cover story

BIS winner Progressive K.C. Toronto, June 1, 1963

The newsworthy Great Dane portrayed on this month's cover is Ch. Fingard's Haupt of Harmony Hill. His championship, attained at the age of 18 months, was gained in five shows. He is shown with Mrs. David Fingard.

This tremendous young Dane is owned by Mr. David Fingard of Beaverton, Ont. He is a grandson of what is purported to be the greatest winning Great Dane alive today – Ch. Heidere's Devil Dee of Marydane.

Haupt went Best of Breed in seven shows, placed in the Working Group his first three, and took the Working Group in the fourth show in which he captured Best in Show—all in a very short space of time.

His sire is Ch. Harmony Hill Fortissimo; dam, Peanut Candy of Marydane.

David and Mildred Fingard have been known for many years as successful breeders and exhibitors of fine Danes. They have only recently resumed showing. Mildred also keeps Miniature Poodles, purely for enjoyment.

Mr. Fingard has two other Danes. One is a daughter of Am. Ch. Honeybun who won the Working Group at Westminster in February, 1962 and Best of Breed the previous year.

Haupt, he tells *Dogs in Canada*, will be campaigned in the United States as well. He is handled by Wilfrid E. Shute, M.D.

attention bloodhound breeders

. . . I have been in touch with several people in Vancouver, B.C. to inquire about a full-sized Bloodhound. This animal, as you may know, will weigh around 100 pounds and stand about 25 inches to the shoulders when full grown. The type used in many areas for man trailing.

I would prefer a pup, female, in the tan or reds. Can you tell me where in B.C. or Washington State, that I could find the animal? The amount I should pay for a registered pup and any other information you care to send me on this particular problem.

picture credits

. . . In the entry under the above heading (*Dogs, July, 1963, page 123*) the photograph of the Chihuahua on page 103 is credited to me. This is no doubt a misprint, as this picture is not my work.

Credit, on the other hand, has been omitted in the case of the Maltese on page 106, and this certainly is one of mine . . .

Please allow me to congratulate you on a most excellent issue, upon which you surely must take justifiable pride.

more from dana

. . . I am Dana, the Boxer. Last October *Dogs in Canada* published a letter for me re my registration. My "Missing Link" has been found. I'd like to think *Dogs* had something to do with it. Thank you.

One day my human took me to a dog show. I was over six months so was entered as Senior Puppy. They called it an unbenched Sanction Show. All I could see was dogs, dogs, dogs. I was so excited I just walked on my hind legs. There was a ring roped off, and humans would walk their dogs around this. Sometimes the dogs would walk their humans instead. One human would watch them, looking very important. They called him the Judge. The funny thing was most of the dogs would do whatever this human told them to do. I thought they were nuts. I only do what my human says.

I was shining up to a Dalmatian. She had her championship and she was beautiful, when an overdressed human with a very loud voice asked my human, "Is that a Collie?" There was a classy little Poodle doing her stuff in the ring, when this loud-mouthed human roared "Sit" at me. I sat, the Dalmatian sat, and all the dogs around sat, even the little Poodle in the ring. Everyone gasped.

When it came my turn I walked around and around, up and down. Then I stood for examination. I thought I was doing pretty good when the judge proceeded to show my human how I should stand, how I should hold my tail up. I considered I was quite capable of holding my own tail up, so I promptly sat on it. Then he gave my human a piece of ribbon with "First" written on it. She seemed awfully pleased. But not me. Ever since then she has literally been stringing me up by my nose and tail. Posing she calls it.

I'll soon be registered, when they get all the calves and foals done. Thank you again, *Dogs in Canada*, and good luck to you.

one page worth a year

. . . Received our copy of *Dogs* and wish to say that it is getting to be a better paper every year. There is one page in the July issue that pays for all the year's subscription. That is Page 11.

I wish to say that there is a lot of deep thinking behind that page and if followed up would give great results.

studs lack "showiness"

. . . Enjoy your magazine very much. Disappointed in some of the studs in the annual Stud Gallery. Felt they could have been a little more "showy" or at least bathed and brushed. Otherwise terrific!

memo
FROM THE EDITOR

WITH the average Canadian, man, woman, child, owing an average of about $250 for credit purchases, should another spoke be added to the dizzying economic wheel by allowing credit buying of dogs?

Would this help sales? If the buyer can't afford to pay outright for the dog, or even a sizeable deposit on order and the balance on receipt, can he afford to give the puppy proper care?

If the prospective buyer were to save or budget the full amount for a dog, in advance of purchase, would he not appreciate and value it the more for having waited?

What about the breeder — how much does he risk? So far, it is the breeder, rather than banks or finance companies who have handled the credit. The breeder does not have a large financial reserve. Consider that the people buying dogs on credit more than likely purchase virtually everything else on the same basis. The breeder would be but one more on a list of creditors.

To be practical, credit sellers should charge interest. How much? Would the addition of interest charges discourage the purchaser?

More than one breeder can recount how he has been left high and dry with a bad cheque. Woud you want to risk not one, but a number of cheques from one person?

Standard Poodle breeder Fred Thompson of Toronto, on the other hand, finds the credit system works well for him. He leaves little to chance. On a total price of $125 he requests $15 down and $10 a month, which gives the purchaser about a year to pay. He has a prepared contract form for customers to sign. To date, he has received only one pup for repossession. The contracts are drawn up by Mr. Thompson's lawyer. There is a clear understanding that delinquent accounts will be turned over to a collection agency. These are sensible precautions. But when you consider legal fees and collection fees, profit will be scant.

In this day of almost too-easy buying, there is something to be said for waiting for something one wants. A dog is not a commercial commodity. The sum involved is not so great as to be impossible for the average family. We cannot feel that credit buying of dogs should be encouraged.

why no papers?

. . . Would like to add my comments to those of Blanche Sorensen (August) regarding purchase of purebred dogs for which breeders do not furnish registration papers unless a legal battle is enforced.

The Pedigree Act states that fine or imprisonment are the penalty for non-provision of registration papers. However, I purchased three Irish Terriers from a breeder. These were from two different litters, and I have a signed form for each one of these dogs wherein the breeder states that dogs will be registered and names which they will bear.

The CKC has written the breeder at least three letters and my lawyer has written, all to no avail. There is absolutely no reason why papers should not be provided. All dogs were paid for prior to shipment.

The three pups were ordered for specific customers and these customers were fully confident that papers would be provided, and there would be no difficulty with registration due to the fact that they were dealing with me as a CKC member.

Is there not something which can be done to stamp out this abominable and dishonest practice? We all withhold registration papers until we have received full payment for the dogs but once a receipt is received are we not entitled to full value for our money?

(It is not the fault of the "paper mills" in my case. Sire and dam have not been registered in Canada. One of these was imported in 1958).

animals in research

. . . I have read the articles by Mr. Tom Hughes with much interest and was glad to see that he admits that he is not a "complete anti-vivisectionist". Anybody who was upset by the thalidomide babies can not truly claim to be an anti-vivisectionist, as these tragedies possibly happened because this drug was not sufficiently tried on animals. I have worked in medical laboratories using experimental animals for 12 years and I am still a great animal lover and a dog breeder. During these years I have yet to see anybody deliberately causing unnecessary suffering to an experimental animal or performing an operation without proper anesthesia.

I fully agree with Mr. Hughes that the animal-dealers are much to blame. Most laboratories would welcome a reliable and veterinarian inspected establishment for breeding of experimental animals as a sick and undernourished dog is not much good for research. But, please, let us all agree that unless we want to stop all advancement in medicine, which benefits all of us, including our domestic and wild animals, vivisectionism is a necessity. Unless, of course, there were enough volunteers among the human race!

It has always amazed me, that not even the complete anti-vivisectionists seem to disapprove of the use of small animals such as mice and rats in medical research. These animals are often used for toxicity studies and often suffer more than any other.

the old timer

"You know," said the Old Timer "I'm wondering if they were legal?"

The comment came as he was cutting the nails of a dog on which he had been working and it came without any introductory preamble. My expression must have shown that he had left me without a clue for, without any further explanation, he went to his tack-drawer, pulled out a copy of the by-laws of The Canadian Kennel Club and opened it at Article XXXVIII "Amendments." "Here, read this," he said "then we can talk about it intelligently." As I read he continued working on the dog and when I laid the book down he put the dog in its cage.

"Did you digest it?" he asked. I told him that I had.

"Do you see what I'm driving at?" he continued. I told him I was still lost.

"It's there, as plain as the nose on your face," he said "but maybe I'd better give it to you in two syllable words."

I waited, knowing that he was going to reach for his pipe and knowing that he was going to get himself comfortable before he explained. So, I made no comment until he had the pipe lighted and drawing freely.

"Remember, back in the late fifties the membership passed an amendment that amendments to the by-laws, dog show rules and obedience trial regulations and standards were to be voted on every three years?" he asked.

I told him that I did.

"And do you remember that the explanation at the time was that this would reduce administrative problems and would save the cost of annual printings of the by-laws and rules because of a few unimportant amendments?"

I told him I remembered this too.

"Well, take a close look at Article XXXVIII," he said. "You'll see that a schedule of the votes was set up, the dog show rules to be amended every three years, beginning in 1959 – the next in 1962 and so on. First amendments to the by-laws were to be in 1958, followed by 1961, 1964 and so on every three years. No amendments to Obedience Trial regulations and standards were to be voted on until 1963 with the others to follow at three-year intervals.

"My point is this, that both the dog show rules and the by-laws were amended in the referendum ballot of 1963 and I question their legality in view of Article XXXVIII. The amendments to the dog show rules should not have been brought forward until 1965 and those to the by-laws until 1964."

"But did you read section 17 of the Article?" I asked. "It says that 'whenever in the opinion of not less than 11 members of the board early amendment of an existing by-law, rule or regulation, or the enactment of a new by-law, rule or regulation is considered desirable the board shall have the power to order a special regulation ballot'. Doesn't that legalize the 1963 amendments?"

"It may, or it may not," said the Old Timer. "As an old barrack-room lawyer I think there is a tricky legal point here. It's true that 11 members of the board did signify they were in favour of the amendments proposed. But does that meet the tests involved in Section 17? Should they not go further? There are five key words in there – *early amendment is considered desirable*. Did these 11 members place themselves on record that in their opinion they considered early amendments were desirable or did they merely signify that they were in favor of the amendments being placed before the membership. If they did not record an opinion that early amendment was desirable – and I use the words 'record an opinion' in their proper meaning – then I doubt that the referendum ballot of 1963 was legal except for those matters concerning obedience trials and standards.

"And one more thing. Section 17 of Article XXXVIII gives the board power to 'order a special referendum ballot.' Did the 1962 *'order'* a *'special'* referendum ballot or did it merely authorize the inclusion of these amendments in the 1963 referendum dealing with obedience trial regulations.

"And if I am right and if the 1963 ballot was illegal insofar as the by-laws and dog rules are concerned it might give the 1963 board an easy out. It is already on record as intending to change the rule prohibiting ring stewards showing dogs because it's been found this has worked great hardship on smaller clubs. I think it's also going to find the amendment requiring the weighing and measuring of all dogs subject to weight or size disqualification something like the Gordon budget – fine in theory but completely impractical in operation and will want to change that rule too once the clubs realize how it is going to slow up their shows. But more of that later.

"Meanwhile I think it would be interesting to get the club solicitor's opinion on the legality of the 1963 referendum ballot. Certainly if I was on the board that is what I'd be looking for. •

Two dogs sat quietly observing the family doing the Twist during a party. "You know something," observed one, "if we went through those contortions they'd treat us for worms."

OBEDIENCE

Ed. O'Brien, Canfield, Ont., is well-known as Canada's leading professional trainer of dogs in Obedience work. He is a licensed Judge, one of Canada's first. He began his career in the West, training dogs for herding and other farm work. Since moving to Ontario he has specialized in training dogs for police and guard work and for disabled people. Mr. O'Brien also breeds German Shepherds and Dobermans.

It was my privilege to judge the Obedience Trial at Kitchener on August 17 of this year, and I feel this club deserves praise for the first class shows which they have put on consistently, year after year. Good organization, clean, large rings and, certainly in the case of the Obedience Trial, very competent ring stewards all contributed to its success. Not once did I have to call the attention of my stewards to the next move to be made and, as all judges will bear me out, this alone can make a judging assignment a pleasant experience.

One of the classes was particularly noticeable for the variety of breeds entered and especially in the difference in size, ranging all the way from a very large Irish Wolfhound to a tiny Toy Poodle; both of which, by the way, did very creditable work. As this class was doing the "long sit", I realized afresh just how many more breeds are now taking part in Obedience Trials compared to former days. This is good, as it points up the fact that all breeds can be trained to be obedient and there is no excuse now for the ill-behaved dog, though the personality of an occasional dog might make him unsuitable for trial work.

This year we have had a record number of breeds in the Edlyn Training Kennels. Two rather unusual ones have been a Rhodesian Ridgeback and a Basenji. I believe both these breeds have been represented in Obedience Trials, but this is only our second Ridgeback and our first Basenji.

Two exceptionally interesting dogs, belonging to the same owner, were with us for some time on a boarding basis. One was a Shepherd from West Germany, which had been trained to work with the West Berlin police. The other, a shaggy, black and white dog, about the size and type of the English Springer, was a breed used in East Germany for herding sheep. These dogs may possibly have had different political views, coming as they did from opposite sides of the Iron Curtain, but they shared a cage happily together, perhaps because of a common interest in their work and play. Ontario Obedience folk, please take note! The benefits of training were well-demonstrated by these two dogs, for though they have known only commands given in German, they responded instantly to an English command, if given with the slightest signal to indicate what we wished done. We were particularly impressed by the fact that when their owner turned them over to us with a definite order that they were to "stay", neither of the dogs made an attempt to follow his owner, nor during their stay with us did they try to leave our property at any time. Yet they almost went crazy with excitement when the owner returned three

RETRIEVERS

IN THE FIELD

Ruth Copeland is one of the best-known participants in field work in Canada, and is perhaps best able, through her intimate knowledge of sporting dogs at work, to describe a trial from the standpoint of color, excitement and the fine points of an event. She is a real outdoor girl, a fine sport under any weather or field conditions.

FIRST GOLDEN RETRIEVER F.T. CH.

In reply to the enquiry as to when the first Field Trial Championship was earned by a Golden Retriever in Canada, Mr. Hobart S. Arnold of Woodbridge, Virginia writes that the title was completed in 1947 by F.T. Ch. Stalingrad Express #220041, a female, owned by Charles E. Snell. This information appears in the *Golden Retriever Book of America.*

A WINNING LADY HANDLER

Mrs. Kay Robinson, with her four year old yellow Labrador, Don Head Barley Sugar (Toby), came first in a field of 32 of some of Eastern Canada's best, at the North Bay and District Retriever Club's June trial. Kay has trained Toby herself and is to be congratulated on her success.

NATIONAL RETRIEVER CLUB PIN

A new pin has been designed and is being made in England. It is expected to be ready for this year's Championship Stake. If the pin comes up to the colored sketches and sample die casting submitted it will be worth entering your dog just to get one of these beautiful badges.

The pin is a silver gilt oval and pictures in colored enamel on contoured metal the central head of a black Labrador, with head of a Golden Retriever on the right and Chesapeake on the left. This is framed by the club name and a small maple leaf design on blue enamel, and at the bottom there is a blank flashing for engraving.

The B.C. Gun Dog Club, host to this year's Stake, has for months been making elaborate preparations to ensure that the event will be outstanding in every way, and all Retriever enthusiasts who possibly can attend will want to go to Vancouver for October 4, 5 and 6.

He knows what's best in Nutrition

Your veterinarian has a profound knowledge of Animal Nutrition. Years of study and practice have taught him the importance of a balanced diet. He knows which foods contain the essential nutrients your dog needs for good health. Such nutrients as Vitamin A and Vitamin E, for instance, to combat night blindness and skin disease. Broad practical experience, frequent consultation with fellow veterinarians, and familiarity with new developments in veterinary medicine make your veterinarian the person best qualified to prescribe your dog's diet.

HUMANELY "SPEAKING"

The General Manager of the Ontario Humane discusses tattooing of dogs.

by tom hughes

The modern interest in dog obedience and tracking proves that the average dog owner is not content with the show ring but wants some other outlet for the intelligence, energy and ability of his dog. This need may also partly explain why so many owners of sporting dogs are turning towards field trials in ever increasing numbers. Certainly many of the people who now enter their dogs in trials are not actually keen hunters or shooters. Many never own or use a gun of any kind. Some are even opposed to some aspects of hunting.

They know very well that field trials are having an ever increasing effect on shooting dogs in general. They know that the supply of sporting dogs with the right breeding is coming to depend more and more on field trials. With the increase in shooting pressure caused by the shrinking area in which shooting can safely take place coupled with the marked increase in the number of middle-aged shooters, in itself a modern phenomena, the sporting dog has to be able to perform his various duties to a standard never heard of in pre-war years. This applies particularly to Retrievers and the "new" breed of Pointers. This modern demand for super-efficiency has resulted in the great interest in the German Short-Haired Pointer, and the Weimaraner. It explains the interest in the Vizsla and the "Pudel-pointer." Shooters are looking for an all-round dog that will retrieve like a Labrador, point like a Setter or Pointer, and flush like a Springer.

If the dogs are changing in character and ability certainly the type of person who supports trials is changing too.

It was only natural that the real "doggy" person and the "professional" should have played an important and even dominating role in trials during their early years in Canada. In fact, it's fair to say that but for the support and encouragement of the professional handler, field trials would not have flourished as they have. If you turn up the early records of field trials, it was quite common for trials to be supported only by a handful of real "enthusiasts". With such limited support it was natural that the "professionals" should come out on top regularly.

Today the picture is very different with the "amateur" handler well able to hold his own either by ability or by sheer weight of numbers. At a recent trial in Ontario there were over 200 entries. The handlers included a popular American professional with a good half dozen dogs. He did fairly well but he didn't dominate the trial by any means. Surely this means that field trials are in a healthy condition. We can all learn so much from the professional handler, but the extensive support of enthusiastic amateurs is essential.

The "type" of person who competes in trials proves only one thing: that in fact there is no field trial "type". Handlers are drawn from every walk of life. At a recent trial I met a well known lawyer, a veterinarian, a clergyman, an air line pilot, a company executive and, in fact, a cross section of the community.

Another interesting feature is the increasing interest and activity of women in trials. They are proving that handling a trial dog has nothing to do with the sex of the handler.

Their success as "handlers" proves that anyone who is willing to spend a lot of time training his or her dog can achieve success. They also disprove the old theory that the only person who could produce a trained gun dog was a spartan type who spent most of his spare time rolling in the mud and in the marshes and looked and smelled like it, at trials!!.

Another theory that has been shattered by modern trends is that it was not possible to train a gun dog without using harsh or even brutal methods. Everyone has his or her own ideas about training but there is little doubt that the old theory that a dog has to have it "knocked in" has gone for good. I have never seen a field trial handler ever treat a dog roughly. I realize that this doesn't mean that handlers never discipline their dogs. Obviously they do; but if dogs were beaten in privacy this would quickly show up at trials. Don't forget that the owner or handler is under great strain during a trial. This strain shows up in different forms with each individual trainer. But one thing is certain, if it was the handler's habit to abuse his dog he would sooner or later do it at a trial. It is equally certain that every handler has *felt* like having an "understanding" with his dog during the trial; but none do!

The condition of the competing dogs shows, if proof were necessary, that a dog with a purpose in life, coupled with the opportunity for ample exercise is a very different animal from the dog that is not so lucky and lives a life of enforced idleness with no other purpose than to be a "companion" to his owner. So often the so-called "companion" is nothing more nor less than an animated toy that must be a "good dog" for 23 hours a day, and must be

Is your dog bone-hungry, too?

MILK-BONE satisfies the bone hunger of your dog.

A dog needs to chew, and knows it. In the absence of a bone, even the best-trained dog will find something else to chew—often something he shouldn't. But there are few bones in today's kitchens. Many that *are* available are not safe or good for your dog. That's why the modern dog goes bone-hungry.

The answer is MILK-BONE—the biscuit with the real bone shape that makes wonderful chewing, without a real bone's tendency to splinter or upset the digestion. MILK-BONE also gives your dog all the important nourishment found in milk, meat, bone-meal and vegetables. Get MILK-BONE in the biscuit size that suits the size of your dog—regular or large.

the story of retriever trials in canada

by RUTH COPELAND

Ruth Copeland of Grimsby, Ont., is one of Canada's best known field trial experts.

DAWN OF RETRIEVER TRIALS

Around the turn of the century, with the exception of Goldens which appeared later, Canada had representatives of all of the Retriever breeds; they were seen at shows and used for hunting. It was not, however, until the middle thirties that gun dog clubs attempted the first Retriever field trials.

TRAINING OR NON-OFFICIAL TRIALS

It is reported that at one of the first of these, held in British Columbia in 1934, Mr. S. S. Magoffin's Goldens took the first three places.

Kennel and Bench printed the results of a B.C. Gun Dog Club trial, held on Vancouver's Dinsmore Island on April 10, 1938, and judged by Mr. Henry Castillou.

Open

1. Dave Crawford's, "Brownie"; 2. Harry Sullivan's "Firpo"; 3. Ben Bowman's "Buzz".

Puppies

1. R. H. Moore's "Taylor Timber"; 2. R. M. McLuckie's "Bingo"; 3. Owen Harrison's "Solo".

Novice

1. Owen Harrison's "Solo"; 2. C. R. Burton's "Rockhaven Beau"; 3. Ben Bowman's "Buzz".

1938 SAW THE FIRST TWO LICENSED TRIALS

The Manitoba Gun Dog Club held a trial on July 16. Judges were Lt. Col. C. M. Scott and Mr. Glen McDonald. A description of the trial says that when live pigeons were released from their trap, forgetful that they were supposed to fly over the lake, they calmly strolled along the shore on foot; "thus more or less slowing up plans for an active day's sport". The report states that scoring was based on sagacity 20, steadiness 20, nose 10, obedience 10, tenderness 20, delivery 10, for a total of 100. (Perhaps the missing 10 was for flushing the pigeons?) Results:

Open

1. Algoma Jock, Labrador, W. Aconley; 2. Red River Fritz, Irish W.S., Mrs. E. J. Morgan; 3. Dinnie O'Shea, Irish W.S., A. L. Stewart.

Amateur Open (No points at that time)

1. Darktown Barney, Labrador, E. J. Greenway; 2. Darktown Minor, Labrador, Sam Rennie; 3. Paddy Boy, Irish W.S., W. H. Maris.

The British Columbia Gun Dog Club held a licensed trial in the same year on October 2, at Wood's Island. Judge was Ernest Scott. Dead pigeons were tossed into the Fraser River with lacrosse sticks, and those few dogs which completed marked single bird retrieves from the water were considered to be the top Retrievers of the day. Results:

Open

1. Moss, Labrador, Major A. McAllister; 2. Ch. Wilderness Tangerine, Golden, S. S. Magoffin; 3. Flag, Labrador, L. C. Moore and C. G. Clements.

PROGRESS

In 1942 B.C. handlers reluctantly agreed to run their dogs on two bird marked retrieves. Enough dogs completed to convince handlers that marking two birds was within the realm of possibility for a good Open All-Age dog!

About 1943 Bill Fisher of Calgary bought a young trained Retriever, F.T. Ch. Westhaven Pride, from Jack Smyth of Vancouver, and within a short time trials were mushrooming in Alberta. The first trial held in this province was organized by the Alberta Field Trials Club in 1943. First place in the Open went to Westhaven Pride, and second place to another Labrador, Victorious of Roedare, owned by S. F. D. Roe.

YANKEE TRICK TESTS

In 1944 Lt. Paul Bakewell III was posted to the Bremerton, Wash. naval base, and Oliver Krog wrote to him to ask him about the possibility of bringing Shed of Arden to Vancouver for their trials. Mr. Bakewell agreed to enter Shed, if they would include blind retrieves; otherwise, he would bring him up only for exhibition of blind retrieves. Opposition to including these "Yankee trick tests" was almost overwhelming, but in the end his entry was accepted on these conditions. He brought Shed, and a colourful young Golden Retriever, Stilrovin Super Speed. Both his entries did beautiful work, with U.S.A. Dual and Nat'l. Ch. Shed of Arden of course winning first place in both Open Stakes of the double-header trial held September 24 and 25, 1944.

1st Open Judges: Dan Neal and Fred Spencer

1. Shed of Arden, B.L.M., Lt. Paul Bakewell III; 2. Taylor's Topper, Lab., Major Austin C. Taylor (Henry Christensen); 3. Sky Pilot Tupper, Lab., R. M. Abernathy.

2nd Open Judges: Henry Castillou, James Washington and O. B. Harrison

1. Shed of Arden, Lab., Lt. Paul Bakewell III; 2. Sky Pilot Judy, Lab., Lt. W. Cameron (E. J. Cameron); 3. Stilrovin Super Speed, Golden, Lt. Paul Bakewell, 3rd.

THE FIRST FIELD TRIAL CHAMPIONS

Two black Labrador females appear to be the first Retrievers to earn their titles, and both apparently completed the necessary points at the same trial, held by the B.C. Gun Dog Club on September 13, 1942. They were Bracken of Timber Town and Westhaven Pride.

F.T. Ch. Bracken of Timber Town was sired by U.S.A. F.T. Ch. Timber Town Clansman out of Connie (F.T. Ch. Banchory Night Light ex Ch. Bancstone Peggy of Wingan). She and two of her progeny, litter mates U.S.A. Dual and Nat'l. Ch. Bracken's Sweep (later owned by D. Pomeroy and handled by W. Pershall) and F.T. Ch. Bracken's Peggy of Lynmour, were owned by Bert E. Blair and trained by T. Keith Coughlan of Vancouver. Bracken of Timber Town is the ancestress of a great many outstanding field Labradors.

F.T. Ch. Westhaven Pride, bred by Western Higbie, and sired by Western Tim of Bryn out of Princess Tess was owned and handled by Jack Smyth of Vancouver. Later she was sold to Bill Fisher of Calgary.

The first Chesapeake Bay Retriever to earn a field crown was F.T. Ch. Timbertown Mick (Cariboo) in 1943. He was owned and handled by Oliver E. Krog of British Columbia. Cariboo was later sold to Allison Bishopric, Jr. of Calgary, Alta.

Information is needed about the first Golden Field Champion. What about Irish Water Spaniels and Curly-coated and Flat-coated Retrievers?

ONLY ONE LICENSED TRIAL 1939

On July 15, 1939 the Manitoba Gun Dog Club held its second Licensed Retriever trial at Fort Whyte. Judges were H. S. Scarth, Arch. Blackie, and A. B. Adamson.

Open 13 starters

1. Sparks, Irish W.S., J. Duganis; 2. Darktown Barney, Labrador, E. J. Greenway (handled by his son); 3. Labbie, Labrador, Harris McFayden (B. Aconley); 4. Dinnie O'Shea, Irish W.S., A. L. Stewart (Bert Aconley).

A description of this trial mentions that there was "a lovely canopy of evergreen boughs providing shade for the dogs as they awaited their turns", and also that "large sanitary basins of water were frequently replenished". One of the tests, a real conservationists' special to simulate an escaping wounded bird, was set up by dragging a dead mallard through bush, firing a shot, and then ordering the dog to fetch. This is as valid a training test today as it was then, and one hopes your dog could do as well as these dogs did.

THE WAR YEARS

Following the 1939 trial there was a lapse in Manitoba licensed Retriever field trials until after the war; although in 1944 a small sanctioned trial was held at Fort Whyte in October.

The B.C. Gun Dog Club carried on with spring and fall trials through 1941 to 1945 inclusively. The Lower Mainland of B.C. Gun Association held a trial in 1944 and one in 1945. Another B.C. club, the Pacific Coast Retriever Association, held trials in the spring and fall of 1945.

The midwest was represented by the

Alberta Field Trials Club which held trials in 1943, 1944 and 1945.

In 1940, the second year of the war, as thousands of tons of shipping were destroyed in the Atlantic, and the Battle of Britain raged over England, apparently no formal Retriever trials were held anywhere in Canada.

From the first trials held in 1938, until the end of 1945, it appears from the record that a total of 22 licensed Open All-Age Stakes was held in Canada.

There is some difficulty in reconstructing these early statistics, and it would be greatly appreciated, where errors may have been made, if these could be pointed out.

THE BOOM

Following the war, the explosion of Retriever trials and registrations has been one of the most remarkable developments in the history of purebred dogs.

Intelligence and trainability, and the gentle dignified temperament of these breeds has gained them immense popularity; however, the support they have received is undoubtedly also a direct result of the growing concern of both the public and conservation authorities about the destruction of our natural resources and wild life.

It has been conservatively estimated that upwards of 15 million water-fowl and an equivalent number of upland game birds are *annually wasted* in North America. These shot birds are wounded and escape to die later or fall in heavy cover or inaccessible places; and so to fill legal bag limits more birds are killed. Almost all of these wasted birds would be recovered if hunters used trained Retrievers; with a consequent saving of millions.

King George VI (who owned and shot over Labradors) is quoted as saying, "The wild life of today is not ours to dispose of as we please. We have it in trust. We must account for it to those who come after."

spaniel trials today

by LILAH LYMBURNER

The English Springer Spaniel Club of Canada, which had its organization meeting at the last All Breed Championship show held in connection with the Royal Winter Fair in Toronto, probably is responsible for the revival of interest in Spaniel Trials in Ontario. Fortunately, at its first trial, held at Cook's Mills, the services of two outstanding persons were available; Maxwell Riddle and William Elliott, both of whom are recognized as the finest sportsmen, were of great assistance. At that time too, the late Alf. Loveridge was with The Canadian Kennel Club and he was in attendance for the day. Since that time other clubs have been organized, some with only the purpose of running trials and others including specialty shows for spaniels. Actually, the English Springer Spaniel Club of Canada was originally organized for the purpose of sponsoring specialty shows and as a club where breeders of Springers might come together for mutual assistance and benefit and at the outset, specialty shows were held annually which attracted entries from many points in the United States as well as Ontario.

Perhaps, with the number of people available to do the work and the dogs available for entry in the Open All Age Stake, too much has been attempted. Perhaps small clubs should combine forces in order to run good trials since those who are interested seem to be in widely separated places in Ontario. It is true that a number of years ago Spaniel trials were run in a much less formal manner than today and there seemed to be fewer restrictions and regulations, and very possibly those participating were a little less demanding as to what they expected of the club sponsoring the trials. Through the years we have seen enthusiasts come and go but some have remained steadfast in their love of the trials and showing what their dogs can do in the field. Among these we would list first Andrew Dunn of Port Credit and Henry P. Nicolson of St. Catharines. The late Herbert T. Routley of Peterborough was a moving spirit behind trials in Ontario and his wife Edna is carrying on the traditions behind their kennels. In the intervening years younger men and women have come to know and like trials and they are adding their part to this good sport but it would seem that if the number of Trials which have been held in recent years are to continue, some changes must come about.

Could we examine briefly what goes on behind the scenes and prior to the running of a spaniel field trial?

The day dawns with a promise of sunshine; a slight breeze which promises to dispel some low-lying mist over the fields and the secretary for the Field Trial breathes a sigh of relief, for all of this indicates a good day for dogs, birds and men who will be working during the day. The secretary catches coffee on the run and gets out to the field trial grounds in order to be on hand for the first arrivals. On the way a mental check is made of all the last minute things which remain to be done before the first brace is in the field and once more a run-down of all arrangements is gone over to be certain that things will get off to a good start. And so begins the day. Could we examine what has gone on prior to the day the Field Trial is scheduled.

Most clubs sponsoring English Springer Spaniel Field Trials are small in membership and sometimes the membership is comprised of persons who are not interested in both field trials and bench shows; it follows that the latter must of necessity assist those who want trials run if they are to be a success. If this worked both ways it would be an ideal situation or, if all members were interested in both activities it would be still better. But there are many reasons why this probably will never be the case. There are conditions which make this practically impossible and those who have been fortunate enough to have dogs which performed creditably in the field and at the same time held their own with the best at bench shows are few indeed today.

Mrs. H. S. Routley of Peterborough, Ont. is shown with one of her fine Springer Spaniels, Trent Valley Better Bees.

Unfortunately, Field Trials, at least for spaniels, have become something of a "rich man's" hobby unless the owner has retired and is still young enough to stand the rigors of training and "trialling" a dog. Few people have the time today to train a spaniel for the type of trials which are being run. A Springer Spaniel today, to win the Open All Age Stake apparently must work the field like a windshield wiper and with as much speed and agility. In order to achieve this kind of perfection many hours of work daily must go into the training of the dog and few people have that much time unless they devote most of their leisure to but one pursuit. Otherwise, the dog goes to a professional training kennel for its education.

All of these things in the fore-going are on the debit side of the ledger and all are the worries of those who are responsibe for the running and management of the Field Trials. On the other side we find the exhibitors who arrive in the morning, often to headquarters where a last cup of coffee may be had before going into the field; where number boards are all in order with the braces all lined up. The day is fine and the dogs perform well and the judges have performed fairly. Lunch time with a short period of relaxation finds opportunity for some comparison of performances and the afternoon goes

on in the same manner. The gunners have been excellent and at the end there has been adequate opportunity for a water trial for those placing in the Open All Age Stake. There is time to prepare for the dinner party and at the end of the day there are friends all around. It looks so easy and it sounds very pleasant but behind all of this there has been just a handful of people who have worked for weeks, including those who on the night before the trial work until dark to put in the stake marking the courses and who must be up at dawn the next morning because they will have still other jobs to do the day of the trials.

It serves no purpose to criticize unless one can make suggestions but even those who are involved in the working behind the scenes seem unable to find a solution. Perhaps there is need for clubs to combine their forces or it may be that small clubs – or at least those clubs where only a few members are interested in training dogs for trials – have attempted too much. But the suggestion is ventured that those who want to run their dogs in Championship Field Trials might give greater assistance. Apart from the preliminary work, there are many things which must be done by individuals the day of the Trials and it is most difficult to find those who will assume these responsibilities. The enthusiasts who have dogs naturally, will not have time for duties otherwise, though we have found club members running a young dog in a lesser stake taking over a job once he has run his dog. Those who are running dogs want to follow the performances of other dogs and very often observe the way others handle their dogs and so it falls to a handful of people to carry on.

Perhaps the answer is to use the services of "professionals" who will set up and run the trial, furnishing sufficient stewards, etc., and the services of a secretary. This of course, will add to the cost of the trials. Since we fear that costs have reached the place where they may not be increased if enthusiasts are to be encouraged, this then, is not the answer. Perhaps in the end, the solution lies with those who are most concerned and they will find that there will have to be greater cooperation between clubs and members themselves in those clubs. Because of the fine spirit which has always prevailed at spaniel trials we are certain this sport is not going to die – it may languish for a bit as it did a number of years ago, but there will be those who will find renewed spirit and who will continue to guide "trialling" along the way it should go.

beagling in canada

by DR. GEORGE COOMBES

Of over 100 breeds of dogs registered by The Canadian Kennel Club, the Beagle has been at or near the top in popularity for years – and no wonder. Among other features the CKC Breed Standard notes that the Beagle's eyes are large, soft and houndlike with an expression that is gentle and pleading. The tail is carried gaily and cheerful. The coat is close, hard and of medium length. The general appearance is a minature foxhound, solid, big for his inches, with the wear-and-tear look that can last in the chase and follow his quarry to the death.

To us beaglers our Beagles are much more than this. Regardless of how many or how few ribbons they win at the trials they are our best friends. I have one young female that I would keep if only for her cheerful smile. One cannot help but smile after a short 'conversation' with Sweet Marie. No wonder Sweet Marie is cheerful, she just loves to hunt and lives on a farm where she can hunt to her heart's desire. During the hot summer months Sweet Marie usually gathers her chums for a hunt after milking time in the evening. It is cooler then and the scent is better. I have often awakened very early in the morning to hear their symphony still coming up from the swamp – sometimes slow and methodical, at others, very excited and encouraged. They mostly wander up the lane about breakfast time, some with slow dragging footsteps, others on the trot. For those in the best of condition this will not be all, a drink of water and if nothing more interesting presents itself (such as the groundhog under the barn), away they may go again to take up the chase which they left only a few minutes before.

Summer and winter are the slow seasons for beagling in Canada. The daytime is usually too hot or too cold for satisfactory competition and at these times the beagler looks over his pack very thoroughly to select the "hottest" prospects for the coming spring and fall CKC licensed trials. To be good enough a hound must be fast to do his share of leading the pack, but not so fast that he sacrifices accuracy and honesty for speed. A hound which tongues out of sheer excitment and not because he is gathering scent is lying to the rest of the pack and slows the chase. He is quickly removed from the competition by the judges.

In 162 there were 30 licensed field trials in Canada sponsored by The Canadian Kennel Club. Points won at those events accumulate towards the enviable title of Field Trial Champion. Some extra keen beaglers will drive hundreds of miles each weekend during the spring and fall to enter their hounds in as many events as possible. By good planning, a sympathetic spouse, and a faithful automobile, it is possible to attend as many as 22 trials in one year. Many Canadian beaglers have attend 20 in a year.

The organizations hosting field trials may be a loosely knit group of half a dozen or so beaglers to the highly organized clubs like Ta-i-o Beagle Club of Montreal or Cornwall Beagle Club with its 160 members. However, size of club has no bearing on the fun that is had. We all have fun.

Each year, after all the trials are over in the fall, the Quebec and Eastern Association of Beagle Clubs sponsors a non-licensed Trial for Champions. Last year hounds came from as far away as Texas to compete in this event. It is at this event that the true sportsmanship of beaglers is manifest. We bring our Old Warriors out of the mothballs mostly just for the joy of hearing their voices in the pack, and I suppose every one of us has a faint hope that it will not be too fast a day so that the old fellow can show those young upstarts how to run a rabbit. The old champions are never criticized at this trial. We are only proud they are still with us.

are weimaraners pointers or retrievers

by HELEN SCHULZE

Mrs. Schulze, Niagara Falls, Ont., is Governor of the Weimaraner Club of Canada.

The Weimaraner is a Weimaraner! It is not a pointer, nor is it a retriever. It is a well bred combination of many of the most desirable traits of several different kinds of specialists wrapped into one utility dog.

The Weimaraner did not come by accident. He was bred through a long, painstaking process, one step at a time, until the original breeders achieved what they considered perfection. The breed was then stabilized through inbreeding and a stud book started for a permanent record.

Germany is a small country when compared to the New World with its vast expanses of land, but the forest preserves of Germany offer many different species of game. The preserves, mostly privately owned, were guarded by rangers and their dogs. It seemed only sensible to develop the guard dog into a usable hunting animal, thus eliminating the need for several specialists and permitting complete concentration towards improvement of one breed.

First, a guard dog must be able to track intruders. From this it was a simple step to breed the ability to track game. Once this had been accomplished, the next move was to breed the ability of tracking hare; after which the basic need of retrieving small game and birds

MEETING OF THE BOARD OF DIRECTORS

(Continued from July issue)

11 D 6. ENTRY FORMS

REPORT: The Secretary:
(1) reported that a show-giving club had inquired whether or not a dog is eligible to compete for awards restricted to Canadian-bred dogs in cases where the entryforms fail to disclose that such dogs were in fact Canadian-bred;
(2) pointed out that the Dog Show Rules require that a dog eligible for an award must compete for the award unless excused by the officiating veterinarian;
(3) pointed out that he had addressed a memorandum on May 8th to members of the Board outlining the problem and suggesting that this problem might best be overcome by requiring a show-giving club to refuse to accept any entry form unless all sections of the entry form are completed;
(4) read a letter from Mrs. Anderson, who stated that she had suggested to the Chairman of the Committee reviewing the Dog Show Rules, a revision of the awards for Canadian-bred dogs and Canadian-bred puppies, but felt that in the meantime the Secretary's proposal was the only way to overcome the problem;
(5) read a letter from Mr. Wells, who expressed the view that if a show-giving club accepted an incomplete entry form it had no authority to refuse the owner the right to place his dog in competition for awards restricted to Canadian-bred dogs and felt that this is a matter which should be left in the hands of each individual club;
(6) read a letter from Mr. Anderson, who suggested an addition to the premium list notifying exhibitors that entry forms would not be accepted unless properly completed.

MOTION #186-63
Moved by Mr. Brown, seconded by Mr. McDerment:
"THAT, the Secretary review the matter and present proposals to the Board with regard to desirable changes in the entry form so far as it concerns Canadian-bred dogs.
Motion carried unanimously.

11 D 25. DATES

REPORT: The Secretary cited two examples of applications for show dates and advised of the difficulties sometimes experienced in properly enforcing the deadline requirement for applications where applications originate in other provinces and are submitted, as required, by show-giving clubs to their local Director for transmission to the office.
The Secretary stated that this question might be overcome in one of two ways:
(1) by requiring that one copy of the application be submitted direct to The Canadian Kennel Club and the other copy to the local Director in the case of a show to be held outside the province of Ontario, the date on which the Club receives the application to be the deciding factor on whether or not the deadline requirement has been fulfilled; or
(2) specify two or more fixed dates during the calendar year by which dates applications for permission to hold shows and trials must reach the office of The Canadian Kennel Club for a specified period in advance (i.e. a deadline of January 1st for all shows and trials to be held in the period May 1st to June 30th inclusive).

MOTION #187-63
Moved by Mrs. Joel, seconded by Mr. Blyth:
"THAT, this matter be brought up at the semi-annual meeting."
Motion carried unanimously.

OBEDIENCE TRIALS

12 OB 17. DATES

REPORT: The Secretary reported on an exchange of correspondence with the Oshawa Obedience Association regarding non-approval given its application for permission to hold a licensed trial on September 1, 1963, the application having been rejected on the grounds that a licensed obedience trial is scheduled to be held at Hull, Que. on that date.
DISCUSSION: During a discussion which followed Mrs. Mack expressed the view that simultaneous trials at Oshawa and Hull would not conflict or be harmful to the clubs holding such trials.
Mr. Mehlenbacher (Chairman of the Obedience Council) and the Secretary expressed the view that, for the purpose of licensed obedience trials, Ontario and Quebec should no longer be considered a single zone, and discretion should be exercised in granting of dates of trials as far apart as Oshawa and Hull.

MOTION #188-63
Moved by Mr. Brown, seconded by Mr. Blyth:
"THAT, we endorse the recommendation of the Chairman of the Obedience Council and the Secretary and approve the application submitted by the Oshawa Obedience Association."
Motion carried unanimously.

12 OB 8. REPORT OF CHAIRMAN OF OBEDIENCE COUNCIL

SUBJECT: The Secretary:
(1) pointed out that at its annual meeting in March the Board (by resolution #107-63) had approved the recommendations of the Chairman of the Obedience Council with regard to new requirements in respect of residents of the United States wishing to judge at licensed obedience trials held under the Club's rules;
(2) reported that in the course of preparing a list of residents of the United States eligible to judge at licensed obedience trials held under the Club's rules, the Office Manager had raised the following questions:
(a) Is a resident of the United States eligible for approval to judge all official classes at C.K.C. trials, without taking written and oral examinations, even though such resident had been approved to judge but one class (i.e. Novice) at a particular trial in Canada when, at that time, he was eligible to judge all official classes in the United States?
(b) Is a resident of the United States eligible for approval to judge all official classes, without taking written and oral examinations, even though approved by the American Kennel Club to judge all official classes after having been approved to judge one class (i.e. Novice) at a particular trial in Canada when, at the time of such C.K.C. approval, he was eligible to judge only that class at trials held under A.K.C. rules?

MOTION #189-63
Moved by Mr. Brown, seconded by Mrs. Mack:
"THAT, these questions be left in the hands of the Chairman of the Obedience Council and the Secretary to be finalized."
Motion carried unanimously.

REPORT: The Secretary reported that, in the course of preparing a list of American judges eligible to judge under the Club's rules, the question had been raised as to whether or not the reference to "one violation" in the new regulations applicable to residents of the United States judging at licensed obedience trials held under the Club's rules, applied to a reported violation previous to the enactment of the new regulations by the Board, or did it apply to a violation reported by an Obedience Representative after the new regulations became effective on May 31, 1963.
DISCUSSION: Mrs. Joel expressed the view that the reference to "one violation" was not intended to be retroactive to any violation reported previous to the effective date of the new regulations.
Mr. Mehlenbacher and the Secretary expressed the opinion that as the regulations are worded, the reference to "one violation" could refer only to a violation which had already been reported to The Canadian Kennel Club by an Obedience Representative.

MOTION #190-63
Moved by Mrs. Joel, seconded by Mr. Blyth:
"THAT, this question be referred back to the Chairman of the Obedience Council for discussion with members of the Obedience Council."
FOR THE MOTION: Mr. Blyth, Mrs. Joel, Mrs. Mack, Mr. McDerment.
AGAINST THE MOTION: Mr. Mehlenbacher.
ABSTAINED FROM VOTING: Mr. Brown.
Motion carried.

REPORT: The Secretary reported that a number of clubs holding licensed obedience trials independently of dog shows, were apparently under the impression that amendments to the Dog Show Rules effective on January 1, 1963, having to do with dog show superintendents, dog show secretaries, and dog show ring stewards, applied also to obedience trials, and stated that with a view to overcoming this misunderstanding the Chairman of the Obedience Council had addressed a memorandum to clubs holding obedience trials, pointing out that these new Dog Show Rules do not apply to licensed obedience trials held independently of dog shows.

12 OB 18. OBEDIENCE REGULATIONS

REPORT: The Chairman of the Obedience Council reported that a request had been received by the Secretary for an early interpretation of the words "immediate family" as such words appear in the definitions of the Novice A and Open A Obedience Classes, and recommended that, pending the setting of policy by the national Board, these words be interpreted to mean the following: husband and wife, and their children.

MOTION #191-63
Moved by Mr. Blyth, seconded by Mr. McDerment:
"THAT, pending the setting of policy by the national Board the words "immediate family" be interpreted to mean husband and wife, and their children."
Motion carried unanimously.

REPORT: The Chairman of the Obedience Council reported that:
(1) the Secretary had had occasion to deal with the reported action of a judge in disqualifying from competition in the Novice A Class, an American-owned dog which had earned its Companion Dog title in the United States, and had sought a ruling on this question;
(2) this question had been discussed by the Chairman's Standing Committee which was unanimously agreed that the rules are quite explicit in that a dog which has earned its C.D. degree in any country is not eligible for entry in the Novice A Class, and a dog which has earned its C.D.X. in any country is not eligible for entry in the Open A Class.

MOTION #192-63
Moved by Mr. Mehlenbacher, seconded by Mrs. Mack:
"THAT, a dog which has won its Companion Dog degree in the United States is not eligible for entry in the Novice A Class, and a dog which has won its Companion Dog Excellent degree in the United States is not eligible for entry in the Open A Class.
Motion carried unanimously.

ACTION: It was agreed that a brief statement to this effect would be included in each premium list for the guidance of American exhibitors.

FIELD TRIALS

SUBJECT: Mrs. Joel pointed out that there are a number of Beagle clubs in Quebec holding pack trials for Beagles under the Club's rules and there are a number of French-speaking Canadians entering dogs at such events. She suggested that it would be very helpful to such clubs and to such owners if the running rules for Beagle pack trials were translated into French and printed copies made available for those wishing to have these rules in French.

MOTION #194-62
Moved by Mr. McDerment, seconded by Mrs. Mack:
"THAT, the Chairman of the Field Trial Council for Beagles be authorized to arrange for a translation of the running rules for Beagle (Pack) trials."
Motion carried unanimously.

claimed that he had registered a number of dogs with PENBARO included as a kennel name, Mr. Dewar having since submitted an application for registration of PENBARO as a kennel name.

The Secretary read letters received from Mrs. Bedard and Mrs. Hines in support of, and explaining the reason for, the application of Mr. & Mrs. Bedard for the registration of PENBARO as a kennel name.

DISCUSSION: During a discussion which followed it was agreed that in these circumstances the Board should follow the customary practice of giving priority to the first application received (in this case the application submitted by Mr. & Mrs. Bedard).

MOTION #203-62

Moved by Mrs. Joel, seconded by Mr. Brown:

"THAT, the application for registration of PENBARO as a kennel name, submitted by Mr. & Mrs. George Bedard, having been received first, be approved."

Motion carried unanimously.

REPORT: The Secretary reported that:

(1) Mr. & Mrs. Theodor Markalous, Oshawa, Ont. a non-member of the Club, had applied for the registration of a kennel name;

(2) it was the feeling of the Kennel Names Committee that when a non-member applies for a kennel name, steps should be taken to ensure that the applicant is eligible for membership in the Club before the application is approved;

(3) on the instruction of the Committee Mr. & Mrs. Markalous were asked to answer the series of questions included in the application for membership form.

The Secretary read a letter received in reply from Mr. & Mrs. Markalous and reported on their answers to the questions asked of them.

MOTION #204-63

Moved by Mr. Brown, seconded by Mr. Mehlenbacher:

"THAT, the application for registration of a kennel name, as submitted by Mr. & Mrs. Markalous, be approved."

Motion carried unanimously.

MOTION #205-63

Moved by Mr. Brown, seconded by Mrs. Mack:

"THAT, the reports of the Kennel Names Committee dated June 24th and July 4, 1963, be approved except for those items dealt with specifically at this meeting."

Motion carried unanimously.

SUBJECT: The Secretary read a letter from the Council of the City of Sarnia, dated July 12, 1963, concerning a proposed new by-law which was being drafted by the City Council to provide for the regulation of animals and domestic fowl in the City, this measure having been precipitated as the result of complaints received regarding the operation of certain kennels in the area. The Council was seeking to ascertain what, if any, undertakings are required by The Canadian Kennel Club in order that a person may establish, construct and operate a kennel.

MOTION #236-63
Moved by Mr. Brown, seconded by Mrs. Mack:
"THAT, the Secretary reply to the letter by forwarding a copy of the Club's application for membership and advice that, while we do not consider that we have any legal right to define a 'kennel' for licensing purposes, nor the physical structure and maintenance of kennels, we will be grateful if they will give us the opportunity of examining, and where appropriate, offering comments on any proposed by-law the Council of the City of Sarnia may consider, and offer the suggestion that they convene a meeting with representatives of the Sarnia Kennel Club and other kennel owners with a view to securing their suggestions."
Motion carried unanimously.

CLUB ROUNDUP

british columbia

JOAN RAILTON, c/o Sir Charles Tupper Secondary School, 419 East 24th St., Vancouver, B.C. Popular teacher, judge and Bulldog specialist.

The annual general meeting of the *Greater Victoria Dog Obedience Training Club* was held on June 28 with the following election results: President, *Mr. O. W. H. Roberts* (third time in office); First Vice-President, *Mr. D. B. Hudson;* Second Vice-President, *Mr. John McCoy;* Treasurer, *Mrs. R. B. Bates;* Secretary, *Mrs. D. B. Hudson;* Chairman of Training Committee, *Mrs. Sheilah Roberts;* Chairman of Trials Committee, *Miss V. Lyne.*

The club is proud of its wins of two inter-club trophies. The Fernwood Farms Junior Trophy was won by *Miss Rani Mayhew* with her Poodle "Debon-air Sami". The *Nanaimo Kennel Club's* Challenge Trophy was won by the team of *Mr. Terry Gains* with his Labrador, *Mrs. R. Belfit* with her Corgi, and *Mrs. R. Shanks* with her German Shepherd. This was very closely contested with the victors winning by one-half mark.

Once again tracking dogs have proved their worth. Ch. Nightwatch Russet Chevalier, owned by *Mr. and Mrs. D. B. Hudson,* was called in to find a lost dog — a Rhodesian Ridgeback who had been lost for three weeks. He was running with a choke chain collar and with a three foot length of sturdy chain dangling. He had been seen off and on in an area of about a two mile radius but none had ever seen him while searching. No scent was able to be given but the handler went out calling the lost dog. Suddenly the track was located and after some time, over a corn crop, wasteland and scrub and wooded area, Val flushed out the terrified dog from his hiding place. The dog again fled and the tracking resumed until he was found hiding in some loganberry vines. Surrounded by three of his mistresses he was finally caught. He has now completely recovered from his three weeks' nightmare when for the first time in his life he had found everyone's hand against him.

Mrs. Whitton reports for the *Coastal Canine Academy.* The members who attended the six shows in the Okanogan Circuit had an enjoyable time. *Mrs. Taylor* went for a "holiday" with no dogs and spent most of the time helping as ring steward. *Mrs. Luke's* German Shepherd "Susie" gained her UD at Vernon and her Min Pin "Louie" and *Mr. Taylor's* Collie "Lance" both gained a leg on the CDX.

At the same time as *Mr. Taylor* was on T.V. in Kelowna, *Mrs. Whitton* was appearing on the Kennel Club Show, Channel 2, with *Frank Wade.* She reports it as a "terrifying experience". *Mrs. Whitton* and *Mrs. Riel,* accompanied by their dogs "Boris", a Bouvier des Flandres, and "Nicki", a Sheltie, were interviewed about tracking. Nicki gave a very good demonstration.

A tracking test is planned for September 29 (subject to confirmation) and fall classes start on September 14.

Mr. Dufton of the Go-Duf Bulldog Kennels, Victoria, reports on a very interesting family holiday in Ontario. While there they attended the *Bulldog Club of Central Canada* Specialty Show, held at the home of *Mr. T. R. Dewsbury,* Locust Hill, Ont. Everyone was most hospitable to the Western visitors; special thanks go to *Mr. and Mrs. Clark* of Fergus, Ont. whose kennels they had the opportunity of visiting.

The Specialty Bulldog Show was followed by a Junior Handling Class in which *Mr. Dufton's* daughter *Susan* and son *Michael* captured first and second prize.

Mr. Dufton returned home with a new young female from the Dewsa Kennels. She topped an entry of three at the *Victoria City Kennel Club* Sanction Show held at the home of *Mrs. M. Bawden* and judged by *Mrs. Pat Tripp.*

MARY D. HART, and family are moving to Ontario. Please forward Club Notes from the Prairie Provinces direct to Dogs in Canada office.

German Shepherd Specialty Shows were featured among the prairie shows this summer: one in Calgary and one in Winnipeg.

THE GERMAN SHEPHERD DOG CLUB OF ALBERTA

held its third Specialty on July 20; an outdoor show held on the spacious grounds of the Riverside Community Association, under ideal weather conditions. The successful organization of the show may be attributed almost entirely to Club Secretary *Mike Stoochnoff.* The show itself ran very smoothly under the guidance of Show Superintendent *Herman Fulmer* and Ring Steward *Mrs. Dorothy Somerville.* The Specialty, with 35 entries, was judged by *George Frost* of Edmonton, a Specialty judge and one of Alberta's oldest breeders of German Shepherd Dogs, who carefully assessed each dog. Win or lose, exhibitors were well satisfied and all will be in there punching with the same old fight and renewed hope and effort at the next Specialty. Two Obedience Trials were held the following day judged by *George Frost* and *Don Miller,* with *Ralph Clarke* as Ring Steward.

THE GERMAN SHEPHERD DOG CLUB OF MANITOBA

was well pleased with its first Specialty Show on June 9. The weekend of activities was touched off Friday night by the parade of 18 German Shepherds in open convertibles through Winnipeg and St. Boniface, mentioned previously in this column. Saturday evening's dinner for the judge, the well known Specialty judge from the States, *Dr. William Redlich,* was very educational for the many who attended. *Dr. Redlich* gave a talk on "the American Breed Survey Society", what they are trying to accomplish and the benefits breeders may gain from its existence. *Dr. Redlich* then showed films of the Sieger Shows and some of Germany's outstanding dogs, past and present, taken on his many trips to Germany. The show itself was held Sunday, a first Specialty for many exhibitors and a real education to many with *Dr. Redlich's* thorough evaluation of each of the 52 entries. The highlight of the whole weekend however was the Breed Survey conducted by *Dr. Redlich* on the following day. Exhibitors from as far away as Calgary, Red Deer and Regina stayed over for this most important part of the weekend for the conscientious breeders — to have their dog evaluated, not in comparison with other dogs, but for its own value in conformation and for breeding, point by point. *Dr. Redlich* took from 9 a.m. to 2 a.m. the following morning to survey the 21 dogs entered. Five club members' dogs were classified Class 1.

It was particularly gratifying to me, personally, to note that all the much discussed German imports entered in the Survey were classified Class 1 by this top German Shepherd specialist, and placed at the top or well up in

the ribbons at the Specialty Show. Some of these were the same dogs that were placed at the bottom or out of the ribbons at some of the shows in the spring circuits under all breed judges. This Specialty and Survey should have been a "must" for those all rounders who will be judging ever increasing entries of better German Shepherds at the western shows in the future.

Congratulations to *Ed and Sharon Allman* of Winnipeg — real Shepherd enthusiasts — on the arrival of a son.

GATEWAY CITY OBEDIENCE TRAINING CLUB

Monica Torrance has lots of news to report from the Winnipeg Club. *Mrs. Becky Hawley* arranged for four T.V. appearances for the club prior to its first Conformation Show and Obedience Trials (by no means its first in this field) in July. *Doug Lawrence* provided accommodation for pre-trial classes in Obedience. These have always been made available free of charge for anyone entering Obedience Trials as this gives newcomers and their dogs a chance to get the feel of actual trial conditions. *Gateway* decorated a float for the Red River Exhibition Parade complete with dogs and handlers, with instructors wearing their regulation white nylon pullovers with club crest. *Monica* reports that *Mrs. Grace Anne Penno's* Standard Poodle, Golden Curl CDX, will be Manitoba's first UD dog, subject to CKC confirmation. She also points out that their BIS dog also qualified in Novice B, and their top scoring dog in Obedience went BB and third in Group; one more affirmative answer to the old question "Do Breed and Obedience mix?"

This club is very sorry to report that *Doug Ross*, Club Vice-President and recent Show and Trial Chairman, and his wife *Verna*, Show Secretary, are moving to Edmonton. *Verna and Doug* have done a great deal for *Gateway* and will be sorely missed. They were presented with a large T.C.A. crate (for a German Shepherd, I think) — a very appropriate going-away gift for dog people.

"Dog shows again," wailed the wife. "I'd drop dead if you ever spent a weekend at home."

"Now, now," countered the husband. "No bribes."

VINA JONES, R.R. #2, Minesing, Ont., Labrador breeder and exhibitor, valuable contributor to dog club, humane, first aid, other club work.

News of club activities seems scarce this month. Everyone is enjoying the holiday months and September should find all clubs back in harness and ready for the fall and winter training.

BARRIE-HURONIA OBEDIENCE CLUB

The club held its first Matinee Trial on Sunday, July 21, at *Harvie's* farm in Barrie. Twenty-two dogs were entered and approximately 75 people attended. Highest score went to *Mrs. Grace Probert's* Corgi "Shasta". A lucky draw of a hamper of groceries was made by *Frank Jones*, President of the *Barrie Kennel Club* and was won by *Harold Butler*. Gate proceeds go to the Barrie and District Retarded Children's Association. Fourteen graduated in the exercises held July 7; three were teenagers. Barrie press, T.V. and radio went all out on coverage of the event. Next meeting will be in the form of a weiner roast. *Mrs. Pearl Currie's* Chow Chow "Tanya", is the only Am. and Can. CD east of the Mississippi. Another first for Barrie.

THE CANADIAN WEST HIGHLAND WHITE TERRIER CLUB

held its annual Specialty Show in May and while the entry wasn't too large the show was a real success and quality made up for any lack in entries. This show was held in conjunction with the *All Terrier Club of Canada* show and the exhibitors attended the dinner which followed the show, at the home of *Mr. and Mrs. John Devlin*. During the summer months *Mrs. Muriel Kaye* took Little Pip (Ch. Dina-Ken's Little Pip) to three shows on the East coast where she took top honors. Westie owners, as well as club members, attended the annual picnic held August 10 at the home of *Miss Alice Ross* in Oshawa, Ont. A buffet lunch was provided by *Miss Ross*. Events included a masquerade for dogs and a funny hat show of homemade hats for adults.

THE GERMAN SHEPHERD DOG CLUB OF OTTAWA

reports 27 outside entries at their recent show which was just one more than half of the total entry. The show was held on the grounds of the University of Ottawa; the weather was perfect and all in all it was a very enjoyable and successful show. This summer the club has formed its first drill team and its first performance was given at the Kars Fair, Kars, Ont. on July 20. It was very well received by the spectators. The team will work with four to seven members depending on the availability of members and dogs. They were so enthusiastic about what this team did in less than three weeks that they hope to have a second team and a ladies

HAMILTON OBEDIENCE CLUB

The club held its spring graduation class, judged by *Mary Ledingham*, on June 20 at Spring Valley Hall. Top scores went to *Mrs. King* with a Doberman, *Mrs. Joan Kennedy* with a Welsh Corgi and *Mr. Vendewel* with a Shepherd. The club congratulates all graduates and hopes to see all again in the fall. The Members' Match was held on a beautiful sunny, hot June 23. *Mrs. Oldland* and her Doberman were top scorers for the day and *Mrs. Lil Firth* was second with her Shetland Sheepdog. *Mrs. Audrey Langford* very capably judged this match and all members thank *Mr. and Mrs. Oldland* for a very enjoyable day. The club held its Licensed Trial on June 30 at the Ancaster Fairgrounds. It was a very hot, muggy day and proved to be a bit trying for the dogs. There was an excellent turnout, however, with many visitors from the United States. Cold drinks, hot dogs, pies etc. were available for handlers and spectators at the refreshment booth which was taken care of by *Lil Firth*.

THE NEWFOUNDLAND BREEDER'S ASSOCIATION OF ONTARIO

has been disbanded for the proposed *Newfoundland Club of Canada* and a luncheon meeting was held of the Steering Committee at the home of *Mrs. Nona Navin* in Gormley, Ont. on July 28. Officers were elected to hold office until a general meeting, proposed for September 15, takes place. Officers at present are: Chairman, *Mr. D. H. Irwin;* Secretary, *Mrs. Alison Seaman;* Treasurer, *Mr. David Suckling*. The club is trying to get in touch with all Newfoundland breeders, owners, friends and fanciers and would appreciate hearing from anyone interested. For further information contact the Secretary at Rocharest Kennels Reg'd., R.R. 2, Markham, Ont. A breed book, "This is the Newfoundland", is available through *Mrs. D. Suckling*, 1665 Victoria Park Ave., Scarborough, Ont.

NORTH YORK OBEDIENCE CLUB

This club is evidently the busiest club in the country. Their reporter has sent me five pages of news and I had to cut portions in order to keep within the space allotted to me, which even then was impossible to do, so if some of the names and wins are missed please don't blame *Mr. Parlee* for he has given it to me in very detailed form. The first Licensed Obedience Trial was held by the club on June 9 at York Mills and proved to be the most exciting day since the club's inception. *Mr. and Mrs. Munneke* of Hamilton, Ohio judged the 45 entries. Being a Licensed Trial, results will have appeared in the "Show and Trial Results". Many of the members entertained in honor of the judges and the celebrating wound up at an impromptu party at *Mrs. Joan Younkie's*. The graduation, judged by *Ursula Floeter* of Oshawa, was followed by a friendly get-together at the home of *Mr. and Mrs. James Proctor*.

The regular monthly meeting for June was held at *Hazel and Gordon Mitchel's* home, with meaty issues reported and discussed re tracking, trial rules, veterinarians at outdoor trials and club business.

In conjunction with the North Toronto Kiwanis, *Mrs. Grace Probert* and club members entertained the Sunnyview Public School children. *Mrs. Davies'* "Gipsy" (now blind) and "Tarzan" proved their willingness to perform under adverse circumstances. One of the many ways of introducing the usefulness of trained dogs in our modern society. A novel corn roast and workout for dogs is planned for September 6 at *Mr. and Mrs. Pennycooks* at Unionville. The second annual meeting and dinner was well attended. Honoured guests were *Mr. and Mrs. George Mehlenbacher, Mr. and Mrs. Clark Diamond* and *Miss Evelyn Burgess*. During the business session the following officers were elected for the 1963-64 term: President, *Mr. Ritchie Read;* Vice-President, *Mrs. Hilda Pugh;* Secretary, *Mrs. Audrey Jeffrey;* Treasurer, *Mrs. Rene Proctor;* Directors, *Mr. Fred Donnelly, Mr. Frank McPherson*. The "Funarama", held July 7 at *John Stubbs*, Richvale, proved to be a happy outing for the entire family. Games for the kiddies and competitions for grown ups and dogs kept everyone

busy. *Grace Edwards* judged the 14 entries and the best Working dogs were *Rene Proctor's* Dalmatian "Cinders", *Jean Younkie's* Toy Poodle "Tony", *Marjory Parkinson's* Trudy and *Doug Shepherd's* Labrador "Cindy". "Gus", a muscular white Boxer, won the fancy costume contest. The coffee bar, stocked and handled by *Fred and Irene Donnelly*, netted a nice profit for the club funds. *Mrs. Grace Edwards* was the winner of a lucky draw and received a beautiful Royal Doulton figurine, "The Basketweaver". The training classes resumed July 24. The training staff, headed by *Mr. Ritchie Read*, welcomed 17 trainees. CD and CDX has been taken over by *Frank McPherson. Barb Pirrie's* ten month old Welsh Terrier female did so well in conformation at Halifax that we are hoping she will be as outstanding in Obedience. An item worthy of mention regards "Rinty", a German Shepherd-Collie cross owned and trained by teenager *Sandra Bargent*, who starred in a local version of The Miracle Worker. His knowledge of obedience made this dog very maneuverable.

THE ST. BERNARD CLUB OF ONTARIO held its annual picnic on June 2 at the home of *Mr. and Mrs. V. Cutting* of Bowmanville, Ont. *Mrs. D. T. Weir* was welcomed into the club as an honorary member, receiving a beautiful plaque from the President, *Marge Sorrel* and Vice-President, *Don Davis. Mrs. Weir* judged the Senior and Junior children's handling groups and awarded the winners with trophies. Plans being made to use the club's St. Bernards at the various shopping centres around Toronto for the Humane Society tag day, September 27 and 28. Next meeting of the club will be held at the Carmelite Orphanage in Toronto, September 15.

Julius A. Due of Long Island, N.Y., after judging each class, gave a critique on the dogs placed, and the reasons for the placings. A recording was made of this and the tape will be run at a future club meeting. Any dogs showing shyness were dropped in spite of excellent conformation, and the judge confirmed the general opinion that the Open Dog class displayed the best exhibits. Demonstrations at the lunch break by members and their Shepherds showed the versatility of the breed. *Betty Stockton* and "Atoll" went through some of the obedience exercises; *Mrs. David Crombie* and her seeing-eye dog, "Joy" demonstrated the skill and ability of guide dogs, and the close teamwork necessary between master and dog; then *Gerhard Kotiza* and "Thunder" put on a display of guard and attack dog training, continued with some excellent heeling and signal exercises, and completed the demonstration by leaving Thunder in the ring while children from the audience came out and petted and played with him. Truly an all-around dog. A very successful show, with plans already underway for next year.

TA-I-O BEAGLE CLUB OF MONTREAL

Cliff Morris has accepted the responsibility of new Field Trial Chairman, with the help of his wife, *Audrey*, as Field Trial Secretary, and *Matt Marshall* as his assistant, taking over from *Jim Akester* who performed the job so ably the past couple of years.

POT-POURRI

If you are wondering where *Jean Ferrabee* has been lately, she's busy learning all about Poodles, having added a Toy puppy to her household.

Welcome home to *Leslie Rodgers* (Shelties) back from a long stay in British Columbia. He will be teaching at Pierrefonds this year.

Dr. Dan Urtnowski, active here in Retriever Trials, has joined the staff of the Liesse Animal Hospital after completing a year with the A.S.P.C.A. in New York City.

No, it's no longer *Ron Thompson* you see at the Dog Basket — it's his twin brother, who has taken over from him. *Ron* has left the dog game for the time being to pursue the Sport of Kings.

Bill Taylor, home again from his overseas judging assignments reports he brought back five new Pekes — young females to add to his breeding stock.

Margaret and Milo Pearsall, the well-known obedience judges from the States, will be here in October to hold another of their famous Pearsall Clinics — an event sponsored by the *Mountain City Obedience Club,* and eagerly awaited by all obedience enthusiasts.

Furnace Brook Eniwetok, "Tuck" for short, *Pam Mack's* Welsh Corgi who died recently at the age of 14, distinguished himself both in Obedience and Breed, and was, I believe, the first Corgi anywhere to have his Can. and Am. Championship and also a Can. and Am. CDX. It has been a sad month at Macksons Kennels, as there is still no word on Kitch, the English Corgi lost awhile ago.

Arnie and Edith Johannson (he was connected with Dr. Baker's Animal Hospital for many years) have moved to Cowansville where Arnie will set up practice, and still continue his interest in his dogs and horses.

OF DOGS AND MEN

Dog days are upon us, as evidenced by the following reports from various parts of the world: In Calgary, *Abe Theissen* was crop-spraying about three feet above the ground when a dog leaped at the aircraft and attacked the left wheel, forcing the pilot to limp back to the field and a one-wheel landing. — From Germany comes a report that the RCAF has estabished the "first line of security defence" at nuclear storage dumps in Zweibruechen. This line consists of 17 German Shepherds and their RCAF handlers. — The Atlantic City Post Office Dept. says "we feel we are finally barking up the right tree in our dogged pursuit of a remedy to a problem that has hounded mailmen for a century — how to handle a dog whose bite is worse than his bark", and has issued all mail carriers a harmless animal repellent called "Halt". — 50 passengers in Sheffield, England, were ordered off a bus while the conductor and driver interrupted the scheduled bus

service to drive an injured dog to the nearest dog hospital. Only 11 passengers complained — the others agreed that the men had done the right thing. — In Belgium a girl decided to drown herself, and to ensure success first tied her hands with her dog's lead. The dog, understandably upset at losing both his mistress and his lead, leapt in after her and held her up until help arrived. — And finally, from the *Readers Digest*, the following: Returning from her first college prom, a disappointed young woman said to her parents, "It must have been wonderful in your day — when they had a stud line."

NOVA SCOTIA

Evangeline Kennel Club held its July meeting in the home of *Miss Bethune*, Berwick, when a review was held of the recent club championship shows.

During the discussion period which follows the business meeting the subject "Canadian champions" came up and *Alex Wilson*, the club's obedience expert and a breeder of Golden Retrievers, outlined a proposal he had made to *Robert Blythe*, CKC Field Trial chairman, about five years ago and more recently discussed with *Robert Little*, Maritime (N.B./P.E.I.) Director. The system envisioned is based on the grading system used by Canadian Large Animal Breed Associations (cattle, sheep, hogs etc.) and, as understood by your correspondent, is as follows: (1) Retain present regulations regarding champions, i.e. 10 points under three judges etc. and alter the designation "champion" to "Junior Champion" or "Breed Champion". (2) The Open Class to be for all dogs except champions. (3) Junior Champions may be entered in "Specials Only" which is to be changed to "Breed Specials Only" and these compete with Best of Winners for Best of Breed. (4) Dogs winning three firsts in the Group under three different judges to become "Senior" or "Group Champion" and eliminated from further Group placings, but can be entered in the "Group Specials" class. (5) A new class for "Group Specials" open to dogs designated "Group" or "Senior Champions" and "Best in Show" or "Grand Champions". The winner of this class competes with the dog winning First in Group for Best in Group. (6) The six Best in Group compete for Best in Show. (7) Any dog winning three Best in Show under three different judges becomes "Grand Champion" or "Best in Show Champion". The aim of this system is to grade champions, especially as a guide to breeders, who then can

DOGS & PEOPLE

Recuperating: *Ruth Copeland* of Grimsby, Ont., reporter to *Dogs in Canada* on Retriever events, from a recent operation . . . *Anne Gerigs* of Pickering, Ont., home at last after many months in hospital following an automobile accident.

"Anatomy of the Dog Reviewed" is the lead article in the current summer issue of Gaines Dog Research periodical. The article is condensed from the series by *Wilfrid E. Shute, B.A., M.D.* carried recently by *Dogs in Canada.*

Golden Curl (Penny), Standard Poodle, finished her utility degree. "This makes her the first and only Utility titled dog in Manitoba," writes *Mrs. Grace Anne Penno,* Dugald, Man., proud owner.

Pearl Currie, owner of Ker-Ree's Kennels, Reg'd., Barrie, Ont. now writes that her Chow Chow, Currie's Tanya of Marhal, CD, and her kennel mate, Ghat's Guy of Marhal, CD, "are the only Chow Chows in Canada to have obtained their CD titles. Tanya is the only Chow female, east of the Mississippi to have gained the dual Obedience title. Her score at five out of the six trials she entered was not less than 190 and her top score at one U.S. trial was 195½. She is now in training for CDX work." Mrs. Currie gives credit to the expert training received from the North York and the Barrie-Huronia Obedience Clubs.

Mrs. D. T. Weir, Toronto was recently presented with an honorary membership certificate by the St. Bernard Club of Ontario, in recognition of her interest and assistance to the club. Among her special endeavours: preparation of a film showing gaiting of Saints, assistance in setting up a welfare program which not only brings enjoyment to many children but returns the Saints to a "working" career. *"Doug" Weir* also recently received recognition when he was named Vice-President of the North American Life Assce. Co.

Shown left to right: Dr. B. Sorrell, Secretary, the St. Bernard Club of Canada; Mrs. Sorrell, President, and Mr. D. Davis, Vice-President, make presentation to Mrs. D. T. Weir.

John R. Treleaven of Terrier note and *Wm (Bill) McDerment* well-known judge, both of the Toronto area, celebrated their 78th birthdays together at the recent Windsor, Ont. show. Mr. Treleaven has since suffered a severe stroke and is confined to hospital.

Born: to *Andrew and Valerie McMillin,* a son, June 22. The McMillins and Valmax Boxers move to Honolulu the end of this month where they will be located for the next three years with the U.S. Navy on exchange from the Royal Canadian Navy.

Died: Fons of the Rouge, C.D., West Highland White Terrier, one of the foundation stock of *Mrs. Nona Navin's* Shipmate's Kennels, Gormley, Ont. Fons was well-known in Westie circles and was the background for many top-winning Westies in Canada.

Everyone in the family wants a dog to fill a need.
Each knows the kind of dog he wants —
Each knows the very breed.
But each can't have a separate dog.
There must be compromise.

first official trial

north york obedience club

The Munnekes would like to go on record as having thoroughly enjoyed their first judging assignment in Canada. It was an honor to be asked to serve at the first official trial of the North York Obedience Club and we sincerely appreciate the wonderful hospitality extended to us by the members. We feel that your enthusiasm will guarantee many successful trials in the future.

We found judging in Canada no different from judging in our own country. Fortunately, our two Kennel Clubs, with the exception of touching the dog on the Long Down, have found it wise to follow the same rules so that handlers can cross the border freely and earn legs in both countries.

Perhaps unfortunately, all judges do not deduct points in the same degree. While the Rule Book states the errors that make a score non-qualifying, it is left to the individual judge to decide whether most faults are minor or substantial. No one has yet come up with a foolproof method of standardizing deductions — automation has not yet replaced judgment.

We were delighted to see so many different breeds represented in the classes. Too often people think that only Poodles and German Shepherd Dogs are capable of being trained for obedience work. While other breeds may present a greater challenge, they can also give one a greater feeling of accomplishment. The handler who successfully trains a Terrier or Hound can be doubly proud of the degrees he earns.

The ring equipment was in excellent condition; the stewarding could not have been better. The weather was sunny and pleasant with a good breeze blowing. The grass was short and the ground was level. Conditions were as ideal as possible for an outdoor trial.

Sixteen dogs were entered in the Novice A Class and ten made qualifying scores. There were the usual problems of tight leashes, crooked sits, wide about turns, and sniffing. Only one dog failed the Stand for Examination, but this dog also failed the Long Down. Only one dog failed the Heel Free exercise, but he was also one of the three dogs that failed the Recall. One dog failed the Long Sit, and five dogs failed the Long Down. The Second Highest Scoring Dog in Trial, came from this class.

Two of the five dogs entered in the Novice B Class made qualifying scores. One dog failed on both the Heel Free and the Long Down; one failed the Stand for Examination; and one failed the Long Down.

I have long considered Open A the "heart-breaking" class. Usually the work is new to both the handler and the dog, and the hazards are so much greater than in Novice. Only one of the six dogs entered in the Open A Class made a qualifying score. Two dogs fail-

ed on the Drop on Recall; while one dog failed to retrieve the dumbbell on Flat. Two dogs failed to retrieve over the High Jump. One dog failed to do the Broad Jump. Only two dogs had a perfect Long Sit; while four remained in the Long Down. Two dogs each failed four exercises; one dog failed two exercises; two dogs each failed one exercise; while only one dog performed all of the exercises. With more work and patience, these dogs can all earn degrees.

In most trials one can expect the best all-around work to come out of the Open B Class. This trial was no exception. Three of the four dogs made high qualifying scores. The Highest and Third Highest Scoring Dogs in Trial came from Open B. The fourth dog failed in only one exercise — the Long Sit.

Perhaps it is safe to say that far more dogs fail the Utility Class than ever pass it. Only one of the three Utility dogs made a qualifying score and he had been a UDT for many years. An exercise that a dog does well at one trial may be failed at the next. The pride of a UD title encourages the handler to keep trying.

No judge enjoys giving a dog and handler a failing score, but all judges are required to follow the rules. A trial is a contest where the handlers are not only working for qualifying ribbons but are also competing for prizes and trophies. To be fair to all competitors, a judge must deduct points for everything he considers an error. While only one official judge is allowed in the ring, there are always many unofficial judges at ringside who are much more generous in the way they place their friends. As one young lady said as she pointed an accusing finger at a mark on her score sheet, "Neither I nor any of my friends think . . ." My answer to her, like my answer to my students, "If I hadn't thought it was wrong, I wouldn't have bothered to put it down."

The disappointment of the moment can be very upsetting, but tomorrow brings a new day with new hope. This is a wonderful hobby which can add much joy to our lives if we but enter with the right spirit. The Munnekes wish to thank a wonderful club for a most enjoyable weekend.

—Edi Munneke

Stateside NEWS

The Quaker Oats Company has announced the names of the winners of their annual "America's Dog Hero of the Year" awards for 1963. First prize (a $1,000 U.S. bond, a gold medal and a gold plaque, a gold plated collar and leash as well as a custom-made dog blanket and a year's supply of dog food) was won by "Dutch". This fun-loving, friendly, bouncy German Shepherd leaped into cold, 34 degree water from a pier at Troy, Pa. to save the lives of two young boys. Second place went to Misty, a mixed breed who led rescuers to her two and one half year old master, lost on a mountain.

Obedience

weeks later. *This* is obedience as it should be.

We have been asked, in recent months, to give obedience training to several dogs whose temperaments would appear to be sound, yet who are resentful at being handled by strangers. This does not appear to be the often-seen "jittery" shyness, because the dogs have steadied down quite soon when properly controlled and handled. Several of the dogs seem to fear persons of either the male or female sex. This is probably caused by their having too little contact with either the man or the woman in the home. I was once forced to disqualify an otherwise excellent worker because he would not allow me to examine him, yet showed no fear in being close to me so long as I did not handle him. This same dog has no fear of women at all. To those of you who will be competing in Obedience Trials, I would say: be sure your dog will show confidence when approached by a judge of either sex.

There are still a number of handlers who seem to find it hard to give a command without also giving what could be considered a signal. This is especially noticeable in the "recall" exercise. So often the handler bends so far over when calling the dog that the latter would come in even though no verbal command were given. Most of these signals, it is true, are given unconsciously but nevertheless points are, or should be, lost for them. I lost points once myself, in a Buffalo show, for twitching my fingers each time I ordered my dog to "heel", proving that none of us is infallible! So, let us all work together, harder than ever before, for improvement in our chosen sport. •

and that "small white spot on the chest". The small white spot can be decidedly difficult to control, periodically cropping out from shoulder to shoulder, and it is no asset to a breeder in obtaining stud fees or selling pups.

"ANYTHING DOWN?" THE JUDGE HOPEFULLY ASKED, AND THE MAHARANIS WORE NO DIAMONDS

If you have ever wondered how your favorite sport seems to your unafflicted friends, you may ponder this point anew after reading the following charming and colorful writeup of an Indian Retriever Trial by a staff reporter with the *New Delhi Chronicle*, dated March 6, 1963.

We are indebted to Mrs. Pauline Ouimet, owned and handled by "Pilot", of Golden Retriever fame, for the clipping which was sent her by a friend travelling to India.

FOR YOUR INFORMATION

Some figures taken from The Canadian Kennel Club Stud Book for 1962 are most informative. Ten thousand litters were registered during the year. Approximately 3,250 kennel names are now registered in Canada. Nearly 750 dogs were awarded championships, 238 achieved the CD degree, 85 received CDX titles, 18 UD and 10 TD; 53 dogs completed their FTCh., of these 29 were Beagles, 16 Labrador Retrievers, two each of German Short Hair Pointers and English Setters. Pointers, Chesapeake Bay Retrievers, Brittany Spaniels and English Springer Spaniels had one each.

•

The leading breeds achieving a Championship were the German Shepherd with 40 and the American Cocker Spaniel with 39. The same breed led the list for CD's, CDX and tied with several breeds for UD's and again led for the degree of TD.

•

It appears that breed popularity will not alter much during 1963 for there are 38 pages of Poodle litters registered (it should be noted that these include all three sizes), 18 pages of Chihuahuas, 17 pages were needed to register the litters of German Shepherds and 16 for Beagles.

•

102 of the 132 breeds recognized by The Canadian Kennel Club had litters registered during the year.

•

The Canadian Kennel Club provides lease forms for the convenience of those who desire to lease a dog or female for a stated period of time. Many conditions are outlined for your choice and others will be accepted, when outlined fully. These forms, made out in triplicate (one for the owner, the lessee and the Records office) are registered at Ottawa the same as any other registration, for the nominal fee of 50c. When a male or female are under such a registered lease they virtually become the property of the lessee for the length of time stated on the lease. When entered at a show or trial the lessee is listed as the owner. When a female is bred (providing the service takes place after the starting day on the lease) the lessee becomes the breeder. If the service takes place before this date, the pups are whelped the property of the lessee.

•

All dogs entered at a Championship Show MUST be listed under the proper breed headings in the catalogue. No additional entries can be listed in the back or elsewhere in the catalogue as either post entries or printer's omissions.

•

The frequency in which a judge may judge a breed in any one zone is now the responsibility of the show-giving club and the judge. Judges can now accept assignments for the same breeds at every show if he and the club agree. The former time limit of two and one half months between assignments in the same zone has now been lifted.

•

Field Trial Rules are now amended by the Board of The Canadian Kennel Club, after consultation with the Field Trial Council. Not as in the past when they went before the members in the Referendum ballot.

•

The ribbons given at Field Trials are the same color as those given at dog shows — first-blue, second-red, third-yellow, fourth-white, special awards-green. The size of the ribbons are also stipulated — at least two inches wide and eight inches long.

•

Females in season may compete in dog shows but not in either Obedience or Field Trials.

•

A person is considered an amateur and may enter any Amateur Stake if, in the opinion of the Field Trial Committee, he has not attempted to receive any part of his livelihood from the training, handling or showing of field trial or hunting dogs in the calendar year of the trial or the preceding calendar year.

•

Judges, in field trials, should call the number of the dog ordered to retrieve rather than the name of the handler or dog.

•

Upon returning from a retrieve, the dog sitting to deliver should not outscore a dog making a clear delivery without sitting to do so.

•

At the conclusion of the judging field trial clubs shall provide the judge or judges with a book containing full names of all the dogs entered and the names and addresses of the owners.

•

A Committee, chaired by Director Wm. McDerment, is now at work to revise and rewrite the Dog Show Rules to be presented for your approval in the near future.

•

"The Obedience Novice A Class shall be for purebred dogs of any breed and of either sex which have not won the title of CD (Companion Dog)", is interpreted to mean "won the title of CD (Companion Dog) in Canada OR ELSEWHERE" according to Obedience authorities.

Gundog League of India Holds Field Trials

"In the bush along the road to Sonepat town, about 30 miles from Delhi, the Gundog League of India held its annual field trials on Monday to judge the training and ability of dogs to find and retrieve game shot or winged by a gun.

Members of the League — described by an observer as the "rich men's club" — began assembling on the roadside from early morning. They wore silken badges or armbands with the competitor's number on them. Guns were held horizontally on some shoulders.

A General, impressive of build and with a silver white beard, stood along a teenaged boy who proudly displayed his armband. Alongside were district officials, High Court judges, rulers of erstwhile princely States, and just plain dog lovers from the city. Many of them were in shikar outfit, the rajas without their decorations and the majaranis without their diamonds.

Curious villagers swelled their ranks. Some of them had been enlisted to act as "beaters", that is, to beat every bush or tree to scare the birds away. Two villagers carried pitchers of water for the dogs. There was no water for the men.

At 10 o'clock a call went out for the competitors to line up and march into the bush. The "beaters" were followed by gunners, judges, referees and dogs. Behind came the spectators.

Like guerrillas in search of a cunning enemy they marched in formation through arid land studded with shrubs and bushes and through fields of wheat, grain, and sugarcane for an uneventful hour.

Once a shot rang out loud in the air and the judge hopefully asked: "Anything down?" "No", replied the dejected gunner. "Then carry on," the judge told the marchers.

"We have very poor gunners this time," one of the members later told me. "And there are so few birds." He did not consider the suggestion that the birds, having heard of the field trials, had flown away from the scene. In his opinion, "poachers" were active in the bush though it was a "prohibited" area.

The gundogs, breathing heavily, were even more impatient than the men and women and it was decided to reorganize the march. Instructions were issued afresh to the "beaters", gunners, and spectators.

This paid dividends soon enough. The gunners had their first bird at 11 a.m. A Labrador dog, commissioned to retrieve it, did so in no time.

The second, third and fourth birds were bagged in another half an hour. The fourth bird was rather difficult to retrieve. Two dogs made frantic efforts without success. They were withdrawn from the competition. A third dog was luckier. However, at least one bird eluded both the dogs and judges just before the group broke up for lunch after having walked roughly six to seven miles. It was an invigorating walk.

Fourteen dogs took part in the field trials. On Tuesday the Gundog League of India will hold its 33rd championship to select the best gundogs."

ready to respond to any whim or desire of his owner for the odd hour. Even this is better than the so called "guard" dog, which is frequently left on the end of a short chain for the greater part of his life. To me this is real cruelty to animals. A dog deprived of the opportunity for human companionship suffers more than an animal that is deprived of food and water. Certainly any dog has to have food and water; but food disappears in a flash, the loneliness and boredom go on forever.

The dog that is "forced" to retrieve in any weather, from water and through thick cover; the dog that is "forced" to run for miles every day; the dog that is "made" to be obedient and skillful; that is the sporting gun dog; he is pretty lucky in the bargain.

I hope more and more dog owners, particularly sporting dog owners, will appreciate that their dog will be an entirely different animal if he is allowed

move took the longest and was the most rewarding of the entire process.

Thus we see the Weimaraner of today. Is it a pointer or a retriever? Neither and both. We do not pretend to have the retrieving abilities of a dog bred for this purpose. The Weimaraner's temperament does not permit the mechanical training required of a top field trial retriever dog, nor does he have the coat to take a day of cold weather water retrieving. We run in retriever trials — for the fun of it; and we win sometimes; yet I have never heard a true Weimaraner breeder recommend the breed as the best dog for a duck hunter. We compete in Pointer-Setter trials too, and come out with wins. When we do, we are justly proud. But we make no claims about our breed being the best in this sport.

In action in the field: D V's Laughing Girl, owned by Milton and Marcia E. Operman of the U.S. Armed Forces. Agent is Donald Thomack of Sun Prairie, Wis.

When we run in retriever trials, we run under their standards. When we run in a Pointer-Setter trial, we run under their judgement and standards and as a result, our breed does not always look comparatively good. We would be more than happy to take on any retriever in

select a stud from any part of Canada with some assurance of its merit. It will not interfere with the present grading of champions — to be known as Junior or Breed champions under this system — but it should bring into competition some of these Junior champions in an effort to attain higher ratings; on the other hand Senior champions or better should not be allowed into lesser competition and so prevent a worthwhile specimen in its own breed from becoming a Senior Champion, and as an example *Mr. Wilson* gave a good Cocker Spaniel in competition with a good Chesapeake where the Cocker nine times out of ten might win because of the greater appeal. With such a system of grading champions it is the aim to make Canadian championship status comparable with any.

ON STAGE

Apart from taking firsts in the normal arena for show dogs, Pekingese from the kennels of *Miss Margaret Godfrey*, Wolfville, are chalking up firsts on the stage of Acadia Summer Playhouse, Nova Scotia's first summer theatre. Melframar Lan Yuh Chin, better and well-known as "Lonnie" took the part of the "dog" "Belle" in "The Miracle Worker" while his litter-brother 'Joe" played "Flush" in "The Barretts of Wimpole Street", where their mistress gave an outstanding performance in the role of Elizabeth Barrett. Each of the plays ran a week. Acting runs in this family of Pekes since their "uncle", "Cedarcrest Cha-Tung", took part in "A Dash of Bitters" during the Summer Playhouse 1961 season.

The Weimaraner is not a specialist but a utility dog, bred for the man who likes to hunt many species of game, but can have only one dog to fill his requirements. If a person wants a companion for the children, a guard dog for the home, a fine tracker, a staunch pointer and acceptable retriever — in one dog — the Weimaraner is the dog for him. ●

THE BEST OF VARIETY

It's a dog's life

"Chesty", a champion Keeshond, was exercising one day in a large run together with several canine companions. Suddenly into their midst dropped a hapless kitten who, in her insatiable curiosity, had ventured too near the edge of a sunny window ledge overlooking the run on which she had been playing.

After one startled glance "Chesty" gathered her into the circle formed by his large forepaws and lower forelegs as he lay on the ground. In this way he kept her safe from the dangerous attentions of the other young dogs and pups in the run until a sister, who had seen this little drama from an upstairs window, came to the rescue of the kitty.

Words One Would Like To Retrieve

"I can tell you right now who'll go BIS tomorrow."
"She won't get any taller. After all, she's just a pup."
"It'll be a small entry — no competition at all."
"Of course it's an unbenched show. It always is — isn't it?"
"Is that so! I'll bet you $100 even —."
"Her — competition to me?"
"I'll be home early after the show."
"I want a big dog even if we do live in an apartment."
"So I said bring the wife and kids and your dogs and stay with us the weekend of the next show."
"He's just been out. He doesn't have to go out again."

The New York businessman flew to a Northern Alberta lodge for some hunting. He rented a dog for $5 for the week. It was soon apparent the dog was a real hunter. They came home regularly with a full bag of game. The dog's name was Alderman.

Next season the man came back and asked for the same dog. "You mean Alderman? We call him Mayor now. He's so good we raised the price to $10." The guest grumbled, but he just had to have that dog.

The following year when he returned, Mayor had been promoted once more. He was called Member of Provincial Parliament, MPP for short, and the price was $50 per week.

But finally, the dog wasn't available for any price. "He's ruined as a hunting dog," mourned the owner. "We renamed him Member of Parliament and from that time on as an MP all he did was sit on his fanny and bark."

The young daughter of the house brought home a despondent looking dog, obviously lost. She was too young to realize that it was a female, or any of the possible consequences. Her mother didn't have the heart to refuse it a home, and the dog flourished in family care.

The time came when the dog was being pursued by every male dog in the neighborhood.

"See," the young girl crowed to her mother. "Our dog is just a natural-born leader!"

Obedience dog owner: "My pup is so smart he got his first degree at seven months."
Skeptic: "H'm. I'll bet you still had to read the certificate for him."
