Kennel Tests Prove New Burgerbits gives dogs the taste they really like... the solid nutrition they need.

The Great New Taste* of Burgerbits

now in "flavour-kernel" form

Here's the dog food that kennel tests proved superior to all others in palatability and nutrition.

Dogs tested preferred new Burgerbits . . . thrived on new Burgerbits.

Here's why:

Increased Fat Content, with an improved fat-protein ratio, gives unsurpassed palatability, maintains glossy coats and healthy skin, helps prevent shedding.

New Flavour-Kernels. Smooth preformed kernels of uniform size and shape eliminate jagged, uneven particles and dust of ordinary dog foods. Spray coating of natural meat fats locks in flavour, protects nutrients.

Aids Digestion. New Burgerbits is expanded to gelatinize starches for easier digestion.

Less Porous. Crunchier consistency helps keep teeth, gums and jaw healthy . . . absorbs liquids without getting mushy . . . feeding pans clean easily without scraping or scouring.

Exceeds NRC Requirements for daily nutritional intake, providing a complete and balanced diet.

Feed Dry or Wet. Kennel tests prove that many dogs prefer Burgerbits dry. Fed wet, Burgerbits retains the crunchy texture and meaty aroma dogs really enjoy.

Special Professional Discounts. As with all of Dr. Ballard's Dog Foods, new Burgerbits carries a special Kennel Discount. Your local representative will be pleased to provide you with details.

cover story

Poodle Boutique, owned by Mr. and Mrs. J. Nelson, take pleasure in presenting, on this month's cover, some of their top quality Yorkshire Terriers and Toy and Miniature Poodles.

Top Left: Ch. Wedgewood's Personality – this merry little 2½ lb. show girl was shown in the States last year and has two points to go to complete her American championship. She is retaining her rich colors and flowing coat.

Bottom Left: Ch. Diana So Blue – although retired, maturity and age seem to enhance her beauty and personality – Diana is really unique.

Bottom Centre: Jeanette of Clarges – better known to her friends as Joujou. Joujou is a silver beige 12" Miniature Poodle, and a proud great grand-mother to three generations of pure silver beige Toy and Miniature Poodles. Joujou has an excellent temperament, disposition and built. Her puppies are so sought after because of the incomparable qualities and color, that they were sold long before she whelped. Two of her sons have completed their championship in the States. Although Joujou is only five, she has retired and left her place to her children. She is now a highly independent miss and leads the life of luxury and leisure of an elegant lady. Her favourite playmates are Yorkie, a little Yorkshire Terrier of five, and Fifi, a huge blond American Cocker Spaniel.

Lower Right: Bridgit Bardot – better known as Bi-Bi to her friends – a gorgeous 9" square Toy Poodle. Bi-Bi has inherited her mother's lovely coloring and temperament. She is two years old, and her mother, Jeanette of Clarges, is very proud of her.

These are but some of the many Yorkshire Terriers and Poodles that you will meet at Poodle Boutique. If you should drop in you might see Pee Wee, the future Yorkshire Terrier stud who weighs ½ a pound, or Bambi, a silver beige Toy Poodle stud, and many others.

Although this has been an exceptionally busy year, Mrs. Nelson is now concentrating only on quality and temperament. Enquiries regarding stock and stud service should be made to Poodle Boutique, 5327 Decarie Boulevard, Montreal, Quebec.

come back, old timer

. . . Please don't allow free speech to be stopped and constructive criticism to end. Keep the Old Timer column going. It is one of the best in your magazine.

V. R. TITTERINGTON
Peterborough, Ont.

. . . It is with great regret that I note the discontinuance of the Old Timer. I have found every one of his articles interesting, informative and helpful and, to me, one of the highlights of the magazine. I feel that the magazine can ill afford to lose such articles as the Old Timer and I am amazed that it is being discontinued. I cannot help but feel that, had some kind of vote or questionnaire to the members of the Canadian Kennel Club been put, the vote to have the magazine carry the Old Timer's articles would have been just about unanimous. It is unfortunate that a few are able to make such decisions on matters of this kind.

(MISS) LOLA RICHARDS
Hamilton, Ont.

. . . It is a long time since I have felt so strongly about anything as I do about the summary dismissal of Tim Reid and his column, The Old Timer, from the pages of *Dogs in Canada*. I am sure a great percentage of readers will agree with me that if they didn't have time to read the whole magazine the day it arrived, they had to read his column right away. Naturally he riled some directors of the CKC (I didn't always agree with him either) for he said some things that hit them where it hurts, but for the most part he succeeded in putting forth views that made us ALL think and reflect and take a good look at ourselves as dog lovers and breeders.

I doubt very much that the publishers of *Dogs in Canada* go along with this summary dismissal at all; they are powerless, since the CKC can in fact withdraw financial support simply by refusing to include *Dogs in Canada* with every membership, and put them out of business. I say to the publishers of *Dogs in Canada* —GO OUT OF BUSINESS — GO INTO BANKRUPTCY LEGALLY — THROW OFF THE YOKE OF CKC DOMINATION. Start all over again when the tumult and shouting has died down, charging the CKC the same as anyone else for these subscriptions — we as members will be glad to absorb the increase and you, as publishers, will be able to get on with the job. May I also suggest that you locate your offices in another building — you are just too near CKC headquarters.

Members — arise and protest! The only alternative is for *Dogs in Canada* to be published by one of the trade paper chains, Maclean-Hunter or Southam-Maclean, to whom I know the CKC would never dare dictate!

MRS. E. H. CAMPBELL
Toronto 12, Ont.

. . . *Reader Compbell's explosive response and loyalty are heartwarming. However, DIC and CKC can go along together for many moons. Like a marriage, there's a contract that says so.* —Ed.

. . . One of the worthwhile items in *Dogs in Canada* has been the Old Timer's articles, and I looked forward to his remarks each month. They were most helpful — good enough, many times, to be kept for future reading, and delivered with enough kindly humor to make the reading doubly enjoyable.

It is the privilege of any magazine or newspaper to continue or discontinue any article but in this case I feel the decision to discontinue (through, one understands, pressure from a few) is a short-sighted policy and a loss to the magazine's reade

I extend my personal thanks, throug your magazine, to the author of the O Timer for his thought-provoking and hel ful articles.

(MRS.) M. COOP

. . . I am completely amazed that yo would so easily accept the passing of th "Old-Timer" column from your magazin It was unquestionably the best feature your magazine and the one place whe *Dogs in Canada* excelled over the com petitors.

DOUGLAS BUNDO

. . . What a pity the "Old Timer" is n in his usual place. His comments we always so refreshing and brought o points of interest to all dog fanciers.

I trust everything will soon be straigh ened out and he will be signed on agai and be puffing away at his pipe ov many more interesting topics.

M. BLANCHE ROBER

. . . It is with great regret that we re of the decision of Mr. E. B. Reid to wit draw his column, The Old Timer, fro *Dogs in Canada*. We appreciate and agr with his reasons for this decision, but is a sorry day for all dogdom, when fr speech is silenced.

BREED NOTES make their first appearance in the May issue of *Dogs in Canada*. As with any new departure, a few months will be required to refine the contents and space.

The purpose of Breed Notes, it was explained in an earlier issue, is to provide information and interesting material on as many breeds as possible in every issue. In the matter of space, it was stated that the amount delegated to any breed will have a direct bearing on the amount of advertising space allotted for that breed in that issue.

This is a matter of necessary economy due to spiralling costs and unrelated income. Your publishers are trying their utmost to maintain the high standards for which they have gained solid repute.

Contents of Breed Notes: There are endless topics of interest and news about every breed, no matter how little or how well known it is. Please *do* send in items such as

It is confusing w we see both plural forms used. (See ters to the Editor, December, 1963) note that Mrs. Aalders uses the fo "Keeshonden" in her letter to the Edi in November, 1963 — the form which to now has been considered correct he If it is easier for Canadian records g erally to use Keeshonds instead of Ke honden, then let's make it official.

OBEDIENCE

Ed. O'Brien, Canfield, Ont., is well-known as Canada's leading professional trainer of dogs in Obedience work. He is a licensed Judge, one of Canada's first. He began his career in the West, training dogs for herding and other farm work. Since moving to Ontario he has specialized in training dogs for police and guard work and for disabled people. Mr. O'Brien also breeds German Shepherds and Dobermans.

A SLOGAN FOR OBEDIENCE ENTHUSIASTS

At a meeting of people interested in Obedience standards, held a short time ago, a subject was brought up in which there would appear to be a good deal of interest, judging by the letters which have reached me. The question concerned the advisability of creating a higher degree than utility, in Obedience. It would seem that none of those taking part had in mind the long-discussed "Service Dog" line of work, rather, they were thinking, as I understand it, of a further series of exercises that could be performed in the ordinary Obedience ring. One questioner at the above-mentioned meeting, (incidentally one of the best handlers in Obedience) seemed to be somewhat indignant that those heading up Obedience had not already prepared a slate of exercises for the proposed higher degree.

While I agree that it is disappointing to find oneself with an outstanding dog who no longer has a future in Obedience because he has obtained the Utility degree nevertheless, as I pointed out to my friend, it is hardly fair to expect the few people who do *most* of the work in Obedience to do it *all*. Also, if an Obedience enthusiast has ideas for improving trials, why not write them down and mail them to Mr. George Mehlenbacher, the Obedience chairman? No one person is likely to come up with a whole series of exercises for a higher degree, but if each one interested would send the things he would like to see included, the chairman could then draw up, from the suggestions submitted, a list of exercises for the consideration of his committee.

With this interest in a further degree, it is hard for some of us to understand why, over the years, so many things have been dropped from the exercises required to obtain any of the degrees, and the strong opposition to even the slightest change unless designed to make it easier for the dog and his trainer. Why, for instance, was the left-about turn discontinued? Surely its purpose was to challenge the dog to prove that he knew on which side he should heel? Next, we argued back and forth about putting the dogs down by hand and finally ended up with the ridiculous rule now in effect, which is too long to quote verbatim but can be found on page 26 of the Regulations and Standards. Our next move was to cut out all sits to finish off the Long Down and Stand for Examination exercises.

The so-called Scent Discrimination is now done in practically every case with the judge placing out the articles with a pair of tongs, the only articles touched by hand being those allotted to the handler. Where does discrimination enter into this, when all articles except the handlers' are scentless? Some years ago, Scent Discrimination was done by tossing a number of articles into the ring, key cases, gloves, billfolds etc., which were supplied by ring-siders, and among them would be one article of similar type belonging to the dog's owner. This, in my opinion, was real Scent Discrimination, as each article had a different scent. It would be interesting to know just how and when this business with tongs got started. Certainly there is no mention of tongs in the Regulations and Standards.

While I am definitely in favor of a higher degree than Utility, I would feel happier if those advocating it would take a stand against the continual lowering of the number of things required to qualify a dog for the degrees we already have.

This easing up on general obedience has been brought forcibly to our attention during the past few weeks, here at Edlyn, for we have been asked to supply a number of dogs for guard work. As it was not possible to fill this order from our own stock, we have examined numerous dogs the owners believed to be suitable for this type of work. A fair number of the dogs examined allegedly had been trained in Obedience, yet not one of them was under control to the extent that the owner could remove the leash when the dog was taken off the home property.

Surely it goes without question that to obtain the respect of the general public for Obedience we must do more than have our dogs go through certain motions in a ring; they very definitely must be well-behaved everywhere. If, for instance, it is not possible to walk across country and let the dog run free, in full confidence that he will come back when ordered, how can we claim that he is obedient? Is anyone going

Dear Sir:

ZEV has kept my kennel safe for the past five years. My American Cocker Spaniels are always in top condition and no sick dogs.

I always get a gallon, all good kennels should not be without it.

I give ZEV as it comes from the bottle in the morning feeding and all puppies at 4 weeks.

Had a female I bought with tape, gave her ZEV for 10 days — soon no worms.

HUMANELY "SPEAKING"

Who breeds unwanted dogs? The General Manager of the Ontario Humane queries

Are the breeders of purebred dogs contributing to the ever-growing number of dogs that are not really wanted; that are, in fact, in excess of the number of dogs that the public really want and are willing to provide a good home for? I feel that the majority of responsible breeders only breed the number of litters that they know they can dispose of by normal methods, based on their experience in their breed. In other words they know what the market will stand and what the demand is. But I am certain that some breeders are breeding simply for the sake of breeding. The puppies that result are offered to the general public with an almost desperate hope that someone will buy them. However many puppies are not sold but are almost given away, in the end. This applies particularly to certain breeds; breeds that are 'common' because they were too easy to breed in the first place. I believe these breeders must accept some of the responsibility for the large number of unwanted dogs that invariably end up in a public pound and make up a large part of the unbelievable number of dogs that have to be killed each year.

I know that the pet store, the market place and the dealer all play a part in making a supply of dogs of all sizes and varieties easily and cheaply available to the public. I also know very well that most animal shelters do exactly the same thing for a different reason. I have criticized all these people for a long time for their short-sighted attitude. The "vicious" circle has to begin somewhere and few people breed cross bred dogs for profit these days. They may deal in the puppies but they don't keep a female for breeding purposes. I suppose much of indiscriminate breeding is the result of females running at large and the mating that almost inevitably results. The owner of a female that is mated in this way will rarely do the right thing and have the puppies put to sleep at birth; or better still, have the female injected by a vet to prevent the puppies ever being born. If a person doesn't care enough to prevent a female in season from running at large, it is highly doubtful if they will care enough to have veterinary treatment for their "pet".

But I wonder how many of these unfortunate dogs are themselves purebred? I wouldn't be surprised if many of them weren't female puppies sold off cheaply, or even given away, by breeders who simply couldn't sell them at the proper price to a person who was really interested in dogs as more than an animated toy for the kids; a toy that would soon lose its attraction and end up as nothing more than another "chore" for the housewife of the family to look after. And let's face it, that is exactly the average dog's position in life.

Perhaps the remarkably large number of "cross-breds" that are around lends some weight to the argument. The common description of the "mutt" was "a Heinz" or "57 varieties". But today many of the so called "mutts" are quite obviously easily recognizable as very close to one breed or another.

I suppose the one breed, more than any other that one associates with the cross-bred is, unfortunately, the Labrador. The breed pays a price for its lovely temperament, its reputation for being an ideal child's pet, it's well-known protectiveness and it's intense desire to be a part of the family. All these attributes are fine when they are utilized properly by the responsible owner; when they play a part in the training of the dog to be a companion and working dog. What a tragedy that these very same virtues should condemn the Lab to being the "Fanny Hill" of the dog world. The fact that the average Labrador will always throw large litters and, what's more important, rear them successfully, all adds up to more and more half-bred puppies running around on the "vicious circle" . . .

The same argument applies to other breeds. Collies at one time were the favourite target of the "impulse" buyer. And they suffered accordingly. And still do in the country districts. And it's a good job that Beagles don't stand any taller in the saddle. If they were six inches taller they would be prime favourites to give the "circle" a push round.

But you don't see many cross-bred Poodles, Boxers, Pinschers etc.

The breeders of *all* dogs have a very great responsibility to only breed those puppies that they can place in decent homes at the proper price. The curse of the dog world is the "cut-price pup".

Perhaps the present method of selling pups is old fashioned. After all, you would never try to run any other business in the way many kennels try to conduct their affairs. A large store would never dream of buying a large stock of some fancy imported item without having a pretty good idea of the demand. Perhaps the answer then is for kennels to try to determine, *in advance*, what the demand is going to be for any particular litter. Perhaps litters should only be bred to "order". Why not propose a paper marriage between two dogs; illustrate the offer with photos of the sire and the dam; produce their lines for two or three generations and then sell the

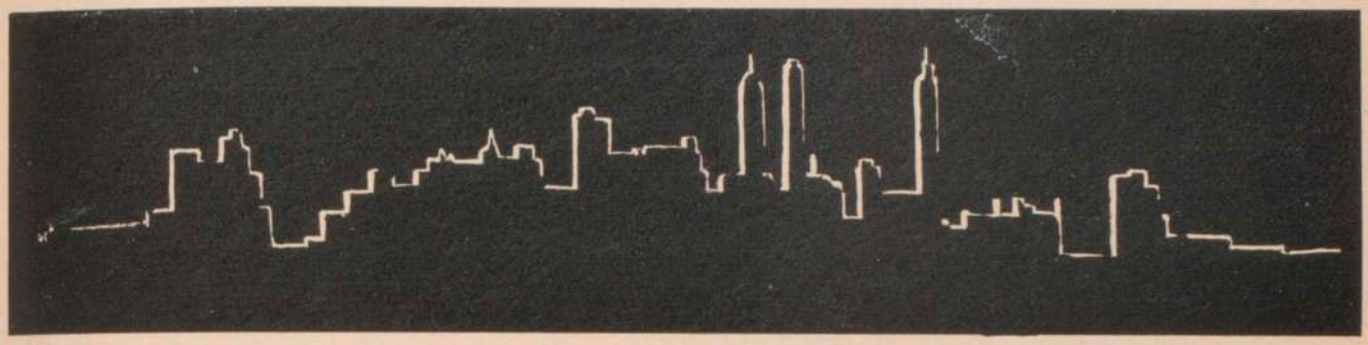
WESTMINSTER '64

by Evelyn McCullough



The Westminster weekend is a wonderfully exciting one, starting Saturday night with the Ken-L Ration Awards dinner, through Sunday's many Specialty shows, the Dog Writers' Association dinner, the Bermuda "Nite-Cap", Gaines Breakfast, two competitive days, and then the ne plus ultra of dogdom, Best in Show Tuesday night.

•

This 88th Annual Dog Show of the Westminster Kennel Club, held February 10 and 11 in Madison Square Gardens, New York, had an entry of 2,547 dogs from 45 States, the District of Columbia, Peurto Rico, Canada, Bermuda, Chile and Mexico. Only Alaska, North and South Dakota, Oregon and Wyoming were not represented. Canadian entries were down this year, only about 35 dogs representing the Dominion.

•

T.V. coverage was excellent and extensive so few will have missed seeing the final night of the two-day spectacle, but only by attending is it possible to share the excitement and anticipation of the show where wins carry such significance and one can meet almost anyone in the world of dogs.

•

From the six finalists for Best in Show – a beautiful Pointer, an elegant Whippet, a trim Boxer, a lively Sealyham, a Maltese gliding like a mechanical toy, and an aristocratic Miniature Poodle, each and every one in perfect condition and beautifully presented – Judge Len Carey finally gave the nod to the Whippet, Ch. Courtenay Fleetfoot of Pennyworth, the first time this breed has captured a Best in Show at the Gardens. An English import, owned by Pennyworth Kennels, and so beautifully handled by Bob Forsyth, he was truly poetry in motion.

All six dogs had to beat strong competition to win their Groups and the Boxer and Miniature Poodle seemed to have tired by the time the big moment rolled around, not showing the spark so apparent in the others. The Maltese was a great favorite, handled by a 16-year-old girl (the only non-pro in the ring) and the Sealyham and his handler, who somehow looked alike, were also crowd-pleasers.

Best Brace in Show went to two beautiful white Miniature Poodles, a perfect example of teamwork and co-ordination, even to the angle of the tails when making their turns. Closest contender was the brace of German Shepherds, also near perfection in the ring.

EN PASSANT

Joan Schelke's Ch. Wycliffe Virgil, Best of Breed in Standard Poodles, was bred by Jean M. Lyle of Vancouver.

The Group-winning Sealyham, an English import, reportedly was Dog of the Year in England in 1963.

Great excitement at the Miniature Poodle ring, with the judge undecided between Pixiecroft Sunbeam (who came up from the classes to BB last year) and Ch. Tedwin's Top Billing – the nod finally going to Top Billing.

An upset also in Toy Poodles, Ch. Carlima's J. D. beating the favorite, Ch. Jonedith's Mary Christmas.

In Dobes, the Frampton's Ch. Jem's Amythest v Warlock following in the footsteps of her illustrious sire, Ch. Borong the Warlock, CD.

Bob Forsyth mentioning the possibility of the beautiful Whippet appearing at some Canadian shows – a treat in store for all of us.

The popular Greyhound, Ch. Rudel's Firefly (winner of 8 BIS) injuring a pad just before the Group judging, but after a check-up by the vet still going on to place second, limp and all.

Anne Hone Rogers handling an irascible Bullmastiff expertly enough to place 4th in Group.

Col. McQuoy's Irish Wolfhounds lying serene and placid, the only truly relaxed corner in the whole hectic benching section.

The spectator overheard wondering if she should stay and watch the dogs or go home and watch the Beetles!

The Gaines Beakfast, and the Fido awards, with two people well-known to Canadians being honoured. Mrs. Groverman Ellis was named Dog Woman of the Year for the second time, in recognition of her many efforts on behalf of dogs and dog shows, particularly the Chicago International, while Jane Kamp was named Handler of the year, also for a second time, saluting her ability, sportsmanship, and appearance and demeanour at all times. To commemorate the 20th anniversary of Gaines Dog Research Center, everyone present received a souvenir copy of Director Harry Miller's book on Puppy and Dog Care.

The Bermuda Nite-Cap, an annual event designed to interest breeders in exhibiting at the Spring and Fall shows, attracted Canadians en masse where they were greeted by Lady Conyer and other members of the Bermuda Kennel Club. Movies of the past shows were run, along with an excellent film on the beauties of the Island, and gay camaraderie and the cup that cheers combined to make this one of the most pleasant and relaxing moments of the whole show.

The cab driver's remark to the lady he has almost run down – "Either get off the curb, Madam, or get a dog."

As seen in the results below, Betty Hyslop walked away with most of the honors in Cairns, her Best of Breed winner coming up from the Bred by Exhibitor class to top a large Specialty entry. The McNally's homebred Schipperke also chalked up a fine win, going from the Open class to B. of B. over three Specials.

Winners of the annual Ken-L Ration awards for performance during 1963 — l. to r. — Miss Hermione Gingold actress and featured speaker; David Upright of Hollywood, Calif., who accepted for Pacific Coast winner, the Miniature Poodle, Ch. Tedwin's Top Billing, owned by the estate of Col. Ernest Ferguson; Walter F. Goodman, New York, whose Skye Terrier, Ch. Jacinthe de Ricelaine, earned him the owner-handler award for the second straight year; Mrs. Donald F. Smith, Columbus, Ohio, whose Ch. Treceder's Painted Lady, Boxer, won the Midwest crown; Jack Rementer of Skippack, Pa., who accepted the Eastern award for W. Enos Phillips of Cataumet, Mass. for Ch. Maryjay's Majesty, Pointer; Mr. and Mrs. Robert L. Wiel of San Francisco, Calif., whose Lakeland Terrier, Ch. Kerryall's Captain Kidd tied for Pacific Coast honors; Mrs. Robert F. Tranchin of Dallas, Texas, whose Miniature Poodle, Ch. Montmartre Maria Nina, captured the Southern award.

Many breeds entered at the Garden are not often seen at our shows. In the Sporting Group there was a large entry of German Wirehaired Pointers, some Flat Coated Retrievers, Irish Water Spaniels and an interesting Welsh Springer Spaniel. The Hound group had a large entry of Greyhounds and some very good Harriers. Entries in the Working Group were much the same as here, with possibly a few more Cardigan Welsh Corgis. (A pair of tri-coloured ones made a most effective brace). In Terriers there were many Norwich and Lakelands entered, while the Toy Group had three Affenpinschers and some lovely Silky Terriers, one of which placed 4th in the Group — a real boost for a breed that has been recognized by the AKC for so short a time.

●

A few Canadians were entered in some of the Specialty Shows held the Sunday before Westminster, the largest of which was the *Associated Terrier Club's 47th Show.*

In Australian Terriers, Mr. R. P. Henderson's Seven Oaks Tuckerbox took 2nd in Open dogs, and his Koriella's Sheila was 3rd in Open Bitches.

In Kerrys, Rollicking Regardez-Moi, owned by Miss L. A. Langley, was 1st in Bred by Exhibitor class.

The Miniature Schnauzer ring was crowded throughout the judging, with Mrs. Sue Hendrick's Orlong's Lisa Lo coming up from the classes to take the breed — a very popular win.

There was much favourable comment on Mrs. Daniell-Jenkins' capable judging of the large entry of Westies. Her choice for BB was Whitebriar Journeyman, jointly owned by Mrs. Sally Hudson of Vancouver and Mrs. Barbara Sayres.

The Wire Fox Terrier ring was a breeder's dream when 17 Specials entered to compete with the Best of Winners. What a challenge to pick one dog from so many — all in top-notch condition and groomed to perfection. One of the Specials, Ch. Castlegard Chic, was reported to have won the previous Monday at Crufts. The decision could have gone any number of ways but finally Wm. Myers Jones' beautiful female, Falstaff Lady Fayre, walked away with the BB ribbon.

At the *Bulldog Club of America Specialty* also held on Sunday, Best of Breed went to Mr. and Mrs. Goss' Ch. Lakeland Invicta. Due to unforeseen circumstances they were forced to cut short their trip and were unable to show the next day.

KEN-L RATION AWARDS

America's champion show dogs were rewarded for showmanship and excellence at the ninth annual Ken-L Ration awards dinner staged at the Astor Hotel, Feb. 8. Presenting highly-coveted trophies to the owners and handlers of 1963's prize canines was the celebrated

actress, Hermione Gingold, who likened the event to the Academy Awards of motion pictures.

"As the Academy Awards represent talent brought out by directors, the Ken-L Ration Awards represent talent brought out by owners and handlers," Miss Gingold said in making the comparison. "Show dogs and movie stars are not simply born", she continued, "but, rather, they are the end result of hard work and financial backing on the part of others."

Representing four geographical sections of the country – East, South, Midwest and Pacific Coast – five champion dogs qualified for the awards by earning the most "Best-in-Group wins at dog shows throughout the United States in 1963".

•

Number one among all show dogs honoured was Ch. Treceder's Painted Lady, a Boxer owned by Mr. and Mrs. Donald F. Smith of Columbus, Ohio. Under the handling of Joe Gregory of Louisville, Ky., Painted Lady captured 60 Group victories for the season, enough to earn the title "best show dog in the nation" as well as the Midwest award.

Representing the East was Ch. Maryjay's Majesty, a Pointer owned by W. Enos Phillips of Harbor Hill, Cataumet, Mass. Handled by Charley Meyer of Dunellen, N.J., the Pointer earned a total of 41 Group wins for 1963.

The Pacific Coast title was shared by Ch. Tedwin's Top Billing, a Miniature Poodle owned by the estate of Col. Ernest E. Ferguson, Hollywood, Calif., and Ch. Kerryall's Captain Kidd, a Lakeland Terrier owned by Mr. and Mrs. Robert L. Wiel of San Francisco, Calif. Handled by Frank T. Sabella of Granada Hills, Calif., Tedwin's Top Billing was named Best-in-Group at 37 shows in 1963. George Ward of Constantine, Mich., handled Kerryall's Captain Kidd to the same number of wins for the season.

Winning the Southern award was Ch. (Eng. Am.) Montmartre Maria Nina, a Miniature Poodle owned by Mrs. Robert Tranchin of Dallas, Tex. Handled by Miss Maxine Beam of Fort Worth, Tex., Maria Nina earned 20 Group firsts for the year.

Walter F. Goodman of New York City was awarded the coveted Ken-L Ration owner-handler award for the second consecutive year. His Skye Terrier, Ch. Jacinthe de Ricelaine, was named Best-in-Group at 36 shows during the season, a total higher than that of any other show dog owned and handled by the same person.

•

Highlight of the evening was Hermione Gingold relating anecdotes of dogs famous and infamous – one of which goes as follows: When Napoleon married Josephine she had a dog of which she was very fond and which she refused to dislodge from her bed, even on her wedding night. Undaunted, Napoleon climbed in, and was immediately bitten. "This must have been the origin of the saying 'not now, Josephine'," concluded Miss Gingold dryly.

What a pleasure to listen to this talented lady who held the audience enthralled and at the completion of her talk received a standing ovation.

The annual Dog Writers Association of America awards dinner, Sunday evening, Februrary 9, was held at the Hotel Statler Hilton, New York. Mrs. Agnes Wagner introduced Dr. Clarence C. Adrenal hyperfunction (overactivity) in a 3 yr. old Dachshund. There is loss of hair on the head, ears, throat, and lower back as well as on the feet. The dog is pot-bellied. Other clinical signs were present.

Hypothyroidism (reduced activity) in a Welsh Terrier female. In this case, the loss of hair on the side and over the hip is evident; this was present on both sides. The hair that remains in these areas is fine-textured. The dog also became overweight.

Demodectic mange in a 2½ year male Pug. This is a long-standing case (1½ years) and shows the loss of hair and the black pigmentation of the skin.

Skin Diseases

BY P. W. PENNOCK, D.V.M.

A distressing problem that sooner or later plagues breeders is discussed by Dr. Pennock of the O.V.C.

Skin diseases of dogs are a source of annoyance both to the owner and to the dog. To the veterinarian, they are a frustrating group of diseases to treat, because in so many cases the cause is obscure or not known.

Skin diseases are more of a problem in the summer; such conditions as eczema and "hot spots" are much more prevalent in the summer than in the winter. The specific cause of each of these is not known but, as with many other skin diseases, is probably a combination of factors. Such things as heat, dirt, moisture, any irritating substance, mechanical irritation, allergy and nutrition have been given as the cause of eczema.

The first four causes may be aided by an especially long hair coat. Once the lesion starts, it may spread rapidly. In long-haired dogs, the lesion may go unnoticed for some time, especially if the dog is not observed scratching or chewing.

In some cases, summer skin conditions are thought to be related to the activity of the thyroid gland, which appears to be reduced in the summer. This in turn slows down general body metabolism which may make the animal in general, and the skin in particular, more sensitive to irritating agents.

Abnormalities in function of other internal organs, especially glandular organs, will produce skin changes. Such glands are the pituitary, adrenal, ovary, and testicle. Either over-activity or reduced activity is likely to produce a change in the skin, as well as other clinical signs. Tumors of any of these glands will upset their normal function. Tumors are usually confined to older animals, though this is not a hard and fast rule. In cases of skin disease due to glandular upsets, treatment may or may not be successful, depending on the duration of the condition and the severity of other signs. In the case of tumors, some are operable, some are not.

Fleas are being incriminated more frequently as a cause of skin disease. There is no doubt that they are detrimental in that they suck blood. Because they must pierce the skin to get blood, they produce an irritation. A number of authorities believe that fleas are the cause of an allergic

INTERNAL AND ADMINISTRATION

9 A 81. REFERENDUM BALLOTS

REPORT: The Secretary:
(1) pointed out that at the meeting of the Board held on January 4th Mr. Monaghan had challenged the constitutional validity of the special referendum ballot conducted during November and December, 1963, and at that meeting had given notice of intention to move two motions (set out on page 11 of the minutes of that meeting) at this annual meeting of the Board;
(2) pointed out that Mr. Monaghan had agreed that, upon his return to Ottawa following the meeting, he would communicate with the Secretary, setting forth in writing all those points on which he based his challenge, and this Mr. Monaghan had done in a letter which he had addressed to the Secretary on January 6th;
(3) reported that he had written the Club's solicitor on January 31st, providing the Club's solicitor with all of the material which he felt would be of assistance to him in reaching an opinion as to the constitutional validity of the 1963 referendum ballot;
(4) read a letter (dated February 20th) from the Club's solicitor, reading as follows:

"This will acknowledge your letter of January 31st enclosing material to be considered in connection with the validity of the 1963 referendum ballot in the light of the notices of motion submitted by Mr. Monaghan and his explanatory letter of January 6th last.

"I have examined all this material in detail and have carefully considered the various issues that have been raised by Mr. Monaghan. I have come to the conclusions that the amendments passed by the vote in 1963 are valid and that what was done was not unlawful nor unconstitutional.

"It seems to me to be clear, reading the whole record, that what the Board did on a series of occasions in 1963 was to order that a special referendum ballot should be held at the same time as the ordinary ballot would be held in that year. It so happens that in fact no ordinary ballot was held in that year but the intention of the Board seems to me to be perfectly clear throughout all the proceedings. I think it would have been proper if the Board, at some stage, had passed a resolution ordering that a special referendum ballot be conducted in 1963 at the same time as the election of directors, but even if it had been done so it might still have been argued that there was in fact no referendum ballot. I therefore think that in order to make assurance doubly sure the Board should act under Section 2 of Article XXXVII as amended and should pass a resolution to the following effect:

That the Board agrees that the interpretation of the words 'concurrent with the next following referendum ballot' in the last paragraph of Section 17 of Article XXXVIII is 'at the next following time for a referendum ballot under Article XXXVIII namely at the same time as the ballots for the election of officers and Directors whether in fact a regular referendum ballot is held or not at that time.

"I respectfully suggest that the Board therefore should pass a resolution embodying such an interpretation and should vote against Mr. Monaghan's motions.

"I wish to emphasize that I am of opinion that the special referendum ballot in 1963 was lawful but I think it prudent to meet Mr. Monaghan's objections in the way I have suggested.

"In my view the efforts of all concerned should be at all times to maintain the regularity of the Club's proceedings. It is certainly proper for Mr. Monaghan to raise any objections he wishes and it would be improper for the affairs of the Club to be conducted unlawfully. At the same time it is the duty of all to maintain the regularity of the proceedings if that can be done. Here I believe on a detailed examination of the proceedings they will be found to be regular but, in any event, the interpretation I have suggested should lay any doubt at rest.

"With regard to the collateral matters that are raised, it seems to me in the light of the interpretation, if it be adopted, that it is clear beyond question that the special referendum ballot in 1963 was a ballot ordered by the board under the last paragraph of Section 17. This means that the provisions of Sections 12 to 16 do apply. Thus it was proper to send the ballots only to members in good standing at June 30th, to distribute the ballots at the same time as the ballots for the elections and to carry on the procedure generally in the way that it was done. The amendments to the by-laws will only become effective on the Minister's approval and the other amendments became effective on January 1st, 1964 in accordance with sub-section 2 of Section 1 of Article XXXVIII.

"I should say that we should be grateful to Mr. Monaghan for having brought this matter to attention because it illustrates that in future it would be prudent for the Board to pass a resolution substantially under the terms of the last paragraph of Section 17 of Article XXXVIII. In my opinion however, the resolutions that were passed are under that paragraph."

(5) pointed out that at the commencement of this meeting he had made available to each member of the Board a copy of the following:
(a) Mr. Monaghan's letter of January 6th;
(b) the Secretary's letter to the Club's solicitor dated January 31st, with which was included "Secretary's Notes" in connection with his letter to Mr. Wright dated January 31st;
(c) the Club's solicitor's reply dated February 20th;
(d) a letter dated January 21st received from Mrs. M. Bowden and a letter dated January 26th received from Mrs. M.E. Robertson regarding the definition of the Canadian-bred Class, as included in proposed amendment #13 in the 1963 referendum ballot.

DISCUSSION: Mr. Monaghan:
(1) pointed out that on page 11 of the minutes of the meeting of the Board held on January 4th there are set forth two motions of which he gave notice of intention to move at this meeting of the Board;
(2) stated that on January 6th he had addressed a letter to the Secretary setting forth the points on which he based his challenge of the constitutional validity of the 1963 referendum ballot;
(3) stated that, in his opinion, certain requirements of the By-laws

were not carried out in respect of the 1963 referendum ballot, and that if there is one omission or one failure to meet the requirements "the whole project is invalid";

(4) expressed the opinion that there were seven failures to meet requirements;

(5) stated that "there is no provision in our By-laws or in the Live Stock Pedigree Act to permit this Board to make retroactive legislation; and having been apprised that there was an omission or failure, there is no provision in our By-laws or the Act to cover up that failure as there is no provision for retroactive legislation";

(6) stated "this is trying to cover up an omission by last year's Board and I submit that we cannot and we must not condone or be a party to retroactive legislation";

(7) stated that if he was not correct in his contention there would not be any necessity for the Club's solicitor to suggest the resolution proposed by the Club's solicitor; and "it admits I am right".

Mr. Frost expressed the opinion that the Board had acted in good faith in placing proposed amendments before the voting members of the Club and stated that he felt the Board was arguing "a technical point".

Mr. Anderson stated that, regardless of whether or not the Board adopted the resolution suggested by the Club's solicitor, the Club's solicitor had expressed the opinion that the 1963 referendum ballot was lawful.

MOTION #31-64

Moved by Mr. Monaghan

"THAT, the Special Referendum Ballot conducted during November and December 1963 be and is hereby declared a nullity on the grounds that all formalities and requirements under the Club's By-laws have not been complied with."

(NOTE: The motion failed for want of a seconder.)

MOTION #32-64

Moved by Mr. Monaghan

"THAT, motions 249-63, 250-63, 246-63, 247-63, 252-63, 245-63, 253-63, 336-63, 248-63, 370-63, 344-63, 356-63, 19-63, 350-63, 352-63, 387-63, 317-63, 327-63, 335-63, 321-63, 348-63, 251-63, relating to Proposed Amendments No. 1 to No. 29, and either directing or authorizing that a proposed amendment or the proposed amendment or this proposed amendment or proposed amendments be included or directing or authorizing the Secretary to include or directing he be instructed to include proposed amendments in the next referendum ballot be and are hereby declared nullities on the grounds that at the time they were passed there was no 'next referendum ballot' legally in existence or being processed".

(NOTE: The motion failed for want of a seconder.)

MOTION #33-64

Moved by Mr. Anderson, seconded by Mr. Dawson:

"THAT, the Board agrees that the interpretation of the words 'concurrent with the next following referendum ballot' in the last paragraph of Section 17 of Article XXXVIII is 'at the next following time for a referendum ballot when Article XXXVIII, namely at the same time as the ballots for the election of officers and Directors whether in fact a regular referendum ballot is held or not at that time."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Duff, Mr. Frost, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.

AGAINST THE MOTION: Mr. Monaghan.

Motion carried.

DISCUSSION: Mr. Dawson suggested that resolution #33-64 be included in the Book of Standing Resolutions.

During a discussion which followed it was suggested that rather than consider the resolution as a standing resolution, the resolution should be adopted by the Board if as and when it decides to include any proposed amendments in a special referendum ballot.

MOTION #34-64

Moved by Mr. Dawson, seconded by Mr. Mehlenbacher:

"THAT, motion #33-64 be included in the Book of Standing Resolutions."

FOR THE MOTION: Mr. Wells, Mr. Dawson, Mr. Mehlenbacher.

AGAINST THE MOTION: Mr. Anderson, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Duff, Mr. Frost, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Monaghan.

Motion lost.

9 A 108. APPOINTMENTS FOR 1964

SUBJECT: The Secretary pointed out that it is customary for the Board at its session prior to the Annual General Meeting to decide whether it has any recommendations to place before the Annual General Meeting regarding the appointment of the Club's representatives to the Canadian National Live Stock Record Board.

DISCUSSION: During a brief discussion which followed it was suggested that the matter be held over until later in the session in order that the Secretary could report on the Club's appointments to that Board during the past several years.

MOTION #35-64

Moved by Mr. Monaghan, seconded by Mr. Little:

"THAT, this be deferred until approximately 3:00 p.m. this afternoon."

Motion carried unanimously.

Moved by Mrs. Joel, seconded by Mr. Anderson:

"THAT, this be referred to the Annual General Meeting."

Motion carried unanimously.

FINANCIAL MATTERS

5 F 2. APEX PUBLISHERS AND PUBLICITY LTD.

SUBJECT: The Secretary:

(1) read a letter dated February 8th as addressed to the Board of Directors by Mr. E. B. Reid, in which Mr. Reid expressed amazement at the Board's reaction to his remarks in "The Old Timer" column dealing with 1963 proposed amendments, and with which he enclosed copy of a letter (also read by the Secretary) dated February 8th as addressed to Miss Dunn and Miss Peer of "Dogs in Canada", in which he announced that he was no longer contributing "The Old Timer" column to the magazine;

(2) reported that Miss Dunn had advised him that she would appreciate the Board's opinion or advice as to whether Mr. Reid's letter to them should be published in "Dogs in Canada".

DISCUSSION: During a discussion which followed:

(1) the Board noted that in the concluding paragraph of his letter to the Board, Mr. Reid had requested that a copy of his letter be included in the minutes of the Annual General Meeting;

(2) Mr. Brown stated that while Mr. Reid has a right to express his opinions, whether he should be allowed to do so in the columns of the Club's official magazine is quite another matter and that if opinions about the Club's business are to be published in the official magazine then other members of the Club would have the right to expect that their views on such subjects would be published;

(3) Mrs. Mack stated that Mr. Reid's request should be complied with only if he provides an explanation as to how he came into possession of information that the legality of the 1963 referendum ballot had been challenged, as the minutes of the meeting of January 4th had not yet been published.

MOTION #37-64

Moved by Mr. Mehlenbacher, seconded by Mr. Frost:

"THAT, we have no objection to their publishing Mr. Reid's letter to them dated February 8, 1964."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Duff, Mr. Frost, Mrs. Joel, Mr. Little, Mr. McDerment, Mr. Mehlenbacher, Mr. Monaghan.

Motion carried.

MOTION #38-64

Moved by Mr. Monaghan, seconded by Mr. Duff:

FOR THE MOTION: Mr. Brown, Mr. Duff, Mr. Little, Mr. Monaghan.

AGAINST THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Dawson, Mrs. Joel, Mrs. Mack, Mr. McDerment.

ABSTAINED: Mr. Frost, Mr. Mehlenbacher.

Motion lost.

-----Luncheon recess.

MEMBERSHIP MATTERS

10 MM 2. APPLICATIONS FOR MEMBERSHIP

REPORT: The Secretary:

(1) reported that each member of the Board had been provided, on lists #1 to #9 inclusive, with the names of applicants for membership;

(2) reported that information received from "Dogs in Canada" indicated that Mr. Henry McNamara (on list #2) had an overdue account for advertising in the official magazine;

(3) stated that it is customary for the Board at its session before the Annual General Meeting to deal with applications for membership in order that applicants approved may properly attend the Annual General Meeting.

MOTION #39-64

Moved by Mr. Anderson, seconded by Mr. McDerment:

"THAT, with the exception of the application of Mr. Henry McNamara (list #2), applicants for membership reported on lists #1 to #9 inclusive be admitted to membership."

Motion carried unanimously.

FINANCIAL MATTERS

5 F 38. FINANCIAL STATEMENTS FOR 1963

SUBJECT: The Secretary placed before the Board the financial statements as received from the Club's auditors, for the fiscal year ending December 31, 1963, and stated that he would endeavour to answer any questions relating thereto from members of the Board.

MOTION #40-64

Moved by Mr. Mehlenbacher, seconded by Mrs. Mack:

"THAT, the financial statements for 1963 be received."

Motion carried unanimously.

DISCUSSION: During a discussion which followed, Mr. Monaghan stated:

(1) that he had noted that the Board had directed that the allocation of revenue and expenses to the "Shows and Trials Section" in the annual financial statements, be discontinued and stated that he had hoped that this segregation would have been continued;

(2) that he had noted that the ratio of dogs individually registered to litters registered in 1950 was 2.24 dogs, and that this had increased to 3.23 in 1963;

(3) his regret that the Board had seen fit to include members of the Board in Ontario with members of the Board outside Ontario allowed the annual expense allowance of $100.00, and that he was not in agreement with the annual expense allowance of $100.00 to each Council Chairman;

(4) that with increasing salary costs at the Live Stock Records office, the Board should give consideration to the financing of the Club's operations during the next four or five years.

The Secretary stated that in 1963 the Board had decided to discontinue the "Shows and Trials Section" in the annual financial statements on the grounds that as it is not possible to fully fix revenue derived (either directly or indirectly) from shows and trials nor to fully fix the Club's expenditures for its activities in connection with shows and trials, and to continue the "Shows and Trials Section" in the statements would be misleading to members of the Club.

MOTION #41-64
Moved by Mr. Anderson, seconded by Mr. Little:
"THAT, the financial statements for 1963 be referred to the Annaul General Meeting."
Motion carried unanimously.

5 F 3. CANADIAN NATIONAL LIVE STOCK RECORDS

REPORT: The Secretary placed before the Board the 1964 budget, as prepared by the Live Stock Records Committee, for the Live Stock Records office, the budget indicating that the Club's monthly levy payment to the Live Stock Records had been set at $5,575.00.

INTERNAL AND ADMINISTRATION

9 A 108. APPOINTMENTS FOR 1964

REPORT: The Secretary reported that a review of the minutes of the Annual General Meeting held in 1960 indicated that at that meeting the members, by resolution, had decided that:
(a) the President and Secretary, by virtue of their respective offices, should be two of the Club's five representatives on the Canadian National Live Stock Record Board; and
(b) Mr. J. W. MacCallum, Mr. R. L. Blyth, and Mr. Wm. McDerment would serve as representatives of the Club on that Board for periods of five years, four years and three years respectively.

DISCUSSION: During a discussion which followed it was agreed that:
(1) the President and Secretary, by virtue of their offices, should be two of the Club's five representatives on the Live Stock Record Board;
(2) Mr. MacCallum had one more year to serve (having regard for the resolution adopted at the Annual General Meeting in 1960);
(3) the Board would place before the Annual General Meeting on February 22nd its recommendations with regard to the additional two representatives required to complete the roster of five representatives to which the Club is entitled.

MOTION #42-64
Moved by Mr. Monaghan, seconded by Mr. Little:
"THAT, it be recommended tothe Annual General Meeting that the two vacancies to be filled be elected for a five year term and a four year term respectively."
FOR THE MOTION: Mr. Anderson, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mr. McDerment, Mr. Mehlenbacher, Mr. Monaghan.
AGAINST THE MOTION: Mr. Wells.
ABSTAINED: Mr. Frost.
ABSENT: Mrs. Mack.
Motion carried.

DISCUSSION: The President called for nominations in connection with the Board's recommendations to the Annual General Meeting with regard to the election of two additional representatives to the Canadian National Live Stock Record Board.

Mr. George Mehlenbacher and Mr. R. L. Blyth were nominated. There being no other nominations, the President ruled, and it was agreed, that the Secretary would report that it was the recommendation of the Board that Mr. Mehlenbacher and Mr. Blyth be elected as the Club's representatives to the Canadian National Live Stock Record Board.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 27. REGISTRATION OF DACHSHUNDS

REPORT: The Secretary:
(1) pointed out that when the Board had directed that proposed amendment #10 be included in the 1963 referendum ballot, it had authorized the Registration Committee to "consult Dachshund breeders for possible alterations in our present policies regarding the registration and showing of Dachshunds" (motion #266-63);
(2) in November the Registration Committee had addressed a memorandum to some 250 breeders of Dachshunds seeking their reaction to proposals outlined in the memorandum, and the replies thereto had been considered by the Committee at a special meeting in January;
(3) the Committee had instructed the Secretary to secure the opinion of the Chairman (the President) of the Registration Committee with regard to the text of a report to be placed before the annual meeting of the Board of Directors, and at a later meeting of the Committee held on February 13th, the Committee had decided to place the following report before the Board:

"Pursuant to the provisions of motion #266-63 adopted at the semi-annual meeting of the Board held last August, the Registration Committee has sought to secure the reaction of Dachshund breeders and exhibitors to proposals which it felt might resolve some of the problems prompting criticisms and complaints heard by some members of the Board. On November 14, 1963 a memorandum (and questionnaire) over the signature of the Chairman of the Registration Committee, was mailed to about 250 persons who had registered one or more litters of Dachshunds during the years 1961-1962.

"The Committee is greatly disappointed that the great majority of those to whom the memorandum was addressed have not responded; in point of fact, less than 20% have given the Committee the benefit of their views on proposals communicated to them.

"It would be possible for this Committee to furnish the Board with a long, detailed analysis of every response. This we feel would serve no useful purpose for it appears clear to the Committee that the majority opinion of those who responded to the memorandum do not, in the judgment of this Committee, desire any change in our present requirements and procedures with regard to the registration and exhibition of Dachshunds.

"In these circumstances the Committee can only recommend that if Ministerial approval is granted the proposed amendment relating to Dachshunds that the Board proceed to write regulations which would, in effect, maintain the status quo, i.e. the present requirements as set out in the By-laws, plus the special regulations approved by the Board, as at present found in the standing resolutions.

"While the Committee has recommended that the Board draft regulations maintaining the status quo, it would respectfully point out the inconsistency of our policy which results in our refusal to register certain Dachshunds imported from Germany or Great Britain on the grounds of cross breeding, either by coat or size, when in the case of American-owned stud dogs or American-bred Dachshunds imported to Canada there is no authoritative information available which would prove beyond doubt that all dogs within the three-generation pedigree are of the same coat and size classification as the dog being registered. This requirement causes considerable correspondence and delay so far as it concerns the Records Office and those who import American-bred dogs to Canada. The Committee therefore recommends that the Board give serious consideration to amending the policy to provide that an imported dog or an American-owned Dachshund will be registered according to its actual coat and size classification. If the Board does not see its way clear to carry out this recommendation, the Committee feels that the Board has no alternative but to prohibit the registration of any American-owned Dachshund or the registration of any Dachshund imported to Canada from the United States, or the progeny of any American-owned stud dogs."

(4) pointed out that each member of the Board had been provided with a copy of a letter (dated February 14th) as received from Mrs. Sarah Diamond, with which letter Mrs. Diamond had enclosed a number of letters signed by persons claiming to be breeders and owners of Miniature Dachshunds, such persons stating that it was their wish that the Miniature Dachshund remain separate for registration and show purposes and that they wished "to retain the title 'Miniature' on certificates of registration".

DISCUSSION: During a discussion which followed:
(1) Mrs. Anderson suggested that the Board should carefully examine the list of those claiming to be breeders of Miniature Dachshunds before assuming that all who claim to be such are in fact breeders of Miniature Dachshunds; and stated that her discussions with some breeders of Miniature Dachshunds led her to believe that not all breeders of Miniature Dachshunds are opposed to interbreeding;
(2) Mrs. Mack read from an article published in the "American Dachshund" in which the author of the article stated "I do not believe there is much cross-breeding in England", the author going on to state that the Smooth-Wire cross should be undertaken with a great deal of caution;
(3) Mr. Wells inquired what action the Club is taking to ensure that all Dachshunds registered as Miniatures meet the requirements of the standard as far as weight is concerned, and pointed out that as the present registration requirements apply, the Club is forcing some breeders of Dachshunds to register dogs as Miniatures when in fact such dogs are not Miniatures according to the breed standard;
(4) Mr. Monaghan suggested that the Registration Committee's report be read at the Annual General Meeting, and depending upon what develops in discussion on the question at the Annual General Meeting, the Board later at this meeting decide what action it will take on the Committee's report;
(5) Mr. Frost suggested that if the report is read at the Annual General Meeting the Board should be in a position to advise members attending the Annual General Meeting of the course of action it believes should be taken.

MOTION #43-64
Moved by Mr. Monaghan, seconded by Mr. Little:
"THAT, the Registration Committee's report be read at the Annual General Meeting to-morrow."
Motion carried unanimously.

7 R 10. BREED STANDARDS

REPORT: The Secretary reported that every member of the Board had been provided with a copy of a report (dated November 26th) submitted by the Breed Standards Committee, composed of Mrs. J.W. Anderson (Chairman), Mrs. Margaret Robertson, and Mrs. Margaret Hill, the Committee having submitted the following recommendations in its report:

"The Breed Standards Committee respectfully recommend the following policy for CKC.

1. The revision of a breed standard must be undertaken by the breed club(s).
   (a) It must be passed by at least a two third majority of the breed club(s) members.
   (b) it must be edited by the CKC Breed Standards Committee.
   (c) any changes the Breed Standards Committee suggest must be referred to the breed club(s) for ratification.
   (d) before the adoption by CKC of the revised standard it must be published in Dogs in Canada.
2. CKC should standardize the format of breed standards.
   (a) length (approx.) of standard.
   (b) paragraph headings and sub headings.
   (c) suggestions regarding terminology.
3. CKC should not allow standards to be changed so that height and/or weight be a subject for disqualification.
4. There should be a minimum of interference by CKC regarding the intent of a breed standard.
5. (a) No new breed should be recognized by CKC unless registered with the Kennel Club (England), or the AKC.
   (b) Those breeds registered with a kennel club recognized by CKC (other than the Kennel Club or AKC) must have a minimum of fifty registered dogs, the property of a minimum of ten owners, before CKC will publish a breed standard, or accommodate the breed at shows or trials.
   (c) A miscellaneous class might be considered.
6. When a club is formed for a new breed it shall be considered the parent club. As far as possible the CKC will deal with the parent club regarding standards.

Memo: It is realized by the Breed Standards Committee that in certain well established breeds there are many breed clubs. Therefore there is no parent club for CKC to deal with. In these cases when a standard revision is undertaken it will be necessary for CKC to deal with all the breed clubs.

It is the Breed Standards Committee's opinion that the CKC should not encourage the revision of standards.
The members of the Breed Standards Committee would be pleased if Breed Standards in Canada do not differ much from the standards in use in Great Britain, and the United States of America. They can see much merit in an International agreement regarding breed standards."

DISCUSSION: During a discussion which followed:
(1) Mrs. Anderson expressed the opinion that:
(a) alterations in breed standards should not be encouraged;
(b) a format should be established to be followed when any breed standard is revised, and in the course of revision misleading statements should be eliminated;
(c) as far as practical the Club's breed standards should not differ from those in use in Great Britain and/or the United States, yet the Club should not automatically adopt changes adopted in those or other countries;
(2) Mrs. Joel stated that if more than one breed club is operating when views are sought on a breed standard, all breed clubs concerned should be consulted;
(3) Mr. Monaghan stated that he agreed with recommendation #2 in the Committee's report; that he felt that a breed standard should not be revised oftener than once every five years; that he would not like to see recommendation #5 adopted at this time; and that he opposed the recognizing of breed clubs.

MOTION #44-64
Moved by Mr. Anderson, seconded by Mrs. Mack:
"THAT, we receive the report of the Special Committee, that the Committee be complimented on their constructive effort, and that they be asked to develop the suggestions for future consideration."
Motion carried unanimously.

DOG SHOWS

11 D 73. AMENDMENTS TO DOG SHOW RULES

REPORT: The following report (dated February 17th) received from the Special Committee (Chairman: Mr. Wm. McDerment) appointed by the Board to review the Dog Show Rules and present revised rules for the Board's consideration:
"This Committee desires to express to the Board that they have enjoyed working on the possible revising of the Dog Show Rules.
"As you are aware we submitted a preliminary report to the Board at the semi-annual meeting. The Board followed this report by submitting amendment No. 7 to be placed on the special referendum ballot.
"This amendment being carried by a vote of 304 for, 151 against, this Committee are emphatically of the opinion that the Board should now appoint the Dog Show Council Chairman, with or without the Committee of four, to enable this Committee to commence the duty or study of the present Dog Show Rules, as prescribed by the Board of Directors.
"The following are the members of this Committee: Thomas Joel, Philip Jacobi, John McNicol."

DISCUSSION: During a discussion which followed:
(1) Mr. Wells stated that the Committee be asked to complete its work as soon as possible, certainly before the Board proceeds to appoint a Dog Show Council;
(2) Mr. Monaghan stated that he was under the impression that when the Committee was appointed it was required to report at the 1963 semi-annual meeting of the Board, and its terms of reference were not renewed;
(3) Mr. McDerment stated that the Committee had placed a report before the last semi-annual meeting of the Board and its report was received "as progress";
(4) it was agreed that the Committee would continue to prepare a revised set of Dog Show Rules for the Board's consideration.

MOTION #45-64
Moved by Mr. Brown, seconded by Mr. Monaghan:
"THAT, we receive the report as progress."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mr. Frost, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. Mehlenbacher, Mr. Monaghan.
ABSTAINED: Mr. Ashcroft, Mr. McDerment.
Motion carried.

INTERNAL AND ADMINISTRATION

9 A 96. ONTARIO SALES TAX ON DOGS

REPORT: Mr. McDerment, Chairman of a special committee appointed by the Board for the purpose of submitting representations to the appropriate officials in the Ontario government calling for the abolition of the sales tax on dogs, reported that the committee had been informed by the Provincial Treasurer that the Club's request had been referred to the "Amendments Committee" but a final decision would not be reached until a decision had been reached with regard to changes in the sales tax legislation.
Mr. Mehlenbacher, a member of the special committee, stated that he considered the reply received by the committee to be "a polite run-around".

MOTION #46-64
Moved by Mr. Dawson, seconded by Mr. Anderson:
"THAT, we accept this as a report of progress."
Motion carried unanimously.

FINANCIAL MATTERS

5 F 30. FEES APPLICABLE TO SHOWS AND TRIALS

SUBJECT: The Secretary:
(1) pointed out that of date fees totalling $4,440 posted with The Canadian Kennel Club in 1963 for championship shows and licensed trials held under the Club's rules, only $70.00 had been declared forfeited on the grounds of failure to hold an event on the date granted or because of late returns;
(2) expressed the view that the rules requiring the posting of date fees is an unnecessary inconvenience to show and trial-giving clubs, and suggested that the Board take steps leading to abolition of date fees and the substitution of a rule enabling the Board to impose a fine on any club failing to hold its championship show or licensed trial on a date granted, or failure to comply with the requirements regarding returns to The Canadian Kennel Club.

DISCUSSION: During a discussion which followed:
(1) Mr. Monaghan stated that he was opposed to abolition of date fees, and suggested that instead of action along that line, the date fee be increased to $25.00 and all date fees be retained by The Canadian Kennel Club;
(2) Mr. Anderson suggested that the proposal be referred to the Obedience Council, the Field Trial Councils, and the Committee reviewing the Dog Show Rules, for opinion;
(3) Mr. Mehlenbacher stated that he felt the proposal would be welcomed by clubs holding licensed obedience trials.

MOTION #47-64
Moved by Mr. Mehlenbacher, seconded by Mr. Wells:
"THAT, the Secretary draw this up and present as proposed amendments at the semi-annual meeting of the Board."

AMENDMENT TO MOTION #47-64
Moved by Mr. Brown, seconded by Mr. Monaghan:
"THAT, this suggestion be referred to the Chairman of the Obedience Council, the Chairmen of the Field Trial Councils, and the Chairman of the Committee reviewing the Dog Show Rules, for consideration and submit recommendations to the Board."
FOR THE AMENDMENT TO THE MOTION: Mr. Brown, Mr. Little, Mr. Monaghan.
AGAINST THE AMENDMENT TO THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Dawson, Mr. Duff, Mr. Frost, Mrs. Joel, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
Amendment to motion lost.

The Chairman put the motion to a vote with the following results:
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Duff, Mr. Frost, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
AGAINST THE MOTION: Mr. Monaghan.
Motion carried.

INTERNATIONAL MATTERS

6 IM 3. DOGS CROSSING CANADIAN-AMERICAN BORDER

REPORT: Mr. Monaghan reported that:
(1) since his report to the 1963 annual meeting of the Board with regard to possible steps in connection with the easing of Customs requirements relating to the shipment of females to the United States to be bred, he had continued on his own with certain representations, these taking the form of definite recommendations to the Canadian Minister (Economic) at Washington;
(2) the Canadian Minister had sent one of his senior staff to the United States Customs and there were a number of meetings, during the course of which the problem was thoroughly presented; but the only answer from the United States Customs was to the effect that they could not accede to the request to ease the problem in that they had no legislative authority which would enable them to do so;
(3) in his opinion the only way that relief could be obtained would be by someone going to Washington and making representations with a view to obtaining an executive order by the President;
(4) there appears to be no real problem in connection with the shipment of a female to the United States to be bred, provided the destination of the female is a place where there is a United States Customs office.

DISCUSSION: During a discussion which followed Mr. Ashcroft stated that members in Manitoba were very much in favour of "an open door policy", so far as it concerned dogs crossing the Canadian-American border.

MOTION #48-64
Moved by Mr. Anderson, seconded by Mrs. Mack:
"THAT, the report of the Special Committee be received, the Committee be thanked, and the Committee be dissolved."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Dawson, Mr. Duff, Mr. Frost, Mrs. Joel, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
ABSTAINED: Mr. Brown, Mr. Little, Mr. Monaghan.
Motion carried.

REGISTRATION, STUD BOOK AND RELATED MATTERS

7 R 10. BREED STANDARDS

REPORT: Mrs. Anderson, Chairman of the Breed Standards Committee:
(1) reported that since the publication in "Dogs in Canada" of the proposed new standard for the Bullmastiff the Committee had received a number of letters which the Committee had considered and, in its report to the Board dated January 24th, the Committee had set forth its recommendations as to alterations in the standard as it had been published;
(2) reported that since reaching this meeting she had received a further letter from Mrs. J. H. Daniell-Jenkins, Chairman of the Standard Committee of the Bullmastiff Fanciers of Canada;
(3) expressed the view that, with the exception of the changes indicated in item 7 of the Committee's report dated January 24th, the other changes recommended by the Committee should be incorporated in the published standard and after clarification has been agreed to with regard to the section of the standard referred to in section 7 of the Committee's report, the standard be again published in revised form.

MOTION #49-64
Moved by Mr. Monaghan, seconded by Mr. Anderson:
"THAT, the report be accepted as progress."
Motion carried unanimously.

7 R 24. KENNEL NAMES

SUBJECT: The Secretary:
(1) reported that in accordance with an instruction of the Board an ap-

proach had been made to the Kennel Club (England) with regard to the possibility of each Club agreeing that it would not grant, as a kennel name, a kennel name registered by the other Club;

(2) read a reply (dated December 18th) in which the Secretary of the Kennel Club stated that the Committee of the Kennel Club felt that if they agreed to the proposal outlined by The Canadian Kennel Club, then it would be in a difficult position if it received similar requests from other Clubs "as the work of granting prefixes would then be very considerably extended".

DISCUSSION: During a discussion which followed:

(1) it was agreed that to permit a breeder in Canada to register a kennel name registered in Great Britain may well result in confusion and be misleading to those who study pedigrees;

(2) and therefore although the Kennel Club was not disposed to enter into a reciprocal understanding, The Canadian Kennel Club should continue its policy of refusing to grant, as a kennel name, a kennel name registered with the Kennel Club.

MOTION #50-64

Moved by Mr. Anderson, seconded by Mr. Monaghan:

"THAT, so far as is practicable, applications for registration of kennel names be checked against the Kennel Club list of registered kennel names, and we reject any application for any name found to be included in the Kennel Club list."

Motion carried unanimously.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 27. REGISTRATION OF DACHSHUNDS

SUBJECT: The Secretary:

(1) pointed out that following the reading, at the Annual General Meeting, of the report which the Registration Committee had presented at the Board's session on Friday, the following motion was proposed:

"THAT, the Minister be requested not to approve the proposed amendment #10 because we feel a future Board can act on it.";

(2) following further discussion at the Annual General Meeting the following amendment to the motion was proposed:

"THAT, this matter be referred back to the Board and the Directors be instructed to form a committee to meet the Dachshund breeders to finalize this.";

(3) pointed out that when the amendment to the motion was put to a vote it carried by a vote of 32 in favour, 6 opposed.

MOTION #51-64

Moved by Mr. Frost, seconded by Mrs. Mack:

"THAT, a Committee be formed as of now and it bring in a report later in this meeting."

Motion carried unanimously.

DISCUSSION: After discussion it was agreed that a committee of three be formed (the President be an ex officio member of the committee).

The President called for nominations. The following were nominated: Mrs. Sheila Anderson, J. C. Anderson, George Frost, Walter Brown, Mrs. Edna Joel. Mr. Frost and Mr. Brown declined. The President announced that the committee would be composed of Mrs. Anderson, Mr. Anderson, and Mrs. Joel.

Mr. Monaghan pointed out that in connection with those persons whose letters regarding Miniature Dachshunds had been forwarded by Mrs. Sarah Diamond, the following should also be identified as being C. K. C. members: Mr. & Mrs. W. J. Henrich, Mrs. Betty Thomson, and Mrs. V. C. A. McLaughlin.

DOG SHOWS

11 D 75. DOG SHOWS AT THE ROYAL WINTER FAIR

SUBJECT: The Secretary pointed out that at the Annual General Meeting, and following a discussion of the reports of the Club's representatives to the Royal Agricultural Winter Fair, the following resolution had been unanimously carried:

"THAT, the Club's representatives be instructed to approach the City Council and try and get their support."

ACTION: Following a brief discussion the Secretary was instructed to draw the attention of the Club's representatives to this resolution.

MINUTES and COMPLAINTS, CHARGES & PROTESTS

3 M 4. PUBLICATION OF MINUTES IN THE OFFICIAL ORGAN
8 C 1. POLICIES

SUBJECT: The Secretary pointed out that at the Annual General Meeting the following resolution had been unanimously carried:

"THAT, the Board give consideration to the publication of information about those persons and clubs on whom the Board has imposed a penalty."

DISCUSSION: During a brief discussion it was pointed out that in their respective official organs, The American Kennel Club and The Kennel Club (England) publish announcements of disciplinary action which they have taken, and it was agreed that The Canadian Kennel Club should do likewise.

MOTION #52-64

Moved by Mr. Mehlenbacher, seconded by Mr. Frost:

"THAT, any penalty imposed by the Board against any person or club, any conviction under the Live Stock Pedigree Act, be reported in our official organ by naming the person or club against whom the penalty has been imposed, and section of the Live Stock Pedigree Act, or By-law, or rule which has been violated."

STANDING RESOLUTION — Motion carried unanimously.

SUBJECT: Mr. Monaghan pointed out that on a number of occasions there had been prosecutions under the Live Stock Pedigree Act and he suggested that a resume of these prosecutions be prepared by the Secretary for publication.

DISCUSSION: During a brief discussion which followed it was pointed out that during recent years it had been the Club's policy to publish results of prosecutions under the Act, and to do so again may be regarded as unnecessary publicity about the defendants in such cases.

MOTION #53-64

Moved by Mr. Monaghan

"THAT, the Secretary prepare a resume of the prosecutions and results under the Live Stock Pedigree Act or Criminal Code in connection with registrations and transfers for publication and state whether or not the Club assisted in payment of prosecuting such cases."

(NOTE: The motion failed for want of a seconder.)

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 24. KENNEL NAMES

REPORT: The Secretary:

(1) reported that at the January meeting of the Board he had been instructed to obtain a report from the Director of Canadian National Live Stock Records with regard to the Club's proposal that the Live Stock Records office install, if necessary at the Club's expense, a visible record system of registered kennel names for the purpose of facilitating the checking of applications for registration of individual dogs and to ensure greater accuracy in connection with the use of registered kennel names;

(2) read a letter (dated February 5th) from the Director of Canadian National Live Stock Records, who reported that consideration had been given to the Club's proposal and it was the viewpoint of the staff responsible for this work that alterations in the list of registered kennel names would not be as easily handled if a visible record system is installed and because of the number of applications which must be checked, a single visible record system would not be sufficient.

ACTION: No further action was taken or ordered.

REPORT: The Secretary:

(1) reported that, pursuant to resolution #261-63 there had been published in the December (1963) issue of "Dogs in Canada" (pages 62 and 63) the proposed new interpretations and regulations considered by the Board at its semi-annual meeting in August, and there was also published at the same time an invitation to all interested to submit their comments and suggestions with regard to these proposed interpretations and regulations;

(2) pointed out that when the agenda of this meeting had been forwarded to the members of the Board in January, the following had been included:

(a) copy of a memorandum (dated December 27, 1963) addressed to the Board of Directors by Mr. Monaghan, in which Mr. Monaghan set forth his comments and recommendations with regard to alterations in the draft regulations;

(b) copy of a letter (dated January 6, 1964) received from Mrs. Margaret Bowden, in which Mrs. Bowden commented on Section 3 (Usage) of the proposed regulations;

(c) copy of a letter received from Messrs. Nigel Aubrey-Jones and R. William Taylor seeking permission to use their registered kennel names ST. AUBREY and ELSDON as a prefix and suffix respectively on dogs not bred by them;

(3) read a letter from Mr. & Mrs. H. W. Keller asking that their kennel name LINDENECK (granted in November, 1955) be changed to VOM LINDENECK;

(4) reported that at a meeting of the Kennel Names Committee held on February 13th the Committee had considered the views set forth by Mrs. Bowden and the request of Mr. & Mrs. Keller, and believing that some breeders with registered kennel names would prefer to use their kennel names as a suffix (rather than as a prefix) in naming dogs born their property, the Committee agreed to recommend to the Board at this meeting that the first paragraph in Section 3 (Usage) of the draft regulations be altered to read as follows: "A person to whom a kennel name is granted may use such name as follows:

(a) either as a prefix or suffix in the naming of a dog born his property;

(b) with the consent of the first owner, as a suffix in the naming of an unregistered dog which he may purchase or otherwise acquire from its first owner."

DISCUSSION: Mr. Monaghan:

(1) pointed out that when the Club's new By-laws were amended and received Ministerial approval in 1951 the section on kennel names provided that any kennel name registered after Ministerial approval of the By-laws could be used by the breeder as a prefix in naming dogs born his property, or as a suffix in the naming of a dog which he acquired;

(2) stated that he was not in favour of allowing a breeder to use his kennel name as a suffix in naming dogs born his property and urged that Section 3 be amended to provide that when a breeder is registering dogs born his property his kennel name must be used as a prefix.

MOTION #54-64

Moved by Mr. Anderson, seconded by Mr. Duff:

"THAT, the regulations and interpretations, as recommended by the Kennel Names Committee, with the recommended change in the first paragraph of Section 3, be approved and declared effective immediately."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mr. Ashcroft, Mr. Duff, Mr. Frost, Mrs. Joel, Mr. Little, Mr. McDerment, Mr. Mehlenbacher.

AGAINST THE MOTION: Mrs. Anderson, Mr. Brown, Mr. Dawson, Mrs. Mack, Mr. Monaghan.

Motion carried.

ACTION: The Secretary was instructed to inform Mr. & Mrs. Keller and Messrs. Aubrey-Jones and Taylor of the new policy regarding use of registered kennel names.

REPORT: The Secretary pointed out that at the commencement of this annual meeting of the Board there had been distributed a list of the recommendations which the Kennel Names Committee, at its meeting on February 13th, had decided to place before this meeting of the Board.

It was agreed that the Committee's recommendations would be dealt with seriatim.

MOTION #55-64

Moved by Mr. Brown, seconded by Mr. Wells:

"THAT, the report be received."

Motion carried unanimously.

SUBJECT: The Secretary read a letter (dated February 11th) addressed to the Board of Directors by Mr. & Mrs. H. R. Hills (kennel name HILLSDALE) in which:

(a) Mr. & Mrs. Hills reiterated the objection, set forth in their letter of August 7, 1963, to another breeder registering dogs with the prefix HILLDALE;

(b) in which they formally requested that the Board cancel those registrations which included HILLDALE.

DISCUSSION: During a discussion which followed:

(1) the Secretary read from the minutes of the Board meeting held on August 9, 1951, at which time the Board decided to grant the application of Mr. & Mrs. Hills for the registration of HILLSDALE as a kennel name despite the objection of Mr. & Mrs. Frank G. Hill who reported having used HILLDALE previously in connection with the individual registration of a number of dogs;

(2) it was suggested that when the Club registers a kennel name it does so in order that it may be used exclusively by the breeder to whom it is granted, but the registration of a kennel name does not require the Club to prohibit the use of any other name simply on the grounds of an objection received from a breeder with a registered kennel name;

(3) it was pointed out that although not required to do so, the Board had nevertheless, at its meeting in August (1963) directed that a "stop card" be forwarded to the Live Stock Records office with a view to prohibiting the further use of HILLDALE in the naming of dogs for individual registration purposes;

(4) it was agreed that the Board would not, as requested, cancel the registration of dogs whose names included HILLDALE;

(5) it was suggested that this problem may be overcome by the Board, when it sustains an objection to an application for registration of a particular name as a kennel name, direct the Secretary to send a "stop card" to the Live Stock Records office;

(6) it was agreed that the Secretary would address an appropriate reply to the letter received from Mr. & Mrs. Hills.

MOTION #56-64

Moved by Mr. Monaghan, seconded by Mrs. Mack:

"THAT, each time an objection to the registration of a kennel name is sustained by the Board, the Secretary shall send a stop card to the Canadian National Live Stock Records."

Motion carried unanimously.

SUBJECT: A recommendation of the Kennel Names Committee that although VON HAVEN had been registered as a kennel name by The American Kennel Club, an application for registration of HAVEN FARM be approved.

DISCUSSION: During a discussion which followed it was pointed out that Mrs. Olive Smith had registered HAVEN as a kennel name.

MOTION #58-64

Moved by Mr. Monaghan, seconded by Mrs. Anderson:

"THAT, the application for registration of HAVEN FARM be not approved."

FOR THE MOTION: Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Frost, Mr. Little, Mr. Monaghan.

AGAINST THE MOTION: Mr. Anderson, Mr. Ashcroft, Mr. Duff, Mrs. Joel, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.

The President cast a deciding vote in favour of the motion.

Motion carried.

SUBJECT: The report of the Kennel Names Committee that it had not received a reply to two letters addressed to Mrs. Lillian McClement regarding her application for registration of kennel name, and its recommendation that the application be not further processed, and the Records Office be instructed to return the fee submitted by Mrs. McClement.

DISCUSSION: During a discussion which followed reference was made to the objection which Mrs. Joan Detmold (kennel name SPRUCE) had submitted to Mrs. McClement's application for SPRUCE GARDEN.

MOTION #59-64

Moved by Mr. Monaghan, seconded by Mr. Brown:

"THAT, the recommendation be adopted, and a stop card on SPRUCE GARDEN be sent to the Canadian National Live Stock Records office."

Motion carried unanimously.

REPORT: A report that the Kennel Names Committee was not able to reach a unanimous decision on the request of Mrs. Keith Balsdon that the kennel name WINDE MERE, granted to her on January 24, 1964, be changed to WINDEMERE, although Mrs. Agnes Davis (kennel name WINDERMERE) had stated in a letter dated January 16th, her agreement that Mrs. Balsdon be granted WINDEMERE as Mrs. Balsdon had agreed not to use WINDEMERE in the naming of any Pomeranians.

DISCUSSION: During a discussion which followed:

(1) Mr. Mehlenbacher stated that it is the duty of the Club to protect a registered kennel name whether or not there is an objection;

(2) Mr. Monaghan suggested that written confirmation be obtained from Mrs. Balsdon that, if granted WINDEMERE she would not use it in the naming of any Pomeranians;

(3) Mr. Duff expressed the view that if Mrs. Balsdon should transfer WINDEMERE to any other person, her commitment to not use WINDEMERE in the naming of any Pomeranians would not be transferable to the person to whom she may transfer her kennel name.

MOTION #60-64

Moved by Mr. Mehlenbacher, seconded by Mr. Ashcroft:

"THAT, we stay with the decision of December 18th, 1963, and the kennel name WINDE MERE stand as is."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.

AGAINST THE MOTION: Mr. Monaghan.

ABSTAINED: Mr. Frost.

Motion carried.

-----Luncheon recess.

SUBJECT: A recommendation of the Kennel Names Committee that:

(1) the application of F. E. Imboden for the registration of TARA-HILL be not approved in view of the registered kennel name TARA-HALL; but

(2) his second choice of BLACK HILL, although registered as a kennel name with The Kennel Club (England), be approved if no objection is received following publication in the official magazine.

DISCUSSION: After discussion it was agreed that in view of the Board's decision, as stated in resolution #50-64, Mr. Imboden's second choice (BLACK HILL) should not be approved as it is a kennel name registered with The Kennel Club.

MOTION #61-64

Moved by Mr. Ashcroft, seconded by Mr. Monaghan:

"THAT, the Committee's recommendation on the first part be approved, but the second recommendation be not approved."

Motion carried unanimously.

SUBJECTS: A report that the Kennel Names Committee had recommended that:

(1) the objection of T. S. Riches (kennel name TERRYLINE) to the application of S. Warren Hood for TERRILAND be sustained;

(2) the objection of Mrs. Margaret Ranger (kennel name RANMAR) to the application for registration of RENMAR be sustained;

(3) the application of Kevin M. Howarth for the registration of KANADIANA as a kennel name be not approved (the Committee saw no objection to granting Mr. Howarth's other selection of WINTOBA as the registration of an earlier kennel name WINNITOBA had expired in 1948);

(4) the request of Miss Susan A. Lee that her kennel name WOLFLEA (granted on January 23, 1964) be changed to WOLFBANE be approved;

(5) the third choice (DONLEN) of Mrs. Dawn Egeley be not granted in view of the registered kennel name DONLEIN;

(6) the second choice (SPORT) of M. Maurice Corbil be not granted in view of advice from the Records Office that SPORT is a name often used in the naming of dogs;

(7) the request of Mrs. Alexis A. Kolenoff that her registered kennel name KESARI be transferred to Mr. & Mrs. Alexis A. Kolenoff be approved and a new certificate be issued.

MOTION #62-64

Moved by Mr. Anderson, seconded by Mr. Dawson:

"THAT, the recommendations of the Kennel Names Committee, except those dealt with specifically by motion at this meeting, be approved."

Motion carried unanimously.

SUBJECT: The Secretary read a letter (dated February 21st) from the Live Stock Records office seeking an instruction as to whether it is permissible for persons in Canada to include in the names of dogs for which they are seeking registration, kennel names registered with The American Kennel Club, their letter citing the following examples: ARGYLL'S, BURNBRAE, ECHO RIDGE, and HICKORY HILL.

DISCUSSION: During a discussion which followed it was agreed that while it would be impractical to attempt to prohibit the use of all names registered with The American Kennel Club, an effort should be made to prohibit the use of kennel names registered with The American Kennel Club or The Kennel Club (England), if only to prevent confusion on the part of those studying pedigrees.

MOTION #63-64

Moved by Mr. Monaghan, seconded by Mr. Anderson:

"THAT, the Canadian National Live Stock Records be asked to notify us when they note that a person in Canada is naming dogs, for registration purposes, using a kennel name registered with the Kennel Club (England) or the American Kennel Club, and an instruction of the Board be then sought with regard to the inclusion of a stop card in the file at the Records Office, and a stop card be sent to the Records Office for each of the names as reported in their letter of February 21, 1964."

Motion carried unanimously.

7 R 20. ARTIFICIAL INSEMINATION

REPORT: The Secretary reported that:

(1) at the last semi-annual meeting of the Board, when, as Chairman of the Standing Resolutions Committee, Mr. Wells had submitted a report with regard to the Committee's recommendations, Mr. Wells had raised the question as to why there is any distinction, in the special regulations on artificial insemination, between artificial insemination conducted within a kennel and artificial insemination conducted between dogs not owned by the same kennel;

(2) Mr. Wells' query had been referred to the Registration Committee for consideration;

(3) the Registration Committee had considered the question and, having regard for the possibility that at some future date the means of storing canine semen may be found, the Committee felt there should be no change effected in the present regulations on artificial insemination;

(4) it was the recommendation of the Registration Committee that the present application for registration of litter form be amended to require that the applicant disclose whether or not the litter resulted from the use of artificial insemination.

DISCUSSION: During a discussion which followed it was suggested that an approach be made to the Chief Registration Officer with a view to determining whether he would approve a change in the regulations to the effect that special forms are not required when the owners of both male and female are present when artificial insemination is conducted, or when one owner and a technician are present.

MOTION #64-64
Moved by Mr. Monaghan, seconded by Mr. Little:
"THAT, the Second Vice-President and Secretary prepare and submit for the approval of the Chief Registration Officer, amendment to the special regulations regarding artificial insemination."
Motion carried unanimously.

7 R 25. REGISTRATION COMMITTEE

REPORT: The Secretary reported that:
(1) the Registration Committee had taken steps to arrange for the issuance of a corrected certificate showing the actual tattoo markings placed on the dog registered as BLACKCREST'S WAR CRY RANGER (509227), bred by Mr. John D. Boyd and now the property of Mr. Paul Hamilton;
(2) in order to avoid having two dogs individually registered with identical tattoo markings it was the recommendation of the Registration Committee that the registration of the dog registered as BLACKCREST'S VON RACKER (509224) be cancelled, the breeder-owner of this dog having reported that the dog is dead;
(3) information received from the Live Stock Records indicated that BLACKCREST'S VON RACKER had not been used for breeding purposes. (Reference: File RC-174).

MOTION #67-64
Moved by Mr. Mehlenbacher, seconded by Mr. Little:
"THAT, the registration of BLACKCREST'S VON RACKER (509224) be and is hereby cancelled, and the certificate be returned to the Live Stock Records for cancellation."
Motion carried unanimously.

MOTION #68-64
Moved by Mr. Brown, seconded by Mr. Little:
"THAT, the Registration Committee's report as a whole, as amended, be adopted."
Motion carried unanimously.

7 R 70. PET CERTIFICATES AND SELECTIVE REGISTRY

REPORT: The Secretary pointed out that proposed amendment #11 on the last referendum ballot had received a majority of affirmative votes, and in the event the amendment receives Ministerial approval it would be necessary to:
(1) make arrangements for providing breeders with agreement forms for use when dogs are sold on the understanding that such dogs would not be used for breeding purposes;
(2) make arrangements with the Chief Registration Officer regarding the appropriate notation to appear on certificates of registration for dogs sold under such an agreement.
DISCUSSION: The Board proceeded to discuss the possible format and text of an agreement to implement the amendment. The discussion concluded with a suggestion that before the Board reached a final decision on the form of agreement, it would be advisable to consult the Chief Registration Officer and Director of Canadian National Live Stock Records regarding the form of agreement and mechanics of its implementation.

MOTION #69-64
Moved by Mr. Anderson, seconded by Mrs. Anderson:
"THAT, we agree in principle with this, and the Executive Manager and the Chief Registration Officer and the Director of Canadian National Live Stock Records work out the mechanics which will be acceptable, and report back to the Board."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Duff, Mr. Frost, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment.
AGAINST THE MOTION: Mr. Monaghan ("on the grounds that it is not practical").
ABSTAINED: Mr. Mehlenbacher.
Motion carried.

MOTION #70-64
Moved by Mr. Monaghan, seconded by Mr. Brown:
"THAT, a copy of motion #69-64 accompany the application for Ministerial approval of amendment #11."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher, Mr. Monaghan.
ABSTAINED: Mr. Frost.
Motion carried.

SUBJECT: Mr. Ashcroft:
(1) pointed out that Mrs. Donald M. Pratt, Winnipeg, had sought to register in the Club's records a German Shepherd Dog which she had imported from Argentina, the dog having been registered in the records of the German Shepherd Dog Club in Argentina, that Club's certificate having been endorsed by the Argentine Kennel Club;
(2) sought information as to the Club's general policy with regard to documents required for registration purposes for a dog imported from another country.
DISCUSSION: The Secretary, in reply, stated that it is the general policy, in connection with possible registration in the Club's records of a dog imported from another country, to require that the documents provided for the imported dog be issued by a national kennel club rather than by a breed club, and pointed out the few exceptions to this general policy.
Mr. Ashcroft stated that Mrs. Pratt is endeavouring to comply with the Club's request that she obtain a certificate of registration furnished by the Argentine Kennel Club, but stated that there may be difficulties in connection with her obtaining such a document. (Reference: File RC-146).

COMPLAINTS, CHARGES & PROTESTS

8 C 1. POLICIES

SUBJECT: Mr. Ashcroft's proposal that local newspapers in the larger centres be utilized to make potential dog purchasers aware of Section 17 (e) of the Live Stock Pedigree Act.
DISCUSSION: During a discussion which followed Mr. Ashcroft pointed out that many persons selling dogs as pure-bred are not aware of their obligation to supply certificates of registration, nor is a good part of the general public aware of a vendor's obligation to supply a certificate of registration for a dog sold as pure-bred.

MOTION #71-64
Moved by Mr. Ashcroft, seconded by Mr. Dawson:
"THAT, a committee be established to report to the semi-annual meeting of the Board regarding the advisability of advertising in the pet and live stock columns pertaining to sections of the Live Stock Pedigree Act."
Motion carried unanimously.

MOTION #72-64
Moved by Mrs. Joel, seconded by Mr. Anderson:
"THAT, Mr. Ashcroft be Chairman of the Committee, with power to add to the Committee."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mr. Frost, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher, Mr. Monaghan.
ABSTAINED: Mr. Ashcroft.
Motion carried.

FINANCIAL MATTERS

5 F 2. APEX PUBLISHERS AND PUBLICITY LTD.

REPORT: The Secretary reported that each member of the Board had been provided with:
(1) a copy of the letter, dated August 15, 1963 which Miss Kaye Peer and Miss Elizabeth Dunn had addressed to the Club's representatives on the Board of Directors of Apex Publishers and Publicity Ltd., publishers of "Dogs in Canada", in which they had stated that the profit picture of Apex Publishers has not been satisfactory and as a consequence their remuneration as publishers had never been adequate for the work which they had performed, and with which they had included other submissions with regard to possible new financial arrangements between the Club and Apex Publishers and Publicity Ltd.;
(2) copies of correspondence and submissions which had followed the letter of August 15th;

COMPLAINTS, CHARGES AND PROTESTS

8 C 10. SPECIFIC CASES

The Board imposed a fine of $10.00 on Mr. Hugh Griffin, Moncton, N. B. for a violation of Chapter 19, Section 1, of the Dog Show Rules.

The Board deprived Mrs. Ralph Williams, Bancroft, Ont. of the privileges of the Club following an investigation of a complaint that she had failed to provide a purchaser with a certificate of registration for a dog sold as pure-bred, as required by Section 1 of Article XXXI of the Club's By-laws.
Other disciplinary matters were considered.

DOG SHOWS

11 D 44. ORDER OF JUDGING

SUBJECT: The Secretary read a night letter (dated February 24th) from

the Show Secretary of the Working Dog Association of B. C. advising that current ferry schedules, Victoria to Vancouver, made it difficult for exhibitors entered at Victoria to reach their show for 9:30 a. m. judging on Sunday, and seeking permission to delay or alter breed schedule of judging on Sunday.
ACTION: It was agreed that the Secretary would inform the Working Dog Association of B. C. that it would not be possible to authorize a change in the judging schedule as published in their premium list.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 25. REGISTRATION COMMITTEE

SUBJECT: Mr. Mehlenbacher:
(1) pointed out that, as a result of the ruling given by the Board at its meeting on December 18, 1963 (file 11 D 70), the Secretary had forwarded to Mrs. Dorothy Poulson, owner of the Poodle BIBELOT'S HI HO SILVER (559801), notice of cancellation of a number of awards, restricted to Canadian-bred dogs, which this dog had earned at a number of championship shows held under the Club's rules in 1963;
(2) reported that at a meeting of the Registration Committee held on February 13th, the Secretary had placed before the Committee an appeal received from Mr. & Mrs. Poulson, with which they had included information which would appear to indicate that, contrary to the Club's registration records, this dog was in fact, a Canadian-bred dog at the time of its winning the awards which had been cancelled;
(3) pointed out that Mr. & Mrs. Poulson wished an early decision on whether or not their dog is, in fact, Canadian-bred, in order that they could be guided accordingly in connection with the forthcoming Canadian National Sportsmen's dog shows.
ACTION: After a brief discussion during which the Secretary read a letter dated February 18th received from Mr. L. D. Dingle, Q. C., and his reply thereto, dated February 19th, it was agreed that the matter would be further considered when this Board reconvenes at its next session. (Reference: File RC-198).

ADJOURNMENT

This meeting adjourned at 6:00 p. m., to reconvene in the same place at 9:30 a. m. on Wednesday, February 26, 1964.

FEBRUARY 26, 1964

W. Williams, in the Chair, and the following members of the Board present: J. C. Anderson, Tom Wells, Mrs. J. W. Anderson, G. M. Ashcroft, Walter Brown, Wm. Dawson, D. H. Duff, G. W. Frost, Mrs. Edna I. Joel, Robert Little, Mrs. P. B. Mack, Wm. McDerment, G. N. Mehlenbacher, W. J. Monaghan.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 25. REGISTRATION COMMITTEE
11 D 73. AMENDMENTS TO DOG SHOW RULES

DISCUSSION: During a further discussion (continued from the previous session) of the status of the Poodle, owned and shown by Mrs. Walter Poulson under the name BIBELOT'S HI HO SILVER, Mr. Mehlenbacher contended that the information now before the Board clearly established that at the time of its entry in a number of championship shows held under the Club's rules during 1963, this dog was eligible to compete as a Canadian-bred dog.

MOTION #98-64
Moved by Mr. Mehlenbacher, seconded by Mrs. Joel:
"THAT, this dog's wins be reinstated and Mr. & Mrs. Poulson be notified immediately."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher, Mr. Monaghan.
ABSTAINED: Mr. Frost.
Motion carried.

DISCUSSION: During further discussion:
(1) the question was raised as to whether the Poodle referred to in the preceding motion, and any other dogs considered Canadian-bred prior to January 1st, 1964, the effective date of the amendment redefining "Canadian-bred", should continue to be recognized as Canadian-bred;
(2) Mr. Monaghan suggested and the Board agreed that:
(a) for dogs whelped on and after January 1, 1964 the new definition of Canadian-bred is to be interpreted to mean - "a dog whelped in Canada and which is the progeny of a dam which was Canadian-owned at the time of service";
(b) for dogs whelped prior to January 1, 1964 the previous definition which reads as follows: "the progeny of a Canadian-owned dam at the time of service" shall apply;
(3) it was pointed out that the amendment redefining "Canadian-bred" was not qualified by any statement that any dog considered Canadian-bred previous to January 1, 1964 would continue to be so recognized.

MOTION #99-64
Moved by Mr. Brown, seconded by Mr. Mehlenbacher:
"THAT, those dogs recognized as Canadian-bred before January 1, 1964 continue to be recognized as Canadian-breds and those born in Canada on or after January 1, 1964 be considered Canadian-bred."
FOR THE MOTION: Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Little, Mr. Mehlenbacher, Mr. Monaghan.
AGAINST THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Duff, Mr. Frost, Mrs. Joel, Mrs. Mack, Mr. McDerment.
Motion lost.

DISCUSSION: During further discussion:
(1) it was suggested that in order that adequate notice could be given show-giving clubs and exhibitors, the Board direct that the new definition of Canadian-bred would become effective on July 1, 1964;
(2) it was pointed out that on a previous occasion the Club's solicitor had given the opinion that the Board has not the right to alter the effective date of an amendment to the rules, nor has it the power to suspend the implementation of an amendment approved by majority vote on a referendum ballot;
(3) Mr. Monaghan gave notice that, later in the year he would move that motion #356-63 be rescinded.

MOTION #100-64
Moved by Mr. Mehlenbacher, seconded by Mr. Brown:
"THAT, the new definition of the Canadian-bred Class become effective on July 1, 1964."

AMENDMENT TO MOTION #100-64
Moved by Mr. Anderson, seconded by Mr. Dawson:
"THAT, this rule be declared as having become effective on January 1, 1964 and the Secretary notify all show-giving clubs to that effect."
FOR THE AMENDMENT TO THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Dawson, Mr. Duff, Mr. Frost, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment.
AGAINST THE AMENDMENT TO THE MOTION: Mr. Brown, Mr. Mehlenbacher, Mr. Monaghan.
ABSTAINED: Mr. Ashcroft.
Amendment to motion carried.

INTERNAL AND ADMINISTRATION

9 A 81. REFERENDUM BALLOTS

SUBJECT: Mr. Dawson's proposal that in each referendum ballot the effective date of amendments approved by majority affirmative vote be stated, this for the benefit and guidance of clubs and exhibitors.

MOTION #101-64
Moved by Mr. Dawson, seconded by Mr. Wells:
"THAT, in future referendum ballots the effective date of amendments to the Dog Show Rules, Obedience Trial Regulations and Standards and Field Trial Rules and Regulations approved by majority affirmative vote be stated."
STANDING RESOLUTION Motion carried unanimously.

COMPLAINTS, CHARGES & PROTESTS

8 C 1. POLICIES

SUBJECT: Mr. Wells suggested that the Board take steps to discourage the evident practice of some breeders, when selling dogs as pure-bred, to merely provide buyers with partially-completed applications for registration, leaving it to the buyers to identify the dogs which they had purchased and to submit applications and fees to the Canadian National Live Stock Records, a practice which he considered to be a violation of both the Live Stock Pedigree Act and the Club's By-laws.
DISCUSSION: During a discussion which followed it was suggested that, with a view to determining to what extent this practice is prevalent, the Secretary should ask the Canadian National Live Stock Records to forward direct to him, for appropriate action, any applications for registration and transfer submitted to their office by purchasers.

MOTION #104-64
Moved by Mr. Wells, seconded by Mrs. Anderson:
"THAT, all persons found to be issuing completed or partially completed applications for registration to buyers or dealers be severely reprimanded, and advised that should there be any repetition disciplinary proceedings will be instituted by the Board."
Motion carried unanimously.

INTERNAL AND ADMINISTRATION

9 A 14. REPORT OF EXECUTIVE MANAGER
9 A 16. STANDING RESOLUTIONS

REPORT: The Secretary, in his capacity as Executive Manager:
(1) reported that he had been informed that some members wondered what had become of the additional $10,000 allotted for salaries at the Club's head office when, at its annual meeting in 1962, the Board had increased the budget for salaries from approximately $35,000 to $45,000;
(2) pointed out that at the time the Board made this decision it was acting on the recommendation of a special committee which had outlined why the then staff of the Club was insufficient to deal with the increasing volume of the Club's business and, in authorizing the increase in budget for salaries, the Board anticipated that the Secretary would engage an Assistant and another senior stenographer;
(3) reported that these additions to the staff had been made and the permanent staff at the Club's head office now totalled ten in number;
(4) reported that, as at the end of 1963, the routine work at the Club's head office was in the best state of any time during the past eighteen years;
(5) stated that when the work involved in implementing the decisions of the current annual meetings had been completed he expected to be in a position to complete some projects which the Board had previously ordered, such as a booklet on registration and identification, helpful literature to clubs holding shows and trials, etc.

MOTION #105-64
Moved by Mrs. Joel, seconded by Mr. McDerment:
"THAT, we receive and accept the Executive Manager's report."
Motion carried unanimously.

SUBJECT: Mr. Monaghan:
(1) referred to motion #366-63 which had authorized the Secretary to make a number of changes in the Book of Standing Resolutions, and expressed the opinion that when "an omnibus motion" of this kind is adopted, all of the changes authorized by such a motion should be published;

(2) referred to motion #385-63 and stated that he felt this to be an unnecessary motion in that it should not be the responsibility of the Executive Manager to arrange for payment of travelling and other expenses.

MOTION #106-64
Moved by Mr. Monaghan
"THAT, motion #385-63, reading as follows:
'THAT, it be left in the hands of the Executive Manager to use his discretion in connection with payment of travelling and other expenses incurred when acting on behalf of The Canadian Kennel Club.'
be rescinded."

(NOTE: The motion failed for want of a seconder).

9 A 74. PICTURES OF PAST PRESIDENTS AND SECRETARIES

SUBJECT: A suggestion that as soon as possible the Secretary arrange for the hanging of portraits of past Presidents and Secretaries of the Club.
DISCUSSION: A discussion followed as to whether the portraits should be hung in the Board Room or the reception room.

MOTION #107-64
Moved by Mr. Wells, seconded by Mr. Mehlenbacher:
"THAT, the pictures be placed in the reception room."

AMENDMENT TO MOTION #107-64
Moved by Mr. Dawson, seconded by Mr. Anderson:
"THAT, it be left to the Secretary's discretion where these pictures be placed in the Club's office."
FOR THE AMENDMENT TO THE MOTION: Mr. Anderson, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Duff, Mr. Frost, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Monaghan.
AGAINST THE AMENDMENT TO THE MOTION: Mr. Wells, Mr. Mehlenbacher.
Amendment to motion carried.

-----Luncheon intermission.

DOG SHOWS

11 D 6. ENTRY FORMS

SUBJECT: The Secretary:
(1) pointed out that the change in definition of Canadian-bred necessitated changes in the official entry form for shows;
(2) exhibited and explained a new format for an official entry form in the preparation of which he had considered proposals advanced on previous occasions when the Board had discussed possible changes in the entry form.
DISCUSSION: During a discussion which followed:
(1) the Secretary's proposals regarding the new format of the face of the entry form were approved;
(2) the Board authorized deletions from the extracts of rules quoted on the reverse side of the entry form;
(3) the Board agreed that the Secretary would proceed to arrange for new entry forms on the basis of decisions reached by the Board at this meeting.

INTERNAL AND ADMINISTRATION

9 A 16. STANDING RESOLUTIONS

SUBJECT: The notice of motion, given by Mr. Monaghan in his letter dated January 18th, that resolutions #279-62, 132-63, 140-63, 270-63 and 354-63, be designated Standing Resolutions.
DISCUSSION: During a discussion which followed it was suggested that these resolutions should be reviewed by the Standing Resolutions Committee before a decision is reached by the Board.

MOTION #109-64
Moved by Mr. Monaghan, seconded by Mr. Brown:
"THAT, motions Nos. 279-62, 132-63, 140-63, 270-63 and 354-63 be designated 'Standing Resolutions'."
FOR THE MOTION: Mr. Brown, Mr. Duff, Mr. Little, Mr. Mehlenbacher, Mr. Monaghan.
AGAINST THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Dawson, Mr. Frost, Mrs. Joel, Mrs. Mack, Mr. McDerment.
ABSTAINED: Mr. Ashcroft.
Motion lost.

MOTION #110-64
Moved by Mr. Anderson, seconded by Mrs. Joel:
"THAT, motions referred to in the previous motion be referred to the Chairman of the Standing Resolusions Committee."
Motion carried unanimously.

SUBJECT: Mr. Monaghan's proposals, as outlined in his memorandum dated January 18th, regarding the establishment of a "Policy Book", the repository of texts of standing resolutions, and the procedure to be followed with regard to additions to, alterations in, and deletions from such Policy Book.

MOTION #111-64
Moved by Mr. Monaghan, seconded by Mr. Anderson:
"THAT, this proposal be referred to the Chairman of the Standing Resolutions Committee for consideration."
Motion carried unanimously.

SUBJECT: The Secretary referred to previous discussions by the Board regarding the publication of standing resolutions having to do with dog shows, field trials, and obedience trials, and recommended that:
(1) where there are sufficient rules to last through 1964, amendments to the rules and standing resolutions be printed in a separate booklet for inclusion with the printed rules;
(2) where it is necessary to reprint rules amendments would be incorporated as is customary, and the standing resolutions would be included in italic type with a covering explanation printed on the inside cover.
ACTION: It was agreed that the Secretary would proceed as he had recommended.

9 A 31. BOARD MEETINGS

SUBJECT: Mr. Monaghan's notice of motion, given at the Board meeting on January 4th, that at this meeting he would propose that the President and the Directors for Ontario be and are hereby designated the members of the Board who shall be eligible to attend regular meetings of the Board at the Club's expense.
DISCUSSION: During a discussion which followed:
(1) Mr. Monaghan stated that:
(a) it is almost impossible to ask a member of the Board living at the west coast to attend the regular meetings of the Board if there is no provision in some resolution for the payment of his expenses;
(b) said there is nothing in the By-laws to provide for this;
(c) everything possible should be done to make it possible for the President to attend Board meetings;
(d) there are sufficient members of the Board in Ontario to ensure a quorum;
(2) Mr. Wells expressed the opinion that such a motion is contrary to the By-laws;
(3) Mrs. Joel said that all members of the Board are Directors of The Canadian Kennel Club, and all Directors should be eligible to attend meetings of the Board at the Club's expense, particularly where the members in any particular area have a problem which they wish their Director to present at a meeting of the Board;
(4) the President read the letter which, on his instruction, the Secretary had addressed to the Club's solicitor on June 27, 1963 regarding payment of travelling expenses and allowances, and the opinion of the Club's solicitor as set forth in his reply dated July 15, 1963;
(5) Mr. Anderson:
(a) expressed the opinion that the question is less one of payment of expenses than the advisability of holding meetings of the Board only when necessary;
(b) stated that there are sufficient members of the Board in the Toronto area to form a quorum when there is sufficient business, between meetings of the national Board, to necessitate a meeting of the Board.

MOTION #112-64
Moved by Mr. Monaghan, seconded by Mr. Brown:
"THAT, the President and the Directors for Ontario be and are hereby designated the members of the Board who shall be eligible to attend regular meetings of the Board at the Club's expense."
FOR THE MOTION: Mr. Monaghan.
AGAINST THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Dawson, Mr. Duff, Mr. Frost, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
ABSTAINED: Mr. Brown.
Motion lost.

SUBJECT: The President sought the Board's pleasure with regard to the date of commencement and place at which the semi-annual meeting of the Board would be held.

-----At the President's request the Vice-President assumed the Chair.

DISCUSSION: During a discussion which followed:
(1) Mr. Duff:
(a) stated that for many years prior to Newfoundland becoming part of Canada, pure-bred dogs had been imported to and bred in Newfoundland but there being no dog registry there, many thousands of pure-bred dogs had remained unregistered in any stud book;
(b) it had been suggested to him that the Board hold its semi-annual meeting in Newfoundland and during its semi-annual meeting consider what may be done to bring many otherwise pure-bred dogs into the Club's registry;
(2) it was suggested that before the Board could give consideration to the possible registration of said dogs a thorough survey should be conducted and arrangements completed for the inspection of those dogs which may qualify for registration in the Club's records;

7 R 27. REGISTRATION OF DACHSHUNDS

REPORT: The President read the following report (dated February 27th) submitted by the special committee appointed by the Board (motion #51-64) at its session on February 24th:
"On behalf of the committee selected to meet with the Dachshund fanciers, the meeting took place last evening at 7:30 p.m. and lasted until after 9:00 p.m., and we met with the following representatives of active Dachshund breeders, which were: Mrs. Pat Fisher, Mrs. Thompson, Mr. France, Mr. E. Dixon, Mr. & Mrs. Stu Roberts, and Mrs. Helen Sinclair.
"A very interesting and harmonious discussion took place and it was the general concensus of opinion of all present that the suggested implementations of the following procedures previously discussed by the committee, will meet with the approval of Dachshund breeders.
(1) No change in dog show procedure.
(2) No restrictions on intercoat and/or intersize breeding.
(3) Canadian-born Dachshunds will be registered with coat and size indicated by letters following their registered numbers.
(4) An imported Dachshund will be accepted and registered according to actual coat and size as long as it is accompanied by a three-generation pedigree.
"One other suggestion to consider which was made by Mrs. Pat Fisher was that, as a result of a mating of two dogs of the same coat there are one or more puppies born of a different coat, then both the sire and the dam would be identified by special letters as carrying the recessive genes of the coat."
DISCUSSION: During a brief discussion it was agreed that the Committee's report would be accepted, copies made and distributed to the Board, and the report would be considered later during this session.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 27. REGISTRATION OF DACHSHUNDS

DISCUSSION: As agreed earlier in this session the Board proceeded to discuss the report of the special Committee whose report had been accepted by motion #119-64.
Mr. Monaghan asked that his remarks, as follows, be recorded:
(1) What about the views of other Dachshund breeders in Canada? Don't they count?
(2) What about the views of all those who answered in the survey?
(3) At what minimum age of the puppies will the coat and size be determined?
(4) Will the certificate of registration be called in and amended?
(5) How is it proposed that the terms of last night's agreement concerning Dachshunds be implemented?

Mr. Anderson referred to Mr. Monaghan's first two questions and stated that the committee appointed by the Board had taken into consideration the replies received to the memorandum addressed to Dachshund breeders, in November 1963, by the Registration Committee; and stated that it would be the responsibility of the breeder to show, on his application for registration, the coat and size of the Dachshund which he wishes to register in the Club's records; and it would be for the Board to decide the means by which the recommendations, as set out in the Committee's report, would be implemented.

Mrs. Anderson pointed out that in Great Britain it is the applicant for registration who states, on his application for registration, the coat and size classification of the Dachshund he is applying to register.

Mr. Frost stated that he felt the Committee's report was an answer to the problem and its proper implementation could be worked out.

Mr. Duff said there may be some difficulty in implementing recommendation #4.

MOTION #127-64
Moved by Mr. Wells, seconded by Mr. Dawson:

Field Trial Representative (Foxhounds): W. J. Monaghan.
Field Trial Representative (Pointing Breeds): Jack Bradley.

Mrs. Joel:
(1) stated that the list of recommendations submitted by four Ontario Directors did not include the name of one person recommended by seven clubs nor the name of another person recommended by five clubs;
(2) stated that having obtained the recommendations of clubs holding field trials and obedience trials in Ontario their recommendations should be considered;
(3) stated that she had left the meeting when, in connection with the first of the appointments considered by the five Ontario Directors, it appeared that no consideration would be given to the several persons recommended by clubs responding to the invitation addressed to them seeking their recommendations.
Mr. Brown stated that all the recommendations received had been considered.
Mr. Monaghan asked that the other provincial Directors do not oppose the recommendations of the four Ontario Directors as the Ontario Directors had not opposed their recommendations.
The President stated that appointments are made by the Board rather than by individual Directors or a group of Directors.

The following were nominated in connection with the office of Ontario Field Trial Representative (Beagles - pack): H. G. McConnell, Ray Yearwood.
A secret ballot was conducted.
Mr. Monaghan stated that he considered the ballot as not being in accordance with the By-laws, and having already stated his choice, he would not vote.
The Secretary, on being instructed to announce the results of the ballot reported that seven members of the Board had voted for Ray Yearwood, three had voted for H. G. McConnell, and there were two blank ballots.

DOG SHOWS

11 D 1. JUDGES

SUBJECT: The Secretary read Section 4 of the "Rules Governing Sanction Shows" and inquired whether it is necessary for a club holding a sanction show to secure C.K.C. approval of its selected judges.

ACTION: It was agreed that the prior approval of the C.K.C. is not required by Section 4.

SUBJECT: A letter (dated December 11th and referred to this meeting by an instruction of the Board given at its meeting on December 18th) from Mr. R. L. MacKillop in which Mr. MacKillop suggested that the Board take steps to eliminate the oral examination as required by Chapter 7 of the Dog Show Rules in connection with those seeking to establish eligibility to judge one or more breeds.
ACTION: It was agreed that no action be taken for it is not within the power of the Board to amend Chapter 7 of the Dog Show Rules.

SUBJECT: A letter (dated February 10th) addressed to the Board by Mr. Monaghan in which he stated that he would like to have a discussion, in panel style at this meeting, seeking answers to the following questions, a comprehensive summary to be published in "Dogs in Canada":
(1) Why are judges allowed to run for CKC office?
(2) Why are they given approval to judge during their term of office? Being a member of the Board is not a qualification to judge dog shows.
(3) Why are persons holding CKC office allowed to take the examination to establish eligibility for approval to judge?
(4) Why are members of the Board who are also active judges permitted to make rules calculated to be so suitable to themselves?
(5) Why are members of the Board who are judges or persons aspiring to be judges allowed to participate in the setting up of rules and regulations for exhibitors?
(6) Why shouldn't the judge be required to sign a judge's agreement similar to the one signed by retriever field trial judges just prior to the show he will be judging?

"THAT, this letter be referred to the Committee reviewing the Dog Show Rules for such action as it deems appropriate."

AGAINST THE MOTION: Mr. Wells, Mr. Dawson, Mr. Duff, Mr. Frost, Mrs. Joel, Mr. McDerment.
Motion carried.

11 D 25. DATES

SUBJECT: The Secretary:
(1) reported that the following resolution (#480-63) had been adopted at a meeting of the Board held on December 18, 1963:
"THAT, sanction show dates in Ontario be not granted more than four months in advance, and only one date be granted at a time, and no application for sanction show date in Ontario be considered if submitted more than six months in advance."
(2) pointed out that when a matter of policy is decided at a meeting of "the quorum Board" it is customary to seek confirmation at the next following meeting of the national Board.
DISCUSSION: During discussion which followed:
(1) it was pointed out that while such a policy is necessary in an area where there are many clubs holding sanction shows within a comparatively short period of time, the policy outlined in the resolution is not necessary in an area served by one all-breed club holding sanction shows during a period of the year when championship shows are not being held in that area;
(2) it was suggested that the resolution should be altered to enable the Secretary to use his discretion to the extent of granting multiple sanction show dates to a single club when it is clear that to do so presents no problems.

MOTION #167-64
Moved by Mr. McDerment, seconded by Mrs. Joel:
"THAT, we confirm the ruling given by the quorum Board under motion #480-63 but include the words 'at the discretion of the Secretary' after the word 'THAT'."
Motion carried unanimously.

SUBJECT: A letter (dated January 6th) from The Bermuda Kennel Club reading (in part) as follows:
"To insure continuing interest in breed shows, we feel we must find a way to provide additional shows for certain groups of keenly interested local exhibitors. to encourage their interest in their breeding programs. The only way we can see to accomplish this is to follow the Canadian Kennel Club plan of holding specialty shows in the mornings of our all-breed shows, for breeds which produce sufficient entries in sanction matches to warrant the specialty shows. On the other hand, we cannot go into specialty clubs for every one of these breeds at the present time, and we wonder if there would be some way whereby our Board of Directors could appoint certain members of the Board who are also keen breeders and exhibitors to head a breed club, which in turn would be responsible for producing a good entry for the specialty show which would be under the BKC but run separately."
DISCUSSION: During a discussion of the request received from the Bermuda Kennel Club the Board considered the provisions of Chapter 2, Section 3, of the Dog Show Rules and unanimously agreed that:
(1) regardless of what appears in the constitution of a specialty club it cannot be granted permission to hold both all-breed and specialty shows;
(2) an all-breed club cannot be granted permission to hold a specialty show.
ACTION: It was agreed that:
(1) the Board is not prepared to grant to the Bermuda Kennel Club the privilege of holding both all-breed championship shows and specialty championship shows;
(2) it would be suggested to the Bermuda Kennel Club that it arrange for the formation of group clubs in Bermuda for the purpose of arranging for group specialty shows to be held in conjunction with their all-breed shows.

-----Mr. Anderson took the Chair at the President's request.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 49. PRIVATE BREEDING RECORD BOOKS

SUBJECT: Mr. Williams:
(1) pointed out that the Club's By-laws (based on Section 5 (o) of the Live Stock Pedigree Act) require each breeder to keep a private record which shall contain full particulars of his breeding operations and identification of all dogs in his possession by reason of ownership, lease or agreement;
(2) pointed out that investigations conducted by the Club and the Department of Agriculture indicate that not all breeders comply with this requirement;
(3) proposed that the Board decide to provide each 1964 member with a free copy of the private breeding record book made available by the Club, stating that the cost to do so would be about $2,000.

MOTION #168-64
Moved by Mrs. Anderson, seconded by Mr. Brown:
"THAT, a private breeding record book be supplied without charge to each 1964 member."

DISCUSSION: During a discussion which followed it was pointed out that not all members of the Club are active breeders and to automatically supply a free copy of the book to every 1964 member would result in some wastage.

AMENDMENT TO MOTION #168-64
Moved by Mrs. Mack, seconded by Mrs. Joel:
"THAT, a notice be published in 'Dogs in Canada' advising that upon application to the Secretary, a 1964 member will be supplied at no charge with a private breeding record book."
FOR THE AMENDMENT TO THE MOTION: Mr. Williams, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Duff, Mr. Frost, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
AGAINST THE AMENDMENT TO THE MOTION: Mr. Monaghan (on the grounds he is in favour of the main motion).
Motion carried.

That Question of Temperament

The word "temperament," in its general application, embraces character, sensitivity, discrimination, spirit, and intellect. It can denote either the absence or presence of one or more of these psychological traits. As a definitive, the word is therefore too wide in scope to have direct meaning. But we are not as concerned with the word as we are with its broad application. What is the true shepherd temperament? How is temperament, good or bad, transmitted? Why does a shepherd possess a temperament which can be specifically right or wrong for the breed? What are the essential faults of temperament? Where do these faults come from and can they be corrected? These are the questions which we must have answered if we would understand and be capable of evaluating temperament. To begin, we must hark back to the origin of the breed to understand the basic mental requirements and why they were established.

The German Shepherd Dog was originally formed, in the crude state, by the intermingling of the inheritable characters of working sheep-herding breeds. Shepherd dogs of all countries, as a canine class, are bred and selected from individual animals which have intelligence, trainability, and the various mental characteristics that enable them to do their job well. We can assume, then, that the animals from which our breed stems embodied these stable mental qualifications. To establish a standard type, close inbreeding was indulged in, and this brought to light hidden recessives from the intermingled sheep-herding strains. With this selection for type, the basic character and mentality of the breed became less uniform than it had been when only selection for mental factors was involved.

Temperament is not a simple Mendelian trait. It is the sum total of the animal's mental being, his inherited mind structure and his ability to apply it to experience.

Environment, to a limited extent can influence eventual temperament, particularly as it is applied to early puppy experience. The dog is a creature of habit and imitation, and a shy bitch can cause shy habit patterns in her young by their imitation of her behavior. But influences of environment are acquired characters, not hereditary patterns, and therefore cannot be transmitted as such. The effect of environment on temperament is negligible, since essentially the greater number of breeders and owners supply proper environment for their dogs. The influence of environment, too, is kept within fairly narrow limits by natural and inherited demarcation. If environment did exert a high percentage of influence, how then explain the shy young dog, raised, fed, handled, and housed exactly the same as his mentally normal run-mate?

Let us first come to terms with the full meaning of this thing called temperament. A dog is not just "shy" or "vicious." An animal which displays these traits is mentally unsound, degenerate, or moronic. He is a constant worry to his owner and a danger to himself, his breed, and anyone with whom he comes in contact. Mental degeneration can and will limit the constantly rising popularity of the breed, as it did once before.

The essence of the German Shepherd Dog as an individual breed is based upon type and temperament. Without type, a dog is not fit to be classified as a German Shepherd. Without temperament a German Shepherd is not fit to be classified as a dog.

We so often hear the phrase, "He is only slightly shy (or overaggressive). I'm taking him to training classes to correct it." If this temperament fault is the rare one of environment it can, in many cases, be corrected. If it is a slight hereditary mental aberration, it can sometimes be covered up or hidden by training to all but the canny observer. But if the taint of mental instability is present as an inherited factor, it will never leave, and to say that a dog is slightly shy or vicious is akin to saying a woman is slightly pregnant; there are degrees in both cases, but the fundamental fact cannot be denied and with the passage of time becomes more evident.

FIVE BASIC CATEGORIES

Faults of temperament can be divided into the five basic categories which follow. In each instance the faults discussed are the extremes. There are shadings or degrees from the norm to the extreme and, in some instances, an overlapping of temperament defects. We are, of course, using extremes to give a completely clear picture of the faults of temperament, since without complete recognition, correction or elimination is impossible.

A *shy* dog is an oversensitive animal, an introvert whose world is too much for him. He lives in a dark mental shell of his own making, peopled by personal dragons and echoing hollowly to frightful sounds. To this dog, most experience is filled with horror and permeated with fear of the unknown. As a living creature he is a pitiful, craven thing whose constant terror of life pleads for release through peaceful death. This is a dog at the extreme limits of shyness. Sometimes we find a degree of timidity in young dogs or puppies, particularly bitches, which must not be confused with shyness. It is often due to lack of varied experience with strangeness and new activity.

The *sharp-shy* dog is the epitome of bad temperament. He is easily driven to panic by the unfamiliar. When faced with strange surroundings or the approach of one who is not a familiar, the extreme fear-biter will attempt to escape, bites if he thinks he is cornered, urinates, and permeates the premises with a foul odor which emanates from the anal glands. If you own a dog with these defects, you should have it destroyed no matter how painful it is to you to do so. It may be attached to its own household and the inmates and be sweet and kind with the children, but this is only comparable to the counselor's plea for his criminal client who was "good to his mother." This psychologically unstable animal will, if the occasion arises, bite one of its owners in blind panic without even being aware of having done so.

The *dull* dog is so undersensitive to outside stimuli that he lives in an uncaring world of grayness which has no distinctive contrasts. To some people he is a good dog to have around, since he asks for little other than food and shelter. He is quiet in the house and around the grounds, since there is nothing around him of sufficient interest to arouse him to either curiosity or action. He has no individuality and is as much of a companion as an end table. We do not have many individuals of this character (or lack of character) in the breed.

An *overly sharp, or vicious*, dog, unless kept strictly under control or confinement, is as dangerous as a rattlesnake. This is our canine gangster who obeys no law but the ancient one of club and

THE WESTERN CANADA BOXER CLUB

The club is not only the oldest Boxer club in Vancouver but also a very active one. Officers for the coming year are: President, *Mrs. Harry Salmon;* Vice-President, *Mr. R. Cauldwell;* Treasurer, *Mrs. R. Verhulst;* Secretary, *Mrs. J. H. Smith;* Corresponding Secretary, *Mrs. J. Mitchell;* Show Secretary, *Mrs. Elsie Murray.*

In January a successful puppy match was held with 14 puppies of high quality. Judge was *Mrs. Lucille Pomeroy* of Puyallup, Wash. She chose "Captain" from the two to four months male class as BP in S. Owned by *Mr. Morrison,* he is by Ch. Wo-Kan-Da's Triumph ex Britannian Swirling Kilt.

A Champion parade was held at the same time. This was led by *Mrs. Eileen Fraser* with her Ch. Meridians Executive CD white around the muzzle but strutting proudly in spite of his 14 years. Other Champion sires and dams present helped fill the puppy classes with their offspring.

Instructor for the Obedience classes is *Mrs. Eileen Fraser* and for the handling classes, *Mrs. Elsie Murray.*

Plans are underway for the Boxer Specialty in May and for the Summer Puppy Match.

THE NANAIMO KENNEL CLUB

The club's monthly "K9 Report" is being received with enthusiasm locally and is becoming known across Canada. *Mrs. Grace Probert,* editor of the Ontario "Obedience Link", has written to congratulate the N.K.C.'s news letter for its all-round coverage. This is made possible by the contributions of enthusiastic members.

The club's Island Ass'n representative, *Larry Olsen,* reports on two motions put to the A.I.O.C. members. A motion to ask judges to judge club trials as strictly as they would CKC Trials was passed, while one to allow corrections in the ring by handlers was defeated. It was felt that both owners of unregistered dogs that may be entered only at club trials, and owners of registered dogs that use club Trials as a stepping stone to CKC Trials, should be able to have confidence in the standards set. Club Trials should never be confused with Obedience Classes.

Ring stewarding classes are being held regularly. The V. I. Tracking Ass'n. will be holding a new class soon.

The hard-working members of the show committee are: *Don Bassett* (Chairman); *Larry Olsen* (Obedience); *George Tuson* (Trophies); *Mrs. Lois Eberts* (Advertising); *Mrs. M. Mitchell, Mrs. E. Tuson, Mrs. M. Donnelly, Duance Perry,* and *Howard Tyrrell.*

At the January meeting, *Duane Perry* was presented with a club CDX certificate for "Asta". *Dorothy Jamieson* and "Freckles" were awarded the Stan Dyde trophy which is given to the club member making the highest score at a club trial during the last six months. A number of dogs and owners in the present beginners, CDX and Utility classes have their eyes on this trophy for July.

B.C. ALL TERRIER CLUB

The club publishes a very "newsy" newsletter. Editor, *Stella M. Newby.*

An eagerly-awaited item was the results of the competition for the Joseph Dodds Memorial Trophy and the owner-bred trophy. For the first time both trophies have been won by the same dog, the Scottish Terrier Ch. (Can. Am.) Dressen's Postscript, bred and owned by *Mrs. Lee Dressen,* Washington, USA. Heavy double congratulations to a grand little Scottie and to his kind, gracious, and well-loved owner.

Results to the first four of each trophy are:

	POINTS
J. D. MEMORIAL TROPHY, 1st Ch. (Can. Am.) Dressen's Postscript	391
Mrs. Campbell's Lhasa, 2nd Ch. Tensing of Abbotsford	303
Mr. and Mrs. Mesdag's, Smooth Fox, 3rd Am. Ch. New Maidley Jason	122
Mrs. R. D. Bristowe's, Wire Fox, 4th Ch. Bristowe's Chimney Sweep	75
OWNER BRED TROPHY, 1st Ch. (Can. Am.) Dressen's Postscript	391
2nd Ch. Bristowe's Chimney Sweep	75
Mr. R. Newby's Wire Fox, 3rd Ch. Worrindale Satelite	42
Mrs. H. Roy's Kerry Blue, 4th Ch. Kel Tara's Blue Blazer	35

The results are taken from the B.C. shows only.

The club is planning to hold two All Breed shows on June 26 and 27. The Saturday terrier entry will be classed as a Terrier Booster Show with extra trophies and as many terriers as possible competing.

The members held a very successful Smorgasboard in aid of *Gorth and Mary Windsor* (Airedales and Kerry Blues) whose home was completely destroyed by fire on December 28. The two children and the dogs were unharmed.

Mrs. Ena Stewart would like support in her campaign to make the Canadian Championship on a par with the American. She has asked all who support the idea to write a letter to the CKC. Phone her or drop her a line — she has some excellent views on the subject.

Mrs. Sally Hudson is once again in the winners circle with Ch. (Can. Am.) Whitebriar Journeyman. "Robbie" won the West Highland White Specialty in Madison Square Gardens, New York, over 62. He also took BB in Westminster.

Mr. Newby was thrilled when his young male puppy Wire Fox Terrier took BIS at a recent sanction Show with 161 dogs in competition.

Mrs. Terry Bryant of Royal Wire Wires in Washington, USA writes that Facsimile of Kavalier went RW at Golden Gate and WF for a major at Orange Empire and 3rd in the group at Tacoma.

A new breed has been added to the Terrier Club: *Mr. A. E. Villers* is the proud owner of two coloured Bull Terriers.

NORTH FRASER VALLEY K.C.

The club holds regular monthly meetings on the last Wednesday of the month at the home of members. New members are welcome. Anyone wishing further information should phone 467-4875 or write to *Mrs. J. S. Leedham,* 20556 Powerline Rd., Haney, B.C.

One club member, *Kristine Utter,* had an enjoyable holiday visiting the Westminster show and visiting Standard Schnauzer Kennels in the east.

RICHMOND DOG TRAINING CLUB

Mrs. B. Rogalsky, secretary of the club, reports that the club is busy preparing for the Obedience Trials in Stevenson on March 8. "Dixie" belonging to the club president, *Bill Strutinski,* recently obtained her tracking degree in the USA. She is believed to be the only Collie in North America with the title of international UDT.

COASTAL CANINE ACADEMY

Mrs. Ann Whitton, corresponding secretary of the Academy, sends in the club's calendar for the year.

May 2: A Sanction Trial at the Dollow Will Hall in New Westminster.

May 23: Sanction Conformation Show at the Horticultural Hall – good judges, good prizes, and good food.
Early Sept.: Start off classes again.
Oct. 4: Two licensed Obedience Trials at the Arena, New Westminster.

Mrs. Jean Lyle, Wycliffe Poodles, writes: "I think it is of vital interest that Ch. Wycliffe Virgil, bred by me, born May 15, 1960, sired by Ch. (Can. Am.) Wycliffe Timothy and out of Ch. (Can. Am.) Wycliffe Jacqueline, Am. UD Can. UDT – was BOV at Westminster two weeks ago. Best Opposite to him was Am. Ch. Lady Margaret of Belle Glen, sired by Ch. (Can. Am.) Wycliffe Thomas and out of Ch. Bridget of Belle Glen (Am) – and actually bred right here in Vancouver, though she was whelped in New Jersey. "Tom" sired no fewer than nine champions last year, eight of them American Champions, to give him a total of 20.

At Seattle at the weekend, Ch. Wycliffe Demosthenes, bred by me, owned by *Fred Campbell* and *Ellwood Smith* of Winnipeg, completed his American championship by winning a five pt. major at 18 months of age – he got his US pts. at Minneapolis, Detroit and Seattle . . . Winners Bitch was de Russy Keepsake, a daughter of Thomas and out of Am. Ch. De Russy Bedazzle, bred in California.

I think it is noteworthy so far as breeding practices are concerned that Ch. Wycliffe Virgil (Westminster winner) and Ch. Wycliffe Xavier (top winning Standard Poodle in US last year) are full brothers, a year apart – and each of them was produced by the often maligned in-breeding – a mother to son breeding. Both are sons of my beloved Jacqueline – and each is half brother and nephew of Thomas . . .

At Vancouver, Wash. in January, Can. Ch. Wycliffe Damocles won the group and the last points toward his American championship. At just 18 months, three of that litter are American champions. Dudley, the first to finish, did so in California at 12 months, and when 10 months won BOV at Columbia Specialty over 3 specials out of the puppy class under *Tom Stevenson.*"

Mrs. Lyle's new Brussels Griffon male rough red pup, Gaystock Jerermiur Gustav, has arrived in Vancouver from England. His dam was the BB winner at Crufts, 1962.

GATEWAY CITY OBEDIENCE TRAINING CLUB

Gateway held class graduation on March 16. This was followed on March 23 with a Film Night at which two films were shown – Anatomy of the Dog, and Gun Dogs in Action. *Dr. D. Croll* spoke on the conformation of the Golden Retriever, and *Mr. Hugh Crozier* spoke on the conformation of the Labrador Retriever. Program Chairman in charge of this was *Miss Jane Owen.*

The next series of classes commenced on March 30.

President, *Mr. Ron. Hamel,* has been in hospital – Penicillin reaction – and club members are happy to know that he is rapidly recovering.

The list of Champions who gained their title last year was one short. Ch. Krohn's George of Freedale, CD, a Rough Collie, owned by *Mrs. Mary Ann Monkman,* Training Chairman. Apologies to 'Jordi', who won this at Portage la Prairie last May 26.

Miss Jane Owens has imported Am. Ch. Saddlerock Social Leader, a male Beagle, and son of Gay Boy of Geddesburg. Gay Boy was the '62 top winning Hound in the States. This import is now 18 months old and was a winner of a Hound Group at only 11 months.

A bulletin containing the proposed new rules for tracking tests was mailed to all clubs holding Obedience Trials for comment. *Mrs. Marion King, Mr. R. Hamel,* and *Mr. G. Ashcroft* each replied. These were sent to the Tracking Test Committee.

ontario

VINA JONES, R.R. #2, Minesing, Ont., Labrador breeder and exhibitor, valuable contributor to dog club, humane, first aid, other club work.

Starting the last edition of Club Roundup, I do with a lump in my throat as it is always sad giving up things we have enjoyed. I will miss the contact I have had with the many clubs. Little personal notes have accompanied the news items as they came each month and I have enjoyed and appreciated each and every one. May I say thank you to Dogs in Canada for having given me the privilege of being your editor for the 18 months this department has been in existence and wish good luck to the Breed Notes.

THE ALL TERRIER CLUB OF CANADA

February meeting of the club was a most pleasant one, opening up to give all members present an opportunity to express their views on how the club could improve in the coming year. Although no definite plans were formulated, everyone had suggestions, many of which will come up for approval at the next meeting.

It was also learned that a most valued member, the Secretary, *Mrs. Elsie Betts,* had made the decision to leave for "greener pastures", i.e. California. In the middle of February in Canada, who could help but envy her! This certainly will be the club's loss, and California's gain.

The All Terrier Obedience Trophy will this year be awarded to *Mrs. Becky Pennycook* and her Scottie, Calico Glenna, by the President, *Mr. John Devlin,* at the club's Booster Show in conjunction with the Sportsmen's Show.

Plans for the May 17 Specialty Show are well in hand. The Canadian West Highland White Terrier Club is again joining with a Specialty of their own.

All luck to any members attending Chicago International, and especially to *Casey Gardiner* who's judging the Kerry Puppy Sweepstake, her first assignment in the USA.

As this is the last club column, the club bids a fond farewell to all members who are beyond the reach of Alexander Graham Bell's magnificent invention. In the meantime, don't forget the breed columns coming up. This is the way to keep the Terriers in the forefront of the news.

BARRIE KENNEL CLUB

Members have their 1964 All Breed Championship Show in readiness. Judging this show on May 16 will be *Mr. Percy Roberts, Mrs. Edna Joel* and *Mr. Tom Joel.* As an experiment, this year the show will be unbenched.

BURLINGTON & DISTRICT KENNEL AND OBEDIENCE CLUB

The March meeting was held on the 5th at the Sea Cadet Hall in Burlington with a good attendance. A report was given on the annual Sanction Show held February 29, which was considered successful with 92 dogs entered. Results are: Group I – Irish Setter, Colleen, owned by *Mr. and Mrs. O. Langford.* Group II – Miniature Wirehaired Dachshund. Group III – Siberian Husky owned by *Mrs. G. Corbett.* Group IV – West Highland White Terrier. Group V – My Little Pip, Miniature Pinscher owned by *Mrs. Ethel Sipes.* Group VI – Standard Poodle owned by *Mrs. Polson.* BIS was judged by *Mrs. D. T. Weir* who picked the West Highland owned by *Mr. and Mrs. A. Kaye* which also won BCB and BCB Puppy.

Obedience Chairman, *Harold Coles,* reported everything is all set for the Spring Classes.

The club has held very successful Show Handling Classes conducted by *Mrs. D. T. Weir.* Those attending these classes have gained a wealth of knowledge.

In April members look forward to the "pin awarding night" to deserving dogs and owners. The dogs do the winning and the owners get the pin. Pins will be for those having finished a Champion and if more than one Champion it will be indicated by the number on the pin.

CHOW CHOW FANCIERS OF CANADA

The annual general meeting and election of officers, held January 29, elected the following for 1964: President, *Mrs. M. J. Nattrass;* Vice-President, *Mr. P. Odenkirchen;* Secretary-Treasurer, *Mrs. S. Waite;* Directors, *Mr. A. Gardwood* and *Mr. D. Schwoob.*

Activities for the coming year include a Specialty Show in October, a picnic during the summer and a regular meeting the last Sunday of each month.

The club is open for membership to all those interested in the breed and it

DACHSHUND CLUB OF CANADA

Second meeting for 1964 was held at the *Chatfield's* in London with a good representation of members present. The club is pleased to announce that the Specialty date of September 26 with the Burlington Club and judge *Stan Whitmore* have been approved. With the Scarborough show next day this will give three sets of points on a big weekend. The club is anxious to let those members, who cannot get out to shows, know that other members will be only too willing to show their dogs for them at no cost other than the entry fee and of course any shipping charges.

Secretary *Kay Barnes* was complimented on her reintroduction of the periodical newsletter which will be mailed to all members.

Three new active "Dachshundists" were accepted to membership in the club. The club is open to new members and applications should be obtained or sent to the Secretary, *Kay Barnes*, 1411 London Rd., Sarnia, Ont.

John France presented plans for club plaques to fasten to crates and these, enthusiastically approved, will no doubt be available by the time this is in print.

A Puppy Match was tentatively approved to be held at the *Anderson's*, London, in August.

A short talk on the Dachshund was given by the President with Ch. Canidae's Legionairre as model and also in use was a large Dachshund chart supplied by the *Frances*. Highlight of the meeting followed the buffet served by the hostess, when a showing of coloured movies of the Yclept Russet Longhaired Dachshunds of Milk River, Alta. was presented. These were taken by *Dr. and Mrs. Clementi*, the owners, and were found to be very interesting.

HAMILTON OBEDIENCE CLUB

Members held a members' match on February 16 in the Spring Valley Recreation Hall in Ancaster, Ont. with 33 dogs in competition. Thirteen were from outside clubs, i.e. Burlington, Skyway and Brantford. Novice A and B classes were judged by *Mrs. Peg Oldland* and Open and Utility by *Mr. Clarke Diamond*. *Paul King's* Irish Setter (novice) won the Perpetual trophy. *Lil Firth* won first in the Open with her Sheltie and Helen Dymytrus went first in Utility with a Chihuahua. There was no charge – only to bring a lunch which all enjoyed on completion of the trial.

The club drew an entry of 48 dogs on February 23 at its Licensed Trial. The judges were *Donna Greimel* from the USA and *Don Foster* of St. Catharines. *Gwen Street* won the memorial trophy with her Shetland Sheepdog. Several members obtained legs towards their degrees. *Dick Street* with his Sheltie in Open, *Ria Cunningham* in Novice with her Doberman, *Reg Peters* was second in Utility with his Welsh Corgi and *Betty Arnold* earned her first leg in Novice with her Sheltie. Trophy Convenor was *Mrs. Gwen Street*. There were several entries from the USA. *Mr.*

George Melhenbacher and *Mr. Gordon Ashcroft* of the CKC were among the spectators. After the Trial *Mr. and Mrs. Howard Ward* opened their home to the many Trial workers.

Elections are coming up in April and a good turnout is looked for.

IRISH SETTER CLUB OF CANADA

The February meeting was held at the home of *Mr. and Mrs. W. Ionson* at which time final arrangements were made for the Sportsmen's Show re decorations and fliers. An instruction period on show ring, points in conformation and obedience was conducted by *Roy Dafoe.*

The next meeting (will be held) March 24 at the home of *Mr. and Mrs. R. McCormick,* Ancaster, Ont.

The annual dinner meeting on April 26 appears interesting. The menu and dinner are being planned and prepared by the men of the club.

Princess of Erin, owned and trained by *Paul King,* is to be congratulated on winning the Memorial Trophy at the Hamilton Obedience Club, members match, as the highest scoring dog of the day with a score of 198. This is the first time an Irish has won this award. Lady also took two wall plaques, one for high scoring dog in CD work and the second for high scoring dog of the day. The Irish were well represented at the match with *J. McCallum's* Bronze Knight placing third in CDX.

This Spring is going to be a busy one for the club — a members' Field Trial will be held at the Campbellville Pheasantry, Campbellville, Ont. on May 24; on June 14 an invitation has been extended to the Irish Setter Club of Western New York to attend an invitation match possibly at Streetsville, Ont. at *Mr. K. Honsberger's* home. Ladies of the club will be asked to host the American guests. Dates to remember: April 25, dinner meeting at *Mr. and Mrs. K. Honseberger's;* June 14, invitation match with Irish Setter Club of Western New York, place to be decided upon.

LABRADOR RETRIEVER CLUB OF ONTARIO

Executive for 1964 are: President, *John MacDougall;* Vice-President, *Ken Sinclair;* Treasurer, *Eve Ogden;* Field Trial committee, *Tom Bush, Doug Brant, Gerry Weisbrod* and *Peter Wyckoff;* Bulletin Editor, *Sandy Briggs;* Treasurer and Membership, *June Bush,* P.O. Box 22, Nobleton, Ont. Membership in the club is open to anyone who owns a purebred, registered Retriever, working dog or show dog.

Each month, from October to April, the club runs one training trial on the 1st Sunday of each month. It is at these Trials that dogs and handlers learn their trade and have some fun. The club runs two licensed Field Trials every year, this year in June.

A monthly bulletin is sent to all club members with Show and Trial results, dates of coming Shows and Trials, paid advertisements, training hints and oddments of interest.

Top winning club dogs in training trials for 1963 were: Open Stake, *Kay Robinson's* Toby (Don Head Barley Su-

OXFORD COUNTY KENNEL CLUB

The first meeting of the season took the form of a dinner meeting, at which time cheques, totalling $700., were presented to representatives of five local charitable organizations. CNIB was given $300; Salvation Army, $100, Humane Society, $100; Senior Citizens Group, $100. and the Retarded Children's Association $100. This is the club's way of showing its appreciation to the exhibitors who have supported its dog shows in the past and it is hoped they will again support the club's 5th annual All Breed Championship Show to be held in Woodstock on July 11. Show Secretary is *Mrs. Chris Marshall*, 678 Roselawn Ave., Woodstock, Ont.

PEKIN PALACE DOG CLUB OF CANADA

The club reports its success in 1963 and members are most enthusiastic regarding the future. One of the club's activities was holding an All Breed Sanction Show last June at the Waterfalls Playground in Georgetown with 82 dogs. Exhibitors and visitors enjoyed the day despite rain and storm.

Officers elected at a well-attended annual meeting January 14 were: President, *Mr. Len Morris;* 1st Vice-President, *Mr. W. Langebeck;* 2nd Vice-President, *Mrs. V. Mosley;* Secretary-Treasurer, *Mrs. Denyer Morris*. The committee is made up of *Mrs. W. Langebeck, Mrs. B. Peckover, Mrs. B. Lnudy* and *Mrs. V. Mosley*.

Several activities were discussed for the coming year such as movies, another Sanction Show, a Puppy Match and a Match Meeting.

The annual banquet was held January 25 at the Yangtze Pagoda and all 22 who were present enjoyed themselves.

SCARBOROUGH KENNEL CLUB

The monthly meeting was once again held at the home of *Mr. and Mrs. Stan Whitmore*, Thornhill, Ont. All were pleased to have *Mrs. Edna Joel* back again after her stay in hospital but were sorry to hear that one of the active members, *Mrs. Nattrass*, is very much under the weather.

Guest speaker of the evening was *Mr. Tom Hughes* of the Ontario Humane Society. His talk was most interesting although it was disgusting to learn that cruelty to animals prevails right in the Toronto area. The club feels it is the duty of all dog clubs and all dog and animal fanciers to back this Society in its endeavour to stamp out cruelty.

The club is looking forward to its next meeting when it hopes to have a leading authority in the field of genetics as guest speaker. Too many know too little on this subject.

The scientist explained his work would likely benefit barns, stables and kennels. It involved a lengthy project on the behaviour pattern of rats.

"But what do you really do?" he was asked.

"I pull habits out of rats."

PRINCE EDWARD ISLAND

Abegweit K.C. reports that two films were shown at the club's February meeting and at the March meeting (it is hoped) to run a film taken at the 1961 Sportsmen's Show. Membership is increasing steadily and it is hoped to put on a championship show this coming autumn and with this in view arrangements are being made for the Maritime Director (N.B./P.E.I.) to attend a meeting in April and address the members on organizing and running a show.

NOVA SCOTIA

Cobequid Dog Obedience Training Club is again active and the 1964 slate of officers is: President, *Mrs. G. V. M. Mowbray;* Secretary-treasurer, *Mrs. Ray Logan;* Vice-President, *Mrs. Wm. Nowlan*. Training classes are now underway and the club has a number of ambitious ideas for the coming season.

Miss Heather Drope, Halifax, reports that it was her white Miniature Poodle, Bar-Ray M'Lady Cynthia, which won the awards for BIS and BCB at the October Sanction show of the Halifax Kennel Club.

The "Nova" kennels of *Mr. and Mrs. James Meagher* now house a 4-month old Bulldog bitch "Overfen Vesta", which was flown over from Peterborough, England.

Evangeline K.C. has a new show secretary in *Miss B. Bethune*, Berwick, who takes over from *James Meagher*. By the time this appears in print plans will have been completed for the club's Spring Sanction show, which it is hoped to hold out-of-doors in Lawrencetown in May.

With this issue your correspondent signs off.

CORRECTION

The advertisement of the Alberta Poodle Club, March issue, erroneously listed its judges as: T. Quilley Esq., Dr. Frank Porter Millar and Vic Williams Esq. These should have been correctly shown as All Breed Judges Mr. Vincent Perry, Conoga Park, Calif., and Mark Gordon, Winnipeg, Man. T. Quilley will be the judge of the Specialty Show.

Show Training Class Great Success

From January 26 until March 8 the Burlington Kennel & Obedience Club held show training classes under the direction of Mrs. D. T. Weir, Willowdale, Ont., long time breeder, exhibitor, handler and judge. Mrs. Weir is also a member of the Burlington club. Proceeds from the classes went to the club.

All phases of exhibiting and handling were demonstrated and pupils were shown points of handling breeds other than their own. The club believes that when the 1964 show season is in full swing there will be at least 17 exhibitors whose ring manners and ability will be much improved and whose confidence will be greater when the judge instructs "up and back please".

Pictured here is Mrs. Weir presenting the trophy for the handler showing the greatest improvement during the classes to the owner of the black Poodle; while Mrs. Jean Smith was presented with the trophy for the best handler at the final class. •

to be impressed on seeing a dog in the Obedience ring, doing a recall at 40 feet, return to his master mainly because there is nowhere else for him to go? If we are to make use of our dogs in day-to-day living, then we cannot afford to let them slide by to an Obedience title by dropping our standards. After all, we are the ones who set the standards in the first place and the general public has a right to expect the Obedience-trained dog to be *fully* obedient outside, as well as inside, the ring. I once saw a Boxer sent out to retrieve, at no more than 12 feet, a dumbell weighing about a third of a pound. Is he likely to meet the challenge of retrieving his owner's hat if blown over a couple of fields, or accept something really heavy to carry? We all realize that it is only possible to cover a few exercises in the Obedience trials, but I have always felt that if these exercises were done according to the high standard the writers of the first rules had in mind, our dogs would

This is approximately the same combination of bloodlines which produced the famous "E", "G" and "I" litters Busecker Schloss in Germany.
At the 1963 Sieger show, five of these dogs rated "Excellent", one "Excellent Select", and two "Very Good". One of these was in a young class where "Very Good" is the top rating.

leave a better impression outside the ring, and be more easily trained to do things of a practical nature.

So here is the slogan promised at the beginning of this article. If you owners of Utility dogs want a higher degree, "don't just *sit* there, *do* something about it!"

Humanely Speaking

from page 6

"results" on paper before actually having the female served.

If enough orders, with substantial deposits, could be obtained before the female was served then the dealer would have a guarantee that the puppies would be disposed of at his price and at the proper time without any trouble. Pups could be sold in strict order. If the client was unsatisfied, some form of agreement could be reached for the person to have the first choice of the next litter. But I would be surprised if many would be unhappy. All breeders know perfectly well that the average customer doesn't really buy a pup. The pup buys him. If he wasn't given the difficult job of having to choose between six or seven identical (to the inexperienced buyer) pups but, instead, simply presented with one small bundle of hair and tongue, would the average buyer be disappointed? I doubt it very much.

The very experienced doggy person could also be catered to in this way. Surely, in fact, this is what the real dog man does now. He or she goes to the owner of a certain dog and says "If you have a litter out of that female I would like a pup", or words to that effect. What is that except ordering in advance and giving the breeder the assurance that one or more of the litter are "spoken for" long before the decision to breed is taken.

I know my idea has lots of loopholes but at least it's an idea; and in this day and age any ideas that will encourage less dogs to breed that are surplus to the real requirements are worth thinking about.

CH. NA-ROBI'S OTTO
(Am. Ch. Alf v. Loherfeld ex Ch. Na-Robi's Helge)

Since 1952, when we at Na-Robi first took an interest in purebred dogs, our foremost aim has been to improve the quality of the German Shepherd dog, not only in the show ring but in the home as well. We have literally dozens of clients who, I am sure, would be glad to give testimonial to the fact that we have done just that. We have always made it a point to guarantee sound temperament, sound hips and to supply our buyers with a quality animal. We do not suggest that every puppy we sell is show quality but when someone expresses an interest in possibly showing their puppy someday we attempt to pick the best that we have available.

Our prices are not exorbitant but range from $75.00 to $125.00 at eight weeks of age, depending on individual quality and breeding.

In the show ring we have won at all kinds of shows – Specialty and All Breed – under the best known judges Specialist or All Rounder.

WE can offer for sale, at the present time, puppies out of **Ch. Na-Robi's Helge** sired by **German Import Amor v. Moselblick.**

AT STUD: Ch. Otto, Pathfinder or **Roland.** Contact us if interested in the first two and contact **Roland's** owners if interested in him – Mr. and Mrs. P. Guy, 52 Hillsdale Rd., Toronto, Ont.

Skin Diseases

from page 16

dermatitis. They feel that an infestation of fleas can sensitize a dog and that subsequent infestations can provoke an allergic reaction by the skin. If this is the case, it may take only one or two fleas to initiate a reaction once the dog is sensitized. Results with "anti-flea vaccines" have been variable, with good responses in some cases and poor responses in others. Certainly, fleas are undesirable, and they may cause more harm than was previously believed.

Mange is often a problem. The two most common types of mange in the dog are demodectic and sarcoptic. Demodectic, often called red mange because of the reddening of the skin which it may produce, is the more common of the two. Both conditions are caused by tiny mites, which live within the skin. The mites are so small that they cannot be seen with the naked eye; scrapings of the skin must be examined

under a microscope to detect them. Both mites produce intense irritation by their chewing or biting movements. The sarcoptic mites often burrow little tunnels under the skin.

Mange often starts on the head, and if untreated, spreads to other parts of the body. As with any other disease, early diagnosis and treatment are advisable. The more extensive the lesions, the more difficult they are to control.

The manner in which a dog gets demodectic mange is unclear; multiple factors are probably involved. The most logical way is by coming in contact with a dog which is carrying the mange mites, or by contacting infested objects, such as bedding. However, in many cases, the mange mite does not appear to transfer from an infected dog to a healthy one even if they are in prolonged contact.

The nutrition and general health of the animal probably play an important part in determining susceptibility. Undernourished animals are more prone to infection. It is thought that a healthy dog can harbour mites in its skin and that the mites cause no trouble as long as the dog remains in good health. Internal parasites may predispose a dog to poor health and thus to mange.

Demodectic mange appears to be a disease of the young, those dogs one year old or less being more commonly affected. In dogs over two years old, infestation with mange, while it does occur, is seldom serious. Some say that hair length is a factor and that short-haired breeds are most commonly affected; others say that hair length has no bearing on the susceptibility of a dog to demodectic mange.

Ringworm is another problem skin condition and is more important than others because human infection is possible.

Ringworm is caused, not by a worm, but by a fungus which attacks first of all the outermost layer of the skin and then the shaft of the individual hairs. This produces damage to the hair; it becomes brittle and then breaks off, leaving a hairless area on the skin. This loss of hair is usually circular in nature, hence the ringworm designation. Human infection occurs by coming in contact with infected dogs. New drugs have helped make the treatment of ringworm more successful; nevertheless, early treatment is most desirable. In advanced cases, treatment is prolonged and the chances of successful treatment are lessened.

The severity of many skin diseases can be minimized by attention to diet and grooming. Frequent, careful examination of the skin should reveal early lesions and treatment can be commenced before they become extensive. Bathing is indicated if the hair coat or skin becomes dirty. Matted, tangled hair should be combed out as these mats of hair can harbour moisture and dirt which in turn may irritate the skin.

Thorough, responsible care and attention of the animal by the owner will do much to prevent skin diseases from becoming a problem. The longer a skin problem is allowed to continue the more difficult it becomes to successfully treat.

Temperament

from page 25

fang. He is an overbearing bully who mistrusts everyone and, like his human counterpart, is a menace to society. He is never to be trusted with strangers or other dogs. This animal is generally undersensitive to bodily discomfort or pain. There are much fewer congenitally vicious dogs than shy dogs. An overaggressive dog can sometimes be made dangerous by environment. He can be trained to attack and bite upon command and unless he has the intelligence to discriminate, he can become a hair-trigger menace when not under complete control. This same type of animal can be spoiled by over-indulgence and babying until

his respect for his owner vanishes, the owner's control is gone, and the dog decides his destiny is his own.

Distrust. The animals exhibiting this trait are normal and friendly with their own people, but withdraw hastily when approached by strangers. They do not show fear or other symptoms associated with shyness. They are not inclined to bite, are not barkers or overaggressive. They can be taught to attack upon command. Their attitude is one of negative aloofness to strangers. They can be won over only by close association. And even then, the animal itself must be left to make the first actual advances toward friendship.

The true shepherd must be an animal fit in body and mentality to do the essential work for which the breed was created. We in America want a German shepherd which is sweet, kind, and happy in disposition, yet bold and courageous. He must be alert and eager to please and serve. Above all, he must be highly intelligent, for without intelligence, he

ing this true shepherd temperament has no problems. He has trust and confidence in the world, in its seasons, vagaries, and inhabitants and, therefore he has trust in himself and is at peace with his environment.

Ch. (Can. Am.) Neta of Sandorea. A Shepherd who won many BIS and Group placings during 1950 to 1956. Bred, owned and handled by Mr. and (the late) Mrs. Wm. Hendry, Toronto.

If the greater percentage of animals in the breed had perfect temperament, it would only be necessary to engage in perfunctory examination of the traits involved as they apply to that part of the standard which speaks of temperament. Unfortunately, this is not the case. Although perhaps 75 per cent of the shepherds in America today possess temperaments which are adequate to cope with the kind of nonrigid life they lead, Humphrey and Warner, in selecting for working ability, found only a limited number which could be used or bred from. The great majority possessed temperament faults which disqualified them.

(AM 1-4644)

This information is important in that it points out that the greater number of our shepherds, though largely acceptable in temperament for ordinary nonutility environment, are certainly not equipped for specific tasks which should be their heritage. It stresses the fact that, in our search for beauty, we have allowed insidious mental faults to become prevalent to the detriment of the breed. It further reveals that vast improvement can be made in this most important part of the dog's being by recognition of temperament faults and breeding to eliminate them.

Today, with the shepherd ever gaining in popularity and the subsequent greater activity in breeding, it is essential, above all, to produce and breed from mentally sound stock to preserve this popularity. Relatively few shepherd owners show or continue to show unless their animals are exceptionally fine specimens. Most of the young stock sold by breeders are destined to become companions, household pets, or natural guards for the home. Most of the purchasers are rank tyros with little knowledge of the breed and no great experience in handling or training dogs. It is for these people, for these reasons, that we, in whose hands the destiny of the breed rests, must assume responsibility. We must recognize and perform our duty toward those prospective owners of our breed, and to accomplish this end, we must recognize the paramount importance of sound temperament.

Ch. (Can. Am.) Rocket of Cara Mia. One of the top three Shepherds shown in Canada during 1963. Owned and handled by Mr. H. J. Watson, Beamsville, Ont. Bred by Mrs. Mary Southcott, Milton, Ont.

Remember that our shepherd is different in temperament and structure from other breeds because he has been made so by biological heredity, and this difference has been accentuated by selective breeding for special functions. This is why correct temperament is so important to the breed. Without it, the very purpose of the breed is destroyed, and without purpose, no living thing has worth.

1963 Winner

EILEEN McEACHREN MEMORIAL TROPHY

This trophy is awarded annually to the Canadian breeder who has bred the greatest number of dogs, in any one breed, which completed their Canadian conformation Championship during the preceding calendar year—regardless of who owns or shows the dogs. Championship points need not have been acquired in their entirety during the year in which the Championship was completed. In case of a tie, the trophy is awarded to the breeder whose Champions earned the highest aggregate number of 3 point wins (or better) during the period each Champion was campaigned to his Championship.

The writer of this article, Mrs. Winifred Wartnow, Airlane Kennels Reg'd., North Surrey, B.C., is the second recipient of the Eileen McEachren Memorial Trophy. Her kennels produced the most champions of one breed during the year 1963. The six title winners are pictured here.

"It was a pleasant surprise to learn that I had won the Eileen McEachren Memorial Trophy. It is a great honor and I appreciate the efforts of all the breeders and friends who made this possible and my thanks to the judges who selected dogs of my breeding for the winners' ribbons throughout the year.

"It would not have been possible to gain these championships had it not been for people like Mrs. Elsie Murray, who patiently coached me in handling at her classes; Mrs. Murray's Junior Kennel Club handlers, Karen Knight and Lynda Cauldwell; and Mr. and Mrs. Cauldwell, who handled dogs for me at shows I

Ch. Airlane's Starfighter

was unable to attend; Mr. H. Saunders, who owns and campaigned Ch. Airlane's Starfighter; Mrs. R. M. Webster, of Urray Kennels, who owns Ch. Airlane's Blue Angel; and Miss Frances Clark, who has assisted me in many ways and handled Blue Angel to her final win.

"Of necessity, my kennel has always been limited to a small number of dogs, with the breeding stock consisting of about seven to eight adults.

"I started in Miniature Pinschers with a litter in November, 1955 from my imports, Am. Ch. Dollymount's Hobo de Jareaux and Dollymount's Taffie, which produced Ch. Airlane's Thunderbolt who had an excellent record in the ring and went on to be a top-producing stud. The repeat breeding gave me Ch. Airlane's Aircobra.

"Thunderbolt sired Ch. Airlane's Friendship, Ch. A. Falcon, Ch. A. Meteor of Wild Rock (to the best of my knowledge Canada's only Best in Show winning Min Pin), Ch. A. Golden Nugget, Ch. A. Urray Twinkle Toes, Ch. Lo-Bob's Amber Dust and a number of others who have also produced champions.

"Hobo sired several other Champions, including Ch. Airlane's Moon Rocket, Ch. A. Golden Beacon (dam of two of my 1963 Champions, she is a near Am. Ch. herself) and Ch. Urray Danny Boy.

"Falcon, owned by G. Wynne Powell

Ch. Airlane's Blue Angel

of Vancouver, when bred to Ch. Urray Danny Boy, produced the noted Group winner, Ch. (Can. Am.) Koko's Golden Satelite and Ch. (Can. Am.) Kavailla's and Burt's Tom Thumb (from repeat breeding).

"In all, I have owned, bred or sold a total of 15 Champions to date, including those which finished in 1963. Of my recent Champions, I am particularly pleased with the records of Ch. Airlane's Tell Star and Ch. Airlane's Skyray II. Tell Star won her American Championship in 1963 as well, with several majors and BB over Specials, while Skyray took two BB and a Group placement in Bermuda to come within two points of that title. Both have numerous Canadian-Bred Puppy in Groups to their credit."

Left to right: Ch. Airlane's Tell Star, Ch. Airlane's Skyray 2nd, Ch. Airlane's Niki Luse and Ch. Airlane's Golden Beacon.
