We have examined the following statements and schedules of The Canadian Kennel Club for the year ended December 31, 1967:

Statement of financial position, December 31, 1967	
Statement of income and surplus	Statement 1

SECRETARY'S EXPLANATIONS OF TABLES #1, #2, #3, and #4.

From what sources does the Club receive its revenue, and just what does each source of revenue contribute to the sum total of revenue? In Table #1 we seek to provide that information. For example, in 1967, recording fees accounted for 10.3% of our total income, or 10.3¢ out of each dollar of income.

What are our major expense accounts, and, in relation to our total revenue for the year, how much of our revenue is expended on each of these expense accounts? In Table #2 we seek to provide that information. For example, in 1967 our share of expenses of operating the Canadian National Live Stock Records accounted for 32.6% of our total income for the year.

Tables #1 and #2 have been prepared on the basis of actual monies received and expended, and in neither case do they reflect the decrease in the purchasing power of the dollar.

Except for the introduction of associate memberships in 1956 (with fees higher than for ordinary members), an increase in the listing fee in 1961, and an increase in the charge for the stud book in 1967, our income since 1953 has been based on a schedule of fees which came into effect in 1953.

Authoritative information has been obtained which sets forth the loss of the purchasing power of the consumer dollar since 1953. As Tables #3 and #4 indicate, the purchasing power of the consumer dollar in 1957 was 5% less than in 1953, and by 1966 the decrease was 20%.

In Table #3 we have taken, for the most part, Table #1 and readjusted the figures to show, in each year, the effect of the decrease in the purchasing power of the consumer dollar. If, as Table #3 indicates, the purchasing power of the consumer dollar in 1966 was 20% less than in 1953, then it must follow that each dollar of income in 1966 was worth 80¢ as compared with $1.00 in 1953.

In Table #4 we have taken, for the most part, Table #2 and readjusted the figures to show, in each year, the effect of the decrease in the purchasing power of the consumer dollar. Because 1953 is being employed as the base year for the purposes of Tables #3 and #4, the percentages shown for 1953 are the actual percentages. As Table #4 indicates, our share of expenses of operating the Live Stock Records office in 1953 was 30.5¢ out of each dollar of revenue. Table #2 indicates that in 1966 our share had risen to 33.3¢ out of each dollar of revenue, but because of the 20% decrease in the purchasing power of the consumer dollar, this 33.3¢ was worth about 26.6¢ when employed to pay salaries and other operating costs of the Records Office.

PRINTING STUD BOOK (Volume #70 for 1966): The stud book is produced by offset printing, the original copy of which is typewritten. Prior to 1961 all copy for the volume was typed at the Canadian National Live Stock Records office. Commencing in 1961 part of the copy (about half) has been prepared at the Club's Toronto office, and the typing costs at Toronto (part of which have been for temporary help) have been absorbed in the "Salaries (Toronto)" account. Of the cost shown in the statement, $2,610 was paid the Live Stock Records for the part of the volume which it prepared, the balance ($4,370) being the printer's charges for the printing of the volume.

MAGAZINES TO MEMBERS: The cost in 1967 for the mailing of "Dogs in Canada" to members of the Club totalled $16,445 as compared with $13,784 in 1966. This substantial increase came about by reason of an increase in membership and by reason of a change in the contract with the publishers whereby the Club, commencing with the May (1966) issue, paid the publishers 25¢ per copy supplied the Club for distribution to members rather than the 15¢ per copy which had applied for a number of years prior to 1966.

GENERAL EXPENSE: The main items in this account were as follows: express charges, $89; storage, $90; flowers, $82; towel supply, $58; tea, coffee, milk, etc. (for staff and visitors), $98; membership of Club in Genetics Society, $25; car tickets and taxis, $26; translation services, $20; advertising for office help, $41; cost to check list of members (for election) at Records office, $116.

POSTAGE: Postage costs in 1967 were $3,029 as compared with $2,680 in 1966, although in 1967 there were postage costs in connection with the election of Officers and Directors in the amount of $326.

OFFICE SUPPLIES: Included in this account are the following: rental and supplies for Xerox copying machine and charges for copies run on the machine, $1,165; rental and service of postage meter machine and servicing of typewriters, addressograph machine, mimeograph machine (Ditto), and dictaphone equipment, $668; paper and stencils and other materials for Ditto mimeograph machine, $582; tubes for mailing certificates, $249; labels, $232; ribbons for electric typewriters, including carbon ribbons for production of copy for the stud book and "Dogs in Canada", $506; envelopes, $693; the balance ($1,335) being for a wide variety of materials, such as stationery, carbon paper and miscellaneous office supplies.

MISCELLANEOUS PRINTING: Major costs included in this account are the following: dog show, obedience, and field trial rules, $2,516; balance of cost of printing litter kits, $791; private breeding record books, $960; membership cards, $264; election ballots, $220; material for judges' books, $836.

LEGAL FEES: The amount shown is a retainer fee of $1,000 paid to the Club's solicitor.

TELEPHONE: The total cost of $1,916 includes charges of $874 for our regular telephone equipment (two lines, four extensions and intercom with signal equipment), the balance being for long distance calls. The bulk of our long distance charges involves calls to and from members of the Board, and calls to the Canadian National Live Stock Records, the Department of Agriculture, The American Kennel Club, and clubs holding shows and trials.

AUDIT AND ELECTION COMMISSION: Our auditors' fees comprise $600 for their services as auditors, and $900 for their services as our Election Commission.

IDENTIFICATION MATERIAL COSTS: The total of $1,315 represents the cost of purchasing noseprint forms (120,000) and ink (1,200 tubes) sold to members and others, and for the boxes in which these materials were mailed.

MEETING EXPENSE: The main items in this account were: cost of luncheon served to members attending the Annual General Meeting and rental of room for General and Board meetings, $561; attendance of chartered stenographer and transcript of Annual General Meeting proceedings, $604; lunches, dinners, and local transportation in connection with Board meetings, meetings of Councils and committees, etc. $106.

REFUNDS OF FEES (Ottawa): During the course of the year the Live Stock Records office makes refunds of excess fees to applicants, and when rendering its year-end statement the Records office bills us for the total of such refunds.

DIRECTORS: Each member of the Board is paid $100 in lieu of claim for out-of-pocket expenses for such costs as postage, long distance telephone costs, local travelling costs, etc. The same applies to each Council Chairman.

PROMOTION: To promote the interests of those breeding and selling pure-bred dogs, a programme was instituted in 1965, in the form of classified advertisements placed in newspapers and periodicals across Canada, drawing attention to the fact that it is unlawful to sell as pure-bred a dog that is not registered or is not eligible for registration, and when a dog is sold as pure-bred the purchaser is entitled to a certificate of registration.

ADDRESSOGRAPH MAILING SYSTEM: For some years we have maintained, within the office, an addressograph mailing system, primarily for the purpose of addressing labels for the mailing of "Dogs in Canada" to members of the Club. Because of new Post Office regulations on the mailing of second class matter, and with a view to a more efficient and economical operation, it was deemed advisable to set up a new addressograph system at the plant of the printers of "Dogs in Canada". The cost to establish this new system is reflected in the costs for 1967.

RETIREMENT GIFTS: This figure includes a retirement gift of $250 to Mrs. Meta Loveridge who retired from the staff in August; and $500 towards the purchase of a retirement gift to Mr. Ted Gundersen, for many years the Registrar for dogs at the Canadian National Live Stock Records office.

(Explanatory notes: Commencing in 1951 adjustments were made in the rates on which the Club was charged with certain items. For example, in 1950 and previous years the Club was charged one full operational item for each notice of transfer of ownership which the Live Stock Records Office sent to the Secretary, but in 1951 the charge was decreased to ¼ item per notice; thus, while there were 3,644 transfer notices in 1951, we were charged with 911 operational items. The charge for such notices was decreased to 1/6 item in 1953. The Club is charged at the rate of ½ operational item for each re-issued certificate of registration. The Secretary is provided with a carbon copy of each certificate issued for dogs individually registered in the Club's records. Previous to 1953 the charge was ¼ item for each such copy; but this charge was decreased to 1/6 item in 1953. Previous to 1955 the Club was charged 1/3 item for recording an agreement re conditional sale of a dog; this was changed to ½ item in 1955. Each extended pedigree issued by the Records Office is charged to the Club at 2 items. Commencing with 1958 the Club was charged at the rate of ½ item for each Import Certificate issued by the Records office. The issuance of litter kits commenced in 1959 and the Club was charged at the rate of 1/6 item for each such kit in addition to 1 item for the litter certificate included in the litter kit. The additional charge to the Club for the issuance of a litter kit was reduced from 1/6 item to 1/10 item in 1960. Previous to 1955 the Club was charged at the rate of two items for the posting of a title on the records at Ottawa; this was reduced to 1 item in 1955. In 1960 the charge for Secretary's duplicate copy of registrations was reduced from 1/6 item to 1/10 item; however, the Club ceased to obtain these copies, and also Secretary's transfer copies in March, 1960, hence a considerable reduction in the number of these items charged against the Club in 1960. Each agreement re sale charged at ½ item.)

FINANCIAL STATEMENTS

At the Secretary's suggestion the Board authorized the inclusion in the February issue, along with the financial statements for 1967, of charts which, in connection with the breakdown of expenditures, set forth the decreasing purchasing power of the consumer dollar.

INTERNATIONAL MATTERS

THE AMERICAN KENNEL CLUB

The Board noted a letter from the Executive Vice-President of The American Kennel Club giving assurance that The American Kennel Club would move ahead promptly on the proposed new arrangements regarding Canadian show judges.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

CANADIAN NATIONAL LIVE STOCK RECORDS

The Board authorized the Secretary to take up with the Director of Canadian National Live Stock Records, alternative proposals regarding acknowledgments of applications and fees received at the Records office.

BREED STANDARDS

The Board instructed the Secretary as to further correspondence with the International Samoyed Society in respect of its distribution of the C.K.C. standard for the Samoyed and a statement with regard to a particular dog purported to illustrate the standard of the breed.

REGISTRATION COMMITTEE

The Secretary was instructed to communicate with the Chief Registration Officer with regard to an intended prosecution of a person alleged to have forged a signature on an application for registration of litter form.

KENNEL NAMES

The Board noted the opinion of the Club's solicitor that the By-laws may be amended to require the periodic payment of a maintenance fee to maintain registration of a kennel name.

COMPLAINTS, CHARGES AND PROTESTS

SPECIFIC CASES

After considering a report received from the Complaints Committee the Board:

(1) instructed the Secretary to secure an explanation from a judge at a licensed field trial regarding his alleged conduct and remarks to another officiating judge at the trial;

(2) referred to the Registration Committee for consideration, a complaint of a buyer that he had not been able to secure a certificate of registration;

(3) referred to the Registration Committee for consideration, four complaints, regarding the possibility of issuing certificates to the four complainants, whose complaints had led to the previous expulsion of the defendant.

INTERNAL AND ADMINISTRATION

STAFF

The Board noted the Secretary's report on the salary increases which he had authorized in accordance with authority given by the Board at its semi-annual meeting, and of fringe benefits which he had arranged for most members of the staff in the way of Ontario Hospital Services and group life insurance.

ELECTION POLICIES AND PROCEDURES

The Board endorsed the Secretary's action in arranging for a member in the Yukon to have the opportunity of voting on the offices of President, Vice-President, and Second Vice-President.

MEMBERSHIP MATTERS

APPLICATIONS FOR MEMBERSHIP

The Board approved applicants listed on six lists of applications mailed to all members of the Board.

The application for membership of one person was rejected.

DOG SHOWS

JUDGES

The Board referred to its annual meeting in February, letters from two residents of the United States wishing to establish eligibility to judge at championship shows held under our rules.

DATES

The Board noted the Secretary's report that he had asked the Dominion German Shepherd Dog Club to select another date for its proposed specialty championship show, and the date of June 30, 1968 had been granted to that Club.

The Board considered the appeal of the Barrie Kennel Club that it be permitted to hold three championship shows on consecutive dates in August of 1968, and decided that in view of the policy set by the Board at its semi-annual meeting in 1967, not more than two consecutive dates would be granted to the Barrie Kennel Club.

The Board endorsed the Secretary's proposal that when new applications for priority rights are received (including applications for obedience trials and field trials) notice of such applications would first be published in "Dogs in Canada" before such applications are referred to the Board.

OBEDIENCE TRIALS

JUDGES

The Board approved the recommendation of the Obedience Council that Mrs. Lorna Redman and Mrs. Adrienne Lightbourn, both of Bermuda, and both having previously passed the customary examinations to establish eligibility to judge all official obedience classes, be placed on the list of persons eligible to judge all official classes at one licensed obedience trial in Canada, after which a final decision would be made on their applications.

DATES

CANCELLATIONS

The Board did not uphold the appeal of the owner of a dog which had earned qualifying scores in the Novice "A" Classes in August, the dog having completed its C.D. degree in the United States in 1966.

GOOD AND WELFARE

LICENSING OF DOGS AND KENNELS

The Board noted a report from the Club's solicitor to the effect that a member of the Club had obtained from the Supreme Court a Mandamus directing the Clerk of the Township in which the member operated a kennel, to issue a kennel license to the member. However, the Township had taken steps to appeal the Mandamus order.

NATIONAL DOG OF CANADA

The Board considered a letter received from the Newfoundland Club of Canada, which letter requested the support of The Canadian Kennel Club in efforts to have Parliament declare the Newfoundland the national dog of Canada. The Board agreed that more research and discussion should take place before The Canadian Kennel Club decided whether to take a position in the matter.
