Dog breeders Expo '72 is worthwhile proje

A big hit was the Chihuahua pulling a covered wagon in contrast to the St. Bernard pulling his cart.

In mid-February I received an invitation from the Working Dog Association of Saskatchewan to attend and participate in their "Dog Breeders Expo 72." I must say my first thoughts were that of a skeptic! "What is this Breeders Expo 72?" Finally, in order to satisfy my own curiosity I wrote and accepted their invitation. Now that it is all over and I've had first hand participation in Expo, I am delighted to say it was a very worthwhile project from the breeder and exhibitor point of view.

For those of you who missed Expo, may I outline just a few of my impressions:

1) The exhibitors had spacious booths, exquisitely decorated and the dogs were displayed on luscious carpets. There were some 50 booths in all. A beautiful plaque was awarded to Susan Ailsby of Saskatoon as first prize for booth decoration. Second place went to Dr. J. J. Johnston of Prince Albert, and third place to Ron and Carol Frain of Saskatoon. The job of making a choice was a most difficult one.

2) There were also various films shown throughout the day, some of which were "Managing A Whelping", "Bringing up Your Puppy", "Retrievers at Work", "Born for Action", to name but a few. Again these were educa-

Dr. Wayne Riser lauds concept of P.C.R.A.

From time to time a distinguished veterinarian-scientist, Dr. Wayne Riser DVM of the Pennsylvania School of Veterinary Medicine, slips quietly in and out of Canada and little publicity follows his visit. This time his presence marked an encouraging boost upwards for the Pure-bred Canine Research Association (PCRA), a recently formed group which Dr. Riser has joined as a consultant. We were interested in the reasons why Dr. Riser is so strongly in favor of the association whose purpose is to study, support and, hopefully, find the answer to health problems in pure-bred dogs.

The answer is fairly simple. The objectives of PCRA represent Dr. Riser's thinking precisely. When he retired from practice some 12 years ago, Dr. Riser determined to devote his later years to the betterment of the health of his favorite animal species—the pure-bred dog. He is fascinated by the enormous variety of recognized breeds, the largest in the animal kingdom, which some authorities number as high as 2500.

Dr. Riser says that man can breed to specification any type of canine conformation he desires because the dog's protoplasm is so responsive to alteration. But, by so doing, man has in many

THIS MONTH'S COVER DOG

Obaire Kennels Reg. is a new name in the dog world, and we feel that it is time to tell you about our dogs and our background.

In 1959, I purchased my first dog from Ken and Bobbie Ellis, knowing very little about the breed but completely sold that there was no other breed for me.

I showed Can. & Am. Ch. Sincerely de la Fontaine to his championship myself. At Westminster show in New York, he went Winners Dog and Best Opposite Sex—first American show.

I was then ready for a bitch, which I again obtained from the Ellis' and showed to her championship, Ch. Yours truly de la Fontaine.

Fortunately, I sold her to the Merrylegs Kennels, who bred her to their Ch. Calvados de la Fontaine, who in turn produced Can. & Am. Ch. Merrylegs Cetin de la Fontaine. This was my choice of litter and of course his record speaks for itself.

I had a chance to get Tangee de la Fontaine, and as my new husband so aptly put it, "You can't have an apple till you plant the tree"; so Tangee was bred to Cetin, known to his friends as "Sam", who produced my new Ch. Infamous of Obaire.

Tangee was then bred to Ch. Fair Game of Merrylegs, whelping an outstanding litter which you will see in the ring in the very near future.

The litter sister of Ch. Infamous of Obaire has just been bred to Can. & Am. Ch. Alekia Umi of Mayfair Am. & Can. CD., and we look forward to another famous bloodline in our kennel. He is a "Sam" son from Am. Ch. Pokoi.

Our whites are bred to whites only, and pigment, coat texture, soundness and temperament are our primary aims.

Phyllis Morley as I was known for many years, and the Phyllis Barry of today would like to thank: Bobbie and Ken Ellis for their years of constructive criticism and help; Phyllis Laventhall, who magnificently handled "Sam" at the Westminster show in New York to Best of Winners; Reg. and Helen Scott for their many great kindnesses and love to "Sam" and the many, many wonderful judges, breeders and handlers who have made our dreams come true.

An invitation to all, at any time, to see our kennels and boarding facilities!

Norwegian-bred English Setters in aging study

The Journal of The American Veterinary Medical Association reports that an international team of scientists at the Indiana University School of Medicine is studying a colony of 40 English Setters which are affected with progeria, an affliction which causes premature aging. The dogs are said to mature and die within a few years as do humans who suffer from the same disease.

This strain of setters was developed by Dr. Nils T. Koppang of the Norwegian Veterinary College, Oslo, who discovered the dogs with the "age" disease in 1953. Through 15 generations of selective breeding the strain has been stabilized and, it is hoped the study will find the clues to helping to extend human life.

cases altered the dog's chemistry and made him the victim of inherited disease.

For example, Dr. Riser said that the Dalmatian has paid a high price for his spotted coat, urinary problems are linked to it and when the dal is born with solid white ears he has a hearing problem; when he has a china eye, he also has a vision problem.

He went on to say that man, today, is breeding dogs very close to their lethal limits which he places at two pounds minimum and 250 pounds maximum. Over-large dogs, he said, are prone to circulatory problems because their body chemistry has been altered and the heart is unable to function adequately. On the minimum side, he said, the body surface becomes relatively greater than body mass and the dog has heat regulating problems. Both extremes, he said, suffer bio-mechanical problems which need solving. It is Dr. Riser's avowed intent to work with breeders in helping them breed healthy dogs to the conformation they desire.

His introduction to Canada took place about three summers ago when he was invited to lecture at Fanshaw College in London, Ont., during its family participation series of lectures on animal husbandry. The ideal of a family attending classes as a group appealed to Dr. Riser and he accepted the invitation. It was while he was here that Ken and Jackie Bourns introduced him to the first dwarf Alaskan Malamute that he had seen and Dr. Riser became very interested in the pathology of this deformity. There followed a visit to Drs. Sheila Fletch and Meg Smart at the Ontario Veterinary College where he got firsthand information on the results of their study and was favorably impressed by what he found.

Dr. Riser points out that there are many other confirmed inherited problems which should come under study. One, he said, is osteochronditis dissecans, a disability affecting the shoulder joint of Great Danes and some other giant breeds, the incidence of which could be greatly reduced if a breeding control program was set up and followed. To prove his point Dr. Riser outlined the success of those who are using the hip dysplasia control program recommended by the Orthopedic Foundation for Animals (OFA), a non-profit organization of which Dr. Riser was a founder and is currently a director. By this plan, he says, breeders have been able to reduce the incidence of HD to 20 percent, a figure that, in time, it is hoped will be reduced even further.

Currently, Dr. Riser is also a consultant for the United States army in its "Super Dog" program. Dogs which are being bred for military duty, he said, must measure up to four criteria: excellent conformation, temperment, trainability and skeletal soundness. This seems pretty much like the criteria all breeders of pure-bred dogs should set up for themselves. Unfortunately, such has not always been the case, said Dr. Riser. More control over breeding soundness is necessary and he would be very much in favor of a system whereby *all* pure-bred dogs would be certified sound before they are used for breeding purposes. As he says, man can breed whatever he wants and if he wishes to maintain high quality dogs, the answer to canine health is better methods of selective breeding.

tional and at the same time entertaining to both the public and exhibitors.

3) There were parades of breeds throughout each day, giving the spectators a chance to see the various breeds and watch them in action.

4) There were retriever trial demonstrations in simulated field conditions. Actual trees were brought in and set up along with a water pond and marsh-like conditions. Again most impressive and indicative of the sportsmanship, work and dedication in breeding good dogs.

5) There was obedience in all phases. Spectators had a special treat in viewing three German Shepherds, belonging to and trained by Mrs. Tina Otte of Prince Albert, working in unison. She had them jumping through hoops, high jumping, crawling and other feats.

6) Another added attraction was a St. Bernard, owned by Evaline Sanders of Saskatoon, pulling a Swiss-decorated cart with children in it. By no means did the big dogs steal the show, for a Chihuahua owned by Helene Forshner of Saskatoon did win many a heart when she came out pulling her own little chuckwagon.

In all, it was great to see the various clubs participate in Dog Breeders Expo 72 and it proves once again that owners and breeders of dogs are out to promote and improve pure-bred dogs.

PHA group meets at Playboy Club

Theme of this year's Professional Handlers' Association Educational Conference is "Take one giant step for dogs". Locale for the conference, which runs from July 30 to August 2, is the Playboy Club Hotel, Lake Geneva, Wisc. TV ACTOR—The English Setter seen on Canadian and American television channels busy herding cattle (cattle!) in a commercial promoting Ken-L-Burger is a Canadian dog, Wragge Run's Hey Charlie. Charlie holidays with the Linwood Cabots of Ft. Lauderdale, Fla. Charlie's litter brother, Ch. Wragge Run's Rambling Rose ("Maxie" to his owner, **Paul McNamara**, Recollection Farms, Gormley, Ont.), is the setter seen daily on the television program, *The Hilarious House of Frightenstein*. Mr. McNamara, among other affiliations, is best known as one of the owners of the Ports of Call restaurant complex in Toronto as well as Chairman of the Board of Maple Leaf Gardens, Toronto. Breeders are **Sally and Frank Vertulia**, Wragge Run Kennels, Milton, Ont.

DOG IN THE DRAWING-ROOM? Tiny subject of controversy in the new Victorian drawing-room at the Royal Ontario Museum, Toronto, is a life-like small brown and white china dog which sits beside a tea-table set with delicate tea things. Is this correct? Heri Hickle-Szabo, curator of the museum's European department, was told definitely not. "I disagree," he says emphatically. "We tried for the first time to animate a room. I think the dog gives a characteristic touch."

TRAVELLERS: To England, Scotland and the south of Ireland, Chow Chow fanciers **Herb and Joan Williams** and family, Toronto. The trip caps a double victory for 13-year-old Deborah who not only emerged as best girl student in her school but as top student as well . . . **Mary and Jim Southcott**, Milton, Ont., are still another duo who have taken to the roads at will. Mary is equally well-known as a breeder of German Shepherds and Cairn Terriers (Cara Mia) and internationally noted as an obedience judge and authority. Following Jim's retirement the Southcotts became owners of a mobile home and plan to spend every winter in the sunny South. Mary writes enthusiastically of trips, sports and social events, plus the judging of obedience for the German Shepherd Club of Orlando in January.

When **Alex McCrory**, Ancaster, Ont., travelled to Crufts and then on to Verheim, Germany, he went shopping, as most travellers do. Alex purchased four young German Shepherds for his Glen Saxon kennels . . . Back from England: **Mrs. Dennis (Casey) Gardiner**, Kerrycroft, Milton, Ont., who attended a number of dog shows . . . **Mrs. Sally Vertulia**, of the well-known Wragge-Run English Setters, Milton, Ont., also attended a number of shows in the U.K.

HONORED: Major and Mrs. C. G. Peterson of Trenton, Ont., at several dinner dances and parties on the occasion of Major Peterson's retirement from the Canadian Armed Forces. Mrs. Peterson is well-known as a breeder of Chihuahuas under the Quantico prefix. The couple will take up residence at 1 Robinson St. S., Grimsby, until plans for building their new home have been completed. Mrs. Peterson has been a director and vice-president as well as trophy chairman of the Belleville & District KC since its inception.

NEW ADDRESS: Back from a holiday in Europe, **Mr. and Mrs. A. J. Saunders**, will return to Florida early in September to 3004-15th St. W., Bradenton, Fla., 33305. . . . **Mr. and Mrs. Michael Murphy**, owners of Lil Bam Pan Kennels, have moved to 366 Lakeshore Rd. W., Apt. 3, Port Credit, Ont. Illness of Mr. Murphy has prevented their showing of dogs for some time.

SYMPATHY: We regret to announce the passing of a number of well-known members of the dog fancy during the past number of months. **Mrs. H. E. (Gwen) Thomas**, Hal-Hope Kennels, near London, Ont., was a breeder of Scottish Terriers . . . **William Barton** was well-known in obedience circles . . . **Joseph (Joe) Davidson**, a real "Oldtimer" who bred Borzois in the 1930's and 40's. He later bred Wire-haired Fox Terriers in conjunction with the late **George Davies** and **Jack Wagget**. Although he had not shown for many years, he kept in touch with the dog world through one of his children who breeds and exhibits. He is remembered as being a great help to beginners. "Many of his friends and show acquaintances are still active in dogs," writes **Mary Davidson Angst**. "He was a good man and is very sadly missed." . . . Schipperke breeder **Sam Luft**, Adsam Kennels, Calgary, Alta. (*Dogs in Canada*, June issue, page 24); of a heart condition. The Regina Kennel and Obedience Club had sent a special invitation to him to exhibit his fine obedience brace at the club's show in June, an unusual gesture.

PROPERTY: You undoubtedly know of all the precautions to take when you're away from home, but do you take them? Following a holiday in Nassau and later in Fort Lauderdale, Fla., early this year, **John and Stella Loftus**, Acacia Acres, Stittsville, Ont., returned home to find everything shipshape. Then, within 48 hours, while they were away from home just a few hours, their house was ransacked, with irreplaceable treasures stolen. Some people find the "buddy system" works well—"We'll keep an eye on your house while you're away and you do the same in our absence."

RECUPERATING: Well-known Samoyed breeder **Betty Dickson** (Ziska), Dorchester, Ont., returned from a great trip to Spain, only to fracture her hip shortly after her arrival home. She is in hospital . . . **Mrs. Agnes Harrington**, Buffalo, N.Y., breeder of Great Pyrenees and Cocker Spaniels, is in hospital. She is known to many Canadians as an enthusiastic exhibitor in our shows.

Show rules and puppies

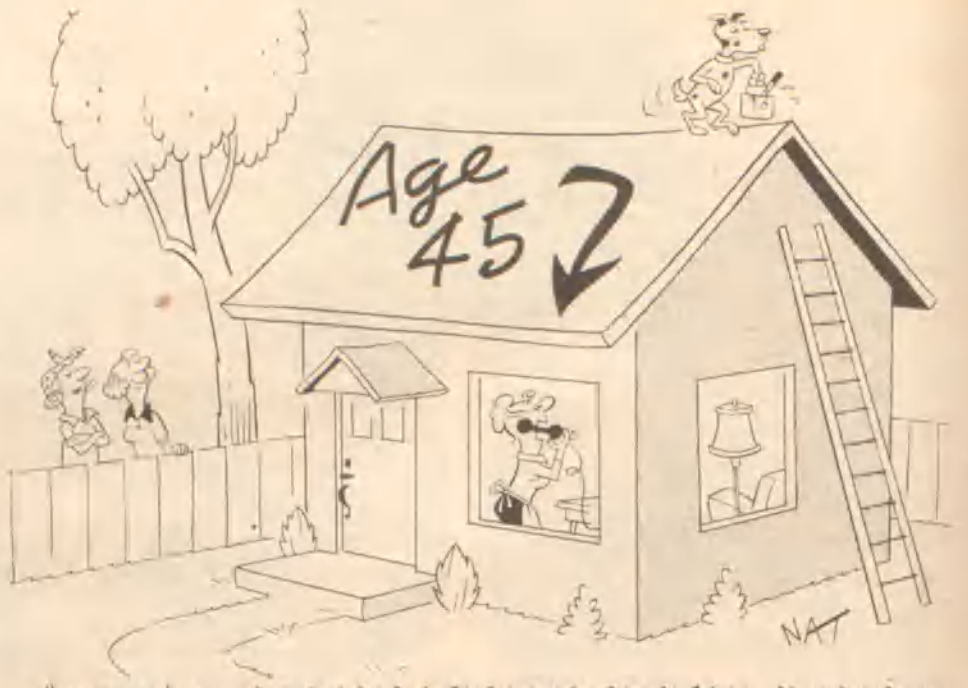
Quite often it has been noted that puppies which are eligible to compete for the Best Canadian Bred Puppy in Group award fail to appear in the ring for competition. And there seems to be some confusion among exhibitors regarding the rules which concern puppies.

The fact is that the rules state that they must compete. Chapter Four, Section Three of the Dog Show Rules is very specific on this point: "No dog, eligible to compete for any of these awards, may, except if excused by the veterinarian in charge, be withheld from competition; and any exhibitor withholding a dog in contravention of this rule shall be subject to disciplinary action by the Board of Directors."

The only relief afforded in the rules regarding puppies has to do with benched shows of more than one day's duration and there are not many of those held nowadays.

It does seem an imposition to require an exhibitor and a young dog to wait through hours of judging, especially if there appears little hope of winning at the higher level. But a rule is a rule and until it is amended to permit an option, exhibitors must honor it.

Another point worth mentioning apropos of the misinformation re dog show rules which seems to be so prevalent. When in doubt, don't trust to memory, yours or anyone else's. Consult the rule book, every show-giving club must provide one—and that is a rule too.



"HE DIDN'T LIKE HIS DOGGIE BATH AND THREATENS TO GET EVEN WITH ME. BUT I'M NOT WORRIED. WHAT COULD A DOG POSSIBLY DO?

Some new information on a continuing problem

During the past few months *Dogs in Canada* has carried a number of articles on a technique, now widely publicized, as an aid to the early detection of canine hip dysplasia. The technique, which its advocates call 'palpation', is, as the dictionary defines it 'the act of feeling and touching, especially in medical examination'. It is claimed that puppies which are destined to become HD victims in adulthood can be identified by palpation at a very early age. The disability and its probable degree are said to be directly related to the degree of laxity evident in the hip joint of the very young puppy.

Many breeders hail the technique as the answer to the predicament in which they find themselves when they must select their future show and breeding stock. Early, accurate detection of dysplastics would cut down the work load of maintaining an entire litter for many months, to say nothing of the expense. And anything that provides relief in either of these areas is certainly welcome.

But — and here's the rub — according to other scientific studies, predictions based on palpation are falling short of the 85 percent accuracy factor claimed for them. One reports predictions as low as 65 percent accuracy or little better than statistical chance. So before breeders pin too much faith on palpation as a diagnostic tool at its present stage of development, a cautionary note is sounded.

We are grateful to a reader, whose personal experience with predictions based on palpation diagnosis has been much below the 85 percent accuracy level, for sending us a reprint of an article written by two long-time students of the HD problem (see 'Another Look at the Hip Dysplasia Question', page 6). Like her, we think that the points they bring up should be made available to our readers. As the authors state this article is not intended to detract from the work that has been done by others but rather to bring more proven knowledge to the attention of the fancy and to point up the danger of over-diagnosis and consequent over-culling of healthy stock.

Would like to correspond
A friend of mine who is avidly interested in Basenjis would appreciate hearing from Canadians. Her name is Mrs. Eileen Anderson, 20 Frank Lane, Thornhill, Dewsbury, Yorkshire, England.

Disagree with Jake
I have read the obedience column by Jake Giacomelli since he began and have found them interesting but there are two I disagree with. One is the article in the June issue and the other the one on placing the mats in a V form for the directed jumping. I have been judging obedience in Canada and the U.S.A. for 24 years.

The June article concerned Directional jumps. I have always given them in the same order to each dog. To my way of thinking it's the fairest. If a dog goes out poorly and is almost in front of the bar jump you can make it easy by giving that one first or you can make it tough by giving the board jump. If you are giving them in the same order to each contestant then none in that case can say you were unfair.

The rules in heeling give the different orders and say they can be given in any order and repeated as often as a judge wishes but most judges follow the rule which states that standardizing the judging is of great importance and follow the same pattern for every dog. The same rule then follows for the jumps.

With regard to the mats being V'd to the jumps, I feel (1) this could be an extra signal to the dog and (2) if he doesn't go well back he is off the mats anyway and is going to jump into the side of the ring. The jumps have to be square across the ring and if the mats are at right angles to the jumps the dog will be more inclined to circle over and come down the mat squarely to the jump and thus not jump into the side of the ring. Most dogs out here are trained to go over and come in squarely at the jump. —*George Donaldson, Sidney, B.C.*

Enjoy Dogs in Canada
I enjoy your magazine and shall always be grateful to dear, late Mrs. Percy Adams who introduced me to it and sent with it a huge azalea as a welcome to our new home here in Canada.— *Susan J. Honc, Vancouver*

Enjoyable show
Our specialty show (Golden Retriever) was, according to all the happy faces around last Sunday, a great success. The weather was good and the location and scenery at Jokers Hill was absolutely breathtakingly beautiful. This was matched only by the charm of our judge, Mrs. Lucille Sawtell "of Yeo" Kennels, Somerset, England.—*Eva S. Havern, Willowdale, Ont.*

Kennel Directories well received
All the 25 copies of the Kennel Directory as forwarded by you were taken by those at the show and many expressed their pleasure in being able to obtain same.—*Donald A. Mercer, Newfoundland Kennel Club*

Indoor show not ideal
Having just returned from a dog show last night, I am moved to make a comment about Ontario shows which may meet with approval in some quarters and the reverse in others.

The location for yesterday's show was very pleasant, a large clean arena and spacious grounds —very nice all around. Just one problem—the arena floor, mats or no mats, was so slippery that my long-legged hounds were unable to show properly or safely. As the day passed the arena became stuffy and warm. The working group dogs were showing outside, enjoying a really pleasant day—why not other groups?

This business of remaining inside arenas in temperate weather is becoming more than silly—arenas can be used as "back-up" areas in case of rain, if necessary. I have been to more than one American outside show with very large entries and either none, or limited facility for rain.

It's time we stopped being hot house plants and used the outside whenever possible—how about it? —*Jan Buchanan, Elora, Ont.*

Don't destroy the Puli
God in His wisdom has created uncounted species of life forms. And in His infinite wisdom has endowed each with the qualities and natures best fitted for their purpose and survival.

Of the numerous breeds of dogs none can compare with the Puli. Search as you will, the closest you can come is the Lhasa Apso and Tibetan Terrier. No other except the Komondor has any similarity to the Puli. For thousands of years nature has endowed the Puli with courage, strength, agility, almost human intelligence, a great sense of protective responsibility and a beautiful and most practical double-corded coat. Some working Puli on the range have cording two or more inches wide. Naturally, in his own environment this heavy plating is a decided advantage in fighting off predators threatening his charges.

However, around the home the corded Puli is more desirable. And this cording can easily be regulated to show off the Puli to his best advantage.

For over 1,200 years the Magyars jealously guarded the purity of the strain of their Puli, destroying the runts and those which did not conform to the required standard.

In Canada the international recognized Standard of the country of origin for the showing of Pulik has been adopted. The aim of all conscientious, sincere and honest breeders is to preserve and perpetuate the purity of conformation, character and appearance of the various breeds whatever they may be. And yet, in spite of this, money-hungry Americanisms are slowly creeping into our dog shows.

A combed-out powderpuff, with the collusion of an ignorant, or was it? judge was awarded top honors.

I and the great majority of Puli owners are furious that a noble Puli should be so degraded.

It is also my firm opinion that a judge who is so ignorant of the basic characteristics of the breed he is judging should be barred.

from the ring forever to prevent a repetition of such ignorant or deliberate injustice.

I want to make it clear that I am not faulting the Puli involved. Regardless of its merits, the fact that it did not conform with the accepted rules should have disqualified it. Regardless of what Americans do in their own country, this is Canada and our Canadian rules should be obeyed and respected. And in the future should be strictly enforced. And no combed-out or brushed-out Puli, regardless of breeding or conformation, should be allowed in competition.

A small percentage of Americans with their money and hair-brained ideas have already in a few short years exterminated and degenerated more species of animal life than the rest of the world combined. We must not allow them to further degenerate to their own image the few undegenerated species left.

Please let the public know how we Canadian Puli owners feel about American "experts" who only discovered this over 1,000 year old breed a few years ago and are not even aware of its basic characteristics.—*J. A. Baron de Csavossy, Pierrefonds, Que.*

Dog Expo a success

Our club would like to go on record as saying that "Dog Expo" held in Saskatoon in April of this year was a success.

"Dog Expo" was realized by the cooperation of all the clubs in Saskatoon. First, The Working Dog Association who started the ball rolling in the right direction and assumed full responsibility for this venture, deserve hearty congratulations. The Saskatoon Club and the Retriever Club together with members of our club participated in demonstrations of obedience work with particular emphasis on how this fits in with our everyday lives and is not saved for a few days in the year at obedience trials. The Retriever Club set up a 'mock' trial with water, brush, etc., and put their dogs to work. Then there were formation drills which, of course, were great crowd pleasers.

The response from the general public was really great and the comments overheard throughout the course of the show were most gratifying.

A special word of thanks to our "special" guests from The Canadian Kennel Club, judges, etc., all of whom were available to answer questions.

Although there is a lot more that could be said about this affair we just hope that next year will see a continuation of the event. It gave all of our local clubs a great opportunity to work together and, for anyone who hesitated to take booth space at this year's "Expo" you had better get your request in early next year.—*Margaret Suddards, Secretary, Hub City Kennel & Obedience Club*

In praise of C.P.D.H.A.

At our annual championship shows, just completed, three of the founding members of the Canadian Professional Dog Handlers Association attended these shows.

At the completion of judging on the last day, it is always bedlam as the handlers and owners pack up and leave as quickly as possible.

As the club's clean-up crew started sweeping and washing down the floors, packing fencing and rubber matting, we were amazed that these members of the C.P.D.H.A. worked right along with us in cleaning up, not only their own areas, but also the areas occupied by other handlers. When I advised Mrs. Pat Tripp that we had a crew to clean up, she replied that as we had put on the shows, which enables the handlers to earn their living, the least they could do was to assist in cleaning up and as members of the C.P.D.H.A., this was a part of their code. These handlers left the building when it closed and lost at least two hours of travelling on the road.

A great big "THANK YOU" to these handlers—Mrs. Patricia Tripp, Miss Elaine Mitchell and Mr. Mark Webster.

As Alan Hearne said in *Dogs*, June 1972, Letters—"An association such as this is long overdue"—it has this club's 100% support.—*D. S. Robertson, Show Committee Chairman, Kamloops & District Kennel Club*

Add supplements* to Purina Dog Chow?

You can. But you don't have to.

We find that adding warm water brings out our famous Dog Chow flavor. But everything else is right in the bag. All 43 nutrients any dog needs—vitamin A to zinc oxide. So add supplements? Sure. But isn't it nice to know you don't have to?

**Purina Research Farm Fact: Eight of our brood bitches have whelped over 100 puppies each—on a diet of Purina and water only. With the exact, no-supplement program we recommend on our package. 92.8% of the 668 puppies whelped alive at our Farm last year were weaned—against a national average of around 60%.*

Hip dysplasia

Another look at the question

Excerpts from an article by Sten-Erik Olsson, VMD, MD and Gerry B. Schnelle, VMC, VM, DHC

Heritability—The genetic origin of hip dysplasia is not fully and completely known—serious students have concluded that the condition is caused by several genes—hip dysplasia and its degree of severity as it is diagnosed on radiographs are influenced *more* by environmental factors not surely identified but which might include diet, exercise etc. than by hereditary factors.

The Neuromuscular Theory—is one of several about the cause of HD. So far no scientific evidence has been brought forward to make this theory more acceptable than the others—it is much more likely that there is not one cause but several. Anything that interferes with the normal growth and development of the hip joints can give rise to hip dysplasia.

Laxity of the hip joint—there is great danger of over-diagnosing HD. The hip joints of *all* dogs can be subluxated under certain circumstances—for example—depth of anaesthesia, size of fulcrum, force of adduction.

Pelvic angle—when seen from the rear the two halves of the pelvis form a V-shaped structure. A greater angle between the two halves of the pelvis (a more open V) means better support for the femoral head in weight bearing. With better support there is less tendency towards spontaneous subluxation and subsequent HD.

Pectineal Myotomy (severing the pectineus muscle)—is suggested as treatment to prevent "the crippling effects of HD". It is possible this can be helpful in alleviating some of the pain in adult dogs with HD. More controlled research is needed before this type of surgery can be generally recommended.

Conclusion—With the present knowledge of hip dysplasia we would like to recommend the veterinary profession, the dog breeders and dog fanciers alike to "cool it" on over-diagnosis, on surgery of the young dog to "correct" it and on the "elimination" of young dogs said to have hip dysplasia.

Barrie Show hits 1,300 entries

BARRIE, Ont.—The August 5, 6, 7 Barrie Show has hit an all-time record with 1,300 entries on closing date. Probably the exhibitor from the greatest distance is one from Hawaii and other entries are coming from all across the United States and Canada.

Obedience

Send correspondence direct to Jake Giacomelli, 51 Wardrope St. S., Stoney Creek, Ont.

The trials are being held hot and furious this year in Ontario—almost every weekend there is either a double or a triple trial on the go. I often wonder when or where it is all going to end—how much can the market stand? There's got to be a limit somewhere—I think! If this headlong rush of multiple trials continues to grow at the present rate, there are bound to be clubs that will suffer financial losses, there are just so many dogs to process and then there aren't any more. In fact, I am sure there are clubs that have taken a financial rap this year already.

I suppose, like the laws of nature, eventually only the strongest clubs will survive—the others will not be able to afford to run a trial that may have to take a substantial financial loss. Our own club is holding its Fall spectacular, and due to all the giveaway goodies and the number of judges that are hired, etc., expect a financial loss.

The average exhibitor can afford just so many entries and, of course, once they get their degree, most of the exhibitors down this neck of the woods usually stop showing their dogs in obedience. In our area, there seems to be a certain stigma to repeat showings of your dogs in Open and Utility, and for the life of me I don't understand why; especially if you own a top worker. How many dogs can a person in an ordinary home own and train before they have to quit having any more? Once a person who really loves to exhibit in obedience has finished his or her dog—is it so terrible for these people to continue showing, if the spirit of competition so moves them? How's it go? "Ya pays your money and take yer chances."

From what I've been able to find out over the years, the biggest resentment seems to come from people who are going through their degrees with their new dogs having to compete against finished dogs that are by now very reliable, good workers and who invariably win the placings and thereby also win the trophies.

Most exhibitors with new dogs feel that they should be competing against new dogs like their own. The trophies would have to be the main reason I imagine, 'cos it doesn't matter who you compete against, if you qualify you get your leg anyway. I am sure that having to compete against finished dogs and experienced or professional trainers is the reason the "Utility B" Class came into existence in the U.S.A.

Personally, I feel that those who wish to continue showing their dogs in the advanced classes should be able to do so without any brand of disgrace being attached to their actions—after all, it's their favorite sport, too. For those of you who resent their intrusion into your "new dog" category, band together all your CKC members and as a group perhaps you can suggest some ideas that will give you the class requirements you feel are fairer or more desired.

I would like to extend the "Choke Chain and Off Lead Award" to the German Shepherd Dog Club of Manitoba for their well run obedience trials in June of this year. Their ring equipment, stewards, hospitality, after-show dinner and dance were all of the highest quality. This certainly must be a "Gung Ho" group; although the trial was open for all breeds, the number of well-trained German Shepherds that were exhibited was truly amazing. There was little doubt that this was a German Shepherd specialty, even though it was open to all. The executive of this club are to be commended for their efforts.

The "Choke Chain and Off Lead Award" must also be awarded to The Hamilton Kennel Club for their excellent obedience ring. There was ample matting, the floor was spotless, ring equipment standard, spacious ring, the material making up the sides of the ring was taut and attractive. Their stewards were very willing and capable. Considering the tremendous congestion, due largely to the record entry in breed, it was surprising that the stewards were able to get the obedience dogs ready at ringside when they were needed.

It's hard to believe the amount of noise a lot of people and dogs can make at one show—I believe the exhibitors and dogs at this show surely must have won the noise championship away from the Sportsmen's Show in Toronto.

Canada's first centennial dog show proves social success

Left to right: Tim Reid, Pudge Reid, Mrs. Hilda Pugh, Ted Gundersen, Kneeling, with BIS Chow, F.P.A. Odenkirchen.

by ROBERT COLE

Canada's first 100th dog show, May 6, 1972, was a social success. Centennial key ring mementos, shaped in the form of the Ottawa Kennel Club's symbol, were given to every exhibitor. This symbol was also incorporated for the first time as an integral part of the trophy design won that day.

From the 100th show onward distinctive metal-on-mahogany plaques, immediately identifiable with the OKC from Best of Breed to Best in Show, will be presented to winners and judging from the initial favorable reaction this type of displayable prize will be considered by other clubs. All trophies presented that day included the words "The 100th Show"! A special "Top Dog" award was presented to E. B. "Tim" Reid who, assisted by his steward wife "Pudge", judged the Chow Chow Mi-Pao's Timang Best in Show. Tim has been Past President twice, Show Secretary, and has held various other positions on the Ottawa Kennel Club executive during the past 25 years.

Ted Gundersen, another OKC member/judge celebrating 50 years in the dog game, presented the special awards; Mrs. Hilda Pugh, CKC President, presented the trophies. Special tribute was paid to OKC members who had also contributed more than 25 years.

A beautiful finishing touch was the wine and cheese party held immediately after the judging in the centre ring. Transformed as if by magic, this "East Coast" idea has caught on.

Show Superintendent Dr. R. J. Avery, Show Secretary Mrs. K. G. Colburn, Show Chairman Mr. A. B. Benson, OKC president Dr. Q. N. LaHam and Centennial Chairman Col. C. Willis, each representing the many who behind the scenes combined in teamwork to spell success, are to be congratulated for making this historical occasion a memorable one.

Stainless steel pet clipper attachment

A new type of pet clipper attachment to make pet grooming easier has been introduced by Wahl Manufacturing Company of Toronto. It is a stainless steel comb that fits over standard Wahl Pet Clippers to adjust cutting length. Unlike the "thick tooth" metal and flexible plastic models, says Wahl, the stainless steel type has much thinner, stronger and more rigid fingers. They can go through thick, matted coats with less bogging down to lift and guide hair over clipper teeth without snagging. Wahl says the attachment gives a much improved, more uniform cut at great savings in time and effort.

MEETING OF THE BOARD OF DIRECTORS

MAY 27, 1972

A Special Meeting of the Board of Directors of the Canadian Kennel Club was held in the Club's Head Office at Toronto with the following Members of the Board present:

Gordon M. Ashcroft, Robert L. Blyth, Mrs. Anita Chapman, Dr. R. L. Crawford, William Dawson, Mrs. Mary E. Daye, Mrs. Sarah Diamond, E. R. Dixon, George H. S. Kennedy, Mrs. E. Kenny, Dr. M. I. McArthur, Mrs. Hilda F. Pugh, and Ronald G. Sless.

Following is a resume of matters of major interest dealt with by the Board.

FINANCIAL MATTERS

The Executive Manager presented to the Board Financial Statements for the first quarter of fiscal 1972.

The Executive Manager dealt with several questions concerning cost apportionments between the Head Office and Registration Division locations after which motion was made to accept the Financial Statements for the first quarter and was carried.

REGISTRATION MATTERS

The Registration Committee presented for Board consideration a file that involved the transfer of dogs in an estate not carried to probate.

It was observed that administration of the Succession Duties Act formerly came under Federal jurisdiction but is now a Provincial matter and not necessarily uniform in its requirements over all the Provinces.

The Secretary was instructed to contact the appropriate government department concerning legal requirements of such situations so that up to date information could be published at a future date in Dogs in Canada.

REGISTRATION, STUD BOOKS AND RELATED MATTERS

A letter from the Secretary-Treasurer of the Belgian Sheepdog Club of Canada was read in which request was made of the C.K.C. that in the future all Belgian Sheepdogs be registered as Belgian Sheepdogs with the variety noted in brackets immediately following.

The Board referred the letter to the Breeds Standards Committee for study and recommendation.

REGISTRATION DIVISION COMMITTEE

The Chairman of the Registration Division Committee commented on two reports presented to the Board and made explanation of their content.

Board discussion then ranged over such matters as production levels, distribution of Dogs in Canada, publication of Stud Books, and other items pertinent to the operation of the Registration Division.

Reference was made to the guidelines set for the Committee at the Annual Meeting of February last with the resulting decision being made that the terms of reference for the Committee be left unchanged.

The question then arose as to whether or not the Registration Division Committee would have a working relationship with the Management Consulting Services Team of the Canada Department of Agriculture.

The Secretary was instructed to make enquiry of the Canada Department of Agriculture as to what relationship the Department would want established between the existing Registration Division Committee and the Department's own Management Consulting team and that the Registration Division Committee would be guided by the Department's answer in the matter.

Discussion ended with acceptance of the Reports of the Registration Division Committee accepted as a whole.

COMPLAINTS

Report was read of a Special Inspection Committee appointed at the previous Board meeting to inspect a German Shepherd dog whose purebred credibility was held in doubt.

The Committee's Report was received by the Board and referred to the Registration Committee.

DOG SHOW COUNCIL

Report of the Dog Show Council was received concerning proposed new Sanction Match Rules and certain changes suggested by the Council.

After some discussion at Board level, decision was made to refer the Report back to Committee for further study.

In addition, reference was made to a request of the Dog Show Council to publish proposed changes in Dog Show Rules and solicit Membership comment so that the matter might be finalized at the Semi-Annual Meeting of the Board in October.

Permission to publish was so granted.

STAFF STRUCTURE

As was agreed in the morning session of the Meeting, the Report of the Special Committee on Staff Structure was received as the first item of business in the afternoon session.

The Board then proceeded with a reading and point by point discussion of the nine page report with direction given the Secretary to submit the report material to the Club's Solicitor for review and opinion alongside the Club's By-Laws.

The Special Committee was further commissioned to work out the mechanics of staffing the organizational structure as envisioned and detailed in the Committee's initial report to the Board.

BOARD MEETINGS

It was moved and carried that the next Meeting of the Board would be held at the pleasure of the President.

PROFESSIONAL HANDLERS

The Board discussed a letter received from the Membership Chairman of the Professional Handlers of Canada seeking "official recognition from the Canadian Kennel Club as the original association organized for Professional Handlers in Canada".

The letter was tabled for study and presentation again at the next Meeting of the Board.

DOG COSMETIC SURGERY

The Secretary read a letter from Mr. T. I. Hughes, General Manager of the Ontario Humane Society, that had to do with ear-cropping.

The letter was referred to the Dog Cosmetic Surgery Committee.

PREMIUM LISTS

A letter was read from a Club dealing with the possibility of publishing Premium Lists in Dogs in Canada rather than in the usual manner.

After due consideration by the Board it was decided that no action be taken as the suggestion would appear as impractical.

EDUCATION

A letter from the Crocus Obedience and Kennel Club of Brandon, Manitoba was referred to the Provincial Director for investigation and reply in the matter of instituting an educational program for the public regarding the C.K.C.

DOG FOODS

A letter and press clippings received from Mrs. Ellen Brown of Wallaceburg had been circulated to the Directorship as they raised questions concerning the quality of some dog foods on the market today.

The Secretary was instructed to send an enquiry to the Canada Department of Agriculture and the Food and Drug Administration, both of Ottawa, seeking information as to current Federal legislation as to content and registration of dog foods.

NOTICE

The following person, having complied with the requirements of The Canadian Kennel Club, is eligible to judge at licensed obedience trials held under C.K.C. Rules, the Classes listed after her name:

BOYD, Mrs. Reta, P.O. Box 580, Bedford, N.S.

(1) ORDINARY MEMBERS:– Ordinary members shall be those persons, exhibitions, fair associations, partnerships, or companies incorporated under Dominion or Provincial charter and resident in Canada, and who have been associate members in the three years immediately prior to the payment of the ordinary membership fee. 4. ELECTION. The Secretary shall submit all applications for membersship to the Board for consideration at the next regular meeting of the Board or at a special meeting convened for any purpose and election shall take place thereat. The fee must accompany the application for associate membership or non-resident membership and will be refunded if the application is not approved by the Board. Renewal of associate membership or non-resident membership is due on January 1st of each year. When membership remains unrenewed for a period of a year or more then the right to renew membership is automatically forfeited.

(3) No membership privileges may be accorded until the required fee has been paid and/or the applicant elected to membership.

7. NOTICES. Each member shall communicate his address, and changes of address, to the Secretary; and all notices mailed to the last known address in the records of the Club shall be deemed to be good service upon him at the time of such posting. All notices sent by telegraph shall be deemed to have been given at the time the sender's message form is delivered to a telegraph messenger or the telegraph office. A member not complying with this rule shall not be entitled to receive any notice.

8. BY-LAWS. The By-laws of the Club bind each member thereof fully as though he had subscribed his name and affixed his seal thereto. These By-laws shall be printed, and a copy of them be delivered to each member or transmitted to his last known address in the records of the Club, but no person, whether a member or not, shall be absolved from the effect of these By-laws on any allegation of not having received them, or of ignorance of their contents or meaning.

9. RESIGNATION. Any member who wishes to resign must give written notice to the Secretary. Any member who shall cease to belong to the Club, either by resignation or otherwise, shall have no claim upon, or be entitled to participate in, any of the effects or property belonging to the Club, nor to have any part of his membership fee for the current year returned to him.

10. LIMITED LIABILITY. The financial liability of a member of the Club to the creditors of the Club is limited to the amount due from him in respect of membership and registration fees.

11. Notwithstanding other provisons of this Article, the Board may order, in particular cases arising out of death or partnership, what rights of membership may be enjoyed by any person and the order of the Board with regard to such rights of membership shall be final and conclusive.

Article VIII. MEETINGS OF MEMBERS

1. ANNUAL MEETING. The Annual General Meeting of the members shall be held at such place and on such date in each year as the Board may determine.

2. SPECIAL MEETINGS. (1) The Board may in its discretion, by notice, specifying the objects of the meeting, call a Special General Meeting of the Club at any time.

(2) The board shall call a special general meeting upon the requisition of eighty members of the Club made in writing specifying the object for which it is required signed by the members making the same and deposited with the Secretary.

3. BUSINESS. The notice calling a general meeting shall indicate the specific nature of the business coming before the meeting. No resolution calling for expenditure of the Club's funds may be entertained at any general meeting unless it has received the approval of the Board.

4. NOTICES. Not less than thirty (30) days' notice of the date, time and exact place of a meeting and the nature of the business to be transacted thereat shall be given by publication in the official organ of the Club or by mail postage prepaid addressed to each member.

5. QUORUM. A quorum at all general meetings of members shall be thirty members entitled to vote.

6. ATTENDANCE. All ordinary members who had been members as of June 30th prior to the date of the general meeting and who are members in good standing at the date of such general meeting shall be entitled to attend and vote at such general meeting and in the case of a partnership or company only the authorized representative may attend and vote. The members of a partnership who are not the authorized representative, ordinary members who were not members as of June 30th prior to the date of the said meeting, and individual persons who are associate members may be permitted to attend but they may not speak or vote.

7. VOTING. At all general meetings unless otherwise herein provided a majority vote shall prevail. The Chairman of any general meeting shall not vote except in the case of a tie in which case he shall have the casting vote.

8. MINUTES. A copy of the minutes of each general meeting shall be made available at cost to any member ordering the same.

Article IX. BOARD

1. The affairs of the Club shall be managed by a Board which shall consist of a President, a Vice-President, a Second Vice-President, each of whom shall be a Director, and Directors the number of whom shall be determined as hereinafter provided; and the Board may exercise all such powers and do all such acts and things as may be exercised or done by the Club and are not by statute or by the By-laws expressly directed or required to be done by the Club at general meetings of its members or otherwise.

2. The officers of the Club shall be a President, a Vice-President, and a second Vice-President, all of whom shall be Directors.

3. The President, Vice-President, Second Vice-President, or any other Director, may retire from office by giving to the Board one month's notice of his intention to do so and such resignation shall take effect upon the expiration of such notice or its earlier acceptance by the Board.

4. Vacancies in the office of President, Vice-President, Second Vice-President or other Directors, however caused, may, so long as a quorum of Directors remain in office be filled by the Directors from among the members of the Club entitled to vote provided that, except for the offices of President,

Vice-President and Second Vice-President, any successor must be a resident of the province or aggregation of provinces which his predecessor was elected to represent. Should a Director other than a President, Vice-President or Second Vice-President take up residence in any province other than the province or aggregation of provinces he was elected to represent, the Board may declare vacant the office held by such Director and may, subject to the provisions of this article, appoint a member entitled to vote to fill the vacancy.

5. The officers and members of the Board shall hold office from the first day of the year for which they were elected and shall continue to hold office until their successors are elected.

6. In the event a situation develops where there remains less than a quorum of the Board in office the Chief Registration Officer and the Election Commission shall have the power to take the necessary steps to ensure normal continuity of the Club.

Article X. MEETINGS OF BOARD

1. In each year there shall be two meetings of the Board to which all members of the Board shall be eligible to attend at the Club's expense in accordance with travelling and other expense allowances prescribed by the Board. The first of these two meetings (otherwise to be known as "the annual meeting of the Board") shall commence on a date set by the Board at its previous annual or semi-annual meeting. The second of these two meetings (otherwise to be known as "the semi-annual meeting of the Board") shall be held at such place and commence on a date set by the Board at its annual meeting, and may continue at the pleasure of the Board.

2. Each new Board at its first meeting shall set aside a specific day in each month on which all regular meetings of the Board shall be held, if necessary. The hour of the meeting shall be set from time to time at the discretion of the Board. The First meeting of the Board shall be held on the Saturday following the 3rd of January. When the Secretary informs elected candidates of their election to the Board he shall draw to their attention this provision in the By-laws. Special meetings of the Board may be held at the call of the President or at the call of any four members of the Board.

3. Notice of regular meetings of the Board shall be given by mail postage prepaid to each member of the Board not less than fourteen (14) days before the date of the meeting or by telegraph not less than seven (7) days before the date of the meeting; where, in the opinion of the President, a meeting of the Board on shorter notice is imperative, the President shall have the power to call a special meeting by giving notice of seven (7) days by mail postage prepaid or by telegraph not less than four (4) days before the date of the meeting. The notice calling any meeting of the Board shall specify the date, time and exact place of the meeting, and where less than fourteen (14) days notice is given, the notice shall specify the business to come before the meeting. No notice of any meeting shall be necessary if all the Directors are present thereat or if those absent have signified their consent to the meeting held in their absence. The statement of the President or Secretary that notice has been given pursuant to these By-Laws shall be sufficient and conclusive evidence of the giving of such notice. Notice shall be deemed to have been given at the time the notice is mailed or delivered to telegraph messenger or telegraph office.

4. Four members of the Board shall constitute a quorum for the transaction of business at any meeting of the Board.

5. The Chairman of any meeting of the Board shall have the right to vote on any motion presented at any meeting of the Board and in the event of a tie vote on a motion said motion shall be deemed to have lost for want of a majority. This shall also apply to the voting on any amendments to a motion. In the case of an election of Officers or other Directors by the Board the Chairman shall be entitled to vote and in the case of a tie he shall have the second or casting vote.

6. As soon as possible following each meeting of the Board there shall be published in the official organ, or otherwise mailed to members of the Club, a report of decisions reached by the Board. The Board may direct that a detailed report be published on any decision which it has reached. A member of the Board who voted against any decision of the Board may require that his opposition be recorded in the report to be published. The report shall be subject to such alterations (or deletions) as the Club's solicitor may advise.

Article XI. DUTIES, OFFICERS AND DIRECTORS

1. PRESIDENT. The President shall be the chief executive officer of the Club and shall have the general powers and duties of supervision and management usually vested in the office of president of similar organizations. He shall be ex officio a member of all committees and Chairman of all meetings of the Board and of the members.

2. VICE-PRESIDENT. If the President is absent or unable to act, his duties and powers may be exercised by the Vice-President.

3. SECOND VICE-PRESIDENT. If the President and Vice-President are absent or unable to act, the Second Vice-President may exercise the duties and powers of the President.

4. No Officer or Director may pledge the credit of the Club except as authorized by a two-thirds majority vote of the ordinary members of the Club at a general meeting.

5. The individual Officers and Directors of the Club shall have such further duties and powers as may be delegated to them by the Board providing the said duties and powers are not contrary to the provisions of these By-laws.

Article XII. ELECTIONS

1. The President, Vice-President, Second Vice-President and all other Directors shall be elected biennially all in the manner hereinafter provided.

2. The President, Vice-President, and Second Vice-President shall be elected on the vote of the ordinary members at large and other Directors shall be elected by each electoral zone.

3. "Election year" shall be a year ending with an odd digit, i.e. 1963, 1965, 1967, 1969, 1971, etc.

4. 3. Other breeds may, with the approval of the Board, be added to the above list of recognized breeds.

4. The standards of breeds recognized by the Club shall be those standards published in the current edition of the Club's Book of Breed Standards, and any changes therein which have received the approval of the Board. The Board shall have the power to adopt new breed standards, and to amend any standards adopted by the Club previous to the enactment of this By-law.

5. Any person, company, partnership, or club representing a dog as a specimen of any of the breeds listed in Section 1 of this Article shall by such act be deemed to have represented the dog as a pure-bred dog, and one eligible for registration under one of sub-sections (a) or (b) of section 1. (1) of Article XXVIII of these By-laws.

6. The Board may, from time to time as it deems advisable for registration purposes, divide any recognized breed into two or more distinct breeds, and shall have the authority to prescribe regulations governing any such division which it may order or has, in the past, been ordered by the members of a previous Board. Such regulations shall not, however, be effective until approved by the Department of Agriculture. No claim may be made against the Club or its Board by reason of any loss or damage resulting from such divisions and/or reclassification of registered dogs in the breed so divided.

Article XXVII. IDENTIFICATION

1. In order to be eligible for registration a dog must be identified by one of the two methods outlined in section 2 of this Article so that the certificate of registration issued for the dog will make it possible to distinguish it from any other dog of the same breed. A breeder or owner shall have the choice of the methods outlined in this Article, except that dogs born in Canada and under four months of age at the time of application for registration must be identified by the method which the applicant for registration has elected to use for identification purposes. By notifying the recording office a breeder or owner may change his method of identification. Regardless of how or by whom a dog is identified for registration purposes the applicant for registration is responsbile for the proper identification of the dog.

2. METHODS OF IDENTIFICATION:

(1) TATTOO MARKINGS. Any person desirous of identifying dogs by this method shall be governed by the following regulations:

He must apply to the recording office for and be allotted identification letters for his exclusive use.

A dog born in Canada of a litter registered in or eligible for registration in the records of the Club must be identified with tattoo markings in the right or left ear, lip, belly or flank (right or left side), with the registered identification letters of the owner of the dog at birth (or with the registered identification letters of the purchaser providing the application for registration is accompanied by a letter from the first owner giving his permission to such arrangement) and a serial number followed by a designating year letter to signify the year of birth, the letter "A" will signify that the dog was born in 1946; "B", 1947; "C", 1948; "D", 1949; "E", 1950; "F", 1951; "G", 1952; "H", 1953. The letters "I", "O", "Q" are not to be used as designating year letters.

(Year letters for later years; 1954 – J; 1955 – K; 1956 – L; 1957 – M; 1958 – N; 1959 – P; 1960 – R; 1961 – S; 1962 – T; 1963 – U; 1964 – V; 1965 – W; 1966 – X; 1967 – Y; 1968 – Z; 1969 – A; 1970 – B; 1971 – C; 1972 – D; 1973 – E; 1974 – F; 1975 – G; 1976 – H; 1977 – J.)

An imported dog must be tattoo marked for identification by the letters allotted the Canadian importer and a serial number.

A dog owned in the United States must be tattoo marked for identification by the letters alloted the owner and a serial number.

In the event of a change in the name of a partnership, company or kennel, or if a member of the same family is taken into partnership, the tattoo letters may be transferred on application to the recording office of the registered owner or his authorized representative. Likewise transfer may be made from the Estate of a deceased owner to his heir.

After the expiration of five years, registered tattoo latters shall be forfeited if they have not been used in recording dogs by the registered owner during that period. Such letters may, at the discretion of the Board, be allotted to another breeder for his exclusive use in tattooing dogs. For the purpose of this regulation all identification letters registered prior to December 1st, 1949, shall be deemed to have been registered on December 31st, 1949.

(2) NOSE PRINTS. Any persons desirous of identifying dogs by this method shall be governed by the following regulations:

The application for registration of a dog identified by this method must be accompanied by two nose-prints, on forms provided by the Club for that purpose, and each nose-print must be complete, clear and distinct, and free from smudges or blots of any kind. The application for registration must clearly show, in the space provided for that purpose, the numbers appearing on the nose-print forms accompanying the application. The acceptance of nose-prints depends on the comparison of one with the other; in the case of dispute, the matter shall be referred to the Board.

3. Each breeder's private breeding records shall also contain full particulars of the identification of each dog in his possession by reason of ownership, lease or agreement.

Article XXVIII. RULES OF ELIGIBILITY

1. (1) The following dogs are eligible for registration providing that in each instance application for registration is acceptable to the Club's Registrar and to the Chief Registration Officer and is in accordance with the terms of these By-laws, and is accompanied by the required fees, documents and evidence as may be required elsewhere in these By-laws:

(a) a dog born in Canada of a litter registered with the Club;

(b) a dog registered in any of the following Stud Books or records:

(2) Subject to the approval of the Chief Registration Officer, the Board may, from time to time, as it deems advisable, add to or remove from the list of stud books and records referred to in sub-section (b) above any other British or foreign stud book or records. Subject to the approval of the Chief Registration Officer the Board may prescribe special regulations or conditions which may apply to recognition of additional stud books or records.

2. Notwithstanding the provisions of these By-laws the Board shall have the power to adopt and enforce special regulations regarding the requirements for registration of dogs suitable for work with sheep and cattle, recognition of other stud books, testing, and maintenance of registration and other records considered desirable by the Board. All such special regulations are subject to the prior approval of the Minister before being effective. Where considered necessary and approved by the Minister, such special regulations need not be consistent with the provisions of these By-laws but must be consistent with the provisions of the Live Stock Pedigree Act.

3. The foregoing Rules of Eligibility shall in every respect be subject to the provisions of Article XXVI, section 6, of these By-laws.

4. The preceding sections of this Article are subject to the provisions of Article XXXI, section 2, of these By-laws.

Article XXIX. REGISTRATION OF LITTERS

1. APPLICATION FOR REGISTRATION. The owner at the time of the birth may make application, on a form supplied by the Club for that purpose, for registration of a litter born in Canada. All blank spaces on the form must be filled in, in ink or typewritten except signatures which must be signed in ink.

2. DAM OF THE LITTER. The dam must be registered with the Club in the name of the person signing the application for registration as owner or lessee at the time of the birth of the litter.

3. SIRE OF THE LITTER. (1) If owned or leased by a resident of Canada, the sire must be registered with the Club in the name of the person certifying the service.

(2) If owned by a resident of the United States, the sire must be registered in an American stud book or record, recognized by this Club, in the name of the person certifying the service. In such cases, the certification of the Secretary or Registrar of the recognized American stud book or record will be required to the effect that the dog is recorded in said stud book or record as being the property of the person signing as owner of the sire at the time of the service.

(3) If owned by a resident of a country other than Canada or the United States, a certificate of service issued by the recognized British or foreign Stud Book shall be required as well as a certified copy of the known pedigree of the sire to the minimum of three generations.

(4) If the owner or lessee of the sire of a litter shall refuse, fail or neglect to sign where required, an application for registration of a litter when requested to do so by the owner of the dam at time of birth of the litter, the Board shall have the power to authorize registration of the litter through the Registration Committee if it is satisfied that the owner of the sire has no justifiable reason for withholding his signature.

4. SIGNATURES. (1) If owned or leased by a resident of Canada or the United States the signature in ink of the owner or lessee of the sire will be required certifying to the date(s) of service.

(2) The signature in ink of the owner or lessee of the dam at the time of the service will be required certifying as to the service of the dam to the sire named on the application on the date(s) set forth on the application.

(3) The signature in ink of the owner or lessee of the dam at the time of birth of the litter will be required certifying the date of birth of the litter and the number of males and females alive at the time of the application for registration of the litter.

5. BREEDER. The breeder of a litter is the owner or lessee of the dam at the time of service. The first owner is the owner or lessee of the dam at the time the litter was born.

6. AGE. No litter out of a dam under six months or over twelve years of age at the time of mating, or by a sire under six months or over twelve years of age at the time of mating, will be registered unless the application for registration is accompanied by an affidavit or evidence which shall prove the facts, set out in the application for registration of a litter, to the satisfaction of the record office.

7. A litter born in Canada as a result of artificial insemination, the progeny of a dam registered in the records of the Club, may be registered under regulations approved by the Club and the Department of Agriculture for Canada.

8. MATINGS. Notwithstanding any other provisions of these By-laws, a litter is eligible for registration if the dam of the litter was mated to two or more stud dogs during the period of three months immediately preceding the birth of the litter.

9. (1) CANCELLATION OF REGISTRATION. The Chief Registration Officer, upon the recommendation of the Board, and after investigation, shall have the power to cancel the registration, or to prohibit the registration if not already effected, of any litter where the Board has reason to believe:

(a) that the litter is not pure-bred; or

(b) that any part of an application for registration of litter contains information or false representation or information calculated to mislead; or

(c) that there has been a failure to disclose all relevant information.

(2) FAILURE TO CO-OPERATE. Where a breeder and/or owner fails to reasonably co-operate in respect to an investigation, the Chief Registration Officer shall have the power to suspend, or cancel, the registrations standing in the name of such breeder and/or owner and to instruct the recording office to reject any applications submitted by such breeder and/or owner.

Article XXX. REGISTRATION OF INDIVIDUAL DOGS

1. APPLICATION FOR REGISTRATION. The application for registration of a dog must be on the form supplied by the Club for that purpose. All blank spaces on the form must be filled in, in ink or by typewriter except signature which must be signed in ink.

2. PLACE OF BIRTH. (1) The owner at the time of birth may make application for registration of a dog born in Canada provided the litter of which the dog is part (or whole) has been first registered with the Club with the exception of dogs born prior to the effective date of this By-law where such dogs are registered individually in a stud book or record recognized by the Club.

(2) A person resident in the United States may make application for registration of a dog registered in an American stud book or record recognized by this Club provided the certificate of registration issued by said recognized American stud book or record shows the ownership of the person applying for registration and provided said certificate accompanies the application for registration together with a three generation pedigree issued by the appropriate American stud book or record.

(3) A person resident in Canada may make application for registration of a dog imported to Canada providing the application for registration is accompanied by an export certificate (or official certificate of registration with satisfactory evidence that the dog has been imported to Canada) issued by the Secretary of a recognized Stud Book or foreign record specifying the breeder, colour and markings, date of birth, intermediate owners (if any), Canadian importer with date of purchase and the known pedigree of the dog to the minimum of three generations. For each and every dog in the three-generation pedigree a registration number must appear on the export certificate (or certificate of registration).

If an imported dog was part of a single shipment which included two or more dogs of the same breed and sex, then notwithstanding the provisions of these By-laws, the dogs included in the shipment are not eligible for registration in the Club's records unless:

(i) before each dog was exported to Canada it was tattoo marked in accordance with the provisions of Article XXVII of these By-laws;
(ii) the record of such tattoo markings appears on the certificate of registration (or export certificate) issued by a recognized Kennel Club or Stud Book in the country from which the dogs were exported to Canada;
(iii) each dog in the shipment was accompanied by its certificate of registration or export certificate.

(4) The owner of a dog may make application for registration of a dog, the registration of which is not provided for in sub-sections (1), (2), or (3) of this section, but such application must be consistent with sub-section (b) of section 1. (1) or section 1. (2) of Article XXVIII.

3. SIGNATURES. (1) If born in Canada the signature(s) in ink of all owners at the time of birth must appear on the application for registration form in the space provided for that purpose.

(2) If imported to Canada, the signature(s) in ink of all importers must appear on the application for registration form in the space provided for that purpose.

(3) If owned by a resident of the United States the signature(s) in ink of all owners as currently recorded in an American stud book or record recognized by this Club must appear on the application for registration form in the space provided for that purpose.

4. NAME. (1) No two dogs of the same breed shall have the same name; however, no change may be made in the name of an imported dog. The recording office may add numeral affix to a dog's name for the purpose of distinguishing between dogs which otherwise have the same name.

(2) The right is reserved to change any name when necessary, preserving, however, as far as possible some characteristics of the name given on the application.

(3) The name of a dog will not be accepted if containing more than thirty letter spaces or characters including numeral affix.

(4) Only the owner at time of birth may request a change of name of a dog after it has been registered but no change shall be permissible after a dog has been registered sixty days.

(5) The name of an imported dog may not be changed, and no claim may be made against the Club should the name of an imported dog infringe the rights of any person, partnership or company whose kennel name has been registered by the Club.

(6) Notwithstanding any other provisions of these By-laws or agreements entered into by the Club, the names of members of the Royal Family and national leaders shall not be permitted in connection with the naming of dogs for registration purposes.

(7) Subject only to the provisions of subsection (5) above, the Board shall have the power to prohibit the use of any name, for the purpose of registration of individual dogs in the Club's records, if, in the opinion of the Board, such name infringes on the rights of any person, partnership or company whose kennel name has been registered by the Club, or where, in the opinion of the Board, such name is considered to be similar to a kennel name registered with any other national kennel club with whom this Club has working arrangements with regard to mutual protection of registered kennel names.

5. AGE. Application for registration of a dog born in Canada five years of age or over, which was not identified when less than one year old, shall not be considered unless an affidavit by the first owner accompanies the application. Such affidavit shall set forth the reasons why the dog was not registered at an earlier date and must be satisfactory to the recording office. If the dog is not then in possession of the first owner, identity must be established by the first owner and the owner shall also furnish the affidavit which must be satisfactory to the Registration Committee.

6. If a dog, whether registered or not, is lost to its registered or reputed owner, through any cause whatsoever, it shall be declared non-existent, unless subsequent representations are made to the Board which indicate reasonable grounds that the identity of the dog can be established, in which case, the matter shall be referred to the Board for its consideration.

7. Notwithstanding any other provisions of these By-laws or agreements entered into by the Club, no individual dog is eligible for registration if its dam was mated to two or more stud dogs in the three month's period immediately preceding the birth of the dog.

8. A dog born in Canada as a result of artificial insemination, the progeny of a dam registered in the records of the Club, may be registered under regulations approved by the Club and the Department of Agriculture for Canada.

9. CANCELLATION OF REGISTRATION (1) The Chief Registration Officer, upon the recommendation of the Board, and after investigation, shall have the power to cancel the registration, or to prohibit the registration if not already effected, of any dog where the Board has reason to believe:

(a) that the dog is not pure-bred; or
(b) that any part of an application for registration of a dog contains false information or false representation or information calculated to mislead; or
(c) that there has been a failure to disclose all relevant information.

(2) FAILURE TO CO-OPERATE. Where the breeder and/or owner fails to reasonably co-operate in respect to an investigation, the Chief Registration Officer shall have the power to suspend, or cancel, the registrations standing in the name of such breeder and/or owner and to instruct the recording office to reject any applications submitted by such breeder and/or owner.

Article XXXI. REGISTRATION OF TRANSFERS OF OWNERSHIP

1. When a dog is sold or otherwise disposed of for a consideration (monetary or otherwise) as pure-bred, the person disposing of the dog must immediately take the necessary action to provide the new owner with a Canadian certificate of registration on which is recorded the change of ownership.

If, however, there is an understanding that the certificate of registration is not to be provided the new owner until the person disposing of the dog has received full payment (monetary or otherwise) such agreement must be legal and be in writing.

2. A pure-bred dog may be sold, or otherwise disposed of for a consideration (monetary or otherwise), on the understanding that the new owner, or any subsequent owner or lessee thereof, will not use the dog for breeding purposes; however, such an understanding will have no force or effect unless entered into on forms (or printed facsimile thereof) provided by the Club for the purpose, and such written agreement is deposited with the recording office of the Club when the application for registration of change of ownership is submitted to the recording office. On receipt of such an agreement, the Registrar shall cause an endorsement, in a form approved by the Chief Registration Officer, to appear on the certificate of registration and in the records of the Club that the dog has been disposed of on the understanding that it will not be used for breeding purposes, such understanding to be binding on all parties until the agreement is cancelled by mutual consent of the parties who originally entered into it.

An agreement of this nature may be cancelled by mutual consent of the parties to it; however, all parties to the agreement must notify the recording office of the Club in writing, on forms provided by the Club, that the agreement has been cancelled. Where such cancellation occurs a fee of $10.00 must accompany the application for cancellation. A new certificate will then be issued, the replaced one becoming the permanent property of the Club. Cancellation of such an agreement with regard to a particular dog does not prohibit the subsequent recording of another such agreement with regard to the same dog.

While such an agreement remains in effect and on the records of the Club the progeny of a dog covered by such an agreement shall not be eligible for registration in the records of the Club, nor shall any person have the right to force, or seek to force, the Club to proceed with the registration of any such progeny, directly or otherwise.

A person who sells as pure-bred the progeny of a dog covered by such an agreement at the time of service shall be deemed to have violated the provisions of section seventeen of the Live Stock Pedigree Act, 1949.

3. A member may be suspended or expelled, or a non-member deprived of the privileges of the Club, if it is proven to the satisfaction of the Board that when selling, or otherwise disposing of a dog for a consideration (monetary or otherwise), the person disposing of the dog has asked or required the new owner to make any form of payment specifically for the purpose of being furnished with a certificate of registration.

4. When the Board is satisfied that a person has failed to comply with the requirements of section 1 of this Article, it shall have the power, upon receipt of the required information and fees, to authorize the issuance of a certificate of registration, showing duly recorded transfer of ownership to the new owner.

5. An application for registration of change of ownership must be made in ink or typewritten on a form supplied by the Club for that purpose. The certificate will be returned by the Recording Office to the applicant. However, if the certificate is then returned to the Recording Office by the Post Office for any reason whatsoever, the certificate will then be forwarded to the new owner.

6. If a resident of Canada should purchase a dog exported from Canada to another country, the dog must be registered in a stud book or record in that country recognized by this Club in the name of the new Canadian owner. The Canadian Kennel Club certificate of registration together with the certificate of registration issued by said recognized stud book or record must be forwarded to the recording office. A properly completed application for transfer, together with the transfer fee is required. If the person exporting the dog to Canada is not the person to whom the dog was exported from Canada, an official statement of the full chain of ownership must be obtained from said recognized stud book or record and must accompany the application for transfer of ownership.

Article XXXII. CERTIFIED PEDIGREES

1. A certified pedigree is a certified genealogical table showing the ancestral line of descent of a dog as indicated by the Club's registration records and such British or foreign stud books as may be in the Club's files. It is certified as being correct only to the extent that it reflects the ancestral line of descent as shown in the records and stud books available to the Club, and no claim may be entered against the Club or its recording office in the event the information shown thereon is incorrect.

2. A "three-generation pedigree" is one which shows the name of the sire and dam, all grandparents, and all great grandparents of a particular dog.

3. The Club may decline to provide a certified pedigree for any reason which it deems sufficient.

Article XXXIII. DUPLICATE CERTIFICATES

1. A duplicate certificate may be issued if a statutory declaration, on a form supplied by the Club for the purpose, is filed by the person who was last in possession of the original certificate, showing in a satisfactory manner that the original is lost, destroyed or unobtainable.

2. Once a duplicate certificate has been issued the original is void and if found must be returned to the recording office to be filed.

Article XXXIV. REGISTRATION OF LEASES

In case a male or female is leased or loaned for any purpose the form of lease supplied by the Club for that purpose must be filled in, signed by the lessee and lessor and forwarded with the required fees to the recording office so that the lease may be recorded. The terms, conditions or arrangements agreed on by the lessee and lessor shall be fully disclosed on the application for registration of lease or a copy of the agreement signed by the lessee and lessor shall be attached to the application for registration of the lease.

Article XXXV. FEES

1. All fees for transactions requiring the services of the recording office shall be made payable to The Canadian Kennel Club and should be sent direct to the recording office. They may be in the form of a postal note, post office money order, express money order, bank money order or cheque payable at par at the office of the records.

2. On receipt of fees the recording office shall forthwith deposit the same to the credit of the Club in a chartered bank selected by the Board.

Registration of dogs recorded in any recognized British or foreign record is chargeable at the same rate as for Canadian-born dogs. 4. The Board is empowered to alter, vary, or change fees, including membership fees, institute new fees or discontinue existing fees, subject to the following conditions:

(a) The Finance Committee (appointed as provided in Article XIII of these By-laws) shall have recommended to the Board the proposed changes;

(b) All members of the Club shall be informed of all proposed changes in fees at least three months prior to the application to the Minister of Agriculture for Canada for approval of any change in fees;

Article XXXVI. IMPROVEMENT OF STOCK

1. The improvement of stock being an important factor in the advancement of the breeding and registration of pure-bred dogs, the Club may:

(g) adopt and carry out policies designed to further the activities referred to in this article and to publish and otherwise disseminate information relating to such activities.

2. The amending of the rules and regulations referred to in part (a) of section 1 above shall be as provided in Article XXXVIII of these By-laws. The Board shall otherwise have the power to take such action as it considers necessary to effectively carry out the provisions of section 1 of this Article.

(2) A principal proposer may submit to the Secretary with the proposed amendment a short note (not to exceed 300 words) explaining the reasons for and effect of the proposed amendment.

3. Each proposed amendment shall be published in the official organ or mailed to all ordinary members on or before November 15th in the year preceding the biennial election of the Board, with an invitation to all interested members and clubs to submit their comments so as to be received by the Secretary not later than January 31st in the year of the biennial election of the Board for the consideration of the Amendments Committee. The short note shall be published with the proposed amendment except for such editing as the Secretary deems advisable, or the Club's solicitor deems necessary to protect the interests of the Club. The proposed amendment shall be placed on the agenda of the annual Board meeting, next, following the date of publication.

(2) The sponsors shall have the right to:

(a) insist that their original proposed amendment be included in the referendum ballot; or

(b) ask that the proposed amendment, as amended by the Amendments Committee, be included in the referendum ballot; or

(c) withdraw the proposed amendment.

7. (1) Every principal proposer shall, by registered mail, not later than August 1st in the year of the biennial election of the Board, and after having first conferred with all the proposers, inform the Secretary whether a majority of the proposers desire to:

(b) place the proposed amendment, as amended by the endorsation of the Amendments Committee, on the referendum ballot; or

(c) withdraw the original proposed amendment.

14. Upon receipt of a certificate from the Department of Agriculture certifying to the Minister's approval to an amendment, the Secretary shall, in the next succeeding issue of the official organ, or by prepaid postage, advise the members of the amendment.

(2) All ordinary members in good standing at the date of the decision of the Board to conduct a special referendum ballot shall be advised of the proposed amendment by publication of the same in the official organ or by prepaid post at least 30 days before the date fixed to mail the special referendum ballot.

(3) Only those ordinary members in good standing as at the date of the mailing of the referendum ballots shall be entitled to vote.

GOLDEN RETRIEVERS

Mrs. M. A. Walker On her way home from judging the specialty show for Goldens in Winnipeg on May 13, Mrs. Joan Tudor stopped in Ottawa for a few days at our home. Joan is the owner of the well known "Camrose" kennel of Surrey, England, and author of the book The Golden Retriever. She was delighted to meet the Golden people in the area and see our Canadian dogs plus some of the dogs she has sent to Canada.

WEIMARANERS

Victor A. Nunn The fun match/picnic organized by the Weimaraner Association of Canada on June 11 proved to be very successful. Approximately 60 persons and 19 Weimaraners attended the event held at the Randy May farm in Stouffville.

For her Best in Match, Evelyn Carter picked Ch. Jester of Port Credit, owned by John Hayman of Richmond Hill. Nothing unusual about the winner except that "Saxon" is 11 years old and obviously still in fine condition. This same dog recently sired a litter of ten pups. The BOS trophy was awarded by Tom Carter to Inga of Castlemore CDX, owned by Don Gastmeier of Mississauga. Both Saxon and Inga were bred by Helene Crowe of Terra Cotta.

Such was the interest in the match, that it is hoped to make the event an annual one. The next event organized by the WAC will be a Natural Ability Trial to be held some time in August at the Hockley Shooting Preserve. This event will be combined with a picnic. The next general meeting of the WAC will be on Thursday September 14.

The 1972-73 Executives of the Weimaraner Assn. of Canada were elected at the club's annual general meeting on June 8. New President of the club is Vic Nunn and the Vice Presidency is now occupied by Randy May. The new Secretary is Joan Hayman, while Armand Kirby retains his position as Treasurer. Membership at the end of the first year stood at 78 persons.

Mrs. Christa Hailmann of Thunder Bay writes that she has imported a male pup from the well known Greypoint kennel of Connecticut. Her pup, Greypoint's Bodo, is by Greypoint's Schultz out of Am. Ch. Greypoint's Powder Puff.

Pursuing their policy of promoting all aspects of Weimaraner activities, the Weimaraner Assn. of Canada has rented 150 acres in a shooting preserve. Training lessons will be conducted by Walter Ogorodnikov with participation limited to members of the WAC. All aspects of field training will be covered. This is a unique opportunity for Weimaraner owners to allow their dogs to follow their natural instincts under ideal conditions.

AFGHANS

Frank Hamilton The Afghan Hound Club of Canada, Regional Niagara Division, formerly the Afghan Fanciers of the Niagara Region, held graduation of the first training class on June 28 at the Niagara Falls Humane Society. This class was the first of its kind in this area—Obedience Training for the Show Ring. Coordinator was Mrs. J'Neene Dingman; trainer, Mrs. Joan Hamilton. Judge was Mrs. Mabel MacGregor.

The Humane Society most graciously allowed use of their Committee Room and all proceeds from this class were donated to the Society.

First place was taken by Tony MacKenzie with "Gypsy"; tied for second were Shirley Clarke with "Kamie" and Cam Wilson with "Shy." Miss Chris Di'Marco, ten year old daughter of Mr. and Mrs. Gary Di'Marco, received the trophy for Junior Handler with Angel.

Mr. Cam Wilson is Manager for the Humane Society, and showed great interest in the class, participating by training one of the Afghans.

The club plans further training classes to be held in the Niagara area starting early in September. For information contact the Secretary—Miss Claudia Hamilton, R. R. 1, Montrose Rd., Port Robinson, Ont. Phone 384-9669.

NORWEGIAN ELKHOUNDS

Grace McCorkell To most dog owners, distemper is a dread word but to me now it represents a four-month triumph over the terrible disease.

After three puppy shots, at two months of age our Norwegian Elkhound bitch contracted distemper from an unimmunized dog. The first symptoms were sudden loss of appetite and energy, runny eyes and a dry, tough nose. Her temperature was 104.6, and she slept most of the time. She also had difficulty in getting up on her feet. Our vet, without whose patience, kindness and most of all encouragement—the fight would have been lost, put her on concentrated doses of chloromycetin, sulphadimethoxine, mysoline and vitamin and mineral supplements. It took approximately two days for her temperature to drop. 2. Her nasal and eye discharge became very heavy and we had to use cotton swabs to relieve this and we kept vaseline on her nose to help the dryness.

Her food consumption was a problem. We found we got the best results from baby food fed on a spoon. Oatmeal was also good. We carried her everywhere. We fed her four feedings a day as she could not tolerate large amounts but only lost her pounds in six weeks.

At the end of approximately two months, our vet wanted to try her on 500 mgm. of vitamin C per day. It helped.

After three months, she started to eat alone and her temperature had stabilized.

She suffered no convulsions and for this we were so thankful as these are deadly. She was left with a slight twitch of her jaw and this lessened as she gained strength. I might also add that our male Elkhound, innoculated at the same time, although a year older, did not contract the disease despite being in constant contact with her.

After four months she had beaten the disease. We were told it would be a long hard road but with the sparkle back in her eye and the love back in her heart she was well worth it and in winning the fight she is and always will be a champion to those of us who love her.

BEARDED COLLIES

by Carol Gold The Bearded Collie Club of Canada will hold their Match on August 29, with Margaret Osborne judging. The match is open to *all* Bearded Collies, from three months of age. For details, contact Match Secretary, Mrs. Diana Baron, 25 South St., Stouffville, Ont.

There has been some interest

shown in Beardies by pet shops and dealers. A shop in Montreal had a litter lot imported last fall and a shop in Toronto has done the same this spring—both litters being from the same parents. There is apparently yet another litter at a puppy farm in the Montreal area. Although the source of at least two of these litters is known, there seems to be little that anyone can do to stop this traffic. And in a rare breed like ours, this could be quite damaging. Every other consideration aside, Beardies are not everybody's dog, yet they are going touted as "quiet, docile, smallish (18") dogs who are very good with children." At least they're right about Beardies being good with children! You can imagine the purchaser's delight when what he bought turns into a 21-22", 50 lb., intelligent, persistent bundle of exhuberance! Of course, the pet shop dogs are not of the best quality and in at least one instance—in Chicago—have led to a great deal of confusion about the Standard.

A pet shop in Chicago brought in a litter of mismarked Beardies—all white with black or brown patches—and of course the people who bought them and have fallen in love with the breed now find that the standard does not permit this. A Beardie is a coloured dog with or without white Collie markings.

A dog with no white at all is perfectly legal, though admittedly not as "showy."

A Beardie can have a white fireface, blaze, white collar and chest, white legs in front, white socks behind and a white tail tip and be within the limits of markings. But if the blaze spread too far, or the white went too far up the hind legs, or the collar drifted onto the back, you could have a mismark. My own way of deciding (on heads and fronts at least) is to compare to Old English markings—if the Beardie resembles a Bobtail, there's too much white!

COLLIES/SHELTIES

Ariel Sleeth, well-known breeder, judge, horsewoman and farm owner reports on the cross-country acitivities of these breeds. Send your news items to her direct: Sovereign Kennels, R.R. 6, Kingston, Ont.

The question of Sheltie size seems to be a matter of great concern to many breeders and exhibitors.

Recently at a show, Mr. and Mrs. Ivan Moore, St. Thomas, Ont., discussed this subject with me and we seemed to agree that the problem will be with us forever, as the standard reads now. Regarding size the standard is, "The Shetland Sheepdog should stand between 13" and 16" at the shoulder. Disqualification—Heights below or above the desired size range are to be disqualified from the show ring."

Compare this with the Collie standard on size—"Dogs are from 24" to 26" at the shoulder and weigh from 60 to 75 pounds. Bitches are from 22" to 24" at the shoulder, weighing from 50 to 65 pounds. An undersize or an oversize Collie is penalized according to the extent to which the dog appears to be undersize or oversize". A much more sensible approach to keeping the girls looking like girls and the boys like boys.

I think we all prefer the bitch between 13" and 15" and the dog between 14" and 16". The individual breeder may exercise the right to use this as his ideal in his breeding program, but as long as all variances between 13" and 16" are correct, it is up to the judges to valuate the dogs using the standard, not preferences.

It has been my experience that the larger bitch (15½ to 16") gives few males who are not oversize, although the bitches may compare to their dam or be smaller. I feel however that if the standard specified a difference in the size of the dog and the bitch, it would eventually eliminate the need for the size disqualification.

Mr. Rogers has recently shipped pups to such distant points as the Aleutian Islands (between Alaska and Russia), Newfoundland, California, New York, Florida and Washington.

From Oneonta, N.Y.
Jean Simmonds sends sad news of the death of Mae Freeman (Katie-J Sheltie fame). Many of us have benefitted from her lovely dogs and will miss her greatly. She attended shows in Jersey the last weekend in May and the next morning she was gone.

From Liverpool, N.Y.
Judy Hill writes that she has just received her first copy of *Dogs in Canada* and is delighted with it. As she will be vacationing in this area soon, I am looking forward to meeting her. Miss Hill also sent material which was very much appreciated, for use in this column.

OLD ENGLISH SHEEPDOGS

Margaret Ruppelt - The Old English Sheepdog Owners' Club is holding a fun match September 17, at Alton, Ont. Last year 35 Old English were out and even more are expected this year. *Old English Sheepdogs only, please.*

In addition to the usual show classes, there will be many extra "fun" classes, such as the biggest dog, the smallest dog, the dog with most personality, etc. Since this is strictly for fun, spayed or neutered dogs are welcome and there is no age limit for puppies. It is requested though that any dog brought to the fun match has had all the necessary shots and is free from disease and parasites. Champions will not be allowed to compete in the regular show classes. They are more than welcome to come out and compete for the fun classes and there will be a parade of champions with a souvenir rosette awarded to each champion in the parade. Would anyone planning to enter a champion in the parade please let me know as the souvenir rosettes are a special order.

We will be serving refreshments and there will be pony rides for children. An obedience demonstration is also planned.

For further information please contact me at R.R. 2, Claremont, Ont., telephone 649-2308 (after 7 p.m. or weekends).

Well, how about that, the 'big bird' got us to sunny Southern California all in one piece and back to rainy Southern Ontario, without any side trips to Cuba or Algeria!

The Great Western Terrier Specialties show was most enjoyable, although with the Welsh specialty I didn't see nearly as much as I would have liked to and as all the breeds aren't represented, there was no group level.

Beverly Hills is something else! It looks like it's straight out of a Cecil B. deMille movie—would you believe that all the

Breed Notes — from page 13

rings, both inside and out are fully carpeted—lovely blues, reds, bright greens. It was quite spectacular and surely showed the dogs up as well as giving them excellent footing at all times.

As it's a two-day, unbenched show, we had a pretty good opportunity to see a number of breeds. Unfortunately I kept on getting lost—the building is circular with four rings inside and all the rest outdoors—the big problem was that there are nine million doors. I'd be watching a breed, then go back to check my dog, go out the door I would have sworn I'd come in and find I'm now watching Pekes instead of Great Danes. Never did find those Danes again.

We had a lovely chat with Stella Newby from Vancouver—she was down handling Mrs. Kirk Schmitt's Redstart of Highhedges—Mrs. Barbara Hollings breeding. I tell you folks, you've got a great reporter here—I forgot to ask her how she did.

In fact, the only result I have from both shows was that Bam-Bam (Singapore Sling) took RWD at each. I guess the six puppies hanging on his whiskers didn't hurt that much after all.

There was an entry of 3,503 at this show. One of my biggest surprises was the number of Staffordshire Bull Terriers, considering they've just been recognized. There were six dogs and four bitches in Miscellaneous—one dog in Novice A (CD) and another competing in Open A (CDX).

I have a terrific newsletter from the Airedale Club of Canada which would fill the whole column on its own, so I'm afraid I'm going to have to hang on to some of it for a future date. I surely would suggest though if you're an Airedale fancier to contact the Editor, Al Preece, Box 26, Centralia, Ont. . . . it's excellent reading material.

The new executive of the club is: President, Mr. Hank Bennink; 1st V.P., Mrs. Carole Preece; 2nd V.P., Mr. Bob Zbucki; Secretary, Mrs. Hilary Dude; Treasurer, Mrs. Elma Lewis-Watts.

Ross and I took a lot of films of the Airedale Specialty—some gorgeous ones in—we also shot a good number of the other breeds—if anyone is interested in them they're more than welcome.

Still on Airedales and a note from Elyse Malick, Laval des Rapides, Que., who says, "I thought I'd write to let you know that my male, Ch. Kerworth Keighly, Can. & Am. CD, has just finished his Can. CDX. He received two first places and one second with scores of 196, 193 and 191½. I have now started him in Tracking and he has taken to it like a duck to water. I hope to obtain his TD title this Fall. I'm also hoping to take a stab at his Am. CDX this Summer."

On now to Bull Terriers—I was going to comment, but I'll let you judge for yourself.

The Bull Terrier Club of Ontario is holding its Regional Competition for the Silverwood Trophy (Best Bull Terrier bred in North America) on August 13 to be held in conjunction with the Trio Kennel K.C. outside the Bradford arena—contact Paul Wettlaufer, 1550 Avenue Rd., Toronto 20.

The new Bull Terrier Fanciers Association—President L. P. Spicer; Secretary, Gloria Hyde—is holding its Regional Competition for the Silverwood Trophy (Best Bull Terrier bred in North America) on August 27, Humber Water Treatment Plant Grounds, Toronto—contact Mr. G. Travers, 16 Jerome St., Toronto.

Could SOMEONE, SOMEWHERE tell me why in heavens name we need two Bull Terrier clubs in Ontario? The only thing I can think of as being even a little more ludicrous is having two Welsh Terrier clubs in downtown Toronto!

Sorry about that, but I couldn't resist—when are you clubs going to try to pull together instead of apart. Surely, in the case of the BT, you're all striving for the same end—a good BT. Wouldn't it be a heck of a lot easier task if you all worked together?

Next to Cairns (I don't think they have a club in Canada or at least it's been defunct for many years—obviously they learned a sad lesson at some time), some good news from Jim McFarlane. At the Oakland KC show in Michigan, with a record entry of 165 Terriers, his Ch. (Can. & Am.) Cannycairns Fergus topped a Cairn entry of 22 and then went on to 4th in Group. At the Conewango K.C. at Stockton, NY, Fergie took Best of Breed and Ch. Badenoch Fersue's Tarra took RWB. At Erie, Pa., Fergie and Tarra repeated the previous day's wins.

Jim goes on to say, "We have just received the list of 1971 annual specials from the Cairn Terrier Club of America and learn that Fergie had tied in 5th place

Fox Terriers (Wire) next and believe it or not a letter from Pam Running. Pam has been going to write me at least once a month for the last four years and just never got around to it. Well, I tell you, once she gets going, she really goes. Pam has some very interesting comments on 'Ginger' Wires who are becoming quite popular, but I think I'll hold them up until next month so I can give it to you as a whole, not just bits and pieces.

Pam, of course, is Runwyre Kennels Reg'd, and when she wrote she had just returned from the Central States Annual specialty held in Glendale, Ohio. Her travelling companions were her husband Arnold, Lou and Kay Guimond, Wirehill Reg'd and Dick Fuller, Foxbank Reg'd. Kay Guimond came happily home with a third in a large Novice class entry for her Wirehill Copy Girl. Both the trip and the show sounded like a real ball, complete with a surprise birthday party for Pam. As this is the only club in U.S.A. that stages a show exclusively for the Wire Coated Fox Terrier, exhibitors come from every state in the U.S., Canada and elsewhere. The visitors from the furthest distance this year were Roy and Jean Brekke who drove all the way from Vancouver Island.

Now to Kerries and a letter from Irene Smith, Bluestone Reg'd., Winnipeg. "At the Lake Minnetonka KC, Minn., show Ch. Bluestone's Bridal Lace was WB and BOS, while Ch. Bluestone's Ready Raider was WD and BW. The following day at Land O'Lakes KC. Ready Raider was WD, BW and BB, while his half sister Lace repeated her win of the previous day. Lace now has one major and eight points towards her American title."

Irene goes on to say, "There's an interesting story attached to Ready Raider. He was sold as a pet, on the pet agreement, in '68 to a family in Regina. In February, 1971, I received a frantic phone call from his owners, now en route to Japan. They were in Toronto, had had all his shots, health certificates, etc., and then were told that they couldn't take the dog with them. In a panic they called me to see if I could come up with a solution. As it happened one of my buyers had just lost a dog in a tragic accident, so we decided to try it. It was love at first sight when his new family met up with him, and when I met up with him the pet agreement was lifted immediately—his record so far will give you an idea why"!

Irene, it's a real Cinderella story—I can't give his Canadian wins, but they're quite something to behold!

Would you believe our next letter comes from Manchester fanciers—golly if I stay away long enough next time we might even get the Norwich people going! This comes from a Mr. James Geary, P.O. Box 880, Kingston, Ont. "My wife and I have become interested in Manchesters——we at present own two. To date we have not had much luck in obtaining information regarding fanciers, breeders, breed associations or shows. Could you possibly supply us with any information on the breed to further our limited knowledge. Any guidance will be appreciated."

O.K. your Manchesterites, get crackin'. I'll send along anything I can, but the Gearys need your help, not mine.

Well, I guess my Welsh aren't the only 'nuts' of the Terrier world. A note from Jo Head, Winnipeg, tells me that maybe there's some hope for mine after all. She says, "I especially enjoyed your last column. Having a batch of dogs in the house, one runs into some very odd behavior in our animals and also some very funny situations. One of my Miniature Schnauzers used to let me know when he wished to be let out by jumping on the toilet, so, of course, the seat was always kept down, that is until one morning, very early, it was left up. He ran into the bathroom, jumped before he looked and went in hind legs first. The water came up to his middle, so he thought he had to swim—when we arrived on the scene he was standing in the toilet doing the dog paddle."

Jo, I've most likely ruined the story as I've told it to so many people since I received your letter, but it just absolutely broke me up!

To Staffordshire Bull Terriers now and some terrific news for Gail Gordon—at both the Detroit and Toledo shows her Can. Ch. Duchess of Lastin, CD went 2nd in the Miscellaneous Class and added two American legs to her CD title.

And great news for my chosen breed. A fellow member of the Welsh Terrier Club of America, Barbara Jacoby, Closter, N.J., came up to our Bytown trials in Ottawa. Her Pool Forge Brenin of Shalor, Am. CD finished his Can. CD with scores of 194½, 191 and 195 and her Tuppence Jones, Am. UD received his Can. CD with scores of 197½, 198 and 196. He placed 1st in Novice B in both the 1st and 2nd trials and he was highest scoring Terrier in the 3rd trial. He also received the trophy for the highest combined score for trials 1, 2 and 3 having 591½ points out of a possible 600.

Well, that's it for this month—how about some doggy tales—either remedies or just fun—I know we don't all have dogs who go swimming in the 'john,' but still we Miniature Schnauzer and Welsh Terrier people have revealed our souls, how about some of the rest of you coming up and 'baring' your chest!

SMOOTH COAT CHIHUAHUAS

Mrs. C. G. Peterson—Quantico Regd, received the news from California that her eight month puppy bitch, Can. Ch. Quantico's Contessa (subject to C.K.C. confirmation) won Best in Show at the Chihuahua Club of Southern California specialty match, from an entry of over 70 Chihuahuas, up from Senior puppy. This puppy was bred and is owned by Mrs. Peterson.

Can. & Am. Ch. Quantico's Little Crusader was awarded a Group 1st by Judge Mrs. David Crouse at the Michiana Kennel Club Show held June 11 at South Bend, Ind. Crusader was also bred and owned by the above breeder and is now co-owned by the Humphreys of California.

PAPILLONS

Canadian-owned Papillons were well to the fore at the Papillon Club of America specialty show weekend in Massachusetts. At Wellesley, on June 3, with an entry of 41 Papillons, Miss Iris de la Torre Bueno awarded WB and BW to Mrs. Rosa Ionson's Wynfield's Gentille Ginette while Mrs. Clarice Babbidge's Ma Chere Host of Jaclair took WD. The following day, at Marlboro, under Mr. Hayden Martin, Michael and Diana Hill's Quinetta Panito was WD and BW. All awards were 5-point majors.

POMERANIANS

Danny Augostatos, 495 Jones Ave., Toronto 6—The need for a Pom breed club in Canada has become apparent. Our breed's popularity is rising and "now is the time for all good breeders to come to the aid of their Poms."

Mrs. Edna Bradley and I have the groundwork underway, informing breeders all across Canada. However, before the first organizational and electoral meetings in the Fall, much work must be done and we need the support of everybody who owns and/or breeds Pomeranians. Please send for more information to me, at above address. Membership fees will be $5.00 single and $7.00 double.

A word to novice breeders like myself—remember the Pomeranian as "Le Chien de plus change." A Pom changes constantly until he-she reaches maturity, so don't despair if your pup looks hopeless one day for he'll probably come around the next.

POODLES

Marguerite Sisett—The Poodle Specialty Club of British Columbia held its annual general meeting and election of officers on June 15. Mrs. Lee Watts was re-elected President; Mrs. Marguerite B. Sisett, Vice-President; Mrs. Cece Haslam, Secretary; Mrs. Muriel Beresiak, Treasurer. Our membership now numbers 30—27 active and three honorary members. Associate members are most welcome with the fee being $3.00 for the year.

Correspondence with our Associate Poodle breeders and fanciers is most welcome and any help or information we have will certainly be forwarded upon request. A monthly Poodle Paper is mailed to all members with news of club activities as well as most helpful information about and for our breed.

Our semi-annual fun match is scheduled for October 29, with Mrs. Jean Lyle judging. This match is for all Poodles in all clips. If you plan on visiting our fair city do let your Poodle take you to it. We give a short course in handling before judging to help our visitors and friends. There is plenty of food and lots of Poodle talk!

BACK TALK

by JOAN MORDEN

"People, as well as dogs, deserve recognition", says Mr. Norman Brown, Secretary-Treasurer of The Canadian Kennel Club

It is next to impossible to catch Norman Brown with enough time to spare for an interview. But he arranged it. Right in the middle of a post-Annual General Meeting workday, gentleman that he is, he fielded my questions for two hours and never once gave the impression that he was hurried or ill at ease. When I asked for permission to interview the Secretary-Treasurer of The Canadian Kennel Club I agreed not to question him on club matters he would rather not discuss—contentious issues, past and present, and pending legislation, the interviewer's stock in trade. But the rich background material and insight into head office operations provided by Mr. Brown more than made up for this deficiency.

Driving home, the weather conspired to bring traffic to a crawl which gave plenty of time to think about the man whose name is a household word to everyone connected with the Canadian dog fancy. His position is unique in The Canadian Kennel Club. He is the most permanent member of its permanent staff, having been with the club first as a trainee, then as its chief administrator for almost 40 years. And when an association lasts this long one must conclude that the man and the job are very compatible. They are. The job demands precision, attention to detail and patience. It also needs an impartial and objective approach when problems arise and a concern for the rights of everyone in Canada who is a part of the dog fancy, club members and non-members alike. Norman has all this plus a background of practical experience in dogs.

There is no such thing as "before Norman went into dogs"—he grew up with them. His mother, Mrs. Ellen Brown, who was the first lady to be elected to the Board of Directors of The Canadian Kennel Club, was a successful breeder of both Bulldogs and Schipperkes under the kennel suffix "o the North". She finished some 40 champions in Canada and one of these, a Schipperke, had the distinction of winning Best of Breed and 4th in the group at Westminster. The following year a son of this dog repeated the breed win.

Norman says that as a boy he served his time at every kennel job there is, helped out at shows and handled occasionally when needed. He was also busy in other areas. He worked with Captain Dudley Waters, who was the show secretary for the National Kennel Club, the organization that ran the dog shows at the Winter Fair. And, on the occasions when his mother had the job of show secretary for various clubs, Norm's experience was put to good use. In those days as many as five dogs of the same breed might be entered in a show on a single entry form and untangling all the information could be quite a chore. To illustrate, Norman showed me one of these old-fashioned, multi-dog forms. It measured a gigantic 12" x 16" and showed the entry fee to be $2 per dog.

In those days all championship shows were benched and some lasted more than one day. Norman recalls that the Canadian National Exhibition show ran as long as four days for a single show! He also says that the atmosphere at a dog show then was very relaxed. Exhibitors looked forward to shows as social events where they could visit with old friends. There were far fewer point shows held than there are today and it was not uncommon for an exhibitor to enter five or more dogs. Shows were also places at which an exhibitor could learn about the other fellow's breeds at his leisure and Norman says that there was a good feeling of mutual help and cooperation.

Naturally, these protracted shows cost much more than today's unbenched counterparts and show-giving clubs were often hard put to break even on them. So, in order to raise funds for the "big show", clubs held frequent "parlor shows", the forerunner of today's sanction matches.

Another remarkable feature of the earlier championship shows was the manner in which points were awarded. Mr. Brown told me that instead of being based on breed entry, points were given according to the total number of dogs entered in the show. Thus, the larger the overall entry, the greater the number of points that were available, up to a limit of five. A 500-dog entry in those days, Norman says, would constitute a five-point win for every dog that won a "winners" ribbon even though it might have been the only member of its breed shown.

Norman's move into CKC administration occurred not because of his family's association in dogs but through the recommendation of a friend. Mr. Strachan, the chief administrator of the CKC at that time, was looking for a young man to train to take over the job on his retirement. A mutual friend suggested young Norman and so his CKC career began.

When he first joined the head office staff, Norman recalls, there were four employees handling the club's affairs. Today, although membership and events held under the club's regulations have increased about seven-fold, the work force has not. A staff of eight, last year, serviced a membership which totals 8,300 and took care of all the work necessary to the hundreds of dog events that were held. With the improvement in the club's financial position, head office staff is now being increased.

One of the biggest problems, Norman says, is that of allocating championship show dates, particularly in areas where dog activity is highly concentrated such as in southern Ontario. Another recurrent problem results when errors are made in completing entry forms. It is not uncommon for the club to hear from an irate exhibitor that a championship certificate is much overdue, only to discover when records are checked that the same dog has been entered under two different names. And so, two records exist neither with complete championship requirements but satisfactory when combined.

There is also a constantly ringing telephone at the CKC office. The calls cover a wide range of subject matter pertinent to dog affairs—and others. Recently a caller queried: "How do I handle a timber wolf?" "Very carefully", replied the young lady at CKC.

Joking aside, head office, which means Mr. Brown, gets its share of abusive calls. This was particularly true during the recent registration crisis. But, strangely, telephone calls and letters from disgruntled dog buyers concerning non-delivery of papers decreased. Norman attributes this to the extensive press coverage given to the problem.

Mr. Brown is not only a fund of information on club doings and its history, he also has encyclopaedic knowledge on present rules and policies. And, from time to time, as he envisions improvements he submits his recommendations to the Board. Among these was the "Non-Breeding Contract", a favorite of Norman's, but which, he says, is not being used as frequently as he had anticipated. prising to learn tha out of every four do with CKC becomes a imal. Because of t says, it is imperati club endeavor to fin tion system that do ve so much paper breeder and for the division.

One point that No very clear is that th to help its members forward to the day w will be financially ab additional services, would be a central

THIS AUSTRALIAN FOX RUNS WITH THE HOUNDS

The basic premise of the English fox hunt is well known . . . hounds chase foxes. Young Australian country boy Michael Brown has pet fox which confuses this tradition by choosing to be friends with the local farm dogs. Michael found the fox, Cindy, as a cub in a paddock near his home at Penshurst in the Western District of the State of Victoria. Dogs have always been her playmates and she even foster-mothered one of them. Although a local newspaper speculated lightly on the question of whether offspring from a fox mated with a dog should be "doxes or fogs", the Department of Genetics at the University of Melbourne says the significant genetic differences between these animals makes hybrids unlikely. The Department said there was no mention of such hybrids in the scientific literature since early English settlers introduced the fox into Australia. —*photo by Eric Wadsworth*

Dog popularity growing

The popularity of the dog as a companion to man continues to grow, states the Gaines Dog Research Center.

The growth of the American Kennel Club in recent years was pointed out recently by John Lafore, AKC president, to members of the Dog Fancier's Club in New York City. It took 50 years—from 1884 to 1935—for the AKC to register a total of one million dogs, Mr. Lafore declared **but more than a million dogs have been registered in each of the last two years alone.**

Recently, the average yearly increase in show and obedience trial entries has been 10 per cent, he added, and the first three months of 1972 showed a 15 per cent increase.

A recent survey also showed that the overall dog population continues to rise throughout the United States. The estimated dog population is now placed at 32 million, a 36 per cent increase in the last seven years.

Directors named for St. Catharines and district KC

ST. CATHARINES, Ont.—Alan McClory was elected President by acclamation at the club's recent annual meeting. Vice President is Mrs. Joan Hamilton; Secretary, Mrs. Pat Ostovar; Treasurer, Mrs. Wendy Ode; Show Chairman is Bill Poynter while Obedience Chairman is Gerald Burke. New Board of Directors are Mrs. Pat Stonham, Jim McKnight, Bill Grove, Mrs. Evelyn Burke, Miss Charlotte Schwandt and Margaret McClory.

Heartworm film wins two awards

A scientific film showing the transmission of heartworms to dogs by mosquitoes has won first prize at both the World Veterinary Medical Congress in Mexico and the Fourth International Film Festival in Brussels. Titled "Dirofiliara Immitis: Development and Transmission", the 15 minute film shows details of the development of the heartworm inside the mosquito, its transmission during the bite of the mosquito and the disabling development of the worm in a dog's heart.

Funds for the film's production were provided by the University of California School of Veterinary Medicine.

Editor's Note: Dogs travelling to areas where heartworm is a serious problem may now receive medication to protect them from becoming infested with this disabling parasite. There is a new product on the market developed specifically for the purpose. Check with your veterinarian.
