cover story

Featured on the cover are some of our young home-breds of whose record we are particularly proud.

CH. MERCURY OF THE ROUGE (by Shipmates Demosthenes ex. Am. Ch. Klintiloch Moment), who completed his title at 10½ months of age, won the Manderley Puppy Challenge Trophy for 1962, the first year of its award, through the Canadian W.H.W.T. Club. His wins included Best Canadian-Bred Puppy in Show at the first L.K.C. show in Montreal and RW on a four-point bench at Montgomery County show, U.S.A. This year he was RW on a five-point bench at the Indianapolis Specialty.

CH. PHILOMEL OF THE ROUGE (by Bencruachan Prince Valiant ex Pixie Phebe) is a three-year-old great-granddaughter of Eng. Am. Can. Ch. Shiningcliff Sprig and granddaughter of Am. Can. Ch. Shiningcliff Symmetra Statesman; one of our best brood bitches, currently nursing a promising daughter by Gallant Lad of the Rouge, and mother of Sprig of the Rouge, who was Best Puppy in Sweepstakes at the Fall Specialty in 1962 of the W.H. W.T. Club of America.

Now just a year old, this puppy took a three-point win, when six months old, at Devon, Pa., and twice placed RW on a four-point bench the next week. At the Indianapolis Specialty this year he was Best Puppy in Sweepstakes (17 puppies present), winning the John Daniell-Jenkins Memorial Trophy offered by the W.H.W.T. Club of Indiana. TO THE EDITOR

eileen mcEachren trophy

... I would like to congratulate Mrs. Maydanski on winning the Eileen McEachren Memorial Trophy. It must be very gratifying after such hard work.

At the same time I feel it would have been very interesting to most breeders to have seen the names of the runners up who obviously must have put in a lot of effort and time.

This is an important trophy to win and this is the reason I feel the results of at least the first three placings should have been published.

MRS. ELSIE BETTS

Richmond Hill, Ont.

... Firstly we would like to congratulate Mrs. N. Maydanski for winning the Eileen McEachren Memorial Trophy. However we cannot understand your lack of publicity of the fact that their winning was only due to a higher point average which broke a tie with Badenoch Kennels owned by Mr. and Mrs. McFarlane who also had 5 Champions to their credit last year. The higher point average is ... inevitable when you compare the number of German Shepherds shown compared with the number of Cairn Terriers.

... We would like to congratulate Mr. and Mrs. McFarlane and to thank them for all the assistance they have given us.

MR. AND MRS. KEN ELMS

Weston, Ont.

... May I comment on your article "The Eileen McEachren Memorial Trophy", in the March issue ... It would seem to me to be in the best interest of all if, when articles of this nature are written, the names of the various kennels

If you have any suggestions, any comments or constructive criticism to make concerning articles in this magazine, or with regard to shows, your opinion of what is happening to various breeds with regard to size, colour, coat, etc., write a brief letter to the Editor. who were runners up could be mentioned.
MRS. EVELYN BROWN
Toronto, Ont.

Tied with Mrs. Maydanski with five Champions finished in 1962 were: Mr. and Mrs. Jas. McFarlane, Richmond Hill, Ont. (Cairn Terriers); Mrs. Kay Robinson, Richmond Hill, Ont. (Dalmatians); Mrs. Bea England, Crediton, Ont. (Doberman Pinschers); Mr. Thomas Wells, Vancouver, B.C. (Papillons). In searching through the records for the three point or better wins we found that Mrs. Maydanski had the most major wins closely followed by Mr. and Mrs. McFarlane, Mrs. England, Mrs. Robinson and Mr. Wells in that order. Our apologies for not including the names of the above in our March issue and our congratulations to these breeders on a truly outstanding achievement.—Ed.

the maltese dog

... I have just been sent an article appearing in Dogs in Canada entitled "The Maltese Dog". It is always nice to see an article about Maltese when the information is correct but this contains more misstatements in a short space as have ever met my eye.

I was amazed to see the picture from the book, "The Maltese Dog", as I believe the copyright is still in effect and does not allow reproduction. The quotation from Popular Dogs is from an issue in which the word "delete" was omitted by typographical error. If you check the Popular Dogs issue of March, 1960 you will find the correct statement which reads "deleting (a) under 3 lbs. ideal (b) smaller the better (c) low to the

ground and also deep in loins". This alone makes most of the writer's arguments invalid.

As secretary and director of publicity of the American Maltese Association, the only existing Maltese club in the United States, as well as being a member of the standard revision committee, I would like to point out the author's obvious ignorance of both the U.S. standard and the fact that "under 3 lbs. ideal" is being deleted from a revised standard now awaiting approval. The weight, if approved, will be up to 7 lbs., 4-6 lbs. preferred, with overall quality to be favored over size.

The American Maltese Association numbers many Canadians among its membership but the author is not one of them. Were she, she would know the feeling of U.S. breeders, exhibitors and fanciers as you can note from the enclosed official club publications. Since it was one of our Canadian members who has objected so strongly to your March issue's article, I would like to point out a few points:

1. The present U.S. standard, accepted in 1906, was based wholly on the English standard of that date.
2. The U.S. standard is only now being revised while the English did their revising about 3 years ago.
3. Innumerable articles have appeared in England's Dog World in the past few years stressing the fact that English breeders were concentrating on reducing size.

It appears the author would prefer to write a Canadian standard to fit her own dogs rather than to use either the English or U.S. standard. She refutes both standards in listing her salient points. If I

FROM THE EDITOR

ANY form of change is likely to encounter a three-sided reception: favor, disfavor and much comment but no expression — to the parties most concerned. This is notably true concerning Club Roundup. As readers will recall, this department was evolved from the former Club Notes. Following announcement of this necessary step, and prior to its implementation, letters arrived from clubs in three provinces stating their feelings. Since the introduction of Club Roundup the only province from which verbal and written protests come is Ontario. The amazing thing is that clubs writing in are protesting about reports on their own clubs! Complaints are that "things are left out that shouldn't." Honestly, whose fault is this? Individual club notes are not to

exceed 300 words. When 500 to 1,000 words are submitted the Provincial Editor is saddled with the unnecessary, difficult chore of trimming to size.

The editors can only work with material sent them by authorized members of the club executive.

Club Roundup is designed to enable readers across Canada to know what other clubs are doing. You, as a club member, know what your own club is doing because you attend the meetings — or should.

Let's look at the problem. **Club representation:** Equal space is provided for every club in every province. Each club secretary, as mentioned above, must confine her notes to 300 words. This is plenty of space for a report and is fair to all.

Content: Your Provincial editor should not be put in the position of having to cut out anything to conform with the necessary space and rules governing permissible content.

Deadlines: Your editor has a deadline to meet. Yet there are always some who try to push the date beyond the deadline

and are annoyed if the tardy material does not appear in the next issue. It is understandable that conscientious secretaries endeavour to get their reports in the earliest issue following a club meeting. But this should not cause the Provincial editor to be late with his or her material. American publishers have a strict deadline that is not nearly as generous. Some specify that material must be on hand three months in advance — rather than the three weeks allowed by Dogs.

Club Roundup privileges are most abused in the Ontario Region. To serve as a guide, we again set forth items which cannot be considered as club news:

(a) *Canadian wins in Canada.* Wins by Canadian dogs at American shows are allowed.

(b) *Names of judges* at coming shows which are not using advertising space in this publication.

(c) *Show dates*, if no advertising. This is strictly editorial space.

It takes more understanding

Whether it's a routine checkup, immunization shot or preparation for surgery, the veterinarian must have a lot of patience and understanding to win the confidence of his canine patients. By questioning you he learns about any changes in your dog's behaviour pattern. By examining your dog, he can detect symptoms of disease and can then take remedial action. When you have a particular problem with your dog and you want professional advice, see your veterinarian.

may quote from the two standards, England—"Forequarters: Legs should be short and straight. Hindquarters: Legs should be short and nicely angulated." U.S. — "Legs — short, straight."

In neither standard is there any reference to the great angulation she wishes to present as typical to explain the "so much spring and bounce" she prefers. Neither are typical of a good moving Maltese. With correct shoulder placement and angulation Maltese will move with a smooth flowing motion. The U.S. Maltese standard, when approved, will lay great stress on gait, calling for a smooth flowing motion, legs swinging freely from the shoulders, with the hind legs moving in a straight forward movement. Crossing over, toeing in or out and cow hocks will be definite faults.

The American Maltese Association has welcomed Canadians as members but has never attempted to force its standard on them or on The Canadian Kennel Club. It has been the first to admit the antiquated 1906 standard needs revision and is well into the long and arduous task of making it acceptable to breeders, fanciers and the American Kennel Club.

As an officer and breeder, I do object strenuously to the mis-statement purported by the author as being typical of the breed and of the statements that U.S. breeders are concentrating on breeding an under 3-lb. animal exclusively, when their main concern is a sound specimen, many of which are winning in the show ring, not only in the United States but in Canada as well.

ELOISE B. CRAIG

Secretary, American Maltese Association,
Box 69, Normal, Ill.

... In your March edition there is an article on Maltese by Mrs. Laura M. Paton which I would like brought to the attention of anyone interested in Maltese. In her standards of Maltese I think she is away out of order. It is a well known fact that, when showing or breeding dogs of any breed, we as exhibitors must abide by the standards laid down by The Canadian Kennel Club or there would be no point in having these organizations appoint judges to make future Champions.

I would also like to point out that in my estimation anyone showing a Maltese over 7 lbs. and having lemon streaks on a coat other than white is asking for his or her dog to be put down. To verify this one has only to look at Champions such as Gina of Villa Malta, Aennchen's Shaker Dancer, Senor Blanco, Aennchen's Smart Dancer and many others too numerous to mention ... all under 7 lbs! So, where does Mrs. Laura M. Paton get her 9 and 10 lb. dogs?

As a breeder of Maltese, not too well known yet, I would like to say this — I would not, under any condition, show or exhibit a Maltese over 7 lbs. and with any lemon or brown streaks in their coats.

OBEDIENCE

Ed. O'Brien, Canfield, Ont., is well-known as Canada's leading professional trainer of dogs in Obedience work. He is a licensed Judge, one of Canada's first. He began his career in the West, training dogs for herding and other farm work. Since moving to Ontario he has specialized in training dogs for police and guard work and for disabled people. Mr. O'Brien also breeds German Shepherds and Dobermans.

The Bytown Obedience Club of Ottawa recently sent me their booklet on the "Beginners Novice Course". The club gives one of these brochures to each new trainee at the start of the novice obedience course, to assist him in his homework and keep him informed re the next lesson. These booklets are for sale to training clubs, and I am sure would prove interesting and helpful to both instructors and pupils in training classes. The information given regarding training is to a large extent of a general nature, and I am sure that to the beginner the book will be a wonderful guide.

I was particularly interested in the list of things that the Bytown Club feels the young dog should already know before starting the training classes. Housebreaking is number one on the list. We here at Edlyn Kennels most heartily agree! For, on the whole we find that more than half of the dogs coming to us for training are certainly not housebroken, yet most of them are family dogs. Often we see examples of this lack of training in our Obedience Trials. Yet housebreaking, leash-breaking, teaching the dog his name and so on, though quite easily learned by a puppy, make a good foundation for the serious training to come later.

While I do not advocate serious training for a dog still in its infancy, some control should be exercised at an early age for the benefit of both handler and dog. This week brought to our attention the two extremes in age training. Number one, a dog of 18 months, has practically never been handled, knows nothing of the world outside of his own small run, does not even know his own name and has never worn a collar. This dog is so bewildered that he does not know whether to run from a human or to attack. The dog does not lack intelligence, he simply has had no experience in living. The owner has asked to have the dog trained to the C.D.X. standard in two months! In the second case, we had an enquiry about the possibility of training a five months' old puppy for tracking. Surely, the life of a trainer has to be lived to be believed. So, don't get discouraged, Readers, most of you have only one dog to train. I suggest you get this booklet from the Bytown Club and you are on your way. Incidentally, this is not a paid advertisement!

I am going to bring up again the controversial subject of a Judges' Conference. I seem to have really started something when, in a previous article, I recommended holding such a conference. Most of the judges with whom I have discussed this matter strongly favor such a conference being held. Others, to my surprise, evidently feel nothing could be accomplished, while one or two, for some reason, are really opposed to it.

Not only do I still stand by my previous contention that this conference is really needed but, since observing the scoring of the dogs in a few trials in the recent past, I am more convinced than ever that a Judges' Conference should be held without delay. Let me hasten to add that I am not questioning the integrity of any of the judges, the fault lies, rather, in the interpretation of the rules. There is no denying the fact that there is too great a variance in the marks deducted for mistakes made by both dog and handler. No book of rules could possibly cover every situation, so the judge must at all times be prepared to stand on his own two feet and decide instantly whether to cut or not, as well as the number of points he will award.

Every judge I have questioned feels, for instance, that a dog walking on a recall should be penalized, but I have yet to meet one judge who felt sure of the points that should be deducted. As a result, there have been deductions all the way up from zero to as much as three points.

The faulty execution of this exercise, as well as many others, needs to be discussed and the number of points to be deducted settled, at a conference of judges. By doing this, the scoring by the judges would be more consistent than it is at the present time.

While we are on the subject of judging, I feel we should consider some changes in regard to qualifying new judges. As most of my readers know, the applicant for license to judge must appear before an examining committee and take both a written and an oral examination. Then, if successful, he must apprentice under three different official judges. My quarrel is with the manner in which the official judge is asked to make his report.

An apprentice judge may sit at the

RETRIEVERS IN THE FIELD

Ruth Copeland is one of the best-known participants in field work in Canada, and is perhaps best able, through her intimate knowledge of sporting dogs at work, to describe a trial from the standpoint of color, excitement and the fine points of an event. She is a real outdoor girl, a fine sport under any weather or field conditions.

CHARLES F. BUNKER

Charlie's sudden death on December 27, 1962 was a loss to his many friends and to the West Coast Retriever fraternity. He was well known in this country and across the border. In the early stages he owned the famous Golden Retriever, Nat'l. Ch. '52 and U.S.A. F. T. Ch. Oakcreek's Van Cleve, and trained Col. Sam Magoffin's Golden (later owned by Mrs. George H. Flynn, Jr.) Dual Ch. and U.S.A. F.T. Ch. Rockhaven Raynard of Fo Go Ta. Our sincere sympathy goes to his family.

NOVA SCOTIA

During 1962 non-official Retriever trials were held in Middleton in April, and New Glasgow in September. Amherst also has some Retriever activity and there has been discussion of a possible fall trial. Readers in this province interested in training their dogs and furthering the cause of Retrievers may obtain information from the Retriever F.T. Representative, Mr. Lionel A. Kaufman, Box 236, Amherst, N.S.

NEW BRUNSWICK

The New Brunswick Retriever Club, formed by amalgamating the Fredericton and St. Stevens Clubs, will hold a licensed trial at Fredericton on June 8 and 9.

NATIONAL RETRIEVER CHAMPIONSHIP 1963

To be held early in October with the B.C. Gun Dog Club acting as hosts. A committee has been hard at work since before Christmas. Arrangements have been made for some excellent new grounds. Among the many hospitable and helpful things being done for visiting competitors will be complete pre-trial training facilities, with boats, birds, throwers, etc. We understand that the B.C. Gun Dog Club, a pioneer in the Retriever sport and formation of the National Club, celebrates its 25th anniversary this year, which makes their being hosts especially fitting.

All clubs should be considering the nomination of judges for this event.

MANITOBA

Seven licensed trials were held in 1962. A new club, The Winnipeg Field Trial Club, put on double-header Open Stakes in July. The Delta Marsh Retriever Club was revived and had a successful trial in September.

The Manitoba Gun Dog Association continues to develop its new club-house and grounds. They have been most fortunate in receiving periodic financial assistance toward this end, and over the course of two years have been able to erect a most up to date furnished and electrified building on donated property with ideal terrain and water.

The Manitoba owned dog to make the most Open points in '62 was George Dugan's Lab. F.T. Ch. Black Squeek of Netley Creek with 15 points. Fred Ward's Lab, F.T. Ch. Stonegate's Pluto made 17 points, which included five for a first place in an Amateur Open. Top dog in Open Stakes run inside the province was a Lab. female, F.T. Ch. Jokers Lady of Rockwall, owned by J. F. and Archie B. Gray, with 12 points.

ALBERTA

Three new clubs were formed: Gold Lake Retriever Club in the north; Brooks Dog Club, which held a trial in the renowned pheasant area; and the Southalta Gun Dog Club, which held a 1962 trial near Lethbridge.

With the opening of scenic Rogers Pass there should be more visiting between B.C. and Alta. neighbouring clubs.

B.C. INTERIOR

Three licensed trials will be held: at Kelowna in May; Kamloops in June; and Vernon (through the kind cooperation of the Alberta Clubs in giving up this date) on the August 31 and September 1 Labour Day weekend.

USA HIGH POINT RETRIEVER OF ALL TIME

U.S.A. Nat'l. Ch. 1957 and 1959 Spirit Lake Duke, black Labrador male, owned by Mrs. Murnane, Syosset, L.I., N.Y. now has a total of 175 Open All-Age points. His trainer is Joe Schomer. Previous record of 172½ points, made by F.T. Ch. Black Panther, has stood for many years.

1962 TOP POINT OPEN ALL-AGE RETRIEVERS

F.T. Ch. Retaliation of Carnmore; B.L.M. (Mara's Satan ex Flee Island Madame Queen). Breeder William Stewart. Owner-handler James Paton of Wetaskiwan, Alta. Score for 1962 was 2 Open All-Age points. It was disappointing that this outstanding dog was

Is your dog bone-hungry, too?

MILK-BONE satisfies the bone hunger of your dog.

A dog needs to chew, and knows it. In the absence of a bone, even the best-trained dog will find something else to chew—often something he shouldn't. But there are few bones in today's kitchens. Many that are available are not safe or good for your dog. That's why

the modern dog goes bone-hungry.

The answer is MILK-BONE—the biscuit with the real bone shape that makes wonderful chewing, without a real bone's tendency to splinter or upset the digestion. MILK-BONE also gives your dog all the important nourishment found in milk, meat, bone-meal and vegetables. Get MILK-BONE in the biscuit size that suits the size of your dog—regular or large.

HUMANELY "SPEAKING"

*A frank discus-
sion on field
trials from the
standpoint of
the Ontario
Humane.*

by tom hughes

FIELD TRIALS

The whole subject of field trials and in particular the use of live birds during the trials, has been "in the news" lately.

At the Ontario Humane Society's Convention, held recently in London, discussion centred around a motion that recommended the repeal of Section 387 I (f) of the Criminal Code. This section forbids the shooting of live birds. It does not specifically prohibit the practice of allowing dogs to retrieve live birds. In other words, there are two separate and distinct practices that are under discussion.

The motion was withdrawn, mainly because it was felt that the whole subject needed careful consideration before anyone could vote intelligently on the motion.

However, the most important reason for tabling the matter was to give the Ontario Humane Society an opportunity to meet with representatives of the Field Trial clubs in Ontario to discuss the whole subject in detail. To enable this to be done the Convention appointed a committee of three. They are Mr. W. Plumer of St. Catharines, Dr. T. K. Bourns, of London, (incidentally a contributor to *Dogs in Canada*) and myself.

Representatives of the Field Trial Clubs of Ontario also met in Toronto recently. At that meeting a similar committee was also set up to meet with the Ontario Humane Society. This committee consists of Mr. William Hayden of Hamilton; Mr. William Copeland of Grimsby; Mr. H. V. P. Lewis of Toronto and Mr. Mark Seguin of Stratford. In effect, the Ontario Humane Society and the Ontario Field Trial Clubs have formed a "joint committee". It will discuss the way in which field trials are run and the safeguards that could be introduced to avoid any accidental damage or injury to the birds. One very important subject to be discussed is the inspection of field trials by official Inspectors of the Ontario Humane Society. In this context some Field Trial Clubs have asked voluntarily for inspection.

I must stress that the clubs referred

to have all been Retriever clubs. No contact has, as yet, been established with Spaniel or Pointing groups.

Incidentally, I refer constantly to "Ontario Humane" and "Ontario Field Trial Clubs" but the problem is common to Canada. No doubt other Provinces will watch the developments in Ontario with great interest. In fact, I would suggest that the contact and liaison that has been established by the "joint committee" idea in Ontario should be emulated throughout Canada.

However, it is essential for there to be any hope of success, for both groups to trust each other and to realize that while they may disagree on some points that everyone concerned is acting in good faith.

ARE FIELD TRIALS NECESSARY?

Obviously, I cannot speak for the entire humane movement. The many thousands of members and the various Societies and branches etc. that the Humane Movement consists of, all have their own point of view on this matter or any other. However, I have a personal viewpoint and this might be a good time to "philosophize".

First of all, I don't think all shooter or hunters are cruel, or sadistic. However I am quite convinced that cruel, sadistic, and highly irresponsible people hunt and shoot. They do a lot of other things too. Some of them even join humane societies! . . . People are people whatever their interests. I am convinced that the true "sportsman" (who seems to be decreasing) is always humane in that he never intentionally causes unnecessary suffering to an animal or bird. Indeed, he will go to any length to avoid say, for example, leaving an injured animal or bird, to suffer. Unfortunately in this day and age, the number of irresponsible shooters seems to be on the increase!

It is important to remember that conservation of wild life is not just a phrase used to scare the shooting public into accepting low bag limits or, in some cases, total protection of certain species. It has very real meaning, and it is supported by facts that are not only real, but very depressing. The fact of the matter is that if birds (and animals) are NOT conserved, then they will eventually, sooner rather than later, become extinct. When we talk about "conservation" then we are really talking about the survival of birds and animals. Let me quote an eminent Canadian whose books and articles have brought him world wide recognition as an authority on the subject of wild fowl, Mr. F. H. Kortright. Referring to the fantastic annual loss of birds he says "over-shooting must take a major share of the blame (together with the loss of suitable breeding and wintering habitat). For every duck brought to the bag there is at least one other that has been wounded and escaped, later to die, or has been killed and not recovered." The writer, Mr. Kortright, estimates that "at least 15 million ducks a year are lost in this way; the number of upland birds that are lost in a similar way also reaches a staggering total".

Mr. Kortright goes on to say "The use of trained Retrievers in wildfowling and upland game shooting is so vital a conservation measure that it is to be hoped the practice will become mandatory in North America. Everything that can be done to train more Retrievers and to interest more gunners in their use should be vigorously undertaken."

Personally I agree with Mr. Kortright!

The vital role that field trials play cannot be underestimated. Without them dogs would not be bred for brains and work, but for "beauty". It would be of little consolation to future generations to remember the once abundant and beautiful wildfowl of the 20th century while contemplating an equally beautiful but useless Retriever, Spaniel, or Pointer.

I realize that shooting men would still breed their own dogs, but this was not good enough in the past when hunting pressures were much less than they are now. Without Field Trials it would be utterly inadequate today, and in the future, as the number of people shooting grows constantly. The volunteers who run Field Trials do so at great expense of both time and money. They make nothing out of trials. They deserve the gratitude of all those who have conservation of wild life at heart. Without Retriever trials the wildfowl of the North American continent would suffer even more than now!

I feel strongly that it should be com-

pulsory by law for anyone carrying a gun and ammunition for the purpose of shooting birds to be accompanied by a trained Retriever. And what better way of determining whether the "dog" is, in fact, "trained" and not just the pooch from next door, borrowed for the "occasion" than a certificate from a Field Trial Club, licensed to conduct Trials by The Canadian Kennel Club! The certificate could simply state that the dog had passed a simple series of tests, sufficient to ensure that it was competent to perform basic duties. It would mean that the shooter or dog owner would have to spend time training his dog, but this is desirable anyway! This "chore" could discourage only the irresponsible shooter.

If members of the Humane Society should look for the real reasons for training dogs, so is it equally important for Field Trial Club members and shooters in general to realize that the members of the humane movement are sensible, responsible people who are not necessarily opposed to shooting as such but to

GOD IS SO KIND

God is so kind. He gave us dogs to love.
I like to think in that fair Land above
He walks His starry meadows, never quite alone.

That even when He sits upon His throne
And prayers wing upward to the mercy seat,
A drowsy puppy nestles at His feet.

the activities of the irresponsible "lunatic fringe". The sort of people who shoot at anything that moves, often out of range; the "marsh cowboys", the idiots who care nothing for conservation or for bag limits and who would probably shoot a dog if they ever had one; the people who shoot horses, dogs and even cattle presumably out of frustration or worse; these are the people who are responsible for much of the needless slaughter of wildlife. The sooner such people are deprived of their opportunity to behave in this way, the better for all concerned.

The general public, including responsible shooters and members of the humane societies, join together to condemn those responsible for this criminal irresponsibility. It is to be hoped then that both groups can join together in the interests of conversation on the issue of Field Trials!

If shooting was illegal in Canada then everything to do with the sport would be redundant and unnecessary, including Field Trials, dogs, guns, etc. But as long as shooting is a perfectly legal activity encouraged by all Governments and by a substantial section of the general public, then just so long will Field Trials be an essential part of the fight to conserve wildfowl.

King George V, a keen shooting man if there ever was one, said "The wildlife of today is not ours to do with as we please. We hold it in trust for future generations".

SPORTSMEN'S SHOWS *If you had*

before has a show in Canada offered more facilities or received such acclaim - no

Canada and the United States. Brightness and comfort for the dogs and exhibitors

the world's only indoor field trials.

Canada's 1963 show season moved into high gear with the exciting Canadian National Sportsmen's Dog Shows, March 20 - 23. An unusually long, cold winter made this Spring get-together a gala affair. The Dog Show Committee, under the leadership of H. V. P. (Bumpy) Lewis and genial Show Superintendent Hudson Kalloch, deserve nothing but praise - for acquiring the beautiful, spacious new venue, for the glittering trophy tables, handsome displays, generous rings and smooth handling of this prestige show.

Unquestionably, the Sportsmen's Dog Shows have now become Canada's top-ranking shows. To keep such a major undertaking running 'like velvet' is a yeoman task for any committee. The spectators, exhibitors, and most important of all the dogs, were comfortable in the heated, spotlessly clean, well lighted building. Brightly colored exhibitors' booths added a festive air to this outstanding show.

The four rings (and on Saturday six) all had new blue skirting. Ample space gave the judges an excellent opportunity to carefully evaluate each of the 1,917 entries. Sixteen States and four Provinces were represented in the entries. Spectators were on hand from as far away as Vancouver. Among those attending, some for the first time, were Elsie Murray and Vic Williams from Vancouver; Bill Dawson, Saskatchewan; Jack and Mrs. Anderson, Calgary; Lois Burpee, Moncton. Over 20,000 spectators passed through the turnstiles.

Chief Ring Steward W. Phippen had sufficient, experienced stewards on hand to provide each judge with able assistants, resulting in a minimum of delay.

Judge, Robert Blyth selected the Beagle as his BIS on March 20 - Perkey's Ring Master, owned by Clement M. Sigg, Livonia, Mich. This dog was well named and his "perky" manner made him master of the ring. The other five group winners were the Irish Setter, Ch. Killane Rogue (Mr. and Mrs. John Royston, Meadowvale, Ont.); the Old English Sheepdog, Ch. (Can. Am.) Blue Admiral of Box (Roger E. Richards, Massapequa, N.Y.); the West Highland White Terrier, Ch. Dina Ken's Little Pip (Mr. and Mrs. Albert A. Kaye, Richmond Hill, Ont.); the Pekingese T'An Wo 3rd (Pius Sullivan Jr., Nashwaaksis, N.B.) and the Bulldog, Rawburn Bayside Bayberry (Mr. and Mrs. Cyril Bernfeld, Allendale, N.J.).

The following day Anton B. Korbel chose the Labrador, Krooked Kreek's Knight (Stanley R. Kurisko, Elliot Lake, Ont.), as BIS. Group II was again represented by the same Beagle; Group III by the same Old English Sheepdog; Group IV by the same West Highland White Terrier, Group V was the Toy Poodle, Ch. Loramar's I'm a Dandy (A. E. Barlow, Canton, N.Y.) and Group VI the Bulldog, Ch. Lakeland Invicta (Mr. and Mrs. H. J. Goss, Bewdley, Ont.).

Judge Lawrence Garvie had for his six dogs, at the third show, March 22, an Irish Water Spaniel, Ch. (Can. Am.) Water Gate's Lover Boy Casey (Mr. and Mrs. Jeremiah M. Kennedy, Spencerport, N.Y.); Standard Smooth Dachshund, Ch. Lenair's Vane (Mr. and Mrs. Thos. H. Sinclair, Meadowvale, Ont.); the same Old English Sheepdog; West Highland White Terrier, Wolvey Pickwick (Mrs. E. K. Fischer, Chicago, Ill.); Maltese, Aennchen's Timki Dancer (Mrs. Evelyn Rubie, Peterborough, Ont.) and Miniature Poodle, Ch. Poodhall Prue of Burdisel (Mrs. F. W. Hall, Nacogdoches, Tex.). The Old English took BIS.

is the great event this year, spare no effort to make the scene in 1964. Never
 have so many entries and spectators been noted from such distant points in
 alike was the keynote. And for sheer excitement, nothing could surpass

Eleven different breeds were entered in the Limited Breed shows coupled with 13 Booster Shows and six Specialty shows at the fourth show on March 23. Winners for each of the Specialty Shows were:

The Golden Retriever Club of Canada — Ch. (Can. Am.) Gayhaven Lldiel, CDX (Am. Can.) owned by Marcia R. Schlehr and Sam R. Gay, Dearborn, Mich.

The Irish Setter Club of Canada — Ch. Killane Rogue, owned by Mr. and Mrs. John Royston, Meadowvale, Ont.

The Boxer Club of Canada — Ch. Bonnie Lee's Dancing Doll, owned by Mr. and Mrs. Stanley Whitmore, Richmond Hill, Ont.

The Dominion Collie and Shetland Sheepdog Association — Collies (Rough) — Ch. The Wizard, owned by Mr. and Mrs. J. Hargreave, Uxbridge, Ont.; Collie (Smooth) — Selskar's Victorina, owned by Mrs. Katherine M. Nicks, Warren, Ont.; Shetland Sheepdog — Alford Tam O'Shanter 2nd, owned by William Henderson, Toronto, Ont.

The Miniature Schnauzer Club of Canada — Ch. Rosehill Poco's Impression, owned by Mrs. Hugh Simpson, Hespeler, Ont.

The Toy Dog Breeders' Association of Canada — first in Group — Pug, Ch. Acacia's Mar-Ma-Duke, owned by Mr. and Mrs. John A. Loftus, Stittsville, Ont.; second — Pekingese, T'An Wo 3rd, owned by Pius Sullivan Jr., Nashwaakasis, N.B.; third — Toy Poodle, Tophill Bel'Amie, owned by Mrs. Ken Ellis, Streetsville, Ont.; fourth — Aennchen's Samba Dancer, owned by John Rubie and Sons, Peterborough, Ont.

The Obedience Trials were well attended, attracting fascinated spectators to ringside. Mrs. Isabel Hart found her high score of the day in an American Cocker Spaniel, Poling's Robb Roy, owned by Lucille Porter, Beaver, Pa. with a score of 196½ in the Novice "B" Class. At the second show, Mr. Vern Jackson gave 199 to Sugarbrook Stardust, an American Cocker Spaniel owned by Constance E. Vickerman, Philadelphia, Pa. entered in the Open "B" Class; 199½ was the top score given at the third show by Mrs. Mary Southcott to a Collie, Bobby Shaftoe's Sand Sue, owned by Norman and Thea L. Roffey, Livonia, Mich. Mr. Don Foster found his high score, at the last show, in the Novice "A" Class in a Shetland Sheepdog, Kris-Ena's Golden Crest, owned by Mrs. R. Burgess, Fonthill, Ont.

The Retriever Trials, with their authentic setting of stream, trees, fences and leaves were a continual attraction on the second floor of the Arena. These Trials are still the only indoor international and invitational Retriever Trials in the world. Nearly 50 top Retrievers competed. The brain child of 'Bumpy' Lewis, they are realistic, exciting and demanding. The leaves are carefully stored each year by the Parks Department, and more than 550 evergreens were gathered for the setting.

Much appreciated was the delicious coffee served continuously by courtesy of Gaines in a small, quiet rest haven hosted by Chris Trunkfelt and his assistants. Also commended and appreciated: the spanking clean and attractive washrooms, as pleasant as those of a private club. And speaking of privacy, the exercise ring was surrounded by evergreen shrubbery.

For the first time in seven years, the entry fee was increased — from \$5.00 to \$6.00. The fact that the entry fee was not increased long

KEN-L PRODUCTS AWARD WINNERS

The big social event of the year in Canadian dogdom was a joyous event, unhampered by sleet and snow.

For many of the 200 or more guests at the annual Ken-L-Ration pre-Sportsmen's Show reception and dinner, it was like old home week. The event, held at the Seaway Hotel, had all the joyous aspects of a victory celebration rather than the eve of four days of heavy competition.

The coinciding meeting of The Canadian Kennel Club Board of Directors as well as the presence of the winners of the Ken-L-Ration Awards (who were flown in by Ken-L-Ration for the occasion) permitted representation from across Canada, making it a national affair.

Guest speaker was Dr. James Archibald, head of the Small Animal Division of the Ontario Veterinary College — who has a distinguished academic career as well.

Among the guests were the four Ken-L Products Award winners, a rare assemblage of Westerners, American exhibitors and handlers from a distance, Canadian exhibitors from distant

locales, judges, Ontario breeders, directors of The Canadian Kennel Club, members of the Toronto Academy of Veterinarians, writers, pet food buyers (commercial), members of the Ken-L-Products Food Plan and others important in Canadian dogdom.

The Ken-L Products awards were made to the top-winning dog in each of four geographical areas: British Columbia, the Prairie Provinces, Ontario and Quebec, and the Maritimes. The coveted awards are made according to The Canadian Kennel Club show results. To earn the award, the dog must have made the wins in his own area. It should be noted that while some top competitors may have aggregated more wins, the entire winning was not done in the dog's own geographical region. The wins were exceptional this time in that Albert Kaye was the first previous winner to carry off another Ken-L Products ice bucket. And for the first time, two dogs of the same breed — Pekingese — were tops in their regions.

In the century of Veterinary medicine in Canada, said Dr. Archibald, tremendous advances have been made. Today the great animal scourges have virtually been eliminated while others are now under control. Limited funds, tedious hours and lack of trained workers has delayed much of the work to be done.

"Dog breeders have a most excellent organization in the CKC, but could not some advancement be made by establishing a code of standards in hygiene, preventive medicine, nutrition, housing and parasite control?" he asked.

Report on Ontario Humane Convention

The first real insight into the work of the Humane Society came as a shock to observer Phyllis Smith. Here is a dedicated group, working desperately without sufficient funds or interest from those most concerned.

Early in April I was assigned to cover, as a representative of *Dogs in Canada*, the annual convention of the Ontario Humane Society, in London. I greeted this assignment with mixed emotions. It meant that I would miss a dog show and I had little interest in spending three days in this manner. During my 20 years in the 'dog-game' I was aware that such societies existed, but that was all. I wasn't interested in them, how they operated or what their program involved. Like many other breeders of purebred dogs I, perhaps unconsciously, resented their selling 'orphans' which in many cases were full of one disease or another.

However, one does not question the why's of an assignment, one just goes. What a rude awakening I had! Here was an organization, I discovered, that was trying desperately to carry out many of the ideas and convictions shared by my fellow dog breeders, with little or no help from the very persons most involved.

During my years in this hobby I have frequently stated I was trying to, as a lover of dogs, do my part in the promotion and improvement of dogs in general. At this convention I realized that I, and many like me, have been interested only in my own small circle and my own kennel. Perhaps, in the long view my own breed could be included. But certainly not dogs in general, and animals as a whole.

Delegates from Ottawa and Sault Ste. Marie, as well as nearby points, attended. Each represented some local Society that had many problems, the answers to which they hoped to discover from other associations which had experienced and resolved similar problems. I found that 'Dog Control' which most of the local Humane Societies are operating, is most distasteful to them and certainly is not one of their prime purposes. But the payment they receive from their municipality to perform this service is essential to the maintenance of their operation. Delegates informed the meeting that without this revenue they could not operate. Too, it was felt that they

were best qualified to carry out this work, in the most humane way possible.

Although some shelters in small areas do certain investigation before allowing an animal out for adoption, most shelters have neither the personnel nor the finances to employ sufficient help required to do more of this type of work. On the whole no formula has, as yet, been devised which will give some assurance that animals can and will be well cared for. Does it make any difference where one lives or the income one has? Cruelty can be practised in the best homes in the best neighborhood and by the "best" people.

As for the problem of disease, well run shelters confine stray animals, or animals that are brought in for adoption, until they have been given a complete veterinary examination. If any are found to have even the slightest symptom of disease they are isolated from other animals until the veterinarian gives them a clean bill of health. Here again, I was surprised that every shelter does not get the assistance needed from veterinarians. Some do have a permanent doctor, others rely on one, who is interested in the community problem, to come in once a day. Once again insufficient funds preclude other than a cursory examination.

Several reports, by officers and committee chairmen, were interesting as well enlightening. To report on these, in greater detail, they will be held over until next month.

The recommendations of the Award Committee, under Mrs. Noel Eaton, were accepted and the awards presented at the dinner which was covered by television and radio. Presentations were made by President, Mr. Peter Armour: a silver medal and citation for bravery to Miss Susan Jacobs, Streetsville, a 16 year old, who showed outstanding bravery in rescuing her pony from a burning barn. (This award was presented by Mr. Arthur Godfrey at the Royal Winter Fair); a silver medal and citation for bravery to Mr. Robert Taylor, Burling-

ton, who risked his life and was injured while rescuing a dog and over 50 head of cattle and pigs from a burning barn owned by his neighbour. (Mr. Carter was not present for the presentation); a bronze medal and citation to Mrs. Larry Cond, Whitby, who, while visiting friends, was able to lead three horses from a burning stable to safety. A further medal and citation was presented to nine year old Charles Shore who rescued nine puppies from a burning kennel. To do this young Charles had to break an entrance into the kennel to get to the puppies and it is no doubt he effected the rescue at a personal risk to himself. A bronze medal and citation was also given to three faithful workers of the Society who have each served, in one capacity or another, for more than 25 years. These went to Miss Jane Boyle, Niagara Falls; Mrs. Marjorie McKay, St. Catharines; and Mr. Herb Merry, Oakville.

Certificates of Merit were presented to several members for outstanding actions on behalf of the Society during the past year. To 13 year old Graham Rolph, Mono Mills, Ont. for rescuing a dog from an ice-covered pond (and fell through the ice during the rescue); to James Ryan, a canine control officer of Markham who rescued a puppy from a culvert, under particularly unpleasant circumstances; to the Toronto Humane Society for their work in rescuing a number of animals from a recent train wreck and to Mr. Charles Plant, Niagara Falls, who has retired as Director and Manager of the Niagara Frontier Society Shelter.

The annual elections resulted in the following being elected to the Board for 1963: President, Gordon C. Trent; Vice-Presidents, Russel T. Payton and G. D. Jefferson; Treasurer, J. K. Punchard (re-elected); Secretary, Mr. K. Haas. Directors are: Peter Armour, Mrs. David Askew, Russell Astles, Mrs. Noel B. Eaton, Donald R. Gordon, T. L. B. Hamlin, R. Harris, E. W. Jones, John McCarthy, Dr. Charles Niven and W. Plumer.

by DR. T. K. R. BOURNS

Have you ever noticed that we have a tendency, when confronted by an illness, to devote our attention to the symptoms rather than to the disease? With our own bodies, we fuss about our aches and sneezes, dosing ourselves with pain killers, anti-histamines and sleeping tablets, but doing little to combat the condition that produced the offending pains and sniffles. If our malady doesn't go away, we consult a physician who diagnoses the condition and prescribes treatment to get to the root of the trouble.

I wonder if we may not find a rather close parallel in the dog game. Perhaps we should ask, first, "Is the fancy completely healthy, or does it suffer from nagging pains or that rundown feeling?" The presence or absence of symptoms should provide the answer.

Let's listen to a discussion among "doggy people", extracting a few sentences from their conversation.

"But Sideny, old man, what can you expect when the judges don't know the breed standard?"

"Well, I'll tell you that Harriett and I will never show at Bazooka Falls again; all the breeders there have small dogs and Toar just didn't have a chance."

"What I'd like to know is, why doesn't CKC make up its mind?"

"My dear, I wish you could see that dog; Best of Breed at the last three shows all because he has a pretty face. He couldn't do a day's work — why he couldn't track an elephant in fresh snow! They should be disqualified if they can't do the work they are designed for, that's what I say."

"Hey Sam, listen to Mable sounding off again about Charlie's dog. That animal of hers may be a heller on game, but he looks like a cross between a Basset and a Borzoi. No wonder she never sees a blue ribbon."

These statements or variations of them which we have all heard many times, are, I submit, symptoms. There are others, of course, but these will serve to illustrate the point. In brief, they involve criticism of judging and of CKC, disparagement of the other fellow's dogs, and the splitting of breeds into show vs. working types.

To return to my original thesis, do we not find ourselves, being aware of these things and of others like them, attempting to cure the ill by treating the symptom rather than the disease? Do we not find, too, that most of the effort expended on these symptoms takes the form of sheer complaining? It is true that many valuable concrete proposals are made in an effort to do something constructive, and that a number of these have been implemented by our Kennel Club. Still, I maintain, we are not coming to grips with the

basic problem, the disease in my analogy.

The next few lines will contain some pretty blunt statements which may arouse indignation in the mind of the reader. However, I think that a little serious thought will lead to the conclusion that what I am about to say is true. It is my belief that the root of the problem mentioned above is to be found in our own ignorance; ignorance of our role as fanciers of a certain breed, ignorance of our role as members of CKC, and most important of all, ignorance of what characteristics make a good dog — and why.

To expand on the first of these, it is apparent that very few fanciers take active roles in shaping the destiny of their particular breeds. One detects a totally unwarranted detachment on the part of breeders with respect to specialty club activities. Perhaps this is most apparent in attitudes to breed standards, where the average Siddlehound breeder, disagreeing with the statement that the left legs should be twice as long as the right ones, either ignores the official list of breed attributes and breeds according to his own personal standard, or reluctantly attempts to breed towards the official standard because judges or CKC want Sidles to be that way. The important thing is that each characteristic in a standard should have an optimal size, condition, or what-have-you, and that there should be a good reason for each of the ideal values set forth. Coming back to our friend, it may be that the standard is correct, in which case he should find out why, after which he will breed for characteristics not reluctantly, but knowledgeably and enthusiastically. On the other hand, our breeder may be correct in his idea of perfection, in which case he should campaign, through his specialty club, to have the official standard changed. After all, CKC doesn't make breed standards, but rather puts into official recognition the ideal as set forth by the specialty club. Finally, it may be that neither our breeder nor the specialty club really knows why a Siddlehound should have its left leg twice as long as the right ones — it simply says so in the book! Here ignorance reigns in full majesty.

The second realm occupied by lack of knowledge concerns our role as members of The Canadian Kennel Club — our Kennel Club. The impersonal word "they" is almost invariably used when referring to CKC. Those of us who have had dealings with similar organizations in other countries have, or should have, a great appreciation for our Kennel Club. If we have suggestions or complaints, we should remember that *we* are The Canadian Kennel Club. We should speak our piece, not to Joe next door, but to our representative on

the governing body of our Kennel Club. I might add that we would do well to heed the advice of our telephone companies when picking up *Dogs in Canada* by reading the yellow pages. Here is where we will find rules in the making. Here is where we are given the opportunity to voice opinion before final steps are taken after which we may only say, "What they should have done was —."

Finally, and most important, it is naked truth to say that we are ignorant about our dogs. I shall go so far as to say that not more than 20 people in all of Canada really know dogs. Before you spend too much time wondering who the other 19 are, I should tell you that you aren't on the list and neither am I.

As with most things, there is a full range of ignorance to be found among us. Also, one can detect two kinds of this commodity; sheer lack of knowledge on the one hand, and false information on the other. Doubtless, the latter is the more dangerous, for the misinformed frequently speak with great authority, unthinkingly spreading untrue "facts". So colossal is our ignorance, that it is difficult to choose examples to illustrate the point, however, consideration of basic skeletal anatomy related to function will do. Most of us develop the capacity to recognize a good gait from a poor one. But do we know in specific terms *why* one dog moves more effortlessly or with greater drive or with better reach, than another? Let me put it this way: suppose that we are looking at a dog which moves imperfectly, and that we are suddenly empowered with a great magic which will enable us to alter the dog's skeleton. Would we know which bones to lengthen or shorten, and by how much, or which angles to increase or decrease, and by how much, in order to correct the gait? I'm afraid that the honest answer for most of us is "no". Indeed, many of us don't even know what the bones are, much less how they work in concert to produce an effect upon the dog's movement.

To take this a step further, let me illustrate that entire organizations show lack of knowledge. To avoid offending others, I shall quote from the newly-revised standard of my own breed, The Alaskan Malamute. "Stiffles moderately bent, hock joints broad and strong, moderately bent and well let down." Now, there is not a shadow of doubt that there exists an optimal length of femur (thigh), tibia-fibula (shank), and metatarsal (foot) bones, and optimal angles between them, in order to produce the tireless, powerful gait required of the Malamute. Yet, the collective knowledge of our entire breed club has not proven sufficient to describe these in concrete, measurable terms. In other words, we do not yet know what is ideal. As a result, we concoct a phrase like "moderately bent" which may mean ten things to ten people, some of them judges. Incidentally, if you think that we are a bunch of dummies, take a peek at your own breed standard and see if we aren't in good company.

The foregoing is intended to represent a diagnosis of some of the ills of the dog game. If I'm going to play physician however, I mustn't stop here, but must prescribe remedies, and here they are: large doses of Sulphastudyal and Larnamycin, to be taken at frequent intervals. I suggest that we must become serious students of dogs in general, of dogs of our own breed, and of our own personal dogs. In this regard, Dr. Shute's series on *The Anatomy Of The Dog*, which recently appeared in *Dogs In Canada*, and Lloyd Brackett's series on *The Dog In Motion*, currently appearing in *Dog World*, will be of immense help. Of great importance, I believe, is the program so enthusiastically led by Mrs. Dennis Gardiner of Kerrykroft Kennels, Orono, Ont., (see *Dogs In Canada*, January, 1962) in which dogs are measured in every conceivable way, are X-rayed, and are photographed by slow motion moving picture cameras. Not only are the "record of characteristics" of each dog valuable in assessing the animal and in instructing the people involved, but precious information about the inheritance of various characteristics may be extracted from such records when they cover several generations. One might add that study and measurement of psychological traits, while frequently neglected, are as deserving and rewarding as measurement of physical attributes. *Studies in Dog Behaviour* by C. J. Pfaffenberger, available in booklet form from *Purebred Dogs* (American Kennel Gazette), is an excellent source of information on this subject.

DON'T SACRIFICE BALANCE

by BILL JOBSON

Some of the extravagant, out-of-proportion heads found on the Miniatures and Toy Poodles of the present day have caused me to compare the three recognised sizes, especially regarding head dimensions.

Before I started on the experiment I sized up several Standard top winners and took as my basis the ideal which has done most of the winning. This dog is exaggerated in no way. He is, in fact, perfectly balanced and if he looked any bigger in any department he would appear exaggerated, particularly in head.

His dimensions are: height to shoulder 26", length of back from shoulder to tail root 22", length of neck from shoulder to peak of head at back 12", length of skull and muzzle from peak at back of skull to tip of nose 9", length of foreface only 4 1/2", width of head across skull between eyes 5".

A program such as Mrs. Gardiner's cannot be carried out by lone individuals. Therefore, I suggest that each of us should seize the initiative and instigate activity in our specialty clubs, in local all-breed clubs, and in CKC itself, to promote such programs across the country.

Finally, we should recognize that we "doggy people" have not made any serious attempt to harness research facilities to our problems. Much could be learned by a few trained men and women such as senior graduate students at O.V.C., O.A.C., or at Zoology Departments in our universities. Such projects would cost in the neighborhood of \$3500 per year for a three year program (the average period of residence of a Ph.D. candidate). The prodding, however, must come from us; it will not come from the universities. To get such a plan into operation it will be necessary for enough of us to raise our voices so that such sources of funds as our CKC and the feed companies which we patronize will provide financial support.

We don't need to feel ashamed of the fact that we lack knowledge about important things. Indeed, the realization that one does not know is the prelude to finding out. It is important, then, that we focus attention upon the limitations of our knowledge and come to realize that the major ills suffered by our "game" lie at our own doorstep. Each of us has an obligation to take part in the "cure."

The following table is based upon this Standard-sized model and the fractions given in relation to the smaller varieties are to the nearest 1/26th".

One has to remember that all three sized Poodles should portray the same balanced picture regardless of what actual height it is. The minute Toy should convey the same proportions as the largest Standard and should in no way be exaggerated or dwarfed.

Therefore, if we take a nine-inch Toy in proportion to a Standard we should get dimensions very like this: height 9", length of back 7 1/2", length of neck 4 1/2", total length of head and skull approx. 3 1/2" and length of foreface approx 1 5/16ths, with a skull width of 1 1/2".

From the foregoing one will quickly see that the ultra long-headed Toy is totally wrong and out of proportion as is the short-legged long-backed Toy.

Before going all out for these long fine heads I ask you to stop and think if they are required or if the judges who look for them are quite right in what they try to find. There has been far too much high-lighting of length of head for many years and if one is not careful we shall find ourselves with only a head, no body and nothing in that head. Then the breed is lost.

I fully realize just as you do that it is no use trying to find any ideals on certain dimensions. I have not given them for that reason. I have simply given them to illustrate the fact that balance and proportion must come before exaggeration. I cannot imagine anything more grotesque than to see a Standard with a 15" head! This sounds perhaps silly, but when one finds a 9" Toy with 5" head then a Standard in proportion would have that fantastic feature.

Please look at your Poodles, size them up and ask yourself whether they are balanced. And is the head the only thing you see? Please let us keep everything in proportion.

Only law can help

The following information has been received from The Humane Society of the United States:

"More than 175 million vertebrate animals are used every year in American research laboratories.

"These animals undergo every extreme of agony that flesh and nerves can endure — and some that are wholly beyond endurance. They are burned alive, scalded without anaesthesia, crushed in steel presses, starved to death . . . many go totally mad from years of cruel confinement without humane care.

"Much of this suffering is unnecessary and inexcusable, even by the criteria of medical research. The cruelty does not advance science: it retards medical progress; it wastes millions of dollars that in other use could save human lives and prevent suffering . . .

"It is utterly impossible for 9,000 laboratories, employing 200,000 persons and using more than 175 million animals a year, to agree on and to enforce humane standards for use and care of animals." (Many laboratories operate behind locked doors; visitors are unwelcome). Much of the work is uselessly duplicated.

The Randall bill, H.R. 4856 has been introduced in the United States Congress, which would establish rigorous standards of humane use and care of animals. It requires all government agencies getting grants to abide by the established standards. It orders the Department of Justice to enforce the law.

Similar ruthless and needless treatment of animals goes on in Canadian laboratories. It is hoped that readers will, if given the opportunity, support any legislation or activity toward humane treatment.

CLUB ROUNDUP

JOAN RAILTON, c/o Sir Charles Tupper Secondary School, 419 East 24th St., Vancouver, B.C. Popular teacher, judge and Bulldog specialist.

Mrs. Whitton sends in a report on the very active Coastal Canine Academy.

A well attended mock trial, judged by Miss Marion Powell and Miss Marjorie Cummings, was held March 2. Miss Cummings was welcomed back warmly after her absence. Newcomers were given an opportunity to ringsteward on this occasion and learned a good deal from the experience.

At the Richmond Dog Training Club trial on March 10, the C.C.A. took the two highest scores with dogs that were in the ring for the first time.

Judge, Miss Marion Powell awarding CDX degree to Mrs. Luke and Shepherd "Susie".

Graduation for 22 dogs in the winter term class was held on March 12. The judge was Miss Marion Powell who chose Mr. Peterson and his Great Dane as the top workers in the beginners class. Club degree trophies gained since December were awarded at this time; C.D.X. to Mrs. Luke's German Shepherd "Susie" and C.D.'s to the dogs of Miss Holland, Mrs. Lord and Mrs. Whitton.

The last training class before September is now underway. It includes a good beginner's class, and an advanced class of ten working on C.D.X. and U.D.

Tracking classes and an Open Air Sanction Trial are planned for the summer. Announcements will be in the local papers.

The Academy lost a good friend, Mr. Frank Owen, who passed away recently. Mr. Owen was the caretaker at the

Bridgeview Hall where classes are held on Tuesday evenings.

My personal thanks to the Canine Academy for allowing me to take a shy bulldog to one of their classes. "Angel" was afraid of all dogs other than her kennelmates, and an evening in a beginner's class did a great deal to boost her confidence.

Left to right: Mr. Peterson, Mr. Ben Taylor and Judge, Miss Marion Powell presenting award to Mr. Peterson who won the Beginners Class.

Mrs. Wood, of the Melita Kennels, reports on the outstanding wins of her Cairn, Woody Woodpecker of Melita, who has completed his Am. Ch. at the age of 20 months in four shows. His record is: WM at the Cairn Specialty at New York; BB at Seattle; BB and first in the group at Portland; and BB and second in the group at Oakland. Congratulations Mrs. Wood! Mrs. Wood has recently shipped a top show girl to Portland and a Can. Ch. to Salt Lake.

She is pleased with the arrival of a pair of cream pups with really black points from the Crondall Kennels. These were expected earlier, but were held up by bad weather.

Very pleased to have reports this month from three breed Specialty Clubs.

The Doberman Pinscher Club of Western Canada held its first meeting of 1963 on January 13, and elected the following members: President, Pam Reid; Vice President, Larry House; Secretary, Vivienne Watt; Treasurer, David Lim.

The small, but enthusiastic group of members, is working hard to publicize the fine qualities of the Doberman. One Sanction Show has already been held this year, and another one is being planned in conjunction with the first Doberman Futurity Match on August 4.

We welcome a new club to the B.C. column this month. The active Boxer Club of B.C. was formed in January this year, and now boasts of 25 paid up mem-

bers. Mr. D. Lindsay-Hawkins, President, says that in the three months of operation, they have completed a ten-week obedience class for beginners, given handling instruction for the breed ring, held a monthly educational meeting, and planned a futurity stake open to all registered females. Best wishes for the future success of this very energetic group.

The German Shepherd Dog Club of B.C. has had a very successful year as stated by Club Secretary, Jean Fletcher.

The Specialty Show was held last May with breeder judge, Ralph Roberts, of California, doing the honors. This was followed by a well attended Sanction Show in November. During the Christmas season, a smorgasbord and dance were enjoyed by all. The ladies of the club provided the food, and proved themselves to be first-rate cooks. Talking of food, the Fletchers have made special arrangements with the weatherman for a sunny day in September for the annual club barbecue at their home.

In February, a most successful Sanction Show was held with 123 dogs present. Mrs. Elsie Murray and Mr. Geo Kynock judged, and awarded Best in Show to a home bred Shepherd belonging to Mrs. Addie Spezials of Bellingham, Wash. Entries were taken by Mrs. Dolly Wall; ring stewarding was in the charge of Eileen Stubbs; and the kitchen was ably looked after by Edna Heal and Marion Gilbert. Rick Murray and Larry Heal took over the raffle for Mrs. Fletcher, who was, unfortunately, in hospital with bronchial asthma. Once again, Mr. and Mrs. Hanson, hall caretakers, proved themselves invaluable.

A club training class has been started and is proving very successful.

The club is now looking forward to their Specialty Show to be held on May 19, in conjunction with the B.C. Ladies Show. Mary Southcott, of Cara Mia fame, will be the judge.

Mrs. Isabel M. Stanton, club editor for the B.C. All Terrier Club, sends the following report:

The top award for terriers in British Columbia is the Joseph Dodd's Memorial Trophy. This is limited to club members and goes to the terrier amassing the most points in British Columbia during the year. This year it was won by the Kerry Blue Terrier bitch, Can. Am. Ch. Walmar's Irish Gleam, owned by Henry and Hella Herwig. The Herwigs (Terrycroft Kennels) report that they have taken "Gleam" to San Francisco to be bred to Am. Ch. Tailteann's Diamond Jim. They had a most pleasant time on the visit and the Wiels of Kerry Blue and Lakeland fame went all out to help and entertain them.

MEETING OF THE BOARD OF DIRECTORS

(SECRETARY'S NOTE: Where, in the minutes of the session of March 13th, 1963, the words "Motion carried unanimously" follow a motion, said words mean that all of the following members of the Board voted in favour of the motion: J. C. Anderson, Tom Wells, Mrs. J. W. Anderson, R. L. Blyth, W. Brown, Wm. Dawson, D. H. Duff, Mrs. J. Gove, Mrs. Edna Joel, Robert Little, Mrs. P. B. Mack, R. L. MacKillop, Wm. McDermont, and George Mehlenbacher.)

MARCH 13, 1963

A regular meeting (hereinafter referred to as the "annual meeting") of the Board of Directors of The Canadian Kennel Club was held in the Club's offices, 1173 Bay Street, Toronto, commencing at 10:10 a.m. on Wednesday, March 13, 1963, with the President, V. W. Williams, in the Chair, and the following members of the Board present: J. C. Anderson, Tom Wells, Mrs. J. W. Anderson, R. L. Blyth, Walter Brown, Wm. Dawson, D. H. Duff, Mrs. J. Gove, Mrs. Edna Joel, Robert Little, R. L. MacKillop, Wm. McDermont, and George Mehlenbacher.

The President opened the meeting with a welcome to all members of the Board.

The President sought the Board's pleasure with regard to the time of commencement and duration of each session comprising this annual meeting of the Board.

MOTION #1-63

Moved by Mr. Brown, seconded by Mr. Little:

"THAT, this session adjourn at 6:30 p.m. and convene at 9:30 a.m. on Friday, March 15, 1963, and each succeeding session of this meeting (except Sunday) commence at 9:30 a.m. and adjourn at 6:30 p.m."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. Little, Mr. MacKillop, Mr. McDermont, Mr. Mehlenbacher.

ABSENT: Mrs. Mack.

Motion carried.

MINUTES

3 M 44. MEETING OF THE BOARD HELD NOVEMBER 2, 1962.

REPORT: The Secretary reported that:

- (1) following the meeting of the Board held on November 2, 1962, each member of the Board had been provided with a copy of his draft of the minutes of that meeting;
- (2) Mr. Monaghan had requested that the draft minutes be "corrected" by the addition (in full) of the memorandum which he had read at the commencement of the meeting and the report (dated October 30th) submitted by the Advisory Committee for Beagles (Pack);
- (3) Mr. Monaghan's request had been referred to the Committee on Corrections (Minutes) which felt that inasmuch as the minutes of the previous meeting of the Board had not gone into detail regarding correspondence received in connection with amendments to the Beagle field trial rules, there was no necessity to include in the minutes of the November meeting all of the material requested by Mr. Monaghan;
- (4) the Committee had communicated its views to all members of the Board, of whom two (Mr. Anderson and Mr. Blyth) had responded, both indicating their concurrence with the Committee's opinion;
- (5) accordingly, the minutes had not been altered as requested by Mr. Monaghan;
- (6) no other member of the Board had requested any change in the draft minutes.

MOTION #2-63

Moved by Mr. Anderson, seconded by Mr. Dawson:

"THAT, the minutes, as prepared by the Secretary, of the meeting of the Board held on November 2, 1962, be adopted."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. Little, Mr. MacKillop, Mr. McDermont, Mr. Mehlenbacher.

ABSTAINED FROM VOTING: Mr. Brown.

ABSENT: Mrs. Mack.

Motion carried.

-----Mrs. Pamela B. Mack entered the meeting.

-----At the President's request Mr. Anderson took the Chair.

FIELD TRIALS

13 FT 29. FIELD TRIALS FOR BEAGLES

SUBJECT: Mr. Williams:

- (1) pointed out that at its semi-annual meeting in June, 1962, the Board, acting on recommendations placed before it at that meeting by the Chairman of the Field Trial Council for Beagles (pack), had approved (by resolutions #314-62, #315-62, #316-62, and #317-62) a number of amendments to the Field Trial Rules for Beagles;
- (2) pointed out that following its action the Board was informed, by letter and otherwise, of the dissatisfaction felt by many Beagle clubs and Beagle fanciers with regard to the amendments which the Board had approved;
- (3) recommended that the Board consider that an emergency exists and there is an immediate necessity to amend the Field Trial Rules for Beagles.

REPORT: The Secretary read a report (dated March 4th) submitted by Mr. W. J. Monaghan, Chairman of the Field Trial Council for Beagles (pack) a copy of which had been provided members of the Board along with a copy of the material submitted by the Chairman with the report.

The President pointed out that since reaching the meeting each member of the Board had been provided with a copy of a further report (dated March 11th) submitted by the Chairman of the Council.

DISCUSSION: During a discussion which followed:

- (1) Mr. Williams and Mr. Brown suggested that the Board take steps which would have the effect of rescinding resolutions #314-62, #315-62, #316-62 and #317-62;
- (2) Mrs. Joel pointed out that at the October and November meetings of the Board she and Mrs. Mack had given notice that, if re-elected to the Board, they would move for the rescinding of such resolutions.

Motion #3-63

Moved by Mr. Williams, seconded by Mrs. Joel:

"THAT, having regard for the representations received by the Board with regard to the amendments to Chapters #12 and #13 of the Field Trial Rules & Regulations approved by the Board at its semi-annual meeting in 1962, this Board considers that an emergency exists and immediate amendments to the Field Trial Rules & Regulations are imperative and should be dealt with at this meeting pursuant to the provisions of Chapter 21, Section 2 (8) of the Field Trial Rules & Regulations."

FOR THE MOTION: Mr. Williams, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDermont, Mr. Mehlenbacher.

Motion carried.

MOTION #4-63

Moved by Mr. Williams, seconded by Mrs. Joel:

"THAT, the Field Trial Rules & Regulations be amended, effective forthwith, by the deletion from Chapter 13 of the two paragraphs which were added to Chapter 13 by resolution #314-62; and THAT, the Field Trial Rules & Regulations be amended, effective forthwith, as follows:

The fourth paragraph of Section 1 of Rule 4 of Chapter 12, and the third paragraph of Section 1 of Rule 4 of Chapter 13 be deleted and the following be substituted therefor:

"The Board of Directors shall appoint official measurers for the purpose of measuring the height of Beagle Hounds. There shall not be more than seven (7) official measurers who shall be appointed from districts where their services seem to be required. They shall hold office during the pleasure of the Board"; and

THAT, the Field Trial Rules be amended, effective forthwith by the deletion of the paragraphs which were added by resolution #316-62; and

THAT, Chapter 13 of the Field Trial Rules be amended, effective forthwith, by the deletion of the additions which were added by resolution #317-62."

FOR THE MOTION: Mr. Williams, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDermont, Mr. Mehlenbacher.

Motion carried.

-----The President resumed the Chair.

DOG SHOWS

11 D 43. JUDGES' BOOKS FOR SHOWS

SUBJECT: The President:

- (1) pointed out that at its annual meeting in 1962 the Board had directed that the 'Judge's Certificate' section on the face of judges' books used at championship shows held under the Club's rules be altered by deleting the words "Each dog to which I have awarded Winners in my opinion is a worthy specimen of the Breed" and substituting therefor the words "Each dog to which I have awarded Winners is, in my opinion, a dog worthy of the title of 'Champion'";
 - (2) pointed out that members of the Board had been provided with copies of letters received from a number of judges objecting to this change in the 'certificate' they are required to sign after having completed a judging engagement at a championship show held under C.K.C. Rules;
 - (3) reported that in the opinion of the Club's solicitor there is no power in the Board to require that Winners must be worthy of the title of "champion" in the opinion of the judge;
 - (4) recommended that the Board take immediate action on this question.
- DISCUSSION: During a discussion which followed it was suggested that rather than alter the statement to its original form, it would be preferable to delete the statement in its entirety.

MOTION #5-63

Moved by Mr. Anderson, seconded by Mr. Wells:

"THAT, the following words be deleted from the face of judges' books used at championship shows: 'Each dog to which I have awarded Winners is, in my opinion, a dog worthy of the title of 'Champion'.'"

Motion carried unanimously.

11 D 1. JUDGES

SUBJECT: The President suggested that the Board give immediate consideration to a number of letters which had been received from a number of persons who had heretofore been considered as eligible for approval to judge all breeds at championship shows held under the Club's rules, such letters having been received in response to letters written by the Secretary by way of implementing resolutions (#71-62, #72-62 and #375-62) adopted by the Board in 1962.

DISCUSSION: During a discussion which followed:

- (1) Mr. Anderson suggested that the Board consider the advisability of arranging for appropriate amendments to Chapters #7 and #8 of the Dog Show Rules in order that the selection of judges for championship shows would be left entirely to the discretion of clubs conducting such shows, except in the case of persons from whom the Board has seen fit to withdraw judging privileges after investigation;
- (2) Mrs. Joel pointed out that in a report (dated May 29, 1962 - File #11 D 25) which she had presented, as Chairman of the Committee, to the semi-annual meeting of the Board in June (1962) the Committee had expressed the following views: "This Committee is of the opinion that the present Dog Show Rules (Chapter 7, Section 1) setting forth certain requirements before a person may be eligible

to judge a breed or breeds, and the present policies limiting the frequency of judging engagements by a judge within the same zone, are not at all helpful to show-giving clubs. Since the primary responsibility for holding a show rests with the show-giving club, and since they must, of necessity, engage persons who will attract entries, this Committee feels that the right of the show-giving clubs to select judges should not be restricted by The Canadian Kennel Club except, of course, by way of eliminating persons suspended or expelled, or ineligible to judge the same breed or breeds in the country in which they reside."

MOTION #6-63

Moved by Mr. Wells, seconded by Mr. Anderson:

"THAT, the Secretary be and is hereby instructed to prepare a revision of Chapters #7 and #8 of the Dog Show Rules for consideration of the Board, at its semi-annual meeting, the draft to encompass this Board's view that the selection of judges should be left entirely to show-giving clubs except for those persons The Canadian Kennel Club has barred from judging."

Motion carried unanimously.

DISCUSSION: Mr. Dawson referred to the letters which had been received following the implementation of resolutions #71-62, #72-62, and #375-62, and pointed out that such resolutions had been adopted after a serious consideration of a report submitted by a special committee appointed by the Board.

MOTION #7-63

Moved by Mrs. Joel, seconded by Mr. Wells:

"THAT, this Board of Directors, having decided that a review of the Club's present procedures and requirements with regard to the eligibility of those wishing to judge at championship shows held under the Club's rules is highly desirable, therefore the Secretary be and is hereby directed to cease immediately the implementation of resolutions #71-62, #72-62, and #375-62, and the Secretary is further directed to inform those to whom he has already written pursuant to said resolutions that they are eligible for approval to judge all breeds at championship shows held under the Club's rules."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDermont, Mr. Mehlenbacher.

ABSTAINED FROM VOTING: Mr. Dawson.

Motion carried.

SUBJECT: Mr. Mehlenbacher expressed the view that the Board should not seek to regulate the number of engagements accepted by judges whose services show-giving clubs are anxious to secure.

Mr. Anderson suggested that the present standing resolutions, regulating the frequency of judging engagements, be rescinded as recommended by the special committee (File #11 D 45), leaving it to judges to exercise discretion as to their judging engagements, and to clubs to check on the other judging engagements of judges whom they are considering for their shows.

MOTION #8-63

Moved by Mr. Mehlenbacher, seconded by Mr. MacKillop:

"THAT, effective immediately, we delete from the Book of Standing Resolutions those resolutions regulating the frequency of judging engagements at shows held under this Club's rules."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mrs. Joel, Mrs. Mack, Mr. MacKillop, Mr. McDermont, Mr. Mehlenbacher.

AGAINST THE MOTION: Mr. Duff, Mrs. Gove, Mr. Little.

Motion carried.

ACTION: It was agreed that although these standing resolutions are no longer effective, the Office Manager would:

- (1) when approving judges for a particular show, inform the show-giving club of other judging engagements of their selected judges if such engagements are close as to time or area;
- (2) give such clubs the opportunity of altering their selection of judges in such circumstances.

INTERNAL AND ADMINISTRATION

9 A 7. AMENDMENTS TO BY-LAWS

REPORT: The Secretary:

- (1) reported that Ministerial approval had been granted amendments to the Club's By-laws, such amendments (#10, #11, #12, #13, #14, #15, #16, #17) having been approved by majority affirmative vote on the last referendum ballot;
- (2) read a letter (dated January 30th) from the Chief Registration Officer of the Department of Agriculture raising questions with regard to the following amendments (approved by majority affirmative vote on the last referendum ballot):
 - #5 -- an amendment to Article XXV - Kennel Names;
 - #8 -- an amendment to Article XXVIII - Rules of Eligibility;
 - #18 -- an amendment to Article XII - Elections;
- (3) reported that arrangements had been made for Dr. F. J. Leslie, the Chief Registration Officer, to meet with the Board at 2:00 p.m. for the purpose of discussing with the Board the three amendments referred to in (2) above;
- (4) reported on a letter from Miss Susan Radley setting forth her views on some problems which breeders may face if amendment #8 should receive Ministerial approval.

DISCUSSION: During a discussion which followed, the Board:

- (1) noted that in connection with proposed amendment No. 8 (which provided that a dog found to have hip dysplasia, cryptorchidism or monorchidism would be ineligible for registration, or its registration cancelled if already effected) the Chief Registration Officer, in his letter of January 30th, had merely suggested that the section number of this addition to Article XXVIII be numbered 5 rather than numbered 4, as set forth on the referendum ballot;
- (2) agreed that this amendment should be thoroughly discussed by the Board before its meeting with Dr. Leslie;
- (3) agreed after discussion, that since an amendment to the By-laws is effective immediately upon Ministerial approval, it would be neces-

sary to immediately revise all applications for registration and make necessary alterations in registration procedures in order to properly implement the amendment, and to do so would present considerable difficulties both for breeders and the Live Stock Records office;

- (4) agreed that the amendment, if it became effective, might present legal problems to breeders who had sold dogs as pure-bred and provided certificates for such dogs, as provided by the Live Stock Pedigree Act;
- (5) agreed that while the principle of the amendment may be sound, another more practical approach to the conditions set forth in the amendment was indicated and that, in the meantime, the Board should request of the Minister of Agriculture that he withhold approval of the amendment.

MOTION #9-63

Moved by Mrs. Joel, seconded by Mr. Mehlenbacher:

"THAT, we ask the Chief Registration Officer to convey to the Minister of Agriculture for Canada our request that the Minister do not grant Ministerial approval to this amendment due to the technical problems of its proper implementation and legal questions which may involve our members and other breeders."

Motion carried unanimously.

-----Luncheon intermission.

-----When the meeting resumed Dr. F. J. Leslie, the Chief Registration Officer was present and was introduced to all members of the Board.

SUBJECT: The Secretary pointed out that, according to Section 15 of Article XXXVIII of the By-laws, should the Minister notify the Club that he is not prepared to approve of any of the amendments to the By-laws as approved by majority affirmative vote, the Board has the power to appoint a committee to interview responsible officials of the Minister's Department for the purpose of agreeing on any necessary changes (which must not be contrary to the spirit of the amendments) approved on the referendum ballot in order that such amendments may receive Ministerial approval.

MOTION #10-63

Moved by Mr. Brown, seconded by Mr. Dawson:

"THAT, we go into Committee of the whole to discuss these questions with Dr. Leslie."

Motion carried unanimously.

SUBJECT: The President informed Dr. Leslie of the text of resolution #9-63 and Dr. Leslie was informed of the Board's reasons for adopting said resolution.

After discussion, Dr. Leslie stated that, having regard for the Board's reasons for advancing such a request, it is highly probable that departmental officials will give favourable consideration to the request when submitting their recommendation to the Minister.

DISCUSSION: A discussion followed with regard to the points raised by Dr. Leslie in his letter of January 30th with regard to three amendments to the By-laws (approved on the last referendum ballot) and for which Ministerial approval had been sought.

It was pointed out that Dr. Leslie had drawn attention to the fact that if amendment No. 18 on the last referendum ballot (providing for a two-year term of office for the Board) was to be approved by the Minister, then it would be necessary for a correction in the present Section 17 (reading as follows: "The Officers and other Directors elected in each annual election shall take office on January 1st of the year for which they were elected.") of Article XII. After discussion it was agreed that the Secretary would re-submit an application for Ministerial approval of amendment No. 18 in order that this Section would be consistent with the new Article XII providing for a biennial election of the Board.

MOTION #11-63

Moved by Mr. McDermont, seconded by Mrs. Mack:

"THAT, the application for Ministerial approval of amendment No. 18 be amended in order that Section 17 of Chapter XII will read as follows: 'The Officers and other Directors elected in each biennial election shall take office on January 1st immediately following their election'."

Motion carried unanimously.

The Board noted that in his letter of January 30th the Chief Registration Officer had advised that he could not recommend Ministerial approval of amendment No. 5 (an entire new Article dealing with kennel names) as the new Article included provision (in Section 4) for the Board to delegate any or all of its powers and authority to a Kennel Names Committee, the Chief Registration Officer having pointed out that Article IX, Section 1 of the By-laws provides that the affairs of the Club shall be managed by the Board, and Section 2 of Article XIII provides authority for the appointment of special committees whose actions shall be subject to approval of the Board.

After discussion it was agreed that in these circumstances the Board had no alternative but to re-submit an application for approval of proposed amendment No. 5 with Section 4 deleted.

MOTION #12-63

Moved by Mrs. Joel, seconded by Mrs. Gove:

"THAT, we seek Ministerial approval of amendment No. 5 with the deletion of Section 4 in the proposed new Article XXV, the remaining Section No. 5 to be renumbered No. 4."

Motion carried unanimously.

DISCUSSION: Dr. Leslie stated that over a period of time he had received a number of letters complaining of restrictions which the Board had seen fit to impose in connection with categories of names which the Board was not prepared to consider as suitable kennel names. He stated that other incorporated live stock associations had not seen fit to impose so many restrictions on the allocation of herd or farm names and suggested that the Board review the policies which it had seen fit to adopt over a period of years.

MOTION #13-63

Moved by Mr. Brown, seconded by Mr. Dawson:

"THAT, all motions adopted while this Board was in committee of the whole be confirmed and implemented."

FOR THE MOTION: Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Gove, Mr. McDermont, Mr. Mehlenbacher.
Absent: Mr. Anderson, Mr. Blyth, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop.

Motion carried.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 20. ARTIFICIAL INSEMINATION

SUBJECT: The Secretary pointed out that, pursuant to the Club's By-laws, the Club had adopted, with the approval of the Chief Registration Officer, regulations governing artificial insemination and inquired whether the approval of the Chief Registration Officer may be expected if the Board sought his approval of an amendment to the regulations which would permit any practising veterinarian in Canada, upon the completion of the required applications and approval thereof, to practise artificial insemination for pure-bred dogs. Dr. Leslie expressed the view that favourable consideration of such a request may be expected if the Board decided that a change in the present regulations is advisable.

-----Dr. Leslie left the meeting after being thanked by the President for his co-operation in arranging to meet with the Board to discuss matters of mutual concern.

INTERNAL AND ADMINISTRATION

9 A 103. APPOINTMENTS FOR 1963

SUBJECT: The Secretary pointed out that:

- (1) the Club is entitled to five representatives on the Canadian National Live Stock Record Board;
- (2) at the Annual General Meeting in 1960 the members, by resolution, had elected Mr. J. W. MacCallum to a five-year term on that Board, Mr. R. L. Blyth to a four-year term, Mr. Wm. McDermont to a three-year term, and had decided that the President and Secretary should be elected by virtue of their respective offices;
- (3) it is customary for the Board, at its annual meeting, to decide whether it would place before the Annual General Meeting its recommendations with regard to the filling of any vacancies in the Club's five-member representation on the Record Board.

DISCUSSION: The President stated that it would not be possible for him to attend the Record Board meeting on March 26th, and suggested that for the current year another member be elected to take the place of the President as one of the Club's five representatives.

It was agreed that in view of the resolution adopted at the 1960 Annual General Meeting, Mr. MacCallum, Mr. Blyth, and the Secretary should continue as representatives of the Club, and the Board should decide to place before the Annual General Meeting a recommendation with regard to two additional representatives.

MOTION #14-63

Moved by Mr. Blyth, seconded by Mrs. Anderson:

"THAT, it be recommended to the Annual General Meeting that the following be elected the Club's representatives to the Canadian National Live Stock Record Board for 1963: Mr. Walter Brown, Mr. George Mehlenbacher."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDermont.

ABSTAINED FROM VOTING: Mr. Brown, Mr. Mehlenbacher.

Motion carried.

MEMBERSHIP MATTERS

10 MM 2. APPLICATIONS FOR MEMBERSHIP

SUBJECT: The Secretary sought the Board's approval of applications for membership reported on lists forwarded to the Board, in order that applicants for membership may, if they wish, attend the Annual General Meeting.

MOTION #15-63

Moved by Mr. Blyth, seconded by Mr. Little:

"THAT, applicants for membership reported to the Board on lists #52 to #56 inclusive distributed to the Board in 1962, and applicants for membership reported to the Board on lists #1 to #6 inclusive distributed to the Board in 1963, be elected to membership."

Motion carried unanimously.

INTERNAL AND ADMINISTRATION

9 A 105. BUSINESS ARISING OUT OF 1963 ANNUAL GENERAL MEETING

REPORT: The Secretary read the following report (dated March 11, 1963) submitted by Mr. Thomas Joel, one of the Club's two representatives to the Royal Agricultural Winter Fair:

"As one of the Club's two representatives to the Royal Agricultural Winter Fair, I am submitting this report direct to the Board of Directors previous to the report which I shall make, with Mr. McDermont, at the Annual General Meeting to be held on Thursday of this week.

"As the Board is aware, various representatives of this Club to the Winter Fair have unsuccessfully sought during recent years to convince the Royal Winter Fair that one or more dog shows, and possibly obedience trials, should be staged in connection with their annual Fair. During recent years we have been led to believe that there was not sufficient space for our purpose but if and when additional space became available, then consideration would be given to a dog show. That space has now been provided, but my discussions with the General Manager of the Royal Winter Fair this morning lead me to believe there is no prospect of a dog show being staged at the Winter Fair.

"I am reasonably satisfied that unless two conditions are met we are most unlikely to receive any encouragement and the prospects of a dog show at the Winter Fair are remote. These conditions are as follows:

- (1) some activity in connection with dogs must be going on throughout every day that the Royal Winter Fair runs;

- (2) that the financial arrangements must be such as to convince the officials of the Royal Winter Fair that the financial returns for such activity will be well worth while from their point of view.

"I think the time has passed when we should simply seek to inform them that space should be made available for dog shows and obedience trials. I feel that the only real possibility of anything worth while now being accomplished is for The Canadian Kennel Club itself to thoroughly explore what can be done for dogs at the Winter Fair and be prepared to place before the executive of the Royal Winter Fair a detailed plan which will meet at least the two minimum conditions which I have outlined above.

"My discussions with Mr. McKee this morning led me to believe that our association with the Winter Fair is nothing but a courtesy arrangement that has no real benefits for either organization."

DISCUSSION: During a discussion which followed:

- (1) Mr. Blyth expressed the view that Mr. Joel had outlined a course of positive action and felt the Board should decide what should now be done to place specific proposals before the management of the Royal Winter Fair;
- (2) the President suggested that the Club's representatives to the Royal Winter Fair be augmented by persons having a thorough knowledge of obedience and field trials;
- (3) Mr. Brown suggested that every effort be made to have shows and trials at this year's Royal Winter Fair, this by way of celebrating the Club's Diamond Anniversary;
- (4) Mr. Anderson suggested that consideration be given to possible plans which would bring together, at the Royal Winter Fair, the top dogs across the country for a grand championship.

MOTION #16-63

Moved by Mr. Brown, seconded by Mrs. Mack:

"THAT, we recommend to the Annual General Meeting that the same representatives to the Royal Winter Fair be re-elected, and a representative for obedience trials and a representative for field trials be appointed or elected to work with the representatives in developing a programme, following out the recommendations of the representatives, same to be presented to the Board at the earliest possible meeting, as part and parcel of our Jubilee celebration."

Motion carried unanimously.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 10. BREED STANDARDS

SUBJECT: The President:

- (1) pointed out that the Club had recently published its first Book of Breed Standards, and a copy of the book had been mailed to each person who had ordered a copy;
- (2) pointed out that during 1963 the Club is celebrating its 75th Anniversary;
- (3) recommended that by way of celebrating its Diamond Anniversary every person who had been a member in 1962 and who renews his membership for 1963 be provided, at no charge, with a copy of the book.

DISCUSSION: During a discussion of the President's recommendation Mrs. Mack suggested that if the President's recommendation is approved, there should be a special page in the fore-part of the volume with reference to the Club's Diamond Anniversary.

MOTION #18-63

Moved by Mr. Brown, seconded by Mr. Little:

"THAT, the recommendation of the President be approved and implemented on the understanding that any member who has already paid for a copy will be entitled to a refund of the payment or an additional copy."

Motion carried unanimously.

DOG SHOWS

11 D 73. AMENDMENTS TO DOG SHOW RULES

SUBJECT: The Secretary read:

- (1) letters from The Poodle Advancement Association, The All Terrier Club of Canada, the Scarborough Kennel Club Inc., the Central Ontario Beagle Club, Perth County Kennel Club, Fredericton Kennel Club, Mrs. R. A. Freemantle, E. C. St. John Green, the Chow Chow Fanciers of Canada, Mr. & Mrs. Vernon T. Glenn, Mrs. Olive M. Taylor, Miss Edith E. Humby, and members of the Vancouver Island Dog Fanciers' Association protesting, or otherwise expressing dissatisfaction with regard to one or more of the three amendments (#20, #21, #22) approved on the last referendum ballot, concerning the non-eligibility of the Show Superintendent, Show Secretary and ring stewards to enter dogs at shows at which they hold such offices;
- (2) a letter from the Progressive Kennel Club of Canada Inc. endorsing the three amendments in question.

DISCUSSION: During a discussion which followed:

- (1) Mr. Duff reported that from every club in his area he had received requests that the Board take steps to rescind the three amendments;
- (2) Mr. Dawson stated that the amendments came into effect at a time when many clubs were in the midst of making preparations for their coming shows, and felt the Board should declare that an emergency exists and do what it can to rescind the amendments;
- (3) the President pointed out that on a previous occasion the Club's solicitor had expressed the opinion that the Board did not have the power to amend the Dog Show Rules nor to suspend the implementation of any rule;

- (4) Mr. Wells stated that members opposed to the new Rules had the right to submit proposed amendments as provided in Article XXXVIII of the Club's By-laws;
- (5) Mrs. Anderson expressed the view that club officials should not show dogs at shows at which they are officiating;
- (6) Mr. Brown expressed the view that the Show Superintendent and Show Secretary should not show dogs.

MOTION #19-63

Moved by Mr. Anderson, seconded by Mrs. Anderson:

"THAT, it is the view of this Board that an emergency exists and the Secretary be and is hereby instructed to include in the next referendum ballot proposed amendments which will have the effect of reinstating the rules in effect prior to the approval of amendments No. 20, No. 21 and No. 22 included in the last referendum ballot."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.

AGAINST THE MOTION: Mr. Blyth, Mr. Brown.

Motion carried.

SUBJECT: The Secretary read a letter from the Kingston and District Kennel Club seeking clarification of the effect of amendments Nos. 20, 21 and 22 in the case of a club which holds two shows on consecutive dates.

ACTION: It was agreed that each show constitutes a separate and distinct event and the fact that, for example, a person may act as a ring steward at the first show would have no bearing on his eligibility to be an exhibitor at the second show, provided that at the second show he was not a ring steward.

MOTION #20-63

Moved by Mr. Little, seconded by Mr. Duff:

"THAT, the Secretary be instructed to write a reply to all letters of complaint with regard to amendments No. 20, No. 21 and No. 22, informing such persons and clubs that while the Board cannot at this time take any action to suspend implementation of these amendments or to modify them, it has directed that appropriate proposed amendments be included in the next referendum ballot."

Motion carried unanimously.

FINANCIAL MATTERS

5 F 33. FINANCIAL STATEMENTS FOR 1962.

SUBJECT: The Secretary placed before the Board the Club's financial statements for the fiscal year ending December 31, 1962, pointing out that after the Secretary-Treasurer had answered any questions put by members of the Board, the statements are then referred to the Annual General Meeting.

DISCUSSION: When answering a question regarding salaries charged to the Shows & Trials Section the Secretary:

- (1) stated that it is not possible to accurately determine how much of the Club's revenue is indirectly produced through the Club's activities in connection with shows and trials;
- (2) stated that only by setting up an elaborate costing system would it be possible to correctly determine the Club's actual costs in connection with shows and trials (for example: how much of the Board's travelling expenses and allowances should be charged to the Shows & Trials Section?);
- (3) reiterated a previously expressed opinion that having regard for points (1) and (2) the present allocation of revenue and expenses to the Shows & Trials Section is misleading to members.

MOTION #21-63

Moved by Mr. Anderson, seconded by Mr. Mehlenbacher:

"THAT, the financial statements for 1962 be received and be referred to the Annual General Meeting."

Motion carried unanimously.

MOTION #22-63

Moved by Mrs. Joel, seconded by Mr. Anderson:

"THAT, in future financial statements there shall not be separate allocations in Statements No. 1 and No. 2 for the Show and Trial Section but rather there shall be a consolidation of revenue and expenditures in Statements No. 1 and No. 2 respectively."

Motion carried unanimously.

DOG SHOWS

11 D 34. CHAMPIONS & CHAMPIONSHIP POINT RATINGS

SUBJECT: Mr. McDerment, Chairman of a special committee appointed "to investigate and report to the Board on the present system of determining champions and a possible new system", pointed out that in the concluding paragraph of the Committee's report (dated February 12, 1963) it had been suggested "that at its first session the Board of Directors decide whether or not this whole subject is one which might, to advantage, be discussed at the Annual General Meeting with a view to obtaining any ideas or suggestions which the members present at that meeting may be able to offer for the consideration of the Committee and the Board".

DISCUSSION: During a discussion which followed:

- (1) Mr. Wells stated that according to McGill's Rules of Order when, by resolution, a committee's report is received, the committee is dissolved unless it is later revived by a motion, or the report is recommitted to it or some other committee; and pointed out that at the semi-annual meeting of the Board in June (1962) a resolution had then been adopted receiving a report of the committee and the Board had not, at that meeting, provided for any further action by the committee;
- (2) Mrs. Joel stated that other committees had continued to function after their reports had been received by the Board;
- (3) the President stated that he had no alternative but to rule that Mr. Wells' point of order must be upheld;
- (4) it was suggested that as an individual member of the Board Mr. McDerment had the right to bring before this meeting of the Board the question of champions and championship point ratings.

Mr. McDerment stated that as an individual member of the Board he wished the Board to consider the proposals set out in the Committee's

report dated February 12, 1963, and proceeded to explain the alternative plan set out in that report.

Mr. Brown suggested that consideration be given to increasing the total number of points required to complete a championship.

Mr. Williams suggested that a major win be required in order to earn the title of champion.

Mr. Little suggested that consideration be given to grades of champions such as 'senior champion', 'grand champion', etc.

ACTION: After discussion no action was taken.

FINANCIAL MATTERS

5 F 2. APEX PUBLISHERS & PUBLICITY LTD.

SUBJECT: The Secretary placed before the Board audited financial statements received from Apex Publishers & Publicity Ltd. (publishers of "Dogs in Canada") for their fiscal year ending April 30, 1962.

MOTION #23-63

Moved by Mr. Little, seconded by Mrs. Mack:

"THAT, we receive the financial statements from Apex Publishers & Publicity Ltd. for their fiscal year ending April 30, 1962."

Motion carried unanimously.

5 F 26. BANKING ACCOUNTS

SUBJECT: The Secretary stated that with the change of location of the Club's offices to 1173 Bay Street, it would be more convenient to reactivate the Club's banking account with the Bay & Bloor Streets branch of the Bank of Montreal and asked that the Board adopt the customary banking resolution in order that this may be arranged.

MOTION #24-63

Moved by Mr. Anderson, seconded by Mrs. Joel:

"THAT,
1. That the Bank of Montreal (hereinafter called the "Bank") be appointed the banker of the Club.
2. That the Secretary-Treasurer together with any one of the President, Vice-President and Second Vice-President is/are hereby authorized on behalf of the Club:-

- (a) to sign, if necessary or convenient under seal, endorse, make, draw, and/or accept any cheques, promissory notes, bills of exchange or other negotiable instruments, any orders for the payment of money, contracts for letters of credit or forward exchange and generally all instruments or documents for the purpose of binding or obligating the Club in any way in connection with its account(s) and transactions with the Bank, whether or not an overdraft is thereby created, and instruments and documents so signed shall be binding upon the Club;
- (b) to receive all paid cheques and other vouchers, unpaid and unaccepted bills of exchange and other negotiable instruments and to arrange, settle, balance and certify all books and accounts between the Club and the Bank and to delegate in writing to be filed with the Bank such authority to one or more other officers or employees of the Club.
3. That a certified copy of this Resolution be handed to the Bank for its guidance and information in the premises, and that the Club undertake that this Resolution shall be irrevocable until a Resolution abrogating the same shall have been passed, and a copy thereof duly certified under the seal of the Club, delivered to the said Bank at each Branch where an account shall be kept.
4. That the resolution as to Banker and Signing Officers enacted by the Board of Directors on the 6th day of December, 1951 be and it is hereby cancelled."

Motion carried unanimously.

5 F 3. BUDGET AND LEVY FOR THE CANADIAN NATIONAL LIVE STOCK RECORDS

REPORT: The Secretary reported that, as compared with a monthly levy of \$4,550 per month on the Club's account with the Canadian National Live Stock Records in 1962, the monthly levy for 1963 had been set by the Live Stock Record Committee at \$5,000 per month, the increased levy having been based on an anticipated 3.57% increase in operating costs and an anticipated higher volume of business for The Canadian Kennel Club at that office in 1963.

DISCUSSION: During a discussion which followed Mr. Brown expressed the view that membership fees should be remitted direct to the Club's head office rather than to the Canadian National Live Stock Records and that a lower unit charge should be made by the Canadian National Live Stock Records for a membership and also for a transfer of ownership.

5 F 32. FINANCIAL STATEMENTS FOR NINE MONTHS' PERIOD ENDING SEPTEMBER 30, 1962.

SUBJECT: The Secretary pointed out that there had not been a meeting of the Board since the auditors had prepared the financial statements for the period ending September 30, 1962, and stated that it is the custom to place quarterly financial statements before the first meeting of the Board after such statements had been received from the auditors.

MOTION #25-63

Moved by Mr. Dawson, seconded by Mr. McDerment:

"THAT, we receive the financial statements for the nine months' period ending September 30, 1962."

Motion carried unanimously.

ADJOURNMENT

MOTION #26-63

Motion carried unanimously.

FINANCIAL MATTERS

5 F 30. SHOW AND TRIAL ACCOUNTS AND CHARGES

SUBJECT: A memorandum which the Secretary had addressed to the Board on February 14th, in which the Secretary proposed:

- (1) that the Club discontinue the practice of requiring a separate date fee for each and every championship show and licensed trial held under the Club's rules and substitute a system which would require a club wishing to hold such shows and trials to make a standing deposit of \$25.00, which deposit would be refunded should a club voluntarily cease to hold shows and/or trials under the Club's rules or be debarred from doing so;
- (2) that the recording fee in its present form be discontinued for obedience trials and field trials and that we set a fixed service charge for each of these events;
- (3) that a club wishing to hold a championship show for other than all breeds be required to pay, within ten days after its show, a fixed service charge (in place of the present recording fee) determined by the number of breeds eligible for entry at its show;
- (4) that, in the case of all-breed championship shows, the recording fee be discontinued and a fixed charge be payable, within ten days after the show, based on the number of dogs in competition at that club's all-breed championship show (or shows) held in the previous year;
- (5) that the Club discontinue the present charge for judges' books supplied show and trial-giving clubs;
- (6) that the listing fee continue to be payable as at present;
- (7) that, having regard for proposal (1), a schedule of fixed penalties be set for violations of the Dog Show Rules or where a club fails to carry on with the show or trial for which a date has been allocated or for failure to make its returns on time.

DISCUSSION: During a discussion which followed:

- (1) the Secretary stated that these proposals were presented with a view to eliminating much of the accounting work now required by the Club and show and trial secretaries;
- (2) it was suggested that before the Board considers whether it should take any action with regard to the first of the Secretary's proposals, the reaction of show and trial-giving clubs should be sought.

MOTION #27-63

Moved by Mr. Dawson, seconded by Mrs. Anderson:
"THAT, the Secretary secure the reaction of clubs to this proposal."

FOR THE MOTION: Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDermont, Mr. Mehlenbacher.

ABSENT: Mr. Anderson, Mrs. Gove, Mr. MacKillop.
Motion carried.

-----Mr. J. C. Anderson entered the meeting.

DISCUSSION: During a discussion of the Secretary's proposals with regard to the abolition of the recording fee and the establishment of a different system of service charges, it was suggested that before the Board considers such a proposal at its semi-annual meeting the views of show and trial-giving clubs should be sought.

MOTION #28-63

Moved by Mr. Anderson, seconded by Mr. Dawson:
"THAT, the proposal with regard to a flat charge be received and the Secretary be and is hereby authorized to solicit the opinion of show and trial-giving clubs and this matter be further discussed at the semi-annual meeting."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDermont, Mr. Mehlenbacher.

ABSENT: Mrs. Gove, Mr. MacKillop.
Motion carried.

-----Mrs. J. Gove entered the meeting.

Mr. R. L. MacKillop entered the meeting.

DISCUSSION: The Board proceeded to discuss the Secretary's proposal with regard to discontinuing charges imposed on show and trial-giving clubs for judges' books provided by the Club.

During the discussion it was pointed out that a number of clubs had already been charged for judges' books supplied since the beginning of the year and to be fair this proposal, if implemented by the Board, should commence with January 1, 1964.

MOTION #29-63

Moved by Mr. Anderson, seconded by Mr. MacKillop:
"THAT, we accept the recommendation of the Secretary with regard to discontinuing the charge for judges' books and, effective 1st of January, 1964, judges' books be provided at no charge."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDermont, Mr. Mehlenbacher.

AGAINST THE MOTION: Mr. Blyth.

Motion carried.

DISCUSSION: It was agreed that the last of the Secretary's proposals should only be considered after the views of show and trial-giving clubs had been received on the first of the Secretary's proposals.

INTERNATIONAL MATTERS

6 IM 3. DOGS CROSSING CANADIAN-AMERICAN BORDER

REPORT: The Secretary:

- (1) reported that in 1962 the Board of Directors had authorized a committee composed of Mr. W. J. Monaghan and the Secretary, to meet with Mr. E. J. Cannon, a Customs Consultant at Buffalo, N. Y., for the purpose of deciding on an approach to the American Government with regard to the possibility of obtaining abolition of all duties, tariffs, bonds, etc. in connection with dogs crossing the Canadian-American border for any purpose whatsoever;
- (2) reported that the meeting with Mr. Cannon had taken place at the Club's offices on November 2nd and that thereafter Mr. Cannon had submitted the digest of a proposed submission to the American Government, the submission having to do solely with obtaining new regulations which would facilitate the entry into the United States of Canadian-owned females to be mated to American-owned stud dogs;
- (3) read a memorandum (dated March 12, 1963) from Mr. Monaghan, who reviewed three important aspects of the shipment of Canadian-owned females to the United States for breeding purposes, and who recommended that Mr. W. J. Callaghan, a Tariff Consultant, be retained to make necessary representations to the United States Government with a view to obtaining an appropriate executive order which would facilitate the entry of Canadian-owned females taken or sent to the United States to be mated to American-owned stud dogs.

DISCUSSION: After discussion the Board agreed that the committee should be asked to consider appropriate recommendations to the Board with regard to developing further the original intention of seeking the complete abolition of all tariffs, duties, bonds, etc. on dogs crossing the Canadian-American border for any purpose whatsoever.

MOTION #30-63

Moved by Mr. Blyth, seconded by Mr. Little:

"THAT, this be referred back to the Committee for further exploration."

Motion carried unanimously.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 10. BOOK OF BREED STANDARDS

SUBJECT: The Secretary:

- (1) read a letter from Mrs. Mollie Hudson, Victoria, B.C. who reported that after receiving her copy of the Club's first Book of Breed Standards she found "many inaccuracies" in the standard for the Belgian Sheepdog;
- (2) reported that at the annual meeting of the Board in 1961, the Chairman of the New Breeds and Standards Committee had reviewed the changes adopted by The American Kennel Club in its standard for the Belgian Sheepdog and their new policies with regard to registration and exhibition of this breed; and that at that meeting, acting on a recommendation of the Chairman of the Committee, the Board had decided that except for the relocation of parts of the standard, the Club's standard for the Belgian Sheepdog would continue to be the standard published in the July 1, 1956 edition of "The Complete Dog Book";
- (3) reported that following the publication of the minutes, which included the decision referred to in (2) above, in the April (1961) issue of "Dogs in Canada", no objection had been received in connection with the Board's decision;
- (4) reported that following an order of the Board, there had been published, in the May (1961) issue of "Dogs in Canada" a special insert on breed standards in which there had been reported the relocation of parts of the breed standard for the Belgian Sheepdog and a statement that, except for these changes in the standard for the Belgian Sheepdog, the standard for that breed remained the same as the standard appearing in the July 1, 1956 edition of "The Complete Dog Book";
- (5) reported that, following the publication of this special insert in the May (1961) issue of "Dogs in Canada", no objection had been received to the standard for the Belgian Sheepdog;
- (6) reported that the standard for the Belgian Sheepdog as published in the Club's first Book of Breed Standards was therefore in accordance with the Board's decision with regard to the standard for this breed and in conformity with what had been published in that regard in the Club's official magazine.

MOTION #31-63

Moved by Mr. Anderson, seconded by Mr. Dawson:
"THAT, the Secretary be authorized to reply to Mrs. Hudson's letter explaining the matter in detail."
Motion carried unanimously.

REPORT: The Secretary:

- (1) pointed out that Chapter 17, Section 1 of the Club's Dog Show Rules provides that a male dog "which does not have two normal testicles normally located in the scrotum, shall be ineligible to compete at any show", and drew attention to the fact that this disqualification applies equally to puppies;
- (2) reported that his attention had been drawn to the fact that in the Club's first published Book of Breed Standards in the standard for Collies, under the heading of "Disqualification", there appears the following: "Body - in grown males, a cryptorchid is disqualified";
- (3) reported that his attention had been drawn to the fact that in the Club's first Book of Breed Standards there appears in the standard of the Shetland Sheepdog the following, under the heading of "Disqualifications": "cryptorchidism in adults over 12 months of age";
- (4) pointed out that although the Club's Dog Show Rules had for some years provided for the disqualification of monorchids and cryptorchids regardless of age, and although the quoted sections of the standard for the Collie and Shetland Sheepdog had been in effect since at least 1956, no judge or exhibitor in the breeds concerned had communicated with The Canadian Kennel Club seeking a clarification of the evident conflict between what appears in Chapter 17, Section 1 of the Dog Show Rules and the quoted sections of the standards for these two breeds;
- (5) recommended that the Board decide whether or not Chapter 17, Section 1 of the Dog Show Rules takes precedence over breed standards or vice versa;
- (6) suggested that, if the Board does take the position that the Dog Show Rule takes precedence over the breed standards, arrangements be made for the inclusion in the first Book of Breed Stand-

ards of a printed statement reading as follows: "Where, in any breed standard published in this book there is reference to monorchidism or cryptorchidism, it should be noted that the Dog Show Rules of The Canadian Kennel Club, insofar as they refer to these conditions, take precedence over any breed standard; judges, exhibitors, etc. should be guided accordingly".

MOTION #32-63

Moved by Mr. Dawson, seconded by Mrs. Joel:

"THAT, the Secretary arrange for the inclusion in the Book of Breed Standards of the statement recommended by the Secretary."

Motion carried unanimously.

REPORT: The Secretary pointed out that in the Club's first Book of Breed Standards some breed standards in their entirety appeared in light faced type and in other breed standards only sections appeared in light faced type. He explained that the light faced type indicated a breed standard different from or not included in the July 1, 1956 edition of "The Complete Dog Book" or represented a change in part or parts of breed standards published in that book.

DISCUSSION: During a discussion which followed reference was made to a feeling of the Board when it decided to publish the volume that, in order that the volume would not lose its value to those who purchased it, the Club should refrain (except in the case of the standard for the Bullmastiff), for a stated period of time, from adopting new standards in place of those published in the volume or from otherwise altering standards published in the volume.

MOTION #33-63

Moved by Mr. Brown, seconded by Mr. Little:

"THAT, this Board of Directors strongly recommend to future Boards of Directors that we refrain from altering breed standards for a period of not less than five years."

Motion carried unanimously.

STANDING RESOLUTION

REPORT: The Secretary reported that:

- (1) pursuant to an instruction given by the Board of Directors, notice had been given of a proposed new standard for the Bullmastiff and an invitation had been extended to those interested in the breed to submit their comments with regard to said standard;
- (2) since the publication of the proposed new standard further proposals had been received from the President of the Bullmastiff Fanciers of Canada with regard to desired changes in the standard as it had been published in the February issue.

DISCUSSION: During a discussion of this question the view was expressed that the standard was too lengthy and it was suggested that it should be carefully reviewed and considerably condensed in length.

MOTION #34-63

Moved by Mr. Dawson, seconded by Mrs. Anderson:

"THAT, the standard be referred back to the Bullmastiff Fanciers of Canada for redrafting with a strong recommendation that it be considerably condensed in length."

Motion carried unanimously.

7 R 20. ARTIFICIAL INSEMINATION

SUBJECT: The Secretary recommended that an application be submitted to the Chief Registration Officer seeking an amendment to the regulations on artificial insemination, the purpose of the amendment being to permit of any practising veterinarian in Canada, upon the completion of the required applications and approval thereof, to practise artificial insemination for pure-bred dogs.

ACTION: The Secretary's recommendation was approved and he was authorized to submit an application to the Chief Registration Officer.

7 R 66. NEW BREEDS

REPORT: Mrs. Joel reported that:

- (1) Mrs. N. J. Carlson, Port Credit, Ontario, had imported two Tibetan Terriers registered with The Kennel Club (England);
- (2) under the requirements set down by a previous Board for the recognition of a new breed these dogs were presently ineligible for registration in the Club's records;
- (3) Mrs. Carlson was desirous of entering these dogs for "Exhibition Only" at sanction shows held under the Club's rules, in the hope that by so doing she would engender the interest in the breed and in this way facilitate ultimate recognition of the breed.

MOTION #35-63

Moved by Mrs. Joel, seconded by Mr. McDerment:

"THAT, Mrs. Carlson be allowed to put her Tibetan Terriers on exhibition at sanction shows held under the Club's rules providing the show-giving clubs are prepared to accept them, this permission to expire December 31, 1963."

Motion carried unanimously.

-----Luncheon recess.

- (18) sustained the objection of The American Kennel Club to MUNDALE;
- (19) did not sustain the objection received with regard to WINDY-BREA on the grounds that the person objecting had not registered a kennel name."

MOTION #36-63

Moved by Mr. Anderson, seconded by Mr. Mehlenbacher:

"THAT, the report be received and incorporated in the minutes."

Motion carried unanimously.

REPORT: The Secretary reported that, pending the appointment by the Board of a new Kennel Names Committee, and in order to facilitate decisions on applications for registration of kennel names, the President, upon assuming office, had appointed a pro tem Kennel Names Committee consisting of Mr. Walter Brown, Mrs. Edna Joel and Mr. Wm. McDerment.

Moved by Mr. Blyth, seconded by Mr. Little:

"THAT, we endorse the President's action in appointing a pro tem Kennel Names Committee."

Motion carried unanimously.

REPORT: The Secretary placed before the Board a report (dated February 15, 1963) submitted by the pro tem Kennel Names Committee appointed by the President, the report reading as follows:

"At the annual meeting of the Board of Directors the Secretary will report the following decisions of the pro tem Kennel Names Committee appointed by the President (pending appointment of the Committee at the annual meeting of the Board) which decisions have been made in 1963.

The Kennel Names Committee:

- (1) did not sustain the objection of Juliette Chessor with regard to the application for WYNCHWOOD, the Committee having noted that the A. K. C. had not raised any objection (WYNCHWOOD is registered as a kennel name with the A. K. C.);
- (2) sustained the objection of Mrs. Joan Detmold to the kennel name DETMOLD on the grounds that, as a kennel name, it may be misleading as to origin or relationship and could cause confusion;
- (3) rejected BRAMALEA on the grounds that it is listed in the Canadian Railway Guide, and is within 100 miles of the applicant's address;
- (4) sustained the objections of Mr. & Mrs. R. T. Lawrence (RON-DOR) and Mrs. Janda (JANDARE) to the application for registration of JON-DOR;
- (5) sustained the objection of Mr. & Mrs. Frank Jones (ANNWYN) to the application for registration of ARWYN and ARTHWYN;
- (6) sustained the objection of Mrs. Elsie Murray (GOLDSTREAM) to the application for registration of GULFSTREAM;
- (7) rejected the application for registration of BRUNOIR on the grounds that it is a combination of two colours (French language)."

MOTION #38-63

Moved by Mr. Dawson, seconded by Mr. Blyth:

"THAT, the report be received and incorporated in the minutes of this meeting."

Motion carried unanimously.

REPORT: The Secretary:

- (1) reported that in the April (1959) issue of "Dogs in Canada" notice had been given of the application of Mr. H. W. Herwig for registration of TERRYCROFT as a kennel name, and no objection to his application having been received at that time, his application was approved;
- (2) reviewed the action taken by the Kennel Names Committee and the previous Board with regard to letters received from Mrs. Catherine Gardiner pointing out the desirability of Mr. Herwig's selecting another kennel name in order to avoid conflict with her registered kennel name (KERRYCROFT);
- (3) read a letter (dated March 4, 1963) from Mr. Herwig indicating his willingness to select another name under certain conditions necessitating action and expenditures by Mrs. Gardiner;
- (4) reported that Mrs. Gardiner had discussed this matter with the President and himself during the Annual General Meeting and had then indicated her willingness to meet the conditions set down by Mr. Herwig.

DISCUSSION: During a discussion it was agreed that:

- (1) the Club should not assume any responsibility for Mrs. Gardiner fulfilling any or all of the conditions laid down by Mr. Herwig and should do no more than to communicate these conditions to Mrs. Gardiner or her acceptance of the conditions to Mr. Herwig;
- (2) the matter would be dealt with further by the Board on receipt of an anticipated commitment from Mrs. Gardiner.

MOTION #39-63

Moved by Mrs. Joel, seconded by Mr. McDerment:
"THAT, on receipt of Mrs. Catherine Gardiner's written commitment we proceed to deal with Mr. Herwig's second selection."

Motion carried unanimously.

REPORT: The Secretary reported that:

- (1) at the last semi-annual meeting of the Board Dr. Williams, then Chairman of the Kennel Names Committee, had given notice that at the next succeeding meeting of the Board he would move a motion calling for the rescission of the standing resolution reading as follows: "That, a person may not use a kennel name more than three times without registering same.", it being understood that before such meeting all members of the Board would be polled on whether or not such standing resolution should be rescinded;
- (2) in accordance with Dr. Williams' request, all members of the national Board had been polled with the following result:
IN FAVOUR OF rescission: Dr. Williams, Mr. McDerment, Mr. Little, Mr. Dawson, Mrs. Joel.
NOT IN FAVOUR OF rescission: Mr. Blyth, Mr. Williams, Mr. Wells, Mr. Miller;
- (3) when, at the next following meeting of the Board the Secretary had reported the results of the poll, it was agreed that the result of the poll could not be regarded as conclusive, and therefore the question would be referred to this meeting of the Board.

DISCUSSION: During a discussion which followed reference was made to Dr. Leslie's remarks with regard to restrictive policies which the Board, during recent years, had seen fit to adopt with regard to kennel names, and it was agreed that this restrictive policy, being difficult to administer effectively, should be discontinued forthwith.

MOTION #40-63

Moved by Mr. Little, seconded by Mr. Blyth:
"THAT, the Standing Resolution reading as follows:
'THAT, a person may not use a kennel name more than three times without registering same,'
be rescinded."

Motion carried unanimously.

DISCUSSION: The Board, having noted Dr. Leslie's query regarding the necessity of prohibiting certain categories of words or names as kennel names, discussed the advisability of reviewing the restrictions presently set forth in a standing resolution adopted by the Board at its last semi-annual meeting. The Board reviewed the standing resolution, section by section, and reached agreement as to those restrictive clauses which should be deleted from the standing resolution.

MOTION #41-63

Moved by Mrs. Joel, seconded by Mr. Anderson:
"THAT, the Standing Resolution with regard to the headnote included in the official magazine with kennel names applied for and the restrictions which follow that headnote be amended to read as follows: 'THAT, the headnote in the listing of applications for registration of kennel names shall read as follows:

- NOTE: The following names MAY NOT be accepted as registered kennel names:
- (1) any name which is registered as a kennel name with The Canadian Kennel Club;
 - (2) any name which is registered as a kennel name with any other kennel club with which The Canadian Kennel Club has working arrangements with regard to mutual protection of kennel names;
 - (3) any name which is phonetically identical to a name registered as a kennel name with The Canadian Kennel Club;
 - (4) the word 'Royal' either as a whole or as part of a name;
 - (5) a colour, by itself."

Motion carried unanimously.

DISCUSSION: During a further discussion with regard to present restrictions on kennel names it was pointed out that Section 1 of the present Article XXV (Kennel Names) in the By-laws provides that a breeder who registered his kennel name since May 5, 1951, may only use his registered kennel name as a prefix when naming dogs born his property. It was suggested that only if such a policy is universally followed would it be meaningful to the extent intended when this policy was adopted by the Club in 1951. Mr. MacKillop and Mr. Anderson gave notice that if Ministerial approval is granted amendment No. 5 (a new Article XXV on kennel names approved on the last referendum ballot -- see resolution #12-63) then they would move and second a motion the purpose of which would be to allow a breeder having a registered kennel name to exercise his choice as to whether he would use such name as a prefix or suffix.

While discussing this question reference was made to a standing resolution with regard to the use of a registered kennel name in the naming of dogs imported to Canada.

MOTION #42-63

Moved by Mr. Anderson, seconded by Mr. MacKillop:
"THAT, the following resolution be deleted from the Book of Standing Resolutions:
'THAT, no imported dog may be registered if the importer's kennel name (whether registered or not) is shown as a prefix in its name, even though it is so registered in a foreign stud book. Whatever change or amendment is necessary to permit registration in Canada must be made in the foreign stud book before application can be acted on by the Registrar'."

Motion carried unanimously.

SUBJECT: The objection of Mr. Albert Farrell with regard to the inclusion of his registered kennel name (NUGGET) in the registered name of the Miniature Pinscher Ch. AIRLANE'S GOLDEN NUGGET (521815), a dog not bred by Mr. Farrell nor at any time owned by him.

Mr. Wells stated that this dog had earned its championship and it had established an enviable reputation, and for these reasons its breeder (Mrs. W. Warnow), and its present owner (Mrs. Betty Sylvester) would be averse to the simple deletion of NUGGET, but he believed they would be receptive to a proposal that the name be altered to Ch. AIRLANE'S

GOLDEN NUGGETTE.

ACTION: The Secretary was instructed to discuss the matter with Mr. Farrell, and report to the Board Mr. Farrell's reaction to this possible solution.

7 R 70. SELECTIVE REGISTRY -- PET CERTIFICATES

REPORT: The Secretary reported that:

- (1) as authorized by the Board a special committee consisting of Mr. W. J. Monaghan (Chairman), Mr. Wm. McDerment, and the Secretary, had interviewed the Chief Registration Officer of the Department of Agriculture with a view to finding a long-sought solution to the question of how the Club may provide for enforceable legislation in those cases where, at the time of sale, an agreement is reached by buyer and seller that a condition of sale is that the dog will not be used for breeding purposes;
- (2) as a consequence of the meeting between the committee and the Chief Registration Officer, it was agreed that the Chief Registration Officer would seek an opinion from the Department of Justice regarding two possible plans which the committee had previously placed before the Board;
- (3) the Chief Registration Officer had not, as yet, received an opinion from the Department of Justice.

MOTION #43-63

Moved by Mr. McDerment, seconded by Mr. Dawson:
"THAT, we defer this to the semi-annual meeting."
Motion carried unanimously.

7 R 73. PROPOSED INSPECTION OF KENNELS

REPORT: The Secretary reported that a report had not been received from the Chairman of a special committee appointed to consider and report to the Board on a suggested inspection of kennels and to which committee there had been referred a letter received from the Ontario Humane Society.

COMPLAINTS, CHARGES AND PROTESTS

8 C 10. COMPLAINTS COMMITTEE (SPECIFIC CASES)

The Secretary reported on a number of complaints and after discussion, the Board took appropriate action.

INTERNAL AND ADMINISTRATION

9 A 7. AMENDMENTS TO BY-LAWS

SUBJECT: The Secretary read a letter (dated September 22, 1962) signed by Messrs. Albert Kaye, Frank E. Jones, Albert Farrell, F. Fraser, and John Treleaven, who stated that it was their considered opinion "that the work carried out by the Board at the semi-annual meeting does not warrant the expense involved" and that they therefore considered that the last sentence of paragraph one of Article X should be deleted from the By-laws.

MOTION #51-63

Moved by Mr. Brown, seconded by Mr. Wells:
"THAT, these members be informed that the By-laws require the holding of a semi-annual meeting of the Board and until the By-laws are amended the Board must comply with the requirement."
Motion carried unanimously.

SUBJECT: The Secretary:

- (1) reported that on a previous referendum ballot the members had approved a proposed amendment to the Club's By-laws deleting the present Section 10 of Article XIII and substituting therefore provision for appointment of a separate Field Trial Council for each type of field trial activity and for the appointment of Field Trial Representatives who would not be members of a Field Trial Council;
- (2) reported that this amendment had been submitted for Ministerial approval but had not been approved on the grounds that, since competitive events are not specifically dealt with in the Live Stock Pedigree Act, Ministerial approval of a detailed By-law along such lines could not be expected;
- (3) reported that it had been intimated that a simple By-law giving the Board the power to appoint Field Trial Councils and Field Trial Representatives and to prescribe their respective duties and powers may receive Ministerial approval;
- (4) recommended that the Board consider the placing of an appropriate amendment along these lines on the next referendum ballot and suggested that if this suggestion meets with the Board's approval the new amendment should not include any provision making it mandatory for the chairmanship of the Field Trial Council to be held by a member of the Board.

MOTION #52-63

Moved by Mr. Anderson, seconded by Mr. Blyth:
"THAT, the Secretary be requested to draft a proposed amendment to Section 10 of Article XIII of the By-laws as it applies to Field Trial Councils and Field Trial Representatives, same to be presented at the semi-annual meeting."

Motion carried unanimously.

ADJOURNMENT

MOTION #53-63

Moved by Mr. Anderson, seconded by Mrs. Joel:
"THAT, this meeting adjourn to reconvene in the same place at 9:30 a.m. on Saturday, March 16, 1963."
Motion carried unanimously.

(SECRETARY'S NOTE: Where, in the minutes of the session of March 16th, 1963, the words "Motion carried unanimously" follow a motion, said words mean that all of the following members of the Board voted in favour of the motion: J. C. Anderson, Tom Wells, Mrs. J. W. Anderson, R. L. Blyth, Walter Brown, Wm. Dawson, D. H. Duff, Mrs. Edna Joel, Robert Little, Mrs. P. B. Mack, R. L. MacKillop, Wm. McDerment, and George Mehlenbacher.)

W. Williams, in the Chair, and the following members of the Board present: J. C. Anderson, Tom Wells, Mrs. J. W. Anderson, R. L. Blyth, Walter Brown, Wm. Dawson, D. H. Duff, Mrs. Edna I. INTERNAL AND ADMINISTRATION

9 A 7. AMENDMENTS TO BY-LAWS

SUBJECT: The Secretary:

- (1) pointed out that the present provisions of Section 11 of Article XIII of the By-laws:
 - (a) requires that the Chairman of the Obedience Council must be a member of the Board;
 - (b) does not permit of the Board appointing additional Obedience Representatives beyond the number and geographical distribution set forth in the present Section 11;
 - (c) does not provide for the appointment of a "Chairman's Standing Committee", a committee which past chairmen of the Council have found to be extremely helpful in the workings of the Council;
- (2) expressed the view that:
 - (a) the necessity for a member of the Board being Chairman of the Council should be eliminated if for no other reason that there may come a time when the Board does not include a person having a thorough knowledge of obedience or one willing or in a position to accept that office;
 - (b) an increase in the number of Obedience Representatives would likely lighten considerably the responsibilities of the present restricted number of Representatives;
 - (c) the establishment of a Chairman's Standing Committee should be provided for in Section 1;
- (3) recommended that the Board consider placing an appropriate proposed amendment in the next referendum ballot.

MOTION #54-63

Moved by Mrs. Joel, seconded by Mr. Anderson:

"THAT, the Secretary draft a proposed amendment for consideration of the Board at its semi-annual meeting."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mr. MacKillop, Mr. McDerment.

ABSENT: Mrs. Gove, Mrs. Mack, Mr. Mehlenbacher.

Motion carried.

SUBJECT: The Secretary recommended that the Board consider placing on the next referendum ballot proposed amendments to Sections 11, 12 and 13 of Article XII (ELECTIONS) in order that immediately at the close of balloting the Election Commission may proceed to open the ballots, count the votes, and submit its report of election results as soon as possible.

MOTION #55-63

Moved by Mr. Brown, seconded by Mr. Dawson:

"THAT, the Secretary draft proposed amendments for consideration at the semi-annual meeting of the Board."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mr. MacKillop, Mr. McDerment.

ABSENT: Mrs. Gove, Mrs. Mack, Mr. Mehlenbacher.

Motion carried.

-----Mrs. J. Gove and Mrs. P. Mack entered the meeting.

SUBJECT: The Secretary:

- (1) pointed out that the present Section 16 of Article XII (Elections) of the By-laws requires that in the case of a write-in vote (as was the case in connection with the election of a 1963 Director for New Brunswick and Prince Edward Island) the Election Committee is simply to announce the name of the member elected, and it is not required to disclose the votes cast;
- (2) expressed the view that there should not be any public announcement of all votes cast in a write-in election if only to prevent embarrassment to those members, for whom one or more votes were cast, who did not aspire to office on the Board and would not accept an office even though elected on a write-in ballot;
- (3) suggested that the Board consider whether an appropriate proposed amendment should be placed on the next referendum ballot for the purpose of having it clearly stated whether, in the case of a write-in ballot, the Election Commission is required to disclose the voting.

DISCUSSION: During a discussion which followed it was agreed that:

- (1) in the case of the election of the 1963 Director for New Brunswick and Prince Edward Island, any member in that electoral zone may obtain from the Election Commission a report on the number of votes cast for him;
- (2) an appropriate amendment should be prepared, along that line, for inclusion in the next referendum ballot.

-----Mrs. Gove, being ill, left the meeting and was accompanied by Mrs. Joel.

MOTION #56-63

Moved by Mr. Wells, seconded by Mr. Anderson:

"THAT, the Secretary draft a proposed amendment for consideration at the semi-annual meeting of the Board."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Mack, Mr. MacKillop, Mr. McDerment.

ABSTAINED FROM VOTING: Mr. Little.

ABSENT: Mr. Mehlenbacher.

Motion carried.

REPORT: The Secretary:

- (1) reported that on occasion the assistance of the Chief Registration Officer had been instrumental in expediting satisfactory results on a number of complaints regarding registration;
- (2) outlined possible arrangements which may be helpful in dealing with many complaints regarding registration if appropriate legislation is included in the Club's By-laws;
- (3) recommended that the Board consider placing in the next referendum ballot an amendment to the By-laws reading along the following lines:

"When, in the opinion of the Chief Registration Officer, a person, partnership or company has failed to satisfactorily explain to him an apparent irregularity in connection with any application or document submitted to the recording office of the Club, or fails to keep proper breeding and identification records, or where such person, partnership or company has failed to explain to the satisfaction of the Chief Registration Officer his position with regard to a complaint that he has not furnished the purchaser with a certificate of registration for a dog sold as pure-bred, the Chief Registration Officer is empowered to direct the Club's recording office that it will no longer process applications for such person, partnership or company, and to inform the person, partnership or company of the direction which he has given the recording office."

MOTION #57-63

Moved by Mr. Dawson, seconded by Mr. Blyth:

"THAT, we adopt the recommendations of the Secretary and the question be finalized at the semi-annual meeting."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment.

ABSENT: Mr. Mehlenbacher.

Motion carried.

SUBJECT: Mrs. Mack suggested that many complaints regarding non-delivery of certificates of registration for dogs sold as pure-bred may be eliminated if breeders were furnished with 'Bill of Sale' forms, the form to provide information with regard to the date of birth, name of breeder, name of sire, name of dam, etc. and the terms applicable to the sale.

MOTION #58-63

Moved by Mr. Blyth, seconded by Mrs. Mack:

"THAT, the Secretary look into the possibility of providing Bill of Sale forms, and present a report at the semi-annual meeting."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment.

ABSENT: Mr. Mehlenbacher.

Motion carried.

SUBJECT: The Secretary reported that:

- (1) Mr. Dawson, had advanced the suggestion that the annual meeting of the Board should commence earlier than the day preceding the Annual General Meeting, this in order that at the General meeting the Board may present a more comprehensive report of the decisions which it had reached at its annual meeting;
 - (2) the Club's present By-laws require that the annual meeting of the Board commence the day previous to the Annual General Meeting.
- DISCUSSION: During a discussion of Mr. Dawson's proposal it was agreed that it would be advantageous to the Board if its annual meeting could commence earlier than the day preceding the Annual General Meeting.

MOTION #59-63

Moved by Mr. Dawson, seconded by Mrs. Anderson:

"THAT, the Secretary draft an amendment for consideration at the semi-annual meeting of the Board."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment.

ABSENT: Mr. Mehlenbacher.

Motion carried.

-----Mr. George Mehlenbacher entered the meeting.

-----Mr. Anderson took the Chair at the President's request.

9 A 16. STANDING RESOLUTIONS

SUBJECT: The Secretary reported that he had been instructed to refer to this meeting the question of whether the Secretary is to continue to accept 'collect' telegrams and 'collect' telephone calls, except in reply to a request for an immediate answer by phone or telegram.

DISCUSSION: Mr. Williams expressed the view that every member of the Board should be free to address a collect telegram or place a collect long distance telephone call to the Secretary when, in his judgment, it is necessary to do so.

ACTION: No action was taken to alter the present practice of the Secretary accepting collect long distance telephone calls and collect telegrams from members of the Board.

-----Mr. Williams resumed the Chair.

REPORT: The Secretary placed before the Board a report (dated February 1, 1963) received from Mr. D. H. Miller, Chairman of the Standing Resolutions Committee, who expressed the following views with regard to the present system of standing resolutions:

- (1) it is cumbersome, and difficult to handle;
 - (2) it is too far removed from the rule manuals it serves as a clarification to;
 - (3) it is virtually useless to the general membership who are commissioned to run C.K.C. affairs by a rule book the Standing Resolutions clarify, as they do not have access to the Standing Resolutions daily;
 - (4) the Standing Resolutions may serve a function of clarification, but it is questionable whether the Board has the right to implement permanent matters through the Standing Resolutions;
 - (5) it is questionable if the Board has the power to enforce any Standing Resolution which remains in force past a voting period of the membership without the membership voting on it.
- Mr. Miller's report concluded with the following recommendations:

- (1) It is recommended that, in addition to our Dog Show Rules, Obedience Trial Regulations and Standards, and the various Field Trial Rules, the Board consider the advisability of an administrative routine booklet.
- (2) It is recommended that the Board determine the question of how long a Standing Resolution not covered by the By-laws, may remain in force without a vote by membership.
- (3) It is suggested that the Standing Resolutions be checked over and all motions which form a positive action, rather than a clarification of an existing rule, be turned over to the Amendments Committee for inclusion in the next draft of amendments.
- (4) It is recommended that the Board consider the advisability of adding all Standing Resolutions to their respective rule books from printing to printing, either in italics at the bottom of each rule they apply to, or at the end of each rule book.

DISCUSSION: During a discussion which followed:

- (1) it was suggested that the opinion of the Club's solicitor be sought with regard to the legality of standing resolutions;
- (2) it was suggested that the standing resolutions should be rewritten, not in the form of resolutions, but rather in a more readily understood prose form;
- (3) it was suggested that the standing resolutions should be divided into two groups: (a) those required strictly for internal administration; (b) those of concern to clubs, members, and individual persons;
- (4) it was suggested that all members of the Board should submit direct to the Chairman of the Standing Resolutions Committee their views with regard to any or all of the present standing resolutions.

MOTION #60-63

Moved by Mr. Anderson, seconded by Mr. MacKillop:
"THAT, this report be accepted and be referred to a Committee to work with the Executive Manager after consulting the Club's solicitor."

Motion carried unanimously.

-----The President reported that Mrs. Gove had received medical attention, it being the advice of the doctor that she should not return to this meeting.

MOTION #61-63

Moved by Mr. McDerment, seconded by Mr. Dawson:
"THAT, all the Directors submit their recommendations to the Committee."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.

Motion carried.

9 A 31. BOARD MEETINGS

SUBJECT: The setting of the date of commencement of the semi-annual meeting of the Board as required by Section 1 of Article X (MEETINGS OF BOARD) of the Club's By-laws.

MOTION #62-63

Moved by Mr. Dawson, seconded by Mr. McDerment:
"THAT, the semi-annual meeting of the Board of Directors commence on Tuesday, August 20, 1963."

Motion carried unanimously.

MOTION #63-63

Moved by Mr. Anderson, seconded by Mr. Mehlenbacher:
"THAT, the semi-annual meeting be held in the offices of the Club."

Motion carried unanimously.

SUBJECT: The setting aside of a specific day in each month on which regular meetings of the Board shall be held, if necessary, as required by Section 2 of Article X of the Club's By-laws.

MOTION #64-63

Moved by Mr. Brown, seconded by Mr. Blyth:
"THAT, the next regular meeting of the Board be held on May 23, 1963 and thereafter a regular meeting of the Board be held, if necessary, on the third Wednesday of each month."

Motion carried unanimously.

9 A 69. BERMUDA KENNEL CLUB

SUBJECT: The Secretary:

- (1) pointed out that each member of the Board had been provided with a copy of a letter (dated January 17th) from the Bermuda Kennel Club with regard to that Club's desire to become affiliated with the Kennel Club (England);
- (2) read the suggested terms of the proposed agreement between the Kennel Club and the Bermuda Kennel Club.

DISCUSSION: During a discussion which followed with regard to the suggested terms of the proposed agreement:

- (1) it was agreed that having regard for the provisions of Section 6 (5) of the Live Stock Pedigree Act, 1949, the Club's By-laws, and its Dog Show Rules, The Canadian Kennel Club could not allow any club holding a show or trial under its rules to be required to automatically recognize any suspension or disqualification imposed on any person by any other kennel club;
- (2) it was agreed that the By-laws of The Canadian Kennel Club (Article XXX, Section 4 (e)) do not permit any change of name of an imported dog when said dog is registered in the Club's records;
- (3) it was agreed that The Canadian Kennel Club could not agree to be bound by any agreement which would require The Canadian Kennel Club to recognize the decision of any other national kennel club with regard to the eligibility of any person to judge at a show held under the Club's rules.

Mr. Wells pointed out that in the letter which the Bermuda Kennel Club had addressed to The Kennel Club (England) on January 6, 1963, it was clearly stated that a resident of Bermuda must be a member of the Bermuda Kennel Club before being eligible to register dogs with The Canadian Kennel Club. It was agreed that, when writing the Bermuda Kennel Club, the Secretary would point out that any person in Bermuda who complies with the Club's requirements with regard to registration is eligible to register dogs in the records of The Canadian Kennel Club.

MOTION #65-63

Moved by Mr. Anderson, seconded by Mr. Dawson:

"THAT, the Secretary reply to the Bermuda Kennel Club pointing out the impracticability of the arrangements they contemplate."

Motion carried unanimously.

-----Mr. Anderson took the Chair at the President's request.

DOG SHOWS

11 D 25. DATES

REPORT: The President reported that members of the Board had been provided with copies of correspondence relating to the application of the Gateway City Obedience Training Club to hold a championship show and licensed obedience trial at Winnipeg on July 6, 1963, and reported on his meeting with members of that Club in connection with their application.

DISCUSSION: During a discussion which followed:

- (1) Mrs. Joel reported that she had been asked by Mrs. Gove to place her views before the Board, more particularly with regard to the desirability of scheduling this show to follow the Coronation Kennel Club shows in September, and outlined the views which Mrs. Gove had asked her to place before the Board;
- (2) a letter (dated March 8th) which the Fort Garry Kennel Club had addressed to Mrs. Gove was read, in which letter the Fort Garry Kennel Club withdrew its objection to the Gateway City Obedience Training Club holding a championship show and licensed obedience trial on July 6th;
- (3) it was agreed that a championship show and licensed obedience trial at Winnipeg on July 6th could hardly be considered as prejudicing the success of the Fort Garry Kennel Club and the Portage la Prairie Kennel Club shows in May, and the anticipated Coronation Kennel Club shows in September.

MOTION #66-63

Moved by Mr. Williams, seconded by Mrs. Anderson:

"THAT, the application of the Gateway City Obedience Training Club to hold a championship show and licensed obedience trial at Winnipeg on July 6, 1963, be approved."

FOR THE MOTION: Mr. Williams, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.

Motion carried.

-----After luncheon intermission the meeting resumed, with the President in the Chair.

INTERNAL AND ADMINISTRATION

9 A 81. REFERENDUM BALLOTS

SUBJECT: The Secretary:

- (1) pointed out that under the Club's By-laws an amendment to the By-laws is effective immediately upon Ministerial approval of the amendment and this often affords little opportunity to make whatever arrangements may be necessary to implement an amendment immediately upon its coming into effect;
- (2) pointed out that the results of voting on proposed amendments to the Dog Show Rules and Obedience Trial Regulations included in a referendum ballot become known during the last week of December and such amendments come into effect on January 1st immediately thereafter, and it had been previously recognized that this presents not only administrative problems for the staff, but also possible problems for clubs holding shows and trials early in the year;
- (3) reported that this question had been considered by the previous Board but it had been decided that the matter would be deferred to this meeting when the Board would be aware of the results of the proposed amendments to the By-laws which, if such amendments came into effect, would provide for a biennial election of the Board;
- (4) reported that on an instruction of the Board, the following questions had been included in the 1961 referendum ballot:

#1 -- If, in due course, the Board's term of office should be extended, would you be in favour of amending the Club's By-laws in order that a regular referendum ballot would be conducted only at the time when an election of the Board is conducted?

#2 -- Would you prefer that the regular referendum ballot be conducted earlier in the year?

- (5) reported that the results of the voting on the questionnaire had been as follows:

VOTING ON FIRST QUESTION: YES - 300; NO - 207

VOTING ON SECOND QUESTION: YES - 299; NO - 219;

- (6) submitted the following recommendations for the Board's consideration:

(a) that Article XXXVIII be amended to provide that except for a special ballot ordered by the Board pursuant to the provisions of Section 17 of Article XXXVIII, a referendum ballot will be conducted only in a year in which there is to be an election of the Board;

(b) that instead of separating the years in which members may propose amendments to the By-laws, Dog Show Rules, and Obedience Trial Regulations, members be allowed to sponsor proposed amendments to the By-laws, Dog Show Rules, and Obedience Trial Regulations for inclusion in any regular referendum ballot to be conducted in an election year;

(c) that amendments to the By-laws and other rules shall become effective on the first January 1st following Ministerial approval, amendments to the Dog Show Rules and Obedience Trial Regulations shall become effective, not on the present January 1st, but one year thereafter. The only exception to this timing to be in connection with any amendment which has to do with fees, charges, etc. where it could be specified that such changes come into effect as of the date specified in the amendment.

DISCUSSION: During a discussion of the question Mr. MacKillop suggested that provision be made for the Board to have the power to include in each proposed amendment a date on which the amendment, if approved, shall come into effect.

MOTION #67-63

Moved by Mr. Dawson, seconded by Mr. Brown:

"THAT, the Secretary draft proposed amendments for con-

sideration at the semi-annual meeting."
FOR THE MOTION: Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mrs. Joel, Mr. MacKillop, Mr. Mehlenbacher.
ABSENT: Mr. Anderson, Mr. Blyth, Mr. Duff, Mr. Little, Mrs. Mack, Mr. McDerment.

Motion carried.

SUBJECT: Mrs. Joel:

- (1) stated that notwithstanding the clarifying statement included at the forefront of a referendum ballot, many voting members are evidently under the impression that the Board, as a group, is in favour of all proposed amendments which it may order included in a referendum ballot when, in fact, the Board often decides to include proposed amendments simply for the purpose of determining the wishes of the voting membership;
- (2) suggested that in order to overcome this misunderstanding there be included in the referendum ballot, for each proposed amendment included in the ballot on an order of the Board, a record of those members of the Board in favour of the proposed amendment, and those members of the Board not in favour of the proposed amendment.

MOTION #68-63

Moved by Mrs. Joel, seconded by Mr. McDerment:

"THAT, when an amendment is to be included in a referendum ballot by an order of the Board there shall be included a record of those members of the Board in favour of the proposed amendment and those not in favour of the proposed amendment."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
AGAINST THE MOTION: Mr. Duff.

Motion carried.

9 A 84. APPOINTMENTS (OTHER THAN ANNUAL)

REPORT: Mr. Anderson:

- (1) pointed out that he had been named Chairman of a special committee "to look into the matter of recognition of past officers and bring in a report to the Board" and the committee's terms of reference had later been extended to "include consideration and report on a dog-don 'Hall of Fame'";
- (2) reported that he did not have a report to place before the Board;
- (3) recommended that the committee be disbanded.

MOTION #69-63

Moved by Mr. Anderson, seconded by Mrs. Joel:

"THAT, this committee be disbanded."

Motion carried unanimously.

9 A 96. ONTARIO SALES TAX

REPORT: Mr. McDerment, Chairman of a special committee appointed by the Board to approach the Ontario government with a view to obtaining abolition of the sales tax on dogs, reported on the more recent developments with regard to representations, and outlined the further steps which would be taken.

MOTION #70-63

Moved by Mr. Brown, seconded by Mr. Little:

"THAT, the report be received as progress."

Motion carried unanimously.

9 A 87. ELECTION OF OFFICERS AND DIRECTORS

SUBJECT: A request submitted by Mr. Dawson that the Board consider the question of electoral zoning of Ontario in connection with the election of Directors for Ontario.

DISCUSSION: During a discussion which followed:

- (1) Mr. Dawson:
 - (a) stated that in asking that this question be considered he did not intend any reflection on past or present Directors for Ontario;
 - (b) stated that during his term of office as Director he had noted "that a majority of the Board members have come from within a radius of 60-70 miles of Toronto";
 - (c) expressed the view that the division of Ontario into electoral zones would have the following advantages:
 - (i) increase of local (as well as national) interest in the election of Officers and Directors;
 - (ii) enable many problems to be dealt with at the local level by the local Director, particularly in the case of shows and trials held in his zone;
 - (iii) enable the Board to obtain a wider understanding of the wishes of members in Ontario;
- (2) Mr. Little stated that, while a member of the Board, he had not felt that the present arrangements for the election of Ontario Directors held any disadvantages so far as it concerned the interests of the country as a whole;
- (3) Mr. McDerment stated that 670 voting members were located within 50-60 miles of Toronto out of 1,198 voting members in the province;
- (4) Mrs. Mack stated that, while there might be some merit in the proposal, she felt that in all the other electoral zones all members within a zone are entitled to nominate and vote for any member within that zone, and in the past members in Ontario had elected members from Fort William, Ottawa, London, etc.;
- (5) Mr. Mehlenbacher stated that if Ontario is zoned on the basis of members in the various parts of the province, then the Toronto area would be guaranteed a high percentage of Ontario Directors, yet at present there is no such guarantee;
- (6) Mr. Brown expressed the view that members in Ontario should have the right to elect as Ontario Directors whoever they felt best qualified to serve as Directors, regardless of their geographical location within the province;
- (7) Mr. Blyth stated that it had been found advantageous in the past to have a number of committees required to meet often during the year, comprised of members of the Board located reasonably close to the Club's head office.

ACTION: No action was taken.

9 A 97. C. K. C. DIAMOND (75th) ANNIVERSARY

REPORT: The Secretary:

- (1) reported that at the last semi-annual meeting of the Board the Board had decided that the Club would celebrate its 75th Anniversary simply by obtaining whatever free publicity it could obtain via newspapers, magazines, radio, TV, etc., and Mr. MacCallum was appointed Chairman of publicity for the Diamond Anniversary, he to have power to add to the Committee;
- (2) read a letter (dated February 14th) from Mr. MacCallum advising that he did not wish to act on the Committee and was under the impression that a new Committee would be appointed at the beginning of the year.

DISCUSSION: During a discussion which followed Mr. Little suggested that, inasmuch as the Board had decided to supply those who were paid-up members in 1962 and 1963 with a free copy of the Club's first Book of Breed Standards, the Board might consider including a group picture of the Board in the book, along with a list of the Club's Officers and Directors. Mr. Anderson stated that it would be sufficient merely to list the members of the current Board in the book.

MOTION #71-63

Moved by Mr. Little, seconded by Mrs. Anderson:

"THAT, a picture of the Board be included in the Book of Breed Standards to be distributed to members."

AMENDMENT TO MOTION #71-63

"THAT, a list of the members of the current Board be included in the Book of Breed Standards to be distributed to members."

AGAINST THE AMENDMENT: Mr. Dawson, Mr. Duff, Mr. Little, Mr. McDerment.

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment.

Motion carried.

DISCUSSION: During a discussion which followed it was suggested that there should be included in the volume a statement with regard to the fact that the Club is celebrating its Diamond Anniversary this year.

MOTION #73-63

Moved by Mr. Little, seconded by Mr. Duff:

"THAT, the picture and names of members of the Board be included in the Book of Breed Standards."

Motion carried unanimously.

9 A 103. APPOINTMENTS FOR 1963

SUBJECT: The appointment of a Registration Committee for the current year.

- (2) agreed that at a meeting of the Committee the President, or one of the Vice-Presidents, would be Chairman if present, otherwise the members of the Committee present would elect their own Chairman.

Moved by Mrs. Mack, seconded by Mr. Dawson:

11 D 73. AMENDMENTS TO THE DOG SHOW RULES

DISCUSSION: During a discussion which followed:

- (1) Mr. Duff suggested that the Board consider proposed amendments to Chapter 14 and Chapter 17, Section 1, of the Dog Show Rules in order that male dogs under nine months of age would not be disqualified on the grounds of monorchidism or cryptorchidism;
- (2) Mr. Brown expressed the view that if such a change is made in the Dog Show Rules, it may be possible for a male dog, which is not complete, to attain championship status;
- (3) Mr. Wells questioned the necessity of maintaining the present Dog Show Rules requiring veterinary inspection of dogs entering championship shows;
- (4) it was agreed that:
 - (a) the Secretary would seek information from The American Kennel Club of the results found after they had altered their dog show rules with regard to optional veterinary inspection;
 - (b) Mr. Duff's proposal would be referred to a special committee for consideration along with other necessary changes in the Dog Show Rules.

FINANCIAL MATTERS

5 F 28. ALLOWANCES FOR EXPENSES

REPORT: Mr. Anderson reported that:

- (1) at the last semi-annual meeting of the Board he was asked to secure the opinions of the Chairman of the Obedience Council and the Chairman of the Field Trial Council with regard to allowances to Obedience Representatives and Field Trial Representatives for their out-of-pocket expenses;
- (2) he had received the written views of the 1962 Chairman of the Obedience Council and had discussed the matter with the Chairman of the Field Trial Council;

- (3) it was the consensus that if the Club undertook to make a reasonable allowance to each and every Obedience Representative and Field Trial Representative this would involve the Club in an expenditure of several thousand dollars, and therefore it was a unanimous recommendation that there be no allowance except when an Obedience or Field Trial Representative is specifically delegated to undertake a specific duty.

MOTION #94-63

Moved by Mr. Anderson, seconded by Mrs. Joel:

"THAT, the report be received."

Motion carried unanimously.

INTERNAL AND ADMINISTRATION

9 A 104. ARRANGEMENTS FOR 1964 ANNUAL MEETING

SUBJECT: The Secretary pointed out that it is the custom of the Board, at its annual meeting, to set the date and place of the Annual General Meeting for the following year, this in order that the Secretary may reserve the necessary meeting room accommodation.

DISCUSSION: Mrs. Joel pointed out that the Board takes office on January 1st and suggested that the Annual General Meeting should be held in January in order that members of a new Board may have maximum time available in order to carry out their duties as individual members of the Board and collectively as the Board.

During a discussion it was pointed out that there must be sufficient time for the auditors to complete their audit of the Club's books for the previous year and to submit financial statements (fiscal year of the Club ends on December 31st), and it would be preferable for such statements to appear in the official magazine before the General meeting in order that members may have an opportunity of studying the statements before attending the General meeting.

MOTION #95-63

Moved by Mrs. Joel, seconded by Mr. MacKillop:

"THAT, the next Annual General Meeting be held on Saturday, January 25, 1964."

AMENDMENT TO MOTION #95-63

Moved by Mrs. Mack, seconded by Mr. Dawson:

"THAT, the next Annual General Meeting be held on Saturday, February 22, 1964, in the City of Toronto."

Amended motion carried unanimously.

9 A 105. BUSINESS ARISING OUT OF 1963 ANNUAL GENERAL MEETING

SUBJECT: The Secretary drew attention to the remarks of Col. M. H. A. Drury, at the Annual General Meeting on March 14th, with regard to the publicity given statistics released by some show-giving organization regarding the number of entries at their shows.

ACTION: The Secretary was instructed to inform Col. Drury that the matter had been considered by the Board but the Board did not believe it should take any action.

DOG SHOWS

11 D 1. JUDGES

The Secretary reported on a matter arising under this heading and the Board took appropriate action.

SUBJECT: The Secretary reported that a question had been raised as to just how the Club may acquaint show-giving clubs with the fact that a number of persons are available, on a one-show basis, to judge certain breeds, these persons having established eligibility to judge a certain breed or breeds at one show after having complied with the requirements of Section 2 of Chapter 7 of the Dog Show Rules.

ACTION: After discussion it was agreed that:

- (1) such persons should not be included on the list of approved judges distributed to show- and trial-giving clubs;
- (2) this matter would again be considered by the Board at its semi-annual meeting when, at that meeting, the Board considers proposed amendments to Chapters 7 and 8 of the Dog Show Rules.

REPORT: The Secretary reported that:

- (1) several persons, after meeting the requirements of Section 2 of Chapter 7 of the Dog Show Rules, had established eligibility to judge a number of breeds at one championship show, and amongst these were a number who had indicated their desire to proceed to establish eligibility to judge additional breeds or a group;
- (2) in these cases the Chairman of the committee responsible for processing applications for approval to judge had been guided by the text of a standing resolution (#366-61) and these persons had been informed that their request to establish eligibility to judge additional breeds or group would be dealt with after a final decision had been made on the breeds or group for which they had established eligibility to judge at one show.

DISCUSSION: During a discussion which followed:

- (1) it was pointed out that in most cases few of these persons would have an opportunity of judging a few breeds or a single group at a championship show, and their opportunities of obtaining judging engagements would continue to be limited until they could establish eligibility to judge additional breeds or groups;
- (2) in these circumstances it would be advisable to permit these people to establish eligibility to judge additional breeds or groups if only to extend the list of persons eligible for approval to judge at championship shows and permit show-giving clubs a wider selection of judges;
- (3) it was agreed that standing resolution #366-61 should be rescinded.

MOTION #97-63

Moved by Mr. Anderson, seconded by Mrs. Anderson:

"THAT, the following resolution (#366-61) be deleted from the Book of Standing Resolutions:

"THAT, for the guidance of the Committee it be recommended that no applicant for approval to judge an additional breed or breeds or an additional group be permitted to take the written and oral examinations until an assessment of the critique of the previous approval has been received."

Motion carried unanimously.

Another sought after award for terriers in British Columbia is the Owner Bred Trophy, which went to Wire Haired Fox Terrier, Worrindale Silver Starburst, owned by Bill and Stella Newby.

"Sallydean's Dancing Ballerina" won the trophy given by the Canadian West Highland White Terrier Club to the winning Westie bitch puppy in Canada. This young lady is owned by Vi and Eric Cox, of Victoria, and was bred by Sally Hudson. Mrs. Hudson's Can. and Am. Ch. Whitebriar Journeyman had the honor of coming third in Canada for West Highland White Terriers, as well as making a strong bid for the Joseph Dodd's Memorial Trophy.

Two new West Highland White puppies arrived shortly before Christmas from Mrs. Joyce Beer's Whitebriar Kennels in England for club editor, Mrs. Isabel Stanton. Two Dandie Dinmont Terriers imported by Mrs. Justine Campbell and Mrs. Lorna Rindal are a new breed for the Terrier Club.

The club is sponsoring a series of lectures given by Dr. Berry and Dr. Kits, of the University of B.C. These lectures, with a question period to follow, will be on a variety of subjects including Artificial Insemination, line breeding, study of the pedigree, and anatomy of the dog. All club members are urged to take advantage of this splendid opportunity.

The fourth annual Specialty Show of the Terrier Club will be held on May 19, at the Marpole Curling Rink in conjunction with the B.C. Ladies' Show. The club feels fortunate in having obtained the services of Mr. Wm. Fox, of California, a very fine terrier judge and a breeder of Kerry Blue Terriers.

Mrs. John C. Dressen, Scottish Terriers, Seattle has made many B.C. friends, who all join in a message of sympathy on her recent loss of her husband. Many friends have already sent personal messages, and to these your correspondent has been asked to convey Mrs. Dressen's thanks.

ALBERTA

Lethbridge and District Kennel Club is busy with plans for their second Sanction Show in May. Other clubs in the province with more experience have been very encouraging and helpful with offers of assistance, Mrs. Frances Hoye reports. Handling classes are being held to help novices, human and canine overcome those first fears of dog shows. Mrs. Deeken and Mr. J. L. Livingstone are conducting a Beginners Class in Obedience with 14 dogs enrolled, the smallest student

tippling the scales at three pounds. Three dogs and their owners make a 64 mile round trip from Taber weekly for this class. Mr. and Mrs. Gus Wimmer had to drop out due to a transfer to Red Deer.

Mrs. Iris Fortin of Grassy Lake has returned from England and her visit to the Crufts Show, accompanied by a young Bullmastiff puppy.

Mrs. Joan Deeken leaves for England, the Scandinavian countries and Europe on May 16. She will attend a Congress of Physiotherapists but is planning to visit as many kennels as possible with particular interest in German Shepherds and English Springer Spaniels.

Mr. and Mrs. Ron Peake are holidaying in California and no doubt taking in some of the shows there.

Very special congratulations this month to Natalie Maydansk of Edmonton, the first recipient of the Eileen McEachren Memorial Trophy for having bred the most number of Champions in one breed for the year — in this case, German Shepherds. Knowing Natalie and how much her dogs mean to her, I can appreciate the intense thrill this award has brought her and I am sure she will be moved to even greater efforts. Here are Shepherds that, while they may be Champions in conformation, are outstanding in intelligence and temperament, and are completely happy workers in Obedience and Tracking as well because they are trained with patience, love and understanding.

SASKATCHEWAN

In Saskatchewan, a second club has been formed in Saskatoon, the Saskatoon Kennel and Obedience Club. Mrs. Ruby MacGregor, a former Winnipegger, reports that an organization meeting was held on February 8 with the following officers elected for 1963: President, Mr. Roy Stevenson; Vice-President, Mr. Frank Whitehead; Secretary-Treasurer, Mrs. Marilyn Taylor; Social Convener, Mrs. Helene Forshner; Training Director, Mrs. Ruby MacGregor. To date this new club has 24 enthusiastic members. Obedience classes began in March with the showing of the film "Dog Etiquette" with Milo Pearsall. Enrolled are 29 in Beginners, seven in Novice and six in Open, with Mrs. Pat Randall, Mrs. Joan Wiik, Miss Lorraine Miller and Mrs. Ruby MacGregor as instructors. The show picture in the prairies looks better all the time with new clubs being formed and a general desire for more shows.

The Regina Kennel and Obedience Club, along with other clubs in the Saskatchewan circuit, is busy with last minute details for their May shows. With the new ruling regarding certain members of the show committee and their families not exhibiting, plans have had to be changed in many cases. In some parts of the Dominion where shows are weekly for seven months and in some cases two and three shows a weekend, this is a very logical ruling and I personally was all for it until I moved to this area. Here, where shows are much fewer and concentrated in one to three months of the year, it is already difficult to fill show positions with members with sufficient experience and still keep entries up and members active in the

show ring without this added worry. So far it is a mystery to me how some of these prairie clubs can find the funds to pay high fees to judges, for ribbons, printing, rental, etc., with entries ranging from 60 to 100, and yet put on such attractive shows. In Saskatchewan particularly, the hospitality is wonderful and every exhibitor is made to feel welcome. Mrs. Alice Lalonde of the Regina club reports that their main source of revenue is their Obedience Classes. They have an average of three Beginners Classes a year with approximately 15 dogs in each, giving a turnout of 40 to 50 dogs a year. Just prior to the spring shows, a class is held for those interested in entering their dogs.

MANITOBA

The German Shepherd Dog Club of Manitoba is busy with preparation for their first Specialty Show in June. Following the judging, the Specialty judge will conduct a Breed Survey to help exhibitors even further to evaluate their dogs, physically, mentally and breeding wise. The club is currently conducting their last 10 week course in Obedience for the year. At the second Graduation Night held March 10, silver spoons were awarded to the top scorers: in Beginners to Dave Hill and Major; and to Kay Davis and Sheba; in Novice to Ed Allman and Sikko; and in Advanced to Fred Pajonk and Hexe. Credit is due to the faithful trainers as well: Ken Johnson, Otto Meyers, Jim Robinson and Larry Wach. Along with Obedience classes, this club has held classes in handling to help those interested in showing their dogs at coming conformation shows. Interest is particularly keen of course due to the coming Specialty. This is an extremely important factor in show preparation so that exhibitors may learn to relax and show their dogs to the best advantage through knowing what is expected of them while in the ring. The time to teach a dog ring manners is NOT the day of the show, but in the weeks and months ahead.

Many club members have been blessed with new arrivals. President and Mrs. Horace Tesch have a son, Audrey and Wayne Horsman, a son; Marlene and Art Driver, a daughter; Mr. and Mrs. G. Griffin, a son; Mr. and Mrs. Mazur, a daughter; and Mr. and Mrs. Gifford, a son.

Larry Wach has been appointed Obedience Director for Manitoba for the year. Larry is an Obedience judge and a German Shepherd judge.

The Gateway City Obedience Training Club are planning their first All Breed Championship Show in conjunction with an Obedience Trial early in July. This along with a Sanction Show in April will keep Gateway members busy. In preparation for these shows and for a possible increase of shows in the future, a class for potential ring stewards was held in March with Mrs. Peggy Paterson instructing. Last classes for the season in Obedience are underway. Three apprentice instructors: Joan Lawrence, Bill Fiedler, and Dave Parliament, have been taking a special course and Gordon Ashcroft has held brush-up

classes for regular instructors, thus ensuring uniform teaching at all times.

ALL TERRIER CLUB OF CANADA

The club had an excellent representation at the Sportsmen's Show for all four days. The ATC booster show on Saturday was a shot in the arm to Terrier breeders with an entry of 87. A magnificent contribution was the *Miniature Schnauzer Club Specialty* with an entry of 23.

Other items of interest from this show: the Kerry Blue bitch puppy Rollicking Regardez Moi made her owner, Miss Larry Langley, very proud in finishing her championship in three straight shows. The Kerry people had almost continuous comment on the replica of a Kerry Blue made out of paper mache by Jim Burnet with hair contributed by several of the Kerry breeders.

The club's Obedience Trophy was presented to Mr. Vic Williams by Mr. John Devlin, in the Obedience Ring, for presentation to Mrs. J. McLeod by Mr. Williams on his return to Vancouver.

Several members crossed the border and returned with laurels. Mrs. H. Simpson, at the Flint, Mich. show went BB and second in Group with her *Miniature Schnauzer Ch. Rosehill Poco's Impression. Betty Golby* came back from the Detroit K.C. show with a first in Puppy Class ribbon for her Kerry Blue *Florian's Jezebel*, while at the same show Mrs. Tom Adams took BB with her Can. Am. Ch. *Roseneath White Crusader* and BW with Can. Ch. *Roseneath Gallant Knight*, both West Highland White Terriers.

The ATC was fortunate to secure, as a guest speaker for their March meeting, Mr. Tom Hughes, General Manager of the Ontario Humane Society. He held his audience in complete control during the evening, moving them first to almost the point of tears and then, with a turn of a phrase, to laughter. It was difficult to listen to the torture that some animals have to endure but it became apparent that there is hope for these unfortunate creatures if they have someone like Mr. Hughes to assist them if we, in the dog world, pull together when he calls upon us.

We'll look for you at the All Terrier Club Show, May 19.

BARRIE-HURONIA OBEDIENCE CLUB

A meeting was held at the home of Paul and Ruth Robbins, Oro Station, Ont. on March 29. Training classes will commence the first week in May at the home of Rosalie Harvie, R.R. 5, Barrie, Ont. where trainers will be Rosalie and Mr. Harold Butler. There will be a class in C.D.X.

BARRIE KENNEL CLUB

The club is busy completing plans for its All Breed Show coming up May 18. The premium list is out and they are hoping for a good entry. The trophy committee has worked very hard and a lot of good trophies will be waiting to be won. The club urges everyone to come along and make Barrie a place to meet old friends.

BURLINGTON AND DISTRICT K.C.

The club had an interesting and informal evening March 28 when the annual Inter-Club Challenge Competition was held in Burlington. The 1962 winners hosted the event. Teams from Hamilton, Oakville, Simcoe and Burlington K.C.'s were good sports. The successful conducting of the question period was largely due to the panel "up front". Mrs. Edna Joel queried, Mr. Roy Dafee timed, Mr. Thos. Joel scored and Mrs. Audrey Langford assisted and to Audrey goes a great deal of credit for the success of the evening.

Questions based on CKC Dog Show rules, Obedience Trial rules and regulations, breed standards and *Dogs in Canada* news, etc. were informative. Audrey must have spent several late nights to compile these "posers". "Dingoes" were generally the most interesting. In these instances, Mrs. Joel read from the breed standards, substituting the word "dingo" for the breed name. Teams, when ready to identify "dingoed", either to a plus or minus tally.

All good sports in attendance — panel, teams and rooters — saw Mrs. Blanche Cole of the Hamilton club make the trophy presentation to Burlington.

Due to the club meeting date, news is often stale by the time it reaches print but one thing that is new and being looked forward to is the club's annual double licensed Trial to be held June 16, at Burlington.

Friends of Roy and Doris Dafee are pleased to hear of the safe arrival of their first-born son Rory.

GERMAN SHEPHERD DOG BREEDERS ASSOCIATION

Highlights of the club's April meeting were: plans for its first spring matinee, which was held April 28, at the home of Reg Scott and a breed night which was held April 27.

Plans are underway to start Obedience classes. Mr. Tate, a new member, has offered his premises, Tate's Car Wash at Gerrard and Victoria Park, for training classes and his office for future club meetings. First class was held March 13.

Now, with the weather so much nicer, the Breed Committee will be doing more filming of German Shepherds.

Plans are also well underway for the Specialty Show to be judged by Mr. Gustave Schinder on June 8. Mr. Schinder judged the males at the National Specialty.

New Show Secretary is Mr. George Gerigs, Jr., 1087 Warden Ave., Scarborough, Ont.

Miss Anne Greigs and Mrs. Josephine Brett are on the sick and ailing list. Our best wishes to them.

GERMAN SHEPHERD DOG CLUB OF WESTERN ONTARIO

The club held its March meeting at the London Labor Temple, where general and new business was discussed. After the meeting, members enjoyed a film on "Training the German Shepherd Dog", by the R.A.F.

Obedience training and conformation classes are now being held on Sunday afternoon.

THE NEWFOUNDLAND BREEDERS OF ONTARIO

The club held its seventh annual Booster at the Sportsmen's Show with an entry of 14 Newfoundlands of which 13 were Canadian owned and 12 were Canadian bred. This is a change from the first Booster when there were 17 entered and only seven were Canadian bred and four, including two on exhibition, were Canadian owned.

The club is pleased to have Mrs. Kearsey's "Cappie" among this month's winners. Mrs. Leroy Page (Topsails) and Mr. and Mrs. Deneault were present to see this latest winner of the famous Topsails-Deneault breeding take BB.

Mr. Wayne Westlauffer from Woodstock had reason to be interested in this show as seven of the entries were descendants of his Ch. Lady June. It is hoped this showing will help lessen the sadness of his recent loss of Lady.

It was regrettable that Dr. and Mrs. Sacharoff were unable to attend as nine of the entries were of their Robins line. The club was pleased to have Mrs. Ralph Jameson of Seawards, Conn. with them and for the excellent get-together luncheon held Saturday evening. Mrs. Jameson was pleased with the performance of the Landseer puppy imported by Mrs. Irwin from the United States, and the first Landseer to be shown since Diamond Panda was shown in 1956.

Other guests attending the Booster were Mrs. Maynard Drury of Dryad, Phelps, N.Y. and Mrs. Robert Nutbeam of Harbour Beem, Newfoundland. Mrs. Nutbeam is still hoping for an International show in Newfoundland where there would be an opportunity of seeing top Newfies from England, the Continent and maybe Finland as well as Canadian dogs. The club wishes to acknowledge its indebtedness to Mrs. Kearsey, Mr. Irwin, Mr. and Mrs. Joe Dawes and all who had a hand in making this show such a success. A special thanks goes to their Judge, Mr. Lawrence Garvie, for his knowledge of the breed and his patience, courtesy and consideration shown to all the exhibitors.

The club believes this to be the happiest and most successful Booster to date.

THE NIAGARA SPRINGER SPANIEL CLUB INC.

The club held its annual meeting and elected the following officers for 1963: President, Thos. Atherton; Vice-President, Stuart Walton; Secretary-Treasurer, Ivan Hare, R.R. 3, St. Catharines; Publicity, Henry P. Nicholson; Property, Stan Welsh. The annual report showed a very successful year and the club is financially sound.

Plans were made for a two day Trial at St. Catharines on September 28 and 29, with better and close

hotel accommodations to the Field Trial grounds.

Spring training classes are now in progress.

NORTH YORK OBEDIENCE CLUB

The club held an open Obedience Match for winter trainees on March 24 at the York Farmers Market. High scores for the day were: Mrs. W. McHugh with her Samoyed, 197 points in Novice B; Mrs. I. Wauro with her German Shepherd, 196½ points in Novice A; Mrs. R. Pennycook with her West Highland White Terrier, 191 points, second in Novice A; Ross Pirrie with his Welsh Terrier, 186 points, third in Novice A.

Hilda Pugh was high winner in the Open Class with 181 points with her Miniature Poodle. Peter Kirk judged the match.

High score in the graduation class went to Mr. Osborne K. Smith with his Labrador Retriever earning 189 points. He was followed by Otto Piwerka at 176 points with a German Shepherd and Jack Hernan at 170 with his Springer Spaniel.

The draw for the Nutria collar was won by Mrs. Morrison of the Market staff and George Parlee of the N.Y.O.C. was the winner of the grocery hamper.

Club thanks go to Mr. Bud Flanagan who came from Oshawa to judge the graduation class.

Plans for the first licensed Trial are shaping up well and will be held June 9 at York Mills-Bayview Park, Toronto, one mile south of Hwy. 401.

PEKIN PALACE DOG CLUB OF CANADA

Mrs. Sheahan was returned to the office of President for a third term and Mr. Gordon Curtis to the office of 1st Vice-President for the second term. Second Vice-President, Mrs. M. Mosley; Secretary-Treasurer, Mrs. Gordon Curtis; Show Secretary, Mr. Len Morris; Trophy Secretary, Mrs. Denyer Morris. Publicity will be handled by Mr. Len McLellan.

At the annual meeting, held at the new address, 15 Mackay Dr., Thornhill, Mr. L. Morris gave a very informative talk on rearing young puppies, particularly those having to be reared and fed by hand. Mrs. Denyer Morris reported on the good showing of Pekingese at Madison Square Gardens.

The club has decided to hold an All Breed Sanction show on June 2 at Waterfalls Playground, three miles west of Georgetown off Highway #1. More information on this will be forthcoming.

Miscellaneous items: Mrs. S. Nielsen leaving shortly for Denmark; Mrs. M. Moseley is the new Membership Chairman and anyone wishing to join the club contact her at Rouge Park, P.O., Pickering, Ont. or phone Atlantic 2-8632.

PROGRESSIVE KENNEL CLUB

Attendance at club meetings has been affected by the prevailing flu and the March meeting was rather small, despite the interesting program arranged for.

To all members who are on the invalid list, the club extends wishes for a speedy recovery.

The hard-working Show Secretary reports excellent progress with the ad-

vertising in the premium list and catalogue.

The balance of the evening was devoted to the showing of a film put out by the Bell Telephone Company, dealing with genetics.

ST. BERNARD CLUB OF ONTARIO

Members deserve special mention for the interest they have shown in entertaining children at the different orphanages and homes. March 3 saw them at The Sacred Heart Village Orphanage and Home with dogs and sleds pulling the children all around the grounds, even though some areas of the ground were bare due to the spring thaw.

Beautifully decorated benches in a color motif of white, orange and green were focal points at the Sportsmen's Show on March 23 when 13 St. Bernards were entered. Decorated tables displayed trophies, prizes and breed literature. Members' daughters, in very attractive Swiss costumes, took turns at the display tables answering questions and supplying information to passersby. Following the show, members enjoyed a lovely time at the Swiss Bear in Toronto where a buffet dinner was held.

The April 27 meeting was held at Mr. and Mrs. T. Lowes in Scarborough.

THE SKYWAY OBEDIENCE CLUB

The club was pleased to have Archie Warnock judge their graduation exercises. Top score for a non member was earned by a Labrador trained and owned by Mrs. Aileen Turnbull. Highest scoring member was Mrs. R. Madden and her Poodle. The present series of classes, which started in March, have attracted so many new trainees that the club will probably have to add an extra hour to the regular time.

Two very successful events in the club have been the sleighride arranged by Mr. J. Villiers and his committee and the bingo and euchre which the Equipment Committee organized.

Deepest sympathy is extended to Welfare Chairman, Mrs. Myrtle Weed, on the passing of her husband who was also the father of another member, Mrs. M. Kergan. Mrs. R. Madden recently lost her father and the club members offer their sincere condolences.

ST. CATHARINES AND DISTRICT KENNEL AND OBEDIENCE CLUB

Mrs. Lyla Lymburner, a recognized authority on dogs, was guest speaker at the April meeting. She told those present how she became interested in dogs and subsequent experiences and offered many helpful suggestions on handling dogs in the show ring.

At the Obedience Class graduation, "Goldie", a Sheltie owned by Mrs. Rochelle Burgess, took first place. John Waldo, a junior handler, topped Novice B class with his Collie, "Tayna".

UPPER CANADA KENNEL CLUB

Doreen and Jack Northover, Ringwood, Ont. gave their home for the March meeting, when a short business session was followed by films on the recent Westminster show and "The Way of a Field Trial Champion". Both were thoroughly enjoyed by the whole membership.

Past-President Dick White is still recuperating from a recent operation. He and Jeanne have been missed.

Congratulations to the Northovers on their win at the Friday Sportsmen's Show.

It was good to see Phyllis Harris back with us after a lengthy illness.

TA-I-O BEAGLE CLUB OF MONTREAL, INC.

At a meeting of the Field Trial Council (Pack) recently at Cornwall there was representation present from Cornwall, Oshawa, Ottawa Valley, Central Ontario, Peterborough, Richelieu, United Counties, Highland Creek, TA-I-O, Frontier, Quinte and Credit Valley Clubs. Many were able to deliver their opinions to the Council during the open session and there is no doubt the Council had access — with the regrettable exception of the Maritimes — to the feelings of a broad portion of the Beagle pack trial world, and it is hoped that the results will prove to be both wise and practical.

At the annual meeting of the Quebec and Eastern Ontario Ass'n of Beagle Clubs the following officers were elected for 1963: President, Bus McConnell, Ottawa Valley; Vice-President, Maurice Hamel, Cornwall; Secretary-Treasurer Mrs. Yvette Bonneau, Richelieu; Awards Chairman, George Coombes, Lachute; and Publicity Chairman, Jim Akester, TA-I-O.

THE LAKESHORE DOG TRAINING ASS'N.

Recently held its first Mock Trial. From about 20 entries, under judge Hazel Slaughter, Laura McNally's Schipperke, Picki, was top dog, closely followed by Doberman, Fesch, owned by William Cavers, and third place went to a Labrador, Ricki, belonging to Bill Johnston. This new club is growing rapidly, due not only to the keenness of its members but to the excellent variety of activities offered. One example is a series of weekly lectures covering such things as Dog Care and Feeding, Dog Psychology, Grooming and Trimming, a talk by the Quebec Director, the Anatomy of the Dog, What to Wear and How to act in the Ring, and many other items of interest to exhibitors in general and especially to the new-comers just starting out in the dog game.

THE MOUNTAIN CITY OBEDIENCE CLUB

is to be congratulated on the excellent flyers sent out publicizing their forthcoming trials. On a recent television show entitled "It's a Dog's Life" and dealing with all phases of dogdom, Jack McBride discussed the obedience training angle while members and their

dogs demonstrated various points. The camera close-ups were excellent — especially that wistful Dalmatian.

THE 200 CLUB

hosted the second of three inter-club competitions held annually, with *Gerald McNally* doing the judging. The standing now is M.D.O.T.C. 1089½, M.C.O.C. 1052 and the 200 Club, 605. Looks as though it will be a close race this year for the beautiful Millar Trophy.

A SALUTE TO THE SPORTSMEN'S

All Quebec exhibitors loud in their praise of keen, hardworking Chairman, *Mr. H. V. P. (Bumpy) Lewis*, his Committee, and Show Supt. *Hudson Kalloch*, for the consideration and cooperation shown them at the recent topnotch Canadian National Sportsmen's Shows. The new location, wide aisles, parking space for the exhibitors, good benching, and cleanliness contributed greatly to the splendid showing made by all attending from here. Special mention must be made of *Pat Detmold's* lovely win with her English Setter bitch, *Sheila Houstoun's* excellent handling of *Mr. Raymond's* German Shepherd, *Dr. McDowell's* Group win with his Chihuahua, and *Romaine Jones' Samoyed*, Rosie who picked up seven points in the two shows entered. Pretty good for an eight months puppy! Also in the ribbons were the *Hector Morins*, *Pam Mack*, the *William Budens* and *C. E. Parish*, the last two competing in the Field Trials as well. And speaking of Field Trials, it was certainly worth a trip upstairs not only to watch top dogs in competition but to enjoy the beautiful and realistic setting of greenery, shrubs and autumn leaves. *Harold Payne* was, I believe, responsible for both the scenery and the smooth running of the trials, and he and his committee did a wonderful job. The location was used as a background for many of *Mr. Taylor's* dog pictures, with breath-taking results. The only suggestion from many spectators was for higher stands, or better viewing accommodation. Those unable to attend missed a "reely, reely big shew", and 'tis said next year will be even better!

SOMETHING TO BRAG ABOUT

Romaine Jones is 1963's Quebec Director for the *Canadian Samoyed Club*. Off to England the middle of May, she plans to take in some shows and look over the English Sams with an eye to adding to her Igloo Kennels.

St. Aubrey Tinkabelle of *Elsdon*, *Bill Taylor* and *Nigel Jones' home-bred Peke*, who has been doing so well south of the border, took the group recently at Providence, R.I.

Top winning Afghan in Canada for 1962 is *Ch. Zarada's Kumala Khandari*, proudly reports owner *Vera Hampton*.

Hazel Slaughter's Sheltie, *Gypsy Rose* of *Ronas Hill*, has just completed her C.D. in three straight trials.

Congratulations to *Pauline Ouimet* whose *Sunnyknoll Gold Pilot* was awarded the Field Trial Challenge Trophy, Open Stakes, for 1962, by the Golden Retriever Club of Canada.

POT-POURRI

Jo and Fred Grant have added another

Harrier to their *Glanrobin Kennels* just in time for the Spring shows.

More delays in the case involving the shooting of the Beagles belonging to *Frank Kleindienst* and *Lew Baillie*. It is hoped that judgment will be handed down about the middle of April and that this case will come to a satisfactory conclusion.

It's another U.S. import for the Poodle fancy, *Valerie Reid's* new black Miniature bitch, *Cappoquin Little Suzann*. Her sire is Am. Ch. *Cappoquin Bon Fiston*, a top producer, and she's the grand-daughter of Canada's famous Pood-hall Gus.

Bill Taylor back judging again and doing such an excellent job of it at the Sportsmen's. And wasn't that a beautiful sports jacket?

A cute snapshot arrived recently from *Lee and Wally Ward* (so active in obedience here and now living in Seven Islands) showing *W. H. Dachsie's Tag* and *George*, and *Basset Beau*, gazing sadly out the window, with the caption "No trees in this town!"

Many of you will remember *Pudu* (Ch. *Bon-Pudu-Llyn C.D.*), that smart Samoyed who was at one time so active in breed and obedience. A character to the end, she loved showing off to the gallery and in her own inimitable way would put her mate, *Sitka*, and sons *Butch* and *Joe* so beautifully in their places when they were entered as a team in obedience demonstrations. Herself a champion, and the dam of champions, she died recently at the age of 14 and leaves many memories for those of us who knew her and enjoyed her lively and spirited performances.

NEW BRUNSWICK

The *Upland Game Club*, recently formed in Saint John, was entertained March 24 by the *Saint John Obedience Club* under the chairmanship of the President, *Mrs. J. C. Searle* and through the kind cooperation of *Dr. Wait*, who made space available in the branch office of the Saint John Animal Hospital. *Major Donaldson*, of *Oromocto*, gave an interesting talk on hunting and field trialing with pointing breeds and this was followed by the showing of movies, after which refreshments were served. Several executive members of local clubs were present as well as *Robert Little*, Maritime Director (N.B.-P.E.I.) and *Capt. L. Hill*, Obedience Representative for N.B.-P.E.I., and included *Mrs. Gladys McGuire*, President Ladies K.C., *G. Cavanaugh*, President N.B.K.C. *Dr. and Mrs. Wait* were presented with a seascape by the Obedience Club in appreciation of their kind hospitality in making the Clinic

available for meetings.

Fredericton K.C. held a special meeting early in March to protest the new Show rules barring Show Superintendents, Secretaries and Ring Stewards together with members of their immediate families from entering dogs at shows where they officiate; however, since the rules are now in effect any protests are too late and were too few.

Beckington Fernville Farina, O.E. Sheepdog owned by *Mr. and Mrs. Harold F. Richards*, *Fredericton*, died March 1. This handsomely marked and very typical Bobtail was born in England September, 1960 and had much to offer the breed in Canada. In November she made her American show debut at Eastern Dog Club show in Boston, where she was awarded WB in a large open class for five points; she was entered at Westminster K.C. in February, but like many others her owners were prevented from attending because of weather conditions. *The Richards* also own a young English-bred dog, *Beckington Reprint*, and a Canadian-bred bitch puppy, but the loss of *Farina* is a great personal blow as well as a serious loss to the breed.

NOVA SCOTIA

Shearwater K.C. of *Dartmouth* held its March meeting on 21st, at the *Bellmont Hotel* with *Blois Boyd* in the chair. Plans for the July 1 show are well in hand and the judges are *Messrs. Harry Watson* and *Harry Story*. The film "Anatomy of the Dog" was shown after which refreshments were served.

Halifax K.C. "Bulletin" appears this month in new guise and with very chatty contents edited by *Earl Talbot* and forms the basis for the following notes. *Mrs. Eileen May* has imported a male *Peke* for show and stud. *Mrs. Harold Robinson*, *Timberlea* has acquired a *Yorkshire Terrier* for show. *David Talbot* has acquired a silver Toy Poodle male. *The Shortts* have imported from *Jonaire Knls.* two *Miniature Schnauzer* females. *Mrs. Pilcher* has disposed of all *Boxers*, has changed her kennel name to "Wynchwood" and is concentrating on *Miniature Poodles*. From the "Waldor Knls.", Ont. have arrived two 15" *Beagles* for club members *Harold Smith*, a two and a half year old stud, and *Tom Killeen*, a three year old bitch. *Mesdames Joan Thomas* and *Keith Thomas* attended Westminster K.C. show in New York. Other Maritimers also attending were *Mrs. Robert Nutbeam*, Nfld. and *Robert Laskey*, N.B.

Congratulations are due *Dr. Agnes Threlkeld* for her publicity job for Irish Setters on St. Patrick's Day. The *Halifax daily, The Chronicle-Herald*, ran a four-column cut in technicolor showing *Mrs. Threlkeld* on Citadel Hill with two of her champion Irish Setters "wearing the green".

It has been suggested that there are a sufficiently large number of poodle owners in the Maritimes to form a club or an association. Will owners of one or more Poodles of any of the three varieties drop a letter or postcard to *Earl Talbot*, 17 Torrington Drive, Rock-

GROOMING AND SHOWING

1. SHOW DOGS, edited and compiled by Barbara Woodhouse. Each of the 99 breeds recognized in England, plus eight breeds that are becoming popular are represented by a clear, informative article with special reference to the show ring. **\$10.00**

2. THE POODLE CHART, by Blanche Saunders, is a book designed to hang up in front of you, open to the correct page for easy reference. It clearly instructs how and where to trim for all Poodle clips. **\$2.00**

3. CLIPPING YOUR POODLE, by Margaret Sheldon and Barbara Lockwood. A small, inexpensive book in which the authors give the benefit of their vast experience to the new Poodle owner. **\$1.00**

4. HOW TO SHOW YOUR OWN DOG, by Virginia Tuck Nichols, an all-inclusive, accurate picture of dog shows and the problems of dog handling. Interestingly and informatively written, it shows the reader how he can double the enjoyment he gets out of placing his dog in shows, by handling the dog himself. How much more rewarding it is to know that you have been a part of making your dog a Champion than merely to have been a spectator. **\$6.25**

5. GROOMING AND SHOWING INSTRUCTIONS, by Blanche Saunders, in collaboration with other authorities for each breed, is a down-to-earth, authoritative book designed to help the newcomer. Its straightforward, practical presentation and helpful illustrations are interesting and informative. Most breeds, from Pointers to Poodles, are included in great detail with a special chapter on Smooth-coated breeds. **\$4.75**

6. THE PRACTICAL GUIDE TO SHOWING DOGS (a second printing), by Capt. R. Portman-Graham, contains 54 photographs, and is a forthright, comprehensive and detailed account that should be of interest and assistance to the novice breeder and exhibitor. Too, there will be few seasoned old hands that cannot gain some benefit from its information. **\$4.00**

KENNEL BUILDING and MANAGEMENT

7. MODERN KENNEL MANAGEMENT, an English publication with 16 illustrations, by Olwen Gwynne-Jones. A well written book that can be recommended to either novice or experienced breeders. It covers everything from A (Choice of Breed) to Z (selling the puppies). **\$3.00**

8. KENNEL BUILDING AND PLANS, by Will Judy. This book gives plans for the erection of all types of kennels, from the one dog "dog house" to the most elaborate kennel building. Drainage, etc. is well covered with useful information. **\$5.35**

9. COMPLETE KENNEL CONSTRUCTION, another Denlinger book of value to those who contemplate building a kennel or for those who have plans to renovate their present buildings. **\$4.75**

BREEDING AND HEALTH

10. GENETICS OF THE DOG, a valuable book put out by the Commonwealth Agriculture Bureau, written by Marca Burns, a geneticist as well as a dog breeder. It is in a language that everyone can understand and illustrated with tables, line drawings and over 30 photographs. **\$3.00**

11. BREEDING AND GENETICS, by Anne Fitzgerald Paramore. A small book (68 pages) but full of useful information. No breeder should be without one. **\$3.75**

12. HOW TO BREED DOGS, by Leon Whitney, which explains the mode of inheritance in a most interesting way. The author, who has long been one of the foremost American dog breeders, talks the language of the breeder. **\$6.25**

13. THE NEW ART OF BREEDING BETTER DOGS, a revision by Phillip Onstott of the older book by Kyle Onstott. A book much in demand for its comprehensive study of the art of breeding dogs. **\$7.75**

14. THE CONFORMATION OF THE DOG, by R. H. Smythe, a practical guide for judges, owners, breeders and exhibitors. The aims of this book are to present to everyone interested in dogs the real meaning of show points, to deal with soundness and movement and to discuss quality and stamina. Mr. Smythe in this country would be called Dr. for he is a qualified Veterinarian with wide experience in veterinary practice. Prior to the last war he bred and exhibited gun dogs and Terriers and has had frequent wins in these as well as Greyhounds. **\$4.25**

15. PRACTICAL DOG BREEDING AND GENETICS, by Eleanor Frankling. A completely revised and reset edition of an earlier book by the same author, *The Practical Guide to Dog Breeding*. Though it contains the same helpful information, it could be called a new book as the text has been fully rewritten and expanded to be brought up to date in the light of recent knowledge and developments. A new section has been added on simple genetics, a subject of growing interest and importance to dog breeders — but one on which many are uncertain. **\$4.95**

16. THE ANATOMY OF DOG BREEDING, another book by the eminent English veterinarian, R. H. Smythe M.R.C.V.S., this one just as enthusiastically endorsed as his *Conformation of the Dog*. It stresses the urgent danger that exists today with a number of the more popular breeds, the danger arising out of hereditary defects which are being perpetuated by indiscriminate mating and by the unwise choice of breeding stock. This one should be a MUST for every serious breeder. **\$4.95**

TRAINING, FOR FIELD AND OBEDIENCE

17. DIFFICULT DOGS, by Barbara Woodhouse, a book of twelve chapters dealing with problems, their causes and cures. Eleven illustrations make the point clear. A good book for owners who feel their dog is incorrigible. **\$3.00**

18. DOG TRAINING MY WAY, another Barbara Woodhouse book on training. Mrs. Woodhouse has the ambition to train as many owners as possible to use new and effective methods that she, herself, has tried and found successful. **\$4.00**

19. TRAINING THE DOG, by Will Judy, a book devoted to the training of dogs for every purpose, whether it be a house dog, a field dog, an obedience dog or for any purpose. This scientific volume reveals the depth, extent and variety of this classic work on the dog's mind and personality. **\$4.00**

20. TRAINING GUARD DOGS, a small inexpensive book written by J. Watson MacInnes. A book that sets out a practical scheme by which most breeds can be trained to become useful and obedient companions, teaching everything from good manners to the more advanced work for guard dogs. The author sets out his belief that in cities and towns dogs MUST be obedient in traffic and in the country an undisciplined dog can do untold damage. **\$1.75**

21. THE COMPLETE BOOK OF DOG TRAINING AND CARE. A recent addition to our book department written by J. J. McCoy, manager of the Bide-A-Wee Home for animals. Tells everything you need to know on a variety of subjects **\$5.95**

BREED BOOKS

22. THIS IS THE GERMAN SHEPHERD. This long awaited book by Capt. Goldbecker is now in stock. This new, practical, complete and authoritative book should be at the finger tips of every Shepherd breeder and owner. **\$6.25**

23. THE POPULAR ALSATIAN, by Jos. Schwabacher, whom Lloyd Brackett thinks is one of the world's leading authorities on the breed. **\$4.95**

24. THE COMPLETE GERMAN SHEPHERD, one of the books written as well as published by Milo G. Denlinger. As the name implies, the book covers everything from history to breeding. **\$5.65**

25. THIS IS THE BEAGLE, a practical science book written by George D. Whitney D.V.M. A book written for everyone who owns or plans to own a Beagle. **\$6.25**

26. THE COMPLETE BEAGLE, another one of the complete series by Denlinger. In its pages, recognized authorities have compiled all the helpful information which is invaluable to the novice. **\$6.25**

Aloha!

by Joy Curran

My first visit to Hawaii last summer was a series of surprises and delights beginning with my arrival at the Honolulu airport where I was told I was the first Canadian to judge a Hawaiian obedience trial; where I was smothered in plumeria, carnation, and dog biscuit leis; where I was photographed with American Champion Barwyn's Anharryd, CD., the latter fashionably attired for the occasion in a corgi-size plumeria lei; and where I was amazed to learn I had judged "Annie" (as she is known when not meeting obedience judges at airports) and owner Dorothy Westerlund the only time they competed in Canada at Victoria, B.C.

All livestock admitted to the Islands is isolated and the 120 day quarantine station was one of the many not typical tourist attractions on my agenda. From seemingly endless rows of outdoor shady runs, the dog "prisoners" greet you as nature equipped them to do so or with their mouths clamped shut over balls and with a distant stare as they watched for their own Special One's daily visit. It was my impression that day that the popular dogs entering Hawaii were Poodles.

A few days later I was privileged to judge the 24th AKC sponsored Obedience Trial of the Obedience Training Club of Hawaii. It is now a pleasant blur of . . . bright mummus worn by many spectators under shade trees in Thomas Square . . . of three Utility, seven Open and 28 Novice entries . . . of tantalizing monkeypod trophies . . . of smart handlers keeping their dogs quiet and cool before competing . . . of my stewards who applied me often with sunburn lotion much like basting a chicken for frying . . . of five lux-white Poodles seated side by side in the "Long Sit" giving me "snow blindness" after five hours in the sun . . . of my dilemma when a Miniature Poodle seated on a swarm of red ants broke this exercise . . . of the approving spectator laughter when Dot Fantasia's comical Cocker completed the "Long Down" in the sun in the shade of a tree . . . of awarding the top score of 199 points to a Dalmatian in Novice B ex-

pertly handled by John Kaaloa and 198 points for the highest scoring Poodle trophy to his own Miniature Poodle. The gala banquet following the trial was the occasion of much merriment and the opportunity to present club achievement awards and certificates to apprentice training instructors.

By reason of geographic isolation, Alaskan and Hawaiian obedience fans share a sneaking fear that their standard of performance may be lower than those living on the mainland and able to commute to many areas offering excellent competition to keep them "on their toes". This basic idea keeps both Alaska and Hawaii obedience club members striving forward with far more enthusiasm than is noted in our local clubs. Consequently, their request from me was for constructive criticism rather than congratulations. Opportunities for this were given at the post-trial banquet, later in the week at a dog training session, and at every occasion — with individuals and small groups at breakfast, luncheon, dinner and coffee parties, and even while sight-seeing. At the club's monthly meeting, I launched forth on my favourite obedience subject, the "smoothness and gentleness of handling". In this talk I condemned training without the use of timely praising which results in many depressed, sullen, fearful dogs and equally unamusing handlers judged in trials everywhere.

During this week in Honolulu I enjoyed meeting Mrs. Kaiser and visiting her "Kaiser Pink" white Standard Poodle Kennels. It is the plan of her octagonally-designed kennel to enable each Poodle from its individual pen to view the central grooming area. Their close contact with Mrs. Kaiser, kennel attendants and visitors, avoids the development of the unsociable type of personality so often noticed with kennelled dogs lacking human association. Each Alekai dog had a characteristic Poodley interest in people. Their superb temperament and condition was a credit to Mrs. Kaiser's personal interest in this breed.

The OTC of Hawaii presented me with a hibiscus carved monkeypod lamp as a reminder of my visit with them. With or without it, it would be difficult to forget any of these sincere and generous people. It is difficult to select only a few of the many interesting people in the dog game on the Islands. There is the Club's Treasurer and most willing worker in the club, Harry Wong and his wife, whose combined charm soon changed me from feeling like a malihini (newcomer) to a kamaaina (old timer). Eloise and Roger Monsarratt breed, train, show in obedience and work towards the AKC's bench acceptance of Australian Kelpies. This is one evidence that the spirit of adventure that brought Roger's ancestor five generations ago to Hawaii by schooner is still active in his descendant. Tricky judging problems were gnawed over with Arthur and his brother Dr. Edward Zane, Capt. Everett Gladding, President of the OTC, and Robert Sato, all judges residing in Hawaii. It was an education to watch Mrs. Ruth Budrea,

an inexperienced trial secretary, whose administrative ability had everyone working and enjoying his responsibility. Unforgettable were the seven photogenic children (keiki) in mummus, aloha shirts, or diapers belonging to and frequently being rounded up by the Director of Training, Dr. Howard Furumoto, DVM., and his wife.

A visit to the Island of Hawaii meant great fun with Betty and Arthur Evers, owners of the High Scoring Dal and their handler John Kaaloa and his wife Florence. John trained his first dog entirely by reading Blanche Saunder's textbook "Training You to Train Your Dog", without even having seen a dog trained and with no other help whatsoever. Discovered by Dr. Zane and persuaded to enter a trial in Honolulu in 1958, John coped the highest score in trial, a feat which he repeatedly does or else close to it. In my estimation, John Kaaloa just has the touch and is the finest trainer I have ever met and the only one with whom I would unhesitatingly trust my own Poodles. As so many of the best trophies at each trial flew off to Hilo, Hawaii, with him, Florence and John were somewhat embarrassed and wondered if the OTC membership were not resentful of this wholesale vanishing of their trophies out of Honolulu. Their answer came to them in an unexpected and sad way. John sustained severe multiple injuries from a recent car accident. Florence wrote "everyone in Honolulu really came through with help to sell our 18 shepherd puppies".

I am not surprised. The Americans I met in Hawaii were just those kind of people.

GOING TO PRESS NOTES

Sympathy is extended to Mrs. Mary Weller, Toronto, in the loss of her husband, Spencer, following a lengthy illness. The Wellers have operated the Briardale Kennels for many years, specializing in Boxers and Shepherds. Mr. Weller, a qualified judge of Group III, was one of the founders of The Boxer Club of Canada and the German Shepherd Dog Breeders Association.

Miss Ann Gerigs, still confined to the Oshawa General Hospital, Oshawa, Ont., has been undergoing one operation after another, following a severe injury to her back in an automobile accident. Ann is unable to have visitors, but is delighted to receive cards and notes.

Mrs. Betty Hyslop, Brockville, Ont., noted Cairn and Great Dane breeder, returned to her motor hotel room in Montreal April 27 to find that she had been robbed, but that her two Cairns remained safely in their crates.

Ch. Canidae's Maharanee, Standard Long-haired Dachshund, finished her American title by going BW for her fourth U.S. major win at the Western Reserve Show, Cleveland, Ohio, under Dachshund specialist, Judge Ernest L. Masson of New Orleans, La. Owners are Mr. and Mrs. Stu Roberts, Canidae, Maidstone, Ont.

ingham and let him know whether or not this matter is of further interest. He will then be able to know whether or not the plan should be developed. Maritime readers are requested to bring this matter to the attention of poodle owners, who may not be CKC members and hence are unlikely to read of this matter. Failure to respond will be construed as lack of interest in the formation of such a club.

Evangeline K.C. March meeting was held at the home of the Vice-President Mrs. Peel, South Berwick and with a very large attendance. New members continue to join. Plans for the June 28 and 29 shows are uppermost and are progressing satisfactorily. The new Dog Show rules Amendments #20, #21 and #22 are of great concern to so small a club and one can but wonder whether Kennel Clubs throughout the country are doing their duty, as the implication of these rules should have been discussed before the members voted — perhaps they were. Breed Familiarisation continued with Group 5 under the guidance of Mrs. P. A. Margeson.

Twin City Obedience Club completed the second course March 29, with 22 dogs participating and started the third course April 4. Obedience Trials are slated for June 30, in conjunction with the Maritime Toy Dog Club Specialty. Twin City's President, R. A. Bonoyer, has been appointed by C.K.C. Obedience Representative for N.S./Nfld.; his address is 89, Main St., Dartmouth.

LOOKING BACK

Tantramar K.C. was originally organized under the name of Amherst K.C., but in November 1955 was reorganized and renamed Tantramar because of the membership comprising breeders from so large an area as Amherst, Sackville, Springhill, Westchester, etc. In May, 1956 the new club held its first All-Breed championship show and in May, 1958 it enlarged the show to a two-day with a reception on the intervening Sunday; this pattern of a two-day show and reception continued through 1959 and 1960 when the show days were moved to Saturday and Sunday in 1961 and 1962 with Moncton holding a show on the following day, Monday making a three-day circuit. This year, 1963, the club is again branching out and holding three one-day shows May 18, 19 and 20.

October, 1957 the first meeting of the Junior K.C. was held and it is believed that this was the first Junior K.C. to be formed in the East. Many of these Juniors have since shown their dogs to their championships and some are now handling dogs for friends.

The first CKC Retriever Trials to be held in Nova Scotia were held by Tantramar K.C. in September, 1958.

The first Obedience classes to be held in Nova Scotia were likewise held by Tantramar K.C. in April, 1958 but the

club has yet to hold CKC Obedience Trials.

The club continues to flourish and this year, under the chairmanship of F. L. Mayne, Westchester, with monthly meetings at the home of the members.

Evangeline Kennel Club dates its beginning from April 18, 1956 when a group of Valley dog lovers gathered at South Berwick to discuss the formation of a kennel club in the Annapolis Valley. As a result of this meeting the *Evangeline K.C.* was formed with a membership of 15 and with Mrs. A. Z. Whitman, of the "Windy Lea" Kennels, Auburn as President. Already at this first meeting it was decided to hold a championship show in September, and what the members lacked in know-how about dog shows they made up for in enthusiasm, and under the guidance of *Robert Laskey* of Saint John, N.B. and with the help of friends in other clubs and led by the *Whitmans*, who were the principal driving force in the formation of this club, the first All-Breed championship show was staged at R.C.A.F. Greenwood on September 5, 1956 with Mrs. *Alva McColl*, Toronto judging. Shows from then became an annual event until 1960 when the club branched out into two one-day shows held on consecutive dates during the summer. In 1960 the club suffered a great loss in the death of Mrs. *Whitman* in a car accident while en route to attend a kennel club meeting in Halifax. In 1958 *James Meagher*, of the "Nova" kennels, Berwick, had become President and ably guided the club until 1962 when he was forced to resign because of a pending transfer by R.C.A.F. and *E. St. John Green*, Canning was elected. The membership, although small, is extremely active and enthusiastic, all taking part in the club work, not a few driving round trips of 130 miles to attend the monthly meetings, so that although the club is small it has great ambitions.

"hush" puppy

The use of a puppy symbol by Hush Puppies has contributed greatly to the popularity of Basset Hounds (from 50th to 11th place in popularity in three years). This year The Basset Club of Canada and the manufacturer combined to create a huge bench display at the sportsmen's Dog Shows. *Greb Shoes* supplied the banner and a selection of Hush Puppies coin banks, and plan to cooperate in future Basset Club presentations.

hose in one hand and your tire chain in the other as you amusingly describe how long it took your dog to regain consciousness after being suspended in midair; how many screams it took to get his attention by the effective use of the rubber hose; how many stitches it required to close the gash made by the dumbbell beating; and especially the improvement in your "left handed close-to-the-collar grip" as you hold the hose threateningly behind your right ear. Sounds tricky and fascinating. The author claims "nearly all have been helped mentally" —to devote their lives to their gods no doubt. And when your dog no longer satisfies your super ego there are two alternate sources of disposal—the gas chamber and the oven.

After this basic training, you may want to enter the CKC Obedience Trials, under my judging perhaps. Be sure to check your leash, dumbbell and rubber hose on the table after entering the ring. On the other hand, why bother, my fiend. I have news for you—I can tell you now—you have failed according to the rules. If you inflict pain, be sure you can take it by failing with less than 170 points. Don't kid yourself or believe the author; your dog's eyes and manner towards you are a dead give-away.

If Canada is about to embark on a tough system of dog training, then it is up to Canadian Obedience judges to toughen up their scoring. I'm warning you, I'll be the most unpopular judge in Canada, but the happiest one.

Do yourself a favor. Send me your book as we have a dandy garbage incinerator and I'll forward you a copy of Blanche Saunderson's "Training You to Train Your Dog".

the nuisance tax

... For the first time I renewed my membership in The Canadian Kennel Club —reluctantly.

It stems from the apparent inability of the parent club to do anything re the Ontario sales tax as applied to purebred dogs. The Canadian National Live Stock Records Act lists purebred dogs as live stock. Yet the Provincial Government, ignoring this fact, classifies them as pets and subject to this annoying tax.

We have been regulated or reduced to the status of mutt raisers. They in turn have never had it so good, as the Provincial Government has no way of tracking them down and subjecting them to this nuisance tax.

The small kennel owner and conscientious breeder are the backbone of The Canadian Kennel Club, and yet receive no protection from the tax ... What do we gain?

ALL TERRIER CLUB OBEDIENCE TROPHY WINNER

The first winner of the All Terrier Club
of Canada Obedience Trophy was a
Welsh Terrier, Tyrone Griffith, pictured

here with his owner, Mrs. J. McLeod of
Vancouver. "Grif" was bred by Mr. Wil-

fred Hoy of Saskatoon and trained, owned
and exhibited by Mrs. McLeod. He won
the trophy and earned his C.D. title by
qualifying in three shows in two days, all
with top scores, which is quite a feat for
any breed.

Mr. John Devlin, President of the All
Terrier Club, is pictured above presenting
the trophy to Mr. Vic Williams, CKC
President, who in turn presented the trophy
to Mr. McLeod, on his return to
Vancouver, on behalf of the club.

The trophy is to be awarded annually
to the Terrier, Canadian owned, which
achieves the highest average score in the
three Obedience Trials required to com-
plete its Companion Dog title. The trials
must be held in Canada and under CKC
rules.

Stateside NEWS

Perhaps one of the most significant pieces
of news coming north of the border is
that the AKC has approved a new stand-
ard for the Siberian Husky. The size
disqualification is now by height (dogs
over 23½ inches and bitches over 22
inches) instead of the weight in the old
standard.

Springerites on both sides of the border
can attend an interesting and profitable
weekend on August 9-11. These are the
dates of the English Springer Spaniel
Field Trial Association Specialty Show
and Obedience Trial. Along with these
events will be a trip through the world
famous Cornell Research Laboratory,
where the Forum will be held. The
Specialty Show (judged by Derek Rayne,
Calif.) and the Obedience Trial (judged
by Springer breeder George Pugh) will
be held on Saturday, August 10 on the
campus of Cornell University, Ithaca,
N.Y. The Sweepstakes (judge, Mrs. John
L. Camp) will take place Friday, August
9 and the Forum-Breakfast, along with
the tour, on Sunday.

Changes in two classes, Novice and Bred
by Exhibitor, come into effect June 1.
A dog will now be eligible for the Novice
Class if it has not won three first prizes
in Novice, a first in Bred-by-Exhibitor,
American Bred, or Open Classes, nor one
or more points toward its championship
— all other conditions being the same as
before. The change in the conditions of
the Bred-by-Exhibitor Class will permit
the entry of a dog that is owned wholly
or in part by the person, or by the spouse
of the person who was the breeder or one
of the breeders of record. When the new
rule becomes effective, it will then no
longer be required that the owner of a
dog be that identical person who was the
breeder. Note should be taken that
under the new conditions only registered
dogs are eligible for entry in the class.
Dogs must be handled in the class, as
heretofore, by an owner or a member of
the immediate family of the owner.

The American Bouvier des Flandres Club
was launched at a meeting held in New
York recently with 21 members attend-
ing. Fifty-four applicants were accepted
and the club would welcome new mem-
bers from Canada. The Secretary is Mrs.
Joan L. Doane, 2303 Foster Place, Wil-
mington 6, Dela. A marked improvement
was noted in entries for this breed at
shows held early this year, 11 at West-
minster (four in 1962) and the same
number was entered at Harrisburg with
five at Chicago.

Nine Canadian exhibitors were entered
for the Collie Specialty held at Chicago.

The *Brandon Gun Dog Club* held its annual banquet and presentation of trophies March 16. Glengarvin's Mik, owned and handled by *Cec Leech* of Brandon, won the John S. Matheson Trophy for the High Point Dog In Licensed Trials as well as the John R. Brodie Trophy for High Point Dog in Open All-Age competition. Net's Lakeshore Duke, owned by *Scotty Gillespie* of Ninette, captured the Gus Stone Trophy for the High Point Dog in the Hunter's Stake competition. Rill Shannon's Dark Dell, owned by *Bob Dayton*, formerly of Brandon, Man. won the Brandon Gun Dog Trophy for Informal High Point Junior Stake competition. The trophies were presented by Mrs. Mary Hart.

Left to right: Phil Macmillan, who received the trophy for Bob Dayton; Scotty Gillespie; Mary Hart; Bud Leech, who received the trophies for his father.

Sympathy is extended to Mrs. Nellie Corser, Orangeville, Ont., in the loss of her mother, Mrs. Jessie Ecutt, a genuine lover of all dogs and Shepherds in particular. Nothing was too much trouble for her in the work of the German Shepherd Dog Club . . . And to Mrs. Mary Matchett, Highland Creek, Ont., in the loss of her husband, suddenly, Easter week.

Wins across the border: The Westie puppy, Gallant Lad of the Rouge, (owner Mrs. Dorothea Daniell-Jenkins) after winning his 9-12 months class at the Puppy Sweepstakes of the West Highland White Terrier Club of Indiana Specialty Show at Indianapolis March 23, went on to Best Puppy in Sweepstakes (18 entered, 17 present). He therefore won the John Daniell-Jenkins Memorial Trophy and holds it for a year. The trophy is presented by the club in memory of Mr. John Daniell-Jenkins. It was won last year by a puppy owned by Barbara Worcester. Gallant Lad's sire, Can. Ch. Roseneath Gallant Knight, owned by Mrs. T. S. Adams, won the Sweepstakes award at the same Indiana show in 1961. At the Specialty Mrs. Jenkins' Ch. Mercury of the Rouge took Reserve Winners Dog on a five-point bench.

The Samoyed, Ch. Brem-do's Petarda

DOGS & PEOPLE

Snow, owned by Mr. and Mrs. Bob Bremner, Gormley, Ont., won a Major of five points April 6 and 7 at the Samoyed Specialty, held in conjunction with the International Kennel Club. She moved up to BOS in an entry of 40. Snowcryst Sakel, who took the Breed at Cruft's England this year, is the sire of Snowcryst Adran, male puppy imported by the Bremners from Mrs. R. Lewis, Snowcryst Kennels, England. Mrs. Lewis, well-known judge, is highly regarded for her Poodles as well as Samoyeds.

A letter concerning the problem of surplus dogs, which appeared in the December, 1962 issue of *Dogs in Canada*, was quoted in detail in a recent article entitled "The Animal Kingdom", written for the *Globe and Mail* by columnist Scott Young.

Talk of the Lakehead area, in canine circles at least, is the daring rescue of two German Shepherd Dogs from the Kam River on a recent Sunday. Credit goes to a number of people, but notably to R. J. Cotton who pushed a light aluminum boat ahead of him across thin ice to the nearly perished dogs. And to a small mongrel who tried desperately to help one of the larger dogs out of the water. The story was told admirably by the *Daily Times-Journal* columnist Adelaide Taylor. Members of the Lakehead KC have sent a letter to each of the men who took part in the rescue . . . At Matsqui, near Richmond, B.C., a grateful mother praises Heather, her six-month-old Collie for saving the life of her child. Mrs. William Dawson discovered the pup holding the child by the collar when she slipped into a muddy four-foot deep well. "Heather" (Heathervale's Glory of Robrick) was bred by Mr. and Mrs. Bert Embleton, Richmond, B.C. Mrs. June Buell, Robrick Collies, Reg'd., also reports the death of their Collie, Ch. Alandale Academy Award, sire of six champions and others with points, at the age of nearly nine years.

Jack and Grace E. Probert extend a cordial invitation to all Obedience veterans (seven years and over, and to dogs who will be seven years old in 1963) to attend an All Breed Veterans Match. The event, to be held in honor of the tenth birthday of their German Shepherd, O.T. Ch. Tarzan of Richmond, Can. UDT and Am. CD Tracker will take place in Ancona Park across from the Proberts' home, 249 Finch Ave. West, Willowdale (Toronto) at 2.00 p.m., Sunday, May 26. Two trophies will be awarded, as well as a cash prize, one to the winner in the seven and eight years classes and one to the nine years and over group. No entry fees; entry form could be a birthday card. Guests are invited to bring their own baskets and chairs; refreshments courtesy the hosts.

ringside and do an excellent job of scoring, but be totally lost if he has to call out the orders as well as doing the dozen or so other things he must do, including keeping the scores, if he becomes a judge. The official judge under whom he is apprenticing has no knowledge of the apprentice's ability along other lines than scoring.

Would it not be a good idea if the apprentice, at his final trial, had to handle the whole trial, with the official judge doing the official scoring from the ringside? What do you think? ●

scratched from the National Championship Stake.

F.T. Ch. Carnmoney Carbon Copy B.L.M. (Ch. Broomeroyde Sweep (Imp) ex Penny of Bracken). Breeder, Donald S. MacDonald, owner-handler, Kenneth W. Powell of Edmonton. Score for the year was 22 points.

Nat'l. Ch. Rhett of Coldwater made 18½ points in Open Stakes, but if his National win were counted as either five or 10 points, this of course would put him ahead in points also.

R. K. Moore, Secretary-Treasurer of the National Retriever Club of Canada, prepared and circulated to member clubs a complete chart of Open and Amateur placings for 1962. Dick's contribution of time and work to this project is greatly appreciated. In other years the chart has been done by J. A. H. Irving and T. A. Brown; it is tremendously interesting to Retriever owners, and it is hoped will continue to be available annually.

FATHER AND SON RETIRED

F.T. Ch. Chuck of Bracken was an outstanding competitor and the sire of many splendid field Labradors. The favourite shooting partner of his owner, W. W. Zess, he was trained and run in trials by Jack Smyth and now lives at Jack's Country Club Kennels. A wonderful marker and hard-going competitor, Chuck was top-scoring Open dog in B.C. in 1954. At 14 his hearing and eyesight are failing, but he still really comes to life when he smells a bird.

F.T. Ch. Craigend Rock, a son of Chuck, owned by Jack, was retired last fall in his 11th year. Always a great dog and good friend, Rocky is everyone's pal at the kennel. Rocky's lifetime score of Canadian Open stakes was 71½ points. He was twice top point winner in B.C., and in 1960 top-scoring dog in Canada, winning the Carling Trophy. Rocky will be missed in 1963 competition.

RESPONSIBILITIES OF HOME OWNERS

The Algoma Retriever Club, despite the weather, had winter work parties continuing the improvements to their new estate. One project was the felling of trees to make four rafts to put on the lake to create islands for variety in water tests.

THE LORNA COUNTESS HOWE MEMORIAL APPEAL

Since the death of Lady Howe, her friends and admirers in many parts of the world have suggested that a suitable tribute to her lifetime devotion to the wellbeing of pedigree dogs, and of Labradors in particular, should take the form of some appropriate and permanent memorial.

The object of this appeal is to provide and equip an operating theatre in a Small Animals Hospital at Newmarket, England. Donations may be sent to the Hon. Treasurer, Captain T. L. Lonsdale, Aldermanbury House, Aldermanbury Square, London E.C. 2.

THE UNITED KINGDOM 1962 RETRIEVER CHAMPIONSHIP

Held by the International Gundog League Retriever Society at Sandringham, Norfolk, on December 5 and 6, by gracious permission of Her Majesty the Queen.

Judges were the Hon. Lady Hill-Wood, Mrs. W. A. Fellowes, Major H. Peacock, and Mr. R. A. Baldwin.

Thirty-four competed, of which 27 were Labradors, six Golden, and one a Flatcoat.

Winner: F.T. Ch. Hallingbury Blackbird B.L.F. Mr. Vincent Routledge.

2. Elmroy Dale, B.L.F., Major H. Daly.
3. F.T. Ch. Glenfarg Bunting, B.L.F., Mrs. B. Harcourt-Wood.

Reserve and Diploma: F.T. Ch. Scotney Crickleybarrow Pebble, B.L.M. Lord Rank.

Diplomas: F.T. Ch. Holway Bonnie, Gold F., Mrs. M. Atkinson.

Trentlock Playboy, Y.L.M., Mr. E. Hill.

Glenfarg Skid, B.L.M., Mr. W. G. Mel-drum.

The presence of Her Majesty the Queen, and her very genuine interest in the sport which brings pleasure to so many of her subjects, greatly contributed to making the trial a memorable one.

PLEASE CONTINUE SENDING NEWS

Response to the request for news was tremendous; so much so that not even item of interest could be included in one column.

Especially appealing were statistics and recollections of early trials, and it is hoped to devote a separate article to this subject. (Can someone supply information about the first Golden F.T. Ch. in Canada — and what about Irish Water Spaniels and Flat-coated and Curly-coated Retrievers?).

A RARE OPPORTUNITY FOR A RARE BREED

A WORD ABOUT THE PUPPIES' DAM

The dam has never been defeated in her breed in Canada and on six occasions, on her way to her championship, she placed in fast Toy groups. Twice shown in the U.S. she took the points on both occasions.

AN OAK GABLES' ITALIAN GREYHOUND

Here's a breed that's ideally suited for apartment or city home life. It's dainty, but hardy. It's short-haired—non-shedding and has no doggy odor. It's an intelligent, easily trained dog that has been an affectionate home companion and pet since the days of ancient Rome. You'll be happy with an Italian Greyhound, and we have, at the moment, two puppies available.

(f) *Space* — the greatest offender; 300 words equals six inches of space in print. Secretaries are asked to count the words so that editors do not have to trim.

If you will refer to the April Club Roundup you will find examples of clubs which have usurped much more than the given space. The space allotted to this important department is even now out of proportion to advertising, and few publishers would be this generous. In fact, if space is not governed, Club Roundup could "eat us out of house and home".

So much material of value to all — breeders, exhibitors and individual dog owners — cannot be included because of space given Club Roundup.

Which would readers prefer? We would like to hear from club members and other readers.

FOR YOUR INFORMATION

Exhibitors should be warned that the new ruling for the Bred by Exhibitor class is now in effect regardless of the definition on the reverse side of entry forms. Effective January 1, 1963 the definition for this class is as follows: The Bred by Exhibitors Class shall be for dogs owned AND HANDLED by the breeder.

Other amendments to the Dog Show Rules now in effect are: Any person officiating as Superintendent of a show shall not enter a dog nor handle a dog at the show which he is superintending, and the same rule shall apply to any member of his immediate family residing under the same roof.

Any person officiating as Secretary of a show shall not enter a dog nor handle a dog at the show of which he is Secretary, and the same rule shall apply to any member of his immediate family residing under the same roof.

Any person officiating as a ring steward at a show shall not enter a dog nor handle a dog at the show at which he is ring stewarding, and this same rule shall apply to any member of his immediate family residing under the same roof.

Obedience exhibitors should note that the first four amendments listed above, apply to Dog Show Rules ONLY. The only change in the Obedience Regulations and Standards deals with participation. This new section is Section 14 of Chapter one.

A ruling has come from The Canadian Kennel Club office that an Obedience Trial held in conjunction with a Dog Show, even when held by the same club, is a separate event. Therefore, it would be Permissible for a man to steward in the obedience trial and his wife enter and handle dogs in the show, and vice versa.

Although no ruling is printed in the Dog Show Rules, there is a CKC standing resolution, of some years standing, which permits a dog, of any breed, which has been awarded Best Opposite Sex to receive additional points, if it has come up from the classes to defeat dogs, of its same sex, entered in Specials Only. Providing, of course, that the addition of these Specials brings the total dogs defeated into the next category. For example: a male Boxer has gone BB. The Winners Female has defeated four females for one point and has been awarded BOS over two Special females. She would thus receive two points. If on the other hand there was only one Special female, no additional points would be given, as it takes six Boxers for two

points. (This point example applies only to Ontario and Quebec, but the example would still apply in all parts of Canada with the difference of the number of points awarded).

Dogs in Canada does not mail copies of the magazine to members of The Canadian Kennel Club. This mailing list is kept and maintained in the CKC office. As all wrappers for members' copies are addressed in that office, change of address etc. should be directed to The Canadian Kennel Club, 1173 Bay St. Toronto, Ont.

For many years Canadian breeders consulted and relied on the Complete Dog Book which carries the official American breed standards. Those who have received a copy of the new CKC book of Standards will notice many standards now differ, either in part or in their entirety. A few breeds so affected are: Pointer, Labrador Retriever, Irish Setter, American Cocker Spaniel, English Springer Spaniel, Vizsla, Miniature Dachshund, Boxer, Collie (Rough), Samoyed, Airedale Terrier, Miniature Schnauzer, Papillon, Pomeranian, Boston Terrier, Poodle, and Schipperke.

Now that the show and trial season is well under way, Show and Trial Secretaries would be well advised to see that their returns are in to the CKC office in the prescribed time. Otherwise the CKC will, no matter how reluctant they are to do so, be forced to withhold the date fee. The rules state: The Secretary or Show Secretary of the club holding a show held under these rules shall, within ten days after the last day of the show, send the following to The Canadian Kennel Club:

(a) a catalogue marked with the winnings made in all classes, groups, etc. and also all absentees; (b) an unmarked catalogue; (c) all entry forms; (d) all judges' books; (e) the list of suspended persons as provided by The Canadian Kennel Club; (f) any other information or reports as may be required by The Canadian Kennel Club.

Section 2 of the same chapter: The Canadian Kennel Club may require a show-giving club to provide a report of any matter or matters connected with its show. This must be made within two weeks of the date on which the club receives request for such report.

Section 3: The show-giving club is responsible for the collection of all recording and listing fees, and all such fees shall be remitted to The Canadian Kennel Club within ten days after the closing of the show.

CANADIAN AND AMERICAN CHAMPION ST. AUBREY PERRI OF ELSDON

Pictured above winning Best of Breed at the Bremerton, Washington All Breed Show, March 24, under Judge, Major B. Godsol of Dixon, California, handled by Mrs. Arlene Albrecht. He went on to take 2nd in the Toy Group. This completed his American Championship, going from the Open Class over two Canadian, American Champions.

Purchased at ten months of age from Mr. Nigel Aubrey-Jones, he is now just over two years old. "Perri" will be shown quite extensively in Canada during 1963.

and the Canadian W.H.W.T. Clubs for 1962. We currently have five stud dogs available, combining the finest in Canadian, American and English bloodlines. Pedigrees are available on request. Several litters are expected during the early summer months.

Kennels of the Rouge also feature a few Bullmastiffs and Papillons, in both of which breeds our dogs did extremely well in the past year, and puppies have been placed for breeding in the U.S. and Canada.

The Papillon, Can. Ch. Ringlands Haute Ecole, was imported in March 1962, after spectacular puppy wins in England. She was rated best Papillon in Canada for 1962, her wins including two 1st in Group, three 2nds, five 3rds and four 4ths. She now also has seven points and one 4th in Group in the United States and has produced a very promising litter by our Belgian stud, Hipi of Milton. A Bullmastiff puppy, Ambassador of the Rouge, owned by Mathew Knapp, Jr. of Williamsville, N.Y., was Best Puppy in Sweepstakes (17 puppies competing) and also WD for five points and BW at the American Bullmastiff Association's sixth Annual Specialty at Westchester, 1962.

The Kennels are situated on Hwy 2, one mile east of the Sheppard Ave. Cloverleaf at Hwy 401, and 17 miles east of Toronto. Visitors are welcome. Tel. 282-7934 (thru Toronto).

Sportsmen's Shows

from page 17

before speaks well for the ingenuity of the dog show Committee. Perhaps it would behoove all of us to stop and consider the expenses involved in putting on this large show, or any other show. Here there was rent, heat, a staff of Pinkerton agents to guarantee that your dog was not stolen, the staff of clean-up men whose duty it was to keep the washrooms in spotless condition as well as the general show area, the banks of trees surrounding the exercise rings. These considerations are what constitute a great show as compared to a good show.

Additionally, there are printing expenses, trophies, recording fees, judges and veterinarian fees, ribbons, postage, telephone, and many, many more items too numerous to mention.

This show or any other show, cannot operate at a loss indefinitely. The individuals who directly benefit — the exhibitors — are obligated to pay their own way.

It is of interest that the Sportsmen's Show is organized by a voluntary group who put in many months of work during the year for which they receive no remuneration. Our congratulations to these dedicated workers for a Canadian show with the highest 'international' standards.

THE BEST OF VARIETY

It's a dog's life

On hearing dogs barking in the distance, my married daughter, who lives on a farm, checked her kennel to find her two ten-month old Elkhounds missing. Grabbing leashes she took off over the fields and through the orchards in the direction of the sound. She stopped short and realized the barking wasn't being done by her dogs when she came upon her two, carefully and silently herding a sheep toward home. Some distance through the trees she noticed a farmer approaching with gun in hand so she leashed her dogs and ran for their lives. She nicely got the dogs in the kennel and herself in the house when the farmer, still holding the gun, knocked on the door and asked; "Lady, did you see a 13-year-old girl with two dogs run by here?" She truthfully answered that she hadn't, closed the door and leaned on it hard.

This may sound rather fictitious but it actually happened recently. My daughter is 23 but can run like a 13-year-old!

Mrs. J. Terelly, Vakker-Lund Kennels, Gravenhurst, Ont.

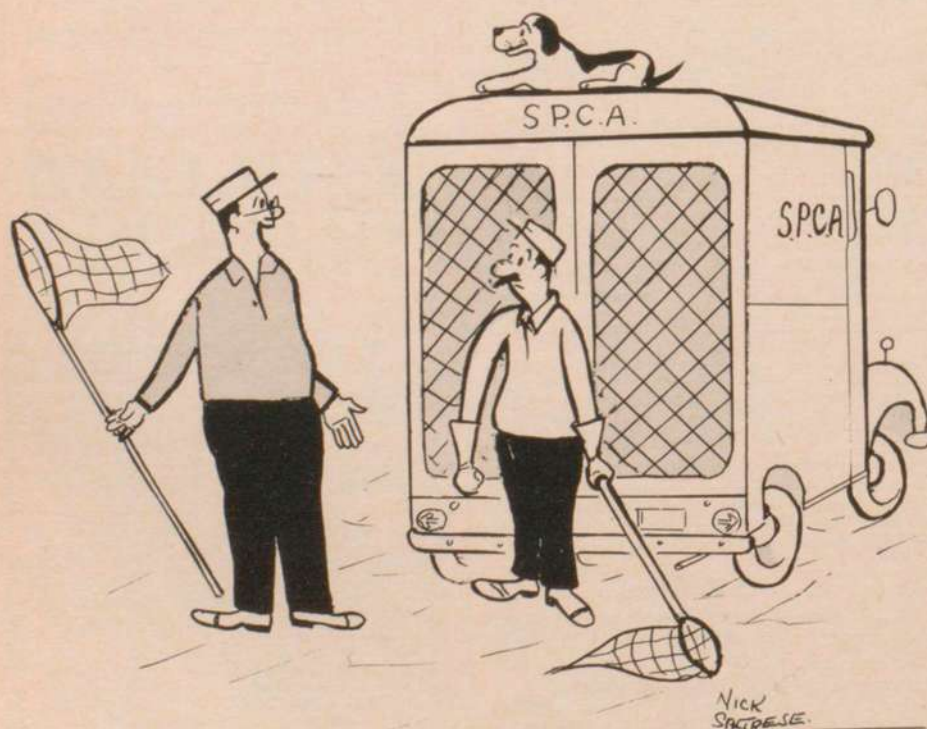

Five Dollars will be paid to the sender of an authentic anecdote selected each month to appear in this department. Items, which must not exceed 150 words, may tell of an heroic action, an hilarious incident concerning your dog, or describe an incident where a dog used real ingenuity to solve a problem. Items submitted cannot be returned unless accompanied by a stamped self-addressed return envelope. Address, "It's a Dog's Life", Dogs in Canada Magazine, 1173 Bay St., Toronto, Ont.

Wife, answering late call: Do you need my husband's services as a sheriff or a veterinarian?

Voice on phone: Both, mam, but tell him to hurry. We can't get our dog's month open and there's a burglar in it.

Nothing brightens up a house
The way a puppy will;
I realize it every time
We get a cleaning bill.

Of All Things Department

The natural sound of a wild dog is a howl — not a bark. Barking is an acquired form of canine civilization.

It has long been said that the ratio of human life to a dog's is seven years to one. But consider this: a canine is capable of reproduction at 12 months (if not earlier) and a seven-year-old human is not. In development a year-old dog corresponds with that of a 16-year-old person; a two-year old dog to a young man or woman of 24 years and a three-year-old dog to a human being of 30 years. A dog four years of age compares to a human of 35. From the age of four years, every subsequent year of a canine's life is equal to five years of a human life.

Dog shows are not as old a function as one might believe. The first ever held in England was in 1859 at Newcastle-on-Tyne. The first dog show held in North America took place in Chicago June 4, 1874. The total entry of 21 was entirely composed of bird dogs. About a fortnight later plans were made to hold a show at Oswego, N.Y. This was promptly cancelled, as the total entry of three dogs provided little competition.

Only dog we know of to hold a membership in the American Federation of Musicians: Jo Stafford's Poodle, "Beau".
