Kennel Tests Prove New Burgerbits gives dogs the taste they really like...the solid nutrition they need.

The Great New Taste* of Burgerbits

now in "flavour-kernel" form

Here's the dog food that kennel tests proved superior to all others in palatability and nutrition.
Dogs tested preferred new Burgerbits . . . thrived on new Burgerbits.
Here's why:

Increased Fat Content, with an improved fat-protein ratio, gives unsurpassed palatability, maintains glossy coats and healthy skin, helps prevent shedding.

New Flavour-Kernels. Smooth preformed kernels of uniform size and shape eliminate jagged, uneven particles and dust of ordinary dog foods. Spray coating of natural meat fats locks in flavour, protects nutrients.

Aids Digestion. New Burgerbits is expanded to gelatinize starches for easier digestion.

Less Porous. Crunchier consistency helps keep teeth, gums and jaw healthy . . . absorbs liquids without getting mushy . . . feeding pans clean easily without scraping or scouring.

Exceeds NRC Requirements for daily nutritional intake, providing a complete and balanced diet.

Feed Dry or Wet. Kennel tests prove that many dogs prefer Burgerbits dry. Fed wet, Burgerbits retains the crunchy texture and meaty aroma dogs really enjoy.

Special Professional Discounts. As with all of Dr. Ballard's Dog Foods, new Burgerbits carries a special Kennel Discount. Your local representative will be pleased to provide you with details.

cover story

Ch. Clarkdale Capital Item (Benny) was whelped April 7, 1961 the property of Mr. and Mrs. Leslie Clark out of Ch. Clarkdale Collector's Item and sired by Ch. Har-Dee's Hell Bender's 2nd. Mr. McNamara subsequently purchased this dog who was expertly handled in the ring during 1962 by Walter Martin until Mr. Martin suffered a heart attack. This year he is being handled by Mrs. Lorna Jackson. "Benny" was awarded the distinction of being top Cocker for 1962. During the period from April 14, 1962 to date he has won one Best In Show and placed in the Group 24 times, 13 of which were Group 1sts. He went BOS at the Specialty show last fall (Thornhill) with Mrs. Martin handling.

His son, Gil-Mac's Morning Star (Buddy), was born July 25, 1962 and is out of Ch. Mele's Dream who is a granddaughter of La Paloma's Dream Boy on the maternal side and Ch. Taylor's Dark Night. This young male was first shown at Chatham this year and was awarded BW both days. Subsequently, he was shown at Peterborough and Ottawa where again he was awarded BW and two Best Sporting Puppy in Group at the Ottawa shows. At London he was 1st in Group and at Sarnia placed 2nd in Group and took BCBP in Show. A litter brother of "Buddy" has been sold to Mr. and Mrs. Walker, of Saskatoon, where he is being shown this year by Mrs. Pat Randall.

Pups are expected by a daughter of Can. Am. Ch. Sportsman (Gil-Mac Shining Star) sired by Ch. Clarkdale Capital Item. Inquiries may be directed to Mr. McNamara at 68 Gilchrist Ave., Ottawa 3, Ont. Telephone 728-6710.

In addition to the above mentioned dogs Mr. McNamara owns a black daughter of Am. Can. Ch. Clarkdale Recap who is now in whelp; a black and tan Kobbytown female sired by Can. Am. Ch. Leelon's On Parade and a silver bitch daughter of Ch. Biggs Snow Storm. He intends to maintain a small kennel raising mostly blacks, with a few buffs. •

posies for mr. pym

. . . In glancing through your interesting Anniversary issue, I noticed on Page 44 — Breed Trends, The Cocker — a statement which is not quite correct.

As an exhibitor at the Morris and Essex Show of May, 1939, I remember standing in the crowd to watch the judging of BIS. All around one heard remarks such as "Of course it will be Nornay Sadler again". "He wouldn't dare to put Nornay Sadler down," nor will I forget the shout that went up when My Own Brucie was handed the award.

"Brucie" had been shown under many judges, but it took a Canadian judge, W. H. Pym of Vancouver, B.C. to recognize his quality, and it was from there on that the Cocker popularity grew so rapidly.

many happy memories

. . . Reading The Canadian Kennel Club story sure brings back many happy memories and somehow does not seem so terribly long ago. Although I have quite given up both breeding and exhibiting I remain tremendously interested in all doggy affairs.

On page 63 of February *Dogs in Canada*, I note you list the first registered English Toy Spaniel 53352 as of March 15th, 1926.

Enclosed is an old registration, evidently not the first as Wangza Blossom 21124 was the dam, and possibly Wangza Miss Springtime was even ahead? Both bitches had puppies I unfortunately do not remember, but all registered before 1926. Of course my name then was Miss C. J. Laviolette. If at all possible would appreciate the correction in *Dogs*.

MRS. C. DE P. DONIPHAN

Montreal 28, Que.

The pedigree enclosed indeed showed Miss Cherub of Wangza (22527) Female to have been born April 30, 1919 and registered by breeders Miss C. J. Laviolette, Wangza Kennels, Longueuil, Que. Which also points up Mrs. Doniphan as one of Canada's great, long-time breeders. —Ed.

. . . You really are to be congratulated on the very lovely 75th edition of *Dogs in Canada.*

One thing I don't understand is the "Breed First". The way I understand it is that the Dachshund Standard Smooth, namely Badmush of Joyce (175509), was the first registered in Canada. . . I myself registered about 50 Standard Smooth Dachshunds before the above dog was born.

Among my early registrations was one as early as 14,0617. My Ch. Heidi Hitlerin of Jonedith (133689), who received her championship sometime in 1937 or 1938. Ch. Gretchen V. Sunnieholme (142206) won 2nd in the Open Class with an entry of 289 Dachshunds in what was at that time the world's largest show, with over 5,000 dogs entered — the Morris and Essex Show in 1939. I have the catalogue if anyone is interested in seeing it.

Another "first": the first Dachshu Club of Canada was founded in 19 Our Honorary Member was His Exc lency, the Governor General, Lord Twe smuir. Mrs. O. Hanson was President.

MRS. LILLY TURN

St. Catharines, Ont.

We promptly checked with the pers who compiled the information on Bre Firsts. The Standard Smooth Dachshu named in the February issue was appa ently the first dog registered under th name for the breed. Prior to this the were merely Dachshunds, regardless coat or size.—Ed.

more on "kerry quality"

. . . Re the letter, "Kerry Quality" in you April issue . . . I do not believe anyon can really deny that the Kerry Blu Terrier in Canada has lost a great deal both in quality and quantity, with th death of Mrs. McEachren and the dis persal of the Tailteann Kennels. The im pact of this kennel can easily be seen b noting that every winning Kerry that Mr. Wright mentions has Tailteann breeding in its immediate background.

Secondly, the fact that Mr. Devlin has not judged Terriers extensively would not prevent him from assessing the quality of the Kerries at the shows he attends. I do not feel it is my place to defend Mr. Devlin, but I do resent the implication in the third paragraph, the reference to Edmonton and the inference that Mr. Devlin should not base his assessment of "the quality of dogs in the rest of Canada" on what he has seen in this area . . .

memo
FROM THE EDITOR

JUNE—one of the lovliest months of the year—and for dog folk, one of the most exciting. The show season is well under way, and frankly, we're wondering how you're enjoying it. You—and the thousands of competitors across the continent.

Do you take shows seriously? If the answer is yes, that's good. *But do you take yourself too seriously?*

Do you really like going to dog shows? The excitement of bringing a dog along, through conditioning, training and the final presentation? And getting ready for the trip?

And when you arrive, do you enjoy the greetings of old and new friends, the thrill of "setting up" and seeing the hundreds of other dogs in the various breeds, the cream of the kennels. And noting eager, affable puppies on the bench and a sudden inner thrill as a hunch comes to you. You're really no judge of other breeds, you say to yourself, but by gosh, that youngster looks like a winner! And did you ever, just for the fun of it, watch the career of that puppy, and sure enough it did grow up to be a great winner?

Haven't you, a thousand times, done your own assessing at the side of the ring and found you'd picked the winner, time after time. Don't you often think, pity the poor folk who don't know anything of this way of life, this crazy lose today, win tomorrow life?

Or do you go to a show, prepared to lose, expecting the judge will have some favourite despite the quality of your dog, or figuring so-and-so will have his champion in and you don't stand a chance?

People are on exhibit every whit as much as their dogs at a show. Although the dogs earn the ribbons, exhibitors have much to lose or gain personally, by their good or poor display of sportsmanship, goodwill and attitude.

Have you ever gone to a show as a spectator? No dog to prepare and be concerned about, no axe to grind – and listened to the "gripes"? Or observed the grim expression of many of the exhibitors?

Truly—would you believe this to be a sport? Where is the friendly bantering —the fun of the game?

In this country, if an exhibitor offers his hand in congratulation, it's almost one for the books. Yet even in national hockey league games, where not only the coveted cup but large sums of money for every player are at stake, it's customary for the losers to congratulate the winning team. The anger or disappointment may be released in the locker room, but not on the ice.

As this letter is signed by the president of the Kerry Blue Terrier Club of Canada, I feel it cannot be ignored and, using Mr. Wright's own words, I would ask him to "investigate the records more carefully".

Since February of 1960, Kerries have been entered in 47 shows in Alberta. In this time only once did the breed fail to place in the Terrier Group. For the record, Kerries won 29 Firsts in Group, 14 Seconds, two Thirds and one Fourth. Best in Show awards were won by Am. Can. Ch. Tailteanns No Regrets and Ch. Tailteanns Nickeys Girl. The Ken-L Ration awards for the top winning show dog of any breed (Praire Province Region) was won in 1962 by Am. Can. Ch. Tailteanns No Regrets, and in 1962 by his son, Ch. Walmars Rob Roy, CD. I might also point out that the bitch he mentions, Walmars Irish Gleam, is a Can. Am. Champion with Group wins in both the States and Canada.

I will concede that we lack quantity in the west, but the only example I know of where quantity is of more importance than quality in dogs is in the Kennel Club's point system of awarding championship points. Maybe this is a good thing, for in our less common breeds we must strive to breed dogs of sufficient quality to win groups or Best in Show in order to get more than one point at a time.

mr. o'brien's obedience column

. . . We believe there should be something done to revise the Rules and Regulations for Obedience work, especially where the "handlers" are given too much leeway. In the heeling exercise (on or off leash) the average person walks at a fairly regular pace while others, with smaller dogs, immediately upon entering the ring, adapt themselves to taking small "pin steps" in order that their dog can keep pace with them. The smallest of these dogs could outwalk or outrun their handlers anytime. These people would not normally walk this way — why then, in the ring?

Stand your dog" in UD work: We think a signal should be given the dog to stand, from either a sit or down position, not just stopping your dog while it is heeling with you. Signals are supposed to be given with hand or arm only, but there are a lot who give body movements too.

Re the last order given by the judge — "halt, send your dog". Why, then, are the handlers turning completely around before sending their dog, when the order given was halt? Another thought: all judges should deduct the same number of points for each infraction of a rule.

We feel honoured that there are still Old Timers around like Ed. O'Brien who are trying to make "Obedience work" what it should be and play the game as it is laid down in the regulations . . . From two of your grateful "dog fans" who are fairly new to this dog game.

something to think about

. . . A few thoughts to share with CKC members . . . It has been brought to my notice that the forms put out by the CKC or Ottawa are no longer acceptable when selling an unregistered pup from a registered litter. I can see some members of the CKC who have been trying to up breed type, drooping their membership,

the old timer

The Old Timer was looking tanned and fit as I watched him come down the ramp from the aircraft. Fed up with the long winter he'd taken off a month earlier to say "hello" to spring in Italy and to visit friends in the United Kingdom.

"Straight home?" I asked as we cleared his bags through customs "or do you want to stop some place and eat on the way?"

"Eat?" he asked. "The only thing I'm planning to eat for the moment is humble pie."

"Still suffering a little airsickness?" I asked.

"Nope, just kicking myself for jumping to conclusions on too little evidence."

"All right," I said "Give. Let's have the story."

The Old Timer lighted a cigarette.

"Cigarettes?" I asked. "How come."

"They were free on the aircraft," he said "and I intend to smoke them. But let's get back to humble pie. Remember when I was in England a year or so ago and I attended an open air dog show and I commented that I was not impressed by the quality of the English dogs that I saw. Well I'm taking it all back."

"So you've seen the light?" I asked "and what caused that."

"A proper English show," said the Old Timer. "I spent yesterday and the day before yesterday at Cheltenham in Gloucester—the first English outdoor show of the year. A total of 5,903 individual dogs. A total of 10,586 entries. Frankly we've nothing like it on this continent. The Old Morris and Essex show was a reasonable approximation and Cheltenham and Westchester are very similar — except that Cheltenham had just about twice the number of entries."

"And you saw some good dogs," I asked.

"Plenty, but mind you I also saw some bums. The classes were out of this world. Imagine, if you can, an all breed show on this continent with over 400 of the various varieties of dachshunds — 165 of them the two varieties of Miniatures. Imagine seeing 20 Great Pyrenees in a ring at one time in a single class or about 45 German Shepherds out of a total of 249 dogs. How long since you've seen 122 Fox Terriers at a show on this continent or 127 Cairns. Think of the job of a judge with 149 Pekingese or 145 Labrador Retrievers. And there was a total of 399 Poodles, 206 of them Miniatures and another 163 Toys. Man, those are entries!"

"And what was your impression of the quality," I asked.

"They are good dogs," he answered. "I was particularly impressed however by the terriers. I saw many, many Wires that would be top winners in this country. And I saw Airedales — 42 of them—the like of which we haven't seen on this continent for years. And the Irish Terrier is making a comeback. Here we see few of them. At this show they had 34.

"What about the Working breeds," I asked.

"I liked the Collies and the Shetland Sheepdogs—incidentally there were 114 of those. I saw some good Alsatians and I saw some bad ones—as you'd expect with 249 of them on hand. I saw some beautiful bodied Boxers in the 143 of these that were entered but to me the heads were a little more Bulldoggy than we like them on this continent. The Pekes of course were a show in themselves and if Bill Taylor draws the same kind of entry when he does the Windsor, England show in June he has a busy day ahead.

"And here's a prediction. If the trend in England forecasts a trend in this country and in the United States then I'm convinced we'll see more of one particular breed—the Cavalier King Charles Spaniel. There were 117 of those entered and the way they were set down they are a mighty attractive little dog. And another prediction—we might soon be asked to recognize a new breed.

"And that one?" I asked.

"The Finnish Spitz," said the Old Timer.

"Never heard of it," I said.

"But I think you're likely to," said the Old Timer. "While in general apperance — except for color — they are very like our Siberians — they are a deep mahogany red and they're not a sled dog but a hunting dog and according to the standard they are noted for their ability to scent game. There were 37 of them at this Cheltenham show — and by the looks of them they are breeding true. I'd guess we'll see them in Canada some day soon."

"And anything else?" I asked.

"Yes," said the Old Timer. "Here are the catalogues. Look at them yourself but in the meantime get me home. I'd like to take a look at my own dogs again and see how they stack up against what I saw in England."

OBEDIENCE

Ed. O'Brien, Canfield, Ont., is well-known as Canada's leading professional trainer of dogs in Obedience work. He is a licensed Judge, one of Canada's first. He began his career in the West, training dogs for herding and other farm work. Since moving to Ontario he has specialized in training dogs for police and guard work and for disabled people. Mr. O'Brien also breeds German Shepherds and Dobermans.

TEMPER OR TEMPERAMENT?

Not long ago, our advice was asked in connection with the training of a nine months' old Pekingese, who apparently dislikes everyone. He resents anyone coming close to his bone, and will not allow anyone but his owner to pick him up. The question asked was: "How can this young rascal be taught to behave like a nice dog?" The answer could be: "It can't be done. He simply is *not* a nice dog." But more of that later.

Without actually seeing the dog and his owner together, it is hard to say definitely where the trouble lies, so we are left with the problem as stated by the owner as our only guide. In his letter he says: "A strap is kept handy to discipline him. When anyone approaches his bone he will growl, and then snap at the strap several times."

On the evidence, I would say that this dog's owner may be afraid of him, otherwise, why the strap at all? Certainly, having a strap in the hand will only encourage the dog to become *more* aggressive, rather than less. Usually trouble of this kind starts with some show of crossness while feeding. This, then, is the time to deal with the problem. While the pup is still small, his feed dish should be picked up with no hesitancy and perhaps moved to another spot. A bone should be taken from him and given back later, so he becomes accustomed to others handling his things.

In this case, we have an almost fully grown dog, with a well-developed bad habit, which must be corrected. I would suggest, first, that the strap be thrown away. Second, that a course in Obedience training should be started at once. This would benefit both dog and owner: the dog will learn discipline and the owner will lose his fear of the dog. Rather than using the strap, it would be better to don a heavy pair of gloves and then pay no attention whatever to any show of aggression, but simply force the dog to obey the command.

Coming back to the "nice dog" bit, leads me to something I feel very strongly about, the question of temperament, and with it, intelligence. I was very pleased to find Mrs. Ken Ellis, writing in a recent issue of *Dogs in Canada*, stressing the importance of good temperament and intellect in Poodles. The popularity of several breeds was built on ability to work intelligently. They were admired because they had sound minds and nerves, as well as bodies. In the early days, working ability was the first consideration in the breeding of dogs; it was only later that show points became of paramount importance. Most unfortunately, in my opinion, this has developed to the point that in some breeds the well-balanced dog has become the exception rather than the rule.

The prospect for the future is not altogether a bleak one, however. It is encouraging to note that in the past few years there has been a marked improvement in temperament, and I believe that Obedience Trials are responsible for much of this. For example, shyness and softness cannot be covered in a trial to the same extent as in the show ring. Nevertheless, we still have a long way to go. There are still too many shivering, unsure, nervous dogs, and it is up to the breeders to do something about it.

Those of us with training experience know that the best of dogs can be ruined by bad handling, but we also know that no trainer can change the moron to an intelligent dog. Breeders should stop trying to put their breeds over on the reputation of a few outstanding individuals . . . some of whom have been dead for years . . . or continually pointing out that the breed excells in some special field when actually only a small percentage have proven able to qualify for the special lines of work named.

To those interested in obedience training I advise caution when buying a dog. You expect to give your time and to put your very best effort into training your new pup, so you may as well have good material with which to work. My advice is to have nothing to do with the puppy who shows nervousness or fear of strangers. If the puppy, no matter how engaging he may be in appearance, is not bold, confident and happy, he will be a disappointment to his owners as long as he lives. ●

SPANIELS

IN THE FIELD

George Tabner, a well-known breeder and exhibitor of Springer Spaniels in both show and trial, is a firm believer that show Springers must also be able to give good account of themselves in the field. He is President of the English Springer Spaniel Club of Canada and sparked the establishment of Ontario's only Spaniel Specialty Show for all Spaniels.

Spaniel Field Trials appear to be on the decline in Ontario. This area has been the only part of Canada in which trials for these breeds have been held for several years. The 1962 trials planned by The Sudbury and District Kennel Club were cancelled due to insufficient entries in the Open All Age Stake to award Championship points. The English Springer Spaniel Club of Canada was unable to hold its regular trial in September. This club, the oldest of the five holding annual trials, was not able to raise a sufficiently active committee to undertake the trial, and in addition was not able to secure grounds suitable as a trial site.

This year, the Western Ontario Spaniel Club had great difficulty locating fields with sufficient space and cover to hold a trial. With 28 and 29 entries in their previous trials, Open Stake, it was decided to hold one trial over two days to enable more complete testing of the dogs. Entries dwindled however, to a mere nine starters in the Open held April 20 and 21. Many regular competitors at every trial in the past six years were very noticeable by their absence. This applied equally to both American and Canadian entries.

Clubs themselves have declined, with less members every year rejoining, and no new faces to replace the old ones. The E.S.S.C. of C., is very near to, if not completely, defunct. The W.O.S.C., is down to about three couples from a membership of around 40 people some few years ago.

The newest club, The Central Ontario Spaniel Club, seems also to be having a difficult time. Secretary Les. Bunker reports trouble getting permission to shoot on Sunday, also a shortage of pigeons and pheasants. Both birds are used to train dogs, but are becoming more scarce and expensive.

This rising cost of training, plus the amount of time necessary to keep a dog in proper competitive form is forcing many to drop out of the sport. In the United States many others are being forced out by the persistant winning of highly paid professional trainers employed by more wealthy patrons. The *A.K.C. Gazette* has carried many comments lately on the decline of Field Trials, especially among the Cocker fanciers. The last two years have seen the introduction of an Amateur Open All Stake as a means of bolstering competition on the do it yourself level.

So much for the past. The Spaniel Field Trial Association (of Ontario), has announced plans for the 1963 National Championship Stakes. These are proposed to be held in the London area, on dates yet to be decided. Judges proposed, subject to C.K.C. approval, are both well known active competitors on both sides of the border.

Sudbury and District Kennel Club plan two trials for August 17 and 18. The St. Catharines area will be the site for two proposed trials of the Niagara Springer Spaniel Club Inc., on September 28 and 29. The Central Ontario Spaniel Club's two trials should be held by the time this appears in print.

Just what the future holds is of course difficult to predict. It has been suggested that we should be holding more picnic trials or fun matches. This might give the beginner an opportunity to bring out his dog, win some minor event, and thus be encouraged to go on into more serious competition. The Central club has found this method produces new members. Certainly you cannot expect other people to run trials year on year for your pleasure, with no help. Except for an entry many "supporters" of Spaniel trials do not do anything to promote the chosen sport. The amount of paper and leg work involved in running a trial is only appreciated by those who have had the chores. Many hands make light work, so goes the old saying. From my observation there are never too many hands working at any trial. They have all suffered in quality as a result.

Breeding of purebred dogs, dog shows, and Obedience trials are all at a high level of popularity. So also are Field Trials for other breeds on the rise. Why then are not also Spaniel Field Trials gaining ground? Is it BECAUSE OF YOU?

Extreme horror of cruelty is the mark of the spiritual man. — G. B. Shaw.

Pity dwells never within a fool, but in wise men. — Euripides.

TWO OBEDIENCE TRIALS on SUNDAY JULY 21st

Show Talk

An on-the-spot report of some recent shows — and Canadian triumphs at Chicago.

THE ST. CATHARINES KENNEL AND OBEDIENCE CLUB
once again held their annual show in the Community Hall, Merriton. It is a clean, light, airy hall lending itself well to a small show. The entries were down somewhat due, perhaps, to the great Chicago International which was taking place on the same day. This small club, primarily interested in obedience, has demonstrated what a few members can do when all join together in one concerted effort. Besides supplying the usual officials, club members also manned their own canteen. Ring stewards, the only outside help required, were all capable and efficient.

THE KAWARTHA AND DISTRICT KENNEL CLUB
held their annual show in the armories at Peterborough. Here again members conducted the show in a smooth manner. The Obedience Trial attracted a good entry which helped to bring the total up over previous years. The hard working MacDougalls (Dr. Allan and Helen) were the mainstays, but each official had their duties well under control. The display put on by the Saluki Club was very colorful. It is most effective when all entries in one breed are together in one area. Both of these clubs are up and coming and we anticipate their substantial growth in the very near future.

THE LADIES KENNEL CLUB OF CANADA
one of the oldest clubs in Canada, tried something new this year, in having a local Show Superintendent. The show is one of the few benched shows which gives the 'Super' bigger and better problems. The idea of the obedience trial being held upstairs was a good one, leaving more room on the general floor area for the benching and the conformation rings. As is the custom in Montreal, the trophy table was heavy with glittering trophies. The Dominion Collie and Shetland Sheepdog Club (Quebec branch) held their Specialty Show after the completion of the All-Breed show on the first day. Although entries were not what they had hoped for in quantity the quality was obviously outstanding.

During the show it was announced that The Ladies Kennel Club would be changing its name in the near future. The constitution has been, or is presently being, revised to accept male members. Good luck!

THE OTTAWA KENNEL CLUB
held two shows in the Coliseum, Lansdowne Park, in Ottawa. A show held on a Friday would make most clubs hesitate, but this does not produce panic in this hard working crew. Although the entry was not large it was large enough, when run the day before another show, to warrant the trouble and expense. Lorne Moore (an old Cockerite) does an excellent job of Superintending along with his right hand Phyllis Jackson as Secretary. Dinny Hayes gives his able support and the trio conduct a show far above average.

CHICAGO REPORT
When the showy Boxer, Ch. Treceder's Painted Lady, captured her 21st Best in Show April 8, she became the second Boxer to win top honors at the famed Chicago International Show.

Painted Lady was selected by Judge Percy Roberts over Ch. Wakefield's Black Knight, winner of this year's Westminster show. She also by-passed the Miniature Pinscher, Ch. Rebel Roc's Casanova Von Kurt, who took first in Group V at Chicago last year and First in the Group at Westminster this year.

"Lady" was discovered not long ago by her present owner, Donald Smith of Columbus, Ohio and has taken one show after another. At a club dinner at the Steak and Sirloin Club it was announced unofficially that she was top U.S.A. winner, all breeds for 1963, to the end of March, with 12 BIS awards in the first three months. This three-year-old Boxer was the talk of the show — in view of the fact that less than a year ago she was in an automobile accident in which her handler, Joe Gregory and Burr Long, were seriously injured and two dogs were killed.

The huge event, with its 20 rings and 20 well-known judges, was finished in amazing time, which allowed most out-of-town spectators to stay for the final judging.

Largest among the United States 900 dog shows, with an entry of 2840 dogs, the 12-acre International Amphitheatre, (largest exhibition building in the States) was jammed with spectators. Talking with officials, *Dogs* learned that even they were astounded by the gate.

In entries, the Terrier breeds drew exceptional numbers, with Miniature Schnauzers leading in this group with 103. The Working Group also drew formidable numbers, including 103 Great Danes, 159 Collies and 105 German Shepherds. Remarkably, Chihuahuas led the Toy breeds with 54 entered.

TRIMMING YOUR SPANIEL

Tricky, but not terrifying when you know how, says Walter Martin, one of Canada's best-known handlers.

With a mound of clay the sculptor is able to mould the likeness of the subject of his choice. From a bolt of cloth the tailor is able to cut and shape a suit or dress. The sculptor in his work uses a model of his chosen subject: the tailor will use a pattern and measurements.

In the case of a dog trimmer he has before him the dog with a mass of hair. He does not have before him a model nor does he have measurements or a pattern to go by. His job is to create this dog into one that appears to be one taken from the book of standards. As no two dogs are exactly alike, therefore they will not be trimmed alike. This means only one thing—the trimmer must have a good knowledge of the breed he is trimming if he is to gain near perfection when finished.

As opinions on dogs differ so does the presentation of them differ due to the different interpretation of the standard. What is written here is the system I have used for over 20 years, learning from my first dog until the present day. Much of this I learned from breeders and handlers I met from my first show on; some I have gained through experience.

Preparing an American Cocker Spaniel for a show, I first select the tools to be used. These consist of electric clippers with a set of #10 blades, also a set of #15 blades, a pair of thinning shears and a pair of straight scissors. Needless to say, these should be in good condition as dull tools will have dull effect on your work. At this point I am sure the "old timer" would frown as he accomplished this task with a pair of scissors and a stripping knife. These men were experts with these tools but I am afraid the use of the stripping knife is a lost art with many today.

The next step, groom the dog thoroughly but do not bathe. Study the dog, find his assets and faults as one should be accentuated and the other hidden as much as possible. We are now ready to begin trimming, keeping in mind we want this dog to look as near perfection as possible. Using a #10 blade start with the ear at a point a little better than ¼ from the top, going against the lay of the hair. This can be tapered to blend with the long hair by running the clippers with the lay of the hair. Be careful and do not go too far down the ear.

The fold of the Spaniel's ear from the skull down the front of ear should be close and also blended as not to create start and stop or cut of appearance. Also clean the underside of ears; this can be taken fairly close well down the ear. When finished, the ear should have the appearance of a bell. With both ears finished then start on the underside of neck still using #10 blades and running against the hair. As the neck of the Spaniel should be a good length, here is where trimming can do a great deal for the dog. If the dog has a good neck then bring this out in your trimming; if he is short in neck then trim so it appears longer than it really is. This can be done by starting at a lower point. A good neck, you would start at a point a little above the breast bone and continue up and including the lower jaw. The next step will be the side of the face and up the side of the head. If the head is thick or skully then take as close as possible. If the head is too fine then do not take as close.

The "Cocker" should be well chisled out under the eyes down to the start of the muzzle. This you can do by now using #15 blade removing as much hair as possible without giving a shaved look. The nose also should be taken down very close, running the clippers against hair and continuing into the stop; make the stop as pronounced as possible without running up the skull as you want the stop to create a clean break giving the profile a square look.

CLIPPING YOUR POODLE

Phyllis Laventhall, breeder and beautician, tells how Poodle elegance is achieved.

I wish to explode the myth that pet Poodle puppies should not be clipped professionally before they are a year old. It has been my experience that a pet Poodle puppy that has been gently and carefully clipped at the earliest age of 6–8 weeks prior to being shown to a prospective buyer, and then clipped again within four weeks, accepts grooming graciously as he matures and is never nervous or frightened of the sound of electric clippers.

It is extremely important for pet owners to be informed that their puppy should be groomed very regularly during puppyhood so that clipping and shampooing does not come as a shock to him and he grows up accepting and enjoying his visits to a professional groomer. To look perfection itself a Poodle should be clipped and shampooed monthly, but this can be costly if you have not learned to clip your Poodle yourself. To keep him looking as a Poodle should, he should not miss his visit to the beauty parlour any longer than three months.

How to clip your puppy, when he is only eight weeks to four months old? He will only require his paws, face and tail clipped and a shampoo if necessary, as well as thorough brushing and combing. His ears have to have the soft, fluffy hair removed from the outer channel, and his nails must be kept cut back, so that he will not get sore toes, or wreck your rugs and nylons.

From four months of age, if you decide to have him clipped in either a Dutch trim or a Sporting trim (also called "Town and Country'), you should have his soft body coat tipped down from a half to two inches. If he is put into a Dutch trim too quickly you will be disappointed because the coat does not have enough body and will droop and not hold a neat pattern. I personally consider that a young puppy should have his coat tipped two or three times before a pattern is set. You will be happier with a Sporting trim a little earlier as this is fairly short on the body with tapered fullness on the legs, and encourages the coat to curl, so desirable in appearance to a pet owner.

DESCRIPTION OF VARIOUS CLIPPING PATTERNS

Dutch trim: As the name implies, you visualize a Dutch peasant boy's puffy hat (minus the peaked brim) and full baggy pants. So you carefully clip the paws, and then the face. Be careful not to clip above the eyes. This must be tapered with scissors to enable you to give a nice round, puffy crown. Then take the clippers down the back and sides of the neck – not above the crown behind the ears; then clip a narrow line between the shoulders right along his back to the tail. Follow line of spine. Widen the line in various widths to please your eye. Next step is to take the clippers down each side, approximately half way between the flank and the shoulder, Try to avoid making the rear pattern tiny and only just on the hips. Although the front puff is slightly wider, both puffs should look balanced. After you have clipped the pattern, comb out the long hair and scissors to the desired length, tapering and rounding at the top and scissoring a neat line at the paws. Clip the tail from the body, leaving half way, long hair that can be scissored into a nice round puff.

Town and Country or Sporting – Clip paws, face and tail as you would for a Dutch trim, but use a coarser blade on the body clipping. This will make the body hair look like sheared lamb. Do not attempt to make any pattern, but clear the body of hair down one third of the shoulder blade and the hips, clip hair between flank and shoulder. When cutting down of shoulder and hip raise clipper blade slightly so that you do not take it so close, then comb legs thoroughly and

"Charlie", as he was shown in Austria with his first owner, Mrs. Liebhart. He is now three years old.

He knew no English commands. Yet he returned in remarkably good condition, although dirty and loaded with burrs. During the anxious weeks Mrs. Brule slept, at times, on the nearby golf course in a sleeping bag, following telephone calls that he had been seen in the vicinity. At one point he visited *Lady Eaton* who went out at 10-below zero to offer him a hamburger. But he kept on going. One day he wearily approached the car of Frank Retza, who was able to persuade him to go with him. A blurred note from the pouch on Charlie's collar read: "My name is Charlie . . ." and a telephone number. The owners were promptly called, and with a tummy full of turkey, bread and milk, Charlie agreeably returned home. His red leash was worn off to a six-inch length. In Europe, states Mr. Brasse, he had earned the title of "International Beauty of Europe, the highest award any dog can earn in Europe."

Julie and Bob McCutcheon, Kennebec Kennels, Willowdale, Ont., took in the Bulldog Club of America 69th annual Specialty Show at St. Louis, Mo., where

Williams in the Chair, and the following members of the Board present: J. C. Anderson, Tom Wells, Mrs. J. W. Anderson, R. L. Blyth, Walter Brown, Wm. Dawson, D. H. Duff, Mrs. Edna I. OBEDIENCE MATTERS

12 OB 8. REPORTS OF OBEDIENCE COUNCIL

REPORT: The Secretary reported that he had received from Mr. Donald H. Miller, Chairman of the 1962 Obedience Council, a number of reports (dated January 19, 1963), these having been numbered 1 to 10 for purposes of reference and a copy of these reports had been forwarded to all members of the Board with the agenda of this meeting.
ACTION: It was agreed that these reports would be dealt with individually.

REPORT: In a report dated January 19th (No. 1) Mr. Miller:
(1) pointed out that Cpl. Ian Hall and Mrs. Mary Southcott had been in the process of writing a brief for a proposed set of rules and regulations to cover tracking tests, it having been decided previously that a separate booklet would be published on tracking tests;
(2) had enclosed with his report the draft of Chapter 1 which had been prepared by Mrs. Mary Southcott and the running and testing rules which had been drafted by Cpl. Hall;
(3) recommended that the Board decide whether the present Standing Resolutions on tracking tests should be incorporated in the draft;
(4) recommended that after members of the Board had submitted their individual comments on the draft the matter be referred to the Chairman of the Obedience Council to work with the Chairman of the Amendments Committee with a view to preparing a final draft for presentation at the semi-annual meeting of the Board and if, at that time, the Board is satisfied it could then direct that the material be included in the next referendum ballot.

DISCUSSION: During a discussion which followed it was suggested that before this matter is referred to the new Obedience Council for final preparation and consideration by the Board at its semi-annual meeting, the matter should now be referred to the Chairman of the new Obedience Council with a view to having the material published in the official magazine, along with an invitation to those interested to submit their comments and criticisms.

MOTION #98-63
Moved by Mrs. Joel, seconded by Mr. McDerment:
"THAT, the report from the Chairman regarding tracking test rules be received, that it be prepared for publication, and be referred to the Chairman of the Obedience Council."
Motion carried unanimously.

REPORT: The following report from the Chairman of the Obedience Council, dated January 19th (No. 2):

"Since the last report to the Board of August 27th by this office, a number of applications have been completed, and a few new ones have been added and acted upon. We list below the disposition of various files, which we would request the Board to approve herewith.

Mrs. Margaret L. Best, having completed assignment as Junior Tracking judge, approval to judge Tracking Tests.
Mrs. Irene Bourassa, having completed requirements, approval to officiate as a Junior Judge at one Tracking Test.
Mr. Ben Taylor, having fulfilled requirements, approval to officiate as a Junior Judge at one Tracking Test.
Mrs. Evelyn Kenny, having apprenticed as required, with satisfactory results, approval to judge Novice, Open, Utility Obedience classes.
Mrs. Joan K. McLellan, having met all requirements, and apprenticeship, approval to judge Novice, Open and Utility Obedience classes.
Miss Lois E. Burpee, having passed the required examinations, approval to apprentice Utility Obedience classes.
Mr. A. W. S. Preddy, having apprenticed the required number of times, and dogs, approval to judge Utility Obedience classes.
Miss Margaret L. Benson, having passed the written examinations, approval to apprentice Novice, Open, Utility Obedience classes.

Your co-operation in this regard will be most appreciated.

DISCUSSION: The Secretary reported that rather than delay implementation of decisions reached on such applications it is the custom to implement immediately recommendations, with regard to applications, received from the Chairman of the Council.

MOTION #99-63
Moved by Mr. Dawson, seconded by Mr. Little:
"THAT, we receive the report and confirm the action taken with regard to applications for approval to judge."
Motion carried unanimously.

REPORT: The Board considered report No. 3 received from the Chairman of the Obedience Council in which the Chairman reported on the practice of the Chairman of the Council of addressing to clubs holding obedience trials and tracking tests, an appropriate letter, depending upon the nature of the reports received from Obedience Representatives on obedience trials and tracking tests which they (or their deputies) attended. Mr. Miller's report included the list of clubs to whom he had addressed letters with regard to their trials.

MOTION #100-63
Moved by Mr. Blyth, seconded by Mrs. Joel:
"THAT, we receive the report."
Motion carried unanimously.

REPORT: A report (No. 4) from the Chairman of the Obedience Council who:
(1) reported that when a report is received from an Obedience Representative with regard to a licensed obedience trial a letter is addressed to the trial-giving club:
  (a) congratulating them on their trial; or
  (b) drawing their attention to irregularities, if any occurred;
(2) reported that should any judging irregularity be reported, it has been customary to write a letter to the judge seeking his comments, and the matter is then closed or referred to the Complaints Committee;
(3) stated that during the past year he had noted that:
  (a) some Obedience Representatives do not appear to feel these reports are necessary and do not submit them at all; some reports are received months after the trials;
  (b) some areas consistently forward reports with very little comment included;
  (c) some reports show a great concern for judging;
(4) suggested that the Board consider the present situation with regard to these reports and if it is decided that these reports should be continued, recommended that the Board take immediate steps to advise all Obedience Representatives, upon their appointment of the fact that:
  (a) such forms exist and all Obedience Representatives are expected to report on every trial held in their own area;
  (b) reports are to be fully descriptive and are to be submitted to the C.K.C. office within one week after the trial;
  (c) in the event of a matter arising of a complaint nature, the matter be first discussed with the parties concerned, then a report in full be filled out and signed by the Obedience Representative or his deputy and three other parties who agree with the context of the complaint, and this be attached to the Obedience Representative's report, with the Obedience Representative's recommendation as to the disposition of the matter.

MOTION #101-63
Moved by Mrs. Joel, seconded by Mr. McDerment:
"THAT, the report be received and we leave this to the Obedience Chairman to advise Obedience Representatives of their duties at obedience trials."
Motion carried unanimously.

REPORT: A report (No. 5) submitted by the Chairman of the Obedience Council in which the Chairman dealt with a variety of obedience matters under the heading of "General Matters of Obedience Administration".

MOTION #102-63
Moved by Mr. Anderson, seconded by Mr. Dawson:
"THAT, this report be received and discussed section by section."
Motion carried unanimously.

SUBJECT: The Council Chairman's report that the question had been raised as to how many trials a club should be permitted to put on in one day, and a recommendation that the Board consider the advisability of adopting a Standing Resolution restricting any trial-giving club to two trials per day.
DISCUSSION: During a discussion it was suggested that if three trials in a single day are permitted this necessitates a very high degree of organization and places undue stress on both judges and dogs.

MOTION #103-63
Moved by Mr. Mehlenbacher, seconded by Mrs. Joel:
"THAT, we restrict the number of trials to two trials per day."
FOR THE MOTION: Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mr. McDerment, Mr. Mehlenbacher.
AGAINST THE MOTION: Mr. Anderson, Mrs. Mack, Mr. MacKillop.
STANDING RESOLUTION Motion carried.

SUBJECT: The Council Chairman's report to the effect that it had been proposed that some restriction or minimum requirement should be placed on those who seek to establish their eligibility to judge one or more classes, and a recommendation that the Board consider the advisability of requiring that an applicant must have entered and run a dog in at least three trials in each class for which he desires to establish eligibility to judge.

MOTION #104-63
Moved by Mr. Little, seconded by Mrs. Anderson:
"THAT, this be left with the Chairman of the Obedience Council for further study."
Motion carried unanimously.

SUBJECT: A recommendation that the Board decide by way of Standing Resolution, a policy regarding the awarding of high point certificates when, on the original judging, two dogs had tied for high score, and a suggestion that the winner of the run-off be noted in the judge's book.
DISCUSSION: Following a discussion it was agreed that scores earned on the original judging represented the official scores and since a run-off of a tie is simply for the purpose of determining the winner of any trophy or other prizes offered, there is no necessity to alter the present practice nor to require that the identity of the winner of a run-off be indicated in the judge's book.

SUBJECT: The observation of the Chairman of the Council that some questions had arisen as to whether or not examination papers written by applicants seeking to establish eligibility to judge are fully explanatory, and a recommendation that the Board advise the new Obedience Chairman to investigate the possibility that where a brief answer is required to a

question such fact be indicated by placing an "X" opposite the question.
ACTION: The matter was referred to the new Chairman of the Obedience Council.

SUBJECT: A recommendation that the Board establish that in out-of-sight exercises a Ring Steward is to accompany the handlers and he or she is to watch for some signal from the presiding judge as to when to have the handlers return, the Steward to leave with and return with the handlers.
ACTION: The recommendation was referred to the new Chairman of the Obedience Council.

SUBJECT: A recommendation that the Board instruct the new Obedience Chairman to take immediate steps to prepare an instructional sheet regarding the giving of verbal examinations by Examining Committees.
ACTION: The matter was referred to the new Chairman of the Obedience Council.

SUBJECT: A recommendation that the Board instruct the Obedience Chairman to prepare a notice to all Obedience Representatives, for issuance at the time an examination is set up that, if possible, the Examining Committee should be primarily judges and that these judges will be allowed complete freedom as to the questions asked of the applicant.
DISCUSSION: During a discussion which followed it was suggested that:
(1) there are persons well experienced in obedience, although not themselves approved obedience judges, who are capable of serving on Examining Committees;
(2) the granting of judging privileges to others should not be controlled by requiring that Examining Committees be composed exclusively of judges;
(3) the Board, having appointed Obedience Representatives, should have sufficient confidence in such Representatives to permit them to exercise discretion in the appointment of Examining Committees.
ACTION: No action was taken.

SUBJECT: A recommendation that the Board take immediate steps to assure that all current Standing Resolutions be included in future printing of the Obedience Trial Regulations and Standards, either in the form of italic print beneath the sections to which they are applicable, or as an addenda at the end of the booklet.
ACTION: The recommendation was referred to the Chairman of the Obedience Council for consideration and subsequent report to the Board.

REPORT: A report that some discussion had arisen relative to the specification for the broad jump which specifies the dog be within ten feet of the jump; however, the Chairman's Committee had felt that there was no reason to consider a change. It did however, recommend that the Obedience Chairman consider the advisability of excluding this feature from the exercises as there seems to be no particular advantage or disadvantage in this exercise other than that small dogs have a longer run in relation to size than the larger dogs.
ACTION: The matter was referred to the new Obedience Chairman on the understanding that he would secure the reaction of trial-giving clubs.

REPORT: A report that a great difference of opinion lies in the current regulations relative to the height various dogs must jump the broad jump, a feeling of the Committee that there are certain dogs favoured by the present ruling, and a recommendation that the new Obedience Chairman institute proceedings to investigate the question of heights for various dogs with a view to changing the ruling if the investigation so indicates.
ACTION: The matter was referred to the new Obedience Chairman for investigation and report to the Board.

REPORT: A report that the Council is divided on the question of whether there should be first, second, third and fourth place ribbons, but a general feeling that a rosette should be presented to the highest scoring dog, and a recommendation that the Board take positive steps to allow the highest scoring dog in an obedience trial to be presented with a rosette of the Board's colour designation.
ACTION: It was agreed that no action be taken on the grounds that the obedience trial regulations presently do not prohibit the awarding of a rosette to the highest scoring dog and a feeling that trial-giving clubs should be permitted to continue this practice if they wish to do so.

SUBJECT: A recommendation that the Board take steps to assure that each Canadian approved judge be sent changes in rules as they develop, either as it becomes effective, or by sending each judge, when he receives his approval for assignment, a copy of the last printed rule book, plus additions or changes or interpretations since last published.
ACTION: The Secretary was instructed to implement this recommendation.

SUBJECT: A report that the Council had not approved a suggestion that a mock trial be prepared for any apprentice who cannot get enough dogs in a trial to meet the apprentice requirements.
ACTION: No action was taken.

SUBJECT: A recommendation that the Board consider a Standing Resolution to the general effect that, in the Stand for Examination exercise, judges are reminded that this exercise is designed to show the approachability of the dog, it is not intended that the dog remain physically immobile to the extent that he does not even show interest in the examiner, nor is it intended that the examiner determine via a superficial examination of a brief moment whether or not the dog may be slightly timid.
ACTION: The question was ordered referred to the Chairman of the Obedience Council for the drafting of an appropriate proposed amendment for consideration at the semi-annual meeting of the Board.

SUBJECT: A recommendation that the Board take positive steps to assure that trials are not carried into the long hours of the night, and a suggestion that the ruling be so worded that clubs be instructed that once entries are in, they are to arrange their starting schedule, on the basis of 8 Novice dogs, 7 Open dogs, 6 Utility dogs per hour, in order that the judging may be completed by 8 o'clock at night.
DISCUSSION: It was agreed that it would be difficult to arrange for any ruling on this question for a trial-giving club, when issuing its premium list, cannot be expected to accurately forecast the number of dogs which may be entered in its trial.

REPORT: A report that the entire Obedience Council is of the opinion that there is no reason why obedience dogs should be expected to sit on the bench, and a recommendation that the Board take action whereby a ruling is established that an obedience dog shall not be required to be benched, or, alternatively, a recommendation that the following words be added to the present ruling: "until after they have been judged in the obedience ring".
ACTION: It was agreed that no action be taken for under the present provisions of Chapter I, Section 9, of the Obedience Trial Regulations, a club conducting a licensed obedience trial in conjunction with its dog show is free to stipulate in its premium list that a dog entered exclusively for the obedience trial need not be benched until after it has been judged in the obedience trial.

REPORT: A report that the question had arisen as to whether or not articles in "Dogs in Canada", particularly when written by someone who is a member of The Canadian Kennel Club, reflect to the reader who is not familiar with the workings of the C. K. C. the impression that the article is a reflection of the opinion and attitude of the C. K. C., and although the Obedience Council seems to feel that this is not the case, it was suggested that the Board attempt to obtain from the publishers of "Dogs in Canada" a commitment that articles pertaining to obedience, particularly obedience judging, would be set up in such a manner as to firmly establish that this is one person's view only and in no way reflects official or unofficial opinion.
DISCUSSION: It was agreed that no action be taken on this question on the grounds that it was the feeling of the Board that readers of "Dogs in Canada" do not generally regard articles on obedience as being official, except where this is clearly stated to be the case.

SUBJECT: A recommendation that the Board consider a Standing Resolution which would allow a judge to give a bonus, or deduction, for a happy working or cringing dog respectively before making his final total.
ACTION: The recommendation was referred to the new Chairman of the Obedience Council on the understanding that this matter would be taken up with judges and a report would be submitted to the Board.

REPORT: The report of the Chairman of the Obedience Council to the effect that it is the general opinion of the Council that all judges should be asked beforehand if they will take an apprentice and a recommendation that the Board take positive steps to assure that, although all judges are cautioned to the effect that their co-operation in the matter of apprentices is desired, in all cases the Obedience Representative from the province in which the apprentice resides must apply to the judge in question for permission for said apprentice to appear under him.
DISCUSSION: After a discussion it was agreed that there would be no change in the present policy which allows the apprentice the privilege of deciding at what trials he will serve his apprenticeship.

REPORT: A recommendation that in order to ensure more satisfactory reports from officiating judges with regard to apprentices, the Board instruct the Obedience Chairman to prepare a brief to be sent to all judges who have apprentices appearing under them, the brief to set forth certain information and advice.
DISCUSSION: During a discussion of the Chairman's remarks with regard to scoring of dogs by apprentices and a subsequent comparison with the judges' scores, it was agreed that the apprentice would have the privilege, before turning in his book (or afterwards, by letter) of explaining any significant differences between his scores and those of the officiating judges, such explanation to be included in the file which is subsequently forwarded to the Chairman.

SUBJECT: The recommendation of the Chairman that the Board take steps to give judges "who have been overworked with apprentices" the right to refuse apprentices without personal overtures.
ACTION: No action was taken on this recommendation having regard for the Board's earlier discussion on the proposal that judges be first approached before being required to accept apprentices.

REPORT: A report (No. 6) dated January 19th, from the Chairman of the Obedience Council, who:
(1) reported that, as a result of a proposal which had been submitted to the Council, he had undertaken to determine whether or not it is the feeling of obedience enthusiasts in Canada that all persons wishing to judge one or more obedience classes at trials held under the Club's rules should be asked to take the same examinations that residents of Canada wishing to establish eligibility to judge one or more classes, have for a number of years been required to take;
(2) expressed the view that the Board should give grave consideration to this matter;
(3) recommended that all persons, as of a date to be set by the Board, who have not yet been approved by The Canadian Kennel Club to judge in Canada, and who have not been approved by The American Kennel Club to judge in the United States, be required to take certain examinations before being allowed to judge in Canada;
(4) set down his recommendations with regard to the procedure to be followed in these circumstances.
DISCUSSION: During a discussion which followed:
(1) Mr. Mehlenbacher stated that he was not in favour of requiring residents of the United States to apprentice when seeking to establish eligibility to judge in Canada, but he felt that they should be required to take the written and oral examinations;
(2) Mr. Anderson stated that he was not in favour of any extension of the present requirements since this would only restrict trial-giving clubs with regard to their selection of judges;
(3) Mrs. Mack and Mr. MacKillop expressed opposition to the proposal of extending the present requirements on the grounds that to do so was inconsistent with the Board's previous discussion at this meeting with regard to the advisability of revising Chapters 7 and 8 of the Dog Show Rules (see Motion #6-63);
(4) Mrs. Joel read letters which the Chairman of the Council in 1962 had received from Obedience Representatives, almost all of whom were in favour of requiring residents of other countries wishing to judge one or more obedience classes in Canada, to pass the examinations presently required of residents of Canada;
(5) Mr. Brown suggested that a resident of the United States approved by The American Kennel Club to judge one or more obedience classes be permitted to judge at one trial in Canada and while here, he take the written and oral examinations in order to determine whether or not he may thereafter be approved to judge in Canada;
(6) Mr. Blyth suggested that the matter be referred back to the Obedience Council for further study and report to the semi-annual meeting of the Board.

MOTION #105-63
Moved by Mr. Anderson, seconded by Mr. Dawson:
"THAT, we accept this report and as we are agreed in principle, we ask the Chairman of the Obedience Council

to present a report on the mechanics at a subsequent meeting of the Board."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mr. McDerment, Mr. Mehlenbacher.
AGAINST THE MOTION: Mrs. Mack, Mr. MacKillop.
Motion carried.

-----Luncheon intermission.

REPORT: Mr. Mehlenbacher:
(1) expressed the view that early action by the Board on the matter which it had dealt with immediately prior to the luncheon intermission is desirable and requested that the Board reconsider the matter;
(2) reported that during the luncheon intermission, and with the aid of Mrs. Joel, he had reviewed the recommendations of the past Chairman of the Obedience Council with regard to the eligibility of residents of the United States to judge at obedience trials held under the Club's rules;
(3) recommended that the following requirements and procedures be approved by the Board at this meeting:

All persons, as of May 31, 1963, who are not approved by The Canadian Kennel Club to judge in Canada, will be required to take certain examinations, as decreed by the Board before being allowed to judge in Canada.

N. B. The exception to the above will be that any American judges who are approved by the A. K. C., but who have taken an exam in Canada and failed, or who have had one violation reported against their Canadian judging, will be expected to take Canadian exams.

Section 1. American approved judges prior to May 31, 1963, shall be allowed to judge in Canada with no barriers, excepting those who may have previously made application to judge in Canada and been refused, and excepting those who, for any reason, have been refused further judging privileges.

Section 2. All American citizens, excepting those outlined in Section 1, as being allowed to judge with no barriers, will be required to follow the routine below:
(a) upon receipt of the original letter for consideration, the customary form shall be sent, along with a C. K. C. rule book and a letter of procedure. The applicant question form shall differ from the Canadian form in that it will allow space for name of Notary Public and address, ask how many A. K. C. approved trials the applicant has judged, name of club, where and when, how many Novice dogs, Open dogs, Utility dogs, leaving room for six trials.

The procedure form will follow the Canadian model excepting that it will point out:
1. the applicant will be expected to take an exam at own expense; he is expected to advise us when he would like to take the written exam.
2. he will be advised that his first trial will be a probationary one.

(b) upon receipt of questionnaire, the C. K. C. will forward the question papers to the Notary Public with a covering letter explaining that the applicant is to take the exam with no assistance or any form of reading support. The papers are to be notarized and returned to the C. K. C.
(c) Obedience Chairman's Committee checks exam.
(d) he will be advised he is approved to judge one trial and will be expected to take an oral examination after the trial.
(e) after the trial the Obedience Representative gives an oral examination in the usual way and submits a report.
(f) the status of the trial if he fails the oral examination would be the same as at present, namely, the qualifying scores are not changed even though a violation is reported, but he would not be approved for further assignments until such time as he has passed the oral examination.
(g) final approval will be given or refused.
(h) he will be expected to follow the same routine Canadians take, although if he has judged in the U. S. A. we will allow him to count his judging assignments there as his apprenticeship.

Basically it will mean that any American who wishes to judge in Canada, who is not approved by the C. K. C. as of this date will be required to take exams in Canada.

MOTION #106-63
Moved by Mr. Brown, seconded by Mr. Little:
"THAT, we reconsider the matter."
FOR THE MOTION: Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mr. McDerment, Mr. Mehlenbacher.
AGAINST THE MOTION: Mr. Anderson, Mr. Blyth, Mr. MacKillop.
ABSENT: Mrs. Mack.
Motion carried.

DISCUSSION: During a discussion which followed:
(1) Mr. Mehlenbacher pointed out that the past Chairman of the Council had consulted the members of the 1962 Council and their reaction, as expressed in letters to the past Chairman, had indicated their general support of action along the lines proposed;
(2) Mr. Blyth stated that the proposed requirements and procedures now being considered by the Board are not those submitted by the past Chairman of the Council in his report dated January 19th;
(3) Mr. Anderson stated that he did not feel that an emergency exists requiring immediate action by the Board, and decisions reached earlier in this meeting had indicated a general feeling of the Board that show and trial-giving clubs should have more freedom of action;
(4) Mr. MacKillop expressed the view that the Board should endeavour to do something for clubs and exhibitors rather than to add to present restrictions;
(5) Mr. Blyth stated that the Board had not seen fit to adopt the recommendations of the past Chairman of the Council on this question and was now being asked to make an immediate decision on still another programme.

MOTION #107-63
Moved by Mr. Mehlenbacher, seconded by Mrs. Joel:
"THAT, we approve the procedure as outlined by the Chairman of the Obedience Council."
FOR THE MOTION: Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mr. McDerment, Mr. Mehlenbacher.
AGAINST THE MOTION: Mr. Anderson, Mr. Blyth, Mr. MacKillop.
ABSENT: Mrs. Mack.
Motion carried.

REPORT: In his report (No. 7) dated January 19th, the Chairman of the Council pointed out that Mrs. Mary Southcott had undertaken to re-write Chapter I of the Obedience Trial Regulations and Standards with a view to incorporating any necessary sections of the Dog Show Rules and Standing Resolutions, and reported that this work (now nearly completed) would be submitted by Mrs. Southcott.

REPORT: A report (No. 8) dated January 19th, submitted by the Chairman of the Council with regard to the possibility of a reciprocal arrangement with The American Kennel Club regarding judges of obedience trials.
ACTION: It was agreed that no action should be taken on this subject having regard for the action taken by the Board (Motion #107-63).

REPORT: A report (No. 9) dated January 19th submitted by the Chairman of the Council, who recommended that the Board consider steps to have included in the Obedience Trial Regulations and Standards a rule dealing with "double handling".
DISCUSSION: Mr. Mehlenbacher expressed the view that "double handling" so rarely occurs at obedience trials and when it does, it is not always to the advantage of the dog being "double handled".
ACTION: No action was taken.

REPORT: A report (No. 10) dated January 19th submitted by the Chairman of the Obedience Council, who reported that up to August 27, 1962 there had been but two complaints of a nature requiring the attention of the Complaints Committee and this record "implies a considerable improvement in our standard of obedience trials throughout the country, and it would seem that the various clubs, judges and exhibitors are doing their utmost to keep Canadian obedience up to high standards."
ACTION: It was agreed that no action was indicated, inasmuch as the complaints referred to had been previously reported to the Board.

12 OB 21. SERVICE DOG CLASS

REPORT: A report (dated January 19th, 1963) from the Chairman of the Obedience Council, who:
(1) pointed out that Mr. Jake Giacomelli had been appointed Chairman of a special committee to look into the matter of a Service Dog Class and to suggest rules, regulations and requirements for such a class;
(2) reported that a report submitted by the special committee had been forwarded to the Obedience Council and its recommendations had been "almost overwhelmingly rejected by the Council";
(3) recommended that the matter be dropped and that the new Obedience Chairman take steps to determine what the national Council feels they want in a Service Dog Class before the same or another committee is asked to prepare a brief.

MOTION #108-63
Moved by Mr. Anderson, seconded by Mr. Dawson:
"THAT, this file be received and be referred to the Chairman of the Obedience Council."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mrs. Mack.
Motion carried.

MOTION #109-63
Moved by Mr. McDerment, seconded by Mr. Dawson:
"THAT, Mr. Miller be thanked for his reports."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mrs. Mack.
Motion carried.

MOTION #110-63
Moved by Mr. Brown, seconded by Mr. Little:
"THAT, Mr. Miller's reports, as amended, be adopted."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mrs. Mack.
Motion carried.

MEMBERSHIP MATTERS

10 MM 2. APPLICATIONS FOR MEMBERSHIP

REPORT: The Secretary reported that:
(1) an application for ordinary membership had been received from a husband and wife of Montreal, P. Q.;
(2) pursuant to an instruction of the Board the Chief Registration Officer had been consulted with regard to investigation of a number of complaints against the couple.

MOTION #111-63
Moved by Mr. Brown, seconded by Mr. Anderson:
"THAT, the application for ordinary membership submitted by the applicant be not approved."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mrs. Mack.
Motion carried.

The Secretary:
(1) reported that an application for ordinary membership had been received from an individual residing in Victoria, B. C.;
(2) reviewed a file which concerned a German Shepherd Dog, which dog had been acquired in lieu of a stud fee and had subsequently been disposed of by him, and reported that the Registration Committee had been obliged to authorize the recording of transfer of this dog from the applicant to the purchaser when the applicant had failed to answer letters seeking his co-operation in furnishing a signed application for transfer of ownership in favour of the purchaser.

ACTION: The application was ordered held in abeyance, and the matter was left for further investigation by Mrs. Anderson.

REPORT: The Secretary reported that:
(1) an application for associate membership had been received from an individual of Scarborough, Ont.;
(2) the Complaints Committee had not been successful in satisfactorily resolving the complaint of another individual against the applicant in respect of the applicant's failure to supply a certificate of registration for a Boston Terrier which he had sold to the complainant.

MOTION #112-63
Moved by Mr. Brown, seconded by Mr. Mehlenbacher:
"THAT, the application for associate membership submitted by the applicant be not approved."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mrs. Mack.
Motion carried.

REPORT: The Secretary:
(1) reported that an individual of Almonte, Ont. had submitted an application for ordinary membership;
(2) read a letter dated March 5th from the applicant in answer to the Secretary's inquiry regarding an unsatisfactory answer on the applicant's application with regard to his private breeding and identification records.

MOTION #113-63
Moved by Mr. Anderson, seconded by Mrs. Joel:
"THAT, the application submitted by the applicant be not approved until he can satisfy the Board that his private breeding records are in order."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mrs. Mack.
Motion carried.

REPORT: The Secretary reported that Mrs. Amelia Levinsky, Ancaster, Ont. had submitted an application for ordinary membership intended to replace the ordinary membership presently in the name of Mr. & Mrs. Wm. Levinsky, the application having been submitted on the grounds that Mr. Levinsky had passed away in 1962.
ACTION: The change of membership was approved.

REPORT: The Secretary reported that an amended application for associate membership in the name of Mr. & Mrs. H. Wenzel, Pickering, Ont. (Mrs. Wenzel signing as the authorized representative) had been received with a view to changing the present individual associate membership in the name of Mrs. H. Wenzel.
ACTION: The change of membership was approved.

REPORT: The Secretary reported that an amended application for associate membership in the name of Mr. & Mrs. Jano Jost, Laprairie, Que. had been received, the application indicating that Mr. Jost would sign on behalf of the partnership, this amended application having been submitted to replace associate membership (which commenced July 5, 1962) in the name of Mrs. C. Jost.
ACTION: The change of membership was approved.

REPORT: The Secretary reported that:
(1) the present applications for associate and ordinary membership require an applicant to answer a series of questions;
(2) because many applicants apparently misunderstand one or more of these questions there is a great deal of correspondence required before many applications can be submitted to the Board.
ACTION: The Secretary was instructed to review the present applications for membership and submit a report to the semi-annual meeting of the Board with regard to possible revision of the application forms.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 24. KENNEL NAMES

SUBJECT: The Secretary read a letter (dated March 15th) from Mrs. Catherine Gardiner confirming her conversation with the President and Secretary regarding expenditures entailed in connection with the conditions which Mr. Herwig had attached to his willingness to alter his kennel name.
ACTION: It was agreed that the Club should not seek to be an intermediary in enforcing the terms of an arrangement between Mrs. Gardiner and Mr. Herwig; rather that the Secretary would ask Mrs. Gardiner to communicate her proposals direct to Mr. Herwig and if he is then willing to alter his kennel name, the Club would deal with his new selection.

11 D 25. SHOW DATES

REPORT: The Secretary reported that:
(1) at its annual meeting in February (1962) the Board had appointed Mrs. Edna Joel Chairman of a Special Committee whose terms of reference, as set forth in resolution #180-61, were as follows:
"to consider the whole question of shows, such as: who may hold them, the number of shows a club may hold in the year; should there be any restriction on the number of approvals granted to hold championship shows; the question of demanding certain requirements before granting a new club the privilege of holding championship shows; just what qualifications would be required; and whether a certified copy of the constitution must be deposited with The Canadian Kennel Club.";
(2) reported that the Committee composed of Mrs. Joel (Chairman), Mr. Dennis King, and Mr. John McNicol, had submitted its report (dated May 29, 1962) and after a brief discussion the report had been referred to this meeting;
(3) reported that in its report the Committee had:
(a) reached the conclusion that it could not be said that in all zones there are now too many shows, but did reach the conclusion that there are not enough shows of the quality that should be expected;
(b) expressed the view that if the present or any future Board decided that it must place a restriction on the number of shows in a zone, then the quality of shows held should be a prime consideration and only after all show-giving clubs had been forewarned and given an opportunity of bringing their shows up to a minimum standard of quality;
(c) pointed out the present practice whereby each Obedience Representative submits a report to The Canadian Kennel Club on each obedience trial that he attends, and stated that the Committee saw no reason why the Club could not appoint C. K. C. Show Representatives, the number and location of such to be determined by the Board, whose prime duty would be to submit a report, in a form the details of which the Committee set out in its report, and if after studying a series of reports on a particular club's shows the Board is satisfied that the club is not staging shows up to a minimum standard, the Club could temporarily suspend that club's privilege of holding championship shows under the Club's rules;
(d) recommended that the Board seriously consider the setting up of a system of rating shows and provided details of how the Board could proceed to carry out its proposal;
(e) expressed the view that Chapter 7, Section 1 of the Dog Show Rules and the present policies limiting the frequency of judging engagements by a judge within a zone, are not helpful to show-giving clubs and since the primary responsibility for holding a show rests with the show-giving club, the right of the show-giving club to select judges should not be restricted by The Canadian Kennel Club except in the case of persons from whom the C. K. C. has withdrawn the privilege of officiating as judge at shows held under the Club's rules;
(f) recommended that any club wishing to hold a show (whether sanction or championship) under the Club's rules should be registered with The Canadian Kennel Club, should submit annually the names and addresses of its President and Secretary, and must also submit a copy of its constitution;
(g) recommended that any club which has not held a championship show within the preceding three years should be required to hold two sanction shows before permission is granted to hold a championship show;
(h) recommended that priority rights on show dates granted any club be withdrawn when the Board is satisfied that the Club to whom such priority rights have been granted is not holding shows up to minimum standards;
(i) expressed the opinion that specialty clubs should not be permitted to hold specialty shows on the same date and in the same place as all-breed championship shows, but specialty clubs should be encouraged to pool their efforts by holding a number of specialty shows in conjunction with each other in the same building and on the same date;
(j) recommended that in those areas where it is difficult to assign suitable dates clubs be encouraged to hold their shows on consecutive dates;
(k) expressed the opinion that the granting of priority rights to a show-giving club does not grant exclusive rights to that date nor does it extend protection to any date preceding or succeeding the show dates granted on a priority basis;
(l) recommended that before a new club is permitted to hold a championship show under the Club's rules it must hold a minimum of two sanction shows on which reports are submitted and found satisfactory;
(m) expressed the view that The Canadian Kennel Club should not underwrite the costs of printing stuffers for permium lists or catalogues;
(n) expressed the view that a show-giving club should not be granted the right to set its own schedule and order of breed and group judging but that Section 7 of Chapter 15 of the Dog Show Rules should be amended in order to provide that a show-giving club may decide that the judging of a group (at the group level) may commence immediately following the completion of the judging of the group at the breed level;
(o) recommended that when approval is granted a club to hold a championship show a kit should be forwarded to the show-giving club which would include application for approval of selected judges, an outline of a standard premium list, such memoranda as may be necessary, and such other information as may be helpful to the club in continuing its preparation for its show.

DISCUSSION: During a discussion of the Committee's recommendations with regard to the rating of shows:
(1) Mr. Wells stated that he was not in favour of the proposal that shows be graded or rated and felt that to carry out such a program would result in the discontinuance of a number of shows;
(2) Mrs. Anderson felt that to rate a show on its size would tend to discourage clubs in those areas where large shows could not be expected;
(3) Mr. Dawson reported that he had been asked, by show-giving clubs in his area, who would submit the reports on shows.

MOTION #114-63
Moved by Mr. MacKillop, seconded by Mr. Duff:
"THAT, no action be taken at this time on the matter of rating of shows."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mr. Little, Mr. MacKillop, Mr. McDerment.
ABSTAINED FROM VOTING: Mrs. Joel, Mr. Mehlenbacher.
ABSENT: Mrs. Mack.
Motion carried.

DISCUSSION: The Board discussed the Committee's recommendation with regard to the selection of judges by show-giving clubs and the present policies regulating the frequency of judging engagements.
ACTION: It was agreed that by resolution #8-63 the Board had already dealt with the question of frequency of judging engagements, and no action need be taken at this time as, by resolution #6-63, the Board had already decided to consider, at its semi-annual meeting, proposed amendments to Chapters #7 and #8 of the Dog Show Rules with regard to the selection and approval of judges.

DISCUSSION: The Board discussed the Committee's proposals with regard to the registration of show-giving clubs, the annual submission of the names and addresses of Presidents and Secretaries, and the submission of club constitutions.

MOTION #115-63
Moved by Mr. Dawson, seconded by Mrs. Anderson:
"THAT, we approve the recommendations of the Committee."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mrs. Mack.

Motion carried.

DISCUSSION: The Board discussed the Committee's recommendation that any club which has not held a championship show within the preceding three years should be required to hold two sanction shows before permission is granted to hold a championship show.

Mr. Wells expressed the view that as long as within a club there remain show officials capable of discharging their respective duties, then the fact that the club has not held a championship show for a number of years should not be a barrier to its being permitted to do so again.

Mr. Anderson suggested that rather than any hard-and-fast rule on this question, this should be dealt with on the basis of the individual club and whether or not, in the opinion of the Director in the area in which a club proposes to hold a championship show, the club has officials capable of running a championship show.

ACTION: No action was taken to implement this recommendation.

DISCUSSION: The Board discussed the Committee's recommendation to prohibit specialty shows in conjunction with all-breed championship shows.

Mr. Wells reported that clubs in British Columbia did not support this proposal, and expressed the view that whether specialty shows should be permitted in conjunction with a championship show should depend largely on whether or not there are sufficient facilities to enable the holding of specialty shows without interfering with the orderly judging and arrangements for the all-breed show.

Mr. Duff reported that the practice had been found satisfactory in Nova Scotia.

Mr. Brown expressed the view that the Board should not seek to prohibit the running of specialty shows in conjunction with all-breed shows, but every effort should be made to encourage clubs to run their own specialty shows.

ACTION: No action was taken to implement the Committee's recommendation.

DISCUSSION: A discussion followed with regard to the Committee's observations in connection with a letter (dated March 12, 1962) received from Mr. W. H. Pym on the subject of the right of a show-giving club to set its own schedule of breed and group judging.

Mr. Little and Mr. Duff expressed the view that the present policy (as required by Chapter 15, Section 7 of the Dog Show Rules) is fair to all exhibitors and should not be altered.

Mrs. Joel pointed out that it is the practice of many show-giving clubs, particularly in the case of unbenched shows, to arrange for the judging of a group at the group level immediately following the completion of the judging of the group at the breed level.

MOTION #116-63

Moved by Mr. Little, seconded by Mr. Duff:

"THAT, Section 7 of Chapter 15 of the Dog Show Rules remain as it is."

FOR THE MOTION: Mr. Duff, Mr. Little.
AGAINST THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mrs. Joel, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.

Motion lost.

MOTION #117-63

Moved by Mrs. Joel, seconded by Mr. Anderson:

"THAT, the Secretary prepare a proposed amendment, to be considered at the semi-annual meeting, amending Section 7 of Chapter 15 to provide that judging of a group may commence immediately after the breed judging of the group provided that this is stipulated in the premium list."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mrs. Joel, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
AGAINST THE MOTION: Mr. Duff, Mr. Little.

Motion carried.

DISCUSSION: Mr. Pym's letter (dated March 12, 1962) was further considered, and it was suggested that there may be occasions when, in order to expedite judging of a show, the Show Superintendent should have the right, providing adequate notice is given exhibitors, of a change of the judging schedule.

MOTION #118-63

Moved by Mr. MacKillop, seconded by Mrs. Anderson:

"THAT, we provide the necessary legislation to empower the Show Superintendent, at his discretion, to alter breed and group judging in order to facilitate the smooth operation of a show."

Motion carried unanimously.

MOTION #119-63

Moved by Mrs. Joel, seconded by Mr. Wells:

"THAT, Mr. Pym's letter of March 12, 1962, be referred to the Chairman of the Committee appointed to review the Dog Show Rules."

Motion carried unanimously.

DISCUSSION: The Board discussed the Committee's recommendation with regard to the sending of a kit to show-giving clubs.

ACTION: The proposal was unanimously approved and it was left to the Secretary to implement the proposal.

DISCUSSION: The Board discussed the Committee's recommendation with regard to The Canadian Kennel Club providing stuffers for inclusion in premium lists and catalogues.

ACTION: After discussion the Board unanimously approved the Committee's recommendation.

MOTION #120-63

Moved by Mr. Brown, seconded by Mr. Blyth:

"THAT, Mrs. Joel and her Committee be thanked for their report and the report, as amended, be adopted."

Motion carried unanimously.

REPORT: The Secretary reported that:

(1) the Canadian National Exhibition is scheduled to hold championship shows at Toronto on August 28-29th, August 30-31st, and September 2nd;

(2) the Central Canada Exhibition Association is scheduled to hold a championship show at Ottawa on August 31st;

(3) he had reason to believe that an application would be submitted for a championship show at Ottawa or Hull on September 1st, and sought an instruction as to whether or not such an application, if received, would be approved, having regard for the Canadian National Exhibition shows and past developments where similar situations had been a matter of discussion.

DISCUSSION: During a discussion of this question Mr. W. A. Harris, Chairman of the Canadian National Exhibition Dog Show Committee was contacted, and the Board was subsequently informed that Mr. Harris was of the opinion that the Canadian National Exhibition Dog Show Committee would have no objection to a championship show being held at Ottawa or Hull on September 1, 1963.

MOTION #121-63

Moved by Mr. Brown, seconded by Mrs. Mack:

"THAT, only if the Canadian National Exhibition Dog Show Committee objects in writing shall we refuse permission for a championship show to be held in or near Ottawa or Hull on Sunday, September 1, 1963."

Motion carried unanimously.

REPORT: The Secretary reported that:

(1) on a previous occasion the Board (by resolution #155-59) had decided that, except for priority rights already granted to specialty clubs, priority rights would not in future be granted for Saturday dates to other than all-breed championship shows;

(2) all show-giving clubs from whom applications for priority rights had not been received for the years 1963 to 1967 inclusive have been given the opportunity of applying for priority rights;

(3) the following Saturday dates had not yet been granted as priority dates to any club in Ontario or Quebec: May 23, 1964, May 22, 1965, July 30, 1966, July 29, 1967;

(4) The German Shepherd Dog Club of Greater Ottawa had indicated a desire to obtain priority rights on these dates on which it proposed to hold specialty shows for German Shepherd dogs.

DISCUSSION: During a discussion which followed it was pointed out that when a club is granted priority rights on a series of dates such rights are not exclusive, and it was agreed that although the Board may decide to grant priority rights for specialty shows, this would not prohibit it deciding to grant any or all of such dates to clubs in the same or nearby zones for purposes of all-breed championship shows.

MOTION #122-63

Moved by Mr. Mehlenbacher, seconded by Mr. Dawson:

"THAT, the application for priority rights submitted by The German Shepherd Dog Club of Greater Ottawa for the following dates: May 23, 1964; May 22, 1965; July 30, 1966; July 29, 1967, on which to hold specialty shows for German Shepherd Dogs, be approved conditional that The Canadian Kennel Club may, at its discretion, grant the same dates in the same zone for all-breed championship shows."

Motion carried unanimously.

REPORT: The Secretary reported that:

(1) the Atlantic Winter Fair Inc. had applied for permission to hold an all-breed championship show at Halifax on November 8, 1963; however, Mr. Duff had reported that the Winter Fair Committee had stipulated that the show must be over and benching removed from the building by 6:00 p.m. on November 8th;

(2) the Atlantic Winter Fair Inc. had applied for permission to hold an all-breed championship show at Halifax on November 9, 1963, but the Atlantic Winter Fair Committee had stipulated that this show must be completed by 12:00 o'clock noon on that day.

DISCUSSION: During a discussion which followed it was agreed that, regardless of any arrangements which could be made to ensure that judging of these shows would be completed by the stipulated times, it would be inadvisable to grant permission to hold a championship show in circumstances where it is possible that judging of the show may not be completed before dogs and benching have to be removed from the show building.

MOTION #123-63

Moved by Mrs. Joel, seconded by Mr. Mehlenbacher:

"THAT, we do not approve these applications for dates."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mrs. Joel, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSTAINED FROM VOTING: Mr. Duff, Mr. Little.

Motion carried.

SUBJECT: The Secretary sought a ruling on whether or not a club, operating in a specific area, may, apart from its shows and/or obedience trials in its own area, hold a championship show and/or obedience trial in an area in which there is already a club operating.

ACTION: The question was referred to the special committee appointed to review the Dog Show Rules.

FIELD TRIALS

13 FT 1. REPORT OF CHAIRMAN OF FIELD TRIAL COUNCIL

REPORT: The following report (dated February 14, 1963) submitted by Mr. R. L. Blyth, Chairman of the Field Trial Council:

"In former years it has been my practice, when submitting a report to the annual meeting of the Board, to provide statistical information with regard to the number of licensed trials held under the Club's rules for a number of years. I feel that the following statistics will show the continuing growth in this area of our game.

Licensed Trials	1938	1957	1958	1959	1960	1961	1962
Retrievers	3	33	38	42	47	48	53
Beagles	4	20	20	26	29	28	30
Spaniels	1	5	5	6	7	11	7
Pointing Breeds	2	2	3	3	7	7	21
Foxhounds	0	3	1	1	1	1	0
	10	63	67	78	91	95	111

Chapter 4, Section 1 of the Field Trial Rules and Regulations for Retriever field trials reads as follows:

'The Board of Directors shall have the power to prescribe from time to time, the requirements for eligibility to judge one or more stakes at a licensed trial. It shall also have the power to prescribe procedures in order to determine and/or test the qualifications of a person seeking to establish his eligibility to judge one or more stakes, and it may prescribe regulations by which a person may be removed from the list of persons eligible for approval to judge at a licensed trial.'

Pursuant to this rule the Board has laid down requirements but I am not satisfied that the existing requirements serve a useful purpose. Before the rules were amended to read as above quoted, the responsibility for selecting judges rested with the clubs conducting licensed Retriever trials, and unless The Canadian Kennel Club had any reason to believe that a given person should not be approved to judge, approval was virtually automatic. As far as Retriever field trials are concerned I am still of the opinion that the selection of judges should rest with the trial-giving club and approval by The Canadian Kennel Club should be largely a formality, except in those cases where, for any reason, the Board of Directors has seen fit to order that a given person shall not be approved to judge licensed Retriever trials held under the Club's rules. I do not suggest that at its coming annual meeting that the Board take any steps to alter the requirements which it has prescribed, but I do recommend that the Board instruct the Secretary to communicate with those clubs conducting licensed Retriever trials under our rules and determine whether or not such clubs would be in favour of our reverting to the previous practice. Even if we were to do so this would not disturb efforts made by individual Retriever clubs or Retriever associations with a view to developing new judges; in fact, I think it might encourage them to do so.

Last year the Board of Directors appointed a Field Trial Council for Beagles (Pack) under the Chairmanship of Mr. W. J. Monaghan. I think it would be unfair of me at this point to make any comments on what the Board may do at its coming annual meeting with regard to certain changes in the Beagle field trial rules which the Board approved last year, for I feel that I, and the other members of the Board, should first have an opportunity of studying the report of that Council, which I understand will be submitted following a meeting of the Council to be held at Cornwall on February 16th.

I do have one recommendation however, to place before the Board in connection with Beagles, and that is that, in the event that the Board sees fit to again appoint a Field Trial Council for Beagles, in my view it should be a composite Council, representative of the two types of Beagle field trials that are held (brace and pack) rather than separate Councils for each of these two types of Beagle field trial activity. I suggest this as, although there are differences in the running of the two types of Beagle trials, there is so much that is of interest to all Beaglers.

Apart from those changes in the Field Trial Rules which the Board saw fit to make last year, it would be my firm recommendation that the Board of Directors do not approve any other changes in the Field Trial Rules and Regulations until any proposals to change such rules have first been published in the Club's official magazine and all persons and clubs interested have had an opportunity of submitting their comments, for the consideration of the Board, before the Board decides on any proposed change in the Field Trial Rules.

I have long felt that there should be a separate Field Trial Council or Advisory Committee for each type of field trial activity, each such Council or Committee to be composed of persons actively participating in that branch of field trial activity for which the Council has been formed. If we are to have the confidence and support of those clubs and individuals participating in field trials, then it seems that we should, in some way, ascertain the wishes of trial-giving clubs as to the personnel of the Field Trial Councils or Committees.

In closing this report representing my own personal views on field trial matters, I do so with my appreciation of the work of Field Trial Representatives and all others who in some way have contributed to the advancement of the sport of field trialling in our country."

MOTION #124-63
Moved by Mrs. Joel, seconded by Mr. McDerment:
"THAT, the report be received."
Motion carried unanimously.

DISCUSSION: The Board discussed Mr. Blyth's recommendation that clubs conducting licensed Retriever trials under the Club's rules be asked for their views on the suggestion that steps be taken to re-establish the former rules, policies and procedures with regard to the selection and approval of judges for licensed field trials.

MOTION #125-63
Moved by Mr. Brown, seconded by Mr. Dawson:
"THAT, we approve the recommendation of the Chairman of the Field Trial Council."
Motion carried unanimously.

DISCUSSION: During a discussion of Mr. Blyth's recommendation with regard to the appointment of a single Field Trial Council for Beagles, the Board:
(1) noted that Section 10 of Article XIII of the Club's By-laws provides for a separate field trial council for each branch of field trial activity, the council to be composed of the Chairman (who must be a member of the Board), the Field Trial Representatives, appointed by the Board, for that branch of field trial activity, and the Chairman of the Council may add two members (not Representatives) to the Council, both resident in the same area as himself;
(2) agreed that there should be a single Field Trial Council for Beagles, and a separate Field Trial Council for each other branch of field trial activity.

MOTION #126-63
Moved by Mr. Blyth, seconded by Mrs. Mack:
"THAT, Mrs. Edna Joel be appointed Chairman of the Field Trial Council for Beagles."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSTAINED FROM VOTING: Mrs. Joel.
Motion carried.

MOTION #127-63
Moved by Mr. Brown, seconded by Mr. Dawson:
"THAT, the report of the Chairman of the Field Trial Council be adopted as presented."
Motion carried unanimously.

SUBJECT: The President and Mr. Blyth pointed out that the judges' books presently supplied by the Club for field trials require but a minimum of information about the placements and identity of placing dogs at licensed field trials, and proposed that consideration be given to the ultimate adoption of judges' books which would be used by officiating judges in the field and subsequently filed with The Canadian Kennel Club.

MOTION #128-63
Moved by Mrs. Joel, seconded by Mr. McDerment:
"THAT, we appoint a committee of three, composed of the President, the Executive Manager and Mr. Blyth, to draw up judges' books for field trials, the committee to submit its report and recommendations to the Board."
Motion carried unanimously.

13 FT 19. FIELD TRIALS FOR FOXHOUNDS

SUBJECT: The following report (dated March 11, 1963), submitted by Mr. W. J. Monaghan, Chairman (1962) of the Field Trial Council for Foxhounds:

"At the recent annual meeting of the All Canadian Foxhunters Association held at Napanee it was reported that the 1962 All Canadian National Stake was not held because of a dearth of foxes.

Mr. E. D. Bonnyman was re-elected Governor. The Secretary-Treasurer is to be appointed.

Dr. Fred R. Hunt (one of the Port Hope Hunts) reported that the draft of the revised field trial rules was sent out last year to those concerned, that suggestions and comments had been received, and that he would be convening the rules committee in due course.

I was authorized, by motion, to endeavour to arrange a meeting between representative members of the Board of The Canadian Kennel Club and the Board of Directors of the Association for Sunday, August 18, 1963 at a mutually suitable place for the purpose of discussing matters of importance.

It was decided to hold the 1964 annual meeting on Saturday, June 20th, at a place to be designated later (likely Napanee).

The following dates were set:
1963 All Canadian National Stake, October 31 and November 1 & 2.
1964 All Canadian National Stake, October 29, 30 and 31.

Will you please advise me if you will accept the invitation to meet with the Board of the Association on Sunday, August 19, 1963; and, if so, will you name those who will be attending. Will you also please advise if you have any preference of city in which to meet. We have Peterborough, Oshawa, Toronto, Napanee in mind."

ABSTAINED FROM VOTING: Mrs. Mack.
Motion carried.

13 FT 28. FIELD TRIALS FOR RETRIEVERS

SUBJECT: The Secretary read a letter (dated February 14, 1963) from The National Retriever Club of Canada reporting that at its special general meeting held on October 4th at Saskatoon, the Club had:
(1) adopted a resolution to the effect "that the National Club go on record that one of the purposes of the Club is to advise the Canadian Kennel Club on field trial rules and regulations and judging standards";
(2) in the same resolution, requested notification from the Canadian Kennel Club when it is considering "any matters affecting retriever trials" in order that the National Club may seek and relay to The Canadian Kennel Club the views of its member clubs.

ACTION: It was agreed that the Secretary would inform the National Retriever Club of Canada that the Board had agreed that the views of the National Retriever Club of Canada would be sought with regard to any changes which the Board may consider in its present Field Trial Rules and Regulations.

FIELD TRIALS

13 FT 28. FIELD TRIALS FOR RETRIEVERS

REPORT: The Secretary reported that:
(1) Section 10 of Chapter 10 of the Field Trial Rules & Regulations provides that no club shall hold more than two of any of the following stakes at licensed field trials for Retrievers and Irish Water Spaniels during a calendar year: Open All-Age, Limited All-Age, Special All-Age;
(2) The Richmond Retriever Club had applied for permission to hold three All-Age Stakes during 1963, and in support of their request had pointed out that the "National Championship Stake" for Retrievers would be held in British Columbia this year.

DISCUSSION: During a discussion which followed it was pointed out that on a previous occasion, when the National Championship Stake was to be held in Manitoba, a similar request submitted by a Manitoba club had been rejected.

MOTION #132-63
Moved by Mr. Blyth, seconded by Mrs. Joel:
"THAT, the third All-Age Stake be not allowed for any club."
Motion carried unanimously.

13 FT 29. FIELD TRIALS FOR BEAGLES

SUBJECT: Mrs. Joel:
(1) pointed out that at the request of the then Chairman of the Field Trial Council for Beagles (Pack) the Board, by resolution #434-62, had directed the Secretary to refer to the Chairman of that Council all applications for dates, approval of selected judges, and proposed premium lists for pack trials for Beagles;
(2) expressed the view that this had served to delay decisions on many of these items;
(3) recommended that the Board direct that the practices and requirements in effect before the passage of that motion be re-established, and the Secretary authorized to deal with these items without reference to the Chairman of the Council.

MOTION #133-63
Moved by Mrs. Joel, seconded by Mr. MacKillop:
"THAT, resolution #434-62 be rescinded, and the Secretary process applications for Beagle field trial dates, applications for approval of selected judges for Beagle field trials and proposed premium lists for Beagle field trials as he did before the adoption of resolution #434-62."
Motion carried unanimously.

REPORT: The Secretary reported on applications for priority rights on trial dates received from the following (pack) Beagle clubs: Frontier Beagle Club, Richelieu Beagle Club, Cornwall Beagle Club Inc., Highland Creek Beagle Club, United Counties Beagle Club, Peterboro Beagle Club, Oshawa Beagle Club.

DISCUSSION: During a discussion it was suggested that before any further priority rights are given on dates for Beagle (Pack) trials, notice of the applications be published in the official magazine, and the applications be submitted to a later meeting of the Board along with any objections or comments which may be received by the Secretary following the publication of such notice.

MOTION #134-63
Moved by Mrs. Joel, seconded by Mr. MacKillop:
"THAT, notice be given in the official organ of application for priority rights on Beagle field trial dates, and the applications be referred to a later meeting of the Board with any comments or objections which may be received after the publication of the notice."
Motion carried unanimously.

SUBJECT: The Secretary:
(1) read a letter, dated March 6, 1963, from Mr. Hardie R. Brown, who reported on a second Beaglers' school held on February 24th at the Wentworth Beagle club house;
(2) suggested that these schools were not only advantageous to judges but also to club officials insofar as it concerned increasing their knowledge of the field trial rules and the running of Beagle field trials;
(3) reported that present plans call for the holding of another judges' school in late June or early July.

MOTION #135-63
Moved by Mr. Blyth, seconded by Mr. Anderson:
"THAT, these letters be referred to the Chairman of the Field Trial Council for Beagles."
Motion carried unanimously.

REPORT: The Secretary:
(1) pointed out that Section 6 of Chapter 4 of the Field Trial Rules & Regulations provides that "No judge shall be allowed to judge more than two licensed Beagle Field Trials on cottontail in one year and not more than two licensed Beagle Field Trials on hare in one year. This rule shall apply only to Beagle Field Trials held in the Province of Ontario.";
(2) reported that at the request of the Ontario Association of Beagle Clubs, the Board had for some time permitted judges to judge at more than the number of trials specified in this rule;
(3) reported that the Board later decided that it had no authority to suspend the implementation of a rule and had therefore agreed on an interpretation of Section 6 Chapter 4 which permitted each judge to be approved (during a calendar year), for each of the two types of Beagle field trials, a maximum of twice for each of the four different all-age stakes run at licensed Beagle field trials;
(4) expressed the view that even with the interpretation agreed on by the Board the limits placed on the frequency of judging at licensed Beagle field trials by approved judges was still presenting a problem to Beagle clubs, and recommended that Beagle clubs be consulted with a view to determining whether or not the Board should amend (or delete) Section 6 of Chapter 4 of the Field Trial Rules & Regulations.

MOTION # 136-63
Moved by Mr. Blyth, seconded by Mr. Dawson:
"THAT, this question be referred to the Chairman of the Field Trial Council for Beagles to take the matter up with Beagle clubs."
Motion carried unanimously.

REPORT: The Secretary read a report received from Mr. Wm. E. Trevena, Ontario Field Trial Representative for Beagles (Brace) with regard to the apprenticing by Mr. Derek Baguley in connection with Mr. Baguley's application to establish eligibility to judge at licensed Beagle field trials.

MOTION #137-63
Moved by Mr. Anderson, seconded by Mr. McDerment:
"THAT, this be referred to the Chairman of the Field Trial Council."
Motion carried unanimously.

REPORT: The Secretary:
(1) reported that the Peterboro Beagle Club had failed to submit for customary approval, a proposed premium list for its trial held on September 29-30th, 1962, and reported on the explanation which had been received from that Club in this connection;
(2) referred to that section of the report (dated March 4, 1963) submitted by Mr. W. J. Monaghan, Chairman of the Field Trial Council for Beagles (Pack), read at the first day's session of this annual meeting of the Board, with regard to action of the C.K.C. Secretary in proceeding to record and report the awards at that trial "despite the fact the Field Trial Representative recommended that he do not do so until he, the F.T.R., had seen a satisfactory explanation";
(3) pointed out that on a previous occasion when a field trial club had failed to comply with a particular field trial rule, the Board had felt that owners of dogs placing at the trial in question should not be penalized, by way of cancellation of awards and championship points, because the trial-giving club had failed to comply with a field trial rule;
(4) stated that, in his judgment, the failure of the Peterboro Beagle Club to submit premium lists for approval had no direct bearing on the judging of the trial, and having regard for the precedent set by the Board, he did not feel that the owners of dogs placing at the Peterboro trial should be penalized and, on this account had proceeded to record and report the awards at that trial;
(5) stated that, regardless of his action in the matter, the Chairman of the Council and/or the Council did not require any express request or report from the C.K.C. Secretary to take up this matter and to submit a report and recommendation to the Board.

MOTION #138-63
Moved by Mrs. Joel, seconded by Mrs. Anderson:
"THAT, we endorse the action of the Secretary."
Motion carried unanimously.

REPORT: The Secretary:
(1) reported that the Lachute Beagle Club had applied for permission to hold a licensed pack trial for Beagles on August 24-25th, 1963, and had applied for the approval of two judges for this proposed trial;
(2) read a letter (dated February 18th) from Mr. W. J. Monaghan, Chairman of the Field Trial Council for Beagles (Pack), in which it was reported that the Council would only recommend approval of the application for permission to hold this pack trial if it were for full-day trials and with four judges, two for each class each day.

DISCUSSION: During a discussion which followed:
(1) Mrs. Mack reported that, while it was the feeling of Beagle clubs in Quebec that all Beagle clubs holding pack trials should not be required to stage full-day trials, they nevertheless felt that when entries at a pack trial reached a certain number, the trials should be on a full-day basis;
(2) Mrs. Joel pointed out the action taken by the Board earlier in this meeting when it adopted Motion #3-63, and stated that the situation is adequately covered in Chapter 13, Rule 4, Section 3 of the rules applicable to Beagle pack trials wherein it is stated that: "Two Judges shall be used to judge classes up to 25 entries and one additional Judge is to be required for each additional 10 entries or fraction thereof. (This means, 3 Judges would be required for from 26 to 35 entries, 4 Judges for from 36 to 45 entries, etc.) These additional Judges may be appointed after closing of entries if necessary but the owner or handler may withdraw any entry, or entries, made in any stake where an additional judge or judges are appointed according to this rule."

MOTION #139-63
Moved by Mrs. Joel, seconded by Mrs. Mack:
"THAT, the application of the Lachute Beagle Club for permission to hold a licensed trial on August 24-25th, 1963, be approved, and their attention be drawn to Section 3 on page 23 of the Field Trial Rules & Regulations."
Motion carried unanimously.

ACTION: The Secretary was instructed to communicate with Mr. Monaghan, asking that he return as soon as possible to the Club's Secretary, all files presently in his custody having to do with those matters which he had occasion to deal with in his capacity as Chairman of the Field Trial Council for Beagles (Pack).

13 FT 32. NATIONAL CHAMPIONSHIP STAKE FOR RETRIEVERS

REPORT: The Secretary:
(1) reported that in 1960 the Board had adopted the following Standing Resolution (#181-60): "THAT, the dogs qualifying at Retriever trials held after the closing date of entries for the National Championship Retriever Stake should be eligible for entry in the National being held the following year.";
(2) reported that at its annual meeting in 1962, and acting on the recom-

mendation of The National Retriever Club of Canada, the Board had adopted the following Standing Resolution: "THAT, contestants for the National Open Championship Stake shall be limited to those dogs which have placed 1st, 2nd, 3rd, or 4th in open, special, limited all age stakes or amateur all age stakes in trials licensed by The Canadian Kennel Club in the then current calendar year, and the winner of the previous year's National Open Championship Stake. Dogs qualifying in an amateur all age stake must be handled by an amateur in the National Open Championship Stake.";

(3) read a letter (dated February 14, 1963) from The National Retriever Club of Canada which reported that, at a special general meeting of its members held on October 4th in Saskatoon, the matter of qualifications for the National Stake was discussed by the representatives of member clubs and it was then agreed that representation should be made to The Canadian Kennel Club for approval of the following changes in the present rulings with regard to entry of dogs in this Stake:

(a) Qualification should be extended to those dogs placing in trials subsequent to the National in any calendar year. At the time that the original bylaw was written the National Stake was the last held in each year but since that time one club has held a stake after the National and it would appear reasonable that any dog placing in it should be invited to participate in the following year.

(b) That it should be made specific that only trials carrying championship points should qualify entries for the National. This may have been understood in the past but it has never been officially laid down.

MOTION #140-63
Moved by Mr. Blyth, seconded by Mr. Little:
"THAT, the present Standing Resolution #148-62 be and is hereby amended by incorporating the two changes proposed by The National Retriever Club of Canada."
Motion carried unanimously.

13 FT 1. REPORT OF CHAIRMAN OF FIELD TRIAL COUNCIL

SUBJECT: The Board resumed its consideration of the recommendation of the Chairman of the Field Trial Council, as incorporated in his report (dated February 14, 1963), presented at the previous session of this annual meeting of the Board, that there be a separate field trial council for each branch of field trial activity.

The Board noted that it had already appointed, at this meeting, a Chairman of the Field Trial Council for Beagles, and a Chairman of the Field Trial Council for Foxhounds.

MOTION #141-63
Moved by Mrs. Joel, seconded by Mr. Anderson:
"THAT, Mr. R. L. Blyth be appointed Chairman of the Field Trial Council for Retrievers."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment.

Moved by Mrs. Mack, seconded by Mr. McDerment:
"THAT, Mr. R. L. Blyth be appointed Chairman of the Field Trial Council for Pointing Breeds."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment.

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment.
ABSTAINED FROM VOTING: Mr. Blyth.
Motion carried.

DOG SHOWS

11 D 5. WEIGHING AND MEASURING

SUBJECT: Mr. MacKillop suggested that the Board consider the issuance of a directive setting forth the procedure to be followed in connection with the weighing and measuring of dogs at shows.
ACTION: The matter was ordered referred to the special committee (Mr. McDerment, Chairman) appointed to review the Dog Show Rules.

MINUTES

3 M 6. POLICIES AND PROCEDURES RE MINUTES

SUBJECT: Mr. MacKillop:

(1) stated that it would be impossible for each member of the Board to recall all business transacted at this meeting and decisions reached thereon;

(2) pointed out that until members of the Board are furnished with the minutes provided by the Secretary they are unable, in most cases, to acquaint members in their respective zones with decisions reached by the Board at its annual meeting;

(3) recommended that each member of the Board be provided, as quickly as possible after the meeting, with a brief resume of the business transacted at the meeting.

MOTION #144-63
Moved by Mr. MacKillop, seconded by Mr. Dawson:
"THAT, the Secretary prepare a synopsis to be forwarded to all members of the Board, of the business transacted at this meeting."
Motion carried unanimously.

DOG SHOWS

11 D 42. JUNIOR SHOWMANSHIP COMPETITIONS, ETC.

SUBJECT: The Secretary read a letter (dated January 17, 1963) from the Scarborough Kennel Club Inc. seeking approval of its proposed plans with regard to an annual Junior Showmanship Competition.
DISCUSSION: During a discussion which followed reference was made to the appointment, at the Annual General Meeting on March 14th, of Mrs. Elsie Murray as Chairman of a special committee, and it was agreed that while the Board had no objection to the Scarborough Kennel Club's plans so far as it concerned a Junior Showmanship Competition in connection with its 1963 championship show, the Board was not prepared to make any decision with regard to its proposed program beyond 1963 until it had received and dealt with the expected report of the committee of which Mrs. Murray was appointed Chairman.

A suggestion was made that a member of the Board should be appointed to act as liaison between the Board and Mrs. Murray's committee.

MOTION #145-63
Moved by Mr. Anderson, seconded by Mrs. Anderson:
"THAT, Mr. Wells be appointed this Board's liaison with Mrs. Elsie Murray's committee re Junior Kennel Clubs."
Motion carried unanimously.

REGISTRATION, STUD BOOKS & RELATED MATTERS

7 R 24. KENNEL NAMES

REPORT: The Secretary reported that he had been in touch by telephone with Mr. Albert Farrell, and Mr. Farrell had stated that he was not in favour of the suggestion that the name of the Miniature Pinscher presently registered as Ch. AIRLANE'S GOLDEN NUGGET be altered to Ch. AIRLANE'S GOLDEN NUGGETTE.
DISCUSSION: During a discussion which followed it was suggested that before any action is taken to determine whether Mrs. Sylvester would be agreeable to a change of name, the opinion of the Club's solicitor be secured and the matter then be left in the hands of Mr. Wells.

MOTION #146-63
Moved by Mr. Brown, seconded by Mr. Anderson:
"THAT, we leave this matter in the hands of Mr. Wells after securing the opinion of the Club's solicitor."
Motion carried unanimously.

INTERNAL AND ADMINISTRATION

9 A 46. PROMOTION, PUBLIC RELATIONS AND PUBLICITY

SUBJECT: A letter (dated November 26, 1962) addressed to the President, inviting the Club to arrange for a speaker from the Club at the Annual Convention of the Ontario Humane Society to be held at London on April 3rd, 4th and 5th, which letter the President had ordered referred to this meeting for consideration.
DISCUSSION: During a discussion which followed it was agreed that the Secretary be delegated a speaker, on behalf of the Club to speak, as suggested, on the aims of the Club and the scope of its operations.

MOTION #147-63
Moved by Mr. Dawson, seconded by Mrs. Joel:
"THAT, the Secretary be the representative of the Club."
Motion carried unanimously.

MOTION #148-63
Moved by Mr. Brown, seconded by Mrs. Mack:

Motion carried unanimously.

9 A 14. REPORT OF EXECUTIVE MANAGER

REPORT: The Secretary-Treasurer, in his capacity as Executive Manager, presented a report with regard to staff and the status of the business being transacted at the Club's head office, and made a few observations in which he outlined his views with regard to the method of handling business so far as it concerned the Board and staff.

9 A 7. AMENDMENTS TO BY-LAWS

SUBJECT: Mr. Anderson:

(1) expressed the view that the present form of minutes of meetings of the Board requires considerable labour on the part of the Secretary with consequent delay in its distribution to members of the Board and publication in the official magazine.

(2) recommended that the Board consider the inclusion of a proposed amendment in the next referendum ballot which would delete the present provision of the By-laws with regard to publication of the minutes, and substituting a system which would call for the setting up of a "Secretary's Page" in the official magazine, through which decisions reached by the Board could be more understandably and more quickly communicated to the membership generally.

MOTION #149-63
Moved by Mr. Anderson, seconded by Mr. MacKillop:
"THAT, the Secretary prepare a proposed amendment to the By-laws, for presentation at the semi-annual meeting, that will eliminate the requirement of publishing the minutes of meetings."

College Royal Sanction Show

The annual Sanction show held at the Federated Colleges in Guelph, Ont. is only one of the numerous activities which comprise "College Royal". The large animal shows are organized and executed largely by the agricultural students of the College. The presentation of the dog show is, by tradition and inclination, the field of the veterinary student body.

A considerable proportion of the veterinary students come from distant places and so the student possessing a dog is a comparative rarity. The problem in organizing a show therefore is to beg and borrow all available dogs from the citizens of Guelph and members of the Faculty. Obedience trials are becoming popular on the campus necessitating two or three months work prior to the show to accustom dogs to handler and vice versa.

Mrs. Mary Southcott from Milton was our judge this year, making her third consecutive appearance at our show. In the Obedience Trial, Novice A attracted four entries and Open three entries. Mrs. Southcott judges the obedience by the same standards as a CKC trial and no concessions are made to the "amateur" status of the handlers. In the conformation classes the performance of the handlers only is judged. The dogs are grouped into classes according to the availability of animals; thus, this year, a white Bull Terrier was tucked into the Non-Sporting group and a Coonhound appeared in the Sporting group.

Sufficient animals and handlers were available to enable three groups to be put into the ring; these were the Working, Sporting and Non-Sporting groups. The group winners then competed for "Best in Show". This position was won by Mr. John Reeve Newson, a fourth year OVC student. Miss Dawn Bryden, a member of this year's graduating class, was judged to have given the best overall performance in both obedience and conformation and won the title of Grand Champion. For this achievement Miss Bryden was presented with a silver rose bowl.

Left to right: Mrs. Mary Southcott, J. Reeve Newson (BIS), College Royal Queen and Dr. J. Archibald.

Dr. James Archibald, Head of the Division of Small Animal Medicine and Surgery at OVC, presented the prizes. The first presentation was a bowl of orchids to Mrs. Southcott who, as usual, judged each entry so conscientiously.

I would like to take this opportunity of thanking those companies who so generously contribute to our prize list each year, providing the students with a tangible reward for their efforts.

beagle judging schools

Following is a summary by Mr. Joe F. Tiede, of the Beagle Judging Schools held this past winter by the Ontario Association of Beagle Clubs.

"The classes were conducted by Mr. Hardie R. Brown, of London, whom I consider a prominent authority on Field Trial Beagles, having finished more Field Trial Champions, bred from his own dogs and bitches raised over the past 40 years from his own kennels, than any other private individual in Canada.

Hardie has campaigned his dogs both in Canada and the USA with a great deal of success. He has judged both CKC and AKC Licensed Trials for many years and is always in demand as a judge when his own campaigning of his dogs permit.

The first Beagler's School was held at the Southwinds Motel in London, November 18, 1962, commencing at 9:30. Mr. Leland Currah, President of the Ontario Association of Beagle Clubs, acted as chairman, and after a short introduction turned the meeting over to Hardie Brown, who interpreted the CKC Field Trial Rules and Regulations in an exceptionally professional manner.

Along with judges of licensed field trials, the other interested Beaglers taking part in this school questioned Mr. Brown on the proper interpretation of the CKC Field Trials Rules and Regulations, which in many cases are not too clear and we went to the AKC Rules which spelled out the interpretation explicitly, leaving no room for doubt.

Using a blackboard, Mr. Brown drew out many examples of actual runs of Beagles on rabbits and explained in detail how he would score these particular dogs and why judges erred in their interpretations of this particular run. Those in attendance who had judged Licensed Trials also gave their versions of a particular run in which Mr. Brown pointed out the merits and demerits to the satisfaction of everyone present.

It was a great disappointment to find so many Beaglers who have judged licensed trials in past years, absent from such important meetings as it was felt the majority of those absent needed this school far more than those present. It was indeed a pleasure to see Joe Smyth, a real old timer at raising and campaigning successfully field trial Beagles. A great deal of credit must also be given to Mr. Tom Joel for his participation in the Beagle Field Trial activity, taking his valuable time and attending meetings such as these, and to see people such as Mr. and Mrs. George Balmer take such an interest and spend their time at these schools, which can only go to prove their love and desire to upgrade and understand Beagling. The Licensed Field Trial judges present were Bob Youngman, Lloyd Courtice, Joe Tiede, Jack Tiede and Ray Yearwood. I do not wish to slight the other ladies who were present, both Mrs. Bob Youngman and Mrs. Ray Yearwood were also very interested participants. To mention everyone present at the two schools would take a great deal of space, but I am sure the second school held at Milgrove, through the courtesy of the Wentworth Beagle Club, gave everyone, particularly Mr. Brown, a lift for their untiring efforts.

A tremendous amount of credit must be given to Hardie Brown who spent so much time preparing the material for the schools and also the professional manner in which he conducted the entire program. His detailed explanations of the rules and all other questions put from the floor, were very well taken by all participants. Having judged licensed trials for the past 15 years, I personally felt many cases were brought up which were very helpful to me and gave me a clearer picture of how different people made different interpretations of a particular rule and Mr. Brown amalgamating all the ideas into the proper one." ●

Interesting reporting: Entertainment columnist Earl Wilson recently noted that "Richard Burton's birthday gifts to Liz Taylor were a white Sealyham puppy (part of the Welsh terrier family) and an antique bound volume of Shakespeare."

A retirement party was held recently in the Dog House bar of the Sheraton Russell hotel in New York. The event was held in honor of Skiffy, a St. Bernard who has been featured in advertising of SKF Industries for the past five years. This year SKF developed a system of communications control by computer and the advertising agency couldn't work in the dog in the campaign. Among the famous guests were Lady Greyhound, the Black and White Scotch dogs, Hennessy (who represents the well-known brandy), the Esso Watchdog, Mr. Mack and Gaylord, (Basset Hound model for an Ideal toy). Skiffy received a testimonial scroll pawprinted by all the dogs and a year's supply of Gaines-burgers (which he is unselfishly donating to the needy).

Dr. Henry K. MacHemer reports on two winning dogs in the Duncan area.

Mr. and Mrs. A. Best of the Wotanhalle Kennels in Chemainus are very proud of their German Shepherd bitch, Jola von Der Osterburg, bred by *A. C. Bob Reuter* of Puerto Rico. Her sire is Ch. Dick von Haus Schorn, her dam, Yorkdoms von Edelhaus. They have great hopes of her future show career.

Dr. MacHemer is justifiably proud of his Weimaraner bitch, Int. Ch. Adandre's Amy CDX TD. In 1962 she was again awarded the Northwest Versatile Weimaraner Trophy of Region 19, Weimaraner Club of America. This trophy is awarded for outstanding performance in Show, Obedience, Tracking and Field.

Mrs. K. R. Watt reports for the *Doberman Pinscher Club of Western Canada*. The club put emphasis on the breeding of sound temperament in puppies. The club and another local dog club have invited *Mr. Pfaffenberger* of the Guide Dogs for the Blind U.S.A. to lecture for all clubs interested on May 22 in Vancouver. They are looking forward to the evening which will include slides, picking a puppy for temperament, the use and training of a dog for the blind and other items of interest to dog owners. Donations will be taken to further the work of training Guide Dogs.

Mrs. Whitton reports the following doings of the *Coastal Canine Academy*: At the Kiwanis Dog Show, the trophy which the C.C.A. donated for the Highest scoring Dog went to the U.S.A. both days. However, the following club dogs completed their degrees: Mrs. Arthur's Whippet "Pickles;" and Mrs. Luke's Min Pin "Louie", Mrs. Riel's Sheltie "Nicki"; Mr. Taylor's Collie "Lance." Mr. Holland's Golden Retriever "Rusty" gained the first leg for C.D.X. and took Highest Scoring in Open A. All members who passed had scores well into the nineties.

The team from the C.C.A. won at the Sanction trial held by the *B.C. Scent Hound Club* on April 13. As this was their first time out, the team members were very pleased.

Graduation for the last class of the season and presentation of club trophies for degrees took place on May 14.

The tracking season started on May 21 with a lecture by Mr. Ben Taylor, training director at the Bridgeview Hall.

Very pleased to welcome the *B.C. Gun Dog Club* to this column this month This club publishes a monthly bulletin which would appear to be an excellent way of keeping its large membership (nearly 150) informed.

Mrs. Irene Canning is the energetic secretary. Club officers for 1963 are: President, *Don E. A staunch supporter of gun dog activities was lost in *Charlie Bunker* who died suddenly on December 27, 1962. He was well known in Canada and U.S.A. He owned, in the early stages, the famous Canadian and American Field Ch., Am. Amateur Field Ch., Can. National Ch., "Oakcreek Van Cleeve" and trained for the late *Sam Magoffin*, the Can. Dual Ch. and Am. Field Ch., Am. Amateur Ch. (Field), "Mock Haven Raynard of Fo-Go-Ta." He will be sadly missed at Field Trials. Deepest sympathy goes out to his widow and family.

January, February and March were busy months for the club members. On February 17, a Picnic Trial was held at *Ken Gibson's*, March 3 saw a Pointer Section trial at Ladner, March 9 to 10 had a Retriever Sanction Trial and the Vancouver Island Pointer Club held a sanction trial on March 16 and 17 at Burnside. The *Mainland All Breed Pointer Club* Trial was held on the same day at Ladner.

These were followed by a very successful licensed Retriever Trial on March 23 and 24. It was one of the largest Retriever Trials held in the area for some time.

This year marks the 25th anniversary of the *B.C. Gun Dog Club* which held its first licensed trial in October, 1938. The club is hosting the National Retriever stakes in October of this year.

ALBERTA

The German Shepherd Dog Club of Alberta is enthusiastically planning for their third Specialty Show to be held in July (subject to CKC approval). Training classes are being held under the guidance of *George Kuss*, ably assisted by *Mike Stoochnoff*, so that the German Shepherd in the Calgary area may be presented to the public as the efficient and faithful working dogs that they are. On the breeding front, club members have high hopes for a general improvement in the breed locally as the result of a number of imports brought in by *Mr. and Mrs. Jack Anderson, Mr. and Mrs. Ernest Corbett, Nancy and Dennis Litchfield, E. A. Moore and Horst Keller*, some of which have been mentioned before in this column. Shepherd breeders, Dominion wide, will be watching for further news from this area.

Anne Waugh of the *Alberta Kennel Club* reports the sad news of the death of *Jimmie McLellan*, an old time Collie breeder under the name of Knob Hill Collies. *Jimmie* will be missed by all, but especially by the children, for whom he always had a special interest.

The young members of the club are organizing a Junior Group, affiliated with the *Alberta Kennel Club* but run completely by the Juniors themselves. Although as yet in the planning stage, an

executive has been formed and a great deal of interest is being shown. President is *Beverly Clarke;* Vice-President, *Elizabeth Hayward;* Secretary, *Donna McLure;* and Treasurer is *Don Fyffe*. The *Alberta Kennel Club* has hopes that future judges and handlers will come from this group.

SASKATCHEWAN

Clubs must be too busy with their circuit to send in any news! I should have some first-hand news for you next month.

MANITOBA

Portage La Prairie Kennel Club continues with their weekly handling classes for local exhibitors in the few weeks remaining before their first All Breed show, May 26.

Worthy of mention is the publicity prior to the first Specialty Show for the *German Shepherd Dog Club of Manitoba,* June 9. On May 17, the club and show will be featured on Winnipeg's C.B.W.T. T.V. show "Spotlight". The following week there will be coverage on all radio and television stations, and a pictorial series on the front of the Free Press sport section. This will be topped off with a cavalcade of about fifteen 1963 convertibles, each suitably decorated and occupied by German Shepherds and two people.

Gateway City Obedience Training Club reports a very successful Sanction Show on April 20. There were many new faces in the ring. This speaks well for the interest in learning to present the dogs to their best advantage at the coming shows. Best in Show, BCB in Show and BCBP in Show all went to the seven month old German Shepherd puppy owned and bred by *Marion King*. Group winners were: Group 1, *K. W. Macaw's* Labrador Retriever "Byng Lords' Boomerang", Group 2, *Jack Lytle's* Norwegian Elkhound "Edla"; Group 3, *Marion King's* German Shepherd "Berwyck's Chorister"; Group 4, *Miss M. Gardner* and *Miss M. McLure's* Scottish Terrier "Gra-Gowan's Rob Roy"; Group 5, *Mrs. B. Peters* and *Miss M. Roger's* Toy Poodle "Barbee Tarna Silver Sequin"; and Group 6. *Mrs. B. Peters* and *Miss M. Roger's* Miniature Poodle "Frenches Golden Feather".

Mrs. Hawley did a wonderful job on pre-show publicity with pictures in Winnipeg's two newspapers and on television.

Next event on *Gateway's* agenda is their Obedience Trial and first All Breed Championship Show on July 6.

THE ALL TERRIER CLUB OF CANADA

Two club members visited Chicago International and returned with honors. *John Treleaven's* Scotties, Treleaven's Top Brass and Gaytime Teddy, each received a major, while *Jack Stewart's* Airedale, Ch. Raceway Miss Tatters, placed third in the Open, a great showing for a grand old girl — Tatters now is 10 years old. This is *Jack's* first appearance in the show ring in over two years and we hope we see him in the Canadian rings again soon. Can. and Am. Ch. Tregoad's Vicky's Cappy, bred by *Mr. and Mrs. H. Betts* and originally sold to *Barbara Worcester,* Calif. is now with *Mr. David Roche* in England. Cappy is in quarantine until August, after which he will be shown to his English Championship and then on to Australia where *Mr. Roche* resides. Cappy is a son of Can. Ch. Bhey's Brigid of the Bog, who was recently awarded the *Dog World's* Award for producing five champions.

By the time this column appears the 1963 *All Terrier* specialty show will be a thing of the past. Let's hope everyone enjoyed themselves and took home lots of ribbons. The Education Committee have planned a handling class for any exhibitors shortly before the show and depending upon the response this may be continued in the future. For those who did not have too much success at the ATC Specialty, just remember the story about Old Joe Blow garnered from the annals of *Dog World* Magazine:—

Come bow your head, for poor Joe Blow
Entered his dog in the Specialty Show
He bathed, scrubbed, clipped and trimmed him,
Worked the dog till his eyes were dimmed . . .
He hired a handler and when he was done . . .
He took first place . . . in a class of one.

BARRIE-HURONIA OBEDIENCE CLUB

Mrs. Grace Probert was guest speaker at the April meeting held at the home of *Rosalie and Peter Harvie*. A full attendance heard *Mrs. Probert* describe the *Ontario Obedience Association* and its assistance to clubs, also the methods of judging at Crufts show in England. Congratulations to *Rosalie and Peter* on their Corgi "Amber" being honoured with Corgi of the year award, by *Dogs in Canada*. Matinee show will be held at the Harvie home on Sunday July 13. Entry fee 25c up to open only. *Mrs. Grace Probert* will be the judge and there will be races for the children, fun and training for every one. Also at the *Harvie* home on May 6 the new training class commenced with *Rosalie Harvie* and *Harold Butler* in charge. This club is giving an all out effort to interest teenagers in Barrie and district in Obedience training.

THE CANADIAN SAMOYED CLUB

The club held its annual meeting on Sunday March 24 at which time the following slate of officers were elected: President, *Mr. Ian Miller;* 1st Vice President, *Mr. Gordon MacDonald;* 2nd Vice President, *Mr. R. J. Hensley;* Secretary, *Mrs. P. Burgin;* Treasurer, *Mr. H. Worsnop;* Ontario Directors, *Mrs. J. Alymar, Mrs. J. Hensley, Mrs. L. MacDonald, Mrs. N. Miller;* Quebec Director *Mrs. R. Jones;* Prairie Director, *Mr. J. Canhan;* British Columbia Director, *Mrs. D. Clark*.

The club has taken another step forward with the publication of their new monthly bulletin. The new bulletin has a much more impressive look than their old bulletin, also they are able to reproduce pictures in this publication which they hope will enable them to sell advertising and in time make the bulletin self supporting. *Miss Pat. Howden* has generously offered the club the use of a lovely cottage in which to hold meetings and the offer was gratefully accepted. The President, *Mr. Ian Miller,* has been confined to his home these past weeks with a heart ailment and the club is happy to report he is making a speedy recovery. First Vice-President, *Mr. Gordon MacDonald,* has been a patient at St. Michael's hospital for several weeks, also with a heart condition. Hope he is soon out and around again. He is missed at the monthly meetings.

OAKVILLE AND DISTRICT KENNEL CLUB

At the monthly general meeting, members celebrated the 11th birthday of the club.

As a matter of fact, an Oakville Kennel Club was first organized in 1915 and continued operating for several years, and several shows were held in Victoria Hall. Its activities, however, apparently petered out during the war or shortly afterwards and none of the original members are now connected with the present club, which was re-organized and commenced operations in April, 1951. The present club would be more than pleased to gain contact with any old time members and would welcome hearing from them. The general meeting was held in the club rooms of the Oakville and district Rod and Gun Club, located on the banks of Sixteen Mile Creek, under the bridge off Navy Street. The Oakville Scout Hut, where the kennel club has held its meetings for the past six years, is no longer available as the Hut is required for increased scout activities. The club members were very impressed with the facilities available at the Rod and Gun Club and hope that they may be able to continue holding their meeting there.

Following the business part of the meeting, *Mr. Alf Veale* had charge of the program and entertained the members with the film, "The Gentle Doctor", which traced co-existence of man and beast throughout the centuries, and the invaluable role played by the veterinarians for 4,000 years in caring for and protecting the well-being of domestic animals. The film also explored some of the lesser-known discoveries credited to veterinarians as guardians of our animal food supplies. Vets engaged in government agencies, educational institutions and private industry, also in research of new drugs, vaccines and serums, intended to make life better for man and animal alike.

"Thumbnail sketch" for the evening was presented by *Mr. R. Boudreault*, the subject being "The Dalmatian" and his six month old pup served as a model to help illustrate the points of the talk. Congratulations were extended to *Mr. H. J. Sachau*, whose Wire-haired Fox Terrier, Ascot Bridegroom, did so well at the Sportsmen's Shows.

At refreshment time a large birthday cake provided by *Joan and John Broeders* was admired and enjoyed by all, even the Dalmatian pup.

PROVINCIAL IRISH SETTER CLUB

The March meeting was educational night when films, lectures and demonstrations were the chief features. Membership still increases with the addition of *Mrs. Jean McIvor* of Islington and *Mr. J. Harmon* of Willowdale who were welcomed at the April meeting.

The April meeting featured an open forum on viruses, their causes and cures.

The Sportsmen's Fair, which will be held at Cold Creek conservation Park, June 22, have extended an invitation to this club to hold an Irish Setter members' show in conjunction with the fair. The members talked the matter over but left it to the executive body to look into the matter and decide whether the time was propitous for putting on a worthwhile show. Cold Creek conservation is located about two miles west of Nobleton on a 500 acre tract of scenic terrain. A branch of the Humber runs through it and small lakes have been developed. It is a beautiful place for the inaugural Fair which is sponsored by Metropolitan Toronto and region.

A training class is to be held at Lawrence Plaza on June 9. The next meeting will be held June 3 at the home of *Mrs. Gertrude Drew* at which time the club will close down for the summer.

Mrs. June Pugh has returned from England filled with news of the Irish Setter but feels the dogs in Canada and U.S.A. are bigger and better.

ST. CATHARINES AND DISTRICT KENNEL AND OBEDIENCE CLUB

The club is justly proud of its graduates from the Obedience training classes. *Mrs. Rochelle Burgess* and *Bob Dahmer* topped the trials – *Bob* getting the highest score of the day. *John Waldock* also won two legs on his C.D. with his Collie at this trial. Show chairman, *Terry Wilkes*, and his committee are to be congratulated on the success of this third championship show. Judging from the complimentary letters received since, it seems that others enjoyed it as well.

UPPER CANADA KENNEL CLUB

The club held its April meeting on April 28 and are very grateful to *Geoff. and Hilary Lissenburgh* for the use of their home. Business session was kept mainly to the job of selecting a time, place and judges for the year's members' match. Time decided on was August. During the program part of the meeting (which was taken care of by *Dick and Jeanne White*) a "Know your Breed" quiz was held. They also put on a demonstration and talk on the fine art of handling in the ring. This was very interesting and was enjoyed by all. It was especially good to have the *Whites* back after an absence of four months due to an illness of *Dick's*. Applications from *Mr. Len Stubbs* (Weimaraners) *Mrs. Anita Chapman* (Miniature and Toy Poodles) were received and approved.

WEIMARANER CLUB OF AMERICA

Mrs. Helen Schulze, governor of region 23, sends the following report:– "In March, I attended the annual meeting of the *Weimaraner Club of America* as their executive member and as your governor. The executive board of the Weimaraner Club put me on the ballot to run as Vice-President. My opponent, Mr. Fransisco, from California, was elected, which I felt was right as he carried the whole of California, two regions with a membership of over 700 members.

I was re-elected to the Executive Board and also as chairman of the Standard Committee. My co-chairman is again *Commander Earl Collins*.

The new standards are drawn up and sent in for approval to the head office, where they will be debated by the Executive committee, and then will go to the membership to be voted on, by ballot. Only after that will they present it to the American Kennel Club for registration.

The meeting was very interesting. The *Weimaraner Club of America* is financially sound. The magazine is voted one of the best according to club magazines. Our dogs are on the top again. This shows through better dogs on the bench, and it is through cooperation with our field trial members, who are convinced now that bench and field trials have to work together, otherwise the field dog will lose by not having a proper breeding behind him.

Unfortunately, our Canadian membership covers so big a territory that it is hard to call in meetings, but I would like to stress that any problems connected with our breed will be gladly answered by me, and the best advice given that I can possibly give. Just write and tell me your problems. Any member or Weimaraner owner passing through Niagara Falls please stop and make yourself known. Maybe it will be of advantage to all of us."

WINDSOR AND DISTRICT KENNEL CLUB

Due to complications and unexpected obstacles, the club has again decided to change the location of its shows coming up in July. Consequently, they definitely will be held at the spacious Windsor Arena which they feel will be much more convenient, central and comfortable for both exhibitors and dogs. These shows will be the first to be held in Windsor for several years and members are going all out to make it a real success. Hope to see you all at The Windsor Arena come July.

George: Doctor, my old stud dog is really getting old.
Veterinarian: Why do you say that?
George: Well, he still chases lady dogs – but he just can't remember why.

THE LADIES KENNEL CLUB OF CANADA

Quebec exhibitors did very well at the recent 48th and 49th Annual Dog Shows.

In Obedience, Highest Scoring Dog in Trial on Saturday was a Sheltie owned by *Mr. and Mrs. H. M. James* of Pointe Claire, and the honours on Sunday went to a Dachshund owned by *R. H. Peat* of Springfield, Mass. probably one of the first times around here that a Dachsie has been top scorer.

Around the Show: Perfect weather and many dog enthusiasts present, The Montreal Association for Retarded Children benefitting from the advance ticket sale – *Kay Harrison* up and around again after a bout of pneumonia – *Fred Rohrbach* circulating and talking up his Three Rivers show – *Miss Vere Robson* reminiscing with long-time members and friends (Has she ever missed an L.K.C. Show?) – *Jack Ellis* formerly with a N.Y. paper, getting into the swing of things and gleaning information for the very excellent coverage he gave the shows in the *Montreal Star* – *Doug Harvey* showing great interest in a very different type of sport while waiting to present the BIS trophy – the sheer determination and drive of Secretary, *Audrey Gray*, who, after a gruelling day (and all the work beforehand) still entered and showed six dogs in the Specialty at night. Ah, youth! – *Betty Hyslop* returning to her motel to find thieves had broken in and taken most of her possessions, an upsetting climax to a successful day – *May Birch* managing to duck downstairs occasionally from her secluded obedience ring to see how the outside world was faring. Too bad such a crowd-drawer had so little space for spectators – Photographer *Bud Salmon's* candid shots displayed on Sunday drawing praise and comment – the feeling of sadness and nostalgia evident among the older members at these the last shows under the old name and charter – and a slight show of resentment from some towards admitting male members, a "why couldn't they form their own club" attitude. – Sit transit . . . !

THE DOMINION COLLIE AND SHETLAND SHEEPDOG ASS'N (Montreal Branch)

Specialty show held in conjunction with the *L.K.C.* attracted 59 entries with the following members in the ribbons: In Shelties, *Helen Sinclair, The Neals, G. Shields, Karen Fountain, Sigi Muens, Hazel Slaughter, Ruth Mingie* and Se Isle Kennels. In Collies members also placed well: *Kay Anderson, Marg Good*

body, Audrey Gray, Ruth Burnett, Ruth Savage and *Helen Lovatt*. A great day for Sovereign Kennels, who swept the board, and for Ruth Savage.

Vi Dery did an excellent job of superintending and there were quite a few spectators despite the late hour. The prize table was laden with beautiful trophies including some clever and original ceramics featuring the two breeds made and donated by *Jo Grant*.

At the last meeting of the D C & S S A, it was decided that from now on the monthly bulletin of the Montreal Branch will be issued in both languages due to the increase in French-speaking members.

THE MONTREAL DOG OBEDIENCE TRAINING CLUB INC.

With *Frank Mingie* acting as M. C., the club recently put on a show combining dog acts and obedience for the Town of Mount Royal Scouts' Father and Son banquet. To the great enjoyment of the children, Boo, *May Birch's* Poodle, went through her large repertoire of tricks, complete with costumes, followed by Ming, the *Willis'* Lab, Great Pyrenees Yogi, handled by owner *Norma Allan* and *Peggy Gardner's* Boston, Little John.

SOMETHING TO BRAG ABOUT

Quebec was well represented at the *Ottawa Kennel Club* Diamond Anniversary Shows, with some finishing dogs and many placing in the Group. Special mention must be made of Can. Am. Ch. Kaukauna's Aldebaran, a Dobe who took her first BIS under a year of age and can still do it now she is going on seven.

Breeder *Hazel Slaughter* proud and pleased with the wins of her Sheltie, Meridian's Scotch on the Rocks, now owned by *Ruth Mingie* of Mass., who at just over a year has completed his Can. Ch. and picked up his second major for 5 points at the Chicago International, giving him nine points towards his Am. Ch.

A ten months Schipperke, Geraura Dandi D'Elegante, bred and owned by *Laura and Gerald McNally*, went reserve from the Puppy class over a large entry at the recent Schipperke National Specialty in Trenton, N.J.

At the Adirondack Beagle Trial, Bleeker, N.Y., in a class of 25 females, 1st went to *Guy Bonneau's* Lors Betty and 4th to *Frank Kleindienst's* Windy Hill Clover.

POT-POURRI

After viewing dogs (among other things) in London, Milan, Rome and Athens, *Marg Hamilton* (Cairns and Obedience) wound up in Southern Rhodesia in time to attend the annual dog show. She reports that Poodles are very scarce but there were many Dachsies and Schipperkes entered. German Shepherds are used mainly for Guard Dogs, and any obedience training is more on those lines than as we know it here.

The Detmolds (Spruce Kennels) have also been travelling and their 1000 mile search ended when they found just the English Setter pup they had been looking for — a Tri-colour, Lettermon's State Trooper.

Dave and Bobby Kolitinsky (Kolson Knls.) are justly proud of their recently acquired Boxer, Ch. Valmax Musketeer. This dog has had an outstanding show career, placing in the Group ten out of twelve times shown, has one BIS, and was the recipient of the Top Boxer award in the Atlantic Provinces in 1960.

Friends of *Dorothy Fountain* (Collies and Shelties) will be pleased to hear she is finally on the mend after a very long and tedious illness, and hopes to make the Summer shows.

Sarah Diamond has accepted the Quebec Directorship of the Dachshund Club of Canada for 1963.

In every family and every community there is always one dog who has something special to offer. Such was Shadow, *Hazel and Al Slaughter's* Blue Dane. So it is with a feeling of deep personal loss that I sadly report his death. He will be missed not only by his own household but by all of us who knew and loved him.

Do hope all read *The Old Timer* in the April issue of *Dogs* — a very thought-provoking article emphasizing what many have felt for sometime, namely, all amendments should be thoroughly thrashed out and discussed, under competent guidance (say a meeting with the Quebec Director, or a group of long-time breeders) by all eligible to vote on them. So many have a tendency to glance through and tick the first square with no understanding of the issue at stake, thus defeating the purpose.

Things we wish we'd seen Department: Popular Vet *Jack Leatherdale* judging a children's Pet and Hobby Show, pondering on the relative merits of a chicken and a snail for Best in Show!

in the chair. After a short business meeting the various show committee chairmen gave reports including *Mrs. Smith* (trophies) and *Mrs. Misener* (catalogue advertising). *Mrs. May* and *Mrs. Weagle* joined the club. The chairmen showed two films, one from the Sportsmen's show and another on dog training.

Evangeline K.C.'s April meeting was extremely well attended and the course in breed familiarization was completed with representatives from Group VI. A brief exercise in ring craft was inaugurated and will be continued, possibly out-of-doors now that daylight saving is in force and weather permitting. The club is lucky to have as members *Mr. and Mrs. Alex Wilson,* obedience enthusiasts. *Mr. Wilson* gave a resume of the requirements for a course in obedience training which the club hopes to start this summer. The highlight of the meeting was a visit from the newly elected Maritime Director (N.S./Nfld.) *D. H. Duff,* who gave a brief report on the recently held A.G.M.

Mr. and Mrs. Earl Talbot, Rockingham, visited the eastern U.S. at the end of April and while there looked at Toy Poodles with a view to establishing a kennel of this breed; their son David already has a Toy male of Thornlea/English bloodlines.

Mrs. P. A. Margeson, judge and Toy dog breeder, left by air for Bermuda to judge the all-breed championship show May 9-10-11 and was accompanied by *Miss Manning,* Chester.

MARITIME TOY DOG CLUB (N.S. Div.)

The club was founded at Dartmouth June 27, 1960 with the assistance of *Robert B. Laskey,* an officer of the N.B. Division; *Mrs. Donald R. Thomas* was elected President.

From the 12 charter members the club membership has grown to 48 and the club held its first Specialty show at Truro in July, 1961 with a second Specialty in Halifax June, 1962; in the fall of last year an All Breed Sanction show was held in Halifax and was well supported. Plans are now in hand for the club's 1963 Specialty, also to be held in Halifax.

The club, which meets monthly, has the following slate of officers for the current year: President, *A. Buss;* Vice-Presidents, (1) *P. McCarthy,* (2) *C. Taylor;* Treasurer, *Mrs. Rita Boyd;* Secretary *D. H. Duff;* Directors, *Mrs. Agnes Misner* and *P. C. Danby.*

their Ch. Kamel Electric Trick was among an entry of 28 champions. "It was a wonderful sight to see so many champions in the ring together. Ch. Jerohns Stu-Naught (by Ch. Kippax Dreadnaught ex Susie's Grumpus) was judged BB by Judge John O'Melveny of Los Angeles, Calif. Owned and bred by *Mr. and Mrs. John S. Klopfenstein* of Oklahoma City. BOS was Ch. Rawburn Bayside Bayberry, bred by *Dr. and Mrs. Friedman* and owned by *Mr. and Mrs. Cyril Bernfeld* of Allendale, N.J." (*The McCutcheons* started their seven-months-old pup, Corky of Kennebec at this show, where he placed 2nd in the Jr. Puppy Dog Class). "There was a total of 102 Bulldogs and 113 entries. Following the annual banquet the Bulldog Hall of Fame was shown for the first time, and oil paintings of each Bulldog to win BB at previous BC of A Specialty shows were unveiled. There was hardly a dry eye in the hall."

Died: *Marguerite Skirvin Tyson,* 58, in Washington, D.C., sister of famed Washington Hostess *Perle Mesta.* Co-heiress of an oil fortune, she was a warm, friendly person who collected French antiques, tended to the myriads of details of the parties she quietly co-hostessed with her sister. But to the dog fancy she was best known as a breeder and owner of Poodles and Terriers. At one time her wins included 60 BIS and 100 Groups in three and one half years.

Banshow,* Nashwaaksis, Fredericton, whose "Tragana" Samoyeds are worthy contenders in the show ring. Another Sammy breeder is *Lyall F. Rodney* of Silverwood, Fredericton, whose entries bear the "Yendor" prefix and who has spent some years in the Northland near Churchill and Fort Nelson with the Canadian Army. *J. G. Cavanaugh* of Saint John, President of the *N.B. Kennel Club* (1907-1963) is a "Long Service" member of CKC and for years held a very strong hand in American Cocker Spaniels. His newspaper career curtailed some of his show activities, but he did keep his hand in with some keen Smooth Fox Terriers and more recently with Standard Smooth Dachshunds. *Roy H. Colwell* of the "Ro-Lyn" Pekes and Poms is one of the founders of the *Maritime Toy Dog Club (N.B. Div.)* and now its President. His importations of English Pekingese have done much to strengthen the breed in this province. *Paul F. Delaney,* Moncton, is one of our younger Group judges (Working, Terrier and Toy) and a staunch supporter of the *Moncton K.C.* His first and strongest love has been the Boxer and in recent years he has also acquired Miniature Pinschers. Besides conformation he is an ardent competitor in the Obedience ring. *Mr. and Mrs. Harold Fraser,* Fredericton, are active members of the *Maritime Toy Dog Club,* while *Harold Fraser* is on the committee of the *Fredericton K.C.* They have bred some excellent German Shepherds. Also in Pomeranians and in Keeshonden they are making their presence felt. *Mrs. Elizabeth Heeley,* Westfield, is one of our oldest exhibitors of Wire Fox Terriers having bred them for over 30 years. She is a member of the *N.B. K.C.* and a faithful supporter of the *Ladies K.C. of N.B.* with "of Ryde" entries. The name of *George T. Kane,* Saint John, is synonymous with Boston Terriers of which breed he is one of the oldest enthusiasts; he is also one of the oldest members of CKC and *N.B. K.C.,* a much travelled judge in Canada and USA, a keen follower of horse racing and a track official for some years. *Gerald G. McCarthy,* Saint John, is one of the Maritimes' most experienced dog men and a qualified judge; at one time he was a successful all-breed handler in USA. His early successes as a breeder were with English and Irish Setters, when the former were more numerous at our shows than they are today. *Dr. and Mrs. A. E. McEwen,* Gunningsville, are closely connected with the N.B. K.C. in which both have held office, and the doctor is the club's official veterinary surgeon. They own a small but busy kennel numbering several breeds and housing champions in Dobermans, Bostons and Pugs. *Miss Lois E. Burpee,* Moncton, is a qualified Obedience judge and officiated at the first Trials to be held in Halifax, N.S. A former officer and an active supporter of the *Moncton K.C.* she breeds and shows Smooth Fox Terriers and Great Danes in the Maritimes, Upper Canada and the New England states under the kennel name of "Tide-View" and a Standard Poodle may be added later this year. *Mrs. E. N. Payne,* formerly of Moncton and now residing in Bathurst, was, with her friend *Mrs. Joyce MacKenzie,* responsible for the revival of the Newfoundland breed in this province; she is also an exhibitor of Westies. *Mr. and Mrs. Charles F. gles. In addition both are keen aviculturists specializing in colour-breeding of Shell Parakeets. *C. C. Sullivan*, Saint John, is one of N.B.'s veteran dog breeders, who in the early 30's specialized in blue belton English Setters. *Charles Sullivan*, who shows under the "Thornhaven" banner, is Past President of the N.B. K.C., a former CKC director, one of the oldest local club members and one of the most respected members of the "Long Service" association. Following World War II *Mr. and Mrs. Gregory Collins*, Colbrook, joined the ranks of dog breeders with the acquisition of American Cocker Spaniels from Canadian and U.S. kennels; in 1948 German Shorthair Pointers were added, in which breed the kennel now specializes. In 1961 Mr. Collins was elected president of N.B.K.C. Two of the province's most prominent dog fanciers are the brothers *Laskey, William W.* of Fredericton and *Robert B.* of Saint John; both pharmacists by trade as well as avid dog breeders and now partners in the "Canmore" kennel of Pomeranians. *William Laskey* first gained prominence in the show ring with English Bulldogs about the time of World War I, later he owned and bred Scottish Terriers with the "Hieland" prefix and also owned English Setters until entering into partnership with his brother in the "Canmore" kennel. *Robert Laskey's* initial show dogs were Irish Setters during World War I to which he later added Fox Terriers of both coats, importing some of his stock from *Jack Holgate* of English fame. As did his brother so also Robert Laskey owned Scotties as well as Airedales and Irish Terriers. Both brothers have handled dogs for others with marked success and both are past directors of C.K.C., are numbered among the oldest members of its Long Service Association and are honorary members of their local K.C.s ●

HO HUM!

Young man at a dog show. Marc Bedard and Dalmatians present a picture of sheer comfort and companionship at the recent Montreal show.

Memo from the Editor

from page 2

How many shows have you left with a feeling of frustration or anger? Are these emotions the rule or the exception with you and the exhibitors you know. Or do you say cheerfully, oh well, we'll try harder next time.

Do you leave the show the very first minute you can be excused? More and more exhibitors do. So that by the time Best in Show and Best Canadian Bred in Show are selected, the remaining exhibitors and spectators are mighty few. Wouldn't you like to hear a hearty round of applause when you get the nod?

People talk about the "good old days". What was so different about shows then? Were they really better? Was it any easier to win or lose then? Why, when we have fast cars, is it so urgent a matter to get on the road home, when years ago travel was slow and uncomfortable?

When we go to a baseball game, a concert or a film, we fully plan to stay through the prescribed time. Why the hurry to escape from a dog show?

Fortunately we are blessed with the ability to remember the good things and erase the bad from our memories. Perhaps this summer's shows will be talked about in the future as the "good old days".

Well, let's make them good days for all concerned right now.

Shows are essential. Shows give meaning to raising purebreds and bettering the breed. The dog game without shows would be like watching a program on television without sound. Or owning a plane without an engine. Meaningless, fruitless. If no one were to see your dogs in competition you could count on a severe case of kennel blindness.

Should you show your dog if the coat isn't right? Should you show under a judge if you know he likes an elegant type and your dog is short and cobby? If you show merely to help pad out an entry and then get licked, do you complain?

There are times when you can expect to get defeated. Can you take it? If defeat, deserved or not, upsets you to the point of making you bitter and complaining, perhaps a new hobby would be more gratifying.

Let's keep dog competition a sport and good clean fun, so that you just can't wait for the next show.

Remember, every time you win, someone is a loser. Wouldn't you like them to leave with a good feeling, win or lose? Come to think of it, are you a good *winner*? As comedians say, always leave them laughing.

And a good summer to you all.

It affords me pleasure to invoke a blessing on the cause of anti-vivisection. — Cardinal Gibbons.

to enable them to register only those they wish to carry on as breeding stock.

I am surprised at the CKC, who are there for the *improvement* of stock. All breeders know a throw-back turns up in the best of lines occasionally. Who wants to have registered a drop ear on a prick-eared breed and other definite faults? Also many folks wish to buy a pure-bred pup for less, who care not if its tail is gay, its ears down or a monorchid. But what breeder wants to give registration papers on these?

"Old Timer", am I right?

tiny ambassador

. . . About two years ago, through an advertisement in *Dogs in Canada*, I sold a Longcoat Chihuahua puppy to a Mrs. Sparrow in Nova Scotia. I was pleased to think that one of my puppies had gone so far and was happy with the results of my advertisement.

You can imagine the surprise and pleasure I felt when at Christmas I received a card from the Canadian Embassy in Moscow. The Sparrows had been transferred and taken "Kitten", their Chihuahua, with them. . . . She has created quite a stir.

I enjoy *Dogs* very much. Do wish the CKC could do more about separating the Longcoat Chihuahuas from the Smooths. They are for show, but this doesn't include Obedience Trials. Would like to hear other breeders' thoughts.

NOTES BY THE WAY

Judging of the braces was prolonged by the unusual number of entries. But when the decision was made, the spectators applauded madly. Best Brace was a pair of tiny white Chihuahuas owned by Leslie F. and Beatrice Mason of Chicago, barely visible to the entire audience. Best Team award went to Beagles owned by Jean H. Refieuna and Edward B. Jenner, who handled two each. An exceptional sight was the team of four beautifully matched Vizslas.

Not all the good juvenile handling was done in the children's handling classes. Twelve-year-old Diana Schreiber expertly handled the family Miniature Schnauzer in stern adult Schnauzer competition and while she did not earn the blue ribbon received more applause than the winner.

Otter Hounds, rarely seen anywhere, drew crowds. The 16 benched were recipients of curious and admiring remarks.

For sheer excitement there is little to match the Whippet and Afghan races over the 600 foot indoor dirt track. The Whippets go after the rabbit skin almost faster than the eye can follow. And the Afghans — running close to the ground, ears flying and silky hair blown

A RARE OPPORTUNITY FOR A RARE BREED

AN OAK GABLES' ITALIAN GREYHOUND

A WORD ABOUT THE PUPPIES' DAM

The dam has never been defeated in her breed in Canada and on six occasions, on her way to her championship, she placed in fast Toy groups. Twice shown in the U.S. she took the points on both occasions.

Here's a breed that's ideally suited for apartment or city home life. It's dainty, but hardy. It's short-haired—non-shedding and has no doggy odor. It's an intelligent, easily trained dog that has been an affectionate home companion and pet since the days of ancient Rome. You'll be happy with an Italian Greyhound, and we have, at the moment, two puppies available.

Clipping Your Poodle

from page 14

scissor to taper hair. Do not make any definite line between body and legs; the hair should look as if it all blends in very gradually.

After you have clipped your pattern in, shampoo and dry making sure the hair is nice and fluffy, then you can scissor away any untidy hair. The finished look should be neat and very smart.

It is optional in either trim to have whiskers and beard or a clean muzzle, and with the ears, in a Royal Dutch or a Sporting, to clip the upper part of the ear leather, below the crown and leave a tassel of hair on the ends, (it looks very chic) and to leave all the full, silky hair on the ears looks very lovable.

For Padding Out — For winter weather, all the above clipping suggestions with the exception of a Dutch trim, can have varying degrees of length of coat on the body. There is absolutely no need for a Poodle to become a shaggy, matted mess during Winter months, especially if he is living in a well heated home, and has a smart coat or sweater to wear when he goes outdoors.

Description of Sweater Trim: Clip paws face and tail as in other trims, but take clipper all over the body and down the legs, as close as possible leaving hair at forepaw above pastern about three inches deep, and at rear leave the same amount covering hocks. Comb and scissor this into neat round puffs. This clip is terrific for dogs living in the country, and for dogs that have become so matted as to make combing sheer torture for them. If a Poodle has been allowed to get too matted, it is foolhardy to attempt to comb out the matts because of the discomfort to the dog, and the fact that the skin becomes inflamed with the constant tugging, whereupon the dogs licks himself to soothe the soreness and causes rashes to appear, which take considerable time to heal. ●

dog has proper neck and shoulders you can run the clippers (#10 blade) starting behind the ear across the neck to a point in line with the elbow. Be careful not to get beyond that point and too far back on the body. In the event the dog has heavy shoulders, then this can be done better with thinning shears taking the shoulders very close and the neck not as close. This will give the appearance of a smooth, unbroken line.

Blend side of neck into the closer trimmed front of the neck. The head can then be finished by clipping from the centre of the top of head to just over the back of skull leaving a well defined head.

You can now put away the clippers as these should not be used on any other part of the dog for if you do the coat will grow "wooly". Using the thinning shears "finish off" the front part of the head, leaving a round appearance not flat or pointed. Trim down the neck fairly close, making sure there is a slight arch to the neck. Blend into the back leaving the hair here longer as you do not want the dog to have a shaved or clipped look.

When you get to the base of the tail be very careful you do not trim close. The tail should appear as if coming from off the back; many dogs have low tail-sets and proper trimming will help this a great deal.

With the back finished, blend down the side giving the body coat a curtain look. Trim hips down to blend with leg feathering. Shape the tail, being careful not to take too close. Taper under the tail down to skirt on hindquarters.

Behind the ribs and along the loin can be taken a little shorter. This will accentuate the rib spring. If the dog is too long in loin then this should not be done.

We now come to the feet, starting with the front. Comb the leg feathering down and cut off just so it is not on the ground. Trim excess hair on pads of feet, then shape front and sides, giving a round look. The hind feet are done much the same, the difference being when trimming these pick up foot holding scissors against pads, cut on an angle so when the dog is posed he will appear to be standing on his toes and not a flat-footed appearance.

After bathing it will be necessary to do a little touching up here and there.

Will following this method give me perfection? Hardly, as I do not believe any of us attain that goal. Nor will you likely get the desired results the first time you try as this comes only with practice and experience. Will you be criticized? No doubt you will. Just remember constructive criticism is helpful. Always keep in mind we are never too old to learn.

As previously stated, the dog here considered was the American Cocker Spaniel. Trimming of other Spaniels follows along much the same line. With the English Cocker you do not create a deep stop and his feet are trimmed much closer. Also the same applies to the English Springer.

THE BEST OF VARIETY

It's a dog's life

Recently my Standard Dachshund, Puppet, had nine puppies, born eight days prematurely, and died two days later. A few days before the whelping Minute, my Miniature Dachshund, stayed very close to her and whined as if she knew Puppet was sick. She seemed to be listening for something

To my amazement she developed huge swollen breasts and lots of milk. This was odd, because she is in the middle of two seasons, four months either way. Not knowing where to turn, I put them all on Minute, and at the end of two days they all had full little bellies.

A good friend, Myrtle Flett, suggested I put some on her Peke. At the time of writing they are five weeks old. They are all fine, healthy pups. Was it not a miracle, to have two built-in foster mothers? My thanks to Mrs. Flett and Minute.

Mrs. Fern Bodrug, R.R.#2, Fort William, Ont.

Five Dollars will be paid to the sender of an authentic anecdote selected each month to appear in this department. Items, which must not exceed 150 words, may tell of an heroic action, an hilarious incident concerning your dog, or describe an incident where a dog used real ingenuity to solve a problem. Two men in a tavern were arguing about the fighting power of their dogs.

"That yellow dog of yours couldn't lick mine," boasted one. "Go get yourself a purebred."

"My animal is a purebred," maintained the other. "Friend sent him direct from Africa. Just shortened the tail and trimmed off the mane."

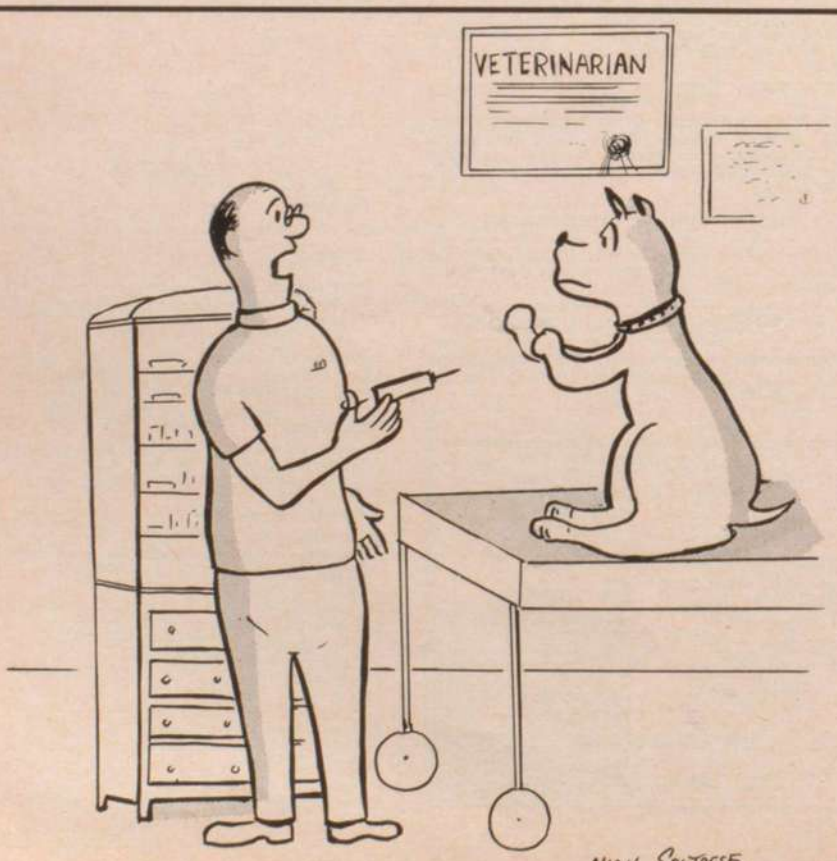

———

The man and his wife had spent many years with their dogs. But one day the husband called his doctor.

"She thinks she's a dog, doctor. Barks, paws at the door to go out, munches on kibble."

"Bring her over this afternoon," replied the doctor. I'll examine her."

"Fine," said the man. "I'll gait her over right after lunch."

ONE OF THE PUREST PLEASURES ON EARTH

"I am sorry for any human being who doesn't love dogs. He or she misses one of the purest pleasures on earth, for there is no other love that is so faithful, so unselfish, that asks so little and gives so much as a dog's. Anyone who has not had a dog who called him master and who looked up to him as we look up to God; anyone who has not had a dog nuzzle its head into his shoulder or lay its head upon his knees and look up into his face with eyes of deathless devotion; anyone who has not heard a dog's yelp of joy at his return of an evening is poor indeed. He or she has missed something fine and wonderful".

Dorothy Dix

DOGS IN THE NEWS

Six hundred soldiers and civilians, a helicopter and a pack of Bloodhounds were unsuccessful in locating three-year-old Danny Thomas of Hodgens, Okla., who had spent 26 hours wandering alone in the rattlesnake-populated Ouachita National Forest. He was discovered by hound-owner Lawrence Graham who looked up on a rock and saw the boy happily petting his hound dog.

Then there was the dog who celebrated his blue ribbon win by stopping off at a bar on the way home. When he reached home he discovered he'd left the ribbon at the tavern and sent one of his pups for it. When the puppy arrived at the bar the bartender leaned over and asked, "What do you want?"

"Pap's Blue Ribbon", replied the pup.

Huskies are being trained by the South African government, according to a UPI item, for South Africa's national Antarctic expeditions. The Onderstpoort Agricultural Research center north of Pretoria is attempting to replace the dogs of the Antarctic sled teams. First two Huskies were a gift from the 1960 Belgian Antarctic expedition. Fresh blood was brought in when seven adult dogs were imported from Greenland.

The New York newspaper strike created some unusual difficulties, apart from loss of jobs and savings, for thousands. The country owner of a Labrador Retriever had trained his dog to pick up the *New York Times* from the container at the highway. No paper, no retrieving, and the dog became confused and unhappy, until the owner placed an old copy of the *Times* in the holder each evening for the dog to retrieve every morning.
