cover story

This Family Foursome, representing FAMOUS FIRSTS (in Miniature Schnauzers) at 'BOXERLY', shows our first Miniature Schnauzer, first home-bred Champion and first progeny! Taken some years ago, three Champions in this picture, "SUGAR" (13), "SONNY" (12) and "SKAMPER" (11), are still very healthy and active. As a matter of fact, in this year of 1963 we 'batted a century' (to borrow a cricket term) as, from our records, over 100 nice pups have added Schnauzer gaiety to more than 100 families.

Our roster of Champions comprises 13 titles, including two Canadian and American Champions, and our Miniature Schnauzers are increasingly successful in Obedience. This number works out to an average of one Champion per year as "SUGAR", our original Schnauzer, is 13 and has produced 18 lively puppies. Two of our imported dams, "TAM" and "TUCK", have produced 19 and 20 puppies respectively.

Having been abroad for an extended holiday in '62, show and breeding activities at 'BOXERLY' were severely curtailed. However, at the Miniature Schnauzer Club of Canada Specialty, held at The Sportsmen's Show in March, 1963, ten of the 23 Schnauzers entered were from our kennel, or of our breeding!

Although absent from the show ring for a few months, the original 20-year breeding program is being carefully forwarded with especial emphasis upon temperament. From time to time this plan has sensibly included a careful selection of choice American bloodlines.

"Puppy factory" methods will never be employed at 'BOXERLY', where "The Dog and Not the Dollar Counts"!

"greatest" great dane

Your cover story re Mr. David Fingard's Great Dane, Ch. Fingard's Haupt of Harmony Hill, contains an error that should be retracted.

In this article it claims that, quote: "the greatest winning Great Dane alive today — Ch. Heidere's Devil Dee of Marydane".

The above dog on this letterhead, Ch. Honey Hollow Stormi Rudio, is 9½ years of age and very much alive and this dog still holds the record of the top winning Great Dane of all time. There are two other Great Danes still alive in the U.S.A. and still actively being shown that can claim records of being "greatest winning Great Dane alive today" — Ch. Starlight's King and Ch. Honey Hollow Great Donner — The latter is also the top winning *black* Great Dane of all time. Also a current top winner (exceeding Ch. Heidere's Devil Dee of Marydane and also his son) is Ch. Daneridge Caliban.

stay-at-home champion

. . . I am a very interested reader of *Dogs in Canada* and have noticed Alex Wilson's suggestion re Canadian Champions.

I am all for it. Am in the position of many other breeders, have a very young bitch who finished her Canadian championship in six shows, becoming a junior champion at ten months of age. She is not filled out enough to take the breed away from the champions around here, who are from two to four years old, so has to remain at home, where if there were three or four classes of champions, as in large animals, she could continue being shown and not waste two or three years just raising puppies and staying home. A breeder would be more sure of a stud worth holding a champion title, too. Hope this will be made law some day soon.

FROM THE EDITOR

AT the close of a dog show season the judges are thanked and praised — or damned. The show superintendents and secretaries sigh with relief. Competitors review their wins and losses and start plans for breeding and campaigning for the next year.

But there is one stratum of dog show officials who rarely receive a second thought. They have the most tired of feet, the sorest of backs, and unlimited responsibility. They are the ring stewards. On their shoulders rests an enormous responsibility for the success of a show. Without the help of efficient stewards no show can hope to carry out its program. The task of a judge is much more pleasant and less strain with a good "crew". Efficient stewarding speeds up a show and whether it is apparent or not, has much influence on the atmosphere of a show, through exhibitors and spectators.

Choosing stewards must be done with care. There are never too many volunteers, and among the volunteers there are those whose hearts are big but experience is scant. For some there is an aura of glamour in stewarding — being seen in this busy official position by their friends, the close proximity to the judges.

Stewarding, as any experienced person will tell you, is a long, tiring job with little compensation save the satisfaction of a job well done. The last phrase is emphasized. Because occasionally a judge is sorely handicapped by a steward so inept as to make the da

this out in due time. However, I do feel that complete omission of a variety that has remained true (and has not been interbred with a different coat) in any one breed should be corrected. Are you with me?

I have drawn up a petition but the problem is, how do we get it signed? If you are willing to help me, please drop me a line, and I'll make up a list of addresses and mail the petition to you. After signing it, cross your name off the list and mail it to the next one. Last one mails it back to me and I'll send it to the CKC.

About the Standard as it is, I hope the CKC will reopen the issue and maybe in the form of a referendum ballot we can get straightened out whether the Tervueren is a fawn Groenendaal or not, etc.

I am not only fighting for my own variety but for the breed as a whole, and if we all stick together we can do it. So please let us not take the attitude "What do I care, my variety is mentioned correctly. Let them figure it out." This is no way of helping your breed. This is the way to wreck it.

credit system successful

. . . Re Memo from the Editor, September issue. We have been selling German Shepherds since 1957 on time payment plan. We sell our Shepherds from $100 up with $25 down and $15 per month and have had much success. We have a number of Navy customers and $100 up is pretty steep for them to pay out at one time, but most of them try to pay as soon as possible to get their registrations.

We have just finished a 13-month-old black German Shepherd to his championship and would like to know how long it is since a Canadian-bred black German Shepherd has gained his championship in Canada. Would like to hear from Shepherd breeders concerning this.

for cheques, check first

. . . Re Miss Sorensen's letter, August issue. Our experience in selling dogs through correspondence is bad. After selling a champion female for less than original price (soft heart) it took the new owner more than one year to pay for her and only a litter of pups got us our money. Another case is where we shipped a dog for approval and new crate and dog were never seen again. So don't blame the breeders for cheating, as we are often cheated.

During the past year we have answered many letters. Here is our problem: we enclose photographs of sire and dam, pedigree and price, in our case, $75 and up for fully inoculated puppy. Pictures are never returned. Later in the year you receive another letter, and what a surprise — when your own dog is on the letterhead . . .

So, dear people, you are getting what you pay for. If you want a cheap puppy you can always get it. If you want a good puppy or dog you will get this too, but you will pay a little more. Most breeders are honest.

It does not pay to send poor stock as our reputation is at stake and we are not willing to risk that for a puppy.

I would like to thank all the clubs for all their work on the shows and to all the judges for good work well done, win or lose.

prick ears in collies

. . . Once again, in the interest of improvement, I wonder why pricked ears are permitted in the show ring? The Collie Standard does not permit this, yet I have seen many a good Collie lose to a pricked eared Collie and I think that this fault should be more severely penalized.

Pricked ears deprive a good-headed Collie of his "aristocratic beauty." I would never breed to or show a Collie with this fault. I have worked consistently to improve ears which are now in my favor along with the improvement of a good dark eye. My expense has not been slight nor my days and nights of study easy. For those of us who try to improve the breed, I hope consideration will be given. I am only sorry I can't be as active as I would like to be in Colliedom, but business activities are very pressing during show time . . .

I hope the turning point of improvement will come soon. Let us keep our breeding within our Show Standards.

MRS. R. L. ALEXANDER
Proudayre's Collies, Grand Bend, Ont.

This is an important point. According to The Canadian Kennel Club Book of Breed Standards: "A dog with prick ears or low ears cannot show true expression and is penalized accordingly." — Ed.

It takes more understanding

Whether it's a routine checkup, immunization shot or preparation for surgery, the veterinarian must have a lot of patience and understanding to win the confidence of his canine patients. By questioning you he learns about any changes in your dog's behaviour pattern. By examining your dog, he can detect symptoms of disease and can then take remedial action. When you have a particular problem with your dog and you want professional advice, see your veterinarian.

the old timer

"I don't know," said the Old Timer, "but some of them look pretty radical to me."

I didn't have to ask to what he was referring, for he had the latest issue of *Dogs in Canada* open at the yellow pages and was studying the amendments proposed for the coming referendum. Along with *Dogs in Canada* he had copies of the Dog Show Rules and the Club by-laws.

"Even with the rules and the by-laws it's kind of difficult to figure out what some of these amendments are shooting at," he added. "It looks to me as though it's pretty important that the explanatory note accompanying the referendum makes it absolutely clear what the effect of the amendment will be."

"Any particular one that's worrying you?" I asked.

"Several," he said. "Now take the proposed amendments 28 and 29. I'm not quite sure of the exact result but it looks to me as though it would take away from the membership the right to vote, by referendum ballot, on future changes in the dog show or obedience trial rules.

"How do you figure that out?" I asked.

"Well, I've been trying to trace it through," he said. "For instance, as far as dog show rules are concerned, chapter 28, which would be deleted merely gives the board power to make amendments as prescribed by section 38 of the by-laws. Now section 38 of the by-laws is the section that provides for the general membership voting on changes in the rules. You'll notice that in the proposed new Chapter 28 there is no reference to section 38 of the by-laws. But it does provide an amendment procedure which, as I read it, would leave it entirely within the power of ten members of the board to make an amendment and to make it effective overnight if they wanted.

"Anything wrong with that?" I asked. "Surely it would streamline procedure and save costs, if your interpretation is right."

"It could," said the Old Timer "but I'm not sure just how it would work out. We had an example last year of amendments all originating with the Board of Directors and already two of the principle ones are being rescinded. Frankly I think — if I'm right in my interpretation of this amendment of course — that I prefer to trust the judgment of the membership as a whole. Besides, I think the right to vote is one of our democratic privileges. I'm a little doubtful of concentrating so much power in the Board."

"Any others you're worried about?" I asked.

"These amendments six, seven and eight," he said. "The ones making provision for dog show, obedience trial and tracking test councils. There is no indication of what these councils will be responsible for except that their duties shall be as prescribed by the Board of Directors. There is, of course, an indication that they may be responsible for originating amendments but I could be wrong in that too. Unless it's well explained on the referendum ballot it looks to me like we are being asked to buy a pig in a poke.

"Dachshund people, of course, will be interested in amendment number 10, which, it seems to me would place Dachshunds in the same category as Poodles. In other words, there could be inter-breeding between varieties and the progeny would be eligible for registration in the size and type in which they were born. However, that I consider a matter for the Dachshund breeders themselves. I don't intend to vote on it

OBEDIENCE

Ed. O'Brien, Canfield, Ont., is well-known as Canada's leading professional trainer of dogs in Obedience work. He is a licensed Judge, one of Canada's first. He began his career in the West, training dogs for herding and other farm work. Since moving to Ontario he has specialized in training dogs for police and guard work and for disabled people. Mr. O'Brien also breeds German Shepherds and Dobermans.

SOME THOUGHTS ON CORRESPONDENCE

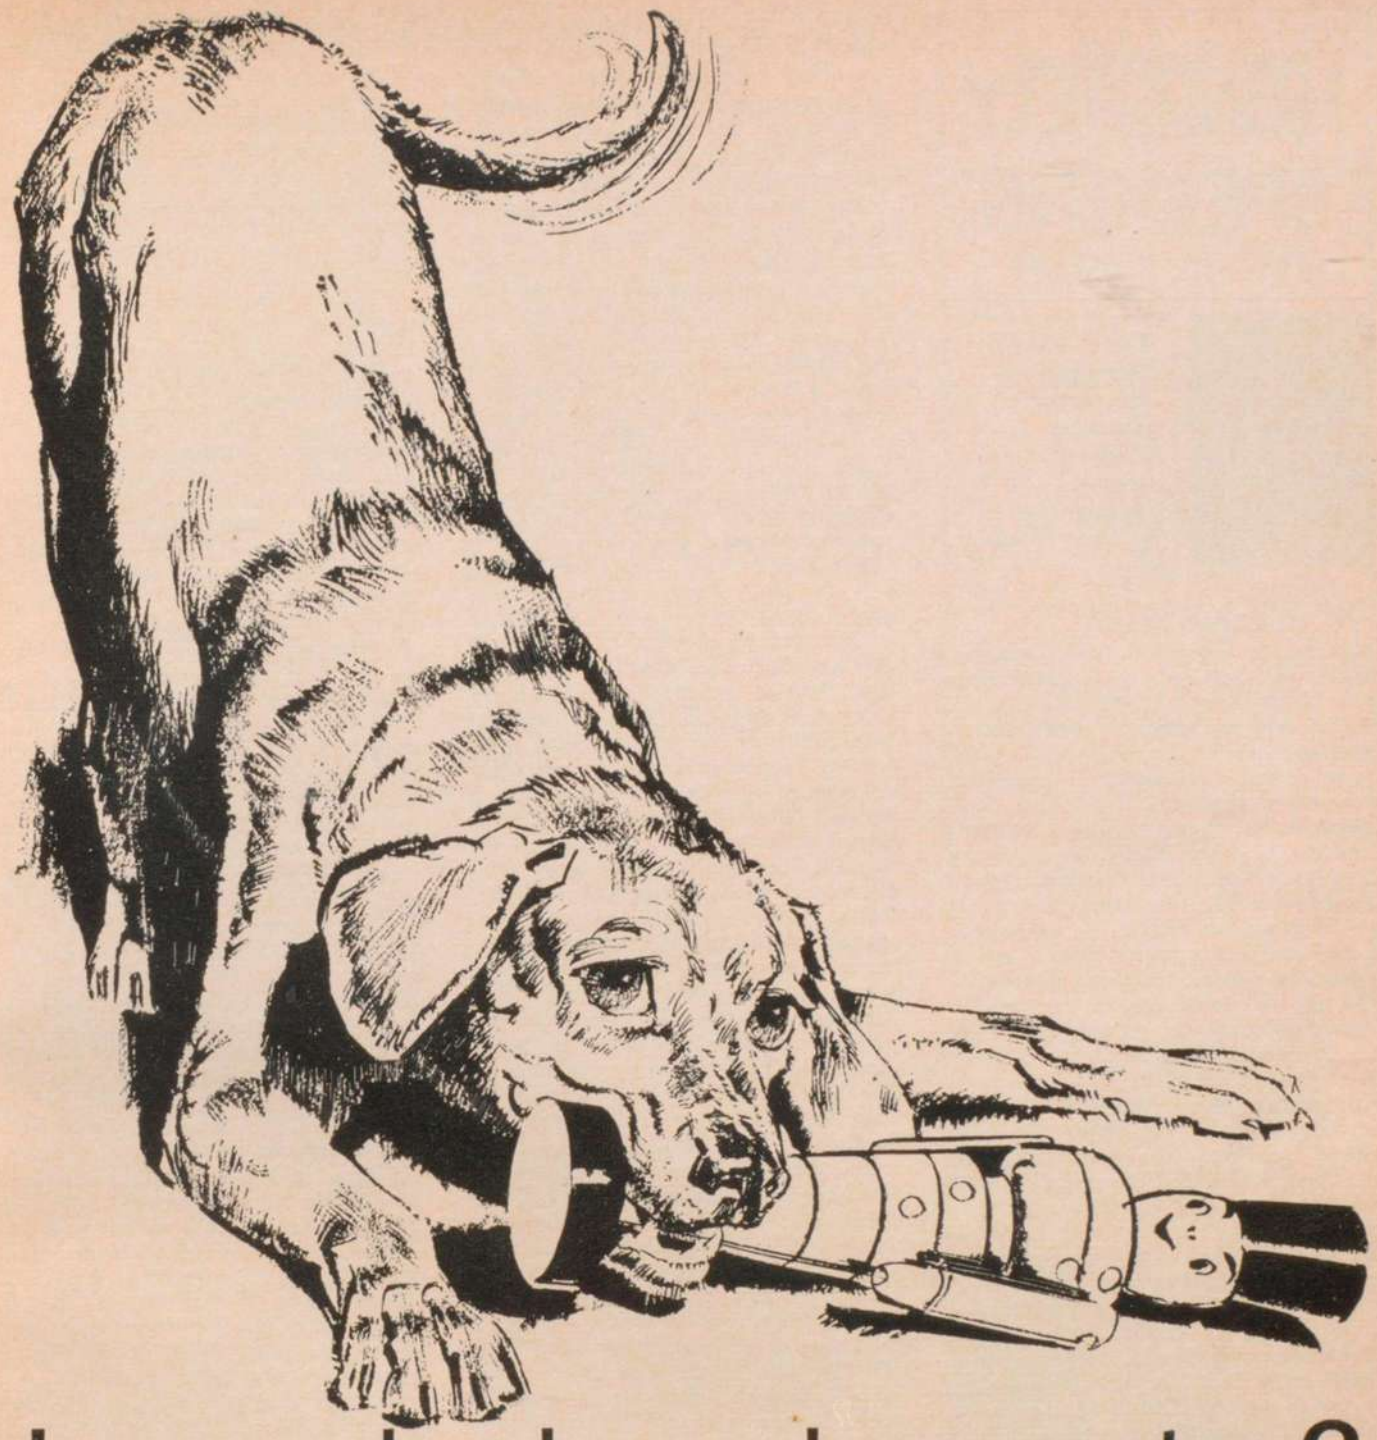

Among the letters I've received from readers of this column is one from an Obedience enthusiast who wonders why the trials at the Sportsmen's shows do not start till the afternoon. In all probability the reason is that the show officials prefer to have the trials take place when the greatest number of people are likely to be present. This is not bad, providing the trial can be completed by, say, six o'clock but when the number of entries makes it impossible for the judge to finish until nine o'clock, or even later, both dogs and handlers are too tired by that time to give of their best. The writer of the letter wonders if anything can be done re earlier starting so that Obedience work may be shown to the best advantage.

The same writer brings up a point on which there still seems to be a certain amount of confusion, and that is the manner in which the leash is held when heeling in the Novice classes. He mentions seeeing a handler holding the leash in the right hand and allowing it to pass through the left. He feels that this gave at least an appearance of guiding the dog, and wonders if holding the leash is allowed under the rules. The manner of holding the leash has often been debated by handlers and even by some judges in the past but I had heard nothing of it for some time. When I first took part in Obedience Trials, practically all American handlers had been taught to carry the leash in the right hand, which was held high in front of the body, while the left hand was kept behind the handler's back. Both this manner of holding the leash and the reason given for it seemed to me ridiculous but American handlers had been trained that way and we Canadians followed along as usual, without question. To the best of my knowledge there has never been a rule defining the manner in which the leash is to be carried, so long as it is not tight enough to guide or correct the dog. To quote: Sec. 14, P. 25. "Where a handler continually tugs on the leash or adapts his pace to that of the dog, the Judge must score such a dog less than 50% of the available points."

I believe I was the first Canadian to carry the leash in the left hand while holding it in the normal way at my side and at the time I was criticised for this both by other handlers and some judges but now that more people have read the rules, it appears that most handlers now carry the leash in the way each finds most convenient and comfortable. The thing for handlers to remember is that the leash should be loose at all times, regardless of the manner in which it is carried.

My correspondent also comments on my remarks re bending over when calling the dogs in the Recall exercise and wonders if all handlers are being penal-

Is your dog bone-hungry, too?

MILK-BONE satisfies the bone hunger of your dog.

A dog needs to chew, and knows it. In the absence of a bone, even the best-trained dog will find something else to chew—often something he shouldn't. But there are few bones in today's kitchens. Many that *are* available are not safe or good for your dog. That's why the modern dog goes bone-hungry.

The answer is MILK-BONE—the biscuit with the real bone shape that makes wonderful chewing, without a real bone's tendency to splinter or upset the digestion. MILK-BONE also gives your dog all the important nourishment found in milk, meat, bone-meal and vegetables. Get MILK-BONE in the biscuit size that suits the size of your dog—regular or large.

HUMANELY "SPEAKING"

The General Manager of the Ontario Humane discusses kennel registration. by tom hughes

LET'S TAKE A GOOD LOOK AT THE "REGISTERED KENNEL"

Some years ago the British Columbia SPCA was involved in a controversy with the owner of a "Registered Kennel". Numerous complaints had been received from members of the public who visited these kennels, presumably to purchase a purebred registered dog. Other complaints were received from exhibitors, handlers, or other kennel owners. I can assure you that these complaints were absolutely valid. After repeated requests for improvement had all been ignored, I inspected the premises myself accompanied by a veterinarian and representative of the public health department. The conditions were simply atrocious. I have seen countless number of kennels in all parts of the world but I have never seen anything worse than this "Registered Kennel". A number of purebred and indeed well bred dogs were chained in the open to old, disused car bodies that had been stripped of glass and their doors removed. The dogs were expected to find what shelter they needed in or under these rusting heaps of tin. On another part of the same property, a large number of small dogs, again all purebreds, were herded together in a single small shed. The floor of the compartment was at least six inches deep in excreta. I am NOT exaggerating. The floor was completely covered to a depth of six inches. The dogs lived and slept on this filth. There was no escape for them. The dogs were all well fed. The evidence of how they were fed was to be seen all around the property. The quite spacious land at the rear of the residence was literally covered with a carpet of bones, all of them bleached to various degrees of whiteness. Some farm sheds at the rear produced even more evidence of neglect. Pigs were found in a sty, the floor of which was completely covered with bones to a depth of two feet.

To cut a long story short the situation was eventually improved, although conditions at this kennel were never good.

As far as I know this kennel was unique in British Columbia. But it is true that there are a few "poor" kennels in that Province that are basically the result of too many dogs in too little space, or more dogs than the owner can afford to keep. This type of situation is common throughout Canada. Certainly a number of "bad" kennels can be found in Ontario. In fact quite recently an Ontario breeder and exhibitor was convicted in court of three charges of neglecting dogs by failing to provide adequate kennelling and care. Everybody who has ever had anything to do with dogs is quite familiar with the genuine "dog nut". The person who simply cannot resist buying or otherwise acquiring more and more dogs until they have them coming out of the holes in the top of their heads! This inability to resist a new dog face is a trait we may sympathize with. After all, there but for the grace of a strong will power (either yours or someone else) go you and I.

But consider the effect of these kennels on an ordinary member of the public. Take a person who is buying his or her first purebred dog, or who is perhaps visiting a "kennel" for the first time. Perhaps such a person has already had one or more mongrel pups from the local pet store or pound, and is now keen to have the pleasure and privilege of owning a purebred dog. Such a person generally decides to visit a kennel either as a result of an advertisement, through a chance visit to a dog show or quite frequently, by impulse. Driving along a country road the person may see a sign and, on impulse, stop to see if any puppies are available. Most kennel signs very rightly advertise that they are "Registered". The potential purchaser may or may not know what this means, but it looks very re-assuring. The kennel *must* be good because it's "Registered!" The stock sold *must* be good!

The effect of a really bad kennel on this type of purchaser, or potential dog enthusiast, (we *all* began somehow) is disasterous. I have had numerous telephone conversations with such people. To say the least they are disappointed, shocked, suspicious. As far as buying a good dog is concerned they are scared off. Not just of the kennel but *ALL* kennels. And you can't blame them. In talking to such people I find myself defending a situation that I don't agree with myself. I tell such people that these cases are the exception and that by far the majority of registered kennels are reliable from every point of view. Remember we are not talking now about buying a future "champion", but just a plain ordinary specimen of the breed in good health. The most common question asked is "How can I *recognize* a *good* kennel". Under the circumstances it's not much use attempting to explain what "registered" really means.

In B.C. and in Ontario, the British Columbia SPCA and the Ontario Humane have both introduced a scheme of kennel inspection. Under this scheme the owner of the kennel volunteers to accept inspection by a well qualified Inspector. If approved the kennel receives a "Certificate of Approval" and a sign that can be exhibited either in an office, the home or outside the building. In both Provinces the scheme has been supported by the majority of the good kennels.

So, in at least two Provinces, the problem has been partly solved. But only partly. *The real solution must lie with The Canadian Kennel Club.* Only the authority that "registers" the kennels in the first place can ever introduce a scheme that will be effective. To be quite blunt, "voluntary" schemes, no matter how well meaning or how attractive, can never have the same effect as one which is compulsory.

In the meantime the local Humane Societies can only go on recommending those kennels which they have personally inspected and approved. Every local humane Society receives countless enquiries from the general public for details of breeders of most breeds. It would be a wonderful thing for dogs and dog fanciers alike if these Societies could recommend *with confidence* any kennel exhibiting the sign "Registered by the CKC and approved by the SPCA", with the knowledge that such a sign meant something. And very soon the general public would come to know and accept the sign as their guarantee of certain basic requirements that no kennel worthy of the name would have any difficulty in meeting.

I know the Humane Societies throughout Canada are ready to work with The Canadian Kennel Club on this problem. Over a year ago I wrote to the CKC asking for an opportunity to meet with representatives of that body to discuss the problem. So far there has been no response other than a brief acknowledgment of the letter.

In any organization the problems that appear to be most pressing are always dealt with first. If you think this is worth worrying about, you should "press" your representative on the CKC to take the matter up with the Board of Directors, as a matter of urgency.

Until the CKC acts, the term "registered" will continue to mean very little. Worse still some "registered" kennels will continue to give all kennels a stinking bad name!

The owner of a flea circus was also very fond of dogs. An admirer watched the chief flea actor for an hour. "Did you train him yourself?" he asked the owner.

"Sure did," was the reply. "Raised him from a pup."

"PEKINGESE IN AUSTRALIA"

by B. GODBOLD

An entirely different book on the breed, which will hold your interest from the opening chapter relating to the caravan journey across Australia to the final delightful chapter of anecdotes.

The book covers the early history of the breed in Australia, as well as other fascinating chapters which paint a vivid pen picture of the life of Pekingese in Australia.

KENNEL MANAGEMENT FOR BREEDERS

by Tom DeGeer, DVM, for the Toronto Academy of Veterinary Medicine. Dr. DeGeer heads the busy Eglinton Veterinary Hospital and still finds time for community service.

Anyone who has been drawn to this article by the title will now be exposed to a sentence which will drive a great many of you away from it. You would be wasting your time reading the rest of this dissertation if:

1. You breed dogs for pure financial gain.

2. Ideas put forth are to be scoffed at or read with an over-critical eye.

3. Anyone thinks or says — "I've been doing it this way for years and I won't change now."

4. A breeder is not prepared to spend a dollar to make two or three (and there are many examples to prove this statement true.)

Kennel management will be dealt with in only three areas. No attempt will be made to talk about breeding, feeding, etc., about which each of us has his or her own ideas. Only the pure kennelling problems will be discussed.

RUNS AND KENNELS

Dirt or gravel runs are out. Parasitism, internal or external, cannot be controlled unless runs are paved and drained properly. Parasitism is a problem any place where dogs (more than one) are congregated. The life cycle of internal parasites is complex. Even the common ascarid or round worm is complex — to the point where it is almost impossible to rid a mature animal of the worm — and as long as a bitch has them, they are passed on prenatally to all the offspring. There is a method of controlling this and eventually raising parasite-free puppies, but not in dirt runs. It takes a generation to eradicate the problem, but the price of the paving is returned many times over in cutting down puppy mortality and puppy blood disease.

Kennels must be made of an impervious material. Steel is by far the best and need not be horribly expensive, but such things as formica (with completely sealed joints), fiber glass, and many other modern materials will work effectively. There must be no open seams or blind corners. Kennel doors should be made of round bars, and hinges and locks should be entirely outside the kennel itself. These rules of kennel structure are important in keeping fleas and other ectoparasites out and in keeping bacterial and virus infections at an absolute minimum. Such infections are bound to be present as they would be in any area of confinement, even in human hospitals where numbers of people are confined. The important factor here is that if the entire area cannot be thoroughly cleaned, then control by any disinfectant or any amount of elbow grease (which I favour as an adjunct), is a sheer waste of time.

STOCK MANAGEMENT

This area of kennel regime should really be no problem if a few reasonable suggestions can be followed. The kennel buildings should be divided into four areas. These areas are self explanatory in the very naming of them.

1. Grooming and bathing area. This is set aside from other areas purely for hygienie reasons, i.e. to facilitate cleanliness and normal hygiene in the other areas.

2. Whelping and nursery. The reason for setting this apart from others is obvious and fundamental. For the sake of the bitch, mentally and physically, she would be far better separated from the normal kennel. Certainly she would be far more apt to settle down and nurse and rear a better percentage of strong vigorous puppies.

Puppies are certainly fairly oblivious of noise and change, so the quiet of a nursery is of no value to them in this regard. However, they are highly susceptible to chilling, which would be more prevalent in a well used kennel area than a nursery or maternity room.

Pups — as any breeder knows — are susceptible to infectious diseases, and isolation certainly will do no harm to a puppy, even to the age of eight or nine weeks, when a first destemper-hepatitis vaccine can be given.

This seems to be the ideal place to mention the constant repetition of one of the most stupid mistakes any dog breeder can make. The most common cause of infectious disease in a kennel is not bringing dogs home from dog shows, or live virus vaccines (which is pure unadulterated hogwash), but from the well meaning but ignorant person who comes to buy a pup and fondles all the pups in the kennel before the breeder hears the story. It goes something like this: "We got a dog from the pound ten day ago, and he never was very well. Two days ago he got real sick and so yesterday we sent it back. We've had enough of those mongrel dogs, now we're going to get a good one and look after it."

By this time it's too late, so for goodness sake ask the questions first and show puppies later — and *no one* gets into the puppy area without the owner's consent. Most people don't realize the time and money and heartache that a good breeder has tied up in his dogs. Although the prospective buyer means well, I feel certain that anyone who has the sense to be a good dog owner, not only won't take exception to, but will appreciate a little grilling before puppies are exhibited.

INFECTIOUS DISEASE

Another point which seems to be necessary to make is the obvious other method by which the kennel owner gets himself in trouble. This of course is infectious disease.

Distemper and hepatitis are caused by viruses. Antibiotics and, indeed, any treatment at all, except in rare instances, are of no value. It has been proven that a sound, trustworthy immunity can be established by proper vaccination and just as easily done at a very early age as anytime during the animal's life. These words are not merely my own, but are the result of good, sound, trustworthy research from a variety of sources.

These same sources have proven that animals cannot and do not get disease from vaccination. The attenuated live virus vaccines are again proven much more effective in stimulating an animal to produce immunity than the killed vaccines. I would not attempt to set down a vaccination scheme here, but I would suggest that any veterinarian would certainly be pleased to give any truly interested party the benefit of his or her thoughts on this subject. There is a question of the type of live virus vaccine, and the time and type of boosters to be used. This is best sorted out with someone who knows what he gets best results with in his area.

While we are about it, a word on the cost of vaccination. Usually the veterinarian bases his price on the cost of the vaccine, plus a mark-up to cover overhead and depreciation (the breakage of syringes etc.), plus an office call. Believe me, this office call is certainly well earned. There is really no question in my mind about the validity of the fee charged on an individual or single dog basis in the veterinarian's office or, as is sometimes done, at the dog owner's home.

I have heard tales from breeders about isolating animals after coming home from shows. This is impossible. To be done properly it would have to be in a separate building, manned by a separate staff for up to three months. As far as disease is concerned, we must rely on vaccination. I do with my own dogs and really, none are more exposed than they are.

Certainly isolate a returning dog for awhile to get it cleaned up and observe for kennel cough etc., but don't rely too heavily on it for anything else.

TO SUM UP

A kennel owner's problems stem from three obvious sources. The first, and not heretofore mentioned, is the type of dog he chooses to breed, that is, the mentality and physical structure within a breed, and only soul-searching on his part will ever sort this out. Second, parasitism and improper surroundings, and third, infectious disease. I would hope there should be an answer somewhere in this bunch of words for these problems. After my opening statements, if you have read this far, something here may help you if you have a problem.

BCB in three consecutive shows, Ch. Bonnie Lee's Sweetie Pie captured BIS in the Third. Shown with Judge Wm. McDerment and owner-handler, Scott McNair.

CANADIAN NATIONAL EXHIBITION

While thrills and spills sparked emotions, exhibitors pondered the merits of one and two-day shows

Ch. (Can. Am.) Loramar's I'ma Dandee, Toy chocolate Poodle, takes BIS in two of the three CNE events. Owned by A. E. Barlow of Canton, N.Y.

The three Canadian National Exhibition shows (held August 28 and 29, August 30 and 31, and September 2) drew entries from across Canada, well into the United States and one from Bermuda. The latter was a Whippet, Whipoo's Note Well, owned by Mr. and Mrs. J. N. Openshaw and shown by Mrs. Helen Sinclair.

FIRST SHOW

In the First Show, the little chocolate Toy Poodle, Can. Am. Ch. Loramar's I'ma Dandee took BIS. This surprised no one. As spectators were heard to remark, "he was really asking for it." Owner is Mr. A. E. Barlow of Canton, N.Y. Handler was Mrs. Hans Brunotte. I'm a Dandee made his Canadian debut a few years ago and has proven formidable since his first show here. Best Canadian Bred was from Ilderton, Ont., Scott McNair's flashy Ch. Bonnie Lee's Sweetie Pie. This win was but a prelude to succeeding top wins. Best Canadian Bred Puppy in Show was one of the tiniest dogs entered, the black Chihuahua, Shillmaine's Pocohantas, owned by Mrs. Maureen T. Samuels and shown by Mr. Samuels.

SECOND SHOW

In the Second Show, I'ma Dandee repeated his performance of the first event. Ch. Bonnie Lee's Sweetie Pie was again BCB. The dapper young Fox Terrier, Ch. Kindon Wee Rascal, owned by H. Sachau of New Toronto, Ont. was BCBP in Show.

THIRD SHOW

Ch. Bonnie Lee's Sweetie Pie lived up to her name in the Third Show to take BIS. At the same time she was automatically Best Canadian Bred. The seven-month-old German Shepherd, Romacliff's Kata V Zinzendorf, owned by Mrs. Mabel and Miss Royna J. E. McGregor was BCBP. Her owners have been best known for a number of years for their Pugs.

ENTRIES

In entries the numbers were almost identical with that of last year, averaging 346.

In breed number, American Cocker Spaniels led every day (averaging 33) with Boxers ranking second and averaging 20. Toys again led the entries in Groups, averaging 86, with virtually the same number as last year. Group II had by far the fewest entries; Beagles led with Dachshunds second, but even at that entries were not large. Among the popular breeds sorely missing were Collies (averaging 11), German Shepherds (4), Great Danes (1), Welsh Corgis (2), and Samoyeds (9). For many breeds, BB was not difficult to attain. Fox Terriers and Scotties led the Terrier Group. In Toys, Chihuahuas led with Pekes, Miniature Pinschers and Toy Poodles running close. Boston Terriers, Bulldogs and Miniature Poodles were about even in the Non-Sporting Group. But can you imagine a show of international status in which an average of 15 Miniature Poodles were entered and an average of four Standards?

OBEDIENCE

Although the CNE shows offered Obedience Trials for the first time, (surely due to requests from Obedience devotees) the entry was small. This could be attributed to the fact that the Board decided on Obedience competition at a very late date and the trials received little or no publicity and advertising. In fact, it was a case of more chiefs than Indians, with 12 stewards, four judges and one manager officiating over 15 entries. Because of a judging problem, no trials were held the first day, and none on Monday, as the latter was a one-day show and all available ring space was needed.

SPECTATOR INTEREST

This year's CNE shows drew one of the largest gates yet, according to Show Superintendent Glenn Stephens.

As for actual ring space, Mr. Stephens regards the CNE rings as large as, if not larger than, those of any conformation show in Canada.

Surprisingly, no children's handling competition was on the agenda. Lack of interest in previous years was the reason, the Superintendent said and so this year it was not entertained. "We used to call and call and wait," but there was little or no response. Possibly the rule stating a child must handle a dog owned by himself or a member of his family had a bearing on it. If they can handle a strange dog, more power to them. Probably one reason for the ruling is that a dog might resent being handled by a strange novice."

Much discussion took place during the shows as to whether or not the shows should be one-day rather than two-day events. It may be boring to sit a whole day and not show, as in the case in a two-day event, but "a dog show is the greatest place for selling dogs," avers Mr. Stephens.

OBSERVATIONS

A dog show should have something happening from opening to closing. The CNE shows offered little to attract and hold spectators. At meal time the rings were empty. Between approximately 5 o'clock (when the classes had been judged) and 7, when the Group judging was scheduled, the rings were again devoid of action. Spectators arrived in limited numbers but left disappointed.

This time lag could be put to good purpose and attract crowds: e.g. Obedience trials, demonstrations of Obedience and field work, children's handling classes, first aid for the dog, demonstrations of how to groom and show a dog, fashion shows, brief talks on the various breeds, their background and purpose; a parade of champions, a parade of dogs originating in various countries and owners or handlers dressed to represent the nationalities (this has been done successfully in Montreal by the Ladies Kennel Club of Canada), films which dog food manufacturers would surely be pleased to show at no cost. This would not only provide entertainment but create greater knowledge and interest for spectators and potential customers.

Interesting notes: *Dogs* had a brisk conversation with personable Dick Koehler and his wife. Dick is in the Toronto area on an extended visit for the making of a television film series for Associated Screen News. Named "The Rangers", the series is scheduled to commence later this year. Ten dogs appear in the series, including some owned and trained by Lorna Jackson. Dick is a son of the author of the controversial book, The Koehler Method of Dog Training.

OAKVILLE K. C. SHOW A SUCCESS

Combining showmanship and hospitality, these events are drawing international interest.

Above: Judge John A. Cuneo selects as BIS on Saturday, Ch. (Can. Am.) Little Bears Thunder, Newfoundland owned by Roger E. Richards of Long Island, N.Y. Handled by J. Carver. Ernie McGowan, Club President, presents trophy.

Below: Irish Setter, Ch. Danny of Orchard Farm, placed BCB in Show Saturday and BIS on Sunday. Handled by Horace Holland, owned by H. A. Klinck, Oldcastle, Ont. Mrs. Ethel McGowan presents trophy.

Above: Ch. Wunderbar's Crusader, BCBP in Show under Judge Harry Story on Saturday. Owned by Mrs. Patrice Fisher, Ancaster, Ont.; handled by A. Burden. George Kennedy presents trophy.

Below: German Shepherd, Dick Vom Haus Schorn, owned by Osterburg Kennels and F. A. Porter from Maya Guez, Puerto Rico, won Working Group under Judge John P. Hackett on Sunday.

On Saturday and Sunday, September 14 and 15, 1963 the Oakville & District Kennel Club staged two All-Breed Championship Dog Shows and two Obedience Trials, (their 14th and 15th consecutive shows) in the Oakville Memorial Arena, Oakville, Ont.

A strong slate of judges, large entries, a generous trophy list, the usual Oakville hospitality and fine weather, combined to make these two of the outstanding shows of the year.

Including the Obedience Trials there were 435 entries for the Saturday show and 445 on Sunday, and as some of the dogs were entered only for one show and some only for the other, it was estimated that a grand total of 516 dogs were entered for competition over the weekend. They came from as far afield as Puerto Rico, Bermuda, Vancouver, Long Island, N.Y., Florida and Northern Ontario.

Trophy tables and rings were gaily decorated with flowers, all from club members' own gardens.

On Saturday, Judge John A. Cuneo of West Meaford, Mass. selected a Newfoundland Ch. (Can. Am.) Little Bears Thunder, owned by Roger E. Richards of Massapiqua, Long Island, N.Y. and handled by John Carver as Best in Show and winner of the Town of Oakville Trophy. At the Sunday show, Judge Harry Story, of Halifax, selected as his Best in Show the Irish Setter, Ch. Danny of Orchard Farm, owned by H. A. Klinck of Oldcastle, Ont. and handled by Horace Holland. "Danny" was also Best Canadian Bred at both shows.

Highest score of the day in the saturday Obedience Trial was gained by a Miniature Poodle, Fifi, owned and handed by Mrs. Marilyn Reed of Oakville. This award gave a big lift to members of the Oakville Club as Mrs. Reed and "Fifi" had attended the Club Dog Training Classes as novices last summer. Fifi gained her third leg at the Sunday show and is now awaiting confirmation of her CD, while Mrs. Reed and her husband have become members of the Oakville Club. High score at the Sunday Trial was gained by Mrs. Shirley S. Harms of Buffalo, with her Poodle Suzetter Fifi du Marquette, Am. CDX entered in Open B.

The accompanying photographs provide a good cross section of two most successful shows.

A noticeable pleasing fact concerning these shows is the increased interest shown in purebred dogs by local citizens. There was an exceptionally large gate of interested spectators. His worship Wm. Anderson, Mayor of Oakville, and Mrs. Anderson spent several hours at the show on Saturday. ●

Above: Ch. Pendlevon Peachytu, Malte owned by Anne Pendleton, Louisville, Ohi handled by H. J. Brunotte, placed 1st Group under Mrs. Muriel Dove, Saturda Mrs. Vi Veale presents trophy.

Nixon. Bred by Miss M. Roger and Mrs. B. Peters, sire is Dianick Starglow; dam, Tarna's Ballerina.

THINK!

NOT A SICK DOG IN 5 YEARS

THANKS TO WONDERFUL ZEV

W. K. BUCKLEY LTD.,
559 College Street, April 16, 1963
Toronto, Ontario.

Dear Sir:

ZEV has kept my kennel safe for the past five years. My American Cocker Spaniels are always in top condition and no sick dogs.

I always get a gallon, all good kennels should not be without it.

I give ZEV as it comes from the bottle in the morning feeding and all puppies at 4 weeks.

Had a female I bought with tape, gave her ZEV for 10 days — soon no worms.

Sold 5 last week and all had ZEV on their diet sheet.

Thanking you for your wonderful ZEV and wishing your Company loads of success in the future.

Sincerely,
Mrs. Hugh Knox,
19 Brussels Street,
Toronto 18, Ontario.

FEED PANS LICKED CLEAN

"My dogs are German Shepherds and stay outside in any kind of weather. As a general rule in hot weather, the best eaters will leave food and it has to be disposed of because it gets sour. Since adding your product ZEV the feeding pans are clean and I mean "licked clean."

Sincerely,
(Sgnd.) Gerhardt Plaga,
Tatarus Kennels, Reg.,

New Lebanon, Ohio.

THREE DOSES ENDS COUGHS

"My Ch. Kavilla's Golden Token came home with a cough, 3 doses of ZEV was the end of the cough.

"Worms, they seem a problem always, but ZEV has at long last when used every day in the Pom's feed, put an end to this worry."

Sincerely,
(Sgnd.) Mrs. V. G. Munz,

These are only a few of the numerous unsolicited letters of praise from grateful users of ZEV.

GENETIC COUNSELING SERVICE

Available for the first time is a Canine Genetic Counseling Service, headed by Dr. Lee Ford, internationally known for her many volumes on dog genetics and breeding. She has also pioneered work in training the Smooth Collie as a Guide Dog for children. Readers will recall the excellent series by her carried in *Dogs in Canada* a few years ago.

Author of more than 200 volumes on dog genetics and of innumerable articles in dog magazines and scientific journals, Dr. Ford is a college professor of biology. She is also known for her line of genetically clean Smooth Collies which have gained world wide publicity.

Readers can register their kennels and dogs with the Canine Genetic Counseling Service for a nominal fee of $5.00 which entitles them to initial registration of problems and answer to the first letter of enquiry. Write the organization at Mississippi State College for Women, Box 206, Columbus, Miss.

The irate exhibitor turned to the man standing next to him. "If I were the show superintendent, I'd dismiss every breeder who shoots off his mouth at this show."

Man: If I were the show superintendent, . . . and incidentally, I am . . .

The greyhound owner was startled to see two veterinarians bending over his famous old truck star.

"Nothing to worry about," assured the vet. "We'll pull her through."

"Thank goodness," replied the owner. "Will I ever be able to race her again?"

"More than likely. You'll probably beat her, too."

(3) whether the Board is entitled to details of the various matters a member wishes to discuss with the Board before it reaches a decision on the request;

13 FT 19. FIELD TRIALS FOR FOXHOUNDS

REPORT: The Secretary reported that:
(1) pursuant to an instruction given by the Board (motion #234-63) he had written Mr. E. D. Bonnyman, Governor of the All-Canadian Fox Hunters' Association, regarding a meeting between representatives of the Board of Directors of the Association and the Board of Directors of this Club at 7:00 p.m. on Wednesday, August 21st, at the Club's offices;
(2) during a subsequent telephone conversation with Mr. Bonnyman he had been informed that it would not be convenient for a meeting on August 21st, and it had been suggested that the meeting take place at the Club's offices on either Saturday or Sunday (August 24th-25th).

DISCUSSION: After discussion it was agreed that the Secretary would inform Mr. Bonnyman that a meeting on either August 24th or 25th would be arranged if members of the Association's delegation could be in Toronto on either date.

-----The President suggested and it was agreed that at this time the Board would proceed to deal with proposed amendments, drawn by the Secretary at the Board's instruction, in order that if further drafts are required there would be sufficient time for these to be prepared for later consideration during this meeting.

INTERNAL AND ADMINISTRATION

9 A 7. AMENDMENTS TO BY-LAWS

SUBJECT: The Secretary pointed out that at its annual meeting in March the Board had adopted the following resolution (#68-63):
"THAT, when an amendment is to be included in a referendum ballot by an order of the Board there shall be included a record of those members of the Board in favour of the proposed amendment and those not in favour of the proposed amendment."
and asked that the members of the Board bear this resolution in mind when arranging for proposed amendments to be included in the next referendum ballot.

DISCUSSION: During a discussion which followed:
(1) it was suggested that a member of the Board should only vote for the inclusion of a proposed amendment in the ballot if he or she is in favour of the proposed amendment;
(2) it was suggested that regardless of how the vote is recorded, many voting members will assume that the Board, as a group, is in favour of the amendment otherwise it would not have ordered the placing of the proposed amendment in the ballot;
(3) it was agreed that in order to avoid influencing voting members there should be no reference, in the ballot, to the fact that any proposed amendment has been placed in the ballot as a result of an instruction of the Board.

MOTION #242-63
Moved by Mrs. Joel, seconded by Mr. McDerment:
"THAT, motion #68-63 be rescinded."
FOR THE MOTION: Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mr. Anderson, Mr. Duff.
Motion carried.

MOTION #243-63
Moved by Mrs. Joel, seconded by Mr. McDerment:
"THAT, in order to avoid influencing voting members in any way in connection with amendments included in the ballot by an order of the Board, there be no reference in the referendum ballot with regard to inclusion of amendments in the ballot by an order of the Board."
FOR THE MOTION: Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment.
AGAINST THE MOTION: Mr. Mehlenbacher.
ABSENT: Mr. Anderson, Mr. Duff.
Motion carried.

REPORT: The Secretary reported that:
(1) at its annual meeting the Board, by motion #52-63, had instructed him to prepare a proposed amendment to Article XIII, Section 10, of the By-laws, with regard to the appointment of Field Trial Councils and Field Trial Representatives;
(2) bearing in mind the discussion at that meeting he had drafted a proposed amendment which had been forwarded to members of the Board with the agenda (page #35) of this meeting.

DISCUSSION: During a discussion which followed Mr. Blyth, Chairman of three different field trial councils, recommended that the several field trial councils be consulted before any proposed amendment is included in a referendum ballot.

MOTION #244-63
Moved by Mr. Blyth, seconded by Mr. Little:
"THAT, this proposal be referred to the several Field Trial Councils for consideration and report to the Board."
FOR THE MOTION: Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mr. Anderson, Mr. Duff.
Motion carried.

REPORT: The Secretary reported that:
(1) at its annual meeting the Board, by motion #54-63, had instructed him to prepare a proposed amendment to Article XIII, Section 11, of the By-laws, with regard to the appointment of the Obedience Council and Obedience Representatives;
(2) bearing in mind the discussion at that meeting he had drafted a proposed amendment which had been forwarded to members of the Board with the agenda (page #36) of this meeting.

DISCUSSION: During a discussion which followed Mr. Mehlenbacher, Chairman of the Obedience Council:
(1) expressed the view that the Chairman of the Council should not necessarily be a member of the Board;
(2) referred to the letter (dated August 6th) which he had addressed to members of the Board in which he recommended that, for the purpose of appointment of Obedience Representatives, each province be zoned and an Obedience Representative be appointed for each zone.

It was agreed that the proposed amendment, as worded, would remove the necessity for the Chairman of the Council to be a member of the Board, and would permit of the appointment of additional Obedience Representatives.

MOTION #245-63
Moved by Mr. Mehlenbacher, seconded by Mr. Dawson:
"THAT, this proposed amendment be included in the next referendum ballot."
FOR THE MOTION: Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mr. Anderson, Mr. Duff.
Motion carried.

REPORT: The Secretary reported that:
(1) at its annual meeting the Board, by motion #55-63, had instructed him to prepare proposed amendments to Article XII, Sections 12 and 13, of the By-laws, in order that, immediately at the close of balloting, the Election Commission may proceed to open the ballots, count the votes, and submit its report of election results as soon as possible;
(2) in accordance with this instruction there had been forwarded to members of the Board with the agenda (page #37) of this meeting proposed amendments to the sections in question.

MOTION #246-63
Moved by Mr. Brown, seconded by Mr. McDerment:
"THAT, this proposed amendment be included in the next referendum ballot."
FOR THE MOTION: Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mr. Anderson, Mr. Duff.
Motion carried.

REPORT: The Secretary reported that:
(1) at its annual meeting the Board had instructed him to prepare proposed amendments to Article XII, Section 16, of the By-laws, requiring that when, for any office, there is a write-in ballot as provided in Section 16, the Election Commission is to announce the number of votes cast for the member elected, and to enable any member in the zone to be advised, if desired, of the number of votes cast for him on the write-in ballot;
(2) on page #38 of the material sent to members of the Board with the agenda he had submitted proposed amendments to Section 16 for the Board's consideration.
DISCUSSION: During discussion a minor change was made in the proposed amendments drafted by the Secretary.

MOTION #247-63
Moved by Mrs. Joel, seconded by Mrs. Anderson:
"THAT, this proposed amendment, as amended, be included in the next referendum ballot."
FOR THE MOTION: Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mr. Anderson, Mr. Duff.
Motion carried.

-----Mr. J. C. Anderson entered the meeting.

REPORT: The Secretary reported that:
(1) at its annual meeting the Board had considered a proposed amendment to the By-laws, the purpose of which would be to enable the Chief Registration Officer, in certain circumstances, to order the Live Stock Records to cease issuing certificates or recording transfers of ownership for a person, partnership, or company;
(2) the proposal had been held over for consideration at this meeting;
(3) he had given further consideration to the proposal with the result that with the material (page #39) sent to members of the Board with this agenda he had submitted the draft of a proposed amendment to Article XV of the Club's By-laws.

MOTION #248-63
Moved by Mrs. Joel, seconded by Mrs. Anderson:
"THAT, this proposed amendment be included in the next referendum ballot."
Motion carried unanimously.

REPORT: The Secretary reported that:
(1) at the annual meeting of the Board he had been instructed, by motion #59-63, to prepare a proposed amendment to Article X, Section 1 of the Club's By-laws, the intent of the amendment being to make it possible for an earlier commencement of the annual meeting of the Board, this in order that, at the Annual General Meeting, a more comprehensive report may be placed before the members attending that Meeting, on decisions reached by the Board at its annual meeting.
(2) on page #46 of the material forwarded to members of the Board with the agenda of this meeting he had set forth his draft of a proposed amendment to Section 1 of Article X of the By-laws.

MOTION #249-63
Moved by Mr. Dawson, seconded by Mr. Brown:
"THAT, this proposed amendment be included in the next referendum ballot."
Motion carried unanimously.

REPORT: The Secretary reported that:
(1) at the annual meeting of the Board it had been proposed that the Board consider the inclusion in the next referendum ballot of a proposed amendment to Article X, Section 6 of the Club's By-laws, which would delete the present Section 6, and substitute a new Section, the intent of which was to enable the Board to set up a "Secretary's Page" in the official magazine through which decisions reached by the Board at any meeting of the Board could more understandably and more quickly be communicated to the membership generally;
(2) he had been instructed to prepare a proposed amendment to Section 6 of Article X, and such proposed amendment had been set forth on page #47 of the material which he had forwarded to members of the Board with the agenda of this meeting.

DISCUSSION: During a discussion which followed it was pointed out that:
(1) the manner in which the minutes of Board meetings are now prepared requires considerable time on the part of the Secretary and staff with consequent delays in the publication of minutes in the Club's official magazine;
(2) the cost to print minutes in their present form is at present running from $1,800 to $2,000 per calendar year, and an additional $900 per year on postage costs for mailing the issues in which minutes appear;
(3) the amendment, as drafted, would permit of the Board instructing the Secretary to include in the official magazine a detailed report on important or controversial matters where it felt that something more than the Board's decision is desirable.

The Secretary read the following comments from a letter received from Mr. A. M. MacKenzie of Ottawa:
"May I endorse motion #149-63 to eliminate the publication of minutes of meetings in favour of a Secretary's page in 'Dogs in Canada'. Such a move will go a long way toward making the official magazine a more readable and informative periodical. This endorsement pre-supposes that minutes in the general form in which they are now published will continue to be prepared and approved in the normal manner."

MOTION #250-63
Moved by Mr. Anderson, seconded by Mr. MacKillop:
"THAT, this proposed amendment to Article X, Section 6, of the By-laws, be included in the next referendum ballot."
Motion carried unanimously.

REPORT: The Secretary reported that:
(1) at its annual meeting the Board had instructed the Secretary to prepare, for the consideration of the Board at this meeting:
(a) proposed amendments to Article XXXVIII of the Club's By-laws which would call for the regular referendum ballot to be held concurrently with an election of Officers and Directors;
(b) a proposed amendment altering the effective date of amendment in such a way as to enable all concerned to be given reasonable notice of amendments before they become effective and to permit of sufficient time to enable the setting up of the required administrative procedures;
(c) a proposed amendment to the Dog Show Rules removing the necessity to amend the Dog Show Rules by referendum ballot and giving the Board the power to approve amendments to the Dog Show Rules after following out the procedure now provided in the Field Trial Rules and Regulations;
(d) a proposed amendment to the Obedience Trial Regulations and Standards removing the necessity to amend the Obedience Trial Regulations and Standards by referendum ballot and giving the Board the power to approve amendments to the Obedience Trial Regulations and Standards after following out the procedure now provided in the Field Trial Rules and Regulations;
(2) on pages #48, #49 and #50 of the material forwarded to members of the Board with the agenda of this meeting, he had set forth proposed amendments along the lines indicated by the instructions given by the Board at its last annual meeting.
DISCUSSION: During a discussion which followed:
(1) it was pointed out that at its annual meeting in March the Board had appointed the Chairman of a Special Committee (giving him power to name the members of the Committee), whose duty it is to review the Dog Show Rules in their entirety and present a report to the Board at its next annual meeting;
(2) it was suggested that if, as anticipated, this Committee proposed a considerable number of changes in the present Dog Show Rules, the adoption of new Dog Show Rules in up-to-date form by way of referendum ballot would be difficult of accomplishment;
(3) Mr. Mehlenbacher reported that he had consulted the members of the Chairman's Standing Committee of the Obedience Council and also the Obedience Representatives on the proposal that the Board be authorized to approve amendments to the Obedience Trial Regulations and Standards and stated that of the five Obedience Representatives who have expressed an opinion on this proposal, four were in favour and one was opposed, and that it was the recommendation of the Chairman's Standing Committee that the Board take steps to place before the voting members of the Club a proposal that, rather than amending the Obedience Trial Regulations and Standards by referendum ballot, the power to amend the Regulations and Standards be placed in the hands of the Board;
(4) Mr. McDerment, Chairman of the Special Committee appointed to review the Dog Show Rules, reported that it was the feeling of the Committee that changes in the Dog Show Rules should be handled as now provided in the Field Trial Rules and Regulations (i.e. by way of the Board of Directors) but that before the Board reaches any decision on any proposed amendment to the Dog Show Rules, the proposed amendment should be referred to a Special Committee, to be known as "The Dog Show Rules and Regulations Committee";
(5) it was agreed that in the proposed new Chapters on amendments to the Dog Show Rules and Obedience Trial Regulations and Standards there would be no provision for the Board to approve amendments in an emergency, and such a provision (paragraph 8 in Section 12 of Chapter 21) in the Field Trial Rules and Regulations should be deleted by way of the next referendum ballot.

MOTION #251-63
Moved by Mr. Brown, seconded by Mr. Anderson:
"THAT, these proposed amendments, as amended, be included in the next referendum ballot."
Motion carried unanimously.

REPORT: The Secretary reported that:
(1) at its annual meeting in March the Board had discussed the difficulty faced this year because of the requirement of Article XIII, Section 1 of the By-laws which requires that an officer of the Club be Chairman of the Registration Committee;
(2) with a view to eliminating this difficulty he had been instructed to prepare, for the consideration of the Board at this meeting, a proposed amendment to Section 1 of Article XIII;
(3) on page #51 of the material forwarded to members of the Board he had set forth a proposed amendment in line with the discussion of the Board at its annual meeting.

MOTION #252-63
Moved by Mr. Mehlenbacher, seconded by Mrs. Gove:

"THAT, this proposed amendment be included in the next referendum ballot."

Motion carried unanimously.

REPORT: The Secretary reported that:
(1) at its annual meeting it had been proposed that steps be taken to amend the Club's By-laws in order that the Board may appoint a Dog Show Council whose functions would be much the same as those of the present Obedience Council and Field Trial Councils;
(2) pursuant to instructions given at that meeting he had drafted and included on page #52 of the material forwarded to members of the Board with the agenda of this meeting, a proposed amendment to Article XIII of the Club's By-laws.

MOTION #253-63
Moved by Mr. Anderson, seconded by Mr. Dawson:
"THAT, this proposed amendment be included in the next referendum ballot."

Motion carried unanimously.

DOG SHOWS

11 D 73. AMENDMENTS TO DOG SHOW RULES

REPORT: The Secretary reported that:
(1) at its annual meeting he had been instructed, by motions #117-63 and #118-63, to draft for the consideration of the Board at this meeting, proposed amendments to Chapter 15, Section 7 of the Dog Show Rules in order that:
  (a) if stated in the premium list, each group may be judged at the group level immediately upon the completion of judging of all breeds in a group at breed level; and
  (b) the Show Superintendent is empowered to alter breed and group judging in order to facilitate the smooth operation of a show;
(2) pursuant to these instructions he had forwarded to members of the Board (page #66 of the material accompanying the agenda) proposed amendments along the lines discussed at the annual meeting of the Board.

DISCUSSION: During a discussion which followed a number of changes were suggested in the proposed amendments as drafted by the Secretary, and at the conclusion of the discussion it was agreed that a decision on these proposed amendments would be reached after the Secretary had provided each member of the Board with a redraft of proposed amendments, bearing in mind the discussion at this meeting.

-----Luncheon recess.

REPORT: The Secretary reported that:
(1) at its annual meeting he had been instructed, by motion #6-63, to prepare for the consideration of the Board at this meeting, proposed amendments to Chapters 7 and 8 of the Dog Show Rules, the intent of which would be to leave entirely to show-giving clubs, the selection of judges for their shows;
(2) on pages #57, #58 and #59 of the material accompanying the agenda of this meeting, he had submitted drafts of proposed amendments for the consideration of the Board at this meeting.

DISCUSSION: During a discussion which followed:
(1) Mr. McDerment suggested that it would be premature for the Board to reach any decision on these proposed amendments and to include any proposed amendments to Chapters 7 and 8 in the next referendum ballot until it receives and considers the report of the Special Committee now reviewing the Dog Show Rules in their entirety;
(2) Mrs. Joel pointed out that if the Board postpones any decision on this question there may be no opportunity to amend the Dog Show Rules before 1965;
(3) Mr. Blyth expressed the view that the selection of judges should be left entirely to show-giving clubs as each show-giving club must realize that the success or failure of their show depends upon their obtaining the services of competent judges;
(4) Mr. Williams stated that most of those presently active as judges became judges upon the invitation of show-giving clubs;
(5) Mr. Anderson suggested that the rules should not make it difficult for clubs to obtain the services of persons whom they consider competent to judge, but rather the efforts of the Board should be directed towards dealing with complaints and reports of poor judging;
(7) Mrs. Gove expressed the view that the present system of written and oral examinations has the advantage of ruling out persons who should not judge because of lack of knowledge of either the Dog Show Rules or the standards of those breeds which they wish to judge;
(8) Mr. Dawson stated that, in his opinion, to change Chapters 7 and 8 as now proposed would be a retrogressive step;
(9) Mr. Mehlenbacher inquired how many of the present day judges had taken written and oral examinations and expressed the view that the present requirements discouraged many whose services show-giving clubs would wish to obtain, but who are not prepared to undertake to meet the present requirements of Chapter 7;
(10) Mr. Brown stated that the distribution of the Book of Breed Standards to members of the Club would result in many exhibitors becoming more knowledgeable about breed standards.

MOTION #254-63
Moved by Mr. Anderson, seconded by Mr. Wells:
"THAT, proposed amendments to Chapters 7 and 8 be included in the next referendum ballot."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Little, Mr. MacKillop, Mr. Mehlenbacher.
AGAINST THE MOTION: Mr. Brown, Mr. Dawson, Mrs. Gove, Mrs. Joel, Mrs. Mack, Mr. McDerment.
ABSENT: Mr. Duff.

Motion carried.

The President ruled that the motion has no force or effect as the number of affirmative votes did not meet the requirements of Section 17 of Article XXXVIII of the Club's By-laws.

FINANCIAL MATTERS

5 F 36. FINANCIAL STATEMENTS FOR FIRST SIX MONTHS OF 1963.

SUBJECT: The Secretary presented financial statements for the first six months period ending June 30, 1963.

MOTION #255-63
Moved by Mr. Brown, seconded by Mr. Anderson:
"THAT, the financial statements for the first six months be received."

Motion carried unanimously.

5 F 30. SHOW AND TRIAL-GIVING CLUB ACCOUNTS

REPORT: The Secretary reported that:
(1) at its annual meeting in March the Board, by resolution, had instructed him to consult show and trial-giving clubs with regard to proposals considered at the annual meeting of the Board regarding new arrangements for date fees and recording fees;
(2) with regard to the proposed new arrangement on date fees, two clubs in Ontario had indicated approval, six outside Ontario had indicated approval, three in Ontario had indicated qualified approval, one outside Ontario had indicated qualified approval, fifteen in Ontario did not approve, and three outside Ontario did not approve;
(3) with regard to the proposed new arrangement on recording fees, three clubs in Ontario approved, six outside Ontario approved, one in Ontario indicated qualified approval, sixteen in Ontario did not approve, and four outside Ontario did not approve.

DISCUSSION: During a discussion which followed Mr. Brown stated that many show and trial-giving clubs did not have meetings during the summer months and that many of the clubs who received the memorandum on these proposals would not have had an opportunity to consider them and submit their reaction to the proposals.

MOTION #256-63
Moved by Mr. Brown, seconded by Mr. Little:
"THAT, these proposals be laid on the table."

Motion carried unanimously.

5 F 2. APEX PUBLISHERS AND PUBLICITY LTD.

REPORT: The Secretary reported that Mr. Peter Wright Q.C., the Club's solicitor and one of the Club's two representatives on the Board of Directors of Apex Publishers and Publicity Ltd., publishers of "Dogs in Canada", had suggested that he obtain from the publishers a copy of their letter to him dated August 15th and a copy of the report attached to the letter, which included proposals intended for the consideration of the Board of Directors of the Club and the Board of Directors of Apex Publishers and Publicity Ltd.

Mr. Walter Brown, one of the Club's two representatives on the Board of Directors of Apex Publishers and Publicity Ltd., reported that he had also received a letter from the publishers and the material referred to by Mr. Wright, and suggested that consideration of the proposals be postponed until copies of the letter and submissions are made and distributed to members of the Board for study.

MOTION #257-63
Moved by Mr. Brown, seconded by Mr. Little:
"THAT, this matter be dealt with on Wednesday morning and the Secretary as soon as possible supply each Board member with a copy of the material."

Motion carried unanimously.

REGISTRATION, STUD BOOKS & RELATED MATTERS

7 R 10. BREED STANDARDS

REPORT: Mrs. Anderson, Chairman of the Breed Standards Committee, reported that:
(1) since the publication of the Club's first Book of Breed Standards letters had been received expressing dissatisfaction with the standard for the Belgian Sheepdog as included in the book;
(2) after considering such letters and discussing the matter with a number of persons interested in the breed, she had the following recommendations to submit for the Board's consideration:
  (a) the varieties of the Belgian Sheepdog be described at the end of the existing standard;
  (b) breeders of Belgian Sheepdogs be encouraged to form a specialty club and decide whether or not they wish to have their varieties divided into separate breeds, any revision of the existing standards to have the official sanction of the majority of breeders;
  (c) certificates of registration issued by the Club for Belgian Sheepdogs indicate the variety of each dog which is registered individually.

DISCUSSION: During a discussion which followed it was agreed that:
(1) while there are few breeders and exhibitors of Belgian Sheepdogs in Canada, it would be advisable to secure their individual reactions to these recommendations;
(2) in order to achieve this, a notice would be published in the official magazine asking those interested in the breed to communicate with the Secretary in order that a mailing list may be made of those before whom these proposals would be placed for consideration and reaction.

MOTION #258-63
Moved by Mr. Dawson, seconded by Mr. Anderson:
"THAT, the Secretary be authorized to publish a notice in 'Dogs in Canada' for the attention of the Belgian Sheepdog fanciers and those who respond be consulted with regard to Mrs. Anderson's recommendations."

Motion carried unanimously.

REPORT: The Chairman of the Breed Standards Committee reported that since reaching Toronto she had received from Mrs. J. H. Daniell-Jenkins, President of the Bullmastiff Fanciers of Canada, a revision of the proposed new standard for the Bullmastiff, and stated that she had had no opportunity to examine this proposed new standard in detail in order to make a detailed report at this meeting.

DISCUSSION: During a discussion which followed it was agreed that, before the Board reaches any decision on a revised standard, the standard in its entirety should be published in the Club's official magazine and an invitation extended to those interested in the breed to submit their comments for the consideration of the Breed Standards Committee, after which a further report would be submitted to the Board of Directors, likely at its annual meeting next February.

ACTION: The Secretary was instructed to proceed as agreed.

REPORT: The Chairman of the Breed Standards Committee reported that:
(1) she had received a request that the Board take steps to amend the

standard of the German Shepherd Dog to require the disqualification of white German Shepherd Dogs;
(2) as a preliminary to the possible general inquiry on this question she had consulted the Van Isle German Shepherd Dog Club of Victoria, B. C., who were opposed to this suggested change in the breed standard.

DISCUSSION: During a discussion which followed it was pointed out that at the annual meeting of the Board in February (1962) the then Chairman of the Breed Standards Committee reported that a notice had been published in the November (1961) issue of "Dogs in Canada" seeking the reaction of German Shepherd Dog fanciers to the same proposal, and at that time the Chairman of the Committee had reported that only two replies had been received to this notice, both of which expressed opposition to the standard being changed as suggested.

The Board noted that, at that time, the Board had agreed that, in view of the limited support indicated to this proposal, there would be no change along this line in the standard of the German Shepherd Dog.

MOTION #259-63
Moved by Mrs. Joel, seconded by Mr. Dawson:
"THAT, the previous decision of the Board stand."
Motion carried unanimously.

7 R 24. KENNEL NAMES

SUBJECT: The Secretary:
(1) pointed out that at its meeting on May 23rd the Board had decided, subject to confirmation by the national Board at this meeting (by motion #160-63) on procedures which would be followed in connection with recommendations of the Kennel Names Committee on particular applications for registration of kennel names;
(2) stated that since this involves a matter of policy, the Board at this meeting should either confirm motion #160-63 or decide on other arrangements in connection with the processing of recommendations of the Kennel Names Committee;
(3) read resolution #160-63: "THAT, recommendations of the Kennel Names Committee on applications for registration of kennel names, or objections thereto, be mailed to the entire Board, and if, within ten days after mailing, the Secretary does not receive from any member of the Board an objection to any particular Committee recommendation or recommendations, the Secretary is then authorized to proceed to implement the Committee's recommendations."

MOTION #260-63
Moved by Mr. Anderson, seconded by Mrs. Anderson:
"THAT, this matter of policy be confirmed by this national Board and resolution #160-63 be entered in the book of Standing Resolutions."
Motion carried unanimously.

REPORT: The Secretary pointed out that:
(1) Section 1 of the new Article XXV (Kennel Names) of the By-laws requires the Board to declare policy, prescribe regulations, make interpretations, and endorse its decisions and orders, with regard to kennel names, their registration and use;
(2) with a memorandum to the Board dated July 15th he had forwarded a draft of proposed new regulations and interpretations, these having been drawn following discussions regarding kennel names and policies at the annual meeting of the Board in March.

DISCUSSION: The Board proceeded to discuss the proposed regulations and interpretations as provided by the Secretary. During a discussion of Section 3 with regard to the usage of kennel names, Mrs. Mack and Messrs. Brown, Duff, Little and Blyth maintained that Section 3 should be amended to provide that a breeder may use his kennel name only as a prefix in naming dogs born his property, and, with the consent of the first owner, as a suffix in the naming of an unregistered dog he may acquire. The remaining members of the Board indicated that they favoured the provisions of suggested Section 3 as proposed in the copy submitted to the Board.

The Secretary explained that in drafting Section 3 he had borne in mind the discussions at the annual meeting of the Board, at which time the majority appeared to be of the opinion that a breeder should be permitted to use his registered kennel name as a prefix or suffix in naming dogs born his property or unregistered dogs which he may acquire.

Several minor changes were made in the regulations as provided by the Secretary.

The Board then proceeded to consider the recommendations set out in the Secretary's memorandum to the Board dated July 15th, as follows:
1. The Board to declare that Sections 1, 2, 3, 4, 5 & 6 of the old Article XXV (in effect prior to the Ministerial approval this year of a new Article XXV) will remain in effect until the annual meeting of the Board next February. The same to apply to present Standing Resolutions on kennel names except for such changes in Standing Resolutions as may be approved by the Board after considering the recommendations of the special committee of which Mr. Wells is Chairman.
2. The Board to discuss the special regulations as submitted and decide what changes, on the basis of its present thinking, should be made therein.
3. The Board to direct that these regulations, as they may be amended at the semi-annual meeting, be published in the official magazine with an invitation to those interested to submit their comments and criticisms.
4. All comments and criticisms received to be referred to the Kennel Names Committee with an instruction that a resumé be prepared for consideration of the Board at its annual meeting next February.
5. A decision be reached by the Board next February and an effective date be set and the new regulations announced in the official magazine.

MOTION #261-63
Moved by Mrs. Joel, seconded by Mrs. Gove:
"THAT, we approve the Secretary's recommendations as set out in his memorandum dated July 15, 1963."
Motion carried unanimously.

REPORT: The Secretary reported that:
(1) Mr. D. R. Hayes, Ottawa, Ont. had submitted an application for the registration of ROSEDALE as a kennel name, having used the name, in naming dogs for registration purposes, for a number of years;
(2) pursuant to the understanding between The American Kennel Club and the Club, the application had been reported to The American Kennel Club who reported that ROSEDALE is a registered kennel name, having been granted in 1903 to Mr. James P. Van Dyke;
(3) the Kennel Names Committee had instructed him to refer the application to this meeting for final decision.

DISCUSSION: During a discussion which followed it was agreed that, having regard for the understanding between the Club and The American Kennel Club, the Board had no alternative but to reject Mr. Hayes' application.

MOTION #262-63
Moved by Mrs. Anderson, seconded by Mr. MacKillop:
"THAT, we do not approve the application for registration of the kennel name ROSEDALE."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Little, Mrs. Mack, Mr. MacKillop.
AGAINST THE MOTION: Mrs. Gove, Mr. McDerment, Mr. Mehlenbacher.
ABSTAINED: Mr. Blyth, Mrs. Joel.
ABSENT: Mr. Duff.
Motion carried.

SUBJECT: The Secretary read a letter, addressed to the Board, from Mrs. Elizabeth J. Hills (registered kennel name HILLSDALE) objecting to the registration of a number of dogs carrying the name HILLDALE.
DISCUSSION: During a discussion which followed it was agreed that HILLSDALE and HILLDALE are quite similar and could lead to confusion.

MOTION #263-63
Moved by Mrs. Mack, seconded by Mr. Little:
"THAT, the Records Office be instructed to include a 'stop card' on the use of the name HILLDALE in the registration of dogs in the Club's records."
Motion carried unanimously.

SUBJECT: The Secretary read:
(1) a letter (dated July 23rd) from Mr. M. Paterson Dewar, and
(2) a letter (dated July 29th) from Mrs. G. H. Bedard,
with regard to the Board's decision on applications received for the registration of the kennel name PENBARO.
ACTION: It was agreed that no action would be taken to alter the decision reached by the Board at its meeting on July 17th.

7 R 25. REGISTRATION COMMITTEE

REPORT: The Secretary reported that at its meeting on May 23rd, the Board had adopted the following resolution (#167-63):
"THAT, pending consideration of this question at the Board's semi-annual meeting, any decision reached by unanimous agreement at a meeting of the Registration Committee be implemented immediately; but when the Committee members present are not unanimous the file must be referred to the President for opinion and further consideration at a succeeding meeting of the Committee."

MOTION #264-63
Moved by Mr. Brown, seconded by Mr. Blyth:
"THAT, the action of the local Board in adopting resolution #167-63 be approved."
Motion carried unanimously.

SUBJECT: The Secretary pointed out that with the agenda of this meeting he had forwarded (pages #11 to #15 inclusive) a copy of a memorandum dated March 4th from Mr. Sigbot Winterhelt with which was enclosed breed regulations adopted by "The Pudelpointer Club of Canada".
DISCUSSION: The Board noted that the substance of Mr. Winterhelt's memorandum had to do with reasons why it is felt that from time to time the reintroduction of English Pointer blood in the Canadian Pudelpointer strains is desirable.

A discussion followed on whether the Club should attempt any form of regulations which would permit of interbreeding between recognized breeds for any reason whatsoever.

MOTION #265-63
Moved by Mr. Anderson, seconded by Mr. Wells:
"THAT, we do not consider for registration the results of interbreeding between recognized breeds."
Motion carried unanimously.

REPORT: The Secretary reported that the Registration Committee had referred to this Board for consideration the question of whether it should order the cancellation of the registration of a litter of Dachshunds (No. 2479-61) where it is clear that the sire of the litter is a Miniature Smooth Dachshund and the dam of the litter is a Standard Smooth Dachshund.

DISCUSSION: During a discussion which followed it was stated that many Dachshund breeders are concerned over regulations which the Board of Directors found it necessary to adopt with a view to ensuring uniformity between the registration of Dachshunds born in Canada and those imported to Canada from other countries.

The Board noted that on a previous occasion a determined effort was made to secure the feelings of Dachshund fanciers on the question of whether interbreeding between the coats and sizes should be permitted, and although the results of the inquiries in that connection had proven inconclusive at the time, it was agreed that the Registration Committee should consult Dachshund breeders with a view to determining whether a majority favoured any alterations in the Club's present policies regarding the registration and showing of Dachshunds.

MOTION #266-63
Moved by Mr. Blyth, seconded by Mr. Mehlenbacher:
"THAT, no action be taken at this time with regard to the registration of litter #2479-61 and the Registration Committee be and is hereby authorized to consult Dachshund breeders for possible alterations in our present policies regarding the registration and showing of Dachshunds."
Motion carried unanimously.

REPORT: The Secretary reported that the Director of the Canadian National Live Stock Records had inquired whether the Club wished him to arrange for the issuance of certificates of registration in French where it is clear that applicants prefer that the certificates be in French rather than in English.

MOTION #267-63
Moved by Mr. Brown, seconded by Mrs. Mack:
"THAT, the Records Office be authorized to issue certificates in French where the applicant desires this arrangement."
Motion carried unanimously.

REPORT: The President pointed out that each member of the Board had been provided with a copy of the letter dated August 15th, and accompanying material, addressed to Mr. Peter Wright and Mr. Walter Brown by the publishers of "Dogs in Canada".
DISCUSSION: During a discussion which followed it was suggested that, if members of the Board are to consider the submissions and proposal advanced by the publishers, members of the Board should first have an opportunity of examining the financial statements of Apex for their fiscal year ending April 30, 1963 and making a comparison of that statement with the statement for their previous fiscal year.

Moved by Mr. MacKillop, seconded by Mrs. Joel:

REGISTRATION, STUD BOOKS & RELATED MATTERS

7 R 38. STUD BOOKS

SUBJECT: The Secretary pointed out that on June 12th he had addressed a memorandum to the Board of Directors in which:
(1) he outlined the labour and time involved in the preparation of the four indexes in the litter record section of the stud book; and
(2) suggested that each member of the Board, as opportunity presents itself, ascertain from members who do purchase the stud book whether the sires' index and dams' index in the litter record section of the volume serve a useful purpose to them, this in order that at this meeting, the Board may decide whether these sections of the volume should be continued.
DISCUSSION: During a discussion which followed Mr. Brown expressed the view that these sections of the stud book are helpful to those who use the stud book for reference purposes, that no change should be made in the format, and that, if the Secretary is finding it difficult to have copy typed for the book, he should not hesitate to engage additional help when preparing the copy for the printer.

MOTION #270-63
Moved by Mr. Brown, seconded by Mr. Blyth:
"THAT, the Stud Book remain as it is and if there is any extra help necessary to produce it, extra help be employed."
Motion carried unanimously.

7 R 41. IDENTIFICATION

REPORT: The Secretary reported that:
(1) at a meeting of the Board in May he had proposed that a booklet be published which would include information on and answers to many questions with regard to registration of dogs in the Club's records and identification of dogs for registration purposes;
(2) at that meeting he had been instructed to prepare details and submit a report to this meeting of the Board regarding possible contents of such a booklet;
(3) reported that since the May meeting he had given consideration to this question and suggested that such a booklet include, amongst other information, the following: how to register litters and individual dogs, including samples of properly completed applications for registration of both; how to register dogs imported from the United States, Great Britain and other countries; a list of the recognized stud books in various countries; how to register a litter sired by a stud dog owned in another country; details of the regulations on the registration of Dachshunds; how to tattoo-mark dogs, with illustrations; how to noseprint dogs, with illustrations; some of the more common errors made by persons applying for registration of litters and individual dogs, and how these can be avoided.
DISCUSSION: During a discussion which followed it was suggested that the booklet should refer to the Club's Book of Breed Standards.
Mrs. Mack suggested that the booklet should be published also in the French language.
It was agreed that the booklet should be forwarded to each person when admitted to membership, as well as to those already members of the Club, and to any other person requesting information about registration and/or identification.

MOTION #271-63
Moved by Mr. Dawson, seconded by Mrs. Anderson:
"THAT, the Secretary be authorized to produce and distribute free, such a booklet to all members of the Club."
Motion carried unanimously.

MOTION #272-63
Moved by Mrs. Mack, seconded by Mr. Brown:
"THAT, this booklet be produced separately in French also."
Motion carried unanimously.

7 R 70. BREED IMPROVEMENT - SELECTIVE REGISTRY
9 A 7. AMENDMENTS TO BY-LAWS

REPORT: The Secretary:
(1) pointed out that at the annual meeting of the Board he had reported on the steps taken by a Special Committee (consisting of Mr. W. J. Monaghan, Chairman, Mr. William McDerment and himself) appointed by the Board for the purpose of considering and reporting to the Board on means by which the Club may provide enforceable legislation in those cases where, at the time of sale, an agreement is reached by buyer and seller that a condition of sale is that the dog will not be used for breeding purposes, and pointed out that this matter was ordered held over for consideration at this meeting (motion #43-63);
(2) pointed out that at its annual meeting in March the Board (by motion #58-63) had instructed the Secretary to look into the possibility of providing Bill of Sale forms and to present a report at this meeting;
(3) reported that he had consulted the Club's solicitor with regard to a possible Bill of Sale form, and on pages #40 to #45 inclusive of the material forwarded to the Board with the agenda of this meeting, he provided a copy of his letter of April 29th to the Club's solicitor, comments which had been forwarded to the Club's solicitor with his draft of a possible Bill of Sale form, and a copy of the reply received from the solicitor's office.
DISCUSSION: During a discussion which followed it was agreed that:
(1) consideration and possible adoption of Bill of Sale forms for use by breeders would be postponed pending development of a means by which dogs may be sold as pure-bred, with certificates of registration, on the understanding that such dogs are not to be used for breeding purposes;
(2) as it is possible that there may not be a regular referendum ballot in 1964, an early solution to this question should be sought and placed before voting members for their approval or rejection;
(3) the Secretary would prepare proposed amendments for consideration of the Board later in this meeting.

MOTION #273-63
Moved by Mr. MacKillop, seconded by Mrs. Joel:
"THAT, the Secretary prepare for consideration later in this meeting the draft of a suitable proposed amendment to the By-laws."
Motion carried unanimously.

7 R 73. INSPECTION OF KENNELS

REPORT: The Secretary reported that:
(1) at its semi-annual meeting last year the Board had considered a letter received from the Ontario Society for the Prevention of Cruelty to Animals, the letter including a proposal that the Club and the Society enter into joint discussion in connection with the possibility of introducing a system of inspection of kennels;
(2) the letter was referred to a Special Committee for consideration and report to the Board;
(3) a report had not been received from the Committee.

DISCUSSION: During a discussion which followed the President read a letter dated July 8th which he had received from Mrs. Hettie Rice, Tecumseh, Ontario, and his reply thereto dated July 10th, with regard to her experiences following an inspection of her kennels by the Inspector of the local Humane Society.
The Board agreed that the Club itself had no authority to require any kennel owner to submit to an inspection of his kennels and premises, the Club's authority in connection with inspection having only to do with maintenance of proper private breeding records and any investigations arising out of any complaint or allegations involving registration and identification of dogs.

MOTION #274-63
Moved by Mr. Blyth, seconded by Mrs. Mack:
"THAT, no action be taken in connection with the proposals put forward by the Ontario Humane Society and they be notified accordingly."
Motion carried unanimously.

MOTION #275-63
Moved by Mr. Blyth, seconded by Mrs. Mack:
"THAT, the Secretary inform Mrs. Rice of the action taken by motion #41-63."
Motion carried unanimously.

COMPLAINTS, CHARGES AND PROTESTS

8 C 10. SPECIFIC CASES

The Secretary reported on a number of complaints and after full consideration the Board took appropriate action.

-----Luncheon recess.

8 C 1. POLICIES

REPORT: The Secretary reported that he had been asked by the Complaints Committee to place before this meeting of the Board, the Committee's recommendation that a list of qualified people, willing to sit on Advisory Committees, be prepared, this in order to expedite the formal hearing of complaints and charges whenever, in the opinion of the Board or the Committee, formal investigations are desirable.
DISCUSSION: During a discussion which followed:
(1) it was pointed out that whenever an Advisory Committee is appointed an effort is made to appoint persons who are considered to be objective in their consideration of evidence heard or placed before an Advisory Committee and persons who are not believed to be involved, through friendship or otherwise, with any of the parties involved in the complaint;
(2) Mrs. Anderson, Mr. Dawson and Mrs. Gove expressed the view that the appointment of unprejudiced members of an Advisory Committee should take place only after the nature of the complaint to be investigated and the persons involved are known to the local Director, who would be expected to make the necessary arrangements for the hearing to be held;
(3) members of the Complaints Committee pointed out the delays that often take place when difficulty is experienced in obtaining the services of those who are asked to sit on Advisory Committees appointed from time to time.

MOTION #292-63
Moved by Mr. Brown, seconded by Mr. Mehlenbacher:
"THAT, the Director in each province submit a list of names whom the Secretary will approach with a view to determining whether they would be prepared to act on an Advisory Committee."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mr. Blyth, Mr. Brown, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
AGAINST THE MOTION: Mrs. Anderson, Mr. Dawson, Mrs. Gove.
ABSTAINED: Mr. MacKillop.
Motion carried.

13 FT 19. FIELD TRIALS FOR FOXHOUNDS

REPORT: The Secretary reported that:
(1) in view of instructions given at the first session of this meeting he had been in touch with Mr. Bonnyman by telephone regarding the possibility of representatives of the All-Canadian Fox Hunters' Association meeting with representatives of the Board on August 24th or 25th;
(2) Mr. Bonnyman had stated that a meeting on either date could not be arranged but had suggested the possibility of a meeting taking place on Saturday, August 31st.
DISCUSSION: The Board agreed that the Secretary would inform Mr. Bonnyman that a meeting on August 31st would be satisfactory. It was also agreed that Mr. Walter Brown, Mr. R. L. MacKillop and Mr. Wm. McDerment would represent the Board of Directors at the meeting.

Motion carried unanimously.

INTERNAL AND ADMINISTRATION

9 A 103. APPOINTMENTS FOR 1963

MOTION #294-63
Moved by Mr. Mehlenbacher, seconded by Mr. Brown:
"THAT, Mr. McDerment be and is hereby appointed Chairman of the Field Trial Council for Foxhounds."

9 A 16. STANDING RESOLUTIONS

REPORT: The Secretary pointed out that:
(1) at the annual meeting of the Board in March Mr. Wells had been appointed Chairman of the Standing Resolutions Committee and had been given the power to add to that Committee;
(2) each member of the Board had been provided with the following:
(a) a copy of the report submitted by Mr. Wells, Chairman of the Committee, dated July 30th;
(b) a copy of standing resolutions, divided into four sections by Mr. Wells as follows: Section "A" - internal policies; Section "B" - Dog Show Rules; Section "C" - Field Trial Rules; Section "D" - Obedience Trial Rules; the standing resolutions in each section having been numbered consecutively starting from #1 in each section;
(c) the comments and recommendations of the Committee on many of the standing resolutions, the comments being numbered to correspond with the numbers in the standing resolutions.
DISCUSSION: It was agreed that it would be advisable to deal with the standing resolutions on field trials and obedience trials while Mr. Blyth, Chairman of several Field Trial Councils, and Mr. Mehlenbacher, Chairman of the Obedience Council, are present.
The Board proceeded to a consideration of the Committee's recommendations with regard to standing resolutions on field trials.

Motion carried unanimously.

DISCUSSION: The Board then proceeded to consider the recommendations of the Committee with regard to standing resolutions on obedience trials.
(Secretary's Note: The standing resolutions numbered hereunder correspond to the numbering in Section "D" in the copy which accompanied the report submitted by Mr. Wells).
After discussion it was agreed that:
(1) standing resolution #12 would be amended by the deletion of the words "received at" and the words "submitted to" be substituted, and by the substitution of the word "ten" for the word "fifteen";
(2) resolution #12A would be added to the Book of Standing Resolutions;
(3) resolution #13 would remain a standing resolution;
(4) resolution #22 would be amended by the deletion of all but the last paragraph, which would be reworded in the form of a resolution;
(5) resolution #27 would be amended by deletion of the words "Stand for Examination" and the words "Group Examination" would be substituted therefor;
(6) standing resolutions #3, #24, and #44 would remain standing resolutions, but these would be referred to the Obedience Council for consideration and report to the Board;
(7) the following standing resolutions would be deleted from the Book of Standing Resolutions: #2, #4, #5, #17, #18, #23, #25, #28, #35, #42, #43, #49.

"THAT, the Secretary refer standing resolutions #3, #24, and #44 in Section "D" to the Obedience Council for consideration and report to the Board."
Motion carried unanimously.

DISCUSSION: The Board then proceeded to consider the recommendations of the Committee with regard to standing resolutions on dog shows.
(Secretary's Note: Standing resolutions hereunder correspond to the numbering in Section "B" of the copy which accompanied the report submitted by Mr. Wells).
After discussion it was agreed that:
(1) standing resolution #12 would be altered by deleting the words "received in the office of the C. K. C. within fifteen days" and substituting the words "submitted to the office of the C. K. C. within ten days";
(2) standing resolution #17 would be amended by deleting the words "not proceed beyond the breed level" and substituting the following words "not take place which requires competition between dogs entered in different specialty shows, and group placements shall not be permissible unless all breeds in the group are eligible for entry in the group specialty show";
(3) the following standing resolutions be deleted from the Book of Standing Resolutions: #2, #5, #14, #19, #20.
It was agreed that at a later session the Board would continue its consideration of the Committee's recommendations.

COMPLAINTS, CHARGES AND PROTESTS

8 C 10. SPECIFIC CASES

The Secretary reported on a charge, and after discussion the Board took appropriate action.

FIELD TRIALS

13 FT 1. REPORT OF CHAIRMAN

REPORT: Mr. Blyth pointed out that the President, the Secretary, and himself had been appointed a committee to look into the matter of judges' books which could be used in the field by officiating judges, and recommended that the Board do not decide on any type of judges' book but refer this question to each of the separate field trial councils with a view to ultimately placing before the Board a recommendation of each council as to the type of book which should be used for each type of field trial.

MOTION #298-63
Moved by Mr. Brown, seconded by Mr. Dawson:
"THAT, we concur in the recommendation."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
Absent: Mrs. Gove.
Motion carried.

-----Mrs. Irene Gove entered the meeting.

13 FT 27. FIELD TRIALS FOR POINTING BREEDS

REPORT: Mr. Blyth, Chairman of the Field Trial Council for Pointing Breeds:
(1) referred to a request, previously considered by the Board, that the Board give official sanction to the holding of "The Alberta Championship" by the Pointing Dog Division of the Alberta Field Trial Club;
(2) pointed out that this question has wide ramifications for, if permission is granted to a single club in a single province, then undoubtedly other clubs in other provinces would request similar consideration for provincial championships and there might be difficulty in determining which club should be granted this permission if the principle of provincial championship is established;
(3) pointed out that once the principle of a provincial championship is established for field trials, then there is every likelihood that the Board would be faced with requests to recognize provincial titles in connection with dog shows and obedience trials.

MOTION #299-63
Moved by Mr. Brown, seconded by Mr. Anderson:
"THAT, this be referred to the Field Trial Council for Pointing Breeds."
Motion carried unanimously.

13 FT 28. FIELD TRIAL RULES FOR RETRIEVERS

REPORT: Mr. Blyth, Chairman of the Field Trial Council for Retrievers, pointed out that in a report which he submitted to the Board on July 17th he had:
(1) pointed out that the Board, at an earlier meeting, had considered his recommendation with regard to altering the present rules and policies with regard to persons eligible to judge at licensed Retriever trials;
(2) suggested that this matter should be reviewed in its entirety by the Field Trial Council for Retrievers and only after the Council has come up with a tentative recommendation should the Retriever clubs be consulted and polled on the Council's recommendation;
(3) suggested that when a person has served as a student judge a final decision on his application to judge a particular stake should not be dealt with by the Board until the views of the local Field Trial Representative and his recommendation have been obtained and considered by the Council;
(4) suggested that before the Board deals with the recommendation of the Council on any suggested amendment to the field trial rules, notice of the proposed amendment should first be published in the Club's official magazine and the comments of clubs and individuals sought.

MOTION #300-63
Moved by Mr. Anderson, seconded by Mrs. Joel:
"THAT, we concur in the recommendations as included in Mr. Blyth's report dated July 17, 1963."
Motion carried unanimously.

13 FT 29. FIELD TRIALS FOR BEAGLES

REPORT: Mrs. Joel, Chairman of the Field Trial Council for Beagles, reported that:
(1) a meeting of the Field Trial Council for Beagles had been held at the Club's offices on June 30th, with the following members of the Council present: Mrs. Edna I. Joel (Chairman), Mr. Okill Stuart, Mr. Hardie R. Brown, Mr. Wm. Trevena, Mr. Ray Yearwood, and Mr. Robert Youngman;
(2) following the meeting of the Council a copy of the minutes of the Council meeting had been forwarded to all Beagle clubs with a request that each submit its comments in connection with each of the subjects dealt with by the Council at its meeting;
(3) a copy of the minutes of the Council meeting of June 30th had been forwarded to all members of the Board with the agenda of this meeting (pages 87 to 91 inclusive);
(4) 14 Beagle clubs had submitted their comments with regard to matters dealt with by the Council at its meeting on June 30th and these replies indicated general concurrence with the recommendations of the Council;
(5) included in the Council's recommendations were a number of proposed amendments to the field trial rules for Beagle field trials, and it was the hope of the Council that, at this meeting, the Board would consider that an emergency exists and that early amendment of the field trial rules for Beagle field trials was desirable in order that the proposed amendments to the field trial rules would be approved by the Board at this meeting and be declared effective as of January 1, 1964, this in order that prior notice may be given in the Club's official magazine before the amendments become effective.

ACTION: It was agreed that the Board would proceed to deal with each of the several subjects set out in the minutes of the Council meeting.

REPORT: Mrs. Joel reported that:
(1) while The Canadian Kennel Club itself had not set down specific requirements for those seeking to establish eligibility to judge at Beagle field trials, it had nonetheless, during recent years, ordered placed on the list of approved judges, a number of persons who had served apprenticeships;
(2) Mr. Derek Baguley had apprenticed at a number of trials and it was the recommendation of the Council that his name be added to the list of persons eligible for approval to judge brace trials for Beagles.

MOTION #301-63
Moved by Mr. Brown, seconded by Mr. Blyth:
"THAT, Mr. Derek Baguley be added to the list of approved judges of Beagle field trials (brace)."
Motion carried unanimously.

REPORT: Mrs. Joel reported that at its meeting on June 30th, the Council had decided on a number of recommendations with regard to the setting up of arrangements for apprenticing by those who wished to establish eligibility to judge at Beagle field trials, and pointed out that, on pages 88 and 89 of the material forwarded to the Board with the agenda of this meeting there was set out in detail the recommendations of the Council with regard to procedure to be followed by apprentice judges.
DISCUSSION: During a discussion which followed it was unanimously agreed that the words "(no field work)" would be deleted from the second paragraph of the procedure outlined by the Council.

MOTION #302-63
Moved by Mr. Blyth, seconded by Mrs. Mack:
"THAT, we approve the Council's recommendation, as amended, regarding apprenticing."
Motion carried unanimously.

REPORT: Mrs. Joel reported that the Council had considered a letter from Mr. Duff, Director for Nova Scotia, and the Council was of the unanimous opinion that no restriction should be placed on Beagle field trial clubs in the Maritimes as to whether they run brace trials on cottontail or hare.

MOTION #303-63
Moved by Mr. Dawson, seconded by Mr. McDerment:
"THAT, we concur with the Council's recommendation that no restriction be placed on Maritime Beagle clubs so far as it concerns running brace or pack trials on hare."
Motion carried unanimously.

REPORT: Mrs. Joel:
(1) pointed out that, at the present time Chapter 4, Section 6 of the field trial rules placed a limit on the number of trials a person may judge;
(2) pointed out that this rule had not been in effect very long before Beagle field trial clubs sought the Board's co-operation by way of extending the number of occasions on which a person may judge at licensed Beagle field trials, and the Board had later, by way of standing resolution, interpreted the rule in such a way as to make it less of a hardship on Beagle clubs seeking to obtain the services of competent judges;
(3) reported that it was the unanimous recommendation of the Council that the Board of Directors consider that an emergency exists and that Section 6 of Chapter 4 of the field trial rules be deleted from the Beagle field trial rules effective January 1, 1964.

MOTION #304-63
Moved by Mr. Brown, seconded by Mr. Little:
"THAT, the Field Trial Rules be amended by the deletion of Section 6 in Chapter 4."
Motion carried unanimously.

REPORT: Mrs. Joel:
(1) pointed out that Chapters 12 and 13 of the field trial rules at present provide for the appointment of seven official measurers;
(2) pointed out that it was the feeling of the Council that when a dog is officially measured (in connection with the possible issuance of an Official Measurement Certificate) that, rather than one official measurer and two witnesses, the dog should be measured by three official measurers and recommended the appointment of additional official measurers.
DISCUSSION: During a discussion which followed it was agreed that the zones should be stipulated in the rules and that the appropriate amendment should be approved at this meeting in order that these new arrangements may become effective on January 1, 1964.

MOTION #305-63
Moved by Mr. Blyth, seconded by Mrs. Mack:
"THAT, Chapter 12, Rule 4, Section 1, paragraph 4; and Chapter 13, Rule 4, Section 1, paragraph 4 of the Field Trial Rules & Regulations be amended by the deletion of the words 'There shall not be more than seven (7) official measurers who shall be appointed from districts where their services seem to be required', and the following be substituted therefor: 'There shall not be more than seven (7) official measurers appointed in each of the following zones: Ontario (east of Toronto); Ontario (west of Toronto); Quebec; Nova Scotia (Halifax and western mainland); Cape Breton and Newfoundland'."
Motion carried unanimously.

REPORT: Mrs. Joel:
(1) pointed out that at the present time Chapters 12 and 13 of the field trial rules require that when a Beagle is to be officially measured in connection with the possible issuance of an Official Measurement Certificate, the dog is measured by an official measurer in the presence of two witnesses;
(2) reported that it was a strong recommendation of the Council that the Board of Directors amend Chapters 12 and 13 in order that, instead of one official measurer and two witnesses there would be three official measurers present and measuring the dog, all of whom would sign the report to be submitted to The Canadian Kennel Club.
DISCUSSION: During a discussion which followed, and having regard for the amendments recommended by the Council, the Board agreed that the

following amendment should be approved immediately and be effective as of January 1, 1964:

(a) in the fifth paragraph of Section 1, Rule 4, Chapters 12 and 13, delete the words: "It shall be the duty of each Official Measurer to measure with a metal standard of a type approved by the Field Trial Council, and in the presence of two (2) witnesses, any Beagle presented for the purpose providing the said hound is:"
and substitute the words:
"It shall be the duty of the three (3) Official Measurers to measure with a metal standard of a type approved by the Field Trial Council any Beagle presented for the purpose provided the said hound is:";

(b) in the next following paragraph delete the words "An Official Measurer shall forward to the Canadian Kennel Club a statement signed by himself and two (2) witnesses"
and substitute the words:
"The Official Measurers shall forward to The Canadian Kennel Club a statement signed by the three (3) Official Measurers."

MOTION #306-63
Moved by Mr. Mehlenbacher, seconded by Mr. Anderson:
"THAT, this suggested amendment to the Field Trial Rules & Regulations be approved and the Field Trial Rules be amended accordingly."
Motion carried unanimously.

REPORT: Mrs. Joel:

(1) pointed out that on a previous occasion the Board had directed that a Beagle cannot be officially measured at a field trial;

(2) reported that it was the feeling of the Council that often it would be convenient for the official measurement to take place at a field trial provided that this did not interfere with the regular running of the trial;

(3) reported that in its report to the Board the Council had placed a recommendation with regard to a suggested amendment to the field trial rules.

DISCUSSION: During a discussion which followed it was agreed that the wording as suggested by the Council was not entirely clear and after discussion agreement was reached on the wording of an amendment which should be approved at this meeting and be declared effective as of January 1, 1964.

MOTION #307-63
Moved by Mr. Brown, seconded by Mr. Anderson:
"THAT, the Field Trial Rules & Regulations, Chapters 12 and 13, be amended by the addition of the following new paragraph after the section providing for the official measurement certificate in Rule 4, Section 1: 'A Beagle may be officially measured at any place, but if officially measured at a field trial then such official measuring must take place before the dog is run at the trial (if entered in the trial); such official measurement must not interfere with the normal running of the trial'."
Motion carried unanimously.

REPORT: Mrs. Joel drew the Board's attention to the following section of the minutes of the Council meeting held on June 30th:
"There was much discussion by the Council as to whether The Canadian Kennel Club should approve sanction trials. It was the opinion of four members that they should, since these trials were run in accordance with C.K.C. rules, excepting that no premium list was sent to the C.K.C. office and often apprentice judges were used. One member felt that sanction trials should not be approved by the C.K.C. unless they were in strict accordance with rules (such as at a licensed trial) which would include the preparation of premium lists and recognized judges, on the understanding that no premium lists be required and apprentice judges can be used, if desired. Four voted in favour of C.K.C. approval; one voted against."
DISCUSSION: Mr. Duff stated that although championship points are not allocated for a sanction trial, the trial should otherwise be conducted as a licensed trial in order that officials responsible for the conducting of the trial would gain experience and become more familiar with what should be done for a licensed trial. He suggested that premium lists should be distributed for sanction trials the same as for licensed trials.
Other members of the Board pointed out that most of the clubs conducting licensed Beagle trials are familiar with the requirements and that it would be an unnecessary expense to require the issuance of premium lists for sanction trials.
It was agreed that prior approval of the C.K.C. is required where a club wishes to hold a sanction trial but that such prior approval is not required where a club simply wishes to hold a "fun" or "picnic" trial.

MOTION #308-63
Moved by Mr. Brown, seconded by Mr. Little:
"THAT, we concur with these recommendations."
Motion carried unanimously.

REPORT: Mrs. Joel reported that she had asked Mr. Adams to prepare a "dummy" premium list setting forth all the types of information which the Kennel Club requires in a premium list for a licensed field trial, and distributed copies of the draft premium list as prepared by Mr. Adams.
DISCUSSION: During a discussion which followed it was agreed that it was no longer necessary to include in a premium list the paragraphs dealing with indignities to judges and the administration of drugs.

MOTION #309-63
Moved by Mrs. Mack, seconded by Mr. Anderson:
"THAT, this proposed premium list, as amended, be approved."
Motion carried unanimously.

REPORT: Mrs. Joel reported that:

(1) the Council had considered the question of whether or not the holding of a licensed pack trial and a licensed brace trial in the same zone on the same dates would conflict, and had reached the conclusion that with the increasing number of Beagle field trial clubs this could hardly be avoided, and in any event, it was felt that no harm could come from simultaneous trials on the two types of field trials for Beagles;

(2) at its annual meeting in March the Board had reason to consider five applications, received from Beagle clubs conducting pack trials, seeking priority rights on specified dates, and in accordance with an instruction of the Board, notice of these applications had been given in the May issue of the official magazine;

(3) in response to the notice published in the official magazine about these applications, only one letter had been received, that being a letter from the Ontario Association of Beagle Clubs;

(4) it was the recommendation of the Council that the applications of which notice had been given in the May issue be approved.

MOTION #310-63
Moved by Mrs. Joel, seconded by Mr. Brown:
"THAT, the applications for priority rights received from Beagle clubs of which notice was given in the May (1963) issue of 'Dogs in Canada' be approved."
Motion carried unanimously.

REPORT: Mrs. Joel reported that it was the wish of the Council that the Board again consider a proposal, previously considered by the Board, that when, in "Dogs in Canada", there is a report of awards at licensed Beagle field trials, there be included under the name of each placing dog the name of its sire and dam.
DISCUSSION: During a discussion which followed it was pointed out that when this proposal had been considered by the Board on a previous occasion it had been agreed that if such a practice is established for any type of competitive event held under the Club's rules it would be only fair to extend it to all, and to do so would involve an expenditure by The Canadian Kennel Club of several thousand dollars annually.

MOTION #311-63
Moved by Mr. Brown, seconded by Mr. Duff:
"THAT, we do not concur with this request."
Motion carried unanimously.

SUBJECT: The President pointed out that in dealing with various parts of the report which Mrs. Joel had submitted on behalf of the Beagle Field Trial Council the Board had decided that early amendment of sections of the field trial rules for Beagles was imperative, and suggested that in order to clarify its action the Board, by resolution, make it very clear that it has acted in an emergency and that all amendments to the Beagle field trial rules approved at this meeting be declared effective as of Janury 1, 1964.

MOTION #312-63
Moved by Mr. Anderson, seconded by Mr. McDerment:
"THAT, this Board considers that in approving at this meeting amendments to the Field Trial Rules & Regulations it has acted in an emergency; such amendments shall become effective on January 1, 1964."
Motion carried unanimously.

REPORT: Mrs. Joel reported that in connection with the Council's proposals with regard to apprentice judges it was proposed that an application form be set up where a person wishing to establish eligibility to judge Beagle field trials would apply to take examinations and apprentice, and the Council recommended that on the application form two statements be included.
DISCUSSION: After discussion it was agreed that the following would be incorporated in the application form:

(1) the apprentice will not run a dog in any class for which he is to apprentice;

(2) the apprentice will inform the Field Trial Representative of The Canadian Kennel Club of the name of the club and the date, time and place of the trials at which he is to apprentice, at least eight (8) days prior to each trial.

MOTION #313-63
Moved by Mrs. Joel, seconded by Mr. Mehlenbacher:
"THAT, the two recommendations, as amended, be approved and be included in the application form."
Motion carried unanimously.

MOTION #314-63
Moved by Mr. Brown, seconded by Mr. Duff:
"THAT, the report of the Chairman of the Field Trial Council for Beagles be approved as a whole, as amended."
Motion carried unanimously.

FINANCIAL MATTERS

5 F 2. APEX PUBLISHERS AND PUBLICITY LTD.

REPORT: The President reported that Apex Publishers and Publicity Ltd. had provided the Secretary with a copy of its financial statement for their fiscal year ending April 30, 1963.
DISCUSSION: Mr. Brown:

(1) pointed out that this financial statement had not yet been presented before the Board of Directors of Apex Publishers and Publicity Ltd. and the Board should recognize that a courtesy had been extended to it by Apex Publishers and Publicity Ltd.;

(2) suggested that the Secretary be authorized to make fifteen copies for distribution to members of the Board on the understanding that no copy would be removed from the Club's office and all copies would be returned to the Secretary immediately the Board, at this meeting, had reached a decision on the submission received from Apex Publishers and Publicity Ltd.

MOTION #315-63
Moved by Mr. Mehlenbacher, seconded by Mr. Little:
"THAT, the Secretary be instructed to prepare fifteen copies of the financial statements to be distributed to each member of the Board on the understanding that every copy will be returned to the Secretary before this meeting adjourns."
Motion carried unanimously.

OBEDIENCE TRIALS

12 OB 8. REPORT OF CHAIRMAN OF OBEDIENCE COUNCIL

REPORT: Mr. Mehlenbacher, Chairman of the Obedience Council, reported that:

(1) at its annual meeting in March the Board had approved a set of regulations dealing with requirements of residents of the United States, who had not previously judged in Canada, selected by clubs to officiate as judges at trials held under the Club's rules;

(2) following the annual meeting of the Board, and as subsequently

reported at a meeting of the Board held in May, a number of questions had arisen as to interpretations of these new regulations and at its meeting in May the Board had ordered the matter referred back to the Chairman of the Obedience Council;

(3) in the meantime the special regulations had not been implemented (scheduled to have become effective on May 31, 1963);

(4) he had consulted the Obedience Representatives seeking their views on several questions, and had submitted for their consideration a revised set of special regulations applicable to residents of the United States selected to judge at obedience trials held under the Club's rules (as set forth on pages 72, 73 and 74 of the material forwarded to members of the Board with the agenda of this meeting) and the covering letter which he had addressed to members of the Board on July 10th;

(5) in his letter to the Board dated August 16th he had reported that of the five Obedience Representatives who had expressed views on these proposed special regulations, two were in favour of rescinding the regulations approved in March, and two favoured reciprocity arrangements with The American Kennel Club regarding obedience judges;

(6) as a result of the views expressed by the members of the Obedience Council who had responded to his proposals, he recommended that the regulations adopted by the Board at its annual meeting in March regarding American judges, be rescinded and the new regulations, as set out on pages 72, 73 and 74 of the material forwarded to members of the Board with the agenda of this meeting, be adopted, to become effective on January 1, 1964.

MOTION #316-63

Moved by Mr. Blyth, seconded by Mr. Dawson:

"THAT, the special regulations applicable to residents of the United States adopted by the Board on March 18, 1963 (motion #107-63) be rescinded; and the special regulations submitted to the Board by the Chairman of the Obedience Council with his report dated July 10, 1963, be approved and become effective on January 1, 1964."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDe rment, Mr. Mehlenbacher.

ABSTAINED: Mr. MacKillop.

Motion carried.

REPORT: Mr. Mehlenbacher, Chairman of the Obedience Council, reported that:

(1) he considered the present provisions of Chapter 1, Section 5, Subsection 2 (second paragraph) as being unfair to officiating judges in that, upon the report, by two Obedience Representatives, of violations of the Obedience Trial Regulations by an officiating judge, said judge is automatically removed from the list of approved judges, even though he may not be notified of the reported violations and be given an opportunity to defend himself before being penalized as provided in that paragraph;

(2) recommended that the second paragraph of Subsection 2 of Section 5 of Chapter 1 be amended in order that an officiating judge is given the opportunity of defending himself before losing his judging privileges, and pointed out that a suggested new paragraph in Subsection 2 had been forwarded to members of the Board (page 75 of the material forwarded to members of the Board with the agenda of this meeting);

(3) reported that his suggested proposed amendment to the second paragraph of Subsection 2 of Section 5 of Chapter 1 had been endorsed by three of the four Obedience Representatives who had expressed an opinion on his proposed amendment, while one Obedience Representative was not in favour, and on this basis he had, in his letter to the Board dated August 16th, recommended that this proposed amendment be included in the next referendum ballot.

MOTION #317-63

Moved by Mr. Mehlenbacher, seconded by Mr. Little:

"THAT, this proposed amendment to the Obedience Trial Regulations and Standards be included in the next referendum ballot."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.

ABSTAINED: Mr. MacKillop.

Motion carried.

REPORT: Mr. Mehlenbacher reported that:

(1) at its annual meeting in March the Board had considered a report received from his predecessor as Chairman of the Obedience Council, and from that report the Board had directed that a number of matters be referred back to the Obedience Council for further consideration;

(2) on May 1st he had addressed a memorandum to the Obedience Representatives seeking their views in order that a report on the various matters could be presented at this meeting of the Board;

(3) in his report to the Board dated July 19th (pages 78, 79 and 80 of the material forwarded to the Board with the agenda of this meeting) he had submitted further reports on these matters.

DISCUSSION: The Board agreed that it would deal with each of these matters individually.

REPORT: Mr. Mehlenbacher reported that he had no recommendation to place before the Board on a previous suggestion that a person wishing to establish eligibility to judge must have entered and handled a dog through three trials in C. D., C. D. X., or U. D., the Chairman's Standing Committe, and all five Obedience Representatives who replied to his inquiry believing that the experience and ability a person has acquired in training, handling, stewarding, judging graduation classes etc. should be sufficient.

ACTION: No action was taken on this question.

REPORT: Mr. Mehlenbacher reported that he had no recommendation to place before the Board with regard to changing the present form of examination papers, the Committee and all five Obedience Representatives who replied to his inquiries feeling that the questions now included on the examination paper are very plain insofar as it concerns the nature of the answer required.

ACTION: No action was taken on this question.

REPORT: Mr. Mehlenbacher:

(1) reported that it was the feeling of the Standing Committee and all five Obedience Representatives who replied to his inquiry, that a ring steward must accompany the handler in the Long Down and Long Sit in the open classes;

(2) it was therefore his recommendation that the Board, by standing resolution, accept this as policy.

MOTION #318-63

Moved by Mr. Little, seconded by Mr. Blyth:

"THAT, this recommendation be approved and an appropriate resolution to be worded by the Chairman of the Obedience Council be included in the Book of Standing Resolutions as a directive."

Motion carried unanimously.

REPORT: Mr. Mehlenbacher:

(1) reported that it was the feeling of the Committee that some steps should be taken to ensure uniformity in connection with oral examinations of applicants to judge;

(2) reported that a member of the Standing Committee had drawn up a series of 30 or more questions on each chapter of the Obedience Trial Regulations and Standards, these to be mimeographed and forwarded to all Obedience Representatives with instructions that applicants taking an oral examination must satisfactorily answer at least 10 questions on each chapter;

(3) reported that four members of the Council who expressed views on this question agreed with the step which was proposed, one expressed opposition;

(4) recommended that the Chairman of the Obedience Council be authorized to carry out this proposal.

MOTION #319-63

Moved by Mr. Dawson, seconded by Mr. Little:

"THAT, the Chairman of the Obedience Council be authorized to carry out this suggestion and have a member of the Chairman's Standing Committee draw up these questions.

Motion carried unanimously.

REPORT: Mr. Mehlenbacher reported that:

(1) it is the feeling of the Chairman's Standing Committee that interpretations adopted by the Board in the form of standing resolutions, clarifications etc. should be printed in italic type under the appropriate sections of the Obedience Trial Regulations and Standards;

(2) of four members of the Council who replied to his query on this point, three expressed agreement with the proposal, one expressed opposition;

(3) recommended that the Board authorize the carrying out of this suggestion.

MOTION #320-63

Moved by Mr. Anderson, seconded by Mr. Mehlenbacher:

"THAT, at the next reprinting of the Obedience Trial Regulations and Standards the Secretary be empowered to implement this recommendation."

Motion carried unanimously.

REPORT: Mr. Mehlenbacher reported that:

(1) the Chairman's Standing Committee recommended that the Board include in the next referendum ballot a proposed amendment deleting the words "and within 10 feet of" in the second line of Section 14 of Chapter II of the Obedience Trial Regulations and Standards;

(2) of four members of the Obedience Council who expressed an opinion on this proposal, three expressed their agreement, one expressed opposition.

DISCUSSION: During a discussion which followed Mrs. Anderson expressed the view that Canadian exercises, and the standards of judging exercises, should remain identical to the American, believing that little purpose would be served in making significant changes.

MOTION #321-63

Moved by Mr. Blyth, seconded by Mr. Duff:

"THAT, as recommended, an appropriate proposed amendment be included in the next referendum ballot."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.

AGAINST THE MOTION: Mrs. Anderson.

Motion carried.

REPORT: Mr. Mehlenbacher reported that:

(1) it was the feeling of the Chairman's Standing Committee that it should ask the Board to include in the next referendum ballot a proposed amendment which would add the following breeds to Section 13 of Chapter II: Basset Hounds, all Dachshunds, and Bulldogs;

(2) of four members of the Council who expressed an opinion on this question, two expressed concurrence with the Standing Committee; one suggested that Basset Hounds only be included; and another suggested that the Bouvier should be included.

DISCUSSION: During a discussion which followed:

(1) Mrs. Anderson expressed the view that only if there are a significant number of failures in these breeds in the exercises in question should any consideration be given to adding breeds to the Section in question;

(2) Mr. Mehlenbacher stated that he had received concurrence of this recommendation from breed clubs of the breeds named, and pointed out that body length was a factor in the breeds named;

(3) as requested, Mr. Mehlenbacher read the views expressed by the four Obedience Representatives who expressed views on this proposal.

MOTION #322-63

Moved by Mr. Brown, seconded by Mr. Blyth:

"THAT, as recommended by the Chairman's Standing Committee, an appropriate proposed amendment be included in the next referendum ballot."

FOR THE MOTION: Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.

AGAINST THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. MacKillop.

Motion carried.

The Chairman declared the motion carried but ruled that it had no force or effect since it did not meet the requirements of Section 17 of Article XXXVIII of the By-laws.

SUBJECT: A suggestion was made that, inasmuch as an insufficient number of members of the Board had voted in favour of motion #322-63 to enable the inclusion of a proposed amendment on the next referendum ballot, this matter be referred back to the Obedience Council for further study.

MOTION #323-63
Moved by Mr. MacKillop, seconded by Mrs. Joel:
"THAT, this item be referred back to the Obedience Council for further study."
Motion carried unanimously.

REPORT: Mr. Mehlenbacher:
(1) stated that the Chairman's Standing Committee felt that the exercises referred to in paragraph (n) of his predecessor's report to the Board dated Jan. 19, 1963, is clearly defined in Chapter 2, Section 6, and Chapter 3, Section 15 of the Obedience Trial Regulations and Standards and it did not feel that any revision of these Sections is necessary;
(2) reported that four members of the Council who replied to his query on this point expressed concurrence with the Standing Committee; he therefore recommended that no action should be taken along this line.
ACTION: No action was taken.

REPORT: Mr. Mehlenbacher reported that:
(1) the Chairman's Standing Committee had agreed that most judges take into consideration when judging, the question of whether a dog is a happy worker or one that shows resentment;
(2) members of the Obedience Council were asked to express a view on whether or not we should amend the regulations in order that an officiating judge may deduct up to a maximum number of specified points for an unhappy or resentful worker;
(3) of the five Obedience Representatives who replied to his query on this point, three felt that the regulations should be left unaltered, and two made a suggestion with regard to the maximum number of points which may be deducted;
(4) it was his personal recommendation that the Board do not specify any maximum number of points which may be deducted, but arrange for the inclusion of a proposed amendment in the next referendum ballot to the effect that a judge may take into consideration when judging, in each exercise, the question of whether a dog is a happy worker or one that shows resentment.
DISCUSSION: During a discussion which followed:
(1) Mr. Wells suggested that such a provision should be of a mandatory nature in connection with judging rather than optional, believing that judges should be required to penalize dogs showing resentment;
(2) Mr. Blyth expressed the view that a nervous dog is not necessarily one showing resentment;
(3) Mrs. Joel stated that she would prefer that the matter be left in abeyance until there is some unanimity amongst members of the Council on this question.

MOTION #324-63
Moved by Mr. Brown, seconded by Mr. Little:
"THAT, we implement the recommendation and include an appropriate proposed amendment in the next referendum ballot."
FOR THE MOTION: Mr. Brown, Mr. Little.
AGAINST THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mrs. Mack, Mr. MacKillop, Mr. McDerment.
ABSTAINED: Mr. Mehlenbacher.
Motion lost.

DISCUSSION: After further brief discussion, and having regard for the fact that motion #324-63 did not carry, it was agreed that this matter should be referred back to the Obedience Council for further consideration.

MOTION #325-63
Moved by Mr. Anderson, seconded by Mr. Wells:
"THAT, this item be referred back to the Obedience Council."
Motion carried unanimously.

REPORT: Mr. Mehlenbacher:
(1) reported that it is the feeling of the Chairman's Standing Committee that, while a person may successfully pass written and oral examinations and serve an apprenticeship, his first trials are continuing his apprenticing in a sense, even though he is officiating as an approved judge;
(2) stated that the Committee did not feel that at his first three trials such a person should be required to take apprentices;
(3) reported that out of five members of the Council who replied to his query on the subject, all agreed with the Committee's view;
(4) recommended that the Board, by standing resolution, specify that a newly-approved judge would not be required to take apprentices at his first three trials.

MOTION #326-63
Moved by Mrs. Joel, seconded by Mr. Wells:
"THAT, the present standing resolution dealing with apprentices be amended by the addition recommended by the Chairman of the Obedience Council."
Motion carried unanimously.

REPORT: Mr. Mehlenbacher:
(1) pointed out that in his letter to the Board dated July 10th he had reported that, at the request of the Complaints Committee, the Chairman's Standing Committee had considered two complaints of alleged double handling at licensed trials held under the Club's rules;
(2) stated that this question is not at present covered by the Obedience Trial Regulations and Standards;
(3) reported that it was the recommendation of the Chairman's Standing Committee that the Board of Directors authorize the inclusion in the next referendum ballot of an amendment to the Obedience Trial Regulations and Standards setting forth a rule comparable to that which now appears in Section 18 of Chapter 19 of the Dog Show Rules.

MOTION #327-63
Moved by Mr. Little, seconded by Mrs. Anderson:
"THAT, as recommended an appropriate proposed amendment be included in the next referendum ballot."
Motion carried unanimously.

-----Luncheon recess.

REPORT: Mr. Mehlenbacher:
(1) reported that for some years the frequency of judging engagements has been regulated by standing resolutions adopted by the Board;
(2) pointed out that with an ever-increasing number of trials it has been found that in Ontario, at least, it is possible for a judge to judge twice within the same week;
(3) reported that this question had been considered by the Chairman's Standing Committee, which feels that this condition should no longer be permitted, and recommended that the standing resolutions be amended to include a provision that, not only must there be four trials between judging engagements within the same zone, but a judge cannot accept two engagements to judge in the same zone within a period of one month if the two trials are within 200 miles of each other.
DISCUSSION: During a discussion which followed:
(1) Mrs. Joel pointed out that at its annual meeting in March the Board had decided to eliminate standing resolutions regulating the frequency of judging engagements of judges at championship shows;
(2) Mr. Mehlenbacher reported that of 53 trials held in Ontario to date this year, 47 had been held in the area comprised of Toronto and nearby points, and at these 47 trials, 14 Ontario judges, 15 American judges, and 5 Canadian judges from other provinces had officiated;
(3) it was suggested that when the frequency of judging is limited by standing resolution it may result in clubs having to secure the services of persons whom they would rather not have as judges;
(4) it was suggested that the present limitations on judging engagements be lifted but that clubs holding trials, and obedience judges, be cautioned to use discretion as to the frequency of judging engagements.

MOTION #328-63
Moved by Mr. Anderson, seconded by Mr. McDerment:
"THAT, this item be referred back to the Council for further consideration."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mr. MacKillop, Mr. McDerment.
ABSTAINED: Mr. Mehlenbacher.
ABSENT: Mrs. Gove, Mrs. Mack.
Motion carried.

REPORT: Mr. Mehlenbacher reported that:
(1) at a recent meeting of the Chairman's Standing Committee the question was raised as to whether or not a club which is not an obedience club should be permitted to conduct more than two licensed trials within the course of a year;
(2) there was no unanimity within the Committee on this question, although the majority favoured a ruling of this kind;
(3) of the Obedience Representatives who responded to an inquiry on this point, one indicated concurrence with the Committee's views, four were against any such action.
ACTION: No action was taken when the Chairman reported that he had no recommendation to make.

REPORT: Mr. Mehlenbacher reported that:
(1) at a recent Ontario trial the officiating judge was dressed in a pair of shorts and a T shirt and the comments generally were not favourable to this attire;
(2) it is the strong recommendation of the Chairman's Standing Committee that the Board, by resolution, direct that judges officiating at licensed obedience trials held under the Club's rules must be suitably dressed.
DISCUSSION: During a discussion which followed:
(1) Mr. Anderson expressed the view that public opinion could relied on to impress upon officiating judges the necessity for being suitably dressed;
(2) the point was raised as to how the Board could, if it were so disposed, define what is meant by "suitably dressed".

MOTION #329-63
Moved by Mr. Blyth, seconded by Mr. Duff:
"THAT, no action be taken."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mrs. Gove.
Motion carried.

REPORT: Mr. Mehlenbacher:
(1) pointed out that, with a memorandum addressed to the Board on July 10th, he had forwarded samples of a penalty guide which the Obedience Association of Ontario some years ago had drawn up with a view to ensuring uniformity in judging;
(2) reported that he had consulted the Obedience Representatives on whether or not these penalty guides should be approved by The Canadian Kennel Club and made available to officiating judges and others who may wish a copy, it being stressed that it is merely a guide and is not a mandatory system of penalties;
(3) pointed out that three Obedience Representatives had indicated their concurrence with his view, two were not in favour;
(4) recommended that these penalty guides be made available on the distinct understanding that it does not represent a mandatory system of penalties.

MOTION #330-63
Moved by Mr. Dawson, seconded by Mr. Duff:
"THAT, we concur and implement this recommendation."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Blyth, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mr. McDerment, Mr. Mehlenbacher.
AGAINST THE MOTION: Mrs. Mack.
ABSTAINED: Mr. MacKillop.
ABSENT: Mrs. Gove.
Motion carried.

REPORT: Mr. Mehlenbacher:
(1) pointed out that in a memorandum (dated July 10th) to the Board he had reported that he had been asked to place before the Board a recommendation as to the meaning of the words "member of im-

mediate family" as such words appear in the definitions of the Novice "A" and Open "A" Classes;

(2) reported that he had placed before the Obedience Council a recommendation that these words be interpreted to mean the following: father, mother, brother, sister, son, daughter, wife, or husband;

(3) reported that only two members of the Council had responded to his memorandum, one being in favour of the suggested definition, the other suggesting that "stepson and stepdaughter" be added.

DISCUSSION: During a discussion which followed it was agreed that the Board's interpretation of these words should also apply to the Dog Show Rules.

MOTION #331-63

Moved by Mr. Brown, seconded by Mr. Little:

"THAT, for the purposes of the Dog Show Rules and Obedience Regulations the words "immediate family" shall be taken to include father, mother, sister, brother, son, daughter, wife, husband."

STANDING RESOLUTION Motion carried unanimously.

REPORT: Mr. Mehlenbacher reported that:

(1) in a memorandum addressed to members of the Council on May 31st he had sought their views on whether or not a club conducting a licensed obedience trial may permit dogs not entered in the trial to enter the building in which, or the grounds on which the trial will be held;

(2) when writing the Representatives he had expressed the personal view that this is not a practice to be recommended and that clubs might find themselves in difficulty if it became generally known that dogs not entered in the trial could be permitted entry onto the trial grounds or into the building;

(3) of the three Representatives who responded to his request for views on this question, two concurred with the views which he had expressed, and one felt that dogs should be permitted to enter the grounds and/or building provided such dogs pass veterinary inspection;

(4) the Chairman's Standing Committee was unanimous in its view that dogs not entered in a trial should not be permitted entry into the trial grounds or trial building.

MOTION #332-63

Moved by Mrs. Joel, seconded by Mr. Wells:

"THAT, dogs not regularly entered in an obedience trial shall not be allowed within the trial precincts unless engaged as a special attraction with the approval of The Canadian Kennel Club."

Motion carried unanimously.

REPORT: Mr. Mehlenbacher reported that:

(1) at a meeting of the Chairman's Standing Committee the question was raised as to whether or not the officiating judge has the right and duty to exclude from competition in an obedience class, any dog which is ineligible for competition in the class;

(2) it was the feeling of the Committee that it is the responsibility of the judge to exclude and order removed from the ring any dog entered in violation of Subsection 7 or Subsection 8 of Section 7 of Chapter 1 of the Obedience Trial Regulations, and except in such circumstances it is not the judge's right or duty to exclude a dog entered in a class for which it is not eligible;

(3) these views were communicated to members of the Council at the same time making it clear that when the officiating judge or trial secretary has reason to believe that a dog is ineligible for competition in a class in which it is entered, they shall report the matter to The Canadian Kennel Club for appropriate action.

MOTION #333-63

Moved by Mr. Dawson, seconded by Mr. McDerment:

"THAT, the recommendations be approved and an appropriate standing resolution drafted by the Chairman of the Obedience Council be included in the Book of Standing Resolutions."

Motion carried unanimously.

REPORT: Mr. Mehlenbacher reported that:

(1) at a meeting of the Chairman's Committee the question was raised as to whether or not, before final approval is given a person seeking to establish eligibility to judge one or more obedience classes, he must officiate as judge at one or more trials held under the rules of the Club and thereafter a decision would then be made as to whether or not he would be finally approved as a judge;

(2) while members of the Chairman's Standing Committee were in favour of a policy along this line, the four Obedience Representatives who replied to his inquiry on the subject were not in favour of changing the present apprenticing arrangements;

(3) therefore he had no recommendation to place before the Board on this question.

ACTION: No action was taken on this question.

REPORT: Mr. Mehlenbacher:

(1) drew attention to the fact that on a previous occasion he had suggested that Obedience Representatives and Field Trial Representatives be granted a sum of money to cover their out-of-pocket expenses when attending trials as official representatives of the Club;

(2) reported that he had not received reports from all Obedience Representatives on all obedience trials;

(3) recommended that the Board consider the appointment of additional Obedience Representatives in order to spread the work load now expected of the few provincial Obedience Representatives.

DISCUSSION: During a discussion which followed:

(1) Mr. Mehlenbacher reported that when a report is received from an Obedience Representative with regard to a particular trial, he had written a letter to the trial-giving club congratulating it on a well run trial or had offered comments with regard to any criticisms included in the Representative's report, although he considered this arrangement as not altogether fair for it meant that when he did not receive a report then the trial-giving club did not hear from him;

(2) Mr. Anderson suggested that the Obedience Representative should not be expected to submit a report on a licensed trial unless he had something to report which necessitated action either by the Council or the Board;

(3) it was pointed out that if proposed amendment authorized by motion #245-63 should become effective after the next referendum ballot, then the Board would be in a position to appoint additional Obedience Representatives.

MOTION #334-63

Moved by Mr. Dawson, seconded by Mr. Anderson:

"THAT, Obedience Representatives be no longer required to submit reports on trials except where any Representative feels that action with regard to any particular trial by the Obedience Council is indicated."

Motion carried unanimously.

ACTION: It was agreed that before the next annual meeting of the Board the Obedience Council be asked to submit, for the Board's consideration, a list of the areas, described geographically, for each of which an Obedience Representative should be appointed.

REPORT: Mr. Mehlenbacher:

(1) reported that the Board had earlier decided that a separate booklet, quite independent of the Obedience Trial Regulations and Standards, should be prepared and published for tracking tests setting forth the rules governing these events;

(2) reported that in the July issue of "Dogs in Canada" there had been published a proposed set of tracking test rules which had included proposals submitted by Cpl. Ian Hall for two types of tracking tests in place of the single type now provided for in the Obedience Trial Regulations and Standards;

(3) reported that when the proposed new tracking test rules were published in the July issue of the official magazine an invitation had been extended to clubs and persons interested in tracking tests to submit their views with regard to these proposed new rules;

(4) reported on letters received, in response to the invitation, from Mrs. M. Best, Mr. D. B. Hudson, Mrs. Grace Probert, Mr. & Mrs. F. C. Patterson, and Mr. F. B. Sherry;

(5) stated that because of the late mailing of the July issue he did not consider it fair to adhere strictly to the deadline set forth in the invitation published with the proposed tracking test rules for receipt of comments, and stated that he felt it would be virtually impossible to take the necessary steps to ensure that new tracking test rules, generally acceptable to those interested in this type of activity, could be prepared for inclusion in the October issue of "Dogs in Canada" and the referendum ballot in November.

DISCUSSION: During a discussion which followed it was agreed that:

(1) it was highly desirable that new tracking test rules, including provision for two types of tracking tests, be adopted as soon as possible, preferably at the annual meeting of the Board next February;

(2) in these circumstances the only course of action immediately available to the Board would be to arrange, by way of the next referendum ballot, to delete from the present Obedience Trial Regulations and Standards all references to tracking tests, on the understanding that, at its annual meeting next February, the Board would endeavour to adopt new tracking test rules which would be generally acceptable to those interested in tracking tests;

(3) in the meantime the Chairman of the Obedience Council would continue to receive and consider all comments on the tracking test rules published in the July issue and before the annual meeting of the Board in February, the Chairman's Standing Committee would submit its proposals with regard to new tracking test rules after considering all comments received from those interested in tracking tests.

MOTION #335-63

Moved by Mr. Anderson, seconded by Mr. Mehlenbacher:

"THAT, the Secretary include in the next referendum ballot proposed amendments calling for the deletion of Subsection 9 of Section 6 of Chapter 1; Section 20 of Chapter 2; and Section 28 of Chapter 3 of the Obedience Trial Regulations & Standards with notice to the effect that at the earliest possible date the Board will adopt and distribute separate regulations for tracking tests, including provision for two classes of tracking tests."

Motion carried unanimously.

DISCUSSION: During a discussion which followed the adoption of motion #335-63 it was agreed that, if tracking tests are divorced entirely from obedience trials, provision should be made in the Club's By-laws for the appointment and functioning of a Tracking Test Council.

MOTION #336-63

Moved by Mr. Anderson, seconded by Mrs. Joel:

"THAT, the Secretary include in the next referendum ballot a proposed amendment to Article XIII to provide for the appointment of a Tracking Test Council."

Motion carried unanimously.

REPORT: Mr. Mehlenbacher:

(1) reviewed previous developments with regard to a suggested "Service Dog Class";

(2) sought an instruction as to whether the Board wished the Obedience Council to consider this matter further.

DISCUSSION: During a discussion which followed:

(1) it was reported that certain proposals with regard to this class, if implemented, would result in only certain classes of breeds being eligible to participate;

(2) it was suggested that the intent of the original proposal was to provide for competition above the Utility Dog degree, and if such a class is set up it should be in such a way as to permit all breeds to participate;

(3) it was suggested that the Chairman of the Council be authorized to appoint a special committee to look into the proposal and in due course present its report to the Board.

MOTION #337-63

Moved by Mr. Mehlenbacher, seconded by Mrs. Joel:

"THAT, this be referred to the Chairman of the Obedience Council, who is authorized to appoint a special committee to review the matter and submit a report to the Board."

Motion carried unanimously.

SUBJECT: A letter (dated May 23rd) from the German Shepherd Dog Club of Canada, previously considered by the Board on July 17th and

referred to this meeting, in which that Club requested that the two officiating judges alternate as tracklayers, enabling tracks to be plotted and laid the day of the test.

MOTION #338-63
Moved by Mr. Mehlenbacher, seconded by Mrs. Mack:
"THAT, the request be not granted as it is contrary to our present rules for tracking tests."
Motion carried unanimously.

COMPLAINTS, CHARGES AND PROTESTS

8 C 10. SPECIFIC CASES

The Secretary referred to a specific complaint and after discussion the Board took appropriate action.

FIELD TRIALS

13 FT 19. FIELD TRIALS FOR FOXHOUNDS

REPORT: The Secretary reported that he had been informed by Mr. E. D. Bonnyman that a meeting between representatives of the All-Canadian Foxhunters Association and members of the Board could not be arranged for the date previously set.
DISCUSSION: During a discussion which followed:
(1) Mr. McDerment (Chairman of the Field Trial Council for Foxhounds) pointed out that he would be at the west coast on September 7th;
(2) it was agreed that the Secretary would seek to make arrangements for a meeting at 10:00 a.m. on Saturday, September 14th, at the Club's office, or on any other date satisfactory to Mr. McDerment and Mr. Walter Brown.

FINANCIAL MATTERS

5 F 2. APEX PUBLISHERS AND PUBLICITY LTD.

REPORT: The President pointed out that since the luncheon recess each member of the Board had been provided with a copy of the financial statements received from Apex Publishers and Publicity Ltd. for their fiscal year ending April 30, 1963.
DISCUSSION: During a discussion which followed:
(1) the Secretary, in response to questions asked, provided information which enabled members of the Board to make comparisons between the current financial statements and those submitted for the previous fiscal year;
(2) Mr. Brown expressed the view that although the Club is a minority shareholder in Apex, its views should be sought, although not necessarily followed, on various projects which affect the operating expenses of Apex;
(3) the question was raised as to what check the Club has on the distribution of salary costs of persons not employed wholly in the publication of "Dogs in Canada".
ACTION: It was agreed that all copies of the financial statements be returned immediately to the Secretary, and the Board, at its next session, would again consider the report and submission received from Apex Publishers and Publicity Ltd.

INTERNAL AND ADMINISTRATION

7 R 70. BREED IMPROVEMENT - SELECTIVE REGISTRY
9 A 7. AMENDMENTS TO BY-LAWS

REPORT: The Secretary reported that, pursuant to an instruction given by the Board earlier in this meeting, he had prepared proposed amendments to Articles XXXI and XXVIII of the Club's By-laws, these amendments setting forth a plan by which persons selling dogs as pure-bred might enter into agreements that certain dogs may not be used for breeding purposes by the purchaser or any subsequent owner while such agreements remain in effect.
DISCUSSION: During a discussion of the proposed amendments provided by the Secretary the Board agreed on a number of changes in the text as prepared by the Secretary.

MOTION #344-63
Moved by Mr. MacKillop, seconded by Mrs. Anderson:
"THAT, these proposed amendments to the Club's By-laws as amended at this meeting, be included in the next referendum ballot."
Motion carried unanimously.

DISCUSSION: A suggestion was made that when giving notice in the October issue of "Dogs in Canada" of the proposed amendments covered by the preceding resolution, a short explanatory article should be published with a view to explaining the importance and effect of these proposed amendments.

MOTION #345-63
Moved by Mrs. Mack, seconded by Mr. Dawson:
"THAT, a short article be published in the October issue of 'Dogs in Canada' explaining the importance and effect of these proposed amendments."
Motion carried unanimously.

SUBJECT: The Secretary pointed out that it has been the custom for several years to include in the referendum ballot a brief explanatory statement about each amendment included in the ballot on the order of the Board.

MOTION #346-63
Moved by Mr. McDerment, seconded by Mrs. Anderson:
"THAT, in connection with each proposed amendment included in the next referendum ballot there shall be included a brief explanation of the amendment, the Secretary to prepare the explanation.
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mr. Blyth, Mrs. Gove.
Motion carried.

DISCUSSION: During a further discussion of proposed amendments to the By-laws it was pointed out that provision appears in Article XXXVIII of the Club's By-laws whereby the Board is empowered to appoint a committee to interview responsible officials of the Department of Agriculture should the Minister notify the Club that he is not prepared to approve of any amendments to the By-laws as approved by majority affirmative vote. A suggestion was advanced that arrangements for such discussion should be made, if possible, before the Minister reaches a decision on the application which the Secretary will forward to the Minister for Ministerial approval of any amendment to these By-laws approved on the next referendum ballot.

MOTION #347-63
Moved by Mr. Wells, seconded by Mrs. Mack:
"THAT, when applying to the Minister of Agriculture for approval of any proposed amendments included in the next referendum ballot, the Secretary will enclose a letter requesting the Minister to grant an audience to a delegation to be appointed by the Board to discuss with him and/or the Deputy Minister any proposed amendment which he is not disposed to approve."
Motion carried unanimously.

FIELD TRIALS

13 FT 42. AMENDMENTS TO FIELD TRIAL RULES & REGULATIONS

SUBJECT: Mrs. Joel:
(1) pointed out that when, earlier in this meeting, the Board had discussed placing in the next referendum ballot proposed amendments to the Dog Show Rules and Obedience Trial Regulations & Standards regarding the amending of such Rules and Regulations, it had agreed that there would be no provision for the Board to approve amendments on an emergency basis (see (5) in the discussion which preceded the adoption of motion #251-63);
(2) suggested that the Board take steps to delete paragraph (8) in Section 2 of Chapter 21 of the Field Trial Rules and Regulations.

MOTION #348-63
Moved by Mrs. Joel, seconded by Mr. Mehlenbacher:
"THAT, the Secretary include in the next referendum ballot a proposed amendment calling for the deletion of Subsection 8 in Section 2 of Chapter 21 of the Field Trial Rules & Regulations."
Motion carried unanimously.

DOG SHOWS

11 D 73. AMENDMENTS TO DOG SHOW RULES

SUBJECT: The President:
(1) pointed out that, on the last referendum ballot, proposed amendments (Nos. 3 and 4 on the ballot) regarding the weighing and measuring of dogs at championship shows, had been approved and these amendments are scheduled to come into effect on January 1, 1964;
(2) expressed concern over the effect of these amendments when and if they should come into effect and suggested that the Board, at this meeting, consider that an emergency exists with regard to these amendments and take immediate action to provide other rules in

respect of the weighing and measuring of dogs at championship shows.

DISCUSSION: During a discussion which followed:
(1) it was pointed out that there is functioning at this time, a Special Committee whose duty it is to review the Dog Show Rules in their entirety, and Mr. McDerment, Chairman of the Committee was asked if the Committee had reached any conclusions with regard to amending the present rules dealing with weighing and measuring of dogs at shows;
(2) Mr. McDerment stated that he had nothing to report on this matter at this time;
(3) it was unanimously agreed that immediate action by the Board is imperative.

MOTION #349-63
Moved by Mr. Brown, seconded by Mr. McDerment:
"THAT, in view of the fact that we do not have a report from the Committee, and in view of the fact that this is a very important question, we deal with it at this meeting."
Motion carried unanimously.

DISCUSSION: During a discussion which followed it was agreed that:
(1) it would be impossible to consider and draft proposed new rules dealing with the weighing and measuring of dogs at dog shows for inclusion in the October issue of "Dogs in Canada", and in time for inclusion in the ballots to be distributed in November;
(2) in these circumstances it would be best if the Board was to simply arrange for the deletion from the rules of the two amendments that are scheduled to go into effect on January 1, 1964 and provide authority in the rules for the Board to enact and enforce regulations dealing with the weighing and measuring of dogs at shows, such action to be taken, if the Board is so authorized, at the annual meeting of the Board next February, by which time it is expected that the Board will have available the report of the Committee now reviewing the Dog Show Rules.

MOTION #350-63
Moved by Mr. Anderson, seconded by Mrs. Joel:
"THAT, the Secretary be instructed to include in the next referendum ballot proposed amendments calling for the deletion of the amendments to Chapters 12 and 19 (amendments #3 and #4 in the 1962 referendum ballot) scheduled to come into effect on January 1, 1964 and there be substituted a new section 4 in Chapter 19 (remaining sections to be appropriately re-numbered) reading as follows:
'4. The Board of Directors is empowered to enact and enforce regulations dealing with the weighing and measuring of dogs at shows'."
Motion carried unanimously.

ACTION: It was agreed that if this amendment passes the Board will consider at its annual meeting recommendations of the Committee.

REPORT: The Secretary:
(1) reported that at its annual meeting the Board had instructed the Secretary (motions #117-63 and #118-63) to draft, for the consideration of the Board at this meeting, proposed amendments to Chapter 15, Section 7, of the Dog Show Rules, in order that:
(a) if stated in the premium list, each group may be judged at the group level immediately upon the completion of the judging of all breeds in a group at breed level; and
(b) the show superintendent is empowered to alter breed and group judging in order to facilitate the smooth operation of a show.
(2) submitted the following proposed amendments for the Board's consideration:
IT IS PROPOSED THAT:
Chapter 15, PREMIUM LISTS AND ENTRY FORMS, Section 7, be amended as follows:
(a) Delete the sentence reading as follows: "The order of group judging shall correspond with the order of breed judging." and substitute the following: "The order of group judging shall correspond with the order of breed judging, provided however that a show-giving club may announce in its premium list that the judging of each group, at the group level, will commence immediately upon the completion of the judging of the breeds in that group."
(b) Add a second paragraph to the present Section 7:
"Notwithstanding the foregoing paragraph, the Show Superintendent is empowered to alter breed and/or group judging in order to facilitate the smooth operation of a show. Any change in the schedule of judging must be announced either before the date of the show, or at the show, but no announcement may be made at the show before the time, announced in the premium list, by which the dogs affected by the change of schedule are required to be at the show."

DISCUSSION: During a discussion which followed:
(1) Mrs. Anderson pointed out that on occasion a show-giving club finds it desirable, when preparing the schedule of judging for its premium list, to provide for the judging of one or more breeds at times other than called for by the order of judging assigned by the C.K.C. and suggested that when the Secretary of the C.K.C. is satisfied that good reason exists to depart from the assigned order, he should be authorized to permit of such changes in the schedule provided such departures from the assigned schedule are stated in the premium list;
(2) it was agreed that in view of Mrs. Anderson's suggestion, the following sentence be added to the first of the two changes set forth above: "The Secretary of The Canadian Kennel Club may authorize a variation in the order of breed judging provided such variation is included in the schedule published in the premium list.";
(3) Mr. Duff and Mr. Little stated that they were not in favour of the second of the two proposed changes, believing that in an emergency the Show Superintendent had full power to alter the order of judging and that his powers in this connection should not be stipulated;
(4) Mr. Mehlenbacher stated that he was not in favour of the second of the two proposed changes;
(5) other members of the Board expressed the view that as the Dog Show Rules now stand the Show Superintendent has no power to alter the schedule of judging as published in the premium list and that it is imperative that such powers be granted to him, with stipulations as to how he may exercise such powers so far as the schedule of judging is concerned;
(6) it was suggested that the second of the two changes be altered to read as follows:
"Notwithstanding the foregoing paragraph, the Show Superintendent is empowered to alter breed and/or group judging in order to facilitate the smooth operation of a show. Such change however may only be made if the owners, or their agents, of the dogs affected by the change give their consent to the Show Superintendent.";
(7) Mrs. Gove stated that she was not in favour of the second section as amended on the grounds that it may result in the Show Superintendent being faced with requests for unnecessary changes in the judging schedule.

MOTION #351-63
Moved by Mr. Anderson, seconded by Mrs. Mack:
"THAT, these proposed amendments to Chapter 15 as amended at this meeting, be included in the next referendum ballot."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mrs. Joel, Mrs. Mack, Mr. MacKillop, Mr. McDerment.
AGAINST THE MOTION: Mr. Duff, Mrs. Gove, Mr. Little, Mr. Mehlenbacher.
ABSENT: Mr. Blyth.
Motion carried.

The President stated that while the motion carried it is not effective as it does not meet the requirements of Section 17 of Article XXXVIII of the Club's By-laws.

DISCUSSION: Mr. Brown pointed out that the first of the two proposed changes in Section 7 of Chapter 15 appeared to meet with the approval of most members of the Board, and suggested that each of the two proposed changes be voted upon separately.

MOTION #352-63
Moved by Mrs. Mack, seconded by Mrs. Gove:
"THAT, the first part of the proposed amendment to Chapter 15, as amended at this meeting, be included in the next referendum ballot."
Motion carried unanimously.

(SECRETARY'S NOTE: Discussion continued immediately preceding motion #361-63).

INTERNAL AND ADMINISTRATION

9 A 81. REFERENDUM BALLOTS

SUBJECT: The Secretary read a letter from Mr. Lawrence Garvie, who:
(1) pointed out that both with regard to the election of Officers and Directors, and the referendum ballots, the intention is that these are to be secret ballots;
(2) expressed the view that this intent may be overcome by the manner in which ballots forwarded to the provinces of Newfoundland and Prince Edward Island are identified and, depending upon the nature of the voting in these provinces, it may be possible to determine the votes of the voting members in these provinces.

DISCUSSION: During a discussion which followed:
(1) the Secretary pointed out that the Election Commission employs a rubber stamped arrow to indicate the electoral zone into which an election ballot or referendum ballot is mailed, and while Newfoundland is coupled with Nova Scotia as one electoral zone, and Prince Edward Island is coupled with New Brunswick as one electoral zone, the rubber stamp impressed arrow is not placed on ballots with a view to indicating the particular province, but rather the electoral zone as a whole;
(2) it was pointed out that when the Election Commission submits its report on the distribution of votes for the offices of President, Vice President and Second Vice President, and when the report is received of the breakdown by electoral zones of voting on proposed amendments, the voting for the entire electoral zone is shown and there is no separate record of voting for the provinces of Newfoundland and Prince Edward Island, thus these reports do not disclose the voting specifically in these provinces as separate zones;
(3) it was agreed that on future referendum ballots a bracket would be used to indicate that Newfoundland and Nova Scotia constitute one electoral zone, and that Prince Edward Island and New Brunswick constitute one electoral zone.

MOTION #353-63
Moved by Mrs. Joel, seconded by Mr. MacKillop:
"THAT, the Secretary write a letter to Mr. Garvie and explain that these are not separated but are taken as one."
FOR THE MOTION: Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mr. Anderson, Mr. Blyth.
Motion carried.

-----Luncheon recess.

FIELD TRIALS

13 FT 29. FIELD TRIALS FOR BEAGLES

SUBJECT: Mrs. Joel read a letter which she, in her capacity as Chairman of the Field Trial Council for Beagles, had received from Mr. Okill Stuart, Beagle Field Trial Representative for the province of Quebec, and suggested that the Board should rule on whether or not an apprentice judge for Beagle field trials may be permitted to apprentice at trials held in the United States.
DISCUSSION: After discussion it was agreed that to ensure that all apprenticing arrangements are properly completed, the apprenticing must be done at trials held under the rules of The Canadian Kennel Club.

MOTION #354-63
Moved by Mrs. Joel, seconded by Mr. Duff:
"THAT, apprentice judging must be done at C.K.C. licensed Beagle field trials."
FOR THE MOTION: Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mr. Anderson, Mr. Blyth.
Motion carried.

DOG SHOWS

11 D 6. ENTRY FORMS
11 D 73. AMENDMENTS TO DOG SHOW RULES

REPORT: The Secretary pointed out that at its annual meeting he had been instructed by the Board, by motion #186-63, to review the present official entry form used at championship shows and present proposals to the Board with regard to desirable changes in the entry form so far as it concerned the identification of Canadian-bred dogs, and reported that under date of July 12th he had addressed a memorandum to members of the Board outlining his recommendations on this question.
DISCUSSION: During a discussion which followed Mrs. Mack suggested that the present definition of Canadian-bred be altered to read: "A Canadian-bred dog is a dog born in Canada", and with such a definition the entry form need only disclose the place of birth of a dog to enable the show-giving club to determine whether each dog entered is, or is not, Canadian-bred for purposes of competition at its show.

MOTION #356-63
Moved by Mrs. Gove, seconded by Mrs. Mack:
"THAT, the Secretary include a proposed amendment in the next referendum ballot deleting the present definition of the Canadian-bred class and substituting the following: 'The Canadian-bred class shall be for dogs born in Canada, champions in any country excluded'."
FOR THE MOTION: Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSTAINED: Mr. Wells.
ABSENT: Mr. Anderson, Mr. Blyth.
Motion carried.

INTERNAL AND ADMINISTRATION

9 A 16. STANDING RESOLUTIONS

DISCUSSION: The Board resumed its consideration of the recommendations of the Standing Resolutions Committee with regard to standing resolutions on dog shows (see paragraph preceding adjournment of the August 21st session).
(SECRETARY'S NOTE: Standing resolutions hereunder correspond to the numbering in section "B" of the copy which accompanied the report submitted by Mr. Wells).
After discussion it was agreed that the following standing resolutions would be deleted from the Book of Standing Resolutions: #27, #29, #31, #32, #35, #38, #46, #51, #53, #54, #66, #69, #98, #99, #101, #103, #105, #114, #115.

MOTION #357-63
Moved by Mrs. Joel, seconded by Mr. MacKillop:
"THAT, as recommended by the Standing Resolutions Committee the standing resolutions as enumerated be deleted from the Book of Standing Resolutions."
FOR THE MOTION: Mr. Wells, Mrs. Anderson, Mr. Brown, Mrs. Gove, Mrs. Joel, Mrs. Mack, Mr. MacKillop, Mr. McDerment.
ABSENT: Mr. Anderson, Mr. Blyth, Mr. Dawson, Mr. Duff, Mr. Little, Mr. Mehlenbacher.
Motion carried.

DISCUSSION: During a discussion of the present standing resolution #52 regarding the approval of judges:
(1) Mr. Williams reported that a number of show-giving clubs fail to notify their approved judges of the approval that has been given by The Canadian Kennel Club and otherwise provide their approved judges with information regarding their assignments, time and commencement of judging, etc.;
(2) the Secretary reported that for at least a year it has been the practice of the Office Manager to attach to the approved application for approval of selected judges returned to the show-giving club, a memorandum stressing the necessity of the show-giving club immediately advising approved judges of the approval that has been given;
(3) it was suggested that The Canadian Kennel Club itself notify each approved judge of the approval given his assignment;
(4) reference was made to the provisions of Section 2 of Chapter 8 of the Dog Show Rules which now requires the show secretary or club secretary to notify each appointed judge of the breeds and classes for which The Canadian Kennel Club has granted approval to judge at their show and that such notification must be given before the publication of the premium list;
(5) it was suggested that when approving judges The Canadian Kennel Club provide the show-giving club with printed forms by which it can notify the judge of his approval to judge and provide other information.

MOTION #358-63
Moved by Mrs. Anderson, seconded by Mrs. Joel:
"THAT, standing resolution #52 be altered to read: 'That for the purpose of Chapter 8, Section 1 (a) of the Dog Show Rules the Secretary is appointed a sub-committee referred to in that rule and he is authorized to approve or reject applications for approval of selected judges, and when approving judges he shall supply the show-giving club with forms on which it will notify the approved judges of the date and place of the show, the time at which each judge is to commence judging, and his assignment'."
FOR THE MOTION: Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mr. Anderson, Mr. Blyth.
Motion carried.

DISCUSSION: During a discussion of standing resolution #67 the question was raised as to whether or not an officiating judge should examine each male dog for monorchidism or cryptorchidism despite the provisions of Chapter 14, Section 1 of the Dog Show Rules which requires the officiating veterinarian to inspect dogs before entering the building to exclude any male dog which does not have two normal testicles normally located in the scrotum. The question was also raised as to whether or not when an officiating judge requires examination of a dog under judgment, such examination should take place in the judging ring.
It was agreed that standing resolution #67 would be deleted and that the examination of a dog by an officiating veterinarian must not take place within the judging ring.

MOTION #359-63
Moved by Mrs. Mack, seconded by Mrs. Anderson:
"THAT, examination of a dog by an officiating veterinarian shall not take place in the judging ring."
FOR THE MOTION: Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mr. Anderson, Mr. Blyth.
STANDING RESOLUTION Motion carried.

DISCUSSION: During a discussion of standing resolution #79 the Secretary read a letter (dated May 7th) from The Dominion Collie and Shetland Sheepdog Association (Montreal and District Branch) seeking reconsideration of a previous ruling that dogs entered at its specialty show (held in conjunction with the Ladies' Kennel Club of Canada all-breed championship show), whether entered in the all-breed show or not, must comply with the benching requirements of dogs entered in the all-breed show.
It was agreed (Mrs. Mack dissenting) that the ruling was quite properly given and would continue as policy. It was also agreed that standing resolution #79 would be amended to read as follows: "THAT, where a specialty show is held in conjunction with an all-breed show it shall be permissible for the premium lists to be combined in one cover and for the catalogues to be combined in one cover provided that the particulars for each show are kept separate and distinct, and provided that the rules of the all-breed show set forth clearly that entries in the specialty show are subject to all the discipline and requirements of the all-breed show."

DISCUSSION: The Board proceeded to consider other recommendations of the Standing Resolutions Committee with regard to standing resolutions on dog shows.
It was agreed that:
(1) the following standing resolutions would be deleted: #3, #4, #7, #14, #19, #43, #46, #65, #67, #75, #80, #84, #112;
(2) the following standing resolutions would be deleted and be referred to the special committee now reviewing the Dog Show Rules: #100 and #104;
(3) the following standing resolutions would be transferred to Section "A" (Internal): #10, #11, #15, #18, #22, #24, #49, #50, #106, #107, #108, #110;
(4) standing resolution #25, amended to read as follows, would be transferred to Section "A": "THAT, the Executive Manager be and is hereby authorized to use his discretion in the granting of dates for specialty shows in the same zone on the same date.";
(5) standing resolutions #45, #47 and #48 be incorporated into the "Procedure relating to the implementation of Chapter 7 of the Dog Show Rules", and the entire "Procedure" be incorporated in the Book of Standing Resolutions.

MOTION #360-63
Moved by Mr. Anderson, seconded by Mrs. Joel:
"THAT, these deletions and alterations, as agreed, be implemented by the Secretary."
FOR THE MOTION: Mr. Wells, Mrs. Anderson, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. MacKillop, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mr. Anderson, Mr. Blyth, Mr. Brown,
Motion carried.

DOG SHOWS

11 D 73. AMENDMENTS TO DOG SHOW RULES

DISCUSSION: During a further discussion of the second of the two proposed changes in Section 7 of Chapter 15 it was suggested that in place of what had been previously discussed and voted upon, the second of the two proposed amendments be amended to read as follows:
"Notwithstanding the foregoing paragraph, the Show Superintendent is empowered to alter breed and/or group judging in order to facilitate the smooth operation of a show. Such change of schedule however, may be made only if the owners, or their agents, of the dogs affected by the change give their consent in writing to the Show Superintendent. Where a change in the schedule of judging has been made the Show Superintendent shall, within ten days after the show, forward to The Canadian Kennel Club, a written report on why the change of schedule was made and to said report there shall be attached the written consent referred to in the preceding sentence."

Mrs. Gove stated that she was in favour of this change as now amended, stating that the changes made had overcome the questions which had prompted her to oppose the earlier suggested draft of the second suggested change in Section 7 of Chapter 15;
Mr. Anderson stated that Dog Show Superintendents do occasionally find it necessary, in an emergency, to amend the schedule of judging in order to provide a smooth-running show, and authorization to do so in certain circumstances should be provided in the Dog Show Rules in order that there may be no question as to the right of the Show Superintendent to exercise this power for the benefit of the show and its exhibitors.

MOTION #361-63
Moved by Mr. Anderson, seconded by Mrs. Joel:
"THAT, this proposed amendment to Section 7 of Chapter 15 of the Dog Show Rules be included in the next referendum ballot."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mrs. Gove, Mrs. Joel, Mrs. Mack, Mr. MacKillop, Mr. McDerment.
AGAINST THE MOTION: Mr. Duff, Mr. Little, Mr. Mehlenbacher.
ABSENT: Mr. Blyth.
Motion carried.
The President stated that although this motion carried, it had no force or effect since it does not meet the requirements of Section 17 of Article XXXVIII of the Club's By-laws.

FINANCIAL MATTERS

5 F 2. APEX PUBLISHERS AND PUBLICITY LTD.

DISCUSSION: The Board resumed its previous discussions with regard to the report and submission received from the publishers of "Dogs in Canada". It was agreed that before the Board reaches any decision on the submission a committee should be appointed to meet with Miss Peer and Miss Dunn with the view of discussing possible new arrangements between the Club and Apex Publishers and Publicity Ltd. and that, if possible, such discussion should take place before the Board reconvenes at its next session.

MOTION #362-63
Moved by Mrs. Joel, seconded by Mrs. Gove:
"THAT, a committee be set up composed of the following: Mr. Anderson, Mr. MacKillop, Mr. Williams, Mr. Wells, Mr. Brown and the Secretary-Treasurer, the committee to discuss possible new arrangements between the Club and Apex Publishers and Publicity Ltd. and to report to the Board."

Motion carried unanimously.

It was agreed that the next session would reconvene at 10:00 a. m. on August 24th, or as soon as possible thereafter upon the conclusion of the meeting of the committee with Miss Dunn and Miss Peer.

This meeting adjourned at 6:05 p. m. to reconvene at the same place at 10:00 a. m. on August 24, 1963.

****

(SECRETARY'S NOTE: Where, in the minutes of the session of August 24, 1963, the words "Motion carried unanimously" follow a motion, said words mean that all of the following members of the Board voted in favour of the motion: J. AUGUST 24, 1963

The semi-annual meeting of the Board of Directors of The Canadian Kennel Club reconvened in the Club's offices, 1173 Bay Street, Toronto, at 11:35 a. m. on Saturday, August 24, 1963, with the President, V. Gove, Mrs. Edna Joel, Robert Little, Mrs. P. B. Mack, R. L. MacKillop, Wm. McDerment, George Mehlenbacher.

FINANCIAL MATTERS

5 F 2. APEX PUBLISHERS AND PUBLICITY LTD.

REPORT: The President reported that:
(1) Mr. Wells, Mr. Brown, Mr. MacKillop, the Secretary, and himself, had met with Miss Dunn and Miss Peer, of Apex Publishers and Publicity Ltd. for two hours immediately preceding the reconvening of this meeting of the Board, and had discussed a variety of matters relevant to the publication of "Dogs in Canada" and the financial arrangements which exist between the Club and the publishers;
(2) during the noon recess the committee appointed by resolution #362-63 would meet and draft its report to the Board.

DOG SHOWS

11 D 34. CHAMPIONS AND CHAMPIONSHIP POINT RATINGS

SUBJECT: Mr. Wells:
(1) pointed out that Chapter 21 of the Dog Show Rules empowers the Board to alter the schedule of championship point ratings set out in Chapter 21 of the Dog Show Rules;
(2) reported that Boxer exhibitors in British Columbia were not satisfied with the present rating for the breed in their zone;
(3) expressed the view that the minimum rating for all breeds in all zones should be "2 dogs, 1 point";
(4) enquired whether the special committee now reviewing the Dog Show Rules intended to submit to the Board recommendations with regard to possible changes in the schedule of point ratings.

DISCUSSION: During a discussion which followed:
(1) Mrs. Mack expressed the view that mere adjustments in the ratings would not affect the quality of dogs attaining championship status;
(2) Mrs. Anderson supported Mr. Wells' suggestion regarding a minimum rating of "2 dogs, 1 point";
(3) Mr. Anderson stated that he did not consider that an emergency existed, and the Board should refrain from altering the schedule of ratings until the Board receives the report and recommendations of the committee now reviewing the Dog Show Rules;
(4) Mr. MacKillop stated that the Board should not, at this meeting, attempt any alterations in the schedule, and pointed out that on a previous occasion a proposal that the minimum rating of "2 dogs, 1 point" had been turned down.

ACTION: No action was taken, it being agreed that the matter should be held in abeyance until the Board receives the report of the committee now reviewing the Dog Show Rules.

11 D 1. JUDGES

SUBJECT: A proposal, submitted by Mr. Dawson (letter dated July 15th), that the Board take steps to have the Dog Show Rules amended to include a rule reading as follows:

"No person may officiate as judge of a championship show to be held under these rules on or after July 1, 1964 if such person, within the six months before the championship show at which he is to judge, has handled, whether for remuneration or not, any dog which is not his property, partly or wholly, or is not owned by a member of his immediate family. The words "immediate family" in this case mean husband, wife, son or daughter. The responsibility for declining to accept an engagement by any person not eligible to judge according to this rule rests with the person asked to judge, and approval of a person by The Canadian Kennel Club to judge in no way condones the failure of a person to declare his ineligibility to judge where this rule applies."

DISCUSSION: During a discussion which followed:
(1) the Secretary read a letter (dated August 13th) from Mr. Blyth who stated his opposition to the proposal, his reasons for so doing, and who pointed out that he had gained the impression at the annual meeting of the Board that it intended to "get rid of as much red tape as possible as far as dog shows were concerned";
(2) Mr. Mehlenbacher read a letter which he had received in which it was proposed that he place before the Board a suggestion much along the lines proposed by Mr. Dawson;
(3) Mr. McDerment reported that the committee now reviewing the rules had considered the possibility of the Club instituting a system of licensing handlers, such licensed handlers to be permitted to judge only at specialty shows as is the policy in the United States;
(4) Mrs. Joel stated that such a rule, if it came into force, could be overcome, by those wishing to do so, by their transferring a dog temporarily to the name of another person;
(5) Mrs. Anderson suggested that instead of hard-and-fast rules the Board consider the adoption of a code of ethics, it being made known that the Board will consider restrictive rules if those concerned do not govern themselves according to the code;
(6) Mr. Anderson supported Mrs. Anderson's suggestion, expressing the view that while he had no objection to handlers judging, or vice versa, the extent to which persons engage in these activities must be a matter of discretion;
(7) Mrs. Gove stated that professional handlers should not be engaged as judges;
(8) Mr. Dawson suggested that his proposal be referred to the committee now reviewing the Dog Show Rules, on the understanding that it will also consider the proposal outlined in the letter read by Mr. Mehlenbacher (i. e. that the country be zoned, and a person may not both handle and judge within the same zone within a stated period of time).

MOTION #363-63
Moved by Mr. Dawson, seconded by Mr. Anderson:
"THAT, this proposal be referred to the committee reviewing the Dog Show Rules."

Motion carried unanimously.

11 D 73. AMENDMENTS TO THE DOG SHOW RULES

SUBJECT: Mr. MacKillop:
(1) pointed out that by reason of an amendment to the Dog Show Rules, effective January 1, 1963, the show secretary of a show, or any member of his immediate family, may not enter a dog in a show of which he is show secretary;
(2) reported that with a view to overcoming this rule it is the practice of some clubs to arrange for their regular show secretary to be designated the "assistant show secretary", another person being appointed or elected as the "show secretary", and these "assistant show secretaries" are exhibiting dogs;
(3) expressed the view that this is a subterfuge designed to circumvent the rule and suggested that the Board interpret the rule to include assistant show secretaries in the prohibition provided in Chapter 11, Section 2 of the Dog Show Rules.

DISCUSSION: During a discussion which followed:
(1) the Secretary stated that the situation reported by Mr. MacKillop had been brought to his attention but he felt that the wording of the rule in question was such that:
(a) the Board could not interpret the rule to include any person who assisted the show secretary;
(b) if the Board did interpret the rule to include any person designated as "assistant show secretary" then the ruling could be overcome by the show-giving club discontinuing the practice of specifically naming any one person as the "assistant show secretary";
(2) Mrs. Anderson reiterated her previously-expressed view that many practices should not be covered by specific rules but rather dealt with in a code of ethics designed to inform show officials, judges, handlers, exhibitors, etc. of the desired conduct in various circumstances;
(3) Mr. Anderson pointed out that on the next referendum ballot there would be a proposed amendment with regard to the rule referred to in Mr. MacKillop's report, and suggested that further consideration be postponed until it is clear whether or not the amendment is approved by way of the ballot.

ACTION: No action was taken.

9 A 16. STANDING RESOLUTIONS

(2) it was agreed that the following standing resolutions would be deleted from the Book of Standing Resolutions: #7, #11, #16, #18, #20, #25, #30, #34, #42, #44, #46, #49, #50, #51, #75 to #85 inc., #88, #89, #92, #93, #95, #96, #98, #102, #103, #104, #106 to #109 inc., paragraph (e) in #118, #120, #123, #124, #135, #138 to #141 inc., #143, #144, #146 to #151 inc., #153, #155, #159, #166, #174, #175, #176, #178, #184, #188, #191.

"THAT, as agreed, the Secretary delete these standing resolutions from the Book of Standing Resolutions."
Motion carried unanimously.

-----Luncheon recess.

DISCUSSION: Following further consideration of the recommendations of the Standing Resolutions Committee it was agreed that:
(1) standing resolution #10 would be amended by deleting the words "ten days" and substituting the words "fifteen days";
(2) after the Secretary read a letter from Mrs. Valerie McMillin, that the Secretary would secure the opinion of the Club's solicitor with regard to standing resolution #23 and the voting rights (if any) of an ordinary member located outside Canada temporarily while on military or diplomatic service;
(3) standing resolution #31 would be amended by deleting the words "cost of typing" and substituting therefor the words "cost of providing the copy";

(5) standing resolution #54 would be amended to read as follows: "THAT, each Director be allotted a sum not to exceed $100.00 a year for expenses incurred on behalf of The Canadian Kennel Club while he or she is a Director of the Club; such expense accounts to reach the Secretary not later than December 31st of the year in which the expenses were incurred.";
(6) standing resolution #74 would be rewritten to form two standing resolutions reading as follows:
"THAT, the Club may refuse to take action to compel delivery of a certificate of registration for a dog sold at a nominal price by the S. P. C. A., or Humane Society, or dog pound."

"THAT, the Club cease to authorize, without the consent of the last recorded owner, the recording of transfer of ownership of dogs sold through Humane Societies, the S. P. C. A., or dog pounds.";
(7) standing resolution #110 be altered by changing "$1200" to "$1500";
(8) standing resolution #116 would be amended to read the same as #54 (see (5) above);
(9) standing resolutions #125, #126 and #127 would be rewritten as a single resolution;
(10) resolution #33-63 would be added to the Book of Standing Resolutions (see #160 in the copy);
(11) standing resolution #174 (a) would be amended by the deletion of the words "and size" and by the addition of the following: "In the case of Miniature Dachshunds the dam must be registered in the Club's records as a Miniature Dachshund, and the sire must meet the same requirements as for the registration in the Club's records of an imported Miniature Dachshund";
(12) resolution #179 in the copy would be added to the Book of Standing Resolutions along with the requirements for registration of Dachshunds as previously prescribed by the Board;
(13) the Registration Committee would review the present regulations with regard to artificial insemination (having regard for the question raised by Mr. Wells as to why such regulations are necessary if regulations are not required when artificial insemination takes place where the male and female involved are owned within the same kennel);
(14) standing resolution #190 be amended to read as follows: "THAT, the following statement be included in each referendum ballot:
'In view of the fact that a number of voters necessarily have no knowledge of or views on some of the amendments proposed on specialized subjects, the Board has secured a legal opinion that any member may properly refrain from voting on any particular proposed amendment if the member so wishes'."

MOTION #366-63

(2) We concur with their remedial action except their submission to us.
(3) We feel that their internal remedial steps will bring about the desired results and it is clear from our discussions with them that they anticipate that it will.
(4) We do not believe their submission to us should be acted on until this Board or a future Board receives their report on the results of the internal remedial steps which they have taken or are about to take; therefore we recommend that their submission be tabled for future consideration if necessary.

MOTION #369-63
Moved by Mr. Brown, seconded by Mr. Duff:

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 27. REGISTRATION OF DACHSHUNDS

SUBJECT: The President:
(1) pointed out that earlier in this meeting, while dealing with the registration of a particular litter of Dachshunds, the Board had authorized the Registration Committee (by resolution #266-63), to consult Dachshund breeders regarding possible alterations in the Club's present policies on the registration and showing of Dachshunds;
(2) pointed out that during the discussion of certain standing resolutions dealing with the registration of Dachshunds, which resolutions the Board had adopted with a view to ensuring uniformity between the registration of Dachshunds born in Canada and those imported from other countries, it had been reported that these policies were proving a source of irritation to many Dachshund fanciers;
(3) suggested that the Board at this time decide whether it could, at this meeting, take any steps which would provide an immediate solution, or may lead to the ultimate solution of problems now being encountered in connection with the breeding, registration, and showing of Dachshunds.

DISCUSSION: During a discussion which followed:
(1) it was pointed out that it would be some time before the Registration Committee could consult Dachshund fanciers, ascertain their wishes, and present a report to the Board, likely at its annual meeting next February;
(2) it was agreed that it would be unwise to attempt to formulate new policies until Dachshund fanciers are consulted and their wishes are determined;
(3) it was agreed that since time does not permit of new definitive policies being placed, in the form of proposed amendments, in the next referendum ballot, it would be unfortunate if solutions to existing problems had to be left over until the next following referendum ballot (possibly in 1965), and that therefore the Board should seek authority to establish new policies as soon as possible after the wishes of Dachshund fanciers are determined by the Registration Committee;
(4) therefore it was agreed that the following proposed amendment would be included on the next referendum ballot:

IT IS PROPOSED THAT:
Article XXVI, RECOGNIZED BREEDS AND STANDARDS, be amended as follows:
(1) Section 1. Delete the following:
*Dachshunds (Standard Smooth)
*Dachshunds (Miniature Smooth)
*Dachshunds (Standard Long-haired)
*Dachshunds (Miniature Long-haired)
*Dachshunds (Standard Wire-haired)
*Dachshunds (Miniature Wire-haired)
and substitute the following:
*Dachshunds
(2) Delete the present Section 2 and substitute the following:
"2. The registration of Dachshunds shall be subject to the provisions of special regulations as may be prescribed from time to time by the Board subject to the approval of the Chief Registration Officer."

MOTION #370-63
Moved by Mr. Anderson, seconded by Mr. Wells:
"THAT, the Secretary include this proposed amendment in the next referendum ballot."
Motion carried unanimously.

Accordingly, this meeting adjourned to reconvene in the same place at 9:00 a. m. on Monday, August 26, 1963.

GOOD AND WELFARE

14 G 15. FELLOWSHIP

REPORT: The Secretary reported that each member of the Board had been provided with a copy of "A Preliminary Report" on "Preservation of Dog Semen by Freezing" as submitted by Dr. Jean Murray reporting on the progress being made on this project, the report concluding with the observation that considerable further work would be necessary before a procedure is established which will guarantee a constant recovery of viable dog spermatozoa.
DISCUSSION: A discussion followed on whether the Board should add to the funds already provided for research on this subject, and it was agreed that the matter would be tabled until a further report is received or until it is indicated that further funds will be required.

MOTION #371-63
Moved by Mr. Brown, seconded by Mr. Duff:
"THAT, this matter lay on the table until we receive a further report."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. MacKillop, Mr. McDerment.
ABSENT: Mr. Blyth, Mr. Little, Mrs. Mack, Mr. Mehlenbacher.
Motion carried.

-----Mrs. Pamela Mack entered the meeting.

MEMBERSHIP MATTERS

10 MM 2. APPLICATIONS FOR MEMBERSHIP

REPORT: The Secretary reported that:
(1) at the annual meeting of the Board he had been instructed to prepare, for the consideration of the Board at this meeting, a revised application for associate membership;
(2) his report and recommendations on suggested changes in the present application for associate membership had been forwarded to members of the Board with the agenda of this meeting (page 56).
DISCUSSION: After discussion it was agreed that:
(1) in the first section, No. 4, the following words would be deleted: "(unless the sale is otherwise governed by the By-laws of the Club)";
(2) paragraphs #7 to #11 inclusive, as set out on page 56 of the material sent to members of the Board with the agenda of this meeting, would be incorporated immediately following paragraphs #1 to #6 on the application form;
(3) questions 1 to 6 inclusive, and 8 to 10 inclusive would be deleted;
(4) questions 7 and 11 would be renumbered questions 1 and 2 respectively;
(5) for the time being no changes would be made in the application for ordinary membership form.

MOTION #372-63
Moved by Mr. Anderson, seconded by Mrs. Anderson:
"THAT, as agreed, the Secretary amend the application for associate membership.
Motion carried unanimously.

SUBJECT: The Secretary sought confirmation of the approval given applications for membership reported on lists #17 and #18 mailed to all members of the Board.

MOTION #373-63
Moved by Mr. Dawson, seconded by Mrs. Joel:
"THAT, applicants for membership reported on lists #17 and #18 be admitted to membership."
Motion carried unanimously.

The Secretary reported on a number of other membership matters and the Board took appropriate action.

REPORT: The Secretary reported that:
(1) at the meeting of the Board of Directors held on July 17th the Board had found it advisable to adopt the following resolution: "THAT, when the Secretary finds it necessary to seek an explanation from an applicant for membership regarding the answer given to one or more questions on his application and an answer is not received within thirty days, the Secretary is to advise the applicant that his application is not approved and to instruct the Records Office to refund the fee which accompanied the application.";
(2) suggested that as this motion had to do with policy, it be either confirmed by the Board or other instructions given.

MOTION #375-63
Moved by Mr. Dawson, seconded by Mr. McDerment:
"THAT, resolution #224-63 be added to the Book of Standing Resolutions."
Motion carried unanimously.

DOG SHOWS

11 D 1. JUDGES

SUBJECT: Mr. MacKillop pointed out that Mr. Horst Keller, Calgary, had been granted approval to judge German Shepherd Dogs at one show, he had judged the breed at a single show and had complied with the requirements of Chapter 7, Section 2 of the Dog Show Rules, and suggested that he was entitled to be informed whether or not his name had been added to the list of approved judges of the breed.
DISCUSSION: During a discussion which followed Mr. McDerment, Chairman of the committee responsible for processing applications, reported that a final decision on Mr. Keller's application had been delayed by reason of the fact that one of the three persons appointed to observe and report on Mr. Keller's work had failed to submit his report, and the two reports which had been received were of such nature that he felt that the third report was imperative in order that a decision could be reached.
ACTION: After discussion it was agreed that on the basis of the reports received (read by Mr. McDerment), Mr. Keller's application would be approved and he would be notified of such approval.

SUBJECT: Mrs. Mack:
(1) pointed out that on a previous occasion the Board had decided that a resident of the United Kingdom is eligible to judge at championship shows in Canada only those breeds which he is eligible to judge and award challenge certificates at championship shows in the United Kingdom;
(2) stated that for practical purposes this ruled out many residents of the United Kingdom who had wide experience in judging many dogs in an individual breed or several breeds;
(3) suggested that the Board review this present policy.
ACTION: After a brief discussion the matter was ordered referred to the committee presently reviewing the Dog Show Rules.

SUBJECT: The Secretary pointed out that at a previous meeting of the Board the question had been raised as to whether or not a person, approved to judge a particular breed or breeds at one show, would be added to the list of approved judges, which list is made available to show-giving clubs, and outlined the reasons why this had not been considered the fair and proper thing to do until a final decision had been reached on each application.

MOTION #378-63
Moved by Mrs. Mack, seconded by Mr. McDerment:
"THAT, names of persons approved to judge one show be not added to the list of approved judges but an announcement be made in the official magazine."
Motion carried unanimously.

SUBJECT: The President pointed out that on the current list of approved judges made available to show-giving clubs there appears the names of at least two persons who are dead and a number of others who, in all probability, would no longer accept judging engagements, and suggested that the Board review the list with a view to determining what action should be taken.
DISCUSSION: During a discussion which followed it was agreed that the Secretary would write each of the following persons with a view to determining whether or not they wished their names to remain on the list: Mrs. A. R. Butcher, E. Cargill, Mrs. Gladys Creasey, Arthur G. Goddard, Albert Greenwood, W. P. Gudgeon, Peter R. Hopkinson, Mrs. Beatrice Lewis, Mrs. Courtney N. Melchers, Mrs. Alva McColl, Geo. Potts, Walter H. Reeves, Mrs. Frank Small, Miss Winifred Steggall, Mrs. Martha Stevens, Mrs. Barbara Vipond, Arthur Wright.

MOTION #379-63
Moved by Mr. Brown, seconded by Mrs. Mack:
"THAT, the Secretary write each of those enumerated with a view to determining whether each wishes to remain on the list of approved judges and be governed accordingly where any wishes his or her name removed from the list."
Motion carried unanimously.

11 D 73. REVISION OF DOG SHOW RULES

REPORT: A report (dated July 11th) submitted by Mr. Wm. McDerment, Chairman of a special committee appointed by the Board to review the Dog Show Rules in their entirety, which report stated that:
(1) it was clear to the committee that a review of the Dog Show Rules in their entirety would require considerable time and thought and it is the committee's feeling that it would be impractical to use the referendum ballot for the purpose of obtaining approval of all of the changes which the committee, in due course, will submit for the Board's consideration;
(2) it is the unanimous feeling of the committee that changes in the Dog Show Rules should be handled as is now provided in the Field Trial Rules and Regulations, i.e. by way of the Board of Directors;
(3) the committee recommended that an appropriate amendment along this line be included in the next referendum ballot and that the Board appoint a Chairman who would have power to add to his committee, the committee to be known as "The Dog Show Rules and Regulations Committee".
DISCUSSION: During a discussion which followed it was pointed out that earlier in this meeting the Board had arranged for the inclusion in the next referendum ballot of proposed amendments dealing with proposed amendments to the Dog Show Rules and appointment of a Dog Show Council.

MOTION #380-63
Moved by Mr. Dawson, seconded by Mrs. Joel:
"THAT, we receive this report as progress."
Motion carried unanimously.

11 D 42. JUNIOR KENNEL CLUB ACTIVITIES

REPORT: Mrs. Anderson reported that pursuant to the resolution adopted at the last Annual General Meeting appointing Mrs. Else Murray as Chairman of a special committee, Mrs. Murray had forwarded to her typewritten material on this subject which material she had delivered to the Secretary.
Mr. Mehlenbacher pointed out that with a memorandum to the members of the Board dated August 13th he had forwarded a copy of proposals advanced by Mrs. Dorothea Engels, Burlington, Ontario.
DISCUSSION: During a discussion which followed it was agreed that before the Board could deal constructively with this question, specific proposals and detailed rules should be submitted for its consideration, and towards that end Mr. Wells would work with Mrs. Murray.

MOTION #381-63
Moved by Mrs. Anderson, seconded by Mrs. Gove:

"THAT, Mr. Wells be asked to work with Mrs. Murray with a view to drafting and submitting proposed rules and proposals for the consideration of the Board and report to the next A. G. M."

Motion carried unanimously.

SUBJECT: The Secretary read a letter from The Scarborough Kennel Club requesting permission to stage, at its championship show on September 29th, the same type of junior showmanship programme as it had at its show in 1962.

MOTION #382-63
Moved by Mr. McDerment, seconded by Mr. Brown:
"THAT, the request of the Scarborough Kennel Club be approved."

Motion carried unanimously.

-----Luncheon recess.

FIELD TRIALS

13 FT 29. FIELD TRIALS FOR BEAGLES

SUBJECT: Mr. Duff:
(1) read a letter addressed to the Secretary on August 23rd by the secretary of the Bluenose Hare Club;
(2) reported that:
(a) this Club is a newly-formed club and he had not been able to establish that any of its members are members of The Canadian Kennel Club;
(b) when the Club approached him with regard to holding a licensed trial for Beagles on September 21st he had suggested that they first gain experience by holding a full-fledged sanction field trial, but rather than a sanction trial the Club had held a "fun trial";
(c) the Club's application for approval of its selected judges was not submitted within the required time limit and he had reason to believe that the Club was not as familiar with the requirements of the field trial rules as it should be if it is to be granted permission to hold a licensed field trial;
(3) recommended that the application submitted by the Bluenose Hare Club to hold a licensed field trial for Beagles on September 21, 1963, be not approved and it be asked to hold a full-scale sanction trial before it applies for permission to hold a licensed field trial.

MOTION #383-63
Moved by Mrs. Joel, seconded by Mrs. Gove:
"THAT, we concur with the recommendation of the Director."

Motion carried unanimously.

INTERNAL AND ADMINISTRATION

9 A 16. STANDING RESOLUTIONS

REPORT: The Secretary:
(1) reported that at its meeting on May 23rd the Board, by resolution #187-63, had directed that he place on the agenda of this meeting the question of deadlines for receipt of applications for dates of proposed shows and trials;
(2) pointed out that on pages 64 and 65 (file 11 D 25) of the material forwarded to members of the Board with the agenda of this meeting he had reported on some problems now being faced and outlined proposals with regard to possible new procedures.

DISCUSSION: During a discussion which followed:
(1) Mr. MacKillop suggested that each show and trial-giving club be informed of the schedule by which each is required to apply for a date, apply for approval of selected judges, and seek approval of its proposed premium list;
(2) it was pointed out that in provinces other than Ontario the local Director is authorized to grant dates for sanction shows and sanction trials, and therefore it is imperative that the local Director be informed before a final decision is reached on an application to hold a championship show or licensed trial;
(3) it was suggested that in order to ensure that the deadline for submission of an application to hold a show or trial has been complied with, all copies of the application should be submitted direct to the Club's head office with the required date fee.

MOTION #384-63
Moved by Mr. MacKillop, seconded by Mr. Brown:
"THAT, application in triplicate for approval of dates and judges shall be submitted direct to The Canadian Kennel Club with required date fees; where indicated the C.K.C. Secretary will approve and return two copies to the local Director who, if satisfied with the approval, will forward one of the two approved copies to the show or trial-giving club."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Gove, Mrs. Joel, Mr. MacKillop, Mr. McDerment.
AGAINST THE MOTION: Mrs. Mack.
ABSENT: Mr. Blyth, Mr. Little, Mr. Mehlenbacher.
STANDING RESOLUTION. Motion carried.

ACTION: The Secretary was instructed to look into the possibility of the applications being printed on Moore business forms.

DISCUSSION: A discussion followed with regard to the opinion, as set forth in a letter dated July 15th, of the Club's solicitor with regard to the payment of travelling expenses and allowances to members of the Board, travelling expenses and out-of-pocket expenses to committee members, staff, council chairmen, etc.
The Secretary:
(1) pointed out that on a previous occasion, when there was but one Field Trial Council Chairman and one Obedience Council Chairman the Board, by standing resolution, had authorized the payment of $100.00 to each Council Chairman toward his out-of-pocket expenses in fulfilling the duties of his office;
(2) pointed out that there are now several Field Trial Council Chairmen and sought an instruction with regard to annual allowances for such Chairmen.
The President stated that this is a matter which should be left to the discretion of the Secretary and to the discretion of those who are appointed as Council Chairmen.

MOTION #385-63
Moved by Mr. Wells, seconded by Mr. Dawson:
"THAT, it be left in the hands of the Executive Manager to use his discretion in connection with payment of travelling and other expenses incurred when acting on behalf of The Canadian Kennel Club."
STANDING RESOLUTION Motion carried unanimously.

9 A 73. TROPHIES (ESTATE OF MRS. M. E. McEACHREN)

REPORT: The Secretary read a report submitted by Mr. J. W. MacCallum, Chairman of a special committee appointed by the Board, to distribute trophies in accordance with the Will of the late Mrs. M. E. McEachren, the report:
(1) setting forth the distribution already made of trophies;
(2) indicating that there remained 14 trays with the C.K.C. crest in the centre and one large "Victory Trophy".

DISCUSSION: During a discussion which followed it was agreed that:
(1) the trays with C.K.C. crest attached could hardly be distributed as had been the other trophies;
(2) Mr. MacCallum would be asked to forward the remaining trophies to the Club after which the Board would then determine the best means to make use of them with a view to fulfilling the terms of Mrs. McEachren's bequest.

MOTION #386-63
Moved by Mr. McDerment, seconded by Mrs. Mack:
"THAT, Mr. MacCallum be thanked for his services and the trophies on hand be forwarded to the C.K.C."

Motion carried unanimously.

OBEDIENCE TRIALS

12 OB 22. AMENDMENTS TO OBEDIENCE TRIAL REGULATIONS AND STANDARDS

SUBJECT: During the discussion which took place on the processing of applications for dates on which to hold shows and trials (see motion #384-63) it was pointed out that:
(1) while the present Obedience Trial Regulations and Standards permit of application for date to hold a licensed obedience trial up to one month before the trial, the Dog Show Rules specify a minimum of four months, and the Field Trial Rules a minimum of three months;
(2) this short period between receipt of the application for a date and the trial often resulted in pressure in processing applications for approval of selected judges and premium lists for trials, and could result in a licensed obedience trial being held without any prior notice of it in the list of "coming events" published monthly in the Club's official magazine.

MOTION #387-63
Moved by Mr. Dawson, seconded by Mr. MacKillop:
"THAT, the Secretary include in the next referendum ballot a proposed amendment to Chapter 1, Section 2, Subsection 1 of the Obedience Regulations, increasing from one month to three months the deadline for receipt of applications to hold a licensed obedience trial."

Motion carried unanimously.

REGISTRATION, STUD BOOKS & RELATED MATTERS

7 R 51. PULIS

SUBJECT: The Secretary read a letter from Mrs. R. D. McLellan, who:
(1) referred to the dog which had "illustrated the standard" of the Puli in the July issue of "Dogs in Canada", and who expressed the view that "doom awaits our Puli unless the C.K.C. pays more attention to the manner judges award BB, breeders or in this case owners of dogs are selected to feature their dog as Ideal specimen of this particular breed";
(2) stated that she felt that The Canadian Kennel Club should be very careful with the registration of Hungarian imports of the breed and inquired about the registration of a Puli owned in the United States.

ACTION: It was agreed that:
(1) the registration policies of The Canadian Kennel Club do not provide for the disqualification from registration of a dog on the grounds of its colour or markings;
(2) the Club does not recognize certificates of registration issued by the Hungarian Stud Book K.E.L., but does accept, if authorized by the Registration Committee, certificates issued by M.K.O.T. for pulis imported to Canada from Hungary.

DOG SHOWS

11 D 6. ENTRY FORMS

SUBJECT: The Secretary referred to the Board's earlier discussion at this meeting regarding possible changes in the entry form for championship shows.

ACTION: It was agreed that no change would be made until it is clear whether, through the next referendum ballot, the definition of the Canadian-bred Class is altered.

11 D 11. SANCTION SHOWS

SUBJECT: Mrs. Anderson expressed the view that sanction shows, if run as much as possible like championship shows, would be invaluable experience to those who may be asked to later serve in any capacity at a championship show.

ACTION: After discussion it was unanimously agreed that the rules for sanction shows would be amended by the addition of the following statement: "As far as practicable the setup of and procedures followed at sanction shows should follow championship shows."

11 D 25. DATES

SUBJECT: The Secretary read a letter from Mr. Maynard K. Drury, Phelps, N.Y., asking if it would be possible for a committee representing the Newfoundland Club of America to meet with representatives of The Canadian Kennel Club with a view to discussing the possibility of a specialty show being held either by that Club or its Canadian members.

NOTICE

SUBJECT: Policies with regard to the registration of Dachshunds and Dog Show Rules relating to the showing of Dachshunds at Championship Shows.

The Board of Directors wishes to secure the views of breeders and or exhibitors of Dachshunds on possible changes in our present policies with regard to the registration and showing of Dachshunds.

For this purpose we wish to compile a mailing list of persons who would wish to express views on these subjects. This is therefore an invitation to those interested in the breed to communicate with the Secretary, The Canadian Kennel Club, 1173 Bay Street, Toronto 5, Ontario, requesting that his, her or their name be added to the list of persons to whom we shall write seeking views on these questions.

NOTICE

SUBJECT: Registration of and standard for the Belgian Sheepdog.

The Board of Directors wishes to secure the views of breeders and or exhibitors of Belgian Sheepdogs on possible changes in our present policies with regard to the registration of Belgian Sheepdogs and with regard to possible changes in the standard of the Belgian Sheepdog.

For this purpose we wish to compile a mailing list of persons who would wish to express views on these subjects. This is therefore an invitation to those interested in the breed to communicate with the Secretary, The Canadian Kennel Club, 1173 Bay Street, Toronto 5, Ontario, requesting that his, her or their name be added to the list of persons to whom we shall write seeking views on these questions.

ACTION: After discussion it was agreed that, as a matter of policy, The Canadian Kennel Club would not grant permission for the holding of a specialty show under its rules by an organization which is not a Canadian club, nor would a date be granted for the holding of a specialty show under its rules to a group or organization which is to all intents and purposes a subsidiary or section of an American club.

GENERAL

The President invited each member of the Board to bring forward at this time any matter which he wished the Board to consider if such subject was not on the agenda or already dealt with at this meeting.

Mrs. Gove suggested that consideration be given to providing each member of the Board with a list of associate members, indicating in each case those who had not renewed during the current year. (File 10 MM 5).

Mr. Anderson pointed out that on a previous occasion he had suggested that on occasion the Annual General Meeting of the Club be held at a major city in Canada other than Toronto. (File 9 A 106).

In response to a question raised by Mr. Wells it was agreed that a breeder may register more than one kennel name. (File 7 R 24).

The point having been raised, the Secretary was instructed to consult the Club's solicitor as to whether one person may enjoy more than one set of voting privileges, either as an individual ordinary member and the authorized representative of a partnership which is an ordinary member, or as the authorized representative for two or more partnerships which are ordinary members. (File 10 MM 30).

INTERNAL & ADMINISTRATION

9 A 14. REPORT OF EXECUTIVE MANAGER

REPORT: The Secretary, in his capacity as Executive Manager, pointed out that:

(1) at the annual meeting when presenting the Executive Manager's report, he had made a number of observations on matters in general and at the conclusion of his report it had been suggested that a copy of his remarks be forwarded to all members of the Board;

(2) on pages 53, 54 and 55 of the material forwarded to members of the Board with the agenda of this meeting he had provided a copy of remarks which he had made at the annual meeting of the Board.

MOTION #388-63

Moved by Mrs. Joel, seconded by Mrs. Mack:

"THAT, the report dated July 15th be received."

Motion carried unanimously.

REPORT: The Secretary stated that he had a report to place before the Board with regard to the total amount expendable for salaries at the Club's head office, but before doing so he felt that it would be advantageous if he furnished the entire Board at this time with background information about the staff for the past thirty years.

The Secretary reported that:

(1) for some years previous to his joining the staff on March 1, 1933, the staff had consisted of the Secretary-Treasurer, who was also the editor of the Club's official magazine then published by the Club, a bookkeeper-typist, and two senior stenographers;

(2) when he joined the staff he replaced one of the two senior stenographers, and was brought on the staff to be trained as an assistant to the then Secretary-Treasurer;

(3) in 1936, after receiving the report of a special committee, the Board reached the conclusion that it was too much to expect the Secretary-Treasurer to also serve as Managing Editor of the Club's official organ, and a Managing Editor was appointed in that year;

(4) at the annual meeting of the Board in 1939 the then Managing Editor voluntarily submitted his resignation, and because of the international situation at that time, the vacancy created by his resignation was not filled, and the editorship of the magazine reverted to the Secretary-Treasurer;

(5) in June of 1941 he was appointed Secretary-Treasurer upon the resignation of his predecessor;

(6) in 1948 the Board decided that the Secretary-Treasurer required an assistant, and applications for the position were sought through an advertisement in the Club's official magazine, although no appointment was subsequently made because of the Club's financial position;

(7) because of a deterioration of the Club's financial position during succeeding years an assistant to the Secretary-Treasurer was not appointed, but in 1955, after two office surveys, the Secretary was authorized to engage an assistant;

(8) the finding of a suitable assistant was not satisfactorily resolved until February of 1958 when, with the concurrence of the then President and then Vice President, he had appointed Mr. Thomas Adams, an experienced executive and dog fancier, to the position of Office Manager;

(9) with the continuing expansion in the Club's volume of business and work at the head office, the Board at its annual meeting in 1962, authorized the appointment of an assistant to the Secretary and the engagement of another stenographer;

(10) the staff now numbers ten, as compared with four (exclusive of the Managing Editor) for some time previous to 1939.

The Secretary presented the following statistics with a view to showing the increase in the Club's volume of business:

	1938	1957	1962
Individual Registrations	7,982	21,527	29,491
Championship Shows	52	98	161
Licensed Field Trials	12	63	111
Licensed Obedience Trials	0	61	128

The Secretary pointed out that:

(1) because of this vast increase in the volume of business it had been necessary to institute procedures which had not been necessary in pre-World War II years;

(2) although the Club does not now publish its official organ, the staff at the Club's head office was fully responsible for the entire production of 376 pages of official business published in "Dogs in Canada" during 1962 (or an average of 31 pages per issue);

(3) although there had been a vast increase in the volume of business transacted at Board meetings, much business previously transacted by the Board was now entrusted to the hands of committees and to himself in his capacity as Executive Manager;

(4) a saving of between $1,500 and $2,000 a year had been realized by about half of the copy of the Club's annual Stud Book being produced at the Club's head office rather than at the Canadian National Live Stock Records office as was the case previous to 1960;

(5) at its annual meeting in February (1962) when authorizing additions to the staff, the Board had set a ceiling of $45,000 for gross salary costs at the Club's head office for 1962;

(6) just previous to his leaving for vacation a number of the members of the staff had indicated their dissatisfaction with their present salaries and in the course of so doing had pointed out that none of the staff enjoyed fringe benefits, such as hospitalizations, insurance, group insurance, pension plan, accumulated sick leave, etc. available at many other places of employment;

(7) the cost of living had increased, as shown by the Government index;

(8) while in 1937 and 1938 gross salary costs at the head office had averaged 29.68% of the Club's income, this percentage was considerably lower during recent years (1956 - 21.9%; 1957 - 21.8%; 1958 - 24.6%; 1959 - 23.3%; 1960 - 22.4%; 1961 - 20.8%; 1962 - 23.7%);

(9) since returning from vacation he had reviewed the salaries, after making inquiries, and stated that to do what he now felt should be done immediately, with further adjustments on January 1, 1964, he desired to increase the ceiling for gross salaries to $46,500 for the remainder of 1963, and to $48,000 for 1964;

(10) it had been his custom to arrange for salary increases immediately following the annual meetings of the Board each year, but this year had postponed any consideration of the matter because of the then impending general election and uncertainty as to future economic conditions generally.

DISCUSSION: During a discussion which followed:

(1) Mr. Anderson stated that for many employees, fringe benefits amount to about 10% of salary;

(2) Mr. Brown stated that it is now an accepted practice for arrangements to be made with employees for specified increases in their wages to become effective on specified future dates.

MOTION #389-63

Moved by Mrs. Mack, seconded by Mr. Anderson:

"THAT, we accept the Executive Manager's recommendations that the budget for salaries for 1963 be increased to $46,500 and to $48,000 for 1964."

A secret ballot was conducted with all members of the Board present except the following: Mr. Blyth, Mr. Little, Mr. Mehlenbacher. All members of the Board present, including the President, voted. After the ballots had been counted the President announced that 11 members of the Board had voted for the motion, and one had voted against the motion.

Motion carried.

The President asked to be recorded as being opposed to this form of budgetary control.

JOAN RAILTON, c/o Sir Charles Tupper Secondary School, 419 East 24th St., Vancouver, B.C. Popular teacher, judge and Bulldog specialist.

THE B.C. ALL TERRIER CLUB

publishes a monthly newsletter which must be of great interest and help to all members. *Mrs. Isabel Stanton* is the busy editor. The following comments are taken from the September issue.

"The club is planning for a Sanction Show in October and for full elections in November.

"A number of B.C. Terriers have done very well in American shows lately. "Worrindale's Sattelite", owned by *Bill and Stella Newby*, took Winner's Male at both Seattle and Renton, and Best of Breed in Bellingham. Can. Am. Ch. Whitebriar Journeyman, handled by *Pat Tripp*, won the Group at the Mt. Baker show in Bellingham. *Ena Stewart's* imported Wire Haired Terrier female, Dutch Ch. Highcliffe's Jingle Bells, took the breed and a major at Seattle.

"Another B.C. dog (not a terrier!) winning in the States recently was your editor's imported Bull female, "Hawkshope Angeline", who took a five point major at the Oregon State Specialty Show in Portland.

"*Miss Marion Irving* and *Mr. H. Mills* were married in late August. *Mrs. Powell* gave a miscellaneous shower for *Marion* which was attended by many members of the club.

"All members were shocked to learn of the sudden passing of *Mr. William Fox*, who recently judged the Specialty show of the B.C. Terrier Club."

GREATER VICTORIA DOG OBEDIENCE TRAINING CLUB

Mrs. Hudson reports for this club. The club held its fall trials in September in conjunction with the *Vancouver Island Dog Fanciers Association* show in the Curling Rink. This building is large enough to accommodate several rings with ease and still have enough space for benches and spectators. The Obedience ring was well attended and the crowd moved to and fro from the Trials to the Show ring. This contributed to a friendly atmosphere.

About 34 dogs were entered under *Mr. Ben Taylor* and *Mrs. Eileen Fraser* of Vancouver. The work turned in by the dogs and their handlers was very good.

Those Trial enthusiasts who follow the results with interest were most amused at the friendly competition between *Mrs. S. V. B. Roberts* and *Mr. Doug Bundock*, both Corgi trainers and breeders, whose work is always worth watching. *Mr. Bundock* took first place over *Mrs. Roberts* in the first day's trial by a small margin. The second day it seemed obvious to spectators that *Mrs. Roberts* would succeed. When the marks were announced — what happened! A Boxer slipped in ahead of both of them. Obviously they hadn't thought of it as a contender for first place (Ed. note — Sorry, I don't have the name of the Boxer.).

Mrs. J. L. Smith's Golden Retriever, "Mossbanks Golden Honey", put in what looked like a perfect performance in Utility until she hesitated at the bar jump. This could be called "failing brilliantly".

The fall classes are all full and work has restarted with renewed vigor.

COASTAL CANINE ACADEMY

Mrs. A. Whitton reports on a busy summer.

The club tracking test, judged by *Mrs. Margaret Best* and *Mr. Ben Taylor*, was held on September 29 under good conditions and with wonderful weather. Four dogs of the ten entered were successful. They were *Mrs. Oberg's* German Shepherd, "Ziga" of Wywanda, *Mr. Don Holland's* Golden Retriever, "Rusty", *Mr. Hoy's* young Bloodhound, "Boldger" and, to the amazement of all, *Mrs. Shirley Luke's* Min Pin, "Louie". Do any *Dogs in Canada* readers know of another Min Pin tracking dog? A merry "after Test" party was held and judges, tracklayers, and exhibitors relaxed after the tensions of the day.

Classes started on September 24 with 24 beginners and ten to 15 advanced pupils — a capacity crowd for Budgeview Hall. This winter *Mrs. Whitton* is teaching the School Board Obedience class in Ladner while *Mr. Ben Taylor* is instructing the Mount Baker Kennel Club group in Bellingham.

Fourteen club members attended a meeting at the Royal Towers Hotel in September. Club business was discussed and plans made for the Christmas party.

B.C. COCKER SPANIEL CLUB
(English and American Cockers)

Activities are reported by *Mrs. Peter Power*.

The first meeting for the 1963-64 season was held at the home of the President, *Mrs. Fred McInnes*. Other officers for the new year are: Vice-President, *Mrs. Peter Power;* Secretary, *Mr. George Esary;* and Treasurer, *Mrs. R. Neild*.

Plans for the 3rd Annual Specialty Show to be held in 1964 are well under way. The club hopes for an even bigger and better show this time.

Mimi and Jack Jones and daughter *Adele* have moved with all their dogs from Haney to Tsawassen. *Mimi* has been under the weather in the hospital but the club is glad to report that she is now up and about again.

GATEWAY CITY OBEDIENCE TRAINING CLUB

The club's annual general meeting was held on September 12 with election of officers as follows: President, *Ron Hamel;* 1st Vice-President, *Dr. David Parliament;* 2nd Vice-President; *Mrs. Becky Hawley;* Secretary, *Mrs. Lydia Langley;* Treasurer, *Mrs. Grace Ashcroft*. The Challenge Trophy for the Highest Scoring Dog in Trial was presented to *Monica Torrance* with a Norwegian Elkhound, Guy Fawkes of Riverland. *Mrs. Mary Ann Monkman* was appointed as Training Chairman and *Jane Owen* as Program Director.

Beginner's Classes commenced September 16, with 80 applicants. Trainers for class 1 and 3 are *Bill Fiedler* and *Doug Lawrence;* for 2 and 4, *Dave Parliament* and *Gordon Ashcroft* and in the problem corner, helping all who have difficulty with a particular exercise, is *Ron Hamel. Joan Lawrence* and *Monica Torrance* teach Novice Class and *Marion King* the Open.

It's interesting this time to see a Cairn, a Chow Chow, an English Bulldog and an Afghan Hound — four breeds not seen too often here in Obedience Classes.

Marion King attended the Specialty of the German Shepherd Dog Club of Minneapolis and St. Paul on September 28 with "Corey". Under *Marie Leary* Berwyck's Chorister placed 3rd in Novice Bitches. The next day, at the Minneapolis All-Breed show, Corey placed 1st in her class.

blue sky with beautiful Indian Summer weather. The many spectators saw a first class Trial with excellent tests in a hunter's paradise. Everyone was thrilled with the calibre of entries from as far East as Brandon; as far West as Kelowna; and as far South as Minot, North Dakota. The Trial closed on Sunday with everyone elated at such a wonderful weekend. Club members were particularly jubilant at their own success and the fact that they had met and made many new friends. The judges worked long and hard. To *Ruthe Lowe*, who was among the missing, the club sends its very best wishes for a speedy recovery.

THE ALL TERRIER CLUB OF CANADA
Held its first meeting since spring in September at its new location, the War Amps Building. Although attendance wasn't large (where does everyone get to on the second Thursday each month) the meeting was a lively one and finished off with a question and answer based on CKC rules and regulations. Most of these were gleaned from the "For Your Information" column in *Dogs*.

For all friends who are not able to visit *Mr. John Treleaven*, he is home from the hospital and able to get around with a brace in one shoe. He is now taking therapy treatments at Sunnybrook Hospital and it is hoped that he will be back in the show ring by next spring.

Mr. and Mrs. James McFarlane's Cairn, Badenoch Maori, took BB at a recent Michigan show and now only lacks a couple of points for her American Championship. *Mr. and Mrs. Harold Betts* are enjoying a holiday in California.

The club has a new associate member in *Miss Joyce Ellis* (Manchester Terriers) who is not only a conformation enthusiast but an Obedience one as well.

In the Obedience field, *Mr. and Mrs. Pirrie's* Welsh Terrier, Ch. Wil-Wag's Drop of Brandy, finished her CD at the German Shepherd Obedience Trial. There is quite a race on at the moment for the A.T.C. Obedience trophy. The breeds vary from Wire Fox to Norwich so if you have a terrier ready to compete there are still enough Trials left this year to get them out and see if you can take home this lovely trophy.

November is nomination meeting.

BULLDOG CLUB OF CENTRAL CANADA
The club held a very enjoyable Puppy Match, followed by a sumptuous supper, at the home of *Mr. and Mrs. E. A. Cross*, Erin, Ont. Several members were unable to be present owing to "domestic" problems (newly arrived puppies, etc.).

Mr. Cross judged the entries which strangely enough comprised only male puppies. Best Puppy was *Mr. and Mrs. McCutcheon's* "Corky" in the 9-12 month Class. Reserve went to *Mr. and Mrs. Clark's* "Teddy". The Ladies Handling Class was won by *Mrs. P. Alderson.*

The club's President recently went to New Jersey to judge the Bulldog Sanction Match there. This is quite an assignment as there are very often 50 or more puppies to judge.

Training classes in ring stewarding are soon to commence and the services of competent stewards will be offered to show-giving clubs.

It is hoped that a Bulldog Gazette will be put out in December which will give the activities, wins and articles on the breed. If successful and desired by the membership we hope this may be an annual publication.

HAMILTON KENNEL CLUB

With the fall season at hand, club activities have commenced. The September meeting was very well attended with new members welcomed and *Mr. Frank Patrick* back again after a lengthy illness. All were happy to see him. There was the usual discussion on club business — a rummage is in the planning, a tour of Jackson's Bakery in the near future, and card games — all to make the trophy fund swell. The club's All-Breed Championship show was a great success and plans are already completed for the annual Sanction Show in November at Windsor Hall.

HAMILTON OBEDIENCE CLUB

Fall classes started September 5 with a very good enrolment. The classes are being held at Spring Valley Hall, Ancaster, Ont.

September meeting of the club was held on the 6th with *Miss Burgess* of the O.S.P.C.A. as guest speaker. *Walter Poulson* was presented with a Memorial trophy from the June Trial for his Weimaraner "Susie".

At the September Trial, 80 dogs were entered, which the club believes to be a record entry for a single Trial. *Ralph Lalta* was Trial Chairman and *Vi McKay* handled the Secretary's duties. *Ralph Lalta* received the Memorial trophy with high score for a member with his German Shepherd "King". There were 18 Utility dogs with 10 qualifying. The day was cold and damp but *Lil and Frank Firth* kept things warmed up with food and coffee from the refreshment booth.

On November 29, at the Dale Community Centre, Hamilton, the club will have, as guest speaker, *Dr. Wilfrid E. Shute.* Obedience members from other clubs are invited to attend.

Plans are set for the club's annual Christmas dinner and dance. Anyone from other Obedience clubs wishing to attend should contact *Jean Giacomelli,* 51 Wardrope St. S., Stoney Creek. It will be held at the Airforce Club in Dundas.

MINIATURE SCHNAUZER CLUB OF CANADA

Held meetings in September and October at the Carlton Club. The October meeting was the annual meeting at which the following officers were elected: Immediate Past-President, *Wm. Gottschalk;* President, *Charles Carter;* Vice-President, *Max Raber;* Secretary-Treasurer, *W. Harry MacKendrick;* Show Secretary-Publicity, *Miss Olivia Dunn;* Trophy Convenors, *Mrs. Ethel Gottschalk, Mrs. Claire Raber;* Program Convenor, *Mrs. D. T. Weir.*

An interesting program followed the election, at which time plans for the next Specialty show were discussed and adopted. Plans for the Christmas party were discussed so members who were absent, keep in touch with your executive. Added impetus was given to plans for the continuance of the Beginners Class.

NEWFOUNDLAND CLUB OF CANADA

Reports no official activities in August but members of the Steering Committee spent a very enjoyable evening at the home of *Mr. and Mrs. Doug Irwin* on August 16 when *Dr. and Mrs. Robt. Currie* (Corresponding Secretary of the Newfoundland Club of America), *Mrs. Elinor Ayres Jameson* and *Elinor Ayres* from across the border were visiting here. The first general meeting was held on September 15 at the home of *Mrs. Nona Navin,* Gormley, Ont. Officers elected for 1963-64 are: President, *Mr. Doug Irwin;* Vice-President, *Mrs. Nona Navin;* Secretary, *Mrs. Alison Seaman;* Treasurer, *Mr. Dave Suckling;* Chairman of the Constitution Committee, *Mr. Greg Arnason* with *Mr. Don Purdy* and *Dan Hanington* as his assistants; Trophy Chairman, *Mr. Wayne Wettlaufer.* With so many members spread across the southern part of Ontario it was decided to hold every other meeting outside the Toronto area and the next meeting will be held at the home of *Dr. and Mrs. Don Munro,* St. Mary's, Ont. on November 3.

Fees were set at $5.00 for a regular membership, $8.00 where there will be two voting members in one family and $3.00 for non-voting associate members.

A newsletter will be going out to the members and all information and news will be gratefully received by the Secretary at R.R. 2, Markham, Ont.

Mrs. Dorothea Daniell-Jenkins gave a brief outline of the progress of the Group III or *Working Dog Association.*

The club wishes to congratulate *Mr. Richards,* owner of Ch. (Can. Am.) Little Bear's Thunder, on his BIS award at Oakville on September 14.

A great loss to Newfoundland and the community as well as Newfoundland breeders occurred with the death of *Hon. Harold Macpherson,* dean of the breeders and owner of the long standing Westerland Kennels in Newfoundland. Another loss to Ontario breeders will be felt with the move *Mrs. Nona Navin* is making shortly to Pickles Crow, Ont. The club wishes her well and hopes she will enjoy her new home and that she will plan extended visits back to the "old hunting grounds".

start for its fall term. September 6 it held a corn roast for the families of members and friends at Calico Farm, Unionville, Ont. A harvest moon, a crackling fire surrounded by chesterfields of baled hay and a pot of melted butter for the corn was an ideal center for sing songs and merrymaking. Wagon rides, geese and farm sights made the evening a memorable one for the city youngsters. The skillful construction of 'his and hers' from bales of hay roused the interest of do-it-yourself fans as they proved both soundproof and warm. Thanks go to *Neil and Becky Pennycook* for a perfect evening.

The acquiring of indoor facilities at Shoreacre House (CKEY), Don Mills, is the best news to date, thanks to the untiring efforts of trainers and Secretary. This has always been a problem as the club's area is not partial to dogs in community or government buildings. This news was disclosed at an executive meeting held in September. Members proved both spirited and voluble. Changes in the program resulted in benefits to members, improvements and changes in training techniques to encourage the novice to continue farther in Obedience and the addition of a stepped-up Prep Class to aid and perfect the trial-minded.

October 2 was Graduation. This class seems to have sustained interest throughout the summer session. Location, Finchurst Plaza.

The general meeting was held October 7 at *Mr. and Mrs. Gordon Mitchel's* when *Mr. Jake Giacomelli* was guest speaker.

Proud cheers to club's *Grace Probert's* "Shasta" and *Mrs. Hilda Pugh's* "Mr. Magoo".

With deep regret we announce the loss (presumed dead) of Rinti, *Sandra Bargent's* Shepherd-Collie cross, star of the Miracle Worker, mentioned in the September issue.

PETERBOROUGH AND DISTRICT OBEDIENCE CLUB

Members drove through the pleasant autumn countryside with its blaze of color to the home of *Mrs. Thomas Little*, Minnie, where the club held its first fall meeting. Fall classes and a constitution for the club were throughly discussed. Classes started September 30. The basic class has become so large it is necessary to have two basic classes. The club demonstrated Obedience work on September 21 for a children's Pet Show, sponsored by the Quaker Oats Co.

Three new members were welcomed into the club – *Nina Bouchier, Bette Rae Gill* and *Ann Howitt*, the latter two having just gained their first leg in Obedience work, both working Dachshunds.

The club regrets having to report the death of Colonel, white Standard Poodle owned by *Mrs. Guest* of Lindsay.

"If in the pursuit of the perfect we wreck the best that is possible, the longing for the absolute will be akin to madness."

DOMINION COLLIE AND SHETLAND SHEEPDOG ASS'N (Montreal Branch)

For the third consecutive year the Fall Club Match was held in St. Andrews East, *Mary and Mac Stephens* again providing their lovely grounds for the occasion. The weatherman cooperated beautifully and both dogs and exhibitors enjoyed a cool, crisp outing. This once a year do always draws a large crowd, it being the one Match to which each member may invite a guest, with an extra class provided for Any Other Breed. There was a total entry of 64 dogs, the judging in Shelties handled by *Miss Herbert*, of Shelert Kennels, England, with *Leslie Rogers* doing the Collies and Any Other Breed. Best in Show went to *Mrs. Smith's* Sheltie "Braedean Dusty Miller" (with *Sybil Jardine* and *Dorothy Fountain*, owners of the sire and dam, beaming their approval); Best Puppy in Show to the *Lacroix'* Sheltie, "Snow Lane's Beau Brummel"; Best of Breed in Collies, *Audrey Grey's* "Grayfield Midnight Star"; BOS, *Helen Lovett's* "Orangeman of Ronas Hill"; and Puppy went to *Ruth Burnett's* "Pine Rush Raven's Echo. Best Opposite Sex in Shelties was *Dr. and Mrs. Reid's* "Um Var All Aglow". In the class for Any Other Breed *Pat Detmold* went up with her English Setter, "Setter Man's State Trooper", with *Mr. B. W. Powers'* Beagle taking Best Puppy. The large Children's Handling class was judged by *Mac Stephens* who put up in the Under 10 years class, *Andrew Grant* with a Beagle, in Girls over 10, *Barbara Page* and a Sheltie, and Boys over 10 was taken by *Ian McGibbon* and his Sheltie. About 150 members and guests turned out to have the privilege and pleasure of talking with *Miss Herbert* and watching her systematic and thorough judging of the Shelties. Entries from afar included many from Ottawa and district, *Jean Whitford* from Sutton, the *Lanes* from Mass. and the *Smiths* from New Hampshire. Now all members are busy working on the All-Breed Sanction Show to be held the end of October. See you there?

THE MONTREAL DOG OBEDIENCE TRAINING CLUB, Inc.

Everytime a new venture is undertaken by a club there is always some misgiving in the minds of the members as to the possibility of such – not so with the MDOTC. From the first planning of three trials on one day a spirit of confidence and optimism prevailed which more than paid off in the efficiency of the running of this "first" on the Continent (probably in the world). Each and every member can take credit for the

success of these trials due to their co-operation and hard work.

Around the Trials: The stewarding (three to a ring), excellent — judges right "on the ball" — The start at 9 a.m., finishing on the stroke of six — The weather, perfect — The prize table, beautiful as usual, with *May Birch* once again presiding — *Myrtle Cook*, of *The Star*, who has given the club so many good write-ups, circulating and picking up first-hand information for her post-show coverage — the handiness of the Ken-L Ration trailer used as an office — and above all, the enthusiasm shown by workers and exhibitors alike for the three trials on one day, and the hope this might become an annual affair.

TA-I-O BEAGLE CLUB OF MONTREAL, INC.

Canadian hounds continue to make their mark on the score sheets at U.S. Trials. At Vermont, August 30 to September 2, the 15" derby class of 34 on Friday gave 2nd place to *Paul Mannoy's* Champlain Clipper and 4th to Craig's Susie owned by *Chuck Durham*. *Jim Akester's* Penwall Swiftfoot Sheba and *Dan Piccionni's* Sleuthfoot Pepper were third and reserve among 19 13" derbies. Saturday saw 41 small females in the field with *Gerry Guay's* Clover Hill Ruby placing second, *Richard Atkinson's* Meadow Brook Flame third, *Jim Akester's* Penwall Swiftfoot Sheba fourth, and *Doug Decker's* Maple Sugar Bugle Ann reserve. On Sunday *Jake de Vito* and *Paul Akin's* New Parrot Sad Sam was second, and *Mario Buffelli's* Fish Creek Mr. Jones fourth in the 13" dog class. The 15" bitches brought a 2nd to Fd. Ch. Elliott's Queen owned by *Germain Boucher*, a third to *Orman Ovitt's* Maple Sugar Lucky Lady and reserve to *Leo Benware's* Dixie Doodle Dandy 11. On Monday a class of 30 big dogs took to the field; 7½ year old Morgia's Louie, having completed his Canadian Championship the week before gained the first to give him a well-deserved Int. title. *Laurie Piedalue's* Fd. Ch. Concert Bess placed fourth. A couple of weeks later, at Dannemora, in the 13" bitch class of 22, *Jim Akester's* hot female Penwall Swiftfoot Sheba drew the 2nd, *Buck Atkinson's* Lady Love XIX the 3rd and *Earl Cunningham's* Stormie the reserve spot. In 13" dogs Frontline Sam, owned by *Jacques Choquette* hunted to a first, *Clayton Grover's* Tuffy took the 2nd, New Parrot Big Bob 3rd, *Cliff Morris's* Roxham Rockie the 4th. The 15" bitch entry of 17 gave a first to Stone's Molly owned by *Ralph de Witt* and reserve to his partner *Leon Bigelow* with his Taffy of Sandy Hill. Among 31 15" dogs Clover Hill Boomer, owned by *Lew Baillie*, came 3rd and *Ed Akester's* Cedar Ridge Show Buck reserve.

THE MONTREAL GUN DOG CLUB

Recently held its Annual Field Trials near St. Andrews East, and provided some excellent demonstrations of work on upland game, in which interest is growing hereabouts. For one thing it is no longer necessary to send dogs out of the Province for training. The *Bailie* brothers and their associates in the Silver Heights Game Farm venture, some very dependable young men, now are in a position to undertake such training. Not only are they proficient in the training art, but as game farmers they provide excellent shooting over interesting terrain with good dogs for Pheasant and bob white quail. Then too, use of bird dogs not only enhances the chances of recovery of pheasant, partridge and woodcock brought down in bad cover, but there is also the pleasure of the dog's companionship and the continuing thrill of watching him improve in his work.

SOMETHING TO BRAG ABOUT

Mac Stephens' Sheltie, Jack, who was so close, so often, while gaining his Championship has more than justified *Mac's* faith in him by placing 2nd in Group the first time shown in Specials.

Those Beagles of *Glanrobin Knls* continue their amazing career at American shows. At Watertown, Little Rahwedia was B of V. 13" and Maid of the Mist took B. of V. 15" and 3rd in Group for four points to finish her American Championship with five majors, two of them obtained at Specialty shows. A short while later, in Maine, Roddy and Misty again took B. of V. in the 13" and 15", going on to 2nd and 4th in Group.

Miss Winnifred Steggall (Pugs) proudly reports that Winna Sir Superior, son of Int. Ch. Winna Prince Charmer and Ch. Her Grace of Swainston, finished by going 2nd in Group, thus making him her 61st homebred Champion. What a record!

Do hope you were able to take in *Pat Detmold's* one-man show of animal portraits at the Art Gallery in St. Jerome early in October. This talented Quebec artist has had pictures on display in New York and elsewhere but this is her first exhibition in this Province. She also has been commissioned to do 16 painting for an American calendar firm.

Marg Hamilton has been advised by the AKC she has been approved to judge Novice classes at the U.S. Obedience Trials.

POT-POURRI

The Misses *Joan and Beryl Herbert* of Shelert Sheltie Kennels, England spent a week with *Sybil and Jack Jardine* before going on to judge two Sheltie specialties in the States.

Going along with National Dog Week, Radio station CJAD and *Bill Roberts* ran a contest to find the largest dog in Montreal. The winner was a Great Pyrenees, with runners-up two Newfs and an Irish Wolfhound.

Deepest sympathy to *Joan Kyle* (Poodles) who lost her father recently.

You should see that cute new English import of *Muriel Ratner's* — a four months Bearded Collie puppy, "Slippers" by name, believed to be the first of the breed in Canada.

Seen on St. Lambert streets — *Harold Perrie's* Fd. Ch. Silver Lake Sheik, who lost a rear leg last winter, obviously doesn't realize it is gone. He frequently over-balances against a tree because he lifts the good one, forgetting that there is no support on the other side. He also uses his stump to scratch industriously,

N.S. Field Trial Association held its autumn trials September 21 and 22 at Porter's Point in Kings County in poor weather conditions on the opening day but with some improvement on the second. Saturday morning in rain and with strong easterly winds the Pointing dog trials were run with *H. D. Whitman*, N.B. and *C. Bennett*, N.B. judging; first to "Shane". In the afternoon the first Springer All-Age Stakes to be run in the Maritimes were won by Saighton's Slam under *D. G. McCurdy*, N.S. and *W. K. Chinn*, Waverley judging and with some improvement in weather. Sunday morning the Shooting Dog All-Age Stakes were run under *A. D. Gray*, N.B. and *M. Corkum*, N.S. in excellent weather and under ideal conditions and the work of the entries was classical and was covered by C.B.C. T.V., which ran the results on channel 3 the following Saturday on the program "Sportsman's Almanac" and was an excellent piece of photographic reporting; first to Dufferin Mae. In the afternoon the derby Stakes were run for dogs whelped on or after January 1, 1962; first to Bernard of Sax Weimarinen. The Association aims at holding spring trials in April, 1964.

Evangeline K.C. has started Obedience Training classes in quarters lent the club by the Vice-President, *Mrs. Robb Peel*, Berwick and with so large an enrolment that plans are being made to form another class in the Annapolis County area covered by the club. *Alex Wilson*, formerly of *St. Croix Valley Gun Dog Obedience School*, St. Stephen, N.B. is the instructor.

E.K.C. Sanction Show is planned for November 2 in the Wolfville Youth Centre with proceeds going to the Lions' Club. In keeping with the E.K.C. aim to encourage novices, *Miss Godfrey*, of the Melframar Pekingese, is being urged to judge the Toy group while *Mr. Robinson*, Timberlea, has been invited to judge the other groups and Best in Show. Another novice member, *Miss Manning*, will understudy the ring steward, *Mr. Wright*, in his duties.

Pictou County K.C. held its Obedience Class graduation exercises September 8, and in October started new classes; the club reports that there are a great number of owners wishing to train their dogs in basic obedience. The club's secretary reports that the 133 entries for

SO YOU'RE GOING TO BUY A PUPPY

Countless times during the year you may have considered buying a dog for a "certain someone". Now, in this season of giving and suddenly loosened purse strings, the thought may become action. You're in the market for a dog . . . but the actual consideration is the recipient.

The housewife, for example, with home and community responsibilities, will find it hard to welcome a dog requiring a great deal of grooming. The family will avidly agree to doing this chore, but you well know who will carry it out.

Certain breeds require periodical trimming to keep them both presentable and in good condition. Unless the new owner is prepared to (a) purchase the necessary tools and learn to do the work himself or (b) pay for the trimming, the perky little pup will soon be a sorry mess. Any dog beauty shop or kennel trimmer will tell you of dogs brought in so matted it was virtually impossible to do anything but shear the coat down to the hide.

Other breeds require ear cropping, which is rarely done on a very young puppy. Here is an expense which is not likely to be welcomed and may be put off until too late.

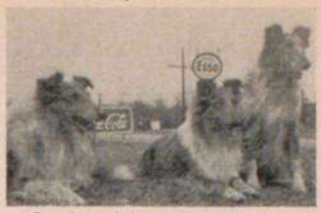

At this time of year some breeders will sell the puppies at a slightly lower price because they have not had their permanent inoculations. Be sure you or the new owner has the necessary funds to take care of the inoculations *immediately* – not on pay day, or "after the New Year."

If the puppy is to be a surprise, be certain that you or the new owner has proper food on hand, at least until shopping can be done after the holiday. A collar and lead should accompany the gift as well – what can you do with that pretty red bow when it's time for a "walk"?

If you're giving a hunting man a dog, be sure you know his "game" – is it ducks or rabbit? And if there are very young children in the house, please choose a little older puppy (about 12 weeks) sufficiently strong to move out of reach when it has had enough of loving mauling.

Above all, purchase a purebred dog from a reliable kennel. Then you and the recipient have a reasonable expectation of the pup's eventual weight, size, and characteristics. ●

DOGS & PEOPLE

Visitors to Toronto and the 41st Annual Specialty Championship Show of the German Shepherd Dog Club of Canada were *Mr. and Mrs. Ernest Corbett*, delightful dog fanciers residing in Calgary, Alta. They celebrated their 50th wedding anniversary this summer. This is their second visit to this show. Their Ulbert Vom Elbbachtal, SchH II, AD, was shipped to Toronto by truck, a 2400 mile journey. The Corbetts travelled by train.

Died: *Judge Alfred A. Lepine*, The Pines, Carrollton, Ohio, one of America's oldest and best-known all-round judges . . . *Miss Irene Ball*, Balrene Kennel, R.R. 1, Gormley, Ont., one of Canada's outstanding breeders of Scottish Terriers. Cocker Spaniels were her original interest. After a time she gave up her beauty salon in Toronto and developed her kennels at Woodbridge, Ont. Through *Fred Fraser*, of Ottawa, her attention turned to Scottish Terriers. Nine years ago (October 15, 1954) her flourishing kennels were all but ruined by Hurricane Hazel. Although she lost about half her dogs she gamely rebuilt her place, but was informed it was not safe. She then moved to Gormley. *Miss Ball* was well liked and respected in dog circles. Her kennels are now the property of *Dr. Ellen Brown*, who will continue the name Balrene . . . Beagle breeder *Ken Ashberry* of Streetsville, Ont. lost his life over Thanksgiving weekend when he inspected a well on his new property near Brampton. Gas fumes from a pump were said to be the cause of the asphyxiation. Sympathy is extended to his wife and family.

Kamel Charge Girl, a brood matron owned by *Reg. P. Sparkes* of Kamel Bulldog Kennels, Thornhill, Ont. produced 13 puppies by Caesarian section September 27. The sire was Hurling Roger (Imp.) Unfortunately the mother did not survive. The 11 living puppies were hand fed on formula.

The Australian Terrier, Ch. Seven Oaks Tuckerbox, has been added to the stock of "Aussies" owned by *Mr. and Mrs. R. P. Henderson* of Peterborough, Ont. *The Hendersons* plan to seriously "do something" on behalf of this relatively new breed in Canada. They will continue breeding Bassets — the Australian Terriers are taken on as a further challenge.

Nancy McCredie, Canadian Women's shotput and discus record holder, an 18-year-old resident of Brampton, Ont., has just acquired her second Wire-haired Fox Terrier from Runwyre Kennels. Mary-Lou (Romany-Maid of Runwyre) has joined Knee-High, a son of Cairngorm Rambler. Together they watch *Nancy* train every night at the Don Mills A.A. Club in preparation for the 1964 Olympics in Japan. Both have tried to retrieve the shotput, but this task is usually left to *Nancy's* father, who is sure to return it to its rightful owner.

Four Terrier Groups at four shows in succession in Ontario have been won by three different Wire Fox Terriers. Ch. Kindon Wee Rascal, owned by *Helmut Sachau*, CNE 2nd Show; Runwyre Ranee, owned by *Pamela G. Running*, CNE 3rd Show and Tulsemere Tuscan, owned by *Ted Ward* at both Oakville Shows.

The *Miniature Schnauzer Club of Canada* will have its "Beginners" class in conjunction with the club's Specialty at the Sportsmen's show in March, 1964. This class, inaugarated at the Sportsmen's Show in 1963, is for Miniature Schnauzer owners who have never shown their dog. The club pays all entry fees for this class as a means of promoting greater interest in showing. Dogs entered in this class, which is judged after the regular classes, must also be entered in one of the official classes.

The novel, *Stay But Till Tomorrow*, by Arnold Running (Runwyre) of Brampton, Ont. is to be televised over the CBC television network in series devoted to works of Canadian writers. Filming begins this month. The new series is called *The Serial* and started September 26 with a ten-episode adaption of *Thomas Costain's* "Son of a Hundred Kings." "Stay But" will probably be shown in May or June, 1964. In the meantime Mr. Running's second novel, "And So It Is Appointed" is currently in the hands of his agent in New York.

Sympathy is extended to *Mr. and Mrs. G. F. Lovett* of Stittsville (Ronas Hill Kennels) in the loss of their 25-year-old son, *Allan George (Buzz)* who passed away in an Ottawa Hospital following an illness of several months' duration. He was unmarried and lived at home. Prior to his illness he had been a civil servant, employed in the Dominion Bureau of Statistics. His death was due to an incurable kidney ailment, complicated by diabetes. He is survived by his parents, an older brother in Vancouver and two sisters in Ottawa.

Ch. Kingsdale's Danny of Dunleary, Kerry Blue Terrier bred by *Mrs. Elisabeth Golby* of Willowdale, Ont. and owned by *Dr. and Mrs. H. Dunlop*, Kingston, Ont., was one of the star attractions at a fashion show recently. The show was sponsored by the Medical Wives of Kingston. Danny, always the gentleman, restrained his natural canine impulses and passed the potted plants with discretion.

Opposition leader *John Diefenbaker* has a new yellow Labrador Retriever puppy, Happy II. The pup is a gift from

The province of Manitoba was represented at the Westchester Show held at Purchase, N.Y. by *Mrs. Ellen B. Harrison* of Winnipeg. She took two of her own Dandie Dinmont Terriers, Ch. Sowdens Pheasant and Bellmead Shandy, also a West Highland White Terrier, Ch. Bencanachan Air Commodore, owned by *Mrs. E. Heward* of Winnipeg. *Mrs. Harrison's* party received a warm reception from the *Dandie Dinmont Club of America*. Among her impressions: the size of the show (2,220 entries assessed by 30 judges), a gate of 10,000 spectators; special tags for females in season entitling owners to remove them immediately after judging and keep them in crates.

At the *Montgomery County KC* show October 7, *Mr. and Mrs. Ross Pirrie* of Toronto brought home ribbons. Shown by *Ross*, their Welsh Terrier, Wil-Wag's Rum'n Coke went 2nd in Open Male and Reserve Winners, Male. Shown by *Barbara*, Wil-Wag's Whiskey Mist went 4th in Open Female.

Canadian dogs were well represented at the *Progressive Dog Club Show* in Detroit, October 6. Owned by *Betty and Fred Carter*, Cooksville, Ont., the Basset Hounds, Schauffelein's Logy went WD and BW while their Westacres Little Nell was WB. In Miniature Schnauzers *Mr. and Mrs. Hugh Kennedy* of Brantford, Ont. picked up WB and RW with their two girls. *Mrs. Thelma Adams* of Unionville, Ont. brought home a BB rosette with Ch. Roseneath White Crusader, West Highland White Terrier handled by husband Tom. In Cairns, Ch. Badenoch Maori, owned by *Kay and Jim McFarlane* of Thornhill, Ont. picked up her third major to complete (subject to AKC approval) her American championship.

This season Talisker Skye Terriers, owned by *Mrs. Percy Adams*, Ste. Agathe des Monts, P.Q., have chalked up three more Canadian-American champions, won numerous Terrier Groups and a Best in Show under *Dr. E. S. Montgomery*. *Mrs. Muriel Williams* of Burlington, Ont., now owns three Talisker Skyes, the latest purchase an outstanding cream puppy. A cream Talisker male went to France in May. *Mrs. Adam's* famous Ch. (Can. Am.) Talisker's Mister Wonderful, has been purchased by *Mr. Millard R. Clarkson* of Des Moines, Iowa. *Mr. Clarkson* has five American Champion Talisker Skyes.

In an entry of 14 Afghan Hounds at the North Country KC Show, Watertown, N.Y. September 15, two Canadian bred entries triumphed. The black male, Ronas Hill Nubian Shaazaada, owned and bred by *Mrs. G. F. Lovett* of Stittsville, Ont. and handled by *Robert Walgate*, was WD and BW for two points. His litter sister, a pale cream, Can. Ch. Ronas Hill Ramayana of Khyber, owned by *Mrs. B. W. Barrett*, Ottawa, was WB and BOS for two points. These Afghans are 14 months old, sired by Am. Ch.

FOR YOUR INFORMATION

Because of an error made in the article which appeared in October *Dogs in Canada*, "What is a Sanction Show" set out below are the rules, as recently laid down by The Canadian Kennel Club, regarding Sanction Shows. These rules may be procured directly from The Canadian Kennel Club, 1173 Bay St., Toronto.

1. A Sanction Show is an informal meeting at which only purebred dogs may compete, but not for championship points, held by a club or association obtaining the sanction of The Canadian Kennel Club, and such show shall be held under the sanction show rules adopted by The Canadian Kennel Club. A club shall not be permitted to hold more than three sanction shows in a calendar year except at the discretion of the local Provincial Director.
2. All clubs, organizations or associations throughout Canada must obtain the sanction of The Canadian Kennel Club to hold matinee or evening shows. Application for Sanction Show dates should be addressed to the local Provincial Director for sanction shows held outside the Province of Ontario; to the office of The Canadian Kennel Club for sanction shows to be held in Ontario.
3. Dates must be applied for not less than 30 days previous to the date of the show. (Dates to be allocated on a "First come, first served" basis.)
4. The responsibility of selecting a qualified judge to be that of the show-giving club.
5. Each club sponsoring a Sanction Show must appoint a *Show Superintendent* as well as a Show Secretary and Ring Stewards.
6. Classes will be provided for:—

Puppy Male
3-6 months)
Puppy Female
3-6 months)
Puppy Male
6-12 months)
Puppy Female
6-12 months)
Age groups may be combined if entries do not warrant separate classes.

All puppies, whether imported or not, are eligible for the above classes.

Open male)
Open Female)
Classes of Male and Female may be combined where only one entry is received for each sex in the breed.

Best Male
Best Female
Best of Breed
Best Canadian Bred Puppy in Breed.

Additional *Optional Classes* could be Novice, Bred by Exhibitor and Canadian Bred Classes. Such awards as Best Opposite Sex, Best Canadian Bred in Show *should be Optional*. No Champion to compete in a Sanction Show. All prize ribbons or cards given out at Sanction Shows must have the words "Sanction Show" on them.

Placings — same as Point Show. (Cards or ribbons may be used.) 1st Gold — 2nd Rose — 3rd Beige — 4th Grey. Best Male, Best Female — Gold. Best of Opposite Sex — Rust. Best of Breed — Gold and Green. Best Canadian Bred — Orange. Best Canadian Bred Puppy — Pink. Groups — Same colors, longer ribbon or rosettes could be used.

Best in Show — Green and Gold. Best Canadian Bred in Show — Orange. Best Canadian Bred Puppy in Show — Pink.

The judges' books should be in a loose-leaf form and follow the same form as judges' books used at Championship Shows except that only the original copy (to be completed by the judge), is required. A light board holder is easy to make with a small spring clip or elastic band for ready use, so that after one group is judged the awards can be posted into the group sheets. Each Judge shall sign his judge's book.

A Sanction Show should be so organized that judging will be completed not later than midnight.

As far as practicible the set-up and procedures followed at Sanction Shows should follow Championship Shows.

●

Sanction Show judges need not be approved judges. This is an excellent training ground for those persons who aspire to become a judge of one or more breeds.

In the Toronto area, clubs have found Sunday Sanction Shows to be most successful and these are held almost every Sunday from mid November until early March. Information can be procured from the CKC or club members.

Rules governing Sanction Obedience Trials can be found in the printed book "Obedience Regulations and Standards".

●

The annual Referendum ballot will be mailed to all voting CKC members during the month of November. This year they will contain amendments to By-laws, Dog Shows, Obedience Trials and Field Trials. Each should be studied in their entirety, compared with the existing rules and VOTED on. This is the only way the members have of voicing their opinions.

●

Dogs in Canada is mailed to all CKC members by the CKC. All changes of address for these copies should be sent directly to The Canadian Kennel Club, 1173 Bay St., Toronto 5.

Subscriptions, book orders etc. should be sent to *Dogs in Canada* and cheques for these made payable to *Dogs in Canada*.

Toor Shaazaada Khaatzman, out of the English import, Can. Ch. Rhokara of Khorrassan. Ramayana finished her title at 13 months at the Ottawa Exhibition Show, had three BCBP in Group wins and was BCBP in Show in Kingston June 22.

Died: *Mrs. Mary Lowber Strawbridge Sailer*, 88, prominent breeder of Miniature Schnauzers and owner of the famous Ch. Yankee Pride Col. Stump, BIS winner and sire of many champions. *Mrs. Sailer* was a former president and member of the board of the American Miniature Schnauzer Club. Mrs. *Gerde Bryder*, Conte Kennel, Zephyr, Ont., in a tragic railroad crossing accident, October 22. She was on her way into Toronto in a dense fog when a 74-car, southbound CNR freight train hit her westbound car. *Mrs. Bryder*, a vibrant woman who spared no expense in developing the St. Bernard breed in Canada, had been plagued by ill fortune in recent months. She had just moved her kennels to Zephyr when she lost five of her best dogs through poisoning: Ch. I'William Tell, vd., Dreitor Alp Spitz, Imp., Glory Be, Nelly Blythe, Sergeant Royal, Mascot for the Royal Regiment of Canada, and Ch. Nero. *Ernie Hassard*, her kennel manager, plans to continue the kennels.

Recuperating from serious surgery on his left leg as a result of diabetes, *A. E. (Alf) Thompson* (Pembroke Welsh Corgies) of Toronto is now able to spend a few hours a day at work. He was in hospital for seven months.

New address: *Mr. and Mrs. H. W. Herwig* (Falconmoor Kennels) North Surrey, B.C., are moving to a new home and kennels just prior to Christmas. The new address will be 16189—102nd Ave. North Surrey. As a result of the *Dogs in Canada* Standards Issue, write the *Herwigs*, they have sold a Kerry Blue puppy to Japan.

Congratulations: to *Mr. Donald Fraser* Toronto, on his marriage to *Miss Susan Radley* Toronto, well-known Poodle breeder and proprietor of the Poodle Studio, in mid-October. *Mr. Fraser*, a high school teacher, was recently voted the most popular teacher in his school.

Died: in a tragic accident Tyldesley Thingambob (Bobbie), winsome and winning silver Miniature Poodle owned by *Mrs. D. T. Weir*, Toronto. Apart from his personality, and her pleasure in showing him, this is a great blow to *Mrs. Weir*, as he showed great promise in the ring and in breeding.

More American wins: At the Albany (N.Y.) K.C. show October 19, Irish Setters owned and/or bred by *Mr. and Mrs. John Royston*, Meadowvale, Ont., were victorious in an entry of 50 Irish Setters. Ch. Killane Rogue went WB while Am. Ch. Killane Duffy, litter brother, took BB. Duffy is owned by *Mr. and Mrs. W. B. Murphy* of Atlanta, Ga.

one way or another — although I think perhaps it could be a retrograde step."

"Are there none you are not suspicious of?" I asked.

"A lot of them," he said. "I'm in favour of abolishing that amendment passed last year about measuring. I'm in favour of letting ring stewards show at shows where they are stewarding, providing they don't show under the judge for whom they steward. I'm strongly in favour of amendment number 11 which protects the breeder who sells a dog with the proviso that it will not be

used for breeding purposes. And I think it a good move that clubs have a little more control over the order of judging, as proposed in Amendment number 17."

The Old Timer leaned back. He pulled out his pipe and filled it carefully. He got it drawing easily and then—

"Mind you, I'm not saying these amendments I'm curious about would be bad. But I do think they need to be fully explained. I do think that the members should study them carefully. And I'd also suggest that candidates for office let the members know what their interpretation of the amendments is and where they stand on each. If that is done, and if the general membership votes in favor of the amendments, then I would say the Board has a mandate to carry on." ●

Obedience

ized for this joint command and signal. He tells me that he once lost four points under "a certain judge" for nodding his head when calling his dog. Being a good sport he accepted the penalty with a good grace and thanked the judge for pointing this habit out to him. I have a sneaking suspicion that I may have been the judge in question!

Still on the subject of good sportsmanship, I judged a dog at a recent trial and since I knew that it was very important to the handler to have her dog qualify, I tried to give her every assistance possible. Unfortunately, the dog missed out on the last exercise but in spite of her disappointment, the handler took time to write me a very gracious letter, thanking me for the help I had given her. Such things as this sweeten the judge's day: truly, we need more of this spirit in Obedience.

A third letter suggests that I invite my readers to write me when they have a problem in dog training. While we would naturally prefer to have the problem dog entered in our kennels for a training course, we recognize this is not possible for everyone and we are therefore prepared to help where we can, through this column. Naturally I lay no claim to having all the answers: this I leave to those who have been able to restrict their training to one or two dogs! Also, I cannot undertake to answer letters on training except through this column.

Before leaving the subject of letters, there is a point I would like to make clear, namely, if the writer wishes to make a complaint re infractions of rules or the judge's scoring, this must be directed to The Canadian Kennel Club. If something else is bothering you, write your letters to *Dogs in Canada* under your own name.

In conclusion, let's be good sports in defeat as in victory but let us also have the courage of our convictions and speak out for what we believe to be right. ●
