LICENSED OBEDIENCE TRIALS

Northern Alberta Canine Association - April 3-4, 1971; April 1-2, 1972.

CHAMPIONSHIP SHOWS

Northern Alberta Canine Association - Same dates as for obedience above.

IMPORTANT NOTICE

SUBJECT: Registration of imported dogs

On March 3rd, 1969, the following addition to the By-laws of The Canadian Kennel Club received the approval of the Minister of Agriculture for Canada and became effective on that date:

If an imported dog was part of a single shipment which included two or more dogs of the same breed and sex, then notwithstanding the provisions of these By-laws the dogs included in the shipment are not eligible for registration in the Club's records unless:

- (1) before each dog was exported to Canada it was tattoo marked in accordance with the provisions of Article XXVII of these By-laws;
- (2) the record of such tattoo markings appears on the certificate of registration (or export certificate) issued by a recognized Kennel Club or Stud Book in the country from which the dogs were exported to Canada;
- (3) each dog in the shipment was accompanied by its certificate of registration or export certificate.

(Continued from page 70)

11. D. 6. ENTRY FORMS

SUBJECT:

- (1) A proposed new entry form which had been submitted by Dog Show Associates for the consideration of the Board;
- (2) The Secretary's report that a copy of the entry form and explanatory information had been sent to all members of the Board;
- (3) The Secretary read comments received from Mrs. Diamond (dated November 12th) and Mrs. Wall (dated November 24th).

Dr. Walker reported that Mr. Mountney, Secretary of Dog Show Associates, was prepared to submit a further proposal on a new entry form.

Moved by Mrs. Diamond, seconded by Mr. Blyth:

"THAT, this be referred to the annual meeting of the Board, and in the meantime Mr. Mountney be notified that he may submit an amended form."

FOR THE MOTION: All present except Mr. Brown (absent), Mr. Jacob (absent), Mr. MacCallum (absent), Mrs. Pugh (absent). Motion carried.

ADJOURNMENT

At 10:15 p.m. the Board considered the advisability of completing the business on the agenda rather than leave the unfinished business to the next regular meeting of the Board.

Moved by Mr. Blyth, seconded by Mr. Carter:

"THAT, this meeting of the Board adjourn, to reconvene in the same place on Thursday, December 11, 1969, at 10:00 a.m."

FOR THE MOTION: Mr. Blyth, Mr. Carter, Mrs. Mack, Mr. Mehlenbacher, Dr. Walker.

ABSENT: Mr. Ashcroft, Mr. Brown, Mrs. Diamond, Mr. Duff, Mr. Jacob, Mr. MacCallum, Mrs. Pugh. Motion carried.

NOTICE

The following person, having complied with the requirements of The Canadian Kennel Club, is eligible to judge at licensed obedience trials held under C.K.C. Rules, the Classes listed after her name:

BELFIT, Mrs. Leslie, 1891 San Juan Ave., Victoria, B.C.
Novice, Open, Utility.

The following persons, having passed written and oral examinations conducted by The Canadian Kennel Club pursuant to the provisions of Chapter 7 of the Dog Show Rules, are eligible to judge at ONE championship show held under C.K.C. Rules, the breeds or groups listed after their names:

- ANDERSON, Lcdr. D. G., 423 Quayle Rd., R.R. #3, Victoria, B.C.
Retrievers: Chesapeake Bay, Golden; Setters: Gordon;
Spaniels: American Water, Brittany, Clumber, English Springer,
Field, Irish Water, Sussex.
- DORSEY, Robert, Lower Base Line, R.R. #4, Milton, Ont.
Bulldogs.
- GARRETT, Gordon, Buttonville, Ont.
All breeds in Group 6.
- KENNY, Mrs. Evelyn, 3321 Centre "A" St. N.E., Calgary, Alta.
All breeds in Group 4.
- PHILLIPS, Robert N., 1037 Shaw St., Toronto 4, Ont.
Bulldogs, Great Danes, Great Pyrenees, Newfoundlanders,
Old English Mastiffs, St. Bernards.
- POSTGATE, Mrs. Marion M., 5410 Elm St., Vancouver 13, B.C.
All breeds in Group 5.
- RANKINE, Robert N., 4792 Cedarcrest Ave., North Vancouver, B.C.
All breeds in Group 5.

The following persons, having fulfilled all the requirements of Chapter 7 of the C.K.C. Dog Show Rules, are now eligible for approval to judge at championship shows held under C.K.C. Rules, the breeds or groups listed after their names:

- DAVIS, Donald H., R.R. #2, Claremont, Ont.
St. Bernards.
- DIAMOND, Irving, 17577 St. Mary's Road, Town of Kirkland, Que.
All breeds in Group 6 & Toy Poodles.
- EWART, D. Wayne, Lorneville, N.B.
German Shepherd Dogs.
- PERRY, Freeman J., 87 Courtenay Ave., East Saint John, N.B.
All breeds in Group 2.

- (12) reported that the Registration Division is temporarily housed at the Dixie Plaza; however, the Division would soon be moved to 41 Eva Road in premises now occupied by Grace Computer Services;
- (13) reported that there are 26 employees now in the Registration Division; however, the total would be reduced to 6 or 7 employees as soon as the work had been brought up to date.
- (14) stated that no facilities had been provided to deal with visitors to the Registration Division, it being felt that local breeders should have no advantage over breeders whose geographic location is such as to necessitate their dealing with the Registration Division by mail.

Moved by Mr. Ashcroft, seconded by Mrs. Mack:
"THAT, the report of the Chairman of the Project CANDOR Committee be received."

FOR THE MOTION: All present. Motion carried.

Moved by Dr. Walker, seconded by Mr. Ashcroft:

"THAT, our Secretary-Treasurer be instructed to seek an arrangement with our bank that will eliminate the payment of exchange on cheques received."

FOR THE MOTION: All present. Motion carried.

Moved by Mr. Carter, seconded by Mr. Ashcroft:

"THAT, until such time as the Project CANDOR becomes fully operational, or until such other time as the Board may decide, the Registrar will be responsible to the Project Manager."

FOR THE MOTION: All present except Mrs. Diamond (absent), Mr. Duff (absent), Mr. MacCallum (absent), Mrs. Mack (absent), Mrs. Pugh (absent). Motion carried.

SUBJECT: The letter (previously presented) from Mr. A. M. W. Samuels. Moved by Dr. Walker, seconded by Mr. Jacob:

"THAT, this letter be referred to Mr. Gale for a reply."

FOR THE MOTION: All present except Mrs. Diamond (absent), Mr. MacCallum (absent), Mrs. Mack (absent), Mrs. Pugh (absent). Motion carried.

7 R 25. REGISTRATION COMMITTEE

SUBJECT: A letter (dated October 8th) from C. F. Mack, Calgary, requesting that the name of the Keeshond registered as MACK KEES-IE KEES-IE (787734), registered on March 31, 1969, be amended to MACK KEE-KEE.

The Board noted that the Club's By-laws provide that the name of a registered dog cannot be altered after the expiration of 60 days from the date on which the Club registered the dog.

Moved by Mr. Brown, seconded by Mr. Jacob:

"THAT, no action be taken."

FOR THE MOTION: All present except Mr. Ashcroft (absent), Mr. MacCallum (absent), Mrs. Mack (absent), Dr. Walker (absent). Motion carried.

7 R 70. BREED IMPROVEMENT

SUBJECT:

(1) The action taken by the Board at its last meeting (resolution #498-69) with regard to cancellation of non-breeding agreement on a female Doberman Pinscher owned by Mr. Gaston Nolin.

(2) Applications for cancellation of non-breeding agreements on dogs used for breeding purposes by Rudolf Schreiber, Toronto, Ont., and Andre Dupont, Hull, Que.

(3) A letter (dated November 25th) from the Club's solicitor whose opinion had been sought as understood at the last meeting of the Board (page 285 in minutes).

During a discussion which followed:

(1) the Board considered the opinion received from the Club's solicitor;

(2) the Board agreed that when the non-breeding agreement forms are revised a section should be included making it clear that payment of damages for violation of the agreement does not cancel the non-breeding agreement on file; and the agreement must make it clear that cancellation of the non-breeding agreement is not retroactive in connection with the registration of progeny resulting from any use of the dog for breeding purposes while the agreement was in effect;

(3) it was agreed that the Secretary would prepare, and present to the next annual meeting of the Board, proposed amendments to the Club's By-laws along the lines indicated by (2) above.

Moved by Mrs. Diamond, seconded by Mrs. Pugh:

"THAT, the Schreiber and Dupont applications be processed."

FOR THE MOTION: All present except Mr. Ashcroft (absent), Mr. Blyth (absent), Mr. MacCallum (absent), Mrs. Mack (absent). Motion carried.

7 R 41. IDENTIFICATION

SUBJECT: Mr. Duff reported that he had received a letter from a veterinarian in his area seeking guidance on what should be done when the veterinarian is asked to place tattoo markings on a dog for which a certificate of registration has been issued.

The question was referred to the next annual meeting of the Board for consideration.

— Dinner recess

— The meeting resumed with Mr. Mehlenbacher in the Chair, and the following members of the Board present: Mr. Ashcroft, Mr. Blyth, Mr. Carter, Mrs. Diamond, Mr. Duff, Mrs. Mack, Dr. Walker.

9 A 14. REPORT OF EXECUTIVE MANAGER

REPORT: The Secretary reported that Mr. Adams had informed him of his wish to be relieved of all his duties at the end of January next. The matter of finding a suitable replacement for Mr. Adams was left in the hands of the Executive Manager.

SUBJECT: The Secretary sought and obtained authorization to dispose of four old Underwood typewriters (manual type) all of which had been fully depreciated more than ten years previously.

9 A 31. MEETINGS OF THE BOARD

SUBJECT: The Secretary sought an instruction with regard to calling the next regular meeting of the Board.

It was agreed that a regular meeting of the Board would not be held in December.

10 MM 2. APPLICATIONS FOR MEMBERSHIP

SUBJECT: The Secretary sought approval of applications for membership reported to the Board on list #51.

Moved by Mrs. Diamond, seconded by Mr. Ashcroft:

"THAT, applications for membership reported on list #51 be admitted to membership."

FOR THE MOTION: All present except Mr. Brown (absent), Mr. Jacob (absent), Mr. MacCallum (absent), Mrs. Mack (absent), Mr. Mehlenbacher (absent), Mrs. Pugh (absent). Motion carried.

The Secretary was instructed to place on the agenda of the annual meeting of the Board the question of whether the By-laws of the Club should be amended by deleting any provision for non-resident members.

SUBJECT: The request (reported on list #54) of Mrs. Maurice Mullaney, Regina, Sask., that membership in her name be changed to a membership in the name of Mr. & Mrs. Maurice Mullaney, with Mr. Mullaney as authorized representative.

It was agreed that this change is permissible, provided however that Mrs. Mullaney remains an authorized representative, or that the membership remains as an associate membership for three years (starting in 1969) before becoming eligible for ordinary membership.

10 MM 30. MISCELLANEOUS MEMBERSHIP MATTERS

SUBJECT: The Secretary:

(1) reported that when the Board ordered placed before the voting members of the Club, in the special referendum ballot conducted in August, proposed amendments #2, #3, and #4, it was intended that an associate member for three consecutive years could become an ordinary member by paying the ordinary membership fee and without the necessity of applying for ordinary membership;

(2) pointed out that the members had approved proposed amendments #2 and #3 (and for these Ministerial approval had been sought), but had rejected proposed amendment #4, with the result that Section 6 (1) of Article VII of the Club's By-laws would continue to include a reference to application for ordinary membership;

(3) suggested that in the event Ministerial approval is granted proposed amendments #2 and #3, the Board could remove confliction by interpreting the By-laws to the effect that an application for ordinary membership is not required when an associate member establishes eligibility to become an ordinary member.

Moved by Dr. Walker, seconded by Mr. Blyth:

"THAT, in the event Ministerial approval is granted to proposed amendments #2 and #3 which appeared in the special referendum ballot conducted this year, an application for ordinary membership will not be required in connection with any person who otherwise is eligible to become an ordinary member in 1970."

FOR THE MOTION: All present except Mr. Brown (absent), Mr. Jacob (absent), Mr. MacCallum (absent), Mrs. Pugh (absent). Motion carried.

REPORT: The Secretary reported that:

(1) it had been the practice for many years to delete from the list of voting members the name of any member when reliable information had been received of that member's death;

(2) as a result of an inquiry received from the executor of the estate of a deceased member he had consulted the Club's solicitor, who was of the opinion that the voting list should not include the name of any deceased member or the name of any estate carrying on membership pending dissolution of the estate;

(3) he had been governed by the advice received from the Club's solicitor. The Board endorsed the action taken by the Secretary.

11 D 1. JUDGES

SUBJECT: A letter (dated October 29th) from the President of the Vancouver Junior Kennel Club expressing its concern on the Board's decision to discontinue the written and oral examinations system employed for some years to establish eligibility of those wishing to judge one or more breeds at championship shows.

It was agreed that the Secretary would reply to the letter to the effect that:

(1) regardless of any system to establish eligibility to judge, a person wishing to judge can only obtain an assignment if a show-giving club is willing to engage him;

(2) it was the Board's feeling that a person should not undertake to become a judge unless he has the background experience and knowledge obtained after at least ten years of activity in the field of pure-bred dogs.

SUBJECT: An application for a judging permit to judge Group 1 submitted by Mr. Mehlenbacher, and the Secretary's report that as Mr. Mehlenbacher is Chairman of the Chapter 7 Committee responsible for processing such applications, he preferred that the Board decide by whom the application would be processed.

Moved by Mrs. Mack, seconded by Dr. Walker:

"THAT, Mr. Blyth be appointed Chairman of a special committee with power to add, to determine whether the application for a judge's permit will be granted."

FOR THE MOTION: All present except Mr. Blyth (absent), Mr. Brown (absent), Mr. Jacob (absent), Mr. MacCallum (absent), Mr. Mehlenbacher (absent), Mrs. Pugh (absent). Motion carried.

The Secretary was instructed to provide each member of the Board with a copy of the procedure, as revised at the semi-annual meeting of the Board, on the processing of applications for judging permits.

11 D 4. DISQUALIFICATIONS

REPORT: The Secretary reported that:

(1) Mrs. Edna Joel, judge of Standard Poodles at the championship show held by the Burlington Kennel and Obedience Club on September 27th, had not indicated whether any award had been made to Catalogue #520, although by telephone, he had been informed by Mrs. Joel that she had excused the dog;

(2) Mr. Adams had informed him that he had been told that the dog had been disqualified although no report of disqualification form had been received with the returns of the show.

The Secretary was instructed to forward the judge's book to Mrs. Joel and ask that she complete it with regard to dog #520 and then return it to the Secretary.

SUBJECT: The application of Miss Karen Wright, Agincourt, Ont. for the reinstatement of her Lhasa Apso BALRENE'S DZA CHU which had been disqualified, the application having been accompanied by the required statements of two veterinarians.

Moved by Mr. Ashcroft, seconded by Mr. Blyth:

"THAT, the dog be reinstated."

FOR THE MOTION: All present except Mr. Brown (absent), Mr. Jacob (absent), Mr. MacCallum (absent), Mrs. Pugh (absent). Motion carried.

SUBJECT: The Secretary read a letter (dated September 29th) from M. G. Hill, Laval, P.Q., who inquired whether a dog, on which a debarking operation had been performed in New Zealand, is eligible for entry at a championship show held under C.K.C. rules.

It was agreed that the Dog Show Rules do not prohibit the entry of such a dog, but it is eligible for entry at licensed obedience trials held under the Club's rules.

- Services confirming discussions between the Committee and GCS wherein it was agreed "that CKC will bill GCS for any excess costs in processing transactions caused by the delay in bringing the computer system into full operation; this arrangement to be effective November 1, 1969, and to continue until the computer system is fully operational";
- (8) recommended that the Secretary be authorized to discuss with the Manager of the Bank of Montreal the possibility of all cheques being accepted at Toronto at par;

- (9) tabled a report showing funds received and deposited by the Registration Division to be \$17,604.31 for the period October 27th to November 21st;
- (10) tabled a report showing the forecast, previously presented, of costs to the end of November, 1969, and the actual breakdown of expenses paid to the end of November;
- (11) tabled a proposed new application for registration form for dogs not born in Canada (a discussion followed and various suggestions were made for the consideration of the Committee);

By order of the Board of Directors,
N. F. BROWN,
Secretary-Treasurer.

Bermuda Show

from page 14

hard work of Mr. and Mrs. James Kyme. Mrs. Kyme, as Show Chairman, made certain everyone enjoyed their week's stay in Bermuda. Another person who seemed to be going out of her way all the time on behalf of the comfort of the exhibitors was Mrs. John McAteer. . . There is no doubt that the club will have to figure out ways and means of limiting the number of dogs for acceptance at future shows, as with the publicity these last events have received added entries will be the result."

Judge Dangerfield, celebrated British dog expert, noted for his lengthy experience and journalistically, for his sharp pen, commented: "The standard has been extremely high and I have greatly enjoyed coming here. The island looks lovely — I hope that I can now get time to see some of it." He did, and so did Mrs. Dangerfield on their week's post-show vacation.

In the Obedience Trials, Poodles added fame to their name. Two silver Miniatures, Haze's Silver Simon and Jade Hope's Grey Haze, owned and trained by Mr. and Mrs. Theodore Kiebler of Clinton, Mich., attained 199½ points out of the possible 200, thus becoming the Highest Scoring Visitor's Dogs on two days of the shows. Equalling their virtually perfect score on another day was the Bermuda owned and trained Golden Retriever, Ch. Rusticana Santa's Caddy, owned by Mrs. Inez Voisey. Mrs. Voisey and her Golden are well-known in Obedience circles. □

BREED

NOTES

Breed Notes are necessarily brief this month due to heavy feature editorial commitments. Material scheduled for appearance this month will be published in the February issue.

American Cocker Notes

As the saying goes "with a little bit of luck" and a lot of support, this section will become a monthly regular. It is designed to keep Cocker fanciers across Canada in touch with their fellow breeders both here and abroad.

Congratulations to Ch. Dennyabar's Dry Martini on the completion of his American title. This makes the fourth Canadian owned Cocker to finish south of the border this year. We also hear that Marg and Dennis Mountney are having a very good year with their Dankrist I'm A Tiger, needing only a couple of singles to finish, while his litter brother Dankrist's Torchlight Parade just nabbed a nice 5 point major — both from the puppy classes!

A late phone call from Agnes Testor to tell of the wins of Val-Har's Junior Miss who finished her American title in five weeks with two back-to-back 5 point wins and a 4 and 2 point win. She is owned and shown by Mike Kinschular.

June will see Eastern Ontario's second Cocker Specialty as the Golden Triangle CSC hold their first Specialty show. Final arrangements have just about been completed for June 7 and we'll be looking for you.

English Cocker Spaniels

All you "Englishers" must by now be in possession of Sylvia Crawley's letter re the Golden Triangle Club and I hope everyone of you gave it prompt and positive attention. The joining of forces with the "Americans" is our only hope of ever having a Specialty here in the East and I am certain you are as eager as I am to make this come true.

I had a long letter from Patricia Detmold of English Setter fame, formerly Ontario, now New Jersey and am delighted to report that she has gone back into English Cockers, which I think go beautifully with the English Setters. Patricia showed EC's years ago and some of you will remember her lovely blue-roan, Ch. Glencora Blue Mink. At a recent Puppy Match in New Jersey where the total entry numbered 501 dogs (eight EC's) a great granddaughter of "Mink" won BB, the Puppy Sporting Group, and was Reserve to the BIS. Patricia is offering a trophy for our Specialty. Congratulations, Pat, and thank you. Congratulations also to young Mr. Goodman, Louise's son, who was Fourth in the

Ontario finals for Junior Handlers, showing Merry Nook Moonlight Sonata, his mother's blue-roan bitch.

With the 1969 dog shows over we can relax and enjoy this season, which has its charm, although I admit at times it's hard to see. However, the dogs adore the snow and love to lie by the fire after a winter walk, snoring and dreaming. Our thoughts are with those who were here last year and now are missing, but cannot be forgotten. I wish all Cockers and their owners contentment for now and the new decade.

Basenji Racing at The Canadian Specialty

The one-day racing "season" was held in conjunction with the Greenwood KC Show October 12, at the Greenwood Raceway, Toronto. The facilities were excellent, thanks to the generosity of the Afghan Hound Club of Canada.

Considering we were using show dogs not trained to wear muzzles or to be put into a starting box, or indeed to chase a fur lure, the racing was a success. Add to this the disadvantage of having very few volunteers to help, none of whom had the needed experience, and those who did help out had been in the regular show and our 2nd Canadian Specialty Show from 8.30 a.m. to 3.30 p.m.

We arranged the entries into three main classes — Puppies, Adult Bitches and Dogs and we started with the puppies. Now, the idea is that you muzzle your dog, put him (or her) in the rear of the starting box and walk round to the front. You then attract their attention through the wire covered gate, and proceed to run down the track yourself. Your dog then sees you running away from him and in theory will either chase after you or the lure.

Unfortunately, the timing on the first heat was way out and the puppies shot out of the starting box and came a full stop three yards from the start. This was considered a false start, and we decided to run the heat again and by a process of elimination, cajoling, and by almost chasing one puppy, we managed to get "Zuki" across the line as the winner of the Puppy Class.

By the time the females were muzzled and in the starting boxes, the helpers were beginning to get warmed up and also were getting their timing better. The main problem was getting the timing of starting the fur lure just a fraction before the gate was opened.

As we started to race the adult females we were in the swing. The winner of this class was Diane Vieira's Ch. Xalmes Beatrice.

We all know that a Basenji's tail should be tightly curled but when running flat out the tail straightens out, giving a very low, sleek look, with ears flat on the head. When racing, a Basenji looks completely different from his normal self.

The Winners Male was our own Ch. Soloyamba of Niagara. Some of you may remember his win last year and so, at the present time, he remains undefeated.

One part of the racing that didn't get off the ground was the challenge that was given by an owner of a Greyhound. After the write-up of last year's racing, a breeder of Greyhounds publicly challenged our "Solo" to a match race. We wrote accepting the challenge and agreed to the time and place but unfortunately the challenger did not turn up.

Although I do not advocate the breeding of a racing strain of Basenji and getting into racing on a professional standpoint, I feel sure we all enjoyed ourselves that day and the dogs had a really good run!

Basset Hound Notes

I recently spent three weeks in Britain, where I had a most interesting time visiting leading kennels, judging a Basset entry of 78 at Edinburgh Championship Show, being guest of honor at the Basset Hound Club of Scotland Dinner, and giving two talks on the British and American breed Standards to the Scottish Club and later the BHC of Great Britain.

I took with me a plentiful supply of photographs of the leading North American winners, and consequently a lively discussion followed wherever I went.

While many people on this side of the Atlantic believe the British Basset to be light and leggy and plain of face, the British fancier is convinced that the American counterpart is purely ornamental, and much too heavy and low to ground to serve the purpose for which he was intended.

My photographs raised quite a few eyebrows as it was all too obvious that the best of both worlds could compete successfully together. Mrs. Seiffert, Honorary Secretary of the BHC of Great Britain which has a membership of almost 2,000, summed it up in a nutshell. When asked if the American Show Basset could hunt, she replied "The breed Standard of both countries states that the Basset should be equipped to follow a trail over and through difficult terrain. If it is unable to do so, it is the fault of the breeder, not the hound."

Norwegian Elkhound Import

Imported to Canada from the internationally famous Crafdal Farms is Crafdal Tryg N Thors Lock ex Tryg N Thors Day Av Grove Hill ex Ch. (Can. & Am.) Crafdal Trygs Virla. "His maternal grandsire is Trygvie Vikingsson, the all-time top winning Elkhound, No. 1 in Top Ten Elkhounds for three successive years, the first Elkhound ever in the Top Ten Hounds, recently rated No. 1 Top Elkhound Sire, No. 2 All-Hound Group Sire and No. 3 All Breeds Sire by *Popular Dogs*," states his new owner.

"Viking" as he is called, is co-owned by Dr. C. F. Palmer, Burlington, Ont., and Mrs. Glenna Clark Crafts of Stow, Ohio.

Show Young Bullmastiff

Ch. (subj. to conf.) Bullhaven's Clairvoyant, owned, bred and handled by Claire and Robert Dorsey, Bullhaven Kennels Reg'd. of Milton, Ont., took BW in an entry of 32 with 22 class dogs at Philadelphia, Pa., December 6. Judge was Rick Davis, a well-known Bullmastiff breeder. This was her second American major in two shows. She is not yet two years old.

Collie and Sheltie Notes

There is no other time of the year like this, a new beginning, a clean sheet on which to leave your best mark; a time to look forward and a time to reflect the past.

Our breeds have come a long way and we must not lose the refinement and classic elegance that has been attained. There are, however, pitfalls that already are a serious problem in our breed, that must be met intelligently in the matings we are planning.

After viewing many good dogs on recent judging assignments in Detroit, Philadelphia and Camden, N.J., some faults crop up so consistently that they cannot be overlooked in seriousness. So many of the Shelties have achieved the ultimate in head quality, correct eye and expression that it is devastating to note that almost as many are absolutely terrible in front. The poorly constructed shoulder resulting in high loose action completely destroys the overall picture of this small working dog. Still with us to some degree are the rounded skulls and round, light eyes, also tails that are shorter than adequate.

Collies have not kept the head quality that was achieved a few years ago. Bodies are better, also length of neck, giving a more pleasing overall appearance. Unfortunately, the desire to build a better muzzle has brought a multitude of problems. Instead of the Collie scissors bite, the stronger under-jaw is now producing many undershot Collies or level bites. This is foreign to the breed. The Standard says "overshot or undershot jaws are undesirable, the latter being more severely penalized". The concentration on a better muzzle has brought about the receding skull. This is so important to the Collie

hounds

IMPORTANT

NOTICE

It has been brought to our attention on several occasions that copies of DOGS IN CANADA have not been received as early as they should have.

Despite the fact that your publishers exert every effort to print and mail the issues in good time, we have absolutely no control once they are out of our hands and in the hands of the post office, over the time of arrival.

because without a flat skull there can be no correct eye placement and consequently no "Collie expression". Our Standard guides us to the importance of head characteristics, saying "prominent head faults are very severely penalized".

The importance of the Collie head has been best summed up by one of the greatest Collie breeders and judges, the late Edwin Pickhardt. Whenever someone started the old debate, quality versus soundness, his answer was "Give me head, eye, ear and expression — the rest I can get from mutts." Although he desired soundness in breeding stock or in the show ring, he felt the breeders should choose their stock for the quality up front, the hard-to-get features, there was no excuse for missing the easy things behind the head.

Mr. Pickhardt has left the breed a proud heritage in the name Sterling.

If to be forewarned is to be forearmed, perhaps we can avoid these widespread trends from affecting our Collies and Shelties.

NEWSY NOTES

From Campbellville, Ont.

Mrs. Vincent Scott (Glenmargo) writes a most newsy letter about the doings at Glenmargo. A blue merle Collie bitch has been imported from Ohio. She is sired by Am. Ch. Wickmere War Dance and if Mrs. Scott is showing Shelties with short tails this year we are to blame it on a playful new Collie.

From Ottawa, Ont.

Mr. Gerald Tasse (Scarlet Hill) sends an interesting note that Sheltie Norndale Black Iona is the dam of three Obedience title holders. All three were owner-trained and all three were by different sires.

Also new at Scarlet Hill is a Collie male import, River Ode's Snow o'Scarlett Hill, who is basically Cherrivale and Parader breeding.

Not much news this month — must all be busy with the holiday season.

A happy and successful new year to you all.

— Mrs. Ariel Sleeth
R.R. 6, Kingston, Ont.

Let's Talk About Terriers

Talk about news, news and more news. Last month I thought you'd all gone into hibernation, but I couldn't have been more wrong.

AIREDALES

First to Airedales and a letter from Mary Curran at the Sault telling us that her Eng. Imp. Bowhousen Gloriana is now a Canadian and American Champion. "Gaye" started her show career in Detroit, March, 1969 and finished her titles in both countries by June 15, 1969. I tell you, Mary, when you do it, you do it up brown!

Next to Mrs. Hilary Dude, Balacadia Airedales. She says, "We had a terrific win at the Hamilton Sanction Match where our Major's Warrior of Balacadia took the Terrier Group at the age of four months. He was bred by us and

is owned by Carole and Allan Preece of Centralia, Ont."

Golly, that's a lovely win at that tender age!

Mrs. Dude then goes on to say, "I represent a very active and interested group of Airedale people who are anxious to start an Airedale Club of Canada and I would like to hear from all the folks across Canada who would be interested in joining. Would you please write me: Mrs. Hilary Dude, R.R. #3, Listowel, Ont. I feel that an Airedale Club would be great in Canada and would be of benefit to all who love the 'King' of Terriers."

I hope you have loads of replies, Mrs. Dude. I think Breed Clubs are a great idea. Now as to the "King" of Terriers title, I'm afraid I have to disagree — the Airedale may be so in size, but don't forget he's got 20 smaller brothers who have it in "Heart"!

Still with the "King" and a note from Bob Duguid. "I hear by the 'rumor route' that the 'Duguids' have given up showing. Just to set everyone straight I thought I would give you our record in the U.S. this year, this is with just one dog being campaigned and only one daughter left to handle: 11 BB; two Group 2nds; one Group 4th; two BOS; one BW. Add to this 12 Junior showmanship firsts, including four Best Handler At Show awards and here you have the record of our Ch. (Can. & Am.) Navaho Ruffian and Cathie, age 12, both of whom will be at the Winter Specialty and the Gardens. The only show Debbie and Ch. (Can., Am. & Bda.) Navaho Shawn attended this year was Detroit KC where Debbie won Best Handler for the fifth year in a row and thereafter retired at the ripe old age of 16. As you can see, I'm rapidly running out of handlers!

"Last week we introduced our five-month-old Navaho Indian Puddin' to the ring at the Scottish Terrier Sanction Match where he was BB, 2nd in Group and BCB in Group. So you see, we haven't given up yet!"

And I hope you never do, Bob. Don't forget all those grandchildren you can look forward to.

Next to a letter from the Worthingtons, Kerworth Airedales. Mrs. Worthington writes that they attended the Brockville Sanction Match where one of their five-month-old puppies took BB and Group 1st. She goes on to say, "She appears to be a born showman and we just hope that she doesn't lose this confidence as she grows older. By the way, the winning certainly made the trip worthwhile as we ran out of gas 13 miles from a service station and you know what it's like trying to buy gas on a Sunday morning in Ontario!"

Yes, I surely do — it's next to impossible.

She continues, "We've been using the ascorbic acid since we read about it and have had excellent success. We also received a tip from Kay McFarlane some time back. This was to add apple cider vinegar and honey to the dog's meat. This acts as a tonic and is

also supposed to increase fertility — it surely must have worked for us as we've had two litters of ten each this year."

That's one tip I think I'll skip — I need ten Welsh puppies like I need a hole in the head. And it's not impossible — just recently a litter of ten Welsh were born in California. Talk about a shock!

By the way, you Airedale people should have a ball this year with all those Group placement puppies coming up. I'll be looking for you all at the Spring shows.

AUSTRALIAN TERRIERS

On now to Aussies and a letter from the Hendersons, Grem Lyn Reg'd. They write, "Haven't been able to send on much 'Aussie' news lately as everything nice that has happened to us has happened in Canada. However, we would like to tell you our Bermuda story (incidentally, it has taken us over a week to recover from the usual wonderful, but hectic Bermuda trip). With a 4 point major up her sleeve from the '68 shows (when she was just seven months) our Ch. Grem Lyn's Just Mary finished her Bermuda title with a flourish — BB and Group 3rd."

"We were also more than proud of Ch. Grem Lyn's Dingo, owned by Mr. and Mrs. R. J. Miller, who earned his Bermudian championship with BB at three of the shows."

"Also distinguishing herself was the 9½ months old puppy, Grem Lyn's Boomerang, also owned by the Millers. She picked up eight points toward her title and placed Best Puppy in two strong Terrier groups. To sum it up, Australian Terriers, although the smallest members of the Terrier Group, are making their presence felt and are gaining more and more recognition."

Congratulations Isobel and Dick, you must be terribly proud of your dogs!

BULL TERRIERS

Now to Bull Terriers and Gail Gordon's marvellous newsletter. This is largely Canadian news this month, but she does mention that Mr. and Mrs. Hyde's import, Doonhamer's Maxmilian, is doing very well in Puppy Sweeps. The Hydies now have an imported bitch, Harper's Hemstick, so we'll have to keep an eye out for her. There are a couple of great "doggy tales" in this month's issue, but as I'm so jammed with news, I'll keep them for next month.

CAIRNS

Next to Cairns and some good news for the McFarlanes. At the Lansing show their Ch. Badenoch's Goldruff Sue took WB to finish her American title and their Badenoch's Fergold's Tibbie was 3rd in Open. I understand that Jim is retiring from Wabasso after 18 years, so I imagine we'll see even more of him in the ring next year.

Still on Cairns and a letter from Grace Richer, Huntsville, Ont. "I just wanted to let you know that my Togo of Cara Mia has now earned his CDX."

Rupert Zwicker
Mahone Bay, Nova Scotia

It took us several trials, mind you, as Togo usually misbehaved on his long sits and downs, but the following are his scores in the four trials he qualified in: Burlington — 196. North York — 192 — Top Scoring Dog in Open. Oshawa — 193½ and 189½ — Top Scoring In Open at both trials.

"A funny thing happened during the 'Long Down' at Oshawa — funny for me, that is, but not quite so for Togo. As I returned to the ring I realized that up to that point Togo was the only dog in the ring to qualify, that is if he didn't move before I got back to him. Just as I arrived on the scene a little male Cairn, who was in the adjoining ring, calmly walked into ours, went over to Togo and lifted his leg on him. And dear Togo remained in his place."

Miss Richer, you must have had a heart attack, as well as a very, very, well trained dog. Somehow I just can't see a Cairn, of all breeds, suffering this indignity!

DANDIE DINMONTS

On now to Dandies and some great news from Mike MacBeth. "We had hoped for 15 entries for our DDTCC Booster show, held in conjunction with the Fall Ottawa shows and we bettered our hopes by one. Sixteen Dandies, a record entry for Canada, competed for the handsome silver trophy. BB went to Linda Bergh's Ch. Horizon's Autumn Haze. The large entry was an encouraging beginning for this enthusiastic young club. Prior to the show the first DDTCC meeting was held and the following officers elected: Linda Bergh, President; Ann MacBeth, Vice-President; Harold and Sue Charter, Secretary and Treasurer; Mike MacBeth, Publicity.

"1969 has certainly seen more and more Dandies of prominence being shown and with the birth of the club it is expected that even more Dandies will grace Canadian shows in '70."

Wonderful news, Mike, keep up the good work!

SMOOTH FOX TERRIERS

Now to Smooths and some news from Knut (Eddie) Egeberg. Somehow, Eddie, it doesn't seem right not to have you in with the Kerry news. "As you will see from the above address (R.R. 1, Maidstone, Ont.,) I have moved. I bought a nice little house in the country and both the dogs and I are enjoying it very much. I had a lovely time with my first judging assignment, but found the Group a most unpleasant task as I had dogs that went unplaced, which certainly deserved to place, but just no more room for them.

"On the showfront I have had very good results with my Ch. Ashgate Crackerjack who took a 5 point major at his first American show and last weekend went on to take the Terrier Group. My bitch, Ladygate Quick-silver also has a 5 point major in the U.S. along with a Group 4th. My other bitch, Foxformee Mimi of Ashgate took a 3 point major at Monroe, Mich."

Well, Eddie, I'm sure you must miss

the Kerries, but you surely aren't wasting any time getting going in the "Smooth" world. Keep the news coming.

KERRY BLUE TERRIERS

Speaking of Kerries, some lovely news from Larry Alberico. "Ted, dogs and I scooted down to the Schenectady and Syracuse shows and what a weekend! We took all the points in both sexes on both days which still seems a little unbelievable and more than a little gratifying.

"At Schenectady Ch. Rollicking Sinner Man took WD, BW and BB, while our Ch. Music's Minuet took WB and BOS.

"At Syracuse Sinner Man took WD, BW and BOS for his second major. Our Ch. Irish Silver's Signature took WB and Music's Minuet was RWB."

Flash: Just received another note from Larry saying that her Ch. (Can. & Am.) Rollicking Peter Patchet finished his Bermudian title taking BB every day and Group 1st at one show — all this with what she terms "Bermuda tummy" — which was solved with the help of medication and club soda. What marvellous news, Larry, you must be awfully pleased.

Heard all about Betty Golby's (Floridian Kerries) trip to Spain and North Africa and it sounded just fabulous. Actually, though I think one of her biggest adventures happened after she arrived home. One day when she was trimming a dog one of her bitches started carrying on wildly. Betty paid no attention for a while, but finally followed Jessie to the basement and found it on fire. But for Jessie, it could have been a pretty disastrous situation.

SCOTTIES

Next to Scotties and more news from the Barlows in Prague. From his letters I've come to the conclusion that dog people are dog people no matter where you find them, but I will say I rather prefer the conditions under which we show, than those in the CSSR. As an example, at the 1968 Prague show, held outdoors, two armed Soviet Helicopters hovered overhead throughout the entire show, as the Russians were suspicious that any gathering was a hotbed of counter-revolutionaries. If only they knew that at any dog show, anywhere, dog people are too busy disliking each other to ever find time for politics!

The Barlow's Roylyn's Robbie of Balmoral, bred by Florence Houston is doing very well in Europe. "In September Robbie won out over all competitors at the International Show in Budapest, taking his third CACIB in the year. Two weeks later he was shown at the International Show in Prague and again won the CACIB, BB and Title "Conqueror of Prague" (Dog of 23 Prague Awards). This show had 23 Scotties competing from the CSSR, Poland, Switzerland, Norway, Austria, Denmark, Hungary and East Germany. There were six CACIB champions competing as well as two champions of the country concerned."

Isn't that terrific for a Canadian

dog! I was also quite fascinated to hear the size of some of these shows — at Brno, CSSR, for example, they had over 5,000 dogs last year.

STAFFORDSHIRES

Back to Gail Gordon a minute, but this time on Staffs. Gail reports, "I'm very proud of my Duchess, The Duchess of Lastin, CD. She finished her CD title in three straight shows, with me limping at her side, as I'd chipped an ankle bone."

Gail, I just think this is out of this world. It must make you feel pretty great to know that you've finished the only CD titles this year in Canada on both a Staff and Bull Terrier.

Still on Staffs and a fascinating letter from Evelyn Mercier of Ottawa. "I am forwarding to you the enclosed news item and photos which I hope you will find interesting for "Dogs". It was indeed my great honor and privilege to attend the premiere accompanied

by my Staffordshire Bull Terrier who carries the title, "Battle of Britain" both in Canada and England. The evening was even more memorable when "Winston" and I were presented to His Excellency the Governor General R. Michener and Mrs. Michener, who were guests of honor.

"I am positive that this must have been the first time a dog has ever attended a premiere, anyway his presence certainly caused considerable interest and favorable comments. Apart from receiving radio, TV and press coverage, both here and in England, the write-up which I had prepared has been forwarded to Her Majesty The Queen, who has her own personal mementoes relating to the Battle of Britain."

The premiere that Mrs. Mercier refers to was of the movie, *Battle of Britain* and as her Staff is the only dog in the world that is registered in this name, both were invited to attend. His full title, by the way, is Ch. Rellim Battle of Britain.

Mrs. Mercier sums it all up by saying, "Having lived in London during the Blitz and having owned a Staff as our family pet for years, it is my opinion that no other breed could more adequately represent the spirit of the Battle of Britain than the eminent Staffordshire Bull Terrier."

Hope you had a great New Year's and that 1970 is the best year yet. Don't forget to get going on those coats for the Sportsmen!

Canada's Biggest Dog Show Bigger And Better Than Ever Before

The 23rd annual Canadian National Sportsmen's Dog Show will be breaking all records in 1970. The reasons for this, according to Hudson Kalloch, Show Superintendent, are many.

The most important one is the move from the Coliseum to the spacious, beautiful Queen Elizabeth Building, in Toronto's Exhibition Park. 63,000 sq. ft. of space will now house the dog shows, which will have approximately 20,000 additional square feet of space.

Another one is that because of the move there will be better facilities for benching, more spacious accommodation and better general conditions for exhibitors and dogs, all of which will result in earlier evening departure; this has long been one of the hopes of exhibitors.

Kalloch anticipates a 10-15% increase of entries. Because of this, available space at the Coliseum proved to be too small to accommodate the growth of the show. The move to the new quarters will also enable show organizers to divide the sixth show into two days: Groups 2, 3, 5 and Obedience shows will be held on Saturday, March 21, and groups 1, 4, 6 and Best in Show and General Specials will be held on Sunday, March 22.

Delighted with the new developments, Hudson Kalloch also points out that the spacious facilities at the Queen Elizabeth Building will give Stoodleigh's a chance to provide better catering and, for the first time since the dog show started, exhibitors and friends will have lounge facilities on the premises.

The move will also mean better access to the grounds and parking lots, and a stage for the presentation of "The Littlest Hobo" will make this a

STANDARDS QUIZZ

Standards Quizz No. 81. Compiled by H. Malcolm Stephens. Object is to match the first set of numbers (which relate to various parts of the dog) with the second set of numbers (which describe that part of the dog). For example: 11 - 1 Bite — scissors. Scoring: 28 - 30 correct — you could be judging. 25 - 27 correct — you should start thinking about judging. 22 - 24 correct — good if you are in another breed. Less than 22 — you must be in another breed. Answers on page 5.

great attraction to all.

Continued growth of dog shows in general and the Canadian National Sportsmen's Dog Show, in particular, is foreseen by Hudson Kalloch. According to him, the biggest percentage of entries is made up of people who enjoy showing dogs, and who have made this their hobby, investing considerable amounts of money in it. The "Man in the Street", according to Kalloch, is now the major exhibitor, whereas in the past this hobby used to be confined to the rich. Today, the greatest number of people exhibiting at dog shows own between 1 - 3 dogs, which they show

approximately three years.

The major attraction at dog shows is the opportunity to see other dogs of the same breed, discuss breeding with other exhibitors, exchange views and opinions and thereby improve the breeds.

The Canadian National Sportsmen's Dog Show attracts approximately one-third of the total entry (in 1969 this was 4,250) from the United States; these exhibitors consider the Toronto show to be the 'Showcase of Dogs in Canada'.

Dates of the dog shows are March 14, 15, 18, 19, 20, 21 and 22. □

HAPPY NEW YEAR TO EVERYONE FROM THE AUSTRALIAN TERRIERS OF YARALLA

Available now: Lovely linebred Blue and Tan puppies whelped Oct. 22, 1969. Sire: Ch. Yaralla's Coora X Australian Import. Dam: Seven Oaks Souther Sun (7 pts. toward Can. Ch.) Enquiries invited. Pictures and pedigrees on request. Prompt replies.

Coora is also the sire of the winning Aussie, CH. YARALLA'S TEASER THE TIGER who stalked off with 6 Group Placings in 1969.

Special New Year Greetings are extended at this time to the Judges who gave TEASER these awards: 3rd in Group, Mr. Derek Rayne, California; 3rd in Group, Mr. Henry Stoecker, New Jersey; 4th in Group, Mrs. Alva McCall, Ontario; and Mr. John Lundberg, Ont., 4th in Group & Best Canadian Bred Terrier in Group, Mr. Maxwell Riddle, Ohio, U.S.A., and Mr. A. M. Fitzgerald, Ontario. Other 1969 highlights: wins in the U.S., including a 5 point major (first time Stateside) under Judge Robert Waters and a 2 point Best of Breed under Judge E. Gamble.

The Australian Terrier Specialty, held at San Rafael, Calif., Sept. 14, saw TEASER and his sire place 1st and 3rd, respectively, in Open Class. TEASER then went on to Reserve Winners under Judge Glen Fancie in a total entry of 17 males.

Calcutta at the Sports Centre Lodge. The next night there was a cocktail party followed by a Smorgasbord, after which there was light entertainment and dancing. A sheet listing all events planned for the week of the National was distributed.

Congratulations to Scotty Gillespie and his little bitch Peggy, who for the third consecutive year is the Top Open Field Trial Dog in Canada, having won 46½ points in 1969 to give her an overall total of 151 points. This total is a new Canadian record, breaking the 149½ point record held by F.T.Ch. Carnmoney Billy Jo owned by the late C. Bjork.

Last Call Backs. Sympathy is extended to the owners of the following dogs who have died in the past few months: Seg-mar Stubblewest Gold Teana, Golden Retriever female owned by Barry Taylor of Beaconsfield, Que. Duxbak Zipper, two-year old black male owned by Al Bishop of Willowdale, Ont. Zipper had to be put down because of a brain tumor. Twin-Pines Golden Night, Golden Retriever male, who was running Junior this year and had to be put down by owner Dave Knight of Toronto, due to advanced bone cancer, and Vancouverite, G. Hollingum's F.T.Ch. Crevamoy's Iron Duke, who died just as he was leaving the line in a September trial. □

dwelled upon, the end result is the same. The typical picture of the fading puppy may or may not happen to apply, as symptoms may occur anytime from birth to weaning, but as these influences continue to be felt, the final result is, for all practical purposes, the same — death in young puppies.

The one postnatal influence which must be taken up here, however, is that involving specific infections in new born puppies.

The role of organisms as a cause of neonatal death is still under extensive study among research people. The mere fact that a particular organism can be isolated from a dead puppy is not necessarily proof that that organism caused the death. However, certain micro-organisms, particularly such bacteria as Hemolytic Streptococci, E. coli, and Brucella canis, certain Protozoa, namely Toxoplasma gondii, and those viruses which we already recognize as implicated, namely infectious canine hepatitis, canine herpesvirus, and canine distemper have been proven to be the cause of death under some circumstances. It is frequently difficult, at best, for the trained pathologist to differentiate among these various caus-

STANDARDS QUIZZ

Standards Quiz No. 82. Compiled by H. Malcolm Stephens. Object is to match the first set of numbers (which relate to various parts of the dog) with the second set of numbers (which describe that part of the dog). For example: 17 - 1 Back — straight. Scoring: 20 - 22 correct — you could be judging. 17 - 19 correct — you should start thinking about judging. 14 - 16 correct — good if you are in another breed. Less than 14 — you must be in another breed. Answers on page 4.

ative agents in the post-mortem specimen, much less differentiate them clinically without extensive laboratory procedures. Therefore it would seem impractical to give specific descriptions of clinical, laboratory and post-mortem findings of each here.

Generally speaking, with the exception, perhaps, of Brucella infections, where the puppies are aborted, puppies which develop most of these infections appear normal enough at birth, weaken, sicken and die, usually within the first 14 days. Some things may be characteristic of certain of these diseases. For example, E. coli often causes a severe hemorrhagic enteritis, which may be evidenced by a severe diarrhea. This particular organism can become a kennel problem, and the stud dogs could be the source of infection. Toxoplasma infection, although sometimes resulting in abortion, is said to cause distension and straining in affected puppies, and death may result

anytime up to ten weeks of age. This infection has been reported only occasionally as a cause of puppy mortality, and is not thought to have a major role in the fading puppy complex. Characteristically, the infectious canine hepatitis virus strikes rapidly, shortly after birth, often with no prior signs of illness. Similarly the canine herpesvirus characteristically causes sudden death, or death after a very brief period of illness, usually less than 24 hours. The herpesvirus may be carried as a mild vaginitis in the bitch, and puppies contract it passing through the birth canal. Characteristic also is the fact that deaths from herpesvirus occur only in puppies less than one month of age, and immunity can be developed. Canine distemper virus causes a variety of clinical pictures, and its significance here is not clear.

Most of these infections may be contracted or carried by the bitch during pregnancy. Sometimes puppies become

infected in utero, or from the milk, or from contact with vaginal discharges, orally, or by way of the umbilical cord.

TREATMENT

More important to us is treatment, if any, for these conditions. Often many of the puppies die too quickly for treatment to be instituted. Certain antibodies can be acquired from the dam from the colostrum during the first 24 hours. But current research shows evidence that it is useless to feed puppies, for the sake of nourishment, during the first 24 hours, as they are unable to absorb the nutrients. It is better not to force-feed at all during that first day unless, if the mother cannot provide immunities by giving them colostrum, a veterinarian can take blood from a healthy bitch, the serum from

which can be given to the puppies by mouth, and will probably be as effective in providing antibodies. If dehydration seems imminent, sugar (Karo) and water will do more good than all the formula you can force feed.

The course of treatment I have found most effective when fading occurs, is that recommended by Kirk of Cornell. This includes Globulon by injection, and tube feeding of a bitch's milk substitute, a few drops of liver juice every eight hours and an appropriate antibiotic (often Chloromycetin palmitate) which may be included in the formula three or four times daily.

TUBE FEEDING

Tube feeding, whether it is used as a supplement in a normal, but large litter, or for weak or sickly puppies, is such a simple and efficient way of providing fluid, nourishment and any necessary medication that I feel it should be used whenever it seems indicated. The passing of the stomach tube, namely a lubricated tube corresponding to #8 or #10 French size urethral catheter, measured to a distance just short of that from the mouth to the last rib, is simple, quick and painless. And with a little practice, there is far less danger of causing inhalation of foreign material than there is when dropping or bottle feeding. A small puppy may take only 7cc or so for the first few feedings, but this is increased as the need is recognized. The chief danger is probably that of overdistending the stomach too rapidly which results in regurgitation. When this occurs one must be sure the puppy doesn't inhale the vomitus. This may be avoided by injecting the formula very slowly until the stomach accommodates it.

These measures, instituted at the first hint of trouble, may save the greatest proportion of the litter. As puppies grow, after surviving the first shock of extrauterine life with all its inherent problems, they become strong and vigorous. They no longer depend upon the maternal instincts of an unpredictable dam. They have no need of external heat sources. They start to develop their own immunities against disease, and become more resistant to the debilitating effects of parasites. Their nutritional needs are more easily met with the use of good commercially prepared dog foods. They become better prepared to withstand the never-ending threats to life and health to which they will inevitably be exposed as they grow to maturity.

CONCLUSION

So in conclusion, not only the veterinarian but the breeders, or anyone owning a whelping bitch, must keep themselves informed of all recent developments coming out of the field of research, as well as the field of practical canine husbandry. We must all be kept aware that we never know enough and we must make every possible effort, in these rapidly changing times, to keep up with progress around us. What better way is there to do this than through seminars just like this? □

PROFILE OF YOUTH

Freeman J. Perry

This is the eighth in a series of brief profiles featuring up-and-coming young people in the dog world.

Readers are invited to send in their nominations for this series. The people they nominate must have shown outstanding ability and sincerity and must be under 30.

Our profile this month is the first subject from the Maritime provinces; namely Saint John, N.B. Freeman's beginning in dogs was prompted some years ago by

marrying into a 'dog-minded' family (his wife, Anne, is a third generation exhibitor in the household). An original and suitable wedding gift was in the form of a Whippet, an English import owned by Cec-Nich Kennels (Mrs. Irene Searle).

After attending shows with his new owner 'Misty' soon became used to the name Ch. Silver Blue Mist. In due time this, naturally, brought on the necessity of purchasing a bitch, registering the kennel name 'Perrywinkle' and attempting to attend all the shows possible. His new bitch, Winterfold's Wisp of Smoke (which, incidentally, was purchased from the famous Winterfold kennels of Col. and Mrs. John Collings), was shown to her championship by Freeman in short order; chalk-

ing up many group placements and group wins. Aside from this some of his own homegrown Whippets were shown to their championship.

Freeman has held offices in all the local clubs and associations ranging from Show Superintendent, Chairman and President of the New Brunswick Kennel Club, Inc. He has had a keen interest in training classes for newcomers and assisted in forming a new Poodle club. At a show he can always be found showing novices how to set up and exhibit their dogs or where the handiest Obedience classes can be found. In the past year he has served as Dog Show Representative for N.B.-P.E.I.

All of this activity would, of course, lead to the desire for additional show stock . . . back again to Winterfold Reg'd and the purchase of a lovely bitch, Winterfold's Touch of Gold. 'Candy' and Freeman were off to a flying start with Puppy in Show, several Best Canadian Bred in Show and the climax of two all breed 'Best in Show'.

Aside from dogs Freeman has a keen interest in fishing, bowling and badminton.

The majority of his time being taken up with dogs brought on a desire to judge beyond the Sanction Show level. This fall his home club, N.B.K.C., was delighted to have his first assignment fulfilled by judging Group II at its Championship show. His plans . . . to be an all-breed judge.

— Marian Wait

Breed Improvement

from page 15

good physical stability and health, with a high resistance to disease, no tendency to virus or other infections.

For a working guide they had to lead out well, be a relatively fast worker, have an easy going disposition, and not be sharp with strangers. They had somehow to develop a high adaptability to new situations, yet be responsible to their own master. They needed to have mental stability, not be shy, not nervous, yet have a good sense of responsibility, be quiet and well behaved, intelligent, and not a smart-aleck. It helped if they were good keepers, and the smooth or short coat was a must for a guide. We hoped that they would have had a long useful life, that old age symptoms would come as late as possible, and that their retirement would be happy.

In addition they had to have perfect eye sight, had to be checked for any eye defect, checked for congenital hip

dysplasia, they had to have good hearing, but not super sensitive, good feet and legs were especially important, they had to be free from skin disorders.

ONLY TIME CAN TELL

Obviously some of these traits took up to ten or 12 years to study and prove. By that time the breeding program had come a long way. But we made the decisions as they had to be made, day by day, year by year, generation by generation. Only time could tell if we made the right decisions.

Thus you also will be forced to decide what to do with incomplete evidence, and on very important characteristics. All you can do is make the best possible decision, based on your knowledge of genetics and the dogs with which you are working. Year by year these decisions must be made, and they will change with each year, also. Dog breeding is not static, it is dynamic and challenging. We found it most exciting and interesting, and trust our reader will have a pleasant experience if he attempts same. □

NOTICE

From time to time our attention is drawn to the practice of some breeders who, when advertising or otherwise offering dogs for sale, indicate in some way that the purchaser of a dog sold as pure-bred will be required to make a higher, or additional, payment in order to be furnished with a certificate of registration. Such persons should note that the price at which a dog is sold, or the purpose for which a dog was purchased, has no bearing whatever on the obligation of the seller to supply the purchaser with a certificate of registration issued by The Canadian Kennel Club for a dog sold as pure-bred.

The Live Stock Pedigree Act, a federal statute, requires that when a person sells a dog as pure-bred, or contracts to sell a dog as pure-bred, he must furnish, or agree to furnish, a certificate of registration, together with fully-recorded transfer of ownership to the buyer.

Article XXXI, Section 3 of the By-laws of The Canadian Kennel Club reads as follows:

"A member may be suspended or expelled, or a non-member deprived of the privileges of the Club, if it is proven to the satisfaction of the Board that when selling, or otherwise disposing of a dog for a consideration (monetary or otherwise), the person disposing of the dog has asked or required the new owner to make any form of payment specifically for the purpose of being furnished with a certificate or registration."

To avoid possible prosecution under the Live Stock Pedigree Act and/or possible disciplinary action by The Canadian Kennel Club, members and others engaged in the selling of dogs as pure-bred are cautioned to refrain from the practice of quoting two selling prices for the dogs, one "with papers", the other "without papers", or to in any other way indicate that an additional payment is required for a certificate of registration.

This notice is published by an order of the Board of Directors of The Canadian Kennel Club.

Congratulations to: Mrs. Patricia Tripp of Burnaby, B.C., who has been nominated for Top Female Handler (one of six) for the United States. As far as can be ascertained, this is the first time a Canadian has been so honored.

Pat has handled successfully at countless Canadian and American shows and is well known the length and breadth of the continent... Mrs. Evelyn Monte, formerly Associate Director, now promoted to Director of the Gaines Dog Research Center, White Plains, New York. She will carry on with her responsibilities as editor of *Gaines Dog Research Progress* and other Gaines publications. One of America's leading authorities on dogs, she has received

many awards for her writings and work with dogs. An active participant in field trials, she has also been responsible for the indoor field trials which are a popular annual event at the Westminster Dog Show. Mrs. Monte well knows whereof she writes. She has bred Pointers, English Setters, Brittany Spaniels, Labrador Retrievers, English Springer Spaniels and has judged sporting breeds for more than 25 years. Walter Chimel, previous director, is now Manager, Gaines Professional Sales.

Stanley Dangerfield, well-known English judge and journalist, has been appointed sole judge of Best in Show at Crufts in 1970. Normally two judges and a referee are selected. Mr. Dangerfield, who has previously

judged in Canada, will assess the entries at the Ontario County KC Shows in 1970. He has been a controversial contributor to *Dogs in Canada*.

This determined mother is standing guard over Lucky, last of a litter of eight and very special. Whelped at a veterinary hospital, she was pronounced stillborn and discarded. An

incredible 14 hours later an attendant heard a pitiful squealing in a disposal can. Quick action preserved the tiny mite's life. She was re-united with her mom, Miss Buffet, who gave her special attention. P. W. Foran of Edmonton, Alta., is the owner. Photograph by Mike Vann, courtesy the *Edmonton Journal*.

Sophomore Mary Leisner of Philadelphia gladly shares her two-room apartment with her friends, an Irish Setter and 12 engaging Afghan Hounds, ten of them youngsters. Sale of the pups represent her tuition fee for a semester. She bred and sold her first litter last year.

Recuperating: Mrs. G. M. McKenzie, badly burned and shocked when her home at Locust Hill, Ont., was gutted November 9 (*Dogs in Canada*, December) was released from hospital December 19 to the home of her nephew in time for Christmas. Her brother-in-law, Roy Dewsbury, who suffered even more severe injuries, is reported progressing much better than expected and was strong enough for grafting surgery. He is at the Scarborough Centenary Hospital, Scarborough, Ont. Friends are taking care of the Dewsa Kennel dogs in various kennels and Bulldog breeders David and Bette Billings, Belora Kennels, Unionville, Ont., give constant news of them to their owners.

Mrs. Virginia Fredric of Niagara Falls, N.Y., Maltese breeder and exhibitor

well-known in Canadian Toy circles, was in the Buffalo General Hospital for surgery at the time of writing. She has been ill for some time. Mrs. Fredric is the owner of the 1968 Top Winning Maltese, Ch. (Can. & Am.) Alpond's Shine Little Star.

Mrs. Betty Dickson of Ziska Kennel note, Dorchester, Ont., on a return trip to hospital... Mrs. William Henderson, Toronto, longtime breeder of winning Shelties, recovering from illness... Mrs. Dolly Wall, Vancouver, B.C., well-known judge and a former Director of The Canadian Kennel Club, to hospital for surgery. Collie breeder Mrs. Sue Haymes of Newmarket, Ont., is out of hospital.

In action since 1965, the Ontario Provincial Police canine corps has received little publicity prior to the kidnapping of Mrs. Henry Radcliffe Nelles, when the German Shepherd, Kanaka, solved the case. Now the corps has been expanded to seven Shepherds. The dogs undergo 14 weeks of initial training and return to HQ in Mount Forest, Ont., every three weeks for a refresher course. The new dogs, Kemo and Poncho, are at Belleville and Barrie. Kanaka is at HQ. Trooper is stationed at Sudbury, Butch at Kemptville, Cloud at North Bay and Arab at London.

In Memoriam

Mrs. Mary Miller, of Moose Jaw, Sask., passed away Nov. 1, 1969 at the age of 69 following a lengthy illness. Mrs. Miller, notes Mrs. Doris Tondevd, President of the Moose Jaw KC, served as Saskatchewan Circuit Secretary for the past 23 years. "She had been an active member of the Moose Jaw Allbreed Kennel and Obedience Club since its beginning, serving as Show Secretary till 1968 when she was forced by ill health to resign this position. Mrs. Miller also served on the Board of Advisors. Last year she was given an Honorary Life Membership in the Moose Jaw Allbreed Kennel and Obedience Club and was presented with a gift in appreciation for all her work. Throughout the years Mrs. Miller has been the inspiration and the strength which has kept our small club together. To those who knew her she will be greatly missed, especially on the Saskatchewan Show Circuit. Our club has lost a longtime hardworking member who will always be remembered for the time and effort she put into the welfare and betterment of dogs and shows."

Bob Bremner, who with his late wife Dorothy was well-known for Samoyed kennels at Gormley, Ont., passed away a few months ago. Your editors regret they did not receive this information previously.
