MASTER

MEANS QUALITY

Many Canadian veterinarians unhesitatingly recommend the high quality, balanced nutrition of Master Dog Foods. And no wonder! For doctors and breeders alike know they can rely on Master's established reputation for quality . . . as Canada's leading animal nutrition specialists.

A visit to the modern, hygienic Master plant would quickly convince you of the superior grades of lean red meats and fresh vegetables that go into Master products. Add to this the skill and experience of Master dietary experts, and you're bound to have an outstanding line of fine food products.

Master quality is pleasantly reasonable, too!

For convenience, Master Canned Dog Foods are available in packs of 24's and 48's (Meat Loaf in 24's only). Dry Dog Foods are available in 25 and 50 lb. bags (Diet in 25 lbs. only). Prepaid in Ontario and Quebec on 200 lb. minimum shipment. Write for information on Master Kennel Plan . . . special savings exclusive to registered kennel owners.

MASTER DOG FOODS: Meat Loaf • Meat Stew • Horse Meat & Gravy • Diet • Kibble • Meal • Mixed OB's.

cover story

The cover this month presents an informal study of three young Westie females recently acquired by Kennels of the Rouge, Reg'd. as part of our consolidation of stock for breeding. All are stud fee puppies (thanks to the generosity of the breeders concerned in letting us have top quality puppies in this way) and all are sired by our Ch. (Can. Am.) Shipmates Hannibal (by Roseneath Gay Kilt ex Shipmates Confection, bred by Shipmates Kennels).

Hannibal, who completed his U.S. title in 1963, including four major wins, has the great Ch. (Can. Eng. Am.) Cruben Dextor very strongly marked in his pedigree, and for the sake of sentiment as well as of bloodlines we are happy to own him, since his dam is by Fons of the Rouge CD out of Teena of the Rouge (respectively son and grand-daughter of Dextor), a pair who are behind a good many winning Canadian-bred dogs today, thanks to Shipmates' use of them.

The three puppies represent, through their dams, bloodlines both American and English which will tie in well with the breeding policy which has been pursued by Kennels of the Rouge over the last 17 years.

At the left is Mac-a-Dac Rouge Remembrance, whelped August, 1963, out of Am. Ch. Mac-a-Dac's Mistletoe, and bred by Sharon McCarty of Zionsville, Ind. "Emmy" was shown at the Indiana Specialty in March, where she won both the junior puppy bitch and junior puppy sweepstakes classes.

Next is Wigtown Nightingale, whelped October, 1963, out of Am. Ch. Wigtown Careless, and bred by Mrs. B. G. Frame of Indianapolis.

On the right is Forest Glen Hannipeg, whelped November, 1963, out of Am. Ch. So-Eagerly of Forest Glen, and bred by Mrs. Clarence C. Fawcett of St. Louis, Mo.

While Emmy and Gale both go back, again, to Ch. Cruben Dextor and to Am. Ch. Wigtown Talent Scout, also to Eng. Ch. Lorne Jock and Eng. Ch. Calluna the Poacher, "Hanna"'s dam comes almost entirely from Shiningcliff stock (imported by Bob Lowry of Aurora,

and more on the old timer

. . . It was with dismay and shock that I read a letter by Mr. E. B. Reid which you published in the March issue . . . To my mind, Mr. Reid's column has been one of the chief attractions in your publication . . . His articles have always been interesting and, what is more, most temperate. Much more temperate than I feel right now.

On the whole, I think that the Directors of the CKC have done a tremendous job but it has been noticeable in recent years that those same Directors have, as a body, become more dictatorial than is good for the club.

For example, what proposed amendments to the Dog Show Rules and the Obedience Rules have there been recently that were not proposed by the Directors? None.

What chance has there been to publicly exchange ideas and opinions on those proposed amendments before voting took place? None. The proposals, with few exceptions, come right out of the blue to the average member of the CKC and even if they wanted to ask questions through your publication or voice their views, there is never time to do so before ballotting. One might almost think that our Directors deliberately planned that there should be no discussion for fear that they might be thwarted in their plans.

Our club is supposed to be democratic, I assume, otherwise we should not have the vote. But of what value is an uninformed vote?

It is high time that our members made themselves heard and their wishes known, otherwise this democratic institution will go the same way as some nations have gone — it will become an out and out dictatorship. We don't want that, do we?

We are all aware that a benign dictatorship is the most efficient form of government but how can we guarantee that all future dictators will be benign? It is far too risky. I, for one, would far sooner muddle along as a democracy and retain my right to voice my views even if they are wrong and ill-informed. Evolution may be much slower, but it is much safer.

I have heard — I hope I am wrong — that it is even frowned upon for a Director to meet publicly with the membership with a view to informing them as to what is going on in Toronto and what is behind newly proposed amendments. If we are not to be permitted to exchange views through *Dogs in Canada* and not allowed to meet with our Directors, how can we ever hope to form a worthwhile opinion on any subject? It is only by the free interchange of ideas that we can hope to correct our own thinking and finally arrive at an opinion that should be worth considering.

Lest these thoughts be dismissed as just another "gripe", let me list a few things that I should like to see:

1. There must be no muzzling of the press.
2. Proposed amendments should be published at least six months before any ballotting takes place.
3. Interchange of views should be encouraged — through the press and with individual directors.
4. The Directors as a whole must not usurp the powers vested in the membership as a whole. They can achieve their objectives by informing the membership of their wishes, then let the members take the necessary steps to bring in amendments if they think fit.
5. The Directors should govern themselves by the same rules as the membership. For example, if amendments are to be restricted to taking place every two or three years, as the case may be, such a restriction should be equally binding upon the Directors as with the Members.

Let me reiterate that, despite my fault finding, I still think we have one of the best Boards of Directors we have ever had. They have done a good job of removing some of the more irritating rules and restrictions. I hope their efforts along these lines will continue. I feel sure that if they would place as much faith in the membership as we place in them, they would be more than justified in doing so.

DONALD B. HUDSON

. . . I very much deplore the fact that the "Old Timer" cannot continue his column in the magazine due to pressure by the board. As comparative newcomers to the doggy game we found his article the most helpful interesting in the book and it will not be the same publication without him. Sincerely hope some way can be found to enable him to continue with his sound advice and information.

ROSETTA WILLIAMS (MRS.)
North Surrey, B.C.

. . . I was somewhat astounded and indeed more than disappointed on reading the last number of *Dogs in Canada*. I refer to the omission of the "Old Timer" article. Outside of the official reports of the Canadian Kennel Club this is the one item I look for and enjoy. Why do you drop the published opinions and observations of a man who at least knows what he is talking about and has the knowledge and background to support his statements.

O. BALSHAW
Vancouver 14, B.C.

. . . Please bring the Old Timer back. His only sin appears to have been to suggest that some of the Directors of the CKC have been a little bit stupid. In this he is probably right. Surely we can have a little

memo
FROM THE EDITOR

HOW is it that one show will have but a few spectators while another, whose sponsoring club has an equally small amount to spend, draws a profit-making crowd?

Promotion is the answer.

Most radio and television stations are co-operative in making public service announcements. Some will make an announcement provided it is newsworthy, and it is up to your club's publicity representative to provide it.

In addition to the bare facts of date, place and time, there are many possible items. For example, some breeds rarely seen in Canada might be entered. Have you an exceptional entry this year? Is there a new trend evident, i.e. an unusual number of big dogs? Will you have an exhibit of any kind? Are you running Obedience Trials or demonstrations?

The story of various breeds and their background, so familiar to you, spells news to the majority of people. Ask your radio, television or newspaper editors if they would like some interesting copy of this nature, or suggest an interview. Offer to provide photographs to illustrate the TV or newspaper copy. If you talk to them early enough, editors sometimes can become interested enough to run a full page picture spread.

Where your proceeds are partially directed to a worthy cause your chances for publicity are even better. The Cedar Rapids (Iowa) Kennel Association show is sponsored by and for the benefit of the local Junior League. Prior to the show the society section of the local paper features a full page of pictures of Junior Leaguers with their dogs. Later the society columns carry the show results and summaries.

Everybody loves a parade. Round up the convertibles in your club and among your friends, load them up with dogs and people and signs. Ask shop-owners to display pictures, ribbons, trophies, placards.

Suggest to leading manufacturers and other institutions in your community that they might sponsor advertising for your club as a service. A Detroit club publicity chairman is very proficient in this.

Invite the paper to send a reporter and or photographer to the show. Be prepared to provide a Best in Show and human interest pictures along with the results immediately after the show. Having done this, you have planted the seeds toward a successful effort next year.

NO POINTS ✦ NO ENTRIES ✦ NO SHOWS ✦ NO CLUBS

UNDER THE REVISED C.K.C. POINT SYSTEM ANNOUNCED IN APRIL '64 DOGS IN CANADA, PAGE 20-0, YOU WILL IN ALL LIKELIHOOD NEVER FINISH ANOTHER CHAMPION.

A Complete analysis of the 1963 Shows - using the revised point system - reveals some astounding figures. We quote as a sample:

Breed	Shows Entered	No Points Earned	Breed	Shows Entered	No Points Earned
Retriever, Golden	94	51	Kerry Blue Ter.	111	51
Span. Am. Cocker ASCOB	98	41	West H. White Ter.	108	42
Beagle, over 13"	101	61	Chihuahua, Std. Smth.	119	37
Dachshund, Std. smth.	123	44	Maltese	84	44
Doberman	122	28	Boston Terrier	110	36
Welsh Corgi, Pembroke	96	45	Poodle, Std.	95	40

These are, of course, the more popular breeds! The minority breeds are virtually eliminated from point competition.

And how about the shows? Based on 1963 entries, consider these examples:

Show	Breeds Entered	Breeds Earning No Points	Show	Breeds Entered	Breeds Earning No Points
#81 Progressive KC — Ont.	69	34	#29 Calgary K & OC — Alta.	49	25
#31 Ladies KC — Que.	75	35	#53 Ladies KC — B.C.	61	29
#68 Fort Garry KC — Man.	38	19	#123 Fredericton KC — Mar.	50	30
#76 Pr. Albert KC — Sask.	35	29	#90 Halifax KC — Mar.	42	22

With the fewer entries that are likely to result, can **YOUR** club any longer afford a show?

On the premise that one of the prime purposes of exhibiting dogs is to earn points in competition, it is our contention that this new point system will:

1. ***Discourage exhibiting — which will***
2. ***Discourage financially, the holding of dog shows — which will***
3. ***Discourage breed improvement — which will***
4. ***Discourage the promotion of purebred dogs.***

This advertisement is sponsored by THE WATCH DOGS, a group of serious breeders, exhibitors and C.K.C. members who are gravely concerned about this revision. We wish to emphasise that we are not opposed to change, but for the reasons indicated above, we cannot agree that this announced change in the point system is in the best interests of the members of the C.K.C. To this end a brief will be submitted to The Canadian Kennel Club by The Watch Dogs, setting out in detail our objections.

We need your support. Your signature on the attached coupon, which will accompany the brief, will give us that support.

criticism without applying the muzzle.

The freedom of the press is a sacred thing. When it is threatened, any editor worth his salt should be ready to fight for the right to tell the truth as he sees it. You owe it to your readers to give them a clear statement of the situation and the pressure to which you have been subjected in this matter.

If we can't have the Old Timer back let us have a column called The Crusader which openly sets out to critcize, constructively, the CKC, its officers and directors and the dog game in general. There is an abundance of material for such a column.

You have been giving your readers a good magazine; let it not be wrecked by short-sighted action.

H. MALCOLM STEPHENS
St. Andrews East, P.Q.

. . . Re "The Old Timer". . . I think it is a great mistake that he (and *Dogs*) should be censored by the Directors of the CKC. The Old Timer has always done a terrific job and has always written with conviction. Whether or not the readers agreed with him on every point is not important, but he laid down the seeds for thought and let his readers think and drawn their own conclusions. This in itself is a major worthwhile achievement.

"The Old Timer" read his minutes of the meetings, and referendum ballots, and did check them against the existing rules, and what he discovered he reported. If every CKC voting member had done just that, they would have found the same thing. But how many members DO read their minutes? Does every member have a copy of the rules? Does every member carefully study the ballots, read the rules, and see just what is happening? I think the answer to these questions is a resounding NO. Too few members vote as it is, and some of them just glance through the miles and miles of words, and then check "Yes" or "No" without a second thought. This is not the way it should be . . . but there is no way of making people read and study things like ballots and the minutes of meetings.

. . . The CKC is a body made up of dog lovers. Some are handlers, some are breeders, exhibitors and trainers, and others just have a soft spot in their hearts for dogs. The members make the CKC. The Directors are voted in by the members . . . you and I . . . and they should be open to suggestion and constructive criticism. If they are to censor every little criticism, every little thing said about them, and the things that go on at the directors meetings, then THEY are starting a dictatorship, and voting is going to lose its value. The members should vote and not take everything handed to them on a platter; they should be able to criticise and suggest, and they should be able to feel that they can have a say in what happens . . . but is this happening if the directors start censoring columnists in the only official dog magazine in Canada? *Dogs in Canada* will become a mockery of the words "free press", and of the Canadian Bill of Rights which states that: . . . "in Canada there have existed and shall continue to exist . . . the following human rights and FUNDAMENTAL freedoms, namely . . . freedom of speech . . . freedom of press . . .".

Praise is always pleasant, and criticism is rarely welcomed, yet it can be more constructive and more important than praise. Constructive criticism has been accepted and carefully considered in the HIGHEST offices in the world. Do the members of the CKC have to have a free

dom march to get a free, uncensored column in the official publication of their club? I hope not.

The "Old Timer" has enjoyed a wonderful spot in *Dogs in Canada*. Many, many people have read his article first, or at least have made sure they never missed a column. In contrast can the same be said of the very important minutes?

I think that in future more members will be reading their minutes much more carefully, and that any ideas on cutting them out from the publication will raise another storm of protest.

SANDY BRIGGS

Markham, Ont.

. . . Freedom of the press in Canada is a basic freedom that we think we all enjoy. It would appear that freedom is relative and some presses are freer than others.

If policies are sound they can stand criticism, if they are not sound they deserve it. Bring back the Old Timer; every Dog magazine needs a watchdog.

D. ANDERSON

Victoria, B.C.

. . . For months now I've awaited *Dogs in Canada* so I could enjoy the thoughts and ideas of fellow dog lovers. Now, apparently the end is in sight. With the loss of the Old Timer your number one article is gone. Which is next? Is there no freedom of the press any longer? Good legislation welcomes criticism; poor legislation we don't need. Will the next step be no letters to the editor? If this trend continues just send me the show results and the censored part destroy. I trust other breeders will protest our loss also.

W. BRENNAN

Nelson, B.C.

Space just does not permit publication of all the letters received expressing regret over the absence of the Old Timer's column. To all those who wrote to us, thank you for taking time to bring your views to our attention. We sincerely hope his puff of smoke will be signalling his return before long.—Ed.

registered means quality?

. . . If you can't beat them join them. The time has come when I have to join them but I can't do it without making a formal complaint. The public does not know that registered after the Kennel name means that only the name of the Kennel is registered.

. . . I live on a main highway and I get people dropping in from all over Canada and the USA and how often I have heard dog lovers tell me — I bought this pup from a reg. Kennel but you should have seen the filth. I have seen a lot of those myself and I can't see why the people that are keeping reasonable housing for their dogs don't get together and do something.

In order to reg. Kennels one must promise to only raise purebred dogs registered with The Canadian Kennel Club.

It seems to me to breed and register dogs is to improve the quality of dogs but how can you further the cause of dog breeding if they are raised in dirt, get no exercise and suffer from malnutrition. NO registering will help that. Should not the sign "reg" protect the standard of Kennels as well as the Kennel name.

ROSEMARY WIERZBICKI

Wyoming, Ont.

on pronunciation

. . . In the February issue you published a letter from Mrs. R. G. Aalders re the correct pronunciation of the various breeds of purebred dogs.

Mrs. Aalders' letter is in answer to a letter sent in by Mrs. Hart . . .

It was in 1926 that I decided to get some Schipperkes from England and from 1926 to May of 1927 I made it my business to get all the information and history of the breed I could. The late Mr. J. D. Strachan, for many years Secretary of the CKC, became interested and acquired several Schipperkes. He too was able to get many books and opinions of persons recognized to have a thorough knowledge of most purebred dogs and these he passed on to me. These pepole were, and some are still, living both on the Continent, British Isles, US and Canada.

I have only known of two persons who want "Schipperke" pronounced as Schipperkuh — one Mrs. Aalders and the other was the late Miss Isobel Grimiston, who for many years was secretary to the Schipperke Club of America for at least the 12 years I exhibited Schips at the Westminster K.C. dog show, also the 12 years at the Morris & Essex K.C. show held at Madison, N.J.

I had the opportunity to meet most of the officers and members at these two shows and never during our conversations was the name Schipperkuh said — it was always said in the way I suggested to Mrs. Hart and how I have and shall continue to say.

point system

. . . I would appreciate your publishing our reply to the remarks issued on behalf of the Ottawa Valley Gun Dog Club and their "complaint" that due to the point system used by them they cannot finish dogs as quickly as other provinces. It should be emphasized that the present rules for pointing breeds as laid down by the CKC 1963 edition carry a point system of 5-2-1. The fact that the Ottawa Club have lower values is entirely one of their own choosing as some time ago they applied for, and were granted permission to run their trials to "American Standards" and point counts.

Now that they find this choice has disadvantages they should not seek to justify it by criticism of the rest of the Dominion and by saying there is an "old" points standard.

The Field Trial rules and regulations now in effect are followed by the remainder of Canada and the Ottawa people remind me very much of the boy who joined the army — everyone was out of step except him!!!.

Other Field Trial Clubs are working to these standards and trying to improve the gun dog breeds and there is no doubt that the quality of work and enthusiasm is higher now than for some time. So let's not have another "separatist" movement from Ottawa and let them accept the conditions under which the remainder of Canada operate.

thanks from the west

. . . After the recent tragic tidal wave struck parts of the Alberni Valley our club received phone calls, letters and cards from out of town friends and club members of the Vancouver Island Dog Fanciers Assoc. in Victoria expressing their concern for members of Alberni Valley Club and their dogs. Fortunately all of our members reside in higher areas of the valley and only one sustained slight damage to business premises. These facts were however unknown to those who contacted us and we feel that their concern for us was wonderful and a grand example of some of the feeling in the sport of dogs.

We had thought for awhile that the happenings in the Alberni Valley would interrupt our plans for our first two championship shows to be held here in October but we know now that this is not so and plans are again proceeding accordingly.

obituary of a breed

. . . The death knell is tolling for the Welsh Terrier, rather a nice breed I always thought, but then maybe I'm prejudiced! I breed them!

I don't suppose most of you know, or as far as that goes, really care, that as of July 1, 1964, this breed will become obsolete in Canada. I do care and care desperately, as I'm sure do all other Welsh breeders, but what can we do?

Very few of us, if any, can afford to pack entries, as we now must to make a champion — even if we could, is it any fun to compete against yourself, isn't this a TRULY cheap champion? As it is now, every show we go to we're hopeful of competition — this is the fun of the game — but after July 1st, we either pack the entry or forget about the show!

As for breeding, well, what point is there in travelling many 100's of miles to use the best stud possible and then pay a $100.00 stud fee — NONE — we're not going to be able to make a champion out of one of those precious puppies anyway — so here you either have the choice of quitting altogether or using the dog around the corner — the result, a litter of Pet Stock puppies!

These points mentioned do not pertain to Welsh alone, but to many, many other breeds, and to show-giving Clubs as well, but as the saying goes "You can't fight City Hall", so I shall here and now bid a fond farewell to all . . . It's been fun knowing you!

I sure am going to miss the fun of the weekend shows, our dog friends, the new friends we'll never meet, the competition, the training of our next hopeful — but maybe stamp collecting will be just as rewarding, not nearly as expensive, and won't end with a "Stab in the Back" such as we've received in the April Issue of *Dogs* — Page 20-0!

Lines to a Dog

The short daylight is fading now, my lad,
My aging eyes can scarcely pierce the gloom,
Yet your familiar presence I can feel
Across the shadowed depths of this old room.

My canine friend, what memories we have stored
For the long hours of our twilight years—
Of joyous romp, of laughter and of sorrow,
For your dog-heart could always share my tears.

Of lusty rambles through the windswept fields
Where you and I have always loved to roam,
Of courage, and a fierce undying love,
And visions of the trails that lead toward home.

So I, my dog, who might have walked alone—
To whom is spared no single human friend—
Have you to take the sunset way with me,
Have you beside me to my journey's end.

We Are Proud To Always Have Available A Number Of Outstanding Imported Studs as Follows:

CHAMPION ELLERSLIE BALCHDER CYMRU (Imported)
JACKATH GLADIATOR (Imported)
HURLING ROGER (Imported)
RO-HEATH HAGGIS McBUFF
SMITTY'S MOON STONE
KAMEL TOP DIAMOND

All the above studs registered in The Canadian Kennel Club's also the American Kennel Club's, stud books.

We usually have some Top-Notch Puppies for Sale. When thinking of buying a puppy, why not pay a visit to our long-established, internationally-known kennels. We suggest however that you first go and see the rest and then come to us and see the best.

In addition to puppies we can supply a number of matrons bred or open

All our stud dogs are registered in CKC and AKC.

As our services as an "all round Judge" are in such demand and in accordance with our often expressed policy, we have long since retired from exhibiting. We will, however, continue to import the very best specimens for our breeding program and for the benefit of the breed and breeders in general.

FLASH! We have just concluded the purchase of one of England's outstanding young stud dogs. Particulars will follow in later issue.

OBEDIENCE

Ed. O'Brien, Canfield, Ont., is well-known as Canada's leading professional trainer of dogs in Obedience work. He is a licensed Judge, one of Canada's first. He began his career in the West, training dogs for herding and other farm work. Since moving to Ontario he has specialized in training dogs for police and guard work and for disabled people. Mr. O'Brien also breeds German Shepherds and Dobermans.

THIS AND THAT

Once again we obedience folk find ourserves in the midst of our busy season, for while a few trials had taken place beforehand, the Sportsmen's Show, with four trials in four days, seems to be the real kick-off for us each year. Mr. Hudson Kalloch, the Show Superintendent, who is a most capable person, would still, I am sure welcome constructive suggestions from our readers, so if any of you have ideas which you believe would improve conditions at the Sportsmen's Show, do send them along to Mr. George Mehlenbacher (your Obedience Chairman) or to this column and they will be presented to the Superintendent before another show takes place.

Here are a few thoughts of my own about it. While I certainly believe, as you all know, that an obedience-trained dog should be obedient and work well any place, even when under somewhat less than ideal conditions, I could wish that some changes might be made for Obedience Trials at this show. If it is really necessary to hold the obedience trials on the same floor as the bench show, might it not be possible to arrange the benching and the grooming quarters so that the two rings, obedience and bench, are at opposite ends of the building? It would be less noisy for us, and probably less confusing for the handlers and dogs in the show rings. In this connection I have in mind the loud shouts with which some of our obedience handlers give tongue, especially when ordering their dogs down. It is true that this year the voices did not seem to be raised unnecessarily but from past experience we cannot be sure that this will continue to be the case.

A little less volume with verbal commands and a more restrained action with signals would make obedience more impressive, especially to those watching a trial for the first time. Some years ago I trained a Cocker for a lad who was totally deaf: naturally the dog had to be trained to work on signals alone as his master could not give oral commands and I tried to make the signals as inconspicuous as possible. At a later date I watched the young owner put on a demonstration with his dog and was amazed to see how well the dog worked with only the slightest signals being used. Where I had the dog coming, as in the recall, by giving a beckoning motion just with my hand and wrist, the dog now came for just a signal made by the owner with one finger, with his arm hanging at his side. All signals were given in this manner and it made me realize how slight a movement is needed to give directions to a well-trained dog.

A couple of letters have reached me during the past month in which the writers register objections to double trials being held. One writer feels that the sport suffers by working dogs in two trials as by the second one they appear bored and listless. The second writer would prefer to see single trials with something different taking place during intermissions or at the end of the trial. He suggested, among other things, work by a trick dog or perhaps a challenge match put on by the obedience competitors, with each dog performing in some special way. While these suggestions are worthy of consideration there are other points to be considered, the financial aspect being one of them.

I'm wondering if perhaps obedience competition is becoming more important than Obedience Trials, with the result that we are growing too serious about a sport which should be fun for handlers and dogs as well. The obedience training lays the foundation for serious work, but the trials themselves surely need not be matters of life and death!

I've been reading one of the numerous books on dog training lately (what else?): no doubt the writers of these books have been successful as trainers, but is is surprising to me to read about the many methods advocated and used in order to reach the same objective. For example, the ways in which the dogs are taught to lie down are so varied that the novice handlers might be excused for a feeling of bewilderment if all the ways are studied. One writer strangely enough has very little use for what he refers to as "formal" training, and continues by saying: "they don't want him trained, they just want him to obey." My response to this gem of wisdom is that the owners he evidently has in mind must rather indulge in wishful thinking than in real work.

Obedience trials are apt to take on a bit of a circus atmosphere, but any dog who can do the exercises called for, and do them in practical day to day living, is not only *trained*, he also *obeys*.

RETRIEVERS

IN THE FIELD

Ruth Copeland is one of the best-known participants in field work in Canada, and is perhaps best able, through her intimate knowledge of sporting dogs at work, to describe a trial from the standpoint of color, excitement and the fine points of an event. She is a real outdoor girl, a fine sport under any weather or field conditions. Address correspondence to her at 159 Main St. West, Grimsby, Ont.

ALBERTA FIELD TRIAL CONFERENCE

Other zones or provinces could benefit by following without further delay the example set by Alberta, which for some years has held annual conferences with representatives from all Retriever clubs in the area.

This year at Red Deer a few of the topics discussed were ways to increase the number of qualified judges; how often a judge should officiate annually in the same zone; refresher courses for judges; and greater participation by field trial Retriever owners in conformation shows.

NEW BRUNSWICK RETRIEVER CLUB

Under the guidance of President Jim Taylor and Secretary Malcolm Ward of St. John, and F. T. Chairman Del. Phinney of Eastport, Maine, the club looks forward to a good season and licensed trial in early June.

WINNIPEG FIELD TRIAL CLUB

Formed by a small but competent membership for the purpose of providing more licensed trials in the province it looks as though this club is here to stay. The '62 and '63 trials attracted record entries and plans are going forward for a July trial which will again include a double header open.

SOUTHALTA GUN DOG CLUB

Another new club formed with the guidance of experienced field trialers, the S.G.D.C. held its annual meeting at Lethbridge and will put on two Licensed Retriever Trials and possibly a Pointer Trial. (Officers pictured below).

USA MIDWEST AMATEUR RETRIEVER CONFERENCE

For three days in Omaha in January, panels of experts were questioned by a large audience on points arising out of the Rules, Supplement, or any phase of Retriever trials. Listed below are some of the opinions prevailing.

1. It is a distinct and unjustified disadvantage for females to be run last. They should be run with the males in the order of draw.
2. Unanimous opinion was that the over and under test should not be given at trials.
3. It was agreed that some "artificial" tests may be necessary, but that "trick" tests should never be held.
4. Sufficient ducks should be available for frequent alteration. Live ducks must never fall on the ground and should be tied and not taped with masking tape.

HUMANELY "SPEAKING"

Where are the young folks? The General Manager of the Ontario Humane queries

FOOLS RUSH IN (WHERE ANGELS FEAR TO TREAD)

I don't think I'm a fool and I am certainly no angel . . . since I'm neither one nor the other I might as well rush in and do some "treading".

During the last two years I have travelled many thousands of miles to speak to kennel clubs, obedience clubs, field trial clubs. I have attended numerous dog shows, trials, etc. I have been impressed and depressed by the very obvious fact that dogs in any form are strictly an adult pastime or interest. The average age of the people is high, far too high. You see very few young people. True, some people bring their younger children along to a show but this is mainly, I suspect, because they can't find a suitable baby sitter. The kids are often bored, restless and simply look on the show as another of those frustrating chores that adults insist on from time to time.

Throughout the country from coast to coast, efforts are being made by a comparative handful of people to do something about this problem. In Vancouver, Mrs. Elsie Murray, despite a very bad fall recently, is carrying on with her Junior Kennel Club and setting a splendid example to other areas. In Burlington another young group is most active. But from the overall point of view I don't suppose there is more than a handful of such young people's clubs in existence. There should be hundreds. In fact, there should be a Junior Kennel Club attached to each and every single senior club in the country. Perhaps the formation and operation of junior groups should be made an obligation as a condition under which the local kennel club is permitted to exist.

Because when you stop to think about it the issue is very simple; if young people are not reached early in life and given an opportunity to acquire a proper understanding of the reasons and motives that lie behind the organized showing and trialling of dogs they will either never understand them or, at best, will reach well into middle age before they even begin to try.

Which is why the work and even the existence of The Canadian Kennel Club is not well known. If anyone doubts this last statement I suggest that they stand on the street corner of their own home town and ask one hundred passers by, at random, the very simple question: "Have you ever heard of The Canadian Kennel Club?" If the answer is "Yes" then follow up by asking the person what they think it is and does. It would be very interesting to see the results of such a survey carried out in each large town in Canada.

Don't get me wrong. I am not criticising The Canadian Kennel Club for this state of affairs. In fact, I know perfectly well how very difficult it is to obtain good publicity for any organization. In an age when every group, large or small, is fighting for free publicity you have to have a very controversial, newsworthy, "message" before you can rate more than two lines on the social page of a large newspaper. And in any case I am not at all sure that this type of publicity really produces an informed public. It is well known that the average person cannot remember any headline in a newspaper 24 hours later. So I am not suggesting that the CKC should compete for the dubious honour of the sort of headlines that the Humane Society frequently achieves. Heaven forbid. And in any case it would be an unfair competition.

What I am suggesting is that by making the formation of junior clubs obligatory, an increasing number of people would grow up fully well aware not only of the existence of the CKC but of why it exists and how it operates. And of course, many thousands more children would be taught the proper way to own an animal, and how to train it, and how to understand it; if this was done the work of the humane society would be much easier. We wouldn't have to argue the very basic facts of an animal's life with parents; with local and even provincial government officers, and in fact, with the general public, as we do now.

At a recent Annual Convention of the Ontario Humane Society, an eminent lawyer, and indeed a Queens Counsel, stated quite clearly and emphatically that he had checked into the organization known as The Canadian Kennel Club and he very much doubted its existence. He stated that his enquiries in Ottawa led him to believe that the Charter of the CKC had been surrendered in 1938. The obvious implication was that the CKC has not even existed since that year. In the room, listening to this learned speech, were a number of very active members of the CKC and at least two former directors. I suppose the error of his beliefs was adequately conveyed to the gentleman in question. But, to me, the total ignorance of the true facts shown by a respected and senior member of the legal profession is almost frightening. If people of this position in the community can be completely unaware of even the existence of the CKC what can we expect from the general public.

The answer, surely, is for junior kennel clubs to be so formed throughout

What a Beautiful Show

A show as large and colorful as this year's Sportsmen's competition bodes well for a great future for Canadian purebred dogs.

Both Judges Henry Stoecker (shown here) and Robert Waters chose the Wire, Ch. Talsmere Tuscan owned and handled by Ted Ward for BIS honors.

From the moment of opening, the Sportsmen's Shows, held in the Sheep Palace of the Canadian National Exhibition Grounds, Toronto, had the atmosphere of a truly big show.

It was Canada's largest dog show in modern times. Exhibitors can recall hazardous driving and hours of shivering at more than a few of the previous 16 Sportsmen's Shows. This year temperature was no problem.

The four one-day shows appeared to be the answer for exhibitors who had to carefully plan their time. On Saturday, March 21, the number of entries skyrocketed to 850.

Readers will recall that within just a few years the trend was so much toward small dogs that the large fellows were becoming scarce. This show was an eye-opener. Big dogs dominated the entries. Sixty Labrador Retriever entries delighted the heart of sportsmen. Twenty-eight St. Bernards undoubtedly set a record for this breed in Canada, totalling nearly 5,000 pounds. And Newfoundlands! The Saturday show drew 27 of the great black beauties.

You'd have a long way to go, outside of the Westminster and Chicago International Shows, to see such a good representation, as well as presentation, of some of the more unusual breeds.

A Giant Schnauzer, owned by Robert and Bonnie Barker of Pontiac, Mich., was the sole representative of his breed, and was quite an attraction. The Barkers also showed a Standard Schnauzer, as did Jeffrey L. Brucker and Patundlis Kennels of Stillwater, N.J. and Evelyn and Charles McCullough of Pointe Claire, Que. Many spectators saw their first Rottweiler, shown by Mr. and Mrs. Grayston F. Furlong of Kitchener, Ont. A complete rarity just a few years ago, the Vizsla had a surprising entry of 12. The entry of six Great Pyrenees was also an unexpected pleasure.

The usual ringside predictions had a number of upsets, particularly over several leading contenders who were up one day and upset the next, or the reverse.

FIRST SHOW

For his Best in Show March 18, Judge Henry H. Stoecker chose the beautifully presented Wire Fox Terrier, Ch. Talsmere Tuscan, owned and handled by veteran exhibitor Ted Ward of Hornby, Ont. The Toy Poodle, Ch. (Can. Am.) Ma Griffe Rebel, owned and bred by Phyllis M. Laventhall, Toronto was Best Canadian Bred in Show, and by contrast the Standard Poodle, Bibelot's Tall Dark and Handsome, owned and bred by Susan Radley Fraser, was Best Canadian Bred Puppy in Show.

SECOND SHOW

March 19: Judge Stan Whitmore placed the Labrador Retriever, Ch. Knolltop Leif, owned by Stuart C. Lauchlan of Winnipeg, Man. both BIS and BCB in Show. His choice for Best Puppy was the spunky Haus Chloe's Hot Cake, German Shepherd owned by Mr. and Mrs. Gordon Garrett of Goodwood, Ont.

THIRD SHOW

March 20: Judge Robert Waters agreed fully with Mr. Stoecker's choice and put up Mr. Ward's Ch. Talsmere Tuscan for its second BIS in the week, the Fox Terrier still showing like a real trouper. Ch. Kurtzhaus Thunder, Doberman Pinscher owned by John H. Hamann of Don Mills, Ont. was named BCB in Show and the bouncing young Standard Poodle, Tall Dark and Handsome, came up for a second BCBP in Show.

FOURTH SHOW

March 21: Beagle breeders outcheered other spectators as Judge Haskell Schuffman gave the nod to Ch. Perkey's Ring Master, owned by Clement M. Sigg of Livonia, Mich. and shown by veteran handler Horace Hollands. Phyllis Laventhall's Toy Poodle, Rebel, again was named BCB in Show with the Springer Spaniel, Linbar's Hercules, owned by J. R. Johnson of Point Edward, Ont. going Best Puppy.

TOP QUALITY EVERYWHERE

In addition to being spacious, well-lighted and clean, the Sportsmen's show was colorful. Commercial, club and individual displays contributed to the atmosphere of a great big beautiful show. Under the management of Superintendent Hudson Kalloch things went smoothly. There were, as might be expected, a few emergencies.

Veteran American exhibitors particularly, commenting on the green cedar-fenced exercise rings, remarked they had never enjoyed such cleanliness and privacy. Another contribution was the Stoodleigh food bar and seating area. Service was fast, the food enjoyable, and contributed much toward the cheerfulness of exhibitors during the four-day competition. Another sanctuary was the Gaines rest area with coffee and cheerful conversation for exhibitors. *more on page 39*

Ch. Braemar Bounce of Willowmount, a yellow Labrador owned by Mrs. Kay Robinson. Winner of Carling Trophy awarded to the top dog of the Retriever Field Trial Class.

Judge Stan Whitmore and model present handler Lorna Jackson with BIS honors for the black Labrador Retriever, Ch. Knolltop Leif. Owner is Stuart C. Lauchlan of Winnipeg, Man.

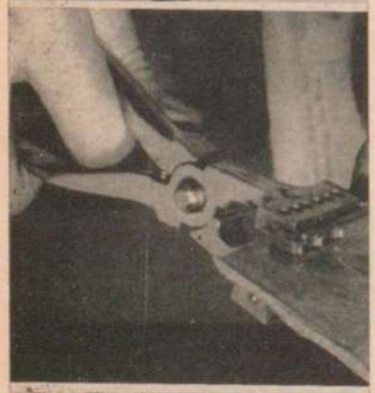
An exciting BIS win was that of the Beagle, Ch. Perkey's Ring Master, owned by Clement M. Sigg of Livonia, Mich. Judge Haskell Schuffman and model make presentation to veteran handler, Horace Hollands.

on ear, lip, flank

how to tattoo your dog

1.

2.



3.

3a.

Records, now kept for over 36 years, show that every popular breed of dog has been successfully tattooed. The tattoo marks placed in the ear, or in the flank or the lip, make it possible to find a satisfactory place to tattoo any breed, and the marks remain permanent and legible the lifetime of the dog. The instructions are simple, but must be followed exactly as outlined below. (Over and over again a breeder reporting failure, has had complete success by finding out where he had gone contrary to the instructions.) The basic method is the same for any location.

Tattoo the pups when they are two to three weeks old for best results. The marks will grow with the puppy.

The ear is the most popular, and the easiest to do. One need only choose a spot which is usually to be found in the centre of the ear quite close to the head.

Should you decide to tattoo the flank, you will need an assistant and it requires a little more care.

If you would like to lip tattoo, you will need a pair of specially designed tattoo pliers, called Model 50DL.

Always use a special tattoo ink — no other type of ink will withstand the cleansing action of the blood stream.

The first time you use your set check contents and read all directions carefully. You should have — 1 pair of nickel plated pliers, your registration letters, the year letter, 1 leather stripper, 4 rubber strippers, a tube of Ketchum's green paste tattoo ink (unless you prefer green fluid ink), a brush to clean the letters and figures, a small bottle of cleaning fluid, instructions, (see picture).

Whether a new set or one you have already used, be sure you have (A) the year letter you need; (B) the ink; (C) Clippers, electric or hand; (D) Cleaning Fluid; (E) a table or bench of a convenient height and size on which to set your pup, and to lay your pliers, with the cleaning fluid and ink, so that you can reach them.

Read the directions carefully, they are as follows:

No. 1. Put the letters and figures through a wash of the cleaning fluid to be sure they are clean and dry, then place them in the pliers, as shown in illustration No. 1. You will note that these dies can only be inserted in one way. The slot for the lock bar goes to the front of the pliers. Be sure you have the right letters and numbers by testing them first on a paper, or the blotter that is provided.

No. 2. Place the rubber strippers over the letters and figures to prevent ear from sticking to the pin points. This is done by placing one over the letters and figures, squeeze down, take a second stripper, place over the first, squeeze down, and remove the second. The purpose of the second stripper is to shove the first one down on the pins. Thick corrugated paper may be used instead of the second rubber stripper. (See illustrations No. 2 and 3.)

No. 3. Carefully prepare the area to be tattooed by (A) removing all hair with an electric or hand clipper (not scissors, unless you take great care) See illustration 3A. (B) Wipe off the area with cleaning fluid as is provided with the set. (See illustration 3B). Do not use coal oil or turpentine, as they will affect the ink. In an emergency you may use soap and water. With the latter, be sure the area is dry before you start to tattoo.

No. 4. Put a very small amount of liquid or paste ink right on the area to be tattooed — don't smear it all over so that you cannot see the veins. See illustration 4. Also, put a small amount over the pin points of the letters and figures which protrude beyond the rubber strippers. Be careful that the ear is held firmly so that there are no wrinkles in it.

No. 5. With a quick firm motion, squeeze pliers and pierce the ear. Release immediately. With the thumb and forefinger massage more tattoo ink on the tattooed area. See illustrations 5 and 6.

Do not wipe off the excess tattoo ink, or clean the ear in any way. Simply allow the ink to dry, and disappear. This will take about ten days. When the surface ink has worn away, you will have a clear and legible mark. This will take about three weeks. See illustration 7. Clean the letters and figures well, using the brush provided for this purpose, both before and after using. Oil the pliers occasionally and keep the equipment stored in a dry place.

A COMPLETE KIT FOR TATTOOING YOUR DOG

SPECIAL INSTRUCTIONS FOR FLANK TATTOOING. There should be no difficulty in tattooing in this location, but more care must be taken. You must have an assistant, who will hold the dog in a comfortable position, stretching his leg until the skin of the flank is quite taut, **but not uncomfortable.** Follow the regular instructions in every way, continue to hold the dog after you rub the ink in so that he cannot move his leg until the ink has dried slightly. This should be about five minutes. If you allow the dog to walk around immediately he will probably rub the ink off on the other side of the flank.

SPECIAL INSTRUCTIONS FOR LIP TATTOOING. Lip tattooing is completely successful, but requires a special size letter, as supplied in a model 50DL. The method is the same, except that you must be sure that the lower lip is held firmly, and is completely dry and free of saliva, both before and after tattooing.

Recommendation — We recommend that any dog, but particularly large eared dogs, be tattooed in both ears — the year letter and number in one ear — the registration letters in the other. This will allow you to leave a blank space between your letters and figures, and the resulting marks are especially clear. See illustration 8.

ON GROUP SIX

W. H. (BILL) PYM

BREEDERS CONTRIBUTE TO THE STATUS OF A BREED, AVERS THIS WELL-KNOWN VANCOUVER BREEDER, JUDGE.

Group VI is a very colorful group and should not be more difficult to judge than any other group, provided the judge understands the proper interpretation of the breed standards and purpose and use of the dogs in that group.

The Poodle has made tremendous progress. Many years ago, when I was particularly interested in the vaudeville theatre, we could depend on having one foreign "dog act" on the bill each season in which Poodles were featured. Consequently I had an opportunity to study this breed long before they became so well known to the general public as they are today. They were dogs of great beauty and intelligence, but sans the tremendous coats so often seen today. I believe the triple classification has helped uniformity of type regardless of the choice of trim.

Most breeds have their periods of popularity and decline. Should not this be, in the main, attributed more to current breeders' fancies than to any other cause? As an example, when I was a child one of my aunts kept an average of 20 Pug Dogs in her kennel, but these were eventually discarded in favor of King Charles Spaniels. At the same time my father kept at least two six-dog teams of Newfoundlands which he kept for sled dogs. These, too, were discarded for hounds and Cocker Spaniels. Both kennels were situated, of all places at Haliburton and Kinmount, Ont. Both breeds had their periods of decline and eventual recovery to popularity.

It has been suggested, from time to time, that the name "Group VI" be changed. The idea of changing the name of group VI to "Companion Dogs", for example, would cause the gentlemanly Boston Terrier to throw a fit if he was referred to as a mere companion dog. The Johnny Bulldogs would rise up and demand the destruction of the Rock of Gibralter in protest.

As I am already out on the well known limb of naming the "Greatest" dog etc., which will shortly appear in Ben Brown's new book, I prefer to lay myself open by injecting a purely personal note and ask just what kennel, any place any time, could exhibit a brace of female Bulldogs superior to my former brace of Delton Beauty and Failsworth Ena. In those days it required a first class Bulldog to even qualify for a third prize class ribbon. George Kynock might support the statement that I am not clinging to a faulty memory.

Good dogs are where you find them. Last year at an Ontario show, I judged a Bulldog and a Boston Terrier that can "travel" in any competition. On the west coast one can find Poodles that have made breed history in international competition. However, after 39 years of judging first class dogs in the United States, as against having judged but 17 licensed shows in Canada over the same period of time, I am simply not competent to make a fair comparison of breeds in Group VI in Canada and the United States.

I do not believe Poodles are over groomed. Let it be remembered an exhibitor has his choice of two styles of trimming. He is at a show and should look the part of a showman. No competent judge is misled by grooming. Whether or not spectators realize it, the judge knows what is under that coat.

In any group will be found exhibits shown in poor condition on occasion, but not as a general practice. Bulldog exhibitors, as a class, are pretty fussy about the condition of their dogs. However, I do believe far too many overhandle their Bulldogs. Some insist upon moving their dogs around the ring at a terrier pace, thereby completely destroying the characteristic "Bulldog roll" and overheating their dogs causing an excessive and unsightly discharge of saliva. The next caper of the uninitiated handler is to yank the dog out at the shoulders, allegedly to give him a wider front. This gives the dog the appearance of having loose shoulders and a sway back. By this time the poor dog is "blowing his head off", gasping for air, and displaying about as much "Bulldog expression" as a jackrabbit. It was my teaching that the art of handling a dog or horse was to *manage him* so he showed to best advantage. If an animal is built right he will stand right and the less man-handling the better.

On occasion a fellow may criticize another man's wife and still live. But to criticize another man's dog is a very dangerous occupation. I would feel on safer ground had you asked me to write a poem entitled "Oh Where Oh Where is the old fashioned road work gone." At times it appears to me that far too many show dogs receive their exercise in a bath tub or automobile. Weak pasterns, cow hocks, "tissue paper pads" tell their own story.

Not all of the youths of today are driving their own cars. Exercise boys are to be found if we look hard enough to find them. Then there is Mr. and Mrs. owners whose figures were never injured by an early morning and evening stroll with their dogs.

In the so-called good old days there were a few exercise boys who would cheat on the distance. But there is a ready remedy for these lads. Just put these fellows on a strictly cash basis with every day pay day. In practically every community there is a friendly gas station operator with whom you can deposit the exercise boy's daily pay, and situated about half the distance you wish your dog to travel. Even the cheaters are smart enough to realize that he must take your dog to this gas station in order to pick up his fee and you can rest assured the boy will walk your dog back to the kennel even though it is only to get rid of the dog. But your dog has his full quota of walking exercise every day. Life is quite simple after all. But I repeat there are good honest exercise boys to be found who would be delighted to secure this "before and after school employment". The majority of them may become the exhibitors of tomorrow.

The question is often asked WHY DOES A PERSON ASPIRE TO BECOME A JUDGE? The only explanation I can offer is that some like to be in the same ring with purebred animals, and to pit their judgment against the correct judgment without fear or favor, and to be with some of the finest people on the face of the earth. True, an exhibitor is not overjoyed when he receives a third or fourth ribbon when he really and honestly expected to win a first prize ribbon. However, this is one aspect of the game that has never given me a moment's worry because I have received my share of thirds and fourths and been "tied" for fifth with other non-winners. The dog game is a great game sponsored by great people.

MEETING OF THE BOARD OF DIRECTORS

(SECRETARY'S NOTE: Where, in the minutes of the session of February 28th, 1964, the words "Motion carried unanimously" follow a motion, said words mean that all of the following members of the Board voted in favour of the motion: J. C. Anderson, Tom Wells, Mrs. J. W. Anderson, G. M. Ashcroft, Walter Brown, Wm. Dawson, D. H. Duff, G. W. Frost, Mrs. Edna I. Joel, Robert Little, Mrs. P. B. Mack, Wm. McDerment, G. N. Mehlenbacher, W. J. Monaghan).

FEBRUARY 28, 1964

The annual meeting of the Board of Directors of The Canadian Kennel Club reconvened in the Club's offices, 1173 Bay Street, Toronto, at 9:30 a. m. on Friday, February 28th, 1964, with the President, V. W. Williams, in the Chair, and the following members of the Board present: J. C. Anderson, Tom Wells, Mrs. J. W. Anderson, G. M. Ashcroft, Walter Brown, Wm. Dawson, D. H. Duff, G. W. Frost, Mrs. Edna I. Joel, Robert Little, Mrs. P. B. Mack, Wm. McDerment, G. N. Mehlenbacher, W. J. Monaghan.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

7 R 27. REGISTRATION OF DACHSHUNDS

SUBJECT: The President read a letter (dated February 27th, from Mr. Stuart Roberts, Maidstone, Ont. and a letter (dated February 27th) from Mr. Ed R. Dixon, Toronto, both of whom expressed appreciation of their reception by the Committee appointed by the Board, and their approval of the programme discussed at the meeting between the Committee of the Board and several Dachshund breeders on the evening of February 26th.

DOG SHOWS

11 D 73. AMENDMENTS TO DOG SHOW RULES

SUBJECT: Mr. Wells:
(1) pointed out that the Club's standard for the Miniature Pinscher clearly indicates that a specimen of this breed with cropped ears may compete, yet a strict implementation of the provisions of Section 2 (a) of Chapter 17 of the Dog Show Rules would require the disqualification of a Miniature Pinscher with cropped ears;
(2) suggested that in view of this conflict between the breed standard and the Dog Show Rules, the Board consider the issuance of a ruling, pending an appropriate amendment to Section 2 (a) of the Dog Show Rules, that a Miniature Pinscher with cropped ears is eligible to compete at shows held under the Club's rules.

MOTION #169-64
Moved by Mr. Anderson, seconded by Mr. Wells:
"THAT, pending an appropriate amendment to Chapter 17, Section 2 of the Dog Show Rules, the Board rules that a Miniature Pinscher with cropped ears is eligible to compete and receive awards at shows held under the rules of this Club."
Motion carried unanimously.

MOTION #170-64
Moved by Mr. Brown, seconded by Mrs. Joel:
"THAT, all judges and show-giving clubs be informed of the decision set out in motion #169-64."
Motion carried unanimously.

SUBJECT: A proposal that the Board review the existing Dog Show Rule (Chapter 9, Section 15) which provides that a judge shall not personally open the mouth of any dog at the time of judging.

MOTION #171-64
Moved by Mr. Monaghan, seconded by Mr. Brown:
"THAT, this matter be referred to the Dog Show Rules Committee."
Motion carried unanimously.

11 D 5. WEIGHING AND MEASURING

SUBJECT: Mr. Ashcroft stated that he had been specifically asked to inquire about the availability of measuring standards and what is being done to have measuring standards made available to those clubs wishing to purchase.
Mr. Duff:
(1) suggested that the Board give consideration to the setting up of a permanent committee to ensure the proper co-ordination of rules and regulations proposed by the various Councils;
(2) recommended that official measurers be appointed by the Club for each zone, these official measurers to act directly on requests for official measurement whether it be required for field trials or dog shows.
DISCUSSION: During a discussion which followed:
(1) it was suggested that acceptable measuring standards are available through various sources, and the C. K. C. should not consider itself the sole source through which clubs may purchase acceptable measuring standards;
(2) the question was raised as to how the C. K. C. may properly implement a proposal that measuring standards be submitted to the C. K. C. for certification as to acceptability for use at shows and trials held under the Club's rules;
(3) it was proposed that the Board appoint a special committee to arrange for the securing of acceptable measuring standards to be made available to clubs.

MOTION #172-64
Moved by Mr. Duff, seconded by Mr. Little:
"THAT, the Board give consideration to the setting up of a permanent committee to ensure the proper co-ordination of rules and regulations proposed by the various Councils."
FOR THE MOTION: Mr. Brown, Mr. Duff, Mr. Little, Mr. Mehlenbacher, Mr. Monaghan.
AGAINST THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Dawson, Mr. Frost, Mrs. Joel, Mrs. Mack, Mr. McDerment.
Motion lost.

11 D 42. JUNIOR KENNEL CLUBS AND JUNIOR SHOWMANSHIP COMPETITIONS

SUBJECT: The President pointed out that while the report of the special committee, appointed by the Annual General Meeting in 1963, had submitted its report to the 1964 Annual General Meeting, no decision had been reached as to following up the proposals submitted by the special committee.

MOTION #173-64
Moved by Mrs. Mack, seconded by Mrs. Anderson:
"THAT, Mr. Wells be and is hereby appointed Chairman of the committee re Junior Kennel Clubs, with power to add."
Motion carried unanimously.

SUBJECT: Mr. Wells inquired whether the Board would be prepared to make a small amount of money available to the Committee for use in developing any projects which the Committee may feel could be commenced before the national Board meets again.

MOTION #174-64
Moved by Mr. Monaghan, seconded by Mrs. Mack:
"THAT, the Committee be authorized to incur expenses from time to time if in the discretion of the Chairman, the money is being spent to good advantage, such total in the balance of this calendar year to not exceed $1,000.00."
Motion carried unanimously.

11 D 73. AMENDMENTS TO DOG SHOW RULES

SUBJECT: Notice, given by Mr. Monaghan in a memorandum addressed to the Board on January 20th, that at this meeting he would propose the following motion:
"It shall be the duty of every person participating or intending to participate in CKC competitive events to carry out the letter and the spirit of the Club's rules and regulations.

"Any person acting or intending to act in any official capacity who for the purpose of circumventing any rule or regulation leases or transfers a dog to any other person before a competitive event is held and then has the lease cancelled or the dog transferred back after the event automatically suspends himself from participating in CKC competitive events thereafter, and all awards won by the dog shall be cancelled.

"Any person who assumes or uses a title, or evades the use of the appropriate title, for the purpose of circumventing any rule or regulation automatically suspends himself from participating in CKC competitive events thereafter and all awards won by any dog he owns, leases or handles shall be cancelled.

"Any person who either suggests, advises, condones or concurs in subterfuge, through assumption or use or non-use of any title for the purpose of circumventing any rule or regulation automatically suspends himself from participating in CKC competitive events thereafter and all awards won by any dog he owns, leases or handles shall be cancelled.

"Any person who conveys or attempts to convey by signal, conversation, gesture, message, or otherwise any information calculated to influence the judging of a dog to any person acting or preparing to act in any official capacity, paid or unpaid, either before or during a competitive event automatically suspends himself from participating in CKC competitive events thereafter and all awards won by any dog he owns, leases or handles shall be cancelled."

DISCUSSION: Mr. Monaghan stated that:
(1) in reading the published minutes of Board meetings he had noted indications that some show officials were avoiding the provisions of the Dog Show Rules and he felt his proposal may "be a way out of the difficulty which was brought before the Board";
(2) although, through amendments included in the last referendum ballot, the rules which had prompted the situation considered by the 1963 Board, were no longer effective, nevertheless he felt a useful purpose would be served if his proposal was referred to the Committee now reviewing the Dog Show Rules.

Mrs. Anderson said she felt it to be a negative attitude to attempt to write rules covering every possible area of dishonesty or poor sportsmanship, and that the initiation of a code of ethics is to be preferred to an attempt to legislate honesty and good sportsmanship.
Mr. Wells expressed the view that Chapter 24 provides the means for the Board to take action in cases of violation of the Dog Show Rules or misconduct of any kind.

MOTION #175-64
Moved by Mr. Monaghan, seconded by Mr. Little:
"THAT, this be referred to the Dog Show Rules Committee to deal with as it sees fit."
FOR THE MOTION: Mr. Little, Mr. Monaghan.
AGAINST THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Duff, Mr. Frost, Mrs. Joel, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
Motion lost.

SUBJECT: A memorandum (dated January 20th) addressed to the Board by Mr. Monaghan, reading as follows:
"A number of voting members have complained to me about members of the Board and of the staff who either themselves or through their spouses take an active part in CKC competitive events having a part in the approval or disapproval of judges, it being claimed there is grounds for suspecting favouritism, leakage of information, and perhaps rigging.

"I shall raise this matter at the appropriate time in the annual meeting of the Board and shall request that the complete answer be published in Dogs in Canada."

DISCUSSION: During a discussion which followed:
(1) Mr. Monaghan assured the Board that members had complained to him, hence his memorandum to the Board;
(2) the Secretary stated that after the application of a club holding a show or trial is approved and returned to the club holding the show or trial, there is no hesitation on the part of the staff in answering queries received by mail or telephone, as to those who are scheduled to judge at a forthcoming show or trial;
(3) it was pointed out that having obtained C. K. C. approval of its selected judge or judges, a club holding a show or trial is free to announce its approved judge or judges, and need not await the issuance of its premium list to do so;
(4) Mr. Williams stated that he considered the memorandum to be a direct reflection on the members of the Board and staff.

MOTION #176-64
Moved by Mr. Monaghan
"THAT, the Secretary be and is hereby authorized to give out information about judging assignments as soon as the official decision has been made."

(NOTE: The motion failed for want of a seconder).

SUBJECT: Mr. McDerment, chairman of the special committee appointed in 1963 to review the Dog Show Rules, pointed out that the committee's report dated February 17th had been "received as progress" (motion #45-64) at the first session of this meeting, and inquired whether it is the Board's intention that the committee carry on.
ACTION: It was agreed that the committee would carry on.

-----Mr. Anderson took the Chair at the President's request.

DISCUSSION: During a discussion which followed:
(1) Mr. Williams expressed the view that provision for a Miscellaneous Class at shows would provide an attraction to the public in that in this way they would be able to see specimens of breeds comparatively rare in Canada;
(2) Mrs. Anderson suggested that the Club should be prepared to recognize, on application, any breed now recognized by either the Kennel Club (England) or The American Kennel Club; and reported that The American Kennel Club provides a breed standard for each breed permitted in competition in the Miscellaneous Class at shows held under their rules;
(3) Mr. Monaghan suggested that the Miscellaneous Class be recognized as an "unofficial class" and dogs entered in such a class would be treated as "listed dogs";
(4) Mrs. Joel stated that there must be a recognized standard available before a breed is permitted to compete in the Miscellaneous Class;
(5) it was suggested that no breed is eligible for entry in the Class until it is so ordered by the Board and an official standard is made available to judges of the Class.

MOTION #177-64
Moved by Mr. Duff, seconded by Mr. Williams:
"THAT, hereafter dog shows will provide a 'Miscellaneous Class', entries for this Class to be for pure foreign-bred dogs of recognized breed in their country of origin, each of which itself is registered in its recognized breed club or national breed club in country of origin or of parents registered in the aforementioned clubs."

AMENDMENT TO MOTION #177-64
Moved by Mrs. Joel, seconded by Mr. Wells:
"THAT, we approve of the principle of providing for a Miscellaneous Class."
FOR THE AMENDMENT TO THE MOTION: Mr. Williams, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Frost, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment.
AGAINST THE AMENDMENT TO THE MOTION: Mr. Duff.
ABSTAINED: Mr. Mehlenbacher, Mr. Monaghan.
Amendment to the motion carried.

MOTION #178-64
Moved by Mrs. Joel, seconded by Mr. Dawson:
"THAT, the Breed Standards Committee be asked to bring in recommendations regarding mechanics of the Miscellaneous Class."
Motion carried unanimously.

-----The President resumed the Chair.

11 D 34. CHAMPIONS AND CHAMPIONSHIP POINT RATINGS

SUBJECT: Mr. Little:
(1) pointed out that on May 15, 1963, Mr. R. W. Mather, Riverview West, N. B., had provided the Board with statistical information to show that the present rating for Boxers at championship shows in the Maritime Provinces required revision;
(2) stated that while Mr. Mather's letter had been referred to the Committee reviewing the Dog Show Rules, he felt it should receive the Board's immediate consideration.

MOTION #179-64
Moved by Mr. Little, seconded by Mr. Duff:
"THAT, Boxers be placed in the 'all other breeds and varieties' category for championship shows in Newfoundland, New Brunswick, Nova Scotia, and Prince Edward Island in the schedule of point ratings set out in Section 1 of Chapter 21 of the Dog Show Rules, effective July 1, 1964."
Motion carried unanimously.

SUBJECT: Mr. Wells:
(1) stated that although a committee is now reviewing the Dog Show Rules, the Board is free to alter the schedule of ratings in Chapter 21;
(2) stated that the Club is subject to ridicule because a dog may earn a championship point without any competition whatsoever;
(3) recommended that the Board take immediate steps to require two dogs for one point;
(4) recommended that the committee now reviewing the Dog Show Rules consider amending the "Best of Winners" section (Section 2) in Chapter 21 to provide that where there is a single male in class competition and a single female in class competition, the male (or female) awarded Best of Winners will be credited with one championship point.

MOTION #180-64
Moved by Mr. Wells, seconded by Mrs. Anderson:
"THAT, the schedule of points for all breeds in all zones be changed to require a minimum of two dogs for one point, effective for shows held on and after July 1, 1964."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Frost, Mrs. Joel, Mr. McDerment, Mr. Mehlenbacher, Mr. Monaghan.
AGAINST THE MOTION: Mr. Duff, Mr. Little, Mrs. Mack.
Motion carried.

SUBJECT: Mr. Monaghan:
(1) stated that it has been some years since Section 1 of Chapter 21 (CHAMPIONS AND CHAMPIONSHIP POINTS) had been revised in its entirety;
(2) reported that when the last complete revision had been made the Secretary had provided the Board with statistical information and a system of automatic calculation of point ratings;
(3) suggested that the time was appropriate for the Board to again revise Section 1 in its entirety.

MOTION #181-64
Moved by Mr. Monaghan, seconded by Mr. Duff:
"THAT, a review be made at the semi-annual meeting of the Board and that the Secretary present for the information of the Board at the time the agenda is mailed, calculations on the same basis as when the schedule was last reviewed."
FOR THE MOTION: Mr. Brown, Mr. Duff, Mr. Little, Mr. Mehlenbacher, Mr. Monaghan.
AGAINST THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Dawson, Mrs. Joel, Mrs. Mack, Mr. McDerment.
ABSTAINED: Mr. Ashcroft, Mr. Frost.
Motion lost.

11 D 23. PREMIUM LISTS

SUBJECT: Mr. Duff suggested that because of numerous changes in premium lists and the expense to show-giving clubs to include, in their premium lists, announcements required by the C. K. C., the Board give consideration to supplying stuffers for inclusion in premium lists.
The Secretary:
(1) pointed out that on a previous occasion the Board had decided that any show-giving clubs wishing to avail themselves of the service would be provided with such stuffers, but very few clubs took advantage of the offer, perhaps because of the labour involved in inserting the stuffers in premium lists;
(2) suggested that steps be taken to eliminate, wherever possible, some of the material which the C. K. C. now insists be included in premium lists.

MOTION #182-64
Moved by Mr. Duff, seconded by Mr. Little:
"THAT, the Board give consideration to supplying stuffers for inclusion in the premium list which will include all the requirements of the dog show rules as required by the C. K. C."
FOR THE MOTION: Mr. Ashcroft, Mr. Brown, Mr. Duff, Mr. Little, Mrs. Mack, Mr. Monaghan.
AGAINST THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Dawson, Mr. Frost, Mrs. Joel, Mr. McDerment, Mr. Mehlenbacher.
Motion lost.

-----Mr. Frost left the meeting.

-----Luncheon recess.

11 D 1. JUDGES

SUBJECT: Mr. Wells:
(1) stated that he did not agree with the "true or false" set-up on the examination papers provided for those seeking to establish eligibility to judge in accordance with the provisions of Chapter 7 of the Dog Show Rules;
(2) suggested that the Chairman of the Committee responsible for the implementation of Chapter 7 review the examination papers used for written examinations.

MOTION #183-64
Moved by Mr. Wells, seconded by Mr. Mehlenbacher:
"THAT, we request the Chairman of the Committee on implementation of Chapter 7 of the Dog Show Rules to review the examination papers used for written examinations."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher, Mr. Monaghan.
ABSENT: Mr. Frost.
Motion carried.

OBEDIENCE TRIALS

12 OB 8. REPORT OF CHAIRMAN OF OBEDIENCE COUNCIL

SUBJECT: The following report (dated January 13th) submitted by Mr. Mehlenbacher, Chairman of the Obedience Council:
"Having concluded a very active year in Obedience, I would like to thank the Board of Directors, the Obedience Representatives, my standing committee on Obedience, the Secretary Mr. Norman Brown and the office staff for the support and cooperation accorded me as Chairman of the Obedience Council.
"The following report and recommendations I would ask you give serious consideration:-
1. (a) Section 13 of Chapter 2--Retrieve over high jump. --'The jump shall be as nearly as possible one and one half times the height of the dog at the withers or 3 feet, whichever is less. This applies to all breeds except those listed below for which the jump shall be once the height of the dog at the withers or 3 feet, whichever is less: Bullmastiffs, Great Danes, Great Pyrenees,

Mastiffs, Newfoundlands and St. Bernards.' It is the strong recommendation that in the next referendum ballot, a proposed amendment be included which would add the following breeds to the above section:- Basset Hounds, all Dachshunds and Bulldogs.

(b) The Standing Committee on Obedience, is very concerned about the section of the present regulations dealing with the processing of applications for approval to judge Obedience trials, which virtually gives the obedience representatives, with or without the assistance of a committee, the right to rule out an applicant without giving the applicant at least an opportunity of trying the written and oral examinations. The committee does concede that in some instances it is clear from the application received by the Canadian Kennel Club that the applicant just does not have sufficient experience to be considered as possible judging material. The committee recommends that at the annual meeting of the Board, the Board review the section in question with the recommendation that, where an Obedience Representative recommends that the applicant be not permitted to take written and oral examinations, the applications must be referred to the chairman's standing committee, along with the obedience representative's reasons for so recommending, the committee to then submit its report to the Board in order that the Board may then decide whether or not the applicant may be permitted to take written and oral examinations.

(c) Having regard for the proposed amendment No. 6 approved by majority vote in the 1963 referendum ballot, I would recommend that the Province of Ontario be zoned into 5 zones and the Board of Directors appoint 5 Obedience Representatives to cover the trials in their respective zones. I would ask that the Directors in the remaining provinces furnish me with information regarding areas in their provinces which require additional representatives in order that we may have a more efficient representation at all obedience trials held under our rules in the whole of Canada.

(d) Considering the request of the German Shepherd Club of Canada and the Mountain City Obedience Club, I recommend that in the unofficial classes which a club may consider in addition to the regular classes, a class be added by way of Standing Resolution, known as the Beginner's Novice Class, which would consist of the following exercises:-

1.	Heel on leash and figure eight	35 Points
2.	Stand for examination	30 "
3.	Recall - on 10 ft. leash	30 "
4.	Long Sit - on leash, 10 ft. in front of dog	30 "
5.	Long Down - on leash, 10 ft. in front of dog ..	30 "
	Total	155 "

(e) Section 20--Amendments - Subsection 1 - 'Amendments adopted by the American Kennel Club to its regulations and standards for Obedience Trials shall automatically become amendments to these regulations and standards, etc'.
In December, 1963 the A.K.C. published proposed revision of its obedience regulations in the Pure-Bred Dogs American Kennel Gazette. After reading and studying the revised regulations, I find that I would recommend adopting these new A.K.C. regulations, but until I have received the comments of Mrs. Southcott (who was previously appointed to review our regulations) and the standing committee on Obedience, I would recommend that this be left in abeyance until the proposed revision has been thoroughly studied by the above named committee.

(f) A number of recommendations were referred back to the committee at the semi-annual meeting of the Board. I am leaving these for further consideration, having regard for the proposed revision of the American Kennel Club on Obedience regulations and standards.

2. Tracking:-
The copy of the special committee report has been sent to all Obedience Representatives, all clubs holding obedience trials and tracking tests, all members of the standing committee on Obedience and all Board Directors, with all comments to be received by Feb. 10, 1964. At the Annual meeting of the Board I expect to have a proposal to recommend with regard to the above new tracking rules and regulations.

3. Service Dog:-
I have nothing to report at this time, as the committee appointed has not finished their study of the Service Dog exercises, rules and regulations."

DISCUSSION: During a discussion of the recommendation set out in Section 1 (a) of the report:

(1) the Secretary read a letter (dated January 31st) addressed to the Board by Mrs. D. Engels on behalf of The Basset Club of Canada setting forth their strong recommendation "that the Basset be amongst those breeds excepted requiring that the dog jump the withers' height only or three feet whichever is less";

(2) Mrs. Anderson said that "obedience people in the West are opposed to this on the grounds that it is considered proof of these breeds' deterioration if they cannot jump 1-1/2 times their height.";

(3) Mr. Monaghan said that the recommendation emanated from the Council following consultation with the Obedience Representatives and should therefore be supported by the Board.

MOTION #184-64
Moved by Mr. Ashcroft, seconded by Mr. Monaghan:
"THAT, we concur with this recommendation."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mr. Ashcroft, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher, Mr. Monaghan.
AGAINST THE MOTION: Mrs. Anderson, Mr. Brown.
ABSENT: Mr. Frost.
Motion carried.

SUBJECT: The Secretary sought an instruction as to whether the preceding motion (#184-64) meant that he was to include the proposed amendment in a special referendum ballot for distribution to voting members in 1964.

MOTION #185-64
Moved by Mrs. Joel, seconded by Mr. Dawson:
"THAT, the section (1 (a) of the Obedience Chairman's report in which eleven members of the Board concurred that this would go on the next referendum ballot or a special referendum ballot if so ordered by the Board."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Dawson, Mrs. Joel, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher,
AGAINST THE MOTION: Mr. Duff, Mr. Little, Mr. Monaghan.
ABSTAINED: Mr. Brown.
ABSENT: Mr. Frost.
Motion carried.

The President pointed out that to be effective not less than eleven members of the Board must be in favour of a motion directing that a proposed amendment be included in the referendum ballot, therefore, with only nine members voting in the affirmative, the requirements of section 17 of Article XXXVIII of the Club's By-laws were not met.

SUBJECT: The Board proceeded to discuss Section 1. (b) of the report.

MOTION #186-64
Moved by Mr. Mehlenbacher, seconded by Mrs. Anderson:
"THAT, we concur with this recommendation and the Secretary amend the procedure accordingly."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher, Mr. Monaghan.
ABSENT: Mr. Frost.
Motion carried.

DISCUSSION: During a discussion of Section 1. (c) of the report, Mr. Mehlenbacher pointed out that with Ministerial approval of amendment No. 6 of the 1963 referendum ballot it would be possible for the Board to appoint additional Obedience Representatives.

Mr. Monaghan stated his objection to the appointment of additional Obedience Representatives but had no objection to deputies being appointed.

MOTION #187-64
Moved by Mr. Mehlenbacher, seconded by Mrs. Anderson:
"THAT, we concur with this recommendation."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
AGAINST THE MOTION: Mr. Monaghan.
ABSENT: Mr. Frost.
Motion carried.

DISCUSSION: During a discussion of Section 1. (d) of the report, Mr. Mehlenbacher pointed out that on a previous occasion the Board, by addition to the Book of Standing Resolutions, had laid down rules for certain unofficial classes, and suggested that the Board now prescribe rules for the "Beginner's Novice" class for the benefit of clubs wishing to stage such a class.

MOTION #188-64
Moved by Mr. Mehlenbacher, seconded by Mrs. Mack:
"THAT, this be included in our provisions for unofficial classes."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher, Mr. Monaghan.
ABSENT: Mr. Frost.
Motion carried.

SUBJECT: During a discussion of Section 1 (e) of the report, Mr. Mehlenbacher:

(1) stated that should The American Kennel Club adopt, either as published in The American Kennel Gazette or subsequently revised, new Obedience Trial Regulations and Standards, there may be those in Canada, particularly judges, who may assume that the new A.K.C. Regulations and Standards are automatically in effect in Canada;

(2) suggested that the Board make it clear that any new A.K.C. Regulations and Standards are not effective in Canada until the Board receives and considers a report on the subject, from the Obedience Council;

(3) suggested that the Board consider a revision of Chapter I, Section 20, of the Obedience Trial Regulations and Standards to clarify this point.

MOTION #189-64
Moved by Mr. Brown, seconded by Mr. Little:
"THAT, this question be referred back to the Council who are authorized to use their discretion in informing judges that alterations in A.K.C. Obedience Regulations and Standards are not automatically effective in Canada."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher, Mr. Monaghan.
ABSENT: Mr. Frost.
Motion carried.

SUBJECT: Mr. Mehlenbacher:

(1) pointed out that an amendment (#19) to the Obedience Trial Regulations included in the 1963 referendum ballot and approved by majority affirmative vote provided for the right of an obedience judge to a formal hearing of a complaint against him before he may lose his judging privileges;

(2) recommended that in Section 22 of the application which a person wishing to establish eligibility to judge one or more obedience classes must complete and submit to the Club, the words "without the reason being made known to me" be deleted, the same deletion to be made from any other applications of a similar nature used for dog shows and field trials.

ACTION: The Board approved Mr. Mehlenbacher's recommendation and directed the Secretary to amend the applications to be made available to those wishing to apply for judging privileges.

12 OB 9. TRACKING TESTS

SUBJECT: Mr. Mehlenbacher:

(1) reported that on December 31, 1963 the Secretary had forwarded to each Obedience Representative and to each club holding licensed obedience trials and/or licensed tracking tests under the Club's

rules, a copy of the proposed new tracking test rules, as drafted by the Committee specifically appointed for the purpose of drafting such rules, the Secretary's letter having invited comments for the Committee's consideration;

(2) reported that a copy of the same material had been forwarded to each member of the Board on January 2nd;

(3) reported that all comments received had been referred to the Special Committee for its attention;

(4) read the following report, to which was attached a revised set of proposed tracking test rules drafted by the Committee following receipt of comments, the following report having been signed by the following members of the Committee: Warren Parkinson (Chairman) Walter Konradt, David White, and George Mehlenbacher (Chairman of the Obedience Council):

"In respect of correspondence received we have incorporated many suggestions in these revised Tracking Test Regulations. They represent a practical, workable compromise.

"We believe they are fair to all parties, in all regions of the the country. We have carefully considered the interests of tracking trainers, judges and test-holding clubs in conjunction with the responsibilities and objectives of The Canadian Kennel Club.

"This report completes the duty for which this Committee was appointed. Upon dissolution we wish to thank our many fellow tracking enthusiasts in British Columbia, Manitoba, Ontario and Quebec for their thoughtful comments.

"We recommend the adoption of these revised Tracking Test Regulations.";

(5) reported that one member of the Committee had declined to sign the report on the grounds that he was not in agreement with one aspect of the proposed new regulations and that, although he had asked that member to submit a minority report, none had been received;

(6) stated that if the Board wished he would proceed to report the several changes which the Committee, after consideration of comments received, had made in the proposed Tracking Test rules distributed on December 31, 1963, and January 2, 1964.

It being agreed that he would do so, Mr. Mehlenbacher proceeded to report in detail the changes which the special committee had made in the draft rules.

During a discussion of Section 17 (AMENDMENTS) of the proposed new Tracking Test rules it was suggested that in order that such rules may be more readily amended, it would be preferable to delete the proposed Section 17 and substitute the present Chapter 21 of the Field Trial Rules & Regulations (suitably reworded with reference to Tracking Tests rather than Field Trial Rules & Regulations).

MOTION #190-64

Moved by Mr. Monaghan, seconded by Mr. Anderson:

"THAT, section 17 of Chapter 1 of the proposed Tracking Test Rules be amended as read along the lines now found in Chapter 21 of the Field Trial Rules & Regulations."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Ashcroft, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher, Mr. Monaghan.

ABSENT: Mr. Frost.

Motion carried.

-----Mr. Ashcroft left the meeting.

The review of the proposed new rules having been completed, a discussion followed with regard to the approval of the new rules and the setting of an effective date.

It was pointed out that by virtue of the majority affirmative vote given proposed amendment No. 21 in the last referendum ballot, there are no references to tracking tests in the Obedience Trial Regulations and Standards, and it would be necessary for Tracking Test Rules to be adopted by the Board if licensed tracking tests are to be held in 1964.

Mr. Monaghan suggested that when the rules are approved a definite effective date should be set by the Board.

-----Mr. Monaghan left the meeting.

MOTION #191-64

Moved by Mr. Anderson, seconded by Mrs. Joel:

"THAT, the report be received and the suggested Tracking Test Rules be adopted, the effective date to be July 1, 1964."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mr. McDerment, Mr. Mehlenbacher.

AGAINST THE MOTION: Mrs. Mack ("because I do not see it as an emergency").

ABSENT: Mr. Ashcroft, Mr. Frost, Mr. Monaghan.

Motion carried.

12 OB 8. REPORT OF CHAIRMAN OF OBEDIENCE COUNCIL

REPORT: Mr. Mehlenbacher reported that:

(1) he had been provided with a copy of the "Field Trial Rules" adopted by The Canadian Kennel Club in 1938, under which the German Shepherd Dog Club of Canada had, for a number of years prior to 1939, held "field trials";

(2) he had been asked to inquire whether or not the German Shepherd Dog Club of Canada would be granted permission to again hold a "field trial" under said rules if it sought such permission.

DISCUSSION: During a discussion which followed:

(1) it was pointed out that these "Field Trial Rules" were actually the forerunner of obedience trials under Obedience Trial Regulations & Standards and to now grant permission to hold "field trials" for what is essentially obedience trial work may create confusion since it is generally understood that field trials apply to sporting dogs and hounds;

(2) the Secretary stated that if and when such an application is received it will be referred to the Board for consideration.

REPORT: Mr. Mehlenbacher referred to Section 3 of the report and stated that the Special Committee which had been appointed in connection with the Service Dog Class had voluntarily disbanded itself on the grounds that it could not reach any conclusion in the form of specific recommendations to the Board of Directors.

ACTION: No action was taken.

REPORT: Mr. Mehlenbacher reported that:

(1) the Chairman's Standing Committee had received the report of the Obedience Representative for Ontario in connection with the application of Mary C. Donaldson, London, who had applied to establish eligibility to judge the Novice Classes at licensed obedience trials;

(2) it was the recommendation of the Chairman's Standing Committee that Mrs. Donaldson be allowed to take the examinations for the Novice Classes, with a recommendation to her that she endeavour to get some practical experience in stewarding etc. before applying for additional classes.

MOTION #192-64

Moved by Mr. Brown, seconded by Mr. Little:

"THAT, we concur with the recommendation of the Chairman of the Obedience Council."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.

ABSENT: Mr. Ashcroft, Mr. Frost, Mr. Monaghan.

Motion carried.

REPORT: Mr. Mehlenbacher reported that:

(1) Mrs. Ray Paynter of Hamden, Conn. had been approved to judge the following classes in Bermuda: Nov. 3rd, Novice; Nov. 4th, Open A and Utility; Nov. 5th, Open B; Nov. 7th, Novice;

(2) not having previously judged these classes at a trial held under the rules of The Canadian Kennel Club, it is necessary for Mrs. Paynter to take written and oral examinations, as provided in the new regulations adopted by the Board in 1963;

(3) recommended that Mr. George Taylor, who is scheduled to judge at one of the trials to be held by The Bermuda Kennel Club, be authorized to arrange for Mrs. Paynter to take written and oral examinations while she is in Bermuda.

ACTION: The recommendation of the Chairman of the Obedience Council was approved.

MOTION #193-64

Moved by Mr. Brown, seconded by Mr. Dawson:

"THAT, the report of the Chairman of the Obedience Council as a whole, as amended, be adopted."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.

ABSENT: Mr. Ashcroft, Mr. Frost, Mr. Monaghan.

Motion carried.

FIELD TRIALS

13 FT 1. REPORTS OF CHAIRMEN OF FIELD TRIAL COUNCILS

REPORT: The Secretary:

(1) reported that at the last meeting of the Field Trial Council for Retrievers, the Council had agreed that Mr. Wm. Copeland, a member of the Council, would secure a revised quotation on the printing of pages for unofficial judges' books for use by officiating judges in the field during field trials, the Council at that time having decided on the specifications for such pages;

(2) read a quotation secured by Mr. Copeland on the printing of such pages on bond paper, and also on waterproof cardboard;

(3) reported that it was the recommendation of the Council to the Board that The Canadian Kennel Club stock these pages and advise field trial clubs that the pages are available through the Club at a stated price.

DISCUSSION: During a discussion which followed it was agreed that before unofficial judges' books are made available it would be advisable to secure the reaction of those in Canada judging at licensed Retriever field trials with a view to ensuring that whatever type of book is made available it would be one which would be generally acceptable to officiating judges.

MOTION #194-64

Moved by Mrs. Mack, seconded by Mrs. Anderson:

"THAT, the Secretary send a sample to all Canadian approved judges of Retriever trials and secure their reaction to the proposed judges' books for use in the field."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.

ABSENT: Mr. Ashcroft, Mr. Frost, Mr. Monaghan.

Motion carried.

REPORT: Mrs. Joel, Chairman of the Field Trial Council for Beagles, reported that the Beagle Field Trial Council had also given consideration to a type of unofficial judges' book which judges could use in the field when judging Beagle field trials, and reported on a quotation which she had received. Mrs. Joel suggested that different types of books would be required for brace and pack trials, and that both be made available.

DISCUSSION: Following a discussion it was agreed that it would be preferable to use a book with plastic binding for readier handling by officiating judges.

MOTION #195-64

Moved by Mr. Brown, seconded by Mr. McDerment:

"THAT, we concur with the recommendation of the Chairman of the Field Trial Council for Beagles."

FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.

ABSENT: Mr. Ashcroft, Mr. Frost, Mr. Monaghan.

Motion carried.

13 FT 19. FIELD TRIALS FOR FOXHOUNDS

REPORT: The Secretary pointed out that with the agenda of this meeting mailed to members of the Board on January 23rd, there had been included the following:

(1) a report of a meeting which had taken place at the Club's offices on September 29th, attended by the following: Mr. E. D. Bonnyman and Dr. Fred Hunt representing the All-Canadian Foxhunters' Association and the Masters, Braeside, Lower Ottawa Valley and Spencerville Foxhunters Clubs; Mr. Angus McDermid, representing both

the Association and the Western Ontario Foxhunters Club: Mr. W. J. Monaghan (C. K. C. Ontario Field Trial Representative for Foxhounds); Mr. Wm. McDerment (Chairman of the Field Trial Council for Foxhounds); Mr. Walter Brown, and the Secretary-Treasurer, representatives appointed by the Board;

(2) a copy of a letter from Mr. E. D. Bonnyman, dated January 10th;
(3) copy of a letter from Mr. Angus McDermid, dated January 10th, and copy of a letter from Mr. Monaghan, dated January 10th.

DISCUSSION: During a discussion which followed it was agreed that it would be inadvisable to eliminate the qualification feature in connection with dogs eligible for entry in the National Championship Stake for Foxhounds, nor would it be advisable to permit of any arrangement which would enable a dog to secure its field trial championship on the basis of a single trial.

MOTION #196-64
Moved by Mrs. Joel, seconded by Mr. McDerment:
"THAT, we do not alter the present requirement for entry of Foxhounds in the National Championship Stake for Foxhounds."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mr. Ashcroft, Mr. Frost, Mr. Monaghan.
Motion carried.

13 FT 29. FIELD TRIALS FOR BEAGLES

REPORT: Mrs. Joel, Chairman of the Field Trial Council for Beagles, pointed out that in 1963 the Board had approved in principle, a system of apprenticing for those wishing to establish eligibility to judge licensed field trials for Beagles and that, with a view to carrying out that programme there had been forwarded to the Board with the agenda of this meeting (pages 111 and 112) the Council's recommendations with regard to the detailed procedure to be followed in connection with the processing of applications submitted by those wishing to establish eligibility to judge at Beagle field trials.

MOTION #197-64
Moved by Mr. Anderson, seconded by Mrs. Anderson:
"THAT, these rules be approved and processed in the normal manner."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mr. Ashcroft, Mr. Frost, Mr. Monaghan.
Motion carried.

REPORT: Mrs. Joel:
(1) pointed out that at the Annual General Meeting there had been a brief discussion regarding the proper interpretation of Rule 8 in Chapter 13 of the Field Trial Rules and Regulations;
(2) reported that at a meeting of the Field Trial Council for Beagles held on December 8, 1963, it had been agreed that the Chairman of the Council would seek an official interpretation of that Rule;
(3) reported that it was her intention to secure information from The American Kennel Club and then proceed to consult each of the clubs holding pack field trials for Beagles with a view to the Council ultimately recommending an interpretation to the Board of Directors.

ACTION: The matter was left in the hands of the Chairman of the Council.

SUBJECT: Mrs. Joel read the following from the minutes of the meeting of the Field Trial Council for Beagles held on December 8, 1963:
"The Council reviewed a list of approved judges and authorized the Chairman to ascertain when a number of these judges had last officiated, the list to be reviewed at the next Council meeting. The Council discussed the possibility of having removed a number who are no longer active in connection with Beagle field trials. It was suggested that anyone who had not been active as a judge within the last three years should be removed. This question will be reviewed at the Council's next meeting, after the Chairman has obtained the information desired by the Council."

ACTION: It was agreed that a letter would be addressed to each of the persons on the approved list of judges, inquiring whether each wished to remain on the list and, where a negative reply was received, the name would be deleted.

REPORT: Mrs. Joel reported that at its meeting on December 8, 1963, the Field Trial Council for Beagles decided to recommend to the Board that no person may seek to establish eligibility to judge Beagle field trials who is under 21 years of age at time of application.

MOTION #198-64
Moved by Mr. Anderson, seconded by Mr. McDerment:
"THAT, the recommendation of the Council be endorsed."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mr. Ashcroft, Mr. Frost, Mr. Monaghan.
Motion carried.

REPORT: Mrs. Joel read the following from the minutes of the meeting of the Beagle Field Trial Council held on December 8, 1963:
"The Council unanimously decided to recommend to the Board that a newly-formed Beagle club must be required to run two sanction trials before it is granted permission to run a licensed trial. For each of the two sanction trials it must send out a premium list, it must measure hounds correctly, it must arrange for a properly-marked judge's book, it must use marshals, etc.; in short, a full dress rehearsal for a licensed trial (except no championship points given) is considered highly desirable in order that a club may be better equipped to run a licensed trial."

MOTION #199-64
Moved by Mr. Duff, seconded by Mr. Dawson:
"THAT, this recommendation of the Council be approved."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mr. Ashcroft, Mr. Frost, Mr. Monaghan.
Motion carried.

REPORT: Mrs. Joel pointed out that at an earlier meeting she had been authorized to arrange for a French translation of the field trial rules for Beagle field trials, and reported that progress was being made on this project.

ACTION: It was agreed that a letter of appreciation would be addressed by the President to the person making the translation.

REPORT: Mrs. Joel:
(1) reported that at its meeting on October 16, 1963 the Board of Directors had appointed seven official measurers for the province of Quebec;
(2) read a letter from Mr. Okill Stuart, Quebec Field Trial Representative for Beagles, asking that the names of Mr. James Moffat and Dr. Ray Lawson be deleted from the list approved by the Board on October 16th and that Mr. Vincent Neville and Mr. Laurier Piedalue be appointed in their place;
(3) reported that although, at its meeting on October 16th the Board had appointed official measurers in the Ontario (east of Toronto) zone, she had repeatedly sought the co-operation of Mr. Wm. Trevena (Ontario Field Trial Representative for Beagles, Brace) in recommending names of possible official measurers for the area west of Toronto, but when these recommendations had not been forthcoming the Council had agreed that Mr. Hardie R. Brown, a member of the Council, would submit recommendations;
(4) read a letter (dated December 16, 1963) from Mr. Hardie Brown in which Mr. Brown reported that the Ontario Association of Beagle Clubs had submitted the following names to Mr. Trevena as their suggestions for official measurers: Messrs. Eric Jackson, Wm. Pfeiffer, Thos. Walker, Clarence Gignac, Jack Paddon, Hardie Brown;
(5) recommended the appointment as official measurers of those named in the letter received from Mr. Brown.

The Secretary pointed out that at the Annual General Meeting Mr. Joe Tiede had referred to a long outstanding application for official measurement, and reported that the application had been held in abeyance pending the appointment of official measurers in the zone west of Toronto, since the dog referred to by Mr. Tiede is owned in the London area.

DISCUSSION: During a discussion which followed the Secretary reported that he had been asked to raise the question of whether or not only members of The Canadian Kennel Club may be appointed as official measurers. It was agreed that the field trial rules referring to the appointment of official measurers by the Board did not require that such persons must be members of The Canadian Kennel Club.

MOTION #200-64
Moved by Mr. McDerment, seconded by Mr. Anderson:
"THAT, the two changes requested by Mr. Okill Stuart be approved and the recommendation with regard to the appointment of other official measurers in Ontario, as suggested by the Chairman of the Council, be approved."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mr. Ashcroft, Mr. Frost, Mr. Monaghan.
Motion carried.

SUBJECT: Mrs. Joel read a letter (dated January 15, 1964) from The Ottawa Valley Beagle Club in which that Club:
(1) inquired whether there had been an official measurement of the Beagle SAD EYED SALLY;
(2) pointed out that according to the list of official measurers, the nearest official measurer is located 70 miles from Ottawa, and asked that the matter be reviewed and an official measurer from their immediate area be appointed in the near future;
(3) inquired whether a Zone Committee would be formed, as provided in Article XIII, Section 10 of the By-laws, and sought an assurance that it would be "actively employed".

MOTION #201-64
Moved by Mr. McDerment, seconded by Mr. Duff:
"THAT, the letter from the Ottawa Valley Beagle Club dated January 15, 1964, be referred to the Chairman of the Council for appropriate reply."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
ABSENT: Mr. Ashcroft, Mr. Frost, Mr. Monaghan.
Motion carried.

ADJOURNMENT

At 6:00 p. m. this meeting of the Board adjourned to reconvene in the same place at 9:30 a. m. on Saturday, February 29, 1964.

(SECRETARY'S NOTE: Where, in the minutes of the session of February 29th, 1964, the words "Motion carried unanimously" follow a motion, said words mean that all of the following members of the Board voted in favour of the motion: J. C. Anderson, Tom Wells, Mrs. J. W. Anderson, Walter Brown, Wm. Dawson, D. H. Duff, Mrs. Edna I. Joel, Robert Little, Mrs. P. B. Mack, Wm. McDerment, G. N. Mehlenbacher).

FEBRUARY 29, 1964

The annual meeting of the Board of Directors of The Canadian Kennel Club reconvened in the Club's offices, 1173 Bay Street, Toronto, at 9:30 a. m. on Saturday, February 29th, 1964, with the President, V. W. Williams, in the Chair, and the following members of the Board present: J. C. Anderson, Tom Wells, Mrs. J. W. Anderson, Walter Brown, Wm. Dawson, D. H. Duff, Mrs. Edna I. Joel, Robert Little, Mrs. P. B. Mack, Wm. McDerment, G. N. Mehlenbacher.

FIELD TRIALS

13 FT 29. FIELD TRIALS FOR BEAGLES

REPORT: Mrs. Joel, Chairman of the Field Trial Council for Beagles, read the following from the minutes of the meeting of the Field Trial Council for Beagles held on December 8, 1963:
"The Chairman sought the views of the Council on a question raised by the Secretary as to the meaning of the words 'officially measured' in Chapter 14, Rule 2, Section 1 of the Field Trial Rules. It was unanimously agreed that before a decision is reached on whether or not a dog has attained Field Trial Championship stat-

us, having competed in both height divisions, then the owner would have to apply for an Official Measurement Certificate and the dog would have to be officially measured, as provided in the Field Trial Rules.

"The Council unanimously agreed that the sworn declaration provision on the application for official measurement should be dispensed with, and asks that the Board take appropriate action to eliminate that requirement. The Council feels that since a dog must now be officially measured by three official measurers, the sworn declaration is no longer necessary. It is also suggested that a supply of applications for official measurement be supplied to Field Trial Representatives for Beagles."

MOTION #202-64

Moved by Mr. McDerment, seconded by Mr. Anderson:

"THAT, we concur and implement the Council's recommendations."

Motion carried unanimously.

REPORT: Mrs. Joel:

(1) pointed out that at a meeting of the Board of Directors held on December 18, 1963 the Board, by motion #485-63, had endorsed a recommendation of the Field Trial Council for Beagles regarding the submission of measuring standards to the C. K. C. for approval;

(2) suggested that the Board set forth the procedure to be followed by the Secretary in arranging for certification of measuring standards.

ACTION: After discussion it was agreed that the Field Trial Council for Beagles would assume the responsibility of arranging for the testing of measuring standards and the issuance of an appropriate certificate of approval.

SUBJECT: Mr. Duff suggested that the local Director would be in a better position to deal with field trial matters, either at Board meetings or otherwise, if he is provided with copies of letters, reports and memoranda addressed to Field Trial Representatives and to clubs in his zone.

MOTION #203-64

Moved by Mr. Duff, seconded by Mr. Little:

"THAT, the local Director be supplied with copies of correspondence and reports addressed to the Field Trial Representatives and field trial clubs in his electoral zone."

Motion carried unanimously.

-----Mr. Anderson took the Chair at the President's request.

13 FT 28. FIELD TRIALS FOR RETRIEVERS

REPORT: The Secretary:

(1) pointed out that at the last semi-annual meeting of the Board the then Chairman of the Field Trial Council had placed before the Board a proposed amendment to the Club's By-laws with regard to Field Trial Councils and Field Trial Representatives, which proposal was ordered referred to the several Field Trial Councils for consideration, their recommendations to be then placed before a subsequent meeting of the Board;

(2) reported that in the minutes of a meeting of the Retriever Field Trial Council held on February 8, 1964 (a copy of which minutes had been distributed to members of the Board at the commencement of this meeting) there was a recommendation that the Board at the earliest possible date, place before voting members of the Club, the following proposed amendment to the Club's By-laws:

"Article XIII, COMMITTEES, REPRESENTATIVES AND APPOINTMENTS, be amended by the deletion of Section 10 in its entirety, and the following be substituted therefor:

'10. There shall be a Field Trial Council for each branch of field trial activity conducted under the Club's Field Trial Rules. At its annual meeting each year the Board shall appoint the Chairman of each Field Trial Council, each Council to consist of the Chairman and four other persons. When appointing the Chairman of a Field Trial Council the Board may appoint the remaining members of the Council or may delegate that duty to the Chairman which it has appointed. The duties of each Council, and the procedures to be followed in the discharge of its duties, shall be as prescribed by the Board from time to time.

'At its annual meeting, and at such other times as deemed advisable, the Board may appoint Field Trial Representatives whose duties and the procedures to be followed in the discharge of such duties, shall be as prescribed by the Board from time to time.'"

ACTION: This recommendation was ordered referred to the semi-annual meeting of the Board, by which time it is hoped that the recommendations of other Field Trial Councils will be available.

REPORT: The Secretary reported that at a meeting of the Field Trial Council for Retrievers held on February 8, 1964, it had been unanimously agreed that it be recommended to the Board that, by reason of his past experience as Chairman of the Council, Mr. Robert Blyth be appointed a member ex officio of the Council for the ensuing year.

MOTION #204-64

Moved by Mr. Williams, seconded by Mr. McDerment:

"THAT, we concur with this recommendation."

FOR THE MOTION: Mr. Williams, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.

Motion carried.

REPORT: The Secretary read the following from the minutes of a meeting of the Field Trial Council for Retrievers held on February 8, 1964:

"It was unanimously agreed that the following recommendation be placed before the annual meeting of the Board of Directors, it being the Council's recommendation that these proposed regulations replace the present requirements of The Canadian Kennel Club with regard to approval of selected judges for licensed Retriever field trials:

1. Judges of any official stake at a C. K. C. licensed Retriever field trial should be thoroughly experienced in handling, training, and the requirements of Retriever work. They should have a thorough knowledge of the Field Trial Rules and Regulations, and of the Supplement to the Standard Procedure for Non-Slip Retriever Trials.
2. In Open, Limited, or Special All-Age Stakes, and in Amateur All-Age Stakes there must be two judges and their combined experience must be such that they have judged a total of three Open, Limited, or Special All-Age Stakes. If three judges are used their combined experience must be such that they have judged a total of five such stakes.
3. In the Qualifying Stake there must be two judges and their combined experience must be such that they have judged a total of three Qualifying (and/or All-Age) Stakes. However, it is recommended that one of the two judges be a judge who, on at least one occasion, has judged the Open All-Age Stake at a licensed trial.
4. In the Junior Stake there must be two judges and their combined experience must be such that they have judged a total of three Junior (and/or Qualifying or All-Age) Stakes. However, it is recommended that at least one of the two judges be a judge who, on at least one occasion, has judged the Open All-Age Stake at a licensed trial.

"It was agreed that for the purposes of the foregoing requirements the judging engagements qualifying a person to judge would be those judging engagements actually fulfilled during the years 1954 to 1963 inclusive, and that for the purpose of aiding trial-giving clubs in the selection of judges the Secretary would provide each club holding licensed Retriever field trials with a list of persons who had actually officiated as judges in the Junior, Qualifying and All-Age Stakes during that period. It was also agreed that judging engagements at A. K. C. licensed trials for the Open All-Age and Amateur All-Age stakes would count and for these purposes the C. K. C. would use the last mimeographed list made available by the A. K. C., except that judging engagements in these stakes subsequent to the preparation of that list will count upon receipt of official confirmation from the A. K. C.

"It was agreed that when a person is selected to judge a particular stake and that person's name does not appear on the list as having judged that particular stake at least once during the ten-year period 1954 to 1963 inclusive, then the approval of the Field Trial Representative for Retrievers in the zone in which the trial is to be held will be required before the engagement can be approved. (Sec. Note: This is paragraph #3 referred to in motion #205-64).

"It was agreed that where, on the recommendation of a Field Trial Representative, a person has been approved to judge a particular stake during the ten-year period 1954 to 1963 inclusive, such engagement will count in the preparation of the list of judging engagements fulfilled during that ten-year period.

"It was agreed that in the case of those who have served as student judges while the existing policies have been in effect, no decision will be reached on those applicants who have not completed their apprenticing. However, should any of these be selected to judge a particular stake, the file with regard to their application and the reports of the judges under whom they served as student judges will be referred to the Field Trial Representative for his perusal before he submits his recommendation." (Sec. Note: This is paragraph #5 referred to in motion #205-64).

DISCUSSION: During a discussion which followed it was agreed that the practice of consulting the local Field Trial Representative should be discontinued on the grounds that it is unfair to place the responsibility for approval or non-approval of a selected judge on the shoulders of the Representative and that, on occasion, this has in the past resulted in delays in advising field trial clubs whether or not any or all of their selected judges had been approved or not approved.

MOTION #205-64

Moved by Mr. Williams, seconded by Mrs. Joel:

"THAT, paragraphs 3 and 5 be deleted."

FOR THE MOTION: Mr. Williams, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.

Motion carried.

DISCUSSION: A discussion followed as to when these new regulations with regard to the approval of selected judges for licensed Retriever field trials should become effective in order that adequate notice could be given to clubs holding licensed Retriever field trials.

MOTION #206-64

Moved by Mr. Williams, seconded by Mrs. Joel:

"THAT, these new requirements be approved, as amended, and become effective for trials held on and after July 1, 1964; and previous requirements be repealed."

FOR THE MOTION: Mr. Williams, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.

Motion carried.

REPORT: The Secretary reported that at its meeting on February 8, 1964 the Field Trial Council for Retrievers had unanimously agreed that it be recommended to the Board that it arrange to amend Section 4 of Chapter 4 of the Field Trial Rules for Retrievers by the addition of the following:

"When a trial-giving club finds it necessary to secure the services of a substitute judge it must meet the requirements as laid down by the Board of Directors for combined experience for any stake or stakes which the substitute judge will judge."

DISCUSSION: During a discussion which followed it was agreed that at this meeting the Board could not amend the rule as proposed and that it would be necessary to carry out the procedure outlined in Chapter 21 of the Field Trial Rules before the Board may, at a future meeting of the national Board, consider this recommendation.

MOTION #207-64

Moved by Mr. Williams, seconded by Mr. Mehlenbacher:

"THAT, the recommendation be processed as provided in Chapter 21 of the Field Trial Rules for National Field Trials."

FOR THE MOTION: Mr. Williams, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.

AGAINST THE MOTION: Mr. Duff.

Motion carried.

REPORT: The Secretary reported that at its meeting on February 8th the Field Trial Council for Retrievers had decided to recommend to the Board that:

(1) Mr. Jas. H. Slater be added to the list of persons eligible for approval to judge the Qualifying Stake;
(2) Mr. Jos. A. Girard be added to the list of persons eligible for approval to judge the Junior Stake;
(3) Mr. P. McClellan be added to the list as being eligible for approval to judge the Junior Stake.

MOTION #208-64
Moved by Mr. Williams, seconded by Mrs. Joel:
"THAT, we concur with these recommendations of the Council."
FOR THE MOTION: Mr. Williams, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
Motion carried.

REPORT: The Secretary:
(1) reported that at its meeting held on November 20, 1963, the Board (by motion #450-63 - file 13 FT 12) had referred to the Field Trial Council for Retrievers a letter (dated October 29, 1963) received from Mr. T. I. Hughes, General Manager of the Ontario Society for the Prevention of Cruelty to Animals, regarding the use of live birds at Retriever field trials;
(2) read the following from the minutes of the Council held on February 8, 1964:

"The Council has reviewed the information which Mr. Tom Hughes personally presented at its Council meeting on January 11th and considered the additional mimeographed information made available to it by Mr. Hughes. It feels that Mr. Hughes is to be commended for his foresight in visualizing the ultimate conservation of game through the encouragement of the holding of field trials for the purpose of developing trained dogs and encouraging wider general public acceptance of trained dogs for hunting. It feels that as more and more trained dogs become available for use under actual hunting conditions there will be a much greater conservation of game than would be possible without the use of such trained dogs.

"This Council feels that regardless of any arrangements which may be made with the Ontario Humane Society there is no assurance that this could apply on a Dominion-wide basis, nor that it would satisfy the several Attorneys-General across the country. In any event there is still the prospect of individuals or societies laying prosecution charges under the existing Criminal Code with respect to cruelty to animals.

"This Council recommends to the Board of Directors that its further discussions and consultations with Mr. Hughes take the form of a strong recommendation that the Society lend its efforts to an amendment to the Criminal Code which would permit the use and shooting of live birds at licensed field trials held under the rules of the C. K. C."

MOTION #209-64
Moved by Mr. Mehlenbacher, seconded by Mrs. Joel:
"THAT, we concur with the Council's recommendation."
FOR THE MOTION: Mr. Williams, Mr. Wells, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
AGAINST THE MOTION: Mrs. Anderson.
Motion carried.

REPORT: The Secretary read the following from the minutes of the meeting of the Field Trial Council for Retrievers held on February 8th:

"The Committee considered a letter, dated February 4th, addressed to Mr. Robert Blyth by the Algoma Retriever Club. The Committee noted the provisions of Section 5 of Chapter 10 and feels that this hardly applies in connection with the National, the grounds for which are stated well in advance. It recommends that this inquiry from the Algoma Retriever Club be referred to the National Retriever Club and their recommendation sought for consideration of the Board at a later meeting. Suggest to the Board that it offer to the National Club a suggestion that its recommendation might take the form of a prohibition of the use of the grounds for training purposes for a period of two months in advance of the National."

MOTION #210-64
Moved by Mr. Williams, seconded by Mr. McDerment:
"THAT, we concur with the Council's recommendation."
FOR THE MOTION: Mr. Williams, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
Motion carried.

SUBJECT: The Secretary read the following from the minutes of the meeting held on February 8th by the Field Trial Council for Retrievers:

"The Council recommends that the Board of Directors take steps to establish what is developing in the United States, and perhaps in Canada, in connection with judging clinics for Retriever field trial judges and, having obtained that information, then determine to what extent this form of activity should be encouraged and supported in Canada."

ACTION: The Council's recommendation was endorsed.

SUBJECT: The Secretary read the following from the minutes of the meeting held on February 8th by the Field Trial Council for Retrievers:

"The Council agreed that The Canadian Kennel Club should encourage clubs holding licensed Retriever trials to issue a printed program, much in the form of a catalogue at a dog show, for the convenience of owners of competing dogs and spectators, in which the trial secretary could note the absentee dogs when submitting returns to The Canadian Kennel Club."

ACTION: The Board endorsed the Council's view on this question.

REPORT: The Secretary:
(1) reported that on a previous occasion the Board had decided that the views of the several Field Trial Councils be sought with regard to the duties of Field Trial Representatives;
(2) reported on the recommendations in this connection as reached by the Field Trial Council for Retrievers at its meeting on February 8th.

DISCUSSION: Following discussion of the Council's recommendations it was agreed that the duties of Field Trial Representatives would be as follows:
(1) to assist the local Director in every possible way in trial matters;
(2) to attend as many trials as possible in his respective zone, or if he cannot do so, he is authorized to arrange for a deputy to act in his stead, and report to the Chairman of the Field Trial Council any violations of the rules at the trial and what, if anything, was done about these matters if and when he drew them to the attention of the authorities of the trial;
(3) to communicate to the Field Trial Council any ideas and suggestions he may have for improvement of field trials.

MOTION #211-64
Moved by Mr. Williams, seconded by Mrs. Joel:
"THAT, we approve the recommendation, as amended at this meeting."
FOR THE MOTION: Mr. Williams, Mr. Wells, Mrs. Anderson, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
ABSTAINED: Mr. Brown.
Motion carried.

SUBJECT: The Secretary read the following from the minutes of the meeting held February 8th of the Field Trial Council for Retrievers:

"It is the recommendation of the Council that the Board of Directors arrange to provide those Retriever clubs wishing them, with standard entry forms at nominal cost, the reverse side of the forms to carry the definition of the official stakes. This would leave it to the clubs to otherwise arrange for such material as they wish in connection with their premium lists."

ACTION: Following discussion this question was referred back to the Council for further consideration.

SUBJECT: The Secretary read a letter (dated February 12th) from the B. C. Amateur Field Trial Club recommending that immediate consideration be given, at this meeting "that only amateurs be allowed to judge at licensed trials".

MOTION #212-64
Moved by Mrs. Joel, seconded by Mr. Dawson:
"THAT, we take no action on this letter at the present time."
FOR THE MOTION: Mr. Williams, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment.
AGAINST THE MOTION: Mr. Mehlenbacher.
Motion carried.

13 FT 27. FIELD TRIALS FOR POINTING BREEDS

SUBJECT: Mrs. Mack:
(1) reported that the application of the Montreal Gun Dog Club to hold a licensed trial for pointing breeds on April 25th and 26th, 1964 had been rejected on the grounds the application for dates had been eighteen days late in reaching the C. K. C.;
(2) reported that the Gun Dog Club had found it necessary, before setting the date of the trial, to "shop around for judges";
(3) asked the Board to decide whether it would be prepared to review the matter and grant the application.

DISCUSSION: During a discussion which followed it was:
(1) pointed out that in November the Office Manager had drawn the attention of all clubs holding trials for pointing breeds to the Field Trial rule which requires that application for date (or dates) must reach the C. K. C. not less than three months in advance of the proposed trial date;
(2) agreed that if the Board now directed that the date be granted it would have no alternative but to consider late applications, not only from field trial clubs, but also from clubs applying for dates for dog shows and obedience trials;
(3) agreed that there would be no reversal of the decision given by the Secretary.

SUBJECT: The Secretary reported that an application of a club holding trials for pointing breeds to stage three open all-age stakes at two licensed trials on consecutive dates had not been approved, and sought either confirmation of this decision or an instruction for future guidance.
ACTION: It was agreed that permission is not to be granted a club to hold two open all-age stakes at a single trial.

SUBJECT: Mr. Duff inquired whether a club holding trials for pointing breeds wishing to stage an all-age stake for field trial champions only would be granted permission to do so.
DISCUSSION: During a discussion it was agreed that such permission could be granted conditional that the stake is regarded as an "unofficial stake" carrying no championship points.

MOTION #213-64
Moved by Mr. Williams, seconded by Mr. Mehlenbacher:
"THAT, the Club concerned be notified that they are permitted to hold an unofficial all-age stake for champions only."
FOR THE MOTION: Mr. Williams, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
Motion carried.

13 FT 34. FIELD TRIALS FOR SPANIELS

REPORT: The Secretary:
(1) reported that with the agenda of this meeting there had been forwarded to each member of the Board (pages 127 to 131 inclusive) a copy of the minutes of a meeting of the Field Trial Council for Spaniels held on January 11, 1964;
(2) reported that before the meeting of the Council had adjourned it was agreed that those present at the Council meeting would seek to obtain the views of the Association of Spaniel clubs and the several clubs holding licensed field trials for Spaniels with regard to proposals considered by the Council at its meeting;
(3) recommended that no action be taken at this time but rather that the views of all clubs holding licensed Spaniel field trials be secured on proposals considered by the Council and that the replies received be referred to the Spaniel Field Trial Council for consideration and subsequent report to the Board.

MOTION #214-64
Moved by Mr. Wells, seconded by Mr. Mehlenbacher:
"THAT, the views of all clubs holding Spaniel field trials be

requested on the several suggestions considered by the Council at its meeting on January 11, 1964, then copies be forwarded to the new Chairman and all members of the Council."
FOR THE MOTION: Mr. Williams, Mr. Wells, Mrs. Anderson, Mr. Brown, Mr. Dawson, Mr. Duff, Mrs. Joel, Mr. Little, Mrs. Mack, Mr. McDerment, Mr. Mehlenbacher.
Motion carried.

-----The President resumed the Chair.

GOOD AND WELFARE

14 G 2. DOG FOODS

REPORT: The Secretary:
(1) pointed out that each member of the Board had been provided with a copy of the transcription of the tape recording of Mr. Ken Ellis' remarks to the Board, at its meeting on November 20, 1963, and the discussion which followed regarding united representation to federal authorities regarding dog foods;
(2) reported that he had nothing further to report at this time.

14 G 27. LICENSING OF KENNELS AND DOGS

REPORT: Mr. Anderson, Chairman of a special committee appointed by the Board (motion #420-63) reported that:
(1) throughout the country there are considerable differences of opinion regarding the licensing of both dogs and kennels;
(2) while the federal authorities have no jurisdiction in this area, it has been suggested that the Kennel Club prepare a national code which could be recommended to those responsible, in the various provinces, as a basis for the licensing of dogs and kennels, for it is to the provincial authorities that municipal authorities look for guidance and authority in connection with the licensing of dogs and kennels;
(3) the committee is endeavouring to obtain copies of various provincial and municipal acts on the question, the intention being to use these as bases for the drafting of a national code;
(4) the committee is continuing its work and would submit a further report to the Board.
The Secretary pointed out that with the agenda of this meeting (pages 113, 114, 115) each member of the Board had been provided with:
(a) copy of a letter, dated January 8th, from The German Shepherd Dog Club of Canada;
(b) copy of a letter, dated December 12, 1963, from The German Shepherd Dog Club of Manitoba to the German Shepherd Dog Club of Canada;
(c) copy of a letter, dated January 8th, from The German Shepherd Dog Club of Canada to The German Shepherd Dog Club of Manitoba; these letters having to do with a City of Winnipeg by-law setting high individual license fees on a number of the larger working breeds.
The Secretary was instructed to refer this correspondence to Mr. Anderson's committee.

MOTION #215-64
Moved by Mr. Anderson, seconded by Mr. Brown:
"THAT, the report be received as progress.
Motion carried unanimously.

14 G 28. MEETING WITH MR. T. L. HUGHES

REPORT: Mrs. Joel:
(1) pointed out that at the meeting of the Board held on December 18, 1963, she had reported that when attending a meeting at which Mr. T. L. Hughes, General Manager of the Ontario Humane Society, was lecturing, she had met Mr. Hughes and during the course of a conversation with him, Mr. Hughes had expressed a desire to co-operate with the Club and hoped that it would be possible for him to meet with a committee representing the Club;
(2) pointed out that at its meeting on December 18th the Board had adopted the following motion (#490-63):
"THAT, a committee composed of Mrs. Edna Joel (Chairman), and such other persons as Mrs. Joel may add to the committee, be and is hereby appointed to meet with Mr. Tom Hughes, the committee to submit its report to the Board.";
(3) reported that she had asked the following to serve on the Committee: Mr. A. W. Brown, Unionville; Mr. Howard Hood, Thornhill; Mr. Stan Whitmore, Thornhill; Mr. Wm. McDerment, Willowdale; Mrs. Yan Paul, Willowdale; Mr. George N. Mehlenbacher, Fisherville; and Mr. Thomas Joel, Islington;
(4) reported that the Committee had met with Mr. Hughes at the Club's offices on the evening of January 8th;
(5) pointed out that with the agenda of this meeting (pages 116 to 126 inc.) each member of the Board had been provided with a copy of the Committee's report, a precis of Mr. Hughes' remarks when he met with the Committee, and other material prdvided by Mr. Hughes in support of his proposals;
(6) reported that following its meeting with Mr. Hughes the Committee had unanimously agreed to submit the following recommendations to the Board (see Committee report dated January 17th):
(1) that The Canadian Kennel Club endorse the Ontario Humane Society's voluntary program of kennel inspection on the distinct understanding that The Canadian Kennel Club itself does not participate in the inspection and that the inspection is a purely voluntary one on the part of kennel owners;
(2) that The Canadian Kennel Club, by way of a letter addressed to Premier Robarts, endorse the brief submitted to the Ontario Government by the Ontario Humane Society with regard to dog pounds;
(3) that The Canadian Kennel Club support the efforts of the Ontario Humane Society with a view to having the Criminal Code amended in such a way that a Magistrate or a Judge registering a conviction of a person in respect of cruelty to animals, may direct that such person shall not, for any period specified by the Judge or Magistrate, own, harbour, board, or in any way have control over any livestock for the period ordered by the Magistrate or Judge;
(4) that the Board appoint a Standing Committee, to operate for the period of the next two years, as a liaison between the Ontario Humane Society and The Canadian Kennel Club, on the understanding that the Committee will not itself commit The Canadian Kennel Club, but as a result of its liaison with the Society will from time to time, as deemed advisable, submit recommendations to the national Board for consideration."
DISCUSSION: During a discussion of the first of the Committee's four recommendations:
(1) Mr. Wells stated that the Club should not be connected with an organization selling mongrel dogs as the Club's By-laws make it clear that a person cannot become a member or remain a member if engaged in the breeding, or buying, or selling of dogs which are not pure-bred;
(2) Mr. Brown expressed the opinion that the Humane Society has the power to inspect a kennel when it has good reason to believe that conditions within the kennel are such as to require an investigation;
(3) Mr. Anderson expressed the opinion that a system of voluntary inspection fails to bring to light those kennels where conditions are such as to suggest remedial action;
(4) the question was raised as to whether voluntary inspection may in time lead to compulsory inspection.

MOTION #216-64
Moved by Mr. Anderson, seconded by Mr. Wells:
"THAT, we do not concur with item #1."
FOR THE MOTION: Mr. Anderson, Mr. Wells, Mr. Brown, Mr. Dawson, Mr. Duff, Mr. Little, Mrs. Mack.
AGAINST THE MOTION: Mrs. Anderson, Mrs. Joel, Mr. Mehlenbacher.
ABSTAINED: Mr. McDerment.
Motion carried.

DISCUSSION: A discussion followed with regard to the second of the Committee's four recommendations. Mrs. Joel pointed out that on page #126 of the material sent to the members of the Board with the agenda of this meeting there appeared the Humane Society's recommendations to Ontario provincial authorities with regard to amendments to the "Dog Tax and the Cattle, Sheep and Poultry Protection Act".

MOTION #217-64
Moved by Mr. Anderson, seconded by Mrs. Anderson:
"THAT, we concur with recommendation #2."
Motion carried unanimously.

DISCUSSION: A discussion followed with regard to the third of the Committee's four recommendations.

MOTION #218-64
Moved by Mrs. Joel, seconded by Mr. Mehlenbacher:
"THAT, we concur with recommendation #3."
Motion carried unanimously.

DISCUSSION: During a consideration of the Committee's fourth recommendation various aspects of the desirability of continued liaison between the Club and the Ontario Humane Society were discussed.

MOTION #219-64
Moved by Mr. Anderson, seconded by Mrs. Anderson:
"THAT, we concur with this recommendation and Mrs. Joel be named Chairman of the Committee with power to add to the Committee."
FOR THE MOTION: Mr. Anderson, Mrs. Anderson, Mrs. Joel, Mr. McDerment, Mr. Mehlenbacher.
AGAINST THE MOTION: Mr. Wells, Mr. Brown, Mr. Dawson, Mr. Duff, Mr. Little, Mrs. Mack.
Motion lost.

SUBJECT: Mrs. Joel remarked on the time given by members of the Committee during their meeting with Mr. Hughes and in the preparation of their report, and suggested that the Board's appreciation be conveyed to each member of the Committee."

MOTION #220-64
Moved by Mr. Brown, seconded by Mr. Duff:
"THAT, the Secretary convey appreciation to all who sat on the Committee."
Motion carried unanimously.

FINANCIAL MATTERS

5 F 38. FINANCIAL STATEMENTS FOR 1963

SUBJECT: Mr. Duff stated that he could find no reference to the "Emergency Fund" in financial statements for 1963.
The Secretary:
(1) reported that a previous Board had decided that when the last of the funds in the Emergency Fund had been disbursed, the Fund would be discontinued;
(2) pointed out that the 1962 financial statements indicated that the last of the available funds in the Fund had been disbursed, by authorization of the trustees, in 1962, and there was therefore no necessity to present any further financial statements about the Fund.

INTERNAL AND ADMINISTRATION

9 A 31. BOARD MEETINGS

SUBJECT: The Secretary sought an instruction with regard to the calling of the next regular meeting of the Board.

MOTION #221-64
Moved by Mr. Brown, seconded by Mr. Anderson:
"THAT, the next regular meeting be held on May 8th except that an earlier regular meeting may be held if so ordered by the President.
Motion carried unanimously.

9 A 61. NORMAN K. SWIRE MEMORIAL FUND

SUBJECT: Mr. Duff stated that he could find no reference to the Norman K. Swire Memorial Fund in the Club's financial statements.
DISCUSSION: The Secretary:
(1) pointed out that when the Fund was established (about 1930) The Canadian Kennel Club was in no way responsible for the Fund, its sole responsibility being to arrange for the distribution of Norman K. Swire Memorial Medals, the trustees of the Fund being responsible for the payment when invoices were rendered by the firm supplying the medals;

(2) stated that when Mr. Justice McFarland (a former President of the Club and the last surviving member of the three trustees administering the Fund) passed away, distribution of the medals ceased temporarily, there being no means of payment;
(3) some time later a son of the late Mr. Justice McFarland delivered to the Club a $500 Government of Canada bond (which had matured) and at that time the Board decided to set up a bank account (into which the proceeds of the redemption of the Bond would be deposited) to ensure the continued offering of the Medals in accordance with the original terms set by the trustees of the Fund, the Board having decided (by standing resolution) that the trustees of the Fund would be those holding the following offices: the President, the Secretary, and the Club's solicitor;
(4) stated that there is no reference to the Fund in the Club's financial statements because the Fund is not the property of the Club, and it is administering it solely to ensure that the original intention to commemorate the memory of Mr. Swire could be carried out.

ACTION: As requested by Mr. Duff, the Secretary was instructed to provide Mr. Duff with a list of the clubs eligible to offer the Norman K. Swire Memorial Medal (such clubs being those clubs at whose shows Mr. Swire had officiated as a judge).

9 A 75. LIAISON BETWEEN CLUB AND DEPARTMENT OF AGRICULTURE AND LIVE STOCK RECORDS

SUBJECT: Mr. Anderson:
(1) stated that there should be some continuity of contact between the Club and the federal departments and Live Stock Records;
(2) recommended that the Board decide that except when the Board specifically appoints another person (or persons) for a specific purpose, the Executive Manager be named as the liaison officer between the Club and the federal departments and the Live Stock Records.

MOTION #222-64.
Moved by Mr. Anderson, seconded by Mrs. Mack:
"THAT, except when otherwise appointed by the Board, the Executive Manager be and is hereby appointed the liaison officer between this Club and all departments of the federal Government and the Records Office."
STANDING RESOLUTION Motion carried unanimously.

9 A 112. SAMPLE CONSTITUTION

SUBJECT: The President reported that on occasion he had been approached by persons wishing to form a club, for guidance in the writing of a constitution, and recommended that the Secretary prepare, and make available on request, a sample constitution which a newly-formed club could adopt or amend to suit its own purposes.
ACTION: The President's recommendation was approved and left in the hands of the Secretary to implement.

MEMBERSHIP MATTERS

10 MM 2. APPLICATIONS FOR MEMBERSHIP

REPORT: The Secretary:
(1) reported that in November (1963) the Live Stock Records office had received an application for associate membership from Mrs. Jean Giacomelli, Stoney Creek, Ont. and an application for associate membership from Mr. Harvey Joel, Islington, Ont.;
(2) reported that the Live Stock Records office and the C. K. C. office had assumed that both applications were to be treated as being for 1964 and both applications were therefore reported on list #1 (1964) sent to members of the Board;
(3) reported that he had since been informed that both applicants had wished their applications treated as being for 1963;
(4) recommended that he be authorized to amend the membership records accordingly.

MOTION #223-64
Moved by Mr. Anderson, seconded by Mrs. Joel:
"THAT, the Secretary be authorized to correct the membership records."
Motion carried unanimously.

DOG SHOWS

11 D 73. AMENDMENTS TO DOG SHOW RULES

SUBJECT: The President pointed out that if this year the Board is to have an opportunity of reviewing the Dog Show Rules it is imperative that the final report of the special committee appointed by the Board to review the Dog Show Rules be in the hands of the members of the Board for their Study well in advance of the next semi-annual meeting of the Board.

MOTION #224-64
Moved by Mrs. Joel, seconded by Mr. Dawson:
"THAT, the Committee reviewing the Dog Show Rules be asked to submits its final report and recommendations to the Secretary by June 1st for distribution previous to the semi-annual meeting."
Motion carried.

SUBJECT: Mrs. Anderson, Chairman of the Breed Standards Committee, expressed the view that it would be helpful to show-giving clubs wishing to present a Miscellaneous Class at their shows if, at this meeting, the Board would set tentative policies.
DISCUSSION: During a discussion which followed Mrs. Mack suggested that the Bearded Collie and the Tibetan Terrier be permitted entry in the Miscellaneous Class, the English standards to be adopted for these breeds.

MOTION #225-64
Moved by Mrs. Anderson, seconded by Mr. Duff:
"THAT, for the present the Board directs that those breeds which the A. K. C. permits entry in the Miscellaneous Class be permitted entry in the Miscellaneous Class at C. K. C. shows, the standards for such breeds to be used as approved by the A. K. C.; that the Bearded Collie and Tibetan Terrier be included and the English standards be approved; additions to the list to be made from time to time as decided by the Board."
Motion carried unanimously.

OBEDIENCE TRIALS

12 OB 8. REPORT OF CHAIRMAN OF OBEDIENCE COUNCIL

SUBJECT: Mr. Mehlenbacher, Chairman of the Obedience Council:
(1) pointed out that earlier in this meeting the Board (by motion #211-64) had amended an earlier standing resolution with regard to the duties of Field Trial Representatives;
(2) recommended that the present standing resolution regarding duties of Obedience Representatives be amended to coincide with the duties of Field Trial Representatives as decided by the Board at this meeting.

MOTION #226-64
Moved by Mr. Mehlenbacher, seconded by Mr. Anderson:
"THAT, the duties of the Obedience Representatives be as recommended by the Chairman of the Obedience Council and standing resolutions be amended accordingly."
Motion carried unanimously.

ADJOURNMENT

At 1:30 p. m. this meeting of the Board adjourned.

C.K.C. ANNUAL GENERAL MEETING

RESUME OF PROCEEDINGS AT THE ANNUAL GENERAL MEETING OF THE CANADIAN KENNEL CLUB HELD AT THE KING EDWARD SHERATON HOTEL, TORONTO, ONT., ON SATURDAY, FEBRUARY 22, 1964.

The President called the meeting to order and asked the members present to stand and observe one minute's silence in memory or those members who had passed away since the previous Annual General Meeting.

The President introduced each member of the Board, and then reported briefly on decisions reached by the national Board at the first session (February 21st -- see minutes commencing on page 20-A of the April issue of "Dogs in Canada") of its annual meeting.

MINUTES

The minutes of the previous Annual General Meeting were presented for adoption. On motion of Mr. W. Brown, seconded by Mr. Reg. P. Sparkes, the minutes were adopted.

REPORTS

The President pointed out that at their previous Annual General Meeting the members had appointed Mrs. Elsie Murray, Vancouver, as Chairman of a special committee with regard to junior kennel clubs, and the Secretary would read a set of "Junior Kennel Club Rules" submitted by Mrs. Murray, along with copy of a letter (dated April 18, 1963) which Mrs. Murray had received from Mr. R. H. Wygant, Vice President and General Manager of the U.S. Vitamin Corporation of Canada Ltd.

The proposed "Junior Kennel Club Rules", as submitted by Mrs. Murray, read as follows:

"JUNIOR KENNEL CLUB RULES

No. 1. The Junior Kennel Club shall be for children from 8 to 20 years of age. Those staying in the club until 20 years of age cannot enter into Competitions after the age of 16. From 16 to 20, they can help with the younger members, assist in Obedience, act as Instructors, and take Ring Stewarding Lessons. They shall be divided as: Juniors, up to 13 years; Seniors, from 13 years and over.

No. 2. The Junior Kennel Clubs should be sponsored by an All Breed Club.
"This for proper guidance, financially and in marking the children's examination papers, and in general to be responsible for the well being of the club."

No. 3. There should be two departments: Confirmation, where the correct method of handling is taught, and Obedience. It should be left up to the child as to what he (or she) wishes to take, or whether he (or she) wishes to take half-and-half.

No. 4. All children in both departments must sit in on all Breed lectures, explanation of The Canadian Kennel Club Rules, including the difference between a Sanction Show and a Canadian Kennel Club Championship Show, Mock Obedience Trials and Licensed Obedience Trials, Colour of ribbons awarded and what they stand for, for all types of shows, and so on. Ring Stewards Classes should be for those between 16 and 20 years only.

No. 5. Once a year written examinations are a must for all children. Those in Obedience should write exams on their years work as well as on the individual breeds. Junior and Senior examination papers should be divided, and judged within their own age group. Notes should be kept by the children on all lectures throughout the year, but no notes or book of Standards can be in evidence at Examination time.

No. 6. Successful breeders and Judges should give the lectures on the individual breeds. The club's Instructor to lecture on Canadian Kennel Club rules, etc.

No. 7. Classes should not be allowed to interfere with School Nights; Friday evening, Saturday morning or afternoon are the best.
"Parents, as a rule, object to classes during the week, as school work must come first. Parents should always be made welcome to attend and watch the club."

No. 8. The Instructor should see that all dogs are inoculated, and if not should explain why inoculations are essential, before a child brings a dog to the class.

No. 9. The children should be allowed to elect their own Officers for each year...a President, Vice-President, and Secretary. The Secretary to send out all Club notices, letters, and all else pertaining to club affairs. The Instructor is to handle all monies, with the Co-Signing Officer of the Sponsor Club.

No. 10. To keep interest high, yearly or perpetual trophies should be awarded for the highest examination papers, highest scoring in Obedience examination papers, or for Obedience wins, highest in handling competitions.

"I have found that most Clubs welcome the Junior Handling Events, or Obedience displays, while entries are being taken and sorted at Sanction Shows. The wins made at these events give the children points which are totalled up throughout the year."

No. 11. The Canadian Kennel Club should see that there is an event held once each year, where the winners of each Province or Zone may compete for a trophy for the Best Handler in Canada. (Please see letter attached). This event could be moved from place to place, east, west, mid-west, as well as the Maritimes. Some way of working out the expenses involved could be arranged by the Sponsoring Clubs, although they could not pay it all.

"I would like to see The Canadian Kennel Club try to get the Junior Kennel Club into the 4-H Organization. The Juniors could travel to the special event at quite a reduction in fares, with their dogs, if this could be arranged. In the United States the 4-H Clubs have already incorporated Dogs and their work into their program."

No. 12. There should be Club Badges & Ribbons. I find that the Juniors are proud to wear these, and it helps Club officials to recognize them and to call on them for assistance when needed.

No. 13. Fees should be small as most children have to pay their fees out of their allowances.

No. 14. The Instructors should let the children have their own Christmas Party, let them take entries for the competitions, ring steward, serve refreshments, select the judges, and invite parents to see the results of the year's work. Many parents, after seeing their children and their dogs working, in many instances buy better dogs for their children and themselves. In this way we are reaching adults, for better dogs, registered dogs, and Canadian Kennel Club affairs."

The letter received by Mrs. Murray from the U. S. Vitamin Corporation of Canada Ltd. read as follows:

"Thank you very much for your kind letter of April 15th, and for your most encouraging comments about our new Junior Showmanship Trophy.

"We have great appreciation for your wonderful work with the Juniors and can assure you of our continuing and fullest possible support when your new plans are formulated.

"Recognizing the impracticality of Junior Showmanship winners being able to travel to New York for the Westminster Show, we are prepared to entertain some alternate proposal whereby Junior Winners in divisional areas within Canada could participate, perhaps at the Sportsman's Show in Toronto, for a national Junior Showmanship award.

"We would be prepared to donate a Sterling Silver Trophy for this purpose and in view of your tremendous interest in this most worthwhile endeavour, we would like to propose that this trophy be known as the 'Elsie Murray Award'

"When your plans are more fully formulated, we will certainly look forward to hearing from you again. May I say what a pleasure it was talking with you in Vancouver, but I do sincerely regret that time did not permit me to meet with you personally. This I shall look forward to in the very near future."

On motion by Mr. W. Brown, seconded by Mr. W. Dawson, Mrs. Murray's report was received. (For report on further action by the Board see motions #173-64 and #174-64 in Board minutes published in this issue).

Mr. J. W. MacCallum and Mr. Thomas Joel, the Club's representatives to the Canadian National Exhibition, submitted a report on the championship shows and licensed obedience trials held by the Exhibition in 1963. On motion by Mr. W. Brown, seconded by Mr. Wm. McDerment, the report was adopted.

Mr. Joel and Mr. McDerment, the Club's representatives to the Royal Agricultural Winter Fair, presented the annual report on the Royal Winter Fair and reported that they had been advised by the executive of the Winter Fair that the Winter Fair is prepared to include dog shows with its other attractions if they can find space for the dog shows. The Club's representatives further reported that they felt confident that with continual contact "the day is not too far distant when we can hope to be back with a series of dog events". On motion by Mr. G. Mehlenbacher, seconded by Mr. R. Little the report was received.

Mr. Walter Brown expressed the opinion that The Canadian Kennel Club should approach the Toronto City Council with a view to enlisting their assistance in persuading the sponsors of the Royal Winter Fair that dog shows should be included as part of the Winter Fair. Mr. Morley Fisher stated that the Royal Winter Fair is put on in the interests of the betterment of live stock and that, inasmuch as dogs are classed as live stock for registration purposes, they should be included in the attractions which form the Royal Winter Fair. On motion by Mr. Walter Brown, seconded by Mr. J. Tiede, the Club's representatives were instructed to approach Toronto City Council with a view to enlisting their support in this regard.

Mr. Ted Gundersen, the Club's representative to the Central Canada Exhibition Association, reported that the Board of Directors of the Central Canada Exhibition were of the opinion that dog shows held in conjunction with their Exhibition were a decided asset to the Exhibition from both the financial and public relations point of view. On motion by Mr. Gundersen, seconded by Mrs. Edna Joel, the report was adopted.

REPORTS OF AUDITORS AND ELECTION COMMISSION

The President pointed out that the financial statements for the Club's year ending December 31, 1963, as received from the Club's auditors, had been published in the February issue of "Dogs in Canada" and copies had been distributed at this meeting. On motion by Mr. Wm. Dawson, seconded by Mr. Thos. Joel, the financial statements as submitted by the Club's auditors, were received.

A member sought an explanation of revenue account 29 (in the Statement of Revenue) listed as "Fines...$360.00". The Secretary explained that this comprised fines imposed by the Board of Directors on a show-giving club, a handler, and a number of judges. This led to a discussion on the merits of disclosure, in the Club's official magazine, of penalties imposed by the Board of Directors. On motion by Mr. Morley Fisher, seconded by Mr. J. Tiede, the Board was asked to "give consideration to the publication of information about those persons and clubs on whom the Board has imposed a penalty."

In response to a question the Secretary stated that, inasmuch as the Club did not expend any funds to acquire its Common and Preferred shares in Apex Publishers and Publicity Ltd. there could not be included in the statement any "cost" for such shares. In response to a question the Secretary stated that, inasmuch as dividends had not been declared, the Club's revenue did not include any revenue, in its Income from Investments, from its share in Apex Publishers and Publicity Ltd.

The President pointed out that there had been published in full in the February issue of "Dogs in Canada" the report of the Club's Election Commission in connection with the election of its Officers and Directors for 1964-1965. On motion by Mr. Thos. Joel, seconded by Mr. Robert Little, the Election Commission's report was adopted.

The Secretary reported on the results of balloting on proposed amendments included in the 1963 referendum ballot. (Note: Report of results of balloting included on page 20-O of the April issue of "Dogs in Canada"). On motion by Mr. Walter Brown, seconded by Mr. Reg. P. Sparkes, the report was accepted.

ELECTION OF REPRESENTATIVES

The following were elected as the Club's representatives:
to the Canadian National Exhibition: Mr. P. Jacobi; Mr. Thos. Joel;
to the Royal Agricultural Winter Fair: Mr. Morley Fisher, Mr. Walter Brown;
to the Central Canada Exhibition: Mr. T. E. Gundersen.

Having regard for a resolution adopted at a previous Annual General Meeting, it was agreed that Mr. J. W. MacCallum, Mr. V. W. Williams (by virtue of his office), and Mr. N. F. Brown (by virtue of his office) would be three of the Club's five representatives on the Canadian National Live Stock Record Board, and the two vacancies would be filled by the election of one member for a five-year period, and another for a four-year period. Following a secret ballot, the President announced that Mr. George Mehlenbacher had been elected for the five-year term, and Mr. Robert Blyth had been elected for the four-year term.

APPOINTMENT OF AUDITORS

On motion by Mr. Walter Brown, seconded by Mr. Denyer Morris, the firm of Fairley, Welsh & Co. were appointed the Club's auditors and Election Commission for 1964, on the understanding that their fee would be $1,100 if, in 1964, they served as both the Club's auditors and Election Commission, but their fee would be $600 if they were required to serve as auditors only, it having been pointed out that the current Board has been elected for a two-year term (1964-1965) and there may be no referendum ballot in 1964.

REGISTRATION OF DACHSHUNDS

The President reported that:

(1) At its semi-annual meeting in August, 1963 the Board of Directors had asked the Registration Committee to secure the wishes of Dachshund breeders with regard to possible changes in the present requirements and procedures in connection with the registration of Dachshunds in the Club's records.

(2) Anticipating that the majority of Dachshund fanciers might favour changes in the present requirements and procedures, the Board had arranged for the inclusion in the 1963 referendum ballot of a proposed amendment (#10) to the Club's By-laws, the intent of which would be to give to the Board the power to prescribe regulations with regard to the registration of Dachshunds, such regulations being subject to the approval of the Chief Registration Officer of the Department of Agriculture.

(3) At its session preceding this Annual General Meeting the Board had considered the report of the Registration Committee and had decided that this report (see page 20-C of the April, 1964 issue of "Dogs in Canada") would be read at this Annual General Meeting.

The Secretary read the report submitted to the annual meeting of the Board by the Registration Committee.

Following the presentation of this report and during a discussion of the question of registration of Dachshunds, the following points were raised:

(1) The present requirements necessitated a great deal of paper work and correspondence at the Canadian National Live Stock Records, and inconvenience to many Dachshund fanciers, particularly those importing Dachshunds or using American-owned stud dogs.

(2) A three-generation pedigree for an imported Dachshund is not sufficient to enable the importer to determine the possibility of an imported dog carrying a recessive gene for coat.

(3) The present Canadian requirements for registration on occasion had resulted in the Club rejecting certificates issued by the Deutscher Teckelklub (the German Dachshund Club) whose certificates are acceptable to kennel clubs in Europe and The American Kennel Club.

(4) While the replies received by the Registration Committee indicated that some Dachshund breeders were in favour of allowing interbreeding, almost all desired no change in the present show procedures, which call for six distinct "breeds".

(5) Dachshund breeders were by no means unanimous as to whether the present registration requirements and procedures should be maintained or altered.

It was moved by Mrs. M. E. Thomson, and seconded "That, the Minister (of Agriculture) be requested not to approve the proposed amendment #10".

An amendment to the motion was moved by Mr. Reg. P. Sparkes, duly seconded, the amended motion reading: "That, the Board be instructed to form a committee to meet the Dachshund breeders and finalize this matter". The amended motion carried by a vote of 32 in favour, 6 opposed.

NEW BUSINESS

Mr. Frank Jones expressed the opinion that Sections 7 and 14 of Chap-

ter 9 (Judges) of the Dog Show Rules reflected seriously on the integrity of both judges and exhibitors and suggested that steps be taken to remove Sections 7 and 14 from the Dog Show Rules. On motion by Mr. Morley Fisher, seconded by Mr. Walter Brown, the question was referred to the Board, they to consider the possibility of including appropriate proposed amendments in a future referendum ballot.

Mr. J. Giacomelli pointed out that notice had been given in the American Kennel Gazette of proposed new Obedience Trial Regulations and Standards prepared by The American Kennel Club, and he inquired whether, in view of the provisions of Section 20 of Chapter 1 of the C.K.C. Obedience Trial Regulations and Standards, any new obedience regulations and standards adopted by The American Kennel Club would automatically become effective in Canada. In response to Mr. Giacomelli's question, the meeting was informed that before any changes in the A.K.C. Obedience Trial Regulations and Standards become effective in Canada, these would be reviewed by the Obedience Council and the Board of Directors.

Miss Jay Whelan pointed out that this Annual General Meeting coincides with a specialty championship for Working dogs being held in Metropolitan Toronto, and expressed the opinion that this is not a satisfactory arrangement for those members who would wish to attend both the Annual General Meeting and the show.

In response to a question raised by Mr. Don Foster, Mr. Mehlenbacher (Chairman of the Obedience Council) reported that at the current annual meeting of the Board the Board would be considering a proposed new set of tracking test rules.

Mr. J. Tiede inquired as to the long delay in dealing with an application for official measurement submitted by Mr. A. Challis and was assured by the Secretary that the question would be looked into and a report made at the current annual meeting of the Board. (Secretary reported under file 13 FT 29 -- see Board meeting minutes in this issue).

Mr. R. Yearwood sought clarification of Section 8 of Chapter 13 of the Field Trial Rules (for Beagles) concerning the recasting of Beagles into a pack "within thirty minutes". Mrs. Joel stated that the question was one now being considered by the Field Trial Council for Beagles. On motion by Mr. Tiede, seconded by Mr. Yearwood, it was recommended that the Board interpret this rule to mean that the handler has 30 minutes to have his dog back in the pack after being so directed by the judge.

In response to a question raised by Mrs. Samuels regarding the failure of sellers (both members and non-members) to supply certificates of registration for dogs sold as pure-bred, the Secretary outlined the general policies followed by the Club in dealing with such complaints. He explained the difficulty in dealing with complaints where the sellers are not members of the Club, are not regular breeders, and because they do not register dogs are not concerned with disciplinary action leading to the loss of all privileges. He stated it is the policy of both the Complaints Committee and the Board to investigate and take disciplinary action (where appropriate) against those persons who are the subject of repeated complaints of this kind.

Mr. Reg. P. Sparkes pointed out that Mr. George Getty, a member for many years, had recently undergone a serious operation, and moved "that the Secretary be instructed to send a letter expressing our regrets and our well wishes for the future". The motion was seconded by Mr. Weir, and unanimously carried.

Mr. J. Tiede and Mr. R. Yearwood recommended that the Board consider the re-appointment of Mrs. Edna Joel as Chairman of the Field Trial Council for Beagles.

Mr. Denyer Morris reported that Mr. F. Cayley, husband of a long-time member of the Club, has passed away and suggested that a letter of sympathy be addressed to Mrs. Cayley. The Secretary reported that flowers and a message of sympathy had been forwarded to Mrs. Cayley.

The meeting adjourned at 4:45 p. m.

REGULATIONS AND INTERPRETATIONS REGARDING KENNEL NAMES

SECTION 1. INTERPRETATIONS.

In these Regulations the following interpretations shall apply:

(a) "the Club" means The Canadian Kennel Club;
(b) "person" includes, where applicable, a partnership or a company;
(c) "Board" means the Board of Directors of the Club;
(d) "Records Office" means the Canadian National Live Stock Records;
(e) "the Committee" means the Kennel Names Committee appointed by the Board;
(f) "Secretary" means the Secretary-Treasurer or Assistant Secretary of the Club;
(g) "first owner" means the owner of a dog at its birth.

SECTION 2. DEFINITION.

A kennel name is:

(a) a word, or combination of words and/or letters, which, upon the application of a person, has been granted by the Club for the exclusive use of such person in the naming of dogs for individual registration with the Club; or
(b) a word or words which, upon application of a person, may be granted by the Club for the exclusive use of such person in the naming of dogs for individual registration with the Club.

In the individual registration of dogs with the Club, the Club undertakes to exercise reasonable care in reserving a registered kennel name for the exclusive use of the person to whom it was granted, but the Club and the Records Office will not be responsible, if, through error or inadvertence when registering dogs individually in the Club's records, the name is used by any person other than the one to whom it was granted.

The provisions of Article XXX, Section 4 (d) and Article XXX, Section 4 (e) of the Club's By-laws should be noted.

SECTION 3. USAGE.

A person to whom a kennel name is granted may use such name as follows:

(a) either as a prefix or suffix in the naming of a dog born his property;
(b) with the consent of the first owner, as a suffix in the naming of an unregistered dog which he may purchase or otherwise acquire from its first owner.

The registration of a kennel name must not be construed or represented as registration of a kennel, a breeding and/or boarding establishment, a dog dealership, a pet shop, or a training and/or grooming establishment.

SECTION 4. PROHIBITIONS.

The Club will not knowingly approve an application for registration of a kennel name if the name applied for is:

(a) a name now registered as a kennel name with the Club;
(b) a name now registered as a kennel name with any other kennel club with whom the Club has working arrangements with regard to mutual protection of kennel names;
(c) a name considered by the Committee to be phonetically identical to a name registered as a kennel name with the Club;
(d) the word "Royal" either as a whole or as part of a name;
(e) a colour (by itself);
(f) one or more individual letters;
(g) a numeral (or numerals) or includes a numeral;
(h) any name which, if brought to the attention of the Board, and in the opinion of the Board, is considered to be misleading, or confusing, or is considered unsuitable as a kennel name;
(i) a name exceeding twelve letter spaces.

Attention is drawn to the provisions of Article XXX, Section 4 (g) of the By-laws of the Club.

Where an application for registration of a particular name as a kennel name has been rejected, the Board may direct the Records Office to disallow such name in the names of dogs to be registered individually in the Club's records.

SECTION 5. APPLICATION FOR REGISTRATION.

Application for registration of a kennel name with the Club must be on a form provided by the Club, and all sections of the application must be completed to the satisfaction of the Committee.

SECTION 6. KENNEL NAMES COMMITTEE.

At its annual meeting each year the Board shall appoint a Kennel Names Committee consisting of three members, one of whom the Board shall name as Chairman. If, through resignation, illness, or other reasons necessitating a replacement, temporarily or otherwise, the President shall have the power to fill a vacancy on the Committee until the Board, where necessary, makes such arrangements as it deems appropriate.

The Committee is authorized to consider and place recommendations before the Board:

(a) on all questions regarding kennel names referred to it by the Secretary;
(b) to decide and make recommendations to the Board on all objections received against applications of which notice has been given in the official magazine;
(c) with regard to policies applicable to kennel names.

A meeting of the Committee shall be held at the call of the Chairman. Seven days notice, in writing, shall be given except when a meeting is held on a specified date by unanimous consent of the Committee. Three members of the Committee shall constitute a quorum.

A recommendation of the Committee, when communicated to the Board, shall be deemed to be a unanimous recommendation of the Committee unless otherwise stated in its report to the Board.

SECTION 7. PROCESSING AN APPLICATION FOR REGISTRATION.

The applicant for registration of a kennel name shall submit his completed application for registration and registration fee direct to the Records Office, Ottawa.

Upon receipt of an application the Records Office will deposit, temporarily, the registration fee, and such fee will be refunded to the applicant if his application for registration of kennel name is not approved.

The Records Office will then forward the application to the Club's office with advice as to whether a name selected is:

(a) a kennel name already registered as a kennel name by the Club; or
(b) phonetically identical to a kennel name already registered by the Club; or
(c) a name commonly used in the naming of dogs for registration purposes; or
(d) in its opinion, a name which, if granted as a kennel name, would present administrative or other problems.

Upon receipt of an application at the Club's office the following procedure shall be followed:

(a) a routine check sheet will be made up;
(b) a check will then be made and necessary action taken to determine whether or not any of the names selected are prohibited according to these regulations, and where this is the case the applicant will be so advised;
(c) arrangements will be made for the publication in the first available issue of the official magazine of a list of kennel names applied for which may be granted;
(d) there shall be referred to the Committee any application against which an objection has been submitted within the time period given in the notice published in the official magazine;
(e) to the Committee there shall be referred for consideration, any questions which the Secretary considers should be considered by the Committee;
(f) as soon as possible following a meeting of the Committee, the Committee's recommendations shall be forwarded to the Board;
(g) if, within 10 days following the mailing of the Committee's report and recommendations to the Board, no member of the Board objects to any recommendation of the Committee, the Secretary shall implement the recommendations of the Committee. Where any member of the Board disagrees with any recommendation of the Committee that recommendation shall not be implemented, but shall be referred to the next succeeding meeting of the Board for consideration, along with the objection submitted by the member of the Board;
(h) after publication of notice in the official magazine, and where consideration of the Committee is not required in connection with any

NOTICE

SUBJECT: FREE PRIVATE BREEDING RECORD BOOK

The By-laws of The Canadian Kennel Club require that each breeder keep a private record which shall contain full particulars of his breeding operations and identification of all dogs in his possession.

At its recent annual meeting the Board of Directors decided that, upon application to the Secretary, a member of The Canadian Kennel Club will be supplied, at no charge, with a private breeding record book.

Any C.K.C. member desiring such book should address a letter or postcard to The Secretary, The Canadian Kennel Club, 1173 Bay Street, Toronto 5, Ontario.

NOTICE

SUBJECT: PERMANENT REGISTRATION OF KENNEL NAMES

The attention of each member of The Canadian Kennel Club who has registered a kennel name with the Club is respectfully drawn to Section 8 (published on this page) of regulations and interpretations with regard to kennel names approved by the Board of Directors at its annual meeting in February.

Any member of The Canadian Kennel Club wishing to apply for permanent registration of his kennel name should address a letter or postcard to The Secretary, The Canadian Kennel Club, 1173 Bay Street, Toronto 5, Ontario, and he will be supplied with the required application for permanent registration.

application, the application will be approved upon the expiration of the time limit published in the notice given in the official magazine;

(i) upon the approval of an application, the application will be duly endorsed and returned to the Live Stock Records office and a certificate of registration of kennel name will be issued to the applicant;

(j) the names approved will be added to the record of registered kennel names maintained in the office of the Club;

(k) all routine check sheets and any relevant correspondence will be filed.

SECTION 8. PERMANENT REGISTRATION.

A member of the Club may apply direct to the Club for the permanent registration of his kennel name, but such application shall be considered by the Board only if:

(a) the applicant is able to satisfy the Board that he has bred and/or owned not less than five dogs, registered individually in the Club's records, to each of which the Club has granted the title of "Champion", or "Field Trial Champion", or "Obedience Trial Champion"; and

(b) the application for permanent registration sets forth the following information with regard to each of the five dogs referred to in (a): its breed, its registered name, its registration number, and the year (or thereabouts) in which it gained its title; and

(c) the registered name of each of the five dogs referred to in (a) includes, as a part of its registered name, the kennel name for which permanent registration is sought.

Permanent registration of a kennel name is not automatic. It must be applied for on a form provided, upon request, by the Club, and all sections of the form must be completed to the satisfaction of the Committee.

The Club shall not be required to conduct any research in order that a person may decide whether he is eligible to apply for permanent registration.

There shall be no fee charged for permanent registration, and such permanent registration shall only be effective as long as the Board decides that a policy of permanent registration is desirable.

The Board shall have the power to direct that any kennel name, the registration of which has expired, be placed on the permanent list of registered kennel names.

SECTION 9. AUTOMATIC EXPIRATION OF REGISTRATION.

The registration of a kennel name with the Club automatically expires after the person who registered such kennel name with the Club has ceased to be a member of the Club, or five years after he last registered a dog individually in the Club's records, whichever shall last occur.

The provisions of this Section apply to all kennel names standing on the Club's roster of registered kennel names at the time of the enactment of these Regulations, and to all kennel names registered after the enactment of these Regulations.

SECTION 10. DESIGNATION OF OWNERSHIP.

The use of a registered kennel name to denote ownership on a certificate of registration and in the Club's records is specifically prohibited unless the kennel name has been registered with the Club by a company as defined in Article XXXVII, Section 1 (h) of the Club's By-laws.

SECTION 11. AMENDMENTS TO THESE REGULATIONS.

These Regulations may be amended only at the annual or semi-annual meeting of the Board.

SECTION 12. EFFECTIVE DATE.

These Regulations are effective on February 24, 1964.

EXTRACTS FROM BY-LAWS

The following are the extracts of the By-laws referred to in these Special Regulations:

Article XXX. REGISTRATION OF INDIVIDUAL DOGS.

4. (d) Only the owner at time of birth may request a change of name of a dog after it has been registered but no change shall be permissible after a dog has been registered sixty days.

(e) The name of an imported dog may not be changed, and no claim may be made against the Club should the name of an imported dog infringe the rights of any person, partnership or company whose kennel name has been registered by the Club.

(g) Subject only to the provisions of subsection (e) above, the Board shall have the power to prohibit the use of any name, for the purpose of registration of individual dogs in the Club's records, if, in the opinion of the Board, such name infringes on the rights of any person, partnership or company whose kennel name has been registered by the Club, or where, in the opinion of the Board, such name is considered to be similar to a kennel name registered with any other national kennel club with whom this Club has working arrangements with regard to mutual protection of registered kennel names.

Article XXXVII. INTERPRETATIONS.

1. In these By-laws unless the context otherwise requires,

(h) "company" means any company incorporated under federal or provincial charter whose head office is situated in Canada.

LET'S TAKE A LOOK AT THE NEW POINT RATING

E. B. REID

It's true that the Old Timer has run out of matches to light his pipe. But as his amanuensis (that's not a dirty word—it means one who writes from dictation) for so many years I've formed the habit of analyzing the affect of certain decisions that affect breeders and exhibitors.

Because of this habit I could not refrain from taking a long look at the possible results of the new point rating which goes into effect in July of this year. As I understand it, the situation will then be that there will be no more "one dog—one point shows." To get a point towards a championship, my understanding is that a dog must defeat at least one of its own breed and sex, or beat one of the opposite sex in its breed which already has taken a point or go from the classes over a champion or champions of its breed. Of course it can also take points by winning a group or Best in Show.

This, as I say, is my interpretation based on the notice in the current issue of *Dogs in Canada*.

I must admit that I had a selfish interest in this for I have three Italian Greyhounds in my kennels which earned their championships under the system soon to be discarded. None of them would have a title under the coming situation for, to the best of my recollection, they were in competition against dogs of their own breed and sex only two or three times on the 30 occasions on which they were shown. Yet all three placed consistently in the group. Their championships were confirmed on the basis of group placements. Two of the three have points in the United States. Another beat a class of 17 in the United Kingdom. I don't regard them as cheap champions as two were Canada's top winning Italians.

I am in complete agreement with any move that will prevent unworthy specimens of any breed from attaining the title of champion. But I am forced to ask myself whether this new point rating will not have an adverse affect on those conscientiously promoting and showing good specimens of the rarer breeds and on the small clubs working hard to keep purebred dogs to the front in their home communities.

In this article I intend to present some evidence and ask some questions to which the evidence may provide an answer.

Prior to writing it, I analyzed the entries at three dog shows—representative of the large, the medium and the small. The shows geographically represent three very different sections of Canada.

First let us look at the Sportsmen's show on Saturday, March 21, 1964. According to the catalogue, 767 dogs were in competition with 82 different breeds represented.

Now, what would have happened had the new point rating been in effect at this, the largest of all Canadian shows?

In 21 of the 82 breeds—roughly 25.6% of the entered dogs would have come out with no points because either they were the sole representatives of their breed or there was only one dog of each sex in that breed.

In another nine breeds, where there was one of one sex and two or more of the other, there was a chance for points for both sexes—as I read the new rating of course—but to get that point the single sex entry would have to go Best of Winners.

Finally, in five more breeds a single sex entry had a chance for points providing it could be Best of Breed over a champion also entered. It means that in 25.6% of the breeds there was no chance for points. In 9% there was a 50/50 chance if the single sex entry could go Best of Winners over the sex with two or more in competition. And finally, in 6% there was a small chance in the unlikely event that the class dog triumphed over the champion. Championship points for both sexes were certain on only 47 of the 82 breeds.

Now let's take a look at a medium size show—the Working Dog Association of British Columbia, held in Vancouver, Sunday and Monday, March 15 and 16, 1964. Here, over the two days, 263 dogs representing 62 breeds were in competition. What does the catalogue show?

In 26 breeds—roughly 42% of the number represented—there was no competition in sex within the breed and consequently no chance of points. In another 16 breeds there would be points in one sex but not in another so the single sex entry in that breed might have a 50/50 chance of coming out with a point by going Best of Winners. In no case could a single entry hope to attain points by taking Best of Breed over a champion.

In other words it boils down to this. In only 20 of the 62 breeds represented could entries in both sexes be assured there would be points towards championship for Winners.

And finally a small show—the Trois Rivieres, Que. show held August 18, 1963. At this show according to the catalogue there were 160 dogs entered with 53 breeds represented.

From these 53 breeds, representatives of 21 breeds would have had no chance for points because there were no multiple entries in either sex. In another nine breeds the single entry of sex could have taken points by going Best of Winners over the multiple entry in the other sex in the breed. Finally, the class dog could have taken a point in four breeds by winning over an entered champion.

In other words, in only 19 of the 53 breeds would certain points have been available to winners of both sexes under the proposed new rating.

And it was not only the rare breeds that would be affected. At Trois Rivieres, for instance, there would have been no points available for the popular Miniature Poodles, among many others. At Vancouver, the sole Labrador Retriever would have gone home with only ribbons to mark the victory. And at the Sportsmen's Show, even such long established breeds as the Cairn Terrier, the Pembroke Welsh Corgi and the 13" Beagle male would have had no sure points to look forward to.

And now for the questions. You provide the answers.

Do most exhibitors show to secure championship points or blue ribbons?

Is this new point rating going to make it more difficult for owners of rare, but worthwhile breeds to earn the championship title?

Is there a likelihood that owners of such rare breeds will become so discouraged that they will cease exhibiting and promoting their breeds?

Could the smaller clubs, in particular, be adversely affected by the failure of the owners of the rarer breeds to enter shows where the likelihood of championship points for their breeds would be remote?

Would the number of breeds represented at the smaller shows be drastically reduced by the loss of entries of rarer breeds with a consequent loss of interest for the public?

Should minimum point ratings for German Shepherds and say Rottweilers be the same—as is proposed—or should there be special consideration to insure the continued showing of these rarer breeds?

Should the owners of the more popular breeds take an interest in this situation on the basis of what may be bad for one may be bad for all or should they say "this won't affect me" and leave it to the minority to take such action as they deem fit?

Should The Canadian Kennel Club have adopted the motion of Mr. W. J. Monaghan and made a comprehensive survey—similar to but much broader than the one in this article—of possible results before adopting this change in the point system?

And finally, is there a possibility that some judges, anxious to be good fellows, by spreading the points around, will put up inferior specimens to Best of Winners over the Winner in the other sex or even Best of Breed over a champion, so that the inferior dog, alone in its sex and breed, will at least leave the show with one championship point to its credit.

As I say, I'm just asking the questions. The answers are up to you. ■

RABIES CONTROL

W. A. MOYNIHAN, D.V.M.

Associate Chief Veterinarian, Canada Dept. of Agriculture, Ottawa.

Rabies has been a problem in some areas of Canada; more particularly in eastern Ontario and, to a lesser extent, in western Quebec. In Western Canada, the problem has been centered in southern Manitoba although, in recent weeks, rabies has been identified in southeastern Saskatchewan communities near the Manitoba border.

The presence of rabies in our Canadian wildlife presents a continuing threat as the disease is transmissible to dogs.

The disease in wildlife is not a recent development. Rabid wolves plagued Europe and Russia for centuries. In Africa, the disease has been a problem among jackals, and in South America there is a high incidence of the infection in vampire bats.

In Canada, prior to 1947, the disease had always been associated with dogs, and isolated outbreaks were readily controlled and eradicated through efforts of the Health of Animals Branch, Canada Department of Agriculture. Rabies is a reportable disease and its control in animals in Canada comes under the Health of Animals Branch.

In 1947, however, a significant finding of the disease in the Arctic fox in the vicinity of Baker Lake, Northwest Territories, established the fact that there was a "reservoir" of the disease in our northern wildlife animals.

In 1952, a serious outbreak occurred in the northern areas of the Prairie Provinces. The disease subsequently moved eastward around James Bay and infected the wildlife population of Ontario, particularly foxes and skunks. It reached epidemic proportions in Ontario in 1957-58. The current outbreak is far below that peak period, but as long as rabies exists in our wildlife, there is danger of the disease being carried to domestic farm animals and household pets.

It has been noted that the disease reaches its peak during the period November to March, and rapidly declines or disappears entirely from an area during the summer.

One of the prerequisites for any disease to reach epidemic proportions in wildlife is the existence of a large population of susceptible species. This condition has been provided in many rural areas in Canada. The fox pelt has become valueless and, in many areas, the bounty has been eliminated or reduced. While predator control programs would assist in reducing the fox population, experience by many investigators has shown that fox control alone will not eliminate the disease. Efforts to trap and reduce the number of foxes in order to create a buffer zone have been unsuccessful. The use of poison, which poses a danger to other animals, has not been effective. When an outbreak occurs in a locality having a high fox population, experience has shown that the spread of the disease is likely to continue until the foxes in the area are decimated, or reduced to such a point where a fox in the infective stage would be unlikely to contact another fox. Total extermination of all the susceptible wildlife species is obviously impossible.

FIVE POINT PROGRAM

This reservoir among our wildlife presents a problem to veterinary disease control authorities. To prevent the spread of the disease from wildlife to domestic animals, the Department of Agriculture has established a five-point program.

The Health of Animals Branch has 130 sub-districts across Canada. Each sub-district is under the charge of a full-time veterinary officer, trained to deal with investigations and infectious diseases. Once a case of rabies is established in his area, his first duty is to establish a "reporting system" with all responsible authorities in the area—the Medical Officer of Health, practising veterinarians, local police, and municipal authorities. All cases of rabies are channelled through his office for prompt investigation and, where necessary, he arranges for the diagnosis at the Branch's laboratory.

The second point of the program requires prompt investigation by the veterinarian of all suspected cases. In cases where a person has been bitten or exposed to a suspected rabid animal, the individual is advised to seek medical advice and the incident is reported fully to the local public health officer. Should the laboratory diagnosis be positive, the information is relayed promptly to the local health officer and, of course, the individual advised of the diagnosis. The decision as to whether or not the person bitten should take rabies treatment rests solely with that person and his doctor.

The third step in the program involves a survey of the area to determine the nature of the wildlife population and the dog population.

The wildlife survey provides an estimate of the number of foxes, skunks and other wild animals in the area, and it shows whether or not there is a large number of wildlife animals either being found dead or behaving strangely. This information is valuable in establishing whether or not there is sufficient wildlife to support an outbreak of rabies.

The survey of the dog population is important in determining whether or not dog control measures are in operation. In some communities, large numbers of stray, unowned dogs are allowed to roam the area and are a danger to the dog population in the area.

The fourth step in the program, therefore, is the establishment of dog control measures in an area where rabies has been found. Stray dogs roaming should be eliminated, and dog owners made aware of the danger and urged not to allow their animals to run at large.

At the same time, communities are asked to enforce dog control by-laws.

In heavily infected areas, the Department provides free rabies vaccination clinics for dogs. Clinics are established at several strategic points in the area and every effort is made to vaccinate as many dogs as possible. To be effective, at least 75 to 85 per cent of the dog population must be covered. Free vaccination clinics are only provided in those areas where the incidence appears to be threatening the dog population. Fortunately, in the last year, while the incidence amongst the wildlife has been heavy, it has not been necessary to embark on dog vaccination programs.

Owners, particularly those of hunting dogs, are encouraged to have their dogs vaccinated. Vaccination, however, frequently results in a false sense of security. Once their dogs are vaccinated, owners feel that they can allow them to run at large. This is a misconception since a vaccinated dog, if exposed to a rabid animal, may contract the disease and die.

The vaccines available in Canada are effective and will protect most dogs. Vaccination, however, will not eradicate the disease from any animal species and in the case of dogs, there is a percentage which do not become fully immunized. It is for this reason that an owner is urged to dispose of his dog if it has been bitten or exposed to a rabid animal. Otherwise, the dog is placed under quarantine for six months. This requires the dog to be chained or tied in an enclosure.

RIGID IMPORT RESTRICTIONS

While these are the procedures followed to control rabies in Canada, the Department also imposes rigid restrictions on dogs entering the country. In certain countries rabies is known to exist in the dog population. For example, dogs entering Canada from most European and Asiatic countries are required to undergo three months' quarantine on arrival in Canada. This quarantine may be undertaken at the owner's expense at an approved veterinary hospital or kennel, or at the Department's quarantine station at Levis, Quebec. In the latter case, the only expense involved is for the actual food consumed while the dog is under quarantine. In exceptional cases, the Department will permit the dog to be quarantined at the importer's residence providing prior arrangements have been made to ensure a satisfactory enclosure which will permit the dog to be totally confined during the three-month quar-

Golden Retrievers

There is a story about how this breed was introduced into England which is rather interesting and unique, if not romantic. In 1860 an English Nobleman visited a travelling circus and was so impressed by a group of performing dogs, known at that time as Russian Trackers, that he purchased the entire troupe of eight dogs. They were about 30" at the shoulder and weighed 65-68 lbs. His breeding of these dogs for the first ten years contained no outcrossing and hunters considered them to be too large and cumbersome although they excelled in the field. In 1870 the Earl decided to try an outcross with a Bloodhound. This was done only the one time, yet reduced the size to what we see today and increased the scenting powers as well as making the coat a little darker with a more refined texture.

It was not until 1911 that the breed was recognized by the English Kennel Club. Quite a few Goldens were in British Columbia but a breeder in Winnipeg promoted the breed to the CKC for recognition in 1927. The AKC followed suit in 1932.

Labrador Retrievers

Although Newfoundland is given credit for the origin of this popular breed, stories are told of English fishermen landing in Britain's first colony with dogs that could have been the forerunners of the breed.

The two dogs that seem to have contributed the most to produce the present day Labrador are Peter of Faskally and Flapper. The pedigrees of these two date back to 1878.

During the late 1920's and early 30's great numbers of these dogs began to appear in this country and soon replaced the then popular Chesapeake Bay and Curly-coated Retrievers. Although the black is the more popular, the yellow is favoured by many hunters who feel the blacks are too noticeable against the dead grass or sand.

Averill Harriman, owner of the Arden Kennels was the breeder of Blind of Arden, the first American Labrador Field Trial Champion (1935).

TOP U.S. LABRADORS

The three top Labradors in show competition for 1963 in the United States are: Ch. Sam of Blaircourt with two BIS, 10 first, six seconds, 10 thirds and three fourths in group; Ch. Candy Stomper with two firsts, seven seconds, five thirds and six fourths; Ch. Hallbroom Grouse with one BIS, 19 firsts, four seconds, four thirds and four fourths.

Also bred to Hannibal, and due to whelp before this page is published, is our recent import Cooper's Annie Laurie, a Talent Scout daughter, while Can. Ch. Philomel of the Rouge has been bred to Am. Ch. Rannoch-Dune Down Beat, the sensational young dog who finished his title in four straight majors from the American-bred Classes this spring.

Several other litters from a carefully planned program are also expected during the summer months. We have five dogs regularly at stud to approved females, and pedigrees are available on request.

The kennels are situated on Hwy. 2, one mile east of Sheppard Ave. (Interchange 63 of Hwy 401), and 17 miles east of downtown Toronto. Visitors are welcome. Telephone (416) 282-7934.

FIVE GENERATIONS

Five generations of male American Cocker Spaniels against an RCAF tartan background, drew attention at the Sportsmen's Show. Ch. Gypsy Frosty Man, Ch. Blomidon's Bohemian, Ch. Blomidan's Rufus the Red, Ch. Blomidon's Maverick and eight-month-old Blomidon's Joie de Vivre, who took four points his first day, are all bred and owned by Mr. and Mrs. Al Brown of Unionville, Ont.

Irish Setters

"A year or a year and a half is early enough to start the field education of an Irish Setter. Youngsters should be allowed to develop naturally and correction, when it is needed, should be given in mild doses at first. The dog MUST realize why he is being punished. If treated harshly, while young, there is great danger of breaking the spirit and thus diminish the desire to please". So say some authorities.

Am. Cocker Spaniels

According to published figures there were 78,501 American Cockers registered in the USA in 1947 compared with 14,791 during the year 1963. What is the cause of this great drop? Perhaps a description of one of the leading dogs of some years ago might lead to the answer: a dog of medium size, slightly longer than tall, head slightly square in appearance with a deep stop between the eyes, brows were prominent and eyes almost round, neither bulging nor deep set. The lips were not pendulous nor stretched but were tight against the lips. The distance from the tip of nose to the eyes was the same as that from the eyes to the top of the head. The ears hung low at the side of the head with about one and a half inches of hair hanging below the leather. The coat was straight, not coarse. Hair on the ears did not snarl or mat and was as easily combed as the hair of her mistress. The coat was short on the front and sides of the legs, and only slightly longer on the backs. This was long enough to give luxuriant beauty but not long enough to catch all the dust and dirt and did not touch the ground at any point. The belly coat was of the same texture and was easily combed.

They loved companionship and yet could be trusted to rest easy if and when kenneled or left alone.

PUPPY WEIGHTS

For dogs to weigh approximately 25 lbs. at maturity, puppies should have the following weights:

Birth	9 ozs.
1 week	1 lb.
2 weeks	1 lb. 7 oz.
3 weeks	2 lbs. 1 oz.
4 weeks	2 lbs. 10 ozs.
5 weeks	3 lbs. 4 ozs.
8 weeks	6 lbs.
10 weeks	8 lbs.
3 months	12 lbs.
4 months	15 lbs.
5 months	18 lbs.
6 months	20 lbs.

English Cockers

The English Cocker, though sadly out of fashion as a hunting dog today, was bred and is built for a hunting dog. Somewhat larger than his American descendants, he has all the stamina of the larger hunting breeds and all of their versatility in being able to deal with any normal situation. Although he was originally an upland game dog he is able to meet the needs of the duck hunter with all necessary efficiency.

TOP USA ENGLISH COCKERS

The three leading English Cockers in show competition during 1963 in the USA are: Ch. Diablo of Squirrel Run, one BIS, nine firsts, five seconds, five thirds and one fourth in Group; Ch. Rick N Pat's Bomber, three firsts and five fourths in Group; Ch. Glenladden Lucky Star, four Group fourths.

English Springers

Genetics inform us that the mating of two liver-colored Springers will only produce liver puppies, whereas the mating of a black and liver should produce about 50% of each. Two blacks will give you about 25% liver and 75% black. The reason given for this is that the livers ONLY carry liver genes and black carry color genes for both.

PUPPY WEIGHTS

For dogs to mature at about 50 lbs. pups should weigh approximately as follows:

Birth	10 ozs.
1 week	1 lb. 4 ozs.
2 weeks	2 lbs. 4 ozs.
3 weeks	3 lbs. 4 ozs.
4 weeks	4 lbs. 12 ozs.
5 weeks	6 lbs.
8 weeks	10 lbs. 8 ozs.
3 months	20 lbs.
4 months	25 lbs.
5 months	31 lbs.
6 months	33 lbs.

In 1962 as a yearling "Cam" completed his Canadian championship with 3 B.O.B.'s at The Sportsmen's Shows; his American championship with 4 majors including the Hiawatha and Niagara Specialties; won 1 Best in Show, 7 Group 1sts. and 3 Group Placings.

In 1963 "Cam" was shown 23 times in Canada and scored the following wins : 21 Best of Breed, 2 Best Opposite Sex, 14 Group 1sts, 6 Group 2nds, and Five Best in Show.

running tests should be encouraged, and there should be a pick up dog available.

10. Every test should count, including the first, which should not be merely a warm-up exercise.

1963 HIGH POINT F.T. RETRIEVER FEMALE

F.T. Ch. Joker's Lady of Rockwell, black Labrador owned by A.B. and J.F. Gray, made 19 Open points last year (not 16 as reported here in January); 16 points were earned in Manitoba and three in Ontario. Lady's score was tops for a female in Canadian trials during 1963. So far this five-year-old has collected 39½ Licensed Open points and found time to raise two litters.

CANADIAN NATIONAL SPORTSMEN'S SHOW

Records were again shattered at Canada's largest dog show. The Saturday booster shows for these breeds drew 50 Labradors and 33 Golden Retrievers. Among the out-of-town province exhibitors was the long-time and well known Retriever breeder, Mr. Hugh Crozier of Winnipeg.

The indoor Retriever Trials, held in connection with the show, are probably the best thing of this type ever attempted anywhere. They are the creation of Mr. H.V.P. "Bumpy" Lewis, a founder and constant supporter of the Retriever sport in Ontario, who is Chairman of the C.N. Sportsmen's Dog Show and Indoor Trials. Everything combines to make this demonstration of Retriever work and its place in conservation a remarkable success and it draws large audiences. Tanbark underfoot, a wading pool, rustic fences, truckloads of autumn leaves, hundred of evergreen trees and use of mallards and pheasants all contribute to a most attractive and natural appearing setting.

USA NATIONAL AMATEUR STAKE

Increasing numbers of Canadian Amateur handlers are taking an interest in and placing in Open and Amateur Open stakes in the United States. At present to qualify for entry in the USA Amateur Championship Stake it is necessary for the handler to be an amateur and to win a first and two additional points since the previous National.

When the Stake is held on Long Island, N.Y. this June it is hoped that some Canadian Retrievers will be competitors.

MOTELS — RESPECT FOR PROPERTY
Most good motels and hotels will allow the travelling public to have their dogs in their rooms. Occasionally there is the stipulation of "if it is well behaved and good tempered". No home is too good for a dog, but there is little excuse for a well trained Retriever being permitted to create a mess or a disturbance. If you abuse your privileges it may make it difficult for the host club to secure this accommodation for future trials.

LITTER
Most of us have had dogs cut and lamed, sometimes permanently, on broken glass. It seems inconceivable that any dog owner would be so irresponsible as ever to throw out metal or bottles that might cause such injury. Field trial grounds and training areas are invariably lovely parts of the country. It is a matter for shame that a minority of our field trialers are sometimes guilty of littering these places with foil plates, plastic cups, cigarette boxes and paper.

DIGESTED
When Sir Alec Douglas Home was Foreign Secretary he made one of the greatest speeches of his career in the General Assembly of the United Nations. It led to the "Little Summit" meeting and eventually the bomb testing ban, and was hailed all over the world. What is not generally known is that the first handwritten copy, which he made at his home in Scotland a few days before leaving for New York, was eaten by his son David's young Retriever. Guarded by an unrepentant tail wagging Golden Retriever puppy, all that remained of the speech when found were half chewed soggy scraps scattered over the grass, and Sir Alec had to rewrite the speech. ■

The Basenji

The Basenji is a dog of extremely proud bearing and is very intelligent, anxious to please and easily trained. In his native land he is used in pointing game, retrieving game and is particularly valuable in hunting small game where his silence is a great advantage. He is cat-like in his fastidious clean habits which eliminates all usual doggy odors.

NEW AMERICAN CHAMPION

The AKC has notified Mr. and Mrs. Stuart Roberts, Canidae Kennels, Maidstone, Ont. that their imported Basenji has completed the necessary requirements and is now an Am. Ch. Elsa finished at the large Detroit show.

TOP USA BASENJIS

The three top Basenjis in show competition during 1963 in the USA were: Ch. Congo's Moja of Cambria, one first, one second, four thirds and five fourths in Group; Ch. Reveille Recruit, five firsts, three seconds, five thirds and six fourths in Group, Ch. Lepper's Nik Nak, three firsts, three seconds, five thirds and three fourths in group.

Beagle

The Beagle (which comes from the French word "Beigle", meaning small) in the early days were classified as "shallow flew" or "deep-flew" in proportion to the deepness of the upper lip. The former were said to be the fastest and the latter the surest and more musical. The dog with a wire-haired coat was considered to be the strongest and better dog. Being a true sportsman, he carries himself with a cocky air that attracts attention wherever he goes. A dog of great determination but with the ruggedness and daintiness not possessed by any other breed, he is aloof but has dignity and will make friendly advances to anyone. He likes attention and easily responds to kindness and affection. The origin of the breed is not known exactly, but it is known that they were a favorite in the reign of King Henry 8th and his daughter Elizabeth. It is said that the hunters of that day carried their dogs in the saddle panniers so it must be presumed that the Beagle of that era ranged from 8" to 12".

CANADIANS SCORE IN USA COMPETITION

Mr. and Mrs. A. Beaumont, Beau-A Kennels, 1563 Birchmount Rd., Scarborough, Ont. are the breeders of Ch. Beau-A Rillcrest Chief, the 15" Beagle that placed third in show competition during 1963 in the USA with four Group firsts, four group seconds and four group thirds. Ch. Johjean Jabal was first with one BIS eight firsts, six seconds, four thirds and five fourths. Second was Ch. Wandering Wind with one BIS, two firsts, three seconds, four thirds, and four fourths in Group. In the 13" variety, Ch. Page Mill Wildfire placed first with four firsts, five seconds, seven thirds, and two fourths. Ch. Waring Mr. Spencer was second with two group seconds while Ch. Muffet of Larkway placed third with one first and two fourths in Group.

Canadian Bassets Capture Honours

The Bassets owned by Mr. and Mrs. Fred Carter, 2025 Westfield Dr., Cooksville, Ont. had a 'field day' at the Basset Hound Club of America Specialty Show at Chicago, April 4 and 5. With 60 Bassets entered, Carter Bassets brought home the trophies for: 1st Jr. P. and RW, 2nd open M, 2nd Jr. P.F., 1st Novice F, 1st Open, WF and BOS. Four of the five dogs were homebreds.

badger and "hund" dog in Germany. Like many other breeds, little is known of their origin. Although generally thought that the beginning of the breed was in Germany, it is quite possible that this breed had a more ancient lineage. A long-bodied, low-hung dog has been portrayed on the statute of an Egyptian king. This dog's name was "Tekal" which could have been the origin for the German "Teckel". It is believed that the smooth coat was the original and the other five varieties stemmed from this. Little, if anything, is known of the beginning of the different coats and sizes. Although pedigrees can be traced back to 1859, it was not until 1915 that the "Teckelklub" adopted the coat identification of "K" for Kurzhaar or smooth, "L" for Langhaar or long-hair and "R" for Rauhhaar or wire-hair. Later "Z" was added to denote Zwergh and "X" Kanindenteckel for miniatures.

REGISTRATIONS

Until further notice by the CKC Dachshunds should be registered as in the past. When and if the new regulations become effective a notice will appear in *Dogs in Canada.*

AKC REGISTRATIONS

A 4.3% gain in 1963 brought this breed from fifth to fourth place in breed registrations. There were 46,993 Dachshunds (all varieties and sizes) registered during the year.

The Whippet

Whippets, though seldom seen at Canadian shows, have been making a steady increase at USA shows; entries for this breed were in 58% of All-Breed shows in 1959; 63% in 1960; 78% in 1961; 79% in 1962 and 81% in 1963. Four different dogs took BIS during the last year, with Ch. Courtney Fleetfoot of Pennyworth heading the list with 10.

Boxer

In the early days of the breed in America, Boxers were shown in Group six and were considered to be a type of Bulldog. Herbert H. Lehman, Governor of New York State, owned the first American Champion, an imported brindle with a white chest and white feet. During the 17 years following only two more Boxers became Champions. In 1934 Sigurd von Dom was imported, and continued the sensational wins he had been making in Austria and Germany, by taking BB 54 times, eight Group firsts (Group six) and twice BIS. The "unwanted and uninteresting Bulldogs" then caught the imagination of the American dog fancy. Now the thirteenth ranking breed in American registrations for 1963, the Boxer dropped 6.3% from 9,941 in 1962 to 9,319 in 1963.

Bullmastiff

Canadian breeders and exhibitors will join with their American friends in mourning the death of Ted Ritter late in 1963. At 41 years of age, Mr. Ritter had won world acclaim for his Ch. (Can. Am. Bda.) Ritter's Beau, the top Bullmastiff in show competition in Canada and the USA in 1962 and the USA in 1963.

The Collie

Although Collies, both Smooth and Rough coated, have been known for centuries, some even claiming the breed dates back to biblical times as a shepherd dog, little has been written on the origin of the name "Collie". It may be only speculation, but it is said that there were some sheep in the highlands of Scotland with black legs or black faces, known as Colley sheep (the Anglo-Saxon for black sheep). Black dogs had been carefully bred, carefully chosen and carefully trained for their agility and ingenuity in travelling the narrow sheep paths of the country and these became known as the "Scot's Colley Dog". From this one can readily understand the term "Scotch Collie" heard so often today.

Basically, the Collie of today is the Collie of the early 1800's. Size, perhaps, has increased but the proportions have remained the same. During the last 100 years, stops have become less pronounced, color, shape and placement of eye improved. Muzzles have lengthened, more dogs have proper ear carriage, but they are still the lithe, active dog with no useless timber. This same dog, in the company of one man, can do the work of 10 men in herding the flocks of Scotland. Because a Collie never seeks trouble but will meet it head on if and when it comes, in a most efficient manner, he is known as "the dog with the keen mind of a man and the winning ways of a woman".

ILLINOIS DOG CAPTURES HONOR AT AM. SPECIALTY

From an entry of 294 Collies Dr. Richard F. Greathouse picked Ch. The Crown Prince of Floravale as BIS. "Rowdy" is owned by George and Caryl Schroeder, Addison, Ill. BOS was Ch. Glen Knolls Spun Gold owned by Mrs. Edith Levine, Glen Head, L.I.

Doberman Pinscher

About 1890, Louis Doberman, of Apolda, in Thueringia, knew exactly what he wanted in a dog. He wanted a dog built on terrier lines with Terrier grace and agility yet with the strength of a German working Shepherd. He dreamed of a dog that would look like the small Miniature Pinscher but be many times heavier and larger. His ideal had to be willing and able to tackle man, beast or devil. Very little has been recorded on how he accomplished this, but with his two helpers (a grave digger and a bell ringer) he did produce the breed to which he aspired.

New Theory on Hip Dysplasia

Professor Wayne H. Riser, School of Veterinary Medicine, University of Pennsylvania, in a paper for the official organ of the BSAVA, Journal of Small Animal Practice, gives a brand new theory on hip displasia. In his three year experience in breeding German Shepherds from displastic parents, he found that the pups WERE NOT AFFECTED AT BIRTH.

Thirty pups dissected at birth were found to have normally shaped hip joints with no sign of displasia. Some of the litter mates later developed the condition but by the time they were between four and a half and six months old the degree of displasia was established and would remain for life. Further experiments proved to Professor Riser that rearing methods employed were important in the development or retardation of the condition when it appeared.

His observations led him to believe that feeding, designed to promote body weight and quick growing, caused damage to the supporting soft tissue around the hip joint. Pups weighing about 20 lbs. each at eight weeks of age, which had been hand fed with milk and meat, showed signs of the onset of displasia, but in pups bred in the kennels (from displastic parents) which weighed 11-13 lbs. each, the appearance of displasia was usually at the 12th or 16th week.

In puppies where the first signs had appeared there was great evidence of recovery in cases where the puppies were not allowed their freedom. Puppies were kept in cages where they spent a great deal of time sitting on their haunches. The

SOVEREIGN Reg'd.

Kingston, Ont.
May, 1964

Dear Friends:

In March we suffered a house fire that took the life of our pet and top Sheltie stud, Champion Sovereign Fire Chief. Also lost was our favorite Collie, Champion Sovereign Gold Brand. "Goldie" had just been moved from the kennel to the basement at 11 p.m. as she was due to whelp that week. The fire was well underway at 2 a.m. when we awoke and our efforts to save "Goldie" and "Chief" were in vain. It is some comfort to know that they did not burn but died in their sleep.

We can never thank you enough for the many letters expressing your sorrow for our loss and offering help. We will never forget your kindness and want you to know how very much you helped.

Our home since March 10th has been a hotel a few blocks from the kennels. Now plans have been made to move to our farm, just eight miles from Kingston, and build a new home and kennels there. As this will take most of the summer to complete the move we have decided to keep no new show stock this year and to cut our breeding stock to a bare minimum.

Listed below are the dogs we have decided to part with at far below their value. Description and prices on request.

SOVEREIGN THUNDER STORM (collie) Show qualiy tri male; large dog with good bone and natural ears; by Ch. Sov. Storm Cloud.

BLUE BLIZZARD OF SOVEREIGN (collie) Show quality blue bitch; 1st class of 6 at Working Group show. Double granddaughter of Ch. Sov. Storm Cloud.

SOVEREIGN ONE AND ONLY (sheltie) bitch with 6 points. Sable daughter of Can. & Am. Ch. Katie-J's Golden Flame ex Ch. Sovereign Golden Hour; proven dam.

SOVEREIGN MEMENTO (sheltie) tri-colour bitch by Sovereign Forget-Me-Not 2nd. Proven dam.

SOVEREIGN BLUE PATCHES (sheltie) blue bitch with points by Ch. Dunderraws Koko; proven dam.

KAMARGO GOLD SOVEREIGN (sheltie) sable. Am. bred bitch by Can. & Am. Ch. Katie-J's Golden Flame; proven dam.

We are looking forward to an "open house" in the fall and hope many of you can come to see the new kennels and the dogs that will be producing the puppies we offer for sale. All our interests will then be housed together, Collies, Shetland Sheepdogs, registered Welsh Ponies and Hereford cattle.

Sincerely yours,
Ariel and Floyd Sleeth.

P.S. Until we are settled our old address will reach us — 1085 Princess St., Kingston and my husband's business telephone 542-1674.

Selective Breeding

Berwick, N.S. (Phone 538)

Professor states "when a puppy sits on his haunches, the continuous deforming pressure of the head pressing against the acetabular rim is broken sufficiently to assure development of a good hip joint. Once ossification is sufficient to bring the structure into biomechanical balance, dysplasia will not return".

The Professor investigated why the evidence of dysplasia was more prominent in German Shepherds than in Greyhounds, in which breed it is almost unknown. The difference most noticeable in the two breeds was in the pelvic muscles. This led to the conclusion that the muscle mass held the hip joint firmly in position, which would account for the degree of dysplasia not increasing after a puppy had attained the muscle volume necessary to stabilize the hip.

SHEPHERD TALES 1943

Although the following article appeared in the "Shepherd Tales" in June, 1943 it could still apply to the shows of today.

"Why ? ? ? ? Isn't it odd that some people can be exposed for years to a breed with the dignity, loyalty and nobility of the German Shepherd and fail to absorb at least some of these qualities unto themselves.

"Call it by whatever name you choose, the breeding and showing of dogs is primarily a sport. Then, why can't more of our Shepherd people exhibit a small fraction of the great sporting virtues displayed by their own animals? I am not referring here to those who, at times, do not see eye to eye with the judge on his placings. The type of pest I have in mind is the so-called "Sportsman" who actually takes a peculiar delight in turning his venom on the owner of the winning entrant. Heaven help the poor victim if he happens to be a newcomer, or the posssessor of but one or two dogs. He has committed the unpardonable sin ! ! It was a criminal act for his animal to have won over entries from established kennels and veteran breeders!

"To further advance the breed(?) this genus of expert treats the beginner like an intruder and quenches his enthusiasm as though it was an incendiary bomb; and then curiously enough, wails like a banshee about the diminishing entries at the various shows. He loudly labels every Shepherd in the ring (except his own) a bum and a cripple; with more faults than Goering had medals. and . . . according to this authority . . . the judge would make a Jesse James hang his head in degradation, and . . . blah . . . blah . . . blah.

"By the time this particular plague is run down the novitiate has quietly stolen away to another ring. He wants a GOOD dog. He would also like to get started in a breed where a kind word is occasionally uttered and all the judges are not "Horse-thieves" and "Wife-beaters".

"The late Captain von Stephanitz once remarked that to keep our breed virile we must draw fresh blood from our reservoir of working and herding stock to rejuvinate our inbred show lines and keep the Shepherd ever moving forward. The same thought is doubly true in rejuvinating the popularity of our breed. We, too, must attract new blood from dog lovers at large, and this will only come through offering them encouragement and constructive criticism. The next time you extend a hand to a fledgeling in the breed, be certain it does not contain a knife!"

CANADIAN JUDGES USA SPECIALTY

Mrs. Mary Southcott, Milton, Ont. judged German Shepherds at two large USA shows recently, Detroit All-breed on March 1 and the Sacremento Valley Specialty in California, April 11. The entry at the latter show was 192 with another 23 in the dam or sire and progeny classes. This required a straight 12 hours of judging.

St. Bernard

Pictured is the replica of Swiss Chalet which housed the many trophies and various prizes donated for the third annual Booster Show of the St. Bernard Club of Ontario at the Canadian National Sportsmen's Show earlier this year.

This was the largest showing of the breed in Canada and the 30 Saints came from the USA and as far away as Alberta. Posters, depicting picturesque scenes of Switzerland, gave each decorated bench a background of his native homeland. It has been announced that the Department of Lands and Forests are beginning to use Saints to help pack Rangers into the wilderness because of the gentleness and willingness of the dogs to work and their ability to rest their loads whenever they lie down. It is expected that the dogs will, in the future, replace mules or horses which were previously used. Mr. and Mrs. Donald H. Davis, with Cindy, are shown in front of the Chalet where they handed out printed pamphlets on the breed. Club members participated in the demonstrations conducted on pulling sleds and carts as well as pack animals.

Shet. Sheepdog

Like the Shetland Pony and Shetland sheep the Shetland Sheepdog came, originally, from the Shetland Islands, a country unique for its diminutive breeds of animals. Because the sheep are only about half the size of the animals in the highlands of Scotland the shepherds only need a small type of dog to tend them.

Many different theories are offered on the origin of the "Toonie" dogs (as the Shepherds called them) but authentic records are not available to give any authority to any of the claims. However there is not much doubt that the Collie and the Shetland have some common ancestor in the "Hill Collie" of the past. Certain features also might bear out the claims that they were derived from the King Charles Spaniel brought to the Islands by the fishermen of Scandinavia and Holland or the Yakki dogs brought by the whalers from Greenland. However this is mere supposition with nothing to back it up.

Siberian Husky

Canadian bred Siberian Huskies have been making a name for themselves across the border. Bunty Dunlop, Snow Ridge Kennels, Chelmsford, Ont. is the breeder of Ch. Snow Ridge Rina, the second place Siberian in show competition for 1963. Among her wins was BOS at Westminster. Ch. Snow Ridge Czar took BB at Westminster and at Detroit and Battle Creek, Mich.

Welsh Corgi

Although the Cardigan Welsh Corgi is believed to exist as far back as 1200 B.C. and the Pembroke back to 920 A.D. it was not until 1928 that the breed was admitted into the English K.C. register. Shortly after this the dog made its appearance in the USA and during 1963 there were 1,056 registered, an increase of 55.7% over 1962 of the Pembroke variety and only 98 of the Cardigans which was a drop from 1962 of 9%.

Club Competition

The inter-club competition for the BD-KC Challenge Trophy was held by the Burlington Kennel and Obedience Club. The 1964 trophy was won by the Hamilton Kennel Club. The team was composed of Mr. George Lawless, Mrs. Audrey Langford, Mrs. Blanche Cole, Mrs. Eva Havlicek and Mrs. Thelma Wade. Chairman for the event was Past-President Jim Taylor. Asking the questions were Mr. Tom Joel on Dog Show Rules, Breed Standards and *Dogs in Canada*; Mr. "Jake" Giacomelli on Obedience Trial Regulations and Standards. Next year the Hamilton Club will act as hosts for the competition.

All Terrier Club of Canada Obedience Trophy 1963

The All Terrier Club's second annual Obedience trophy was awarded at the Sportsmen's Show ATC booster show to Mrs. Becky Pennycook, Babiston Rd., Unionville, Ont., for her Scottie, Calico Glenna CD by the club President, John

Devlin Jr. Glenna finished her CD title with an average of 195.7 and two of her three legs were achieved before she was a year old.

The two runners up were I. Ward's Miniature Schnauzer, Nic-A-Box's Har-Dee CD, averaging 192.7 and Mrs. G. Powell's Westie, Sequoia's Cindy CD with an average of 191.2.

There were 31 Terriers competing for their Canadian CD in the past year, in comparison with 22 in 1962. The breeds were represented as follows:

Airedales — 2	
Bedlington — 2	Norwich — 1
Cairns — 5	Schnauzers — 8
Fox Terriers (Wire) — 2	Scottish — 4
Irish — 1	Welsh — 1
Manchester — 1	Westies — 6

Of these 23 completed their CD titles, compared with 14 in 1962.

The ATC Obedience trophy is awarded annually to the highest scoring Terrier CD in Canada. The score is averaged from the three trials required to achieve this title in a single calendar year, January 1 to December 31. These trials must be held in Canada under the jurisdiction of the CKC and the owner of the dog must be a resident of Canada.

Australian Terriers

Although only recently recognized in the USA, the Australian Terrier has been recognized for a number of years in Canada and approximately 40 years in Britain. A prominent place has been held by the breed in Australia and New Zealand since 1888. It has much in common with the Norwich, Yorkshire, and Cairn Terriers, a combination which could well be the origin of the breed.

Fox Terriers

The oldest of the two breeds of Fox Terriers in the show ring, the Smooth was a very popular breed in the 1800's. At one time Nottingham had an entry of 270. One of the leading English breeders, Frances Redmond, judged the first Specialty of the American Fox Terrier Club in 1886 where there was an entry of 75. The Standard for this breed, drawn up in England in 1876 and adopted by the AKC, has never been changed except to reduce the size from 20 to 18 lbs.

James M. Austin made a great contribution to the breed when he imported the famous "Nornay Saddler" who was proven to be an excellent example of perfection in the breed.

The Kerry Blue

Well known names of prominent people are credited as the early importers of the Kerry Blue Terrier. Mrs. William Randolph Hearst imported two in the early 1920's and when Gene Tunney held the world heavyweight title, he brought three into the USA. The breed was first shown at Crufts in 1922 and at Westminster, in the miscellaneous class, the same year. The first of the breed to take BIS in the USA was Eng. Ch. Lunster Leader, in 1928. The same importer of this dog, Mrs. C. H. Jackson Jr., Calif., also brought over the first one of the breed to take BIS in England. Both of these wins were at all-breed shows.

This national dog of the Irish Republic must be shown in the rough in its homeland and no trimming of the coat is permitted.

Min. Schnauzer

The origin of the breed must go back to the Schnauzer, (taken from the German word Shnauze which means muzzle) one of the oldest of breeds. The breed is depicted in a water-color which was painted about 1492. Perhaps the Miniature variety of the breed (Zwergschnauzer) was entirely by accident, but it is believed to be the product of a Schnauzer and Affenpinscher.

Dogs of this breed were used to a large extent in Germany as a drover's dog to pull carts of produce from farm to market. He also excelled as a farm dog, working with sheep, cattle and hogs. He was also used as a rat catcher and even in recent years the German Schnauzer Club held "ratting" trials. The smallest of the three varieties was most successful in this "sport".

Although the Standard variety has been moved to the Working Group in the USA and Canada and the Miniature left in the Terrier Group, this does not apply in either England or Germany where all three are shown in the Working Group. Miniatures have been shown as a distinct breed as early as 1899 and bred in the USA since 1925. They were accepted in the AKC stud book in 1934.

Mrs. A. Nantais
R.R. 2, Campbellville, Ont. - (659-3392)

During the past 30 years they have carved a niche for themselves because of their great possibilities as a show dog and as a most desirable pet. In 1963 the AKC registered 10,890, an increase from 1962 of 25.7% which brought them up to 12th rank in the list of breeds.

BLACK DOG TAKES POINTS

Walsh's Frosty Charmer, who went BOS at one of the Sportsmen's shows, is believed to be the only black Miniature Schnauzer in Canada to hold points. He is owned by Mrs. Joanna B. Griggs, Guelph, Ont.

1963 SCHNAUZER SHOW FACTS

Thirty-three different Miniature Schnauzers took BB in Canada during 1963 and there were 502 entries in the breed at Canadian shows. The breed also held fast to its 1962 place of 12th in dogs in competition with 5,332 which produced 85 champions.

The Westie

After the breed was accepted into the AKC stud book in 1909 five dogs which were imported into the States played a very large part in laying the foundation for the present day American strains, Ch. Kiltie, Rumpus Glenmohr, Glenmohr Model, Atholl and Dazzler Sands. One or more of these names will appear in the background of most of the 1,136 of this breed registered during 1963 by the AKC.

Chihuahua

The Chihuahua carries two distinctions in that it is the smallest breed of dog and that it is the oldest breed indigenous to North America. Just what the origin was is very uncertain. Some authorities believe it existed as early as 900 when the Toltecs and Aztecs used them in religious ceremonies. The first chihuahua to be registered by the AKC was Midget, who was whelped in 1903. The first dog known to be imported into Canada was Ch. Empress Carlotta, in 1928.

The Papillon

Although there is no authenticated information, many authorities believe that because of the similarity to the Chihuahua the breed originated in Latin-America. But whatever the beginning it is believed that the breed is a very old one. It was given recognition in England in 1923 and by the AKC in 1935.

Pekingese

Perhaps the most romantic history of all breeds is credited to the "lion dog". The breed, although much larger than today's, has been identified in Korean bronze as early as 2000 B.C. It is said that the first of these dogs found their way into the western world from China when the British looted the palace at Peking in 1860. Alice Roosevelt and J. P. Morgan where possibly the first Americans to own a Pekingese but these were never used for breeding purposes. The breed has progressed a long way since it was punishable by death to steal or cause any damage to these royal dogs. During 1963 the AKC registered 22,538 individual Pekingese and there were 4,437 of the breed entered in show competition.

PEKINGESE OWNERS BEWARE

Never lift a Pekingese puppy up by his front legs or by the scruff of the neck or use a harness on the body. Always support his body by lifting him with your hands placed underneath his body. Because his front legs are normally bowed, they can easily be pulled out in the shoulders by using a harness or by picking him up by the front legs.

Min. Pinscher

Although thought of by many as a diminutive Doberman Pinscher the Miniature Pinscher appeared as a breed which held true to type before the Doberman

was "officially" recognized as a breed. The breed was first recognized by the Pinscher Schnauzer Klub in Germany in 1895 and began to invade the USA in the years following World War I. It was not until 1929 that they made their migration from the Miscellaneous class to a recognized breed in the USA show.

Pomeranian

Originally weighing about 30 pounds and known as the wolf and sheep dog, the Pomeranian was a great favorite of the ladies of Rome and Greece. It is said that the name comes from Pomerania but it is believed by many that the breed is much older than the country. When small dogs began to make their appearance in litters bred in England it was found that these were in great favor and so the more diminutive dogs were promoted. Queen Victoria operated a Pomeranian kennel and was a frequent exhibitor at the English shows.

Pugs

The Pug is another of the many breeds in which the origin is clouded by a difference of opinion by even the most renowned authorities. Many think it is a breed which came from Holland, and it is acknowledged that wherever it did come from it was the Dutch who popularized the breed. But because Dutch traders made frequent trips to China and because most breeds of dogs with short noses and large heads with tails curling over the back came from China, it is believed that the Pug also came from that country. Indeed, it seems to be the conceded opinion that the parents of the first Pug to arrive in England came from China and that they were lemon and white Japanese Spaniels. No records indicate where the infusion of black came from but the first black Pug to be exhibited in England was about 1866. It is said that one of the most frequently seen faults of the breed, straight or double-jointed hind legs, can be traced back to the first one shown in the USA, Dr. Cryer's Roderick.

Humanely Speaking

from page 12

the length and breadth of Canada, that the next generation is much more informed of the CKC and its purposes than the present generation.

The Ont. Humane Societies throughout Canada are in a similar position. These societies organize their own junior humane societies when and where they can. Perhaps these activities of the two junior groups could be connected in some way. For example, the membership could be interchangeable. Perhaps the junior KC could organize some of the activities of the Junior H.S. The type of person who would be active in one group would almost inevitably be interested in the other junior group. So perhaps the senior personnel could be shared. Meetings could be held on the same night or in the same place. Out of the combined activities would surely come strength for each group. It is a fascinating and stimulating thought.

Beautiful Show

from page 18

Inspiration for other exhibitors was the effort on the part of so many breeders to set up attractive benches. A prize of $15.00 was given by the Sportsmen's Show Committee each day for the best decorated individual bench and $25 for the best club effort. The work of two clubs, the Saluki Club of Canada and the St. Bernard Club of Ontario, was outstanding, while several other clubs made commendable showings.

Imagine 18 graceful slim Salukis reclining before a background of Egyptian figures, Saluki heads on wooden plaques and a valuable collection of Egyptian antiques and old prints. Murals painted on wood showed more of the ancient story of this noble breed.

Close rival was the St. Bernard exhibit of the immense dogs with emblems of their Swiss background and a small chalet which formed the centre of publicity. Charming little girls in Swiss national costume added liveliness to the display.

Among individual displays attracting spectators was that of Carol Lee Hoffman of Madison, Wisc., showing Japanese Spaniels, who changed her Oriental display daily. Helen Sinclair had her Dachshunds in a garden scene, complete with lamp post and sign indicating Lenair. Millie Van Osselaer of Sarnia benched her Great Pyrenees before a mountain and river three-dimensional scene painted by her artist husband. Glen El-Tee Shetland Sheepdogs reclined before a country scene. Hunting scenes and dog sled and mountain climbing equipment gave the background of other breeds, and showed commendable imagination and work.

One sign read: Sorry folks, but due to very natural causes our usual exhibit will not be possible this year. Two portraits of handsome Newfoundlands re-

Ch. Shillmaine's Pocohontas

This outstanding little dog has defeated as a Puppy her Cousin, AKC, CKC Ch. Tinker Belle (who was sired by the stud owned by A. M. W. Samuels and sold by Mrs. Samuels to her present owner).

Her major wins were:
Best of Breed, Best Puppy in Group and Best Puppy in Show under Mr. Robert Waters, August 28. Best of Breed under Mr. Stan Whitmore, March 20 and Best of Breed under Mr. Haskell Shuffman, March 18 (pictured here) at the 1964 Sportsmen's Shows. She also went Best of Breed under Judge Louis Murr at the Kawartha KC April 18.

Her wins have been one 5-point, two 3-point and one 4-point. Defeating mature AKC Champions as a Puppy and later both AKC and CKC Champions, she defeated her kennel mate Ch. El Dorado when she was a puppy.

She has been BW four times, BCB four times, BCB Puppy twice, BB four times, Best Puppy in Show once, Best Puppy in Group V once.

She was handled exclusively to her Championship by A. M. W. Samuels.

Sire: Boozer Second
Dam: Charita Juanita, who is the mother of two Champions.

placed the absent dogs of Mr. and Mrs. Fred G. Kearsey of Baltimore, Ont.

Another attraction was the demonstration of garments spun of Samoyed hair. Dr. Tremeer of Belleville, Ont., not only demonstrated spinning of the hair of her Sams but showed coloring she has ingeniously created from weeds and shrubs on her own property. Yarns were beautifully dyed by way of chicory, swamp weed, plum bark, elderberry, goldenrod and black walnut, in rich pastel tints.

Upstairs the history of the Newfoundland dog by cart drew fascinated spectators. Mr. and Mrs. Hubert Garnsey of Mattydale, N.Y. gave a working exhibit of their six Newfoundlands and carts, including a small mail cart, a white rubber-tired fish cart, milk cart and covered wagon. Also participating were Mr. Robert Gage of Norwood, N.Y. with Newfoundland drawing a pole travis, led by 12-year-old Gail Gage in Indian costume. Mrs. Kitty Drury read the script.

Hit of the show was the massive St. Bernard Ch. Jiggs of the Hills, best known as Jiggs, Jr. With his owners, Mr. and Mrs. J. Elliott, he travelled 3600 miles each way from his home at Rocky Mountain House, Alta., 90 miles from the nearest railroad station. Although they are never lonesome at the fire ranger's base, the Elliotts expressed great pleasure in being able to meet other St. Bernard breeders and doggy folk. Jiggs, who is their wheel dog on the team, carries a pack of 70 to 75 pounds, which he demonstrated daily. Accustomed to tangy mountain air, he suffered in the city humidity. In the ring he consistently took BCB in Breed and BOS. For more details of this magnificent Saint see page 163 of the *New Complete Saint Bernard*.

RETRIEVER MEET

For sportsmen the thrill of the show was the indooor Retriever Invitation meet. This is the only indoor trial of its kind held in North America, and as such invites only top dogs from other competitions. The trials are held upstairs in a replica of a woodland setting, complete with stream. The dogs work through evergreens strategically placed amid a field of leaves. These leaves are carefully gathered and stored from the previous Fall, and the evergreens lining the "field" saved from Christmas.

Winner of the Open, and earning the Gold Whistle and Gold Lanyard was the female black Labrador Retriever, Mi-Cris Black Lady, owned by Robert Pope of London, Ont. Winner of Junior Stakes and earning the Gold Whistle and Green Lanyard was another female, the yellow Labrador, Nick's Sunny Pip, owned by Fred Claridge of North Bay.

A new wave of interest in Obedience Trials was evidenced by double the entries over last year.

H. V. P. (Bumpy) Lewis and his Sportsmen's Dog Show Committee and Superintendent Hudson Kalloch are to be commended on a splendid show.

PERSONALITIES

Mrs. Charlotte Walker of Toronto, grand dame of Canadian shows, sporting a corsage, honored by the Toy Breeders Association of Canada, of which she is a life member. Mrs. Walker is 95 years young this month, and is best known as a breeder of Pomeranians for many decades.

Helen Sinclair at last able to feel relaxed as husband Tom has recovered from severe coronary.

A faithful Samoyed breeder absent from the show was Mrs. Bob Bremner, who also suffered a heart attack. ■

Joe: Don't you and your wife ever have a difference of opinion about your dogs? Jim: Sure, lot's of times. But I don't tell her about it.

Poodles

With almost human characteristics this breed of German origin is conceded to be the most intelligent of all the breeds. This appears to be a scientific fact and not just a theory propounded by fanciers of the breed. Scientists have said that the cerebal cavity of the Poodle is more capacious than in other breeds and that the frontal sinuses are fully developed. The general foundation of the head and skull indicate a dog of extraordinary intelligence. Many people, when seeing a clipped Poodle for the first time, might well think it is a fad or personal vanity which is far from the truth. The Poodle originally was a sporting dog and was used extensively for retrieving. Although he still is excellent for this type of work he is seldom, if ever, used in this country. Such a heavy coat was found to impede the dog's progress in water. At first, trimming removed almost all of the coat resulting in stiff joints in a number of dogs. Consequently, today the dogs are trimmed in such a manner as to leave some long coat over joints and vital organs.

DEATH OF ALL TIME GREAT

Ch. Rudolph of Pipercroft has died at just over 13 years of age. He was one of the all-time greats among black Miniature Poodle sires and his name must appear in the majority of pedigrees of present-day winners in that color.

ADDITION TO KENNEL

Mabel E. and Royna J. McGregor, Romacliff Kennels, Beamsville, Ont., have received their two apricot Miniature Poodles from England.

Rabies Control

from page 44

antine. During this period, the dog is not permitted to be taken out of this enclosure.

In the case of dogs originating in England, no such quarantine is required because England has been free of the disease for many years. Dogs entering Canada from the United States are permitted entry when accompanied by a rabies vaccination certificate. No quarantine is imposed on dogs entering Canada from the United States.

While rabies has been a problem and a worry to dog owners, the disease has not become resident in our dog population. There have been no cases of dog-to-dog transmission. In those areas where rabies has been identified, dog owners are urged to keep their dogs under control, preferably on a leash, at all times. Should the animal engage in a fight with a fox or other wildlife species, the incident should be promptly reported to the nearest veterinarian. Persons bitten by a dog or exposed to rabid wildlife should seek medical attention immediately. ■

WOMAN'S BEST FRIEND

A new family moved into the neighborhood, and their dog Bosco was soon making daily visits to the neighborhood market, where he found a friend in the proprietor, who gave him meaty handouts.

One day Bosco's mistress, who was unaware of her dog's afternoon calls, stopped at the same market and asked to cash a check. While she was searching her purse for some identification, Bosco appeared. Tail wagging, he went promptly to his mistress.

"Is this your dog?" asked the proprietor. She nodded, then was bewildered to hear: "Why, of course I'll cash your check!"

courtesy Readers' Digest

A pity without limits, which unites us with all living beings — in that we have the most solid, the surest guarantee of morality. Who so possesses it will be quite incapable of causing harm or loss to anyone, of doing violence to anyone, or doing ill in any way. But rather he will have for all, long-suffering; he will aid the helpless with all his powers, and each one of his actions will be marked with the stamp of justice and of love . . . .

The unpardonable forgetfulness in which the lower animals have hitherto been left by the moralists of Europe [and America] is well known. It is pretended that the beasts have no rights. They persuade themselves that our conduct in regard to them has nothing to do with morals, or, to speak the language of their morality, that we have no duties towards animals; a doctrine revolting, gross and barbarous . . . .

I know of no more beautiful prayer than that which the Hindus of old used in closing their public spectacles. It was: "May all that have life be delivered from suffering!"

—Schopenhauer

OBITUARIES

Mr. Frank Small, Toronto, a Terrier breeder of many years, suddenly March 10. Mrs. Small was well known as a Terrier judge.

Mrs. Florence McIntosh, Toronto, wife of the well-known *James McIntosh*, March 5. Both were life members of the Toy Breeders Association and were breeders of Cocker Spaniels and Yorkshire Terriers before they had to give up the dogs as a result of the loss of Mrs. McIntosh's sight.

Mrs. Kenneth Marlatt of Oakville, first Canadian woman to be appointed a director of the Airedale Club of America. Mrs. Marlatt, owner of Aldon Kennels, one of the earliest registered Canadian kennels, had taken the name over from her father, *A. A. Macdonald*, a successful Fox Terrier and Airedale exhibitor in both Canada and the States, who founded it in 1903. Born in Toronto, and a resident of Oakville since 1920, she was one of the founders of the Oakville Humane Society. Until last year she judged all breeds of Terriers in Canada and the States and was one of the few Canadian women to have judged at the Westminster Show, New York.

DOGS & PEOPLE

Let sleeping dogs lie, ruled an Ontario Supreme Court judge who dismissed a $50,000 suit brought by *C. R. Wiseman* of Toronto. Mr. Wiseman was bitten on the nose during the 1960 Canadian National Sportsman's Show. The Great Dane, Wal-de-Mar Kim's Boy, was under the care of *Mrs. Helen Watling*, Richvale, Ont. at the time. Mrs. Watling testified that she had left the dog chained and sleeping on its bench, with three chairs acting as a divider between the bench and the aisle, with signs instructing visitors not to touch the dogs.

She stated that Mr. Wiseman told her that he had leaned over to pat the dog when it snapped at him. *Mrs. Roberta Ward* of Cleveland, Ohio, testified that Mr. Wiseman admitted it had been his fault at the time. Mrs. Watling's Danes are noted for their good temperament.

Honored: Metropolitan Toronto recently marked the 100th anniversary of the birth of *John Joseph Kelso*, a crusader to whom every child, dog, cat and horse has cause to be grateful. Working in a skeptical community, he was a founder of the Children's Aid Society, the Humane Society, the Fresh Air Fund and the Alexandra School for Wayward and Delinquent Girls.

Mrs. Fred Hippern, a blind young Toronto woman, has her Seeing Eye companion once again. The German Shepherd, Ginger, disappeared for two weeks while she was in hospital. She had left for Rochester, N.Y. where she began to train with a new dog. *Constable John Simpson*, curious about a boy walking an obviously highly trained dog, questioned him and discovered the boy had found the dog and kept him as a pet.

Died: *Mrs. Leroy Page*, Hamilton, Ont., for many years an active breeder and exhibitor of Newfoundlands, which won recognition in both Canadian and American shows. Mrs. Page was an outgoing woman, active in club and service work.

Nugget Sparwyn, a young Bulldog pup bred by *Mr. and Mrs. Albert Farrell* (Nugget), Scarborough, Ont., made the news in a five-column cut in the Toronto *Telegram*. Wearing a peak cap and rubber boots, he looked as British as the cartoon, "Andy Capp," in whose space he appeared.

Alex Dickson, (Ziska Kennels), Dorchester, Ont., now has his own spinning wheel with which he spins the Samoyed hair for his wife, *Betty*, to knit into garments. A gift of a sweater was recently made to handler Lorna Jackson, downy as angora wool.

A Cocker Spaniel female bred by Shallowdale Brown's Admiral (owned by *Mrs. Margaret Carroll*, West Hill, Ont.), whelped a litter of ten puppies. The average litter is six or seven. Most are doing well, although a state of emergency existed for some days.

The English Setter, Can. Am. Ch. Manlove's Nocturn, a blue belton female, earned her American title in four weekends from the open class with three majors, three BW and seven BOS. She is owned by *Thelma E. Wade*, Stoney Creek, Ont., and handled by *Robert Walgate* . . . Ch. Galphay's Nuit Noire, a Papillon bred by *Tom Wells* (Galphay), Vancouver,B.C., and owned and handled by *Veronica D. Kiefer*, ha taken 17 BB's in American shows.

Appointment: *Dr. D. L. T. Smith* ('43 of the Ontario Veterinary College, ha been appointed dean of the newly estab lished Faculty of Veterinary Science University of Saskatchewan. The estab lishment of a veterinary college in Sas katchewan, will make a significant con tribution to Canada's animal welfare.

Will the *real* Hudson Kalloch stan up! *Mr. Hudson Kalloch*, Hyannisport Mass., superintendent of the Canadia National Sportsmen's Dog Shows, was guest on the show *To Tell the Truth* taped in March and run later. With hir were *Mr. Morley Fisher*, Toronto, breeder of Springer Spaniels and M *Alan Watson*, product manager for th Purity Flour Div., Maple Leaf Mill (Master Dog Food), who formerly rep resented Master at dog shows.

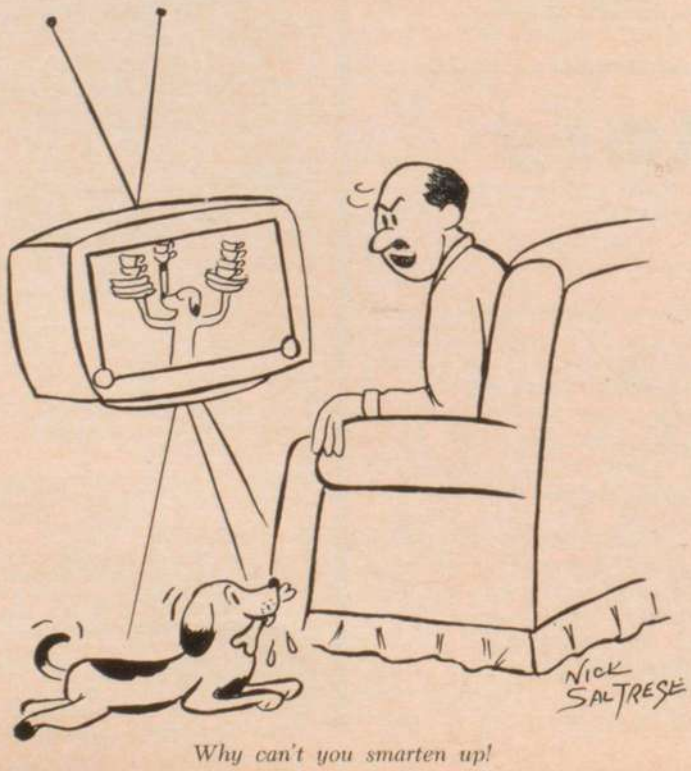
Retired: Although more than 4,00 RCAF officers won the Distinguishe Flying Cross during World War II, onl one wingless officer was awarded i *Flt. Lt. John A. Loftus*, Ottawa, wh with his wife *Stella* is active in Ottaw dog circles, went on RCAF raids on Ge many as a cameraman. He is also note as the man who was the RCAF's fir operational cine photographer.

Recuperating: *Mrs. D. T. We* (Tyldesley), Willowdale, Ont., from su gery.

When he returned from a visit Scotland and the Crufts show earlier th year, *Jim McFarlane* of Thornhill, On brought an addition to his Badeno Kennels — the four-year-old male Cai Terrier, Unique Cottage Gold Spu While in Edinburgh Jim visited h mother, who is 88 years old and h 86-year-old uncle. At Crufts he w interested to watch the difficult judgi of 144 Cairns. On the plane over chatted with *Mr. and Mrs. Watson M Guinness*. The latter judged the Terri puppy match in Toronto last summ She judged Doberman Pinschers Crufts this year.

Due to a serious outbreak of hepati in Bermuda the annual Spring Sh has been cancelled. Every step is bei taken to quell the outbreak and all p cautions to prevent future contagi Announcement of the Fall Show arran ments will be contained in a near-futu issue.

Died: *Mrs. Winnifred Batt*, Hald Kennels, Guelph, Ont., at the age of years. Dr. and Mrs. Batt were breed and exhibitors of Scottish Terriers many years. The former was a C Director for six years, from 1934 was one of the leading faculty men the Ontario Veterinary College. M Batt, although confined by illness in later years, bred fine Scotties as long her health permitted.



Why can't you smarten up!

You should know this doctor better

He's a Doctor of Veterinary Medicine, a qualified counsellor on the care and feeding of your dog. To a veterinarian, animal medicine is more than a career or profession. It's a way of life. In addition to an intensive five-year course in Biology, Pharmacology, Pathology, Nutrition—and other science subjects your own doctor studies—he brings to veterinary medicine a priceless asset: his love and affection for animals and a deep concern for their health. Your dog's best friend, the man to turn to for professional advice, is your veterinarian.
