INELIGIBLE EVENT PARTICIPANTS

November 10, 2026

The following is the current list of persons, dogs, kennels or companies that may not participate in any capacity other than as spectators at any type of event held under CKC rules. Those names denoted in **bold** type appear on the list for the first time. Participation is defined as any activity directed towards practicing a dog for entry into the ring or field while within the show or trial precincts. Any person found to be engaged in such activity while ineligible to participate is subject to disciplinary action.

Entries must not be accepted while the penalty is in effect even if the event is after the expiration of the penalty. Such entries must be rejected and the entry fee refunded. Furthermore, clubs should not accept money orders, credit card authorizations or cheques in payment of entry fees drawn on the accounts of persons whose names appear on this list.

A club seeking official recognition will be refused recognition, or a club having already established recognition, will be withheld from holding any events under CKC rules if it has an officer or member of its Executive who is deprived, suspended, expelled or debarred of CKC privileges.

If you have any questions, please feel free to contact the Regulatory Division of The Canadian Kennel Club at (416) 675-5511.

*Asterisk denotes date of reinstatement.
