOTION #442-61
Moved by Mr. Monaghan, seconded by Mrs. Mack:
"THAT, on the basis of the recommendations of the Ontario Field Trial Representative for Beagles (Packs), the names of Messrs. Arthur Warren and Karl Dennis be placed on the list of those eligible to judge Beagle pack trials, and each to be so notified."
FOR THE MOTION: Mr. MacCallum, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, Dr. Williams.
Motion carried.

GOOD AND WELFARE

14 G 15. FELLOWSHIPS

REPORT: The Secretary:
(1) read a letter received from Dr. J. Archibald, Professor and Head of Small Animal Division of the Ontario Veterinary College, who reported that:
(a) the Club's first grant of $1500.00 to the Fellowship Fund of the College had been awarded to Dr. L. M. Cobb who had undertaken research and had since completed a Thesis with regard to the incidence of bacteria of the Clostridial species in the liver of the dog;
(b) the Club's second grant of $1500.00 to the Fellowship Fund of the College had been awarded to Dr. J. H. (c) it is anticipated that the Club's third grant of $1500.00 would be used to assist Dr. P. W. Pennock who is to take a year's leave of absence to study and act as exchange Professor at the University of Brisbane, Australia;
(2) reported that Dr. Cobb's Thesis had been turned over to Dr. Williams for the purpose of his preparing an article for publication in "Dogs in Canada".

MOTION #443-61
Moved by Mrs. Mack, seconded by Mrs. Southcott:
"THAT, this report be received; and Dr. Williams be asked to draft an article for publication in "Dogs in Canada".
FOR THE MOTION: Mr. MacCallum, Mrs. Mack, Mr. MacKendrick, Mr. Monaghan, Mrs. Southcott, Dr. Williams.
Motion carried.

INTERNAL AND ADMINISTRATION

9 A 90. ANNUAL MEETINGS IN 1962

REPORT: Mrs. Mack reported on possible arrangements for the annual meetings to be held at Montreal in February, 1962, and suggested that, out of consideration for those out-of-town members who may wish to leave Montreal in order to reach their respective homes on Sunday evening, it would be better if, instead of a buffet supper, a luncheon was served members attending the Annual General Meeting on February 4th.

MOTION #444-61
Moved by Mr. Monaghan, seconded by Dr. Williams:
"THAT, arrangements for a buffet luncheon be left in the hands of Mrs. Pamela Mack, Director for Quebec."

Competition is limited to the sex opposite to BEST OF BREED and to those, in that sex, which have not been directly or indirectly defeated by a specimen of the same sex in any breed class or for any breed award at the show. This award, if made, shall have no bearing on the allocation of championship points.

and that Chapter 21, CHAMPIONS AND CHAMPIONSHIP POINTS, be amended by the deletion of Section 3 (BEST OF OPPOSITE SEX) in its entirety, the remaining Sections to be appropriately re-numbered.

### PROPOSED AMENDMENT NO. 3

### PROPOSED AMENDMENT NO. 4

4. (1) In any class where there is a limit of weight the person in charge of a dog entered in such class may claim of the Superintendent or Secretary the right at any time after the opening of the show and before the judging of its class to have the dog weighed and the result shall be recorded and held good at the time of the judging at the show.

(2) The bench show committee must appoint official weighers for this purpose.

(3) The decision of the Show Superintendent shall be final in the determination of weight.

4A. (1) The decision of the judge shall be final in the determination of colour and markings.

5. (1) In a breed where there is a definite limit of height (either maximum or minimum, or both) the person in charge of a dog of such a breed entered at a show shall, if he cannot produce a Certificate of Measurement issued by The Canadian Kennel Club (hereinafter referred to as the Club), present the dog to the Measurement Committee for measurement before the judging of the breed commences.

(2) The Measurement Committee shall carry out its duties in accordance with regulations and interpretations prescribed by the Board of Directors (hereinafter referred to as the Board), which regulations and interpretations shall be posted on notice boards in conspicuous places within the precincts of the show, as follows: one at or near the Show Veterinarian's table, one at or near the location where the measuring is being done, and one at the entrance to the office of the Show Superintendent.

(3) The Measurement Committee shall make a report on each dog measured and hand it to the Show Superintendent, who shall hand a copy to the person in charge of the dog, and who shall, after the show, hand the original, with or without comments, to the Show Secretary. To assist in making out the reports, the Committee may request the assistance of a clerk.

(4) The decision of the Measurement Committee shall be final in the determination of height.

(5) If the dog is "measured out", the Show Superintendent shall debar it from entering the ring and shall inform the judge to this effect.

(6) If the dog is not "measured out", it shall enter the ring at the appropriate time. If requested by the judge, the person in charge of the dog shall produce his copy of the Measurement Committee's report for inspection.

The Show Superintendent shall notify the judge of any disqualifications.

## PROPOSED AMENDMENTS TO THE BY-LAWS

### PROPOSED AMENDMENT NO. 5

IT IS PROPOSED THAT:

Article XXV, KENNEL NAMES, be amended by the addition of the following as a new paragraph to be added to Section 1:

The Board shall have the power to prescribe and enforce policies with regard to kennel names. It shall also have the power to prohibit the use of any name which violates any of the aforesaid policies, or which, in its opinion, conflicts with any kennel name already registered with the Club, or with any other national kennel club with whom it has working arrangements with regard to mutual protection of kennel names, and this shall apply regardless of any prior use such names may have had in connection with the registration of individual dogs in the Club's records.

The fact that a person may have been permitted to use a particular name in the naming of dogs registered in the Club's records is in no way to be considered as granting prior rights to the registration of such name as a kennel name, nor does it convey any privilege to register such name as a kennel name in the records of the Club.

### PROPOSED AMENDMENT NO. 6

IT IS PROPOSED THAT:

Article XXV, KENNEL NAMES, be amended by the addition of a new Section reading as follows:

8. The Board shall have the power to appoint a Kennel Names Committee to whom it may delegate any or all of its powers with regard to kennel names. The decision of the Committee shall be final but all decisions of the Committee shall be reported to the Board for inclusion in the minutes of a meeting of the Board.

### PROPOSED AMENDMENT NO. 7

IT IS PROPOSED THAT:

Article XXV be amended by the addition of the following to the present Section 6:

"The provisions of this Section shall not apply to any kennel name registered with this Club after July 1st, 1963."

and by the addition of a new Section reading as follows:

9. The following terms shall apply to any kennel name registered with this Club after July 1st, 1963:

(a) the registration of kennel name fee, as provided in Article XXXV, shall cover a five-year period from date of approval of application;

(b) the person in whose name the kennel name stands registered may renew registration, upon payment of a $1.00 maintenance fee, for each succeeding five years that he wishes the name to stand registered, but he may not renew for more than one five-year period at a time;

(c) the person in whose name the kennel name stands registered shall be entitled to notification, at his last known address on the records of the Club, not less than two months in advance of the due date for renewal, and if, after giving such notice and before the due date is reached, the person fails to make payment of the maintenance fee, said kennel name shall be removed from the roster of registered kennel names.

### PROPOSED AMENDMENT NO. 8

IT IS PROPOSED THAT:

Article XXVIII, RULES OF ELIGIBILITY, be amended by the addition of a new Section reading as follows:

4. Notwithstanding any other provisions of these By-laws, a dog shall not be eligible for individual registration in the Club's records if the dog's colour, or colours, or colour and/or markings, is such that, in accordance with the standard of the breed as recognized by this Club, the dog would be disqualified if placed in competition at a competitive event held under the rules of this Club. This By-laws shall not apply to those dogs registered individually in the Club's records prior to Ministerial approval of this By-law.

Where, contrary to this By-law, a dog is registered individually in the Club's records, the Board shall have the power to order the cancellation of the registration of said dog and to recall its certificate of registration. It shall also have the power to cancel the registration of and recall certificates of registration issued for any dogs descended from any dog whose registration has been cancelled pursuant to this By-law.

SUBJECT: Medals offered annually by The Canadian Kennel Club.

For some years past The Canadian Kennel Club has offered two medals annually, one to be awarded to the member of the Club whose dog won the most Best in Show awards at all-breed championship shows held under the Club's rules, the other to be awarded to the member of the Club whose dog won the most Best Canadian-bred in Show awards at all-breed championship shows held under the Club's rules.

The Board of Directors has decided that, effective January 1, 1962, the terms laid down for the awarding of these medals shall be altered to read as follows:

A medal (or suitable substitute) will be offered for each of the following awards, in each of the four zones enumerated hereunder:

(1) to the member of The Canadian Kennel Club whose dog won the most Best in Show awards at all-breed championship shows held, within the calendar year, in the zone in which the owner of the dog resides;

(2) to the member of The Canadian Kennel Club whose dog won the most Best Canadian-bred in Show awards at all-breed championship shows held, within the calendar year, in the zone in which the owner of the dog resides.

ZONES: (1) British Columbia; (2) Alberta, Saskatchewan, Manitoba, and the Lakehead area; (3) Ontario (excluding the Lakehead area) and Quebec; (4) New Brunswick, Newfoundland, Nova Scotia, and Prince Edward Island.

SUBJECT: Judges for Championship Shows

Show-giving clubs and persons receiving invitations to judge at championship shows should note that at its semi-annual meeting the Board of Directors amended the requirements for the approval of persons selected to judge at the group level and for General Specials (Best in Show, Best Canadian-bred in Show, and Best Canadian-bred Puppy in Show).

Except for judging assignments already approved by The Canadian Kennel Club, no person is eligible to judge a group at the group level unless he is eligible for approval to judge, at the breed level, all breeds in the group.

Similarly, no person will be approved to judge any of the General Specials unless he is eligible for approval to judge THREE groups at the group level.

## A PLEA TO GERMAN SHEPHERD OWNERS

*by G. W. Frost*

Bellalta Kennels, Reg'd., Edmonton, Alta.

This is addressed to you, the owner. Your pride of ownership can be ruined by yourself.

Did you know the German Shepherd Dog is one of the most popular breeds today and if you and thousands of others like you do not do something about it the breed will be ruined as it once was 35 years ago?

What can you do about it? It's simple. You, as owner of a female or a male, decide to have a litter of pups, so you look for a mate for your dog. Deterioration of a breed starts when there is no plan in breeding. Improvement in livestock breeding cannot be accomplished without a knowledge of genetics and considerable experience. There is nothing wrong with breeding your dog, but at least find a mate that has compatible bloodlines. Ask the advice of the sincere breeders in your area; they will be only too pleased to help.

Remember, in order to breed good livestock, it is essential you start with a good animal (male or female) and pick a mate as close to the Standard for your breed as possible. Do not be misled by Champions or blue ribbons. It is unfortunate, but with our present system today it is possible to make a champion out of the most mediocre specimens. Better yet, study the good books available, check the pedigrees of the two dogs you propose to mate.

Do your share to avoid the ruination of the German Shepherd by seeking good advice before breeding your dog. ■

# burlington shows financial success

Can. and Am. Ch. Beau-A-Black Bomber, winning Beagle owned by Allan A. Beaumont, Toronto, took BIS under Judge Peter Smith at the Burlington & District Kennel Club All-breed Show held September 23. He automatically took Best Canadian Bred dog in Show. This was the third BIS for Bomber, whose daughter, Am. Ch. Forest Joyful Jean, was BIS at the recent Wheaton, Ill. show under Alva Rosenberg.

Best Canadian Bred Puppy in Show was the Chow Chow, Djoergan Tuen, owned by Mr. Doug Schwoob of Waterloo, Ont.

Of special interest among the 285 entries: some of the rarer breeds on exhibit and the Parade of Champions. The show scored an all-time high in gate receipts and catalogue sales.

Highest score of the day's Obedience Trials was 198, won by Don G. Schnarr's Shetland Sheepdog, Ch. Burncranna Golden Chips in Novice "A" and Parkhouse's Pierre, Miniature Poodle owned by Kenneth and Wilma Parkhouse in Novice "B". "Chips" was also entered in conformation.

to the Rules and produce top scorers that no one could comment adversely about.

### *readers write*

. . . Certainly Chap. 3, Sect. 8 regarding tie run-offs needs clarification . . . Definitely there must be run-offs. Perhaps some will maintain that a Novice dog cannot hope to compete with a CDX or UD; but as long as trophies are offered for highest score there will be run-offs. My idea would be this: In the case of a tie in Novice and Open classes, the dogs shall be tested again by having them perform at the same time the Heel off Leash exercise, the dogs to be judged by their overall performance. In the case of a tie in Utility the dogs shall be tested again by performing at the same time the Signal exercise, the dogs to be judged by their overall performance.

Where a trophy is offered for Highest Score in Trial, in case of a tie, the dogs shall perform at the same time the Heel off Leash exercise.

Heeling can be monotonous when a simple square pattern is followed, but

judges should have the initiative to include a rapid succession of fasts, slow, right, left and about turns . . . Another aspect of run-offs seems to be "Let's get it over with, with one big bang". So comes the Recall, which probably has more spectator appeal as the results are so obvious. But to a dyed-in-the-wool Obedience enthusiast, the Heel off Leash, done right, is going to make a better impression.

MRS. GRACE ANNE PENNO
Winnipeg, Man.

. . . Here, too, we have had ties broken by all the methods described by Mrs. Langford. The majority of judges appear to favor the heeling exercise, or part of it, that is. To run through the entire heel on lead, for instance, complete with fig. 8, as the rule presently calls for, is unrealistic and too time consuming. As it is usually only highest scoring dogs which are involved in run-offs, it becomes a question of 'splitting hairs' to decide who wins the trophy.

It would seem that this rule, as it pertains to Novice and Open, needs some clarification and should, perhaps, read "all or some part" of one of the regular exercises in that class, which proves to the judge which dog is the "better (best) worker". Then, in the event of a three-way tie between a Novice, Open and Utility Dog for highest score in trial the judge would be quite correct in running all three simultaneously through *part* of the heel off lead, which is common to all classes.

M. KING
North Kildonan, Man.

. . . For the send out in Directed Jumping I was told to drop or have a helper drop my dumbell, then to send the dog out and stop and sit heel before she reached it. This was not satisfactory for us however, as she is such an avid retriever and was very bewildered at being stopped before completing what was to her, a retrieve. As her attitude showed me I was not making it clear enough: I took to carrying a pocketful of small pebbles. I threw these out at various distances, they rustled the grass and got her interested. They are small enough not to catch her eye or the scent her nose right away. I always waited a few seconds before sending her out so she wouldn't get the idea it was a retrieve. It also helped her get going away at a fast clip and after a few weeks she does it well without any aids. I also feel that varying the distance sent from 6-60 feet is important to avoid anticipation.

As for the Toy dog being picked up between exercises, I think definitely it should not be allowed after the first exercise has begun until the end of the final one and that a ruling should be made to cover this.

Regarding carrying the leash or dumbell in Open Classes when not in use, definitely this is a practice that should be discouraged. *Watching* to see that they are not used as a threat will not help in all cases. Merely the fact that it is carried in sight of the dog in a certain position, could mean a threat to a dog according to how he was trained. Besides, it could be a distracting factor in other exercises.

All the suggested answers (*Dogs*, September) were certainly food for thought.

Winnipeg, Man.

# BOOK REVIEWS

*This season is rich with new books on dogs. Those reviewed here, as well as hundreds of others, make Christmas gifts of lasting value. Revised book list will be sent promptly on request and orders to "Dogs in Canada" Book Department should be mailed immediately.*

**All Dogs Go to Heaven, by Beth Brown. Grosset & Dunlap. $4.50.**

For this book pixyish author Brown has used tender loving care in selecting dog stories by some of the world's leading writers of fiction, a task which consummates mere wishful thinking on the part of many dog lovers. There are 35 stories in all, including pieces by Rudyard Kipling, Jack London, Mackinley Kantor, Stephen Crane, Albert Payson Terhune, James Thurber, and a title story by Beth Brown herself. A wonderful Christmas gift for any dog enthusiast.

**The Complete Fox Terrier (Smooth and Wire), by Evelyn L. Silvernail. Howell Book House and General Publishers. $5.95.**

From the famous Nornay Saddler and Gallant Fox of Wildoaks whose pictures are on the cover to the Gallery of Stars that concludes this long-wanted book, this book will be welcomed by anyone with an interest in either the Smooth or the Wire.

The discussions on breeding, including Ernest Hart's fine drawings of correct and incorrect points, will guide the novice and refresh the expert. Grooming the Fox Terrier is handled by clear instructions and step-by-step photographs that even the rank beginner will understand. Eighty-five magnificent photographs support the text.

**Curly, by Robert M. Burtt. Exposition Press, Inc. $3.50.**

Written by the creator of such radio series as "Captain Midnight" this is a very believable story about a boy from the slums and an unwanted Greyhound about to be discarded from a racing kennel. The mutual devotion of the boy and dog changes both their lives. The lad returns the kindness of the kennel owners who adopt him by helping them free themselves of the vicious destruction by their trainer. The reader learns many fascinating details about the training and care of Greyhounds. The author, a journalist, has owned and trained Greyhounds for 30 years.

**The Yorkshire Terrier, by Hector F. Whitehead. W. & G. Foyle Ltd. $1.25.**

A diminutive book about a tiny breed, this book is the first we have seen in this country on the Yorkie. Author Whitehead packs much-wanted information in this little treatise, i.e. an explanation of the Standard, what to do when your Yorkshire is ill, to show or not to show, history and background in Scotland and on this continent. With appealing illustrations.

**The Complete Shetland Sheepdog, by Catherine Coleman Moore, Howell Book House Inc. and General Publishers Ltd. $7.15**

This long-awaited book on the Sheltie is attractively produced, from the white cover with its appealing head study to the full size back cover family portrait of puppies grouped around a Christmas Tree. This brand-new generously illustrated book on the diminutive working dog tells about the breed's beginnings, its character, development and bloodlines.

The author was a founder in 1929 of the American Shetland Sheepdog Association and now is its only living charter member. In addition to a number of columns on the Sheltie she is the author of *The Shetland Sheepdog*.

**The Complete Book of Dog Tales, by John T. Marvin. Howell Book House, Inc. and General Publishers. $4.50.**

Another ideal Christmas gift, this book is perfect for pick-up reading, i.e., waiting your turn at the dog show, sitting through whelping hours, or any moment the dog enthusiast has a moment to read. It's comprised of humorous bits, anecdotes, insights on some noted judges, verse, quotations from famous authors, and some small items from *Dogs in Canada*. A very worthwhile volume for every member of the family.

**Dogs in My Life, by Louis L. Vine, DVM, Musson Book Co. Ltd. $5.25**

Here is a man with his heart truly in his work. No ailing animal lies lonely in his hospital. This insight into the "patients" at his hospital, both animal and human, makes entertaining and heartwarming reading. Among the anecdotes, the four gentle watchdogs sent to him by Macy's in New York for plastic surgery to make them appear ferocious. And the male Dachshund who suffered psychosomatic labor pains while his beloved mate had puppies. Readers

will find a wealth of practical information on care and feeding of dogs in this book as well.

Dr. Vine, a fine veterinarian journalist, is the originator and director of the Children's Museum and Zoo and director of the Chapel Hill dog show and Obedience trials in Chapel Hill, N.C.

# OBEDIENCE PAIR

Star of the Bermuda Shows this Fall was neither a single dog nor a person, but the greatest Obedience pair we have seen.

Highest Score through three days of Obedience was earned by Jan Kirkland and her black Miniature Poodle, Hollycourt Chutney, Am. and Can. CD. Chutney is more than the usual companion dog — Jan is totally blind.

Their work in the Obedience ring is amazing. Jan has trained Chutney herself. She began schooling dogs 11 years ago, working with her silver Standard Poodle, Caddy, who she brought up to UD when her vision began to fail, eight years ago. Her husband, lawyer Robert C. Kirkland of Springfield, Mass., took him through to his title. Chutney was purchased primarily as a companion, but in the Spring of 1960 Bob suggested they try working him. They worked as a trio; Jan gave the commands and Bob told her what the dog was doing. This was so successful Chutney gained his Canadian CD in the primary workouts.

This good-looking, humorous outdoor girl explained something of her problems. She must touch the dog more than one ordinarily would do in the ring, which could confuse him. She has had to develop a number of sound signals. Patience and tolerance are taught along with the first steps in Obedience because occasionally, Mrs. Kirkland says, she makes the mistake of praising the dog when he has done something wrong and chastising him when he should be commended.

On occasion Mr. Kirkland guides his wife with a walkie-talkie during trials.

The beauty of Obedience, Jan maintains, is that anyone capable of moving can handle a dog in Obedience, as witness a woman on crutches who recently put her dog through, and a man confined to a wheel chair.

Mrs. Kirkland is now starting to train a silver Standard Poodle, Ch. Suntaug Gunsmoke.

# Care of the Christmas Puppy

When you bring the new puppy home, be sure to take along a towl. More than likely it is the pup's first ride in a car and a touch of car sickness is possible.

Some Parents seem to have endless forgiveness in training a child but little tolerance for a puppy coming direct from the kennels.

On arriving home the puppy should be taken promply outside — under supervision, or if paper-trained, shown the paper. He should be given a bit of warm milk, or if he has not been fed, a light supper. A copy of his diet should accompany the pup.

Children should be allowed to admire the puppy and stroke him but not maul him.

Where will the puppy sleep? Every dog should have a place of its own, from the start. This is where he will go, not only to sleep, at night but when he wants to rest, or be alone. A well-padded basket makes the best type of bed. It can be placed in the kitchen, the bedroom or the bathroom. A warm hot water bottle, a clock set nearby, a small toy are all comforts.

The first commands can be "Basket" or "House", when he gets underfoot, and "Outside" or "Paper". Don't expect the puppy to stay in his basket at your command for the first week or two. And don't leave things around for him to chew.

When friends and neighbours want to pick up the puppy, say a firm "No". Explain that a puppy can be injured if not handled correctly. He should be supported under his little rear and chest by placing one hand under the hindquarters and the other around the middle, i.e., sitting on the hands.

Don't raise a hand to a puppy. It can make him hand-shy for the rest of his life. Crack a paper across the palm of your hand. The sound is enough to make him know you mean business.

From the start, use a firm voice and give brief commands. Don't expect him to walk on a leash immediately. Start with a long string or leather attached to a collar and bring him toward you in gentle jerks.
Make it a game. You'll both win.

# Case of the Unwanted Sam

Startinda's Topchik was born of Am. Ch. Starchak's Witangemote, one of the finest working Samoyeds on the Pacific Coast. His mother, Rusa, was owned by Mrs. Sarita Goodwin, a great friend of the Samoyed breed. Because he was so much like his dad, "Starchie," he went to the Startinda Kennels at Thousand Oaks, Calif. His second owner was Larry Soper, another well-known breeder in the Western States. "Toppy" had a good life.

For some reason he then came to Canada and began a life of desperation. Investigation showed he was reprimanded with chains. A later owner virtually starved him to death over a period of five years.

John and Audrie Code of Edmonton, Alta. were looking for a good stud. What they saw was a thin, dirty, scarred but well-moving specimen, still friendly although beyond expecting anything good of man. Mr. and Mrs. Code deliberated taking an

unknown male for stud. In the meantime they felt they must get him out of the environment. They bathed his matted coat three times before he was clean enough to take in the house. Then they found real evidence of sound breeding. But the owner was adamant about parting with him.

The Codes could not get Toppy out of their mind. Eleven frustrating months later they became his owners, now able to give him good food and love as well as grooming. In his improved state over the months he looked good enough to show, although no longer young.

During his first few shows he picked up points over good Sams, although seven years and seven months old. In five straight shows he earned 11 points with five Best of Breed wins. To crown his brief but brilliant show career he won Best of Breed honors May 6, at the All Breed show and topped the Samoyed Booster Show in Calgary, to carry off The Canadian Samoyed Club trophy, victor over 19 Samoyeds. At the Samoyed Specialty in Calgary, July 29, he again topped 17 Sams and the following day went Best of Breed in the Working Dog Specialty.

Ch. Startinda's Topchik is now retired from the show ring but is king of the kennels, happily pulling sleds and wagons and romping with his puppies. ■

## CORRECTION

Through a typographical error in the November issue, the number of dogs was shown incorrectly as 60 in the mention of the Scarborough KC show in Club Notes. The total of 460 dogs made it one of the largest shows this year.

Please note these changes for your Annual Kennel Directory. Under Dachshunds, Standard Smooth and Miniature Long-haired, Mrs. Patrice L. Fisher's telephone number should read Ancaster-Miller 8-4037.

The correct telephone number for Sovereign Kennels, (Ariel and Floyd Sleeth), Kingston, Ont., is Liberty 2-6582.

### Basset Club of Canada

by Ann Macbeth

11 Fenwood Heights, Scarborough, Ont.

The Basset Club of Canada held its first Specialty Show at Burlington on September 23, in conjunction with the All Breed Show put on by the Burlington and District Kennel Club.

A wonderful entry of 21 dogs faced Mr. John Lundberg, the noted judge, and he had a most difficult task finding amongst these excellent dogs his Best of Breed, which finally went to Mrs. Barbara Hurry, with her Open Dog entry, Ike of Blue Hill.

A magnificent array of trophies adorned the trophy table under the supervision of Mrs. Eugene Scott, the trophy convener.

After the show a dinner was held for all members and friends at the home of one of the members, Mr. David Canfield Elliott, of Oakville. The guest of honor was Miss Rosemary Osselton, one of the club's most active breeders, who had come from Victoria, B.C. to be present at the club's first Specialty.

Winner of the draw held by the club was Ernest Cowan, 170 Bay St., Woodstock, Ont.

At the annual general meeting held at the Estaminet, Burlington, October 28 the new officers for 1962-63 were elected as follows: President, Mrs. Ann Macbeth; Vice-President, Mr. Richard Henderson; Secretary, Mr. Frederick Carter; Treasurer, Mrs. Frederick Carter.

Guest speaker Dr. Wilfrid Shute discussed using the scale point method of judging and its advantages.

The '62 Specialty Show was also discussed, but as yet the exact date, place or judge have not been determined. However, the show will be held sometime in September.

The members were shocked to hear of the death of one of the "greats" in the Basset world, the famous "Lazybones" as he was known to all.

Mrs. Richard Henderson of 577 Division St., Peterborough, Ont. has been named the new Public Relations Officer and requests that all Basset fanciers and breeders submit their news items to her at the above address.

Next meeting: Estaminet, Burlington, January 27, 1962.

### B.C. All Terrier Club

by Mrs. J. S. Leedham

1675 Austin Rd., Coquitlam, New Westminster, B.C.

Eighteen members were present for our annual general meeting and election of officers, held October 10.

Amendments to the Constitution were read and accepted and after the normal business our President asked Mr. J. Atkinson if he would take the chair for the election. Mrs. E. Stewart and Mr. J. Leedham were nominated for President. Mr. Leedham declined, so Mrs. Stewart is our President for 1961-62 with Mr. Leedham as Vice-President and Mr. W. Newby as Secretary-Treasurer. So the officers remain as before. The executive committee are Mrs. Newby, Mrs. Taylor, Mrs. Leedham and Mr. Johnson.

Miss Valerie Adams is again Trophy Chairman, a job she does so well with the help of her mother who, although not a member, helps in the background. Mrs. Stanton and Mr. Johnson were nominated Auditors and both accepted.

### Alberta Field Trials Club

by Ruthe Lowe

5028-21 St. S.W., Calgary, Alta.

The club held two very successful Fall Pointing breed Trials. One trial was limited to Continental breeds and drew an entry of 19. The second Trial was open to all Pointing breeds but consisted mostly of English Pointers and Setters. This trial entry was 39.

A Puppy, Derby and Shooting Dog Stake was run in each trial. In most braces it was a pleasure to see the hard-going, well-trained dogs turn in such a purposeful performance.

The weather was made to order for the events. The trial area south of Strathmore produced an abundance of Pheasants, Chicken and Hungarian Partridge. In fact it was most gratifying to see the improvement in the number of birds in the last few years. Judging from the quantity and quality of dogs

and quantity of birds this trial, it now looks possible to get both back to the prominence they held many years ago.

It was a pleasure to see the enthusiasm and sportsmanship of the handlers and spectators. The committees did a very good job of handling the trial. There were adequate courses laid out for all braces each day. The trial was able to keep moving at a brisk pace at all times, as it had to in order to run so many dogs in the two days.

On Saturday night of the trial, a very successful and well attended banquet was held and every one seemed to have a delightful time.

We would like to thank our judges for the great effort and endurance they showed. Now we are all looking forward to the Spring and another year of success.

R.R. #2, Aurora, Ont.

The October Club Notes omitted to mention that a limited supply of the very complete paper, dealing with the history, Standard point-rating and trimming of the West Highland White Terrier, compiled and presented by Mrs. D. T. Weir at our last educational meeting, is available if desired. Copies may be obtained through our club Secretary. Mrs. Jane Devlin, P.O. Box 436, Thornhill, Ont.

Unfortunately our notes for the November issue were too late for publication but we would still like to extend some belated congratulations.

We would like to congratulate The West Highland White Terrier Club on their successful Specialty Show which literally drew entries from the East Coast to the West Coast of Canada and from the United Sates. Abb and Muriel Kayes's Ch. Dina Ken's Little Pip took the Specialty with Can. and Am. Ch. Dreamland's Phantom, owned by Mr. and Mrs. Ed Payne, placing BOS to his daughter "Little Pip".

Congratulations are again in order to some of our club members for their wins at American shows. Roseneath White Crusader, West Highland White Terrier bred by Tom and Thelma Adams, went BB and 1st in Group at Detroit.

### Aurora & District Kennel Club Inc.
by Marion Hurst
R.R. #1, King, Ont.

There was little business at our September and October meetings, but we were glad to welcome two new members: Mr. Jack Blythe of Oakridges and Miss Phyllis Harris of King. We are always happy to "swell the ranks."

At our October meeting we had the film of the Sportsmen's Show. This was put on by Mr. Miller of the Lions' Club. Despite the fact that most of us had been at the show, it was most enjoyable to see it on film and from a different angle.

We were very sorry to hear of Mr. and Mrs. Gordon MacDonald's illness and hope they will soon feel better. Our Show Secretary for next year will be Mrs. Clarke of Fergus.

For a change we held our November meeting at the home of Mr. and Mrs. Luckins in Richmond Hill.

All who knew Mr. William Hill of Newmarket were glad to welcome him back to the club.

Our next meeting will be December 5 at the Ridge Inn in Oakridges, for the election of officers.

picture of the dog that could be relied on and you'd get a bonus in the judging ring too." "A bonus," I asked "what do you mean?"

"Well, let's say he's judged by six judges. Five of them find him a good typey dog, with excellent head, good feet and pasterns but a little inclined to straight stifle. The sixth finds him to have excellent hindquarters, splay feet and a poor head. Somebody's wrong and I'd be inclined to say it's the sixth one. It's going to show up the incompetents and indeed, knowing the criticism is to be published I think they'll all be a little more careful, knowing comparison lies ahead.

So we start another year. It will be our fourth and we all hope it will be as happy and successful as the three previous ones.

On October 27 we held our Fall Sanction show. For 1962 we have our Terrier Specialty that will be held sometime in May.

A motion was made by Mrs. Leedham and seconded by Mrs. Newby that we add a new trophy to be offered each year to the winning dog or bitch bred and handled by owner. Everyone was in favor. This is to be run in the same way as the Joseph Dodds Memorial Trophy for the Best Terrier of the Year, but to be kept separate. Mr. and Mrs. J. S. Leedham were asked to take care of this, so beginning with the 1962 championship shows owners of winning dogs should hand in their wins to be accumulated. This, as before, applies to club members only and dogs shown in B.C. It was decided that the club give the trophy and it will be won outright each year.

by Joan Morden

At our November meeting it was a pleasure to welcome Mrs. D. T. Weir as a new club member.

President Phyll Smith invited two officers from the Ontario Retail Sales Tax District Office to attend our meeting to explain the Act as it applies to dog breeders and answer questions from members.

Club business was held to a minimum in order that the membership might participate at length in the planned entertainment. This proved to be a huge success. On hand were topnotch dogs representing the Sporting, Working, Toy and Terrier Groups and a Toy Poodle representing Poodles. The dogs were judged just as in a point show by Judges Dr. W. E. Shute and Mr. Peter Smith. Critiques were written on all dogs by both judges. When judging and placing was completed, criticisms were compared. The dogs' faults were described to the membership while questions and opinions flew. A thoroughly instructive and interesting evening was enjoyed by everyone. Many thanks to our judges and members who so nobly brought out top specimens and had the courage to have them openly criticized.

Plans are underway for our Christmas party to be held December 8 at The Willowbank, Burlington. John and Nancy Tough are in charge of the arrangements. Our Juniors, too, are planning their Christmas party and help from the adults in every department is solicited. All of which calls forth the year's most important message — from everyone here a Very Merry Christmas and a Happy New Year.

I had hoped to have been putting in regular news for our club, but we have had a lapse of a year due to many reasons. This Fall we are active again in a new location and have high hopes of staying that way for years to come.

The club ran a small summer course at a local resort area, Crescent Beach, this July and August. The turnout was quite good and the course enjoyed by all.

We are holding classes now near New Westminster, where we have had a very good response. The present beginners class of 24 was the rowdiest class we had ever encountered. But they are all shaping up very well now. We have a very good intermediate class preparing for the coming trials, and about five dogs in CDX and UD ready to "have a go".

We held a mock trial on November 26 at our hall, just before a local trial.

We have been asked by different organizations to put on a demonstration, so we are going to form a set demonstration with our best dogs so that at short notice we can put on a show without a lot of practicing and worry.

Our training director is Ben Taylor, our treasurer Bill Strutinski, and instructors are Irene Taylor, Shirley Luke and yours truly.

Ben Taylor has a young Collie, a descendent of his well-known "Prince". "Lance" is only four months old at present but comes to class to watch anyway. Shirley Luke is working

"Banner," her Shepherd, and now has a young female, Susie, who is coming along very well. I have just acquired a Bouvier, "Boris", also a youngster, so you see the competition and side remarks are going to be fierce this coming year, but here's good luck to us all! Bill Strutinski has been doing very well in the breed ring with his Collies and Shepherds and now we hope to see him back in the Obedience ring.

Our next course of training for all stages of obedience starts in January as soon as the excitement of the holaday season dies down. We already have people signed up and ready to come with dogs that were too young for this session.

## Dominion Collie and Shetland Sheepdog Association

by Mrs. Joan M. Souch
598 Carlyle Court, Oshawa, Ont.

On October 31 our election of officers took place and the results are the following executive for the year 1961-1962:

President, Mr. Ross Souch; Vice-President, Mr. William Clark; Treasurer, Mr. M. E. Whiteside; Secretary (Recording) Mrs. Joan M. Souch also Bulletin Editor and **Dogs in Canada** Reporter; Show Secretary, Mrs. Helen Scott; Trophy Chairman, Mrs. Vi. Bailie.

This meeting was held at the home of yours truly and we all enjoyed a social gathering and a light supper after the meeting was adjourned.

On November 3 a meeting was held at our regular meeting place at the North York Hall, Yonge Street. The first Friday of every month commencing with the November meeting is meeting night. We are going to hold a meeting every month possible even if it is just a social evening.

The club is working very hard to prepare for our coming show year during 1962. The following is our list of activities planned to date:

January: a Sanction Show
February: Social evening with business.
March: Booster Show for Collies and Shelties in conjunction with the Sportsmen Show, and Planning of the Working Group show if passed by CKC.
Early Spring: our specialty show for Collies and Shelties. This year we hope to have our show at a halfway point between Toronto and Montreal for benefit of the Eastern Collie and Sheltie people. Other activities are now being planned but dates are not definite.

We wish to send congratulations to our Montreal Branch for their splendid programming for 1961. You have really done a good job.

At this time the DC&SSA wish to send our thanks to everyone who contributed to making the November Issue of **Dogs** most interesting to the Collie and Sheltie fanciers.

We also wish to extend our greetings for a very Merry Xmas to all breeders and owners of dogs. We wish also that you may collect more of those lovely blue ribbons in 1962.

It is with great sorrow that we announce the passing of one of our American members, Mrs. Myrtle Brierley. She will be sadly missed by all.

by Mrs. Hazel Slaughter
5 - 47th Ave., Bois des Filion, P.Q.

The big news this month is the very favorable reaction which has already been shown by several Obedience clubs to the Dominion Collie and Shetland Sheepdog Association's offer of silver spoons for high scoring Collies and Shelties. **Dogs in Canada** gave us a wonderful editorial in November **Dogs**, but unfortunately our ad was inadvertently omitted. This ad is appearing in this issue and we hope that all Collie and Sheltie people will keep this offer uppermost in mind when planning to enter in forthcoming obedience trials.

The attention of our members is directed to tne request of the CKC (**Dogs in Canada, November, Page 48C**) that the views of all Collie people, on the problems with the registration of Smooth Collies, have to be in to the CKC office before December 31.

## Fredericton Kennel Club

by Leonard Griesbach
R.R. #1, Fredericton, N.B.

The November meeting was held Thursday, November 9, in the New Brunswick Teachers' Association Building with 13 members present. The meeting was chaired by the President, Vernon Glenn.

Committee reports were given and Mr. Lloyd Amos reported on the New Brunswick Circuit Club meeting held in Hampton on Sunday, October 15. At this meeting the New Brunswick Ladies Kennel Club was taken into the New Brunswick Circuit Club.

Plans were made for a Christmas Party to be held on Thursday, December 14.

Before the meeting adjourned one minute's silence was observed in memory of the late Mrs. Mae Wallace.

## Gateway City Obedience Club

by Mrs. Grace Anne Penno
1474 Alexander Ave., Winnipeg 3, Man.

Plans are in full force for two trials in December. Ron Hamel is Trial Chairman, Monica Torrence is Trial Secretary, Doug Lawrence and Dave Garry are Chief Ring Stewards.

Eleven Obedience enthusiasts and three dogs from Winnipeg attended the Thunder Bay Dog Training Club trials. Happiest of all was Bill Fiedler with his Norwegian Elkhound, Sandy, taking Highest Scoring Dog in the First Trial to complete his CD. The trophies he brought home were really something. Penny and I nearly got there, and from the reports of the good time everyone had I regret missing out on it.

Gloria Pellen heads the entertainment committee this year and she is busy lining up a Trial party. Dolores Lauman will be in charge of memberships. Marion King and Jack Cohen are getting the ball rolling in publicity. Marion recently attended the German Shepherd Specialty in Minneapolis. Doug and Joan Lawrence are asking for volunteers for a drill team.

## German Shepherd Dog Breeders Assoc. Inc.

by Iris Gerigs
Pickering P.O., Ont.

For those who are wondering why Anne is no longer writing this column, I will give the results of our annual meeting first. It was held at the home of Mac and Win DeMeo on October 21. Mac DeMeo was elected President, A. G. Gerigs, 1st Vice; Cliff Chapman, 2nd Vice: Barb Dove, Secretary (by acclamation), Lloyd Dove, Treasurer, also by acclamation. Anne Gerigs, Show Secretary, George Gerigs Public Relations Director. Our committees will be headed by: Maud Chapman, Social, Shirley DeBoer, Breed, Esme Dallin, Constitution. Attendance at this meeting was excellent, a very healthy sign of the members' interest in their club. And so we begin another year. May I wish for us all a very special one, both club and dog-wise.

Our last Matinee Show of the season was held on October 15 and judged by a new face in the centre of the ring, though known to us all, A. G. Gerigs. It is our aim to give all who wish it the chance to judge at these shows. Frank and Hazel Page's Tony was a popular BB with his half sister, Tassy, going BOS. Best Puppy went to a puppy of Doug Scott's breeding. Hilda Burrows went Reserve Winners Bitch with Chimney Broom, George Dallin won the Junior Puppy Bitch class with Aria. Although the weather was very cold, Cliff and Maud's hospitality was as warm as the fire after the show, when everyone enjoyed hot dogs and hot coffee. May I take this opportunity to wish A Merry Christmas To All And To All A Good Year.

## The German Shepherd Dog Club of Alberta (Calgary)

by E. A. Moore
R.R. #4, Calgary, Alta.

Members are planning a Winter program of study classes to promote a breeding program that we hope will strengthen the local German Shepherd Dogs in temperament, conformation and usefulness.

These study classes will not replace or interfere with the present training classes but, we hope will build up a general interest within our club in German Shepherd Dogs as a whole so that we can all, as members of The German Shepherd Dog Club of Alberta (Calgary), boast a reasonable knowledge of conformation and sound breeding practices as well as having practice and experience in the training of these versatile dogs.

Mr. Keller has recently had a post card from Dr. Redlich who has been in Germany attending the Seiger shows.

Dr. Redlich reports a terrific show over there this year and remarks on the exceptional uniformity of all the exhibits. In the exhibition of working tests and tracking, he reports the ability and endurance of the dogs, both as individuals and in groups, was outstanding and gave proof of concentrated effort of both breeding and training. Such results are targets for us to aim at.

Mr. Keller has written to Germany for charts giving the Standard of the German Shepherd Dog in picture and also showing correct bone structure and angulation. We anticipate many enjoyable and constructive hours on this enterprise.

## The German Shepherd Dog Club of Canada

by Warren Parkinson
10 Neville Park Blvd., Toronto 13, Ont.

By the will of an obviously dissatisfied membership, as freely expressed at the special general meeting, November 5, the '61 board of directors was dissolved, as well as the system of a directorate to carry on club business between general meetings. The questions put, and substantially carried, were: "1. The board of directors to be discontinued and all meetings shall be general meetings and conducted by a quorum. The officers of the club will remain as at present with the election of new officers every two years. If passed, to be effective immediately. 2. To set a quorum of 11, including officers."

This means in effect that the December and all 1962 meetings will be general meetings, presided over by our '61 elected club officers: President, Mr. Toni Kleinjohann; Vice-President, Mr. Alex Gunn; Secretary, Mr. Wendlin Steinhaus and Treasurer, Mrs. Robbi Walker.

In general the arguments for the changes were: An expressed feeling that board meetings have been poorly conducted. Three board meetings failed to get a quorum. Citing as examples, other clubs and organizations in having only general meetings. The fact that only board members may vote at directors' meetings, although all members were welcome to attend and express their opinions. That more participation by more members would increase badly needed interest. That some members were living in the club's past glory.

The arguments against the changes were: No defence of the decorum of board meetings, but rather pointing to what was accomplished in the form of record shows and events, i.e. Specialty Show, Obedience Trial, Training Classes, Tracking Test. Fears of lack of stability in hurriedly constructed, sweeping con-

There is no question that both sides were sincere in their beliefs but a vote of the members has closed the matter. Here we must pay special tribute to our Vice-President, who assumed the chair in the President's absence, for his impartiality and fairness while conducting this most difficult meeting.

## Halifax Kennel Club Inc.

by T. G. Threlkeld

57 Oakland Rd., Halifax, N.S.

The monthly meeting of the club was held at the Women's Council House on Monday, October 30, with our President, Mr. S. DeWolfe, in the chair.

During the business meeting plans were made for the 1962 point shows. Members were informed that the date had been confirmed for the June show and that the judges, both American and Canadian, from outside the Maritimes had been contacted. Numerous points of view were expressed regarding the advisability of running the shows separately or in conjunction with other clubs to form a local "circuit". Several new members were welcomed to the club.

The Fall Sanction Match was held on Friday, November 3 at the Horseshoe Club. There were about 40 young dogs present and a very large number of interested spectators. Judge for the show was Mr. Jack Burns of Halifax with Mr. D. Duff judging the breeds in Group 5 (which was sponsored by the Toy Dog Club, Maritime Division). Best in Match went to a Senior Puppy Beagle, Hound Hollow's Saucy Lady, owned by Mr. Harold Smith of Fairview. She was also Best Canadian Bred and Best puppy in Match. The parade of champions was enjoyed by the spectators almost as much as by the champions themselves. Our Congratulations to Mrs. Juanita Appleby and her committee for making the evening a success as well as a pleasant diversion.

## Hamilton Kennel Club

by Mrs. M. Cooper

14 Proctor Blvd., Hamilton, Ont.

We had an excellent attendance at our October 24 meeting and quite a lot of business was transacted. Plans for our Christmas Sanction Show (to be held December 9) were discussed and arrangements completed. We are most grateful to Messrs. Stan Whitmore and Glenn Stevens who are going to act as our judges. We are hoping for an even "bigger and better" show than last year, with lots of interest and fun for all.

As a relaxation after the year's work, arrangements were also completed to hold a Christmas party on December 15. This has been most enjoyable the past few years, and we are looking forward to another happy evening this year.

We closed our meeting rather early as Mr. Bill Brown had kindly consented to show us a film of his recent trip to the Old Country and Continent. We had the pleasure, last year, of seeing his film on his 1960 trip, and were eager to see the 1961 edition! We were not disappointed in it, as the film was most interesting and the scenes very lovely, including scenes from the Blackpool Dog Show. Not a few of us were very envious of Bill being able to take such thrilling trips. Sincere thanks to him for his kindness in coming to this meeting.

By the time these notes appear, it will be December and Christmas "just around the corner". So from everyone in the Hamilton Kennel Club — "Happy Christmas to you all"!

## The Hamilton Obedience Club

by Mrs. Mary Krawesky

57 Barons Ave., North, Hamilton, Ont.

Our monthly meeting was held on November 3 with an attendance of approx. 30 persons interested in the revising of our Constitution, and other club matters needing approval. Our Demonstration Chairman stated that there were three demonstrations given in the month of October. On October 3, at Chalmer Presbyterian Church the commentator was Clark Diamond, Lois Allison and Collie, did CD; Louise Diamond with American Cocker Spaniel did CDX, and Percy Marshall with Standard Schnauzer did UD. It was a Father and Son Banquet, and attendance was about 200. It was enjoyed by all. On October 16, at Holy Trinity Church, commentator was Fred Tremain: Ray McCormick with Irish Setter did CD, Stan Skirrow with Pug did CDX, Reg. Peters with Welsh Corgi did UD. It was a Scout Troup only, but there were about 50 very interested boys there. On October 20 at Knox Church, Dundas, commentator was Kay Toohey, John Meier with Norwegian Elkhound did CD; Kay Toohey with Miniature Poodle, did CDX; Mrs. Blanche Cole with American Cocker Spaniel, did UD. Attendance was 120, it being a Father and Son Banquet also. Refreshments were served afterwards and a tour through their new church filled the rest of the evening. Thank you everyone for your time, and work.

We have decided to hold our Winter Trial at the Spring Valley Community Hall, Ancaster, Ont., as we couldn't find another suitable building. It will be a Single Trial on February 25, starting at 12.00 noon sharp, with Mr. Walter Konradt, judging Novice A and Open A, and Mr. Rudolph Buckman, of Pontiac, Mich., judging Novice B, Utility, and Open B in that order. We will have two rings and run off both Novice classes at once, so that the majority of those classes may leave early if they so wish, other than Highest Scoring Dogs.

Kathy Toohey with her Miniature Poodle, Frisco, was Highest Scoring Dog in our Member Match held October 15 at the Spring Valley Community Hall. The weather was very cold, attendance was poor, but for those who braved the weather, it was worth it. Kathy's dog received a score of 199, judged by Clarke Diamond, and she walked away with three trophies. Congratulations!

Peg Oldland's Doberman Pinscher, Hellion, gained a leg on his CD, with a score of 196½ at the Simcoe Trial. Reg. Peters has finished his American CD with Tammy, Welsh Corgi, at Albany and Troy, and gained a 2nd leg on American CD with Terry, also a Welsh Corgi.

Jean Ryder lost her female Gina, German Shepherd, after a whelping, but has been able to keep two of her puppies. Jean and Abe Zvonkin have bought an American Male Afghan Hound of Championship stock.

To anyone planning on raising puppies, who is not a member of any kennel club, I recommend you buy a book titled, "The Mating and Whelping of Dogs", by Captain R. Portman Graham. It tells in medical and down-to-earth language, everything one wishes to know, about stud service, care of stud dog, care of brood matron, and describes in fine detail, all phases of Stud Service, and whelping of puppies. Write Dogs in Canada for price.

At the time of writing our Float in the Christmas Parade here in Hamilton, November 18, is shaping up nicely, and it is hoped to have about 20 dogs on the float, with owners hidden, and about six other larger breeds, walking in front. Ralph Latta, has been picked as chairman of our next training course. He is also in charge of our Christmas Party, being held in Dundas, December 8.

Our club is happy to announce that we have another judge in our membership; Mr. Clarke Diamond, being recently approved by the CKC, brings the total number of licensed judges in our club to four. Congratulations, Clarke.

by Mrs. Ray McCormick

194 Brookview Court, Ancaster, Ont.

Amidst the breathtaking splendor of Autumn scenery, many club members and their dogs, enjoyed our Sixth Annual Thanksgiving Weekend at Tynoka Lodge. The weather was perfect and all participated in either hiking, photography, or hunting. Competitions were held in table tennis, shuffle board, skeet and rifle shooting, with appropriate doggy prizes awarded the winners. The evenings were spent in reminiscing and showing movies of previous years; but all agreed that this was one of the best.

The October meeting was held at the home of Miss Joan Zurbrigg. Plans were concluded for holding the annual Christmas Dinner Party at the Chicken Villa, No. 5 Highway, on December 9.

The evening of October 27 saw "Irish Setters on Parade" at the centre in Hamilton. Four impish little leprechauns, — Barbara Allen, Elizabeth McCallum, Linda McCormick and Elizabeth Ramesbottom, assisted in attracting a large crowd. As Mr. Roy Dafoe commentated, the dogs were put through Obedience routines. Many compliments were passed, and many inquiries made regarding the breed.

Again this year, our Field Trial was held at the Southcott's farm (Cara Mia Kennels), Milton, Ont. This was not a "shoot to kill" trial. Dogs were run on liberated pheasant. We were more than pleased to welcome Lt. Babcooke and Mr. Lavis, two of our Nova Scotia members, who flew up for the trial. Also very pleased to see Mr. Little, a new member from New York State. Judge for the day was Mr. Faunt Ekey of Spencerport, N.Y., (Kopper Key Irish Setter Kennels) who is very active in the field in connection with the Irish Setter Club of Western New York. A social evening was held prior to the trial at the Dafoe's home in Burlington, when out-of-town members and our guest judge got together to discuss various items in connection with field work and our dogs. Trophies were given up to fourth place in both Puppy and Open Classes, the winners being Challenger's Bronze Knight (owned by John McCallum) and Glennderry's Amber Prince (owned by Mr. Babcooke). An excellent canteen was set up by Mrs. Honsberger, our social convener, and very suitable trophies which carried out the field theme were chosen by Mrs. Allen. Participants got together after the trial for dinner in Streetsville.

## The Ladies' Kennel Club of Canada

Our annual meeting took place on October 18 and the following slate of officers was elected: Hon. President, Mrs. James Dempster; President, Mrs. F. A. Price; 1st Vice-President, Mrs. Dempster; 2nd Vice-President, Mrs. L. J. Lagimodiere; 3rd Vice-President, Mrs. M. Day Baldwin; Hon. Treasurer, Mrs. K. W. Foucar; Hon. Secretary, Mrs. H. G. Ferrabee; Show Chairman, Mrs. R. Birch.

Highlights of the year just ended were:

1. Our social meeting in February, at which members and friends were entertained by amusing talks by Mrs. Doreen Day and Mr. Nigel Aubrey-Jones, the subject being "Current Trends and Fashions in the Dog World".
2. The growth of our club by 15 new members.
3. The successful pre-show ticket sale by the SPCA which netted $702.68 for this organization.
4. A record entry at our Spring dog shows.
5. The opportunity to sponsor the first Specialty Show of the Dominion Collie and Shetland Sheepdog Association (Montreal Branch).

The one great regret expressed by all our members was over the catastrophe of the catalogue at our Saturday show. Perhaps this is as good a place as any for us to say "thank-you" to everyone who cooperated with us so magnificently in that awful crisis; to express our sincere gratitude to all who made it possible for the show to continue with the minimum of confusion.

The new executive committee is deeply engrossed in planning for the coming year. If the ideas all hatch out it should be a most active and interesting year for the members. Arrangements for the 1962 Spring Shows are well underway and we expect them to be bigger and better than ever.

## Laurentian Sled Dog Club Inc.

by Romaine Jones
40 Queen's Rd., Valois, P.Q.

Final plans have been made for the Sled Dog Race and the second annual Sled Dog Specialty Show to be held at Ste. Agathe, Quebec. The Specialty for Malamutes, Samoyeds and Siberians will take place Friday evening, January 26 at 8.00 P.M.

The drivers Meeting will also be held Friday evening and the first heat of the race on Saturday the 27, with the second heat on Sunday, January 28. Sunday evening the racers, their helpers, the Dog Show exhibitors and the general public will attend a Buffet Supper at the Hotel Vermont, followed by the prize giving and presentation of the Molson Trophy to the driver having the best combined time for the two heats.

This year we are expecting two top teams, which will be flown from Alaska, to participate in the Quebec racing circuit. This ciruit starts in the middle of January at Gatineau Point, followed by Ste. Agathe, Maniwaki, Chibougamau and Quebec City.

It is doubtful whether Dr. Roland Lombard, last years' iron man, will be able to complete this circuit, as he may miss Quebec City — his plans are to drive his team to Alaska this coming February to compete in the Sweepstakes at Fairbanks. Exhibitors and handlers can take note when considering driving to the average show what this truck trip will mean, in the middle of winter, with 20-odd dogs.

The race course will be a 15 mile loup of bush and lake trail, starting and finishing on the main street of Ste. Agathe. This race is open to all teams. There are no restrictions as to breed or number of dogs in each team.

Crests for parkas, which are given with club membership, are now available.

Looking forward to seeing you at Ste. Agathe on January 26!

## Mountain City Obedience Club

by G. J. Burke
4 Apple Hill Rd., Baie D'Urfe, Que.

With many projects on the program, the MCOC is well underway to another busy season of activities. President John Romanez has announced the committee appointments and we can look forward to a most interesting year.

The first competition for the Candy Jones Handicap was held on Tuesday, November 21, following the qualifying round of October 24. Our thanks and appreciation to Messrs. McDougal and Newcombe who adjudicated the initial handicaps.

Other events include the ever-popular Christmas party for the dogs, organized under the co-chairmanship of Mr. and Mrs. Paul Bergevin. New members were welcomed at a get-together on November 30. Gaston Bastien edited a special run of dog films which were shown that night. We are looking forward to the first interclub competition scheduled for December 7.

The best of congratulations to Pepper Walton, CD; Teddylou Eley, CD; MacDuff Romanez, CD; Sergeant Halliday, CDX and Twinkle Burke, CDX, who earned their degrees at the recent trials at North Hatley and Cochands. We were particularly proud of the graduation of Sergeant who showed that persistence eventually has its reward. Also, Teddylou made it three straight at the one trial, which is quite an accomplishment. We have also just heard that Katie Casgrain obtained the American CDX and Candy Hawkins the American UD at the last Albany and Troy weekend trials. Betty Stockton will see these names are suitably inscribed in the Honor Roll.

They are too numerous to mention individually, but congratulations are also in order for recent blue ribbon winners who are in progress towards a title recognition.

## Northern Alberta Canine Association

by Mini Soeters

We hope guests and exhibitors enjoyed our Fall shows and Obedience Trial as much as club members. Mr. A. M. Fitzgerald and Mr. J. Devlin Jr., both from Ontario, judged in a competent way.

Some especially fine wins by club members were: Ch. Tarawood's Flannel Pants (Old English Sheepdog) taking BB both days and 2nd and 4th in the Working Group, owned by Dianne Buckland.

Ch. Merr-I-Mac Radium (Beagle), owned by Betty Branchflower also captured the BB both days and a 2nd and 3rd in Hound Group.

Ch. Dugan of Denali (Standard Smooth Dachshund) BB both days and 1st and 4th in the Hound Group. Am. Ch. Duffy of Denali (Standard Wirehaired Dachshund) took the BB and 3rd in Hound Group the first day. Both Dachsies owned by Mini Soeters.

Al Briggs has been doing some fine winning lately with his Miniature Schnauzer, Ch. Caldora's Wisk Broom, BB and 1st in the Terrier Group both days, completing this fine dog's championship.

The Obedience Trial was judged by Mrs. J. Lyle from Vancouver, B.C., looking very calm and chic, she made an excellent impression on exhibitors. Mrs. Phyllis Charles, with

Tying for 3rd place with 197 points, were Mr. Norman Webster with a German Shepherd and a Miniature Poodle owned by Miss Brenda Abbey.

At our November 14 meeting new officers were elected for 1962. Also plans are underway for a Christmas party.

As a very successful 1961 for the Northern Alberta Canine Association draws to a close, we are planning for an even brighter 1962. To our many friends and their dogs, we wish the Merriest Christmas ever and many purple ribbons in the New Year.

### North York Obedience Club

by Margaret Thompson
16 Sabrina Dr., Weston, Ont.

At the regular meeting of the club in October, plans were made for the Mock Trial and Graduation of the third Obedience class, to be held on December 10, at the Farmers Market, Thornhill. The date had been originally set for November 19, but the Farmers Market was not available on this date. There will be two rings and two judges, one for the Graduation class and one for those entered in the Mock Trial. Twenty-two dogs are expected to graduate, every group being represented. Twenty-four dogs are entered in the Mock Trial, making a total of 46 in all.

At the close of the meeting Dr. Thompson, of the Martin Veterinary hospital in Islington, spoke on Canine Nutrition, a very interesting and informative talk.

Our President, Grace Probert, has added another gem to her German Shepherd's crown. Tarzan got his American Tracking title in Reading, Penna. recently. Congratulations, Tarz!

Well! Another successful matinee show was held on Sunday, November 5, at the home of Mrs. Bentley, Carney Rd., Willowdale. Twenty-two dogs entered the various classes, including several dogs-in-training in our present class. When the prizes were awarded, Sandra Bargent was on top with Rinty, in the Novice "A" Class. Julia Campbell and Pearl Currie topped the Novice B Class, with Toby and Guy respectively. Refreshments were served throughout the afternoon.

See you at the Mock Trial!

Peter Kirk, the President, in the chair. The directors attending were Mrs. Audrey Langford, Hamilton; Mrs. Grace Probert, Willowdale; Mr. Karel Vogel, Oshawa; Mr. Abe Zvonkin, Hamilton; Mr. E. L. Cole, Sarnia; Mr. Don Foster, St. Catharines, as well as the Secretary-Treasurer Louise Diamond. There were four guests from Hamilton and Oshawa.

Mrs. Langford stated that the study group had not started up yet, but that Mr. Abe Zvonkin will be joining the group when it begins.

Grace Probert asked that anyone receiving a copy of the "Obedience Link" pass it on to someone else when they have finished reading it so they may enjoy the many different articles on Obedience in Ontario.

The general meeting of the association was held on November 18 at the Nelson Township Hall. The offices open for re-election were President, Vice-President and two directors at large.

The President announced that a Field Trial was taking place on Sunday, October 29 at the home of Mrs. Mary Southcott, Milton, Ont.

Miss Meyers was asked to be Chairman for the election on November 18.

At the time of writing it had just been announced that Mr. Clarke Diamond, a member of this club, has been approved to judge Novice, Open and Utility classes at Obedience trials held under CKC rules. Congratulations, Clarke! Mr. Diamond was Chairman of our Fun Frolic and Convention held June 4 at the Ancaster Fair Grounds.

## Oshawa Obedience Association

The November meeting of our association was well attended and the annual elections were conducted with enthusiasm. Alice Ross presided during the elections and Karel Vogel was declared President for a second term. The members are happy that Karel is to act in this capacity for the coming year. His love of dogs, his ability as a trainer and his conduct of the meetings, make his election a most popular one.

The other officers elected are: Vice-President, Marian Mills; Secretary, Barbara Scott; Treasurer, Ursula Floeter; Directors, Jean Goode, Monty Cranfield, Bill McHugh and Alice Ross; Entertainment Committee Chairman, Marian Mills; Trophy Convener, Ron Craglan; Trial Committee Chairman, Bill Scott; Publicity Director, Dorothy Grosart. These officers intend to work hard to maintain the standards set by their predecessors.

On November 4, an enjoyable Halloween party was held at the home of Helen and Chuck Bathie. The costumes were original and varied. Dogs hardly knew their owners! Helen's Poodles are still mystified by such human capers.

Class attendance is keeping up very well and the pupils, both human and canine, are making progress and thinking about graduation on December 6.

Barbara Scott has been judging at a Sanction Trial and we hear from the "judged" that she could have quite a future in that line.

That is all the news until we "come in on the recall" next month.

## Peterborough & District Obedience Club

by Mrs. Jack K. Lang
552 Raymond St., Peterborough, Ont.

Members had a most enjoyable meeting in October when Rosa and Ray Scott were hostess and host for the occasion.

We had as our guest speaker on this occasion Mr. Herb. Routley, who spoke on Field Trial work with Springer Spaniels. After listening to Mr. and Mrs. Routley it is quite apparent that there isn't very much they don't know about Springers. The members were interested in the many bushel baskets of ribbons they have collected over the years, first of all, showing their dogs and then sticking mainly to Field Trials. We have had a couple of the Routley's Springers in Obedience Training Classes and they appear to work just as well in the Obedience ring as in the field.

Plans have been completed for the Obedience Training class to give a demonstration of Obed ience work and other work just for fun, including a dress-up occasion for the dogs for the Rotary Club's Christmas Party at the Empress Hotel at their annnual party for crippled children, also at the Empress the middle of December the Children's Aid Christmas party. Dogs and handlers are looking forward to these two special events.

Our graduation exercises will take place December 4, when the class will be entertained but dogs be excused, at the home of the Lang's to celebrate the trophies, ribbons and diplomas the Fall class will have earned.

Our Members and their dogs will also put on a program at Marycrest, House of Providence, for Senior Citizens. At this party we take along the lunch for the residents, and we usually have quite a following (nurses) over from the hospital.

And since this will be our last Club Note until January, Peterborough & District Obedience Club wish each and every one of you all the best in good health and happiness for the coming year, not to mention qualifying scores in all the Trials you may attend in the coming year. Happy New Year!

## The Provincial Irish Setter Club

by Gertrude W. Drew
120 Ranleigh Ave., Toronto, Ont.

In the absence of a meeting in October we combined the October and November meetings held on November 27.

Owing to the specialty show which entails much work and time we felt it was easier on the members to forego the October meeting and to spend the extra time on the preparations for the show.

The show is over and everyone can relax. We just cannot help feeling proud and a bit puffed up over our endeavors for we have had a great many compliments. There was a five-point entry for both sexes and no less than five puppies. Best of Breed, and Best in Show went to Allan H. Lake's Torrie's Gai Banter of Kilrush. Congratulations are doubly in order as this five-point win also marked the Lake's first champion.

The hunting season plus stepped up breeding activities deprived us of several entries. However, we are taking a long range view

of the situation and hope it works to our advantage next year. Incidentally, we intend to change the time of our show to warmer weather when it is conducive to better coats.

We wish to thank Ken-L products for favours rendered to our club and Mr. Archie Warnock for his splendid cooperation in running the P.A. system. Also our sincere thanks to "Mac" MacCallum and Miss Alma King who acted as superintendent and ring steward respectively.

The largest class of the show was the amateur ladies handling class. This attracted nine entrants, all strictly novices. The class was judged by Mr. Roy Dewsbury who took note of all mistakes and gave a short lecture after it was over. First place went to Mrs. Peggy Brook who had had one lesson. Second to Mrs. Norine Clouter and third to Mrs. Shirley Scott. The girls were all pleased and terribly excited over the lovely prizes they received. It was good experience and we intend to repeat the class at future shows.

A letter from Mrs. Gus Polley of Bishops Mills tells us her old "Dixie" is still alive and as Gus says "boss of the ranch". Gus herself is busy compiling English Setter pedigrees and data on that breed.

Those members who suffered losses in their kennels from a virus infection are advised against having any dogs until late Spring. It is felt by veterinarians that it will take that long for latent germs to become no longer active.

This concludes club notes for this year. "Space" is a very much used word these days and while we have no intention of getting into orbit, I am compelled to use the word in order to thank the girls at **Dogs in Canada** for making these notes possible by apportioning space.

We wish Miss Peer and Miss Dunn continued success with the magazine and a Merry Christmas and Happy New Year to them and all dog lovers everywhere.

## Progressive Kennel Club Inc.
by Gertrude W. Drew
120 Ranleigh Ave., Toronto, Ont.

The November meeting which fell on the first of the month had a better attendance than usual. The President, Mr. C. Stevens, was in the chair and I might add looking much better and presumably feeling greatly improved.

The minutes were read by the Secretary-Treasurer, Mrs. Mary Lake in the absence of the Recording-Secretary, Mrs. Yan Paul.

Most of the business consisted of affairs concerning the forthcoming Sanction Show. The Show Secretary reported that the judges had been approved and each had accepted the assignment. The ring stewards had been chosen and other details attended to. The show is to be held December 3, and it looks as though everything is pretty well in order.

The next meeting and the first of our fiscal year will feature the annual elections. The date of this meeting is December 6 and will be held in the new club room location at 15 Robina Ave., St. Clair YMCA.

It was nice to see Mrs. Dewsbury back after several months absence due to illness. She seemed in good spirits and we hope she is feeling better.

Mrs. Paul reports that her mother continues to be poorly. She has also had a remodelling job to do on her kennel runs due to a new subdivision at the south of her property. Dog people's troubles are never at an end.

By the time this report appears in print, the season with its involved activities will be upon us. For the month of December dog affairs are usually given over to the Christmas celebrations. It is the time when "Peace on earth goodwill toward men" is the summary of faith and belief in a christian civilization.

We people who are privileged to own dogs, to indulge in the fascinating hobby of breeding them and the still more exciting and alluring business of showing them are fortunate indeed.

We are fortunate to have dogs and to have that wonderful magazine **Dogs in Canada** where we can read and write about our interests. Thank you, girls, for a much improved magazine and for the generous allotment of space for club notes.

At the conclusion of the meeting the film on the Sportsmens Show was run off and all present enjoyed it very much. Many thanks to Mr. Roy Dewsbury for the projector and the operation of same.

The Progressive Kennel Club take this opportunity of wishing everyone, everywhere, A Merry Christmas and a Happy New Year.

## The Saint Bernard Club of Ontario
by Brian Sorrell, DVM
256 Sheppard West, Willowdale, Ont.

This club held its inaugural meeting on Sunday, October 22, at Rocharest Kennels in Unionville, Ont.

This meeting was designed to sound out the membership on what activities they would most like the club to pursue. Since this club is by no means confined to breeders alone, but will function primarily for the betterment of the breed by education and group projects, many interesting and ambitious ideas were brought forth.

Attendance was extremely good, 26 people turning out to see what the club was all about. Points outside Toronto were well-represented and it is hoped that the ensuing months will produce even more out-of-town members.

A temporary slate of officers was elected at this initial meeting and will hold office until the Sportsman's Show. Those elected were: President, Dr. B. Sorrell; Vice-President, Mr. D. G. Badger; Secretary-Treasurer, Mr. R. Seaman.

Regular monthly meetings are scheduled for the fall, winter and spring months and will feature such things as guest speakers, movies, show demonstrations and Obedience classes.

Anyone interested in attending is more than welcome, and may contact Mr. Seaman at Rocharest Kennels, R.R. 1, Unionville, in order to be put on the mailing list. It is not a club requirement that members actually own a Saint, only that they be interested in the breed.

## Scarborough Kennel Club
by J. Holdham
Dunbarton P.O., Ont.

Our October meeting was held at the home of Dr. and Mrs. Clement of Agincourt, when the results of our September Show were discussed, and improvements for our next show were suggested.

The club has held two executive meetings for the purpose of revising the Constitution, and making other improvements.

Our annual dinner was held on November 24 in the Stardust Room, at the Town and Country, in Toronto. There was a raffle for members of a table lamp and other items of interest were arranged for the enjoyment of all.

We will hold our annual meeting in December, when officers for the coming year will be elected.

I should like to take this opportunity to wish all members a Very Happy Christmas and Prosperous New Year, with the hope that the SKC will achieve many benefits from 1962.

## Simcoe Kennel and Obedience Club
by Mrs. Florence Westbrook
56 Brant Avenue, Brantford, Ont.

News from Simcoe is practically nil this month. Our general meeting was strictly business with a little social gathering to "top it off". We nominated our 1962 Show Chairman, Mrs. Westbrook; Show Superintendent, Ross Sherred and Show Secretary, George Mehlenbacher. Other committees will be announced after the general election in December.

Our Obdience classes, under George Mehlenbacher, are still going strong and a number of dogs graduated from the basic training class November 16, held at the Simcoe Arena where our classes are held. A buffet lunch was served in the Agricultural Rooms following the graduation.

Our general meeting was held November 22, when the speaker was Mr. Grills, a representative of the Canadian National Institute for the Blind. He accepted a cheque on behalf of the Seeing Eye Dogs. Accompanying him was a blind gentleman with his Seeing Eye, trained at Rochester, Mich. This is the result of the kind generosity of our canine friends who helped make our July show a success, for which we repeat, "Thank you all."

Congratulations are in order to Mr. and Mrs. Norm Gardner whose small daughter finally arrived; to Mr. and Mrs. Gerald Charter who, I think, are the first Mr. and Mrs. Obedience and Tracking Judges in Can-

ada. They are both original members of the Simcoe Club and have given their time and effort to further the success of the organization and last, but not least, to our newest member, Mrs. Ethel Sipes, for her eight points, including a major, and Group placements every day, as well as Best Brace in Show and other wins at Bermuda. Congratulations, Mrs. Sipes. It will be some time before Bermuda forgets you.

### The Skyway Obedience Club
by Dorothy Walker
Group Box 125, R.R. #5, Hamilton, Ont.

The October meeting was held October 14, at the Belvena Hall in Burlington, when we elected two new chairmen as follows: Demonstration Chairman, Mrs. Barbara Saunders; Tracking Chairman, Mr. Peter Kirk.

A demonstration was held at the Maccasa Lodge in Hamilton. Mrs. Barbara Saunders brought her Miniature Schnauzer, Smoky; Mrs. Annie McGee her Chihuahua, Teak; Mrs. Dorrie Kirk her German Shepherd, Kirt. Mr. Harry Wilkenson his Chihuahua, Chips and Mr. Jack Walker, his German Shepherd, King. Mr. Don Peall and Mr. Kirk acted as Masters of Ceremonies for the evening. The recreation councillor was advised that talking would not disturb the dogs, but as she later pointed out, spectators must have been really interested because they didn't talk at all until it was all over and then they wanted to ask so many questions there weren't enough people to answer them.

A social evening was held at the home of Mr. and Mrs. McGee, 122 Ferndale Ave., Hamilton on October 28. Thirty-six people turned out to this affair and an enjoyable evening was had by all. Our training classes are coming along very well and it is very surprising what a great change takes place in a few short weeks from unruly, barking and frightened dogs to quiet, quick-working, alert dogs.

Congratulations are extended to Gloria Emery and her German Shepherd, Baron, who received his second leg for his CD at the London, Ont. trial.

We are making plans for our Christmas party. I would like to wish one and all dog lovers a Very Merry Christmas and a Happy New Year.

### Tantramar Kennel Club
by Mrs. R. E. Merrill
53 Willow St., Amherst, N.S.

A new slate of officers was chosen when this club met recently in the Fort Cumberland Hotel. Chosen as President was Mrs. J. J. LeMoine, to succeed Harry Schwartz of Sackville. Other officers named were R. E. Merrill, First Vice-President; Mrs. G. Fraser Cole, Second Vice President and Secretary, Mrs. J. W. Brooks. Directors named are James Robertson, Dr. J. Purdy, Mrs. K. C. Baker, Mrs. John LeClair and Mrs. H. R. LeBlanc.

Heading committees are: publicity, Mrs. R. E. Merrill; membership, J. W. Brooks; program, L. G. Arsenault; obedience, Mrs. Harry Schwartz, Sackville; property, James Roberts and Henry Colpitts; field trials, H. Colpitts, Johnson Ripley, Logan Arsenault and K. C. Baker; show chairman, C. R. Embree.

Discussion was held on the Junior Kennel Club and a report was heard from K. C. Baker on his committee. One minute's silence was observed in memory of L. G. Rock, who recently passed away. It was decided that a site be chosen of approximately 25 acres of land to be used for club activities.

Five new members, James Ives, Carl Smith, E. J. MacKay and Mr. and Mrs. D. C. Tait were welcomed to the group. Members were advised that notices of future meetings would be posted in the local newspaper.

### Toy Dog Breeders Association of Canada
by Joyce Holdham
Dunbarton P.O., Ont.

Our October meeting was presided over by Mr. Glenney, our 1st Vice-President. The club members held one minute's silence in memory of Mr. A. Symons, our President for 1961, who passed away suddenly in September.

We are holding our annual dinner in the Stardust Room at the Town & Country Restaurant on November 11, and Mr. W. Brown, The Canadian Kennel Club President, will be our guest for the evening. Several very nice gifts have been contributed by Mr. McIntosh for a raffle for the club members and he also has other items to contribute to everyone's enjoyment. Many thanks for all the hard work put in by Mr. McIntosh to obtain these items and also for Trophies gained for the club throughout the past year, for which he has put in so many hours of his time.

Our annual meeting was held in November, when we elected our officers for 1962. Let us hope that the coming year will prove successful for the Toy Breeders, and I should like to take this opportunity to wish all members a Very Happy Christmas and Prosperous New Year.

### Upper Canada Kennel Club
by Mary Patterson
270 Durie St., Toronto 9, Ont.

There was 100% approval at our October meeting to a proposal of a winter program of Obedience classes for dogs of members and friends. Jeanne White of Newmarket has kindly offered her services as trainer, so we all know that we will be under the direction of an extremely competent instructor. These classes concur with our regular meetings, which will feature speakers and films. Other matters which were discussed included plans for fund-raising activities (always an important concern with a young club) and membership acceptance. Requests for membership have been coming in and we are happy to report that we now have application forms ready to be mailed to prospective members.

Following the business session, Mr. J. W. MacCallum, Vice-President of The Canadian Kennel Club, gave us a very interesting talk on the work and achievements of the CKC, followed by a lively question and answer period. Our many thanks to Mr. MacCallum and also to our host and hostess, Ed and Ivy McLaughlin of Erindale for the use of their home.

This club wishes one and all a very Merry Christmas and all the best in '62 for dog fanciers from coast to coast. ■

**Burlington Junior KC.**

We have continued weekly meetings but changed the former meeting date from Tuesday to Sunday. This change was made to distract as little as possible those students already burdened with school work.

The weekly format has been as follows:

*Dog Anatomy*: Lecturer, Mrs. N. T. Smith.

*General Health and Care*: Lecturer, Mrs. Joan Morden and Miss Sharon Cosier.

*Handling and Grooming*: Lecturer, Mr. Roy Dafoe.

*Dog Kindergarten*: Obedience Trainers, Miss Jaye Whalen, Mrs. Gladys Richards, Mrs. N. T. Smith and Mr. A. F. Lowe.

*Business Meetings*: Chairman, Master David Gregory.

Our present membership is growing as is interest. Age is obviously no limit, members ranging from five to 17 years of age.

In all modesty may we be permitted to say there is indeed a great deal of talent and enthusiasm within our club. We would like to introduce our Executive.

President: Master David Gregory, owner of Boxerley's Sultan, CD. This Miniature Schnauzer under David's competent handling and perserverance has responded well in Obedience as evidenced by the degree following Sultan's name. David, with just a few attempts at conformation handling, did win unofficial events and will, we are confident, go a long way in the future. David's conduct of business meetings indicates his good-natured ability.

Vice-President: Miss Ellen Nantais, although unable recently to regularly attend meetings, has indicated her desire to serve on the executive. Ellen has handled successfully on numerous occasions several breeds, among them, Siberian Huskies, and we wish her continued good luck in this and all her dog activities.

Secretary: Master Jack Barnes, owner of a Cocker Spaniel, Smoky, has been a member of the Juniors since its inauguration. Prior to that Jack was a familiar face to the adults of the B & DKC Obedience Training Classes. Jack became extremely popular to the extent of persuading both Smoky and adult trainers that they were the logical choice for the Most Improved Dog Award in that particular class! Jack has many interests, one of which is regular rehearsals and performance as a drummer in the local Junior Burlington Band.

Treasurer: Miss Ellen Love, owner of Pekingese, Toy Mings 5th Lady, and another responsible young adult. Ellen also is keen on club affairs, participating in Obedience and Conformation. Ellen is known in the choir of her church and this, combined with the many other interests, keeps this young lady very busy.

Of course it would be impractical to acknowledge individually the efforts of all those members who have acted willingly and cheerfully, but we would like to thank and encourage our Publicity Directors, Misses Pat and Jackie Bytheway (our twin trouble shooters) and our membership Co-Chairmen, Peggy Milne and Steven Bowen.

In addition to the regular club activity there have been these highlights:

August 20: Picnic guests of the Simcoe Kennel & Obedience Club for a wonderful day at Peacock Point.

August 29: All-Pet Show with approximately 37 entries. Janice Barnes, Sec-

retary's sister, was our official Clown greeter at this event!

September 20: A Second All-Pet Show with 40-odd entries. Color and prestige was added to this event by the presence of the Junior Burlington Band in full dress. Humor was added with costumed Lorna Jackson, Peggy Pugh, Bunty Dunlop, Andy and guest monkey.

September 23: General assistance at the All-Breed Show. Our members were on shift duty throughout the day selling catalogues. helping at ringside and just generally being useful.

October 15: The Juniors adjourned from their meeting to participate in the Bowl-o-rama under the direction of Mrs. Elsie Lowe. Many of the youngsters led the cheering section for the BDKC team resulting in the Irish Setter Club of Canada Challenge team good-naturedly contributing to the "pot".

December 16: is the date for which present frantic rehearsals and planning are taking place. The annual Christmas Party looks as if it might be a really good one!

Meetings are held on Sundays at 2:00 p.m. Lankester Lodge, New St., Burlington and any person interested in this lively group would be welcomed with an overwhelming cheer from the Juniors. The cheer is fast becoming synonymous with this club. The annual meeting, December 31, will perhaps see some changes in the executive but there will be no change in spirit.

To the editors of *Dogs in Canada*, their staff, the subscribers, the B & DKC and all the friends who have encouraged us we would like to take this opportunity of wishing you as did Tiny Tim, *"MERRY CHRISTMAS, ONE AND ALL"*.

# BEST OF VARIETY

### *It's a Dog's Life*

I have a new male Pomeranian, Firefly's Moonlight Romeo, whom we call "Toby". He recently sired four litters of pups, all born within a day of each other. When the pups were about three weeks old, I put them all in the play pen together. Toby immediately leaped in with them and stayed all day, cuddling them when they slept and playing with them when they wakened. Nights I put them back with their individual mothers until they were a month old. Then I weaned them completely and put them altogether in a cage to sleep. Toby cried at the cage door until I let him go in with them, where he immediately cuddled in the centre of the nine little puppies, quite happy. He baby-sat his children day and night until the last one was sold. Now he watches the play pen daily for the time the next babies are put in there. He's the best mother I've ever had.

Purina Dog Chow has available a number of free pamphlets on care, feeding and training of dogs, as well as on "How to understand and enjoy a Dog Show" and one on Obedience Trials. Write to Ralston Purina Company, Dog Care Division, Checkerboard Square, Clarkson, Ont.

Mrs. Ann Whitton, North Surrey, B.C., writes that when she was teaching her Dal. to "Go" she would tell him to stay, put a raisin where she wanted him to aim, then send him. He'd go, eat the raisin, then sit. After successfully repeating this routine she once more put the raisin on the ground, turned smartly, gave the command and signal "Stay" to the raisin, then marched off!

The Whittons recently bought a Bouvier puppy of which Mr. Whitton was inordinately proud. At the office he boasted of its growth — now 43 pounds. A friend asked how much their year-old baby weighed. Much to his embarrassment, he hadn't the slightest idea.

#### BLESSING OF ANIMALS

*Even the horses bowed their heads for prayers during the first Bermuda SPCA outdoor service held in honor of World Day for Animals (October 4). A large red cross was placed behind two bales of hay forming an altar. Service took place in the exotic Botanical Gardens where the dog shows are held.*

#### $10,000 LEFT TO THREE POODLES

Three West Vancouver Standard Poodles, Chanelle, Kipling and Zoe de Lamour, have been left $30 a month for life by their late owner, newspaperwoman Mrs. Diana Ogilvy Irving. Since Poodles can live to 12 or 14 years, the sum could aggregate $10,000. Mrs. Irving was a magazine writer and editor for the *Vancouver Province* from 1925 to 1954, except for about five years when she was a reporter for *The Daily Colonist* in Victoria. The bulk of her considerable estate was willed to the University of B.C. to assist "promising but needy" law students.

The Poodles are still living at her home, Eagle Rock, and are being cared for by Mrs. Gladys Grenfell, who lived with Mrs. Irving.

Mrs. Grenfell reports the inheritance will not keep them in luxury, but their diet will remain the same: 42 pounds of lean horsemeat, two sacks of kennel bran, two bags of dog discuits, a dozen eggs and a varying amount of milk every two weeks.

Kipling, (Can. Ch. Saikon Kipling of Wycliffe) referred to by Mrs. Irving as her "beloved monster", was bred by Mrs. Jean Lyle, Wycliffe Kennels, Vancouver. He has earned several Best Canadian-Bred in Show awards. Saikonn Chantelle is his sister, and Zoe (Sheadoor Zoe de l'Amour) her daughter, was bred by Mrs. Irving.

While the inheritance appears to be large, points out Mrs. Lyle, it actually covers food costs (or $1 per day per dog in a kennel) and does not allow for grooming or veterinarian bills.

#### DOGS IN THE NEWS

In Halifax, N.S. a policeman was found liable for $400 and costs for shooting and killing a dog. The defendant testified that he was making an inspection of a garage near the plaintiff's residence when the dog, a female Hungarian Viszla, jumped on him and in order to frighten her away, he fired two shots into the ground. Since the shot that killed the dog was in the rear, she was obviously going away from the defendant, stated Mr. Justice Potter. The shooting took place October 28, 1958 and the decision was handed down late this year.

Agnes, a 12-year-old diabetic who for the past three years has lived on insulin and horse meat, is a cheerful patient. The Scottish Terrier, owned by Mrs. Albert N. Richmond of North York, Ont., is taken by her mistress every morning at ten o'clock to the Willowdale Veterinary Hospital to receive her insulin injection.

The Secord Animal Clinic, reports Dr. L. George Weber, discovers from 12 to 15 diabetic dogs a year, with some border cases. Upon strict orders to its owners to stop feeding it a pound of candy every week, one canine patient's symptoms were cleared quickly.
