THE ENERGY POWER OF LEAN BEEFSTEAK!

Yes, Ken·L research concentrates twice the calories—or energy power—of the choicest lean beefsteak into every package of Ken·L Kibble and Ken·L Meal. In addition, Ken·L's balanced formula of vitamins and minerals helps create the glossy coat, the bounding health, the superb spirits which mark the true champion. They're economical foods, too. FROM THE EDITOR

The absence of the late Mrs. Eileen McEachren is still keenly felt in many circles. Because she was a pillar of the Canadian dog world and an ambassador for Canadian breeders wherever she travelled, her endeavors on behalf of Canadian dogdom should not go unrecognized.

To this end, the Eileen McEachren Memorial Trust Fund was established through contributions of friends and admirers. It was difficult to decide to what purpose this fund might best be put. As one of Canada's foremost breeders (and her own severest critic) she was what might be termed a "breeder's breeder."

What, then, could be more fitting than an award to Canada's contemporary breeders. So often the owner of a top winning dog receives all the acclamation while the breeder shares little of the glory.

The Eileen McEachren Memorial Trophy is therefore being offered to honor the Canadian breeder who has bred the most Canadian Champions in any one breed within the previous year, although not necessarily the owner at the time of earning the title. Rules governing this offering are set forth on page 4 of this issue.

The magnificent trophy has a high value in all aspects. Its handsome sterling silver bowl measures 15" in diameter and stands on pure onyx on a walnut base. Shields bearing the current winner's name will be added annually. Handles, in the form of rings, are set in an ornate mounting.

This memorium, in the name of a great breeder and a great lady, will be seen at a number of shows this year. The first presentation will be made early in 1963 to the 1962 winner.

Tribute is paid to one of the gallant men of the Canadian dog world who passed away recently. Bob Carriere of Coquitlam, B.C., died at the age of 57. A severely handicapped paraplegic, Bob had been confined to a wheel chair for a great part of his life, but nevertheless operated a successful kennel of Irish Setters (his first love) and German Short-haired Pointers. Not long ago British Columbia dog fanciers presented him with a specially equipped wheel chair on his birthday. Tribute is also paid to Mr. Carriere's mother who has cared for him all these years.

cover story

The Bullmastiff, Can. Ch. Arcandy of Buttonoak, originally imported from England in 1957 as a small puppy to Calgary, Alta., was acquired by Mr. and Mrs. John Daniell-Jenkins in November 1960. In 1961 she completed her Canadian title as well as raising two litters. Shown only twice to date in the U.S., she took Winners Bitch and Best Opposite Sex at Westminster in February 1962, and Winners Bitch for 5 points, going on to Best Opposite Sex in further competition, at the International KC of Chicago in April.

The Westie, Vigil of the Rouge, a two-year-old who is third generation Rouge-bred, was best puppy at the WHWT Club of Indiana 1961 Specialty and won the Bred by Exhibitor class against adult competition at the 1961 New York Specialty, then took time off to raise a litter of six puppies last fall. This year at the Sportsmen's Show, third day, she took a 3-point win and BOS, and at Chicago was Reserve Winners on a 5-point bench.

In March Mercury of the Rouge, a nine-months puppy, placed Best Canadian Bred Terrier Puppy at the Third Sportsmen's show and Best Puppy in Breed at the second and fourth shows, Reserve Winners on a 5-point bench at Indianapolis, and won his class at Chicago.

These two young home-breds represent some of the finest Westie bloodlines. Vigil, a daughter of Am. Ch. Wigtown Talent Scout who was top Westie in the U.S. in 1960, is on her mother's side a grandaughter of Am. and Can. Ch. Roseneath White Knight and a great-grandaughter of Eng., Am. and Can. Ch. Cruben Dextor. Her grandmother, Can. Ch. Fanfare of the Rouge, is also a great-grandmother of Mercury's, whose sire, Shipmates Demosthenes, is by Fons of the Rouge, CD; and his dam is Am. Ch. Klintilloch Moment, a young American-bred (daughter of Am. and Can. Ch. Rannoch-Dune Deputy) who carries some of the best-known U.S. bloodlines. Vigil's mother, Wendy of the Rouge, is currently in whelp to the Westminster BIS winner, Am. and Can. Ch. Elfinbrook Simon.

A recent arrival at Kennels of the Rouge from overseas is the Papillon, Ringlands Haute Ecole, 13-month-old grandaughter of Eng. and Can. Ch. Ringlands Peter Piper, who was rated Top Papillon in 1961 in the U.S., due to Group placings. While he took Winners Dog at Chicago this year, Haute Ecole went Reserve WB on a 5-point bench. Before leaving England she was Best Papillon Puppy at Richmond, and placed 8th in a variety class of 61 puppies, all breeds; also Best Papillon Puppy and 2nd in Limit class over adult bitches at 1962 Crufts. Litters are expected shortly from Haute Ecole and also from Am. and Can. Ch. Joujou de la Rouge and her dam, Printemps de la Rouge.

Kennels of the Rouge are situated on #2 Hwy., one mile east of the Sheppard Ave. Cloverleaf of 401. Visitors are welcome. (Tel. AT. 2-7934).

WHY WAIT?

. . . I would especially like to congratulate Mrs. Mary Hart, Brandon, Man., for her article "Justice for Shepherds" in the March issue. She hit the nail exactly on the head. When people like that are willing to go to bat for us, Shepherd enthusiasts, What are we waiting for?

FLOWERS FOR THE JUDGE

. . . I would like to comment on the Obedience judge, Mr. Jake Giacomelli, and congratulate him on a wonderful job of judging at the Canadian National Sportsmen's Show. I have ring stewarded and shown under quite a few Obedience judges and can honestly say I have never enjoyed showing under anyone as much. His easy-going polite manner put handlers and dogs at ease in the ring.

I was showing a Collie owned by Miss Edith Post of New Jersey and had only had him for two weeks, practicing only twice with him prior to the show. As a result I was quite nervous upon entering the ring but within a few minutes was quite at ease putting "Wolf" through his paces and receiving a score of 187. I only wish there were more judges like Mr. Giacomelli and I hope to have the pleasure of showing under him again in the near future.

NOT WRONG, BUT NOT RIGHT

. . . I feel I must correct Mr. G. R. Lince's statement in his Club Notes in the March issue of *Dogs*.

Without elaborating on my own feelings re the non-registration of White German Shepherds I feel it is only right to point out to those interested that at the time of writing, white is not a disqualifying fault in the show ring as Mr. Lince states. Undesirable, but not disqualifying — at least under CKC rules.

GOOD ADVERTISING RESULTS

. . . Since we embarked on our advertising program, showing five generations' pedigree of our stud dogs, the results have been fabulous. We have had dogs shipped to us from as far as Regina, with others booked up to the East Coast.

In the meantime our sales have also climbed and people expect to pay a good price for good breeding, as we have equally good females (imported lines with five generations' pedigree), which we intend to advertise at a later date.

I can only say thanks to the staff of *Dogs in Canada* for the splendid response we have received.

NO MORE "LOANS"

. . . Several weeks ago a friend loaned us a copy of the March issue of *Dogs in Canada*. We found the book so interesting and so full of valuable information that we are sending for a subscription.

We now own an American Cocker of registered Canadian stock and are planning to buy a bitch of show quality in the next month with the intention of breeding Cockers in years to come.

Here's wishing you continued success on such a wonderful monthly magazine.

SCHIP STATEMENT QUERIED

. . . My attention has been drawn to a statement made by one of your advertisers in the March issue of *Dogs in Canada* claiming to own the top winning Schipperke in Canada for 1961. This honor belongs to Ch. Dewsa La Belle Noir which was owned, bred and handled by the late Mrs. Olive Dewsbury, Dewsa Kennels, Locust Hill. Out of ten times shown from a puppy this dog was nine times BB and once BOS besides Group placings. This can all be verified by the CKC who have the list of the top winning dogs for 1961. Actually the advertiser's dog if my memory serves me right, came seventh in the list!

I feel that before printing such wide claims particularly in such a prominent advertisement that they should be checked up on, as although Belle will not be shown further, there are other Schipperkes from the same breeding which will be shown this year both in B.C. and the

Eileen McEachren Memorial Trophy

The Eileen McEachren Memorial Trophy will be awarded annually to the Canadian breeder who has bred the greatest number of dogs, in any one breed, which completed their Canadian conformation Championship during the preceding calendar year – regardless of who owns or shows the dogs. Championship points need not have been acquired in their entirety during the year in which the Championship was completed.

In case of a tie, the trophy will be awarded to the breeder whose champions earned the highest aggregate number of 3 point wins (or better) during the period each champion was campaigned to his Championship. Points earned following completion of the championship shall not be counted.

The trophy, valued at $400.00, will not leave the possession of the Committee, but will be shipped to any area in Canada, to be presented at one of the shows in the winner's community. A miniature trophy will be given to the winner for permanent possession.

The first presentation will be made early in 1963, based on the 1962 shows. The decision of the Committee will be final (including any interpretations which may be necessary to carry out this offering) and the award will be based on the records of The Canadian Kennel Club.

"SV-ZEITUNG" IN ENGLISH

. . . I am always delighted to read your column From the Editor. There is a "fresh breeze" in each issue.

I am sending you a copy of the first issue of the English Edition of "SV-Zeitung", the magazine of the verein fue deutsche Schaeferunde (SV) (German Shepherd Dog Club). It is, I think, the first time that a breed club is publishing an extract of its magazine in a foreign language . . . It is difficult to find translators who have excellent English and know dog terms. In the meantime we have found such translators . . . and shall hope to have three such issues a year.

I think this English edition may interest the Canadian Shepherd fanciers and others as well. You will note we welcomed to our most important 1961 events two fanciers from Canada: Mrs. Mitzi Frohle, Vogelweide Kennels and Dr. La Han.

LEADS IN THE MAKING

Members of the Peterborough and District Dog Obedience Club are sporting handsome training leads made by the boys at the Sheltered Work Shop in Peterborough, Ont. They have ordered 100 for classes. Made of fine leather, varying in weight and length, the leads cost less than those purchased elsewhere.

Is your dog bone-hungry, too?

MILK-BONE satisfies the bone hunger of your dog.

A dog needs to chew, and knows it. In the absence of a bone, even the best-trained dog will find something else to chew—often something he shouldn't. But there are few bones in today's kitchens. Many that *are* available are not safe or good for your dog. That's why the modern dog goes bone-hungry.

The answer is Milk-Bone—the biscuit with the real bone shape that makes wonderful chewing, without a real bone's tendency to splinter or upset the digestion. Milk-Bone gives your dog all the important nourishment found in milk, meat, bone-meal and vegetables, too. Get Milk-Bone in the size that suits the size of your dog—regular or large.

THE OLD TIMER

Kennel clubs, mused the Old Timer, have an opportunity to build a bigger and better dog game for themselves and newcomers

"I wonder," said the Old Timer "if they realize the opportunity they have?"

We were sitting outside his kennels soaking up the late April sun that was beginning to carry the first real hint of the coming summer. We'd batted around the results of the last dog show. We'd discussed the judging which we both, for a change, considered unusually good. We'd talked about the shows to come and then we'd shut up, relaxing and enjoying the sunshine.

The Old Timer's question came out of the blue so I stretched and came to attention. It was obvious that while I had been half-dozing he had been thinking.

"Who" said I, when my mind finally came awake "should realize and what should they realize."

"Well," said the Old Timer "I've been thinking about kennel clubs in general – no not the C.K.C. this time – and what a great foundation they can lay for a bigger and better dog game."

I knew the old man was thinking so I didn't hurry him. I waited until he had loaded his pipe. I waited until he had it drawing freely and easily. And then - - -

"So you think that the local kennel clubs have an opportunity to build a bigger and better foundation for a bigger and better dog game," I commented "And you're wondering if they realize their opportunity. All right I'm waiting – I'm all ears."

"That I'll grant you," said the Old Timer "the all ears part at least, but seriously I wonder if enough of our local kennel clubs are doing the job that they, and only they are equipped to do."

I sat back and waited for I knew that when he had his thinking organized I'd get the story.

"Now I've belonged to a lot of kennel clubs," he said "and as I see it the main reason for being for a lot of these clubs is to enjoy social evenings on the night of the club's regular meetings and to promote dog shows."

"Well surely you won't quarrel with an objective like that," I said "if the local clubs weren't promoting shows where would we pick up our championship points?"

"Of course I don't quarrel with those two objectives," said the Old Timer. "It's important that the meetings be a gathering of congenial people interested in dogs. And it's important that one of the reasons for being should be the promotion of dog shows. But I wonder if the local clubs don't have a responsibility beyond that?

"I'm thinking particularly of the new member – the new owner of a purebred dog. I'm thinking of the fact that records show a high turnover in the membership in The Canadian Kennel Club – I think three of four years is the average length of membership. I'm thinking of the terrific turnover in exhibitors. There's at least a 25 percent chance that the person who exhibits this year will not be an exhibitor next year. And I'm just wondering if the local dog club couldn't exert an influence that would bring about a greater continuity of interest among these people that fall by the wayside."

"All right," I asked "what's your remedy?"

"Strangely enough," said the Old Timer "I've been doing a lot of thinking about it. Now, I know that a lot of dog clubs do have good programs. They have local veterinarians in to talk about nutrition. They'll get a doggy film. But as I read the club notes in *Dogs in Canada* it does seem to me that with a lot of clubs evenings such as this are a hit and miss affair.

"My idea is that along with the work done to promote shows there should be an equally serious effort to develop an educational program that will foster the interest of the novice in purebred dogs."

"Okay," I said "how would you do it."

The Old Timer scratched his right ear. He relighted his pipe. He pushed his hat on the back of his head.

"Seems to me," he said "if I were running a dog club — and thank the Lord I'm not — I'd have two really key committees. One of course would be the show committee. The other would be a program committee and believe me the program committee could be of even greater importance than the show committee, because if programs were properly designed there would be lots of interested workers anxious to exhibit and to do the jobs involved in putting on a show."

"I'll buy that," I said "but what should the programs be?"

The Old Timer thought for a minute. He shoved his fedora onto the back of his head.

"Now I admit," he said "that I'm just thinking out loud. But I would say the program must have, as its definite purpose, the education of the club members. There must be a continuity to it. Let me ask you, how many new owners of a Poodle know anything about dogs in the sporting group. And conversely how many people who have just bought their first dog — a Cocker say — know anything about a Great Dane.

"I'd suggest, for instance, that a basic part of each meeting should be a study of standards. Let's say you took one group a night. Invited some of the members who owned dogs in that particular group to bring their dogs and give a short talk on the standard and the purpose for which the dog was bred. And above all make the new owners study their own standards and feel they were participating by selecting them to give the talks.

"Films are a great source of education. There are films on proper nutrition. There are films on dogs at work. There are films on health. A program committee, looking actively for such films, can come up with a pretty impressive list.

"And what about the new owner who has never before exhibited a dog. Do the older members of the club have a responsibility to teach that new member show ring procedure and how to present his dog to the best advantage. I'm suggesting here a couple of nights prior to the show devoted to grooming and handling in the ring. And, as so many clubs do now, a night with the veterinarian is always well worthwhile."

"Anything else?" I asked.

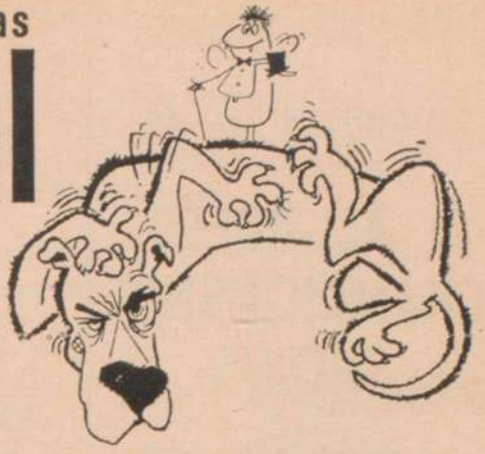

The Old Timer looked at me. He relighted his pipe.

"Son," he said "I'm not the program chairman. Local people know local needs and interests. I don't. But I do know that interesting, informative meetings by a local kennel club do help maintain a continuing interest in dogs. I'm trying to plant ideas. Others, I know, are fully capable of carrying them out."

ectoral

a pill that kills fleas, lice...even ticks

Now you can keep your dog free of fleas, lice, and ticks without using smelly, messy sprays, powders, or dips. Tests by veterinarians show that Ectoral, taken every other day for eight days, then just once weekly, can eliminate these troublesome parasites entirely in most cases. ■ Ectoral works from the inside out—killing the fleas, lice, and ticks that prey on your dog. Used regularly, in the amount recommended by your veterinarian, Ectoral can safely protect your dog against external parasites and the skin diseases they cause. ■ Though more effective, Ectoral costs no more than the regular application of potent insecticides—and is far more convenient to use. Ask your veterinarian about this unique new way to control fleas, lice, and ticks. *Ectoral is available only from veterinarians.*

He knows what's best in Nutrition

Your veterinarian has a profound knowledge of Animal Nutrition. Years of study and practice have taught him the importance of a balanced diet. He knows which foods contain the essential nutrients your dog needs for good health. Such nutrients as Vitamin A and Vitamin E, for instance, to combat night blindness and skin disease. Broad practical experience, frequent consultation with fellow veterinarians, and familiarity with new developments in veterinary medicine make your veterinarian the person best qualified to prescribe your dog's diet.

THE WORKING GROUP as I see it

by stan whitmore

Mr. Whitmore is one of Canada's younger but best-known judges. He has assessed at shows from coast to coast. Although he was brought up with Wire-Haired Fox Terriers (his father bred them in both England and Canada) he began breeding his own Wires about seven years ago. Best known for his Boxers, his interest started in this breed 15 years ago when Mrs. Whitmore presented him with a female as a birthday present. Shortly after, he obtained a male from the Showline Kennels of Mr. Goldie Britt. Since that time he has bred over 15 champions, and usually has about eight champions in his kennels. Most outstanding is the stylish Ch. Haviland Gai Robin, a daughter of the famous Bangaway. She has earned a total of five BIS awards, seven Best Canadian Bred in Show, 53 Best of Breed, and at the age of seven years took Best Opposite Sex at the Sportsmen's Show Specialty in March of this year. Both Mr. and Mrs. Whitmore are also known for their skill as equestrians, particularly in schooling hunters. Mr. Whitmore will be pleased to answer any queries regarding his assessment of the breeds in this article. Letters should be addressed to him c/o Dogs in Canada.

While many of the small breeds are gaining in popularity, so are some of the larger working dogs. This is due, I believe, to the fact that many have shown tremendous improvement over the past few years. Some of the top winning dogs of ten years ago would be edged out by today's fine specimens.

Alaskan Malamutes

Many are over the Standard in size, which calls for 25" at the shoulder for males and 23" for females. In general, the overall quality and appearance is excellent. As for temperament, breeders would do well to study backgrounds more closely. There are slight signs of shyness – a drawback that should be given attention. Coats are good and show uniformity. Feet, so important in a sled dog, appear to be no great problem in Canada. As for stamina and moving well, Canadian specimens are good. They have lots of bone—perhaps too much—which takes us back to size, almost bordering on coarseness. However, the Standard stresses: "In judging Alaskan Malamutes their function as a sledge dog for heavy freighting must be given consideration above all else, and size should not interfere with work.

Belgian Sheepdogs

With so few Belgians in the ring you have to take them as you see them. If the specimen is good, it receives its real judging in the Group.

Bouvier des Flandres

Although we don't have many in Canada, this is one of the easier breeds to judge. When you see a good one, you recognize its qualities immediately and it's not hard to place 1st or 2nd. I haven't seen a poor coat yet. And the feet, important in so large a dog, are good.

Boxers

Boxers have changed a great deal over the years—in fact they are not the same one year from the other. Good strides are being made in the direction of breeding a working dog rather than a pretty Boxer. Winners 12 years ago wouldn't have a chance in the ring today. Perhaps breeders have educated themselves, or improved the breed to the point where people see more on which to base their criticism. The gait has improved tremendously. I was critical of the head until I realized that while it is important, other sections must be equally good. If you have a sound working dog, with a good gait, it is then not difficult to work on good heads. Putting the body and moving parts together are most essential. Some years ago having a Boxer strike a statuesque pose appeared to count most.

Feet are a problem in today's Boxers, perhaps because of lack of exercise or something in the line. Some are quite flat on the feet – they need more pad. Almost 90% of the Boxers in the ring today have bad feet.

Hindquarters have improved a great deal, but more work must be done to improve shoulders. Boxers are not single tracking; they're moving too wide in front. The fault is caused by a too-straight shoulder and lack of layback.

I'd like to see more size in the majority of Boxers. We see the odd one which is oversize, but possibly it is carrying the size with bone. The Standard specifies: "Ideal size for male, 24", preferably over"—but the dog must be in proportion. A marked difference must be seen between size of males and females.

The overall temperament is excellent. Something the general public does not understand is that the Boxer is full of energy, an energy sometimes misconstrued as poor temperament. He must be put in his place as a puppy and be educated to know right from wrong.

Bullmastiffs

While this breed has advanced in quantity recently, it has dropped a little in quality. Here again one good dog will stand out. There is a great variation. Good control of size is evident and bone structure is all one could wish. Temperament is not much of a problem. I'd like to see more uniformity in the head. There are several types of heads, which makes it difficult to judge.

Collies

This breed has improved tremendously over the past few years. You can now follow a type. Heads have advanced to a nice slim wedge type and ear carriage is uniform. Hindquarters, however, should be strengthened. This area is so poor in general that if you see a good one, it stands out. Possibly too much emphasis has been placed on the head. Handlers could give more thought to movement. Today's Collies tend to show some shyness and nervousness – real Collie spirit is too often lacking.

Doberman Pinschers

A great deal is being done to improve this breed on every point – body, movement, head. There is a real effort to adhere to the Standard and to create an overall elegance. This is one breed where poor temperament might be expected, but sound breeders are doing everything possible to breed for good temperament. Backs tend to be a little long, with a falling off of the croup, which causes a considerable change in the appearance of the top line and is a serious fault. Feet are good.

German Shepherds

While breeders have gone a long way in developing a true working dog, more study could be given to temperament. If you can't put your hands on a dog you can't judge him accurately. Judges should check temperament first when assessing a dog. It's a pity to have singled out a dog for placing then have to relegate him to lower place because of poor temperament. The dog's temperament should be in the judge's mind while he goes on to check the gait and structure. Actually, the Shepherds today are not as vicious as they are

OTHER THAN BLACK

MRS. NONA NAVIN, *Shipmates Kennels, Reg'd., Gormley, Ont., breeder of Newfoundlands and Westies, discusses the changes in Newfoundland coat color over the years.*

The conformation of the Newfoundland has remained much the same since 1789, when Thomas Bewick made his wood engraving of "a fine specimen from Eslington. The skull changed in the British-bred Newfs but by 1838, when Sir Edwin Landseer painted his "Distinguished member of the Humane Society", the head and apparent conformation of this noble white and black dog would be considered excellent by today's standards.

The main changes have been in coat and color – as shown by the following passage from Idstone (Rev. Thomas Pearce) written in 1872:

"A writer in the Sporting Magazine dated 1819, *says "20 to 30 years ago they were large, rough, curly-haired, liver and white dogs." Thirty years ago the large black and white shaggy or thick-coated dog was especially in fashion and the black was scarcely ever seen. In the early days of the dog shows, black and white dogs received the award of the judge more than once or twice; but the special favor in which the black dogs are universally held has banished the parti-colored from the prize lists, as a rule."*

Idstone makes no mention of the browns and greys which existed at this time, as shown by the writings of Dr. Elisha Kent Kane who mentions black, grey, sandy and white and black coloring in his Newfoundlands accompanying the Grinnell expedition in search of Sir John Franklin, 1854; and in 1845 Mr. Law wrote of Sailor, the male progenitor of the Chesapeake Bay Retrievers, as having a dingy red color.

In 1886, when the Newfoundland Breed Club in Great Britain drew up the Standard, they made two possible classifications, all having the same conformation and gait requirements, but differing in color – that is, they had one class for black and the second for 'other than black'. Black dogs may have white on chest, toes and tip of tail – but white markings elsewhere on the body put them in the Landseer class. This class includes the true white and black 'Landseer'; an additional ten points are allowed for preferred marking, i.e.: black head with narrow white blaze, even marked saddle, black rump extending to tail. Ticking is not desirable in Landseers.

So that the often superb conformation of the other colors (coming from the progenitors of the modern Newf) would not be lost, there is no color disqualification in Newfoundlands. All solid colors are admissible – bronze, brown, blue, silver, grey and lemon – also parti-color – but any parti-color that resembles any other breed is undesirable.

Browns appear from time to time as show champions. I believe there is a "Brown Betty" in the U.S.A. that has done some notable winning recently, and this year Mrs. Mercedes Gibson of Cowichan, B.C., is doing well with her 'blues'. This, too, is the year the beautiful white and black Newfoundland took the breed at the Garden.

So after a century of showing, despite the gloomy foreboding of 'Idstone', the parti-colors were not 'banished from the prize lists'.

SAINTS COME MARCHING IN

MRS. ALISON SEAMAN, *Rocharest Kennels, Reg'd., R.R. #1 Unionville, Ont., reports new activity among St. Bernard owners as this famous old breed enjoys a new popularity.*

During the past winter numerous companies have used the Saint in their advertising. Danny Thomas, Capt. Kangaroo and Walt Disney have used this breed in their scenes and we have had the pleasure of having one of our "gals", Lady Rhona du Grand St. Bernard (Rhena), appear on the CBC show "Parade" and with Wayne and Shuster on their "Wayne and Shuster Special". Earlier in the fall we were approached by the University of Toronto to use a pair of Saints in a blood donor campaign. They were a great hit and were credited with doubling last year's donors.

In shows, the Saint Bernards have been going places too. A Saint, Ch. Kobi v. Steinernhof, a smooth-coated male imported from Switzerland by Mr. Charles Cawker of Foxboro, had the distinction of taking first place in the Working Group at an Ottawa Show. Another Saint on the show circuit this year is a nice rough-coated male imported by Mrs. Gordie Bryder of the Conte Kennels in Richmond Hill. He is I'William Tell from the Alpsitz Kennels in Egerer, Bavaria. His sire is Siata von New Habsburg and the dam Sieger Selzburg Ruby von der Dreiter Alpsitz. He was bred by Miss Sigrid Gentsch who took over the famous Zwing Uri Kennels of which we read in "The Complete Saint Bernard". Mrs. Bryder is awaiting the arrival from Germany of a bitch but at the time of writing the dog has been held up by the heavy snowfalls in the Alps.

October 22, 1961 saw the birth of the Saint Bernard Club of Ontario with 24 people present. It has since grown steadily to 15 family memberships and six single memberships and at each meeting we have had the pleasure of welcoming new or prospective members. The club is a non-profit organization dedicated to promoting the welfare of the breed. Membership in the club is not restricted to owners but anyone genuinely interested in the promotion and welfare of the Saint is more than welcome.

The greater part of the work done so far has been setting up a constitution. We have had some very constructive help from the New England Saint Bernard Club. We held our First Annual Saint Bernard Club of Ontario Booster Show in conjunction with the Sportsmen's Show and had an entry of ten – possibly a record for Saints in Canadian show history.

A great deal of work has gone into the starting of an Obedience School under the guidance of Mrs. John Probert.

We are also hoping to start a Breeder's Association within the club. An active organization of this kind could aid in solving a great many breeder's problems and if strong enough, have legislature passed on the registrations of show and breeding stock and another type of registration for pet stock.

Quite a few of our members are having harnesses made for their dogs and we should be getting back into the true working dog again with the better conformation that comes with a well bred and properly developed dog. I would venture to say that in coming years the Saint Bernard of yesterday and tomorrow will be completely different looking dogs; (certainly as far as poor hindquarters are concerned, which is plaguing the breed today) with more developed muscle and better gait.

Many hours have been spent in writing a general information pamphlet "Introduction to the Saint Bernard" which will be available at shows and sent to people interested in buying a dog. It covers history, housing, feeding, medical care and the types of Saints. There are three separate types, although all are jugded by the same Standard. The Swiss Hospice type, the smooth-coated type

SGT. DENIS HAYES *has five Labrador Retriever champions to his credit. From 1949 to 1954 he represented the Canadian Army in the International Dog Derby and is active in club work in Ottawa.*

Dogs in survival operations

In the event of a nuclear attack on Canada, a sustantial number of casualties will be trapped under fallen debris and demolished buildings. The speed at which these casualties are recovered will greatly increase their chances of survival.

In England during the Second World War, help for persons buried under debris often arrived too late; rescue parties took too long to locate casualties and in many instances searched in the wrong locations.

In search for a means to hasten such operations, rescue dogs were introduced and crews were able to start the clearing of debris at the spot indicated by the dogs. As a result, many buried persons who might have otherwise suffocated or suffered fatal injuries were saved.

It is estimated that during the Second World War more than 250,000 dogs served the armies of the Allied and Axis powers for such duties as guard dogs and for rescue operations.

In London, England, the dogs, with specially trained handlers, indicated the presence of a buried human in a variety of ways, some pointing, others whining or scratching and some merely squatting. But it was obvious there was some definite "language" understood only by the handler which enabled him to interpret the dog's message. On many occasions they were quick to indicate the position of buried casualties which otherwise would have cost the rescue parties a good deal of time and labor in the removal of debris until the person was uncovered. Generally, the dogs revealed a remarkable ability to distinguish between human and other animal forms, and the most highly trained would not be diverted from their task even by the presence of bodies of other animals or birds. While it was desirable to clear the operation area of other rescue work while the dogs were searching, other types of work could continue. Many of those located and saved would not have been alive by the time normal methods would have accomplished their release.

The training of both dogs and handlers is a very specialized subject and one which cannot be undertaken rapidly or without adequate facilities. This training differs from that given to dogs for police purposes.

TRAINING IN SWEDEN

The Swedish Army conducts a Dog Training School which raises and trains dogs to fill the requirements of the three Services and certain civilian roles. Here they are trained as watch or guard dogs and in search and rescue.

At a recent demonstration at this school, a small wooden shack built for the purpose, as well as separate piles of wooden debris, were doused with paraffin and set alight. One stick of old timbers and doors covering a soldier buried in a box under sand was close to but not one of those burning. This man had been in position some 45 minutes. Another soldier was buried under about a foot of loose sand, but in the open, a short distance away. He also had been in position for an hour or so. A third soldier was buried in a box covered with planking and about two feet of sand, close to the burning building. He had been in position for two hours. Air and communication was supplied by a two-inch hose running under sand from his box to a point about 50 feet away.

After the fires had blazed for several minutes, five-fighting vehicles were called in with much use of their sirens and an instructor deliberately let off three "whizz-bangs". All of this was necessary, it was explained, to let the dog waiting know that a "state of emergency" existed. The dog's collar was then slipped, indicating to him that he was now working and his handler directed him to search in various directions.

The dog had little trouble in locating the soldier buried in the open. He indicated the position by digging with his front paws; the handler then marked the position with a small flag and went on with the search for the others.

Locating the man under the loose debris of unburned timber came next. Here the dog took much more time, returning several times to the shack before finally digging with some assistance from his handler, who removed the odd timber to allow the dog to get at the proper spot. This too, was marked by a flag.

triple bis for rabble rouser

A young Boxer broke winning records at the 1962 Sportsmen's Shows by romping off with Best in Show March 14, 15 and 16. While it is not unusual for a dog to take two out of three shows, Judges Chris Shuttleworth, Stan Whitmore and William McDerment were unanimous in giving the nod to Ch. Flintwood's Rabble Rouser.

This was a memorable show, considered by many exhibitors to be the best dog show ever held in the CNE's Coliseum, Toronto. While the aggregate entry (1,852 for the four days) was slightly lower than last year, some breeds appeared in record numbers. With a mean reputation for previous Sportsmen's shows, and partially to blame for this year's smaller entry, the weather did a right-about-face and beamed goodwill throughout the four days. The esprit de corps was so high and the complaint rate so low, Superintendent Hudson Kallock had an opportunity to sit at the ringside occasionally and actually enjoy part of the show.

Expanded space, with rings and benching in separate areas, did much to maintain the equilibrium of both dogs and people. Even with the additional space, aisles at times were jammed with spectators. Both Obedience and indoor Retriever Trials drew good attendance although the latter, with better publicity, might have drawn hundreds more. It was quite a show!

The BIS win was spectacular in that owners Robert and Enid Randall of Stanford, Conn., are not big breeders. They have only a few Boxers. Flintwood's Rabble Rouser began paving his way to fame last fall. He was the first Boxer to win both the Futurity and the big American Boxer Specialty in February. He also won the Mid-West Specialty in November, going from Open to finish his American title at the age of 14 months.

Creating exceptional interest was the entry of 15 Salukies, the largest at any show in Canada. Ignoring the attention, the graceful hounds were the most relaxed of all the breeds, curling up on their benches, oblivious of the admiration. The bench itself was eye-catching, with all the dogs' names displayed in authentic Arabic. Not yet a year, Kesari Aziz Ibn Arab (owned by Mrs. D. H. Williamson, Mono Road, Ont., and bred by Mrs. Ruth Coates) took Best of Winners in all three shows to complete his championship with two points to spare.

Believed to be the only Canadian Bulldog to finish his title as a puppy, Ch. Lakeland Invicta, owned by Mr. and Mrs. H. J. Goss of Bewdley, Ont., was Best of Breed in all three shows and was named Best Canadian Bred in Show in the Second Show, March 15.

It was a family affair in Beagle judging on March 16. Best of Breed was the well-known Can. and Am. Ch. Jacobi's Journeyman, owned by Mrs. J. C. Chapman (nee Mary Alice Archibald). Best Opposite Sex was Ch. Brier Run Orchard Song, a Journeyman daughter. Best of Winners, 13″ to 15″, was Wal-Dor's Flying Dutchman, a Journeyman son owned by Mr. and Mrs. Walter Lips, Jr. of Inglewood, Ont. BW under 13″ was Penallans O'Hara, also a Journeyman daughter, owned by Dr. Allan F. McDougall of Peterborough, Ont. After assessing the entry of 26, Judge Beckett remarked he had never seen such quality anywhere in the United States.

In the day of Specialty and Booster shows (Saturday, March 17) Labrador Retrievers turned out in a record 61 entries, to top Boxers with 58. It was a sight for Collie fanciers, with 32 Rough and one Smooth competing for top place. Forty-one Beagles produced enviable competition as did the 39 German Shepherds and 25 Samoyeds. The largest breeds drew admiration, as the unusual number of 17 Newfoundlands and the unheard of (in Canada) entry of 11 St. Bernards. Sixteen Basset Hounds vied in the Basset Hound Club competition. Bulldogs, totalling 18, by far outdrew both Miniature and Standard Poodles.

KEN-L RATION AWARDS DINNER

Dog fanciers are never at a loss for a word, but when several hundred are assembled in one room on the eve of the Sportsmen's Dog Shows, there's just nothing like it. This was the case on March 13 when the annual Ken-L-Ration Award Dinner was held at the Lord Simcoe Hotel, Toronto. The sound of exploding firecrackers would hardly have penetrated.

The event was particularly interesting this year in that owners of the top winning dogs in the four Canadian geographical zones from the extreme east and west were on hand to receive their trophies. In previous years representatives accepted the awards on behalf of distant winners. For the first time fanciers here were able to chat with Dr. Agnes Threlkeld, owner of the exceptional Irish Setter, Ch. Hollywood Hills Honor. Mrs. Threlkeld is a well-known medical doctor in Halifax and has been instrumental in arranging several series of CBC television shows featuring purebred dogs. Mrs. George Shillinglaw, owner of the outstanding Scottish Terrier, Can. and Am. Ch. Cantie's Ace, came from the West Coast and Jack Anderson of Alberta, CKC Vice-President, owner of the top Doberman Pinscher, Ch. Schauffelein's Humoresque, and breeder of Pulis and Komondors, was welcomed from the Prairie Province zone. A short trip downtown was all that was required of Mr. and Mrs. Albert Kaye, owners of the famous Westie, Ch. Dina Ken's "Little Pip".

The evening was a happy one to start, but grew progressively merry when Wally Koster, CBC television personality, invited guests to join him in popular songs. A number of veterinarians from the Ontario Veterinary College, Guelph, Ont., were also present. Archie Warnock, popular Ken-L-Ration representative, was master of ceremonies.

MEETING OF THE BOARD OF DIRECTORS

FEBRUARY 7, 1962
(Continued from April issue)

13 FT 28. RETRIEVER FIELD TRIALS

REPORT: The Chairman of the Field Trial Council reported that:
(1) he had received from the Vernon & District Fish, Game and Forest Protective Association a proposal that the owner of a dog winning the Qualifying Stake at a trial be permitted to make a post entry of the dog in the Open All-Age Stake at the same trial if he so desires;
(2) he did not recommend approval of the proposal on the following grounds:
(a) if the owner of such dog feels that his dog has reached Open All-Age Stake calibre, then he has the right, without winning the Qualifying Stake, to make a direct entry in the Open All-Age Stake at a trial;
(b) at some trials the Open All-Age Stake is judged prior to the Qualifying Stake;
(c) this would place an unfair advantage in the hands of the owner of such dog in that at the trial, after seeing that his dog is working well, he could make a post entry, yet the owner of a dog entered in the Open All-Age Stake has no idea how his dog will work when he makes an entry, in the regular way, in the Open All-Age Stake.

MOTION #140-62
Moved by Mr. Williams, seconded by Mr. Dawson:
"THAT, the Vernon & District Fish, Game and Forest Protective Association be informed that this Board of Directors cannot satisfy itself that there is any justification for approving the proposal which it advances and the Board must therefore rule that their request cannot be granted."
FOR THE MOTION: Mr. Anderson, Mr. Williams, Mr. Blyth, Mr. Dawson, Mr. Gratton, Mrs. Joel, Mr. Little, Mr. McDerment, Mr. Miller, Mr. Monaghan, Mr. Wells.
ABSENT (temporarily): Mrs. Gove, Mrs. Mack.
Motion carried.

REPORT: The Chairman of the Field Trial Council:
(1) reported that the Secretary had received and referred to him a letter from Mrs. W. H. Copeland who reported that at its annual meeting in February, 1961, the Retriever Advisory Committee of The American Kennel Club had approved a number of changes in its Standing Recommendations and Supplement to its Standard Procedure for Non-Slip Retriever Trials, and Mrs. Copeland had proposed that the Board consider approving the same changes in the Club's Supplement to the Standard Procedure;
(2) recommended that the Secretary communicate with The American Kennel Club and if it is established that these changes have been made by The American Kennel Club, the Secretary be authorized to make the same changes in the Club's Supplement to the Standard Procedure for Non-Slip Retriever Trials.

MOTION #141-62
Moved by Mr. Williams, seconded by Mrs. Gove:
"THAT, the Secretary communicate with The American Kennel Club and if it is established that in 1961 The American Kennel Club adopted, as amendments to its Standard Procedure for Non-Slip Retriever Trials, the several changes reported by Mrs. W. H. Copeland, then such changes be incorporated in our Supplement to be effective as and when our Field Trial Rules and Regulations for Retriever trials are again printed."
Motion carried unanimously.

REPORT: The Chairman of the Field Trial Council:
(1) reported that he had reviewed the file in connection with the application of Mr. Wm. Jamieson to establish his eligibility to judge the Junior, Qualifying, Amateur All-Age, and Open All-Age Stakes at licensed Retriever trials held under our rules, and had noted that while Mr. T. K. Coughlan, B. C. Field Trial Representative for Retrievers, had not been successful in obtaining written reports from all judges under whom Mr. Jamieson had apprenticed, Mr. Coughlan had recommended approval of Mr. Jamieson's application;
(2) recommended that the Secretary be instructed to endeavour to secure written reports from all of the judges under whom Mr. Jamieson had apprenticed.
DISCUSSION: Following a discussion it was agreed that:
(1) the Board would implement the recommendation of Mr. Coughlan with regard to approval of Mr. Jamieson's application, but that the Secretary would endeavour to complete the file by obtaining written reports from all of the judges under whom Mr. Jamieson apprenticed;
(2) where any judge under whom Mr. Jamieson apprenticed fails to submit his written opinion within fifteen days after being asked to do so by the Secretary, the name of such judge would be removed from the list of judges eligible for approval to judge licensed Retriever trials held under the Club's rules.

MOTION #142-62
Moved by Mr. Monaghan, seconded by Mr. McDerment:
"THAT, the recommendation of the Chairman of the Field Trial Council be concurred in."
Motion carried unanimously.

MOTION #143-62
Moved by Mr. Williams, seconded by Mr. Blyth:
"THAT, in view of the recommendation of the Field Trial Representative for British Columbia and his Committee, and inasmuch as Mr. Jamieson has complied with the requirements of Chapter 4, Section 1, Mr. Wm. Jamieson be and is hereby added to the list of persons eligible for approval to judge all stakes at licensed Retriever trials under C.K.C. rules."
Motion carried unanimously.

MOTION #144-62
Moved by Mr. Monaghan, seconded by Mrs. Mack:
"THAT, the Secretary be authorized to inform these delinquent judges that unless they comply within fifteen days their names will be removed from the list of approved judges."
Motion carried unanimously.

SUBJECT: Mr. Williams:
(1) referred to the Board's previous decision in refusing to agree to the allocation of championship points to placing dogs in the Amateur All-Age Stake conducted by the B. C. Amateur Field Trial Club at its trial held on April 1st and 2nd, 1961;
(2) read a letter addressed to him by the Secretary of that Club outlining the reasons why the Club felt that, in the circumstances, championship points should be allocated the stake;
(3) recommended that, in view of the "extenuating circumstances" championship points be granted this stake.
DISCUSSION: During a discussion which followed it was suggested that if championship points are granted this stake on the grounds of "extenuating circumstances" the Board would have no alternative but to entertain similar requests from other clubs where there were insufficient dogs competing in a stake for which a minimum number of competing dogs is required by the field trial rules if the stake is to carry championship points.

MOTION #145-62
Moved by Mr. Williams, seconded by Mr. Wells:
"THAT, in view of the extenuating circumstances the points be granted."
FOR THE MOTION: Mr. Williams, Mr. Dawson, Mr. Little, Mr. Wells.
AGAINST THE MOTION: Mr. Anderson, Mr. Blyth, Mrs. Gove, Mr. Gratton, Mrs. Joel, Mrs. Mack, Mr. McDerment, Mr. Miller, Mr. Monaghan.
Motion lost.

13 FT 29. FIELD TRIALS FOR BEAGLES

REPORT: The Chairman of the Field Trial Council submitted the following report:

"In my message published in the November (1961) issue of "Dogs in Canada" I sought comments from those interested in Beagle field trials with regard to the setting up of a system of qualifying judges, certain suggested changes to the Field Trial Rules which originated with the Ontario Association of Beagle Clubs, and of the possibility of our changing our present regulations with regard to official measurement of Beagles. While I am grateful for the few letters that we did receive and feel that the comments submitted are constructive, nevertheless, they afford little opportunity to gauge the wishes of those interested in Beagle field trials.

"I have therefore, the following suggestions to make:
(1) that no action be taken on these matters at this time;
(2) that we ask all Beagle field trial clubs for their suggestions with regard to a system of qualifying judges, and for their suggestions as to any changes which they feel should be made in the field trial rules for Beagles;
(3) when all of these suggestions have been received, copies be made and distributed to all Beagle field trial clubs for their comments, and that thereafter a meeting be convened of representatives of each of the Beagle associations and the clubs which are not affiliated with any Association, with a view to seeing if it is possible to arrive at a unanimity of information as to what changes should be made in the present field trial rules for Beagles, and on a system of qualifying Beagle field trial judges;
(4) following that meeting the recommendations emanating from it be communicated to all Beagle field trial clubs and they be polled, and the result of that poll then determine in large measure what action the Board should take."

DISCUSSION: During a discussion which followed Mr. Monaghan stated that the advisory committee authorized by resolution #469-61 had met and was reviewing the field trial rules for Beagles and matters relating to Beagle field trials, with the ultimate objective, and provided the Chairman of the Field Trial Council concurred, of circulating to those concerned, its recommendations with regard to possible amendments to the field trial rules and perhaps reaching a decision where certain recommendations could be placed before the next semi-annual meeting of the Board.

MOTION #146-62
Moved by Mr. Dawson, seconded by Mr. Anderson:
"THAT, we approve the recommendations of the Chairman of the Field Trial Council."
Motion carried unanimously.

13 FT 32. NATIONAL CHAMPIONSHIP STAKE FOR RETRIEVERS

REPORT: The Chairman of the Field Trial Council:
(1) reported that the Secretary had received and referred to him a letter from the Alberta Retriever Clubs Association asking that The Canadian Kennel Club enact legislation to "collect an extra twenty-five cents (25¢) fee from each and every entry made in a licensed Retriever Trial in Canada; this money to be used to help finance the National Retriever Club of Canada.";
(2) pointed out that the National Retriever Club of Canada had informed the Board that it felt it was unfair to ask The Canadian Kennel Club to handle contributions to its fund for payment of travelling expenses of judges for the National Championship Stake, and that beginning January 1, 1962, it would undertake to collect such contributions to its Judges Fund; (see resolution #470-61);
(3) expressed the view that it would be unwise to establish a precedent by enacting legislation designed for the benefit of a single organization, as worthwhile as the Board knows the objectives of that organization to be;
(4) recommended that no action be taken on the proposal.

MOTION #147-62
Moved by Mr. Monaghan, seconded by Mrs. Gove:
"THAT, the recommendation of the Chairman of the Field Trial Council be concurred in."
Motion carried unanimously.

REPORT: The Chairman of the Field Trial Council:
(1) reported that he had consulted the Retriever Field Trial Representatives with regard to a proposal received from the National Retriever Club of Canada with regard to amending the present policy having to do with dogs eligible for entry in the National Championship Stake for Retrievers;
(2) recommended that the Board approve the change proposed by the National Retriever Club of Canada, and that by standing resolution it then proceed to prescribe the dogs eligible for entry in the National Championship Stake according to specific placements in the several qualifying stakes recommended by the National Retriever Club of Canada.

MOTION #148-62
Moved by Mr. Anderson, seconded by Mrs. Gove:
"THAT, contestants for the National Open Championship Stake shall be limited to those dogs which have placed 1st, 2nd, 3rd, or 4th, in open, special, limited all age stakes or amateur all age stakes in trials licensed by The Canadian Kennel Club in the then current calendar year, and the winner of the previous year's National Open Championship Stake. Dogs qualifying in an amateur all age stake must be handled by an amateur in the National Open Championship Stake."
STANDING RESOLUTION Motion carried unanimously.

13 FT 34. WORKING CERTIFICATES

REPORT: The Chairman of the Field Trial Council submitted the following report:

"In my message published in the November (1961) issue of "Dogs in Canada", the thoughts of all field trial enthusiasts were sought with regard to the issuance of working certificates. There has been a negligible response, and I can only therefore assume that the only persons interested in such certificates are those concerned with Spaniel field trials. I therefore suggest that the Board appoint a committee, consisting of Mr. George Tabner, the Chairman of the Amendments Committee, and the Chairman of the Field Trial Committee, to sit down with representatives of the Spaniel Association and work out desirable amendments to the Spaniel field trial rules, all Spaniel groups to then be consulted along with the Spaniel field trial Representatives, and the ultimate objective would be to place specific recommendations before the semi-annual meeting of the Board."

MOTION #149-62
Moved by Mrs. Gove, seconded by Mr. Dawson:
"THAT, we concur with the recommendation of the Field Trial Council Chairman."
Motion carried unanimously.

13 FT 36. DATES

REPORT: The Chairman of the Field Trial Council submitted the following report:

"We have seen the benefits of the priority date system so far as it concerns shows in Ontario, and I recommend that we encourage Beagle field trial clubs to apply for priority rights for one field trial a year, on the understanding that after such priority rights have been granted, the balance of the dates will be on a first-come-first-served basis having regard for policies which should be set after consultation with the Beagle field trial clubs. It may be necessary to permit confliction of dates based on geographical distance, and more particularly where the trials are of a different type (brace or pack)."

DISCUSSION: During a discussion which followed, Mr. Monaghan:
(1) referred to proposals previously placed before the Board by the Ottawa Valley Beagle Club and recommended that:
(a) every Beagle club be asked to state its primary interest, i. e. whether it is essentially a club interested in pack trials or brace trials;
(b) every Beagle club be asked to submit to the Secretary a complete list of its executive in order that the Board may be assured that each club operating as a Beagle club is, in fact, a separate entity and that no club is, except for club name, a duplicate of another club operating under another name;
(c) when a Beagle club declares its primary interest (i. e. whether it is a club interested primarily in pack trials or a club interested primarily in brace trials) then the primary interest of each club be a determining factor in a fair and equitable distribution of trial dates.

MOTION #150-62
Moved by Mr. Monaghan, seconded by Mr. Wells:
"THAT, we concur with the recommendation of the Chairman of the Field Trial Council."
Motion carried unanimously.

MOTION #151-62
Moved by Mr. Blyth, seconded by Mr. Monaghan:
"THAT, a club or association desirous of obtaining priority rights to any given date or dates on which to hold a licensed field trial may apply to the Board of Directors, and if such application is approved shall pay a non-refundable fee of $10.00. A club or association granted priority rights to any given date or dates must in order to retain that priority, apply for permission to hold a licensed field trial on that date or dates not less than six months before such date or dates, and in the event such application does not reach the Secretary of The Canadian Kennel Club before the six months period referred to, such priority rights shall be deemed to be voided and the date or dates may be granted to any other club or clubs until priority is again granted as previously provided."
STANDING RESOLUTION Motion carried unanimously.

13 FT 12. REVISION OF CRIMINAL CODE

REPORT: Mrs. Gove:
(1) reported that the Manitoba Gun Dog Association had convened a meeting of representatives of the Manitoba SPCA, Ducks Unlimited, Manitoba Game Branch, the Manitoba Gun Dog Association, and others to discuss steps which might lead to the use of live shackled ducks in the training of dogs;
(2) placed before the Board a copy of the report of said meeting.
ACTION: The Secretary was directed to forward a copy of the report to the Chairman of the Field Trial Council.

INTERNAL AND ADMINISTRATION

9 A 15. PUBLICATION OF SHOW AND TRIAL REPORTS

SUBJECT: Mr. Blyth reported that he had received a letter (dated February 1, 1962) from the Secretary of the Quebec & Eastern Ontario Beagle Association who reported that, at the annual meeting of the Association held in January, the delegates present representing the memberships of the Cornwall, Frontier, Lachute, Ottawa, Richelieu and Ta-I-O Beagle Clubs, were unanimous in requesting that The Canadian Kennel Club consider having the sire and dam listed along with the name of the dogs placing in show, obedience and field trial events reported in "Dogs in Canada".

DISCUSSION: During a discussion which followed:
(1) Mr. Monaghan stated that the cost to report a licensed Beagle trial was not as high, having regard for the total number of dogs entered as for a championship show, and while in their letter the Association referred to all competitive events for dogs, they were primarily interested in the publication of desired information as far as it concerned dogs placing at field trials;
(2) Mrs. Mack stated that the name of the sire and dam is reported in the official magazine for every dog earning a title as the result of awards and points earned at shows and trials held under the Club's rules, and that if this information is to be published for any type of competitive event it should be published for all events;
(3) Mr. Blyth stated that he was not prepared to make a recommendation on the matter since he felt that the Field Trial Council was concerned strictly with the proposal as it related to field trials.

MOTION #152-62
Moved by Mrs. Mack, seconded by Mrs. Joel:
"THAT, in the recording of wins at dog shows, obedience trials, and field trials, the sire and dam of all dogs be placed under their names."

AMENDMENT TO MOTION #152-62
Moved by Mr. Monaghan, seconded by Mr. Gratton:
"THAT, in motion #152-62 the words 'dog shows, obedience trials and' be struck out."

AMENDMENT TO AMENDMENT TO MOTION #152-62
Moved by Mrs. Gove, seconded by Mr. Dawson:
"THAT, this matter be turned over to the Chairman of the Field Trial Council for study and recommendation at the semi-annual meeting."
FOR THE AMENDMENT TO THE AMENDMENT: Mr. Williams. Mr. Dawson, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment,
AGAINST THE AMENDMENT TO THE AMENDMENT: Mr. Anderson, Mr. Blyth, Mr. Gratton, Mr. Miller, Mr. Monaghan, Mr. Wells.
Amendment to the Amendment carried.

ADJOURNMENT

On motion, duly seconded and carried, this meeting adjourned to reconvene in the same place at 9:00 a. m. on Thursday, February 8th, 1962.

****

(SECRETARY'S NOTE: Where, in the minutes of the session of February 8th, 1962, the words "Motion carried unanimously" follow a motion, said words mean that all of the following members of the Board voted in favour of the motion: J. FEBRUARY 8, 1962

The annual meeting of the Board of Directors of The Canadian Kennel Club reconvened in the Windsor Hotel, Montreal, at 9:00 a. m. on Thursday, February 8th, 1962, with the President, J. W. MacCallum, in the Chair, and the following members of the Board present: J. C. Anderson, V. W. Williams, R. L. Blyth, Wm. Dawson, Mrs. J. Gove, H. M. Gratton, Mrs. Edna L. Joel, Mrs. Pamela B. Mack, Wm. McDerment, Don H. Miller, W. J. Monaghan, Tom Wells.

Mr. Miller left the meeting temporarily on being assured that File #11 D 10 (JUDGES' CONFIDENTIAL CRITIQUES) would be dealt with following the luncheon recess.

FIELD TRIALS

13 FT 28. RETRIEVER FIELD TRIALS

SUBJECT: Mrs. Gove:
(1) pointed out that Section 10 of Chapter 10 of the Field Trial Rules and Regulations reads as follows:
"At any field trial, there shall not be more than one of the following stakes:-- Open All-Age, Limited All-Age, Special All-Age, and no club shall hold more than two of any of these stakes in one calendar year, unless justified by exceptional circumstances and approved by the C. K. C.";
(2) reported that the Manitoba Gun Dog Association had asked that she place before the Board its request for permission to hold three Open All-Age Stakes in 1962;
(3) reported that the Association considered the following to be "extenuating circumstances":
(a) the Association had been accustomed, before the enactment of the rule referred to, to holding three Open All-Age Stakes in a calendar year;
(b) it is likely that there would not be the usual number of Open All-Age Stakes at trials in Manitoba this year;
(c) as the National Championship Stake for Retrievers is to be held

at Saskatoon this year, the Association felt it would benefit all if means were provided to qualify as many dogs as possible for the National Championship Stake.

DISCUSSION: During a discussion which followed it was suggested that the Board should not consider the location of the National Championship Stake and the qualifying of dogs for that event to be an "extenuating circumstance" for if these factors are considered "extenuating circumstances" then other trial-giving clubs would have the right to expect the Board to consider such factors when dealing with their requests to stage more than two of the stakes referred to in the rule.

MOTION #153-62
Moved by Mrs. Gove, seconded by Mr. Dawson:
"THAT, the Manitoba Gun Dog Association be allowed three all-age stakes in 1962."
FOR THE MOTION: Mr. Dawson, Mrs. Gove.
AGAINST THE MOTION: Mr. Anderson, Mr. Blyth, Mr. Gratton, Mrs. Joel, Mrs. Mack, Mr. McDerment, Mr. Monaghan, Mr. Wells.
ABSTAINED FROM VOTING: Mr. Williams.
ABSENT (temporarily): Mr. Little, Mr. Miller.
Motion lost.

SUBJECT: Reference was made to the change in the Field Trial Rules and the policies prescribed by the Board with regard to judges for Retriever field trials (resolution #138-62), and it was suggested that Retriever clubs be informed of the new policies.

MOTION #154-62
Moved by Mr. Monaghan, seconded by Mr. Blyth:
"THAT, Retriever clubs be informed of the new policies with regard to judges and be asked to suggest what additions, if any, should be added to the list of persons eligible to judge according to the new policy."
FOR THE MOTION: Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mrs. Joel, Mrs. Mack, Mr. McDerment, Mr. Monaghan, Mr. Wells.
AGAINST THE MOTION: Mr. Williams.
ABSENT (temporarily): Mr. Little, Mr. Miller.
Motion carried.

-----Mr. Robert Little entered the meeting.

GOOD AND WELFARE

14 G 6. GENETICS

SUBJECT: Mr. Monaghan:
(1) referred to the notice which he had given at the first session of this meeting with regard to his intent to place before the Board a proposal to establish a Fellowship for research on genetics;
(2) stated that he was of the opinion that before any action is taken to establish a Fellowship a committee should be appointed to gather information on ways and means of setting up a Fellowship for genetic research, the committee to submit a report for the consideration of the Board at its next semi-annual meeting.

DISCUSSION: During a discussion which followed it was suggested that the Board should not commence any activity along this line unless it is prepared to see it through to a logical conclusion. Other members of the Board expressed the view that there would be no harm in having a committee look into the matter after which the Board could reach a decision on what action, if any, it would then take.

MOTION #156-62
Moved by Mr. Monaghan, seconded by Mr. Blyth:
"THAT, a committee be established to gather information on ways and means of setting up a Fellowship for genetic research; such committee to submit a report in writing in time for consideration at the next meeting of the national Board."
FOR THE MOTION: Mr. Anderson, Mr. Blyth, Mrs. Gove, Mr. Gratton, Mr. Little, Mr. Monaghan, Mr. Wells.
AGAINST THE MOTION: Mr. Williams, Mr. Dawson, Mrs. Joel, Mrs. Mack, Mr. McDerment.
ABSENT (temporarily): Mr. Miller.
Motion carried.

DISCUSSION: During a discussion on the question of appointment of the personnel of the committee, Mr. Monaghan suggested that the committee be appointed on the basis of the areas of interest and referred to research on genetics presently being conducted in Manitoba and at the Central Experimental Station at Ottawa.

MOTION #157-62
Moved by Mr. Monaghan, seconded by Mr. Gratton:
"THAT, the Board here today name the Chairman of this Committee, and that there be three sub-committees, the members of which will be the following:
sub-committee "A": Mrs. Gove, with power to add;
sub-committee "B": Mr. W. H. MacKendrick and Mrs. D. T. Weir;
sub-committee "C": Dr. C. G. Hickman."
FOR THE MOTION: Mr. Anderson, Mrs. Gove, Mr. Gratton, Mr. Little, Mr. Monaghan, Mr. Wells.
AGAINST THE MOTION: Mr. Williams, Mr. Blyth, Mr. Dawson, Mrs. Joel, Mrs. Mack, Mr. McDerment.
ABSENT (temporarily): Mr. Miller.
The President broke the tie vote by voting in favour of the motion.
Motion carried.

MOTION #158-62
Moved by Mr. Anderson, seconded by Mr. Monaghan:
"THAT, Dr. C. M. Robert Williams be appointed Chairman of the Committee referred to in the preceding motion; he to have power to add to the Committee and/or sub-committees as he sees fit."
FOR THE MOTION: Mr. Anderson, Mr. Williams, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Monaghan, Mr. Wells.
ABSTAINED FROM VOTING: Mrs. Joel.
ABSENT (temporarily): Mr. Miller.
Motion carried.

INTERNAL AND ADMINISTRATION

9 A 13. PROPERTY COMMITTEE

REPORT: The Secretary read the following report (dated February 2, 1962) from Mr. Michael Barnes, Chairman of the Property Committee, and circulated for examination by individual members of the Board, the material which had accompanied the Chairman's report.

"After receiving the October 2nd letter from Mr. Norman Brown, commenting on the interim report submitted August 18th, the Committee proceeded to obtain details of available land. The terms of reference asked that the Property Committee establish the cost and location of land of not less than five acres for the purpose of establishing a permanent Canadian Kennel Club Headquarters.

"Further study proved to the committee that the location should be north of Toronto, easily accessible from east and west, with public transportation also available. Early in December, the Committee met to discuss available properties and arrange at that time to meet on January 18th. On January 18th, the Committee did meet at the offices of the Canadian Kennel Club at which time I advised the committee that Mr. A. Akitt had been appointed a member in addition to myself, Mr. McDerment and Mr. MacKendrick. Mr. Akitt is a well known architect and dog fancier. Because of his experience with the type of building envisaged and his knowledge of property, Mr. Akitt has performed a very valuable function as a member of the Committee.

"The Committee, on January 18th, visited all of the suggested sites primarily in the Richmond Hill area. It was unanimously agreed by the Committee that the property on Markham Road bounded by the proposed Newkirk extension is the one most suitable for the purposes of the Canadian Kennel Club. This particular property fills all the requirements and by the best estimates available, its value will continue to increase.

"In order for the board to consider the recommendations of this Committee, I attach the following appendices:
Appendix A - Map of the area considered most suitable
Appendix B - My report to the Committee on January 18th
Appendix C - Photostatic copy of the suggested area of 7.53 acres
Appendix D - Drawing prepared by Mr. Akitt

"I would like to refer to this drawing prepared by Mr. Akitt because it gives some idea what is considered to be an ideal arrangement for this property. You will note that in the foreground is a small two storey structure which could house the offices of the Canadian Kennel Club as well as a library and visitors' room or club room. In addition a meeting room might be included. You will notice that a separate arena has been sketched and such an arena would be ideally suited to dog shows. The sketch shows that there would be ample parking available. This type of structure and the location would be a credit to the Canadian Kennel Club.

"If the board agrees with the recommendations of this Committee, it is suggested that terms of reference be extended to allow the Committee to negotiate for the property with the object of obtaining the property at the most reasonable price."

-----Mr. Donald Miller returned to the meeting.

DISCUSSION: During a discussion which followed:
(1) it was pointed out that the terms of reference of the Property Committee had been extended at the last semi-annual meeting of the Board and the Committee had been asked to establish the costs (and location) to procure land of not less than five acres for establishing a permanent C.K.C. headquarters, and during discussion at the last semi-annual meeting it had been suggested that the area of land should be such as to enable the erection of an arena in which dog shows could be held;
(2) it was suggested that the minimum cost to erect an office building and arena such as had been suggested by the Property Committee in its latest report would be about $250,000;
(3) it was suggested that the erection of an arena in one area would benefit primarily those members and fanciers in that area, and on this account it would be unfair to expect the entire membership to support such a program;
(4) it was suggested that, as an alternative, the Board consider the purchase of an old, large home suitable for conversion to an office building, it being pointed out that this had been done by other organizations and companies;
(5) it was suggested that in selecting the location of an office building consideration should be given to its accessibility, from a transportation point of view, to staff, and others who would be visiting the office for business purposes.

MOTION #159-62
Moved by Mrs. Joel, seconded by Mr. Williams:
"THAT, this report be received and tabled; the Committee be thanked for the work it has done, and it be advised that the Board considers the proposed project as beyond its financial means."
Motion carried unanimously.

DISCUSSION: During a further discussion of further development of this subject it was agreed that:
(1) a new Property Committee should be appointed;
(2) the terms of reference of the Property Committee, as previously set up in the form of a Standing Resolution, were adequate.

MOTION #160-62
Moved by Mr. Williams, seconded by Mrs. Mack:
"THAT, a new Property Committee be and is hereby appointed with Mrs. Edna Joel and Mr. Wm. McDerment as co-Chairmen, they to have power to add to the Committee; the terms of reference of the Committee to be as set forth in the Standing Resolution."
Motion carried unanimously.

-----Mr. Anderson took the Chair at the President's request.

Report: The President:
(1) pointed out that at its last semi-annual meeting the Board had decided (resolution #386-61) that The Canadian Kennel Club would put on shows and trials and the profits from such events would be

placed in a Building Fund, and that he and Mr. Walter Brown had been appointed (resolution #387-61) co-Chairmen of the Committee to implement resolution #386-61;

(2) pointed out that the Committee had submitted a report to the national Board on January 8, 1962, reporting on the steps which it had taken with a view to the holding of an all-breed (unbenched) championship show and licensed obedience trial in the Toronto area on Sunday, June 24, 1962, which show would follow the show to be held by the Ontario County Kennel Club at Oshawa, Ontario, on June 23rd;

(3) pointed out that the Committee had recommended that the semi-annual meeting of the Board of Directors commence on June 25th, the Committee having in mind that members of the Board eligible to judge at championship shows would be asked to officiate at the Club's show on June 24th, on the understanding that there would be no compensation for their services nor any compensation for services rendered by other members of the Board acting in other capacities at the Club's show;

(4) reported on further steps taken by the Committee following its meeting on January 24th.

DISCUSSION: During a discussion which followed it was suggested that inasmuch as the Board had not proceeded to implement the recommendations of the Property Committee as set forth in its report presented at this meeting, no action should be taken at this time with regard to the holding of a show by the Club.

MOTION #161-62

Moved by Mr. Monaghan, seconded by Mr. Gratton:

"THAT, in view of the fact that the matter of a building as reported by the Property Committee has been tabled, that the matter of a dog show for the Building Fund be tabled also."

FOR THE MOTION: Mr. Williams, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Monaghan, Mr. Wells.
AGAINST THE MOTION: Mr MacCallum, Mr. Blyth, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Miller.

Motion lost.

DISCUSSION: During a further discussion on the holding of a show and obedience trial by The Canadian Kennel Club, it was suggested that before any definite commitments are made in that direction the opinion of the Club's solicitor should be sought as to whether or not the Club can legally conduct shows and trials under its own rules.

MOTION #162-62

Moved by Mr. Williams, seconded by Mr. Monaghan:

"THAT, we definitely ascertain from our legal adviser whether this organization has the authority to organize and operate a dog show under Canadian Kennel Club rules."

FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Miller, Mr. Monaghan, Mr. Wells.

Motion carried.

DISCUSSION: The President suggested that the Committee appointed to put on C.K.C. shows and trials would wish to have further guidance, assuming that the opinion of the Club's solicitor is such that the Committee may proceed with its plans.

It was suggested that the Committee's report be received, that the Board look with favour on proceeding with the show, assuming that the opinion of the Club's solicitor is such that the Committee may proceed, and that when the Committee does receive the opinion of the Club's solicitor it then submit its report and further recommendations to the national Board.

MOTION #163-62

Moved by Mr. Williams, seconded by Mr. Dawson:

"THAT, we receive the report of the Committee co-chaired by Mr. MacCallum and Mr. Brown, and thank them for the work already done."

FOR THE MOTION: Mr. Williams, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Miller, Mr. Monaghan, Mr. Wells.
ABSTAINED FROM VOTING: Mr. MacCallum.

Motion carried.

MOTION #164-62

Moved by Mr. Williams, seconded by Mrs. Mack:

"THAT, pending a favourable reply from our solicitor, this Board now consider the probability of holding an all-breed dog show and obedience trial under C.K.C. rules, providing the date selected will subscribe to the possibility of success of such a venture and failing a favourable reply, other avenues of approach be discussed."

FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Miller, Mr. Wells.
ABSTAINED FROM VOTING: Mr. Gratton, Mr. Monaghan.

Motion carried.

MOTION #165-62

Moved by Mr. Williams, seconded by Mr. Miller:

"THAT, the Committee appointed be requested to submit a report and recommendations to the national Board after it receives the solicitor's opinion."

FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mr. Little, Mrs. Mack, Mr. Miller, Mr. Monaghan, Mr. Wells.
ABSTAINED FROM VOTING: Mr. Blyth, Mrs. Joel, Mr. McDerment.

Motion carried.

9 A 31. BOARD MEETINGS

SUBJECT: The President pointed out that the Committee referred to in resolution #387-61 (see file #9 A 13) had recommended that the Board's semi-annual meeting commence on Monday, June 25, 1962.
DISCUSSION: Following discussion it was agreed that at this time the Board should set the date of its semi-annual meeting in order that the Committee referred to in resolution #387-61 may be in a better position to proceed with plans for the C.K.C. show, if such show is proceeded with.

MOTION #166-62

Moved by Mrs. Mack, seconded by Mr. Miller:

"THAT, we decide the date of the semi-annual meeting."

FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Miller, Mr. Monaghan, Mr. Wells.

Motion carried.

MOTION #167-62

Moved by Mr. Williams, seconded by Mrs. Mack:

"THAT, the semi-annual meeting of this Board be held at Toronto, commencing at 10:00 a.m. on Monday, June 25, 1962."

FOR THE MOTION: Mr. MacCallum, Mr. Williams, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Miller, Mr. Wells.
ABSTAINED FROM VOTING: Mr. Monaghan.

Motion carried.

-----The President resumed the Chair.

9 A 7. AMENDMENTS TO BY-LAWS

SUBJECT: The following resolution (#451-61) adopted by the Board at its meeting held on December 8, 1961:

"THAT, we recommend to the incoming Board that appropriate action be taken to amend the By-laws to require that a proposed amendment emanating from the membership must be sponsored by members residing in at least four different provinces."

DISCUSSION: During a discussion which followed:

(1) it was suggested that the intent of this resolution was to ensure that when a proposed amendment, submitted by members eligible to do so, is placed on the referendum ballot there is some reasonable assurance that the proposed amendment is supported by more than a minimum of five members located in a single electoral zone;

(2) Mr. Blyth and Mrs. Gove expressed the view that no such condition should be attached to the submission of proposed amendments by members.

MOTION #168-62

Moved by Mr. Wells, seconded by Mr. Dawson:

"THAT, the Chairman of the Amendments Committee be and is hereby authorized to arrange for the inclusion, in the next referendum ballot, of a proposed amendment to give effect to this proposal."

FOR THE MOTION: Mr. Anderson, Mr. Williams, Mr. Dawson, Mr. Gratton, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Miller, Mr. Wells.
AGAINST THE MOTION: Mr. Blyth, Mrs. Gove.
ABSTAINED FROM VOTING: Mr. Monaghan.

Motion carried.

9 A 16. STANDING RESOLUTIONS

REPORT: The Secretary:

(1) reported that there had been mailed to each member of the national Board a copy of the Standing Resolutions previously adopted by the Board and these had been set out in the form recommended by the past Chairman of the Standing Resolutions Committee;

(2) reported that that there had not been sufficient time to review all of the Standing Resolutions with a view to bringing before the Board recommendations with regard to necessary revision of some Standing Resolutions, although the Standing Resolutions on obedience trials had been reviewed with the Chairman of the Obedience Council and some suggestions in this connection would be placed before the new Chairman of the Standing Resolutions Committee;

(3) expressed the view that the Standing Resolutions should be re-written so as to follow the form of By-laws and rules; that the Standing Resolutions should be segregated into two categories, i.e. those intended for internal administration, and those which are of concern to clubs and associations, members, etc.; and in the case of the latter category, the Standing Resolutions should be inserted, in italic type, under the various By-laws and rules so as to afford ready reference to the Standing Resolutions by those organizations, members, etc. concerned;

(4) recommended that the Board take steps to amend Article XXVII, Section 2, of the By-laws in order that the Board may interpret a By-law or rule whether or not a dispute exists.

MOTION #169-62

Moved by Mrs. Gove, seconded by Mrs. Mack:

"THAT, a Chairman of the Standing Resolutions Committee be appointed, with power to add as he sees fit, to review the Standing Resolutions, consider possible additions, redraft where considered advisable; the Committee to submit its recommendations to the national Board not less than one month in advance of the semi-annual meeting."

Motion carried unanimously.

MOTION #170-62

Moved by Mr. Williams, seconded by Mr. Dawson:

"THAT, Mr. Donald Miller be and is hereby appointed Chairman of the Standing Resolutions Committee."

FOR THE MOTION: Mr. Anderson, Mr. Williams, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Monaghan, Mr. Wells.
ABSTAINED FROM VOTING: Mr. Miller.

Motion carried.

9 A 102. MINUTES OF 1962 ANNUAL GENERAL MEETING

SUBJECT: The Secretary sought an instruction with regard to publishing a resume of the minutes of the proceedings at the 1962 Annual General Meeting, and an instruction as to the point at which he would, for the purpose of the Club's official record of the Annual General Meeting, consider that the meeting had adjourned.
DISCUSSION: It was agreed that the Committee on minutes would study the transcript of proceedings at the Annual General Meeting and reach a conclusion as to the point at which the meeting legally adjourned and then decide on the text of any resume of subsequent discussions following the actual time of adjournment.

MOTION #171-62

Moved by Mrs. Mack, seconded by Mrs. Gove:

"THAT, the Secretary and the Committee on minutes of Board meetings be and are hereby authorized to prepare for

publication in 'Dogs in Canada' a brief resume of the proceedings at the Annual General Meeting."

FOR THE MOTION: Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Miller, Mr. Monaghan, Mr. Wells.

AGAINST THE MOTION: Mr. Williams.

Motion carried.

9 A 31. BOARD MEETINGS

SUBJECT: The Secretary sought an instruction with regard to the calling of the next regular meeting of the Board.

DISCUSSION: Reference was made to resolution #9-62 and it was pointed out that the date of April 7th, as set forth in that resolution, conflicted with a championship show to be held on that date which some members of the Board would probably wish to attend. It was agreed that the date of that meeting should be advanced one week.

MOTION #172-62

Moved by Mr. Monaghan, seconded by Mrs. Joel:

"THAT, pursuant to Motion #9-62, the next regular Board meeting be held on Saturday, March 31st, 1962, commencing at 9:30 a.m."

Motion carried unanimously.

-----Luncheon recess.

DOG SHOWS

11 D 10. JUDGES' CONFIDENTIAL CRITIQUES

REPORT: Mr. Monaghan, Chairman of the Judges' Critique Committee appointed by resolution #55-62:

(1) pointed out that at the first session of this annual meeting of the Board Mr. Williams, then Chairman of the Committee, placed a report before the Board together with the report of a sub-Committee appointed by resolution #487-61;

(2) pointed out that at the Annual General Meeting held on February 4th the following resolution had been adopted:

"THAT, this Board this week give serious consideration to throwing the critiques out in their entirety.";

(3) pointed out that at its session on February 5th the Board had decided to give serious consideration to the resolution adopted at the Annual General Meeting on February 4th;

(4) asked that the resolution adopted at the Annual General Meeting be quoted in this report and at the same time there be included the following remarks which Dr. Robert Williams had made at the Annual General Meeting with regard to Judges' Confidential Critiques:

"It has always been my contention that The Canadian Kennel Club's prime purpose is for the betterment of pure-bred dogs, and having had a bit of scientific education myself I say that no amount of scientific thought can be properly used unless it has a sound foundation.

"This critique in its origin appealed to me because I have had ideas for years on genetics; on the proper setting of standards, on the proper method of determining whether a dog should be a champion or not, and also the matter of rearranging the championship point system so that we have Canadian dogs that are champions and the championships mean something.

"Now, whether you live in Ontario or -- I think I showed my first dog when I was two or three years old and I have seen many, many dogs with a championship tag on their name that were not worthy of it, and I think that these critiques have given us a very important lesson, they have shown for one thing that there were champions made last year -- and this is only a ten percent sampling of the whole champions, as Mr. McConnell said -- that were granted last year; dogs that were actually rated "poor" and "fair" were made champions in Canada. Now, if we are going to do anything for the breed, this is wrong. That is only one point.

"We have been discussing genetics for two or three years, and we are absolutely away out on cloud 9 as far as hoping to do anything with genetics without a real basis. Penicillin wasn't discovered in two years and a genetic study has been going on since 1850 and they still don't know very much about it, but they have a solid basis to work on. This, in my opinion as a veterinarian, is a good solid foundation for us to experiment with.

"Now, because personalities are involved and people are involved, there is a lot of back-biting, and a lot of the attitudes that have been shown over the last two years -- they thought Fulton was crazy when he invented the steamboat, and look where we are now. We have to go slowly and carefully and the benefit in a few years time -- maybe not next year or two years from now, but in ten or fifteen years we will do something to improve the standard in Canadian dogs and Canadian champions and you will really see the benefit."

(5) pointed out that at its session on February 5th, the Board had adopted the following resolution (#56-62):

"THAT, Mr. Monaghan, Mr. Blyth, the President and Secretary meet with Mrs. Joel and Mr. Wells to prepare and submit a report before the end of this meeting.";

(6) reported that the persons named in resolution #56-62 had met on Tuesday morning and that he had made notes of views expressed at that meeting;

(7) reported that Mr. Wells had expressed the view that the institution of judges' critiques was a progressive step and that he would like to see the Judges' Confidential Critiques carried on although he was aware that some judges and some clubs had objected to a system of judges' critiques;

(8) reported that Mrs. Joel:

(a) had reported that some voting members, some breeders, and some judges in Ontario did not want the critique;

(b) had expressed the opinion that the critique, if continued, should be for the benefit of the breeder and/or exhibitor and should be published;

(c) had stated that the critique should not be employed for purposes of genetic study;

(d) had inquired whether judges had been asked to submit their views with regard to the program of judges' critiques;

(e) was of the opinion that there should be modification in the form of the critique to the extent that it would be at a judge's discretion, the form in which he wrote a critique;

(f) that she was not in favour of the critique as it has been up to this time;

(g) that it should be optional with an officiating judge whether or not he submitted a critique;

(9) reported that there was agreement at the meeting that the critiques could not be employed for purposes of genetic study and that item (5) in the Board's stated objectives for setting up a program of judges' critiques should be deleted;

(10) reported that when the Board had decided to institute a system of judges' critiques, the Secretary had then addressed a letter on the subject to all those who at that time had been approved to officiate at shows to be held in 1961, but that the Secretary's letter had not sought any comments nor was a reply anticipated from each of the judges to whom the letter had been addressed;

(11) reported that nevertheless, there had been letters received from officiating judges and asked that a letter, dated January 31, 1961, received from Mrs. Joel, reading as follows, be quoted in full in this report:

"With reference to the recent memorandum sent to all judges, I'm presuming all judges received one, in regard to the writing of critiques. I would like to ask, how many judges, other than Mr. V. Williams and other members of the Board, have been contacted and requested to state their views on the subject. (I have been in contact with a number of judges across Canada and to date, have not found one.) After all, can an objective view be obtained in the time factor alone, by one, perhaps two shows, with a total entry in the 68 dog region. In Ontario, this could consist of the Non-Sporting group alone.

"Apart from this, what does writing a critique mean, since all people, including the breeders themselves, can put a different interpretation on the breed standards. (I'm once again presuming that it is the quality of DOG you are interested in.)

"The copy of the critique that the Canadian Kennel Club sent out to judges, is, in my opinion, so contradictory, that the person who wrote it must either know very little about their subject of have suffered some kind of brain storm.

"Tell me, how can gait be "Very Good" when the dog is inclined to paddle, has a sway back and is overlong. ???

"Other questions I would like answered:

1. For whose benefit are these critiques being written?
2. If it is being used as a method of testing the ability of the judges?

"If the answer to the first question is, the breeder, then I make a strong suggestion that these critiques are published in the Official organ of the C.K.C. Who has a better right to know what they contain than the owners.

"Should the answer be in the affirmative to the second question, then I shall have a lot more to say on the subject at a future date."

(12) pointed out that at the 1961 Annual General Meeting the following resolution had been adopted:

"THAT, this matter be given back to the Board for reconsideration and not be implemented this year.";

(13) reported that the resolution adopted at the Annual General Meeting in 1961 had later been considered by the Board, but it had been decided to proceed with the program;

(14) reported that the file on this subject included only one letter from an exhibitor commenting on the program, this being a letter dated January 19, 1961, from Mrs. R. Percy Adams, reading as follows:

"It is with great delight that I read in your message to C.K.C. members that in future Judges will be required to submit "a critique" on those dogs awarded B. of Breed, Winners, and Res. Winners awards. This has been needed for years and years and I hope now to see better awards. We will now know how capable a Judge is on his judging and just how great is his knowledge.

"I do hope that soon this will be a must in the U.S.A. as well."

(15) reported that there was no unanimity of opinion at the meeting as to whether the critique should be carried on in its present form until the Committee appointed by resolution #55-62 can make further studies and report to the Board;

(16) reported that the President and Secretary did not participate in the discussion at the meeting held on Tuesday morning;

(17) expressed the view that the Board had carried out the direction given by the resolution adopted at the Annual General Meeting on February 4, 1962, in that it had given serious consideration to discontinuing the critique as proposed in that resolution.

MOTION #173-62

Moved by Mr. Monaghan, seconded by Mr. Williams:

"THAT, the whole matter of judges' critiques be referred to the next meeting of the national Board in order that it may be discussed in an atmosphere less inflamed with emotionalism, prejudice, petty politics, bias and misrepresentation and more conducive to sober discussion and mature consideration in the best interests of the Club and its members."

DISCUSSION: During a discussion which followed:

(1) Mr. Anderson stated that if the "atmosphere" is such as described in the motion, he did not feel it would be any clearer at the next meeting of the national Board;

(2) Mrs. Joel stated that the effect of the motion, if adopted, would mean the continuation of the critiques until the semi-annual meeting of the Board;

(3) Mr. Blyth stated that he wished to resign as a member of the Committee, but felt that the critiques which had been received throughout 1961 would be invaluable to the Committee on championships and championship point ratings.

The motion was put to a vote with the following results:

FOR THE MOTION: Mr. Williams, Mr. Monaghan, Mr. Wells.

AGAINST THE MOTION: Mr. Anderson, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Miller.

Motion lost.

MOTION #174-62

Moved by Mr. Williams, seconded by Mr. Blyth:

"THAT, due to the fact that the matter of the judges' critique having become a political football and subject to sabotage and further that the deliberations of the past Board's study and recommendations being now ignored. that the judge's critique be discontinued, and that all

relevant observations remain in the records of this organization."

DISCUSSION: During a discussion which followed:
(1) Mrs. Mack stated that Mr. Williams had put a great deal of work into this project in the sincere expectation that it would be beneficial, but due to misunderstandings which appeared to have developed there would seem to be no alternative to the Board's discontinuing the program;
(2) Mr. McDerment inquired whether the Committee on championships and championship point ratings was free to examine the critiques submitted in 1961;
(3) Mr. Dawson stated that there is a time element involved in the judge's writing of critiques when officiating at shows;
(4) Mr. Williams stated that the concluding part of his motion, with regard to the Club's records on this subject, was common business practice.

FOR THE MOTION: Mr. Anderson, Mr. Williams, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Miller.
AGAINST THE MOTION: Mr. Wells.
ABSTAINED FROM VOTING: Mr. Monaghan.
Motion carried.

ACTION: It was agreed that the Committee on champions and championship point ratings would be free to examine the critiques received during 1961.

MOTION #175-62
Moved by Mr. Williams, seconded by Mrs. Joel:
"THAT, we thank Mr. Monaghan and all members of his Committee for their work on this subject."
FOR THE MOTION: Mr. Anderson, Mr. Williams, Mr. Blyth, Mr. Dawson, Mrs. Gove, Mr. Gratton, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Miller, Mr. Wells.

11 D 11. SANCTION SHOWS

REPORT: Mrs. J. Gove, Chairman of a Special Committee appointed by the Board to draft rules for sanction shows, submitted the following report:

"The following is a rough draft of a possible set of rules to govern Sanction Shows, and I ask the Board to give the matter their earnest consideration.

"I still feel shocked at the curt manner in which we, the Board, dealt with a similar proposal made by a former Board member several years ago. (There are other type shows - Puppy matches - Matinee shows, etc. for money-making and the selling of puppies too young to be judged).

"Please let us do something constructive in this matter. Thanks.

PROPOSED RULES FOR SANCTION DOG SHOWS

"Sanction Dog Shows, conducted by kennel clubs in Canada, give canine associations excellent opportunities for new officers, new members, a chance to participate in putting on small scale shows. They are schooling grounds a place to give beginners a start, more dog show experience for the novice and puppy dog owners, and new entries.

"Sanction shows are the time and place to train new and more club officials. They learn show routine, ring stewarding, the make-up of judges books and show secretarial work. Here too is the opportune place to try out the amateur and applicant judges.

"With the growing number of dog clubs in Canada, there will be required more experienced show officials and judges.

"We believe that more improved Sanctioned shows using this plan will recruit more useful show officials; show superintendents, show secretaries, ring stewards and amateur judges.

"We recommend the use of: Puppy classes, 3-6 months, 6-12 months; Novice: Canadian bred; Bred by Exhibitor; Open class for each sex.

"Placings - same as Point Show. (Cards or Ribbons may be used) 1st Gold - 2nd Rose - 3rd Beige - 4th Grey.

"Winners Gold - Reserve Winners Rose - Best of Winners Red & Green - Best of opposite Sex Rust - Best of Breed Gold & Green - Best Canadian Bred Orange - Best Canadian Bred Puppy Pink.

"Groups - Same colours, longer. Ribbon or Rosettes could be used.

"Best in Show - Green & Gold - Best Canadian Bred in Show Orange - Best Canadian Bred Puppy in Show Pink.

"It is thought that one judges' book could contain all the breed and group awards. However, the judges' book for this would be a loose leaf affair which could be subdivided into two or three parts for more than one or more show rings or the number of judges officiating. A light board holder is easy to make with a small spring clip or elastic band for ready use, so that after one group is judged the awards can be posted into the group sheet. A nominal charge could be made for these.

"The Directors from outside of Toronto could write for these when needed, also supply club with copies of Dog Show Rules, for Study.

"Judges, can be chosen by the Club, from among those studying to become judges, or from Breeders well versed in particular Breeds or Groups, and approved by local Director; Secretary; Ring Stewards, Superintendent, from among members - etc."

MOTION #176-62
Moved by Mrs. Gove, seconded by Mrs. Mack:
"THAT, we accept the report for discussion."
Motion carried unanimously.

DISCUSSION: During a discussion of the Committee's report:
(1) it was suggested that awards of Winners and Reserve Winners should not be permitted at sanction shows since it has not been the practice to have these awards, and any reference to "Winners" might be regarded as conveying championship points;
(2) it was suggested that provision be made combining any one or more of the official classes where there are less than five dogs entered in a class;
(3) it was suggested that ribbons and/or cards offered at sanction shows must be identified as having been won at a sanction show.

MOTION #177-62
Moved by Mrs. Mack, seconded by Mr. Blyth:
"THAT, members of the Board forward to Mrs. Gove their suggestions with regard to sanction show rules, and Mrs. Gove then submit her recommendations for the Board's acceptance, and Mrs. Gove be thanked for her submission."
Motion carried unanimously.

MOTION #182-62
Moved by Mr. Williams, seconded by Mr. Dawson:
"THAT, Mr. Anderson's report be received as progress."
Motion carried unanimously.

9 A 87. ELECTION OF OFFICERS AND DIRECTORS

REPORT: Mr. Monaghan, as Chairman of the Amendments Committee:
(1) pointed out that, in accordance with previous instructions given by the Board, the Committee had drafted and submitted for consideration at the Annual General Meeting held on February 4th, proposed amendments to the By-laws setting forth the steps which would be taken:
(a) if a nominated member dies before election ballots are printed;
(b) if a candidate dies after the ballots are printed but before balloting closes;
(2) reported that, since these proposed amendments had been published, a further question had been raised as to what would be the position of the Club in the event that, through death or resignation, there were less than sufficient members on the Board to constitute a quorum at a meeting of the Board;
(3) recommended that this question be referred to the Amendments Committee for the drafting of a proposed amendment which could be placed before the Board for its consideration at its semi-annual meeting.

Motion carried unanimously.

9 A 101. ANNUAL MEETINGS IN 1963

REPORT: The Secretary reported that it is customary for the Board at its annual meeting to set the date of the next Annual General Meeting and

the date of commencement of the next annual meeting of the Board in order that appropriate hotel reservations may be made, and in order that notice may be given in the official magazine, as required by the Club's By-laws.

DISCUSSION: During a discussion which followed:

(1) the Secretary stated that when the annual meetings are held preceding the Westminster Kennel Club Show it has made it difficult from an administrative point of view in the way of preparation of the agenda and distribution of committee reports, etc. to members of the Board for their study prior to the commencement of the annual meetings;

(2) Mr. Monaghan pointed out that it had been the custom to hold these meetings immediately preceding or immediately after the Westminster Kennel Club Show, and suggested that the Board consider holding these meetings immediately preceding the Canadian National Sportsmens Shows in March.

A discussion followed on the suggestion made by Mr. Monaghan and the setting of appropriate dates.

MOTION #185-62

"THAT, it be recommended to the incoming Board that a brief be prepared and submitted with regard to exemption of pure-bred live stock including dogs under the Ontario Sales Tax Act.";

(2) pointed out that at its meeting held on January 13, 1962, the Board had appointed a Committee, composed of himself, as Chairman, Dr. C. M. Robert Williams, and Mr. W. H. MacKendrick, for the purpose of having prepared a report for consideration at this meeting;

(3) reported that he had not found it possible to convene a meeting of the Committee but he had taken the matter up with a member of the Legislature for Ontario and tentative arrangements had been made for a meeting with officials of the Ontario Government.

The Secretary read a letter from Mr. W. H. MacKendrick, who suggested that the Club's solicitor contact his solicitor with a view to drawing up a brief for presentation to the appropriate governmental Department, and outlined other steps which he felt should be taken with a view to pulicizing the views of breeders of pure-bred dogs on the application of Sales Tax to dogs.

MOTION #186-62

Moved by Mr. Blyth, seconded by Mr. Dawson:

"THAT, Mr. McDerment's report be accepted as progress."

W. MacCallum, in the Chair, and the following members of the Board present: Robert L. Blyth, Mrs. Edna Joel, Mrs. Pamela B. Mack, Wm. McDerment, W. J. Monaghan, and Dr. C. M. Robert Williams.

MINUTES

3 M 38. MINUTES OF ANNUAL MEETING OF THE BOARD

REPORT: The Secretary reported that every member of the Board had been furnished with a draft copy of the minutes of the annual meeting of the Board held on February 3rd, 5th, 6th, 7th, and 8th, 1962, and the Committee on Corrections (Minutes), after considering suggested corrections, had decided to recommend the following corrections in the draft minutes of the sessions of February 3rd, 5th, 6th, and 7th:

(SECRETARY'S NOTE: Corrections were included in published minutes).

MOTION #200-62
Moved by Dr. Williams, seconded by Mr. Blyth:
"THAT, the minutes, as corrected, of the sessions of February 3rd, 5th, 6th, and 7th, of the annual meeting of the Board, be adopted.
FOR THE MOTION: Mr. Blyth, Mrs. Joel, Mrs. Mack, Mr. McDerment, Mr. Monaghan, Dr. Williams.
Motion carried.

REPORT: On behalf of the Committee on Corrections (Minutes), the Secretary reported that the Committee had reviewed the draft minutes of the session of February 8th and had considered letters received with regard to possible corrections in the draft minutes of that session and:
(1) had decided that the following corrections should be made:
13. Page 10 -- In paragraph (4) insert the following remarks of Dr. Williams at the Annual General Meeting:

(SECRETARY'S NOTE: Dr. Williams' remarks included in minutes of February 8th session).

14. Page 11 -- In paragraph numbered (9) alter (6) at beginning of third line to (5);
(2) had decided to leave it to the Board at this meeting to decide if any correction was necessary in connection with item 9 A 85 (page 2);
(3) had decided that no correction was required in connection with the paragraph on "Discussion" which preceded motion #162-62 on page 6;
(4) had decided that in connection with item 11 D 10 (Judges' Confidential Critiques) no correction was necessary in connection with paragraph 11 on page 11, nor with regard to the statement which followed motion #174-62 with regard to the examination of critiques by the Committee on Champions and Championship Point Ratings;
(5) had noted the request of Mr. Monaghan that in item 11 D 10 (Judges' Confidential Critiques) there be included in full, the material which had been attached to the report (dated February 2nd) of the sub-Committee's report to the then Chairman of the Committee on Judges' Critiques, and that such material be published when the minutes of the February 8th session are published in the official magazine, and the Committee had decided that it was not prepared to accept responsibility for directing that this additional material be included in the minutes and published in "Dogs in Canada", on the grounds that the concluding paragraph of the sub-Committee's report had clearly indicated that the report and all attachments thereto were confidential to the Board and to the members of the sub-Committee.

DISCUSSION: During a discussion on the question of including in the minutes and publishing in the official organ the attachments to the sub-Committee's report dated February 2nd:
(1) Mr. Monaghan stated that when presenting his report, in his capacity as Chairman of the Judges' Confidential Critiques Committee, he had asked that the complete report of February 2nd be included in the minutes and that no member of the Board had objected to that request;
(2) Mrs. Joel stated that if such attachments are included in the minutes and published then it would only be fair that the remarks of all members of the Board on the subject of critiques be included in the minutes and be published;
(3) Dr. Williams raised the question as to whether the Board could order the publication of the comments of Committee members attached to the sub-Committee's report, dated February 2nd, when, according to the concluding paragraph of the sub-Committee's report, the report and all attachments thereto were confidential to members of the Board and to members of the sub-Committee.

MOTION #201-62
Moved by Dr. Williams, seconded by Mr. Blyth:
"THAT, the full report, including attachments, as requested by the Chairman, be incorporated in the minutes."
FOR THE MOTION: Mr. Blyth, Mr. McDerment, Mr. Monaghan, Dr. Williams.
AGAINST THE MOTION: Mrs. Joel, Mrs. Mack.
Motion carried.

C.K.C. 1962 ANNUAL GENERAL MEETING

CHAIRMAN: Mr. J. W. MacCallum.

THE CHAIRMAN: Mr. Gundersen, have we a quorum?

MR. T. E. GUNDERSEN; Yes, we have a quorum.

THE CHAIRMAN: This meeting is now called to order to transact any of the business that comes before it.

Ladies and gentlemen, it is a pleasure and a privilege to welcome you to this, the annual meeting of The Canadian Kennel Club.

As you know, we have had a very successful year in 1961. In fact, it was the most successful year in the history of the Canadian Kennel Club. We made a nice net profit last year, and I think we are all proud of that, I think we have all contributed in some small manner to what we have achieved. I just hope that 1962 will be as good, and if we all do as we have done in the past I don't see any reason why we shouldn't be on top again.

Now, we have for a number of years been the second highest Association in the Live Stock Records. There is one association that has topped us; and it has topped us again for this last year. But we are very, very proud of our association with the Live Stock Records.

We have a genlteman here today that I would like to introduce to you, and that is Mr. Frank Hodgkin, Director of the Canadian National Live Stock Records, Mr. Hodgkin. (Applause).

MR. F. G. HODGKIN: May I, first, thank the Club very much for the kind invitation extended to me to be present at this meeting. I may say that I have enjoyed myself. It was very nice to have met a number of members, and we had discussions at our table, and they were enlightening to me. We, in the practice of our Association, have problems that are parallel to those that the other national associations have. After all, you are, as your President has stated, the second largest association in the National Live Stock Records now, and the way you are progressing I say that you will certainly hold that position and possibly strengthen it as the years go by. There has been a general trend in the dog business and it doesn't seem to stop at any particular time; if we don't have a peak period we have a continual rise throughout the whole year which enables us to handle things pretty nicely, and we trust that we are giving you the service you like and we will try and do our best to continue it, (applause).

- - - At this stage the chairman introduced the members of the Board.

THE CHAIRMAN: These are the Members of the Board, ladies and genltemen, for this year.

Now I would like to thank the directors and the different members who have worked on committees for their services last year. A lot of people don't realize the number of hours spent in attending committee meetings and I would just like to thank the directors and the chairmen of the committees for their good service.

THE CHAIRMAN: Mrs. Mack has some important business that she would like to take up at this particular moment.

MRS. PAMELA MACK: Mr. Chairman, fellow members, last night the Ladies Kennel Club had a Sanction Show to aid the Canadian Kennel Club in raising funds for the CKC Building Fund. All the Directors from across Canada have wonderfully co-operated in helping us with the show, and all our members and friends of the club are helping, and we are very grateful to those who are helping.

One of our own members in Quebec, who could not be at the show but who has shown very great interest in the Canadian Kennel Club, sent on a donation of fifty dollars towards the building fund, with the hope that the Club will carry on in a similar way. (applause).

MR. WALTER BROWN: I think the lady who sent the cheque for fifty dollars should be recognized by everybody, and also I would like, as past president, to thank the Ladies Kennel Club for their generosity.

MRS. PAMELA MACK: The member who sent the cheque is not a member of the C.K.C. She is a very great supporter. It is Mrs. Frank Common of Montreal. She has told us that she has always felt very grateful to the club for enabling her to go to shows; and should you be interested, the profit from our show last night was $75; and we hope that other clubs across Canada will hold sanction shows or some other fund-raising campaigns and get things really started.

THE CHAIRMAN: Thank you Mrs. Mack.

—It was moved by Mr. Joel, seconded by Mr. Walter Brown, that a vote of thanks was in order.

—The motion was carried.

MINUTES OF PREVIOUS ANNUAL GENERAL MEETING

THE CHAIRMAN: Now, ladies and gentlemen, the first order of business on our agenda is the minutes of the 1961 annual general meeting.

—It was moved by Mr. Walter Brown, seconded by Mr. McKendrick, that the minutes be accepted as read.

MR. THOMAS JOEL: Would the secretary please read the minute from the last annual general meeting relating to the fact that a motion was moved by Mrs. Smith — just the motion and the vote, please.

- - - The secretary read the following motion:

"THAT this be given back to the Board for reconsideration and not be implemented this year."

MR. JOEL: And the vote, please?

THE SECRETARY: Twenty-four in favour of the motion, two against.

MR. JOEL: I would at this stage like to give notice of motion that I would like to discuss this item at an appropriate time later in the meeting.

MR. H. M. GARDINER: Mr. Chairman, regarding the same business that was mentioned by Mr. Joel, would it be possible for the secretary to quote from the minutes a statement given by the second vice-president, Mr. Williams, in response to a question asking what the proposed critique is and other judging business referred to at that meeting was all about? Mr. Williams, in response to the chairman at that time, made a statement to the members, or an explanation of what it was all about.

THE CHAIRMAN: All right, the secretary has it here.

THE SECRETARY: It reads:

"MR. WILLIAMS: Mr. Chairman, I will take the privilege of answering that. We have had occasion on the Board to receive many complaints from judging and we have instances brought to our mind where judges have made both foolish and facetious remarks as to why they placed their dogs. For example, an all-round judge turned a bulldog down because he said it had wrinkles.

"It is all right to laugh, but that is a fact.

"Another judge in placing a West Highland white terrier remarked that he didn't like the hard coat on it. Something most terriers like to get and haven't got half the time.

"Another occasion, another bulldog where a man said he would like to see a bulldog with a nice slope on his back like he had on springers.

"Now, the thought behind the whole thing was this: There is an educational feature behind it. Those critiques when they come back, they are absolutely confidential. The breeder is not hurt. No one is hurt, and the culmination of thought which brought this about is to the effect that where a judge makes an error, he is not going to be condemned or put in jail but he is going to be told he had better learn something about a bulldog, and that is for everybody's benefit.

"Now there is another feature, and that is sooner or later we are going to get to a stage where we are going to have selected breed and going to have dogs presented to us which we will have to study and see whether they are worthy of selection and the award to be made will have a direct effect on their selection, so it has a double purpose on both the dogs and the judges.

"I might report that we have had several congratulatory remarks and letters from American judges who have agreed to those rules and think it is one of the finest things that has happened in a long time. Have you those letters here, Mr. Brown? Probably you would like to hear them. Would you?"

MR. H. M. GARDINER: Thank you, Mr. President.

MR. W. BROWN: I move that we adopt the minutes.

MR. W. H. McKENDRICK: I second it.

THE CHAIRMAN: It has been moved by Mr. Brown and seconded by Mr. McKendrick; all in favour? Contrary? None. Motion carried.

REPORTS

Now, under section 2, reports of officers, directors and committees and past president's report.

MR. WALTER BROWN: Mr. President, in view of the fact that we started four hours later in the day than we usually start, time is of the essence at this particular moment and my remarks are going to be very short.

In going over the business of the organization for 1961, most of the business of the organization was reported to every member of this organization through a message to the membership in December. Everything that had been completed at that time has been reported, so to cover the ground again would only be a waste of time.

There are several things that were in progress during last year that were not completed, and as far as I know have not been completed, and therefore I can't say very much about them.

We do know that we have had a very successful year. No one person or any one body of people are responsible for that situation; that is you and everybody else that breeds dogs that made this thing possible, and I want to thank them all; judges, clubs, breeders of every description and anybody that raises dogs, I want to thank them all for their co-operation during the last year.

Through this kind of co-operation we find ourselves today in a better position than we ever have been in the history of The Canadian Kennel Club. All our activities have gone ahead by leaps and bounds; dog shows, trials, it is marvellous, really marvellous what they are doing and everybody should be thankful, and we appreciate the efforts of every individual irrespective of how small his contribution has been in that regard.

You have the financial statement, and, as a matter of fact, it is $15,000 net profit better than anything we have done before, and it is really wonderful. I don't see any reason at all why you can't go along and continue the good work that has been done by the organization in the past several years; as of ten years ago we were borrowing from the bank, and our net worth today is over $90,000, and I want to congratulate you once more for it, for putting the organization in the position which we are in today. There is only one thing that started it rolling along like a snowball, and if we are to continue to work like we have been doing, there is only one possible chance I can see where this might be changed, and that would be in case the economy of the country as a whole were to dwindle and depreciate. It is just possible this might happen, too, and therefore we want to be careful what we do in the very near future.

Now, I just want to thank you all from the bottom of my heart. I had a very successful time and we enjoyed every minute of it and I am proud of the results, not only for myself but for everybody here.

I wish you all good health and godspeed and I hope you will have the best years you ever had in the history of the Kennel Club. Thank you.

MR. V. W. WILLIAMS: I take very great pleasure in moving the acceptance of the past president's statement, and while I am on my feet I think I am expressing the sentiments of everybody here in wishing Walter good health and lots of happiness.

THE CHAIRMAN: Anybody second that motion?

DR. ROBERT WILLIAMS: I second it.

THE CHAIRMAN: All in favour? Thank you.

THE CHAIRMAN: We will now hear from the chairman of the Amendments committee. I think you have that. This has to do with the vote on the term of office on the last referendum ballot.

MR. W. J. MONAGHAN: Mr. President and fellow members, this is in connection with the first questionnaire which you requested be included in the referendum ballot with regard to the terms of office of the board, and these are the figures which were received from the people employed by the election committee to do the tabulating. I will read it slowly in the event that you wish to make notes and you will then have the figures for handy reference.

Number of ballots showing first choice, 579. There were 100 ballots sent in in which no first choice was indicated. However, in 13 of these 100 a second choice was indicated.

Now, the first choice — and I will give them to you according to year and length of time — the first choice for one year, one year term of office — that is, to leave it as it is — there were 160. The first choice for a two-year term, 281. First choice for a three-year term, 124. First choice for a four-year term, 7 and first choice for a five-year term, 7.

Now, we had 13 ballots which showed a second choice, and the thirteen are broken down as follows: For a one-year term, 2; for a two-year term, 9 and for a three-year term, 2.

Now, ladies and gentlemen, this tabulation was then submitted to the process which we call transfer of choice; you drop off the lowest total and distribute those ballots according to their second choice, and if we have not achieved a majority, then we drop off the next lowest and also the third choice of the first few that we dropped off. You go through a proper statistical process to arrive at a majority.

The reason that was necessary is because half of 592 is 296, and add one to get your majority, it is 297. None of the totals of the first choice were as high as 297 and therefore it is necessary to make some transfers of choice, and on the third, having dropped off the third lowest total, then we arrived at a total of 374 as the choice for a two-year term of office.

Now, these are the figures and, as I mentioned at the beginning and I am sure you were all aware, this was a questionnaire; it was done purely as seeking the views and the responses. It wasn't an amendment. That was put in there at the request of the annual general meeting last year.

That is my report, Mr. President and ladies and gentlemen; if there are any further questions or additional information you feel you should have, I would be glad to supply it if I can.

MRS. ELLEN BROWN: May I ask how many ballots were sent out and how many answers were received in connection with this item? Have you that?

THE SECRETARY: I would say that the total number of ballots that went out was very close to 2000; it was 1997 or 1998.

MR. W. BROWN: I move that the report be received and that this board go on record for the two-year term to be presented in the referendum vote for next year.

MRS. ELLEN BROWN: I would second the motion.

THE CHAIRMAN: Moved by Walter Brown and seconded by Mrs. Brown that the report be taken.

MRS. S. M. WEIR: If the motion will include the date at which the two-year term would commence.

MR. W. J. MONAGHAN: May I ask if it would be agreeable to the members here if the fixing of the date and the proper drafting of the date be left to the committee to draft in the light of the view expressed here for effective dates?

MR. W. BROWN: My motion was that a report be received and the board proceed with drafting an amendment to be voted on for the two-year term for next year.

THE CHAIRMAN: All in favour? Against? Motion carried.

THE CHAIRMAN: Mr. Monaghan, will you report on the results of the second questionnaire included in the last referendum ballot?

MR. W. J. MONAGHAN: Mr. President and fellow members, this is the report of the Amendments Committee in connection with the results of the second questionnaire included in the referendum ballot. You will recall that the second questionnaire was in two parts. Part I was:

"If in due course the Board's term of office should be extended, would you be in favour of amending the club's

by-laws in order that the regular referendum ballot would be conducted only at the time when an election of the board is conducted?"

Now, the response to that question was yes, 300; no, 207; those who didn't vote, 172.

The second question, keeping in mind that there were 679 ballots returned, read:

"Would you prefer that the regular referendum ballot be conducted earlier in the year?"

And the response there was, yes, 299; no, 219; those who didn't vote, 161. This is purely a tabulation of the responses. I would suggest that the normal procedure now would be for the Chairman of the Amendments Committee to recommend to the Board that it proceed to consider the drafting of the proposed amendment or amendments for inclusion in the next referendum ballot so that the wishes of the people who do vote may be determined. It is my intention as Chairman of the Committee to make that recommendation to the Board.

MR. WALTER BROWN: I am heartily in favour of the recommendations of the Chairman of the Amendments Committee; I think it would be a foolish waste of money not to do what he suggests. Why vote on delegates for a two-year term and then not vote on the amendments to the two-year term. You can save a lot of money by this procedure and it has always been my idea that we pull things to pieces too frequently. Surely we can get a law that will last a couple of years instead of changing it every other week; sometimes we get three items in operation at the same time and no member of the organization knows where he stands or what he is doing. The amount of money spent in printing these things is disgusting, to say the least.

MRS. ELLEN BROWN: There is one thing I would like to draw to the attention of the Chairman of the Management Committee, though, and that is that at the present time you vote on by-laws every three years, and the following year you have dog shows and the following year you have obedience and field trials; will this mean we will only vote on dog shows every six years and obedience trials every six years?

MR. W. BROWN: I think it could all be done in one year, the same as it used to be done — every two years.

MR. H. M. GARDINER: Might I ask the secretary if he has any idea whatsoever about the approximate cost of holding the referendum ballot?

THE SECRETARY: Last year the cost was $3175. Some years it has been close to $4000.

MR. H. M. GARDINER: We all know it is not necessary to have the referendum ballot every year, but why should it be necessary to have it every two years?

Now, I would submit to the Chairman of the Committee that the members were not given a chance to voice their opinion on the necessity of having the referendum ballot every two years. There was no choice given. Now, I feel quite sure myself that it is not necessary to amend the by-laws or any part of the constitution every two years. Why not three years? Why not five years? Just because we have an election of officers every two years it doesn't mean to say that we have to go to the additional expense every two years of putting in a referendum ballot.

MRS. S. M. WEIR: In my opinion, there is no need for a compulsory referendum ballot every two years, if the business of the club does not warrant it.

MR. WALTER BROWN: The only thing I want is that they do not do that every year and I want to save the money for this organization by having it done at the same time as the election of officers. My contention is that we should dovetail those two things together and still retain the privilege of the Board having a special referendum vote in the case of an emergency.

MRS. N. T. SMITH: I agree that the referendum should be conducted earlier. At the present time — this is the fourth of February — there are obedience trials going on this month that should have been conducted under the new obedience rules if they pass the referendum, and we, as members, still do not know what ones to pass; yet they became effective the first of January, which is rather ridiculous. So the referendum must be conducted earlier to let us know of the amendments that are passed, in order that they become effective on the first of January.

MR. W. J. MONAGHAN: It is going to be rather difficult to give effect to all these dissimilar points of view, in one referendum ballot. For instance, the first question in the questionnaire — No. 2, the first question had 300 "yes". That is to have it at the time of the election. However, 299 of them said have it earlier. Now, that is almost a 50/50 vote; 300 say one thing and 299 say the other thing. Now, how can we give effect to both points of view? This is a question which we will have to resolve. Frankly, I don't know just how is the proper way to do this and be fair to the members.

What Mrs. Smith says has merit. I believe that the changes effected as a result of a referendum vote should be known early enough so that they are not coming into effect or being in effect ahead of the time of the public notice being given.

MR. W. H. McKENDRICK: I move that the report of the Amendment Committee be received and that the complete Amendments Committee be empowered to adjust it to all our different dimensions.

THE CHAIRMAN: You have heard the motion. All in favour?

THE SECRETARY: There are 28 in favour; 1 against.

THE CHAIRMAN: Motion carried.

Now, we come down to Reports of Clubs' Representatives to Other Organizations.

The first association is the report from the Canadian National Exhibition — representatives to the Canadian National Exhibition. Do you want to say anything on that, Mr. Brown?

MR. WALTER BROWN: No, I understand you have the report. I understood you were going to present it and I am just here to go along with the report, because I know exactly what is in it.

THE CHAIRMAN: I have the report here. Mr. Walter Brown and myself have been the representatives to the Canadian National Exhibition.

The Canadian National Exhibition was officially opened by The Honourable Leslie N. Frost, Premier of Ontario:

The first dog show was held on August 30th and 31st, 1961, with 363 entries:

The second dog show, September 1st and 2nd, 1961, with 402 entries:

The third dog show, September 4th, 1961, with 423 entries:

Total entries — 1,188:

The Canadian National Exhibition paid $908.50 to the Canadian Kennel Club for recording and listing fees. They also paid to exhibitors, $4,701.00 class money, as well as $517.00 for trophies.

Attendance for 1961 was the second highest with 2,872,500 in attendance.

Veterinarian services paid by Canadian National Exhibition amounted to $400.00.

There were 320 exhibitors from 14 states and 4 provinces, and group 5, the toy group had the largest entry in all three shows.

MR. WALTER BROWN: I would like to implement that to this extent: I would like to point out that this is the only organization that I know of at the present time that is only charging $3.50 for entry fee. It is the only organization that provides $17 for every class of breed. Through the years, we have had lots of occasions to retain this class money that exists at the moment. We also endeavour, from time to time, to make sure that we get a few Canadian judges judging a show.

MR. J. C. ANDERSON: Could we have a motion to accept the report, or otherwise?

MR. W. H. McKENDRICK: I would be very happy to move that we accept the report of the Committee to the Canadian National Exhibition.

MRS. N. T. SMITH: I will second that.

MR. J. C. ANDERSON: May I put the motion? Those in favour of the motion, which is to receive the report of the representatives? Those opposed to the motion? There are none, and I declare the motion carried.

THE CHAIRMAN: The next is the report of the representatives of the Royal Winter Fair, two representatives, Mr. Thomas Joel and Mr. Wm. McDerment.

MR. McDERMENT: Mr. President, I have the same report as for previous years. Mr. Joel and I attended their last annual meeting; there was the same reason, there is no space, and then they put that old question in that they never operated a dog show, it was always done by a private company; but that it would be given consideration at the next meeting when it comes in March, and that is all I have to report.

MR. T. JOEL: I think that is a fair comment. We did on several occasions at the annual general meeting of the Winter Fair make an attempt to try and solicit some hard and fast ideas from the new president, in which case it was put on to the manager.

MR. W. H. McKENDRICK: I move the report be received.

MR. Wm. DAWSON: I second the motion.

THE CHAIRMAN: Moved by Mr. McKendrick and seconded by Mr. Dawson that the report from the representatives be received. All in favour? Against? None. Carried.

Now, the next is the representative to the Central Canada Exhibition, Mr. Gundersen.

MR. T. E. GUNDERSEN: Report of the Canadian Kennel Club to the Central Canada Exhibition Association for 1961. An entry of 206 dogs faced the judges at the 1961 Central Canada Exhibition.

Like every other features of the 1961 Exhibition, the show attracted good crowds. It was estimated that the crowd exceeded that of 1960, when at that time a new high had been established.

Dogs were entered from Texas, Indiana and New York and practically all breeds were represented.

The show was well conducted with no delays. This year the show was not held at the usual hour, as it was the Committee's desire to give all exhibitors more leisure time at commencement. The show got under way sharp at 12 noon, and all classes were finished by 5 p.m. The group judging resumed at 7.30 and the final award came at 10 p.m. with a Maltese winning the BIS.

This show was perhaps one of the most successful, as the weather was not too hot, the dust was under control, and with a larger obedience class than in former years the avid fanciers enjoyed that part of the program. Incidentally, there is no admission charge to the public for our dog show. I move the adoption of this report.

MRS. EDNA JOEL: I second it.

THE CHAIRMAN: We have had it moved and seconded. All in favour of adopting this report? Carried.

THE CHAIRMAN: The next order of business is the report of the auditors.

MRS. SMITH: I move that the auditor's report be accepted.

MR. J. C. ANDERSON: I would like to second Mrs. Smith's motion that the auditor's report be accepted, but for the information of the members in so doing I would just like to point out a few things in connection with our association and the Live Stock Records office. This is solely for information because a committee, of which I was appointed chairman last year, to look into and report upon our association with the Live Stock Records office hasn't had an opporunity to report to the Board nor has the Board an opportunity to discuss it, but for your information I would like to point out in reviewing the auditor's report you will find there has been an appreciable reduction in our unit costs this year from 70 cents to about 66 cents, and I think this committee is taking into consideration and will view the possibility of further reductions in the unit costs at the Record Office.

It also has in mind the thought that has been expressed by some members, the fact that we may or should consider moving our records office from the Live Stock Records Office in Ottawa to our own office, and we anticipate coming up with a report that will be of interest not only to the Board, but to the members.

One factor they also recognize is the time of processing our paper work in Ottawa; the committee fully appreciates the problem which the breeder has in all parts of the country on this time factor. In considering the over-all picture, there are a good many details to consider, it is a very detailed operation and it is a very large operation and your board and your secretary-manager fully recognizes the problem as does the Records office, and I feel they will come up with a constructive report to the club.

Speaking of the matter of forming our own registration office, I think we have to consider the fact that while we could operate our own office there is the matter of economy. We are sure that probably there is some room for improvement at the present Records office, but we must also realize the fact that our government does make a substantial grant both financially and by way of accommodation to the Records Office, and that is all to be taken into consideration when we consider the effect of operating our own office.

THE CHAIRMAN: Is there any further discussion on this report, any discussion on the financial report, the auditor's report? If not, all in favour of receiving this report? Against? none. Motion carried.

Now, the report of Election Commission.

THE SECRETARY: The report of the Election Commission is in two parts; the first part constitutes their report on the results of the election of officers and directors for 1962, and the second part constitutes a report of the results of the referendum ballot.

I have before me the report of the Election Commission, and the record of the vote was published in "Dogs in Canada", and I can read their sworn declaration if it is the wish of the meeting that we do so.

DR. WILLIAMS: I move that we accept the report.

THE CHAIRMAN: It was moved by Mrs. Smith and seconded by Mr. Anderson to receive the Election Commission's report. Right. All in favour? Any against? Carried.

The Secretary has a report on the second part of this Election Commission's report.

THE SECRETARY: Mr. Chairman, I think I should report that on every single proposed amendment all amendments were carried by a majority vote. There will appear in the February issue of "Dogs in Canada" a report of the voting, the number that voted on that, and there will be a brief resumé of what the amendment was about. There were seven proposed amendments to the by-laws, and an application was made, as required, to the Minister of Agriculture for Canada for approval of those seven proposed amendments.

The Minister didn't approve two of them. He approved all five others.

Now, there were two amendments; one giving the Chief Registration Officer the power, upon the recommendation of the Board, to cancel a litter registration or an individual registration under certain circumstances. One of these circumstances was where, in the opinion of the investigating group, a dog or a litter had characteristics which are considered detrimental to the breed, the registration could be cancelled, and this particular section of those two amendments was not approved. They feel that the proper way to do this is to set down specifically in your By-laws on what grounds the dog or the litter is considered detrimental to the breed, and when and if that is included in the By-laws they would have specific authority to cancel.

THE CHAIRMAN: Are there any questions on this report? If there are no questions, could I have a motion to receive it?

MRS. DANIELL-JENKINS: I will move the adoption.

MRS. S. M. WEIR: I will second it.

THE CHAIRMAN: All in favour? Against? Carried.

ELECTION OF REPRESENTATIVES TO OTHER ORGANIZATIONS

CHAIRMAN: Now, we come to number 6 on the agenda, and this is the election of representatives to other organizations, and the first one will be the Canadian National Exhibition, to which there are two representatives to be elected.

MR. V. W. WILLIAMS: I nominate Mr. J. W. MacCallum and Mr. Walter Brown.

THE CHAIRMAN: Any other nominations?

MR. GARDINER: I nominate Mr. Thomas Joel.

THE CHAIRMAN: Any further nominations to the Canadian National Exhibition? If there are none, I declare the nominations closed. We have the nominations of Mr. Joel, Mr. Brown and Mr. MacCallum. I appoint Mr. MacKendrick and Mr. Gundersen as scrutineers to count the votes.

- - - Election of representatives to the Canadian National Exhibition proceeded by secret ballot.

THE CHAIRMAN: Ladies and gentlemen, I would like to announce the results of the vote, which has been handed to me by the scrutineers, certifying that Messrs. Brown and MacCallum have been elected as representatives to the C.N.E.

THE CHAIRMAN: Ladies and gentlemen, we are open now for nominations for two representatives to the Royal Winter Fair.

—Messrs. Joel, McDerment and McKendrick were nominated.
—Mr. McKendrick declined.
—Mr. Joel and Mr McDerment were declared elected as the two representatives of the Royal Winter Fair.

THE CHAIRMAN: Now we have the election of one representative for the Central Canadian Exhibition.

—Mrs. E. Brown nominated Mr. Gundersen.
—On the call of the chairman Mr. Gundersen was elected by acclamation.

THE CHAIRMAN: The next piece of business is the appointment of the auditors and election commission.

—It was moved by Mr. McKendrick, seconded by Mrs. Mack, that the auditors and election commission be reappointed for 1962.
—On the call of the chairman the motion was carried.

THE CHAIRMAN: Ladies and gentlemen, just before we come to that, we have here a former director of the Canadian Kennel Club for a number of years who has a couple of worthwhile statements to make.

MRS. ELLEN BROWN: Along the years we have had many members serving this organization, but there is one thing we have always been forgetful of and that is showing our appreciation for those services; and I would like that we go on record and have it recorded in the minutes, our appreciation for those members' services.

In looking through the booklet I was proud to see that

DOGS and PEOPLE

Fire swept the kennels of *Mr. and Mrs. Frank Anderson*, R.R. 7, London, Ont. on March 21, when all 23 Dachshunds, Standard and Miniature, were lost. Among them was Ch. Di-Mar's Philanderer, purchased from Di-Mar Kennels Reg'., Kirkland, Que., just three weeks before. Mr. Anderson suffered burns in his attempt to rescue the dogs. . . . Romacliff, Reg'd., Beamsville, Ont. owned by *Mrs. Mabel E. McGregor* and *Miss Royna McGregor*, suffered a severe blow when all their Pugs were lost in a fire that destroyed the kennels. Sincere sympathy is extended in these losses.

Died: *Horace King*, Ancaster, Ont., a breeder of Boxers for nearly 20 years under the kennel name of Glen Echo. Because of illness some years ago he tried to change his interests to a smaller breed and had a number of Basenjis. With some improvement in health he returned exclusively to Boxers but had to curtail his interests to breeding. Although he had been hospitalized early this year he was home and appeared to be improving. . . .

An elaborate funeral, complete with flowers, hearse, standard coffin and undertaker was arranged by sorrowing owners *Mr. and Mrs. Kenneth Mercer* of Claremont, Ont. for their 15-year-old mongrel dog, Sport. Interment was at the Sky Hills Pet Cemetery. Said the undertaker: "Under ordinary circumstances I wouldn't have accepted a funeral like this but they really loved this dog."

Joyce and Stu Roberts of Canidae Dachshunds, Maidstone, Ont., attended the International KC of Chicago Show where they successfully showed three Long-haired Dachshunds under Judge John Cook, President of the Dachshund Club of America. They took Best of Variety with Am. Ch. Canidae's Caprice, SL (now owned by Marg. Vandagriff of Detroit); 1st in Bred by Exhibitor and Reserve Winners, Female, with Canidae's Maharanee, SL, and 2nd in Open Female with Canidae's Japonica, SL. "An interesting point is that these are all recessive Long-hairs from all smooth breeding," states Mrs. Roberts.

. . . *Mr. Arthur Samuels*, Toronto, handled his Chihuahua, Ch. Frederic's Tinker Belle, to place 2nd in the Open Class at Cleveland, Ohio on April 1, with an entry of 12. Tinker Belle went on to Reserve Winners in a total entry of 23 Smooth-Coated Chihuahuas.

Fitting tribute was paid to the gallant Labrador Retriever, Annwyn's Tric or Treat when owner T. J. Murphy of Kingston, Ont. was presented with a

plaque by the Ralston Purina Co. The citation reads: "To Pat, for Outstanding Bravery". Shown here with his grateful owner, Pat swam through turbulent icy water to haul the drifting boat more than a quarter mile to shore.

The Poodle Advancement Association held their 5th Specialty Show and Obedience Trial at Scarborough, Ont. on March 13. The entry was good, with a larger proportion of Canadian dogs this year. Owners ventured through snow storms from as far afield as Sudbury and Sault Ste. Marie. Our good friends from over the border again gave us full support.

Judges Howard H. Tyler, Danbury, Conn. did conformation and Peter Kirk of Freelton, Ont., Obedience classes. J. W. (Mac) MacCallum did his usual top job as Show Superintendent. Our thanks to the Ontario Obedience Association for providing ring stewards in the persons of Bay Meyers and Ed O'Brien, also another young lady, whose name has unfortunately slipped my memory, and to Etta Farrell for her excellent job in the conformation ring.

Perpetual trophies were awarded for Top Producing Sire and Dam of the year in the three Poodle varieties. Receiving them for the owners who could not be present were Jack C. Anderson for the Don Millers of Calgary; William McDerment, who accepted two for Ford Flechar, Vancouver and Charles Kiel for Mrs. Rankin, Vancouver; Phyl Walker for Audrey Laurie, Montreal. Can. and

Poodle Specialty BIS winner Am. Ch. Loramars I'm a Dandee, is pictured taking 4 points and BW to finish his title at the Western Reserve Poodle Specialty under Judge M. Sieburn. Dandee was BW at Westminster and won the Group at St. Catharines April 7. Pictured here with handler, Mrs. Hans Brunotte.

Am. Ch. Poodhall Gus, owned by Mr. and Mrs. Hans Brunotte of Caistor Centre, Ont., again took the Top Winning Poodle of the Year award, along with Top Sire in Miniatures. I believe this is the fifth year in a row for him, if not sixth.

To Grace Edwards, a comparative newcomer to our association, my heartfelt thanks for all the work she undertook for me and completed so cheerfully when I was unable to do it myself. Workers like this are a gem to any club.

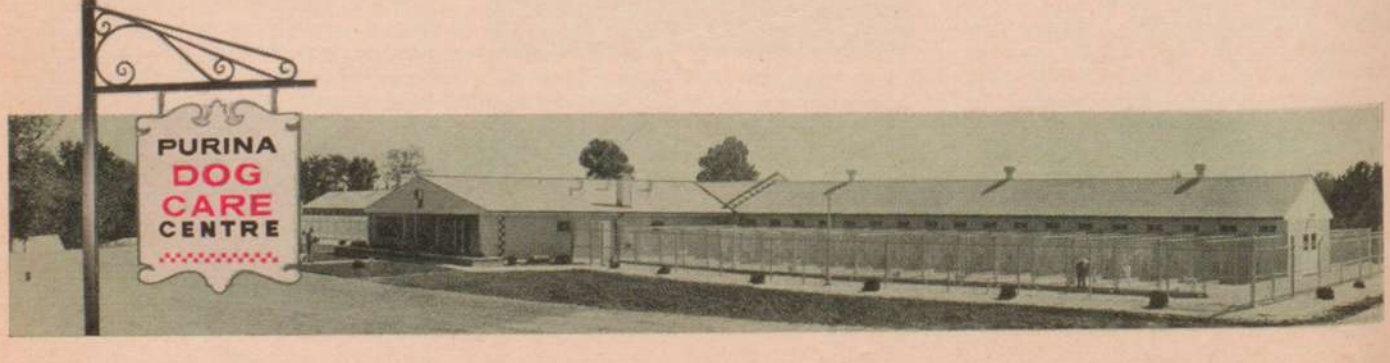

Best in Show went to Loramars I'm a Dandee, so aptly named, a beautiful little brown Toy owned by Mr. A. E. Barlow of Canton, N.Y. Best Opposite Sex, the Standard, Bel Tor Too Good To Be True, owned by Mr. J. A. Mason, Bel Tor Poodles, Pine Orchard, Conn. Best Canadian Bred was Ch. Karas Buccaneer of MaGriffe, Miniature Poodle (who was "cover dog" *Dogs*, January, 1962), owned by Phyllis Walker, MaGriffe Kennels Reg'd., Toronto. Best Canadian Bred Puppy was Talisman's Youpon of Monai, owned by Grant Lay of Port Credit, Ont.

Highest Scoring Dog in Trial was won by Domino Daedalus, who was also Highest Scoring Poodle with a score of 199. Owners are Mr. and Mrs. Abe Zvonkin of Hamilton, Ont.

Dr. Jim Corbin (above) Manager of Dog Research, says—"I'm sure that many Canadians will be interested in the facilities that we have and the work that we do down here in Gray Summit, Missouri. The Purina Dog Care Centre is located at the 778-acre Purina Research Farm, about 35 miles from St. Louis. It's the largest and most modern dog centre in the world and it's devoted to dog nutritional and management research.

"At the Centre we put the emphasis on CARE of the dog. Our research provides us with a tremendous amount of practical information on care, feeding, training and management of dogs. This information is continually being made available to both professionals and the general public alike."

16 DIFFERENT BREEDS UNDER ACTIVE STUDY

Beagles • English Setters • English Pointers • German Shepherds • Border Collies Shetland Sheepdogs • St. Bernards • Miniature Poodles • Dalmations • Red Bone Coonhounds • Dachshunds • Wire Haired Foxterriers • Boxers • Labrador Retrievers Greyhounds • Springer Spaniels

The breeds are rotated regularly to help us achieve the widest possible range of nutritional, breeding, endurance and growth studies. DOG NUTRITION IS A CONTINUING RESEARCH

The Purina Dog Care Centre works closely with our modern Research Laboratories and with the new Purina plant at Clarkson, Ontario on a continuing programme of nutritional research. 35 individual laboratory units work constantly to produce the finest possible animal rations . . . and to make sure that every bag of Purina Dog Chow and Purina Dog Meal carries a full quota of essential nutrients.

This brief introduction will give you some idea of the scope and the size of the Purina Dog Care Centre. If you'd like more information—or if you have any kind of problem involving the care, feeding and management of dogs—please don't hesitate to write. We are here to be of service to you.

there are three members who have contributed no less than 52 years' service. One of those is Mr. V. W. Williams whom we have presently with us, and there are also Mr. J. A. H. Irving and Mr. W. H. Pym. That is a long time out of any man's life, and they have served well.

I think we should go on record as showing our appreciation for past and present members of this board.

THE CHAIRMAN: Thank you, Mrs. E. Brown.

Now we will go on with the regular business.

THE SECRETARY: The next is the appointment of our representative to the Canadian National Live Stock Records Board.

Those of you who were present at the meeting in 1960 in Toronto will recall the recommendation of the Board that, in order to ensure continuity of membership on the Board, it would be advisable for members to be appointed not on an annual basis but rather for a period of years; and as you may recall, that particular meeting approved the recommendation of the board, and that resulted in the election of Mr. MacCallum for five years, Mr. R. L. Blyth as a representative for four yaers and Mr. Wm. McDerment as a representative for three years. The position was taken that the President and the Secretary of the Club should also automatically be representatives. Mr. MacCallum was elected for the five-year term and is also the President of the club, and the Board of directors feel that there remains to elect only one representative to complete the roster of five representatives that we are entitled to; and it is the recommendation of the Board that Mr. Walter Brown be elected for a one-year term so as to complete the roster of five.

MR. T. JOEL: Are we in order to make nominations now?

THE CHAIRMAN: Yes.

—The following were nominated:
Mr. H. M. Gardiner
Mr. Walter Brown
Mr. W. J. Monaghan
Mrs. N. T. Smith
Mrs. Edna Joel.

THE CHAIRMAN: Any further nominations? This is the third and last call. I declare the nominations closed.

—Mrs. Joel declined the nomination.

(NOTE: The Chairman later reported to the meeting, following a secret ballot, that Mr. Walter Brown had been elected a representative of the Club to the Live Stock Records Board).

PROPOSED AMENDMENTS

THE CHAIRMAN: We can proceed to discuss the proposed amendments of which notice was given in the December (1961) and January (1962) issues of "Dogs in Canada".

Are there any questions on the proposed amendment No. 1?

MRS. ELLEN BROWN: I don't believe either the mover or the seconder of this motion is here, but I believe that the purpose of this proposed amendment No. 1 was that they thought that only the people who were actively concerned in the breeding of pure bred dogs should have the right to make a protest at our dog shows.

They don't think that anyone, unless actively interested and covered by the rules of this organization, should be allowed to lodge a protest.

MRS. N. T. SMITH: I would like to have some clarification on this. Am I reading this correctly, that the exhibitor must be a member of the Canadian Kennel Club before they can make a protest?

THE SECRETARY: I have the original notice that was served, and there is no comma after the words "Canadian Kennel Club." It goes on all in one phrase.

THE CHAIRMAN: Mr. Gardiner?

MR. H. M. GARDINER: Mr. Chairman, this proposed amendment would appear to increase the number of persons that can make protest at any of our shows.

I would move that this be sent to the Amendment Committee.

MRS. N. T. SMITH: Chaper 23 reads:

"A protest against a dog may be made by an exhibitor, entrant or any member of the Canadian Kennel Club or of the club holding the show."

MRS. S. M. WEIR: I would like clarification of the word "entrant". What is meant by "entrant"? In my humble opinion, the word "entrant" means anybody that enters the building.

MR. W. J. MONAGHAN: Mr. President, fellow members — I have here the original amendment. This is the amendment in its original form. That is as it was submitted. Now in analyzing this proposed new amendment and comparing it with what is in the books now, I am of the opinion that the effect of the proposed amendment, if passed, means that entrants — if that means people who have just come into the show — will not be allowed to make any protest, on the ground that they have no manifest interest in the dogs. If, however, "entrant", in the first, means a person who has entered a dog, then it is redundant because that is an exhibitor. However, the effect of the proposed amendment, if it is approved, means that only those exhibitors who are members of the Canadian Kennel Club or of the show-giving club may make a protest; it means that if an exhibitor is not a member of the C.K.C., or of the show-giving club, he or she cannot make a protest. There is the further effect that the proposed new amendment gives judges and handlers the right to make protests. You have to ask yourself questions: Does a judge need to make a protest, or does he just disqualify them? The other question to be answered is: Is the present rule so inadequate that a handler can not make a protest? Is that what it is meant by "entrants" — "handlers"? Or, is the handler, as the agent of the exhibitor, to all intent and purposes? If the handler, to all intent and purposes, is the agent of an exhibitor, as an exhibitor he is already covered in the rule as it is. I don't personally see why judges have to be included in this at all.

The only other question is: If an exhibitor is not a member of the Canadian Kennel Club, or the show-giving club, do you think it is the wish to prevent him from making a protest if he has a legitimate basis for making one?

MRS. N. T. SMITH: The word "exhibitor" is defined as "the owner of the dog". So, a handler is not an exhibitor.

MR. V. W. WILLIAMS: Mr. Chairman, after listening to these remarks, it appears to me that the word "entrant" is more or less ambiguous. It is not sufficiently defined. I would like to move that the sponsors of this proposed amendment be advised to make the amendment through the secretary and the discussion that has taken place here and ask them for a re-wording of their proposed amendment.

MR. W. M. DAWSON: I will second that.

THE CHAIRMAN: We have a motion, by Mr. Williams, to refer this amendment back to the principal proposers. As you know, a motion to refer is not debatable.

THE CHAIRMAN: All in favour?

THE SECRETARY: There are 39 for; 1 against.

THE CHAIRMAN: Motion carried.

THE CHAIRMAN: Proposed amendment number 2 is next.

MRS. S. M. WEIR: May I ask who sponsored this number 2 ?

THE SECRETARY: This and all the remaining proposed amendments are those put forward by order of the Board.

MR. W. J. MONAGHAN: If I may say a word of explanation, the proposal was made to the Board — representations were made to the Board that provision for the award of the Best of Opposite Sex award should be deleted from the dog show rules. Now, this is only all-breed shows. If a specialty show wishes to have this award it may say so in its premium list. Now that is the gist of it. There are very strong and serious representations made to the Board and the Board drafted this.

MRS. S. M. WEIR: I would like to ask the Board why the Best of Opposite Sex should be deleted from all shows unless expressly asked for in specialty shows, for the reason that a great many spectators who are breeders, owners, are closely watching the awards at the Best of Breed level? Where a specimen of one sex is singled out, if it should happen to be male, he becomes, in the eyes of a great many people, a valuable stud. In the case of a female, her breeding is watched with interest and the progeny is watched with interest. For this reason alone, I feel that to delete this award is doing an injustice to the Opposite Sex.

MRS. J. DANIELL-JENKINS: I would like to endorse Mrs. Weir. I feel we would be giving a very serious blow to the interests of exhibitors in cutting out Best of Opposite Sex awards, particularly where there is a great number. Where there are only one or two dogs entered, it wouldn't matter so much, but in a large breed entry, everybody can't take Best of Breed and there is a great consolation and a great satisfaction in knowing that the Best of Opposite Sex award does give recognition to the other sex. I think it is of great interest to breeders and I think we will be doing ourselves a great harm, both in the eyes of Canadian and American breeders, if we abolish this award.

MR. W. W. WILLIAMS: It often happens that a dog going up in the class becomes a best of opposite sex through having beaten other specials competing, which gives it an added value. I just wanted to express that.

MR. L. J. LAGIMODIERE: I would like to ask the Chairman to explain why the suggestion of deletion of Best of Opp. Sex. has come about. What is the thinking behind this move?

MR. W. H. McKENDRICK: I think this whole matter of the proposed amendment could be helped along quite rapidly

if we, as members of the Canadian Kennel Club, do not agree, that we notify the Chairman of the Amendments Committee and get him to revise into a proposed amendment that will agree with our principles to bring it back to us. I will move that any objections and/or recommendations we have on these proposed amendments be transmitted exactly to the Chairman of the Amendments Committee and let him recommend further.

MR. WALTER BROWN: I will second that.

MRS. ELLEN BROWN: The Best of Breed can be a very good, high quality dog, but it is not necessarily said for the opposite sex. It could be a vastly inferior type. It is still open to question that your Best of Opposite Sex is the second best dog of the breed.

MRS. J. DANIELL-JENKINS: Would a better amendment be that a Best of Opposite Sex be awarded when there is competition in the opposite sex?

MRS. PAMELA MACK: I think this difficulty has mainly come about and largely through this past year, the fact that on occasion it has made quite a difference in the point rating and we have had some difficulty in arranging point rating and there have been arguments on what the points should be. It has led to so much confusion that is why I think it has come about. Mr. McKendrick was on the Board this year and he knows that it has led to a lot of arguments and possibly the reason for the amendment is, I think, through that.

MR. W. J. MONAGHAN: There is one further point. There were situations last year where it ended up that Best of Opposite Sex ended up with more points than the Best of Breed and if the Best of Opposite Sex had more points than the Best of Breed and became the champion, when it was not the second or third or fourth best dog in the breed, the revisions were made. Now, the Board is not committed to this. The Board is merely bringing it to you, not to start an argument, but to tell you what the situation is. This is perpetuating the cheap champions.

MRS. S. M. WEIR: Then the clarification should come in the point rating, not in the abolishment of the awards.

MRS. EDNA JOEL: Surely ribbons given out at a show are given out by a judge and a judge does not have to give out a ribbon to a dog that he does not think is worthy of this award. The onus should be put on the judge.

MRS. S. M. WEIR: I will make a motion that the point rating be given some study on this question and that the award not be abolished.

MR. H. M. GARDINER: I will second that.

THE CHAIRMAN: Ladies and gentlemen, we have a motion, duly seconded.

THE CHAIRMAN: We have a motion by Mrs. Weir. All in favour? Any against that?

THE SECRETARY: For, 26; against, 2.

THE CHAIRMAN: Ladies and gentlemen, it is now ten after six, I believe. What is your pleasure with regard to the dinner hour?

MRS. N. T. SMITH: I move that we adjourn for one hour and no longer.

MR. BROWN: I second the motion that we adjourn until seven fifteen.

THE CHAIRMAN: All in favour? Against that motion? The motion carried that we adjourn until seven fifteen.

Dinner adjournment at 6.10 o'clock p.m.

—On resuming at 7.40 o'clock p.m.

THE CHAIRMAN: Ladies and gentlemen, we are discussing the proposed amendments, and the next proposed amendment is No. 3.

MR. H. M. GARDINER: Mr. Chairman, I would like to make a motion that all the remaining proposed amendments be referred to the Amendment Committee forthwith.

MR. T. JOEL: I will second that.

MRS. S. M. WEIR: I am here to discuss these things.

MR. H. M. GARDINER: Mr. Chairman, I have a motion on the floor and it is not debatable; I would like the question taken right now, please.

THE CHAIRMAN: All in favour of this motion? Against this motion?

THE SECRETARY: In favour, six; against, fifteen.

THE CHAIRMAN: The motion is lost.

THE CHAIRMAN: We go on now to discuss proposed amendment No. 3. Mr. Monaghan, have you anything on this amendment for the meeting?

MR. W. J. MONAGHAN: Mr. President and fellow members, I would ask that proposed amendments 3 and 4 be read together because they deal with the same matter; the measuring and weighing of dogs. These are proposed amendments which have been drafted and ordered by the Board.

The reasoning is this, (1) what is the use of having rules or standards setting out certain specifications if they are not carried out? (2) the way we are operating at the present time, it is left to the initiative of an individual at a competitive event to invoke the rule. This often results in snide remarks, clashes of personalities, personal spite, revenge, and the situation on this was very bad.

We had an excellent example of this within the last couple of years where a well organized breed club decided that it would have one of its members at each show ask for the measurement of the dogs in that breed. That went on for a couple of times and there were so many aspersions cast that it got to the point where there were insinuations made and people got fed up and were wondering why they should subject themselves to this type of invective, and I think that everybody realizes that in the standard of certain breeds there are specific measurements, and the way these measurements are proposed they will affect only those breeds where there is a definite limit of height, either maximum or minimum, or both. This will, I think, apply to those dogs where there is a limit in the standards.

This procedure is carried out, I understand, throughout the United Kingdom, and we feel that if this qualification is now standard or this provision is now standard that it should be enforced and it should be enforced universally and not left up to the initiative of one or two persons to demand these things, and normally I am sure all of you are aware that when a demand for measuring is made, the show club quite often is not properly equipped to comply with the request. There is nobody officially there to look after the measuring; the superintendent is very busy and the equipment might not even be there — although it is supposed to be there — and this is a proposal with the backing of the Board that we put this in the referendum and let the membership at large decide whether or not it wishes this kind of a provision.

As I mentioned earlier in the day, I did suggest that all of these proposed amendments be included in the agenda of this meeting for the purpose of getting the views of those concerned. Now, the constructive views of the people attending this meeting — a summary of those views, as you know, will be published and then, at the discretion of the Board, the matter will go in the referendum.

Now, conceivably some of you may have suggestions which would make it more simple to set up this procedure. If you have, we would welcome them.

Now, you may take exception and some people have already done so in writing — I have the letters — they have taken exception to what is in Amendment 3. In drafting this proposed amendment it was put here for the purpose of having something concrete for a guide, but there will be some regulations to carry it out because I am sure you will all agree, and I am sure you realize, that it is almost impossible to cover everything by legislation far in advance, particularly through a referendum.

Now, the first part of No. 4 in all of this refers to weight and in all of this refers to the determination of colour and markings, but none of these provisions are new, they are already in the dog show rules and they haven't been changed at all. This amendment is only attempting to propose something about measuring, so I would like to make that clear.

Since this was drafted it has been brought to our attention that one thing is missing, and I quite agree that in drafting it one thing was overlooked; there should be provision somewhere in here to say, first, that there will be certificates of measurement issued and giving the provisions for issuing certificates of measurement in the general sense as for field trials, and to go on to say that having established it they will be issued.

There has been some question of who the measurers will be. That will present some difficulty. If the show giving club is charged with the responsibility of selecting the measurers, one objection which has been made to me is this, that maybe one or both of the measurers selected by the show giving club will be so interested in his particular breed that he is going to measure out the dogs of his competitors. I have that in writing. Now, our job is to assess that and find out just how valid that statement might be. I think myself that the show giving club should endeavour not to put people of that temperament in these official positions.

As Chairman of the Amendments Committee, Mr. President, I now move that proposed amendments 3 and 4 as may be amended at this meeting be agreed in.

MR. W. H. McKENDRICK: I would be very happy to second that motion.

MRS. S. DIAMOND: It would appear in Amendment 4 that if section 5 is deleted, it would seem that there is no provision for a competing exhibitor to protest another entry. Section 5 allows a competing exhibitor to contest another entry. If this is eliminated, it would appear that one can't do this. This is Chapter 19, Section 5.

MR. MONAGHAN: I see the point that Mrs. Diamond is making. The general section on protests will give opportunity for that, but if the measuring is done correctly quite a few might be eliminated. However, if there is something that is irregular, there is still recourse to this provision in Chapter 23.

MRS. S. DIAMOND: The amendment, as I read it, says that an exhibitor can request, if they wish, to have their dog weighed at the beginning of the show. There is nothing to say they have to have it weighed.

MR. W. J. MONAGHAN: That weighing part is in the rules now and it hasn't been changed.

MRS. S. DIAMOND: That is right, but that is if an exhibitor wishes to have their own entry weighed, but section 5 is a section which allows a competing exhibitor to request that someone else's entry be weighed if it has already not been weighed. If you eliminated this there is no way of hav ing somebody else's entry weighed if it hasn't already been weighed.

MR. W. J. MONAGHAN: I see what you mean.

MRS. S. DIAMOND: Did you receive a letter to that effect on this?

MR. W. J. MONAGHAN: Yes, but this is dealing with the weighing. However, the point has been noted and it will be given consideration.

THE CHAIRMAN: Any further discussion?

MRS. S. M. WEIR: Yes. Since this measuring of animals particularly concerns a breed in which I am interested, I feel that certain suggestions might be in order, and that is that the appointment of a measuring committee shouldn't be left to the show giving club, there should be an official, two officials appointed because of the fact that they will gain experience in having the same person do the measuring and the general public will gain confidence in their measurements.

I also feel that there should be a clause stating where the measurement should take place, and it is my opinion that the measurements should take place in the body of the show and not in some room. This is done in the States and I see no reason why it can't be done here.

THE CHAIRMAN: Any further discussion?

MRS. ELLEN BROWN: I would like to ask what Mr. Monaghan refers to as "qualifications"? What qualifications does he expect us as a show giving club to list for our official measurer? What does he deem the qualifications to be?

MR. W. J. MONAGHAN: The qualifications I think would be one of those things which would be incorporated in the regulations and which may be modified from time to time. I would like to make this clear, of course, that it is not my proposal; I am only Chairman of the Committee.

THE CHAIRMAN: Do you all know the question?

THE SECRETARY: The motion is that the proposed amendments 3 and 4, as may be amended at this meeting, be concurred in.

THE CHAIRMAN: That is the motion. All in favour? Against?

THE SECRETARY: In favour, 23; against, 3.

THE CHAIRMAN: That takes care of three and four. Now, No. 5; Nos. 5, 6 and 7.

MR. W. J. MONAGHAN: Mr. President and fellow members, my suggestion is that we consider in principle proposed amendments 5, 6 and 7 because they all have to do with kennel names in one way or another.

Now, as you can see the first one, proposed amendement No. 5, the intention there is to put into the by-laws, incorporate in the by-laws the principle and the policy which the Board has been following for many years by way of standing resolutions, and to all intents and purposes these policies have been carried on for years and the Board has come to the conclusion that it would be advisable to have these spelled out in the by-laws principally for this reason.

Now, No. 6 is a very straight forward one. For many, many years the Registration Committee has been constituted to be authorized to take care of certain matters dealing with registration. The Registration Committee's decisions are above review by the Board; this Board cannot review the decisions of the Registration Committee. A person affected may appeal, but so far as the Board is concerned all it does is receive the report of the Chairman and include it in the minutes of that meeting.

This proposed amendment would put the Kennel Names Committee on some basis and decisions of the Kennel Names Committee wouldn't be subject to review by the Board, and decisions of the Committee would be incorporated into the minutes.

Now, No. 7. No doubt you know with the great increase in membership and in carrying out the policies of the Board, more and more kennel names are getting registered.

The present rule is that a kennel name is registered and that protection is effective for a period of five years after the last time you do use it. Suppose you register dogs for ten or fifteen or twenty years, your kennel name is protected for a period of five years after the last date you use it and then it is placed in the reserve and it is protected there for another five years. However, if anywhere along in that ten year period you use it again, this whole thing starts over again and you have a five and another five.

Now, it is not proposed that that policy be changed in regard to any names that are registered before this specific date in here, but we are getting — in the records office particularly — a terrific accumulation of names.

This proposal, then, is to change the system of registering kennel names on and after the 1st of July, 1963; that is, anything that is registered up to that time will go on the old system, but the new system is something that is much more in keeping with the Trade Marks Act, which is a Dominion government statute. Under the Trade Marks Act, you can register your trade mark but you must renew it from time to time. You don't get protection in perpetuity, and this proposal is somewhat similar if it is approved, that on and after the 1st of July this new system will be in there and there will be a maintenance fee and it will be renewed. Instead of the records office and the club taking precautions, it will be up to the person who has registered the name to look after himself by renewing it, and I move concurrence of proposed amendments 5, 6 and 7 as they may be amended at this meeting.

MR. T. JOEL: Mr. President, would it not be possible to protect the names by having a life registration fee? I don't know what the figure could be but, say, $25.00 at the time of registration rather than an annual payment of $1.00.

THE CHAIRMAN: We will take that into consideration.

MR. H. M. GRATTON: Would you explain what you mean by "life"?

MR. T. JOEL: Yes. If, after death, the kennel name is passed on to somebody else, or some other member of the family, I would suggest then that they would then have the right, if it is agreed to by the person before death, that this kennel name would be passed on to some member of the family — it would carry on with the payment of a further $25.00, or whatever figure was fixed. Unless the kennel club, as has been stated, considered the case and agreed under the circumstances to it passing on to some member of the family.

MR. H. M. GRATTON: What about the backlog? There must be a backlog of names. There must be a lot of names that could be put into circulation.

MR. W. J. MONAGHAN: There has been some discussion which is somewhat similar to what I mentioned a moment ago, but I don't want what I said to be misinterpreted. We don't wish to be retroactive in this.

This is to start as of July 1st, 1963. Therefore, if anyone should obtain a kennel name that has already been previously registered under another's name, then the same thing occurs; they should come under the new legislation and be required to pay a renewal fee every five years. If it were to be passed on by sale or by gift or by death it would not be also too much to ask that the new owner of the name should at least fall in line with the other persons registering any kennel names, and pay the renewal fee every five years.

MRS. S. M. WEIR: How would the suggestion that there be a lifetime guarantee of a kennel name apply in a situation where the kennel name is owned by a partnership?

MR. W. J. MONAGHAN: This is something which would have to be figured out.

MR. H. M. GARDINER: With all these names lying in abeyance why don't we start with a fee of $1.00 every five years, or, as Mr. Joel has suggegsted, a lifetime . . .

MR. W. J. MONAGHAN: For the simple reason that I think I am correct in saying that most of the names on the reserve list have in their time been very prominent names, and the persons who had those names registered have passed on. Now, if they had established quite a good reputation under that name when they were active, why should we now throw them open and let somebody else get in to capitalize on the reputation built up by the other person?

THE CHAIRMAN: Is there any further discussion on this? We are going to pass along.

MR. T. JOEL: I think that this idea is a very good one; but after the ten years all of them should be freed for further use.

MR. W. J. MONAGHAN: I think what Mr. Joel says has got a considerable degree of merit.

As the rule reads now the name is protected, as I mentioned before, for five years after the last date it has been used. Under the present By-law it is under reserve for ten years and at the end of fifteen years it is free.

MR. W. H. McKENDRICK: I wouldn't want it any other way.

MR. W. J. MONAGHAN: There is one exception. That is the exception about the "stop" cards. There are certain names which, we feel, even after fifteen years, have some unique features about them which should not be freed. There are ones which are protected by "stop" cards. I don't know how many there are, but there are some.

THE CHAIRMAN: All those in favour of the motion? Those against?

—For the motion, 30; against, 0.

THE CHAIRMAN: We are down to item No. 8.

MR. W. J. MONAGHAN: Mr. President, fellow members, proposed amendment No. 8 is an attempt to make a provision that a dog shall not be eligible to be entered in competition if its colour or colours, or colour and/or markings, are such that the dog would be disqualified if placed in competition in an event held under the rules of this club; and if, notwithstanding that, because of something in the standard about colour or colours, a dog is not eligible to compete in a competition, and the dog is registered, then there be authority to cancel its registration.

There is one thing I would like to say at the beginning and that is under this by-law it would be encumbent on everyone to be very careful.

Last fall at the referendum ballot there was a proposal to the effect that if the individual dog has a charactertistic which is considered to be detrimental to the improvement of its breed if used for breeding purposes, then the registration would be cancelled — if it had a characteristic that was considered detrimental to the breed.

We would like to have your views on this proposed amendment No. 8.

I am aware of two very diametrically opposed schools of thought on this.

In any event, I move acceptance of the proposed amendment No. 8.

MR. W. H. McKENDRICK: I will second that.

MRS. N. T. SMITH: I have always been led to believe that the fact that you register it is a guarantee that the dog is pure bred.

I would like to have the language clarified.

MR. T. E. GUNDERSEN: I am just wondering how you would deal with dogs imported from England and the United States, that are accepted in their country of birth.

MR. W. J. MONAGHAN: The dogs imported from the United States or England or any other foreign country would have to comply with our rules if they are to be eligible for registration. You can't just say "register".

MR. H. M. GARDINER: I do not know whether this is going to do any good, but I would like to make an amendment that this meeting request the Board to drop this proposed amendment.

MR. W. J. MONAGHAN: If the meeting votes down the motion for concurrence, it achieves the same effect. With reference to the remarks of Mr. Gundersen, the opening words of this will take care of that problem, "notwithstanding any other by-law". Notwithstanding any other provision in the by-laws, that would mean that if those dogs registered in a foreign kennel club do not qualify under this, then they wouldn't be registered here. My own personal opinion is that if this is going to go in the ballot, it should be expanded on — clarified a bit more. The Holstein people have done this, as you very well know. They have this and they are progressive and, although I did not propose this, I am going along with it because I thought that the Holstein record has been held up to us as being a very eminent one to follow. Since they have this provision, what is wrong with us doing it?

MRS. PAMELA MACK: Form a committee to do that, with someody in charge and I will be more happy about it.

MR. W. J. MONAGHAN: There are other physical qualities or characteristics. There are other characteristics which certainly are detrimental to the breed; for example, cryptorchidism. There is a big argument over that, but it is accepted in Canada and that is a disqualification. That would be one. Now, those cryptorchids cannot be entered in shows. I am of the opinion that the registration certificate should be cancelled. A cleft palate is another characteristic which may be detrimental. Until this is set up in properly worded form, we would never be able to introduce our selective registry and make it stick. The enabling legislation must be there and if your opinion is that this enabling legislation should be there, well and good. If it is not put there, it will just delay any progress towards selective registry for another five or ten years.

THE CHAIRMAN: Mrs. Mack is next on the floor.

MRS. PAMELA MACK: With regard to this proposed amendment No. 8, I think it carries a great deal of merit. But, in the last sentence, if you are going to put this amendment through, what are you going to do about the faults in the same dog that could be cancelled, or its descendants?

MR. D. H. MILLER: I am well aware of what the nature of this thing is. Basically, I am all in favour of it. However, like the legislation, it must be enforced. It is only as good as its enforcement. I am very, very curious as to what the proposal is or what the method of administration is being planned to execute it. I think, perhaps, if you can come up with something that made some good solid sense as to who was going to go out and make those decisions, maybe a few of the people might think about it a little differently.

MR. W. J. MONAGHAN: With regard to the point raised by the Director for Alberta — it is a very good one— many of you or all of you know that in the December and January issues of the Magazine, certain notices were published and there were invitations to members to send in their views, requests, and so on. One of the questions in there was: If this is adopted, how do you propose that it be enforced? Do you know that we have not received one hint from anybody disagreeing with the proposal.

THE CHAIRMAN: The whole thing is, regarding these proposals for these amendments, they are only put out before you people to criticize and tear them apart and put them together again, as you feel that you would want them yourselves. There is nothing being done without you people knowing what is going on.

MR. G. HUNT: This, I feel, should be left up to the individual breeds, the breed groups, to police their own breed. If one breed falls down because of lack of quality, some onus should be placed on the breeders. The Board should not carry or be required to carry the responsibility for the properness of a particular breed and its future of that breed.

MRS. PAMELA MACK: There is one thing I would like to find out and make clear about with this. Around Toronto, I know most of the queries come straight to the Canadian Kennel Club. In the provinces, we have to do a lot of work and take care of many of the details that would normally go directly to the Club and, on occasion, we have somebody who buys a dog or acquires a dog in some way or other and they feel that perhaps they have not — they have obtained a pure bred dog, admittedly of poor quality, or something like that. I have always understood — I may be wrong — that your pedigree is simply on the lineage of the dog — the fact that it is one pure bred — not on the quality of it. I think this is something very excellent that we should try to bring in. But, if you are going to start ruling on what dogs are to be registered, or to be disqualified, I think the only practical way would be every dog would have to be inspected before it is registered, out of fairness to everybody.

MR. D. H. MILLER: The next logical question is: Who is going to pay the cost of an examining committee? If you multiply the number of breed times 5,000 miles, from coast to coast, times travelling expenses . . .

THE CHAIRMAN: Read the original motion, please, Mr. Secretary.

THE SECRETARY: That, this proposed amendment, as it may be amended at this meeting, be concurred in.

THE CHAIRMAN: All in favour of the motion? Against?

THE SECRETARY: There are nine in favour; twenty-five against.

MR. W. H. McKENDRICK: May I just have clarification and ask where you are now?

MR. WALTER BROWN: Mr. President, the situation we are in today — the Board is — is the same as five members of the organization that made an amendment and five members make an amendment and submit it to this meeting and we can't turn it down. We can only recommend suggestions. We can only try to help them improve it. But, if they still say "No", it has got to go through the way it was presented. It has got to go through that way and we can't do anything about it. Now, if the Board, in their judgment, want to ignore the vote tonight, they can do so, just the same as the five individual people can; they have a right to do that because they presented the amendment.

THE CHAIRMAN: We are now at proposed amendment No. 9.

MR. W. J. MONAGHAN: Mr. President, No. 9 is so straight forward, actually, I think that it wasn't altogether necessary to include this in here; but, since it is on the agenda, I move concurrence of proposed Amendment No. 9.

MRS. ELLEN BROWN: I will second the motion.

THE CHAIRMAN: Any discussion on No. 9? You have heard the motion. All in favour? Against, against, against.

THE SECRETARY: In favour, 27; against, none.

THE CHAIRMAN: No. 10?

MR. W. J. MONAGHAN: Mr. President and fellow

members, No. 10 is very straight forward. At the present time the provision in the by-laws is that the first meeting of the Board will be called either by four members of the Board — or the President. The way the by-law reads now is that the first meeting of the Board cannot be called until after the 1st day of January, and since it takes fourteen days' notice to call the Board meeting, that would mean the meeting always takes place about the 15th or 16th of January. In these circumstances—and it is necessary to have a first meeting of the Board—in these circumstances where the annual board meeting and the annual general meeting is being held in the first few days of February, this throws an undue burden on the office staff and the suggestion is that we amend the by-laws by putting in there a specific stipulation about when the first meeting of the Board will be held. Those who are candidates will know this date and there is no fooling around about trying to get a telegram out, and all of this.

My suggestion is the slight rephrasing of this. I will tell you what I am suggesting, and then I will make the motion. I suggest that the first meeting of the Board shall be held on the Saturday following the 3rd of January for the simple reason that — we want to have it as early in the month as we can. If the 1st of January is on a Friday or a Saturday, that would bring the meeting to the following Saturday. If the 1st day of January is on a Saturday, the meeting would be the following Saturday. I am suggesting that this be rewritten to read that the first meeting of the Board shall be held on the Saturday following the 3rd of January, and I would like to have concurrence on proposed Amendment No. 10.

MR. McKENDRICK: I second it.

THE CHAIRMAN: Any further discussion? All in favour? Against?

THE SECRETARY: In favour, 22; against, 2. That is carried.

THE CHAIRMAN: Next, proposed amendment No. 11.

MR. W. J. MONAGHAN: Mr. President and fellow members, No. 11 is very straight forward. I move that proposed Amendment No. 11 be agreed upon.

MR. WM. McDERMENT: I second it.

THE CHAIRMAN: Any discussions? All in favour? Against?

THE SECRETARY: In favour, 26; against, none.

THE CHAIRMAN: Amendment No. 12?

MR. W. J. MONAGHAN: I would like to suggest that if its meets with the approval of the members that No. 12 and No. 13 be conisdered together.

The Board has considered what the situation would be in the event of the death of a candidate. There is no provision in the by-laws to cover this eventuality. I hope that such a thing never does happen, but there should be something in the by-laws to cover it, should it happen, this has been published in the magazine and comments and suggestions have been elicited. Nobody has written in anything about it.

I think that probably the only question I should deal with is to point out to you that there is a difference in the procedure to be followed in so far as candidates in Ontario are concerned in contrast with the candidates in other provinces, and the reason for that is; that in all of the other zones there is only one candidate to be elected, so there is a procedure suggested there to take care of the situation in the event of the death of a candidate.

Now, in the event of the death of a candidate in Ontario where five directors are to be elected, the suggested procedure is a little bit different.

Now, whether you feel that this is sufficient or whether you feel it could be improved on, I may say we are quite open to suggestions. The main thing is that at least there is something down in black and white as a guide. I might say that so far as the offices of the president and the two vice-presidents are concerned, they are dealt with in there, too; in the event and there is the death of a candidate and the death of the candidate should take place in one of two sets of circumstances; it could be between the time the names are closed and the ballots are printed, or after the ballots are printed and before the close of voting. It is a straight forward attempt to get something down in black and white as a guide in the event such a set of events should occur, and I move concurrence of proposed Amendments Nos. 12 and 13.

MR. W. H. McKENDRICK: I second it.

THE CHAIRMAN: All in favour? Against?

THE SECRETARY: Twenty-eight for; against, none.

ANY OTHER BUSINESS

MR. T. JOEL: Mr. President, in the minutes last year—at last year's annual general meeting we had a motion moved and carried by twenty-four to two—which is about 93 per cent of a majority—and this was regarding critiques.

Could I have some indication, please, on why the Board saw fit to carry on the way they did and institute proceedings to bring these critiques into being in view of the fact there were such a vote against it at the meeting? It will be argued, no doubt, that the twenty odd people present were a very, very small majority of the members at large, but we will be sitting here all day today and you keep telling us you want our opinions, and when you get them you ignore them. Could somebody please tell me why?

THE CHAIRMAN: This is regarding the judges' confidential critiques?

MR. T. JOEL: Yes, the confidential critiques.

MR. H. M. GARDINER: This might be a little better answered, probably, by somebody on the Board who might be responsible for the past president's statement in the letter to the members. This was issued last December, the message, to all C.K.C. members, and I will quote from here where it says:

> "Pertaining to the critiques, some objection has been taken to the fact that these critiques have been regarded as confidential to the Board. It is evident there is a feeling on the part of some that having obtained these critiques they ought to be published."

And he goes on to say:

> "I think it will be agreed in fairness to those who exhibit dogs, and on whose dogs the critique has been submitted that a thorough study should be made as to the practicability and desirability of the system of critiques before publication is considered."

Now, the point here is the next sentence:

> "I thoroughly believe that the report which the special committee will place before the next annual meeting of the Board will indicate to the Board what its future policy should be."

Now, apparently, there is a committee operating within the Board and it has been operating for over a year and a half. Perhaps that particular committee might well explain some of the questions that many, many members would like to know about this particular business, and in particular the question that Mr. Joel has asked. I think it is only fair; we meet only once a year and I think this is the proper time to enlighten the members of what the Board is doing, and in particular, when things have been done, to explain why.

DR. ROBERT WILLIAMS: Since Mr. Joel is impressed with figures, I have worked it out and his 93 per cent represents 1.2 per cent of the members of the Kennel Club, where we as directors represent the whole 2,000.

MR. H. M. GARDINER: Is the previous speaker trying to suggest that the annual general meeting is not representative of a proportion of the members, or of 93 per cent of all memers being represented? We have heard this before, and just because there is only 24 or 25 people appearing for something, you say, "We don't listen to you because you are not representative of the whole membership." I suggest we are. You are not saying these people here today are not fully representative of our general membership? I would suggest that if 50 per cent of these people vote on something and 50 per cent vote against it you will come to the same proportion as if you had put the same question to all the membership. Nobody can get up and say that because there is 93 per cent in this room it wouldn't be the same for all the membership. That is a lot of nonsense.

MRS. ELLEN BROWN: I would disagree with Mr. Gardiner because the vote that was taken on that was a small minority group and it is the same as our old annual meeting used to be with the votes at the annual meeting and it only required a quorum of 40 and 31 votes were all that was necessary and the whole of the membership of this organization was governed by it. Would you tell me that was never the case?

MR. H. M. GARDINER: Certainly not.

MRS. EDNA JOEL: I was on the floor last year and I think everybody was well aware that I did fight against what happened. As you see, these members of the Board say this vote was not representative of the membership, then why did it not go on the referendum ballot and then you would have got a representative vote?

MR. H. M. GARDINER: Let us find out who the Chairman is. Mr. President, can you tell us who the Chairman of the Committee is?

THE CHAIRMAN: Mr. Gardiner, Mr. Williams is the Chairman of that committee and Mr. Monaghan is the Chairman of the sub-committee.

MR. V. W. WILLIAMS: We started this back in 1958. The Board then considered the feasibility and the advisability of instituting the judge's critique because the Board had received several complaints of inconsistent judging, which exists today and probably will exist.

The system was put in force and submitted for consideration by the Board, and everything that has been done since 1958 has been recorded in the minutes and has been reported

in detail word by word to this Board at the session yesterday. I think every member of this Board is fully conversant with all that has happened since the thing was first started.

On December 8th, the Board in session in Toronto, phoned me at my place of business and stated that they considered it advisable to appoint a sub-committee to examine the critiques which had been submitted by judges during 1961 and to study all the benefits which were then evident or would be evident. I was asked to suggest who might be appointed to the sub-committee and did so.

Now, this sub-committee was just an exploratory committee to study the critiques and their findings were to be completely confidential. As a matter of record, the President in his wisdom consulted our solicitor to get his opinion as to the legality of appointing somebody from outside the Board to make this study. Now, that Committee has been in action and they submitted a report, which was in turn presented to this Board.

Yesterday it was considered by this Board in session — at least, they accepted my recommendation that the sub-committee continue to function as the main committee, and at this moment I am no longer on the committee. Any further details you want to acquire as to what has happened to this sub-committee, I will be glad to have Mr. Monaghan explain it to you, but I want you to understand this; this is not any one man's brain child, but I accept the responsibility for it and did the best I could.

I have no regrets on what I have done as far as my efforts are concerned, but every member of the Board, every national member that was in attendance at any meeting when this matter was discussed unanimously voted for what has been done.

MR. T. JOEL: I would like to get back to my original question now that that has been given an airing. Is there something in the by-laws or the rules of this Association that gives the Board the right to overturn any decisions that are made at this meeting today as they see fit and don't agree with what has been moved and carried?

THE CHAIRMAN: Article IX of the by-laws reads:

"The affairs of the Club shall be managed by a Board . . ."

MR. T. JOEL: "The affairs of the Club will be managed by the Board". Well then, everything that you have agreed to today can be thrown out tomorrow.

MRS. E. W. MANUEL: We might as well not have any meeting.

MR. H. M. GARDINER: We all know there have been critiques written and there have been committees and sub-committees studying those. What has been found out about them? Are we still going to conitnue with the critiques and not going to publish them, or is the matter going to be dropped?

THE CHAIRMAN: That is something that has to be decided at this annual meeting; not today, but later on.

MR. H. M. GARDINER: I take it that the Board would be very desirous of hearing the opinions of the meeting pertaining to this particular question, and I would like to make a motion, Mr. President, that if the Board deems it advisable to continue having judges' written critiques, then these critiques will be published.

MR. T. JOEL: I would like to move an amendment to the motion of — — do we have a seconder for Mr. Gardiner's motion? I would like to move an amendment that this Board this week give serious consideration to throwing the critiques out in their entirety.

MRS. S. DIAMOND: I will second the motion.

MRS. D. GARDINER: Don't you think any type of experiment, where judges have to use their brains and make definite statements and increase their knowledge, regardless of whether it is confidential or whether we all see it, and if somebody is working to try and better the breeds in any way, shape or form, what is all the objection? This is not hurting any of us. The judges are learning, they are at least learning and having to make a decision whether they should put "good", "bad", or "indifferent" down every time they walk in the ring and hand out ribbons.

MRS. EDNA JOEL: I don't think personalities have anything to do with critiques. I think it is something that people either believe in or do not believe in.

Coming from Britain I have had experience with critiques, and if anybody takes the British dog magazines they only have to read them to prove to themselves that they don't prove anything at all.

When we were showing dogs there we kept critiques on a champion of ours for a full year to find out what happened, and at the end of the year, according to some of the critiques, the dog wasn't worth a dam, and on the other hand, with other critiques the dog was the best of his breed in the U.K. I don't think they are doing the job, but where we should start is making championships more difficult to obtain.

MRS. S. M. WEIR: I think, ladies and gentlemen, there is another point of view which so far I haven't heard considered or suggested, and that is the point of view of the judge. The judge makes a decision in the ring and a cry of protest is heard, "He is crazy; he doesn't know what he is doing", and many other things. Now, he has to write a critique to justify what he did and I think this is his only means of justifying his position, and I think that all judges are entitled to that.

MRS. E. W. MANUEL: That is not always to say he is right. The criitques are not worth the paper they are written on.

MR. T. JOEL: Mr. President, I have listened with interest to the various comments. First of all, I don't see how writing a critique will make a judge any more learned. Secondly, I can't understand how the Board or the Canadian Kennel Club can support a system of genetics from the critique as it is devised at the present time, and I am convinced in my own mind, as a lot of people in this room are, that we have had to write them in the past but it is just a waste of time and a lot of nonsense in its present form.

MR. T. S. RICHES: One phase that hasn't been touched on is that in field trials the judges offer these critiques in public to the handlers and the owners of the hounds right on the running ground. You walk up to the judge and ask him what your dog did. or if it was a dog that was disqualified you ask him why, and there will be a whole crowd standing around and he answers you. There is nothing confidential about it. He defends himself before them.

THE CHAIRMAN: Now, all in favour of this motion which the Secretary will read.

THE SECRETARY: That this Board this week give serious consideration to throwing the critiques out in their entirety.

THE CHAIRMAN: All in favour? Against?

THE SECRETARY: According to my count, Mr. Chairman, in favour of the motion, 15; against 14.

THE CHAIRMAN: I declare the motion carried by one vote; 15 to 14.

MR. G. McNALLY: I move that it is the wish of this meeting that the Board review the Schipperke standard.

MRS. G. McNALLY: I will second that.

THE CHAIRMAN: All in favour of that motion? Against that motion?

THE SECRETARY: In favour of the motion, 23; against, three.

THE CHAIRMAN: Motion carried.

MRS. N. T. SMITH: May I bring to your attention, before you do a reprint of the Dog Show Rules, several conflicting statements in there. Perhaps the Board, in their wisdom, would consider them. One is that the listing fee for Exhibition only is twenty-five cents. It is on page 9. Another is that the Toy Manchester is listed in the breeds of which cropping is permissible and, yet, the Toy Manchester, according to the standard, which is cropped, is disqualified. The other one that I had to bring in to your attention which, perhaps, should be corrected in this issue, was the amendment that Mr. Monaghan has put forward — that official weighers and measurers conflicts, on page 25, with what is on page 26. In one place, it says the judge shall be the governing body who will be in charge, and the other says the show superintendent. So, those things, I have noticed, are conflicts all the way through.

THE CHAIRMAN: Is there any other business?

MR. J. C. ANDERSON: Yes, I have one. Just as a change of thought, as a member of the Board, I would ask the members a question. The Board has been asked a lot of questions all day and probably they have not answered most of them, but that is not the point. The Board will have to decide, in its meeting this week, as to where we will hold the next annual meeting. This is only an information question, Mr. President. What is the feeling of the members of moving the annual meeting to the various population centres of Canada, where members may speak? Now, this year we have had the annual general meeting in Montreal, rather than Toronto, and we have had a representative attendance, but, I would like to know, for the information of the Board, what is the feeling of moving the annual general meeting to the population centres of Canada?

DISCUSSION: During a discussion which followed:
(1) it was suggested that the opinion of the Club's solicitor be sought as to publication of the attachments to the sub-Committee's report of February 2nd;

MOTION # 202-62
Moved by Dr. Williams, seconded by Mr. Blyth:
"THAT, if at all possible, the publishing of the minutes of February 8th be delayed until the solicitor's opinion be obtained as to the publishing of individual Committee member's reports on the direction of the Board at the Committee Chairman's request."

FOR THE MOTION: Mr. Blyth, Mrs. Joel, Mrs. Mack, Mr. McDerment, Mr. Monaghan, Dr. Williams.

DISCUSSION: The Secretary pointed out that work on the printing of the April issue may have proceeded to a point where it would not be possible to remove the minutes of the February 8th session, and sought an instruction as to the action which would be taken in the event that it is not possible to delete the minutes of the February 8th session from that issue.

MOTION #204-62
Moved by Mr. Monaghan, seconded by Dr. Williams:
"THAT, if, as a result of the opinion of the solicitor there is a material change in the subject matter of item 11 D 10, and if the Secretary has not had the opportunity of delaying the publication of the minutes of the February 8th session, the Secretary be and is hereby authorized to publish what he feels will be the suitable text."

AGAINST THE MOTION: Mrs. Joel, Mrs. Mack, Mr. McDerment.
The President cast a deciding vote in favour of the motion.
Motion carried.

DISCUSSION: Mrs. Joel stated that since the examination of confidential critiques received in 1961 by committees had been questioned, that the Board should direct that the critiques be not examined by any committee until the matter is further discussed by the Board at its semi-annual meeting.

MOTION #205-62
Moved by Mrs. Joel, seconded by Mr. McDerment:
"THAT, these confidential critiques be held intact until it is presented to the semi-annual meeting, and in the meantime no-one have access to them except the Secretary."

Motion carried.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 24. KENNEL NAMES COMMITTEE

REPORT: The Secretary reported that the Kennel Names Committee:
(1) had considered the suggestions of the Canadian National Live Stock Records with regard to revising the present form of application for registration of kennel name;
(2) had considered the advisability of amending the application for registration of kennel name in such a way that a larger form would be required, but on which it would be possible to disclose policies affecting the granting of kennel names and other information which would be helpful to applicants, realizing that such a change may necessitate new procedures in the Records Office in connection with the checking of names shown on applications for individual registration of dogs;
(3) had agreed to recommend to the Board that it consider asking the Live Stock Records to instal, if necessary at the Club's expense but on the understanding that such equipment would remain the Club's property if purchased by the Club, new equipment which the Committee felt would expedite checking of applications against the list of kennel names and ensure greater accuracy in connection with such checking.

DISCUSSION: During a discussion which followed it was agreed:
(1) that a new type of application for registration of kennel name form is to be desired, even though this may necessitate the printing of a much larger form than is presently used;
(2) that a visible filing system is much to be preferred by those in the Records Office checking the names of dogs against the list of registered kennel names;
(3) that the Committee should be authorized to make appropriate arrangements with the Director of the Canadian National Live Stock Records;
(4) that when any new system is set up it should clearly indicate those names which may be used as a prefix only according to the present By-laws.

MOTION #207-62
Moved by Mr. Monaghan, seconded by Mrs. Mack:
"THAT, the Kennel Names Committee be and is hereby authorized to arrange with the Director of the Canadian National Live Stock Records for the installation of suitable equipment, for the supply of suitable application forms, for the transfer of the old records to the new system, and to deal with such incidental matters that arise, as well as to make mutually acceptable financial arrangements, and thereafter make a report to the Board."

(10) instructed the Live Stock Records office to prohibit the use of WUENSCHELRUTE in the naming of dogs born in Canada, that being a well-known kennel name in Germany;
(11) authorized the Secretary to take appropriate action with regard to the cancellation of the registration of TOY LINE as a kennel name on the grounds that it is indicative of a number of breeds (group);
(12) rejected objections to applications for registration of the following kennel names: HELMA, TEE KEELA'S, RIVER RUN, ALTENBURG, KEL-TARA, BONALUR;
(13) sustained objections to the following names or their continued use in the naming of dogs to be registered in the Club's records: LIMISI, AL-MAR'S;
(14) decided that it would not reject a descriptive adjective as a kennel name if the adjective is not one which is normally used in the naming of dogs;
(15) directed that as a matter of policy, when a name is rejected because of an objection, a "stop card" would be forwarded to the Canadian National Live Stock Records with a view to prohibiting the continued use of such name in the naming of dogs born in Canada;
(16) decided that when it has been found that a particular name, which has not been registered with the Club as a kennel name, is used more than three times in the naming of dogs born in Canada and registered in the Club's records, a "stop card" would be forwarded to the Canadian National Live Stock Records with a view to prohibiting the further use of such name in the naming of dogs to be registered

in the Club's records unless or until the name is actually registered with the Club as a kennel name.

MOTION #208-62

MOTION #209-62
Moved by Mrs. Mack, seconded by Mr. Monaghan:
"THAT, the report of the Registration Committee be received and incorporated in the minutes of this meeting."
FOR THE MOTION: Mr. Blyth, Mrs. Joel, Mrs. Mack, Mr. McDerment, Mr. Monaghan, Dr. Williams.
Motion carried.

SUBJECT: The Secretary:
(1) pointed out that at its annual meeting the Board had decided that the litter kit should be amended to the extent that the country in which the litter is born would be stated on the certificate and applications comprising the litter kit;
(2) reported that he had taken this matter up with the Director of the Canadian National Live Stock Records, who had quite properly pointed out that to show this information on the litter kit would necessitate requiring that this information be supplied on the application for registration of litter form;
(3) reported that the Committee had therefore decided to recommend to the Board that the application for registration of litter form be amended by the addition of a line reading: "State country in which this litter was whelped".

DISCUSSION: During a discussion which followed the question was raised as to what would be the status, for registration purposes, of a litter whelped by a female, owned by a resident of Canada, while the female is temporarily in another country. The same question was raised with regard to the birth in Canada of a litter whelped by a female, owned by a resident of another country, temporarily in Canada.

MOTION #210-62
Moved by Mr. Monaghan, seconded by Mr. Blyth:
"THAT, the Registration Committee be asked to give consideration to the proper processing of applications for registration when a litter is whelped while the dam is temporarily in another country."
FOR THE MOTION: Mr. Blyth, Mrs. Joel, Mrs. Mack, Mr. McDerment, Mr. Monaghan, Dr. Williams.
Motion carried.

ACTION: The Board agreed that the addition to the application for registration of litter form carried out the intent of the national Board and that therefore the Committee should proceed to make an appropriate arrangement with the Live Stock Records for the addition to the form.

REPORT: The Secretary reported that the previous Registration Committee had noted that the size of the certificate of registration for an individual dog was such as to necessitate two folds when inserted in a No. 10 envelope, and following consideration of the matter, arrangements have been made with the Live Stock Records office for the depth of the certificate to be decreased in order that with one fold, the certificate of registration would fit comfortably into a No. 10 envelope.

-----Luncheon intermission.

7 R 27. DACHSHUNDS

REPORT: The Secretary reported that:
(1) the Registration Committee had considered a letter from a breeder of Dachshunds who expressed the view that the special regulations which the Board had approved in connection with the registration of imported Dachshunds were unnecessary and would tend to discourage the importation of Dachshunds;
(2) the Registration Committee had considered a letter received from a breeder of Dachshunds who had inquired whether, since an "off-coated" Dachshund could be registered in the Club's records, an "off-coated" Dachshund imported to Canada could be registered in the Club's records;
(3) the Registration Committee recommended that when a copy of the new regulations on the registration of Dachshunds is distributed to breeders of Dachshunds an explanation be included as to why the Board found it necessary, to ensure uniformity in connection with the registration of both Canadian-born Dachshunds and imported Dachshunds, to adopt the special regulations referred to;
(4) it was the recommendation of the Registration Committee that no change be made in the special regulations which would permit of the registration of an "off-coated" Dachshund imported to Canada.

MOTION #211-62
Moved by Mr. Blyth, seconded by Dr. Williams:
"THAT, we concur with the Registration Committee's report."
FOR THE MOTION: Mr. Blyth, Mrs. Joel, Mrs. Mack, Mr. McDerment, Mr. Monaghan, Dr. Williams.
Motion carried.

7 R 38. STUD BOOKS

SUBJECT: Mr. Monaghan pointed out that:
(1) the current form of stud book includes an "Index of Breeders" of dogs registered individually in the year for which the Stud Book is issued, and with the name of each breeder there is listed the registration number of those dogs which the breeder registered in that year;
(2) the "Registrations" section of the volume does not list every dog registered individually in the year, with the result that a person using the volume for research purposes cannot readily identify, through the registration numbers in the "Index of Breeders", those dogs which a breeder registered in the year for which the volume is issued.

DISCUSSION: During a discussion which followed the Secretary suggested that this problem might be overcome by including in the individual registrations section of the volume the following information for each dog, registered in the year for which the volume was issued, not presently included in that section: individual registration number (in sequence), registered name of dog, sex, breed, colour or colours, and litter registration number.
ACTION: The matter was left in the Secretary's hands to develop further for subsequent consideration by the Board.

7 R 70. BREED IMPROVEMENT & SELECTIVE REGISTRY

REPORT: The Secretary:
(1) pointed out that at the annual meeting of the Board, after the Chairman of the Breed Improvement and Selective Registry Committee had submitted his report, the Chairman of the Committee had asked those members of the Board who had not submitted their views on this question to do so in order that the Committee may proceed to develop the matter further for subsequent report to the Board;
(2) reported that Mr. Gratton had addressed two letters to the Board on the subject of Breed Improvement and Selective Registry and also on the question of approval of judges, and read the letters received from Mr. Gratton.

Mr. Monaghan reported that in response to the request which he had made at the annual meeting of the Board in February, letters had since been received from Mrs. Joel, Mr. Little, Mr. Miller, and Mr. Wells, and these letters would be considered by the Committee.

MOTION #212-62
Moved by Mr. McDerment, seconded by Mrs. Mack:
"THAT, the letters be referred to the Breed Improvement and Selective Registry Committee."
FOR THE MOTION: Mr. Blyth, Mrs. Joel, Mrs. Mack, Mr. McDerment, Mr. Monaghan, Dr. Williams.
Motion carried.

COMPLAINTS, CHARGES & PROTESTS

8 C 10. REPORT OF COMPLAINTS COMMITTEE (SPECIFIC CASES)

REPORT: The Secretary reported on a number of complaints and the Board took appropriate action.

REPORT: The Secretary reported that:
(1) the Complaints Committee had occasion to deal with a number of complaints, received from a number of show-giving clubs, that certain exhibitors, or their agents, had tendered cheques which were subsequently returned by the bank;
(2) the Complaints Committee recommended that the following procedure be followed in dealing with such complaints:
(a) the Secretary is to automatically inform the person complained about that if, within 15 days, the entry fees are not paid or satisfactory proof that payment has been made is not forthcoming, the complaint will be referred to an Advisory Committee for investigation and report;
(b) a complaint of this nature, if proven to the satisfaction of the Board of Directors, is considered by the Board to be misconduct;
(c) that if, within the 15-day period the matter is not resolved to the satisfaction of the Complaints Committee, it is authorized to set up an Advisory Committee and proceed with an investigation.

(3) reported that the Committee also recommended that this policy, if approved by the Board, be published in "Dogs in Canada".

DISCUSSION: Following a discussion it was agreed that the Secretary should consult the Club's solicitor and secure his opinion as to whether or not the Complaints Committee could deal with such complaints on the basis of the policy which the Committee had recommended the Board approve, and in the meantime the Secretary would write the Show Secretary of each complaining club suggesting that they communicate with the owners of the dogs in question, formally requesting the owner to forward the payment of entry fees.

MOTION #216-62

Moved by Mr. Monaghan, seconded by Mr. Blyth:

"THAT, the Secretary write the Show Secretary suggesting that they communicate with the owners of these dogs because the cheque tendered by the handler to pay entry of their dog has been returned marked 'N. S. F.', advising the owner that, as the handler was their agent, they are formally requesting that the owner forward the amount."

FOR THE MOTION: Mr. Blyth, Mrs. Joel, Mrs. Mack, Mr. McDerment, Mr. Monaghan, Dr. Williams.

Motion carried.

MOTION #217-62

Moved by Mr. Monaghan, seconded by Mrs. Mack:

"THAT, this matter be referred to the Club's solicitor for an opinion and if this opinion is an affirmative, that the Complaints Committee be and is hereby authorized to take necessary proceedings under the By-laws."

FOR THE MOTION: Mr. Blyth, Mrs. Joel, Mrs. Mack, Mr. McDerment, Mr. Monaghan, Dr. Williams.

Motion carried.

INTERNAL AND ADMINISTRATION

9 A 7. AMENDMENTS TO BY-LAWS

SUBJECT: The Secretary read a letter from the Ottawa Kennel Club which:

(1) reported that members of that Club, at their General Meeting held on Friday, February 23rd, had discussed resolution #451-61 (a proposal that a proposed amendment emanating from the membership must be signed by members residing in at least four different provinces) contained in the minutes of the meeting of the Board of Directors held on December 8, 1961;

(2) reported that the members of the Ottawa Kennel Club were of the opinion that this proposal, if adopted, would make it a practical impossibility for amendments to the Dog Show Rules, By-laws, and other rules and regulations to emanate from the general membership;

(3) reported that the members of the Ottawa Kennel Club "are of the opinion that no action should be taken by the 1962 Directors of The Canadian Kennel Club on the proposal contained in motion #451-61".

ACTION: Following discussion, the Secretary was directed to:

(1) refer the letter to the Amendments Committee for consideration;

(2) place the letter on the agenda of the semi-annual meeting of the Board, sending a copy of the letter to every member of the Board well in advance of the semi-annual meeting.

9 A 13. C.K.C. SHOW & TRIAL COMMITTEE (RE PROPERTY)

REPORT: The Secretary read the following report (dated March 13, 1962) submitted by the C.K.C. Show & Trial (Property) Committee:

"The Committee composed of Mr. J. W. MacCallum and Mr. Walter Brown as co-Chairmen, together with Mr. Wm. McDerment and Mr. Ian Miller as members, met in the Club's offices on Friday evening, March 9th, 1962, to receive and consider the replies received from members of the Board in response to a memorandum dated March 2nd, 1962, which the Committee had directed the Secretary to address to members of the Board.

"With this letter we are enclosing a copy of the replies received from members of the Board.

"The Committee wishes to point out that it was the Board which decided that the C.K.C. would hold shows and trials and the profits of same to be placed in the Building Fund. At the same meeting the national Board appointed Mr. Walter Brown and Mr. J. W. MacCallum as co-Chairmen of the Committee, with power to add, to implement the Board's decision that the Club would put on shows and trials.

"The Committee considers that the adoption of resolution #164-62 at the annual meeting of the Board held in February 1962, was a re-affirmation of its previous decision.

"The Secretary, in accordance with an instruction from the Board, sought the opinion of the Club's solicitor and all members of the Board were provided with a copy of the Secretary's letter to the Club's solicitor and a copy of the complete text of his reply.

"In placing recommendations before the Board in its memorandum of March 2nd, 1962, the Committee sought to find ways and means of carrying out the wishes of the Board.

"From the Committee's point of view, the success of the proposed venture would be dependent on the co-operation and support of the entire Board. The replies received indicate that there is a division of opinion amongst members of the Board as to whether or not we should proceed, and since there is no unanimity amongst members of the Board that we should proceed, the Committee is disposed to take no further action in the matter and must therefore leave it for the Board to decide what action it wishes to take to implement its own decision of August, 1961."

The Secretary read letters (dated March 21st and March 27th) received from Mr. Williams regarding the interpretation placed on resolutions #159-62 to #165-62 inclusive.

MOTION #219-62

Moved by Mr. Monaghan, seconded by Dr. Williams:

DOG SHOWS

11 D 1. JUDGES

REPORT: The Secretary:

(1) reported that the application of a show-giving club for the approval of Mr. R. T. Lawrence to judge certain breeds at their forthcoming show had not been approved on the grounds that while Mr. Lawrence when a resident of Canada, had established his eligibility for approval to judge certain breeds, he is now a resident of the United States and it is therefore considered that Section 4 of Chapter 8 of the Dog Show Rules now applies to Mr. Lawrence;

(2) reported that:

(a) Mr. Raymond C. Smith appears on the American Kennel Club's list of approved judges as an approved judge of German Shepherd Dogs;

(b) on a previous occasion a show-giving club's selection of Mr. Smith had not been approved on the grounds that at the time of the application Mr. Smith was then residing in Canada;

(c) a subsequent application of another club for approval of Mr. Smith had been approved on the grounds that at the time of the application he was residing in the United States;

(d) a more recent application for approval of Mr. Smith had indicated that Mr. Smith is now residing in Canada;

and in these circumstances a ruling of the Board is desired as to Mr. Smith's eligibility for approval to judge;

(3) referred to the previous decision of the Board with regard to the

judging privileges of Mr. Don FitzGerald.
ACTION: Following discussion it was agreed that these questions would be referred to the semi-annual meeting of the Board in order that the national Board may set policies for the guidance of the Secretary and Office Manager.

REPORT: The Secretary:
(1) reported on the correspondence with the London Canine Association, instituted on the instruction of the Board, with regard to substitution of judge at their championship show held on October 7, 1961, more particularly in connection with a decision of the London Canine Association that there would be no refund of entry fees to exhibitors who did not wish to exhibit under the substitute judge;
(2) pointed out that Chapter 8 Section 6 of the Dog Show Rules does not clearly indicate the status of a show-giving club, in connection with refund of entry fees, where the show-giving club finds it necessary to make a substitution of judge within one week of the show, but not on the day of the show,
(3) recommended that this question be referred to the Chairman of the Amendments Committee for the drafting of a proposed amendment to the Dog Show Rules which could be considered by the Board of Directors at its semi-annual meeting.
ACTION: The matter was referred to the Chairman of the Amendments Committee for consideration and the drafting of an appropriate amendment, to be considered by the Board at its semi-annual meeting, to the present Section 6 of Chapter 8 of the Dog Show Rules.

SUBJECT: A letter from Mr. Philip B. Jacobi, Woodbridge, Ontario, who expressed the view that it is an unfair arrangement when a show-giving club holding shows on consecutive dates arranges for a particular judge to judge the groups, at the group level, at one show and then arranges for the same judge to judge the breeds in the group, at the breed level at the second or third show in its series of consecutive shows.
DISCUSSION: Following a discussion the Board agreed with the opinion expressed by Mr. Jacobi and that immediate action should be taken to prohibit a continuation of this policy, pending further consideration of the matter at the semi-annual meeting of the Board.

MOTION #225-62
Moved by Mr. Monaghan, seconded by Mrs. Joel:
"THAT, approval shall not be given to judge groups at the group level if the same person is to judge breeds at a show to be held the following day or days by the same club."
FOR THE MOTION: Mr. Blyth, Mrs. Joel, Mrs. Mack, Mr. McDerment, Mr. Monaghan, Dr. Williams.
Motion carried.

11 D 25. DATES

SUBJECT: The Secretary:
(1) reviewed developments in connection with an application of the German Shepherd Dog Club of Greater Ottawa for permission to hold a specialty show for German Shepherd Dogs in conjunction with the Canadian Save the Children Fund show to be held on June 13, 1962, which application had not been approved on the grounds that it had been received by The Canadian Kennel Club within the four-month period immediately preceding the date applied for;
(2) read a letter (dated March 19th) received from Mr. Robert M. Lang, President of the German Shepherd Dog Club of Greater Ottawa, appealing the decision and setting forth that Club's views on why its application should be approved by the Board;
(3) read a letter (dated March 27th) received from Mr. Edward J. Houston, Q.C., requesting the Board's favourable consideration of the application submitted by the German Shepherd Dog Club of Greater Ottawa.
DISCUSSION: During a discussion which followed attention was drawn to a previous instruction of the national Board that, regardless of exceptional circumstances, there must be no relaxation of the requirement that an application to hold a show carrying championship points must be received by The Canadian Kennel Club at least four months before the date on which it is proposed that a show be held.

MOTION #226-62
Moved by Dr. Williams, seconded by Mr. Blyth:
"THAT, the appeal of the German Shepherd Dog Club of Greater Ottawa be denied."
FOR THE MOTION: Mr. Blyth, Mrs. Joel, Mr. McDerment, Mr. Monaghan, Dr. Williams.
AGAINST THE MOTION: Mrs. Mack.
Motion carried.

SUBJECT: Mr. Monaghan pointed out that considerable literature had already been distributed with regard to the specialty show which the German Shepherd Dog Club of Greater Ottawa had planned to hold on June 13th, and suggested that the attention of the Show Chairman be drawn to the provisions of the Dog Show Rules which prohibit advertising or other publicity concerning a show (to be held under C.K.C. Rules) and its judge until formal approval has been given by The Canadian Kennel Club.
ACTION: The Secretary was instructed to forward an appropriate letter to the Chairman of the Show Committee.

SUBJECT: Mr. Monaghan suggested that consideration be given to a rule requiring that when a specialty show is to be held in conjunction with an all-breed show, the applications for both shows must be submitted to The Canadian Kennel Club simultaneously.
ACTION: This suggestion was ordered referred to the Committee appointed by resolution #98-62.

SUBJECT: The Secretary:
(1) tabled a schedule of applications submitted by show-giving clubs and trial-giving clubs by way of extending priority rights, previously granted clubs, for the five-year period 1963 to 1967 inclusive, and sought instructions with regard to certain aspects of these applications;
(2) reported the views of Mr. Wells with regard to applications for priority rights submitted by the Vancouver Island Dog Fanciers' Association and the B.C. Ladies Kennel Club;
(3) read a letter (dated January 24th), previously read at the annual meeting of the Board, from the Ontario County Kennel Club.
ACTION: Following discussion it was agreed that the Secretary would proceed as follows:
(1) the Secretary would continue to seek the assistance of the Club's representatives to the Canadian National Exhibition Association and the representative to the Central Canada Exhibition Association with regard to the confliction of dates for the year 1963, meanwhile holding in abeyance the applications for priority rights submitted by these Associations;
(2) the Secretary would approve the application for priority rights for show dates received and reported on the schedule, except that, for the time being, approval would not be granted any extension of priority rights sought by any of the Ontario clubs listed and a decision on these additional requests for priority rights would be dealt with after other show-giving clubs had had an opportunity of submitting application for priority rights;
(3) in the case of applications for priority rights for field trial dates no club would be granted priority rights for more than one field trial per calendar year;
(4) in the case of applications for priority rights originating outside the province of Ontario, the Secretary would be governed by the recommendation of the Director in the province from which the application for priority rights is received;
(5) the Secretary would refer to the Committee appointed by resolution #98-62 and place on the agenda of the semi-annual meeting of the Board, the question of clubs without priority rights seeking approval of dates immediately preceding dates allocated on a priority basis;
(6) the Secretary would advise the Ontario County Kennel Club of available dates for which it might consider seeking priority rights for the years 1963 to 1965 inclusive, their revised application for priority rights, if submitted, to be received by the Secretary not later than May 15th;
(7) the Secretary would advise other show-giving clubs of the dates reserved on a priority basis and give such clubs an opportunity of applying for priority rights on dates not reserved on a priority basis, all such additional applications for priority rights to reach the Secretary not later than May 15th;
(8) no further priority rights are to be granted any club until all clubs have had a reasonable opportunity of submitting their applications, following which a schedule of additional applications would be reported to the semi-annual meeting of the Board for final decision;
(9) when approving an application for priority rights the Secretary will draw attention to section 9 of the conditions applying to application for priority rights and to any approval given such application.

11 D 42. JUNIOR CHAMPIONSHIP COMPETITIONS, CLUBS, ETC.

REPORT: The Secretary reported that, in accordance with an instruction given by the Board at its annual meeting (resolution #132-62), he had communicated with Mrs. Elsie Murray asking that she outline her views with regard to junior championship competitions, junior kennel clubs, etc. and read a letter (dated March 27th) received from Mrs. Murray in reply.
ACTION: It was agreed that, as the Secretary's letter to Mrs. Murray had been prompted by a suggestion made by Mr. Wells, the Secretary should forward a copy of Mrs. Murray's letter, and the accompanying material, to Mr. Wells and his comments be solicited for the further consideration of the Board.

11 D 44. ORDER OF JUDGING

REPORT: The Secretary reported that:
(1) a letter had been received from Mr. Wm. H. Pym, who stated that under the present system whereby The Canadian Kennel Club directs a club on the order of breed and group judging, the Show Superintendent "cannot plan a practical schedule for the six groups" and who suggested that the present rule be amended to allow "the only person with accurate advance show information (the Superintendent) the privilege of drafting a practical judging schedule";
(2) a copy of Mr. Pym's letter had been forwarded to all members of the Board and comments had been solicited;
(3) letters from Mr. Anderson, Mr. Williams, Mrs. Joel, Mr. Wells, Mr. Dawson, Mr. Miller, and Mr. Little had been received in reply but these replies indicated no unanimity of opinion as to whether the present Dog Show Rule should be altered.
ACTION: Following discussion it was agreed that:
(1) the Board could not at this meeting alter the present rule, nor should it assume that the national Board would be agreeable to it initiating steps to do so;
(2) the question be referred to the Committee appointed by resolution #98-62 with a request that the Committee review the matter in its entirety and present a recommendation (and a proposed amendment to the Dog Show Rules if the Committee considers an amendment desirable) for consideration at the semi-annual meeting of the national Board;
(3) the Secretary would inform Mr. Pym of procedure followed at some shows in other areas of the country whereby the judging of a group, at the group level, follows immediately upon the completion of the judging of the group at the breed level.

FIELD TRIALS

13 FT 7. JUDGES

SUBJECT: Mr. Monaghan:
(1) pointed out that in 1961 the Board had sought the opinion of the Club's solicitor with regard to its power to temporarily suspend the implementation of an amendment to the Field Trial Rules relating to judges for Retriever trials, and had been informed that it was not within their power to suspend implementation of any rule approved by referendum ballot;
(2) expressed the view that the Board did not have the power to suspend the implementation of Chapter 4 Section 7 of the Field Trial Rules and Regulations as it had by resolution #307-59;
(3) suggested that the Board declare that resolution a nullity;
(4) outlined a plan whereby the Board could interpret that Section of the Field Trial Rules in such a way as to implement the rule as was intended yet allow the maximum use of judges available for Beagle field trials.

MOTION #227-62
Moved by Mr. Monaghan, seconded by Mr. McDerment:
"THAT, motion #307-59 which purported to suspend implementation of Chapter 4 Section 7 of the Field Trial Rules and Regulations, be and is hereby declared a nullity, this declaration not to affect any approval of judges already given for Ontario in 1962."
FOR THE MOTION: Mr. Blyth, Mrs. Joel, Mrs Mack, Mr. McDerment, Mr. Monaghan, Dr. Williams.
Motion carried.

MOTION #228-62

Moved by Mr. Monaghan, seconded by Mr. Blyth:

"THAT, for the purpose of carrying out the provisions of Section 6 of Chapter 4 of the Field Trial Rules, a licensed field trial on hare shall be construed to mean "four classes", and the provision may be read as follows: "not more than two licensed Field Trials on hare (which means each class twice) in one year". If he only judges one or two classes at a particular trial he may continue receiving approval until he has judged a total of two in each height and sex class or a grand total of eight."

FOR THE MOTION: Mr. Blyth, Mrs. Joel, Mrs Mack, Mr. McDerment, Mr. Monaghan, Dr. Williams.

Motion carried.

GOOD AND WELFARE

14 G 15. FELLOWSHIPS

SUBJECT: The Secretary read a letter (dated March 23rd) from the Ontario Veterinary College, with which there had been enclosed several reprints of an article published in the "Journal" of the American Veterinary Medical Association (January 15, 1962 issue) entitled "The Surgical Correction of a Persistent Right Aortic Arch in a Cat", by J. Harold Reed, D. V. M., and Hermann Bonasch, D. V. M.

The Board noted that when this article was published in the "Journal" of the American Veterinary Medical Association it had been clearly stated that "This work was supported, in part, by a grant from the Canadian Kennel Club".

DISCUSSION: Dr. Williams pointed out that, while the condition dealt with in the article is rarely seen in the cat, it is frequently found in the dog.

The Secretary reported on further correspondence with the Ontario Veterinary College with regard to the decisions reached at the annual meeting of the Board in continuing the Fellowship.

ACTION: It was agreed that the Secretary would invite Dr. Archibald, Head of the Small Animal Division of the Ontario Veterinary College, to meet with the Board at its semi-annual meeting in June.

14 G 26. CONTROL OF DOGS

REPORT: The Secretary reported that at the request of Mr. Monaghan, all members of the Board had been provided with a copy of a letter, published in the "Letters to the Editor" section of the February 17th edition of the Toronto "Globe and Mail", the writer of the letter having written disparagingly of the German Shepherd Dog and suggesting "that the Canadian Kennel Club take its responsibilities more seriously than would appear at the moment, and possibly widen its scope to control the character and ferocity of the animals under its eye".

The Secretary reported on letters received from Mr. Anderson, Mr. Gratton, Mr. Dawson, Mr. Miller, Mrs. Gove, Mrs. Joel, and additional comments which Mr. Miller and Mrs. Gove had obtained from clubs and persons interested in German Shepherd Dogs.

ACTION: The matter was held over for consideration at the next meeting of the Board.

Resumé of Proceedings at 1962 Annual General Meeting
(Continued from Page 34 F)

MRS. S. M. WEIR: It is immaterial to me where you hold the Annual General Meeting. I am vitally interested and if finances permitted me, would be glad to attend. I do have this thought in mind, though, that in most business organizations, the annual meeting is usually held at the head office -- not always, but usually, I said.

MR. G. HUNT: I would like to submit that rather than consider population centres, it should be centres of concentration of Canadian Kennel Club members.

THE CHAIRMAN: Is there any other discussion?

MRS. PAMELA MACK: I think before this meeting adjourns tonight, Mr. Chairman, I would like to say that we, the Members of Quebec, are very pleased that you have held your annual meeting at Montreal. It has given us all an opportunity to take part in the discussions. It is the only time in the year that the members can really get in with the Directors and feel that they are part of the body of the Club. I think it is a wonderful idea. We are particularly pleased that you chose to come back to Montreal for a second time and I hope that you will go to other cities across Canada. Thank you for coming here.

THE CHAIRMAN: Any other business to be brought before the meeting? Has anybody else got anything to report or to bring up?

DR. ROBERT WILLIAMS: I move the meeting be adjourned.

MR. D. H. MILLER: I second it.

--Whereupon the meeting adjourned at 11:10 p. m.

Dogs qualifying in an amateur all age stake must be handled by an amateur in the National Open Championship Stake."

NOTICE

SUBJECT: Tattoo marking of dogs for registration purposes.

It has been noted that some breeders, when tattoo marking dogs for registration purposes, show the markings in the following sequence: identification letters allotted to the breeder, followed by the year letter, then followed by the serial number.

Breeders employing the tattooing method of identification are asked to note that the Club's By-laws require that the tattoo markings be in the following sequence: identification letters allotted to the breeder, followed by the serial number, then followed by the letter signifying year of birth of the dog.

Breeders employing the tattoo marking method of identification are asked to co-operate by arranging for tattoo markings to be in their CORRECT sequence.

NOTICE

SUBJECT: Suggested New Standard for the Bullmastiff

NOTICE is hereby given that at its semi-annual meeting commencing June 25, 1962, the Board of Directors of The Canadian Kennel Club will consider whether it should approve a suggested new standard for the Bullmastiff. The suggested new standard is set forth in full on this page.

All persons and organizations interested in the standard of the Bullmastiff are invited to submit to the Secretary, The Canadian Kennel Club, 667 Yonge St., Toronto 5, Ont., his, her or their comments on this suggested new standard but must, in each instance, set forth his, her or their reasons for being interested. All comments must reach the Secretary not later than June 10, 1962.

SUGGESTED STANDARD FOR THE BULLMASTIFF

ORIGIN & PURPOSE

The Bullmastiff was developed in England by game-keepers for protection against poachers. The foundation breeding of the modern pure-bred was 60% Mastiff and 40% Bulldog. It is a guard and companion dog.

I. GENERAL CHARACTERISTICS

(a) TEMPERAMENT -- The Bullmastiff should be bold, fearless and courageous, a dependable guard dog. He should be alert, intelligent, loyal, obedient and suitable for training. Vicious dogs and timid dogs are not dependable and should not be used for breeding purposes.
Faults: Viciousness, shyness, apathy and sluggishness.

(b) GENERAL APPEARANCE -- The Bullmastiff is a powerfully built, symmetrical dog, showing great strength and activity, but not cumbersome. An upstanding and compact appearance, with breadth and depth of skull and body, set on strong, sturdy, well-boned legs, is highly desirable. The height, measured vertically from the ground to the withers, should nearly equal the length measured horizontally from the forechest to the rear part of the upper thigh. Height at the hips should be slightly less than at the withers.
Faults: Poor bone structure, light bone structure, lack of muscular development, lack of balance, ranginess.

(c) SIZE -- Height at the withers: dogs, 25 to 27 inches; bitches 24 to 26 inches.
Weight: dogs, 110 - 130 lbs.; bitches, 100 - 120 lbs.
It is important that size be in proportion to weight, to ensure balance. Bitches are feminine in appearance, of somewhat lighter bone structure than the male dog, but this should not be interpreted to mean that undersized, poorly built, plain-faced bitches are desirable.
Faults: Under minimum height and/or weight; over maximum height and/or weight.

(d) COAT -- short and dense, giving good weather protection.
Faults: Long, soft coat; "staring" coat, which means poor condition.

(e) COLOR -- Any shade of brindle, fawn or red, but the color to be pure and clear. A slight white marking on chest permissible but not desirable.
Faults: White markings except for a very small white spot on chest.

II. HEAD

(a) SKULL & MUZZLE -- The skull should be large and square, viewed from every angle, with fair wrinkle when interested. The skull may measure the height of the dog; it should be broad and deep with well developed cheeks. Forehead flat, with furrow between the eyes. Stop definite.
The muzzle should be short, broad and deep. The distance from the tip of the nose to the stop should be not more than one-third of the length from the tip of the nose to the centre of the occiput, broad under the eyes and nearly parallel in width to the end of the nose; blunt and cut off square, forming a right angle with the upper line of the face, and at the same time proportionate with the skull. A black mask is desirable. The nose should be black; broad with widely spreading nostrils when viewed from the front; flat; not pointed or turned up in profile. Flews not too pendulous. The lower jaw broad to the end.
Faults: Narrow skull, shallow skull, domed forehead, insufficient stop, pointed muzzle, muzzle too long, too narrow, or lacking in depth, muzzle too short, especially if nostrils set on top, plain-faced, lack of mask, liver mask, nose upturned or laid back, nose pointed, flews too pendulous, lower jaw too narrow.

(b) TEETH -- Preferably level or slightly undershot. Canine teeth large and set wide apart, other teeth strong, even and well-placed.
Faults: Teeth overshot or much undershot, irregular or poorly-placed teeth.

(c) EYES -- Dark or hazel, and of medium size; set apart the width of the muzzle.
Faults: Light or yellow eye, eyes too close together, eyes too large or too small.

(d) EARS -- V-shaped and carried close to the cheeks; set on wide and high, level with the occiput, giving a square appearance to the skull which is most important. They should be darker in color than the body, and the point of the ear should be level with the eye when alert.
Faults: Rose ears, ears too long, lack of darker color.

III. TORSO & QUARTERS

(a) NECK -- Well arched, of moderate length, very muscular, and almost equal in circumference to the skull.
Faults: Neck too short, neck weak and scrawny.

(b) FOREQUARTERS -- Proper angulation and proportionate bone lengths of the forequarters is very important. The shoulder bone should slope forward and downward from the withers at an angle of 45 degrees from the vertical. The humerus (upper arm) should form a right angle with the shoulder bone, 45 degrees from the vertical. The shoulder bone and humerus should be approximately equal in length. The length of the foreleg from the ground to the elbow should be a little more than half the distance from the ground to the withers, approximately 52%.
The shoulders and upper arms should be muscular and powerful, but not overloaded. Forelegs powerful, with round heavy bone, vertical and parallel to each other, set well apart; elbows square. Pasterns straight and strong. Feet of medium size, not turning in or out, with round toes, well arched. Pads thick and tough. Nails black.
Faults: Lack of proportion in bone, shoulders too steep, shoulders overloaded, elbows turned in or out, lack of bone in forelegs, forelegs bowed, weak pasterns, splay feet, feet turned in or out.

(c) BODY -- Compact. Chest wide and deep, with ribs well sprung and well set down between the forelegs. Back short, giving the impression of a well-balanced dog. Loins wide, muscular and slightly arched, with fair depth of flank.
Faults: Body long and shallow-chested, lack of rib-spring, sway back, roach back, croup higher than withers, too much tuck-up.

(d) TAIL -- Set on high, strong at the root and tapering to the hocks. It may be straight or curved, but never carried hound fashion.
Faults: Tail set too low, tail carried hound fashion, screw tail or crank tail a definite fault, too heavily coated tail.

(e) HINDQUARTERS -- It is important that structure, angulation and proportionate bone lengths of the hindquarters be in balance with the forequarters. The pelvis (hip-bone) should slope backward and downward from the spine at an angle of 30 degrees. The femur (upper thigh bone) should form a right angle with the pelvis. The lower thigh bone (stifle) should set at an angle of 45 degrees to the vertical. The length of the lower leg, from the ground to the hock joint, should be approximately 30% of the distance from the ground to the top of the hip bones. The lower leg should be vertical to the ground.
The hips should be broad, in balance with shoulders and ribcage. Hind legs strong and muscular, with well developed second thighs, denoting power and activity, but not cumbersome, set parallel to each other and well apart, in balance with forelegs and body. Feet of medium size, not turning in or out, with round toes, well arched. Pads thick and tough. Nails black.
Faults: Lack of proportion in bone, poor angulation at hip-bone, narrow hip structure, stifle too straight, over-angulated stifle, cowhocks, bowed hindlegs, splay feet, feet turned in or out.

IV. GAIT

The gait should be free, balanced and vigorous. When viewed from the side the dog should have good reach in the forequarters and good driving power in the hindquarters. The back should be level and firm, indicating good transmission from rear to front. When viewed from the front (coming toward) or from the rear (going away), at a moderate pace, the dog shall track in two parallel lines, neither too close together nor too far apart, so placed as to give a strong well-balanced movement. The toes (fore and hind) should point straight ahead. Poor moving dogs, indicating structural weakness or poor angulation of forequarters or hindquarters, should not be used for breeding purposes.
Direction to exhibitors and judges: The dog should be moved in the ring at a sufficient speed to show fluidity of movement, and not at a slow walk.
Faults: Rolling, paddling or weaving when gaited, any crossing movement, either front or rear, stilted and restricted movement due to too straight stifle.

EVALUATION OF FAULTS

Note: The faults listed below are important according to their grouping (very serious, serious, minor) and not according to their sequence as placed in each grouping.

CLUB NOTES

IMPORTANT: Club Notes are for the purpose of reporting activities and plans of Breed, Group and other specialty organizations. There are certain news items which cannot be considered as "club notes", but rather as advertising material. Names of judges may be used only if the club's show advertisement appears in DOGS IN CANADA. Wins of dogs which will be or have been reported in The Canadian Kennel Club "Show and Trial Results" cannot appear in these columns. Make your club notes meaty and interesting. 300 WORDS IS THE LIMIT.

Aurora & District Kennel Club
Incorporated
by W. Luckins

The club held their monthly meeting at the home of the Secretary, Mr. and Mrs. Luckins, Richmond Hill, on Tuesday, April 3. Considerable enthusiasm has been displayed by the members with regard to their coming show on May 26.

Two new members, Mr. and Mrs. S. Lewis Bulldog fanciers, were welcomed to the club by the President.

Arrangements for a dinner following the show were completed and all members will be welcomed at the Ridge Inn, Oak Ridges, at 8 p.m., May 26.

Mrs. Pat Sacre was bid "bon voyage" as she is leaving for England for a six-week vacation in the near future.

The May meeting of the club was held at the home of Mr. W. Hill, Newmarket, May 1.

B.C. All Terrier Club
by Mrs. J. S. Leedham
20556 Powerline Rd., Maple Ridge, B.C.

The March meeting was held in The Province boardroom as usual, with 20 members present, the President in the chair.

Mrs. Isabel Stanton gave out copies of the quarterly newsletter that she had edited and sent to out-of-town members. We all thought it was very good, lots of news regarding members and the club activities.

Advance notices of our All Terrier Specialty have been sent out to give everyone a chance to get the dogs ready for the show on May 20.

Mrs. June Watson, who has Border Terriers, believes that her Glenluffin Pomona is the only Border to have a dual Championship. Having gained her title in Canada and the United States, she also had a C.C. in England before leaving for this country.

Barrie Kennel Club
by Paul A. Robins
Ridgelea House, Oro Station, Ont.

Let's open with congratulations! To Rosalie Harvie, whose Corgi topped the Dominion Collie and Shetland Sheepdog Association Group III Specialty at Weston in March. This Corgi was an import from Great Britain as a pup last summer. Faith was manifested and 'pink clouds' were in evidence.

Secondly, to Frank and Vina Jones, whose homebred Labrador, now owned by Thomas Murphy of Kingston, Ont., received a plaque for bravery at the Canadian National Sportsmen's Show presented by the Ralston Purina Company. "Pat" is credited with saving Mr. Murphy's life during a duck hunting expedition by towing his boat nearly a mile back to land. The boat was drifting, uncontrolled, away from land after an attempt to retrieve some fallen ducks. Following the presentation, "Pat" sat up — to the warm applause of the crowd.

Our scheduled February meeting fell victim of the weather, even after two postponements. The March meeting was laid over a week so as not to conflict with members' interests in the Sportsmen's Show. This meeting had little better than a quorum as many members were in attendance at the annual meeting of the Humane Society. Two new memberships were voted and we welcome to the club's roster Mr. Leon Cordier annd Mr. Peter Harvie.

Our local radio station, CKBB, carries a daily program called "Pulse". The good citizens phone in their views upon a daily subject, which are aired over the program. I listened recently with amusement and certain alarm when the subject was the "local dog-catcher". It seems that no one loves the dog-catcher except the dog-catcher's wife. However, one lady gave the dog-catcher until 3:00 that afternoon to clean up her better section of town or she was forming a vigilante committee and 'shrub patrol' to do the job for him — and with whatever means were at hand — which included poison. No matter how annoyed a person may become, or how bad a situation may be, that is an ugly thought! Our populace, I am afraid, needs an education.

The April Sanction Match was a success. Organized by Carol Fleiger in the lovely grounds of her home Soncy Cottage, it drew a record entry. The sunny day helped attract 300 to 400 spectators and SPCA members worked hard providing excellent refreshments.

I was delighted to see the new imports I mentioned in my last "Notes" and a great many local puppies, and especially the young English Bull Terriers imported from England by Joe Paul, Jr. and "Chummy" Hayward.

Harriet Dias enjoyed seeing her Basenji puppies and their new owners. She was thrilled when one went Best Puppy in Group. Everywhere you looked you saw these gay little dogs. A well-deserved win, Best in Match, went to a recent arrival, Frank Felberaum's Whippet, Norvician Husky. Best Opposite Sex: Harriet's Basenji, Party Piece of the Congo. Best Puppy: another English import, Carol Barns' English Cocker, Craigleigh Clarion Call. Innes Openshaw and Caroline McAteer took the Junior Handling. Highest overall score in Obedience Novice Classes: Ann Conway's Labrador with 196.

Our thanks to the stewards and judges and especially Mrs. Nancy Onthank of Greenwich, Conn., who judged the Groups and finalists.

We enjoyed meeting the John Brownells of New York (Boxer enthusiasts) at Paula McAteer's delightful party after the Match.

Off to American Poodle Shows: Marion Chasty and her English bred Miniatures.

Sixteen Obedience dogs and their handlers, under Paula's able directions, are training hard for a display at the Agricultural Show on April 12. The rest of us are preparing for the May shows and looking forward to seeing friends, old and new, from Canada and the States.

The Boston Terrier Club of Hamilton
by Mrs. Maude McGrath
195 East 24th St., Hamilton, Ont.

We held our monthly meeting at the home of Mr. and Mrs. H. Fink, 320 Mallard Ave., on March 13. Plans for our All-Age Show were finalized, the site to be a local city park.

We welcomed back to our midst Mrs. Crosgrove, who has been absent for several months, owing to eye surgery.

After the business portion of our meeting, a social hour was enjoyed by all. Many thanks are in order to Mr. and Mrs. Fink for their kind hospitality.

Burlington and District Kennel Club
by Joan Morden
572 Cedar Ave., Burlington, Ont.

At our general meeting held March 13, four new members were welcomed to the club: Mrs. Gordon Graham of Milton, Mr. William Lakey of Hamilton and Mr. and Mrs. Kerr of Ryckmans Corners.

Two vacancies which had arisen in our club executive were filled by the appointment of Ed Sipes and Joan Morden as directors.

Our Obedience Graduation, held March 18 in Nelson Hall, was judged by Phyll Smith. Top score of 194½ was earned by a German Shepherd Dog, "Anka" owned and handled by Mr. C. Hutchins of Guelph. The new series of Obedience training classes commenced on March 25 with an encouraging entry. Abe Zvonkin is again acting as training director.

Double congratulations are in order for the John Meiers on the birth of a sevend-pound son born just a few day after their Norwegian Elkhound Crafdal Trygs Thorwald finished his Championship by taking BB at the Sportsmen's Show.

Reminder: Miss Blanche Saunders returns to conduct her second Obedience Clinic at Burlington at 3 p.m. on June 9, in the Burlington Arena. Please be on hand to learn what makes this fabulous trainer The Wizard of OT.

The Central Ontario Beagle Club
by Margaret McKeown
2176 Wedgewood Rd., Cooksville, Ont.

Our club has held some interesting meetings throughout the winter (at Scout Hall, Cooksville).

In October, we were fortunate to have as speaker Mr. H. Lumsden of Department of Lands and Forests, who gave us a very informative talk on "Rabbits of Ontario" and later showed a film, "The Cottontail Rabbit". Mr. Lumsden was so popular with the members that we invited him back for a return engagement in January, this time with a talk on Deer and Moose. In gratitude for the insight he has given us on wildlife and conservation, the club has made him an honorary life member.

The Annual Meeting was held in December, and the same slate of officers was returned unanimously:—William H. Ford, of Malvern, Ont. is President; Philip B. Jacobi, R.R. #3, Woodbridge is Secretary-Treasurer; Wallace Haygarth, R.R. #1, Erindale, Ont. is Vice-President and Field Trial Secretary.

Our Spring Dance will be held at Erindale Community Hall on May 5, and our annual Specialty Show is set for Sunday, June 10, at the home of Mrs. Emerson Robertson, three miles north of Streetsville. The COBC Championship Field Trial is scheduled again for Thanksgiving Weekend, October 6 and 7.

Our club membership list grows with each meeting, and we are always glad to entertain new members. Anyone interested in Beagles is invited to contact any of the club officers at the addresses given above for information about forthcoming meetings and club events.

Mr. George Fitzpatrick, a club member, has presented us with an interesting dilemma. George has offered a trophy for the best dual-purpose Beagle — in other words, a dog that qualifies with Field Trial ability as well as show points. We have not arrived at a solution as to how to determine such qualifications, for members raising show dogs are loath to enter their valuable stock in Field Trials, and members specializing in field trial dogs are noncommittal as to how their dogs would show in a Specialty Show.

Chow Chow Fanciers of Canada
by Mrs. Helen Schwoob
25 Churchill St., Waterloo, Ont.

The monthly meeting was held at the home of Mr. and Mrs. C. L. Nattrass, 60 Beach Grove Dr., West Hill, Ont.

A brief business meeting was conducted by the President. The membership was informed that a mounted photograph of the Breeder of The Year Trophy had been sent to the 1961 winner. The matter of our Booster Shows for the 1962 season was discussed and it was decided to hold the decisions over until the next meeting in order to give the members a chance to think over the ideas presented.

The meeting was then turned over to Mr. Thomas Joel who gave us a very informative talk on the formation of clubs and the system used in judging dog shows in England. Mr. Joel very capably answered the many questions put to him. We were indeed very fortunate to have such a qualified person as our guest.

The president then expressed our thanks to Mr. Joel, which was heartily endorsed by all present.

Anyone interested in the Chow Chow are most welcome to attend the meetings.

Coastal Canine Academy

Another term, another group of newcomers. Our present course started on March 27. We have a good number of beginners and to our great pleasure a large Intermediate class this time. We hope that a good few of them will go into trials and stay with us to go on to the Open classes.

On March 20 we had our graduation which went very well. Mr. L. Shortreed came to judge the classes and he had quite a job to pick the best dog out of the big Beginners class. He decided on Mrs. Riel and her beautifully working Sheltie, "Nicki". We expect a great future for these two in the ring. Mrs. Pam Arthur and her Whippet, "Pickles" took the intermediate. (Incidentally, Pam just had time to finish the course before having a bouncing baby boy on March 28. Congratulations to you, Pam and Bryan). The Open was taken by John Service and his Collie, "Prince". We had more spectators than ever to watch the graduation. Some were future beginners, others just curious, but we are certainly pleased to see they are taking the time to find out what we do at training classes.

As soon as weather and daylight permit we are starting tracking classes. Anyone interested in joining us for lessons or practice, please phone Ben Taylor, AM 6-6376 for dates and places.

We are looking forward now to the spring and summer trials and entering as a club in the local community parades and activities during the summer.

Except for tracking classes the present class will be the last until the Fall.

May I wish you all happy trial going and lots of success to everyone!

The Dominion Collie and Shetland Sheepdog Association
Montreal & District Branch
by Mrs. H. Slaughter
5—47th Ave., Bois des Filion, P.Q.

With an entry of 131 dogs, representing 38 breeds, the branch was very happy with the success of its first Sanction Match. Shelties and Collies topped the entries with 17 and 15; Beagles and Shepherds were close behind with 13 and 11. We were very pleased to have some of the lesser shown breeds: a Harrier (one of two registered in Canada), three Lhasa Apsos, two Newfoundlands, a Chow and a Standard Schnauzer.

Highest praise is due the members for their unstinting efforts to make this Match a great event. It is this sort of enthusiasm that spells progress.

Our judges for the event were: Mr. A. Wells, Mr. A. Collins, Mrs. J. Kersch, Mrs. Joan Lagimodiere, Mrs. Romaine Jones and Miss Joan Kyle. All did an excellent job.

Top dog in the Match was the Collie, Gold Tone of Ronas Hill, owned by Mrs. G. F. Lovett of Ottawa. Second Best in Match: the Labrador Retriever, Bergwuan Thunder Cloud, owned by Mr. Alexander Knickle. Best Puppy in Match: the German Shepherd, Barracuda Chula, owned by Mr. John Roberts.

Group Winners: Group 1, the Labrador Retriever; Group 2, Beagle, Glanrobin Queen of Hearts, Mr. and Mrs. F. Grant; Group 3, the Collie; Group 4, Scottish Terrier, Shawnee Lockranza, Norma Prescott; Group 5, Toy Poodle Sherry, Mrs. Pelange; Group 6, Miniature Poodle, Summercourt Silver Shower, Mrs. F. Price.

The Working Group judge, Romaine Jones, was quite appalled by the methods employed by three 4-month old Shelties in trying to curry favor with the judge. They conducted themselves in quite a grown-up manner when

A trainers' refresher session was held in March under the guidance of Director of Training, Gordon Ashcroft. Eight trainers attended with their dogs. A second session will be held in April or May.

The executive has chosen a club crest which is a composite of many of those submitted The club brochure is being photo reduced and will be given out to interested persons at the July trials along with an interesting pamphlet on Obedience Trials.

Lee Glasseo and "Abby" were presented with the Club Challenge Trophy. This sports a lovely new base with engraved shields for each winner.

Now it can be told! Our judge for the June Specialty is Mrs. Patricia Clay. (See our advertisement, this issue). All of you who have shown under this excellent judge, will understand our pride in being fortunate enough to secure her for our show. Even those of us who have not had the pleasure of entering under her, have at least some knowledge of her capabilities in the ring and now is your chance to obtain her valued opinion. So let's see you all out to this show.

Our Matinee Show will be over by the time this is published. However we will send out flyers to all and will look for you.

We are all very happy to see both Hilda Burrows and Hazel Page well enough to be up and doing again, both having had a rather grim winter of sickness. I would like to wish Mrs. George Jerman a speedy and complete recovery from all of us. There are not many Shepherd folk who do not know George and Alice and, like myself, have enjoyed an afternoon of dog talk with them. We look forward to visiting again very soon, so hurry up and get better, Alice. Best wishes to Paula on her birthday.

Don't forget the Specialty Show, Judge Mrs. P. Clay, June 9, Exhibition Grounds, C.N.E. Toronto.

The German Shepherd Dog Club of Alberta
by Elmer A. Moore

Spring brings a rejuvenated training enthusiasm. With the thought of a fresh season of shows and trials coming up, the smart dog enthusiast is taking a break from the more serious breeding problems and conditioning young stock—the result of his last year's breeding program—for the rigors of show and trial. Assuming that the basic requisite of health and vigor has been bred and fed into the dogs, the most effective method of introducing young dogs to the realities of life as dictated by the fast moving dog fancy is through the medium of a well organized training class. Here he meets the public, other dogs and, most important of all, he meets discipline in a forceful manner.

This can be the turning point for a great show and trial career for the young dog, or it can be the stage where he lapses into the usual run of average or mediocre dogs. The advice and experience of a trainer and the challenge of competition in an organized training class at this stage can make the difference between your prodigy developing into a future star of just an average show and trial dog.

At our last Executive meeting George Kuss, as Training Committee Chairman, reported a good entry of young dogs in the new training class which started March 1.

We haven't found a suitable building for inside training during winter weather and as George and the more devoted type of trainees persevered all winter under the most difficult circumstances, it is most heartening for them to see a new enthusiastic group join them in their new class.

The German Shepherd Dog Club of Canada
by Warren Parkinson
10 Neville Pk. Blvd., Toronto 13, Ont.

Our club has many shortcomings as viewed from various angles. There are always many opinions expressed in an effort to improve and progress. Let's be fair and realistic and judge our club efforts, not against a personal opinion of perfection, but against other dog clubs. We present the following two shows as examples.

Our Booster Show, March 17, saw a good entry of 35 dogs carefully gone over by a recognized local specialty judge, Mr. Harry Watson. The quality in the ring was very high, with a dog who came all the way from California going BB. Congratulations go, not just to the lucky, but to the deserving winners. The show committee also took advantage of the excellent opportunity to display and promote the German Shepherd to the large crowds of Sportsmen's Show visitors. We did miss the prize for the best decorated club benching ("it was a great day for The Irish Setter Club") but our Seeing Eye Dog and Obedience demonstrations, as well as other activities certainly did present our breed in a most favorable light.

On April 8, our club hosted Obedience exhibitors from far and near. This, our 10th Annual Obedience Trial, was indeed a success. The combination of one big trial, three top judges, advertising, plenty of room, ample time and generous trophies with cash awards attracted what we believe to be a new Canadian record of 85 Obedience exhibitors. Here as in the Booster Show, we achieved progress, not perfection.

Here and there: Plans, plans, plans, for a Puppy Show, Matinee Shows, tracking test and training, Challenge Trophy Show, Specialty Show, Challenge Obedience team, Oberience classes and training, Breed Survey. What is a fair and reasonable price for a well-bred, carefully raised, ten-week-old German Shepherd?

Congratulations to the up and coming North York Obedience Club so interestingly reported in March **Dogs**. The sheer exuberance of the situation pushes the writer to salute Miss Marjorie Parkinson, who has just captured Highest Scoring Dog at our own trial, with a pup that should be her fourth UD dog.

Hamilton Kennel Club
by Mrs. M. Cooper
14 Proctor Blvd., Hamilton, Ont.

Our club enjoyed acting as host to the three competing kennel clubs (Burlington, Oakville, Simcoe) on March 20, when we engaged in friendly competition for the Burlington & District KC challenge shield (which we have held for the past year). The evening was a lot of fun and much educational value, and next year we hope more clubs will be able to take part in the event. Our congratulations to the winner, Burlington & District KC.

Our regular monthly meeting was held March 27, with a splendid attendance. We were again happy to welcome new members: Mr. and Mrs. W. A. Richardson.

As the time is drawing close for our All Breed Championship Show (and Obedience Trials) to be held June 30 at the Burlington Arena, much of our evening was taken up with matters pertaining to the show. We have already had quite a few inquiries for premium lists from various parts of Canada and the U.S.A., so we are looking forward to another good show this year.

After the regular business of the evening, we had a little competition among our members, testing their knowledge of dog standards and show rules. The prize, a Pyrex coffee jug, was won by Mrs. Harry Wilkinson. Congratulations.

Our Graduating Class for the winter session was held on March 22 at the Spring Valley Community Hall in Ancaster, Ont. Out of 23 dogs taking the course, 17 turned up for the graduation. Six or seven qualified. Howard Ward did the judging honors. Scores ranged from 199½ points, by Abe Zvonkin, with young black Poodle, Jeanette, down to 186 points.

Our election night was postponed until April 13. Mrs. Mary Ledingham will be our next President, however, as she is the only one running for this office.

Mr. John Day is to be the Chairman of the Matinee Match, June 3, for the Obedience Association (Ontario) Fun Frolic, to be held in the Ancaster Fair Grounds.

Mr. Jake Giacomelli is the Chairman for the Member Match, to be held sometime in May or June.

Mr. Abe Zvonkin was the chairman for our club for a Challenge Match held at the Spring Valley Community Hall on April 29, when we were hosts to the German Shepherd Club of Canada. Competition was for the Brantford Challenge Trophy.

The Hub City Kennel Club of Saskatoon

The club's always active program becomes busier than ever at this time of year as members plan for their annual spring shows and Obedience trials, continue Obedience classes, schedule monthly meetings to interest the public and just generally cope with their own dogs and kennels.

Show dates this year will be May 28 and 29 and judges and show personnel will be announced shortly. Show secretary is Mrs. Ruby MacGregor, 512 Quance Avenue, Saskatoon.

The "beginners" class of the winter Obedience training program graduated March 25 with top honors shared by Reg Lewis and his Boxer, Ch. Mazelaine's Gallivanter, and Mrs. S. N. Johnson with her black Cocker Spaniel, Cinders. Reg is club President but had never previously participated in an Obedience class. Trainers for this class were Mrs. D. J. Wiik, Mrs. G. MacGregor, Mrs. J. D. Houston and Mrs. Reg. Lewis under the supervision of Les Coleman, director of Obedience training.

The "Novice" class is scheduled to graduate April 1 and spring training classes will also begin that day.

At our meetings this winter we have missed Mrs. Fred Leybourne, wife of our Vice-President, and are happy to learn she is recovering from a long illness. The Leybournes are the owners of Hilfred Kennels (Reg'd.) and are known throughout the West for their fine Collies.

Produces both brindles and fawns — no whites. Thor has an excellent head — perfect bite — deep chest and good front — good topline — excellent rear end and moves like a working dog should. He produces pups in his own likeness — all this and good temperament too. Available now — a plain fawn female by Thor out of my English-sired bitch. Would make good brood bitch for any kennel.

Allen and Mr. R. Dafoe which was greatly appreciated by the newer members as most of them had never handled a dog in the show ring before.

On March 7 the Veterinary College in Guelph held its annual open house. This yearly visit proved quite interesting.

Friday evening, March 16, found many members busily decorating benches at the Coliseum in Toronto.

Our Specialty Show held March 17 in conjunction with the Canadian National Sportsmen's Show was a great success. A large turnout of entries was greatly appreciated. Our Club was presented with an award offered by the Sportsmen's Show for the best decorated benching. This is the fifth year we have won this award. Trophies were offered and won by the following: Senior Puppy, Willowview Gamester of Ardee, owned by Mr. C. Little; Canadian Bred, Shandara Christopher Robin owned by Mr. J. W. Tumelty; Open Dog, Killane Rogue, owned by Mr. and Mrs. J. Royston; Canadian Bred Bitch, Kin O'Shanes Aileen owned by Mrs. Hilda Malone; Open Bitch, Argo Lane Beryllium owned by Mrs. R. Dafoe.

On completion of judging a Parade of Champions and Obedience Title Holders was held.

Kitchener-Waterloo Kennel Club
by Drew Kirkland
262 Hemlock St., Waterloo, Ont.

Our monthly meeting was held March 28 at our new quarters in the Waterloo Hotel. At the meeting, five new memberships were approved and two more applications for membership were sent out. The highlight of the meeting was a film on field trial training and a short talk on feeding methods and nutrition. Both the film and the talk were presented by the felicitous Mr. Ron Herd of the Ralston Purina Co.

This year, as last, our club was on exhibition at the Waterloo County Sportsmen's Show held April 9 to 14. An information booth was set up at the show for the benefit of pet owners in our area and pamphlets were passed out containing a series of newspaper articles written by members of our club and published by the **Waterloo Chronicle.**

Our second annual championship show will be held August 18 at the Kitchener Memorial Auditorium and, to date, our arrangements for and donations to the show are ahead of last year's schedule. The experience we all gained through last year's show will help provide a more efficiently run, and I hope, better show this year.

Labrador Retriever Club of Canada

The following are the executive for 1962: President, Doug Murray, Vice-President, Jim Thomson; Secretary, Eve Ogden; Treasurer and Membership, Mike Ogden; Trophy Chairman, Shirley Thomson; Gun Captain, Ken Perkins; Grounds Chairman, Tom Bush. Field Trial Supervisors: Game Steward, Ken Sinclair; Bill Kitchen, Bill Bridgeman.

The March 4 Trial went off in a blaze of sunlight. The dogs got a little tired of wallowing in the snow, but the judges in all trials did an excellent job of using available cover and other obstacles. Winners to appear in the Show and Trials results in this magazine.

The club will hold a three-day all-breed show May 30, 31 and June 1 and members are busy finalizing plans.

Some of our newer members are planning on building up their kennels. Mr. and Mrs. Pat Murphy have imported from the States Clareta Molten Gold who has a litter of tricolors and sables that should be the beginning of their Pale Park Kennels, Reg'd. Mr. and Mrs. Andi L'Heureux have also had their kennel name registered as the Danors Kennels, Regd. Chihuahuas are their first love, so we are hoping to hear and see more of these young breeders. Mr. and Mrs. Jack Schaan have a lovely Samoyed they plan to show. They are new members in our club. As for the older members, Mrs. Mary Mil-

Oakville & District Kennel Club
by Mrs. E. R. McGowan
280 Balsam Dr., Oakville, Ont.

At each of the monthly meetings the Boy Scout Hut appears to grow smaller, as more members, prospective members and guests increase. At the March meeting our President, Mr. E. McGowan, read an article from a local paper describing the first annual dog show held in Oakville on March 11, 1915.

Congratulations were extended to Mr. G. Kennedy and his team on their efforts to win the Burlington & District Kennel Club Challenge Shield in Hamilton, but the "Dingos" proved to be their downfall. The Sportsmen's Show was well supported by our members, which resulted in proving the high calibre of dogs being bred and shown by members of this club.

Ch. Schauffelein's Logy, a Basset Hound, owned by Mr. and Mrs. F. Carter, was the centre of attention while the owners acquainted the members on this breed. An illustrated talk with colored pictures on their trip around the world was given by Mr. and Mrs. J. Hicks.

Our Judges Committee, under the expert guidance of Lt. Col. M. Drury, has completed an exceptional slate of judges for our two shows in September and they have been approved by The Canadian Kennel Club. During 1961 there were 116 All-Breed shows held, and we hope to better our sixth position this year by presenting two judges who have never judged in this area, also the chance of obtaining two sets of points on consecutive days.

Our dog training classes started April 18 at the Oak Queen Mall, Oakville, and from inquiries received to date, we should have a successful project again this year.

The April meeting was a combined effort, when we celebrated our 12th birthday following the business portion of the evening.

The Obedience Association of Ontario
by Mrs. Mary Krawesky
57 Barons N., Hamilton, Ont.

The executive meeting was held at Hamilton on March 3, with our President, Mr. Ed O'Brien, in the Chair.

Mrs. Grace Probert reported that she was not receiving enough copy for the "Link" from our member clubs and hopes that more clubs will join and help make this magazine a success.

Mr. Clarke Diamond, Chairman of our Annual Fun Frolic, said the date had been set for June 3 and that the Hamilton Obedienee Club offered to conduct an Obedience Matinee Match of four rings under the chairmanship of John Day. They also donated $20.00 toward prizes for the Match. It was also decided that we let dogs with their CD degree go back into the Novice Class and that we let unregistered dogs that are trained enter the classes also. Fees are to be the same as last year — 50c. The German Shepherd Club of Western Ontario agreed to furnish the loud speaker system.

Mr. Bill Burr, an individual member of the OAO and also the Hamilton Obedience Club, showed his film on Obedience.

Directors are ascertaining their club's opinions on the following: Any judge (American) who has judged here previously and has had no violations would be eligible to judge in Canada. All American judges taking first assignments in Canada to be asked to write our exams at the time they come to Canada to perform their first assignment. All American judges with two violations be automatically suspended from the list. Also be discussed by each Director with his club: Should we have zoning in Ontario to make it easier for clubs to get Canadian judges?

In the March issue, I stated that "there is no Obedience Representative in the CKC" As we are an Ontario Association, made up of clubs in Ontario only, I was referring to the fact that there was no Obedience Representative on the Board of the CKC from Ontario. I am very sorry if I caused any misunderstanding.

On March 31 the executive met again. Mrs. Edna Joel of Islington, Ont., and Mrs. Mary Ledingham, Ancaster, Ont., were accepted as individual members.

Mr. Clarke Diamond stated that he has obtained the Agricultural Grounds on #53 Highway, Ancaster, for the Convention and Fun Frolic, which will start at 12.00 noon sharp. The Peterborough Club will conduct a Fashion Show and Musical Chairs and would like all members to enter with their dogs. Mrs. Westbrook will take care of the buffet lunch and everyone attending will be asked to bring sandwiches or cake. The Skyway Club offered to conduct one ring of unofficial classes. Tillsonburg Club offered to bring 20 cakes to be raffled off to help with the cost of cups, sugar, serviettes. Mr. Diamond will donate milk for the coffee. There will also be a mobile unit, selling food, until we are ready to serve our lunch.

The Brantford Club is holding its First Double Trial on May 6.

Mr. Jake Giacomelli of the Hamilton Obedience Club, is holding a special CDX Beginners Class, which will put special attention on retrieving the dumbell and on the long sit and down out of sight.

Mrs. Jack Lang of the Peterborough Club, reported that Mrs. Herb Routley of R.R. #3, Peterborough, Trent Valley Kennels Reg'd has offered to present to our Association a trophy to be awarded each and every year, to any person affiliated individually or to a mem-

Mr. Howard Ward of the Hamilton Obedience Club, gave a very interesting talk on "Choosing a Champion Obedience Dog". He urged that a committee be chosen and everything worked out through the committee. It was to be strictly for Canadian dogs owned in Ontario. Mr. Ward was made Chairman of this committee.

Our monthly meeting was well attended and the business was mainly our All Breed Championship Show to be held on Saturday, June 23, in the Whitby Arena, Whitby, Ont.

Mr. and Mrs. McMurdo attended our meeting as guests and we hope they will become members of our club very soon.

Following the business meeting, Mrs. Peggy McKenzie gave us a very interesting talk about the duties of a ring steward. It certainly was most helpful for our members who are learning the fundamentals and procedures of the show ring. A very lively question and answer period followed.

Oshawa Obedience Association

by G. Normoyle
310 Hillcroft St., Oshawa, Ont.

The spring training classes are well under way with 37 dogs registered, which is very good. The trainers are going all out to make this the most successful class held. Our thanks go to those members who paraded their dogs at the Shopping Centre. This, no doubt, is the best advertising a club can have.

Our April meeting was well attended, with both old and new business being discussed. The Fall Trial will take place at Lakeview Park in September. This trial is very popular and already letters of inquiry have been received by the Secretary.

That's all for now. Don't forget our monthly meetings are the first Monday of each month at the CRA Hall.

Ottawa Kennel Club

by Wilhelmina Bales
158 Russell Ave., Ottawa 2, Ont.

The monthly general meeting, held on March 30, drew an overflow attendance. President Tim Reid expressed his pleasure at the large number attending. The interest and enthusiasm shown by so many new members this season has been most encouraging and promises well for the May Championship Shows.

Current business matters were dispatched as quickly as possible. It was announced that, on account of the volume of work to be completed in connection with the May Shows, there would be no general meeting in April. However, several evenings were devoted to instruction in handling and grooming and general show technique.

The Program Committee, with chairman Mrs. E. B. Reid, presented a splendid program. The National Film Board film on "Rabies" was shown. Dr. W. A. Moynihan of the Health of Animals Division of the Agricultulture Department who prepared this film, very kindly spoke on this disease and also answered questions.

Mr. D. Hunt, who brought his splendid Basset Hound, gave an interesting talk on the history of the Basset. He pointed out the Standard of this breed and the qualities necessary to make a champion.

Mrs. Geo. Lovett was delightful in showing her beautiful Afghan and pointing out the standard requirements of the breed. She also outlined the interesting history of the Afghan.

The third dog in the Hound Group was the lovely Beagle brought in by Mr. A. Bruce Benson and again the audience were enlightened and informed by his talk on the history and points of the Beagle. All three answered questions concerning their breed.

Following this part of the program the film of the Canadian Save the Children Fund Dog Show held in June, 1961, at Ashbury College, Rockcliffe, was shown. This is a delightful film and was enjoyed by all.

Our monthly meeting was held in the Moose Hall, Woodstock, Thursday, March 15. There was a drop in attendance due to the fact that some of our members were showing at the Sportsmen's Show. Our speaker was Mr. Jake Giacomelli, who gave us a very interesting talk on Obedience. This was followed by a question and answer period.

Our next regular meeting was held on April 19.

Peterborough & District Obedience Club
by Mrs. Jack K. Lang
552 Raymond St., Peterborough, Ont.

Four of our members entered dogs in the Oshawa Obedience Trial held at the Airport in Oshawa on March 4 and floated home on Cloud Nine with seven trophies.

We were all so excited when Nancy Brooks with "Lady", her little Dachshund, took home the beautiful trophy for the Highest Scoring Dog in Trial. The trophy was three or four times bigger than Lady.

Our members were on the Johnny Danko Show with their trophies and their dogs shortly afterwards, and we would like to thank the many people who saw us on that show for their interesting calls and visits, especially those from as far away as Belleville, Nepton and Kingston. We had no idea they were so interested and neither did Johnny Danko of CHEX-TV. We will be on again very shortly with dogs from Basic class right through to dogs working in CDX.

We have received the first shipment of training leads from the Sheltered Workshop in Peterborough. A sample may be obtained from them if anyone is interested in ordering . . . call Mr. Froggit.

Plans are being completed for a display and demonstration of our dogs at the Lions Club of Campbellford at their annual Carnival the end of May. We are certainly looking forward to this project.

Two new members were welcomed into our club at the last meeting: Mr. and Mrs. Doug. Johnston of Lindsay. Four names were proposed for membership and accepted at our March meeting held at the home of Mrs. Richard Whalon: Mr. and Mrs. Bob Oliver of Peterborough and Mr. and Mrs. Ken McNichol, all working Poodles.

Graduation exercises were held March 26 at Ashburnham Hall with over 25 dogs and their handlers working for diplomas, ribbons and trophies. These were the largest classes ever held in Peterborough, and from the large registration this week for our spring class it looks as if we will be over the 30 mark again. We will have approximately six going on to advance CD work from the previous class, and at the present time we have at least 13 registered for the spring class which is just starting and usually we have three or four extra come when the night classes start. We are all very pleased with the excellent results from our basic classes; the dogs have been good workers and the handlers keen to learn proper handling in the Obedience ring.

A surprise party was held on St. Patrick's day for two of our members celebrating birthdays that day, Mrs. R. Whalon and Jack K. Lang, one Irish by birth and the other Irish by name.

Plans are being made for a Trial to be held in 1963 and we have written to CKC for a date as soon as they can make them available for next year. We are also pleased to report that four of our members have made application for membership in the CKC. We hope before a year is over that all will have membership in the CKC and eventually a vote in

Obedience affairs.

Seven of our members with their dogs participated in the German Shepherd Dog Club Obedience Trials held at Fort York Armouries recently and again our members placed first in Novice A, first in Open A, first and second in the unofficial class 'Novice Beginners', and the other two obtained qualifying scores.

Hope everyone atending the Fun Convention and Frolic in June plans to get into the fashion show with dog and handler wearing matching hats. There will be three prizes available. So gals and lads and dogs, get busy with your fancy hats. Peterborough and District Obedience Club will again this year look after the Musical Chairs that was so much fun last year, and there will be a prize for the winner too.

Poodle Advancement Association
by Grace E. Edwards
2133 #7 Highway, Concord P.O., Ont.

At our annual general meeting the following were elected to the executive for 1962: President, Mr. Charles Kiel; Vice-President, Mr. H. N. Gardiner; 2nd Vice-President, Mr. Thomas Joel; Treasurer, Mr. Grant Lay; Secretary, Mrs. Grace Edwards.

We held our Annual Poodle Specialty in March and it was a tail-wagging success. (Report appears elsewhere in this issue).

Our Educational Committee, chaired by Miss Mary Jane Weir, has been hard at work and has a full program planned for the rest of the year. We had movies and a lecture on structure and gait of dogs on April 25.

We also plan to hold our Annual Poodle Puppy Match on Sunday, June 24, at Exhibition Park, Toronto. All Poodle Puppies from two to 18 months are cordially invited to attend. I might suggest that all puppies bring a human escort. The judge will be announced at a later date.

For information re membership and club activities, please contact the writer at the above address, telephone AV 5-5952.

The April meeting had 11 present with President C. M. Stevens in the chair. The minutes of the March meeting were read by Mrs. M. Lake, who is keeping up the work in the absence of a recording secretary.

Most of the business consisted of matters pertaining to our June show. The President informed the meeting that there was a great deal of interest being taken in this show, both by Canadians and Americans. He reports many enquiries by mail and requests for entry forms. We extend a cordial invitation to all exhibitors to attend.

A detailed report on the March 11 Sanction Show was given by Auditor A. H. Lake. The show was quite a success and showed a splendid revenue. This money is to be used to buy prizes for our June point show.

Mrs. Maude Symons, Social Convener, reported that Mrs. Sheehan has been seriously ill in the hospital but is home and improving slowly. We wish her a speedy and complete recovery. Sympathy is extended to Mrs. Fred Andrews who lost her father and mother within a week.

Mr. Walter Brown, long time member of this club and Past President of the CKC informs us that he has judging appointments at Lowell, Mass. and Devon, Pa., where he will do Bulldog Specialties at both places. We regret that his first appointment comes on June 2, the day of our point show, which will necessitate his absence from the local scene.

Mrs. R. White of Newmarket has taken on the job of Trophy Secretary for the June show. The Show Secretary, Mrs. M. Stevens, says that many nice prizes will be offered for classes in all breeds.

There will be handling classes for the children. Class A, for girls up to ten years of age; Class B, for boys up to ten years, Class C, for girls ten to 14 years, Class D for boys ten to 14 years. There will be good prizes for all classes.

Anyone wishing further information about the show or entry forms please contact the Show Secretary, Mrs. Martha Stevens, 1698 Gerrard St. East, Toronto, Ont., phone HO 1-5139. Also please note show ad in **Dogs In Canada.**

Following a short business session the March meeting was given over to "Variety Night". A miscellaneous program of fun and fact made a very interesting time which was enjoyed by everyone present.

Examinations, explanations, recitations and hesitations were some of the provocatives that confused and rattled most contestants. Still there was a great deal of thinking done and considerable humor expressed in some of the answers, which added to the esprit de corps.

The exam on the Breed Standard was won by Jane Pugh. "Ten questions" on the breeds in Group One was won by Clay Clouter. Mike Driver won the obstacle race and Norine Clouter won the geography quiz. The lucky draw fell to Betty Hodgson—a lovely china pheasant planter complete with spring flowers. "Tin Pan Alley" was also won by Mike Driver. There were many other items on the program for which there was no prize. The evening ended with a sale of home-made cookies which went like hotcakes. A sizeable sum was realized for the trophy fund.

The April meeting scheduled a heavy business agenda, with the hope that we would

2608 Chalkwell Close, Clarkson, Ont.

The first meeting of the club was held March 27 at the home of Mrs. Canada Tanaka, Rometown Drive, Port Credit, Ont. The aims and objects of the club are to clarify and extend the Standard, to promote the type of Saluki which will create a favorable impression on the general public, to collect all possible data and interesting facts concerning the Saluki and to assist and advise all Saluki owners.

The constitution of the club was drawn up and the officers for the first two-year term were elected. The following have taken office: President, Mrs. Norma Fisher; Vice-President, Mrs. Ruth Coates; Recording Secretary-Treasurer, Mrs. Laura Haferkorn; Corresponding Secretary, Mrs. Sheila Seward; Promotional Director, Mr. Gilbert Khoury.

It is urgently requested that all Saluki owners contact the Secretary, Mrs. Laura Haferkorn, at the above address, for further information.

The Simcoe Kennel & Obedience Club
(Norfolk County)
by D. Mehlenbacher
Fisherville, Ont.

Mr. Ed. O'Brien of Edlyn Kennels, Canfield, well-known trainer, judge and President of the Obedience Association of Ontario spoke at the March meeting. In introducing Mr. O'Brien, Mr. George Mehlenbacher cited his 35 years of dog training and along with his other accomplishments, the fact that he trains dogs for police work.

Mr. O'Brien stated that too many Obedience people are defeating the purpose of Obedience by having dogs that are not well trained outside the Obedience ring.

"Dogs should be well-mannered, obedient and under control at all times", he said. It is up to the Obedience people to see that dogs are not discriminated against by having well-trained dogs that do not run loose and become troublesome pests and in some cases even dangerous. This is very poor public relations. An Obedience title is not, and should not be the goal, he stated, it should be the ground work for whatever purpose the dog is bred for — hunting, retrieving, guarding, herding, police work or well-mannered pets.

In referring to the question of American judges versus Canadian judges, he said that Canadians have an inferiority complex and sometimes feel that just because they come from the United States they are better. An American judge who has been barred to judge in United States is still able to judge in Canada but our judges must pass exams (American) in order to judge there. He decried the fact that Obedience-minded people were not interested enough to put a representative on the CKC Board this year and that too many are not even members. A question and answer period followed.

Mr. O'Brien was capably thanked by Mr. Gerald Charter on behalf of all the members who thoroughly enjoyed his talk.

A new advertising and publicity chairman for our show was appointed in the person of Mr. John Jaques, Simcoe.

Our April meeting featured "Tracking". Mr. and Mrs. Gerald Charter, Brantford, who are both Tracking and Obedience judges, were the speakers.

The Skyway Obedience Club

Our first graduation of this year attracted a surprising number of interested spectators. Nine dogs were successful in graduating, the highest of these being Mrs. Diarmid and Poodle "Chico", with a score of 198.

Mr. Andrew Emery and his German Shepherd, "Lady", achieved the top score in CDX. All dogs were judged by Mr. Peter Kirk.

We are now well underway with our second series of classes. This began with a "demonstration night". We were privileged to have with us as guests Mr. and Mrs. Thomas Joel. Mrs. Joel is a director in the Canadian Kennel Club. Mr. and Mrs. Archie Warnock of Ken-L Ration and Mr. Jack Jones, the gentleman in charge of dog licences were also guests. No one seemed to bat an eye while talking to Mr. Jones, so I guess we must all have a clear conscience.

Our latest monthly meeting was once again one of the more pleasant ones, combining business with pleasure. The Equipment Committee reported the purchase of a typewriter. Our poor overworked secretary must have sung "Somebody Loves Me" all the way home after hearing that. Also discussed were preparations for our Fall Trial. We hope our friends of last year will pay us a return visit, so keep working those dogs.

Mr. Jimmy Holden brought the meeting to a close with a very entertaining magician act.

Our sincere congratulations to Mr. and Mrs. Ernie Lane on their 25th year of marriage, celebrated in April.

Our monthly meeting was held at the home of Mrs. Ruth Coates (Kesari Kennels) on April 8. There was a short business meeting during which Ed McLaughlin was elected Second Vice-President, and Sue and Boris Janda were welcomed as new members. Pete Wyckoff gave a short talk on Field Trial activities, Jack Northover spoke on the breeding and training of Boxers and Fred Patterson showed a series of Basset Hound slides. We were happy to have as visitors to this meeting Sid and Linda Patrick. The meeting was adjourned early to give plenty of time for the members to take part in a shower for Pete Wyckoff and his bride-to-be, Ivy McLaughlin, followed by a buffet supper and toasts to the happy couple.

We would also like to mention that our

second lesson in our current series of Obedience classes was held on April 3 with excellent attendance. Many thanks to Ed and Ivy McLaughlin for the use of their home and for the love'y refreshments that followed.

It is wonderful to be able to report that we have Happy Bonnell back with us after a long serious illness, also that Jeanne White is on the mend after being confined to bed for several weeks with a bad bout of 'flu. President Dick White has just been honored by being named Vice-President of the North York Humane Society, a job which is very close to his heart.

At our March meeting the Secretary had to take over the chair, president Stu Roberts and Treasurer Gord Kerr, being absent. Not too many members attended as quite a few were at the Sportsmens' Shows. We accomplished a lot, though. Mrs. Fran Ferguson was approved as our new Vice-President and Mr. Jack Critchley for the position of Director, which Fran vacated. Both Fran and Jack are very capable members and we feel sure they will be successful in their new positions.

Some final arrangements were made regarding our "Open House" meeting in April — we hope that everyone enjoys the evening planned for them.

Gord Kerr gave a most interesting and explanatory demonstration with his handsome male German Shepherd, Kerrobi's Edo V Weilhelm, which cleared up quite a few points for the other members.

Hope to see everybody at the next meeting.

shy. Shepherd feet I find to be good. Hindquarters are not developed enough to match the movement of the good shoulders.

Great Danes

We've had much better Great Danes in the past five or six years. There are not as many Dane breeders as I'd like to see, but our present ones have done much to improve heads. One problem is too much straightness in shoulder. This fault probably restricts the hindquarter action. Exercise would give both shoulder and hindquarters a good chance for improvement. Some of the Danes in the ring are too young to be properly judged. You can't rush a young dog into competition. It takes time to build a youngster up. I think Dane hindquarters have gone backward. You can easily spot a dog where the breeder has been striving to improve the rear end. Actually it's not too hard to accomplish.

Newfoundlands

This is a breed in which great strides have been taken and should be considered more frequently by all-round judges as a Group dog. The overall quality has improved by a great percentage. With such a large dog it has been a problem to get good strong hindquarters. On the East coast I saw some real group material. The size is fine, but the dogs must have the bone structure to go with it. I see overall good heads and excellent coats, and specimens sturdy all the way through. Temperament is exceptionally good. Feet are excellent. Mouths have good bites.

Old English Sheepdogs

While there are only a few in Canada those I have seen are a credit to their breed – wonderful specimens. It's a pity we haven't more in this country. There is little with which to compare the entries, but once they come in for Group judging their quality is readily seen.

Pulik

There are few in Canada and of those, not many could go very far. Either they are lacking in quality, or are not well enough known to progress. More competition would help.

Samoyeds

This breed has improved a lot over the past few years, more within Standard size, adhering more to the American specifications. Temperament is generally very good. The coats I see are tremendous. Movement is what one would expect of a working dog. Ear carriage shows a little variation; some heads are carrying ears too close, which gives a sharp look. Feet in general are

good. There is less variation in type of foot — obviously breeders have been studying feet and putting the importance where it belongs.

Shetland Sheepdogs

Here is another breed that has made good progress. I would, however, like to see more uniformity of head. There are two distinct types, the short and the long. The variance makes it hard to properly judge. I'd like to see more value put on ear carriage. More attention should be given to apparent nervousness. Many specimens lack animation. The coats, for the most part, are good. The problem of size has been conquered. Fortunately there are not as many gay tails seen in the ring as previously. The matter of bite might be studied a little more carefully.

Siberian Huskies

This is a very good breed but we don't see enough of them in Canadian show rings. The quality is excellent; breeders are definitely maintaining type, and keeping the soft outer coat, which is so opposite to the Alaskan Malamute's tough coat and the Samoyed's soft undercoat. The specimens we see appear to be small but they are within the size and have the required musculature. Their feet are exceptionally good. Despite a tendency to nervousness temperament is no problem. The majority have fine heads, completely different from other sled dogs, permitting a different expression.

St. Bernards

Something should be done about the hindquarters and body. There is not the improvement I have watched for. The bone structure must be strong, as even puppies carry far more weight than most adult breeds. They must be exercised carefully at an early age. The large dogs grow very fast, carrying a head load of bone and muscle. This is something owners tend to forget. A St. Bernard should not be expected to do his best in the ring prior to 2½ years of development. Some are breaking down on patterns and can't seem to get back up.

Welsh Corgies

I'd like to see more of the Pembroke and Cardigan for favorable assessment. There is good quality in Canada. Temperament has improved a great deal in the past few years. The majority have good heads and nice expression. Movement is very important in this breed, particularly as it is a working dog. This must show through as well as the beauty.

Summary

Why don't more Working Dogs win Best in Show? More is expected of them than other breeds — there is so much to add up before the dog is finally assessed standing still. ■

of which Ch. Kobi v. Steinernhof and Lady Rhona are excellent examples; the Swiss rough and the English rough-coated types. All three types are here in Canada.

It might be mentioned that Kobi is the grandsire of Lady Rhona, her sire and granddam coming from Switzerland, the granddam direct from the Hospice of the Great Saint Bernard and all imported by Mr. Cawker. The granddam was in the last litter bred at the Hospice before the transfer of the dogs to Tibet. (The Hospice has resumed its breeding program with the help of the Swiss Government and other interested breeders in Switzerland and other countries). Through the granddam, Erle de la Theurre, direct lineage back to the famous "Old Barry", Barry von Sankt Bernard, is shown in the pedigree.

The pamphlet shows that the massive Saint Bernard is not the great eater so many people believe. With the less active animal the metabolism rate is proportionately less than the slightly smaller dog who is on the go all the time. The larger the dog, the fewer the calories are required. Generally, the Saint that is not doing any work and is lazing around the grounds or kennel can be adequately maintained for approximately 50 cents a day for the adult dog and slightly more for the growing puppy.

A project now in the planning stages is a bulletin of the activities of the club, its members and their dogs that could be sent to people who would like to be members but distance makes it impossible to attend meetings.

Anyone interested in knowing more about the Saint Bernard Club of Ontario could get in touch with the Secretary, Richard Seaman, Rocharest Kennels, Reg.'d, R.R. #1, Unionville, Ont. ■

SMOOTH FOX TERRIER WINS BIS

The second Championship Show held by the St. Catherines & District Kennel & Obedience Club, April 7, was greatly improved over last year's first attempt. This club, with very little experience, has struggled to put on one of the best organized and cleanest shows in Ontario. Members man the canteen in a clean, efficient manner, serving tasty lunches at reasonable prices. The grooming areas were well away from the judging rings, presenting a good appearance for spectators.

Mr. William L. Kendrick found his Best in Show in the English-bred Smooth Fox Terrier, Am. Ch. Sandhill Sugar Candy, owned by Chester Kurrash of Howe, Ind., and handled by Ted Ward. His Best Canadian Bred was another dog from the Terrier Group, the West Highland White Terrier. Ch. (Can. and Am.) Roseneath Gallant Knight, owned by Mrs. Thelma Adams, Richmond Hill, Ont. Best Canadian Bred Puppy went to Betty Dickson's Samoyed, Ziska's Zarmist.

THE BOUVIER DES FLANDRES

by Dorothy Walsh

Deewal Kennels, Frenchtown, N.J.

When we showed a Bouvier at the Westminster Show in New York in 1956, it created a stir among dog fanciers. It was the first time the "cattle dog of Flandres" had been shown in Madison Square Garden in a number of years.

The breed is one of the rarer ones in the United States and Canada. There are only several hundred of them in this hemisphere.

The Bouvier is a dog of considerable size. The male runs from 23½" to 27½" weighing about 95 pounds and the female from 22¾" averaging 80 pounds. The dog is powerfully built and was used in World War 1 for ambulance work and as a messenger. His coat actually is harsh to the touch and he has a soft undercoat that is a protection in both the hot weather of summer and the cold weather of winter.

The hair on the head is shorter, except over the eyes, on each side of the muzzle and under the chin. There it is more developed, forming eyebrows, a mustache and beard, features that are characteristic of the breed. He is known as the "dirty beard".

Colors run from fawn to black, passing through pepper and salt, gray and brindle.

On our 76-acre farm, we have 12 adult Bouviers, including six champions and four young puppies that give promise of being show material. Four of the adults are Belgian imports, including Ch. Argus de la Thudinie who, imported in September, 1959, has proven to be a sensation.

Argus was 8½ years old when imported by us but he has more than justified our judgment. In less than three months he made his AKC championship. In 1960 he was the top winning Bouvier and in 1961 he exceeded his 1960 record by winning 34 Bests of Breed and 14 Working Dog placements, including three Firsts. He cli-

maxed his 1961 campaign by going Best In Show at Worcester, Mass., on December 17. This made history as it was the first time a Bouvier had ever won top honors in any show in the United States.

The chief characteristic we look for in the breed is temperament and we are finding this through breeding from the four imports now in our kennel.

The Bouvier is a wonderful guard dog and yet is exceptionally gentle, especially with children.

dogs in survival operations

/continued

In the case of the third buried soldier, the dog showed even more reluctance to commit himself to the position, ranging fairly widely and requiring some repeated orders from his handler. However, he was not thrown off by the two charred boards which had fallen from the burnt shack (or were replaced) on the spot where he had to dig. He marked the proper position.

In Germany the Federal Association for Air Raid Protection conducts a training school for civilian volunteers in Civil Defence duties as well as preliminary and advanced training courses for dogs, each of which is approximately four days.

Preliminary training consists of teaching the dog to find and retrieve human articles of clothing which has just been removed and laid on the ground. When the dog has learned to find these articles in progressively difficult circumstances, he progresses to more advanced training.

Some of the most exciting stories about the exploits of these intelligent animals come from Sweden and Switzerland where teams of rescue dogs have saved hundreds of lives by their speed in locating persons buried by avalanches. In some cases dogs have been known to indicate the location of persons buried under 30 feet of snow.

Experience has shown that a dog's sense of smell is more acute by night than it is by day. This factor certainly would increase the working hours of rescue teams and thus increase the survival chances of buried casualties.

Dogs are being trained and employed by various roles in the Royal Netherlands Air Force for use in guarding air stations. The Norwegian and Swedish Army contingents of the United Nations Emergency Force in the Middle East use dogs on night patrols and for camp security. The United States Army uses dogs for sentry duty in Korea. In Italy, the Italian Corps of Carabinieri trains and uses dogs for attack and guard duties.

As the ever-increasing threat of nuclear attack hangs heavy over the world today, we might well consider the potentiality of dogs in the important field of National Survival rescue operations.

CHALLENGE TROPHY

On March 20, The Hamilton Kennel Club were hosts to the Oakville & District Kennel Club, the Simcoe Kennel Club and the Burlington & District Kennel Club for the annual Inter-Club competition. This year the Burlington team consisting of Jim Taylor and his "harem", Miriam Stacey, Joan Morden, Peggy Pugh and Olive Taylor, were successful in bringing the Trophy to "Home Base" (thanks to our able coach Phyllis Smith).

Mrs. Audrey Langford directed proceedings, ably assisted by Mr. Gottschalk and Mr. Wm. Burr. I was very surprised at the lack of "rooters" from the Burlington Club, a little moral support goes a long way.

A very big vote of thanks is due to the Ladies of the Hamilton Club for the wonderful lunch, and for the cake specially made for the winning team. This was enjoyed by the Burlington Club members at their April 5 meeting.

An enjoyable and educational evening well spent. We look forward to hosting the competition next year, and how about it, kennel Clubs, come along and make the competition keener.

Olive M. Taylor

BEST OF VARIETY

It's a Dog's Life

I am the proud owner of a beautiful Standard Poodle named "Terri", who has been a high scorer in Obedience Trials and a happy worker. I took her to the Burlington Trial for her third leg on Utility, which would mean her championship. Passing her Utility, she took highest score, also CDX, (highest score) and competed in Pot Luck.

At home the following day, as I brushed her, I discovered the cotton in her ears, placed there the day before the Trial when I bathed her. I had wondered why her reactions to my commands were slower than usual and this was the answer. She had passed her tests mostly on signals. This proves that Obedience through love and respect is everything it should be.

A pet shop proprietor received an order for a mongoose and decided to order another for his shop. He wrote to the supplier: "Please send me two mongeese." That didn't look right so he tried again. "Dear Sir, please send me two mongooses." That wasn't much better, so he began a third time.

"Dear Sir, please send me a mongoose. Yours truly, Gerry's Pet Shop. P.S. Please send me another mongoose."

They say it really happened at an American show: a novice handler and her terrier were equally nervous as they followed the routine in the ring. She could hardly hold him still for the judge's examination. "Show me his bite," said the judge. The lady bravely turned her dog and in a loud voice gave what she believed was the correct command: "Okay, Barlu, sic 'im!" And he did.

"Sure he's big, Mamie, But haven't you always told me to buy the large economy size?"
